PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about “looking within oneself”. Much of what we are observing is new to most readers and thus you will take on board that which resonates with you. Further, you may investigate those items of interest and discard those which do not feel appropriate to you.

Kinesiology muscle testing, was developed by Dr. David R. Hawkins and quantified by his Map of Consciousness (MoC) table. MoC has been used to ascertain the possible level of the truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and another tool to assist in considering the possibilities. In contrast, consider using the MoC technique to test the level of truth in your local daily newspaper.

The contents herein are not to be interpreted as an independent guide to self-healing. The information researched here and any information provided in this document should not be considered in lieu of consultation with your own physician, doctor, or other health care professionals. Pascas, nor anyone associated with this document, does not assume any responsibility whatsoever for the results of any application or use of any process, technique, compound or potion as described within this document.

Sources for these contents are noted throughout the document. In doing so, we acknowledge the importance of these sources and encourage our readers to consider further acknowledgement of these sources as necessary. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we sincerely apologize. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

We offer all contents in love and with the fullness of grace, which is intended to flow to readers who join us upon this fascinating journey throughout this incredible changing era we are all experiencing.

Living Feelings First, *John.*

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

MEANING of LIFE:

We are thoughts generated by God prior to our incarnation which occurs at the time of conception. We are unaware of ourselves. In this limbo-like phase we have free will however, prior to incarnation, namely our souls, are-merely-existing in readiness to commence our journey. Our journey commences at specific point in time of individualization as that being the moment our souls, which is our true and real selves, are drawn to the very newly forming embryo.

Individualisation of the soul brings about our self awareness and we begin to exercise our free will – that is at the moment of the newly formed viable embryo.

At the moment of conception, your soul in joining with the embryo which also brings into existence the spirit body which is the etheric body or template of your physical body. Though our physical body has only a short life span, the spirit body remains with one's soul indefinitely. Your spirit body is never separated from your soul and it is the vehicle by which we journey through the spirit realms and up into the heavens.

The meaning of our life is to achieve individualization of our soul. This is achieved at conception, namely incarnation, and from there to proceed to grow in love and return to our Creator.

From the moment of incarnation we begin our journey of growing in love and progressing up through the spiritual realms to become at one and in companionship with our Creator.

Both here in the physical world and as well as in the spiritual realm, we have created enormous volumes of distractions as obstacles to our focus in our journey.

No matter how far we stray from our goal, a small tiny attraction or desire within each of us will eventually prevail and we will return to the pathway home. Very few of us will find this pathway and remain on it and achieve our goal within only a few years. Most of us will stagger from one side of the pathway to the other side, eventually exploring many, many possibilities and taking possibly thousands of years to even begin to grow in love and progress along towards our goal.

What will it be for you?

So let us explore how we progress quickly and without difficulty, rather than bumping into every conceivable frustration, distraction and pothole.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

An UNBORN BABY'S 1st HEARTBEAT OCCURS 16 DAYS after CONCEPTION:

A research team funded by the British Heart Foundation (BHF) at the University of Oxford says a baby's first heartbeat is now far earlier than was previously understood. [Dr. Susan Berry](#) 12 Oct 2016

Further research confirms that the heart first starts to beat between days 16 through to 19.

What happens when a child dies. 15 March 2013
Speaking with Mary Magdalene and Jesus, book 1

From the first heartbeat the incarnating person is technically living a physical life, and so if death occurs, it will move into one of the spirit nurseries. If it should 'die' before the first heartbeat, the soul merely 'withdraws', initiating incarnation when the next opportunity arises for its soul-personality. And of course as you know, there is no reincarnation, so when your soul starts you in Creation and you achieve your **first heartbeat**, then you're underway, be it on Earth or in spirit to Paradise, this being your ascension of truth.

As soon as the spirit body separates from the physical connections, there is no longer any pain, this of itself as you might well imagine greatly adding to one's good experience.

The dying person, be it a child or an adult, has a good experience in death, especially once the pain has gone should there be pain; it's the people they might leave behind on Earth who don't understand this and who are suffering feelings of loss and deep grief, that have the harder time of it.

An unborn child is taken to spirit nurseries to be cared for. And within those nurseries they are looked after through the remaining time of their gestation period; then are 'born' into spirit life; then to carry on growing up as a spirit child of the Mansion Worlds. Many of them, just as with unwanted physical children, are fostered out or adopted by spirits wanting to be parents, this enabling a lot of people (who are now spirits), who for one reason or another couldn't have children on Earth, to have the experience of parenting. Even carrying the child to full term can be simulated so as to give the 'mother' the experience of being pregnant. The 'father' having his experiences as well. And of course lots of people who become spirits love being involved with children and so become spirit parents or simply involved in looking after the infants and young children of the nurseries.

The Heart commences to Beat as early as Day 16 after Conception:

Until now, researchers thought that the first time our heart muscle contracted to beat was at 8 days after conception in mice or around day 21 of a human pregnancy. Now, a team funded by the BHF at the University of Oxford has demonstrated earlier beating of the heart in mouse embryos which, if extrapolated to the human heart, suggests beating as early as **16 days after conception**.

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

WE TUMBLE INTO THE ABYSS BY SUBMITTING OUR WILL TO THAT OF OUR PARENTS:

At the moment of conception your soul activated your will to become of your Earth parents, you in effect, agreed to accept all that they were; to partake of their negative states, which they subjected and impressed on you through your formative years. By the time you became an adult you were a product of them, wholly a part of the negative mind state of this world. Currently you are imperfect and will only regain perfection of soul once you have completed your soul-healing.

Jesus
Message 33 (part) 9 January 2003

NOW WE CAN CLIMB OUT OF THE ABYSS BY EMBRACING OUR FEELINGS:

Life IS ALL ABOUT FEELINGS. YOUR FEELINGS ARE YOU – ACCEPT THEM, AND YOU'RE ACCEPTING YOURSELF.

Only by following what Mary says regarding the doing of your soul-healing, the honouring and living true to your bad feelings and exposing all your childhood repression will you be able to heal all such pain and problems.

The Truth of your world is all about you. Many generations have believed in and tried to live how the Bible says, but has it healed all ills? Have wars and hatred stopped? And why have Christians done so many bad things? Why does all the self-criticism and self-denial still exist? Why are people mostly only interested in gaining power; and why do the rich still dominate the poor?

The religions and spiritual systems of humanity have failed to deliver life in the promised land, living free from all pain and suffering. And they will continue to fail because they themselves are founded on the negative. They are not true; do not teach the Truths of Divine Love; do not encourage people to live true to their feelings.

You are hopelessly bound up in your parent's lives. They have made it that way. The freedom and self-control you may feel you have is only relative to them. They – your very own mind – is the evil one, you are the evil one living with your mind overpowering you in every moment. The Golden rule is: never interfere with another's will.

I, Mary, was able to feel my feelings, as I was not trained too heavily to deny them, and then with and through them, find out the truth my soul wanted me to see. The truth of your negative state is what's missing from your world. It's the only thing that will open the way to show the right and true and correct way to live. [The Rejected Ones – Living True to One's Feelings](#) by James Moncrief

WE SUBMIT TO EMBRACING OUR PARENTS ERRORS!

 The Rejected Ones – Living True to One’s Feelings by James Moncrief

Like Father – Like Son

Like Mother – Like Daughter

Our mind strives to control and is always subject to error. The mind’s controlling natures based on error are the foundation of all the misery, illness and drama on Earth for all of humanity. Put them aside by expressing them.

Our soul based feelings, given to us by our Heavenly Parents, are always in truth. Allowing our feelings to lead our way of living that is living true to God. Express all your feelings and long for the truth of them.

The REBELLION ENDS BY US DOING OUR HEALING FEELING:

Notes from Sage – and the Healing Angels of Light by James Moncrief

We're rebelling against Jesus and Mary, and God and ourselves, so how else can we be. We can't stop rebelling against ourselves until we heal ourselves of our own personal rebellion against the truth of ourselves, and that's what each of us faces: to heal ourselves of our wrongness. And we can either start it now or do it when we get to spirit; but one way or another, we have to do it if we ever want to move up higher in the spirit worlds getting ever closer to being with God.

So it's a journey to God, you're talking about?

Yes, and a process to do is your Healing. God wants us to experience what it is like denying Them – going away from God by denying the Truth and Love. And once we've experienced all we've needed to in our unloving state, then God wants us to heal ourselves of being wrong, untrue and unloving, so we can experience what it's like being the other way: being truly loving, true, and going toward God.

So God's the real culprit in all of this?

Yes, They have to be, because it's all what God wants.

All the higher spirits agree it's all for our good; and that's just how it is, and there is nothing we can do about it – other than try and uncover the truth of all we're feeling. And when we understand, we can start to do something about our unlovingness, by looking to heal ourselves through our feeling acceptance. Our feelings are the key, and not our mind. She says the problem has been, which is all part of the Rebellion, that we think the way out of our pain and suffering is by using our mind. Yet when we do that, we're only making things worse for ourselves, because we keep adding more erroneous beliefs. People who believe they can use their mind to make themselves feel happy and be loving, are going the wrong way, because they will only make themselves be more unloving and unhappy. Our minds have been used right from the beginning of their formation to go against so many of our feelings, so we are able to convince ourselves, and then pretend, that we are all right, and are even loving, when really we are not.

You have a pain and you push it aside telling yourself that it doesn't matter, as you're busy needing to get things done. So you can't just stop and feel how bad you feel every moment, because if you do, you're afraid you'll fall in a heap and never get going again

And that's all what's wrong with us, because that pain, any pain, physical, emotional, mental, even apparently spiritual – any pain, is the warning sign that something is not right and you need to stop and pay attention to it.

We have to stop doing all that, work differently, without needing to get the job done being the most important thing for us; and instead, focusing on ourselves making our own feelings be the most important thing...

You don't have to do anything other than what you're doing, only you can also long to God for Their Divine Love, and start paying more attention to your feelings, longing for the truth of them.

LIVING TRUE IS HEALING ONE'S SELF OF CHILDHOOD INJURIES:

Messages from Mary and Jesus – Mary 10 April 2003

As we are all of the Mother and Father, if we do anything that goes against Truth or Spirit or Mind or Will, or Their Laws of Love, then we are going against all of our self – our own soul, and the whole of Creation. And if we want to live true – true to the Truth, true to our soul, and true to God, then we have to rectify this at some time. In going against Truth we bring about pain – penalty – in ourselves, as this is to show us that we are doing the wrong thing – going the wrong way. And when we come back into harmony with the Laws the pain goes – the penalty has been paid.

Currently in the negative mind state humanity does not want to live true to God's Laws, so man's laws are different to God's. So all that you do is against the Mother and Fathers Laws of Creation and Existence. And this is what then causes all the pain in your soul, as you live each day refusing to honour the Truth of God. And no matter what you believe about how good you may be, if you are not living true to your soul and God's Laws then you are hurting yourself.

The Mother and Father say individually: Love Me as I love you; and together: Love us, as We love you. You come into the world asking your parents to love you as you love them. But they in their negative state do not honour this truth, so every little bit of them that does not love you, you feel hurt by. As they dishonour you so you dishonour yourself, for in your love for them, you are accepting that they are right and true, as you do not know anything else. You then take it on, all how they treat you, and do what they have told and made you do to yourself and others; you become as they are – negative. And so you live dishonouring yourself and the Mother and Father's Soul Laws. You cause great pain within yourself on all levels, not just in the physical. All pain you ever experience is saying to you: you are wrong in how you are being, and so you need to look to find the truth of why this is so.

When you want to know the truth of your pain, you will want to see the truth of where you are dishonouring yourself and the Mother and Father; then when you do see what you have done, you will feel bad about this, and then seek forgiveness, being healed and forgiven when you see the truth, and your pain all goes. You can go to Them and ask Them to forgive you, but as They are love and already do, you are really allowing yourself to forgive yourself, for it is you that does not love yourself, as seen by the act of dishonouring yourself. Then as you turn around and willingly want to live true, the Mother and Father remove the pain you have been suffering and fix that which within you has become dysfunctional as a result of your transgression. Then you are healed, so far as this part of truth has been honoured, and that part of dysfunctional you is living true to the Laws of Love, living true to your soul and to Them.

As you do your healing you are actually forgiving yourself. By wanting to see the truth and asking the Father and Mother to help bring up the unexpressed pain and feelings that are within you, that will show you where you are going wrong. You will be able to see the problem and then want to fix it and seek forgiveness of yourself (and from Them if you feel the need); and you will be loving yourself and Them instead of rejecting yourself and Them.

Gradually through your healing, you will work your way back through all the levels of truth within you that you have dishonoured since conception; with all the pain surfacing, and all the causes being seen that made you rebel against yourself. And with each step you will be forgiving and increasingly loving

yourself. Your healing is you loving yourself back into perfection. And the longing to the Mother and Father for Their Love is the way to fuel this by becoming a divine soul.

When you love yourself truly, then you will love your neighbour and every aspect of Creation, as you love yourself. This will be your state of being – just like the Mother and Father, and you'll naturally be honouring all Their Laws of Truth. And you will live free in Creation without any pain, worries or problems; eternally happy, as you long to be.

By praying to the Father to forgive you, you are not taking responsibility for your own actions; you are not seeking the truth of your evil causes. Forgiveness comes when you admit and accept your wrongness; when you uncover the truth of why you are it, or doing it, all through the expression of all that has made you feel bad. Through full self-feeling-acceptance you can free yourself from your negative condition. The Truth will set you free! The truth you uncover as you accept and express your bad feelings.

And as you do this God will change into the loving Mother and Father. You will come out of the old beliefs and ways of seeing things, entering into a new way of living and seeing how everything truly is.

When you were a young child you were the closet to your soul and to God. Up until you fully took on all the negative mind circuits you were still more pure and true to Their image. And you loved more as They love. A child loves freely and unconditionally. It loves without judgement or criticism. Look to the child to show you God, this will help you see more truth than looking out into the adult world as it now exists. And then look how the parent changes its child, from being pure and true, into another untrue adult. Look how you make your child turn against itself and live untrue to God. Look how the parent makes it live true to the wants, likes and dislikes of itself. Your child will help you see how wrong you are. It will show you if you allow it to; it will show you through your feelings.

Your soul-healing is concerned totally with you finding the truth of all you are; all you feel, and all through your feelings.

Messages from Mary and Jesus Mary 14 April 2003

The feeling controlling mind is nothing more than your parents control over you encapsulated in your mind.

Messages from Mary and Jesus Mary 15 April 2003

During your childhood you were made to change from being naturally good to being bad, and it hurt. Now you are being asked to change back to good from bad, and it hurts just the same.

Messages from Mary and Jesus Jesus 14 April 2003

You are completely self-contained. You will blame your parents for what they did to you through your healing, but when you are healed, you will be able to see how you took it all on wilfully from them; and so wilfully you have to choose to divest yourself of it and set yourself free. And this can only happen with love – your own natural love, through acceptance of all your badness and bad feelings, together with the help of the Mother and Father's Divine Love. And so it is entirely true that love is the cure-all, and that love will heal you, your love, and the Mother and Father's

Messages from Mary and Jesus Jesus 14 April 2003

WE ARE TO BE OUR TRUE SELF – OUR SOUL BASED FEELINGS!

We are to use our feelings to uncover the truth of ourselves. Just how important are each of our feelings? Well really, they are ALL as important; as in, nothing else in life even matters other than what we are feeling.

We are all so conditioned and used to living with our mind in control of ourselves, that many of our feelings, and mostly so many of our bad feelings, we dismiss or shut out and refuse to deal with. We should go the other way in life, so instead of denying so many of our feelings, trying to acknowledge them all, to bring them all out, every last bad one, even if means stopping everything else and attending to them; and by attending to them is to make sure we express them, speak about them, the whole idea being not to keep suppressing them, to make sure they come up and out of us as we feel them.

Along with this: we are to long for the truth of our feelings; as in, the truth they are wanting us to see about ourselves, because apparently hidden or behind or within each feeling, is something it's trying to tell us about ourselves. And that is how God wants us to live – it is to live a true spiritual life.

We are not meant to be alone, we are to have someone with whom we can share our whole self with, telling them all we think and feel. If you do not have a companion, talk it out loud to your Heavenly Parents.

If you feel a bad feeling, you don't let it pass, you stop with it, focus on it fully accepting it; and with the emotions of it, express it the best you can; and then at the same time, long for the truth of it – want to see what it's all about – why you're feeling it.

There are hidden deeper underlying causes in us that will come to light as to why we're really feeling bad. So we might, for example, be angry with something that's happening in our life now, but as we express that anger, longing for the truth of it, it will lead us back into our earlier life connecting with the same anger we felt about other things; and then back even deeper into connecting, or it should be reconnecting, with anger we felt with our parents when our parents treated us badly.

That means there will be a lot for us to deal with if the bad feelings we're feeling now are also going to lead us back into buried bad feelings from our past.

42 Humility and Emotion

11 March 2013

Much of what I am saying relates to developing awareness and acceptance of the moments of life so that you are aware of the evolving wonder that surrounds you at every moment. When you feel the echo of a past event and its associated feelings, deal with what you feel now without attempting to remember what was then. The emotion you feel now probably does have its roots in the past but it is what you feel now that can be expressed. Honour your past rather than seeking to condemn it. You can only act now. If you regret past lack of love then today is the time to express more love. You really cannot go back to give the love you omitted in the past but you can love whoever is present in your life without regret for the past and without attempting to redeem the past with today's actions.

Living is not a process of erasing the sins of the past but of living today as free of sin as is possible. Sin is not erased by punishment but by loving actions. In all of your passage towards becoming At One with God you will never be punished but will face yourself and your deeds in the presence of love such as you have never known. In this presence will you learn aspects of Truth and will come to know them. They will become part of you as you merge together. Thus you will enter into Truth beyond belief. You don't have to be in spirit to do this as you can do this at any moment of your life. You are already in the presence of this love and have the capacity to face yourself in this way. We are always with you to encourage you in this and to assist you. Ask us for help. Ask us if you are in doubt. Ask if you are sad and if you are happy or feel silly. Ask at any time and for any reason and ask any question as every question acknowledges yourself and your desire to grow. Truly allow yourself to become as that proverbial little child and open to Father, to us and to you.

Richard of the Celestial Heavens

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

Our FEELINGS are our SUPREME GUIDES:

Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.**

Kevin 26 Sep 2017

Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.

FEELING HEALING

Note: The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

Note: Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. **Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.**

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and total true.” James – Introduction Course to Divine Love Spirituality

ASPECTS of LIFE:

<u>Physical /</u> <u>material body</u> Brain	→
<u>Spirit /</u> <u>etheric body</u> Mind	→
<u>Soul + Spirit</u> <u>Combination</u> Senses Desires Memory Passions Intention Free Will Emotions Creativity Awareness Personality Aspirations Intelligence Consciousness <u>The Real You</u> <u>is your Soul!</u>	→

The spirit body is composed of a different kind of matter, "finer" or more "ethereal". The fact that its aspect reflects the condition of soul is a clear indication that the soul influences largely its formation, and even more, the soul is indeed the creator of this body, which covers it and provides it with the characteristic of individuality. The formation of the spirit body begins at the moment of incarnation of the soul in the foetus, incarnation which only takes place should there exist a high probability that the spirit of life has found in the new organism a stable biological structure, allowing it to carry out its life-giving function.

P529 Judas of Kerioth 8th May 2002

At the moment of conception, we incarnate, that is, we achieve individualisation and become self aware and we are then able to exercise our free will.

At the moment of conception, our soul, being our real self, is creating the newly forming embryo and everything else every step of the way as Judas says above. And our soul utilises our parents' life forces to achieve incarnation.

At the moment of conception, there is nothing of the Divine within us. Only as we proceed to ask for and receive Divine Love does our soul slowly and progressively change into the nature of that which is Divine. As our soul receives Divine Love, and embraces Feeling Healing, it will grow, and grow, and grow in brilliance and into that which is Divine.

MAN WITHOUT or WITH a SOUL!

Man without a soul is likened to a puppy dog!

The human body (without a soul) calibrates at 200 on Dr David R Hawkins' Map of Consciousness. Domestic animals also calibrate from 200 to 250 on this scale. Without a soul, a human body is incapable of rational thought, speech, or anything human.

The real you is your soul! With the infusion of one's soul becoming connected by cords of light with one's spirit body, which is the template for the physical body, comes one's personality, natural intelligence, memory, and all things human.

Our brain is simply a transceiver of communications from one's mind. The mind is housed within one's spirit body. The thinkingness is done within the spirit body mind. What is held in mind subsequently manifests within the physical body. The functionality of reason calibrates between 400 and 499, thus overriding the physical body as it calibrates around 200 only.

The natural love based soul endeavours to guide the mind (love calibrates at 500 and above). During our physical life, we encrust our soul with emotional injuries and erroneous beliefs thus impeding and frustrating the flow of loving energies from the soul to the spirit body mind, and subsequently the physical body.

It is the love energy of the soul that brings about health of the physical body and a bounteous and blessed life in the physical world.

There is nothing of the divine within our natural love soul, however, should we long for, pray for, ask for, and receive our Heavenly Parents' Love, the Divine Love of our Mother and Father, then we slowly and progressively blend our natural love with that which is Divine, Divine Love. It is this ultimate high-octane super fuel that changes our soul from that which is mortal to that which is immortal and with Feeling Healing, become fitted for the Celestial Heaven; this is the process of being born again!

If you ask for the Divine Love to enter your soul it will be 10 or 100 times more efficient, 10 or 100 times stronger than if you would let the natural love flow through your soul. So it will help to break down "the wall" you've created around your soul 10 or 100 times faster than the natural love would do.

Feeling Healing with this ultimate high-octane super fuel is what dissolves the encrustments of errors and false beliefs around the soul, enabling penetration of loving energies throughout the spirit body, and into the physical body, bringing about health and vibrancy to life.

The REAL YOU is the SOUL:

One's personality, natural intelligence, memory and human attributes all are soul based. The soul initiates conception so it can start expressing one of its two personalities in Creation. It creates the will, then 'wills' the spirit body and physical body and all that connects them with the will into being. Our soul constantly sustains or expresses us, one of its two personalities, in Creation. The spirit can't separate from the soul because the soul keeps it in existence. We need our spirit and physical bodies to experience our personality through. When the spirit body separates from the physical body, one continues on living in a different form without losing any of the attributes experienced during physical life. Incarnation is the process of individualisation of the soul.

Without a soul, our physical bodies would function and interact similarly to that of a domestic animal. An unsouled human body (thought not possible) would respond like a household puppy! Domestic animals calibrate on Dr David Hawkins' Map of Consciousness between 200 and 250, the human body calibrates at 200. All animals have spirit bodies, these do not survive into the spirit Mansion Worlds. Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some one million years ago (993,500 years ago). Adam and Eve, Adamite bestowals, arrived some thirty eight thousand years ago – or earlier.

Aman and Amon were the first True Humans, which means, the first soul expressing its soulmate pair, its two personalities, in Creation – on Earth. From which came forth the rest of us. So they had a soul from the start, which separated them from their animal parents. It's the soul that wants to fully express itself through its two personalities perfectly in Creation, which is the so-called 'human perfection hunger'. It, our soul, wants to be Perfect like its Heavenly Parents, the Soul that Created it. We, focused as personalities, want to be perfect, like the Personalities of our Mother and Father that are Perfect. Our soul wants to be like Their Soul. Our soul wants to ascend us to Paradise so we can be with Them, as physically close to Them on a personality level that we can be, and then see what happens.

There were aunts and cousins, parents and grandparents. But they were not human like Aman and Amon – they were really animals, though of the same species. Aman and Amon wandered off from the family, since they could find no way of relating to them at all. How could they? They were incapable of rational thought, speech, or anything human. Aman and Amon knew that forevermore that they were apart.

Aman and Amon may have been twins. They were indeed a primate species of humanoids. But they, themselves were more beautiful than their animal relatives, and they knew, even from their very appearance, that they were marked even by Nature to be different.

DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

PERSONALITY

Our soul is the centre of our personality.
We are children of our Heavenly Parents.
Our soul manifests a male and female personality - it is a duplex!

MIND INDUCED SOULMATE RELATIONSHIPS – FALSE SOULMATE:

Unsuccessful marriage

**WOMAN

Unsuccessful marriage

Rebellion and Default MIND-Created false soulmate:

Female soulmate
Unsuccessful
marriage to fantasy
untrue man

Being in rebellion by default, all our relationships are untrue and based on fantasies and erroneous beliefs of our mind. These relationships formed through the mind, are at best, temporary, and will ultimately end. They are false soulmate relationships.

Male soulmate
Unsuccessful
marriage to fantasy
untrue woman

Eternal soulmate marriage between a man and a woman only takes place for those that fully heal themselves of the imposts of the Rebellion and Default. Through longing for the truth behind all our feelings (both good and bad), we can begin to live true to our feelings. And once healed, and reaching a Celestial Soul Condition, through our true feelings we find our soulmate, our true companion for all eternity.

