## PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about “looking within oneself”. Much of what we are observing is new to most readers and thus you will take on board that which resonates with you. Further, you may investigate those items of interest and discard those which do not feel appropriate to you.

Kinesiology muscle testing, was developed by Dr. David R. Hawkins and quantified by his Map of Consciousness (MoC) table. MoC has been used to ascertain the possible level of the truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and another tool to assist in considering the possibilities. In contrast, consider using the MoC technique to test the level of truth in your local daily newspaper.

The contents herein are not to be interpreted as an independent guide to self-healing. The information researched here and any information provided in this document should not be considered in lieu of consultation with your own physician, doctor, or other health care professionals. Pascas, nor anyone associated with this document, does not assume any responsibility whatsoever for the results of any application or use of any process, technique, compound or potion as described within this document.

In doing so, we acknowledge the importance of these sources and encourage our readers to consider further acknowledgement of these sources as necessary. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we sincerely apologize. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

## **The Holy Spirit:**

## **Some times referred to as Acting Sprit:**

**Many who think that they have received the baptism of the Holy Spirit have only advanced in the natural love and not the Divine Love. Difference between God's Spirit and the Holy Spirit.**

Let me write for a short time upon a subject that will be of interest to you and to those who may read my messages.

What I desire to write upon tonight is the condition of those who think they have received the inflowing or baptism of the Holy Spirit, when the fact is that they have received only that advancement in the purification of their natural love and a harmony with the laws of their creation that causes them to believe that what they experience must be the result of a bestowal of the Love which the Holy Spirit brings to mortals. In this mistake so many humans indulge; and in the satisfaction or rather happiness which their experience, growing out of such an increase in the harmony, brings to them, they fully believe that the Holy Spirit has taken possession of their souls and caused the happiness. But in thus concluding, they are deceiving themselves, and will realize their mistake when they come to an awakening in the spirit life.

The Holy Spirit is that part of God's Spirit that manifests His presence and care in conveying to men's souls His Divine Love. This Love is the highest and greatest and most holy of His possessions, and can be conveyed to men only by the Holy Spirit; and this appellation is used in contradistinction to the mere spirit, which demonstrates to men the operation of God's Soul in other directions and for other purposes. His creative spirit, and His caring spirit and the spirit that makes effective his laws and designs in the governing of the universe, are not the Holy Spirit, though equally part of God's Soul, and equally necessary for the manifestations of His powers and the exercise of the energies of His Soul. These deal with the things of the universe that do not have interrelationship with the Soul of God and the souls of men, and whenever the Holy Spirit is spoken of it should mean only that part of God's Spirit which transforms the souls of men into the Substance of the Soul of God in its Quality of Love.

I heard the preacher discourse Sunday night on the work of the Holy Spirit as portrayed in the contents of the New Testament, and saw that his conclusions from these contents were wholly erroneous and apart from the truth. As he said, the effects of the workings of the Holy Spirit are shown in more ways than one, and not everyone upon whom it is bestowed is filled with the same powers of displaying its presence and possession. Now in all these evidences of its existence in the experiences given, it must be understood that it is limited in its operations to those conditions and manifestations that have their source in the Divine Love of the Father, that was bestowed upon mankind at my coming in the flesh, and that those evidences of the existence that have no relationship to this Love are not evidences of the presence of the Holy Spirit. As mentioned in the New Testament, when it was bestowed upon my disciples at Pentecost, it came as with the sound of a mighty rushing wind, which has before been explained to you, that shook the room in which the disciples were assembled, and filled them with its

powers, which means only that this Divine Love came into their souls in such abundance that they were shaken in their souls to such an extent that they thought the building in which they were assembled was disturbed. But in this they were mistaken, for the effect of the presence of the Holy Spirit is not to affect the things of inanimate nature, but is confined to the souls of men.

And the preacher must know, that because men are possessed with powers to accomplish the mental or material things of their living, they are not necessarily possessed with the Holy Spirit. Much of the physical healing of mortals is caused by powers that are bestowed upon men, or some men that are not connected with or proceed from the Holy Spirit. That there is evidence of this, men will recollect that the Old Testament is full of instances where men were healed of their diseases, and other wonderful things performed, at the time that the Holy Spirit was excluded from man's possession. Yet these marvels, as then considered, were performed by men claiming to be endowed with the Spirit of God, which is working for the good and happiness of mankind, and which will continue to work until men shall become in harmony with themselves as first created.

I understand the object of the preacher in attempting to show and convince his hearers, that because they have not those powers that the Bible describes as having been possessed by my disciples after the bestowal of the Holy Spirit, that therefore, they must not believe and conclude that they, his hearers, have not this blessing. His intentions and efforts were commendable, and arose from the desire that his hearers should not become disheartened and disappointed in their efforts to obtain the inflowing of the Love that the Holy Spirit brings to men; but on the other hand, his teachings were dangerous and misleading to these hearers, for the natural consequence of such teaching is to lead men into the belief or persuasion that they possess this power and Comforter, when they do not, and thus prevent them from seeking for an obtaining this Comforter in the only way in which it can be obtained. The Holy Spirit primarily, has nothing to do with great mental or physical achievements, and to say that because a man is a great inventor or philosopher or surgeon who does things without knowing where the inspiration or suggestion to do the things comes from, therefore he is possessed of the Holy Spirit, is all wrong and misleading.

All things, mediately (ultimately or even dependent on an intervening agency) or immediately, have their existence and operation and growth in the Spirit of God, and only in that Spirit, and which Spirit is evidenced in many and varied ways in men's experience; and hence, men say that they live and move and have their being in God, meaning only that they live and move and have their being in God's Spirit. This Spirit is the source of life and light and health and numerous other blessings that men possess and enjoy – the sinner as well as the saint, the poor man as well as the rich, the ignorant as well as the enlightened and educated – and are each and all dependent on this Spirit for their being and comfort. This is the Spirit that all men possess to a great or less degree, and the brilliant preacher or teacher or orator, possessing this Spirit to a greater degree than his less favoured brother, depends upon the same Spirit. It is universal in its existence and workings, is omnipresent, and may be acquired by all men in this sense to the degree that their mental receptivity permits. And this further demonstrates the fact that God, through and by this Spirit, is with men always, in the lowest hells as well as in the highest heavens of the perfect man. It is working continuously, ceaselessly and always at the call of men, be that call mental or spiritual. It is the thing that controls the universe of which man's Earth is an infinitesimal part. This is the Spirit of God.

But the Holy Spirit while a part of the Spirit of God, yet is as distinctive as is the soul of man distinctive from all other creations of God; it is that part of God's Spirit that has to do with the relationship of God's Soul and man's soul, exclusively.

The subject of Its operation is the Divine Love of the Father's Soul and the object of Its workings is the soul of man, and the great goal to be reached by Its operations is the transforming of the soul of man into the Substance of the Father's Love, with Immortality as a necessary accompaniment. This is the great miracle of the universe; and so high and sacred and merciful is the transformation, that we call that part of God's Spirit that so works, the Holy Spirit.

So let not teachers or preachers teach, or their hearers believe that every part of God's Spirit that operates upon the heart's and thoughts and feelings of man is the Holy Spirit, for it is not true. Its mission is the salvation of men in the sense of bringing them into that harmony with God, that the very souls of men will become a part in substance and not in image merely of the Soul of God and without this working of the Holy Spirit men cannot become in such union.

I have written you before as to how this Holy Spirit works and the way in which it can bring men the Divine Love of the Father, and what is necessary for it's inflowing. The way described is the only way, and men must not believe and rest in the security of such belief, that every working of the Spirit of God, is the working of the Holy Spirit.

