“Dearest Master, Jesus, with regard to the devolution of man, the Padgett messages tell us that, in the space of only several hundred years man's moral decline was such that he could hardly be distinguished from the beasts of the field. And it was from the bottom of this degenerate condition that man began his slow ascent thereafter to the present day. Well, one of the Padgett messages is from Sebastobel, familiar with the Atlantian history, who relates that Atlantis was a very advanced civilization beyond our own -- so advanced, in fact, that members were capable of transporting themselves from place to place by the application of will power, without the apparent need for any carrying or propelling physical vehicles. Sebastobel claims that this was accomplished by employing certain forces of nature, still existing, but unknown by man of the present day.

“Well, Master, the first question I have for you today is: If there were indeed advanced civilizations like Atlantis or Lemuria, is this because their moral and intellectual advancement had been restored to that of perfection or near perfection enjoyed by our first parents, Aman and Amon (also known as Andon and Fonta, were our first parents nearly 1,000,000 years ago whereas Adam and Eve lived around 38,000 years ago)? And, if so, following the destruction of these civilizations by alleged natural forces (earthquakes, etc.), did humankind again go through a period of decline and moral degeneration to yet another low estate similar to the beasts of the field? And was this followed by yet another period of moral and intellectual advancement for mankind?

“Not only Atlantis but also many civilizations have come and gone during the million or so years of man's existence. Does this mean that there have been not one, not two, but many periods of devolution for humankind followed by many periods of evolution toward restored perfection?

“And, finally, we are instructed that God's Laws are immutable, and this applies to both natural laws and spiritual laws. This being so, how could the people of Atlantis have been able to transport their physical bodies by mere thought or will power when this seems to be in direct defiance of physical or natural law? And if they could so transport themselves through some kind of higher physical law taking precedence, why is it that the citizens of Atlantis could not have transported themselves elsewhere, out of danger, during the earthquake that allegedly destroyed their continent and civilization? Surely at least some of them could have presumably escaped before the earthquake had completed its destructive work.

“Hoping that I will be a clear channel to receive your answers, dear Master, I now welcome your loving presence and message of this day.”

I am now here, my dear brother in Christ, and I come to you in response to the questions you have put before me. I am most happy to resume our messages again, and I will do my best to clarify some of the issues you have addressed. I am, of course, your friend and brother in Christ, Jesus, Master of the Celestial Heavens and the eternal leader of our church on Earth.

In the first place, let me say that Atlantian history is not so surprising when it is considered that many civilizations have come and gone since man's earliest beginnings. These emerging and retrogressive or ultimately collapsed civilizations have been many, although your present knowledge of history takes in but a few, such as the rise and fall of the Roman Empire, the Egyptian dynasties, and the period of Grecian superiority. But many centuries antedating these civilizations were others of which you have no knowledge, but which indeed existed for varying periods of time. These civilizations were advanced in

certain particulars and not so advanced in accordance with your present level of development in other particulars. The laws to which Sebastobel referred in the Atlantian civilization are indeed the same laws that exist now and have always existed. But utilization of these laws has depended upon a number of factors in terms of man's development and his readiness to have these laws, or their operations, brought to his consciousness and understanding.

Spiritual forces are in the back of all new revelations, inventions, and knowledge given to mankind. And these forces are employed when it is deemed that a particular era and civilization in that era is prepared to receive this help from the spirit side of life. Atlantis was a civilization that had advanced to a point where it was deemed fit and timely to impress upon it a knowledge of certain laws and their operations, whereby proper utilization of them would result in advantages of a material order. And the Atlantians were indeed given the inspiration that led to what might be termed more advanced control and utilization of certain forces in nature that could be employed for man's comfort or benefit. But this is not to say that other civilizations have not also come and gone with similar inspiration having been given, acquired, and then subsequently lost for a variety of reasons.

Indeed, most civilizations have gone through a period of moral decline where the initial knowledge given and obtained was ultimately lost through the collapse of these civilizations - - this collapse being inevitable on the basis of the certain results of the wrongful exercise of choices built up over time. But not all civilizations have been lost to themselves or to history on the basis of devolution or degeneracy. Some have been lost in terms of the so-called material disasters that man is always potentially subject to as a consequence of other normal workings of other laws.

When it is considered that man must die the mortal death at some time, in the eternal scheme of things, it is of little consequence whether he begins his eternal growth and development in the spirit world perhaps a little sooner than a little later. And, sometimes, an earlier passing to the spirit world is much more a reward than a presumed punishment. And so it was with the Atlantians. Their abrupt ending to their mortal existence was essentially a blessing in disguise, for this was not a civilization that had degenerated, but one that had made considerable strides not only in the arts and sciences but also in the more important and saving areas of spiritual contact and soulful development. Indeed, mediumship practiced during the Atlantian era was much more prevalent than it is today. Contact between spirits and mortals was what you might almost say was commonplace at that time. And, so, with this more open communication between both worlds, is it any wonder that mortals of that day were privy to more of the accumulated spiritual knowledge preserved since man's earliest beginnings than mortals are privy to or aware of today?

“Master, was, the Atlantian prosperity and advancement the result of their approaching perfection? And, with their destruction, did mankind go through other periods of decline and restoration?”

In answer to your question concerning perfection or near perfection of the residents of Atlantis, in a relative sense, yes, they were more spiritually developed than are the various civilizations of the modern day; but, no, they were not developed perfectly. Had they been, they would have obtained the Kingdom of Heaven on Earth, and this has not been achieved by any civilization at any time in the world's history. The civilizations that have come and gone have varied in terms of their spiritual development and material mastery of their environments. And, in the course of human history, humankind have made their way in an advancing and retrogressive manner, with periods of relative growth and development followed by periods of backsliding and moral degeneration. And, so, when we speak of the evolution of man from the bottom of his degeneracy, we do not intend to convey that his progress has been without its ups and downs since that time. Progress, as you know, rarely proceeds unerringly as far as the human condition is concerned. There are always a certain amount of setbacks and mistakes, as well as a certain

amount of advancements and corrections. And, so, over-viewing man's entire history, in the various parts of the world, civilizations have varied in their amount of progress or lack thereof. But humankind as a whole have been making their slow progress (if sometimes haltingly, or retrogressively backsliding along the way) whereby it can be said, generally speaking, that they have advanced beyond the period of their lowest degeneracy. Of course, there is much development still ahead for humankind to attain to, and this is why our work can never cease until the day comes when, in fact, there is peace on Earth and the perfection of love and brotherhood that the Father intends for all of his children. But, as we see it now, there will continue to be many advances and many steps backwards before this perfected development has been attained by all the civilisations of the Earth. And we must continue to work until this takes place, as you have so often been told.

“And what of the alleged transportation of the Atlantians by thought or will power, Master?”

In answer to that question, yes, these people were able to enact certain laws that enabled them to exercise spiritual force upon material conditions, but material conveyances were still necessary for transporting purposes. That is to say, people then were not able to fly through the air unassisted by material transport vehicles. But these vehicles were not powered by fuel of a material order, but by forces existing in nature which the Atlantians learned to utilize. And regarding their destruction, which I know is your next thought, this cataclysmic event took place at night and at a time when few were in readiness to attempt to react or escape. Those who were awake and aroused had their immediate concern for their loved ones, as well as for themselves, and their concern so directed gave insufficient time for any planned or organized escape. The flood spoken of was a combination of an enormous fault beneath their continent giving way, resulting in both the collapse of their land and a concomitant tidal wave of immense proportions. Before anything could be done of a saving or escaping nature, these combined forces destroyed the land swiftly and surely, which of course included all of its residents.

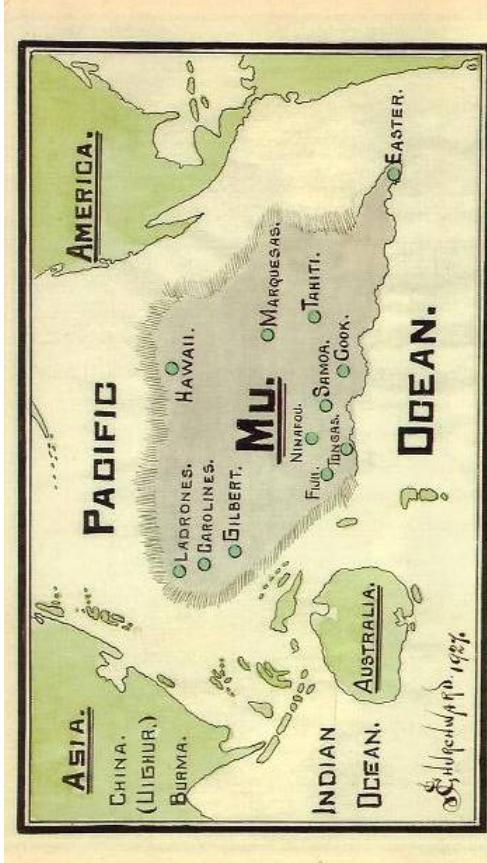

But all of this is truly ancient history. However, I might add that, in this case, the destruction of this civilization was not decreed as any sort of punishment delivered from on high, but the result of the natural workings of the then rather primitive and incompletely formed Earth surface. The beginnings of the Earth were frequented with many more of these natural upheavals owing to its "growing pains," if I may put it that way, at that time. Today, these cataclysmic events are far more infrequent.

Well, my brother, I hope I have answered your questions to your and others' satisfaction. Let me say in closing that the work of spiritual restoration and development is still before us, and this work continues to be of vastly more importance than the physical changes that are also a part of the mortal condition. And I know that all of you remain dedicated to this work along with us, and I thank you all for your sustained efforts in behalf of the Kingdom of the Father. Until next time, then, I leave you all with my love and blessings and those of the Father, and I thank you for receiving my thoughts of today.

I am here, Anabalixis:

I lived on the lost continent of Atlantis. I was a ruler of the people who lived on this submerged continent and I come to tell you of its history, but your wife says that you are too tired to write more tonight. I will come again sometime and tell you the wonders of that unfortunate land.

So good night.

Messages recorded within the Padgett Messages have a very high degree of reliability, these are from 1914 to 1923.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

The designer of the Great Pyramid of Gizeh, in Egypt.

I am here, Anaxylabis.

Let me tell you about the great pyramid of Gizeh. I want to do so in detail, as I was its designer, and I built it under the direction of the great Egyptian king, Monyabasis the Great, who lived many centuries ago, before Rameses, who is credited with its construction. I know that mankind has no records which tell of the reign of this monarch, but such records did exist, and in them was contained the history and the description of the occasion which called for the building of this great pyramid.

These records were destroyed long before the present extant histories of the world were written – long before the Book of the Dead was written and long before any of the present kingdoms of the Earth had their beginnings. Centuries and centuries have passed since that time and no man has knowledge of what was then the condition of the human race or, as I should say, speaking for myself, of the race that inhabited the region of what you call the Lower Nile. We were a race of a great intelligence, and of what you would now describe as a wonderful civilization. Many of our arts and sciences disappeared from Earth and have never been rediscovered, and may never be, for that race no longer has communication with the present race.

I came tonight because I saw pass me by wonderful spirits of light and beauty, evidently bent on some great mission; and I followed them and found myself with you. Listening to the communications which they gave you, I found that there came to me a desire to write also. Well, as I listened I soon saw that the communications were written in a language different from my own, and that you understood only that language and that I must write in that language to make myself understood; so I commenced at once to learn it and I learned it in the short space of time that I listened to them in their communications. This may seem impossible to you, but I can read the thoughts of spirits and men without difficulty, and as all thoughts in the spirit world require no language such as you understand, I soon found that I could clothe my thoughts in your words as I am doing now.

Well, I know it may not be very satisfactory to you, but it is true, and I cannot more clearly explain it so that you may comprehend it. Well, I have diverged or digressed from my intention of telling you what the design of the great pyramid was, and I find that I have written too long to attempt it now, as this is my first effort at writing. So I will postpone it until later, but I will come and give you the explanation.

I don't know in years, but when the Egyptian Book of the Dead was written I had lived as a spirit many thousands of years. I must stop now and say good night.

Jayemas, teacher of arts and sciences, writes about his lost continent and the high intellect that it possessed.

I am here, Jayemas:

I am the spirit of a man who when on Earth was an inhabitant of the great continent of Atlantis which was submerged in a cataclysm and by which great calamity all the inhabitants of that country were drowned.

I am now in the sixth sphere where are many others of my countrymen, and wherein are enjoying much happiness and great intellectual pursuits that bring to us knowledge of the wonderful laws of the universe.

I was, when on Earth, a teacher of the arts and sciences, and of the philosophy of life as well. I made many inventions which enabled my people to progress in the development of the use of forces which existed in the unseen world, and which are now still in existence and operating.

If mortals would only understand and had means for utilizing these forces; they would enjoy wonderful facilities for travelling and propelling the different engines of trade and manufacture that they are engaged in, and also for making easy much of the labour which is now done by hand or by imperfect machinery.

You must not think that the forces of nature have all been discovered by your great scientists and inventors for that is not true; and in the near future you will have revealed to your investigators some wonderful forces that will revolutionize many of the means of conducting the communications between nations, and of leading men to a knowledge of what the possibilities are.

Well, I am not permitted to disclose any of these secrets at this time, but in the near future they will be made known, and you will live to see some of these forces applied to the actual working out of what you suppose to be the ideas of your inventors.

I merely wanted to introduce myself at this time as I hope to come to you later and tell you about my life on the submerged continent. So I will not write more.

Your friend,

An ancient spirit decides to search for the Divine Love, which he learns is the cause of the beauty and brightness of Helen Padgett, a Celestial Spirit.

I am here, Sebastobel.

I am a spirit who has never written before, and I desire to say a few things which I consider of importance to mortals as well as to spirits.

I live in the highest sphere where intellect rules supreme, and where spirits are happy in the knowledge that their spirit existence is free from all the cares and limitations which a life in the body imposes.

I am a student of the laws governing the relationship of the various planets to one another, and to the Earth, and of the influences which the sun and moon and stars exert upon mortals of the Earth. I am an ancient spirit and have been in spirit life many thousands of years – long before the great flood which submerged a great continent which men know as Atlantis.

When that continent existed and was peopled by living, active, intelligent beings, I had been a spirit many years and was in communication with the prophets, as they were called – or rather seers – of that happy land. The development of these people far surpassed that of the present inhabitants of Earth in not only the purely intellectual qualities in the abstract, but also in their knowledge of what you call the arts and sciences. Then the inhabitants of that fair land not only did not have the necessity for using horses or automobiles or steam cars or boats, or airships, for moving from place to place and travelling, but they knew of the existence of and the way to utilize certain forces of nature which enabled each individual or group of individuals to transport themselves from place to place by mere operation of their will power, using these forces. These forces still exist in nature, and are just as ready to be utilized now as they were at the time these people of whom I speak brought them under their control.

Some day it will be given to man to understand and control these great forces and utilize them to their fullest extent. Just when this time will be I don't know; but considering the rapid strides that mortals have made in discovering and utilizing some of the heretofore hidden forces in nature during the last half century, I do not think it will be long before these great forces will be discovered, or rather revealed, to man. It will not be so revealed until the higher powers consider the time ripe for man to have the knowledge of these forces revealed to him and to control them.

I know what these forces are, but I am not permitted to make them known to you or anyone else at this time. I should otherwise gladly do so.

Well, while they had this great knowledge and power of transporting themselves, and could have done so had they been given time, the submerging of the continent was so sudden that no man knew the moment when the catastrophe took place. It was in the twinkling of an eye, as it were, and men were drowned before they had time to think or attempt to save themselves.

No, (Noah and the flood) it was not like the Bible description of the flood, which never occurred; that was merely allegory and existed in other books, in a little different form, long before the Bible was written.

These Atlantians are now inhabitants of the spirit world, living in different spheres, and more or less developed in their intellects.

Well, I merely want to say further that I am somewhat surprised that you can receive my thoughts in the way of written communication, for I never before in all my spirit experience have written my thoughts this way. It is a wonderful gift and one which I consider superior to any other method that I know of for communing with mortals. You may ask me any question and I will answer it if I can.

Yes, I see other spirits here – some dark and ugly and some bright and beautiful. I have spoken to one who says she is your wife, and she is a most beautiful and bright spirit – the brightest that I have come in contact with.

Well, I must confess that I have never seen in my sphere any spirit so beautiful or bright, or pure looking or lovely as she, and I wonder why it is. I am at a loss to know, and I would like to know, I assure you.

No, my intellect does not tell me, and I see that there is here presented a phenomenon which is worthy of all investigation and study.

Well, she has told me, and I am astonished at her explanation. I never before knew or heard of the existence of such a thing as this New Birth or Divine Love, and even now I cannot comprehend what she means, but I see a result or effect for which I can find no cause, and it seems reasonable that I should accept the cause which she gives me. But I am astonished, as I thought that there is nothing in all the spirit world equal to the mind, and nothing which brings such happiness. But she tells me of a happiness of which I had no conception. Well, as you say, I see an effect and there must be a cause; and as I am an investigator of the truth, I feel it my duty to search for that cause, and I will.

