Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

CELESTIAL SOUL CONDITION: via Zara Borthwick and Nicholas Arnold www.lulu.com

The Question of Natural Love and Transformation message: 51 18 September 2013

“What happens to the Natural love when a soul receives the Divine Love?” My (Ivanhoe) response to this question is as follows:

The condition of the soul in its natural essence will be determined by the sum total of the individual human life lived. You understand that there are different Spheres where individuals reside with varying soul conditions. This reveals to us that natural love varies relative to the human experiences lived and then the way the individual chooses to continue living here in the spirit world. When the Divine Love permeates the soul for the first time, there will not be the sufficient amount of this Love received to bring about any noticeable changes. If one continues to receive Divine Love over time then this Love, the Divine Love, will bring about the necessary changes in the soul so that the condition of the soul is noticeably seen in their personality and in their personality and individuality.

Acting in accord and rapport with the Spirit Law of Compensation, the life experiences of an individual that have formed any disharmony will form part of the natural essence, the natural love condition of the soul. There are all gradients of natural love in humans and mortal spirits and each individual is subject in this gradient to the same workings of accord and rapport with the Spirit Law of Compensation. A spirit in the 6th Sphere who is no longer subject to the Spirit Law of Compensation may well – without even knowing about the workings of this Law – experienced this Law to assist in their perfection of their natural love.

The Divine Love acts in the soul in a particular way. This has been introduced in the writings of The Divine Universe and the spirit writings of James Padgett.

The Divine Love never dissolves the natural essence so that the already existent natural love is changed out of existence. The Divine Love doesn't replace the natural love so that the individual is living without any natural essence. The reason for this is simply stated by the fact that the natural essence is energy of the soul and natural love is a good energy.

Because this energy has existence it cannot be reduced to nothing when it is in a soul. The only way natural love can be reduced to nothing is for the attribute of the soul itself to be disintegrated and reduced to nothing, and since the attribute of a soul's life begins with God, the only individual who can de-create a souls life rests with God.

The Divine Love perfects the natural love and the progress of this perfection is the term 'transformation'. The Natural love is compliant with the Divine Love and as the Divine Love perfects the essence of the Natural love, the systems of the spirit body and personality and attributes of the soul, the spirit body and the personality begin to advance in their potential so that the individual is living a Celestial life well in the progress of Love and Spirit, which includes the perfection of their natural love.

If the individual has already perfected their natural love and then to receive the Divine Love, the Divine Love will not add, alter change or interfere with this perfection for such perfection in natural love is a living harmony, a living truth, subject to the Spirit Law of Rapport and Soul Condition set in place by the Father.

The truth of it is the transformation from the Natural to the Divine happens automatically, much like the way a person drinks water and the body takes this liquid energy and with this energy creates other forms of energy. The soul takes in the Divine Love, the Divine Love fuses with the Natural love energy and then the spirit body takes this unified energy and turns it into fuel to develop the systems and attributes of the spirit body and soul which then translated into the personality. The transformation that really happens when the Divine Love acts in the soul is a transformation of awareness! By this I mean the individual experiences over time a change in human awareness and this experience of the spirit-mind or the human mind is the real telling factor of information relating to the question you have asked.

Ivanhoe from the Celestial Heaven.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is the Mother and Father's way of loving us into love and then we live what we are, love.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

“Every day is a day of devotion.”

God's Divine Love: Pray for it, ask for it, and receive it.

Our salvation IS the availability of Divine Love.

Please Mother and Father, may I receive Your LOVE.

EMBRACING the LOVES:

Our soul is formed from the substance known as natural love. This natural love enables us to develop to that which is the perfect man, an excellent, capable and loving personality. However, there is a limit to our growth founded on natural love for there is nothing of the Divine within the substance of natural love.

Should we ask for, and then receive Divine Love, then the Divine substance of Divine Love can be added to our being, thus providing us with an infinite potential for growth and development in the Love that is Divine.

The natural love and Divine Love are not divided when in the soul.

The natural love is harmonious in the Immortal greater love, the Divine Love, and so, never shall an Immortal faith and Immortal truth fall.

Adding Divine Love to your being can be likened to developing a powerful engine based on natural love to that which is found within a most powerful muscle car. One's performance capabilities progressively develop as the regular fuel of natural love is slowly, but steadily supplemented with the fuel of Divine Love, thus changing that which is founded on natural love to that of the Divine, namely Divine Love.

Your fuel steadily is converted to that which is of the highest octane level ever envisaged.

The Divine Love is the wonder of the universe. How this invisible substance causes so much change in our mortal nature is a miracle to behold and experience.

Living with the Divine Love brings about harmony throughout all of one's bodies, systems and personality. One's capabilities and love continue to greatly expand.

Divine Love always has its effects in harmony with the expression and development of natural love. Therefore your awareness and expression of natural love in your life is a vital element in accepting Divine Love into your life and fostering its development of your soul. Divine Love is the great harmoniser and is therefore not isolated but its effects are universal.

Divine Love is the 'ultimate' high octane fuel.

WE ARRIVE DETUNED!

Our souls are a divine creation of our Heavenly Mother and Father. They could not be any other way! And are designed (such as how it has been for us) to begin incarnation in a Natural love condition reflecting the Natural love state of our world.

And we have also been provided with the opportunity to experience what is being 'evil', to live denying our Natural love, as seen through the denial of many of our feelings. So we here on planet Earth live on a world that has Rebelled (and then also Defaulted), of which there are only 37 within the local universe of Nebadon, consisting of 3.8 million physical worlds under the regency of Mary Magdalene and Jesus – the spiritual parents of truth of all of Nebadon! And we assassinated Jesus, and completely denied Mary not allowing her to have her say about the truth.

As a consequence, we are 'detuned' from our Natural love state and divine origin. You could say we arrived with all parts functional, however, in our untrue, dysfunctional and distorted state, we're badly in need of a severe service, tune up or a complete reconditioning. Our goal being to bring our true self to the fore by doing our Feeling Healing, and then to progress beyond our Natural love state by further advancing our soul condition through the process of Soul Healing and receiving our Parents' Divine Love – becoming divine.

In our feeling- and truth-denying untrue Natural love state, we have been made to use our minds to dominate our feelings, becoming more like that of mind-based creatures of nature than of human souls of truth and feelings. And this is the wrong way for us to develop. So to step beyond this limitation, we are to live true to our feelings. Our heartfelt feelings being the guiding lights to our evolution and growth of truth.

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in and can be found through our feelings – our soul based feelings.

By living true to our self, true to our feelings, we are living true to God. It's that simple.

Thus we are detuned once our incarnation begins. However, the way is now open for us to bring about our full divinity. To completely Heal all that's wrong within us on a Natural love level. To embrace and then transform that Natural love into a divine state through partaking of our Heavenly Parents' Divine Love. All the while attuning ourselves to divine perfection and enjoying the fullness of our divinity and love, as we ascend in truth on our journey all the way to Paradise – the home of our Heavenly Parents.

WE were DIVINE, and
WE are to BECOME DIVINE AGAIN:

Our personality, our soul, our real self, are all creations of our Heavenly Parents. We, our real selves, are not creations of our physical parents. Within our original status, we were of Divine nature.

Our physical parents, from our conception, endeavour to mould us into being 'little me's', that is, replicas of themselves, imposing their beliefs and personality traits upon each of us. They crush our individuality and free will. They destroy our personality, our true self. They inflict upon each of us their ways, all of which are of a result of the Rebellion and Default of many, many generations ago. They drive us into believing and subsequently becoming dependant upon our minds. This is not the way for us to express our true selves and evolve along the path towards our true parents, our Heavenly Mother and Father. We are to embrace the Eternal Son of Truth, not the Infinite Daughter of Mind.

No, we are not in the image of our physical parents. Though we may look like them, and act like them because they have dramatically and successfully crushed our true personality, we are each very unique and independent of our parents and all other family members. When we begin to progress along the path of engaging with our soul based feelings and seek for the Truth of our feelings, we will become free of our parents' impositions and suppression.

Upon starting our physical life experience on Earth, our divinely created soul begins to express us as one of our soul's two personalities in Natural love. However because of Earth being in Rebellion, so we are parented into a rebellious and anti truth and anti love state of mind control over our feelings and true self.

Natural love is good, just 'less' or different to Divine Love. And it's that in our rebellious state, we're rebelling against Natural love, and Divine Love by not taking Jesus and Mary up on their offer and allowing the Divine Love to transform our soul, as we perfect our Natural love by doing our Healing.

By living true to our self, true to our feelings, we are living true to God. It's that simple. The revealing of the Feeling Healing process is the commencement of our ability to begin the great U-Turn and go the right way. Should we then also embrace our Heavenly Parents' Divine Love, we can also commence our Soul Healing and a returning to that of being divine – this is our destiny.

DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

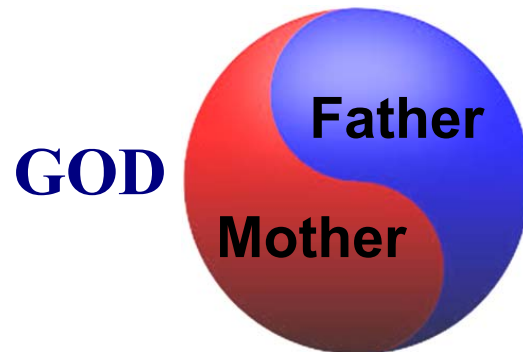

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

PERSONALITY

**Our soul is the centre of our personality.
We are children of our Heavenly Parents.
Our soul manifests a male and female personality - it is a duplex!**

CREATED in THEIR IMAGE:

James: Mary, what does ‘we being created in the image of God’ really mean?

Mary M: It means that our Mother and Father used Themselves as the model or template if you like, upon which to bring us into being, those of us who have existential souls with the potential of expressing their two personalities in Creation.

