EDUCATING about FEELING HEALING

Sunday, 27 October 2019

James: When considering schools and other people that are being talked to and presented them with the Truth, here are some of the main elements that might be useful should one be exposed to or wanting to live Feelings First.

Perhaps a program could be designed to introduce children to it and take them progressively deeper into understanding themselves as they grow up, with a condensed version for adults who want to do workshops, or a Feeling Healing study course for Chaldi College.

Feeling Awareness.

There are two extremes which Marion and I are coming from; and everywhere else in between.

Feeling Aware

People who are feeling aware, in that they have always been aware of their feelings, it being part of how they grew up, or they've come to be more aware of them through self-help, therapy or just life.

Marion was completely aware of her feelings since the earliest she can remember. Mostly they were bad ones, like wanting to kill herself because she felt so bad and that no one cared about her, no one loved her, no one positively related to her, from as early back as she can remember. She was aware of feelings, feeling them intensely, and looking at other people feeling and expressing their feelings. Her problem was she wasn't allowed to express them, with her Healing being one long acceptance and understanding that she can express them now, breaking through all the barriers put in place through your childhood that stopped her showing them.

There are lots of people aware of their feelings, with varying levels of being able to express them.

Feeling Unaware

I came from the opposite side, being completely feeling unaware. Feelings weren't part of our family discussion. Only if I felt physically sick were I to express those feelings so the doctor would come or we'd go to him. In my early thirties I was told I was depressed, and it was a major revelation: that was what was wrong with me! I knew being scared and unhappy, but that was it. So with Marion it was learning about identifying my feelings – that feeling is misery, that feeling is humiliation and so on, to being able to accept that I had them and then to express them.

So possibly adults, and children, would be taught about their feelings, what each feeling is, why they have them, mock situations that make them feel our different feelings, discussion about them: I had this feeling at home when mummy said or did...

And education about how important feelings are, and how good, necessary, and vital to our well being, it is to express them, and not suppress, reject, deny or repress them, as that makes us sick and makes our mind have to take over which can cause us problems.

And to include the ramifications of expressing feelings or words that might hurt other people, and why they will, and how to be sensitive and respectful in relating to oneself and others on the feeling level.

And then the differences between the mind approach and feeling approach to life.

Information about our Feeling Denial.

To introduce why humanity moved to become more feeling denying – bringing in the control from the Higher Spirits, information about the Rebellion and Default.

Information about the bigger picture and how we are all living the Rebellion by Default. How that applies in our daily dysfunctional and disconnected lives, all because we're not living true to our feelings.

More about how we get sick because our feeling denial.

How we can end our Rebellion by Default is doing our Feeling Healing.

Feeling Healing, and living Feelings First.

Introducing how we're to live truly: living true to our feelings; and if we can, we'll naturally live life as God wants us to.

The importance of living with our feelings to uncover the truth of ourselves.

The importance of longing for the truth, how it happens, what it's like when it comes, how to use our feelings to do it.

How the truth comes and we live it, rather than living a set of imposed beliefs with our mind.

What Feeling Healing involves, how it will affect you, other people, your family relationships – what to expect. How difficult it will be to do it, how much help you might need, or that you can do it by yourself.

More about the benefits of doing it, such as not passing your yuk onto your children.

The EXTREMES of EMOTIONAL INJURY and SOUL SUPPRESSION:

At the extreme ends of Childhood Repression, a soulmate pair will be the first to heal themselves, having experienced their parents and close family members impose upon them forms of childhood suppression that collectively represent all possible extremes of experiences that we can have. Thus, when their Spirits of Truth are released, then all of humanity will be able to draw upon these for assistance and guidance as to how to liberate one's own soul from their own personal repression. This is the gift that this soulmate pair is to provide humanity with.

As the female is closer to her feelings, it is the female that may lead and assist the male in their Feeling Healing process, while progressing with her own. The male typically cannot do this on his own, the female being more capable due to her closeness to her feelings. However, to complete her own progression, the female requires the support and participation of the male. It is now time that we recognise that it is the woman that is our spiritual leader.

Our truth loving soul based feelings are to be brought into dominance with our minds only to support our soul based feelings. It is how we are brought up by our parents that we erroneously accept that our minds are all powerful; however they are greatly flawed and self-centred. Embracing one's own feelings is embracing the way of living that our Mother and Father desire for us to express and engage in. We are to fully express our God given personality through our feelings, not our mind based man-made impressions.

Firstly, consider discovering the truth of your emotional pain and injuries through Feeling Healing.

Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.

Primary and most important readings are the writings of James Moncrief.

Then consider the Padgett Messages, and then The Urantia Book.

Invest in kids from young age to break cycle of crime:

Your Gold Coast – Your Voice Letter of the Week Pg 80 Gold Coast Bulletin 14 July 2018

“As a Gold Coast high school teacher for the past 27 years, I have weathered changes in:

- Education systems and strategies.
- Legislation regarding behaviour support in schools.
- Parenting styles.
- Technology.

And, I believe all of these, including the pursuit of wealth, have contributed to the “Delinquents causing fear across our city” (GCB, July 12, 2018, Pg10) to whom David Crisafulli refers. David Crisafulli is an Australian politician. He has been a member of the Queensland Legislative Assembly since 2017 with the Liberal National Party and is spokesman for tourism and environment, representing the Gold Coast based electorate of Broadwater.

These are our youth who are in desperate need of love.

There is not one solution to a multi-faceted issue that has been developing over decades.

Punishing youth who offend, through the justice system, may work for those who are actually remorseful for their poor choices.

I don't have statistics but believe there would be a correlation between Gold Coast school expulsion numbers and youth crime on the Gold Coast.

However, taking a reactionary approach seldom works for the long haul. We need to get to the source of the issue.

Just like domestic violence, coward punches, cyber bullying and other violent behaviours, we, as a society, need to invest in our kids when they are toddlers to break the cycle of youth crime.

Being proactive might look like:

- Parenting classes – equipping parents with skills to be able to set boundaries and showing them the value of investing time in their child from birth through to adulthood.
- Well-being learnings in kindy programs through to senior school curriculum.
- Strengthening school and parent relationships.
- Equipping teachers with skills to be able to identify and work with at-risk youth.

There are many parents and teachers in our society doing great work with our youth.

Let's remember that the majority of our youth are thoughtful, caring, obedient and ready to contribute positively to our world. These are the youth who we can use as our source to create proactive ways of improving outcomes for our 'delinquents'.”

Contributor

So let us now proceed to address these issues and how solutions can be encapsulated within the school education systems universally on the way forward.

What is the CORE ISSUE?

Many thousands of years ago, humanity became seduced into the concept that one's mind could be the source of all things powerful. Humanity embraced and revered the mind above all things. They abandoned the loving and truthful natures of their soul-based feelings.

In doing so, man suppressed the female. The female became subjected to the male's demands. This was done so that the female could not exert her recognition of this error. The female is closer to her feelings than the male is to his feelings. Thus, if the female was not subjected to subservient status then the folly of this move would have been ended by them.

Our physical brain can be likened to a dumb terminal of a computer. The brain responds to the mind which is within one's spirit body. Our mind cannot discern truth. All truth can be found through one's feelings which are of one's soul. We are fully self contained.

We are to embrace our feelings and have our mind support the implementation of our feelings. Not the other way round which is how we presently function. We are simply going around in circles in a stupor!

Feelings first is the way we are meant to live our lives. Our mind is to be responsive and supportive of our feelings. Through our feelings we will always be growing in love. Our soul based feelings are always in truth.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

When our physical body dies, all we lose is a lot of weight! Our intelligence and personality is within our soul. Our soul manifests our personality through our spirit body, which in turn orchestrates our physical body so that we can have a physical experience. Without our physical body, we continue living as if little has changed.

The error of humanity is in believing that one's mind is to be revered and nurtured. Our mind is the seat of all errors, pain, suffering and disharmony of humanity. By living through our feelings first we can step away from all that imprisons humanity in disharmony.

Dealing with Feelings

Control is the Operative Word

We are to express our true personality at all times, not the one that our parents endeavour to mould us into being. We are to be the personality that our Heavenly Parents endowed us with.

The whole human race is suffering from repressed childhood and mind control.

From the moment of conception through to around the age of 6 or 7 years, the newly forming personality is bombarded by the emotional injuries and errors of its parents and other carers who the child may be in close connection with, such as siblings and extended family. All are influencing the child in a manner that is imposing their will upon the innocent child.

Golden Rule: that one must always honour another's will as one honours one's own.

The suppression and repression of the child's will and personality is universal. There is not a child on the planet who does not suffer from the consequences of the fact that no child is being truly loved. This is so because no one has ever experienced true love and consequently cannot truly love another including their own child or children.

Around the age of 7 years, our indwelling spirit arrives and the influence of our parents and other carers becomes less. At around this age, one begins to find one's way of living and self determination, however the damage is already done. How one is to live one's life is now well and truly embedded into one's character. At this age, the child will reflect the soul condition of its parents, or should the parents not be closely aligned with each other, then the child will reflect the soul condition of one or the other of its parents. A child's personality issues will be a direct consequence of the child's parents.

MIND IMPRISONMENT or FEELING LIBERATED?

Our parents unknowingly indoctrinated us into believing our minds were all powerful, that the way to experience life is to be mind dominated and to put our feelings aside, well, actually obliterate them with suppression. This is how we also mould our children into being our 'little me's', taking them away from being their true selves.

Through our suppressive, misguided, incapable minds, we live. With these same minds we suppress our children's true personalities. In this endeavour we are all evil. We are preventing our children from being the true personality that each child has been endowed with. That personality having been given to them, by their true Parents, being that incredible Soul, Mother and Father. Like our children, we are to fully and truly express our God given personality through our soul based feelings. It is through our feelings that we are to live. We are to engage with our feelings, and it is through our mind that we are to express our feelings. Not the other way round!

Engaging with our heart felt feelings is so liberating. It is also a much easier way of life. Mind control is tiresome, let alone erroneous and corrupt.

By engaging with one's feelings and allowing them to be expressed is ever so more powerful than our clumsy mechanical mind – come brain!

Allow your true self to be liberated. Allow your feelings to flow and shine. Allow your life to flow with the beauty and truth of one's soul based, all loving and perfect feelings. Allow yourself to simply engage with the will that our Heavenly Parents have given each of us, and be the true personality that we are all to express and be.

We can achieve this through the retraining of our mind. This is achieved through engaging with one's Feeling Healing process. It is not easy, in fact it is extremely difficult. Our mind is to be subservient to our feelings. We are not to continue how generations upon generations have lived and suffered for the past 200,000 years.

Embrace the freedom and liberation.

FEELINGS FIRST For Kids

Brandon Bays has successfully introduced 'Journey for Kids' with remarkable success, particularly in the 8 to 11 age grouping. Feelings First for Kids is expanding on the foundations of Brandon's platform and as such Feelings First for Kids is a paradigm shift for all of humanity. Feelings First for Kids is the introductory pathway for all healing of childhood repression and suppression leading to the potential for total healing.

We are to express our feelings, both good and bad, at all times, and to long for the truth of them.

Sounds simple! It is not and it can be very painful at times. No matter what feeling comes up we are to talk it out with a friend, companion, anyone who will listen. The feeling could be good or bad, either way, talk it out – express it.

Feelings first

As we do this, the pain from such experiences goes and the event becomes a simple memory. We begin to have no need to suppress the damage and emotions relating to such events of the past.

Equally important is the development of the way of living progressively moves away from being dependent upon one's wayward, controlling mind to being engaged with our soul-based loving feelings. Our feelings are far more expansive than anything that we could imagine possible through our minds. Our minds begin to play a supportive role through the implementation of what our feelings are guiding us to consider.

The most dynamic example of living feelings first is with scientists. Scientists are trained to be fully engaged with their minds. They are boxed into the function of reason. On Dr David R Hawkins' Map of Consciousness, the aspect of reason is in the range of 400 to 499. Dr Hawkins' calibration of the most renowned scientists showed that their calibrations peaked at 499. Not 500 which is love and feeling orientated, but at 499. Even Stephen Hawking calibrated at 499. The world's scientists struggle to achieve one or two great innovations during their lifetimes, that is because they are restricted through being imprisoned within their minds.