**Except a man be born again he cannot enter into the Kingdom of God, and such attainment is possible only by the working of the Holy Spirit.**

Oh, preacher, upon whom a great responsibility rests, learn the truth and then lead men into the way of salvation. I will not write more now, but will come again and deliver another message. Believe that I love you and am

Your friend and brother,

Jesus

**HOLY SPIRIT**

**6 Jun 1915**

**The holy spirit, as I have told you, is a mere instrument of God in doing His work among men, and for men to believe that the holy spirit is God, is blasphemy – but even that sin will be forgiven men.**

**I hope that before we get through our writings I will make it so plain and convincing that the holy spirit is not God, but a mere spirit, though the greatest spirit in His kingdom, that men will cease to worship it as God.**

**P.131 Book of Truths through James Padgett / Jesus**

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

**God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.**

**Jesus and Mary are a son and daughter of God.**

**Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.**

**Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.**

**When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

**It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.**

**WE ARE Children of God**

**PARADISE TRINITY:**

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**  
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
2. **ETERNAL SON (ES) – Divine Truth**
3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

**The LOCAL UNIVERSE TRINITY:**

1. **MARY M and JESUS (MF) – Love – the Living Truth**
2. **DIVINE MINISTER (ID) – Mind (and her Holy Spirit)**
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

**PLANETS that engage in REBELLION:**

1. **AVONAL SOULMATE PAIR – the Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS – they do not incarnate**

**So in summary:**

**Consider a diamond:**

# Mother and Father Heavenly Parents

Creator Son & Daughter  
Jesus and Mary

Avonals  
as soulmate pairs

Trinity Teachers  
as soulmate pairs

Melchizediks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

**CREATION of SOUL and SPIRIT:**

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective

Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

**WE ALL ARE BEING GUIDED HOME:**

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus’ Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

**HUM:** Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

**AVO:** We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair’s guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world’s spirits.

**J&M:** We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

**M&F:** Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

**GOD**

**M&F**

**J&M**

**AVO**

**HUM**

**WE ARE Children of God**

**WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:**

**GOD**

**M&F**

For 200,000 years, we have been misled into embracing our mind’s distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.  
 We are to long for the truth of what we are feeling.  
 We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

**J&M**

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren’t allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we’re taken into new ways of looking at ourselves, our feelings, and our life. We’re setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

**By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

**AVO**

**HUM**

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

**WE ARE Children of God**

**HOW TO GET TO PARADISE:****Long for the Divine Love****Long for the Truth****Long for the truth of your feelings****Don't deny any feelings: accept, express and want to know the truth of them****Know your feelings are the key; your feelings are the Way****Want to end your falseness and being untrue****Want to understand the truth of your early life****Use your surface feelings to move deeper into yourself, bringing up your repressed feelings****Want and long to know the whole truth of yourself****Want to do it all with God, your Heavenly Mother and Father – long to Them for help.****The Key**

**Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.**

**INDWELLING SPIRIT, THOUGHT ADJUSTER,  
MYSTERY MONITOR (all being the same):**

The external elements, instruments of the Father, do not form attributes of our own soul upon its initial creation by our Heavenly Parents, these are the Spirit of Truth, the Indwelling Spirit, and Divine Love.

The Holy Spirit, conveys Divine Love to your soul should you earnestly and lovingly ask for it. This is the only function of the Holy Spirit – Acting Spirit.

The Indwelling Spirit becomes present when we are around the age of six. This means that the unseen helper of the Father and Mother – the Indwelling Spirit – can always interact with the mortal soul and to be of service so that eventually the leadings from the Spirit may be the catalyst for that soul to seek our Parents.

The Indwelling Spirit reveals intrinsic workings of Father and Mother to your soul.

The Indwelling Spirit functions in much the same way as the Holy Spirit, ask and it will provide support and guidance.

The Indwelling Spirit / Thought Adjuster only works with us on the mind, feeling and psychic levels directly with our personality on conscious and unconscious levels of reality. It is the Divine Minister with hands-on help from our attending angels that do the actual adjusting of our mind circuits – of all our circuits, even the physical if need be.

Spirit of Truth becomes active more so when you connect to the Source Soul and commence receiving Divine Love.

You are a spirit person having a physical experience. Your physical body is encased within your spirit body.

The spirit body only exists because our soul wants it to. In the fullness of love, even all our encrustments and wrongness is not actually bad, they are just the nether side of love.

So evil is literally a state of mind, and once you heal it you even feel love for your wrongness and even no longer hate it – that being full self-acceptance. But you can't contrive these feelings or level of awareness, it has to come of itself and will through the higher levels of your Healing.

# REVELATIONS

**Revelation 1:** Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively embrace our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

**Revelation 2:** We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

**Immortality with the Love.**

# FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE  
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR  
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING  
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU  
FEEL, THINK AND ARE.

## Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

**Please Mother and Father** help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

**Please Mother and Father** help me see the truth of myself through my feelings.

**Please my beloved Heavenly Parents**, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

**Please Mother and Father**, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

**Please Mother and Father help me**, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

**Please Mother and Father love me**. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

**Please make me feel how unloving I am**. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the 'dead' way; the feelings way is the 'alive' way.

### Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

**Please God** show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

**Heavenly Mother and Father**, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

**Please Mother and Father** fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

**I hate you Mother and Father**; why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

**I long for Your Divine Love** Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

**Feelings First Spirituality, The New Way**

*Feelings First Spirituality, The New Way* is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

*Feelings First Spirituality* is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

*Feelings First Spirituality* has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

**Living the New Way of Feelings First Spirituality**

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

*And to do this you need to do your Healing*

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

## **Feelings First Spirituality** **The New Way**

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

# FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

## FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

## The New Way

**Feelings First**  
**FF**  
**Feeling Free**

The New Way, Feelings First Spirituality  
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings  
 Free your feelings from your mind's control  
 Live true to your feelings; your feelings are your true self  
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.  
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,  
 BAD feelings.  
 Want to understand why you're feeling them.  
 Use your surface feelings to take you deeper into your repressed and  
 hidden feelings.

The Feeling Way is the True Way.  
Your feelings are your spiritual guide.  
Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.  
It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

**Feelings First; then comes The Truth; then comes Love.**

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. Page 72 of Vol I of True Gospel Revealed Anew by Jesus

I am here, St. Luke.

I come tonight to write you a message upon the truth of: *What the Holy Spirit is*. I know that the orthodox generally believe and classify it as a part of the Godhead, being one with and the equal of God, the Father, and not merely a manifestation of the Father, as spirit, and hence, necessarily identical with the Father, though having a different and distinct personality. In this belief and in this classification is included Jesus, having a distinct personality.

The orthodox preachers and theological writers teach that it is a fact that these three are one, co-equal and existing, and that fact is the great mystery of God, and that men should not endeavour to fathom the mystery, because the sacred things of God are His own, and it is not lawful for men to enter into these secrets. Well this declaration and admonition are very wise as men's wisdom goes, and saves the expounders of these doctrines of mystery from attempting to explain what they cannot explain, because it is impossible for them to unravel that which as a fact, has no existence.

Men of thought all down the ages have sought to understand this great mystery, as they called it, and have been unsuccessful, and as the early fathers met with the same defeat in their endeavors to understand the mystery, and, then because of such defeat, declared the explanation of the doctrine to be a secret of God, not to be inquired into by men, so all these other investigators of the church when they became convinced of the futility of the search, adopted the admonition of the old fathers that God's secret must not be inquired into, for it belonged to Him alone, and sinful man and the redeemed man also must respect God's secret. And thus from the beginning of the established church, after the death of Jesus and his apostles, was declared this doctrine of the trinity – one in three and three in one, yet only one – and made the vital foundation stone of their visible church's existence. Of course, from time to time, there arose men, both in the church, who, having more enlightenment than their brothers in the church, attempted to gainsay the truth of the doctrine and declared and maintained that there was only one God, the Father.

But they were in the minority, and not acting with the more powerful, their views were rejected; and the mystery became the church's sacred symbol of truth, unexplainable and therefore more certain and entitled to more credence. And it seems to be the tendency of men's minds, or at least of those who believe in the Bible as the inspired word of God, to welcome and encourage as the more wonderful and important and the more to be cherished those things which savour of the mysterious, rather than those which a man may read and understand as he runneth. (Habbakuk 2:2).

Nowhere, not even in the Bible (Ref \*), is there any saying of Jesus to the effect that God is tripartite, consisting of the Father, Son and Holy Ghost; and, as a fact, never did Jesus when on Earth teach any such doctrine, but only this: that the Father is God and the only God, and that he, Jesus, is his son and the [first fruits of the resurrection from the dead](#), and that the Holy Ghost is God's messenger for conveying the Divine Love, and as such, the comforter.

I know that in some of the Gospels, as now contained in the Bible and adopted as canonical, it is said, in effect, that the Godhead consists of the Father, Son and Holy Ghost – these three are one – but such Gospels do not contain the truth in this respect and are not the same Gospels that were originally written. These original Gospels have been added to and taken from in the passing of the years and in the copying and the recopying that occurred before the adoption of the same.