She has invited me to go with her and meet her band, and also one who, she tells me, is the most magnificent and beautiful in all the spirit universe. I will go with her and investigate this matter; and will come to you again. So I will say good night.

So you don't believe me but it is true.

I will do so.

good night.

Leytergus, an ancient spirit, wrote a book – description of creation and of the fall of man – Genesis was copied after his writings.

<http://new-birth.net/padgetts-messages/true-gospel-revealed-anew-by-jesus-volume-1/leytergus-an-ancient-spirit-wrote-a-description-of-the-creation-of-man-vol-1-pg284/>

August 10th, 1915, Received by James Padgett Washington D.C.

Leytergus.

I was a native of Arabia and lived before the time of Abraham, the Jewish patriarch. I come to you tonight to tell you that before the Jewish Testament was written, I had written a book containing a description of creation and of the fall of man, and that the book of Genesis was copied after my writings, which were founded on traditions older than were the description of Genesis.

These descriptions of the creation of the world were not the works of men inspired by the angels or by any other instrumentalities of God, but were the results of the imaginations of the minds of men who lived long before I lived, and who left only tradition of their writings or teachings. I say all this to show you that the world has existed for many thousands of years longer than the account of its creation in the Jewish Scriptures would lead you to think.

I don't know when it was created and I have not found any spirit in the spiritual world who does know. Of course no spirit would know of his own knowledge because in the natural order of things, man must have been created subsequent to the creation of those things which were necessary for his sustenance and comfort. I have never seen any angels who were not at one time mortals, and hence I could not learn from them when the world was created and I have never seen any angels or spirits to whom God has made this revelation. So I say the creation of the world or rather any account if it is all a matter of speculation and tradition.

Yes, I have been informed as to the fall of man. My information is as follows: When man was created he was made two-fold, – that is there were male and female beings – which was intended to make a perfect one without losing any individuality on the part of either. Their names were not Adam and Eve, but Aman and Amon, which meant the male Am and the female Am. Am meaning the exalted creation of God.

These beings were made perfect physically and spiritually. But these souls were not possessed of all the qualities of the Great Creator Soul, and in that particular were inferior to the Great Creator. But as regards this soul part of their creation, they were made in the image of their Creator. The physical or spiritual part of their creation was not in the image of their Creator, for He had no physical or spiritual body. But their soul part was only made in the image of their Creator – and not of the Substance – but this image was given a potentiality of obtaining or receiving the Substance of the soul qualities of their Creator and provided, if they pursued that course in their existence or living which would cause their souls to receive in accordance with certain operations of the laws which their Creator had prescribed, this soul Substance. And only in obedience to these laws or their operations could this Substance of the Creator Soul, be obtained.

Well, these creatures were not equal to the test, or rather requirements, and after living awhile they became possessed of the idea that they needed not to comply with these prescribed laws, but could of their own will and power obtain this Substance by doing that which they had been forbidden by these laws to do, and so in their efforts to obtain this Substance or Divine Love they disobeyed these laws, and, as a consequence, these potentialities of obtaining the Substance of the Creator Soul were taken from

them, and then they became beings still possessed of the spiritual and physical forms and continued souls, but not of these great potentialities – and this was the fall of man. The story of the apple is a myth.

No apple or anything else that was intended to be eaten formed any part of the fall. It was wholly the fall of the soul's potentialities. The disobedience was the great unlawful desire on the part of these two, to obtain this soul substance before, in accordance with the operations of the laws prescribed, they were fitted or in condition to receive it; and as a consequence, they became disobedient, and being possessed of wills which were not in any way bound or limited by their creator, they exercised these wills in accordance with their desires, and from this disobedience the wills of men and women have continued to act in accordance with their desires and in violation of the great laws of truth, which were made for the two creatures at the time of their creation and are the same unchangeable laws of this time.

The soul substance that these two forfeited was the Divine Love of their Creator, which, had they by their obedience become possessed of, would have made them a part of His Divinity, and thence like Him not only in image but in Substance and reality. The potentiality that was taken from them was the privilege which they had to obtain this soul Substance or Divine Love by complying with obedience which these laws prescribed. So you see the story of genesis is merely symbolical.

I have nothing further to say tonight.

I live in a sphere which is part of the Celestial Heavens. I have, through the mercy of God and His gift, declared by Jesus, received this potentiality and through it the Soul Substance which our first parents forfeited. The name which I have given you was mine when on Earth. It is Arabic and nothing else. You must know, that many of the names of my time, were in after centuries incorporated in the nomenclature of other nations and races.

So I will say good night.

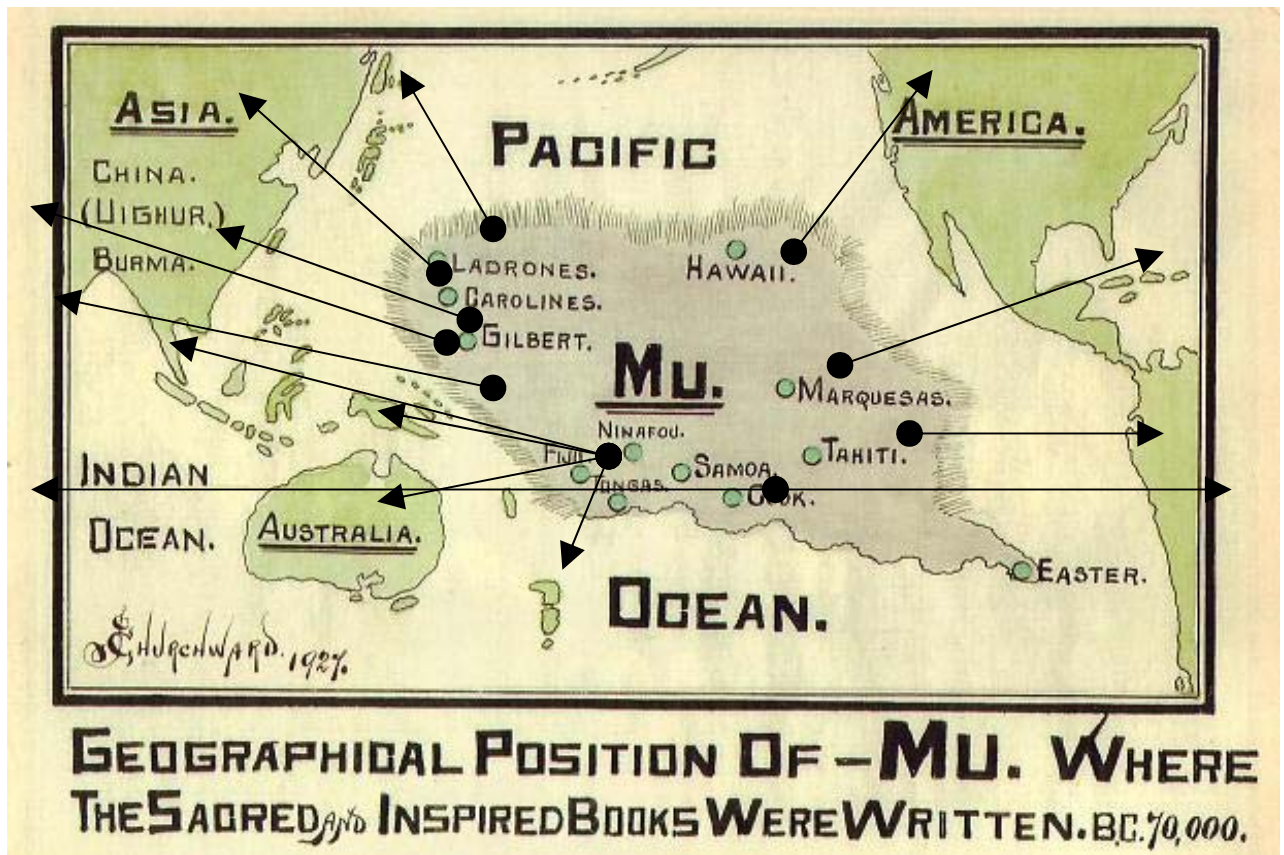

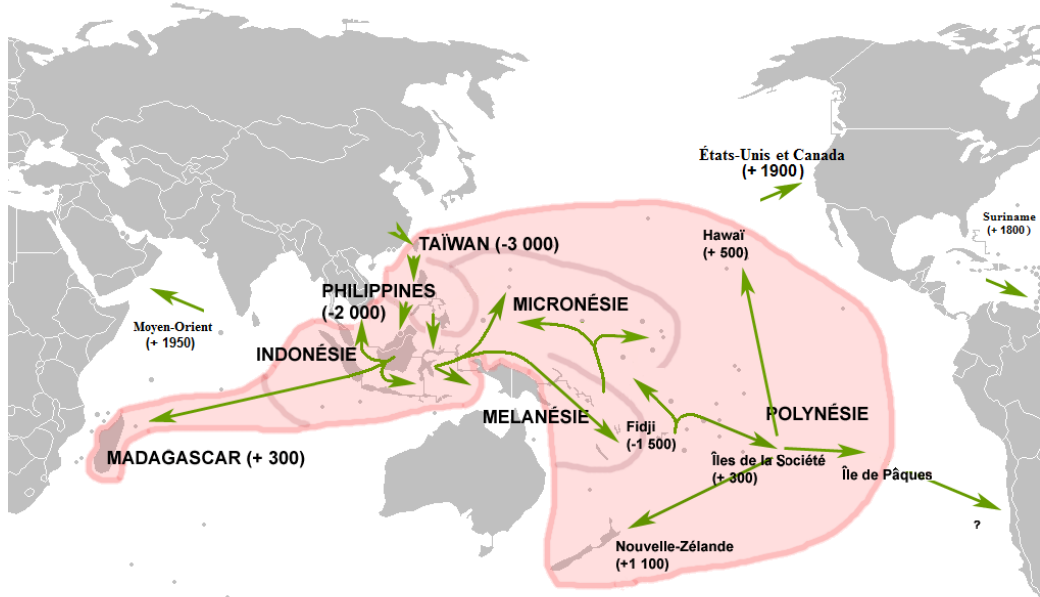

Your brother in Christ,

Leytergus.

LEMURIA SHARED its PEOPLE and WISDOM:

The Naacals tell us: “The ten tribes were developed since man came on Earth. The people becoming crowded began to spread out. Some families went to far distant settlements; here they were virtually isolated from the rest of mankind. They were so few that sometimes brothers and sisters even had to marry to carry on. These close marriages gave them all a family likeness, so they became a type: time, climate, temperature and food completed the type and they became known as a tribe.” “A 70,000 years and more had gone on developing and perfecting these types called tribes in Mu before her destruction came, so that, when she went down, many of these types and colours had become very distinct.”

P51 Discovery of the Presence of God

The First Religion: The Sacred Inspired Books were written for the purpose of teaching early man religion; therefore, man's first religion was the teachings of the Sacred Books.

The basis of the first religion taught to man was – Love. The Love of Man for his Heavenly Father. The Love of the Heavenly Father for his son man, and the love of man for all of God's creations.

Man was taught to approach God in reverence but without fear or trepidation, just as a child would approach his earthly father knowing that open loving arms were extended to receive him.

Early man knew no fear of God, because he loved God and he knew God loved him in return.

All of the ancient teachings were the same all over the world, it was a universal church without sect, creed, theology or dogma.

Every teaching was plain and simple without a particle of theology. The most ignorant could understand every phrase in it. There was nothing of any kind indefinite. It was impossible not to understand it thoroughly. Man was taught to approach the Heavenly Father, not with fear or dread, but with confidence, and above all, Love: as a child would run to its earthly father who is standing with outstretched arms to receive it. Love stood at the head of the 12 great virtues, because Love governs the Universe and the Heavenly Father is The Great Love.

OUR FIRST TEACHERS:

Descendants of Andon and Fonta (also called Aman and Amon), our First Parents, not being Adam and Eve, delivered teachings that were faithfully memorised and later recorded as the SACRED and INSPIRED WRITINGS. Through later generations, writings were progressively preserved via way of hieroglyphic symbols that are the basis for the writings on temples in Mexico, South America, Cambodia, India and Egypt. Six sets, each of about 10,000 tablets, were carried from Mu (Lemuria), these were then located at: Tibet, Deccan Plateau in central India, Gobi Desert in Central China, Upper Egypt, Babylon in Mesopotamia and Mexico City. Further copies of each of these original sets were further made.

However, from the teachings of the leaders of the Rebellion, 200,000 years ago, stem all of the world's major spiritual and religious teachings, all being in error and contaminating the sacred and inspired writings, all suppressing one's soul based loving and truth based feelings and bringing about dependence upon one's erroneous mind. BC=BCE AD=CE

Note: Lunar cycles were considered years, then seasons as years.

First Parents, Andon & Fonta, also known as Aman & Amon 1,000,000 years ago
 As a result of Lemuria (Mu) we have Sacred Inspired Writings 300,000 BC (Chaldi College)
 As a result of Master & Mistress Lucifer we have the Rebellion 200,000 BC
 As a result of Adam & Eve we have the Default 38,000 BC
 As a result of Osiris, we have Osirian 20,000 BC (born in Atlantis)
 As a result of Thoth, we have Osirian in Lower Egypt 14,000 BC (coming from Atlantis)
 As a result of Krishna, we have Hinduism 3,228 BC (birth dates)
 As a result of Abraham, we have Judaism 1,750 BC (+/- 250 years)
 As a result of Moses, we have Judaism and Moses books 1,200 BC (approximately)
 As a result of Zarathushtra, we have Zoroastrianism 630 BC he lived for 242/4 years
 As a result of Lao Tzu, we have Taoism 604 BC
 As a result of Varadhamana Mahavira we have Jainism 599 BC he lived for 72 years
 As a result of Buddha, we have Buddhism 560 BC
 As a result of Confucius, we have Confucism 551 BC
 As a result of Jesus via Paul we have Christianity born August 7 BC died age 35, March 29CE
 Mary of Magdalene, born 2 BC, died age 48, and Jesus of Nazareth, both born free from error.
 As a result of Mohammed, we have Islam 570 AD
 As a result of Topiltzin Ce Acatl Quetzalcoatl –Toltecs Lord 923 AD to 947 AD period of reign
 As a result of Hiawatha we have Iroquois Confederacy 1550 AD
 As a result of the Second Coming we have Divine Love and then Feeling Healing
 which with Divine Love then is Soul Healing 31 May 1914 AD to around the 2040's
 As a result certain restrictions of the Rebellion and Default are now lifted.

From the above ancient clay tablets can be found the Lord's Prayer and the Ten Commandments, though there were 42, Moses was a practical man and condensed them. Also Moses five books are derived from the ancient clay tablets, possibly the set that was in the southern region of Egypt. Those writings had been heavily contaminated by the teachings resulting from the Rebellion.

By longing for the truth of one's feelings and for our Heavenly Parents' Love is the way forward.

WORLD TEACHERS – The First Parents, Aman and Amon, and Jesus of Nazareth:

The First Religion, is the core religion from which all world religions are founded: The Sacred Inspired Books, of Lemuria (Mu), were written for the purpose of teaching early man religion; therefore, man's first religion was the teachings of the Sacred Books, the Sacred and Inspired Writings founded upon the teachings from Aman and Amon, our first parents (not Adam and Eve).

Our Mother and Father, Source Soul, is almighty, all powerful, infinite, and at all times loving. The love of the Heavenly Mother and Father for Their sons, man, has been and is always infinite and ever present. As one's faith in our Parents evolves, man's love for his Heavenly Parents will have no limit. As man grows in his love, so will man grow in his love for all of God's creations.

Approach the Source Soul, our Parents, in reverence, without fear or trepidation, just as a child approaches his earthly father knowing that open loving arms are extended to receive him at all times. As one grows in his love of our Parents, one becomes to know with certainty that God loves him in return, at all times, and that fear is an illusion created by man's mind.

All of the ancient teachings were the same all over the world, it was a universal church without sect, creed, theology or dogma.

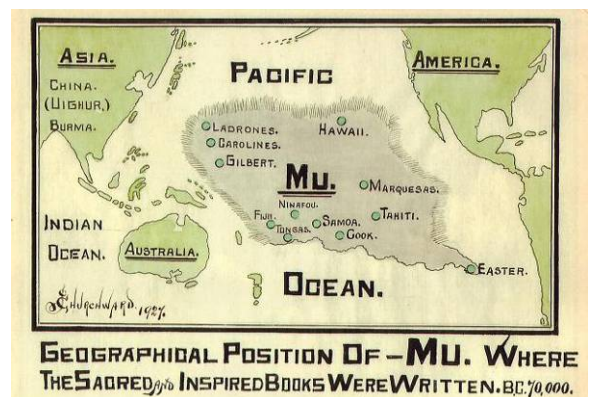

Every teaching was plain and simple without a particle of theology. The most ignorant could understand every phrase in it. There was nothing of any kind indefinite. It was impossible not to understand it thoroughly. Man was taught to approach the Heavenly Mother and Father, not with fear or dread, but with confidence, and above all, Love: as a child would run to its earthly father who is standing with outstretched arms to receive it. Love stood at the head of the 12 great virtues, because Love governs the Universe and our Heavenly Parents is The Great Love.

