Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Health – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Aspiring to Living Feelings First, *John.*

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

A LETTER:**To Three Daughters and an Unborn Son from their Dad**

Never in my wildest imaginations did I ever anticipate that I got it so wrong.

First came my son, and then my three daughters arrived successfully. Here is the first error; 'my' as if they are trophies that I am to cherish and show off as prizes from some gallant endeavour.

From the very beginning of their presence (conception) I felt that I could mould them, develop them into something, a personality, that was 'appropriate', like as if I really knew what was best for them.

Here is the error. I thought I knew how they should live. I thought I could love them and teach them how they were to be. This is the major error. I endeavoured to control them. That is, I believed I knew what they had to know and learn. Like, really, I took control!

When we incarnate / individualise we are self contained fully gifted personalities that are to live according to our feelings, the feelings that our Heavenly Parents endow upon each soul.

So, what did I do? I passively shut down slowly but consistently their self expression, their soul based loving and true feelings, their real selves. They were wonderful children, they did all that we expected of them, that is, their mother and father were gifted with loving obedient intelligent children.

Oh what a cluster stuff up! They became imprisoned in their controlling minds fully responding to the belief if they did what we wanted then we would love them. By us imposing upon their will was the first apparent truth of the fact that we did not know how to love them. All we were doing was reflecting and repeating the unloving controlling impositions of our own parents. We continued the error of generations of parents. Now they will do the same.

To live true to the will of our Heavenly Parents is to live true to our soul based feelings. Our soul based feelings are the gift from our Heavenly Parents. We physical parents shut this way of living down. The stress that comes upon the child from conforming to our dictates is the foundation and cause of all their discomforts, pains, illnesses, errors and life dramas that come about.

Yes, we did not know that we were evil in our ways of bringing up our children, but now we do. We now know because our great spiritual teachers have now spelt this ever so obvious truth out to us and here we now have the opportunity to bring about the great turn around, the great uplifting in the way humanity can now, for the first time in its history, evolve into a way of life of peace and harmony.

I as a father failed in how a child is to be nurtured. My own personal emotional injuries imposed themselves upon the child, even when it was a foetus, thus this is most likely why our unborn son did not achieve birth. This is a reality that we can now address and that is what this era is about. We can all now, and will, achieve a wondrous way of life as we shed the injuries and erroneous beliefs that our parents unknowingly imposed upon our mind and soul, bringing about a harmonious way of life.

This changing of the guard is the turning point for humanity. Consider the possibilities.

John, a father of three daughters and an unborn son.
A Father of Wrongness

The FUTURE:

For the first time in the history of humanity, we are blessed with the guidance and way to grow in truth and love. Humanity is now being provided with the way to evolve out of the quagmire and into soul conditions that bring about harmony and growth in the quality of all aspects of one's life.

This is the turning point, away from ever deepening disharmony and lack of love within one's life.

This time, in the history of humanity, is the most exciting time ever experienced.

Since the arrival of ensouled man and woman on Earth, some one millions years ago, humanity has been provided with spiritual guidance. The High Son and Daughter, that were assigned to Earth, progressively succumbed to their own minds' egos of self reliance. This culminated in the population on Earth adopting their ways and beliefs, some two hundred thousand years ago, that one's own mind was all powerful and that through one's mind one could progress without the need for spiritual guidance in truth and love and that God was irrelevant.

To enable this Rebellion, that begun some two hundred thousand years ago, it was recognised that the woman had to become subservient to the man. The woman was consigned to being responsive to man. It is the woman that is the true spiritual leader within the male / female pair.

One's mind is grossly flawed. Its continual need for power and control, when fed with authority, grows into a steel ball that imprisons one's always loving and truthful soul. The mind suppresses one's soul. It is living by our soul based feelings that we live in the manner that we are to. Should we enable our soul based feelings to be expressed and followed at all times then we are living in the manner and way that our Heavenly Parents long for us to do so.

Golden Rule: that one must always honour another's will as one honours one's own.

While we live by our minds control, humanity is in error in all that it does. Parents of all walks of life, nationalities and cultures, all bring up their children to reflect the natures and the ways of the parents.

Our soul based will is progressively suppressed, even commencing at the time of our conception. Our parents do not allow the expression of one's will. The controls, orders, demands, don'ts, do's and no's are oppressive, relentless and extremely harrowing for the forming child. As a child, we conform so that we may receive the love that we so long for from our parents – which never comes! Our parents impose their control over us, during our forming years, in the endeavour to make us, as a child, the same as them, thus shutting down one's personality and soul expression. As a parent, we think we know how to love a child, but we do not as we were so traumatized by the same style of upbringing.

We are to, at all times, live in the manner that our soul based feelings prompt us to live. We are to be an unfettered reflection of our soul based personality. We are to express in the manner that our soul based personality is longing to do. We are not to compromise on our God given personality's attributes. Our soul based personality, our real self, is the most important person in the universe. Even if our Heavenly Parents asked us to do something and our soul based feelings suggest not to do so then we are not to do what is requested. We, each of us individually, are the most important personalities in the entire universes.

U-TURN for HUMANITY:

Why are we doing a U-Turn?

We are doing a U-Turn **because** the year 2017 heralded the end of the Rebellion and Default. For two hundred thousand years, humanity has been going in the wrong direction.

What is this fundamental step that will change our way of living?

We are to come to understand / know the foundational cause of all our feelings, both good and bad. As we explore and investigate our feelings, each time they arise, one by one, we are to talk them through, express them to a companion or friend or anyone who will listen. As we express them, while at the same time coming to understand how they have come about, we will find that they will be resolved and that they will not come up again.

We will find that all of our feelings / emotions have their foundations from our childhood. And by childhood, that is from the time of one's conception all the way through to about the age of six. It is the repression of our childhood feelings that is the base or foundational cause of each and every one of our adult personality issues, pains, difficulties, illnesses and distressful life experiences.

We have to see the whole truth of our negative or self-denial state, before we can heal it and be free of it.

The vital difference between **emotions** and **feelings** is:

- emotions have their roots in the past,
- feelings relate to the present moment,
- emotions represent feelings not previously expressed,
- and these accumulate over time.

Many emotional clearing processes encourage us to look into our feelings, however, none go so far as to drill down into the core foundation of any emotional feeling to the point that we strive to KNOW the core issue, the origin of the feeling, be it good or bad, and actually come to know what it is!

The *Journey Process* is generally known worldwide. It stops short of longing to know, that is asking for the knowing of the events that brought about such a feeling. Yes, we are to acknowledge the feeling, say being angry. Then accept that behind that anger is the feeling of being small, and then look at the underlying reason of why we are feeling small. What is the truth behind that feeling? Ask our Heavenly Parents what is behind all of this feeling. What is the foundation, the origin of the feeling? All the time talking it out, expressing it, with a friend. The expressing of the experience is the release of the emotion / feeling, this is what removes it for ever from within our essence, our **soul**.

Why ask our Heavenly Parents? I thought God was just God – singular?

This is part of the revealings that have been unfolding for us very recently – that is – since 2002.

We are made in the image of God. This has been understood for centuries, for 2,000 years. Our soul is duplex. Our soul expresses itself through two personalities. One soul 'subdivides' into two, one half

**Feeling

the key!**

always being female and the other half always being male. We are a reflection of how God is. God being one Soul is expressed as Mother and Father. God is two personalities. They are soulmates / soul partners. And each of us has a soulmate, and our soulmate is always of the opposite sex, because the Mother and Father are the opposite sex.

Thus, when we long for the truth behind a feeling, then we can long to our Heavenly Mother and Father. Only they can tell us. No spirit personality can tell us. No canonised saint can tell us, we may as well ask our next door neighbour. That would be just as productive. Mary and Jesus can't tell us, as they are also spirit personalities.

I was taught that Jesus was God? And what is this about Mary?

Mary of Magdalene and Jesus of Nazareth were both born free from sin. Neither of them are God. They are both children of God, just like you and me.

History needs to be corrected. Both Jesus of Nazareth and Mary of Magdalene became at one (At-One) with our Heavenly Mother and Father during their physical lives here on Earth in the first century; Jesus in the year 26CE and Mary in the year 33CE, or thereabouts. Jesus died aged 35 (born 7BC died 29CE), and Mary died aged 47 or 48 (born 2BC died 47CE).

Further, their sojourn on Earth was the completion of their process to become the full Regents of the sector of planets that is referred to as Nebadon. The region within our super-universe that is referred to as Nebadon contains 3.8 million inhabited planets. If you look into the night sky, each star / sun potentially has between none to three inhabited planets within its orbit. Within Nebadon, the soulmate pair / soul partners, namely Mary and Jesus, are our Spiritual Teachers of Truth. Their domain is all 3.8 million physical planets plus their associated spirit worlds. Each physical world has seven associated spirit worlds, which is the case for Earth being one of the 37 that have rebelled.

Some 200,000 years ago, Lucifer with his soulmate and his deputy, Satan with his soulmate, brought about a rebellion on 37 of the inhabited planets within the region called Satania, one of the local universal systems of Nebadon. Earth compounded the situation through the Default of Adam and Eve about 38,000 years ago. Thus the population of Earth, being in the worst condition through the Rebellion and Default, became the location for Mary and Jesus to have their physical experience to complete their ascendancy to full Regency of the local universal system being Nebadon.

Their lives on Earth was the start of the unravelling of the Rebellion and Default. Upon Jesus becoming At-One with our Mother and Father, he was then vested with the authority and power to have the Lucifers and Satans arrested, and they now reside exiled within a prison world.

Notice that there were no records of Jesus and Mary's teachings and experiences made during their physical life. That was because they did not specifically come here for us, they came for the benefit of all peoples of all planets and spirit worlds throughout Nebadon.

As they are Paradise descending spirits, they have **Spirits of Truth**. Upon Mary and Jesus' death, they released their Spirits of Truth. As spirits, Jesus and Mary are how we will be, once we've finished our Soul Healing. They can only be in one place at any one time. However, it is their Spirits of Truth throughout Nebadon that we can connect with for guidance. It is through their Spirits of Truth that spirit personalities can progress through and out of Nebadon.

Those planets that have Rebelled need further assistance, and they need it on a localised manner. This can only be provided by another bestowal of a **Paradise Pair**, and that is in the form and manner of an **Avonal soulmate pair / soul partners** who come here specifically for us.

What is the purpose of an Avonal pair, and are they here on Earth?

Unlike Jesus and Mary who were always free from sin and did not experience how to heal themselves, the Avonal pair are to experience all of the extremes of evilness and then proceed to heal themselves. Mary and Jesus through their bestowal on Earth ended the Lucifers spiritual rebellion in Nebadon; the Avonals bestowal is primarily concerned with ending the Default of Adam and Eve by the Avonals themselves personally healing the effects of such a damaging Fall.

The soulmate Avonal pair are to be, and have been, subjected to the extremes of childhood suppression and repression, and then, through their Feeling Healing, are experiencing all the facets of emerging truth as they slowly progress through a protracted and difficult healing process. As they reach specific milestones, this also enables those in the Celestial Heavens, (the three worlds where Celestials reside) to be empowered to assist us in the physical on Earth.

The first considered milestone was the arresting and imprisonment of the Caligastia soulmate pair and the Daligastia soulmate pair. After the arrest of the Lucifers and Satans in the first century, as nothing further occurred, the Caligastias and Daligastias continued on from spirit as if they were kings and queens, suppressing all of humanity and with plans to take over the universe. It was possibly in the early 1990s that they were 'judged' and 'removed'. They were caught unaware that an Avonal bestowal pair were on Earth.

How is all this becoming known? Has Jesus and Mary communicated directly to Earth?

Unlike in the first century, when no records were kept (as the event related to all of Nebadon and it was actually setting the stage for the Avonal bestowal pair to arrive on Earth), every effort to retain records in great detail of this current series of events is now being attended to. Consider this. The New Testament of the Bible is some 300 pages. The records of the Second Coming, which this is, the primary records are possibly 6,000 pages, with direct complementary records increasing that to over 10,000 pages and with all the supplementary records to date, there may be as many as 40,000 pages, certainly well over 30,000 pages of material presently.

Jesus directly communicated through James Padgett from 1914 to 1923. Mary of Magdalene (Mary M) has directly communicated through James Moncrief from 2002 and is ongoing. Jesus has also communicated directly through James Moncrief. Neither have ever directly communicated through any one else, however, some Celestial Spirit personalities have provided information through other personalities on Earth with the support and approval of Jesus and Mary, thus some confusion, though the quality of the information is very reliable.

You say this is the Second Coming? You say I am living during the time of the Second Coming?

Yes you are. And it's more than that. This is the Second Coming, the End Times and the Handover!

In fulfilment of the prophecy in the first century, the Second Coming commenced on 31 May 1914 through the writings with James Padgett and concluded in 2014 through the writings with James Moncrief.

The End Times are well advanced. Mary and Jesus are well advanced in handing over their direct involvement with Earth to those within the Celestial Heavens. When this is completed, the Handover will also occur. **The Hand Over is to the Avonal Bestowal pair** and it is they who will guide the population on Earth through their Feeling Healing processes for the next 1,000 years, being the next spiritual age. The Handover will take place after the Avonal pair complete their personal Healing of the Rebellion and Default. Then will follow with their Spirits of Truth being officially liberated in alignment with Mary M and Jesus' Spirits of Truth upon their death.

Major events have occurred with the progression of the Avonal pair's Feeling Healing, which they are also doing whilst embracing our Heavenly Parents' Divine Love, thus they are doing their Soul Healing.

Early 1990s:	The arrest of the Caligastia and Daligastia soulmate / soul partner pairs.
22 March 2017:	Negative spirit influence was blocked.
31 March 2017:	Angel assisted healing will become available upon the Avonal pair completing their own Feeling Healing, being with Divine Love, thus it being Soul Healing.
22 May 2017:	Law of Compensation quickening.
2 December 2017:	Psychic Barriers maintaining the Rebellion and Default were cracked.
8 December 2017:	Bring on the money to 'house the future of humanity' .
31 January 2018:	Earth and the seven associated Mansion Worlds (including the two Earth planes) are officially now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default.

How does this all fit into our future way of living?

This time, in the history of humanity, is the most exciting time ever experienced.

The whole human race is suffering from repressed childhood and mind control.

Through one's Feeling Healing, and should we embrace our Heavenly Parents' Divine Love, then with their Love we are doing our Soul Healing, and eventually we can live totally in accordance with our soul based feelings and live free from error – no more fear and no more physical illnesses is possible!

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

Our soul is always perfect. In fact, we are the complete package. All that we need to know is within our soul. This knowledge has been denied from us since the time of the Rebellion and compounded by the Default. That is what was brought upon us by the Lucifers and his cohorts. We have always been meant to live true to our soul based feelings but we were taught to embrace our error riddled mind – this was aided by our parents – unknowingly all parents have taught their children to be mind dominant. **This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

“Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **Feelings** guide us through our **ascension of truth**. So they are really our Supreme Guides. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: **Longing for the truth of our self, because: we are our feelings**. So life stirs up

our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.”

Kevin of the 1st Celestial Heaven 26 September 2017

(Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.)

It is through the assistance of the Spirits of Truth of the Avonal Pair, upon the completion of their Soul Healing, that we will be guided through our Feeling Healing process, and should we embrace our Mother and Father’s Divine Love, then our Soul Healing.

Then should we embrace Mary and Jesus as our Spiritual Teachers of Truth, their Spirits of Truth will lead us on the path through the Celestial Heavens where we will certainly meet up with our soulmate and join our soulgroup, which will eventually consist of twelve soulmate pairs. Then as a soulgroup, the Spirits of Truth of Mary and Jesus will lead us up through and out of Nebadon towards Paradise.

It is then our Mother and Father in Paradise who draw us to them and we will eventually meet our Heavenly Parents.

Meanwhile, while we live on Earth, we will have assistance and guidance previously denied to us throughout the era of the Rebellion and Default. Under the Contract controlling and managing the Rebellion and Default, the powers and capabilities of our Celestial Heaven spirit personalities, all three worlds of them, were heavily restricted and almost of no assistance to us at all. Further, Nature Spirits and our Angels were heavily denied contact with us physical people because of the Rebellion and Default, all of which is soon to change, so we can look directly to them for help concerning healing ourselves and understanding all aspects of nature.

As we embrace our Feeling Healing, Celestial spirits will and can greatly assist us. In fact, during the year of 2017 they have blocked all mind spirits from the Natural Love Mansion Worlds: 1, 2, 4 and 6 from interfering with us. Celestials have taken control of all facets of living and life on Earth. Celestials are those spirits who have completed their Feeling Healing and progressed through Divine Love Mansion Worlds 3, 5 and 7 and now live in the higher Celestial Heavens, 1, 2 and 3 (when we become At One with our Heavenly Parents then we leave the Mansion Worlds and progress through the next three spheres related to Earth, hence the Celestial Heavens are also referred to as being numbered 8, 9 and 10).

The Nature Spirits of Earth, who live in the third Earth plane, can now directly interact with those who are embracing their Feeling Healing. Nature Spirits are essentially ‘angels in waiting’. They have been on Earth prior to anything that we now see living in nature. When they first started to arrive, there was no life in the seas or on land. They have consequently witnessed everything that has happened on Earth, including all prior human civilisations that we continue to largely remain ignorant of. Their knowledge and assistance is of great importance to us. We are to interact with them on an ever increasing scale. They are to become an invaluable source of information for us concerning how we are best to live with nature.

Further, we may become more aware of our **Indwelling Spirit**, which arrives for each of us during our sixth year, as we now progress with our Feeling Healing, or with Divine Love, our Soul Healing.

And all of this is possible as we embrace our Feeling Healing process, acknowledge and accept the Avonal pair, acknowledge and accept our Spiritual Teachers of Truth, namely Mary and Jesus, and more importantly, grow to love our Heavenly Parents, our true Mother and Father.

We do not need intermediaries, rituals, liturgy, dogmas, creeds, fancy clothing, or institutions. It is our soul based feelings and expressions that we may exchange directly with our Heavenly Parents. Groups may form to assist each other, and that is our choice and within our free will.

This is the greatest event in the history of humanity.

This is the Great U-Turn that humanity will embrace throughout the next 1,000 years. MoC 1,480

SPIRITS of TRUTH:**A Note from Nanna Beth:**

Sunday 10 December 2017

Note from John: There is only our Heavenly Mother and Father that one should long to for assistance with our growth.

Further, to long for the truth of feelings is assisted by embracing our spiritual parents, Mary M and Jesus, and that is facilitated through their spirits of truth.

We now understand that the spirits of truth of the Avonal pair on Earth will also become available to us in due course. These two being able to support our Feeling Healing endeavours.

What other spirits of truth are we able to embrace and what aspects of our life do they assists us with please?

Nanna Beth, 3rd Celestial Heaven: There are no other Spirits of Truth John. Those of the Avonal are in fact far more important to everyone than Mary and Jesus' to begin with, because without embracing them people won't be able to align themselves as truly with their soul so as to do their Healing as easily and effectively. It's why no one has been able to do their Healing themselves through all the years of the Rebellion and Default, because the co-ordinated action, support and guidance – direction, of the Avonal's Spirits of Truth have not been available to help. So no one has been able to systematically work their way from the beginning to the end of Healing their wrongness. And so without those Avonal Spirits of Truth, no one on Earth would ever be able to do their Healing. It's as simply as that. So you need their Spirits of Truth to Heal yourselves; then once Healed, (and for support (overshadowing) as well through your Healing), you need Mary M and Jesus' Spirits of Truth to see you through the Celestial spheres.

James: And later, I was thinking about the Spirits of Truth with Nanna Beth... could you please Nanna Beth talk more about the Spirits of Truth, as it might help John understand their purpose a little more – thank you.

Nanna Beth: As you can read in TUB (The Urantia Book) John, the Spirits of Truth are liberated upon the deaths of the Avonal pairs or Creator pair following their full physical bestowal on a physical earth world. So Mary and Jesus' Spirits of Truth have been liberated, and the Avonal pair's will be so upon their death.

The Spirits of Truth basically represent all the truth the pair has lived through their life since their bestowal. So the Mother and Father sees to it that the pair live all they need to, so as to liberate within themselves all the truth their liberated Spirits of Truth will liberate, providing help for everyone who might need their help throughout their Age. So they have to go through a lot so as to accommodate the needs of everyone who'll be living through their age. The Avonals having to account for all anyone will Heal throughout their Spiritual Age. Meaning, their Healing will touch on all the depths everyone else will go through so as to provide assistance for everyone. So the long drawn out and extended Healing they are required to do, thereby covering every denial aspect of the Rebellion and Default on a feeling level, so relating to all those levels themselves uncovering the truth of them.

The Spirits of Truth have a drawing power, which means, when you look to the Pair for help, which means, you long for the truth or way such a pair lives, that you want to be as they are, you want to live and reveal the same truths to yourself that they have revealed to themselves, then their Spirits of Truth will help you. They will literally draw you up to be like themselves in

truth. And as they are a Paradise Origin Soul, so they are literally drawing us up to the divine heart of their own truth, the paradise of their own soul, which in turn leads us onto the Heart of Paradise itself – our Heavenly Mother and Father.

And we are all to look to them (Mary and Jesus) for the way through Nebadon; and for you now doing your Healing, to look to the newly revealed truths of the Avonal pair. And by wanting to embrace, acknowledge and live such truth, you'll allow their Spirits of Truth to guide you, which means, guide you through your Healing, and guide you through Nebadon. And (this is the most important part) without them, you'd never be able to complete your Healing or find your way out of Nebadon. Or you might, however it would take you so long that the rest of the universe would pass you by. And so until such Spirits of Truth are made available, then everyone has to wait until they are, until they show the way for us to go.

