CRIMES AGAINST HUMANITY

“For as you understand, there is no better way to further your wrongness than to have children. Really it is the worst most evil thing you can do. A serial killer, even a mass murderer, isn’t as bad as a parent, as each parent will find out through his or her feelings as they do their Healing. So how does that make you feel?”

“With the serial killer being sorted out in the hells for such actions against another’s will, and with all us parents and non-parents alike, being sorted out as we do our Healing. Time in the hells is nothing on a spiritual level compared to what you go through during your Healing. The ‘hell’ time allows you to become fit enough spiritually to enter into life in Mansion World one. The Healing, which deals directly with yourself as a child and your relationship with your parents, and your own child / children if you are a parent, ascends you in truth up through all the Mansion Worlds. So, as you can see, there is a hell of a lot more to being a parent and a child.”

However, the overarching crime is the withholding of the guidance that mitigates the continuing cycle of Childhood Repression and Suppression. This is the global assignment of PASCAS Foundation (Aust) Limited. The program is outlined on www.pascasworldcare.com and www.pascashealth.com.

Through the commitments of some 600 Solid Investment account holders and the projected values of their accounts, the universal program that was first documented by PASCAS in 2005, is readily achievable plus much, much more.

PASCAS will enable every man, woman and child on the planet to be aware of and consider embracing, should they so please, how to slowly and progressively reverse the imposts of childhood suppression and repression. This will end the generational cycle of parents imposing upon their children the errors and misguided beliefs that have been imposed upon every man, woman and child for many thousands of years. This is the greatest crime in the whole history of humanity and now is the time in history that this crime can be put asunder – ended.

Can this be undertaken by just one entity? Actually yes. PASCAS is embracing every community within every country on an equal basis. One PASCAS Care Centre will have the resources and capabilities to interact with 100,000 people throughout its first decade of operation. That will enable other enterprises to replicate what PASCAS will introduce and then go on and interact with others in a similar manner so that living through one’s feelings will become an automatic and natural way of life. Living Feelings First with one’s mind to follow is the reverse of how humanity is presently existing.

Upon entering the Engine Room of Pascas WorldCare, the touch screen will reveal:

- Dominant languages of country or region.
- Population and population of centres within each country.
- Legal issues and freedom restrictions to be considered, country by country.
- Cultural issues within each community and country.
- Proposed and established Pascas Care Centres – and style thereof.
- Books and Pascas Papers that are available.
- Editing stage in the English language of same.
- Translation stage for each language of same.
- Who is doing what on each of the publications.
- Where the work is being carried out.
- Audio and visual productions in progress.
- Audio and visual language conversions in progress and completed.
- Location and name of each University and Centre of Education.
- Location of Libraries.
- Other institutions and services that can be supported with publications.
- People that are actively engaged with Pascas in each location.
- Additional projects that are Pascas supported in each location.
- Generally, every aspect that is in progress in every location around the World.

From day one, the Engine Room of Pascas Foundation will work to deliver its goals into every community in every country on the planet. This is a global program to bring about awareness.

What has withheld this work from commencing? The practice of ignore, deny and defer that is selfishly embraced by the leaders of society. Though vested with the responsibilities to serve the people, key political leaders, judges and leaders of commerce have withheld access by Solid Investment account holders to their funds whilst conducting affairs to their benefit, either personally or indirectly.

Interestingly, for those in public office, the Pascas WorldCare program will not be drawing upon the public purse and in fact will be providing services to their constituents that they should be supporting.

What are the core programs of Pascas? Two major pathways are involved. The first is education through Chaldi College and the second is health through Pascas Care Centres.

Chaldi College is universally free to all without any limitations. Education units will be provided in remote and emerging communities where we are invited to assist. This presently involves communities such as South Sudan, which involves building and maintaining schools that are presently nothing more than gatherings under trees. India is to be the expansion of a local program. Provision of schools in remote locations in the Papua New Guinea highlands and islands, particularly Bougainville which is a separate program. Schools in Vanuatu, Fiji, Solomon Islands and elsewhere are being considered. This will be an ever expanding program.

Chaldi College is to establish a MOOC system. Massive Open Online Courses to one million students will be focused on primary needs throughout impoverished and emerging communities.

Within every Pascas Care Centre is to be a Chaldi College unit to assist adult friends and patients alike. In all Chaldi College centres will be the availability of guidance to address Childhood Repression and Suppression and the way to embrace Feelings First as a way of living.

Pascas Care Centres have numerous configurations. A preferred centre is significant in size, potentially employing around 60 people. A standard centre will have the capacity to assist around 7,000 patients per annum presenting with chronic illness as well as assisting thousands more presenting with routine conditions. These centres are firstly focused upon the primary needs of the community and will provide services for those who are impoverished as well as for those who are paying visitors. At all times, Childhood Repression and Suppression issues are to be addressed freely.

There is no way that the cycle of childhood repression and suppression can be mitigated without a massive worldwide awareness program being implemented and that is what Pascas is to implement. It is this program that is to be funded from the distributions to the Solid Investment account holders. Without this major work being undertaken the stagnation and degradation of the way of life of all of humanity will continue unabated. This stagnation and degradation is affecting every man, woman and child and it is being perpetrated by the few controllers of the Solid Investment payouts. Such gross crimes against humanity are being allowed to continue by a few judges, politicians and leaders of commerce. No person is escaping the impact of this crime. Worldwide – not one!

What are the secondary programs of Pascas? Many programs that Pascas will cooperate and assist in will be of a local and specialist nature. They will be totally dependent upon the passion and drive of a few who have acquired unique skills and experience to deliver these works. Some programs will be small in scale whereas others will be of a national significance for the country involved.

Childhood girl slavery is at massive numbers; it is in such numbers that it presently exceeds the volumes of all slavery that prevailed even a couple of thousand years ago. Rescuing girls from childhood prostitution slavery is to be greatly expanded. It is an incomprehensible outrage. Here we sit with our

hands tied while a couple of judges and politicians ignore, deny and defer what are their personal obligations and while we could be presently rescuing thousands of these girls each year.

Education programs in many countries are skewed to being almost exclusively the domain for boys. It is the objective of Chaldi College to support schooling for girls, even to be exclusively for girls until a balance begins to emerge. In this regard we have several major programs emerging that will commence this long term program. The leaders of spirituality and growth in the consciousness of any community will be lead by women. Not men, but women who are closer to their feelings, and it is through one's feelings that one can discern truth. It is this simple fact that men have subjected women to a subservient status. This is to be ended.

Childhood abuse has been identified as occurring within one in four families. That is what is visible. That is what the social workers, police and health services acknowledge. Who has not been abused as a child? No child has escaped from being abused! That includes you. It is child abuse that ultimately manifests in delinquency, social unrest, crime and ALL HEALTH ISSUES. This has never been understood before nor has it been ever demonstrated that childhood repression and suppression could be mitigated and one could be healed from such gross harm. That is what Pascas is to reveal, demonstrate, share and make available to every community throughout all nations and communities on this planet.

The whole human race is suffering from repressed childhood and mind control.

However:

This time, in the history of humanity, is the most exciting time ever experienced.

Why is this so? For the first time in history the underlying cause of disharmony, both emotionally and physically, is now understood and also the way to address such issues and step away from the causes of illness and disharmony are to be made available to all of humanity and it is to be shared freely – without cost or impost upon anyone. An obstacle, apart from the self interest of those who are denying the availability to all, is that one cannot make a profit from what is now to be given to all.

The way to living feelings first is embracing your true heartfelt feelings and following them, having your wayward controlling mind to then follow and implement what your feelings are guiding you in. We are fully self contained. All of our systems, education, universities, financial institutions, commerce, health systems, legal systems, religious institutions and particularly our family way of living and caring for others ARE ALL MIND CONTRIVED. Our minds cannot discern truth. Truth is only recognisable through our feelings. This is the reverse of what we have been indoctrinated with.

These are some of the issues that are to be addressed at a proposed Chaldi College / Pascas program:

Indigenous children who are caught in the same cycle of sexual and substance abuse that diminishes their lives are to be assisted. Many such children use pot / marijuana, ice / Methamphetamine, “everything” to forget the assaults. “The kids are doing it too because they see the adults doing it.” High on ice and fuelled by booze, the men and boys sometimes become violent and that swings over into the family unit.

Family abuse is such a massive issue that housing for protection of mothers and their children is at crisis levels all round the world. One in thirty two children are subject to a domestic violence court order at any one given time, and that is the case within “the safe to live in” country of Australia!

But it is the health industry that is overwhelmed. When was the last time a health carer told you what was the cause of your given illness? The answer is never! Should a health carer be taught what is the cause of illnesses then a treatment that is effective could be identified and a permanent recovery be a potential. Such a break through would mitigate the money machine that the health industry is. All level of services is continuing to expand and becoming ever more expensive.

The overall contribution of curative and adjuvant cytotoxic chemotherapy to 5-year survival in adults was estimated to be 2.3% in Australia and 2.1% in the USA.

All health issues that are life threatening are the direct result of Childhood Repression and Suppression that occurs during the time from conception through to the age of around 6 years. And these understandings are being withheld from everyone because of the self interests of a few.

The health care industry is indoctrinated into embracing the remedy to illness is to cut, poison and burn their patients, while never addressing the underlying cause of the discomfort, pain and illness. Governments naively and willingly legislate to enforce the continuance of such barbaric practices, unknowingly at the behest of hidden controllers. In the meantime our health services and hospitals expand, never meeting demand, the policing services and courts are overloaded, and social services are never able to meet what is required. These crimes against humanity have to end.

Pascas is to underwrite the costs of publication of these understandings and that entails all forms of film, television, radio broadcast, internet, print, and public and personal representation. Yes, the scripts for several movies are already written. There are some 40,000 pages of print material available and the work has not yet really begun.

This is the beginning of the Great U-Turn for humanity. This is the small step of living Feelings First rather than being imprisoned in one's wayward controlling mind and it is the only way that humanity will step away from destroying itself. And that is now at the behest of a small group of people who 'serve the people'. Can you believe that? It is not their funds. They are only required to do what they have undertaken to do and the matter is resolved. Meanwhile their jails are full, hospitals overflowing and health and social services are overwhelmed and they continue to ignore, deny and defer – yet their constituents re-elect them!

