# INFRASTRUCTURE Nationwide

Two overarching points are paramount to be clearly understood and defined:

20 October 2023

1. Know the community and its needs as it is today.
2. Crystallise goals and then set thresholds and timelines to deliver and fulfil these needs.

Nothing is achieved without education. Through education everything may and is delivered.

Infrastructure delivery involvement requires continuous review and with ongoing spontaneous enhancement. This is a lifelong marriage of nurturing and growth for all concerned – project by project. It is above politics. It is so far beyond and above politics that for the first time it is the people that are to have their say and be heard, having a guiding hand.

Even though the major elements of Infrastructure Nationwide maybe projects focusing upon transport, water, communications, energy, social and economic infrastructure and the prioritising of same, this is a holistic road mapping taking in every aspect of life and living within the nation, considering community by community. Projects of all sizes become integral parts of the whole agenda. Nothing can nor should be excluded, from the Boy Scouts Hall in a remote area to a major International Airport – all are integral.

Even before we commence to deal with the Pascas WorldCare recognised Hierarchy of Needs based on Maslow's Theory, the psychic nature of the people of the nation, of the people's themselves, and the unique communities forming the nation are to be understood, mapped and each one have their issues and needs road mapped. Coupled with psychic nature are the many psychic barriers, both nationwide and community – it being the latter that brings about gaps within the wellbeing of the population.

Then the security of the people – not military – are to be considered, prioritised and then addressed with long term objectives with short, medium and staged milestones. This is nation building with the people front and centre. Security of supply is of national importance in this great time of change. Disruptions to world trade are inevitable as we enter an era of nationalism and now apparent 'insanity'.

What is mostly overlooked in nationwide planning are the social issues, demographic trends, population structures in the formulation of the direction infrastructure and planning agendas that are to take communities and the nation.

Everything remains fluid and constant involvement is required on all fronts at all levels without boundaries and overview limitations. Put the children first and the consciousness of the people will evolve in a manner never being possible at any other time in the history of humanity!

Overarching all that is unfolding are the unseen actions to bring about the imposts of hidden controllers, whose influences have prevailed for centuries, to an end. Consequently, everything that has been considered as ‘normal’ is to be demolished and The New Way is to take its place.

Every institutionalised system and norm will be found to be suppressing all aspects and elements of society whilst covert agendas have been prevailing. Sciences are based on flawed assumptions, health services don’t heal, processed food is not nutritious, and education delivers zombies!

Most significantly are the structures that are successfully preventing people of all societies and creeds from evolving past 499 on Dr David Hawkins’ Map of Consciousness (MoC) scale. This is the crux of an ineffective health system, a judicial system that is unable to ‘rehabilitate’ its prison inmates and the core of all the social ills worldwide. Conflict and wars have prevailed since the beginning of time and until we embrace the changes that are now, right now, unfolding, war and conflicts will continue.

Literally no one is recognising that the multiple ‘assumptions’ that we each embrace daily is coupled with an adrenalin boost, our ego being tantalising rewarded through our ‘decision making’, only for us to ignore the outcome which is an error rate of 98% requiring reworking of what we have acted upon.

We will now find that all systems established around the world are structured to ‘divide and conquer’ us, creating little silos that oppose each other when holistic overview and collaboration is required.

Our education systems all fail as they are mind-centric thus perpetuating the hidden control that is now being dismantled but few understand that this is well and truly under way, unfolding in the background.

This is why all that we see around us is in apparent chaos with no comprehension or capacity to understand because controllers have ALL lost their silent guidance. We are now able to free ourselves from being imprisoned to live in and experience a hellish state that we each have been seduced into.

This is the time of the biggest change to impact upon all of Earth’s humanity in all of its history!

No planning for any society or segment of society can effectively be undertaken without taking into consideration every aspect of its people – from the smallest segment to the nation overall. The purpose of this introduction is to reset the scope of understandings required before commencement of planning.

Presently, almost no one has any comprehension or understanding of what is required. That is why all the background material has been assembled on [www.pascashealth.com](http://www.pascashealth.com) in the Library Download page, click on the subjects that take your interest and the documents will open for you.

Aspiring to Live Feelings First

# **PSYCHIC BARRIERS to CHANGE!**

**To put it succinctly:**

**We have been driven, generation after generation, to embrace our minds to the point that we blindly worship our minds, due to the fact that high level spirit controllers considered we would fall to their coercion.**

**Our minds are addicted to:**

**Control over others;**

**Control over our environment.**

**That males are now addicted to having females subservient to their control.**

**That our minds cannot differentiate Truth from Falsehood.**

**That our minds are addicted to untruth and that 'fake news' and propaganda will be believed by a gullible, subservient audience.**

**That consequently, the sheeple will march to war without questioning.**

**So, financial gain for the few hidden controllers is the trigger for never ending wars, if they cannot enslave nations through debt by other means!**

**We, here on Earth, live in a physical HELL!**

## One Cause – One Pathway

### **simple is what LIFE is meant to be!**

Amazingly, it has not been previously understood that should we heal ourselves of what we each have taken on of the Rebellion and Default via our Childhood Suppression being experienced throughout our childhood formative years, such healing being through Feeling Healing, then we would no longer need to experience physical discomfort, pain, disease or any illness.

Sickness comes about in its diverse forms to draw our attention to our emotional injuries and errors of belief. Once we fully heal ourselves then we no longer need to experience illness! Feeling Healing is the only pathway!

The extreme diversity in the forms of illness is of a direct reflection of the diversity of our personalities and the suppressive environments we each have experienced.

It is only upon completion of our Feeling Healing that such propensity for physical health arises.

However, now it can be understood why allopathic medicine, traditional medicine and all other health systems do not bring about a cure. That is because the underlying cause has not been previously recognised and consequently it is never addressed.

To engage in living Feelings First and then to embrace Feeling Healing is addressing our Childhood Suppression as well as our ongoing Repression that continues throughout all of our life. Further, by also embracing Divine Love we are also Soul Healing and thus fitting ourselves to become of Celestial Soul Condition which we can do while living in the physical on Earth.

Humanity, over many thousands of years, has progressively gone deeper and deeper into wrongness through living mind-centric. We have always taken the wrong option – our choices have always deepened our suppression of our truth and personality.

By embracing The New Way, living Feelings First, humanity will begin to resolve the social ills that prevail throughout all societies. Progressively the circumstances for world peace will arise.

## NEW ECONOMICS – CONTRACTION!

**The Coming Disorder | Peter Zeihan – notes mostly from:**

[https://fb.watch/nO8Mb\\_dIzv/](https://fb.watch/nO8Mb_dIzv/)

<https://www.youtube.com/watch?v=BHZvYgBeIO8>

The disorder of world trade – presently any country can access world markets. Many do so without guarding any aspect of its supply chains and even its borders. Everyone can play the game of economic and social development. Economic restraints relate to a nations topographic advantages or disadvantages. Be the topographical layout be conducive or unfavourable – efficient use of resources sets priorities.

If capital is available and affordable then more is potentially possible. Lands with lowest development costs being prioritised. Feasibility restrains development. The great surge in money / capital supply has been the driver of never before possibilities of development.

The aging boomer generation produced so much excess capital that the lines of development of industrialisation have moved a lot, lot further back. This high injection of capital is finding it hard to generate high returns – thus this capital is surging into any opportunity it can find. However, the boomer boom is an apparition!

Many projects that made scant economic sense but because capital has been so cheap and demand so strong, they have been attacked with gusto. The last 70 years have been incredible – but the trend that we have witnessed and enjoyed are nevertheless temporary and are nearly over – but not quite yet!