And although our souls are divine, as in being divinely created, still whilst we start our personality expression in Natural love, so we need the Divine Love to come into our soul and bring it into the levels of Celestial divinity.

Natural love, so basically the whole of Creation, is of the image of God, and we being divinely created souls can be part of God’s Divinity becoming divine ourselves. So through your Healing, James, you become progressively divine by partaking of the Divine Love and healing yourself into perfection – your true self. And by the time you’ve completed your Healing, your soul is of the Divine Love level of Celestial truth, and your personality is an expression of that level of truth, it all being ‘confirmed’ and cemented – fused – into place upon the direct soul-union with your Indwelling Spirit. Then you are of the essence of God, true and perfect to the level of the first Celestial sphere, the first sphere of true divinity.

The BEAUTIFUL MIRACLE:

5 Oct 2012

The DIVINE UNIVERSE

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union complete. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other and one is living in the presence of the Father in perfect harmony and this clarifies the truth about what it means to be truly at-one with God.

SHINING TOWARD SPIRIT:
665. The Shining toward Truth

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas

www.lulu.com

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

WE are INCARNATED with Natural Love, but not with Divine Love:

We are conceived with natural love, however, we are not endowed with anything of the Divine. While we are without anything of the Divine, namely Divine Love, we can grow our natural love attributes and progress to that of being the perfect man whose lodging is found in the 6th Sphere. We do not have immortality without having received Divine Love.

Natural love radiance is very different from that which Divine Love brings.

The two loves complement each other, bringing about greater harmony.

When we become aware of the presence of Divine Love and subsequently ask for and then receive the Divine Love, our soul steadily starts to change to that which is Divine and we achieve immortality. This is the Immortal Choice that we can make whilst here in the physical or later in the spirit world. Once we add Divine Love to our being, we continue then with the two loves, that of the natural love and also that of Divine Love. As we continue and receive Divine Love, our soul condition progresses so that we may eventually enter the Celestial Heaven, 8th sphere, should we have engaged in the proves of Feeling Healing, and above, then progress further to enter the Eternal Spheres, then the Infinite and Universal Spheres, and then further on towards the Spheres of Paradise.

We are gifted by our Source Soul with natural love, maybe we neglect this gift from time to time. As we progress in time, we can add the greatest gift there is to our being, that is by asking for and receiving Divine Love. Not only does the infusion of Divine Love repair our natural love attributes, we evolve into a joyous and loving person in all respects. With the infusion of Divine Love, with the two loves, we become the complete being.

“Love is what we are born with. Fear is what we learn. The spiritual journey is the unlearning of fear and prejudices and the acceptance of love back in our hearts. Love is the essential reality and our purpose on Earth. To be consciously aware of it, to experience love in ourselves and others, is the meaning of life. Meaning does not lie in things. Meaning lies in us.”

— [Marianne Williamson](#)

The radiance of a soul in good condition is reflected through the spirit body.

A soul in poor condition has very little energy and subsequently is lacking in radiance. The size of the entity is also diminished.

We radiate our own light. Not only when a soul in poor condition is lacking luminosity and energy, its capacity to travel is also significantly diminished, as is its physical size.

NATURAL LOVE or HUMANITY’S ERRONEOUS EMOTIONS:

Your soul, being your real you, is an emotional being. Your soul, though a thought of God, does not possess anything of the divine within it. It existed in a state of bliss, in a natural love state, pending individualisation which is achieved at conception which is the time of incarnation. Your soul is endowed with natural love emotions noted within the top section of the Map of Consciousness scale, being those emotions calibrating above 200.

MAP OF CONSCIOUSNESS					
God-view	Life-view	Level	Log	Emotion	Process
Self	Is	Enlightenment	700 1000	Ineffable	Pure Consciousness
All-Being	Perfect	Peace	↑ 600	Bliss	Illumination
One	Complete	Joy	↑ 540	Serenity	Transfiguration
Loving	Benign	Love	↑ 500	Reverence	Revelation
Wise	Meaningful	Reason	↑ 400	Understanding	Abstraction

Inspiring	Hopeful	Willingness	↑ 310	Optimism	Intention
Enabling	Satisfactory	Neutrality	↑ 250	Trust	Release
Permitting	Feasible	Courage	↑ 200	Affirmation	Empowerment

Humanity’s erroneous emotions are those calibrating below 200 on the Map of Consciousness. The environment around a newly conceived child progressively degrades the condition of that child’s soul. When the child reaches about the age of 7, the child’s soul condition will reflect the parent’s condition. These negative emotions are like a crust around the pure soul it has within.

MAP OF CONSCIOUSNESS					
God-view	Life-view	Level	Log	Emotion	Process
Man made dis-empowering emotions:			↓ 200	All the negative emotions	
Indifferent	Demanding	Pride	↓ 175	Scorn	Inflation
Vengeful	Antagonistic	Anger	↓ 150	Hate	Aggression

The Divine Love is a love available for the Human soul that, in its cause and effect, actually perfects the personality together with one's Feeling Healing process, as it progresses to a greater experience of living in the determination of living in God's Divine Universal harmony. Every personality has the gift of freedom of self-determination to enjoy and extend through life's experiences and it is this gift of freedom and human nature that may prevent one from participating in the freedom and gift of the Divine Love. The Divine Love, once being received is added to one's nature, having being formed on natural love.

One's natural love is always progressively perfected during this journey of evolution of the soul.

Upon embracing Divine Love at any stage, then one can progress through the Divine Love spheres 3, 5, 7, whilst also doing their Feeling-Healing.

Even though a person may have received Divine Love, they do not avoid compensation or doing their Feeling-Healing, so they may still spend time within the spheres of disharmony.

Natural Love sectors for those doing their Feeling-Healing, without the Love, are within the Natural Love Mansion Worlds:

Progressing through the natural love worlds, within Feeling-Healing sectors, while doing one's feeling healing, upon reaching the 6th Sphere having completed Feeling-Healing, one can then embrace the Divine Love and proceed directly to the 7th Divine Love Sphere.

Then they may prepare to enter the Celestial Heaven Spheres from there.

This pathway is when, or should, the Divine Love not be available before perfecting one's soul.

REVELATIONS

JAMES PADGETT **REVELATIONS** 1 Commenced 1914
 MONCRIEF 2 Completed 2014

REVELATION 1

The availability of Divine Love, should we so ask for it, being revelation 1:

God's Divine Love: Pray for it, ask for it, and receive it.

Whilst we are receiving our Heavenly Parent's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way the Father is actually loving us! When we progress, it is the Father's way of loving us into love and then we live what we are, love.

REVELATION 2

The way to clear one's soul of childhood errors and injuries is revelation 2:

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

REVELATIONS

Revelation 1: Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively embrace our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

Revelation 2: We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

Immortality with the Love.

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

Our FEELINGS are our SUPREME GUIDES:

Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings. Kevin 26 Sep 2017

Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.

FEELING HEALING

Note: The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

Note: Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and totally true.” James – Introduction Course to Divine Love Spirituality

FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Notes from 'Feeling Healing' by James Moncrief

Heartfelt TRUTH

LOVE
is
Feelings First Spirituality, The New Way

Feelings First Spirituality, The New Way is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

Feelings First Spirituality is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

Feelings First Spirituality has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

Living the New Way of Feelings First Spirituality

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

And to do this you need to do your Healing

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

Feelings First Spirituality **The New Way**

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

Feelings First Spirituality The New Way

Feelings First

Feeling Free

The New Way, Feelings First Spirituality
Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
Free your feelings from your mind's control
Live true to your feelings; your feelings are your true self
Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
BAD feelings.
Want to understand why you're feeling them.
Use your surface feelings to take you deeper into your repressed and
hidden feelings.

The Feeling Way is the True Way.
 Your feelings are your spiritual guide.
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

Guide the Way Love and Overcoming P.159 message: 3 5 December 2005

We of the Celestial band who wrote with James Padgett at that time did all and revealed all that we desired to do. These writing which are the Padgett messages reveal enough truth and Celestial experience to have afforded the world of unknowing the Father's Divine Love to the individual and the world knowing of the Divine Love of the Father. It is our sincere hope and desire that all of you find it in your hearts to share these writings and your experience of these writing with your own experience of Divine Love with love and general open-heartedness for this was and is the way in which these writing were given.

The Divine Love, the essential truth of all these writings, is freely abundant for the souls of men and women and it is our hope that this message of Diving Love will be shared and given from you to others as it was from us. The time that you find yourself in today is a dynamic one and much can be done with the available resources that you have at your fingertips so I say unto you all, let these messages and your experience of them sing from your hearts keep not these messages in the shadow of life and in the unknown, liberate with the Father's spirit of generosity and so shall the great wave of light and truth roll through the day and the Divine Love shall be and become known.

Remember, the words and writings of the Padgett messages are the guiding way for your souls, and for souls to pray for our Father's Divine Love.

It is only when the Divine Love is received in all its inflowing, that even greater meaning of all that we wrote at that time comes to light and a deeper more substantial understanding of the workings of the Truths contain in these writings can be soulfully lived and understood, for it is the way of things here in these lovely Celestial Realms.

It is only by our own participation in Divine Love that we can advance our own ascending toward the Father.

The Divine Love is the singly most beautiful truth that enables all to come to learn the way of soul-life both on Earth and in these Celestial Heavens. I know that there are many of you in all parts of the world experiencing our Father's Divine Love and immersing yourselves in the Padgett writings and for us this is always a joy to see, however, bear in mind that the ownership of these writings is the substantial reason as to why these writings were written in the first place, to declare to mankind and to the individual that the Divine Love is present and available for one and all to receive.

Even though these messages exist in their current form now, it is only when the generousness of heart shares the knowing of Divine Love with others that the full and true realisation of these messages take full effect.

