## LITTLE CHILDREN

Below is an excerpt from [\*The President's Devotional\* by Joshua Dubois](#), the former head of the White House Office of Faith-Based and Neighborhood Partnerships. He's recounting events that occurred Sunday, December 16, 2012 — two days after the shooting at Sandy Hook Elementary School in Newtown, Connecticut, USA, when 20-year-old Adam Lanza fatally shot 20 children and 6 adult staff members. Dubois had gotten word the day before that the President wanted to meet with the families of the victims:

*"I left early to help the advance team—the hardworking folks who handle logistics for every event—set things up, and I arrived at the local high school where the meetings and memorial service would take place. We prepared seven or eight classrooms for the families of the slain children and teachers, two or three families to a classroom, placing water and tissues and snacks in each one. Honestly, we didn't know how to prepare; it was the best we could think of.*

*"The families came in and gathered together, room by room. Many struggled to offer a weak smile when we whispered, "The president will be here soon." A few were visibly angry—so understandable that it barely needs to be said—and were looking for someone, anyone, to blame. Mostly they sat in silence.*

*"I went downstairs to greet President Obama when he arrived, and I provided an overview of the situation. "Two families per classroom . . . The first is . . . and their child was . . . The second is . . . and their child was . . . We'll tell you the rest as you go."*

*"The president took a deep breath and steeled himself, and went into the first classroom. And what happened next I'll never forget.*

*"Person after person received an engulfing hug from our commander in chief. He'd say, "Tell me about your son. . . . Tell me about your daughter," and then hold pictures of the lost beloved as their parents described favourite foods, television shows, and the sound of their laughter. For the younger siblings of those who had passed away—many of them two, three, or four years old, too young to understand it all—the president would grab them and toss them, laughing, up into the air, and then hand them a box of White House M&M's, which were always kept close at hand. In each room, I saw his eyes water, but he did not break.*

*"And then the entire scene would repeat—for hours. Over and over and over again, through well over a hundred relatives of the fallen, each one equally broken, wrecked by the loss. After each classroom, we would go back into those fluorescent hallways and walk through the names of the coming families, and then the president would dive back in, like a soldier returning to a tour of duty in a worthy but wearing war. We spent what felt like a lifetime in those classrooms, and every single person received the same tender treatment. The same hugs. The same looks, directly in their eyes. The same sincere offer of support and prayer.*

*“The staff did the preparation work, but the comfort and healing were all on President Obama. I remember worrying about the toll it was taking on him. And of course, even a president’s comfort was woefully inadequate for these families in the face of this particularly unspeakable loss. But it became some small measure of love, on a weekend when evil reigned.”*

There's only one thing we can be sure of, and that is the love that we have — for our children, for our families, for each other. The warmth of a small child's embrace — that is true. The memories we have of them, the joy that they bring, the wonder we see through their eyes, that fierce and boundless love we feel for them, a love that takes us out of ourselves, and binds us to something larger — we know that's what matters. We know we're always doing right when we're taking care of them, when we're teaching them well, when we're showing acts of kindness. We don't go wrong when we do that.

Oh so many times we are presented with harm being thrust upon others and oh so often it is our children that are harmed. This time in the history of humanity we can do more, and yes we will do more.

We are to come together and take meaningful action to prevent tragedies like this, regardless of the circumstances. Our first task is caring for our children. It's our first job. If we don't get that right, we don't get anything right.

The greatest gift for our children that we could possibly provide is to enable for them to grow up without fear as we embrace our Feeling Healing.

This time, in the history of humanity, is the most exciting time ever experienced – we can achieve this goal!

These haunted eyes have witnessed far more horrors than any boy or adult deserves to see. For Aladdin is a child of Aleppo, the ancient city torn apart by Syria's civil war. The artillery casings the nine-year-old is cradling in his grimy hands come from guns that have helped to turn Aleppo into a dead zone. However, the spent ammunition offers Aladdin a sliver of hope. Only by selling it for scrap metal will he find enough money to buy food.

Yes we can, we can enable children to grow up without fear.

And yes, we will do this.

And to do so we need to loosen our ties with man-made creations of fear – namely those unloving natures associated with the emotions of pride, anger, desire, fear, grief, apathy, guilt and shame.

Spiritual truth is demonstrable and applicable to daily life. Receiving Divine Love has a great many tangible benefits, from healing past traumas to opening up spiritual insight and discernment. Its greatest gift is the feeling of the Father's Grace which uplifts and carries one through one's day. Longing for, meditating for, praying for and receiving the Source Soul's Love will achieve this, particularly as one's connection to the Father evolves into one of strength, as this develops, one's connection becomes consistent and freely enduring.

The world is yet to learn that the teachings from the first century have been again provided to us, however, in far greater detail than one can possibly image. Our Celestial friends are constantly guiding us with the loving and simplest of beautiful Truths.

Yes, we are one race, the human race. Our first parents are Aman and Amon, and from them have sprung all who are referred to as the human race. The first ensouled humans on the planet, Aman and Amon, continue today to teach us. The most exalted teacher within the spirit worlds is the Master of the Celestial Heavens, the teacher from the first century and through his guidance we have been blessed with twelve major publications from the messages that have been received, these having commenced on 31 May 1914, and the second major first phase completing in 2014.

Are these teachings of truth and love religious? No. Are they a religion? No. Are they spiritualism? No. What they are is a way of life. A way of living with the Love. Living life with the substance of Divine Love within one's essence, within one's being, a blessing of the greatest magnitude. A gift from the Source Soul, our Father, who only desires that we long for and ask to receive His Love.

How simple is that? It is the simplicity of the guidance that is difficult to comprehend.

Yes, even young children can embrace these teachings. They may be simply guided to approach the Father, the Source Soul, with out reached arms and with loving affection and expect to receive the Source Soul's Love in the same manner that when they approach their physical father here on Earth and receive his love.

## **God's Divine Love: Pray for it, ask for it, and receive it.**

Try the experiment!

**Whilst we are receiving the Mother and Father's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Heavenly Parents are actually loving us! When we progress, it is Their way of loving us into love and then we live what we are, love.**

There are two love energies. The natural love is the beautiful energy substance from which our unique soul is formed. Our soul is our personality, our intelligence, our memory and all humanistic aspects that is loving. It has a limitation beyond which it cannot grow without outside assistance. The soul is blessed with free will giving us the choice to embrace the outside assistance. However, it is by the use of this free will that man has created negative and harmful emotions and erroneous beliefs.

When one embraces the outside help, one is then following one's innate longings to embrace our Parent's Divine Love. The Divine Love is a light golden blue energy substance that progressively perfects one's natural love formed soul. It is the addition of the Divine Love into one's soul that completes the soul. We have the free will option to embrace the Divine Love or not to.

It is by the progressive infusion of the Divine Love energy into one's soul that slowly, but certainly, changes the nature of one's soul. In the process of this transformation, harmful natures such as shame, guilt, apathy, grief, fear, desire, anger and pride progressively diminish and ultimately peel off. It is by the infusion of the Father's Love, the Divine Love that our capacity to cause harm to others and also to one's self dissipate and disappear completely and for all eternity.

It is by the infusion of the Divine Love within our soul that love becomes our dominate way of embracing our daily activities and the consideration of any of the free will options of causing harm in any manner becomes non-existent. We grow to embrace only the will of our Heavenly Parents, the Mother and Father.

