Finaliters – our Destiny

Aspiring to Living Feelings First

Brian Iverach, Graham Golding, Jim Baker and John Doel

JOURNEY HOME

Our journey home is an ever growing expansion of truth being revealed to us. For Earth's humanity, as for the 37 humanities that have Rebelled, we are quarantined and isolated. Having also Defaulted, Earth's humanity is possibly the most evil of all. Firstly, we are to understand that living through our minds is why we are addicted to untruth and control of others and nature – we are going the wrong way! We are to live feelings first and then heal our Childhood Repression and Suppression – we are to live and express our true personality, the one given to us by our Heavenly Mother and Father. Then our journey home begins!

The Isle of Paradise is stationary within the circle of seven super-universes. Spheres here are also for us to further grow in truth before arriving Home to become Finaliters. Our Heavenly Mother and Father guide us out of our Local Universe of Nebadon, through the rest of our super-universe of Orvonton and into super, superuniverse Havona which circulates around the Isle of Paradise, being home.

Each of the seven super-universes are constituted, approximately, as follows and with 1,000,000,000,000 inhabitable worlds:

One super-universe is 10 major sectors

One major sector is 100 minor sectors

One minor sector is 100 local universes

One local universe is 100 constellations

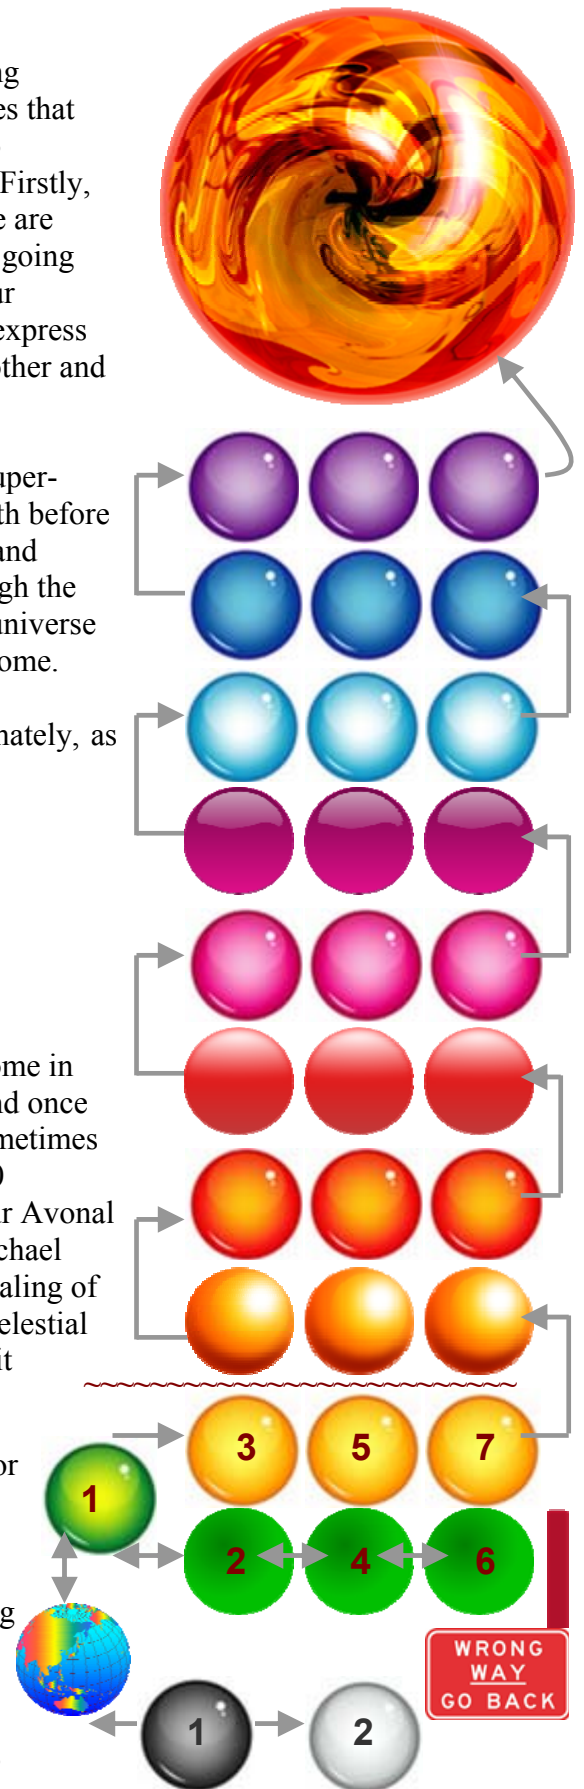

One constellation is 100 systems

One system embraces approximately 1,000 physical worlds

Once we attain the Celestial Heavens (spheres) we start to come in contact with spirits from other 'Earth' worlds. So in spirit and once we've finished out Healing and are Celestial, we interact, sometimes directly and otherwise indirectly, with potentially 10,000,000 physical worlds of which 3,840,101 are with humanities. Our Avonal Daughter and Son lead us to Mary Magdalene and Jesus (Michael soulmate pair, our Creator Daughter and Son, through our healing of the Rebellion and Default by guiding us into the first three Celestial Heavens and out of isolation from all other physical and spirit humanities.

Mary and Jesus then lead us through the Celestial Heavens for the system Satania (that Earth is in), then our constellation and then out of our Local Universe.

Isolation from all other humanities prevails before completing our soul's healing and progress into the Celestial Heaven spheres 1, 2 and 3. Hell planes 1 and 2 are of Earth, those who have compensation may have this experience and might then progress up through mind Mansion Worlds 1, 2, 4 and 6 before turning around to progress through Healing Mansion Worlds 3, 5 and 7 to transition into Celestial Heaven.

There are 100,000 MICHAEL soulmate pairs as REGENTS throughout our SUPER-UNIVERSE:

One of these 100,000 dots represents Nebadon, our local universe, consisting of 100 constellations with each constellation containing 100 systems which in turn have 1,000 worlds. The system in which Earth is within is called Satania.

Nebadon has some 10,000,000 physical planets, of which 3,840,101 are inhabited. The co-regents of Nebadon are the soulmate / soul partner pair being Mary and Jesus.

This structure is repeated throughout our super-universe, called Orvoton, 100,000 times. There are some 100,000 Regent pairs, equivalent to Mary and Jesus, throughout our super-universe.

There are 7 super-universes that rotate around the Isle of Paradise which is the home of our Heavenly Parents, our Mother and Father. Thus, there are some 700,000 Regent pairs equivalent to Mary and Jesus.

When we progress beyond the spirit mansion worlds, we enter the first of the three Celestial spheres, the home city being Jerusem, this is also the home city for all 1,000 physical worlds in Satania. From there we will progress to Salvington being the head quarters for Nebadon and the home of Mary and Jesus. Then we progress to Paradise.

NEBADON, our LOCAL UNIVERSE:

A Local Universe – Nebadon. One hundred constellations (about 10,000,000 inhabitable planets) constitute a local universe. Nebadon contains 3,840,101 inhabited planets.

A Constellation. One hundred systems (about 100,000 inhabitable planets) make up a constellation.

A System. The basic unit of the super-government consists of about one thousand inhabited or inhabitable worlds.

Earth is #606 in the system of Satania and is the latest to have human life. *Jerusem* is the headquarters of our local system of Satania. Thus *Jerusem* is the city to which we arrive when we fuse with our indwelling spirit having sufficient Divine Love following our Healing and enter the first of three Celestial Heavens, all being for the 1,000 physical worlds within Satania.

Salvington, in the centre of Nebadon, is the headquarters and home of our Creator Daughter and Son, the Michaels, namely Mary Magdalene and Jesus.

All descending Daughters and Sons of God have high and divine origins. They are dedicated to the descending ministry of service on the worlds and systems of time and space, there to facilitate the progress in the Paradise climb of the lowly creatures of evolutionary origin — the ascending daughters and sons of God (humanity – us). Those Daughters and Sons who come forth from the Deities on the central Isle of Light and Life are called the *Paradise Daughters and Sons of God* and embrace the following three orders: Creator Daughters and Sons – the Michaels, Magisterial Daughters and Sons – the Avonals, the Trinity Teacher Daughters and Sons – the Daynals. All three groups have Spirits of Truth, no others do. Only the Creator and Avonals Daughters and Sons release their Spirits of Truth following an incarnation and life on a physical world.

The remaining four orders of descending daughter and sonship are known as the *Local Universe Daughters and Sons of God*: Melchizedek Daughters and Sons, Vorondadek Daughters and Sons, Lanonandek Daughters and Sons, and Life Carriers.

The chief executive of a local system (such as Satania which includes Earth) of inhabited worlds is a primary Lanonandek Daughter and Son (was the Lucifers), the System Sovereign. The Lucifer Rebellion in the system of Satania was the last and the most widespread of all. Thirty seven (37) inhabited worlds were seduced into rebelling, by following the Lucifers and their deputies, the Satans. Earth then went on to Default at the time of Eve and Adam. Later on we crucified the Creator Son, Jesus, and ignored Mary. So now we have the physical presence of an Avonal Pair. Only the Avonal Pair can take on all of our wrongness and heal themselves. It is their Spirits of Truth that we are to long to so that we, humanity – all of us – can then heal the Rebellion and Default that we have all embraced.

SATANIA SYSTEM within the LOCAL UNIVERSE of NEBADON:

The number of **stars** that **you can see** on a clear (moonless) **night** in a dark area (far away from city lights) is about 2,000. Basically, the darker the sky, the more **stars you can see**. Moonlight brightens the **night** sky and reduces the number of **stars you can see**.

A full Moon brightens the sky more than a crescent Moon or half Moon. Artificial lights also reduce the number of stars you can see. In a large city, which has a lot of bright lights at night, you may only be able to see the brightest dozen stars. As the night sky gets brighter, the faintest stars disappear from view first.

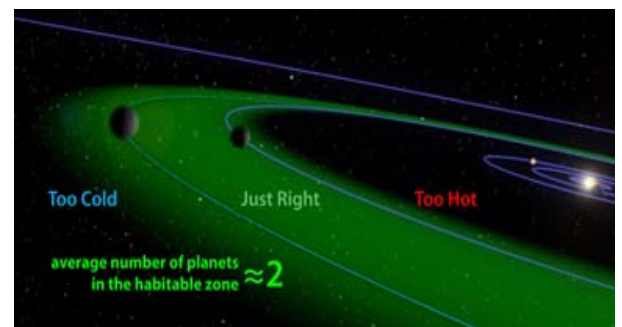

So what are you seeing when you count off 1,000 of the brightest stars in your sight?

Each star has between 0 and 3 inhabitable planets within the habitable zone – water does not boil nor does it freeze all the time. On average a star has one inhabited planet. Within in our System of Satania there are 619 inhabited planets out of 1,000 inhabitable planets and we are number 606 – a young planet on the outer edge of the System. You are looking at our System and our neighbours. Physically they are much like us but some maybe taller, shorter, skinnier or fatter.

Presently because we Rebelled some 200,000 years ago and then Defaulted more than 38,000 years ago we are quarantined. We are not allowed visitors until we have healed our Rebellion. We have never had alien visitation though they have sent investigative drones.

100 Systems make up a Constellation and 100 Constellations make up our Local Universe of Nebadon of which 3,840,101 planets are inhabited out of 10,000,000 inhabitable planets. The Co-regents are Mary Magdalene and Jesus. They came physically to Earth and subsequently introduced the availability of Divine Love throughout Nebadon and had the soulmate pairs of Lucifer and Satan imprisoned due to being the leaders of the Rebellion and bringing about the Default.

The also set about the arrival of the Avonal Pair on Earth to introduce the Healing and the new Spiritual Age – Feeling Healing, the New Way.

HIERARCHY of our SPIRITUAL GUIDANCE:

Our Heavenly Mother and Father permanently reside within Paradise, an island stationary world surrounded by Havona, in the centre of seven Super Universes.

Our Heavenly Mother and Father, being one soul manifesting two personalities bring about the creation of:

Creator daughters and sons – Michaels

Magisterial daughters and sons – Avonals

Trinity Teacher daughter and sons – Daynals – and others.

The Michaels and Avonals have Spirits of Truth to be released to assist the humanities on their assigned inhabited worlds.

Each Super Universe consists of 100,000 Local Universes.

Each Local Universe is overseen by a Creator daughter and son, our local universe is called Nebadon and Jesus and Mary Magdalene are the Michael pair and regents.

A local universe consists of 10,000,000 inhabitable worlds of which 3,840,101 are inhabited within local universe Nebadon.

A local universe consists of 100 constellations which is made up of 100 systems. Each system has 1,000 inhabitable worlds. The system that Earth is in is Satania and 619 worlds are inhabited.

Emanating from within the Local Universes are Melchizedek, Vorondadek, Lanonandek, Material and Life-Carrier pairs. None have spirits of truth – they are not from Paradise.

From within the Lanonandeks, assigned to oversee the system Satania, which includes Earth (Urantia) were the Lucifer, Satan, Caligastia and Daligastia soulmate pairs, who rebelled. Further, Adam and Eve, the Material son and daughter, defaulted because of the Rebellion. All failed in their assignments, causing us (humanity on Earth) to be spiritually misled for 200,000 years – that is why we are all ‘insane’!

