HARMONISING ENERGY

The greatest harmonising energy in all of the universe is the light golden blue energy substance called Divine Love. This ultimate high octane super fuel is the greatest gift to all of humanity, and all one needs to do to receive it is to ask for it!

So few know and recognise that our Mother and Father's Love is a substance that harmonises all the negative and imbalanced energies associated with emotional errors and injuries, beliefs that are false or in error, and those aspects of our living that we may feel are constructive and loving but are not. We can depend upon perseverance and persistence to grow towards a wholesome personality, however that may take eons. Or we can embrace the greatest gift and recognise loving wonderful growth within a very short period, from months to a year or so.

Why do we find ourselves in this position of having harmful natures? When our soul, our real self, was created it was and remains a wonderful beautiful loving personality. What changes? When we are incarnated, which is the time of conception of a new child, our soul becomes connected by cords of light to the newly forming spirit body which is the template for the newly forming physical body. Our soul commences to absorb the natures of those within its environment. Significant of those is its mother. Added to this is the father, siblings and family associations. This absorption of personality traits within the growing baby continues until around the time when the young child's cognitive skills start to take control. From conception to around the age of seven the child's soul condition progressively adjusts to reflect one or the other parent. If the parents are in harmony then the child will attain a soul condition the same as its parents by this young age.

Thus, one can now see why generation after generation the same social norms are perpetrated. The growth of the soul condition within the family may take centuries to be significant!

Unless there is a major effort by a member of the family to step above what has prevailed within the family, the family issues continue. Emotional errors and beliefs, though residing within one's spirit body mind, reflect through one's physical body. Medical sciences see these as genes. We can change our genes by releasing and discarding these emotional errors and beliefs. Hereditary health issues are hereditary norms that are handed down from generation to generation.

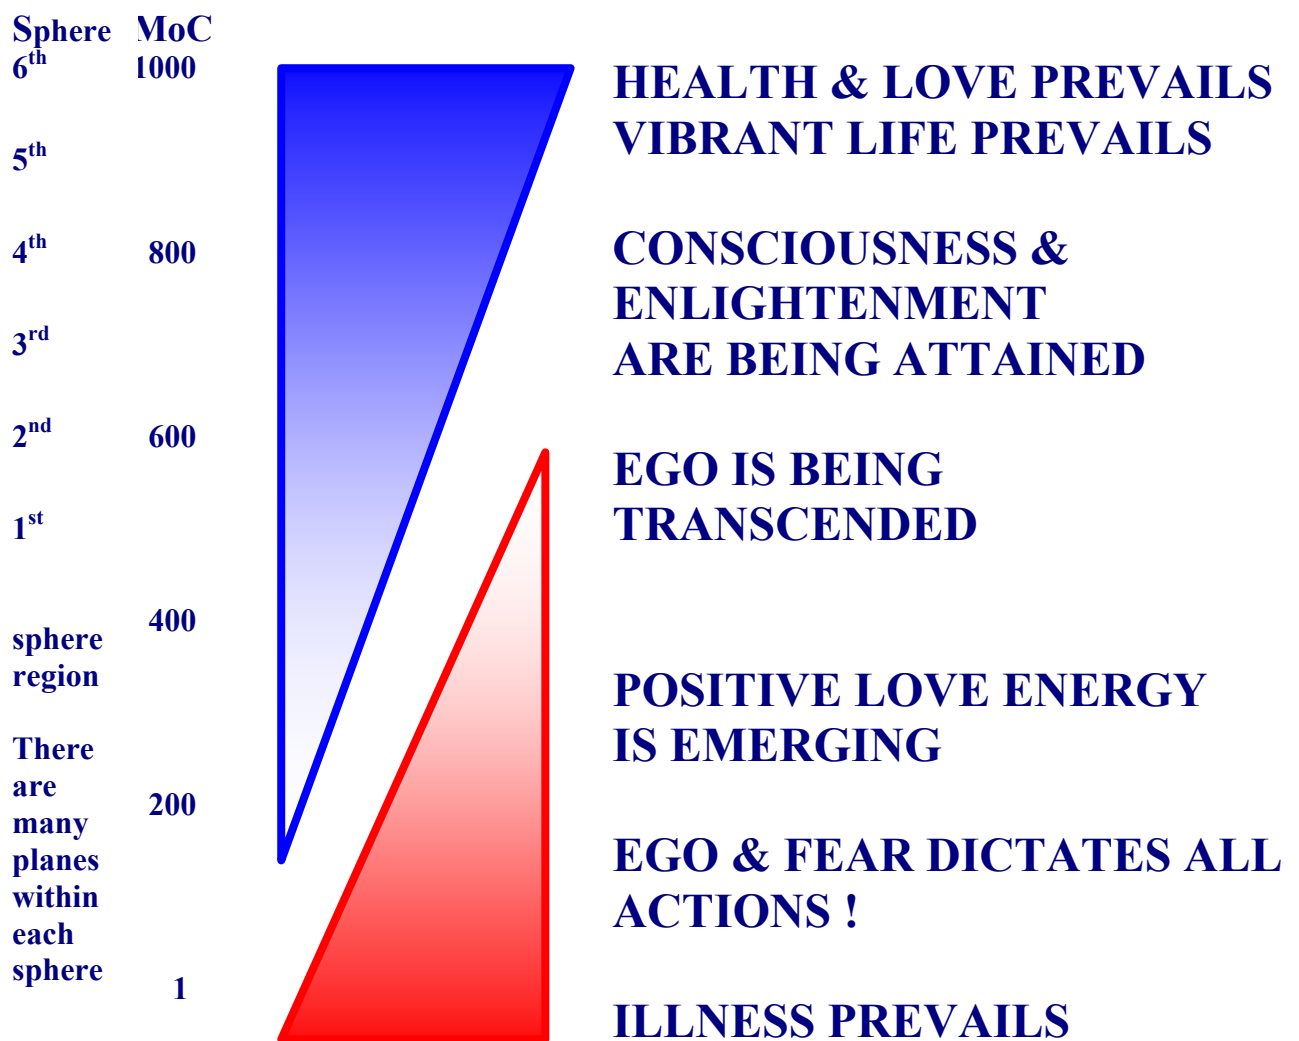

Harmonising Love Energy Before After

The wonderful harmonising energy, namely Divine Love, was made available to the first parents, Aman and Amon (also known as Andon and Fonta – not Adam and Eve, they came later), however they stepped away from it. The Love was reintroduced to us in the first century, however, the teachings were never appropriately recorded, then they were 'amended' and understanding of the Love was lost again. The teachings of the Love again commenced on 31 May 1914 and will not be lost ever again to humanity.

“All dis-ease is mind generated, and all healing is generated by the love energy of one’s soul.”