Jesus, in the 1st century, embraced Divine Love that was rebestowed for all of humanity at his birth, gave as the Prayer for Divine Love, and introduced a commandment:

With the Divine Love we can at all times embrace the will of our Parents and achieve freedom from error and harmful ways, thus finding our way home! And to move along this path we simply develop our embracement of: God's Divine Love; by praying for it, asking for it, and receiving it.

By embracing the commandment provided in the 1st century, namely the first: "This is my commandment, that ye love one another even as I have loved you."

As our soul condition steadily grows in love we step away from causing any harm to others which would also bring about consequences. Also as our soul development progresses, our self love grows which also enables us to step away from causing any self harm which would also bring about consequences.

ALL of HISTORY is ACCESSIBLE:

Upon arriving upon the 1st Celestial Sphere, one can visit the ‘museum’:

And as far as concerning where The First Parents are now, they have moved on with the old guard, having been released from such duties that being The First Parents required. You can see and even in a sense ‘meet’ with them when you come into the first Celestial sphere, we have a museum sort of arrangement, it’s massive and highly complex and covers every aspect of humanity’s history on Earth and in the Mansion Worlds. And you can sort of interact with the exhibits – if I can crudely call them that. You literally walk into say the Atlantean times and explore using your mind for whatever aspect of such times you care to. You can even in a sort of holographic way meet with people from those times, speak with them in a sense, although it’s all automated, it’s not the real person who is now a spirit, although the whole experience being so real and amazing makes your mind believe it is the real person or spirit. So we can even talk to Mary and Jesus like this, which a lot of Celestials do when they first arrive, it all helping them to get to know them better and know what they were all about. It’s a massive learning centre and contains all the knowledge of humanity’s experience, so anything and everything is kept there like ‘living’ archives.

Monday, 20 November 2017: Nanna Beth of 3rd Celestial Heaven

HISTORY UNFOLDING:

Man was ‘seeded’ on Earth maybe some one million years ago in its primitive nature form, they were named Andon and Fonta (also known as Aman and Amon). It was the arrival of Adam and Eve some thirty eight thousand years ago that there was to be an endeavour to significantly evolve the human race on Earth, both spiritually and genetically. In this endeavour, Adam and Eve defaulted, both succumbing to the ways of the rebellion that had been embraced by humanity in its animalistic nature some two hundred thousand years ago.

The Rebellion had been in play in its development for some thousands of years. The Rebellion is that of one succumbing to one’s mind and being self reliant, rather than embracing our Heavenly Parent’s Will, being bestowed and to be found within our soul based truth and will. From the outbreak of the rebellion to the day of enthronement of Jesus and Mary as sovereign rulers of Nebadon, Jesus and Mary never interfered with the rebel forces of Lucifer and his soulmate, or their deputies, Satan and his soulmate.

It was the bestowal of Mary and Jesus, their coming to Earth, two thousand years ago, that brought about the authority and power for the removal of Lucifer. It was their coming into physical life and living on Earth, and remaining in a perfect state, that brought about the escalation of their authority and the termination of the Rebellion at that time. During the two thousand years leading to this current time, the remnants of the Rebellion and Default have been progressively removed. The Caligastias and Daligastias, being soul pairs and who remained embellishing the role of ‘gods’ in the natural love Mansion Worlds / spheres, had continued with their self-made appointment as rulers, now having only very recently been disposed from their ‘thrones’ (possibly around the early 1990’s).

Only now can humanity be guided to the pathway of stepping away from the pain and misery of being self reliant – mind dominated, and embracing the will of our Heavenly Parents, Mother and Father, God – soul feeling orientated. Only now can the feminine aspect come to full bloom and be revealed. Only now can the process of removing of the erroneous teachings that generation after generation hand down to their children be explained and be rebuffed. All of which could not be revealed under the rules of the Rebellion and Default.

As Mary and Jesus, the Creator Daughter and Son of Nebadon, were perfect throughout their physical lives, they do not have the personal experiences to adequately share with us how to heal ourselves of our evilness / errors, that of denying Mother and Father – God and themselves, Mary and Jesus. And now there is possibly another bestowal pair on Earth. This pair being the Avonals. If they are here, then they will have embraced all the errors and evilness that humanity is in, and then work through the Feeling Healing process and also embrace Soul Healing. Upon their physical deaths, they then release their spirits of truth so that all of humanity who wish to undertake their Feeling Healing and Soul Healing, should they long for their support, will be able to access these Spirits of Truth for assistance.

Paradise Magisterial Sons and Daughters constitute the order of Avonals in contradistinction to the order of Michael, the Creator Sons and Daughters. Though not creators in the personal sense, they are closely associated with the Michaels in all their work. The Avonals are planetary ministers and judges, the magistrates of the time-space realms — of all races, to all worlds, and in all universes.

Humanity will continue to connect with the Spirits of Truth of Mary and Jesus, even though Mary and Jesus will now step back from assisting humanity and enable the Avonal pair to assist and guide humanity in this coming age. This change over is the end time of Mary and Jesus’ era.

LUCIFER REBELION HAS ENDED, and now REVELATIONS for HEALING are HERE:

Lucifer soulmate pair

Satan soulmate pair

Caligastia soulmate pair

Daligastia soulmate pair

Lucifer soulmate pair were magnificent beings, a brilliant personality as one. They were designated as one of the one hundred most able and brilliant personalities in more than seven hundred thousand of their kind. From such a magnificent beginning, through evil and error, they embraced sin. They believed that their minds were all powerful and that everyone should be independent and reject the illusionary God and those who lead the path to God, namely Michael of Nebadon (Jesus and Mary).

Very little was heard of Lucifer on Urantia (Earth) owing to the fact that he assigned his first lieutenant, **Satan** (also a soulmate pair), to advocate his cause on our planet. The “devil” is none other than Caligastia (again, another soulmate pair). At the time Michael (Jesus and Mary) was on Urantia in the flesh, Lucifer, Satan, and Caligastia were leagued together to effect the miscarriage of his bestowal mission. But they signally failed.

About five hundred thousand years ago and concurrent with the appearance of the six coloured or Sangik races, Caligastia, the Planetary Prince, arrived on Urantia. There were almost one-half billion primitive human beings on earth at the time of the Prince’s arrival, and they were well scattered over Europe, Asia, and Africa. The Prince’s headquarters, established in Mesopotamia, was at about the centre of world population.

Caligastia had been attached to the council of the Life Carrier advisers on Jerusem. Lucifer elevated Caligastia to a position on his personal staff, and he acceptably filled five successive assignments of honor and trust. The Planetary Prince of Urantia (Earth), Caligastia, was not sent out on his mission alone but was accompanied by the usual corps of assistants and administrative helpers.

At the head of this group was **Daligastia** (soulmate pair), the associate-assistant of the Planetary Prince. Daligastia was also a secondary Lanonandek Son. He ranked as an assistant at the time of his assignment as Caligastia’s associate.

Lucifer, with deputy Satan, and lieutenants Caligastia and Daligastia have ingrained into the human psyche to be mind dominated with its errors passing down through all parents, being self reliant and rejecting one’s own soul based feelings that are to lead us to our Heavenly Parents with the truths being provided by Mary and Jesus of Nebadon. Lucifer and Satan were removed two thousand years ago, Caligastia and Daligastia have very recently been removed. Their crimes against humanity make Adolf Hitler appear to be a saint!

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are soulmates and a son and daughter of God.

Mary of Magdalene and Jesus of Nazareth, where both free of sin. Mary and Jesus, combined in their love for us, are our spiritual teachers and guidance for us to find our way home to our Heavenly Parents. Mary and Jesus have liberated their Spirits of Truth who we can long to for assistance and guidance. They are known as Jesus and Mary of Nebadon, the universe system in which Earth is. They are the Creator Son and Daughter ruling this region.

To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since our conception.

The Avonal pair, should they be here, are to support humanity on Earth exclusively. They are to continue the work of the Creator Pair, Mary and Jesus, and will be assisted by them. The Avonal pair will, during their life on Earth, experience the full Feeling Healing process and Soul Healing process so that through their Spirits of Truth, which they are to release upon their physical death, will be able to be called upon by all those who embrace their own Healing. The Earth names of the Avonal Pair may not become known.

Humanity, all being soulmate pairs, are ascending mortal souls who are to reach inward and progress Paradise-ward for the God experience. As part of our journey of evolving our souls we are to experience evil, that is the denial of God and the Creator Pair. We can long to the Spirits of Truth of Mary and Jesus and soon to the Spirits of Truth of the Avonal Pair. Our Indwelling Spirit is our direct connection to and with God.

JAMES PADGETT MONCRIEF **REVELATIONS** 1 Commenced 1914
2 Completed 2014

REVELATION 1 Divine Love addresses the issues of the Rebellion.

REVELATION 2 Feeling Healing addresses the issues of the Default.

These two 'headlines' came about from Mother's comments through James.

We are to recognise the degree of the impact that the Default has had on the way humanity lives. That is, it is suggested that the way we remodel our children to become clones of ourselves, the way we suppress their true selves, and cause them to capitulate to be our 'little me's' is a result of the way life emerged directly from the Default some 38,000 years ago.

Whereas the Rebellion, of 200,000 years ago, was the rejection of the Mother and Father as well as our Spiritual parents, Mary and Jesus.

Thus two distinctly catastrophic events.

We need these two events put into perspective, if you please. We need to bring these two separate events into a clear comprehensive way of understanding so that the relevance is clearly understood.

This enables the two revelations to stand out, and as to why one had to follow the other distinctly.

Nanna Beth, 3rd Celestial Heaven: The Rebellion, John, is against the Mother and Father, against Their Love, and Their Truth. It is the rejection of Them, saying: there is no God. It's denying the Personalities that God is. It's rejecting and denying personality interaction, which is all about love. So it's unloving. And to hide that, to pretend otherwise, means the mind has to be used to corrupt one's feelings. To claim: 'I am God, I am love, I am Truth', means I am the only one and all the rest should fuck off and leave me alone so I can get on with my greatness. It's being totally mind-consumed with yourself, with such arrogance, that really you only see yourself in your narcissism, and nothing else and no one else exists.

The sadness of the Lucifer's relationship (Lucifer and his soulmate) is they didn't love each other truly, only by using their minds to pretend they did. Really they hated each other, being so unloving, and had they been true to that, they would have moved to the absolute opposite ends of Creation, there to be in their own greatness telling themselves all day long how wonderful they were – being self-loving the wrong way through their minds. Which is all really: self-hating.

And so we have relationships in which we hate ourselves because we are untrue and unloving, then we come together contriving love for one another, then believe we love God as well and want to do His Will. It's all false, all wrong, all evil, all unloving. That's what we've got to see. That we are rejecting ourselves, and so each other, and God, in every part of ourselves, in every interaction. Really we should be hitting each other continuously on the head, and hitting ourselves too.

The Rebellion is the rejection of true love. Of Natural love and Divine Love.

The Default simply compounds the issue by focusing it all on the relationships. As in, how we live our rebellion is through the Default. Pre-default, humanity was openly rebellious, it was evolving yet lacked personal focus; then with the Default, humanity was able to take it into all that it's become. So we're all living out the truth of Eve and Adam's rebellion, which equals their default.

To heal the Default in us means we have to see the truth of all our unlovingness in our relationships with ourselves, each other, with nature mostly through our relationship with our pets, how we treat animals for food, and the desecration of the environment, and with our Mother and Father. There are lots to it.

And as we see this, it takes us into dealing with our rebellion. We chose to not be loving when we uncover through our feelings the truth of how unloving we are. We chose to live true to our Natural love and the Divine Love, so true to ourselves and our Mother and Father. And these are not mental decisions, they are feeling ones, you want to go that way because you feel it's right and good for you, which it is. You feel you don't want to be unloving because it's not right and bad for you, it feels bad.

So in the expression and depths of our feelings, and particularly our bad ones, we can feel how being unloving makes us feel, and we slowly want to be the other way. Which can be difficult because we don't know how that other way is, never having been wholly or truly loving; but you long for it, you want it, knowing it's a possibility and reality that can somehow be achieved. So this is really 'willing' it, willing ourselves to be loving, and ending our willing ourselves to be unloving; and our soul and God complies with our will and so gradually changes us from being unloving into being loving.

I think to help you summarise it, you could simply say: **The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion.**

I hope this helps John, it might be a bit much, however I put myself back in it as I was, so James could relate more to it as it was important for him to make the will-connection in it as he did.

There is a lot to be talked about and truth seen concerning both the Rebellion and Default, with every person and spirit making their contribution to it as they uncover such truth within themselves. So it's for you to take what you will putting it in your own words. So if you still don't understand some aspect, please ask.

James: I want to add here, something Marion was talking about last night. It's true technically that we are evil and bad and hate, that all having been put on us by default – we didn't ask for it. So in that light, it's not right to keep hating and blaming ourselves for being bad when we couldn't / can't help it. All we can do is accept how we are, whilst seeing the truth of it through our feelings. If we don't like all we see, we express those feelings, even though they make us feel bad, but we don't have to endlessly punish ourselves for being as we are because of what other people did to us.

Nanna Beth and James

1 August 2017

James: Nanna Beth, I'd like to ask you again as to why has it been such a tedious and protracted affair?

Nanna Beth, 3rd Celestial Heaven: For the amount of funding to be made available in such a short time and for such a period of time, it was necessary to go this long way round. No one else would donate that amount of funds required, as they'd not understand what they were donating to, so there was no other way of getting the funds – short of manifesting them out of thin air. And their delay has all been instrumental in preparing Crystal and John for what they have done, and you too James in your smaller way. And it's a way to slip in under the radar of those in control, for you see the Truth you are revealing is in a way forbidden on the world at this time, and will remain so up until Mary and Jesus' age has ended. However there are certain loopholes you might say which we can exploit in the lead up to this end, such as what you are doing, being able to write about and reveal the truths, and what Crystal, Joe, John and Samantha are able to do. It's all working within the fixed parameters of the Rebellion and Default, however you'd have to be one of the advanced angels or Melchizedeks to understand it.

If you look at the Rebellion and Default as Contracts of Law, then they are well thought out and presented to cover what the creators of the documents considered to be all existing contingencies, thereby ensuring humanity will be forever bound to them, so remaining forevermore in Rebellion through Default. However they were not as smart as they thought they were, for there were cracks in their contract that they were not aware of, together with the coming of Mary and Jesus bringing about more cracks and having the need for patch-over sub-contracts to be made through the last two thousand years, which in turn caused more cracks, so their case is not as air-tight as they believed it was. And now they are gone and so more patch-overs have been required, yet with no one left to enact them, and so we're moving to exploit all the violations of their false law that we can. So although it all sounds rather technical (and I assure you it is), Universal Law is far more technical than any Earth laws, and all must obeyed to the letter. So the Rebellion and Default are no small thing, and the fact that Mary and Jesus even allowed it to occur knowing the ramifications it was going to have on everyone, including themselves, meant that it was all still followed to the letter of the law as worked out between the negotiators of the Rebellion and Default and those directors of Nebadon. And so that's why The Urantia Book and Padgett Messages are so odd in how they were 'earthed' and the limits of the information revealed by them. And then into all of this comes the New Revelation that is how to end the Rebellion and Default, both on a personal and collective level, and so here we all are, with that information now at our finger tips and waiting to see just how it's going to be presented to humanity.

James: But why not just have the Avonals start revealing in a small way, say to a small group, like how it was for Mary and Jesus, and then let things develop from there. Why the need to stress John out, one man and without any real back up or support, who potentially could have this massive amount of money dumped in his lap, and then armed with a few books containing some of the New Truth, is meant to go out and save the world – that is surely too much of a burden and a massive ask to put on anyone's shoulders? Mary and Jesus didn't even do that.

Nanna Beth: We understand only too well your concerns James, however for the time being, this is how it stands. And again there are reasons for this. Firstly it's all part of those cracks, we are only allowed to have one man who is focused on the mental side of understanding the New Truth, and one woman who has embraced it and is using it to heal herself of the Rebellion and Default. And that is all, at least in the preparatory stage, because it doesn't go against the Law of the Rebellion and Default at this stage, and for reasons which I won't go into now, as they'd take too long to explain. But basically the Default was between one man and one women, Eve and Adam defaulting, and so because of that we can put one mortal man and women who have embraced the: higher than the Rebellion and Default New Truths, up

against the Default, and so the Rebellion, as the Default is a consequence of the Rebellion. And so John and Samantha are those two people. However that doesn't mean that they single handedly have to shoulder the whole burden of moving forward with this understanding of the New Truth, and they won't. So to answer your next concern John, you are not to look at it all being on your shoulders. Nothing like that is being asked of you, nor will it, even though now that's what it seems like being on the eve of it becoming real, as you will see. It will all pan out well for you and without causing you any stress – well, not too much stress, anyway.

Firstly, consider discovering the truth of your emotional pain and injuries through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.

Golden Rule: that one must always honour another's will as one honours one's own.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

This time, in the history of humanity, is the most exciting time ever experienced.