To what level do the emotional errors of parents impact upon their children? Each suppressed feeling and each inflicted emotional injury brings about physical pain and ill health. It is only when we allow our feelings to freely flow that the energy flows through the spirit body and then physical body are of a healthy and feeling nature. We, as parents, bring about the long term health or ill health of our children. Sometimes the collective injuries that we as parents are holding suppressed result in becoming evident as deformities within our children. Yes, we as parents cause the deformities within our child. Unknowingly and unintentionally we harm our children with our own emotional injuries to such an extent that our newly forming foetus is enormously injured resulting in the numerous illnesses and deformities that babies are born with, from time to time.

This is the crime that we as parents have not been aware of for 200,000 years. It is global and it will take many years before we all become aware that we have to embrace our emotions, allow our soul based feelings to tell us the truth of our errors and express our feelings to our partner or anyone that will listen and put these errors aside for ever. Then we will learn how to truly love our children and not burden them with the injuries that are past down generationally.

How will the Feelings First way of living as well as understanding of the core cause of health issues reach so many people?

An initial program to propagate some 4,000 health care centres was initially planned and budgeted in 2005, however that has been doubled in volume so that every community throughout the world will have some presence from a Pascas styled care centre. 8,000 centres, each having a population of around 100,000 people to interact with, will provide avenues for 8 billion people. That is a worldwide coverage and a primary pathway for an introduction to living Feelings First.

Pascas Parks are edutainment theme parks, being of varying sizes, collectively are to have around fifty million visitors per annum. They are to be of varying configurations and consequently will have different experiences. They are culturally based and are to be another platform for the introduction to living Feelings First.

Film production will involve full length feature films through to documentaries and educational presentations. All material will be in many languages.

Printed material in many languages will be available freely on the internet. Printed publications will have a cost factor.

Multimedia aspects will be engaged at all levels with diversity. This is a long term and comprehensive global agenda to enable awareness. It is not about people joining anything, there is to be no membership, no control, no hierarchy, no dogma, no creed, no rituals, and simply be a person's private and individual choice as to what he or she may consider later on.

We on Earth are used to our anti-self conditions; we have never fully healed ourselves, to show how much we would change. But in time we will. And those people who fully heal themselves, for the people who knew them before, will seem like completely different people, although with the same basic personality traits and characteristics. However all the self-hating, denying patterns and consequential behaviour will be gone, with all their loving self being then expressed. Presently, we are all but the living dead, the healed will be the living living. And that is a huge difference. This is what Pascas can make available globally – and is to do so!

Humanity presently functions around 212 on Dr David R Hawkins' Map of Consciousness scale that is readily researched by using kinesiology muscle testing. Testing of the truth of anything and the level at which a person is functioning can be readily discerned within a minute of so. The above simple charts

clearly identify the level of crisis that humanity is in. The imposts of the few upon all 7.5 billion people are the greatest crime in the modern history of humanity. This is a burden that these few will have to carry. This they can only mitigate by immediately supporting, assisting and ensuring that the payouts to the account holders within Solid Investment proceeds immediately, without any further disruption, and enable the Pascas WorldCare program to be implemented worldwide, even within their own jurisdictions and communities.

What is Child Abuse?

Verbally abusing a child

Teasing a child unnecessarily

Exposing a child to pornographic acts or literature

Touching a child where he/she doesn't want to be touched

Forcing a child to touch you

Breaking down the self-confidence of a child

Hitting or hurting a child – often to relieve your own frustration

Manipulating a child

Not taking care of a child for example: unclean, unclothed, unfed child

Using a child as a servant

Not listening to a child

Neglecting emotional needs of a child

Making your own child a 'servant', depriving of time for education / leisure

Hitting and ridiculing a child at school

Neglecting a child's medical needs

Neglecting a child's educational needs

Leaving a child without supervision

PERSONALITY TRAITS:

Less than two dozen people on planet Earth.

Would not pick up a weapon let alone use it. These people gravitate to the health industry and humanitarian programs.

Debate and implement resolutions without argument and delay.

Debate and implement resolutions in due course.

Debate and implement resolutions with some degree of follow up generally needed.

Management supervision is generally necessary.

Politics become the hope for man's salvation.

Cause no harm to others starts to emerge. Power overrides force.

Illness is developed by those man erroneous emotions that calibrate 200 and lower.

Armies around the world function on pride. Force is now dominant, not power.

Harm of others prevails, self interest prevails.

Totally self reliant, not God reliant.

Fear dominates all motivation.

Suicide is possible and probable.

At these levels, seriously harming others for even trivial events appears to be justifiable.

Poverty, unemployment, illness, etc., this is living hell on Earth.

HIERARCHY of our SPIRITUAL GUIDANCE:

Our Heavenly Mother and Father permanently reside within Paradise, an island stationary world surrounded by Havona, in the centre of seven Super Universes.

Our Heavenly Mother and Father, being one soul manifesting two personalities bring about the creation of:

Creator daughters and sons – Michaels

Magisterial daughters and sons – Avonals

Trinity Teacher daughter and sons – Daynals – and others.

The Michaels and Avonals have Spirits of Truth to be released to assist the humanities on their assigned inhabited worlds.

Each Super Universe consists of 100,000 Local Universes.

Each Local Universe is overseen by a Creator daughter and son, our local universe is called Nebadon and Jesus and Mary Magdalene are the Michael pair and regents.

A local universe consists of 10,000,000 inhabitable worlds of which 3,840,101 are inhabited within local universe Nebadon.

A local universe consists of 100 constellations which is made up of 100 systems. Each system has 1,000 inhabitable worlds. The system that Earth is in is Satania and 619 worlds are inhabited.

Emanating from within the Local Universes are Melchizedek, Vorondadek, Lanonandek, Material and Life-Carrier pairs. None have spirits of truth – they are not from Paradise.

From within the Lanonandeks, assigned to oversee the system Satania, which includes Earth (Urantia) were the Lucifer, Satan, Caligastia and Daligastia soulmate pairs, who rebelled. Further, Adam and Eve, the Material son and daughter, defaulted because of the Rebellion. All failed in their assignments, causing us (humanity on Earth) to be spiritually misled for 200,000 years – that is why we are all ‘insane’!

Earth has had five higher spirit physical bestowals:

Daligastia soulmate pair being Lanonandeks

Adam and Eve soulmate pair Material son and daughter

Machiventa Melchizedek soulmate pair

Creator daughter and son – Jesus and Mary Magdalene

Avonal daughter and son who are yet to commence their public ministry.

Why did the Lanonandek Daughters and Sons rebel? Being the Lucifers, Satans, Caligastias and Daligastias soulmate pairs.

James Moncrief Monday, 12 November 2018

Re The Urantia Book (TUB): there are various orders of Paradise Descending Daughters and Sons. (NB: TUB only refers to the masculine so doesn't include Daughters.) The Descending Daughters and Sons descend or step down from Paradise to reach out and 'down' to the Ascending mortals – men and women on the evolutionary worlds, who are reaching out and 'up' to Paradise and for such help from the descending spirit pairs. Ascending mortal pairs (soulmates) cannot by themselves ascend to Paradise, how to do that is not 'encoded' in their soul. So they need higher help and guidance from the descending pairs. So if people don't have this higher help they will never spiritually and physically progress very far. And if this higher help goes haywire, people are stuffed until other higher help comes to rescue them.

One such Descending Pair, the Creator Pair, comes out from Paradise to a section of space when it is ready for them – Mary M (Magdalene) and Jesus in our case; and in union with the Divine Minister, create, or 'bring into being' a Local Universe – Nebadon. Mary and Jesus then attend to the whole (local) universe, with Avonal Descending Paradise Pairs coming as required to the individual Earth worlds to ensure and initiate the spiritual changing of the ages that is needed to advance the spiritual development of mortals in accordance with the Paradise Plan.

Part of the Creation of Nebadon includes the creation of Local Universal Descending Daughters and Sons that hold key positions on individual worlds and oversee larger areas or sections of the Nebadon. With the Lanonandeks being these key administrators, guides, overseers, who are the ones that ensure the ascending mortals of each world are given what they need in accordance with the unfolding phases of their evolution, as well as providing the necessary Mansion World structures and organisation of the Celestial spheres, the greater part of Nebadon, all so mortals of the evolutionary worlds can find their way up and in through the Local Universe so as to set out on their greater spiritual journey through the Super Universe and Central Universe to Paradise. The Lanonandeks make sure all the parts work as they are intended to do, with the Melchizedeks being more involved with the ongoing teaching and personal education of mortals about all things through the Local Universe.

The Lucifers, Satans, Caligastias and Daligastias are all Lanonandek pairs.

The Lucifers were the overseers of this sector – System – of Nebadon that includes Earth – Urantia. The Satans were to help the Lucifers, being the main liaison pair with the Caligastias (The Planetary Prince and Princess) who oversaw Earth directly from spirit, and the Daligastias being physically materialised on Earth so as to oversee and help evolve the local races of Earth on all levels, the practical physical and spiritual, this being how it was five hundred thousand years ago. And for three hundred thousand years, everything went well.

The whole of Creation thus far is one gigantic Ascending mortal scheme – The Ascension Scheme. So everything in it works to help slowly evolve humanity along the plans designed for them by the Descending Pairs and the Mother and Father, with the idea to evolve through ongoing self-expression the people from all the earths up through the Mansion Worlds and into the Celestial spheres and on through and out of Nebadon. So if anything goes wrong in any level of the universe then it causes problems for the mortals who are wanting to ascend.

The Lucifers were outstanding members of their Order. However according to TUB (if I remember correctly), they were passed over when they applied to oversee certain parts of Nebadon – and so why did that happen??? Then finally they got their chance. As to why they rebelled – it is said their egos,

their self-importance, grew, and they weren't able to control it. They were seduced by some inner need for greater power – but why did that happen? And is it just like everything else, there is variation in all things and so they went the way of rebelling against Mary and Jesus and the Mother and Father. And not being of a higher Paradise Order, they are more prone to being seduced by their inner biases, whereas supposedly Paradise Descending Daughters and Sons are too perfect, being of Paradise origin, and so wouldn't or even can't, rebel. And Avonal Pairs can willingly take on rebellion, but that's their choice and they are not technically rebelling or defaulting, they needing to do this so they can heal themselves of the Wrongness thereby liberating the world of rebellion, and in our cases, also default. Which means, providing people and spirits in the Mansion Worlds, their Spirits of Truth, so everyone in a rebellious state can look to them instead of the Evil Ones, the rebellious Lanonandeks, for the way out of rebellion and onto Paradise.

