**John: What does the spirit of man do when it leaves the physical body for eternity?
The Transition called Death**

<https://new-birth.net/padgetts-messages/true-gospel-revealed-anew-by-jesus-volume-1/what-does-the-spirit-do-when-it-leaves-the-physical-body-vol-1-pg293/>

Received by James Padgett Washington D.C.

May 29th, 1916

I am here, St. John, Apostle of Jesus.

I come tonight to tell you a vital truth, which I know you will be interested in.

The question has often been asked: “What does the spirit of man do when it leaves the physical body for eternity?”

Many spirits, I know, have written you about this matter and some of them have described their personal experiences, yet in all the information that you have received there are some facts that have not been referred to, and I will in a brief way describe them.

When the spirit leaves the body, there is a breaking of the silver cord, as it is called, and thereby all connection between the spirit and the body is severed for all eternity – never again can that spirit enter that body, and neither can any other spirit, although, I know, it is claimed by some spiritualists that another spirit may inhabit the cast-off body. But this is all wrong, for no spirit ever enters the body which has once been the home of another spirit, and, hence, claims made by some of the wise men of the East that such a thing can be, have no foundation in fact.

When the silver cord is once severed, no power that is known to the spirit world, or among spirits of the highest sphere, can again resuscitate that body and cause the manifestation of life, and, hence, in the miracles mentioned in the Bible, where it is said that the dead were brought to life, it must be understood that this tie between the spirit and the body was never broken.

In those ancient days, as now, there were persons who had the appearance of being dead, and so far as human knowledge was concerned were dead, but who were really in a state of what may be called suspended animation. With no signs of life appearing, to the consciousness of men, death was thought to have taken place. Yet in no case where the supposed dead were raised to life, had the mortal really died.

As [Lazarus has already told you](#), when Jesus commanded him to come forth, he had not died, and so of all the other supposed dead who were called to life. When this tie has been once severed, there are certain chemical laws affecting the physical body, and certain spiritual laws affecting the spirit, which absolutely render it impossible for the spirit to again enter the body; and as you have been informed, we all, mortals and spirits and angels as well, are governed by laws which have no exceptions, and never vary in their workings. So I say, when once the spirit and body separate, it is for all eternity, and the spirit then becomes of itself, a thing apart, controlled entirely and exclusively by laws governing the spirit body.

With the spirit’s entry into the spirit world, comes the soul, still enclosed in that spirit body, and to an extent controlled by that body, which latter is also, in certain particulars controlled by the soul. The spirit body has not, of itself, the power to determine its own location or destiny, as regards place, for the law of attraction which operates in this particular, operates upon the soul, and the condition of the soul determines the location of itself, and as the spirit body is the covering of the soul, it must go where this law of attraction decrees the soul shall abide.

While the mind and the mental faculties and the senses have their seat in the spirit body, yet the law that I speak of does not operate upon these faculties, as is apparent to every spirit which he knows from observation, as well as from experience, that the combined power of all these faculties cannot move a spirit body one step in the way of progress, unless such faculties have, in their influence upon the soul, caused its condition to change; and in the matter of mere mental or moral advancement this can be done.

So, I repeat, the condition of the soul determines the locality as well as the appearance of the spirit body, and this law of attraction is so exact, that in its operations, there is no opportunity for chance to interpose, and place the spirit body in a location which is not its, by reason of the operation of this law. So that when the spirit body enters the spirit world it must go to and occupy the place which its enclosed soul determines that it shall occupy. No interposition of spirit friends or love of parent or husband or child can prevent this destiny, although for a time, until the soul has really has an awakening as to its condition of severance from the mortal life, these relations or friends may retain the spirit body near the place of its entrance into the spirit life, even though that place be one of more beautiful surroundings and happiness than the one to which it is destined. But this situation does not last long, for the law works, and as the soul comes into full consciousness, it hears the call and must obey.

And thus you see, friends and loved ones in spirit life meet with love and kindness and consolation, the newly arrived spirit, but the parting must come, and every soul must find its home according as its own qualities have determined. And yet the consolation mentioned is a real one, for in many instances, if it were not so, the lonely spirit would experience fear and bewilderment and all the unspeakable sensations of being deserted.

Then there comes a time, when every soul must stand alone, and in its weakness or strength realise that no other soul can bear its sorrow or take from its burdens or enter into its sufferings, And thus is realized the saying that each soul is its own keeper and alone responsible for its own condition.

Of course in many cases the loving friends may visit that soul in its place of existence and offer consolation and help and encouragement and instruction, but in some cases this cannot be, for as this soul is then laid bare to itself, all its deformities, and sins and evil qualities come before it, and thus throws around it a wall, as it were, that prevents the good friends and loving ones from appearing to it.

And thus again comes into operation the great Law of Attraction for while these more elevated friends, cannot come to that soul, yet other spirits of like souls and qualities may become its associates, and render such assistance as the blind can lead the blind in their moving about. And I wish here to say, notwithstanding what some of your spiritualistic teachers have said, that the soul has its location as well as its condition.

The above condition that I have described is the destiny of some souls shortly after becoming spirits, and it is a deplorable one, and you may think that such souls are deserted by the loving influences of God's ministering spirits, and left all alone in the dreary places of their habitations. But such is not the case, for while they are deprived of the presence, to them, of the higher spirits, yet the influences of love and compassion are flowing from these spirits, and at sometime will be felt by the lonely ones, and as these influences are felt the poor souls commence to have an awakening which gradually causes the wall of their seclusion to disappear until at some time, the higher spirits find that they can manifest their presence to these unfortunate ones.

And, besides, this, every spirit, no matter how fallen, has a work to do, even though it may appear insignificant, and among these spirits of similar conditions some are a little more progressed than others,

and by reason of a law which causes the more progressed to help the lesser, the latter are frequently helped from their low estate.

Now what I have last written applies of course to the spirits who are wicked and vile and without any soul development in the way of goodness, but a similar principle enters into the conditions of all the spirits in the Earth plane, although the higher they are in that plane the greater opportunities they have for receiving help and progressing. Of these latter, and the operation of the mental thoughts and moral qualities upon the condition and progress of the soul, I will write you later.

I have written enough for tonight, and leaving you my love and blessings, I will say good night.

Your brother in Christ,

John.

Soul condition is the sum total of all of the different emotions, desires, passions, etc., all wrapped up together in terms of how much love there is in every one of those.

122. The Father's Plan

As you can see and hear, I, Luke, have returned.

When one studies the spirit world while still on Earth, the human perspective is different from a spirit's perspective. From your perspective it may appear that the spirit world is infinite with intangible workings. From my perspective the spirit world is finite and with tangible workings. You may have ascertained that spirits reside in various spheres and this is true. The part of the spirit world that contains the natural spheres is finite, with a boundary to it that contains these environments to an exact and finite existence. There are only a finite number of Spirit Laws sustaining these spheres and also there are a finite number of Spirit Laws that relate with the spirit body, soul and personality of each individual. The Father, in the forming of the natural spirit world has not deemed it as a world in continuous forming. There are no new Spirit Laws being added to continuously update the needs of mortal personality.

Today, people by the use of technology are discovering new information about the energy of the physical universe. You are as a humanity becoming aware of what already exists.

The Celestial part of the spirit world is finite too. You will reach a place, which marks the boundary of the Celestial Heaven. There are spheres beyond this where individuals reside and they too have a finite boundary with finite workings. There are spirits who are ancient spirits who existed on the Earth thousands of years ago. You have met some of these individuals through spirit communication. I myself am nearly 2,000 years old. There is nothing unknown to me about the natural part of the spirit world. I, as with other Celestial teachers know the full extent of how the Father has established the natural part of the spirit spheres. I also know how the Divine Love spheres and the Celestial Heaven exist as finite environments.

I am sensitive to an individual who is newly arrived in the spirit world, seeing this environment for their first time. In this situation the newly arrived spirit needs to be guided as they become aware of all that already exists for them to reside in.

Many spirits have accepted the Love, the Divine Love and progressed to reside in the Celestial Heaven. As I said, there are only a certain number of Spirit Laws formed that relate directly with soul condition, spirit body and personality. There are a finite number of personalities living in the spirit world and this number directly relates with the number of people who have lived and passed into the spirit world. As a Celestial teacher I don't need to know all the life experiences that everyone has lived. I can look to the condition of the soul reflected in the spirit body to quickly ascertain the causes that need to be addressed that may have resulted in the condition of the individual. There are only a finite number of causes that create the effect that will require compensation. This is part of learning about the nature of Truth.

A young man may speak much about a lot when trying to identify a human experience about a Truth. An older wiser man may make a single statement, which is the Truth about so many experiences. The older man will not find it necessary to communicate every detail and all the experience.

This is how we work when helping individuals to progress. Celestial teachers know where to look and that the economy of love will be present so that when an individual asks us for direct input, we provide them with a simple Truth, which is the cause and there is no need to overwhelm the individual with information that becomes lost in their memories and effects.

The Father's Plan that was first revealed in James Padgett's spirit communications (1914 to 1923) that he received from us introduces individuals to the concept and idea that the Father has in place an actual plan. In essence this Plan is already in effect. When you take into consideration all the workings of the Father that have assisted personality to exist on Earth and in the spirit world, the Father's attributes of Spirit and Love is the Plan in living action. The only part of the Plan that remains unfulfilled is the perfecting of individual souls that reside in the 3 lowest spheres that abut the 1st natural sphere, but are outside of the coexisting sphere that is the largest and every entry point from the Earth to the spirit world.

The Father forms into existence the attribute of finite soul that separates into two parts and these two parts wait for the active Spirit Law to incarnate them into two separate and individual human beings. These individual souls wait in the Pre-Incarnation sphere that the Father has formed for all un-individualised souls to wait prior to their human and only incarnation. They are without personality or spirit body and these souls cannot determine by voluntary action or selection where and when they will incarnate.

When the soul responds to the Spirit Law that incarnates that soul, another Spirit Law acts when conception is underway and forms the spirit body that that soul will reside in for the duration of its human and spirit life. People form the physical body through sex and genetic material and today there is diversity in how this conception takes place, such as IVF, but nonetheless, each person born is with an individual attribute of soul and spirit body and will develop its own personality from birth onwards.

If the individual dies within the mothers womb, during birth or shortly after the individual -- like all other people when they die -- are subject to the Spirit Law of Transition that brings a spirit body, soul and personality safely into the 1st natural sphere of the spirit world. There are facilities and Spirit Laws that can assist the incarnated soul and formed spirit body to mature a personality without requiring the presence of a physical body to do so. Only the Father can provide such intricate workings to continue the survival of an immature personality and to mature this personality into a cognitive functioning spirit person. The Father knows the construction of personality since the Father originated all the components that form personality. The Father knows personality at its creational experience! This was demonstrated by the creation and forming of the two personalities that materialised on Earth known as the Living First Parents. (Andon and Fonta were twins who lived 993,500 years ago.)

The Father made the substance, the Divine Love and released this Love and energy from the Immense Soul that the Father is! This Divine Love forms part of the intricate workings that relate in potential with the attribute of mortal soul.

When you take into account all that has been provided, including the workings of natural love and the Divine Love, you begin to realise that all these components form part of the Father's Plan. The Plan was always about love and the creation of the independent human being to experience living love. The natural love is a good love and in the spirit world those who have perfected their natural love or living in the 1st, 2nd, 4th or 6th sphere (Mansion Worlds) are living in harmony with the Father's Living Plan of love. All the spirits in the Divine Love spheres, Celestial Heaven and beyond are living in harmony with the Divine Love. The only disharmonious part of love being lived remains in the soul of the individuals who, by their own actions in their human lives, lived in such contradistinction to the Father's Spirit Laws of love and hence creating disharmony within their selves. Eventually, this part of the spirit world where these depraved individuals reside will no longer exist outside of the harmony of love.

Individuals are still living today causing harmony or disharmony toward them selves and their fellow man and so when one asks, "If God knows everything, then why does God let such evil do," the answer is revealed in the Truth that it is not God but people cause their own soul condition. This leads us back to the Divine Love for when one is living with the Divine Love and progresses to a Celestial soul condition, one will know the Truth because they will see the finiteness of the natural love in all its causes and effects.

DO WE ATTEND OUR OWN FUNERAL?

Monday, 3 December 2018

This is a general observation by Nanna Beth – 3rd Celestial Heaven – following the death of Graeme’s mother a week earlier:

Nanna Beth: Graeme, your mother is doing exceptionally well, better than expected. She is out of the arrival hospital and is convalescing in the hospital grounds mixing with other newly arrived spirits like herself and starting to feel rejuvenated, excited that she has a whole new life ahead of her, not daunted in the least by it, with some of the things you told her, Graeme, echoing in the back of her mind, helping to underpin her acceptance of her changed state, easing her transition, more so than it would have been had you not tried to impress your understandings of life after death on her.

She won’t be at her funeral in person, she will be aware that it’s taking place, however she won’t feel up to seeing everyone.

She is feeling her new found freedom in the spirit light, it’s buoying her up, as it does us all.

It’s hard to describe to you, however when you are of it, when it is of you, if you don’t have within you the untruth that requires union with and time lived in the hells and lower Earth planes, then you can find it almost traumatising having to ‘go back’ to Earth or such lower levels until you are spiritually fortified to deal with them.

In time your mother will find such inner strength to deal with you and your sister and all the rest of her past, however for the time being it’s more important that she looks after herself and stays where she is rather than subjecting herself to her own funeral.

So even though you might ‘feel like or sense that she is present’, it’s more just in and with you in mind, rather than being with you all in person.

For other spirits, they can deal with such things, some being so switched off being so insensitive to their feelings that it’s just a thing to do, others wanting to feel all the emotion of the event, even to be caught up in being the centre of so much attention, but your mother simply needs peace of mind and environment with like-minded and like-feeling spirits, feeling part of her new life with these new spirits, all sharing their amazement and bewilderment at there actually being life after death, all needing to focus on themselves blocking out everyone else, and particularly often all the unpleasantness from those they’ve left behind.

SPIRIT MIND MANSION WORLDS are numbered 1 to 7:

To PARADISE, the HOME of OUR HEAVENLY PARENTS

Spirit Mansion Worlds are those 1 – 7. They with the Celestial Heaven spheres numbered 8, 9, 10 as well as the 3 Spheres of Disharmony are all within the Earth’s environment, and rather close by. Each sphere can accommodate more than 100 times the people than Earth may do.

Progression from the top Celestial Heaven sphere is to the Eternal Spheres, Infinite and Universal and further onwards to Paradise.

Celestial Heaven spheres 8, 9, 10 are often referred to as 1, 2, and 3 of Celestial Heaven.

Natural Love sphere progression stops at sphere 6. With only the natural love, progression is through spheres 1, 2, 4, and 6 only.

One can embrace Divine Love at any time and move to DL sphere 3 and continue.

The Divine Love spheres 3, 5, 7, 8, 9, and 10 were opened by Jesus.

Divine Love perfects one’s natural love soul through the progression via spirit world spheres 3, 5, and 7. Soul-Healing and At-onement is achieved through the progression into sphere 8 which is the first of the Celestial Heaven spheres namely 8, 9, and 10.

On death of the physical body we all arrive in the 1st Natural Love sphere.

Earth is for the individualisation of souls being the commencements of one’s journey home toward the Source Soul.