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Nanna Beth, 3rd Celestial Heaven: The truth about Atlantis and Lemuria and other lost civilisations will all be eventually given back to humanity, it all coming through people who are well on their way in their Healing or who have healed themselves. Anything else up until then, even if it is true, doesn't really matter because all the wrongness has to come to light first.

Deception within Deception

Monday, 16 September 2019

James: And as usual I wonder if there is any truth to it, and what it's all really about, as they've had a few articles like this over the years, with there being a growing seriousness and intensity to them. And as they are the only weird so-called spiritual thing that captures my attention, everything else I can easily explain as Mind Spirits or irrelevant, so I would like to discuss it with you.

Nanna Beth – 3rd Celestial Heaven: Certainly James; and to answer your next question: yes, we as usual have been putting the thoughts in your mind explaining some of what you have read.

James: Okay, so if we could try and write down those thoughts... Is there any truth to all of this about a mysterious alien race returning to Earth to retrieve some of its kind, namely according to the Sorcha's, top Nazis who bred with willing white Nordic participants to create the 'perfect race', these top Nazis supposedly being of this alien race; from Sorcha: "Elite ancient occult-trained Nazi Germany officers held mass marriage ceremonies with young Norwegian women (above) to breed "Star Children" whose spacefaring Nordic Alien true "parents" would then one day come to retrieve."

Nanna Beth: It's the same usual big muddle James, so I will try and pick it apart for you. Many of the top Nazis, including Hitler himself, were infatuated with the ancient knowledge that came their way suggesting that beings (aliens) from a higher order (race) came to Earth many years ago and bred with the local unevolved races looking to make a new higher and more superior and sophisticated race that would dominate the Earth. Which of course are snippets of truth and the story about Eve and Adam coming to Earth wanting to bring into being their superior Violet race that was meant to breed with the local races helping them to spiritually evolve. But because of their Default, that fell by the wayside as TUB (The Urantia Book) tells you, a few remaining children of theirs being able to pass on their genes. And these genes, together with the myths from those times, both remnants, came to the attention of the Nazis who were very interested in the occult, spiritualism, and being able to somehow contact the 'other side' or beings from other material worlds.

As you've read, such things are contained within ancient writings held by the Tibetan Buddhists and Hindu texts, together with hieroglyphics inscribed on walls of the pyramids, underground caves and other things, together with all the other ancient left overs from prior Pole Shift civilisations dotted about the world. And as such things surface for one reason or another they are quickly hidden and taken away if they can be by the main governments, mostly American, Russian, the Jews and hidden controllers, to be used to shed light on the coming Pole Shift, and possibly used to make superior technology from. Because as you know, the leaders of the last Pole Shift age, and even including a couple of other Pole Shift ages before that, had access to other energy systems that during this Pole Shift age have not been made available to humanity. However the secret scientists following on from the Nazis have been

working to try and unlock such hidden power because they have found evidence that these so-called ancient, and supposedly ‘inferior’ civilisations, like Atlantis, had in fact superior technology of a kind, with one aspect of it allowing people to leave Earth in ‘rock craft’ to move about the inner solar system, and to build other unmanned craft to fly only certain trajectories with the intention of returning at specific times for various reasons. So a little of that is what you’re seeing now. These strange incoming interstellar objects are some of these ancient made structures returning to Earth. They are not alien made, nor do they contain aliens, they are all ‘home grown’; and as we’ve told you, nothing from other material worlds can positively influence or negatively interfere with Earth, particularly now you are isolated because of the Rebellion.

So the Russians who are far more astute and open to such unorthodox matters, and having found lots of underground and hidden evidence of such past civilisations in their country, have recorded as their article points out, energy transmissions from these returning objects. And those transmissions were meant to trigger certain hidden (should they have survived the last Pole Shift) rock-machines that would help supposedly the surviving humanity prepare for the next Shift. However the trouble is, which the ancients hadn’t bargained on, the energy systems that drove and allowed such technology to function, is no longer readily available to humanity, so these incoming rock-craft can’t perform the function they were meant to. So they try, which then sets off other effects, some of which the Russians, hidden controllers and the Jews, and then coming up behind, the Americans, are seeing. The Americans can’t quite let go of their Christian ideas so as to grasp the notion that perhaps Jesus was one of these visiting Aliens coming to make a few adjustments so as to keep humanity in and on line in readiness for the upcoming Shift, and all that needs to happen to deal with that. So they are not as openly accepting as the Russians and Jews. The Americans tend to think it’s all a bit of hogwash and fantasy, the aliens returning, yet think they should keep abreast of it, just in case, and having a lot of the ancient technology themselves hidden away in their Area 51s and such like, are more intent on trying to crack the hidden codes (which they all believe exist) allowing them access to these hidden energy systems, the first ones to do that being able to then easily rule the world.

So it’s really the Russians and hidden controllers (and their associated Zionist Jews) that think along the lines of the alien race returning to take their Star Children off the world ahead of the next Shift. Then to presumably return them to the world when the world has been ‘Made Anew’, they to lead the survivors and create their ‘Heaven on Earth’. The hidden controllers believe wholeheartedly that they are the Chosen Ones, and have been trying to communicate directly with these off-world aliens who used to be here and is said will one day return, so they might be saved along with their Star Children. They believe some of them are the Chosen Ones, however you never can tell who’s really Chosen or not, and so because of that, it’s best to try and keep on the good side of these returning Aliens, the Nephillium of Old and all the other names attributed to them. So the Europeans (hidden controllers) built the Hadron Collider, hoping that through it they might gain access to the other dimensions in which the Aliens are said to live, or somehow be able to open up some inner level of communication with them, because so far their attempts of broadcasting to the other material solar systems and greater parts of the universe have failed to gain any response.

So all that’s really happened is, a bunch of men who believed they were descendants of the ancient superior white races, who themselves were descendants of an off-world (alien) race, bred with these naive pretty young blonde Nordic girls, all in the hope that their children would be these Star Children who the aliens would return for, as it’s said they would in the Bible and other ancients texts, it all being part of the bloodlines that are to ‘inherit the world’ and part of the ongoing strategy of surviving the horrendous impact of the Pole Shifts. And because the last Shift was so dramatic and so severe destroying so much of what had gone before, so these hidden controllers have only been able to clutch at a very thin thread of truth to it all, having to fill in gaps and make stuff up along the way, all of which

has resulted in more confusion and misunderstanding, all of which was why TUB was given to the world, so those people, like yourself James who wanted to know more of the truth, could begin unravelling it.

James: Okay, I think I've understood all of that, so can I summarise it?

So those people who've become the hidden controllers you refer to, as part of their growing power and control during the past two hundred years or so, came upon and investigated ancient writings and technology surmising that many years ago humanity was ruled by an ancient alien race that left because of the Pole Shifts and has continued to keep in contact through such things as Star Children, who they help survive the Shifts. And the hidden controllers are desperately trying to make contact with these superior beings.

Nanna Beth: That's good enough, something along those lines.

James: And so what about this ancient race being defeated once before, it trying to implement human sacrifice as being needed by the people to keep in Baal's good books, and all the rest Sorcha talks about in this article?

Nanna Beth: More confusion. It refers to a time long ago when some of the descendants of the Eve and Adam fought wars against local tribes and lost. Humanity has been warring ever since the beginning of the Rebellion, with such war intensifying because of the problems that resulted from the Default. So it's a good story, that the superior aliens were defeated and now they are returning to be defeated (hopefully) once again. However the problem with this story is, if they were so superior, how could they be defeated, and if they are able to come to Earth again now, coming with such superiority having mastered interstellar space travel, how could you humans possibly stand a chance of defeating them again? This is just a smoke screen story James, really they want to make it seem like the alien race is invading, so the masses think they need to be protected and the governments do all they can to save them, when those in the know are really in league (so they hope when it occurs) with the aliens who are coming to save them (they being the Chosen Ones) from the Pole Shift.

James: Okay. Did any of the people of ancient times survive the Shifts by going off the world into space – could people travel in space back then?

Nanna Beth: They could, but only for short amounts of time, and relatively short distances. The energy systems, anti-gravity being one of them, allowed them to travel off the world, however the limiting factor was they couldn't grow their own food, so they could only live on what they took. And they could only keep so much oxygen (air) for themselves to live on, they couldn't make or recycle it, and they couldn't find another world suitable for habitation. So some of them came and went, but as soon as the limitations were known and they knew they couldn't overcome them, they dispensed with people going into space.

Their technology was a mix of rock being used to build the craft to fly around the Earth in and go into space, including other rock-machines, together with a substance that was sustained by available energy systems that was the equivalent of your electrical conductors of today. So this substance was highly pliable, easily made and conducted the varying energy systems and held the rock structures together. It formed out of thin air, out of the ether and was incredibly strong and resilient, yet only whilst the prevailing energy systems were available to humanity. And it took a high level of skill to use, manipulate and bring the substance into being, hence it being the elite priests of the day knowing the hidden rituals to 'evoke' it into a material form. But when those energy systems were withdrawn from humanity, this 'goo' dissolved away, leaving only the rock structures. So how the ancient UFOs flew

was because of the action and attributes of this goo that enabled the rock-craft to actually fly and do all the other things such rock-machines did, like cut such big pieces of rock so precisely and move them into perfect position so as to build the ancient rock structures you have on the world that survived the Shifts. This goo, was sort of like a cellulose concoction that was literally ‘made out of thin air’, it wasn’t earth-derived. It was ‘from space’ if you like, from another dimension so it seemed back then, and without it, the rock structures and craft would have just been a pile of rocks and unable to function as a machine. There were rock-machines of all sizes, however as I said, when the goo disappeared, all that was left was the rocks. So many odd rocks exist still on the world, rocks that people can see have obviously been fashioned into the size and geometry they are by someone long ago, many of which defy the logic of your minds and current physics and science of the world, and whose purpose you will never understand, not unless we Celestials tell you. Those in Mind Worlds are as ignorant as you are, and so the many myths and theories keep appearing and evolving as people and the Mind Spirits try to work out such oddities. You might like to know, the Mansion Worlds too contain mind-remnants from ancient times, many that still exist by some inexplicable force, adding to speculation by such spirits who study them.

So I will summarise for you James:

- Various ancient civilisation at different times (during different Pole Shift ages) had access to different hidden energy systems allowing them to build what are to your eyes, incredibly amazing and unfathomable rock structures and other machines. And with the last Shift came the end of such energy systems, with new ones to be discovered by people living in this Pole Shift age. And remnants of these ancient technologies and systems abound on your world, some being very obvious, others not so, and with much of such evidence being kept hidden or made off limits by the hidden controllers and governments.
- Because of the Default, and coupled with the Daligastias coming to Earth well before the Rebellion started, and then all the genetic problems resulting from the two sets of spirit soulmates that so heavily influenced Earth, myths, further fostered by the Evil Ones from spirit, have led to people like the Nazis believing they are of a superior race and they should, through such inherited superiority, control the Earth. The only trouble being, they have never been able to conclusively decide who is part of that Elite, with the many wars and other problems resulting from such conflict. The Nazis were about trying to breed the elite race, to purify it, so they would rule the world. They weren’t so much about getting rid of everyone else, if that happened to some people along the way, too bad, but really they were all about setting up Europe to use it as their ‘Homeland’ so as to ready themselves for the Evil Ones to come back to the world as their Supreme Leader. They firmly believed, because the Evil Ones told their seers, that Daligastia (of course, only the man and no mention of his soulmate) would return to the world as their leader. But then countering this are other nations and races from the different religions and belief systems believing they should be the rulers of the world, so have battled against the hidden controllers, which is still happening today. The hidden controllers united Europe under one flag, and then invited all the foreigners in, who they intend on turning upon at some point, using them as mass sacrifices at the time of arrival of Daligastia, their supreme leader, all of which they reckon is due to happen some time very soon.
- Then you’ve got the other Jews who want and believe their Moshiach is soon to return, or is even here now and waiting events to ‘come out’, just as the Christians believe Jesus will come back, and the Mahdi for those of the Islamic faith, Buddha will be reincarnated and the Hindus have their God-child returning. And once again, the Russians are the only sane mind, understanding all of this, keeping a close eye on it, and looking to see if any of the so-called signs do begin happening so as to verify these

long awaited events. They are working towards the Aftertimes, they are fully committed to it, whereas the Americans and all the others believe they need to take some precautions, but that mostly they'll be okay. They are digging their tunnels and underground cities like mad, but still only more because they are hedging their bets, rather than being completely convinced that things will get so bad on Earth. Like you James, which is true, they reason that from past Pole Shift evidence, the last one was very bad, so the next one shouldn't be as bad, which it won't be.

And the Jews, which Israel mostly represents, many of whom are Russian Jews, are wanting to keep in with the Russians, looking to move into their underground complexes when the time comes, which the Russians will accommodate, and with the hidden controllers and Americans building their underground complexes in Europe and America, and the Chinese, late comers to all of this, starting to dig like mad in Africa knowing that it's on the cards they'll suffer greatly with China becoming very cold and uninhabitable should the Poles relocate to the positions suggested by those people studying such things. And part of China's wanting to visit the moon with their probes is to get rock and mineral samples which they can analysis so as to see for themselves if indeed the moon has suffered such solar flares or micronova from the sun, thereby substantiating the evidence they've stolen or bought from the Americans. The Russians have played the Pole Shift close to their chest, the Americans as well only they've sold many of their secrets to the Chinese.

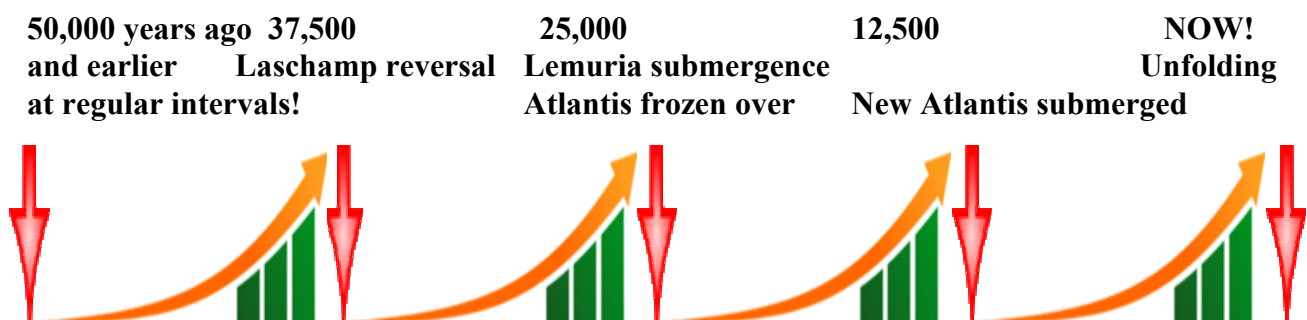

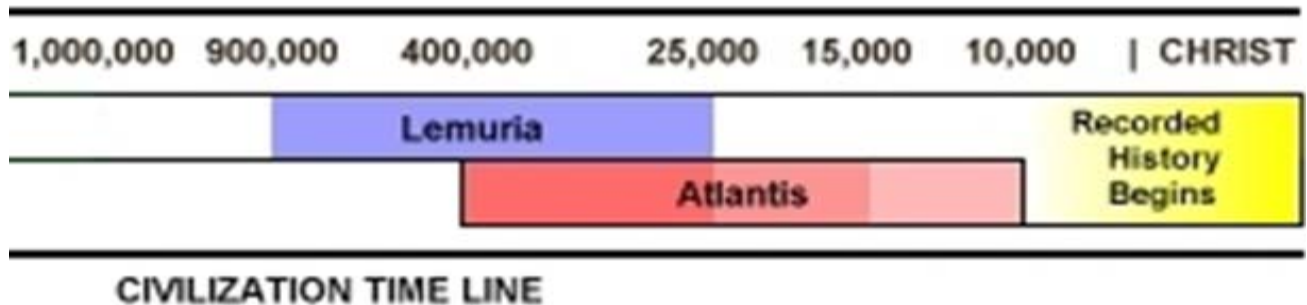

GARDENS of EDEN – SANCTUARIES

Sunday, 6 October 2019

James: Nanna Beth, John wants me to ask you about where Atlantis was, and could it have been in two places because of Pole Shift interruptions?

GEOPHYSICAL POLE SHIFTS appears to take place every 12,500 to 13,000 years!

Nanna Beth, 3rd Celestial Heaven: It is as John suspects. Atlantis had a number of ‘incarnations’. Its main ‘home’ was Antarctica when the climate was more favourable, two Shift cycles back. The Atlantean priests who were in touch with some of the mind spirits, and having recorded information from prior Pole Shifts, relocated the kings and queens to the Atlantic off the coast of what is now Central America, which submerged during the last Shift.

The Last Shift was very severe with a lot of mountain building and subsidence, whereas the preceding Shifts weren’t as bad, as we’re anticipating this one to be.

The thing is John, the whole geography of parts of the world has radically changed during the course of the more intense Shifts, and because of these ones being so intense and dramatic, little evidence remains disallowing a conclusive picture of how it went and how it was before. And it can’t all be worked out by people on Earth, it has gone, with only a few odd remnants left. More than what is currently understood can come from the study of the Earth, but not enough to put it altogether as to the sequence of events and the effects of each Shift. And really I wouldn’t spend any more time on the past than you already have.

