## ROOT CAUSE now to PATHWAY FORWARD (short version)

What is the root cause of the malaise, social ills and tragedies that impact upon all peoples around the world? Why is there so much disharmony and ill-ease throughout society? Why is it that there are great inequities between people? Why is that we on Earth live in hell yet few comprehend that reality? Why is that all institutions throughout the world are imposing their will upon the populations around the world? Why is it so that nothing can be resolved and improved upon? Why doesn't humanity just give up and self-destruct?

“The definition of insanity is doing the same thing over and over again—but expecting different results.”

- Albert Einstein

The answer to those questions will unfold throughout the following few pages. A fuller Pascas Paper can be downloaded from [www.pascashealth.com](http://www.pascashealth.com) in the Library Download within Pascas Introduction Notes, title being Pascas Care Letters Root Cause now to Pathway Forward (not being this short version).

We have freewill and we, on Earth, have used it to go to the extremes of evilness, now we are to heal ourselves of our errors.

The amazing understanding is how our waywardness will greatly stand us in good stead for what we will evolve into being and accomplish through our Pathway Forward which is as equally amazing.

It is not the province of Pascas Foundation to promote any form of religion. Under the principle of not interfering with free will, one's religious observances are personal – living feelings first is a way of life.

# **Root Cause** outcomes

## **Our Minimalistic Existence:**

**Due to humanity living through our minds, against our true selves:**

**The whole human race is suffering from repressed childhood and mind control.**

**Humanity is within a kind of dormancy, or even more like a stupor!**

**Even the greatest scientists do not calibrate above 499 on Dr David R Hawkins' Map of Consciousness (MoC) scale which is based on the common log of 10 and goes to infinity.**

**While we are mind dominated, we cannot discern truth from falsehood, we are addicted to untruth, we are addicted to control over others, 98% of assumptions are in error – 2% are flukes!**

**Mind worshipping / domination holds us in the state so that we can only live within the 1<sup>st</sup> spirit Mansion World condition. We must progress through seven world before becoming Celestial.**

**Living through the mind is a most exhausting and limiting way of life.**

**It is our mind held errors and injuries that generate ALL discomforts and illness in our body.**

**ALL systems throughout Earth are mind generated controlling and error ridden systems.**

**Democracy divides the population and then the few inadequate representatives anoint a 'dictator'!**

**3,400 significant religions all each hold the only truth – so they say. Rebellious Lanonandek spirits, Caligastia and Daligastia, orchestrated the founding of each of Earth's religions.**

**Lucifer and Satan imposed the wrong way of living upon Earth's humanity, that is living mind dominated rather than feelings orientated, so that they could keep growing the numbers of spirit personalities under their control for subsequent expansion conquests of other worlds.**

**Every Earth system is controlling and limiting. Education is generally delivered through lectures, 5% retention rate, whereas students tutoring each other have 90% retention rate. Natural self expression is 100% truth and retention. All systems, unknowingly, retard humanity's growth.**

**Healing is taking someone who was all but crippled right the way through their childhood and undoing all that retardation within them.**

**If one applies themselves to their Healing, thereby ending their unconscious self-denial, they will as they Heal, change and start expressing all the buried attributes, characteristics and talents, any natural part of themselves that's been denied because of their unloving parenting.**

**We are all but the living dead, whereas the Healed are the living living. And there's a huge difference.**

*The Golden Rule:  
Never interfere with another's will.  
One must always honour another's  
will as one honours one's own!*

*Before we are conceived, we have had nothing to do with the culture or heritage into which we are about to be born into.*

*Conception is individualisation of our unique personality!*

*Then our parents and carers infuse us with their errors and injuries!*

*We perpetrate their erroneous ways!*

# Root Cause

Highly esteemed Lanonandek spirits from within our local universe of Nebadon were assigned as System Sovereigns of our local system to oversee Earth's humanity and their spiritual development. 200,000 years ago they, the Lucifers, became infatuated with their authority and turned against the regents of Nebadon, Mary and Jesus, as well as rejecting God. Through their Planetary Princes, also Lanonandek spirits, they had taken the humanities of 37 worlds within their local system, Satania, into their Rebellion.