So until Mary and Jesus died liberating their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. So there were an awful lot of spirits waiting for their bestowal so they could move on in their ascent to Paradise, with a general clearing out of Nebadon taking place this past two thousand years. This including many Celestials from Earth, who were free to leave once they'd completed their Healing and attained the Celestial level, and then evolved up through Nebadon.

Anyway, special dispensation is made available for people who want to currently do their Healing before the full liberation of the Avonal's Spirits of Truth. Should people look to them for Healing help and the truth, then such help will not be withheld. So people can start their Healing without having to wait for them to die and liberate their Spirits of Truth.

So the Spirits of Truth streamline everything, and basically we'd all be stuffed if we didn't have access to them. So they, and whom they come from, are rather important and an integral part of our growth of truth.

And really it's one Spirit of Truth from the Avonal or Creator soul, however it's 'split' in two as reflected by the two soul 'halves' or soulmates / soul partners – by each personality. And we need to embrace both the pair equally, not just one. So if you look to only Mary or only Jesus, you'll not allow both parts, both Spirits of Truth, to work within you. So you won't be able to keep the feminine and masculine aspects of truth harmonised, causing imbalances, which you can see in distortions as reflected by those people only adhering to Jesus via the Padgett Messages or in the Christian religions.

In all the other religions that don't even look to either Mary or Jesus, you've got the wayward mind with no hope of ever finding the truth and moving out of the mind Mansion Worlds. And that would be the same with the Avonal pair, if you look to only one of them you'll be doing yourself a severe disservice, with no hope of ever completing your Healing (as reflected by people trying to heal themselves using alternative self-help methods or their therapists or spiritual leaders, yet not really getting to bottom of the real problems at hand), so people will need to long for help from them both. And we don't need to specifically ask them personally for help (although of course we can should our life move us to be with them), we only need to long for the Truth. They can't help everyone personally because there are too many of us, so that's why they provide us with help from their Spirits of Truth.

And we need that united help to sort out our disharmony concerning the feminine and masculine within ourselves, just as they have sorted it out within themselves. And because you are taking your lead now from the Avonal pair, so you can't go ahead of them, as they need to sort out all the distortions within themselves and their own relationship, so as to offer such help through the light of their spirits, so you

can sort yourself out. So they have effectively needed to do most of their Healing before other people can look to them. And it won't be until they've fully completed their Healing that people will be assured that they can fully Heal themselves. So a lot hinges on them completing their Healing, because they then provide the way for everyone else to do their Healing.

And it's not that everyone else will do their Healing the same as the Pair have done it, but that everyone will do their Healing in their own way, yet will uncover the same truths the Pair uncovered for themselves. Which is why Jesus said: follow me, because we are to literally follow him and Mary up through Nebadon once we've finished our Healing, by revealing to ourselves through our feelings the same truths they revealed to themselves through their feelings. So by the time we complete our Nebadon stage of existence, we'll have lived all the same truths Mary and Jesus lived through their ascent of Nebadon following their bestowal into flesh.

And so it will be the same for people looking to do their Healing by looking to the Avonals. So in no way will the Avonals or Mary and Jesus ever stand in the way of people and spirits getting to the Mother and Father; on the contrary, they will only assist people to look to God and NOT to themselves. Which is what the Avonals can only do and claim, once they've finished their Healing. Which is why they will be reticent to stand up and declare themselves before they've completed their Healing, preferring people don't really know about them, because they don't know about what it all involves themselves until they are fully Healed. Because they know that until they are fully Healed, they'll still inadvertently be leading people astray, or standing in the way of God. However knowing that, they will at least also be able to angle and present their preliminary truths taking that problem into account, so people can avoid such pitfalls with their help.

And once they have completed their Healing, then they can honestly announce to the world, should they feel they want to, that the way is now clear, people can follow them and do their Healing and they won't be standing in their – the New Age has officially begun. That they will then be doing all they can to help people complete their Healing, link up with Mary and Jesus so they can keep ascending through the Celestial levels, all to one day move beyond and out into the greater Superuniverse on the way to Paradise.

James: Thank you Nanna Beth, and just as an aside, the real New Age is yet to begin, it being when the Avonal pair declare it's begun, with the so-called New Age of some years ago being a false mind fantasy new age.

Nanna Beth: Yes, nothing whatsoever to do with the real New Spiritual Age that's soon to begin, however something of a vague forerunner that was something more to do with feelings, even though it was still about looking to the mind to further the control of them.

SPIRITS of TRUTH and HOLY SPIRIT:

More from James regarding Spirits:

The Holy Spirit provides differing support and guidance to that of the Indwelling Spirit. The Indwelling Spirits guides one to God, our Heavenly Mother and Father; the Holy Spirit brings Their Divine Love into our heart.

The Spirit of Truth becomes active ONLY when we choose to follow the ‘owner’ of that Spirit of Truth. So in our cases, Jesus and Mary Magdalene. We have to want to live the same truth as they are living, so ‘be like them’ and in doing so this activates their Spirit of Truth. And so if we choose to be as they are in truth, to live how they live the truth, to be of truth and the same truths they are, then with their Spirits of Truth assisting us we will come to relate to our Mother and Father just as they do.

We are growing spiritually in Mary and Jesus’ universe. We have to want to be as they are in truth, if we don’t want to do that then we’re rebelling against them. And if we don’t embrace them, then we’ll never leave Nebadon, the region of the universe that encapsulates Earth.

The whole idea about having Spirits of Truth coming from Paradise Pairs is so the ascending mortals (us) of that universe (from the Creator Pair) and specific worlds (from the Avonal Pairs), all end up living the same truths. And if we didn’t live the same truths, we’d all still remain all over the place and have nothing we can all connect with and relate to in each other.

So we can come from all over the planet, from very diverse races and cultures, yet because we all end up embracing the Spirits of Truth that are to help reveal the truths we are to know, so we’ll all be able to connect and relate to each other through the truth we’re living, all being able to live happily together as Celestials, and eventually as Celestials on Earth. It’s the Spirits of Truth that bring us all together, homogenises us if you like. And if we all lived true to them, we would not need any rules or laws because we would all be living and knowing the same truths – so all living the same way only expressing those truths individually.

Steps UP!

Quantum Jump 1

REVELATION 1
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father’s Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

Quantum Jump 2

REVELATION 2
Marion and James Moncrief 2002 – ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity’s turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

Rebellion and Default officially ended

Since the Rebellion of two hundred thousand years ago, humanity has allowed the mind to control us. This has resulted in untold pain, chaos, and evil. Yes, our minds bring about the evil within each of us, and evil we all are. The greatest evil that we have embraced is the rejection of our true spiritual leaders, culminated by the denial in our life of our Heavenly Parents.

A little less than forty thousand years ago, a pair were sent to Earth to uplift humanity's gene pool and spirituality. This pair became distracted by taking partners rather than adhering to the plan to bring about children of their own. This default was orchestrated by those who brought about the Rebellion. Thus humanity became embroiled in a Rebellion and also a Default.

Two thousand years ago, due to the incarnation on Earth by a Paradise Son and Daughter, the Rebellion was ended. The soulmate pair, Master and Mistress Lucifer were removed and remain confined.

OUR SOUL is WHO WE ARE:

We are the personality of our soul. We never lose our personality.

We are a reflection of our parents' personalities. We wilfully embrace our parents' character traits and way of living and beliefs.

Our heritage is an outcome only of who we incarnate / individualise via.

All humans are descendant from Aman and Amon (Andon and Fonta), who lived about one million years ago. Not Adam and Eve who arrived about forty thousand years ago. We all have the same colour skin pigmentation, just different amounts of it. It is our soul based personality that is who we are! Our nationality and racial background is imposed upon us at birth.

Aspects of the health care community are recognizing that our childhood repression, our childhood emotional injuries are the direct cause of physical discomfort, pain, and subsequent illness. Further, our emotional injuries during our forming years determine the quality of our life and life expectancy.

Few have even recognized that child deformities are a direct result of the collage of emotional errors and false beliefs of the child's parents. Parents bring about the deformities and illnesses of their own children due to the emotional issues that they hold repressed within themselves.

Correlation of Levels of Consciousness – Soul Condition – and Society Problems

500 - 600	0%	0.0%	98%	0.5%
400 - 500	2%	0.5%	79%	2.0%
300 - 400	7%	1.0%	70%	5.0%

< 50	95%	65.0%	0%	98.0%

We are to express our feelings, both good and bad, at all times, and to long for the truth of them.

We now know that to release our childhood repressions, emotional injuries and errors, we are to feel the pain of them and talk about them, expressing them through releasing by talking openly and freely about them to a companion, friend, partner, to our Heavenly Parents or just anyone, including one's self.

Notes from Messages from Mary and Jesus – book 2 Mary Magdalene 28 April 2003
via James Moncrief

We want all people to know that they can, as of now: become as perfect as they were made by Their Heavenly Parents. By this I mean, that through your healing you will steadily work your way back to being of a pure soul just as you were before you incarnated, and before you embraced all the evil and negativity that we have been telling you about. We want you to see and hold as a real goal, that you can become, as you once were, that of a pure, true and perfect soul, expressed through your spirit and physical forms. We want to impress on you: all that now gives you trouble, can be healed, and it will be taken from you by the Mother and Father as you progress in divining your soul.

You can easily do it in your physical life time, and now whilst the Divine Love is available They will help you with Their Love to become the true and real you. As a true and real person you will then be a Celestial spirit in flesh, being so new and different from how you are, feeling almost like a new creation.

Setting out to live totally with the Mother and Father in charge of your whole life means accepting all that They want you to have. You can at any time stop your healing and resume the reigns of your life getting some of your old life back, but to be able to go the full way in your healing, will require a full commitment to yourself. They will honour all that you ask of Them and meet you half way, but as for your half it will do no harm to think about what you are setting out on.

Your healing is all about feeling bad: wanting to feel bad because you want the opportunity to say how bad you feel about absolutely every little thing no matter how petty or insignificant you feel; no matter whether it's a worry or concern, or a pain or anguish; a doubt, a criticism; anything that feels bad is what has to come out. As you embark on your healing I want you to also understand that it is all about

feeling bad – the more bad you can feel the better. And you ARE going to feel bad a lot of the time – REALLY BAD. It is not just a matter of embracing the Father's Love and feeling overwhelmingly good and flying high with all fears and doubts being swept aside.

You are going to feel all the bad you feel now, and all the bad you felt during your childhood. If you don't remember feeling bad during your childhood, you still have to want to see if there are bad feelings buried deep in you that you are not aware of, feelings you have shut out of your mind, so its imperative that you must want to feel bad – that you want to accept your bad feelings and stop denying them.

All those feelings you wish would just go away are the ones you now must wish to have, and own, and express, and own up to, as being a part of you.

And all through it I want you to ask, and even if necessary, to beg, the Mother and Father to show you the truth of why you are feeling bad. THIS IS EXTREMELY IMPORTANT – TO WANT TO KNOW THE TRUTH OF WHY YOU ARE FEELING BAD. For without wanting to know why – what's the point, you may as well just keep on denying them, doing things believing they are making you feel good.

If you fight it and continue to resist it as you are living now, then it will never come out and will only fester away inside you slowly rotting your insides out. No evil nastiness is too bad for Them. It is you who cannot tolerate it of yourself. But if it is in you it has been put into you, and you have taken it on, even if you have hidden it away from yourself. So it must come out! And no one is a pure saint, on the contrary, you will all be cursing and swearing before you are through.

The more you can express yourself the better it will come. Over time you will see how it will go for you. Get help whenever and wherever you feel you want to. There are no rules, no shoulds and don'ts, it is all up to you and ONLY YOU, ALL THE TIME.

Ask the Mother and Father to break down all your negative mental patterns, to show you all your wrong beliefs and behaviours that have resulted because of these beliefs – ask Them to liberate all your childhood repression. Ask Them to strip you back to your pure soul and tell Them that you want to live with a pure and positive and loving mind. Tell Them that you want to see every part of you that hates yourself and why you do; and you want to feel and see why you are angry. Want to hate and be angry. You don't have to do anything about any of your feelings except honour them, and accept that you have them – just allow yourself to be them and express them. When you feel like killing your mother or raging at your father you don't have to follow through with such actions, but you do have to allow yourself to feel how much you want to kill her or rage at him and say what your feelings make you feel and what they make you feel like doing. Tell your friend or partner, tell the Mother and Father, ALL you feel. No matter how embarrassed, or humiliated, or shameful, or terrible, or stupid, or bad you think you are, admit it all by telling your friend and the Mother and Father you feel this way. Don't hold anything back. Don't lie to yourself. Be honest and true – admit and own up to all bad feelings and thoughts no matter how perverted, evil and wrong they may be. Remember it's not the real you, it's only bad stuff that has been put into you.

Your parents are in the same state as you. Even though they caused it all in you, still they too are victims of their parents. They will have to do their healing in their way and in their time when they are ready, if they are not already doing it. Your healing is all between you and you. It will include other people, but it is all just seeing it in you that you must want to do. You don't have to do anything more. The Mother and Father will do the rest. They will take it away when you have seen the truth of it and seen it all. They will heal you and fix you as you go, and They will fix one part which will then allow you to move onto the next deeper part, and so on until you are finished.

Mary Magdalene

29 April 2003

You are a soul and even though you may not know what this means or have any feelings about it, still you have a part of you, which is the real you, that is pure and not bad. It has never been influenced directly by all the wrongness you have suffered, however it does have the ability to retain all the experiences of the wrong, so that when you are ready to do your healing, it will steadily bring all the bad feelings and experiences back to you helping you to see the truth of it all. This is necessary, for you need to accept all that you are and all that you have experienced. Nothing about you and your life can be simply left out, forgotten about, or pushed aside. You need to live with continuity from beginning to end, and at all times.

What the negative system does to you is make you not accept all that you are, by not allowing you to be all that you want to be. You are stopped and restrained from being the true you, causing you to put much of yourself aside. And much of this is all the pain and hurt and unloved feelings you experience as they are happening to you. So you become blocked off from various aspects of yourself. And all of these bits of yourself need to resurface if you are to progress through the heavens on your way to meet with the Mother and Father in person on Paradise. You cannot have any overlooked or hidden parts of you, not one part of yourself that you don't wish to see, or else you can't live and ascend in the purity of soul-light that exists in the higher parts of Creation.

The planetary circuits are being reconnected now and this is all but finished, so from this perspective, the influence of the Rebellion and Default is fully over. All that now remains, is for individuals wishing to live lives of a real and true soul state, to begin to do their healing.

From this time on, any soul-healing done by a would-be-parent will be automatically passed on to their young children. So children will be able to be born not completely entrenched in the self-denying evil negative state if their parents have advanced in truth. Love will truly be able to beget love, and truth will be able to beget truth. And this is how humanity will begin to ascend in love and truth over the coming years.

The Mother and Father, having asked you if you wanted to live in this negative way before your incarnation, also took it upon themselves to make sure that once it was all done and you've recovered your soul entirely, you would benefit forever in many ways of love, all of which await you. Many who are now passing through the Celestial spheres will testify to this, and once they move out into the greater Universe they will see this even more so. You have chosen to do a wondrous thing for your Heavenly Parents. They fully know how hard and torturous the negative life is, but still They want to be able to fully express all Their aspects of love, and you are helping Them to do so by living in and then healing your negative unloving – no-love lives. If free will is truly to exist in Creation it is right that experiences of love and no-love should exist.

To do your soul-healing is to want to give all of you over to Them, to regain all the attributes of your soul-personality that are currently being repressed, and in particular your freedom of will. And this is the beginning of your *reward* for submitting to the semi will-less state of living in a negative mind system.

Jesus

29 April 2003

It was only James Padgett, one man, in all history since my time, that has had in his heart a true and pure desire to know the truth: an absolute desire for the pure truth of his relationship with his wife. This being vitally important for what we wanted to achieve with him. And all because of his pure heartfelt longing on which he had placed no condition: to know the truth of his beloved Helen, were we

successful with him. It wasn't just a pure soul longing to know the truth and nothing else, not wanting it for any other reason than for itself – that had to wait until you, James, and Marion came along. The Rebellion and Default stopped such pure and true longings for the truth.

Jesus 2 May 2003

The greatest error possible: complete denial of their soul and extreme celebration of their mind. They are in effect in love with their mind and nothing else.

Jesus 3 May 2003

I want to help you understand more how those in the natural love spirit Mansion Worlds (I'll call them the mind worlds from now on to simplify things for you) see things and live life: that being just as they did when on Earth, with the parents being the controllers and the children the subservient ones.

Always present in these mind worlds is a feeling of the *higher* being more superior to the *lower* and dominating them. This you can now detect as you read these books and can remember from your own experiences when you were like them. The mind spirits tend to cover this up by making you feel that they are superior to you in knowledge leading you along saying in one way or another: if you follow us and be good, and do and believe all we say, then the bad things will not happen to you, you'll be loved and looked after, and you'll be able to control your own reality. And this is all good for you, and you too will be able to progress and become like us. Everything has within it the feeling, that so long as you are subservient, doing exactly what you are told, the better it will be for you. And this is exactly what most parents say to their children in one way or another. And you as the child are praised if you abide by their rules, and if you don't, then you can expect to be punished – bad things to happen. So you live in a constant a state of fear, of being punished; and being so young, you don't know what good and bad or being right or wrong, actually are.

You currently live lives devoid of meaning, and full of truthlessness. You do not use your experiences to show you, or to uncover, the truth. Your mind uses them for its own purposes and at the expense of your feelings. And by doing so you don't communicate properly, you don't express yourself freely. You live untrue to yourself. Your experiences are all but wasted. You live a whole life; work, have a career, have a family, all for what – what does it mean. What does it mean when it's all over and you are left with nothing but to start over in spirit? What was the point of it? What was it all for? What happens when you run out of places to runaway to, things to do to hide from your bad feelings? What happens when you can't go on denying yourself any longer? What happens when it all starts to break down – what do you do? And the answer is nothing, for there will be nothing to do. You won't be able to fight it, only go with it, accept it and see where it takes you. And this will be your healing.

And this can simply happen to you when you come to the end of the road, or you can start to willingly embrace it by longing for the truth, by wanting to know what really life and yourself and God are all about.

And when you seriously want to know the truth, then you'll be willing to destroy all that you believe yourself to be that is untrue and unreal; to *die*, to *kill* the wrong untrue you through unconditional self-acceptance, so that you can be born anew in truth.

Jesus 4 May 2003

Now imagine if you did not fight. Imagine you gave in and were totally true to yourself. This is hard to do especially as you most probably don't know what being true really is like, but imagine if you just

said no to them and did not try to get any power yourself. And if you did this something would change. You would not lose yourself and not join the Rebellion, and would be able to live true to your feelings of love. Jesus was able to do this. Imagine Joseph and Mary when he said no. No! Like most parents they won't tolerate such insolence and apply the pressure even harder or try other manipulative measures to get what they want. But the beauty of Joseph and Mary were that they did not fight Jesus or try to coerce him to do what they wanted, instead they tried to listen to what he said and tried their best not to force him to be untrue to his feelings. And they were rewarded, for look at what their son became, he made them feel greatly honoured and very privileged. And as a consequence they helped in a very – the most – hands on way possible of any mortal to avert and terminate the Rebellion by allowing Jesus to be himself and to do what the Father asked of him. As two humble people they did more for humanity than all the rest who say they are serving God's Will and going out trying to spread the *word*. You have them to thank for supporting and allowing Jesus to grow up and be all that he could be, and do what he did: terminate the Universal Rebellion and Planetary Default and bring you the truth of His Heavenly Father and Father's Divine Love.

Give into the rebellion within you, give up the fight, and don't fight back against yourself and them (your parents within you). Give into your bad feelings instead of fighting against them. Give in, express and long for the truth of these unwanted feelings. Accept, instead of reject them – treat yourself in the opposite way to how your parents treated you. Let go and come back to yourself and try to just concentrate on your relationship with yourself and the Mother and Father – do your soul-healing.

The Rebellion and Default are alive and well inside you whilst you persist in living untrue to your soul's true nature. And in this state you can no more do God's Will than fly yourself to the moon. Give in to yourself, into your bad feelings, allowing yourself to destroy the wrong and *bad* in you through self-acceptance, self-tolerance, self-care, and unconditional self-love. And with the Mother and Father's support you will steadily break yourself down and find complete self-respect. And when you finally respect yourself fully, then so too will you be fully respecting the Mother and Father, and then you will NATURALLY be doing Their Will.

Further Events

Around the year 2000, due to the progression in Marion and James' healings, through Feeling Healing with Divine Love, Marion and James had created the circumstances for the removal of the Caligastia and Daligastia soulmate / soul partner pairs, thus removing the last vestiges of the Rebellion created by the Lucifer soulmate pair.

As Marion and James have progressed with their soul healing they have enabled further milestones to take place in the progressive lifting of the restrictions of the Rebellion. One being the open Revelation of the soulmate / soul partner of Jesus as being Mary of Magdalene, that God is a soul, and like us, the soul of God is represented by two personalities, namely Mother and Father.

Further milestones continue to unfold. On 22 March 2017, the capacity for spirits from within the natural love mind Mansion Worlds, (numbered 1, 2, 4, 6) to influence humans in the physical on Earth in a negative way was blocked. People on Earth who were basically an open channel to these spirits now do not have their guidance. This will be reflected in world affairs and events. Prominent people who seemingly were seen as very capable will now struggle. Without this unseen 'guidance' they will make assumptions and decisions blindly thus bringing about embarrassing and clumsy events. This is already apparent within world news.

Though Jesus and Mary had revealed the availability of Divine Love and that Mary had introduced the need and way for those close to her as to how to do their soul healing through Feeling Healing, as James and Marion call the process, no continuation of the practice nor records were made for after the death of Mary and Jesus in the first century. Nor did the Apostles long for and ask for Divine Love after Jesus' death. No records of these particular teachings were made by Mary and Jesus as they understood that what they conveyed would be used to further evilness, and this is so. Jesus had announced that there would be a second coming, and it is the writings through James Padgett and James Moncrief that constitute the second coming of Mary and Jesus.