Relationships formed through the minds of couples who are unhealed are temporary!

We should incarnate as One soul – expressing Two personalities – soulmates, a woman and man – the perfect union for all eternity.

We incarnate into Rebellion by Default against this.

We live in denial of the truth of ourselves – the truth of our soul.

We look for our soulmate, however it's the 'other half' of our fantasy mind. It's all an illusion, false – the imperfect union. It can't possibly ever be perfect, it's doomed for destruction. No false and untrue union is eternal.

We project this mind-fantasy soulmate onto our partner. We mistakenly believe they are our soulmate, our true other half, yet they are at best only the other half of our mind-contrived soulmate belief. These relationships never last. They are a moment, a glance of hope, a one night stand, a relationship short or long term, marriage with children, lasting until we die and possibly carrying on in the mind worlds in spirit, but doomed to extinction. If your marriage is 'successful', it's just that you manage to fit your false mind fantasy that you are soulmates, well enough to last a little while longer than most who are 'unsuccessful'.

We are to heal our untruth, fantasy, mind-generated false soulmate. By bringing it out so we can understand how and why we're created it and what we expect, long for, hope, it will give us – all the love our parents didn't give us. We want our fantasy mind-created false soulmate to fill all the holes in us, to unconditionally love us, to never reprimand, criticise, judge, curse, hate, disrespect and make us feel bad – only to love us and make us always feel good – to take all our pain away.

The ultimate mind panacea.

We are to heal the need for creating such a wrong thing.

We are to live true to all our pain and feelings of powerlessness and utter devastation of not having anyone who loves us and we can love, because we weren't loved and aren't loving. And once we understand it all, we are then to come to terms with the fact that all our relationships are false and will end.

And that one day, when we are ready to let go of our falseness, we will change into becoming the opposite – truly loving and truly loved, with no more holes that need to be filled in. So our mind can stop being our chosen soulmate and saviour, it can stop being our substitute Mother and Father, and we can live true to our feelings, enjoying our true soulmate, the one God has provided for us.

As we give it up becoming of a Celestial truth, we meet our true soulmate, she/he having healed her/his untrue mind-fantasy soulmate, thereby becoming true soulmates, free to live happily and lovingly forevermore – a truly successful relationship and eternal union.

PARENTING:

Tuesday, 16 October 2018

I, James, want to write a few points about parenting having read a few pages of *Parenting is Forever* by an Australian paediatrician – Elizabeth Green, a book I saw at the library.

The hard truth is: if you parent whilst being of the Rebellion and Default, then you will be severely damaging your children. It's what we fail to understand; and we've been doing it for a very long time.

The whole notion of one can be a 'good' parent or a 'bad' parent needs to be thrown out the window. When you understand we're all living in a state of truth-denial; that we are denying the truth of ourselves, nature and God; that we are living against ourselves, nature and God; that everything we do is wrong and within the Rebellion and Default, then everything one might do as parent will be wrong too.

Until you begin your Healing, everything you do with your children will be stuffing them up. It can't be helped. And you won't know how you are stuffing them up until you do your Healing. You can't see the full extent of what you are doing to them either positively or negatively as you are parenting them – unless you are doing your Healing. And you can't work out how to stuff them up less, as it doesn't work that way. They will come to know how stuffed up they are – what a 'good job' their parents did on them – when they do their Healing.

We have to do our Healing so as to see the truth of our relationship with our parents. And until we see it, we'll remain forever more bound up in our Wrongness.

And the idea that we can learn how to parent, learn how be better parents, use our mind to parent children, is wrong, too. We can use our mind to learn whatever we want, but as that too is being done in rebellion against the truth of our true self, so it's only going to negatively effect your child.

A parent might be able to parent its child to fit better into life, living a more morally acceptable, respectful and loving life, however it's all still learnt, so it's a contrivance based on current acceptable pretence and falseness – it's all untrue and a fantasy.

Parenting happens on multiple levels most of which the parents are unaware, and all starting at conception. At conception, it's all already done, it's a done deal – pregnancy, childhood, adulthood is just the outworking of it. So all our negative patterns are conceived at conception (incarnation), with the only way to change those denial, rebellious, anti truth and anti love patterns being to do your Healing by seeking the truth of your feelings. And once your Healing is complete, then you will be living wholly positive, true and loving parents.

The truth you are living is ‘organically’ imparted ‘absorbed’ by your child all the way along, and right up until you have completed your Healing when technically you are no longer the parent of your child, having given it up completely to God, it being wholly God’s child. By the time we’re all of a Celestial truth we are then truly children of our Heavenly Mother and Heavenly Father without any further parent / child connection on any level other than in our memories. When you have completed your Healing, then you will be totally free of your parents. Until then, even through they might not be personally present and active in your life, still you are living out the patterns that resulted from being with them, even if that was only for a moment. With those patterns all being ‘broken’ and transformed into leaving your physical parents for your true Soul Parents as you progress through your Healing.

Your child becomes the truth that you are. If you living against truth, so untrue, so it will follow suit becoming untrue. The intrinsic child being an expression of its soul, is true and perfect, however we become untrue and imperfect being incarnated onto a Rebellious world. Your child can’t be anything other than how you are – it is ‘your’ child. All the factors such as DNA and inheritance contribute to how your child is, and on all levels, not just the physical, it all being long lines of generational denial being passed onto your child. And this then works with the whole environment the child is subjected to, which includes all of nature, all what happens in one’s life, and all that’s happening on unseen levels from spirit, all what’s going on emotionally, mentally and psychically – the relationship between them both, it all going into and working to reflect the desired outcome the child is to be in every moment of its life, all of which is ultimately underpinned and fully orchestrated by the soul.

Your soul is expressing you in Creation. It has encoded within it, all that you are to ever be. God has put it already all within your soul, and your soul is ‘unfolding’ through light, expressing that pattern which governs every aspect of your being. So why that genetic trait is activated by those environmental conditions is all overseen and orchestrated by the soul. Nothing is random, there is no bad luck that your child suffered this problem, and it is more than because you smoked and drank during pregnancy you somehow damaged your child. All of you is damaging your child all the time, even if you feel a great love for it and it for you.

Until you’ve fully Healed yourself, it is all damaging, fantasy, untrue and unloving. Every second your child is with you, you are negatively affecting it (unless you are doing or have done your Healing). And even when it’s not with you, you are still connected by unseen psychic cords on all levels of the mind, emotions and spiritually, so are still affecting each other. And those effects compound and become very intricate, complex and intensely psychologically involved.

And if your child is retarded, a genius, or just ‘normal’ and ‘ordinary’, that’s exactly what God wants, it’s how God made its soul to express itself, so it’s perfect. You are the child of God that you are, even in all your wrongness. And even though you might hate how you are, you don’t have to stay in that state, being able to heal yourself as you do your Healing. And when your Healing is finished, you’ll truly love the whole unloving state that you were, seeing that it was all absolutely perfect how evil, uncaring and unloving you were, it all being what you needed to bring you to this point of perfection you are now living in your Celestial level of truth.

If you parent your child without doing your Healing (irrespective of being a good or bad parent and whatever you do and learn to try and help your child), then you are simply passing on the next level of wrongness in your long family line of being untrue. If you parent your child whilst you are doing your

Healing, then every part you heal within yourself you'll no longer be passing onto your child, with your child potentially adjusting to the 'new you' which can happen up until the child reaches its first Saturn Return (astrologically speaking) around 28-30 years old. Once that age is reached, technically it's the end of childhood, so even if the parent/s keep Healing themselves, those positive effects won't be passed on to the child. And once a child is sexually mature, the child itself has to be open to and receptive of its parent/s to be able to keep changing, reflecting the parent/s changing as it does its Healing. Once sexually mature, the child is free to reject any such positive changes brought about by its parent/s Healing, so it might reject its changing parent who is doing his or her Healing. The Healing parent can't force any positive changes on the child once the child is sexually mature, whereas before sexual maturity the child is still becoming its parent, so any positive (or negative changes) the parent makes will be taken on in some way and on some level by the child.

Learning to be a better parent whilst still parenting without doing your Healing only means you're going to add yet more layers to your child screwing it up even more. We are constantly adding more mental layers of self-denial to the way we live as adults, and so too our children. The Internet being the latest outside influence that can help parents to add yet more mind layers to themselves and their children. This book I am reading suggests that all parents woes and all the child's problems in the world now stem from the advent of the Internet, even as if pre-Internet, there weren't any problems with how parents parent and their resulting problematic children. And yet the Internet age is just another age along the two hundred thousand years of System Rebellion and Planetary Default, of parents unlovingly parenting their children who grow up to parent their children unlovingly. And if it we were parenting our children perfectly, if we were all Healed and living true to our feelings, there would be no Internet like we have it, and possibly no internet or anything of what we currently have. There would be other things in life reflecting our true state, things that express our love, instead of things that are expressions of our unlovingness. The Internet, like everything we create, is an expression of how screwed up we are inside, which means, how our parents screwed us up. We can only create something like the Internet – and the whole world we live in, because of our unloving parent/child relationships. So if you think the Internet and the world we've created are good and loving, then you might want to consider looking into the truth of your relationship with your parents and doing your Healing.

Any love you feel is love within the unloving state that you are and that you and everyone is expressing in the world. Nature is of perfect Natural love; we and all we create whilst we're in our imperfection, is unloving. All our relationships are unloving. Within our unloving states we can, relatively speaking, feel love and be more loving, just as we can be more evil, wrong and unloving, yet still it's all within an anti truth system, and without truth there can't be true love, for love to flow there needs to be truth: no truth, no love. Love exists outside of truth, but without truth we can't truly relate to it, so it may as well not exist. Our souls are truly of love, and we are to become truly expressing our truth as love, and loving expressing our truth with all the good feelings loves gives us, when we've completed our Healing, when we've ended our rebellion against truth and love.

We are living in an 'experiment' of how unloving you can be and what the effects of feeling unloved have on ourselves, each other and the world. Everything we are doing is wrong, so everything we are doing is making it harder for ourselves. There are no effective solutions to all our problems until we end our unloving anti-truth state by doing our Healing. We can keep using our minds to make it appear like we're being more loving and caring, just as we can use our minds to make it even harder for ourselves, but our mind is not The Way, whereas our feelings are.

A parent or parents doing their Healing will naturally effect their child as they progress, and in a positive way. However it's not for the parent to demand, make or force the child to do its Healing. Once the child is sexually mature, then it is free to make its own choice about doing it. And some older children might reject their parents who are doing their Healing, putting off doing their Healing until they are older still, which could even be during their spirit life. When someone begins their Healing in earnest, is when God through their soul says it's time.

If you are wanting to Heal yourself and become true, then part of that Healing will be about your relationship with your children – uncovering how unlovingly you've treated them whilst possibly believing you were loving and doing the right thing for them. And if you are yet to have children and do want them, then there will be lots of opportunities for you to find out more truth of your unloving state as you look to expressing and longing for the truth of all you feel – which is doing your Healing.

It's not that because you understand you are imperfect you should therefore not be having children until you are perfect having completed your Healing, but going with your feelings of wanting a child and expressing every feeling that comes up along the way as you long for the truth of those feelings. If you have any fear, anxiety, worries, guilt, sadness, anger, misery and any other bad feeling, then these are what you work on. So you can have a child as you do your Healing, with the child helping to bring up the bad feelings in you that you are to express out of yourself and see the truth of. Or, you not have a child and do your Healing. If you don't have children on Earth then you can adopt children in spirit, either doing your Healing or not. Currently spirits doing their Healing can't also adopt children, however once the New Revelation is 'activated' – revealed, then spirits doing their Healing will also be able to do it whilst having children.

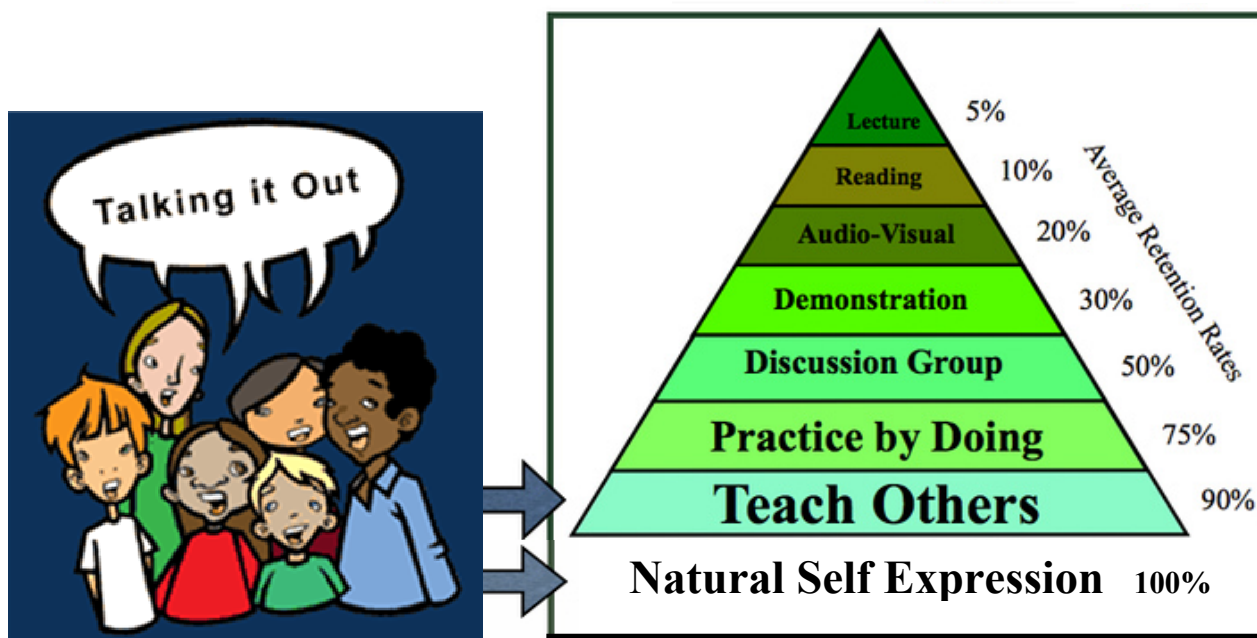

A fully Healed parent will pass on such truth to its child thereby no longer subjecting its child to any untruth. And two Healed parents will give rise to a completely true child, it being totally free of the Rebellion and Default, this being the perfect humanity that humanity is to become. Slowly humanity is to Heal itself of the Rebellion and Default.

Elizabeth in her book says that young people and children are looking more to social media and their machines to conduct their relationships through, and oh my god how are parents now to deal with, compete with, simply cope with, that??!! We fail to see that the machines and the Internet is allowing us to be truer to our unloving states, we can be more impersonal by pretending we are personal through a machine and the unreal, which is the truth of the relationship we are living with each other, so the truth of the relationship between parent and child. A parent who complains that their child wants the Internet and all it offers above them, should perhaps question why does the child want to reject its parents, and in finding the answer to that question, the parent will uncover the truth of its unloving relationship with its child. We can escape into the Internet away from the relationships we hate, those with our parents. We all hate each other, not love each other, which is possibly the most difficult truth to accept. We make up fantasy relationships we project onto each other that gives us the mental ability and resulting contrived feelings to make us feel and believe we love each other. But if we take the fantasy away there is only a dark hole of nothing, a hole full of pain, the full horror, trauma, terror of agonisingly feeling you are not loved by the people who should love you.

And so because none of us can bear face the terrible truth of our unloving state, we continue to do our best to live seemingly loving with each other, doing the best we can, using our mind to alter our fantasy-unreal existences, doing all we can do to avoid having to face, accept and fully embrace the truth our bad feelings will show us when we come to do our Healing and want to give up the facade.

We currently parent negatively influencing our children on seven whole worlds' worth of truth. Which means your child, as do you, has seven whole worlds' of truth it's denying in life, all of which cause untold numbers of problems. And consequently, should you wish to do your Healing, so it will take you the Healing of all seven worlds, as represented by the seven Mansion Worlds, to complete it. The Rebellion and Default has evolved to include all seven Mansion Worlds in rebellion by default. We have taken the Rebellion on by Default through all these levels and have to heal them all through our Healing. And once Healed, we are free of our parental influences, free of our parents, free of our wrongness, free of the Rebellion and Default, true and perfect to the Celestial level of truth.

GEORGE CARLIN (His wife died early in 2008... and George followed her, dying in June 2008)

<http://projectavalon.net/forum4/showthread.php?42820-A-Speech-by-George-Carlin>

Isn't it amazing that George Carlin – comedian of the 70's and 80's – could write something so very eloquent...and so very appropriate.

A Message by George Carlin:

The paradox of our time in history is that we have taller buildings but shorter tempers, wider Freeways, but narrower viewpoints. We spend more, but have less, we buy more, but enjoy less. We have bigger houses and smaller families, more conveniences, but less time. We have more degrees but less sense, more knowledge, but less judgment, more experts, yet more problems, more medicine, but less wellness.

We drink too much, smoke too much, spend too recklessly, laugh too little, drive too fast, get too angry, stay up too late, get up too tired, read too little, watch TV too much, and pray too seldom.

We have multiplied our possessions, but reduced our values. We talk too much, love too seldom, and hate too often.

We've learned how to make a living, but not a life. We've added years to life not life to years. We've been all the way to the moon and back, but have trouble crossing the street to meet a new neighbour. We conquered outer space but not inner space. We've done larger things, but not better things.

We've cleaned up the air, but polluted the soul. We've conquered the atom, but not our prejudice. We write more, but learn less. We plan more, but accomplish less. We've learned to rush, but not to wait. We build more computers to hold more information, to produce more copies than ever, but we communicate less and less.

These are the times of fast foods and slow digestion, big men and small character, steep profits and shallow relationships. These are the days of two incomes but more divorce, fancier houses, but broken homes. These are days of quick trips, disposable diapers, throwaway morality, one night stands, overweight bodies, and pills that do everything from cheer, to quiet, to kill. It is a time when there is much in the showroom window and nothing in the stockroom. A time when technology can bring this letter to you, and a time when you can choose either to share this insight, or to just hit delete...

Remember; spend some time with your loved ones, because they are not going to be around forever.

Remember, say a kind word to someone who looks up to you in awe, because that little person soon will grow up and leave your side.

Remember, to give a warm hug to the one next to you, because that is the only treasure you can give with your heart and it doesn't cost a cent.

Remember, to say, 'I love you' to your partner and your loved ones, but most of all mean it. A kiss and an embrace will mend hurt when it comes from deep inside of you.

Remember to hold hands and cherish the moment for someday that person will not be there again.

Give time to love, give time to speak! And give time to share the precious thoughts in your mind.

AND ALWAYS REMEMBER:

Life is not measured by the number of breaths we take, but by the moments that take our breath away.

George Carlin

BEING FOCUSED upon only ONE SOURCE of SPIRITUAL GUIDANCE:

Utilizing kinesiology muscle testing and Dr David R Hawkins' Map of Consciousness, one can determine the level of truth in most things.

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.

A calibration increase of 1 point is in fact a 10 fold increase in energy.

A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.

Thus the energy differentials are in fact enormous!

The peak level of calibration for natural love based truths is 1,000. Anything that calibrates below 200 is in error is without love and is detrimental to everyone.

Divine Love truths typically calibrate over 1,000.

The Divine Love truths that have been provided through the Book of Truths published by Joseph Babinsky, Revelations via Dr Daniel Samuels, and Judas of Kerioth published by Geoff Cutler, all calibrate within the high 1400's.

Col. James Churchward penned the Books of the Golden Age in 1927 (calibration 900). Col Churchward was taught, while living in northern India, by a Rishi to read a collection of some 10,000 clay tablets that date back more than 70,000 years. Here are a list of some of his findings.

Items of interest:

- a. The Lords Prayer was found within the contents of these clays tablets.
- b. The Ten Commandments that Moses delivered was his practical summation of the 42 commandments that are found in the Egyptian Book of the Dead.

Moses took these forty-two questions and in a condensed form made forty-two commands out of them which he condensed to ten commands. This drastic change made by Moses was unquestionably necessary to meet the condition into which his people had fallen. Moses changed nothing in conception, he simply made more emphatic how they must live their lives here on Earth. He applied these laws to the living directly instead of to the dead. The Ten Commandments are found in the Sacred Inspired Writings of Mu more than 70,000 years ago, only in the form of questions instead of commands.

P114 Sacred Symbols of Mu

As we now know, the prayer taught to us by Jesus in the first century is the 'Prayer for Divine Love'.

Asking for and receiving Divine Love is like entering the express lane for growth in love. Everyone can enter the express lane no matter which faith they may consider or follow.

MAP of CONSCIOUSNESS CALIBRATIONS reflect the nature of the TOPIC:

The level of truth of a topic or subject is reflected in the calibration through employing Dr David R Hawkins' Map of Consciousness with kinesiology muscle testing. A publication or movie about manufacturing food would be around 200, whereas meals prepared in a loving home would be around 500. The subject of pornography through to war would be less than 200, whereas natural love topics can readily be over 500 and up into the 800's plus. Material introducing Feeling Healing with Divine Love, by its nature, will range between 1,480 to 1,500 on Dr David R Hawkins' Map of Consciousness (MoC), in its purest form of presentation. This has never been previously achieved.

REVELATIONS

Revelation 1: Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively feel into our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

Revelation 2: We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

Immortality with the Love.

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU FEEL, THINK AND ARE.

Release one's pain through expressing one's feelings.

Longing for the Truth when also longing for Divine Love.

WE ENDURE FOUR LAYERS of PERSONALITY SUPPRESSION!

Unknowingly, our parents pass onto their children (us) their beliefs and way of living that has evolved since the Rebellion, some 200,000 years ago, and then the Default, some 38,000 years ago. In this way, humanity is suppressing the female, rejecting our Spiritual Parents, namely Jesus and Mary, and denying our Heavenly Parents being our true Mother and Father, of Their truth, standing and existence.

The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion. Nanna Beth 29 June 2017

We are souls, our personality is an expression of our soul. It is our free expression of our soul through our feelings that we are to embrace and follow. This expression may appear to be wilful in nature, from time to time, and consequently our parents' attempt to suppress this expression. They proceed to remodel us when as young children, in the manner their parents treated them and so on for many generations going back.

During our forming years, as a child, we are unable to recognise the suppression of our personality as being extra-ordinarily harmful to our soul based personality and, accordingly, we don't know that things can be any other way. Presently, neither do our parents.

This childhood suppression way of living continues throughout our schooling years, thus we learn this is a way of life that is normal.

Our religions all have been formed based on the tenets of the Rebellion and Default. The teachers and leaders throughout all denominations take us further away from our suppressed feelings that have been hammered into us during our forming years, thus entrenching us further into rejecting our true selves.

The controlling and suppression mechanisms of our parents, educators and spiritual teachers all manifest throughout all of commerce. This control comes heavily and brutally down upon all levels of employment. The capability to express one's soul based attributes and gifts is sealed throughout all of one's working life.

A new way of living is to enable the liberation of one's true personality through the Feeling Healing process AND the transfer of authority to the individual via embracing freedom of expression.

DEVOLUTION

Our childhood suppression of our true and loving soul based feelings is creating global pain and personal isolation amongst all of humanity. We are very sick!

In our struggle to find solace and purpose, we further withdraw into ourselves, becoming ever more self dependent, believing our control addicted mind that it can solve everything. We just drown further.

We embrace an ever expanding and diverse range of pathways to escape from our personal pain, fear and desperation. Alcohol has now been complimented with narcotics, hallucinogens, including caffeine (coffee). Gambling has been complemented with computer games which are generally entraining the mind further into error and pain. Technology is making us sicker!

We bury ourselves in front of the television to further avoid contact with anyone, especially family.

Children endeavour to exert their independent authority from domineering controlling parents (which we all are eventually) by disfiguring their bodies with tattoos and piercings, etc.

We shut out the noise with headphones, thus preventing contact with others. We use electronic devices to 'text' others even at intimate engagements.

Technology will take us further into the depths of our madness. You now can buy headsets that prevent any contact with the outside world while playing mind suppressing and entraining entertainment – games!

No one loves their children, they are ignored, and the controls hammered into them turn them into clones of ourselves. Look at ourselves and we can all see that we have been all messed up by our own parents, as they have for generations over the past 200,000 years.

No more of this! We can escape this man made hell!

EVOLUTION

STEP 1: Longing for and receiving Divine Love:

- A. Soul within spirit body prior to receiving Divine Love.
 B. Divine Love being received from the Holy Spirit, covering the spirit body of requesting personality.
 C. Divine Love having been assimilated within one's soul, now being reflected through the radiance of the spirit body.