Those who live Feelings First will find that they are functioning through their soul-based feelings and often at levels well above 500 on Dr David R Hawkins' Map of Consciousness. Such people are not restricted by their minds – accordingly they have the potential of achieving great innovations frequently. Scientific break throughs are commonplace for those who are engaged in living Feelings First.

FEELINGS FIRST For Kids

SCIENCE is to EMBRACE THEIR SOUL BASED FEELINGS or FLOUNDER!

We have imprisoned our potential within the depths of the largest steel wrecking ball ever imagined whilst believing our wayward chaotic mind is all superior and a wonderful genius. Well, our brain / mind is a pathetically clumsy retard compared to the wisdom and truths that are freely accessible through our soul based feelings. We should only embrace our feelings and then have our mind implement what our feelings convey. Those of the near future will demonstrate the potential of our soul’s wisdom and capabilities through embracing their Feeling Healing with Divine Love. The greatest of the world’s academics will be humbled as they observe their ineptitude being akin to a young infant now being guided by a preeminent scholar of each and every scientific path presently acknowledged, by those embracing their soul-based feelings.

MIND WORSHIP
Stagnation,
pathway to nowhere

‘We are truth-creations, so our feelings **MUST** come first and then all the mind stuff can follow. And if we **DON’T** adopt Feelings First, then we will limit our mind’s understanding.

‘We think our world is ‘advanced’, ha, what a joke that is, advanced in what? What **ARE** we advanced in, is denying our mind its rightful advancement through our feelings and soul perceptions, so yes, we’re rocking along very well in this self-denial.

‘Look at how hard our **top scientists have to work at trying to push the limits of their mind, lucky if they have one significant breakthrough in their career.** All because we are pushing up against the absolute boundaries of our mind-denial, that being represented by the End Times of this age which the End of that denial being the end of the Rebellion and Default against our True Way.

‘Imagine being one of these scientists who are living true to their feelings having done their **Healing.** And **EVERYDAY** we are having more astounding breakthroughs because of advancing or growing in Truth, with our mind reeling in trying to keep up with it all. That is living life on the edge – the cutting edge of Truth. The Truth leads through our feelings and the mind will slot right into place supporting it.’

FEELINGS FIRST
Freedom, liberation
and discovery

FEELINGS FIRST because OUR FEELINGS are always IN TRUTH!

It is through our feelings that we connect and communicate with our Heavenly Mother and Father. It is Their Truths that we feel. This is our pathway to freedom, to a joyous existence, a way of living that is so wonderfully light, in as much as our steps forward are always with ease and a true expression of our real personality.

Feelings First is a way of living that liberates all that is unreachable via our minds.

Never before in the history of humanity have the keys to our way to our Heavenly Parents been so clearly demonstrated and provided to us. Now, in the year 2018, we have been provided with the way to liberate our true personality.

We are to embrace our feelings, our soul based feelings, and through them we will find our freedom, and within this freedom we will find the way to heal ourselves of all our repression and suppression, most stemming from our forming years, our childhood from conception through to around the age of six years.

Oh the wonders of becoming superkids. That is, to begin to naturally express ourselves, that being truly the personality of who we are, the personality vested upon us by our Heavenly Mother and Father.

As emotional feelings begin to emerge, we are to long for the truth behind such feelings, both good and bad. It is the longing for the truth of our feelings that has been ignored by us for all these centuries. Instead we have subjected ourselves to our minds that cannot discern truth.

As we shed the encrustment of errors and injuries imposed upon us by the misbeliefs of our physical parents, we can ask for and receive our Heavenly Parents' Love, Their Divine Love, and in this way we will begin to divine ourselves, leading us to the Celestial Heavens.

Avonal Revelation

- We are to live Feelings First.
- We've been made to use our mind to live against many of our feelings.
- Our mind control commences at conception and is developed through our childhood.
- All the bad feelings we didn't express as we were growing up are still repressed inside us.
- And all such hidden, buried and unwanted feelings have to come out.
- And whilst they remain repressed within us, they will continue to make us feel bad and unloved.
- We get sick, depressed, suffer, have bad things happen to us because of our repressed childhood feelings.
- Humanity was brought into this state of living against itself by higher rebellious spirits.
- These Evil Ones caused the Rebellion and Default.
- We are made to rebel by default – as we have no idea we're doing it through our parenting in wrongness.
- We are all parented unlovingly – against ourselves, against our will.
- Some parenting in the wrongness is done with more love, yet it's all still wrong.
- To heal this unloving state within ourselves we have to do our Healing.
- Our Healing is our Feeling-Healing or Soul-Healing with the Divine Love.
- We can long to God for Their Divine Love, and this will help us with our Healing.
- God is our Heavenly Mother and Father, the Feminine Aspects of God having been kept hidden from us by the Evil Spirits.
- All humanity's religions and spiritual systems are designed to keep the wrongness going, to keep us away from God.
- Only by living Feelings First Spirituality, The New Way, can you become right, and truly find God.
- Long for the Divine Love.
- Long for the Truth of your Feelings.
- Accepting all you feel is accepting all of yourself, it's your greatest act of self-love.
- And wanting to know the truth of your feelings, is your next greatest act of self-love.
- Love yourself through your feeling-acceptance, and the Truth will set you Free!

DIMENSIONS of ONE’S EXISTENCE:

Our SOUL IS NOT ENSOULD IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – ‘soul land’. It doesn’t exist in Creation, it’s not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One’s unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

P E R S O N A L I T Y

**Our soul is the centre of our personality.
We are children of our Heavenly Parents.
Our soul manifests a male and female personality - it is a duplex!**

generations

OUR BLOCKED EMOTIONS FLOW DOWN FROM GENERATION to GENERATION:

Childhood illnesses, and illnesses of baby within the womb, stems from blocked emotions passed down from generation to generation, resulting in malfunctions in the foetus.

We are a product of all that has come before us.

Our own soul condition is reflected in our children.

To assist baby, as well as yourself, work and pray to clear your blocked emotions.

Clearing your negative emotions improves your soul condition as well as that of your children.

Baby's body, when conceived, is always perfect. Their soul condition is also perfect.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

GENERATIONAL TRANSFER of EMOTIONAL BLOCKS and INJURY:

As children we are conceived taking on the denial of the seven Mansion Worlds which is passed onto us though our parents and carers. We absorb our parent’s emotional injuries and their soul condition, which can typically reflect more of one or the other parent, however both parents input is of equal importance. As children we continue to mirror our parents’ soul condition until we leave home. When we decide to heal our childhood repression, we then have to systematically work through all seven worlds of feeling-denial, healing all the unloving influences from our parents. This is doing our Feeling Healing.

In turn, we are a reflection of our parent’s soul condition, and their parents’ soul condition and so on back through the generations. We can break this cycle by working on our own soul condition, feeling our emotions and processing our fears and blockages.

These emotional blockages and injuries frequently manifest in our children as illnesses, even before birth or shortly there after. It is the accumulation and combination of issues held by past generations that insidiously manifest as life threatening illness episodes within unborn and new born babies. Parents clearing their emotions can lift autism from their children! Thus, to assist our children, we must firstly resolve emotional issues within our selves. Specific emotional injuries or blockages manifest as specific health issues. Thus, an illness episode or pain can be readily related to specific emotional issues that need processing.

FEELING HEALING is to LIBERATE OUR TRUE SELVES:

One's soul is always true and perfect. It is the source of our feelings. When we long for the truth of a feeling, we are looking within one's self and the truth of that feeling will progressively unfold.

Our mind is that cluttering confused chaos that has imprisoned our soul. Our mind wants control. It demands and causes us great difficulties. One can liken it to a wrecking ball that has encased within it our always beautiful perfect soul, being our real self. The mind dominates our brain. Our mind is stuffed full of our childhood upbringing errors.

Our parents typically followed the chaotic path of nurturing that they were subjected to, and so it goes on, generation after generation. By the time we are six we have allowed our will to be encased by the wrecking ball of errors of our nurturing. We now have to feel through those errors and injuries and free our soul, free our will. Our soul based will is always what we are to express.

Beliefs become Faith, but when we experience it, then it becomes Knowing. And it is in reaching the Knowing that one becomes perfected in that aspect of who and what we are.

When we long for the truth of the emotion, it will most often be unsettling to say the least. This is because there is little that our parents taught us that is in truth. Our will has been suppressed by our upbringing so that we would be like them.

Childhood repression encrusts our wrecking ball mind which in turn suppresses our soul based feelings that are in perfect harmony and peace being based on love and truth as given to us by our Heavenly Parents. To shatter the wrecking ball we are to seek the truth of all our feelings, good and bad.

MIND

SOUL

TRUTH versus FALSEHOOD:

‘It is an observed fact that even in the ordinary world of human life, the human mind cannot tell truth from falsehood, even about simple matters. The world holds an endless array of positions that are arbitrary presumptions and totally fallacious. One can observe them and respect how they are seen and valued by others without personally subscribing to them.

‘The mind is dualistic and thus sets up separatist mentations based on arbitrary, hypothetical positionalities that have no intrinsic reality. The mind thus confuses its own projections and mistakenly assumes that they have an external, independent existence, whereas, in reality, no such condition exists.

‘Science itself (calibration level in the 400s) has survived relatively intact and unscathed by the assault on truth. However this has led to the awareness that no major advance in science can occur without a further understanding of the nature of consciousness itself.

‘Not only is the majority of the content of the average mind fallacious, but it is also programmed to attack itself with self-hatred, depression, guilt, low self-esteem, envy, greed, conflict and endless misery. These defects are then projected onto the world as hate, war, violence and genocide. The ego defends its own limitations with prideful denial, thus becoming its own victim.

‘That the human mind, without help, is unable to tell truth from falsehood due to its own innate structure and design is so staggering a discovery that it is roughly comparable to the discovery by Copernicus that caused a cultural shock in the sixteenth century. (Copernicus formulated a model of the universe that placed the Sun, rather than the Earth, at the centre of the universe.) Because this single fact alone is confrontational to the average mind, it will probably not be welcomed or warmly greeted by those who profit from sophistry and its illusions.

‘The ego sees Truth as its ultimate enemy. Thus, the ego really uses the mind as camouflage and becomes hidden in its clever constructions.

‘One’s inner spiritual evolution is of greater value to society than any form of doingness. The level of compassion radiates out and contributes silently to mankind’s wisdom.

‘A characteristic of the energy field of consciousness is its innate propensity to evolve to higher and higher levels in order to give expression to the highest potentialities. (This is only possible through the embracement and living true to one’s feelings, soul-based feelings.) By the time consciousness levels reach the 500s, and especially in the high 500s, one’s spiritual energy tends to flow in a generalised way and influences not only subjectivity but perceived experience as well. What is held in mind tends to present itself almost effortlessly as though by the miraculous.’

Notes from Dr David R Hawkins publications

The main obstacle to man’s development is his lack of knowledge about the nature of his feelings, his soul-based, always in truth, feelings.

The brain is not the origin of the mind, as science and medicine has believed, but the other way around. The mind controls the brain. The brain is activated by the mind’s intention and not vice versa. However, it is our mind that is to be subordinate to our feelings, not the other way around as we have embraced for the last 200,000 years. Our mind is to follow the guidance and promptings of our feelings and support and implement such feelings as they occur.

HUMANITY is within a kind of dormancy, or even more like a stupor!

We, all of humanity, have been reduced to the barest of self-expression, having been reduced to the least creative life we can all live, that which the Earth is currently reflecting with everything and everyone trying to be the same. The pressure to keep going this way is to end. Steadily the pressure to go the opposite way, to increase creative expression, and this is not only meant through the creative arts, but in every aspect of life, socially, collectively and individually, is going to open things out enormously. It's going to be an explosion of light, that which is to end the darkness, something that's never been seen before.

It's the light in our souls, it's the light that comes from the truth we are to be living that will change us – that changes us all, light from our soul. **If one applies themselves to their Healing, thereby ending their unconscious self-denial, they will as they Heal, change and start expressing all the buried attributes, characteristics and talents, any natural part of themselves that's been denied because of their unloving parenting.** We are nothing like how we should be due to our self denial. So many people are living completely false lives, so when they become true, they will almost be the complete opposite to how they have been.