We spirits are as yet not at liberty to help you understand it anyway, which is why we Celestials are mostly vague or not very forthcoming about what has happened to humanity in the past, and the mind spirits of course can only conjecture and speculate as do your scientists on Earth. And you understand the governments are hiding a lot of information, however they too can’t put all the pieces of the puzzle together.

And really the Atlanteans shouldn't be attributed any real greatness, such as saying they or others of past times were more advanced than what humanity is now, for in some things, it is so, however really what needs to be focused on is that each successive Pole Shift age took humanity deeper into rebellion. And then once the Adams defaulted, deeper into rebellion by default. The Evil Ones worked with the Shifts, it helping them achieve world dominion over humanity.

ATLANTIS IN ANTARCTICA

You see, through each Shift Age, humanity, because it was living untrue and looking to its mind for all the answers, applied its mind to 'advance' which only served to bind the mind into more psychological control. And the Lucifers and others worked with this. So the Atlanteans weren't as advanced in their Rebellion by Default as humanity is now, not by a long way. So back then they lived more in line with nature. And were the Lucifers and the other Evil Ones still at large and controlling humanity, they'd be getting ready for the next Shift, formulating their plans as to how to take the post-shift humanity even further into their rebellious control. And you understand, such plans have been developed all the way through this last Shift Age, with Mary and Jesus coming and putting a large spanner in their works. And that then left the Caligastias and Daligastias to integrate Mary's and Jesus' teachings into their Rebellion, which gave rise to the Christian religion, with them leading up to ensuring their over-control would remain and continue into the next Shift Age. However suddenly, they too are no longer able to influence humanity, and so the Rebellion and Default have ended, with the final technical declaration being made when the Avonals 'go public'.

So really it doesn't matter what's happened in the past, because it's all soon to start anew anyway, and with the increased Spiritual Light to assist humanity post Shift, humanity is to break all connections with its past. As I've told you, there are vast records over here in the first Celestial sphere that cover all that's ever happened on Earth, so John you'll be able to spend time studying them when you've done

your Healing. It is good John you are looking into all of this, however I wouldn't spend too much time on it, just enough to have an awareness of such things, but don't get bogged down in trying to work it out. You can leave that to others.

FOR 200,000 years ALL SCRIPTURES and Earth based INSTITUTIONALISED SYSTEMS are the WORK of the REBELLIOUS LANONANDEKS:

The rebellious Lanonandeks from within our local universe are these soulmate pairs:

THE EVIL ONES

Lucifer pair

Arrested and imprisoned 26 CE

Satan pair

Caligastia pair

Arrested and imprisoned early 1990s CE

Daligastia pair

And you rightly understand and wrote well in the Pascas Paper, that James was just reading, the 'vibration' of the world is increasing, it fluctuates over time in many different phases of varying duration, yet overall increasing (Schumann Resonance). And humanity has responded to these fluctuations, advancing at times and going backwards during other times, but overall, advancing deeper into its negative state. And all this time it should have been advancing positively and in truth from its feelings, so now the Rebellion and Default are ending, and once free of them, some people, and then humanity as a whole, will start to rapidly progress in a positive way, making up for lost time. So it's going to be a huge and relatively fast swing around – John's 'Great U-Turn'. As I've told you, for the time being humanity will remain in bondage and enslaved to its untrue state, however soon those bonds are going to be cut, allowing those people who want to break free, to be able to do so.

And you can imagine, with each successive Shift, what might have been buried under water, sand or vegetation, can become seen again, which helps people understand that there are these major cycles to life on Earth.

GREAT U-Turn

What I wanted to add James, was for the most part, the world's governments are highly influenced by the religion they uphold. And in the Christian West, to have come to light information that refutes the Bible, that makes it very hard to keep telling the lies and propagating the untrue, is why those in control want to keep the knowledge of 'advanced' prior civilisations repressed. It's the same as not wanting to face the truth of your childhood, because seeing it will disrupt too much, you will face losing the fragile control you have, so for the Bible to be shown up for being just another so-called religious book of many that fails to deliver what people really need, would take away the power-rulers causing too much upset and mayhem.

James: And yet that's exactly what the Avonals are here to do.

THE BIBLE AND CONTROL

Nanna Beth: Yes, but they will be presenting a viable alternative, whereas those using their Christian beliefs to maintain order and keep control, have no other alternative. All they can do is impose a more severe dictatorial control, one in which religion is kept out of it, just one personality dominating that of many, whereas to keep control of the masses through more subtle religious control is far easier, because in the end the dictator is put to the sword, or naturally dies, so his reign is usually short lived, whereas the religion can go on for centuries without being threatened too harshly. It's far more insidious control; at least with the harsh dictator everyone can see the truth that he's a cruel person and knows where they stand, but by inducting people during childhood into a religion, means they believe it's the right way to live, and trying to change that or take it away from people is very difficult.

You are going to confront the whole world James with your truth, not just the religions. And it's to happen at a time when the whole world is being confronted with the truth that how it lives doesn't work anyway. So you'll be offering a sort of life-line, your truth is the 'Saviour', and many people will want to embrace it, because largely they won't have any alternative.

- If your religion is exposed for being the corrupt thing it is and that in fact it is leading you away from God and not to God;
- If your whole financial system is shown up to being one that suits only a minority enslaving the majority who get to the end of being bled dry and can't go on;
- If the environment starts to show you that you can't keep abusing it as you have been doing without suffering any consequences;
- If your safety and security nets start to fall apart –
- Imagine if suddenly you couldn't go to the hospital to get whatever physically needs fixed because you run the risk of getting sicker and dying, what will you do, where will you go, how will you fix yourself?

The Rebellion is coming to the end, and I will keep saying that because there's a lot for you to see what it means and how it's going to manifest. Humanity is in its heyday, things have been relatively easy these past decades, people have been relative prosperous and able to enjoy certain standards of life. Not all people of course, however the majority are accepting of how it is and really want it to continue to 'progress' without any major hiccups. But what happens when the tide starts to go out, what happens when the normal way of life starts to get threatened, and what happens when there are no viable alternatives?

Were the Avonals to come and reveal the Truth and yet there was no incentive for humanity to pick it up, then the Avonals would go and life would carry on as usual, with an incremental amount of people wanting to embrace the New Way. But mostly the majority don't want to change, and will only do so if forced. You know how it is James, you want to do your Healing yet have to be forced all the way along to embrace and express your bad feelings, because you hate and don't want to feel bad. It's understandable, but things can't stay the same, a material world is all about constant change. You try to stop and avoid that change by using your mind to control everything, to lock it down and to carry on with as little disruption as possible. Yet how changeable are your feelings! The more you become aware of yours James, allowing them to have their full expression, you're finding you're in a constant state of flux, changing all the time from one feeling to the next. And that's what life is meant to be, full of vitally expressed feelings. And so it is with nature, so it is with the whole world, and there are cycles within cycles of change, so the Pole Shift is just one large cycle, with the seasons being lesser cycles. And this all stirs up feelings, and all your interactions with each other stir up feelings, with feelings also coming in cycles, large and small.

So when you can step outside the control and restrictions of your mind, you can start to see that the other way of living by being true to your feelings is more in harmony with how you actually are and how the natural environment you live within is. Yet as you have to keep clinging to your mind and its false promise of protection, it's very threatening letting go.

Pascas (on behalf of the Avonal Pair) is to reveal and support, the New Way. That's basically what John has been preparing himself for and is coming to understand. Pascas is a humanitarian charity, John wants it to help people, so what better help than to use it to make the truth of the New Way readily available. And then to support those people who embrace it. The Old Way can take care of itself. The New Way will need nurturing, it will need time, a lot of education, offering a lot of help to people who want to understand all it entails and why it's coming about at this time, which is to do with all the changes that are and will take place. Humanity has not as yet had a fully revealed spirituality offered to it. It has up until now because of the Rebellion, been denied it. So it has to be made to understand that the religions it knows and relies on, are false, are harmful to it, are all about helping it deny the very truth those religions say they are helping people find, whereas by attending to your feelings properly and living the resulting truth, that is the natural religion all souls actually crave. So Pascas is going to be very concerned about education, and so education about the New Way. And when those people want to live it, they might need help in different ways, with those needs becoming apparent and Pascas able to help, which is in part your idea of the Sanctuaries. And it was right what you saw today James, that the Sanctuaries are really the 'Gardens of Eden' that Eve and Adam would have inspired people to create based on their lives in the true Garden of Eden. Through your Healing you are reversing (healing) the Default, and so will everyone who does their Healing. So the Sanctuaries in their way will be 'bringing back' the First Garden, and with the Celestials that live within them, people who complete their Healing, being as we Celestials are, like default Eve's and Adam's.

Spirituality Revealed

Paradise
SANCTUARY

If the Adams hadn't defaulted, they'd still be living in their Garden of Eden, it being moved from time to time over the world to deal with the Pole Shifts and being protected from them by the angels, and all other communities would be following them and so emulating the Garden. Everything on Earth would revolve around the Garden and look to the Adams for spiritual and life guidance. And they would be the first step toward Paradise, helping people to look further by looking to Mary and Jesus. So the world is Garden-less, and because of being Garden-less for all the years of the Default, there has been no true spiritual leaders to help inspire people to live a true spiritual and religious life through ongoing truth revelation. So suddenly the Avonals arrive being commissioned and with the spiritual authority to make a massive spiritual revelation, and to a humanity that is going backwards and expects to be legged over by its religions that it avidly worships – it's enough to cause major spiritual trauma. And yet that's what humanity needs, to be jarred out of its delusion and truth-denial, and so things are building in readiness for this.

THE CHANGE

We'll speak again soon James, until then – Nanna Beth.

With the Passing of each Pole Shift, Humanity moved deeper into Rebellion and Default.

JOB DESCRIPTION for NANNA BETH

Tuesday, 2 June 2020

James: Hello Nanna Beth?

Nanna Beth: Go ahead James.

James: I've been watching more YouTubes about aliens with the last one saying they seem to be in another dimension, unseen by us, which sounds suspiciously like spirits who might be pretending to be aliens.

And then with these secret space ships built in secret massive hangers and workshops inside mountains in America, and with lots of people in other places in the Solar System, living on other planets and in these big ships, all of which were built by reverse-engineered advanced technology from prior civilisations on Earth and elsewhere in the universe.

Nanna Beth, 3rd Celestial Heaven: During prior Pole Shift ages, three in particular, humanity had access to higher technology of varying degrees. These three successive ages used antigravity and had access to abundant universal 'Light Energy', and like you were listening to, had the ability to use their minds to affect certain technology, and other technology that enabled those great rocks to be cut and placed in the structures that remain today. The last of the three Ages, that included the Atlantis times, understood that the Pole Shifts happen, devastating much of the planet and so sought to 'weather' it off-world, and to build the massive rock structures that were in theory to protect the important people, kings and queens, and enough slaves and servants and menial workers to keep them all well fed in the Aftertimes.

And then you had the priests who were basically people with good psychic skills that could 'earth' the science needed to make the machines to build the structures, the flying machines, and they also had the equivalent large sailing machines, like submarines, which are on the bottom of the oceans and hidden away in underground bases. So the later part of last century, and still ongoing, the leading world nations, mainly the Americans with the British, some of the Europeans, Russians and with the Chinese trying to play catch-up, have been scouring the world trying to gather up as much of the past technology they believe would be helpful to them. And though some of it they have gained an understanding and applied it to the world as you know it, but most of the technology eludes them because the energy systems needing to power it are not available to humanity today – this Pole Shift Age. You've had to use more rudimentary technology starting basically from sticks and stones, building it up until now because of how severe the last Reversal was which all but obliterated all sign of past civilisations other than the more obvious pyramids you still have today.

Antarctica is a storehouse of such ancient technology as it was just covered with miles of snow and ice, so it's all buried there, with the other main continents and places of past advanced civilisation now on the bottom of the oceans.

Other places, like in China and parts of Siberia, and hidden overgrown by the jungles of the Amazon and other places, have such 'buried treasures', but really not that much remains. And there are also some of the places on the other planets in which people from these past times lived that can still be seen and accessed to a certain degree, however your governments cover it all up because they don't want to spook the whole world about another Reversal, because everyone would be demanding to be saved and that would be too much for them to deal with.

So these videos you have been watching James are people misconstruing the involvement with the mind spirits, who come to them looking like Aliens in their dreams and psychic experiences, with a lot of such

people thinking these aliens are real and alive with them in the physical dimension, when they are not alive or present in the physical sense.

I will tell you again, there are no hidden or secret aliens on Earth, neither are there any coming or going – visiting Earth, nor have there ever been. It's home-grown. With the only mysterious otherworldly events being the materialising of the higher Sons and Daughters as revealed in The Urantia Book. It's just you lot on Earth and all the weird stuff some of the governments are doing underground, coupled with any mind spirit interference.

A lot of people have very disturbed minds James (James: You don't say Nanna Beth, such as my own for example!!), and who are more than willing to believe they are talking to an alien, even seeing a distorted humanoid being standing in front of them, when it's only an apparition, one of the mind spirit presenting themselves that way.

In the past there has also been Midwayer and Angel 'materialisations' who have presented themselves as certain beings and other higher types of people, all which helped keep the Rebellion ticking along. But no such fallen or rebellion-controlled Angels and Midwayers can do such things anymore.

Scientists from time to time, and there are still programs ongoing, in hidden labs above and underground, conduct experiments on people and animals, all sorts of horrid things, even creating all sorts of mutants, but none of which prove useful in anyway, so are ultimately destroyed.

So all these things spawn all the weird things you watch, people take them, picking a bit up from here and there, adding other bits, making fanciful stuff up themselves, then believe all they've created leading themselves further into the twilight zone, adding to conspiracy and UFO theories and all the rest. (Unidentified Flying Objects – UFO and Unidentified Submersible Objects – USO)

I will add, that a lot of people from the past Pole Shift ages did survive each Reversal, but with varying results. The first and second of these three ages survived enough to kick-start their prior ages, so continuing on and advancing more over time; and quite a number of people survived the last Age, only it was so severe that they were reduced to living with other natives and themselves quickly resorting back to being basically primitive hunter gathers within a few generations.

And this time round, quite a number of people will get through and with quite a bit of carry over from this Age. But added to the mix from the Old Way, from these current times, will be the New Way and the Sanctuaries, so the Old and New Way will exist both on the New Earth as you've written in your movies.

So a lot of people will go underground living in the government tunnels and underground cities weathering it, with the Angels ensuring their survival if they are to live through it and carry on their Old Ways in the New World; and then the Sanctuaries and other people will survive above ground also with Angelic help living exclusively the New Way but to begin with utilising Old Way surviving technology. Then as time passes they'll move into other universal energy technology.

The world is not going to have such a severe ice age this time round, as the added heat to evaporate great amounts of the oceans is not going to come as it did last time. So the 'defrosting' or melting time will be quicker for life to restart. It will still be severe compared to how you live now, and most will be destroyed, with only the relatively small Angel protected areas, which will mostly be nature, being saved. But it won't be anywhere near as severe as the last one.

And then it waits to be seen how much of humanity's debris the Angels remove by dematerialisation. They will clean up a great amount of the man-made debris, your cities and all the rubbish you've created. But as to how much, we've not been directly told yet. Such information will no doubt be forwarded to us later on, closer to the time. And this is also what happened a lot during past Reversals, the Angels remove from the world a lot of the man-made stuff, leaving the world relatively clean and natural so as to start all over again. But as to why the Angels have left a lot of mankind's creations under the ice at Antarctica and on the ocean floors is up for speculation as we've not directly been told about that either. It's currently thought that future humanity will be able to use some of it for the greater good as more people, if not the whole world, will be living the New Way by then.

And I want to tell you, the Angels, should they be commanded to, could take away every sign of humanity on a physical world, even of humanity itself if it should come to that. So the Angels could if required, completely 'clean house'; and so much so, that there would only be people left naked and without any remnant from their prior Age, then to set about killing animals and eating plants and making clothes out of the skins and plant material, starting out right from scratch. So nothing is beyond them so far as 'returning a world' completely to its natural state. They can do it in theory anytime should it be required, however the Pole Shift reversals offer the right circumstances, light and energy, for them to do the amount required.

So to put another line of thought straight in your mind James, there is what might be said 'double' the amount of Angels coming to Earth at this time. Those in support of your Revelation, and those to orchestrate the Pole Shift. With more coming the further we progress with you James and Marion and the closer we get to the Reversal.