STEP 2: FEELING HEALING + SOUL HEALING

It is the Divine Love that strengthens one's resolve to persevere with embracing one's suppressed emotional injuries, that occurred from conception through to around the age of six, and longing to know the good and the bad of those feelings, together with talking about them to a friend, partner, one's self and our Heavenly Parents. It is only with the receipt of the Mother and Father's Divine Love and the expressing of suppressed emotional injuries that one can release the emotional injuries and errors to achieve Celestial soul condition and enter the Celestial Heavens.

Further, should one complete their Feeling Healing on Earth, then they will be able to recognise their soul partner, their other soul half, and should their soulmate have also embraced Feeling Healing with Divine Love, then their children will be born free from error, free from fear, and free from any deformity and illness. This is the destiny of humanity.

Further, being in this condition of free from error and being in constant communication with our Heavenly Parents, then one can also recognise and form their Soul Group. This will ultimately consist of twelve soulmate pairs, a total of twenty four personalities / individuals.

It is the bringing up of children by the support of soul groups that is to be the ultimate way forward. The group experience and wisdom, as a functioning family, will ultimately be of profound benefit for the blossoming child.

But what we cannot do is contrive the groups ourselves, or even pick who our soulmate is. This will only, and can only happen, as an outworking of the truth we are to live – as we progress in the healing of our soul.

And this is how all of life should be lived: according to the truth we are living. It is how we live, as there is no other way, but currently we live it in the negative, of that being directed by no truth, and so having to make it all up ourselves.

The NEW WAY of LIFE:

Now for the first time in history, Celestials can be more assertive in making known the availability of Divine Love, and that the only way to progress towards our Heavenly Parents is by engaging in doing one's Feeling Healing.

The Celestials have all but stopped the mind spirits from negatively influencing people on earth, and the biggest area this is in, is in the religions. So the religions on earth and all the spiritual systems of the mind, are under pressure in that they are no longer enjoying the input from the mind worlds that they have had. And how this translates into ordinary everyday life, is more in the unseen connection between those in religions on earth and those of the same religion in spirit, is fading away.

Then at the same time, we, the Celestials, are being allowed to move more freely amongst everyone, both in the mind worlds and with you on earth. Which means, we can confront and have more of a say in peoples and spirits lives, something that was forbidden the Celestials of the 'old guard'. They were not allowed to interfere at all, having to wait patiently for spirits (as there was rarely anyone on earth) to show interest in an alternative way to God, which enabled the Celestials to slowly introduce the notion of the Divine Love and then that of doing one's Healing. But it took a long time for mind spirits to show any real interest and being willing enough to give up the power their mind had over them, wanting to seek a higher life.

Celestials can now, following the progress achieved by Marion and James Moncrief, approach and be more freely expressive to spirits on all levels, and also to people on earth, should they want their help.

Further, those who reject and suppress their children will progressively grow in awareness of their own unloving natures. One will not be able to continue to avoid their feelings of wrongness.

Golden Rule: that one must always honour another's will as one honours one's own.

Thus the three aspects: one, of having more readily available guidance to become aware of the availability of Divine Love; two, the way to become fully expressive of one's soul based personality through the process of Feeling Healing; and thirdly, the quickening of the Law of Compensation through one's greater sensitivity to one's emotional errors and injuries. By having greater personal connection with a Celestial, we are able to move into longing for the Divine Love, and look to healing ourselves and grow in truth, and start to seriously consider embracing one's ascent to Paradise.

The New Way, Feelings First Spirituality
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.
 Want to understand why you're feeling them.
 Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
Your feelings are your spiritual guide.
Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

REVELATION 1
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

Quantum Jump 2

REVELATION 2
Marion and James Moncrief 2002
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

U-TURN for HUMANITY:

Why are we doing a U-Turn?

We are doing a U-Turn **because** the year 2017 heralded the end of the Rebellion and Default. For two hundred thousand years, humanity has been going in the wrong direction.

What is this fundamental step that will change our way of living?

We are to come to understand / know the foundational cause of all our feelings, both good and bad. As we explore and investigate our feelings, each time they arise, one by one, we are to talk them through, express them to a companion or friend or anyone who will listen. As we express them, while at the same time coming to understand how they have come about, we will find that they will be resolved and that they will not come up again.

We will find that all of our feelings / emotions have their foundations from our childhood. And by childhood, that is from the time of one's conception all the way through to about the age of six. It is the repression of our childhood feelings that is the base or foundational cause of each and every one of our adult personality issues, pains, difficulties, illnesses and distressful life experiences.

**Feeling
Healing with
Divine Love is
the key!**

We have to see the whole truth of our negative or self-denial state, before we can heal it and be free of it.

The vital difference between **emotions** and **feelings** is:

- emotions have their roots in the past,
- feelings relate to the present moment,
- emotions represent feelings not previously expressed,
- and these accumulate over time.

Many emotional clearing processes encourage us to look into our feelings, however, none go so far as to drill down into the core foundation of any emotional feeling to the point that we strive to KNOW the core issue, the origin of the feeling, be it good or bad, and actually come to know what it is!

The *Journey Process* is generally known worldwide. It stops short of longing to know, that is asking for the knowing of the events that brought about such a feeling. Yes, we are to acknowledge the feeling, say being angry. Then accept that behind that anger is the feeling of being small, and then look at the underlying reason of why we are feeling small. What is the truth behind that feeling? Ask our Heavenly Parents what is behind all of this feeling. What is the foundation, the origin of the feeling? All the time talking it out, expressing it, with a friend. The expressing of the experience is the release of the emotion / feeling, this is what removes it for ever from within our essence, our **soul**.

Why ask our Heavenly Parents? I thought God was just God – singular?

This is part of the revealings that have been unfolding for us very recently – that is – since 2002.

We are made in the image of God. This has been understood for centuries, for 2,000 years. Our soul is duplex. Our soul expresses itself through two personalities. One soul ‘subdivides’ into two, one half always being female and the other half always being male. We are a reflection of how God is. God being one Soul is expressed as Mother and Father. God is two personalities. They are soulmates. And each of us has a soulmate, and our soulmate is always of the opposite sex, because the Mother and Father are the opposite sex.

Thus, when we long for the truth behind a feeling, then we can long to our Heavenly Mother and Father. Only they can tell us. No spirit personality can tell us. No canonised saint can tell us, we may as well ask our next door neighbour. That would be just as productive. Mary and Jesus can’t tell us, as they are also spirit personalities.

I was taught that Jesus was God? And what is this about Mary?

Mary of Magdalene and Jesus of Nazareth were both born free from sin. Neither of them are God. They are both children of God, just like you and me.

History needs to be corrected. Both Jesus of Nazareth and Mary of Magdalene became at one (At-One) with our Heavenly Mother and Father during their physical lives here on Earth in the first century; Jesus in the year 26CE and Mary in the year 33CE, or thereabouts. Jesus died aged 35 (born 7BC died 29CE), and Mary died aged 47 or 48 (born 2BC died 47CE).

Further, their sojourn on Earth was the completion of their process to become the full Regents of the sector of planets that is referred to as Nebadon. The region within our super-universe that is referred to as Nebadon contains 3.8 million inhabited planets. If you look into the night sky, each star / sun potentially has between none to three inhabited planets within its orbit. Within Nebadon, the soulmate pair, namely Mary and Jesus, are our Spiritual Teachers of Truth. Their domain is all 3.8 million physical planets plus their associated spirit worlds. Each physical world has seven associated spirit worlds, which is the case for Earth being one of the 37 that have rebelled.

Some 200,000 years ago, Lucifer with his soulmate and his deputy, Satan with his soulmate, brought about a rebellion on 37 of the inhabited planets within the region called Satania, one of the local universal systems of Nebadon. Earth compounded the situation through the Default of Adam and Eve about 38,000 years ago. Thus the population of Earth, being in the worst condition through the Rebellion and Default, became the location for Mary and Jesus to have their physical experience to complete their ascendancy to full Regency of the local universal system being Nebadon.

Their lives on Earth was the start of the unravelling of the Rebellion and Default. Upon Jesus becoming At-One with our Mother and Father, he was then vested with the authority and power to have the Lucifers and Satans arrested, and they now reside exiled within a prison world.

Notice that there were no records of Jesus and Mary’s teachings and experiences made during their physical life. That was because they did not specifically come here for us, they came for the benefit of all peoples of all planets and spirit worlds throughout Nebadon.

As they are Paradise descending spirits, they have **Spirits of Truth**. Upon Mary and Jesus' death, they released their Spirits of Truth. As spirits, Jesus and Mary are how we will be, once we've finished our Soul Healing. They can only be in one place at any one time. However, it is their Spirits of Truth throughout Nebadon that we can connect with for guidance. It is through their Spirits of Truth that spirit personalities can progress through and out of Nebadon.

Those planets that have Rebelled need further assistance, and they need it on a localised manner. This can only be provided by another bestowal of a **Paradise Pair**, and that is in the form and manner of an **Avonal soulmate pair** who come here specifically for us.

What is the purpose of an Avonal pair, and are they here on Earth?

Unlike Jesus and Mary who were always free from sin and did not experience how to heal themselves, the Avonal pair are to experience all of the extremes of evilness and then proceed to heal themselves. Mary and Jesus through their bestowal on Earth ended the Lucifers spiritual rebellion in Nebadon; the Avonals bestowal is primarily concerned with ending the Default of Adam and Eve by the Avonals themselves personally healing the effects of such a damaging Fall.

The soulmate Avonal pair are to be, and have been, subjected to the extremes of childhood suppression and repression, and then, through their Feeling Healing, are experiencing all the facets of emerging truth as they slowly progress through a protracted and difficult healing process. As they reach specific milestones, this also enables those in the Celestial Heavens, (the three worlds where Celestials reside) to be empowered to assist us in the physical on Earth.

The first considered milestone was the arresting and imprisonment of the Caligastia soulmate pair and the Daligastia soulmate pair. After the arrest of the Lucifers and Satans in the first century, as nothing further occurred, the Caligastias and Daligastias continued on from spirit as if they were kings and queens, suppressing all of humanity and with plans to take over the universe. It was possibly in the early 1990s that they were 'judged' and 'removed'. They were caught unaware that an Avonal bestowal pair were on Earth.

How is all this becoming known? Has Jesus and Mary communicated directly to Earth?

Unlike in the first century, when no records were kept (as the event related to all of Nebadon and it was actually setting the stage for the Avonal bestowal pair to arrive on Earth), every effort to retain records in great detail of this current series of events is now being attended to. Consider this. The New Testament of the Bible is some 300 pages. The records of the Second Coming, which this is, the primary records are possibly 6,000 pages, with direct complementary records increasing that to over 10,000 pages and with all the supplementary records to date, there may be as many as 40,000 pages, certainly well over 30,000 pages of material presently.

Jesus directly communicated through James Padgett from 1914 to 1923. Mary of Magdalene (Mary M) has directly communicated through James Moncrief from 2002 and is ongoing. Jesus has also communicated directly through James Moncrief. Neither have ever directly communicated through any one else, however, some Celestial Spirit personalities have provided information through other

personalities on Earth with the support and approval of Jesus and Mary, thus some confusion, though the quality of the information is very reliable.

You say this is the Second Coming? You say I am living during the time of the Second Coming?

Yes you are. And it's more than that. This is the Second Coming, the End Times and the Handover!

In fulfilment of the prophecy in the first century, the Second Coming commenced on 31 May 1914 through the writings with James Padgett and concluded in 2014 through the writings with James Moncrief.

The End Times are well advanced. Mary and Jesus are well advanced in handing over their direct involvement with Earth to those within the Celestial Heavens. When this is completed, the Handover will also occur. **The Hand Over is to the Avonal Bestowal pair** and it is they who will guide the population on Earth through their Feeling Healing processes for the next 1,000 years, being the next spiritual age. The Handover will take place after the Avonal pair complete their personal Healing of the Rebellion and Default. Then will follow with their Spirits of Truth being officially liberated in alignment with Mary M and Jesus' Spirits of Truth upon their death.

Major events have occurred with the progression of the Avonal pair's Feeling Healing, which they are also doing whilst embracing our Heavenly Parents' Divine Love, thus they are doing their Soul Healing.

Early 1990s:	The arrest of the Caligastia and Daligastia soulmate pairs.
22 March 2017:	Negative spirit influence was blocked.
31 March 2017:	Angel assisted healing will become available upon the Avonal pair completing their own Feeling Healing, being with Divine Love, thus it being Soul Healing.
22 May 2017:	Law of Compensation quickening.
2 December 2017:	Psychic Barriers maintaining the Rebellion and Default were cracked.
8 December 2017:	Bring on the money to 'house the future of humanity' .
31 January 2018:	Earth and the seven associated Mansion Worlds (including the two Earth planes) are officially now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default.

How does this all fit into our future way of living?

This time, in the history of humanity, is the most exciting time ever experienced.

The whole human race is suffering from repressed childhood and mind control.

Through one's Feeling Healing, and should we embrace our Heavenly Parents' Divine Love, then with their Love we are doing our Soul Healing, and eventually we can live totally in accordance with our soul based feelings and live free from error – no more fear and no more physical illnesses is possible!

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

Our soul is always perfect. In fact, we are the complete package. All that we need to know is within our soul. This knowledge has been denied from us since the time of the Rebellion and compounded by the Default. That is what was brought upon us by the Lucifers and his cohorts. We have always been meant to live true to our soul based feelings but we were taught to embrace our error riddled mind – this was aided by our parents – unknowingly all parents have taught their children to be mind dominant. **This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

“Many people look for a person, spirit, angel, even God, for supreme guidance, however it’s all right there already built in – in our feelings. **Feelings** guide us through our **ascension of truth**. So they are really our Supreme Guides. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it’s there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: **Longing for the truth of our self, because: we are our feelings**. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.”

Kevin of the 1st Celestial Heaven 26 September 2017

(Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.)

It is through the assistance of the Spirits of Truth of the Avonal Pair, upon the completion of their Soul Healing, that we will be guided through our Feeling Healing process, and should we embrace our Mother and Father’s Divine Love, then our Soul Healing.

Then should we embrace Mary and Jesus as our Spiritual Teachers of Truth, their Spirits of Truth will lead us on the path through the Celestial Heavens where we will certainly meet up with our soulmate and join our soulgroup, which will eventually consist of twelve soulmate pairs. Then as a soulgroup, the Spirits of Truth of Mary and Jesus will lead us up through and out of Nebadon towards Paradise.

It is then our Mother and Father in Paradise who draw us to them and we will eventually meet our Heavenly Parents.

Meanwhile, while we live on Earth, we will have assistance and guidance previously denied to us throughout the era of the Rebellion and Default. Under the Contract controlling and managing the Rebellion and Default, the powers and capabilities of our Celestial Heaven spirit personalities, all three worlds of them, were heavily restricted and almost of no assistance to us at all. Further, Nature Spirits and our Angels were heavily denied contact with us physical people because of the Rebellion and Default, all of which is soon to change, so we can look directly to them for help concerning healing ourselves and understanding all aspects of nature.

As we embrace our Feeling Healing, Celestial spirits will and can greatly assist us. In fact, during the year of 2017 they have blocked all mind spirits from the Natural Love Mansion Worlds: 1, 2, 4 and 6 from interfering with us. Celestials have taken control of all facets of living and life on Earth. Celestials are those spirits who have completed their Feeling Healing and progressed through Divine Love Mansion Worlds 3, 5 and 7 and now live in the higher Celestial Heavens, 1, 2 and 3 (when we become At One with

our Heavenly Parents then we leave the Mansion Worlds and progress through the next three spheres related to Earth, hence the Celestial Heavens are also referred to as being numbered 8, 9 and 10).

The Nature Spirits of Earth, who live in the third Earth plane, can now directly interact with those who are embracing their Feeling Healing. Nature Spirits are essentially ‘angels in waiting’. They have been on Earth prior to anything that we now see living in nature. When they first started to arrive, there was no life in the seas or on land. They have consequently witnessed everything that has happened on Earth, including all prior human civilisations that we continue to largely remain ignorant of. Their knowledge and assistance is of great importance to us. We are to interact with them on an ever increasing scale. They are to become an invaluable source of information for us concerning how we are best to live with nature.

Further, we may become more aware of our **Indwelling Spirit**, which arrives for each of us during our sixth year, as we now progress with our Feeling Healing, or with Divine Love, our Soul Healing.

And all of this is possible as we embrace our Feeling Healing process, acknowledge and accept the Avonal pair, acknowledge and accept our Spiritual Teachers of Truth, namely Mary and Jesus, and more importantly, grow to love our Heavenly Parents, our true Mother and Father.

We do not need intermediaries, rituals, liturgy, dogmas, creeds, fancy clothing, or institutions. It is our soul based feelings and expressions that we may exchange directly with our Heavenly Parents. Groups may form to assist each other, and that is our choice and within our free will.

This is the greatest event in the history of humanity.

This is the Great U-Turn that humanity will embrace throughout the next 1,000 years. MoC 1,480

The RICHARD MESSAGES:**via James Reid****www.lulu.com****Wednesday, 20 March 2013****No.26**

Good afternoon Richard and all my very dear friends. The thought just crossed my mind that I really have no idea just who I am addressing with that! I heard your laughter. I will just be patient and wait until the time when it is appropriate for me to know who you are but I will make guesses at times. I thank you all for your presence and for your love which I am learning to appreciate more and more each day. I am feeling the nature of the focussed energy of a group with common desires expressed with love. I feel that I would feel overwhelmed if I were to face you now. The writing we did on emotions is very powerful and is producing very strong responses. There is much more for us to write about that. There is so much to write about basic human functioning as so much of what is known today doesn't incorporate all of the factors of living and largely ignores the emotional and spiritual aspects and really pays scant heed to the mental. I am reading the autobiography of a doctor who has explored what are called alternative healing approaches very widely and who has a lot of exposure to native wisdom. I know something about many of these things. I admire his width of experience and also feel that all of this information that contains aspects of Truth is compartmentalised, incomplete and fragmented. I can imagine an integrated and greatly simplified body of knowledge that covers the field. I believe that we are contributing to that. My mind boggles a bit when I wonder about how this comes together as it evolves. I do have faith that it can and will exist before too long. Actually, it must exist now and has done so for a long time but needs to be realised on Earth.

Good afternoon dear brother. Yes we did laugh when you commented on our identities and number. We are many and our numbers vary depending on need. As appropriate you will meet and some us you will meet in time as well. Thank you for your gratitude.

You are correct in your assessment on the body of knowledge about living. This knowledge is about living rather than about healing. It is appropriate to think it as about healing at present while the focus is on the return of humanity to healthy living where healing will be less necessary. Presently this information is held by those who profess to be healers by virtue of information and knowledge that they have. Some of these do realise that they have a sacred trust to share this information and many feel that they earned the information by hard effort and deserve rewards for their efforts.

Once again the issues that need to be considered are love and gratitude. When one gives freely of what they know they will be rewarded in many ways. This restricted holding of knowledge is a continuation of the old cultural systems where it was the accepted practice that knowledge of all types was best held by masters of that information who could guard the secrets, practise the craft and ensure that the knowledge was truly passed on to their students who would carry it forwards responsibly. Initially the holding of knowledge by masters was because there were only a few in the tribes with the capacity and wisdom to receive the knowledge and practise the associated crafts. These masters achieved special status in the tribes and gained power which was mostly used with wisdom and love. However, the situation arose where there came many who desired the status for self-glorification and power for control. This led to the prostitution of the knowledge which resulted, inevitably, in its degradation in many situations. This led also to the development of professions which served to be vehicles through which knowledge was passed and controlled and which also served as centres of power. The possession of power and prestige achieved a prominence which tended to dominate the search for knowledge. The professions became largely self-serving while still retaining a public profile and respect because they controlled the market for

what they provided. This led the professions to be susceptible to the influence of those who knew that they could exploit this 'need' for power and status for their own venal end. Progress and research then tended to be directed by financial interests rather than a true desire for knowledge. This leads to 'blinkered thinking' with a very limited ability or willingness to accept information from other than the 'approved' sources. Once more we have divisive beliefs that are strongly held and perpetuated. I speak generally above and do acknowledge that there are many professionals with love in their hearts and concern for the welfare of their fellows. Unfortunately even these loving people tend to suffer restrictions from their associates and the professional bodies to which they belong.

The society that humanity is moving towards is one in which there will be teachers who have the benefit of greater knowledge and wisdom and who will share this freely. Much more of this knowledge will be held within the body of the community and freely used. There will be masters in all arts but there will be many more participants in these arts for artistic living will be the order of the day. This will represent virtually the polar opposite of what exists today. All arts are ways of expression of energy in different forms each of which is creative in its own way. Such artistic expression is not yet seen to have the productive capacity that it has in Truth. Imagine how life could be if your needs of daily living were produced in the joyful, co-operative endeavour of artistic expression. The universe has the capacity to produce whatever is needed with vastly less effort than is used today. Even the most refined methods of production of material goods on Earth are quite gross and crude compared to what is possible. Imagine daily living itself and every aspect of it to be an art form! That will come to pass.

Yes we are in the process of presenting material that may be seen to present a coherent body of information on living. Much of what we present is aimed to open minds to the capacity to connect to the infinite body of knowledge that exists.

Mind is not in the physical brain. Mind exists in the spirit body as a function of soul. Whereas brain is seen as a computer and processing device it is more truly regarded as a part of the sensory apparatus of the body. The brain receives the sensory input from the senses of sight, hearing, taste, smell and feeling. In addition it is in itself a receiving apparatus that functions much like an antenna that is able to receive more subtle vibrations than the other senses. It can also receive input from mind as it exists in the spirit body. Through this antenna like arrangement the brain can accept input through mind from the infinite stores of knowledge. This capacity is developing in the human race and will be quite commonplace in time to come. The function of the body is dependent on brain function at the base level needed for the maintenance of life. This can continue while ever the so-called silver cord of the spirit body remains connected to the physical body. The brain is a wonderfully sophisticated device for processing, storing and synthesising information. It is not capable of thought and its sensory apparatuses only function completely while the spirit body is attached and function to the degree to which the spirit is attached. A person who has altered consciousness or another state where the spirit body is partly or largely removed from the physical but still remains attached has much less or no apparent sensory awareness. The spirit body does have full awareness through its sensory apparatus and this information may or may not be connected through the brain into what is regarded as the body of knowledge of that carnate person. This information that the spirit body gathers in such a state is, however, recorded and retained in the total body of knowledge of the being. This total body of knowledge is recorded in the soul.

Injuries to the central nervous system of the body whether they be congenital or acquired from illness or injury produce limitations of the function of the brain and the function of the physical body but do not

impact on the capacity of the soul, spirit and the mind. A soul incarnate in such a body does have a complete experience of life on Earth despite any appearances to the contrary. A soul in a disabled body is able to develop individuality and awareness. They have the capacity to give and to receive and to do so with gratitude or lack of it. They are subject to emotional adventures as are all others even if these may seem to be more or less intense. Such spirits when they pass are freed from their disabled body and do have the same issues as all other spirits to deal with. On passing they enter into groups of spirits who have similar soul states and the soul state is dependent on the emotional injuries and beliefs and not the physical disability. Humanity is in such a disturbed state that the influences on the health and integrity of all humans are very great. There are masses of unresolved emotional issues that are passed on generationally and socially that affect beings from the moment of the commencement of their incarnation.

People with brain injuries are capable of mind-to-mind communication and do often communicate in this way with others albeit usually without awareness. Mind is not of the brain. What is called human reasoning is dependent on the brain when the usual methods of communication are used. Reasoning is largely composed of processing information within the limitations of belief imposed on the being. These beliefs are acting on the spirit and soul but are having a much greater impact on the physical because of the strong current beliefs about the disability. Mind-to-mind communication can bypass many of the limitations of this. There are massive and largely fixed sets of beliefs about those who appear different from the accepted normal. Normal and average as applied are such offensively exclusive terms. A large part of the true capabilities and qualities of humans fall outside the limits of what is considered normal.

Much of the good and benevolent guidance that those in spirit give to those whom they guide is never processed as it is considered unreasonable. Much of the malevolent guidance given from spirit is acted on as it is considered reasonable within the belief system of the recipient. This accounts for the bulk of criminal and anti-social activity on Earth. This is the present state of evolution and, as such, is not to be decried or condemned but accepted with the realisation that it is part of growth. It could be seen as being similar to the acting out of a child or the rebelliousness of a teenager. These behaviours are actions taken against authority that is repressing the Free Will of humans. They are also taken as the expression of authority to repress Free Will. The behaviour that is seen as criminal is often created by the degree of repression that it acts against. Criminal behaviour is determined by the degree of lack of love that allows the criminal individual to have little or no respect for him/herself or for any other. Many social governing bodies see the necessity to declare war on such behaviour and they 'attack the problem'. So many wars have been created in the name of benefiting humanity or defending freedom. These are such travesties of truth. Attack of any type never solves anything. Our Father never attacks any being or, thing. Nor should we. The only effective measures are those based on giving and receiving of love.