They, the adopted ones, were compiled from many writings, and as the compilers in those early times differed in their opinions as men do now respecting religious truths, the more powerful of these having authority to declare what should be accepted, according to their interpretations of those manuscripts that were being copied, directed the copies to be made in accord with their ideas, and I may say, desires, and announced and put forth such productions to be true copies of the originals. And as these copies were successively made the preceding ones were destroyed, and hence the earliest existing manuscripts of these Gospels came into being many years after the originals from which they were claimed to be compiled, were written and destroyed.

And I, Luke, who did write a gospel and who am acquainted with the present gospel ascribed to me, say that there are many vital things and declarations, that I never wrote and that are not true, contained in it; and many truths that I did write are not contained therein – and so with the other gospels.

In none of our Gospels did the mystery of the Godhead appear, and that for the reason that there was not and is not, and we did not teach that there was any Godhead, composed of three personalities. Only one God, the Father. Jesus was a son of man in the natural sense, and a son of God in the spiritual sense, but he was not God or a part of God in any sense except that he possessed the Divine Love of the Father, and in that sense was a part of His Essence. The Holy Spirit was not God, but merely His instrument – a Spirit – the Holy Spirit.

As you have been informed, the soul of man existed prior to man's creation in the flesh, and was the only part of man that was made in the image of God. It existed in this pristine state without individuality, though having a personality, and resembled the Great Soul of the Almighty, which Soul is God Himself; though the soul that was given to man was not a part of the Great Soul, merely a likeness of it.

Some of you mortals have said that man's soul is a part of the "Oversoul," meaning the Soul of God, but this is not true, and if in any of our communications it has been said that the soul of man is a part of the Soul of God, and I mean while it existed before its incarnation, our saying must not be so interpreted. The ego of God as may be said, is the Soul, and from this Soul, emanates all the manifested attributes of God, such as power and wisdom and love – but not jealousy or wrath or hatred, as some of the writers of the Bible have said, for He possesses no such attributes. The ego of man is the soul, and in his created purity and perfection from his soul emanated all the manifested attributes belonging to him, such as power and love and wisdom; and neither were jealousy nor hatred nor wrath attributes of his before his fall.

It is said that man is composed of body, soul and spirit, and this is true. From your life's experience you know what the body is, and I have told you what the soul is, and now the question arises, what is the spirit? I know that there have been for centuries great differences of opinion among theologians and other wise men as to what the spirit is; some contending that it and the soul are the same thing, and

others, that the spirit is the real ego of man and the soul something of less quality and subordinate to the spirit, and others having other views, and all wrong, for as I have said the soul is the ego, and everything else connected with man and forming a part at his creation when he was pronounced to be "very good," is subordinate to the soul, and only its instrumentality for manifesting itself.

As Jesus has told you, the spirit is the active energy of the soul and the instrumentality by which the soul manifests itself; and this definition applies to the spirit of man while a mortal as well as when he becomes an inhabitant of the spirit world. The spirit is inseparable from the soul, and has no function in the existence of man, except to make manifest the potentialities of the soul in its activities. Spirit is not life, but it may become an evidence of life – it is life's breath.

And as man was created in the image of his Maker – and as spirit is only the active energy of the soul, by the application of the principle of correspondences, which one of your former psychics declared to exist, it may be assumed and it is truth, that the Holy Spirit is the active energy of the Great Soul of the Father, and, as we know from our experiences and observations, is used as the messenger of the Father to convey to mankind His Divine Love. And I do not mean to restrict the mission of the Holy Spirit to mankind in the flesh, for it also conveys and bestows this Great Love upon the souls of the Father's children who are spirits without the bodies of bone and flesh, and who are inhabitants of the spirit world. And so, it is a truth that the Holy Spirit is not God and no part of the Godhead, but merely His messenger of Truth and Love emanating from his Great Soul and bringing to man Love and Light and Happiness.

So you see there is no mystery of the Godhead, and no secret that God does not wish man to know and understand, and no truth that it is contrary to God's laws and will that man shall search for and possess. It is said that God is Spirit, and it is true; but spirit is not God, only one of his instruments used to work with mankind and the spirits of men. To worship the instrument is blasphemy, and only God alone must be worshiped. Jesus must not be worshiped as God, the Holy Spirit must not be so worshiped, and the sooner men learn this Truth and observe it the sooner they will get in at-onement with the Father, and please the master, who, as some may not know, is the greatest worshiper of the Father in all his universe.

I have written longer than I expected, but I hope from my message many mortals may receive the truth, and believe that the Holy Spirit is not one of the Godhead, and that the mystery of the Godhead is a myth, without body, soul or spirit, and that there is no truth in all God's universe that man is not invited to search for and understand and possess.

I will now stop and in doing so, will leave you my love and blessings, and will pray the Father to send the Holy Spirit to you with great abundance of the Divine Love. Good night and God bless you until I come again.

Your brother in Christ,

Luke

\*Comma Iohanneum

(1 John 5:7):

Robert Estienne, when editing his Bible, used the text of Erasmus and the Complutensian Bible as basis. Both of the texts had the Comma Johanneum. First, Erasmus didn't print it in his edition of the Greek NT. But since the editors of the Complutensian Bible criticised him on this point, he promised to insert the verses if one single Greek manuscript could be found that contained the passage. The manuscript shown to Erasmus appears now to be written in the beginning of the 16th century. Erasmus kept his promise, and inserted the passage (although he indicated in a footnote his suspicions about the manuscript). Among the thousands of Greek manuscripts examined since the time of Erasmus, only three others do contain the passage. One is from the 12th century, another from the 16th century and a third one from the 14th or 16th century. The oldest known citation of the Comma is in a fourth-century Latin treatise entitled *Liber apologeticus* (ch 4) attributed either to Priscillian or to his follower, Bishop Instantius of Spain. The Comma probably originated as a piece of allegorical exegesis of the three witnesses and may have been written as a marginal gloss in a Latin manuscript of 1 John, whence it was taken into the text of the Old Latin Bible during the fifth century, while it's only in the 8th century that it inserted in the Vulgata. . The passage does not appear in manuscripts of the Latin Vulgate before about A.D. 800. But from Erasmus on, through Stephanus, it made its way in the Textus Receptus.

### HOLY TRINITY !

**The Holy Spirit is an instrument of God, being a spirit of the highest order, not God. Jesus is a son of God, just like each and everyone of us.**

**Two aspects of the holy trinity are based on errors. There is no holy trinity. There is only GOD and it is one GOD.**

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.**

# ENOUGH IS ENOUGH

Andon and Fonta, our first parents to long for our Heavenly Parents, lived nearly 1,000,000 years ago. Naïve humanity was seduced by high spirits, the Lucifer pair, to believe they could be gods through their minds, thus men subjected women to subordination 200,000 years ago. This was added to by the default of the Adamic pair more than 38,000 years ago when they failed in their mission.

## REBELLION & DEFAULT 200,000 YEARS

When Jesus with Mary achieved their full Regency of Nebadon, in 26 CE, they immediately had the Lucifer and Satan soulmate pairs assigned to a spirit world prison. Since then, the Creator Pair have been preparing for the end of the Rebellion and Default for humanity of Earth. The Avonal Pair now on Earth, once commencing their Healing, brought about the imprisonment of the Caligastia and Daligastia pairs in the early 1990s. As the Avonal Pair advanced with their Healing they brought about the formal end of the Rebellion and Default, on 31 January 2018. It is now for all of humanity to embrace the Spirits of Truth of the Avonal Pair and undertake their healing of the imposts of the Rebellion and Default.

## Avonal AGE 1,000 YEARS

Spirits of Truth of the Avonal Pair will guide us through our Feeling Healing and into the Celestial Heavens with Divine Love, then the Spirits of Truth of the Creator Pair will lead us through the Celestial Heavens and out through Nebadon towards our Heavenly Mother and Father in Paradise.