Through living through our minds, suppressing our feelings, we on Earth will continue to be at war with each other, illnesses of all descriptions will continue from our feelings suppression, starvation and inequalities prevail, control of others is the core of all systems, we cannot determine truth from falsehood and life on Earth is a living hell. We have been continually seduced by mind Mansion World spirits and we live life in a stupor – nothing more than zombies doing the begging of the evil ones, the rebellious Lanonandek spirits.

Through living by our minds, suppressing our soul based feelings, we have been progressively going further and further away from our Heavenly Parents, now to the point that we cannot go any further. Through working cracks in the Universal Contract governing the Rebellion and Default, this control has been ended formally as of 31 January 2018.

# Pathway Forward

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

**God's Divine Love: Pray for it, ask for it, and receive it.**

**The Golden rule is: Never interfere with another's will.**

**Golden Rule: that one must always honour another's will as one honours one's own.**

**New Feelings Way: learning how to live true to ourselves by living true to our feelings.**

**We are to express our feelings, both good and bad, at all times, and to long for the truth of them.**

**By living true to ourselves true to our feelings, we are living true to God. It's that simple.**

# Root Cause now to Pathway Forward

Nanna Beth, 3<sup>rd</sup> Celestial Heaven – 12 August 2017: **The more you can let go and simply allow your feelings to be the dominant force in your life, the easier life will be for you. And your mind will eventually give up trying to control, and that too will ease so much stress and pressure making things even easier for you. However that means you do have to confront and deal with all your fear and the worry of not knowing what is going to happen, yet once that is all expressed out of you, then you'll see you can easily live life not needing to know such things about the future, and life being lived this way feels infinitely better.**

## "Talk it Out"

**This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

**Feelings First**, you can be sure about that! **Once women get that message and start living it, then the tide will really change**, with men either deciding to support them by looking to their own feelings or being left on the outer wondering what the fuss is all about.

The feminine light is going to sweep through humanity and purge it of all the yuk and darkness, helping to bring the whole of humanity back into a nurturing loving mother state of being, from which the supportive, caring father can support her and together they can make the world great again. They can bring humanity up into its natural love perfection, whilst at the same time, offer those people who want to spiritually grow the truths of how to embrace the Divine Love and move on to the Celestial level.

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

# Pathway Forward

We may all wonder why we are here on Earth with so much anguish and confusion. Well, we now can understand our purpose as well as our potential and destination that are to unfold for each one of us:

We are conceived into a world that is torn by war and distress of all kinds, Earth being one of only 37 worlds that are in Rebellion throughout the universes. Further, Earth is in Rebellion as well as Default and is at the extreme of how far we can go living in our rebellion and default, rejecting our Heavenly Mother and Father.

So, why are we each here enduring living physically in hell. It is a life in hell that we are being subjected to without any reason on our part? We continue in hell until we enter the Celestial Heavens.

Conception individualises our unique personality. There is no duplicate personality in all the physically inhabited worlds or spirit worlds. “The Urantia Book”, the most authoritative writings on the vastness of the Universe, there are 3,840,101 physically inhabited worlds throughout our local universe of Nebadon. There are 100,000 local universes within our super universe. There are 7 super universes and we each are unique throughout all time. There are only 37 rebellion worlds and you and I are living on the most degraded of them all. Congratulations, we have drawn the extreme of all the wrong straws.

Once the embryo that is forming into our physical body commences to pump blood, about day 16 to 19 after conception, we are incarnated. That is, if the embryo then ceases to be viable – live – then we have completed our physical incarnation and will never experience a physical life again – we never reincarnate. Nothing of nature reincarnates, we all have only one physical experience.

Should the embryo not commence to pump blood and fails then we wait for another opportunity to be conceived and then incarnated. Should we not survive the gestation period to be born, then we go on to be ‘spirit born’. We are adopted into a spirit family in the 1<sup>st</sup> spirit Mansion World to go on and have the experiences through life on the 1<sup>st</sup> spirit Mansion World that we would have had on Earth throughout a physical life. We never miss out on the experiences that we are intended to have.