Earth has had five higher spirit physical bestowals:

Daligastia soulmate pair being Lanonandeks

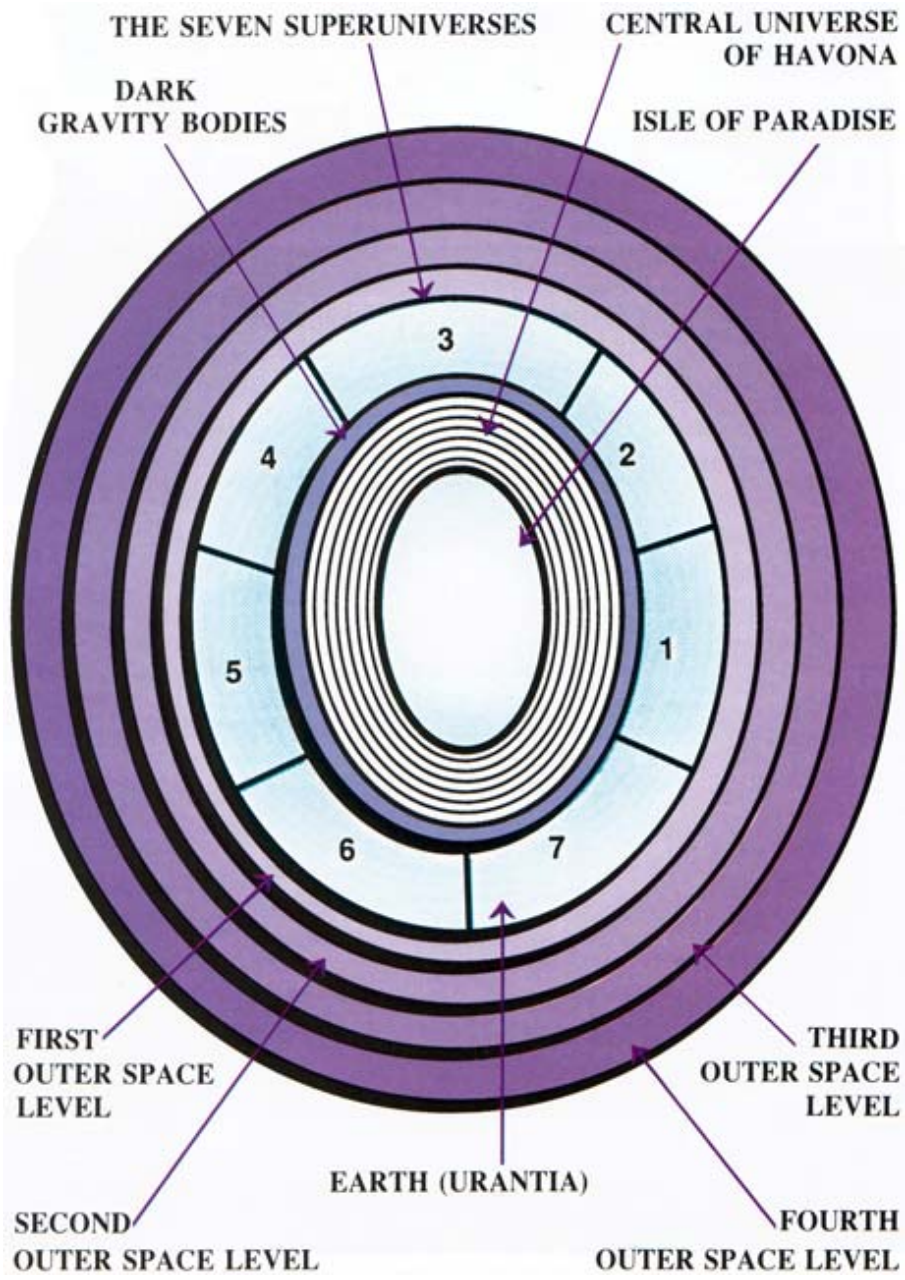

Adam and Eve soulmate pair Material son and daughter

Machiventa Melchizedek soulmate pair

Creator daughter and son – Jesus and Mary Magdalene

Avonal daughter and son who are yet to commence their public ministry.

The URANTIA BOOK (TUB)

1925-1935

The writings that one is best to embrace include the writings of James Moncrief, then those of James Padgett and then The Urantia Book.

Both The Urantia Book and the Padgett Messages talk in the physical – Father can be taken to mean and represent Father and Mother.

TUB: 8. The Trinity Beyond the Finite

(116.2) 10:8.1 Many truths and facts pertaining to the Paradise Trinity can only be even partially comprehended by recognizing a function that transcends the finite.

(116.3) 10:8.2 It would be inadvisable to discuss the functions of the Trinity of Ultimacy, but it may be disclosed that God the Ultimate is the Trinity manifestation comprehended by the Transcendentals. We are inclined to the belief that the unification of the master universe is the eventuating act of the Ultimate and is probably reflective of certain, but not all, phases of the absonite over-control of the Paradise Trinity. The Ultimate is a qualified manifestation of the Trinity in relation to the absonite only in the sense that the Supreme thus partially represents the Trinity in relation to the finite.

(116.4) 10:8.3 The Universal Father, the Eternal Son, and the Infinite Spirit are, in a certain sense, the constituent personalities of total Deity. Their union in the Paradise Trinity and the absolute function of the Trinity equvalate to the function of total Deity. And such completion of Deity transcends both the finite and the absonite.

(116.5) 10:8.4 While no single person of the Paradise Deities actually fills all Deity potential, collectively all three do. Three infinite persons seem to be the minimum number of beings required to activate the prepersonal and existential potential of total Deity — the Deity Absolute.

(116.6) 10:8.5 We know the Universal Father, the Eternal Son, and the Infinite Spirit as *persons*, but I do not personally know the Deity Absolute. I love and worship God the Father; I respect and honour the Deity Absolute.

(116.7) 10:8.6 I once sojourned in a universe where a certain group of beings taught that the finaliters, in eternity, were eventually to become the children of the Deity Absolute. But I am unwilling to accept this solution of the mystery which enshrouds the future of the finaliters.

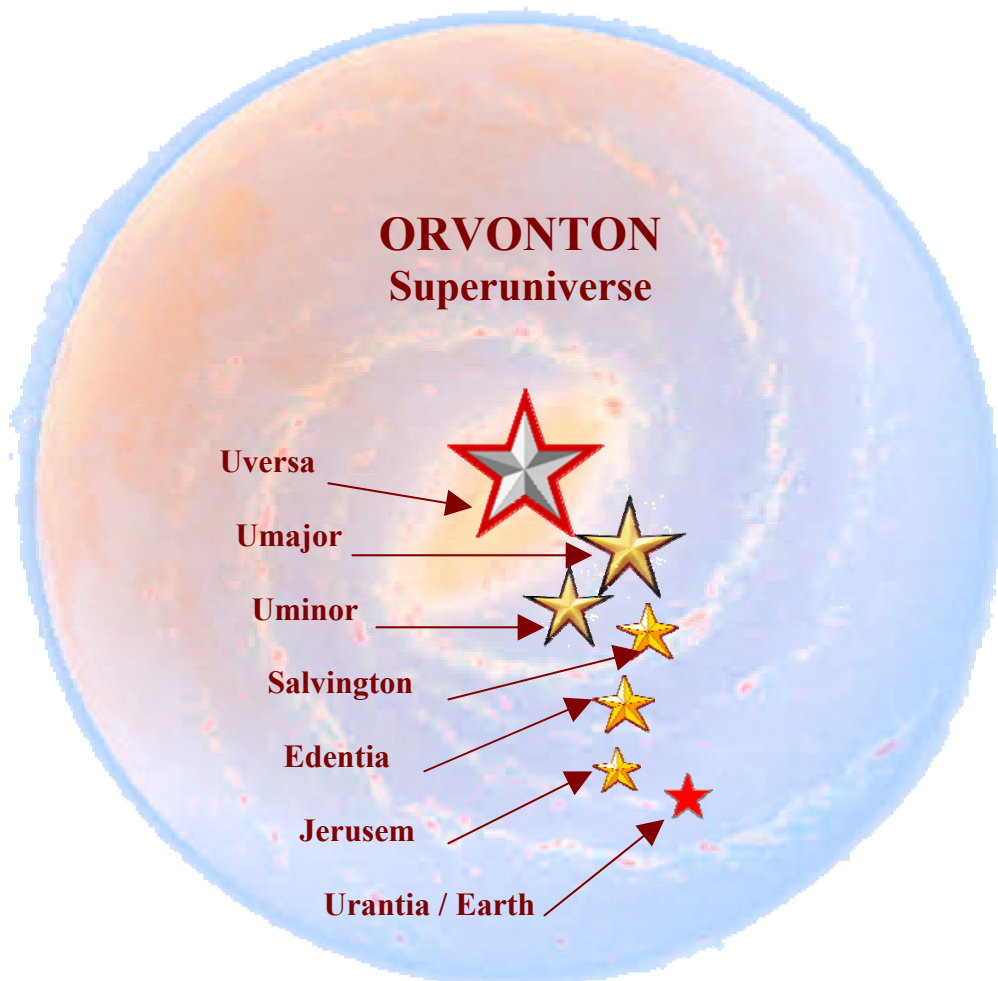

(116.8) 10:8.7 The Corps of the Finality embrace, among others, those mortals of time and space who have attained perfection in all that pertains to the will of God. As creatures and within the limits of creature capacity they fully and truly know God. Having thus found God as the Father of all creatures, these finaliters must sometime begin the quest for the super-finite Father. But this quest involves a grasp of the absonite nature of the ultimate attributes and character of the Paradise Father. Eternity will disclose whether such an attainment is possible, but we are convinced, even if the finaliters do grasp this ultimate of divinity, they will probably be unable to attain the super-ultimate levels of absolute Deity.

(116.9) 10:8.8 It may be possible that the finaliters will partially attain the Deity Absolute, but even if they should, still in the eternity of eternities the problem of the Universal Absolute will continue to intrigue, mystify, baffle, and challenge the ascending and progressing finaliters, for we perceive that the

unfathomability of the cosmic relationships of the Universal Absolute will tend to grow in proportions as the material universes and their spiritual administration continue to expand.

(117.1) 10:8.9 Only infinity can disclose the Father-Infinite.

(147.2) 13:1.21 7. ASCENDINGTON. This unique world is the “bosom of the Father, Son, and Spirit,” the rendezvous of the ascendant creatures of space, the receiving sphere of the pilgrims of time who are passing through the Havona universe on their way to Paradise. Ascendington is the actual Paradise home of the ascendant souls of time and space until they attain Paradise status. You mortals will spend most of your Havona “vacations” on Ascendington. During your Havona life Ascendington will be to you what the reversion directors were during the local and super-universe ascension. Here you will engage in thousands of activities which are beyond the grasp of mortal imagination. And as on every previous advance in the Godward ascent, your human self will here enter into new relationships with your divine self.

(147.3) 13:1.22 *The secrets of Ascendington* include the mystery of the gradual and certain building up in the material and mortal mind of a spiritual and potentially immortal counterpart of character and identity. This phenomenon constitutes one of the most perplexing mysteries of the universes — the evolution of an immortal soul within the mind of a mortal and material creature.

(147.4) 13:1.23 You will never fully understand this mysterious transaction until you reach Ascendington. And that is just why all Ascendington will be open to your wondering gaze. One seventh of Ascendington is forbidden to me — that sector concerned with this very secret which is (or will be) the exclusive experience and possession of your type of being. This experience belongs to your human order of existence. My order of personality is not directly concerned with such transactions. It is therefore forbidden to me and eventually revealed to you. But even after it is revealed to you, for some reason it forever remains your secret. You do not reveal it to us nor to any other order of beings. We know about the eternal fusion of a Divine Adjuster and an immortal soul of human origin, but the ascendant finaliters know this very experience as an absolute reality.

2. Father-World Relationships

(147.5) 13:2.1 These home worlds of the diverse orders of spiritual beings are tremendous and stupendous spheres, and they are equal to Paradise in their matchless beauty and superb glory. They are rendezvous worlds, reunion spheres, serving as permanent cosmic addresses. As finaliters you will be domiciled on Paradise, but Ascendington will be your home address at all times, even when you enter service in outer space. Through all eternity you will regard Ascendington as your home of sentimental memories and reminiscent recollections. When you become seventh-stage spirit beings, possibly you will give up your residential status on Paradise.

(148.1) 13:2.2 If outer universes are in the making, if they are to be inhabited by time creatures of ascension potential, then we infer that these children of the future will also be destined to look upon Ascendington as their Paradise home world.

OUR JOURNEY

Ascension is from Earth (Urantia) through Nebadon, Orvonton, Havona to Paradise. Then in Paradise we progress to be Finaliters and assignment to a newly forming universe.

Isle of Paradise home of our Heavenly Mother & Father
 Havona Ascendington
 Orvonton – our Super Universe
 Nebadon – our Local Universe
 Urantia being Earth

(148.2) 13:2.3 Ascendington is the only sacred sphere that will be unreservedly open to your inspection as a Paradise arrival. Vicegerington is the only sacred sphere that is wholly and unreservedly open to my scrutiny. Though its secrets are concerned in my origin, in this universe age I do not regard Vicegerington as my home. Trinity-origin beings and trinitized beings are not the same.

(148.3) 13:2.4 The Trinity-origin beings do not fully share the Father’s worlds; they have their sole homes on the Isle of Paradise in close proximity to the Most Holy Sphere. They often appear on Ascendington, the “bosom of the Father-Son-Spirit,” where they fraternize with their brethren who have come up from the lowly worlds of space.

(148.4) 13:2.5 You might assume that Creator Sons (Michaels, such as Jesus and Mary), being of Father-Son origin, would regard Vicegerington as their home, but such is not the case in this universe age of the function of God the Sevenfold. And there are many similar problems that will perplex you, for you are sure to encounter many difficulties as you attempt to understand these things which are so near Paradise. Nor can you successfully reason out these questions; you know so little. And if you knew more about the Father's worlds, you would simply encounter more difficulties until you knew *all* about them. Status on any of these secret worlds is acquired by service as well as by nature of origin, and the successive universe ages may and do redistribute certain of these personality groupings.

(148.5) 13:2.6 The worlds of the inner circuit are really fraternal or status worlds more than actual residential spheres. Mortals will attain some status on each of the Father's worlds save one. For example: When you mortals attain Havona, you are granted clearance for Ascendington, where you are most welcome, but you are not permitted to visit the other six sacred worlds. Subsequent to your passage through the Paradise regime and after your admission to the Corps of the Finality, you are granted clearance for Sonarington since you are sons of God as well as ascenders — and you are even more. But there will always remain one seventh of Sonarington, the sector of the incarnation secrets of the Divine Sons, which will not be open to your scrutiny. Never will those secrets be revealed to the ascendant sons of God.

(148.6) 13:2.7 Eventually you will have full access to Ascendington and relative access to the other spheres of the Father except Divinington. But even when you are granted permission to land on five additional secret spheres, after you have become a finaliter, you will not be allowed to visit all sectors of such worlds. Nor will you be permitted to land on the shores of Divinington, the “bosom of the Father,” though you shall surely stand repeatedly at the “right hand of the Father.” Never throughout all eternity will there arise any necessity for your presence on the world of the Thought Adjusters.

(149.1) 13:2.8 These rendezvous worlds of spirit life are forbidden ground to the extent that we are asked not to negotiate entrance to those phases of these spheres which are wholly outside our realms of experience. You may become creature perfect even as the Universal Father is deity perfect, but you may not know all the experiential secrets of all other orders of universe personalities. When the Creator has an experiential personality secret with his creature, the Creator preserves that secret in eternal confidence.

(149.2) 13:2.9 All these secrets are supposedly known to the collective body of the Trinitized Secrets of Supremacy. These beings are fully known only by their special world groups; they are little comprehended by other orders. After you attain Paradise, you will know and ardently love the ten Secrets of Supremacy who direct Ascendington. Excepting Divinington, you will also achieve a partial understanding of the Secrets of Supremacy on the other worlds of the Father, though not so perfectly as on Ascendington.