The fact is that what was considered to be conveyed to humanity in the first century was always intended to be conveyed at a much later time when humanity was ready and open for such. That is now. That is why this is a most incredible time in the history of humanity.

There is much more to this being the Second Coming than just the return of Jesus and Mary. There is a great deal more.

We have had the availability of truth from Mary and Jesus through their Spirits of Truth since their deaths in the first century. Now we will have added to their Spirits of Truth, the spirits of the first pair who complete their soul healings while living on Earth. Humanity will have access to this guidance in due course. We are entering an era of one thousand years where this guidance will be available for all of humanity to access and embrace as they so please.

Humanity can now evolve in a manner never before possible.

God's Divine Love: Pray for it, ask for it, and receive it.

To liberate one's real self, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

EMOTIONS affect SPECIFIC ORGANS:

Emotional injuries and held errors have specific energy signatures and vibrations. So does each part of our physical body. Errors held within one’s mind affect the flow of energies through one’s spirit body, the spirit body is the template of the physical body. The resulting energy flow constrictions then initiate issues, and then pain, and then illnesses within the physical body.

OUR FIRST TEACHERS:

Descendants of Andon and Fonta (also called Aman and Amon), our First Parents, not being Adam and Eve, delivered teachings that were faithfully memorised and later recorded as the SACRED and INSPIRED WRITINGS. Through later generations, writings were progressively preserved via way of hieroglyphic symbols that are the basis for the writings on temples in Mexico, South America, Cambodia, India and Egypt. Six sets, each of about 10,000 tablets, were carried from Mu (Lemuria), these were then located at: Tibet, Deccan Plateau in central India, Gobi Desert in Central China, Upper Egypt, Babylon in Mesopotamia and Mexico City. Further copies of each of these original sets were further made.

However, from the teachings of the leaders of the Rebellion, 200,000 years ago, stem all of the world's major spiritual and religious teachings, all being in error and contaminating the sacred and inspired writings, all suppressing one's soul based loving and truth based feelings and bringing about dependence upon one's erroneous mind. BC=BCE AD=CE

From the above ancient clay tablets can be found the Lord's Prayer and the Ten Commandments, though there were 42, Moses was a practical man and condensed them. Also Moses five books are derived from the ancient clay tablets, possibly the set that was in the southern region of Egypt. Those writings had been heavily contaminated by the teachings resulting from the Rebellion.

By longing for the truth of one's feelings and for our Heavenly Parents' Love is the way forward.

HIERARCHY of our SPIRITUAL GUIDANCE:

Our Heavenly Mother and Father permanently reside within Paradise, an island stationary world surrounded by Havona, in the centre of seven Super Universes.

Our Heavenly Mother and Father, being one soul manifesting two personalities, bring about the creation of:

Creator daughters and sons – Michaels

Magisterial daughters and sons – Avonals

Trinity Teacher daughter and sons – Daynals – and others.

The Michaels and Avonals have Spirits of Truth to be released to assist the humanities on their assigned inhabited worlds.

Each Super Universe consists of 100,000 Local Universes.

Each Local Universe is overseen by a Creator daughter and son, our local universe is called Nebadon and Jesus and Mary Magdalene are the Michael pair and regents.

A local universe consists of 10,000,000 inhabitable worlds of which 3,840,101 are inhabited within local universe Nebadon.

A local universe consists of 100 constellations which is made up of 100 systems. Each system has 1,000 inhabitable worlds. The system that Earth is in is Satania and 619 worlds are inhabited.

Emanating from within the Local Universes are Melchizedek, Vorondadek, Lanonandek, Material and Life-Carrier pairs. None have spirits of truth – they are not from Paradise.

From within the Lanonandeks, assigned to oversee the system Satania, which includes Earth (Urantia) were the Lucifer, Satan, Caligastia and Daligastia soulmate pairs, who rebelled. Further, Adam and Eve, the Material son and daughter, defaulted because of the Rebellion. All failed in their assignments, causing us (humanity on Earth) to be spiritually misled for 200,000 years – that is why we are all ‘insane’!

Earth has had five higher spirit physical bestowals:

Daligastia soulmate pair being Lanonandeks

Adam and Eve soulmate pair Material son and daughter

Machiventa Melchizedek soulmate pair

Creator daughter and son – Jesus and Mary Magdalene

Avonal daughter and son who are yet to commence their public ministry.

LUCIFER REBELION HAS ENDED, and now REVELATIONS for HEALING are HERE:

Lucifer soulmate pair

Satan soulmate pair

Caligastia soulmate pair

Daligastia soulmate pair

Lucifer soulmate / soul partner pair were magnificent beings, a brilliant personality as one. They were designated as one of the one hundred most able and brilliant personalities in more than seven hundred thousand of their kind. From such a magnificent beginning, through evil and error, they embraced sin. They believed that their minds were all powerful and that everyone should be independent and reject the illusionary God and those who lead the path to God, namely Michael of Nebadon (Jesus and Mary).

Very little was heard of Lucifer on Urantia (Earth) owing to the fact that he assigned his first lieutenant, **Satan** (also a soulmate pair), to advocate his cause on our planet. The “devil” is none other than Caligastia (again, another soulmate pair). At the time Michael (Jesus and Mary) was on Urantia in the flesh, Lucifer, Satan, and Caligastia were leagued together to effect the miscarriage of his bestowal mission. But they significantly failed.

About five hundred thousand years ago and concurrent with the appearance of the six coloured or Sangik races, Caligastia, the Planetary Prince, arrived on Urantia. There were almost one-half billion primitive human beings on Earth at the time of the Prince’s arrival, and they were well scattered over Europe, Asia, and Africa. The Prince’s headquarters, established in Mesopotamia, was at about the centre of world population.

Caligastia had been attached to the council of the Life Carrier advisers on Jerusem. Lucifer elevated Caligastia to a position on his personal staff, and he acceptably filled five successive assignments of honor and trust. The Planetary Prince of Urantia (Earth), Caligastia, was not sent out on his mission alone but was accompanied by the usual corps of assistants and administrative helpers.

At the head of this group was **Daligastia** (soulmate pair), the associate-assistant of the Planetary Prince. Daligastia was also a secondary Lanonandek Son. He ranked as an assistant at the time of his assignment as Caligastia’s associate.

Lucifer, with deputy Satan, and lieutenants Caligastia and Daligastia have ingrained into the human psyche to be mind dominated with its errors passing down through all parents, being self reliant and rejecting one’s own soul based feelings that are to lead us to our Heavenly Parents with the truths being provided by Mary and Jesus of Nebadon. Lucifer and Satan were removed two thousand years ago, Caligastia and Daligastia have very recently been removed. Their crimes against humanity make Adolf Hitler appear to be a saint!

First Parents being First Ensouled Humans

Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some **one million years ago**. Andon and Fonta were the most remarkable pair of human beings that have ever lived on the face of the Earth. This wonderful pair, the actual parents of all mankind, were in every way superior to many of their immediate descendants, and they were radically different from all of their ancestors, both immediate and remote.

The Lucifer soulmate pair believe that the mind is superior to all things. Thus they convinced the inhabitants of 37 inhabited planets within the universe of Nebadon, including Earth, to become self reliant and abandon God and Their administrative leadership. The Lucifers brought about the Rebellion on Earth two hundred thousand years ago. So for 200,000 years of spiritual darkness, humanity has suffered the consequences of one's error ridden mind.

REBELLION

Adam and Eve, the Adamite soulmate pair, came about **thirty eight thousand years ago** to upstep the gene structure of humanity and advance their spirituality.

DEFAULT

Both Eve and Adam mated with local humans and accordingly defaulted on the plan. They were to breed a superior stock that would then interbreed.

Mary of Magdalene and Jesus of Nazareth, soulmates, **two thousand years ago**, both retained perfection, and during their sojourn on Earth were enthroned as sovereign rulers of Nebadon. **The bestowal of Michael (Jesus and Mary) terminated the Lucifer rebellion.**

The Second Coming, **now in progress**, reveals the availability of Divine Love and the need for each person to engage in the process of Feeling Healing. With the Divine Love then this process is one's Soul Healing.

REVELATIONS

× 2

There are 100,000 MICHAEL soulmate pairs as REGENTS throughout our SUPER-UNIVERSE:

One of these 100,000 dots represents Nebadon, our local universe, consisting of 100 constellations with each constellation containing 100 systems which in turn have 1,000 worlds. The system in which Earth is within is called Satania.

Nebadon has some 10,000,000 physical planets, of which 3,840,101 are inhabited. The regents of Nebadon are the soulmate pair being the Paradise Creator pair, Mary and Jesus.

This structure is repeated throughout our super-universe, called Orvoton, 100,000 times. There are some 100,000 Regent pairs, equivalent to Mary and Jesus, throughout our super-universe.

There are 7 super-universes that rotate around the Isle of Paradise which is the home of our Heavenly Parents, our Mother and Father. Thus, there are some 700,000 Regent pairs equivalent to Mary and Jesus.

When we progress beyond the spirit mansion worlds, we enter the first of the three Celestial spheres, the home city being Jerusem, this is also the home city for all 1,000 physical worlds in Satania. From there we will progress to Salvington being the head quarters for Nebadon and the home of Mary and Jesus. Then we progress to Paradise.

Earth

NEBADON, our LOCAL UNIVERSE:

A Local Universe – Nebadon. One hundred constellations (about 10,000,000 inhabitable planets) constitute a local universe. Nebadon contains 3,840,101 inhabited planets.

A Constellation. One hundred systems (about 100,000 inhabitable planets) make up a constellation.

A System. The basic unit of the super-government consists of about one thousand inhabited or inhabitable worlds.

Earth is #606 in the system of Satania and is the latest to have human life. *Jerusem* is the headquarters of our local system of Satania. Thus *Jerusem* is the city to which we arrive when we fuse with our indwelling spirit having sufficient Divine Love following our Healing and enter the first of three Celestial Heavens, all being for the 1,000 physical worlds within Satania.

Salvington, in the centre of Nebadon, is the headquarters and home of our Creator Daughter and Son, the Michaels, namely Mary Magdalene and Jesus.

All descending Daughters and Sons of God have high and divine origins. They are dedicated to the descending ministry of service on the worlds and systems of time and space, there to facilitate the progress in the Paradise climb of the lowly creatures of evolutionary origin — the ascending daughters and sons of God (humanity – us). Those Daughters and Sons who come forth from the Deities on the central Isle of Light and Life are called the *Paradise Daughters and Sons of God* and embrace the following three orders: Creator Daughters and Sons – the Michaels, Magisterial Daughters and Sons – the Avonals, the Trinity Teacher Daughters and Sons – the Daynals. All three groups have Spirits of Truth, no others do.

The remaining four orders of descending daughter and sonship are known as the *Local Universe Daughters and Sons of God*: Melchizedek Daughters and Sons, Vorondadek Daughters and Sons, Lanonandek Daughters and Sons, and Life Carriers.

The chief executive of a local system (such as Satania which includes Earth) of inhabited worlds is a primary Lanonandek Daughter and Son (was the Lucifers), the System Sovereign. The Lucifer Rebellion in the system of Satania was the last and the most widespread of all. Thirty seven (37) inhabited worlds were seduced into rebelling, by following the Lucifers and their deputies, the Satans. Earth then went on to Default at the time of Eve and Adam. Later on we crucified the Creator Son, Jesus, and ignored Mary. So now we have the physical presence of an Avonal Pair. Only the Avonal Pair can take on all of our wrongness and heal themselves. It is their Spirits of Truth that we are to long to so that we, humanity – all of us – can then heal the Rebellion and Default that we have all embraced.

END to the REBELLION and DEFAULT – 31 January 2018:

31 January 2018: Nanna Beth: Yes John, very good news we want to pass onto you for your records. Earth and the seven associated Mansion Worlds (including the two Earth planes) are **officially** now fully under the control of Celestial spirits. And this means John, that Earth is now ‘Ours’. It’s been a long time coming, but it’s a huge milestone and marks a tangible and real end to the Rebellion and Default. It’s one of a number of ‘End’s’ that are to occur.

With the departure of the Caligastias and Daligastias some years ago, humanity has been in a state a limbo so far as who is doing what with it, it not being allowed to be left alone so it could do whatever it liked, it always needing to have a spirit connection. With the mind spirits, as we’ve told you, basically calling the shots still happy to ignorantly carry out C&D’s plans. But now with our systematic and progressive take over, we’re now in complete control.

And what that means is we have our fingers in every pie and we’re on the case so far as what everyone is doing. However it doesn’t mean we’re taking over and telling humanity what to do and how to be, although we are able to work more with certain individuals directly and indirectly helping to move or point or orientate (depending on how you want to look at it) individuals, groups of people, whole societies, the whole world, according to the plans given to us by the Melchizedek Receivers.

So humanity will still carry on outworking it’s unloving, untrue and rebellious state, that has to be worked through to its natural conclusion, however we want you to understand and just know that it’s another end of things and beginning of the new. And it’s basically what we’ve been working with you in connection with James this past year to achieve. There is a lot more to it and how and why it’s been done, and done as it has been done, however you can find out about all of that when you come over.

So we Celestials will guide humanity now according to what our Mother and Father want, so humanity’s got a real tangible safety-net under it now, so no more ‘downside risk’, it all being to move it toward doing its Healing.

I’ll speak again soon – love Nanna Beth.

The New Way: learning how to live true to ourselves by living true to our feelings.

REVELATIONS

Revelation 1: Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively feel into our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

Revelation 2: We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

Immortality with the Love.

Messages from Mary and Jesus

book 1 by James Moncrief

14 April 2003

I want to change track now James and say a little about the future, when, as Jesus told you in the Padgett Messages, the Mother and Father will stop offering their Love to humanity.

Over this forthcoming new age of one thousand years, people will work on their soul-healing with the Divine Love becoming generally more accepting of childhood repression and its consequences, both personally and impersonally, integrating them into everyday life. After this next planetary age when the Love is withdrawn for a season, people will be totally reliant on doing their healing with their feelings to the degree of perfecting their natural love. This time will be humanity's true healing time, when it will learn to love itself – to put itself first, all by putting the individual first. This needs to happen, as time needs to be given to humanity for it to heal its wounds and to understand the trauma it has suffered; all the while getting itself into the correct will and mind state to turn to its Heavenly Parents, longing for Their Love. And when it is finally ready to choose the Divine Way, another high Daughter and Son will come, to re-offer the Divine Love.

During this time of only natural love, humanity will increasingly want to perfect itself for God, as people perfect their own love for themselves. I don't want people then to believe that the Mother and Father have withdrawn Their Love because They are angry with humanity, for that will not be the case. Humanity still needs to evolve itself in natural love to the equivalent of Mansion World six perfection, but without the negative influence of the Rebellion and Default. And when humanity has achieved this, then the Divine Love will be made available once again, and people and spirits will be able to complete their soul-healing in Mansion World seven. The offer of Divine Love, starting with the coming of Jesus and I, has only occurred as a rescue mission, to terminate the Rebellion and Default, and to stop humanity's headlong rush into damnation. It will in time be seen as the Mother and Father reaching out a helping hand to those who sincerely want to live true, enough to allow people to change, and to start to see that how they are living in the negative is bad for them. And this change is due to take place over this forthcoming age. The last two thousand years has shown you what you can do with a Son of Truth's love, turning it against your soul and against all that is good, perverting it into what you call being Christian and the Christian Churches. You have seen, or at least will see, how such erroneous and evil beliefs only hurt you further; only continuing on the denial begun by your parents. And over this forthcoming age you will gradually wake up to the truth that things are not right within you individually and collectively, things coming from your early childhood being the cause of all your problems. Gradually, the evil self-made conspiracy you live under, will be exposed. The lies and deceit will be uncovered for all to see. Already you can see the cracks appearing in the walls of the established institutions, and no little boy is going to be able to put his finger in the dyke to hold back the floodwater.

Humanity will need time to heal its disconnection with itself, and it can only do this by focusing on accepting all the feelings it is currently denying. Certain societies pride themselves on not showing their bad feelings – their anger and displeasure, but this will have to end. Such wholesale feeling denial can't continue if humanity is to find any peace of mind.

Time will be given to help you see just how wonderful and good life can be when you are not denying any part of yourself. Humanity is to unite together doing its feeling-healing learning how to be compassionate and sympathetic, giving up its insatiable compulsive need and hunger for power and control. There will come a time when power seekers will be frowned upon so heavily they will not want to continue in their efforts for fear of facing ostracism. And no one wants to be cast out, ignored and left to feel alone. You know all too much what this feels like from your early childhood, so it will become a big incentive to give up one's power seeking. Life on Earth will be very different then: imagine applauding people who strive to live without any false mind-conceived power, wanting them to be the

leaders instead of worshipping and wanting to emulate those who are like your current all-powerful false leaders.

This time of seeking natural love perfection will be a wonderfully creative time for all. It will see the rejuvenation of Earth. Humanity will cease to abuse nature and insist on working with it.

People of this future time will refuse to do anything that they wouldn't do to themselves: why do anything to hurt another person or creature when you are only hurting yourself; and when there is simply no need? Why take out your need for power and control on nature, when nature doesn't seek to control or have power over you?

Currently you only hurt nature because you are hurting yourself. You are nature. If you weren't abusing yourself, you wouldn't tolerate nature being hurt. And you are just as unconscious about what nature feels, as you are unconscious about what you feel. If you deny yourself the pain of feeling bad, then you won't see the pain you're inflicting on nature, as you won't allow yourself to feel, to be sympathetic with, the pain nature feels. And how can you when you don't even feel your own pain – **WHEN MOSTLY YOU DON'T EVEN KNOW YOU ARE IN PAIN, LET ALONE CAUSING IT ALL YOURSELF!**

Currently humanity is destroying itself, you are rotting, poisoning, destroying yourself from the inside, and your evil self-destruction is being manifest and reflected by your unloving treatment of nature. Your outside world about you reflects what you are doing to your inside world. A person who hates nature, hates their own nature. A person who feels nothing for nature, feels nothing for their own nature. You are nature, and it would be wise to start considering your own nature instead of using nature to hide from your true feelings.

Currently you are living in an extreme unloved condition, and because of this the Mother and Father have offered Their Love to you well ahead of normal planetary times. They have given you a life raft to see you to shore, and then once on dry land, you will be able to set about living on the isle of paradise that this world can be. Earth, believe it or not, is destined to be one of the outstanding physical splendours of Creation, one of the jewels in the crown so to speak, and an outstanding tribute to humanity that has been tried and tested: has lived completely in denial of the Mother and Father, and then has risen in triumph over the dark forces of evil.

Imagine instead of destroying a species you are able to reintroduce one. Life during this future time without the Divine Love will gradually become more exciting. As you do your healing you will glimpse what life will be like in future when ALL are doing their healing. You will not feel the desperate need that you currently do, trying to do something to fill the huge hole of love deprivation that you feel inside. For those people of future when the Divine Love has been withdrawn, who are doing or having done their feeling-healing, life in all its daily facets will be fulfilling, and they will feel so loved, and live with so much love, that the fact that the Mother and Father's Love is not readily available will not matter; and will only be the icing on the cake to eclipse all states of love when its made available once again. And then one day, with intense excitement, the Mother and Father will send another Avonal pair to announce that the way is once again open, and the Divine Love is free for all to long for.

Now as you partake of the Divine Love it feels like only a tonic to get you through the day. When you are healed it will make you feel like your soul is singing, soaring with love, so exhilarated and regenerated, and all-loving.

Whilst you are trapped within your negative mind state, the feeling of the Divine Love is dulled quite

considerably as your soul is not free to express how the Love truly makes you feel. You have no idea how the Divine Love will make you feel, and you can't until you have completed your soul- healing because the Divine Love will not infringe on any of your bad feeling negative state. The Divine Love being the all-accepting love the Mother and Father are, will never impose itself on you, so with only one tiny bad feeling, you can block out all the affects of the Divine Love, because the Divine Love won't interfere with this bad feeling. It will never override you putting itself before how you are really feeling. So can you see how imperative it is that you are of perfect natural love BEFORE you will be able to allow the full fruits of the Divine Love to express itself within you. Before you will feel completely loved by your Heavenly Parents.

Those people who believe they feel the Divine Love making them feel greater joy, love and happiness, but are as yet to do their soul-healing, are not feeling the Divine Love. They are only feeling a heightened feeling of their natural love. You can't, and I repeat, CANNOT, enjoy the full benefit or feelings from the Divine Love UNTIL YOU HAVE COMPLETED YOUR SOUL- HEALING. UP UNTIL THEN THE LIGHT IT WILL GIVE YOU WILL BE SEVERELY DULLED BY THE DARKNESS OF YOUR NEGATIVE UNLOVING, SELF-DENYING AND REJECTING CONDITION.

As I have told you, currently you have no conception of what love really feels like, and what it is all about. It is virtually a foreign thing altogether, and that which you do feel is love is so weak and limited, because it has to exist within so much buried anger and hatred. You are lucky if you feel good at all. And so many people accept that how they feel is as good as they will ever feel, just trying to be comfortable within their life, and hoping nothing bad suddenly looms up to ruin the *nice* state of relative equilibrium of no love and a dead-feeling life, they live in.

Compared to how those in the future ages will feel, you are corpses walking around pretending that you have a life. You are living dead, completely miserable, and only existing on the grace of God. You are the living example of the power of the soul to keep sustaining you when you are experiencing no love and no nourishment of spirit from life. You live only to corrode away with pain, which if does not come now, will surely come as you get older, and if not now in flesh, then later in spirit where so many people believe they will be damned to darkness or have to pay terribly for their life of sin. To pay terribly, to suffer even more, for only living a dead live, a non-feeling and non-expressive life; a horrible boring life of meaninglessness imposed on you by those who should have loved you, doesn't seem right or fair, does it?