Our free will is sacrosanct. No one is to interfere with our free will. No higher spirit can interfere with our free will. A higher spirit can suggest to us anything they please, however it always remain our choice. The Golden rule is: Never interfere with another’s will.

However, it is the rebellious Lanonandek spirits that have progressively led us to embrace, more and more, our mind as the answer and way to greatness, to becoming mini-gods. This we have been subjected to for 200,000 years.

For 200,000 years, Earth’s humanity has had the experience of ever deepening wrongness. We have worked our way deeper and deeper into a dark ‘rabbit hole’ and now we have reached a dead end and now have to discard many generations of adopted ways of life and find the new way through our feelings.

Life is all about experiences and the feelings that arise from those experiences. In this regard, we on Earth have had a most unique opportunity of experiencing wrongness – lack of love – at the extremes.

As difficult as it has been for each and everyone of us over the aeons and many generations, no other humanity has the experiences that we have been blessed with – even though none of us would welcome a repeat set of these experiences. Earth’s humanity is unique throughout all of the humanities throughout all of the seven super universes.

**REBELLION and DEFAULT formally ended 31 January 2018:**

All in keeping with the **outworking of the Rebellion and Default**. Humanity is so shut off to anything that one’s feelings provide, we are all but minds robotically carrying out instructions; nothing is fluid, intuitive nor feeling-free. Our whole world can’t change as it is, because everyone and everything is so bogged down in the mire of artificial laws and procedures.

**WE’VE BEEN SCREWED BY  
LUCIFER REBELLION**

We will ALL recover and heal ourselves of our personal rebellion and default. Even the most vile of Earth’s humanity will fulfil their obligations through the Law of Compensation. Adolf Hitler of the World War II and Judas Iscariot of the time of Jesus have or will progress from their darkness to becoming Celestial spirits and go on from there to become Finaliters. Judas is now Celestial and Hitler is yet to fulfil his Compensation.

The first beings on Earth to have a longing for human perfection lived 993,500 years ago. Andon and Fonta (also known as Aman and Amon) were of a red skin in colouring with features similar to modern day Eskimos. Civilisations have grown and gone as of a consequence of periodic cataclysmic Earth changes. Larger populations have existed on Earth than today. In various ways some prior civilisations have been more advanced than at present but only in specific technologies.

Throughout the nearly 1 million history of humanity, all spirit personalities have had to remain within the spirit Mansion Worlds 1, 2, 4 and 6. The healing Mansion Worlds 3, 5 and 7 were opened by Mary and Jesus, the co-regents of Nebadon, our local universe, 2,000 years ago. The coming of Mary and Jesus into physical life on Earth brought about the availability of Divine Love throughout our local universe for all of its humanities. Only with the availability of Divine Love can we each enter the Celestial Heavens. Upon the deaths of Mary and Jesus, they released their Spirits of Truth. It is through the guidance of their Spirits of Truth that we each can find our way throughout the Celestial Heavens and progress through Nebadon and then out of Nebadon and be guided home by our Heavenly Mother and Father, onto Paradise.

Throughout all of Earth’s humanity’s history, those who have lived on Earth have had to remain in the spirit Mansion Worlds, thus spirit Mansion Worlds 1 and 2 are literally filled to the rafters. For the past 2,000 years progressively more and more have followed the healing process that Mary introduced when she lived in Egypt after Jesus’ death. Maybe 1 in 8 have now progressed through the healing Mansion Worlds, into the Celestial Heavens 1, 2 and 3, with some going on further, but the mind Mansion Worlds 1 and 2 remained filled to the rafters.

**This time, in the history of humanity, is  
the most exciting time ever experienced.**

For us now living on Earth in the physical, it is the most exciting time ever experienced in the history of humanity. We are being provided with the Revelations of Feeling Healing and the availability of Divine Love, of how to heal ourselves individually of what we each have taken on of the Rebellion and Default. Should we do so and also embrace our Heavenly Mother and Father's Divine Love then we can reach Celestial Soul Condition while living here in the physical on Earth. That is a soul condition that calibrates over 1,000 on Dr Hawkins' Map of Consciousness (MoC). All but a few per cent of Earth's population calibrates below 500 with the overall calibration for Earth's population being at 220 MoC.