In these Celestial Heavens we go to great lengths when introducing the Divine Love in the natural heavens to make known **how beautifully simple it is to just accept that the Divine Love is here and present and its inflowing can happen**, and I say this, **at the drop of a hat that one's connection to the Divine Love can be**, and I have to say too, **as easy and simple as sipping a glass of water**. This is

the same for you on Earth, **introduce the Divine Love as if it were a feather on a breeze, a souls immortality and a souls eternal Divine life begins as simply as this.** When the Divine Love is presented by the spoken word, with beautiful loving simplicity the needs of the soul are engaged for the reason that **when Divine Love is desired**, this is so for the soul not only desires Divine Love but also the soul needs to know.

We of the Celestial band have, of course, continued to write and present encouragement and our love and full Celestial support to you in your daily lives in your efforts and have written with some of you so that our continued presence and communication continues as part of the developing and evolving truth of all our efforts to establish the Divine Kingdom, the Kingdom that is built and established in the hearts and souls of those who partake of the Divine Love.

James the Lesser on behalf of the Celestial band who wrote with James Padgett.

A Beautiful Message of Love:

Message 10

20 February 2006

I desire to write today on this pleasant autumn morning on a subject that concerns us all, love. I have previously written in the writings with James Padgett (Book of Truths by Joseph Babinsky) that love is the real economy of the Father. I desire to elaborate on this teaching. There is a real need to learn and understand love for it is the centred principle of the soul upon a soul's initial creation. The whole foundation upon which mankind is living is love. I know that the world seems always in conflict in the drama of life, however, the one shining light for all present is love.

The natural love of the soul is a very good love and although individuals throughout their life suffer from adversities and various transgressions, the ability to reclaim one's sense of love is not as perplexing and complicated as it may first seem. The Father has given in wisdom, acceptance and forgiveness to help resolve transgressions to assist us to become wholesome in love.

The way of love is the way for us all and to follow the way of love is to accept the way the Father has created love and the way for it to be lived. It pleases the Father when we are in love and acting in this way in our goodness toward one another and our selves.

Learning about our experiences in life as soul, we learn that most other souls respond to the ways of love given. The Divine Love of the Father helps the soul to learn of love and is a gift of insight for this way. To begin learning about love in Divine Love whilst in your natural environment is a wonderful opportunity that is presented so that the individual can experience living with the Father in the mortal realm of sticks and stones. I know that it can be hard at times for conditions and circumstances that apply and one can find themselves in arduous places where love is seemingly not present. The Father is always present and with Divine Love one realises and recognises this truth. It requires so little to be in love and to give love of oneself to another. The Father is a perfect example of this. **A soulful prayer for Divine Love and Divine Love is conveyed into your soul so easily. The acceptance of Divine Love in prayer helps the soul.**

When one chooses to forgive without condition, forgiveness happens easily. Forgiveness and acceptance is a freedom for the individual; the soul relishes being free of the transgressions of the past. Acceptance and forgiveness and humility enables the soul to undo that which has been done which has created the transgression so that in love, the soul moves more into a harmonious condition and rapport with the Father. This releases the soul from the effects of mortal suffering.

When one prays to the Father for Divine Love, ask for the healing grace and strength of acceptance and forgiveness and love the weakness and strength in oneself and in others. Acceptance and forgiveness is part of the souls New Birth and transforming beauty of Divine Love. Give of yourself to accept and forgive. Find this way of love in your heart and in truth so shall your soul be Divinely liberated.

From your ever loving friend and brother in Divine Love,

Feelings first

A Teaching on Transformation

message: 44

14 September 2013

For those who are aware of the Divine Love, this awareness involves one being aware that spirit realities exist. It is a truth that the Divine Love is not generated by any thing organic that has its evolution formed from the Earth and Sun. It is remarkable when one considers that this Divine Love does not originate from the physical universe or from the planet Earth. The Divine Love comes from another source. The Divine Love does not originate from the mortal spirit world. So as you know, **every person and spirit who receives the Divine Love is receiving this energy of love provided for us all by the First Source, the universal Father.**

There is a physical experience in the living with Divine Love and a spirit's experience living with the Divine Love. One involves the physical body and the spirit body; the other involves just the spirit body. I have never seen – nor will I ever see – a human spirit experience the Divine Love as an instantaneous transformation of the soul condition from one's natural love to be that of Celestial soul condition.

The process of transformation begins slowly and whilst progress can then be rapid, as one's soul condition changes, it is never instantaneous. The spirit-senses of the spirit body and the personality need time to adjust to the now living Divine Love in their soul and also one cannot make, by the exercise of their will, the Spirit Law of Compensation to act in a greater speed than it does.

What this teaches us from our observation, living with Divine Love, is that in a human experience whilst people may feel an abundance of the living Love, a person who begins receiving Divine Love will never be instantly transformed in their receipt of the Love to be that of living Celestial soul condition in a flash. To reach Celestial soul condition requires the individual, to be aware of their own progress and the way the Spirit Law of Compensation works in their life.

An immediate transformation in one's soul condition would prove harmful to the attributes of the personality for such is the new information that requires a sensitivity to live with. Many in a physical experience would like or expect a Pentecostal-type of experience or a re-birth that changes one's life instantly but the truth of it is the Spirit Laws that assist in the transition of the mortal to the Immortal have their own speed and time, are always harmonious and perfectly suited in their rapport with the condition of soul the individual is living when one commences their receipt of the Divine Love. These Spirit Laws, which we have identified in this work, are without emotion and in the progress **with the living Divine Love, humans and spirits need time to emotionally integrate their acceptance of living with God.**

Harmony and Celestial Soul Condition

message: 56

20 September 2013

In essence, once one is aware of the Divine Love to achieve Celestial soul condition one will need to accept the Father's way. Every Celestial spirit who has progressed in their experience in the natural and with Divine Love, has accepted living in harmony in the Father's way, the way the Father has provided for us all to live.

As Ivanhoe described to you, none of us have created the way in which we live. By receiving and accepting the Father's Divine Love as the condition of individual soul changes, the Love becomes more palpable to our soul perceptions and spirit senses so that each one of us can accept the way this Love brings about the necessary changes for living Celestial soul condition. There are, as I have observed, men and women who in their living in their acceptance of the Father are very close to living Celestial soul condition in their human experience. **There are a few individuals who are living Celestial soul condition in their human experience.**

I know that even though this is truth, one may be unaware that they are living in this rapport and condition. One does not have to be well versed in biblical history or religious living. One need not be well versed in religious or spiritual scripture. Soul condition is about love and there are no words existent in the Divine Love and the Divine Love is never beholden to human conditions. It is the individual that need change as one relates to the Love for the Love will never change.

This is the essence of accepting the Father's way of living. For as I learnt, the Father will never change any attribute formed that is in existence. For such originations begin perfectly and never require any further change. The human, the person, you, will need to accept that life involving Divine Love is about learning to live love and love has its way and will never be altered by human or spirits.

If one can perceive harmony of the Celestial Heaven then one is perceiving the Father's way and how everyone living here has progressed in his or her acceptance to live in his or her life in this way. The Father has provided the necessary way for one to experience this harmony and when in a human experience one can feel that they have accepted the Father, so that one has joined-in with all that we Celestial spirits are living, then a sufficient amount of the Divine Love has been received and one's soul condition is living without compensation and the spirit-senses in the spirit body impress upon the soul this knowing and living truth that Celestial soul condition, achieved with all the human physical attributes functioning as they do. **This is the moment of peace that passeth all understanding.**

I would like to say that at times a person will experience Celestial soul condition and then in a physical experience other aspects of human living may impose themselves and so soul condition fluctuates a little when living a faith experience in the Father's way. This is part of living with a physical body as the soul and spirit body change in their conditions with the attribute of the physical body active.

From first being aware of Divine Love and a sprinkling of the Immortal Truths a spirit will progress, if they choose to, through three Spheres to reach the Celestial Heaven. One only need to accept the way the Law of Compensation works and to undo any error that has been done, and once this has been done,

progression can happen quickly. By the time the individual reaches the entrance to the Celestial Heaven they have accepted the Father's way of living Love and Spirit. How long this takes an individual is determined on their effort to work with the Spirit Law of Compensation, their capacity to receive the Divine Love, their desire to learn from another who is more progressed than themselves, and lastly, the ability for one to accept that their personality is to accept the Father's way.

This is the same in a human experience. I am aware everyone is different and how one finds acceptance of the Father in Divine Love will be his or her measure of living Celestial soul condition.

Living Celestial Soul Condition

message: 67

22 September 2013

I am here and I desire to write a little more on living Celestial soul condition in a human experience. Firstly let me begin by saying that I am aware that whenever a man or woman embraces the teachings of Divine Love, this introduces a new awareness to the individual. Living with Divine Love is a gradual awakening to this new awareness as one slowly integrates this Love into their daily life. As I have taught before, receiving Divine Love is a gradual progression of accepting the Father.

Humanity has always had its respective cultures, and beliefs to these cultures and laws that provide a structure for that culture to live with a sense of order and social norm. Being introduced to the Divine Love brings a continuance of the humanity that one is living in and by this I mean the continuance and survival of the mortal personality after a physical life has ended. There are many extensions that come forth from an awareness of living with Divine Love, especially when the soul and spirit body and Spirit Laws are clearly sighted. Living a Celestial soul condition in a human experience will bring the two contrasting differences of what is man-made and is God-made into contrast. And, as one gains clearer vision of the far-reaching consequences of a soul's potential realised, one will need to accept their human life in relationship with the way the Divine Love works as a soulful and spirit experience. This is why we have highlighted the Spirit Law of Compensation so much in these works.