The Ego (mind based) manifests illness; the lower one’s level of consciousness (soul condition) then the more prevalent will be illness. Below the levels of 200, the ego and fear of the mind dominate; however, as you raise your level of consciousness by growing in love and achieve a level of 500 or higher, you begin to transcend ego dominance. At the level of 600, all healing is possible.

Violence is never Justified

Never is hatred, nor discord, nor war among men justified – no matter what the cause – and if men will only learn the Truth there will never exist such feelings or acts. Militarism is all wrong. Jesus 25 December 1915

As a child, we continue to reflect or mirror the energy level, being soul condition, of one or the other of our parents. Typically, we do not move from this condition until we take our independence and begin to form our own family with a partner.

Thus the conditions of the parents dominate the conditions of the children. Should one or the other, preferably both, parents recognise how to and then embrace a pathway to grow their own soul condition then this great evolutionary step will also become reflected within their children's soul condition. As a parent grows in love so do the children.

It is by longing for, asking for, praying for, and receiving of the Divine Love energy that is by far the most efficacious way to grow one's soul condition and peel away errors of belief and harmful mannerisms, thus bringing harmony within one's personality and living.

Whilst we are receiving our Mother and Father's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Parents are actually loving us! When we progress, it is the Mother and Father's way of loving us into love and then we live what we are, love.

As the people of this world become aware of this great gift, we will progressively see tensions between people, cultures and nations dissipate. The harmony within will lessen health events, grow prosperity and diminish loads upon health systems, policing services and all levels of social services. Through the global awareness of the Love will come about a golden age for all of humanity. The asking for the Love is ever so simple and through the Love humanity will evolve.

The natural love is the energy substance that is one's unique soul. Each personality is unique and that is achieved through the natural love energy substance at the time of its creation by our Heavenly Parents. The natural love has a finite development potential towards its own perfection.

Divine Love is uniform and changeless. The Divine Love energy, being light golden blue, perfects the natural love energy without changing the personality created by Mother and Father. With the Love, one can grow beyond perfection and become fitted to live with in the Celestial Heavens and beyond.

The Love itself is not 'spirit'; it is a substance of Energy that is harmonious with spirit. There are only two Loves – the Natural Love and the Divine Love – and only the Divine Love can bestow into a mortal soul that quality of Immortality that enables a soul to live with the Father in their at-onement in the Celestial Heaven and to progress beyond these glorious realms.

DIVINE LOVE TEACHINGS are MULTI-FAITH and for ALL FAITHS:

The beautiful gift of the Mother and Father's Love, the Divine Love, is available to all, no matter what one's soul condition maybe or what one's beliefs are. The Love is given to everyone who longs for the gift and asks for it. There are no boundaries or conditions other than the necessity to ask for the Love. The great gift is filtered through one's spirit body into the soul by the instrument known as the Holy Spirit. This light golden blue energy substance blends with one's natural love and progressively assists in the peeling off of negative emotional issues and erroneous beliefs through one's Feeling Healing process, bringing about great happiness and fitting the personality to enter the Celestial Heavens.

FEELING HEALING with DIVINE LOVE progressively brings about HEALTH of the PHYSICAL BODY:

The way the Divine Love works in a mortal soul is so practical that it takes us some time to see this truth. One's natural love is slowly perfected by the presence of the Divine Love in one's soul. As more and more of the Divine Love is asked for and received, progressively, more and more of one's man-made erroneous beliefs and emotional errors are resolved and dissolved by the light golden blue energy substance. As these injuries progressively leave the spirit body, then the health of the physical body steadily returns. As these injuries are permanently removed then a re-occurrence of the illness is impossible. A permanent recovery is then achievable.

The Divine Love is a love available for the Human soul that, in its cause and effect, actually perfects the personality as it progresses to a greater experience of living in the determination of living in God's Divine Universal harmony. Every personality has the gift of freedom of self-determination to enjoy and extend through life's experiences and it is this gift of freedom and human nature that may prevent one from participating in the freedom and gift of the Divine Love. The Divine Love, once being received is added to one's nature, having being formed on natural love.

The simple asking for and receiving of the light golden blue energy substance that enhances the natural energy substance of our soul and personality that progressively, though slowly, enables the release of one's tendencies to engage with negative habit forming emotions and opens us to the realisation of truths that are life enhancing that brings about harmony throughout our bodies, namely the spirit body which is the template for our physical body, and consequently, then the physical body. The vibrancy of the great gift, the Love, enables a return to physical health. Try the experiment.

Divine Love is a light golden blue energy substance. As it fills one's soul, the substance may overflow into one's spirit body. The radiance of one's spirit body with Divine Love can be likened to the midday sun, whereas a personality only with Natural Love may only have the ambiance of a burning candle in comparison.

UNIQUE NATURE of DIVINE LOVE ENERGY:

- The Divine Love is a light golden blue energy substance and is a gift from our Heavenly Parents.
- The Divine Love is maybe ten to a hundred times more powerful than the natural love which is the essence of man's soul. There is nothing of the divine within natural love.
- It is the longing for, asking for, and receiving of this Love energy that brings about immortality.
- It is by the receiving of this Love energy that the receiver thereof can shed, through the process of Feeling Healing, man made errors in belief and adopted harmful mannerisms, habits, and harming emotions – permanently!
- The Divine Love energy once embedded into a soul, the Love energy will remain in one's soul in perpetuity and can regenerate and maintain itself indefinitely.
- The effect of the Divine Love energy is cumulative; it gets stronger as more is received.
- This Divine Love energy has the capacity to carry information, thus growing one's perceptions.
- The Divine Love energy does not decay over time or distance from source.
- The Love energy does not radiate as waves but expands outwards in circles of energy.
- The Love energy is more field like than wave like and it tends to fill the environment.
- It is capable of passing through solid objects with no loss of intensity.
- The space that the Divine Love energy occupies is not a vacuum but comprises a network of harmoniously balanced and balancing loving energies.
- The Divine Love energy, a stationary energy, cannot be evaluated by man's current frequency instruments which are designed to measure Hertzian energy frequencies and wavelengths.
- The Divine Love energy is the greatest gift in the entire universe and this is the way by which man can evolve, together with Feeling Healing, into the loving natures that he is fitted for.

- A. All emotions have varying frequencies.
- B. Map of Consciousness by Dr David Hawkins.
- C. Man's soul has only loving emotions.
- D. Man absorbs harmful beliefs and ways.
- E. Man can ask for and receive Divine Love that begins to dissolve unloving attributes.
- F. Progressively all harmful attributes will be permanently removed from person.
- G. As more and more Feeling Healing is completed, with Divine Love, then one becomes fitted to enter the Celestial Heavens.