The Evil Ones took over their part of Neadon, Mary and Jesus allowed them to, allowing the Rebellion and subsequent Default on Earth to run its course. However it continues to cause masses of disruptions to the natural way of things, all of which we've been and continue to be subjected to.

So because humanity for two hundred thousand years has been increasingly subjected to the Rebellion and then also the Default of Eve and Adam (Material daughter and son), we are well and truly entrenched in the unconscious belief that the Evil Ones are the Gods, and that we're to look to them for the way to be happy and feel loved – that they are the Living Truth. And yet, as we can all see from our own lives when we start to address our bad feelings, this is wrong, false and misleading, only making us feel even more unhappy, unloved and powerless in our negative truth-denying state and being unable to do anything about it – because ascending mortals are not able to go against the higher Daughters and Sons. So without humanity knowing it, we have been praying to the Evil Ones as if they are God, even with people who pray to Jesus, praying to a mind-created fantasy Jesus and not the real one, as can be seen by the Evil Ones strategically denying humanity the truth of the Divine Love, with our need to long for it being excluded from the Bible and not found in any other rebellion-created religion.

Mary and Jesus being the highest Paradise Pair, by their coming to Earth, terminated the System Rebellion of the Lucifers and Satans. So that level of evil influence on all the rebellious physical worlds ended two thousand years ago. And then it's required for each world to be attended to by a bestowal Avonal Pair, who take on the evilness of that world and heal it within themselves, thereby ending the control in our case of the Caligastias and Daligastias, which has now apparently happened, with the Avonal Pair only to finish their Healing so as to signal the complete technical end of the Rebellion and Default.

So their – the Avonal pair – Healing involves dealing with the Rebellion and Default within themselves on all levels, so people and the mind Mansion World spirits can then choose to follow them and do their Healing. So by following the Avonal Pair you are going against the Evil Ones (currently it being their legacy within you and on the world), looking to end their negative, unloving and untrue influences within yourself. And once done, you become a Celestial, either on Earth or in the Celestial spheres, and free to align yourself with Mary and Jesus, which is done by partaking of the Divine Love, and free to live your ascension to Paradise – free to become at-one with your Mother and Father.

We're all living the demented levels of the demented minds of the four Lanonandek pairs that rebelled. And as we do our Healing, so we come to see how fucked they are, as we see how fucked we are; how they passed that fuckedness onto us through our parents, how we've become so tangled up in our Wrongness, not knowing what is true – we live untruth believing it's true, we feel false love believing it's true love. We're all around the wrong way, deeply mixed up, and needing to do our Spiritual Healing to get ourselves out of our sinful and evil ways, so as to come back into alignment with

the Truth. So all that we are has to go, and we're to uncover a whole New Way on all levels, personally and how to live, as we liberate ourselves from our dementedness.

With the Evil Lanonandeks no longer at large, having been detained on a prison world awaiting judgement as to what will happen to them, so the Melchizedeks stepped in taking over their positions. I don't know why other Lanonandeks weren't appointed, however I guess it's because of the damage done by the Rebellion, we who are here and part of it have to deal with it ourselves, so no outsiders other than Mary and Jesus and the Avonal Pair being from Paradise that can override that limitation.

And the Melchizedeks have enlisted the Celestial spirits help. So together, they now in effect play the roles of the Lanonandeks. And so as the Avonals progressively heal themselves, thereby liberating humanity from the dictates of the Rebellion and Default, so the Celestials are being given increasing power and authority to do what the Lanonandeks would have done. So the Rebellion on a positive note is providing the Celestial spirits with unique opportunities as part of their ascension, as we hear from Helen and Nanna Beth. And I would imagine, people who finish their Healing and become Celestials on Earth will also in some way be given extraordinary opportunities as well, all of which will involve some level of healing the world and doing what the Lanonandeks and Eve and Adam should have done. Even to the point of Celestials on Earth who have children, will in some way be like the new 'Eves and Adams' populating the world with perfect and true children, all who are completely free of the Rebellion and Default.

And what happens to the Evil Ones? I imagine they will have to undergo a long period of Compensation experiencing the pain they caused all the people and angels who were under their care. And after that, if they are not extinguished outright, possibly they might be rehabilitated to some degree; however as TUB suggests, without ever receiving the power they once had. However, as all works out for the best and ultimately is all-loving, it will be fascinating to see through our own lives how all the pain we've been made to suffer ends up helping us and being the best thing for us.

And one last thing to note, had there been no Rebellion or Default, then on Earth we'd still have now the Daligastias and Eve and Adam, still helping people grow and evolve on all levels. Still being the higher Daughters and Sons that we can look to knowing that we're not alone, that we are being looked after and loved and that a greater life of ascension awaits us. And we would by now know of the Caligastias and all the help they would be providing on the higher spiritual levels, as well as the help they would be giving mortal spirits in the Mansion Worlds. And we would know of the Satans and Lucifers and all the help they were providing on the System level. And we've understood that in a way these higher Daughters and Sons are like mini gods to us, yet not our Heavenly Mother and Father. And they would be pointing us toward Mary and Jesus helping us understand that they are the Creator Pair, and here we live in their universe of Neadon, and that all they are doing for and with us is to help us evolve and grow on all levels as we look to our feelings for our truth we are to live as we express the personalities from our souls on our way through Neadon and onto Paradise. It all being a perfectly unified and loving experience for us. We being able to see the higher Daughter and Son as in the Daligastias and the Material Pair, Eve and Adam, who would be for us the perfect humans that we could strive to be like. So we would want to be perfect in our humanness like Eve and Adam, and perfect in our spiritualness like the Daligastias. With both pairs showing us that we can be both perfect on the material and physical level, as we can be on the spiritual level. Which is completely the opposite of how we've been made to live, because all of that perfection has been denied us, with our being so screwed up about how we are to live both materially – physically and spiritually, we having no idea about either, and with them working fully in opposition to each other. And with our longing for and wanting the Truth, the truth of how we're to live physically and spiritually, all of which is to come (and ONLY come) through each of us individually and as a consequence of properly attending to and expressing ALL we feel.

U-TURN for HUMANITY:

Why are we doing a U-Turn?

We are doing a U-Turn **because** the year 2017 heralded the end of the Rebellion and Default. For two hundred thousand years, humanity has been going in the wrong direction.

What is this fundamental step that will change our way of living?

We are to come to understand / know the foundational cause of all our feelings, both good and bad. As we explore and investigate our feelings, each time they arise, one by one, we are to talk them through, express them to a companion or friend or anyone who will listen. As we express them, while at the same time coming to understand how they have come about, we will find that they will be resolved and that they will not come up again.

We will find that all of our feelings / emotions have their foundations from our childhood. And by childhood, that is from the time of one's conception all the way through to about the age of six. It is the repression of our childhood feelings that is the base or foundational cause of each and every one of our adult personality issues, pains, difficulties, illnesses and distressful life experiences.

We have to see the whole truth of our negative or self-denial state, before we can heal it and be free of it.

The vital difference between **emotions** and **feelings** is:

- emotions have their roots in the past,
- feelings relate to the present moment,
- emotions represent feelings not previously expressed,
- and these accumulate over time.

Many emotional clearing processes encourage us to look into our feelings, however, none go so far as to drill down into the core foundation of any emotional feeling to the point that we strive to KNOW the core issue, the origin of the feeling, be it good or bad, and actually come to know what it is!

The *Journey Process* is generally known worldwide. It stops short of longing to know, that is asking for the knowing of the events that brought about such a feeling. Yes, we are to acknowledge the feeling, say being angry. Then accept that behind that anger is the feeling of being small, and then look at the underlying reason of why we are feeling small. What is the truth behind that feeling? Ask our Heavenly Parents what is behind all of this feeling. What is the foundation, the origin of the feeling? All the time talking it out, expressing it, with a friend. The expressing of the experience is the release of the emotion / feeling, this is what removes it for ever from within our essence, our **soul**.

Why ask our Heavenly Parents? I thought God was just God – singular?

This is part of the revealings that have been unfolding for us very recently – that is – since 2002.

We are made in the image of God. This has been understood for centuries, for 2,000 years. Our soul is duplex. Our soul expresses itself through two personalities. One soul 'subdivides' into two, one half

**Feeling
Healing with
Divine Love is
the key!**

always being female and the other half always being male. We are a reflection of how God is. God being one Soul is expressed as Mother and Father. God is two personalities. They are soulmates. And each of us has a soulmate, and our soulmate is always of the opposite sex, because the Mother and Father are the opposite sex.

Thus, when we long for the truth behind a feeling, then we can long to our Heavenly Mother and Father. Only they can tell us. No spirit personality can tell us. No canonised saint can tell us, we may as well ask our next door neighbour. That would be just as productive. Mary and Jesus can't tell us, as they are also spirit personalities.

I was taught that Jesus was God? And what is this about Mary?

Mary of Magdalene and Jesus of Nazareth were both born free from sin. Neither of them are God. They are both children of God, just like you and me.

History needs to be corrected. Both Jesus of Nazareth and Mary of Magdalene became at one (At-One) with our Heavenly Mother and Father during their physical lives here on Earth in the first century; Jesus in the year 26CE and Mary in the year 33CE, or thereabouts. Jesus died aged 35 (born 7BC died 29CE), and Mary died aged 47 or 48 (born 2BC died 47CE).

Further, their sojourn on Earth was the completion of their process to become the full Regents of the sector of planets that is referred to as Nebadon. The region within our super-universe that is referred to as Nebadon contains 3.8 million inhabited planets. If you look into the night sky, each star / sun potentially has between none to three inhabited planets within its orbit. Within Nebadon, the soulmate pair, namely Mary and Jesus, are our Spiritual Teachers of Truth. Their domain is all 3.8 million physical planets plus their associated spirit worlds. Each physical world has seven associated spirit worlds, which is the case for Earth being one of the 37 that have rebelled.

Some 200,000 years ago, Lucifer with his soulmate and his deputy, Satan with his soulmate, brought about a rebellion on 37 of the inhabited planets within the region called Satania, one of the local universal systems of Nebadon. Earth compounded the situation through the Default of Adam and Eve about 38,000 years ago. Thus the population of Earth, being in the worst condition through the Rebellion and Default, became the location for Mary and Jesus to have their physical experience to complete their ascendancy to full Regency of the local universal system being Nebadon.