We are now live in the End Times, that is, the end of Mary and Jesus' 2,000 year association with Earth's humanity, and it is now Hand Over to the Avonal Pair for the coming 1,000 year Avonal Age.

The Avonal Age heralds great change for humanity. Mostly it will unfold quietly and subtly, however the changes are profound. The way to Live Feelings First is the New Way for all of humanity. For those who continue to live mind centric, life will be difficult. For those who embrace their feelings as their way of life, life will be surprisingly comfortable and rich.

The Law of Compensation is quickening. This will progress to the stage that anyone who sets out to impose their will upon another will find that they are debilitated by the amount of discomfort and pain that they intend to cause another. This is how it is throughout the spirit mind Mansion Worlds.

The thoughts of others will become transparent and clear to all. This is how it also is throughout the spirit Mansion Worlds and Celestial Heavens. As it is on the 1<sup>st</sup> spirit mind Mansion World it is to be on Earth, the conditions of the 1<sup>st</sup> spirit Mansion World is to be earthed.

As we heal ourselves, this benefits our children subject to their age. Thus each generation will have less and less of the imposts of past generations for members within families that embrace Feeling Healing. As a consequence physical disease and illness will progressively dissipate.

Not only are we experiencing evilness to its fullest extremes, we at this time in history are also experiencing the greatest event in the history of humanity, the ending of the Rebellion and Default on Earth and the introduction of how to heal humanity of what has plagued it for the past 200,000 years. No other humanity throughout all the humanities throughout all of the seven super universes will have this experience.

All that we feel is to be expressed. We are to express our feelings, both good and bad, and long for the truth that our feelings are to bring to our awareness. We are not meant to be alone and we never are. Our soul manifest two personalities, one a female and the other a male – always! Our soul is a duplex and our soul partner (soulmate) is our companion for all eternity. Once we heal THEN we find our partner.

While we live in the physical on Earth, from the time we are six years of age we have an Indwelling Spirit connecting to us through our spirit body. It is our Indwelling Spirit that is our connection to our Heavenly Mother and Father – God. It is our Indwelling Spirit that our soul fuses with when we become Celestial in soul condition. Our Indwelling Spirit is God! It is through our Indwelling Spirit that we can talk to our Heavenly Mother and / or our Heavenly Father. We are made in the likeness of God, that is why there are women and men! God is both female and male. Further, with us at all times, a pair of Nature Spirits who remain with us throughout our physical life. We have a pair of Angels with us throughout our physical life who remain with us during our spirit world life. We also have a pair of spirit guides who may change from time to time as we change in our ways and pathway activities. We can have a party any time of the day!

## Truth is our Feelings!

## Our soul-based Feelings are always in Truth!

The news is many people are as *“mad as hell, and they aren’t going to take it anymore.”* It is also unfortunate that much of the anger gets channelled in a way that, at best, isn’t helpful, and at worst, is counterproductive.

“Marginalisation of the population.” Such gets accomplished by maintaining the veneer of democracy while at the same time eroding its power to be representative. About 70% of the population has no influence on policy – they might as well be in some other country. And as you go up

Be Feelings  
Expressive!

## **BLUEPRINT** HOW OUR CHILDHOOD MAKES US WHO WE ARE

the income and wealth level, the impact on public policy is greater—the rich essentially get what they want.

Anger is a symptom of a bigger problem. Digging into its root causes reveals insights about society and how it can reshape and defuse anger and become more productive – living through feelings.

Everyone throughout the world is really tired of the few rich people dominating the lives of all others. Control addiction is now so plainly obvious to all that it is not to be tolerated. Authoritarian regimes and suppression of women are to be dismantled and ended.