The rewards of embracing the Mother and Father's Divine Love are incomprehensible.

Simply by earnestly longing for and asking for our Parents' Love for a few moments or a few minutes most days will result in great changes in one's well being and quality of life. After trying the experiment, for some months or a year or so, quietly look back on the past. The gifts of the Love will become self apparent.

The gift of our Parents' Love is universal. It does not matter what one's soul condition is in, what one's beliefs or faith may be or not, the Love is available to all.

Throughout the past 2,000 years the Divine Love has been available for all of humanity. The availability was known, however, following the Nicean Council in 325 CE, the knowledge was almost totally lost again to humanity. All of the major religions and faiths teach the way to perfect one's natural love but none teach that the Divine Love is available, let alone the way of living with the Love. We now have these teachings again and they will never be lost to humanity ever again.

“No founder of any race or sect has ever taught the New Birth, or the inflowing of the Divine Love in contradistinction to that of the natural love. And the teachings of Jesus are the only ones that reveal to man the existence of this Divine Love, and how to obtain it. Without the possession of this Love no spirit person can enter the Celestial Spheres – the Celestial Heavens” St James 25 September 1915

Oh, the wonderful opportunity that we have to share this awareness, the awareness of the availability of the greatest gift in all of the universes, not just Earth, everywhere. All one need do is ask! Ask ‘Big Daddy’ for His Love and you will receive a drop or many drops. It comes instantly. Not only that, after receiving the Love of the Mother and Father for some time, one begins to discern its entry through one's body into one's soul. It may feel as slight warmth around the heart area or around one's third eye, it will always be ever so gentle and beautiful. Over time one begins to realise that one's belief becomes a faith understanding, and then it evolves into a knowing with certainty of its presence and benefits.

**ASK!** **ASK!**  
**Ask!** **ASK!**  
**ASK!** **ASK!**

**Ask for, long for and receive our Parents' Divine Love.**

**The energy substance of Divine Love assist in releasing errors.**

**The Love will grow one's soul in radiance.**

**On the WINGS of a BUTTERFLY:** No 12, Traveller, an immortal journey, via Zara and Nicholas

Once upon a time there was a butterfly sitting with closed wings in a person's heart. This butterfly had been sitting with wings closed for a long time. The person couldn't figure out why they always felt a little sad. One day, this person asked another person why they feel sad. The response happened quickly and the person didn't like the response. It was said that perhaps your soul is sad. Several days passed and soon that person found themselves sitting by the sea. The sea has great longing to it. As the sun shone on a late spring day, the person thought about their soul and that perhaps, the person's remark was true, and that this person was a messenger of some sort. Suddenly a breeze swept through the beach and the person heard a distinct voice speak directly to him! The voice said, "Let your soul breathe in Divine Love." That was all the voice said.

The person didn't know what the Divine Love was or where it was, but now the sadness had greater longing so the person decided to breathe in the Divine Love and just like that – the closed wings of the butterfly opened and the person's sadness started to dissolve. Happiness will be mine the person thought upon feeling the Love and this will take time for me to learn how to live such happiness.

Never again, in the heart of that person, did the butterfly close its wings.

Traveller

It is the receiving of the Divine Love into one's soul that washes away harmful attributes and natures of one's personality. In this manner one's errors and sins are forgiven. It is the washing away of emotional errors that resolves one's compensation.

The great Love of our Heavenly Parents is ever waiting for one to ask to receive it. Even little children can ask and they will receive the Mother and Father's great Love. It is in this way that the child will grow up without fear. It is in this way of living with the Love from tender ages that the greatest quality of life and living flows gently upon the child and to all those around the child. The child becomes the example of how to live and demonstrates for all to see the gifts from the Mother and Father.

We live in a sea of Love. The Love energy is no further away from us than the tip of our nose. When longed for, the Love will be infused into our soul through the main chakras of our body, typically felt through the third eye chakra and/or the heart chakra. One's soul is permanently connected by cords of light with one's spirit body, the spirit body being the template for our physical body. The spirit body is often seen as the aura around one's physical body.

Share the joy, share the awareness of the availability of the gift and enjoy living a life of heaven here on Earth. It is by all the peoples of the world becoming aware of this great gift that a fearful life is replaced by a loving embrace and the world will prosper. Disharmony becomes displaced with the embrace of harmony and a striving endeavour to support and love all within one's community and elsewhere.

It is ever so simple that in its simplicity we fail to comprehend. There are no rituals, there are no dogmas, creeds, cannon laws, or authorities involved, this is simply a one on one communion between two, you and the Mother and Father. Enjoy the experiment.

## ***Violence is never Justified***

**Never is hatred, nor discord, nor war among men justified – no matter what the cause – and if men will only learn the Truth there will never exist such feelings or acts. Militarism is all wrong. Jesus 25 December 1915**

**WHAT MEN CAN DO TO ERADICATE WAR and EVIL FROM MEN'S SOULS:**

Received by James Padgett. Washington D.C.

24 December 1916

I am here, Jesus.

My mission on Earth was to show men the Way to the Father's Love, and to declare to them the Great Gift of this Love, and also to break down and destroy the erroneous beliefs and ignorance that then existed among men as what was necessary, in order to seek for and obtain this Love of the Father and their own salvation. And so far as the truths, moral or spiritual, which I taught, antagonized the false beliefs and practices of men, there was and necessarily would be a conflict in the thoughts and lives of those who followed me and those who persisted in their existing beliefs. To this extent I brought a sword into the world, but it was not the sword that called for bloodshed and murder and persecutions. It was the sword that pierced men's souls, where this great conflict should and must be fought to the end.

No nation can be more spiritual in its government or in its treatment of other nations, than are the individuals composing it, spiritual. The nation cannot be greater than or different from the individuals who control it, be such control centred in one or more individuals, or in a secular or religious head. The ruler, if he be not a real follower of me, although he may claim to be, cannot in his acts or deeds, attribute to me the results of the carrying into action his thoughts and desires and ambition.

The present wars are not due to my coming into the world as an iconoclast or destroyer of sin and error, but to the fact that men refused to be controlled or persuaded by my doctrines of peace, and acted because of the sin and evil desires and immoral ambition that they possessed and permitted to control them. The sword which I brought into the world did not cause these sinful and inhuman desires and ambitions to manifest themselves in the form of war and all the evils that follow it. No, these wars are not a part of my warfare or the plan of the Father to bring salvation to mankind.

The cause is this and only this: The exercise by men in control of the nations of their desires for increased power and territory and subjugation of nations, together with their sinful cravings for what they call glory and unsatisfied ambition. Had they understood my warfare, each of these men would have found his enemy in himself and no where else, and the greatest war would be a war of the soul and not the war of nations.

Each nation claims that its war is right and that God is on its side, and prays to that God to assist it in overcoming its enemies. But I want to say here, and it may astonish those who believe that if they conceive that they are in the right and pray to God for success that their prayers will be answered, that God hears only the prayers of the righteous, or of the sinner who prays for mercy and salvation. Never in all the history of mankind has God responded to the prayers of men or nations to assist in the destruction of other men or nations, and this, notwithstanding the accounts in the Old Testament of the many times that he was supposed to have helped the Jews to destroy their enemies.