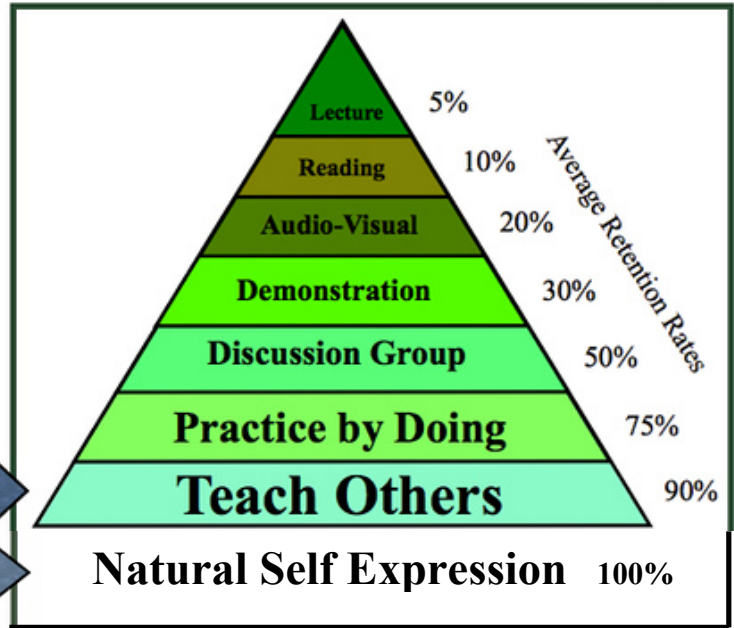

Each generation of 25 years or so will see marginal embracement of Feeling Healing, however 1,000 years will achieve universality.

A few will complete their healing during their lifetime but for many it will be incremental.

Universality of Feeling Healing with Divine Love will see the mitigation of discomfort, pain and illness as well as the imposts of global warming and Earth changes. As those events are to ensure that each of us embrace our feelings, both good and bad, down to the very core, so that we fully come to know who we truly are. Sciences will endeavour to remove pain only to see disease manifest in different forms. Earth disturbances are a result of the Harmonic Convergence of the late 1980s, increasing the rotation of the Earth's central core, this will only abate when humanity has universally embraced Feeling Healing. These influences are only imposed upon us so that we do not step back into the Rebellion and Default through complacency. Live Feelings First. We are to become the true personalities we are, that being daughters and sons of our Heavenly Mother and Father.

Let me say just a word as I am very much interested in the truths of the message which Luke has just written you; and I was present at the church (Metropolitan Protestant Church, Washington D.C. ) where the minister discoursed on the subject of Paradise, and Luke was also present; and as I realized that something that the preacher said, suggested to Luke the subject of his [message](#), and as I am very much interested in the people of that church, as I at one time was pastor there, I desire to add just a few words to what Luke has so truly and plainly expressed.

The doctrine that the preacher proclaimed tonight, I often declared when I was minister there, and as I at that time believed those doctrines to be true, and know the preacher is equally honest in his beliefs. But, alas, my beliefs were erroneous, and as it took some years of suffering and disappointment for me to unlearn these errors and learn the truth, so will he have to go through the same experience, unless, before the time of his leaving the physical body, he learns the truth.

And so with many of his congregation who are earnest and honest seekers of the truth, many of them having in their souls the Divine Love of the Father. And the pity is that there is no way of reaching him or them with the truth, for I know that they would not give heed to what you might say to them, and would look upon you as an impostor or crank. But, nevertheless, in the future some way may open up that these truths may reach these people, and as I have their interests so at heart, and feel that the influence of my teachings still linger in that congregation and produce only error and belief in that which is not true, I desire to add my confirmation to what Luke has said, and if his message ever reaches them I hope my message may also come to them. It is part of my penalty for teaching erroneous doctrines that I should work to have my people unlearn their teachings of error, and to be able to reach them in this way would give me not only great happiness, but relief from my penalty of regret.

I will not attempt to recite what Luke has said, for I could not make it plainer, but I do desire to say to my people that what he said is true and they must believe. Sometime I should like to come and write you a long message on a subject that has had the object of my consideration for a long time, and which to me and to many in the Earth life is a very vital matter. I will not write more tonight, and thank you for your kindness in letting me write. Well, I am in the Seventh Sphere and am very happy in my love and surroundings, but I realize that if I had known the truth as I now know it, I would be much further advanced. Oh, I tell you the hampering of the soul's progress by a life time of erroneous beliefs is a terrible thing. I will say good night and God bless you.

Your brother in Christ,

Bishop Newman.

**The BEAUTIFUL MIRACLE:**

5 Oct 2012

**The DIVINE UNIVERSE**

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union complete. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other and one is living in the presence of the Father in perfect harmony and this clarifies the truth about what it means to be truly at-one with God.

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

**Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.**

### **Why Jesus does not attend the battlefields where the scenes of carnage exist.**

I am here, Jesus.

Of course, the scenes in which I was represented ([from the movie "Civilization"](#)) are creatures of the imagination, and intended to impress upon the observers of these scenes the belief or thought, that because of my teachings of peace and good will to men, I would necessarily be interested in those things that violate my teachings, and, consequently would be present at the fields of battle and the destruction of human life. But I may surprise you when I tell you that I do not visit these scenes, because my mission as a spirit is not to help those who fall in battle and come to the spirit world as the result of war's destruction and murder of human beings. There are many spirits whose duty it is to look after the spirits of those who are so suddenly ushered into the spirit world, and to help them to a realization of their changed conditions, and to lead them to the knowledge that they are no longer mortals. These spirits are specially designated for this work and they comfort the unfortunate spirits and help them to recover from the shock of their violent and sudden transformation.

This work, as you may say, is a material one, that is the one that helps these spirits come into possession of their spiritual faculties, irrespective of the question as to whether they are fitted for heaven or for hell. In other words, they work to make the coming of these spirits as free from the terrors which such sudden transformation might cause, as is possible. This work is a necessary one, and one which is a part of the plan of the Father for the welfare and happiness of His children, without regard to the fact that they know not His love and mercy.

But my work is different. I deal only with the souls of men irrespective of their spirit condition, that is of the condition of spirit as mere spirit. On the field of battle the souls of men are not generally open to the influence of my teachings, and my work is not among the physically dead, but among the living who are in that state of mental and soul equipoise to receive the influences of my suggestion and love. No, the field of battle is not my place of work, and the killing of men and the carnage of war do not attract me or have for me the opportunities to do the great work, that I am leading the spirits who know the reality and the necessity of the Divine Love, to do.

I am interested in the peace of mankind and the love of one brother for another, and my teachings on Earth and in the spirit world are given for the purpose of bringing about this peace. But the wars of nations or the hatred of battles will never result in bringing peace, merely because of the horrors and desolation that flow from such wars and battles. Men may think that when mankind looks upon these things of destruction, it will also look upon them with such horror and dread, that never again will war take place, and that only peace will follow and forever remain the heritage of men. But I tell you that in this they are mistaken, for in the passing of a few years all these things will be forgotten, and then, men's hearts being the same, with all the hatred and envy and ambition that existed in the hearts and minds of those who were responsible for the forgotten wars, these things will be repeated, and the fact that men are of the same carnal minds and desires will be demonstrated.

As long as men remain in their condition of sin and have only what some may call the brotherhood of man to restrain them from seeking to satisfy their ambitions or to gratify their desires to punish fancied wrongs, wars will ensue and the horrors of such conflicts will reappear on the face of the Earth. Men will cry peace, peace, but the world will know no peace, and poor man will suffer the recurrence of the results of the workings of his evil nature.

And hence, you may understand that I am not so much interested in having peace come to man as a result of the horrors of war as I am in having it come as the necessary result of the transforming of men's hearts and souls from sin to purity, from the merely natural love to that of the Divine Love, for when this latter love is in men's souls, they will not cease from war and hatred, and carnal appetites will not be satisfied, because of the horrors that may attend these things, but because of the love that exists in their souls, which will not permit wars. Love will rule and men will forget hatred and all things which now form a part of their very existence. My work is to change men from the fallen man to the possessor of the Divine Love.

Also, am I trying to teach men that originally they possessed a love that in its pure state would lead them from these things of hatred and war, and that their only salvation, outside of the possession of the Divine Love, is to again obtain this pure love – the purified natural love. But strange as it may seem to some, it is more difficult for a man to regain the state of the purification of his natural love, than to obtain that greater purification which comes with the possession of the Divine Love. I see that many centuries may pass before man will attain to this state of purification of his natural love, that will enable him to say that because of his love, wars cannot come again and peace must reign: and hence, the great necessity for him to know that only with the coming of the Divine Love will come the impossibility of war and strife – individually and nationally.

So, when it is written or portrayed in pictures that I am on the fields of battle trying to show mankind the horrors of war, or that I am weeping over the slaughter of men, such writings or portrayals are not true. My mission is to reach the souls of men, as individuals, and turn them to the Love of the Father, and my weeping or sorrow is, when men will not listen to the voice that comes to them all, as it calls them to turn to the Father and Live. A dead body is of small consequence as compared to a dead soul, and there are so many that pass into the spirit world bring with them their dead souls. As the dead bodies lie on the fields of carnage, I know that there is nothing there that needs my help or sympathy: and the souls that leave these bodies are not in condition, at that time, to listen to my ministrations or consider their future existence. So you see there is no reason why I should visit the battlefields or try to help these newly born spirits, as I may describe them. No. Jesus, the elder brother, is not the physician for the mangled or wounded bodies or for the souls that come into the spirit world filled with hatred and antagonism at the time of their coming.

Physical death in view of eternity is not of much moment, and while I know that to the ordinary mortal it is one of the most momentous of their existence, yet as I say, it is of comparatively little importance. But, oh, the importance of the death of the soul, and the great necessity of striving to awaken that soul to life! Well, I have written enough now, and will stop.

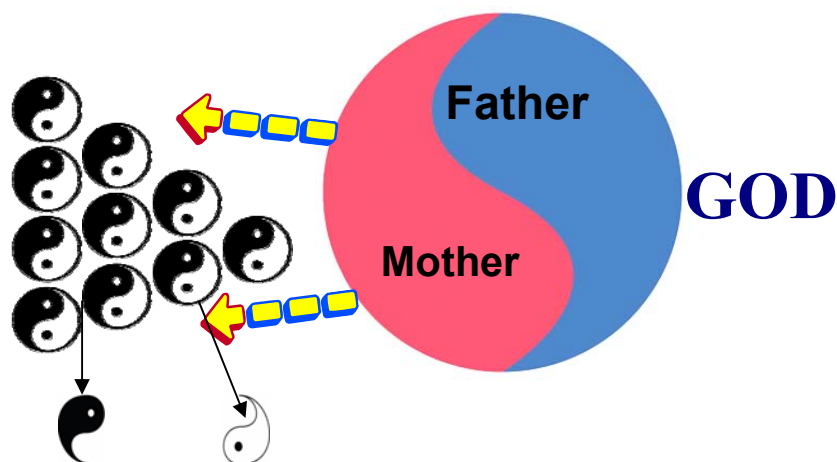

I see your friend with you and I must say to him that I am with him very often, and am pleased that he has arisen from death to life, and that the battle field on which he has fought the fight of the soul is larger and more terrible in its aspects and evidences of carnage and destruction than the field of battle

that is now destroying the physical bodies of so many of mankind. I mean that the whole world is the battlefield of the soul's fighting, and if men could only see the results, as they see the results of the war that is now shaking the whole Earth, they would understand that the great war is not the one that is causing so many dead souls to enter the spirit world. Give him my love and blessings. I will come soon and write you a message of truth. So with all my love and blessings, I am

Your brother and friend,

Jesus

## **DIVINE LOVE HARMONY:**

**Immortal harmony:**

**Transformation of the soul is a beautiful harmonious gradual awakening.**

**In a gradual way with the Divine Love and Feeling Healing, as changes in the soul and spirit body occur, these changes will result in the personality slowly accepting the source of these changes as being the Soul God and with the independent will, one can have complete acceptance of our Heavenly Parents, Mother and Father, God.**

**People have loved God and felt loved by God and they have in deed received the Divine Love without ever knowing the truthful identity of this Love insofar as the truths relating with its causality in the human soul and affect upon the spirit-mind.**

**Part of the nature of the Divine Love in our souls is that it activates our spirit body systems and soul so that the nature of God is seen and experienced in the living and this places us in touch with the many Spirit attributes that extend from God and have their existence in God, such as our Indwelling Spirit. God no longer remains inactive to us; inert, inanimate, or an unknown but rather a Soul of living energy whose energy in the harmonies of Love and Spirit, is personified as love that we experience. If I can convey the essence about the nature of Divine Love it is that in its energy, exists the harmony and potential so that one can see the potential that this Love brings to bridge the gap of separation between the individual and God by the harmonies of soulfully living.**

**The Divine Love completes the form of the human being.**

**In essence, one need only direct their soul and the heart of their soul to our Heavenly Parents, the Soul being God, and in this faith one can experience the Love by humbly asking for this Love. This is all that is needed and the touchstone upon the Love's approachable nature.**

**The Love is never harmful or given by God that results in a caused effect of disharmony in the individual. The diversity of human individuality is a great characteristic of human nature and as with experience, one needs experience to ascertain a truth about a certain thing. Experiencing the Love provides a substantiated knowing from which a more objective reasoning follows and a maturity happens.**

I am here, your own true and loving Helen.

What a wonderful message you had [from the Master](#), and how earnest he was when he was writing. The glory of his countenance was blinding to even us, and the love that seemed to possess his very being was beyond our conception. He was truly the beloved son of the Father, and the spirits present were bathed in his love to such an extent that they seemed to partake of his glory. Oh, my dear, it was all so wonderful!

I am here, Jesus.

I come tonight to tell you that you are in a better condition to write than you have been for sometime and I think it best that I deliver to you a message. Well, I will write on the subject: *Of the destiny of the man who has not the Divine Love in his soul, and dies with only the natural love and a belief in the creeds and dogmas of the churches.*

I know that many men believe that the creeds of the churches is what is necessary for the salvation of mankind. I mean as to baptism and observance of the sacraments, and the belief that in my name men may be saved – are sufficient and all that are necessary to ensure them an entrance into the Kingdom of Heaven; and in such belief rest, with the feeling of assurance that nothing else is required or in any way to be sought for and acquired.

The large majority of professing Christians are in this state of belief, and hence the greater number of mankind will not enter the Kingdom of Heaven, or become in their natures Divine. I have already told you what is the future of those who possess this Divine Nature of the Father, and now I will confine my message to the future of this great majority.

As you may know, **the river can never run higher than its source** and neither can this majority attain to a perfection and happiness superior to that which was possessed by man before the time of the fall from the state of his perfect creation, and hence, no matter how great his progress may be in his natural love or in his moral or mental qualities, he can never excel (exceed) the first created man as he was before the fall. And the only possible future for this vast majority is the condition and development that existed in the perfect man of God's first creation.

I know it is said that man has in him that which is a part of the Divinity of God, and that by his own efforts he may develop that Divine Substance until he becomes Divine himself, and of the nature of the Father. But this is not true, and it is not possible to develop the Divine Love or any Essence of the Divine out of that which has not (that) in itself, (and) there is nothing of the Nature of the Divine (in man). In the spirit world, and I mean the spiritual as well as Celestial, laws prevail, and are just as certain in their operations as are the laws of the material world and a fundamental law is, that only like produces like; although in the physical world it may appear that a derivative is not like that from which it is derived, but this is in appearance only, for in substance and essence the likeness exists and cannot be eradicated.

And so as to the real condition of the soul of man. If he has only the natural love – the created love – the development of that love will result in that which cannot possibly be greater or other than that which in its constituent parts is only the natural love, and no matter what the perfection may become, the Divine element is absent, and all the limitations that are inherent in the created being still continue to form a part of and control that being. There is a limit to the development of this natural love and to the state of

happiness beyond which it is not possible for this being to go, and that limit is the qualities and excellence possessed by the first man before he became defiled and impregnated with sin. The mind of such being is also limited in the progress which it may make in obtaining knowledge, for that mind being a thing of creation is bound by the limitations that that creation imposed.

So I say, such a man can never progress higher than those attributes or qualities with which he was endowed when he was the perfect man, either spiritually or mentally, unless he seeks for and obtains the Divine Love. When spirits come and write that life in this spirit world is always progressive, these spirits who write, have never attained to this limit of which I speak and hence to them progression is endless; and this belief is very beneficial, because it inspires them to make an effort to progress.

There are many spirits in this perfect state in the highest sphere of natural love or mentality, but they are spirits who have been in the spirit world for a vast number of years, and are what you might call ancient spirits. These spirits have realized this limitation of which I write, and while they can change the objects of their seeking and the sources of their happiness, yet their progress has its ending, and often there comes to them dissatisfaction and a realization that over and beyond their sphere, there must be something that may be obtained, that surpasses their perfect state and development. And as a result of this dissatisfaction many of these spirits, in moments of their unrest, give heed to the suggestions of those spirits who have become possessed of the Divine Essence, and upon whom (there) is no limitation of progress; for these latter spirits are at all times in the highest sphere of these spirits of perfected natural love, trying to show them the way to the higher development and happiness of the Celestial Spheres.

