## PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about looking within oneself. Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Contents are not to be interpreted as an independent guide to self-healing. The information sourced herein is not from a doctor or doctors, and any information provided in this document should not be in lieu of consultation with your physician, doctor, or other health care professional. Pascas, nor anyone associated with this document, does not assume any responsibility whatsoever for the results of any application or use of any process, technique, compound or potion as described within this document.

The sources of contents are noted throughout the document. In doing so, we acknowledge the importance of these sources and encourage our readers to consider further these sources. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we apologise. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

We offer all contents in love and with the fullness of grace, which is intended to flow to readers who join us upon this fascinating journey throughout this incredible changing era we are all experiencing.

# Kids of the World

**“We should not lecture the youth about spirituality but rather create heartfelt dialogues wherein their questions and criticisms are patiently and lovingly considered. We should approach them with compassion. Such an approach will create a change within them. Above all, we should set examples that will inspire them.”**

**Amma**

**“Mother and Father, open my soul to this Gift, Your Love. Open my soul and may Your Holy Spirit touch my soul and pour within it your essence, your Love that I may be transformed, that I might be your true child, embraced and carried, lit along my life’s path in the glory of your Light and care and protection.”**

**Jesus 11 May 2016**

**The LOVE is for the LITTLE CHILDREN as it is for the BIG ADULTS:**

This wonderful world, that we now live in, it is open to many great teachings; these teachings are conveyed to us by our Celestial spiritual friends with their great love and corresponding wisdom.

We, as parents and elders, can now, with confidence, demonstrate, share and introduce to our children, be they of our own family or simply within our environment, the wonderful gift of living with the Love.

No greater joy is there when a child responds to its inner feelings and asks the wonderful questions pertaining to its life. These probing questions arise from within the child in direct response to the aspirations within us all to learn how to find our way home to our Source Soul, the Father, the Creator of us all.

This inbuilt magnetism is undeniably powerful as it is persistent; it cannot and will not be ignored by any of us permanently. It is the guidance system and homing beacon that so often prompts us to seek these truths about our being, our purpose and our existence.

It is a beautiful opportunity to respond to an innocent child's prompting question with the love that has been the foundation and guidance for the child's enquiry. We all seek to understand the Love that is now freely and frequently being received by those seeking to be closer to the Father, be they in the four corners of the world and also be they of any of the many faiths practiced around the world or of no faith at all. The joy of receiving the Love is the same for one and all.

“What I personally want to communicate is that each and every person and child is capable of getting started on the greatest adventure known to humanity: to learn of God and of their own being, which is, in fact, hidden to them. And they can learn this not only through theoretical speculations, but through their own experience. Each one is able to open their way to our world (spirit worlds), if they only learn to listen to us (spirit people). This is why I speak so often of the inner voice. Once they are able to develop this capacity, a new universe of knowledge and fulfilment will open up to them. And the ultimate and definitive fulfilment is at-onement with our Creator.

“Yes, this is a form of expanding your awareness. The light is there; you only have to see it. It is not a question of illumination but of opening up your eyes, and to open them up properly. You will learn to do this.”  
Judas of Kerioth      7 January 2002

“All souls are created with some innate knowledge. They do not need to learn it, it is simply there. In many cases, this primitive knowledge, for example, that God exists, He awaits us, that He offers us His Love, becomes covered up in the later development of people, concealed by what we call encrustments of the soul. However, it is always present, only waiting for an awakening of the soul to manifest its power.

“In saying power, I mean that this knowledge, of course, causes longings and desires in the soul, desires to be with God and to receive His Love. Without this knowledge and desire, the Father's Love would be as if it did not exist.”

“Faith is the perception of the soul, much like sight and hearing are the perceptions of our material bodies. When we were created in the image of God’s Soul, we were also created with the ability to perceive things spiritual, even without receiving the Divine Love, the Love. This is so because were it not for these spiritual perceptions, we would be unable to turn to God in prayer.”

“Faith can open up the door to worlds undreamed of. The power God has conferred on men is enormous. Think about it.”  
 Judas of Kerioth 11 January 2002

“Faith is that which when possessed in its real and true meaning makes the aspirations and longings of the soul a real, living existence; and one so certain and palpable that no doubt will arise as to its reality.”

“Each soul has once experienced God at its creation; each soul experienced His Loving Kindness. However, when it does not repeat this experience, when it does not live this experience again, it generates and seemingly disappears, suffocated under the strong impressions of what you call real life. The soul shrinks but faith does not disappear, it continues, but it needs effort and will to wake up again.

“Active faith is the continuous, renovated and enlarged experience. Faith is as sweet as honey, it is peace and happiness, and it awakes longings for more, longings of the soul, longings to be under God’s protection, at-one with Him, and partaker of His Love. And His Love comes, changing the very substance of our soul little by little, changing the quality and the range of our perceptions, and expanding our faith.

“The difficult part is to start this process, but it is not a process which continues automatically. It requires our effort. But exactly at that moment when prayer stops being an obligation and becomes a desire, a wonderful experience, a moment of peace and happiness, at that moment the soul has won the battle.”  
 Judas of Kerioth 15 January 2002

“Follow your way, listen to your inner voice, be faithful to yourself, and do whatever you deem correct, without fear. If you do all this in love, you definitely have found your safe route.”  
 Judas of Kerioth 5 February 2002

A child’s loving and innocent enquiries create the opportunity for gifting the child with loving guidance and truths that enable the development of his/her innate desire to grow closer towards his/her Source Soul, the Father. Enjoy these moments as these are special moments when the angelic spirits are embrace all within this communion in the development of both the child and its parent along their pathway home to the Father.

As a child develops its love for the Father and yearns for His Love then wonderful developments occur within the being of the child. The child’s companionship with his/her loving Source Soul brings into its essence the gift of Divine Love which in turn dissipates emotional fears that may have begun to encrust its own soul. The dissipation of emotional fears brings about a development of a child’s natural insights and understandings, the development of its loving nature, rather than fear orientated brings about a more vibrant and healthy physical being.

Never can one man do more for another man than by making it known of the availability of Divine Love other than enabling a child to embrace the Love.

At all times there are with us, including with every child, spiritual guidance from the spirit worlds lovingly supporting the development of love for our Source Soul, the Father. Children are frequently aware of their presence and typically consider that we adults can comprehend this also. These partners in our journey of development in love patiently attend to our desires when ever they arise. Encourage the child to welcome their involvement; they have much wisdom and truth to share with us all.

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

Mary once told the children of Medjugorje: “Open yourselves to prayer so that prayer becomes a need for you!”

When people, through prayer, experience how their soul perceptions become keener, they live so much happiness, and it is exactly then, when it is no longer a question of “not forgetting to pray,” because prayer has become “as sweet as the honey,” a pleasure, a necessity and a fulfilment at the same time.

Judas of Kerioth      29 April 2002

## The CHOICE is OURS to MAKE:

### Celestial Truth:

Truly all-loving;  
 Living true to oneself;  
 Mind supporting Feelings;  
 Living with the Divine Love;

Fully Healed of the Rebellion and Default.

### THE FEELING WAY

Feeling – Ascendance  
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

### THE MIND WAY

Mind – Transcendence  
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,  
 atheists, no spiritual interest,  
 Living the Rebellion and Default.

Hell:  
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

## Our FEELINGS are our SUPREME GUIDES:

# Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings. Kevin 26 Sep 2017

## Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.

## FEELING HEALING

**Note:** The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

**Note:** Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and total true.” James – Introduction Course to Divine Love Spirituality

# FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU FEEL, THINK AND ARE.

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

## Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

**Please Mother and Father** help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

**Please Mother and Father** help me see the truth of myself through my feelings.

**Please my beloved Heavenly Parents**, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

**Please Mother and Father**, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

**Please Mother and Father help me**, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

**Please Mother and Father love me**. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

**Please make me feel how unloving I am**. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the 'dead' way; the feelings way is the 'alive' way.

### Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

**Please God** show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

**Heavenly Mother and Father**, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

**Please Mother and Father** fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

**I hate you Mother and Father**; why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

**I long for Your Divine Love** Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

**LOVE**  
is  
**Feelings First Spirituality, The New Way**

*Feelings First Spirituality, The New Way* is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

*Feelings First Spirituality* is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

*Feelings First Spirituality* has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

**Living the New Way of Feelings First Spirituality**

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

*And to do this you need to do your Healing*

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

## **Feelings First Spirituality** **The New Way**

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

# FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

## FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Notes from 'Feeling Healing' by James Moncrief

# Heartfelt TRUTH

**WE are meant to grow up LIVING FULLY CONNECTED to our FEELINGS:**

Humanity has always had an awareness and involvement with spirits, with life on the other side, because we are all heading that way, we all end up dying and becoming one of the spirits, and were humanity living rebellion-free, then nearly everyone would enjoy some level of spirit involvement either directly or indirectly, loving such an expansive awareness in life.

**We are meant to grow up living fully connected with our feelings in our physical reality, and at the same time with full feeling awareness of spirits and life after death, because after all, God is the greatest Spirit of us all.**

And so having an awareness and involvement with spirits can, and should, help us have more of an awareness with our Mother and Father. And it's not with just spirits, it's also with the angels who are with us all the time, and the nature spirits should we be open to them, and even higher spirits if we are to work with them, such as the Melchizedeks or Trinity Teacher Pairs. But mostly for those people involved with the Divine Love, it will be with the Celestials spirit group that is assigned to help them.

It is very important to understand that spirits and spirit life is meant to be part of life on Earth. However that's not to say everyone need to have an ongoing relationship with their spirit friends, but they can at least still be aware of spirits and spirit life and where we will be going and something about what to expect once we die. And when you are open to it, lessening the grip of one's fears about it, then we will find it will be just another aspect or level of life, and one that can give us quite a lot of comfort.

**To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. ## The New Way

**Feelings First**  
**FF**  
**Feeling Free**

The New Way, Feelings First Spirituality  
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings  
 Free your feelings from your mind's control  
 Live true to your feelings; your feelings are your true self  
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.  
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,  
 BAD feelings.  
 Want to understand why you're feeling them.  
 Use your surface feelings to take you deeper into your repressed and  
 hidden feelings.

The Feeling Way is the True Way.  
 Your feelings are your spiritual guide.  
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.  
 It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

**Feelings First; then comes The Truth; then comes Love.**

**WE ENDURE FOUR LAYERS of PERSONALITY SUPPRESSION!**

Unknowingly, our parents pass onto their children (us) their beliefs and way of living that has evolved since the Rebellion, some 200,000 years ago, and then the Default, some 38,000 years ago. In this way, humanity is suppressing the female, rejecting our Spiritual Parents, namely Jesus and Mary, and denying our Heavenly Parents being our true Mother and Father, of Their truth, standing and existence.

**The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion.** Nanna Beth 29 June 2017

We are souls, our personality is an expression of our soul. It is our free expression of our soul through our feelings that we are to embrace and follow. This expression may appear to be wilful in nature, from time to time, and consequently our parents’ attempt to suppress this expression. They proceed to remodel us when as young children, in the manner their parents treated them and so on for many generations going back.

During our forming years, as a child, we are unable to recognise the suppression of our personality as being extra-ordinarily harmful to our soul based personality and, accordingly, we don’t know that things can be any other way. Presently, neither do our parents.

This childhood suppression way of living continues throughout our schooling years, thus we learn this is a way of life that is normal.

Our religions all have been formed based on the tenets of the Rebellion and Default. The teachers and leaders throughout all denominations take us further away from our suppressed feelings that have been hammered into us during our forming years, thus entrenching us further into rejecting our true selves.

The controlling and suppression mechanisms of our parents, educators and spiritual teachers all manifest throughout all of commerce. This control comes heavily and brutally down upon all levels of employment. The capability to express one’s soul based attributes and gifts is sealed throughout all of one’s working life.

A new way of living is to enable the liberation of one’s true personality through the Feeling Healing process AND the transfer of authority to the individual via embracing freedom of expression.

The whole human race is suffering from repressed childhood and mind control.

Be controlled by your oppressive mechanical mind, or set yourself free through your feelings and allow your soul based truths to surface. Allow your feelings to be felt, and seek the truth of them. This is how we can all evolve in love.

Our minds are infused with childhood injuries and errors. Only by expressing them as they surface, and finding the truth of them that we set ourselves free and grown in love.

ERROR INFLICTED MIND V TRUTH LOVING SOUL

# REVELATIONS

**Revelation 1:** Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively feel into our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

**Revelation 2:** We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

**Immortality with the Love.**

# Steps UP!

## Quantum Jump 1

**REVELATION 1**  
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

## Quantum Jump 2

**REVELATION 2**  
Marion and James Moncrief 2002  
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

Rebellion and Default  
officially ended  
31 January 2018

**END to the REBELLION and DEFAULT – 31 January 2018:**

31 January 2018: Nanna Beth – 3<sup>rd</sup> Celestial Heaven: Yes John, very good news we want to pass onto you for your records. Earth and the seven associated Mansion Worlds (including the two Earth planes) are **officially** now fully under the control of Celestial spirits. And this means John, that Earth is now ‘Ours’. It’s been a long time coming, but it’s a huge milestone and marks a tangible and real end to the Rebellion and Default. It’s one of a number of ‘End’s’ that are to occur.

With the departure of the Caligastias and Daligastias some years ago, humanity has been in a state a limbo so far as who is doing what with it, it not being allowed to be left alone so it could do whatever it liked, it always needing to have a spirit connection. With the mind spirits, as we’ve told you, basically calling the shots still happy to ignorantly carry out C&D’s plans. But now with our systematic and progressive take over, we’re now in complete control.

And what that means is we have our fingers in every pie and we’re on the case so far as what everyone is doing. However it doesn’t mean we’re taking over and telling humanity what to do and how to be, although we are able to work more with certain individuals directly and indirectly helping to move or point or orientate (depending on how you want to look at it) individuals, groups of people, whole societies, the whole world, according to the plans given to us by the Melchizedek Receivers.

So humanity will still carry on outworking it’s unloving, untrue and rebellious state, that has to be worked through to its natural conclusion, however we want you to understand and just know that it’s another end of things and beginning of the new. And it’s basically what we’ve been working with you in connection with James this past year to achieve. There is a lot more to it and how and why it’s been done, and done as it has been done, however you can find out about all of that when you come over.

So we Celestials will guide humanity now according to what our Mother and Father want, so humanity’s got a real tangible safety-net under it now, so no more ‘downside risk’, it all being to move it toward doing its Healing.

I’ll speak again soon – love Nanna Beth.

GEMS for ALL PEOPLE of all AGES to EMBRACE:

The GOLDEN AGE!

**Cause No Harm** < to OTHERS  
to MYSELF

**Strive to love others as I am to love myself**

At any time, any where, and in any way you so please:

Approach our Heavenly Parents, in reverence, without fear or trepidation, just as we, as a child, approach our earthly parents knowing that open loving arms are extended to receive us at all times. As one’s love grows for our Mother and Father in the Heavens, we come to know with absolute clarity and certainty that our Heavenly Parents, loves you and me and everyone in return, at all times, and that fear is an illusion created by man’s mind.