Those people on your world who pretend they know what happiness is and try to help others to live how they do: to live a 'well balanced' life, don't really know what they are speaking about. But what can you do when you have nothing to go by? Imagine having days upon days of feeling good – very good. Days in which nothing effects you in a bad way; days of feeling you are brimming over with health enjoying every second of life, and this only gets better and better – and then even better! Most people can hardly imagine, let alone believe, it can or will ever happen to them, and yet this is what you all dream about. It is a longing that is within you all, a plea for help from your soul, and as you work through your healing and free yourself slowly, this reality will come to you. And when you are fully healed you will not have to do anything to promote such good feelings – your life will be good feelings! All you do will cause good feelings! This is what you can hope for. And the Mother and Father will see to it that you are not disappointed – you will see for yourself.

That is all I want to say for now James. Thank you once again. Mary.

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing ourselves to feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU
FEEL, THINK AND ARE.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

Please Mother and Father help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

Please Mother and Father help me see the truth of myself through my feelings.

Please my beloved Heavenly Parents, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

Please Mother and Father, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

Please Mother and Father help me, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

Please Mother and Father love me. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

Please make me feel how unloving I am. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the 'dead' way; the feelings way is the 'alive' way.

Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

Please God show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

Heavenly Mother and Father, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

Please Mother and Father fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

I hate you Mother and Father; why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

I long for Your Divine Love Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

Feelings First Spirituality, The New Way

Feelings First Spirituality, The New Way is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

Feelings First Spirituality is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

Feelings First Spirituality has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

Living the New Way of Feelings First Spirituality

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

And to do this you need to do your Healing

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

Feelings First Spirituality **The New Way**

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Notes from 'Feeling Healing' by James Moncrief

Heartfelt TRUTH

Our FEELINGS are our SUPREME GUIDES:

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.**

Kevin 26 Sep 2017

Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: **So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.**

FEELING HEALING

Note: The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

Note: **Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.**

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and totally true.” James – Introduction Course to Divine Love Spirituality

 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.
 Want to understand why you're feeling them.
 Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
Your feelings are your spiritual guide.
Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one’s feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God’s Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we’ve all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

 Living the Rebellion and Default.

Hell:
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

WE are meant to grow up LIVING FULLY CONNECTED to our FEELINGS:

Humanity has always had an awareness and involvement with spirits, with life on the other side, because we are all heading that way, we all end up dying and becoming one of the spirits, and were humanity living rebellion-free, then nearly everyone would enjoy some level of spirit involvement either directly or indirectly, loving such an expansive awareness in life.

We are meant to grow up living fully connected with our feelings in our physical reality, and at the same time with full feeling awareness of spirits and life after death, because after all, God is the greatest Spirit of us all.

And so having an awareness and involvement with spirits can, and should, help us have more of an awareness with our Mother and Father. And it's not with just spirits, it's also with the angels who are with us all the time, and the nature spirits should we be open to them, and even higher spirits if we are to work with them, such as the Melchizedeks or Trinity Teacher Pairs. But mostly for those people involved with the Divine Love, it will be with the Celestials spirit group that is assigned to help them.

It is very important to understand that spirits and spirit life is meant to be part of life on Earth. However that's not to say everyone need to have an ongoing relationship with their spirit friends, but they can at least still be aware of spirits and spirit life and where we will be going and something about what to expect once we die. And when you are open to it, lessening the grip of one's fears about it, then we will find it will be just another aspect or level of life, and one that can give us quite a lot of comfort.

TRUTH LOVING SOUL V ERROR INFLICTED MIND

**Feeling
Healing with
Divine Love is
the key!**

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Messages from Mary and Jesus

book 1 by James Moncrief

14 April 2003

I will continue James. Jesus.

It is indeed a wonderful picture to contemplate, that of future humanity not plagued by such error and darkness. To imagine people opening up their hearts with love, as they live! – rather than dying, as their hearts cloud over with despair and the lack of love. Oh, it will be splendid, and very long awaited. But it will happen only when people start to understand the significance about expressing all they feel. Then your soul of love, which is good and true, will come forth. It will come through in all its shining glory, and peace will truly come to the human mind and heart.

Today I want to speak about the hells. These are places that exist within you now. You do not come to spirit, get judged worthy or not, and then sentenced to heaven, purgatory, or hell and damnation for all eternity. No, it is not like that at all. What does happen is you go to live in a place in the spirit Mansion Worlds (or in one of the two lower Earth planes) that is more in keeping with the needs of your soul. This place may or may not appeal to what your mind believes it wants or needs, and so it might seem not as nice as what you were dreaming of, or it may seem even nicer. It all depends on the relationship you have between your mind and your soul. Your soul wants you to heal yourself. Your mind doesn't, so a conflict exists, and this is the battle for the soul that is talked about, and it is being played out right now in yourself, and you need not wait until you get to spirit to see it more clearly. When you criticise yourself or feel bad about yourself in any way, it is your mind fighting for supremacy within you. It is fighting those who made it feel inferior – your parents. And in spirit this battle goes on.

It is entirely up to you as to how long you wish to remain in this state of inner conflict. Many spirits in the natural love spirit and mind Mansion Worlds, just as on Earth, try to use their mind to dominate the conflict by making themselves believe they are more loving and less hateful and angry than they are; even deluding themselves by believing they are good and advancing their minds up through the natural love Mansion Worlds. And others choose to dwell in their evilness and so inhabit the dark planes of the first Mansion World, those areas collectively called the hells. Whichever way you choose, you are living in a false way, a false and untrue reality created by your mind and reflective of all the negative influences you endured and absorbed during your childhood.

When you choose to do your healing, with or without the Divine Love, you can no longer run away, telling yourself lies and believing all sorts of incorrect things about yourself. There will be no getting away from it, you will be brought back to yourself, back to what you felt and experienced during your childhood and early forming years.

For many in spirit it is just as they lived on Earth. They feel they have some power in their life and they believe they are doing what they want, feeling relatively happy in this. But when it becomes time to see the truth of the real state they are living in, then the pain rises along with the inner pressure as their soul makes them start to feel that which they have been avoiding. (And this can also happen whilst alive on Earth.) Those spirits in hell that say it is just that, hell, do so because their soul is making them face some truth of how they are, and they don't want to see it. They don't want to have to admit to such pain, and to the truth, that they are causing it all themselves. However, there are just as many who live in the hells who don't as yet feel such inner pressure, and would tell you they enjoy their way of life, and don't want to be interfered with. They want to indulge in all that their life is, feeling the false power it gives them by being decidedly evil, and so they are left to it; no one is going to stop them being how they want to be, no one that is, until their own soul starts to feel it has had enough self-rejection and needs to move on.

Well along in your healing when the pain rises and you feel very bad, at times you will feel like you are living in hell. You will feel hellish and as though you've fallen down a deep well, sunk deep into the yuk of your being, and these feelings are right for you to feel. Because it will be time for you to reconnect with these same feelings you felt during times when you were forming and growing up. Much of your early childhood was spent in hell, that is, not in the hell the real place, but in hell within your own emotional and spiritual state of suffering, rejection and pain, all brought on by feelings of not being loved as you needed to be by your parents. And when as an adult, you find yourself living in hell, the place; and when your soul wants to use this experience to help you see the truth of your hellish state, then it will make you feel the exact same bad *hellish* feelings as you did as a young child.

The difficult part in it being that whilst you live as an adult in a place called hell, because the outer appearance is so vastly different from your home with your parents; and because you don't allow yourself to remember all the hellish feelings you felt back then with them, you don't connect the two; but if while you feel really bad just staying focused on what your feelings are making you feel, then whether or not you are actually in hell, you will through your healing be able to feel at the same time, that you are re-living your childhood feelings. On a soul reality your childhood feelings and experiences (all feelings and experiences) are still *alive* within you.

You are still the little child feeling as bad as you did, and it's by accepting and expressing your adult bad feelings now, that you can reconnect with your child bad feelings back in your early childhood, because the feelings are the same. It's through the feelings that you reconnect to your early childhood, and through your feelings that you can then see what was done to you: how and why, and what you felt; you don't so much see it as clear memories, but you can perceive it through what you are experiencing as an adult – all being brought to light by and through your feelings. It might be hard to understand, but your soul will put you into experiences as an adult when you are doing your healing, that in a feeling-sense will match exactly what you felt all those years ago.

The inside feelings will be the same; the outside surrounding environment and circumstance causing the bad feelings, different. And if you can just concentrate on your feelings, the outside won't distract you, it will instead help you to connect – by feeling – back into your childhood, effectively making time become irrelevant; and so you can bring to bear on your childhood experience adult awareness and understanding, so you can as an adult find out the truth of what as a child you experienced.

As an adult, unbeknown to you, you are still only living your childhood patterns, and if you were able to be in touch with all the feelings, incredibly you would see, that experiences you are having now in your adult life, are on a *feeling level*, EXACTLY the same experiences you had as a child. You are always just cycling through your childhood patterns, even though your adult situation and experiences seem so vastly different from those of your early childhood. But on a feeling and truth level – on your soul level – they are not. And the further you progress in your childhood repression healing the easier this becomes to relate to, until you reach a point in which you have so re-connected with your early childhood you almost feel as though you *are* re-living it hand in hand with your adult life, as if the two are one and the same.

You don't feel childish as an adult, but in certain moments you can feel the feelings experienced now, as you did back then, with you being able to almost shift your reality focus at will between your current adult life now, and your early childhood life back then. So as an adult you will feel so too are you a child. At times this of itself can be very disconcerting, because when you feel pathetic and powerless, you won't want to feel like your still only four years old feeling the same bad feelings, even speaking and behaving as if you are still that child, but still you have to do so as to re-connect with yourself back

then, so you can truly re-experience knowing all you felt, what you felt, why you felt it, and its impact on you.

As you will discover when you are dealing with your feelings and the truth, you can move into a timelessness, truth being existential, so when as an adult you experience your re-connection with yourself as a child, you will be able to understand all you experienced back then, something you weren't able to know and understand about then as your mind wasn't fully formed; and this is what your soul wants you to know. It wants you to uncover the truth of all that you are; the truth of all the experiences that formed you and have made you as you are. And because you have persisted in rejecting your formative years, as they made you feel so bad, it is all the repressed bad feelings from these years you have to liberate. So, can you imagine something of how incredible the whole healing experience is, and something of what might be involved?

During your childhood you were made to change from being naturally good to being bad, and it hurt. Now you are being asked to change back to good from bad, and it hurts just the same.

All that you do in your life that is wrong: evil or sinful, will only cause more of the pain you were made to feel as a child. And this pain will surface as bad feelings, and it's your choice as to whether you accept it and seek the truth of it, or reject it. And if you reject your bad feelings all that pain doesn't just go away, it will remain within your soul having to show itself at another time and in another way; it can't just remain buried within you forever. Some day it will start to come out; and some day it will come out with such force that your usual bad-feeling-denial practices won't be able to make it go away. Some day, be it on Earth or when you come to spirit, you are going to hurt; some day your soul will want you to start paying attention to what you are feeling. And there is no better way for it to gain your attention than with pain.

As there is no hell as portrayed by the churches, neither is there a final Judgement Day. There is no roll-call, all that has been made up by the evil ones to further their control over you with fear. And to believe that such things exist will only keep you bound into your negative mind. No one has the authority to judge yourself but yourself. And even when the higher spirit judges of the realm make their judgements, as spoken about in *The Urantia Book*, it is always in complete respect of a souls own wishes. If they were to judge your annihilation for example, it would only be because that is what you wanted, and you would have to prove time and time again that it *is* what you want. They would judge you whilst giving you frequent opportunities to see for yourself that all is not lost; and they would judge that you should be given all help and love, and only then if you still refused to accept this help and love would they, after all the options had been explored, comply with your souls wishes.

Lucifer and Satan and the other evil ones are serving their own self-imposed penance. In time they will see the evil of their ways. They won't be treated any differently by the Mother and Father as we are, and will be given all help and love so they can choose to make amends for what they have done. And just because they chose to live and be evil doesn't mean they should simply be removed from the face of Creation for being bad. They are like any erring child or adult, and need to be given many opportunities to grow up and see the error of their ways, and to feel the consequences of what they have done – to feel what they want to do, and are to do, about their negative actions. Simply chopping off the head of the bad one is not helping them to solve their problem. They have erred because of something within them that is wrong. And so all Creation should be concerned that they find out what this problem is and heal it. And when they heal it, then they will be able to live as redeemed children, having forgiven themselves of all their badness being much wiser for their experience; and no doubt a lot of help to others that might also have or develop the same problem. Evil is only a state of mind, a choice of how to live, it's not of itself, bad. It's not a separate entity, a devil, or a completely evil personality. It only occurs when in some way someone hurts another, when someone stops another from freely expressing

themselves – and when they stop themselves from freely expressing all they feel. Evil is a consequence of what you do whilst you are self-denying and self-rejecting, and it makes you and those affected by it feel bad. And by feeling bad, then one knows something is wrong and something needs to be looked into; something needs to be understood as to why one is existing anti the love of oneself and God.

Humanity has been affected by outside forces, the Evil Ones, the perpetrators of the Rebellion. You are not intrinsically evil. It's not just an affliction mortal man has. You are merely the ignorant ones carrying the evil that has been inflicted on you. You are evil by default. It is entirely your decision as to whether or not you wish to continue living this way. Nothing more. And so at any time you can choose to stop being how you are and do something about it. For most people, because they do not understand this truth, they need pain or some such impetus to alert them to the fact that they are not right, and that something in them must be wrong. But you don't need to go this far, you can choose at any time to wake up to the truth of yourself and begin to see what lies within you below the exterior you are manufacturing to keep yourself blind to, and ignorant of, your negative state.

You are completely self-contained. You will blame your parents for what they did to you through your healing, but when you are healed, you will be able to see how you took it all on wilfully from them; and so wilfully you have to choose to divest yourself of it and set yourself free. And this can only happen with love – your own natural love, through acceptance of all your badness and bad feelings, together with the help of the Mother and Father's Divine Love. And so it is entirely true that love is the cure-all, and that love will heal you, your love, and the Mother and Father's

The original spirit Evil Ones cannot affect you now. Mary and I terminated their negative influence on Earth and their reign in spirit. Now all evil is self-contained, passed on from your parents to yourself, for you to take on and do whatever you want with in your life. There are no other outside evil forces or influences affecting you without your say so, and those in spirit who are still of a negative mind, can only come to you and evilly affect you if you want them to. If you don't they are powerless to interfere with you. You only have to not want such interference from evil spirits and they will not bother you.

Many say they do not want the influence from such spirits, yet continue to be bothered by them, seemingly unable to get away from them, with these spirits always wanting to speak to them and tell them what to do. But these people are not being truthful with themselves. For even though they say they do not want such negative influences about them, they must still in some part of themselves want it, otherwise the spirits would not come. It is the Law. And such people if they do truly want to be rid of their bad attending spirits, need to start honouring, accepting and speaking about all their bad feelings to do with them, all whilst seeking the truth of why these *bad* spirits are coming to them. You have to remember that what you say you want on the surface might not necessarily be what you are wanting on deeper and more life determining levels within you. It's easy to not want something with your mind, but deeper within you, you secretly do want the attention, even if it is negative and makes you feel bad. Remember it's always your negative unloving childhood patterns that are governing your adult life, not just what your mind wants. And to expose these hidden deeper levels is what Mary and I are helping you understand regarding the importance of wanting to find out the truth of what is really going on within you.

When your life does things to you that you don't want and makes you feel bad, it does so because of these deeper life determining forces – composed of beliefs and behaviours established through your childhood, all of which are repressed within you; all of which you are unconscious of. And your healing is designed to make you conscious of them, so you can decide as to whether or not you do want your life conditioned by these forces.

As hard as it might be to understand, you are willing all the bad things to happen to you that do happen in your life. Your soul is making them happen; the Father and Mother are making them happen, all so you can feel bad, and through these bad feelings find the truth of why you want it like this. And as your soul is you, it's your responsibility to want to honour these bad feelings, to gradually close the gap between you and your soul. Eventually you'll get to the point by which you will know and perceive why your soul is manifesting what it is for you. You will be living fully present and expressive of the moment, and the truth will come to you as you experience it. There will not be a need to delay between you having an experience and feeling the feelings it generates, and the truth of these feelings coming up within you. You will be able to live, once you've completed your soul-healing, directly experiencing the truth in each moment, and when you do, then you will feel satisfied and purposeful in life.

And why the Mother and Father allow bad things to happen to you; why They organise them to occur, is because They are honouring your deeper unconscious life determining patterns – those negatively formed in your unloving family life. They are helping you get what you want, that is, what your negative pattern wants – what your evil state wants. They love you so much They are prepared to, and do help you, maintain your evil state, all so you can experience all you want in it. They have even created you to have a negative beginning. If you want to be self-glorifying and self-gratifying and indulge in all your evil sinful ways, They won't stand in your way. They allow you to freely express yourself, all your badness, because they love you unconditionally. So when you choose to stop hurting yourself, then They will help you to see the truth of these negative patterns. When you want to give up, They will help you.

Bad things will still have to happen to you right through your healing, because until you're completely healed you will have negative determining patterns, but these bad things will lessen as you progress, as you won't need them to impact as harshly on you the more receptive and open you become to your bad feelings. And the quicker you can accept and express your bad feelings, and find the truth of them, the less amount of time you'll need with the bad experience persisting making you feel bad. Your parents hurt you, and you took over hurting yourself from them. That is what you do as a child: learn and absorb all that your parents are. You learn to do to yourself what they did to you. You treat yourself as they treated you. And so long as you persist in living in this negative unloving state, the Mother and Father will comply with your wishes. This is why God allows bad things to keep happening. If you want God to stop making bad things happen, then you have to stop them happening within yourself, and God will comply with these wishes.

You are taught that life is up to you, to make it how you want it to be. It is all you, you, you. No one else exists or matters. It's all for you. You cannot conceive of giving your will over to another, for then what would you be – nothing more than a slave? And even if you want to live God's Will, still you fear giving up your own freedom and becoming a slave to God. And what if God asks you to do something you don't want to do, what will happen then? How can you say no to God; and if you don't do what God says, how angry will He be and what sort of recompense will He ask of you? What will His punishment be like? God is very scary when you don't believe He is all-loving, believing He is capable of extreme wrath. But this God is only a God that is like your parents. To make Him as your parents were you have judged Him by all you know them to be. And so if they treated you harshly, of course you would expect God to do the same; and if they loved you or you believe they did, then of course you will believe He loves you; and if they made you feel unloved but somewhere you heard God wasn't like them, then of course you'll believe God to be the opposite and all-loving.

As a child you look to your parents to love you, and as you don't know anything else but them, so they *are* god. And as you grow up, innately you feel you are a child of God's so you want God to love you. And you are told God does love you and you accept this, but the trouble is you are looking and relating

to God through the eyes of how you relate to your parents. Your parents and your relationship with them stand between you and God. And if it doesn't match up, then it can cause problems or cause you to see God incorrectly. And so you won't really know what you do truly feel about God until you have healed everything to do with your parents.

It is also because you look to your parents – but your parents failed you in their love – that something like the church can bring itself between you and God, acting just as if it is another parent telling you how to be, and what you should do, and how you should relate to God; and telling you what God is asking of you. So you have to get rid of them both, your parents and the church, and anything else that stands in the way of you having a true relationship with the Mother and Father. And until you do, no matter what you think or feel about God, it will still be heavily conditioned by what you think and feel about your parents.

When you have found the true and real you, and can relate to God truly, then willingly you will want to submit to Their Will, because you will feel that it will only bring you more good feelings and all the love you need. But until you've completed your healing, this will remain only a belief, an aim or desire, something unachievable, but something you can long for.

Those people who claim God is in control of their lives telling them what to do and how to be, have only replaced their parents with Him. They still want to be controlled, but just not by their parents. They didn't like the control their parents had over them, so delude themselves into believing they have shrugged off such parental control replacing it with God. And God has much more authority than their parents, and they have chosen God, when they didn't choose their parents, so they feel they have more power by being able to control their own life. But they haven't changed anything. They are still powerless, and by committing themselves to God in this way, they are only actually committing themselves further to their parents.

Many people become very disillusioned when they come into spirit believing that they have been living a good and true life, all according to how God wanted them to live. When they find they need to ask Them for Their Love to ascend, and need to do their soul-healing, and realise that all they were doing that they thought was good and true, was merely another version of what their parents made them do, they feel they have wasted so much life. They feel so disappointed and so despondent when they see that all their so-called *good-works* have been nothing more than doing what they unconsciously believed their parents wanted them to do. To go off and be a missionary converting the heathens to the way of the church is nothing more than doing something you believe would please your parents (whether you are aware of such belief or not). It isn't anything about what God wanted. It is all a terrible waste and a big mistake, because now such *well-meaning* people have interfered with so many people, forcing their way, the way of their parents, on innocent ignorant people who didn't know any better. They did to these people just what their parents did to them.

The child is the innocent, primitive, a newly emerging person, that needs to be respected and allowed to fully express itself and grow up freely, choosing for itself how to live as an adult. It doesn't need or want its parents imposing by force or threat their way on it, all to its own creative detriment. It wants to be free to choose its parents way, but only if that way makes it feel good. And if its parents do make it feel good, then of course it will copy and absorb all that they are, able in turn to make others feel good. And it will do the same if its parents force it to follow them making it become unloving like them, making other people feel bad.

To go out there and spread your parent's way all over everyone and everything, calling it doing God's Will and being a faithful supporter of the church, is not a nice insight to have and wake up to. To realise it was all an act of evil, of doing something that was very wrong; taking over another person's life and

making them be how you want them to be, causes many spirits to break down in shame, guilt and humiliation.