It may seem surprising to you, but it is a fact, that these spirits of the natural love, during their periods of progression and especially as they make nearer approach to their perfection, in the satisfaction and happiness that they experience in that progression, will not listen to the spirits of the Divine Spheres, or believe that there can be any other methods of progress more desirable or excellent than the ones that they are pursuing, and only when they come to realize the dissatisfaction that I speak of, will awaken to the fact, or consent to be awakened to the fact, that there may be a way that leads to things beyond their limits of progress and the perfection that they may have acquired. So, as I say, the higher the progress of these spirits and the farther away they advance from the Earth plane, the greater the difficulty in persuading them that there is a state of perfection and happiness surpassing that which they are seeking for, and a way, different from the way they are pursuing.

As these spirits progress in their natural love and in the development of their created minds, much happiness and satisfaction come to them, and in each stage of progress, so much greater do these experiences become, that they readily conceive that there can be no way superior to the one that they are travelling, and, hence, having such belief, the difficulty of convincing them to the contrary, becomes almost insurmountable. As a consequence the spirits of the Celestial Spheres and those of the spirit spheres, who are progressing in the Divine Love, give the greater part of their time and efforts to convincing spirits of these higher truths while they are in the Earth planes, before the happiness that I mention is experienced.

The life on Earth and that in the Earth planes of the spirit world are the states in which the souls of mortals and of spirits have the best opportunities for learning and believing these truths that show them the way to the progression that is without limitation or ending, and hence, the importance of men

knowing these truths, and of spirits also, before they experience the satisfaction and pride, I may say, that the advancement in the development of their natural love and mental and moral qualities gives them.

Until the time comes when the Father shall withdraw from man and spirit the privilege of obtaining this Divine Love and Essence, which time will bring the second death, these spirits and all spirits and mortals will have the opportunity of seeking for and finding the way to the Celestial Spheres and Immortality. But after that time this privilege will no longer exist, and then those spirits and mortals who have not found and followed the way of that privilege, will be and become only the perfect beings, as were their first parents. They will have no assurance of Immortality, or even continuous life, and that dissatisfaction and longing for something unknown, will be theirs.

They will remain only the created beings in spirit body, soul and mind, and as the first parents had all the qualities that these restored men will have, and fell, and why may it not be that they will fall (or) that there may come some change in the individualized spirit that will destroy that individuality and dissolve it into its elements of pre-creation? No spirit knows that such a change will take place, that the perfect spirit will not always retain the same individuality, or that the happiness of such spirit will not always exist. And neither does any spirit know that these things will continue to be.

Then why should he not choose that course which leads to Divinity and certainty of Immortality and progress, rather than the one which leads to limitation of progress and happiness, and to uncertainty of Immortality?

I have written enough for tonight. I will come again soon. So remember that I love you and am with you trying to help you spiritually and that I pray to the Father to bless you.

Good night.

## What Is Soul Condition?

Soul condition is the sum total of:

- Your passions, desires, longings, moral beliefs, moral condition, aspirations, pursuits, emotions, feelings, intentions, loves, dislikes and hates, fears, religious beliefs, scientific beliefs, love beliefs, mental aspirations and beliefs (which come from soul beliefs, but are often in disharmony with soul beliefs).

Soul condition can be changed by experiencing the following emotionally:

- Longing for, receiving and acting in harmony with Divine Love – Transforms the soul into a new being.
- Longing for, receiving & acting upon Divine Truth – Allows Divine Love to flow into the soul.
- Learning repentance and receiving Divine Forgiveness and Mercy – Removes Karmic soul damage.
- Having Faith – Raises the soul's awareness of new conditions and state.
- Growing Desires and Passions harmonious with Love – These desires and passions can be nurtured.
- Learning and applying lessons in Natural Love – How we treat others and ourselves.
- Releasing passions, desires, emotions, feelings and beliefs disharmonious with love.
- Releasing painful emotions that are the result of the Law of Compensation (Karma).
- Bringing actions in harmony with love (either Natural or Divine). This removes further Karmic effects.
- Changing intellectual beliefs, thoughts, words, actions, since these feed new desires, emotions, and loves.

**SOUL resides outside of the SPIRIT BODY:**

The soul is a most durable and strong structure. We all have one and all are learning about the soul that we have. When it incarnates it enters into the wonderful process which simultaneously sets in motion the creation of a spirit body that enshrouds the developing physical body and the pre-existent soul. The soul is an incredible structure as it brings with it almost unimaginable potential which includes the talents and passions of an individual.

The soul contains all of the elements that make a human a human. Therefore it contains the elements which modify and direct the expression of emotion in humans that give humans their individual qualities. Despite the variation of emotional expression in different cultures there is a great uniformity of emotional expression throughout humanity. When an emotion is expressed truly by any person it is capable as being recognised for what it is by any other person.

In small children and babies, the expression of emotion is initially quite simple but recognisable and develops as the child grows and is profoundly influenced by the relationship with the closely attending persons be they parents or others. The small child learns a lot by following and aping what is done by other children and adults so it learns patterns of expression of emotion and learns the acceptability or otherwise of emotional expression. It is taught what is ‘right’ or ‘wrong’ in its immediate environment so there develops a great variety of emotional expression and repression.

The spirit body and the soul are inextricably joined and remain so during existence. While the soul is incarnate, the spirit body and physical body act as though inextricably entwined although this is not truly so. The spirit body and soul are always a virtual single unit which then extends this function to include the physical body.

The soul is displayed by virtue of the development of the human personality and its qualities. The physical body is created with all of its physical elements the shape and function of which are largely determined by its human heritage as provided by its physical parents. Even though the soul has all of its potential in every individual, the fullness of its expression in any individual is directed to some degree at least by any limitations of physical and mental structure although these are not, of themselves, absolute in their effect. By that I mean that a soul which is developing powerfully can shine through and transcend what seem like insurmountable physical and mental odds. This means of course that a human who might appear to be greatly hampered by their human heritage is capable of great soul development while on Earth. There is great individuality in this as in all things human.

### DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

## PERSONALITY

Our soul is the centre of our personality.  
We are children of our Heavenly Parents.  
Our soul manifests a male and female personality - it is a duplex!

### The REAL YOU is the SOUL:

One's personality, natural intelligence, memory and human attributes all are soul based. The soul initiates conception so it can start expressing one of its two personalities in Creation. It creates the will, then 'wills' the spirit body and physical body and all that connects them with the will into being. Our soul constantly sustains or expresses us, one of its two personalities, in Creation. The spirit can't separate from the soul because the soul keeps it in existence. We need our spirit and physical bodies to experience our personality through. When the spirit body separates from the physical body, one continues on living in a different form without losing any of the attributes experienced during physical life. Incarnation is the process of individualisation of the soul.

Without a soul, our physical bodies would function and interact similarly to that of a domestic animal. An unsouled human body (thought not possible) would respond like a household puppy! Domestic animals calibrate on Dr David Hawkins' Map of Consciousness between 200 and 250, the human body calibrates at 200. All animals have spirit bodies, these do not survive into the spirit Mansion Worlds. Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

**Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some one million years ago (993,500 years ago). Adam and Eve, Adamite bestowals, arrived some thirty eight thousand years ago – or earlier.**

**Aman and Amon** were the first True Humans, which means, the first soul expressing its soulmate pair, its two personalities, in Creation – on Earth. From which came forth the rest of us. So they had a soul from the start, which separated them from their animal parents. It's the soul that wants to fully express itself through its two personalities perfectly in Creation, which is the so-called 'human perfection hunger'. It, our soul, wants to be Perfect like its Heavenly Parents, the Soul that Created it. We, focused as personalities, want to be perfect, like the Personalities of our Mother and Father that are Perfect. Our soul wants to be like Their Soul. Our soul wants to ascend us to Paradise so we can be with Them, as physically close to Them on a personality level that we can be, and then see what happens.

There were aunts and cousins, parents and grandparents. But they were not human like Aman and Amon – they were really animals, though of the same species. Aman and Amon wandered off from the family, since they could find no way of relating to them at all. How could they? They were incapable of rational thought, speech, or anything human. Aman and Amon knew that forevermore that they were apart.

Aman and Amon may have been twins. They were indeed a primate species of humanoids. But they, themselves were more beautiful than their animal relatives, and they knew, even from their very appearance, that they were marked even by Nature to be different.

Feeling Spirituality – looking to your feelings for your Truth

The only way to the Truth is through your own feelings

This is my first writing with the Father on the beach up North at the whale and dolphin conference. (I thought it was much longer, but I must have inadvertently sent the rest back to God. I vaguely remember years ago I had a big clean out trashing most of my hand written stuff along with my earlier computer attempts. My writing was woeful back then (I hope it's improved through my Healing years), and there wasn't anything in the work that I've not brought up to date and expanded on during later years.)

**November? 1990 – With My Heavenly Father**

James my child, I ask of you to do only one thing for Me, and that is to ask Me for My Divine Love. I want you, if you are willing, to long to Me for My Divine Love always, to keep your heart focused on Mine so that one day we will be able to achieve the union of love that I have destined your soul to make with Mine.

Pray to Me with all your hearts longing for My Love. And remember that it is My Love alone that can ascend you through the Heavens to finally be with Me on Paradise. It is through the partaking of My Love that you will come to know Me as you come to know yourself. There is only one objective, there is only one Great Love, to be Divine as is My Love.

As My Son, Jesus, has informed you through His messages and those of the Celestials contained within The Angelic Revelations of Divine Truth, ask Me with all the sincerity of your heart for the inflowing of My Divine Love. Ask Me to direct My Holy Spirit, the carrier of My Love, to come to you – your soul, so that it may be filled to overflowing. I want you to have as much of My Love as you can in any one moment. I want you to have it always, and as much as your soul can manage at any one time. I want you to become of my Divine Essence, for I want you to become just like I am, Divine. I want you, and when I refer to you, I always mean you – your soul, to become as I am in My Divinity, Perfect. I am perfect, and I want you to be just as perfect as I am. I want you to live in and with My perfection of soul. I want your soul to be perfect, even as I am perfect, that being, perfect in Love.

James, as I have told you many times before, I want you to love Me as I love you. I want you to be of My Love and nothing more. I want you to long to Me to saturate your soul with My Divine Love. Long, long, long and then long some more.

I know in your state it is very difficult to maintain a steady and constant focus on Me, and to keep your will adhering to its longing for My Love, but just try as much and as often as you can. The more of My Love you receive into your soul the easier to stay with Me it will become. I am with you always, I have never been anywhere else, but you have not always been with me, and yet it is for us to be together forevermore that I seek and long for from you. For you to be with Me, your Father in Heaven, the Father of your soul. I want you to get to know Me, as you get to know yourself. I already know you, yet desire that you become fully yourself, so that we can once again relate personally and intimately together as if we are one.

Your Loving Father of Heaven, and Father of your soul.

## The Gift that keeps Giving

*A general universal platform on how to experience Divine Love*

As more people become aware of the *Divine Love*, how to experience the Divine Love required a need to provide a general universal platform that is simple yet an effective way for one to experience *Divine Love*. People may learn about the availability of *Divine Love* by word of mouth or from reading literature that introduces this gift for our soul, and also by participating with group dynamics where the *Divine Love* is introduced and discussed. The essence of this standard platform is its independence so that the individual may feel guided to include this simple platform in their daily life and experience of *Divine Love*.

The platform introduced here is a technique that is simple, constant, practical and has been utilised in the general public for over 20 years with good consistent results, accommodating participants and their diversity of belief and cultural background. This platform is a reliable place to begin with the experience of *Divine Love*. It needs to be confirmed that accepting *Divine Love* rests with our soul and heart and that to experience this Love will comfort one in their individual faith experience as we all aspire toward the greater reality of Love, Truth and Spirit.

### A Universal Platform on How to Experience the Divine Love:

Firstly, you are aware now that you can experience the *Divine Love*.

Find a comfortable chair; sit down in a relaxed and normal position.

Close your eyes and take 3 deep single breaths in through your nose and out through your mouth to clear energy and to relax into this experience. Have a little faith and proceed without great expectations.

Gently turn your inner heart and voice to the Soul, God in faith when you feel ready, ask the Soul, God with your own loving voice for an inflowing of *Divine Love*. Having asked sincerely, there is no need to continuously ask. The Soul, God hears sincere love in the asking and so The Spirit that brings the Love acts, and *Divine Love* is now flowing.

Having asked once, you will be receiving the *Divine Love*.

Proceed without expectation on what will happen as you experience the Love.

Sometimes your mind may wander – or there are thoughts, feelings or physical sensations. Experiencing the *Divine Love* is never a forceful experience.

Continue for as long as you feel you would like to. This may be for 5 minutes or 20 minutes or an hour. Time will vary for the needs of the individual or group.

Take another few deep breaths to assist your focus. Give our love to the Soul, God and in our own voice inwardly say this Soul, God that you love this Soul and are grateful to receive this *Divine Love*.

Then when you feel ready, open your eyes and take another deep breath or two, and this closes the experience.

#### Some helpful hints:

- This general universal platform on how to experience the *Divine Love* is uncomplicated. Some people have utilised this platform for over 20+ years, never needing to change.
- The essence of this standard platform is to experience the *Divine Love* in a comfortable way therefore this technique needs to be simple, effective and inclusive.
- Experiencing the *Divine Love* can be a long-term experience so to have a practical, simple, functional standard platform solves a lot of problems about *how to experience the Divine Love*.
- From this general platform people who like prayer or meditation, reflection, spirit communication, or just being *in* and *with* the Love can extend their experience from this standard position.
- Lastly, enjoy! And know that when a person is experiencing the *Divine Love* that one is in the tender care of the Soul God, and that no spirit interference will happen, for no spirit can interfere with the Sovereignty of *Divine Love*, which is God's Alone!
- Enjoy, Celebrate and Shine!

## **The Only Prayer That Man Need Offer to the Father:**

**The Prayer for Divine Love**

(as given within the first century)

2 Dec 1916

I am here, Jesus

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

**P.438 Book of Truths through James Padgett / Jesus**

Let your prayer be as follows:

**Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.**

**That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.**

**We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.**

**Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.**

**Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.**

**Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.**

**We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.**

**We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.**

**Amen**

**MoC**

Note: The 'false teachers' are our parents, as they are also the 'evil ones'. Also, the evil ones, being those parts of one's mind, that are controlling you.

**JESUS' GOSPEL in FEW WORDS:**

It is easy to summarize Jesus' gospel in few words: "God is Love. They offer Their Love to all Their children, that is to say, to all humanity. Moreover, They are always a personal God who invites us to enter into contact with Them, should we wish to do so. They will listen to us and They will answer."

God is the Source of Truth. And if you want to discover Truth, go to the Source, and do not be satisfied with second or third hand information.

The only way to find Truth is to experience it for yourself and in yourself. What you may experience, and thus verify, in your heart — is a great truth. Judas 6 May 2002

Man is composed of three essentially different parts: the physical body, the spirit body, and the soul. Of these three components, the physical body is characterised by its fleeting nature, for the numbered days of its existence. In fact, it only fulfils the purpose of integrating the soul into a material world, facilitating the interaction of man's spiritual part with the coarse matter environment that surrounds him.

The spirit body is composed of a different kind of matter, "finer" or more "ethereal". The fact that its aspect reflects the condition of soul is a clear indication that the soul influences largely its formation, and even more, the soul is indeed the creator of this body, which covers it and provides it with the characteristic of individuality. The formation of the spirit body begins at the moment of incarnation of the soul in the foetus, incarnation which only takes place should there exist a high possibility that the spirit of life has found in the new organism a stable biological structure, allowing it to carry out its life-giving function.

The soul, lastly, is man's only part that resembles its Creator. This why we also refer to God as the Great Soul or the Oversoul.

When the human soul receives the Love of God – His Essence – it becomes a divine soul. This is called soul transformation, culminating exactly at the moment when this process consumes the last vestiges of the natural soul, in the New Birth. Judas 8 May 2002

Our message is simple: God is Love, and He shares it with all who so desire. Judas 13 May 2002

God is Love and is willing to share this Love with all His children, that is to say, with all humanity.