Their lives on Earth was the start of the unravelling of the Rebellion and Default. Upon Jesus becoming At-One with our Mother and Father, he was then vested with the authority and power to have the Lucifers and Satans arrested, and they now reside exiled within a prison world.

Notice that there were no records of Jesus and Mary's teachings and experiences made during their physical life. That was because they did not specifically come here for us, they came for the benefit of all peoples of all planets and spirit worlds throughout Nebadon.

As they are Paradise descending spirits, they have **Spirits of Truth**. Upon Mary and Jesus' death, they released their Spirits of Truth. As spirits, Jesus and Mary are how we will be, once we've finished our Soul Healing. They can only be in one place at any one time. However, it is their Spirits of Truth throughout Nebadon that we can connect with for guidance. It is through their Spirits of Truth that spirit personalities can progress through and out of Nebadon.

Those planets that have Rebelled need further assistance, and they need it on a localised manner. This can only be provided by another bestowal of a **Paradise Pair**, and that is in the form and manner of an **Avonal soulmate pair** who come here specifically for us.

What is the purpose of an Avonal pair, and are they here on Earth?

Unlike Jesus and Mary who were always free from sin and did not experience how to heal themselves, the Avonal pair are to experience all of the extremes of evilness and then proceed to heal themselves. Mary and Jesus through their bestowal on Earth ended the Lucifers spiritual rebellion in Nebadon; the Avonals bestowal is primarily concerned with ending the Default of Adam and Eve by the Avonals themselves personally healing the effects of such a damaging Fall.

The soulmate Avonal pair are to be, and have been, subjected to the extremes of childhood suppression and repression, and then, through their Feeling Healing, are experiencing all the facets of emerging truth as they slowly progress through a protracted and difficult healing process. As they reach specific milestones, this also enables those in the Celestial Heavens, (the three worlds where Celestials reside) to be empowered to assist us in the physical on Earth.

The first considered milestone was the arresting and imprisonment of the Caligastia soulmate pair and the Daligastia soulmate pair. After the arrest of the Lucifers and Satans in the first century, as nothing further occurred, the Caligastias and Daligastias continued on from spirit as if they were kings and queens, suppressing all of humanity and with plans to take over the universe. It was possibly in the early 1990s that they were 'judged', and 'removed'. They were caught unaware that an Avonal bestowal pair were on Earth.

How is all this becoming known? Has Jesus and Mary communicated directly to Earth?

Unlike in the first century, when no records were kept (as the event related to all of Nebadon and it was actually setting the stage for the Avonal bestowal pair to arrive on Earth), every effort to retain records in great detail of this current series of events is now being attended to. Consider this. The New Testament of the Bible is some 300 pages. The records of the Second Coming, which this is, the primary records are possibly 6,000 pages, with direct complementary records increasing that to over 10,000 pages and with all the supplementary records to date, there may be as many as 40,000 pages, certainly well over 30,000 pages of material presently.

Jesus directly communicated through James Padgett from 1914 to 1923. Mary of Magdalene (Mary M) has directly communicated through James Moncrief from 2002 and is ongoing. Jesus has also communicated directly through James Moncrief. Neither have ever directly communicated through any one else, however, some Celestial Spirit personalities have provided information through other personalities on Earth with the support and approval of Jesus and Mary, thus some confusion, though the quality of the information is very reliable.

You say this is the Second Coming? You say I am living during the time of the Second Coming?

Yes you are. And it's more than that. This is the Second Coming, the End Times and the Handover!

In fulfilment of the prophecy in the first century, the Second Coming commenced on 31 May 1914 through the writings with James Padgett and concluded in 2014 through the writings with James Moncrief.

The End Times are well advanced. Mary and Jesus are well advanced in handing over their direct involvement with Earth to those within the Celestial Heavens. When this is completed, the Handover will also occur. **The Hand Over is to the Avonal Bestowal pair** and it is they who will guide the population on Earth through their Feeling Healing processes for the next 1,000 years, being the next spiritual age. The Handover will take place after the Avonal pair complete their personal Healing of the Rebellion and Default. Then will follow with their Spirits of Truth being officially liberated in alignment with Mary M and Jesus' Spirits of Truth upon their death.

Major events have occurred with the progression of the Avonal pair's Feeling Healing, which they are also doing whilst embracing our Heavenly Parents' Divine Love, thus they are doing their Soul Healing.

Early 1990s:	The arrest of the Caligastia and Daligastia soulmate pairs.
22 March 2017:	Negative spirit influence was blocked.
31 March 2017:	Angel assisted healing will become available upon the Avonal pair completing their own Feeling Healing, being with Divine Love, thus it being Soul Healing.
22 May 2017:	Law of Compensation quickening.
2 December 2017:	Psychic Barriers maintaining the Rebellion and Default were cracked.
8 December 2017:	Bring on the money to 'house the future of humanity' .
31 January 2018:	Earth and the seven associated Mansion Worlds (including the two Earth planes) are officially now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default.

How does this all fit into our future way of living?

This time, in the history of humanity, is the most exciting time ever experienced.

The whole human race is suffering from repressed childhood and mind control.

Through one's Feeling Healing, and should we embrace our Heavenly Parents' Divine Love, then with their Love we are doing our Soul Healing, and eventually we can live totally in accordance with our soul base feelings and live free from error – no more fear and no more physical illnesses is possible!

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

Our soul is always perfect. In fact, we are the complete package. All that we need to know is within our soul. This knowledge has been denied from us since the time of the Rebellion and compounded by the Default. That is what was brought upon us by the Lucifers and his cohorts. We have always been meant to live true to our soul based feelings but we were taught to embrace our error riddled mind – this was aided by our parents – unknowingly all parents have taught their children to be mind dominant. **This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

“Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **Feelings** guide us through our **ascension of truth**. So they are really our Supreme Guides. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feeling is really: **Longing for the truth of our self, because: we are our feelings**. So life stirs up

our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.”

Kevin of the 1st Celestial Heaven 26 September 2017

(Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.)

It is through the assistance of the Spirits of Truth of the Avonal Pair, upon the completion of their Soul Healing, that we will be guided through our Feeling Healing process, and should we embrace our Mother and Father’s Divine Love, then our Soul Healing.

Then should we embrace Mary and Jesus as our Spiritual Teachers of Truth, their Spirits of Truth will lead us on the path through the Celestial Heavens where we will certainly meet up with our soulmate and join our soulgroup, which will eventually consist of twelve soulmate pairs. Then as a soulgroup, the Spirits of Truth of Mary and Jesus will lead us up through and out of Nebadon towards Paradise.

It is then our Mother and Father in Paradise who draw us to them and we will eventually meet our Heavenly Parents.

Meanwhile, while we live on Earth, we will have assistance and guidance previously denied to us throughout the era of the Rebellion and Default. Under the Contract controlling and managing the Rebellion and Default, the powers and capabilities of our Celestial Heaven spirit personalities, all three worlds of them, were heavily restricted and almost of no assistance to us at all. Further, Nature Spirits and our Angels were heavily denied contact with us physical people because of the Rebellion and Default, all of which is soon to change, so we can look directly to them for help concerning healing ourselves and understanding all aspects of nature.

As we embrace our Feeling Healing, Celestial spirits will and can greatly assist us. In fact, during the year of 2017 they have blocked all mind spirits from the Natural Love Mansion Worlds: 1, 2, 4 and 6 from interfering with us. Celestials have taken control of all facets of living and life on Earth. Celestials are those spirit who have completed their Feeling Healing and progressed through Divine Love Mansion Worlds 3, 5 and 7 and now live in the higher Celestial Heavens, 1, 2 and 3 (when we become At One with our Heavenly Parents then we leave the Mansion Worlds and progress through the next three spheres related to Earth, hence the Celestial Heavens are also referred to as being numbered 8, 9 and 10).

The Nature Spirits of Earth, who live in the third Earth plane, can now directly interact with those who are embracing their Feeling Healing. Nature Spirits are essentially ‘angels in waiting’. They have been on Earth prior to anything that we now see living in nature. When they first started to arrive, there was no life in the seas or on land. They have consequently witnessed everything that has happened on Earth, including all prior human civilisations of which we largely remain ignorant. Their knowledge and assistance is of great importance to us. We are to interact with them on an ever increasing scale. They are to become an invaluable source of information for us concerning how we are best to live with nature.

Further, we may become more aware of our **Indwelling Spirit**, which arrives for each of us during our sixth year, as we now progress with our Feeling Healing, or with Divine Love, our Soul Healing.

And all of this is possible as we embrace our Feeling Healing process, acknowledge and accept the Avonal pair, acknowledge and accept our Spiritual Teachers of Truth, namely Mary and Jesus, and more importantly, grow to love our Heavenly Parents, our true Mother and Father.

We do not need intermediaries, rituals, liturgy, dogmas, creeds, fancy clothing, or institutions. It is our soul based feelings and expressions that we may exchange directly with our Heavenly Parents. Groups may form to assist each other, and that is our choice and within our free will.

This is the greatest event in the history of humanity.

This is the Great U-Turn that humanity will embrace throughout the next 1,000 years. MoC 1,480

WHERE IS HOLY MOTHER?

Peter Cosgrove, Governor-General of Australia, may well have been with his wife when presenting Pope Francis with an Australian soccer football jersey, however, where is the ‘holy mother’? One soul is represented by two personalities, a male and a female.

The illusion of sanctity will no longer hide the errors that this church has propagated to all of humanity these past 2,000 years. It is time to end the strivings of error ridden, controlling minds of men and bring about the freedom that truth will reveal through one’s feelings.

