**A Gentle Man
& Divine Love**

Consider this: the small black dot is a typical soul, the incredibly bright sphere is the soul of a celestial spirit, that is, a spirit who is now residing within the celestial spheres at the 8th level or higher.

A GENTLE MAN:

Back some 2,000 years, around the time of the birth of the gentle man, there became available to humanity the availability of Divine Love.

His arrival brought about the conditions for the return of this availability for all of humanity.

All of the major religious groups existing at that time had been prepared and were expecting his arrival.

He was born on 7 January 7 BCE (Before Christian Era) and he was assassinated on 13 March 29 CE (Christian Era) in the Middle East.

During his Ministry he essentially taught 2 things:

1: How to ask for and receive the Father's Love and what it is and does for you.

2: To love your brother as he (this gentle man) loves you.

Nothing more, and nothing less.

Even these seemingly simple teachings were difficult for his friends to comprehend and understand.

UNIVERSALITY of the SOURCE SOUL'S GIFT:

By embracing the eleventh commandment:

"This is my commandment, that ye love one another even as I have loved you."

Our soul condition steadily grows in love so that we step away from:

Any harm that we may cause to others which will also bring about consequences.

Also as our soul development progresses, our self love grows which also enables us to step away from:

Any self harm that we may cause which also will bring about consequences.

And to move along this path we simply develop our embracement of:

God's Divine Love; pray for it, ask for it, and receive it.

Or it may be even as simple as the caption below:

Oliver Twist asked:

Please, sir, I want some more!

Maybe we could simply ask:

Please, Father, I want some more!

It is easy to summarize Jesus' gospel in few words: "God is Love. He offers His Love to all His children, that is to say, to all humanity. Moreover, He is always a personal God who invites us to enter into contact with Him, should we wish to do so. He will listen to us and He will answer."

God is the Source of Truth. And if you want to discover Truth, go to the Source, and do not be satisfied with second or third hand information.

The only way to find Truth is to experience it for yourself and in yourself. What you may experience, and thus verify, in your heart — is a great truth.

Judas 6 May 2002

When the human soul receives the Love of God – His Essence – it becomes a divine soul. This is called soul transformation, culminating exactly at the moment when this process consumes the last vestiges of the natural soul, in the New Birth.

Judas 8 May 2002

Our message is simple: God is Love, and He shares it with all who so desire.

Judas 13 May 2002

God is Love and is willing to share this Love with all His children, that is to say, with all humanity.

The Heavenly Father's Love is not a simple feeling, but rather it is His Substance, or the Essence of Divinity, that distinguishes itself by attributes, as any substance does, and what we call "unconditional love" is but one of these attributes.

Holy Spirit, The Spirit: conveyor of Divine Love:

Source Soul, The Father:

Indwelling Spirit, Thought Adjuster, Mystery Monitor:

Spirit of Truth:

Our soul lodges within our spirit body which is the template for the physical body.

Our soul changes to that of the divine as it receives Divine Love.

**Soul within
spirit body
prior to receiving
Divine Love.**

**Divine Love being received
from The Spirit, covering the
spirit body of the requesting
personality.**

**Divine Love having been
assimilated within one's soul,
now being reflected through
the radiance of the spirit body.**

Natural love radiance is very different from that which Divine Love brings.

The two loves complement each other, bringing about greater harmony.

When we become aware of the presence of Divine Love and subsequently ask for and then receive the Divine Love, our soul steadily starts to change to that which is Divine and we achieve immortality.

We are gifted by our Source Soul with natural love, maybe we neglect this gift from time to time.

As we progress in time, we can add the greatest gift there is to our being, that is by asking for and receiving Divine Love.

Not only does the infusion of Divine Love repair our natural love attributes, we evolve into a joyous and loving person in all respects.

With the infusion of Divine Love, with the two loves, we become the complete being.

EMBRACING the LOVES:

Our soul is formed from the substance known as natural love.

Adding Divine Love to your being can be likened to developing a powerful engine based on natural love to that which is found within a most powerful muscle car.