So, consider asking yourself:

## **Who hurt me when I was a child?**

As noted above, all societies worldwide are expressing unrest and beginning to ask for answers in a manner never seen before. They are being purposeful unsettled as it is now time for humanity to address the universal childhood suppression by parents and carers that unfolds from the moment of conception through to age of six years. This suppression is reflected by the ongoing repression by the child throughout its whole life, all in compliance to what was imposed throughout their child forming years. As adults, we go on to impose that suppression on others in every facet of all the walks of life.

We are now to recognise and address the great harm we unknowingly thrust upon our children. There are no exceptions.

When in the spirit Mansion Worlds, we will all embrace our healing of how unloving we have been and this we do through the three healing worlds, 3, 5 and 7 spirit Mansion Worlds. This is embracing the Law of Forgiveness and it takes all of three worlds to complete our healing. This we can do in the physical here on Earth, or we can simply start and complete the process later in the spirit worlds. This is our Pathway Forward for us of Earth, it is the consequence of having the experience of living on a planet that is subjected to Rebellion and Default, the only one throughout all of the universes to do both.

So now the most incredible pathway unfolds for us all. There are bountiful benefits and rewards for having experienced a most difficult life on a rebellious world.

For the first time we have a day by day detailed account of life within the spirit worlds. Marjorie, John's sister, has conveyed her experiences of her first forty days of living within the 1<sup>st</sup> spirit Mansion World.

This you may begin to acknowledge is time for celebration when we transition from the physical to the spirit world environment because we are more alive than ever – when we are dead!

A week or so before Marjorie passed over, John had outlined to her what she would experience. This is outlined in the “Transition & Assimilation” Pascas Paper. John had asked Marjorie to confirm if he was correct in what he outlined, once she was in the 1<sup>st</sup> Mansion World, and in what ways he was wrong. This she agreed to do – and to her amazement she found that she was able to do so – which she did through James (see publications below) for forty days following the death of her physical body – refer to “Transition & Assimilation Marjorie” in the Pascas Papers at [www.pascashealth.com](http://www.pascashealth.com).

## It is all about Experiences and Feelings!

Our Earth based life is a free expression of our free will and from our experiences we are to express our feelings, both good and bad, and long for the truth of what our feelings are drawing our attention to.

### **The New Way: Learning how to live true to ourselves by living true to our feelings.**

Living Feelings First is embracing and engaging in our Feeling Healing. This is a difficult pathway but it is the only pathway to complete our healing of our personal rebellion and default. With Divine Love we then can transition to the Celestial Heavens. This we will all be doing with the assistance of the Spirits of Truth of the Avonal Pair who are presently on Earth.

When living in the first three Celestial Heaven spheres we come to learn what it is to be Celestial and remain associated with Earth. When we progress to the further three Celestial spheres we begin to integrate with all the humanities throughout our local system – there are 619 humanities throughout Satania. The next set of Celestial spheres is where we integrate with the humanities throughout our Constellation – 100 systems. Then further on we integrate with all the humanities of Nebadon, now that is 3,840,101 humanities. This we will all be doing with the assistance of the Spirits of Truth of the Creator Daughter and Son, the Michaels, being the co-regents of Nebadon, Mary Magdalene and Jesus.

Then it is our Heavenly Mother and Father that draw us to Havona and Paradise. This is where we can achieve the status of being Finaliters – ‘we are finally there!’ so to speak.

Each sphere that we transition into is more wonderful, spectacular and amazing than the one before. Even the highest levels of the 1<sup>st</sup> spirit Mansion World are equivalent to the most spectacular places on physical Earth. For each subsequent world and sphere, there is no way we on Earth can describe the ever increasing splendour and wonders.

Now that we are Finaliters we may go and explore the other six superuniverses. Then we may consider assignment to one of the now forming worlds in the 70,000 super universes that are yet to receive life.

As finaliters with experience upon a rebellious world it is likely that we may take assignments with worlds that are wayward. As the newly forming worlds are further out from Paradise than the seven super universes, so it is anticipated that our unique experiences will be very welcome in many ways that we could never have anticipated from our very humble beginnings. We each will have a day in the sun, so to speak. Everyone will have times where they will shine forth and be exalted for incredible works that are presently beyond our perceptions. All will reach Paradise and go beyond in a most glorious and bountiful way. Yes, some will have time satisfying the Law of Compensation but that surely expands one’s experiences so to equip themselves in their forthcoming Finaliter assignments.