If men, for a moment, will think that God is a God of Love and that all people are His children, the equal recipients of His Love and Care, they will realize that His Love would not permit Him to sacrifice the happiness or well being of one class of His children to satisfy the desires of revenge or hatred or outraged justice as they conceive it, of another class of His children. In all the beliefs of this kind, men have misconceived God and His Nature – with men, like other creatures, His powers are governed by God's immutable Laws, and those laws are no respectors of persons. Man was given a free will which he could exercise righteously or sinfully and God does not forcibly control such exercise, but the same exercised rightly or wrongly is subject to law, which imposes penalties or rewards according as the law is violated or obeyed.

These wars, which so many mortals believe and declare is a punishment inflicted on men because of their sins and disobedience – that is, that it was specially caused by God because of such condition of men – and some expounders of the Bible teach that it was prophesied centuries ago – these wars, I say, are solely the result of the sinful conditions and workings of men’s souls and thoughts, and the natural effect of the causes that men themselves created, and the exact workings of the laws that such causes brought into operation. And in a similar condition, where the same causes exist, laws will invariably operate, wars will occur and recur until the possibility of the causes cease to exist.

God never ceases to love and care for mankind and always He desires that men shall be happy and at one with Himself, and that they shall exercise their wills in accordance with His Will and His Laws; but just as certainly does He never by compulsion or force endeavour to compel men to exercise their wills in a manner that is not voluntary with them. Should He do this, men would cease to be the greatest of His Creation and incapable of giving Him that voluntary love and obedience which only is acceptable to Him.

But from what I have said, it must not be inferred that the Father is indifferent to men’s sufferings and the calamities that wars bring upon mankind, for He is not; and, if, in His Wisdom, He saw that it would be for the lasting good of the men who are engaged in the present wars, that He should intervene by the mere force of His Powers and end the wars, He would do so. But in that Wisdom He sees, that there is a good which men should have, greater and more eternal than their mere physical and material good, and that greater good cannot be obtained by them through His suddenly bringing these wars to an end without regard to their souls, and thoughts and desires. The law of compensation must work, as well for nations as for individuals, even though apparently the innocent suffer as well as the guilty.

On Earth, as men are now constituted – that is in their condition of sin and disobedience to the laws of their being – exact justice cannot be expected and is not received, because this justice is the subject of men’s dispensation and not that of God. A man is influenced by his desires, which in turn, control his will and results in his acts and deeds, which must of necessity, bring their results. These results can be avoided only by absence of deeds, and these by a different exercise of the will, and this, by the change of desire. So when a man so desires and wills, God will not set aside the law of compensation, and cause results to follow that are not the consequences of such desire and will.

But God is always willing that these evil results shall have no existence, and through the influence of His Love and Holy Spirit is calling men to learn the way to wholly prevent the possibility of these results coming to them, either as individuals or as nations. He has provided the Way and is teaching men the knowledge thereof, through and by which the causes that produce these harmful results may be utterly destroyed and prevented from ever arising to bring to them, the deplorable results such as are manifested in the present war.

God will not interfere by His mere fiat to cause the one side or the other of those who are engaged in these wars of bloodshed and carnage to become victorious. The law of compensation must work and as the leaders of the respective nations have sown so must the nations reap, and in this the innocent must suffer in this reaping, because as conditions are, the law could not work its fulfilment unless all within the scope of its workings should feel its operation. But the Father and the hosts of His angels and the spirits of men are working to bring these terrible catastrophes to an end. Believe that I am with you and love you and will sustain you in your desires to do my work.

Your brother and friend, Jesus

**Golden Rule: that one must always honour another’s will as one honours one’s own.**

**The Prayer for Divine Love**

(as given within the first century)

2 December 1916

**Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our false teachers would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.**

**That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.**

**We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.**

**Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.**

**Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.**

**Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.**

**We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.**

**We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.**

**Amen**

MoC

**LONGING for the LOVE:**

“Dear Creator, fill my soul with your great Essence, your Love Divine and I will walk this Path as your child, ever seeking to come closer to you, ever seeking to receive this wondrous Gift, ever seeking to open my eyes and my ears and my mind of the soul so that I may know truly and wondrously who You are, who I am and the wonderment that is your creation, Beloved Father. I am ready. I am willing. I have a deep desire to know, I have a deep desire within my soul to love and I want to love, Father, in all the ways that I am capable of and to be your channel of Love in this world, to bring the Light of your Love into this world, to be in this wondrous flow and harmony, to know this great joy, profound and deep, holy and joyous. Father, I am with you. Be with me within my soul. Be with me now”.

**The QUIET REVOLUTION of the SOUL:**

by Albert J Fike

[www.amazon.com](http://www.amazon.com)

A dry well cannot appear to be full. It must be primed and sustained with effort in order to keep it that way. The flame that is our innate ability to love must be kept strong and vital. Those who are spiritual seekers know this and keep their focus on stoking these fires and find a great deal of happiness in these pursuits. There are many challenges too as our human nature often blocks our desire to seek and express unconditional love. There are many religious and spiritual practices which attempt to teach us moral and spiritual truths. Spirituality, like most things outside of work life, is often done on the fly, if at all – a quick hit and then off to whatever is next on the list. A yoga class or a quick read of a book on spirituality might be all one has time for! The demands of every day life understandably take greater precedence and often it takes a crisis to bring us to a place of spiritual awakening. We may offer a quick prayer that is earnest but not focussed.

Often we don't know where to turn or how to begin. The path to enlightenment has many forks, twists and turns. It can be overwhelming and confusing. There are so many options that one often falls back to old beliefs taught at a young age. The problem is that, for many of us, these antiquated beliefs lack relevancy in our present lives. Hence we get stuck, wheels in a rut ... going nowhere. Yet many have a yearning for more, a sense that there is more to life and that desire to find out rarely gets met and will probably not disappear until we acknowledge our deep desire and need for spiritual connection.

God is love, unconditional and unrestricted. There is no greater truth than this. If you can accept that God exists somewhere outside of yourself and that there is a fundamental requirement to connect to this source through some form of communication and inner dialogue, you are getting closer to the possibility of filling yourself up with this endless source of Love. God listens, God responds to our sincere attempts to communicate in the form of prayer or even unspoken longing. That connection may be felt in many ways; as subtle as a breeze caressing your skin and as powerful as a full-fledged spiritual awakening. Most often the subtleties are too faint to be recognised and many miss the cues. A full-on revelation is a pretty rare occurrence. Yet with persistence we can know and feel God's Love for us. Divine Love is an actual energy which can be felt. The quality of this energy is different than any other love one may experience. After all, it is from The Divine Source. It is the essence of God, an emanation from the soul of God and that Love, like any universal energy, never fades or is ever destroyed, it is eternal because God, the Source Soul, is eternal.

Another great truth is that God wants us all to come to know this Love as a real thing and that it is expressly for each and every one of us. God, the Creator, made our souls for this purpose. They are designed to recognise and be the repositories of this Love, the Divine Love, and until we fill ourselves up with this Love, there will be an empty place within us as the soul remains unfulfilled.

Redemption and healing comes with Love; it is, a deep healing of the soul which is our true and core self that ultimately brings us into spiritual harmony and joy. The mind may seek resolution to our hurts but a soul filled with God's Love will never have to carry the burdens of life's egregious hurts and wrongdoings for long as they are shed and absorbed by the power of the Divine Touch. Freedom from our pain is just one aspect that comes with this blessing. Many more gifts accompany the Love of God. We gain a capacity to love ourselves and others through possessing this Love. Our hearts begin to open in profound ways and our perceptions of life changes radically as God's Love transforms us in every way.

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

**DIVINE LOVE DISSOLVES UNLOVING TENDENCIES:**

For man to be at-one with the Father, the Source Soul, man must become love; that is, his soul must be filled or permeated with this Love, the Divine Love, to such an extent, that it will become impossible for anything that is not of love to be or remain part of his soul. Paul 20 August 1915

But let men know that even while on Earth they can obtain this inflowing of the Holy Spirit in their hearts to such an extent that sin and error will be entirely eradicated.

There is only one thing that saves one from their sins and makes them at-one with the Father, and that is the inflowing of the Divine Love into their souls. As this Divine Love fills their souls, together with engaging in one's Feeling Healing, all sin and error must disappear.

Of course this is a relative matter, for it depends upon how much of this Divine Love is in their souls to determine how much of sin or error exists. The more of the Divine Love, the less of sin, and on the contrary, the more of sin the less of the Divine Love. But, I want to say with all the emphasis that I am capable of, that it is possible for a human being to obtain such a quantity of this Divine Love in his soul that sin will be entirely eradicated. This was the doctrine taught by Jesus, and this is the truth of God's law of Love.

The foundation truth is that the Divine Love of the Father can clear our souls from all sins, and make us perfect, to the extent that we receive that Love into our souls.

It is the Holy Spirit which conveys God's Love to man and manifests its workings in a real and irresistible manner and with this Love we are enabled to become over-comers and inheritors of immortality and homes in the Celestial heavens. Paul 31 August 1915

Where love is there can be no sin or unhappiness, and fear is not.

We, who live in the Celestial Spheres, know this to be a fact, and with all the force and authority that knowledge gives, we declare this truth: the love that casts out all fear is the Divine Love of the Father, and when a spirit or human being obtains that, there exists no such thing as fear, and nothing that could create or permit fear to exist.

God wants the souls of men in love and not in fear, and the only way in which such end can be accomplished is for men to see and know Him as a God of Love only. No man can come to the Father except through this New Birth and faith in the Father's Love. Andrew 17 September 1915

It is the Divine Love, with Feeling Healing, that slowly but permanently eradicates harmful attitudes, beliefs and practices that one may have gathered along their journey of living. It is only with this Love that erroneous ways are expunged from one's nature and character. This is the great gift to humanity that few are aware of.

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

*“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD*

## **DIVINE LOVE BLENDS WITH NATURAL LOVE:**

One cannot receive Divine Love unless they have Natural Love! Divine Love perfects one's natural love.

If you do not have Natural Love you do not exist! One's natural love is a unique variation of the humanness that each of us is. Our natural love soul is our personality, our intelligence, our memory and all those aspects that make us a loving free will endowed individual. Of the one trillion or so individual souls that will individualise on Earth, we each are unique. Not only are we unique on Earth, no other soul throughout all of the universes is the same as any one of us.

That is the incredible nature of our natural love soul, within this energy comes the potential for courage, neutrality, willingness, acceptance, reason, love, joy, peace and enlightenment in varying amounts. These are the Source Souls gifts within our soul's structure. It is when we embrace these loving aspects we are then embracing the Father's will.

We are also all creators, so we have created pride, anger, desire, fear, grief, apathy, guilt and shame; and subsequently encrusted our always beautiful soul with these man-made attributes. When we engage with these emotions we are embracing free will and stepping away from the Father's will, His way.

We are individuals because we are of the energy substance called natural love, we being our souls.

Divine Love is uniform in every aspect. Divine Love is an energy substance that is 10 to 100 times more powerful than natural love, however, it is uniform. If our essence was only of the Divine Love we would all be clones – identical with each and every one another. The Divine Love is available for us to perfect our natural love and make our soul complete.

Divine Love blends wonderfully perfectly with natural love. That is the plan. The plan is for us to travel along struggle street and get to the high end of town with our self reliance, or to embrace the super juice of the Source Soul and journey into the stratospheres of wonderment, beauty and incredible love.

The light golden blue energy substance of Divine Love progressively blends with the natural love energy that is the foundation of one's soul. Before embracing the Father's Love, one's soul typically is encrusted with man-made emotional injuries, encrusting and darkening the soul.

One is not exclusive to the other. The Divine Love when added to our soul and blended with the natural love progressively brings about a diminishment and ultimately a total eradication of the man-made embellishments of our negative emotions. Further, it then goes on to enhance all of the loving natural love gifts that are within us since the creation of our soul and further develops their natures. It is only with the blending of Divine Love within our soul that we can shed unloving man-made emotions and then grow into our potentialities. It is the presence of Divine Love that ultimately impedes us from engaging in harmful man-made ways and emotions. Oh what a wonderful gift from the Father, should we so ask for it!

**The New Way: Learning how to live true to ourselves by living true to our feelings.**

There are only two Loves – the Natural Love and the Divine Love – and only the Divine Love can bestow into a mortal soul that quality of Immortality that enables a soul to live with our Mother and Father in at-onement in the Celestial Heaven and then to progress beyond those glorious realms.

The way the Divine Love works in a mortal soul is so practical that it takes us some time to see this truth. One's natural love is slowly perfected by the presence of the Divine Love in one's soul. As more and more of the Divine Love is asked for and received, progressively, more and more of one's man-made erroneous beliefs and emotional errors are resolved and dissolved by the light golden blue energy substance, the Divine Love.

When we earnestly and lovingly ask for Divine Love, the Divine Love is added to our soul, thus we steadily and progressively become complete in our being.

“The differences between what are regarded as two paths, the Natural Love Path and the Divine Love Path, is, essentially, the amount of Divine Love that beings have been able to acquire.”

Celestial Spirit Richard 22 December 2012

We never lose our natural love, we perfect it and blend it with the Divine Love. Divine Love, once received, never diminishes, it is forever self-replenishing. We can continually ask and receive more and more of the Love, there are no limits to its availability and how much we can receive into our soul.

Divine Love is a wonderful transformative element and the most wonderful in the universe but it will not actively overcome the Free Will of man. Each one must pay great heed to their own heart and their true care of themselves and of others.

The guidance to love one's neighbour and oneself is perhaps the most difficult to observe during one's existence on Earth as it is abundantly apparent that this is rarely done to the fullest degree. The world is full of discord and war and greed. Even with all of this, it is possible for an individual to engage to live in accord with this guidance, with humility and acceptance, and to succeed in this endeavour one is greatly aided by embracing the Love and living a life with the Love, the Father's Divine Love.

**Soul expands as it grows in love and condition.**

**Natural love has a limit to its development.**

**The first two personalities typify the condition and vibrancy of natural love and self reliance. The awakening to Divine Love can achieve rapid growth in vibrancy and growth beyond comprehension.**

# FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing ourselves to feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE  
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR  
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING  
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU  
FEEL, THINK AND ARE.

**Release one's pain through expressing one's feelings.**

**Longing for the Truth when also longing for Divine Love.**

## Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

**Please Mother and Father** help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

**Please Mother and Father** help me see the truth of myself through my feelings.

**Please my beloved Heavenly Parents**, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

**Please Mother and Father**, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

**Please Mother and Father help me**, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

**Please Mother and Father love me**. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

**Please make me feel how unloving I am**. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

**The mind way is the 'dead' way; the feelings way is the 'alive' way.**

### Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

**Please God** show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

**Heavenly Mother and Father**, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

**Please Mother and Father** fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

**I hate you Mother and Father;** why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

**I long for Your Divine Love** Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

**The New Way, Feelings First Spirituality**

*Feelings First Spirituality, New Feelings Way*, is based on living true to our self through our feelings. Understanding that all we need in life is contained within our soul and is shown to us through our feelings. And by loving our feelings, by attending to them properly (talking or writing them out of us) and not denying them, we can use them to uncover the truth of our self – the truth of our soul.

*Feelings First Spirituality* is not telling us how to be, that is too controlling and is actually bad for us, limiting your spiritual growth. We can be wholly self-revealing of the truths we need to be, being the person God created us to be, all by living true to our feelings.

*Feelings First Spirituality* has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

*Living the New Way of Feelings First Spirituality*

We come to the understanding from our life experiences that how we are is not right, it doesn't make us feel good – that we are wrong in some way. And we want to change our self, we want to become right, true and perfect – we want to be like God is.

*And to do this you need to do your Healing*

Our Feeling-Healing is looking to our feelings for the truth of our self, the truth being hidden in many of the feelings we are not wanting to face in life. So we have to end our feeling denial, accepting all our bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show us.

Or, we can do our Soul-Healing; which is our Feeling-Healing, together with including longing directly to God for God's Divine Love. When we receive the Divine Love into our soul, it will cause our soul to become divine, and it will deepen our personal relationship with God. Long with all our heart to God for God's Divine Love.

# Feelings First Spirituality

## The New Way

**Feelings First**  
**FF**  
**Feeling Free**

The New Way, Feelings First Spirituality  
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings  
 Free your feelings from your mind's control  
 Live true to your feelings; your feelings are your true self  
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.  
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,  
 BAD feelings.  
 Want to understand why you're feeling them.  
 Use your surface feelings to take you deeper into your repressed and  
 hidden feelings.

The Feeling Way is the True Way.  
Your feelings are your spiritual guide.  
Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True 'religion' for humanity.  
It embraces all people.  
It completely unifies the world.

Everyone can relate to everyone else through their feelings.  
And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.  
No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled religions. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one’s feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God’s Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we’ve all been wrongly led to believe.

**Feelings First; then comes The Truth; then comes Love.**

## **REVELATION 1**

The availability of Divine Love, should we so ask for it, being revelation 1:

God's Divine Love: Pray for it, ask for it, and receive it.

Whilst we are receiving our Heavenly Parent's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way the Father is actually loving us! When we progress, it is the Father's way of loving us into love and then we live what we are, love.

## **REVELATION 2**

The way to clear one's soul of childhood errors and injuries is revelation 2:

To liberate one's real self, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Release one's pain through expressing one's feelings.

Longing for the Truth when also longing for Divine Love.

### NATURAL LOVE BLENDS PERFECTLY WITH DIVINE LOVE:

Both are energies. Natural Love energy forms each soul and each individual soul is unique. Our personality, intelligence, memory, and humanistic characteristics are unique. It is our gift of free will that tends to enable us to error, however, it is the uniform nature of Divine Love and Feeling Healing that brings about our growth and release of man-made negativities.

- G. It is with the blending of the Natural Love with the Divine Love that fits a person to become at one with our Mother and Father and to enter the Celestial Heavens.

**NEW HEART:**

Only by asking for and receiving the gift of the cleansing energy substance, the Love of our Heavenly Parents and engaging in one's Feeling Healing, does one peel off man-made injurious beliefs and habits and go on to evolve in the love which we are.

The Way to our Mother and Father is only through prayer to Them for Their Divine Love which, on being conveyed into the human soul by the agency of the Holy Spirit, and with Feeling Healing, effects the elimination in the soul of those accretions and tendencies at odds with the purity of the soul, and brings about, above all, the transformation of that soul into a divine soul, the abode wherein the essence of God dwells in mankind, and bringing the kingdom of God to whomsoever that personality may be.

This transformation of the human soul into a Divine Soul is through prayer to our Heavenly Parents for Their Love, and embracing Feeling Healing, thus bringing about the New Heart. The New Heart is the transformation of soul brought about by God's Divine Love.

**DIVINE LOVE TEACHINGS are MULTI-FAITH and for ALL FAITHS:**

The beautiful gift of the Mother and Father's Love, the Divine Love, is available to all, no matter what one's soul condition maybe or what one's beliefs are. The Love is given to everyone who longs for the gift and asks for it. There are no boundaries or conditions other than the necessity to ask for the Love. The great gift is filtered through one's spirit body into the soul by the instrument known as the Holy Spirit. This light golden blue energy substance blends with one's natural love and progressively assists in the peeling off of negative emotional issues and erroneous beliefs through one's Feeling Healing process, bringing about great happiness and fitting the personality to enter the Celestial Heavens.

Long and pray for Divine Love also for the Truth of you feelings, and together they will loosen the errors / injuries / unhealed / denied trapped and/or inherited emotions through one's Feeling Healing process, resulting in a flowing out of these negative embellishments within one's soul as Divine Love flows in – Divine Love being the greatest gift in all the universe.

## WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

**HUM:** Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

**AVO:** We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

**J&M:** We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

**M&F:** Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

**WE ARE Children of God**

**WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:**

**GOD**

**M&F**

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.  
We are to long for the truth of what we are feeling.  
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

**J&M**

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

**By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

**AVO**

**HUM**

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

**WE ARE Children of God**

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

## HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

## The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

- 1. **Our MOTHER and FATHER (God) (MF) – Divine Love**  
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
- 2. **ETERNAL SON (ES) – Divine Truth**
- 3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

- 1. **MARY M and JESUS (MF) – Love – the Living Truth**
- 2. **DIVINE MINISTER (DM) – Mind (and her Holy Spirit)**
- 3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

- 1. **AVONAL SOULMATE PAIR – the Feeling Healing process – incarnate**
- 2. **DAYNAL – TEACHER PAIRS – they do not incarnate**

So in summary:

Consider a diamond:

as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

**CREATION of SOUL and SPIRIT:**

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

Feeling Pathway

Mind Pathway

Soulmate Pair

Angel

Spirit Person

Nature Spirit

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

**WE EACH have a Nature Spirit pair, Spirit Guide pair and an Angelic Pair:**

**For those doing their Healing or are interested in doing it will** from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about ‘sharing’ the same angels or guides or nature spirits, it is about you relating specifically to your ‘own’ ones because they are provided for YOU. It’s all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it’s the same of course in life with your friends, however over there, in spirit, dealing with Nature Spirits, Spirit Guides, and Angels, it’s more personal and private and ‘JUST FOR YOU’. So we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain’t going to be assigned to anyone else, so she won’t be sharing herself around.

This is SO IMPORTANT to understand so that in future there won’t be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is all they are speaking with.

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their soulmate relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit Mansion Worlds, however, our Angelic pair continue with us for eternity.

**Feelings first**

**There are 100,000 MICHAEL soulmate pairs as REGENTS throughout our SUPER-UNIVERSE:**

One of these 100,000 dots represents Nebadon, our local universe, consisting of 100 constellations with each constellation containing 100 systems which in turn have 1,000 worlds. The system in which Earth is within is called Satania.

Nebadon has some 10,000,000 physical planets, of which 3,840,101 are inhabited. The regents of Nebadon are the soulmate pair being the Paradise Creator pair, Mary and Jesus.

This structure is repeated throughout our super-universe, called Orvoton, 100,000 times. There are some 100,000 Regent pairs, equivalent to Mary and Jesus, throughout our super-universe.

There are 7 super-universes that rotate around the Isle of Paradise which is the home of our Heavenly Parents, our Mother and Father. Thus, there are some 700,000 Regent pairs equivalent to Mary and Jesus.

When we progress beyond the spirit Mansion Worlds, we enter the first of the three Celestial spheres, the home city being Jerusem, this is also the home city for all 1,000 physical worlds in Satania. From there we will progress to Salvington being the head quarters for Nebadon and the home of Mary and Jesus. Then we progress to Paradise.

## JOURNEY of HUMANITY into and through the GREAT U-TURN:

Humanity reaching its most evilness, the most lost, the most separation of soulmates. Humanity can begin its Healing. The Great U-Turn begins, the dawning of the Spiritual Age.

Humanity increasing its self- and feeling- denial, its denial of truth. Soulmates getting further apart. Rebellion then Default

Present Day

The true Healing of humanity. Humanity Healing itself by doing its Feeling-Healing and Soul-Healing with Divine Love. Soulmates getting closer together as people express all their feelings more truly.

The Great U-Turn will bring about the Ages of Light and Life.

First soulmate pair – Andon and Fonta

The last humans, the last soul partner pair on Earth.

Lucifer & Satan

Adam & Eve

Rebellion leaders are now removed

Jurisdiction of humanity and spirit worlds is now with Celestial Spirits.

It begins!

**This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

**Feelings First**, you can be sure about that! **Once women get that message and start living it, then the tide will really change**, with men either deciding to support them by looking to their own feelings or being left on the outer wondering what the fuss is all about.

The feminine light is going to sweep through humanity and purge it of all the yuk and darkness, helping to bring the whole of humanity back into a nurturing loving mother state of being, from which the supportive, caring father can support her and together they can make the world great again, they can bring humanity up into its natural love perfection whilst at the same time offer those people who want to spiritually grow the truths of how to embrace the Divine Love and move on to the Celestial level.

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**  
(Passage in blue calibrates on the Map of Consciousness at 1,500)

## DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULD IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

## PERSONALITY

**Our soul is the centre of our personality.  
We are children of our Heavenly Parents.  
Our soul manifests a male and  
female personality - it is a duplex!**

**FEELINGS FIRST because OUR FEELINGS are always IN TRUTH!**

It is through our feelings that we connect and communicate with our Heavenly Mother and Father. It is Their Truths that we feel. This is our pathway to freedom, to a joyous existence, a way of living that is so wonderfully light, in as much as our steps forward are always with ease and a true expression of our real personality.

Feelings First is a way of living that liberates all that is unreachable via our minds.

Never before in the history of humanity have the keys to our way to our Heavenly Parents been so clearly demonstrated and provided to us. Now, in the year 2018, we have been provided with the way to liberate our true personality.

We are to embrace our feelings, our soul based feelings, and through them we will find our freedom, and within this freedom we will find the way to heal ourselves of all our repression and suppression, most stemming from our forming years, our childhood from conception through to around the age of six years.

Oh the wonders of becoming superkids. That is, to begin to naturally express ourselves, that being truly the personality of who we are, the personality vested upon us by our Heavenly Mother and Father.

As emotional feelings begin to emerge, we are to long for the truth behind such feelings, both good and bad. It is the longing for the truth of our feelings that has been ignored by us for all these centuries. Instead we have subjected ourselves to our minds that cannot discern truth.

As we shed the encrustment of errors and injuries imposed upon us by the misbeliefs of our physical parents, we can ask for and receive our Heavenly Parents' Love, Their Divine Love, and in this way we will begin to divine ourselves, leading us to the Celestial Heavens.

# Arvonal Revelation

- We are to live Feelings First.
- We've been made to use our mind to live against many of our feelings.
- Our mind control commences at conception and is developed through our childhood.
- All the bad feelings we didn't express as we were growing up are still repressed inside us.
- And all such hidden, buried and unwanted feelings have to come out.
- And whilst they remain repressed within us, they will continue to make us feel bad and unloved.
- We get sick, depressed, suffer, have bad things happen to us because of our repressed childhood feelings.
- Humanity was brought into this state of living against itself by higher rebellious spirits.
- These Evil Ones caused the Rebellion and Default.
- We are made to rebel by default – as we have no idea we're doing it through our parenting in wrongness.
- We are all parented unlovingly – against ourselves, against our will.
- Some parenting in the wrongness is done with more love, yet it's all still wrong.
- To heal this unloving state within ourselves we have to do our Healing.
- Our Healing is our Feeling-Healing or Soul-Healing with the Divine Love.
- We can long to God for Their Divine Love, and this will help us with our Healing.
- God is our Heavenly Mother and Father, the Feminine Aspects of God having been kept hidden from us by the Evil Spirits.
- All humanity's religions and spiritual systems are designed to keep the wrongness going, to keep us away from God.
- Only by living The New Way, Feelings First Spirituality can you become right, and truly find God.
- Long for the Divine Love.
- Long for the Truth of your Feelings.
- Accepting all you feel is accepting all of yourself, it's your greatest act of self-love.
- And wanting to know the truth of your feelings, is your next greatest act of self-love.
- Love yourself through your feeling-acceptance, and the Truth will set you Free!

## U-TURN for HUMANITY:

### Why are we doing a U-Turn?

We are doing a U-Turn **because** the year 2017 heralded the end of the Rebellion and Default. For two hundred thousand years, humanity has been going in the wrong direction.

### What is this fundamental step that will change our way of living?

We are to come to understand / know the foundational cause of all our feelings, both good and bad. As we explore and investigate our feelings, each time they arise, one by one, we are to talk them through, express them to a companion or friend or anyone who will listen. As we express them, while at the same time coming to understand how they have come about, we will find that they will be resolved and that they will not come up again.

We will find that all of our feelings / emotions have their foundations from our childhood. And by childhood, that is from the time of one's conception all the way through to about the age of six. It is the repression of our childhood feelings that is the base or foundational cause of each and every one of our adult personality issues, pains, difficulties, illnesses and distressful life experiences.

**We have to see the whole truth of our negative or self-denial state, before we can heal it and be free of it.**

The vital difference between **emotions** and **feelings** is:

- emotions have their roots in the past,
- feelings relate to the present moment,
- emotions represent feelings not previously expressed,
- and these accumulate over time.

Many emotional clearing processes encourage us to look into our feelings, however, none go so far as to drill down into the core foundation of any emotional feeling to the point that we strive to KNOW the core issue, the origin of the feeling, be it good or bad, and actually come to know what it is!

The *Journey Process* is generally known worldwide. It stops short of longing to know, that is asking for the knowing of the events that brought about such a feeling. Yes, we are to acknowledge the feeling, say being angry. Then accept that behind that anger is the feeling of being small, and then look at the underlying reason of why we are feeling small. What is the truth behind that feeling? Ask our Heavenly Parents what is behind all of this feeling. What is the foundation, the origin of the feeling? All the time talking it out, expressing it, with a friend. The expressing of the experience is the release of the emotion / feeling, this is what removes it for ever from within our essence, our **soul**.