We are to be alive and vital, real expressions of our soul, to be living fully Healed lives as Celestials while living on Earth. Continually coming to terms with all we have been through, we all take a long time to integrate and understand it all, but we will virtually be New People.

We on Earth are used to our anti-self conditions. For the people who knew us before Healing, we will seem like completely different people, although with the same basic personality traits and characteristics. However all the self-hating, denying patterns and consequential behaviour will be gone, with all our loving self being expressed. **We are all but the living dead, whereas the Healed are the living living. And there's a huge difference.**

We and those who are Healed are like chalk and cheese, we can't relate to them anymore, and they certainly can't relate to us. **Healing is taking someone who was all but crippled right the way through their childhood and undoing all that retardation within them.** Doing one's Healing is changing the whole programming of every structure within you, all in keeping with getting older and naturally ageing with your mind and feeling systems ageing as well, working right down on the deepest will levels, it all changing, all to rid you of your wrongness and make you become right. It's a huge undertaking.

Yet it all follows on, it's not like you'll be so different from the old you that may as well not have existed, it's all there, all the new you to become, with only snippets currently being exercised and expressed, with **the rest of you in a kind of dormancy, or even more like a stupor.**

Once you have finished your own Healing, you'll be like a new person.

Notes derived from Nanna Beth 20 – 23 April 2018

WE have SUCCUMBED to our MINDS and IMPRISONED OURSELVES:

Yes, we have been seduced into believing and, consequently, living through our minds. This error has permeated into all aspects of our life. As parents, we have focused upon our children's mind development and this has continued through all levels of education that we have imposed upon them.

**A LIFE
BEHIND BARS**

No level of education has progressed beyond the level of 500, as per Dr David R Hawkins' Map of Consciousness (MoC). 'The transformative energy fields from 500 up are calibratable, nonlinear, self-effulgent, radiant, and beyond verifiable scientific definition.' This is further confirmed in that only a few scientists have calibrated marginally above 500 due to them embracing their feelings. The greatest scientists have typically calibrated only at the level of 499. The mind development hits an iron braced ceiling at 500.

Note:

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.

A calibration increase of 1 point is in fact a 10 fold increase in energy.

A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.

Thus the energy differentials are in fact enormous!

Opening ourselves up to living Feelings First further requires us to long for the truth of our feelings.

Without looking to our feelings and wanting to uncover the WHOLE truth of them, we can't heal our errors of belief and injuries. It's as simple as that despite what anyone does with their emotions and feelings. And many people in their endeavours to heal themselves have done some real Healing, if they at any time looked to their feelings for their truth, and this truth would have been forthcoming. So humanity has gained a little truth over the years. However because of the feeling-denying forces of the Rebellion and Default, that have been in play for some 200,000 years, the level of truth has remained very low.

The New Way, living Feelings First, which is now being revealed, will have many people wanting to follow it, looking to their own feelings for their own true power and freedom. As a consequence, they will no longer want to be dictated to by bogus religions or politician's corrupt social and educational systems or deep state hidden controllers or mind spirits or anyone else.

Once humanity collectively understands what has happened to them on the higher spiritual level, how the people have been controlled, and that it's over, that control is no longer controlling, it's just legacies of it, all of which the average person can deal with by destroying it in themselves, things will change markedly for the better. And as the people change, so too will how they want to live, it will be a great time of revolution, nothing will be the same. So what you are currently living through is the end of the Rebellion and Default, it literally is, and so once the end is fulfilled and the New starts, then all how it currently is and has been will cease to be.

THE ADDICTED MIND

& CONTROLLING MIND

WE EDURE FOUR LAYERS of PERSONALITY SUPPRESSION!

Unknowingly, our parents pass onto their children (us) their beliefs and way of living that has evolved since the Rebellion, some 200,000 years ago, and then the Default, some 38,000 years ago. In this way, humanity is suppressing the female, rejecting our Spiritual Parents, namely Jesus and Mary, and denying our Heavenly Parents being our true Mother and Father, of Their truth, standing and existence.

The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion. Nanna Beth 29 June 2017

We are souls, our personality is an expression of our soul. It is our free expression of our soul through our feelings that we are to embrace and follow. This expression may appear to be wilful in nature, from time to time, and consequently our parents' attempt to suppress this expression. They proceed to remodel us when as young children, in the manner their parents treated them and so on for many generations going back.

During our forming years, as a child, we are unable to recognise the suppression of our personality as being extra-ordinarily harmful to our soul based personality and, accordingly, we don't know that things can be any other way. Presently, neither do our parents.

This childhood suppression way of living continues throughout our schooling years, thus we learn this is a way of life that is normal.

Our religions all have been formed based on the tenets of the Rebellion and Default. The teachers and leaders throughout all denominations take us further away from our suppressed feelings that have been hammered into us during our forming years, thus entrenching us further into rejecting our true selves.

The controlling and suppression mechanisms of our parents, educators and spiritual teachers all manifest throughout all of commerce. This control comes heavily and brutally down upon all levels of employment. The capability to express one's soul based attributes and gifts is sealed throughout all of one's working life.

A new way of living is to enable the liberation of one's true personality through the Feeling Healing process AND the transfer of authority to the individual via embracing freedom of expression.

DEVOLUTION

Our childhood suppression of our true and loving soul based feelings is creating global pain and personal isolation amongst all of humanity. We are very sick!

In our struggle to find solace and purpose, we further withdraw into ourselves, becoming ever more self dependent, believing our control addicted mind that it can solve everything. We just drown further.

We embrace an ever expanding and diverse range of pathways to escape from our personal pain, fear and desperation. Alcohol has now been complimented with narcotics, hallucinogens, including caffeine (coffee). Gambling has been complemented with computer games which are generally entraining the mind further into error and pain. Technology is making us sicker!

We bury ourselves in front of the television to further avoid contact with anyone, especially family.

Children endeavour to exert their independent authority from domineering controlling parents (which we all are eventually) by disfiguring their bodies with tattoos and piercings, etc.

We shut out the noise with headphones, thus preventing contact with others. We use electronic devices to 'text' others even at intimate engagements.

Technology will take us further into the depths of our madness. You now can buy headsets that prevent any contact with the outside world while playing mind suppressing and entraining entertainment – games!

No one loves their children, they are ignored, and the controls hammered into them turn them into clones of ourselves. Look at ourselves and we can all see that we have been all messed up by our own parents, as they have for generations over the past 200,000 years.

No more of this! We can escape this man made hell!

EVOLUTION

STEP 1: Longing for and receiving Divine Love:

A. Soul prior to receiving Divine Love.

B. Divine Love being received from the Holy Spirit, covering the spirit body of requesting personality.

C. Divine Love having been assimilated within one's soul, now being reflected through the radiance of the spirit body.

STEP 2: FEELING HEALING + SOUL HEALING

It is the Divine Love that strengthens one's resolve to persevere with embracing one's suppressed emotional injuries, that occurred from conception through to around the age of six, and longing to know the good and the bad of those feelings, together with talking about them to a friend, partner, one's self and our Heavenly Parents. It is only with the receipt of the Mother and Father's Divine Love and the expressing of suppressed emotional injuries that one can release the emotional injuries and errors to achieve Celestial soul condition and enter the Celestial Heavens.

Further, should one complete their Feeling Healing on Earth, then they will be able to recognise their soul partner, their other soul half, and should their soulmate have also embraced Feeling Healing with Divine Love, then their children will be born free from error, free from fear, and free from any deformity and illness. This is the destiny of humanity.

Further, being in this condition of free from error and being in constant communication with our Heavenly Parents, then one can also recognise and form their Soul Group. This will ultimately consist of twelve soulmate pairs, a total of twenty four personalities / individuals.

It is the bringing up of children by the support of soul groups that is to be the ultimate way forward. The group experience and wisdom, as a functioning family, will ultimately be of profound benefit for the blossoming child.

But what we cannot do is contrive the groups ourselves, or even pick who our soulmate is. This will only, and can only happen, as an outworking of the truth we are to live – as we progress in the healing of our soul.

And this is how all of life should be lived: according to the truth we are living. It is how we live, as there is no other way, but currently we live it in the negative, of that being directed by no truth, and so having to make it all up ourselves.

BEGINNING the JOURNEY of GROWTH:

Generation after generation, follow the nurturing programming of their parents, errors of belief and truth are handed down as well as the ways of controlling cherished children. These unloving and untrue practices are why humanity is stagnant in its evolution, now for some 2,000 years. Our parents are false and misguided teachers. We now all can work through our erroneous and unloving ways and evolve.

Should we reflect upon our childhood, after first saying it was wonderful, when looking at it in detail we realise that it was a nightmare of control and many other restrictions that compromised our free will.

Feeling Healing of childhood repression is the only way to break away from the treadmill and evolve:

- i. Feeling Healing is outlined in *Speaking with Mary Magdalene and Jesus* by James Moncrief.
- ii. Letting Go process is outlined in *Letting Go* by Dr David R Hawkins.
- iii. Journey Process is outlined in *Journey for Kids* by Brandon Bays.

So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

Suppression and Repression:

We are all living untrue to ourselves. All we do is wrong, even though mostly we believe it is right.

We are living untrue as shown by the denial of many feelings. We don't accept them, particularly our bad ones. And this feeling denial, suppression and repression, causes all our problems.

All pain, suffering, fear, anger, guilt, depression, misery, sadness, feeling alone and lonely, feeling rejected, unwanted, uncared about, unloved, feeling will-less and powerless and unhappy and frustrated because we can't assert ourselves lovingly in life, are all the sorts of bad feelings we do everything we can to deny. And it's the ongoing suppression and rejection of these feelings that cause all our illnesses, problems, relationship difficulties, all that's wrong with us both personally and generally in society.

Right from conception we're all inducted forcibly – against our will – into such feeling-denying systems, we take it on, doing what our parents have taught us, thereby continuing to keep all our childhood pain and bad feelings repressed. And as adults, life cycles us through our various experiences in accordance with these early life established patterns all so we can keep feeling those same bad feelings and keep denying them. And this is our rebelling against ourselves by living untrue to all we feel, all of which we do unknowingly, which is by default.

And the healing of this negative, unloving, anti-self condition can only be done by doing one's Healing, which is Feeling-Healing, or your Soul-Healing with the Divine Love. (Soul-Healing being Feeling-Healing inclusive of the Divine Love.)

How one does their Feeling-Healing is by looking to their feelings for the truth they are to show you. You stop, acknowledge and thereby accept that you are feeling bad (or good), want to express that bad feeling and emotion instead of denying it, all whilst longing for and wanting to uncover the truth such feelings are to show you.

You have to want to FEEL ALL of your feelings, and especially your bad ones. And you have to want to know the whole truth of why you're feeling them.

And to uncover the whole truth of yourself through your feelings, means you are going to be led by your feelings back into the complex dynamics and psychology of the relationships with your early carers and those people who were influential during your childhood, mostly your parents: feeling now as an adult the very same feelings you felt back then that you were forced to deny. So now you end the denial and finally release and express and bring out those long ago buried feelings, all so you can see the truth of what really went on between you and those people from your early life.

Our Healing is bringing out all our repressed childhood feelings, expressing them as fully as we can, as we long for and want to see, understand and know the whole truth of what happened to us to make us have them, how we reacted to having them, how we grew and developed into adults taking on our feeling repression and denial from our parents.

And it's a long, hard process as we strive to liberate all such repressed feelings and at the same time

ascend in truth understanding why we are wrong, how as adults we've expressed those unloving, negative, anti-self patterns and how we've passed them onto our own children.

Our Healing is the ONLY way out of our pain. We are to understand the truth of our unloved state. We've begun life in an anti-self and anti-love condition of mind and will, and we are to liberate, or reveal, the truth of this state to ourselves through our feelings. We are to do it ourselves and for ourselves because we want to set ourselves free of our pain. Only by uncovering the truth of that pain, can we finally be liberated from it. Uncovering the hidden (hidden in our feelings) truth, is the only way we can spiritually grow and evolve into becoming fully loving people, this being achieved when we've finished our Healing.

All the answers to humanity's age old questions about why we are not happy and why we're not living life on Earth as if it were paradise, will be answered as people start to look to their feelings for the truth of themselves.