**LONG to KNOW ABOUT what you are FEELING!**  
**Long to understand the truth behind**  
**what your feelings are pressing upon you.**

**Ask to know the truth about that which you feel.**  
**It is knowing the truth of that**  
**which you feel that sets you free!**

**Always be true to your feelings**  
**because they are your truth**  
**and truth is love and our way home!**

**Express your feelings to those who matter to you.**  
**Suppressed feelings bring about pain and illness.**  
**Talk it out to a friend!**

# JOURNEY HOME

Our journey home is an ever growing expansion of truth being revealed to us. For Earth’s humanity, as for the 37 humanities that have Rebelled, we are quarantined and isolated. Having also Defaulted, Earth’s humanity is possibly the most evil of all. Firstly, we are to understand that living through our minds is why we are addicted to untruth and control of others and nature – we are going the wrong way! We are to live feelings first and then heal our Childhood Suppression and its ongoing Repression – we are to live and express our true personality, the one given to us by our Heavenly Mother and Father. Then our journey home begins!

The Isle of Paradise is stationary within the circle of seven super universes. Spheres here are also for us to further grow in truth before arriving Home to become Finaliters. Our Heavenly Mother and Father guide us out of our Local Universe of Nebadon, through the rest of our super-universe of Orvonton and into super, super universe Havona which circulates around the Isle of Paradise, being home.

Each of the seven super universes are approximately constituted as follows and with 1,000,000,000,000 inhabitable worlds:

- One super-universe is 10 major sectors
- One major sector is 100 minor sectors
- One minor sector is 100 local universes
- One local universe is 100 constellations
- One constellation is 100 systems
- One system embraces approximately 1,000 physical worlds

Once we attain the Celestial Heavens (spheres), we start to come in contact with spirits from other ‘Earth’ worlds. So in spirit, and once we’ve finished our Healing and are Celestial, we interact, sometimes directly and otherwise indirectly, with potentially 10,000,000 physical worlds of which 3,840,101 are with humanities. Our Avonal Daughter and Son lead us to Mary Magdalene and Jesus (Michael soulmate pair / soul partners, our Creator Daughter and Son), through our healing of the Rebellion and Default by guiding us into the first three Celestial Heavens and out of isolation from all other physical and spirit humanities.

Mary and Jesus then lead us through the Celestial Heavens for the system Satania (that Earth is in), then our constellation and then out of our Local Universe.

Isolation from all other humanities prevails before completing our soul’s healing and progress into the Celestial Heaven spheres 1, 2 and 3. Hell planes 1 and 2 of Earth are for those people who have to compensate for evil wrongdoing. And once done, they may then progress up through mind Mansion Worlds 1, 2, 4 and 6 before turning around to progress through Healing Mansion Worlds 3, 5 and 7 to transition into Celestial Heaven.

# Pathway Forward

**The one and only way!**

**The New Way: Learning how to live true to ourselves by living true to our feelings.**

**We are to find through our feelings the truth of the Rebellion and Default.**

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

**The True Liberation of Women is Through the Truth of their Feelings.**

**Long and pray for Divine Love and it will loosen the errors / injuries / unhealed / denied trapped and/or inherited emotions, resulting in a flowing out, when one embraces Feeling Healing, of these negative embellishments within one's soul as Divine Love flows in – Divine Love being the greatest gift in all the universe.**

**We are to express our feelings, both good and bad, at all times, and to long for the truth of them.**

**To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

**Our Heavenly Mother and Father, our true Parents simply desire for us to ask for Their Love. Our salvation IS by embracing Feeling Healing with the Divine Love. God's Divine Love: Pray for it, ask for it, and receive it.**