I know that every person who accepts an inflowing of Divine Love is doing so from a position of their condition in natural love and this includes the experiences of a life lived. With the coming of the new awareness brought about by the influence of the Love an acceptance of living with this Love includes an acceptance of all that is natural in man, for God has deemed it that man was formed to begin with in the natural love. With the integration of Spirit Laws and mortal truths one need not fight against the belief that may form a construct and condition that is of a natural human origin. In other words, as one gains greater awareness in their Divine Love experience and the Immortal Truths and Spirit workings that assist the soul to change its condition, there is no need to see that the natural in man stands in opposition to a Divine progress towards Celestial soul condition.

In fact, as spirits learn having the natural love as part of one's soul condition helps to identify all that is then Divinely Immortal. If it were all and only one of the Loves, then to gain such clarity would only be a *singular* experience. Humans lived in this singular time between the time of the First Parents and their 'Fall of Grace' to the coming of my life when the Holy Spirit, The Spirit, that brings the Divine Love into the mortal soul, was once again active because the Father initiated this. A person who commences their receipt of Divine Love, due to their life experiences, will be in their respective soul condition in its

natural love. This means that as one develops their awareness of how the Love works, each will relate with the Spirit Law of Compensation relative to the harmony or disharmony that forms each respective soul condition.

There are some people I have seen, and I can confirm for I am aware of how the Divine Love is being experienced worldwide, who are living a harmonious condition of natural love with very little compensation to speak of. There are social dramas but this doesn't add to compensation, it is just the way social interactions behave in human experience. By receiving the Divine Love and accepting the Source of this Love, God, these individuals are very near Celestial soul condition for there is a pervading harmony in their prayers to the Father and they can feel this and know this to be true. In this condition the only aspect missing for one to have in their awareness, a cognitive truth revealed to them that they have accepted the Source of the Love received, without any doubt or loss of faith in their acceptance. That is why I am conveying to you these words so that when you are in this condition and you read these words my Spirit of Truth is speaking to you.

I am grateful to be able at this time to instruct this teaching to you for it need be said and need be heard without any complication of human misguidance or intervention from another person who may assert and lay claim to knowing the Immortal workings of the Father's Truths. There is no need to feel overwhelmed at the whole reality and presence of the spirit world when living with the Divine Love. The Divine Love is present for all spirits and for all men and women and different environments need not stand in the way of one being able to experience living Love and Harmony in a progressive awareness of one's acceptance of God, the Living Soul.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

The Transparency of Love

message: 91

30 September 2013

I, Bartholomew, am with you now as a short time has passed since we communicated earlier today. I have enjoyed our communications and I would like to say the Divine Love Day Event (considered for 2nd Sunday of December every year but is not so) that was revealed to you in the spirit communications called the Divine Universe, was and is a special and significant moment in the history of the mortal spirit world.

Nothing fazes me when Jesus the Master is involved. I have seen so many things that would defy human logic and universal rational that has involved the handiwork of Jesus in rapport with the Father. The understanding that Jesus has of the Father's Spirit Laws, and how they work in their application with finite personality and the Eternal personality of the Father, is as comprehensive as you can get! No other individual living with Divine Love has surpassed the Master's comprehensions of these intricate and sensitive Spirit Workings. There are so many things about life in the mortal spirit world that would never be written by the hand of a man or woman, for these experiences simply belong to the Realm of the spirit world and they await your participation. I loved my human life as many people love their lives and the physical experience is a wonder of the Father, as the Father has formed such breath into the creation of all that comprises each human being.

When one contemplates the fact that a person and a spirit can equally share in the Father's Divine Love and participate with the Father, this miracle is a gift of an Eternal Truth. I have seen men and women experience the Divine Love and find elation in their acceptance and knowing that they have been acknowledged by God; I have also seen the physical bodies of people shine radiantly with love from the Divine Love received that then illuminates the spirit bodies and this energy is released into the energy of their physical being.

There will be more Divine Love Days, and one approaches soon. There will be another exodus from the Celestial Heaven. Many who have written with you in this work will be part of that day that is to come. Divine Love Day is a beautiful description that we here in the Celestial Heaven acknowledge that we here along side men and women share in the Father's Divine Love and that this sharing lights up the human and spirit world to help create and generate awareness to those who are yet to make their choice.

Living Celestial soul condition in a human and spirit's life begins with a choice to participate with this Divine Love. Any further progression rests from this first choice with all acceptance, faith, and personal endeavour for self-improvement helps achieve Celestial soul condition. By being in touch with greater truths and immutable Spirit realities, and with various Spirit Laws such as the Law of Compensation, the individual can achieve Celestial soul condition as so many have already confirmed.

Never doubt the quality that the Divine Love is, and how it can crack the hardest rock, as a metaphor so to speak. The poorest soul in condition can still receive the Divine Love. No human or spirit is ever beyond reach of It. I have seen the worst in men and women suffer due to their horrible lives that they have imposed upon themselves and yet, in the due course of time with the Spirit Law of Compensation at work and the ever-presence of acceptance and forgiveness, I have seen such a soul redeemed and progress to Celestial soul condition.

When it comes to the reality of the Father, never doubt The One who has created your soul in the first place and in this individual you can place your faith, heart and self-worth.

I would like to put a few things into perspective. The reader will know, or soon learn that when one is introduced to the Divine Love one can progress toward the Celestial Heaven and so to do this, one's soul condition has changed. One need remember that Jesus did not create the mortal spirit world nor did he devise a plan that all must follow in order to become Immortal. Jesus has followed the Father's way and he has revealed the Father's way to all those who now live in the way of Divine Love. This is just the way it is!

When I first experienced the Love I was in the 2nd Natural Sphere. I felt the Love and so I knew it was true. The Celestial teacher, Luke, introduced me to many themes that I was about to learn. The first and foremost being I was embarking upon a relationship with God and it was evident that I didn't know how to do this. I had no prior knowledge or experience about the Divine Love of living with God. I heard Luke teach about the Love and the way of the Love, and as Bartholomew said, we here in the spirit world are not hearing such teachings from false prophets for you can see the visible evidence in the condition of the individual such as Luke as he stands and reveals the way of Immortality. There is no deception here in the spirit world and the visible evidence of those who have progressed in the Father's way of living a soulful life is as truthful to see that the eye cannot be deceived.

After a short time of receiving the Love I realised how substantial receiving the Love was. I realised that my choice for the Love was only the tip of my soul for the greater part of my soul was ready to embrace the living Father. Part of my acceptance in this realisation was to acknowledge my self-worth that I was worthy – not only to be loved by God – but also to live with God. Acknowledgement has formed part of my acceptance and a greater part of my acceptance was my self-acceptance that I am worthy to live with the Father.

Luke taught me about the Law of Compensation and I had a little compensation and so I worked at the essence of love and my need for love. It was my lack of love for myself that caused actions that resulted in compensation when I lived my human life. My actions were not severe, so I did not go to the Spheres of Disharmony. I remained here in the 2nd Sphere but I could not progress any further. As I continued to learn about living with the Father, Luke taught me how I had to surrender certain aspects of my memories so that I could be taught in the accord of Love and Harmony. This made sense to me for Luke had taught me that harmony is of a substantial value in the Father's Kingdom.

How do I surrender? I asked Luke. Luke said the Spirit Law of Compensation is present. If you look at the causes of your disharmony now you are living with Divine Love, and if you can isolate these causes then you will need to forgive yourself by asking the Father for Forgiveness.

I did what Luke had said and this taught me about **how one can undo errors** so that the Spirit Law of Compensation need no longer act upon the soul in the way it does, to keep a soul living the environment

that its condition is only fit to live in. Gradually my understanding about living with the Love gained greater insight for what was emerging now was this wonderful soul that I had always been! And the essence of love I could self-accept that I meant something to someone, and that I was worth love to someone and that I was not just a forgotten print in the footsteps of man. That someone was the Father!

It is amazing to think that I had lived the whole of my human life and a long time in my spirit life without ever knowing this truth. Luke continues to teach me as I make my way through the Spheres toward Celestial soul condition. I am not afraid of living with God now and I also have realised that I cannot save humanity. I am a soul who has accepted my life with the Father and this is a truth for me, which I am happy with. I can see so many spirits who have arrived at the same place I have in this humble and grateful acceptance and I am so strong in this acceptance for I now know that I made the correct choice that changed the way of my life.

I lived in southern England a long time ago.

Sincerely yours, Matthew

DIVINE LOVE HARMONY:

Immortal harmony:

Transformation of the soul is a beautiful harmonious gradual awakening.

In a gradual way with the Divine Love and Feeling Healing, as changes in the soul and spirit body occur, these changes will result in the personality slowly accepting the source of these changes as being the Soul God and with the independent will, one can have complete acceptance of our Heavenly Parents, Mother and Father, God.

People have loved God and felt loved by God and they have in deed received the Divine Love without ever knowing the truthful identity of this Love insofar as the truths relating with its causality in the human soul and affect upon the spirit-mind.

Part of the nature of the Divine Love in our souls is that it activates our spirit body systems and soul so that the nature of God is seen and experienced in the living and this places us in touch with the many Spirit attributes that extend from God and have their existence in God, such as our Indwelling Spirit. God no longer remains inactive to us; inert, inanimate, or an unknown but rather a Soul of living energy whose energy in the harmonies of Love and Spirit, is personified as love that we experience. If I can convey the essence about the nature of Divine Love it is that in its energy, exists the harmony and potential so that one can see the potential that this Love brings to bridge the gap of separation between the individual and God by the harmonies of soulfully living.

The Divine Love completes the form of the human being.

In essence, one need only direct their soul and the heart of their soul to our Heavenly Parents, the Soul being God, and in this faith one can experience the Love by humbly asking for this Love. This is all that is needed and the touchstone upon the Love's approachable nature.

The Love is never harmful or given by God that results in a caused effect of disharmony in the individual. The diversity of human individuality is a great characteristic of human nature and as with experience, one needs experience to ascertain a truth about a certain thing. Experiencing the Love provides a substantiated knowing from which a more objective reasoning follows and a maturity happens.