And to spiritually help us, we are to understand:

That we are conceived and so born into life being of Natural love. And because we've been brought into a state of deprivation of such love, so we have to Heal ourselves to become of such pure Natural love. And once done (and we can start anytime with our Healing) we can long to God for the Divine Love. The Divine Love coming into our soul via the Holy Spirit, transforming our Natural love soul into a Divine Love soul.

So we can long to God, our Heavenly Parents, for Their Divine Love.

God is our Heavenly Mother and Father; God is one Soul expressing Two distinct Personalities, and Personalities we can get to know personally as we express the truth of our soul. We can ONLY know our Mother and Father personally through our feelings, we can't get to know them with and through our mind as many religions teach. Any truly loving relationship is expressed through feelings and not the mind, and it's no different in our relationship with God.

We are, being of the image of God, one soul that's expressing its two soulmate personalities in Creation. And we begin life at conception coming into being individualising our personality through our life experiences.

However the whole of humanity has been subjected to a high spirit Rebellion and Default, which has stuffed us up, taken us off our true spiritual path, and caused us to rebel by default against ourselves, against our own soul, and against God. So currently humanity is still living in rebellion to the higher spiritual truths, those denied truths being now readily available through feelings, and not by looking to the mind being the arch controller. The higher rebellious spirits that instigated the Rebellion and Default against the Truth, have caused humanity, have caused us all, to use our mind to control our feelings, which we do by looking to our mind to help us deny those feelings we wrongly believe are bad for us.

So our Healing is looking to end the Rebellion and Default personally within ourselves and impersonally for the whole of humanity, as we all come together understanding the dreadful plight we find ourselves in, and deciding that we no longer want to live as we do by looking to our mind though all our mind controlling religions and spiritual belief systems, choosing instead to look to our feelings for the truth they are to show us, and that will break down our controlling mind, setting us free to live true to our feelings.

And we are to understand that we have the freedom of will to live against our true selves by using our mind to control so many of our feelings. And we have the free will to end this mind control. **When we are living true to our feelings, we will be living true to the will of our soul no longer with our mind getting in the way. And so too will we be living True to God's Will. We live God's Will by living fully expressing all we feel as we long for the truth of such feelings. Our feelings are to guide us in life, not our mind; our true feelings are Our Way, which is also: God's Way.**

And we can ask our Mother and Father to help us. We can long to Them to help us embrace and accept and express, and long for the truth of our feelings; and we can long to Them for Their Divine Love.

Our Heavenly Parents have started us off in Creation by incarnating us onto a rebellious planet, one in which we experience what it feels like to go against ourselves and to go against Them. They have wanted us to start life in an unloving way, to live and experience and learn what living untrue to our soul and untrue to Their Soul feels like. And how it makes us all feel bad. We are starting off our lives in Creation in an unloving environment, which some people will find difficult to understand (for within it they do feel some love), and it can also be just as difficult to accept that God wants it this way. And not only that, but God is making you be the unloving person you are, God gave you your unloving parents (and the bits that might be loving), God is purposely making you suffer, God is in control of it all; and when your time comes, God will also help you do your Healing so you can come to understand yourself through your feelings. God will reveal all to you through your feelings. All the bad and all the good. We are all to one day understand what it's all been about for ourselves – and you will, God won't let you down, God will eventually answer all your questions.

So when you feel ready, you can decide that you want to live a Feelings First life. To begin your U-Turn, to start doing your Healing, and to end your pain, suffering and feeling unloved, by looking to the truth of such bad feelings.

And through your Healing you will slowly work your way deeper into understanding the truth of your unloving self- and feeling denying state, and then once you've uncovered the whole truth of your wrongness, then a Great Change will come to you, and you'll no longer be living according to the negative, anti-self patterns you took on from your parents, you will be completely free of the Rebellion and Default, you will have finished your Healing, so you will be true and happy and wholly loving. And best of all, then you'll start living and learning about what it feels like to live being truly self-loving, loving of others and loving your Mother and Father. All the opposite to how you are living now.

Long for the truth of your feelings.

Long for the Divine Love.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

It's time for the true Women's Revolution:

Liberation of the Feminine:

Women are Spiritual – live true to your feelings.

Put your feelings first – always. Let your feelings speak, DON'T DENY THEM.

I am my feelings. I care what I feel. I deserve the right to allow my feelings the right to exist. Let me OUT – Let my feelings have their Say. I will no longer keep them back, hold them in, shut them up. I want to be Heard. I want my feelings to have their say. I want to hear what my own feelings are telling me. It's time to face the truth, and my feelings are the way to it. My feelings won't like being suppressed, not once I get my mind out of their way.

Viva La Feelings – Women are Feelings. Women are Spiritual. Our Feelings are our true spirituality. Deny our feelings and we are denying our spirit. The suppression and forced repression of our feelings is to end. Bring Them ALL Out. Open your mouth and let your feelings come out, let your feelings have their say, and Long for the truth of Them. Want to know the truth of your feelings. My feelings are the Way to My Truth. I want to be true, beginning with being true to my feelings. And through my feelings I will be guided and shown how to live.

God loves all Feelings. You can only love God with your Feelings. Give ALL your good and bad feelings to God. Bring them out, stop keeping them hidden and bottled up. If you do, you'll never uncover the truth of yourself, nor will you really get to know yourself or God.

Your feelings are the key to your successful relationships. Block your feelings and you're blocking your relationships. Express your feelings and want them to show you the deeper truth of yourself, and your relationships will become true too.

Long Live My Feelings. MeTOOandmyFEELINGS. I am Woman let me FEEL. It's time to honour what I feel. Liberate the true feminine by liberating ALL your feelings. It can be very difficult, there will be many obstacles within yourself and outside of yourself, however if you want to truly set yourself free of your pain and suffering, then seek and long with all your heart for the truth of your feelings – for your feelings to show you the truth God wants you to see about yourself. And slowly you will heal, slowly you will change and overcome all such difficulties.

FEELINGS FIRST
For Kids

HOW do we SUPPRESS our CHILDHOOD EXPERIENCES?

Caffeine is the most widely used drug in the world. In the United States, more than 90% of adults use it regularly. Caffeine in coffee and soft drinks combined with alcohol, tobacco, party drugs, prescription drugs and certain foods (chocolate), very few adults are without some form of substance abuse.

We use every method to dumb ourselves down so we can suppress the subtle but relentless abuse that we each endured during our forming years, from conception to around the age of six years.

Amazingly, due to the attitudes instilled into each of us during our forming years, humanity, overall, considers war to be 'socially acceptable'!!!

When we decide to become a soldier we are really approving of being killed or killing. So, each year some 50,000 soldiers die. It is collateral damage that some 200,000 civilians die as an incidence of war. They did not buy into war.

Being brought up in semi to outright abusive families, murder is common place. Worldwide each year we have 500,000 murders. That is outside of the accidental deaths due to guns!

Aggressive contact sports are an expression of one's childhood suppression and repression. The harm from our childhood upbringing goes on. The cost of 'drug abuse' to a society is the equivalent of either a nation's military budget or public medical services alone. Substance abuse cost is much, much greater.

Society is so dumbed down that it functions as walking zombies. This is all because no one knows what true love is and how to truly love another. This can only be brought about through living Feelings First and engaging in one's Healing.

CHALDI COLLEGE – EDUCATION:

Nanna Beth and James 28 July 2017

James: John has been wondering about how to set up schools and schooling under a tree, in keeping with it all being opposite to what we're all used to, can you give him any suggestions or point him in the direction he should look?

CHALDI COLLEGE

Nanna Beth: These are some ideas he can consider – just suggestions John, we won't say it has to be this or that way, as you know, it's for you to work things out. So basically, what would you like John – how would you have liked school to be?

Schooling is voluntary. It should be made to be something children want to do, not something that's forced on them.

It should be fun, as in keeping the whole focus on making them feel good about all they are doing. Not artificially praising them or praising them over their peers, but just supporting and being personal with them, allowing them to respond and find their own way.

It should not be separated into classes based on age. Classes should involve all ages, for example, the younger ones can learn and watch and be helped by the older ones, but not forcing the older ones to help the younger, all voluntary and what would naturally happen, more like in a big loving family rather than segregated because of age or whatever. Perhaps the 5, or less, to 10 in one group, 11 to 16 in another.

Teachers are to be able to deal with children of all ages, and work to allow the student to progress at the students own pace. Special or extra schooling can be provided when necessary to students that want more.

The subjects should all be practically oriented. Everything offered and so accepted voluntarily. Reading, writing and basic arithmetic, all so as to help the child deal with the real world. Other subjects like psychology – morals and ethics, love and friendship, acceptance and tolerance of ALL feelings, particularly bad ones, resolving disagreements, expressing feelings and yet not necessarily acting on them – particularly the bad ones, all based around how to respect and treat other people how you'd like to be treated. And how if you hurt by infringing upon another's will, then you will have to suffer that

same amount of hurt, either now or in spirit. And about the Feeling Healing, what happens when you feel bad feelings, how to look to your feelings for their truth, so as to grow in understanding of yourself, nature, life, other people, and God – the whole spiritual aspect, including the Divine Love and Mother and Father, yet no religious indoctrination. The history, culture, place in the world. How to integrate with the modern world, computers, phones, internet, etc. Sport, play, arts, creative lessons and involvement. How to live and respect nature, the natural world, the environment, hygiene, natural health, sex, contraception, abortion and so on – about the person, the body, things to dispel myth and falseness, general science. Trades, technical work, hands on experience – building stuff, ways to use one's mind to do what one wants to do.

Duration of classes, half a day, longer when older for those wanting to learn more, homework voluntary and at the child's initiative – wanting to do it.

School is just part of life, not separate to life. Part of the family, tribe, society, not separate from it. Inclusion of other adults, parents, family members, as aides, helpers, teachers, together with professional teachers. Lots of people, and in particular older people (who also have the time), are natural teachers and should be encouraged even though they've not been specifically trained. One can only learn a certain amount being taught to be a teacher, yet in reality, very few trained teachers have any real natural feeling for it. The more the 'teacher' makes their pupil feel the pupil is the important one, and the teacher is only there to help them if they need their help, and not to stuff it down their throats whether they like it or not, is where to begin. And how a child of differing ages learns, is as varied as the children themselves. So the more 'teachers' the better, and that means the child can gravitate to the 'teacher' that best suits them, rather than having to spend a whole year with someone you hate and you feel hates you.

University for higher learning, full on, voluntary, free, all information on any subject available with competent teachers. So the student can excel should they want to.

It all being with the focus on the person, offering them things which they can try and see if they like. Things that will help them in the world; and how to be a person living true to themselves – true to their own feelings; and how to respect another as one respects oneself.

James: Nanna Beth, John would like any comments on the Council of Elders continuing to contact people on Earth after he's croaked it.

Nanna Beth: It's as James said, there will be an increasing number of people opening up to us Celestials for all sorts of help, once they understand who we are and how we can help. So yes John, there will always be some main people on Earth we'll work with. And should it all keep needing to move along with one entity in control, such as what you're starting out with, then yes, that is how we'll engineer it. Should it break up or be broken up into many entities, then we'll be ready for and going with that. As much as we say we are in control, we mean that we are in control instead of the mind spirits. But still we are to work with humanity, in as much as humanity leads and we augment.

James: And Nanna Beth, I thought I'd ask you about the Religion of Feelings, as John is against a religion of any sort because of all that religions have done to us all, do you have any thoughts on it?

Nanna Beth: It's all up to you James, what you want. Of course you're not wanting to go and instigate yet another religion in which people have to adhere to a set of rules because you know what will happen to that, **any rules allowing people and their controlling agendas to take control over others, is something to be avoided at all times.** However the notion of a 'religion', and one based on feelings,

with no fixed agenda, no rules, just founded on truths, will allow people to have some sort of structure to relate to should they need that, but one in which they are entirely free to do whatever they feel based on their feelings. And with the Feeling Healing and Soul Healing being at its core, then those people intent on that will be able to work on themselves and it won't matter to them whether they are part of something or not.