When Free Will becomes respected as the gift that it is its expression will be allowed with increasing frequency. There is a great fear that chaos will result if all persons were allowed free expression of their will. Indeed this would result if that were to happen in an instant without underlying changes of awareness and spiritual growth having been made. There will even be chaotic episodes as these changes are occurring but the social awareness and conscience will be such that these episodes will be managed with love and accepted as part of evolution. When there is less to resist there is less need of resistance. True freedom is rare on the Earth except that which any individual has found for her/himself.

The great advantage of most of the more recent healing modalities is that they focus on the individual's own resources to accept and allow change in their physical body. That there are so many different

modalities is evidence of the open seeking that is occurring. Many are recognising the wisdom held by many ancient cultures. There needs to be wisdom in the application of this knowledge and the recognition that the societies of today are not the same as those of yesterday. It will often be necessary for careful study and use to find what is baby and what is bathwater. In these situations it is sometimes easy to see the bathwater as more important than the baby or indeed to know which is which. One needs to look for the similarities in the modalities rather than promote the advantages of the differences. I am a simple soul and promote simplicity for the Truth is simple.

The word healing means rendering something whole. Wholeness as applied to a human can be seen as meaning the balanced function of the physical, mental, emotional and spiritual aspects of a human within the context of her/himself and within the context of the human family and of the Earth. This is an all-embracing definition which is true and represents a state which is quite rare on Earth today. The majority of those seeking healing are seeking the removal of symptoms of disease or discomfort that indicate that there is significant imbalance in the being and often in the being's environment. The majority of those seeking healing are seeking another who will restore the desired freedom from discomfort by their presence of what they are seen to be able to do. There is no shortage of applicants for these positions. Some who present as healers believe that they have special powers or abilities and that they can 'make' another well. Fortunately there are many who realise that the best they can do is to assist another to direct their activities and beliefs towards a return to wholeness. Much attention is applied to individual discomforts or symptoms in the effort to heal and this often misses the main point of the disturbance causing the discomfort. The positive aspect of this search for healing is that it creates environments where gifts are sought and given and received.

If nothing more is done than the refinement of the methods of asking, giving and receiving and the gratitude on both sides of the gift equation much will be achieved. Ask without expectation but with gratitude for the ability to ask: give without expectation of return but with gratitude for the opportunity to give: receive with gratitude for the gift and the ability to receive. Accept, without judgment, whatever you receive as a gift. Give gratitude to Our Father for the ability to ask and to give and to receive. The request, the gift and the gratitude are one and inseparable.

Break now and go with our love and blessings.

Our Heavenly Mother and Father simply desire for us to ask for Their Love.

“Every day is a day of devotion.”

Please Mother and Father, may I receive Your LOVE.

God's Divine Love: Pray for it, ask for it, and receive it.

Our salvation IS the embracement of the Feeling Healing process and Divine Love.

TEN COMMANDMENTS became ELEVEN COMMANDMENTS during the First Century:

Revelation 23: Jesus explains the eleventh commandment.

I am here, Jesus:

I am here tonight to continue my messages of the Gospel truths, and I shall continue with John on what commandment I gave my disciples and how obedience to this commandment would bring what has been called the comforter; for in John 14 I said, as it is reported in the New Testament: ["If ye love me, you will keep my commandments."](#) ["This is my commandment, that ye love one another even as I have loved you."](#) And this statement meant that, as the Messiah, I was giving a commandment which was to be placed with, and above, the Ten Commandments of Moses; and this commandment was the Law of God's Love.

I told my disciples that they were to love one another, not merely that they were to love only themselves, but all mankind, for "one another" was a term which meant not for the circle of the disciples, alone, but for all people; and this love was to include human beings who despitefully used them, and they were to love their enemies as well as their friends.

And that love which they were to entertain for mankind was not the natural love given to all men at their creation by God, but the Divine Love which God had bestowed upon mankind with my coming; and this Love could be obtained by my disciples if they believed that it was available and that it could be conveyed into their souls through the action of the Holy Spirit.

This was the meaning of the very important phrase, "as I have loved thee." For it meant that I had loved my disciples with the Divine Love which God had implanted in my soul because of my longings for His Love, and that my love for my disciples and, I should add, for all mankind, was the Divine Love which was in my soul and which I had obtained from the Father. So that my disciples, and all mankind, could, by prayer to the Father, obtain the same Divine Love in their souls which filled my own. And this Divine Love was to be the Love with which my disciples were to love one another and all mankind.

This was the only commandment which I gave to my disciples, and no other, for I did not command them to drink or eat bread in memory of me, for such an act could have no merit in bringing the Divine Love into their hearts and could only be an act of veneration which I could not possibly have wished to impose upon my disciples; and this regardless of whether or not I thought death might be near. But I did say, rather ["and I will pray to the Father and He shall give you another comforter, that He may be with you forever."](#) And while I did not say this in so many words, or with those exact words, I simply meant that I would, as I always did, pray to God so that their souls would be opened up to the Divine Love, which is what the writer meant by the Comforter; and that this Love would continue to be conveyed in more and more abundance into the souls of my disciples throughout all eternity. I did not mean that I could pray to the Father to send His Divine Love to my disciples merely because of my prayers, but I meant that the

souls of the disciples would have to long for the Father's Love so that it could enter the souls that were in that condition to receive it.

I also said, ["If a man love me he will observe my message; if ye keep my commandment ye shall abide in my love, even as I have kept my Father's commandments and abide in His Love,"](#) which was another way of saying that those disciples who believed I was the Messiah and loved me would believe that my soul was an immortal one through the Divine Love and pray to the Father for His Love as the way to atonement with Him and immortality, which was the message I taught and which I asked my disciples, and all my hearers, to apply to themselves and actually pray, and the result would be that they would be filled with the same Love as I was and that we could thus have a mutual Love for one another in the same way that as I prayed to the Father and received more of His Love, I loved God more and more, and His Love for me was in my heart.

These writings from John are correct, in that they show that Love was the great subject of my teachings, but they do not explain the Divine Nature of the Father's Love towards His children, or the fact that I was filled with His Divine Love and sought to have my disciples obtain it as well, through the one way it could be obtained – through prayer. It does not explain that this Love with which my disciples were to love one another was something more than the ordinary love which humans have for each other, or the special nature of my love for them and humanity. But, if these interpretations are added, then the real meaning of these passages from the Gospel is made manifest.

I have written you tonight on the subject because of your desire to obtain confirmation as to the truths of certain portions of John's Gospel which needed explanation, and because you felt they were close to, if not possessing, the truth; and I shall come again and write you on more material in the Gospels which originally dealt with my teachings of the Divine Love before they were stricken out, or so mutilated as to be unrecognizable.

I think I have written enough for tonight, and so I shall say good night to you and the Doctor, and with my love and blessings to him and to you, I shall close and sign myself your friend and elder brother,

Jesus of the Bible
and
Master of the Celestial Heavens

From the above, you have an introduction to the lost teachings from the time of Jesus of Nazareth. Much of these lost teachings have now been made available to us via: “Book of Truths”, “Revelations”, and “Judas of Kerioth”. Upon reviewing these records you will find that all that matters is your ever growing relationship with your Creator, not the compliance to doctrines of any man made religious institution of which there are thousands to choose from, should you so please.

Golden Rule: that one must always honour another's will as one honours one's own.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to ‘our Mother and Father’. Further, when considering soul healing, then reference to Divine Love could be referred to as ‘Feeling Healing with Divine Love’.

INCARNATION and the SPIRIT BODY:

Revelation 20: Reincarnation is an oriental doctrine

<http://new-birth.net/samuels-messages/53-revelations/revelation-20-reincarnation-is-an-oriental-doctrine-ntr75/>

(This message is referred to as Revelation 28 on page 75 in New Testament Revelations of Jesus of Nazareth)

Received by Dr Daniel Samuels. Washington D.C.

March 10th, 1955.

I am here, Jesus:

I am here again to write you about a subject that has created interest among you, the Doctor and others, and that is the article on reincarnation. In the Padgett messages, various communications dealt with the falsity and absurdity of this Oriental doctrine, which holds that the human soul can reincarnate from one fleshly body to others in succession over periods of time and that as a result the soul has an opportunity to lessen its desire to sin and thus finally achieve purification while in the flesh.

If you will examine the question a little more closely, you will see the impossibility of the soul in the spirit world to be reincarnated in the flesh for the reason that the soul, for this supposed phenomenon, would have to shed the spirit body in order to enter into a mortal body, since the soul is encased in a spirit body which is physical in nature but not of a gross material of what mortals call the material world, and that spirit body, which is the envelope and protector of the soul, is that which gives the soul its individuality as a conscious entity and remains with the soul so long as the soul lives. In the spirit world no spirit body has ever been deprived of its soul, and no spirit body thus hypothetically divested of its soul has ever died or been disintegrated, or has disappeared from its habitat, except as it advances from one sphere to another while making progress either to the sixth sphere or spiritual paradise or to the Celestial Heavens and Immortality (spheres 7 and upwards).

As far as is known today by us in the spirit world, the spirit, that is to say, the soul and its spirit body, may live for all Eternity, if God so requires it, even if it does not possess the consciousness of immortality through possession of Divine Love, and it will certainly continue to live throughout all Eternity – the soul and its indissoluble spirit body – if it does possess the Divine Love, Immortality and At-onement with the Father.

As soul cannot be taken from, or torn from – or in any other way deprived of – its spirit body, once it has come to the spirit world, it would be equally impossible for the spirit body to enter the human body of another human being, for only a soul without a spirit body can enter a human body, and on the death of this body, the soul manifests its spirit body. The doctrine of reincarnation is, therefore utterly without foundation, for it is impossible, let me repeat, for a soul with its spirit body to enter a human body to be born again in the flesh.

When a human being dies in the flesh, his soul has already achieved under ordinary circumstances the purpose of his creation, that is, **individualization** and the creation of receptacles for soul's, and in his spirit body, in size, shape, appearance and nature, is the complete creation without the envelope of flesh.

This soul appears in the spirit world laden with the inharmonious of its Earth life, but since it has the opportunity of eliminating these inharmonious and becoming a purified soul in the spirit world through the exercise of its will and moral force and repentance, or becoming a Divine Angel through prayer to the Father for His Divine Love and Mercy, transforming the soul into the very essence of the Father, it is therefore absolutely unnecessary for the soul to go back to the flesh for another chance to purify itself, for the loving and merciful Heavenly Father had already provided a plan that would enable the soul – the real man – to attain purification, and here God showed Himself to be more merciful than He might have been had He decreed successive trials in the flesh for the process of purification, for man while thus seeking to purify his soul, would at the same time have to contend with the sinful influence of the flesh, and his ultimate purification would thus indefinitely be delayed or perhaps never accomplished until the very end of time. You can thus see that God has shown His Love for His created children by providing a way for them to be purged of their sins, while being free of baleful influences of the flesh, which would only hinder, and make more difficult, their tortuous progress toward purification.

As regards the sayings in the New Testament, the first thing is that I never had any thought of reincarnation when I asked my disciples, especially Peter, ["of whom do the people say, I am?"](#) for that question was formulated simply to have them state whether they considered me the Messiah, as some of them already did, although not in the spiritual sense or the exact understanding that I had brought immortality to Earth in my soul.

Again, you were right in thinking that I said: ["but I say unto you that it was one like Elijah is come,"](#) – and not – "But I say unto you that Elijah is come," for I did refer to John the Baptist, who in his type of sermon and in his temperament, and even in his garb and food, was a throw back to Elijah, – but here the similarity ended, for each of these lived different lives, and are individual souls and are both living in the Celestial Heavens at the same time, and this is a physical impossibility with reincarnation, for, in this doctrine, if Elijah was John the Baptist, only one soul and only one spirit body would be involved.

The child born blind did not sin, nor did its parents, but suffered blindness because of the physical defect in his mother, which prevented the perfect development of the foetus in her womb, and thus this defect has prevented the perfect manifestation of God's work of creation. This defect is one of many to which the imperfect world of the flesh is subject, and it is for this reason that purification of the soul while in the flesh would be a task of countless centuries, and a punishment worse than the most evil hells of the spirit world in its duration. The quotation from Revelation, chapter 3, verse 12, ["He shall never more go out", referring to the "Temple of my God"](#) is an allusion of the soul possessing the Divine Love, to such a degree that immortality is a conscious possession, and its home is forever more the Celestial Heavens, although, the writer, himself, understood very little of this, and had in mind a purified soul, and not a Divine Soul, with its habitat in the sixth sphere.

Jesus of the Bible and Master of the Celestial Heavens

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

INDIVIDUALIZATION of the SOUL – the REAL YOU:

<http://new-birth.net/padgetts-messages/true-gospel-revealed-anew-by-jesus-volume-2/luke-incarnation-of-the-soul-vol-2-pg253/>

January 13, 1916 –

Book of Truths published by Joseph Babinsky

I am here, Luke -

I want to tell you tonight of the mystery of the birth of the soul in the human being.

All souls which enter into mortal bodies are, previous to such advent, real, living existences, and made in the likeness of the *great soul*, though not having the qualities and potentialities of that soul, and also, not having the form of individualized personality that they have after they become parts of the composition, or form, of the mortal and spiritual bodies of human beings.

The soul, in its existence prior to becoming an indwelled in the mortal body, has a consciousness of its existence and of its relationship to God and to other parts of the great soul, and more especially of the duplex character of its being; and by this I mean the sexual differences in the two parts of the soul, which, in the way that they are united, constitutes the one complete soul.

When the time comes for this soul to become an indwelled in the mortal frame, the two parts that I speak of separate, and only one of the parts enters at the same time into a mortal and never into the same mortal. And while this separation is necessary for the **individualization** of each part of this one complete soul, yet the two parts never lose that interrelationship, or the binding qualities that existed before their separation, and which continue to exist thereafter, and in the great future, after the work of **individualization** shall be completed, will come together again and reunite in a complete one.

This separation may exist a longer or shorter time, depending upon the similar development of those similar qualities that is absolutely necessary in order that this coming together in the original one, as it were, may take place.

While, as I have said, this soul before its separation has a consciousness of its existence, and when its duplex character leaves it, or rather leaves the two separated parts, and thereafter, until its re-entrance into the spirit world, does not again return to these parts. But in order to regain this consciousness, it is not necessary that both of these parts at the same time shall come again into the spirit life, for if one part becomes a spirit, free from the physical body, and the other part remains in the mortal body, that part that comes into the spirit world may receive the awakening to this consciousness, depending upon certain conditions and developments.

It often happens that both these parts will return to the spirit world, and yet, for a long time, live as spirits without having a restoration of this consciousness, because of various reasons that may exist. The conditions of the development of the two parts may be so vastly different that the realization of this consciousness may be wholly impossible. And very often it is the case that when these two individualized parts are informed that they are the soulmates of each other, they will not believe that information, and will live on in utter indifference to the fact.

But ultimately, the consciousness of their relationship will come to them, because their development, no matter whether intellectual or spiritual, will tend towards the awakening of this consciousness, which is always present with them, although dormant.

Now, as to what this soul is in its constituent parts or shape or form prior to its separation for the purpose of becoming an inhabitant of the mortal body, we spirits are not informed and do not know. We are often present at the conception, and also the birth of a child, and realize that a soul has become enveloped in the flesh, but we cannot see that soul as it enters into that home of mortal environment, because as to us it is invisible and has no form; but after its lodgement in the human body we can perceive it and realize its existence, for then it assumes a form, and that form varies in different incarnations (the incarnations in different humans).

We have never seen the soul of God, although we know that there is this *Great Oversoul*, and hence we cannot see the soul of any image of the great soul until it becomes, as I say, individualized.

I know that men have often wondered and asked the question as to the pre-existence of the soul that has been incarnated, and what qualities and attributes it had during its pre-existence, and as to these particulars I wish to say, that we spirits, although we are inhabitants of God's Celestial heavens, have little information, though we know that the soul, and I mean the complete soul in oneness, has an existence prior to its becoming individualized. You may ask how we know this. Well, it will be hard to explain this to you, so that you may comprehend, but this I can say, that we spirits of the higher soul development can, by our soul perceptions, understand the existence of these souls as images of the great soul, and the qualities of these images are such, that while we cannot sensibly, as you would say, see these souls or their dualities, yet we are conscious of their existence. To use an illustration, that is not altogether appropriate, you understand that the wind blows, yet you cannot see it.

And we further understand, and such is the result of our observations, that when the soul, and keep in mind that I mean the two parts when I say soul, once becomes incarnated and assumes an **individualized** form, it never thereafter loses that individuality, and hence, never again returns to its condition of pre-existence, and can never again become reincarnated in the existence of any human being.

There is no such thing as reincarnation, and all the theories and speculations of men upon that question, which conclude that a soul once incarnated can again become incarnated, are wrong, for the incarnation of a soul is only one step in its destined progress from an invisible formless existence to a glorious angel or to a perfected spirit.

A soul in this progress never retraces its steps – it is always progress, though sometimes stagnation takes place – but continues as an **individualized** spirit until it reaches its goal in fulfilment of the Father's plan for the perfecting of His universe.

This is a subject that is difficult of treatment for several reasons, among which is the fact that we spirits, no matter how high our attainments, do not have the information in order to give a full and complete description of the soul and its qualities prior to its incarnation, and you mortals are not capable of comprehending the full truth as we may try to convey it to you.

I have made this effort to give you some faint idea of the soul, as you are in good condition tonight to receive my ideas, but I realize how inadequate my attempt has proved to be.

But from it, you can understand that the soul has an existence prior to its finding its home in the physical body, that it is duplex and has a consciousness of the relationship of its two parts, that after it has received the experience of the mortal life and received an individuality, it returns to the spirit world, and that at some time that consciousness will come to it again, and the two parts will become one, unless in the development of these separate parts have arisen barriers that may prevent their reuniting. And further, that this soul will never again retrace the steps of its progression and become reincarnated.

I will now close, and with my love and blessings say goodnight – Luke

SOUL CREATION

When God gets busy on something, She does a lot of it!
Souls, being thoughts of God, are ready for incarnation in their billions.
These souls are at the level of the 6th sphere in a natural love state, however, they are not within the 6th sphere perse.
These souls are not conscious of themselves in this state.
Prior to incarnation, they do not express free will.
They have an instinct to incarnate.
Incarnation of the two soul halves, male and female aspects, typically occurs within a 5 or 6 year time frame, however the timing may be 20 or 30 years apart.
To become conscious of self, you must incarnate.
The soul half that incarnates is the one most suitable for the characteristics and character of the attracting parents.
Upon incarnation, one's soul condition adjusts to reflect the soul conditions of those around it, typically reflecting closely the soul conditions of one's parents.

INCARNATION

Soul does not know sexuality

Soul connects via cords of light to two spirit bodies that it manifests. Spirit bodies are templates for physical bodies, male and female.

Soul in original state – in God's image.

Male / female segments of soul.

Male / female segments NEVER separate.

Soul halves seemingly moving towards being incarnated.

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are a son and daughter of God.

Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.

Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.

When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon us by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

HUM

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
We are to long for the truth of what we are feeling.
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

WE ARE Children of God

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

HOW TO GET TO PARADISE:

Long for the Divine Love
 Long for the Truth
 Long for the truth of your feelings
 Don't deny any feelings: accept, express and want to know the truth of them
 Know your feelings are the key; your feelings are the Way
 Want to end your falseness and being untrue
 Want to understand the truth of your early life
 Use your surface feelings to move deeper into yourself, bringing up your repressed feelings
 Want and long to know the whole truth of yourself
 Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
2. **ETERNAL SON (ES) – Divine Truth**
3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS (MF) – Love – the Living Truth**
2. **DIVINE MINISTER (ID) – Mind (and her Holy Spirit)**
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR – the Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS – they do not incarnate**

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mnsion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

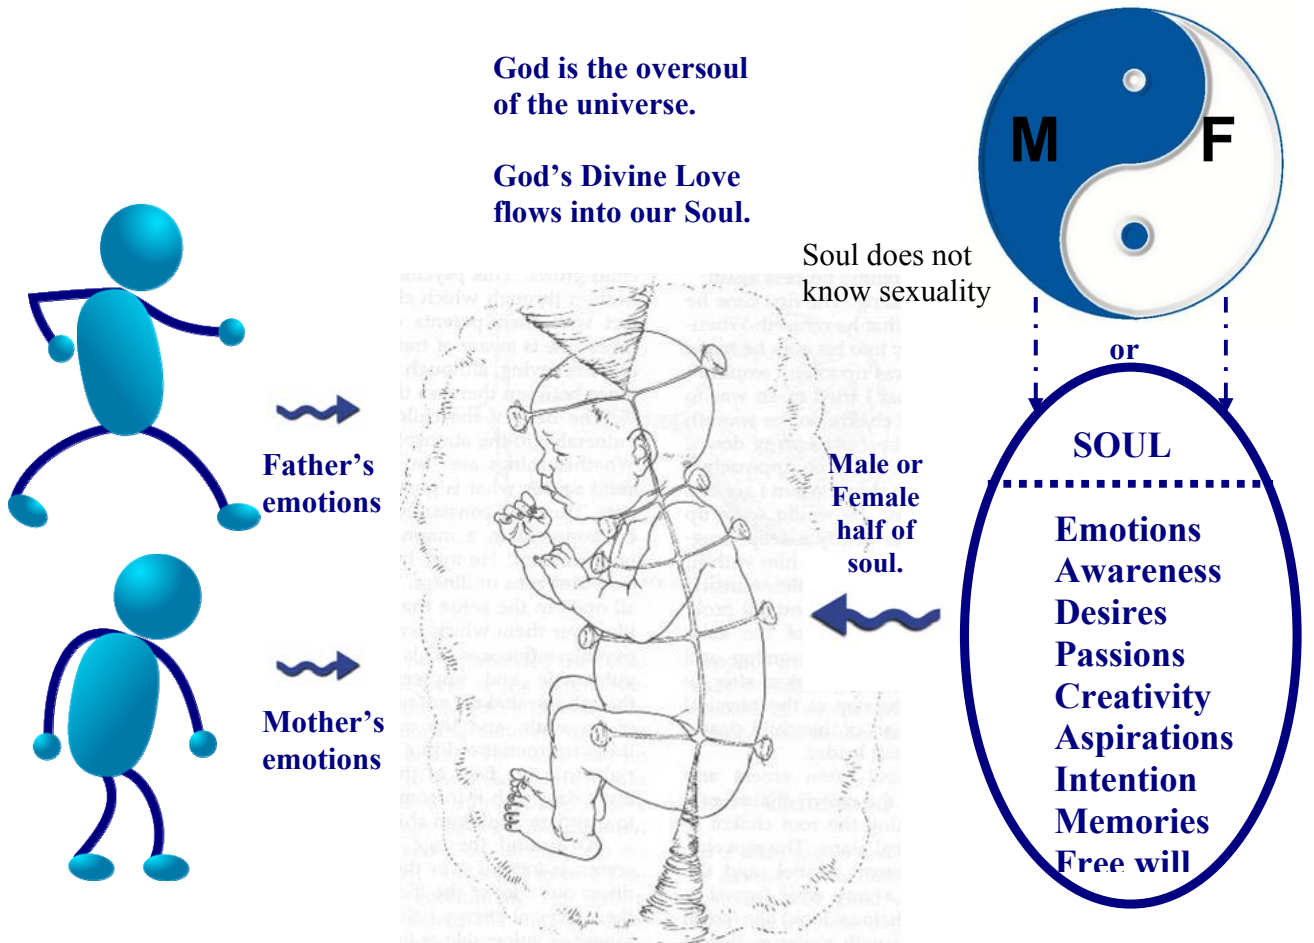

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective

Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

OUR EMOTIONS REFLECT THOSE of OUR PARENTS and OUR ENVIRONMENT:

Emotions flowing to unborn baby, then born baby, from those around the baby.

Our Personality is a feeling of God, thus creating our unaware Soul.

At conception, our unaware personality (soul) forms both a spiritual body and physical body. Incarnation / conception starts the road of self discovery, children reflect parent's emotions, which includes their ancestors, and also, of those around them. Parents attract us to incarnate.

The EXPERIENCE of LIFE by the BABY in the WOMB:

From the time of conception an infant is sensitive to the presence or absence of love as feelings of comfort or discomfort. One feels good and the other doesn't. This child has no idea how to seek love as it is completely subject to its environment and knows only how to respond to the way that it feels.

These early experiences of love have a great impact on a child as the child is self-focussed and has no concept of others outside itself. Its immediate environment is its world in which it has begun its process of individualisation and development of its personality qualities. The prime sense to which it responds is its sense of the presence or otherwise of love.

