GOALS:

Goals of Pascas Care are lead by our desire to:

Treat the cause rather than the symptoms; this is the focus of Pascas Care.

P.7 Pascas WorldCare – and 500 + Years!

Further stated policy, Pascas Care – Kids of the World:

The greatest gift for our children that we could possibly provide is to enable for them to grow up without fear.

Receiving Divine Love is the pure and simple process of the transformation of the soul; it is gradual, bit by bit, and increment by increment. We are happy and content and satisfied with what is given and been received, yet we hunger and yearn for more of the transforming Love of God. Receiving Divine Love is a beautiful experience that does not scare us away, but continually invites us to higher and deeper depths.

With love, Joseph

BEACONS of LIGHT:

September 15th, 2001

“You always wonder what you can do in practice. You always demand concrete examples and not theoretical speeches. So then, I want you to make a small experiment. Put a cherry in a glass of distilled water. What will happen?”

The cherry will swell more and more, until it finally bursts. Why? The cherry contains sugars and minerals; the surrounding water doesn't contain anything like that. A natural law determines that the water "wants" to equal the osmotic pressure inside and outside the cherry. There are two possible outcomes. The water may enter into the cherry in order to dilute the solution of sugars and minerals, or the sugars and minerals may leave the cherry in order to saturate the water, until there is a uniform concentration inside and outside. But the cherry's membrane is semi-permeable, and it doesn't allow the sugar to leave. Therefore, the water enters with the fruitless intent of equalling the concentration inside and outside, and finally the cherry is destroyed.

Something similar happens when there is a rich country and another poor country. The population of the poor country wants to enter the rich country, and in spite of all efforts, they manage to do so, because the frontier will always be semi-permeable. This may destroy the rich country. But there is another possibility that the sugars and the minerals come out, towards the poor country, and so the population will stay where they are, without any desire for migrating.

No, you are very mistaken. The sugars and minerals are not money, they are OPPORTUNITIES!

We always tell you that it is necessary to try to be as God is. This is impossible, it's clear, but it is necessary to try to love unconditionally, to be good, to help, etc., as God does. And it is necessary to give blessings. But how does God give His blessings? He doesn't give you money on a silver tray; I have already explained this. He grants opportunities.

So, my dear sisters and brothers, grant opportunities. Do this according to your possibilities, be tolerant, don't reject people for their colour, race, religion, political opinion, sex, etc. Grant opportunities. Don't try to monopolize everything for yourselves, grant opportunities.

The lack of absolute harmony causes tensions, and those tensions are set free according to the Law of Compensation. Diminish tensions. You can do this through your harmonious contributions. Love, pray, help, you know already what you can do. The pool of active love in this world, of Divine Love as well as of natural love constitutes the counterbalance, which may remove negativity, bringing humanity nearer to harmony, and it will cause positive effects for all.

Your prayers are like oil, smoothing the running of the gearing, they are like the wind that clears the sky and allows us to see the bright sun and to feel its warmth, which gives us life.” Judas of Kerioth

The divine gift from asking for and receiving Divine Love will steadily, but with certainty, raises one’s quality of life and also of all those around such person who is seeking and receiving this love.

The receiving of Divine Love, which is a substance, with certainty, progressively:

- Raises one’s love for those around them, whilst embracing one’s Feeling Healing.
- Raises one’s perception of all things – naturally grows one’s intelligence – soul intelligence.
- Enables one to feel and resolve negative emotional issues more readily during Feeling Healing.
- Humility becomes self evident. Humility enables one to feel their errors and emotions.
- Divine Love strengthens one’s resolve to express errors, emotional injuries and untruths.
- Divine Love with Feeling Healing to remove emotional errors, enhances one’s health.
- Divine Love enables one to become more childlike – not adult serious at all times.
- Divine Love raises one’s capability of feeling – no longer needing to be mind controlling.
- By becoming feeling orientated, one no longer is mind / intellectually dominated.
- The strength to fight and overcome sin and error is strengthened through the Divine Love.
- The Law of Compensation process is more resolved by Feeling Healing with Divine Love.
- Receipt of Divine Love grows one’s faith, beliefs become faith and then knowing.
- As our faith grows our intensity to ask and then receive Divine Love grows.
- We begin to follow our passions and desires, no longer fear and mind driven.
- Truth being told at all times then progressively becomes a way of life.
- Our quality of life blossoms, our finances and relationships prosper.
- Man creates his own environment, seeking Divine Love can vastly improve one’s environment.
- Health carers receiving Divine Love enhance healing outcomes beyond comprehension.
- Receiving Divine Love may assist in bringing a struggling marriage back into harmony.
- You progressively become dependent upon our Heavenly Parents, not self dependent.
- Personal growth in love directly assists the soul condition growth of one’s children.
- Divine Love assists one’s rate of soul condition to progress whilst embracing Feeling Healing.
- Divine Love is a substance that changes the human soul to that of the Divine.
- Without Divine Love, one cannot progress into the Celestial Spheres (8th sphere and higher).
- Divine Love, with Feeling Healing, enables everlasting Love and Life in the Celestial Heavens.

The Law of Compensation doesn't operate on isolated actions, but on the overall condition of people's souls, because the deeds are the consequence of this condition. Our behaviour is the reflection of our souls. Never see isolated deeds, always see souls whose condition leads to certain deeds. It is the soul condition which determines the motive and consequently the action. It is our lack of trust in God, this ultimate and definitive trust, which only soul development may give us. This lack is why we suffer.

Natural Love Flow

Natural love is Creation's love;

One can swap back and forwards between paths

I am God

Intellectual

Self reliant (trust myself)

Self-determination way of life

Mind dominates

Adult like

Control

Millions of paths (man created)

Peak possibility is 6th sphere

time to complete path:

100 years to over 1,000 years

Divine Love Flow

Divine Love is Soul's love.

I am God's son / daughter / child

Emotional

God reliant (God relationship)

Soul-spirit living harmony

Soul dominates

Child like

Feeling

Defined path (God created)

Peak possibility is infinity

(sphere / mansion world are same)

5 years to over 10 years to at-onement

As you grow in love, illness issues abate, financial security improves, and your treatment of your fellow man is the same as how you would like to be treated. You grow in natural intelligence; your perception on many subjects becomes profoundly more loving and supportive of and for your way of life and how you interact with your fellow man.

This quality of life and love permeates and extends into every facet of your physical life and continues to grow as you progress on your journey within the spirit world.