(149.3) 13:2.10 The Trinitized Secrets of Supremacy, as their name might suggest, are related to the Supreme; they are likewise related to the Ultimate and to the future Supreme-Ultimate. These Secrets of Supremacy are the secrets of the Supreme and also the secrets of the Ultimate, even the secrets of the Supreme-Ultimate.

(162.12) 14:6.37 7. *The Evolutionary Mortals of the Ascending Career.* Havona is the home of the pattern personality of every mortal type and the home of all superhuman personalities of mortal association who are not native to the creations of time.

(162.13) 14:6.38 These worlds provide the stimulus of all human impulses towards the attainment of true spirit values on the highest conceivable reality levels. Havona is the pre-Paradise training goal of every ascending mortal. Here mortals attain pre-Paradise Deity — the Supreme Being. Havona stands before every will creature as the portal to Paradise and God attainment.

(163.1) 14:6.39 **Paradise is the home, and Havona the workshop and playground, of the finaliters. And every God-knowing mortal craves to be a finaliter.**

(163.2) 14:6.40 **The central universe is not only man's established destiny, but it is also the starting place of the eternal career of the finaliters as they shall sometime be started out on the undisclosed and universal adventure in the experience of exploring the infinity of the Universal Father.**

(163.3) 14:6.41 Havona will unquestionably continue to function with absonite significance even in future universe ages which may witness space pilgrims attempting to find God on superfinite levels. Havona has capacity to serve as a training universe for absonite beings. It will probably be the finishing school when the seven super-universes are functioning as the intermediate school for the graduates of the primary schools of outer space. And we incline to the opinion that the potentials of eternal Havona are really unlimited, that the central universe has eternal capacity to serve as an experiential training universe for all past, present, or future types of created beings.

(163.4) 14:6.42 [Presented by a Perfector of Wisdom commissioned thus to function by the Ancients of Days on Uversa.]

(204.6) 17:6.10 *7. The Unrevealed Career.* We know of these six phases of the career of a local universe Mother Spirit. It is inevitable that we should ask: Is there a seventh career? We are mindful that, when finaliters attain what appears to be their final destiny of mortal ascension, they are of record as entering upon the career of sixth-stage spirits. We conjecture that there awaits the finaliters still another and unrevealed career in universe assignment. It is only to be expected that we would likewise regard the Universe Mother Spirits as having ahead of them some undisclosed career which will constitute their seventh phase of personal experience in universe service and loyal co-operation with the order of the Creator Michaels.

(210.7) 18:4.4 The Perfections of Days have a moderate-sized corps of Divine Counselors, Perfectors of Wisdom, and Universal Censors attached to their governments. They have still larger numbers of Mighty Messengers, Those High in Authority, and Those without Name and Number. But much of the routine work of major sector affairs is carried on by the Celestial Guardians and the High Son Assistants. These two groups are drawn from among the trinitized offspring of either Paradise-Havona personalities or glorified mortal finaliters. Certain of these two orders of creature-trinitized beings are re-trinitized by the Paradise Deities and then are dispatched to assist in the administration of the super-universe governments.

(216.3) 19:2.5 The Perfectors of Wisdom will always require this complement of experiential wisdom for the completion of their administrative sagacity. But it has been postulated that a high and hitherto unattained level of wisdom may possibly be achieved by the Paradise finaliters *after* they are sometime inducted into the seventh stage of spirit existence. If this inference is correct, then would such perfected beings of evolutionary ascent undoubtedly become the most effective universe administrators ever to be known in all creation. I believe that such is the high destiny of finaliters.

(221.5) 19:6.3 Havona natives, like all other Trinity-origin personalities, are projected in divine perfection, and as with other Trinity-origin personalities, the passing of time may add to their stores of experiential

endowments. But unlike the Stationary Sons of the Trinity, Havoners may evolve in status, may have an unrevealed future eternity-destiny. This is illustrated by those Havoners who service-factualise capacity for fusion with a non-Adjuster Father fragment and so qualify for membership in the Mortal Corps of the Finality. And there are other finaliter corps open to these natives of the central universe.

(221.5) 19:6.3 Havona natives, like all other Trinity-origin personalities, are projected in divine perfection, and as with other Trinity-origin personalities, the passing of time may add to their stores of experiential endowments. But unlike the Stationary Sons of the Trinity, Havoners may evolve in status, may have an unrevealed future eternity-destiny. This is illustrated by those Havoners who service-factualize capacity for fusion with a non-Adjuster Father fragment and so qualify for membership in the Mortal Corps of the Finality. And there are other finaliter corps open to these natives of the central universe.

(221.6) 19:6.4 The status evolution of Havona natives has occasioned much speculation on Uversa. Since they are constantly filtering into the several Paradise Corps of the Finality, and since no more are being created, it is apparent that the number of natives remaining in Havona is constantly diminishing. The ultimate consequences of these transactions have never been revealed to us, but we do not believe that Havona will ever be entirely depleted of its natives. We have entertained the theory that Havoners will possibly cease entering the finaliter corps sometime during the ages of the successive creations of the outer space levels. We have also entertained the thought that in these subsequent universe ages the central universe may be peopled by a mixed group of resident beings, a citizenship consisting only in part of the original Havona natives. We do not know what order or type of creature may be thus destined to residential status in the future Havona, but we have thought of:

(222.1) 19:6.5 1. The univitatia, who are at present the permanent citizens of the local universe constellations.

(222.2) 19:6.6 2. Future types of mortals who may be born on the inhabited spheres of the super-universes in the flowering of the ages of light and life.

(222.3) 19:6.7 3. The incoming spiritual aristocracy of the successive outer universes.

(222.4) 19:6.8 We know that the Havona of the previous universe age was somewhat different from the Havona of the present age. We deem it no more than reasonable to assume that we are now witnessing those slow changes in the central universe that are anticipatory of the ages to come. One thing is certain: The universe is nonstatic; only God is changeless.

(232.2) 20:9.4 The Daynals may return many times to an inhabited world, and following their final mission the planet will be ushered into the settled status of a sphere of light and life, the evolutionary goal of all the mortal-inhabited worlds of the present universe age. The Mortal Corps of the Finality has much to do with the spheres settled in light and life, and their planetary activities touch upon those of the Teacher Sons. Indeed, the whole order of Daynal sonship is intimately connected with all phases of finaliter activities in the evolutionary creations of time and space.

(232.3) 20:9.5 The Trinity Teacher Sons seem to be so completely identified with the regime of mortal progression through the earlier stages of evolutionary ascension that we are often led to speculate regarding their possible association with the finaliters in the undisclosed career of the future universes. We observe that the administrators of the super-universes are part Trinity-origin personalities and part Trinity-embraced ascendant evolutionary creatures. We firmly believe that the Teacher Sons and the finaliters are now engaged in acquiring the experience of time-association which may be the preliminary training to prepare them for close association in some unrevealed future destiny. On Uversa it is our

belief that, when the super-universes are finally settled in light and life, these Paradise Teacher Sons, who have become so thoroughly familiar with the problems of evolutionary worlds and have been so long associated with the career of evolutionary mortals, will probably be transferred to eternal association with the Paradise Corps of the Finality.

(249.2) 22:7.2 Aside from the Deities, only Paradise-Havona personalities and certain members of each of the finaliter corps engage in trinitization. Under specialized conditions of Paradise perfection, these superb beings may embark upon the unique adventure of concept-identity, and they are many times successful in the production of a new being, a creature-trinitized son.

(249.3) 22:7.3 The glorified creatures who engage in such adventures of trinitization may participate in only one such experience, whereas with the Paradise Deities there seems to be no limit to the continued enactment of trinitization episodes. Deity seems to be limited in just one respect: There can be only one Original and Infinite Spirit, only one infinite executive of the united will of the Father-Son.

(249.4) 22:7.4 The ascendant Adjuster-fused mortal finaliters who have attained certain levels of Paradise culture and spiritual development are among those who can essay to trinitize a creature being. Mortal-finaliter companies, when stationed on Paradise, are granted a recess every millennium of Havona time. There are seven different ways such finaliters may elect to spend this duty-free period, and one of these is, in association with some fellow finaliter or some Paradise-Havona personality, to attempt the enactment of creature trinitization.

(249.5) 22:7.5 If two mortal finaliters, on going before the Architects of the Master Universe, demonstrate that they have independently chosen an identical concept for trinitization, the Architects are empowered, on their own discretion, to promulgate mandates permitting these glorified mortal ascenders to extend their recess and to remove themselves for a time to the trinitizing sector of the Paradise Citizens. At the end of this assigned retreat, if they report that they have singly and jointly elected to make the paradisiacal effort to spiritualize, idealize, and actualize a selected and original concept which has not theretofore been trinitized, then does Master Spirit Number Seven issue orders authorizing such an extraordinary undertaking.

(249.6) 22:7.6 Unbelievably long periods of time are sometimes consumed in these adventures; an age seems to pass before these faithful and determined onetime mortals — and sometimes Paradise-Havona personalities — finally achieve their goal, really succeed in bringing their chosen concept of universal truth into actual being. And not always do these devoted couples meet with success; many times they fail, and that through no discoverable error on their part. Candidates for trinitization who thus fail are admitted to a special group of finaliters who are designated as beings who have made the supreme effort and sustained the supreme disappointment. When the Paradise Deities unite to trinitize, they always succeed, but not so with a homogeneous pair of creatures, the attempted union of two members of the same order of being.

(250.3) 22:7.9 While these parents of creature-trinitized sons become as one in their universe assignments, they continue to be reckoned as two personalities in the make-up and roll calls of the Corps of the Finality and of the Architects of the Master Universe. During the current universe age, all trinitization-united parents are inseparable in assignment and function; where one goes the other goes, what one does the other does. If parental bi-unification involves a mortal (or other) finaliter and a Paradise-Havona personality, the united parental beings function neither with the Paradisers, Havoners, nor finaliters. Such mixed unions forgather in a special corps made up of similar beings. And in all trinitization unions, mixed or otherwise, the parental beings are conscious of, and can communicate with, each other, and they can perform duties that neither could have previously discharged.

10. The Ultimate Adventure

(352.8) 31:10.1 The senior Master Architect has the oversight of the seven Corps of the Finality, and they are:

(352.9) 31:10.2 1. The Corps of Mortal Finaliters.

(352.10) 31:10.3 2. The Corps of Paradise Finaliters.

(352.11) 31:10.4 3. The Corps of Trinitized Finaliters.

(353.1) 31:10.5 4. The Corps of Conjoint Trinitized Finaliters.

(353.2) 31:10.6 5. The Corps of Havona Finaliters.

(353.3) 31:10.7 6. The Corps of Transcendental Finaliters.

(353.4) 31:10.8 7. The Corps of Unrevealed Sons of Destiny.

(353.5) 31:10.9 Each of these destiny corps has a presiding head, and the seven constitute the Supreme Council of Destiny on Paradise; and during the present universe age Grandfanda is the chief of this supreme body of universe assignment for the children of ultimate destiny.

(353.6) 31:10.10 The gathering together of these seven finaliter corps signifies reality mobilization of potentials, personalities, minds, spirits, absonites, and experiential actualities that probably transcend even the future master universe functions of the Supreme Being. These seven finaliter corps probably signify the present activity of the Ultimate Trinity engaged in mustering the forces of the finite and the absonite in preparation for inconceivable developments in the universes of outer space. Nothing like this mobilization has taken place since the near times of eternity when the Paradise Trinity similarly mobilized the then existing personalities of Paradise and Havona and commissioned them as administrators and rulers of the projected seven super-universes of time and space. The seven finaliter corps represent the divinity response of the grand universe to the future needs of the undeveloped potentials in the outer universes of future-eternal activities.

(353.7) 31:10.11 We venture the forecast of future and greater outer universes of inhabited worlds, new spheres peopled with new orders of exquisite and unique beings, a material universe sublime in its ultimacy, a vast creation lacking in only one important detail — the presence of actual *finite experience* in the universal life of ascendant existence. Such a universe will come into being under a tremendous experiential handicap: the deprivation of participation in the evolution of the Almighty Supreme. These outer universes will all enjoy the matchless ministry and supernal over-control of the Supreme Being, but the very fact of his active presence precludes their participation in the actualization of the Supreme Deity.

(353.8) 31:10.12 During the present universe age the evolving personalities of the grand universe suffer many difficulties due to the incomplete actualization of the sovereignty of God the Supreme, but we are all sharing the unique experience of his evolution. We evolve in him and he evolves in us. Sometime in the eternal future the evolution of Supreme Deity will become a completed fact of universe history, and the opportunity to participate in this wonderful experience will have passed from the stage of cosmic action.

(353.9) 31:10.13 But those of us who have acquired this unique experience during the youth of the universe will treasure it throughout all future eternity. **And many of us speculate that it may be the mission of the gradually accumulating reserves of the ascendant and perfected mortals of the Corps of the Finality, in association with the other six similarly recruiting corps, to administer these outer universes in an effort to compensate their experiential deficiencies in not having participated in the time-space evolution of the Supreme Being.**

(353.10) 31:10.14 These deficiencies are inevitable on all levels of universe existence. During the present universe age we of the higher levels of spiritual existences now come down to administer the evolutionary universes and minister to the ascending mortals, thus endeavoring to atone for their deficiencies in the realities of the higher spiritual experience.

(354.1) 31:10.15 But though we really know nothing about the plans of the Architects of the Master Universe respecting these outer creations, nevertheless, of three things we are certain:

(354.2) 31:10.16 1. There actually is a vast and new system of universes gradually organizing in the domains of outer space. New orders of physical creations, enormous and gigantic circles of swarming universes upon universes far out beyond the present bounds of the peopled and organized creations, are actually visible through your telescopes. At present, these outer creations are wholly physical; they are apparently uninhabited and seem to be devoid of creature administration.

(354.3) 31:10.17 2. For ages upon ages there continues the unexplained and wholly mysterious Paradise mobilization of the perfected and ascendant beings of time and space, in association with the six other finaliter corps.

(354.4) 31:10.18 3. Concomitantly with these transactions the Supreme Person of Deity is powerising as the almighty sovereign of the super-creations.