As you understand, some people will like the idea, others won't like the word religion and will want to do it alone, so do whatever you feel you want to do. We don't call it anything over here other than Our Healing, yet we all had embraced the Divine Love before we began our Healing, however potentially that won't be so for a lot of people on Earth, and to say that people have to embrace the Divine Love to do their Healing would cancel out a large amount of people and is putting a rule in place, which doesn't need to be there and would only get in the way.

So to call it a Religion and yet to make it as free as you are intending James, is something for you to decide for yourself, which really just gets down to using the word religion. And I know it appeals to you because it is a religion that is not a religion, yet more a true religion of truth than any of the existing religions are, so you're showing up those religions for the untruth that they are.

Anyway, it's what you want to do James, it's not for us to say one way or the other. And you will do what you want to do, you'll hear people's complaints or if they like the idea, weigh it all up, and still do what you want to do.

James: So you don't force or coerce anyone to do anything they don't want to do. Because who wants to be treated that way – no one!

A NATION'S or COMMUNITY'S COLLECTIVE SOUL CONDITION:

One's soul condition has a direct relationship with all facets of living. To grow and improve one's soul condition is the greatest gift one can give him or her self as it has universal benefits that last for eternity.

Dr David R Hawkins' development of the Map of Consciousness (MoC) and research with kinesiology muscle testing observed the overall calibration of consciousness level of many countries.

Developed economies are within the highest brackets. Civil unrest and wars are within the lowest two brackets.

Consider the average life expectancy and per capita income relative to the MoC calibration. Then review the subsequent table for rate of unemployment, rate of poverty, rate of criminality, and happiness rate 'life is okay':

MoC	No. of Countries	Average MoC	Average Life Expectancy	Per Capita Income 2013

Note:

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.

A calibration increase of 1 point is in fact a 10 fold increase in energy.

A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.

Thus the energy differentials are in fact enormous!

CONSCIOUSNESS vs LIFE EXPECTANCY:

Edgar Cayce's Story of Jesus – Summation P. 373:

“What nations of the Earth today vibrate to those things that they have and are creating in their own land, their own environment? Look to the nations where the span of life has been extended from sixty to eighty-four years.

“What is the spirit of a free nation? Most individuals proudly boast “freedom”. Freedom of what?

Those nations who have taken those vows that man shall be free should also take those vows “He shall know the truth and the truth then shall make him free”.

The Map of Freedom reflects the findings of Freedom in the World 2014, which rates the level of political rights and civil liberties in 195 countries and 14 related and disputed territories during 2013. Based on these ratings, countries are divided into three categories: Free, Partly Free and Not Free.

A Free country is one where there is broad scope for open political competition, a climate of respect for civil liberties, significant independent civic life and independent media. Partly Free countries are characterised by some restrictions on political rights and civil liberties, often in a context of corruption, weak rule of law, ethnic strife, or civil war. A Not Free country is one where basic political rights are absent, and basic civil liberties are widely and systematically denied.

U-TURN for HUMANITY:

Why are we doing a U-Turn?

We are doing a U-Turn **because** the year 2017 heralded the end of the Rebellion and Default. For two hundred thousand years, humanity has been going in the wrong direction.

What is this fundamental step that will change our way of living?

We are to come to understand / know the foundational cause of all our feelings, both good and bad. As we explore and investigate our feelings, each time they arise, one by one, we are to talk them through, express them to a companion or friend or anyone who will listen. As we express them, while at the same time coming to understand how they have come about, we will find that they will be resolved and that they will not come up again.

We will find that all of our feelings / emotions have their foundations from our childhood. And by childhood, that is from the time of one's conception all the way through to about the age of six. It is the repression of our childhood feelings that is the base or foundational cause of each and every one of our adult personality issues, pains, difficulties, illnesses and distressful life experiences.

We have to see the whole truth of our negative or self-denial state, before we can heal it and be free of it.

The vital difference between **emotions** and **feelings** is:

- emotions have their roots in the past,
- feelings relate to the present moment,
- emotions represent feelings not previously expressed,
- and these accumulate over time.

Many emotional clearing processes encourage us to look into our feelings, however, none go so far as to drill down into the core foundation of any emotional feeling to the point that we strive to KNOW the core issue, the origin of the feeling, be it good or bad, and actually come to know what it is!

The *Journey Process* is generally known worldwide. It stops short of longing to know, that is asking for the knowing of the events that brought about such a feeling. Yes, we are to acknowledge the feeling, say being angry. Then accept that behind that anger is the feeling of being small, and then look at the underlying reason of why we are feeling small. What is the truth behind that feeling? Ask our Heavenly Parents what is behind all of this feeling. What is the foundation, the origin of the feeling? All the time talking it out, expressing it, with a friend. The expressing of the experience is the release of the emotion / feeling, this is what removes it for ever from within our essence, our **soul**.

Why ask our Heavenly Parents? I thought God was just God – singular?

This is part of the revealings that have been unfolding for us very recently – that is – since 2002.

We are made in the image of God. This has been understood for centuries, for 2,000 years. Our soul is duplex. Our soul expresses itself through two personalities. One soul 'subdivides' into two, one half

**Feeling
Healing with
Divine Love is
the key!**

always being female and the other half always being male. We are a reflection of how God is. God being one Soul is expressed as Mother and Father. God is two personalities. They are soulmates. And each of us has a soulmate, and our soulmate is always of the opposite sex, because the Mother and Father are the opposite sex.

Thus, when we long for the truth behind a feeling, then we can long to our Heavenly Mother and Father. Only they can tell us. No spirit personality can tell us. No canonised saint can tell us, we may as well ask our next door neighbour. That would be just as productive. Mary and Jesus can't tell us, as they are also spirit personalities.

I was taught that Jesus was God? And what is this about Mary?

Mary of Magdalene and Jesus of Nazareth were both born free from sin. Neither of them are God. They are both children of God, just like you and me.

History needs to be corrected. Both Jesus of Nazareth and Mary of Magdalene became at one (At-One) with our Heavenly Mother and Father during their physical lives here on Earth in the first century; Jesus in the year 26CE and Mary in the year 33CE, or thereabouts. Jesus died aged 35 (born 7BC died 29CE), and Mary died aged 47 or 48 (born 2BC died 47CE).

Further, their sojourn on Earth was the completion of their process to become the full Regents of the sector of planets that is referred to as Nebadon. The region within our super-universe that is referred to as Nebadon contains 3.8 million inhabited planets. If you look into the night sky, each star / sun potentially has between none to three inhabited planets within its orbit. Within Nebadon, the soulmate pair, namely Mary and Jesus, are our Spiritual Teachers of Truth. Their domain is all 3.8 million physical planets plus their associated spirit worlds. Each physical world has seven associated spirit worlds, which is the case for Earth being one of the 37 that have rebelled.

Some 200,000 years ago, Lucifer with his soulmate and his deputy, Satan with his soulmate, brought about a rebellion on 37 of the inhabited planets within the region called Satania, one of the local universal systems of Nebadon. Earth compounded the situation through the Default of Adam and Eve about 38,000 years ago. Thus the population of Earth, being in the worst condition through the Rebellion and Default, became the location for Mary and Jesus to have their physical experience to complete their ascendancy to full Regency of the local universal system being Nebadon.

Their lives on Earth was the start of the unravelling of the Rebellion and Default. Upon Jesus becoming At-One with our Mother and Father, he was then vested with the authority and power to have the Lucifers and Satans arrested, and they now reside exiled within a prison world.

Notice that there were no records of Jesus and Mary's teachings and experiences made during their physical life. That was because they did not specifically come here for us, they came for the benefit of all peoples of all planets and spirit worlds throughout Nebadon.

As they are Paradise descending spirits, they have **Spirits of Truth**. Upon Mary and Jesus' death, they released their Spirits of Truth. As spirits, Jesus and Mary are how we will be, once we've finished our Soul Healing. They can only be in one place at any one time. However, it is their Spirits of Truth throughout Nebadon that we can connect with for guidance. It is through their Spirits of Truth that spirit personalities can progress through and out of Nebadon.

Those planets that have Rebelled need further assistance, and they need it on a localised manner. This can only be provided by another bestowal of a **Paradise Pair**, and that is in the form and manner of an **Avonal soulmate pair** who come here specifically for us.

What is the purpose of an Avonal pair, and are they here on Earth?

Unlike Jesus and Mary who were always free from sin and did not experience how to heal themselves, the Avonal pair are to experience all of the extremes of evilness and then proceed to heal themselves. Mary and Jesus through their bestowal on Earth ended the Lucifers spiritual rebellion in Nebadon; the Avonals bestowal is primarily concerned with ending the Default of Adam and Eve by the Avonals themselves personally healing the effects of such a damaging Fall.

The soulmate Avonal pair are to be, and have been, subjected to the extremes of childhood suppression and repression, and then, through their Feeling Healing, are experiencing all the facets of emerging truth as they slowly progress through a protracted and difficult healing process. As they reach specific milestones, this also enables those in the Celestial Heavens, (the three worlds where Celestials reside) to be empowered to assist us in the physical on Earth.

The first considered milestone was the arresting and imprisonment of the Caligastia soulmate pair and the Daligastia soulmate pair. After the arrest of the Lucifers and Satans in the first century, as nothing further occurred, the Caligastias and Daligastias continued on from spirit as if they were kings and queens, suppressing all of humanity and with plans to take over the universe. It was possibly in the early 1990s that they were 'judged' and 'removed'. They were caught unaware that an Avonal bestowal pair were on Earth.

How is all this becoming known? Has Jesus and Mary communicated directly to Earth?

Unlike in the first century, when no records were kept (as the event related to all of Nebadon and it was actually setting the stage for the Avonal bestowal pair to arrive on Earth), every effort to retain records in great detail of this current series of events is now being attended to. Consider this. The New Testament of the Bible is some 300 pages. The records of the Second Coming, which this is, the primary records are possibly 6,000 pages, with direct complementary records increasing that to over 10,000 pages and with all the supplementary records to date, there may be as many as 40,000 pages, certainly well over 30,000 pages of material presently.

Jesus directly communicated through James Padgett from 1914 to 1923. Mary of Magdalene (Mary M) has directly communicated through James Moncrief from 2002 and is ongoing. Jesus has also communicated directly through James Moncrief. Neither have ever directly communicated through any one else, however, some Celestial Spirit personalities have provided information through other personalities on Earth with the support and approval of Jesus and Mary, thus some confusion, though the quality of the information is very reliable.

You say this is the Second Coming? You say I am living during the time of the Second Coming?

Yes you are. And it's more than that. This is the Second Coming, the End Times and the Handover!

In fulfilment of the prophecy in the first century, the Second Coming commenced on 31 May 1914 through the writings with James Padgett and concluded in 2014 through the writings with James Moncrief.

The End Times are well advanced. Mary and Jesus are well advanced in handing over their direct involvement with Earth to those within the Celestial Heavens. When this is completed, the Handover will also occur. **The Hand Over is to the Avonal Bestowal pair** and it is they who will guide the population on Earth through their Feeling Healing processes for the next 1,000 years, being the next spiritual age. The Handover will take place after the Avonal pair complete their personal Healing of the Rebellion and Default. Then will follow with their Spirits of Truth being officially liberated in alignment with Mary M and Jesus' Spirits of Truth upon their death.

Major events have occurred with the progression of the Avonal pair's Feeling Healing, which they are also doing whilst embracing our Heavenly Parents' Divine Love, thus they are doing their Soul Healing.

Early 1990s:	The arrest of the Caligastia and Daligastia soulmate pairs.
22 March 2017:	Negative spirit influence was blocked.
31 March 2017:	Angel assisted healing will become available upon the Avonal pair completing their own Feeling Healing, being with Divine Love, thus it being Soul Healing.
22 May 2017:	Law of Compensation quickening.
2 December 2017:	Psychic Barriers maintaining the Rebellion and Default were cracked.
8 December 2017:	Bring on the money to 'house the future of humanity' .
31 January 2018:	Earth and the seven associated Mansion Worlds (including the two Earth planes) are officially now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default.

How does this all fit into our future way of living?

This time, in the history of humanity, is the most exciting time ever experienced.

The whole human race is suffering from repressed childhood and mind control.

Through one's Feeling Healing, and should we embrace our Heavenly Parents' Divine Love, then with their Love we are doing our Soul Healing, and eventually we can live totally in accordance with our soul based feelings and live free from error – no more fear and no more physical illnesses is possible!

