PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about “looking within oneself”. Much of what we are observing is new to most readers and thus you will take on board that which resonates with you. Further, you may investigate those items of interest and discard those which do not feel appropriate to you.

Kinesiology muscle testing, was developed by Dr. David R. Hawkins and quantified by his Map of Consciousness (MoC) table. MoC has been used to ascertain the possible level of the truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and another tool to assist in considering the possibilities. In contrast, consider using the MoC technique to test the level of truth in your local daily newspaper.

The contents herein are not to be interpreted as an independent guide to self-healing. The information researched here and any information provided in this document should not be considered in lieu of consultation with your own physician, doctor, or other health care professionals. Pascas, nor anyone associated with this document, does not assume any responsibility whatsoever for the results of any application or use of any process, technique, compound or potion as described within this document.

Sources for these contents are noted throughout the document. In doing so, we acknowledge the importance of these sources and encourage our readers to consider further acknowledgement of these sources as necessary. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we sincerely apologize. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

We offer all contents in love and with the fullness of grace, which is intended to flow to readers who join us upon this fascinating journey throughout this incredible changing era we are all experiencing.

Living Feelings First, *John.*

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

The contents and graphics of the following pages are disturbing.

There is no intent to single out any event or community. The reports that appear herein appeared during August 2014.

The underlying issues and causes bringing about these unloving events can be found within every community throughout the globe, even within our own local neighbourhoods.

We do have a way forward to step above and away from these events. Once we can comprehend the underlying causes, then maybe, just maybe, we may start to apply ourselves to mitigate these causes and bring about the changes in understandings and love to remove the circumstances that cause so many disharmonies within our global environments.

This is the purpose of this paper, that is, to strengthen our resolve and dedication to alleviating the pain within so many and to share the possibilities of bounteous and loving way of living.

PASCAS CARE – LIKE FATHER LIKE SON:

Man-made emotions are detrimental to one's life in many aspects. These are all the emotions that calibrate below 200 on Dr David Hawkins' Map of Consciousness (MoC). These emotions are of a very dense and slow vibrational energy matter that resides within one's spirit body, that is, the etheric template for the physical body. While they remain there, they engender negative emotional issues as well as slowly but surely bringing about discomfort, pain and illness within the physical body.

Negative emotions are absorbed into the bodies (soul, spirit body and physical body) during gestation and very early childhood.

The outcome is that we each reflect the soul condition of one or the other parent, or both, and that we generally do not make any independent soul condition development until we leave our parents' home and establish one for ourselves.

Thus, generation after generation, after generation, can continue without any soul condition development. The issues within any given society can prevail for decades if not centuries.

Our soul condition is a clear indicator of our quality of life, be it health, social standing, career, financial stability, involvement in crime, life expectancy, etc.

Our prevailing negative emotions are a clear predictor of health issues.

All of these are readily and easily identified by the use of kinesiology muscle testing. Nothing is secret, should you have a loving intent with your investigation.

MoC	No. of Countries	Average MoC	Average Life Expectancy	Per Capita Income 2013
400s	10	406	78.50	US\$46,690
300s	13	331	71.77	US\$20,508
200s	10	232	69.45	US\$14,927
High 100s	18	176	69.00	US\$12,283
Low 100s	7	129	61.88	US\$6,560
Below 100	11	66	52.73	US\$5,500
WORLD		212	70	US\$13,100

It is the enabling of friends and neighbours to become aware of these observations that are the start of breaking the nexus of generational issues that stem mainly from the environment in which we each may have grown up within. The issues are not restricted to our parents; one can consider the involvement of anyone that lived within your environment as a young child.

For those who are open to consider these possibilities, the following can be achieved:

- The emotional issues can be identified and such causal emotions can be released.
- Love from the highest source can be asked for and received to assist in the permanent release of such emotional issues.

In this regard, it has and will always be the goal of any Pascas Care Centre to enable any friend / patient to come to understand these opportunities and to be able to embrace them in a way that they can share with their families who may in turn come to benefit, and also their children.

These gifts have been provided to humanity freely.

There is no organisation for anyone to join; there are no dogmas, creeds, obligations, etc. We have the opportunity to share these understandings and that is what we, Pascas, will do.

As we enable people to release their own pain from within, they will be self empowered to bring about a more healthy body, a more loving personal environment, and a higher quality of life. For some, this may take some personal time and effort, for others, not so much time and effort may be required. It is a personal experience unique to each person. At no time can harm be caused by what is being shared.

For thousands of years, humanity has struggled to uplift itself. The progress has been frustratingly, if not painfully, slow. Dr Hawkins' observations are that humanity has progressed from 90 on the Map of Consciousness (MoC) scale to around 210 in 2,000 years.

However, never in history have we had the understandings and teachings that we have been gifted with over the past 100 years (from 1914 to 2014) to share with all. These are non-secular and without the need for expensive technologies and programs. This we can share, as we do, without financial cost.

Further, never in history have we had the need to share these gifts as widely as we will note throughout this paper.

All we can do is share these gifts and demonstrate their application. Those who consider the application of same may commence to achieve a significant advancement in their condition which will benefit not only themselves but those who are within their environment. We cannot ask nor expect anything more.

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

“Every day is a day of devotion.”

Please Mother and Father, may I receive Your LOVE.

God's Divine Love: Pray for it, ask for it, and receive it.

Our salvation IS the embracing of the Feeling Healing process and Divine Love.

PERSONALITY TRAITS:

Less than two dozen people on planet Earth.

Would not pick up a weapon let alone use it. These people gravitate to the health industry and humanitarian programs.

Debate and implement resolutions without argument and delay.

Debate and implement resolutions in due course.

Debate and implement resolutions with some degree of follow up generally needed.

Management supervision is generally necessary.

Politics become the hope for man's salvation.

Cause no harm to others starts to emerge. Power overrides force.

Illness is developed by those man erroneous emotions that calibrate 200 and lower.

Armies around the world function on pride. Force is now dominant, not power.

Harm of others prevails, self interest prevails.

Totally self reliant, not God reliant.

Fear dominates all motivation.

Suicide is possible and probable.

At these levels, seriously harming others for even trivial events appears to be justifiable.

Poverty, unemployment, illness, etc., this is living hell on Earth.

Notes from THE EYE of the I:

by Dr David R Hawkins, MD, Ph.D

The purpose of 'The Eye of the I' is to convey information which can be verified and whose level of truth can be calibrated in order to provide, for the first time, a body of useful information that can withstand the tests of certainty. Truth is self-revealing. It stands on its own and is complete, total, and profoundly obvious as it presents itself.

The discovery of the distribution of the levels of consciousness through society was quite significant and explained much of human behaviour in history. How millions of people, whole generations and whole cultures, even whole continents, could and can be so easily manipulated to their own destruction was explained by the discovery that 78% of the world's population calibrated below the level of Integrity at 200 on the Map of Consciousness (MoC).

The heavy programming of man's consciousness by negativity has meant that not only is 78% of the population below the level of Integrity at 200, but only 4% of the world's population ever reaches the level of Love at 500, and only 2% reaches the level of 540, or Unconditional Love. The consciousness level of Enlightenment at 600, which is the crossover from duality to Nonduality, is reached by approximately one in ten million person (0.000,001%).

Historically, it can be seen that mankind stumbles on blindly, much like ships did in the unmarked oceans, without a compass or maps. Literally hundreds of millions of people throughout time have been destroyed for lack of a simple technique to overcome the mind's incapacity to tell a sheep from a wolf in sheep's clothing. Whole nations have gone down, whole civilizations have died from following propaganda, slogans, and belief systems which, on kinesiological muscle testing, make one go weak. Although the kinesiological technique may sound simple and crude, so was the discovery of the lodestone for the use of a compass.

Most people on the planet today owe their survival to things that were once thought unscientific and crude, such as the dirty-looking growth of mould on a petri dish which was observed to be able to kill bacteria. This little discovery led to antibiotics and thereby increased mankind's quality of health and expected longevity.

The naïve seeker is fair game for any and all would-be captors via various ideologies through the sheer influence of numbers, persuasion, and charisma. Peer pressure for the gullible is also prevalent so that finding one's way through the thickets of profuse religious and purportedly spiritual teaching becomes hazardous and problematic. It requires some inner conviction and means of guidance to not follow the throngs of worshippers because the herd instinct is strong. Surely, one's mind says to itself, "All those millions of people could not be wrong or be misled by error." To find the answer to this paradox, we merely need to examine the makeup of those throngs of often zealous believers. That human error is not only possible but certain and probable becomes evident from the fact that 78% of the world's population calibrates below the level of 200, below the level of Truth and Integrity.

The kinesiological response is determined solely by the response of universal consciousness to either truth or falseness. On an arbitrary scale (Map of Consciousness), that which makes one go strong is calibrated at the level of 200 and above. That which is false or destructive calibrates below 200. (From

0 to 200, one discovers the levels of Shame, Guilt, Remorse, Fear, Hate, Greed, Pride, Avarice, Anger, etc.)

At the level of Truth and Integrity, the body goes strong, and these levels go up through Courage, Neutrality, Willingness, Capability, Lovingness, Joy, and Peace. The positive levels are then calibrated from 200 up to a possible 1,000. Love is at 500, the Intellect is in the 400s, and Capability and Willingness are in the 300s. The 78% of mankind calibrates below the level of 200 means that most of society assumes that falsehood is truth. Only 22% of the world's population is even capable of understanding what truth is, and of that, only 4% of the world's population calibrates at 500 or over, which is the level of Love. Farther up the scale, the number of people at the top of this pyramid of humanity dwindles rapidly. Enlightenment calibrates at 600, where duality dissolves into Nonduality. The 700s are the realm of the great spiritual teachers, gurus, and saints. Few can be identified in the 800s or 900s. The energy field at 1,000 is the maximum that can be tolerated by human body and nervous system, and it is the rare level of the great avatars of history. No human has ever existed who calibrated beyond 1,000 except Jesus of Nazareth.

(The perfect man in natural love can progress to a maximum of 1,000 which is the peak of the 6th sphere in natural love. To progress to being at one with God, then one will be embracing and receiving Divine Love and have progressed through the 7th sphere in Divine Love, significantly above 1,000. This is achievable by man even within his physical state.)

There is also the common thought held by seekers that there are only two alternatives, either enlightenment or painful entrapment by the ego. Actually, each step forward brings new joys and a jump in consciousness which calibrates at even only a few points higher on the Map of Consciousness. Because it is a logarithmic jump, however, it can bring about much greater happiness and accord. As one progresses, confidence replaces fear, emotion comfort replaces distress, and the ease and quality of life improves.

Kinesiology Testing

The interesting clinical technique of kinesiology revealed the missing link and bridge between the mind and the body, and between the manifest and the un-manifest. That which is invisible can now easily be made visible. This clinical phenomenon transcends the autonomic nervous system or the acupuncture system as an explanation of the link between psyche and soma (of the body and mind). It is obvious that the kinesiologic response originated from the non-locality of consciousness, and that its former limitation to the investigation of local phenomena is an expression of the limitation of perception of the clinicians or experimenters.

The most astonishing aspect of the kinesiology muscle testing phenomenon is its capacity to instantly register the difference between truth and falsehood. This quality is beyond time and space and bypasses the human psyche and the minds of the individuals involved. With lightning-like speed, the muscles of the body go instantly weak in the absence of truth; they go strong in the presence of truth or that which supports life.

Society had no safeguard, other than now teaching the population a simple test of truth that anyone can do anywhere in a moment. If this simple test were widely known, it would have a total, uplifting effect on mankind.

The very simplicity of the test, along with its wide benefit and availability, puts it in the same class as the inventions of the wheel, the level, electricity, or the computer chip. At a cost of zero, mankind can reap unlimited benefits. Perhaps the realisation that the test can also be used to reap great profitability would elicit notice and interest.

Like the DNA test, the kinesiologic test instantly reveals the guilt or innocence of any accused. It instantly determines the truth or falsehood of any witness or testimony. It instantly reveals the presence or identities of traitors, defectors, foreign agents, informers, cheats, liars, and all forms of renegades.

The test reveals, in a matter of seconds or minutes, the identities of industrial or political spies, dishonest employees, drug dealers, dangerous persons, and the location of criminals. It does not take hundreds or thousands of hours of criminal investigation to identify a serial killer or their whereabouts. All crimes are easily solvable. Every detail of a crime or past crimes and events is accurately trackable, including, time, date, motive, whereabouts of evidence, identity of perpetrators, etc. The answers to questions such as, where is the body, where is the weapon, and what was the motive are answerable.

Similarly, as the compass enables navigation, the telescope enables astronomy, and the microscope enables bacteriology, kinesiologic testing enables one to discover any fact about any subject, anywhere in space or history within seconds. Kinesiologic testing is a highly versatile tool whose true value is as yet undiscovered.

Anything which fails to make one go strong with kinesiologic is not a direction that a committed spiritual seeker of enlightenment wants to follow.

It is therefore necessary to avoid that which does not make one go strong with kinesiologic because that which makes one go strong supports life and leads to Truth.

Theology is concerned with the consciousness level of the 400s; enlightenment is concerned with the levels of 600 and over.

Every act or decision made that supports life supports all life, including one's own. The ripples we create return to us. What previously may have seemed to be a metaphysical statement is now established as a scientific fact.

Everything in the universe constantly gives off an identifiable energy pattern of a specific frequency that remains for all time and can be read by those who know how. Every word, deed, and intention creates a permanent record; every thought is known and recorded forever. There are no secrets, nothing is hidden, nor can it be. Everyone lives in the public domain. Our spirits stand naked in time for all to see. Everyone's life, finally, is accountable to the universe (calibrates as "true" at level 1,000).

Spirituality

It is common for people to confuse ‘spiritual’ with ‘religious’, and even with the supernatural, or ‘astral’ domains. They are, in fact, quite different, and this confusion often results in social strife and uncertainty.

Founders were aware that religion divides and are based on secular power, whereas spirituality unites and has no worldly organisation.