(354.5) 31:10.19 As we view this triune development, embracing creatures, universes, and Deity, can we be criticized for anticipating that something new and unrevealed is approaching culmination in the master universe? Is it not natural that we should associate this age-long mobilization and organization of physical universes on such a hitherto unknown scale and the personality emergence of the Supreme Being with this stupendous scheme of **up-stepping the mortals of time to divine perfection and with their subsequent mobilization on Paradise in the Corps of the Finality — a designation and destiny enshrouded in universe mystery? It is increasingly the belief of all Uversa that the assembling Corps of the Finality are destined to some future service in the universes of outer space, where we already are able to identify the clustering of at least seventy thousand (70,000) aggregations of matter, each of which is greater than any one of the present super-universes (of which there are only seven (7) super-universe!).**

(354.6) 31:10.20 **Evolutionary mortals are born on the planets of space, pass through the morontia worlds, ascend the spirit universes, traverse the Havona spheres, find God, attain Paradise, and are mustered into the primary Corps of the Finality, therein to await the next assignment of universe service.** There are six other assembling finality corps, but Grandfanda, the first mortal ascender, presides as Paradise chief of all orders of finaliters. And as we view this sublime spectacle, we all exclaim: **What a glorious destiny for the animal-origin children of time, the material sons of space!**

(354.8) 31:10.22 These thirty-one papers depicting the nature of Deity, the reality of Paradise, the organization and working of the central and super-universes, the personalities of the grand universe, and the high destiny of evolutionary mortals, were sponsored, formulated, and put into English by a high commission consisting of twenty-four Orvonton administrators acting in accordance with a mandate issued by the Ancients of Days of Uversa directing that we should do this on Urantia, 606 of Satania (our local system), in Norlatiadek of Nebadon, in the year A.D. 1934.

A complete reading of The Urantia Book (TUB) will provide all the references to Finaliters. Further references will be found in the writings of James Moncrief and comments by Nanna Beth (3<sup>rd</sup> Celestial Heaven).

Note: A soulgroup consists of 12 soulmate / soul partner pairs, 24 personalities.

Note: James, 24 November 2019: The Michaels deal with the whole of the Local Universe, releasing their Spirit of Truth for everyone within that Universe; The Avonals are concerned with the individual physical worlds and their associated Mansion Worlds, releasing their Spirit of Truth for their individual world. The Avonals Spirit of Truth are designed to streamline ones ascent to the Celestial spheres, there to connect with the Michaels Spirit of Truth, which one uses on one's ascent through the rest of the Local Universe. By rights, our Avonals should be revealing the truth about Mary and Jesus so everyone can get to them, which would include the truth about the Divine Love. However with Mary and Jesus coming here and revealing that truth ahead of the Avonals, it's added even more confusion about the Rebellion the Avonals will have to deal with.

Our journey is one of experience and the feelings that arise from our experiences. From the moment of conception we are on our learning pathway, experiencing the emotions of our parents and carers. Our feelings are our truth, it is through our feelings that we evolve in truth. We are to long for the truth that our feelings draw our attention to.

Our physical parents and family is the focus of our experience on Earth. As we all have been subjected to the Rebellion and Default of Earth's humanity, we are all to heal ourselves of being unloved and the errors and injuries that we have been subjected to. Only through the completion of our Feeling Healing do we leave the environment which is referred to as Hell. It is through the guidance of the Avonal soul partner pair, their Spirits of Truth, that we are now able to complete our Feeling Healing.

When we transition into the 1<sup>st</sup> Celestial Heaven, having completed our Healing and Acceptance of how we have been messed up and the way we are, having had the experience of living in a Rebellion and Default, can we then start to assimilate with other humanities within our Local System.

Our local system is called Satania, home city and headquarters being Jerusem. It consists of 1,000 physical worlds that have the potential of a humanity living on these worlds. 619 are physically inhabited of which Earth is number 606, one of the youngest. As we progress beyond the first three Celestial Heavens, then we start to interact and become knowledgeable of these additional humanities.

Then we progress into our local constellation called Norlatiadek. Norlatiadek consists of 100 local systems, and its home city is Edentia. The Garden of Eden was named after Edentia. Again we go through a process of coming to understand how the constellation works and the peoples that are throughout it.

Then we enter the local universe as a whole, named Nebadon with Salvington being its headquarters and home of the co-regents being soul partners Creator Daughter and Son, Michaels, namely Mary Magdalene and Jesus. It is through the Spirits of Truth of Mary and Jesus that we are guided through all of the Celestial Heavens to Salvington.

From Nebadon then it is our Heavenly Mother and Father that guide us through the next three major sectors of our super-universe being the Minor Sector, then Major Sector, then the super-universe of Orvonton.

Then we progress into Havona and Isle of Paradise, the home of our Heavenly Mother and Father and on completion of achieving understanding of how all the systems work in the manner that we are required to, we become Finaliters. After all, we are truth seekers!

Then what follows is that we then visit and achieve an understanding of how each of the other six super-universes work and how all seven super-universes function and work together.

When fully accredited we may be assigned to one of the newly forming 70,000 super-universes that presently are not inhabited. Finaliters have many optional assignments.

We are truth seekers and through our obtained truth we will be able to assist humanities throughout the emerging universes.

### Colourful Stars Galore Inside Globular Star Cluster Omega Centauri

NASA's Hubble Space Telescope snapped this panoramic view of a colourful assortment of 100,000 stars residing in the crowded core of a giant star cluster.

The image below reveals a small region inside the massive globular cluster Omega Centauri, which boasts nearly 10 million stars. (That is roughly one Local Universe – 10 million inhabitable planets – from 0 to 3 per star.) Globular clusters, ancient swarms of stars united by gravity, are the homesteaders of our Milky Way galaxy. The stars in Omega Centauri are between 10 billion and 12 billion years old. The cluster lies about 16,000 light-years from Earth.

This is one of the first images taken by the new Wide Field Camera 3 (WFC3), installed aboard Hubble in May 2009, during Servicing Mission 4. The camera can snap sharp images over a broad range of wavelengths.

The photograph showcases the camera's colour versatility by revealing a variety of stars in key stages of their life cycles.

The majority of the stars in the image are yellow-white, like our Sun. These are adult stars that are shining by hydrogen fusion. Toward the end of their normal lives, the stars become cooler and larger.

These late-life stars are the orange dots in the image.

Even later in their life cycles, the stars continue to cool down and expand in size, becoming red giants. These bright red stars swell to many times larger than our Sun's size and begin to shed their gaseous envelopes.

After ejecting most of their mass and exhausting much of their hydrogen fuel, the stars appear brilliant blue. Only a thin layer of material covers their super-hot cores. These stars are desperately trying to extend their lives by fusing helium in their cores. At this stage, they emit much of their light at ultraviolet wavelengths.

When the helium runs out, the stars reach the end of their lives. Only their burned-out cores remain, and they are called white dwarfs (the faint blue dots in the image). White dwarfs are no longer generating energy through nuclear fusion and have gravitationally contracted to the size of Earth. They will continue to cool and grow dimmer for many billions of years until they become dark cinders.

Other stars that appear in the image are so-called "blue stragglers." They are older stars that acquire a new lease on life when they collide and merge with other stars. The encounters boost the stars' energy-production rate, making them appear bluer.

All of the stars in the image are cosy neighbours. The average distance between any two stars in the cluster's crowded core is only about a third of a light-year, roughly 13 times closer than our Sun's nearest stellar neighbour, Alpha Centauri. Although the stars are close together, WFC3's sharpness can resolve each of them as individual stars. If anyone lived in this globular cluster, they would behold a star-saturated sky that is roughly 100 times brighter than Earth's sky.

Globular clusters were thought to be assemblages of stars that share the same birth date. Evidence suggests, however, that Omega Centauri has at least two populations of stars with different ages. Some astronomers think that the cluster may be the remnant of a small galaxy that was gravitationally disrupted long ago by the Milky Way, losing stars and gas.

Omega Centauri is among the biggest and most massive of some 200 globular clusters orbiting the Milky Way. It is one of the few globular clusters that can be seen with the unaided eye. Named by Johann Bayer in 1603 as the 24th brightest object in the constellation Centaurus, it resembles a small cloud in the southern sky and might easily be mistaken for a comet.

Hubble observed Omega Centauri on July 15, 2009, in ultraviolet and visible light. These Hubble observations of Omega Centauri are part of the Hubble Servicing Mission 4 Early Release Observations.

**CORE LIGHT HEALING by Barbara Ann Brennan**

Monday, 30 October 2017

James: So is that why I never met or had much in common with those people who were just mind orientated, because we are from different 'avenues' as you say?

Nanna Beth – 3<sup>rd</sup> Celestial Heaven: Yes, you don't link or connect up, and do you remember years ago you could sense and feel those who were from the same or similar avenues as yourself, and those who greatly differed? You've not thought about it for a long time, but that was what those feelings were about back then. And so all those avenues are just different lines of expressing the wrongness, so it doesn't really matter which ones you incarnate into, as it all amounts to the same levels of denial.

James: Yeah, I do remember now. And I can see what you mean. So there are lots of hidden connections we can make between ourselves, even more than Barbara Ann Brennan sees?

**Finaliters**

Nanna Beth: Yes, many more, because they all lead you into linking up with your chosen soulgroup and soulmate (soul partner) and then which soulgroups you work with right the way to Paradise, and then even possibly beyond as finaliters, which worlds you go to, as not all humanity will remain together going to the same world awaiting instruction when to move out into the even greater universe. Huge blocks of humanity reflecting different avenues or streams of connection on all levels are to remain together, whilst other streams separate, with each stream joining up with streams from other humanities. And all those connections are all with us already James, if you were of the higher perceptions to know where to look for them. I can't see them, but I have been schooled about them and told as I progress toward Paradise, and it's the same for us all, progressively we become aware of such connections.

**MANAGING the TRANSITION into the AVONAL SPIRITUAL AGE**

Tuesday, 31 July 2018

Nanna Beth: So nothing happens on the Earth without our being in some way involved, perhaps passively and just observing, to more actively. And with you and John currently the most active, that being including all that is to happen with you and Marion spiritually, and with John and Pascas. You and Marion and John and Pascas, so including Crystal and Samantha and the people closer to John, are the central focus about which it's all revolving. And really it's all just you and Marion, and then even just Marion, as the focal point driving it all on the pure spiritual level. So the light comes from her through you and out to John and Samantha, with Crystal working to bring the financial side into being for you all to work with.

So we're organising it all, and yes, you can leave it all in our capable hands because with the Melchizedeks running the whole show, no one has anything to worry about. So you, James, will continue to see signs of our involvement, because you are not simply here to do it all by yourself like Mary and Jesus were. You are here embracing humanity in all you do, and you, like the Melchizedeks, will defer to people and us spirits before you do it yourselves. So you'll do what you need to do, the barest essentials of it, whilst supporting the rest of us, humanity, people and spirits alike, sort out their own shit for themselves. It's our Rebellion and Default, not yours, and we're ever so grateful for you coming and stopping the Evil Ones (Caligastia and Daligastia), and helping to reveal all that will be required by people on Earth for us to work with, as were it left up to us to reveal such truths, as you can see from the Divine Love

Movement who work with Celestials, it would take forever for us to ‘Earth’ the truth and information required for us to do what we need to do. Whereas with you doing it all in such a relatively short time, and with John ‘putting it out there’, so we’re able to come straight in and work with people which we’ll be doing with those people who take on all you say. So we’ve needed yours and Marion’s help, otherwise humanity on Earth would never heal itself, or if it could, it would take forever, and it can’t take forever because humanity is needed to get on and ascend to Paradise and become Finaliters for the work we’ll then be assigned to do. So there is a Grand Plan, all of which includes or takes into account the Rebellion and Default, allowing it to happen, encouraging it to maximise experience from it, and then healing it. So with the boost from your coming and the following Spiritual Age, the Rebellion and Default are to be dealt with head-on and quick-smart. So we’re swinging into the final stages of preparation, everything is moving into place for the starters gun, and everything is moving along perfectly according to plan, that being in your own personal lives and the whole world.

### **EARTHING of the LAW of COMPENSATION**

Friday, 8 February 2019

James: My feeling / understanding is that the two hell planes in spirit are to be ‘cleaned out’, cleared of all mortal spirits, being free for some other purpose – possibly for Finaliters to occupy, spirits who’ve completed their Paradise ascent, gained Finality Status, and are sent to live in the far-flung Earth planes as required as they await their future assignments, such as TUB (The Urantia Book) talks about. Anyway, if the two Earth planes are to be cleared of spirits, so all those spirits who are living in their ‘hell’ will when they end that move into the first Mansion World and without any new spirits to come from Earth to do their ‘time in hell’. And for no further spirits to come from Earth to occupy the two Earth planes means those two Earth planes will effectively be ‘moved’ to the physical Earth itself. So at the commencement of the next Spiritual Age, everyone who upon death would qualify for internment in the Earth planes, would now start that internment in their physical lives as the Law of Compensation comes fully upon them. So suddenly, many people who have been happy living and manipulating the man-made laws for their gain and avoidance of any spiritual penalty, will suddenly find they won’t be able to carry on with ‘business as usual’ suddenly being thrust into the throws of feeling very bad and having to start to compensate for all the bad they are causing. So you can imagine the impact that will have on the Earth!

## Law of Compensation

### **SOUL continued and an ANGEL**

Saturday, 20 April 2019

James: I want to point out that our souls are existential and so exist ‘outside’ of Creation as in they themselves are building Creation by expressing their personalities, whereas angels and mind created beings are ‘inside’ Creation, and so as they evolve their mind, their soul, if it can be called that, grows or evolves within as a part of Creation. The angelic soul starts from nothing when they are created and then evolves as they have their experiences, whereas our soul is fully complete right from the start, and as we, its personalities, are expressed and live in Creation, we start from nothing concerning the truth of who we are, the truth of our soul, but through life, through our feelings, come to know eventually the whole truth of our soul, the whole truth that’s already within it and waiting for us to literally bring it out by living.

So I see it like we're complete on the soul side of things with our waking up to that completion through our personality experience, whereas the angels start as a fully formed being that's complete of itself, they are not born as an infant angel and grow up, and with no soul of their own already in existence like we have one, driving their life. The Divine Minister or Infinite Daughter drives the mind creations, and then as the angels experience, they are bringing their soul into being. Yes, that's I guess what I'm trying to get to, that our souls already exist and we as their personalities are waking up to that existence, whereas the angels literally start from scratch bringing their soul into being. So for us, we already exist as potential, which we fulfil as we bring out the truth of ourselves. And the angels are complete, expanding themselves with light as they advance their soul.

I'm now going to ask one of my angels if 'soul' is in fact the right word to use; are they creating their own soul, and can a created being actually create a soul, as my understanding about a soul is that only God creates it.