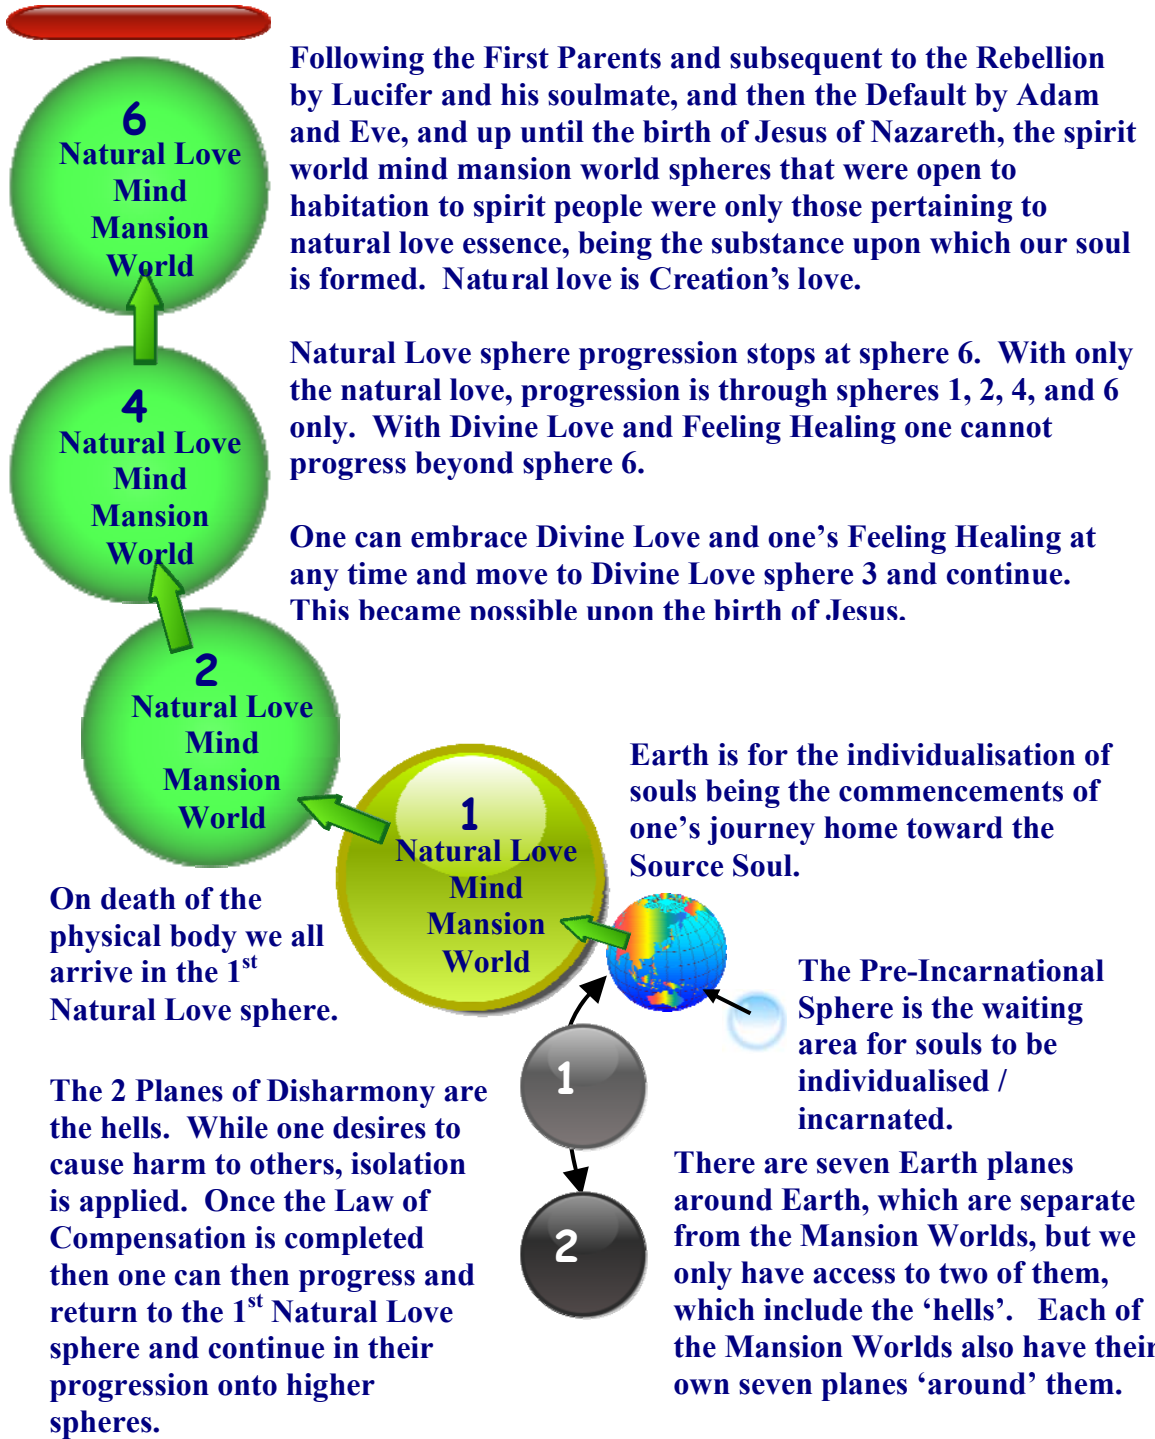

The 2 Planes of Disharmony are the hells. While one desires to cause harm to others, isolation is applied. Once the Law of Compensation is completed then one can then progress and return to the 1st Natural Love sphere and continue in their progression onto higher spheres.

The Pre-Incarnational Sphere is the waiting area for souls to be individualised / incarnated.

There are seven Earth planes around Earth, which are separate from the Mansion Worlds, but we only have access to two of them, which include the ‘hells’. Each of the mansion worlds also have their own seven planes ‘around’ them.

Note: The 1st Divine Love Sphere and the 1st Sphere of Disharmony may simply be planes within the 1st Natural Love Spirit World.

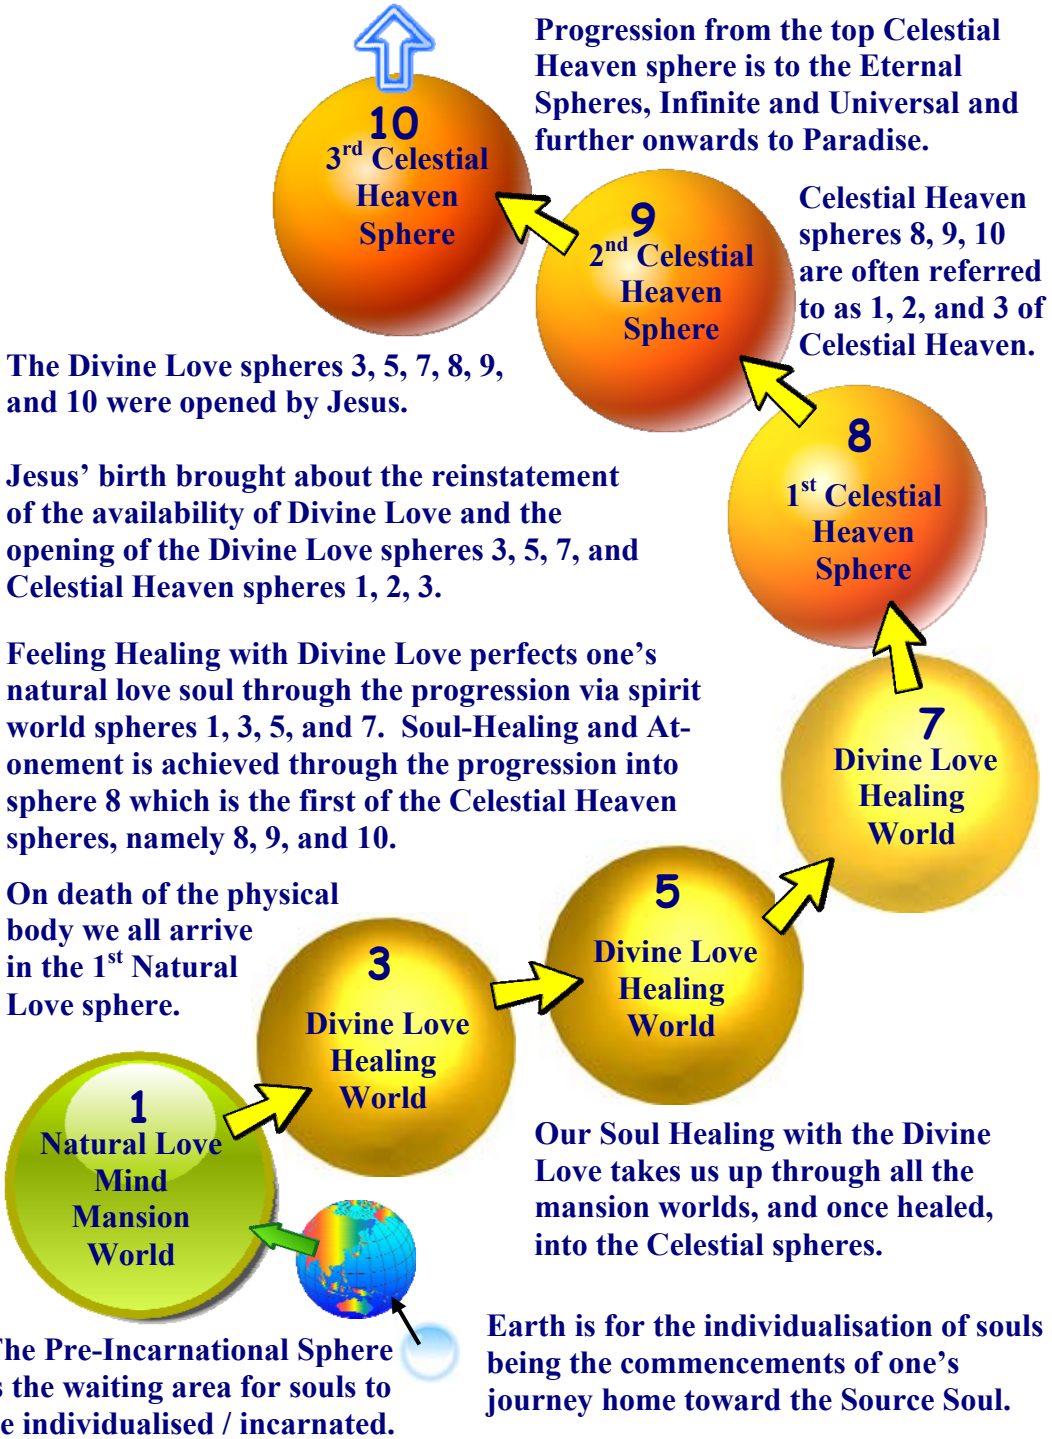

NATURAL LOVE SPIRIT MIND MANSION WORLDS:

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

123. Finite workings

I would like to add here that the Father's Divine Love is with finite workings. You may see this Love as being infinite. The Truth is that this Love comes from an Origin that *is* Infinite -- the Soul of the Father, but the Love is finite and operates in a finite manner within a finite mortal soul.

As an individual progresses in the Love, the Father hasn't included further workings of the already available resource that the Love is. The Father doesn't change or add to the nature of the already existing Love to facilitate this progression of a soul. The Love is perfect and singular in its cause. It acts the same way in all mortal souls, causing the same changes and the same harmony. The Love acts the same way when it is felt within the spirit body, and the energy of a soul that is being generated by this Divine Love continues to form the improvements of the spirit body without needing to change to facilitate the diversity of each personality.

By the time an individual has experienced the Love and they are in Celestial soul condition, one will know that one can never outgrow this Love and that this Love is sustaining and adequate for every need of every personality.

Lastly, it is a good thing to know that when changing one's soul condition from the mortal into the Immortal this transformation is finite. People may believe otherwise or even tell you that there is so much that you have to do in order to receive more Divine Love to make any progress in your progression. To assist you in your human awareness of living with the Love, keep in mind the finiteness of the Father's attributes for this will provide you with a clearer perspective in a subjective experience of Love and Spirit.

Your friend,
Luke (Apostle)

24. Paul speaks on his early spirit days

I never thought about the existence of a human afterlife, and here I am living in one! I cannot recount at all my transition from my human life into my spirit life. All I know is that my life ended and then I awakened peacefully like how one might awaken after a siesta. There were people around me gently assisting me, making me feel comfortable. I asked one of them where I was and what had happened. The lovely woman told me that I had passed away and now I was in the spirit world and not to be afraid or frightened, that everything would be ok. It wasn't long until my full memory returned and I could remember that I had passed away. I couldn't recall anything about what happened next. I gather from what I have been told, no one does remember the transition from their physical life to their living spirit life. I still feel very human. I relate with myself and with those around me the same way as I did with people back on Earth. And, believe me when I tell you it even sounds strange to me, "Back on Earth"!

As I gained strength and vitality I started to feel not so old. After about a week of my coming over, I was told by those looking after me that Earth and the peoples of the Earth is very close by; its surface interfacing with this surface although I now know there is a boundary between the beginning of both worlds. Apparently I haven't travelled any great distance. I haven't been to the Celestial Heaven, a place I only know about because I have been listening to these brighter spirits conversing with you. I feel that I would like to go there and to do so I need to receive Divine Love. I will consider taking the Love up, why? Because the brighter spirits represent such a peaceful knowing and such calming-ness, that I would like to follow in their example.

I cannot say that I am sad that my human days are over, I lived a good full life simply put, and I accept my end. I am not too curious about exploring the spirit world. Where I am now I feel happiest. I am interested in going to the Celestial environment. I can see that the brighter spirits have made it known to us that there is nothing secretive or selective to any potential of progress. The Divine Love is not an elite club. So far I can see that it is not like Earth where information held in selective hands is power. The brighter spirits freely divulge information and anything that is asked of them that will improve ones soul condition is forthcoming. They make it perfectly clear that the Divine Love and progression is open for everyone.

I am very impressed by the character called Luke. He is a beautiful spirit. He is not a religious figure to me, as he is perceived in human history. He is actually standing close to me right now as I convey my impressions to you. He is taller than I, shining brightly in his appearance and I must say, coming from the robust world of people the fellow I see close to me is in no way reckless. Everyone is quite excited here. There are a number of bright spirits making themselves available to converse with us who are as yet to shine as brightly as they do. Apparently it takes up to about 3 months by the old time clock on Earth, to learn the ropes here. I have been here for about 2 months as you have sensed, I am still gathering myself together. I do not possess anything within myself to shine as do these brighter spirits, and shine they do! They are like moving light bulbs. I am optimistic about receiving the Divine Love, who wouldn't be when you can see staring in front of you, living examples of the Love that these brighter spirits teach.

I have enjoyed conversing with you. I have a few more questions so I will head off and ask Luke. Time to dash away now.