Hello, I (Justine) am here with you to confirm that Ivanhoe conveyed a good description on how the Natural love acts when God's Divine Love is received into the soul.

When one spends some time working through the way the Spirit Law of Compensation acts in rapport with soul condition, it is then that a clearer perception can be seen as to how the Natural love – as a true condition of soul – responds to the mere perfect energy of Divine Love.

The attribute of soul is responsive to both Loves and, of course, only to the essence of natural love when the Divine Love is not included. When the Divine Love is included, this key word, *transformation*, comes to mind, and we are pleased that you have received a way to perceive this transformation when in context with soul condition and harmony.

There are so many ingredients that relate with the soul and spirit body, when one develops their awareness of the purpose to progress their soul condition. All of us here in the spirit world who embrace the Divine Love have experienced how this Love acts in our soul, that with the help of more progressed individuals and, of course, the choice of our own endeavour to become more in rapport with the Father, we have learnt about all these ingredients toward the living of Celestial soul condition. I am aware of harmony, the Spirit Law of Compensation, the systems of my spirit body, the essence and perfection of my natural love in context with my human and spirit experiences, and of course how the Divine Love acts and the changes It has brought about in my soul condition. Piece by piece an aspect of Spirit and Love comes to awareness as our soul condition advances so that gradually an expansive and cohesive vision of the Father and the creations of the Father are experienced and identified.

This is not an exclusive 'club' or a select group of individuals who have secret information that enables us to gain an advantage.

Living with the Father and accepting Divine Love is the way to live with the Father and all that we convey to you, is available for anyone who chooses to accept the Love and to learn what is true and untrue insofar as what relates to actually existing.

I wish to add here that none of us who are living with Divine Love in the Celestial Heaven or those of us who are progressing through the Divine Love Spheres, claim ownership of the Father's Truths that we participate with. Part of our learning and awareness is that we are joining in with all that is already ongoing.

Your Celestial friend, Justine.

I (Bartholomew) am here with you to convey a little more on the Spirit Law of Compensation. I would like to present a few aspects so that one may have more vision and perception to work with, so that one can better understand these particular experiences.

When I remark on the soul condition of individuals who are living in the lowest Spheres in their impoverished soul conditions, I know that the individuals residing there have put themselves there due to the way they lived their life. The dynamic of personality is diverse with individuals, and so, from the many human experiences that individuals live, from my perspective here in the spirit world, I can see how the Spirit Laws govern and determine where every spirit is attracted to reside. The individual who resides in the lowest Spheres is living in a soul condition of disharmony and this condition relates directly with the condition of the essence of their natural love.

When the individual chooses to improve their soul condition then more harmony is restored and the individual in their natural love begins their progress out from the lowest of the low Spheres. If the individual in these Spheres chooses to accept by their choice, God's Divine Love then their progress is the same and they slowly progress out from these Spheres. It is not the Spheres that are in disharmony – but the condition of the individuals who reside there; from the life experiences they have lived.

There are many fears that people experience and the cause and effect of fear and how it is created is a dynamic that one will learn about if they desire to progress toward living love. This theme of fear and love, error and truth, cause and effect, and how life experience relates with soul condition, the Spirit Law of Compensation and progression in the Natural and the Divine Love will conclusively reveal the true nature of soul condition in a human and spirit experience. The relationship between harmony and disharmony is just as conclusive.

For people cause their disharmony, and from these causes one lives in the effects of choices to create harmony or disharmony. Why this is important to know is because when one is aware of the Divine Love and how pure and truthful this Love is, and when one begins receiving this perfect Immutable Love into their soul, then the condition of the soul begins to change and it is the effects and causes of disharmony that will change.

In this work I have elaborated on fear and love as the causes of disharmony and harmony in a human experience. If every human were living in love and harmony and aware of the Divine Love, then there would be no need to give comparisons between harmony and disharmony. Harmony exists. Disharmony exists as well because people create it. And so, the need existed to reveal the way the Spirit Laws and Divine Love work in rapport with the mortal soul with the Soul of God, so that one may find their way through their experience of improving their soul condition so that the existence of harmony can be experienced in the living.

I would like to take this time to confirm with you that every person is underway living his or her essence in natural love. When one is introduced to the Divine Love, a whole new world opens up and the identity of all that defines a human life changes perspective. With this awareness the intricate workings

of the Father are slowly revealed as one begins to identify the experience of living with the Divine Love now living within their soul, and how the Father has caused all these attributes into existence that have their working and that we come into rapport with. This is what the spirits know and this is who we are and this is what we have done and so we know whereof and what we teach. All Celestial spirits were once unaware of the Father's Divine Love and now we are aware and living with the Love and this Love has caused the condition of our individual souls to change irrespective of our diverse life experiences and varied conditions within our emotional disposition as individuals. Living with Divine Love has enabled us to know the Father and in this living Truth, each one of us has had to learn this by our acceptance of who we are and our place in the Father's Kingdom.

Your friend, Bartholomew (also known as Nathaniel)

The life force for the spirit body and the physical body is via the soul. The spirit body is connected to the soul via cords of light, and in turn, the physical body is connected to the spirit body via cords of light. Should the light cords between the spirit body and the physical body be disconnected then the physical / material body dies. The physical body is our starting point for learning and experiencing our being. Our learning and growth experience then continues through the existence of the spirit body.

**INDWELLING SPIRIT, THOUGHT ADJUSTER,
MYSTERY MONITOR (all being the same):**

The external elements, instruments of the Father, do not form attributes of our own soul upon its initial creation by our Heavenly Parents, these are the Spirit of Truth, the Indwelling Spirit, and Divine Love.

The Holy Spirit, conveys Divine Love to your soul should you earnestly and lovingly ask for it. This is the only function of the Holy Spirit – Acting Spirit.

The Indwelling Spirit becomes present when we are around the age of six. This means that the unseen helper of the Father and Mother – the Indwelling Spirit – can always interact with the mortal soul and to be of service so that eventually the leadings from the Spirit may be the catalyst for that soul to seek our Parents.

The Indwelling Spirit reveals intrinsic workings of Father and Mother to your soul.

The Indwelling Spirit functions in much the same way as the Holy Spirit, ask and it will provide support and guidance.

The Indwelling Spirit / Thought Adjuster only works with us on the mind, feeling and psychic levels directly with our personality on conscious and unconscious levels of reality. It is the Divine Minister with hands-on help from our attending angels that do the actual adjusting of our mind circuits – of all our circuits, even the physical if need be.

Spirit of Truth becomes active more so when you connect to the Source Soul and commence receiving Divine Love.

You are a spirit person having a physical experience. Your physical body is encased within your spirit body.

The spirit body only exists because our soul wants it to. In the fullness of love, even all our encrustments and wrongness is not actually bad, they are just the nether side of love.

So evil is literally a state of mind, and once you heal it you even feel love for your wrongness and even no longer hate it – that being full self-acceptance. But you can't contrive these feelings or level of awareness, it has to come of itself and will through the higher levels of your Healing.

I (Bartholomew) would like to continue on another theme and this theme is involving the identity of the Indwelling Spirit. There will be those of you who are familiar with the term, 'The Indwelling Spirit', or 'Thought Adjustor'. Every soul in its natural essence has its own attribute of spirit and this is the energy of the soul active or dormant depending upon the individual soul condition. The soul exists in its finite space and image in the spirit body, and as the personality forms, the Indwelling Spirit helps fuse the sum-parts of all the attributes that comprise the individual. Some individuals may never have had any experience of their Indwelling Spirit, whilst other people have identified in their human experience communication or presence with the Indwelling Spirit and are able to discern that this Voice of Paradise is not their own human voice and mind.

The dynamic and function of the Indwelling Spirit helps to organise personality and whilst it is an attribute, it always remains independent of the voluntary nature of the personality. The reason why I am writing on the Indwelling Spirit is so that the individual may understand that living Celestial soul condition is a condition brought about by the direct influences of the natural personality and the Divine Love from the personality of God. The Divine Love does not originate from the Indwelling Spirit, nor can this Indwelling Spirit provide the Divine Love to a mortal soul. The goal for a complete union with God is to fuse the soul attribute with the Immortality of the Divine Love and not to fuse the attribute of soul and personality with the attribute of the Indwelling Spirit. When the soul is changed by its growth from the energy that is developing from having the Divine Love now in it, there are adjustments that transpire between the attributes of soul, spirit body, and personality. These adjustments are required and the Indwelling Spirit can make these adjustments so that all the attributes are growing and developing equally so as not to cause any disharmony in the maturing personality.

It is not a requirement in the human condition of life experiences to have perfected communication with one's Indwelling Spirit that then will guarantee Universal Citizenship and Celestial soul condition. Celestial soul condition is exactly about condition of the soul and whilst there are many attributes that comprise the individual, the Divine Love is required as the key substance to progress the condition of the soul so that a Celestial way of life is lived as a universal citizen.

These words may sound light and breezy from a human perspective but when you factor in all the internal and external realities of Spirit Workings and how each singular working forms the whole experience and vision designed by the Father for mortal and Immortal living, then, the human reality of awareness merges with the spirit reality of awareness and the union of this awareness is identified as humanly living spirit. One can feel the spirit presence as the soul condition develops and the emerging reality of spirit awareness forms a greater part of the normal human awareness.

I would like to say that for most, the existence of the Indwelling Spirit will go by unnoticed and also the active purpose for its being will remain largely unknown to the individual. The Indwelling Spirit is always present making the adjustments it needs to make and who else to have better than this independent fragment of God as each individual human personality takes the journey from the human world into the spirit world upon death of the physical body. The Indwelling Spirit is with the capacity and ability to resurrect and reconstitute the personality in the spirit body so that the functioning

LUMINOSITY of the SOUL can be LIKENED to the FOLLOWING:

1st sphere, lower regions – Natural Love MoC 50+/-
The soul condition of a soul that is obliged to spend some time within the ‘hells’ may be no bigger than a dried garden pea. There is no luminosity and the environment is total darkness.