God, who is our Heavenly Mother and Father, is almighty, all powerful, infinite, and all loving. The love of the Heavenly Parents for Their children, man, has been and is always infinite and ever present. As one’s faith evolves, one’s love for our Heavenly Parents will have no limit. As we grow in Their love, so will we grow in love for all of God’s creations and our fellow man.

The Source Soul, our Heavenly Parents, simply desires for us to ask for Their Love.

God's Divine Love: Pray for it, ask for it, and receive it.

“I love you Father.” “Let the Divine Love flow its energy into my soul.”

“Mother, Father, I desire your Love and I am loving you.”

“Soul God, I love you and I love receiving and experiencing your Divine Love.”

“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”

“Please Father and Mother, may I receive Your LOVE.”

Maybe we could simply long for and ask:

*Please, Mother and Father, I want some more of your Love!*

### The Faith of Little Children:

<https://new-birth.net/contemporary-messages/messages-sorted-year/messages-2002/the-faith-of-little-children-hr-22-jan-2002/>

Received by H.R. Cuenca, Ecuador.

January 22nd, 2002

“Verily I say unto you, except ye become as little children, ye shall not enter into the kingdom of heaven.”

The reason why I intend to deliver a discourse on this subject is the opinion that you expressed, that children have a much more natural contact with spirits, but that this innate mediumship gets lost, or it is repressed, through the influence of adult society.

This is true, you are right. The child, eventually, adopts the attitudes of the adults, and it is exactly this attitude which breaks the contact. In the message you have just read, the simplicity of the soul is mentioned, and this simplicity is changed by an intellectual and “rational” development. That is why in cultures where people put less emphasis on this kind of development, conscious contact between mortals and spirits is much more common. Perhaps I should say that this contact is also common in modern society, but it is no longer conscious, as a rule.

Now, the question is, if Jesus referred to this with his famous words.

I can answer that if you interpret it this way, you are not wrong, although this was not what Jesus had in mind.

Actually, it is about what you have read in the message through M\_\_\_, and what you surely remember of the Padgett messages. Find Ann's Rollins message about this passage of the Bible, and write it down here.

*[HR: I Suppose that you refer to this one:*

*And the sixth sphere is a more prolific one of probation, in the sense that many of these spirits are awakened to the necessity of seeking this soul development, because after some of these spirits have been there for a long time, they commence to realize this limitation to their mental happiness. And, strange as it may seem to you, they frequently make their first start by calling up the recollections of their childhood days, when they were taught and believed that God loved them, and that His Love was the greatest thing in all the world. So you see here illustrated, in a way you probably never have thought of, the saying of Jesus that, "except ye become as little children ye can in no wise enter the Kingdom of Heaven."]*

Correct. I am referring to exactly this one.

Children conceive God to be their Heavenly Father, filled with Love, who always reaches out to them His Hand of support and protection. In a similar way they also believe that all adults are good and helping, and only after many warnings and bad experiences they realize that it is not so. These bad experiences, and this resulting distrust, are also projected upon God. The image of God disappears with the childlike faith. A few people manage to distinguish between both things, and they keep up an absolute faith, full of trust, a faith we call "blind faith." Your wife has it, my dear brother, and she is blessed through it.

Faith and trust are not the same thing, but they are like cousins. They walk hand in hand, but I will not analyse their relationship today, since the quality of our rapport does not allow this.

That faith which we call childlike, but which is true faith, suffers through our process of maturation that actually is a process of estrangement and alienation, where concepts become supposed realities, where we learn how to open our eyes without seeing. Do you remember the meditation technique, walking slowly and trying to see things as if you saw them for the very first time, like a child?

This supposed process of maturation is a process of freezing, tearing us away from the shelter of our families, and exposing us to the cold wind that others blow against us. And as good citizens do, we learn to copy that behaviour and blow in the same way. The child's faith wastes away, becoming the embryo of what it once used to be, waiting for the warmth of love to grow again. And it is the Father's Love that incubates it.

Although distrust may be a vital attitude for survival amongst men, it is an absurd attitude in front of the Heavenly Father. We can only win, we cannot lose anything. It is that lack of trust, which lifts up the barriers of ice around the soul, and it may be the cause why the warm Love of God needs so much time to open up a way to our heart.

This has been a short message. However, I conveyed all I had intended.

Have a nice day, and please, listen to me and wait for me when you still can keep your eyes open.

God bless you,  
Judas

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

**Our Heavenly Parents simply desire for us to ask for His Love.**

**“Every day is a day of devotion.”**

**Please Mother and Father, may I receive Your LOVE.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Our salvation IS the embracing of Feeling Healing and the Divine Love.**

A newly individualising soul is just a tiny invisible spark.

The soul nests inside of the spirit body, never to be separated.

The life force for the spirit body and the physical body is via the soul. The spirit body is connected to the soul via cords of light, and in turn, the physical body is connected to the spirit body via cords of light. Should the light cords between the spirit body and the physical body be disconnected then the physical / material body dies. The physical body is our starting point for learning and experiencing our being. Our learning and growth experience then continues through the existence of the spirit body.

**SOUL:**

The Real You is your soul, you are one 'half' of that soul.

Each half of the original soul incarnates a spirit and physical body simultaneously, they being connected. The soul expresses each of its two personalities as a woman and man. True soulmates are always of the opposite sex.

Sexuality is an attribute of the two personalities the soul expresses; the soul itself does not know sexuality.

The soul connects to the two spirit bodies it has created by 'golden cords' of light; and the spirit body is in turn connected to the physical body by 'silver cords' of light.

The spirit body is your astral body. The etheric is really the body that is the template for the physical and one that doesn't hold consciousness.

The soul remains invisible to the spirit and physical bodies, only being discernible by its luminosity through the spirit body.

95%+ of humanity currently are within the 1<sup>st</sup> sphere of development.

**PERSONALITY**

Soul    Spirit Body    Physical Body

**PERSONALITY**

Physical Body    Spirit Body    Soul

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

### DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – ‘soul land’. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

## PERSONALITY

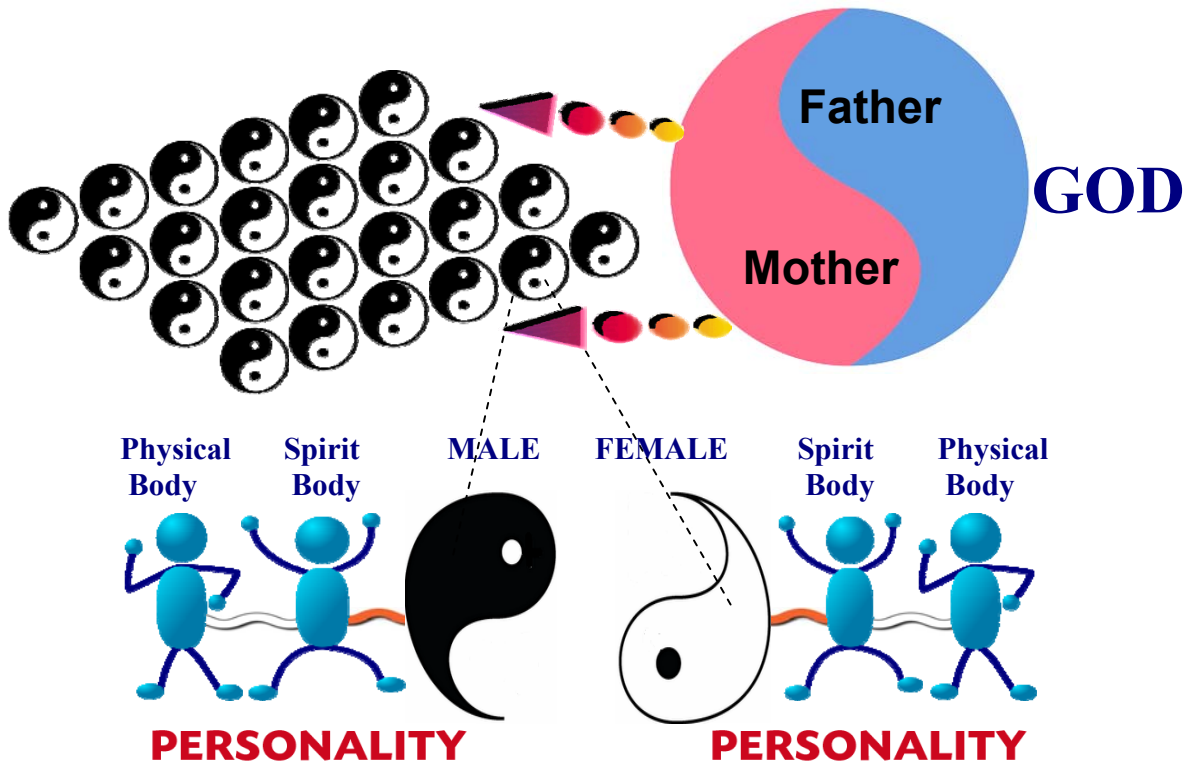

**Our soul is the centre of our personality.  
We are children of our Heavenly Parents.  
Our soul manifests a male and female personality - it is a duplex!**

**STAGES of MATTER:**

**Matter becomes finer and finer and more incredible within each phase:**

With the Love and in the Glow.

Without the Love and in self reliance.

**God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.**

**Jesus and Mary are a son and daughter of God.**

**Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.**

**Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.**

**When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

**It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.**

**WE ARE Children of God**

**WE ALL ARE BEING GUIDED HOME:**

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus’ Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

**HUM:** Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

**AVO:** We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair’s guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world’s spirits.

**J&M:** We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

**M&F:** Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

**GOD**

**M&F**

**J&M**

**AVO**

**HUM**

**WE ARE Children of God**

**WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:**

**GOD**

**M&F**

For 200,000 years, we have been misled into embracing our mind’s distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.  
We are to long for the truth of what we are feeling.  
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

**J&M**

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren’t allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we’re taken into new ways of looking at ourselves, our feelings, and our life. We’re setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

**By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

**AVO**

**HUM**

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

**WE ARE Children of God**

## HOW TO GET TO PARADISE:

Long for the Divine Love  
 Long for the Truth  
 Long for the truth of your feelings  
 Don't deny any feelings: accept, express and want to know the truth of them  
 Know your feelings are the key; your feelings are the Way  
 Want to end your falseness and being untrue  
 Want to understand the truth of your early life  
 Use your surface feelings to move deeper into yourself, bringing up your repressed feelings  
 Want and long to know the whole truth of yourself  
 Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

## The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**  
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
2. **ETERNAL SON (ES) – Divine Truth**
3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS (MF) – Love – the Living Truth**
2. **DIVINE MINISTER (ID) – Mind (and her Holy Spirit)**
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR – the Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS – they do not incarnate**

**So in summary:**

**Consider a diamond:**

# Mother and Father Heavenly Parents

Creator Son & Daughter

Avonals  
as soulmate pairs

Trinity Teachers  
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

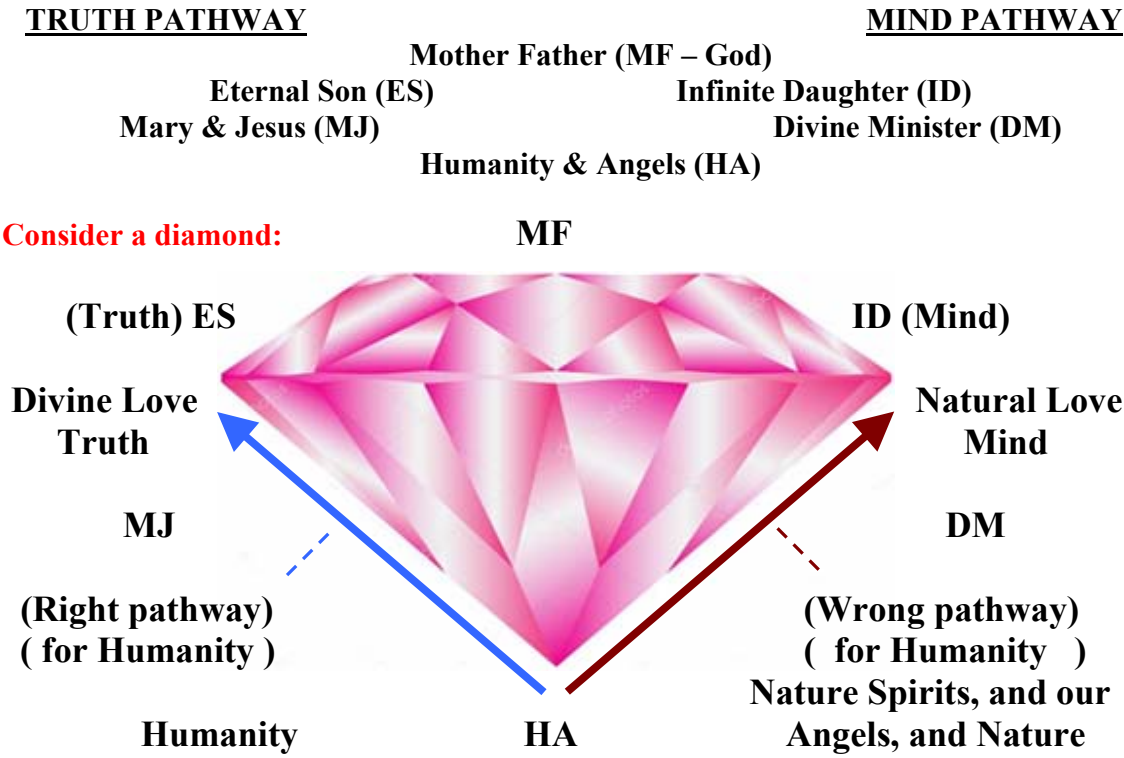

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

**Humanity** is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

**CREATION of SOUL and SPIRIT:**

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective

Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

Soul connects via cords of light to two spirit bodies that it manifests. Spirit bodies are templates for physical bodies, male and female.

Soul in original state – in God’s image.

Male / female segments of soul.

Male / female segments NEVER separate.

Soul halves seemingly moving towards being incarnated.

Male half

spirit body looks like the physical

Female half

Divine Love being given through the hands of the Spirit, this Love washes over the spirit body and is absorbed through and into one’s soul.

The love that we have for our child, immediately starting from the moment of conception / incarnation, is felt by the child, even in this newly forming state. The love being showered upon a child involves all within its environment, parents, siblings, grand parents, friends of the family, etc. These emotional transfers to the young child have formational influence upon its nature and character. This is the time when emotional fears start to take hold upon the pristine soul of the child.

Should those within the environment of the child be with the Love and are embracing living with the Love, either knowingly or un-knowingly, then the child will be potentially developing a pathway of living without fear, that is, living with the Love.

**Incarnation of the soul into the foetus happens soon after conception. Often the women will feel that a soul is now connected to this creation insider of her. From this moment on, this little soul, which has its own free will, has to be respected. The problem with the abortions or terminations that occur is that most of the time we do not understand what we are doing. We do not understand that we are terminating the life on Earth of this little soul which has just been incarnated.**

At the top of the 1<sup>st</sup> sphere is Summerland, within this place, there are a large number of celestial spirits who take care of unborn children who have been terminated. Upon termination, the spirit body is disconnected from the material body. From that moment on they are living in the spirit world, the spirit body enters Summerland and this tiny body continues to grow just as naturally as it would here on Earth. A celestial spirit nurses that child to maturity. By maturity, the child has a choice as to how old and how large it is going to get.