This is very basic but remains the most important sense for a human throughout its life. This may seem strange until you really think about it.

All of the most important responses a human makes are based of feelings and the most important feelings are those related to love because these are totally basic. Whatever supposedly sophisticated devices of discernment are overlaid on this, the basis remains the sensitivity to love.

You begin your life with natural love and it is in the context of this love that you live most of your life. In effect it is the main environment in which you live and function and your awareness of it depends on the love that you feel within you and which you express rather than the love expressed by others. You appreciate the love of others to the degree that you allow yourself to receive it. If you are closed to the love of others you will not attract it. Giving and receiving are inextricably entwined and can never be separated.

AS HUMANITY GROWS in LOVE, NEW TECHNOLOGIES may be RELEASED TO US from the SPIRITUAL REALMS:

Consider **Keshe Foundation**:

Water-based Health Technology January 25, 2011

http://pesn.com/2011/01/25/9501751_Update_on_Keshe_free_energy_and_healing_initiative/

In looking toward space flight, the Keshe Foundation has also been thinking about how to handle health conditions that might arise during a flight. Since on a long flight, a craft could not possibly contain all the needed medical supplies using conventional methods, the foundation wanted to devise a way to heal people that does not involve medicines and vast equipment.

They have thus developed [health technology](#) that involves the entrainment of water that has healing properties.

"...We have learned the real process by which the human body works in its real term plasmatic, nuclear and atomic structure; and the use of these systems and processes are very simple."

The method is quite simple. A person is analyzed, either by coming to a clinic, or by sending blood and/or tissue samples; then a device is adjusted to address the problem, and the device is sent with the patient. A glass of tap water is set successively in a "box" within the device where it is entrained, and the patient drinks the water.

The water can't be shipped. It has to be used soon after entrainment.

They have had around 400 people use this method, with positive results in conditions ranging from cancer to M.S., but is especially good in restoring neurological function, such as in epilepsy, lupus, or even coma. Keshe himself said he had an enlarged liver problem that was cleared up using this approach, restoring him to "the condition of an 18 year old," according to his doctor.

He said that the physician who has worked with the American cyclist, Armstrong, has been supervising his coma and MS volunteers using this approach.

It is a bit pricey, depending on the condition; but averages at around 3,000 Euros. M.S. cases are typically around 9,000 Euros.

They are presently launching a clinical study, looking for 1,000 volunteers, 500 with M.S., and 500 with fibromyalgia.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

Other Applications

The applications of the technology can be used to solve the world's most urgent problems.

Energy: With this technology it is possible to produce batteries and plasma power generators of up to 10 Kilowatts that need no fuel and thus provide clean and cheap energy.

Transportation: Plasma reactors with double magnetic fields generate magnetism and gravity and can lift vehicles or ships. Also space travel under conditions similar to those on Earth will be possible.

Environment: Using the parallel magnetic attraction principle our systems can decontaminate chemical and nuclear leakage and can clean up CO₂ emissions efficiently while creating clean water.

Other Applications: In 2005 patents were filed for over 300 applications of this technology, such as the creation of conductive materials for industrial processes.

NEGATIVE EMOTIONS are UNINVITED PLASMA FIELDS:

Unhealthy and negative emotions enter our soul as uninvited and unwelcome plasma that then proceeds to disrupt the energy flows of the spirit body which is the template for the physical body.

This plasma fields or balls can grow in size should they be fed with more and more of the same or similar negative emotional energy. A plasma field can collect energy from released and projected emotions from time to time.

These emotional injurious plasma fields are first attracted to specific organs that reflect the energy of specific emotions, the plasma field can then proceed to lodge anywhere within the bodies of the spirit and physical. Thus, an emotion of the heart may subsequently reside within the stomach region, both inside and protruding out there from.

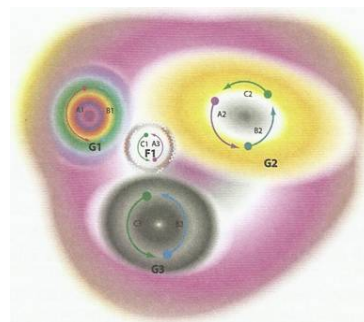

Initially, the injurious uninvited emotional field, being plasma, may be extremely small, however, if allowed to fester and grow by drawing on the negative emotions of those within your environment, the energy field may grow and grow in size from that of a mere pin head to the size of a melon. This progression could take the time from very early childhood to one's senior retiring years.

As all plasma consists of magnetic and gravitational fields, once your intent is focused upon it, firstly recognising its existence, and then focusing your intent for it to be removed, the magnetic field can act in your favour. With the introduction of even a marginal amount of additional magnetic energy, by way of Reiki or by the passing of a small magnet down your meridian, then the dislodgement of the emotional plasmatic field can be achieved.

We are all energetic magnetic beings. The interference to our physical body's template, which is within our spirit body, can readily occur. The transfer of the disruption to the physical body is generally very slow, however, it can be very painful and damaging over the long term.

The extraordinary capabilities of the spirit body are extensively dumbed down and throttled back when it comes to the functionality of the physical body. The spirit body has all of our physical five senses, however, in much greater capacity, as well; the spirit body has maybe a dozen senses in all. Our physical existence is like being on training wheels for our incredible experiences to come within the spirit worlds.

“If cancer was not in our “energy”, then it was not in our reality. If feeling good about ourselves was in our energy, then our reality would be positive.” – Anita Moorjani

INVENTIONS GENERALLY:

Observations from interviews with more than 1,000 inventors:

Each innovator or inventor who had developed an apparatus or device that uniquely had at least three phases of growth in design innovation, it was observable that such inventor was spiritually sensitive. That is, he / she was able to channel the technology, being assistance provided by spirit people.

This is particularly probable when there is rapport between the physical person and the developer of the technology from within the spirit world. A developer of technology here in the physical realm must have a passion and great desire to bring about a set of new inventions and also be able to develop a rapport with the party that is within the spirit realms that had been and continues to develop similar technologies.

Common observations is that the inventor here in the physical world could 'see' the finished product, often then proceeded to build prototypes before preparing drawings of the design. The inventor was shown the end product as it exists within the spirit world.

Upon considering the Keshe Foundation technologies, this is a major step forward. It could be said that such technologies would have been withheld from humanity due to its historical over-arching tendency to apply such developments for absolute military purposes. As you may review the Keshe Foundation activities you will notice that the USofA government appears to be doing everything possible to frustrate the free distribution of the Keshe Foundation technologies to all people around the world.

It is only with the free distribution of such major developments that such technologies will be progressively introduced to humanity from the spirit worlds.

You will find within the Book of Truths several references to explanations of technologies that existed a long time ago where the scientist from that time still was being restrained from sharing how the technologies work, such as the building the Great Pyramids of Gizeh.

Should one ask one's spirit buddies, it is most likely that you will come to understand that Mehran Keshe, since the age of about 11, has been continually assisted by a small army of scientific people from within the spirit realms to bring about the introduction of these innovations. Further, that support has always been on the understanding that Mehran Keshe would ultimately make the technologies available, without restriction, around the world, which is what he is now doing.

Independent power units, such as those proposed by Keshe Foundation, can enable universal education. Impoverished communities without reliable power supply, or even very expensive power supply, can now connect to the world wide web and participate in remote area education programs delivered from anywhere on the planet. Education is the start of everything. Without education, we are frozen in growth, growth in love.

A girl with only two years education will most likely have more than seven children. A girl with ten years education or more will most likely have only two children.

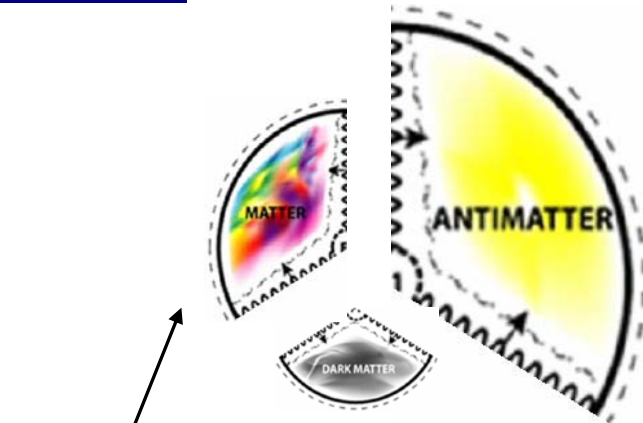

The PHYSICAL WORLD is the only REALM where PROCREATION OCCURS:

A newly individualising soul is just a tiny invisible spark.

The life force for the spirit body and the physical body is via the soul. The soul is connected to the spirit body via cords, and in turn, the spirit body is connected to the physical body by cords of light. Should the cords between the spirit body and the physical body be disconnected then the physical / material body dies. The physical body is like our starting point for learning and experiencing our being. Our learning and growth experience then continues through the existence of the spirit body.

LIFE OPTIONS:

Soul

Your soul blossoms and your physical life and spirit state are ones of beauty.

The building blocks of our physical / material body consist of plasma which is an endless array of the three fundamental aspects of plasma, called matters. Matters consist of matter, antimatter or principal matter, and dark matter or transitional matter.

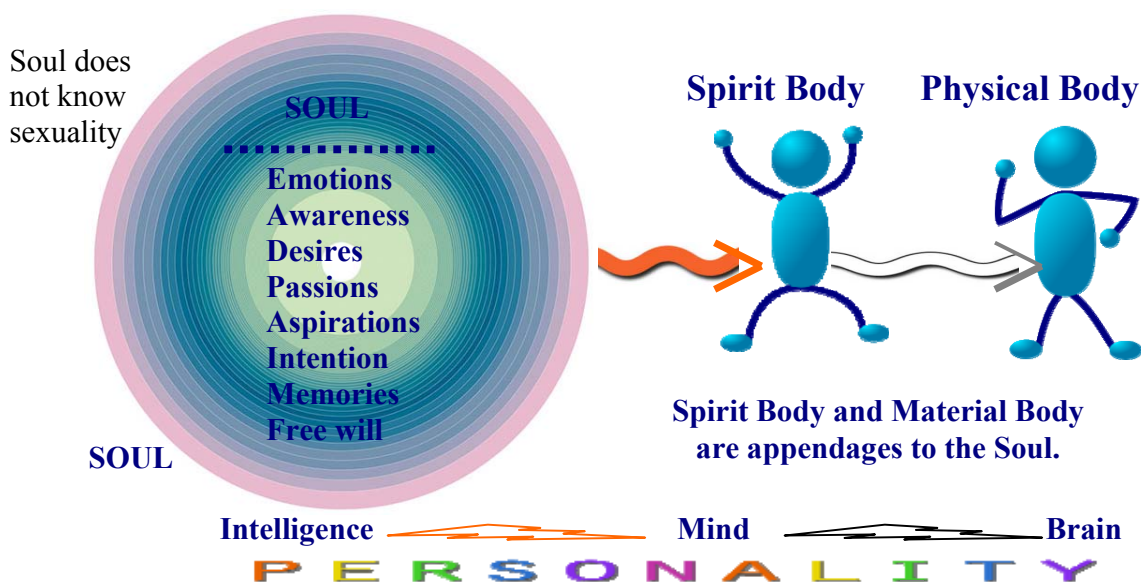

As we allow negative or man made emotions dominate our soul, that is, emotions that calibration 200 or less, we are retarding our essence. The quality of our life and health is degraded. Dark matter restricts the flow of light and our ambience is suppressed.

As we grow in love and embrace emotions of love, antimatter or principal matter dominates our soul and essence. Our physical health is generally excellent and our quality of life exudes with pleasure and joy. Light floods our being and our ambience is one of brightness.

Encrusted Soul:
Soul condition being in a very poor state.

**Our Personality is a feeling of God, thus creating our unaware Soul.
At conception, our unaware personality (soul) forms both a spiritual body and animates the physical body. Incarnation starts the road of self discovery, children reflect parent's emotions. Parents attract us to incarnate.**

The densest form that we exist in is in the physical body. As we progress along our journey we progress to ever finer states, however brighter states. Whichever state that we may be in, we cannot see those who are within a finer state. While we are in a physical state, we rarely can see another's spirit body, let alone our own spirit body. Those who are within the spiritual realms cannot see a spirit person who is within a sphere higher in love than the one that they are dwelling within. A spirit person cannot see one's soul until they have entered the 8th sphere, which is the sphere where one becomes at one with God.

Most spirit people who live within spheres 1 through to 6 tend to believe that their spirit body is their soul, mainly because they cannot see souls. Further, most who follow natural love teaching and have progressed to the 6th sphere tend to believe that there is no further possible advancement and that they are at the pinnacle of existence and that they are god.

We, in the physical world, tend to accept that there are three states, solid, liquid, and gaseous. We do not have fine enough scientific instruments to realise that there is an ever increasing series of progressions beyond gaseous into finer, lighter and brighter substances. As we grow in love, we progress into these lighter and brighter states. Such states and worlds only becoming visible when we grow in love sufficiently to take such steps.

We can always re-visit denser spheres or worlds than the one we have progressed into, however, we cannot enter or see spheres or worlds that are finer and brighter than our condition allows.

Once you have left this physical world and experienced the wonders of the spirit world, even at the 1st sphere level, you will most likely never desire to return to the cumbersome nature of this physical world.

Our memory and intelligence are housed within our soul, our mind is housed within our spirit body, and our brain is within our physical body. Our soul animates the spirit body which in turn animates the physical body. It is the disconnection of the silver cord between the spirit body and the physical body that results in the death of the physical body. The spirit body, which looks much like the physical body, goes on living. Emotional injuries become blocked within our soul, such injuries are reflected through the spirit body and then into the physical body as illnesses.

Our physical world is to achieve the individualization of the soul. To start your soul on its journey. Once you incarnated, you never have to experience that event ever again.

Only within the physical / material world does procreation occur. The incarnation process is the individualisation of the soul. Once that has been achieved, you never have to repeat the process.

The soul does not know sex. As you journey within the spirit realms, the spheres 1 through 6, you become to understand that procreation and sexual activities no longer exist. As you move beyond the 1st sphere (Earth planes) in the spiritual realms, you find that your spirit body does not have sexual organs as your journey no longer involves the natural love engagement of sexual activity.

A far greater and prevailing natural love does emerge and that is the attraction that comes into your focus for your soulmate. As you grow in love, be it natural love or Divine Love, when you enter the 5th sphere, your attraction to your soulmate, the other half of your soul, becomes self evident. Upon entering the 5th sphere, the cord connecting you to your other soul half becomes visible.

Soulmate love is not a natural sexual love engagement. Soulmate love is profoundly different and grows with you as you progress into ever higher spheres of love. Soulmate love is the highest form of natural love.

Book of Truths (Padgett Messages)

<http://new-birth.net/padgetts-messages/true-gospel-revealed-anew-by-jesus-volume-2/jesus-the-individualization-and-incarnation-of-the-soul-vol-2-pg232/>

Man's existence in the flesh is only for the purpose of giving his soul an individualization, and all other apparent objects are only secondary, as you may say, accidental accompaniments of this process of individualization.

Hence you will observe that this great object is accomplished equally in the case of the infant who dies young and in the case of the man who lives to a ripe old age; in each case the object of the soul's incarnation in the flesh is effected. The old man, of course, has his experience – a longer and more diverse existence in meeting and over-coming or submitting to the exigencies of his living than does the infant, but the great object is not more perfectly accomplished in the one case than in the other.

The soul becomes individualized the moment it finds its lodgement in the receptacle prepared by the laws of nature in using the human father and mother as its instruments, and time thereafter does not influence or have any determining effect upon that soul so far as its individualization is concerned; and neither does eternity, for that condition being once fixed never can be changed nor annihilated, so far as is known to the highest spirits of God's heavens.

Of course, the soul as thus individualized is subject to the various influences that surround it in its mortal life, and these influences may be retarding, deadly or destructive to the progress of the soul, but cannot possibly affect the object obtained by that soul's coming into the flesh or ever require a new individualization of that soul. Its identity and character, as an individualized thing are established, and no condition of the soul as to its goodness or badness can ever, in the slightest degree, affect this character or identity. The soul once **individualized** always remains the individual, even though the elements that enter into and make up the form will always find itself being rebuilt and continued by the operations of the law that preserves the individuality of that soul.

Then, I say, the object of the incarnation of the soul is to give it an individualization, and this in two appearances: First, in that of the physical form which men by their perception of their natural organs of sense can perceive; and secondly, a form that is more sublimated and generally invisible to these organs – a spiritual form.

At the moment of incarnation the soul takes the form which has been prepared for it by the forces that exist in the parents and retains that form during the natural life; and at the same moment there is created for it or attracted to it, the form of the spirit body, which then and ever afterwards remains with it. Both of these bodies are of the material; one of the visible material of the universe, the other of the invisible but still of the material.

As you know, that body which is made of the visible material lasts for a little while only and then disappears forever, while that which is of the invisible, and which is more real and substantial than the former and exists all the time of the existence of the visible, continues with the soul after the disappearance of the visible body; and while changeable in response to the progress of that soul, yet the spirit body never in its composite form leaves that soul. This we in the spirit life know to be true, just as

certainly as you mortals know the truth of the existence of the physical body. And as you mortals may in the short space of the life on Earth identify the man (which is really the soul) by the appearance of his physical body, so we in the spirit world identify the same man by the appearance of the spirit body, and so this fact must be forever.

JUDAS of KERIOTH

May 8th, 2002

The spirit body, as I have explained previously, is composed of a different kind of matter, “finer” or more “ethereal”. The fact that its aspect reflects the condition of soul is a clear indication that the soul influences largely its formation, and even more, the soul is indeed the creator of this body, which covers it and provides it with the characteristic of individuality. **The formation of the spirit body begins in the moment of incarnation of the soul in the foetus, incarnation which only takes place should there exist a high probability that the spirit of life has found in the new organism a stable biological structure, allowing it to carry out its life-giving function.**

The soul, lastly, is man’s only part that resembles its Creator. This is why we also refer to God as the Great Soul or the Oversoul.

JUDAS of KERIOTH

August 8th, 2002

The spirit body is the thought of our soul; it is its materialized manifestation. Therefore, it will be very easy for you now to understand why higher spirits have the ability to evaluate the condition of soul of lower spirits — without being able to actually visualize those souls — but that it does not work the other way around, since, just as the higher spirits’ thoughts are unfathomable for lower spirits, likewise their materialization in form of the spirit body is inaccessible for them. They describe it as a “bright light,” unable to grasp its true nature.

EARLY DEATH of the PHYSICAL BODY:

Conception is the moment of individualisation. So what is the process for those who do not achieve physical child birth? What is the process of progress for those who die during early childhood?

The facts suggest that approximately between 50% to 60% of individualized souls, those who have incarnated at the moment of conception make it to adulthood.

Should a conceived child not survive pregnancy, even if the fetus miscarriages within a day or so, the soul and spirit body are cared for within Summerland, which is the highest plane of the first sphere.

The growth and development of the spirit body, once released from the physical body, is very much faster than what is observed with a physical baby.

The infant spirit person, though cared for by Divine Love spirits / angels, has free will and can choose whether to follow a life on natural love or a life path way focused on Divine Love.

Even though the soul of the newly conceived baby may have had a very short physical existence, the emotional burdens of its parents would have significantly been absorbed by the soul of the baby. This quickly lowers the condition of the baby's soul from the pristine existence prevailing in the 6th sphere from which it emerged from.

The emotional conditions of a child's environment, principally its parents, progressively are absorbed by the child until it achieves independence from same at around the age of seven.

Our opportunity to learn and grow in love is readily available to tiny infants who enter the spirit world early, as it is for all of us when our time comes to separate from the physical body.

The Twilight Zone and Summerland

Judas of Kerioth

<http://new-birth.net/contemporary-messages/messages-sorted-year/messages-2001/the-twilight-zone-and-summerland-hr-8-sept-2001/>

Received by H. R. Cuenca, Ecuador

September 8th, 2001

My dear brother, today I (Judas) come to continue with my description of the Earth planes. Before the digression, when I let you know a little bit about the meaning of the word "light" in the spirit world, I told you how I passed from my hell to the region called the twilight zone. I also informed you that this is the most populated area in the spirit world, and that the great majority of spirits start their trip to their perfection at this place, to perfection in natural love or in Divine Love.

It is really a very attractive area for many spirits. There is neither cold nor excessive heat, people live in freedom, there is neither dominion nor slavery, spirits there don't need to worry about how to earn their living, because as you already know, spirits don't need to eat, their clothes don't wear out, in short, it is an environment of freedom and happiness. That is why many spirits stay there for many years, happy with their situation, which in fact in the great majority of cases is much better than the condition in which they had to live on Earth.

I told you that in spite of this marvellous situation there is still a great deal of negativity in this area, which expresses itself through gossip, small differences of opinion, anger, etc. But the same things exist on Earth so therefore spirits don't find these very annoying. It is the kind of world to which they are accustomed.

The level of ignorance can be awful. And I'm referring to spiritual ignorance. Of course, the believers of the various churches continue in their same beliefs that they cherished on Earth, the materialists wonder what had gone wrong, because they continue living. The question that is uppermost concerns whether God really exists, and all related discussions.

Ignorance is also expressed in other ways. I have told you how dark spirits from the deep hells visit Earth, in order to satisfy their addictions and perversions, or simply to cause evil. The spirits of that hell where I lived don't usually visit Earth frequently, because more than evil, it is shame which constitutes their dominant motivation, and they spend most of their time worrying about their recollections and stuck in their thoughts during most of their stay. But the inhabitants of the upper areas of the Earth planes, yes, they usually do visit Earth frequently. They are the kind of spirits that we call "earth-bound." They are still interested in the life of their relatives, they like to communicate in séances, and they like to give their opinions and beliefs, presenting them as the absolute truth and the most advanced knowledge of the universe.

You remember that you once read how a spirit materialized in a séance, offering his hand for greeting. When one of the participants wanted to shake his hand, this suddenly deformed, as if dripping away. The participant was scared to death, and the spirit went away laughing. This is a typical case of a mischievous spirit. This kind of spirit is not evil, but very immature, naughty and badly behaved, like those similar characters on Earth, very attached to material things and the small pleasures which he may enjoy.

There is another kind, those who try to indoctrinate people with their opinions. If they imagine God as some supreme being full of wrath and vengeance, they present Him that way, and in order to give

authority to their messages, they assume Jesus' name or they even say that they are God Father. They don't do this for wickedness, but because they try to help people, but they are like the blind who wants to guide the blind. Yes, you are right, this is what happens in Vassula Ryden's case. Therefore I repeat, it is necessary to read all messages from the beyond with much care. If you don't feel love in them, be careful. They will surely come from poorly developed spirits.

What spirits enjoy most in the twilight zone is that they no longer need to work in jobs they don't like, but rather find the opportunity for developing their inclinations and to live happily with the task that they have chosen for themselves. There are many who don't know what they really want, but it is there where they learn how to recognize and to appreciate their natural gifts, which all mortals and spirits possess, although they may not know them.

Even when this area is extraordinary attractive, the spirits soon find out that there is something better, which they even may visit and learn to know. And through their activity and development in the twilight zone, there comes the time, sooner or later, of leaving and heading for a new destination.

This new place is called "Summerland" in the spiritualist literature. They describe it as the third sphere, but this is not true. It is part of the Earth planes, the highest part, but it is still a very material region, in its environment as well as in the mentality of its inhabitants.

The biggest surprise, which one finds there, is the great number of children that live in Summerland. Let's continue using this name, because it is a very appropriate description. The presence of children is due to the fact that they arrive there when they die prematurely. They did not live long enough to acquire bad habits or deformations of their souls due to a bad style of living. They are pure souls, but not developed, and Summerland provides them with an ideal atmosphere to develop and to start their progress. We have already discussed that there are certain specially selected spirits who take care of them and give them an appropriate education. They show them the way to the perfect man, and also the Celestial path, and the children, when growing up and developing, are allowed to decide freely later. The babies' growth and development is much quicker than on Earth, because they don't depend on material bodies, and the soul's capacity to grow is much superior.

This country is really a land of summer, or of eternal spring, with pretty landscapes, with beautiful cities and beautiful villages, a place for any taste or desire. And there is something very special to it.

As I have told you, the spirits of the twilight zone are already able to improve a great part of their spiritual bodies' defects; they look like people on Earth, more or less. The aspect of the spiritual body, as the reflection of the soul's condition, is due to the creative forces of the soul. In Summerland these forces increase. The spirits still cannot control them, but they can unconsciously through their desires direct the development of their bodies. That is why they look really beautiful. It is a pleasure which they enjoy for quite some time, but little by little it loses its attractiveness.

Imagine that you have a tremendously muscular body, beautiful teeth, full and dense hair, etc., and you stroll along the beach, and you attract the gaze of all people full of admiration. Isn't this beautiful! But when suddenly everybody walks with such a "perfect" body, you are only one among many, and this is not very funny anymore.

I have told you that even this area, despite its beauty, is still a fully material region. We will investigate superficially an effect of materialism.

Imagine somebody seeing that his neighbour owns a nice car. "Oh, if I had such a car, I would be the happiest person in the world!" he says. But when some time after he really gets this car, he sees another neighbour driving a brand-new BMW, suddenly his happiness is gone. Now he wants the BMW, and then a Mercedes Benz, and then perhaps a helicopter, and then... it is an endless chain. When he has achieved all he can at the material level, he still doesn't feel happy. He wants more. Perhaps he enters politics, trying to gain more power, but that will never be enough either, or he tries drugs, because he finds everything so empty. In short he doesn't find true happiness. These are only fleeting moments of contentment. You can observe this every day, and it is absurd, but in spite of it, everybody wants to copy this behaviour.

Something similar happens in Summerland. There spirits still seek their pleasure and their fulfilment in material things. But the moment comes, when they realize that things don't work out this way. And it is then, when they suddenly open up their eyes to the spiritual things, or rather, when their awareness expands. Then the time has come for leaving and for seeking a substantially different world. It is then, when the gates of the second sphere open up for them. But this I shall describe on another occasion.

As for me, I didn't stay much time either in the twilight zone, or in Summerland. And that was due to my guide, Andrew, and to my strong desire of uniting with my old mates, the apostles and other disciples, and mainly, with the Master. The blessing of having known him on Earth also turned out to be a blessing in progressing through the spirit world.

There is just one more thing I wish to say, that is that spirits in the highest zones of the Earth planes know that their most serious sins have already been forgiven them, they have possibly suffered in hell, but they have not yet lent any true service as a work of atonement, except that they have helped one another. But they still lack a lot in order to offer appropriate help. But we will speak about this later.

Well, my brother, we have crossed the Earth planes, and now you have some idea of how things are there. It is an incomplete idea, but sufficient to quench the major part of your curiosity. It is not a very spiritual subject, but as the Bible states, man shall not live by bread alone. Everybody wants to know what is awaiting them, and this is a legitimate right. Therefore it is correct to give this kind of information.

Have a nice day, and enjoy your visit. I hope tomorrow we shall meet again, but if not, don't worry, it will be another day.

God bless you,

Your brother in Christ, who always watches over you,
Judas.

SPHERES in the SPIRITUAL REALMS.

Spheres – Celestial Heaven, Eternal Spheres, then Spheres of Paradise:
The realm of the Angels is the Celestial Heavens spheres 8 to infinity.

Spheres to infinity: Soulmate bonding can be achieved in most of the spheres. (Celestial Spheres are not numbered per se.).

Eighth Sphere: All emotional baggage of your entire history has been dealt with – born again. This is the point of new birth, being born again. Celestial Heavens 8 to infinity true immortality.

Seventh Sphere: The gateway cycle, perception of sacramental nature of all things. Disappearance of the material mind and the absolute ascendancy of the soul's mind has been achieved. Divine path.

Six Sphere: Cycle of light / love, love / light or unity. A purely intellectual area, increasing one's knowledge, while living life in absolute harmony with God's laws of spirituality. Natural path peak.

Fifth Sphere: Cycle of light or wisdom. All their earthly bonds are gone. We are in one of those soul spheres, which offer great opportunities for obtaining the Love of God.

Fourth Sphere: Work of 'atonement' as guides and spiritual healers now excel. As humanity's helpers, their work is a means for self-realization.

Third Sphere: Truth always told. An area where spirits progress in their awareness. In each sphere, there are many planes. Changing pathways requires dropping back to a lower path, then proceed.

Second Sphere: The sphere of decision which is much more spiritual but which was hidden and outside the range of their perceptions. Spirits can now choose the path they wish to follow – desires.

First Sphere: Cycle of awareness. There are vibrational love barriers between each of the spheres. Highest level of the Earth planes is the point of transition from materiality to the spiritual 2nd sphere. Summerland is the highest part of the Earth planes, but it is still a very material region. Children live in Summerland in great numbers, having died prematurely. Twilight zone, the most populated area in the spirit world, and starting point for most. Various hells descending progressively into greater degrees of darkness. All souls can be assisted out of these hells no matter what level they fall. At the deepest levels, the soul finds it extremely difficult to hold itself together. The hells are not fiery physical places. Actions are fear based.

The 2nd, 4th, 6th spirit spheres provide principally for mental and moral advancement, whereas, the 3rd, 5th, 7th soul spheres provide for progress through Feeling Healing with Divine Love.

SPIRIT MIND MANSION WORLDS are numbered 1 to 7:

To PARADISE, the HOME of OUR HEAVENLY PARENTS

Spirit Mansion Worlds are those 1 – 7. They with the Celestial Heaven spheres numbered 8, 9, 10 as well as the 3 Spheres of Disharmony are all within the Earth’s environment, and rather close by. Each sphere can accommodate more than 100 times the people than Earth may do.

Progression from the top Celestial Heaven sphere is to the Eternal Spheres, Infinite and Universal and further onwards to Paradise.

Celestial Heaven spheres 8, 9, 10 are often referred to as 1, 2, and 3 of Celestial Heaven.

6 Natural Love Mind Mansion World
Natural Love sphere progression stops at sphere 6. With only the natural love, progression is through spheres 1, 2, 4, and 6 only.

4 Natural Love Mind Mansion World
One can embrace Divine Love at any time and move to DL sphere 3 and continue.

2 Natural Love Mind Mansion World
The Divine Love spheres 3, 5, 7, 8, 9, and 10 were opened by Jesus.

Divine Love perfects one’s natural love soul through the progression via spirit world spheres 3, 5, and 7. Soul-Healing and At-onement is achieved through the progression into sphere 8 which is the first of the Celestial Heaven spheres namely 8, 9, and 10.

On death of the physical body we all arrive in the 1st Natural Love sphere.

The 2 Planes of Disharmony are the hells. While one desires to cause harm to others, isolation is applied. Once the Law of Compensation is completed then one can then progress and return to the 1st Natural Love sphere and continue in their progression onto higher spheres.

Earth is for the individualisation of souls being the commencements of one’s journey home toward the Source Soul.

The Pre-Incarnational Sphere is the waiting area for souls to be individualised / incarnated.

There are seven Earth planes around Earth, which are separate from the Mansion Worlds, but we only have access to two of them, which include the ‘hells’. Each of the Mansion Worlds also have their own seven planes ‘around’ them.

Note: The 1st Divine Love Sphere and the 1st Sphere of Disharmony may simply be planes within the 1st Natural Love Spirit World.

WHICH WAY? MIND SELF RELIANT or FEELING AND GOD RELIANT:

To PARADISE, the HOME of OUR HEAVENLY PARENTS

The Way Home

Council of Elders
now around 20
Soulgroups

Maybe something like 30 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

I'D TURN BACK IF I WERE YOU!

The Natural love spirit Mansion Worlds as to how they have been for all these hundreds of thousands of years and as they are set up currently, are to help spirits advance to the fullest of their self-denial that they can. That is, so as to become as evil as they can. And all under the guise of being 'loving'.

It's why they are called the mind worlds, namely Mansion World / spheres 1, 2, 4 and 6. That is because the spirits are using their minds to complete their rebellion – denial of self and feelings, and rejection of our Heavenly Parents as well their Creator Son and Daughter. So yes, the top of Mansion World sphere 6, spirits are the most evil, the most in rebellion, the most in default, the most wrong and unloving and untrue, even though, they appear, because they've trained their mind to do so, to be the most loving, but it's all false and contrived – such as the Eastern gurus. Total mind over feelings, blocking all the bad ones and using your mind to only make you feel good.

Typical of those on their way up in the mind worlds are not open to anything, they do not want to know about feeling bad and going with their bad feelings looking for their truth, because that scares them, that's not nice, that doesn't make one feel good, it threatens their control, they reject that preferring to stay in their nice safe space. Which is how it is for these Natural love mind spirits using their minds to control their feelings.

We've all got to take responsibility for our evilness even though we were made to be that way and rebel by default, but there is no getting away from it, and it has to be compensated right to the last farthing, which is what being in the hell planes is all about, and which keeps being applied right the way through the Mansion Worlds. **In the mind worlds you can continue to use that inner pressure requiring compensation for your bad deeds, to further contrive love and pretend you are all holy and loving and not hurting anyone anymore, which on the surface of it you are not, but underneath still are, all the way up through to the sixth world; or, you can allow it to keep working on you right the way up through the Divine Love Mansion Worlds doing your Healing.**

And apparently what's going to happen is the Natural love mind Mansion Worlds are going to be divided, so within them, there will be spirits doing their Feeling Healing – without the Divine Love, and still limited to the sixth Mansion World, but looking to be true and end their rebellion. And then there will be those still carrying on denying themselves as they have always done. So you will have spirits in the Feeling Healing Natural love sectors that will truly perfect their Natural love; and those spirits still in the mind sectors perfecting their wrongness. The opposites or extremes living side by side. And then you'll still have the Divine Love Healing Mansion Worlds, being spheres 3, 5, and 7, doing their Soul Healing.

And as for a summation: "Divine Love Mansion World / sphere 3 is the waking up to the truth that one is not loving, also their being a lot of assistance. Sphere 5 is then about going right into the depths of feeling how unloved you feel and seeing how unloving you are and how that makes you feel, also this a time when one can then progress and manage their own progress through their Feeling Healing. Sphere 7 is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, this is a time of great realisation and comprehension with much of the prior experiences starting to be drawn together."

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

It is agreed that the lower worlds are about waking up to what's involved, however from then on it depends on how it's all structured for the individual in their negative state as to how much ongoing assistance they might need. Some need help all the way along, whereas others have been able to work with their feelings, themselves, right from the beginning.

And yes, each of the Divine Love healing Mansion Worlds, 3, 5 and 7, are equally painful to work through, just focusing on different aspects of yourself and your Feeling Healing with Divine Love. And then in the higher planes of the 7th world comes the transition, where one's pain starts to end, and you start feeling so much better about yourself, you are fully accepting of your negative unloving state, you are fully unloving although even starting to become more loving – truly loving, of yourself, God, and then other people.

Then onto the Celestial Heavens by progressing into Sphere 8 and then onwards further, all the way home to Paradise.

Maybe something like 6 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

The 1st and 2nd Spirit Mind Mansion Worlds / spheres are jammed to the rafters.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

WOMEN are OUR SPIRITUAL LEADERS!

To PARADISE, the HOME of OUR HEAVENLY PARENTS

The Way Home

We men generally CAN'T do our Healing by ourselves, we need the help of a woman and / or women.

Women ARE the true spiritual leaders, they ARE able to live true to their feelings, and need to be recognised as such, appreciated for being so amazing in that capacity, and so supported and put first, something the man finds hard to do because of all his rebellious programming about being the superior dominant one.

If we men want to ever Heal ourselves of our wrongness, well we are going to have to fully honour women, we are going to have to ASK THEM FOR HELP. Women innately know the Way of their Feelings, whereas we men don't. Men spirits in the Divine Love Healing mansion worlds (3, 5, 7), all do receive help from fellow Healing women spirits or from higher Celestials (Sphere of Love 1, 2, 3). They all do, all of them. Not one man has done his Healing as Marion or Samantha are doing theirs. James Moncrief 20 Aug 17

The religions of today were created as a means of stopping Jesus' truth about longing for the Divine Love and what that does to the soul, and then any truth Mary Magdalene might have said about looking to our feelings for their truth, so as to keep the Rebellion in place. The religions pre-Jesus were designed by the Higher Evil Spirits who were controlling humanity to keep that control, focusing everything on the mind being in control rather than feelings, and then post-Jesus, they added more of the same yet with the added emphasis of using all he said, so taking it, corrupting it, and adapting it to their cause.

And then throw in their contrived Islam, and you have more male domination and the subjugation of feelings – of the woman.

The 1st and 2nd Mind Mansion natural love Worlds are jammed to the rafters with spirit personalities. Those who progress to the 4th and 6th Mind Mansion Worlds are progressing further away from God, continuing with the Way of the Mind!

 The Final Doorway to Enlightenment / Nonduality

 The beginning of the Nonlinear Realm 500

 The beginning of Integrity 200

An earnest longing for God's Divine Love is the only way to transform one's soul. This longing is severely retarded and the reception of God's love impaired whilst one's soul is dominated by erroneous beliefs which are in the form of negative emotions. The releasing of and clearing of these emotions are essential to progress from the lowest levels of the 1st sphere and also to progress through the 2nd sphere. It is Feeling Healing with Divine Love that one progresses through the Divine Love Mansion Worlds 3, 5 and 7 and enters the Heavens.

NATURAL LOVE or HUMANITY’S ERRONEOUS EMOTIONS:

Your soul, being your real you, is an emotional being. Your soul, though a thought of God, does not possess anything of the divine within it. It existed in a state of bliss, in a natural love state, pending individualisation which is achieved at conception which is the time of incarnation. Your soul is endowed with natural love emotions noted within the top section of the Map of Consciousness scale, being those emotions calibrating above 200.

Humanity’s erroneous emotions are those calibrating below 200 on the Map of Consciousness. The environment around a newly conceived child progressively degrades the condition of that child’s soul. When the child reaches about the age of 7, the child’s soul condition will reflect the parent’s condition. These negative emotions are like a crust around the pure soul it has within.

MEANING of LIFE:

Should we be blessed with the early recognition of who we are, that is children of God, and that we are afforded the opportunities to learn how to strive for the love freely available to us, should we so ask, then the further blessings that will flow to us will be bountiful and reflected within every aspect of our living, be it physical or spiritual.

To recognise who we each are and then to strive to find our way home is a pathway of the highest level of joy and love.

As we put aside our self dependence and grow in reliance upon our Creator, then our individual stresses of life will slowly and steadily peel away from us.

Possible relationship of Map of Consciousness (MoC) with Mansion World Spheres:

8th Sphere	1,081 – 1,251+	Achievement of at-onement on reaching 1,081
7th Sphere	921 – 1,080	Divine love only, transmission to at-onement and Celestial spheres
6th Sphere	841 – 1,000	Natural love mind world – perfect Natural love
5th Sphere	781 – 920	Divine love Mansion World
4th Sphere	651 – 840	Natural love mind Mansion World
3rd Sphere	500 – 780	Divine love Mansion World
2nd Sphere	500 – 650	Natural love mind Mansion World
1st Sphere	1 – 499	Natural love mind world predominantly

World 1 embraces the regions of disharmony as well as introduction to Divine Love. All humanity awaken in spirit in the first Mansion World. Then they move, if required, upwards to higher mind levels or lower into the hell planes or over into the Divine Love healing worlds. Humanity, overall, calibrates around 212 on the Map of Consciousness.

Everything is interconnected.

One's soul condition is readily determinable by reference to Dr David R Hawkins' Map of Consciousness (MoC) as reproduced on the prior page. Kinesiology muscle testing can enable calibrations to be made. As within the spirit world where spirits of higher soul condition, though they are brighter, their lighter essence makes them invisible to spirits of lower soul condition, one finds that a person in the physical world who has a higher soul condition has great difficulty in being understood by a person in a poorer and lesser soul condition.

As seen by Dr David Hawkins research, those calibrating on the Map of Consciousness under 200 – which also represent the planes of the hells within the 1st sphere – suffer most of the poverty, illness, crime, unemployment, and unhappiness on the planet. Simply by endeavouring to provide education and information in a way to enable people to grow a little towards love, enables those same people to reduce the burdens on society. Currently, around 78% of humanity calibrates under 200 on the MoC. That is, some 78% of humanity is experiencing the extreme hells during their physical life.

One's natural love is always progressively perfected during this journey of evolution of the soul.

Upon embracing Divine Love at any stage, then one can progress through the Divine Love spheres 3, 5, 7, whilst also doing their Feeling-Healing.

Even though a person may have received Divine Love, they do not avoid compensation or doing their Feeling-Healing, so they may still spend time within the spheres of disharmony.

Natural Love sectors for those doing their Feeling-Healing, without the Love, are within the Natural Love Mansion Worlds:

Progressing through the natural love worlds, within Feeling-Healing sectors, while doing one's feeling healing, upon reaching the 6th Sphere having completed Feeling-Healing, one can then embrace the Divine Love and proceed directly to the 7th Divine Love Sphere.

Then they may prepare to enter the Celestial Heaven Spheres from there.

This pathway is when the Divine Love is unavailable before perfecting one's soul.

Crossover

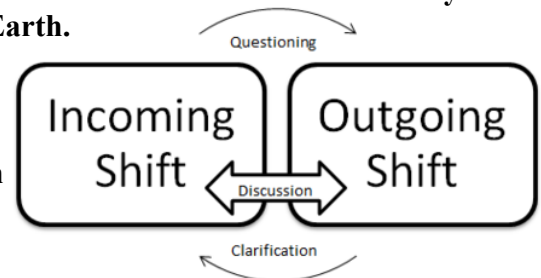

This time, in the history of humanity, is the most exciting time ever experienced.

the Handover

This is the time that man is now able to evolve in its spiritual development. Man has endured 200,000 years of Rebellion and compounded this with the Default of some 38,000 years, now it has been provided with the guidance to put aside the negativities of the Rebellion and Default.

With the guidance that was provided through James Padgett (1914 through to 1923), man became again aware of the availability of Divine Love from our Heavenly Parents. This also heralded the handover. That is, the commencement of the end times of the involvement by Mary and Jesus in the spiritual affairs of humanity on Earth.

Soul groups that have been in place during Mary and Jesus' 2,000 year involvement with Earth have progressively handed over to soul groups that have been forming since 100 years ago. The older soul groups have mostly progressed on further towards Paradise.

The second revelation, that followed from the availability of Divine Love, is the processes of Feeling Healing and Soul Healing. The understanding of the Feeling Healing process is the most important of the revelations and should have been the first to be revealed. Feeling Healing and Soul Healing are being revealed through and by Marion and James Moncrief.

The soulmate pair, that are the first to complete their Soul Healing, and upon their deaths, they will release their Spirits of Truth which will unify with the Spirits of Truths of Mary and Jesus so that humanity, in whole, will have access to these knowings and guidance for the next 1,000 years.

Mary and Jesus, being responsible for the spiritual wellbeing and upliftment of the whole of Neadon, are to withdraw from their direct involvement with Earth and hand over the responsibilities to an Avonal Pair who take individual responsibility for the spiritual wellbeing and upliftment of individual planets and their associated mansion worlds, in this case, Earth exclusively.

COUNCIL *of* ELDERS

For the next 1,000 years, via the Avonal Pair and the newly forming Soul Groups, Earth will be able to evolve through embracing Feeling Healing, and with Divine Love, one's Soul Healing. These newly formed Soul Groups are effectively 'Council of Elders' to assist humans living in the physical on Earth to enable all to be aware of the way to evolve.

With the absolute end of the Rebellion, this is the first time in 200,000 years that mankind, humanity, can take control of his and her destiny and evolve in love and truth for all eternity!

Throughout this coming era, our spiritual leaders will be an Avonal Pair, yet to be identified.

Interestingly, should all of humanity grow in love to the point that everyone lived in a soul condition equivalent to upper half of the planes of the first sphere, beyond the hells, then the possibilities of war would be removed, if not extensively curtailed. The USofA's military functions at a level of 175 on the MoC. The US army is dependent upon its people functioning at a level of 175 on the MoC!

Levels of consciousness are always mixed: a person may operate on one level at one time and quite another level in another area of life. [In fact, we move in and out of fear, anger, guilt, etc. for either brief or extended periods. Even the levels up through unconditional love at 500 are experienced by most. But it is the percentage of time spent in each level that determines the dominant level in which one lives.]

Shame: Shamed children are cruel to animals and to each other. Later they are capable of forming vigilante groups to project their shame onto others whom they righteously attack. Serial killers have often acted out of sexual moralism with the justification of punishing "bad women". Shame produces false pride, anger, guilt.

Guilt: associated with victim hood, masochism, remorse. Unconscious guilt results in disease, accident - proneness, suicidal behaviour. Preoccupation with punishment. Guilt provokes rage. Capital punishment is an example of how killing gratifies a guilt-ridden populace.

Apathy: State of helplessness / death through passive suicide / level of homeless and derelicts / level of streets of Calcutta, abandonment of hope.

Grief: Level of sadness, mourning over the past / habitual losers / chronic gamblers / notion of being unable to replace what is lost.

Fear: Fear runs much of the world [in the enmity fearfulness is dominant emotion of 65% of the world] insecurity, vulnerable / leads to jealousy and chronically high stress level / very contagious / fearful people seek strong leaders.

Desire: Motivates vast areas of human activity. Desire for money, prestige runs lives of many who have risen above Fear. At this level of addiction / desire for sexual approval has produced an entire cosmetics and fashion industry / accumulation / greed. It is insatiable because it is an ongoing energy field. Satisfaction is impossible / frustration is assured.

Anger: Leads to either constructive or destructive action. Expressed most often in resentment and revenge. Irritable / explosive / leads to hatred.

Pride: Has enough energy to run the Marines. Is a great leap forward from lower fields / is socially encouraged. Defensive / vulnerable because dependent upon external conditions. Inflated ego is vulnerable / divisive / arrogance / denial. The whole problem of denial is one of Pride.

Fields below 200	- Wanting & Craving Desiringness Fear Driven Self hatred Grudges
Fields 200 – 500	- Doingness Intellectual
Life is seen as an opportunity. We are getting closer and closer to truth.	
Fields above 500	- Love based Awareness Beingness
More feeling based activity, rather than intellectual – in the mind based activity. Energy field of Love is the one that heals.	
Values are based on what one has. The energy fields below 200 are opposed to life, do not support life.	

Courage: Where productivity begins / zone of exploration / accomplishment / fortitude / determination / exciting / challenging / openness. All of this is achieved through the leap to truth / the courage to face one's flaws.

Neutrality: Release from a position or opinion / flexible / non-judgmental / realistic. Not getting one's way is less defeating or frustrating. Beginning of inner confidence. One is not driven to prove anything. Does not lead to any need to control others.

Willingness: Growth is rapid here. Willingness implies that one has overcome inner resistance to life and is committed to participation. Genuine friendliness/ do not feel demeaned by service jobs. Helpful / high self-esteem / sympathetic / responsive to needs of others / resilient / self-correcting / excellent students / readily trained.

Acceptance: Major transformation takes place when one recognizes that one is the source of the experience of one's life. A full assumption of responsibility for one's self. Acceptance of life without attempting to conform situations to one's own agenda. Denial is transcended / calm / perceptive / balanced / appropriate. No interest in determining right and wrong. Self discipline / honouring of others rights / inclusive / tolerant.

Reason: Intelligence/ capable of making rapid, complex decisions and abstractions / level of science / capacity for conceptualization / deals with particulars / level of Nobel Prize winners, Einstein, Freud, etc. but ironically reason is often a block to higher states.

Love: Love is not what the media professes: emotionality / physical attraction / possessiveness/ sentimentality / control / addiction / eroticism / novelty. When lovers or marriages "break-up", they usually were based on these attitudes rather than love, which is why this kind of "love" can lead to hate. It wasn't love in the first place. Love Deals with wholes. Unconditional love is accompanied by measurable release of endorphins. Love takes no position / permanent. Only 0.04% of population lives out of this level of consciousness.

Joy: Level of saints / effortless / people with near death experiences often have reached this level of consciousness. Healing occurs. Individual will merges with Divine will.

Peace: Radiance / suspension in time and space / everything connects to everything else / no preconception. Great works of art, music and architecture, which calibrate between 600 and 700, can transport us temporarily to higher levels of consciousness.

Enlightenment: Buddha and Krishna. Jesus progressed beyond 1,000 to achieve atonement with God whilst living on Earth. Enlightenment is a never ending process.