It is also important for you to understand James, that each successive Pole Shift Age is WHOLLY about the relationships people have, and not whether or not the world becomes 'technologically advanced'. Whether you can build a spaceship and fly to the moon, live on it and visit and live on the other planets (humanity has never been allowed outside the local Solar System) is immaterial, as it's about the functional quality or dysfunction of relationships, and that is all that matters. And if humanity through a Pole Shift Age is to develop certain technologies, it is only guided to do so because of the relationship needs of all the souls involved. As you can see, the Internet is now creating other positive and negative consequences so far as people's relationships are concerned, deeper psychological complexities having to be dealt with, greater inequality because of the mind control, it's all ALWAYS about relationships, the experiences gained in them, and the feelings and thoughts and truth that might arise from those interactions. And so usually to increase such relationship complexities, technology can be developed, however technology can also quickly prevent relationship diversity as everyone becomes similar as the control increases stifling individual and societal creativity. So it's double edged. So long periods of smaller groups of people who are very diverse gives rise to greater depths of relationship experience, whereas very primitive communities can quickly exhaust the emotional involvement. However then it might be that thousands of years are required to give rise to the number of people experiencing a more primitive existence, whereas a smaller number of years would achieve all that's needed on a relationship basis in a more technological advanced society. So it's about relationships and how they are distributed over time.

James: Ok, I understand that. I was also wanting to ask you about yourself Nanna Beth, as in what you are doing personally and what exactly you do in your work.

Nanna Beth: I am always with my soulmate, who wishes to remain 'un-revealed', as it's more a 'woman thing' with you James, which is all very important for the equality of the sexes that still needs to happen in the right way, and not in the overbalanced feminism of Earth that's now being expressed.

So he with my soulgroup spend all of our time in the ‘Battle Room’ reviewing what’s transpiring on Earth together with the other Celestial groups ‘under our jurisdiction’. We, our soulgroup, are very fortunate in that we work closely with the Melchizedeks, so we liaise with them, which means we have meetings daily with them, about what the other Celestial groups ‘under our ‘control’ are doing. And it’s not that we control these other groups, but they look to us for guidance. Our group, and there are twelve such Primary soulgroups in our section, oversee all the other soulgroups. There are the main twelve (pairs) of Melchizedek ‘Advisors’ who we relate to, with each one of our soulgroups working directly with one of the Melchizedek pairs. And they ‘advise’ us, they basically allow, encourage and support our soulgroup in doing all they would do. So our soulgroup is sort of like a ‘Melchizedek pair’ if I can put it like that. They could do it all, but they delegate all they’d do for us to do instead. So that is highly irregular and an incredible opportunity for us.

Melchizedek 12 soulmate pairs / group in the centre. Celestial Spirit 12 soulgroups with each having 12 soulmate pairs, each group being guided by a Melchizedek pair.

So we are in a very high and privileged position, which we still after all this time can’t believe has been bestowed upon us. So we twelve soulgroups are at the apex of all Celestial soulgroups within the first, second and third Celestial Spheres, those that are still highly Earth-focused.

So we have constant ‘consultations’ with our Melchizedek pair about what we’re doing, which with us specifically James, is working with you and John and all that is going to happen because of that interaction. Really we are focused on you and Marion, your Revelation, so what you need to be ‘told’, all the subtle guidance from the Melchizedeks to you through us. Then we have many Celestial soulgroups who daily come to us for guidance and for discussing what work they are doing. And that is vary varied, including anyone and everyone who potentially is alive now on Earth who might have anything to do with you and Marion, and people still to be born, and how it’s all going to be coordinated so as to fit in with the whole unfolding of your Revelation, and for the end of Mary’s and Jesus’ Age and then moving into your Spiritual Age.

So we work to coordinate the personal side of what you’ll be doing, with the bigger impersonal side of what’s going on and will go on, on the Earth to do with you and Marion, being what the other eleven soulgroups are more focused on with their Melchizedek advisors.

But we are all working on your Revelation, that’s our twelve Melchizedek pairs and corresponding twelve soulgroups, and all the others ‘under’ us.

Then there is another twelve Melchizedek pairs and each of them too have corresponding primary soulgroups and all ‘under’ them, who are solely concerned with the goings on of the World and Mind Worlds. And then we have other soulgroups that work synthesising (to combine so as to form a new, complex product – so to speak) these two main groups of twelve – and there are many of them.

So the world is divided up with its own happenings, which is basically the ending of the Rebellion and Default and it’s outworking of Mary’s and Jesus’ age, the continued evolution of the Old Way, the Mind Way; and then there is all that’s concerning yours and Marion’s Revelation, the New Way; and there’s the crossing over of the two ways.

So for example: Those working with the Old Way, are working to release John's funds, which are to move into our New Way, and with the groups who work to unite from our perspective the Old and the New Way, working to facilitate the funds from the Old way, coming across to fund the New Way.

So although we are separate in our function, we're all working more or less together to achieve the same end. And we oversee soulgroups in all three Celestial spheres. So naturally there's an evolution of them too, with some of them ending their relationship with Earth and moving into doing other things or moving off toward Paradise. So there's always a lot of training going on, passing the baton so to speak; and with many the first Celestial and newly forming soulmate groups requiring specific attention and focus introducing them to their new Celestial life and new work; and all the while, we 'old hands' in the Third Sphere need other activities to keep us growing in truth.

THREE Celestial HEAVENS

So we coordinate all that with the emphasis on assisting you and Marion.

And I have been designated the Celestial 'spokeswoman' for you personally James, which links in with John and my personal 'Nanna' connection with him.

As for what does my day consist of, it's meetings, speaking with spirits, both personally and on behalf of my group, with some of or all of it – whatever is needed. So we sort out the day's work during what would be a 'morning meeting', yet it always seems to be morning as we're always moving on with new things to attend to. A little of it is routine, but mostly it's new, new challenges and tasks we have to deal with.

Because this is all unorthodox, as you understand, with the Melchizedeks stepping in for and doing the work of the Rebellious Lanonandek Pairs, and then with us Celestials doing the work of those Rebellious Pairs underlings and teams, so not even the Melchizedeks know what's going to happen next because they are not Lanonandek Pairs who innately would know how to coordinate the running of a physical world and its associated Mansion Worlds. So, as they are in spirit prison, it's all up to us.

And then if that wouldn't be difficult enough, we've also not only got to contend with the end of their Rebellion and Default, but the fact that it's been done by an Avonal Pair, as we have to accommodate and work everything in with you and your growth of Truth. So we've got our work cut out for us you might say.

Every time you and Marion advance, with some of that advancement being helped by us, so many changes take place in what we are to do. You are literally freeing up the imposed constraints of the Rebellion, so suddenly you have a truth-shift and as the understanding about something starts coming to you, so too are we then free to implement other parts we've been planning for.

We are very lucky having our Angels with us, as there are record Angels that keep all records of all conversations we've had, they take care of all the paper work so to speak, so anything we need to remember that we might have said, organised, agreed to, are working on, they have it all on hand and readily supply us with whatever we need. They are in a very crude way like a 'living computer' that's

permanently on hand. So we have a constant coming and going of Angel pairs relaying information from Celestial groups that can't physically come to us or we to them because we're too busy or there's no need. Then we can flash things to the minds of other Celestials and there are other lines of communication open to us as well. So really we're speaking to other spirits and Angels all day and night, it's twenty-four hour shift work, we have time off, and that's all to be coordinated and factored into everything.

And we all love every moment of it. And when the excitement starts to ebb, when we feel it's no longer so exciting and inspiring us with ever more truth, then it's time for a change or even to stop and move on. But those feelings of course haven't come to me yet, for had they, and we'd not be speaking together James, you'd be speaking with another woman spirit.

So it's you and I James for the duration of your life on Earth, as I will remain your main Celestial contact. And because of that, we're organising so much around that, so it looks like I'll be staying put without getting the urge to start out for Paradise anytime soon. And my whole soulgroup is united in this, so we're heavily committed to our time with you; and so much so, that we're now fully instrumental in it. We've gone this far with you and already we've covered so much ground, so I can't see the pin being pulled and our having to educate another group with all the subtleties we know, as that would possibly be in the too hard basket. However, things do change, as we see every day, so I guess you never know.

So our 'Battle Room' is a huge area provided for all of us who are working under or with your twelve personal Melchizedek pairs. My soulgroup only really works personally with the one Melchizedek pair, but we have a lot to do with the other eleven pairs all the time. And you James, and Marion too, even though she's unaware of it, are constantly working with all the twelve main soulgroups and Melchizedek pairs.

BATTLE ROOM

So through your day you are constantly 'tuning in' with each of the 12 groups, even though you are not so aware of that either.

MELCHIZEDEK

Samantha comes under 'our jurisdiction' because she is associated with you and Marion. Marie and her group has moved to work specifically with her, with them being 'under' our 12. My group solely works with you James. Another of the 12 works solely with Marion. Then the other 10 work with other aspects of you and her. So one of the others work with Sam, and with other people now doing their Healing who are slightly connected with you or who will become so in future. There's a lot of people we're 'grooming' for that future time when things get going. People who'll be directly involved with you and Marion, separately and together.

Then in the other 'Battle Room' it's all to do with what's happening on Earth and in the Mind Worlds, and then there's the other great section that's involved with uniting the Earth Old Way, with yours and Marion's New Way.

And when I say Battle Room, I guess you could say it occupies about a third of each of the Celestial spheres, so it's pretty large! We live in it, so it's not as John likes to imagine this little room at the hub of it all, it's vast, with us moving about within it a lot as required depending on who we need to be involved with. It's broken up into many sectors and sub-sectors and so on.

The other third is for the rest of Celestial happenings; the other third is divided into rest and recreation, places we can visit and just go to for time out, and also massive educational centres, so places of higher learning, covering all subjects. And there's another Melchizedek group of 12 pairs, together with the Daynal Pair (Trinity Teacher Pairs) that oversee the education side of things, again delegating as much as they can to Celestial soulgroups. Anything you want to know about, you go there finding the relevant teachers or instructors, so we're often visiting such places of knowledge and knowledgeable spirits.

There are also a lot of other smaller sectors involved with Celestial life on each of the Spheres, but overall those three I've mentioned make up the bulk of activities over here.

So right now as I am talking like this with you James, there are six of my soulgroup along with my partner, 'tuned in'; it's often a 'group effort' even though you just hear my voice in your head. The rest of our group who are not personally present are divided up with each pair undergoing other activities involving other soulgroups.

And we have times of frantic activity when a lot needs to be done, and then other times when it's pretty cruisy, with us having most things under control. We're currently in a calm before the storm, as you're soon about to make a big move within yourself, which will have heavy ramifications for us.

James: You mean I will finally die of boredom, evaporate into Nothingness.

Nanna Beth: Nothing that drastic James. The last 'big shift' we had was when you broke through and understood that your whole understanding of your Healing was incorrectly focused. When you realised that it wasn't about working to progressively change yourself, but working to progressively see how locked in and how much you can't change anything about your early life and its affects on you. That change in truth and conscious awareness had the effect of changing everything we were doing, in that we too were then able to shift our orientation with you, so everyone in all the groups were affected by you, changed, refocused, and that took some doing. It's like having a computer program that is fixed in working one way to achieve such desired results, that which has comprised your Healing up to that time; then suddenly there's a complete overhaul, an update, with a whole new focus, so we had to change everything to go with you, to align ourselves with that new focus of yours. So you have no idea as to the effect you have on us, all from sitting on our couch "going through your shit".

And as you're soon to have another major change like that, so we're getting ready for that whole 'update and refocus'.

James: So Nanna Beth, I just had a thought; all this girl fantasy stuff of mine that I've been fixated on over the years, and how it's changed, and is still changing now with all this Taylor stuff, is a lot of that coming from one of your attending soulgroups?

Nanna Beth: Yes, exactly, all the sexual side of your life James. The whole fantasy aspect of you, so sexual and other fantasies, like your lake and ponds, your house and living by yourself that you're 'dreaming' about more now, everything else over time that you've worked your way through, all to do with Nature, all involves them. And then that is all worked into the creative soulgroup that attends you which works with you on all your movies and novels and other mind fantasy bits and pieces. So when you are writing on their movies, it's a joint effort, part them and part yourself, a bit of Indwelling Spirit, Angels and Nature Spirits thrown in too; and then it all happens in 'real time' in that the movie script might have already been drawn up, but it's fluid, so you might decide to change it and they will go with you, or they will change it taking it in a different direction than what was originally thought because of

what's happen with you as you've been writing it. And then it's all thought up along the lines that best suit you, so with your continual emphasis on the New Way.

My group works specifically helping you understand the bigger picture stuff, like this, and when you are moving in truth, helping you to see it and integrate it into what you need as determined by the Melchizedeks. So then our group will work intensely with your creative group so as to use the movies to keep imparting more information, understanding and truth to you.

You James, and it's the same with Marion, are a 'group effort'. It doesn't have to be like this with Avonal pairs, so we understand, as you can do it all yourself without the need of such spirit help, just working it all with your Angels in conjunction with your Melchizedek advisors, but you and Marion have both in your different ways, although it was already factored into your soul, decided to be open to, and want, and enjoy, such input from us Celestials, of which we are eternally grateful for, Because if you'd decided to 'go it on your own' then we'd not be doing all this with you. And that also includes your 'delegation' to other people on Earth, like John. You don't actually need him or anyone else's help. You could do it all yourselves. Jesus and Mary chose a few mortal helpers, even though they didn't need any either, and they didn't have any spirit helpers, only the Melchizedek advisors and their Angels; but you are inviting a massive amount of people and spirits to help you, thereby personally engaging the whole of humanity at this significant time of ending the Rebellion. Which is very nice of you James, and which as I said, we're all so thankful for, because look at all the experience you are offering us, so, so, so much, you have no idea.

And in one way it makes it all harder for you because you have to deal with everyone else involved, and as they are not all seeing it how you do, that complicates things for you; and yet again, it also affords you added experiences you'd not otherwise have, which is unique because of the end of the Rebellion and Default.

James: You mean like often speaking with your grandson?

Nanna Beth: Exactly. And you are very privileged to know him! You have even delegated a huge amount of your 'power' to the Melchizedeks. Who then delegate or down-step it to us. So we are very fortunate indeed!

All of this you and Marion deciding on before your incarnation and which we're all helping you understand when we can.

James: So you and your group are always working to 'feed me' these little bits of information to slowly expand my whole understanding?

Nanna Beth: Yes, all in keeping with the truth-circuits you're constantly working through. So with each circuit we are to 'present' you with new insight and understanding. And we all 'do our part', your soul, we spirits, the Angels, Bob (James' indwelling spirit), Verna (a Nature Spirit), all adding to all you need in accordance with your Avonal Mandate. So as you live it, it unfolds and more of it is given to us by our Melchizedek Advisors to pass through to you.

So when we write like this, I know specifically which parts of truth, insight and understanding I am to convey to you, so we of my group work to ensure that happens, as we work my answers around so as to include it all.

I'm actually a bit tardy in it James because I am always having to remain attuned to your mind ensuing what I just passed to you, you write sufficiently. One of the women spirits – Erena is terrific at it, she will grasp what we're to convey to you, then have it all formulated as we progress, flashing to me what to say and what to change as you type. 'Nanna Beth' is really a group effort. So the most significant insights that I manage to pass onto you, you can actually thank Erena for.

Erena: Don't listen to Beth, she's too humble, she's just as good as I am. The whole point is, James, we want you to understand that we're a 'group affair', and we love being involved with you like this, truly, it's the most fantastic thing. And it's only going to get better, I can tell you that, as your communication with spirits and everyone else is only going to increase as you move through your Healing, and particularly once it ends. I'll give back to Beth.

Nanna Beth: Yes, it sure is a group effort. And it couldn't be any other way James, it's too much for one of us. Which is something we're coming to appreciate doing this with you as to why we have a whole soulgroup acting as 'one person' with you, so it takes the 24 of us to do all we need to do in something like this small bit of communication we're doing now!

And all the time we're discussing, sharing, expressing everything we think and feel about every part of it, all so we keep growing in truth. So we'll go over all we've said to you today seeing how it makes us all feel and what we think, which helps us decide what we should do next time, when we need to make you feel like speaking with us again. So when you are speaking with a Celestial, you can know there are 23 others involved in it with you.

And another part I play is coordinating the others speaking with you. It all comes through me to you, however often what I am saying to you is coming directly from one of the others, I 'channel' them so to speak. And because we're all harmonised so well together with you, so I can make it all seem like it's just myself, but really, we all get to have our say with you. And that too is such a great part of it, because when I am 'relaying' the others, really it's as if through me they are experiencing it like they were speaking directly to you themselves, so they get something of the experience as well. So no one misses out, we're all doing and involved in it equally. And that goes with everything. So as a soulgroup, we're all harmonised in all we are doing together, so it's like we're all experiencing it through each other, which keeps us altogether, united and able to explore all the slight differences with each other. So as 'one' we all grow, evolve and ascend in truth together.

And being so close in all we do then fosters a great amount of love for each other. We become very close in our soulgroup, each group does, the group even in a way becoming something like an extension of our soulmate union and love. We sort of feel like we're all just one big soulmate group, so it's an incredible experience.

I'll go James, as you're tiring. Your mind is starting to wander. We'll speak to you soon. Bye now.

Thank you Nanna Beth, and everyone.

FEELING HEALING is to LIBERATE OUR TRUE SELVES:

One's soul is always true and perfect. It is the source of our feelings. When we long for the truth of a feeling, we are looking within one's self and the truth of that feeling will progressively unfold.