The typical soul condition of humanity is such that they generate the luminosity of a single candle.

1st sphere, mid regions – Natural Love MoC 210

A soul that has grown in love and soul condition equivalent to the 8th sphere – the point of becoming at one with God, the luminosity of such a soul is equivalent to the midday sun.

8th sphere – only possible with Divine Love! MoC 1,000+

SPIRIT MIND MANSION WORLDS are numbered 1 to 7:

To PARADISE, the HOME of OUR HEAVENLY PARENTS

Spirit Mansion Worlds are those 1 – 7. They with the Celestial Heaven spheres numbered 8, 9, 10 as well as the 3 Spheres of Disharmony are all within the Earth’s environment, and rather close by. Each sphere can accommodate more than 100 times the people than Earth may do.

Natural Love sphere progression stops at sphere 6. With only the natural love, progression is through spheres 1, 2, 4, and 6 only.

One can embrace Divine Love at any time and move to DL sphere 3 and continue.

The Divine Love spheres 3, 5, 7, 8, 9, and 10 were opened by Jesus.

On death of the physical body we all arrive in the 1st Natural Love sphere.

The 2 Planes of Disharmony are the hells. While one desires to cause harm to others, isolation is applied. Once the Law of Compensation is completed then one can then progress and return to the 1st Natural Love sphere and continue in their progression onto higher spheres.

Progression from the top Celestial Heaven sphere is to the Eternal Spheres, Infinite and Universal and further onwards to Paradise.

Celestial Heaven spheres 8, 9, 10 are often referred to as 1, 2, and 3 of Celestial Heaven.

Divine Love perfects one’s natural love soul through the progression via spirit world spheres 3, 5, and 7. Soul-Healing and At-onement is achieved through the progression into sphere 8 which is the first of the Celestial Heaven spheres namely 8, 9, and 10.

Earth is for the individualisation of souls being the commencements of one’s journey home toward the Source Soul.

The Pre-Incarnational Sphere is the waiting area for souls to be individualised / incarnated.

There are seven Earth planes around Earth, which are separate from the Mansion Worlds, but we only have access to two of them, which include the ‘hells’. Each of the Mansion Worlds also have their own seven planes ‘around’ them.

Note: The 1st Divine Love Sphere and the 1st Sphere of Disharmony may simply be planes within the 1st Natural Love Spirit World.

JOURNEY HOME

Our journey home is an ever growing expansion of truth being revealed to us. For Earth's humanity, as for the 37 humanities that have Rebelled, we are quarantined and isolated. Having also Defaulted, Earth's humanity is the most evil of all. Firstly, we are to understand that living through our minds is why we are addicted to untruth and control of others and nature – we are going the wrong way! We are to live feelings first and then heal our Childhood Repression and Suppression – we are to live and express our true personality, the one given to us by our Heavenly Mother and Father. Then our journey home begins!

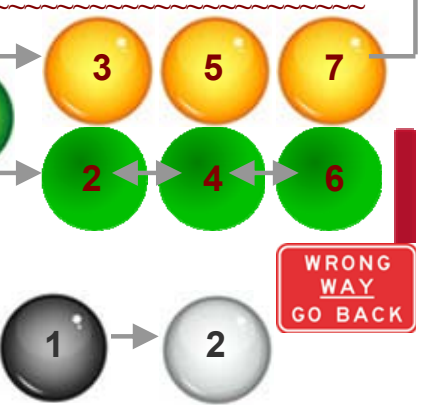

Isle of Paradise is stationary within the circle of seven super-universes. Spheres here are also for us to further grow in truth before arriving home to become Finaliters. Our Heavenly Mother and Father guide us out of our Local Universe of Nebadon, through the rest of our super-universe of Orvonton and into Havona which circulates around the Isle of Paradise, being home.

Each of the seven super-universes are constituted, approximately, as follows and with 1,000,000,000,000 inhabitable worlds:

- One super-universe is 10 major sectors
- One major sector is 100 minor sectors
- One minor sector is 100 local universes
- One local universe is 100 constellations
- One constellation is 100 systems
- One system embraces approximately 1,000 physical worlds

Our Creator Daughter and Son, Mary and Jesus, lead us through the Celestial Heavens for the system (Satania) that Earth is in, then our constellation and then out of our Local Universe. So we interact with 10,000,000 physical worlds of which 3,840,101 are with humanities. Infinite and Universal Spheres – we interact with 100 constellations. Eternal Spheres – our soul group now interacts with 1,000 worlds. Celestial Heavens – we are still to open up to other humanities. Our Avonal Daughter and Son lead us through our healing of the Rebellion and Default and into the first three Celestial Heavens and out of isolation from all other physical and spirit humanities.

Isolation from all other humanities prevails before completing our soul's healing and transitioning into the Celestial Heaven spheres 1, 2 and 3. Hell planes 1 and 2 are of Earth, those who have compensation may have this experience and might then progress up through mind Mansion Worlds 1, 2, 4 and 6 before turning around to progress through Healing Mansion Worlds 3, 5 and 7 to transition into Celestial Heaven.

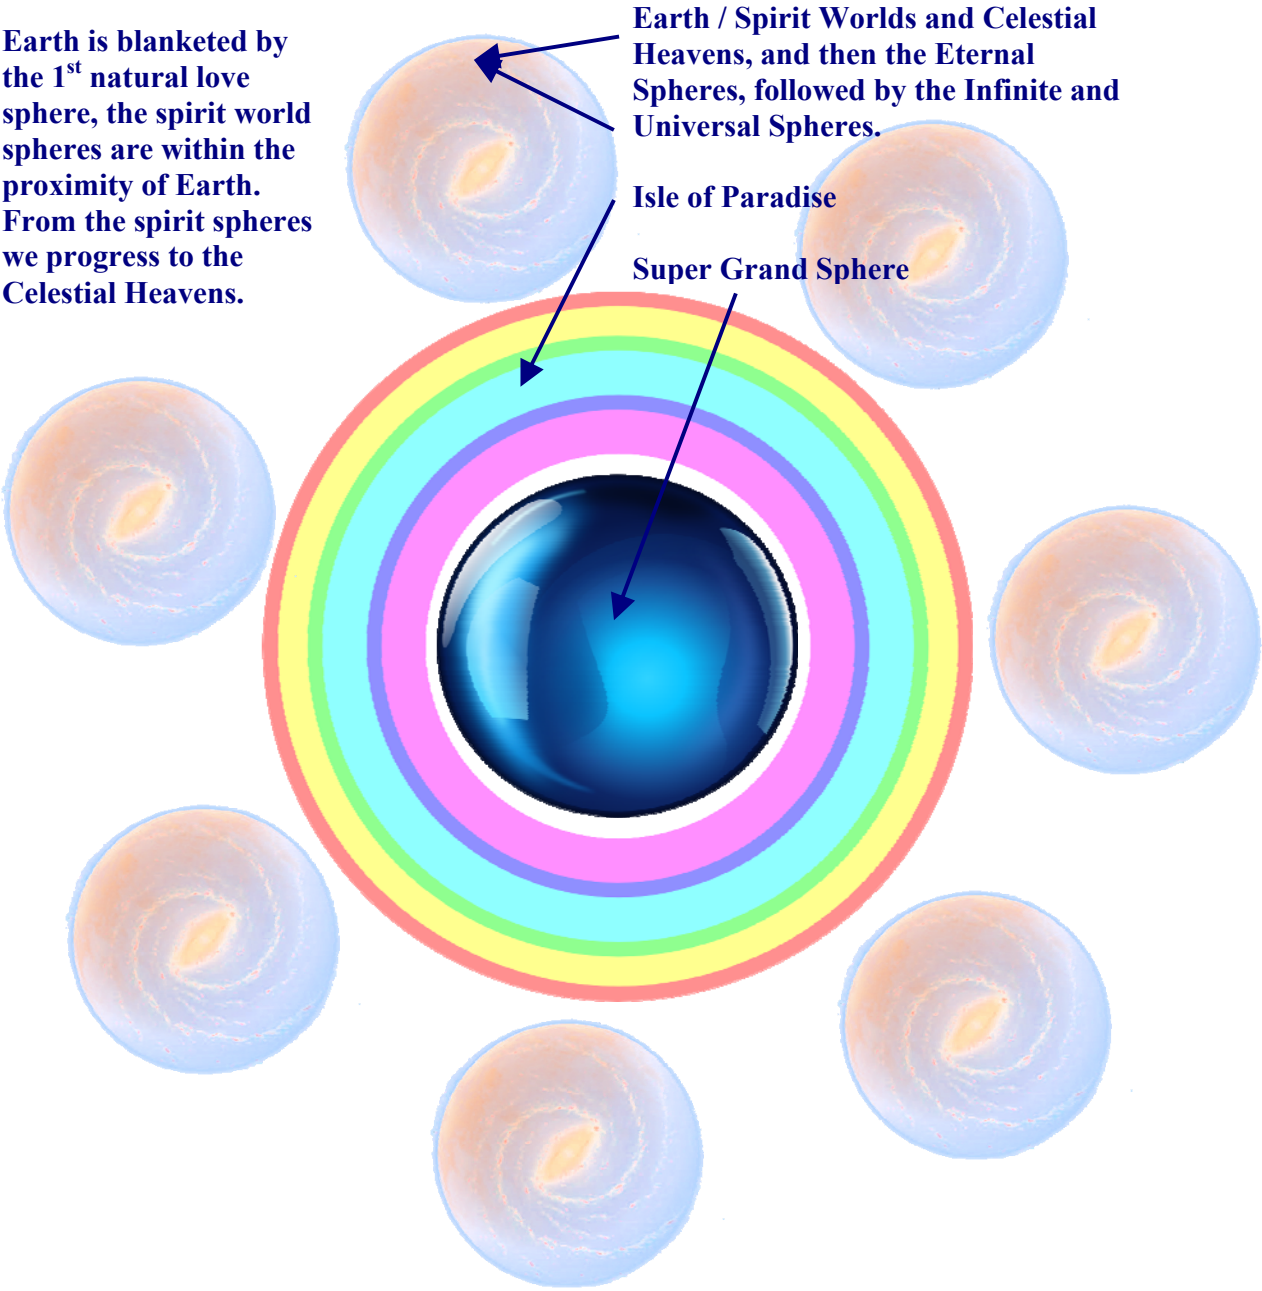

OUR JOURNEY to the CENTRE: HEAVENLY PARENTS are UNIVERSALLY PRESENT:

Earth is one of the youngest inhabited planets on the outer edge of the youngest of the seven super-universes. From the spirit worlds, we progress to the spheres of many mansions, being the Celestial Heavens. From there we progress to the Eternal Spheres, then to the Infinite and Universal Spheres and then towards the Isle of Paradise. The Isle of Paradise remains stationery and is the home of the Source Soul, our Heavenly Parents, Mother and Father.