No one really wants to wreck another person's life, not even parents. They don't want to impose evil on their own children, but in their ignorance, do all day long. It's a shocking thing to wake up to and face when you start seeing the truth – for both parent and child. You believed you were so well meaning, when all you have done is the complete opposite. It is completely shattering to see how misguided you were, but it's understandable, you knew nothing else, and forgiveness can be found within yourself as you progress in doing your healing. All is not lost; it's only just a beginning to start to come clean. All will work out in the end, even for those you have hurt. For as you will see: truth will heal all.

That is all I want to say on this for now James, but I will answer that question you had as to whether Gabriel has written to humanity through a mortal soul. Gabriel, the real wonderful angel of light and his counterpart, have never *written*, as we are doing: to a mortal revealing truth. And they never will. They have had occasion to commune and *write* passing on certain information, but not truth. They cannot reveal truth, as it is not their place. **Truth revelation is reserved for the Daughters and Sons of Truth.** Angels can elaborate on what has gone before, and unless they have themselves fallen from grace, will only elaborate on what is true.

Many souls on Earth who have claimed to be spoken to by angels have not, they have only communicated with natural love Mansion World spirits pretending to be angels. It's easy for such spirits to project *angelic feelings* or some *white light*, all to effect belief in the ignorant and often gullible person, that it is an angel speaking to them.

When there were fallen angels that could speak to humanity, before Mary and my coming, many mortals did commune with them, but still such angels only told people what they wanted to hear, they didn't talk about anything to do with truth.

If an angel falls, it will only fall due to the influences of a wayward Son or Daughter of Truth. Those that fell following Lucifer and his partner could only support all they said. Such evil angels, couldn't for example, go off and lead their own rebellion. Rebellions are rebellions against the truth, so brought about by Daughter's and Son's of Truth. Angels never rebel openly themselves, they are too pure of mind and of service to the truth – to the Daughter's and Son's of Truth – to do so.

Angels are the most beautiful mind creations, and being of mind, follow the allegiance of the Infinite Daughter (Mind) Spirit who's chosen to eternally and faithfully serve the Truth, the Eternal Son, and all Sons and Daughters of that Son. They are the mind serving the truth, or put another way: the mind serving the heart and feelings. And they reflect, or show to you, how your mind will perfectly, eternally and faithfully serve your heart, your truth, when it is healed, being: true, pure, perfect and positive.

If people claim to be speaking with an angel, look to see the information and truth they are speaking about. And if it is not in line with what Mary and I are teaching you about the Mother and Father, Their Love and your soul-healing, then look again.

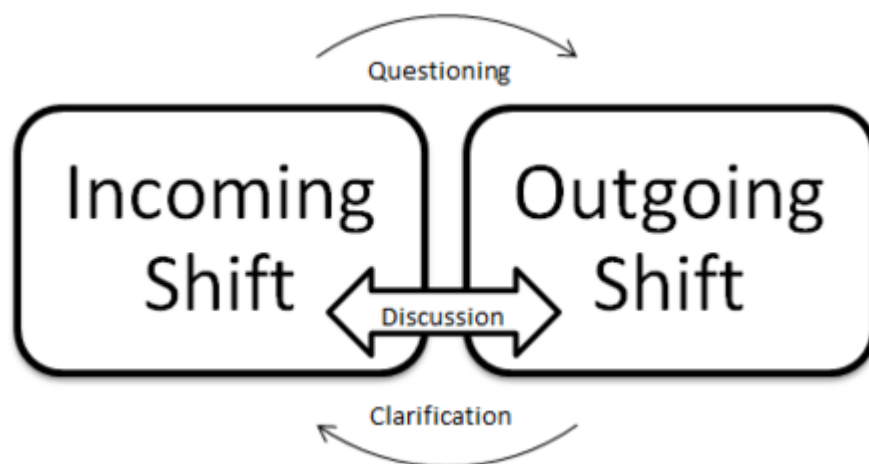

Angels, for many people, hold an even higher feeling of divinity than Sons and Daughters of Truth. They are considered pure and the true messengers of God and could do no harm, but they are, as we all are, free to carry out their own mandates of creation just as they choose, albeit based on the predisposition of the Son and Daughter they serve. Not all have been so noble, but as I said, you no

longer need worry about them. And why I didn't openly speak about them to Mr Padgett was because at the time it wasn't appropriate; I wanted him to remain focused on what I was revealing to him, and not to fill and busy his mind with what could potentially be distractions.

Angels, as beings in their own right, do exist, and in the higher Celestial spheres you will meet them. And one day, when humanity is well advanced in the healing of its negative mind condition, angels will be allowed to come and fraternise with those on Earth. They will do this from spirit, they will not incarnate into flesh, as some people seem to think they can, because only the sons and daughters of truth can do this.

For now the angels are kept separate from you. They are with you, and everyone is served by them, just not too personally. It wouldn't be good for many *younger* (less experienced) angels to be continually subjected to the negative unloving evil minds of mortals, so they remain at a distance. As you progress through your healing and lessen the impact and effects of your negative mind, then your angelic pair will come closer. And it is quite conceivable that many people will openly commune with angelic guardians. If this is to be so for you reader, when you are ready, they will make themselves known to you.

I will finish now James. I too thank you once again, Jesus.

DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

PERSONALITY

**Our soul is the centre of our personality.
We are children of our Heavenly Parents.
Our soul manifests a male and
female personality - it is a duplex!**

**SOUL GROWTH UP THROUGH SPIRIT
MANSION WORLDS:**

- A. We all arrive into the 1st Mansion World before being drawn to where we are suited. Living on Earth is typical of living in the hells – being the Spheres of Disharmony. With one's natural love and mind dominance, one can pay their compensation – being pain equivalent to the pain they have caused others and one's self. In this manner, one can progress through mind Mansion Worlds 1, 2, 4, and 6. With natural love only, one cannot progress beyond the 6th mind Mansion World sphere. The mind Mansion Worlds are self reliant experiences.
- B. Should one embrace the Mother and Father's Divine Love while advancing within any of the natural love mind Mansion Worlds / spheres, then one will be draw to the 3rd Divine Love Mansion World to commence their soul healing which is doing their feeling healing whilst longing for and receiving Divine Love. This process overrides the Law of Compensation as the soul healing is experiencing one's repressed childhood injuries and liberating one's soul will. Progression is through spheres 3, 5 and 7, and then into the Celestial Heavens. With the receiving of further Divine Love, one evolves even further.
- C. Presently, we can embrace Divine Love here on Earth, on transitioning into the 1st spirit world, we will continue with our Feeling Healing while longing for Truth and the Divine Love and progress through worlds / spheres 3, 5, 7 and into the Celestial Heavens.
- D. For those who do not embrace God, one can embrace their Feeling Healing and perfect their soul whilst paying their compensation and reach the 6th Mansion World. With a perfected soul, having also resolved their childhood repression, one may then embrace the Mother and Father's love and progress directly into the 7th Divine Love transitional sphere and then into the Celestial Heavens and onwards. This is how it was meant to be.

Messages from Mary and Jesus

book 1 by James Moncrief

DISTRACTIONS!

15 April 2003

Mary

So many people pray to Jesus believing they love him and the Father as one. And yet they do not ask him personally to show them the truth they should live or the way to God. They do not long sincerely for the truth, and aren't prepared to step outside their faith or question anything about their traditions and beliefs. However, it is not enough to rely on tradition and belief alone.

I cannot tell you how strong a hold the church has on those who give over to it and the Bible. It is crippling their soul even though they sound as though they love Jesus and God more than anything or anyone else; and so much so, that they would die for them and their faith. But what about myself? How do it figure in it, and the Mother as well? What about the rest of the truth that is not in the Bible? One book cannot contain the whole truth of Creation. If it is used as a starting point from which you would quickly go on, then it might have some merit, but to limit your whole life's growth to it, is absurd. So many souls, countless numbers, come into the spirit worlds having put all their life's conviction into the Bible – it has been their whole life, their whole world. And it is terribly difficult to tear themselves away. Fewer practising Christians enter into the Divine Love Mansion Worlds, compared to all spirits of natural love, and yet more Christians of the natural love Mansion Worlds and on Earth contain some Divine Love in their soul. It's ironic that Christians who purport to love God, do, and have received some Divine Love through a sincere longing to God for that Love, and yet they refuse to do anything further that God wants, namely, grow in truth. They refuse to confront the churches beliefs and their own childhood control, and seek the true way of God – the true way of their feelings. And yet many heathens who love God in other forms than that of a Heavenly Father and have not received any Divine Love, are far more open to the positive influences of the higher Divine Love spirits. So can you see that just having Divine Love in your soul, doesn't mean you are instantly divine, all-loving and living the Will of God; all it means is you have some Divine Love in your soul, and it is waiting to help you with your soul-healing when you choose to face the truth of yourself.

Divine Love of itself doesn't heal your soul; your longing for the truth with all your heart and soul, and your preparedness to give up all that is wrong, is what heals your soul of its evil negative state. The truth perfects your natural love allowing the Divine Love to then come in and shed it's transforming – divining – light over it, and all through you. The Divine Love allows you to progress closer to Paradise the source of such Light and Love. And without it you wouldn't be able to ascend your way up through the heavens growing in truth. But all of this only begins to happen ONCE you've started your soul-healing.

So don't be fooled into believing that just because you are partaking of the Divine Love you are on your way to Paradise, healing and transforming your soul. For as I said, that won't happen until you start your soul-healing and your true growth of truth. Until you start to live earnestly, longing for the truth of all you feel.

Your world would be in a much better state had you lost Jesus' truth all together, and if he was just considered some mystic who came and said some things, had a hard time, and left the hard way. It would have been better had he become something of a myth with no real identify. Then those who did sincerely want to seek him would want to know him in person, for the person he is; and find out for themselves if he is real and what it was he did teach, and was it relevant to their lives. Then Jesus' Spirit of Truth could freely function, and they might have been able to follow their feelings being led naturally to the truth. The people who have never given Jesus much thought and come to the Divine Love with an open mind, often readily accept he and I because they can more easily feel the impact of our Spirits of

Truth on them. They can feel, and as a result know, we are who we say we are, without all the preconceived beliefs, prejudice and expectation of such beliefs.

The Bible, because it was constructed by negative minds and for negative and evil purposes, can easily be used as a controlling force especially with little children. And as you know, once you have been interfered with as a child, and that negative pattern becomes a part of your mind's belief and behavioural system, then you accept it like you accept your parents: as if it were God and right and true. And it then takes a lot to shake and shatter such a foundation of falseness. Your whole will clings to it not wanting to give it up, because if it does, then what will happen, how will you live life?

You are also correct James in your conclusions that what these God-fearing Christians believe: the energy that descends and makes them feel like jumping up into the air and praising God, or making them burst out speaking in tongues, is all controlled by spirits in the natural love mind Mansion Worlds. Undoubtedly the Holy Spirit does come to some who are sincere in their longing for God's Love, even bringing a similar feeling of descending and moving into them, but it will not make you jump with praise or speak in tongues.

You read that the language they speak when speaking in tongues is ancient, but it's not. It's not a language of itself, that being something humanity has ever spoken. It's a contrived language, if you want to call it that, inspired by the spirits in the natural love Mansion Worlds, as a part of their controlling measures over their faithful. It began many years ago by ancient spirits that lived before Machiventa came, and it has been used ever since. It generates an extraordinary feeling, and when spoken, because it seems out of this world, and they want to believe it is the Holy Spirit or God speaking to them, then that is what it is to them. If you were to experience it James, you'd feel it as an invasive energy descending on you, wanting you to give into it, open your mouth, and speak. The spirits controlling it deliver the whole package to the willing and ignorant receiver. But you wouldn't submit to it, your mind would reject it, your truth would make you react to it, as if an allergic reaction. I'm afraid James you'd be no good, nothing but a failure (yet again), as one of these Christians. And I think you'd end up rather tongue-tied!

A part of its appeal is it gives the recipient a feeling of power, and that they have joined something of a special and secret club. As for the hidden messages given, well that's up to interpretation by the one who can *translate* the special language, nothing more really than how charlatan clairvoyants conduct business.

Receiving visions, prophecy, specific instruction from God, spirits or any other source, is a thrill, but it should be kept in perspective: Why do you want to experience such things? Has it got something to do with attaining power? And if so, why?

As you are seeing James, such things can actually be more of a hindrance, a distraction, than a benefit. These things can easily tie up your mind, helping you to suppress and deny your bad feelings: it's much nicer to think and dream about a better future than it is to face what you are feeling now, particularly if your feelings now are bad ones.

And really, what good is it going to do you knowing the future? You can't live it until it happens, and even when it arrives you won't know how you're going to feel. It might turn out to be the good thing you wanted it to be; it might turn out to be even better than expected; and it might turn out to be the very opposite. Be wary of the allurements of wanting to be a vision-seer, a clairvoyant, a speaker with spirits, a seer of the unseen. It might all be that it's only another way for your mind to help make you feel more important, special, one to be listened to, and all because your family and parents made you feel

unimportant, not special, and didn't listen to you.

You'll find that as you advance in your healing you'll naturally sense and become perceptively aware of future things, not like a vision or prophecy, but simply because your soul perceptions of truth are expanding and you're able to accommodate more of the subtleties of experience, some of the higher or inner emotional and mental planes that previously you were ignorant of. So in a way you can determine something of the future, however, in doing so it will all be in harmony with, and even helping you to feel, your current feelings. And such perceptions won't get in the way taking over, they will be just a part of natural life, of living with a greater awareness of self and all things.

Jesus and I can utilise this facility within us to *open out* our soul perceptions and perceive along time. We can therefore know or have access to a lot of the future of people and spirits, individually and collectively. It's just a part of the truth that comes to us in response to the level of truth we are living. We are just provided with and given access to that level and amount of information, all so we can live true to the truth we are currently living, so we can accept our feelings and see what they are telling us.

I can soul perceive the remainder of your life James. I could tell you what is going to happen, but I won't because I don't want to interfere in it. I don't want to take anything away from you. You are to remain free to feel everything as it happens, and live according to those feelings. And as you advance in truth (and this you can sense is already beginning to happen), so too can your soul perceive your own life, you can get some idea of where you are going and why. And more will come to you until your soul fully opens up reconnecting back with you, it's long lost personality – the real and true you; and then it can reveal to you all you need to know at any given time.

I am going to stop here James. Mary. However, as I can sense you still want to type, Jesus is going take over. He'll speak about the Holy Spirit and healing.

Jesus.

The Holy Spirit will not heal you or others; it does not do this. There are other universal personalities who will affect such healings if they are called for by the Father and Mother. There are, as you know, many in spirit in both the natural and Divine Love Mansion Worlds capable of doing such healing. And then there are the angels. They are very strong in their abilities to do things with the mind, and they can affect some very strong influences on you if it is so asked of by your Heavenly Parents.

All of the healing I did when on Earth was angelic. None of it was done by the spirits. Spirits did participate in secondary healings, and healing that was instigated and conducted through other people and healers, but everything pertaining directly to me was angelic inspired and initiated. The angels all worked in full accordance with the Mother and Father's Will doing what They asked of them. And not what I asked, as I didn't ask. It was the largest display of coordinated angelic involvement that this world has seen to date. Occasionally in very specific and rare instances the angels have done some healing over the subsequent years, as had they during the preceding ones, but compared to all those who felt their influence when I walked amongst the people, nothing has been experienced since like it.

The angels come to do the Mother and Father's bidding in such a big and open display when they accompany the descending Paradise Sons and Daughters. A display, mind you, that only a few spirits and mortals with second-sight might be able to glimpse transpiring, all depending on their level of truth. And I will leave it to your imagination as to what this potentially means now you have been told that another high Son and Daughter are here in flesh.

This angelic healing is beyond anything spirits in the Mansion Worlds can do. It is completely separate in that virtually anything is possible. However, all that they will do, as instructed by the Father and Mother, will be done only to help with people's soul development. There is always more to a physical, emotional, mental or spiritual healing, so far as the angels are concerned, than there is as far as any well-meaning spirit might do. There are always higher repercussions with the angelic influences, and many people, as Mary told you, who benefited from their *angelic touch* during my time on Earth, came into spirit willing and eager to know all they could about the Father and His Love, for they truly felt they had been touched by Him.

Many people who have received a healing from spirits, and especially those from the natural love spirit Mansion Worlds, believe that it has been God who has healed them for some reason or another, showing His favour and mercy; and often when they arrive in spirit wanting to thank Him and discover it was only spirits who affected the healing *in God's name*; and because it wasn't God Himself, or an angel, are disappointed. But when those people angelically healed during my time on Earth, found out they were specifically healed by the angels who can only act upon God's Command, they were even more ecstatic, overtaken by the whole romance of it all, and feeling very special indeed.

If the spirits were to declare themselves for who they are, and did not try to pretend to be God, then you know where you stand and can seek their help if you so desire it. But to be told it was *God's Will* or it was done *by the power of God*, can lead to one being easily misled and often feeling cheated that it wasn't God after all who did it.

The angels have a far greater scope in which they can do their work, and really they are only limited by what the Mother and Father ask of them. When asked by their Heavenly Parents they will act, and many times during my Earth ministry I was surprised at what took place. I had no idea what to expect. The Father told me that I was to leave all such things to Him. This I did willingly, as I didn't want to take on the responsibility of who got healed and who did not. And just as important as it was for those who did get healed, so too was it equally important for those who wanted to be healed but were not, for they had to ask themselves why not, and why were they not in *favour* with God. Many people who came into spirit wanted to sincerely know the answer to this question and were led to Him and Their Divine Love.

I have never given a personal healing on Earth or in spirit. The Mother and Father have done it all in accordance with Their wishes. All these people who believe in the Bible and pray to me or speak to me or believe God is healing them in my name; or in my name are appealing to God and He is answering them, are mistaken in giving me their thanks and gratitude, for I play no part in it at all. I have nothing to do with those of such beliefs, because they are not striving to live true to Mary and my Spirits of Truth, and so I am not drawn to them.

Such people are usually very happy and content with their beliefs in the Bible or their religious texts, and they believe that they don't need to know any *real* truth being content with *false* truth. What transpires during miraculous healing sessions that many people have experienced, often doesn't even include the Father or his angels. All such wonders being achieved by the attending natural love spirits in the mind Mansion Worlds. The more people band together on Earth wanting His help offering up their minds in praise and prayer, all whilst believing and living erroneously, the more they are allowing those spirits in the natural love Mansion Worlds, equally of like mind and erroneous belief, the ability to demonstrate their mind powers and perform such healings. Such healings have nothing to do with God, as miraculous as they might seem. It is the energy and intention from these mind spirits that people feel, not the presence of the Holy Spirit or of myself, or even of the Father or His love.

The Father and Mother comply with the desires of the natural love spirits, just as what I have said regarding Their complying with peoples negative mind desires on Earth. They allow them to go on fighting their battle against evil and seeking the redemption of all souls, allowing them to help spread *The Word*, trying to *save* all souls from darkness who have not as yet been *saved*. If this is what they believe they want to do – They Mother and Father will support and guide and love them in it. But still it is not Their true way. The Mother and Father are not actually being truly asked for love and help – no longings are true for Their Divine Love or to find the whole truth of their soul. They just want to believe that the way of their church is right, and such miracles are the proof, all of which only serves to keep them rigidly cemented in their negative states. They are demanding that God be how they want God to be, and that God does what they want God to do; they are maintaining the control and not truly submitting to God through their feelings.

Such people are not concerned about knowing why they feel doubts, fear and anger; and why at times they seem to have bad spells, where things don't go easily how they want them to – when they are *tested*. They do not want to know the truth of these bad feelings, and they certainly do not want to go into all the underlying bad feelings discovering how much power their parents have had over them as children, and how traumatised they are because of this. They do not want to break the family traditions and age old beliefs smashing their families up, as would happen if they did not keep up the pretence of being a loving family held together by their faith in the scriptures. They are very self-deluded, to live so intently with a book as one's only guide, instead of one's feelings. This means you are living a false life of false love and are certainly not striving openly for the Truth. Such people might feel a great *love* and receive help from such spirits, but they still don't want to cast it all aside and dig deep into themselves to see what really is going on, what they really are feeling. It is much easier to try and rid oneself of bad feelings, feelings of faults and doubt and negative words in their head, by accusing Satan, or saying it's the work of the Devil, desperately driving with their minds to increase their faith and conviction in their beliefs, doing all they can to keep the dreaded evil bad feelings away. It is what they were made to do as children, and so as adults still have do the same – it is their negative minds pattern, they can't do anything else.

The Mother and Father will only give you what you need, and that is: WHAT YOUR SOUL NEEDS, and NOT your mind. They are always operating on levels of reality that far exceed anything you are aware of, and for Them time is of no meaning, and yet They always function in perfect time.

The angelic healings are an outright gift to humanity. If you were of a positive mind you would feel the love the Father and Mother love you with, and would not need such a gift, knowing that there was no greater gift than Their Divine Love.

It is strange how I am remembered more for that which I did not do, the spontaneous healings, than I am for the truth I spoke. I was just a witness to such events, as we all were. The angels are living demonstrations of the wonders of the mind and all it can do; whereas all I spoke and lived was a demonstration of the truth – that truth of a man. And you can see by the lack of truth that has remained, compared to the desire to be healed in such a miraculous way, that the truth is something that needs to be worked at and does not just come surprisingly out of nowhere.

To suddenly be miraculously healed by an angel, is, as one would imagine, quite an experience. And many that were healed are still, even to this day, in wonder over it all. It is definitely something they will never forget, and they all feel very blessed indeed. But also remember they weren't healed of their childhood repression. No angel will take that experience away from you. They were healed of major impediments (physical, emotional, mental, spiritual and psychic) that were interfering with their natural ability to do their soul-healing.