It is purely demographic. Those approaching retirement spend less. Then on retirement, income generation ends. 200 million boomers retirement ends global economic growth. There is nowhere to go but down. By 2024, 13 of the top 25 economic nations will join the ranks of the financially stressed. With over 90% of the developed world in that unfortunate basket, the availability of credit and capital will plummet. Countries having younger populations are not providers of capital to the rest of the world. None of the developing countries are at a highly industrialised state for providing savings for large scale capital projects.

The future is clearly bleak as it is readily visible.

Aging demographics will suddenly contract credit availability to the levels not seen since the 1970s. Interest and mortgage rates may climb into the teens in the developed world and higher in the developing world. Consumer activity will plunge due to the lower volumes of the 20s and 30s somethings together with the impost of sharply higher credit costs. Look at housing costs on forming families worldwide!

While economies will contract, government's role in these will increase. The unrelenting surge in numbers of people in their sixties will dramatically increase government outlays in healthcare and pensions. Even with the dearth of the growth of the number of people in their 50s will lower government levels of tax take. At the same time as the rising need of governments to borrow combined with the lesser supply of capital to lend will drive government borrowing rates ever higher.

The rate of technological change will screech to a halt. Boomer retirement means fewer researchers, and above all, less capital. Fewer and smaller markets means less commercial impetus for technical advances. Higher government outlays on retirees plus fewer young people means fewer government dollars available for tertiary education, being education for people above school age. Everything from universities to corporate labs will slow.

By increasingly taxing an ever shrinking pool of workers and therefore enervating (draining the vitality) the economy. Most democracies are aging into gerontocracies (government by old people) thus making the divesting of wealth from the old unlikely. Lower standards of living will be on deck for most sectors of most societies.

The international economy will spasm and contract. The loss of developed world's capital as well as the loss of the world's consuming demographics will force harsh decisions upon every economic entity whether they be state or private across the world. Consumption of both raw products and consumer goods will plummet. Countries who are dependent upon exports will suffer immeasurably.

The shipment of commodities will no longer be a risk free venture due to lower military presence. Between higher capital costs and higher insurance costs, lower value producers will have a relative secure position in the market. And that assumes that they or their clients are able to guarantee passage. The stage will be set for lower and erratic supply of industrial commodities but not necessarily at lower price points. Overwhelming will be American power by its absence!

The pain will be direct and permanent. Areas that we perceive as calm will seethe (suppress anger) as countries struggle for resources, capital and markets. For countries that cannot secure supply, regardless of means, there is more than a minor possibility that they may simply fall out of the modern world altogether.

Consider the degree of economic interdependence that globalised trade requires – commodities, cheap credit and free security for movement of products to generate the current world economy.

Of the 30 odd European countries, all are industrialised, but only one, Norway, is self-sufficient in oil and natural gas. Europe won't be facing starvation but the concept of affordable electricity for all and cars on the road will fade in more than a few places. In contrast, the Middle East can produce energy but all of it risks famine. Of the 20 odd Middle East countries, none are industrialised bar Israel – but even Israel is remotely self-sufficient in food stuffs. Each Asian state has tried mightily to retain self-sufficiency in rice. All save Malaysia have broadly succeeded but few can support their other food needs.

Many countries import more than half of their grain needs. All of these areas stand to be hard hit in the coming years.

World population has quadrupled during the 20<sup>th</sup> century (1900 – 1.6 billion, 2000 – 6.15 billion, 2023 – 8.1 billion). The green revolution (vegetation) can only continue if irrigation continues to operate and fertilisers continue to be supplied. Humanity is yet to wake up that carbon dioxide (CO<sup>2</sup>) is a natural fertiliser and has contributed to the growth of food supply to around 30% of the increased crop production. Due to the previously dangerously low levels of CO<sup>2</sup> in the atmosphere increasing from 0.034% to 0.042%, worldwide food shortages were avoided. A level of 0.100% CO<sup>2</sup> would be considered close to optimum. CO<sup>2</sup> levels below 0.025% plants begin to have difficulty in seeding. When CO<sup>2</sup> levels fall even lower then worldwide famine unfolds. The worldwide extinction of the dinosaurs was due to famine induced by lack of CO<sup>2</sup> in the atmosphere. CO<sup>2</sup> is not a greenhouse gas!

Infrastructure planning must take into focus all the changes evolving worldwide and anticipate a severe contraction of world trade and standard of perceived living. The way we are to live is to change dramatically and this does not mean that past measures of standards continue to be valid as they are already not. It is through learning by doing, discovering truth and evolving consciously beyond levels never considered possible previously through revelations now being shared that our quality of life will achieve profound levels of possibilities without the restraints and hellish difficulties that we all now live under and through. Resist these coming changes and life will be 'hell' – or embrace THE NEW WAY and evolve and bloom!

So, now what is the infrastructure plan?

And all socio and economic factors apply.

This outline of the Map of Consciousness spells out the fact that while we live Mind-Centric and ignore and suppress our Feelings we cannot pass 499 MoC. Our mind being in control, as we have all been indoctrinated to live, is a glass ceiling. Humanity cannot heal anything, cannot be spontaneous, has no intuitiveness, and is locked into living in the deep hell states. This is why people find themselves in abusive homes, domestic violence, housing stress, homelessness and gross difficulties of all kinds. This is why we are easily manipulated, embrace propaganda and are being controlled by a few.

Women are closer to their feelings and that is why the nursing profession hosts a lot of women who calibrate a little over 500. These women are the healers in hospitals.

By aspiring to live Feelings First we are each breaking the glass ceiling and opening our potentials to grow in truth and love not only to 1,000 MoC, but to infinity. This is our destiny.

As communities embrace living Feelings First and having their minds to follow in supporting what their feelings are guiding them with, then ALL of the social ills of society will begin to mitigate. Please, do you comprehend the importance of what is being shared throughout this document?

# **A Nation's Persona ! National Psychic Barrier**

**our MIND is a CONTROL ADDICT!  
our MIND is addicted to UNTRUTH!  
our MIND cannot discern TRUTH!**

**our MIND is within our SPIRIT BODY  
and orchestrates our physical BRAIN.**

**ASSUMPTIONS are the product of our MIND!**

Consider this! For generations, parents have coerced their children to 'develop their minds', to embrace their minds in every aspect of their living, to reject their feelings at all times, to literally worship their minds to the detriment of their feelings.

This is also the mantra of the nation's education system.

The world is now experiencing the

product of this ideology. They are seeing a nation of people demonstrating an ego and arrogance that is a combination of the "dark" traits of narcissism, psychopathy, and aggression. This arrogance is essentially believing that they are better, smarter, or more important than other people. They are being superior, overbearing, self-entitled, and presumptuous.

They are closed off to considering they could be wrong. Closed-mindedness and stubbornness mean many arrogant people won't negotiate or back down. In their mind, your options are to accept what they say or suffer the consequences.

Arrogant people lack the skill of self-awareness to objectively question or evaluate their own qualities, actions, and feelings. Without the ability to truly see themselves, they find it difficult to change unhealthy or destructive behaviour.

Compassion and understanding can be seen as weaknesses of an arrogant person. That's because displaying these characteristics actually takes incredible inner strength which arrogant people struggle with.

They remain imprisoned in their mind centricity until they open to their feelings, their soul-based feelings that are always in truth. Until they do so, their national social issues will slowly destroy their society and civilisation.