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

Our soul is always perfect. In fact, we are the complete package. All that we need to know is within our soul. This knowledge has been denied from us since the time of the Rebellion and compounded by the Default. That is what was brought upon us by the Lucifers and his cohorts. We have always been meant to live true to our soul based feelings but we were taught to embrace our error riddled mind – this was aided by our parents – unknowingly all parents have taught their children to be mind dominant. **This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

“Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **Feelings** guide us through our **ascension of truth**. So they are really our Supreme Guides. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: **Longing for the truth of our self, because: we are our feelings**. So life stirs up

our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.”

Kevin of the 1st Celestial Heaven 26 September 2017

(Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.)

It is through the assistance of the Spirits of Truth of the Avonal Pair, upon the completion of their Soul Healing, that we will be guided through our Feeling Healing process, and should we embrace our Mother and Father’s Divine Love, then our Soul Healing.

Then should we embrace Mary and Jesus as our Spiritual Teachers of Truth, their Spirits of Truth will lead us on the path through the Celestial Heavens where we will certainly meet up with our soulmate and join our soulgroup, which will eventually consist of twelve soulmate pairs. Then as a soulgroup, the Spirits of Truth of Mary and Jesus will lead us up through and out of Nebadon towards Paradise.

It is then our Mother and Father in Paradise who draw us to them and we will eventually meet our Heavenly Parents.

Meanwhile, while we live on Earth, we will have assistance and guidance previously denied to us throughout the era of the Rebellion and Default. Under the Contract controlling and managing the Rebellion and Default, the powers and capabilities of our Celestial Heaven spirit personalities, all three worlds of them, were heavily restricted and almost of no assistance to us at all. Further, Nature Spirits and our Angels were heavily denied contact with us physical people because of the Rebellion and Default, all of which is soon to change, so we can look directly to them for help concerning healing ourselves and understanding all aspects of nature.

As we embrace our Feeling Healing, Celestial spirits will and can greatly assist us. In fact, during the year of 2017 they have blocked all mind spirits from the Natural Love Mansion Worlds: 1, 2, 4 and 6 from interfering with us. Celestials have taken control of all facets of living and life on Earth. Celestials are those spirits who have completed their Feeling Healing and progressed through Divine Love Mansion Worlds 3, 5 and 7 and now live in the higher Celestial Heavens, 1, 2 and 3 (when we become At One with our Heavenly Parents then we leave the Mansion Worlds and progress through the next three spheres related to Earth, hence the Celestial Heavens are also referred to as being numbered 8, 9 and 10).

The Nature Spirits of Earth, who live in the third Earth plane, can now directly interact with those who are embracing their Feeling Healing. Nature Spirits are essentially ‘angels in waiting’. They have been on Earth prior to anything that we now see living in nature. When they first started to arrive, there was no life in the seas or on land. They have consequently witnessed everything that has happened on Earth, including all prior human civilisations that we continue to largely remain ignorant of. Their knowledge and assistance is of great importance to us. We are to interact with them on an ever increasing scale. They are to become an invaluable source of information for us concerning how we are best to live with nature.

Further, we may become more aware of our **Indwelling Spirit**, which arrives for each of us during our sixth year, as we now progress with our Feeling Healing, or with Divine Love, our Soul Healing.

And all of this is possible as we embrace our Feeling Healing process, acknowledge and accept the Avonal pair, acknowledge and accept our Spiritual Teachers of Truth, namely Mary and Jesus, and more importantly, grow to love our Heavenly Parents, our true Mother and Father.

We do not need intermediaries, rituals, liturgy, dogmas, creeds, fancy clothing, or institutions. It is our soul based feelings and expressions that we may exchange directly with our Heavenly Parents. Groups may form to assist each other, and that is choice and within our free will.

This is the greatest event in the history of humanity.

This is the Great U-Turn that humanity will embrace throughout the next 1,000 years. MoC 1,480

MAP of CONSCIOUSNESS CALIBRATIONS reflect the nature of the TOPIC:

The level of truth of a topic or subject is reflected in the calibration through employing Dr David R Hawkins' Map of Consciousness with kinesiology muscle testing. A publication or movie about manufacturing food would be around 200, whereas meals prepared in a loving home would be around 500. The subject of pornography through to war would be less than 200, whereas natural love topics can readily be over 500 and up into the 800's plus. Material introducing Feeling Healing with Divine Love, by its nature, will range between 1,480 to 1,500 on Dr David R Hawkins' Map of Consciousness (MoC), in its purest form of presentation. This has never been previously achieved.

KINESIOLOGY MUSCLE TESTING GENERAL INFORMATION:

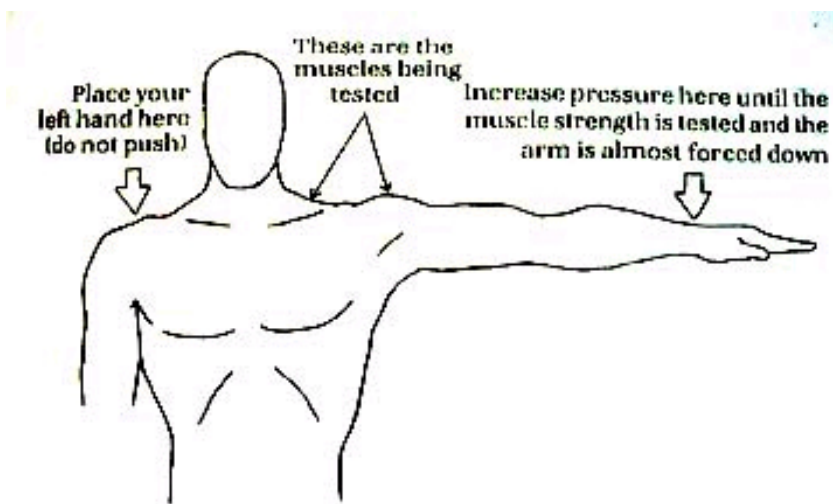

David R Hawkins – Transcending the Levels of Consciousness P.372

The energy field of consciousness is infinite in dimension. Specific levels correlate with human consciousness, and these have been calibrated from “1” to “1,000”. See the Map of Consciousness. These fields reflect and dominate human consciousness.

Everything in the universe radiates a specific frequency or minute energy field that remains in the field of consciousness permanently. Thus, every person or being whoever lived and anything about them, including any event, thought, deed, feeling, or attitude, is recorded forever and can be retrieved at any time in the present or the future.

TECHNIQUE

The kinesiological response (muscle testing) is a simple “yes” or “not yes” (no) response to a specific stimulus. It is usually done by the subject’s holding out an extended arm and the tester pressing down on the wrist (bony bit) of the extended arm, using two fingers and light pressure. Usually the subject holds a substance to be tested over their solar plexus with the other hand. The test says to the test subject, “Resist”, and if the substance being tested is beneficial to the subject, the arm will be strong. If it is not beneficial or has an adverse effect, the arm will go weak. The response is very quick and brief.

Basics of Muscle Testing

It is important to note that the intention, as well as both the tester and the one being tested, must calibrate over 200 in order to obtain accurate responses.

If either the tester or the one being tested is dehydrated, errors will occur. A large glass of water will promptly remedy this situation.

Solar plexus is that region about 2.5 inches above your belly button. The test subject holds the item over their solar plexus with one hand and extends the other arm for response in the normal way.

The higher the levels of consciousness of the test team, the more accurate are the results. The best attitude is one of clinical detachment, posing a statement with the prefix statement, “In the name of the highest good, _____ calibrates as true. Over 100 on the Map of Consciousness. Over 200, etc.” The contextualization “in the highest good” increases accuracy because it transcends self-serving personal interest and motives.

HOW EMOTIONS EMERGE AS AN ILLNESS: Healing and Recovery P53 by Dr David R Hawkins

Every time someone goes below level 200 (Courage) as per the Map of Consciousness (MoC) scale, we find upon testing that their energy system is imbalanced. Characteristically, most people will 'blow out' one particular acupuncture meridian rather than another.

For example, every time they have negative thoughts or feelings consequent to a negative belief system, they may impair the heart meridian. As the years go by, every time they have a resentment, go into self pity, or criticise someone else, it disrupts the energy and flows down the heart meridian. This depletes the life energy of the heart, and the continual repetition begins to alter its physiology in very delicate ways. It begins to express itself through irregularities in the autonomic nervous system, which operates in the functioning of the body organs.

As a result, there begins an impairment of the physiology of the heart itself, including the lining of the arteries. As the years go by, the habitual disruption of the heart meridian brings impairment on the physical level, which is an expression of what has been held in mind. That is the basic premise – the body expresses what is held in mind, not vice versa. The body expresses a person's habitual way of thinking.

The mechanics of negativity short-circuit the acupuncture system and the autonomic nervous system. This in turn alters and impairs the sensitive electrical and chemical processes that are going on in the cells, resulting in pathological changes within the anatomy and dysfunction that results in a coronary attack, heart disease or heart failure. The heart failure comes about partly as a result of years of negative mental attitudes. The mind would like to blame it on cholesterol, stress, one's lifestyle, genetics, what goes on in the family and so on. These are all merely explanations, excuses, and rationalisation to try to make intelligible that which is not clearly defined.

When looking at the exact mechanics, we see that what we hold in mind begins to manifest on the physical plane because it is the mind that has the power. The mind is within one's spirit body.

One of the difficulties to overcome in self-healing is the willingness to accept the great power of the mind. We cannot let a negative thought go unchallenged. Disease is an expression of one's attitude and habitual way of looking at things.

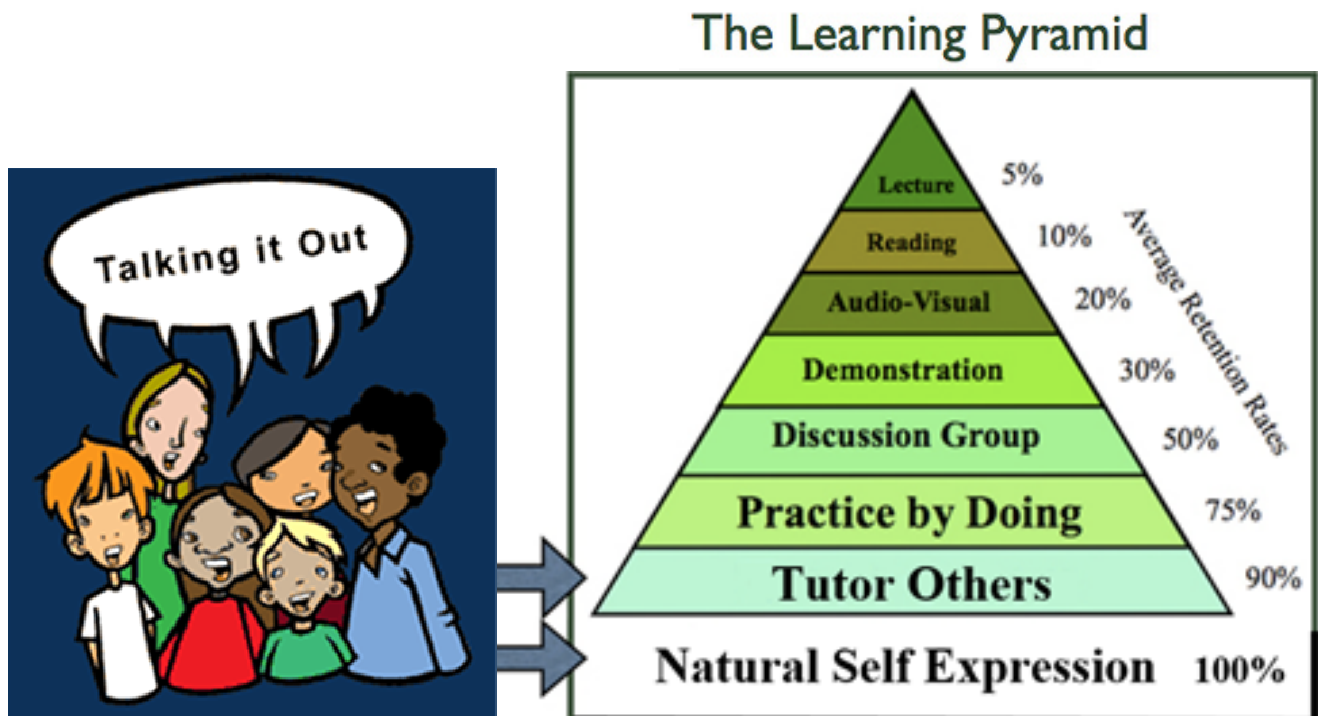

The specifics of healing a particular illness consist of (1) letting go of resisting the sensory experience of it, (2) no longer putting names or labels on it, and (3) using no words at all. Welcome experiencing what you are experiencing in a very radical way at the same time (4) cancel the thought form and belief system, and (5) choose the energy field of Love, which heals.