Your capability to ask for and receive Divine Love is a gift between you and your creator, God. You do not need an intermediary, nor do you need to join with any organisation. This is your own personal journey and experience. You can share this with others, but no one can take it away from you.

This Love will elevate the human soul to a condition that it may perceive the spiritual truths which God has waiting to be revealed to Their children who aspire to understand the nature of the divine and what their true relationship to Them and their family of souls is.

“Keep faith with God, and be open to Their Love, and you will overcome with confidence and, indeed, peace of mind, optimism and happiness, those circumstances that seem to mar the fulfilment of your years.” Mary (mother)

PASCAS CARE CENTRE

A Pascas Care Centre in an emerging economy may facilitate and focus upon the following:

- Medical Clinicians with satellite broadband communication linkage to the core centres within the network.
- Focus on:
 - Pre-natal / post natal services.
 - Immunisation
 - Dental
 - Eyes
 - Nutrition
- General Practitioners / Physicians will be supported by visiting specialist:
 - Obstetrics & Gynaecology
 - Orthopaedics
 - Dermatology
- Units will incorporate:
 - Pharmacy
 - Optometry
 - Physiotherapy
 - Radiology

Day theatre capabilities will undertake a wide range of procedures.

Ozone Therapy unit will have 12 beds / chairs available as well as the AIDs Serum unit will have available a further 15 beds / chairs. Treatments in both segments extend to a wide range of life threatening diseases.

Nutritional training for patients and their family will be facilitated through the attached training kitchen being adjacent to dining / training rooms.

Having extensive office facilities and meeting rooms within the Pascas Care Centre enables Pascas to support the introduction of new technologies to grow employment and skill levels for patients and their families.

The agenda is to treat the cause not the symptoms, as well as to bring gainful employment and prosperity into the community which Pascas serves.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

PASCAS CARE CENTRE

PASCAS CARE CENTRES:

TOTALCARE HEALTH CENTRE & CLINICS

Primary agenda is the provision of capabilities for the expansion of:

- ✓ Support for dental services.
- ✓ Support for eye services.
- ✓ Support for inoculation programs.
- ✓ Support for family planning programs
- ✓ Support nutrition education programs.

Principal clinics to be established in the major centres of each province with provision for Telemedicine units to be deployed throughout the provinces. All clinics and Telemedicine units are to be supported by satellite links to the major Pascas Health Sanctuary, centres of excellence, in Australia and the Bahamas, and subsequently in South Africa.

Specific support will be directed to the management and treatment of HIV / AIDS, malaria and tuberculosis.

Pascas Care is bringing a focus to treating the cause rather than just treating the symptoms of disease. Pascas Care is about wellness and well being of humanity on a global basis.

PASCAS CARE is a holistic complementary health and alternative medicine clinic melding the excellence in allopathy (Western) medicine with the proven techniques of many traditional therapies, developed over aeons.

Hierarchy of Holistic Medical Services

Remote Areas:

- Telemedicine via call centres supported by the medical teams at each of the Centres of Excellence in the Bahamas and Australia, and subsequently in South Africa. These Centres have alliances with world renowned medical units around the world that will be accessed as and when required.
- Telemedicine Kiosk: Through satellite communications, the kiosk enables remote access to Telemedicine diagnosis and treatment. The Kiosk features diagnostic camera, three lead ECG, retinal scanner, a camera for video-conferencing, video screen, vital signs measurement and a defibrillator. Should the Kiosk (being a laptop unit) be unable to communicate with the greater network, in-built diagnostics are able to provide rudimentary analysis of results.

Rural Areas:

- Medical Clinics may consist of as few as one Clinician. However, he/she has satellite broadband communication linkage to the core centres within the network.
- Third world remote clinics will focus on:
 - Pre-natal / post natal services.
 - Immunisation
 - Dental
 - Eyes
 - Nutrition

Urban Clinics:

- General Practitioners / Physicians will be supported by visiting specialist:
 - Obstetrics & Gynaecology
 - Orthopaedics
 - Dermatology
- Supporting units will incorporate:
 - Pharmacy
 - Optometry
 - Physiotherapy
 - Radiology

Integrative Medicine, which incorporates natural healing methods to improve and/or restore function, allows medical practitioners to combine successful natural and complementary therapies within the framework of orthodox medical training, to provide better clinical results with less invasive therapies.

Thus, there is a progression in size and complexity within the satellite health and healing units that can be anywhere in the world, all being linked back to the Pascas Centres of Excellence.

EFFICACY of ALTERNATIVE / COMPLEMENTARY THERAPIES:

Three distinct aspects have to line up:

- ✓ The modality to be worked with needs to calibrate over 600 on Hawkins' Map of Consciousness.
- ✓ The health care provider's soul condition best calibrate over 600, a minimum being 500.
- ✓ The patient / friend must have faith and ALSO improving his/her soul condition.

If the patient / friend has not the intention of participating and desiring to achieve a release of the underlying cause, being an emotional error of some sort, AND is not desiring or endeavouring to lift one's soul condition to that above the first sphere equivalent (MoC 500) then the exercise will most likely fail. The Earth plane / first sphere peak is considered to be 499 on Hawkins' Map of Consciousness (MoC) scale.

If the three above parameters line up then wonders can be achieved.

Surprisingly, these three elements can be monitored with the application of kinesiology thus pointing the way to health improvement and satisfaction for all. Kinesiology is a guide, it is not infallible in our hands, practice and care is required in the practice of kinesiology.

The spirits from the fourth sphere in their work as guides and humanity's helpers in many aspects, of course visit the Earth planes and the Earth itself frequently. They are very interested in the affairs of Earth. But that interest disappears gradually in the course of their spiritual development, as they progress inside this sphere from level to level.

Yes, their art of healing is fabulous. It would be difficult or impossible to give you an idea. Although you have some medical education, you cannot compare what you try to do with what is achieved in the spirit world. To give you a comparison, you would be like working with heavy hammers, and they work with fine instruments used for electronic devices. Diseases which appear so material are not so in fact. The Chinese concept of disease, of the flows of energies, of balance and harmonies, mirrors reality much more than occidental medicine, which certainly has developed a lot by systematic scientific research, but in its materialism it pursues the wrong goals. But you can already notice that many doctors and scientists recognize this weakness and try to widen the reach of their treatments, applying "alternative" methods and pursuing "alternative" goals.

Note: "Occidental medicine" is usually associated with modern medicine since it originated in the West.

Revelation 19: Rapport necessary for spiritual healing.