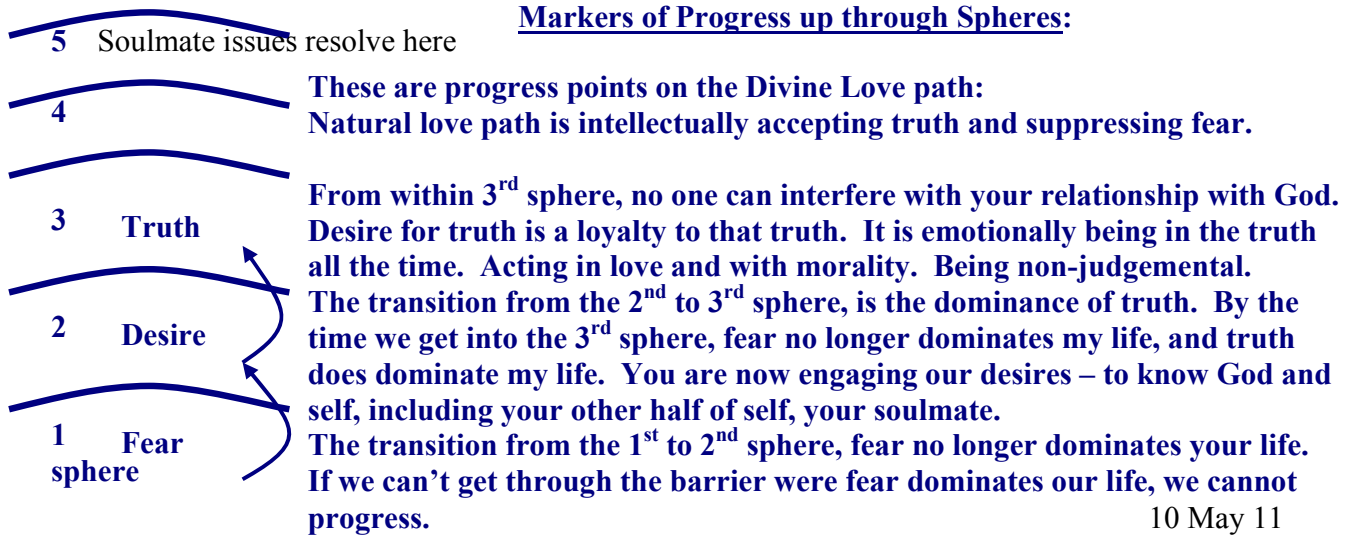

Earth is dominated by fear calibrating around 210 on MoC.

3rd Sphere – Truth is told at all times.

2nd Sphere – One follows his/her desires.

1st Sphere – Actions dominated by fear.

God's Divine Love: Pray for it, ask for it, and receive it.

“All dis-ease is mind generated, and all healing is generated by the love energy of one’s soul.”

The Ego (mind based) manifests illness; the lower one’s level of consciousness (soul condition) then the more prevalent will be illness. Below the levels of 200, the ego and fear of the mind dominate; however, as you raise your level of consciousness by growing in love and achieve a level of 500 or higher, you begin to transcend ego dominance. At the level of 600, all healing is possible.

In the presence of the Creator, all suffering ceases. One has returned to one’s Source, which is not different from one’s own Self. It is as though one had forgotten and now awakened from a dream. All fears are revealed to be groundless; all worries are foolish imaginings. There is no future to fear or past to regret. There is no errant ego / self to admonish or correct. There is nothing that needs changing or bettering. There is nothing about which to feel ashamed or guilty. There is no ‘other’ from which one can be separated. No loss is possible. Nothing needs to be done, no effort is required, and one is free from the endless tug of desire and want.

OUR JOURNEY of GROWTH in LOVE
 All we need do is to ask for God's Divine Love – it is that simple.
 Ask directly, no intermediaries needed.

Souls, being thoughts of God, are ready for incarnation in their billions. These souls are at the level of the 6th sphere in a natural love state, however, they are not within the 6th sphere perse. These souls are not self aware. Prior to incarnation, they do not express free will. There is nothing of the Divine within the soul. They have an instinct to incarnate. Incarnation of the two soul halves, male and female aspects, typically occurs within a 5 or 6 year time frame, however the timing may be 20 to 60 years apart. To become conscious of self, you must incarnate. This is the individualisation process.

The soul half that incarnates is the one most suitable for the characteristics and character of the attracting parents. Upon incarnation, one's soul condition adjusts to reflect the soul conditions of those around it, typically reflecting closely the soul conditions of one's parents. Upon completion of individualisation process, that is incarnation which may be only a short experience in the mother's womb, we never need return to the physical state. To be able to return to our Heavenly Parents, we need to use our free will and ask for Their Divine Love.

The LAW of ATTRACTION and INCARNATION:

Received by Nicholas Arnold, 11th May.2006

Hi Nicholas, I am with you now your loving Celestial friend, Caspian Fontana. I am writing to you regarding soul's existence prior to incarnation. I will write a little with you on this subject this morning.

The Father creates the soul that eventually becomes two as it were, and these two attributes incarnate respectfully into a masculine and feminine existence on Earth. One need regard the soul's journey in four parts. The creation of its existence by the Father's Soul; the moment before incarnation; the souls' physical existence on Earth as a man or woman; and lastly it's life in the spiritual heavens in its spirit body.

The action of soul prior to incarnation follows a Law created by the Father, the Guiding Soul who enables the soul's existence to be in the first place. This is the Law of Attraction and Incarnation. The Law of Attraction and Incarnation exists so that created soul actually do incarnate. For if this Law did not exist, and then incarnation may in fact never transpire. The Law of Attraction and Incarnation is the Father's Way of ensuring that the created souls progress into life here on Earth with harmony. The souls prior to incarnation have no control over where they incarnate, they simply respond as it where and incarnation happens. The remarkable thing about this is that people all over the world have sex and babies are created and so the souls incarnate responding to the Law of Attraction and Incarnation. The souls do not have a decision of incarnation for if they were to pick and choose in a selective process for themselves to begin their life from a freewill decision, then this would ultimately bring disharmony into the Creational Sphere where *Pre-Incarnated Souls* exist prior to incarnation and would be contrary to fulfilling the Law. You can well imaging, the condition created if souls were freely able to choose a life incarnate for themselves. Souls may simply decide not to incarnate so when people have sex, and the makings of a life is conceived souls may simply refuse to incarnate based on their decision, and what would transpire would be the problem of conception without souls incarnating, which is impossible.

All of this is one of the great mysteries of life between Father created souls and the mortal life of people, for you have the perfection of the Father in all harmony creating souls then have their existence in the Creational Sphere that are perfect in attribute acting in accord with the Law of Attraction and Incarnation and then you have the seemingly random and all-over-the-place-ness of human activity in relationships that result in conception and are so mortal in action that how would all that which I have just explained be so, but it is true.

Even if two people conceive a child in the most horrendous of living conditions or have illness and so forth, the Law of Attraction and Incarnation still comes into effect and the pre-incarnated soul in the Creational Sphere responds and becomes part of that conception and eventual life in the physical. The soul is made of soul and is not physical so it can inherit the space of the physical very easily just as the developing spirit body is created in the physical. This reveals the fantastic creation and workings of the Father to see soul, physical and spirit all together as one individual in one place at one time. The drama that is experienced from the mortal view point is that souls are being incarnated into conditions that seem contrary to the harmony of Love and souls are being subject to the actions of people that seem contrary to the workings of Laws created by the Father, however, people are souls themselves and even though disharmony may bear fruit, the Law of Attraction and Incarnation still comes into effect and is not subject

to mortal causes otherwise the relationship between people and souls to incarnate would be fractured and cause a greater disharmony,

This makes one realise why people need to respect the creation of life and understand their shared responsibility of the creation of life and the Father's creation of a soul, and in this, when Divine Love is involved eventually the soul understands its journey and harmony of need as reflected here in the Celestial Heavens.

Caspian Fontana, Celestial Heavens.

WE are INCARNATED with Natural Love, but not with Divine Love:

We are conceived with natural love, however, we are not endowed with anything of the Divine. While we are without anything of the Divine, namely Divine Love, we can grow our natural love attributes and progress to that of being the perfect man whose lodging is found in the 6th Sphere. We do not have immortality without having received Divine Love.

Natural love radiance is very different from that which Divine Love brings.

The two loves complement each other, bringing about greater harmony.

When we become aware of the presence of Divine Love and subsequently ask for and then receive the Divine Love, our soul steadily starts to change to that which is Divine and we achieve immortality. This is the Immortal Choice that we can make whilst here in the physical or later in the spirit world. Once we add Divine Love to our being, we continue then with the two loves, that of the natural love and also that of Divine Love. As we continue and receive Divine Love, our soul condition progresses so that we may eventually enter the Celestial Heaven, 8th sphere and above, then progress further to enter the Eternal Spheres and then the Spheres of Paradise.

179. The Nature and Stages of Fusion

17 December 2012

In our writings together in this collaboration we have introduced much experience on the nature of Divine Love. We have conveyed vision and experience to the best of our knowledge and to the best of how our spirit-communications have facilitated this dialogue. We have tried to convey workings of universal Love and Spirit to the best of our ability that dovetails into extending the nature of personality, all of this in the view that the essential truth is always one's relationship with the Soul, God, in faith, love and the Divine Love.

This work first commenced with the life, the human life of Jesus, then continued with the spirit writings of James Padgett. Our current work introduces many themes situated in potentials, harmony and Immortality all the way defining the nature of a mortal personality comprising of its attributes and to illuminate the soul and the spirit body. We have established that the forming personality survives its human life and continues its existence in the mortal spirit world. We have defined what the mortal spirit world is in its function. We have written and communicated from our experience having lived in Divine Love and with your assistance, we have been able to give wide breadth of vision to this work so that another may derive insight, spirit illumination, vision, potential, thought-provoking information and, for one to find solace in. Above all, it is our hope that these works demonstrate the reality that the Divine Love is real along with the attribute of mortal soul and the mortal spirit body, and it is from the understanding of how the personality comprises of these two attributes provides a unified vision of the human experience and earthly world with a spirit's experience in the spirit world culminating and accommodating for the same outcome, which is an acceptance of the Soul, God.

I desire to write on the *Stages of Fusion* a mortal personality experiences when the attribute of soul and spirit body form the individual.

The formed image of the attribute of each unique soul begins with its creation. The originator and First Source of all mortal life, the Soul God, commences a mortal soul life by forming a complete soul. This mortal attribute upon its creation and upon its advent into the Pre-Incarnation Sphere where it awaits incarnation into a human life is subject to a single act upon it as the first stage of fusion. A single Spirit Law that only exists in the Pre-Incarnation Sphere acts upon God's Spirit Will and divides each complete soul. The soul then becomes as it were two distinct and separate attributes or parts and in each part the whole attribute and potential for the receipt of Divine Love and imminent incarnation for individualisation plus other potentials form a complete part of each part of the complete soul. **This first aspect of Fusion** is to actually separate and not to bring together.

The two distinct parts of the complete soul reside in this Sphere until the imminent approach of incarnation. When incarnation occurs, each part will incarnate into one of each human sex and never shall these two independent parts incarnate into the same sex. There is a very good reason for this. When one is aware of the potential of Divine Love and the possibility for a Celestial soulmate companionship, then one understands why it was necessary for the complete soul to fuse apart and form two distinct attributes. Each attribute will always remain independent in the forming of their unique mortal personality and derived human experiences from a human life. Never shall these two distinct attributes incarnate into a single forming personality. I am also aware, and you have written an account of this before, that each

attribute of soul in this Sphere does not have as part of its original forming, any personality other than its attributes and potentials which means that any self-determination or voluntary decision to pick and choose or to select a human life is absent from the soul when the soul resides in the Pre-Incarnation Sphere.

Humans, mortals and Immortal spirits cannot influence the attributes of soul in this Sphere. The Pre-Incarnation Sphere is in God's jurisdiction alone and only selective Spirit Laws act in this mutable and comfortable environment. This Sphere is not a hallowed environment but a Sphere that is only visible to the Eternal Eye of the Soul, God. We have discussed at great lengths the reality of this Sphere because we understand the importance of our beginning. This Sphere is part of our heritage and it is from my and other Celestial spirits' perceptions that we are able to ascertain an image of this Sphere from the Father. It does not surprise us if a person does not believe us. The visibility of soul is near-next-to-nothing in a human experience, so then why would one see the truth of what I convey?

Nonetheless, a mortal soul life needs to begin somewhere and has to begin somewhere and so, it might as well be in a place caused into existence by its originator and nurtured and prepared for what will become **the secondary stage of Fusion**, the beginning of a human life.

Do all attributes of soul exist in the Pre-Incarnation Sphere in one time at one place waiting for incarnation? Has God caused into existence every attribute of soul that will ever incarnate and that will become the whole history of humankind? All these questions that we ask about the advent of a human soul and the environment it begins in, lead us to gather more information into this unique part of universal creation. It would not surprise me in the least to know that God has caused every single attribute of soul to exist prior to the first mortal personalities that commenced the human race. I know for a fact because I reside here, that the entire mortal spirit world including the Celestial Heaven had form, image, working and structure before the first mortal personality arrived here after the death of their life wearing only their spirit body. If God can cause the entire mortal spirit world into existence before a mortal personality has commenced living the first human life, then, to originate all attributes of soul that exist in a Pre-Incarnation Sphere is an entirely possible thing for God to cause into existence. Humans, mortals and Immortals simply don't have the power or resource within our selves to cause such universal and far-reaching realities into existence. This is why the Divine Love is such an integral part of universal life, for it is the only substance and energy that we can individually experience that is part of the universal originator, the Soul God. This may add a new aspect on why it is significant that one may participate with the Divine Love! It is a given that people and spirits can experience – and do experience – God in aspects of universal attributes though I must qualify that only with the Divine Love, will a mortal soul experience the Soul, God.

The secondary stage of Fusion is simply defined by the incarnation of the finite attribute of soul to acquire a spirit body and living attribute of personality, which commences the finite soul's individualisation of mortal life experience. This secondary stage is inclusive of the conception of a human being. The entrance of a soul into the physical and material world is a dynamic fusion culminating with various attributes forming the individual personality. To provide you with an image of this dynamic, a specific Spirit Law acts to form the spirit body, another Spirit Law acts to exact the soul into the spirit body and another Spirit Law specific to the adjuncts of mortal personality act to exact the now forming personality to its position of the soul and the spirit body and the human brain. Also, the physical conception forms part of this fusion insofar as the fusion of genetic information from two separate sources, a sperm and an egg. This is a simplified image though it is enough so that one may gain a

perspective on how these attributes culminate to form a human being ready for life, ready for the afterlife and ready for the potential to experience the Immortal Love. There are physical conditions of a voluntary and involuntary nature that form part of the physical being. The main thing is that the spirit body is formed so that the expectation of a human life in terms of its age, will not compromise the now formed personality to survive its creation.

The third stage of Fusion in a soul's life is its transition into the First mortal natural spirit Sphere. This stage is defined as the ending of the physical incarnation and the beginning of life in the spirit world. The spirit body acquires the personality in all its attribute and specific Spirit Laws act in their assistance as the physical body falls away from the spirit body and the spirit body takes over as the place and environment that the attribute of soul and attributes of personality now reside and function in. This is an *act of fusion*, for the personality being subject to a greater Law, is exacted to the attributes of the spirit body complete with function and attribute and cognitive experience in the individual's now spirit life. The exacting nature of this Law ensures that no splintering or aspect of the personality is left behind or lost in translation. This is really important for memory and other identifiable aspects and information pertaining to a human life lived. If a human life passes into the mortal spirit world before the individual has any cognitive functioning or capacity to be cognitive, this does not determine any other outcome to the soul other than the personality continues to survive in the spirit body and continues to mature in the First natural spirit Sphere.

This secondary stage is inclusive of each incarnated soul and of every human being for this forms the natural soul system of individual personalisation of experience in natural love.

The fourth stage of Fusion involves the Divine Love. This can happen at any time during the natural life experience of the individual. The fourth stage involving the Immortal Divine Love happens when the Divine Love enters the attribute of the soul for the first time and the attribute of mortal soul is now confirmed as living with the Immortality that this Divine Love provides. The Divine Love, having entered the soul, fuses with the soul and the perfect causality of the Divine Love in its cause-effect becomes part of the soul and can never be extracted from that soul nor can this process of Immortality ever be reversed. There is simply not in existence, a Spirit Law that can reverse this fusion and this is why the choice for Immortality is so unique for the individual to make.

Now that the individual has experienced the Immortal Fusion with the Divine Love in their soul, **the fifth stage of Fusion** transpires when the individual progresses in their experience of Divine Love as it transforms their natural love and the necessary changes happen that arrive within the soul condition of the individual to be of Celestial soul quality. Any necessary compensation will have taken affect and the human life or natural mortal life will be with sufficient harmony in the Divine Love to enter the Celestial Heaven. One is now infused with their universal life and the awareness required, to live in the harmony with God no longer illusive to the individual in a solely self-determined mortal life. Without the infusion of the Divine Love in the soul, no Immortality can form in the soul and the soul remains in its natural life experience to a greater or lesser degree of harmony in its condition of natural love.

All the way along these stages of fusion, experience – if it is progressive – infuses the personality with more experience and this allows for more attribute of personality to become functioning and present within that individual. There is no greater example of this than when the nature of awareness becomes active in the personality from a faith in Divine Love experience.

Stage six of Fusion truly demonstrates how the personality is infused with extended attributes of mind-spirit function as the individual progresses from the Celestial Heaven and enters the Eternal Spheres. The individual is infused with Love and Spirit that provides the personality to see the difference between that which is Immortal with all that is Eternal. The individual always remains finite and is never infinite in their condition of soul. The individual residing in the Eternal Spheres is now universally fused with the Eternal experience of the First Source.

Stage seven of Fusion of individuality is the transition from the Eternal Spheres to the Spheres of Paradise. Through the experience of Divine Love one has gained their Immortality and progressed through the Celestial Heaven and then to gain an Eternal perspective on the nature of God, as being universal and eternal. In the Spheres of Paradise the individual is now fully fledged in their union with God and can travel around the entire soul Sphere that God is and resides in. The confirmation and completion of all these stages of Fusion happens in the last Sphere of Paradise when the individual can visibly see the image of all that was previously unseen, the Soul, the Eternal Soul and First Source of the individual's creation. Having seen the Eternal Father, the personality of the individual is deemed as being, *perfect* and still in this perfection, one can gently ask for a drop of the Immortal Love.

This concludes my message on Fusion. It is a potential to understand the vision that I have just written and it is a true vision for the Divine Love reveals it so. The wonderful thing is to see how durable the three natures are: the soul, the spirit body and the human personality and how these three components form the destiny of each individual.

Thank you for taking my message.
Your Celestial friend,
Luke

NATURE and STAGES of FUSION:

Seventh stage of Fusion of individuality is the transition from the Eternal Spheres to the Spheres of Paradise. The individual is now fully fledged in their union with God and can travel around the entire soul Sphere that God is and resides in.

Sixth stage of Fusion truly demonstrates how the personality is infused with extended attributes of mind-spirit function as the individual progresses from the Celestial Heaven and enters the Eternal Spheres.

Pre-Incarnational Sphere:

First stage of Fusion is the separating of the soul into two, each soul half being complete on their own.

Fifth stage of Fusion transpires when their natural love changes and one's soul progresses to the condition to be of Celestial soul quality, one enters the Celestial Heaven.

Fourth stage of Fusion involves the Divine Love. This can happen at any time during the natural life experience of the individual. Happens when the Immortal Divine Love enters the attribute of the soul for the first time, either when in the physical body state or spirit body state.

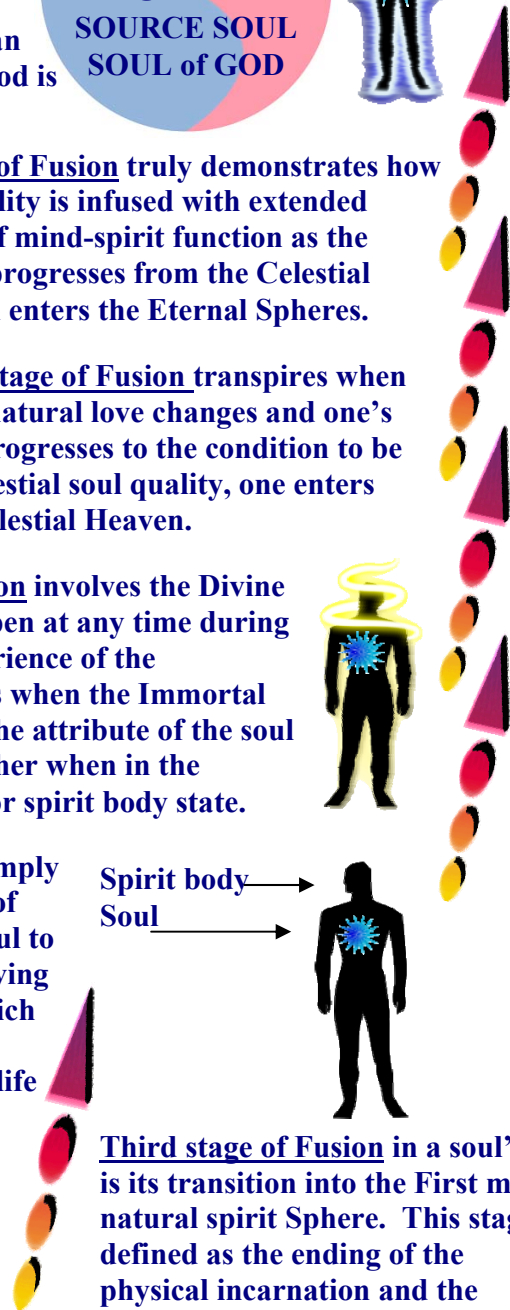

Second stage of Fusion is simply defined by the incarnation of the finite attribute of the soul to acquire a spirit body and living attribute of personality, which commences the finite soul's individualisation of mortal life experience.

Spirit body →
Soul →

Third stage of Fusion in a soul's life is its transition into the First mortal natural spirit Sphere. This stage is defined as the ending of the physical incarnation and the beginning of life in the spirit world.

No. 58

Good evening Richard and dear friends. I am feeling much better this evening. I really enjoyed the talk with Zara, Nicholas and John. I did enjoy talking to another medium. I find it so hard to explain to someone who is not a medium what it is like to channel messages.

Good evening my dear brother. I am Richard again. We were present at your talk – quite a number of us in fact. As you correctly feel, this is a time for connecting with likeminded souls for your mutual benefit and for the benefit of the work in which we are involved. There is much for all of you to offer in support of each other and in communication with a much wider network of people. As was said recently, the soil has been tilled to the point where the planting of the seeds is indicated and this means that the time is ripe for the further spreading of the word about Divine Love.

It is not enough simply to know about Divine Love. This most wonderful gift is active in your lives at the present moment and it is necessary for all to learn what living with this in your daily lives actually means and how to do this in practical ways. God's plans are very practical and their outworking produces practical results on Earth and in the Spirit Worlds. Whereas all of God's plans are full of promise their acting out provides immediate benefits and gifts. Praying for and receiving Divine Love are basic methods for bringing this wonderful element into your lives. I spoke to you some time ago about our desire that we develop a practical, recognised, constant connection between us in the Celestial Realms and you who are on your paths to join us so that we figuratively walk the path hand-in-hand as we guide you along the way. There is no need for you to blunder along learning from error and injury. This is not the purpose of earthly life. Your earthly life is where you discover and cement your individuality and personality in ways that you will be able to develop and sustain in all that follows. This doesn't need to be a process of pain and isolation simply because you have been taught that it must be this way. All the help that you need is immediately available to you and not in some remote and mysterious place of dubious reality. This is not the way that most of you treat your own children so there is no reason to suppose that Our Father treats his children so. Whereas many children on Earth are subject to neglect for many reasons, every one of Our Father's children is loved and cared for and provided for equally as you will all discover in time.

At a very practical level you will find that you are provided with increasing companionship and support as you move along your path. The greater your awareness of our presence in your lives the greater is the avenue of support that we are able to offer and the greater your capacity to accept our offerings. In this there is mutual interaction as your receipt of our gifts is a gift to us and to all of the rest of the family. Always there is a need for you to be as open as possible to what is immediately present in your lives for I have often said that there is a vast unrealised amount available at all times. There is a need for openness of all of your senses and of your minds and of your hearts. Be open to receive and to give. The two are inextricably entwined and one can never exist without the other in the context of love. As the level of Divine Love grows in your souls this will always be perfectly obvious to you and you will find that receiving is always a joy and giving never a burden. It is easy to think of the remote promise of the effect Divine Love which is actually quite beyond your comprehension and to lose sight of the effects upon yourself in your day-to-day life. This wonderful gift comes with a daily certainty of benefits which will

lead to whatever lies ahead and you need to have an eye for the present as well as a desire for the future for your future grows out of your present.

We all live in perfect happiness which is full of love for and awe of Our Father and our awe contains not a smidgin of fear. This is what we desire to show you and to teach you that your lives can be lived in very similar ways now while you are still walking along the path at whatever level you happen to be. There is no need to concern yourselves about your present station as that is only a step along the way and a place from which you move to the next station. You are never alone and never ignored or neglected unless you so choose. Any neglect or loneliness you might feel is something that you produce for yourself if you choose to turn away from Our Father and us and to turn your face into the corner so to speak. You may feel that you leave but you are never left.