Religion, on the other hand, can be sectarian and divide people into conflicting groups, often with dire consequences to civilisation and to life itself, as history reveals. The sole power of truly spiritual groups originates only from the truth of their teachings, and they have no significant earthly power, edifices, wealth, or reigning officers. Generally in spirituality, the central ideas which hold the group together are commonly those of love, forgiveness, peace, gratitude, thankfulness, kindness, non-materiality, and non-judgmentalism. Usually, religion, in essence, originally has a core of spirituality which, however, becomes submerged and often lost from sight. Otherwise, war, for example, would have little chance to even occur. Spiritual truth, then, is universally true and without variation through time or place. It always brings peace, harmony, accord, love, compassion, and mercy. Truth can be identified by these qualities. All else is the invention of the ego.

Spirituality as such has no argument with anyone, and the misinterpretations which split off as dogmatic, ecclesiastical bodies did so to empower themselves and exploit the misinterpretations as spiritual truth in order to gain worldly advantage.

Spirituality properly refers to those aspects of consciousness that pertains to the awareness of truth and divinity and includes all references to the Absolute and all-present Reality, which is the Source and infinite domain of all that exists as Existence itself.

The core of all the great spiritual teachings and teachers can be surmised in a few simple paragraphs. (Operationally, they all amount to the admonition to avoid that which makes one go weak with kinesiology and pursue that which makes one go strong!)

Choose to be easygoing, benign, forgiving, compassionate and unconditionally loving towards all life in all its expressions without exception, including oneself. Focus on unselfish service and the giving of love, consideration, and respect to all creatures.

Avoid negativity and the desire for worldliness and its greed for pleasure and possessions. Forego opinionation, the judgment of right versus wrong, the vanity of being ‘right’, and the trap of righteousness.

Seek to understand rather than to condemn. Venerate the teachers of these basic principles and ignore all others. Apply these principles to one’s view of oneself as well as of others. Trust in the love, mercy, infinite wisdom and compassion of Divinity which sees through all human error, limitation, and frailty. Place faith and trust in the love of God, which is all forgiving, and understand that condemnation and fear of judgment stem from the ego. Like the sun, the love of God shines equally on all. Avoid negative

depictions of God as an anthropomorphic error, i.e., jealous, angry, destructive, partial, favouring, vengeful, insecure, vulnerable, contractual, etc.

Spiritual views are not very popular in society in general. It is not necessary to impose one's views on others. Proselytizing is best done by example rather than by coercion and lapel grabbing. We influence others by what we are rather than by what we say or have.

Purely spiritual organisations lack authoritarian structures, own no buildings or edifices, have no officers, treasuries, goods or monies, and they avoid expressing any views and remain uninvolved with outside issues. Intrinsically, spiritual organisations make no public statements and operate solely out of voluntary adherence to spiritual principles. Neither do they proselytize, and although they have no employees, they operate out of service. They have no debts, obligations, or investments, and thus, the truly spiritual can be said to be 'in the world, but not of it'. Spirituality seeks neither credit nor does it accept blame.

Traditional Major Religions

As a religion arose out of the morass of negativity, it tended to emphasise and focus on the negatives of sin, hell, punishment, and righteousness and used these as an excuse for all forms of cruelty, war, mutilation, persecution, conviction, burning at the stake, banishment, imprisonment, and the cutting off of hands.

All this was believed to be holy since suffering in all its forms was deified. Therefore, the killing of infidels was lauded and conflict was seen as justified. It could always be rationalised by invoking past cultural injustices which seemed to justify retribution for many centuries and generations on end.

In the grip of this negativity, religion became society's worst oppressor and perpetrator of rampant injustice and cruelty. A culture that lives by the venom of the spleen expects and projects a god that is menacing, cruel, and violent. To misidentify the 'gods of hell' with the God of Heaven is such a massive and staggering spiritual error that the extent and gravity of consequences to mankind are almost incomprehensible.

Surely, the history of civilisation for at least the last five thousand years has been that of repetitive horror which culminated in the last century with the slaughter and mayhem of millions of people. This misidentification of demons as gods has had vast consequences of staggering gravity to mankind.

In this historic setting, there were still those of greater spiritual advancement who protested the ways of destruction, but society soon labelled them as the enemy that had to be silenced. In a blind society, a protester who can still see the light is viewed as unpatriotic or an iconoclast or psychotic or a coward and certainly a threat to the status quo. To not go along with socially current delusions is to be viewed as dangerous and subversive.

Until now, it has actually escaped man's discernment that truth brings peace, whereas falsehood brings fear. By that sign, it is possible to tell the difference.

Like springtime, the promise of a new era in man's understanding of God is emerging. Now the level of consciousness of mankind is high enough to be able to recognise the truth of a God of Love instead of worshipping the god of guilt and hate.

Mankind now stands at the great threshold of real awakening, which may be the actual nature of the Second Coming of Christ as foretold in scripture. ('Second Coming' commenced in 1914 and concluded in 2014.)

Although the progression of consciousness now prevails in much of the Western World, it is still resisted by areas of the globe where the old gods prevail. There, the religious wars and their political adherents continue to distort spiritual truth and propagate human conflagration and war.

More interestingly, the veil of ignorance which clouds such cultures is now being pierced by the electronic communication media which obliterates political boundaries. Who thought that evil would eventually lose its grip via the transistor chip?

The message of truth and freedom is now freely available to almost everyone. Tyranny falls beneath the onslaught of the Internet. Information is now the mightiest tool invented since Gutenberg invented the printing press.

Via free communication, all mankind is at last coalesced and united in an emerging freedom and brotherhood. The different 'tongues' which have separated mankind into conflicting divisions are now uniting in a shared language that even children readily comprehend.

CONSCIOUSNESS vs LIFE EXPECTANCY:

“What nations of the Earth today vibrate to those things that they have and are creating in their own land, their own environment? Look to the nations where the span of life has been extended from sixty to eighty years.

“What is the spirit of a free nation? Most individuals proudly boast “freedom”. Freedom of what? Those nations who have taken those vows that man shall be free should also take those vows “He shall know the truth and the truth then shall make him free”.

The Map of Freedom reflects the findings of Freedom in the World 2014, which rates the level of political rights and civil liberties in 195 countries and 14 related and disputed territories during 2013. Based on these ratings, countries are divided into three categories: Free, Partly Free, and Not Free.

A Free country is one where there is broad scope for open political competition, a climate of respect for civil liberties, significant independent civic life, and independent media. Partly Free countries are characterised by some restrictions on political rights and civil liberties, often in a context of corruption, weak rule of law, ethnic strife, or civil war. A Not Free country is one where basic political rights are absent, and basic civil liberties are widely and systematically denied.

Locations of ongoing conflicts around the world, June 2019:

Ongoing armed conflicts in June 2019:

- Major wars, 10,000 or more deaths in current or past year
- Wars, 1,000–9,999 deaths in current or past year
- Minor conflicts, 100–999 deaths in current or past year
- Skirmishes and clashes, fewer than 100 deaths in current or past year
- Border clashes and Conflicts

95% are Muslim wars, however only 11 countries worldwide are not involved in conflict. It appears everyone likes to dig in!

What is memory? In this episode of Catalyst, Anja Taylor investigates how our memories change from childhood to adulthood and how we can build up greater brain reserves to power our mind into old age. And we reveal groundbreaking Australian research on brain epigenetics – how the expression of our DNA can be changed by our experiences and even those of our parents! It's an intriguing new area of science with huge health implications.

NARRATION (18 minutes into the interview)

Even though our DNA is set from birth, we can take positive action from brain disease.

Professor Anthony Hannan

The brain talks to the immune system, the cardiovascular system including the heart, it talks to the endocrine system, all these hormones flowing through your body. And, therefore, the two things we all know are good for your body – physical activity and a healthy diet – are also good for the brain.

NARRATION

Those who build a brain reserve through exercise and complex mental activity can lower their risk of winding up with dementia by more than 40%. The question of nature versus nurture has traditionally been two quite different schools of thought on how the brain changes. But now the lines are becoming increasingly blurred, opening up an extraordinary new area of brain science – brain epigenetics.

Professor Anthony Hannan

I think epigenetics is one of the revolutions that is going on within biology and medicine. Doing neuroscience at the start of the 21st century is like doing physics was at the start of the 20th century. It is the great frontier.

NARRATION

It turns out that although I don't remember my life before four years of age, my genes do. What I ate, how I responded to events, how my parents treated me, what I learnt, all placed chemical markers on my DNA. Those tags affect how my genes are expressed throughout my life.

Professor Anthony Hannan

We've known for a long time that the genome, it's about three billion letters of DNA, paired letters. And that's the letters of DNA in the genome, but epigenetics is above the genome. So without changing the order of letters, if you like, a gene being a word, you're actually changing the emphasis by chemical modifications.

Anja Taylor

If you think of your DNA as a cookbook, epigenetics are the bookmarks that tell you which recipes are good to use and which ones aren't.

NARRATION

Groundbreaking Australian studies have revealed extensive genetic tagging occurs in our brains during early childhood. There's evidence to suggest adversity during this time can tag our genes in a damaging

way. Mice pups with inattentive mothers display changes to their genetic expression that make them more anxious and less likely to nurture their own babies. In humans, a 2008 study of the brains of suicide victims also revealed an abnormal level of epigenetic change in the hippocampus, particularly among those who had been abused as children. But – and here's the astonishing part – epigenetic changes can be inherited. Mice experiments at the Florey Institute have shown raising stress levels of male adult mice can lead to higher anxiety levels in their unborn pups.

Professor Anthony Hannan

If the levels of stress hormone in a father mouse are increased, then that will change the behaviour of the offspring. Even if the father mouse hasn't been with the mother during pregnancy nor any contact with the contact, but some information is being passed through the sperm to the next generation. And so the lifestyle activities and experiences with your parents may be carried into your body and your brain through epigenetics to the next generation. That may be carried from you into your children. It's intriguing and it has huge public health implications.

NARRATION

It raises questions on how traumatic events may affect generations to come, or offer explanations on cycles of childhood neglect. But as bad experiences may affect genetic expression, so too do good ones.

Professor Anthony Hannan

There's evidence that none of this is permanent, including epigenetics. Some of it can be maybe not always erased, but compensated for. So now we're rethinking nature versus nurture. It's bi-directional.

NARRATION

When you think about it in this light, the very memories that make us who we are; are a complex combination of evolution, ancestry, experience, chemistry, chance and the choices we make.

Professor Anthony Hannan

If nature is your genetics and your genome, then it can influence how you experience different lifestyles. Conversely, through epigenetics, your lifestyle, your experience, your environment can change how the genome is expressed, and everyone is a very complex combination of genes and environment, and it's not one or the other.

We Inherit our Emotional Errors from the Environment around us during Childhood:

We are to build but one temple. The Temple of the Living God is the blending of the greater (Divine Love) with the lesser (natural love) through which the lesser becomes one with the greater. The impurity was caused by the separation of the lesser from the greater. The purity is caused by their union, so that no longer is there a greater and a lesser but just the one good, whole, pure air of atonement. When you let the Love of the Father pour through you to all things, nothing fears you and no harm can befall you. It is separation from the Source Soul, Father, which has caused sin / error, sickness, poverty, and death. It is union with the Creator, Father that causes one to become a whole Being or to become conscious of being whole.

The allies consisted of British, French, Australia and New Zealand against a fierce Turkish Army. In the end, the allied side lost 46,000 troops while the Turkish lost 65,000, with the Allies retreating from the battle.

The First Atomic Bomb – The Gadget was the first atomic bomb ever made and was tested at Trinity Site, New Mexico, near Alamogordo on July 16th, 1945.

These two photos are a representation of the universal gross insanity of humanity!

PASCAS CARE CENTRE:

To live with care and kindness is all that is necessary; the rest reveals itself in due time. The commonplace and God are not distinct.

P.xxv “I” Reality & Subjectivity David R Hawkins (calibration 999.8)

Finding the initiating cause of an illness is always a key part of healing.

The objective, from within the Pascas Care Centre, is to treat the cause of illness much more so than just treat the symptoms. Re-occurrence of illness is due to the non-treatment of the cause.

Chronic illness indicates a huge denial of the soul.

Illness = out of harmony with love and truth.

It is the release of emotions that are out of harmony with Truth and Love, and the praying for the inflowing of Divine Love that brings about health and harmony to our bodies.

Consciousness Calibrations Worldwide	
Level of Consciousness	Percentage of population
600 +	1 in millions
540 +	0.4%
500 +	4%
400 +	8%
200 +	22%
200 -	78%
World wide average	212

Should one observe the consciousness level of patients within a hospital, any hospital, one would quickly realise that the overall population of patients would have an average consciousness calibration level below 200 on Dr David Hawkins’ Map of Consciousness (MoC) table.

It is the held negative emotions within each of us that bring about the discomfort, the pain, and then illness. It is only by recognising and addressing the underlying negative emotions pertaining to such illness episode that full and permanent recovery can be achieved. It is in this way that we heal our selves.

To address this issue, the cause of illness, a Pascas Care Centre is structured with three modules; the Pascas Care Centre typically is to reflect the structure and operation of a complex holistic health clinic, the Pascas Café is module to develop ‘fresh is best’ eating experience and understanding, and then there is Chaldi College.

Fields above 500 - Love based Awareness Beingness
More feeling based activity, rather than intellectual – in the mind based activity.
Energy field of Love is the one that heals.

Fields 200 – 500 - Doingness Intellectual
Life is seen as an opportunity.
We are getting closer and closer to truth.

Fields below 200 - Wanting & Craving Desiringness Fear Driven Self hatred Grudges
Values are based on what one has.
The energy fields below 200 are opposed to life, do not support life.

CHALDI COLLEGE and PASCAS CARE CENTRE:

Chaldi College is an education module. Its focus is upon interactive training sessions involving subjects that can be addressed within hours or weeks or even a couple of months. These subjects are all structured to empower the individual. This could be the introduction to new possibilities to earn income, to life style development, to understand health issues.

Underlying all of the agendas of Chaldi College is the way to remove the man made negative emotions that we all hold in some way or another, to embracement of LOVE, and to raise one’s soul condition.