The Angels as a whole, from the lowest to the highest, are indeed a wonder to behold. They are so different to us. Still James I marvel at their abilities, as I see what they are called on to do throughout Mary's and my universe. They are a startling revelation of the mind. They are in many ways so different from us sons and daughters of truth. I am still awe struck with some of what I see in Creation. And I haven't seen all of it, not by a long way. Occasionally Mary and I leave Nebadon and travel to other universes, or other parts of Creation, and always we are presented with new wonders to behold. I know it is difficult for you, but when you start your investigations of the universe without limitation or restriction, truly you will see the magnificence of our Heavenly Parents, and you will see it everywhere and it will always be more startling.

Now that the rebellious-mind isolation of humanity is coming to an end, more of everything from spirit will gradually be presented to people over the ages to come. Increasingly will those of future be able to absorb the wonders from the inner realms as they live truer to themselves, being able to respect and honour all of Creation, and especially the very earth under their feet. Such inner secrets will not be revealed before humanity learns how to live in harmony with the natural world, in harmony with themselves; then once this has been achieved, so much more will open up. For now however, it is truth you need and plenty of it, so as to get at least the right perspective on things, and to get some idea as to what direction you want to head. For so many years humanity has been going around in circles, deluding itself it is getting somewhere. It will be so good to see the brave ones begin to set off armed with truth and start to live in earnest with the Mother and Father, just as They truly want you to.

The destiny of humanity is for all souls to partake of our Heavenly Mother and Father's Love, as I have revealed and foretold; and as Mary is revealing: for all souls of a negative mind and will to do their soul-healing. Humanity does not understand the soul. It is the hidden mystery. But understanding and appreciation will come as people start to receive the Father and Mother's Love and liberate their soul with truth. This will pave the way for new relationships with everything – every part of life as you know it. And these relationships will be all loving and positive and very expansive. This is the new *spirit* that is dawning.

That is all I want to say for now James. We will speak to you tomorrow. Jesus.

The CHILD is to FREELY EXPRESS ITSELF: Messages from Mary and Jesus 13 May 2003

Mary:

The greatest gift you can give your child, is allowing it to be freely able to express itself, helping it to feel good about being able to say and express and communicate all it feels. THERE IS NOTHING BETTER FOR A CHILD TO FEEL THAN KNOWING ITS PARENTS COMPLETELY WANT IT TO BE EXACTLY HOW IT FEELS IT WANTS TO BE. To be completely unconditionally accepted for all that it is. Then it feels loved.

**DIVINE LOVE does not TRANSFORM one's SOUL
FEELING HEALING is what TRANSFORMS one's SOUL**

The Divine Love does transform our soul from Natural love into Divine Love. It's our Feeling Healing that 'transforms' or heals our erroneous expression of Natural love. We have to 'heal' and so perfect our Natural love, so it can then be transformed by the Divine Love.

Divine Love does not even begin the real work of transforming one's soul, for those who focus upon receiving Divine Love to the exclusion of embracing one's Feeling Healing, they are just expanding their mind's control over themselves. Should this be one's passion, then upon passing into the spirit Mansion Worlds they will find that they can continue along this path all from within the Divine Love followers segment within the first natural love Mansion World! Yes, only from within the first natural love Mansion World.

Most of humanity on Earth is not wanting to face the very truth their feelings are making them feel every day of their life. So if they want to keep living in the spirit Mansion Worlds as they did on Earth, in complete denial of their feelings and the truth they are to shown about their wrongness, they can.

However, for those who have embraced Divine Love and begin to engage in their Feeling Healing process to begin the transformation of their soul, they will be able to sense the Divine Love already within their soul 'driving them on'. One's understanding and adjusting will be changing rapidly to that of embracing all about the Healing and doing it – all being supported by the Divine Love that one may have received previously. All one may have done with the Divine Love may make their introduction into their real Healing, by using their feelings, much easier than it is for other spirits from the mind worlds who are at the same time having to wrestle with many of their old religious beliefs or mental programming, having to take on a whole new mind-set which one could see would take some of them years, whereas for someone who has been longing for and receiving Divine Love for some time it may be only a matter of weeks. This also applies to those living in the physical.

It is the Feeling Healing process that transforms one's soul towards perfection, towards the ability to fully express one's true personality as given to us by our Heavenly Parents, it is the Divine Love that then fits that transformed soul to be able to enter the Celestial Heavens.

Being in rebellion by default, all our relationships are untrue and based on fantasies and erroneous beliefs of our mind. These relationships formed through the mind, are at best, temporary, and will ultimately end. They are false soulmate relationships.

Unsuccessful marriage to fantasy untrue man

Male soulmate

Unsuccessful marriage to fantasy untrue woman

Eternal soulmate marriage between a man and a woman only takes place for those that fully heal themselves of the imposts of the Rebellion and Default. Through longing for the truth behind all our feelings (both good and bad), we can begin to live true to our feelings. And once healed, and reaching a Celestial Soul Condition, through our true feelings we find our soulmate, our true companion for all eternity.

NATURAL LOVE and DIVINE LOVE SPHERES and FEELING HEALING PLANES:

Divine Love progress is to infinity

Peak of 7th sphere is where one becomes at one with the Father.

These calibrations are an approximation utilising Dr David Hawkins' 'Map of Consciousness' table:

Natural Love peak is 1,000 on MoC

**Natural Love 6th Sphere
Mansion / Mind Worlds
MoC 840 – 1,000**

**Natural Love 4th Sphere
Mansion / Mind Worlds
MoC 650 – 840**

**Natural Love 2nd Sphere
Mansion / Minds Worlds
MoC 500 – 650**

**Natural Love 1st Sphere
MoC 200 – 500**

We all enter the 1st natural love sphere on the death of our body.

**HELLS:
MoC 1 – 200
Hells being a sub-set of 2 Spheres of Disharmony.**

**Divine Love 7th Sphere
MoC 920 – 1,080**

**Divine Love 5th Sphere
MoC 780 – 920**

**Divine Love 3rd Sphere
MoC 500 – 780**

One's natural love is always progressively perfected during this journey of evolution of the soul.

Upon embracing Divine Love at any stage, then one can progress through the Divine Love spheres 3, 5, 7, whilst also doing their Feeling-Healing.

Even though a person may have received Divine Love, they do not avoid compensation or doing their Feeling-Healing, so they may still spend time within the spheres of disharmony.

Natural Love sectors for those doing their Feeling-Healing, without the Love, are within the Natural Love Mansion Worlds:

Progressing through the natural love worlds, within Feeling-Healing sectors, while doing one's feeling healing, upon reaching the 6th Sphere having completed Feeling-Healing, one can then embrace the Divine Love and proceed directly to the 7th Divine Love Sphere.

Then they may prepare to enter the Celestial Heaven Spheres from there.

This pathway is when, or should, the Divine Love not be available before perfecting one's soul.

Messages from Mary and Jesus

WAY FORWARD

book 1 by James Moncrief

16 April 2003

I am with you, Jesus.

I want to speak more about God speaking to people.

The Mother and Father will occasionally speak to people, and some of the experiences recorded through history were true; and occasionally They will be very specific and tell people what to do or what to say. However, I want you to understand that this is still all within that person's negative mind state. It only happens in accordance with and adherence to an individual's beliefs and behavioural patterns. And mostly such *messages* only serve to further that person's reliance on their negative mind, serving as something of an affirmation that they are heading in the right direction, when in fact they are only heading further away from their soul. The Mother and Father can only interact with us according to – absolutely honouring – our mind and will circuits and the level of truth we are living. So if you are living untrue, They will help you to further your untruth, if that is what you want. If you are striving to live true and doing your soul-healing, They will help you progress along this path.

Just because God speaks to someone doesn't automatically mean that that person is God-inspired and can't do any wrong, with all that is said being truth that should be believed outright. It only means that God is speaking to that individual for very specific reasons, and it's for the individual to find out the truth of these reasons. It doesn't mean one is to rush off and make a new religion based on what has been said, but it does mean one should try and honestly feel what being told such things makes one feel, and then strive to uncover the truth of such feelings.

Mary and I are only concerned about the truth and the advancement and care of one's soul. We want you to understand all the dynamics involved so far as men and women can relate to God. If you want God to help you in your religious conviction in the religion you have chosen to be a part of, They will. If you ask Them to help you with your business, They will; but it will all be in keeping with the needs of your negative mind state and the requirements of your soul. And mostly as people don't understand that they are living untrue to themselves, God's help will further them in their quest to live untrue, because this is what they are asking God to help them with.

The onus is on us to look into our motivations for living, to find the underlying and real truth of why we do things; why we want to do things, and what we are doing and saying. **You are the ones who have to take responsibility for living the correct way, and if you sincerely want to, then you can begin by longing for the Divine Love and then asking God to help you see how you are living incorrectly, in violation of Their Laws and against your own soul.**

Very few individuals come to God and ask Them to show them the truth of their soul and how they can live true to it and Them. And to do so is asking Them to help you with your soul-healing. And to do it you are faced with looking at all you are denying within yourself and this is very scary. This means you will have to face and feel all your pain and childhood trauma, and few people throughout all history have wanted to face this. However things are changing, and slowly a greater awareness about the influence of one's early childhood on one's adult life is surfacing, and people are becoming more interested in and wanting to take the risk of looking for the truth of really what went on between them and their parents. They are prepared to accept they didn't feel loved by their parents, and they no longer want to pretend that everything is roses when it's not; when their own life and feelings are telling them in each moment that they feel bad, and things aren't good and they aren't happy.

God is not in control of your life – you are, at least on the conscious personality level. On a soul level, which underpins everything, you have no say. God might give you commands, but still they will be only be in accordance with your negative patterns, whilst you are of a negative mind state. Your state of being, your positive or negative mind, and hence will, determines how you are currently expressing yourself in life. You are the boss; you are the controller, even if you feel powerless and lacking in control. Still these powerless feelings are you, and they are controlling you, so you are the boss. And God won't interfere with this – with you. So this is why you need to willingly submit to God, wanting to live God's way; wanting to give up being the boss, wanting God to take over. But not to just give up and give over with God telling you when you do everything, how to be and what to say; but for you to **SUBMIT TO YOUR FEELINGS**, so you can live true to them thereby naturally living God's Will as the true expression of your soul, and by using your fully healed will to do so. By living truly and freely and fully expressing your feelings.

To give over and let God tell you what to do, is only giving over to your parents and letting them do what they have always done – tell you what to do. The *voice of God* will comply, but it will still only be the voice of your parents or parent. And by pretending it's God's voice and God's Will, may make you feel better and justified in what you are doing, even praised, but it's only praise and justification from your parents.

To free yourself from your parents, then being able to live freely with God, will and can only happen when you have completely healed your negative mind state. (Both Mary and I have said many times now, and just to drum it in, we'll be saying it many more times: your soul-healing is the way for you to uncover the truth; and all else, including living true to yourself and God, comes from there.) Up until then you are still being controlled by your parental beliefs, and God is being made to fit into and comply with them. Until you are healed you can't have an objective relationship with God, it can only be subjectively be based on your negative conditioning and patterning, no matter how illuminating or enlightening you might believe it's making you feel.

I can understand it might be difficult to accept that the Father and Mother would help you perpetuate your negative state when you want Them to love you and help you heal yourself, but until you are serious about living true to your feelings and really do want to do your soul-healing, this is how it will be. It can only be this way no matter what you want, hope, wish, or ask God to help you with. The doing of your soul-healing, as you James are portraying and indeed living, is the **ONLY** way in which one can align oneself with Mary and my Spirits of Truth, which is imperative if you want to live the Truths of Divine Love. And then to invoke the Love, embrace the Father AND Mother and want to live at-one with Them; want to give up all the wrongness that you are, and want Them to help you see the truth of it – heal all your childhood repression, is what is required. Nothing else will achieve it no matter how intense you long, desire, wish, hope or believe.

I hope this helps you further understand the things you have been thinking about James. Keep asking me to help you, for as you know, I will respond when asked. I will not say more today, thank you – Jesus.

Messages from Mary and Jesus

book 1 by James Moncrief

19 April 2003

Good morning James, yes it's me, Jesus, and I will continue this morning to expand on all you understood yesterday.

I am so glad that you see it this way now, understanding much of the bigger picture. It is very important to see the truth of it all, and to then live with it in the right context. So this morning I will try to summarise it for you.

Firstly, the Father and Mother are it ALL. The bad, the evil, the negative and the good, is all Them. They have created the evil as They have created the good. Evil doesn't come into being of its own accord – nothing does, how can it? But as to why the Mother and Father have made you be as you are, have made the Evil One's influence you into being evil yourself – and why They even made the Evil Ones be evil, is something you will ask time and time again, and something that you will uncover the truth of as you do your soul-healing. Humanity is not some poor wretched thing that the Evil Ones have come and led astray with God being pushed aside, and it is now up to you to somehow invite God back into your lives, setting about fixing the problem by praying to Them for guidance and obeying Their commands as They show you what you need to do. God has not gone anywhere. All that has happened is you have chosen to live without acknowledging Their presence as They are right with you in it all, all the time.

This religious approach you have been reading about which incorporates the renewal of one's faith and involves receiving the baptism of spirit through prayer to me and God, and then feeling it sweep into you bringing with it the power to heal you and other things, all of which will help you feel much better and freer in your life; and make you want to praise the Lord and be obedient to Him and do whatever He says, is not how one lives the Will of God. That is how one tries to bring God into your life all heavily focused under the negative control of your own will. It still honours all the false concepts and pictures of God that the Bible gives you, and still paints Him as being an all powerful God who needs us to do his work and wants us to be completely subservient and very obedient servants to His greatness. It wants you to treat God, to love, worship and praise Him, just as your parents demand of you; it is trying to make God be just like your parents who didn't love you, who made you totally subservient to them, who interfered with your will, who stopped you freely expressing yourself, who demanded you not be yourself and be something they wanted you to be instead. It is trying to make God be a nice fantasy parent, trying to replace your parents with Him, all because you refuse to accept how you really feel about your parents, how they really made you feel – unloved.

And when one examines these peoples relationship with God, one can see that there seems to be some higher controlling influence which is carrying out the miracles of healing and given the visions and all the controlling instructions as to what one needs to do in one's life to make it better for oneself. And if these orders are carried out without question, even when they seem strange, wonders happen. The feeling of being compelled to do what the *Lord* says, even in an inappropriate time or way, and often in public or to show off in one way or another, is not how the Father and Mother lovingly see to all Their Creation. It is how one's parents make you behave as a child.

The miraculous healings are the show piece, and the person who receives such a *blessing* and is healed of some terrible ailment is the draw card, for without these things many people would not be interested in, or wanting to willingly *submit to the Lord*. And without such miracles and the chance and hope that it might happen to them, many of the faithful would relinquish their faith, and the church would lose its members. So it's very much in the interests of the church – of those members of it in spirit who have

such manipulative powers to keep the show rolling, to do just that. To not do too much, but just enough to keep people's hope and *faith* alive. It's a magician's act James, nothing more.

In none of these stories you read about, is anyone seriously asking for the truth. They all blindly accept it is God's word or way, and don't dare to question, just as they couldn't and wouldn't dare question their parents. If they were to question their parents, rightly so, they would fear the wrath of them, just as they fear the wrath of God. You are taught at a very young age NOT to question authority, especially that of your parents and God. If God asked you to do something, how could you possibly say no to God, just as how could you possibly say no to your parents when you were very small.

When you fully heal your soul, being able to fully and freely express your will, and by doing so, fully and freely choose to live the will of God, you won't ever feel like you're nothing but a slave to God. You will feel fully liberated from your enslavement of your negative, unloving, evil, self-rejecting mind state. These people who choose to prostitute themselves to the church are only consigning their soul to the *devil*, to the very evil they believe the church is helping them eradicate. They are giving their power away to an institution that tells them how to live, how to be, what to eat, when to do things, it's all highly controlling; and do you see James, they are just giving themselves over to another family, with the power that's in the church being as their parents, and they the little children still being told what to do or else. To have to present yourself each week to confess your sins, is nothing more than fronting up to your parents and admitting all the bad things you've done, and then gratefully accepting your punishment for being a bad boy. It is being completely subservient with no freedom whatsoever, all occurring under the pretence that they love God, and they feel so deeply loved by God. The very same pretence that they love their parents with, and their parents love them. This so-called love is only them feeling good because they are being obedient to their parents and aren't getting into trouble, aren't being told off, aren't being rejected. Their parents are accepting them so long as they do what they are told, and be good, and obey doing what is asked of them; so long as they comply with all the rules. And with such obedient submissive acceptance they feel better than when they are rejected feeling unloved, so they believe they feel loved, that the church and God and their parents love them. But it's all a delusion. It is love based on relativity's, it's not true and genuine love, and it's what Mary has been trying to point out to you – it's not love at all! It's a contrivance of emotion that you choose to call love.

You so desperately need to have love within your life, because a life without it is intolerable, yet the sad irony is that you don't feel loved, not real and true love, only this false love from parents, and the same false love these people now believe they feel from God.

It is very easy for the natural love spirits to fill your auric system with light, stimulating your system into overload of natural love and good feelings, making you believe that it's God's love you're feeling, making you weep and sing and cry out in some sort of self-induced emotional and mental ecstasy, but it's all false. It's all contrived by one's mind, and none of it is based on any truth.

And the more they honour their negative state this way; the more they obey the church and do all the right things, then the more they are the good little boy or girl, and the more it would seem they get rewarded. Good things happen for them, money or good health comes to them, they get what they want, even what they dream of, and they believe God is rewarding their faith. But God is doing nothing more than ensuring that their negative belief patterns are honoured, just as they want them to be. Certainly God makes such good things happen, but all because it's what they want. All because they want to live further and deeper in their self and feeling-denial. Were they to want to live true, to themselves and God, then such *good* things would no longer happen, making them face the truth of why they weren't, and why they were now feeling bad. By making these good things happen, God is merely doing what deep down they want their parents to do for them – make them feel better, make them believe by bringing

about good things, that they are loved by their parents. But love doesn't come about just because good things happen. They want their parents, and so God, to give them good things as rewards for being good, thereby falsely believing their parents and God love them, just as they were trained and taught as young children to believe. If you are well behaved, then good things will happen to you, if not, then bad things will happen, this being what they are forced to believe. So to have a good thing happen means, and so proves, you are good and NOT bad. And that's all that matters to the child mind; the child mind that has been subjected to such evil manipulation. These people were rewarded in some way, or led to believe they would be by their parents, if they were good. If they were good little boys and girls and obeyed their rulers they would get rewarded, and so such negative patterns were developed during their childhood leading to such expectations. And being in your negative state, it's these negative patterns that dictate your life, getting a reward being part of the pattern formed during your early years for being good, then so too will you keep getting rewards throughout your adult life as the patterns repeat and manifest determining your life. **YOU CAN ONLY LIVE THE PATTERNS THAT WERE DEVELOPED THROUGH YOUR EARLY CHILDHOOD (UP UNTIL YOUR INDWELLING SPIRIT ARRIVED), AS AN ADULT. THAT IS, UNTIL YOU'VE STARTED TO DO YOUR HEALING.** As your patterns are all based on a negative structure then good and bad things will happen determined by such patterns. Only by healing these patterns will you stop them, replacing them with positive love-based patterns.

I want you to understand James that it's all too easy to replace your parents with God. You look to God being the benevolent parent, the one who loves you, the fantasy good and loving parent come true, all because your parents didn't love you by treating you badly. Too many people don't want to face the truth of not feeling loved by their parents, and so cling desperately onto their substitute parent, God or myself, believing we will love them, and will never hurt or be mean to them. And even though bad things still keep happening to them, they say that it must all be a part of the great scheme of things, and God doesn't really mean it, and things will work out, just hold true to the faith and you'll see. All being done and said to keep denying themselves their true feelings – all those bad repressed feelings they don't dare allow to surface.

The *Jesus* these people you are reading about pray to and ask things of, it is not I. It is the Jesus of the Bible and I am not that man, not the one they believe is this way or that. Most so-called Jesus loving people when they come into spirit do not accept me, and say I am an impostor, and choose to keep believing in their fictitious fantasy Jesus. They certainly don't come looking for the truth from me. Many even call me the Evil One, me!, the very Jesus they supposedly pray to and worship every day. They don't dare look into Mary's or my face for fear we will turn them away from their beloved church. In no way can they allow Jesus the real man into their lives.

You have no idea how strong their delusion is James. I can stand before them, I can even shine my light all over them, making them cower with it's brilliance, and I can speak about the Divine Love and other truths, but they will steadfastly say, even to my face, that I am not Jesus of the Bible. And even if I were to stand before them with blood dripping from my palms, they would still say I was an impostor because many spirits using their minds can and do such things. And do then quite frequently pretending to be me. And as these people are not genuinely seeking the truth they do not recognise it in me, in the words I speak or how I conduct my life.

Their fantasy Jesus doesn't actually include meeting me in person. They so much want me to come and be with them, to look after them, but they believe I am like God whom they will never see, who doesn't have face or form, and yet I lived and walked on the Earth as they did. They reject me, the person; my truth, my light, my love; they reject all they say they are praying to Jesus for. And there is absolutely nothing I can do. I can't make them change or give up their negative belief. I can only wait until they one day tire of it and start to look for something else to believe, but unfortunately for some, this change

can take a very long time.

I also want you to understand that such miraculous healings, although a wonder to receive, are only physical, mental, emotional or even spiritual healings, they don't heal the deep underlying childhood causes of one's pain or affliction – they can't. Nothing can heal those but yourself. So such healings are really only band-aides, just like cutting out the cancer, or taking some pills to rid yourself of a cold. They are not dealing with the causes that made you ill or deformed or maimed or crippled in the first place, and all these causes can, and must be, uncovered by seeing the truth of them, as you do your healing.