### Why ask our Heavenly Parents? I thought God was just God – singular?

This is part of the revealings that have been unfolding for us very recently – that is – since 2002.

We are made in the image of God. This has been understood for centuries, for 2,000 years. Our soul is duplex. Our soul expresses itself through two personalities. One soul 'subdivides' into two, one half

**Feeling  
Healing with  
Divine Love is  
the key!**

always being female and the other half always being male. We are a reflection of how God is. God being one Soul is expressed as Mother and Father. God is two personalities. They are soulmates. And each of us has a soulmate, and our soulmate is always of the opposite sex, because the Mother and Father are the opposite sex.

Thus, when we long for the truth behind a feeling, then we can long to our Heavenly Mother and Father. Only they can tell us. No spirit personality can tell us. No canonised saint can tell us, we may as well ask our next door neighbour. That would be just as productive. Mary and Jesus can't tell us, as they are also spirit personalities.

### **I was taught that Jesus was God? And what is this about Mary?**

Mary of Magdalene and Jesus of Nazareth were both born free from sin. Neither of them are God. They are both children of God, just like you and me.

History needs to be corrected. Both Jesus of Nazareth and Mary of Magdalene became at one (At-One) with our Heavenly Mother and Father during their physical lives here on Earth in the first century; Jesus in the year 26CE and Mary in the year 33CE, or thereabouts. Jesus died aged 35 (born 7BC died 29CE), and Mary died aged 47 or 48 (born 2BC died 47CE).

Further, their sojourn on Earth was the completion of their process to become the full Regents of the sector of planets that is referred to as Nebadon. The region within our super-universe that is referred to as Nebadon contains 3.8 million inhabited planets. If you look into the night sky, each star / sun potentially has between none to three inhabited planets within its orbit. Within Nebadon, the soulmate pair, namely Mary and Jesus, are our Spiritual Teachers of Truth. Their domain is all 3.8 million physical planets plus their associated spirit worlds. Each physical world has seven associated spirit worlds, which is the case for Earth being one of the 37 that have rebelled.

Some 200,000 years ago, Lucifer with his soulmate and his deputy, Satan with his soulmate, brought about a rebellion on 37 of the inhabited planets within the region called Satania, one of the local universal systems of Nebadon. Earth compounded the situation through the Default of Adam and Eve about 38,000 years ago. Thus the population of Earth, being in the worst condition through the Rebellion and Default, became the location for Mary and Jesus to have their physical experience to complete their ascendancy to full Regency of the local universal system being Nebadon.

Their lives on Earth was the start of the unravelling of the Rebellion and Default. Upon Jesus becoming At-One with our Mother and Father, he was then vested with the authority and power to have the Lucifers and Satans arrested, and they now reside exiled within a prison world.

Notice that there were no records of Jesus and Mary's teachings and experiences made during their physical life. That was because they did not specifically come here for us, they came for the benefit of all peoples of all planets and spirit worlds throughout Nebadon.

As they are Paradise descending spirits, they have **Spirits of Truth**. Upon Mary and Jesus' death, they released their Spirits of Truth. As spirits, Jesus and Mary are how we will be, once we've finished our Soul Healing. They can only be in one place at any one time. However, it is their Spirits of Truth throughout Nebadon that we can connect with for guidance. It is through their Spirits of Truth that spirit personalities can progress through and out of Nebadon.

Those planets that have Rebelled need further assistance, and they need it on a localised manner. This can only be provided by another bestowal of a **Paradise Pair**, and that is in the form and manner of an **Avonal soulmate pair** who come here specifically for us.

### **What is the purpose of an Avonal pair, and are they here on Earth?**

Unlike Jesus and Mary who were always free from sin and did not experience how to heal themselves, the Avonal pair are to experience all of the extremes of evilness and then proceed to heal themselves. Mary and Jesus through their bestowal on Earth ended the Lucifers spiritual rebellion in Nebadon; the Avonals bestowal is primarily concerned with ending the Default of Adam and Eve by the Avonals themselves personally healing the effects of such a damaging Fall.

The soulmate Avonal pair are to be, and have been, subjected to the extremes of childhood suppression and repression, and then, through their Feeling Healing, are experiencing all the facets of emerging truth as they slowly progress through a protracted and difficult healing process. As they reach specific milestones, this also enables those in the Celestial Heavens, (the three worlds where Celestials reside) to be empowered to assist us in the physical on Earth.

The first considered milestone was the arresting and imprisonment of the Caligastia soulmate pair and the Daligastia soulmate pair. After the arrest of the Lucifers and Satans in the first century, as nothing further occurred, the Caligastias and Daligastias continued on from spirit as if they were kings and queens, suppressing all of humanity and with plans to take over the universe. It was possibly in the early 1990s that they were 'judged', and 'removed'. They were caught unaware that an Avonal bestowal pair were on Earth.

### **How is all this becoming known? Has Jesus and Mary communicated directly to Earth?**

Unlike in the first century, when no records were kept (as the event related to all of Nebadon and it was actually setting the stage for the Avonal bestowal pair to arrive on Earth), every effort to retain records in great detail of this current series of events is now being attended to. Consider this. The New Testament of the Bible is some 300 pages. The records of the Second Coming, which this is, the primary records are possibly 6,000 pages, with direct complementary records increasing that to over 10,000 pages and with all the supplementary records to date, there may be as many as 40,000 pages, certainly well over 30,000 pages of material presently.

Jesus directly communicated through James Padgett from 1914 to 1923. Mary of Magdalene (Mary M) has directly communicated through James Moncrief from 2002 and is ongoing. Jesus has also communicated directly through James Moncrief. Neither have ever directly communicated through any one else, however, some Celestial Spirit personalities have provided information through other personalities on Earth with the support and approval of Jesus and Mary, thus some confusion, though the quality of the information is very reliable.

### **You say this is the Second Coming? You say I am living during the time of the Second Coming?**

Yes you are. And it's more than that. This is the Second Coming, the End Times and the Handover!

In fulfilment of the prophecy in the first century, the Second Coming commenced on 31 May 1914 through the writings with James Padgett and concluded in 2014 through the writings with James Moncrief.

The End Times are well advanced. Mary and Jesus are well advanced in handing over their direct involvement with Earth to those within the Celestial Heavens. When this is completed, the Handover will also occur. **The Hand Over is to the Avonal Bestowal pair** and it is they who will guide the population on Earth through their Feeling Healing processes for the next 1,000 years, being the next spiritual age. The Handover will take place after the Avonal pair complete their personal Healing of the Rebellion and Default. Then will follow with their Spirits of Truth being officially liberated in alignment with Mary M and Jesus' Spirits of Truth upon their death.

Major events have occurred with the progression of the Avonal pair's Feeling Healing, which they are also doing whilst embracing our Heavenly Parents' Divine Love, thus they are doing their Soul Healing.