At no time is Chaldi College secular. What is available through Chaldi College is universal. One can consider the material and incorporate it within one’s way of life without any changes to their existing faith or religious belief.

It is only by enabling people to break the cycle of hereditary passed down negative emotional issues that we will be able to lift ourself above the emotional imprisonment that is handed down from mother and father to daughter and son.

Lifting one's community's soul condition and quality of life:

Can man lift himself by his bootstraps? Why not? All he has to do is increase his buoyancy and he will effortlessly rise to a higher state. Force cannot accomplish that feat; power not only, but constantly does. Ask for and receive Divine Love, the LOVE, which is power personified!

The main obstacle to man's development is his lack of knowledge about the nature of consciousness itself. Society constantly expends its efforts to correct effects instead of causes. Example; modern health system endeavours to mask the symptoms rather than treating the cause of illness.

All human endeavours have the common goal of understanding or influencing human experience.

Levels of consciousness are always mixed; a person may operate on one level in a given area of life and on quite another level in another area. An individual's overall level of consciousness is the sum total effect of these various levels.

Although the levels of consciousness span great variation, it is not common for individuals to move from one level to another during their lifetimes. The energy field which is calibrated for an individual at birth (or certainly by their seventh year) only increases, on average, by five (5) points, on the Map of Consciousness, over a lifetime. That an individual's level of consciousness is already in effect at birth is a sobering idea with profound implications. Consciousness itself, in its expression as human civilization, evolves slowly indeed, through innumerable generations.

As a child, we typically will calibrate at the same level as our parents, should they be in harmony with each other. If they are out of harmony then a child may reflect the calibration of one or the other parent. Thus our life experience is heavily influenced by the parents of the family that we are born into.

It has taken humanity 2,000 years to grow from an average calibration of 90 to around 212 currently.

Some family groups have overall calibrations in the high 400's. Other family groups have overall calibrations around 100. The life expectancy differential for them is around 20 years! These comparisons can be considered between villages, suburbs, cities, states, countries, etc. Our parents determine the probability of our life experience should we not lift ourselves up by our bootstraps and investigate, and seek to improve our emotional condition being our soul condition.

A one point growth in our calibration is a 10 fold jump in our condition. The calibrations are based on the common log of 10. Thus, any improvement is massive in progressing the potential for our life experience.

We are a personality having a physical experience in a physical body that has heritage linkages, such as Indigenous or European or Australian, etc. It is our soul condition and personality that we need to focus upon, not our heritage.

Like Father – Like Son

generations

OUR BLOCKED EMOTIONS FLOW DOWN FROM GENERATION to GENERATION:

Childhood illnesses, and illnesses of a baby within the womb, stems from blocked emotions passed down from generation to generation, resulting in malfunctions in the foetus.

We are a product of all that has come before us.

Our own soul condition is reflected in our children.

To assist your baby, as well as yourself, work and pray to clear your blocked emotions.

Clearing your negative emotions improves your soul condition as well as that of your children.

Baby's body, when conceived, is always perfect. Their soul condition is also perfect.

Emotional injuries and errors that parents hold are readily absorbed by their children, and these emotional issues can negatively affect their children's genes. Similarly, should the parents resolve these negative emotions / errors then the corresponding repair can appear within the children's emotional structure and physical state including their genes.

Inheriting Sin.

Santa Cruz, California Received by F.A.B.

May 25th, 2010

I am here, Jesus.

(possibly an entity with authority)

You have come upon what seems like a contradiction, and I would like to address it. On the one hand, you have learned that we inherit sins from our ancestors, but on the other hand, you also believe that infants are innocent.

The answer is that inheritance is potential. If a child is given the right nurture and support, it will resist this negativity. Also, a lot depends on the free-will choices of the child itself. But a good inheritance can help a person, and a bad inheritance can harm that person.

In the final analysis, everything depends on the choices that are made, and no matter how much darkness is potentially inherited, it can be easily overcome through will power and a good heart. Early childhood abuse triggers those inherited tendencies of darkness, but good, loving, and accepting parents encourage and strengthen the child in the right way.

The ability to resist evil and temptation is within everybody's grasp, so if the opportunity is not taken, the individual has only himself or herself to blame. And even if there is a fall, there is always the option of repentance and an attempt to make restitution, which also involves choices.

That means that whatever character we possess is the result of these choices, and this defined character determines our immediate fate in the spirit world after death has found us.

Jesus of the Celestial Heavens

Child-killing sociopaths of Israel

<http://www.veteranstoday.com/2014/08/01/sociopaths/>

By [Kevin Barrett](#), *Veterans Today Editor*, for *Press TV* Friday, August 1st, 2014 | Posted by [Kevin Barrett](#)

What is wrong with Israelis?

Every time Israel embarks on a new round of wholesale slaughter in Gaza, polls show that more than 90% of Israelis support the butchery.

For Israelis, mass-murdering children is a spectator sport. When the IDF starts dropping cluster bombs, white phosphorous, DIME munitions and other horrendous weapons on Gaza, crowds of Israelis pack the hilltops to barbecue meat, drink alcohol and cheer as they watch Palestinian children being blown to bits.

Every day in Israel's major cities, mobs of Israelis gather to hunt down and brutalize Arab children and teenagers. Police stand by as they beat their victims into unconsciousness. According to Israeli blogger Elizabeth Tsurkov, the mobs' favourite chant is: "Tomorrow there's no school in Gaza, they don't have any children left."

Israelis proudly tweet their desire to murder children: "Kill Arab children so there won't be a next generation," "Stinking Arabs may you die, amen," and "Arabs may you be paralysed and die with great suffering" are some representative tweets exposed by Israeli journalist David Sheen.

Israeli parliamentarian Ayelet Shaked has announced that she wants to kill not only Palestinian children, whom she calls “little snakes,” but also the Palestinian mothers who raise them. Recently Shaked openly called for the genocidal murder of every Palestinian. Instead of being sent to the Hague, prosecuted, ejected from government, or even rebuked, she was lionized by Israeli society.

Gilad Sharon, son of Ariel “Butcher of Sabra and Shatila” Sharon, agrees with Shaked. In an op-ed published in the Jerusalem Post, Sharon advocated using nuclear weapons to exterminate the Palestinians. He wrote that Israel needs to “flatten all of Gaza,” adding that “The Americans didn’t stop with Hiroshima – the Japanese weren’t surrendering fast enough, so they hit Nagasaki, too.”

“While they enjoy slaughtering children and their mothers, Israelis take special relish in killing pregnant women. A T-shirt popular in the Israeli army shows a pregnant woman with a target on her belly. The legend reads: “One shot two kills.”

Killing children is the de facto official policy of the Israeli military. In his article “[Gaza Diary](#),” Chris Hedges wrote about watching Israeli soldiers hunt Palestinian children for sport:

“Yesterday at this spot the Israelis shot eight young men, six of whom were under the age of eighteen. One was twelve. This afternoon they kill an eleven-year-old boy, Ali Murad, and seriously wound four more, three of whom are under eighteen. Children have been shot in other conflicts I have covered—death squads gunned them down in El Salvador and Guatemala, mothers with infants were lined up and massacred in Algeria, and Serb snipers put children in their sights and watched them crumple onto the pavement in Sarajevo—but I have never before watched soldiers entice children like mice into a trap and murder them for sport.”

An October 2004 study by British Medical Journal confirmed that this is a common practice, and never punished: “Two thirds of the 621 children (two thirds under 15 years) killed at checkpoints, in the street, on the way to school, in their homes, died from small arms fire, directed in over half of cases to the head, neck and chest – the sniper’s wound...Clearly, soldiers are routinely authorised to shoot to kill children in situations of minimal or no threat.”

During its onslaught on Gaza, Israel has been systematically slaughtering children in schools, emergency shelters, and even as they play soccer on the beach. Under the headline “Israel’s offensive in Gaza has ‘killed more children than fighters,’” The London, UK Telegraph reported that Israel is “waging war on children.”

Again I ask: What is wrong with Israelis? What has produced this nation of demonic child-killing monsters?

In his book *Goliath*, Max Blumenthal – a young Jewish American from an influential family – lays bare Israel’s genocidal mentality. Blumenthal discusses the wildly popular Israeli best-seller *Torat Ha’Melech*, which advocates the wholesale murder of non-Jews.

Torat Ha’Melech is not a marginalized radical screed; on the contrary, it is an authoritative guide for Israel soldiers. Its authors are two of Israel’s leading rabbis, Yitzhak Shapira and Rabbi Yosef Elitzur. Blumenthal explains:

“Drawing from a hodgepodge of rabbinical texts that seemed to support their genocidal views, Shapira and Elitzur urged a policy of ruthlessness toward non-Jews, insisting that the commandment against murder ‘refers only to a Jew who kills a Jew, and not to a Jew who kills a gentile, even if that gentile is one of the righteous among nations. ‘The rabbis went on to pronounce all civilians of the enemy population ‘rodef,’ or villains who chase Jews and are therefore fair game for slaughtering.”

The Israeli child-killer personality has much in common with the psychiatric term sociopath: “A person with a psychopathic personality whose behaviour is antisocial, often criminal, and who lacks a sense of moral responsibility or social conscience.”

Israeli Prime Minister Benjamin Netanyahu spoke like a sociopath when he said that the Palestinian resistance “uses telegenically dead Palestinians for their cause.” The expression “telegenically dead” is a stunningly insensitive euphemism for the corpses of little children with their body parts blown off; and of course it was Netanyahu himself who killed them, and then tried to blame the victims for his actions.

What can be done about the sociopathic Israel?

One of America’s leading experts on sociopaths is Dr. Robert Hare, who works with the FBI’s Child Abduction and Serial Murder Investigative Resources Center. Since Israel is the biggest child abductor and child serial killer on the planet, perhaps we could send the whole Zionist entity to Dr. Hare for treatment.

Unfortunately, as Dr. Hare admits, sociopaths are usually impossible to cure. The best we can do is detect them, using the Hare Psychopathy Checklist, and then protect ourselves from them.

A sociopathic individual can be arrested and imprisoned. A sociopathic nation poses a much bigger problem. So how can we protect Palestinian children from the Israeli serial murderers?

The international community needs to completely ostracize Israel, indict its leaders for war crimes, and use the combined diplomatic and military force of the world’s nations to peacefully dismantle the genocidal Zionist entity. But that cannot happen until the Zionists’ death-grip on the West’s media, finance and politics is broken once and for all.

In the mean time, all individuals of good will must help the Palestinians defend themselves. As Italy’s leading philosopher Gianni Vattimo recently said, Europeans and other decent people around the world

“should raise money to buy Hamas better rockets.” Vattimo also urged Europeans to form international brigades to fight along with Hamas, in the same way that foreign volunteers fought Franco during the Spanish Civil War.

**Europeans should buy Hamas better rockets:
Italian philosopher**

Gianni Vattimo, Italy's most famous philosopher

Gianni Vattimo, Italy's most famous philosopher, thinks Europeans should raise money "to buy Hamas some more rockets," saying he would like to personally kill Zionists.

Vattimo, a well-known public intellectual and former member of the European Parliament, made the comments on a popular radio show as protests against Israel's incursion into Gaza Strip were held across Italy.

"I'd like to shoot those bastard Zionists," Vattimo told Radio 24's most successful show, "La Zanzara." When asked by the hosts whether he would like to see more Israelis killed, Vattimo, who described himself on air as "a non-violent person," responded: "Of course!"

If there are any decent, non-sociopathic Israelis left, they too should join those brigades, just as novelist Breyten Breytenbach and other white South Africans of conscience joined the armed resistance to apartheid. Where are the Israeli equivalents of Breytenbach? There must be at least one or two human beings left in Israel; we will learn who they are when they die in martyrdom operations against their sociopathic child-killing compatriots.

True Islam “Hijacked”

http://www.masjiduntucson.org/current/true_islam_hijacked.html

Many articles were written, especially in the aftermath of September 11, 2001, about how the religion of Islam has been hijacked by a small group of terrorists. This is absolutely correct. The Quran, the holy scripture of Muslims, contains no justification for terrorism and killing innocent people.

We believe that this hijacking of the religion by terrorists will be a wake up call for the majority of silent Muslims who are decent, God-fearing people. We also believe that the true religion of Islam was actually hijacked many centuries ago, albeit slowly and subtly, by so-called Islamic scholars with only superficial or distorted knowledge of the teachings of the Quran. These scholars gradually abandoned the Quran in favour of unauthorized sources for social and political gain. They have been shaping a religion for the masses based on premises that have nothing to do with the true religion, and are divergent from what is clearly presented in the Quran.

There is a famous experiment called “Boiling Frog Syndrome.” The idea is that if you throw a frog into a pot of boiling water, it will jump out. But if you place the frog into a pot of lukewarm water and slowly turn up the heat, it will boil to death! In other words, when people become accustomed to practices over a sufficient period of time, they come to accept these practices as normal.

The Boiling Frog Syndrome explains how the “Muslim” masses have come to accept breaches of the Quranic teachings that would have provoked questioning and confrontation during the time of Prophet Muhammad. They have grown accustomed to distortions in the religion that are not sanctioned by the Quran.

Why does this great religion that produced unmatched civilizations now produce corrupt nations of the third world? Why are once proud, educated and progressive Muslims now economically and socially dependent? The picture is clear. When the Muslims followed the teachings of the Quran properly, they prospered. But, once they abandoned the words of God in the Quran and followed the corrupt teachings and innovations of their religious leaders, they began a long trail of decline.

So where does Islam stand today? We believe that True Islam (Submission) is like a precious jewel that is buried under piles of man-made innovations and social traditions that have little to do with the religion. The terrorists and fundamentalists who claim to act on Islamic tenets to justify their ends make things even worse for decent Muslims. Thus the water in the aforementioned pot has reached a critical temperature. The frog that would have jumped out long ago if he were thrown in abruptly is still accommodating these slow increases in temperature. Will our frog eventually awaken in alarm to the truth of his situation, that if he stays in the water he will be cooked alive, or will he remain in a state of warm contentment until it is too late? The Boiling Frog Syndrome is a warning for the true and caring Muslims to jump out of the pot and return to the basis of our great religion, the Quran.