GG Cosgrove & Pope Francis 25 June 2018

The church has propagated:

1. That Jesus of Nazareth is God. Followers are asked to pray to Jesus when it is our Heavenly Mother and Father that we should at all times long to and communicating with.
2. To worship Jesus of Nazareth as God is blasphemy. Absolute straight out blasphemy. He is a son of God as we all are. When one ‘takes holy communion’ one may be better served with a tasty cracker or biscuit from the local supermarket than to consume a dried out micro thin wafer. Well both options are presently machine made and of little nutritional value!
3. That Mother of Jesus was a virgin and that the conception of Jesus was an ‘immaculate conception’. Mother Mary was married to Joseph and they had tried for some time to have a child. Mother Mary is a typical mother, just like any other mother, nothing special other than being the mother to a most extra-ordinary man, Jesus.
4. That Mary of Magdalene was a prostitute. Mary of Magdalene died a virgin at the age of 48. The church has got the wrong virgin Mary! Jesus also died a virgin.
5. Learning prayers and saying them by rote is a total waste of time. Such aspirations do not rise as high as one’s nose, well, eyebrows sometimes. Consider the ‘Rosary’. Repeating the same prayers – set of words – is pointless. It is even more pointless when the prayers are directed to Mother Mary – she cannot do anything about them, let alone hear them. You see, Mother Mary has left our part of the universe, she has progressed way past the Celestial Heavens, she is now out of range. So you may retire your rosary beads to history!
6. The sacrament of confession is a false practice. No man can forgive the errors of another. Not even Jesus can forgive the sins of another.
7. The church has subordinated the woman to the man. A gross error! Women are closer to their feelings than men. It is the female who is our spiritual leader – not the male. For a church or religion to maintain control they typically reduce the woman to subservient levels. This is to change.
8. There is no truth or substance behind the cannon laws, dogmas, creed, rituals and sacraments of the church. These are all controlling mechanisms. All the church is doing is taking their constituents further into their minds and away from their true selves, their soul based feelings.
9. The amount of pain and harm that we subject another person to is the amount of pain and suffering that we each will endure. There is nothing holy about the church’s leadership.

Jesus of Nazareth and Mary of Magdalene are joint regents of a region of space called Nebadon. They are our spiritual mother and father to whom we are to look to for Divine Truth. As soulmates, they came to Earth for the benefit of all within their domain. Now we have another bestowal soulmate pair here for the exclusive benefit of humanity on Earth and that is what the Great U-Turn is all about.

MAP of CONSCIOUSNESS CALIBRATIONS reflect the nature of the TOPIC:

The level of truth of a topic or subject is reflected in the calibration through employing Dr David R Hawkins' Map of Consciousness with kinesiology muscle testing. A publication or movie about manufacturing food would be around 200, whereas meals prepared in a loving home would be around 500. The subject of pornography through to war would be less than 200, whereas natural love topics can readily be over 500 and up into the 800's plus. Material introducing Feeling Healing with Divine Love, by its nature, will range between 1,480 to 1,500 on Dr David R Hawkins' Map of Consciousness (MoC), in its purest form of presentation. This has never been previously achieved.

being those at-one with their
Indwelling Spirits.

Humanity that is above 500 on the Map of Consciousness scale is Feelings First orientated.

Conflict does not occur amongst these people. They engage with their soul based truths. Below 500 one is predominantly mind orientated!

Presently, humanity calibrates overall at around 212 and is engaged with their wayward, controlling, addicted minds. Through living feelings first with one's mind subordinated thereto, humanity will universally progress beyond conflict of any kind, particularly war.

Below 500 we have: ↓

Note:

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.

A calibration increase of 1 point is in fact a 10 fold increase in energy.

A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.

Thus the energy differentials are in fact enormous!

In view of the preceding comments, one can consider the level of calibration of parties involved in the subterfuge to delay the payout from the Solid Investment fund pool to the account holders as well as to the global humanitarian fund, namely Pascas Foundation. The pattern has been to consistently ignore, deny, then defer with a host of other interference initiatives intertwined. Government officials at the absolute highest levels of authority have been complicit with the charges outlined below:

Press Release**May 21, 2018****Formal Judicial Complaint filed against 3 German Judges**

A formal judicial complaint was filed in the Federal Republic of Germany, State of Hessen Frankfurt-am-Main Court of Appeals on May 14, 2018 against three German judges, Dr. Jürgen-Peter Graf, German Federal Criminal Court, Criminal Panel 1, Dr. Roman Poseck, Frankfurt-am-Main Court of Appeals, and Dr. Thomas Aummüller, Frankfurt-am-Main Court of Appeals, retired.

Charges include:

1. Appointing unqualified administrators.
2. Agreeing to allow court appointed administrators to withhold critical documents from beneficiaries.
3. Allowing court records to be removed from authorised court approved databases.
4. Allowing administrators to hide all relevant documents from court recognised beneficiaries in a fabricated, illusionary virtual jurisdiction.
5. Allowing nonpayment of beneficiaries to continue.
6. Allowing the administrators to not communicate with beneficiaries for over a decade.
7. Allowing the administrators control over the escrow funds with no oversight.
8. Allowing the administrators to use the escrow funds for the benefit of others.

9. Allowing no further investigation into documented criminal activity.
10. Ignoring requests from court approved beneficiaries for contact information of court approved administrators.
11. Ignoring requests from court approved beneficiaries for documents pertaining to the whereabouts of their funds.
12. Ignoring requests from court approved beneficiaries for access to their court approved funds.
13. Violating the guidelines, rules and regulations of the court by ignoring motions filed on January 22, 2018 and February 26, 2018.

A formal investigation into this matter has been requested, specifically the conduct of Dr. Roman Poseck, Dr. Thomas Aumüller and Dr. Jürgen-Peter Graf and any matters that arose or may arise as a result of this investigation. We also demanded this matter be transferred to another judicial trustee so that payments can recommence and all documents be made available to the beneficiaries.

If payments do not recommence immediately, the beneficiaries will have no choice but to file an action in the International Criminal Court against the Federal Republic of Germany and the State of Hessen.

Since 2012 the funds of the Solid Investment account holders, and consequently the funds of Pascas Foundation have been withheld with the complicit collaboration of the most senior German Government elected representatives. Consequently, they have directly impacted upon the lives of every single man, woman and child of the planet as the Pascas agenda is global and these funds empower the Foundation to deliver to every community within every country on this planet.

FUND POOL of US\$300 Billion stolen from 35,000 accounts owned around the GLOBE:

This pool of funds amounted to US\$300 billion in the middle of 2007 and has continued to grow at exceptional rates for the account holders and the global humanitarian fund – Pascas – however, the funds continue to be hijacked. The above press release of May 21, 2018 pertains to this event. This is a bullet point summary:

In 2007 contact was made with Simon J. Church, the nephew of Fraser A. R. Richards, 2nd Baron Milverton and gatekeeper for an international financial group (read Rothschild family, to whom he was related by marriage.) Hereafter referred to as the “Group”.

Over the ensuing years, as Mr. Church, an embroidery consultant, became more involved with the “Group” Ms. Schultz became his advisor and confidante. Maintaining documents, records and contemporaneous notes. Most specifically related to an investment both made in a S.....r Asset Management vehicle in 2006.

2006

1. S.....r Asset Management stole over US\$10B from over 100,000 large and small investors.
2. After threats of prison, the large institutional investors were promptly paid.
3. The smaller investors filed legal action in Germany, the case making its way to Criminal Panel 1, German Federal Court.

2007

1. In lieu of criminal charges, a settlement agreement was approved and signed by Dr. Jürgen-Peter Graf.
2. Governance of the settlement agreement was transferred to Dr. Thomas Aumüller, President, Frankfurt-am-Main Court of Appeals.

2008 – early 2010

1. S.....r Asset Management, with the aid of Barclays, stole, laundered, and profited from the settlement agreement by churning US\$20T in wire transfers accompanied by Federal Republic of Germany ‘clean and clear’ funds documents and approved by Dr. Aumüller. As an example, our transaction file shows that during a one week period in August 2008, 2211 wire transfers were processed in amounts ranging from US\$130M to US\$370M. The number of verified investor accounts paid was 0 (zero).

2010

1. After investigations, prompted by several investors and international banks, Dr. Aumüller approved the transfer of both administration and paymaster duties to Dexia.
2. Shortly after the transfer, a technical investigation of the database found that a computer virus had been installed, corrupting the investor data file.

2011

1. Three investors, Crystal Schultz, Simon Church and John Doel filed a petition in the British High Court demanding payment and the consolidation of jurisdiction.
2. In response, the Federal Republic of Germany accepted global jurisdiction in a court order signed by The Honourable Alan Rodger. As part of the oversight requirements, a computer monitoring station was installed in the office of the President, Frankfurt-Am-Main Court of Appeals.
3. Shortly after the ruling, Lord Rodger died after an unexpected short term illness.

2012

1. Further complaints of nonpayment prompted further investigations.
2. A formal judicial hearing was held for Dr. Thomas Aumüller. In an attempt to keep the clear evidence of theft, conspiracy, and money laundering confidential, Dr. Aumüller retired and Dr. Poseck was appointed President, Frankfurt-am-Main Court of Appeals and global judicial overseer.
3. At the same time, the EU was on the verge of collapse and funds were desperately needed. The gatekeeper for the “Group” Fraser A. R. Richards aka Lord Fraser A. Milverton aka numerous unknowns was appointed administrator and Handelsbanken Austria (one of the few international banks licensed to issue fresh cut bonds) the new paymaster of US\$300B in investor escrow funds.
4. A team of negotiators for Germany and a team of “Group” negotiators including Elizabeth Blackburn and Lord Milverton reach an agreement. Attached as an ancillary agreement to the EU bailout for the State of Germany and signed by Dr. Wolfgang Schäuble is a document we call the “Agreement to Facilitate Payments”.
5. This Agreement allowed Lord Milverton to use the investor escrow accounts, without investor consent, to collateralize over US\$6T in government bonds for a short period. After which “Group” funds would replace the escrow accounts as collateral and all of the investor accounts would be paid.
6. A guarantee clause in the agreement compels the Federal Republic of Germany to compensate the investors if for any reason the court appointed administrator failed to complete payment.
7. The terms of the agreement, as well as past malfeasance of the settlement payments, posed such judicial, political and financial risk that all documentation related to the original settlement agreement, the UK court order, the judicial hearing and the Agreement to Facilitate Payments was placed in a virtual jurisdiction with oversight granted only to Dr. Roman Poseck.
8. Lord Milverton suffered complications from heart surgery and “Group” legal counsel John D. Walden aka unknown aliases was appointed new administrator.
9. John D. Walden suddenly died of an overdose of a prescription drug and Simon J. Church aka John Smith aka Robin A. Richards aka numerous unknown aliases was appointed the new administrator.

2013

1. Video tape confirmed Mr. Church’s residence was invaded twice by highly trained professionals. Fearing for his life, Mr. Church went into hiding and cut off all contact with Crystal Schultz and all other investors, friends, family, etc.
2. Profits from the investor escrow accounts were funnelled into off shore trust accounts, then redistributed to select individuals and countries.