The situation is leading to civil tension and potential internal conflict. Their health system is lacking, the education curriculum is restricting student development, and the nation is disillusioned with its own self-importance. However, for those who open to their feelings, their future will be incredible.

**our SOUL is our TRUTH!  
our FEELINGS are our TRUTH!  
FEELINGS FIRST, mind to follow!**

**all we need is WITHIN.  
our MIND suppresses FEELINGS.**

# Purpose of Life

Purpose of our life is to:

Achieve individualisation. This is truly the moment of our sentient experience beginning. This occurs at the moment of incarnation which is when our newly forming foetus begins to pump blood, usually day 16 after conception. From that moment we are beginning to experience life.

We have a life purpose. We are each a unique personality with individual propensities to experience. Should our physical life be cut short then we will go on and have the experiences that we need in the 1<sup>st</sup> spirit Mansion World. If we miscarry or are aborted then we will become spirit born, be adopted to spirit parents and have a similar life to that should we have gone on and lived on Earth.

Presently we are each subjected to Childhood Suppression which we continue on throughout our lives suppressing our feelings and our true personality. This is providing us with unique life experiences as this does not typically occur with any other humanities throughout the universes. Our physical life on Earth is mostly very difficult, however this will provide each of us with unique capabilities to aid newly emerging humanities on worlds further out into space. Yes, we have an enormous journey to enjoy.

Our time of death is predetermined. We often do crazy things – but our life span is predetermined.

What we experience is also predetermined. A few are to be wealthy and become burdened with responsibility. Many are to be poor and enjoy the freedom without trappings of assets and obligations.

Most will have families while on Earth. No matter who we are, we will each parent at least three children before we can enter the first of the Celestial Heavens. We are to experience parenting, even though that may be when we are in the spirit Mansion Worlds.

We are to live FEELINGS FIRST! We are to express our feelings, both good and bad, to a companion. We are to long / ask for the truth of what our feelings are drawing to our attention. What enters emotionally needs to be expressed emotionally. Should we long for our Heavenly Mother and Father's Love, then we are also SOUL HEALING. Our mind is to follow supporting what our feelings are leading us to embrace – this is the opposite as to how we have been brought up to live.

*It's all about*  
**Experiences**  
 &  
**FEELINGS**

As we complete our FEELING HEALING, then and only then can we connect with our Soul Partner who is always of the opposite sex. Our soul is a duplex that manifests two personalities. And we can grow to interact with our Nature Spirits and Spirit Guides!

**BE FEELINGS**  
**EXPRESSIVE!**

**SOME NUMBERS:**

Currently, each year we have:

- 130 million live births
- 44 million abortions
- 50 million or so miscarriages

224 million conceptions / incarnations per annum.

6.5 million child deaths per annum. About 5% of those born do not make adulthood.

123.5 million of those incarnated make it to adulthood.

55% of those incarnated make it to adulthood.

45% of those incarnated do not have an adulthood life experience.

Natural love and divine love, and indeed soulmate love are quite different energies. Soulmate love is not natural sexual love. Soulmate love is the only natural love that matures and continues with us into the Celestial Realms being beyond the 8<sup>th</sup> sphere.

Just to step back a little to the above statistics. For each abortion there are at least two adults involved. As there are 44 million abortions each year, then 88 million adults may be involved in that process. That indicates that two out of every three live births, that is 66% of adults, become participants in abortion.

Further, the number of reported abortions are an under estimation of actual events.

<b>Global estimates of INDUCED ABORTIONS:</b>			
	<b>1995</b>	<b>2003</b>	<b>2008</b>

**Over one million people die by suicide every year.**  
**There are an estimated 10 to 20 million non-fatal attempted suicides every year worldwide.**  
<http://en.m.wikipedia.org/wiki/Suicide>

**DEATHS worldwide per annum: 60,000,000**  
**Pollution causes about 40% of deaths worldwide, i.e., are caused by water, air and soil pollution.**  
<http://www.sciencedaily.com/releases/2007/08/070813162438.htm>

**The demonstration of love for children is apparent in as much as nearly one half of all conceived children do not survive early childhood due to the lack of love coming from their parents. Further, it is the emotional injuries and erroneous beliefs of parents that directly impede the circulation of soul light through the spirit body of the foetus and the physical foetus thus distortions occur in the energy circulation bringing about deformations and illness in the newly emerging child. Miscarriage is a consequence of this function. We, as parents, bring upon the child all of its issues throughout its life due to our own lack of healing. This is why this curriculum for the awareness of Feeling Healing is being introduced! We NOW can address ALL of the social issues confronting humanity worldwide. These revelations have never been understood previously in their entirety as they now are.**

## Gaza hospital blast — 17 October 2023:

### What do we know about the hospital?

Founded 1882 and run by the Anglican church, **Al Ahli Arab Hospital** described itself on its website as "a haven of peace in the middle of one of the world's most troubled places". The hospital said it offered 80 beds with services such as a free programme to detect breast cancer, a centre for elderly women, and a mobile clinic offering free services to surrounding towns.

Although it had a limited number of beds, the hospital and others in Gaza have been crammed with casualties beyond their capacity since the start of Israeli air strikes launched in response to the 7 October 2023 Hamas attack on Israel.

As well as handling a surge in the number of wounded, people have also sought refuge in hospital grounds all over Gaza believing them to be safe havens against strikes. Dr Fadel Naim, head of orthopaedic surgery, said about 1,000 people were in Al Ahli Arab Hospital on Tuesday morning and more rushed there later in the day after he said the Israeli army had warned residents in the Zeitoun neighbourhood to evacuate their homes.

Dr Ibrahim Al-Naqa said more than 3,000 people had sought refuge at the hospital at the time of the strike. Dr Naim said he had finished one surgery and was about to start another when he heard a huge explosion. Dr Naqa said the blast took place at about 6.30 p.m. (1530 GMT) on Tuesday evening 17 October 2023 claiming maybe 500 lives being those mostly sheltering in the car park where the rocket hit.

The blame game starts: Most likely is that it was a misfired Hamas rocket. We have the Palestinians pressing for their rights. We have the newly formed state of Israel exerting a contrived right. We have the British that promoted the forming of a new state to be Israel relocating members of the "chosen race" to within the land of Arabs. And we have the USA Government under the influence of the Jewish community to fund and militarise the Israeli people.

Israel has cut off water, power, fuel, food, medicine and aid to Gaza!

ALL are responsible!

# Psychic Barriers

Little is considered of the uniqueness of psychic barriers attached to the people of each nation and consequently these covert controlling remnants are not addressed, let alone factored into planning.

**Corruption** is seen in other cultures without acknowledging the corruption throughout our own societies. We are highly critical of corruption in amongst our neighbours but ignore it at home.

Childhood Suppression and abuse is universal. We do not even tolerate university courses being offered so that society can begin to address Childhood Suppression! Ask yourself why.

A child is conceived calibrating close to 1,000 on Dr David R Hawkin's Map of Consciousness. By the time it is six years old, the child will calibrate at the level of one or the other parent! It is us as parents suppressing our children's true personality thus imposing upon our children all that ails ourselves. We are the virus that the child has. We impose our life pattern upon the child. We give our children all the diseases, illnesses, aches and pains that they go on to experience throughout their lives. We set into place their propensity to earn a living. We are the psychic barrier to growth in our own community.

There is no gap to close. The consciousness level of the parents is what needs to be addressed. The solution is the same worldwide. We now can deliver the required solutions!

We cringe at reports that 70% of girls are sexually molested before being adults. Well, the situation is much worse than that. 70% of that 70% are molested by their father and uncles! And that is worldwide!