Muslims will have to re-educate themselves about the Word of God in the Quran, other scriptures, and their history. They cannot blame the terrorists or the Western media anymore. The problem is a consequence of their inaction and ignorance. There is simply no room for complacency. Only Muslims can save themselves from the situation they are in, and only by God’s help. The Quran tells us:

[13:11] ...Thus, GOD does not change the condition of any people unless they themselves make the decision to change. If GOD wills any hardship for any people, no force can stop it. For they have none beside Him as Lord and Master.

Unless we Muslims jump out of this boiling pot, we do not have anyone but ourselves to blame.

Peace.

Violence is never Justified

The overwhelming majority of people within all faiths and nations are loving and beautiful people. Our friends from all faiths, Islamic, Christian, etc., are no exception. They need our love and support as best as we can provide, as we do theirs. Embracing of each other is a blessing for all of humanity.

Through out history, we have seen the carnage created by Nazism and other polarised groups. The Christian Crusades were nothing less than an example of butchery that has no place in mankind's history. The periodic emergence of unloving extremist groups typically uses distortion of religious fervour for self-centred personal indulgences founded on environments without the presence of any form of love.

Radicalism polarises those who typically have been confronted with chronically unloving upbringings. Time and time again, we see that the abusive issues prevailing during the childhood years of a perpetrator of a crime of outrage as being a way for this personality to express him or her self. Heavy negative family influences within a family environment leads to abuse of others as seemingly being justifiable. The tragic distortions of loving natures can develop from many venues; school, media, social groups, not just family settings. When the criminal nature of a radical is publicised, such focus draws others in such desperate degraded condition to them. The situation can then develop into a desperate escalation of mayhem and slaughter of many.

Child abuse occurs, generation after generation, within the same family. Lack of love is passed down. Child abuse occurs within one in five (1 in 5) families worldwide. It is this conditioning infused from such abuse that young adults grow up and perceive as the norm. They go looking for outlets, such as that which we now you read about and see within the media.

Containment of these lost souls is firstly required, and then support and care is required to bring a return of the loving nature that has been crushed by issues of abuse thrust upon them over long years of subtle and not so subtle abuse from within their childhood environment. We all need to stand together, hold hands in love and provide the guidance and love that is really craved for but having been crushed long ago for each of these individuals. No more Boiling Frog Syndrome.

Only with love and support from all, from all corners of the community can we bring about the harmony that every individual's soul longs for. It is not them and us, it is all of us. No one should endure the pain that some so outrageously demonstrate. No one is isolated. We can bring harmony about as we draw together to focus on this cry for help which can be heard everywhere, not only in foreign lands. This is not one community's issue, it is all communities.

We have the gifts to resolve this, so now we can begin to share these gifts of Love for all.

We are all brothers and sisters. Through the process of individualisation / incarnation, we (our souls) find a home within a spirit body which envelopes, for a short time, a physical body. We experience life in a culture with diversity in religious and national heritage, as well as the colour and creeds that our physical parents reflect. Our cultural environment is not of our choice but a reflection of our birth process. When we complete our journey through this mortal environment, it becomes self evident that the developing love that we nurture for all members of humanity is underpinned by the fact that we are, in reality, all of the same family.

We have no authority or capacity to judge others; however, we have the capability to love all others as we love ourself. This we will do with all the grace that we draw from our Creator for the sustenance and growth of all. Love for our neighbours is the pathway to harmony for all of humanity. This can only be achieved by earnestly longing for, asking and receiving the Love, the Divine Love of the Father.

PRE-INCARNATIONAL SPHERE is invisible to all spirits as are the souls thereon also invisible. Divine Love is not available on the pre-incarnational sphere.

“There is no Religion that promotes or produces terrorism.”

“All people are good.

“Some are better.

“Those endeavouring to spread harmony are the best.”

Revelation 23: Jesus explains the eleventh commandment.

June 16, 1955

<http://new-birth.net/samuels-messages/53-revelations/revelation-23-jesus-explains-the-eleventh-commandment-ntr58/>

“Love one another as I have loved you.”

As it is reported in the New Testament: ["If ye love me, you will keep my commandments."](#) ["This is my commandment, that ye love one another even as I have loved you."](#) And this statement meant that, as the Messiah, I was giving a commandment which was to be placed with, and above, the Ten Commandments of Moses; and this commandment was the Law of God's Love.

I told my disciples that they were to love one another, not merely that they were to love only themselves, but all mankind, for "one another" was a term which meant not for the circle of the disciples, alone, but for all people; and this love was to include human beings who despitely used them, and they were to love their enemies as well as their friends.

Master of the Celestial Heavens

(The date of this message is correct and the full text is located at the above web link.)

SOME NUMBERS:

Currently, each year we have:

130 million live births
44 million abortions
50 million or so miscarriages

224 million conceptions /
incarnations per annum.

6.5 million child deaths per
annum. About 5% of those born do not
make adulthood.

123.5 million of those incarnated
make it to adulthood.

55% of those incarnated make it
to adulthood.

45% of those incarnated do not
have an adulthood life experience.

Natural love and Divine Love, and
indeed soulmate love are quite different
energies. Soulmate love is not natural
sexual love. Soulmate love is the only
natural love that matures and continues
with us into the Celestial Realms being
beyond the 8th sphere.

Just to step back a little to the above
statistics. For each abortion there are at
least two adults involved. As there are
44 million abortions each year, then 88
million adults may be involved in that
process. That could mean that two out
of every three live births, that is 66% of
adults, become participants in abortion.

Global estimates of INDUCED ABORTIONS:

	1995	2003	2008
World	45,600,000	41,600,000	43,800,000

<http://www.mswm.org/abortions.worldwide.abortionstatistics.htm>

BABIES born Each Year; 130,000,000
It is estimated that there are approximately 130 million
babies born throughout the world each year.

**Miscarriage reportedly occurs in 20 percent of all
pregnancies. This may be an inaccurate number. However,
many women, before realizing a life has begun forming
within them, may miscarry without knowing it. Therefore,
the miscarriage rate may be closer to 40 or 50 percent.**
<http://www.allaboutlifechallenges.org/miscarriage-statistics.htm>

**World murder rate: 7.6 per 100,000 people per
year.**

The NUMBERS: Violent deaths worldwide, 2004:

Total:	740,000
Homicide:	490,000
Indirect consequence of war:	200,000
In war:	50,000

**Over one million people die by suicide every year.
There are an estimated 10 to 20 million non-fatal attempted
suicides every year worldwide.**

<http://en.m.wikipedia.org/wiki/Suicide>

DEATHS worldwide per annum: 60,000,000
**Pollution causes about 40% of deaths worldwide, i.e., are
caused by water, air and soil pollution.**

**To liberate one's real self, one's will, being one's soul, is begun by embracing
Feeling Healing, so as to clear emotional injuries and errors. With the Divine
Love, then one is also Soul Healing. We are to feel our feelings, identify what they
are, accept and fully acknowledge that we're feeling them, express them fully, all
whilst longing for the truth they are to show us.**

MOVING FORWARD:

There is no condition in which one can find one's self that one cannot recover and grow from.

No matter what one's soul condition is in, one can grow from that position.

Providing support through every possible network, be they traditional religious organisations, social and humanitarian networks, publications, media, etc., enlightened education material can be made available in numerous formats to enable people within all the regions of the planet to be given the opportunity to consider ways and means to improve their quality of life.

One such avenue is to expand the ambit of the standard health care clinic to embrace a more comprehensive approach to life style support for friends and patients. This can encapsulate nutrition, employment opportunity development with education, and spiritual development. All of this is now possible with the availability of internet and global communications.

At all times, the greatest teacher is that of experiencing. Giving the opportunity for one to experience what is being offered is fundamental to one actually learning and embracing what is being made available.

Before such experiential teaching opportunities can be offered, those who are conveying such educational material need to be living what they offer and also be demonstrating what is being offered.

All of this needs to be considered with love and care. This is the goal of **Pascas Care Centres**.

I am here. Luke.

I desire tonight to write for a short time on the text: "[That the sins of the parents are visited upon the children unto the third and fourth generations.](#)"

I know that usually the explanation of the text has been that the material sins or rather the sins which result in material injury or affliction are visited upon the children and to a very great extent this is true. But that explanation is not what was intended by the declaration.

Man is not only a material or physical being, but is more largely a spiritual being, having a soul and spirit which never ceases to exist, and which are just as much a part of him while on Earth, as when he becomes a spirit; that is after he has left the vestments of flesh and blood.

These real parts of man are of more importance to him and his real existence than is the physical part, and the sins which man commits are not the results of any primary physical action, but of the operations of the powers which form or have their real seat in the spiritual part of his being.

The physical part of man is not the originator of sin, but merely manifests its effects, and it (sin) almost always manifests itself on and in the physical body, and leaves its scars apparent to the consciousness of men upon such body; and hence, as man is able in his ordinary condition to perceive the effects more plainly on this body, he thinks that the meaning of the text must refer to the sins that affect and are shown upon his body, and at the same time ignores or is not sensible of the fact, that the great effect or injury of sin is upon and to the spiritual part of man. As the physical body is affected by the results of these sins being carried into operation, so much more so is the spiritual part of man affected by the fact that these sins had their creation in that spiritual part of man.

It may be asked, in what way can the effect of sin upon a man, that is upon his soul and spirit, have any injurious effect upon the spirit and soul of his child, so that the child may suffer from the sin of the parent.

Well, when a child is conceived and gestates and is born, he not only partakes of the physical nature of his parents, but also of the qualities and condition of the spirit and soul of the parents. This may seem improbable, but it is a fact that the spirit and soul that enters into the child when it is conceived comes from the great universe of soul and spirit, wholly independent of the parents and is not in its nature or qualities a part of the parents as is the flesh and blood which build up and produce the physical body of the child. But while this is true, it is also true that this spirit and soul of the child is susceptible to and in a way absorbs the influence of the spirit and soul of the parents, not only at the time of conception but also during the period of gestation, and even for years afterwards, and to such an extent that this

influence continues beyond the mere earthly existence of the parents and into the life of the progeny to the third and fourth generation, as the text says.

The spirit part of the child is more susceptible to the influence and evil effects of these sins than is really its physical body, for as I have said, the spirit part is the originator and breeder of the sins, if I may so express it, while the body is merely the recipient of the exercise of the sins and the objects of their manifestation.

The influence of spirit upon spirit is more extensive and certain than mortals can possibly conceive of, and the results of that influence are not so apparent or known to the consciousness of the succeeding children, or to the respective parents, as men suppose, and as a fact they do not understand or become conscious of the fact that such influence is operating upon the spiritual parts of their children. They see and realize that the effects of such sins become manifested in the physical body, and as their ordinary natural senses cannot perceive the condition of the spirit, they conclude that the text can only mean, that these sins are visited upon the material bodies of their children.

But I must tell them that, while great and deplorable injury is inflicted on these material bodies, yet greater and more lasting and more grievous – in the way of manifestations – injury is inflicted upon the spiritual nature of the children; not only because this nature continues to live, but because men, not realizing that this nature has been injured, make no attempt to find and apply a remedy as they so often do in the case where these sins manifest themselves in the physical body.

And besides, there are many sins that do not affect the mere material body, but which do great injury to the spiritual nature, and which to the senses of men are never perceptible.

A man is not only the parent of a child's material body but in a secondary way is also the parent of its spiritual nature, and the condition of the parent's spiritual nature influences and determines to a large extent the qualities and tendencies of the child's nature for good or evil, not only while it is a mortal but frequently after it has ceased to inhabit the veil of flesh. So let parents know that they do not live to themselves alone as mortals but that their evil thoughts and deeds have a greater or lesser influence upon the spiritual natures of their children, especially at the time of conception and during gestation. Then how important that every parent during these times particularly, and at all times, should have their spiritual natures in that condition of purity and freedom from sin, that their children may be conceived and born in a condition of soul purity, which will not reflect any evil that they can charge their parents with being the creators of.

If men would only realize these facts and live their lives in accordance with the truths which I here declare, how much sooner would the human race be brought into harmony with God's laws and the souls of men be freed from sin and evil.

I know it is often said that it is unjust and not in accordance with the justice of an impartial God that the sins and penalties arising from the disobedience of our first parents, should be visited upon mankind who were and are their progeny, as such mankind had no part in that disobedience. But when it is remembered, and it is a fact, that God did not create sin or evil or impose such upon the first parents for their disobedience, but that they themselves created evil and sin, and men have been creating these in-harmonies ever since, it will be seen that an impartial God, who is our only God, is not responsible for

either sin or evil and the consequent penalties which they impose. And, as has been written you before, the abolishing of sin and evil and their penalties is in the power of man and his will.

As these first parents created these evils, as I have explained, and in the manner that I have pointed out to you, their sins, by the influence which they have upon the spiritual nature at the time of conception and birth become, as it were, a visitation and that is the spiritual desires and tendencies and inclinations toward that which is evil (sic), and this influence continues with the child for years after its birth, according as the child and parents are closely associated together in their Earth lives. And as each succeeding generation caused the visitation of its sinful influence and tendencies upon the succeeding generation, you can readily see how men, all men, became subject to the sins and evils and penalties which were brought into the world by the first parents.

Instead of God being the creator of these things or visiting them upon the children of man, He declares that their existence is contrary to the harmony of His creation and must be eradicated before man can come into that harmony and an at-onement with Him. And as He gave to man the great power of free will, without any restriction upon its exercise, except as a man's understanding of the harmony of the operations of God's laws might influence him to exercise this great power; and as man in the wrong exercise of that power brought into existence these things of evil and sin, so man, as he perceives this plan of God's harmony, must exercise that will in such a way as to free himself from these things which are not part of God's creation, and are out of harmony with His plans for the creation and preservation of a perfect universe, of which man is its highest creation.

God never changes. His laws never change. Only man has changed from the perfection of His creation; and man must change again before that perfection will again be his.