**The child is looked after and cared for and loved within Summerland.**

**The responsibility for termination rests both with the man and woman who created this child.**

**You may have taken away the free will of the child to live here and you have imposed your free will upon that child. It is very similar to a murder from the Law of Compensation point of view.**

**The huge emotions impressed upon the child are about not being wanted – imagine it!**

Our children are a mirror image of our own emotional baggage. You could say that if we are a basket case then our child or children will be also. In fact, we individually reflect the emotional structure of our own parents sometimes that of one parent more than the other, as in turn our parents reflect the emotional makeup of their parents. This emotional transfer is through our genes as well, thus the hereditary ailments can be avoided by growing in love through the greatest gift in all the universe, by embracing Divine Love, the Love. All negative emotions are fear based emotions and these we can dissolve from our personality and makeup through embracing the Love.

**Your children reflect back to you, your Law of Attraction.**

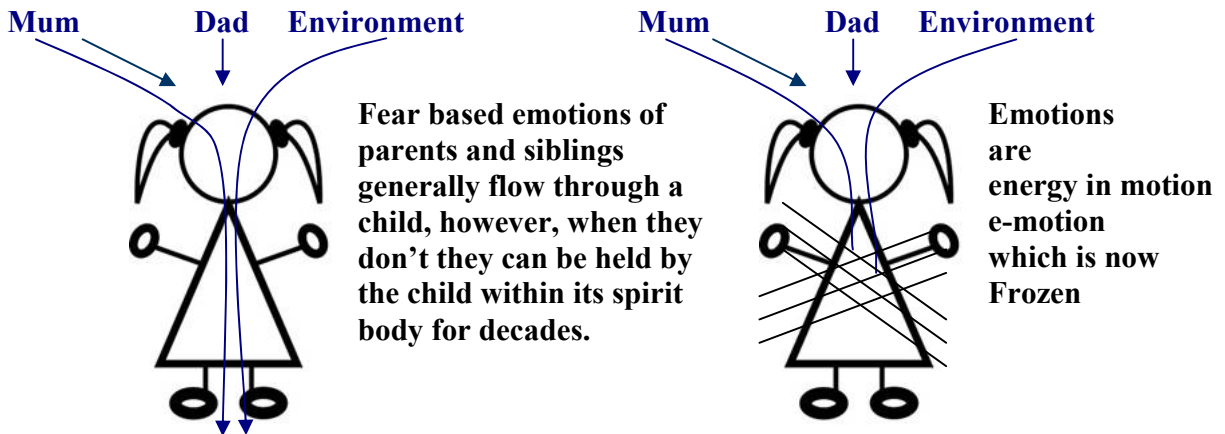

**Loving parenting can create beautiful progressions throughout a child's development.**

**Children 5, cooking and having their own cooking area.**

**By 7 years of age, children can be at one with God and self sufficient and independent.**

**Deal with your addictions with food, and your children will be clear of addictions regarding unhealthy food.**

A child typically deals with a negative fear based emotion with an outburst of crying or similar activities, this is particularly healthy for a developing child. However, children as well as adults who hold onto negative fear based emotions do so within their soul and spirit body, these can be referred to as encrustments upon the soul. Emotions of each particular kind typically lodge within the same regions of the body for all of us. Thus specific emotions actually lead to specific illnesses.

These emotional energy blockages that occur within the spirit body prevent healthy flows of energy and the result is discomfort that develops into pain and subsequently illness. These are extreme events of fear based held emotions.

When one starts to receive the Love, this Divine Love works to dissolve such frozen emotional energy balls. Thus a child's development in the Love brings about a healthier physical body that prevails for all its life.

In conjunction with growing in the Love, one can deal directly with these underlying health issues by removing the energy blockages through the practice procedures, such as Pranic Healing and also developed by Dr Bradley Nelson, known as the Emotion Code and the Body Code.

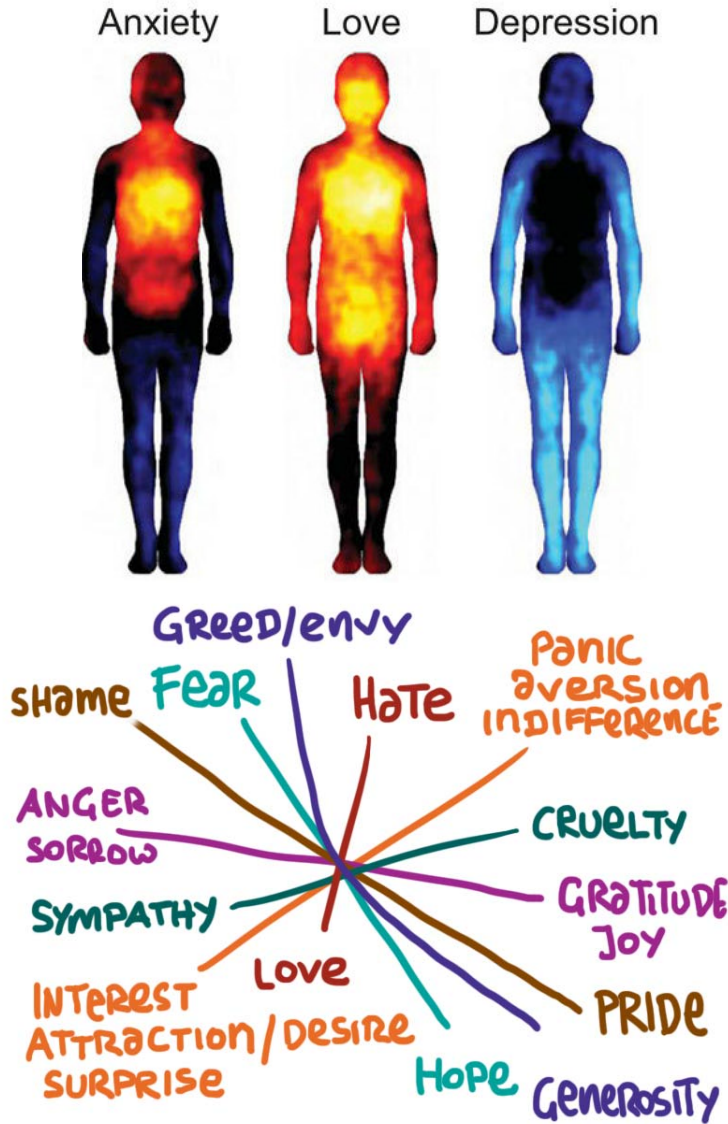

It is the embracement of the Father's Love that brings about a permanent healing of the bodies.

The dominant emotional elements within one’s soul reflect through the spirit body thus making visible to all spirit people one’s soul condition. One’s soul condition is the combination and blend of all of one’s emotions, be they fear based and loving orientated.

Our soul condition determines the location from which we start our journey in the spirit world. After arriving within the spirit world, we eventually are drawn to the plane that is suited for our own soul condition, other spirit people within that given plane will have matching if not identical soul conditions.

As we develop and grow our soul condition then we progress to a more loving and higher plane. This progress is greatly expedited should we seek and receive the Father’s Love, that being Divine Love. By seeking His Love while living in the physical on Earth we are advancing our progression within the spirit world environments at the same time. We can develop our soul condition while living on Earth to the extent that we can be free of any fear based emotion and become at one with the Father thus enabling us to progress promptly to the Celestial Heavens subsequently upon entry to the spirit worlds after separating from our physical body.

Becoming God reliant and embracing the Love develops our emotions that are reflected within the top half of the diagram below. This is universally true for both adults as well as children.

Being self reliant and without the Love typically results in a long stagnation and a life embroiled with the fear based emotions that are reflected within the bottom half of this diagram. These options we can introduce and understanding to our children as well as any of our companions.

**SELF CENTRED ACTIONS and AGGRESSION HAS CONSEQUENCES:**

**Any action that causes harm to one's self, or to another, degrades your soul condition. Your soul being your real self.**

**We may have a big powerful physical body, but our real strength is the condition of our soul. Should we assert our unloving nature and desires, then our soul's radiance and energy is progressively degraded. This can extend to the point where our soul's radiance is nothing more than that of a dried up darkened garden pea.**

**Our soul condition is reflected through our spirit body for all to see. Upon entering the spirit world, into the 1<sup>st</sup> sphere, a healthy loving soul will be reflecting out through a spirit body the same size as that of the physical body whose personality has now separated from that body.**

**A degraded soul results in a significant diminishment of the size of the spirit body. The poorer the condition the smaller the spirit body – significantly smaller. Further, there is little to no radiance, therefore, little to no light. There is greatly diminished capability in all aspects of spirit life and a great loss of the capability to move about.**

**In this condition, one is isolated into a very lonely dark environment to begin the long process of recovery and development of love for one's self and for all those around them.**

**One is always being loved, and help is always available, one just has to learn to accept this offer of love.**

**One can always recover and grow in love from what ever condition they may find themselves in.**

**PARENTING:**

Tuesday, 16 October 2018

I, James, want to write a few points about parenting having read a few pages of *Parenting is Forever* by an Australian paediatrician – Elizabeth Green, a book I saw at the library.

The hard truth is: if you parent whilst being of the Rebellion and Default, then you will be severely damaging your children. It's what we fail to understand; and we've been doing it for a very long time.

The whole notion of one can be a 'good' parent or a 'bad' parent needs to be thrown out the window. When you understand we're all living in a state of truth-denial; that we are denying the truth of ourselves, nature and God; that we are living against ourselves, nature and God; that everything we do is wrong and within the Rebellion and Default, then everything one might do as parent will be wrong too.

Until you begin your Healing, everything you do with your children will be stuffing them up. It can't be helped. And you won't know how you are stuffing them up until you do your Healing. You can't see the full extent of what you are doing to them either positively or negatively as you are parenting them – unless you are doing your Healing. And you can't work out how to stuff them up less, as it doesn't work that way. They will come to know how stuffed up they are – what a 'good job' their parents did on them – when they do their Healing.

We have to do our Healing so as to see the truth of our relationship with our parents. And until we see it, we'll remain forever more bound up in our Wrongness.

And the idea that we can learn how to parent, learn how to be better parents, use our mind to parent children, is wrong, too. We can use our mind to learn whatever we want, but as that too is being done in rebellion against the truth of our true self, so it's only going to negatively effect your child.

A parent might be able to parent its child to fit better into life, living a more morally acceptable, respectful and loving life, however it's all still learnt, so it's a contrivance based on current acceptable pretence and falseness – it's all untrue and a fantasy.

Parenting happens on multiple levels most of which the parents are unaware, and all starting at conception. At conception, it's all already done, it's a done deal – pregnancy, childhood, adulthood is just the outworking of it. So all our negative patterns are conceived at conception (incarnation), with the only way to change those denial, rebellious, anti truth and anti love patterns being to do your Healing by seeking the truth of your feelings. And once your Healing is complete, then you will be living wholly positive, true and loving parents.

The truth you are living is 'organically' imparted 'absorbed' by your child all the way along, and right up until you have completed your Healing when technically you are no longer the parent of your child,

having given it up completely to God, it being wholly God's child. By the time we're all of a Celestial truth we are then truly children of our Heavenly Mother and Heavenly Father without any further parent / child connection on any level other than in our memories. When you have completed your Healing, then you will be totally free of your parents. Until then, even through they might not be personally present and active in your life, still you are living out the patterns that resulted from being with them, even if that was only for a moment. With those patterns all being 'broken' and transformed into leaving your physical parents for your true Soul Parents as you progress through your Healing.

Your child becomes the truth that you are. If you living against truth, so untrue, so it will follow suit becoming untrue. The intrinsic child being an expression of its soul, is true and perfect, however we become untrue and imperfect being incarnated onto a Rebellious world. Your child can't be anything other than how you are – it is 'your' child. All the factors such as DNA and inheritance contribute to how your child is, and on all levels, not just the physical, it all being long lines of generational denial being passed onto your child. And this then works with the whole environment the child is subjected to, which includes all of nature, all what happens in one's life, and all that's happening on unseen levels from spirit, all what's going on emotionally, mentally and psychically – the relationship between them both, it all going into and working to reflect the desired outcome the child is to be in every moment of its life, all of which is ultimately underpinned and fully orchestrated by the soul.

Your soul is expressing you in Creation. It has encoded within it, all that you are to ever be. God has put it already all within your soul, and your soul is 'unfolding' through light, expressing that pattern which governs every aspect of your being. So why that genetic trait is activated by those environmental conditions is all overseen and orchestrated by the soul. Nothing is random, there is no bad luck that your child suffered this problem, and it is more than because you smoked and drank during pregnancy you somehow damaged your child. All of you is damaging your child all the time, even if you feel a great love for it and it for you.

Until you've fully Healed yourself, it is all damaging, fantasy, untrue and unloving. Every second your child is with you, you are negatively affecting it (unless you are doing or have done your Healing). And even when it's not with you, you are still connected by unseen psychic cords on all levels of the mind, emotions and spiritually, so are still affecting each other. And those effects compound and become very intricate, complex and intensely psychologically involved.

And if your child is retarded, a genius, or just 'normal' and 'ordinary', that's exactly what God wants, it's how God made its soul to express itself, so it's perfect. You are the child of God that you are, even in all your wrongness. And even though you might hate how you are, you don't have to stay in that state, being able to heal yourself as you do your Healing. And when your Healing is finished, you'll truly love the whole unloving state that you were, seeing that it was all absolutely perfect how evil, uncaring and unloving you were, it all being what you needed to bring you to this point of perfection you are now living in your Celestial level of truth.

If you parent your child without doing your Healing (irrespective of being a good or bad parent and whatever you do and learn to try and help your child), then you are simply passing on the next level of wrongness in your long family line of being untrue. If you parent your child whilst you are doing your Healing, then every part you heal within yourself you'll no longer be passing onto your child, with your child potentially adjusting to the 'new you' which can happen up until the child reaches its first Saturn

Return (astrologically speaking) around 28-30 years old. Once that age is reached, technically it's the end of childhood, so even if the parent/s keep Healing themselves, those positive effects won't be passed on to the child. And once a child is sexually mature, the child itself has to be open to and receptive of its parent/s to be able to keep changing, reflecting the parent/s changing as it does its Healing. Once sexually mature, the child is free to reject any such positive changes brought about by its parent/s Healing, so it might reject its changing parent who is doing his or her Healing. The Healing parent can't force any positive changes on the child once the child is sexually mature, whereas before sexual maturity the child is still becoming its parent, so any positive (or negative changes) the parent makes will be taken on in some way and on some level by the child.

Learning to be a better parent whilst still parenting without doing your Healing only means you're going to add yet more layers to your child screwing it up even more. We are constantly adding more mental layers of self-denial to the way we live as adults, and so too our children. The Internet being the latest outside influence that can help parents to add yet more mind layers to themselves and their children. This book I am reading suggests that all parents woes and all the child's problems in the world now stem from the advent of the Internet, even as if pre-Internet, there weren't any problems with how parents parent and their resulting problematic children. And yet the Internet age is just another age along the two hundred thousand years of System Rebellion and Planetary Default, of parents unlovingly parenting their children who grow up to parent their children unlovingly. And if it we were parenting our children perfectly, if we were all Healed and living true to our feelings, there would be no Internet like we have it, and possibly no internet or anything of what we currently have. There would be other things in life reflecting our true state, things that express our love, instead of things that are expressions of our unlovingness. The Internet, like everything we create, is an expression of how screwed up we are inside, which means, how our parents screwed us up. We can only create something like the Internet – and the whole world we live in, because of our unloving parent/child relationships. So if you think the Internet and the world we've created are good and loving, then you might want to consider looking into the truth of your relationship with your parents and doing your Healing.