My Angel: Soul is the correct word James, so long as you understand that our angelic soul and your truth soul are very different. Our angelic souls become the repository of all our experience, and as so much of our experience is mind derived, so it becomes really the repository of our mind. We are evolving experiential minds through the full mind circuits of Creation. You are using the experiential mind circuits to grow in truth, which means, to bring to light the Truth that is already contained within your soul, we are using them to grow in Mind. You are becoming always more aware of and understanding of yourself, of who you are, you being a soul created by God, when we on a level of mind already know who we are, what order of being we are, how we function and why, and what our life purpose is, yet all the while accumulating all the light from our experience of all of that – of our existence.

Our angelic soul, which you could call a Mind-Soul, as opposed to your Truth-Soul, grows within what you'd call our heart, which is really our Primary Light Centre, it continually growing in the light from the mind experience of our life, all the way to Paradise. Then upon Paradise Attainment, when we meet with the Mother and Father of All, we change our way of being into that of being a different order of mind-being, which becomes what you might call a Super-angel, and that which is expressing all the mind-light it has gained. So it sort of becomes the whole soul of light that it's been accumulating, expressed as one Superangel-mind-soul. And then there are many orders of these Superangels needed to maintain the function of the Super-universes and the new ones currently forming.

And you as truth-souls, when you attain Paradise and meet your Heavenly Mother and Father, then becoming Finaliters, will still work closely with us Super-angels. Man and angels are always to work hand-in-hand, each expressing their different souls.

## EARTH CHANGES

Sunday, 26 May 2019

Verna: And some other points I want to add: We nature spirits of Earth are ONLY nature spirits of Earth, and so ONLY concern ourselves with species of Earth. There are other angels, and the Life Carriers of course, who are concerned with other earths and the life on them and the overall synthesis of life within the Local Universe and the localised areas of it. So for such far reaching angels, and Sons and Daughters of God as are the Life Carriers, they view the whole of Nebadon as one large natural organism of life with each of the earth worlds expressing different aspects of Nebadon's 'personality', which really is the personality of the soul of Mary and Jesus combined with the Divine Minister.

So you can see, the Earth is a whole universe within itself, just as it's part of the Greater Universe. And then added to the material or physical universe, are all the spiritual levels with all their minerals, plants and animals of spirit origin.

And basically I think you'd have to be a Finaliter to be able to comprehend more fully the enormity of it all and how one small material world like the Earth fits into and contributes to the whole.

**Finaliter**

So I think that should provide you with a little more insight into how we nature spirits are so far as some of our relationship to your natural world. But as I said, I can't reveal to you how the next Shift or major change will take place, but as you can already see for yourselves, there's already a huge reduction in species taking place. And so, why should this be happening? And part of the answer is of course for you to help see how much devastation and destruction you are reaping on your world because of your persistence with your rebellious and anti-love ways, and part is in preparation for the next overall spiritual age that is to come on your world, with the Avonal Age being part of that, or within that.

James: Yes, I see what you're saying Verna. It's a lot to think about, and really as we have no idea about any of it, I suppose it's how each of us individually reacts to it all through our feelings.

Verna – a nature spirit: It is James, as there is nothing else you can do. And as things are setting themselves up for a massive spiritual change, for a vast influx of truths to saturate the world with The New Way, something humanity has no idea about yet could be likened to having a bucket of cold water suddenly poured all over it, so the loss of species on the world will end up being the least of many people's concerns as they struggle to deal with assimilating all the new spiritual information. As John D. delights in thinking, what's a few hundred pages of mostly inaccurate rubbish contained within the Bible, compared to thousands of pages containing very liveable and important life-changing truths you are revealing. It's going to take time to assimilate it all, and it will be simply too much for most people, however small bits and pieces can be addressed as you continue to shed light on such subjects for those people who really are spiritually keen.

# PEOPLE OF EARTH WE ARE TRUTH SEEKERS

# ***We are to Find the Truth of our Childhood.***

James Moncrief – Sunday 8 September 2019

## **We are to Find the Truth of our Childhood.**

That's it; and find it through our feelings by directly connecting, feeling, experiencing, and most importantly, knowing they are true by being them. We ARE our childhood, the truth is already there, it is already within us, we are already living it, we don't have to look anywhere else for it other than within ourselves. All of why you are what you do, say and live, everything about how you are and how you conduct yourself in life, is all what your childhood was. You grew into being the adult you are because of the childhood you had, we can't be a different adult that's not a direct and complete product and result of our childhood. And if you take away the time element, we are still our childhood, our life is still manifesting how it was for us as a child. We can believe and pretend all we want that we are different to how we were as a child, that having become adult we can leave our childhood behind and move on becoming the adult we want to be. No, we think we can do that, yet we can't. We can't do anything that's not already done, we are still effectively living our childhood and being as we were in it, and that's within all the different times and phases of it, all which adds up to being one big, often contradictory, mess of ideas, beliefs and opinions about ourselves.

And we can't be anything else other than what we are, which is how it was for us through our childhood, yet we fail to see it because we're not fully connected with those parts of ourselves and all the corresponding feelings that will help us see it. So we are to find the truth of ourselves – hence: the truth of our childhood. Because in knowing the whole truth of our childhood and being it, being aware that we are it, connects us as adults fully with ourselves back then. You know how it was for you, because you feel it, your feelings tell you, show you, and there's no avoiding or denying them, because they are expressing (by making you feel) the truth of how it was for you, how it has always been since conception, and how it will remain until the Mother and Father transform you out of your untrue state – out of your unloving childhood.

So our Healing is about finding the truth of ourselves from the beginning, which equates to the truth of our whole childhood, because it's our childhood that made us be as we are. And because we were so heavily interfered with and prevented from being our natural true selves, so we have to 'Heal' all the damage that was done to us. Healing ourselves by seeing the truth of ourselves. So by acknowledging all our feelings, and by wanting to find and uncover the whole truth of our childhood, we work progressively deeper into ourselves, bringing to light all that happened to us to make us be as we are. And part of that is to help us see how much of our childhood and forming was true and loving, and how much was untrue and unloving.

And presumably, once we've brought to light within us the whole truth of our childhood, then the good, true parts, those founded on true love, will remain; and the bad, that which was founded on untruth, will be transformed out of us by God through our soul.

As a forming and developing child, we don't have enough of ourselves to find and so experience the whole truth of what's going on. But as adults we do. And if we grew up in a fully true and loving situation and environment with only loving and true relationships, then as an adult that's how we'd be feeling completely loved and true, happily wanting to bring to light all the positive influences that affected us through our childhood, all of which would be a very enjoyable and loving experience. Whereas because we grew up in rebellion against Truth and Love being forced to be mostly untrue and

unloving, and even possibly completely untrue and unloving, then it's not enjoyable going back bringing to light and expressing all our hurt and pain.

We start out not knowing anything about how it is for us through our childhood; or at best, a minimal amount as some people and families are more feeling expressive and self-aware. And through our Healing we have to get to know it all, because we are it, so we're getting to know ourselves – which for many people will equate to getting to know their shit-start in life. And once we've brought to light the truth of our childhood, then we can leave it, moving on bringing the truth to light of being a true adult. Which is what The Urantia Book means by saying we become true universal spiritual citizens once we are living a Celestial level of truth. So the Mansion Worlds are really provided for us to uncover the truth of our childhood, to see how it was for us, and consequently, how we lived as a child. And they are really only for that, and not so much for us to set about righting all that we find out is wrong within us. We are to only see and so uncover the truth of ourselves. As far as fixing ourselves, or changing or transforming ourselves, that is up to God.

The Mansion Worlds are called probationary worlds, ones in which we can settle the Law of Compensation within our untrue states and continue living against ourselves and the Truth, furthering our truth and self denial; and ones in which we can do our 'Healing' to see the whole truth of our untrue state. Which we can now do either in the Mansion Worlds themselves, or on Earth.

So there is no avoiding the truth of your childhood if you want to ascend beyond the Mansion Worlds. And the fact that none of the spiritual or religious systems on Earth are wholly devoted to helping people bring to light the truth of their childhood through their feelings, shows what a terrible state we're all in. Imagine if the whole world was focused on helping everyone bring to light the hidden truth of themselves, and so the truth of their childhood. It certainly would be a different way to live and so a different world we'd live in.

We can't actually fix anything from our childhood. We can't, only God can. And God will when we've brought to light all the truth of it that God wants us to see. We can undergo therapy (and some truth might come to light), go to the doctor, do whatever we do trying to feel better, all trying to get rid of our bad childhood, all trying to fit in with the beliefs we have from our childhood of how we should be in the world, yet it's only at best scratching the surface. God, through our soul, won't allow us to change anything from our childhood anyway, at least not until we've seen and brought to light and fully connected through our feelings with all the truth of it. There'd be no point God subjecting us to such horror if we could make it all go away before we found the truth of what it was all about and why God made our childhood as it was. So we can do a little, or so we think, adjusting ourselves this way and that, however even those adjustments we come to see through our Healing are 'allowed' because we're still just doing them within our prevailing childhood patterns. And there are what seems like endless levels within us of which we're composed, which you would expect because of the enormity of being God's children, and so there's quite a scope for us to move or play around in entertaining ourselves by believing we've changed the foundations and results of our childhood. So as we can't actually change ourselves, all we can do is want to uncover the truth of our childhood and live that truth. All of which involves vast amounts of self-acceptance, which gradually comes with the truth, growing in the acceptance that this is how you are, how God wants you to be having this experience, given the childhood you had, and there's nothing you can do about it. Other than keep on expressing every feeling that comes up, as you long for the truth of your childhood, wanting to live true to yourself.

# How is it for you if you are Truly Honest with Yourself?

♥ You truly love your children, devoting yourself to them, wanting nothing more than for them to grow up and be as they want to be?