<https://new-birth.net/samuels-messages/53-revelations/revelation-19-rapport-necessary-for-spiritual-healing-ntr81/>

(This message is referred to as Revelation 30 on page 81 in New Testament Revelations of Jesus of Nazareth)

November 28th, 1955

Received by Dr Samuels.

I am here, Jesus:

The question has been raised by one of the members of the Foundation Church of the New Birth, of which I am the Leader, regarding the delays incurred in healing and the possibility of death taking place before such healing is accomplished on the part of spirits assigned to this task.

Healing can be effected as a result of rapport between the ailing person and the spirit healer; for, when rapport has thus been established, the spirit can work directly upon the sick person without an intervening healer being required to accomplish the healing.

The sick person, however, through faith and prayer, must lift himself above the Earth-plane and attain a spiritual condition on a level which is free of Earth bound spirits, and make possible the contact between the spirit healer and the patient. In spiritual healing of this nature the patient actually raises himself to a spiritual plane higher than the one in which he lives, and comes into rapport with spirit healers. The Divine Love is not necessary for this healing, for many of these spiritual healers are devoid of it, but although they are on a high moral and spiritual plane, it is difficult for them to contact mortals who have not been able through lack of faith and prayers to arise out of their Earth plane condition to establish the rapport with these spirit healers. This is accomplished through a soul operation and is not a mere mental operation that does not come from the heart. That is why the usual genuine mediums of the Earth plane who have no faith or understanding of this law, can do no more than to attract undeveloped Earth plane spirits who have no healing powers.

Again, the patient may be healed through a doctor or a healer whose state of soul is such that he can attract spirit healers, yet the mortal healer can do little or nothing unless the positive faith of the sick man has raised him above the Earth condition I have mentioned, so that the spirit healer can make rapport with him.

When the rapport is made, the therapeutic forces and energies from the spirit world can operate through the mortal doctor or healer, and by their transmitting these forces and energies through him into the ailing person, this can become the means by which the spirit healing is brought about. The spirit healing is actually a therapy or therapeutic treatment which is transmitted from the spirit healers to the patient and acts upon the diseased organs to restore them, but the transmittal is made possible only through faith, which acts as a conductor of these healing forces and energies.

Thus you see that faith that God will help and heal will not only set in motion these healing forces and energies of the spirit world, if God so wills it, but puts the patient into the condition which will allow these healers to do their work, either directly or through the intermediary of a mortal who by his own spiritual condition may attract them. Faith is the reality which permits the healer and the sick person to

make contact with the spiritual forces. That is why I was able to heal many sinners because of their faith in my healing powers, and not heal righteous persons who had no faith. He who has faith creates a condition whereby evil spirits – who intensify or cause the distress to persist – are separated from their control and contact with the patient, so that the spirit healers can make the rapport and operate.

Those who have no faith, and who therefore die as a result of the delay, have died not because of any injustice or lack of mercy or loving kindness on the part of the Father, but because their own lack of faith in His ability to help and heal prevented Him from accomplishing the ministry which He so lovingly entrusted to His ministering angels. The prayers and faith of a loved one for the sick person is very often of great benefit to the sick, for the sincere love on the part of a mortal not only attracts the spirit healers but enables the healing force to reach the sick person through the love which is communicated to the ailing person, and it may sound strange to you, yet it is so, that often the best physician is he who in earnestness of love and sympathy and sorrow sends his prayers to the Father in all faith that He will accomplish what man and medicine cannot do.

And such rapport between spirits obedient to God's word and the prayerful soul is brought about thereby; so that the healing forces are transmitted through him to the sick person he loves. Here is a case of the development of the natural human love operating on a high plane to make spirit contact for healing purposes without the Divine Love, but with His Love operating through man, as in my own case in Palestine when I healed, the healing is far more efficacious and rapid, and I was able to perform instantaneous healing.

In a word, I wish to show that love and faith and prayer in earnestness of soul are realities which perform feats of healing that are impossible under conditions wherein cold intellect and Earth plane conditions prevail.

Second part of message

Received February 7th, 1956

The question arising when death occurs to a loved one, in spite of prayers to the Father for His Love, is one which is important for greater understanding of the Father's wonderful Love and Mercy. Healing process depends, aside from the spiritual forces which are engaged in the work, upon the condition of the organ or part of the mortal body to be restored. An organ which when not under pathological attack is in good functioning order can be restored to its pristine health regardless of the pathological disturbance from which it may suffer. That is to say, a healthy organ when attacked by disease or by some condition causing a malfunctioning of the organ may be restored to normal use through the method of spiritual healing which I have already mentioned in my other writings to you on this subject. But where an organ through normal use has reached a condition of weakness or malfunctioning because of that use, it simply means that the organ in question has reached a point in mortal living where it can no longer be restored to a condition of health it no longer enjoys, and any effort on the part of spirit healers to restore that organ would be fruitless and without purpose.

To be sure, spiritual healing can delay death and restore organs to a state of previous health, but spiritual healing is powerless to provide the body with new organs in place of those which have through normal functioning ceased to function in a way to maintain bodily health. This is what one may describe as old age in the mortal world, which is a normal process for all, except that it may occur at different times with various individuals, depending upon many factors, which need not be discussed here. When this

condition is reached it simply means that the person's time has come to relinquish his tired and worn out body and enter upon his new life in the spirit world. Again, I repeat that the spirits cannot rejuvenate an organ and restore that organ to a condition of health which it did not originally possess prior to the fatal onset of the disease due to degeneration and decay through normal use in mortal living.

I urge you and the doctor, as well as all interested sincerely and wholeheartedly in helping to save and cure a loved one or oneself, to obey the spiritual laws of soul reality and seek the Father, His Mercy, His Loving Kindness, and, greater than these, His very Essence and Nature in His Divine Love which He seeks to pour out on whomsoever craves it in earnest longing of soul. And this power that was mine, and that of my disciples when I was on Earth, may be yours for the sincere asking. Pray again and again for the Father's Love and At-onement with Him.

Master of the Celestial Heavens

Judas of Kerioth

As I see, you are thinking of your dermatitis. Some days ago you realized that it was no longer there; at least you can no longer detect any symptoms of it.

This really is a healing. I know that you never requested it from me, but you desired it, because the symptoms really bothered you. And look, the healing has already occurred. Here you can see the principle once again, that what you really want, comes true. They are desires that come out from deep inside your soul, and we recognise them, and we try to help.

Yes, you are right; all Celestial spirits have mighty healing powers. It is a healing through Divine Love, and as Jesus has already explained several times, for this kind of cure, the patients must elevate their spirituality above the Earth plane level. You did it, and so your desire was fulfilled.