Sincerely,
Paul Roberts

DIMENSIONS of ONE’S EXISTENCE:

Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – ‘soul land’. It doesn’t exist in Creation, it’s not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One’s unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

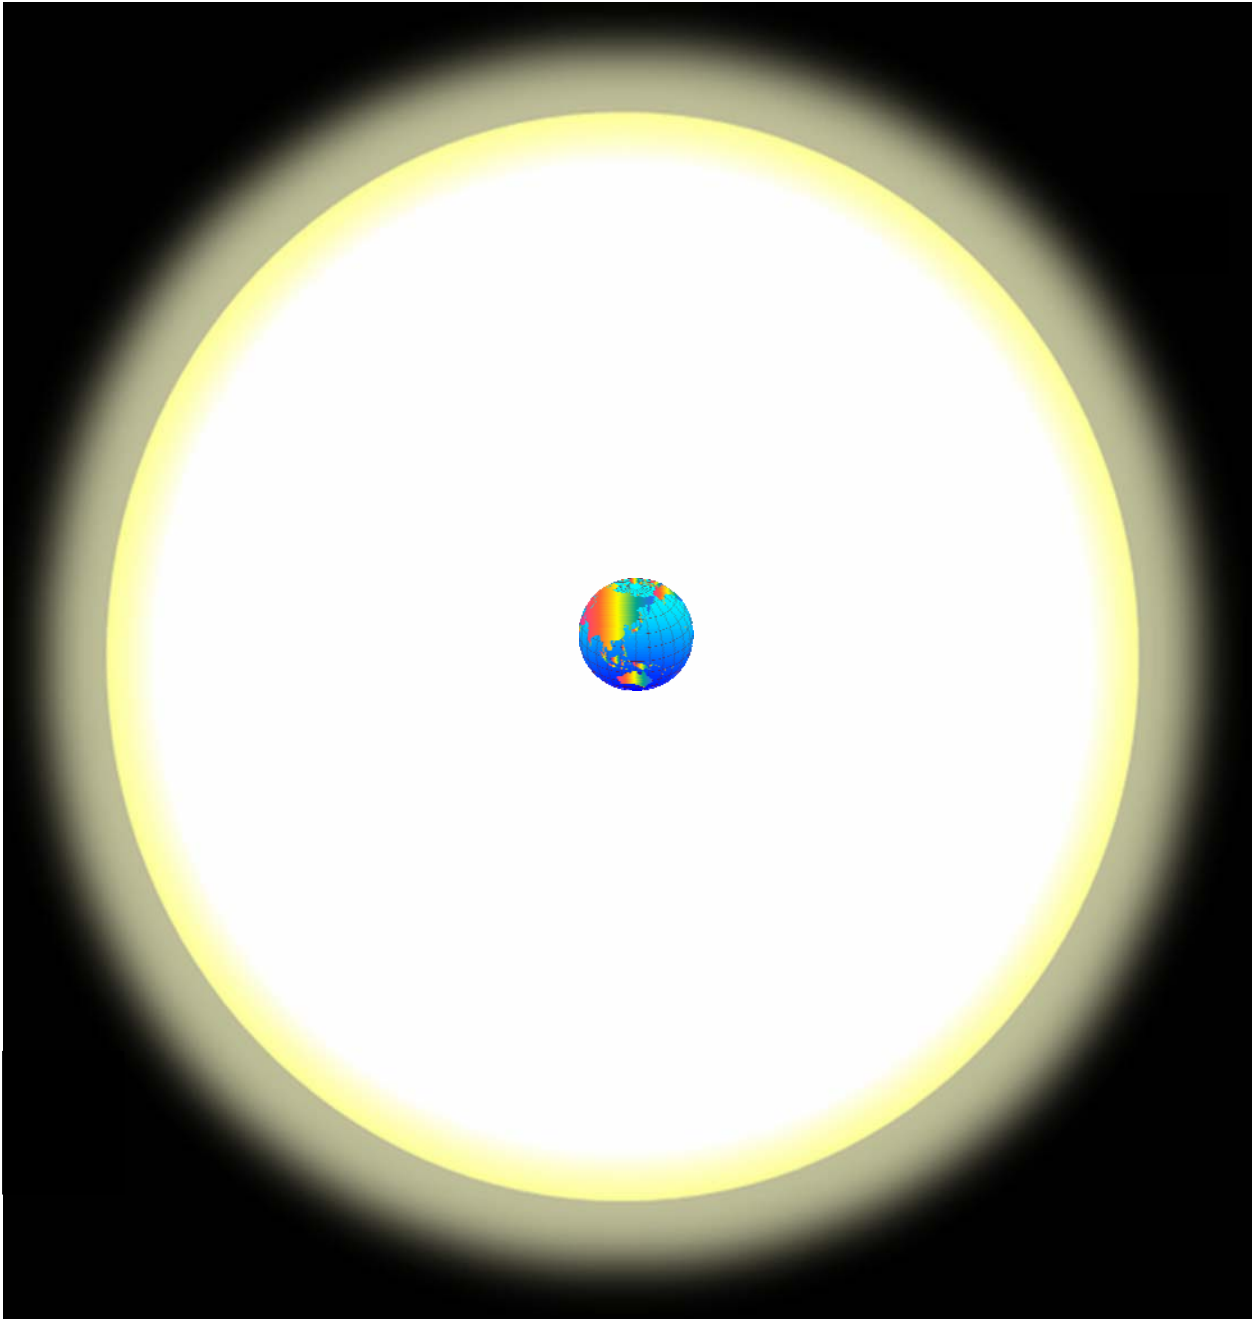

P E R S O N A L I T Y

**Our soul is the centre of our personality.
We are children of our Heavenly Parents.
Our soul manifests a male and female personality - it is a duplex!**

The FIRST NATURAL LOVE SPHERE:

- a. **Blankets Earth.**
- b. **The first Sphere is like this surrounding the orbit of Earth around the Sun.**
- c. **The first natural love sphere is massive. Should all the souls that have been individualised and are yet to be individualised (incarnated) remain within the 1st natural love sphere, then there is more than sufficient capabilities for them to be accommodated.**

39. The moment of Truth

Hello to you, my name is Alexander. I have been a spirit for a few months now. I would like to describe some of my experiences living here. My passing into this human spirit world was sudden after a long battle with cancer. In the end I must say, it was a relief to me to pass, and for everyone else. I never utilised the time of my illness that lasted several years to consider my life after my life or to contemplate if there was a life after my life. I never really thought about it; I was too busy, but I probably should have, and I would have to say that it definitely would have helped me.

I woke up. I was in a withered condition though I knew myself to be who I always was when living my human life. For the first time in a long time I felt no physical pain. I was in a nice place that had several items like beds. The beds felt soft and comfortable but it seemed that they appeared to be floating on spirit 'air'. There were nurses present; this is the only way I can describe them. There were men present but not like doctors in a hospital. Both nurses and these men were like peaceful counsellors. As I awoke, they came to my side and they told me where I was and what had happened. It seemed like a miracle to still be alive. The counsellors told me that I was okay and to take my time in my new awakening. When they spoke to me, it was like speaking to any person in a position of responsibility. They were warm, friendly, caring and trusting people. I knew instantly that they were people even though they were slightly different in appearance.

As I lay in my floating bed taking my time and environment in, I felt strange recognising that I was without a physical body. Although I was weakened due to my illness, I was surprised at how quickly my energy returned. I felt sad that I didn't have a physical body any more even though it had been ravaged by the disease. I still felt as though I had a physical body, I thought to myself this must be how an amputee feels like when they have had an appendage removed. My thoughts turned to my family, and I wondered how they were doing and if my funeral had happened or not. I wondered what I looked like lying there on that floating bed. A counsellor spent a lot of time providing me with information about these events that were unfolding. I didn't feel panicked or riddled with anxiety about my experience. I was told that I now lived in my spirit body; a body that had travelled with me during my human life, a body designed for the personality to live in here in the spirit world. This body was my new temple and I was also told it was made for the spirit world and would adjust quickly. I asked who made it, and the nurse informed me that it was God's Handiwork. I didn't understand it but I accepted the Truth of what the nurse said. The spirit body is a brilliant piece of work.

My spirit body felt strange to me to begin with but then as minutes passed I felt comfortable in it. I had all my normal senses: sight, sound, feeling, touch, memory, language and mobility. All in all, I felt like me. The two strangest things were that I felt free of the disease and I had survived death. I could accept the spirit body quickly because I felt so good in it. It's like drinking a glass of cold water on a hot day. You just know it feels good and it is good for you.

There were other people like me in my environment. We spoke to one another and this helped with our integration. We were speaking the same language and from the same country and there were only a few of us. The most impressive thing was that the counsellors were so normal and loving. They gave comfort and confidence to us. Over the coming days so to speak, I spent my time resting absorbing my

new environment. I had a sense that I was close to humanity, to the peoples of the Earth, but I couldn't see it nor could I hear it. The counsellors told me that this environment was the closest spirit environment to Earth. I contemplated my passing and wondered how my wife must be and my two children. It was almost too difficult to think about. Life had changed now; it was never going to be the same.

I realised as I looked over my spirit appearance that I appeared in image like I was back on Earth only a man in good health. I was a little shocked to see that my spirit body was without reproductive organs, this felt strange to say the least. The counsellors told me that there was no need for them here for the active part of reproduction and digestion and pleasure were no longer part of a spirit's life as a human recognises this to be. They told me that I could experience pleasure and that the spirit body has this sense, but the intimate sharing of love was expressed differently here and since there is no procreation here I could see the truth of why the spirit body didn't have this appearance.

It was of great relief to me to know that my memory functioned well. I had all my memories even the memory of my illness. I realised quickly how important memory is and I spent time involved with my memories and studying them. I didn't realise it at that time of studying my memories that I was beginning to change my perspective. I was adjusting to living life as a spirit. The counsellors would go with me when I left the sanctuary so that they could instruct me how to move and socialise as a spirit with other spirits. I knew these spirits as people and there was no difference other than we all knew that there is life after death and this awareness is very present as part of the humanity that resides here. We all had our stories to tell and we all shared them and we all listened as each person told their story and no one ever interrupted.

As for me now, I carried on. I gained strength every day but as I got stronger the missing of my wife and children became stronger. Realisation came to me that there wasn't much I missed about my human life. I thought I did originally, but the truth of it was I missed my family. I knew intuitively that I was never going to return to Earth and live a human life again. I have met some people here who still hold their belief in a reincarnation of themselves, but as we look into each other's eyes we would both know that that was never going to happen. They hold onto this belief because they can't let go. Their sadness keeps them bound to their belief and to give up this belief is to recognise and to accept that their human life – a single life – was lived and has ended. It is quite distressing to see these individuals cling to their beliefs.

I realised that it is best to accept what has happened and leave it at that. I think that I had no idea about the afterlife and that helped me. I didn't live a spiritual life with lots of beliefs given to me that I had to believe in order to be of a spiritual following. It must be quite difficult for these spirits to let their beliefs go when their life's philosophy has been formed around such a belief.

As a spirit, you can feel the gravity here and you just know that it is impossible to be born a human again. There are structures here formed with solid energy. It is not concrete but these structures are strong. After a time I made some friends and I took up residency in a nice little place. I still thought much about my past to be perfectly honest, I was a little disenchanted with my spirit environment for I lived, or felt I was living without a purpose. I feel calm and relaxed for most of the time and all I do is think about my human life.

I didn't go to my funeral; I didn't know how to get there. I was told by my counsellor that he could take me to the surface of the Earth and that my condition would enable me to do this. I didn't know what he meant by condition so I let the conversation rest. I had closure; I knew this beyond reasonable doubt. I

still felt in love with my wife, having seen many people die I knew what my wife would be going through. I was a physician working in extreme human conditions.

I wondered about my future. This was a positive sign for my old true self was resurfacing. I needed a challenge. The only thing that concerned me now was the suffering my wife might be having, there was nothing I could do about it. I thought about mediums and hoped that she might go to one, though ironically I never believed in them, and yet here I am conversing with you! It is all about perspective and perspective you learn about very quickly.

There was nothing I could recall about my transition into the spirit world. My counsellor told me its ***God's Transitional Space***; I understood this to be true even though I didn't understand what he meant by this. By habit I still live according to human time. I don't eat any food; my spirit body absorbs energy from an illuminatory light here. It is like my body is being sustained with energy even though I have memories of eating and drinking.

And then, just like that I settled! I accepted my spirit life and thought I needed to do something about it. I started asking questions and wanted to learn more about the constitution of my spirit body, my body now. I didn't find it necessary to learn about the history of the Earth; I was a physician, I couldn't heal my self, excuse the pun, but I wanted to know how my new body worked. My counsellor told me that there was this thing called Divine Love. I had no idea what he was talking about. He said that he had experienced this Love and that his service to this Love was to help people like me. He mumbled something about compensation but I didn't know what he was talking about.

My counsellor was a lovely fellow, a decent man at heart. It was time to say goodbye to him and to find someone who could teach me about the things I really needed to know. My counsellor suggested upon our handshake of departure that I should go to a space where there was always interaction with individuals who 'do know' in spirit what is going on. I went to this space, a nice place of space and listened to a brighter spirit than I, who was answering questions to individuals who like me, who needed to find out the Truth about what was going on. It was then that I realised that this individual was a true teacher; it was also the moment I realised that I must become the student again.

This individual has taught me much about who and what I am. I have accepted the Divine Love realising that if I hadn't I would have stagnated and never really accepted that my human life was over. I believe other spirits have revealed much to you about the spirit body, and you can spend a long time studying this body. It is a remarkable piece of organic engineering created by God. I love God now – why wouldn't you when you know what I know now! If humanity knew now what I now know, it would be changed forever. Humanity would live as a collective community celebrating its diversity, independence, and collective togetherness. There would be no more wars and everyone would be working toward the same end to secure the needs of every man woman and child.

To end my story I did go back and see my wife and two boys. The brighter spirit came with me and helped me travel so that I could be in the surface of the Earth near by my wife's side. I sent so much love to her that I hoped she received it and my two boys are strong and happy. These are the facts about human relationships and whilst sad, it need be said that we are when we are at our best, living examples of love.

Thank you for receiving my words and a special thanks to Saleeba for helping me converse with you.

53. James on the spirit body

I am still with you, I would like to write a little more and you have both provided me with this opportunity.

The spirit body is made from a particular spirit-energy that only the Father can produce. The spirit body is a miraculous creation when you think about it. When you consider how many people have lived on the face of the Earth and how many more people there are to live on the face of the Earth, every single individual begins their human life with this attribute for possibly all eternity. The soul is always given top priority, the soul can be changed by the Divine Love and the attribute of finite souls that incarnate to commence their individualisation are formed by the Father too. The spirit body is a miracle of creation. It can receive the changes experienced in the soul from the Divine Love so in effect, the spirit body is able to interpret the changes within the soul that are taking place from the Divine Love and perfection of one's natural love so that it too can mature with this information and energy.

If one were to consider why people have identified spirits in the spirit world as being spirits, it is because of the appearance, identity and reality of a body of spirit, the spirit body. The attribute of spirit body can exist when it is not living in the spirit world. This is proven by the fact that it exists to begin with in the physical world with its relationship with the soul present and the physical body. The spirit body is so durable that it doesn't have to live solely in the spirit world to survive. That time will come for the spirit body to live in the spirit world, when the physical body drops away, its purpose fulfilled and the forming personality transitions completely to take up its residence encloded in a body of spirit, the spirit body. The attribute of energy that forms the image and functioning attributes of this body is derived from Spirit, a unique form of energy specifically created by the Father by the sole purpose of engineering and energetically maturing the sum total of the attributes that will facilitate the survival of the personality and soul. The Father has a blueprint that determines how this spirit body is to form, why it has to form and how it is to function so that the attribute of soul and forming personality can be protected in it whilst the forming personality is maturing through life or spirit experiences.

FEELINGING HEALING with DIVINE LOVE being AVAILABLE is our SALVATION:

DIVINE LOVE is the ultimate high octane super fuel to transform our soul into that which is Divine. Loving in all that we then do. With Divine Love we can progress into the Celestial Heavens, without it we can not. Ask and you will receive.