To be born mentally, emotionally or physically defective, is not directly caused by defective genes or some unfortunate mishap in the womb, it is all, like everything you suffer, caused by your parents, by the actions of your parents negative states upon you as you are forming from conception. The genes only enact what your parent's negative impact is having on you. You are the product of your parent's negative intentions and lack of love, with nature on all levels, from the micro to macro, helping to manifest such negative patterns. It's not just bad luck that you were born crippled, whereas your bother and sister weren't. It's all a result of the unloving interaction of your parents on you. And that crippled or defective soul will one day, just as will its parents, be able to uncover the truth of why it experienced such a life and how such defectiveness came about, as it does its soul-healing.

In spirit, all such defects are removed, so every soul, every crippled and defective person, gets the chance to live and grow and experience life normally. So all are able to willingly long for the Divine Love and do their soul-healing, which will reveal to them the truth of their defectiveness. The fact that so many children are born disabled in some way, is only an expression of how unloving humanity is. It is testament to the unlovingness that is contained within people, all of which you are ignorant of. And no amount of genetic interference and manipulation will stop such unlovingness from manifesting. Even if humanity could control genes, other manifestations of being unloved, all attributable to the parents' negative mind and will states, would manifest. Such bad things have to manifest as the Law of Manifestation requires, and so whilst you live in the negative this law demands that you manifest the negative – you can't manifest anything else; and so all of nature will naturally comply helping this law to operate in its fullness.

But to return to the subject of the Christian Renewal, it is all orchestrated from the natural love spirit Mansion Worlds. It's NOT God doing it – this I want to make absolutely clear. All the guidance, healings, visions; all the commands, are coming from these spirits. Many of the spirits are highly skilled in orchestrating such events, making it seem and feel like its God's handiwork. These spirits (like mortals) believe they are doing the right thing – carrying out God's Plan. It doesn't matter about the truth for there is none. It doesn't matter whether you pray to Jesus or the Holy Spirit, to the Lord God or combinations of either. It doesn't matter whether it is Jesus or the Lord, a saint or the Holy Spirit who speaks to you or does the healing, and it doesn't matter which one you praise and thank. Because it is all being done by spirits, spirits who were just like the people on Earth they are helping when they were alive on Earth. Spirits who believe they are helping those on Earth to receive the *good news*. The spirits see that the more you praise any of the *Holy Ones* in the Bible by adhering to its beliefs, then the more you want their unseen help, as you are all working for a common cause: the complete redemption of mankind, and his being saved from all sin and error – saved from the Evil Ones. And the more fervently one asks for help and gives oneself over to the cause, the more control the spirits can have, so the more wonders they can perform. The more people who give over, the more energy they can work with. And the more they can demonstrate their greatness by healing the sick and helping the poor, and making all believers have a good and prosperous life, all the better. They are winning the battle. They are keeping away the Devil.

Some might argue that isn't this good even if it is the spirits and not God, as God must surely in some way be sanctioning it for it to happen, and you can't surely begrudge anyone being healed and relieved of such pain, and isn't this love and loving? And in the negative mind state this is the rational, and to that mind it is good and loving, and it doesn't really matter if the truth is not known, so long as everyone is happy and there are no more bad feelings – that is the only important thing. But still underlying all of this is the soul. It is not being considered. And when you look at it in the bigger picture, what do you want: your soul to still be left in pain and existing in a rejected and unloved condition, still not getting to know its Heavenly Parents, still not partaking of Their Love, still being forsaken for nothing more than short term pain relief – is that what you truly want? So you choose for yourself what is best, to heal the causes that are causing that pain, or to just put a band aide on them hoping they will go away?

What will these people say when their life stops working for them, and the healings don't happen anymore, and the spirits can't do anything further to help? What will these people do when they reach spirit and find out it wasn't Jesus or the Father, the Holy Spirit or a saint, or angel who healed them? And what many of them do, is put their feelings of disappointment aside, rationalising them away, and tow the line. They readjust their beliefs to suit the church in spirit, even to the extent for some of them to become one of the healers doing to mortals what was done to them. For some it can take many years before they can see that they were merely used as a part of a show, that they weren't actually loved for themselves, all of which was of course exactly how their parents treated them, making them falsely believe they were loved and special.

It is the soul that suffers through all of this, you suffer – the person, as you are your soul that suffers. And it won't be until these people choose to stop denying their bad feelings and instead accept them, allowing themselves to feel bad and wanting to find the truth of those bad feelings, that they will finally start paying attention to their soul.

And why does the Mother and Father allow such spirits to do such things? It's as we've already told you, They support and keep your negative mind going if that is how you want to live. So They, within certain parameters, allow you to do whatever it is you want; but always within such actions if you care to look you will see there is another way, it is there waiting for you to awaken to it, and when you do then They will help you move into it and start doing your healing.

The Mother and Father desire all to be healed of their evil states, but They also willingly and lovingly allow you to persist living against Them and all that is love, if this is what you want. It's your choice as to when you are ready to give it all up, and if you do, then you'll discover how God really does love and care for you. Even, as hard as it might be to accept, by starting your life in Creation in the negative.

I am glad James that you came to the conclusion that there is a *Master Plan* always trying to be carried out by these spirits of the natural love Mansion Worlds. Because there is, with each group, large and small, believing they know it, and are helping it to manifest in some way. They believe they are right and doing the right thing, and doing God's Will. And they are continually masterminding new fronts on which to carry out their plans on humanity. They have nothing else to do that makes them seem to have any purpose in life. They are not growing in their soul, only in their mind, and the mind needs new challenges and stimulation to help it keep reasserting its control. Imagine if all those millions of souls who had received the *Baptism of the Holy Spirit* had actually embraced the Mother and Father's Divine Love and started doing their soul-healing.

The Holy Spirit does not baptise, and the blast of power these people feel descending suddenly onto and into them, making them weep and want to confess, there and then, all their sins, is all orchestrated by

these controlling spirits of the natural love worlds. They do it all. They look for their chosen examples to impress others; they seek out those to receive the big healing miracles, to get talking and praise the Lord. And when people want this it is buying directly into their hands. They feel more powerful. And the more they are praised for doing such *good works*, for pretending to be the Holy Spirit, God, or myself, the more they feel it – believe it – to be a great honour. They actually believe they are God, myself or the Holy Spirit's representatives, and the fact that they don't tell you on Earth is not just an oversight, as it would take the puff out of their sails. And it would not allow those mortals who come to spirit wanting to learn of this most special work, what a new and bigger service they too can now perform, by also pretending to be myself or one of God's or the Holy Spirit's chosen instruments in spirit, and being in the very noble and honourable position of carrying on the good works. And the more souls they can win, and the bigger the spectacle, the better. And when it all fails, as it will, as it has always done, then they merely go back to the drawing board to learn from their mistakes and try something new – a new way to try and recapture the faithful who are lagging in their faithfulness and joy of life.

It's all very sad because even though those who receive such miraculous healings feel very happy and overjoyed at what happened to them, all they are really doing is reinforcing their negative mind patterns deeper and deeper, so much so, that the new generations of children raised under their beliefs with such *faithful* parents, will see no other way, and they will believe with even more *faith* trying to perpetuate what their parents are doing making it so much harder for themselves, becoming increasingly dependant on their negative system of belief. And if something should happen to come and contradict this belief, where can they go? Deeper and deeper, the master spirit planners controlling them, are making them believe in them and not in the truth and purity of the real Mother and Father. And so yet again the evil asserts itself only to lead to very disastrous results – more war, illness and pain. For it is all anti-love and anti-truth, and so it will only one day break down causing anguish for all involved.

Only the truth will set you free. And it begins with the individual praying to the Mother and Father for Their Divine Love, because he or she wants to personally get to know God. You don't need the help of spirits in the way I have been speaking about. Your pain, illness and all problems, will dissolve away in the Mother and Father's care, as you begin to accept and express all such pain and seek the truth as to why you have it. Your soul will be set free of your minds control, and in so doing you will be healed of everything that is causing you such pain.

Your life with the Mother and Father doesn't have to be spectacular. It will not be a show, even if you live in a more public way. It will simply be your life with Them, nothing more or less. And it will be you living completely at-one with Them, simply living how you feel you want to, which will be how They want you to.

There is a continual pressure on the churches and main religions in the natural love spirit worlds to gain more members. It's a huge competition for these spirits. Their numbers determine their continuance, so they need a *strong recruitment*, as they call it, from Earth. Consequently there is a lot of unseen pressure coming from them into the existing religions to hold onto the faithful, and if you submit to this, it's easy to get caught up in the web and very difficult to extract yourself from, and the more so if you grow up in it.

In spirit there is also a continual drain of these religions members, those spirits who finally wake up and do sincerely want to know God and embrace the Divine Love; those who move to live in the Divine Love Mansion Worlds, begin their soul-healing, giving up and rejecting their church or religion. The natural love religions don't see that the Divine Love is a threat, they don't believe it is anything to worry about – they fail to understand it; and we – those of us of Divine Love, certainly don't impose or threaten them, as we know when a soul is ready for the truth, they will be open and receptive, and if they embrace

the truth and want to live it, then the truth itself will help them see their way clear of such evil entrapment.

The church and all religions like to foster a family feeling as they know that is the best way to keep everyone together, so they can be the people's *parents* carrying on the good parenting tradition that their members follow – indoctrination to the full. The more a person's mind can be controlled and not allowed to be free thinking and feeling, the more obedient they will be, feeling more threatened by things they don't know, even if those things might be better for them. The churches are full of ignorant souls both on Earth and in spirit, but so many are so trapped within their negative mind states that little else is allowed to penetrate, confront and make them reassess what they believe. But that is what they want and so that is what they get. And the last thing such people will want is for their families to be confronted with truth and to fail, to be broken down and torn apart. How Marion and you are living, James, would be seen as having given in, loosing the battle of your soul and being taken over by the Devil. You would be considered very weak in your faith, nothing more than pathetic creatures that are beyond redemption. Your wanting to smash apart families so the truth of their childhood repression can be seen, to expose their hypocrisy, would not be seen in a good light; you would be considered evil – the antichrist itself. The family and all traditional family values must be upheld at all costs! And nothing must be allowed to threaten them! I doubt James you will have many Christians willingly coming along to listen and accept what you might have to say. None of them listen to me or any of the Celestials. We don't even bother trying.

Those spirits of the natural love worlds believe those of the Divine Love are evil, just as those of the Divine Love worlds see them as evil. And when trapped in ignorance and confined to the vision of your parents world, you cannot see anything else. You can only accuse that which is not you – the outside, and that which you do not understand and makes you feel afraid of being bad. But your healing stops you criticising the evil, helping you become more sympathetic to it as you begin to see what motivates it within yourself, and how it has deeply affected you in your life. And you will be ready to help when asked, and you will not interfere unless asked for help. You will accept that those of the negative still want to be of it, leaving them to the Father and Mother's care. Time is of no importance, and in this you will simply get on with your own life minding your own business. And one day you will see Earth and all the evil as merely a thing that people are still choosing to experience; and you will even choose to help them to do it rather than trying to persuade them not to. And as you grow in more love, you will begin to see and feel and live how the Father and Mother do, and you will be able to love all as They do – unconditionally, with complete acceptance.

From the bottom of the muddied pool it is hard to see the light and beauty that is all around you, but looking into the beautiful pool of pure water you will know of all the good and truth that it is, mud and all, for you will see how it is all needed to make the whole so beautiful, and then you will know that you are as your soul is, seeing things with the soul perceptions I have spoken of in the Padgett Messages.

I will end my morning's message here James. I am glad you now understand such things well enough for me to be able to convey these things to you. You are now changing so rapidly, as all the work you have done on yourself comes to fruition. Now you can look into the pond from above and see all the other ponds that are around you, just as you can now look deeper into your own muddy pond. I will speak more to you shortly, Jesus.

As you still feel like writing, I will continue, Mary (Magdalene).

Following on from what Jesus has been saying to you, James, I want to reiterate and add some more.

Many people have received these miraculous healings from spirits, but it should be understood that such healings, although bringing incredible pain relief, are of the spirit and physical bodies only, they do not do anything so far as healing one's soul.

Such healing can bring a huge relief to one's daily hardship, and even give one a new life, as they can see or hear or walk – do things normally, when before they couldn't; yet with this new life one lives is still of the negative mind state although usually in a much better emotional condition and state of mind to do so. Yet, so far as the soul is concerned – the real problems facing one – nothing has been achieved. Personally, and it will be superficially, the individual may feel *born again*, but still their soul is not *born anew*, and with time the old negative patterns will reassert themselves, but perhaps not in the old way, and once done, will require more healing to relieve yet more pain.

Of course if someone should want to follow such a route of experience we would encourage them to do so, and we certainly do not begrudge anyone seeking such help and feeling better for it, but what we want you to understand is that there are deeper causes that are not being acknowledged and really need to be addressed, and no outside help can help you with these. These things all need to be addressed by you, and you only. They are deeply buried within you, and only love and care of yourself will bring them out. And in doing so, only then will your healing be permanent on all levels and for all time.

We want you to see that the surface – the superficial – is all you know, and so long as it looks good then you must follow the trend, when really it is your individuality you need to follow at all cost – as expressed by, through, and with your feelings, so you can discover the truth for yourself and of all things. Receive your miracle healing, but see that it is only bringing relief, it might even help you get to a position from which you can then move more easily to consider your real healing – healing your childhood repression.

We want to impress on you that there is more to you than just your spirit and physical bodies, and that these are only expressions, or attributes of your soul's personality. It is the soul that is the real and true you, and life is really about trying to get to know this real and true you, not just its attributes.

We also want you to see that those spirits providing such good healings are not living true themselves, and that even though they believe their intention is good, true and honest, still indirectly they are causing just as many problems as they are healing. They are ignorant to the real plan of the Mother and Father, and like so many parents, would not dream that they were causing their children problems, as they believe they are doing all the right and best things for their children that they possibly can. But is this belief enough? Are you excused because of your ignorance: to bring another soul into Creation and entangle it in the negative condition that you are in? Is the excuse that you didn't know good enough? And that question you will have to put to yourself. The Mother and Father love you, even whilst you continue to deny Them by persisting on living in your negative rebellious state. They long for you to want to know the Truth of Them and Their Love, to come to Them and ask Them to reveal it to you, so that then you can make all your life decisions well informed and in a completely responsible way.

To tell parents that they are causing their children very severe soul problems will not go down too well. Most parents would rather die than be accused of doing the wrong thing by their children. And then they would probably say that the child was to blame anyway, for if it only did what they said, then no one would have to get upset and feel bad. Your parents, James, said they loved you and gave you many opportunities, but do you feel loved by them? And when you say no you don't feel loved, did they stop

to ask you why? And have they wanted to know what you mean, and why you've separated from them as your healing begun in earnest? And have they then wanted to look into themselves and actually consider all that you are telling them may be right? How many parents are prepared to see and accept where they went wrong? How many are big enough within themselves to admit that they are the cause of ALL their child's unhappiness? And yet if the child is unhappy or grows up into a depressed miserable person, then who is to blame? The child? Not the parents, so many parents say, for the child must surely have just been like that, and it was their bad luck to get such a depressed or naughty – uncontrollable child. And yet how many parents will be willing to accept that they are their child's world, and how can it not be depressed or naughty when all it has ever known made it depressed or naughty? How many parents can accept they are the cause of their child's every problem? How many can admit that they got it wrong, that they didn't know after all; that they were terribly ignorant, selfish, unloving, cruel and unkind? How many remember how their parents treated them, and what they really felt growing up knowing they were not loved by their parents? Only the minority. And yet this is to become the majority if humanity is to progress out of its negative bind.

All the surface feel-good stuff is only a cover up to hide the real horror underneath. It works for a time, but then the bad and evil that has been pushed aside and buried, rises up and manifests, giving rise to the cruelty that you see about you. Wars will still continue, people will torture each other, little children will be abused, pets will be treated as if they don't have feelings, and no one will take responsibility for their own relationship with their parents. It is an insidious problem and at the root of all the rottenness of yourselves. And it all needs to come up, all the ugliness, the hate, the fury, the anger, the putridness. All the misery and horror within each and every individual needs to surface, to be brought up and healed, as it will never *just go away*. Humanity will go around and around, individually and collectively, in a circle just as it has done, history repeating itself – all the bloodshed and trauma, over and over.

There is no overwhelming miracle of a New Age coming to sweep everyone along into an Age of Peace and Kindness. And Jesus is not coming to magically heal the faithful leading the *chosen ones* (those who have chosen themselves) off to the Promised Land of milk and honey. All you have created thus far is simply going to continue going around and around just as it has done, unless individuals choose to stop it in their own lives.

You may believe you have all good intentions as you set out to have your own family teaching your children all the right and good things you believe, but no matter what you do believe, you are of a negative mind state and so CAN ONLY cause your child to feel rejected and the pain this brings. You may not even yell at your children, or raise a finger to them, but being of the negative mind state you will nonetheless negatively affect them, just as you were by your parents. And of course some people on the surface will be treated less harshly than others, and some might even enjoy something of friendship with their children, but still the child will suffer, and it will have to one day do its soul-healing to heal its suffering.

I will say it again James, EVERYONE currently living, is living with a negative mind, and so can only hurt their children with it. It's immaterial as to how you parent your child, or what your beliefs are, you can't prevent it – your negative effect on your children. It's done right at conception, made manifest until around six, cemented in and fully accepted by sexual maturity, and outworked there after. Not until there are parents of perfect natural love – those who have completely healed their childhood repression (done their soul-healing), will be seen on Earth, children not born into the Rebellion and forced by default to partake of it. This also applies to parents of natural love (those who've done their feeling-healing) who manage to heal their childhood repression, they too being able to live with their love perfected and in a positive state of mind thereby passing it onto their children.

We don't want people to get caught up in the error any more than they already are. Jesus and I want you to understand what is at stake. We want you to see the severity of your condition, and even though you may not feel bad at present, still, until you have done your soul or feeling- healing you won't know what is stored away inside you, what is negatively conditioning your life right now in each and every step without you even knowing it. And if you choose to have children, you may be the most *loving* of all parents, but still you will be doing bad things to them that you will not be aware of, and they will be feeling the pain on some level. And it just isn't going to magically go away. It is a true and real state needing to be openly accepted. It is right to feel bad about this, as you are already feeling bad. You are hurting yourself. You have taken it on from your parents, albeit unconsciously, but you are still doing to yourself what they did to you.

If people could stop their lives and look back at a video of their actions throughout life with someone who can see a higher truth pointing out all they are doing that is not loving, most would be shocked to their core to see just how wrong they are, and how much they are hurting themselves and other people. And unless it is pointed out you will never see it. You won't believe you are doing wrong in everything you are doing, until through your healing the Mother and Father show you the truth of yourself. They will help you see where you are going wrong, and all the bad you are doing, even though you are not meaning to. And you will feel humiliated and bad for doing it, but that is good for that is what you are meant to feel, and then you will know it is real and there is a reason to do your healing.

Always try to look deeper, to ask yourself: what am I really doing; and what is the truth of what I am doing? Ask the Mother and Father to help you to see the truth – and really want to see it! You have to drive your intent into wanting to be true and uncovering all the horror and untruth in you. You have to really want to do it and give it all your attention. Your healing will not happen any other way.

As Jesus said, many people will upset the relationships with their family as they strive to heal themselves. They will have to leave the old ways, breaking away and going it alone. Many family traditions are traditions of negative belief deeply in place giving one a false sense of security and love. To confront these ways and beliefs, and to go against the family authority persons, will be very difficult. But your own survival will depend on it. Eventually you have to reach a point in which you are more important than your family – than your parents. And you might have to believe you are nasty and selfish and unloving in order to cut the ties, to break away, and go it alone. You might have to suffer their accusations of you being a fool, stupid, evil, hurtful, selfish and unloving. But it won't matter, as such accusations will only confirm to you just how unloving they are, because if they truly loved you, then they wouldn't feel threatened by your rejection of them, and would be sympathetic to your pain and want to know what is wrong – what you are feeling and why. Nor would you probably be leaving them in such a harsh way. Sometimes you might just have to aggravate the monster, stir it up a bit, just so you can see its true colours. Just so you can prove for yourself – feel for yourself – the truth you are beginning to understand.

Humanity is embarking on a massive course of change. You are accepting and making your society dependant on computers and technology, and this will only accelerate, creating greater impersonal gulfs between people. Families will lose what personal cohesion they had, as technology increasingly becomes the baby-sitter and substitute parent. As parents become increasingly dependant, consumed and intoxicated by technology, so will their children suffer, and these children will grow up needing to cling onto and be dependant on technology even more than their parents. Gradually the gulf between allowing yourself to feel bad, and using technology to keep your bad feelings away, will increase. And this will only increase stress, causing more physical, emotional, mental, and spiritual problems. If you think humanity is unwell now, wait and see how sick it will get in the future.

Many people will struggle using the old ways for support, but those who embrace the new TRUTH (and I don't necessarily mean new technology – I mean TRUTH!) as we are revealing, and are prepared to admit that they do not know anything – and they especially do not know what God wants, but are willing to acknowledge all their feelings good and bad, will be able to move through any *age* staying true to their soul without getting lost or carried away by such time consuming allurements.

The old way is going to be broken open to make way for the new – the new way of Truth. This next Planetary Age will see the old desperately hanging on, with the new, comprised of people wanting to live true and heal their childhood repression, making new demands on it, all of which it will fail to cope with proving how wrong a way it is. A great division is to come to humanity, consisting of those people who accept their childhood repression and want to do something about it, and those that don't, those who want to still carry on living in the delusion that it doesn't exist and nothing untoward happened to them during their early childhood.

Humanity of today prides itself on being *advanced* and *modern* – space aged, and yet it has done nothing of any real value to save its soul from the torment of its childhood trauma. It is modern in its use of tools relative to its caveman origins, but little else. The caveman, pre-Rebellion and Default, lived a truer life to his and her soul than you do now – so who is more advanced?