It is the same principle as in the sincere prayer to the Father for Divine Love. Only the purpose is different.

The peak of the Earth planes, the 1st sphere, is the equivalent to 499 on the Map of Consciousness.

Note:

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.

A calibration increase of 1 point is in fact a 10 fold increase in energy.

A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.

Thus the energy differentials are in fact enormous!

Blessing your food achieves an increase of 15 points which is in fact a quadrillion (10^{15}) jump in energy.

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

INTRODUCTION for a HEALTH CARER ENGAGING ASSISTANCE:

Q. So who am I to heal?

A. Not everyone. Most everyone, but some will need temporary relief from their pain, so that they can do other things with their lives, things they couldn't do when they are in such pain. But as you can understand, that pain will still be there in their soul, and one day they will have to return to it and bring it up and out of themselves, all so they can see what truths it has hidden in it for them.

For some people its necessary they feel all of their pain because it will help them to understand more about themselves when they come to see the truth of their pain. So they need the pain in order to find the truth, it all being around the wrong way because of the rebellion against truth.

Possibly the angels might work more closely with people should those people embrace at least the notion of doing their Feeling Healing.

Q. So, what is Feeling Healing?

A. It's looking to your feelings for the truth of what's making you feel bad:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors, making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

And it's possible that you can heal everything that's wrong with you on all levels through your Feeling Healing.

Relief may occur immediately, or it may be later on. One's heartfelt longing for the truth of their feelings, being good and as well as bad, will determine what assistance is provided. It is up to each individual to want to live true to their feelings, and when they do, then the angels will be there to help them.

Release one's pain through expressing one's feelings.

Dr DAVID R HAWKINS:

David Ramon Hawkins, M.D. (born June 3, 1927, died 19 September 2012) is an American psychiatrist, mystic, author and controversial spiritual teacher in Sedona, Arizona. He is best known for his book *Power vs. Force*, in which he writes that applied kinesiology can distinguish the truth or falsity of any statement. He directs the non-profit Institute for Advanced Spiritual Research Inc. and operates Veritas Publishing to publish his books and seminars.

“Make a gift of your life and lift all mankind by being kind, considerate, forgiving, and compassionate at all times, in all places, and under all conditions, with everyone as well as yourself. This is the greatest gift anyone can give.”

“Every thought, action, decision or feeling creates an eddy in the interlocking, interbalancing, ever-moving energy fields of life, leaving a permanent record for all of time. This realization can be intimidating when it first dawns on us, but it becomes a springboard for rapid evolution.”

“The downside of spiritual education is the build-up of the vanity of 'I know' and the devaluation of people who are 'not spiritual'. Therefore it is important as a foundation to spiritual training and education to learn how consciousness manifests as the ego and its mechanisms.”

“It is only the minority of people who seek self-improvement or personal growth. This is because whatever one's self-criticisms, one secretly really believes that one's way of being is okay and probably the only correct one. They are alright as they are, and all problems are caused by other people's selfishness, unfairness, and by the external world.”

Saturday, 5 August 2017: Nanna Beth: David Hawkins is living in the mind worlds, so I am told, and would be of no benefit to you John. His legacy is again one of those things that sits well with you, that you enjoy and can relate to and use as you do. And really it is now for humanity to use what is available to it having come from the mind worlds, because there won't be anything further coming through from them. Now it will be up to the natural inspiration of the individual on Earth, and those who are working with us, those people who want to do their Healing. The ways of the Rebellion and Default are to die, to fade away, however this will happen gradually as people of it still try to advance themselves, their lives and humanity in their wrongness, but the next real new inspiration will come from those who embrace the New Way.

Everything is interconnected.

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

MUSINGS by JOHN:

Thursday, 28 September, 2017

Kevin died on 10 August 2012 without any thought for spirituality and no passion for any religion, other than showing up. On 7 August 2017, he arrived into the 1st Celestial Heaven. Three days short of 5 years!!! He had met his soulmate, Kathaleen, and she arrived a few weeks before him into the first Celestial Heaven, as you may have read.

The writings that followed from Kevin are outstanding. Kevin is now a world teacher!!! He and Kathaleen both are. Neither would comprehend this, but they are. Kathaleen and Kevin's writings answers and leads anyone to the destination we are to find, in our own time.

I would like to contrast this achievement with someone I greatly respect.

David Ramon Hawkins, M.D. (born June 3, 1927, died 19 September 2012) was an American psychiatrist, mystic, author and controversial spiritual teacher in Sedona, Arizona. He is best known for his book *Power vs. Force*, I have read everything I can about his works – 10 books, plus videos, etc. Miracles happened around him spontaneously. The Catholic Church would make him a saint within seconds.

Hmm – Dr David Hawkins has stayed trapped in his mind and may remain in the mind spirit Mansion World for centuries, unless he embraces his feelings. He will remain stagnant and limited in his mind condition. Whereas Kevin is now a far greater and truer teacher than this great mind of Dr Hawkins. What a switch in roles! Kevin has progressed exponentially past Dr Hawkins in soul development. Go you good things, Kev and Kath.

Cheers John

Same day: Dr David Hawkins: Hello John. I have been asked to speak to you through James in this way, you being one of my ardent fans and followers of the principles I developed through my life on Earth.

Your assessment of me is correct, and I did spend time in the mind worlds trying to assimilate all that I did on Earth with all that was happening to me in my new spirit life.

Upon my arrival over here in the first Mansion World I was greeted as something of a spiritual celebrity with a host of mind spirits (as James calls them) greeting me, they being the ones who 'empowered' me to do the so-called miracles I did on Earth.

I want to tell you, it's quite a humbling experience to realise, like many of us who did such marvellous things on Earth, that it wasn't actually our own doing, we were not the sole instigator of such 'happenings', that it was other spirits working through us. And that although I attributed it to God, still I secretly thought it was all my own incredible doing, so to have to accept that I was just a conduit – that I really was, and having little more than an innate ability to be that conduit, I felt a bit flat.

And to bolster my flagging ego, I would tune into those people on Earth who were still thinking well of me, yourself John being one such person. And here again, by doing this, I gave myself a rude shock

having to face the fact and realise that few people truly understood what I was teaching, taking my work and corrupting it for their own gain. And believe it or not, I never thought such a thing would happen. So, who of my 'earthly followers' was staying true to what I taught – who actually got it?