Early 1990s:	The arrest of the Caligastia and Daligastia soulmate pairs.
22 March 2017:	Negative spirit influence was blocked.
31 March 2017:	Angel assisted healing will become available upon the Avonal pair completing their own Feeling Healing, being with Divine Love, thus it being Soul Healing.
22 May 2017:	Law of Compensation quickening.
2 December 2017:	Psychic Barriers maintaining the Rebellion and Default were cracked.
8 December 2017:	Bring on the money to <b>'house the future of humanity'</b> .
31 January 2018:	Earth and the seven associated Mansion Worlds (including the two Earth planes) are <b>officially</b> now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default.

**How does this all fit into our future way of living?**

**This time, in the history of humanity, is the most exciting time ever experienced.**

**The whole human race is suffering from repressed childhood and mind control.**

Through one's Feeling Healing, and should we embrace our Heavenly Parents' Divine Love, then with their Love we are doing our Soul Healing, and eventually we can live totally in accordance with our soul base feelings and live free from error – no more fear and no more physical illnesses is possible!

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

Our soul is always perfect. In fact, we are the complete package. All that we need to know is within our soul. This knowledge has been denied from us since the time of the Rebellion and compounded by the Default. That is what was brought upon us by the Lucifers and his cohorts. We have always been meant to live true to our soul based feelings but we were taught to embrace our error riddled mind – this was aided by our parents – unknowingly all parents have taught their children to be mind dominant. **This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

“Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **Feelings** guide us through our **ascension of truth**. So they are really our Supreme Guides. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feeling is really: **Longing for the truth of our self, because: we are our feelings**. So life stirs up

our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.”

Kevin of the 1<sup>st</sup> Celestial Heaven 26 September 2017

(Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.)

It is through the assistance of the Spirits of Truth of the Avonal Pair, upon the completion of their Soul Healing, that we will be guided through our Feeling Healing process, and should we embrace our Mother and Father’s Divine Love, then our Soul Healing.

Then should we embrace Mary and Jesus as our Spiritual Teachers of Truth, their Spirits of Truth will lead us on the path through the Celestial Heavens where we will certainly meet up with our soulmate and join our soulgroup, which will eventually consist of twelve soulmate pairs. Then as a soulgroup, the Spirits of Truth of Mary and Jesus will lead us up through and out of Nebadon towards Paradise.

It is then our Mother and Father in Paradise who draw us to them and we will eventually meet our Heavenly Parents.

Meanwhile, while we live on Earth, we will have assistance and guidance previously denied to us throughout the era of the Rebellion and Default. Under the Contract controlling and managing the Rebellion and Default, the powers and capabilities of our Celestial Heaven spirit personalities, all three worlds of them, were heavily restricted and almost of no assistance to us at all. Further, Nature Spirits and our Angels were heavily denied contact with us physical people because of the Rebellion and Default, all of which is soon to change, so we can look directly to them for help concerning healing ourselves and understanding all aspects of nature.

As we embrace our Feeling Healing, Celestial spirits will and can greatly assist us. In fact, during the year of 2017 they have blocked all mind spirits from the Natural Love Mansion Worlds: 1, 2, 4 and 6 from interfering with us. Celestials have taken control of all facets of living and life on Earth. Celestials are those spirit who have completed their Feeling Healing and progressed through Divine Love Mansion Worlds 3, 5 and 7 and now live in the higher Celestial Heavens, 1, 2 and 3 (when we become At One with our Heavenly Parents then we leave the Mansion Worlds and progress through the next three spheres related to Earth, hence the Celestial Heavens are also referred to as being numbered 8, 9 and 10).

The Nature Spirits of Earth, who live in the third Earth plane, can now directly interact with those who are embracing their Feeling Healing. Nature Spirits are essentially ‘angels in waiting’. They have been on Earth prior to anything that we now see living in nature. When they first started to arrive, there was no life in the seas or on land. They have consequently witnessed everything that has happened on Earth, including all prior human civilisations that we continue to largely remain ignorant of. Their knowledge and assistance is of great importance to us. We are to interact with them on an ever increasing scale. They are to become an invaluable source of information for us concerning how we are best to live with nature.

Further, we may become more aware of our **Indwelling Spirit**, which arrives for each of us during our sixth year, as we now progress with our Feeling Healing, or with Divine Love, our Soul Healing.

And all of this is possible as we embrace our Feeling Healing process, acknowledge and accept the Avonal pair, acknowledge and accept our Spiritual Teachers of Truth, namely Mary and Jesus, and more importantly, grow to love our Heavenly Parents, our true Mother and Father.

We do not need intermediaries, rituals, liturgy, dogmas, creeds, fancy clothing, or institutions. It is our soul based feelings and expressions that we may exchange directly with our Heavenly Parents. Groups may form to assist each other, and that is our choice and within our free will.

**This is the greatest event in the history of humanity.**

This is the Great U-Turn that humanity will embrace throughout the next 1,000 years. MoC 1,480

GEMS for ALL PEOPLE of all AGES to EMBRACE:

The GOLDEN AGE!

***Cause No Harm*** < to OTHERS  
to MYSELF

**Strive to love others as I am to love myself**

At any time, any where, and in any way you so please:

Approach our Heavenly Parents, in reverence, without fear or trepidation, just as we, as a child, approach our earthly parents knowing that open loving arms are extended to receive us at all times. As one's love grows for our Mother and Father in the Heavens, we come to know with absolute clarity and certainty that our Heavenly Parents, loves you and me and everyone in return, at all times, and that fear is an illusion created by man's mind.

God, who is our Heavenly Mother and Father, is almighty, all powerful, infinite, and all loving. The love of the Heavenly Parents for Their children, man, has been and is always infinite and ever present. As one's faith evolves, one's love for our Heavenly Parents will have no limit. As we grow in Their love, so will we grow in love for all of God's creations and our fellow man.

The Source Soul, our Heavenly Parents, simply desires for us to ask for Their Love.

God's Divine Love: Pray for it, ask for it, and receive it.

"I love you Father." "Let the Divine Love flow its energy into my soul."

"Mother Father, I desire your Love and I am loving you."

"Soul God, I love you and I love receiving and experiencing your Divine Love."

"True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul."

"Please Father and Mother, may I receive Your LOVE."

Maybe we could simply long for and ask:

*Please, Father, I want some more of your Love!*

**Strive to love others as I am to love myself**

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

**Divine Love  
is the key!**

### DIVINE LOVE RE-INTRODUCED:

James E Padgett was tasked with the receiving and writing of the commencement of the teachings and guidance which are recognised as the Second Coming of Jesus of Nazareth. The commencement of these writings was on 31 May 1914 and continue. The major revelations by Jesus and Mary are through James Moncrief and will conclude these works of more than 10,000 pages that outline what was not recorded in the first century as well as addressing the major errors in what was then recorded.

### Holy Bible from the Ancient Eastern Text

The Dr George Lamsa's version of the Bible, taken from the Peshitta Aramaic ancient records, is said to be the most accurate. The writing down of the scriptures commenced several decades after the death of Jesus, however, those original writings were heavily influenced by the prevailing Jewish religious practices and the lack of awareness of the availability of Divine Love and what it is was, resulting in these teachings being omitted. Only Apostle John understood the Love. Neither John the Baptist nor Apostle Paul were aware of Divine Love during their life times.

James Padgett and James Moncrief are the major records to consider. These works represent the greatest event in the history of humanity and convey the greatest gift to all of mankind, our Heavenly Parents' Divine Love, and the process of Feeling Healing.