Kindly look carefully at the two charts on the following page. The whole world has been 'surveyed'. We can break a country into its states, then cities, the city into its suburbs, the suburbs into housing blocks, etc. As long as there are precise maps then you can drill down to as small of an area as you please. Utilising kinesiology muscle testing with Dr David R Hawkins' Map of Consciousness then indicative calibrations can be readily determined before your coffee can go cold! It is a simple research tool.

We are to express our feelings, both good and bad, and seek, ask, yearn to know the truth behind what our feelings are drawing our attention to. We are truth seekers. Parents who embrace this way of living, living feelings first, also directly benefit their own children. In this way, communities will personally and directly 'close the gap'. They (we) have to do the work!

Should you kindly go to [www.pascashealth.com](http://www.pascashealth.com) and then Library Download page, scroll down a long way to Corporate Alliances, you can review Business Plans with Financial Feasibility studies for maybe a dozen nations. One's soul condition has a direct relationship with all facets of living. To grow and improve one's soul condition is the greatest gift one can give him or herself as it has universal benefits that last for eternity. This is achieved by embracing Feeling Healing through which we commence to repair the damage incurred by the Rebellion and Default that is passed down to us by our parents. Further, by embracing Divine Love with Feeling Healing we are doing our Soul Healing and progressing towards Celestial status.

Dr David R Hawkins' development of the Map of Consciousness (MoC) and research with kinesiology muscle testing observed the overall calibration of consciousness level of many countries. Developed economies are within the highest brackets. Civil unrest and wars are most frequent amongst those within the lowest brackets. Consider the average life expectancy and per capita income relative to the MoC calibration. Consider education as the crux of progress and development. Then review the above table for the rate of unemployment, rate of poverty, happiness rate 'life is okay' and rate of criminality.

## **EARTH'S HUMANITY 2023**

**Our children are expressions of love ... until we suppress their true personality and with it their expression of love ... we degrade our children's level of consciousness to that of our own, they become little ME's, they absorb our emotional injuries and errors of belief and we lock them into a life that is a full reflection of our unconsciousness**

**How could this be so?**

**Every year there are around 130 million live births. Every year there are around 45 million miscarriages, it takes two to bring about a conception and on the 16<sup>th</sup> day thereafter the heart starts pumping and we have a child that is fully incarnated. The embryo is always perfect. It is our emotional injuries flooding upon the newly forming child that overwhelms its ability to survive through to childbirth – it miscarries never to experience a physical existence.**

**Further, there are around 45 million abortions each year. As two people are involved, that represents two out of three people born that then go on to abort a child. That is a further demonstration of love – the lack of it.**

**There are 60 million girl babies missing in China. In birthing suites there have been buckets of water to address the arrival of a girl child. In India there are also 60 million girl babies missing – demonstrations of lack of love.**

**Presently, about 7,000,000 children are sexually abused every year in an Asian country (population 113 million). Frequently it is the children being raped by their father or uncles. These men usually are 30 to 40 year old, and do not have a stable job. The scenarios in other counties are similar.**

**This is as difficult to write as it is to read – there is no need to add to this.**

**NOW, we have the way to heal ourselves of this generational malaise and begin to bring our children into a world of love, support and freedom.**

**Please join with us and let us all hold hands and begin as small communities to embrace the grace and wisdom that has now been shared with us all so that the end of the hidden control and Rebellion and Default is removed from our lives and an era of peace and joy can begin to surface for future generations that all are to benefit from our humble beginnings.**

## ASSUMPTIONS and the MIND

Truth, until now, has been ‘rationalised’ by the mind. The mind cannot discern what truth is. The mind is addicted to untruth as well as control over the environment, others and the personality to which it is associated with – you and me!

My personal experience is that through the mind, assumptions are generally about 98% flawed and in error. The 2% accuracy is from flukes!

You may listen to endless ‘debates’ and discussions that may go on for hours and the mental hijinks are pathetically insane.

When you quietly sit there and use kinesiology muscle testing you can resolve what the answer to what is being debated in seconds – well minutes in some cases.

You may wonder why this is not generally known. Dr David R Hawkins published Power vs Force in 1995. Well, it does not suit people that want to keep secrets. Further, the process is free – you do not make a profit out of it!

What is true and what is false can be determined in seconds. You do not have to read the material, document, book or see the movie – you can calibrate the level of truth of anything in seconds. Not only can you determine if something is in truth or not true, but also the level of that truth. You can calibrate a book, then its chapters, then page by page, paragraph, line, whatever you feel is needed by you.

A few followed the secret process of the election of a pope for the Roman Catholic Church. They determined who the front runners were, what the elimination round of voting resolved, then down to the final two, who they were, then who won, and then who voted for him and who didn’t. They had answers before the black then white smoke came out of the chimney. It is not difficult, you can do it.

The focus here on ‘assumptions’ is that a great deal of what we live our lives by is based on assumptions. All of these assumptions can now be revisited and the restructuring that will follow will be all embracing.

We, as parents, were born into the Rebellion and Default, having no idea it existed or what it was about. The Rebellion and Default formally ended on 31 January 2018. We now understand that through suppressing our children's true personality, having them live through their minds rather than through their soul-based feelings, this suppression and repression practiced world-wide has induced universal depression. Only through Feeling Healing, longing for the truth behind all feelings, both good and bad, and expressing all that comes to us, will we free ourselves of these errors and heal ourselves. Vibrancy and truth is our destiny!

# Pathway Forward

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

**The Golden rule is: Never interfere with another's will.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Golden Rule: that one must always honour another's will as one honours one's own.**