Any love you feel is love within the unloving state that you are and that you and everyone is expressing in the world. Nature is of perfect Natural love; we and all we create whilst we're in our imperfection, is unloving. All our relationships are unloving. Within our unloving states we can, relatively speaking, feel love and be more loving, just as we can be more evil, wrong and unloving, yet still it's all within an anti truth system, and without truth there can't be true love, for love to flow there needs to be truth: no truth, no love. Love exists outside of truth, but without truth we can't truly relate to it, so it may as well not exist. Our souls are truly of love, and we are to become truly expressing our truth as love, and loving expressing our truth with all the good feelings loves gives us, when we've completed our Healing, when we've ended our rebellion against truth and love.

We are living in an 'experiment' of how unloving you can be and what the effects of feeling unloved have on ourselves, each other and the world. Everything we are doing is wrong, so everything we are doing is making it harder for ourselves. There are no effective solutions to all our problems until we end our unloving anti-truth state by doing our Healing. We can keep using our minds to make it appear like we're being more loving and caring, just as we can use our minds to make it even harder for ourselves, but our mind is not The Way, whereas our feelings are.

A parent or parents doing their Healing will naturally effect their child as they progress, and in a positive way. However it's not for the parent to demand, make or force the child to do its Healing. Once the child is sexually mature, then it is free to make its own choice about doing it. And some older children might reject their parents who are doing their Healing, putting off doing their Healing until they are older still, which could even be during their spirit life. When someone begins their Healing in earnest, is when God through their soul says it's time.

If you are wanting to Heal yourself and become true, then part of that Healing will be about your relationship with your children – uncovering how unlovingly you've treated them whilst possibly believing you were loving and doing the right thing for them. And if you are yet to have children and do want them, then there will be lots of opportunities for you to find out more truth of your unloving state as you look to expressing and longing for the truth of all you feel – which is doing your Healing.

It's not that because you understand you are imperfect you should therefore not be having children until you are perfect having completed your Healing, but going with your feelings of wanting a child and expressing every feeling that comes up along the way as you long for the truth of those feelings. If you have any fear, anxiety, worries, guilt, sadness, anger, misery and any other bad feeling, then these are what you work on. So you can have a child as you do your Healing, with the child helping to bring up the bad feelings in you that you are to express out of yourself and see the truth of. Or, you not have a child and do your Healing. If you don't have children on Earth then you can adopt children in spirit, either doing your Healing or not. Currently spirits doing their Healing can't also adopt children, however once the New Revelation is 'activated' – revealed, then spirits doing their Healing will also be able to do it whilst having children.

A fully Healed parent will pass on such truth to its child thereby no longer subjecting its child to any untruth. And two Healed parents will give rise to a completely true child, it being totally free of the Rebellion and Default, this being the perfect humanity that humanity is to become. Slowly humanity is to Heal itself of the Rebellion and Default.

Elizabeth in her book says that young people and children are looking more to social media and their machines to conduct their relationships through, and oh my god how are parents now to deal with, compete with, simply cope with, that??!! We fail to see that the machines and the Internet is allowing us to be truer to our unloving states, we can be more impersonal by pretending we are personal through a machine and the unreal, which is the truth of the relationship we are living with each other, so the truth of the relationship between parent and child. A parent who complains that their child wants the Internet and all it offers above them, should perhaps question why does the child want to reject its parents, and in finding the answer to that question, the parent will uncover the truth of its unloving relationship with its child. We can escape into the Internet away from the relationships we hate, those with our parents. We all hate each other, not love each other, which is possibly the most difficult truth to accept. We make up fantasy relationships we project onto each other that gives us the mental ability and resulting contrived feelings to make us feel and believe we love each other. But if we take the fantasy away there is only a dark hole of nothing, a hole full of pain, the full horror, trauma, terror of agonisingly feeling you are not loved by the people who should love you.

And so because none of us can bear face the terrible truth of our unloving state, we continue to do our best to live seemingly loving with each other, doing the best we can, using our mind to alter our fantasy-

unreal existences, doing all we can do to avoid having to face, accept and fully embrace the truth our bad feelings will show us when we come to do our Healing and want to give up the facade.

We currently parent negatively influencing our children on seven whole worlds' worth of truth. Which means your child, as do you, has seven whole worlds' of truth it's denying in life, all of which cause untold numbers of problems. And consequently, should you wish to do your Healing, so it will take you the Healing of all seven worlds, as represented by the seven Mansion Worlds, to complete it. The Rebellion and Default has evolved to include all seven Mansion Worlds in rebellion by default. We have taken the Rebellion on by Default through all these levels and have to heal them all through our Healing. And once Healed, we are free of our parental influences, free of our parents, free of our wrongness, free of the Rebellion and Default, true and perfect to the Celestial level of truth.

## **LOVING YOURSELF:**

**June 28, 1915      Book of Truths**

The first great truth is, God is love; and the second is, you must be born again. These are the two greatest truths of the Bible. I consider them greater than the commandments to love God and to love your neighbour as yourself.

Yes, I am John of the Bible.

**Judging yourself is not loving yourself.**

**January 11, 1916      Book of Truths**

If you will study the Ten Commandments, you will see that these commandments deal only with the natural love, and by their observance would tend to make men better in that natural love – in their conduct with one another and in their relationship to God, so far as that love brought them in communion with Him. This natural love, as I have said, was possessed by all men, just as the first parents possessed it, and was never taken from them; and in its purity it was in perfect harmony with God's creation and the workings of His universe. But notwithstanding these great qualities, men were mere men and had in them no part of the divinity of the Father.

Jesus of the Celestial Heavens

**June 16, 1955      Revelation 23: Jesus explains the eleventh commandment**

"This is my commandment, that ye love one another even as I have loved you." And this statement meant that, as the Messiah, I was giving a commandment which was to be placed with, and above, the Ten Commandments of Moses; and this commandment was the Law of God's Love.

I told my disciples that they were to love one another, not merely that they were to love only themselves, but all mankind, for "one another" was a term which meant not for the circle of the disciples, alone, but for all people; and this love was to include human beings who spitefully used them, and they were to love their enemies as well as their friends.

And that love which they were to entertain for mankind was not the natural love given to all men at their creation by God, but the Divine Love which God had bestowed upon mankind with my coming; and this Love could be obtained by my disciples if they believed that it was available and that it could be conveyed into their souls through the action of the Holy Spirit.

This was the meaning of the very important phrase, "as I have loved thee." For it meant that I had loved my disciples with the Divine Love which God had implanted in my soul because of my longings for His Love, and that my love for my disciples and, I should add, for all mankind, was the Divine Love which was in my soul and which I had obtained from the Father. So that my disciples, and all mankind, could, by prayer to the Father, obtain the same Divine Love in their souls which filled my own. And this Divine Love was to be the Love with which my disciples were to love one another and all mankind.

This was the only commandment which I gave to my disciples, and no other, for I did not command them to drink or eat bread in memory of me, for such an act could have no merit in bringing the Divine Love into their hearts and could only be an act of veneration which I could not possibly have wished to

impose upon my disciples; and this regardless of whether or not I thought death might be near. But I did say, rather, ["and I will pray to the Father and He shall give you another comforter, that He may be with you forever."](#) And while I did not say this in so many words, or with those exact words, I simply meant that I would, as I always did, pray to God so that their souls would be opened up to the Divine Love, which is what the writer meant by the Comforter; and that this Love would continue to be conveyed in more and more abundance into the souls of my disciples throughout all eternity. I did not mean that I could pray to the Father to send His Divine Love to my disciples merely because of my prayers, but I meant that the souls of the disciples would have to long for the Father's Love so that it could enter the souls that were in that condition to receive it.

I also said, ["If a man love me he will observe my message; if ye keep my commandment ye shall abide in my love, even as I have kept my Father's commandments and abide in His Love,"](#) which was another way of saying that those disciples who believed I was the Messiah and loved me would believe that my soul was an immortal one through the Divine Love and pray to the Father for His Love as the way to atonement with Him and immortality, which was the message I taught and which I asked my disciples, and all my hearers, to apply to themselves and actually pray, and the result would be that they would be filled with the same Love as I was and that we could thus have a mutual Love for one another in the same way that as I prayed to the Father and received more of His Love, I loved God more and more, and His Love for me was in my heart.

These writings from John are correct, in that they show that Love was the great subject of my teachings, but they do not explain the Divine Nature of the Father's Love towards His children, or the fact that I was filled with His Divine Love and sought to have my disciples obtain it as well, through the one way it could be obtained – through prayer. It does not explain that this Love with which my disciples were to love one another was something more than the ordinary love which humans have for each other, or the special nature of my love for them and humanity. But, if these interpretations are added, then the real meaning of these passages from the Gospel are made manifest.

I have written you tonight on the subject because of your desire to obtain confirmation as to the truths of certain portions of John's Gospel which needed explanation, and because you felt they were close to, if not possessing, the truth; and I shall come again and write you on more material in the Gospels which originally dealt with my teachings of the Divine Love before they were stricken out, or so mutilated as to be unrecognizable.

I think I have written enough for tonight, and so I shall say good night to you and the Doctor, and with my love and blessings to him and to you, I shall close and sign myself your friend and elder brother,

Jesus of the Bible and Master of the Celestial Heavens

**INDWELLING SPIRIT, THOUGHT ADJUSTER,  
MYSTERY MONITOR (all being the same):**

The external elements, instruments of the Father, do not form attributes of our own soul upon its initial creation by our Heavenly Parents, these are the Spirit of Truth, the Indwelling Spirit, and Divine Love.

The Holy Spirit, conveys Divine Love to your soul should you earnestly and lovingly ask for it. This is the only function of the Holy Spirit – Acting Spirit.

The Indwelling Spirit becomes present when we are around the age of six. This means that the unseen helper of the Father and Mother – the Indwelling Spirit – can always interact with the mortal soul and to be of service so that eventually the leadings from the Spirit may be the catalyst for that soul to seek our Parents.

The Indwelling Spirit reveals intrinsic workings of Father and Mother to your soul.

The Indwelling Spirit functions in much the same way as the Holy Spirit, ask and it will provide support and guidance.

The Indwelling Spirit / Thought Adjuster only works with us on the mind, feeling and psychic levels directly with our personality on conscious and unconscious levels of reality. It is the Divine Minister with hands-on help from our attending angels that do the actual adjusting of our mind circuits – of all our circuits, even the physical if need be.

Spirit of Truth becomes active more so when you connect to the Source Soul and commence receiving Divine Love.

You are a spirit person having a physical experience. Your physical body is encased within your spirit body.

The spirit body only exists because our soul wants it to. In the fullness of love, even all our encrustments and wrongness is not actually bad, they are just the nether side of love.

So evil is literally a state of mind, and once you heal it you even feel love for your wrongness and even no longer hate it – that being full self-acceptance. But you can't contrive these feelings or level of awareness, it has to come of itself and will through the higher levels of your Healing.

Our many helpers are all gifts from the Source Soul, our Father. That is, we each have numerous guidance mechanisms to aid us in our journey to the Father.

We are magnetically drawn towards our home within the Spheres of Paradise, this being by way of the substance that our soul has been formed from, this substance is referred to as natural love. This magnetism is significantly intensified as we ask for and receive Divine Love. Divine Love is like a super-charger being blended with our natural love.

We all have guardians, these are spirit people typically from the 2<sup>nd</sup> and higher spheres of the spirit world. They are continually guiding us with love and promptings for our benefit.

Our spiritual guides are from the natural love spheres until such time that we commence to embrace Divine Love, even to the smallest amount, then our spirit guides change to spirits who are living and growing in Divine Love from within the spirit worlds and Celestial Heavens.

Then we have our helpers directly gifted to us by the Father. The Indwelling Spirit is a continuous guidance for our journey home to the Spheres of Paradise which are beyond the Celestial Heavens and Eternal Spheres. As we grow in the Love which is conveyed to us by the Spirit, we also Divine Truths via the Spirit of Truth.

As we slowly become aware of all these wonderful people and spirit instruments of the Father, our journey in the growth of Love steadily develops and escalates in intensity and beauty.

**54 Antonio, Divine and Natural Love and Mediums**

6 March 2014

*Good afternoon dear friends. I have been discussing with a friend the differences that occur in channelled writing from spirit even though they appear to be from the same sources. I feel that the main difference lies in the medium. I also feel that none of us have any sort or reliable image of the Spirit World or of the actual reality of the Earthly world. I feel that we live in a personal world of perceptions that actually bears little semblance to the reality as we actually perceive only the tiniest fraction of what exists which renders you, and so much more, invisible to most of us. I feel that when two or more of us are discussing some element of spiritual life that we are speaking of different things which may have little connection. What compounds the problems is that we tend to think that we know what we are speaking about. As you say, we have little option other than to live within our perceptual world and accept this with the knowledge that it is enough for us to progress towards truth.*

Good afternoon my dear brother. The issue you raise is ever-present. You are correct in saying that the main element in the variation of information lies in the medium. Every medium is influenced by their belief system to some degree at least. Some mediums are able to stand aside from their beliefs and to allow much more accurate information to flow. We are working with you to assist you to achieve this. Many mediums are quite prone to attribute their own thoughts to spirits and many of these do this quite unconsciously and others are quite conscious of doing this. Some mediums are aware that this happens for them and acknowledge this factor in what they communicate.

There is no way around the issue of perception other than progress and learning which will lead to increase of awareness and perception. Humans have the capacity to perceive much more than they usually do. Young children often do have much keener perception of things that are not seen by adults until they are 'educated' away from this. It is difficult for an adult to verify what does not exist for them. It is possible to allow that the child may well perceive what they claim but this is rarely done and the child is taught that what they see or hear doesn't exist. Some children maintain their ability despite this and some reclaim it later in their lives.

In many ways, it is wonderfully amazing that so many people are able to establish a satisfactory working model of living that enables them to live productive, happy and spiritually progressive lives despite these variations in perception. This demonstrates the possibility of progressing with the knowledge and perception that you have at any moment in your life. You can be lead on by being informed of new elements but will only know about them when you are able to do so. Many people labour under the difficulty of not being able to recognise that what they think they know may be in error. Many feel the need to 'be certain and sure' in order to feel secure.

We always suggest that anyone's greatest asset is an open mind which will accept and allow change and progress. There seems to be little hard evidence of spiritual information. Information through a medium is anecdotal unless there is some proven fact contained in it which allows one to confirm the information or part of it. This is possible and is often restricted by the medium's reluctance to give such information fearing that it is inaccurate. Perhaps you may think of discussions with us as being similar to discussions between a child and an adult about topics of which the child has very limited perception.

The discussion can still occur and information be passed and each involved will form their own conception of what has transpired.

Everyone in human life survives masses of misinformation or rigid belief systems that are controlling to greater or lesser degrees. Remember always that suitable corrective systems are provided that will definitely lead one to truth in a progressive way to the degree that one desires. Growth and progress is inevitable but many will choose to tarry at levels in which they feel comfortable and this they are able to do at least for some time. Once progress is in motion, the individual will feel a draw to proceed along a path that leads onwards.