Our mind is that cluttering confused chaos that has imprisoned our soul. Our mind wants control. It demands and causes us great difficulties. One can liken it to a wrecking ball that has encased within it our always beautiful perfect soul, being our real self. The mind dominates our brain. Our mind is stuffed full of our childhood upbringing errors.

Our parents typically followed the chaotic path of nurturing that they were subjected to, and so it goes on, generation after generation. By the time we are six we have allowed our will to be encased by the wrecking ball of errors of our nurturing. We now have to feel through those errors and injuries and free our soul, free our will. Our soul based will is always what we are to express.

Beliefs become Faith, but when we experience it, then it becomes Knowing. And it is in reaching the Knowing that one becomes perfected in that aspect of who and what we are.

When we long for the truth of the emotion, it will most often be unsettling to say the least. This is because there is little that our parents taught us that is in truth. Our will has been suppressed by our upbringing so that we could be like them.

Childhood repression encrust our wrecking ball mind which in turn suppresses our soul based feelings that are in perfect harmony and peace being based on love and truth as given to us by our Heavenly Parents. To shatter the wrecking ball we are to feel for the truth of all of our feelings, good and bad.

MIND

SOUL

WE ENDURE FOUR LAYERS of PERSONALITY SUPPRESSION!

Unknowingly, our parents pass onto their children (us) their beliefs and way of living that has evolved since the Rebellion, some 200,000 years ago, and then the Default, some 38,000 years ago. In this way, humanity is suppressing the female, rejecting our Spiritual Parents, namely Jesus and Mary, and denying our Heavenly Parents being our true Mother and Father, of Their truth, standing and existence.

The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion. Nanna Beth 29 June 2017

We are souls, our personality is an expression of our soul. It is our free expression of our soul through our feelings that we are to embrace and follow. This expression may appear to be wilful in nature, from time to time, and consequently our parents' attempt to suppress this expression. They proceed to remodel us when as young children, in the manner their parents treated them and so on for many generations going back.

During our forming years, as a child, we are unable to recognise the suppression of our personality as being extra-ordinarily harmful to our soul based personality and, accordingly, we don't know that things can be any other way. Presently, neither do our parents.

This childhood suppression way of living continues throughout our schooling years, thus we learn this is a way of life that is normal.

Our religions all have been formed based on the tenets of the Rebellion and Default. The teachers and leaders throughout all denominations take us further away from our suppressed feelings that have been hammered into us during our forming years, thus entrenching us further into rejecting our true selves.

The controlling and suppression mechanisms of our parents, educators and spiritual teachers all manifest throughout all of commerce. This control comes heavily and brutally down upon all levels of employment. The capability to express one's soul based attributes and gifts is sealed throughout all of one's working life.

A new way of living is to enable the liberation of one's true personality through the Feeling Healing process AND the transfer of authority to the individual via embracing freedom of expression.

WHAT IS THIS ALL ABOUT?

Our soul is at all times pristine and perfect, it is the source of one's intelligence, knowledge and wisdom, and is the gift of creation by our Heavenly Parents.

At conception, our soul brings our spirit body into being in Creation along with our physical body that uses the spirit body as its template. Our mind within the spirit body, from that moment onwards, begins to absorb the personality attributes of our physical parents. This includes the positive and negatives they hold, their beliefs, truthful and also in error, their injuries from emotional discord and those from their own parents and any carers including extended family.

Our soul becomes entombed in the controlling natures of one's mind. These erroneous ways of life, beliefs of control smother and suppress our soul. We are meant to express our feelings, those of our soul. We are smothered by our parents control natures, we are best considered to be 'trophies'! We, in our forming years, are controlled, suppressed, belittled, humiliated, and taught a great deal of untruth. Mind you, so were our parents. The cycle must be ended!

Many of us are introduced to religious organisations, all of which amplify further the feeling-denial and the truth-denial that we are being conditioned with. Our soul is to express and embrace, not deny and suppress. These organisations are founded on the need to control. They are an expression and amplification of the evilness that our parents convey! The teachings are at best misguided, retarding one's progression with mind based limited understandings.

Only those people who are actively using their feelings to uncover the truth of themselves will find any real inner peace once they have finished their healing. And all that will be happening will also help them to feel bad through this process, all so they can bring to light all the untruth and error of their ways, all the pain of their early childhood, and all the wrongness their parents have made them be.

Our controlling minds are to be side stepped and we are to express our feelings. It is our soul based feelings that are in truth. Our mind imprisons and retards our true selves, being our souls. For those who want to sincerely grow in truth, the truth of themselves, nature and God, are to do so through their feelings, then they will also have to readily embrace both Mary and Jesus so as to accept help from their Spirits of Truth, and look to God as being both their Mother and Father.

To be free of one's evil state, errors and injuries, this will only happen when one has experienced the full truth of it, and so that means, when you have felt the whole truth of it through your feelings – all the different aspects and parts of it.

We are to apply our longing, apply our will, but not with our mind, although it can help one to determine what you want to do, but with and through one's feelings. We can't long with our mind, we have to FEEL-long. Our longing is an expression of what we feel. We feel we want God's love, so we express that feeling in our longing. By embracing our Heavenly Parent's Love with our Feeling-Healing, then we are enhancing our endeavours and progressing with our Soul-Healing.

WE TUMBLE INTO THE ABYSS BY SUBMITTING OUR WILL TO THAT OF OUR PARENTS:

At the moment of conception your soul activated your will to become of your Earth parents, you in effect, agreed to accept all that they were; to partake of their negative states, which they subjected and impressed on you through your formative years. By the time you became an adult you were a product of them, wholly a part of the negative mind state of this world. Currently you are imperfect and will only regain perfection of soul once you have completed your soul-healing.

Jesus
Message 33 (part) 9 January 2003

NOW WE CAN CLIMB OUT OF THE ABYSS BY EMBRACING OUR FEELINGS:

Life IS ALL ABOUT FEELINGS. YOUR FEELINGS ARE YOU – ACCEPT THEM, AND YOU'RE ACCEPTING YOURSELF.

Only by following what Mary says regarding the doing of your soul-healing, the honouring and living true to your bad feelings and exposing all your childhood repression will you be able to heal all such pain and problems.

The Truth of your world is all about you. Many generations have believed in and tried to live how the Bible says, but has it healed all ills? Have wars and hatred stopped? And why have Christians done so many bad things? Why does all the self-criticism and self-denial still exist? Why are people mostly only interested in gaining power; and why do the rich still dominate the poor?

The religions and spiritual systems of humanity have failed to deliver life in the promised land, living free from all pain and suffering. And they will continue to fail because they themselves are founded on the negative. They are not true; do not teach the Truths of Divine Love; do not encourage people to live true to their feelings.

You are hopelessly bound up in your parent's lives. They have made it that way. The freedom and self-control you may feel you have is only relative to them. They – your very own mind – is the evil one, you are the evil one living with your mind overpowering you in every moment. The Golden rule is: never interfere with another's will.

I, Mary, was able to feel my feelings, as I was not trained too heavily to deny them, and then with and through them, find out the truth my soul wanted me to see. The truth of your negative state is what's missing from your world. It's the only thing that will open the way to show the right and true and correct way to live. AVONAL PAIR to be RESPONSIBLE for SPIRITUAL WELLBEING of EARTH:

Heavenly Parents

The Paradise Pairs, children of God, are all only concerned with the spiritual wellbeing and upliftment of the planets and local universe. Creator Son and Daughter, Mary and Jesus, are focused upon the spiritual wellbeing and upliftment of the whole of Nebadon which involves Earth, one of 3.8 million planets.

AVONAL PAIR

The Spirits of Truth of the Avonal Pair are to join with the Spirits of Truth of Mary and Jesus.

Soulmates

COUNCIL OF ELDERS

The Council of Elders, 12 Celestial soulmate pairs, being a Soul Group, guide to Founder of the Global Humanitarian Fund that is to disseminate Feeling Healing and Soul Healing guidance.

Soulmate PAIR while living in the physical of earth, are to complete their Feeling Healing whilst embracing Divine Love, thus completing their Soul Healing. Being the first humans to do so, they will subsequently, upon their physical deaths, release their Spirits of Truth so that the whole of humanity, for the next 1,000 years, can embrace and progress in their soul development through Feeling Healing.

GLOBAL HUMANITARIAN FUND

Through the Global Humanitarian Fund, humanity is to be introduced to the processes of Feeling Healing and Soul Healing. Further, they will also become aware that our Spiritual Teachers of Truth for the next 1,000 years will be the Avonal Pair who will be handed this task from Jesus and Mary, and much, much more.

Crossover

This time, in the history of humanity, is the most exciting time ever experienced.

the Handover

This is the time that man is now able to evolve in its spiritual development. Man has endured 200,000 years of Rebellion and compounded this with the Default of some 38,000 years, now it has been provided with the guidance to put aside the negativities of the Rebellion and Default.

With the guidance that was provided through James Padgett (1914 through to 1923), man became again aware of the availability of Divine Love from our Heavenly Parents. This also heralded the handover. That is, the commencement of the end times of the involvement by Mary and Jesus in the spiritual affairs of humanity on Earth.

Soul groups that have been in place during Mary and Jesus' 2,000 year involvement with Earth have progressively handed over to soul groups that have been forming since 100 years ago. The older soul groups have mostly progressed on further towards Paradise.

The second revelation to follow from the availability of Divine Love is the processes of Feeling Healing and Soul Healing. These are being revealed through and by Marion and James Moncrief. Upon their completion of Soul Healing and upon their deaths they will release their Spirits of Truth which will unify with the Spirits of Truths of Mary and Jesus so that humanity, in whole, will have access to these knowings and guidance for the next 1,000 years.

Mary and Jesus, being responsible for the spiritual wellbeing and upliftment of the whole of Nebadon, are to withdraw from their direct involvement with Earth and hand over the responsibilities to an Avonal Pair who take individual responsibility for the spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds, in this case, Earth exclusively.

COUNCIL *of* ELDERS

For the next 1,000 years, via the Avonal Pair and the newly forming Soul Groups, Earth will be able to evolve through embracing Feeling Healing, and with Divine Love, one's Soul Healing. These newly formed Soul Groups are effectively 'Council of Elders' to assist humans living in the physical on Earth to enable all to be aware of the way to evolve.

With the absolute end of the Rebellion, this is the first time in 200,000 years that mankind, humanity, can take control of his and her destiny and evolve in love and truth for all eternity!

Throughout this coming era, our spiritual leaders will be an Avonal Pair, yet to be identified.

ENOUGH IS ENOUGH

Andon and Fonta, our first parents to long for our Heavenly Parents, lived nearly 1,000,000 years ago. Naïve humanity was seduced by high spirits, the Lucifer pair, to believe they could be gods through their minds, thus men subjected women to subordination 200,000 years ago. This was added to by the default of the Adamic pair more than 38,000 years ago when they failed in their mission.

REBELLION & DEFAULT **200,000** YEARS

When Jesus with Mary achieved their full Regency of Nebadon, in 26 CE, they immediately had the Lucifer and Satan soulmate pairs assigned to a spirit world prison. Since then, the Creator Pair have been preparing for the end of the Rebellion and Default for humanity of Earth. The Avonal Pair now on Earth, once commencing their Healing, brought about the imprisonment of the Caligastia and Daligastia pairs in the early 1990s. As the Avonal Pair advanced with their Healing they brought about the formal end of the Rebellion and Default, on 31 January 2018. It is now for all of humanity to embrace the Spirits of Truth of the Avonal Pair and undertake their healing of the imposts of the Rebellion and Default.

Avonal **AGE 1,000** YEARS

Spirits of Truth of the Avonal Pair will guide us through our Feeling Healing and into the Celestial Heavens with Divine Love, then the Spirits of Truth of the Creator Pair will lead us through the Celestial Heavens and out through Nebadon towards our Heavenly Mother and Father in Paradise.

Each generation of 25 years or so will see marginal embracement of Feeling Healing, however 1,000 years will achieve universality.

Universality of Feeling Healing with Divine Love will see the mitigation of discomfort, pain and illness as well as the imposts of global warming and earth changes. As those events are to ensure that each of us embrace our feelings, both good and bad, down to the very core, so that we fully come to know who we truly are. Sciences will endeavour to remove pain only to see disease manifest in different forms. Earth disturbances are a result of the Harmonic Convergence of the late 1980s, increasing the rotation of the Earth's central core, this will only abate when humanity has universally embraced Feeling Healing. These influences are only imposed upon us so that we do not step back into the Rebellion and Default through complacency. Live Feelings First. We are to become the true personalities we are, that being daughters and sons of our Heavenly Mother and Father.

REVELATIONS

Revelation 1: Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively feel into our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

Revelation 2: We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

Immortality with the Love.

REVELATION 1
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father’s Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

Quantum Jump 2

REVELATION 2
Marion and James Moncrief 2002
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity’s turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

Rebellion and Default officially ended
31 January 2018

END to the REBELLION and DEFAULT – 31 January 2018:

31 January 2018: Nanna Beth – 3rd Celestial Heaven spirit: Yes John, very good news we want to pass onto you for your records. Earth and the seven associated Mansion Worlds (including the two Earth planes) are **officially** now fully under the control of Celestial spirits. And this means John, that Earth is now ‘Ours’. It’s been a long time coming, but it’s a huge milestone and marks a tangible and real end to the Rebellion and Default. It’s one of a number of ‘End’s’ that are to occur.

With the departure of the Caligastias and Daligastias some years ago, humanity has been in a state a limbo so far as who is doing what with it, it not being allowed to be left alone so it could do whatever it liked, it always needing to have a spirit connection. With the mind spirits, as we’ve told you, basically calling the shots still happy to ignorantly carry out C&D’s plans. But now with our systematic and progressive take over, we’re now in complete control.

And what that means is we have our fingers in every pie and we’re on the case so far as what everyone is doing. However it doesn’t mean we’re taking over and telling humanity what to do and how to be, although we are able to work more with certain individuals directly and indirectly helping to move or point or orientate (depending on how you want to look at it) individuals, groups of people, whole societies, the whole world, according to the plans given to us by the Melchizedek Receivers.

So humanity will still carry on outworking it’s unloving, untrue and rebellious state, that has to be worked through to its natural conclusion, however we want you to understand and just know that it’s another end of things and beginning of the new. And it’s basically what we’ve been working with you in connection with James this past year to achieve. There is a lot more to it and how and why it’s been done, and done as it has been done, however you can find out about all of that when you come over.

So we Celestials will guide humanity now according to what our Mother and Father want, so humanity’s got a real tangible safety-net under it now, so no more ‘downside risk’, it all being to move it toward doing its Healing.

I’ll speak again soon – love Nanna Beth.

U-TURN for HUMANITY:

Why are we doing a U-Turn?

We are doing a U-Turn **because** the year 2017 heralded the end of the Rebellion and Default. For two hundred thousand years, humanity has been going in the wrong direction.

What is this fundamental step that will change our way of living?

We are to come to understand / know the foundational cause of all our feelings, both good and bad. As we explore and investigate our feelings, each time they arise, one by one, we are to talk them through, express them to a companion or friend or anyone who will listen. As we express them, while at the same time coming to understand how they have come about, we will find that they will be resolved and that they will not come up again.

We will find that all of our feelings / emotions have their foundations from our childhood. And by childhood, that is from the time of one's conception all the way through to about the age of six. It is the repression of our childhood feelings that is the base or foundational cause of each and every one of our adult personality issues, pains, difficulties, illnesses and distressful life experiences.

We have to see the whole truth of our negative or self-denial state, before we can heal it and be free of it.

The vital difference between **emotions** and **feelings** is:

- emotions have their roots in the past,
- feelings relate to the present moment,
- emotions represent feelings not previously expressed,
- and these accumulate over time.

Many emotional clearing processes encourage us to look into our feelings, however, none go so far as to drill down into the core foundation of any emotional feeling to the point that we strive to KNOW the core issue, the origin of the feeling, be it good or bad, and actually come to know what it is!

The *Journey Process* is generally known worldwide. It stops short of longing to know, that is asking for the knowing of the events that brought about such a feeling. Yes, we are to acknowledge the feeling, say being angry. Then accept that behind that anger is the feeling of being small, and then look at the underlying reason of why we are feeling small. What is the truth behind that feeling? Ask our Heavenly Parents what is behind all of this feeling. What is the foundation, the origin of the feeling? All the time talking it out, expressing it, with a friend. The expressing of the experience is the release of the emotion / feeling, this is what removes it for ever from within our essence, our **soul**.

Why ask our Heavenly Parents? I thought God was just God – singular?

This is part of the revealings that have been unfolding for us very recently – that is – since 2002.

We are made in the image of God. This has been understood for centuries, for 2,000 years. Our soul is duplex. Our soul expresses itself through two personalities. One soul 'subdivides' into two, one half

**Feeling
Healing with
Divine Love is
the key!**

always being female and the other half always being male. We are a reflection of how God is. God being one Soul is expressed as Mother and Father. God is two personalities. They are soulmates. And each of us has a soulmate, and our soulmate is always of the opposite sex, because the Mother and Father are the opposite sex.