Our progression is always towards the centre, nearer to the centre of our super-universe.

Earth is blanketed by the 1st natural love sphere, the spirit world spheres are within the proximity of Earth. From the spirit spheres we progress to the Celestial Heavens.

DIVINE LOVE:

<http://www.fcdt.org/divinelove.htm>

The words "Divine Love" have been used in many contexts to convey different meanings. But in the context of our Heavenly Mother and Father, Divine Love is the greatest gift in all the universe. It transcends all else that can assist humankind fulfil their dreams of happiness and have them resolved within themselves. God's Divine Love is the one thing in all of God's infinite universe that can bring about eternal life and everlasting happiness in the Celestial Kingdom.

What is Divine Love?

The Divine Love differs from the natural love of man with which he was endowed when created, which belongs to all humans, and which they all possess in a more or less perfect condition in this: that the Divine Love is that Love which belongs to or is a part of God, possessing Their Nature and composed of Their Substance, and which, when possessed by a human soul to a sufficient degree, makes him divine and of the nature of God.

What is the New Birth?

The New Birth is simply the effect of the flowing of this Divine Love of our Mother and Father into the soul of a man and the disappearing of everything that tends to sin and error. As the Divine Love takes possession of the soul, and one embraces Feeling Healing, sin and error disappear. It, the soul, becomes of a quality like the Great Soul of our Heavenly Parents. And with the Soul of the Mother and Father being Divine and immortal in Its quality of Love, so, when the soul of man becomes possessed of this quality of Love, the soul being the man, this soul becomes divine also. Then, the image becomes the substance; the mortal becomes the immortal; and the soul of man, as to love and hope, becomes a part of the Mother and Father's Divinity.

How does one receive the Divine Love?

The only way is simply this: that men shall believe with all the sincerity of their minds and souls that this great Love of our Mother and Father is waiting to be bestowed upon each and all of them; and that when they come to our Mother and Father in faith and earnest aspirations, this Love will not be withholden from them. And, in addition to this belief, that they pray with all the earnestness and longings of their souls that our Mother and Father will open up their souls to the inflowing of this Love, and that then may come the Holy Spirit to them to bring this Love into their souls in such abundance that their souls may be transformed into the very Essence of our Mother and Father's Love. The soul who will thus believe and pray will never be disappointed, and the Way to the Kingdom will be his as certainly as that the sun shines by day upon the just and unjust alike.

Take the test.

Too often we are told to believe something based on what we are told. You don't have to "believe" anymore. Now you can have physical proof of the existence of God and Their Love for you?

"test my teachings that the Father's Love was now available, and pray for it to the Father in earnest prayer, and see whether, if this was done in sincerity, the Father's Love, conveyed through the Holy Spirit, would burn and glow in the soul, by which sign they would realize His Love was present therein." – Jesus

Take it to heart – earnestly pray for God's Divine Love and feel the glowing of Their Love in your soul. Jesus gave us the Prayer for Divine Love to help us in our prayers to our Mother and Father.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

DIVINE LOVE – what does it do?

The divine gift from asking for and receiving Divine Love will steadily, but with certainty, raise one's quality of life and also of all those around such a person who is seeking and receiving this Love.

The receiving of Divine Love, which is a substance, with certainty, progressively:

- Raises one's love for those around them, whilst embracing one's Feeling Healing.
- Raises one's perception of all things – naturally grows one's intelligence – soul intelligence.
- Enables one to feel and resolve negative emotional issues more readily during Feeling Healing.
- Humility becomes self evident. Humility enables one to feel their errors and emotions.
- Divine Love strengthens one's resolve to express errors, emotional injuries and untruths.
- Divine Love with Feeling Healing to remove emotional errors, enhances one's health.
- Divine Love enables one to become more childlike – not adult serious at all times.
- Divine Love raises one's capability of feeling – no longer needing to be mind controlling.
- By becoming feeling orientated, one no longer is mind / intellectually dominated.
- The strength to fight and overcome sin and error is strengthened through the Divine Love.
- The Law of Compensation process is more resolved by Feeling Healing with Divine Love.
- Receipt of Divine Love grows one's faith, beliefs become faith and then knowing.
- As our faith grows our intensity to ask and then receive Divine Love grows.
- We begin to follow our passions and desires, no longer fear and mind driven.
- Truth being told at all times then progressively becomes a way of life.
- Our quality of life blossoms, our finances and relationships prosper.
- Man creates his own environment, seeking Divine Love can vastly improve one's environment.
- Health carers receiving Divine Love enhance healing outcomes beyond comprehension.
- Receiving Divine Love may assist in bringing a struggling marriage back into harmony.
- You progressively become dependent upon our Heavenly Parents, not self dependent.
- Personal growth in love directly assists the soul condition growth of one's children.
- Divine Love assists one's rate of soul condition to progress whilst embracing Feeling Healing.
- Divine Love is a substance that changes the human soul to that of the Divine.
- Without Divine Love, one cannot progress into the Celestial Spheres (8th sphere and higher).
- Divine Love, with Feeling Healing, enables everlasting Love and Life in the Celestial Heavens.

“The Law of Compensation doesn't operate on isolated actions, but on the overall condition of people's souls, because the deeds are the consequence of this condition. Our behaviour is the reflection of our souls. Never see isolated deeds, always see souls whose condition leads to certain deeds. It is the soul condition which determines the motive and consequently the action. It is our lack of trust in God, this ultimate and definitive trust, which only soul development may give us. This lack is why we suffer.”

Judas of Kerioth 5th October 2001

As you grow in love, illness issues abate, financial security improves, and your treatment of your fellow man is the same as how you would like to be treated. You grow in natural intelligence, your perception on many subjects becomes profoundly more loving and supportive of and for your way of life and how you interact with your fellow man.

This quality of life and love permeates and extends into every facet of your physical life and continues to grow as you progress on your journey within the spirit world.

Your capabilities to ask for and receive Divine Love is a gift between you and your creator, God. You do not need an intermediary, nor do you need to join with any organisation. This is your own personal journey and experience. You can share this with others, but no one can take it away from you.

This Love will elevate the human soul to a condition that it may perceive the spiritual truths which God has waiting to be revealed to His children who aspire to understand the nature of the divine and what their true relationship to Him and their family of souls is.

“Keep faith with God, and be open to His Love, and you will overcome with confidence and, indeed, peace of mind, optimism and happiness, those circumstances that seem to mar the fulfilment of your years.” Mary (mother) <http://new-birth.net/ntr/samuels14.htm>

(sphere / mansion world are same)

5 years to over 10 years to at-onement

‘The difference between what are regarded as two paths, the Natural Love Path and the Divine Love Path, is, essentially, the amount of Divine Love that beings have been able to acquire.’

Quote from Celestial Spirit Richard 22 Dec 2012

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus’ Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair’s guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 mansion spirit worlds and enter the Celestial Heavens where we also interact with other world’s spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind’s distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
 We are to long for the truth of what we are feeling.
 We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren’t allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we’re taken into new ways of looking at ourselves, our feelings, and our life. We’re setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It’s that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit mansion worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

WE ARE Children of God

HOW TO GET TO PARADISE:

Long for the Divine Love
 Long for the Truth
 Long for the truth of your feelings
 Don't deny any feelings: accept, express and want to know the truth of them
 Know your feelings are the key; your feelings are the Way
 Want to end your falseness and being untrue
 Want to understand the truth of your early life
 Use your surface feelings to move deeper into yourself, bringing up your repressed feelings
 Want and long to know the whole truth of yourself
 Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

- 1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
- 2. **ETERNAL SON (ES) – Divine Truth**
- 3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

Our MOTHER and FATHER – Love

- 1. **MARY M and JESUS – the Living Truth**
- 2. **DIVINE MINISTER – Mind (and her Holy Spirit)**
- 3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

- 1. **AVONAL SOULMATE PAIR – the Feeling Healing process – incarnate**
- 2. **DAYNAL – TEACHER PAIRS – they do not incarnate**

So in summary:

LOVE
Mother and Father

TRUTH
Eternal Son (ES)
Mary & Jesus (MJ)
Humanity (H)

MIND
Infinite Daughter (ID)
Divine Minister and Holy Spirit (DM)
Angels, Nature Spirits, Nature (A)

Consider a diamond:

MF

Mother and Father Heavenly Parents

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizediks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