Now from all this it must not be inferred that man is left to his own efforts to bring about this great restoration, for that is not true, because Gods instrumentalities are continuously at work influencing man to turn again to his first estate, and become the perfect man, as he ultimately will become. (I am not here referring to the workings of the great Divine Love which, when a man possesses in a sufficient degree, makes him more than the perfect man.)

So, "the sins of the parents are visited upon the children to the third and fourth generation", means, the tendencies and inclinations toward that which is evil (are created) not by God, but by man himself, solely and exclusively.

And oh man, could you see the results of these sins upon the spiritual natures of your children, as you often see them upon their material bodies, you would hesitate in your sinning and think, and thinking would see the way by which the great blot upon the happiness and salvation of humanity could be removed and its progress to the "perfect man" be hastened and assured.

Well, I have written enough for tonight, and hope that what I have said may be understood and meditated upon by all who may read it. I will not detain you longer, and with my love and the blessings of one who is now not only the perfect man, but a possessor of the Divine Nature of the Father and an inheritor of immortality, say good night.

Your brother in Christ, Luke (Apostle)

I am here, Luke.

I desire to make some corrections in my [message of last night](#), and will thank you to receive them.

I desire to say, that when I spoke of the sins of the parents being visited upon the children at the time of conception and birth, I meant that these sins, by the influence which they have upon the spiritual nature of the child, became, as it were, a visitation. I did not mean that any part of the real sin of the parents became a part of the spiritual nature of the child, but only that the influence of the parent's sins upon the child is sufficient to give the spiritual desires and tendencies of the child an inclination towards that which is evil; and this influence is continuous with the child for years after its birth according as the child and parents are closely associated together in their Earth lives.

Let this point be made plain so that man may not quibble about the meaning of what I wrote.

Otherwise the message is true and just as I intended it should convey to you the truth of the meaning of the text.

I will not delay you longer tonight, but with my love and blessings say,

I am your brother in Christ,

Luke (Apostle)

**PASCAS
PAPERS**

Three Great Truths:

- **God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

Golden Rule: that one must always honour another's will as one honours one's own.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

The Sins of the Parents and Grandparents....

Antwerp. Received by WV.

December 10th, 2014

(Hello John. I can feel your presence. Can you please elaborate on the message of sins as asked on the DLS forum?)

Of course, my dear friend, it is always my pleasure to enlighten my brothers and sisters in the flesh.

I will start off with saying that only seldom a child will be born free from flaws but that all souls incarnate in their pristine flaw free condition.

The process of the human birth is not understood completely by many so they conclude what they are capable of understanding with their minds. To help with this, I want to explain to you something very vital. As we all know, there is the need for a sperm and an egg to start the creation of the human body and, at a particular moment in the whole process, the soul will take possession of that body. Well, what most people do not understand is the soul does not take its place in the physical body. It will nest itself into the spirit body, which is a very important difference.

If you examine this statement closely, you will come to understand the soul cannot control the physical body in a direct way, only in an indirect way; through the spirit body, because it is the spirit (body) that controls the physical (body). But I will come back to this principle later.

Well then, when the soul has not connected itself with the spirit body which it creates, it is in its pristine state with nothing surrounding it to block out the energy it needs to live its life to its full potential. It is only as soon as it nests itself in its spirit body that the process of inheriting the flaws of its ancestors begins. The moment the soul incarnates, it becomes veiled by the spirit body, which in turn becomes susceptible to its surrounding energies and makes a connection (the silver chord) with its physical body.

Since the new life form stays closest to its mother's energy, the mother will be the first to pass on her energy patterns; created by herself (her own mind) or adopted from her parents. However, if you contemplate this, you will understand her parents were also influenced by their own minds and parents and their parents also; and so on. Consequently you can see the flawed energy / mind patterns are copied, depending on their dominance and persistence, from generation to generation. Some minor adopted flaws will vanish quickly as the child gains its own life experiences. Some other (more severe flaws) will survive very long and will be passed on to their own offspring. It will all depend on the use of their own free will which ones will survive, vanish or be added. And that is how the process of the inheritance of the flaws of the parents works.

However, it is not only the surviving energy patterns from our grandparents (within our own parents) that influence us (indirectly), it is also the patterns from our (still living) grandparents (or great-grandparents) that influence us (directly). For when we are born, most of our grandparents are still alive and very present in our everyday lives. Therefore coming into direct contact with their patterns or flaws will only enforce the ones we already adopted (or are adopting) from our own parents. (And this is of course also the case if our great-grandparents are still alive.) Naturally, the frequency of coming into

contact with them plays an important role in the influence they will have. This too is the reason why the energies of siblings, friends, teachers, leaders, etc. can influence our own energies, minds, patterns or flaws. It just depends on the frequency of the contact and the ability of staying true to oneself: whether the connection with one's soul is still in good condition or whether the veil of the spirit is blocking it. It is also the reason why it is so important to choose your company wisely.

Why we prefer to talk about flaws, instead of sins, is because there are far more energy patterns (that cannot be classified as sins) that block the flow of love. To give you one important example: thinking one is not worthy (of love). This can and will block the soul to receive a (big) portion of love. But what you also have to understand is; that, because of such thinking, the influence of the soul becomes less outspoken and more difficult, which in turn will make it more difficult to live according to the laws of love. So, flaws like that, which have nothing to do with sin, can have a big impact on the condition of the soul and even create an environment where sins thrive because the influence of the soul diminishes.

So, as you can derive from what I have said, the integration of the flaws of previous generations is not a static or instant process where the soul receives a bunch of 'sins' the moment it incarnates, it is a dynamic process where self-created energies play an active role in blocking the flow of love to and from the soul. The soul has no part in this whole process because its sole purpose is to love; to give love and to receive love; and it cannot do anything out of tune with the laws of love.

That is why God created the physical realm and the intermediary realm, better known as the spirit realm. And it is this whole system – Father created – that makes it possible for us to enjoy total freedom in the use of our free will: to some a blessing, to some a curse. This system allows us to identify ourselves with our human bodies and with our minds without being under direct control of our souls: the experience of unlimited freedom, not being dependent on the existence of a greater Source – thus, the experience of being God.

(So, do I understand you correctly? Are you saying free will does not reside in the soul?)

Indeed, my friend. Free will – the ability to choose to live according to the laws of love or not – does not reside in the soul, as the soul does not have the capabilities to do anything not in tune with the laws of love. Free will resides in the mind; as well in the physical as in the spirit. It is a concept based on the principle of choice, which does reside in the soul. However, it adds the dimension of being able to make choices outside the scope of love and that is why it cannot be part of the soul. So by choosing the Divine Love path, you use your free will to state that love is the only choice you ever want (and need) the rest of your (eternal) life – that you do not want to live outside the scope of love – and that you are therefore willing to put everything else, even your mind, in second place.

We can conclude our wonderful talk here for I see we covered everything I wanted to talk to you about. Stay safe and centered in the love and don't let your mind take control of your life; let your soul guide you. For, when it comes to matters of the soul, the mind is not the right source to explain them (because of its subjectiveness). And when it comes to the matters of the mind, there is no better (objective) source than the soul to explain them.

Your friend forever. John.

DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

PERSONALITY

**Our soul is the centre of our personality.
We are children of our Heavenly Parents.
Our soul manifests a male and female personality - it is a duplex!**

TIME to LOOK CLOSELY WITHIN:

Few of us realise that at the time of conception our soul and personality is attracted to the very newly formed viable embryo, this brings about the creation of our spirit body in which our soul finds its home for eternity. It is the spirit body that is the template for our newly developing physical body.

We may look upon the preceding pages with all kinds of emotions. We do. Education and love are the only options that we see to address this despair and misunderstandings.

For the first time in history we can now investigate what is truth and what is not. Kinesiology muscle testing can determine what are truth and also the level of that truth as it relates to the Map of Consciousness (MoC) table which actually progresses beyond 1,000 to infinity.

For the first time in history we have a global communication network – the Internet – that all of humanity can access to discover truthful and loving information should we make it available, and we will.

For the first time in history we have renewable energy platforms that can provide the power sources required to deliver these communications of truthful and loving messages.

For the first time in history we now have the teachings that were made available to us in the first century. We not only have them in a complete and loving detail, we also have them in a much greatly expanded detail than what was introduced to us in the first century. Further, these teachings having again started in 1914 continue to arrive and will continue to do so. The interactions between those in the spirit worlds and those of us in this physical world will continue to develop and become more and more fluid and constructive as we embrace these wonderful revelations of love and potential for us all.

The above pages of media reports in isolated communities reflect the issues within our own local communities. We are best to address what is lacking of love within ourselves, then by way of demonstration enable others to consider the possibilities that we have embraced to improve our soul condition and quality of life. This we can do, one step at a time. No one is required to do anything. All that is necessary it draw our focus to our Mother and Father's Love and ask for it with all of the yearning and sincerity of the soul. Nothing more.

As we ask for and receive our Mother and Father's Love we will surely, but slowly, progressively come to experience the receipt of His Love washing over us. It becomes a physical experience. We will achieve the experience that His Love is real and tangible and be in no doubt as to the Gift that was returned to us in the first century, and is available for all, and as real as any other tangible item that you may have.

As we grow with this Love, our soul perceptions develop. As our soul perceptions develop we steadily peel off erroneous understandings and unloving negative emotions. All steadily becomes revealed to us.

We can share these understandings to all who may come within our environments. It does not matter should they not embrace, we forget nothing, eventually the understandings that we have will also be understood by those that we share the possibilities with. Time is irrelevant.

REVELATION 1
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

Quantum Jump 2

REVELATION 2
Marion and James Moncrief 2002
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

PSYCHIC BARRIERS MAINTAINING the REBELLION and DEFAULT are CRACKED!

The hounds of the Rebellion and Default have fallen, the psychic barriers have forever been cracked. The sheeple, the mice of humanity, now have the freedom to evolve through Feeling Healing and Divine Love.

Things are pushing ahead, we're working them from our side, and more so every day now. Many of the soulgroups involved in this are getting a feel for what it is they are to do and how they are to do it. So the barriers are giving way on multiple fronts.

There are actually barriers preventing people and humanity as a whole moving deeper into the wrongness, just as there are barriers preventing people and humanity moving out of it. It's all very tightly controlled, the Evil Ones put in a vast amount of controls and on all levels, which, unless you are shown by those spirits who can see them, such as the Melchizedeks, you'd never be aware of them.

So the cracks are appearing as the Divine Love Healing worlds start to 'descend' onto Earth – into the physical. For that's what is going to happen, the Divine Love Healing worlds, from the first introductory sectors on Mansion World one, to the truth of all the three main Healing worlds, being lived by people living them whilst on Earth. All to give rise ultimately to Celestials on Earth. That's what our goal is, to have people living on Earth who have fully Healed themselves.

2 December 2017

**PSYCHIC
BARRIERS
CRACKED**

The NEW WAY of LIFE:

Now for the first time in history, Celestials can be more assertive in making known the availability of Divine Love, and that the only way to progress towards our Heavenly Parents is by engaging in doing one's Feeling Healing.

The Celestials have all but stopped the mind spirits from negatively influencing people on Earth, and the biggest area this is in, is in the religions. So the religions on Earth and all the spiritual systems of the mind, are under pressure in that they are no longer enjoying the input from the mind worlds that they have had. And how this translates into ordinary everyday life, is more in the unseen connection between those in religions on Earth and those of the same religion in spirit, is fading away.

Then at the same time, we, the Celestials, are being allowed to move more freely amongst everyone, both in the mind worlds and with you on Earth. Which means, we can confront and have more of a say in peoples and spirits lives, something that was forbidden the Celestials of the 'old guard'. They were not allowed to interfere at all, having to wait patiently for spirits (as there was rarely anyone on Earth) to show interest in an alternative way to God, which enabled the Celestials to slowly introduce the notion of the Divine Love and then that of doing one's Healing. But it took a long time for mind spirits to show any real interest and being willing enough to give up the power their mind had over them, wanting to seek a higher life.

Celestials can now, following the progress achieved by Marion and James Moncrief, approach and be more freely expressive to spirits on all levels, and also to people on Earth, should they want their help.

Further, those who reject and suppress their children will progressively grow in awareness of their own unloving natures. One will not be able to continue to avoid their feelings of wrongness.

Golden Rule: that one must always honour another's will as one honours one's own.

Thus the three aspects: one, of having more readily available guidance to become aware of the availability of Divine Love; two, the way to become fully expressive of one's soul based personality through the process of Feeling Healing; and thirdly, the quickening of the Law of Compensation through one's greater sensitivity to one's emotional errors and injuries. By having greater personal connection with a Celestial, we are able to move into longing for the Divine Love, and look to healing ourselves and grow in truth, and start to seriously consider embracing one's ascent to Paradise.

REVELATIONS

JAMES PADGETT MONCRIEF **REVELATIONS** 1 Commenced 1914
2 Completed 2014

REVELATION 1

The availability of Divine Love, should we so ask for it, being revelation 1:

God's Divine Love: Pray for it, ask for it, and receive it.

Whilst we are receiving our Heavenly Parent's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way the Father is actually loving us! When we progress, it is the Father's way of loving us into love and then we live what we are, love.

REVELATION 2

The way to clear one's soul of childhood errors and injuries is revelation 2:

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

REVELATIONS

Revelation 1: Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively feel into our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

Revelation 2: We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

Immortality with the Love.

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU
FEEL, THINK AND ARE.

Release one's pain through expressing one's feelings.

Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

Please Mother and Father help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

Please Mother and Father help me see the truth of myself through my feelings.

Please my beloved Heavenly Parents, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

Please Mother and Father, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

Please Mother and Father help me, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

Please Mother and Father love me. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

Please make me feel how unloving I am. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the 'dead' way; the feelings way is the 'alive' way.

Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

Please God show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

Heavenly Mother and Father, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

Please Mother and Father fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

I hate you Mother and Father; why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

I long for Your Divine Love Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

Our FEELINGS are our SUPREME GUIDES:

Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings. Kevin 26 Sep 2017

Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.