Divine Love always has its effects in harmony with the expression and development of natural love.

Divine Love is the 'ultimate' high octane fuel.

What is the Divine Love?

*"The Divine Love is that Love which belongs to or is a part of God, possessing His nature and composed of His Substance, and which when possessed by man to a sufficient degree, makes him divine and of the nature of God." - **Jesus**, in a message received by James E. Padgett through spirit communications on May 15, 1917.*

"The Divine Love of the Father is the greatest thing in all the world, and the only thing that can make man at-one with God, and change the soul of man as it has existed since his creation into a divine substance filled with the essence of the Father. There is nothing else in all the universe of God that can cause man to become a new creature and an inhabitant of the Father's Kingdom; and when men possess this Love then they possess everything that will make them not only the perfect man but the divine angel." - **Apostle John, in a message received by James E. Padgett on August 5, 1916.**

Take it to heart - earnestly pray for God's Divine Love and feel the glowing of His Love in your soul.

Jesus gave us the Prayer for Divine Love to help us in our prayers to the Father.

DIVINE LOVE – what does it do?

The divine gift from asking for and receiving divine love will steadily, but with certainty, raise one's quality of life and also of all those around such person who is seeking and receiving this love.

The receiving of divine love, which is a substance, with certainty, progressively:

- ✓ Raises one's love for those around them.
- ✓ Raises one's perception of all things – naturally grows one's intelligence – soul intelligence.
- ✓ Enables one to feel and resolve negative emotional issues – melts them away.
- ✓ Humility becomes self evident. Humility enables one to feel their errors and emotions.
- ✓ Divine love dissolves errors, emotional stress and untruths.
- ✓ Divine love, by assisting with the removal of emotional errors, enhances one's health.
- ✓ Divine love enables one to become more childlike – not adult serious at all times.
- ✓ Divine love raises one's capability of feeling – no longer needing to be controlling.
- ✓ By becoming feeling orientated, one no longer is mind / intellectually dominated.

- ✓The only weapon to fight and overcome sin is the Divine Love.
- ✓The Law of Compensation process is more readily resolved with Divine Love.
- ✓Receipt of divine love grows our faith.
- ✓As our faith grows our intensity to ask and then receive divine love grows.
- ✓We begin to follow our passions and desires, no longer fear driven.
- ✓Truth being told at all times then progressively becomes a way of life.
- ✓Our quality of life blossoms, our abundance and relationships prosper.
- ✓Man creates his own environment, seeking divine love can vastly improve one's environment.
- ✓Health carers receiving divine love achieve healing outcomes beyond comprehension.
- ✓Receiving divine love may bring a struggling marriage back into harmony.
- ✓You become God/Creator dependent, Not self dependent.
- ✓Personal growth in love directly assists the soul condition growth of one's children.
- ✓Divine love escalates one's rate of soul condition growth.
- ✓Divine love is a substance that changes the human soul to that of the Divine.
- ✓Without divine love, one cannot progress into the Celestial Spheres (8th sphere and higher).
- ✓Divine love enables everlasting Love and Life in His mansions of the Celestial Heavens.

The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.

But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Father's Grace.

‘The difference between what are regarded as two paths, the Natural Love Path and the Divine Love Path, is, essentially, the amount of Divine Love that beings have been able to acquire.’

Quote from Celestial Spirit Richard 22 Dec 2012

The Divine Love completes the form of the human being.

Our soul is formed from the substance that is natural love. When we earnestly and lovingly ask for Divine Love, the Divine Love is added to our soul, thus we steadily and progressively become complete in our being.

Prayer for Divine Love: (extract)

“We pray that Thou will open up our souls to the inflowing of Thy love, and that then may come Thy Holy Spirit to bring into our souls this, Thy love in great abundance, until our souls shall be transformed into the very essence of Thyself; and that there may come to us faith--such faith as will cause us to realize that we are truly Thy children and one with Thee in very substance and not in image only.”