DIVINE LOVE DISSOLVES UNLOVING TENDENCIES:

For man to be at-one with our Heavenly Parents, man must become love; that is, his soul must be filled or permeated with this Love, the Divine Love, to such an extent, that it will become impossible for anything that is not of love to be or remain part of his soul. Paul 20 August 1915

But let men know that even while on Earth they can obtain this inflowing of the Holy Spirit in their hearts to such an extent that sin and error will be entirely eradicated.

There is only one thing that saves one from their sins and makes them at-one with our Mother and Father, and that is the inflowing of the Divine Love into their souls (together with doing one's Feeling Healing. As this Divine Love fills their souls, all sin and error must disappear.

Of course this is a relative matter, for it depends upon how much of this Divine Love is in their souls to determine how much of sin or error exists. The more of the Divine Love, the less of sin, and on the contrary, the more of sin the less of the Divine Love. (It is through one's Feeling Healing that sin is expunged.) But, I want to say with all the emphasis that I am capable of, that it is possible for a human being to obtain such a quantity of this Divine Love in his soul that sin will be entirely eradicated. This was the doctrine taught by Jesus, and this is the truth of God's law of Love.

The foundation truth is that the Divine Love of the Mother and Father can clear our souls from all sins (with Feeling Healing), and make us perfect, to the extent that we receive that Love into our souls.

It is the Holy Spirit which conveys God's Love to man and manifests its workings in a real and irresistible manner and with this Love we are enabled to become over-comers and inheritors of immortality and homes in the Celestial heavens. Paul 31 August 1915

Where love is there can be no sin or unhappiness, and fear is not.

We, who live in the Celestial Spheres, know this to be a fact, and with all the force and authority that knowledge gives, we declare this truth: the love that casts out all fear is the Divine Love of our Mother and Father, and when a spirit or human being obtains that, there exists no such thing as fear, and nothing that could create or permit fear to exist.

God wants the souls of men in love and not in fear, and the only way in which such end can be accomplished is for men to see and know Him as a God of Love only. No man can come to the Mother and Father except through this New Birth and faith in the Father's Love. Andrew 17 September 1915

It is the Divine Love that slowly but permanently eradicates harmful attitudes, beliefs and practices that one may have gathered along their journey of living. It is only with this Love and Feeling Healing that erroneous ways are expunged from one's nature and character. This is the great gift to humanity that few are aware of.

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

“Pray direct to our Mother and Father for Their Love, and receive all that is necessary for a great earthly happiness and for a joy unspeakable in the spirit world.”

Rev Fontaine from the 5th sphere – 1 July 1917 – Padgett Messages

UNCRUSTING ONE'S SOUL:

One's soul is always perfect. One's soul is a creation of our Heavenly Parents, and Their creations are always perfect.

Their great gift to us is free will. We have the option to embrace Their will or freely do as we please, we have free will.

As we progress through our early childhood years we absorb the attitudes, beliefs and habits of those within our environment. Some of these are in error. Such emotional errors and injuries melded with errors in belief encrust one's soul with unhealthy and unloving energies. These encrustments retard the flow of loving energies into one's soul. Such soul having created one's spirit body, which in turn is the template for one's physical body.

As we become aware of our Mother and Father's greatest gift in all of the universes, we can ask for and receive this gift, being Their Divine Love. It is a light golden blue energy substance that will progressively through one's Feeling Healing process dissolve the injuries and errors that may have enmeshed one's soul. Feeling Healing with this Loving energy will slowly enable each of us to break free of past held erroneous beliefs and injuries that we have drawn upon ourselves. We can cast this shell off, such shell which is endeavouring to imprison us in misery.

With the Love of our Parents, the beauty with which we were created can come to the surface and we can then proceed to progress beyond the ceiling that our natural love formed soul has in development. Feeling Healing with the vibrant energy of Divine Love can enable us to live a life here on Earth as though we were in Heaven. All we need do is ask for It.

The Love of our Parents' is the greatest gift for all of humanity, without exception and without condition other than the longing for and the asking for it, at anytime, at any place, and in any way one so pleases. Enjoy the journey!

HEALTH and HARMONY of the BODIES:

Man suffers from evil and error and disease.

First arises the necessity of understanding how, and by what means these things came into existence, and then it will become easier for the understanding of the means and the way by which they may be eliminated from the life and apparent nature of mankind.

These things, foreign to God's creation, were created by man alone in the excessive and unlawful exercise of his will power in following out the suggestions and desires of his animal appetites, which unduly asserted themselves when man lost a part of his spirituality by his disobedience. Man must understand that these excrescences (morbid outgrowths) to his perfect creation are real and existing, and result in his own damnation and alienation from the good, and are antagonistic to his original and natural condition of perfection – and that they cannot be swept out of existence by the mere assertion that they are not real.

Man must understand that they are the creatures primarily of the inordinate exercise of the animal appetites and desires, and not of the exercise of the mind, and that they are to be eradicated by the same process in reverse order as was used in their creation. The purity of his true being is always besmirched (soiled) by the impurities of his own artificial being, and always will be, until he eliminates these impurities which, as to him and to his fellow man, are real, persistent existences.

As sin and evil are not the creatures of the spiritual desires, but wholly of the animal, then to eradicate from man's being these things of evil and sin, the efforts of man must be directed towards the supplanting of the unlawful and inharmonious animal desires and appetites, by appetites and desires arising from the same source that is in harmony with the laws creating this very source.

The loss of the spiritual aspiration, or the perversion of the animal appetites, similarly causes man to become out of harmony with our Mother and Father's laws. Man in order to become free from these foreign parts of his being, must strive, not by a denial of their reality, but by the effort to supplant them. Man is a creator as well as a creature, and as these things are the creatures of man alone, then so far as the being of man is involved, they have a reality which will persist until their creator – man – has destroyed them. Jesus 9 July 1916

Only by man longing for, asking for, and receiving the Love of God and longing for the truth of his emotional errors will man be assisted and be able to remove that which is disharmonious to his bodies and rid that which is in error and sinful and disease from his bodies.

Harmony within one's soul brings about harmony in one's bodies and a healthy body. Receipt of God's Love, Divine Love, slowly but steadily brings about health to the physical body.

EMOTIONS affect SPECIFIC ORGANS:

Emotional injuries and held errors have specific energy signatures and vibrations. So does each part of our physical body. Errors held within one's mind affect the flow of energies through one's spirit body, the spirit body is the template of the physical body. The resulting energy flow constrictions then initiate issues, and then pain, and then illnesses within the physical body.

It is only the Love that forgives sin, dissolves the errors and fits a person for a higher habitat. Man, left to his own devices, can require many centuries to grow and then cannot enter the Celestial Heavens. Embrace our Heavenly Parents' Love and engage in Feeling Healing to complement one's personal willpower and grow in soul condition exponentially for all of eternity.