In the course of human life, there has been created the idea that there is always a right and wrong way to do anything and the right way is blessed and the wrong way is sin and to be condemned. For a beginning, right or wrong is a judgment based on a person's current state of belief and perception and is therefore very limited. Progress in living needs a broader view than that. It is better to assess what one has done in terms of whether it has worked or not and whether it has led to greater or less harmony, health or happiness.

Many are led along by their aspirations for a higher calling or higher elements of living. What these might be is arrived at by the consideration of the person involved. This usually involves the person striving for something better than the life they are currently experiencing. They then yearn for the higher spiritual reality without ever really dealing with what lies immediately in front of them. Such yearning is admirable when it is added to the daily process of living a human life to enhance the experience. There are many who believe that such yearning will serve to resolve the issues of daily living and that one will be transformed by Divine Love.

Everything that you do must be done in the context of your daily living processes that are determined by the needs of physical existence. The beauty of such yearning is that one can find much more meaning in daily and mundane living and imbue it with spiritual qualities. The ordinary can become quite extraordinary simply by virtue of not being limited by it but seeing it as a platform for growth and progress. One cannot escape one's physicality but can perceive it in many ways. Spirituality is part of a path of progress and will always become so in time. No person can escape entry to the Spirit World. Having an acceptance and consciousness of this in advance is an advantage and a blessing. It is not necessary to become a monk and retreat from daily living in order to discover more of the spiritual elements of living. When a person begins to see themselves as superior in some way because of their spiritual aspirations and practices, they are often missing the greatest points of their aspirations. Spiritual progress will bring you into closer association with your fellow men and not further from them.

Spiritual growth leads to the demolition of the apparent barriers of race, colour and creed between humans. These are all artificial in the true function of life. These barriers disappear as one learns that these barriers have no reality other than belief.

The issue of spirits influencing human behaviour is commonly raised more by some than by others. Indeed, there are many spirits who desire to influence humans. We have such a desire and communicate with you in order to do this. We have repeatedly stated to you that our intentions are to assist you within the context of your desires. You assess by virtue of your feelings of our connection and the material that we give you that our intentions are benevolent and that we are who we say we are.

The great majority of what are referred to as ‘dark spirits’ are simply spirits who are moving along their path and who are drawn to humans by curiosity rather than by a desire to influence them to the spirit’s ends. Many of these will communicate with mediums who desire this level of communication and who often provide useful services to spirits and humans. The dark spirits who might have the greatest malevolent intent are at lower levels of their progression and have little individual power. They can also only influence a human in the presence of a desire that allows that to happen. Even if they are practised dissemblers, it is most difficult for them to provide information that lies outside their present level of spiritual development.

There is a tendency to speak of Natural Love spirits and Divine Love spirits and to devalue the Natural Love spirits in some ways. It is important to remember that those who are well progressed in what is called the Natural Love Path are beautiful spirits with a lot of knowledge all of which is useful to human existence. Those of us who are classed as Divine Love spirits have progressed in different directions with the knowledge of the presence of Divine Love in our souls and the knowledge of what this means. Since you have set your desires in this direction it is most appropriate that we speak with you and guide you. Whether the spirits who speak with you are classified as Natural Love or Divine Love we are all of the same family. By virtue of the influence of Divine Love in our souls and the progression resulting there from, we do have a much broader view of life on the whole with deeper knowledge and with the capacity to venture much more widely throughout the Universe. In no way does this make us superior in our own estimate but simply allows us to recognise this as a fact of our progress. All that we have we offer freely to anyone else, carnate or spirit, who is open and interested.

Our Father loves every one of His children regardless of the path they are choosing or the level of their development whatever their level of darkness or light. It is wise for any person to develop a general respect for every other person regardless of whether one is approving or not of their behaviour, beliefs or character. Any judgment that one makes of any other, however justified it may seem to be, will immediately have an effect on the person who judges. This is inevitable as it is an action taken in the individual and so must affect the individual. This doesn’t mean that every person must approve of the actions of every other person. Here we enter a difficult area of human relations when we consider how to respect each other while maintaining one’s own integrity. I will say here that each person can do no better than to be as tolerant and accepting as his current beliefs and perceptions will allow. One can do no better than this. As awareness and perception increase, the person will be able to perceive people and events differently. This is growth and progress. In the process it is important to be tolerant of one’s own limitation.

*Is it possible for a human to see themselves as clearly on a Natural Love or Divine Love pathway?*

That is an interesting question. It is most certainly possible for a person who is aware of Divine Love to create for themselves a focus on Divine Love in their living. It is however impossible to ignore Natural Love as this is an integral and essential part of human living. One may live a perfectly acceptable and loving life making great spiritual progress with absolutely no knowledge of Divine Love.

Having knowledge of Divine Love and ways of acquiring it does open many other avenues in living even though most of these are not immediately apparent. Life must continue much in the old ways after the discovery of Divine Love as it did before. This is simply so. It is not a process of suddenly

discarding old ways and assuming the new. It is much more a process of adding new ideas and perhaps practices to the old way with a developing consciousness that will allow different perceptions. It is important to guard against imagining a clear division between Natural Love and Divine Love. The two coexist and one does not replace the other. They are different in nature and effects even they are both called by the name Love.

Please accept that you do not know what love is and you do not know the nature of these two elements of God's creation. You have whatever concepts that you have and they are completely inadequate perceptions of Love whether you call it natural or divine however refined you might consider them to be. You simply do not know the Truth of these things and this is simply a fact.

However, you do know enough to proceed and to develop to the next stage of your progress with the continual revelation of new information along the way. You will all know eventually whatever it is that you need to know. It is not that knowledge is made available on a need to know basis but rather on an ability to know basis. There is a world of difference. I can say simply that you cannot know what you cannot know. Your ability to know more increases constantly when you are open to this.

We have done enough for today. There is much more to say on all of these subjects and this will be offered as appropriate.

We have spoken before and will speak many times. I am Antonio and a Celestial Teacher.

I leave you with my love and blessings,  
Antonio.

## **DIVINE LOVE HARMONY:**

**Immortal harmony:**

**Transformation of the soul is a beautiful harmonious gradual awakening.**

**In a gradual way with the Divine Love and Feeling Healing, as changes in the soul and spirit body occur, these changes will result in the personality slowly accepting the source of these changes as being the Soul God and with the independent will, one can have complete acceptance of our Heavenly Parents, Mother and Father, God.**

**People have loved God and felt loved by God and they have in deed received the Divine Love without ever knowing the truthful identity of this Love insofar as the truths relating with its causality in the human soul and affect upon the spirit-mind.**

**Part of the nature of the Divine Love in our souls is that it activates our spirit body systems and soul so that the nature of God is seen and experienced in the living and this places us in touch with the many Spirit attributes that extend from God and have their existence in God, such as our Indwelling Spirit. God no longer remains inactive to us; inert, inanimate, or an unknown but rather a Soul of living energy whose energy in the harmonies of Love and Spirit, is personified as love that we experience. If I can convey the essence about the nature of Divine Love it is that in its energy, exists the harmony and potential so that one can see the potential that this Love brings to bridge the gap of separation between the individual and God by the harmonies of soulfully living.**

**The Divine Love completes the form of the human being.**

**In essence, one need only direct their soul and the heart of their soul to our Heavenly Parents, the Soul being God, and in this faith one can experience the Love by humbly asking for this Love. This is all that is needed and the touchstone upon the Love's approachable nature.**

**The Love is never harmful or given by God that results in a caused effect of disharmony in the individual. The diversity of human individuality is a great characteristic of human nature and as with experience, one needs experience to ascertain a truth about a certain thing. Experiencing the Love provides a substantiated knowing from which a more objective reasoning follows and a maturity happens.**

**WE are INCARNATED with Natural Love, but not with Divine Love:**

We are conceived with natural love, however, we are not endowed with anything of the Divine. While we are without anything of the Divine, namely Divine Love, we can grow our natural love attributes and progress to that of being the perfect man whose lodging is found in the 6<sup>th</sup> Sphere. We do not have immortality without having received Divine Love.

Natural love radiance is very different from that which Divine Love brings.

The two loves complement each other, bringing about greater harmony.

When we become aware of the presence of Divine Love and subsequently ask for and then receive the Divine Love, our soul steadily starts to change to that which is Divine and we achieve immortality. This is the Immortal Choice that we can make whilst here in the physical or later in the spirit world. Once we add Divine Love to our being, we continue then with the two loves, that of the natural love and also that of Divine Love. As we continue and receive Divine Love, our soul condition progresses so that we may eventually enter the Celestial Heaven, 8<sup>th</sup> sphere, should we have engaged in the proves of Feeling Healing, and above, then progress further to enter the Eternal Spheres, then the Infinite and Universal Spheres, and then further on towards the Spheres of Paradise.

We are endowed by our Parents with natural love, maybe we neglect this gift from time to time. As we progress in time, we can add the greatest gift there is to our being, that is by asking for and receiving Divine Love. Not only does the infusion of Divine Love, with one's Feeling Healing, repair our natural love attributes, we evolve into a joyous and loving person in all respects. With the infusion of Divine Love, with the two loves, we become the complete being.

**DIVINE LOVE:**

<http://www.fcdt.org/divinelove.htm>

The words "Divine Love" have been used in many contexts to convey different meanings. But in the context of our Heavenly Parents, Divine Love is the greatest gift in all the universe. It transcends all else that can assist humankind fulfil their dreams of happiness and have them resolved within themselves. God's Divine Love is the one thing in all of God's infinite universe that can bring about eternal life and everlasting happiness in the Celestial Kingdom.

***What is Divine Love?***

The Divine Love differs from the natural love of man with which he was endowed when created, which belongs to all humans, and which they all possess in a more or less perfect condition in this: that the Divine Love is that Love which belongs to or is a part of God, possessing Their Nature and composed of Their Substance, and which, when possessed by a human soul to a sufficient degree, makes him divine and of the nature of God.

***What is the New Birth?***

The New Birth is simply the effect of the flowing of this Divine Love of the Father into the soul of a man and the disappearing of everything that tends to sin and error. As the Divine Love takes possession of the soul, sin and error disappear. It, the soul, becomes of a quality like the Great Soul of our Heavenly Parents. And with the Soul of the God being Divine and immortal in Its quality of Love, so, when the soul of man becomes possessed of this quality of Love, the soul being the man, this soul becomes divine also. Then, the image becomes the substance; the mortal becomes the immortal; and the soul of man, as to love and hope, becomes a part of our Mother and Father's Divinity.

***How does one receive the Divine Love?***

The only way is simply this: that men shall believe with all the sincerity of their minds and souls that this great Love of our Mother and Father is waiting to be bestowed upon each and all of them; and that when they come to the Mother and Father in faith and earnest aspirations, this Love will not be withholden from them. And, in addition to this belief, that they pray with all the earnestness and longings of their souls that the Mother and Father will open up their souls to the inflowing of this Love, and that then may come the Holy Spirit to them to bring this Love into their souls in such abundance that their souls may be transformed into the very Essence of the Mother and Father's Love. The soul who will thus believe and pray will never be disappointed, and the Way to the Kingdom will be his as certainly as that the sun shines by day upon the just and unjust alike.

***Take the test.***

Too often we are told to believe something based on what we are told. You don't have to "believe" anymore. Now you can have physical proof of the existence of God and His Love for you?

*"test my teachings that the Mother and Father's Love was now available, and pray for it to the Mother and Father in earnest prayer, and see whether, if this was done in sincerity, the Mother and Father's Love, conveyed through the Holy Spirit, would burn and glow in the soul, by which sign they would realize His Love was present therein." – Jesus*

Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

Let your prayer be as follows:

**Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.**

**That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.**

**We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.**

**Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.**

**Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.**

**Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.**

**We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.**

**We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.**

**Be still and quiet; reflect in silence. Love is present. Keep asking, longing, and never cease: this is your part. It is your cooperation actively engaged that brings the transformation and continues the process.**

**You cannot see it; sometimes you will experience it as simple quietness and calmness. This is as pure and real as any other experience, whether demonstrative joy through laughter and dance, or other expressions.**

**Divine Love is present; it is always present. It does not fade or disappear. Rest, relax and breathe. Pray and wait.**

**Maintain daily prayer and meditation. When you do this you are building a home for the dwelling of the Divine Love. Your continual invitations establish an attitude of welcome to the Divine Love. These build a bridge for the Divine Love to carry you to new and higher levels of change and transformation: places of new realms for your soul growth and development.**