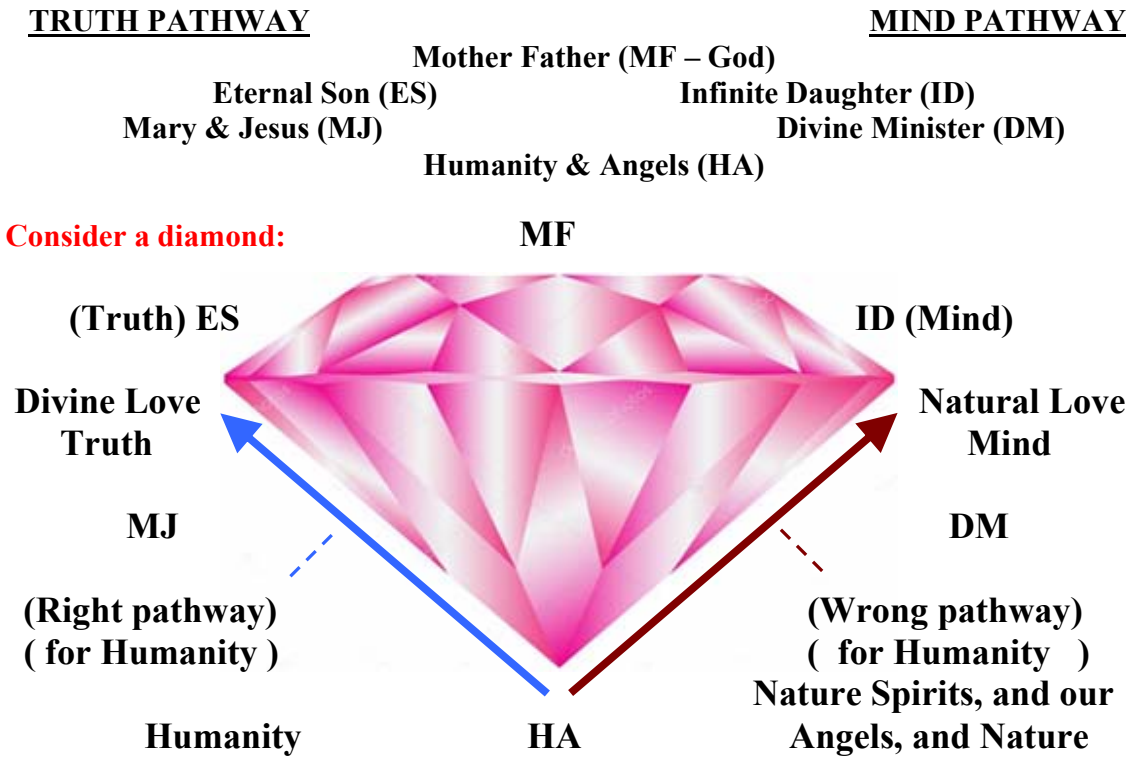

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

Humanity is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

Feeling Pathway

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

Soulmate Pair

Angel

Spirit Person

Nature Spirit

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective

Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

The Only Prayer That Man Need Offer to the Father:

(as given within the first century)
I am here, Jesus

The Prayer for Divine Love

2 Dec 1916

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

P.438 Book of Truths through James Padgett / Jesus

Let your prayer be as follows:

Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.

That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.

We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.

Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.

Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.

Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.

We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.

We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.

Amen

Note: The 'false teachers' are our parents, as they are also the 'evil ones'. Also, the evil ones, being those parts of one's mind, that are controlling you.

Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

Please Mother and Father help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

Please Mother and Father help me see the truth of myself through my feelings.

Please my beloved Heavenly Parents, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

Please Mother and Father, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

Please Mother and Father help me, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

Please Mother and Father love me. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

Please make me feel how unloving I am. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the 'dead' way; the feelings way is the 'alive' way.

Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

Please God show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

Heavenly Mother and Father, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

Please Mother and Father fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

I hate you Mother and Father; why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

I long for Your Divine Love Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

A Personal Adaptation of the Prayer for God's Divine Love:

Joseph Babinsky

Our Father, who art in heaven, I recognise:

That You are holy and loving and kind, and that I am the child of Your care.

That I am the object of Your great Soul's love and tender most care.

That Your will is that I become at-one with You and partake of Your great love, which You have given me through Your desire that I become, in truth, Your child.

That You will open up my soul to the inflowing of Your love, and that then will come Your holy spirit to bring into my soul, this, Your great love in great abundance until my soul may be transformed into the very essence of Yourself; and that there may come to me faith – such faith as will cause me to realise that I am truly Your child and that I am one with You.

Let me have such faith as will cause me to know that You are my Father and the giver of every good and perfect gift, and that I only can hinder and stop the river of your inflowing love.

Let me never cease to realise that Your love is waiting for each and all of us, and that when anyone comes to You with faith and earnest aspirations, Your love will never be withheld.

Keep me in the shadow of Your love every hour and moment of my life, and help me to remain completely focused on this, your ever-present and unconditional love.

I thank You for Your love and for the possibility of receiving it, and believe that You are my Father – the loving Father Who smiles upon me always and is always ready to help me and take me to Your arms of love.

I pray this with all the earnestness and longings of my soul, and trusting in Your love give You all glory and honour and love.

79. *Prayer of the Heart*

16 October 2012

I encourage the heart that prays to the Father for the Divine Love. I encourage the heart that loves the Love, and with sincere aspiration, feels for the Love. If there be any doubt, loss of faith or hardship of heart, I encourage the heart not to give up or give the Love away. The Father hears your prayers and the heart be rest assured in this. Never will a good heart be forsaken. As the Father does so do I, see and hear your heart, and prayers for the Love and the needs for wellbeing. Never give your heart up; trust in the One who knows your true heart, and there the Father loves you. One may never fully understand the intricate workings of time, past present and future, but the heart knows faith and Love and the Father Loves a good heart. Pray with faith, and in your heart my truth and the Father’s Divine Love meet you there.

I have given you this prayer of the heart so that men and women may draw from its words, strength, love and faith

The DIVINE UNIVERSE

300. *Prayer of Love and Strength*

2 February 2013

I am going to write the Prayer of Love and Strength that may help those with their endeavour of heart in the receipt of the Divine Love:

I pray that I may find the love and strength in my heart to love you more wholeheartedly. I pray that I may feel this strength as a living truth in my heart and soul as my weakness, due to my condition in my physical and material struggle, may not become a hardship that casts a long shadow over my day-to-day living in my faith in Divine Love. I pray that I will not give in to any negativity that surrounds me, or to the way that at times I cannot seem to be able to help or forgive myself for loosing faith in The One I love.

I pray that I am receiving Love, your Divine Love that is in great abundance and that my heart partakes of a small portion of this abundant Love. I ask that your Spirit, The Spirit, convey the Love into my soul as I have already been receiving into my soul your Divine Love. I pray that your Divine Love gives greater love and strength to my heart that I may continue in my prayer to receive this Immortal Love.

God, I love you with all my heart even if there be a shadow across my heart, and a lack of humility in my faith and on my behalf for I recognise that you can love me more perfectly and wholeheartedly than I can accept for myself.

God, I recognise that you are Soul and that I am a finite soul and that your Love and Spirit are true gifts for my heart and soul and that I need this Love that you have provided. I pray that from your Love, more finite love and strength in my faith and heart will enable me to love you even more. I recognise that I am doing my best in all that life has given and taken away from me and that in my resolve, my heart knows that your true Divine Love always remains with me and my faith in you. At times I have left you and left your side and wandered all over the place, lost in the shadows of life and in the near-sightedness of my eye and then, I pray for your Love and your Love fills my heart and my love and strength return and I accept that you are loving me at all times when I am lost and found. I give you all my gratitude, love and strength that my heart can give and I desire not to change the world or the spirit world accepting that your Divine Love will change my soul and in harmony together, I will try for a peaceful world.

I have provided you with the inspiration to give these words of love and strength that such words may help one in their experience of God's Love and Spirit.

The DIVINE UNIVERSE

303. *The Immortal Prayer*

6 February 2013

For those of you who are strong, I will continue to sustain this strength because many of you who experience the Father's Divine Love require a great resolve and strength of heart not to give up on the Truth and not to be saddened by the apparent lack of interest in the most beautiful love that you feel and know to be true. I will never prevent myself from being with you, who sincerely desire the Divine Love and, with any feeling of being afraid, alone or insecure, I with my Celestial teachers are present supporting you. There is no shadow in the Divine Love and for those who are aware of this Love in faith love and spirit we celebrate the harmony of God's universe of Love and Spirit.

I pray for the Divine Love, the Immortal Love

Universal Soul God,

My Father, I love and accept you with my heart. I sincerely pray for your Love that will come by The Spirit and embrace my spirit body conveying your Divine Love into my soul. I humbly ask that you love me as I love you, and that you continue to love me when in those times I cannot love myself.

I ask that you give me the strength to voice my faith and love to you, and that you may love me in my weakness and in my strength. I know that I am a soul beautiful to you as you are to me, and that your Divine Love will be the arrival of Truth that my soul has truly longed for.

I pray that your Divine Love will be the arrival from which will announce the departure of my doubt and that such faith, love, strength will come to me that I will never doubt you again. And I will never stop loving you, in the sunrise and the sunset of each day in my life.

I recognise that you are the Source of the Divine Love and the origin of my soul. I recognise that I may have been lost to you but in truth I was never lost to you and now, I am gathering up all my love out of my lost-ness in great abundance because I am aware that your Divine Love is present for my soul and I am free to receive your Love and feel Its' breath of spirit declare in my heart the Immortal Harmony.

I am receiving your Love, I have received your Love, true Universal God, your Immortal Love.
Amen

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on them selves and doing their Healing.

Feeling Bad? Bad feeling are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing.

Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.

Primary and most important readings are the writings of James Moncrief.

Then consider the Padgett Messages, and then The Urantia Book.