**By living true to ourselves true to our feelings, we are living true to God. It's that simple.**

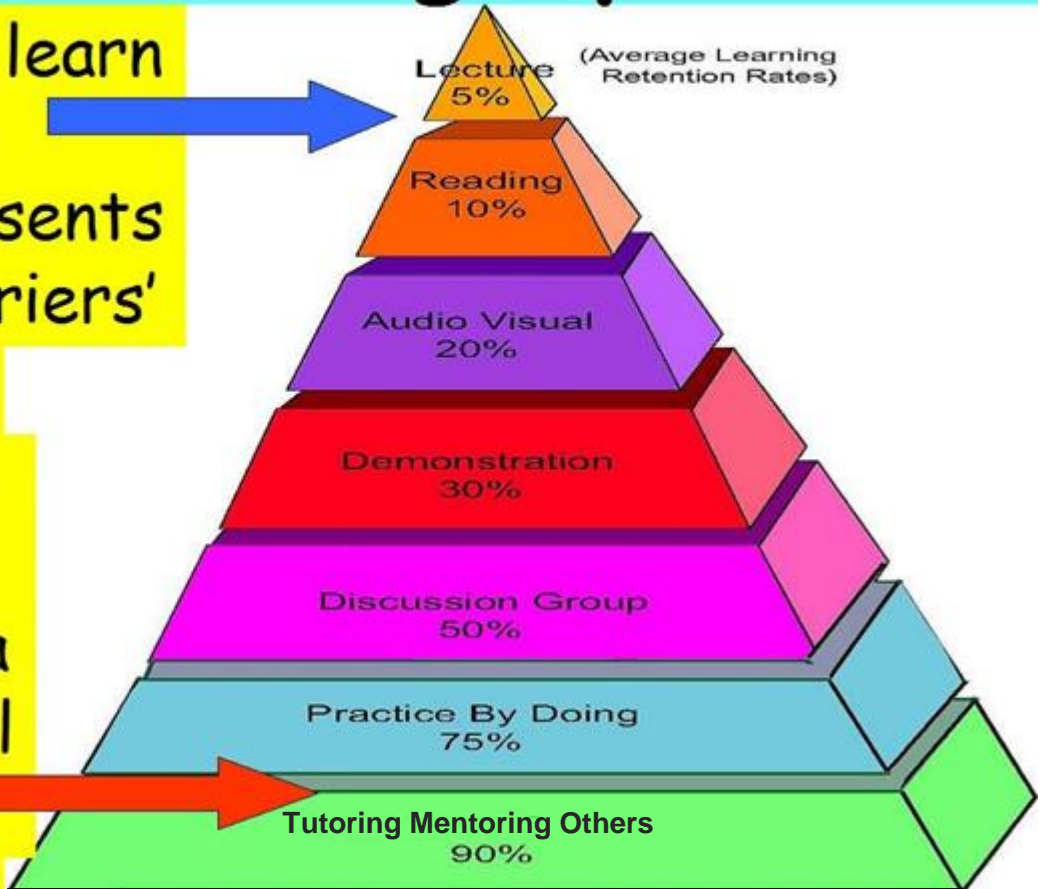

**We are to express our feelings, both good and bad, at all times, and to long for the truth of them.**

# Systems of Deception!

One person with unfettered and supreme control, a System Sovereign, has had aeons of time to passively and stealthfully impose upon his minions (us – you and me) a way of living that assures him, the arch hidden controller, that we would remain compliant and submissive to his begging. His extreme intelligence and consciousness is no match for us ascending mortals who arrive naively upon Earth with absolute dependence upon parents who have already capitulated – unknowingly – to his wily stealth.

The System Sovereign's goal was that we do not evolve, that we remain fearful of our true Heavenly Parents, that our true pathway for spiritual development is not revealed, that we live in a manner of servitude and ignorance through our minds believing that our submission to our minds will enable us to become all powerful and even mini-gods. When we transition into the spirit mind Mansion Worlds, we remain collectively his waiting army to fulfil his ambitions to expand his domain and territory. We have been well and truly screwed over through his imposed systems of:

- Parenting – unable to love our children due to lack of truth in what we are provided with.
- Education – minimalistic, having our minds unable to progress beyond reason – our minds are addicted to untruth and control of others including our environment.
- Health systems – ignorance of our spirit bodies and gross ignorance of underlying cause of illnesses which are through the lack of being loved. Our health systems cannot heal.
- Commercial systems – we become salary slaves with suppressive debt slavery resulting from the costs of education, housing, health services, transportation and necessities for survival.
- Political systems – that divide the community into camps and then deliver representation of only a portion of the population without candidates having necessary leadership skills and experience.
- Religions – there is only one truth. We are to live through our feelings – not our minds.

We have been led to live mind centric which is the pathway of all of nature except humanity which is with soul. We of humanity are to live feelings first with our minds to assist in implementing what our soul based feelings lead us to embrace. We are truth seekers and truth is to be found through feelings.

Higher level personalities than our System Sovereign have now taken on all of the evilness and wrongness of what these rebellious Lanonandek spirits have imposed upon us and have healed themselves of these injuries. Now all systems assembled during the Rebellion and Default, now ending, need to be rebuilt!

Our pathway to Paradise, the home of our Heavenly Mother and Father, is through living embracing our soul based feelings, living feelings first, to express what our feelings draw our attention to and to long for the truth of what our feelings are to show us – both good and bad.

A lady named Samantha found James Moncrief's writings on a website and commenced to engage in her Feeling Healing. This may have been in 2013. Samantha is like all of us, she is an ascending mortal. She has no specialness nor has she had any support other than James' writings on the internet. Samantha has been successful with her healing. She has been very successful. She has now written numerous books outlining her experiences so each and every one of us can follow her example. An ascending mortal, Samantha, has conquered all that the rebellious Lanonandeks, led by Lucifer, has imposed upon us. Samantha is the new mother of humanity in demonstrating to us how to embrace the one and only pathway home to our Heavenly Mother and Father.

## **LIVING MIND CENTRIC is SUBMITTING to RETARDATION and MEDIOCRITY**

Our mind is a wonderful instrument when it is used to implement what our feelings prompt us to embrace. However, our high level spiritual leaders prompted us all to believe that our potential would be found through our minds, so much so that we could become ‘mini-gods’ through the perfecting of our minds.

Our potential through mind centricity is 499 on Dr David R Hawkins’ Map of Consciousness (MoC) being the peak of Reason. This is also the peak of development of those who enter into the 1<sup>st</sup> spirit Mansion World where billions upon billions remain for aeons, blind to their entrapment to hidden controllers. Some further their mind perfection through their ongoing suppression of their feelings and progress blindly through the 2<sup>nd</sup> and 4<sup>th</sup> only to reach a dead end at the 6<sup>th</sup> spirit mind Mansion World, never getting out of the hells and entering the 1<sup>st</sup> of the Celestial Heavens. They eventually have to do a Great U-Turn and retrace their steps and then work through the 3<sup>rd</sup>, 5<sup>th</sup> and 7<sup>th</sup> spirit healing Mansion Worlds and then commence their progression through the Celestial Heavens living Feelings First.

Hidden controllers within the spirit worlds, for the past 200,000 years, have kept us in their enslavement as they understood that:

- Our minds are addicted to control, control of others and our environment.
- Our minds cannot discern truth from falsehood – thus easily led through our mind’s lack of discernment.
- Our minds are addicted to untruth – a global pandemic has demonstrated worldwide submission to a few through governmental dictates – conspiracy theories abound – nations can be easily led to war against others.
- Worshipping our minds, believing that when we ‘think’ that we discern truth when it is error, stagnates our progress, thus keeping us in submission. Education systems worldwide embrace this.
- Assumptions are the product of the mind, the error rate is around 98%. The doctrines of the Catholic Church demonstrate this to ‘perfection’.
- Feelings are our soul-based truth. Females are closer to feelings, so these hidden controllers had males make females subordinate to men. History reveals very few women leaders – look at the religious institutions.
- All religions are the product of the workings of these very same hidden controllers.
- These beliefs, patterns of living and norms are entrenched through generation after generation.
- We believe that **‘I had a pretty good upbringing’ in comparison to other people!**  
However:
  - Parents have NO understanding of Love.**
  - Parents have NO understanding of Law of Free Will.**
  - Parents have NO understanding of blocking emotions.**
  - Parents have NO understanding of causal / core emotions.**
- Hidden control has kept parents from knowing how to be loving true parents, consequently:

**Parents abandon Children emotionally!**

- And the Rebellion against God, love and truth has progressively evolved and intensified to the point that on 31 January 2018 intervention from even higher level spirits has formally ended the Universal Contract governing the Rebellion and Default of the rebellious Lanonandek spirits led by Lucifer who submitted to his female soul partner’s wily assertions.

# Childhood Suppression is the elephant in the room!

Suppressed Child

The underlying generator of all discomfort, pain, disease and illness is Childhood Suppression and ongoing Repression.

Feeling Healing is our only recovery and soul growth pathway.

It is that simple!

# Childhood Suppression

The soul does it all. The soul is a duplex, two personalities being manifested into the physical by our soul.

Soul light continually flows from the soul through our spirit body levels and into our physical.

Return light being the experiences of our physical existence.

## SOUL

Childhood suppression imposed upon us by our parents and carers causes retarded light to return to our soul bringing about imbalance, reflecting emotional injuries and errors of belief. This imbalance is the cause of all our difficulties throughout our adult life and also all of our health issues.