#### **The Voice of Divine Love**

~~~~~

As the receiving of the Love is always assured when longed for and asked for, the experience of receiving may become apparent by the occurrence of a warming embrace in the region of the third eye chakra, or with some, around the heart chakra region. This may be very subtle and gentle for some and may be for a few moments or extend for some time. Many do not physically feel the Love embracing them and this is totally fine, nevertheless the Love is being received.

On a few occasions, one may feel the love through the third eye region and then feel it expand as if it were to become a warming buzzing 'hat band' progressively expanding around one's head. This can intensify and feel as though one's cranium is about to pop off! Should this continue to intensify, then the sensation may flow down one's main meridian to the base of one's spine. Now that is something else! Relax and enjoy the great gift for this can be an experience that may continue for a short while or for quite some time.

Always, when one longs for the Love, it will shower over one's body and be absorbed in through the spirit body chakras into one's soul. Occasionally the Love will overflow from one's soul and some will reside within one's spirit body. At no time will you be discomforted. This light golden blue energy substance is the ultimate high octane super fuel gifted to us by our Mother and Father to us all.

### ***79. Prayer of the Heart***

16 October 2012

I encourage the heart that prays to the Father for the Divine Love. I encourage the heart that loves the Love, and with sincere aspiration, feels for the Love. If there be any doubt, loss of faith or hardship of heart, I encourage the heart not to give up or give the Love away. The Father hears your prayers and the heart be rest assured in this. Never will a good heart be forsaken. As the Father does so do I, see and hear your heart, and prayers for the Love and the needs for wellbeing. Never give your heart up; trust in the One who knows your true heart, and there the Father loves you. One may never fully understand the intricate workings of time, past present and future, but the heart knows faith and Love and the Father Loves a good heart. Pray with faith, and in your heart my truth and the Father’s Divine Love meet you there.

I have given you this prayer of the heart so that men and women may draw from its words, strength, love and faith

Your beloved friend and companion,

**“Mother and Father, open my soul to this Gift, Your Love. Open my soul and may Your Holy Spirit touch my soul and pour within it your essence, your Love that I may be transformed, that I might be your true child, embraced and carried, lit along my life’s path in the glory of your Light and care and protection.”**

### 300. *Prayer of Love and Strength*

2 February 2013

I am going to write the Prayer of Love and Strength that may help those with their endeavour of heart in the receipt of the Divine Love:

I pray that I may find the love and strength in my heart to love you more wholeheartedly. I pray that I may feel this strength as a living truth in my heart and soul as my weakness, due to my condition in my physical and material struggle, may not become a hardship that casts a long shadow over my day-to-day living in my faith in Divine Love. I pray that I will not give in to any negativity that surrounds me, or to the way that at times I cannot seem to be able to help or forgive myself for loosing faith in The One I love.

I pray that I am receiving Love, your Divine Love that is in great abundance and that my heart partakes of a small portion of this abundant Love. I ask that your Spirit, The Spirit, convey the Love into my soul as I have already been receiving into my soul your Divine Love. I pray that your Divine Love gives greater love and strength to my heart that I may continue in my prayer to receive this Immortal Love.

God, I love you with all my heart even if there be a shadow across my heart, and a lack of humility in my faith and on my behalf for I recognise that you can love me more perfectly and wholeheartedly than I can accept for myself.

God, I recognise that you are Soul and that I am a finite soul and that your Love and Spirit are true gifts for my heart and soul and that I need this Love that you have provided. I pray that from your Love, more finite love and strength in my faith and heart will enable me to love you even more. I recognise that I am doing my best in all that life has given and taken away from me and that in my resolve, my heart knows that your true Divine Love always remains with me and my faith in you. At times I have left you and left your side and wandered all over the place, lost in the shadows of life and in the near-sightedness of my eye and then, I pray for your Love and your Love fills my heart and my love and strength return and I accept that you are loving me at all times when I am lost and found. I give you all my gratitude, love and strength that my heart can give and I desire not to change the world or the spirit world accepting that your Divine Love will change my soul and in harmony together, I will try for a peaceful world.

I have provided you with the inspiration to give these words of love and strength that such words may help one in their experience of God's Love and Spirit.

### 303. *The Immortal Prayer*

6 February 2013

For those of you who are strong, I will continue to sustain this strength because many of you who experience the Father's Divine Love require a great resolve and strength of heart not to give up on the Truth and not to be saddened by the apparent lack of interest in the most beautiful love that you feel and know to be true. I will never prevent myself from being with you, who sincerely desire the Divine Love and, with any feeling of being afraid, alone or insecure, I with my Celestial teachers are present supporting you. There is no shadow in the Divine Love and for those who are aware of this Love in faith love and spirit we celebrate the harmony of God's universe of Love and Spirit.

#### *I pray for the Divine Love, the Immortal Love*

Universal Soul God,

My Father, I love and accept you with my heart. I sincerely pray for your Love that will come by The Spirit and embrace my spirit body conveying your Divine Love into my soul. I humbly ask that you love me as I love you, and that you continue to love me when in those times I cannot love myself.

I ask that you give me the strength to voice my faith and love to you, and that you may love me in my weakness and in my strength. I know that I am a soul beautiful to you as you are to me, and that your Divine Love will be the arrival of Truth that my soul has truly longed for.

I pray that your Divine Love will be the arrival from which will announce the departure of my doubt and that such faith, love, strength will come to me that I will never doubt you again. And I will never stop loving you, in the sunrise and the sunset of each day in my life.

I recognise that you are the Source of the Divine Love and the origin of my soul. I recognise that I may have been lost to you but in truth I was never lost to you and now, I am gathering up all my love out of my lost-ness in great abundance because I am aware that your Divine Love is present for my soul and I am free to receive your Love and feel Its' breath of spirit declare in my heart the Immortal Harmony.

I am receiving your Love, I have received your Love, true Universal God, your Immortal Love.  
Amen

**The Divine Love completes the form of the human being.**

**Our soul is formed from the substance that is natural love. When we earnestly and lovingly ask for Divine Love, the Divine Love is added to our soul, thus we steadily and progressively become complete in our being.**

The Divine Love is a love available for the Human soul that, in its cause and effect, actually perfects the personality together with one's Feeling Healing process, as it progresses to a greater experience of living in the determination of living in God's Divine Universal harmony. Every personality has the gift of freedom of self-determination to enjoy and extend through life's experiences and it is this gift of freedom and human nature that may prevent one from participating in the freedom and gift of the Divine Love. The Divine Love, once being received is added to one's nature, having being formed on natural love.

### **DIVINE LOVE – what does it do?**

The divine gift from asking for and receiving Divine Love will steadily, but with certainty, raise one's quality of life and also of all those around such a person who is seeking and receiving this love.

The receiving of Divine Love, which is a substance, with certainty, progressively:

- Raises one's love for those around them, whilst embracing one's Feeling Healing.
- Raises one's perception of all things – naturally grows one's intelligence – soul intelligence.
- Enables one to feel and resolve negative emotional issues more readily during Feeling Healing.
- Humility becomes self evident. Humility enables one to feel their errors and emotions.
- Divine Love strengthens one's resolve to express errors, emotional injuries and untruths.
- Divine Love with Feeling Healing to remove emotional errors, enhances one's health.
- Divine Love enables one to become more childlike – not adult serious at all times.
- Divine Love raises one's capability of feeling – no longer needing to be mind controlling.
- By becoming feeling orientated, one no longer is mind / intellectually dominated.
- The strength to fight and overcome sin and error is strengthened through the Divine Love.
- The Law of Compensation process is more resolved by Feeling Healing with Divine Love.
- Receipt of Divine Love grows one's faith, beliefs become faith and then knowing.
- As our faith grows our intensity to ask and then receive Divine Love grows.
- We begin to follow our passions and desires, no longer fear and mind driven.
- Truth being told at all times then progressively becomes a way of life.
- Our quality of life blossoms, our finances and relationships prosper.
- Man creates his own environment, seeking Divine Love can vastly improve one's environment.
- Health carers receiving Divine Love enhance healing outcomes beyond comprehension.
- Receiving Divine Love may assist in bringing a struggling marriage back into harmony.
- You progressively become dependent upon our Heavenly Parents, not self dependent.
- Personal growth in love directly assists the soul condition growth of one's children.
- Divine Love assists one's rate of soul condition to progress whilst embracing Feeling Healing.
- Divine Love is a substance that changes the human soul to that of the Divine.
- Without Divine Love, one cannot progress into the Celestial Spheres (8<sup>th</sup> sphere and higher).
- Divine Love, with Feeling Healing, enables everlasting Love and Life in the Celestial Heavens.

“The Law of Compensation doesn't operate on isolated actions, but on the overall condition of people's souls, because the deeds are the consequence of this condition. Our behaviour is the reflection of our souls. Never see isolated deeds, always see souls whose condition leads to certain deeds. It is the soul condition which determines the motive and consequently the action. It is our lack of trust in God, this ultimate and definitive trust, which only soul development may give us. This lack is why we suffer.”

Judas of Kerioth 5<sup>th</sup> October 2001

### EMBRACING the LOVES:

Our soul is formed from the substance known as natural love. This natural love enables us to develop to that which is the perfect man, an excellent, capable and loving personality. However, there is a limit to our growth founded on natural love for there is nothing of the Divine within the substance of natural love.

Should we ask for, and then receive Divine Love, then the Divine substance of Divine Love can be added to our being, thus providing us with an infinite potential for growth and development in the Love that is Divine.

The natural love and Divine Love are not divided when in the soul.

The natural love is harmonious in the Immortal greater love, the Divine Love, and so, never shall an Immortal faith and Immortal truth fall.

Adding Divine Love to your being can be likened to developing a powerful engine based on natural love to that which is found within a most powerful muscle car. One's performance capabilities progressively develop as the regular fuel of natural love is slowly, but steadily supplemented with the fuel of Divine Love, thus changing that which is founded on natural love to that of the Divine, namely Divine Love.

Your fuel steadily is converted to that which is of the highest octane level ever envisaged.

The Divine Love is the wonder of the universe. How this invisible substance causes so much change in our mortal nature is a miracle to behold and experience.

Living with the Divine Love brings about harmony throughout all of one's bodies, systems and personality. One's capabilities and love continue to greatly expand.

Divine Love always has its effects in harmony with the expression and development of natural love. Therefore your awareness and expression of natural love in your life is a vital element in accepting Divine Love into your life and fostering its development of your soul. Divine Love is the great harmoniser and is therefore not isolated but its effects are universal.

Divine Love is the 'ultimate' high octane fuel.

## **WE ARRIVE DETUNED!**

Our souls are a divine creation of our Heavenly Mother and Father. They could not be any other way! And are designed (such as how it has been for us) to begin incarnation in a Natural love condition reflecting the Natural love state of our world.

And we have also been provided with the opportunity to experience what is being 'evil', to live denying our Natural love, as seen through the denial of many of our feelings. So we here on planet Earth live on a world that has Rebelled (and then also Defaulted), of which there are only 37 within the local universe of Nebadon, consisting of 3.8 million physical worlds under the regency of Mary Magdalene and Jesus – the spiritual parents of truth of all of Nebadon! And we assassinated Jesus, and completely denied Mary not allowing her to have her say about the truth.

As a consequence, we are 'detuned' from our Natural love state and divine origin. You could say we arrived with all parts functional, however, in our untrue, dysfunctional and distorted state, we're badly in need of a severe service, tune up or a complete reconditioning. Our goal being to bring our true self to the fore by doing our Feeling Healing, and then to progress beyond our Natural love state by further advancing our soul condition through the process of Soul Healing and receiving our Parents' Divine Love – becoming divine.

In our feeling- and truth-denying untrue Natural love state, we have been made to use our minds to dominate our feelings, becoming more like that of mind-based creatures of nature than of human souls of truth and feelings. And this is the wrong way for us to develop. So to step beyond this limitation, we are to live true to our feelings. Our heartfelt feelings being the guiding lights to our evolution and growth of truth.

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in and can be found through our feelings – our soul based feelings.

By living true to our self, true to our feelings, we are living true to God. It's that simple.

Thus we are detuned once our incarnation begins. However, the way is now open for us to bring about our full divinity. To completely Heal all that's wrong within us on a Natural love level. To embrace and then transform that Natural love into a divine state through partaking of our Heavenly Parents' Divine Love. All the while attuning ourselves to divine perfection and enjoying the fullness of our divinity and love, as we ascend in truth on our journey all the way to Paradise – the home of our Heavenly Parents.

**WE were DIVINE, and**  
**WE are to BECOME DIVINE AGAIN:**

Our personality, our soul, our real self, are all creations of our Heavenly Parents. We, our real selves, are not creations of our physical parents. Within our original status, we were of Divine nature.

Our physical parents, from our conception, endeavour to mould us into being ‘little me’s’, that is, replicas of themselves, imposing their beliefs and personality traits upon each of us. They crush our individuality and free will. They destroy our personality, our true self. They inflict upon each of us their ways, all of which are of a result of the Rebellion and Default of many, many generations ago. They drive us into believing and subsequently becoming dependant upon our minds. This is not the way for us to express our true selves and evolve along the path towards our true parents, our Heavenly Mother and Father. We are to embrace the Eternal Son of Truth, not the Infinite Daughter of Mind.

No, we are not in the image of our physical parents. Though we may look like them, and act like them because they have dramatically and successfully crushed our true personality, we are each very unique and independent of our parents and all other family members. When we begin to progress along the path of engaging with our soul based feelings and seek for the Truth of our feelings, we will become free of our parents’ impositions and suppression.

Upon starting our physical life experience on Earth, our divinely created soul begins to express us as one of our soul’s two personalities in Natural love. However because of Earth being in Rebellion, so we are parented into a rebellious and anti truth and anti love state of mind control over our feelings and true self.

Natural love is good, just ‘less’ or different to Divine Love. And it’s that in our rebellious state, we’re rebelling against Natural love, and Divine Love by not taking Jesus and Mary up on their offer and allowing the Divine Love to transform our soul, as we perfect our Natural love by doing our Healing.

By living true to our self, true to our feelings, we are living true to God. It’s that simple. The revealing of the Feeling Healing process is the commencement of our ability to begin the Great U-Turn and go the right way. Should we then also embrace our Heavenly Parents’ Divine Love, we can also commence our Soul Healing and a returning to that of being divine – this is our destiny.

**CREATED in THEIR IMAGE:**

James: Mary, what does ‘we being created in the image of God’ really mean?

Mary M: It means that our Mother and Father used Themselves as the model or template if you like, upon which to bring us into being, those of us who have existential souls with the potential of expressing their two personalities in Creation.

And although our souls are divine, as in being divinely created, still whilst we start our personality expression in Natural love, so we need the Divine Love to come into our soul and bring it into the levels of Celestial divinity.

Natural love, so basically the whole of Creation, is of the image of God, and we being divinely created souls can be part of God’s Divinity becoming divine ourselves. So through your Healing, James, you become progressively divine by partaking of the Divine Love and healing yourself into perfection – your true self. And by the time you’ve completed your Healing, your soul is of the Divine Love level of Celestial truth, and your personality is an expression of that level of truth, it all being ‘confirmed’ and cemented – fused – into place upon the direct soul-union with your Indwelling Spirit. Then you are of the essence of God, true and perfect to the level of the first Celestial sphere, the first sphere of true divinity.

**The BEAUTIFUL MIRACLE:**

5 Oct 2012

**The DIVINE UNIVERSE**

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union complete. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other and one is living in the presence of our Mother and Father in perfect harmony and this clarifies the truth about what it means to be truly at-one with God.

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas  
[www.lulu.com](http://www.lulu.com)

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with our Mother and Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew

**Whilst we are receiving the Mother and Father's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Heavenly Parents are actually loving us! When we progress, it is the Mother and Father's way of loving us into love and then we live what we are, love.**

### The REAL YOU is the SOUL:

One's personality, natural intelligence, memory and human attributes all are soul based. The soul initiates conception so it can start expressing one of its two personalities in Creation. It creates the will, then 'wills' the spirit body and physical body and all that connects them with the will into being. Our soul constantly sustains or expresses us, one of its two personalities, in Creation. The spirit can't separate from the soul because the soul keeps it in existence. We need our spirit and physical bodies to experience our personality through. When the spirit body separates from the physical body, one continues on living in a different form without losing any of the attributes experienced during physical life. Incarnation is the process of individualisation of the soul.