We are created with the substance of that which is not Divine, and that is Natural Love with its various aspects that reflect through our personality.

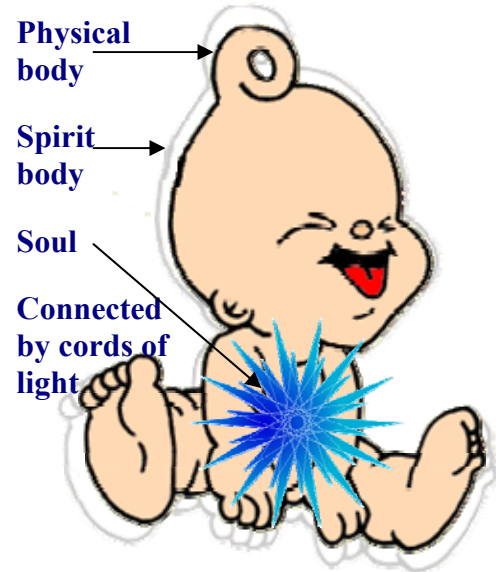

The Divine Love is far more powerful than the natural love. If I would have to put a number on how much stronger, just so you can understand what I'm trying to say, I would say 10 or maybe even 100 times. Of course this is purely hypothetical because natural love is only a derivative of Divine Love so it is almost impossible to compare them this way. If you ask for the Divine Love to enter your soul it will be 10 or 100 times more efficient, 10 or 100 times stronger than if you would let the natural love flow through your soul. So it will help to break down "the wall" you've created around your soul 10 or 100 times faster than the natural love would do.

John (Apostle) 19 January 2015

A newly individualising soul is just a tiny invisible spark.

The soul connects by cords of light to the spirit body, never to be separated.

The soul manifests two personalities, a female and a male.

The spirit body can mature when the individual is maturing in the spirit world. You received a message recently from a beautiful person who matured here in the spirit world to full maturity. I have met many of these individuals, so I know that the spirit body has acted perfectly to its specific function.

Man has worked out themes relating to the evolution of species. The key aspect in this field is to identify that with humans the full expression is identified as: the evolution of the human species and survival of the personality. This brings both aspects into the spotlight, the earthly organic and the spirit organic which in truth forms the complete and whole human.

The spirit body with its attributes does connect with the physical body and the soul. This body of spirit formed and caused into existence by an action of the Father's attribute of Spirit and Law that manifests this energy, doesn't remain isolated from the soul and physical attributes. It can't! The simple reason being that the spirit body needs to acquire the personality which is inclusive of memories and other human experiences, so that when that time comes for the spirit body to come into full action in the spirit world, the adjustment of personality can be complete.

I, with many Celestial spirits who discuss about how the Father has formed all these aspects into existence have concluded by what we have seen, that the gap between the end of human life and the beginning of a spirit life is the Father's Gap where a transitioning spirit body is acted upon by the Father's Spirit Laws that can adjust the personality and soul into the spirit body so that when the individual awakens in the spirit world irrespective of their soul condition, the personality has survived physical death and the individual awakens intact and not fragmented. Only the Father can act with such precision in this period of transition and adjustment. There are so many variations within each human individual to do with abilities and disabilities, and the integrity of individual's attributes such as mind and cognitive ability that only the Father can set each personality with its soul and spirit body to the exact needs of a good condition of personality so that in the spirit world, the individual is not deformed or minus substantial segments of their human experience. It is paramount that information survives human death for the purposes of the individual being accountable for the way they lived their life and being able to progress. Equally, those individuals with severe disabilities need to be restored mercifully so that any such disability isn't deemed as a conditional aspect of their spirit life. I have seen individuals with severe physical disability that has effected the forming of their personality through the duration of their human life arrive completely restored as if their physical disability never happened.

James the lessor, brother of Jesus the Master

72. Time of Transition

I would like to write on the wonder that it is to see a person arrive in the spirit world! I am a spirit who assists individuals when they arrive here. I also attend to the needs of infants when they arrive here. I know that most of humanity lives without the knowledge of this miracle, knowing that the individual personality survives death and the spirit body and soul arrives intact! I see newly arrived souls in their time of awakening into this new life. I am very aware of the loss that people experience when a loved one passes from their human life. I am also aware that individuals pass and they are alone, without anyone on Earth loving them.

There are arrival stations here in the 1st sphere (spirit Mansion World). These stations are all throughout the 1st sphere and they have been in part, established by the Father and in part established with the help of Celestial spirits. These arrival stations are extensive and the Spirit Laws exact the transitioning spirit body to the necessary environments for the individual to safely awaken. The 1st natural sphere is not an environment where spirits who are already living here, are suddenly seeing a newly arrived spirit simply popping up in front of them after their human death! The 1st natural sphere is situated closest to the face of the Earth and is the only sphere that receives human personality immediately after physical death. Most individuals arriving here have little knowledge that they are now in their spirit body, and that their personality has survived its human death.

It is a miracle to see how the spirit body simply appears intact! Quite literally, one moment the person is not there; in the next moment they are there fully formed and unconscious, unaware of their arrival and then when the Spirit Law deems transition complete, viola! They open their eyes!

I don't actually see the ending of a human life. I am finite and I cannot be in two places at once. My service is to see individuals appear and to assist them in this early phase of adjustment. I never judge the condition that an individual is in, I can tell instantly the life a person has lived on Earth for their spirit body will reflect their true soul condition. The Spirit Law of Transition acts and does its job perfectly so that **every** single soul living on Earth makes this transition to these stations of sanctuary and the beginning of a spirit's life. When a person is reconstituted, by the Spirit Law of Transition so that the personality and the spirit body are functioning seamlessly, the individual spends a little time coming to terms with the fact that they died and survived. Integration happens so that the individual learns the rudiments of becoming a spirit, and once this has happened another Spirit Law acts upon the soul with the surrounding Law of Compensation, and an unseen gravity attracts the spirit body to the sphere (and its plane) where one is to reside in a harmonious environment. Other than Jesus, to date there has not been a soul who has transitioned into the spirit world and who, by receiving Divine Love in their human experience, can enter the Celestial Heaven straight away. I do believe that now people are aware of the Divine Love and as information about soul condition becomes more identified, I have no doubt that I will see souls in good condition who can enter the Celestial Heaven when leaving the arrival station in the 1st natural sphere (1st spirit Mansion World).

The spirit body arrives in the 1st natural sphere in the (Mother and) Father's Time. It is always perfect. It is a miracle to see the spirit body appear. At first it appears to be floating, like on the lightest air. We then adjust it as the field of spirit gravity takes effect on the spirit body, and then the individual is resting on a bed-like facility of soft energy. As soon as the spirit body is released from the Spirit Law of Transition, the spirit body comes under the influence of this field of **spirit gravity**, which is a constant gravity field that exists all the way through every sphere, and is created by the Father so that a sense of

weight and time places the spirit body *within* the spirit world. Without this gravity field the spirit body would have little substance and form in the spirit world and one would really be floating. The key as to why this gravity field of spirit energy exists is to understand that it is needed so that spirits can move!

It is obvious why each individual is unaware in the *Time of Transition* from the human world into the spirit world. If one were conscious during this time, it would cause a shock or trauma to the psyche of the individual that may be hard to undo when a person arrives at the station. So few people have any cognitive awareness of their spirit body and soul, let alone the real workings about the survival of the human personality. Most of humanity has never been exposed to the information we are revealing to you and so, in the evolution of the human species people live without the consciousness derived from having any awareness about the workings of such things. People are too busy being people and that is quite okay! The Father has mercifully ordained it that people are to be unaware during the time of their transition. There are those who work along side me, their job is to make the spirit feel at ease as the individual comes to terms with the fact they are still alive and that ‘something’ has happened. The great education about what has happened, why it happened and how it happened begins. This includes the counsellors helping the individual accept their life as a spirit and a familiarisation with their new environment, their spirit body and the spirit world. Without our assistance people would go into a catatonic state; they would freeze with fear. If a person were to drop dead and then instantly awaken in the spirit world without anyone to console them, this would have devastating effects on the personality. The Father has not formed a Spirit Law that transitions people into the spirit world depositing the spirit body, personality and soul in a random manner and dispersed randomly through the spirit world. Thank God!

The time after transition is such an important time for the wellbeing of the personality. The Father is so perfect in the way that the spirit world formed, that an individual cannot cause any further compensation by the way they may react when realising they are in an unfamiliar body in an unfamiliar environment with strangers telling them that they have died and now they are a spirit. Our service here is extremely important and we handle each individual with the utmost care even if the individual lived a retched life on Earth and did terrible things. There is no Law system created here by the spirits. There is no judge or jury to decide the fate of a human life lived. All the progressed spirits know that the Father’s Spirit Laws act and each finite soul condition responds to this act so in this way, each individual has set in motion the life they will live and where they will live when they enter the spirit world.

Not all human deaths are as simple as passing away in your sleep. People arrive here from a diverse range of experiences that end a human life. You and I know this is true. It doesn’t matter if you believe in God or not, the result will be the same. You will arrive here. Even if humanity had evolved with an extensive knowledge of the spirit world, the Father has made it so that a transition is to happen.

The Master Jesus was unaware during his time of transition from his death to his spirit life. I am told that when he awakened he was weakened from his traumatic death but his soul condition was so good and his awareness of this world in faith so true, that his resurrection happened in moments to when he then ascended to the Celestial Heaven. He then returned to be with his close friends on Earth to which he then ascended and visited each sphere that constitutes the entire mortal spirit world. It is known here that when Jesus arrived in the Celestial Heaven he was the only individual there and in the last sphere of the Celestial Heaven, he met with Gabriel, and also he prayed to the Father. There were other spirits living in the spirit world of course, for humanity didn’t commence with the life of Jesus. Only the Divine Love and the Spirit (Holy Spirit) that conveys this Love was a living potential again when Jesus lived and so, by the time Jesus arrived here in the 1st natural spirit world, a few spirits had commenced their receipt of the Love but until Jesus was living here no spirit had progressed to become resident in the Celestial Heaven. They didn’t know how to do this without the Master’s guidance.

When you take all things into account a human life is about love. I know this, the Father knows this and Jesus knows this Truth. From a human perspective the immense drama that follows death for the human living and the spirit living is a story of love that involves human relationships. I will say this: never give up on the human spirit that rests in the human heart to overcome adversity. Every single spirit that now resides in the spirit world has passed through this Time of Transition perfectly loved and assisted by the Father. Let me tell you that you are in no better hands, care or keeping. When you look about at the individuals in the spirit world, there are many spirits enjoying their life knowing that at first it was a shy experience but now, they are thriving. Be forthcoming with your love and enjoy every single little positive gift that you experience each day. A human life is a gift that one must never take for granted. Tomorrow when the sun rises, there will be those who will enter the spirit world their first and only time. There will be those of us who will assist you and you will feel our love and you will know that love truly survives death and love cannot die.

My last word is a testimonial of Truth. This I say to you, do not be afraid of the Divine Love. It is pure and true. Into your soul receive this Love and like all of us here living with this Love, let us go shining toward spirit, the Father.

Matron Clark

73. The service of Sister Anne

I would like to add my voice to Matron Clark's testimonial, I am a Sister who works along side her; I am being taught by Matron Clark how to assist with the people who arrive here. I was assisted and this aided me greatly in my adaptation to my new spirit life. I strongly feel that my vocation is to give back and to help assist the arrival of individuals as I was assisted. Matron Clark has worked tirelessly. She is well loved and respected. She has assisted many people as they arrive here, to adapt to their new life and she has taught many individuals, such as me, how to assist in this service of love. As soon as I arrived in the Celestial Heaven I returned to the 1st natural sphere (Mansion World) to commence my service. You could say that this service is my true spirit calling.

Helping spirits adjust to their new life here is quite a responsibility. I work along with counsellors who provide assistance to these arriving individuals. I, like Matron Clark see this arrival of the spirit body as a miracle. The care we take at helping these initial arrivals, and do so without judgement of a human life lived. It would be impossible for me to know the details of every single person I meet, with respects to the way they lived their life and what brought about the end of their human life. Some individuals divulge this information whilst others keep it to themselves and are silenced by the fact that they are still alive having survived their human life.

The Father knows the condition and journey of each soul. I can read the condition of the spirit body so I have a pretty good idea of the way each respective person has lived their life. I have learnt that the Father brings the spirit body and the soul and personality in that spirit body, from the end of a human

life through this Time of Transition for the individual to then appear then where I am. Those of us who provide our service to assist the arriving individual provide this service with the utmost respect for we know that we are working harmoniously with the Father at this time.

There is more to all of this but I have said enough now.

Your friend and with love,
Sister Anne

74. A safe arrival

I would like to add my voice to this subject. From your point of view, this may all sound quite unbelievable; from our experience it is fact and true. I along with all the other spirits who have communicated with you have passed through this Time of Transition. We live with this awareness and we can see where we have come from, which provides us with a true perspective of the continuity and survival of the human personality and life. You need to keep in mind that what we revel in these communications has been going on for a great length of time. What we are revealing to you hasn't commenced as an action today. To us, every individual who is living on Earth will one day experience this same transition. From your human perspective the identity of this transition and how it will happen is yet to surface in human awareness. It is for this reason this information is so essential and needs to be given to help the evolution of human awareness.

There is nothing more wonderful than to see a person open their spirit eyes for their first time and to know that the Father has safely delivered them here.

Tony

75. A turning point

It is I, Luke. I am glad that you have been introduced to the experience of Transition. This is an important moment in the life of an individual and so it has been necessary to shed light on what transpires between a human life and a spirit life.

For those of you who are interested the forming spirit body offers a progressive evolution in the human species and awareness. I know that there are those among you who are interested in evolution and creationism. The existence of the spirit body will provide you with a point of reference to gain more vision about the forming and survival of the mortal personality. It is quite a moment when one can begin to piece together the full extent of the spirit body so that the attribute of human awareness can begin to open and include the evolving stages of a human life, and then transition of the spirit body and the progression of a spirit body and personality in a spirit's life. Having this information will mark a turning point in the development and evolutionary aspects of awareness in humans.

Your friend,
Luke

ENVIRONMENTAL DESTINATIONS:

The predominant emotional aspect of each person is clearly visible through one's spirit body. One's soul condition is basically the average of one's emotional makeup. Those with the same appearance will find themselves together having the same emotional / soul condition. Those reflecting a higher level of love will find themselves in a more beautiful and brighter location than those with a poorer soul condition who may find themselves in a dull and dreary location.

From there, we can all develop our love and progressively advance to ever increasing in splendour environments, referred to as planes.

ENVIRONMENTS within SPHERES:

The First (1st) Natural Sphere is one Sphere that is enormous and it consists of many environments. It is an enormous Sphere for so many live in a good condition of natural love and this is the Sphere that receives every human life that enters the spirit world. There are spheres in the Celestial Heavens, Eternal Spheres, Infinite and Universal Spheres, that are larger in space, but have less population residing there.

Within the spheres, one's soul condition determines what location one is destined for. At all times, the environment is harmonious for one's soul condition. Thus, spirit people with very similar soul condition will be together. This creates many communities, each being harmonious for a specific soul condition level. In this way, the 1st sphere consists of many locations that could be considered as nations, however within each spirit grouping that community consists of only one soul condition level, whereas on Earth we have saints and sinners all living together. People cannot determine or assess another's condition, nor can they assess their own soul condition.