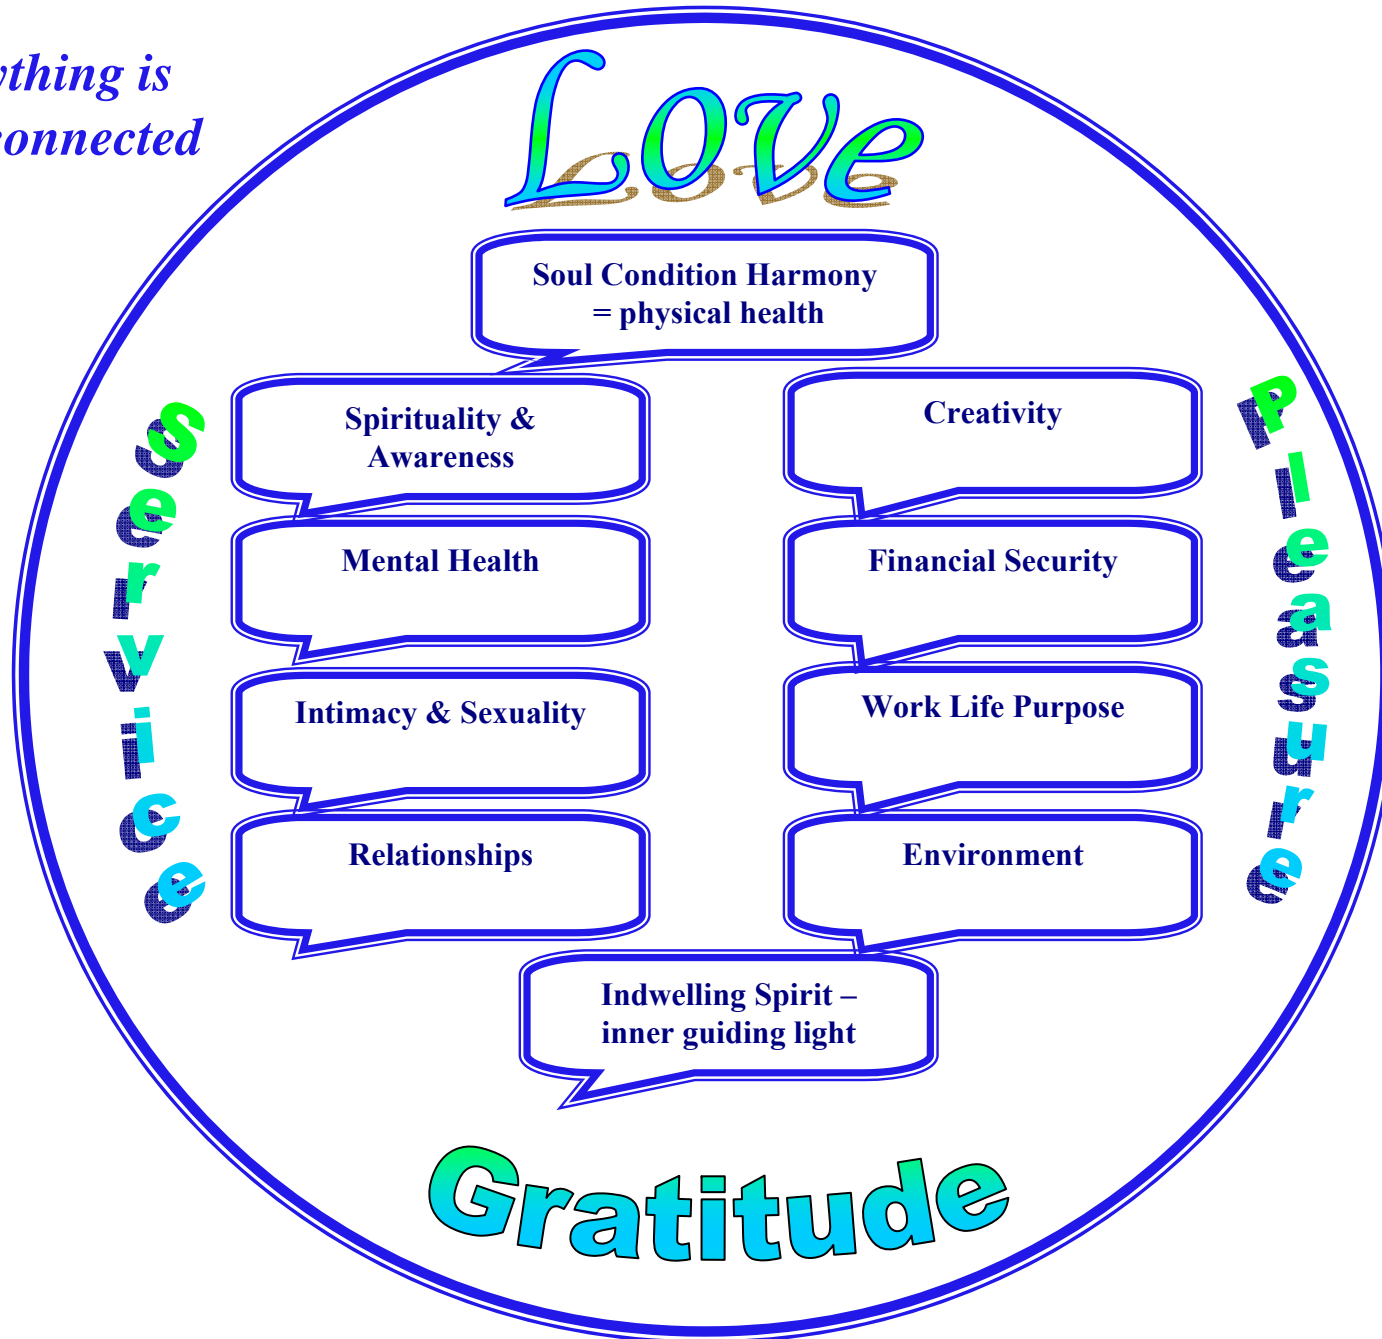

"Please, sir, I want some more."

Or maybe:

"Please, ***Father***, I want some more."

God's Divine Love: Pray for it, ask for it, and receive it.

*Everything is
Inter-connected*

DIVINE LOVE HARMONY:

Immortal harmony:

**Transformation of the soul is a beautiful
harmonious gradual awakening.**

The Divine Love completes the form of the human being.

**In essence, one need only direct their soul and the heart of their
soul to the First Source, the Soul God, and in this faith one can
experience the Love by humbly asking for this Love. This is all
that is needed and the touchstone upon the Loves'
approachable nature.**

UNIVERSALITY of the LOVE:

Should you be open to and communing with your Creator, the Source Soul, no matter who you are and where you are, your desire for His love will be showered upon you.

We do not need to be anywhere in particular or be receiving guidance from any particular person, our relationship with our Creator is a very personal one to one communion that can bring about a flow of His Divine Love into our soul anytime we desire as often as we desire, anywhere we may be no matter what we may be doing.

It is our choice and our free will that only needs to be applied. Embrace and enjoy the Love.

VISUALIZATION with LONGING:

Holy Spirit infusing Divine Love.

Progressive escalation of Divine Love flowing.

Visualize yourself as you were when young and with an empty bowl, and then thankfully ask the Father for His Love – His Divine Love:

"Please, *Father*, I want some more."

They are both smiling and appear to be enjoying their time in nature. The background is a lush, green forest with sunlight filtering through the trees.

**From a Message of Jesus to James Padgett
December 28, 1915**

The Divine Love is a love available for the Human soul that, in its cause and effect, actually perfects the personality as it progresses to a greater experience of living in the determination of living in God's Divine Universal harmony.

Every personality has the gift of freedom of self-determination to enjoy and extend through life's experiences and it is this gift of freedom and human nature that may prevent one from participating in the freedom and gift of the Divine Love.

The Divine Love, once being received is added to one's nature, which was formed on natural love.

God's Divine Love: Pray for it, ask for it, and receive it.

Never can one man do more for another man than by making it known of the availability of Divine Love.