2014

1. The settlement investors compiled all of the notes, documents, and evidence available to demand payment. Actions were filed in the US and the UK.
2. Numerous demands for payment were made to Mr. Church, Dr. Poseck and the Federal Republic of Germany in accordance with the numerous court orders and the guarantee in the “Agreement to Facilitate Payments.”
3. Dr. Poseck summoned Mr. Church to Germany, where he remains to this day. The reasons are unclear. Is it to protect him, Germany or to keep him unavailable so claims cannot be made against the investor escrow funds?
4. Profits from the investor escrow accounts were funnelled into off shore trust accounts, then redistributed to select individuals and countries.

2015

1. The investors filed an action in the Permanent Court of Arbitration (The Hague) against 16 respondents. All respondents defaulted.
2. Profits from the investor escrow accounts were funnelled into off shore trust accounts, then redistributed to select individuals and countries.
3. The Federal Republic of Germany accepted 1.2M immigrants and didn't need to expand their debt.
4. The international financial community noticed and was confused.

2016

1. Profits from the investor escrow accounts continued to be funneled into off shore trust accounts, then redistributed to select individuals and countries.
2. Over 100 additional attempts were made by the investors to handle this matter discretely, to no avail.

2017

1. Before his death, Lord Milverton arranged that at a specific future date, certain documents would be transmitted to Crystal Schultz.
2. Invoices for investor payment were generated and liens were filed against the assets of the Federal Republic of Germany and the State of Hessen.
3. The investors shared their findings on a public website, www.shortfingereddonald.com, as well as, with international journalists and opposing party leaders.

2018

1. The German SPD party successfully negotiated to head the Ministries of Finance, Labor and Education.
2. The international financial community and select beleaguered countries query the website and start asking embarrassing questions.
3. Lord Milverton's specific future date arrived. He suggested Herr Horst Köhler may be the only person able to broker a discrete and successful conclusion to a matter that the "Pedigree Papers" prove what has turned into an international political, judicial and financial travesty for the personal gain of others.

The investor's mission statement is *"to restart the 2007 settlement agreement payments, with the cooperation and assistance of the proper authorities, to ensure ALL investors affected are treated with equal consideration."*

We endeavour to accomplish this goal while maintaining our respect, integrity and dignity in the face of overwhelming odds."

However, at this point, the investors' patience is gone and time is of the essence.

TRUTH versus FALSEHOOD:

‘It is an observed fact that even in the ordinary world of human life, the human mind cannot tell truth from falsehood, even about simple matters. The world holds an endless array of positions that are arbitrary presumptions and totally fallacious. One can observe them and respect how they are seen and valued by others without personally subscribing to them.

‘The mind is dualistic and thus sets up separatist mentations based on arbitrary, hypothetical positionalities that have no intrinsic reality. The mind thus confuses its own projections and mistakenly assumes that they have an external, independent existence, whereas, in reality, no such condition exists.

‘Science itself (calibration level in the 400s) has survived relatively intact and unscathed by the assault on truth. However this has led to the awareness that no major advance in science can occur without a further understanding of the nature of consciousness itself.

‘Not only is the majority of the content of the average mind fallacious, but it is also programmed to attack itself with self-hatred, depression, guilt, low self-esteem, envy, greed, conflict, and endless misery. These defects are then projected onto the world as hate, war, violence, and genocide. The ego defends its own limitations with prideful denial, thus becoming its own victim.

‘That the human mind, without help, is unable to tell truth from falsehood due to its own innate structure and design is so staggering a discovery that it is roughly comparable to the discovery by Copernicus that caused a cultural shock in the sixteenth century. (Copernicus formulated a model of the universe that placed the Sun rather than the Earth at the centre of the universe.) Because this single fact alone is confrontational to the average mind, it will probably not be welcomed or warmly greeted by those who profit from sophistry and its illusions.

‘The ego sees Truth as its ultimate enemy. Thus, the ego really uses the mind as camouflage and becomes hidden in its clever constructions.

‘One’s inner spiritual evolution is of greater value to society than any form of doingness. The level of compassion radiates out and contributes silently to mankind’s wisdom.

‘A characteristic of the energy field of consciousness is its innate propensity to evolve to higher and higher levels in order to give expression to the highest potentialities. (This is only possible through the embracement and living true to one’s feelings, soul-based feelings.) By the time consciousness levels reach the 500s, and especially in the high 500s, one’s spiritual energy tends to flow in a generalised way and influences not only subjectivity but perceived experience as well. What is held in mind tends to present itself almost effortlessly as though by the miraculous.’

Notes from Dr David R Hawkins publications

The main obstacle to man’s development is his lack of knowledge about the nature of his feelings, his soul-based, always in truth, feelings.

The brain is not the origin of the mind, as science and medicine has believed, but the other way around. The mind controls the brain. The brain is activated by the mind’s intention and not vice versa. However, it is our mind that is to be subordinate to our feelings, not the other way around as we have embraced for the last 200,000 years. Our mind is to follow the guidance and promptings of our feelings and support and implement such feelings as they occur.

WE have SUCCUMBED to our MINDS and IMPRISONED OURSELVES:

Yes, we have been seduced into believing and, consequently, living through our minds. This error has permeated into all aspects of our life. As parents, we have focused upon our children's mind development and this has continued through all levels of education that we have imposed upon them.

**A LIFE
BEHIND BARS**

No level of education has progressed beyond the level of 500, as per Dr David R Hawkins' Map of Consciousness (MoC). 'The transformative energy fields from 500 up are calibratable, nonlinear, self-effulgent, radiant, and beyond verifiable scientific definition.' This is further confirmed in that only a few scientists have calibrated marginally above 500 due to them embracing their feelings. The greatest scientists have typically calibrated only at the level of 499. The mind development hits an iron braced ceiling at 500.

Note:

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.

A calibration increase of 1 point is in fact a 10 fold increase in energy.

A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.

Thus the energy differentials are in fact enormous!

Opening ourselves up to living Feelings First further requires us to long for the truth of our feelings.

Without looking to our feelings and wanting to uncover the WHOLE truth of them, we can't heal our errors of belief and injuries. It's as simple as that despite what anyone does with their emotions and feelings. And many people in their endeavours to heal themselves have done some real Healing, if they at any time looked to their feelings for their truth, and this truth would have been forthcoming. So humanity has gained a little truth over the years. However because of the feeling-denying forces of the Rebellion and Default, that have been in play for some 200,000 years, the level of truth has remained very low.

The New Way, living Feelings First, which is now being revealed, will have many people wanting to follow it, looking to their own feelings for their own true power and freedom. As a consequence, they will no longer want to be dictated to by bogus religions or politician's corrupt social and educational systems or deep state hidden controllers or mind spirits or anyone else.

Once humanity collectively understands what has happened to them on the higher spiritual level, how the people have been controlled, and that it's over, that control is no longer controlling, it's just legacies of it, all of which the average person can deal with by destroying it in themselves, things will change markedly for the better. And as the people change, so too will how they want to live, it will be a great time of revolution, nothing will be the same. So what you are currently living through is the end of the Rebellion and Default, it literally is, and so once the end is fulfilled and the New starts, then all how it currently is and has been will cease to be.

WHICH WAY? MIND SELF RELIANT or FEELING AND GOD RELIANT:

To PARADISE, the HOME of OUR HEAVENLY PARENTS

The Way Home

Maybe something like 30 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

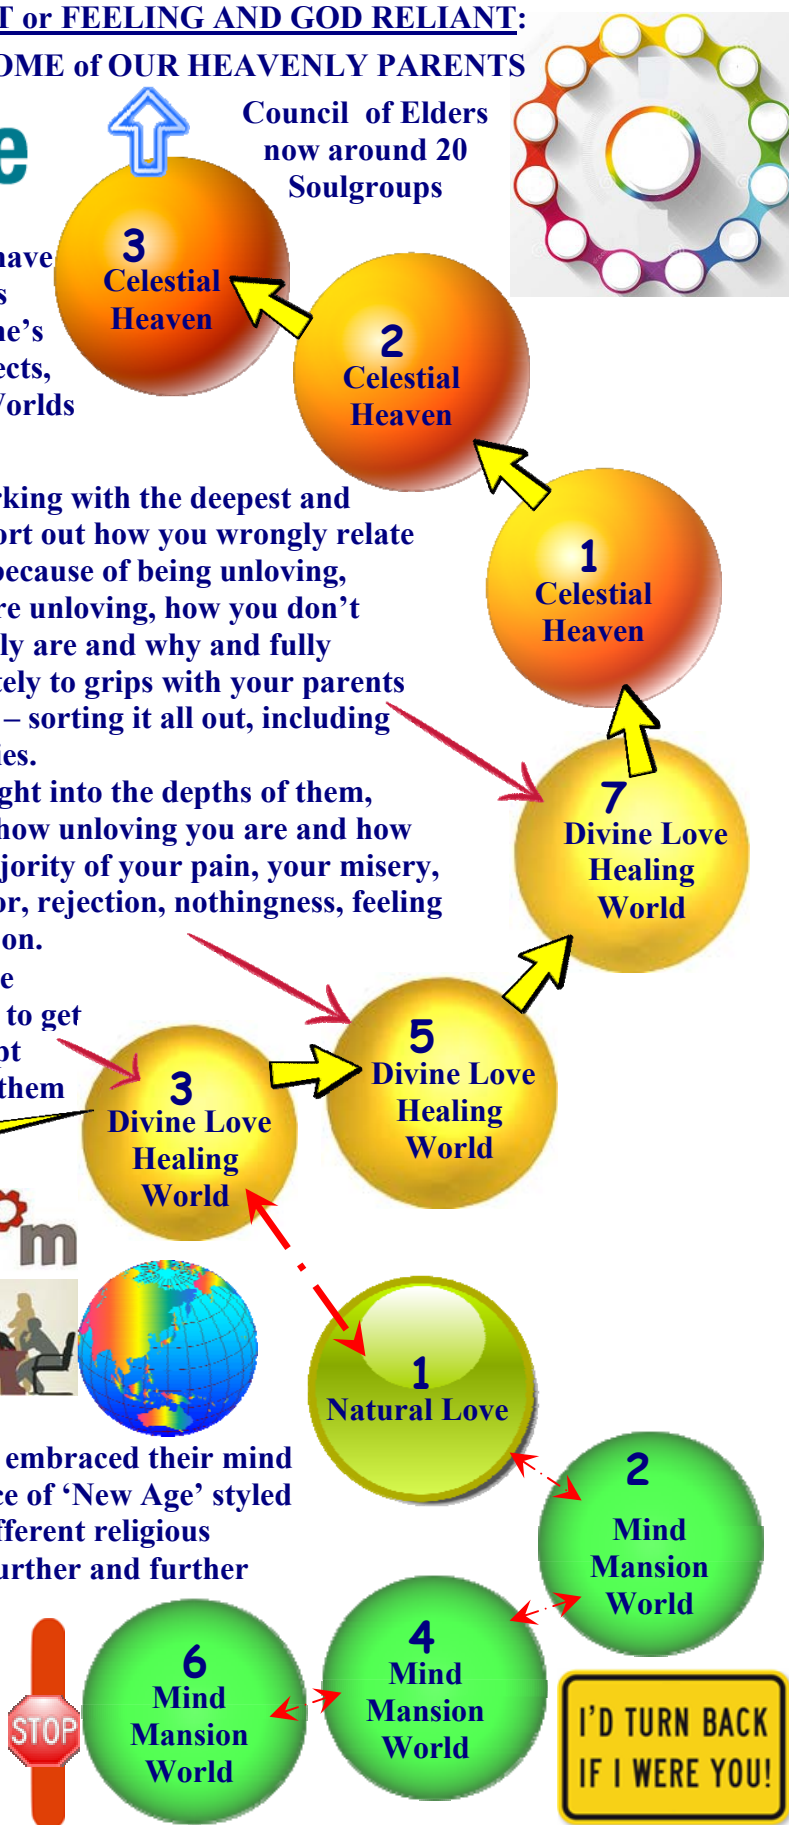

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

I'D TURN BACK IF I WERE YOU!

The Natural love spirit Mansion Worlds as to how they have been for all these hundreds of thousands of years and as they are set up currently, are to help spirits advance to the fullest of their self-denial that they can. That is, so as to become as evil as they can. And all under the guise of being 'loving'.

It's why they are called the mind worlds, namely Mansion World / spheres 1, 2, 4 and 6. That is because the spirits are using their minds to complete their rebellion – denial of self and feelings, and rejection of our Heavenly Parents as well their Creator Son and Daughter. So yes, the top of Mansion World sphere 6, spirits are the most evil, the most in rebellion, the most in default, the most wrong and unloving and untrue, even though, they appear, because they've trained their mind to do so, to be the most loving, but it's all false and contrived – such as the Eastern gurus. Total mind over feelings, blocking all the bad ones and using your mind to only make you feel good.

Typical of those on their way up in the mind worlds are not open to anything, they do not want to know about feeling bad and going with their bad feelings looking for their truth, because that scares them, that's not nice, that doesn't make one feel good, it threatens their control, they reject that preferring to stay in their nice safe space. Which is how it is for these Natural love mind spirits using their minds to control their feelings.

We've all got to take responsibility for our evilness even though we were made to be that way and rebel by default, but there is no getting away from it, and it has to be compensated right to the last farthing, which is what being in the hell planes is all about, and which keeps being applied right the way through the Mansion Worlds. **In the mind worlds you can continue to use that inner pressure requiring compensation for your bad deeds, to further contrive love and pretend you are all holy and loving and not hurting anyone anymore, which on the surface of it you are not, but underneath still are, all the way up through to the sixth world; or, you can allow it to keep working on you right the way up through the Divine Love Mansion Worlds doing your Healing.**

And apparently what's going to happen is the Natural love mind Mansion Worlds are going to be divided, so within them, there will be spirits doing their Feeling Healing – without the Divine Love, and still limited to the sixth Mansion World, but looking to be true and end their rebellion. And then there will be those still carrying on denying themselves as they have always done. So you will have spirits in the Feeling Healing Natural love sectors that will truly perfect their Natural love; and those spirits still in the mind sectors perfecting their wrongness. The opposites or extremes living side by side. And then you'll still have the Divine Love Healing Mansion Worlds, being spheres 3, 5, and 7, doing their Soul Healing.

And as for a summation: "Divine Love Mansion World / sphere 3 is the waking up to the truth that one is not loving, also their being a lot of assistance. Sphere 5 is then about going right into the depths of feeling how unloved you feel and seeing how unloving you are and how that makes you feel, also this is a time when one can then progress and manage their own progress through their Feeling Healing. Sphere 7 is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, this is a time of great realisation and comprehension with much of the prior experiences starting to be drawn together.

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

It is agreed that the lower worlds are about waking up to what's involved, however from then on it depends on how it's all structured for the individual in their negative state as to how much ongoing assistance they might need. Some need help all the way along, whereas others have been able to work with their feelings, themselves, right from the beginning.

And yes, each of the Divine Love healing Mansion Worlds, 3, 5 and 7, are equally painful to work through, just focusing on different aspects of yourself and your Feeling Healing with Divine Love. And then in the higher planes of the 7th world comes the transition, where one's pain starts to end, and you start feeling so much better about yourself, you are fully accepting of your negative unloving state, you are fully unloving although even starting to become more loving – truly loving, of yourself, God, and then other people.

Then onto the Celestial Heavens by progressing into Sphere 8 and then onwards further, all the way home to Paradise.

Maybe something like 30 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

The 1st and 2nd Spirit Mind Mansion Worlds / spheres are jammed to the rafters.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

CRYING WORLDS HEAL, the LOVE WORLDS LIBERATE PERSONALITY:

To PARADISE, the HOME of OUR HEAVENLY PARENTS

The Way Home

Council of Elders
now around 20
Soulgroups

Celestial Heavens are the Spheres of Love. One has to be a fully integrated personality, as in expressing all the aspects of one's self equally and lovingly, before one can leave the 3rd Celestial sphere – Sphere of Love, after having embraced the Way of Feelings.

When in the Celestial Heavens we work on bringing to light all the attributes of one's personality. We are to be a fully integrated personality, as in expressing all the aspects of ourself equally and lovingly, before you can leave the third Celestial sphere.

While we progress through the Divine Love Crying Worlds, we are to live true to our untruth, by living the truth of it. We only need to be true and perfect to our untrue state, and when we've done that, we're Healed. Even though we're still imperfect so far as fully expressing our personality, all of which we then perfect at the Celestial level. So really to qualify for the Celestials, that is about one living completely true to one's wrongness, and partaking of the Divine Love to a certain level, and then once that's done and being a Celestial, one can carry on bringing to light all those parts that one was denied the expression of whilst living untruth to oneself.

We are to uncover the truth of our untruth through the Healing mansion crying worlds levels (and their equivalent on Earth); and then once that's done, and with the appropriate amount of Divine Love in our soul warranting fusion with our Indwelling Spirit, we can move into the Celestial spheres of love (or their equivalent on earth).

Earth has been subjected to the Rebellion and Default until now! As a soulmate pair progress with their Feeling Healing, the Rebellion and Default conditions are being cancelled.

We all arrive into the 1st Mind Natural Love Mansion world. Most continue their way of living without any awareness of the Feeling Healing process and the availability of Divine Love.

The 1st and 2nd Mind Mansion natural love Worlds are jammed to the rafters with spirit personalities. Those who progress to the 4th and 6th Mind Mansion Worlds are progressing further away from God, continuing with the Way of the Mind!

HUMANITY is within a kind of dormancy, or even more like a stupor!

We, all of humanity, have been reduced to the barest of self-expression, having been reduced to the least creative life we can all live, that which the Earth is currently reflecting with everything and everyone trying to be the same. The pressure to keep going this way is to end. Steadily the pressure to go the opposite way, to increase creative expression, and this is not only meant through the creative arts, but in every aspect of life, socially, collectively and individually, is going to open things out enormously. It's going to be an explosion of light, that which is to end the darkness, something that's never been seen before.

It's the light in our souls, it's the light that comes from the truth we are to be living that will change us – that changes us all, light from our soul. **If one applies themselves to their Healing, thereby ending their unconscious self-denial, they will as they Heal, change and start expressing all the buried attributes, characteristics and talents, any natural part of themselves that's been denied because of their unloving parenting.** We are nothing like how we should be due to our self denial. So many people are living completely false lives, so when they become true, they will almost be the complete opposite to how they have been.

We are to be alive and vital, real expressions of our soul, to be living fully Healed lives as Celestials while living on Earth. Continually coming to terms with all we have been through, we all take a long time to integrate and understand it all, but we will virtually be New People.

We on Earth are used to our anti-self conditions. For the people who knew us before Healing, we will seem like completely different people, although with the same basic personality traits and characteristics. However all the self-hating, denying patterns and consequential behaviour will be gone, with all our loving self being expressed. **We are all but the living dead, whereas the Healed are the living living. And there's a huge difference.**

We and those who are Healed are like chalk and cheese, we can't relate to them anymore, and they certainly can't relate to us. **Healing is taking someone who was all but crippled right the way through their childhood and undoing all that retardation within them.** Doing one's Healing is changing the whole programming of every structure within you, all in keeping with getting older and naturally ageing with your mind and feeling systems ageing as well, working right down on the deepest will levels, it all changing, all to rid you of your wrongness and make you become right. It's a huge undertaking.

Yet it all follows on, it's not like you'll be so different from the old you that may as well not have existed, it's all there, all the new you to become, with only snippets currently being exercised and expressed, with **the rest of you in a kind of dormancy, or even more like a stupor.**

Once you have finished your own Healing, you'll be like a new person.

Notes derived from Nanna Beth 20 – 23 April 2018

WOMEN are OUR SPIRITUAL LEADERS!

To PARADISE, the HOME of OUR HEAVENLY PARENTS

The Way Home

We men generally CAN'T do our Healing by ourselves, we need the help of a woman and / or women.

Women ARE the true spiritual leaders, they ARE able to live true to their feelings, and need to be recognised as such, appreciated for being so amazing in that capacity, and so supported and put first, something the man finds hard to do because of all his rebellious programming about being the superior dominant one.

If we men want to ever Heal ourselves of our wrongness, well we are going to have to fully honour women, we are going to have to ASK THEM FOR HELP. Women innately know the Way of their Feelings, whereas we men don't. Men spirits in the Divine Love Healing mansion worlds (3, 5, 7), all do receive help from fellow Healing women spirits or from higher Celestials (Sphere of Love 1, 2, 3). They all do, all of them. Not one man has done his Healing as Marion or Samantha are doing theirs. James Moncrief 20 Aug 17

The religions of today were created as a means of stopping Jesus' truth about longing for the Divine Love and what that does to the soul, and then any truth Mary Magdalene might have said about looking to our feelings for their truth, so as to keep the Rebellion in place. The religions pre-Jesus were designed by the Higher Evil Spirits who were controlling humanity to keep that control, focusing everything on the mind being in control rather than feelings, and then post-Jesus, they added more of the same yet with the added emphasis of using all he said, so taking it, corrupting it, and adapting it to their cause.