It has been said that there are many spheres within a sphere. The truth is that there are many environments within a sphere, much like there are many countries and have been many cultures that have lived on all lands of the one single Earth. There is only one sphere with many environments and cultures living in each Sphere.

A spirit cannot be attracted to an environment or another spirit in which the individual is out of condition to do so. The essence of this is that no spirit can injure another spirit or can put one's self in harms way or travel to an environment that will be harmful to the spirit-senses of that individual. This is part of the way that God, Source Soul, maintains harmony in the vast populations of personalities residing in these tremendous spheres.

Generally, as soon as the individual accepts the Divine Love, the individual begins to advance their soul condition and as the attraction of the Spirit Law of Compensation diminishes, the soul condition of the individual enjoys the feelings of harmony produced and changing environments. The purpose of the Divine Love is to enable the individual to live in harmony with God.

The poorest soul in condition can still receive the Divine Love. No human or spirit is ever beyond reach of it. There is no eternal damnation.

84. Counselor Dave

I am with you again as you have asked me to write some more. I will happily oblige. Relationships here are as important as they are where you are. Simply because one is now a spirit doesn't distract from the fact that we need to feel loved and not alone. Spirits need to feel connected to themselves. Obviously our environment differs as we live with organic living spirit-energies. The personality is still very much intact and requires company and companionship; spirits need to express how they feel and spirits express themselves through relating and relationships.

The reality of relationship differs here for we can see that we may still be in relationship with those living on Earth and to us, these relationships are real and concrete. To a person living on Earth, the end of a human life may leave a relationship dangling like a nerve ending without any closure or any vision to the real survival of the departed individual. The spirits here require assistance as they come to terms with their relationships. There are so many permeations that we do our best to assist the individual so that they can adjust to this new stage of their relationships. The relationship with one's self is very important. Individuals need time to adjust to these changes until they feel that they have accepted these changes and feel settled within themselves.

It is an obvious thing to say, but none of us are paid for our work. There is no currency here only loving service that we provide to assist our fellow man. There are counsellors who travel with the Celestial teachers to the lowest spheres to work with the depraved who reside there. I may describe depraved to mean simply living without love or hope.

There are specialists that work in specific fields to assist certain individuals who have suffered from severe trauma or a mental disorder or a severe disability. There is a vast spectrum of conditions that individuals have found themselves in, when entering their spirit life. These specialists are so advanced in their soul condition, which includes living with Divine Love, that they know everything that there is to know about the constitution of a mortal personality. These specialists can work with specific Spirit Laws that assist in re-tracking parts of the psyche so that the personality can then function within normal parameters. As you know, the Father does most of the work in the *Time of Transition*, but I will say here that the Father leaves the soul condition intact and doesn't improve the soul condition if that soul condition is with great need for compensation. The Father doesn't delete the very causes of very poor soul condition, which does affect the condition of the spirit body and overall condition of the personality.

In the end, this new beginning of a spirit's life is a time of contrasts. Each individual will be given every opportunity to function with love and so we have a lot of work to do in our service to help those who are starting out in their spirit life.

Dave

P.s. On a small note, there are counsellors that help spirits who feel a loss with their pets. Many people love their pets and have a passion for the wildlife and marine creatures on Earth. The creatures of Earth cannot survive here. Many people would like to think that they do, but they don't. Many spirits feel at a loss over this and so we need to comfort them so that they don't lapse into a solemn wilderness alone. The wilderness of sadness can be indulgent, creating stagnation. These counsellors were once pet lovers themselves or people who loved the great outdoors so they can well understand feelings of such loss and thank goodness that the spirit body retains memories!

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

SOUL:

The Real You is your soul, you are one ‘half’ of that soul.

Each half of the original soul incarnates a spirit and physical body simultaneously, they being connected. The soul expresses each of its two personalities as a woman and man. True soulmates are always of the opposite sex.

Sexuality is an attribute of the two personalities the soul expresses; the soul itself does not know sexuality.

The soul connects to the two spirit bodies it has created by ‘golden cords’ of light; and the spirit body is in turn connected to the physical body by ‘silver cords’ of light.

The spirit body is your astral body. The etheric is really the body that is the template for the physical and one that doesn’t hold consciousness.

The soul remains invisible to the spirit and physical bodies, only being discernible by its luminosity through the spirit body.

88. The Transitional Space

I have returned to convey a little more. I have not seen any evidence of any existing Astral Plane nor have I heard from any spirit that they have seen an Astral Plane. There are no planes or fields of existence between the Earth and the spirit world. The only space that exists is the Transitional Space that allows the Father to transition the personality into the spirit world. Once you have passed through this Transitional Space and your personality is formed and housed into your spirit body, there is never a return to this Transitional Space. Spirits such as I can move from my sphere to be by your side, but in no way do I interfere with this Transitional Space. I cannot perceive this TS or how to re-enter it. Like the soul that incarnates, like the spirit body that transitions from a human life into the spirit world, the Father has spaces where only the Father participates with the attribute of soul and the attribute of spirit body.

People are free to imagine all kinds of spirit reality and they do. But the truth of it is, you need to understand the nature of personality and how it is formed and survives its physical life to thrive in its spirit life. Once you understand this, then you are free to see the way the Father has established the real Spirit workings so that the spirit world functions in a harmonious manner and the personality is secure to continue its existence in these spirit environments.

Thank you for receiving my message.

102. The Love means so much

My name is Alexandria; I am with the Love. The Love means everything to me now. I am still figuring out the Source of this Love, this takes a little time to do. When you live a long human life, then experience transition and integration to a new spirit life, then introduced to another whole Love and potential way to live soul-spirit life you quickly understand there is a lot to take in! The brighter spirits seem to know the Source of this Divine Love really well. They have personalised God into the living Father. I have yet to reach this stage and to accept myself referring to the Source of this Love as the Father. These brighter spirits have guided my short experience with the Love. They encourage me and have informed me that I will personalise the Source of this Love as I continue to accept this Love into my soul.

Much love and good wishes to you,
Alexandria

119. Living without faith

I am a spirit who lived without any faith in my human life. I would just like to state that faith is necessary with the Love. I needed faith when I first became aware of the Love; a faith in myself that I had the confidence to ask for Love, a Love that I knew nothing about. This may sound strange to you, but even though my life had changed because I passed away transitioning into the spirit world, having settled as a spirit I had gone through much change since the ending of my human life. But, I still was afraid as a spirit to change again. The Divine Love represented change on a soul scale, something I knew nothing about. The bright spirits guided me unconditionally. Without their help I would never have embraced the Love. You all need help and that is why these bright spirits have assisted us to

communicate our experiences to you. This is a case of the Celestial spirits having taught and guided us, and now this part of spirit humanity is teaching and guiding your humanity. And, it is all about love.

Denver

120. Living with faith

My name is Ruth. I was a Sister in an organised faith back in my human life many, many years ago. In my passing into the spirit world I had lived such faith in God and love in God that when I awakened in the 1st sphere I was unafraid and peaceful. I smiled as I opened my eyes, seeing life again for the first time. Those who greeted me were compassionate lovely spirits, they welcomed me and I felt safe.

I had received the Spirit that conveys the Love into the soul in my human life. As I settled into my spirit life I was taught that this was the Divine Love. I could feel this presence of the Love in my soul. My passing into the spirit world hadn't changed the Divine Love that I had already received. I needed as a spirit, to continue my relationship with God and so a Celestial spirit guided me to the 1st Divine Love sphere. I had no compensation to speak of; my natural love essence was pure and perfect in my condition at my arrival to the spirit world.

I would like to add that in my human life I was a virgin all my life. This was my choice and the faith I lived in supported this choice. I was happy with my decision. In the 1st Divine Love sphere I changed the way I referred to God. God became living and so I now refer to God as the Living Father.

I progressed to the Celestial Heaven and on the way I met with Jesus and I understood his teaching as he clarified it to me, about the reality to 'be born again'. I realised as he quietly spoke to me, that this teaching infers the transition from the natural love into the Divine Love, which I have undertaken. Now that I know that I am living with this Love and that I did have this Love when I lived as a woman on Earth, my soul is the attribute that has experienced this new birth. My spirit body is shining and I now live in the Immortality of the Father's Divine Love.

Gracefully yours,
Sister Ruth

121. From the 1st lowest sphere

Hello, my name is Alfred. I have a few things I would like to say. When I became a spirit I missed my human life immensely. It took me a long time to accept that my life was over, even though I was still living. I lived a full human life. I had no preparation at all for what was about to come. My soul was unknown to me, which caused me problems living here. I am doing better now, but this whole experience I found confronting. I am able to write to you, I am having assistance from a brighter spirit. Without his help I couldn't communicate with you. I have made a little progress from the 1st lowest sphere. I lived in a poor condition there with other spirits in the same condition and it was unpleasant. I now reside in the 1st sphere thank goodness! At least I have made an effort.

As you can see, I know nothing about much. I still feel quite miserable. I have all the memories of my human life and I can see how arrogant I was in my life. I was completely materialistic, wealthy and I enjoyed my power and I used this to manipulate other people to a positive or negative effect. Here, I own nothing, only my memories. There is nothing to own here and you cannot possess any of the

structures of these environments. I will accept the Divine Love in my future here. I don't want to go back to where I have come from. I have no idea about the workings of anything here. I don't even know how I survived my human death. The spirits who helped me after my transition I paid little respect to. I simply loved my human life more than I liked being a spirit. I didn't trust people so I owned them materialistically, that way I could control them. People just wanted to take my money, which I had plenty of.

I feel a little better having spoken with you. I like having made contact with the living.
Thanks, Alfred

Earth is blanketed by the 1st Natural Love sphere at all times. 1st Natural Love sphere on the left is connected by portals to adjacent spheres, Natural Love spheres 2, 4, and 6 rising on the left in order, Divine Love spheres being 1, 3, 5, and 7 starting with 1 on the right. Those who arrive in the 1st Natural Love sphere and are still dominated by desires to cause harm to others and themselves may find their first lodgings in the Planes of Disharmony being 1 and 2, being planes of Earth. Our soul condition will determine where our initial lodgings will be in the spirit worlds when we first arrive in the spirit worlds.

Those who embrace Divine Love will proceed through the Divine Love Spheres and then onto the Celestial Heaven Spheres which are further in towards the centre of the Universe.

170. A helpful spirit writes

There is a lot of love for this young person. Scarlet has only arrived here recently. I assisted her with her effort to communicate to you both. Scarlet has a good love though misguided, misplaced and misdirected. Don't worry; we will look after her as we do with all individuals who require assistance.

You could tell how disrupted emotionally she was. Individuals passing over to this environment generally have much to contend with. This time of entrance into the spirit world is a dramatic time for many people for such are the human causes that have brought them here at the ending of their life.

The spirit world is a beautiful place only that many people's arrival here are under less beautiful conditions, so to speak. We receive people from all diverse circumstances and a lot of these people are very upset when they awaken after their transition.

I will write again in a minute,
Michelle

172. Safe landing

The 1st natural sphere is fairly close to the human environment. It's not like the human material environment but it is positioned and internally established so that this environment isn't extreme in its contrasted difference to the newly arrived individual. So many who arrive here are unaware about what is going on and what has transpired.

There is absolutely no way that a person upon entering the spirit world can go anywhere than arrive in the 1st sphere. (First spirit Mansion World) Even if a person is in a terrible condition when they enter the spirit world, this individual will not immediately awaken in the depths of the lowest spheres. This could cause further harm to the personality for the horrors they may see in the condition of others residing there. The same is said if a person is living with Divine Love or has lived a good natural life. An individual will not arrive in the Celestial Heaven or the Perfect Natural Sphere to commence their spirit life. The presence of Spirit input in the Celestial Heaven is so pure that this light could be harmful for the senses of the spirit body if a person were to awaken in a sphere in the Celestial Heaven.

Quite simply put, the Father hasn't formed the Transitional Spirit Laws that function between human death and spirit life to transition the various conditions of soul into the differing spheres immediately. The personality and ego of the personality needs time to adjust, for every human belief held by the person will be different than it really is and find themselves confronted because there is life after death – only this life is an unknown human reality.

Michelle

175. Convergence

Much has been explained to you about the 1st natural sphere. This environment is so important for it introduces the first progressive experience of a person living their life as a spirit. This sphere is the convergence of humanity and the spirit humanity, the dynamic being compelling for the drama that happens when a human leaves their human Earth experience and begins their human spirit experience.

When you consider in your studies about the spirit world themes that extend your awareness you need to take into account the relationship between the human experience and then the transition into the spirit world and this first sphere for this is where everything begins.

I cannot thank or celebrate the Father enough for overseeing the transition and how the personality of each human being is cared for and prepared to commence their spirit life. The Father is a wonder!

On one side, there are people who grieve for their loss and on the other side; there are spirits who grieve for their loss and what they have found. The Father attends to the soul. This is how the transition aspect

works. The Spirit Law of Transition locks onto the soul, which is the truest part of the individual, from which the spirit body that encloses the personality must comply with.

To provide you with a clear vision that you can consider as you explore the greater realities of Love and Spirit, the Father has established all the acting Spirit Laws that are involved with people and spirits to function at the fundamental principle of soul. The attribute of soul that each person has is the most substantial Truth of the personality. The Father acts in accord with the soul. This is the primary Truth of personality, and individuality from which the spirit body and personality must follow and comply in their forming with the soul that the Father acts upon, for example in a time of transition.

What I have taught you here is never more evident when one brings into the equation, the Divine Love. It has been taught to you before that the Divine Love is the Fulfilling of all Laws that a person or spirit will relate with in their progression and soul condition. Why? The Father has provided this energy that is specifically for the soul and this Divine Love is sympathetic with all the Spirit Laws the Father has formed that act with a human soul. A Celestial spirit is the living example of having received this Love and progressed through and with the assistance of the various Spirit Laws to attain a soul condition that is perfect and in total harmony with the Father. This example will reveal to you how the Spirit Laws always act with reference to the attribute of soul. There are Spirit Laws that relate with the spirit body and personality but never do these Spirit Laws act upon these two attributes in a way that leaves the soul out. From the Father's view of creation, you are soul first and primary and everything the Father does in action relates to this Creational Truth. People and spirits see themselves as personality first. The great transformation that has also been taught to you that are the changes resulting from you having received the Divine Love, in effect is the gradual realisation within yourself that you now see yourself and know yourself to be as the Father knows you in love, soul.

It is really exciting to know that some of you are embracing the Divine Love in your experience and so, you will realise that you are soul and that one day in the Celestial Heaven you will be able to look back and know that you lived this Truth right the way through the convergence of a human life and a spirit's life.

Thank you for receiving my words. I am a Celestial spirit who truly cares for the spirits who arrive here to begin their new life.

With love,
Michelle

PASCAS
HEALTH

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

Our Mother and Father simply desire for us to ask for Their Love.

The REAL YOU is the SOUL:

One's personality, natural intelligence, memory and human attributes all are soul based. The soul initiates conception so it can start expressing one of its two personalities in Creation. It creates the will, then 'wills' the spirit body and physical body and all that connects them with the will into being. Our soul constantly sustains or expresses us, one of its two personalities, in Creation. The spirit can't separate from the soul because the soul keeps it in existence. We need our spirit and physical bodies to experience our personality through. When the spirit body separates from the physical body, one continues on living in a different form without losing any of the attributes experienced during physical life. Incarnation is the process of individualisation of the soul.