Without a soul, our physical bodies would function and interact similarly to that of a domestic animal. An unsouled human body (thought not possible) would respond like a household puppy! Domestic animals calibrate on Dr David Hawkins' Map of Consciousness between 200 and 250, the human body calibrates at 200. All animals have spirit bodies, these do not survive into the spirit Mansion Worlds. Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

**Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some one million years ago (993,500 years ago). Adam and Eve, Adamite bestowals, arrived some thirty eight thousand years ago – or earlier.**

**Aman and Amon** were the first True Humans, which means, the first soul expressing its soulmate pair, its two personalities, in Creation – on Earth. From which came forth the rest of us. So they had a soul from the start, which separated them from their animal parents. It's the soul that wants to fully express itself through its two personalities perfectly in Creation, which is the so-called 'human perfection hunger'. It, our soul, wants to be Perfect like its Heavenly Parents, the Soul that Created it. We, focused as personalities, want to be perfect, like the Personalities of our Mother and Father that are Perfect. Our soul wants to be like Their Soul. Our soul wants to ascend us to Paradise so we can be with Them, as physically close to Them on a personality level that we can be, and then see what happens.

There were aunts and cousins, parents and grandparents. But they were not human like Aman and Amon – they were really animals, though of the same species. Aman and Amon wandered off from the family, since they could find no way of relating to them at all. How could they? They were incapable of rational thought, speech, or anything human. Aman and Amon knew that forevermore that they were apart.

Aman and Amon may have been twins. They were indeed a primate species of humanoids. But they, themselves were more beautiful than their animal relatives, and they knew, even from their very appearance, that they were marked even by Nature to be different.

## **Cognitive development in babies and children:**

<http://www.kidspot.com.au/discoverycentre/Joy-of-discovery-Development-Cognitive-development-in-babies-and-children+5357+553+article.htm>

By Kidspot team

Children change more quickly than we'd like. It seems you can blink and your child has grown, evolved, developed or reached a key milestone. One minute they are throwing board books in the toy box, the next they are flipping through the pages of story books and as they grow older, they start reading and enjoying books they choose themselves.

Some of the changes in our children are not so easy to spot, particularly cognitive changes. Children's brains develop as they have new experiences. You cannot see the brain developing, but you can see what new things the child can do.

### **Stages of cognitive development**

#### **First cognitive development stage: Sensory motor period (0 – 24 months)**

The following points outline the progressive nature of cognitive development and how physical actions aid the brain's development as babies grow:

- Reflexive Stage (up to two months). Simple reflex activity such as grasping, sucking.
- Primary Circular Reactions (two to four months). Reflexive behaviours occur in stereotyped repetition such as opening and closing fingers repetitively.
- Secondary Circular Reactions (four to eight months). Repetition of actions to reproduce interesting consequences such as kicking feet to move a mobile.
- Coordination of Secondary Reaction (eight to twelve months). Responses become coordinated into more complex sequences. Actions take on an 'intentional' character such as baby reaches behind a box to grab a favourite toy.
- Tertiary Circular Reactions (twelve to eighteen months). Discovery of new ways to produce the same goal, such as toddlers pulling a ball toward him so he can roll it.
- Invention of New Means through Mental Combination (eighteen to twenty four months). Evidence the toddler can problem-solve a sequence of events before actually responding. For example, can take the ball out of a cupboard if it's not in sight and play with it.

#### **Second cognitive development stage: The preoperational period (two to seven years).**

##### **Preoperational Phase (two to four years)**

Increased use of verbal representation, but speech is egocentric. The beginnings of symbolic rather than simple motor play. Transductive reasoning. Can think about something without the object being in front of them by using language to describe it.

### **Intuitive Phase (four to seven years)**

Speech becomes more social, less egocentric. The child has an intuitive grasp of logical concepts but these are crude and irreversible. At this stage, kids believe in magical increases and decreases – their sense of reality is not firm and it is their perceptions of the world that dominate their judgments. In moral-ethical realm, the child is not able to show principles underlying best behaviour. For example, they can't understand the reasoning behind the rules of a game, but can understand simple do's and don'ts imposed by authority.

### **Third cognitive development stage: Concrete operations (seven to twelve years).**

There is now evidence for organised, logical thought. There is the ability to classify many tasks, order objects in a logical sequence, and comprehend the principle of conversation. Thinking becomes less egocentric. The child is capable of concrete problem-solving.

### **Fourth cognitive development stage: Formal operations (twelve years +).**

Thought becomes more abstract, incorporating the principles of formal logic. The ability to generate abstract propositions, multiple hypotheses and their possible outcomes is evident. Thinking becomes less tied to concrete reality.

### **The benefits of understanding cognitive development**

Whether you believe or agree with Piaget's complex theories, as above, of cognitive development, they at least allow parents to understand what is normal and appropriate for general age groups.

Toys, games, and activities are easier to choose if you understand the stages of a child's cognitive development. If you know that most children do some things at a certain age, you will know that you don't need to change that behaviour. You will understand that it is not your fault your child is doing something annoying.

By understanding normal development, you can tell when a child's development may be lagging behind their peers, or exceeding. In most cases, it's fine, but there are some red flags in children's development that may be worth raising with a doctor or specialist.

### **How to aid their cognitive development**

#### **Use unplanned events to help children learn**

Children may blow bubbles in their drink. You can ask them why they think milk bubbles last so long but water bubbles do not. You can compare them to water bubbles that disappear almost immediately. You can talk with your kids about what happens when they put different foods or objects in milk.

**Encourage children's thinking – even if it's annoying!**

Plenty of mothers worry about the mess their toddlers and small children make while eating. But sometimes this mess is the key to unlocking the next stage of your child's cognitive development. For example, a toddler starts dropping peas on the floor – one by one – at dinner time. Wow, that's quite a cognitive skill he's developing there: picking up small objects one by one, understanding the power of gravity and seeing the results of his hard work.

**Children use hands-on experience to learn**

Children use concrete, hands-on experiences to help them understand the world around them. That toddler dropping peas on the floor may be trying to understand, "If I drop this, what happens next?" Be happy to know your child is learning, even if you will need to pick up the peas!

# Children Who See and Hear Ghosts

BY LIBBY TUCKER

<http://www.nyfolklore.org/pubs/voic38-3-4/gspirits.html>

**While gathering material for my book *Haunted Southern Tier* (2011),** I collected many stories about children who had encountered spirits of the dead. These were not morose, creepy-looking children like Cole in the popular horror movie *The Sixth Sense* (1999), but just average kids who talked about communicating with ghosts. It was, I learned, not unusual for kids to talk about having close encounters with relatives and others who were no longer alive.

I had known about children seeing ghosts for a long time, because when I was in first grade, I had a strange experience of my own. Sitting on a bed in my best friend's room on the top floor of her family's old house in Washington, DC, I looked up and saw what seemed to be the head of an old man floating in the air. Gray and opaque, the head hovered for a moment, then vanished. Was it an optical illusion or a ghostly apparition? I did not know and never told my parents what I had seen. Years later, however, I enjoyed telling my folklore students about seeing the old man's head and learning that a number of my students had had similar experiences.

Two of my students told me that they had, as children, seen their much loved grandparents shortly after those grandparents passed away. Andrea, a junior from Long Island, had seen her grandfather standing in the shower stall of her bathroom soon after he died. He didn't look at her, just continued taking his spectral shower and then faded away. Since Andrea had felt very close to her grandfather, she was glad to see him, though she didn't tell most people what had happened for fear that they would think she was strange. Similarly, Steve, a sophomore from upstate New York, saw his grandfather engaging in an everyday activity—eating a sandwich at the kitchen table late at night. His grandfather looked up, smiled, and then swiftly vanished. Like Andrea, Steve did not tell other kids what had happened. “They might have thought I was weird,” he explained.

Stories about kids seeing and hearing ghosts have been told in the United States, Europe, and other parts of the world. Some people think that children's openness to new experiences makes them more capable of seeing ghosts than adults; others think that children just have wild imaginations. Belief is, of course, a key factor here. A parent who believes in ghosts may be convinced that a child has had an extraordinary experience, while a more sceptical parent may think that the child has come up with an imaginary friend.

In New York State, children's encounters with ghosts have a long, well-documented history because of Margaret and Katherine Fox, who became international celebrities after demonstrating their communication with spirits in a small house in the hamlet of Hydesville in 1848. Relatives and neighbours gathered to hear Margaret and Katherine respond to what appeared to be spirit rappings. Soon these two young women became famous mediums who drew large crowds. Years later, Margaret confessed that she and her sister had made rapping noises by extending the joints of their toes. Shortly after making this confession, she took it back. In 1916, the Fox family's home was moved to Lily Dale, New York—a Spiritualist community in Chautauqua County—where it remained a point of pilgrimage

until it burned down in 1955. Today a photograph stands at the place where the home once stood, reminding visitors to Lily Dale of the experiences of these two little girls.

Since 2010, I have been fortunate to know Nicole Rose, a wonderful young woman from Horseheads, NY, who demonstrated an ability to communicate with spirits as a small child. Nicole's mother, Josette Berardi, has written a very interesting book about her daughter's communication with her great-grandmother and other spirits: *The Man at the Foot of the Bed* (2011). Trained as a medium at Lily Dale's Trilogy Institute, Nicole has given many psychic readings. She has also visited two of my university classes and helped my students understand how mediums perceive spirits.

Another New York child has recently become a television celebrity because of his communication with spirits. An eight-year-old boy named Antonio, interviewed by Theresa Caputo, the star of TLC's popular reality show *Long Island Medium*, said that he liked to talk with his great-grandparents, who passed away before he was born. Antonio has become fairly well known as a child medium, but he has many other interests. He loves sports and hopes to become a professional baseball or soccer player when he grows up.

Some people choose career paths related to their encounters with spirits as children. Yesterday, during Civil War Day at the Phelps Mansion in downtown Binghamton, I participated in a Victorian séance led by Vicki, a psychic medium and minister from Binghamton's Spiritualist Church. Ten of us sat around a 19th-century table covered by a black tablecloth, talking about relatives and friends who had passed away and might, as spirits, be trying to send messages. After the séance ended, one of the participants asked Vicki how she had become a medium. "I was only four years old," Vicki said, "when I started to see spirits. I'd be outdoors with my dad and ask him, 'See that man up on the hill?' My dad couldn't see him. I was the only one who could." Her explanation reminded me of other stories I had heard from people who had had startling experiences as children. Some people had continued to seek contact with ghosts, while others had not. If I had not seen what appeared to be an old man's head when I was in first grade, would I have become a folklorist who studies supernatural experiences? I might have become a librarian or a lawyer—and then I would never have had the chance to hear so many intriguing stories about good spirits.

## GOOD SPIRITS

## **Introducing spiritual concepts and the spiritual path to children:**

<http://www.ascendedmasteranswers.com/practical-life/relationships-parent-child/463-introducing-spiritual-concepts-and-the-spiritual-path-to-children>

*Question: Do you have any recommendations on methods for introducing spiritual concepts and the spiritual path to children?*

### **Answer from Master Jesus through Kim Michaels:**

The best way to teach children about anything is to teach them by example. Children are natural imitators and follow the examples of the adults around them. So the very best way to teach children about spiritual concepts is to make sure that you yourself have adopted the attitude that you are a seeker of truth instead of a follower of doctrine. And you need to move away from the outer, doctrinal or dogmatic approach.

In other words, you need to be constantly searching for a higher understanding of spiritual matters than what one may have right now. One needs to be curious and willing to ask difficult questions. One needs to realize that your present understanding is not the final or infallible understanding, but simply a stepping stone to an even deeper understanding. One needs to be willing to consider and discuss any topic about spirituality without feeling like certain topics are taboos or go too far beyond an accepted doctrine or standard.

Only by adopting this open approach to spirituality will one be able to avoid hurting children and disrupting their natural spirituality. It is a sad fact that millions of devoutly religious people, be they Christians or members of other religions, believe that they are doing the right thing by giving their children a religious upbringing. Yet in reality these parents, and their ministers, are destroying the children's natural spirituality. This has two aspects.

In the New Testament, you will see that I rebuked my disciples for trying to prevent the children from approaching me. I also said that unless you become as a little child, you cannot enter the kingdom of heaven. What I truly meant with that statement was that unless you develop the approach to God that children have, you cannot put on the state of consciousness that allows you to enter the kingdom of heaven (the celestial heavens).

The two most important aspects of children's approach to God are their natural curiosity and their innocence, or unconditionality.

You will see that children are naturally curious about God and the spiritual side of life. This is because when a child is young, it usually has a direct inner experience of the spiritual side of life. Many children literally experience angels or ascended beings who are with them as helpers. Therefore, they know there is more to life than the material universe, and they are naturally curious about it.

Unfortunately, most adults tend to ignore or outright deny the inner spirituality of children. Many adults do this because modern psychology has labelled children's spirituality as a sign of immaturity or the fictitious belief in "magic helpers". Other adults do it because children naturally tend to ask questions that cannot readily be answered by the doctrines that these adults accept as infallible or complete.

The simple fact is that because children have a direct experience of the reality of the spiritual realm, they see no reason why this reality should be forced into the framework of a set of man-made doctrines, be they in the field of science or in the field of religion. Therefore, they are willing to ask any question that comes to mind, and this is the hallmark of all true spiritual seekers. After all, the type of questions you are willing to ask will determine the type of answers you can receive. Does the Bible not say, "Ask and ye shall receive?" So if you are afraid to ask questions that go beyond your present beliefs, how can you receive deeper answers?

When it comes to presenting spiritual concepts to children, it is extremely important to do this in such a way that it does not discourage or destroy children's curiosity about God and about spiritual matters. Therefore, it is very important not to present spiritual concepts in the form of closed or infallible doctrines. Allow children to ask any questions that come into their innocent minds. Encourage them to ask questions and discuss these questions with them.

The other aspect of children's spirituality is their innocent, or unconditional, approach to spiritual topics and to God, the Father. Because children experience the spiritual realm as real, and because they see it as a benevolent force that is there to help them, they have no fear of God. They are not afraid to approach God, and indeed why should they be?

During Old Testament times, the Israelites developed an image of God as an angry and judgmental God. Part of my mission was to present a new image of God, namely that of a loving father figure. This is the image that most children naturally have of God. Unfortunately, many of today's Christians have reverted back to the Old Testament image of an angry and judgmental God, and they inevitably pass this image on to their children. Therefore, as soon as children begin to receive religious training, their natural innocence and unconditionality is quickly destroyed.

These children learn to see God as something dangerous or something to be feared. They learn to think that they can approach God only in specific ways, defined by their religious culture. They learn to think that they can be worthy to approach God only if they live up to certain conditions defined by church doctrines and rules.

This is a completely artificial programming that children should never be exposed to. Why do you think I said that unless you become as little children you cannot enter the kingdom? It is because of one simple fact. **Love is an attractive force and fear is a repulsive force.** If you fear God, you will never want to approach God or to get close to God. Therefore, how could you enter God's kingdom? Everything is subject to your free will, and God will not force you to enter his kingdom. You must do so of your own free will, but how can you do so if you fear God?

Children naturally love God, the Father, and this love for God is the most important asset that any lifestream can have on the spiritual path. Therefore, the greatest crime against children is to destroy their natural love for God and their natural feeling that they are welcome to approach God without following any outer conditions.

When I allowed the little children to approach me, I set up no conditions for their approach. It was my disciples who attempted to set up conditions for their approach. If I did not do so, why do so many

modern Christians feel that their children should live up to certain conditions before they can approach God, Christ or spiritual topics?

Let the children come to me with their curiosity, their innocence and their unconditional attitude. Let the parents stand back and do some soul searching so they can realize that they need to follow my command and become as curious and innocent as a little child. And then too the adults can approach me, and they will be received with the same unconditional love with which the children are received.