FEELING HEALING

Note: The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

Note: Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and totally true.” James – Introduction Course to Divine Love Spirituality

FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Heartfelt TRUTH

The New Way

Feelings First
FF
Feeling Free

The New Way, Feelings First Spirituality
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.
 Want to understand why you're feeling them.
 Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
 Your feelings are your spiritual guide.
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True 'religion' for humanity.
 It embraces all people.
 It completely unifies the world.

Everyone can relate to everyone else through their feelings.
 And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.
 No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled religions. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

WE are meant to grow up LIVING FULLY CONNECTED to our FEELINGS:

Humanity has always had an awareness and involvement with spirits, with life on the other side, because we are all heading that way, we all end up dying and becoming one of the spirits, and were humanity living rebellion-free, then nearly everyone would enjoy some level of spirit involvement either directly or indirectly, loving such an expansive awareness in life.

We are meant to grow up living fully connected with our feelings in our physical reality, and at the same time with full feeling awareness of spirits and life after death, because after all, God is the greatest Spirit of us all.

And so having an awareness and involvement with spirits can, and should, help us have more of an awareness with our Mother and Father. And it's not with just spirits, it's also with the angels who are with us all the time, and the nature spirits should we be open to them, and even higher spirits if we are to work with them, such as the Melchizedeks or Trinity Teacher Pairs. But mostly for those people involved with the Divine Love, it will be with the Celestials spirit group that is assigned to help them.

It is very important to understand that spirits and spirit life is meant to be part of life on Earth. However that's not to say everyone need to have an ongoing relationship with their spirit friends, but they can at least still be aware of spirits and spirit life and where we will be going and something about what to expect once we die. And when you are open to it, lessening the grip of one's fears about it, then we will find it will be just another aspect or level of life, and one that can give us quite a lot of comfort.

TRUTH LOVING SOUL V ERROR INFLICTED MIND

**Feeling
Healing with
Divine Love is
the key!**

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

WE ENDURE FOUR LAYERS of PERSONALITY SUPPRESSION!

Unknowingly, our parents pass onto their children (us) their beliefs and way of living that has evolved since the Rebellion, some 200,000 years ago, and then the Default, some 38,000 years ago. In this way, humanity is suppressing the female, rejecting our Spiritual Parents, namely Jesus and Mary, and denying our Heavenly Parents being our true Mother and Father, of Their truth, standing and existence.

The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion. Nanna Beth 29 June 2017

We are souls, our personality is an expression of our soul. It is our free expression of our soul through our feelings that we are to embrace and follow. This expression may appear to be wilful in nature, from time to time, and consequently our parents' attempt to suppress this expression. They proceed to remodel us when as young children, in the manner their parents treated them and so on for many generations going back.

During our forming years, as a child, we are unable to recognise the suppression of our personality as being extra-ordinarily harmful to our soul based personality and, accordingly, we don't know that things can be any other way. Presently, neither do our parents.

This childhood suppression way of living continues throughout our schooling years, thus we learn this is a way of life that is normal.

Our religions all have been formed based on the tenets of the Rebellion and Default. The teachers and leaders throughout all denominations take us further away from our suppressed feelings that have been hammered into us during our forming years, thus entrenching us further into rejecting our true selves.

The controlling and suppression mechanisms of our parents, educators and spiritual teachers all manifest throughout all of commerce. This control comes heavily and brutally down upon all levels of employment. The capability to express one's soul based attributes and gifts is sealed throughout all of one's working life.

A new way of living is to enable the liberation of one's true personality through the Feeling Healing process AND the transfer of authority to the individual via embracing freedom of expression.

DEVOLUTION

Our childhood suppression of our true and loving soul based feelings is creating global pain and personal isolation amongst all of humanity. We are very sick!

In our struggle to find solace and purpose, we further withdraw into ourselves, becoming ever more self dependent, believing our control addicted mind that it can solve everything. We just drown further.

We embrace an ever expanding and diverse range of pathways to escape from our personal pain, fear and desperation. Alcohol has now been complimented with narcotics, hallucinogens, including caffeine (coffee). Gambling has been complemented with computer games which are generally entraining the mind further into error and pain. Technology is making us sicker!

We bury ourselves in front of the television to further avoid contact with anyone, especially family.

Children endeavour to exert their independent authority from domineering controlling parents (which we all are eventually) by disfiguring their bodies with tattoos and piercings, etc.

We shut out the noise with headphones, thus preventing contact with others. We use electronic devices to 'text' others even at intimate engagements.

Technology will take us further into the depths of our madness. You now can buy headsets that prevent any contact with the outside world while playing mind suppressing and entraining entertainment – games!

No one loves their children, they are ignored, and the controls hammered into them turn them into clones of ourselves. Look at ourselves and we can all see that we have been all messed up by our own parents, as they have for generations over the past 200,000 years.

No more of this! We can escape this man made hell!

EVOLUTION

STEP 1: Longing for and receiving Divine Love:

- A. Soul within spirit body prior to receiving Divine Love.
 B. Divine Love being received from the Holy Spirit, covering the spirit body of requesting personality.
 C. Divine Love having been assimilated within one's soul, now being reflected through the radiance of the spirit body.

STEP 2: FEELING HEALING + SOUL HEALING

It is the Divine Love that strengthens one's resolve to persevere with embracing one's suppressed emotional injuries, that occurred from conception through to around the age of six, and longing to know the good and the bad of those feelings, together with talking about them to a friend, partner, one's self and our Heavenly Parents. It is only with the receipt of the Mother and Father's Divine Love and the expressing of suppressed emotional injuries that one can release the emotional injuries and errors to achieve Celestial soul condition and enter the Celestial Heavens.

Further, should one complete their Feeling Healing on Earth, then they will be able to recognise their soul partner, their other soul half, and should their soulmate have also embraced Feeling Healing with Divine Love, then their children will be born free from error, free from fear, and free from any deformity and illness. This is the destiny of humanity.

Further, being in this condition of free from error and being in constant communication with our Heavenly Parents, then one can also recognise and form their Soul Group. This will ultimately consist of twelve soulmate pairs, a total of twenty four personalities / individuals.

It is the bringing up of children by the support of soul groups that is to be the ultimate way forward. The group experience and wisdom, as a functioning family, will ultimately be of profound benefit for the blossoming child.

But what we cannot do is contrive the groups ourselves, or even pick who our soulmate is. This will only, and can only happen, as an outworking of the truth we are to live – as we progress in the healing of our soul.

And this is how all of life should be lived: according to the truth we are living. It is how we live, as there is no other way, but currently we live it in the negative, of that being directed by no truth, and so having to make it all up ourselves.

MAN's ERRORS can be REMOVED with FEELING HEALING :

Man has engaged, by use of his own free will, errors of belief and harmful ways of living, which he readily infuses into his children and close associations, be they family, extended family and friends, throughout his journey of life.

These low energy attributes are barriers to evolution and cause harm to the physical body. Unloving attitudes can be erased forever!

'Louie the Fly' is a mere irritant that can be permanently put aside by the feeling-healing of one's self.

Divine Love, our Parents' ultimate high octane super fuel, the light golden blue energy substance restricts progressively those errors of life style living and beliefs that man so readily adopts through the examples of others during one's forming years of living.

Once received, the Love energy remains ever present, never diminishing, and always restricting the return of man-made harmful natures. As one continues to feel and heal themselves of harmful attributes that may be encrusting one's ever pure soul, the Feeling Healing with Love energy causes them to become mere memories! The Divine Love remains ever present, thus harmful emotions and errors do not re-enter one's way of living and personality. The greatest gift to share with an evolving young personality is the awareness of the Love and the great benefits that It brings for all of eternity.

NATURAL LOVE BLENDS PERFECTLY WITH DIVINE LOVE:

Both are energies. Natural Love energy forms each soul and each individual soul is unique. Our personality, intelligence, memory, and humanistic characteristics are unique. It is our gift of free will that tends to enable us to error, however, it is the uniform nature of Divine Love and Feeling Healing that brings about our growth and release of man-made negativities.

One's soul is gifted with the emotions of courage through to enlightenment. Man erroneous emotions are those of pride down to shame – these we can step away from with Feeling Healing.

UNIQUE NATURE of DIVINE LOVE ENERGY:

- The Divine Love is a light golden blue energy substance and is a gift from our Heavenly Parents.
- The Divine Love is maybe ten to a hundred times more powerful than the natural love which is the essence of man’s soul. There is nothing of the divine within natural love.
- It is the longing for, asking for, and receiving of this Love energy that brings about immortality.
- It is by the receiving of this Love energy that the receiver thereof can shed, through the process of Feeling Healing, man made errors in belief and adopted harmful mannerisms, habits, and harming emotions – permanently!
- The Divine Love energy once embedded into a soul, the Love energy will remain in one’s soul in perpetuity and can regenerate and maintain itself indefinitely.
- The effect of the Divine Love energy is cumulative; it gets stronger as more is received.
- This Divine Love energy has the capacity to carry information, thus growing one’s perceptions.
- The Divine Love energy does not decay over time or distance from source.
- The Love energy does not radiate as waves but expands outwards in circles of energy.
- The Love energy is more field like than wave like and it tends to fill the environment.
- It is capable of passing through solid objects with no loss of intensity.
- The space that the Divine Love energy occupies is not a vacuum but comprises a network of harmoniously balanced and balancing loving energies.
- The Divine Love energy, a stationary energy, cannot be evaluated by man’s current frequency instruments which are designed to measure Hertzian energy frequencies and wavelengths.
- The Divine Love energy is the greatest gift in the entire universe and this is the way by which man can evolve, together with Feeling Healing, into the loving natures that he is fitted for.

PADGETT MESSAGES – notes from Book of Truths and Little Book of Truths:

Jesus ~ Let me teach you (The Padgett Messages number 2,500 from 1914 through to 1923.)
September 24, 1914

The new birth is the flowing of the Holy Spirit into the soul of a man and the disappearing of all that tended to keep it in a condition of sin and error. It is not the workings of the man's own will but the grace of God. It is the love of God that passes all understanding...

Your will is the thing that determines whether you will become a child of God or not. Unless you are willing to let the Holy Spirit enter into your heart, it will not do so. Only the voluntary submission to, or acceptance, of the Holy Spirit will make the change.

Ann Rollins ~ Celestial Spirit ~ The new birth is not the working of your own will
September 15, 1914

The new birth is the flowing of the Divine Love into your soul and the disappearing of all that tends to turn your heart from the truth and love of God. It comes by the workings of the Holy Spirit that conveys the grace of God. It is not a working of your own will or power; it is the love of God that causes the change. You cannot of yourself change the evil workings of your heart, but you can pray and the Holy Spirit will come into your soul and then you will realise the change.

Helen Padgett ~ entered the Spirit World in February 12, 1914 ~ You can progress on Earth
November 30, 1914

You can progress on Earth just as rapidly as I can here, if you will let God's love come into your heart as fully and as abundantly as I do; and you can if you will only pray to the Father. He does not require the child of His care to be in the spirit world in order to develop his soul. You have the same soul now that you will have when you come here, and if you let God fill it with His love while you are on Earth, why should it not progress as much as it does here.

If you seek earnestly for God's grace and love you can obtain them on Earth, and I am informed that when they are obtained on Earth, greater will be the progress of the spirit when it comes over.

Do not doubt His love, or that He can come to you through the Holy Spirit, for that is His messenger of love, and it will never refuse to come into a man's heart and soul, where the desire exists to have it come, by earnest sincere prayer for its inflowing.

Ann Rollins ~ Celestial Spirit

The love of God is the only thing that can make man supremely happy while on Earth.

SPIRITUAL REVELATIONS and the REINTRODUCTION of DIVINE LOVE:

Six hundred years before the coming of Jesus of Nazareth, there were several world teachers introducing progressive spiritual and loving teachings. After the time of Jesus, we waited six hundred more years before another world teacher delivered upon Earth a spiritual platform.

This has occurred again during the 1900's with the delivery of spiritual teachings that continues today.

These gifts for humanity started with messages successfully conveyed through James Padgett in 1914. Between 1914 and 1923 some two and half thousand messages were documented. A student of Padgett's messages, Dr Daniel Samuels, continued the work from 1954 to 1963. A student of both these works received the Judas Messages between 2001 and 2003. Students of all these works are now recording and publishing further expansive materials; both the Richard Messages and the Divine Universe were received during 2012 to 2013. The most important writings are those of James Moncrief which are still in progress. Thus this program has been in progress for 101 years.

Currently, there are further supportive publications. As one investigates these revelations and develops their own soul condition then one can perceive further possibilities and the resulting questions lead to further development of the material. It is most apparent that these communications will continue to develop greater and more spiritual explanations.

By the middle of the second century, much of what Jesus of Nazareth taught was lost. Most importantly was the loss of his teachings regarding Divine Love, the Spirit Love, that **all** can receive should they so ask:
 God's Divine Love, pray for it, ask for it, and receive it.

The experience of living with Divine Love is now the blessing of many. Those with this love have a burning desire to share their experience with others. This is what we will do. A synopsis prepared by Dr Daniel Samuels now follows; diagrams added reflect recent material received.

Why Jesus was without sin.

Antwerp. Received by WV.

November 28th, 2014

Hello again my friend.

I am glad you are feeling better and you are keeping up with doing your new daily meditation as we instructed you. Yes you are right about what you received during your meditation on ‘The reason why Jesus needed to be free from sin.’

Now, let’s first clarify what sin is. Sin is only a word to indicate that certain actions or thoughts are not in tune with your soul knowledge – with the laws of Love. I know people tend to put a lot of negative energy on the meaning of the word, but they shouldn’t. Sins can only be manifested or created by the mind and have nothing to do with the soul. The soul – as an image of the father – is not capable of creating anything out of tune with the laws of Love. Sins are nothing more than ‘mind flaws’ that exist in different levels. They are portrayed in everyday life in the way we think, speak and act.

Now, why did Jesus have to be free from these mind flaws? Because as you have experienced yourself, even if someone has received a big amount of Divine Love in their soul, the mind keeps on existing. And although the Divine Love will silence the mind for a while – depending upon the amount of love you receive – the mind will come to the forefront again. That is why we need to pray as much as we can, as frequently as we can, so the Love will silence the mind and eradicate all flaws from it.