The Heavenly Father's Love is not a simple feeling, but rather it is His Substance, or the Essence of Divinity, that distinguishes itself by attributes, as any substance does, and what we call "unconditional love" is but one of these attributes. Judas 16 May 2002

**UNIVERSALITY of our HEAVENLY PARENTS' GIFT:**

**By embracing the eleventh commandment:**

**"This is my commandment, that ye love one another even as I have loved you."**

**Golden Rule: that one must always honour another's will as one honours one's own.**

**Our soul condition steadily grows in love so that we step away from:**

**Any harm that we may cause to others which will also bring about consequences.**

**Also as our soul development progresses, our self love grows which also enables us to step away from:**

**Any self harm that we may cause which also will bring about consequences.**

**And to move along this path we simply develop our embracement of:**

**God's Divine Love; pray for it, ask for it, and receive it.**

**Or it may be even as simple as the caption below:**

**Oliver Twist asked:**

***Please, sir, I want some more!***

**Maybe we could simply ask:**

***Please, Heavenly Parents, I want some more!***

***Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love. JD***

**VISUALISATION with LONGING:**

**Holy Spirit infusing Divine Love.**

**Progressive escalation of Divine Love flowing.**

**Visualise yourself as you were when young and with an empty bowl, and then thankfully ask the Mother and Father for Their Love – Their Divine Love:**

***"Please, Mother and Father, I want some more."***

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

**Our salvation IS by embracing Feeling Healing with the Divine Love.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Please Mother and Father, may I receive Your LOVE.**

**“Every day is a day of devotion.”**

**Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.**

**“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”**

**“Mother – Father, I desire your Love and I am loving you.”**

**“Soul God, I love you and I love receiving and experiencing your Divine Love.”**

**“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”**

**Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.**

**One can simply receive the Love without following any religious or spiritual teaching taught by man!**

**Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.**

### **Three Great Truths:**

- **God is Soul, being Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

### EXPERIENCING RECEIVING DIVINE LOVE:

**Be still and quiet; reflect in silence. Love is present. Keep asking, longing, and never cease: this is your part. It is your cooperation actively engaged that brings the transformation and continues the process.**

**You cannot see it; sometimes you will experience it as simple quietness and calmness. This is as pure and real as any other experience, whether demonstrative joy through laughter and dance, or other expressions.**

**Divine Love is present; it is always present. It does not fade or disappear. Rest, relax and breathe. Pray and wait.**

**Maintain daily prayer and meditation. When you do this you are building a home for the dwelling of the Divine Love. Your continual invitations establish an attitude of welcome to the Divine Love. These build a bridge for the Divine Love to carry you to new and higher levels of change and transformation: places of new realms for your soul growth and development.**

#### **The Voice of Divine Love**

~~~~~

As the receiving of the Love is always assured when longed for and asked for, the experience of receiving may become apparent by the occurrence of a warming embrace in the region of the third eye chakra, or with some, around the heart chakra region. This may be very subtle and gentle for some and may be for a few moments or extend for some time. Many do not physically feel the Love embracing them and this is totally fine, nevertheless the Love is being received.

On a few occasions, one may feel the love through the third eye region and then feel it expand as if it were to become a warming buzzing 'hat band' progressively expanding around one's head. This can intensify and feel as though one's cranium is about to pop off! Should this continue to intensify, then the sensation may flow down one's main meridian to the base of one's spine. Now that is something else! Relax and enjoy the great gift for this can be an experience that may continue for a short while or for quite some time.

Always, when one longs for the Love, it will shower over one's body and be absorbed in through the spirit body chakras into one's soul. Occasionally the Love will overflow from one's soul and some will reside within one's spirit body. At no time will you be discomforted. This light golden blue energy substance is the ultimate high octane super fuel gifted to us by our Heavenly Parents to us all.

**EMBRACING the WILL of our HEAVENLY MOTHER and FATHER:**

**Our Heavenly Parents are almighty, all powerful, infinite, and at all times loving.**

**The love of the Heavenly Parents for their children, woman and man, has been and is always infinite and ever present.**

**As one's faith in our Heavenly Parents evolves, man's love for his Heavenly Parents will have no limit.**

**As man grows in his love, so will man grow in his love for all of God's creations.**

**Approach the Source Soul, the Mother and Father, in reverence, without fear or trepidation, just as a child approaches his earthly parents knowing that open loving arms are extended to receive him at all times.**

**As one grows in his love of the Mother and Father, one becomes to know with certainty that God loves him or her in return, at all times, and that fear is an illusion created by man's mind.**

**By embracing the commandment provided in the 1<sup>st</sup> century, namely the first:**

**"This is my commandment, that ye love one another even as I have loved you."**

**Further, we are to embrace our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

**Also as our soul development progresses, our self love grows which also enables us to step away from:**

**Any self harm that we may cause which also brings about consequences.**

**And to move along this path we simply develop our embracement of:**

**God's Divine Love; by praying for it, asking for it, and receiving it.**

**Longing for Truth and Divine Love we can embrace the will of the Father and achieve freedom from error and harmful ways, thus finding our way home!**

### Manifesto of Divine Love:

1. We love one another as Mary and Jesus, our spiritual parents, love us. And so we seek their Spirits of Truth.
2. Our all loving Heavenly Parents, our Mother and Father, we love and honour at all times.
3. We worship only our Mother and Father, God, and Creator of all things.
4. We treat our Creator's name with respect and love, and earnestly seek Their Divine Love, and at all times pray for It, ask for It, and receive It.
5. We set aside a regular day each week for Sabbath rest and worship of our Heavenly Parents, God, and seek Their Love so that we may grow closer to Their fountain head of Truth and Love.
6. We are to be as we feel, even if it's sinful, but in doing something that is not in alignment with God's Love and Truth will make us feel bad, that is provided we allow ourself to feel our bad feelings, and so we can then use our bad feelings to find out the truth of why we feel bad and why that thing we have done is bad. We embrace our Feeling Healing.
7. We strive to cause no harm to another, nor cause any harm to one's self. We do not do to others what we would not have them to do to us. We treat our fellow human beings and all living things, and the world in general with love, honesty, faithfulness and respect. Violence, at any times, is never justified. Golden Rule: that one must always honour another's will as one honours one's own.
8. At all times in our intimate relationships we strive to express and live true to all our feelings, all so we can use our feelings to uncover the truth they are trying to show. The truth of ourselves, of our relationships, and the truth of everything else, including God.
9. We do not covet or steal anything that does not belong to us. Honesty in all communications, actions, undertakings and activities in all facets of life is our rule of life.
10. In all that we do, we are to be truthful. We are non-judgemental, for none of us have the capacity or authority to judge another. We are always ready to forgive all wrongdoing.
11. We do not desire anything or anyone that does not belong to us. Comparing oneself to others and longing to have what they have leads to errors. We are to be content by focusing on the blessings our Heavenly Parents, who made us in Their soul's image, provides for us.

## ***DIVINE LOVE – what does it do?***

### **Divine Love, which is a substance, progressively:**

**Transforms one's soul from that which is of natural love to that which is Divine**

**As natural love is enhanced with the Parent's Love, we reject our tendency to error**

**Divine Love, our Parent's Love, restrains errors, untruths and emotional stress**

**As we reject the condition to error, we develop our love for our brothers and sisters**

**Divine Love helps one with the discovery of truth through one's soul-feeling healing**

**Our natural intelligence grows, perceptions rise with our soul intelligent feelings**

**As Law of Compensation is resolved, the Love reduces returning to being in error**

**Receipt of Divine Love, the Parent's Love, grows our faith, we become God reliant**

**As our faith grows our propensity to undertake one's Feeling Healing strengthens**

**With the Love, our Feeling Healing becomes Soul Healing, this we are to undertake**

**Without the Love we remain self reliant and dependent upon our own will power**

**Only with the Love will our soul condition grow rapidly, all around us also benefit**

**The Love is the only substance that changes the human soul to that which is Divine**

**Only by asking and receiving Love do we become fitted to enter Celestial Heavens**

**Only by asking for and receiving the Divine Love does our soul become immortal.**

**What is Divine Love?**

**It is the Divine Love of God, our Heavenly Parents, restored to all mankind by the births of Jesus and Mary.**

**How do we get this Love?**

**By sincerely asking God, our Mother and Father, and receiving the Love that passes all understanding.**

**What happens then?**

**We are born again in spirit and in truth, our soul opened to the Soul of God, our Heavenly Parents.**

**What then do we know?**

**We know we are all children of God and want to pray always to our Heavenly Parents, always longing for Truth.**

**What is the purpose of Feeling Healing?**

**We are to seek the truth of our feelings and unburden ourselves from our childhood repression and injuries.**

**What of the world?**

**We are at peace in the world and fearless. In Divine Love and in Truth there is no fear.**

**What else?**

**We are to strive to love everyone unconditionally as our Heavenly Parents and as Mary and Jesus love us.**

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on them selves and doing their Healing.

**Feeling Bad? Bad feeling are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.**

**Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.**

**Primary and most important readings are the writings of James Moncrief.**

**Then consider the Padgett Messages, and then The Urantia Book.**