And I kept coming back to you as one of these people John. Admittedly, had I helped you personally, you'd have had an even greater understanding and appreciation of my work, however you accept it as is and haven't corrupted it, and have guided other people to be interested in it. So I have followed you over the years in this, which meant I also took notice of what you were doing in your other spiritual interests, some of which were vastly different to anything I'd ever heard about, or found out about over here in my limited little mind world.

And I write such things in the past tense because I am very happy to say, all of which I am so grateful to you for John, that I have now progressed into the lowest sector of the Divine Love on the first Mansion World. I am learning all about it, and about the Healing, all under the incredibly patient and loving assistance of higher Celestial spirits, like those who wanted me to speak with you today.

So you can chalk me up as one of your admirers, and a mind spirit who has converted to the 'Ways of the Divine Love'. I still have a lot more to understand, this is true, and as it's so different to my earthly and mind spirit way of thinking, will take time to integrate into my way of thinking – which means, to change my way of thinking into a completely new way.

That is all I wanted to say. And although you might think that my coming is rather inconvenient with you having just written about me again, however here I am and this is what I want to say.

All the best to you John. You have no idea how grateful I am to you, and I have a strong pleasant feeling that that gratitude is only going to increase.

Yours respectfully,
Dr. David Hawkins

(James: As I was reading your comparison of the Doctor with K and K, I started to feel the energy building... oh here we go again... he's wanting to speak to me!)

Friday, 29 September 2017: Dear James and John (Noted from Samantha in England)

To be 'used' so fully by Mind Spirits, to create all he (Dr David) did under their influence, all so cunning, that must have felt quite devastating to him and I am feeling a lot of sadness, emptiness and let down with in myself as I understand how it feels to learn that my whole life has not been my own but that of my parents, their will, control and untruth and I have felt feelings of it all being such a waste of my experience being like that, a waste of the personality God created me to be. I am very sad as Dr David Hawkins realised how 'used' he has been, being a conduit for the Mind Spirits, I feel like that too, used by my parents to be as they wanted me to be instead of nurturing me to be myself and help develop the personality God gifted me.

I (Sam) bought 'Letting Go – the pathway of Surrender' by Dr Hawkins and I was very up with all of his feeling work but then felt the change in me with the mind dominant aspect of Dr Hawkins work, it was that I wasn't drawn to and felt myself draw back from it but now he can go on from what he already

knows, go further into the feeling aspect of what he discovered and I am sure he will get so much support in that from the Divine Love spirits that are guided to help him. Isn't that just so wonderful John, to have that help, like you have in Kevin and Kathaleen.

CONCLUSION:

David Hawkins' own story explains that the 'Letting Go' process is inadequate. The 'Letting Go' publication and process is his own research. Pure and simple; Dr David was knocking on the door, but that process was unable to open the door.

Again, his own story now endorses the Feeling Healing process!

This leaves no doubt as to the veracity of what Marion and James and Samantha are doing. It is THE ONLY WAY! The only way being the Feeling Healing process coupled with Divine Love.

This clears away confusion for many people who may explore everything. Other emotional processing and releasing modalities simply do not delve far enough into one's injuries and errors of belief. Yes, they provide some temporary relief, but none of them go beyond the mind and into the soul to the core and foundation of our injuries, all of which stem from our childhood upbringing.

Dr David Hawkins has now clearly put aside his own teachings and confirmed that his and all other modalities are inadequate.

Now, we all can focus upon the only way home!

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

Firstly, consider discovering the truth of your emotional pain through Feeling Healing.
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.
Primary and most important readings are the writings of James Moncrief.
Then consider the Padgett Messages, and then The Urantia Book.

Release one's pain through expressing one's feelings.

If a girl spends only 2 years at school, she is likely to have more than 7 children. If she spends 6 years at school, she is likely to have around 4 children. If she spends 12 years at school then she will have only 2 children. World poverty is best averted by the tool of education in the first instance.

Symbolically, the iceberg is a good representation of the undiscovered potential in all of us.

The DD-CODE is the only discovery which can eliminate illiteracy the world over and virtually overnight.

**DD-CODE:**

For hundreds of years governments, universities and hundreds of thousands of teachers have looked for a 1 to 1 sound-to-letter correspondence for decoding in reading, an equivalent to Einstein's $E=mc^2$ for reading if you like, and we are pleased to report that Joseph Mamone and his family have found it.

The DD-CODE™ provides for the development of the English language in a person who has little or no exposure to reading the English language. It also develops the ability to speak without a pre-existing accent, i.e. Europeans and Asians can be taught to speak with an American mid-Atlantic accent or and English Oxford accent. This particular feature of the program, which is unique, addresses the market need for improved socialisation and the removal of prejudice which may be influential in job applications and career development. It is also the means whereby a national or indigenous language can be preserved.

The program is innovative in itself. By the use of the DD-CODE, which is the key to language, no other product teaches in this manner, nor can they produce the desired result in the same time frame.

No other product teaches in the same manner or produces the same results in the same timeframe as using the DD Code, which is the key to language. Future product has been developed, but is not yet ready for the market includes teaching of English with accents of countries such as England, Ireland, and South Africa. Further development can provide similar programs to teach other languages i.e., Indonesian, Vietnamese, Spanish, French, etc.

Applications of the DD-Code Option Text to Newspapers, on and off the Internet and to Internet Home Pages themselves will breakdown international language barriers of all kinds and will be the greatest single promoter of amity between nations ever known.

VEDIC MATHEMATICS:

Vedic Mathematics by BHARATI KRSNA TIRTHAJI (1884-1960) – **This** epoch-making and monumental work on Vedic Mathematics unfolds a new method of approach.

It relates the truth of numbers and magnitudes equally applicable to all sciences and arts. This now famous book has launched a thousand websites. A highly intelligent and sophisticated system of Intuitive or Clairvoyant Mathematics based on 16 Sutras or Word Formulae.

In this program, children learn how to accomplish rapid calculations... mentally. Most children are visual, and possess the ability to tap into 'Pattern Recognition' which is the key to rapid mental calculation.

Jain gives an opportunity to grasp an understanding of the 16 basic Sutras or 'Word Formula'. This ancient knowledge can solve all known mathematical problems by using an ancient but simple system of MENTAL ONE LINE ARITHMETIC, used by Hindus over 2,000 years ago.

3-DIMENSIONAL GEOMETRY:

Students find out why the shape of the Pine Cone is optically similar to the Human Heart, why we are awe-struck when we view sacred architecture like the Parthenon, why we are attracted to the proportions of the famous Mona Lisa. Essentially, the human body is in resonance with the Living Mathematics of Nature.