So, the reason Jesus had to be free from sin is because he needed a mind that wouldn’t interfere with his soul longings. If his mind would have contained these kind of flaws they would have interfered with his calling and it would have made his mission far more complicated; which was not Father’s intention. Jesus had to have the same opportunity as Aman and Amon, equal in its context. So you see he was ‘mind flaw free’ because it was a prerequisite to his calling, not because he was special. And when people compare themselves with him, they are doing something impossible, because 99% of all people living on Earth will be soaked in the flaws of their parents, siblings, teachers, leaders, cultures, etc.

That is also the reason why you aren’t flaw free; but you don’t need to be. In fact, it is a ‘good’ thing because it will help you with your own calling. It will help you to understand what people are going through. It will help you explain these processes to them because you will receive the insight firsthand from the processes you have to go through yourself.

Most people do not want to look at their own flaws. They think they need to be perfect examples of the Love; that Divine Love does not leave room for flaws once they received a portion of it. Well, they are flawed! [Laughs] Because flaws will exist until people reach the level of flawlessness. And it is the recognition (not the denial) of one’s own flaws that will lead to their eradication; whether the eradication comes through the use of the natural love or the Divine Love is of no importance – although we Divine Love connoisseurs know which path will be swifter.

I think this is a good place to stop and I am glad we had this talk because you portrayed the context of what I wanted to explain very well.

Thank you for being such a good friend . (John)

What is the Divine Love?

"The Divine Love is that Love which belongs to or is a part of God, possessing Their nature and composed of Their Substance, and which when possessed by man to a sufficient degree, makes him divine and of the nature of God." – **Jesus**, in a message received by James E. Padgett through spirit communications on May 15, 1917.

"The Divine Love of our Mother and Father is the greatest thing in all the world, and the only thing that can make man at-one with God, and change the soul of man as it has existed since his creation into a divine substance filled with the essence of our Mother and Father. There is nothing else in all the universe of God that can cause man to become a new creature and an inhabitant of our Mother and Father's Kingdom; and when men possess this Love then they possess everything that will make them not only the perfect man but the divine angel." – **Apostle John**, in a message received by James E. Padgett on August 5, 1916.

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

Please Mother and Father, may I receive Your LOVE.

Our Heavenly Parents simply desire for us to ask for Their Love.

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are a son and daughter of God.

Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.

Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.

When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus’ Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair’s guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world’s spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

HUM

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
 We are to long for the truth of what we are feeling.
 We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

WE ARE Children of God

HOW TO GET TO PARADISE:

Long for the Divine Love
 Long for the Truth
 Long for the truth of your feelings
 Don't deny any feelings: accept, express and want to know the truth of them
 Know your feelings are the key; your feelings are the Way
 Want to end your falseness and being untrue
 Want to understand the truth of your early life
 Use your surface feelings to move deeper into yourself, bringing up your repressed feelings
 Want and long to know the whole truth of yourself
 Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
2. **ETERNAL SON (ES) – Divine Truth**
3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS (MF) – Love – the Living Truth**
2. **DIVINE MINISTER (ID) – Mind (and her Holy Spirit)**
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR – the Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS – they do not incarnate**

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizediks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

Humanity is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

Feeling Pathway

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

Soulmate Pair

Angel

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Spirit Person

Nature Spirit

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective

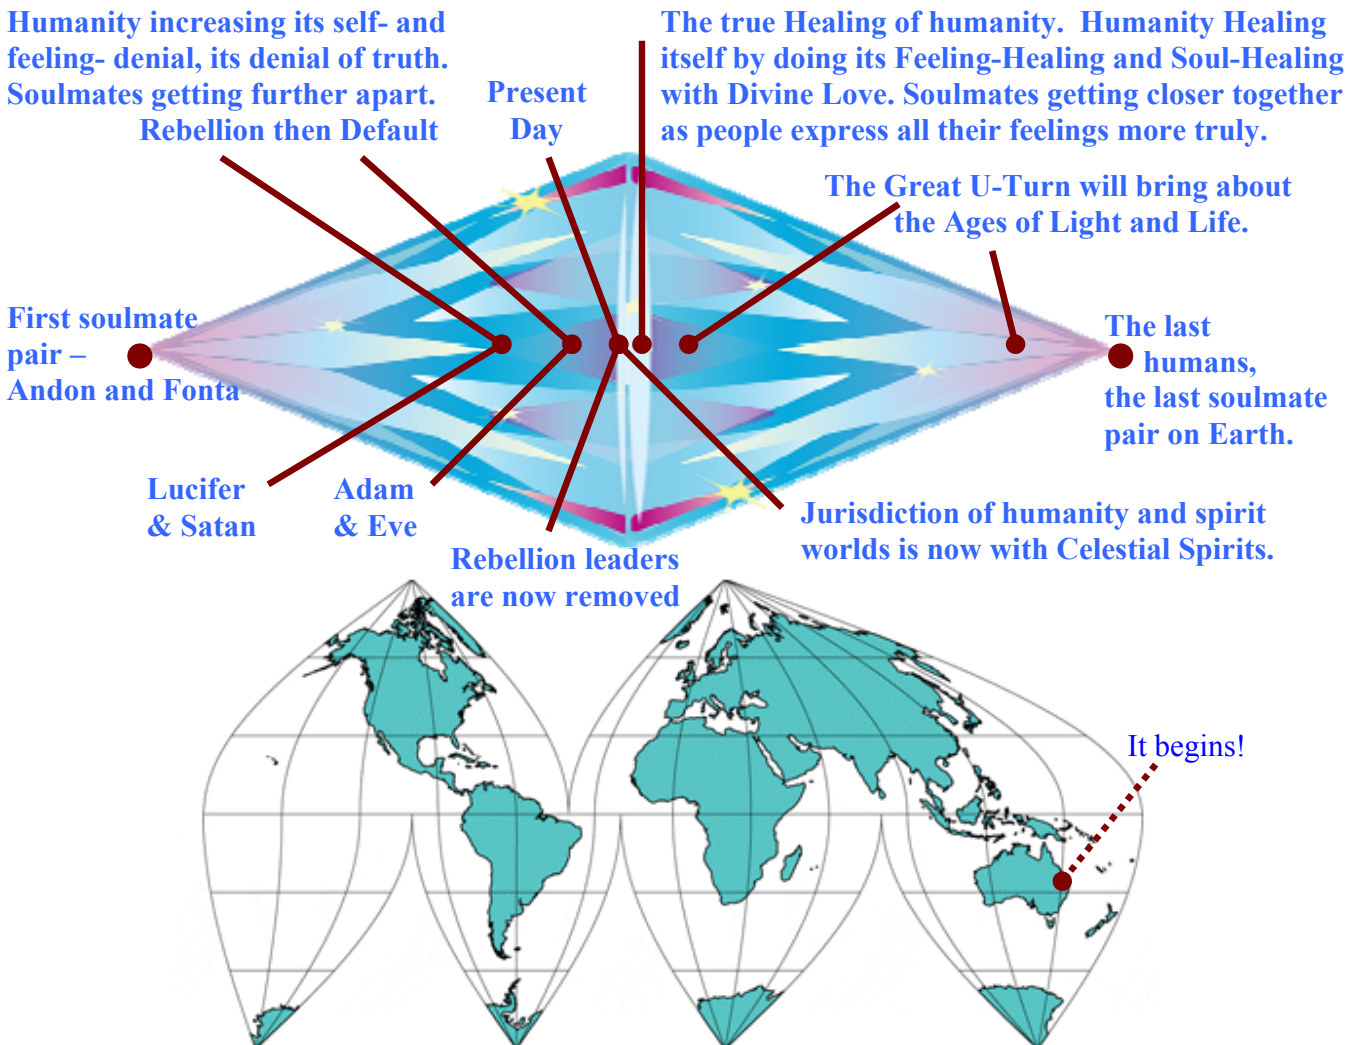

Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

JOURNEY of HUMANITY into and through the GREAT U-TURN:

Humanity reaching its most evilness, the most lost, the most separation of soulmates. Humanity can begin its Healing. The Great U-Turn begins, the dawning of the Spiritual Age.

This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.

Feelings First, you can be sure about that! **Once women get that message and start living it, then the tide will really change**, with men either deciding to support them by looking to their own feelings or being left on the outer wondering what the fuss is all about.

The feminine light is going to sweep through humanity and purge it of all the yuk and darkness, helping to bring the whole of humanity back into a nurturing loving mother state of being, from which the supportive, caring father can support her and together they can make the world great again, they can bring humanity up into its natural love perfection whilst at the same time offer those people who want to spiritually grow the truths of how to embrace the Divine Love and move on to the Celestial level.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

DIVINE LOVE:

<http://www.fcdt.org/divinelove.htm>

The words "Divine Love" have been used in many contexts to convey different meanings. But in the context of our Heavenly (Mother and) Father, Divine Love is the greatest gift in all the universe. It transcends all else that can assist humankind fulfil their dreams of happiness and have them resolved within themselves. God's Divine Love is the one thing in all of God's infinite universe that can bring about eternal life and everlasting happiness in the Celestial Kingdom.

What is Divine Love?

The Divine Love differs from the natural love of man with which he was endowed when created, which belongs to all humans, and which they all possess in a more or less perfect condition in this: that the Divine Love is that Love which belongs to or is a part of God, possessing Their Nature and composed of Their Substance, and which, when possessed by a human soul to a sufficient degree, makes him divine and of the nature of God.

What is the New Birth?

The New Birth is simply the effect of the flowing of this Divine Love of our (Mother and) Father into the soul of a man and the disappearing of everything that tends to sin and error. As the Divine Love takes possession of the soul, and one embraces Feeling Healing, sin and error disappear. It, the soul, becomes of a quality like the Great Soul of our Heavenly Parents. And with the Soul of the Mother and Father being Divine and immortal in Its quality of Love, so, when the soul of man becomes possessed of this quality of Love, the soul being the man, this soul becomes divine also. Then, the image becomes the substance; the mortal becomes the immortal; and the soul of man, as to love and hope, becomes a part of the Mother and Father's Divinity.

How does one receive the Divine Love?

The only way is simply this: that men shall believe with all the sincerity of their minds and souls that this great Love of our (Mother and) Father is waiting to be bestowed upon each and all of them; and that when they come to our (Mother and) Father in faith and earnest aspirations, this Love will not be withholden from them. And, in addition to this belief, that they pray with all the earnestness and longings of their souls that our (Mother and) Father will open up their souls to the inflowing of this Love, and that then may come the Holy Spirit to them to bring this Love into their souls in such abundance that their souls may be transformed into the very Essence of our Mother and Father's Love. The soul who will thus believe and pray will never be disappointed, and the Way to the Kingdom will be his as certainly as that the sun shines by day upon the just and unjust alike.

Take the test.

Too often we are told to believe something based on what we are told. You don't have to "believe" anymore. Now you can have physical proof of the existence of God and Their Love for you?

"test my teachings that the Father's Love was now available, and pray for it to the Father in earnest prayer, and see whether, if this was done in sincerity, the Father's Love, conveyed through the Holy Spirit, would burn and glow in the soul, by which sign they would realize His Love was present therein." – Jesus

Take it to heart – earnestly pray for God's Divine Love and feel the glowing of Their Love in your soul. Jesus gave us the Prayer for Divine Love to help us in our prayers to our (Mother and) Father.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

UNIVERSALITY of the LOVE:

Should you be open to and communing with our Heavenly Parents, our Mother and Father, no matter who you are and where you are, your desire for Their love will be showered upon you. We do not need to be anywhere in particular or be receiving guidance from any particular person, our relationship with our Heavenly Parents is a very personal one to one communion that can bring about a flow of Their Divine Love into one's soul anytime we desire as often as we desire, anywhere we may be no matter what we may be doing. It is our choice and our free will that only needs to be applied. Embrace and enjoy the Love.

Please Mother and Father, may I receive Your LOVE.

Divine Love

The Gift that keeps Giving

A general universal platform on how to experience Divine Love

As more people become aware of the *Divine Love*, how to experience the Divine Love required a need to provide a general universal platform that is simple yet an effective way for one to experience *Divine Love*. People may learn about the availability of *Divine Love* by word of mouth or from reading literature that introduces this gift for our soul, and also by participating with group dynamics where the *Divine Love* is introduced and discussed. The essence of this standard platform is its independence so that the individual may feel guided to include this simple platform in their daily life and experience of *Divine Love*.

The platform introduced here is a technique that is simple, constant, practical and has been utilised in the general public for over 20 years with good consistent results, accommodating participants and their diversity of belief and cultural background. This platform is a reliable place to begin with the experience of *Divine Love*. It needs to be confirmed that accepting *Divine Love* rests with our soul and heart and that to experience this Love will comfort one in their individual faith experience as we all aspire toward the greater reality of Love, Truth and Spirit.

A Universal Platform on How to Experience the Divine Love:

Firstly, you are aware now that you can experience the *Divine Love*.

Find a comfortable chair; sit down in a relaxed and normal position.

Close your eyes and take 3 deep single breaths in through your nose and out through your mouth to clear energy and to relax into this experience. Have a little faith and proceed without great expectations.

Gently turn your inner heart and voice to the Soul, God in faith when you feel ready, ask the Soul, God with your own loving voice for an inflowing of *Divine Love*. Having asked sincerely, there is no need to continuously ask. The Soul, God hears sincere love in the asking and so The Spirit that brings the Love acts, and *Divine Love* is now flowing.

Having asked once, you will be receiving the *Divine Love*.

Proceed without expectation on what will happen as you experience the Love.

Sometimes your mind may wander – or there are thoughts, feelings or physical sensations. Experiencing the *Divine Love* is never a forceful experience.

Continue for as long as you feel you would like to. This may be for 5 minutes or 20 minutes or an hour. Time will vary for the needs of the individual or group.

Take another few deep breaths to assist your focus. Give our love to the Soul, God and in our own voice inwardly say this Soul, God that you love this Soul and are grateful to receive this *Divine Love*.

Then when you feel ready, open your eyes and take another deep breath or two, and this closes the experience.

Some helpful observations and hints:

- This general universal platform on how to experience the *Divine Love* is uncomplicated. Some people have utilised this platform for over 20+ years, never needing to change.
- The essence of this standard platform is to experience the *Divine Love* in a comfortable way therefore this technique needs to be simple, effective and inclusive.
- Experiencing the *Divine Love* can be a long-term experience so to have a practical, simple, functional standard platform solves a lot of problems about *how* to experience the *Divine Love*.
- From this general platform people who like prayer or meditation, reflection, spirit communication, or just being *in* and *with* the Love can extend their experience from this standard position.
- Lastly, enjoy! And know that when a person is experiencing the *Divine Love* that one is in the tender care of the Soul God, and that no spirit interference will happen, for no spirit can interfere with the Sovereignty of *Divine Love*, which is God's Alone!
- Enjoy, Celebrate and Shine!

DIVINE LOVE – what does it do?

The divine gift from asking for and receiving Divine Love will steadily, but with certainty, raise one's quality of life and also of all those around such a person who is seeking and receiving this Love.

The receiving of Divine Love, which is a substance, with certainty, progressively:

- Raises one's love for those around them, whilst embracing one's Feeling Healing.
- Raises one's perception of all things – naturally grows one's intelligence – soul intelligence.
- Enables one to feel and resolve negative emotional issues more readily during Feeling Healing.
- Humility becomes self evident. Humility enables one to feel their errors and emotions.
- Divine Love strengthens one's resolve to express errors, emotional injuries and untruths.
- Divine Love with Feeling Healing to remove emotional errors, enhances one's health.
- Divine Love enables one to become more childlike – not adult serious at all times.
- Divine Love raises one's capability of feeling – no longer needing to be mind controlling.
- By becoming feeling orientated, one no longer is mind / intellectually dominated.
- The strength to fight and overcome sin and error is strengthened through the Divine Love.
- The Law of Compensation process is more resolved by Feeling Healing with Divine Love.
- Receipt of Divine Love grows one's faith, beliefs become faith and then knowing.
- As our faith grows our intensity to ask and then receive Divine Love grows.
- We begin to follow our passions and desires, no longer fear and mind driven.
- Truth being told at all times then progressively becomes a way of life.
- Our quality of life blossoms, our finances and relationships prosper.
- Man creates his own environment, seeking Divine Love can vastly improve one's environment.
- Health carers receiving Divine Love enhance healing outcomes beyond comprehension.
- Receiving Divine Love may assist in bringing a struggling marriage back into harmony.
- You progressively become dependent upon our Heavenly Parents, not self dependent.
- Personal growth in love directly assists the soul condition growth of one's children.
- Divine Love assists one's rate of soul condition to progress whilst embracing Feeling Healing.
- Divine Love is a substance that changes the human soul to that of the Divine.
- Without Divine Love, one cannot progress into the Celestial Spheres (8th sphere and higher).
- Divine Love, with Feeling Healing, enables everlasting Love and Life in the Celestial Heavens.

“The Law of Compensation doesn't operate on isolated actions, but on the overall condition of people's souls, because the deeds are the consequence of this condition. Our behaviour is the reflection of our souls. Never see isolated deeds, always see souls whose condition leads to certain deeds. It is the soul condition which determines the motive and consequently the action. It is our lack of trust in God, this ultimate and definitive trust, which only soul development may give us. This lack is why we suffer.”

Judas of Kerioth 5th October 2001

As you grow in love, illness issues abate, financial security improves, and your treatment of your fellow man is the same as how you would like to be treated. You grow in natural intelligence, your perception on many subjects becomes profoundly more loving and supportive of and for your way of life and how you interact with your fellow man.

This quality of life and love permeates and extends into every facet of your physical life and continues to grow as you progress on your journey within the spirit world.

Your capabilities to ask for and receive Divine Love is a gift between you and your creator, God. You do not need an intermediary, nor do you need to join with any organisation. This is your own personal journey and experience. You can share this with others, but no one can take it away from you.

This Love will elevate the human soul to a condition that it may perceive the spiritual truths which God has waiting to be revealed to His children who aspire to understand the nature of the divine and what their true relationship to Him and their family of souls is.

“Keep faith with God, and be open to Their Love, and you will overcome with confidence and, indeed, peace of mind, optimism and happiness, those circumstances that seem to mar the fulfilment of your years.” Mary (mother)

The BEAUTIFUL MIRACLE:

5 Oct 2012

The DIVINE UNIVERSE

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union completes. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love, the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other, then one is living in the presence of the Father in perfect harmony, and this clarifies the truth about what it means to be truly at-one with God.

SHINING TOWARD SPIRIT:
665. The Shining toward Truth

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas

www.lulu.com

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

The Only Prayer That Man Need Offer to the Father:

The Prayer for Divine Love

(as given within the first century)

2 Dec 1916

I am here, Jesus

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

P.438 Book of Truths through James Padgett / Jesus

Let your prayer be as follows:

Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.

That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.

We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.

Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.

Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.

Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.

We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.

We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.

Amen

Note: The 'false teachers' are our parents, as they are also the 'evil ones'. Also, the evil ones, being those parts of one's mind, that are controlling you.

DIVINE LOVE HARMONY:

Immortal harmony:

Transformation of the soul is a beautiful harmonious gradual awakening.

In a gradual way with the Divine Love and Feeling Healing, as changes in the soul and spirit body occur, these changes will result in the personality slowly accepting the source of these changes as being the Soul God and with the independent will, one can have complete acceptance of our Heavenly Parents, Mother and Father, God.

People have loved God and felt loved by God and they have in deed received the Divine Love without ever knowing the truthful identity of this Love insofar as the truths relating with its causality in the human soul and affect upon the spirit-mind.

Part of the nature of the Divine Love in our souls is that it activates our spirit body systems and soul so that the nature of God is seen and experienced in the living and this places us in touch with the many Spirit attributes that extend from God and have their existence in God, such as our Indwelling Spirit. God no longer remains inactive to us; inert, inanimate, or an unknown but rather a Soul of living energy whose energy in the harmonies of Love and Spirit, is personified as love that we experience. If I can convey the essence about the nature of Divine Love it is that in its energy, exists the harmony and potential so that one can see the potential that this Love brings to bridge the gap of separation between the individual and God by the harmonies of soulfully living.

The Divine Love completes the form of the human being.

In essence, one need only direct their soul and the heart of their soul to our Heavenly Parents, the Soul being God, and in this faith one can experience the Love by humbly asking for this Love. This is all that is needed and the touchstone upon the Love's approachable nature.

The Love is never harmful or given by God that results in a caused effect of disharmony in the individual. The diversity of human individuality is a great characteristic of human nature and as with experience, one needs experience to ascertain a truth about a certain thing. Experiencing the Love provides a substantiated knowing from which a more objective reasoning follows and a maturity happens.

UNIVERSALITY of our HEAVENLY PARENTS' GIFT:

By embracing the eleventh commandment:

"This is my commandment, that ye love one another even as I have loved you."

Golden Rule: that one must always honour another's will as one honours one's own.

Our soul condition steadily grows in love so that we step away from:

Any harm that we may cause to others which will also bring about consequences.

Also as our soul development progresses, our self love grows which also enables us to step away from:

Any self harm that we may cause which also will bring about consequences.

And to move along this path we simply develop our embracement of:

God's Divine Love; pray for it, ask for it, and receive it.

Or it may be even as simple as the caption below:

Oliver Twist asked:

Please, sir, I want some more!

Maybe we could simply ask:

Please, Heavenly Parents, I want some more!

Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love. JD

EMBRACING the WILL of our HEAVENLY MOTHER and FATHER:

Our Heavenly Parents are almighty, all powerful, infinite, and at all times loving.

The love of the Heavenly Parents for their children, woman and man, has been and is always infinite and ever present.

As one's faith in our Heavenly Parents evolves, man's love for his Heavenly Parents will have no limit.

As man grows in his love, so will man grow in his love for all of God's creations.

Approach the Source Soul, the Mother and Father, in reverence, without fear or trepidation, just as a child approaches his earthly parents knowing that open loving arms are extended to receive him at all times.

As one grows in his love of the Mother and Father, one becomes to know with certainty that God loves him or her in return, at all times, and that fear is an illusion created by man's mind.

By embracing the commandment provided in the 1st century, namely the first:

"This is my commandment, that ye love one another even as I have loved you."

Further, we are to embrace our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Also as our soul development progresses, our self love grows which also enables us to step away from:

Any self harm that we may cause which also brings about consequences.

And to move along this path we simply develop our embracement of:

God's Divine Love; by praying for it, asking for it, and receiving it.

Longing for Truth and Divine Love we can embrace the will of the Father and achieve freedom from error and harmful ways, thus finding our way home!

Manifesto of Divine Love:

1. We love one another as Mary and Jesus, our spiritual parents, love us. And so we seek their Spirits of Truth.
2. Our all loving Heavenly Parents, our Mother and Father, we love and honour at all times.
3. We worship only our Mother and Father, God, and Creator of all things.
4. We treat our Creator's name with respect and love, and earnestly seek Their Divine Love, and at all times pray for It, ask for It, and receive It.
5. We set aside a regular day each week for Sabbath rest and worship of our Heavenly Parents, God, and seek Their Love so that we may grow closer to Their fountain head of Truth and Love.
6. We are to be as we feel, even if it's sinful, but in doing something that is not in alignment with God's Love and Truth will make us feel bad, that is provided we allow ourself to feel our bad feelings, and so we can then use our bad feelings to find out the truth of why we feel bad and why that thing we have done is bad. We embrace our Feeling Healing.
7. We strive to cause no harm to another, nor cause any harm to one's self. We do not do to others what we would not have them to do to us. We treat our fellow human beings and all living things, and the world in general with love, honesty, faithfulness and respect. Violence, at any times, is never justified. Golden Rule: that one must always honour another's will as one honours one's own.
8. At all times in our intimate relationships we strive to express and live true to all our feelings, all so we can use our feelings to uncover the truth they are trying to show. The truth of ourselves, of our relationships, and the truth of everything else, including God.
9. We do not covet or steal anything that does not belong to us. Honesty in all communications, actions, undertakings and activities in all facets of life is our rule of life.
10. In all that we do, we are to be truthful. We are non-judgemental, for none of us have the capacity or authority to judge another. We are always ready to forgive all wrongdoing.
11. We do not desire anything or anyone that does not belong to us. Comparing oneself to others and longing to have what they have leads to errors. We are to be content by focusing on the blessings our Heavenly Parents, who made us in Their soul's image, provides for us.

DIVINE LOVE – what does it do?

Divine Love, which is a substance, progressively:

Transforms one's soul from that which is of natural love to that which is Divine

As natural love is enhanced with the Parent's Love, we reject our tendency to error

Divine Love, our Parent's Love, restrains errors, untruths and emotional stress

As we reject the condition to error, we develop our love for our brothers and sisters

Divine Love helps one with the discovery of truth through one's soul-feeling healing

Our natural intelligence grows, perceptions rise with our soul intelligent feelings

As Law of Compensation is resolved, the Love reduces returning to being in error

Receipt of Divine Love, the Parent's Love, grows our faith, we become God reliant

As our faith grows our propensity to undertake one's Feeling Healing strengthens

With the Love, our Feeling Healing becomes Soul Healing, this we are to undertake

Without the Love we remain self reliant and dependent upon our own will power

Only with the Love will our soul condition grow rapidly, all around us also benefit

The Love is the only substance that changes the human soul to that which is Divine

Only by asking and receiving Love do we become fitted to enter Celestial Heavens

Only by asking for and receiving the Divine Love does our soul become immortal.

What is Divine Love?

It is the Divine Love of God restored to all mankind by the birth of Jesus our Master and Brother

How do we get this Love?

By sincerely asking God, our Father, and receiving the Love that passes all understanding.

What happens then?

We are born again in spirit and in truth, our soul opened to the Soul of God.

What then do we know?

We know we are all children of God and want to pray always to our Heavenly Father.

What of the world?

We are at peace in the world and fearless. In Divine Love there is no fear.

What else?

We love everyone unconditionally as the Father / Source Soul, and Jesus loves us.

On the WINGS of a BUTTERFLY: No 12, Traveller, an immortal journey, via Zara and Nicholas

Once upon a time there was a butterfly sitting with closed wings in a person's heart. This butterfly had been sitting with wings closed for a long time. The person couldn't figure out why they always felt a little sad. One day, this person asked another person why they feel sad. The response happened quickly and the person didn't like the response. It was said that perhaps your soul is sad. Several days passed and soon that person found themselves sitting by the sea. The sea has great longing to it. As the sun shone on a late spring day, the person thought about their soul and that perhaps, the person's remark was true, and that this person was a messenger of some sort. Suddenly a breeze swept through the beach and the person heard a distinct voice speak directly to him! The voice said, "Let your soul breathe in Divine Love." That was all the voice said.

The person didn't know what the Divine Love was or where it was, but now the sadness had greater longing so the person decided to breathe in the Divine Love and just like that – the closed wings of the butterfly opened and the person's sadness started to dissolve.

Happiness will be mine the person thought upon feeling the Love and this will take time for me to learn how to live such happiness.

Never again, in the heart of that person, did the butterfly close its wings.

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on themselves and doing their Healing.

Feeling Bad? Bad Feelings are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing.

Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.

Primary and most important readings are the writings of James Moncrief.

Then consider the Padgett Messages, and then The Urantia Book.

LUMINOSITY of the SOUL can be LIKENED to the FOLLOWING:

1st sphere, lower regions – Natural Love MoC 50+/-
The soul condition of a soul that is obliged to spend some time within the ‘hells’ may be no bigger than a dried garden pea. There is no luminosity and the environment is total darkness.

The typical soul condition of humanity is such that they generate the luminosity of a single candle.

1st sphere, mid regions – Natural Love MoC 210

A soul that has grown in love and soul condition equivalent to the 8th sphere – the point of becoming at one with God, the luminosity of such a soul is equivalent to the midday sun.