## SPIRIT BODY

Brennan Model of the 7 Levels of the Human Energy Field

Every experience is recorded through the light returning through our spirit body and back to our soul. What emotional injuries we experience, commencing from conception, has to be expressed emotionally to heal the imbalance in soul light so that harmony and health can be achieved in our spirit and physical bodies. Childhood Suppression is the underlying cause of disease, illness, etc.

# Childhood Suppression

Childhood Suppression – from conception to age six years – harmfully encrusts the soul, thus impeding light flow throughout all seven layers of the spirit body, damaging the genes within the spirit body which in turn damages the genes in the physical body, as well as setting the pattern for all of our physical health issues throughout our lives.

## SPRIT BODY Brennan Model of the 7 Levels of the Human Energy Field

The spirit etheric body is the template for our physical body, however, no health care system or science considers that the underlying cause of any health issues are formed through our Childhood Repression and that no physical healing occurs without expressing our childhood suppressions, being feelings both good and bad and then longing for the truth behind these injuries. Medicine may suppress the pain – it does not and cannot cure – vaccines are extreme physical suppressions!

**The pain from ANY illness will not exceed the pain experienced during our Childhood Suppression!**

## VILLAGE RAISING of a CHILD vs Corporate CHILD CARE

Governments may perceive that income generated (and their taxes) by parents while having their children ensconced in a corporate child care centre is beneficial for the nation. Please consider this:

- The child and children, when at child care centres, are being deprived of their direct interaction with a parent or both parents in the time of its life it needs them the most.
- Ask yourself, who hurt me the most when I was a child? Being abandoned is lifelong harm.
- Being abandoned is a crisis for a child that NEVER heals! Five minutes lost in a supermarket barely matches the trauma of being left all day amongst strangers at a child care centre.
- We say, the child will get over it – we even tell the child to get over it! It does not and WE do not.
- By suppressing the child's personality we are entombing it into a lifetime of trauma. We brush all this off because that is what our own parents did. Our life long dramas are consequently repeated by the child in its adult life. We are fixing our children to never ending treadmills of our making.
- Until we personally begin to heal ourselves of our own childhood suppression then we are ensuring our errors and injuries are absorbed and repeated by our own children.
- We are to express our feelings – both good and bad. Yet we ignore our children when they wish to talk and express their feelings. Many of us were told to be seen and not heard.
- We are to listen to our children – not hide them in child care centres.
- We are to listen to our neighbours, to our community – and they to us. We are to express our feelings to each other – that is how we begin to heal our childhood suppression.
- Consider the vast array of distractions we each have accumulated – TVs, laptops, mobile phones, movies – look at how most of these do not involve interaction and communication with people.
- We pass these all onto our children – so they do not even communicate with each other.
- Suddenly, all of humanity is awash with mental illness.
- What is mental illness? It is the imbalance of light returning from our physical being back to our soul thus bringing about distortion in our overall light energy. Should we begin to express our feelings, both good and bad, and long for the truth behind our feelings, then we will begin to bring that light back into balance and heal ourselves – and our children at the same time!
- The Village Community way of bringing a child up is also a healing way of living. We are to collaborate as a community and in collaboration we are to dialogue, discuss and express our feelings between each other. We are to be true to ourselves. In this way we are healing ourselves and bringing up our children appropriately in a village format – a small community.
- Should a Child Care setting be part of a small community / village arrangement then every child in the care of the centre should personally know, each day, at least one of the adult supervisors due to the child's extended family interactions prior to attending child care.
- An appropriate Child Care setting may be seen as having one parent of say five children in attendance each day. That is, during a five day week, even though the attending parents are rotating, the child may have a close relationship with one of the supervising adults each day.
- In this way, the governments will find their long term national medical costs being reduced as healing of the community unfolds and mental health issues abate. This will extend into the policing, courts and prison systems as well as all aspects of social service.

Corporate child care systems have become totally long term problematic for all of humanity.

**FEELING HEALING directly benefits the PARENTS’ CHILDREN:**

Parents’ baby from conception through to age 6, 100% benefit, age 14 – 75%, 21 – 50%, 28 – 25%. Prior to conception we are in a perfect Natural love state. By the time we are age 6, we are then reflecting the consciousness level of one or the other of our parents. As they heal their Childhood Suppression through Feeling Healing, that are directly healing us, their children, subject to our age – maturity.

Only through Feeling Healing which can be readily introduced through all education and health systems and services, will we cure our Childhood Suppression.

<b>Consciousness Calibrations Worldwide</b>

500 +	4%
400 +	8%

All the social ills of society are frozen into generational transfer. This can only be mitigated through Feeling Healing, and even then it will require generation after generation to advance the progress and lift the overall consciousness levels of humanity, from 220 to the 440s at least!

<b>Correlation of Levels of Consciousness – Soul Condition – and Society Problems</b>

**From 15 to age 21**

# THE WITHIN

(A 20 metres (66 ft) tall lava dome that formed during the 1969-71 Mauna Ulu eruption of Kilauea Volcano, Hawaii – symbolic of the rage within!)

It's having to keep holding yourself in check, being the dutiful well behaved daughter or son, keeping back, and in, and buried within you, all those repressed feelings. All our rage and fury at being thwarted in how we wanted to be. The little baby and young child wants to instantly express all its feelings, and yet so many parents curb them or compete with their feeling expression in some way, thereby forcing their child to stop expressing its natural self, making it become unnatural – untrue to itself.

Further, it is our Childhood Suppression and then ongoing repression of our emotional injuries and errors of belief absorbed commencing at our moment of conception and ongoing thereon that subsequently is the underlying cause of all of our physical illnesses, diseases, pains and discomforts as well as our mental illnesses.

Doctors do not cure anything. We do by expressing our feelings, both good and bad while always longing, asking, delving into what is behind our feelings. We are truth seekers and we are to no longer deny and ignore what our feelings will reveal to ourselves about ourselves. We have to each go in deep! Even after our physical death, our childhood patterns remain firmly in place. This is the great u-turn that we are all to consider and then embrace.

# Illness need not occur!

If you want to experience illness then ignore Childhood Suppression!

If you prefer to experience mental illness, cancer or any of the more than 10,000 illnesses, diseases, pains and discomforts, then continue with suppressing your emotional injuries and erroneous beliefs. That is, continue with suppressing your feelings and living mind-centric – just like how our parents and carers taught us to live.

The elephant in the room is our Childhood Suppression! Suppression of our true personality begins at the moment of our conception and relentlessly continues through to age of six years.

From conception we are being infused with our parents and carers emotional injuries and errors of belief. It is through the pattern of these emotional errors that we then go on and live our lives whilst manifesting our illnesses through these distortions to our soul light that circulates from and through our soul, spirit body and physical body and back.

We are to change the way we live. We are to aspire to living Feelings First. Then we are to embrace our Feeling Healing. We are to express our Feelings, both good and bad, to a companion, whilst all the time longing to know the truth behind those feelings and also then express them – layer after layer. The truth that comes up in us from our feelings allows us to perceive, so ‘see’ deeper into ourselves and each other.

We are to replace in some way all the gunk (withheld emotions and erroneous beliefs) that are clogging up our mind. One feeling leads to another, like a cascade of feelings with us falling deeper and deeper into our self. We will always come to understand a little more with each feeling being expressed.

When we are completely healed of our Childhood Suppression we have no further need to experience illness, diseases, pain, discomfort or mental illness. This we can achieve while living in the physical!