Explore the hidden mysteries within the 5 Platonic Solids which are the key to nuclear geometry. What is the importance of the Star Tetrahedron (the 3-Dimensional version of the Star of David) having 24 faces and 24 edges? How does this link to the 24 edges of the Cuboctahedron, the compressible and alchemical shape that was revered by Buckminster Fuller (who designed the first geodesic domes).

MAGIC SQUARES:

Students learn how to translate Numbers into Art by merely connecting the first number (1) to the last number (9). This is the Path of Least Resistance... exquisite Atomic Art patterns are created that are inherently encoded with much Ancient Knowledge.

The ancient Magic Square of 3 x 3 (also known as the "Lo-Shu" in ancient China, C17th BC) is also the centre of the Tibetan Calendar / Cosmology. It is a timeless mathematical harmonic whose sums of the columns, rows and diagonals all add up to and vibrates to 15. Symbolically this Magic Square creates Order amidst Chaos, and Equality in All Dimensions.

CHALDI COLLEGE

Education is the paramount foundation of a Pascas Care Centre. Within impoverished and suppressed communities, an un-educated girl will have many children. If a girl spends only 2 years at school, she is likely to have more than 7 children. If she spends 6 years at school, she is likely to have around 4 children. If she spends 12 years at school then she will have only 2 children. World poverty is best averted by the tool of education in the first instance.

- Chaldi College, as a segment of a Pascas Care Centre, will provide innovative educational initiatives. These are short course programs and are focused both on the adult as well as the child. Firstly are health education programs.
- The educational platforms will incorporate the capabilities of Steiner Schools as well as Shchetinin Schools. In a small city in southern Russia there is a remarkable Lyceum school established by Dr Shchetinin. Its students come from more than 40 different nationalities. **New approaches to moral and intellectual education allow students to cover the full school curriculum in the space of a few years (3 years), and to earn one or more academic degrees by the time they are 15-17.**
- Through Chaldi College, there will be introduced into regions, new technologies with appropriate training to enable their deployment and the establishment of new industries within the proximity of the Pascas Care Centre. We have had many innovators bring to us their inventions.

Feelings first

LIVE FEELINGS FIRST

FEELINGS FIRST For Kids

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

Three Great Truths:

- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

EVERYTHING MAY BE IN PLAIN SIGHT:

Social groups who often fail to blossom generally reflect two distinctive characteristics:

1. A dwelling upon the past.
2. Community teachings that are inadequate.

Spiritual teachings that generally date back two thousand years or much longer all have core understandings that have been distorted over time and, most impactfully, the omission of important truths continues to be the barrier to growth within such communities.

Members within communities express depression and anxiety when the simple truths are easily to be provided and shared without disruption to existing ways. It is only through these gifts of truth will community issues abate and subsequently be put aside.

They have clean water to wash and bath in.
They have food that is harmonious with Divine Love in abundance.

GAOLS of PASCAS for the KIDS of the WORLD:

The only aid that really helps to repair damage is aid that gives the hungry a future as well as a meal today. Emergency aid is vital but it must be linked to long-term improvements in the life situations of the hungry.

One of the ways in which help is most needed is in the area of education in its widest meaning.

A plan to follow:

1. Effective aid comes more often from agencies at work than from government aid.
2. Effective aid is often a package of measures.
3. Effective aid is concerned with making repairs and improvements that are sustainable.
4. Effective aid is organised in partnership with the local people.

In this we are to deploy all the resources of Pascas Care, New Biosphere Agriculture, Chaldi College and all of the technologies being made available through Pascas WorldCare as considered appropriate, for the long term benefit of the communities that we are invited into.

We may see the emergence of a gift economy, rather than a monetary economy, come into prominence during this process of sharing.

The greatest gift for our children that we could possibly provide is to enable for them to grow up without fear.

CHILDSOS = CHILDHELP:

CHILDSOS is to be based on the experiences of **CHILDHELP**.

**CHILDHELP & JOURNEY PROCESS**

Childhelp exists to meet the physical, emotional, educational, and spiritual needs of abused and neglected children.

We do so by focusing our efforts in the areas of treatment, prevention, and research.

Sharing **The Journey** process with kids is a practical and effortless way to help children clear personal issues liberate the innate genius within, allow natural abilities to shine and their spirits to soar. The results kids experience is as profound and deep as with adults attending The Journey Intensive programs.

Child help as well as parent help support is incorporated within Pascas Care Centres capabilities.

Everything is Inter-connected

The New Way: Learning how to live true to ourselves by living true to our feelings.

EVERYTHING is INTERCONNECTED:

Pascas may present itself as a simple one room educational unit within a community, or it may be a facility that has all the elements at its disposal available to the community. A Pascas Care Centre may involve a comprehensive medical centre with day theatre operating facilities, Pascas Café, a Chaldi College unit for the education of all age groups, a New Biosphere Agriculture unit facilitating fresh food supplies for thousands of people. Such a major installation would also be a demonstration of new technologies that can be employed by the local community. Such a major facility would also be a training unit for the establishment of other regional Pascas Care Centres of varying scale.

Everything is interconnected. A simple health episode may involve the introduction to a friend visiting the centre new ways of diet and preparation of food, new ways of applying technologies that are new to the region, also new industries and employment resulting from these technologies, new ways of education, but most of all, the way to lift one's loving lifestyle.

All aspects of our life are interconnected, all aspects of what we do interacts with all those with whom we come in contact with.

We all have free will, thus what we as Pascas introduce to our friends, they are always free to reject or embrace as they please. We are there to support them in their growth should they wish to enjoy the gifts that we have to share.

Enjoy the journey.

U-TURN for HUMANITY:

Why are we doing a U-Turn?

We are doing a U-Turn **because** the year 2017 heralded the end of the Rebellion and Default. For two hundred thousand years, humanity has been going in the wrong direction.

What is this fundamental step that will change our way of living?

We are to come to understand / know the foundational cause of all our feelings, both good and bad. As we explore and investigate our feelings, each time they arise, one by one, we are to talk them through, express them to a companion or friend or anyone who will listen. As we express them, while at the same time coming to understand how they have come about, we will find that they will be resolved and that they will not come up again.

**Feeling
Healing with
Divine Love is
the key!**

We will find that all of our feelings / emotions have their foundations from our childhood. And by childhood, that is from the time of one's conception all the way through to about the age of six. It is the repression of our childhood feelings that is the base or foundational cause of each and every one of our adult personality issues, pains, difficulties, illnesses and distressful life experiences.