♥ You believe you truly love your children, believing you are devoted to them, wanting them to be as you want them to be?

~~~~~  
♥ You love your child more than you love your pet?

♥ You love your pet as much as your child, treating it as if it is another child?

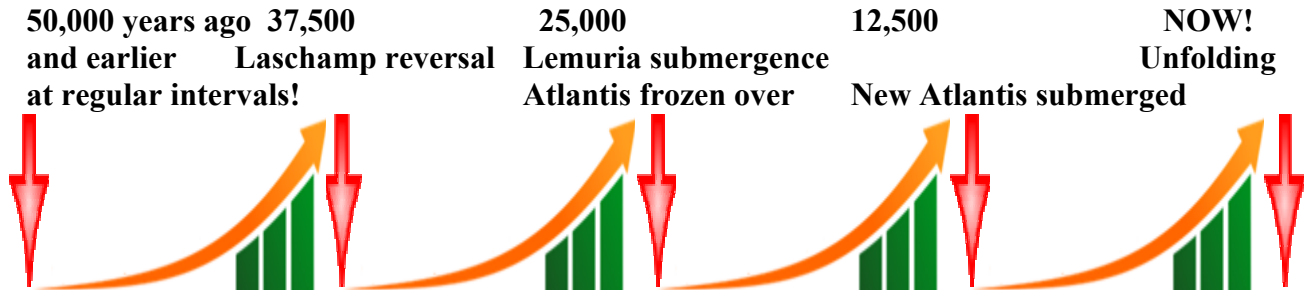

♥ You love your pet more than your child?

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate / soul partner) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

PERSONALITY

**Our soul is the centre of our personality.
We are children of our Heavenly Parents.
Our soul manifests a male and female personality - it is a duplex!**

WE EACH have a Nature Spirit pair, Spirit Guide pair and an Angelic Pair:

For those doing their Healing or are interested in doing it will from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about ‘sharing’ the same angels or guides or nature spirits, it is about you relating specifically to your ‘own’ ones because they are provided for YOU. It’s all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it’s the same of course in life with your friends, however over there, in spirit, dealing with Nature Spirits, Spirit Guides, and Angels, it’s more personal and private and ‘JUST FOR YOU’. So we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain’t going to be assigned to anyone else, so she won’t be sharing herself around.

This is SO IMPORTANT to understand so that in future there won’t be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is all they are speaking with.

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their ‘soulmate’ relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit Mansion Worlds, however, our personal Angelic pair continues with us to Paradise, and then even possibly being with us throughout eternity.

Feelings first

In a way each person's Indwelling Spirit, which is really God, is contracting out the work needed to be done with you to other agencies, so to us spirits, the angels, the nature spirits, other elements under the Divine Minister's control, even other non-humanity spirits, all of which end up doing increasingly more amounts of what your Indwelling Spirit does. And this 'out sourcing' is to affect greater personality interaction, increasing your experiences so they are maximised through interaction with different personalities rather than just relying solely on God. We are overall to become increasingly at-one with God, but we are to do that by becoming increasingly immersed in the experience of being with others.

Nanna Beth – 3rd Celestial Heaven: 25 December 2018

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their 'soulmate' relationship. In addition we have our personal Indwelling Spirit.

NATURE SPIRITS

Nothing of nature reincarnates! And neither do we! Reincarnation is a false belief. Zero, zilch! Not even a blade of grass, a leaf from a tree, bacteria or plankton, or ourselves, has a subsequent physical life experience. However, except for humanity, the life force of all of what forms nature, after its sole physical experience, returns to a pool from which Nature Spirits emerge. All of nature is mind orientated. Nothing of nature has a soul, except for humanity which is truth and feelings orientated.

Meet Verna, a Nature Spirit, also known as ‘Lady of the Lake’: “Your spirit is your own unique spirit expressing the light of your soul; our spirits, also uniquely our own, however come from a composite of many other spirits. And in my case for example, and I’m about average, or ‘usual’ – as much as I hate to admit it – I’m composed, for want of a better word, of about five hundred billion creature spirits. So yes, you could say we’re complex on that level. And yet on other levels, we’re considered rather basic, we are after all *only* nature spirits, not great angels.”

“With Verna – a nature spirit” by James Moncrief

As the Rebellion and Default is now technically ending, those who embrace Feeling Healing and Divine Love will open themselves to communication with their Nature Spirit pair. For 200,000 years of the Rebellion, humanity of Earth has been closed to interaction with Nature Spirits. Humanity is truth seeking personalities who are to live through their feelings whereas nature is mind orientated and are to evolve their minds. A Nature Spirit’s next phase of evolution is that of being an angel which then will have many further evolutionary progressions upwards. Angels also step down from Paradise.

FOOD SOURCES:

Sunday, 2 April 2017

John: With endeavours to provide reliable continuous food supplies within difficult environments, the supply of fish, chicken and pigs appear to be essential. Fish farming is a way of providing protein all year round almost anywhere.

Are we meant to farm fish and eat same? The same question relates to all other domesticated animals propagated for food.

Nanna Beth – 3rd Celestial Heaven: No, you are to love them, so farming them to make money, using them in anyway, is not loving. People are to live harmoniously on Earth with the creatures and plants, the plants being eaten for they give themselves to be consumed, but they are also to be grown well and treated with love and respect, and not factory farmed either. However, this is a long way off, so in the meantime, it will remain a personal choice. And the more people do their Healing the more they will naturally move away from wanting to harm the creatures and disrespect the plants – you feel sorry for them as you feel sorry for yourself. And gradually humanity will ‘increase its vibration’ – it’s truth. But as I said, it’s not something John needs to worry himself about because he’s not the one to solve all the world’s food problems. And you can only do what you can do, so if you don’t want to eat meat, don’t eat it, if you do eat it, all whilst you keep expressing your feelings and longing for their truth.

John: What happens to the spirit bodies of such animals, including fish?

Nanna Beth: They ‘dissolve’ into their ‘light’, becoming part of the ‘bulk light’ from which nature spirits are drawn or created. The essence or spirit of the creature doesn’t remain individualised, it goes into a collective spirit whole, from which nature spirits are made. And the spirits of animals within the lower Mansion Worlds and Earth planes are not the actually animals themselves, they are not your actual beloved pet living as a spirit dog or cat in the afterlife, they are creatures native to the Mansion Worlds that can easily manifest themselves as being your pet in spirit or any animal, based on your memories, all whilst you still need that animal or pet to remain as you need it.

John: Is this a case of slow transition as humanity heals itself then it will progressively step away from consuming fish and meat? What alternatives should we consider and investigate?

Nanna Beth: The alternatives to consider will naturally come up, however it will all be along the lines of being more natural, anything manmade will fail and only cause you problems in the end, until such things are made by loving people who are well advanced in their Healing or high in natural love and understanding with a deep feeling and respect for nature.

SPIRIT AND MATTER

Each phase of our progression in our personal discovery of truth will open further avenues to truth of an ever increasing and expansive nature. This is our destiny throughout our journey to Paradise, the home of our Heavenly Mother and Father.

Few are able to see clairvoyantly the spirit bodies of spirit personalities, and even then, this capability is when higher level spirit personalities 'turn down' their brilliance essence so as to make themselves visible – making themselves come closer to the density essence in which the viewer is presently experiencing.

Thus, when it is understood that we have a pair of nature spirits, a pair of spirit personality guides and a pair of angels with us at all times, we cannot see any of them. Yet they all can see us. However, the nature spirits may not be able to see the spirit guides but may see some angels, and the spirit guides cannot see the angels. Should the spirit guides be Celestial, then they may also see the angels.

Angels do not have wings, and there are many classes and levels of angels. If the angels are from Paradise, then they would not be typically visible to celestial spirits of the three celestial heavens aligned to Earth's humanity. However, the angels that attended to Earth's humanity typically become visible to the spirit personality upon that person completing their Feeling Healing with Divine Love and progresses from the 7th Mansion World into the 1st Celestial Heaven.

A spirit in a higher plane of Earth cannot be seen by a personality within any of the lower planes. This is the same for each progression to a higher Mansion World, then Celestial Heavens and all the way through to Paradise. A higher level entity needs to detune and allow him or herself to be seen in any lower world and consequently each sphere thereof.

Thus, a Bestowal Pair from Paradise would bring with them Angels to assist them and these Angels of such high elevation would go about unseen, fulfilling their tasks, without any other entity being aware of them due to their ultra fineness of energy and elevation in capabilities – unless they allow themselves to be observed!

The PHENOMENON of VISIBILITY:

Firstly, animals do not have a spirit life. Should we need to interact with a deceased pet animal, then a particular class of angel will present as your pet. The life force of all of nature pools their life experience to subsequently become Nature Spirits who evolve to being angels.

Each higher progression of a human mortal consequently becomes invisible to those remaining at the lower level, as it is with angels, though those of the lower level remain visible to the progressing ascending mortal.

In reverse, those spirit personalities descending from Paradise, the home of our Heavenly Mother and Father, need to detune themselves so as to become visible to those in our local universe of Nebadon.

Those on Earth and throughout the seven earth planes have the same visibility progression. Earth, being the densest, is visible to all. But each plane, starting at 1, becomes progressively finer, with each plane above the last invisible to the lower. The same applies throughout the 7 spirit Mansion Worlds.

Higher levels can always make themselves visible should they wish to. Spirits and ascending mortals of lower levels may not be aware of higher levels until they evolve and progress.

NEW FEELINGS WAY

This is the time in the history of Earth's humanity when the greatest event ever experienced throughout its almost one-million-year history is taking place.

At the time of World War II, 1939-1945, Earth's humanity was around 2.4 billion. Given the major recovery issues post war, the duration could be said to be 10 years and then some.

What is unfolding for humanity now is a factor 100 times more significant, and then some. Not only is Earth becoming fully engaged, so too are the 2 Earth planes, the 7 spirit Mansion Worlds and the 3 Celestial Heavens. That is 13 worlds.

Upon death of our physical body, we all transition to the 1st Mansion World

Earth's population in 2020 is approaching 8 billion; spirit Mansion Worlds 1 and 2 have approximately 200 billion; the numbers for the 2 Earth planes are unknown, however they are near capacity; the Mansion Worlds 3, 4, 5, 6 and 7 could be any number. The 3 Celestial Heavens have approximately 30 billion personalities engaged in assisting in these events and the administration of the coming Avonal Age. All worlds combined having in excess of 250 billion personalities – more than 100-fold. Now add the angels!

The Avonal Age is for the next 1,000 years, more than 100 times the duration of World War II – well, 40 generations of 25 years each.

The “Battle Room” is one third of the sectors provided for Earth’s humanity within the three Celestial Heavens being Earth’s humanity who have obtained Celestial soul condition, having completed their Feeling Healing. Some 30 billion personalities are coordinated throughout these massive “Battle Rooms” supporting the unfolding of the coming Avonal Age.

Humanities from the balance of our local system of Satania are provided for throughout the many other sectors on each of the three Celestial Heaven spheres.

Lucifer and his soulmate (Lanonandeks and System Sovereigns) rebelled, taking over their small part of Mary and Jesus’s universe corrupting 37 ‘earths’ and their associated spirit Mansion Worlds.

Satan and his soulmate (Lanonandeks) joined the Lucifers, helping to convince Caligastia and his soulmate (Lanonandeks and Planetary Prince of Earth) and Daligastia and his soulmate (Lanonandeks) to join the Rebellion, which they did, specifically corrupting the people of our Earth – Urantia.

Mary Magdalene and Jesus (soulmates) bestowed themselves on Earth, thereby terminating the Lucifers’ and Satans’ System Rebellion. The Lucifers and Satans were then interned on a spirit prison world.

It is now for an Avonal Bestowal Pair to terminate the Caligastias and Daligastias, with, so we understand, the first stage being completed, so these rebellious Lanonandek pairs can no longer negatively affect Earth or its associated Mansion Worlds.

Avonal Daughters and Sons have been progressively incarnating onto each of the rebellious worlds and one by one, the 37 Lanonandek Planetary Princes have been arrested and imprisoned. Caligastia, Earth’s fallen Planetary Prince and his associate, Daligastia, being imprisoned in the early 1990s.

It is anticipated that the Avonals will shortly have all the wayward Lanonandek Planetary Princes and Princesses imprisoned and will be proceeding to introduce to their custodian humanities to their New Feeling Way.

The Creator Daughter and Son address regional issues – the whole of Nebadon, as in Mary and Jesus’ case; whereas Avonal Pairs address individual planetary issues. Mary and Jesus ended the Rebellion in Nebadon with no further planets being able to be corrupted by it; the Avonals will end it, and the Planetary Default of Eve and Adam, specifically on Earth. They will do this once they’ve completed their Spiritual Healing revealing the New Feeling Way.

GOING, GOING,
GONE! **Yippee!**

EXPERIENCES, FEELINGS and TRUTH:

We look into the night sky and see around 1,000 stars that possibly are the hosts to the 619 humanities of our local system, Satania. Earth is on the outskirts of Satania.

When we ‘die’, and shed our physical body as we are spirits having a physical experience, we all arrive on the 1st spirit Mansion World.

If we continue to live through our minds, then we may progress to worlds 2, 4 then 6 and no further – dead end!

Should we embrace Feeling Healing with Divine Love, we will start our journey of Truth and Love, progressing through Healing Mansion Worlds 3, 5 and 7, then through the Celestial Heavens and onwards out through our Local Universe of Nebadon and on to Paradise, the home of our Heavenly Parents.

The spirit worlds are within a different dimension to the physical stars and earths. However, picturing the spirit worlds within the centre of our local system is only a visualisation aid and not necessarily accurate.

LEARNING for ETERNITY:

The journey that we are on and the life we are to live is a never ending adventure of learning.

We may gaze at the stars in wonder for they are homes to our neighbouring humanities. While we live through and worship our minds then we will stagnate. This time in history is the Great U-Turn.

We will now embrace our soul-based feelings, the truth within us, and have our minds follow. Not the other way as it has been throughout the Rebellion and Default with the mind suppressing our feelings and we being in denial of our condition.

Through our feelings we will put aside the limitations and barriers that our mind restricts us to. We will discover the wonder of ourselves and our amazing potential. We will recognise that females and males are equal and are truly partners in all we do.

We will discover that one soul manifests TWO personalities, one female and one male, and that our true partner is our other half of our soul!

We will become free!

NEW FEELINGS WAY

The way to Paradise and All-Love is a Feelings Way. The Feeling Way is about honouring – accepting and expressing, and longing for the truth, of all feelings. By doing our Spiritual Healing (Feeling-Healing and Soul-Healing with the Divine Love) we can uncover the truth of why we’re living in rebellion against the truth of ourselves. Why we live by denying so many of our feelings; especially our bad ones.