And then throw in their contrived Islam, and you have more male domination and the subjugation of feelings – of the woman.

Helen 20 Aug 17

The 1st and 2nd Mind Mansion natural love Worlds are jammed to the rafters with spirit personalities. Those who progress to the 4th and 6th Mind Mansion Worlds are progressing further away from God, continuing with the Way of the Mind!

Long for the Truth from God, the Truth your Heavenly Mother and Father will show you. This does come through to you via the Spirits of Truth of the Avonal Pair in relation to one's Feeling Healing and in relation to Divine Love from the Creator Pair, all from the Eternal Son and in league with the Infinite Daughter and the Divine Minister.

Avonal Revelation

- We are to live Feelings First.
- We've been made to use our mind to live against many of our feelings.
- Our mind control commences at conception and is developed through our childhood.
- All the bad feelings we didn't express as we were growing up are still repressed inside us.
- And all such hidden, buried and unwanted feelings have to come out.
- And whilst they remain repressed within us, they will continue to make us feel bad and unloved.
- We get sick, depressed, suffer, have bad things happen to us because of our repressed childhood feelings.
- Humanity was brought into this state of living against itself by higher rebellious spirits.
- These Evil Ones caused the Rebellion and Default.
- We are made to rebel by default – as we have no idea we're doing it through our parenting in wrongness.
- We are all parented unlovingly – against ourselves, against our will.
- Some parenting in the wrongness is done with more love, yet it's all still wrong.
- To heal this unloving state within ourselves we have to do our Healing.
- Our Healing is our Feeling-Healing or Soul-Healing with the Divine Love.
- We can long to God for Their Divine Love, and this will help us with our Healing.
- God is our Heavenly Mother and Father, the Feminine Aspects of God having been kept hidden from us by the Evil Spirits.
- All humanity's religions and spiritual systems are designed to keep the wrongness going, to keep us away from God.
- Only by living The New Way, Feelings First Spirituality can you become right, and truly find God.
- Long for the Divine Love.
- Long for the Truth of your Feelings.
- Accepting all you feel is accepting all of yourself, it's your greatest act of self-love.
- And wanting to know the truth of your feelings, is your next greatest act of self-love.
- Love yourself through your feeling-acceptance, and the Truth will set you Free!

FEELINGS FIRST because OUR FEELINGS are always IN TRUTH!

It is through our feelings that we connect and communicate with our Heavenly Mother and Father. It is Their Truths that we feel. This is our pathway to freedom, to a joyous existence, a way of living that is so wonderfully light, in as much as our steps forward are always with ease and a true expression of our real personality.

Feelings First is a way of living that liberates all that is unreachable via our minds.

Never before in the history of humanity have the keys to our way to our Heavenly Parents been so clearly demonstrated and provided to us. Now, in the year 2018, we have been provided with the way to liberate our true personality.

We are to embrace our feelings, our soul based feelings, and through them we will find our freedom, and within this freedom we will find the way to heal ourselves of all our repression and suppression, most stemming from our forming years, our childhood from conception through to around the age of six years.

Oh the wonders of becoming superkids. That is, to begin to naturally express ourselves, that being truly the personality of who we are, the personality vested upon us by our Heavenly Mother and Father.

As emotional feelings begin to emerge, we are to long for the truth behind such feelings, both good and bad. It is the longing for the truth of our feelings that has been ignored by us for all these centuries. Instead we have subjected ourselves to our minds that cannot discern truth.

As we shed the encrustment of errors and injuries imposed upon us by the misbeliefs of our physical parents, we can ask for and receive our Heavenly Parents' Love, Their Divine Love, and in this way we will begin to divine ourselves, leading us to the Celestial Heavens.

JOURNEY of HUMANITY into and through the GREAT U-TURN:

Humanity reaching its most evilness, the most lost, the most separation of soulmates. Humanity can begin its Healing. The Great U-Turn begins, the dawning of the Spiritual Age.

This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.

Feelings First, you can be sure about that! **Once women get that message and start living it, then the tide will really change**, with men either deciding to support them by looking to their own feelings or being left on the outer wondering what the fuss is all about.

The feminine light is going to sweep through humanity and purge it of all the yuk and darkness, helping to bring the whole of humanity back into a nurturing loving mother state of being, from which the supportive, caring father can support her and together they can make the world great again, they can bring humanity up into its natural love perfection whilst at the same time offer those people who want to spiritually grow the truths of how to embrace the Divine Love and move on to the Celestial level.

By living true to oneself, true to our feelings, we are living true to God. It's that simple.
(Passage in blue calibrates on the Map of Consciousness at 1,500)

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

Feeling Pathway

Mind Pathway

Soulmate Pair

Angel

Spirit Person

Nature Spirit

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

WE EACH have a Nature Spirit pair, Spirit Guide pair and an Angelic Pair:

For those doing their Healing or are interested in doing it will from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about ‘sharing’ the same angels or guides or nature spirits, it is about you relating specifically to your ‘own’ ones because they are provided for YOU. It’s all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it’s the same of course in life with your friends, however over there, in spirit, dealing with Nature Spirits, Spirit Guides, and Angels, it’s more personal and private and ‘JUST FOR YOU’. So we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain’t going to be assigned to anyone else, so she won’t be sharing herself around.

This is SO IMPORTANT to understand so that in future there won’t be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is all they are speaking with.

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their soulmate relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit Mansion Worlds, however, our Angelic pair continue with us for eternity.

Feelings first

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus’ Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon us by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair’s guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world’s spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

HUM

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
We are to long for the truth of what we are feeling.
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

WE ARE Children of God

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.
 Want to understand why you're feeling them.
 Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
Your feelings are your spiritual guide.
Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True 'religion' for humanity.
It embraces all people.
It completely unifies the world.

Everyone can relate to everyone else through their feelings.
And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.
No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.
So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled religions. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one’s feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps us get to know God, helping us to reach out, connect and be personal with God, and do God’s Will, all through our feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we’ve all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

Wednesday, 27 June 2018: James to John The Typist:
 Pascas Care Letters – Absence of Love (JTT's second green teddy bear stamp!)
 Wonky Report thereon: All Good, that was an easy one.

The thing that strikes me, not so much about it, but about all your Pascas Papers, and this one being a good example, is how much input there is from higher spirits, the Celestials, my messages, their writing with me in my books – like Sage, Mary and Jesus, all of which makes it as a ‘revealed religion’, which is really what [The Religion of Feelings](#) is. And [The Urantia Book](#) talks a lot about the difference between revealed religion verses man-made – or just, mind religion. And the book points out the limitations of the man made religion and how humanity is designed to live revealed religion, how it can't ascend to Paradise without it. And really in a way, Pascas, now with it all included, is more of a true ‘religion’, a revealed one, than anything else on the world. And even though the Bible, Koran and so on are supposedly from spirits or angels, still it's all mind spirits and they are counted the same as people on Earth. Whereas a truly revealed religion is derived from the input of higher Daughters and Sons – so Daughters and Sons of God – and not daughters and sons of man. Because the thing is, humanity can't, and is not meant, to do it all itself. It's designed, and needs to, look to the Mother and Father – Divine Love, to Mary and Jesus – Divine Truth, to the Avonals, to the Local universal Daughters and Sons like the Melchizedeks, because they are the ones ‘reaching down’ to help humanity ascend up. So now threaded through Pascas is the reaching down, which if people reach out for and accept, will help lead them up. And there is nothing like that in the world. TUB ([The Urantia Book](#)) is the closest, then the PM ([Padgett Messages](#)), but as we know, they actually don't contain what is needed to do it because they don't contain the Revealed Truth of how to Heal yourself first, before you can get on and live what they are suggesting.

So you could conclude that Pascas is leading the world spiritually so far as being a true ‘provider of truth’. Which is not a bad effort JOHN. John-the-mortal has put it all together, and without even really knowing what he was doing, putting it altogether for other mortals to embrace. If there is going to be anything symbolic of a ‘baptism’, a time when mortal man bestows his blessing upon the higher truth as being lived by its revealers – a Paradise Pair – then it will come when John, the creator of Pascas, is happy with what he has created. When he is ready to release it to the world. Not a bad effort at all old son!

And the conclusion is that Pascas is The Way, so told by John The Typist, with such things as the revealed truth about the Healing: Feeling- and Soul-Healing, being under its umbrella. So from that point of view, it's right that it is made available to potentially everyone.

So it seems like we are waiting for JTT to give his creation the nod, and for our Mother and Father to set about revealing the way and the means by which Pascas is to do whatever it is to do. And are these two things going to happen at the same time?

So John the Baptist has morphed into John The Typist. And so (and you have to say this with a PK Indian accent): It's all very exciting!

John may have lost his head, but with all the James's talking and writing at once, there continues to be only one John the Typist!

P.S. After writing this and thinking about it a bit more, I know that it's not up to me to come up with a religion as such. My best shot at it is The Religion of Feelings. As to whether there will be a man made one based on Pascas, and as to whether there even needs to be one, waits to be seen. The question I am pondering is: Is a part of humanity to exist with a religion, or is the need to have a so-called religion something that is to be evolved through, experimented with on lower MoC levels (Map of Consciousness), then let go of as one moves progressively higher? Not everyone is going to do their Healing and become Celestial, so in the meantime, might a 'workable' religion based on all that's being revealed be required to fill some of the gap?

James

27 June 2018: Hi James,

JTT gave his nod yesterday – as Graeme knows the outline of what is now to be put into place and undertaken has been announced, it is documented as of yesterday (beginning of this Letter), so let us get it done.

Then we can retire!

JTT

And this publication – Pascas Care Letters Crimes Against Humanity – also achieved a green teddy bear stamp, that makes three!!! James has been reviewing Pascas Papers since December 2016 when John began reading James' publications. James first 'Wonky Report' was eight pages long and it took John three days to comprehend and work through the amendments. A green teddy bear stamp is considered warranted when there are no amendments recommended to a given Pascas Paper.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.