We created our illnesses and social issues by being in Rebellion against ourselves, our soul and our Heavenly Mother and Father. Now we can step away from this hellish way of living!

# VOICE

We each are to VOICE our pain - the pain from within!

And our pain is our Childhood Suppression.

This being our families' traditions and customs of unknowing erroneous ways.

It is the untruth of held spiritual platforms.

It is our own imprisonment within our mind of arrogance and control addiction.

It is the imposition of control placed on us by those from many levels of influence!

We each are to VOICE our pain to a companion who has compassion for us, and long for truth!

We are to discover that truth which is freedom and love that has been hidden from us.

We are to discover that our feelings are our truth.

We are to discover that we are each fully self-contained - truth is within us - and that it is our soul based feelings that generations have told us to suppress and ignore.

No more controlling institutionalised systems are required! - NONE!

## We all are all addicted to our mind's control!

**Spirit damage to humanity has been imposed on the psychic or spirit / mortal levels. Presently, rectification is under way to the damaged spirit circuits of light caused by the interference from the Evil Spirits. Simply, it's like every time the Evil Spirits had anything to do with any one on Earth or in the Mansion Worlds, they caused corruption in the spirit to mortal mind circuits, or light circuits, and so through appropriate spirit communication and interaction, righting of those wrongs is in progress.**

**Since the blocking of mind spirit inappropriate interaction with people on Earth commencing on 22 March 2017, the capabilities of leaders in all walks of life, all around the world, have been shown for what they are, people being covertly controlled by mind spirits for selfish agendas. Those who continue with their addiction to their mind control will find their lives more and more difficult. We are to engage with our feelings having our minds to assist while yearning to know the truth behind what our feelings are drawing our attention to.**

# Psychic Entrapment

18 June 2022

**Minor** We love our assumptions. We struggle with a problem and seemingly we reach a conclusion that is rewarding us. Our ego is stroked and we momentarily feel like a genius – we receive a little boost in adrenalin – and then we announce our cleverness. We do this multiple times a day, day after day, week after week, year after year.

We act upon our assumptions only to find they are flawed. So, we then need to rework our error.

When we simply go with what our feelings are prompting with, it all works out fine. We end our day feeling fresh and having completed multiple tasks.

Well, ladies and gentlemen, the error rate with ‘assumptions’, ‘I think!’, and ‘in my opinion’ is 98%. They are all products of our mind which cannot discern truth from falsehood, our mind is addicted to untruth, and is addicted to control, control over others and the environment. This way of living mind-centric was imposed upon us by high level corrupt spirit personalities being from within our local universe and having had been appointed with authority over Earth’s humanity. These corrupt personalities are now in spirit world prison!

Observe your assumptions and the making of them, but consider only applying them for further questioning and investigation. They exhaust us enough just through the process of coming to a conclusion that is flawed around 98% of the time. This is psychic entrapment on a minor scale.

**Major** The Evil Spirits that started and controlled the Rebellion, interfered directly with humanity on this psychic level, by tuning into people’s and mind spirits’ minds and adjusting them to do their bidding, saying things to them, giving them certain thoughts, all that would have appealed to their egos and power needs (same with assumptions). They caused people to love each other, to change people’s minds so they believed and then felt love for each other so they could unite and control certain bloodlines throughout humanity’s history; and with other people who did naturally love each other, they would make them not be able to consummate that love by preventing them from having children, keeping them apart from each other, orchestrating one of them to be killed, all so to stop various good bloodlines from evolving. So, they manipulated the bloodlines of humanity into doing their bidding.

And so they corrupted the natural psychic lines of communication between people and spirits, people and their Angels, all keeping us bound up heavily in our rebellious states. And so now that an appropriately high level personalities that are now on Earth and are not using their connection with spirits and Angels for their self-gain, unlike other people under the influence of the negative and evil controllers, so they are rectifying, and in a way, replacing, the negative psychic circuits with positive ones. So the negative relationship and input from the negative and controlling mind spirits is lessening, there is less coming from the mind spirits to receptive people on Earth, and at the same time the pure and true positive Celestials are coming closer to people on Earth. And this is all apparently happening because of what this pair on Earth are doing in their Healing, and specifically with all they do with spirits.

Mary and Jesus are giving their approval for all the pair on Earth have done in this area, along with everything else, because all they do is allowing them to regain control of the world, slowly wrestling it

from the negative and unloving control of the Evil Spirits. Mary and Jesus having ended the Evil Spirits influence on the world, which is pretty amazing, means the Rebellion is technically over, and yet still the personal, feeling and mind levels, and the more impersonal psychic level between spirits and Angels and humanity, is the actual ending of the Rebellion. This is to be written down, recorded for the record, which also includes all of the pair's writings, and is a part of correcting the wrong, all a part of ending the Rebellion... and Default.

A first Mansion World spirit observations: I'm enjoying getting to know how you see and perceive and imagine things through being so attuned to a person's mind, so I can craft such mind-images to suit that person. What you 'see' might not be exactly how you would see it were you over here in spirit with me, but it's good enough, enough for you to get the idea so I can connect more with you.

And I'm also beginning to see how easy it is for me to manipulate your mind or anyone else's, should I want to. With a person giving over to me so much on their mind level, I'm coming to understand through education and experience, what responsibility I as a spirit have in my relationship with their mind. In a way, should I want to 'take your mind over' you'd be like a baby mind that I could mould to my nefarious and controlling ways, something that I could imagine might be tempting to some higher spirits who have such mind mastery, all provided they have willing recipients on Earth.

This being how hidden controllers have manipulated people in the physical throughout the Rebellion of these past 200,000 years!

## **Reconnection**

Because of the negative influences of the Rebellion, Angels have been remaining hidden until healing is completed by their subjects. They have had to remain in their Angel plane which mortal souls can't enter unless by special invitation, but once you are of Celestial truth, then Angels no longer need to hide because we are no longer of the Rebellion. Their 'hiding' from us, which is due to the Angels being instructed to remain 'hidden', is for their protection from humans, so that it won't be insisted that the Angelic Guardians follow mortals into the Rebellion. So Angels have little personally, or in a hands on way, to do with humans so humans can't unduly influence Angels, because Angels being creations of the Mind, are created to serve humans, humans being spirits of Truth. So Angels serve humans in their rebelliousness by default, hidden, and not as an active initiative of the Rebellion and in answer to human's rebelliousness. It's all quite technical.

18 June 2022

These events and progressive steps now unfolding are all about correcting the 'psychic' relationship between spirits (those in the spirit Mansion Worlds) and mortals and Angels and mortals. (Spirits being those within the spirit Mansion Worlds and the first three Celestial Heavens as well as Nature Spirits here permanently on Earth.)

The healing of the messed up psychic circuits that we of humanity are all caught up in will have profound effects on how we live our lives.

## **Feeling Healing**

Our Healing is not just this separate thing we're to do at some point in our existence because we have to get ourselves out of our rebellious and unloving condition, it IS OUR LIFE, simply our life at the point we're doing it. And if we can see and embrace it as our life, as in, this is all I want to do in my life now, dedicating and devoting our self to our self, to our bad feeling expression and to wanting, longing, for the truth of our self, then we will move along in it as fast as we can as determined by our childhood patterns.

Our Healing is a whole investigation of ourselves up to that point in our existence in Creation. It's to bring to light the whole truth of all we've been through from conception to this point, and because for all of us on Earth it was all in a negative and unloving way, so that's the whole focus of it. And we have to want to get to know our self fully, the whole dreadful, unloving, scared, lonely, powerless, rejected, traumatised, miserable me... because we understand, we've all been greatly traumatised, even those people and spirits who feel the most loved.