The SUBSTANCE of The LOVE brings about PHYSICAL HEALTH:

December 5, 2003

"When you know that you are souls with a spiritual body and a physical body, and that these two bodies reflect the condition of your soul, then how can there be any question about which part of your being is the most important?"

"If you want to be well and healthy, happy and strong, then you must see that it is important for you to get your souls into the highest and best condition possible." Apostle Peter

In the same way we will go about achieving our very personal and valued goals so will we go about creating harmony within our communities and peace worldwide.

"The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.

"But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Father's Grace."
Judas – August 19th, 2001

Divine Love is the Great Gift that God desires to give to the heart-soul that asks, yearns and seeks for It. It is unconditional Love *conditionally* given that requires no preparation. It is conditional only because Divine Love cannot and will not be given to any person without that person first asking and yearning for It.

HARMONY within the SOUL = HARMONY within the PHYSICAL BODY:

Emotional injuries, erroneous beliefs, harmful intentions are all damages encrusted upon one's soul. Such injuries are to the spirit body to which the soul is connected by cords of light.

Such man made errors degrade the pristine soul and such damages impact upon one's spirit body which in turn emerge as discomforts, then pains, then as illnesses within the physical body.

Medical assistance and treatment may alleviate the illness / pain however the cause remains. Until we endeavour to remove the errors and injuries, the propensity for the illness remains.

Love energy from our Mother and Father is the only substance that alleviates and progressively removes errors and injuries, and this Love energy is the only substance that permanently brings about harmony and health for our soul which subsequently brings about health to our spirit body and physical body.

Thanks be to our Mother and Father of us all that there is this provision of the Mother and Father which exists and is freely given to all who will seek it, and that is the Divine Love of our Parents, in which are forgetfulness and mercy and oblivion of the thoughts and acts on Earth, and which is greater than the great law of compensation. When this Love comes into the soul of man, with it comes forgetfulness, which is the only forgiveness in the economy of God, and the demands of the law of compensation cease, and the soul becomes freed from the law.

With this Love comes a happiness and joy that no man can conceive of, and the possessor of it knows that he has become a part of God's divinity and immortality. Now, this Love does not come all at once in its fullness, but as a still small voice, it tenderly and timidly answers the call of the heart that cries for it in earnestness and faith, and as it is nurtured it grows stronger and more soul-possessing, and makes its presence felt to the supplicant. Unless it is earnestly sought for it never comes into the soul but passes by unseen and in silence because the soul will not seek its possession.

With all of one's strength and longings of soul, seek for it, and if one does so, it will not refuse to enter into one's soul, and the supplicant will know it, and then one's start will be made not only towards forgiveness and forgetfulness – but towards the transformation of one's soul into the very Love and Essence of the Father, and a progress that will last through all eternity.

Divine Love itself exists in a perfect form of energetic harmony. There is nothing disharmonious in the field of Energy that the Divine Love is. Now that you are aware of this Love and that you are a soul and that this Love is for your soul, in your heart and in your faith, let acceptance – your self-acceptance – be a progressive experience as you are nurtured toward the acceptance of the Source of this Love.

The Divine Love as a form of energy is real. Its existence is way beyond any creation that man or spirit can make. But our souls, now that we are aware of the Love, are receivers of this Love, and in our serenity of acceptance we need to find our self-acceptance, our love and faith in the Origin of the Divine Love, the Soul of God.

Earnestly pray for, ask for, and receive the Love from our Mother and Father, such Love will always be provided to those who ask for same – always!

MAN's ERRORS can be REMOVED with FEELING HEALING :

Man has engaged, by use of his own free will, errors of belief and harmful ways of living, which he readily infuses into his children and close associations, be they family, extended family and friends, throughout his journey of life.

These low energy attributes are barriers to evolution and cause harm to the physical body. Unloving attitudes can be erased forever!

'Louie the Fly' is a mere irritant that can be permanently put aside by the feeling-healing of one's self.

Divine Love, our Parents' ultimate high octane super fuel, the light golden blue energy substance restricts progressively those errors of life style living and beliefs that man so readily adopts through the examples of others during one's forming years of living.

Once received, the Love energy remains ever present, never diminishing, and always restricting the return of man-made harmful natures. As one continues to feel and heal themselves of harmful attributes that may be encrusting one's ever pure soul, the Feeling Healing with Love energy causes them to become mere memories! The Divine Love remains ever present, thus harmful emotions and errors do not re-enter one's way of living and personality. The greatest gift to share with an evolving young personality is the awareness of the Love and the great benefits that It brings for all of eternity.

WE LIVE in an OCEAN of LOVE:

Our Parents' Divine Love energy substance surrounds each and every one of us at all times. We can ask to receive this Love also, at all times. When we do so, the instrument of God, the Holy Spirit, will gently and precisely infuse the Their Love energy through our spirit body chakras and into our soul. Our soul, being our real self, is connected to our spirit body which in turn is the template for our physical body. Our personality, memory, intelligence and humanness is our soul; our mind and senses are spirit body based, physical body is the vehicle by which our soul is individualised.

As we receive more and more of the Mother and Father's Love, our soul grows and whilst doing our Feeling Healing, emotional errors and false beliefs fade and fall from our personality. It is this that enables us to slowly but permanently lose those attributes that are harmful to others and to one's self. The Love is our salvation.

God's Divine Love: Pray for it, ask for it, and receive it.

“Please Mother and Father, may I receive Your LOVE.”

“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”

“Mother and Father, I desire your Love and I am loving you.”

“Soul God, I love you and I love receiving and experiencing your Divine Love.”

“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”

Try it; give the Love a go! If you want to shine, receive the Love.

DIMENSIONS of ONE’S EXISTENCE:

Our SOUL IS NOT ENSOULD IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – ‘soul land’. It doesn’t exist in Creation, it’s not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One’s unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

P E R S O N A L I T Y

**Our soul is the centre of our personality.
We are children of our Heavenly Parents.
Our soul manifests a male and female personality - it is a duplex!**

A HEALING MIRACLE:

Message 78 Destiny

What is seen through observation of people with difficult physical conditions and illness, who receive the Love, is that these physical conditions haven't miraculously disappeared. What is seen is the comfort that having awareness that the soul is the real person, and that this soul is recognized by the Father is a healing acceptance that can be a miracle for the heart. GEMS for ALL PEOPLE of all AGES to EMBRACE:

The GOLDEN AGE!

Cause No Harm < to OTHERS
to MYSELF

Strive to love others as I am to love myself

At any time, any where, and in any way you so please:

Approach our Heavenly Parents, in reverence, without fear or trepidation, just as we, as a child, approach our earthly parents knowing that open loving arms are extended to receive us at all times. As one's love grows for our Mother and Father in the Heavens, we come to know with absolute clarity and certainty that our Heavenly Parents, loves you and me and everyone in return, at all times, and that fear is an illusion created by man's mind.