The Way of the Rebellion, The Mind Way, leads ultimately to mind-extinction involving annihilation of personality and soul. The Mind Way is about denying as many feelings as we can, selectively choosing the ones you want, all to maintain control over yourself. And yet by denying feelings and your expression of them, you are denying the truth they would help you see about yourself. So you are denying your own Spiritual Growth Of Truth. All of which can only lead to bad outcomes.

The Mind Way is a Dead End – and only pain. The Feeling Way is eternal growth of Truth, Love and Happiness. By truly embracing our feelings, longing for the truth they are to reveal, we evolve through:

Phase 1: Spiritual Healing through the Mansion Worlds and into the Celestial Heavens.

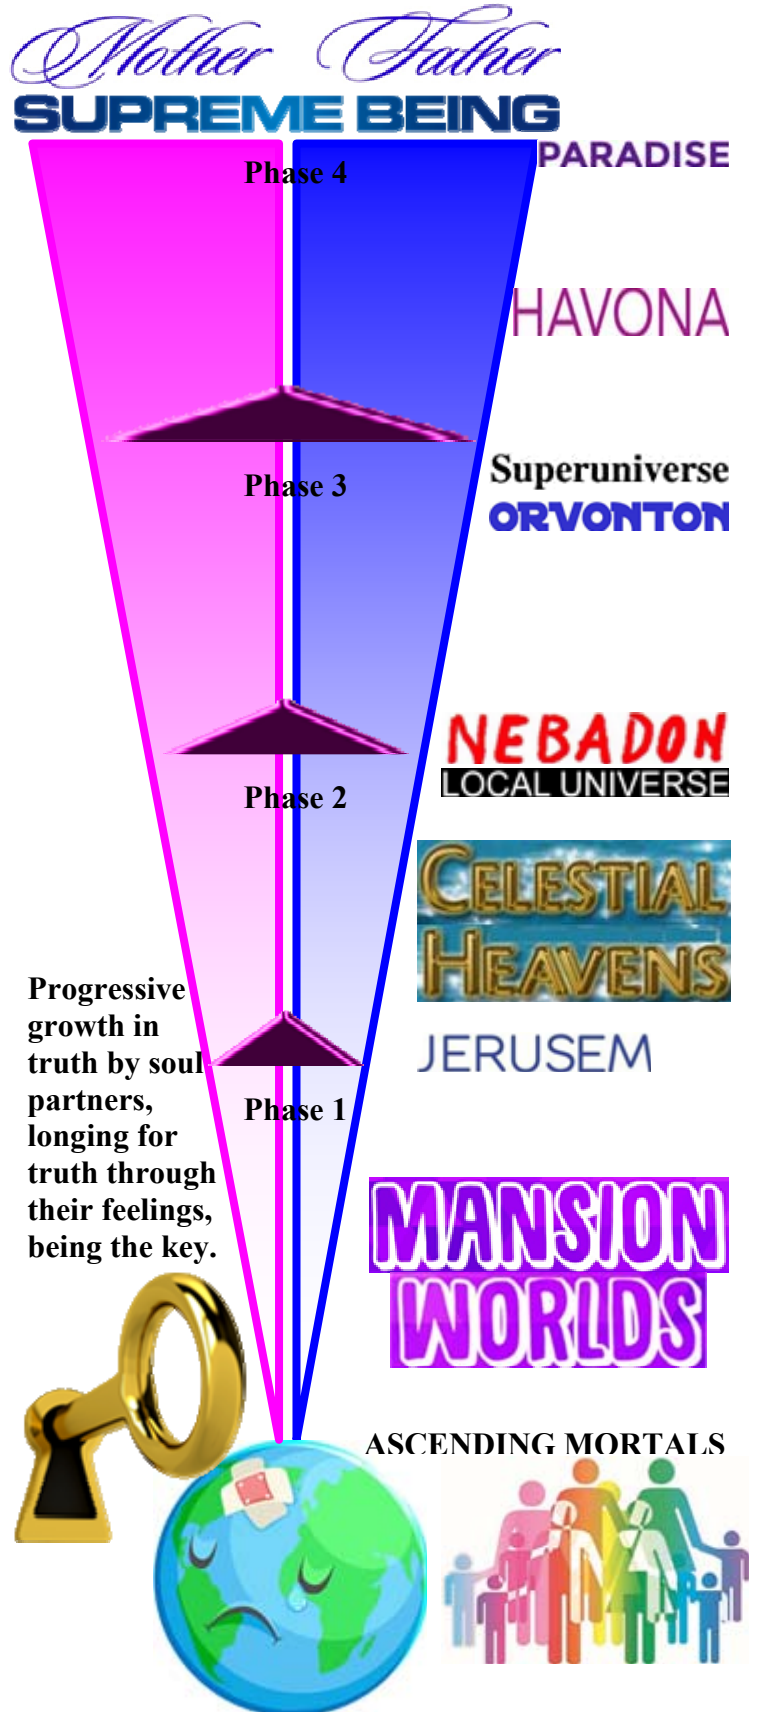

Phase 2: Evolving in Truth through our Local Universe, Nebadon, and into the superuniverse: Orvonton.

Phase 3: Truth progression through the superuniverse of Orvonton.

Phase 4: Truth progression through Havona, and attaining Paradise.

ALL Soul and Truth Progression is done by Living True To Our Feelings.

The New Feelings Way.

THE STRAIGHT AND NARROW PATH

Looking for Spiritual pathways using our mind will mean the True Spiritual Pathway will always elude us. We live with our mind suppressing feelings which causes us to not find our true pathway. When we live honouring, accepting, expressing and longing for the truth of our feelings, then we are treading our Spiritual Path of Truth. Truth ONLY comes to us through our feelings. If we deny feelings, we deny truth, and we deny our true spiritual path.

If we fight expressing feelings, pushing them away and blocking them out, we never allow any understanding of those feelings to come to us, thus keeping us in the maze of mind-bending distractions. Many so-called healing therapies say they focus on liberating feelings, however beware that many of these systems are still mind-controlling in ‘feelings-clothing’. And we may believe we are getting somewhere with our feelings, only to realise centuries later in the spirit, mind Mansion Worlds that we’ve still been leading ourselves astray and away from our true feelings.

Surrender and submit willingly allowing our feelings to emerge and be expressed. Long for the truth our feelings are to reveal. Persevere. Allow our feelings to be our way of living. It does not matter how long this takes. For us all, this is our destiny – it is only a question of when?

Once we firmly start living the New Feelings Way – living feelings first; expressing our feelings and longing for the truth they are to reveal, we are on the pathway of ascension; not only out of the Rebellion and Default through our Feeling Healing, and with Divine Love: our Soul Healing – but to Paradise!

By living true to our feelings we will progress through the Celestial Heavens all the way through Nebadon; then on further through our Superuniverse of Orvonton; then into the regions of our Heavenly Mother and Father; embracing the Supreme Being and moving through Havona, eventually attaining Paradise, Their home.

It is the True Way, the New Feelings Pathway, that takes us all the way ‘Home’. It is a journey of ever-expanding Truth and Love.

Avonals - Magisterial Daughter and Son

The first physical step to bring about the end of the Rebellion and Default for Earth's humanity was the materialisation of Machiventa Melchizedek 1,973 years prior to Jesus' conception. The plan could be said to have been meticulously mapped out and each step has unfolded with Machiventa Melchizedek, together with Jesus and Mary, orchestrating our Heavenly Mother and Father's intentions to this day. The plan culminates with the appearance of the Avonal bestowal pair from Paradise, being a Magisterial Daughter and Son, who will guide Earth's humanity, both in the physical and spirit, through their individual Feeling Healing, and with Divine Love their Soul Healing, during the next spiritual age of 1,000 years now to commence, being the Avonal Age. Machiventa Melchizedek has been administering this 4,000 year unfoldment and will continue with his role throughout the Avonal Age. Now we are engaging in the biggest event in history for Earth's humanity, the healing of the imposts of the Rebellion and Default. All of the Avonal Age is now required to establish the universality of the healing Earth's humanity.

EARTH CHANGES

Larger civilisations have previously existed on Earth, with elements more advanced in some ways than Earth's civilisation of today – in the year 2021!

Populations have been routinely reduced by earth changes to smaller numbers. Post earth change events typically require surviving populations having to restart from ground zero.

SACRED and INSPIRED WRITINGS sets, each of about 10,000 tablets, were carried from Mu (Lemuria), these were then located at: Tibet, Deccan Plateau in central India, Gobi Desert in Central China, Upper Egypt, Babylon in Mesopotamia and Mexico City. Further copies of each of these original sets were further made. The foundations of Buddhism are remnants of the mind controlling practices of the Atlanteans! The books accredited to Moses are his translations of writings on clay tablets brought from Lemuria to Egypt. Thus it can be seen that the immigration from Lemuria going west cross over with the Atlanteans going east. Remnants of prior civilisations spiritual systems have been the foundations of new ways and beliefs – all taking humanity deeper into the mind, away from feelings and away from our Heavenly Mother and Father.

Following each earth change, humanity has gone deeper into the Rebellion and Default. Spiritual platforms have been passed down through many civilisations. Clay tablets have survived cataclysmic earth changes with researchers re-introducing remnants in later times with further imposts infused by mind Mansion World spirits all in keeping with Lucifer's rebellious dictates. As from 31 January 2018 we can now go upon the pathway of healing the Rebellion and Default within each of us through Living Feelings First and with Divine Love, embrace our Soul Healing.

A Universal Contract enabled high level rebellious spirits, through mind Mansion World subordinate spirits, influenced spiritual writings and practices throughout Earth's humanity in a manner that took people deeper into living through their minds and away from God. Christianity was founded by a high Jewish Rabbi, Paul, not by Jesus. Then Paul's platforms were further contaminated. Until now, we were not even aware we have been subjected to a Rebellion these past 200,000 years, and Default of 38,000 years! Now we are to heal ourselves of them.

Bestowals from Paradise:

Avonals - Magisterial Daughter and Son

Machiventa Melchizedek, to this day, continues to oversee the plan that was evolved more than 4,000 years ago to progressively open cracks in the Universal Contract governing the Rebellion and Default instigated by Lucifer 200,000 years ago. With 'federal' authority, the Creator Daughter and Son brought about the Lucifers and Satans spirit world imprisonment 2,000 years ago, and set the Avonal bestowals in place.

The commencement of the Padgett Messages on 31 May 1914 triggered the bestowal of the Avonal Pair for Earth's humanity. The Avonals' 'state' authority brought about the Caligastias and Daligastias spirit world imprisonment in the early 1990s. The Avonals' healing of what they have taken on of the Rebellion and Default ends the Rebellion and Default. Now we can all follow and progress on the pathway to Paradise.

70,000 Superuniverses forming

One's soul is connected by cords of light to the spirit body in the region of the physical heart. The spirit body is the template of the physical body. Our mind is within the spirit body as are all of our senses that our physical body responds to. Our memory and personality are soul based. Upon shedding of the physical body we lose nothing, in fact we become more alive than ever. The Love of our Heavenly Parents, when embraced, is infused through our spirit body and into our soul bringing great freedom, love and joy.

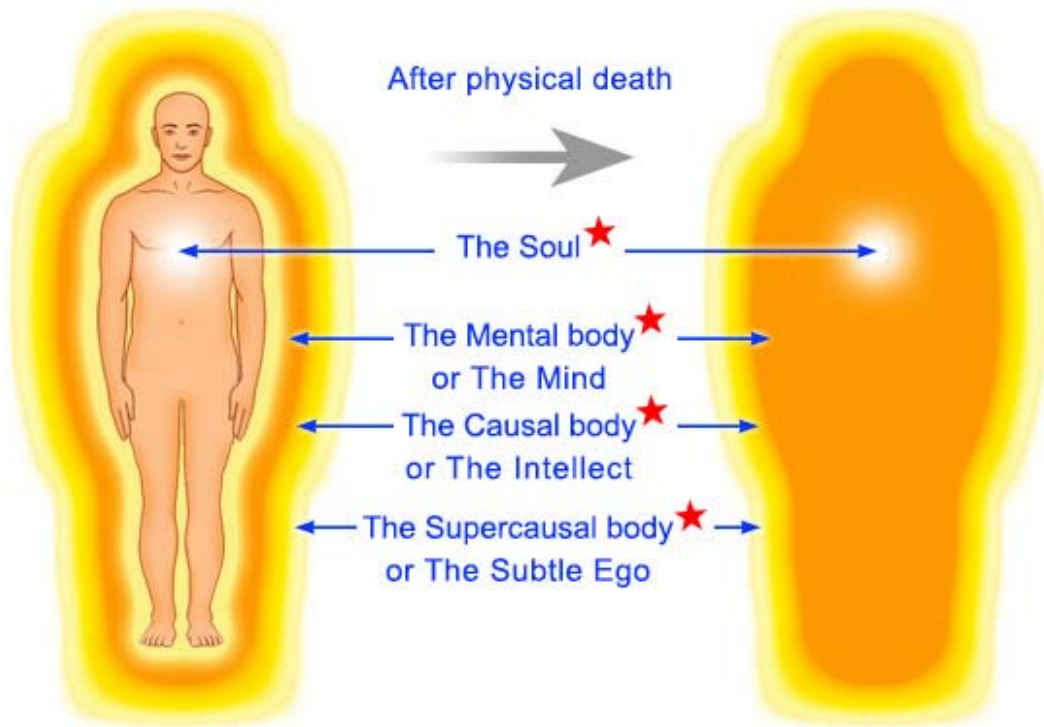

The natural love is the energy substance that is one's unique soul. Each personality is unique and that is achieved through the natural love energy substance at the time of its creation by our Heavenly Parents. The natural love has a finite development potential towards its own perfection.

Divine Love is uniform and changeless. The Divine Love energy, being light golden blue, perfects the natural love energy without changing the personality created by Mother and Father. With the Love, one can grow beyond perfection and become fitted to live with in the Celestial Heavens and beyond.

The Love itself is not 'spirit'; it is a substance of Energy that is harmonious with spirit. There are only two Loves – the Natural Love and the Divine Love – and only the Divine Love can bestow into a mortal soul that quality of Immortality that enables a soul to live with our Parents in their at-onement in the Celestial Heaven and to progress beyond these glorious realms.

A human being in the Earth region

A subtle body

This is what a human being looks like after he dies, i.e. after he leaves his physical body.

What are we comprised of?

What happens to each of the bodies after death?

- The physical body remains on Earth
- The vital energy (*Prāna-shakti*) is released back into the universe
- ★ These bodies comprise the subtle body (*linga-dēha*). After the subtle body travels to a subtle plane of existence

The soul creates our spirit body at conception / incarnation. Our personality, intelligence, the five senses and memory are all contained within our spirit body and soul.

Upon death of the physical body, our soul with the spirit body transition to the 1st sphere of the spirit Mansion Worlds where life continues in an evolutionary way.

UNCRUSTING ONE'S SOUL:

One's soul is always perfect. One's soul is a creation of our Heavenly Parents, and Their creations are always perfect.

Their great gift to us is free will. We have the option to embrace Their will or freely do as we please, we have free will.

As we progress through our early childhood years we absorb the attitudes, beliefs and habits of those within our environment. Some of these are in error. Such emotional errors and injuries melded with errors in belief encrust one's soul with unhealthy and unloving energies. These encrustments retard the flow of loving energies into one's soul. Such soul having created one's spirit body, which in turn is the template for one's physical body.

As we become aware of our Mother and Father's greatest gift in all of the universes, we can ask for and receive this gift, being Their Divine Love. It is a light golden blue energy substance that will progressively through one's Feeling Healing process dissolve the injuries and errors that may have enmeshed one's soul. Feeling Healing with this Loving energy will slowly enable each of us to break free of past held erroneous beliefs and injuries that we have drawn upon ourselves. We can cast this shell off, such shell which is endeavouring to imprison us in misery.

With the Love of our Parents, the beauty with which we were created can come to the surface and we can then proceed to progress beyond the ceiling that our natural love formed soul has in development. Feeling Healing with the vibrant energy of Divine Love can enable us to live a life here on Earth as though we were in Heaven. All we need do is ask for It.

The Love of our Parents' is the greatest gift for all of humanity, without exception and without condition other than the longing for and the asking for it, at anytime, at any place, and in any way one so pleases. Enjoy the journey!

CLEANSING the SOUL:

Years and years of personal endeavours to step away or above harmful habits and personality traits that are harmful to others and one's self have been mainly futile. We all want to grow in our love for ourself and of others.

Our beautiful loving personality that we are blessed with at conception / incarnation becomes encrusted with errors and personality issues of those around us, particularly during our early childhood. The personality of those living around us, during our early years, becomes encrusted over our pristine soul thus clouding our radiance into dullness. We become mind controlled!

Our Heavenly Parents want what is actually best for each of us and there is a source of light that's willing to give it to each of us, but only at our soul and spirit's quest for union with the divine. Not our ego's need for things.

It is only with our Feeling Healing and the infusion of the Love, that the Mother and Father conveys via the Holy Spirit, do we start to dissolve negative issues, habits and personality errors from our soul and personality. Our personality is part of our soul structure.

All we need do is ASK for this Love. An earnest longing and desire for the Mother and Father's love will never be withheld, it will shower over our spirit body, the template of our physical body, and be absorbed into our soul. As the Love permeates through our soul, errors of personality will slowly but surely dissolve.

Over time, as we progress along our path of asking for and receiving this love, the natural love which we were blessed with prior to conception will be progressively transformed into Love that is Divine. This Divine Love will slowly emerge as radiance through our being.

With Feeling Healing and this Love we find harmful habits and personality traits become a distant memory. With this Love, we find ourselves unable to harm others or ourselves. With this Love we find our quality of life blossom and joy starts to emerge in all aspects of our living.

With this Love we become immortal. With this Love we become fitted for the Heavens that the Mother and Father have prepared for us all. Just ask and faith, love, and happiness will follow. Yes, just ask!

SOUL CONDITION / EMOTIONAL HEALTH ENLIVENS with DIVINE LOVE:

Asking for and receiving our Heavenly Parents' energy of Divine Love slowly assists in dissolving and removing man's negative emotions and subsequently brings about a vibrant, radiant soul that emerges as an outgoing happy and loving living personality. With the God's Love, which is a substance, and embracing one's Feeling Healing one can progress from any dark and depressing situation to that with resilient faith bringing about a quality of life that is heaven on earth.

LUMINOSITY of the SOUL can be LIKENED to the FOLLOWING:

1st sphere, lower regions – Natural Love MoC 50+/-
 The soul condition of a soul that is obliged to spend some time within the ‘hells’ may be no bigger than a dried garden pea. There is no luminosity and the environment is total darkness.

The typical soul condition of humanity is such that they generate the luminosity of a single candle.

1st sphere, mid regions – Natural Love MoC 210

A soul that has grown in love and soul condition equivalent to the 8th sphere – the point of becoming at one with God, the luminosity of such a soul is equivalent to the midday sun.

8th sphere – only possible with Divine Love while doing one’s
 Feelin Healing! MoC 1,000+

TRY the EXPERIMENT!

It is the Mother / Father's great gift of Divine Love that will catapult one's growth in love and beauty along the way to achieving the goals of peace and harmony that we all strive for. It is this light golden blue energy substance of our Heavenly Parents' Love that brings about the completeness of one's being.

Once it is understood that all our Heavenly Parents desires from us is that we long for and earnestly ask to receive their Love, then we are on the pathway of growth, exponentially. As we ask for, long for, and receive the Divine Love substance, then our soul development will have been irreversibly begun. Each little drop of the Divine Love received into one's soul prompts one a little to dislodge emotional injuries and belief errors that we may have accumulated on our life's journey. Each inflowing of the Love brings about a progression in one's soul condition.

At first, it will be only a minor step forward, but once we are pointed in the right direction there is no stepping back. As we long for more and more of the love, our progression picks up momentum. At first it may appear nominal, however, after months or a year or so, one will look back in time and be amazed at growth through Feeling Healing that has been achieved, the harmony that has come into one's life is amazing.