Thus, when we long for the truth behind a feeling, then we can long to our Heavenly Mother and Father. Only they can tell us. No spirit personality can tell us. No canonised saint can tell us, we may as well ask our next door neighbour. That would be just as productive. Mary and Jesus can't tell us, as they are also spirit personalities.

I was taught that Jesus was God? And what is this about Mary?

Mary of Magdalene and Jesus of Nazareth were both born free from sin. Neither of them are God. They are both children of God, just like you and me.

History needs to be corrected. Both Jesus of Nazareth and Mary of Magdalene became at one (At-One) with our Heavenly Mother and Father during their physical lives here on Earth in the first century; Jesus in the year 26CE and Mary in the year 33CE, or thereabouts. Jesus died aged 35 (born 7BC died 29CE), and Mary died aged 47 or 48 (born 2BC died 47CE).

Further, their sojourn on Earth was the completion of their process to become the full Regents of the sector of planets that is referred to as Nebadon. The region within our super-universe that is referred to as Nebadon contains 3.8 million inhabited planets. If you look into the night sky, each star / sun potentially has between none to three inhabited planets within its orbit. Within Nebadon, the soulmate pair, namely Mary and Jesus, are our Spiritual Teachers of Truth. Their domain is all 3.8 million physical planets plus their associated spirit worlds. Each physical world has seven associated spirit worlds, which is the case for Earth being one of the 37 that have rebelled.

Some 200,000 years ago, Lucifer with his soulmate and his deputy, Satan with his soulmate, brought about a rebellion on 37 of the inhabited planets within the region called Satania, one of the local universal systems of Nebadon. Earth compounded the situation through the Default of Adam and Eve about 38,000 years ago. Thus the population of Earth, being in the worst condition through the Rebellion and Default, became the location for Mary and Jesus to have their physical experience to complete their ascendancy to full Regency of the local universal system being Nebadon.

Their lives on Earth was the start of the unravelling of the Rebellion and Default. Upon Jesus becoming At-One with our Mother and Father, he was then vested with the authority and power to have the Lucifers and Satans arrested, and they now reside exiled within a prison world.

Notice that there were no records of Jesus and Mary's teachings and experiences made during their physical life. That was because they did not specifically come here for us, they came for the benefit of all peoples of all planets and spirit worlds throughout Nebadon.

As they are Paradise descending spirits, they have **Spirits of Truth**. Upon Mary and Jesus' death, they released their Spirits of Truth. As spirits, Jesus and Mary are how we will be, once we've finished our Soul Healing. They can only be in one place at any one time. However, it is their Spirits of Truth throughout Nebadon that we can connect with for guidance. It is through their Spirits of Truth that spirit personalities can progress through and out of Nebadon.

Those planets that have Rebelled need further assistance, and they need it on a localised manner. This can only be provided by another bestowal of a **Paradise Pair**, and that is in the form and manner of an **Avonal soulmate pair** who come here specifically for us.

What is the purpose of an Avonal pair, and are they here on Earth?

Unlike Jesus and Mary who were always free from sin and did not experience how to heal themselves, the Avonal pair are to experience all of the extremes of evilness and then proceed to heal themselves. Mary and Jesus through their bestowal on Earth ended the Lucifers spiritual rebellion in Nebadon; the Avonals bestowal is primarily concerned with ending the Default of Adam and Eve by the Avonals themselves personally healing the effects of such a damaging Fall.

The soulmate Avonal pair are to be, and have been, subjected to the extremes of childhood suppression and repression, and then, through their Feeling Healing, are experiencing all the facets of emerging truth as they slowly progress through a protracted and difficult healing process. As they reach specific milestones, this also enables those in the Celestial Heavens, (the three worlds where Celestials reside) to be empowered to assist us in the physical on Earth.

The first considered milestone was the arresting and imprisonment of the Caligastia soulmate pair and the Daligastia soulmate pair. After the arrest of the Lucifers and Satans in the first century, as nothing further occurred, the Caligastias and Daligastias continued on from spirit as if they were kings and queens, suppressing all of humanity and with plans to take over the universe. It was possibly in the early 1990s that they were 'judged' and 'removed'. They were caught unaware that an Avonal bestowal pair were on Earth.

How is all this becoming known? Has Jesus and Mary communicated directly to Earth?

Unlike in the first century, when no records were kept (as the event related to all of Nebadon and it was actually setting the stage for the Avonal bestowal pair to arrive on Earth), every effort to retain records in great detail of this current series of events is now being attended to. Consider this. The New Testament of the Bible is some 300 pages. The records of the Second Coming, which this is, the primary records are possibly 6,000 pages, with direct complementary records increasing that to over 10,000 pages and with all the supplementary records to date, there may be as many as 40,000 pages, certainly well over 30,000 pages of material presently.

Jesus directly communicated through James Padgett from 1914 to 1923. Mary of Magdalene (Mary M) has directly communicated through James Moncrief from 2002 and is ongoing. Jesus has also communicated directly through James Moncrief. Neither have ever directly communicated through any one else, however, some Celestial Spirit personalities have provided information through other personalities on Earth with the support and approval of Jesus and Mary, thus some confusion, though the quality of the information is very reliable.

You say this is the Second Coming? You say I am living during the time of the Second Coming?

Yes you are. And it's more than that. This is the Second Coming, the End Times and the Handover!

In fulfilment of the prophecy in the first century, the Second Coming commenced on 31 May 1914 through the writings with James Padgett and concluded in 2014 through the writings with James Moncrief.

The End Times are well advanced. Mary and Jesus are well advanced in handing over their direct involvement with Earth to those within the Celestial Heavens. When this is completed, the Handover will also occur. **The Hand Over is to the Avonal Bestowal pair** and it is they who will guide the population on Earth through their Feeling Healing processes for the next 1,000 years, being the next spiritual age. The Handover will take place after the Avonal pair complete their personal Healing of the Rebellion and Default. Then will follow with their Spirits of Truth being officially liberated in alignment with Mary M and Jesus' Spirits of Truth upon their death.

Major events have occurred with the progression of the Avonal pair's Feeling Healing, which they are also doing whilst embracing our Heavenly Parents' Divine Love, thus they are doing their Soul Healing.

Early 1990s:	The arrest of the Caligastia and Daligastia soulmate pairs.
22 March 2017:	Negative spirit influence was blocked.
31 March 2017:	Angel assisted healing will become available upon the Avonal pair completing their own Feeling Healing, being with Divine Love, thus it being Soul Healing.
22 May 2017:	Law of Compensation quickening.
2 December 2017:	Psychic Barriers maintaining the Rebellion and Default were cracked.
8 December 2017:	Bring on the money to 'house the future of humanity' .
31 January 2018:	Earth and the seven associated Mansion Worlds (including the two Earth planes) are officially now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default.

How does this all fit into our future way of living?

This time, in the history of humanity, is the most exciting time ever experienced.

The whole human race is suffering from repressed childhood and mind control.

Through one's Feeling Healing, and should we embrace our Heavenly Parents' Divine Love, then with their Love we are doing our Soul Healing, and eventually we can live totally in accordance with our soul based feelings and live free from error – no more fear and no more physical illnesses is possible!

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

Our soul is always perfect. In fact, we are the complete package. All that we need to know is within our soul. This knowledge has been denied from us since the time of the Rebellion and compounded by the Default. That is what was brought upon us by the Lucifers and his cohorts. We have always been meant to live true to our soul based feelings but we were taught to embrace our error riddled mind – this was aided by our parents – unknowingly all parents have taught their children to be mind dominant. **This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

“Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **Feelings** guide us through our **ascension of truth**. So they are really our Supreme Guides. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: **Longing for the truth of our self, because: we are our feelings**. So life stirs up

our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.”

Kevin of the 1st Celestial Heaven 26 September 2017

(Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.)

It is through the assistance of the Spirits of Truth of the Avonal Pair, upon the completion of their Soul Healing, that we will be guided through our Feeling Healing process, and should we embrace our Mother and Father’s Divine Love, then our Soul Healing.

Then should we embrace Mary and Jesus as our Spiritual Teachers of Truth, their Spirits of Truth will lead us on the path through the Celestial Heavens where we will certainly meet up with our soulmate and join our soulgroup, which will eventually consist of twelve soulmate pairs. Then as a soulgroup, the Spirits of Truth of Mary and Jesus will lead us up through and out of Nebadon towards Paradise.

It is then our Mother and Father in Paradise who draw us to them and we will eventually meet our Heavenly Parents.

Meanwhile, while we live on Earth, we will have assistance and guidance previously denied to us throughout the era of the Rebellion and Default. Under the Contract controlling and managing the Rebellion and Default, the powers and capabilities of our Celestial Heaven spirit personalities, all three worlds of them, were heavily restricted and almost of no assistance to us at all. Further, Nature Spirits and our Angels were heavily denied contact with us physical people because of the Rebellion and Default, all of which is soon to change, so we can look directly to them for help concerning healing ourselves and understanding all aspects of nature.

As we embrace our Feeling Healing, Celestial spirits will and can greatly assist us. In fact, during the year of 2017 they have blocked all mind spirits from the Natural Love Mansion Worlds: 1, 2, 4 and 6 from interfering with us. Celestials have taken control of all facets of living and life on Earth. Celestials are those spirits who have completed their Feeling Healing and progressed through Divine Love Mansion Worlds 3, 5 and 7 and now live in the higher Celestial Heavens, 1, 2 and 3 (when we become At One with our Heavenly Parents then we leave the Mansion Worlds and progress through the next three spheres related to Earth, hence the Celestial Heavens are also referred to as being numbered 8, 9 and 10).

The Nature Spirits of Earth, who live in the third Earth plane, can now directly interact with those who are embracing their Feeling Healing. Nature Spirits are essentially ‘angels in waiting’. They have been on Earth prior to anything that we now see living in nature. When they first started to arrive, there was no life in the seas or on land. They have consequently witnessed everything that has happened on Earth, including all prior human civilisations that we continue to largely remain ignorant of. Their knowledge and assistance is of great importance to us. We are to interact with them on an ever increasing scale. They are to become an invaluable source of information for us concerning how we are best to live with nature.

Further, we may become more aware of our **Indwelling Spirit**, which arrives for each of us during our sixth year, as we now progress with our Feeling Healing, or with Divine Love, our Soul Healing.

And all of this is possible as we embrace our Feeling Healing process, acknowledge and accept the Avonal pair, acknowledge and accept our Spiritual Teachers of Truth, namely Mary and Jesus, and more importantly, grow to love our Heavenly Parents, our true Mother and Father.

We do not need intermediaries, rituals, liturgy, dogmas, creeds, fancy clothing, or institutions. It is our soul based feelings and expressions that we may exchange directly with our Heavenly Parents. Groups may form to assist each other, and that is our choice and within our free will.

This is the greatest event in the history of humanity.

This is the Great U-Turn that humanity will embrace throughout the next 1,000 years. MoC 1,480

GEMS for ALL PEOPLE of all AGES to EMBRACE:

The GOLDEN AGE!

Cause No Harm < to OTHERS
to MYSELF

Strive to love others as I am to love myself

At any time, any where, and in any way you so please:

Approach our Heavenly Parents, in reverence, without fear or trepidation, just as we, as a child, approach our earthly parents knowing that open loving arms are extended to receive us at all times. As one's love grows for our Mother and Father in the Heavens, we come to know with absolute clarity and certainty that our Heavenly Parents, loves you and me and everyone in return, at all times, and that fear is an illusion created by man's mind.

God, who is our Heavenly Mother and Father, is almighty, all powerful, infinite, and all loving. The love of the Heavenly Parents for Their children, man, has been and is always infinite and ever present. As one's faith evolves, one's love for our Heavenly Parents will have no limit. As we grow in Their love, so will we grow in love for all of God's creations and our fellow man.

The Source Soul, our Heavenly Parents, simply desires for us to ask for Their Love.

God's Divine Love: Pray for it, ask for it, and receive it.

"I love you Father." "Let the Divine Love flow its energy into my soul."

"Mother, Father, I desire your Love and I am loving you."

"Soul God, I love you and I love receiving and experiencing your Divine Love."

"True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul."

"Please Father and Mother, may I receive Your LOVE."

Maybe we could simply long for and ask:

Please, Mother and Father, I want some more of your Love!

MONITORING and MANAGING the HANDOVER to the AVONAL PAIR:

To PARADISE, the HOME of OUR HEAVENLY PARENTS

The Central Soulgroup of the Council of Elders have established a 'Battle Room' on each of the Celestial Heaven spirit worlds and each of the Divine Love spirit worlds. From 'hot wired' connections on Earth, including the 'Engine Room' on Earth, events are recorded and broadcast live throughout these worlds. This enables spirits of all 6 spirit worlds to interact and engage in the changes that are now being implemented at an ever increasing rate.

Council of Elders now around 20 Soulgroups

To PARADISE, the HOME of OUR HEAVENLY PARENTS

The Way Home

Council of Elders
now around 20
Soulgroups

Maybe something like 30 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

I'D TURN BACK IF I WERE YOU!

The Natural love spirit Mansion Worlds as to how they have been for all these hundreds of thousands of years and as they are set up currently, are to help spirits advance to the fullest of their self-denial that they can. That is, so as to become as evil as they can. And all under the guise of being 'loving'.

It's why they are called the mind worlds, namely Mansion World / spheres 1, 2, 4 and 6. That is because the spirits are using their minds to complete their rebellion – denial of self and feelings, and rejection of our Heavenly Parents as well their Creator Son and Daughter. So yes, the top of Mansion World sphere 6, spirits are the most evil, the most in rebellion, the most in default, the most wrong and unloving and untrue, even though, they appear, because they've trained their mind to do so, to be the most loving, but it's all false and contrived – such as the Eastern gurus. Total mind over feelings, blocking all the bad ones and using your mind to only make you feel good.

Typical of those on their way up in the mind worlds are not open to anything, they do not want to know about feeling bad and going with their bad feelings looking for their truth, because that scares them, that's not nice, that doesn't make one feel good, it threatens their control, they reject that preferring to stay in their nice safe space. Which is how it is for these Natural love mind spirits using their minds to control their feelings.

We've all got to take responsibility for our evilness even though we were made to be that way and rebel by default, but there is no getting away from it, and it has to be compensated right to the last farthing, which is what being in the hell planes is all about, and which keeps being applied right the way through the Mansion Worlds. **In the mind worlds you can continue to use that inner pressure requiring compensation for your bad deeds, to further contrive love and pretend you are all holy and loving and not hurting anyone anymore, which on the surface of it you are not, but underneath still are, all the way up through to the sixth world; or, you can allow it to keep working on you right the way up through the Divine Love Mansion Worlds doing your Healing.**

And apparently what's going to happen is the Natural love mind Mansion Worlds are going to be divided, so within them, there will be spirits doing their Feeling Healing – without the Divine Love, and still limited to the sixth Mansion World, but looking to be true and end their rebellion. And then there will be those still carrying on denying themselves as they have always done. So you will have spirits in the Feeling Healing Natural love sectors that will truly perfect their Natural love; and those spirits still in the mind sectors perfecting their wrongness. The opposites or extremes living side by side. And then you'll still have the Divine Love Healing Mansion Worlds, being spheres 3, 5, and 7, doing their Soul Healing.

And as for a summation: "Divine Love Mansion World / sphere 3 is the waking up to the truth that one is not loving, also their being a lot of assistance. Sphere 5 is then about going right into the depths of feeling how unloved you feel and seeing how unloving you are and how that makes you feel, also this a time when one can then progress and manage their own progress through their Feeling Healing. Sphere 7 is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, this is a time of great realisation and comprehension with much of the prior experiences starting to be drawn together."

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

It is agreed that the lower worlds are about waking up to what's involved, however from then on it depends on how it's all structured for the individual in their negative state as to how much ongoing assistance they might need. Some need help all the way along, whereas others have been able to work with their feelings, themselves, right from the beginning.

And yes, each of the Divine Love healing Mansion Worlds, 3, 5 and 7, are equally painful to work through, just focusing on different aspects of yourself and your Feeling Healing with Divine Love. And then in the higher planes of the 7th world comes the transition, where one's pain starts to end, and you start feeling so much better about yourself, you are fully accepting of your negative unloving state, you are fully unloving although even starting to become more loving – truly loving, of yourself, God, and then other people.

Then onto the Celestial Heavens by progressing into Sphere 8 and then onwards further, all the way home to Paradise.

Maybe something like 6 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

The 1st and 2nd Spirit Mind Mansion Worlds / spheres are jammed to the rafters.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

Feelings first

LIVE FEELINGS FIRST

DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

PERSONALITY

**Our soul is the centre of our personality.
We are children of our Heavenly Parents.
Our soul manifests a male and female personality - it is a duplex!**

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on themselves and doing their Healing.

Feeling Bad? Bad Feelings are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.

DIVINE LOVE and DIVINE TRUTH Revelations and Teachings escalating:

Cause No Harm < to OTHERS
to MYSELF

Strive to love others as I am to love myself

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Divine Love
is the key!