God, who is our Heavenly Mother and Father, is almighty, all powerful, infinite, and all loving. The love of the Heavenly Parents for Their children, man, has been and is always infinite and ever present. As one's faith evolves, one's love for our Heavenly Parents will have no limit. As we grow in Their love, so will we grow in love for all of God's creations and our fellow man.

The Source Soul, our Heavenly Parents, simply desires for us to ask for Their Love.

God's Divine Love: Pray for it, ask for it, and receive it.

"I love you Father." "Let the Divine Love flow its energy into my soul."

"Mother, Father, I desire your Love and I am loving you."

"Soul God, I love you and I love receiving and experiencing your Divine Love."

"True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul."

"Please Father and Mother, may I receive Your LOVE."

Maybe we could simply long for and ask:

Please, Father, I want some more of your Love!

MoC 1,471

Longing is quicker than thought.

Received by James Padgett, Washington D.C.

October 25th, 1918

I am here, Jesus.

Men are longing and waiting for that which will satisfy the natural cravings of their souls, and which the present religion, called Christianity, has not in it the qualities to satisfy.

A long prayer, or even one formulated into words, is not necessary, as in order to have the longing it is not necessary that words should be used to give it form.

The longing may be rapid as unformed thought, and as effective for the Father to catch, as I may say. The longing is quicker than the thought, and the answer to the same will come with as much certainty and love as if you were to put the longing into the most exact form. Prayers of this kind ascend to the Father and are heard and answered, and, by a law of your relationship to the Father, affect the qualities of the brain in the way of preparing it for the union with the spiritual thoughts of the spirits who desire to write, as I have stated.

It may be surprising to you that this condition is required in the brain of a human and also the development of the soul, which really produces the condition, in order that a rapport may be made so that the spiritual truths may be delivered; and, also, surprising that you have been selected from all the men on Earth in whom this condition and development shall be made. And it may be more surprising to know that it is true.

There are certain qualities in your constitution, both spiritual and material, that render you susceptible to the influence of our powers and to the use by us for the purpose of our design and work, which determines one to choose you for the work in the way in which I and the other high spirits have heretofore used you, and it may seem strange to you that in all the long ages preceding, I have not found one human with the qualification to fit him for the work.

There is another phase to all this, more personal to you, and this is, that while we have been developing you for the purpose of doing our work and helping make effective our mission, your soul, as you, has been developed in its spiritual nature and you have become in closer union with the Father and have partaken to a large extent of His Love, and, to a degree, been transformed into his essence, so that you have become a very different entity from what you were when your development for our purpose commenced; and, as a consequence, you will derive all the benefits that flow from an experience such as you have had.

You are now one of us in the progress towards the fountainhead of the Father's love, and have taken on a part of his immortality, and it depends only upon yourself how rapid your progress shall be towards a complete transformation such as spirits who are inhabitants of the Celestial Spheres, possess. You need not wait until you come to the spirit world in order to make a rapid progression, although it will be more difficult for you to progress while in the flesh, as you understand, but wonderful progress may be made while in the flesh, and you have been told the secret of this progress.

With my love and blessing, I am, your brother and friend, Jesus.

The Meaning of the Divine Nature.

Received by James Padgett, Washington D.C.

November 13th, 1918

I am here, St. Stephen.

Divinity belongs to God alone, and can be possessed by others, spirits or mortals, only when He has transfused into or bestowed upon the souls of men a portion of this Divinity, and to the extent thereof made them a part of Himself. There is nothing in all His universe that is Divine or partakes of the Divine except that which is of the soul, for all else is of the material, and this even when it has the form or appearance of the spiritual. And even the soul, as created, is not Divine and cannot become such, until it is transformed into the Divine by the transfusion into it of that which, in its very substance, is Divine. Many souls in the spirit world, although pure and in exact harmony with their created condition, are not Divine and never will become such, and this only because these souls will not desire and seek to become Divine in the only way provided by the Father.

It is a mistake for men to believe that because God has created this or that object or thing, it is necessarily Divine, for His creations are no more a part of Himself than are the creations of men a part of themselves; and thus you will see that in all God's creation there is nothing Divine except what has been privileged by His grace to partake of His Divinity. And hence the stars and worlds and trees and animals and rocks and man himself, as created, are not Divine.

Men have claimed that in man there is a spark of the Divine – a part as they say of the “Oversoul” – and that it needs only the proper development to make the soul of man wholly Divine. And this theory is based upon the idea that this development can be accomplished by the exercise of the mind or the moral qualities guided by the conscience, which they assert, is of itself Divine; especially when dominated by reason, which has been so often worshiped by philosophers and others (to whom the mind is supreme) as Divine. And they have attempted to differentiate man and the lower animals, and attributed to the former the qualities of Divinity, because he is endowed with reason and the lower animals are not; and have substituted degrees in the order and objects of creation, in the place of differentiation between the Divine and non-divine.

God is wholly Divine and every part and attribute of Him is Divine, and while they are parts of the whole, yet they may be separated in their workings and bestowals; and the man or soul that is the recipient of the bestowal of one of these qualities or attributes is not necessarily the recipient of the others. Omnipotence and omniscience are those attributes of God's Divinity which He never bestows upon the souls of men or spirits, and as to them He is the exclusive possessor, although in all His attributes there are powers and knowledge, and they accompany the bestowal of all attributes of which they are parts; and one of these Divine attributes may be bestowed upon man, and yet man not become Deity. There is and can be only one God, although He may give of His Essence and very Substance, so that a man can become as He is in that Essence and Substance, to the extent that it is bestowed.

As regards man and his salvation and happiness, the greatest of God's qualities or attributes is His Divine Love, which is the only one that can bring the souls of men into a oneness and nature with the Father, and which has in it the quality of immortality. This Love has a transforming power and can make that which is of a quality foreign to and different from itself, of the same essence as itself; and more than this, can eliminate from that thing those constituents which naturally and necessarily are its components, without injuring or destroying the thing itself. I am St. Stephen.

Christ may be in you – what it means.

Received by James Padgett, Washington D.C.

I am here, Jesus.

“Christ may be in you.”

Many, and I may say the most, of these professing Christians, have ideas of what this expression means in order to become effective, that are not in accord with the true meaning of this condition of the soul. They believe that all that is necessary is to believe in Jesus as their saviour by his sacrifice and death and that in so believing they have Christ in them, and that nothing else is required. They have no conception of the distinction between Jesus, the man, and Christ, the spirit of truth, or more correctly, **the spirit that manifests the existence of the Divine Love in the soul**. Christ is not a man in the sense that he is Jesus the son of the Father, but Christ is that part of Jesus, or rather quality that came to him after he fully received into his soul the Divine Love, and was transformed into the very Essence of the Father in His Love. Christ is thus, not a man but is the manifestation of this Love as bestowed upon Jesus, and made part of his very existence. And when men use the expression, having Christ in you, if they could correctly understand the true purport of the same, they would know that it, the expression, **means only that the Divine Love of the Father is in their souls**.

The indiscriminate use of the words, “Jesus and Christ,” is the cause of much misunderstanding among these Christians as to a number of the sayings of the Bible. Jesus became the Christ only because he was the first to receive into his soul this Divine Love and to manifest its existence, and this Christ principle is one that all men may possess, with the result that they will become at one with the Father in His substance of Love and Immortality.

It would be impossible for Jesus, the man, to get into or become a part of any mortal, and it would be equally as impossible for Christ, as the man Jesus, even though perfect and free from sin, to become a part of anyone. No, the meaning of having Christ in you is to have this Love of the Father in your soul, which can only be obtained through the working of the Holy Spirit as the instrument of the Father in bringing this Love into the soul.

To many who hear the preachers’ exhortations in this particular, the expression is only a mystery, which they accept merely intellectually, and feel that by such acceptance they have the possession of this Christ, which is the only evidence of the truth of the Mother and Father’s love.

How the Divine Love enters into the soul of man.

Received by James Padgett, Washington D.C.

March 23rd, 1916

I am here, Jesus.

“How the Divine Love enters into the soul of a man.”

As I have told you before, man is a creature of God, having a body, spirit and soul; and all these are necessary to make the perfect man. But these three parts of man are different in their characteristics and functions, and are separate and distinct, and have qualities that are unlike in their composition as well as in the duration of their existence.

The body, as you and all men know, has an existence which lasts only during the life of the mortal on Earth, and after that life ends, dissolves into its elements, which no more can form the same body either in the mortal world or in the spirit world, for these elements are merely things of matter and may be and are used to form other bodies and manifestations of the material of nature; not necessarily in the form of human beings, for they enter into other forms both animal and vegetable, and are so disseminated that never again will they become parts of a resurrected body. Your orthodox do not teach this truth, but think in some mysterious way that the mortal body will sometime be resurrected.

No, the body when it has performed its function of maintaining and shielding the soul and spirit of man during his Earth life, is no longer and cannot thereafter be a part of that man, and may be considered as something that is no longer a part of him.

This body though, as a matter of fact, even during the life of the mortal is not the same body during that life, for continually is there changes in the elements that compose that body; and one element or set of elements, gives place to others and becomes lost or absorbed in the great sea of elements that help form or constitute the universe of God.

By operation of the laws of attraction and repulsion, these elements, as they replace others which disappear, conform themselves to the general appearance or outline of the parent body, so that the identity of the body as well as of its appearance is preserved; and as a man grows older, the laws which make the changes in his appearance cause these new elements to conform to these changes, so that, even while the material continues to envelop the spirit during the short span of a man's life, yet that material is not the same for any length of time. I make this preliminary statement merely to show that the material part of man is not at all connected with the real man, so far as the persistent nature of him is concerned, and this material need not be considered in discussing the subject that I desire to write about.

The spirit part of man is that part which contains what may be called the functions of life and the force and power existing in him and which immediately control him in his conduct and living. This real, existing principle of life, unlike the body, never dies, but continues to live after the spirit drops its envelope of flesh. This spirit part of man contains the seat of the mental faculties and reasoning powers, and uses the organs of the material body to manifest these attributes. These faculties live and exist, even though the physical body may be in such imperfect condition that the spirit may not be able to make its manifestations in such a way as to enable the mortal to perceive or sense the material things of nature, as they are called. To be specific, even though the material organs of sight may become impaired or destroyed, yet in that spirit body, which is within the physical body, exists the actual sight just as perfectly and completely as if these impaired or destroyed organs were doing their functioning; and the same is true as regards the hearing and the others of what are called the five senses of man.

And as to the reasoning faculties and mental qualities, they exist in the perfect state whether the brain is healthy or not or whether it performs its work or refuses to do so. These qualities do not depend upon the soundness or perfect workings of the organs of the physical body in order that these spirit qualities may exist in a perfect condition, but the proper workings of the physical organs, or rather the proper and natural movements and manifestations of the brain, and the conscious operations of the mental faculties, do depend upon the spirit faculties being able to use these physical organs in a proper way and in accordance with the harmony of the creation of the relative and correlative parts of man.

These spirit faculties, which man calls the intellect and the five senses, are a part of the spirit body which is enclosed in the material body and which in turn encloses the soul. When the material body dies, the spirit body continues to exist and live on in the world of spirit, and with it and as continuing parts of it, these intellectual faculties, performing all their functions free from the limitations that the physical organs placed upon them. And when this change takes place, these mental qualities, notwithstanding that they have not the material organs through which they functioned when in the mortal frame, can conceive thoughts of things material and hear and see things of the material just as they did, and even more perfectly, when they were enveloped by the environments of flesh and blood.

So you see when the mortal dies, the only thing that dies and is left behind is the mere physical body, and with the spirit body survives all those things which can be said to be the real man, so far as the mind is concerned. Hence, man never ceases to remember and to progress and to know that he is a being which death cannot destroy or change into something that he was not before death came to him. And thus I answer the question: "When a man dies shall he live again?" He never ceases to live, and his living is not a new life, but merely the continuation of the old life with all the things of mind and conscience that were his in the old life.

In the purely spirit life the spirit body continues to contain the soul and will be its protector and covering so long as that spirit body shall last. But this body then begins to change, and by disintegration into what we may call spirit elements, and the formation of new elements to replace the disappearing ones. This change in this body is not caused by the same laws that operated to change and disintegrate and replace the physical body, but by the law controlling the development of the soul which the spirit body contains.

The soul is the real man because it is the only thing or part of man that may become immortal, the only part of man that was made in the image of its Creator, and the only part of man that may become a part of the Substance of its maker and partake of His Divine nature. I say may, for that is an important part of this great possibility. I know this possibility of the soul becoming immortal by partaking of the Divine nature of God, is true; for it is a proven fact in the case of many souls who are now in the Celestial Heavens. I also know that there are many souls in the spirit world, who have been there for many centuries, who have never received this Divine nature and consciousness of immortality. Whether such souls who have not received this Divine nature shall become or are immortal has never been demonstrated. This I do know, that in the economy of God's plan for the forming of His Kingdom, at some time – when, I don't know – this privilege of partaking of His Divine nature and the certainty of immortality will be withdrawn from the souls of men and spirits, and then, whether these souls who suffer this condemnation will partake of immortality no spirit knows, only God.

There are other things that I know and here tell you, and among them is this: that so long as the soul does not receive this Divine nature, the mind, which I have described as being a part of the spirit body, continues to exist and dominates both soul and body; and in its progress it may attain to a condition of purity and perfection such as were possessed by the first created living souls – our first parents. Many

spirits now are in this condition, but yet are mere men, and their souls remain only in the image of God – nothing more.

While God is mind, mind is not God, and also while God is spirit, spirit is not God. So that when men teach that mind is God, and that men must seek to attain to that mind, and thus become like God, they fall far short of the truth. The mind is only an attribute of God, and beyond and back of that mind is the real God – the personality, and that is Soul, from which emanates all these attributes and manifestations which mortals as well as spirits may be conscious of.

But while God is Soul, yet that Soul is a thing of substance with a nature Divine, and the seat and fountainhead of all the great attributes that belong to Him, such as love and power and life and omniscience and mercy. And here I must state one fact which may startle those who believe and teach that mind is God, and that is, that which is called the human mind is not a part of the mind of God, for this human mind and all its faculties and wonderful qualities are mere special creatures just as are the spirit body and material body of man. As I have said, man was created in the image of God only as regards the soul; and here always bear in mind that the creation was only an image.

The mind of man was a special creation, just as were the minds of the lower animals, differing only in degree. And if God had not given to man a soul and the spirit body to envelop it, and in which he placed this mind of man, when man died the death of the physical body, that would have been the end of him; as such death is of the body, which is not a part of this soul image of God.

As I have heretofore written you, when God created man and made him in His own image as to the soul, he also gave to man the possibility of obtaining the Substance of the Father; that is, of having that soul which was a mere image become that soul which is of the Substance of the Creator. I have also explained to you how man, by his disobedience, lost that possibility, and for long centuries was deprived of this great privilege, and how it was again restored to him at the time of my coming to Earth, so that he now and for nineteen centuries past has had the possession of this great gift or privilege of partaking of the Substance of the Father.

Well, when man, by the way that has been pointed out to him, becomes possessed of the Substance of the Father's Divine nature, even in an initial degree, his soul commences to change and lose its character as a mere image, and to progress towards the attainment of that condition when this image disappears and the Divine Substance takes its place; and as the progress continues he receives so much of the Substance that his soul takes on the Divine nature of the Father, and his at-onement with the Father becomes so perfect that he becomes an inhabitant of the Father's Kingdom. This occurs when he becomes fitted to enter the first Celestial Sphere. And just here occurs another thing which may startle those who teach that the mind is the essence of God, and that (is that) the mind which man, both as mortal and spirit, possesses up to that point in the progress of the soul where the transformation into the Divine nature takes place, becomes a thing of naught; or rather becomes absorbed in the mind of the soul, which is the real mind of the Father. And then and ever after, only this mind of the soul is that which enables the real Divine man to understand the things of God, to help him in his progress.

I will continue later. You are tired. But remember that I love you and you have me with you at all times to help and sustain and comfort you.

Good night my dear brother, your friend and brother,

Jesus.

Cause No Harm < to OTHERS
to MYSELF

Strive to love others as I am to love myself

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Divine Love
is the key!

**God's Divine Love:
Pray for it, ask for it, and receive it.**

Feeling Healing with
Divine Love is the key

to enter the
Celestial Heavens:

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU
FEEL, THINK AND ARE.

Release one's pain through expressing one's feelings.

Longing for the Truth when also longing for Divine Love.

Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

Please Mother and Father help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

Please Mother and Father help me see the truth of myself through my feelings.

Please my beloved Heavenly Parents, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

Please Mother and Father, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

Please Mother and Father help me, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

Please Mother and Father love me. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

Please make me feel how unloving I am. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the 'dead' way; the feelings way is the 'alive' way.

Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

Please God show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

Heavenly Mother and Father, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

Please Mother and Father fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

I hate you Mother and Father; why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

I long for Your Divine Love Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

LOVE
is
Feelings First Spirituality, New Feelings Way

Feelings First Spirituality, New Feelings Way, is based on living true to our self through our feelings. Understanding that all we need in life is contained within our soul and is shown to us through our feelings. And by loving our feelings, by attending to them properly (talking or writing them out of us) and not denying them, we can use them to uncover the truth of our self – the truth of our soul.

Feelings First Spirituality is not telling us how to be, that is too controlling and is actually bad for us, limiting your spiritual growth. We can be wholly self-revealing of the truths we need to be, being the person God created us to be, all by living true to our feelings.

Feelings First Spirituality has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

Living the New Way of Feelings First Spirituality

We come to the understanding from our life experiences that how we are is not right, it doesn't make us feel good – that we are wrong in some way. And we want to change our self, we want to become right, true and perfect – we want to be like God is.

And to do this you need to do your Healing

Our Feeling-Healing is looking to our feelings for the truth of our self, the truth being hidden in many of the feelings we are not wanting to face in life. So we have to end our feeling denial, accepting all our bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show us.

Or, we can do our Soul-Healing; which is our Feeling-Healing, together with including longing directly to God for God's Divine Love. When we receive the Divine Love into our soul, it will cause our soul to become divine, and it will deepen our personal relationship with God. Long with all our heart to God for God's Divine Love.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled religions. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one’s feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God’s Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we’ve all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

LOVE is the Religion of Feelings, being:

Well, as you may remember, my subject is: "How the Divine Love enters into the soul of a human being." I have already explained to you the difference between, and the respective functions of the physical body, the spiritual body and the soul, and how the real man is the soul, which may live forever. I have also shown you how the physical and spiritual bodies change their component parts, and as such bodies, disintegrated and disappear in the form that they may have at any one time.

Well, the soul is the man and becomes the angel of God's kingdom. The soul may also become the only everlasting part of man in the spiritual kingdom as contradistinguished from the Celestial Heavens.

The only way in which the soul may become an inhabitant of the Celestial Spheres, is by its obtaining of the Divine Love and thereby become a partaker of the Divine nature of the Father; and this can be accomplished only by the inflowing of the Divine Love, by means of the operation of the Holy Spirit, which is the instrumentality used by God to carry this Love to the souls of men.

As I have said before, this Love never forces itself into the souls of men, and comes only when men seek for it in sincerity and with effort. It is waiting for all men to receive it, but never comes into the soul of its own initiative, and without invitation. So the important question is, how does it come into the soul and what must men do to induce its inflowing?

There is only one way, and that is by the opening up of the soul in such a manner that this Love, when it comes in response to sincere seeking, may find an entrance and a condition of development that will cause it to find lodgement and abiding place, harmonious and satisfactory to the qualities of its own existence. Of course, man cannot of himself open up his soul to this inflowing, for, while he has great power, yet the will is not sufficient; nor has he any other inherent qualities that will enable him to place his soul in such condition as to make possible the work of the Holy Spirit in causing the Love to flow into the soul.

The only means by which this can be accomplished are prayer and faith. When a man in true earnestness and sincere aspirations, prays to the Father for this Divine Love, such prayer not only brings Love, but causes those portions of the soul which are capable of receiving this Love to open up to its coming and to work in such a way as to attract the Love. The Holy Spirit never performs this work of preparing the soul for the reception of this Love, but merely brings the Love and causes its inflowing when the soul is in condition to receive it. In answer to prayer, there are other instrumentalities of the Father working to prepare the soul condition that is required, and these instrumentalities are the bright spirits of the Celestial Heavens, whose duties, among others, are to answer the prayers of the penitent in the way of infilling the soul with influences that turn the thoughts and aspirations to this Divine Love and its operations.

As I said when on Earth, there is no other way to get into the sheep fold but through the gateway provided, – he that attempts to climb over the fence is a thief and a robber. But this should be modified to fit the exact fact, for there is no possibility of getting into this fold by climbing the fence. There is only one way – that is through the gate of prayer and sincere longing.

I know that many men believe that the performance of church duties, and the observation of the requirements of the church as to baptism and the sacraments, etc., will be sufficient to enable them to get into the Kingdom; but I tell you that they are all wrong, and their disappointment will be very great when they come into the spirit world.

What are called moral deeds and good thoughts will not cause this inflowing of the Divine Love because these things are necessary steps towards the purification of the soul in its natural love; and (yet) no matter how pure this love may become, yet it is not the Divine Love or any portion of it.

Good thoughts and deeds, though, may help to turn the aspirations of the soul to these higher conditions, and open up its perceptions to a degree that may lead to prayer and faith, and, therefore, in addition to their work of purifying, the natural love may prove to be of great value in assisting men towards the development of the soul so that the Divine Love may enter into it. But to depend on good thoughts and moral deeds and a life pure from sin to give man the right to an entrance into the Celestial Kingdom, is a great mistake.

The Divine Love is a thing entirely apart from the nature of man, even in its purest state, and was never conferred on man as was the natural love, and, consequently, when man obtains this Divine Love, and it becomes a part of his soul qualities, his nature, as it were, changes, and he becomes a new creature. An additional something has been conferred upon him and it becomes impossible for him to remain the mere man that he was, and he always would, be, except for this change in his nature.

I know that men do not understand the distinction between a man with only the natural love and one with the Divine Love, but the distinction is so great, that the one, when possessed to a sufficient degree, makes the man a part of Divinity, while the other, no matter how fully possessed and how pure it may become, makes man merely man, though a perfect one.

Whosoever will pray in sincerity for the inflowing of this Divine Love will receive it. It is not a respecter of persons, and the sincere aspirations of the soul of any man, be he prince or peasant, rich or poor, will invariably cause this Love to come into his soul and change his nature, so that he will become a new creature, and one not subject to death forever more.

The merely intellectual prayers are not efficacious, for it does not have any effect in opening up the soul, and neither does much of this praying do the work. One little moment of this true praying will be more effective in causing this Divine Love to flow towards the soul than a whole lifetime of idle repetition of prayers that come from a source merely mental. And here let me say that the mind is not the soul, and much less God.

Well, I think I have made plain how this Love flows into a man's soul, and in addition what its effect is, when possessed by man. There is nothing in all God's universe that can take its place for the purpose of making a man at-one with the Father, and of causing him to become Divine, in so far as he possesses this Love.

So I say to all men, pray and pray and never cease to pray for the inflowing of this Love, for there is no limit to its abundance, or the amount which man or spirit can obtain. Always in the Celestial Heavens, we spirits continually pray for an increased bestowal, and always our prayers are answered – but always there is more to follow.

I must not write more tonight. I am satisfied with the correctness of your receiving my message, and will come again and write you another.

With all my love and blessings,

I am your brother and friend, Jesus.

EXPERIENCING RECEIVING DIVINE LOVE:

Be still and quiet; reflect in silence. Love is present. Keep asking, longing, and never cease: this is your part. It is your cooperation actively engaged that brings the transformation and continues the process.

You cannot see it; sometimes you will experience it as simple quietness and calmness. This is as pure and real as any other experience, whether demonstrative joy through laughter and dance, or other expressions.

Divine Love is present; it is always present. It does not fade or disappear. Rest, relax and breathe. Pray and wait.

Maintain daily prayer and meditation. When you do this you are building a home for the dwelling of the Divine Love. Your continual invitations establish an attitude of welcome to the Divine Love. These build a bridge for the Divine Love to carry you to new and higher levels of change and transformation: places of new realms for your soul growth and development.

The Voice of Divine Love

~~~~~

As the receiving of the Love is always assured when longed for and asked for, the experience of receiving may become apparent by the occurrence of a warming embrace in the region of the third eye chakra, or with some, around the heart chakra region. This may be very subtle and gentle for some and may be for a few moments or extend for some time. Many do not physically feel the Love embracing them and this is totally fine, nevertheless the Love is being received.

On a few occasions, one may feel the love through the third eye region and then feel it expand as if it were to become a warming buzzing 'hat band' progressively expanding around one's head. This can intensify and feel as though one's cranium is about to pop off! Should this continue to intensify, then the sensation may flow down one's main meridian to the base of one's spine. Now that is something else! Relax and enjoy the great gift for this can be an experience that may continue for a short while or for quite some time.

Always, when one longs for the Love, it will shower over one's body and be absorbed in through the spirit body chakras into one's soul. Occasionally the Love will overflow from one's soul and some will reside within one's spirit body. At no time will you be discomforted. This light golden blue energy substance is the ultimate high octane super fuel gifted to us by our Heavenly Parents to us all.

## WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

**HUM:** Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

**AVO:** We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

**J&M:** We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

**M&F:** Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

HUM

**WE ARE Children of God**

**WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:**

**GOD**

**M&F**

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.  
We are to long for the truth of what we are feeling.  
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

**J&M**

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

**By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

**AVO**

**HUM**

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

**WE ARE Children of God**

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

## HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

## The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

**PARADISE TRINITY:**

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**  
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
  2. **ETERNAL SON (ES) – Divine Truth**
  3. **INFINITE DAUGHTER (ID) – Divine Mind**
- Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

**The LOCAL UNIVERSE TRINITY:**

1. **MARY M and JESUS** – Our MOTHER and FATHER – Love – the Living Truth
2. **DIVINE MINISTER** – Mind (and her Holy Spirit)
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

**PLANETS that engage in REBELLION:**

1. **AVONAL SOULMATE PAIR** – the Feeling Healing process – incarnate
2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

**So in summary:**

**Consider a diamond:**

Avonals

Trinity Teachers  
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

**CREATION of SOUL and SPIRIT:**

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

Feeling Pathway

Mind Pathway

Soulmate Pair

Angel

Spirit Person

Nature Spirit

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.