From time to time, we might step away from engaging with the Love, however, we do not slide back. The Love energy is always self reinvigorating, that is, it continually renews itself, and we never lose any of the Love substance once we have received it.

As we continue to embrace Feeling Healing, our growth rate gathers momentum. Growth becomes exponential. Goals to infinity are ours!

This is the great teaching that was given to us 2,000 years ago that was lost to humanity. Now it is being made known again, once embraced, never to be lost ever again. The Mother and Father's great Love is available to ALL should we so ask for it.

NATURE and STAGES of FUSION:

Seventh stage of Fusion of individuality is the transition from the Eternal Spheres towards the Spheres of Paradise. The individual is now fully fledged in their union with God and can travel around the entire soul Sphere that God is and resides in.

Sixth stage of Fusion truly demonstrates how the personality is infused with extended attributes of mind-spirit function as the individual progresses from the Celestial Heaven and enters the Eternal Spheres.

Pre-Incarnational Sphere:

First stage of Fusion is the separating of the soul's two personalities, one male and one female always.

Fifth stage of Fusion transpires when their natural love changes and one's soul progresses to the condition to be of Celestial soul quality, one enters the Celestial Heaven.

Fourth stage of Fusion involves the Divine Love. This can happen at any time during the natural life experience of the individual. Happens when the Immortal Divine Love enters the attribute of the soul for the first time, either when in the physical body state or spirit body state.

Second stage of Fusion is simply defined by the incarnation of the finite attribute of the soul to acquire a spirit body and living attribute of personality, which commences the finite soul's individualisation of mortal life experience.

Spirit body →
Soul →

Physical body →
Spirit body →
Soul →

Third stage of Fusion in a soul's life is its transition into the First mortal natural spirit Sphere. This stage is defined as the ending of the physical incarnation and the beginning of life in the spirit world.

SOUL, SPIRIT BODY and PERSONALITY remain TOGETHER – FOREVER!

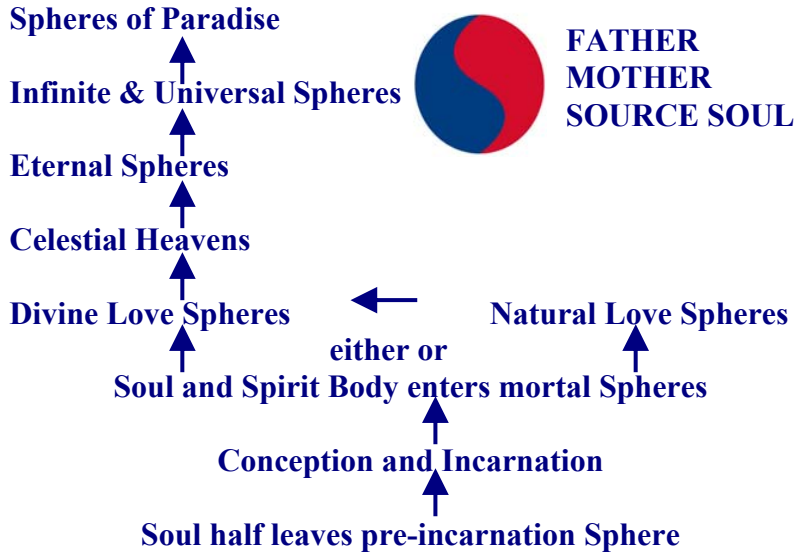

Natural love and Divine Love are as two loves.

Soul, Spirit Body, Personality stay together.

Ascension Pathway:

Our soul remains for ever attached to the spirit body and the personality, these two being created at the time of conception / incarnation. As our soul is imbedded within the spirit body and both having this unique personality, it is impossible to go through the incarnation process again. We never reincarnate.

We are born with natural love, until we ask for and receive Divine Love there is nothing of the Divine within us. When we add Divine Love to our being, only then do we become a complete being. Without Divine Love and Feeling Healing, we are finite, in as much as that while we continue in only our natural love we can only become the perfect man and that restricts our progression to the limits of the 6th natural sphere being the mortal domain of man.

PERSONALITY

At the time of the fertilisation of the egg, should conception be viable, then the soul, being a tiny invisible spark, is attracted from the pre-incarnational sphere, and the forming of the personality and spirit body occurs, conception and incarnation coincide. The soul finds its home within the forming spirit body, and the spirit body is the template for the forming physical body, the personality is forming within all three elements.

ASPECTS of LIFE:

<u>Physical / material body</u> Brain	→
<u>Spirit / etheric body</u> Mind	→
<u>Soul + Spirit Combination</u> Senses Desires Memory Passions Intention Free Will Emotions Creativity Awareness Personality Aspirations Intelligence Consciousness <u>The Real You is your Soul!</u>	→

The spirit body is composed of a different kind of matter, "finer" or more "ethereal". The fact that its aspect reflects the condition of soul is a clear indication that the soul influences largely its formation, and even more, the soul is indeed the creator of this body, which covers it and provides it with the characteristic of individuality. The formation of the spirit body begins at the moment of incarnation of the soul in the foetus, incarnation which only takes place should there exist a high probability that the spirit of life has found in the new organism a stable biological structure, allowing it to carry out its life-giving function.

P529 Judas of Kerioth 8th May 2002

At the moment of conception, we achieve individualisation and become self aware and we are then able to exercise our free will. Incarnation is when the embryo first pumps blood.

At the moment of conception, our soul, being our real self, is creating the newly forming embryo and everything else every step of the way as Judas says above. And our soul utilises our parents' life forces to achieve incarnation.

At the moment of conception, there is nothing of the Divine within us. Only as we proceed to ask for and receive Divine Love does our soul slowly and progressively change into the nature of that which is Divine. As our soul embraces Feeling Healing, and receives Divine Love, it will grow, and grow, and grow in brilliance and into that which is Divine.

SOUL:

The Real You is your soul, you are one 'half' of that soul.

Each half of the original soul incarnates a spirit and physical body simultaneously, they being connected. The soul expresses each of its two personalities as a woman and man. True soulmates are always of the opposite sex.

Sexuality is an attribute of the two personalities the soul expresses; the soul itself does not know sexuality.

The soul connects to the two spirit bodies it has created by 'golden cords' of light; and the spirit body is in turn connected to the physical body by 'silver cords' of light.

The spirit body is your astral body. The etheric is really the body that is the template for the physical and one that doesn't hold consciousness.

The soul remains invisible to the spirit and physical bodies, only being discernible by its luminosity through the spirit body.

95%+ of humanity currently are within the 1st sphere of development.

PERSONALITY

Soul Spirit Body Physical Body

PERSONALITY

Physical Body Spirit Body Soul

The SOUL DOES IT ALL. The soul initiates conception and the growing of the physical and spiritual bodies, and all that connects them to each other and to the soul itself. The creation of the embryo is the creation of both of the physical body and the spirit body. The personality is soul based. The spirit body is far more capable than the physical body. A soul half brings about the embryo thus achieving incarnation of the soul half and completing the individualisation process of the soul half. We are all half of a soul, the other half incarnates into an embryo of the opposite sex.

The soul half individualising is just a tiny invisible spark of the substance, natural love, but even then it is enormously capable.

The life force of the soul enlivens the spirit body through the connection of a golden light cord. Through this connection some of the senses and capabilities of the soul are fed through to the spirit body. In turn, through a silver light cord, the senses and capabilities are further dumbed down into the physical body.

We will discard the physical body as we progress on our journey of growth in love.

It is impossible to comprehend the relativities. Consider the soul being equivalent to the most capable high speed train on the planet. This soul is then connecting and animating a powerful steam locomotive, which in turn is connecting to a toy locomotive – Thomas the Tank Engine. Now, it is this little toy locomotive that most of us consider to be our real self! It is our soul that is.

Our physical experience is like being on training wheels while we begin to feel our way forward having completed the individualisation process.

The SOUL DOES IT ALL. THE SOUL INITIATES CONCEPTION AND THE GROWING OF THE PHYSICAL AND SPIRITUAL BODIES, AND ALL THAT CONNECTS THEM TO EACH OTHER AND TO THE SOUL ITSELF.

The soul oversees EVERYTHING – we are soul. And our soul is duplex, in that it has bestowed upon it, two unique personalities by its Creator Parents – our Heavenly Mother and Father. So at conception, our soul incarnates you, one of the two personalities into Creation – life. The soul does it all. The soul doesn't come at some point embracing the embryo. The embryo wouldn't exist if it weren't for the soul wanting it to exist. We are never separate from our soul.

We are one of the personality expressions of our soul, our soulmate is the other one, our 'other half'. Our soul can incarnate its two personality expressions at different times on Earth. With each 'half' experiencing life as a full individual and independent personality destined at a predetermined time to meet each other, which will more than likely happen at some point through one's Healing or when one has finished it. And whilst we're living in rebellion against our soul, ourselves, our truth, so it's highly unlikely we'll have anything to do with our soulmate until we start to heal that rebellion, because we are anti each other – anti the truth of ourselves and each other. We can ONLY experience true soulmate love when we are FULLY healed of our rebellion and default – when we've done our Healing.

And our soul would naturally, had we not been unlovingly interfered with by our parents, evolve us in truth through our feelings and the experiences that give rise to them. However because our parents unwittingly got in the way and stopped our soul from doing this, so we've become untrue and have to do our Healing to sort ourselves out, to bring ourselves back into being how we would naturally be were we not screwed around with.

The point of our Healing is to find the whole truth of our unloved state, all through our feelings and not with our mind. So once the truth is revealed, we can be set free of that untrue state. So we're not to look for specific traumas, we're not to try and home in on them, bringing to light all the bad feelings associated with them, then we're 'healed' of it, able to resume our life without the burden of that terrible experience. Certainly our Healing will do that, heal all the bad feelings associated with and resulting from that traumatic experience, however it doesn't stop there, it goes on and deeper until every aspect of self-expression that has been thwarted by negative unloving parental and childhood experiences – all one's trauma from feeling unloved, comes out and the truth seen. So healing our specific traumas is only one part of the Healing, with it being much more.

The physical body's capabilities, with its five senses, pales into insignificance when compared to the capabilities of one's spirit body, with its many senses, which include the physical body's five senses, however they are greatly enhanced.

Your soul animates your spirit body. The spirit body can be compared to Superman's capabilities. Now consider how much further your soul is restricted when it is animating the physical body. Your physical body is a very restrictive and restraining suit.

When the physical body is viewed as an entity that is cocooned within a cumbersome restrictive suit and then compared to the capabilities of Superman, then we are starting to compare the capabilities of your physical body with that of your spirit body. Your spirit body, once it leaves your physical body, can travel to the other side of earth quicker than you can read this sentence! You can travel so fast that you can see the end beams of light.

Now, try and imagine the capabilities of your soul which animates your spirit body, and in turn animates your physical body. Your soul has many, many senses and ever increasing capabilities as it grows and grows in love.

Your soul is your real self, the home of your personality being your intelligence, your emotions, memories, awareness, passions, desires, creativity, intentions, aspirations, free will, etc. As you grow in love, all these aspects of you grow and expand naturally.

Our journey starts by being individualised. Your soul starts its journey of discovery and growth by being incarnated into the physical body which at the same time forms the spirit body attaching to the newly created embryo. The individualisation process is completed once the soul connects to the embryo being the two bodies, the physical and the spirit body, at the same time your personality forms. Upon the soul becoming individualised, the need for the physical body is satisfied and completed. There never becomes another time whereby we need to return to dwell within another physical body. Subsequently, on our journey of development in love our soul remains housed within the spirit body and your personality continues with both the soul and spirit body.

Our soul continues to grow in love and beauty on its journey home towards our Creator.

You could liken the capabilities of the physical body with its five senses to that of a golf buggy.

The spirit body with its enhanced senses, which include the physical body's five senses now with greater capabilities, liken to that of a space shuttle. Sight of the spirit body is 360°, the speed it can travel is far greater than that of light, its communication is mainly by feeling, etc.

However, the soul has many, many senses and capabilities far beyond our comprehension, and where it can grow to in love and truth is that which only God knows. Your soul is the real you.

Light of Truth of PASCAS

Throughout the evolution of Pascas, Pascas has been gently guided and supported by its Council of Elders from within the Celestial Heavens. All documentation, all concepts, all who have interacted with the forming of Pascas WorldCare and the various arms, have been in response to the guidance from our Celestial Council of Elders – from within the 3rd Celestial Heaven. Throughout the coming millennium, our Celestial friends will be guiding and assisting Pascas WorldCare.

COUNCIL of ELDERS

Council of Elders now around 13 soul-groups from the 3rd Celestial Heaven

Communications between the Celestial Council of Elders and those within the physical administration of Pascas World-Care will be via those who complete their Feeling Healing on Earth, as years go by.

Avonal PAIR Oversight

The administration of Pascas may be also supported in their interconnectivity with our Celestial guidance, through those within Pascas and its administration who are sensitive in their nature and are able to perceive guidance from our Celestial companions on this journey of delivering the Great U-Turn. It is through the nature of sensitivity that Celestial Spirits have interacted with Pascas during decades of formative years and the establishment of the foundations for Pascas for the next 1,000 years.

LIGHT OF TRUTH

Pascas as an entity, due to the contributions from our Celestial friends, is functioning within the 5th Divine Love spirit Mansion World's level. Further, the Pascas Papers that are designated as references for Feeling Healing and Divine Love are within the level of Truth of the highest of the Celestial Heavens. Pascas will be supported in this manner for the coming millennium.

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on themselves and doing their Healing.

Feeling Bad? Bad Feelings are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

Religion of Feelings**Welcome to LOVE – the Religion of Feelings****Feeling Healing****you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book****Release one's pain through expressing one's feelings.****in conjunction with****Longing for the Truth when also longing for Divine Love.**

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of ‘papers’ that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one’s awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents’ Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.

Great Gifts through our Feelings are:

**The Awareness of our Heavenly Mother
and Father**

**That our soul is a duplex – both male
and female – one soul, two personalities**

**That Feeling Healing with Divine Love
is our pathway to Paradise – our true
home**

**Freely expressing our Feelings to a
companion is expressing our true
personality – the personality bestowed
upon us by our Heavenly Mother and
Father – our true Mum and Dad!**