**All unborn or stillborn babies as well as young children are nurtured into maturity within the realms of the spirit world with love. They all arrive within Summerland, or similarly named facilities, and commence their spirit world journey from there. The experiences they were intended to have on Earth are provided for them within the spirit Mansion World.**

**There are no organisations to join, there is no hierarchy, no controlling systems, no books, special prayers, rituals, dogmas, creeds, cannon laws, fancy costumes, special clothing or the way you have your hair. This is all about us living through our feelings. All that we need is self-contained within us, within our feelings. Our feelings are our truth. Nothing needs to be or is to be learnt by rote. We simply talk to our Heavenly Mother and Father as if we are talking to our loving parents here on Earth. Yes, many will form into small groups to help each other and share each others understandings and feelings; however there are no formalities or controls of any nature. While we live mind centric, we cannot evolve, only living through our feelings are we able to grow in truth and love of God, self, all of humanity and the environment.**

**Feeling Healing is a way of life and that is all it is. Living through our feelings with the mind to follow to assist in the implementation of what our feelings guide us to embrace, is for all to consider.**

# Finaliters

Hey guys, I know who I am and why I am having these life experiences. No, I'm not wearing a prison uniform – but that might be what my soul has planned for me to experience! Just joking!

When we arrive in our Earthly mother's womb, we are clueless as to why the heck we have come here. We truly need to persist with asking, "What's this all about?" – We will be told, bit by bit! But you have to push for it. Well guys, here's a go at it.

We have come to this crazy messed up humanity on Earth because God wants us to come; we don't have any say in it. And we think we can do something about it, but we actually can't, we can only do what God wants us to do. And if that makes us think we can do something, that we can have an effect, then that's what God wants us to think. Man, this mob is ready to slaughter each other totally and that is not going to happen – it's not allowed!

We are to enable our wilfulness to surface – well take over our 'numbnut' mind – and push aside the persona – the messed up personality that our parents want us to be – and express our true individuality. Be true to our feelings – our soul-based feelings and be the personality that our Heavenly Mum and Dad know us to be (all good).

Okay, because we are amongst billions of people who have been forced to join the Rebellion and Default, we are one of them – experiencing all the crud and wrongness we can possibly get ourselves into. Yep, we are rebelling against our soul, which also means we are rebelling against our soulmate and also our Heavenly Mother and Father – God. Shoot the works – we have done it justice!

Now here is the good bit. We can heal ourselves of all this wrongness – and eventually we ALL will. Then we will continue with our healing and learning, and learning, and more learning and end up in Paradise, the home of our True Mum and Dad. THEN we will be recognised as FINALITERS. Why Finaliters?

We are called Finaliters, that's everyone who attains Paradise, and not just those of us who've been screwed up by a Rebellion, because we've 'finally' got there, we 'finally' did it, we 'finally' completed the first stage of our existence in Creation, which is akin to 'Finally' completing our time in the 'womb'. Upon attaining Paradise, it can be likened to being 'finally' born, or 'finally' becoming the equivalent of age 6 when our Indwelling Spirit arrives, or 'finally' becoming an adult. And possibly we won't know if we can liken it to any of these stages we go through during our physical life on Earth, until we're 'finally' on Paradise, and 'finally' get it!

Because other humanities in newly forming universes are anticipated to Rebel (just like us now) and because we have had the experience (no other humanity has possibly done it as good as us), we FINALITERS can go and help them out of their SHIT! Yee-ha – more evilness and insanity! That is us! Bring it on!!!!

# Finaliters

## OUR JOURNEY

Ascension is from Earth (Urantia) through Nebadon, Orvonton, Havona to Paradise.  
 Then in Paradise we progress to be Finaliters and possibly assigned to a newly forming universe.

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**

**James Moncrief Publications:**

**all publications are free downloads:**

<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad Feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:**

**The True Gospel Revealed Anew by Jesus volumes 1 – 4**

**Book of Truths by Joseph Babinsky**

**The Urantia Book**

**Release one's pain through expressing one's feelings.**

**Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.  
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.  
Primary and most important readings are the writings of James Moncrief.  
Then consider the Padgett Messages, and then The Urantia Book.**