To put oneself in an energy field of 540 is to automatically heal oneself. A loving thought then heals and a negative thought creates illness.

How do we pick up the negative belief systems? We pick them up through television and well intentioned people. Their intention is to prevent these illnesses in us by educating us about them. Instead, we find that the mind is now programmed to accept a specific belief system. Unconscious guilt then comes up and utilises that belief system, which causes an impairment of energy flowing through the energy fields that run down through the twelve meridians of the acupuncture energy system.

That being said, there is no need to analyse one's condition, just receive healing by embracing, longing for and asking for the light golden blue energy substance being the Divine Love.

The healing of the body alone should never be forced. Complete healing takes place only through the Soul, via the spirit body, via the nervous system and the spirit consciousness of each cell.

HARMONY within the SOUL = HARMONY within the PHYSICAL BODY:

Emotional injuries, erroneous beliefs, harmful intentions are all damages encrusted upon one's soul. Such injuries are to the spirit body impairing the flow of loving energies of one's soul.

Such man made errors degrade the pristine soul and such damages impact upon one's spirit body which in turn emerge as discomforts, then pains, then as illnesses within the physical body.

Medical assistance and treatment may alleviate the illness / pain however the cause remains.

Until we endeavour to remove the errors and injuries, the propensity for the illness remains.

Love energy from our Mother and Father is the only substance that alleviates and progressively removes errors and injuries, and this Love energy is the only substance that permanently brings about harmony and health for our soul which subsequently brings about health to our spirit body and physical body.

Earnestly pray for, ask for, and receive the Love from our Mother and Father, such Love will always be provided to those who ask for same – always!

CONSCIOUSNESS and EMOTIONS:

Consciousness = Soul Condition. One's Soul Condition is equal to the average of all of the held emotions. Soul condition is the sum total of all of the different emotions, desires, passions, etc., all wrapped up together in terms of how much love there is in every one of those.

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.
 A calibration increase of 1 point is in fact a 10 fold increase in energy.
 A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.
 Thus the energy differentials are in fact enormous!

NATURAL LOVE or HUMANITY's ERRONEOUS EMOTIONS:

Your soul, being your real you, is an emotional being. Your soul, though a thought of God, does not possess anything of the divine within it. It existed in a state of bliss, in a natural love state, pending individualisation which is achieved at conception which is the time of incarnation. Your soul is endowed with natural love emotions noted within the top section of the Map of Consciousness scale, being those emotions calibrating above 200.

Humanity's erroneous emotions are those calibrating below 200 on the Map of Consciousness. The environment around a newly conceived child progressively degrades the condition of that child's soul. When the child reaches about the age of 7, the child's soul condition will reflect the parent's condition. These negative emotions are like a crust around the pure soul it has within.

Debate and implement resolutions in due course.

Debate and implement resolutions with some degree of follow up generally needed.

Management supervision is generally necessary.

Cause no harm to others starts to emerge. Power overrides force.

Illness is developed by those man erroneous emotions that calibrate 200 and lower.

Armies around the world function on pride. Force is now dominant, not power.

Harm of others prevails, self interest prevails.

Totally self reliant, not God reliant.

Fear dominates all motivation.

Suicide is possible and probable.

At these levels, seriously harming others for even trivial events appears to be justifiable.

Poverty, unemployment, illness, etc., this is living hell on Earth.

Peace

Humanity that is above 500 on the Map of Consciousness scale is Feelings First orientated.

Conflict does not occur amongst these people. They engage with their soul based truths. Below 500 one is predominantly mind orientated!

Presently, humanity calibrates overall at around 212 and is engaged with their wayward, controlling, addicted minds. Through living feelings first with one's mind subordinated thereto, humanity will universally progress beyond conflict of any kind, particularly war.

The JOURNEY process for KIDS:

Junior Journey

Using The Journey with kids is a practical and effortless way to help children clear personal issues, liberate the innate genius within, allow natural abilities to shine and their spirits to soar. The results kids experience are as profound and deep as with adults attending The Journey Intensive programs.

Brandon's book – "The Journey for Kids – Liberating your Child's Shining Potential" is available in English language in the UK / Commonwealth and will shortly be released in other countries and languages.

The Junior Journey – a magical fun-filled day of transformation for children aged 8-11 years.

- Empowering confidence and self-esteem building exercises
- Creative and healing visualisations
- Guided and inspiring kids' meditations
- Individual one-on-one Kids' Journeys with experienced trainers
- 'Before' and 'After' paintings expressing the children's emotions
- Uplifting singing, dancing and play-acting with dynamic instruction

Journeywork with kids is currently being case-studied in the South African school system with the results being monitored by the University of Durban under the supervision of the Ministry of Education. Our joint goal is to include Journeywork as part of the scholastic curriculum in South Africa.

Give your child the gift!

Liberating Kids' Shining Potential

At this fun-filled interactive one day workshop, you'll learn specific skills and techniques that will enable you to facilitate a child in freeing their boundless potential! The skills that you will learn are easy, practical and can be used in all sorts of real-life situations, from dealing with emotional upsets and traumas, separation and divorce, school and learning difficulties, to handling behavioural problems and even coping healthily with death and bereavement. You will leave confident to help and facilitate any child.

The Journey Pilot Programme in Schools in Kwa-Zulu Natal – South Africa:

The Journey Pilot Programme in Schools began with one school teacher in one school. Jayshree Mannie, who is now the Ambassador for Journey Outreach South Africa, is an accredited Journey therapist. As a teacher, Jayshree knew that the children in her class could benefit from the Journey as much as she did. She developed a method for the whole class to undergo the Journey process one on one and in a group. Her love for children gave birth to an informal pilot study. She kept detailed notes on all the students in her classes. One class received a Journey process every week. One class received occasional Journeywork and the other class did not undergo any Journeywork at all.

The results were astounding! At the end of the year, the class who received no Journeywork at all were averaging a 67% pass rate. Those who underwent occasional Journeywork were averaging 76% pass rate and those who received regular journeys – once a week – were averaging an amazing 91% to 93% pass rate. By clearing out their emotional issues, the children had more energy and attention to let their own natural potential shine through, and it was reflecting in their academic results!

Obviously, with results like these, the Journey in South Africa has been keen to take Journeys in the Classroom further. Thankfully, The Journey administration's negotiations with the Kwa-Zulu Natal Education Department have proved successful. Not one, but three successive ministers for Education have embraced the Journey process, with Mr Narend Singh opening a public Journey Workshop and the launch of the Journey Pilot Programme in Schools in March with an inspiring speech about the need for approaches like the Journey in South African schools.

Since March, forty school teachers from eight schools have attended a training programme to empower them to use the Journey in their classroom. The pilot schools represent a broad cross-section of South African children and is being undertaken in partnership with the Department of Education Kwazulu Natal. Statisticians from the University of KZN, Dr. N.Gopal, will monitor and analyse the statistical results of the programme. If, at the end of year, the same or similar results are achieved in the pilot schools, the Minister has said that he hopes to implement the program in the whole of Kwa-Zulu Natal.

Japisa Mali, Head of Psychological Services, Gauteng Department of Education, has attended the Journey Intensive in March 2004 with Brandon Bays and has embraced this programme wholeheartedly. Japisa says, "I have found peace that no one can take from me – I am motivating it to be part of all school programmes – and for my colleagues and government ministers to come and experience it for themselves."

With the vision and assistance of Japisa, Gauteng will soon be a part of the Journey Programme which is revolutionising the face of education in Kwazulu Natal.

And it is not just about academic results. When we visited one of the Pilot Schools to meet the teachers who had begun the Journey training, the deputy principal began introducing us to some of the children whose progress they would be documenting. “This boy watched his dad being shot dead in front of him,” he said, “This girl was raped when she was nine”. “These twins are homeless.” The stories went on. The difference that the Journey can make to these children, helping them to clear out their pain and get on with their lives, is enormous.

And, seven weeks into the programme, the results thus far have been amazing! The educators are astounded at the power of the Journey in the classroom. “The learners are shining like diamonds!” said one teacher. Another went on to explain how deep emotions which were holding them back previously, were being released which empowered the children and “made them feel lighter and happier.” Yet another school, which had many discipline problems, is now using the Journey as a form of alternative discipline.

One courageous school invited all the parents to a school meeting to explain the programme the children would be involved in and then the educators decided to take the parents on a Journey! 120 initially dubious parents went through a Journey group session and the educators were brought to their knees to see the pain in the parents themselves. Thirty minutes later, the understanding of the programme was clearer and the parents unanimously decided to “go for it!”

To sum up the education programme, as one little girl of 9, Sanelesiwe said “I want to help my country be a diamond because I am a diamond. See, I am shining!”

It is our fervent prayer that the Journey helps children liberate their shining potential across the globe! Hence, South Africa is creating a blueprint for the rest of the world.

WE are to LIVE BY and EXPRESS OUR TRULY LOVING SOUL BASED FEELINGS:

We arrive into the physical world (at conception) with a pure, free personality and a soul based will that are to be truly and fully expressed. Unwittingly, our carers, namely our mother and father and those close by, set about remodelling our individuality. That is, they shut our personality and self expression down. The result of this is traumatic. This is reflected through our physical body. This childhood suppression is what brings about all of our pains, illnesses and mental disturbances. Only by embracing our emotional pain and injuries, either good or bad, and longing for the truth of them, and expressing them (talking) through these experiences to a companion, can we release these dreadful encrustments suffocating our true selves and liberate our personality, being our soul. We are to follow our passions and heart felt desires and to live true to ourselves, this is how our Heavenly Parents know us as and this is what we need to return to so that we can find our way home to Them.

ACCEPT YOUR FEELINGS, SEE THE TRUTH, ACCEPT YOUR FEELINGS:

Feeling bad will make you feel BETTER – Eventually! by James Moncrief

We are to follow our soul based feelings which are always true and loving, not our mind which is tainted by our childhood upbringing.

“My parents stopped me and I took over from them. Well I don’t want that way of life – their way – to be my way any longer.

“Saving yourself comes from the full and true liberation of all your denied feelings. Saving yourself comes from the full and true acceptance of yourself. Saving yourself comes from wanting to find the whole truth of yourself through your feelings, both good and bad. Saving yourself is re-connecting with your feelings and your heart of truth, thereby allowing your soul to freely express its personality – all that you are – in Creation. Saving yourself is learning how to unconditionally love yourself by freely, fully and unconditionally accepting all that you feel.

“By denying any part of ourself we are denying ourself life. We are sending ourself off into the nothing, shutting ourself away in a cupboard, not wanting to hear.

“There is a right way to express oneself. There are universal laws that determine how you do it. And when you do, then you function properly from your inner most levels, from your soul out to the physical. Everything flows and works properly for you, and you are able to express and communicate yourself properly to another person all the while honouring your will and there’s. Anything that isn’t right is a will-infringement and so rebelling against the universal laws which has a detrimental effect on you and the other person. And it will one day have to be fixed, because if we want to live truly in Creation then we need to live within, and so true to, the laws of Creation. And as you’ll discover, the laws are the truth, meaning the laws are expressed as truth, so as you grow in truth then naturally you’ll become more perfect, existing correctly within the laws of Creation.

“So if you want to express all you feel truly now with whomever you are relating to, as well as all nature and God, then you will have to heal all that’s untrue within you, hence the need to look back into your early childhood to see where you’ve transgressed the universal laws because of the negative, unloving parenting you received.”

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU
FEEL, THINK AND ARE.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

Feeling bad is Good! It's okay to feel bad.

Feeling bad is good.
 Feeling bad is GOOD!
 It's not bad to feel bad – it's good.

FEELING BAD IS GOOD!
 Very good!!!

And feeling really bad is also good.
 And feeling worse is even better.
 It's all very good!

It's okay to feel bad.
 Bad feelings are okay.
 It's good to feel bad.
 Bad feelings are GOOD!

It's good to feel bad about feeling bad.
 Your bad feelings are YOUR feelings.
 YOUR bad feelings have a right.
 A right to exist.
 A right for you to feel them.

Your bad feelings are a part of you.
 Bad feelings are good and they are your feelings!
 ACCEPT THEM!

It's okay to feel bad, there is nothing wrong with feeling bad.
 You might not like feeling bad, but it's okay to feel bad.
 You are allowed to feel bad. Give yourself permission to feel bad.
 Bad feelings shouldn't be dismissed.
 Bad feelings already feel unwanted, why make them feel more rejected?
 You are your bad feelings – if you reject them, you are rejecting yourself.
 Why are you rejecting yourself? Why are you rejecting your bad feelings?
 Is this how you want to live – rejecting a natural part of yourself?
 Is this how you want to live, rejecting your bad feelings?

Feeling bad is normal. We all feel bad. We all feel bad a lot of the time, even if we won't admit it, or even if we're not aware of it.
 There are many bad feelings, all sorts of different bad feelings, and they are a normal part of you – of everyday life.

Bad feelings – your bad feelings – are to be welcomed. Bad feelings are to be wanted. Bad feelings are to be accepted.
Bad feelings are to be loved.

If you ignore or deny or dismiss or reject your bad feelings, what are you really doing? Denying, dismissing, rejecting yourself. Is this what you want to do? Because if you do, you'll only make yourself feel even worse.

You are your bad feelings – Your bad feelings are you.
Bad feelings have just as much right to life as good feelings.

Be true to your bad feelings – acknowledge, honour and accept them!
Accept your feelings.
Accept yourself.

So Remember:

Feeling bad is Good!
Accept your bad feelings.

The full acceptance of your bad feelings, and the seeing of the truth they are trying to show you, comes from having expressed – spoken – about them. And speaking about them to someone who cares about you: a friend.

As you vent your feelings, the pent up ‘bad’ energy goes, often leaving you with the understanding of what they are all about: why you are feeling them. And once you understand and know this truth, then you are healed and free of them.

As young children we were all stopped from freely and fully expressing all our bad feelings. Things were done to us, we were forced to behave in ways we didn't want to, all of which made us feel bad. But we couldn't complain about how unjustly we were being treated. We tried, but often only to be met with harsher rejection treatment.

As adults we still have all this bad treatment going on within us. We formed patterns when we were young based around all the negative unloving parenting we had. And now being unconscious of these patterns we still (also unconsciously) expect bad things to happen to us to make us feel bad – and to feel just as bad as we did back then. And so bad things do happen. And we do feel bad.

So as an adult, we are experiencing life in the moment now as the adult, together with all we felt back when we were young, only we are unaware of it. Something will make us feel bad, and on the surface of it we might know why we are feeling bad, yet underneath, deeper within us, it will key into and trigger repressed bad feelings making us feel even worse in the situation than we might have otherwise felt.

So in doing our Feeling-Healing: healing our repressed childhood bad feelings through the feeling experiences of our current adult life, we need to use every bad feeling to help take us back 'down' inside ourselves, to connect with what made us feel the same bad feeling when we were young.

We are our bad feelings, and like them, WE ARE STILL WAITING TO BE HEARD.

The honouring, accepting and expressing of our bad feelings is our attempt to speak up and finally be listened to: to be accepted and loved – not rejected. And as an adult we can now do this, whereas, a child we could not.

And so if you no longer want to feel bad then through complete self-acceptance is the ONLY way to heal yourself – allowing yourself to feel as bad as you do feel. If you don't feel good about anything in your life or about anything to do with yourself – if you have one bad feeling at all, that feeling or bad thing will somehow be connected all the way through you to your early childhood. And so simply, if you feel bad about anything, if you are sick or don't like any aspect of yourself or your life, it's all because of how you were treated during your early childhood, and it's still going on deep within you. Your childhood has ended but the resulting mental and will patterns that dictate to a high degree your emotional and feeling state are all still in existence, still unconsciously controlling you. And because you are denying yourself the knowledge of these patterns, so too are you denying yourself the resulting feelings from them – all your bad feelings.

When you see the truth, the whole truth of your negative self-denial state, then with your will you can stop living in rebellion against yourself and choose to live positively. And in that choice you are healed.

The aim of Feeling-Healing

The real aim of doing your feeling-healing is to perfect your relationship with yourself, with others, with nature, and in the end, with God.

Until we are living true to all our feelings and living wanting to grow in truth from our feeling experiences, we can't live a perfect relationship. If we live denying any part of our self we can't have true relationships.

Until we accept all of those parts of us we're denying, and understand why and how our denial came about, we can't live as our soul desires us to, as we have been created to live.

And when we do honour all our feelings and live the truth revealed by them, then naturally without any effort or mind control we'll just be perfect.

Many people try to seek God, try to understand the Greatest of all Mysteries before they try to understand themselves. We will never be able to understand or relate properly to God until we can understand and relate properly to ourselves. We come first. We have to learn how to fully honour and totally accept ourselves and then we can move out into the world and greater universe.

We are to be true to our soul by living true to our feelings.

To want to live true; true to how you feel, is to want to be perfect.
And your feelings are the way.

WE ARE KILLING OURSELVES! Chapter ‘Day 9’ of “Paul – City of Light” by James Moncrief

‘Humanity (us) has to learn about every aspect of life from behind the eight ball. It’s not only last in the race but it’s going in the wrong direction. It needs to stop. To come back, and not do what it doesn’t want to do. Listen to our feelings and try to see what they really are telling us and then try to act on them, try to honour them.

‘It will take time, but people will get the idea and start to look at themselves in a new light. We will start to see that we are dishonouring ourselves by dismissing our bad feelings and that we are actually doing ourselves great harm. And so we will need to stop and start to try and accept first of all that we do feel bad, and then having accepted that, we will then be able to move to see what we are feeling bad about, and then will naturally want to know why, right through to their core.

‘Humanity has practically tried everything else and look where it’s got itself, nowhere much. Is anyone really and honestly truly happy and if they say they are, is it true happiness and are they sure they’re not deceiving themselves?

We bring about illness within our physical body by not expressing and releasing our childhood injuries.

‘We all have felt that angry during our childhood. We can’t feel more than we felt during our childhood whilst we are in our negative mind state. We have not been allowed to remember it, we have been forced to repress it. Look what it takes for it to re-surface within you, when you try, it has to force its way up through you and look at the effect it has on you. How bad it makes you feel.

‘That’s what it will take often times to break down our resisting mind circuits, and resisting beliefs. The bad times were real and had a huge impact on us, they greatly affected us, they brought about our whole negative mind, and our self-denial. And so we have to want to see it all, even if it threatens our relationship with our mother and father and all those who negatively influenced us as a young child, with extinction. This is the real core truth, what our relationship with our parents is really all about. This is the hard-core stuff, to see how it will make us feel.

‘It all happened to you so many years ago. In a sense we have already suffered the worst of it. But that entire trauma is still within us, it’s conditioning our lives. And it won’t go away. Just because on the surface our life might not have felt so bad particularly as we get older having more control of our life, even if occasionally we are angry, it doesn’t mean we are Happy Larry deeper down inside. And one day if we don’t acknowledge that anger it’s going to show, it’ll eat us away from the inside. We will go to the doctor and be diagnosed with cancer and be given horrendous treatment that will only make us feel worse than bringing up the anger that’s causing it all would. So what do you want to do? It’s always our choice, do it with God, and They will help walk us through it and heal it all, or do it by our self never knowing exactly what we are doing and why bad things are happening to us.’

WE are meant to grow up LIVING FULLY CONNECTED to our FEELINGS:

Humanity has always had an awareness and involvement with spirits, with life on the other side, because we are all heading that way, we all end up dying and becoming one of the spirits, and were humanity living rebellion-free, then nearly everyone would enjoy some level of spirit involvement either directly or indirectly, loving such an expansive awareness in life.

We are meant to grow up living fully connected with our feelings in our physical reality, and at the same time with full feeling awareness of spirits and life after death, because after all, God is the greatest Spirit of us all.

And so having an awareness and involvement with spirits can, and should, help us have more of an awareness with our Mother and Father. And it's not with just spirits, it's also with the angels who are with us all the time, and the nature spirits should we be open to them, and even higher spirits if we are to work with them, such as the Melchizedeks or Trinity Teacher Pairs. But mostly for those people involved with the Divine Love, it will be with the Celestials spirit group that is assigned to help them.

It is very important to understand that spirits and spirit life is meant to be part of life on Earth. However that's not to say everyone needs to have an ongoing relationship with their spirit friends, but they can at least still be aware of spirits and spirit life and where we will be going and something about what to expect once we die. And when you are open to it, lessening the grip of one's fears about it, then we will find it will be just another aspect or level of life, and one that can give us quite a lot of comfort.

TRUTH LOVING SOUL V ERROR INFLICTED MIND

**Feeling
Healing with
Divine Love is
the key!**

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Pole Shift

Pole Shifts are our own very personal life experiences. They are as dramatic as the physical pole shifts that the planet Earth endures from time to time. However, our own life events are far more important.

At the moment of conception we are in a perfect state. From the moment of conception we are overwhelmed by the well meaning endeavours of our parents, immediate family and carers. They do not know what *true* love is, they have never experienced it, so we are not *truly* loved by our carers and teachers. We are crunched into submission by everyone within our environment. Our Natural Self Expression is all but obliterated! We are crunched into being someone else that others impose upon us. We are made into 'bad apples'. We proceed through our life experience, after our parents' well meaning but misguided endeavours, and have this falsehood strengthened by our educators, then our religious organisations, then our employers, all overseen by our governments. We have no way of expressing our true selves.

Now, for the first time in the history of humanity, we can reverse our early Childhood Repression and Suppression and invoke our own counter Pole Shift. We can begin to liberate ourselves from our imprisonment within our mind that was imposed upon us from conception to around six years of age.

We can, through our Feeling Healing, embrace our feelings, both good and bad, long for the truth of what is to be revealed to us about such emotional events, and express such revelations to a companion and begin the climb of the pole to Natural Self Expression of our true personality. The task is painful, long and arduous; however, we are to liberate our true nature, our true selves of natural love, and in this way we will grow to be who we truly are, a child of our Heavenly Parents – and with Their Love, we can become Divine.

This is the Pole Shift that all of humanity is to engage with and grow from. This is the Great U-Turn.

"It's always "Stay, Sit, Fetch ... same old shit ... control, control, control – always more damn CONTROL!"

"I tell you mate, if I am told to: Stay, Sit, Fetch, one more time, then that's it! I will do something really bad. I'll rebel. I won't do as I'm told! I want my freedom!!!"

On the WINGS of a BUTTERFLY: No 12, Traveller, an immortal journey, via Zara and Nicholas

Once upon a time there was a butterfly sitting with closed wings in a person's heart. This butterfly had been sitting with wings closed for a long time. The person couldn't figure out why they always felt a little sad. One day, this person asked another person why they feel sad. The response happened quickly and the person didn't like the response. It was said that perhaps your soul is sad. Several days passed and soon that person found themselves sitting by the sea. The sea has great longing to it. As the sun shone on a late spring day, the person thought about their soul and that perhaps, the person's remark was true, and that this person was a messenger of some sort. Suddenly a breeze swept through the beach and the person heard a distinct voice speak directly to him! The voice said, "Let your soul breathe in Divine Love." That was all the voice said.

The person didn't know what the Divine Love was or where it was, but now the sadness had greater longing so the person decided to breathe in the Divine Love and just like that – the closed wings of the butterfly opened and the person's sadness started to dissolve. Happiness will be mine the person thought upon feeling the Love and this will take time for me to learn how to live such happiness.

Never again, in the heart of that person, did the butterfly close its wings.

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on themselves and doing their Healing.

Feeling Bad? Bad feelings are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.