We have to see the whole truth of our negative or self-denial state, before we can heal it and be free of it.

The vital difference between **emotions** and **feelings** is:

- emotions have their roots in the past,
- feelings relate to the present moment,
- emotions represent feelings not previously expressed,
- and these accumulate over time.

Many emotional clearing processes encourage us to look into our feelings, however, none go so far as to drill down into the core foundation of any emotional feeling to the point that we strive to KNOW the core issue, the origin of the feeling, be it good or bad, and actually come to know what it is!

The *Journey Process* is generally known worldwide. It stops short of longing to know, that is asking for the knowing of the events that brought about such a feeling. Yes, we are to acknowledge the feeling, say being angry. Then accept that behind that anger is the feeling of being small, and then look at the underlying reason of why we are feeling small. What is the truth behind that feeling? Ask our Heavenly Parents what is behind all of this feeling. What is the foundation, the origin of the feeling? All the time talking it out, expressing it, with a friend. The expressing of the experience is the release of the emotion / feeling, this is what removes it for ever from within our essence, our **soul**.

Why ask our Heavenly Parents? I thought God was just God – singular?

This is part of the revealings that have been unfolding for us very recently – that is – since 2002.

We are made in the image of God. This has been understood for centuries, for 2,000 years. Our soul is duplex. Our soul expresses itself through two personalities. One soul ‘subdivides’ into two, one half always being female and the other half always being male. We are a reflection of how God is. God being one Soul is expressed as Mother and Father. God is two personalities. They are soulmates. And each of us has a soulmate, and our soulmate is always of the opposite sex, because the Mother and Father are the opposite sex.

Thus, when we long for the truth behind a feeling, then we can long to our Heavenly Mother and Father. Only they can tell us. No spirit personality can tell us. No canonised saint can tell us, we may as well ask our next door neighbour. That would be just as productive. Mary and Jesus can’t tell us, as they are also spirit personalities.

I was taught that Jesus was God? And what is this about Mary?

Mary of Magdalene and Jesus of Nazareth were both born free from sin. Neither of them are God. They are both children of God, just like you and me.

History needs to be corrected. Both Jesus of Nazareth and Mary of Magdalene became at one (At-One) with our Heavenly Mother and Father during their physical lives here on Earth in the first century; Jesus in the year 26CE and Mary in the year 33CE, or thereabouts. Jesus died aged 35 (born 7BC died 29CE), and Mary died aged 47 or 48 (born 2BC died 47CE).

Further, their sojourn on Earth was the completion of their process to become the full Regents of the sector of planets that is referred to as Nebadon. The region within our super-universe that is referred to as Nebadon contains 3.8 million inhabited planets. If you look into the night sky, each star / sun potentially has between none to three inhabited planets within its orbit. Within Nebadon, the soulmate pair, namely Mary and Jesus, are our Spiritual Teachers of Truth. Their domain is all 3.8 million physical planets plus their associated spirit worlds. Each physical world has seven associated spirit worlds, which is the case for Earth being one of the 37 that have rebelled.

Some 200,000 years ago, Lucifer with his soulmate and his deputy, Satan with his soulmate, brought about a rebellion on 37 of the inhabited planets within the region called Satania, one of the local universal systems of Nebadon. Earth compounded the situation through the Default of Adam and Eve about 38,000 years ago. Thus the population of Earth, being in the worst condition through the Rebellion and Default, became the location for Mary and Jesus to have their physical experience to complete their ascendancy to full Regency of the local universal system being Nebadon.

Their lives on Earth was the start of the unravelling of the Rebellion and Default. Upon Jesus becoming At-One with our Mother and Father, he was then vested with the authority and power to have the Lucifers and Satans arrested, and they now reside exiled within a prison world.

Notice that there were no records of Jesus and Mary’s teachings and experiences made during their physical life. That was because they did not specifically come here for us, they came for the benefit of all peoples of all planets and spirit worlds throughout Nebadon.

As they are Paradise descending spirits, they have **Spirits of Truth**. Upon Mary and Jesus' death, they released their Spirits of Truth. As spirits, Jesus and Mary are how we will be, once we've finished our Soul Healing. They can only be in one place at any one time. However, it is their Spirits of Truth throughout Nebadon that we can connect with for guidance. It is through their Spirits of Truth that spirit personalities can progress through and out of Nebadon.

Those planets that have Rebelled need further assistance, and they need it on a localised manner. This can only be provided by another bestowal of a **Paradise Pair**, and that is in the form and manner of an **Avonal soulmate pair** who come here specifically for us.

What is the purpose of an Avonal pair, and are they here on Earth?

Unlike Jesus and Mary who were always free from sin and did not experience how to heal themselves, the Avonal pair are to experience all of the extremes of evilness and then proceed to heal themselves. Mary and Jesus through their bestowal on Earth ended the Lucifers spiritual rebellion in Nebadon; the Avonals bestowal is primarily concerned with ending the Default of Adam and Eve by the Avonals themselves personally healing the effects of such a damaging Fall.

The soulmate Avonal pair are to be, and have been, subjected to the extremes of childhood suppression and repression, and then, through their Feeling Healing, are experiencing all the facets of emerging truth as they slowly progress through a protracted and difficult healing process. As they reach specific milestones, this also enables those in the Celestial Heavens, (the three worlds where Celestials reside) to be empowered to assist us in the physical on Earth.

The first considered milestone was the arresting and imprisonment of the Caligastia soulmate pair and the Daligastia soulmate pair. After the arrest of the Lucifers and Satans in the first century, as nothing further occurred, the Caligastias and Daligastias continued on from spirit as if they were kings and queens, suppressing all of humanity and with plans to take over the universe. It was possibly in the early 1990s that they were 'judged' and 'removed'. They were caught unaware that an Avonal bestowal pair were on Earth.

How is all this becoming known? Has Jesus and Mary communicated directly to Earth?

Unlike in the first century, when no records were kept (as the event related to all of Nebadon and it was actually setting the stage for the Avonal bestowal pair to arrive on Earth), every effort to retain records in great detail of this current series of events is now being attended to. Consider this. The New Testament of the Bible is some 300 pages. The records of the Second Coming, which this is, the primary records are possibly 6,000 pages, with direct complementary records increasing that to over 10,000 pages and with all the supplementary records to date, there may be as many as 40,000 pages, certainly well over 30,000 pages of material presently.