Without a soul, our physical bodies would function and interact similarly to that of a domestic animal. An unsouled human body (thought not possible) would respond like a household puppy! Domestic animals calibrate on Dr David Hawkins' Map of Consciousness between 200 and 250, the human body calibrates at 200. All animals have spirit bodies, these do not survive into the spirit Mansion Worlds. Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some one million years ago (993,500 years ago). Adam and Eve, Adamite bestowals, arrived some thirty eight thousand years ago – or earlier.

Aman and Amon were the first True Humans, which means, the first soul expressing its soulmate pair, its two personalities, in Creation – on Earth. From which came forth the rest of us. So they had a soul from the start, which separated them from their animal parents. It's the soul that wants to fully express itself through its two personalities perfectly in Creation, which is the so-called 'human perfection hunger'. It, our soul, wants to be Perfect like its Heavenly Parents, the Soul that Created it. We, focused as personalities, want to be perfect, like the Personalities of our Mother and Father that are Perfect. Our soul wants to be like Their Soul. Our soul wants to ascend us to Paradise so we can be with Them, as physically close to Them on a personality level that we can be, and then see what happens.

There were aunts and cousins, parents and grandparents. But they were not human like Aman and Amon – they were really animals, though of the same species. Aman and Amon wandered off from the family, since they could find no way of relating to them at all. How could they? They were incapable of rational thought, speech, or anything human. Aman and Amon knew that forevermore that they were apart.

Aman and Amon may have been twins. They were indeed a primate species of humanoids. But they, themselves were more beautiful than their animal relatives, and they knew, even from their very appearance, that they were marked even by Nature to be different.

SUMMERLAND, etc, baby nurseries, generally within the highest planes of the 1st SPHERE:
Being organic spirit substances, flowers bloom all year round!

All unborn or stillborn babies as well as young children are nurtured into maturity within the realms of the spirit world with love beyond comprehension. They all arrive within Summerland, or similarly named facilities, and commence their spirit world journey from there.

1st SPHERE ASPECTS:
Summerland, etc, nurseries

Summerland, etc., are beautiful regions of 1st sphere.

Summerland, etc, are within the highest planes of the 1st mansion world / sphere.

There are 1,000s of plains in the 1st sphere.

Ambience of mid range plains of the 1st sphere is where the majority of humanity pass into.

2 Planes of Disharmony / Earth:
The hells are unimaginable places of darkness.
Consider you are stuck at the end of the deepest longest mine ever, on your own, without any lights!

1st SPHERE SPIRIT WORLD CONDITIONS:

The first sphere spirit world is the destination for all who shed their physical body, be it moments after incarnation / conception, or any time during gestation, or later on through one's life in the physical realm of Earth.

After a period of 'acclimatisation' of around three months in one of the many receiving station within the 1st sphere, one's soul condition will then determine the plane and location of one's living within the spirit worlds will begin.

The conditions within the 1st natural love spirit world range from the dull and dreary condition of a remote wild west township or an outback community in a semi arid environment all the way through to the most wonderful environment and conditions to be found on earth.

Thus, we are drawn by our soul condition to habitat in an environment that we have brought our own condition to be, and to live with spirit people of very similar soul condition.

Even though our arrival into a receiving station within the 1st spirit world sphere will be a delightful condition, as our memory starts to become active then we will find ourselves being drawn by the gravity that matches our soul condition.

If we are inclined to cause harm to others we will be drawn into the darker Spheres of Disharmony. If we are developed in the embracement and acceptance of our Mother and Father's Love we will most likely progress to the 3rd Sphere, being the first of the Divine Love Spheres to commence our Feeling Healing.

2 PLANES of DISHARMONY:

God is a God of love to even the vilest sinner, and when such a sinner turns to Them and prays for forgiveness and love he gets them both. Let me tell you further that the love of God and embraces Feeling Healing, when it enters into the soul of a man is sufficient to wash away all sins, and make that soul happy and joyful. Not even the most evil man who is guilty of the greatest sin need think that he cannot be pardoned, and made happy and brought into harmony with God.

God, being Mother and Father, loves all Their children too much to have them pass through such experiences as are in part of the teachings of many spiritual leaders and books. Evil spirits have to suffer for their sins and atone for every evil thought, but not by any such suffering as some books depict. Neither the hells of the churches nor the hells of such books exist.

The two Planes of Disharmony are places of isolation to prevent those who wish to pursue harm to others from doing so.

As such spirits are embroiled in harmful negative emotions, there is a progressive and gross lack of love and light in these spheres. The hovels that are physically assembled by these dark spirits progressively become lacking in substance reflecting the soul condition of these spirit personalities.

The two Planes of Disharmony are planes of Earth. There is virtual darkness prevailing on the 2nd Plane of Disharmony and the environment is one of gross desolation.

No matter what one's soul condition may be in, one can recover and progress to higher spheres of love and harmony. Many have progressed from the deepest of these 'hells' to the Celestial Heavens through embracing Divine Love and engaging in doing their Feeling Healing.

SHINING TOWARD SPIRIT:
538. Jesus and the Spirit World

Vol III, p. 48, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas
www.lulu.com

I am here to write with you about Jesus and the Spirit World. Let me begin by saying that the presence of Jesus was felt in the spirit world at the time he lived his human life. There were many spirits residing in the spirit world in each natural sphere, whom recognised that place Jesus had in the context of humanity, the humanity that lived on Earth at the time of his life and the greater humanity that now lived in the spirit world that had lived on Earth preceding his human life. There were those in the spirit world who were very capable in their ability to recognise that Jesus was the soul sent by the Father to teach all of humanity the way to the Father. The spirits in the spirit world who recognised the Truth about Jesus could see with clarity his teachings as he moved among the peoples of the Earth, but these spirits had the advantage of being in the spirit world and so, when Jesus taught and said things like, “I am not of this world” and “in my Father’s Kingdom there are many mansions” a large number of spirits knew what he meant and the Truth of what he said for these individuals who were residing in the spirit world that Jesus was referring to.

I was one of those spirits who resided in the spirit world when Jesus lived as a man and taught by the way he lived, teachings that involved living with the Father. I could tell as I listened to his teachings and conversations with his apostles and those closest to him, that he knew about our presence and the existence of the afterlife in relationship with the Father in the way that Jesus did as a man. I knew that he knew that the human life continued in the Father’s spirit world, the world I was living in. I had been in this spirit world a long time before Jesus was born and so, I – as many spirits were – welcomed his liberating Truths and presence. We knew here at the time of his human living, that mortal life in the spirit world had now changed forever. There were of course, many spirits who took no interest in the human life of Jesus, but there were many of us who did and we could see the unique experience of ‘this man of the Father’. It wasn’t until Jesus came into the spirit world that we could really embrace our own lives with the Living Father. We could tell very easily that Jesus was not God, for our objectivity being here in the spirit world gave us the clear sightedness that Jesus was finite and that God was Infinite. None of us here had liberated the Divine Love. This was part of Jesus’ purpose and until he lived the life he lived, we here in the spirit world couldn’t partake of the Divine Love for the Spirit that conveys this Love had ceased in its activity since the Fall of the First Parents.

I will return to write again soon. My name is Saul (from the Old Testament)

539. Saul continues

I am with you again to continue this communication. I have never written with you before, nor have I ever spoken to a person living on the Earth since my arrival in the spirit world. I am aware of the work that Jesus did with James Padgett and the subsequent works where he has helped guide greater aspects of living Love to individuals who are open to receive his Teachings. I know Jesus very well; I have worked alongside Jesus from the time he arrived in the spirit world. I enjoyed meeting him and getting to know him. I am not going to write on the grisly end of his life – this is not what this moment in time is about.

When Jesus arrived here he was quite shaken, but his countenance was still of the man living with the Father. We helped him and we nurtured him and gave him all our love, which he responded to. As you know, there was nothing any of us could do here. But I can say with absolute certainty that when he was on the cross, there were those of us present and we shone our love toward him and we knew that the Father had intensified Love in his soul and around Jesus so that at this time, he was not alone. There were people and spirits present who never left his side and when his last breath left his body the Father’s Spirit Law – as it had done with all of us and with every mortal personality – transitioned the spirit body

of Jesus into the 1st natural sphere (first spirit Mansion World) and there, the sisters of love provided nurturing until he gained strength and rose as only the Living Truth can. What I mean by this is that Jesus knew about the spirit world and the Father so when he arrived here he knew what to expect and his time to regain his composure after his death was a very short time in deed.

540. As the Master gained his strength

After Jesus had transitioned into the spirit world through the workings of the Father's Spirit Laws, he was weakened by the events that had led up to the end of his human life. The Three Sisters of Love nurtured Jesus when he arrived here and all present – and we were vast in number – waited to see what would happen. There was a distinct hush as the Master gained his strength and we waited without moving from our place or position. Many of us were quite emotional, for we had lived through the end of his life and from our experience; we knew the truth of what was happening to the Living Truth.

This time when Jesus was regaining his strength was a settling time for us. The spirit body of Jesus showed no marking or any of the physical punishment that his physical body had. In fact, it was quite the opposite. His spirit body resting as he was awake and aware that he was now in the spirit body, was shining for he had received much of the Father's Divine Love throughout much of his earthly life and his soul condition was a man in perfect natural love living in harmony with the Father and his soul was in very good condition.

It only took Jesus a day and a half until he stood and there out in the open in a place now known in the 1st natural sphere as the place where Jesus arrived from the human world, he stood and declared in the recognition of the Father, that “the Celestial Heaven is now open.”

These were the first words that he said in the spirit world and were the confirmation of this Truth that had transpired at the time of his Baptism conducted by his cousin John. He needed to declare this Truth again, now that he was present himself in the spirit world, for all mortal spirits.

We remained quiet as he moved about us and we introduced ourselves and there was much cause in our participation to love Jesus. We did not overwhelm him with our love; we acknowledged the human life he had lived and the Truths that he had taught. The second declaration of Jesus in recognition of the Father was his act of a verbal prayer to the Father that we all could hear and that we all participated in, which was to pray to the Father for the Father's Love. Jesus guided us through this prayer and we all felt the Love as the Spirit that conveys this Love was active and living again and very abundant!

We knew that the apostles still lived on Earth but we gave ourselves to serve the Father by serving Jesus and so he instructed us to make ready for our journey into what is known as the 1st Divine Love sphere (3rd Mansion World). Most spirits present were in the very good condition of their natural love, we believed and loved God only now that Jesus was living, we could personalise our love of God into the living by receiving this Divine Love. Gradually we progressed through the spheres until we advanced into the Celestial Heaven with Jesus teaching us each part of the way. As soon as there were spirits residing in the Celestial Heaven it was then that Jesus taught us that there were many spirits still living that were souls of the Father and that our loving service was to help create the awareness of this Love. There are many of us who are still doing this to today and this service continues on into tomorrow.

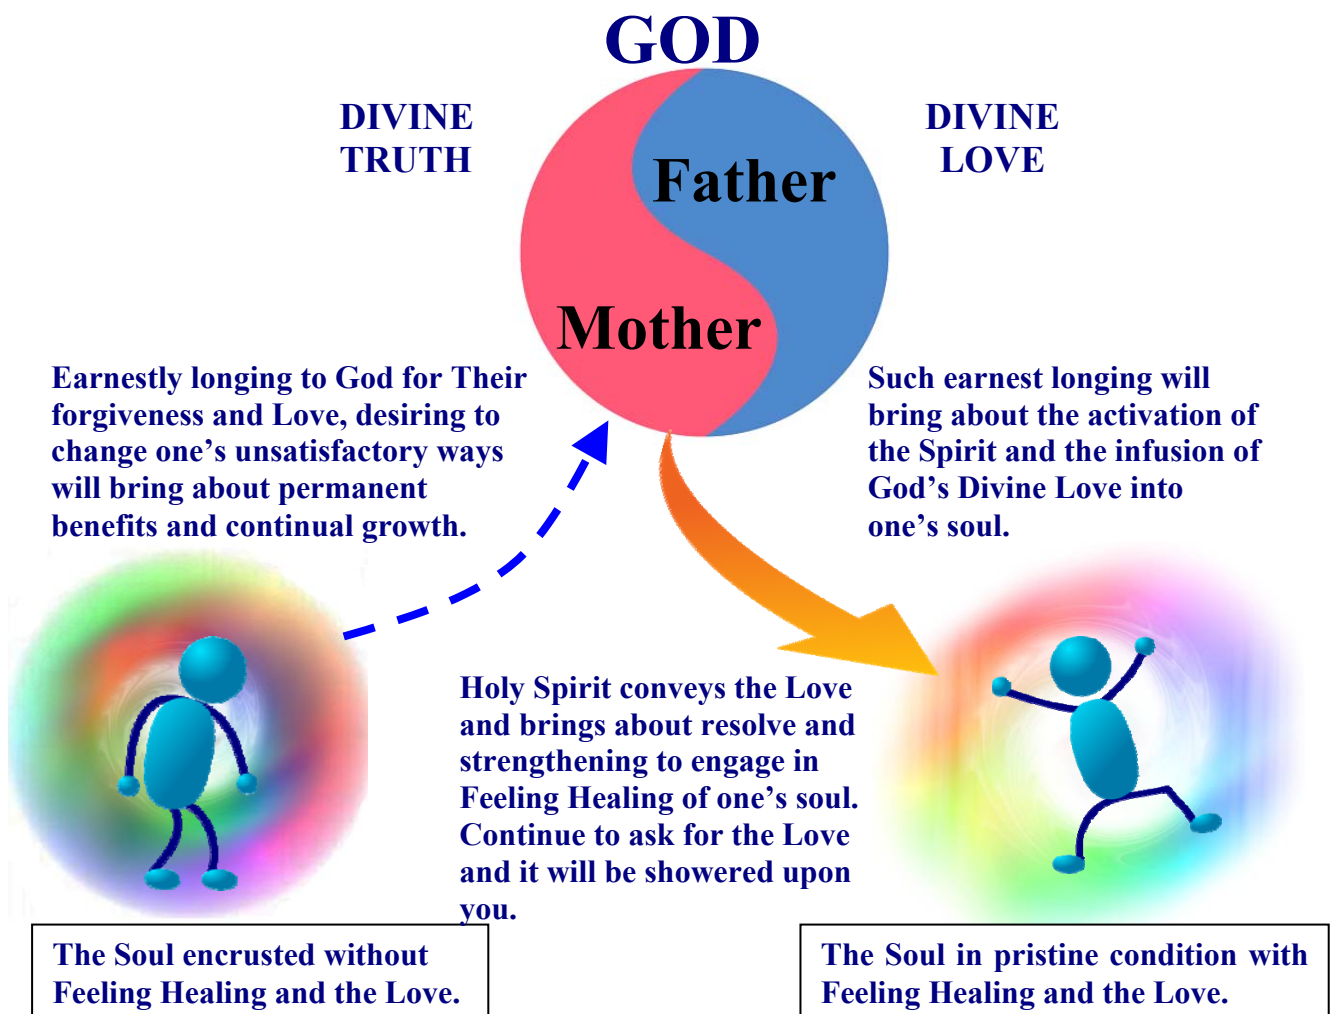

[1st Divine Love sphere is referred to as 3rd spirit Mansion World. Spirit world Mansion World spheres 3, 5, and 7 are Divine Love Mansion Worlds 1, 2, and 3. The 7th sphere is the transitional sphere between the Spirit World Mansion Worlds and the Celestial Heaven spheres.]

541. The spirit world is defined by the life of Jesus

The spirit world is defined by the life of Jesus. Those days that I have described to you are long ago now, but they did happen. The number of souls residing in the Celestial Heaven has greatly increased and the message of Divine Love, the Father's Love has spread far and wide in the spirit world. Jesus lived only a short time in his finite human life but he has lived here a long time and the influence of his presence is felt throughout the mortal spirit world. He is approachable and he interacts with individuals in the natural spheres all the time. The history of the past was lived by us but we do not live in the past. The spirit world is not solely a world defined by the life of Jesus. The spirit world is defined by the life of Jesus and the Divine Love of the Father.

The Master continues to teach today for the Divine Love is always present and its workings never change. We know how significant the human life of Jesus was, for we ourselves are living with this Divine Love as some of you are. We know how significant the spirit life of Jesus is for we are living alongside him and certainly enough time and experience has passed by so we can see how this Divine Love is the changer of all mortal souls. We are forever grateful that the Father once again bestowed the opportunity for our mortal souls to receive the Divine Love and it required Jesus to work and live in harmony with the Father for this to happen.

I have provided you with the essence of my experience.
The ancient prophet and Celestial spirit, Saul

OUR JOURNEY to the CENTRE: HEAVENLY PARENTS are UNIVERSALLY PRESENT:
 Earth is one of the youngest inhabited planets on the outer edge of the youngest of the seven super-universes. From the spirit worlds, we progress to the spheres of many mansions, being the Celestial Heavens nearer to the centre of our super-universe. From there we progress to the Eternal spheres which circulate around the Isle of Paradise. The Isle of Paradise remains stationery and is the home of the Source Soul, our Heavenly Parents, Mother and Father.

Our progression is always towards the centre – inward and upward.

Earth is blanketed by the 1st natural love sphere, the spirit world spheres are within the proximity of our solar system. From the spirit spheres we progress to the Celestial Heavens.

The BEAUTIFUL MIRACLE:

5 Oct 2012

The DIVINE UNIVERSE

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union complete. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other and one is living in the presence of our Mother and Father in perfect harmony and this clarifies the truth about what it means to be truly at-one with God.

SHINING TOWARD SPIRIT:
665. The Shining toward Truth

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas

www.lulu.com

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

David Higgins passed over on 4 January 2018 and wrote through James on 21 January 2018:

Thursday, 4 January 2018: Hi John.....we were called to the hospital at 2 a.m. David started to loose blood, bleeding internally, he has hours, maybe a couple of days.....such a shock after seeing him yesterday.....I'm destroyed. Veronica

Same day:

Hi John.....my darling has passedI have no words to say how I feel.....I loved him deeply....vronxxx

(David had bone cancer that had spread through his body and into his brain, it was a very short illness.)

Friday, 5 January 2018: Nanna Beth: He's well, he arrived in 'good spirits'. He's already adjusting to his new life over here. He feels very sad for Veronica, that she has been left and in such a quick and uncaring way, and he wishes he could console her, however the fact remains, he is no longer there with her.

He will take time adjusting, as we all do. Few people come over prepared, because few people want to know all that death involves, seeking the truth of all they are going through anyway in life, with death being just another part of it. And a part that comes up from time to time, as it does with you, James, and Marion, even though you are not about to die.

We'll be bringing him to speak with you James as soon as he's adjusted enough to be able to deal with such an experience, and you'll feel when he's ready, and in the meantime he'll be wanting to spend as much time with Veronica as he can, this too being all part of his adjusting to his new life.

The whole transition is too intense, and even if someone adjusts fairly quickly, it still takes a long time to really come to terms with it, particularly on the feelings level. As you can imagine, there are a vast amount of feelings involved, and if you're not used to feeling and expressing them, then you'll lock down blocking them all out, which so many spirits do, seemingly able to swing easily into their new spirit life, all while they shut out and deny such deeper feelings.

So for David, because of his being more aware of such things, understanding his feelings are important, and although he can't and is not expected to cope immediately with them all, so he will need to give himself time to sort through them.

He has been received into a healing hospice, a place with other newly arrived, and where those of his family and friends can easily come and meet him. And very soon, once he has his feet on the ground, one of the Celestials will make direct contact with him and tell him about the state of things spiritually for himself, and a little about his relationship with Veronica as in why it had to end as abruptly as it did, and what he can expect from his new life in spirit.

And the Celestial will wait to see how he feels about it all. Many people, as you understand, are heavily controlled by their minds, however with such an intense and different experience such as death, and with all the up-rushing new feelings – good and bad because of it, that control can be severely shaken, which is all part of what needs to happen and what is good about dying, all so new feelings and a new life path can evolve – because that's what it's about after all – setting out on a whole new life. And doing so, whether you want to do it or not. So the sooner one accepts that it's the end and a new beginning, which is often much easier said than done, then the mind can settle down into it's newly adjusted controlling track, happy to deal with the new feelings being stimulated by the new environment.

Anyway, it will all go smoothly for him because of the work he did with Veronica before he left. He did enough to set him on his new path, which he'll tell you about himself James when he's ready to come to you.

And he might also decide that he doesn't want to visit you, and that too is fine. It's for him, as it is for all of us, to do as we please. So we're open one way or the other, and even though from experience we pretty much know which way he will go, still, we don't want to know for sure, we prefer going along with things as they unfold.

James: Yeah, I understand what you're saying. And what about Veronica, how's she going to cope with the terrible shock and loss?

Nanna Beth: It will be very hard of course, but she will cope. It's unlocking many deep hidden feelings in her, which she is having to face, either allowing them to be and going with them, which seems like they will take her into the depths of despair never to return again; or, to try and control, edit and selectively work with those more acceptable, reasonable, and what are to be expected ones. And if she chooses to abandon herself to them, then they will take her this way and that, good and bad, all very confusing, back into her early life, dealing with masses of issues, thoughts and feelings coming at her from all sides, as she also deals with the practicalities being asked of her.

And again we expect she will move deeper into herself through her feelings, wanting to go that way; however you can't always be so sure, other things might happen, it might all be too much, and we're not going to ask or find out what will happen, again preferring to allow things to take their natural course.

James: That's more what Marion and particularly myself are doing, not trying to work it all out, just see what happens, based on what feelings come up. I'm slowly giving up some aspects of wanting to know, as I no longer believe I need that power knowing gives me, even though it's all false and doesn't really give me anything. Should I send this to John, as no doubt he'll more than likely pass it on to Veronica?

Nanna Beth: It's one of those things James, it's up to you, how you feel about it – what you want to do.

James: Yeah all right. Thanks Nanna Beth. I'll speak to you soon.

Nanna Beth: Bye James.

[Saturday, 6 January 2018: Note from John: Hi Nanna Beth](#)

Nanna Beth: We will keep you and Veronica informed with what David is doing. He is going to be present standing with his arms around Vron at the funeral, there will be lots of spirits present on both sides of the family to support her and the others present.

He is feeling a lot more stable, and is eager to get on with his new life, to explore it over here and see how it compares to how it was in the physical. And he wants to support Veronica in her endeavours to keep working with her feelings, he too learning about it from her as much as from the help he will receive over here, so their connection should remain close and secure for the time being. There will come a time however, which he will know, when he will want to get on, moving into the third Mansion World and doing his Healing, but that will be in a little while as first there are other things he'll want to do in the first world. Anyway, he'll be able to talk to you about such things. And on his behalf, I would

like to invite Veronica and yourself John to feel free to ask questions of David through James. And speaking for James, he is happy to do this, and other things will come of it, so it will be good for you all.

Sunday, 21 January 2018: Note from David H:

David: Yes, hello James, this being new for me, I hope you can understand what I'm 'relaying' to you, or should I just say – saying?

I am very well, which as you understand is to be expected, no nasties lingering from my death. And it is magnificent over here in 'Heaven'. Mind-blowing!

Hello John, and please send my love to Veronica should she make contact with you. I am with her on and off, however we're to go our separate ways for now, and I have decided to follow her into doing my Healing, however I have other business to attend to first.

Once I'd gathered my senses, I was introduced to a Celestial spirit Amlaya and her partner Malcolm – can you believe? (there old Earth names), all because of what Veronica has done in accepting all you are doing John. I am very indebted to you for that, as I am to Vron because of all she did for me, some of which I wasn't even aware of, and will take time to understand further.

I was taken about and educated somewhat by Amlaya and Malcolm, shown many things; and yes James, I did drop in on you as you felt, and my mind is till spinning trying to come to terms with it all.

And as I won't stay long James, what I wanted to say which Nanna Beth has very kindly allowed me to say, is that John, it is FAR BIGGER AND FAR MORE COMPREHENSIVE than anything you've got any idea about. And I mean – ALL OF IT. Spirit itself, the Mansion Worlds and Earth planes, all you are doing, all the mind spirits are doing, all the Healing spirits and Celestials are doing. And even though I've only seen such a tiny segment of it, it's HUGE, and that is all in our local and relatively small part of Creation.

So I have had a lot to think about. And I'm still thinking. My emotions and feelings are still very much upset owing to my rather sudden transition, so I'm still trying to 'pull myself together' even though I know that's the wrong thing to do, and I should let myself completely fall apart, however my mental programming is well and truly firmly in place, and I know it's going to take a great effort on my part to willingly submit to my hidden pain.

I had a taste of it with my Life Review, which was harrowing as much as it was enlightening, and thankfully didn't go on for too long, apparently I wasn't too bad when on Earth; however it did give me a preview into that which awaits me through my Healing. Issues, childhood issues, masses of them, all of which I denied and kept hidden and didn't want to work at resolving and bringing to light by uncovering the truth of them. However that's to come and for another day. I have other things I need do and people I need to see in the mind worlds, which is what I'm doing now. Family and friends, catching up, meeting their friends, checking out everything that takes my fancy on the first Mansion World and in the lower two Earth planes. I am free to do as I please for the time being, so I am exploring, even visiting the Earth through the Earth planes going to places I'd always wanted to go.

So please send my love to Veronica when she makes contact with you, which I think she will soon, just to let you know how she's faring, which is as well as can be expected. And should she want to continue working on herself through her feelings, then yes it might be an idea to ask her if she'd like Samantha's

email as much as asking Samantha is that's all right for you to give it. Anyway, I'll leave all that up to your good judgement.

And you are well followed over here John, everywhere I go those spirits in the know speak very highly of you. Had you a spirit Twitter or Face Book account, you'd have a big following.

I will go now James. I just wanted to 'touch base' as was said I would do. I don't know if I'll be returning. It would be if I am wanted specifically, for if not, then I will get on with my new spirit life, because the desire in me is strong to do so. It is so incredible being handed a whole new life... and what will I do with this one?

Good luck with all you intend doing John, I hope SI comes through for you, I'm not allowed to say anything about that, I have asked, but little has been said to me other than what I already know anyway, so that is that. So as I said, I might come again, it depends on various factors which again I am not at liberty to disclose. There is a lot of this, which I know is terribly boring and frustrating for you on Earth, however I'm afraid I've joined the 'spirit camp' not that I was expecting to so soon, and we are schooled, well at least I was, in what I could and could not say, which is not actually so much about specific words and phrases, but about how far in certain subjects I can go – not that I can go very far in any of them at the moment anyway.

I'm not going to say anything personal to Vron, she can sense my feelings toward her and it's all part of our having to deal with the separation and it being so sudden and conclusive. So I will leave it at that.

Thank you James. Goodbye John. David Higgins (David passed over on Thursday, 4 January 2018)

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus’ Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon us by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair’s guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world’s spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

J&M

AVO

HUM

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
We are to long for the truth of what we are feeling.
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

WE ARE Children of God

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Divine Love

Natural Love

Truth
Feelings

Life
Relationships

LONGING

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
 2. **ETERNAL SON (ES) – Divine Truth**
 3. **INFINITE DAUGHTER (ID) – Divine Mind**
- Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS** – Our MOTHER and FATHER – Love – the Living Truth
2. **DIVINE MINISTER** – Mind (and her Holy Spirit)
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR** – the Feeling Healing process – incarnate
2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs / soul partners.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

Feeling Pathway

Mind Pathway

Soulmate Pair

Angel

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

Spirit Person

Nature Spirit

A nature spirit is an angel in waiting.

WE EACH have a Nature Spirit pair, Spirit Guide pair and an Angelic Pair:

For those doing their Healing or are interested in doing it will from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about ‘sharing’ the same angels or guides or nature spirits, it is about you relating specifically to your ‘own’ ones because they are provided for YOU. It’s all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it’s the same of course in life with your friends, however over there, in spirit, dealing with Nature Spirits, Spirit Guides, and Angels, it’s more personal and private and ‘JUST FOR YOU’. So we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain’t going to be assigned to anyone else, so she won’t be sharing herself around.

This is SO IMPORTANT to understand so that in future there won’t be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is all they are speaking with.

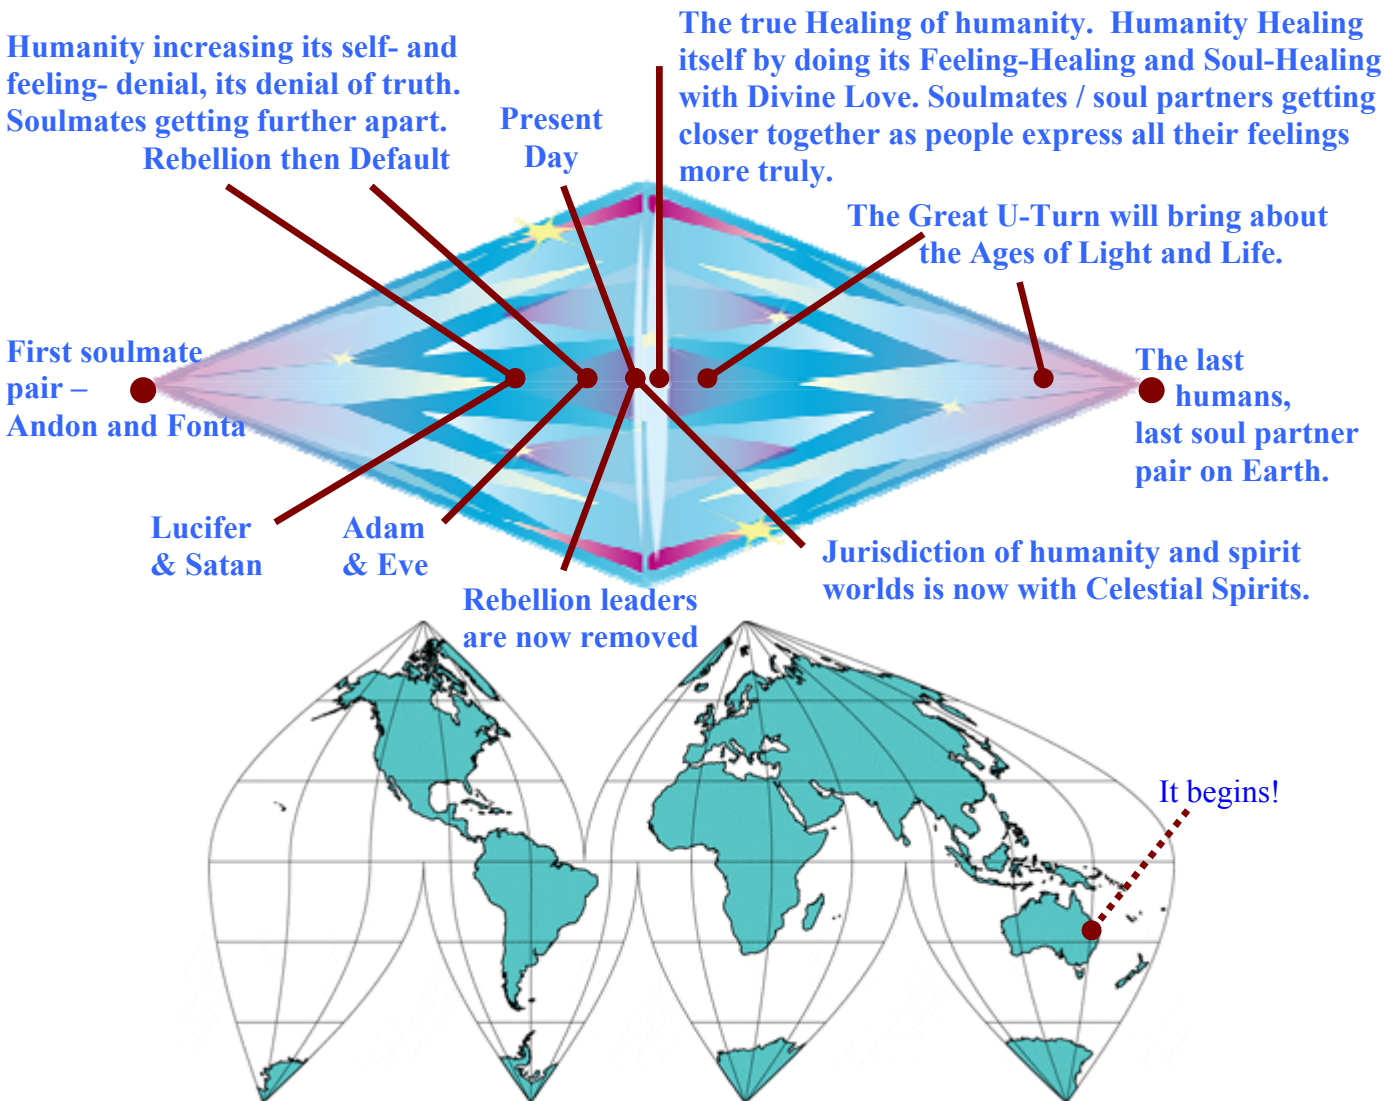

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their soulmate relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit Mansion Worlds, however, our Angelic pair continue with us for eternity.