# **Psychic Denial    Psychic Distraction**

## **Psychic Relationships**

**Question: Can there actually be true or genuine love within a Spiritual Rebellion that's against Truth... and so against Love?** And if there can't be, then what is what we feel so strongly as love; and is it only something we're making up with our minds based on our beliefs, on all we experienced through our childhood. Do we say that is loving relative to that not being loving, I feel a good feeling, so that is love, whereas I feel a bad feeling, and that is not love? We are to find the Truth of love, all the way to Paradise.

And so being conceived into a Rebellion, are we to assume that as we can't grow in truth, as we're denying it, then without truth, we can't know the truth of love. So can we make love be whatever we want it to be? Does it follow that there is perfect Natural love, and so if you defile or corrupt or interfere in some way with that perfection, then as it's no longer perfect, so there is no longer perfect Natural love, so no love. Or can we live with imperfect Natural love, which we are doing being of the Rebellion, and so within that imperfect Natural love, there are still levels of love, only they are not as true or perfect? So are we able to live with our children imperfect Natural love equal to the first world (that is up to 499 on the Map of Consciousness), and as we move up the worlds, we are purifying our imperfect rebellious Natural love, perfecting it when we are fully healed?

There can't be any true love whilst we are rebellious. So are all our so-called love feelings are contrived by our wayward mind?

So why are we rebellious, and what is love within a Rebellion? It's a Rebellion against Truth, and so does that mean it's also a rebellion against love?

Can you have one without the other? Can we all be evil because we're living denying the truth of ourselves, Nature and God, and yet still be loving? Can we be lovingly evil? The two don't seem to go together. Evil and Love are opposites... aren't they? And yet we have a loving Heavenly Mother and Father, or at least we're told by Mary and Jesus They are loving, and yet They have created evil and made us be conceived into it, They want us to be evil and untrue, and so unloving. So can we be loving whilst making someone be evil? And if God is not loving, then is God evil? Or is God so loving They can give us the experience of feeling completely evil and being unloving, feeling totally unloved, and yet we can heal ourselves of that with Their Love when we are brought to light the truth of our unlovingness. And I know, it's all mind stuff, and yet at some point these are all notions we have to consider for ourselves in one way or another. I wanted it all to be black and white, simple and straightforward: if you're evil, you're not loving; and yet, we all being evil, yet, so it seems, experiencing also some level of love. So if we're all evil being of the Rebellion against Truth, can we still experience some level of love within our unlovingness, because love is simply an attribute of our personality?

What is known however, is that the only way we can sort everything – ourselves – out, is by growing in truth, and then as our truth evolves, we can know as part of it, the truth of love, so the truth of all we know and call love. And that until we're completely true and of a Celestial level of Truth, fully healed of and free of the Rebellion, we won't know the truth of love, or the truth of anything for that matter.

So it always comes back to our feelings, because they are the way for us to uncover the truth of ourselves. We need the truth to see and know the truth of things – of ourselves, of everything. And we all know that, yet we need the Truth that comes to us from our Mother and Father in our soul as we're longing for it through our feelings, which will evolve us to the levels of perfection so we can know what truly is right and wrong. So we won't know the truth of the Rebellion until we're fully healed of it.

So all we can do is keep going attending to our feelings properly, which includes longing for the truth of them. The truth they are to show us about ourselves, Nature and our Mother and Father. So in time, and once we're Healed, we'll know for ourselves if our Mother and Father are truly loving, as Mary and Jesus said. And we'll know, by They being all-loving, They subjected us to an unloving Rebellion, to a state of being in which we lived rejecting Them by default as we lived our untrue lives.

The truth will keep coming up within our soul, and our mind might be all over the place, so confused, and yet in the end it will all get sorted out. It may be stressed that just keep expressing every bad feeling, and as the truth comes, we will know what is true and what is not. And we don't have to think about it, although we will, because that too is all a part of it, but it's the truth we need to come to light within ourselves.

It's terribly difficult, because we're setting out to bring to light the truth of our being of the Rebellion, and as the rebellion is all about rejection and not feeling loved, so it's the truth of all our rejection and not feeling loved that we are having to deal with.

People who 'fall in love' and then some time later hate each other... what was that so-called love? Because surely if it had been true love, it would remain – everything that is true and of the Truth will remain, whereas all that is untrue and not of the Truth will go, cease to be at some point, which is when the light of truth will be shone on it. So was that falling in love, love, false love, a contrived fantasy love, something their soul generated to bring the two people together so they could have a close 'in love' relationship for a time, then to separate them as it all fell apart, all so they could start to learn more about the truth of love, and the truth that that love wasn't true at all?

And then it is the same with our souls bringing us together to have children, to love and feel loved by them, and then later in our lives we go our separate ways and with no love between us, like with our father and/or mother; and so once again, is that all to help us work out what is the truth of love, was that true love when we loved our children so intensely and when being children feeling so loved?

A truth of the Rebellion, is that it's not loving, there is no love in it, it being all falseness, lies, and untruth, because that's been an experience of it – being totally unloving and feeling totally unloved. And anything that may be called love, wasn't love, it was all just a fantasy love that may have been wanted to be believed as love. Love made up in the mind based on a person's beliefs.

All of our lives, like all we do in the different periods of them, whilst of the Rebellion, are all fantasies we're living out. And so we keep going, like with any family fantasy, until it runs out, we're fulfilled by how much denial we have lived within it, that we can't live anymore, so our life changes for us to live out our next mind fantasy, or when we are ready, to start the Healing phase of giving up all of that, that being when we've lived our denial of truth to its fullest.

Throughout our forming years, from conception to around age six, we are immersed in the unloving guidance and care of those who feel they are loving. The accumulation of injuries, errors, hurt, are all of an ongoing harming nature being disturbing frozen energy that manifests aspects through the rest of our life. The suppression and ongoing repression of our natural self-expression during our formative years is the foundation of all our suffering throughout our life.

Suppression and ongoing repression of our natural self-expression underlies our quality of life, it is the predictor of our level of employment, poverty or otherwise, our physical health, generator of our illnesses, our quality of relationships and all aspects of our everyday living, good and bad.

We can free ourselves of living life like a retard, yes, that is about how we emerge from our early childhood. We, as parents, are yet to discover how to bring up children. First we are to liberate ourselves from keeping suppressed our childhood repression, and this we now can do through Feeling Healing.

“The real KEY to our Healing is longing for the Truth, and that is the truth that will come from our feelings. If you don’t want the truth of what you are feeling, then you can forget it. You can express your feelings all day like a kettle letting off steam, however if you’re not seriously wanting, and longing hard, and praying with all your will to God to help you uncover and see the TRUTH that your feelings are to show you, then you can forget it. The expressing and releasing ARE just as important, however a little less than longing for the truth.”

James Moncrief 28 May 2018

*Children are now to embrace and express their feelings in all that they do and experience. It is our feelings that are our guiding light of love and truth. Truth is love.*

*Why?*

*May we ask why we have not understood this before? The Universal Contract governing the Rebellion and Default had to work its course. Cracks in it are now being worked to end the Rebellion and Default.*

*Education is to reveal itself through our feelings. Our soul based feelings are always in truth. And truth is love! We are fully self-contained. Our feelings are to lead our mind in all that we do, not live how we have been previously taught. It is that simple!*

*Within, I know who I am and what my future journey beholds! My feelings are to be my guide being supported by my mind - not the other way around as it has been!*
