SPIRIT MANSION WORLDS' ROAD MAP

Note from Graham:
Hi James

I have been thinking of the Mansion Worlds lately and some of the different things that have been said from time to time are blowing my tiny mind.

So you have the Divine Love Mansion Worlds and Mind Mansion Worlds. As you progress on either pathway you go to a higher number mansion.

Divine Love spirits ascend the Mansion Worlds as they uncover the truth and heal themselves of error. Spiritually they are ascending.

The Divine Love spirits ascend by growing in truth, which as you say, is doing their Healing. They are bringing all their repressed feelings out and looking for the truth of them.

Mind Mansion World spirits progress up the mind Mansion Worlds, but apparently they are moving further from the truth. It seems they are transcending spiritually.

The mind spirits are moving up by denying their feelings more, using their mind to have increasing control over themselves. In theory they are seeking to perfect their Natural love, however because they are in rebellion, rebelling against themselves – the truth of their own feelings, so they are doing all they can to *perfect* their *imperfect* Natural love. So they transcend by using their mind to bury their truth, preventing themselves from ascending.

What are they learning which has them progressing? It seems they are not doing any feeling healing. Are they learning anything that contributes to their ascension? If they suddenly learn of the healing and Divine Love path, would they switch to a high Divine Love Mansion World? So would a spirit in 6 just jump to 7?

From what I understand, a 6 would go back to the first or possibly third world to begin their Healing. Then work their way back up the Healing Divine Love Mansion Worlds. However because of some of what they've done by getting to 6 might help them with their Healing... or it might make it even harder – I don't know.

I understand it's difficult to understand, however we have to all live all 7 Mansion Worlds. And they are basically Natural love worlds. When the Divine Love is available, then that comes in at some point and changes us into being divine. As to when that happens depends on the age or phase humanity is in. It's even more confusing Graham, I'd have to sit down and work it all through with you or write a thesis as such.

Anyway, how I look at it is, through all the 7 worlds we are growing in self-awareness about our Natural love. So from the most gross selfish on the lower levels to the most unselfish on the higher levels. So how to live respecting yourself. And as you respect yourself then how you respect another person. So learning all the moral stuff, and more. So how you express yourself in every second and feeling and thinking moment of your relationships, with yourself and other people. So by the high 7 you are fully aware of all the minute intricacies of how you treat yourself and the other person or creature lovingly. And all through your feelings with your mind as backup and understanding.

It's all about personality interactions. So when I go to the sink and use the knife Marion has been using without asking her if she has finished with it, my just taking over from her and not considering her, thereby making her feel bad – what is wrong in that interaction, in that expression of myself with her – in our relationship? She will feel bad – why: what am I doing to her by not considering her, not fully respecting her; where is the love; is my intention unloving, and if so, why – how do we both feel about it? And it's all got to be sorted out. All through feelings and not only the mind, and all giving rise to truth. Then once the truth is revealed, then you live it. So then with that truth I will live fully respecting Marion and not taking her for granted, not being disrespectful and so on, all because I fully respect myself having healed myself of being that way because my parents disrespected me. It all boils down to not being a self-centred selfish prick.

And this really is our spiritual growth – uncovering the truth of love. And living that truth.

So our Healing is about showing us how unloving we are, so all the millions of ways we're being selfish pricks. All breaking down the mind control and living with real humility.

The mind worlds currently are all about PRETENDING to be loving, pretending not to be a selfish prick, putting on a good false show of it, even though you might be very aware, up to the 6 level and believing you are fully humble and respecting yourself and the other person; but you're not, because you're heavily deluding yourself.

So if you went into the Healing worlds, you'd then have to face the truth that you are seeing it all the wrong way round, and some people will be able to accept that faster than others. So they will just need to turn around all their six worlds, whilst at the same time, bringing to light and expressing all their repressed childhood stuff, so the truths can come to light of how they've got it, but got it all round the wrong way.

So the mind worlds are what we've all been parented in, the authorities saying we have to learn using our mind how to love one another and ourselves. We are taught good manners, what we can and can't say, how to behave civilly and loving and all the rest. And so the mind worlds are just more of that, all the way up to guru status where you believe you've got a handle on it all, with your mind in complete control of your feelings. So your mind would never allow you to swear, oh no, god forbid, you have to BE ALL-LOVING, by putting on the learnt loving act. And you've convinced yourself that you're feeling oh so loving, so full of love for your brothers and sisters and all that stuff, when really when you to let it all go and get stuck into your repressed childhood feelings, possibly the first round of feelings you'd feel are FUCK YOU, I hate you, it's all about me, me, me, me, all what you wanted to say to your controlling parents.

[Is there any logic we can understand from an Earth perspective or is it too complex?](#)

So we can see it in our own lives because we're all living our Mansion World experience as we're on Earth. So all the mind ways of 'bettering' yourself are working your way up the mind worlds. And

every step you do in looking to your feelings, expressing them and bringing to light more truth about why you're feeling them, is moving up the Healing worlds. And then as you do your Healing, so you can include the Divine Love or not.

And the beauty is, we are NOT to do it with our minds. So you just commit yourself to following your feelings when you are ready, and they will take you through all the levels step by step. And in your relationships, with yourself, your parents, God, nature, your family and friends, as you bring out all your pain and unexpressed yuk, so how you relate and interact changes, with you slowly understanding where you are going wrong – where, how and why you weren't loving. And then we're not to make ourselves become more loving, for that is falling back into the mind side, but we're to just stay true to our feelings and the truth will change us. We naturally grow and evolve, we perfect our Natural love and divine our soul, if we're also longing for the Divine Love. And gradually by the time we become Celestial we know how to live lovingly, which means, we'll just naturally be truly all-loving. So how we treat ourselves, everyone else, God, will be truly loving, and from the heart and soul, and not a contrived false love of the mind.

So when we're true and perfect of Natural love, and then have also fully embraced the Divine Love that has transformed our Natural love, then we fuse with our divine and perfect Indwelling Spirit, thereby forevermore being loving and true. We can't then rebel, we're too strongly perfect. And then we're allowed out of the Mansion Worlds, which are really probationary worlds, because we're divinely loving and of a level of truth that means we'll respect lovingly ourselves and everyone else in Creation at that level, so all the other spirits and angels, without ever being the unloving horrors that currently we are.

And that's for ourselves individually, and then the whole of humanity is to evolve up the seven worlds too. So John is going to set up the whole system for humanity to begin its true ascension of truth, using the truths now contained within his Pascas Papers. All money permitting – all of which is, or will be, the will of our Mother and Father. If They want it that way, then the dough will flow. But when They want it to, will be when the time is right.

And using that information, people will be able to start to look to themselves, through their very own feelings, for the truth of how God and their own soul wants them to live. And we've all got to find out that truth for ourselves. I'm only outlining it based on Marion's and my Healing. All so people can gain something of an idea that is different to all the untruth. And so everyone can decide if they want to really help themselves. And if they do, and if John becomes money-empowered, then he will set up different ways for people to be able to have access to that truth and places and systems that will help them do their Healing.

And if no money ever comes, then the Mother and Father, should They want the truth put out there, will reveal a different way. However for the time being, it's all focused on you guys up North (south-east Queensland, Australia).

And it won't even matter if you fully understand it all or not, so you don't have to sweat it out about any of that, you only have to want to be involved for yourself, all to help your own understanding for when you want to do your Healing. So all you have to do is keep doing what you want to do in it.

There is a massive spiritual light growing about it all, all thanks to you know who upstairs who just happens to be John's Nanna. So people who come into that light are going to be ready for some aspect of it, and those who aren't will be repulsed by it – they will reject it and so reject you and I. You guys,

and because of that – Pascas, because it's your creation and you're choosing to 'house the truth of the Healing' within it, will carry that light. So it's the Healing Way, and because you've also included the Divine Love, so Pascas is the Divine Love Mansion Worlds – that is, it will 'Earth' them, or they will be 'earthed' within it. And all the rest will remain as it is, of the mind Mansion Worlds, even including all the Divine Love people who refuse to do or acknowledge their Healing. And if the light gets fully turned on, there's going to be a division of humanity: you are either with it or you're not; which will equate to: you want to remain in your mind delusion furthering your truth and feeling denial; or you're going to want to start doing something about ending that and crossing the line into the Feeling Way.

SPIRIT MANSION WORLDS' ROAD MAP UNFOLDING:

JOURNEY of HUMANITY into and through the GREAT U-TURN:

Humanity reaching its most evilness, the most lost, the most separation of soulmates. Humanity can begin its Healing. The Great U-Turn begins, the dawning of the Spiritual Age.

Nearly one million years ago, a quantum evolutionary jump occurred through Andon and Fonta, also known as Aman and Amon. They were the first to have a longing for and return to our Heavenly Parents. They were ensouled and through their souls they also had a higher intelligence and greater communication abilities – speech – and in this way they were greatly different to their parents, siblings, aunts and uncles, and cousins. They were not exclusively that of nature, which are mind orientated, they were the first to engage with their feelings and the desire to find truth.

The life force of all aspects of nature only incarnates into the physical once. Upon death, their life force joins with the collective to continue on in their evolution as nature spirits, and later as angels.

We, ensouled humanity, also only incarnate into the physical once. Then we evolve through perfecting our natural love and divining our soul through asking for and receiving Divine Love.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

Nature Spirit

Although humanity has always had the ability to ask for and receive our Heavenly Parents' Divine Love, it was not available to us until a bestowal pair came to Earth and made it available. This took place in the early part of the first century with the coming of Mary Magdalene and Jesus.

Up until the first century, humanity's journey could only continue in the spirit world in the natural love mind Mansion Worlds numbered 1, 2, 4 and 6. Even now we all pass into the 1st natural love spirit world or sphere following the death of our physical body.

For the years following Andon and Fonta, our first parents, humanity was consciously connected and supported by their assigned nature spirit pair and angelic pair. As a consequence of the Rebellion instigated by the Lucifer pair and assisted by the Satan pair, the nature spirits and angels withdrew their support and guidance. Lucifer, in conjunction with Satan, seduced the naïve populations of 37 worlds to believe that through their minds they were all powerful, thus rejecting our Heavenly Parents. The Rebellion was later followed by the Default by Adam and Eve, thus Earth became unique in that the population had and has been subjected to a Rebellion and Default whereas the balance of the 37 involved worlds had only rebelled.

Meanwhile the spirit populations of the Mansion Worlds continued to build up – now in excess of some 200 billion spirit personalities. They are crammed into Mansion Worlds 1 and 2 with a small number having progressed into worlds 4 and 6. These spirit personalities are unaware of the Feeling Healing process and of the availability of Divine Love.

Following Mary and Jesus' bestowal on Earth, they completed their ascendancy to being full regency of all of Nebadon, this region of our universe which involves some 3,840,101 inhabited physical worlds, including the 37 that have been seduced by Lucifer and had rebelled. Further, Mary and Jesus ascendancy opened the way for spirit personalities from throughout Nebadon to progress and find their way out of Nebadon and progress towards Paradise, the home of our Heavenly Mother and Father. Without the release of Mary and Jesus' Spirits of Truth to assist all spirit personalities throughout Nebadon, they would have remained within Nebadon.

Further, Jesus immediately upon his death opened the Divine Love healing / crying Mansion Worlds 3, 5 and 7. Following his death, a very small group of natural love spirits who had followed Jesus while he was on Earth, were able to enter the 3rd Divine Love world / sphere. Mary, after Jesus' death, while she living in Egypt, began to introduce women to their Feeling Healing. Five of these women were the first to enter the 3rd healing world and progressed through 3, 5 and 7 and subsequently to the 1st of the 3 celestial heavens. These five women attracted their soulmates / soul partners to follow. From these very small numbers, those becoming aware of Feeling Healing have slowly and progressively expanded.

Those who progressed and completed their healing, frequently visited the natural love worlds, principally 1 and 2, and introduced the possibility of healing and progression to the Celestial Heavens. This has been slow due to the fact that when a spirit followed the guidance they immediately went to the 3rd sphere, thus no one was left behind to convey the news. This was in compliance with the universal contract governing the Rebellion and Default. That is how it has been for 2,000 years, up until 31 January 2018!

The introduction of the Feeling Healing process to humanity in the physical here on Earth has, in stages, brought an end to the universal contract, being the end of the Rebellion and Default. On 22 March 2017, the influence over humanity by mind spirits from worlds 1, 2, 4 and 6 was blocked. On 31 January 2018 management of the future of humanity was then vested into the hands of Celestial Spirits, those in spirit worlds numbered 8, 9 and 10, being the three Celestial Heavens.

We are now in a transitional phase. The prophecy of the second coming of Jesus and Mary has been fulfilled. The Second Coming commenced on 31 May 1914 and completed in 2014. We are now within the End Times. The End Times are the conclusion of the direct involvement by Mary and Jesus with humanity on Earth. This is working its way through and involved the handing over to the Celestial Spirits which formally took place on 31 January 2018.

The End Times will conclude with the Hand Over. That will take place when the Avonal Pair who are physically living here on Earth die, return to Paradise to report to our Heavenly Parents and then return to release their Spirits of Truth to work with the Spirits of Truth of Jesus and Mary. It is the Avonal Pair's experience in completing their Feeling Healing and becoming at one with our Heavenly Parents while physically living here on Earth. The Avonal Pair will have the capability to guide humanity for the next 1,000 years because they completed their healing here on Earth. This is the true being of the the next spiritual age.

Transitional Phase:

Presently, prior to the handover, sectors are being established within the natural love mind Mansion Worlds 1, 2, 4 and 6 for those who do not presently embrace the Divine Love of our Heavenly Parents, to progress through while doing their Feeling Healing. This will be in stark contrast to those who are not engaged in their Feeling Healing and are endeavouring to progress through their mind, which is essentially going in the wrong direction – perfecting one's mind rather than one's soul and embracing God.

Thus, they will be able to progress up through the mind Mansion Worlds while engaging with their Feeling Healing and should they embrace Divine Love, move across to the appropriate Divine Love Mansion World. This facilitation is important so as to be able to convey to those within the various mind worlds the Feeling Healing process and what it entails in greater visibility than previously.

Further, for those on Earth who engage in Feeling Healing with the exclusion of Divine Love, they will be able to continue where they have left off in the appropriate mind Mansion World, at the time of death of their physical body.

The coming Spiritual Age is for a duration of 1,000 years. At the completion of this Spiritual Age, it is anticipated that the population of Earth will have put the remnants of the Rebellion and Default behind it and that they will then engage with their progression in a similar manner to those of the non-rebellious worlds. In conformity with all worlds, one then sets about perfecting their natural love and then embrace our Heavenly Parents' Divine Love to transition to the Celestial Heavens. In other words the availability of Divine Love will be withdrawn until one has completed their healing.

Thus, for the coming millennium the way to progress will be multi-faceted with some engaging in their Feeling Healing to the exclusion of Divine Love while others embrace Divine Love with Feeling Healing with variations in timing of stepping from one pathway to the other. This is also possible while living in the physical as well as in spirit. This will continue until the end of the emerging Spiritual Age and continue until Earth enters the pathway that is presently engaged by all the non-rebellious worlds of Nebadon, which is to be at the end of this coming age.

Celestial Heaven:

The Celestial Heaven consists of three spheres, Jerusem is the home city of the first of these worlds. Those who have completed their soul healing and become at one with our Heavenly Parents arrive upon

the Sea of Glass on this world from 1,000 other physical worlds. Humanity from Earth is only one of one thousand worlds that progress through our Celestial Heavens.

Those who have been involved in Jesus and Mary's engagement with Earth, particularly from the first century, have presently moved on beyond the Celestial Heavens thus disengaging with any involvement with Earth. That is particularly the case for Mary, Jesus' mother. She is no longer within Nebadon and un-contactable. You can retire your Rosary Beads as Mother Mary can no longer hear you. Similarly for all the 'saints' and Apostles. Our first parents, Andon and Fonta, have also moved on through and out of Nebadon. The five ladies that Mary Magdalene assisted while here on Earth were in the first soulgroup to leave Nebadon. Those now within the Celestial Heavens are those who have arrived over the past 100 years or so, they will continue to be involved with Earth for the next 1,000 years as they are to be responsible for the emerging Spiritual Age that will follow on from the release of the Spirits of Truth of the Avonal Pair.

Summation by Zarina:

'Humanity long ago was interrupted in its natural spirit growth by higher spirits that were overseeing its development who decided they knew better than God. They rebelled – Fell – and corrupted people on Earth into believing the same thing. And so we're all born into the world in a fallen or corrupted state. And mostly we live that by denying many of our feelings based on how our parents treated us.

'And our Healing is the ending of that corruption, healing ourselves of the Fall, of being wrong, evil, bad, untrue, whatever you want to call it, which involves allowing yourself to use your feelings to uncover their truth, which is the truth of yourself. Really, if we want to spiritually grow, we are to use our feelings and not our mind like most people have wrongly been led to believe – that all being part of the denial of the truth that comes naturally from our feelings, which is part of our corruption.

'There is life on other planets, however we won't have anything to do with them. We're quarantined here on Earth because of the Fall, so it's just us people and all nature about us, and that's more than enough. And because we're all going in the wrong direction, so we've got a lot of healing to do, a long way to come back to being the natural people we should be. And we need to do all that ourselves, so without interference from people from other planets.'

Sage 3 – Zarina by James Moncrief

The experience, guidance, and support is now openly available to all of humanity. The structures and pathways have now been created. We now have the opportunity to heal ourselves, and through our healing, our soul based feelings and natural intelligence will increasingly be self expressing, thus opening the way to higher standards of living. Eventually this will lead to the interaction with life on other planets. Until humanity heals itself, we are living on a probationary world that will remain quarantined while we find our true selves through Feelings First.

OUR GUIDANCE to PARADISE, the home of our HEAVENLY PARENTS:

There are three distinct phases of our progression to the home of our Heavenly Parents which is Paradise that is within the circle of seven Super Universes, each containing many Local Universes.

Once we progress beyond our Local Universe of Nabadon, then we are assisted and guided by our Heavenly Parents, our true Mother and Father all the way home to Paradise.

Before then, once we have completed our soul healing, we are guided through the Celestial Heaven worlds which are those that interact with humanity on Earth, then further on into and then out through Nabadon, our Local Universe. The regents of Nabadon are Mary and Jesus.

However, before then, we are to embrace our healing. That is, we are to realise who we truly are. We are not the personalities that our parents imposed upon us. We are to put aside our childhood suppression and repression and free our true personality that our Heavenly Parents gave us, and to do this we are now able to embrace the guidance of the Avonal Pair who will lead us through our healing here on Earth and through the Spirit Mansion Worlds to be able to enter the Celestial Heavens.

The New Way: Learning how to live true to ourselves by living true to our feelings.

HIERARCHY of our SPIRITUAL GUIDANCE:

Our Heavenly Mother and Father permanently reside within Paradise, an island stationary world surrounded by Havona, in the centre of seven Super Universes.

Our Heavenly Mother and Father, being one soul manifesting two personalities bring about the creation of:

Creator daughters and sons – Michaels

Magisterial daughters and sons – Avonals

Trinity Teacher daughter and sons – Daynals – and others.

The Michaels and Avonals have Spirits of Truth to be released to assist the humanities on their assigned inhabited worlds.

Each Super Universe consists of 100,000 Local Universes.

Each Local Universe is overseen by a Creator daughter and son, our local universe is called Nebadon and Jesus and Mary Magdalene are the Michael pair and regents.

A local universe consists of 10,000,000 inhabitable worlds of which 3,840,101 are inhabited within local universe Nebadon.

A local universe consists of 100 constellations which is made up of 100 systems. Each system has 1,000 inhabitable worlds. The system that Earth is in is Satania and 619 worlds are inhabited.

Emanating from within the Local Universes are Melchizedek, Vorondadek, Lanonandek, Material and Life-Carrier pairs. None have spirits of truth – they are not from Paradise.

From within the Lanonandeks, assigned to oversee the system Satania, which includes Earth (Urantia) were the Lucifer, Satan, Caligastia and Daligastia soulmate pairs, who rebelled. Further, Adam and Eve, the Material son and daughter, defaulted because of the Rebellion. All failed in their assignments, causing us (humanity on Earth) to be spiritually misled for 200,000 years – that is why we are all ‘insane’!

Earth has had five higher spirit physical bestowals:

Daligastia soulmate pair being Lanonandeks

Adam and Eve soulmate pair Material son and daughter

Machiventa Melchizedek soulmate pair

Creator daughter and son – Jesus and Mary Magdalene

Avonal daughter and son who are yet to commence their public ministry.

Why did the Lanonandek Daughters and Sons rebel? Being the Lucifers, Satans, Caligastias and Daligastias soulmate / soul partner pairs. James Moncrief Monday, 12 November 2018

Re The Urantia Book (TUB): there are various orders of Paradise Descending Daughters and Sons. (NB: TUB only refers to the masculine so doesn't include Daughters.) The Descending Daughters and Sons descend or step down from Paradise to reach out and 'down' to the Ascending mortals – men and women on the evolutionary worlds, who are reaching out and 'up' to Paradise and for such help from the descending spirit pairs. Ascending mortal pairs (soulmates / soul partners) cannot by themselves ascend to Paradise, how to do that is not 'encoded' in their soul. So they need higher help and guidance from the descending pairs. So if people don't have this higher help they will never spiritually and physically progress very far. And if this higher help goes haywire, people are stuffed until other higher help comes to rescue them.

One such Descending Pair, the Creator Pair, comes out from Paradise to a section of space when it is ready for them – Mary M (Magdalene) and Jesus in our case; and in union with the Divine Minister, create, or 'bring into being' a Local Universe – Nebadon. Mary and Jesus then attend to the whole (local) universe, with Avonal Descending Paradise Pairs coming as required to the individual earth worlds to ensure and initiate the spiritual changing of the ages that is needed to advance the spiritual development of mortals in accordance with the Paradise Plan.

Part of the Creation of Nebadon includes the creation of Local Universal Descending Daughters and Sons that hold key positions on individual worlds and oversee larger areas or sections of the Nebadon. With the Lanonandeks being these key administrators, guides, overseers, who are the ones that ensure the ascending mortals of each world are given what they need in accordance with the unfolding phases of their evolution, as well as providing the necessary Mansion World structures and organisation of the Celestial spheres, the greater part of Nebadon, all so mortals of the evolutionary worlds can find their way up and in through the Local Universe so as to set out on their greater spiritual journey through the Super Universe and Central Universe to Paradise. The Lanonandeks make sure all the parts work as they are intended to do, with the Melchizedeks being more involved with the ongoing teaching and personal education of mortals about all things through the Local Universe.

The Lucifers, Satans, Caligastias and Daligastias are all Lanonandek pairs.

The Lucifers were the overseers of this sector – System – of Nebadon that includes Earth – Urantia. The Satans were to help the Lucifers, being the main liaison pair with the Caligastias (The Planetary Prince and Princess) who oversaw Earth directly from spirit, and the Daligastias being physically materialised on Earth so as to oversee and help evolve the local races of Earth on all levels, the practical physical and spiritual, this being how it was five hundred thousand years ago. And for three hundred thousand years, everything went well.

The whole of Creation thus far is one gigantic Ascending mortal scheme – The Ascension Scheme. So everything in it works to help slowly evolve humanity along the plans designed for them by the Descending Pairs and the Mother and Father, with the idea to evolve through ongoing self-expression the people from all the earths up through the Mansion Worlds and into the Celestial spheres and on through and out of Nebadon. So if anything goes wrong in any level of the universe then it causes problems for the mortals who are wanting to ascend.

The Lucifers were outstanding members of their Order. However according to TUB (if I remember correctly), they were passed over when they applied to oversee certain parts of Nebadon – and so why did that happen??? Then finally they got their chance. As to why they rebelled – it is said their egos, their self-importance, grew, and they weren't able to control it. They were seduced by some inner need

for greater power – but why did that happen? And is it just like everything else, there is variation in all things and so they went the way of rebelling against Mary and Jesus and the Mother and Father. And not being of a higher Paradise Order, they are more prone to being seduced by their inner biases, whereas supposedly Paradise Descending Daughters and Sons are too perfect, being of Paradise origin, and so wouldn't or even can't, rebel. And Avonal Pairs can willingly take on rebellion, but that's their choice and they are not technically rebelling or defaulting, they needing to do this so they can heal themselves of the Wrongness thereby liberating the world of rebellion, and in our cases, also default. Which means, providing people and spirits in the Mansion Worlds, their Spirits of Truth, so everyone in a rebellious state can look to them instead of the Evil Ones, the rebellious Lanonandeks, for the way out of rebellion and onto Paradise.

The Evil Ones took over their part of Neadon, Mary and Jesus allowed them to, allowing the Rebellion and subsequent Default on Earth to run its course. However it continues to cause masses of disruptions to the natural way of things, all of which we've been and continue to be subjected to.

So because humanity for two hundred thousand years has been increasingly subjected to the Rebellion and then also the Default of Eve and Adam (Material daughter and son), we are well and truly entrenched in the unconscious belief that the Evil Ones are the Gods, and that we're to look to them for the way to be happy and feel loved – that they are the Living Truth. And yet, as we can all see from our own lives when we start to address our bad feelings, this is wrong, false and misleading, only making us feel even more unhappy, unloved and powerless in our negative truth-denying state and being unable to do anything about it – because ascending mortals are not able to go against the higher Daughters and Sons. So without humanity knowing it, we have been praying to the Evil Ones as if they are God, even with people who pray to Jesus, praying to a mind-created fantasy Jesus and not the real one, as can be seen by the Evil Ones strategically denying humanity the truth of the Divine Love, with our need to long for it being excluded from the Bible and not found in any other rebellion-created religion.

Mary and Jesus being the highest Paradise Pair, by their coming to Earth, terminated the System Rebellion of the Lucifers and Satans. So that level of evil influence on all the rebellious physical worlds ended two thousand years ago. And then it's required for each world to be attended to by a bestowal Avonal Pair, who take on the evilness of that world and heal it within themselves, thereby ending the control in our case of the Caligastias and Daligastias soul partners, which has now apparently happened, with the Avonal Pair only to finish their Healing so as to signal the complete technical end of the Rebellion and Default.

So their – the Avonal pair – Healing involves dealing with the Rebellion and Default within themselves on all levels, so people and the mind Mansion World spirits can then choose to follow them and do their Healing. So by following the Avonal Pair you are going against the Evil Ones (currently it being their legacy within you and on the world), looking to end their negative, unloving and untrue influences within yourself. And once done, you become a Celestial, either on Earth or in the Celestial spheres, and free to align yourself with Mary and Jesus, which is done by partaking of the Divine Love, and free to live your ascension to Paradise – free to become at-one with your Mother and Father.

We're all living the demented levels of the demented minds of the four Lanonandek pairs that rebelled. And as we do our Healing, so we come to see how fucked they are, as we see how fucked we are; how they passed that fuckedness onto us through our parents, how we've become so tangled up in our Wrongness, not knowing what is true – we live untruth believing it's true, we feel false love believing it's true love. We're all around the wrong way, deeply mixed up, and needing to do our Spiritual Healing to get ourselves out of our sinful and evil ways, so as to come back into alignment with the Truth. So all that we are has to go, and we're to uncover a whole New Way on all levels, personally and how to live, as we liberate ourselves from our dementedness.

With the Evil Lanonandeks no longer at large, having been detained on a prison world awaiting judgement as to what will happen to them, so the Melchizedeks stepped in taking over their positions. I don't know why other Lanonandeks weren't appointed, however I guess it's because of the damage done by the Rebellion, we who are here and part of it have to deal with it ourselves, so no outsiders other than Mary and Jesus and the Avonal Pair being from Paradise that can override that limitation.

And the Melchizedeks have enlisted the Celestial spirits help. So together, they now in effect play the roles of the Lanonandeks. And so as the Avonals progressively heal themselves, thereby liberating humanity from the dictates of the Rebellion and Default, so the Celestials are being given increasing power and authority to do what the Lanonandeks would have done. So the Rebellion on a positive note is providing the Celestial spirits with unique opportunities as part of their ascension, as we hear from Helen and Nanna Beth. And I would imagine, people who finish their Healing and become Celestials on Earth will also in some way be given extraordinary opportunities as well, all of which will involve some level of healing the world and doing what the Lanonandeks and Eve and Adam should have done. Even to the point of Celestials on Earth who have children, will in some way be like the new 'Eves and Adams' populating the world with perfect and true children, all who are completely free of the Rebellion and Default.

And what happens to the Evil Ones? I imagine they will have to undergo a long period of Compensation experiencing the pain they caused all the people and angels who were under their care. And after that, if they are not extinguished outright, possibly they might be rehabilitated to some degree; however as TUB suggests, without ever receiving the power they once had. However, as all works out for the best and ultimately is all-loving, it will be fascinating to see through our own lives how all the pain we've been made to suffer ends up helping us and being the best thing for us.

And one last thing to note, had there been no Rebellion or Default, then here on Earth we'd still have now the Daligastias as well as Eve and Adam, still helping people grow and evolve on all levels. Still being the higher Daughters and Sons that we can look to – knowing that we're not alone, that we are being looked after and loved and that a greater life of ascension awaits us. And we would by now know of the Caligastias and all the help they would be providing on the higher spiritual levels, as well as the help they would be giving mortal spirits in the Mansion Worlds. And we would know of the Satans and Lucifers and all the help they were providing on the System level. And we've understood that in a way these higher Daughters and Sons are like mini gods to us, yet not our Heavenly Mother and Father. And they would be pointing us towards Mary and Jesus helping us understand that they are the Creator Pair, and here we live in their universe of Nabadon, and that all they are doing for and with us is to help us evolve and grow on all levels as we look to our feelings for our truth we are to live as we express the personalities from our souls on our way through Nabadon and onto Paradise. It all being a perfectly unified and loving experience for us. We being able to see the higher Daughter and Son as in the Daligastias and the Material Pair, Eve and Adam, who would be for us the perfect humans that we could strive to be like. So we would want to be perfect in our humanness like Eve and Adam, and perfect in our spiritualness like the Daligastias. With both pairs showing us that we can be both perfect on the material and physical level, as we can be on the spiritual level. Which is completely the opposite of how we've been made to live, because all of that perfection has been denied us, with our being so screwed up about how we are to live both materially – physically and spiritually – we having no idea about either, and with them working fully in opposition to each other. And with our longing for and wanting the Truth, the truth of how we're to live physically and spiritually, all of which is to come (and ONLY come) through each of us individually and as a consequence of properly attending to and expressing ALL we feel.

Rebellion and Default MIND-Created false soulmate:

Female soulmate
Unsuccessful
marriage to fantasy
untrue man

Being in rebellion by default, all our relationships are untrue and based on fantasies and erroneous beliefs of our mind. These relationships formed through the mind, are at best, temporary, and will ultimately end. They are false soulmate relationships.

Male soulmate
Unsuccessful
marriage to fantasy
untrue woman

Eternal soulmate marriage between a man and a woman only takes place for those that fully heal themselves of the imposts of the Rebellion and Default. Through longing for the truth behind all our feelings (both good and bad), we can begin to live true to our feelings. And once healed, and reaching a Celestial Soul Condition, through our true feelings we find our soulmate / soul partner, our true companion for all eternity.

Relationships formed through the minds of couples who are unhealed are temporary!

We should incarnate as One soul – expressing Two personalities – soulmates / soul partners, a woman and man – the perfect union for all eternity.

We incarnate into Rebellion by Default against this.

We live in denial of the truth of ourselves – the truth of our soul.

We look for our soulmate / soul partner, however it's the 'other half' of our fantasy mind. It's all an illusion, false – the imperfect union. It can't possibly ever be perfect, it's doomed for destruction. No false and untrue union is eternal.

We project this mind-fantasy soulmate onto our partner. We mistakenly believe they are our soulmate, our true other half, yet they are at best only the other half of our mind-contrived soulmate belief. These relationships never last. They are a moment, a glance of hope, a one night stand, a relationship short or long term, marriage with children, lasting until we die and possibly carrying on in the mind worlds in spirit, but doomed to extinction. If your marriage is 'successful', it's just that you manage to fit your false mind fantasy that you are soulmates, well enough to last a little while longer than most who are 'unsuccessful'.

We are to heal our untruth, fantasy, mind-generated false soulmate. By bringing it out so we can understand how and why we're created it and what we expect, long for, hope, it will give us – all the love our parents didn't give us. We want out fantasy mind-created false soulmate to fill all the holes in us, to unconditionally love us, to never reprimand, criticise, judge, curse, hate, disrespect and make us feel bad – only to love us and make us always feel good – to take all our pain away.

The ultimate mind panacea.

We are to heal the need for creating such a wrong thing.

We are to live true to all our pain and feelings of powerlessness and utter devastation of not having anyone who loves us and we can love, because we weren't loved and aren't loving. And once we understand it all, we are then to come to terms with the fact that all our relationships are false and will end.

And that one day, then we are ready to let go of our falseness, we will change into becoming the opposite – truly loving and truly loved, with no more holes that need to be filled in. So our mind can

stop being our chosen soulmate / soul partner and saviour, it can stop being our substitute Mother and Father, and we can live true to our feelings, enjoying our true soulmate, the one God has provided for us.

As we give it up becoming of a Celestial truth, we meet our true soulmate / soul partner, she/he having healed her/his untrue mind-fantasy soulmate, thereby becoming true soulmates, free to live happily and lovingly forevermore – a truly successful relationship and eternal union.

'What God has joined together let no man put asunder'

SOUL PARTNER / SOULMATE:

SOUL:

The Real You is your soul, you are one 'half' of that soul.

Each half of the original soul incarnates a spirit and physical body simultaneously, they being connected. The soul expresses each of its two personalities as a woman and man. True soulmates are always of the opposite sex.

Sexuality is an attribute of the two personalities the soul expresses; the soul itself does not know sexuality.

The soul connects to the two spirit bodies it has created by 'golden cords' of light; and the spirit body is in turn connected to the physical body by 'silver cords' of light.

The spirit body is your astral body. The etheric is really the body that is the template for the physical and one that doesn't hold consciousness.

The soul remains invisible to the spirit and physical bodies, only being discernible by its luminosity through the spirit body.

95%+ of humanity currently are within the 1st sphere of development.

Crossover

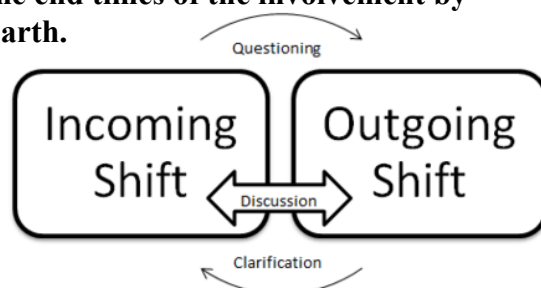

This time, in the history of humanity, is the most exciting time ever experienced.

the Handover

This is the time that man is now able to evolve in its spiritual development. Man has endured 200,000 years of Rebellion and compounded this with the Default of some 38,000 years, now it has been provided with the guidance to put aside the negativities of the Rebellion and Default.

With the guidance that was provided through James Padgett (1914 through to 1923), man became again aware of the availability of Divine Love from our Heavenly Parents. This also heralded the handover. That is, the commencement of the end times of the involvement by Mary and Jesus in the spiritual affairs of humanity on Earth.

Soul groups that have been in place during Mary and Jesus' 2,000 year involvement with Earth have progressively handed over to soul groups that have been forming since 100 years ago. The older soul groups have mostly progressed on further towards Paradise.

The second revelation, that followed from the availability of Divine Love, is the processes of Feeling Healing and Soul Healing. The understanding of the Feeling Healing process is the most important of the revelations and should have been the first to be revealed. Feeling Healing and Soul Healing are being revealed through and by Marion and James Moncrief.

The soulmate pair, that are the first to complete their Soul Healing, and upon their deaths, they will release their Spirits of Truth which will unify with the Spirits of Truths of Mary and Jesus so that humanity, in whole, will have access to these knowings and guidance for the next 1,000 years.

Mary and Jesus, being responsible for the spiritual wellbeing and upliftment of the whole of Nebadon, are to withdraw from their direct involvement with Earth and hand over the responsibilities to an Avonal Pair who take individual responsibility for the spiritual wellbeing and upliftment of individual planets and their associated mansion worlds, in this case, Earth exclusively.

COUNCIL *of* ELDERS

For the next 1,000 years, via the Avonal Pair and the newly forming Soul Groups, Earth will be able to evolve through embracing Feeling Healing, and with Divine Love, one's Soul Healing. These newly formed Soul Groups are effectively 'Council of Elders' to assist humans living in the physical on Earth to enable all to be aware of the way to evolve.

With the absolute end of the Rebellion, this is the first time in 200,000 years that mankind, humanity, can take control of his and her destiny and evolve in love and truth for all eternity!

Throughout this coming era, our spiritual leaders will be an Avonal Pair, yet to be identified.

**DIVINE LOVE does not TRANSFORM one's SOUL
FEELING HEALING is what TRANSFORMS one's SOUL**

The Divine Love does transform our soul from Natural love into Divine Love. It's our Feeling Healing that 'transforms' or heals our erroneous expression of Natural love. We have to 'heal' and so perfect our Natural love, so it can then be transformed by the Divine Love.

Divine Love does not even begin the real work of transforming one's soul, for those who focus upon receiving Divine Love to the exclusion of embracing one's Feeling Healing, they are just expanding their mind's control over themselves. Should this be one's passion, then upon passing into the spirit Mansion Worlds they will find that they can continue along this path all from within the Divine Love followers segment within the first natural love Mansion World! Yes, only from within the first natural love Mansion World.

Most of humanity on Earth are not wanting to face the very truth their feelings are making them feel every day of their life. So if they want to keep living in the spirit Mansion Worlds as they did on Earth, in complete denial of their feelings and the truth they are to shown about their wrongness, they can.

However, for those who have embraced Divine Love and begin to engage in their Feeling Healing process to begin the transformation of their soul, they will be able to sense the Divine Love already within their soul 'driving them on'. One's understanding and adjusting will be changing rapidly to that of embracing all about the Healing and doing it – all being supported by the Divine Love that one may have received previously. All one may have done with the Divine Love may make their introduction into their real Healing, by using their feelings, much easier than it is for other spirits from the mind worlds who are at the same time having to wrestle with many of their old religious beliefs or mental programming, having to take on a whole new mind-set which one could see would take some of them years, whereas for someone who has been longing for and receiving Divine Love for some time it may be only a matter of weeks. This also applies to those living in the physical.

It is the Feeling Healing process that transforms one's soul towards perfection, towards the ability to fully express one's true personality as given to us by our Heavenly Parents, it is the Divine Love that then fits that transformed soul to be able to enter the Celestial Heavens.

Feelings first

MANSION WORLD, PLANES, SUB-PLANES:

by James Moncrief

There are actually 7 EARTH planes that ‘surround’ Earth. They are called Earth-planes because they use the same physical structure of Earth, they are just higher dimensions of Earth, if you like. Planes 1 and 2 are for us to use and where most people go astral travelling because we can trip around Earth seeing the scenes or become a lost soul trapped in a house being a ghost and that sort of thing. We can go to the Earth pub and sit and ‘drink’ as a spirit alongside flesh people who can’t see you. The other planes are off limits for us, one used by nature spirits, another is where our angels reside whilst attending to us, another where higher spirits can come and ‘be close to us’.

Then come the 7 Mansion Worlds, separate individual worlds in their own right so with their own unique landscapes, each also with 7 planes around them which we, as spirits, don’t have access to. And yes, within the first Mansion World, the lower sectors, or ‘planes’ within that world, and apparently they have many sectors and subsectors and sub sub again times 7, play host to the real hell sectors or ‘planes’. The hells are in sectors or planes within the 1st Mansion World, with the two Earth planes available for spirits to live in, being also collectively called ‘hells’ because most spirits within them are ‘screwed up’, not even aware they are dead, lost, still live as if they are in flesh. It all gets a bit confusing.

So in conclusion according to what I’ve been told, there would be 2 Earth planes of disharmony and sectors or ‘planes’ of the first Mansion World that host the ‘hells’. Also, which is again more semantics rather than anything else, and my own personal taste, but I prefer to call the Mansion Worlds – worlds, and the Celestial spheres – spheres, just so avoid confusion between spheres and worlds, even though they are really the same. To me calling the Celestial spheres, spheres, makes them sound more mysterious and more spiritual, whereas for most of us, although still very different, the Mansion Worlds are really just more of what we’re used to on Earth.

And Higher sphere systems... that’s all a bit wonky. The unnumbered spheres are the rest of Nebadon, the local universe, then the rest of the Superuniverse, then the Central Universe, then the Isle of Paradise.

And the pre-incarnational sphere, I don’t know if that’s true. To me it’s just where our souls are, wherever they are. ‘Soul-land’ I call it. However I can also accept there might be a pre-incarnational plane, zone, area... sphere? – why not? And that each sphere can accommodate 100 times the people of Earth, I don’t know about the accuracy of that, it sounds good, but how many people can Earth really hold?

Seven Spirit Earth Planes

We start our eternal existence by incarnating, even if it's just for a moment, onto a physical world like Earth. Then, when we die, we move into one of the seven Mansion Worlds, which can be likened to probationary worlds; worlds in spirit through which we correct all that's wrong within us. This includes if we've hurt other people or creatures very badly, we need to compensate for such suffering we've caused in others by suffering ourselves in one of the two lower Earth planes commonly called The Hells.

Other than the two lower Earth planes, we mortal spirits can't live in the other five Earth planes, they being reserved for the angels, nature spirits and other higher spirits.

The geography of the seven Earth planes is based on, or the same as, Earth, whereas the geography of the seven Mansion Worlds is unique to each world. So on Earth it's conceivable that your physical home could also be used by nature spirits, angels and higher spirits for their needs in the higher Earth planes, as well as being used by spirits confined to the two lower Earth plane – Hells. So these seven other dimensions, all focused on your home – a lot could be going on! However more than likely the reality is, the lower two Earth plane hells have spirits congregating in the darker seedier places of the physical world, or in the prisons and more isolated places if they are to spend time in isolation. Whilst the nature spirits, angels and higher spirits would reside in their higher Earth planes mostly away from dense populations of humanity, so more in the remote unpopulated areas of the world. The planes, although each being separate from each other and the physical Earth, and not interfering or influencing each other, still have some bleed-through of energy, thus affecting them in certain ways. As you can imagine, I don't think the angels would set up one of their main meeting and administration centres over one of Earth's most densely populated, corrupt and polluted cities, not unless the higher angelic light was in some way, to affect those people on Earth.

And by and large, we on Earth have very little consciously to do with any of the spirits or angels in the Earth planes. Some people feel emotionally, mentally, psychically and even at times physically disturbed or influenced by spirits in the two Earth plane, Hells, although really there is little direct interference from them. Such things as scary ghosts and knocking noises and all the dark scary poltergeist stuff comes from these wayward, lost, 'dark' and evil spirits still trying to have nefarious control over people on Earth, all of which is relatively harmless other than in exceptional cases. And mostly, we on Earth are totally unaware of our attending nature spirits and angels, and even more so of any higher spirits that might be visiting us or Earth.

For spirits and angels to get as close to us physically as they can, is done so by them being in the relevant Earth plane. During a Divine Love meditation or prayer for example, it's conceivable you might have in attendance in the various Earth planes and unbeknownst to you – dark spirits of the two Earth planes that want to try and redeem themselves so are brought to attend your prayer or meditation; you might have nature spirits there as well; you will have your attending angelic pair together with other angels; and you might have other higher spirits who are required to help you in your thoughts or feelings to progress in your spiritual development; and then you might also have other Mansion World or Celestial spirits attending you in the relevant Earth plane, including even from the Hell planes should the spirits want to get as close to you as they physically can. A lot of Mansion World spirits descend into the lower two Earth planes, the Hell planes, so as to be close to their loved ones on Earth. They are able to do so without being affected negatively by the ever-present Hell plane spirits by adjusting their spiritual light in order to keep them at bay.

It should be noted that to qualify for life in the Hell planes comes about because of the state of ‘hell’ that already exists within the person who acts out such hell on others. We only cause harm to others because the harm was caused to us through our childhood. And instead of dealing with and honouring our own pain and taking full responsibility for it, we block it within ourselves thereby taking it out on others by making them suffer the same degree of pain we’re suffering. Those people who harm another person or creature will at some point suffer the degree of pain they have caused in the other person when the Law of Compensation acts upon them during their time in the Hells. They have to ‘balance the books’ so as to help them understand that it was wrong to do what they did to the other person or creature, for them to understand by directly feeling the pain they have caused. And once they have felt it all, ‘paid for their spiritual crime’ against the will of another, then they are allowed to resume regular spirit life in the Mansion Worlds rather than being kept separate in the Earth Hell planes. And somehow during the time of ‘paying the price’, they are healed of their need to hurt and harm others so they can move into the regular spirit Mansion World population no longer looking to, or with the need to, hurt and cause suffering in other spirits.

And it is highly possible that at some point, and even possibly quite soon, the same Laws of Compensation that apply to those spirits having to live and ‘do their time of suffering paying for their crime against another’ will be applied to and on Earth. So many bad people will suddenly be forced into the ‘hell of their own making, the hell that resides in them’. So doing some or all of their ‘Hell Time’ whilst on Earth, then completing it when they get to spirit by having to enter one of the two Hell Earth planes, or no longer needing to spend any time in them if they’ve ‘served their time for their evil crime’ when on Earth. Should the ‘earthing’ of the Law of Compensation come about, thereby bringing the Earth into direct alignment with the First Mansion World, then as you can imagine, things will drastically change here on Earth, with anyone merely having the intent, let alone actually carrying out the sinful act, having to immediately suffer compensation for their unloving action and motivation. With the compensation being lived by feeling such intense guilt and all the other bad feelings for the bad things you have done, coupled with pain so bad and so ongoing that you enter into a state of perpetual begging for forgiveness and to be released from your suffering, that very same suffering you caused another person or creature to suffer.

Seven Spirit Earth Planes

Each of the seven Earth spirit planes co-exist in the same space as we do in the physical. We of the physical world are of the coarsest and densest material. Starting with the 1st plane, the material within each plane becomes finer, more refined and of greater luminosity. Those within the lower planes cannot see or discern the presence of those in higher planes. Those of the higher planes can move about those in lower planes without them being aware of being present unless they wish to reveal themselves.

Each plane is predominantly for one group of spirit or angel personalities, however there are sectors within planes where visitors from higher planes can move about freely. No harm or disturbance can be caused by any spirit personality upon another, not even those within the physical Earth existence.

Celestial Soul Condition

Humanity is now to embrace the Great U-Turn and retrace its steps back through all seven Mansion Worlds, including all their sub, and sub-sub planes, as people do their Feeling Healing. And then with Divine Love, when we finish our Healing, our soul fuses with our indwelling spirit, and in so doing, as one soul manifests two personalities, we arrive in the first Celestial Heaven condition to join our soulmate and then soulgroup.

FEELING HEALING PROGRESS DOES NOT CHANGE OUR PERSONALITY:

Through our Healing, we work our way up to a Celestial Soul Condition whilst retaining all our erroneous patterns. We express out of us all our repressed emotions and blocked feelings showing us the truth of why we have them. We then change and feel much better about ourselves, becoming more self-aware and self-accepting. Then when we've uncovered the whole truth of our unloving state, and our erroneous patterns leave us, our Healing is completed.

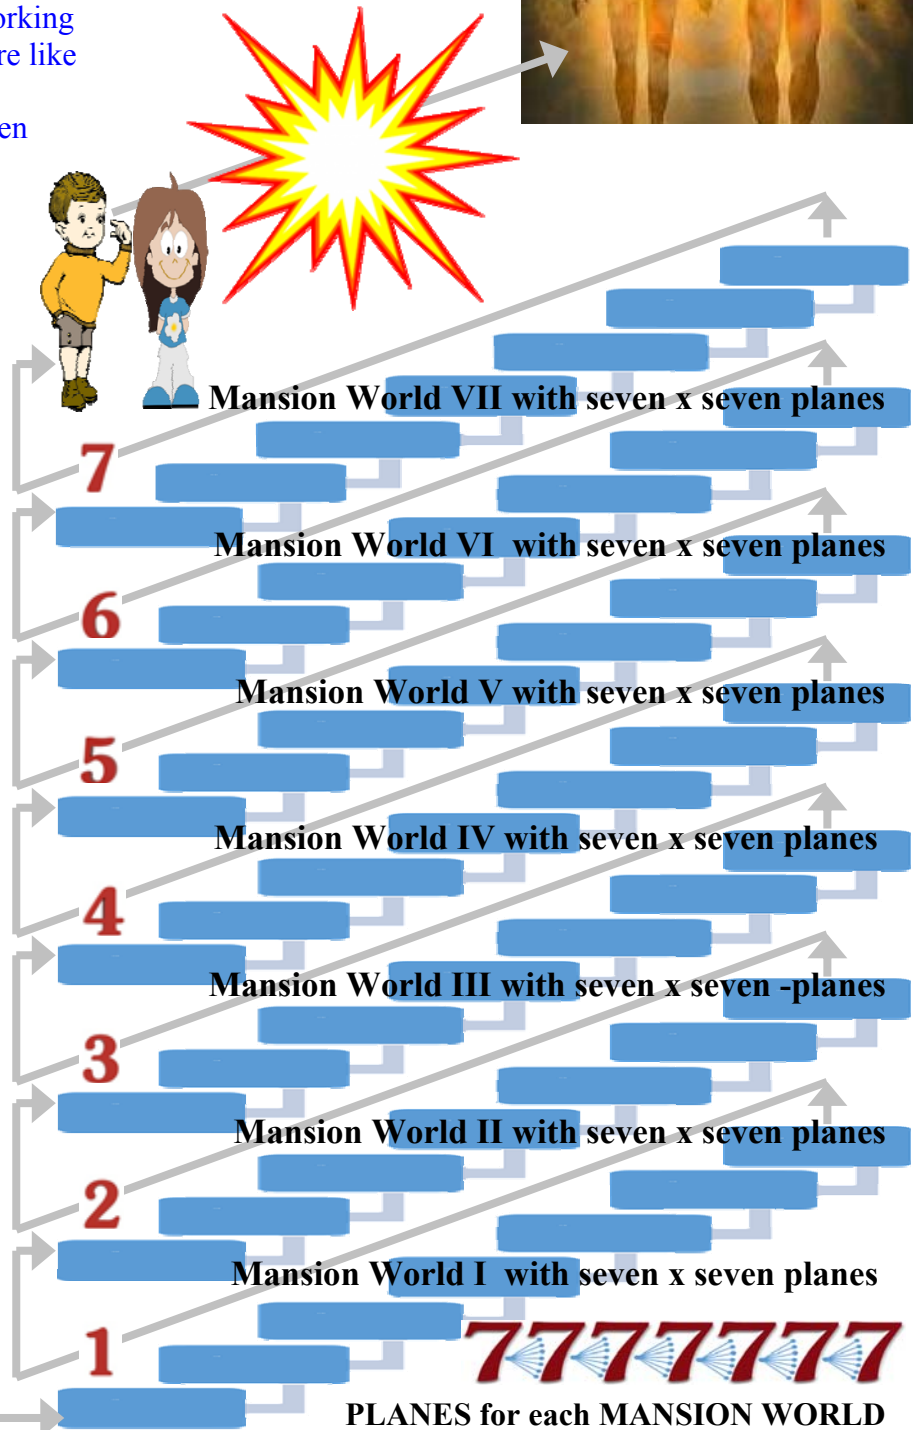

So it's not so much a journey working our way up the pyramid, it's more like moving up a series of elevators, working through each of the seven worlds and seeing how untrue and wrong we are.

And by the time we get to the top, we're fully cognisant of our 'sins and errors' and why we've felt all the bad feelings we had and how our negative beliefs kept us strapped within our truth-denying state.

Our Healing is our seeing the whole truth of our distorted way of being. And once we've seen it, then our soul transforms us out of our negative truth-denying state into a positive truth-loving one. We are still the same personality, only we're now living happily with ourselves rather than unhappily against ourselves.

Our final transition from being of a rebellious condition of mind to a Celestial Soul Condition of feelings, is glorious.

FEELING HEALING:

Childhood repression and its suppression, from conception through to around the age of 6 years, is the underlying cause of all ailments that arise throughout one's life.

Our parents pass onto us all that was erroneously infused into them by their parents, and so back through the generations.

It is only through longing for the truth of one's feelings, both good and bad, and expressing what comes up that we can work through the many layers of infused mind addictions and heal our erroneous beliefs and harm that we have endured.

Should our parents engage in their Feeling Healing then their children will mirror much of the healing that their parents achieve, thus physically and emotionally benefiting in a similar way.

Healing can bring us into Celestial Soul Condition while living on Earth.

WE EACH HAVE UNIQUE ISSUES TO HEAL THROUGH OUR ASCENSION, THROUGH EACH OF THE SEVEN MANSION WORLDS!

Happy Parents and Unhappy Parents are all born into the Rebellion and Default. The children all absorb the errors and emotional issues of their parents tailored to suit their personality which is unique to their soul. Our issues are unique and no healing is the same as for any other person.

Feelings First

Each of the seven Mansion Worlds have all of these planes.

Mansion World 1 of 7

**Both Mind

PLANES for each MANSION WORLD, we have seven Mansion Worlds to work progressively up through to heal ourselves of the Rebellion and Default.

1st SPHERE ASPECTS:
Summerland, etc, nurseries

Summerland, etc., are beautiful regions of 1st sphere.

Summerland, etc, are within the highest planes of the 1st Mansion World / sphere.
There are 1,000s of plains in the 1st sphere.

Ambience of mid range plains of the 1st sphere is where the majority of humanity pass into.

2 Planes of Disharmony / Earth:
The hells are unimaginable places of darkness.
Consider you are stuck at the end of the deepest longest mine ever, on your own, without any lights!

1st SPHERE SPIRIT WORLD CONDITIONS:

The first sphere spirit world is the destination for all who shed their physical body, be it moments after incarnation / conception, or any time during gestation, or later on through one's life in the physical realm of earth.

After a period of 'acclimatisation' of around three months in one of the many receiving station within the 1st sphere, one's soul condition will then determine the plane and location of one's living within the spirit worlds will begin.

The conditions within the 1st natural love spirit world range from the dull and dreary condition of a remote wild west township or an outback community in a semi arid environment all the way through to the most wonderful environment and conditions to be found on earth.

Thus, we are drawn by our soul condition to habitat in an environment that we have brought our own condition to be, and to live with spirit people of very similar soul condition.

Even though our arrival into a receiving station within the 1st spirit world sphere will be a delightful condition, as our memory starts to become active then we will find ourselves being drawn by the gravity that matches our soul condition.

If we are inclined to cause harm to others we will be drawn into the darker Planes of Disharmony. If we are developed in the embracement and acceptance of our Mother and Father's Love we will most likely progress to the 3rd Sphere, being the first of the Divine Love Spheres to commence our Feeling Healing.

2 PLANES of DISHARMONY:

God is a God of love to even the vilest sinner, and when such a sinner turns to Them and prays for forgiveness and love he gets them both. Let me tell you further that the love of God and embraces Feeling Healing, when it enters into the soul of a man is sufficient to wash away all sins, and make that soul happy and joyful. Not even the most evil man who is guilty of the greatest sin need think that he cannot be pardoned, and made happy and brought into harmony with God.

God, being Mother and Father, loves all Their children too much to have them pass through such experiences as are in part of the teachings of many spiritual leaders and books. Evil spirits have to suffer for their sins and atone for every evil thought, but not by any such suffering as some books depict. Neither the hells of the churches nor the hells of such books exist.

The two Planes of Disharmony are places of isolation to prevent those who wish to pursue harm to others from doing so.

As such spirits are embroiled in harmful negative emotions, there is a progressive and gross lack of love and light in these spheres. The hovels that are physically assembled by these dark spirits progressively become lacking in substance reflecting the soul condition of these spirit personalities.

The two Planes of Disharmony are planes of earth. There is virtual darkness prevailing on the 2nd Plane of Disharmony and the environment is one of gross desolation.

No matter what one's soul condition may be in, one can recover and progress to higher spheres of love and harmony. Many have progressed from the deepest of these 'hells' to the Celestial Heavens through embracing Divine Love and engaging in doing their Feeling Healing.

Maybe something like 30 billion people have recognised that our Mother and Father’s Divine Love, together with embracing one’s Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don’t connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 3: is for waking up to the truth that you’re not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of ‘New Age’ styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

I'D TURN BACK IF I WERE YOU!

The Natural love spirit Mansion Worlds as to how they have been for all these hundreds of thousands of years and as they are set up currently, are to help spirits advance to the fullest of their self-denial that they can. That is, so as to become as evil as they can. And all under the guise of being 'loving'.

It's why they are called the mind worlds, namely Mansion World / spheres 1, 2, 4 and 6. That is because the spirits are using their minds to complete their rebellion – denial of self and feelings, and rejection of our Heavenly Parents as well their Creator Son and Daughter. So yes, the top of Mansion World sphere 6, spirits are the most evil, the most in rebellion, the most in default, the most wrong and unloving and untrue, even though, they appear, because they've trained their mind to do so, to be the most loving, but it's all false and contrived – such as the Eastern gurus. Total mind over feelings, blocking all the bad ones and using your mind to only make you feel good.

Typical of those on their way up in the mind worlds are not open to anything, they do not want to know about feeling bad and going with their bad feelings looking for their truth, because that scares them, that's not nice, that doesn't make one feel good, it threatens their control, they reject that preferring to stay in their nice safe space. Which is how it is for these Natural love mind spirits using their minds to control their feelings.

We've all got to take responsibility for our evilness even though we were made to be that way and rebel by default, but there is no getting away from it, and it has to be compensated right to the last farthing, which is what being in the hell planes is all about, and which keeps being applied right the way through the Mansion Worlds. **In the mind Mansion Worlds you can continue to use that inner pressure requiring compensation for your bad deeds, to further contrive love and pretend you are all holy and loving and not hurting anyone anymore, which on the surface of it you are not, but underneath still are, all the way up through to the sixth world; or, you can allow it to keep working on you right the way up through the Divine Love Mansion Worlds doing your Healing.**

And apparently what's going to happen is the Natural love mind Mansion Worlds are going to be divided, so within them, there will be spirits doing their Feeling Healing – without the Divine Love, and still limited to the sixth Mansion World, but looking to be true and end their rebellion. And then there will be those still carrying on denying themselves as they have always done. So you will have spirits in the Feeling Healing Natural love sectors that will truly perfect their Natural love; and those spirits still in the mind sectors perfecting their wrongness. The opposites or extremes living side by side. And then you'll still have the Divine Love Healing Mansion Worlds, being spheres 3, 5, and 7, doing their Soul Healing.

And as for a summation: "Divine Love Mansion World / sphere 3 is the waking up to the truth that one is not loving, also their being a lot of assistance. Sphere 5 is then about going right into the depths of feeling how unloved you feel and seeing how unloving you are and how that makes you feel, also this is a time when one can then progress and manage their own progress through their Feeling Healing. Sphere 7 is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, this is a time of great realisation and comprehension with much of the prior experiences starting to be drawn together.

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

It is agreed that the lower worlds are about waking up to what's involved, however from then on it depends on how it's all structured for the individual in their negative state as to how much ongoing assistance they might need. Some need help all the way along, whereas others have been able to work with their feelings, themselves, right from the beginning.

And yes, each of the Divine Love healing Mansion Worlds, 3, 5 and 7, are equally painful to work through, just focusing on different aspects of yourself and your Feeling Healing with Divine Love. And then in the higher planes of the 7th world comes the transition, where one's pain starts to end, and you start feeling so much better about yourself, you are fully accepting of your negative unloving state, you are fully unloving although even starting to become more loving – truly loving, of yourself, God, and then other people.

Then onto the Celestial Heavens by progressing into Sphere 8 and then onwards further, all the way home to Paradise.

Maybe something like 6 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

The 1st and 2nd Spirit Mind Mansion Worlds / spheres are jammed to the rafters.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

CRYING WORLDS HEAL, the LOVE WORLDS LIBERATE PERSONALITY:

To PARADISE, the HOME of OUR HEAVENLY PARENTS

The Way Home

Council of Elders

Celestial Heavens are the Spheres of Love. One has to be a fully integrated personality, as in expressing all the aspects of one's self equally and lovingly, before one can leave the 3rd Celestial sphere – Sphere of Love, after having embraced the Way of Feelings.

When in the Celestial Heavens we work on bringing to light all the attributes of one's personality. We are to be a fully integrated personality, as in expressing all the aspects of ourself equally and lovingly, before you can leave the third Celestial sphere.

While we progress through the Divine Love Crying Worlds, we are to live true to our untruth, by living the truth of it. We only need to be true and perfect to our untrue state, and when we've done that, we're Healed. Even though we're still imperfect so far as fully expressing our personality, all of which we then perfect at the Celestial level. So really to qualify for the Celestials, that is about one living completely true to one's wrongness, and partaking of the Divine Love to a certain level, and then once that's done and being a Celestial, one can carry on bringing to light all those parts that one was denied the expression of whilst living untruth to oneself.

We are to uncover the truth of our untruth through the Healing mansion crying worlds levels (and their equivalent on Earth); and then once that's done, and with the appropriate amount of Divine Love in our soul warranting fusion with our Indwelling Spirit, we can move into the Celestial spheres of love (or their equivalent on Earth).

Earth has been subjected to the Rebellion and Default until now! As a soulmate pair progress with their Feeling Healing, the Rebellion and Default conditions are being cancelled.

We all arrive into the 1st Mind Natural Love Mansion World. Most continue their way of living without any awareness of the Feeling Healing process and the availability of Divine Love.

The 1st and 2nd Mind natural love Mansion Worlds are jammed to the rafters with spirit personalities. Those who progress to the 4th and 6th Mind Mansion Worlds are progressing further away from God, continuing with the Way of the Mind!

WE EACH have a Nature Spirit pair, Spirit Guide pair and an Angelic Pair:

For those doing their Healing or are interested in doing it will from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about 'sharing' the same angels or guides or nature spirits, it is about you relating specifically to your 'own' ones because they are provided for YOU. It's all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it's the same of course in life with your friends, however over there, in spirit, dealing with Nature Spirits, Spirit Guides, and Angels, it's more personal and private and 'JUST FOR YOU'. So we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain't going to be assigned to anyone else, so she won't be sharing herself around.

This is SO IMPORTANT to understand so that in future there won't be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is all they are speaking with.

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their soulmate / soul partner relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit Mansion Worlds, however, our Angelic pair continue with us for eternity.

Feelings first

LIVE FEELINGS FIRST

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

M&F

J&M

AVO

HUM

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
We are to long for the truth of what we are feeling.
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

WE ARE Children of God

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates / Soul Partners)
2. **ETERNAL SON (ES) – Divine Truth**
3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS (MF) – Love – the Living Truth**
2. **DIVINE MINISTER (ID) – Mind (and her Holy Spirit)**
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR – the Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS – they do not incarnate**

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate / soul partner pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our case through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate / soul partner pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

Humanity is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

SPIRIT MIND MANSION WORLDS are numbered 1 to 7:

To PARADISE, the HOME of OUR HEAVENLY PARENTS

Spirit Mansion Worlds are those 1 – 7. They with the Celestial Heaven spheres numbered 8, 9, 10 as well as the 3 Spheres of Disharmony are all within the Earth’s environment, and rather close by. Each sphere can accommodate more than 100 times the people than Earth may do.

Progression from the top Celestial Heaven sphere is to the Eternal Spheres, Infinite and Universal and further onwards to Paradise.

Celestial Heaven spheres 8, 9, 10 are often referred to as 1, 2, and 3 of Celestial Heaven.

Natural Love sphere progression stops at sphere 6. With only the natural love, progression is through spheres / worlds 1, 2, 4, and 6 only.

Divine Love perfects one’s natural love soul through the progression via spirit world spheres 3, 5, and 7. Soul-Healing and At-onement is achieved through the progression into sphere 8 which is the first of the Celestial Heaven spheres namely 8, 9, and 10.

One can embrace Divine Love at any time and move to DL sphere 3 and continue.

The Divine Love spheres 3, 5, 7, 8, 9, and 10 were opened by Jesus.

On death of the physical body we all arrive in the 1st Natural Love sphere.

Earth is for the individualisation of souls being the commencements of one’s journey home toward the Source Soul.

The 2 Planes of Disharmony are the hells. While one desires to cause harm to others, isolation is applied. Once the Law of Compensation is completed then one can then progress and return to the 1st Natural Love sphere and continue in their progression onto higher spheres.

The Pre-Incarnational Sphere is the waiting area for souls to be individualised / incarnated.

There are seven Earth planes around Earth, which are separate from the Mansion Worlds, but we only have access to two of them, which include the ‘hells’. Each of the Mansion Worlds also have their own seven planes ‘around’ them.

Note: The first experience with a Divine Love Sphere and a Sphere of Disharmony may be introductory planes / sectors within the 1st Natural Love Spirit Mansion World.

There are 100,000 MICHAEL soulmate pairs as REGENTS throughout our SUPER-UNIVERSE:

One of these 100,000 dots represents Nebadon, our local universe, consisting of 100 constellations with each constellation containing 100 systems which in turn have 1,000 worlds. The system in which Earth is within is called Satania.

Nebadon has some 10,000,000 physical planets, of which 3,840,101 are inhabited. The regents of Nebadon are the soulmate pair being Mary and Jesus.

This structure is repeated throughout our super-universe, called Orvoton, 100,000 times. There are some 100,000 Regent pairs, equivalent to Mary and Jesus, throughout our super-universe.

There are 7 super-universes that rotate around the Isle of Paradise which is the home of our Heavenly Parents, our Mother and Father. Thus, there are some 700,000 Regent pairs equivalent to Mary and Jesus.

When we progress beyond the spirit mansion worlds, we enter the first of the three Celestial spheres, the home city being Jerusem, this is also the home city for all 1,000 physical worlds in Satania. From there we will progress to Salvington being the head quarters for Nebadon and the home of Mary and Jesus. Then we progress to Paradise.

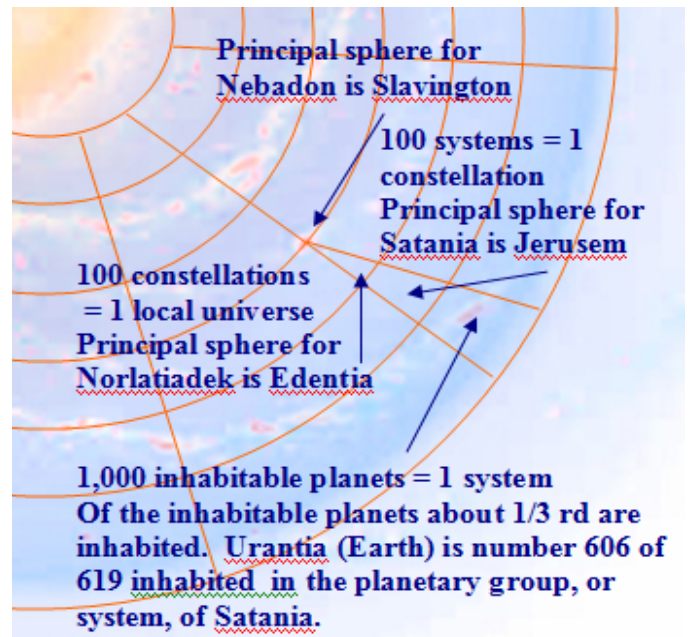

Earth

Earth

The God, being the soulmate personalities of our Heavenly Parents Mother and Father, reside on the Isle of Paradise that is stationary within the centre of the seven superuniverses. Our Spiritual Parents and our source of Truth are Mary and Jesus, the regents of the region known as Nebadon which hosts some 3,840,101 inhabited planets of which Earth (Urantia) is one of the 37 rebellious inhabited planets. Our Adamic pair defaulted and then we crucified Jesus on a cross!

NEBADON, our LOCAL UNIVERSE:

A Local Universe – Nebadon. One hundred constellations (about 10,000,000 inhabitable planets) constitute a local universe. Nebadon contains 3,840,101 inhabited planets.

A Constellation. One hundred systems (about 100,000 inhabitable planets) make up a constellation.

A System. The basic unit of the super-government consists of about one thousand inhabited or inhabitable worlds.

Earth is #606 in the system of Satania and is the latest to have human life. *Jerusem* is the headquarters of our local system of Satania. Thus *Jerusem* is the city to which we arrive when we fuse with our indwelling spirit having sufficient Divine Love following our Healing and enter the first of three Celestial Heavens, all being for the 1,000 physical worlds within Satania.

Salvington, in the centre of Nebadon, is the headquarters and home of our Creator Daughter and Son, the Michaels, namely Mary Magdalene and Jesus.

All descending Daughters and Sons of God have high and divine origins. They are dedicated to the descending ministry of service on the worlds and systems of time and space, there to facilitate the progress in the Paradise climb of the lowly creatures of evolutionary origin — the ascending daughters and sons of God (humanity – us). Those Daughters and Sons who come forth from the Deities on the central Isle of Light and Life are called the *Paradise Daughters and Sons of God* and embrace the following three orders: Creator Daughters and Sons – the Michaels, Magisterial Daughters and Sons – the Avonals, the Trinity Teacher Daughters and Sons – the Daynals. All three groups have Spirits of Truth, no others do.

The remaining four orders of descending daughter and sonship are known as the *Local Universe Daughters and Sons of God*: Melchizedek Daughters and Sons, Vorondadek Daughters and Sons, Lanonandek Daughters and Sons, and Life Carriers.

The chief executive of a local system (such as Satania which includes Earth) of inhabited worlds is a primary Lanonandek Daughter and Son (was the Lucifers), the System Sovereign. The Lucifer Rebellion in the system of Satania was the last and the most widespread of all. Thirty seven (37) inhabited worlds were seduced into rebelling, by following the Lucifers and their deputies, the Satans. Earth then went on to Default at the time of Eve and Adam. Later on we crucified the Creator Son, Jesus, and ignored Mary. So now we have the physical presence of an Avonal Pair. Only the Avonal Pair can take on all of our wrongness and heal themselves. It is their Spirits of Truth that we are to long to so that we, humanity – all of us – can then heal the Rebellion and Default that we have all embraced.

PASCALPERS

OUR JOURNEY to the CENTRE: HEAVENLY PARENTS are UNIVERSALLY PRESENT:
Earth is one of the youngest inhabited planets on the outer edge of the youngest of the seven super-universes. From the spirit worlds, we progress to the spheres of many mansions, being the Celestial Heavens nearer to the centre of our super-universe. From there we progress to the Eternal spheres which circulate around the Isle of Paradise. The Isle of Paradise remains stationery and is the home of the Source Soul, our Heavenly Parents, Mother and Father.

Our progression is always towards the centre – inward and upward.

Earth is blanketed by the 1st natural love sphere, the spirit world spheres are within the proximity of our solar system. From the spirit spheres we progress to the Celestial Heavens.

FEELING HEALING – SUMMATION:

Living with the Divine Love and doing your soul-healing, is choosing to live true to your feelings and to end your mind's control over you.

The great difficulty we all face is that we are not free to speak what we feel, with so many of us shut off from our true feelings, feeling unable to speak about such things. So all the anger and wrestling and arguing that has to go on, is what is needed to break down the barriers and bring to light the blocks, all so they too can be talked about.

As we move into deeper parts of ourselves through one's feeling healing, being gradually led into it, so even deeper parts can come up, we being able to deal with them with the experience already gained.

We are not just thrown in at the deep end and all our hellish traumatic bad feelings come racing up only to annihilate us, for there would be no purpose to that as we wouldn't be in a state or condition to see any truth; and seeing the truth, the whole truth of our unloving negative state, is what it's all about. The truth comes first, and we will only experience all we need to, so as to liberate it.

The pioneers of Feeling Healing – Marion and James:

Marion wasn't actually forced to change herself to effectively become 'another person' by her parents, they just came down hard on her stopping her being her natural and true self. And her healing with therapists, and now in what we are doing together, is taking off those clamps and restraints and letting her out of her cage, so increasingly as she is regaining her true self, she is able to say all she wanted to say when she was little. Whereas for myself, James, I was made to become effectively someone else, to be so shut-off from my natural self so as to not feel any direct connection with my feelings, and being all but totally unable to express them. So for Marion, expressing her feelings and feeling when things are not right in our relationship, comes relatively easily, whereas for me, I don't have a clue most of the time.

Marion and James are on the extremes and coming at their relationship from two opposite ends. Other people will be like they both are, and even with the roles reversed; and then most other people will be a mixture of, and somewhere in between, them both. Generally speaking, James is more like so many men, totally alienated from his feelings – but not all men, as some men are very free with their feeling-expression; and Marion is more like most women who are closer to and more aware of their feelings, only never feeling free to really express them. And there will also be a lot of women who have had to change themselves so much so that they will feel more like James does, that being as if you're another person with very little connection with your true self.

Feelings first

LOVE
is
The New Way, Feelings First Spirituality

Feelings First Spirituality, New Feelings Way, is based on living true to our self through our feelings. Understanding that all we need in life is contained within our soul and is shown to us through our feelings. And by loving our feelings, by attending to them properly (talking or writing them out of us) and not denying them, we can use them to uncover the truth of our self – the truth of our soul.

Feelings First Spirituality is not telling us how to be, that is too controlling and is actually bad for us, limiting your spiritual growth. We can be wholly self-revealing of the truths we need to be, being the person God created us to be, all by living true to our feelings.

Feelings First Spirituality has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

Living the New Way of Feelings First Spirituality

We come to the understanding from our life experiences that how we are is not right, it doesn't make us feel good – that we are wrong in some way. And we want to change our self, we want to become right, true and perfect – we want to be like God is.

And to do this you need to do your Healing

Our Feeling-Healing is looking to our feelings for the truth of our self, the truth being hidden in many of the feelings we are not wanting to face in life. So we have to end our feeling denial, accepting all our bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show us.

Or, we can do our Soul-Healing; which is our Feeling-Healing, together with including longing directly to God for God's Divine Love. When we receive the Divine Love into our soul, it will cause our soul to become divine, and it will deepen our personal relationship with God. Long with all our heart to God for God's Divine Love.

THE New Way

Feelings First Spirituality

<p>By living true to ourselves, true to our feelings, we are living true to God. It's that simple.</p>

FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We only know how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. KEEP YOUR MIND OUT OF IT. It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting it in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Heartfelt TRUTH

The CHOICE is OURS to MAKE:

Celestial Truth:

Truly all-loving;
 Living true to oneself;
 Mind supporting Feelings;
 Living with the Divine Love;
 Fully Healed of the Rebellion and Default.

THE FEELING WAY

Feeling – Ascendance
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

THE MIND WAY

Mind – Transcendence
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,
 atheists, no spiritual interest,
 Living the Rebellion and Default.

Hell:
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULD IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

PERSONALITY

**Our soul is the centre of our personality.
We are children of our Heavenly Parents.
Our soul manifests a male and
female personality - it is a duplex!**

Long for the Truth from God, the Truth your Heavenly Mother and Father will show you. This does come through to you via the Spirits of Truth of the Avonal Pair in relation to one's Feeling Healing and in relation to Divine Love from the Creator Pair, all from the Eternal Son and in league with the Infinite Daughter and the Divine Minister.

Avonal Revelation

- We are to live Feelings First.
- We've been made to use our mind to live against many of our feelings.
- Our mind control commences at conception and is developed through our childhood.
- All the bad feelings we didn't express as we were growing up are still repressed inside us.
- And all such hidden, buried and unwanted feelings have to come out.
- And whilst they remain repressed within us, they will continue to make us feel bad and unloved.
- We get sick, depressed, suffer, have bad things happen to us because of our repressed childhood feelings.
- Humanity was brought into this state of living against itself by higher rebellious spirits.
- These Evil Ones caused the Rebellion and Default.
- We are made to rebel by default – as we have no idea we're doing it through our parenting in wrongness.
- We are all parented unlovingly – against ourselves, against our will.
- Some parenting in the wrongness is done with more love, yet it's all still wrong.
- To heal this unloving state within ourselves we have to do our Healing.
- Our Healing is our Feeling-Healing or Soul-Healing with the Divine Love.
- We can long to God for Their Divine Love, and this will help us with our Healing.
- God is our Heavenly Mother and Father, the Feminine Aspects of God having been kept hidden from us by the Evil Spirits.
- All humanity's religions and spiritual systems are designed to keep the wrongness going, to keep us away from God.
- Only by living Feelings First Spirituality, The New Way, can you become right, and truly find God.
- Long for the Divine Love.
- Long for the Truth of your Feelings.
- Accepting all you feel is accepting all of yourself, it's your greatest act of self-love.
- And wanting to know the truth of your feelings, is your next greatest act of self-love.
- Love yourself through your feeling-acceptance, and the Truth will set you Free!

The New Way, Feelings First Spirituality
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.
 Want to understand why you're feeling them.
 Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
Your feelings are your spiritual guide.
Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True 'religion' for humanity.
It embraces all people.
It completely unifies the world.

Everyone can relate to everyone else through their feelings.
And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.
No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.
So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled religions. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one’s feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God’s Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we’ve all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

LOVE is the Religion of Feelings, being:

HOME

JOURNEY HOME

Our journey home is an ever growing expansion of truth being revealed to us. For Earth’s humanity, as for the 37 humanities that have Rebelled, we are quarantined and isolated. Having also Defaulted, Earth’s humanity is possibly the most evil of all. Firstly, we are to understand that living through our minds is why we are addicted to untruth and control of others and nature – we are going the wrong way! We are to live feelings first and then heal our Childhood Repression and Suppression – we are to live and express our true personality, the one given to us by our Heavenly Mother and Father. Then our journey home begins!

The Isle of Paradise is stationary within the circle of seven super-universes. Spheres here are also for us to further grow in truth before arriving Home to become Finaliters. Our Heavenly Mother and Father guide us out of our Local Universe of Nebadon, through the rest of our super-universe of Orvonton and into super, superuniverse Havona which circulates around the Isle of Paradise, being home.

Each of the seven super-universes are constituted, approximately, as follows and with 1,000,000,000,000 inhabitable worlds:

- One super-universe is 10 major sectors
- One major sector is 100 minor sectors
- One minor sector is 100 local universes
- One local universe is 100 constellations
- One constellation is 100 systems
- One system embraces approximately 1,000 physical worlds

Once we attain the Celestial Heavens (spheres) we start to come in contact with spirits from other ‘Earth’ worlds. So in spirit and once we’ve finished out Healing and are Celestial, we interact, sometimes directly and otherwise indirectly, with potentially 10,000,000 physical worlds of which 3,840,101 are with humanities. Our Avonal Daughter and Son lead us to Mary Magdalene and Jesus (Michael soulmate pair, our Creator Daughter and Son), through our healing of the Rebellion and Default by guiding us into the first three Celestial Heavens and out of isolation from all other physical and spirit humanities.

Mary and Jesus then lead us through the Celestial Heavens for the system Satania (that Earth is in), then our constellation and then out of our Local Universe.

Isolation from all other humanities prevails before completing our soul’s healing and progress into the Celestial Heaven spheres 1, 2 and 3. Hell planes 1 and 2 are of Earth, those who have compensation may have this experience and might then progress up through mind Mansion Worlds 1, 2, 4 and 6 before turning around to progress through Healing Mansion Worlds 3, 5 and 7 to transition into Celestial Heaven.

OUR JOURNEY

Ascension is from Earth (Urantia) through Nebadon, Orvonton, Havona to Paradise.
 Then in Paradise we progress to be Finaliters and assignment to a newly forming universe.