Feelings first

JOURNEY of HUMANITY into and through the GREAT U-TURN:

Humanity reaching its most evilness, the most lost, the most separation of soulmates. Humanity can begin its Healing. The Great U-Turn begins, the dawning of the Spiritual Age.

This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.

Feelings First, you can be sure about that! **Once women get that message and start living it, then the tide will really change**, with men either deciding to support them by looking to their own feelings or being left on the outer wondering what the fuss is all about.

The feminine light is going to sweep through humanity and purge it of all the yuk and darkness, helping to bring the whole of humanity back into a nurturing loving mother state of being, from which the supportive, caring father can support her and together they can make the world great again, they can bring humanity up into its natural love perfection whilst at the same time offer those people who want to spiritually grow the truths of how to embrace the Divine Love and move on to the Celestial level.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.
(Passage in blue calibrates on the Map of Consciousness at 1,500)

The CHOICE is OURS to MAKE:

Celestial Truth:

Truly all-loving;
 Living true to oneself;
 Mind supporting Feelings;
 Living with the Divine Love;
 Fully Healed of the Rebellion and Default.

THE FEELING WAY

Feeling – Ascendance
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

THE MIND WAY

Mind – Transcendence
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,
 atheists, no spiritual interest,
 Living the Rebellion and Default.

Hell:
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

REVELATIONS

Revelation 1: Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively feel into our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

Revelation 2: We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

Immortality with the Love.

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU
FEEL, THINK AND ARE.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

MIND INDUCED SOULMATE RELATIONSHIPS – FALSE SOULMATE:

Rebellion and Default

MIND-Created soulmate

HEALED (Celestial)

**Incarnation
TRUE Soulmate
Soul : Expressing
two personalities
– being soulmates /
soul partners**

*Female soulmate / soul partner
fantasy man (untrue)
Unsuccessful marriage*

**WOMAN
Eternal Marriage
MAN**

*Male soulmate / soul partner
fantasy woman (untrue)
Unsuccessful marriage*

Rebellion and Default MIND-Created false soulmate:

Female soulmate

Unsuccessful
marriage to fantasy
untrue man

Being in rebellion by default, all our relationships are untrue and based on fantasies and erroneous beliefs of our mind. These relationships formed through the mind, are at best, temporary, and will ultimately end. They are false soulmate relationships.

Male soulmate

Unsuccessful
marriage to fantasy
untrue woman

Eternal soulmate marriage between a man and a woman only takes place for those that fully heal themselves of the imposts of the Rebellion and Default. Through longing for the truth behind all our feelings (both good and bad), we can begin to live true to our feelings. And once healed, and reaching a Celestial Soul Condition, through our true feelings we find our soulmate, our true companion for all eternity.

Arvonal Revelation

- We are to live Feelings First.
- We've been made to use our mind to live against many of our feelings.
- Our mind control commences at conception and is developed through our childhood.
- All the bad feelings we didn't express as we were growing up are still repressed inside us.
- And all such hidden, buried and unwanted feelings have to come out.
- And whilst they remain repressed within us, they will continue to make us feel bad and unloved.
- We get sick, depressed, suffer, have bad things happen to us because of our repressed childhood feelings.
- Humanity was brought into this state of living against itself by higher rebellious spirits.
- These Evil Ones caused the Rebellion and Default.
- We are made to rebel by default – as we have no idea we're doing it through our parenting in wrongness.
- We are all parented unlovingly – against ourselves, against our will.
- Some parenting in the wrongness is done with more love, yet it's all still wrong.
- To heal this unloving state within ourselves we have to do our Healing.
- Our Healing is our Feeling-Healing or Soul-Healing with the Divine Love.
- We can long to God for Their Divine Love, and this will help us with our Healing.
- God is our Heavenly Mother and Father, the Feminine Aspects of God having been kept hidden from us by the Evil Spirits.
- All humanity's religions and spiritual systems are designed to keep the wrongness going, to keep us away from God.
- Only by living Feelings First Spirituality, The New Way, can you become right, and truly find God.
- Long for the Divine Love.
- Long for the Truth of your Feelings.
- Accepting all you feel is accepting all of yourself, it's your greatest act of self-love.
- And wanting to know the truth of your feelings, is your next greatest act of self-love.
- Love yourself through your feeling-acceptance, and the Truth will set you Free!

How do you BECOME as SPIRITUAL as you can be?

James Moncrief

7 November 2020

It's to do with expressing yourself as truly as you can in your relationships. The truth of yourself, the truth of life, the truth of God is to be found in the truth of your relationships. When you interact in your relationship, when you express all you feel and think, and when the other person expresses all they feel and think, all whilst you are longing for the truth of all such interaction, then the truth will come, and then you are evolving your soul in Truth. And you can't be more spiritual than continually advancing your soul in Truth. That is Being Spiritual.

Only our difficulty is, most of us are heavily denying our feeling expression in our relationships, so we are severely limiting the depth and intimacy of the interaction we can have, so we are severely restricting the amount of truth we can gain from such experiences. So our Spiritual Healing involves allowing ourselves in our relationships, with ourselves and each other, to express all the bad, yukky, dark, nasty, pain parts that we're doing all we can to avoid. To maximise the relationship you can have with yourself and another person is to allow yourself to express ALL your bad (and good) feelings, all as you long to uncover the truth of all they will help you see about yourself.

To be spiritual is to be fully feeling expressive. Or to want to be. And the more feeling expressive you are in all your relationships, the more you'll get out of them, provided you want to see what Truth they contain. And the more you become that Truth, the higher in spiritual understanding you become, and so the more spiritual you are.

Being or becoming spiritual is not about attending your religion religiously saying your prayers to God, or sitting in meditation endlessly seeking Enlightenment or Knowledge; and it's not about climbing the highest mountain seeking the answers to life, it's about getting real in your relationships by dealing with all the bad feelings, moving with them, seeking resolution through understanding by going deeper into them, bringing all the hard stuff out, seeing it for what it really is, what's really going on within you and between you, and how does it all relate back to your early life and the relationships that you started your life in. It's about wanting to know the **WHOLE TRUTH OF YOUR PAIN**, so allowing yourself to feel all your pain as you express all the bad feelings of it in your relationships. And of course doing this in your most intimate relationships in which you can open and expose all the worst of yourself; all the ugliness of your pain; all the terror and torment; all your suffering – to bring out all your dark secrets; all you're so afraid of admitting you feel; all the really bad stuff you believe you are not allowed to speak about, to your partner who willingly wants more than anything for you to bring it all out. All so they (and you) can understand what is really going on inside you. And then you wanting them to bring out all their pain and suffering, so you are both truly 'there for each other', lovingly supporting each other by accepting each other's darkness.

Being truly spiritual is being true to all the feelings you feel. If you are true to all your feelings, and want to know the truth of them, then as the truth comes to you, as it will, then you are growing, evolving, ascending, in truth, and you can can't be more spiritual than that.

Feeling Healing – Healing yourself through your feelings.

- ✓ **Your feelings are the real and true you.**
- ✓ **If you are denying any feelings you are denying yourself.**
- ✓ **If you are denying yourself you can't ever be truly happy.**
- ✓ **To heal all your pain and suffering, you can look to your feelings for why you are feeling bad.**
- ✓ **If you want to know the truth of yourself, then it's your feelings you will need to look to.**
- ✓ **Your feelings hold the hidden keys to unlocking the truth of who you really are.**
- ✓ **Uncover the truth of yourself through your feelings and you will know why you feel all you do.**
- ✓ **Everything in life, why all that happens to you does, and everything about yourself, can be explained to you through your feelings.**
- ✓ **Why your relationships might not be as good as you would like, why some might fail, you will understand through your feelings.**
- ✓ **How to live a good, true, happy and loving life will come to you as you start paying attention to all your feelings.**
- ✓ **However you will also have to pay attention to all your bad feelings, and this can be very harrowing.**
- ✓ **By honouring – accepting and then expressing all the bad feelings you feel, you will slowly bring to light all the reasons why you don't feel good.**
- ✓ **And as you liberate yourself from these hidden repressed bad feelings, so you will start to feel better and better about yourself.**
- ✓ **It's a process, and it can take time, years possibly, but all that's hard will eventually pass becoming good.**
- ✓ **Expressing all your feelings, and particularly your bad ones, whilst longing and really wanting to know the truth of why you're feeling them, is doing your Feeling Healing.**
- ✓ **You can Heal yourself through your feelings. And in fact, it's the only way to really heal yourself.**
- ✓ **And if you wish to do your Healing with God, you can also long for God's Divine Love.**
- ✓ **Feeling Healing – Using your feelings to heal yourself.**

DIVINE LOVE – what does it do?

Divine Love, which is a substance, progressively:

Transforms one's soul from that which is of natural love to that which is Divine

As natural love is enhanced with the Parent's Love, we reject our tendency to error

Divine Love, our Parent's Love, restrains errors, untruths and emotional stress

As we reject the condition to error, we develop our love for our brothers and sisters

Divine Love helps one with the discovery of truth through one's soul-feeling healing

Our natural intelligence grows, perceptions rise with our soul intelligent feelings

As Law of Compensation is resolved, the Love reduces returning to being in error

Receipt of Divine Love, the Parent's Love, grows our faith, we become God reliant

As our faith grows our propensity to undertake one's Feeling Healing strengthens

With the Love, our Feeling Healing becomes Soul Healing, this we are to undertake

Without the Love we remain self reliant and dependent upon our own will power

Only with the Love will our soul condition grow rapidly, all around us also benefit

The Love is the only substance that changes the human soul to that which is Divine

Only by asking and receiving Love do we become fitted to enter Celestial Heavens

Only by asking for and receiving the Divine Love does our soul become immortal.

PROCESS of FORGIVENESS
PROCESS of FORGIVENESS
PROCESS of FORGIVENESS
PROCESS of FORGIVENESS

is also the PROCESS of REMOVING HARMFUL EMOTIONS
 is also the PROCESS of HEALING BODIES Physical Spiritual
 is also the PROCESS of SOUL GROWTH with the LOVE
 is also the PROCESS of CLEANSING the SOUL

Our Heavenly Parents send the Holy Spirit, the Spirit, to those who long for and ask for Their Love and assistance. All you need do is ASK!

“The New Birth is the flowing of the Spirit of God into your soul and the disappearing of all that tends to turn your heart from the truth and Love of God in conjunction to doing one’s Feeling Healing.”

“The Holy Spirit is God’s messenger or instrument that carries into the soul the Divine Love that is bestowed on the truly penitent man.”

“The Holy Spirit when the penitent prays for the Love the Holy Spirit will respond and fulfil the work that the Mother and Father has provided it to do.”

“The only thing that saves a man from their sins / errors and reconciles them to the Mother and Father is that they must become conscious of God’s Truths and receive the Holy Spirit into their souls.”

Continuing with one’s longing for Truth and asking for our Parents’ Love enables progressive removal of emotional errors and injuries that then lead to the removal of core emotional damage, and then, subsequently, the progressive filling and expansion of one’s own soul. Removal of these soul injuries through Feeling Healing also leads to the removal of damage to one’s spirit body and the restoration of one’s health.

It is only by the infusion of this Love while longing for Truth within one’s soul in sufficient quantities does one become fitted to enter the Celestial Heavens.

Soul development, with the Love, can take a soul from being a dried up garden pea to that of a simple candle, and then onto that of a blazing sun!

The LOVE that brings about FORGIVENESS:

This Divine Love, and by this I mean the only way through which salvation can be obtained, can enter and fill the soul through the sincere longing of the soul to assuage the thirst for at-onement with the Father through prayer.

Revelation 17 – November 12th, 1960 – Jesus

The only way for man to achieve forgiveness of sins is through the obtaining of the Divine Love or through purification of the natural love, a long and tedious process that fits the individual soul for a place in the Sixth Sphere.

Revelation 50 – October 18th, 1954 – Jesus

Divine Love fits a personality to enter the Celestial Heavens, way above the 6th Sphere. Without this Love, man cannot enter the Heavens. It is this Divine Love that brings about immortality for man.

This great Love of the Father was created or rather has always been, for the redemption of the vilest sinner who seeks and believes.

March 24th, 1915 – Ann Rollins

Only the Divine Love can give man of a Divine Nature, and that no self development or cultivation of the Natural Love to the greatest and most sublime extent are sufficient to make man at one with our Parents in the divine sense and which makes the spirit a partaker of this Divine Essence of our Mother and Father. One needs to come to understand the difference between the two loves and what the New Birth means.

March 24th, 1915 – Jesus

Immortality with the Love.

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Our salvation IS by embracing Feeling Healing with the Divine Love.

God's Divine Love: Pray for it, ask for it, and receive it.

Please Mother and Father, may I receive Your LOVE.

“Every day is a day of devotion.”

Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.

“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”

“Mother – Father, I desire your Love and I am loving you.”

“Soul God, I love you and I love receiving and experiencing your Divine Love.”

“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”

Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.

One can simply receive the Love without following any religious or spiritual teaching taught by man!

Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.

Three Great Truths:

- **God is Soul, being Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on themselves and doing their Healing.

Feeling Bad? Bad Feelings are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing****Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book****Release one's pain through expressing one's feelings.****in conjunction with****Longing for the Truth when also longing for Divine Love.**

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.