Jesus directly communicated through James Padgett from 1914 to 1923. Mary of Magdalene (Mary M) has directly communicated through James Moncrief from 2002 and is ongoing. Jesus has also communicated directly through James Moncrief. Neither have ever directly communicated through any one else, however, some Celestial Spirit personalities have provided information through other

personalities on Earth with the support and approval of Jesus and Mary, thus some confusion, though the quality of the information is very reliable.

You say this is the Second Coming? You say I am living during the time of the Second Coming?

Yes you are. And it's more than that. This is the Second Coming, the End Times and the Handover!

In fulfilment of the prophecy in the first century, the Second Coming commenced on 31 May 1914 through the writings with James Padgett and concluded in 2014 through the writings with James Moncrief.

The End Times are well advanced. Mary and Jesus are well advanced in handing over their direct involvement with Earth to those within the Celestial Heavens. When this is completed, the Handover will also occur. **The Hand Over is to the Avonal Bestowal pair** and it is they who will guide the population on Earth through their Feeling Healing processes for the next 1,000 years, being the next spiritual age. The Handover will take place after the Avonal pair complete their personal Healing of the Rebellion and Default. Then will follow with their Spirits of Truth being officially liberated in alignment with Mary M and Jesus' Spirits of Truth upon their death.

Major events have occurred with the progression of the Avonal pair's Feeling Healing, which they are also doing whilst embracing our Heavenly Parents' Divine Love, thus they are doing their Soul Healing.

Early 1990s:	The arrest of the Caligastia and Daligastia soulmate pairs.
22 March 2017:	Negative spirit influence was blocked.
31 March 2017:	Angel assisted healing will become available upon the Avonal pair completing their own Feeling Healing, being with Divine Love, thus it being Soul Healing.
22 May 2017:	Law of Compensation quickening.
2 December 2017:	Psychic Barriers maintaining the Rebellion and Default were cracked.
8 December 2017:	Bring on the money to 'house the future of humanity' .
31 January 2018:	Earth and the seven associated Mansion Worlds (including the two Earth planes) are officially now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default.

How does this all fit into our future way of living?

This time, in the history of humanity, is the most exciting time ever experienced.

The whole human race is suffering from repressed childhood and mind control.

Through one's Feeling Healing, and should we embrace our Heavenly Parents' Divine Love, then with their Love we are doing our Soul Healing, and eventually we can live totally in accordance with our soul based feelings and live free from error – no more fear and no more physical illnesses is possible!

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

Our soul is always perfect. In fact, we are the complete package. All that we need to know is within our soul. This knowledge has been denied from us since the time of the Rebellion and compounded by the Default. That is what was brought upon us by the Lucifers and his cohorts. We have always been meant to live true to our soul based feelings but we were taught to embrace our error riddled mind – this was aided by our parents – unknowingly all parents have taught their children to be mind dominant. **This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

“Many people look for a person, spirit, angel, even God, for supreme guidance, however it’s all right there already built in – in our feelings. **Feelings** guide us through our **ascension of truth**. So they are really our Supreme Guides. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it’s there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: **Longing for the truth of our self, because: we are our feelings**. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.”

Kevin of the 1st Celestial Heaven 26 September 2017

(Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.)

It is through the assistance of the Spirits of Truth of the Avonal Pair, upon the completion of their Soul Healing, that we will be guided through our Feeling Healing process, and should we embrace our Mother and Father’s Divine Love, then our Soul Healing.

Then should we embrace Mary and Jesus as our Spiritual Teachers of Truth, their Spirits of Truth will lead us on the path through the Celestial Heavens where we will certainly meet up with our soulmate and join our soulgroup, which will eventually consist of twelve soulmate pairs. Then as a soulgroup, the Spirits of Truth of Mary and Jesus will lead us up through and out of Nebadon towards Paradise.

It is then our Mother and Father in Paradise who draw us to them and we will eventually meet our Heavenly Parents.

Meanwhile, while we live on Earth, we will have assistance and guidance previously denied to us throughout the era of the Rebellion and Default. Under the Contract controlling and managing the Rebellion and Default, the powers and capabilities of our Celestial Heaven spirit personalities, all three worlds of them, were heavily restricted and almost of no assistance to us at all. Further, Nature Spirits and our Angels were heavily denied contact with us physical people because of the Rebellion and Default, all of which is soon to change, so we can look directly to them for help concerning healing ourselves and understanding all aspects of nature.

As we embrace our Feeling Healing, Celestial spirits will and can greatly assist us. In fact, during the year of 2017 they have blocked all mind spirits from the Natural Love Mansion Worlds: 1, 2, 4 and 6 from interfering with us. Celestials have taken control of all facets of living and life on Earth. Celestials are those spirits who have completed their Feeling Healing and progressed through Divine Love Mansion Worlds 3, 5 and 7 and now live in the higher Celestial Heavens, 1, 2 and 3 (when we

become At One with our Heavenly Parents then we leave the Mansion Worlds and progress through the next three spheres related to Earth, hence the Celestial Heavens are also referred to as being numbered 8, 9 and 10).

The Nature Spirits of Earth, who live in the third Earth plane, can now directly interact with those who are embracing their Feeling Healing. Nature Spirits are essentially ‘angels in waiting’. They have been on Earth prior to anything that we now see living in nature. When they first started to arrive, there was no life in the seas or on land. They have consequently witnessed everything that has happened on Earth, including all prior human civilisations that we continue to largely remain ignorant of. Their knowledge and assistance is of great importance to us. We are to interact with them on an ever increasing scale. They are to become an invaluable source of information for us concerning how we are best to live with nature.

Further, we may become more aware of our **Indwelling Spirit**, which arrives for each of us during our sixth year, as we now progress with our Feeling Healing, or with Divine Love, our Soul Healing.

And all of this is possible as we embrace our Feeling Healing process, acknowledge and accept the Avonal pair, acknowledge and accept our Spiritual Teachers of Truth, namely Mary and Jesus, and more importantly, grow to love our Heavenly Parents, our true Mother and Father.

We do not need intermediaries, rituals, liturgy, dogmas, creeds, fancy clothing, or institutions. It is our soul based feelings and expressions that we may exchange directly with our Heavenly Parents. Groups may form to assist each other, and that is our choice and within our free will.

This is the greatest event in the history of humanity.

This is the Great U-Turn that humanity will embrace throughout the next 1,000 years. MoC 1,480

The New Way, Feelings First Spirituality
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.
 Want to understand why you're feeling them.
 Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
 Your feelings are your spiritual guide.
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.
 It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

LOVE is the Religion of Feelings, being:
