PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about looking within oneself. Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Contents are not to be interpreted as an independent guide to self-healing. The information sourced herein is not from a doctor or doctors, and any information provided in this document should not be in lieu of consultation with your physician, doctor, or other health care professional. Pascas, nor anyone associated with this document, does not assume any responsibility whatsoever for the results of any application or use of any process, technique, compound or potion as described within this document.

The sources of contents are noted throughout the document. In doing so, we acknowledge the importance of these sources and encourage our readers to consider further these sources. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we apologise. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

We offer all contents in love and with the fullness of grace, which is intended to flow to readers who join us upon this fascinating journey throughout this incredible changing era we are all experiencing.

Living Feelings First, *John.*

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

Revelation 30: The Sermon on the Mount and the Beatitudes.

<https://new-birth.net/>

Received by Dr Samuels Washington D.C.

June 1, 1955

I am here, Jesus:

I am here tonight to write you about the [Sermon on the Mount](#) and how it is related to the New Birth.

These sermons, of course, were not given all at once, at one particular time, as it is recorded in the Gospel, but rather as the result of a great number of sermons dealing with the spiritual lives of the Hebrews at the time, and which were put together in the form of a synopsis to cover a considerable vista of spiritual truths. Much of what is said pertained to the development of the natural love, because this was the only love that was known to the Jews at the time and it was these sermons dealing with the development of this love as found in the moral code and the exhortations of the Old Testament that could be best understood by my hearers and could be used as the bridge that led to the new subject of the New Birth and the Divine Love.

In the Gospels, there are a number of blessings which I evoked, but not in the particular forms as given in the Gospels, because some of them I never used at all and some of them were the subjects of considerable sermons rather than the brief blessings therein recorded.

I did say, "[Blessed are the poor in spirit.](#)" for I meant not that they were indeed without spirituality, but that those that realized that they were without spiritual development were blessed because this knowledge, or intuition, of their spiritual lack would turn them to the Father and seek either His laws and obtain spiritual development that way, or turn to the Divine Love and obtain the soul development necessary for at-onement with Him and a rebirth into His Celestial mansions. And I exhorted my listeners to seek, rather, the Father's Love, for it was now available to all those who sought it in sincerity; and with that Love would come knowledge and possession of immortality.

And I also blessed the people who listened to me [because of their gentleness or meekness](#), for they would inherit the land. Now, by this, I meant that violence and quarrels and wars were sinful in the eyes of the Father, and that keeping from these offences would enable the mortal to get into harmony with the Father's laws and enable him to purify his soul to the point of eventually reaching the Heaven of the purified souls.

But I also taught that gentility of heart could now be obtained through the Father's Love, which would not merely purify the soul but transform that soul so that the sins of vengeance and hatred and ambition and murder and bitterness would cease to be an encrustation on the human soul, and the resultant gentility of heart transformed through the Father's Love for His children would fit these children for a home in the Celestial Heavens. And this is what I meant by, "The meek shall inherit the Earth," for I did not mean the material Earth but the promised land of the soul spheres, or the New Jerusalem, not for the material body but for the human soul transformed into the Divine Angel.

I also said, "[Blessed are they that mourn, for they shall be comforted.](#)" And by that, I meant more than a mere religious consolation that comes from resignation with the death of a loved one and the thought that we must all depart, and that the sufferings of the departed have ceased, for this is true and such an attitude

leads to the development of the natural love. But I meant, also, that the comfort for those who have lost loved ones would come from the faith that God is our Father and that His universe is peopled with the spirits of those who have departed from Earth, and that these spirits are alive and are working out their progress towards happiness such as can never be achieved on Earth; and that the grave simply took the envelope of flesh and that their dear departed were still alive and with them. This was the comfort I spoke of for the Hebrew people, who had a very limited understanding of the spiritual aspects of life after death.

I also blessed the people, saying, "[Blessed are the pure in heart for they shall see God.](#)" And I meant this not in a literal way, for this is impossible, but in a spiritual way; and I meant by "the pure in heart" not merely those who had achieved the Paradise of the Hebrews, who do not see God but have an understanding intellectually of His existence, but by the pure in heart in the SOUL sense – that is to say, transformed by the Divine Love, and through this Divine Love would come the ability of the transformed to actually feel the presence of God in his own soul; for the Divine Love is of the Essence of God, and in this way the transformed soul would see God through his soul perceptions. By "see," I mean "perceive with the soul perceptions," and that means to actually feel God's presence through the Love glowing in his own soul.

Thus you see that the blessings had a spiritual and a soul aspect, and those who could not understand the meaning of the Father's Love could understand the blessings as they pertained to the natural man.

There were two other blessings attributed to me, which I never mentioned, and these were the so-called blessings given to men who were persecuted for the sake of righteousness, and [the blessing given to those who were persecuted because of their faith in me](#). Well, I never sought to convey such a blessing on people whose religion taught the doing of righteousness, and there was no reason to encourage them to do righteousness because of my blessings upon them; nor did I ever bless at this time my hearers because they might be persecuted for believing in me. I never taught them to believe in me except as a teacher who had come to show them the way to at-onement with the Father through prayer; and there was never a thought in their minds, or in mine, that they would, or could, be persecuted for these teachings. And it is plain that these two blessings were inserted into the Gospels long after they had been originally composed and were interpolated to meet the situation that confronted Christians many years after my death, when they were persecuted by the Jews and Greek pagans and the Romans. And the authority for these insertions was that Christians should be encouraged in their faith because I, myself, had blessed them because of their faith and persecutions, and that the Gospels covered precisely the situation which they were in. And the later copyists, as we have seen, did this type of interpolation to meet the current needs of the early Christian church. But while the intentions were good, they are not the truth, and my interest in exposing these insertions for what they are is motivated by my desire, and the great need to know what the original writers actually wrote and what is due to the imaginations and designs of others.

I think I have written enough for tonight and I am glad to have this opportunity to write as I have. I should like you to keep studying the New Testament and I shall come repeatedly to show you what I actually did and said. And, so, I urge you to keep in good soul condition by constant prayers to the Father for His Divine Love and loving-kindness; and I add my prayers and love to those of the many Celestial Spirits who join me, that the Father bestow His Love in increased portions upon you and the Doctor. And I want you to be encouraged in regard to your material affairs, which we are working to improve to your satisfaction and that of all concerned.

So I will say good night and with all my love to you, I will sign myself,

Jesus of the Bible
and
Master of the Celestial Heavens

Our Heavenly Parents simply desire for us to ask for Their Love.

“Every day is a day of devotion.”

Please Mother and Father, may I receive Your LOVE.

God's Divine Love: Pray for it, ask for it, and receive it.

Our salvation IS the embracing of the Feeling Healing process and Divine Love.

Golden Rule: that one must always honour another's will as one honours one's own.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

**MOTHER, FATHER
GOD**

God is both Father and Mother, being SoulMates, that is Father God and Mother God.

Jesus of Nazareth and Mary of Magdalene where both born free of sin and are soulmates. It is their Spirits of Truth that we can long for to connect with them once we commence our Feeling Healing and are longing for God's Divine Love.

Mary and Jesus, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents, and to start this journey we are to liberate our souls from being entombed within our suppressive minds, by feeling and longing for the truth and peeling away our injuries incurred since conception.

WE ARE Children of God

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
2. **ETERNAL SON (ES) – Divine Truth**
3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

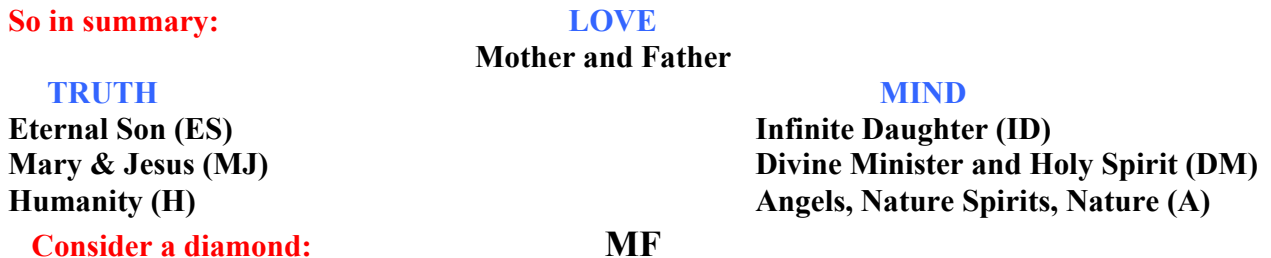

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS (MF) – Love – the Living Truth**
2. **DIVINE MINISTER (ID) – Mind (and her Holy Spirit)**
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR – the Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS – they do not incarnate**

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizediks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

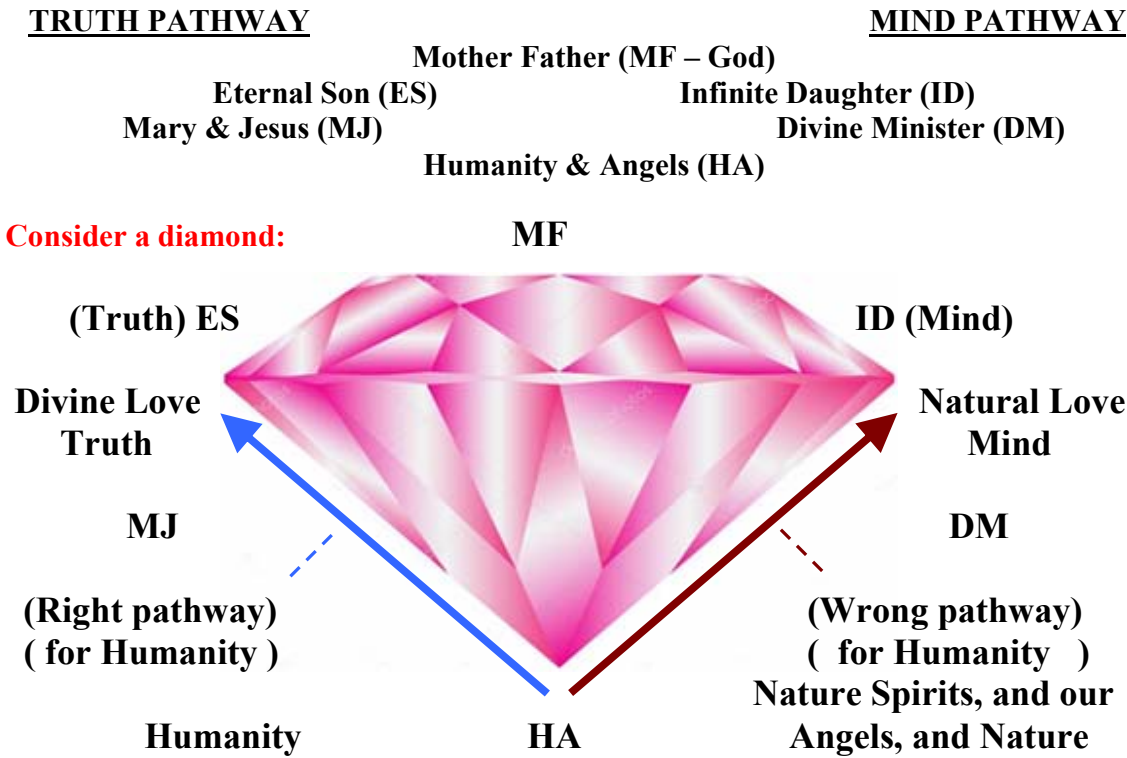

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

Humanity is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective

Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus’ Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair’s guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world’s spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

M&F

J&M

AVO

HUM

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
 We are to long for the truth of what we are feeling.
 We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

HOW TO GET TO PARADISE:

Long for the Divine Love
 Long for the Truth
 Long for the truth of your feelings
 Don't deny any feelings: accept, express and want to know the truth of them
 Know your feelings are the key; your feelings are the Way
 Want to end your falseness and being untrue
 Want to understand the truth of your early life
 Use your surface feelings to move deeper into yourself, bringing up your repressed feelings
 Want and long to know the whole truth of yourself
 Want to do it all with God, your Heavenly Mother and Father - long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

Gabriele Wittek, nee Maden, born in 1933, penned these teachings in Germany in the German language. They are now available in English from the above websites. Originally published in 1989 in German and now republished in English in 1996.

Using simple words, she is able to explain the all-encompassing Inner Path.

The Sermon on the Mount is enclosed herein, the Sermon and then the further explanations of the sermon follow each section. The Sermon is in italics and the explanation is in standard print. The full works consist of 96 chapters, 3 are now enclosed.

The Inner Path, as outlined herein, is a way of life that can be embraced whilst following any creed or faith one so desires, such faith being one's adopted family faith and tradition, or as you so have chosen or choose.

Overall, the level of truth of the full record calibrates, on the Map of Consciousness, around 965.

NOTE: Where it is purported that information and comments are provided by Jesus of Nazareth, that may be not so. The information being provided could possibly be by a spirit purporting to be Jesus, however, the information is extraordinarily profound. Trust your feelings. Such a spirit communication of this nature is usually a Celestial with authority to convey such information.

The 'Sermon on the Mount' actually is the bringing together of a series of talks given by Jesus of Nazareth at several locations now being presented as a single teaching.

Is it JESUS or MARY TALKING THROUGH a MEDIUM?

And the chatting / talking with Jesus is the same as we've told you, it's really 'on behalf of Jesus', it is one of the medium's band pretending to be Jesus, which really means the Celestial accessing Jesus' Spirit of Truth within himself (and only we Celestials can do this and are allowed to), and so then speaking 'as if he is Jesus'. It's the same thing as James feeling how close I am to Mary Magdalene in my 'feeling' when we are writing together, because as I said I work with her Spirit of Truth as I feel very close to it – very close to her. And she's said I can use it that way. So effectively, should it be necessary for me to do so, I could 'pretend' to be Mary speaking to people on Earth.

As you have possibly gathered, it's all highly organised as to what and when we can reveal to you. It's all set out in keeping with the Rebellion and Default limitations and then in keeping with the Mansion World levels and all the levels within them. It's all angelically controlled, so we slot in using our minds and be who we need to be to you and how we need to be and what we can say. So as you grow in truth through your Healing, moving progressively up through the levels, so we can come forward and progressively reveal more to you. So what is revealed and how it's presented to someone who's in their wrongness and not wanting to do their Healing, compared to someone wanting to do it and just starting out, compared to someone nearly finishing it, compared to someone who had finished it, might all be so different that you would think it was different spirits relating at each step, when it might be the same spirits. And really we don't change, it's you who changes, or refuses to change.

And added to that, we know how far someone will go in their spiritual progress throughout their Earth life, so part of our interaction with that person is in keeping with that level of progress. So we might say and do and be differently to different people, even though we're the same spirits, because each of those people have very different spiritual paths and levels they will reach.

So it's not as straightforward as one might think, which I know causes many misunderstandings, much confusion, even putting a lot of people off, however really until people are well into their Healing, it will all appear like everyone is working at it from opposite ends with no real synthesis or commonality involved. So you can look at it like say a Maypole, with everyone starting out on their separate ends, but the more you do your Healing, the closer you all come to the truth, which will allow the Spirits of Truth to then synthesis you all into what is needed for you to become Celestials. For by the time you are Celestial, then we're all on the same page so far as the Truth is concerned. But even though we Celestials are all living that same truth, how we might relate and start with people on Earth or the lower Mansion Worlds might make us sound and appear like we're all very different.

Nanna Beth, 19 February 2018

Note: Jesus has only talked DIRECTLY to James Padgett and James Moncrief. Further, Mary Magdalene has only talked DIRECTLY with James Moncrief. Mary and Jesus are regents of 3.8 million physical worlds and their related spirit worlds. They are also finite – can only be in one place at any one time. Once that is understood, then it is only possible to have 'communications' via their Spirits of Truth in the manner outlined by Nanna Beth.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

LIMITATIONS ON WHAT CAN BE CONVEYED THROUGH A MEDIUM:

The rules of the Rebellion and Default are government by a contract! Yes, a contract. Though the Rebellion was implemented some 200,000 and strengthened by the Default of some 38,000 years ago (or some time much prior), its unwinding is managed under a contract that came about at the commencement of this journey.

Mary and Jesus' physical life here on Earth was not for the benefit of humanity, it was for the benefit of all of the peoples throughout Nebadon's 3.8 million inhabited worlds. As of a consequence of Jesus and Mary's elevation to being full Regents of Nebadon during their physical life on Earth, they were empowered to have Lucifer and his soulmate, as well as Satan and his soulmate, arrested and transferred to a prison world. The Rebellion and Default continued through Lucifer's deputies, Caligastia and Daligastia and their soulmates, not only on Earth, but also on the remaining 37 worlds that Rebelled. We are the only ones who defaulted, and to make matters more difficult, we assassinated the Regent of all of Nebadon, Jesus!

James Padgett was searching for truth, being open he began receiving messages from Jesus and many other Celestial spirits, mainly relating to Divine Love. However the contract put restrictions upon what could be revealed to him. James Padgett was focused upon the male side of affairs and Divine Love. Subsequent mediums, namely Dr Daniel Samuels, Hans Radax, Nicholas Arnold, James Reid and Joseph Babinsky all were still restricted with what they could receive by the contract of the Rebellion. Further, their own personal strongly held beliefs further limited the teachings being conveyed. Generally, they, like James Padgett, were not open to the feminine, the reality that God is two personalities, being Mother and Father, and that Mary Magdalene is Jesus' full equal and soulmate.

Most importantly, we have to discover the way ourselves. Our Celestial friends cannot tell us what and how to do it. We have to feel the truth and explore what we feel, then and only then can our Celestial friends expand upon and clarify what we believe is the truth.

Many have explored emotional processing pathways, but none go deeply enough. Our Childhood Repression has to be addressed. Only when Marion and James Moncrief began to progress in what they call is Feeling Healing, only then could Mary Magdalene confirm and expand on this, which she has done through James Moncrief. James opened the feminine door.

None of the other writers over the past 100 years have recognised the feminine, nor have they recognised the Feeling Healing pathway.

As of a result of the additional progress that has been progressively reaching greater and greater milestones through the work of Marion and James Moncrief that Caligastia and Daligastia, together with their soulmates, have also now been imprisoned. Further, the milestones reached by Marion and James Moncrief during 2017 has brought to a full termination of the Rebellion and Default and the cancellation of the contract. The Rebellion and Default is now ended – during 2017.

31 January 2018: Earth and the seven associated Mansion Worlds (including the two Earth planes) are **officially** now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default.

ENOUGH IS ENOUGH

Andon and Fonta, our first parents to long for our Heavenly Parents, lived nearly 1,000,000 years ago. Naïve humanity was seduced by high spirits, the Lucifer pair, to believe they could be gods through their minds, thus men subjected women to subordination 200,000 years ago. This was added to by the default of the Adamic pair more than 38,000 years ago when they failed in their mission.

REBELLION & DEFAULT **200,000** YEARS

When Jesus with Mary achieved their full Regency of Nebadon, in 26 CE, they immediately had the Lucifer and Satan soulmate pairs assigned to a spirit world prison. Since then, the Creator Pair have been preparing for the end of the Rebellion and Default for humanity of Earth. The Avonal Pair now on Earth, once commencing their Healing, brought about the imprisonment of the Caligastia and Daligastia pairs in the early 1990s. As the Avonal Pair advanced with their Healing they brought about the formal end of the Rebellion and Default, on 31 January 2018. It is now for all of humanity to embrace the Spirits of Truth of the Avonal Pair and undertake their healing of the imposts of the Rebellion and Default.

Avonal AGE **1,000** YEARS

Spirits of Truth of the Avonal Pair will guide us through our Feeling Healing and into the Celestial Heavens with Divine Love, then the Spirits of Truth of the Creator Pair will lead us through the Celestial Heavens and out through Nebadon towards our Heavenly Mother and Father in Paradise.

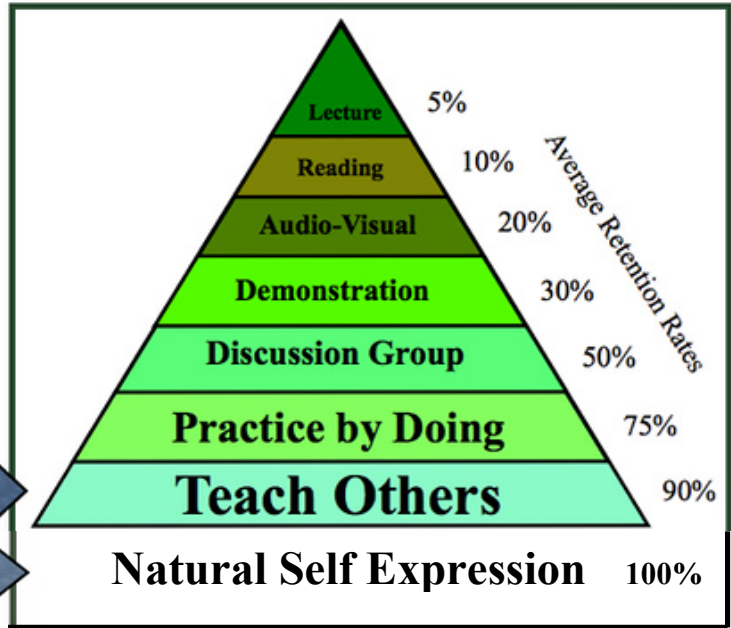

Each generation of 25 years or so will see marginal embracement of Feeling Healing, however 1,000 years will achieve universality.

Universality of Feeling Healing with Divine Love will see the mitigation of discomfort, pain and illness as well as the imposts of global warming and Earth changes. As those events are to ensure that each of us embrace our feelings, both good and bad, down to the very core, so that we fully come to know who we truly are. Sciences will endeavour to remove pain only to see disease manifest in different forms. Earth disturbances are a result of the Harmonic Convergence of the late 1980s, increasing the rotation of the Earth's central core, this will only abate when humanity has universally embraced Feeling Healing. These influences are only imposed upon us so that we do not step back into the Rebellion and Default through complacency. Live Feelings First. We are to become the true personalities we are, that being daughters and sons of our Heavenly Mother and Father.

LONG for the TRUTH!

Above all else, “Longing for the Truth” has not been recognised by humanity. True Prayer is not asking with the mind; it is a longing from the soul. Should we long for the truth then we will be told. This is how we ascend. Earnestly desire to know the truth and it will be revealed to us.

Our soul, our real self, already knows the truth and the answer we are seeking, the truth will come to our awareness through our feelings. Our feelings are soul-based.

Our mind cannot determine what is truth from what is false. Our mind is addicted to being in control and will lead us according to its agenda, all to our detriment. This is what man has embraced for the past 200,000 years – now the mind is to be subjected to our feelings. Accordingly, our mind will learn to assist our feelings.

Longing to our Heavenly Parents for truth will bring about the understandings we are seeking to achieve.

Long for the truth behind any feelings, both good and bad, and we begin to peel off and escape from our childhood repression and suppression, thus escaping from the generational cycle of errors that have been passed from parents to their children, thus continuing the cycle of error and harm. ALL children are harmed in this manner.

Through longing for the truth behind our feelings, both good and bad, we start to bring about harmony and peace to our self, which eventually flows onto our family, then our companions, then our overall community and then country. *This is how harmony will come to all of humanity and peace will prevail with war being set aside. This is what the Great U-Turn will bring about.*

Longing for the truth is the only way that we will come to understand the cause of any physical discomforts, pains, diseases and illness. It is by expressing the understandings of what one is feeling about any emotional event or issue so that we release from our essence the negative energies relating to these feelings arising from past events, particularly those from our childhood forming years. The harm that we each endured during our childhood forming years has set the pattern, at all levels, for our adult life.

In a variation of those inimitable words uttered by Jack Nicholson, “You CAN handle the truth!” This is how humanity will heal itself and bring about peace for each personality and humanity overall.

By living true to ourselves, true to our feelings, we are living true to God. It’s that simple.

CHAPTER 25

Sermon on the Mount (Part 1)

The Sermon on the Mount, the Inner Path to perfection – The blessed – The "poor" – Bear your suffering in the right way – Meekness, a quality of those who love selflessly – The Ten Commandments and the Sermon on the Mount as the path to truth and justice – Mercy, the gate to the eternal Being – The pure souls in the Absolute Law of God – The peacemakers have peace in themselves – The fight of the pioneers on several fronts – Churchmen, Pharisees, wolves in sheep's clothing – A battlefield behind the wall of fog – Pray for the unenlightened souls (2-4). Earthly wealth as obligation and task – The abuse of wealth has severe consequences – A warning to those who scorn – Wealthy people, rulers, false prophets, flatterers, seeming Christians: instruments of Satan (5). The righteous are the salt of the Earth who bring injustice to light (6). The calling and mission of the prophetess and spiritual ambassadress of God – The activities of the pioneers under direct schooling and guidance – The New Jerusalem (7). Liberation, through Christ, from the law of sowing and reaping; becoming bound to the law of the fall through denominations and dogmas – Today, Christ leads into the whole truth (8). False and true teachers (9). Salvation only by faith and actualization (10). Christ transforms sins freely handed over to Him (11). Clearing up, before a severe karma emerges – The seeming enemy, your mirror (12-13). Everyone receives what he himself has sown (14). Give love selflessly (15). Personal wishes lead to becoming bound to people and things – "Life in a stagnant pool" (16). Winged seeds onto the acre of your neighbour's soul – The pioneers' path of purification to the Kingdom of Peace (17-18)

1. *When Jesus saw the multitudes, He went on a mountain. And when He had sat down, the twelve came to Him. He looked up at His disciples, saying:*

2. *"Blessed in the spirit are the poor, for theirs is the Kingdom of Heaven. Blessed are those who grieve, for they shall be comforted. Blessed are the meek, for they will possess the Earth. Blessed are those who hunger and thirst for righteousness, for they shall be satisfied.*

3. *Blessed are the merciful, for they will attain mercy. Blessed are the pure in heart, for they will behold God. Blessed are the peacemakers, for they will be called children of God. Blessed are those who are persecuted for righteousness' sake, for theirs is the Kingdom of God.*

4. *Blessed are you, when men will hate you and exclude you from their company and speak all sorts of evil against you and outlaw your names, for the sake of the Son of Man. Rejoice in that day and leap with joy, for behold, your reward is great in heaven. For their forefathers did the same to the prophets. (Chap. 25:1-4)*

I, Christ, explain, correct and deepen the word:

The Sermon on the Mount is the Inner Path to the heart of God, which leads to perfection.

The blessed will behold the Christ and, in all meekness and humility, will possess the Earth with Me, the Christ. May it go well for the one who beholds the glory of the Father-Mother-God in everything. He has become the living example for many.

I guide My own to the recognition of the truth.

The one who is of the truth hears My voice, because he is the truth and thus hears and perceives the truth as well.

The blessed are fearless and joyful; for they perceive and hear what those do not see and hear who still hide behind their human ego, holding on to it with utmost effort in order not to be recognized.

However, the blessed look into the prison of the human ego and recognize the most hidden thoughts of their fellow men. With the power of their light-filled consciousness, they radiate into it and call out to their fellow men:

"Blessed in the spirit are the poor, for theirs is the Kingdom of Heaven."

The words "the poor" do not mean material poverty. It is not this which brings bliss in the spirit, but the devotion to God, out of which the person fulfils what is the will of God. This is inner wealth.

The words "the poor" mean all those who do not strive for personal possessions and do not hoard goods. Their thinking and striving aim at the community life in which they manage the goods that God has given to everyone in a lawful way. They do not aspire to worldly things. They serve the common good and extend their arms to God and consciously walk the path to the Inner Life. Their goal is the Kingdom of God in their inner being, which they want to proclaim and bring to all people who are of good will. Their inner wealth is the life in God, for God and for their neighbour. They live the commandment "pray and work".

They strive towards the Spirit of God and receive from God what they need for their earthly life and even more. These are the blessed in the Spirit of God.

"Blessed are those who grieve, for they shall be comforted."

The grief of man does not come from God, but it is either the grieving one who himself has caused it – or his soul has taken over a part of the debt of a brother- or sister-soul in the realm of the souls, in order to pay off that debt in an earthly existence, so that the brother- or sister-soul can enter higher spheres of Inner Life.

God's mercy will be granted to the one who bears his grief without accusing his neighbour and recognizes his faults and weaknesses in the grief, repents of them, asks for forgiveness and forgives. For God, the Eternal, wants to comfort His children and to take away from them what is not good or beneficial for their soul. For when the grief leaves the soul, that is, when the causes which became effective in the soul are settled, man comes closer to God.

"Bear your grief" means: Do not complain about it; do not accuse God or your neighbour. In your grief, find your sinful behaviour which led to this grief.

Repent, forgive and ask for forgiveness, and no longer do what you have recognized as sin. Then the debt in the soul can be erased by God and you will receive increased strength, love and wisdom from Him.

If you meet a grieving and sorely afflicted person and he asks you for help, then support him and help him as far as it is possible for you and as far as it is good for his soul. And when you see that your neighbour thankfully accepts the help and builds himself up with it, then give him even more, if it is possible for you.

However, you who give help, do it selflessly. If you do it only as an outer obligation, you will receive no spiritual reward – and you will render no service to the soul of the person who is suffering and is sorely afflicted, but only to his body, to the vehicle of the soul.

"Blessed are the meek, for they will possess the Earth."

Meekness, humility, love and kindness go hand in hand. The one who has become selfless love is also meek, humble and kind. He is filled with wisdom and strength.

People in My Spirit, the selflessly loving ones, will possess the Earth. Oh see, the path to the heart of God is the path into the heart of selfless love. The peace of God flows out of selfless love.

The people who walk towards the heart of God and the people who already live in God work for the New Era, by teaching all willing people the path to God. In this way, they take possession of the Earth in My Spirit more and more.

Those who love selflessly are the ones who will live in the Kingdom of God on Earth, in the Kingdom of Peace. Rejoice that already now [1989] you are walking the path to the heart of God! In Me, you are the trailblazers and pioneers for the New Era. Many of you will incarnate in the New Era, in the kingdom of light, and will bring with you the fulfilment in God, because already now you are walking the path which leads there. Rejoice and be grateful for the purging and purification of your souls, for you will then behold Me and will consciously live and be in and with Me.

"Blessed are those who hunger and thirst for righteousness, for they shall be satisfied."

The one who hungers and thirsts for the righteousness of God is a seeker of truth, who longs for the life in and with God. He shall be satisfied.

My brother, My sister, you, who long for righteousness, for the life in and with God, be of good courage and raise yourself out of the sinful human ego. Rejoice, for the time has come in which the Kingdom of God comes closer to those people who endeavour to keep the commandments of life.

Behold, I, your Redeemer, Am the truth within you. I Am thus the path, the truth and the life in you.

The truth is the law of love and life. In the Ten Commandments, which are excerpts from the all-encompassing law of God, you find the guiding principles for the path to the truth. Observe the Ten Commandments and you will draw more and more onto the path of the Sermon on the Mount, in which the path to the truth is fundamentally explained.

The path to the truth is the path to the heart of God, to the eternal life, which is selfless love. The Sermon on the Mount is the path into the Kingdom of God, into the laws for the Kingdom of Peace of Jesus Christ. When you go deeper into them and fulfil them, you will attain divine wisdom.

You have already read that the part-ray of divine wisdom is in earthly garment [1989], in order to give the word of God and to interpret the laws of God. Through this, My instrument, I now reveal the Sermon on the Mount in all details and guide and accompany the willing ones on the Inner Path, with teachings and lessons which, if they are actualized, lead to the Father, to the eternal light. Moreover, I teach the Absolute Law, the law of eternity, through My instrument.

Recognize: No one should hunger or thirst for righteousness. Take the first step towards the kingdom of love by first being righteous to yourself. Practise a positive way of living and thinking and you will very gradually become a righteous person. Then you will bring the righteousness of God into this world; and you will also represent this because you fulfil the will of God, the Lord, out of His love and wisdom.

Recognize: The time is near when what was prophesied takes place. The lion will lie beside the lamb, because the people have gained victory over themselves – through Me, their Redeemer. They will form a great family in God and will live in unity with all animals and with all of nature.

Be glad, for the Kingdom of God has come close – and, with the Kingdom of God, I, too, your Redeemer and bringer of peace, the ruler of the Kingdom of Peace, of the World Kingdom of Jesus Christ.

"Blessed are the merciful, for they will attain mercy."

The mercy of God corresponds to the gentleness and goodness of God and is, for all souls, the gate to the perfection of life. The people who have unfolded in their souls all seven basic powers of life – the law, from order to mercy – through Me, the Christ, who live in the Father-Mother-God, will enter again, as spirit beings, through the gate of mercy into the selfless love, into the Kingdom of God, into the heavens, and will live in peace. The seventh basic power, the mercy – called, in the Spirit of God, goodness and gentleness – is the gate to the eternal Being. All people who practise being merciful will also attain mercy and will stand by those who are on the path to mercy.

Recognize: The path to the heart of God is the path of the individual in community with those of like mind. For God is unity, and unity in God is community in and with God and with one's neighbour.

The one who has taken the first steps on the path to perfection will fulfil the commandment of unity: One for all, Christ – and all for One, Christ.

The Sermon on the Mount is, as revealed, the path of evolution toward the Inner Life. All those who are further ahead on this path of unfoldment towards the heart of God help, in turn, those who are at the beginning of the path. In and over all, shines the Christ, who I Am.

"Blessed are the pure in heart, for they will behold God."

The pure heart is the pure soul which has risen once again to be an absolute spirit being through Me, the Christ in the Father-Mother-God.

The pure souls, which have become beings of the heavens again are then the image of the eternal Father once more and behold the Eternal face to face again. They see, live and hear at the same time the law of the eternal Father, because they have again become spirit of His Spirit – the eternal law itself.

As long as people and souls still have to listen for the Spirit of God in themselves, they are not yet spirit of His Spirit, not yet the law of love and of life itself.

However, the one who has again become the law of love and life beholds the eternal Father face to face and is in constant conscious communication with Him. He also perceives the law of God, the life from God, as a whole, because he himself is the life and love and moves in them. The one who moves in the Absolute Law of God has also opened it up completely – from order all the way to mercy. All the seven basic powers of infinity serve him, because he is in absolute unity and harmony with all Being.

"Blessed are the peacemakers, for they will be called children of God."

The meaning of these words is that those who keep the peace are blessed. They will also bring true peace to this Earth, because they have become peaceful within themselves. They are consciously the children of God.

Many of the sons and daughters of God who bear peace within themselves and bring it into the world are the incarnated beings in the mission of God who fight for the New Era, so that the spiritual humanity may emerge which will be alive in the Kingdom of Peace of Jesus Christ, in the Era of Light.

Words from the ruler of the Kingdom of Peace on Earth to the people of the New Era:

You people in the New Era, in the Kingdom of Peace of Jesus Christ, which is becoming more and more light-filled, you who are reading this book "This Is My Word", realise that the pioneers of Christ had to fight against the satanic on several fronts at the same time, in order to help the proclaimed Kingdom of God on Earth to make its breakthrough.

You are living in peace, in Me, the Christ, your divine brother, the ruler of the Kingdom of Peace. But those souls which did not let themselves be deeply touched by the Sermon on the Mount the path into the Inner Life are living and acting behind the wall of fog. They still live in the prison of their human ego. As human beings, they did not want to hear the call of the pilgrim to the heart of God. They kept their ears and their hearts closed to the truth and hid themselves behind their human ego, behind their conceptions, opinions and theological views. Even in the period of preparation from the old to the New Era, the Era of Light, they remained pharisees, hypocrites, persecutors and slanderers.

Know that the light of redemption shines in all souls up to the fourth level of purification. So these souls, too, are not lost. Many pure spirit beings are active behind the wall of fog in the name of the Lord – among them are also many sons and daughters of God who, in different earthly garments and in various epochs, paved the way on Earth for Me, the Christ, into the Kingdom of Peace which becomes increasingly light-filled. There, in the soul realms, they continue to act in selfless service for their neighbours. The righteous men and women who brought the law of love and of life into this world had great difficulties at that time [1989].

Recognize, you brothers and sisters who are now living in the Kingdom of God on Earth: The pioneers of Christ for the New Era took a stand against the satanic and demonic powers, too, in that great turn of time from the old era, characterized by materialism, to the New Era, the Era of Light.

"Blessed are those who suffer persecution for righteousness' sake, for theirs is the Kingdom of God."

What else happened in that period of preparation [1989]? The pioneers of Christ for the New Era suffered persecution for the sake of the Kingdom of God on Earth. They were despised and slandered by pharisees and Bible experts, by churchmen and all those servile to the churchmen. The truth was deliberately placed in a false light and distorted. Those who faithfully fought for the truth were ridiculed for the sake of the truth. People who had Me, Christ, only on their lips, but not in their hearts, preached against them, slandered them and discriminated against them, in their churches and outside the church walls as well. They were insulted and accused of false teachings.

The seeming Christians denied that the true followers of Christ were Christians, because they themselves did not live what I had commanded them as Jesus of Nazareth. Just as it was during My time as Jesus, they preached from their Bibles and sanctimoniously pretended before the people to believe in Me – and were, however, wolves in sheep's clothing. For they did not do what I commanded the people: to love one another selflessly, as I love them; that is why they are pharisees and hypocrites. And the one who disregards the commandment to love one's enemy disregards the Christ, who I Am.

May the one who reads this later remember the pioneers of Christ, who prepared the Earth and the atmosphere of the Earth for the New Era. They brought a part of the eternal law of radiation to the Earth and its atmosphere. Remember them in love, because many of them will not go into the earthly garment again, to live and be active in the Kingdom of Peace on Earth. They continue to fight in the spheres of purification. They struggle for the souls, so that these, too, can become free from their sins and can enter into the glory, which I Am in the Father.

Recognise: What the souls on Earth did not clear up they take with them behind the wall of fog. There, they must recognize and expiate what they had caused in the earthly garment. The souls which, as a human being, did not attain self-recognition, and therefore did not atone, continues, as a soul, to vegetate behind the wall of fog, as in a dreamlike state, just like before in the earthly garment – which he called life. Many who were at one time hypocrites and Pharisees in earthly garment again slander their fellow brothers and sisters in the soul realms; there, too, they ridicule them, deny that they are Christians, and thus want to put themselves in a good light. This will take place until they recognize – maybe even in the greatest suffering and pain – what they had caused and in whose hearts Christ has truly risen.

According to the cosmic law of attraction, the soul will experience on its soul body what it has caused in the earthly garment to its fellow man and has not cleared up. The soul sees its sins in the form of pictures and, at the same time, experiences in its own soul body the suffering and torment of its neighbours which it had inflicted upon them as a human being. The sins now active in the soul will affect it until the soul sincerely repents, asks for forgiveness and is willing to forgive its neighbour. Only then, does the sinful energy change into divine power and the soul become more light-filled and pure.

Pray for those who are acting behind the wall of fog as they once did in the earthly garment on Earth. Pray that they recognize themselves and atone. Many of the slanderers will have to recognize, experience and possibly endure in their souls the suffering and pain of the pioneers until it has become reality to them that I, Christ, was with the pioneers, with My brothers and sisters, and that now I Am with them as their divine brother.

Pray that they recognize and feel in time that they were servile to the dark forces in the unlawful and power-hungry world. The darkness even took My name in vain, in order to lead the people astray and make difficult the work of the pioneers, the sons and daughters of God on Earth, in the vineyard of the Lord.

Recognise: The one who followed Me was not respected by the worldlings, because I, too, as Jesus, was held in disdain by them. At all times, people who stepped into the true following of the Nazarene had to endure and suffer a great deal.

However, many of the pioneers for the New Era led the way unshakeably and stayed in My footsteps. Remember those courageous men and women who waged a righteous battle for the New Era with an unshakeable faith in Me.

Rejoice, you, who live in the New Era, in the Kingdom of Peace, which is becoming of a lighter and lighter substance. You are united with them. Many of you were in the great turn of time as pioneers in the earthly garment, in order to attain the breakthrough for the Kingdom of God. The fight and the victory for Me, the Christ, remained in your souls as memory. Some of you intuitively sense that you participated as pioneers in that epoch. You also sense that, at that time, the causes became effective more quickly and the positive, the Era of Light rose mightily – the era of Christ in which you are now living again in a garment of finer substance.

5. Woe unto you who are rich! For you have received your consolation in this life. Woe unto you who are sated, for you will hunger. Woe unto you who laugh now, for you will mourn and weep. Woe unto you when all men speak well of you, for so did their forefathers with the false prophets. (Chap. 25:5)

I, Christ, explain, correct and deepen the word:

"Woe unto you who are rich, for you have received your consolation in this life."

People who look upon their wealth as their property are poor in spirit. Many who are rich in earthly goods were given in the cradle the spiritual task for their earthly life, to be an example to those rich people who tie themselves to their wealth with hardened, relentless hearts and whose sole thinking and striving consist in increasing this wealth for themselves. A person who is rich in earthly goods and has recognized that his wealth is a gift – which he has received from God only to bring it into the great whole for the well-being of everyone and to administer it in the right way for all – is the one who actualizes the law of equality, freedom, unity and brotherhood. He contributes as a selfless giver so that the poor do not live in privation and the rich in luxury.

In this way, a balance will gradually be established, an upper middle class for all those who are willing to selflessly fulfil the law "pray and work". Thus, very gradually the true humanity of a community arises, whose members do not collect personal earthly riches, but rather consider everything to be common property given to them by God.

If a rich person considers money and property as his own and is esteemed in the world because of his wealth, then – as the effect of his causes – he will live in poor countries in the next earthly lives and there

he will beg for the bread that he, as a rich man, once denied the poor. This can happen as long as such incarnations are still possible.

The soul of such a rich person will also find no rest in the spheres of purification. The souls that are poor in light who had to endure suffering and hunger in the earthly garment because of him will recognize him once more as the one who denied them what could have helped them out of the entanglement of the human ego. Many will accuse him and then his soul itself will feel how they suffered and hungered. In this way, a soul which was rich and esteemed as a human being in the earthly garment may suffer great need; this need is much greater than if it had had to beg for bread in the earthly garment.

Recognize: According to the laws of the Eternal, everyone who selflessly keeps the commandment "pray and work" is due the same; for God gives everyone what he needs and beyond that. However, as long as this commandment is not yet observed by all people, there will be the so-called rich on Earth. It is their task to divide their accumulated wealth and to live just as those who selflessly fulfil the commandment "pray and work". If they think of the welfare of all and not of their own, the inner wealth will gradually turn without and no person will hunger or live in want.

Woe to you, you rich ones, you who call your money and property your own and make your neighbour work so that your wealth may increase! I say to you: You will not behold the throne of God, but continue to live where the feet of God are – on Earth, again and again in earthly garments, as long as this is still possible. Even if you sponsor social service establishments, but you yourselves are so much wealthier than those who are supported thereby, then you are nevertheless servile to the satan of the senses, who wants the differences between rich and poor.

Out of these differences, power and subservience, envy and hatred emerge. These give rise to fighting and wars. Those who cling to their wealth, even though they now and then think of the social good, thus serve the satan of the senses and act against the law of life: against equality, freedom, unity and brotherliness.

The one who considers money and property as his own and hoards them for himself, instead of letting these material energies flow, is a thief according to the law of life, for he denies his neighbours a part of their spiritual heritage. For everything is energy. The one who ties it up through "me" and "mine" acts against the law, which is flowing energy.

"Woe unto you who are sated, for you will hunger."

The wealthy, sated man who fills only "his" barns is empty at heart. He knows only the mine and thine. His senses and thoughts revolve around "my" property, "my" possessions, "my" bread, "my" food. "All this belongs to me" – this is his world. Such a person will one day hunger and live in want until he realizes that everything is the Being; everything belongs to God and to all people who strive to do the works of God: to love selflessly and to fulfil the law of life for the Earth, "pray and work".

People who speak only of mine and thine are people poor in light who already in this incarnation prepare a further journey on Earth or a long pilgrimage for their soul in the realm of the souls and, in both cases, in the garment of a beggar.

The soul that is blinded by material things unconsciously craves for light, because it is lacking in light. It compulsively tries to compensate for this with outer things, such as earthly wealth, greed, gluttony, alcoholism or other cravings and pleasures. It is insatiable.

"Woe unto you who laugh now, for you will mourn and weep."

The one who laughs and mocks his neighbour will one day be very sad and will cry over himself – because he failed to acknowledge those whom he made fun of and mocked. He will have to recognize that, in the end, he has laughed at, scorned and ridiculed himself. For the one who judges and condemns his neighbour, who laughs at him, scorns and ridicules him, judges, condemns, laughs at, scorns and ridicules Me, the Christ.

Recognize that the one who sins against the least of My brothers sins against the law of life and will have to suffer under this. At the same time, he has bound himself to the one he held in disdain. Therefore, be on your guard and practise self-control. It is not what enters through your mouth that soils your soul, rather it is what goes out from your mouth that burdens the soul and person.

"Woe unto you when all men speak well of you, for so did their forefathers with the false prophets."

If you flatter your fellow man, so that he praises you and holds you in esteem, then you are like the counterfeiters who, for the sake of their own advantage, pay with false money.

It was and is similar with the false prophets, too. They were and are esteemed by the people because they flattered the people and because those of high standing among the people were in league with them, thereby expecting personal profit and gain.

Recognize, you people in the Kingdom of Peace, that in the sinful world many righteous prophets and enlightened men and women, as well, were slandered and persecuted by the rich and the powerful of this world, by church leaders and their adherents, and many of them were tortured and killed. At all times, the satanic used as tools those who wanted to keep and increase their worldly wealth for themselves, those who strove for power and also those who were servile to the rich and powerful.

You should know this, so that you can understand why the old sinful world perished in such a gruesome way.

In addition, false prophets were also those who did indeed preach the gospel of love, but they themselves did not live accordingly. And there were also all those who called themselves "Christians" and behaved in an unchristian way in their life. They were often famous because of their eloquence and were honoured and praised because of their wealth and prestige.

Oh see, nevertheless and in the course of time, all true prophets and enlightened ones contributed to the fact that the crystal of Inner Life, with its many facets of eternal truth, sparkled and shone more and more. In this way, the Kingdom of God on Earth was very gradually built up.

It is up to you, dear brothers and sisters in the Kingdom of Peace, to cherish, guard and preserve this now perfect, sparkling and shining crystal, the Inner Life, like a precious flower. It is the law of love and

wisdom of God, His order, His will, His wisdom, His earnestness, His goodness, His infinite love radiation, and His gentleness.

6. You are the salt of the Earth, for every sacrifice must be salted with salt, but if the salt has lost its taste, with what shall one salt? Henceforth, it is good for nothing, but to be poured out and trodden underfoot. (Chap. 25:6)

I, Christ, explain, correct and deepen the word:

The righteous are the salt of the Earth.

They will repeatedly point out the deplorable state of affairs of this world and will touch the sore point of sin. For much damage has been and is taking place in this still sinful world – and many people became victims for the sake of the gospel.

The righteous who were victims shall be rehabilitated by righteous men and women, for everything shall become manifest through the salt of the Earth. Now, in this time of radical change from the old sinful world to the New Era, the Era of Light, the righteous will bring injustice to light and will cause it to become manifest, so that those who have done wrong may recognize themselves and atone for it.

However, you righteous ones, who are the salt of the Earth, beware that the salt does not lose its taste, that you therefore remain in righteousness and do not let yourselves be led astray. For who shall bring righteousness into this world, and who shall point out the deplorable state of affairs and sins which people have created? Surely, only those who know My name and are recorded in the book of the lamb.

The one who is no longer the salt of the Earth falls among those who have taken and are taking My name in vain for their own purposes and have persecuted, slandered and killed the righteous.

When the salt of the Earth loses its taste and man disregards his neighbour, he will succumb to his own causes; figuratively speaking, he will trample himself underfoot. His un-expiated causes will then bring about illness, infirmity and grief. The soul that is poor in light will live in want and will feel on its own soul body what it has caused to its neighbour.

7. You are the light of the world. The city that is built on a hill cannot be concealed. Neither does one light a candle and put it under a bushel, but on a candlestick; and it gives light to all who are in the house. Let your light so shine before the people, that they may see your good works and praise your Father who is in heaven. (Chap. 25:7)

I, Christ, explain, correct and deepen the word:

I Am the light of the world.

Through My faithful ones, through men and women who fulfil the will of the Eternal, it now radiates more intensively into this world.

I have put My candle on the candlestick of divine wisdom and justice, so that it may shine for all those who are of good will.

My brothers and sisters in the Kingdom of Peace of Jesus Christ, it is important for you to know the following: I very gradually brought My light to shine in the incarnated part-ray of divine wisdom. I called the human being in whom the female principle of the cherub of divine wisdom was incarnated, and informed her of her spiritual mission, which then became more and more manifest in her soul.

Know that when the spiritual mission begins to pulsate in the incarnated soul, the law wants the human being's attention to be drawn to the mission and that he is asked whether he accepts what is active in his soul.

The human child accepted it in the following sense: Eternal One, I am Your handmaid; Your will be done in me.

Thus, the great all-encompassing spiritual mission began for her, to be My prophetess and spiritual ambassadress for the whole Earth. My light became ever brighter and more powerful in her soul, until it totally irradiated the person. When the person was also strengthened enough to give forth My holy, eternal word, I sent her into this world: Guided by My Spirit, she visited countries and cities on several continents. In countless revelations, I gave My holy word through her.

In many facets of the eternal truth, My light radiated into this world, onto this Earth. It is the wisdom from God.

In the mighty turn of time, more and more hearts were kindled by My light. The people recognized the eternal truth in My words. More and more people walked the Inner Path and accepted the gift of life, the teachings and lessons from the eternal truth, in order to come nearer to God, the eternal Being.

Many men and women became My faithful ones, because they fulfilled the will of God. They became brothers and sisters in My Spirit and became the pioneers for the New Era, who laid the foundation of the Kingdom of God on Earth and began to build upon it.

More and more people became seekers of light. On the path to Inner Life, they kindled their inner flame with My light more and more and united with the pioneers, in order to work with them for the New Era.

Furthermore, know that they recognized the eternal laws from the deep teachings which I gave through the incarnated divine wisdom and abided more and more in the righteousness of God.

At all times, the pioneers also had to overcome some defeats. However, in each defeat they recognized their own weakness and then conquered it with Me, the Christ. They repented of their unlawful behaviour, praised and glorified God for His untiring guidance – also out of their defeats. In this way, the men and women became stronger in Me, the Christ.

They did not credit themselves with the victory in Me, the Christ, as being their victory. They thanked, praised and glorified the eternal name and rejoiced that the Eternal through Me, and I through and with them, could accomplish what needed to be done for the Era of Light in which you now live.

Through the actualization of the eternal laws, the faithful men and women came nearer and nearer to Me and became aware of My guidance. Through the incarnated part-ray of divine wisdom, the Eternal, God, the Father of us all, and I, Christ, spoke to them. We admonished the pioneers again and again to overcome their still existing faults. At the same time, My Father and I, Christ, led them to self-recognition – in accordance with the law of free will – by bringing it to their attention as soon as they had violated the eternal law. We explained to them how they could make up for their faults. The Eternal and I, Christ, revealed ourselves in all essential questions and situations and guided them to the law-abiding answer and solution. They cleared up immediately what needed to be dealt with, so that what was not in accordance with the eternal law could be rescinded.

The time of the pioneers was a great time, because the pioneers spoke with God, who gave His revelations to them through the great light of divine wisdom. Through this deep closeness to the Father-Mother-God and to Me, their Redeemer and divine brother, they increased in strength in their inner being. They became more and more filled with love and wisdom.

What I reveal here in this book "This Is My Word" took place in an evolutionary process over generations. The first pioneers for the New Era did not yet recognize the great light which lived among them, because the incarnated part-ray of divine wisdom behaved as a sister among brothers and sisters, without distinguishing herself. This modest sisterliness, which sprang from a great humility and reverence before God, then brought about true brotherliness and sisterliness also among some of the pioneers. For them, the high bearer of light was a sister who was able to advise them in every situation and circumstance of life, because her spiritual body was one with God, the life.

You, who live in the New Era, recognize that all this, and much more that was not recorded, had to happen, so that My light could shine more and more strongly in this world. It shone mightily into the turn of time and prepared the New Era through My faithful ones.

The pioneers in Me were the spiritual task force that fought according to the law of life, of love and of free will.

After entering into the covenant with God, the Eternal, they lived and were active out of the central primordial light of the Covenant Community New Jerusalem in the emerging New Israel. In the course of further generations, emerged, from the Covenant Community New Jerusalem, the mighty city of Jerusalem upon the Earth, the substance of which was becoming ever finer.

The city of New Jerusalem which is built on the hills cannot be concealed. It shines and radiates as the central primordial light for the whole Earth.

From the city which is built on the hills, from the New Jerusalem, impulses are given for the entire World Kingdom of Jesus Christ. The city of New Jerusalem is the central co-ordinating point for the Kingdom of Peace of Jesus Christ. So it was revealed – and so it is.

8. You should not think that I Am come to destroy the law or the prophets; I Am not come to destroy, but to fulfil. For verily, I say to you: Till heaven and Earth pass away, not the smallest letter nor one dot will pass away from the law or the prophets until all that is fulfilled. But behold, One greater than Moses is

here, and He will give you the higher law, even the perfect law, and you shall obey this law. (Chap. 25:8)

I, Christ, explain, correct and deepen the word:

As Jesus of Nazareth, I taught parts from the perfect law, from the Absolute Law, to the men and women who followed Me and to all those who listened to Me. I also explained to them that the Absolute Law of love radiates into the law of sowing and reaping; for the Spirit is omnipresent and is also active in the law of sowing and reaping, the law of the fall.

Through Me, as Jesus of Nazareth, the incarnated Christ, and through all the true prophets of God that followed, the Eternal taught and admonished His children in the imperfect spheres that the law of the fall, the law of sowing and reaping, is constantly active. The one who does not stop and think it over and does not turn back in time will have to bear his causes as effects. The Eternal was and is making every effort, even today [1989], to lead His human children and all souls to His heart, to the law of eternal love, before the harvest – the effects of the causes created by them – falls upon them. The Eternal led and leads them to self-recognition through Me, Christ. He gave and gives them the strength to clear up what they recognized and recognize as sin and fault.

In Jesus of Nazareth, the Christ, who I Am, came to this Earth, into this world, to teach, as the Son of Man, the eternal law to people and to live it as an example, so that they would recognize the path to the eternal Father and fulfil His law – and so that they may enter again into the eternal homes that He keeps ready for all His children.

The people who followed My example during My lifetime on Earth and who actualized the eternal laws, were My true followers.

In the generations that followed, there existed a Christianity and a seeming Christianity: the true followers who freely followed Me, the Christ, by keeping the laws of the Sermon on the Mount – and the seeming Christians who just talked about Me, the Christ, but acted against the laws. In addition, there was the so-called coerced following of Christ: This resulted from the forced Christianization of the masses carried out by the churches.

Recognize: There is no coercion in the eternal law. God, the Eternal, has given all His children free will. The one who freely decides has, through his free decision, the strength for what characterizes true Christianity: equality, freedom, unity, brotherliness and justice. All coercion originates from the law of sowing and reaping, also called the law of the fall. It is given to man to freely choose his spiritual path. I, Christ, offered and offer the path to the heart of God, but I pressure no man to walk it. The one who pressures his neighbour lives himself under the pressure of the law of the fall and personifies the fall thought.

Several so-called Christian denominations force their faithful into baptism with water. Even the little children whose free will is not yet developed and who therefore cannot yet decide for themselves are forced, through baptism by water, into the membership of a church and thereby induced to participate in its other rituals.

This is an intrusion into the individual's free will and, so to speak, a forced Christianization. These are the things which take their course within the law of the fall.

People who do not freely accept and receive Me, Christ, in themselves out of the deepest inner conviction, often have great difficulties in correctly understanding and accepting the Ten Commandments, the excerpts from the eternal law. This is because these have been pushed into the background through many externalizations, dogmatic ceremonies, rites, customs and cults. Within the denominations, these externalizations became the most important point; yet, they have nothing in common with inner Christianity, the Inner Religion, but originated, in part, directly from the times of polytheism and idolatry, and thereby from the region of the fall planes.

Only when people freely break away from the dogmas and rigid ceremonies that have been forced upon them, from rites and cults, as well as from their own conceptions of God, can they gradually be guided into their inner being, into their true being. There, in their inner being, they then discover themselves as true beings in God and as inhabitants of the Kingdom of God, which is within every person. This Inner Life is the true religion, the Inner Religion.

Recognize: The eternal, all-embracing, universal law, the law of the heavens, is irrevocable. It is the law of all pure Being. The law of sowing and reaping came into being through the fall and can be dissolved only through the actualization of the eternal laws. However, it cannot be evaded. The law of sowing and reaping remains active in each soul, until the sins are recognized, cleared up, atoned for and given over to Me, the Christ of God. Then the fall law is no longer in the soul. The soul is then freed from its impurity for the most part. It becomes again the pure being in God, that lives the Absolute Law, as it strives again towards the absolute, all-ruling law of love and of life.

The law of sowing and reaping is valid until all that is unlawful is cleared off and transformed into positive energy and every being lives again in God, out of whom it came forth. To the same degree in which all beings from God have once more been received into the heart of God, into the Absolute Law, so will all purification planes – all part-material and material planes, including the Earth – transform into cosmic energy and again vibrate in the Absolute Law. The fall law is then repealed, and the love of God is conscious and all-reigning in all Being, in every being.

Not one "dot" will be removed from the eternal law which the true prophets brought before and after Me, and which I, as Jesus of Nazareth, lived as an example.

When it says "not the smallest letter", then it means a single aspect of the eternal truth, not the letter and the word of human beings as such. Human words are often only symbols that hide what is deep within. Only when the person is able to feel into the language of symbols does he recognize the truth and the meaning of life, which lies deeply hidden in the human words.

"The higher law" is the step into the perfect law. This will be taught to the mostly pure beings, which have come from Earth and the soul realms, in the preparation planes, which are situated before the gate of heaven. The higher law is the last level of instruction before the gate of heaven. It shows the mostly pure beings how the lawful radiation is reactivated in the spirit body, so that it can be applied in infinity.

As Jesus of Nazareth, I taught parts of the perfect law, the Absolute Law. The whole truth still had to remain concealed from the people in those days, because they were still too dependent on their belief in gods and were oriented towards the various trends of belief of that time. For that reason, I spoke in the following sense: When the time has come, I, the Spirit of truth, will lead you into all truth.

On the hill of Golgotha – this means, the place of the skulls – I was crucified by the Romans, because the Jewish people had not accepted and received Me as the Messiah. Although I preached, taught, healed and gave many signs of My deity, up and down the valley of the Jordan, the stubborn Jewish people remained servile to the ministers of the temple, thus becoming accomplices in the death of Jesus of Nazareth.

With words in the sense of "It is finished", the spark of redemption entered all burdened and fallen souls. Thus, I became and I Am the Redeemer of all men and souls.

As the Christ of God, I acted and continue to act. In all generations up to the present time [1989], I gave and give My revelations through true instruments of God, through people whose souls are for the most part purified.

In this mighty turn of time, in which the Era of Light comes closer and closer to man, I teach the eternal law in all its facets, and more and more people walk the path within, to the love of God.

Now the time which I announced as Jesus of Nazareth has come: "Today you are not yet able to bear it, that is, to grasp it; yet when the Spirit of truth comes, He will guide you into all truth." Now, in spirit, I Am among My own, the faithful pilgrims to the eternal Being, to the consciousness of My Father; and I teach them the absolute, eternal law, so that also those who will live in the Kingdom of Peace may fulfil it and thereby live in Me and I through them.

My words are life, the eternal law. They will be preserved in the pilgrims to the eternal life and in many written records as well – as it is with this book – for the Kingdom of Peace of Jesus Christ.

Recognize: Only the eternal law of love makes people free – not the law of sowing and reaping. This brings them only suffering, illness, misery and infirmity.

9. The one who breaks one of these commandments, which He gives, and teaches the people to do the same will be called the least in the Kingdom of Heaven. But the one who keeps and teaches them, the same will be called great in the Kingdom of Heaven. (Chap. 25:9)

I, Christ, explain, correct and deepen the word:

The Ten Commandments which God gave to His human children through Moses are excerpts from the eternal law of life and of love. The one who violates these commandments, who only teaches them to his fellow man but does not keep them himself, is a false teacher. He sins against the Holy Spirit. This is the greatest sin. This misleader uses the love of God, the law of life, for his own purpose. Thereby, he abuses the eternal law. Every abuse is robbery; and every robber is a hunted and hounded person who, sooner or later, is caught and convicted by his own deeds, by his own causes. For God is a just God; everything will be revealed through Him, the good as well as the not so good and the evil.

However, the one who keeps the law of love and of life, that is, who fulfils it in his daily life, and teaches people what he himself has actualized is a true spiritual teacher. He offers the bread of the heavens to the people and will thus satisfy many. The one who gives out of his own fulfilment is filled by divine wisdom and strength and, when the time has come, will shine like a star in heaven. For the God-filled person draws from the stream of salvation and selflessly gives to those who hunger and thirst for righteousness.

Recognize: The eternal law of love and of life comes into this world through such righteous men and women. Therefore, the one who keeps and teaches the eternal law will be called great in the Kingdom of Heaven; this means that he will earn a rich reward in heaven.

10. Verily, those who believe and obey will save their souls, and those who do not obey will lose them. For I say to you: If your righteousness is not greater than that of the scribes and Pharisees, you will not enter the Kingdom of Heaven. (Chap. 25:10)

I, Christ, explain, correct and deepen the word:

The statement, ". . . those who believe and obey will save their souls, and those who do not obey will lose them" means that the one who believes and follows the laws of God will deliver his soul from the wheel of reincarnation, which will continue to draw him into the flesh until he has atoned for all that repeatedly drew him into incarnation.

Recognize: The mere belief in the law of life is not enough. Only the belief in the life and the actualization of the laws of life lead man and soul out of the wheel of reincarnation.

The one who does not keep the laws of God betrays God and sells his soul to the darkness. Thereby, he covers the light of his soul, his true life. This person then lives in sin and his soul lives in the slumber of this world. The law of incarnation, the wheel of reincarnation which draws the soul into incarnation, will still be in effect for some time, so that the incarnated soul may recognize that it is not of this world, but is in the earthly garment in order to discard what is human – and to uncover what is divine: its true eternal life.

Not all who know the written characters interpret them according to the letter only – but according to the meaning. For this reason, it should mean: If your righteousness is not greater than that of the many scribes – who pretend to be righteous and teach My law, but do not keep it themselves – you will not enter the Kingdom of Heaven.

Therefore, do not tie yourselves to the opinions and views of people. Actualize what you have recognized from the law of life; then you will recognize the further steps to the higher spiritual principles.

Recognize: The justice of God is the love and wisdom of God. The one who does not bring them to unfoldment in himself does not radiate them; he neither perceives the depth of eternal Being nor fathoms his true life. His earthly life is in a state of vegetation. He vegetates past the true life. He is spiritually dead in this life as well as in the beyond. Neither in this earthly existence nor in the life beyond does he have the right orientation, because he did not live according to the laws of life. He is not wise, but only passes on his stored knowledge. Thus, he becomes an adherent of sin and finally, a sinner. He acts against the eternal law and in this way falls deeper and deeper into the law of sowing and reaping.

11. Therefore, when you offer your gift on the altar and remember that your brother has something against you, leave your gift before the altar, go there first and reconcile with your brother, and then come and offer your gift. (Chap 25:11)

I, Christ, explain, correct and deepen the word:

"... when you offer your gift on the altar and remember that your brother has something against you, leave your gift before the altar, go there first and reconcile with your brother, and then come and offer your gift" means: When you devote your life to Me, the Christ, and want to give your faults and sins over to Me and you recognize that you have not yet reconciled with your neighbour, then leave your sin lying before the inner altar for the moment. Go to your neighbour and reconcile with him – and, if you no longer want to do the same or similar thing which led to the sin, then lay your sin upon the altar. The altar is in the innermost part of your temple of flesh and bone. The Spirit of love and life will then transform the sin into strength and life. You will attain liberation from that which you freely, willingly and without pressure give over to Me and thus no longer do the same or similar thing. Your soul will then increasingly receive the light from Me.

Take heed of the following spiritual principle: When you have sinned against your neighbour exclusively in thoughts, through unloving, envious, revengeful, jealous or hate-filled thoughts, then do not go to him in order to talk to him about it. Know that your neighbour does not know your world of thoughts. If you let it become manifest in words, he will think about it. Come solely to Me, the Christ, who I Am in your inner being, and repent of your thoughts and send at the same time positive, selfless thoughts to the soul of your neighbour, thoughts of asking for forgiveness and thoughts of inner unity. Then I will undo what was caused in thoughts. And if you no longer think the same or similar thing, then it is already forgiven you.

Recognize: When you speak to your neighbour of your human thoughts, you might possibly stir up in him some human aspect that is just in the process of transformation. It could then break out once more in your neighbour. He then begins to think and speak negatively again and burdens himself anew.

The law says that through your wrong behaviour not only the one who is stimulated to reflect again burdens himself, but you, too, burden yourself when you express your thoughts and, through this, activate in your neighbour the humanness that was in the process of transformation.

However, if unlawful things leave your mouth in that you accuse and insult your neighbour and speak ill of him – even if he hears it from a second or third party – then go to him and ask him for forgiveness. If he has forgiven you, so has the eternal heavenly Father in Me, the Christ, also forgiven you. But if he has not forgiven you, then your heavenly Father in Me, the Christ, will not be able to forgive you either. However, the love of the Father-Mother-God will touch the still rigid heart more and more, so that the person can think things over sooner and forgive you, so that God in Me, the Christ, can also forgive you; then all that was once unlawful is annulled and transformed.

Beware of your own tongue! For the unlawful things which leave your mouth can do much greater harm to your neighbour and to yourself than your thoughts which you have recognized and given over to Me, the Christ in you, in time – before they have taken effect.

Recognize a further spiritual principle: You cannot see nor hear thoughts – and yet they are there. They vibrate in the atmosphere and can influence the one who thinks the same or like things. If you give them over to Me in time, they are cancelled – unless the soul of your neighbour has already registered them in itself. Then you will be guided in such a way that you will be able to do good to that person of whom you thought negatively. And if you do good selflessly, without expressing your earlier thoughts, then what you unlawfully thought about your neighbour and which he already absorbed into his soul will be erased in his soul. And what your soul radiated out is erased in you, as well.

12. Reach agreement with your adversary quickly, while you are still on your way with him, lest one day your adversary hand you over to the judge, and the judge hand you over to the guard, and you will not come out until you have paid the last penny.

13. You have heard that it has been said: You shall love your neighbour and hate your enemy. But I say to you who listen: Love your enemies, do good to those who hate you. (Chap. 25:12-13)

I, Christ, explain, correct and deepen the word:

"Reach agreement with your adversary quickly, while you are still on your way with him" means: Do not let the sin that you have committed against your neighbour linger. Clear it up as quickly as possible, for he is still with you on your path through life in the earthly existence. If his soul has left the Earth, you may have to wait until you can meet him again and can ask him for forgiveness.

Recognize: The judge is the law of sowing and reaping. If it becomes effective, the person will not come out from under it until he has paid the "last penny" – that is, until all that he has caused and not repented of in time is atoned for.

For this reason, use the chance to ask your neighbour for forgiveness and to forgive him as long as you are still on your path over the Earth with him and the sin has not yet engraved itself into the soul and become a cause. The one who does not forgive nor asks for forgiveness has to bear the effect until he has "paid the last penny".

Therefore, become one with your neighbour as quickly as possible. If the causes – for example, quarrel, resentment or envy – have already taken root in your soul, and if the same has also taken place in your neighbour whom you are against, then it is possible that your neighbour will not forgive you so quickly – not even when you have recognized your sin and repented. For the guilt complex may have hardened in his soul through the same or a similar way of thinking that you triggered in him. Due to the sinful behaviour, which you nurtured over a long period of time, he also nursed a grudge against you in his soul – and, like you, too, has thus created an extensive negative energy field, a guilt complex that now has to be worked on by both of you. The reconciliation can still happen in this earthly existence or later in the realms of the souls or in further incarnations.

Recognize: Before a blow of fate strikes a person, he is admonished by the Spirit of life, which is also the life of the soul, and also by his guardian spirit or by people. The admonishments from the Spirit are the finest sensations which flow out of the soul or which the guardian spirit lets flow into the person's world of sensations or thoughts. They admonish the person to change his way of thinking or to clear up what he has caused. The eternal Spirit of life and the guardian spirit may also stimulate people to go to the one

who is on the verge of being struck by a blow of fate. They will then approach the person concerned and will enter into a conversation which will spontaneously relate to the matter in question. From this conversation, the cause of the looming fate may be recognized and cleared up.

Thus, you recognize that the eternal light gives admonishments and indications in manifold ways – both to your neighbours with whom you have created causes, as well as to you, yourselves.

Through impulses by way of the day's events, too, the person is admonished in time, before what was caused by him breaks in over him as fate.

The one who takes such hints seriously and clears up the sin which he has recognized by repenting, forgiving, asking for forgiveness and making amends, need not bear what was caused by him. If the sin is great, then it is possible that he has to bear a part of it, but not the whole of it which wanted to break out of the soul. However, the one who overlooks and fails to heed all the admonishments, because he numbs himself with human things, will have to bear his self-created causes until "the last penny is paid".

The commandment of life reads, "Love your enemies, do good to those who hate you."

Every person should see his neighbour, his brother and his sister, in each one of his fellow men. You should recognize your neighbour, even in your seeming enemy, and strive to love him selflessly.

When you become upset because of the hostility – which may have many faces – the seeming enemy may even be a good mirror for your self-recognition; for when something in your neighbour upsets you, the same or something similar exists in you, yourselves.

However, if you can forgive your neighbour who has blamed and accused you without being unduly agitated, no correspondence is in you; that is, you do not have the same or similar thing in you and thus, no resonance in your soul. It is possible that, in a former life, you already cleared up and atoned for what you were accused of – or even that you never built it up in your soul. Then, it was only in the soul of the one who thought and spoke against you and accused you. Therefore, if no emotion reverberates in you, if no echo comes from your soul, then you were a mirror for him. Whether he looks into this mirror for his human ego or not – leave that to God and to him, His child.

Recognize: Even the mere sight of you stirs his conscience, which reflects to him that, for example, he once thought and spoke negatively about you. Now he has the chance to clear it up. If he does that, by repenting and henceforth no longer thinking or doing the same or similar thing, then it is removed, that is, transformed, in his soul. Only then will he see you with the eyes of the Inner Light.

A sign that the negative has been transformed into the positive in one's soul is benevolence and understanding towards one's neighbour.

14. Bless those who curse you and pray for those who abuse you out of wickedness, so that you may be children of your Father who is in heaven and who lets the sun rise on the evil and the good and sends rain on the just and the unjust. (Chap. 25:14)

I, Christ, explain, correct and deepen the word:

The one who keeps these commandments is just towards his fellow man and, through his life in God, will guide many people to the life in God. God does not punish and chastise His children. This is already said by the words, ". . . who lets the sun rise on the evil and the good and sends rain on the just and the unjust."

God is the giver of life, because He Himself is the life. From the eternal law of life, God gave human beings the free will to decide freely for or against Him. The one who is for Him keeps the eternal laws of love and of life and will also receive the gifts of love and of life from the eternal law. The one who feels, thinks and acts against the eternal law receives what he has sown, that is, what he felt, thought, spoke and did.

Therefore, everyone receives what he himself has sown. The one who sows good seed, that is, fulfils the laws of God, will also reap good fruits. The one who sows human seeds, which he brings into the acre of his soul as human sensations, thoughts, words and deeds, will also harvest the corresponding fruits.

From this, you recognize that God does not interfere in the will of man. He is the giver, helper, admonisher, leader and protector of those who endeavour to do His will, because they turn to Him. The one who turns away from Him, by creating his own human law, will also be controlled by his own human "ego-law".

Thus, God does not interfere in the law of sowing and reaping. In manifold ways, God offers His help to His children; and those who sincerely pray to Him from their heart and fulfil what I, Christ in God, My Father, have commanded them – to love one another selflessly – are in God, and God acts through them.

15. For if you love those who love you, what reward will you have? For sinners also love those who love them. And if you do good to those who do good to you, what reward will you have? For even sinners do the same, too. And if you greet only your brethren, what more are you doing than the others? Do not even the tax collectors do so? (Chap. 25:15)

I, Christ, explain, correct and deepen the word:

Therefore, accept and receive your neighbour in your heart, even if he does not love you, even when he does not stand by you and ignores you, by refusing to greet you. Do love him! Do stand by him selflessly and do greet him – even if it is only in thought, when he does not wish to be greeted with words. Even a greeting from the heart, which is given in thought, enters the soul and brings good fruit at the right time.

Make sure that you act like the sun that gives – whether the person wants to see it or not, whether he wishes for rain or storm, whether he desires the cold or the warmth.

Give selfless love, as the sun gives to the Earth, and respect all people, all Being. Then you will receive your reward in heaven.

Do not flatter people. Do not discriminate, like people who associate only with those who think and act the same way and condemn those who think and act otherwise.

16. And if you desire something as much as your life, but it leads you away from the truth, let go of it, for it is better to enter life possessing the truth than to lose life and be cast into outer darkness. (Chap. 25:16)

I, Christ, explain, correct and deepen the word:

What the person craves for himself personally concerns his person, his base ego. All this is binding. A binding means to be tied to people and things. The one who ties himself to people and things, that is, who is bound to something, reduces the flow of cosmic energies.

If you tie a person to yourself only for your advantage, then, with your self-will, you pursue interests which lead you away from the life in Me, the Christ. You thereby forsake the impersonal selfless life, you entangle yourself in wanting to possess, to be and to have, and become impoverished in the spiritual life in your inner being. If you do not desist in time from wanting to possess, to be and to have, you will lose everything one day.

If you do not recognize yourself in the effects – for example, through the loss of all your worldly goods or in illness or in misery and in suffering – and then do not repent and make amends, you will wander in the darkness as soul and as man, because you were concerned solely about yourself, about your own personal well-being.

Therefore, recognize yourself every day anew and actualize the laws of God daily, and stop wanting something for your personal ego. Remain truthful – and thus, faithful to the law of God. Then you will enter into the life which is your true being – and you will be rich in yourself, because you have opened up heaven within you.

The truth which is impersonal cannot flow into the one who is not a vessel of the truth. Such a person is concerned only about himself and accumulates things only for himself. This behaviour leads to his turning away from God's eternally flowing power and to "a life in a stagnant pool": Only the negative flows into the pool and little flows out. This means that he will feel in his own body what he has gathered in his stagnant pool.

On the other hand, the eternal truth streams into and through the person who is a vessel of the truth. He receives from God and gives from God and thus becomes the spring of life for many. The cosmic life force, the source of all Being, streams through all forms of Being and through those human beings and souls who have turned towards God, that is, have become the vessel of God.

Recognize: The eternally flowing power streams only through the person and the soul who do not accumulate things for selfish purposes, but give selflessly. The stream of God flows unceasingly only through the ones who give selflessly. If God can flow unhindered through the person, then this person lives in the truth, in God, in the life which lasts eternally. Only such people give from Me, the life, because they are in Me, the life and the truth.

17. And if you desire something which causes another pain and sorrow, tear it out of your heart. Only in this way will you attain peace. For it is better to endure sorrow than to inflict it on those who are weaker than you.

18. *Be therefore perfect, as your Father in heaven is perfect. ” (Chap. 25:17-18)*

I, Christ, explain, correct and deepen the word:

Everything that goes out from you which is not divine – like unlawful thoughts, words and deeds – can cause pain and sorrow not only for your neighbour, but also for you, yourself. For what the person sows, he will reap.

The harvest corresponds to the seed. It will always be harvested by the one who has sown – not by his neighbour. Your neighbour has not sown your seed, and neither will he reap your harvest.

However, your seeds can have wings – like the seeds of different types of flowers, which, after blooming, are carried away by the wind and take root where they are able to hold fast. So it is also with your thoughts, words and deeds which can fall like winged seeds on the acre of your neighbour's soul and can sprout if they find the same or similar conditions there.

The same or something similar to what is in you is present in him, if he becomes upset and angry by the words and deeds with which you caused him sorrow and, stimulated by your winged seeds, he thinks, speaks and does the same or similar thing. However, you have triggered it and can be called to account in the law of sowing and reaping. You are commanded to love your neighbour selflessly and to serve and help him – and not to cause him pain and sorrow by your behaviour.

If your neighbour then burdens himself because of your unlawful behaviour, because you intruded into the acre of his soul and brought causes into vibration, which he later has to bear and from which he has to suffer greatly, then you are bound to him. And if he, too, reacts unlawfully to your behaviour, he is, in turn, bound to you. In this or another form of existence, you will have to clear this up together.

Recognize: A small insignificant winged seed of human ego can create a great cause, which already bears its effect in itself.

Therefore recognize that every cause must be removed.

A further example: If you send out your negative thoughts, words and deeds like winged seeds and your neighbour hears what you say about him but takes no notice of it, because he has no correspondence to it in the acre of his soul, then only you will burden yourself; and you are bound to him – not he to you. Your neighbour can enter into heaven because he has not accepted and received your negative seeds, for he has not thought or spoken the same or similar as you. However, if by your wrong behaviour you have set causes into motion in your neighbour that would not have had to come into effect in him, because he would have been able to clear them up later without pain and sorrow, then you are the one who bears the greater guilt and has to bear the part which you have caused to your neighbour.

If, therefore, you have to endure pain and sorrow, do not blame your neighbour for your condition. You yourself are the originator – and not your neighbour. Your pain and your sorrow are the seeds in your soul which have sprouted – and also show themselves in or on your body as harvest.

Only I, Christ, your Redeemer, can free you from this – and only when you repent and no longer do the same or something similar. Then the burden is taken away from your soul and things will be better for you.

Recognize: The one who recognizes his pain and his sorrow as his own seed and accepts his suffering shows true inner greatness. This is a sign of spiritual growth; spiritual growth gradually leads to perfection.

The pure being is perfect; it is the image of the Father-Mother-God. It lives in God, and God lives through the pure being.

Blessed are those who are pure in heart; for they will behold God – because they have again become images of the heavenly Father. Meekness and humility stream from a pure, devout heart.

I, Christ, the Redeemer of mankind, lead the ever growing people of God on Earth towards inner purity. The people of God consists [1989] of men and women who resolutely walk the path of love within, and thus follow Me, Christ, the one and only Shepherd. Not all of them will incarnate again in the generations to come, but many will live in the Spirit of love and will work in the Spirit for the great whole and for the Kingdom of Peace of Jesus Christ.

Oh recognize, you who live in the Kingdom of Peace: Many of you were there already as human beings, in the time of the pioneers. And as pioneers, many a one of you maintained the unity in God with the pioneers and walked, together with them, the path within. By so doing, you laid aside much humanness, whereby your souls became more and more imbued with the light of truth. Upon discarnating, your souls then took this light of truth into the higher planes of light. From there, you then returned with the light of truth, in order to live and be active in the earthly garment, in the Kingdom of Peace of Jesus Christ.

The light of truth now radiates once more through your new earthly bodies. In this earthly existence you are now fulfilling what you acquired in previous existences: light of My light and power of My power – the law of life. Filled with the Spirit of God, your soul is now active, through its new earthly garment, in the Kingdom of Peace of Jesus Christ, in which I Am the ruler and the life.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

NOTE: Where it is purported that information and comments are provided by Jesus / Jeshua, that may be not so. The information being provided could possibly be by a spirit purporting to be Jeshua, however, the information is extraordinarily profound. Trust your feelings.

Messages from Jesus are typically conveyed via authorised Celestial Spirits. Jesus has communicated directly only through James Padgett and James Moncrief. Mary Magdalene has only communicated directly through James Moncrief.

Crossover

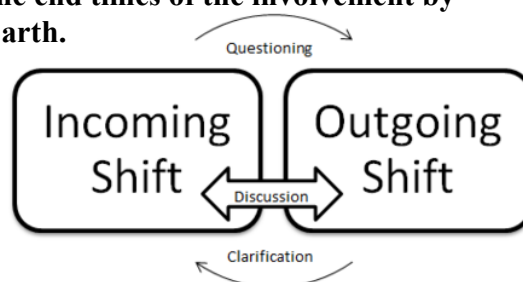

This time, in the history of humanity, is the most exciting time ever experienced.

the Handover

This is the time that man is now able to evolve in its spiritual development. Man has endured 200,000 years of Rebellion and compounded this with the Default of some 38,000 years, now it has been provided with the guidance to put aside the negativities of the Rebellion and Default.

With the guidance that was provided through James Padgett (1914 through to 1923), man became again aware of the availability of Divine Love from our Heavenly Parents. This also heralded the handover. That is, the commencement of the end times of the involvement by Mary and Jesus in the spiritual affairs of humanity on Earth.

Soul groups that have been in place during Mary and Jesus' 2,000 year involvement with Earth have progressively handed over to soul groups that have been forming since 100 years ago. The older soul groups have mostly progressed on further towards Paradise.

The second revelation to follow from the availability of Divine Love is the processes of Feeling Healing and Soul Healing. These are being revealed through and by Marion and James Moncrief. Upon their completion of Soul Healing and upon their deaths they will release their Spirits of Truth which will unify with the Spirits of Truths of Mary and Jesus so that humanity, in whole, will have access to these knowings and guidance for the next 1,000 years.

Mary and Jesus, being responsible for the spiritual wellbeing and upliftment of the whole of Nebadon, are to withdraw from their direct involvement with Earth and hand over the responsibilities to an Avonal Pair who take individual responsibility for the spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds, in this case, Earth exclusively.

COUNCIL *of* ELDERS

For the next 1,000 years, via the Avonal Pair and the newly forming Soul Groups, Earth will be able to evolve through embracing Feeling Healing, and with Divine Love, one's Soul Healing. These newly formed Soul Groups are effectively 'Council of Elders' to assist humans living in the physical on Earth to enable all to be aware of the way to evolve.

With the absolute end of the Rebellion, this is the first time in 200,000 years that mankind, humanity, can take control of his and her destiny and evolve in love and truth for all eternity!

Throughout this coming era, our spiritual leaders will be an Avonal Pair, yet to be identified.

CHAPTER 26

Sermon on the Mount (Part 2)

The first steps on the Inner Path, a process of evolution into selflessness (2). Prayer as self-display or inspired prayer (4). Truly wise ones rest in themselves and do not argue (5). About the Lord's Prayer (6). Forgiving and asking for forgiveness; the justice and grace of God (7-9). The earthly death – The consciousness of the soul afterwards – The mourners – Re-embodiment – Bindings between human beings and souls – The correct attitude (10-11). Collecting treasures – The end of incarnations in the New Era (12-14). Worrying about oneself, planning with confidence in God – Correct way of praying and working – All Being is in God's keeping (15-18)

1. *"Take heed that you do not give your alms before people, in order to be seen by them. Otherwise you have no reward from your Father in heaven. When you give alms, you should not sound a trumpet before you, as the hypocrites do in the synagogues and in the streets, so that they may be praised by the people. Verily, I say to you, they already have their reward.*

2. *But when you give alms, do not let your left hand know what your right hand is doing, so that your alms remain secret; and the One who sees into the secret will publicly acknowledge it. (Chap. 26:1-2)*

I, Christ, explain, correct and deepen the word:

The Sermon on the Mount that is lived is the Inner Path to the heart of God. What a person does not do selflessly, he does for himself. Selflessness is the love for God. Self-interest is human love. The one who does good for his neighbour only when the latter thanks him for it and praises his good deeds has not done it for his neighbour, but for himself. The gratitude and the praise are then his reward. He is thus already rewarded and will receive no further reward from God. Only selflessness will be rewarded by God. Selflessness grows and matures only in the person who has taken the first steps towards the kingdom of the inner being, that is, who has actualized.

The first steps towards this are the examination and control of thoughts: Replace egocentric, negative, brooding or passionate thoughts with positive, helpful, joyful, noble thoughts and with thoughts about the good in a person and in all that you encounter. Then you will gradually bring your senses under control. You will then also want nothing more from your neighbour and will expect nothing more from him. In the further course of the Inner Path, you will speak only what is positive and essential. Thereby, you gain control over your human ego because you have learned to rest in yourself. Then your soul becomes more and more light-filled and you find in everything that comes towards you the good that you are then able to address and express in the right way. If you have learned this, then you will also address negative matters lawfully. In this way, uprightness and honesty awaken in you and you remain faithful to God in all things.

This spiritual evolutionary process towards selflessness is the Inner Path to the heart of God. Everything that you do out of selflessness brings you manifold fruits.

Therefore, if your sensations are without expectations and your thoughts are noble and good, then the power of God is in your words and in your deeds. This power is My energy of life. It goes into the soul

of your neighbour and causes your neighbour to also become selfless. For, sooner or later, what goes out of your light-filled soul enters your neighbour's soul and his nature, too, depending on when he opens himself for it.

The one who gives selflessly does not care whether his neighbour knows what he has given. The selfless person gives. He knows that God, the eternal Father, sees into the heart of all His children and that the Eternal, whose Spirit dwells in every human being, rewards the selfless one when the time for this has come. This alone is important.

Recognize: All good works, that is, selfless ones, become manifest in good time, so that those who should see them may recognize them, in order that they, too, become selfless, in that they, too, accept and strive for the life in Me, and do what I have commanded them: to love one another selflessly, as I, the Christ, love them.

3. And when you pray, you should not be like the hypocrites who like to pray in the synagogues and on the corners of the streets, so that they may be seen by the people. Verily, I say to you, they already have their reward.

4. But when you pray, go into your chamber and when you have shut the door, pray to your heavenly Father who is hidden away; and the hidden One, who sees into that which is hidden, will publicly acknowledge it. (Chap. 26:3-4)

I, Christ, explain, correct and deepen the word:

When you pray, withdraw into a quiet chamber and immerse deeply into your inner being; for the Spirit of the Father, whose temple you are, dwells in you.

If you pray just to be seen or so that your neighbour may think you are pious and devout, then I say to you that this is not devoutness, but false piety; it is hypocrisy. Such externalized prayers are without power. The one who prays just from his lips or in order to be seen sins against the Holy Spirit, for he misuses holy words for his own self-interest.

Recognize: If you address God in prayer and do not fulfil in your life what you have prayed for, that is, if your prayers are only to display your ego and do not come from the depths of your soul and are not inspired by the love for God, then you sin against the Holy Spirit. And this is the greatest sin.

When your prayers do not flow selflessly from your heart, it would be better not to pray and to first become aware of your thoughts and human wishes and to gradually give them over to Me – so that the selfless love which is in you will grow and you will be able to pray from the heart. Then your prayers will be inspired more and more and imbued with the love for God and for your neighbour.

"... and the hidden One, who sees into what is hidden, will publicly acknowledge it" means that your thoughts of light and your power-filled prayers, which are inspired by the love for God, will one day bear fruit in this world. You will be allowed to recognize your seed of love and many will also recognize you as a source of love.

5. *And when you pray together, do not use empty repetitions, as the heathens do; for they think that they will be heard when they make many words. Therefore, you should not do the same as they; for your Father in heaven knows what you need before you ask . . . (Chap. 26:5)*

I, Christ, explain, correct and deepen the word:

Only the person who has actualized a little of the law of truth uses many words and empty, uninspired repetitions in prayer and in daily life.

The one who speaks much about the law of truth and of life, thus using many words for it, cannot fill them with power and life, because he himself is not filled with the law of God. Such words are egocentric and, for that reason, without love, even though they are chosen as if they were carried by love. Uninspired speech does not reach the innermost of your neighbour's soul, and therefore finds no echo in the person, in and through whom the love of God rules. The person who speaks without inspiration about the law of truth and of life, which he himself does not actualize, merely stimulates a person, who hears this and likewise is still directed to outer things, to engage in arguing.

Recognize: The one who argues about spiritual laws does not know the laws of God. Everyone who wants to argue is convinced that he knows better than his neighbour and wants to confirm this to himself. The one who argues only gives evidence of himself, namely, that he knows nothing and is uncertain. This is why he argues.

However, the one who has found the truth does not argue about the truth, not even about what belief is. The word "belief" also implies lack of knowledge: In the end, the person believes what he does not know or cannot prove. The one who believes in the truth has not yet found the eternal truth. Nor does he move in the stream of the eternal truth yet. Therefore, belief is still blindness.

However, the one who has found the eternal truth no longer has to believe in the truth – he knows the truth, because he moves in the stream of truth. This is the true wise man, who has raised the treasure of truth in himself. The true wise ones rest in themselves. This is inner confidence and stability. They do not argue about belief, because they have found their way from belief to wisdom, which is the truth.

Therefore, the one who only believes in God without knowing the depth of the eternal truth, the eternal law, uses many words about his belief.

Even in prayer, he will behave in a similar way: He uses many words, for he does not inspire his words with selfless love. He is of the opinion that with many words he is able to convince God or even persuade Him. He thinks he has to make himself understood before God, for he assumes that God could understand his prayers in a different way than what he meant. Heathens think and pray in a similar way.

Recognize: The deeper the person immerses himself into the divine wisdom, the fewer words he also uses in prayer. His prayers are short yet powerful, because the word radiates the power that is lived.

. . . Therefore, when you are gathered together you should pray in this manner:

6. Our Father, who are in heaven, hallowed be Your name. Your kingdom come. Your will be done on Earth, as it is in heaven. Give us day by day our daily bread and the fruit of the living vine. And as You forgive us our sins, so may we also forgive the sins of others. Leave us not in temptation. Deliver us from evil. For Yours is the kingdom and the power and the glory in all eternity. Amen. (Chap. 26:5-6)

I, Christ, explain, correct and deepen the word:

The community prayer, the Lord's Prayer, is prayed with different words and contents, because every community prays it according to the love-potential of the community.

As Jesus of Nazareth, I taught the community prayer, the Lord's Prayer, in My mother tongue, that is, with other words, and thus with another content than as was prayed in later times and in other languages.

The words as such are unessential. What is important is that the person actualize what he prays. Then every word that comes out of his mouth is inspired with love, power and wisdom.

You should not pray according to the letter nor strive to pray, word for word, the Lord's Prayer which I taught My own. What is essential is that you inspire the words of your prayers with the love for the Eternal and for your neighbour, and that the contents of your prayers correspond to your life.

People who are filled by the eternal truth, the love and wisdom of God, will, in turn, pray in a way other than those who pray only because it was thus taught to them or because they belong to a denomination where the prayers are spoken according to the consciousness of the denomination.

People who are on the path to their divine origin pray freely, that is, with self-chosen words that are inspired with love and power.

People who live in My Spirit, who are imbued with the love and wisdom of God, who thus actualize the laws of God in their daily life will, above all, thank God for their life and for everything. They will praise and glorify Him and devote their life more and more to Him – in sensations, thoughts, words and deeds – because they have become life of His life.

People in the Spirit of the Lord live their prayer. This means that they fulfil the laws of the Eternal more and more and have themselves become the prayer, which is an adoration of God.

Therefore, the one who fulfils the will of God lives in adoration of God more and more. Such people not only keep the laws of God, but they have become the law of love and wisdom, for the most part.

In the maturing Kingdom of Peace of Jesus Christ, in which I Am the ruler and the life, the people will keep the law of God more and more. Many of them have become the law – and thus, God-men who personify the life, God, in all that they think, speak and do. Their prayers are the life in Me, the fulfilment of the eternal law. With their life, which is the law of God, they thank God for the life.

And so, the thanks to God is the life in God. Their life, which is a single act of giving thanks, streams into the Kingdom of Peace.

They pray according to the following words which they fulfil in daily life:

Our Father, Your Spirit is in us,
and we are in Your Spirit.
Hallowed is Your eternal name in us
and through us.
You are the Spirit of life,
You are our primordial Father.
We bear our eternal names from you.
You, eternal One, have given them to us
and have placed in our names the whole
fullness of infinity.
Our names, which You have breathed into us,
are the love and wisdom –
the fullness out of You,
the law in us and through us.
Our eternal kingdom is the infinity –
the power and the glory, in and from You.
We are heirs to the eternal kingdom.
Therefore, we are the kingdom itself,
the eternal home.
It is in us and is active through us.
Your infinite, glorious will is in us
and is active through us.
The power of Your will is our strength of will.
It is active within us and through us,
for we are spirit of Your Spirit.
Heaven is not space and time –
heaven and earth are one,
because we are united in You.
The love and power in us and through us
is our daily bread.
You, O eternal, glorious Father,
have brought forth in us everything
which vibrates in infinity.
Through us, You create
in heaven and on earth.
We are in You, and You prevail
in us and through us.
We are filled in Your Spirit,
for we are spirit
of Your Spirit.
We are rich in You,
for we live our heritage,
the infinity, out of You.
Our eternal heritage,

spirit of Your Spirit,
 brings forth what we need
 as human beings in the Kingdom of Peace.
 We live in You and from You.
 Life streams and gives itself.
 We live in the fullness of God,
 because we ourselves are the fullness.
 The earth is the heaven;
 and the Kingdom of Peace
 is the wealth of the earth,
 where we live and are –
 spirit of Your Spirit.
 We live in the inner kingdom –
 and yet are human beings who personify externally
 that which radiates in the inner being.
 Praised is the name of the Lord,
 He is the life in and through us.
 The name of God is the law of love
 and of freedom that is lived.
 Sin is transformed –
 The light is come.
 We live from His light
 and live in and from His Spirit,
 for we are spirit of
 His Spirit.
 In God everything has been cleared.
 His name has made everything pure.
 The glory of God be praised!
 The will, love and wisdom of God
 permeate the earth and the land.
 We ourselves are earth and land –
 will, love and wisdom.
 The goodness of God is within us –
 the good from God.
 We are in God and act out of God.
 The earth is the Lord's –
 it is the kingdom of love.
 It is active in us and through us.
 The life, the glory of the Father,
 is active in us and through us –
 from eternity to eternity.

In its essence, this glorification is the life of those who live in the Kingdom of Peace of Jesus Christ. They live in Me, the Christ, and I live through them; and together we live in the Father-Mother-God, and the Father lives through us from eternity to eternity.

7. *For if you forgive men their trespasses, your heavenly Father will also forgive you. But if you do not forgive men their trespasses, your Father in heaven will not forgive you your trespasses.*

8. *And when you fast, do not look downcast like the hypocrites. For they disguise their faces, in order to appear as men who fast. Verily, I say to you, they already have their reward.*

9. *And I say to you, you will never find the Kingdom of Heaven unless you protect yourself from the world and its evil ways. And you will never see the Father in heaven, unless you keep the Sabbath and cease your haste to gather riches. But when you fast, anoint your head and wash your face, so that you do not display yourself before the people with your fasting. And the holy One, who sees into that which is hidden, will publicly acknowledge it. (Chap. 26:7-9)*

I, Christ, explain, correct and deepen the word:

The commandment to forgive and ask for forgiveness holds true until all that is not in accordance with the eternal laws is atoned for and cleared up. The commandment to forgive and ask for forgiveness belongs to the law of sowing and reaping. It will be rescinded when all humanness has been expiated and every soul has become a pure, immaculate spirit being.

And so until then, the commandment holds true: Forgive and you will receive forgiveness. If you ask for forgiveness and your neighbour forgives you, then your Father in heaven has also forgiven you. But if you ask for forgiveness and your neighbour does not yet forgive you because he is not yet ready to do so, then your eternal Father will not forgive you either. The one who has sinned against his neighbour must also receive forgiveness from his neighbour. Only then does God take away the sin.

The eternally just One loves all His children – also those who do not yet have the strength to forgive. If He were to forgive only the one who caused a sin to be committed and were not to forgive the one who was led by him into sin and cannot yet forgive – where would the justice of God then be? Both of them can enter heaven only when their sins are cleared up.

For this reason, be careful of what goes out of your mouth and pay heed to your deeds, whether they are in accordance with the eternal law, that is, whether they are selfless! Something negative is said or done very quickly – but it can take a long time until it is forgiven.

If you have asked for forgiveness and your neighbour is not yet ready to forgive you, then the grace of God will become stronger in you; it will envelop you and carry you – however, He will not take away from you what has not yet been cleared up. The mercy of God will then become stronger in your neighbour, too, and, while taking into consideration his free will, will lead him in such a way that he may more promptly recognize his faults, repent and forgive you. Only when all those against whom you have sinned have forgiven you – that is, when everything has been cleared up – only then can you enter the heavens, because God will have then transformed all humanness into divine power.

God is omnipresent. Thus, He is also effective in the law of sowing and reaping. In everything negative is also the positive, God, the eternal law. When a person recognizes and repents his sins and faults, the positive powers will then become active in them and will strengthen the person, who has come to know his guilt, to clear up his sins with Christ's strength.

Recognize the law of God; it is eternal life from eternity to eternity – everything in all things: Everything is contained in everything, the smallest in the large and the large in the smallest; the strength to forgive is contained in the sin, and the ascent to the Inner Life, to the eternal Being, is contained in the power that is set free through forgiveness.

Therefore, the divine can also be effective in the negative when the person asks for forgiveness from his heart, forgives and sins no more. However, the person must take the first step towards the Inner Life.

Recognize that everything you do – be it praying, fasting or giving alms – if you do not do it selflessly, but to be seen by your fellow man, then you have already received your reward from the people. God will not reward you then. And if you fast only because you are overweight, you will not increase the Spirit of your Father in you. However, the person who moderately takes in nourishment in the name of the Most High and fasts from time to time, in order to relax and purify his body so that the power of God can maintain all cells and organs in the right way, is the one who sincerely practises accepting and receiving in himself the life from God, in order to live in this life. And at the same time, he will dedicate his life to God, the Eternal, in prayer, thus gradually becoming the prayer that is lived.

10. You should do likewise when you mourn for the dead and are sad, for your loss is their gain. Do not act like those who mourn before the people and make loud lamentation and rend their garments, so that others may see their sadness. For all souls are in the hands of God and all those who have done good will rest with their ancestors in the bosom of the Eternal.

11. Pray, rather, for their rest and ascent, and consider that they are in the land of rest, which the Eternal has prepared for them, and will receive just reward for their deeds, and do not murmur like hopeless people. (Chap. 26:10-11)

I, Christ, explain, correct and deepen the word:

The one who mourns for the dead is still far from eternal life, because he sees death as the end of life. He has not yet reached the resurrection in Me, the Christ. He is counted among the spiritually dead.

Do not mourn for your dead! For the one who mourns the loss of a person does not consider the gain of the soul, which – if it has lived in Me, the Christ – enters into higher consciousness spheres of life. For if their life in their earthly existence was in God, then it will also be in God in another form of existence.

Recognize that the temporal life, the life in the body, is not the life of the soul. The soul has taken on the flesh for just a short period of life, in order to clear up and settle in the temporal what it has inflicted upon itself in different earthly garments. The Earth is to be seen as a mere transit station in which the souls in earthly garment can clear up in a short time what they cannot overcome so quickly beyond the veils of consciousness – also called the walls of fog.

When a soul leaves its earthly garment, one cries just for the garment of the soul and thus does not think of the soul that has slipped out of the garment.

After laying aside its earthly body, a light-filled soul will be led by light-filled beings, invisible to man, into that plane of consciousness which corresponds to the way of thinking and living of the person in whom this soul was incarnated.

Recognize: Every soul which has left its body is drawn for some time to the people with whom it lived together as a human being. Should it learn that its former earthly relatives mourn for its shell, this is very painful for the soul. The soul which is still close to Earth recognises very well why its relatives grieve only over its human shell and why it is ignored as a soul by the mourners. A soul which has to recognize this then feels the first deep soul-pain after laying aside its physical body; for it becomes aware of why the person mourns instead of thinking of it with love and unity. With this, it perceives many a self-interested thought from its former earthly relatives. It cannot draw their attention to itself, because it is not perceived by them. What it says the person does not hear, and what it can see he does not see. But the soul perceives a lot.

I encourage you to think about this: Do you grieve when the snake sheds its skin, when it leaves its skin behind and slithers away?

It is similar with the soul. It leaves its perishable body, its shell, and travels on. Therefore, you are grieving over the loss of the shell, not thinking of the soul. The person who thinks of the soul thanks God who called the soul back to His bosom, if the soul used its life in God, in the earthly garment, and thereby came closer to Him. Remember that for a light-filled soul, putting aside the body is a gain.

And if you mourn the loss of a person just in front of people, you are playing the hypocrite. In reality, you think neither of the person nor of the soul. You think only of yourself. The soul which registers this recognizes that it has not been loved selflessly, that possibly it was there just for its neighbour's self-interest.

Many souls have to recognize that, while in the earthly garment, their earthly relatives and acquaintances lived through them. This means that, as human beings, they could not develop themselves and live according to their own characteristics, because they had to do the will of those who demanded of them what was to their own advantage. Many of these souls perceive what they missed in their earthly existence and, for this reason, return once more into the earthly existence. Through the veils of consciousness, they return to the Earth and, as souls, stay again among those who had lived through them. Still others seek to live on Earth what they were unable to develop as human beings.

As long as people are bound to people or things – like possessions, wealth and power – their souls return to Earth and slip once more into new earthly garments. There are manifold causes and reasons for souls to reincarnate. If a soul recognizes, for example, that it is chained to its relatives through sin, then it often becomes resigned and gives in to the wish to take on a new body. Inspired by this wish, it lives on the plane of consciousness that corresponds to its spiritual condition and is taught there. Among other things, it is made to understand the pros and cons of a new incarnation. It then goes into incarnation when the stars in which its pros and cons are stored – and thereby, also its pathway to Earth – show the way to matter and when on Earth an earthly body is conceived which corresponds to its spiritual level of consciousness. It then slips into this human shell at its birth.

The man who begot the body and the woman in whom the embryo grew attracted that soul with which they still have something to clear up together – or in order to walk the path of the Lord together, in selfless service to their neighbour.

The person should not look just to his body, but above all to the incarnated being within him and should strive to do the will of God and not to allow the human will of a second or third person to be imposed upon him.

Recognize: Even if you say, "I do the will of my neighbour, in order to keep outer peace", you prevent your soul and also your neighbour's soul from developing and unfolding as it is good for both. You prevent yourselves and your neighbour from fulfilling the tasks which your souls have brought with them into the earthly existence: to purify themselves and to free themselves from the burden of sin, which perhaps was brought along into this incarnation from previous incarnations. The one who allows his fellow man to lead him by the nose – thus doing what others say although he recognizes that this is not his way – is lived and his own actual earthly existence passes him by. He does not use the days; he is used by those to whom he is servile and therefore does not know his own path over this Earth as a human being.

The one who binds his fellow man, by forcing his will upon him, is comparable to a vampire who sucks the energy from his fellow man. He does not know himself and at the same time ties himself to his victim – and vice versa, the victim who lets himself be drained also ties himself to him. Both will be brought together again, in one of their lives, either in earthly garment or as souls in the spheres beyond – and this, so often and so long, until the one has forgiven the other.

If two people tie themselves to each other – no matter whether the one has done the binding or let himself be bound – both of them have burdened themselves and both must clear things up together, so that love and unity can be re-established between them.

No one can say, "I did not know about the laws of life." I say to you that Moses brought you excerpts from the eternal laws, the Ten Commandments. And if you keep these, then you will not tie yourselves to each other, but will live in peace with one another.

Recognize: Only love and unity among one another show souls and men the pathways to the higher life.

God, the eternally gracious One, offers His hand to each soul and to each person. The one who takes it uses his earthly life. He treasures the days and is also able to live them according to the commandments, by clearing up what the day shows him. As soul, he will one day walk and rest in God, together with all those who likewise have used their earthly existence in that they have, day after day, recognized and overcome with Me, the Christ, what the day brought them and showed them – joy and suffering.

And when you do not mourn the mortal shell which your neighbour has laid aside, for your own sake, but rejoice in spirit that the soul in earthly garment has recognized its spiritual life and has prepared itself for it, then you will pray joyfully for your neighbour to the Father, through Me, the Christ. You will send powers of love to the soul that is now nearer to God, so that it goes on to higher planes in order to unite with God more and more.

The soul feels the joy and suffering of its relatives. The souls which have passed away in Me, the Christ, feel linked through Me, Christ, with all those who still walk in the earthly garment. The joy of the soul for being remembered with love by its relatives fills it with strength.

Recognize: Selfless, loving prayers give power and strength to the soul which walks on its path towards the divine. It feels the unity in your selfless prayers and receives increased strength. Through this, it will more quickly lay aside the humanness which still clings to it and thus become free for Him, who is freedom and love – God, the life. The reward from God is great for each soul which earnestly strives to fulfil the will of God.

Recognize: Only the one who merely speaks about his faith, but does not live what he appears to believe in, is without hope. In the last analysis, the doubter does not believe in what he pretends to believe. Hopelessness develops from this.

12. You should also not gather for yourselves treasures on Earth, which the moths and rust consume and which thieves dig up and steal. But gather for yourselves treasures in heaven, where neither moths nor rust consume them and where thieves neither dig up nor steal. For where your treasure is, there is also your heart.

13. The eyes are the lamps of the body. So if you see clearly, your whole body will be full of light. But if your eyes are lacking or if they are dull, your whole body will be dark. Now if the light that is in you is darkness, how great the darkness will be!

14. No one can serve two masters. Either he will hate the one and love the other, or he will be devoted to the one and despise the other. You cannot serve God and the mammon at the same time. (Chap. 26:12-14)

I, Christ, explain, correct and deepen the word:

Only the person who does not believe in God, in His love, wisdom and goodness, collects treasures on Earth. Many people pretend to believe in God; however, you will recognize them by their works. Many people speak about the love and the works of God – by their deeds alone, you will recognize them.

Many people speak about the inner kingdom and about the inner wealth, and yet gather in the barns for themselves personally and accumulate worldly riches for themselves personally, in order to be held in high esteem by the people.

The one who is concerned only about his personal well-being does not yet sense the bird of prey which has already raised its wings in order to destroy the nest and steal the wealth which the rich man, the builder of the nest, calls his personal property.

However, the one who strives first for the Kingdom of God gathers inner values, inner treasures. He will also receive all that he needs and beyond that in the temporal.

The one who is rich in his inner being will not live in want externally. But the one who is externally rich and hoards riches will live in want some day. Treasures will be taken away from the one who

accumulates these on Earth, so that he may reflect upon the treasure of the inner being and enter into the life, into the inner wealth.

The soul will lack divine light until it first strives for the Kingdom of God. And as long as it is still possible on Earth, a light-poor soul will again incarnate into a light-poor body and will possibly live in poverty among the poor. The recognition will come that the treasure, the wealth, is in God alone.

The one whose heart is with God will be rich in inner values and will enter into the Kingdom of Peace.

I, Christ, give you a criterion, so that you may recognize where you stand – either in the light or in the shadow, "For where your treasure is, there is also your heart," and there your soul will be one day.

Take heed: The one who reads these words and stands at the turning-point of the old to the New Era should hasten, so that he can still find his spiritual life! For when the New Era, the era of Christ, is manifest over the whole Earth and the Inner Life is lived, there will no longer be incarnations for those who strive for outer values. Then, too, there will be no more incarnations for the worldly rich, so that they may atone, as the poorest among the poor, for what they neglected to do as the rich.

When the Kingdom of Peace of Jesus Christ has taken further evolutionary steps, there will be neither poor nor rich. All people will then be rich in My Spirit, for they will have opened up the inner kingdom. They will also live accordingly on the new Earth, under another heaven.

Therefore, be prepared to serve God and your fellow man, too, out of love for God.

Recognize: No one can serve two masters, God and mammon. Only selfless love unites all people and nations. Both the human being on Earth and the soul in the spheres of purification will one day be led to the decision: to serve God or mammon, to be for God or against God. There is nothing in between: either for God, or for the satanic.

15. Therefore, I say to you: Do not be anxious for your life, what you will eat and drink; not even for your body, for what you will put on. Is not life more than food and the body more than clothing? And what shall it profit a man, if he would gain the whole world but lose his life?

16. Look at the birds in the air: they neither sow nor reap, nor gather into barns, and yet your heavenly Father nourishes them. Are you not looked after much better than they? But who among you could add one cubit to his life span, if he wanted to? And why are you so concerned about your clothing? Consider the lilies of the field, how they grow; they neither toil nor spin. And yet, I say to you, even Solomon in all his splendour and glory was not arrayed like one of these.

17. But if God so clothes the grass of the field, which today is alive and tomorrow is burnt in the oven, why should He not much more clothe you, O you men of little faith?

18. Therefore, you should not be anxious and ask: What will we eat? What will we drink? or: What will we wear? (As the Gentiles do.) For your heavenly Father knows that you need all that. But seek first the Kingdom of God and His righteousness, and all these things will be added to you. Therefore, do not be concerned about the evil of tomorrow. It is enough that each day has its own evil." (Chap. 26:15-18)

I, Christ, explain, correct and deepen the word:

The person who worries about his personal life, about his well-being – for example, what he will eat and drink or clothe himself with tomorrow – is a poor planner; for he thus thinks only about himself, about his own well-being and about his property. Thus, at the same time, he also plans in his pain and woe.

On the other hand, the one who fulfils the will of God is a good planner. He will plan both his days and his future. However, he knows that his planning is only a guideline that rests in the hands of God.

He lays his plan in the hands of God, works with the powers of God and lets himself be guided by God during the events of the day. For he knows that God is the all-knowing Spirit and the wealth of his soul. The one who entrusts himself to God, who places his day's work in the light of God and who fulfils the law "pray and work" will receive his just reward. He will have everything that he needs.

If God, the Eternal, adorns nature and clothes the lilies of the field, how much more will He feed and clothe His child who fulfils His will! Therefore, do not worry about tomorrow, but plan and commit your plan to the will of God – and God, who knows your plan, will fulfil for you what is good for you.

I give you an example: A good architect will carefully plan a house and pay attention to all the details. When he has finished his plan, he will check it once more and will then submit it to the builder for examination. If the latter agrees to the plan, then the workmen will work according to the plan. The architect and the builder will supervise the execution of the plan and will interfere only when something does not conform with the planning.

You should conduct your life in a similar way. Plan each day and plan well. Allow yourself some time for contemplation, too, in which you find inner stillness and can, again and again, think over your life and your planning. With His will, God will also permeate a carefully made plan of the day that has been placed in His will. The one who carries out his plan in this way need not worry about tomorrow. His belief in the guidance of God consists of positive thoughts; from these emerge positive words and law-abiding actions. Positive thoughts, words and actions are the best tools, because the will of God is active in them. This means that the will of God, His Spirit, works in every positive thought, in every selfless word, in every selfless gesture and deed. God will give the good planner all that he needs and beyond that.

Only the one who does not entrust himself to God, who lets the days slip by and does not use them, worries about tomorrow. The person who leads a carefree life and then blames his neighbour when he fails in many things, when he is sick, when he goes hungry, when he cannot acquire what he needs for his daily life – is no good planner. He is an anxious and egocentric person who attracts what he does not want and what he fears. The person who does not plan the hours, days and months with God's help and does not place his plan and himself in the will of God cannot be guided by God. Only the one who entrusts his daily work to God and conscientiously fulfils the commandment "pray and work" can be guided by God and is fulfilled by Him – he is filled with love, wisdom and power. This means that his vessel, his life, is filled with trust and faith in God.

People in the Spirit of God will not live in want. They are good planners, they are strong in faith and work with the powers of the Spirit. Only the anxious person is concerned about himself, about his small

ego. He worries about tomorrow, because he is not steadfast in God and does not believe in the wisdom and love of God. With this, he unconsciously opens the barn for the thieves who come and steal. He will lose what he has taken and hoarded for himself personally.

Man receives food, shelter and clothing from the hands of God. The one who places his life, his thinking and his work in the hands of God does not need to worry about tomorrow. He will have what he needs today, tomorrow and in the future – and beyond that.

Thus, the one who lives in the inner kingdom will not live in want externally either. But the one who is poor in his inner being will live in want externally. If today he lives in the outer and increases worldly wealth for himself and keeps it for himself personally, then he is poor in his inner being and will live in want, that is, will be poor in another earthly garment.

Therefore, strive first for the Kingdom of God and His justice, then everything you need, and beyond that, will be given to you by God. Look at the birds of the air. They do not sow or reap, nor gather into barns; and yet your heavenly Father feeds them. "Consider the lilies of the field, how they grow; they neither toil nor spin." Nature in all its diversity is clad more beautifully than the richest of the rich. The one who thinks only about his well-being and his full barns will earn his bread by the sweat of his brow, either in this earthly existence or in another incarnation – as long as this is still possible.

True "praying and working" means working for oneself and for the common good. Recognize: The lilies of the field – yes, all of nature – are there for all people and give themselves to them in the most manifold ways. The one who is able to grasp and appreciate this will not have to earn his bread by the sweat of his brow. He will fulfil the law "pray and work" – for himself and for his neighbours.

And when it is written, "they neither toil nor spin", this means that man should not think solely of himself nor work only to gain profit for himself alone, in order to adorn himself and display himself.

Recognize: All Being is in the care of God. Animals, trees, plants, grasses and stones are in the care of God. They are in the life of evolution which is guided by the eternal Creator-God. Since all life comes from God, the animals, trees, plants, grasses and stones also feel. They experience within themselves the Creator's power of evolution that vivifies them and leads them to further unfoldment in the cycle of the divine aeons. The power of creation, the eternal Being, gives the nature kingdoms what they need. The gifts of life flow to the forms of life to the same extent as these are spiritually developed.

The eternal Father thinks of every blade of grass. How much more does the Eternal think of His children who have already developed in themselves the evolutionary steps of the mineral, plant and animal kingdoms! The children of God bear in themselves the microcosm from the macrocosm and are thus in communication with all of infinity.

But how poor is the person who worries about tomorrow. He himself shows that he has not yet mastered yesterday, as he is not able to live in today, in the present, that is, in God.

The inner being of man, the pure being, is the essence of infinity. The person who grasps this, as a human being, looks within and unfolds the laws of life, so that he may perceive everything external in the light of the truth.

Recognize: Infinity serves the person who thinks and lives in an all-encompassing way – that is, without limitation. People in the Spirit of love are not self-centred, but are all-conscious. They are in constant communication with the divine powers in all Being. Whatever they do, they do from within, with the power of love. They plan and work according to the commandment "pray and work" and do not waste the day. They know the preciousness of the day, of the hours and of the minutes and make use of the time.

Therefore, the one who really lives does not worry about tomorrow; he receives already today what he will have tomorrow. For the one who lives in God will not be in want, neither today nor tomorrow. But the one who remains anxious and clings to his possessions will be poor tomorrow.

However, the one who sees himself as a cosmic being, who fulfils the will of God fully, acquires wisdom and strength. The life of the person who is filled with love and wisdom is imbued with the power of God. He will not lack anything. But the one who worries about tomorrow and sees the future as gloomy attracts evil; he will have his burden every day.

Therefore, do not think anxiously about tomorrow! Plan with the power of God – and let the Eternal work through you. Then your thoughts are positive magnets that attract, in their turn, what is positive and constructive. For thoughts, words and deeds are magnets. According to their kind, they again attract the same or something similar.

NOTE: Where it is purported that information and comments are provided by Jesus / Jeshua, that may be not so. The information being provided could possibly be by a spirit purporting to be Jeshua, however, the information is extraordinarily profound. Trust your feelings. Such a spirit communication of this nature is usually a Celestial with authority to convey such information.

The 'Sermon on the Mount' actually is the bringing together of a series of talks given by Jesus of Nazareth at several locations now being presented as a single teaching.

Immortality with the Love.

CHAPTER 27

Sermon on the Mount (Part 3)

Your negative thoughts, words and deeds are your own judges (1). Splinter and beam – The need for self-recognition (2). Missionizing is wanting to convince – Live the truth and be an example (3). Asking, seeking, knocking; the inner gate does not open for the intellect (4). What you demand of your neighbour is what you yourself do not possess in your heart; an attitude of expectation leads to binding (6). The fight on the narrow path to life (7). Distinguishing between good and bad fruits (8-9). Take in the word of life with your heart – "This Is My Word": a work of life and of love (13)

1. *"Do not judge, so that you will not be judged. For you will be judged in the same way you judge others; and with whatever measure you measure, you will be measured again in turn. And as you do to others, so will it be done to you. (Chap. 27:1)*

I, Christ, explain, correct and deepen the word:

You have read that thoughts, words and deeds are magnets. The one who judges and condemns his neighbour in thoughts and with words will experience the same or similar things on himself.

Recognize that your negative thoughts, words and deeds are your own judges. "With whatever measure you measure" – whether in thoughts or in words and actions – so will you yourself be measured. Just as you belittle your neighbour, in order to exalt yourself, so will you be valued: You will know and suffer your own worth. And if you say, "What the one has is sufficient for him – the other one should receive more", then one day you will possess only as much or even less than the one to whom you have conceded less: Just as you treat your neighbour in thoughts, words and deeds, so will you yourself fare some day.

2. *How is it that you see the splinter in your brother's eye and are not aware of the beam in your own eye? Or how can you say to your brother that you want to take the splinter out of his eye? And see, a beam is in your eye. You hypocrite, first take the beam out of your own eye; only then will you see clearly, in order to be able to take the splinter out of your brother's eye. (Chap. 27:2)*

I, Christ, explain, correct and deepen the word:

Only the person who is not aware of the beam in his own eye talks constantly about the splinter in his neighbour's eye. Only the one who does not know his own way of thinking and living busies himself with trying to extricate the splinter from the eye of his brother. The one who does not know himself nor his beam – the sins in his soul which are reflected in his own eyes – has no eye for the truth. His eye is clouded by sin. Thus, he sees in his neighbour just what he himself still is: a sinner. Only the one who works on the beam in his own eye perceives more and more clearly. Then he will be able to recognize the splinter in his brother's eye more and more clearly and, in accordance with the law of love for one's neighbour, will help him to remove it.

Therefore, the one who speaks negatively about his fellow men, who belittles and slanders them, does not know his own faults.

You should recognize them by their fruits. Each one shows who he is, that is, his fruit. The one who becomes upset about his fellow men and makes fun of them shows who he truly is.

The one who first discards his own faults is also able to help his neighbour. This is why each one who speaks adversely about his brother's faults – and in so doing does not notice the beam in his own eye – is a hypocrite.

3. You should not give what is holy to the dogs nor cast your pearls before the swine, lest they trample them with their feet, turn round and rend you. (Chap. 27:3)

I, Christ, explain, correct and deepen the word:

Going with the words of truth from place to place, from house to house, using your skills to persuade and convince and missionizing to every one you get hold of is not in accordance with the eternal law of free will. For that would mean that you do not hold the truth sacred, and do as is figuratively written, "You should not give what is holy to the dogs nor cast your pearls before the swine." This means, you should not force the word of God upon your neighbour. The person who thinks that his neighbour should believe and accept what he thinks he is convinced of still has doubt himself and questions his own belief.

To missionize means to want to convince. The one who wants to convince is himself not convinced in his own inner being of what he extols.

So, be good examples in your belief and not those who missionize. You can offer the content of your faith and leave everyone the option, to believe in it or not, whether he wants to go along with you or not.

The freedom in God is an aspect of the eternal law. When your neighbour approaches you of his own free will and asks you about your belief, he is taking the first step towards you; and the one who is firm in his faith will then go towards his neighbour and answer him.

The one who is in divine communication with his neighbour will not tie him to his belief – but will communicate to him only as much as he himself has recognized and actualized. Only the person who has developed little selfless love wants to tie his neighbour to his belief.

Therefore, beware of the overly zealous ones who want to convince you of their belief. Offer the eternal truth in spoken and written word – and live accordingly yourselves; then those who have recognized the life in themselves will approach you.

4. Ask, and it will be given to you; seek, and you will find. Knock, and it will be opened to you; for every one who asks will receive and the one who seeks will find, and to those who knock it will be opened. (Chap. 27:4)

I, Christ, explain, correct and deepen the word:

Only the person who has not yet entered into his inner being, into the kingdom of love, asks, seeks and knocks at the gate to the Inner Life. The Kingdom of God is in the soul of every person.

The first step on the path to Inner Life, on the way to the gate of salvation, is to ask God for help and support. The next step is to search for the love and justice of God. The pilgrim finds the life, the love and justice of God in the commandments of life, which are signposts on the way within.

A further step is to knock at the inner door, in the little chamber of one's own heart. This gate to the heart of God opens itself only to the one who has sincerely prayed, searched and knocked. The inner gate does not open to the intellectual who seeks only outer values and ideals. The doubters will not be received either.

Therefore, the one who asks, seeks and knocks must do it out of love for God and not in order to test the love of God.

Recognize that the person who just wants to test whether the love of God really exists will himself be put to the test very soon. The gate of the heart is open to the one who lives in God. He need not ask anymore; he has already received, for God knows His children. The one who has entered into the heart of God has already received in his soul. This means that the fullness from God shines more intensively in his soul and radiates through him, through the person. The one who has entered into his inner being no longer needs to seek – he is at home in the kingdom of the inner being. And the one who consciously dwells there no longer needs to knock; he has already entered and lives in God, and God lives through him.

Only those will ask, seek and knock who still stand on the outside and do not yet know that, deep within their soul, they bear what makes them truly rich: the love and wisdom of God.

5. *Which man among you here gives a stone when his child asks for bread, or a serpent when he asks for a fish? If you, who are evil, can nevertheless give good gifts to your children, how much more will your Father in heaven give good things to those who ask Him.*

6. *Whatever you want that people should do to you, do it likewise to them, and whatever you do not want them to do to you, do not do it to them either; for this is the law and the prophets. (Chap. 27:5-6)*

I, Christ, explain, correct and deepen the word:

Recognize that you should not demand from your fellow man what you yourself are not willing to give.

When you expect your neighbour to do something for you, ask yourself the question: Why do you not do it yourself? The person who expects, for example, money and property from his neighbour, so that, in his laziness, he himself will not have to work, or the person who expects faithfulness from his neighbour while he himself is not faithful, or the one who wants to be accepted and received by his neighbour, yet neither accepts nor receives his fellow man – is selfish and poor in spirit.

Whatever you demand of your neighbour is what you yourself do not have in your heart.

It is unlawful – out of an attitude of expectation – to force one's fellow man into acts, statements or ways of behaving, which one, of oneself, would not be willing to do.

If you have recognized your expectant attitude in wanting something from your neighbour, turn back quickly and first do yourself what you demand of your neighbour.

All coercion is pressure, which produces in turn coercion and counter-pressure. Through such extortionary behaviour towards your fellow man, you tie yourself to him and make of yourself – as well as of the one who lets himself be blackmailed – a slave to a baser nature. Coercive methods such as: "I expect of you and you expect of me – each gives the other what the other demands" lead to binding.

What is bound has no place in heaven. Both the persons tied to one another will meet again one day, either in the fine-material life or in further incarnations.

This form of binding does not apply to one's place of work. When, in your professional life, you have freely taken a position in a certain field of work, and the responsible person gives you duties that you should carry out within the framework of your job, you have already given your consent to that upon joining the enterprise. You have freely taken your place in the field of work and on the work team, in order to do what is assigned to you. Thus, when you choose a job, you should also carry out what is assigned to you in accordance with the field of work you yourself have chosen. The statement "Whatever you want that people should do to you, do it likewise to them ..." therefore, does not apply to a self-chosen profession or field of work.

"Whatever you do not want them [the people] to do to you, do not do it to them either" means: If you do not want to be laughed at and ridiculed, or do not want to be robbed or lied to, or do not want to be deprived of your belongings, or do not want to be led by the nose, or do not want to be robbed of your free will, or do not want to be beaten or insulted, then do not do that to your fellow man. For what you do to the least of your brothers, that you do to Me – and to yourself. What you do not want to be done to you, you should not do to any of your neighbours either – for everything that comes from you returns to you. Therefore, examine your thoughts and guard your tongue!

7. Enter by the strait gate. For narrow is the path and strait is the gate that lead to life, and few are those who find them. But wide is the gate and broad is the road that lead to ruin, and there are many who walk on it. (Chap. 27:7)

I, Christ, explain, correct and deepen the word:

"... narrow is the path and strait is the gate that lead to life" means that the darkling presents himself to every one who endeavours to walk the narrow path to life and shows him – as he did to Me, as Jesus of Nazareth – the treasures and comforts of this world. The satanic should be resisted and opposed every day anew. The one who is not watchful will be servile to him.

Recognize that every person who takes the first steps towards the life first feels confined and restricted, until he has finally made a decision. For he should now cease to do the human things which he thought and did until now.

The first steps lead into the unknown – they are called belief and trust. Until the first steps are taken, the path to life is strait and narrow. The first hurdles that should be overcome on the path to the heart of God are called: Change your way of thinking and cease your old human habits! Repent, forgive, ask for

forgiveness and do not sin anymore! For every individual this means a personal effort and a readjustment of everything that was customary to him up until then.

However, the one who perseveres with My strength will leave the narrow path and reach the great road of light into the kingdom of the inner being, on which he will strive towards the gate to absoluteness, to the life in God, together with those who journey into the light.

Man is tested every day: for or against God.

The one who decides against Me, by keeping all human comforts and everything that makes him human, will not be led into temptation on the wide dark street, since he has sold himself to the tempter. Many, indeed, take this road to ruin. They are not tested like the ones who walk the narrow path to life.

The one who has sold himself to the tempter thereby also gives his unrestricted assent to what he has to harvest on account of his seed.

8. *Beware of false prophets, who come to you in sheep's clothing, but are inwardly ravenous wolves. You will know them by their fruits. Can one gather grapes from thorns or figs from thistles?*

9. *Likewise, every good tree brings forth good fruit, but a bad tree brings forth bad fruit. Every tree that does not bring forth good fruit is only fit to be cut down and thrown into the fire. Therefore, you should distinguish the good from the bad by their fruits. (Chap. 27:8-9)*

I, Christ, explain, correct and deepen the word:

At the end of the days of materialism, of the "time of avarice and greed", many false prophets will appear. They will talk much about the love of God – and yet their works are works of men. Not the one who speaks of the love of God is a true prophet and a spiritually wise man, but only the one whose works are good.

Only the person who first examines his own attitude has the gift to discern whether he himself truly believes in the gospel of selfless love and also fulfils what is meant by the gospel, and what he himself has already actualized in selfless love towards his neighbour.

You can recognize your fellow man and sense the difference between the good, the less good and the bad, only when you have attained a certain degree of spiritual maturity.

The one who still condemns his neighbours and thinks and speaks negatively about them cannot yet value his fellow man. He lacks the gift of discernment. He only passes judgement and does not look more deeply.

If you yourself are still a bad fruit, how can you recognize the good fruit? The one who does not actualize the laws of God therefore lacks the gift to differentiate between what is good, less good and bad.

And so, the one who wants to judge his neighbour should first examine himself to see whether he possesses the gift to differentiate between the just and the unjust.

A good fruit can be discarded very quickly and the bad one approved when the rotten fruit makes a show of itself with much talking and acts with a lot of seemingly convincing words and gestures.

Recognize: Like attracts like. The rotten fruits are closer than the good fruits to the one who is himself still a rotten fruit. But the one who is selfless is a good fruit and the good, the selfless, is also close to him.

The one who is selfless also has the gift to differentiate between the good, the less good and the bad fruits. And so, the one who wants to differentiate between the good and bad fruits must first be a good fruit himself. Only the good fruit can recognize the bad. The bad fruit seeks like-minded bad fruits again and again, in order to act against the good ones. The bad fruits condemn, discard, judge and bind.

The good, ripe fruits are understanding, benevolent and tolerant, and are kind towards their neighbour. They do address the wrongs, but they keep their neighbour in their heart. This means that they no longer judge, condemn or convict.

I repeat: You shall recognize them by their fruits.

The good fruit knows the bad fruit, yet the bad fruit does not recognize the good fruit. The good fruit looks only upon the good, the bad fruit only upon the bad. The human being thinks, speaks and acts accordingly.

10. Not all who say to Me: Lord! Lord! will enter the Kingdom of Heaven, but those who do the will of My Father who is in heaven. Many will say to Me on that day: Lord, Lord, have we not prophesied in Your name? Have we not cast out devils in Your name? Have we not done many wonderful works in Your name? Then I will declare to them: I have never known you; depart from Me, you evil-doers. (Chap. 27:10)

I, Christ, explain, correct and deepen the word:

The one who only calls on My name and does not fulfil the will of My Father is poor in spirit, despite his seemingly spiritually effective speech and his seemingly courteous words, and will not enter into the Kingdom of Heaven.

But the one who accomplishes selfless deeds without expecting reward or acknowledgement is the one who does the will of My Father, for he acts as he thinks and speaks.

Selfless deeds result only from God-filled sensations and thoughts. If a person's thoughts are impure, then his words are insipid and his deeds egocentric.

Recognize that the one who appears to speak out of the I Am, that is, who seems to speak My word and appears to accomplish deeds in My name and lives well from this, has already received his reward. He will receive no further reward in heaven. The one who does selfless works of love and works for his earthly bread will receive the just reward in heaven.

Recognize that the spiritual bread is the spiritual nourishment for the soul. The bread for the body should be earned according to the law of "pray and work".

The spiritual bread comes from the heavens and will be offered to those who keep the law of love and of life and also fulfil the commandment "pray and work".

God gives men the earthly food through the Earth. The fruits of the Earth require preparation through the work of the hands. And in this way, the worker is worthy of his wage.

Recognize the difference between the bread for the soul and the bread for the earthly body. Both do flow from one source; yet the one is spiritual and is offered to the soul, and the other is condensed substance, matter, and is given to the physical body. That which the great Spirit, God, gives man for his physical body requires human work; for example, it must be sown, cultivated, harvested and processed. For this, man should also be paid by man.

Only the one who does everything out of love for God and man will be received into the Kingdom of God.

11. Therefore, I compare the one who hears these words of Mine and follows them with a wise man who built his house solidly upon a rock. And the rain fell and the floods came and the winds blew about this house. And it did not fall in, for it was founded upon a rock.

12. And the one who hears these words of Mine and does not follow them should be compared with a foolish man who built his house upon sand. And the rain fell and the floods came and the winds blew and beat against that house and it fell in, and great was its collapse. But a city which is built solidly, walled solidly in a circle or on the top of a hill and founded upon a rock can never fall nor be hidden."

13. And it happened that when Jesus had ended these sayings, the people were astonished at His teaching. For He addressed the head and the heart when He taught and did not speak like the scribes who taught only by the authority of their office. (Chap. 27:11-13)

I, Christ, explain, correct and deepen the word:

The one who hears and follows My word develops his spiritual life. He founds his life on Me, the rock. He will then stand firm against all storms and floods. After this earthly life, his soul will consciously enter into the spiritual life and will be no stranger there, because the human being already lived in the kingdom of the inner being when on Earth.

The prophetic spirit is the fire in the prophet and in all enlightened ones. God did not and does not speak through them as those spoke "who taught only by the authority of their office". The prophets and enlightened ones spoke and speak with the full authority of the Eternal, the speaking God, whether people want to admit it or not.

It is written, "He addressed the head and the heart." What the intellect, the head, takes in is talked over and argued by the "head-thinkers". Despite this, many a tiny seed falls into their heart. The one who receives the word of life with his heart also moves it in his heart and causes the good seed, the life, to sprout immediately.

But the one who wants to grasp the word of God only with his intellect will have to later recognize – possibly only after some blows of fate – what he rejected by his suspicion and intellectual presumption. He will have to recognize that the seed, the word of God that was given from the horn of plenty of life through prophets and enlightened ones, would have spared him much.

The book "This Is My Word" will be valid all the way into the New Era, into the time of Christ. My life then, as Jesus of Nazareth, and My word as Christ today [1989] are the foundation.

The way I thought, taught and lived as Jesus of Nazareth will be a standard for the way of living and thinking of the people of the New Era in the Kingdom of Peace of Jesus Christ. In this way, I Am very close to them. They will greet Me in the spirit as their brother and will accept and receive Me as the ruler of the Kingdom of God on Earth.

This book is a work of love and of life. From it, the people in the Kingdom of Peace will also learn how I initiated and built up the Era of Light on Earth. They will learn that I worked through many faithful ones who fought and suffered with Me for the New Era. Thus, this book "This Is My Word" is a historic document. It will be read now – in the declining old world – as well as then – in the New Era which is rising up more and more.

The people will also recognize from it the fulfilment of the divine Mission of Redemption, which started with My work as Jesus of Nazareth and then as the Redeemer, as the Christ of God – and now as the builder of the New Era, in which I prepare My coming as the ruler of the Kingdom of Peace, in which I Am brother to those who live with Me and with the many whose hearts are pure in the brotherhood of Christ.

NOTE: Where it is purported that information and comments are provided by Jesus / Jeshua, that may be not so. The information being provided could possibly be by a spirit purporting to be Jeshua, however, the information is extraordinarily profound. Trust your feelings.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

WE ARRIVE DETUNED!

Our souls are a divine creation of our Heavenly Mother and Father. They could not be any other way! And are designed (such as how it has been for us) to begin incarnation in a Natural love condition reflecting the Natural love state of our world.

And we have also been provided with the opportunity to experience what is being ‘evil’, to live denying our Natural love, as seen through the denial of many of our feelings. So we here on planet Earth live on a world that has Rebelled (and then also Defaulted), of which there are only 37 within the local universe of Nebadon, consisting of 3.8 million physical worlds under the regency of Mary Magdalene and Jesus – the spiritual parents of truth of all of Nebadon! And we assassinated Jesus, and completely denied Mary not allowing her to have her say about the truth.

As a consequence, we are ‘detuned’ from our Natural love state and divine origin. You could say we arrived with all parts functional, however, in our untrue, dysfunctional and distorted state, we’re badly in need of a severe service, tune up or a complete reconditioning. Our goal being to bring our true self to the fore by doing our Feeling Healing, and then to progress beyond our Natural love state by further advancing our soul condition through the process of Soul Healing and receiving our Parents’ Divine Love – becoming divine.

In our feeling- and truth-denying untrue Natural love state, we have been made to use our minds to dominate our feelings, becoming more like that of mind-based creatures of nature than of human souls of truth and feelings. And this is the wrong way for us to develop. So to step beyond this limitation, we are to live true to our feelings. Our heartfelt feelings being the guiding lights to our evolution and growth of truth.

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it’s all right there already built in and can be found through our feelings – our soul based feelings.

By living true to our self, true to our feelings, we are living true to God. It’s that simple.

Thus we are detuned once our incarnation begins. However, the way is now open for us to bring about our full divinity. To completely Heal all that’s wrong within us on a Natural love level. To embrace and then transform that Natural love into a divine state through partaking of our Heavenly Parents’ Divine Love. All the while attuning ourselves to divine perfection and enjoying the fullness of our divinity and love, as we ascend in truth on our journey all the way to Paradise – the home of our Heavenly Parents.

WE were DIVINE, and
WE are to BECOME DIVINE AGAIN:

Our personality, our soul, our real self, are all creations of our Heavenly Parents. We, our real selves, are not creations of our physical parents. Within our original status, we were of Divine nature.

Our physical parents, from our conception, endeavour to mould us into being 'little me's', that is, replicas of themselves, imposing their beliefs and personality traits upon each of us. They crush our individuality and free will. They destroy our personality, our true self. They inflict upon each of us their ways, all of which are of a result of the Rebellion and Default of many, many generations ago. They drive us into believing and subsequently becoming dependant upon our minds. This is not the way for us to express our true selves and evolve along the path towards our true parents, our Heavenly Mother and Father. We are to embrace the Eternal Son of Truth, not the Infinite Daughter of Mind.

No, we are not in the image of our physical parents. Though we may look like them, and act like them because they have dramatically and successfully crushed our true personality, we are each very unique and independent of our parents and all other family members. When we begin to progress along the path of engaging with our soul based feelings and seek for the Truth of our feelings, we will become free of our parents' impositions and suppression.

Upon starting our physical life experience on Earth, our divinely created soul begins to express us as one of our soul's two personalities in Natural love. However because of Earth being in Rebellion, so we are parented into a rebellious and anti truth and anti love state of mind control over our feelings and true self.

Natural love is good, just 'less' or different to Divine Love. And it's that in our rebellious state, we're rebelling against Natural love, and Divine Love by not taking Jesus and Mary up on their offer and allowing the Divine Love to transform our soul, as we perfect our Natural love by doing our Healing.

By living true to our self, true to our feelings, we are living true to God. It's that simple. The revealing of the Feeling Healing process is the commencement of our ability to begin the Great U-Turn and go the right way. Should we then also embrace our Heavenly Parents' Divine Love, we can also commence our Soul Healing and a returning to that of being divine – this is our destiny.

CREATED in THEIR IMAGE:

James: Mary, what does ‘we being created in the image of God’ really mean?

Mary M: It means that our Mother and Father used Themselves as the model or template if you like, upon which to bring us into being, those of us who have existential souls with the potential of expressing their two personalities in Creation.

And although our souls are divine, as in being divinely created, still whilst we start our personality expression in Natural love, so we need the Divine Love to come into our soul and bring it into the levels of Celestial divinity.

Natural love, so basically the whole of Creation, is of the image of God, and we being divinely created souls can be part of God’s Divinity becoming divine ourselves. So through your Healing, James, you become progressively divine by partaking of the Divine Love and healing yourself into perfection – your true self. And by the time you’ve completed your Healing, your soul is of the Divine Love level of Celestial truth, and your personality is an expression of that level of truth, it all being ‘confirmed’ and cemented – fused – into place upon the direct soul-union with your Indwelling Spirit. Then you are of the essence of God, true and perfect to the level of the first Celestial sphere, the first sphere of true divinity.

DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

PERSONALITY

**Our soul is the centre of our personality.
We are children of our Heavenly Parents.
Our soul manifests a male and
female personality - it is a duplex!**

Feelings First Spirituality The New Way

Feelings First

Feeling Free

The New Way, Feelings First Spirituality
Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
Free your feelings from your mind's control
Live true to your feelings; your feelings are your true self
Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
BAD feelings.
Want to understand why you're feeling them.
Use your surface feelings to take you deeper into your repressed and
hidden feelings.

The Feeling Way is the True Way.
Your feelings are your spiritual guide.
Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our

own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

LOVE is the Religion of Feelings, being:

GEMS for ALL PEOPLE of all AGES to EMBRACE:

The GOLDEN AGE!

Cause No Harm < to OTHERS
to MYSELF

Strive to love others as I am to love myself

At any time, any where, and in any way you so please:

Approach our Heavenly Parents, in reverence, without fear or trepidation, just as we, as a child, approach our earthly parents knowing that open loving arms are extended to receive us at all times. As one’s love grows for our Mother and Father in the Heavens, we come to know with absolute clarity and certainty that our Heavenly Parents, loves you and me and everyone in return, at all times, and that fear is an illusion created by man’s mind.

God, who is our Heavenly Mother and Father, is almighty, all powerful, infinite, and all loving. The love of the Heavenly Parents for Their children, man, has been and is always infinite and ever present. As one’s faith evolves, one’s love for our Heavenly Parents will have no limit. As we grow in Their love, so will we grow in love for all of God’s creations and our fellow man.

The Source Soul, our Heavenly Parents, simply desires for us to ask for Their Love.

God's Divine Love: Pray for it, ask for it, and receive it.

“I love you Father.” “Let the Divine Love flow its energy into my soul.”

“Mother, Father, I desire your Love and I am loving you.”

“Soul God, I love you and I love receiving and experiencing your Divine Love.”

“True Soul God, I am here, I am aware of your Love.

Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”

“Please Father and Mother, may I receive Your LOVE.”

Maybe we could simply long for and ask:

Please, Mother and Father, I want some more of your Love!

Everything is Inter-connected

Feeling Healing – Healing yourself through your feelings.

- ✓ Your feelings are the real and true you.
- ✓ If you are denying any feelings you are denying yourself.
- ✓ If you are denying yourself you can't ever be truly happy.
- ✓ To heal all your pain and suffering, you can look to your feelings for why you are feeling bad.
- ✓ If you want to know the truth of yourself, then it's your feelings you will need to look to.
- ✓ Your feelings hold the hidden keys to unlocking the truth of who you really are.
- ✓ Uncover the truth of yourself through your feelings and you will know why you feel all you do.
- ✓ Everything in life, why all that happens to you does, and everything about yourself, can be explained to you through your feelings.
- ✓ Why your relationships might not be as good as you would like, why some might fail, you will understand through your feelings.
- ✓ How to live a good, true, happy and loving life will come to you as you start paying attention to all your feelings.
- ✓ However you will also have to pay attention to all your bad feelings, and this can be very harrowing.
- ✓ By honouring – accepting and then expressing all the bad feelings you feel, you will slowly bring to light all the reasons why you don't feel good.
- ✓ And as you liberate yourself from these hidden repressed bad feelings, so you will start to feel better and better about yourself.
- ✓ It's a process, and it can take time, years possibly, but all that's hard will eventually pass becoming good.
- ✓ Expressing all your feelings, and particularly your bad ones, whilst longing and really wanting to know the truth of why you're feeling them, is doing your Feeling Healing.
- ✓ You can Heal yourself through your feelings. And in fact, it's the only way to really heal yourself.

EMBRACING the WILL of our HEAVENLY MOTHER and FATHER:

Our Heavenly Parents are almighty, all powerful, infinite, and at all times loving.

The love of the Heavenly Parents for their children, woman and man, has been and is always infinite and ever present.

As one's faith in our Heavenly Parents evolves, man's love for his Heavenly Parents will have no limit.

As man grows in his love, so will man grow in his love for all of God's creations.

Approach the Source Soul, the Mother and Father, in reverence, without fear or trepidation, just as a child approaches his earthly parents knowing that open loving arms are extended to receive him at all times.

As one grows in his love of the Mother and Father, one becomes to know with certainty that God loves him or her in return, at all times, and that fear is an illusion created by man's mind.

By embracing the commandment provided in the 1st century, namely the first:

"This is my commandment, that ye love one another even as I have loved you."

Further, we are to embrace our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Also as our soul development progresses, our self love grows which also enables us to step away from:

Any self harm that we may cause which also brings about consequences.

And to move along this path we simply develop our embracement of:

God's Divine Love; by praying for it, asking for it, and receiving it.

Longing for Truth and Divine Love we can embrace the will of the Father and achieve freedom from error and harmful ways, thus finding our way home!

Manifesto of Divine Love:

1. We love one another as Mary and Jesus, our spiritual parents, love us. And so we seek their Spirits of Truth.
2. Our all loving Heavenly Parents, our Mother and Father, we love and honour at all times.
3. We worship only our Mother and Father, God, and Creator of all things.
4. We treat our Creator's name with respect and love, and earnestly seek Their Divine Love, and at all times pray for It, ask for It, and receive It.
5. We set aside a regular day each week for Sabbath rest and worship of our Heavenly Parents, God, and seek Their Love so that we may grow closer to Their fountain head of Truth and Love.
6. We are to be as we feel, even if it's sinful, but in doing something that is not in alignment with God's Love and Truth will make us feel bad, that is provided we allow ourself to feel our bad feelings, and so we can then use our bad feelings to find out the truth of why we feel bad and why that thing we have done is bad. We embrace our Feeling Healing.
7. We strive to cause no harm to another, nor cause any harm to one's self. We do not do to others what we would not have them to do to us. We treat our fellow human beings and all living things, and the world in general with love, honesty, faithfulness and respect. Violence, at any times, is never justified. Golden Rule: that one must always honour another's will as one honours one's own.
8. At all times in our intimate relationships we strive to express and live true to all our feelings, all so we can use our feelings to uncover the truth they are trying to show. The truth of ourselves, of our relationships, and the truth of everything else, including God.
9. We do not covet or steal anything that does not belong to us. Honesty in all communications, actions, undertakings and activities in all facets of life is our rule of life.
10. In all that we do, we are to be truthful. We are non-judgemental, for none of us have the capacity or authority to judge another. We are always ready to forgive all wrongdoing.
11. We do not desire anything or anyone that does not belong to us. Comparing oneself to others and longing to have what they have leads to errors. We are to be content by focusing on the blessings our Heavenly Parents, who made us in Their soul's image, provides for us.

DIVINE LOVE – what does it do?

Divine Love, which is a substance, progressively:

Transforms one's soul from that which is of natural love to that which is Divine

As natural love is enhanced with the Parent's Love, we reject our tendency to error

Divine Love, our Parent's Love, restrains errors, untruths and emotional stress

As we reject the condition to error, we develop our love for our brothers and sisters

Divine Love helps one with the discovery of truth through one's soul-feeling healing

Our natural intelligence grows, perceptions rise with our soul intelligent feelings

As Law of Compensation is resolved, the Love reduces returning to being in error

Receipt of Divine Love, the Parent's Love, grows our faith, we become God reliant

As our faith grows our propensity to undertake one's Feeling Healing strengthens

With the Love, our Feeling Healing becomes Soul Healing, this we are to undertake

Without the Love we remain self reliant and dependent upon our own will power

Only with the Love will our soul condition grow rapidly, all around us also benefit

The Love is the only substance that changes the human soul to that which is Divine

Only by asking and receiving Love do we become fitted to enter Celestial Heavens

Only by asking for and receiving the Divine Love does our soul become immortal.

What is Divine Love?

It is the Divine Love of God, our Heavenly Parents, restored to all mankind by the births of Jesus and Mary.

How do we get this Love?

By sincerely asking God, our Mother and Father, and receiving the Love that passes all understanding.

What happens then?

We are born again in spirit and in truth, our soul opened to the Soul of God, our Heavenly Parents.

What then do we know?

We know we are all children of God and want to pray always to our Heavenly Parents, always longing for Truth.

What is the purpose of Feeling Healing?

We are to seek the truth of our feelings and unburden ourselves from our childhood repression and injuries.

What of the world?

We are at peace in the world and fearless. In Divine Love and in Truth there is no fear.

What else?

We are to strive to love everyone unconditionally as our Heavenly Parents and as Mary and Jesus love us.

U-TURN for HUMANITY:

Why are we doing a U-Turn?

We are doing a U-Turn **because** the year 2017 heralded the end of the Rebellion and Default. For two hundred thousand years, humanity has been going in the wrong direction.

What is this fundamental step that will change our way of living?

We are to come to understand / know the foundational cause of all our feelings, both good and bad. As we explore and investigate our feelings, each time they arise, one by one, we are to talk them through, express them to a companion or friend or anyone who will listen. As we express them, while at the same time coming to understand how they have come about, we will find that they will be resolved and that they will not come up again.

**Feeling
Healing with
Divine Love is
the key!**

We will find that all of our feelings / emotions have their foundations from our childhood. And by childhood, that is from the time of one's conception all the way through to about the age of six. It is the repression of our childhood feelings that is the base or foundational cause of each and every one of our adult personality issues, pains, difficulties, illnesses and distressful life experiences.

We have to see the whole truth of our negative or self-denial state, before we can heal it and be free of it.

The vital difference between **emotions** and **feelings** is:

- emotions have their roots in the past,
- feelings relate to the present moment,
- emotions represent feelings not previously expressed,
- and these accumulate over time.

Many emotional clearing processes encourage us to look into our feelings, however, none go so far as to drill down into the core foundation of any emotional feeling to the point that we strive to KNOW the core issue, the origin of the feeling, be it good or bad, and actually come to know what it is!

The *Journey Process* is generally known worldwide. It stops short of longing to know, that is asking for the knowing of the events that brought about such a feeling. Yes, we are to acknowledge the feeling, say being angry. Then accept that behind that anger is the feeling of being small, and then look at the underlying reason of why we are feeling small. What is the truth behind that feeling? Ask our Heavenly Parents what is behind all of this feeling. What is the foundation, the origin of the feeling? All the time talking it out, expressing it, with a friend. The expressing of the experience is the release of the emotion / feeling, this is what removes it for ever from within our essence, our **soul**.

Why ask our Heavenly Parents? I thought God was just God – singular?

This is part of the revealings that have been unfolding for us very recently – that is – since 2002.

We are made in the image of God. This has been understood for centuries, for 2,000 years. Our soul is duplex. Our soul expresses itself through two personalities. One soul ‘subdivides’ into two, one half always being female and the other half always being male. We are a reflection of how God is. God being one Soul is expressed as Mother and Father. God is two personalities. They are soulmates. And each of us has a soulmate, and our soulmate is always of the opposite sex, because the Mother and Father are the opposite sex.

Thus, when we long for the truth behind a feeling, then we can long to our Heavenly Mother and Father. Only they can tell us. No spirit personality can tell us. No canonised saint can tell us, we may as well ask our next door neighbour. That would be just as productive. Mary and Jesus can’t tell us, as they are also spirit personalities.

I was taught that Jesus was God? And what is this about Mary?

Mary of Magdalene and Jesus of Nazareth were both born free from sin. Neither of them are God. They are both children of God, just like you and me.

History needs to be corrected. Both Jesus of Nazareth and Mary of Magdalene became at one (At-One) with our Heavenly Mother and Father during their physical lives here on Earth in the first century; Jesus in the year 26CE and Mary in the year 33CE, or thereabouts. Jesus died aged 35 (born 7BC died 29CE), and Mary died aged 47 or 48 (born 2BC died 47CE).

Further, their sojourn on Earth was the completion of their process to become the full Regents of the sector of planets that is referred to as Nebadon. The region within our super-universe that is referred to as Nebadon contains 3.8 million inhabited planets. If you look into the night sky, each star / sun potentially has between none to three inhabited planets within its orbit. Within Nebadon, the soulmate pair, namely Mary and Jesus, are our Spiritual Teachers of Truth. Their domain is all 3.8 million physical planets plus their associated spirit worlds. Each physical world has seven associated spirit worlds, which is the case for Earth being one of the 37 that have rebelled.

Some 200,000 years ago, Lucifer with his soulmate and his deputy, Satan with his soulmate, brought about a rebellion on 37 of the inhabited planets within the region called Satania, one of the local universal systems of Nebadon. Earth compounded the situation through the Default of Adam and Eve about 38,000 years ago. Thus the population of Earth, being in the worst condition through the Rebellion and Default, became the location for Mary and Jesus to have their physical experience to complete their ascendancy to full Regency of the local universal system being Nebadon.

Their lives on Earth was the start of the unravelling of the Rebellion and Default. Upon Jesus becoming At-One with our Mother and Father, he was then vested with the authority and power to have the Lucifers and Satans arrested, and they now reside exiled within a prison world.

Notice that there were no records of Jesus and Mary’s teachings and experiences made during their physical life. That was because they did not specifically come here for us, they came for the benefit of all peoples of all planets and spirit worlds throughout Nebadon.

As they are Paradise descending spirits, they have **Spirits of Truth**. Upon Mary and Jesus' death, they released their Spirits of Truth. As spirits, Jesus and Mary are how we will be, once we've finished our Soul Healing. They can only be in one place at any one time. However, it is their Spirits of Truth throughout Nebadon that we can connect with for guidance. It is through their Spirits of Truth that spirit personalities can progress through and out of Nebadon.

Those planets that have Rebelled need further assistance, and they need it on a localised manner. This can only be provided by another bestowal of a **Paradise Pair**, and that is in the form and manner of an **Avonal soulmate pair** who come here specifically for us.

What is the purpose of an Avonal pair, and are they here on Earth?

Unlike Jesus and Mary who were always free from sin and did not experience how to heal themselves, the Avonal pair are to experience all of the extremes of evilness and then proceed to heal themselves. Mary and Jesus through their bestowal on Earth ended the Lucifers spiritual rebellion in Nebadon; the Avonals bestowal is primarily concerned with ending the Default of Adam and Eve by the Avonals themselves personally healing the effects of such a damaging Fall.

The soulmate Avonal pair are to be, and have been, subjected to the extremes of childhood suppression and repression, and then, through their Feeling Healing, are experiencing all the facets of emerging truth as they slowly progress through a protracted and difficult healing process. As they reach specific milestones, this also enables those in the Celestial Heavens, (the three worlds where Celestials reside) to be empowered to assist us in the physical on Earth.

The first considered milestone was the arresting and imprisonment of the Caligastia soulmate pair and the Daligastia soulmate pair. After the arrest of the Lucifers and Satans in the first century, as nothing further occurred, the Caligastias and Daligastias continued on from spirit as if they were kings and queens, suppressing all of humanity and with plans to take over the universe. It was possibly in the early 1990s that they were 'judged' and 'removed'. They were caught unaware that an Avonal bestowal pair were on Earth.

How is all this becoming known? Has Jesus and Mary communicated directly to Earth?

Unlike in the first century, when no records were kept (as the event related to all of Nebadon and it was actually setting the stage for the Avonal bestowal pair to arrive on Earth), every effort to retain records in great detail of this current series of events is now being attended to. Consider this. The New Testament of the Bible is some 300 pages. The records of the Second Coming, which this is, the primary records are possibly 6,000 pages, with direct complementary records increasing that to over 10,000 pages and with all the supplementary records to date, there may be as many as 40,000 pages, certainly well over 30,000 pages of material presently.

Jesus directly communicated through James Padgett from 1914 to 1923. Mary of Magdalene (Mary M) has directly communicated through James Moncrief from 2002 and is ongoing. Jesus has also communicated directly through James Moncrief. Neither have ever directly communicated through any one else, however, some Celestial Spirit personalities have provided information through other

personalities on Earth with the support and approval of Jesus and Mary, thus some confusion, though the quality of the information is very reliable.

You say this is the Second Coming? You say I am living during the time of the Second Coming?

Yes you are. And it's more than that. This is the Second Coming, the End Times and the Handover!

In fulfilment of the prophecy in the first century, the Second Coming commenced on 31 May 1914 through the writings with James Padgett and concluded in 2014 through the writings with James Moncrief.

The End Times are well advanced. Mary and Jesus are well advanced in handing over their direct involvement with Earth to those within the Celestial Heavens. When this is completed, the Handover will also occur. **The Hand Over is to the Avonal Bestowal pair** and it is they who will guide the population on Earth through their Feeling Healing processes for the next 1,000 years, being the next spiritual age. The Handover will take place after the Avonal pair complete their personal Healing of the Rebellion and Default. Then will follow with their Spirits of Truth being officially liberated in alignment with Mary M and Jesus' Spirits of Truth upon their death.

Major events have occurred with the progression of the Avonal pair's Feeling Healing, which they are also doing whilst embracing our Heavenly Parents' Divine Love, thus they are doing their Soul Healing.

Early 1990s:	The arrest of the Caligastia and Daligastia soulmate pairs.
22 March 2017:	Negative spirit influence was blocked.
31 March 2017:	Angel assisted healing will become available upon the Avonal pair completing their own Feeling Healing, being with Divine Love, thus it being Soul Healing.
22 May 2017:	Law of Compensation quickening.
2 December 2017:	Psychic Barriers maintaining the Rebellion and Default were cracked.
8 December 2017:	Bring on the money to 'house the future of humanity' .
31 January 2018:	Earth and the seven associated Mansion Worlds (including the two Earth planes) are officially now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default.

How does this all fit into our future way of living?

This time, in the history of humanity, is the most exciting time ever experienced.

The whole human race is suffering from repressed childhood and mind control.

Through one's Feeling Healing, and should we embrace our Heavenly Parents' Divine Love, then with their Love we are doing our Soul Healing, and eventually we can live totally in accordance with our soul based feelings and live free from error – no more fear and no more physical illnesses is possible!

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

Our soul is always perfect. In fact, we are the complete package. All that we need to know is within our soul. This knowledge has been denied from us since the time of the Rebellion and compounded by the Default. That is what was brought upon us by the Lucifers and his cohorts. We have always been meant to live true to our soul based feelings but we were taught to embrace our error riddled mind – this was aided by our parents – unknowingly all parents have taught their children to be mind dominant. **This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

“Many people look for a person, spirit, angel, even God, for supreme guidance, however it’s all right there already built in – in our feelings. **Feelings** guide us through our **ascension of truth**. So they are really our Supreme Guides. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it’s there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: **Longing for the truth of our self, because: we are our feelings**. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.”

Kevin of the 1st Celestial Heaven 26 September 2017

(Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.)

It is through the assistance of the Spirits of Truth of the Avonal Pair, upon the completion of their Soul Healing, that we will be guided through our Feeling Healing process, and should we embrace our Mother and Father’s Divine Love, then our Soul Healing.

Then should we embrace Mary and Jesus as our Spiritual Teachers of Truth, their Spirits of Truth will lead us on the path through the Celestial Heavens where we will certainly meet up with our soulmate and join our soulgroup, which will eventually consist of twelve soulmate pairs. Then as a soulgroup, the Spirits of Truth of Mary and Jesus will lead us up through and out of Nebadon towards Paradise.

It is then our Mother and Father in Paradise who draw us to them and we will eventually meet our Heavenly Parents.

Meanwhile, while we live on Earth, we will have assistance and guidance previously denied to us throughout the era of the Rebellion and Default. Under the Contract controlling and managing the Rebellion and Default, the powers and capabilities of our Celestial Heaven spirit personalities, all three worlds of them, were heavily restricted and almost of no assistance to us at all. Further, Nature Spirits and our Angels were heavily denied contact with us physical people because of the Rebellion and Default, all of which is soon to change, so we can look directly to them for help concerning healing ourselves and understanding all aspects of nature.

As we embrace our Feeling Healing, Celestial spirits will and can greatly assist us. In fact, during the year of 2017 they have blocked all mind spirits from the Natural Love Mansion Worlds: 1, 2, 4 and 6 from interfering with us. Celestials have taken control of all facets of living and life on Earth. Celestials are those spirits who have completed their Feeling Healing and progressed through Divine Love Mansion Worlds 3, 5 and 7 and now live in the higher Celestial Heavens, 1, 2 and 3 (when we become At One with

our Heavenly Parents then we leave the Mansion Worlds and progress through the next three spheres related to Earth, hence the Celestial Heavens are also referred to as being numbered 8, 9 and 10).

The Nature Spirits of Earth, who live in the third Earth plane, can now directly interact with those who are embracing their Feeling Healing. Nature Spirits are essentially ‘angels in waiting’. They have been on Earth prior to anything that we now see living in nature. When they first started to arrive, there was no life in the seas or on land. They have consequently witnessed everything that has happened on Earth, including all prior human civilisations that we continue to largely remain ignorant of. Their knowledge and assistance is of great importance to us. We are to interact with them on an ever increasing scale. They are to become an invaluable source of information for us concerning how we are best to live with nature.

Further, we may become more aware of our **Indwelling Spirit**, which arrives for each of us during our sixth year, as we now progress with our Feeling Healing, or with Divine Love, our Soul Healing.

And all of this is possible as we embrace our Feeling Healing process, acknowledge and accept the Avonal pair, acknowledge and accept our Spiritual Teachers of Truth, namely Mary and Jesus, and more importantly, grow to love our Heavenly Parents, our true Mother and Father.

We do not need intermediaries, rituals, liturgy, dogmas, creeds, fancy clothing, or institutions. It is our soul based feelings and expressions that we may exchange directly with our Heavenly Parents. Groups may form to assist each other, and that is choice and within our free will.

This is the greatest event in the history of humanity.

This is the Great U-Turn that humanity will embrace throughout the next 1,000 years. MoC 1,480

The Only Prayer That Man Need Offer to the Father:

(as given within the first century)

The Prayer for Divine Love

2 Dec 1916

I am here, Jesus

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

P.438 Book of Truths through James Padgett / Jesus

Let your prayer be as follows:

Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.

That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.

We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.

Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.

Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.

Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.

We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.

We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.

Amen

MoC

Note: The 'false teachers' are our parents, as they are also the 'evil ones'. Also, the evil ones, being those parts of one's mind, that are controlling you.

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Our salvation IS by embracing Feeling Healing with the Divine Love.

God's Divine Love: Pray for it, ask for it, and receive it.

Please Mother and Father, may I receive Your LOVE.

“Every day is a day of devotion.”

Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.

“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”

“Mother – Father, I desire your Love and I am loving you.”

“Soul God, I love you and I love receiving and experiencing your Divine Love.”

“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”

Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love. One can simply receive the Love without following any religious or spiritual teaching taught by man!

Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.

Three Great Truths:

- **God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on them selves and doing their Healing.

Feeling Bad? Bad feeling are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing****Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book****Release one's pain through expressing one's feelings.****in conjunction with****Longing for the Truth when also longing for Divine**

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing.

Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.

Primary and most important readings are the writings of James Moncrief.

Then consider the Padgett Messages, and then The Urantia Book.