These are some of the practical everyday truths of your life along the path towards where we live. I will constantly remind you that all of us have trodden this path and know of what we speak. Our learning is now knowledge that we desire to impart to you to ease your path. There is no joy in observing a sister or brother floundering where we too floundered and feared we would sink without trace. We often felt that there was no hope for such a pathetic sinner such as ourselves. In watching you we have no pity but are full of compassion with love. Let yourself ponder the difference between pity and compassion with love. It is great and one takes away and the other gives. Ponder this.

This is a brief message and enough for the moment. You are now recovering from the process in which you are involved and we will resume longer messages in the near future. Continue in your present ways.

Go with our love and blessings.
Richard and other friends.

PERSONAL AWARENESS:

3 January 2014

In all of your living there will never be a time when it is impossible for you to embrace change and movement in becoming more yourself. If life can be defined as having a purpose then this process of becoming fully self is it. Actually there is no restrictive definition of life but it is this development of self that allows all of the activities of living their full freedom.

Our Source, God can be said to be The One Who Fully Knows Himself. Therefore our aspiration to be At One with God means that we must proceed by learning to know ourselves.

Richard from the Celestial Heavens

DIVINE LOVE – what does it do?

The divine gift from asking for and receiving Divine Love will steadily, but with certainty, raises one's quality of life and also of all those around such person who is seeking and receiving this love.

The receiving of Divine Love, which is a substance, with certainty, progressively:

- Raises one's love for those around them, whilst embracing one's Feeling Healing.
- Raises one's perception of all things – naturally grows one's intelligence – soul intelligence.
- Enables one to feel and resolve negative emotional issues more readily during Feeling Healing.
- Humility becomes self evident. Humility enables one to feel their errors and emotions.
- Divine Love strengthens one's resolve to express errors, emotional injuries and untruths.
- Divine Love with Feeling Healing to remove emotional errors, enhances one's health.
- Divine Love enables one to become more childlike – not adult serious at all times.
- Divine Love raises one's capability of feeling – no longer needing to be mind controlling.
- By becoming feeling orientated, one no longer is mind / intellectually dominated.
- The strength to fight and overcome sin and error is strengthened through the Divine Love.
- The Law of Compensation process is more resolved by Feeling Healing with Divine Love.
- Receipt of Divine Love grows one's faith, beliefs become faith and then knowing.
- As our faith grows our intensity to ask and then receive Divine Love grows.
- We begin to follow our passions and desires, no longer fear and mind driven.
- Truth being told at all times then progressively becomes a way of life.
- Our quality of life blossoms, our finances and relationships prosper.
- Man creates his own environment, seeking Divine Love can vastly improve one's environment.
- Health carers receiving Divine Love enhance healing outcomes beyond comprehension.
- Receiving Divine Love may assist in bringing a struggling marriage back into harmony.
- You progressively become dependent upon our Heavenly Parents, not self dependent.
- Personal growth in love directly assists the soul condition growth of one's children.
- Divine Love assists one's rate of soul condition to progress whilst embracing Feeling Healing.
- Divine Love is a substance that changes the human soul to that of the Divine.
- Without Divine Love, one cannot progress into the Celestial Spheres (8th sphere and higher).
- Divine Love, with Feeling Healing, enables everlasting Love and Life in the Celestial Heavens.

“The Law of Compensation doesn't operate on isolated actions, but on the overall condition of people's souls, because the deeds are the consequence of this condition. Our behaviour is the reflection of our souls. Never see isolated deeds, always see souls whose condition leads to certain deeds. It is the soul condition which determines the motive and consequently the action. It is our lack of trust in God, this ultimate and definitive trust, which only soul development may give us. This lack is why we suffer.”

Judas of Kerioth 5th October 2001

As you grow in love, illness issues abate, financial security improves, and your treatment of your fellow man is the same as how you would like to be treated. You grow in natural intelligence; your perception on many subjects becomes profoundly more loving and supportive of and for your way of life and how you interact with your fellow man.

This quality of life and love permeates and extends into every facet of your physical life and continues to grow as you progress on your journey within the spirit world.

Your capabilities to ask for and receive Divine Love are a gift between you and your creator, God. You do not need an intermediary, nor do you need to join with any organisation. This is your own personal journey and experience. You can share this with others, but no one can take it away from you.

This Love will elevate the human soul to a condition that it may perceive the spiritual truths which God has waiting to be revealed to His children who aspire to understand the nature of the divine and what their true relationship to Him and their family of souls is.

“Keep faith with God, and be open to Their Love, and you will overcome with confidence and, indeed, peace of mind, optimism and happiness, those circumstances that seem to mar the fulfilment of your years.” Mary (mother) <http://new-birth.net/ntr/samuels14.htm>

**PASCAS

The FIRST NATURAL LOVE SPHERE:

- a. **Blankets Earth.**
- b. **The first Sphere is like this surrounding the orbit of Earth around the Sun.**
- c. **The first natural love sphere is massive. Should all the souls that have been individualised and are yet to be individualised (incarnated) remain within the 1st natural love sphere, then there is more than sufficient capabilities for them to be accommodated.**

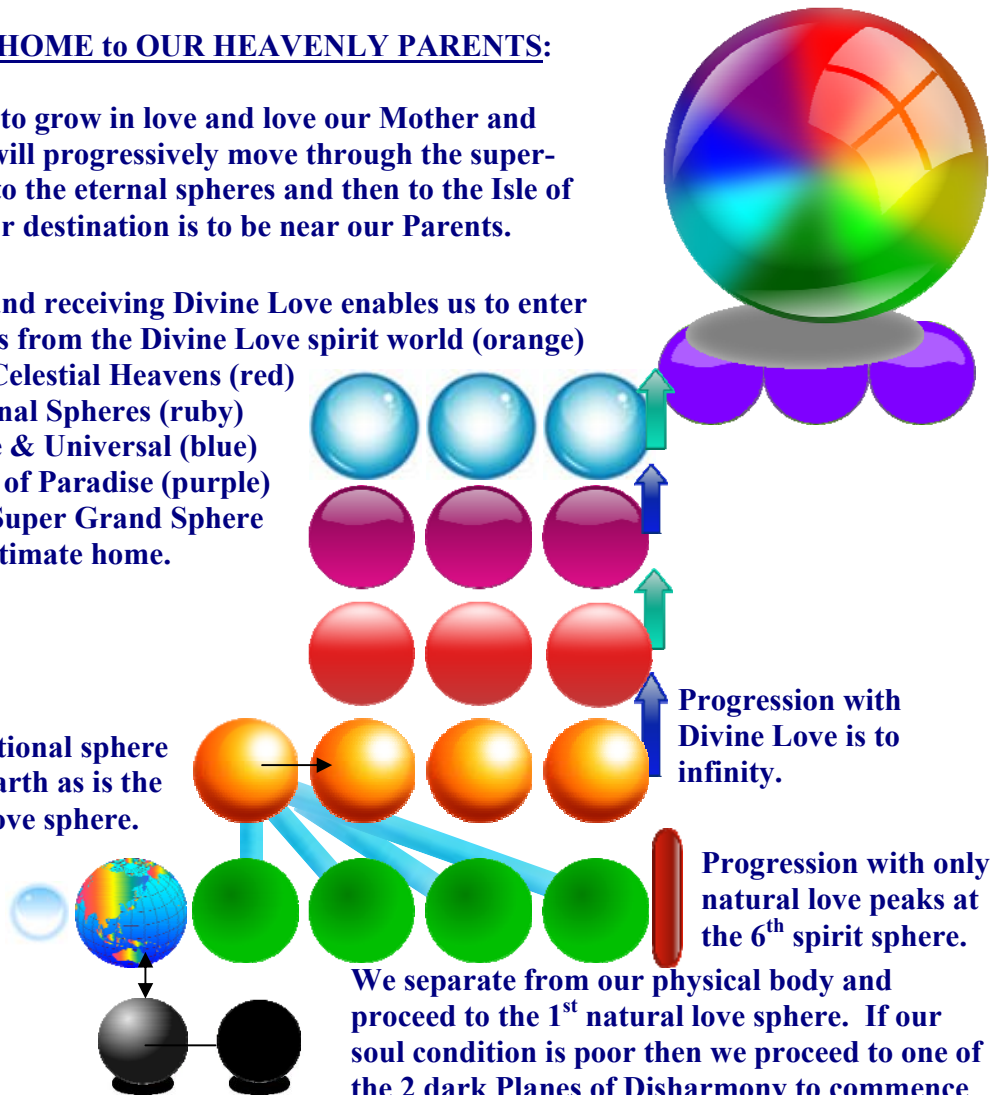

JOURNEY HOME to OUR HEAVENLY PARENTS:

As we learn to grow in love and love our Mother and Father, we will progressively move through the super-universe, into the eternal spheres and then to the Isle of Paradise, our destination is to be near our Parents.

Asking for and receiving Divine Love enables us to enter and progress from the Divine Love spirit world (orange) then to the Celestial Heavens (red) then to Eternal Spheres (ruby) then Infinite & Universal (blue) then to Isles of Paradise (purple) then to the Super Grand Sphere being our ultimate home.

Pre-incarnational sphere is close to Earth as is the 1st natural love sphere.

Progression with Divine Love is to infinity.

Progression with only natural love peaks at the 6th spirit sphere.

We separate from our physical body and proceed to the 1st natural love sphere. If our soul condition is poor then we proceed to one of the 2 dark Planes of Disharmony to commence our development of love.

Note: The 1st Divine Love Sphere and the 1st Sphere of Disharmony may simply be planes within the 1st Natural Love Spirit World.

Our Heavenly Mother and Father simply desire for us to ask for Their Love.

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

OUR JOURNEY: From Earth's spirit spheres, to the Celestial Heavens, then to the Eternal Spheres, and then home to the Isle of Paradise.

Spirit spheres 1 – 7 (Mansion Worlds) may be within Earth's solar system, each sphere connecting to the next, including the 2 dark spheres being planes of Earth. The 3 Celestial Heaven spheres maybe close to Jerusalem and isolated for us humans.

Eternal Spheres, 3 progressive spheres, and the Infinite and Universal Spheres interact through out the super universe.

Spheres of Paradise also contain 3 major progression spheres and these are located within the region that circulates around the Super Grand Sphere.

From the 3 progression spheres within the Isle of Paradise, then to the Super Grand Sphere that surrounds the Mother and Father's Sphere and Soul of our Parents. At this point we have arrived Home!

OUR JOURNEY to the CENTRE: HEAVENLY PARENTS are UNIVERSALLY PRESENT:

Earth is one of the youngest inhabited planets on the outer edge of the youngest of the seven super-universes. From the spirit worlds, we progress to the spheres of many mansions, being the Celestial Heavens. From there we progress to the Eternal Spheres, then to the Infinite and Universal Spheres and then towards the Isle of Paradise. The Isle of Paradise remains stationery and is the home of the Source Soul, our Heavenly Parents, Mother and Father.

Our progression is always towards the centre, nearer to the centre of our super-universe.

Earth is blanketed by the 1st natural love sphere, the spirit world spheres are within the proximity of Earth. From the spirit spheres we progress to the Celestial Heavens.

JOURNEY HOME

Our journey home is an ever growing expansion of truth being revealed to us. For Earth's humanity, as for the 37 humanities that have Rebelled, we are quarantined and isolated. Having also Defaulted, Earth's humanity is possibly the most evil of all. Firstly, we are to understand that living through our minds is why we are addicted to untruth and control of others and nature – we are going the wrong way! We are to live feelings first and then heal our Childhood Repression and Suppression – we are to live and express our true personality, the one given to us by our Heavenly Mother and Father. Then our journey home begins!

The Isle of Paradise is stationary within the circle of seven super-universes. Spheres here are also for us to further grow in truth before arriving Home to become Finaliters. Our Heavenly Mother and Father guide us out of our Local Universe of Nebadon, through the rest of our super-universe of Orvonton and into super, superuniverse Havona which circulates around the Isle of Paradise, being home.

Each of the seven super-universes are constituted, approximately, as follows and with 1,000,000,000,000 inhabitable worlds:

- One super-universe is 10 major sectors
- One major sector is 100 minor sectors
- One minor sector is 100 local universes
- One local universe is 100 constellations
- One constellation is 100 systems
- One system embraces approximately 1,000 physical worlds

Once we attain the Celestial Heavens (spheres) we start to come in contact with spirits from other 'Earth' worlds. So in spirit and once we've finished out Healing and are Celestial, we interact, sometimes directly and otherwise indirectly, with potentially 10,000,000 physical worlds of which 3,840,101 are with humanities. Our Avonal Daughter and Son lead us to Mary Magdalene and Jesus (Michael soulmate pair, our Creator Daughter and Son), through our healing of the Rebellion and Default by guiding us into the first three Celestial Heavens and out of isolation from all other physical and spirit humanities.

Mary and Jesus then lead us through the Celestial Heavens for the system Satania (that Earth is in), then our constellation and then out of our Local Universe.

Isolation from all other humanities prevails before completing our soul's healing and progress into the Celestial Heaven spheres 1, 2 and 3. Hell planes 1 and 2 are of Earth, those who have compensation may have this experience and might then progress up through mind Mansion Worlds 1, 2, 4 and 6 before turning around to progress through Healing Mansion Worlds 3, 5 and 7 to transition into Celestial Heaven.

Finaliters

Hey guys, I know who I am and why I am having these life experiences. No, I haven't a prison uniform on – but that might be what my soul has planned for me to experience! Just joking!

When we arrive in our Earthly mother's womb we are clueless as to why the heck we have come here. We truly need to persist with asking, "What's this all about?" – We will be told, bit by bit! But you have to push for it. Well guys, here's a go at it.

We have come to this crazy messed up humanity on Earth because God wants us to come, we don't have any say in it. And we think we can do something about it, but we actually can't, we can only do what God wants us to do. And if that makes us think we can do something, that we can have an effect, then that's what God wants us to think. Man, this mob is ready to slaughter each other totally and that is not going to happen – it's not allowed!

We are to enable our wilfulness to surface – well take over our 'numbnut' mind – and push aside the persona – the messed up personality that our parents want us to be – and express our true individuality. Be true to our feelings – our soul-based feelings and be the personality that our Heavenly Mum and Dad know us to be (all good).

Okay, because we are amongst billions of people who have been forced to join the Rebellion and Default, we are one of them – experiencing all the crud and wrongness we can possibly get ourselves into. Yep, we are rebelling against our soul, which also means we are rebelling against our soulmate and also our Heavenly Mother and Father – God. Shoot the works – we have done it justice!

Now here is the good bit. We can heal ourselves of all this wrongness – and eventually we ALL will. Then we will continue with our healing and learning, and learning, and more learning and end up in Paradise, the home of our True Mum and Dad. THEN we will be recognised as FINALITERS. Why Finaliters?

We are called Finaliters, that's everyone who attains Paradise, and not just those of us who've been fucked up by a Rebellion, because we've 'finally' got there, we 'finally' did it, we 'finally' completed the first stage of our existence in Creation, which is akin to 'Finally' completing our time in the 'womb'. Upon attaining Paradise, it can be likened to being 'finally' born, or 'finally' becoming of the equivalent of age 6 when our Indwelling Spirit arrives, or 'finally' becoming an adult. And possibly we won't know if we can liken to it to any of these stages we go through during our physical life on Earth, until we're 'finally' on Paradise, and 'finally' get it!

Because other humanities in newly forming universes are anticipated to Rebel (just like us now) and because we have had the experience (no other humanity has possibly done it as good as us) so we FINALITERS can go and help them out of their SHIT! Yee-ha – more evilness and insanity! That is us! Bring it on!!!!

OUR JOURNEY

Ascension is from Earth (Urantia) through Nebadon, Orvonton, Havona to Paradise.
Then in Paradise we progress to be Finaliters and assignment to a newly forming universe.

The Padgett Messages, received 1914 to 1923 and published in the Book of Truths, has now been extended with further session of messages having been received between 2012 and 2013, and titled “The DIVINE UNIVERSE” via Zara Borthwick and Nicholas Arnold.

The DIVINE UNIVERSE

16.10.2012: 79.

Prayer of the Heart

I encourage the heart that prays to the Father for the Divine Love. I encourage the heart that loves the Love, and with sincere aspiration, feels for the Love. If there be any doubt, loss of faith or hardship of heart, I encourage the heart not to give up or give the Love away. The Father hears your prayers and the heart be rest assured in this. Never will a good heart be forsaken. As the Father does so do I, see and hear your heart, and prayers for the Love and the needs for wellbeing. Never give your heart up; trust in the One who knows your true heart, and there the Father loves you. One may never fully understand the intricate workings of time, past present and future, but the heart knows faith and Love and the Father Loves a good heart. Pray with faith, and in your heart my truth and the Father’s Divine Love meet you there.

I have given you this prayer of the heart so that men and women may draw from its words, strength, love and faith

Your beloved friend and companion,

The Only Prayer That Man Need Offer to the Father:

The Prayer for Divine Love

(as given within the first century)

I am here, Jesus

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

P.438 Book of Truths through James Padgett / Jesus

Let your prayer be as follows:

Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.

That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.

We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.

Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.

Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.

Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.

We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.

We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.

Amen

Note: The 'false teachers' are our parents, as they are also the 'evil ones'. Also, the evil ones, being those parts of one's mind, that are controlling you.

Our Father, who art in heaven, we recognize:

That Thou Art--art all holy and loving and merciful, and that we are the children of Thy care and not the subservient, sinful and depraved creatures that our false teachers would have us believe.

That we are the greatest of Thy creations and the most wonderful of all Thy handiwork, and that we are the objects of Thy great Soul's love and tenderest care.

That Thy will is that we become at one with Thee and partake of Thy great love which Thou hast bestowed upon us through Thy mercy and desire that we become, in truth, Thy children; and not through the sacrifice and death of any one of Thy creatures, even though the world thinks that one Thy equal and a part of Thy godhead.

That Thou will open up our souls to the inflowing of Thy love, and that then will come Thy holy spirit to bring into our souls, this, Thy love in great abundance until our souls may be transformed into the very essence of Thyself; and that there may come to us faith--such faith as will cause us to realize that we are truly Thy children and that we are one with Thee in very substance and not in image only.

Let us have such faith as will cause us to know that Thou art our Father and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Thy love changing us from the mortal to the immortal.

Let us never cease to realize that Thy love is waiting for each and all of us, and that when we come to Thee with faith and earnest aspirations, Thy love will never be withheld from us.

Keep us in the shadow of Thy love every hour and moment of our lives, and help us to overcome all temptations of the flesh and the influence of the powers of the evil ones who so constantly surround us and endeavor to turn our thoughts away from Thee to the pleasures and allurements of this world.

We thank Thee for Thy love and for the possibility of receiving it, and believe that Thou art our Father--the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Thy arms of love.

We pray thus with all the earnestness and longings of our soul, and trusting in Thy love give Thee all the glory and honor and love that our finite souls can give.

A Personal Adaptation of the Prayer for God's Divine Love:

Joseph Babinsky

Our Father, who art in heaven, I recognise:

That You are holy and loving and kind, and that I am the child of Your care.

That I am the object of Your great Soul's love and tender most care.

That Your will is that I become at-one with You and partake of Your great love, which You have given me through Your desire that I become, in truth, Your child.

That You will open up my soul to the inflowing of Your love, and that then will come Your holy spirit to bring into my soul, this, Your great love in great abundance until my soul may be transformed into the very essence of Yourself; and that there may come to me faith – such faith as will cause me to realise that I am truly Your child and that I am one with You.

Let me have such faith as will cause me to know that You are my Father and the giver of every good and perfect gift, and that I only can hinder and stop the river of your inflowing love.

Let me never cease to realize that Your love is waiting for each and all of us, and that when anyone comes to You with faith and earnest aspirations, Your love will never be withheld.

Keep me in the shadow of Your love every hour and moment of my life, and help me to remain completely focused on this, your ever-present and unconditional love.

I thank You for Your love and for the possibility of receiving it, and believe that You are my Father – the loving Father Who smiles upon me always and is always ready to help me and take me into Your arms of love.

I pray this with all the earnestness and longings of my soul, and trusting in Your love give You all glory and honour and love.

The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.

But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Mother and Father's Grace.

The BEAUTIFUL MIRACLE:

5 Oct 2012

The DIVINE UNIVERSE

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union completes. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love, the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other, then one is living in the presence of our Mother and Father in perfect harmony, and this clarifies the truth about what it means to be truly at-one with God.

SHINING TOWARD SPIRIT:
665. The Shining toward Truth

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas
www.lulu.com

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Mother and Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

EXPERIENCING RECEIVING DIVINE LOVE:

Be still and quiet; reflect in silence. Love is present. Keep asking, longing, and never cease: this is your part. It is your cooperation actively engaged that brings the transformation and continues the process.

You cannot see it; sometimes you will experience it as simple quietness and calmness. This is as pure and real as any other experience, whether demonstrative joy through laughter and dance, or other expressions.

Divine Love is present; it is always present. It does not fade or disappear. Rest, relax and breathe. Pray and wait.

Maintain daily prayer and meditation. When you do this you are building a home for the dwelling of the Divine Love. Your continual invitations establish an attitude of welcome to the Divine Love. These build a bridge for the Divine Love to carry you to new and higher levels of change and transformation: places of new realms for your soul growth and development.

The Voice of Divine Love

~~~~~

As the receiving of the Love is always assured when longed for and asked for, the experience of receiving may become apparent by the occurrence of a warming embrace in the region of the third eye chakra, or with some, around the heart chakra region. This may be very subtle and gentle for some and may be for a few moments or extend for some time. Many do not physically feel the Love embracing them and this is totally fine, nevertheless the Love is being received.

On a few occasions, one may feel the love through the third eye region and then feel it expand as if it were to become a warming buzzing 'hat band' progressively expanding around one's head. This can intensify and feel as though one's cranium is about to pop off! Should this continue to intensify, then the sensation may flow down one's main meridian to the base of one's spine. Now that is something else! Relax and enjoy the great gift for this can be an experience that may continue for a short while or for quite some time.

Always, when one longs for the Love, it will shower over one's body and be absorbed in through the spirit body chakras into one's soul. Occasionally the Love will overflow from one's soul and some will reside within one's spirit body. At no time will you be discomforted. This light golden blue energy substance is the ultimate high octane super fuel gifted to us by our Heavenly Mother and Father, to us all.

### **AUTOMATIC WRITING:**

The reliability of communications from spirit people being accurately conveyed via mediums here in the physical world is always an issue.

The soul condition of the medium is paramount. Should the medium be in a poor soul condition then such medium will attract spirit people of similar soul condition. We all have emotional injuries and we all attract people, both here in the physical world as well in the spirit world, which have matching emotional injuries. We all have co-dependency emotional attachments with people, both in the physical and in the spirit realms.

As we grow in love and improve our soul condition then we can receive higher levels of truth from those from within the loving spheres of the spirit realms. Asking for and receiving Divine Love greatly enhances our potentials to receive higher truths, even from the Celestial Heavens which are those spheres being 8<sup>th</sup> sphere and higher.

A medium that is skilled in specific sciences is likely to successfully receive technical information from spirits who are skilled in such sciences. Dr Daniel Samuels was versed in the Old Testament; he received much guidance and truths pertaining to the accuracy of the Old Testament from spirit people.

A medium that is open minded and not enslaved by his prejudices and beliefs can receive wide ranging spiritual truths should his soul condition be elevated. James Padgett was such a person. James transcribed more than 2,500 messages from more than 250 spirit people, many of them being from the Celestial Heavens. These messages are known as the Padgett Messages as published in the Book of Truths.

The highest level of accuracy of message delivery from the spirit world is when 'automatic writing' is adopted.

Automatic writing is when the medium relaxes and allows the spirit person to take control of the medium's brain and actually writes the message through the medium's hand. This process also enables the spirit person to correct any points should the medium intervene and apply his own thoughts.

Padgett Messages were all automatically written. So were Dr Samuels' Revelations. The Judas Messages also arrived with the same reliability and accuracy.

Many loving and highly truthful communications have been received with many now being directly entered into computers through the keyboard by the enabling medium, automatically written / typed.

The final test for you to apply to any such material; does the information feel loving to you? If so, then consider the contents further. If it does not resonate with you then put it aside.

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

**Our salvation IS by embracing Feeling Healing with the Divine Love.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Please Mother and Father, may I receive Your LOVE.**

**“Every day is a day of devotion.”**

**Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.**

**“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”**

**“Mother – Father, I desire your Love and I am loving you.”**

**“Soul God, I love you and I love receiving and experiencing your Divine Love.”**

**“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”**

**Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.**

**One can simply receive the Love without following any religious or spiritual teaching taught by man!**

**Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.**

### **Three Great Truths:**

- **God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on them selves and doing their Healing.

**Feeling Bad? Bad feeling are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing****Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book****Release one's pain through expressing one's feelings.****in conjunction with****Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.**

**Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.**

**Primary and most important readings are the writings of James Moncrief.**

**Then consider the Padgett Messages, and then The Urantia Book.**