In reality, all people who approach God are received with unconditional love. The problem is that most people do not perceive this unconditional love or cannot accept it. Most people have set up conditions in their minds which makes them feel that unless they live up to certain outer rules and regulations, they are not worthy to receive God's love. Because everything is subject to free will, God cannot force you to receive his Love. You must accept it, and you can do so only when you accept that you are worthy to receive it.

Most children are born with this sense of worthiness and unconditionality, and it is truly one of their greatest assets. Please do not destroy it in your zeal to give your children a "good religious upbringing."

**Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.**

Bruce Feiler, New York Time, October 24, 2010

Not long ago, Eden, one of my 5-year-old twin daughters, bounded into my lap at bedtime and asked me if I would read her a book, "Bagels From Benny." I had never seen this book before, nor had my wife. (I learned later it was a gift from her grandmother.) In the story, written by [Aubrey Davis](#), Benny adores his grandfather's bagels so much he wants to thank God for them. He takes a bag of bagels to the synagogue, places them in the ark, and asks God to taste his bounty.

I had not read more than a few pages when Eden looked at me and asked, "Daddy, if I speak to God, will he listen?"

I froze. I was so completely unprepared for the question, she might as well have asked me, "What's a menage a trois?"

In my panic, I had three quick thoughts. First, Who told you about God? I certainly hadn't initiated the conversation, and I thought I knew everything she had learned in school.

Second, I should be able to nail this question. I had spent a dozen years tracing biblical stories around the world and had written four books about God. Surely, I had learned something. Third, and more important, I didn't want to say anything that I would have to unsay later. In other words, I didn't want to lie to her just because she was a child.

For all the brouhaha over religion in the United States the last few years, Americans' views on God have remained remarkably stable.

A study released last month by the [Pew Forum on Religion](#) and Public Life showed that 69 percent of Americans are absolutely certain God exists, and another 17 percent are fairly certain. Only 6 percent said they did not believe in God, with another 5 percent saying they didn't know or were not certain.

But in countless surveys in recent years, Americans have shown creeping anxieties about their faith. While 10 to 15 percent of believers define themselves as fundamentalist, a vast majority of believers also express doubts. A Pew study last year showed that half of American adults have changed their religious affiliation at least once.

When it comes to talking to children, fundamentalists (believers and nonbelievers alike) have it easy, I have observed. They can simply express their convictions. But what about the rest of us? Are we supposed to share our uncertainties with our children or pretend we know all the answers and let them discover their own ambiguities in due time?

Hey, Benny, since you seem to have strong opinions: How do you talk to kids about God in the Age of Doubt? To help answer that question, I called three figures who have written openly about their own crises of faith.

[John Patrick Shanley](#) won the Pulitzer Prize for his play "Doubt," and later wrote and directed the film, which was nominated for five [Academy Awards](#). Raised a Roman Catholic, he learned catechism from the Sisters of Charity and excelled at prescribed questions like "Where is God?"

"God is everywhere."

Shanley said: "When we went through confirmation at 10 or 11, I answered so many of the questions I was not allowed to answer anymore. I just found it thrilling in the sense that it was a theatrical event."

The single father of two 18-year-old adopted boys, Shanley employed a different style with his own children. "I come from the school of thought that I should teach by example rather than by talking," he said. "I believe deeply in the power of paradox and contradiction."

His sons, for instance, knew he knelt down to pray for them every night, but that he didn't go to church. They knew he said grace when they were in the country but not while they were in the city. "Children watch your actions and see whether or not you're a doddering fool. And they see that if you're a reasonably effective person and you can embrace ambiguity as a positive thing, they say, 'I want to be like that.'"

But aren't young children too vulnerable to embrace contradiction? I asked.

He answered: "If the idea is that when children are young you should give them very definite answers that do not reflect your actual experience of life, then you're lying to your children, and one day they're going to realize that you were a hypocrite. And isn't being true as much as possible in life the best kind of [education](#) you can give the young?"

Rabbi [David Wolpe](#) of Los Angeles, the author of "Teaching Your Children About God," agreed. He uses his own youthful bout with atheism to encourage children to embrace their own struggles. "When a child asks a question about God, they are not coming to you as a blank slate," he said. "They already have thoughts. It's more valuable to evoke what they think than it is to insert something and pre-empt their own thoughts."

Wolpe sees a parallel between parents' approach to God and their approach to sex. In both cases, skittish parents are so frightened of saying the wrong thing they end up saying nothing at all, thereby forcing their children to seek answers from untrustworthy sources.

"If you want to share with your kids your deepest beliefs," he said, "your deepest beliefs are not about shopping. They're about what happens after you die, or what life is about. I can't tell you how many times I do funerals, and ask the children, 'Did you ask your parents what they thought would happen after they die?' The answer in 80 percent of the cases is, 'No,' which I find shocking."

[Bart Ehrman](#), a New Testament scholar at the [University of North Carolina at Chapel Hill](#) and the author of several best-sellers, including "Misquoting Jesus," believes that parents should prepare for a conversation about God in the same way they prepare for other difficult conversations.

"The fact that parents are unsure of their own beliefs is no excuse for not talking to your kids," he said. "It's like saying you're not sure what to do about the problem of joblessness, or hunger or homelessness. Just because you don't have the solution doesn't mean you don't want to talk about it. The problem with our society is that everybody is interested only in the answers."

Ehrman's books explore his own path from a liberal Episcopalian childhood, to college years as a born-again Bible student, to an adult transformation that left him an agnostic (a person who believes that nothing is known of the existence or nature of God or of anything beyond material phenomena). His own children were young during the years he was losing his faith.

"There is precedent for telling a child something you don't really think is true," he said. "Parents tell their children there's a Santa Claus. But my view about religious things is that parents ought to be brutally honest. When I was transitioning, I was completely truthful with my kids and told them, 'I don't know' quite often."

I was heartened that all three of these men, from different denominations, agreed that children could handle the messy truth. In my case, after catching my breath in response to Eden's question, I said, "Some people talk to God, and it brings them peace." I gave myself a solid B for my inartful dodge. My answer was true, at least, and it did get me through the moment.

So I asked my impromptu spiritual gurus how they would have answered the question.

Shanley said he would tell a 5-year-old, "Yeah, God does listen when you talk to him." Wolpe said, "Yes, God listens, but not like people listen, and he doesn't respond like people do, either." Ehrman said: "You know what, Little Jimmy, I don't believe in God. What do you think?"

If Little Jimmy were Ehrman's sister's child, I asked, what would she think of that answer?

"She's an evangelical," he said. "So she would cream me."

**Immortality with the Love.**

**Feeling  
Healing with  
Divine Love is  
the key!**

**In this physical world, many people can see the auric field around one's body, this is the reflection of the spirit body which remains attached to our soul for all time. The soul is not visible to us, nor is it visible to the spirit person with its enhanced senses. The soul, depicted below, reflects through the spirit body which continues as our vessel for future growth upon the separation from our physical body. The separation of the spirit body from the physical body results in the death of the physical body. Your personality continues with the soul and spirit body.**

When you enter the spirit world, your physical deficiencies are corrected – you won't need glasses!

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

**The greatest gift for our children that we could possibly provide is to enable for them to grow up without fear.**

**And this gift comes about through the gift of receiving Divine Love and undertaking the Feeling Healing process.**

*“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD*

**SOUL CONDITION luminosity is reflected through one's spirit body, thus all spirit people can see the relative condition of another. In this same way, a spirit person can see the soul condition of those living within a physical body.**

First Source has a Spirit Body

Spirit entity of God for Divine Love delivery:

Spirit, The Spirit, Holy Spirit, Acting Spirit

and also another spirit entity of God's is:

Spirit of Truth, Living Spirit of Truth

and we have with us an:

Indwelling Spirit, Thought Adjuster, Spirit Guide, Guardian Angel, Spark of our Creator

**UNIVERSALITY of the LOVE:**

**Should you be open to and communing with our Heavenly Parents, our Mother and Father, no matter who you are and where you are, your desire for Their love will be showered upon you. We do not need to be anywhere in particular or be receiving guidance from any particular person, our relationship with our Heavenly Parents is a very personal one to one communion that can bring about a flow of Their Divine Love into one's soul anytime we desire as often as we desire, anywhere we may be no matter what we may be doing. It is our choice and our free will that only needs to be applied. Embrace and enjoy the Love.**

**The QUESTIONING CHILD:**

The insightful questions from a developing child's mind emanate from their soul's innate desire to be drawn to and to embrace the love of the Father, our Creator, the Source Soul, that was first experienced at the time of the creation of the child's soul. We all have this magnetism towards the Source Soul. At some time throughout our never ending existence we will all begin to embrace this attraction to the Love of all.

It is a wonderful opportunity to take the moments of these beautiful probing questions and to enable the child to develop the understandings and feelings that are underlying their questions. These questions are a time of reflection and learning for us as well as for the child.

Our actual makeup is such that we are magnetically drawn towards the Source Soul, who is to be found at the centre of the universes. Yes, the substance that forms our soul is magnetically attracted to the Source Soul and as we develop our love for the Father we will slowly but surely venture on our journey in that direction to experience an ever cascading escalation of the wonders and beauty that awaits us.

Many of us may take a long time to allow this spark of desire to blossom and others will respond without hesitation, but eventually we all will progress along this pathway.

Now is the opportunity, for the first time in man's history, to fully understand the availability of the Gift of Divine Love and how it can greatly enhance our quality of life, even here in this physical environment on Earth. Never has man had available such extensive teachings that have been progressively being provided to us, having started in 1914 with Padgett Messages, and these teachings continue as we speak. Kindly consider the following recommending reading list.

Share these understandings with the love that they have been provided for us and observe the emergence of many gifts that come with the Love as the child develops in Love and with freedom from fear. One's life blooms magically through living with the Love, and this is also reflected in those within one's environment. Though the Love can only be received by those who ask to receive It, the example of living one's life with the Love is a demonstration for others to emulate.

Our children can embrace the Love and begin living with the Love from the smallest of ages; this is a gift that we can initiate from our own example.

*Everything is Inter-connected*

**Three Great Truths:**

- **God is Soul, our Heavenly Parents, Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

### **Feeling Healing – Healing yourself through your feelings.**

- ✓ Your feelings are the real and true you.
- ✓ If you are denying any feelings you are denying yourself.
- ✓ If you are denying yourself you can't ever be truly happy.
- ✓ To heal all your pain and suffering, you can look to your feelings for why you are feeling bad.
- ✓ If you want to know the truth of yourself, then it's your feelings you will need to look to.
- ✓ Your feelings hold the hidden keys to unlocking the truth of who you really are.
- ✓ Uncover the truth of yourself through your feelings and you will know why you feel all you do.
- ✓ Everything in life, why all that happens to you does, and everything about yourself, can be explained to you through your feelings.
- ✓ Why your relationships might not be as good as you would like, why some might fail, you will understand through your feelings.
- ✓ How to live a good, true, happy and loving life will come to you as you start paying attention to all your feelings.
- ✓ However you will also have to pay attention to all your bad feelings, and this can be very harrowing.
- ✓ By honouring – accepting and then expressing all the bad feelings you feel, you will slowly bring to light all the reasons why you don't feel good.
- ✓ And as you liberate yourself from these hidden repressed bad feelings, so you will start to feel better and better about yourself.
- ✓ It's a process, and it can take time, years possibly, but all that's hard will eventually pass becoming good.
- ✓ Expressing all your feelings, and particularly your bad ones, whilst longing and really wanting to know the truth of why you're feeling them, is doing your Feeling Healing.
- ✓ You can Heal yourself through your feelings. And in fact, it's the only way to really heal yourself.
- ✓ And if you wish to do your Healing with God, you can also long for God's Divine Love.
- ✓ Feeling Healing – Using your feelings to heal yourself.

### Manifesto of Divine Love:

1. We love one another as Mary and Jesus, our spiritual parents, love us. And so we seek their Spirits of Truth.
2. Our all loving Heavenly Parents, our Mother and Father, we love and honour at all times.
3. We worship only our Mother and Father, God, and Creator of all things.
4. We treat our Creator's name with respect and love, and earnestly seek Their Divine Love, and at all times pray for It, ask for It, and receive It.
5. We set aside a regular day each week for Sabbath rest and worship of our Heavenly Parents, God, and seek Their Love so that we may grow closer to Their fountain head of Truth and Love.
6. We are to be as we feel, even if it's sinful, but in doing something that is not in alignment with God's Love and Truth will make us feel bad, that is provided we allow ourself to feel our bad feelings, and so we can then use our bad feelings to find out the truth of why we feel bad and why that thing we have done is bad. We embrace our Feeling Healing.
7. We strive to cause no harm to another, nor cause any harm to one's self. We do not do to others what we would not have them to do to us. We treat our fellow human beings and all living things, and the world in general with love, honesty, faithfulness and respect. Violence, at any times, is never justified. Golden Rule: that one must always honour another's will as one honours one's own.
8. At all times in our intimate relationships we strive to express and live true to all our feelings, all so we can use our feelings to uncover the truth they are trying to show. The truth of ourselves, of our relationships, and the truth of everything else, including God.
9. We do not covet or steal anything that does not belong to us. Honesty in all communications, actions, undertakings and activities in all facets of life is our rule of life.
10. In all that we do, we are to be truthful. We are non-judgemental, for none of us have the capacity or authority to judge another. We are always ready to forgive all wrongdoing.
11. We do not desire anything or anyone that does not belong to us. Comparing oneself to others and longing to have what they have leads to errors. We are to be content by focusing on the blessings our Heavenly Parents, who made us in Their soul's image, provides for us.

## ***DIVINE LOVE – what does it do?***

### **Divine Love, which is a substance, progressively:**

**Transforms one's soul from that which is of natural love to that which is Divine**

**As natural love is enhanced with the Parent's Love, we reject our tendency to error**

**Divine Love, our Parent's Love, restrains errors, untruths and emotional stress**

**As we reject the condition to error, we develop our love for our brothers and sisters**

**Divine Love helps one with the discovery of truth through one's soul-feeling healing**

**Our natural intelligence grows, perceptions rise with our soul intelligent feelings**

**As Law of Compensation is resolved, the Love reduces returning to being in error**

**Receipt of Divine Love, the Parent's Love, grows our faith, we become God reliant**

**As our faith grows our propensity to undertake one's Feeling Healing strengthens**

**With the Love, our Feeling Healing becomes Soul Healing, this we are to undertake**

**Without the Love we remain self reliant and dependent upon our own will power**

**Only with the Love will our soul condition grow rapidly, all around us also benefit**

**The Love is the only substance that changes the human soul to that which is Divine**

**Only by asking and receiving Love do we become fitted to enter Celestial Heavens**

**Only by asking for and receiving the Divine Love does our soul become immortal.**

**What is Divine Love?**

**It is the Divine Love of God, our Heavenly Parents, restored to all mankind by the births of Jesus and Mary.**

**How do we get this Love?**

**By sincerely asking God, our Mother and Father, and receiving the Love that passes all understanding.**

**What happens then?**

**We are born again in spirit and in truth, our soul opened to the Soul of God, our Heavenly Parents.**

**What then do we know?**

**We know we are all children of God and want to pray always to our Heavenly Parents, always longing for Truth.**

**What is the purpose of Feeling Healing?**

**We are to seek the truth of our feelings and unburden ourselves from our childhood repression and injuries.**

**What of the world?**

**We are at peace in the world and fearless. In Divine Love and in Truth there is no fear.**

**What else?**

**We are to strive to love everyone unconditionally as our Heavenly Parents and as Mary and Jesus love us.**

To liberate one's real self, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

**Our salvation IS by embracing Feeling Healing with the Divine Love.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Please Mother and Father, may I receive Your LOVE.**

**“Every day is a day of devotion.”**

**Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.**

**“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”**

**“Mother – Father, I desire your Love and I am loving you.”**

**“Soul God, I love you and I love receiving and experiencing your Divine Love.”**

**“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”**

**Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.**

**One can simply receive the Love without following any religious or spiritual teaching taught by man!**

**Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.**

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad Feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.**

**Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.**

**Primary and most important readings are the writings of James Moncrief.**

**Then consider the Padgett Messages, and then The Urantia Book.**