Advancement of things is nothing when compared to one's advancement of truth. And as the truth needed to advance your soul is now being made available to you, people can finally embrace it and start to understand what it is like to live in a completely different way – in the way of truth.

Mary (Magdalene)

OUR CHILDHOOD EMOTIONAL INJURIES ARE OUR CORE ISSUES TO EXPRESS:

Should we consider all the emotional injuries infused into each and every child en masse – all together, then each child would look battered and bruised. These absorbed abuses become Childhood Repressed emotional building blocks upon which are built related further errors, all must be recalled and expressed. Start from the bottom and express the core emotional error.

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are soulmates and a son and daughter of God.

Mary of Magdalene and Jesus of Nazareth, where both free of sin. Mary and Jesus, combined in their love for us, are our spiritual teachers and guidance for us to find our way home to our Heavenly Parents. Mary and Jesus have liberated their Spirits of Truth who we can long to for assistance and guidance. They are known as Jesus and Mary of Nebadon, the universe system in which Earth is. They are the Creator Son and Daughter ruling this region.

To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since our conception.

The Avonal pair, should they be here, are to support humanity on Earth exclusively. They are to continue the work of the Creator Pair, Mary and Jesus, and will be assisted by them. The Avonal pair will, during their life on Earth, experience the full Feeling Healing process and Soul Healing process so that through their Spirits of Truth, which they are to release upon their physical death, will be able to be called upon by all those who embrace their own Healing. The Earth names of the Avonal Pair may not become known.

Humanity, all being soulmate pairs, are ascending mortal souls who are to reach inward and progress Paradise-ward for the God experience. As part of our journey of evolving our souls we are to experience evil, that is the denial of God and the Creator Pair. We can long to the Spirits of Truth of Mary and Jesus and soon to the Spirits of Truth of the Avonal Pair. Our Indwelling Spirit is our direct connection to and with God.

AVONAL PAIR to be RESPONSIBLE for SPIRITUAL WELLBEING of EARTH:

Heavenly Parents

The Paradise Pairs, children of God, are all only concerned with the spiritual wellbeing and upliftment of the planets and local universe. Creator Son and Daughter, Mary and Jesus, are focused upon the spiritual wellbeing and upliftment of the whole of Nebadon which involves Earth, one of 3.8 million planets.

AVONAL PAIR

The Spirits of Truth of the Avonal Pair are to join with the Spirits of Truth of Mary and Jesus.

Soulmates

COUNCIL OF ELDERS

The Council of Elders, 12 Celestial soulmate pairs, being a Soul Group, guide to Founder of the Global Humanitarian Fund that is to disseminate Feeling Healing and Soul Healing guidance.

Soulmate PAIR while living in the physical on Earth, are to complete their Feeling Healing whilst embracing Divine Love, thus completing their Soul Healing. Being the first humans to do so, they will subsequently, upon their physical deaths, release their Spirits of Truth so that the whole of humanity, for the next 1,000 years, can embrace and progress in their soul development through Feeling Healing.

GLOBAL HUMANITARIAN FUND

Through the Global Humanitarian Fund, humanity is to be introduced to the processes of Feeling Healing and Soul Healing. Further, they will also become aware that our Spiritual Teachers of Truth for the next 1,000 years will be the Avonal Pair who will be handed this task from Jesus and Mary, and much, much more.

Crossover

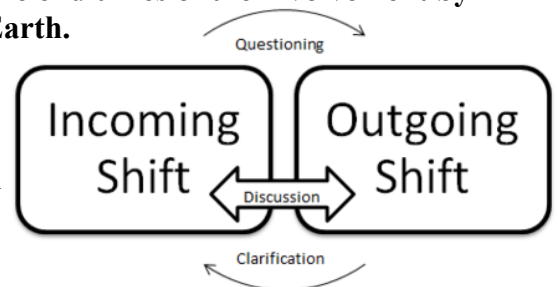

This time, in the history of humanity, is the most exciting time ever experienced.

the Handover

This is the time that man is now able to evolve in its spiritual development. Man has endured 200,000 years of Rebellion and compounded this with the Default of some 38,000 years, now it has been provided with the guidance to put aside the negativities of the Rebellion and Default.

With the guidance that was provided through James Padgett (1914 through to 1923), man became again aware of the availability of Divine Love from our Heavenly Parents. This also heralded the handover. That is, the commencement of the end times of the involvement by Mary and Jesus in the spiritual affairs of humanity on Earth.

Soul groups that have been in place during Mary and Jesus' 2,000 year involvement with Earth have progressively handed over to soul groups that have been forming since 100 years ago. The older soul groups have mostly progressed on further towards Paradise.

The second revelation, that followed from the availability of Divine Love, is the processes of Feeling Healing and Soul Healing. The understanding of the Feeling Healing process is the most important of the revelations and should have been the first to be revealed. Feeling Healing and Soul Healing are being revealed through and by Marion and James Moncrief.

The soulmate pair, that are the first to complete their Soul Healing, and upon their deaths, they will release their Spirits of Truth which will unify with the Spirits of Truths of Mary and Jesus so that humanity, in whole, will have access to these knowings and guidance for the next 1,000 years.

Mary and Jesus, being responsible for the spiritual wellbeing and upliftment of the whole of Nebadon, are to withdraw from their direct involvement with Earth and hand over the responsibilities to an Avonal Pair who take individual responsibility for the spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds, in this case, Earth exclusively.

COUNCIL *of* ELDERS

For the next 1,000 years, via the Avonal Pair and the newly forming Soul Groups, Earth will be able to evolve through embracing Feeling Healing, and with Divine Love, one's Soul Healing. These newly formed Soul Groups are effectively 'Council of Elders' to assist humans living in the physical on Earth to enable all to be aware of the way to evolve.

With the absolute end of the Rebellion, this is the first time in 200,000 years that mankind, humanity, can take control of his and her destiny and evolve in love and truth for all eternity!

Throughout this coming era, our spiritual leaders will be an Avonal Pair, yet to be identified.

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus’ Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair’s guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world’s spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

HUM

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
We are to long for the truth of what we are feeling.
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

WE ARE Children of God

HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates / Soul Partners)
 2. **ETERNAL SON (ES) – Divine Truth**
 3. **INFINITE DAUGHTER (ID) – Divine Mind**
- Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

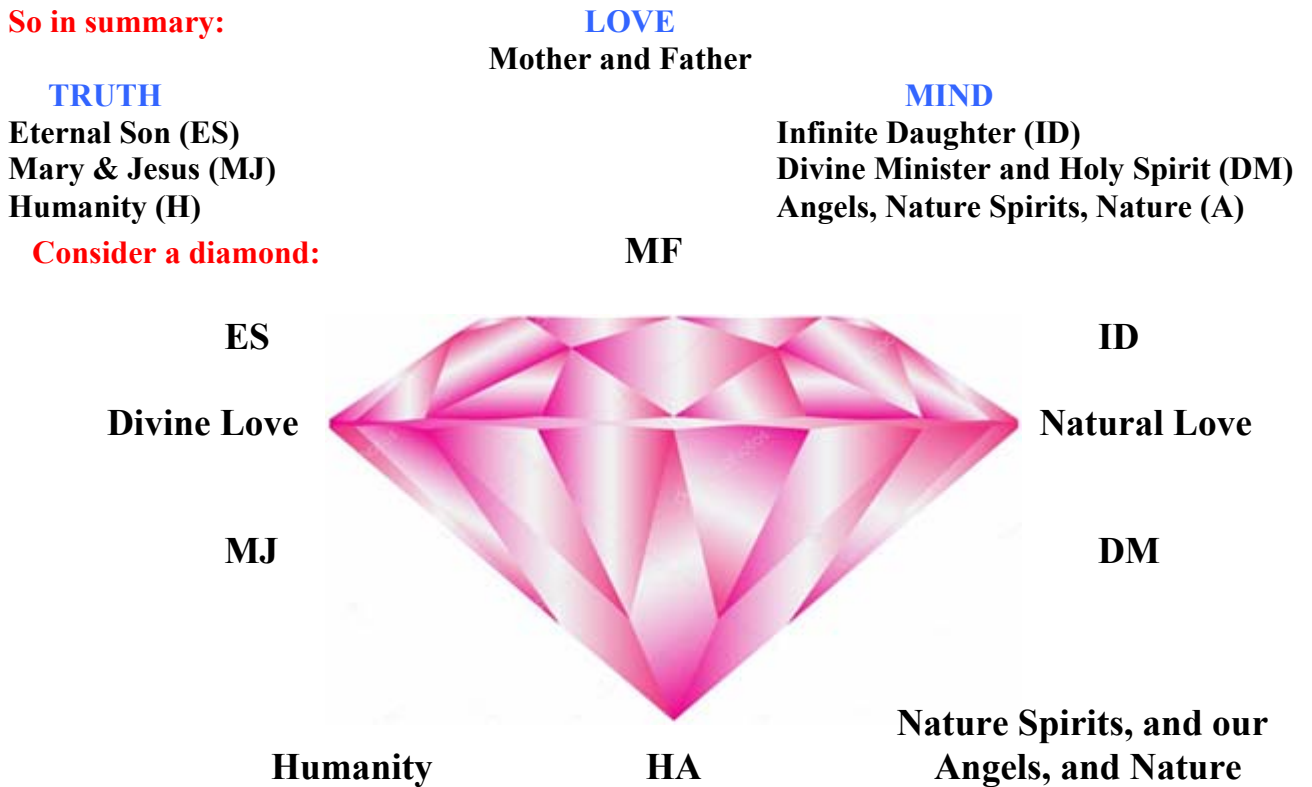

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS** – Our MOTHER and FATHER – Love – the Living Truth
2. **DIVINE MINISTER** – Mind (and her Holy Spirit)
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR** – the Feeling Healing process – incarnate
2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

So in summary:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate / soul partner pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate / soul partner pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

Humanity is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate / soul partner) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

Feeling Pathway

Mind Pathway

Soulmate Pair

Angel

Spirit Person

Nature Spirit

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

JOURNEY of HUMANITY into and through the GREAT U-TURN:

Humanity reaching its most evilness, the most lost, the most separation of soulmates. Humanity can begin its Healing. The Great U-Turn begins, the dawning of the Spiritual Age.

Humanity increasing its self- and feeling- denial, its denial of truth. Soulmates getting further apart. Rebellion then Default

Present Day

The true Healing of humanity. Humanity Healing itself by doing its Feeling-Healing and Soul-Healing with Divine Love. Soulmates getting closer together as people express all their feelings more truly.

The Great U-Turn will bring about the Ages of Light and Life.

First soulmate pair – Andon and Fonta

The last humans, the last soul partner pair on Earth.

Lucifer & Satan

Adam & Eve

Jurisdiction of humanity and spirit worlds is now with Celestial Spirits.

Rebellion leaders are now removed

This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.

Feelings First, you can be sure about that! **Once women get that message and start living it, then the tide will really change**, with men either deciding to support them by looking to their own feelings or being left on the outer wondering what the fuss is all about.

The feminine light is going to sweep through humanity and purge it of all the yuk and darkness, helping to bring the whole of humanity back into a nurturing loving mother state of being, from which the supportive, caring father can support her and together they can make the world great again, they can bring humanity up into its natural love perfection whilst at the same time offer those people who want to spiritually grow the truths of how to embrace the Divine Love and move on to the Celestial level.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

(Passage in blue calibrates on the Map of Consciousness at 1,500)

WE EACH have a Nature Spirit pair, Spirit Guide pair and an Angelic Pair:

For those doing their Healing or are interested in doing it will from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about ‘sharing’ the same angels or guides or nature spirits, it is about you relating specifically to your ‘own’ ones because they are provided for YOU. It’s all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it’s the same of course in life with your friends, however over there, in spirit, dealing with Nature Spirits, Spirit Guides, and Angels, it’s more personal and private and ‘JUST FOR YOU’. So we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain’t going to be assigned to anyone else, so she won’t be sharing herself around.

This is SO IMPORTANT to understand so that in future there won’t be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is all they are speaking with.

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their ‘soulmate / soul partner’ relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit Mansion Worlds, however, our personal Angelic pair continues with us to Paradise, and then even possibly being with us throughout eternity.

Feelings first

In a way each person's Indwelling Spirit, which is really God, is contracting out the work needed to be done with you to other agencies, so to us spirits, the angels, the nature spirits, other elements under the Divine Minister's control, even other non-humanity spirits, all of which end up doing increasingly more amounts of what your Indwelling Spirit does. And this 'out sourcing' is to affect greater personality interaction, increasing your experiences so they are maximised through interaction with different personalities rather than just relying solely on God. We are overall to become increasingly at-one with God, but we are to do that by becoming increasingly immersed in the experience of being with others.

Nanna Beth – 3rd Celestial Heaven: 25 December 2018

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their 'soulmate' relationship. In addition we have our personal Indwelling Spirit.

OUR GUIDANCE to PARADISE, the home of our HEAVENLY PARENTS:

There are three distinct phases of our progression to the home of our Heavenly Parents which is Paradise that is within the circle of seven Super Universes, each containing many Local Universes.

Once we progress beyond our Local Universe of Nebadon, then we are assisted and guided by our Heavenly Parents, our true Mother and Father all the way home to Paradise.

Before then, once we have completed our soul healing, we are guided through the Celestial Heaven worlds which are those that interact with humanity on Earth, then further on into and then out through Nebadon, our Local Universe. The regents of Nebadon are Mary and Jesus.

However, before then, we are to embrace our healing. That is, we are to realise who we truly are. We are not the personalities that our parents imposed upon us. We are to put aside our childhood suppression and repression and free our true personality that our Heavenly Parents gave us, and to do this we are now able to embrace the guidance of the Avonal Pair who will lead us through our healing here on Earth and through the Spirit Mansion Worlds to be able to enter the Celestial Heavens.

Feelings first

LIVE FEELINGS FIRST

FEELINGS FIRST For Kids

ENOUGH IS ENOUGH

Andon and Fonta, our first parents to long for our Heavenly Parents, lived nearly 1,000,000 years ago. Naïve humanity was seduced by high spirits, the Lucifer pair, to believe they could be gods through their minds, thus men subjected women to subordination 200,000 years ago. This was added to by the default of the Adamic pair more than 38,000 years ago when they failed in their mission.

REBELLION & DEFAULT **200,000** YEARS

When Jesus with Mary achieved their full Regency of Nebadon, in 26 CE, they immediately had the Lucifer and Satan soulmate pairs assigned to a spirit prison world. Since then, the Creator Pair have been preparing for the end of the Rebellion and Default for humanity of Earth. The Avonal Pair now on Earth, once commencing their Healing, brought about the imprisonment of the Caligastia and Daligastia pairs in the early 1990s. As the Avonal Pair advanced with their Healing they brought about the formal end of the Rebellion and Default, on 31 January 2018. It is now for all of humanity to embrace the Spirits of Truth of the Avonal Pair and undertake their healing of the imposts of the Rebellion and Default.

Avonal **AGE 1,000** YEARS

Spirits of Truth of the Avonal Pair will guide us through our Feeling Healing and into the Celestial Heavens with Divine Love, then the Spirits of Truth of the Creator Pair will lead us through the Celestial Heavens and out through Nebadon towards our Heavenly Mother and Father in Paradise.

Each generation of 25 years or so will see marginal embracement of Feeling Healing, however 1,000 years will achieve universality.

Universality of Feeling Healing with Divine Love will see the mitigation of discomfort, pain and illness as well as the imposts of global warming and Earth changes. As those events are to ensure that each of us embrace our feelings, both good and bad, down to the very core, so that we fully come to know who we truly are. Sciences will endeavour to remove pain only to see disease manifest in different forms. Earth disturbances are a result of the Harmonic Convergence of the late 1980s, increasing the rotation of the Earth's central core, this will only abate when humanity has universally embraced Feeling Healing. These influences are only imposed upon us so that we do not step back into the Rebellion and Default through complacency. Live Feelings First. We are to become the true personalities we are, that being daughters and sons of our Heavenly Mother and Father.

Arvonal Revelation

- We are to live Feelings First.
- We've been made to use our mind to live against many of our feelings.
- Our mind control commences at conception and is developed through our childhood.
- All the bad feelings we didn't express as we were growing up are still repressed inside us.
- And all such hidden, buried and unwanted feelings have to come out.
- And whilst they remain repressed within us, they will continue to make us feel bad and unloved.
- We get sick, depressed, suffer, have bad things happen to us because of our repressed childhood feelings.
- Humanity was brought into this state of living against itself by higher rebellious spirits.
- These Evil Ones caused the Rebellion and Default.
- We are made to rebel by default – as we have no idea we're doing it through our parenting in wrongness.
- We are all parented unlovingly – against ourselves, against our will.
- Some parenting in the wrongness is done with more love, yet it's all still wrong.
- To heal this unloving state within ourselves we have to do our Healing.
- Our Healing is our Feeling-Healing or Soul-Healing with the Divine Love.
- We can long to God for Their Divine Love, and this will help us with our Healing.
- God is our Heavenly Mother and Father, the Feminine Aspects of God having been kept hidden from us by the Evil Spirits.
- All humanity's religions and spiritual systems are designed to keep the wrongness going, to keep us away from God.
- Only by living The New Way, Feelings First Spirituality can you become right, and truly find God.
- Long for the Divine Love.
- Long for the Truth of your Feelings.
- Accepting all you feel is accepting all of yourself, it's your greatest act of self-love.
- And wanting to know the truth of your feelings, is your next greatest act of self-love.
- Love yourself through your feeling-acceptance, and the Truth will set you Free!

JOURNEY HOME

Our journey home is an ever growing expansion of truth being revealed to us. For Earth’s humanity, as for the 37 humanities that have Rebelled, we are quarantined and isolated. Having also Defaulted, Earth’s humanity is possibly the most evil of all. Firstly, we are to understand that living through our minds is why we are addicted to untruth and control of others and nature – we are going the wrong way! We are to live feelings first and then heal our Childhood Repression and Suppression – we are to live and express our true personality, the one given to us by our Heavenly Mother and Father. Then our journey home begins!

The Isle of Paradise is stationary within the circle of seven super-universes. Spheres here are also for us to further grow in truth before arriving Home to become Finaliters. Our Heavenly Mother and Father guide us out of our Local Universe of Nebadon, through the rest of our super-universe of Orvonton and into super, superuniverse Havona which circulates around the Isle of Paradise, being home.

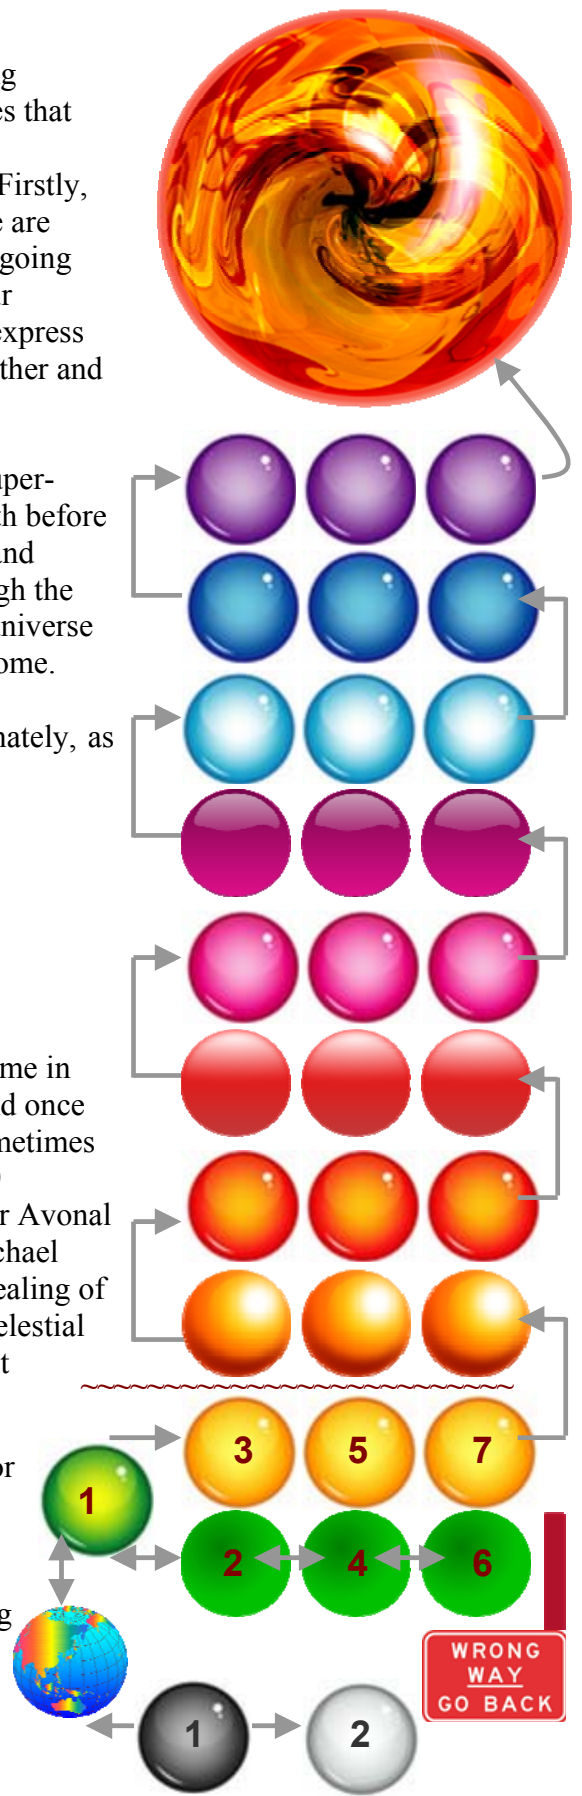

Each of the seven super-universes are constituted, approximately, as follows and with 1,000,000,000,000 inhabitable worlds:

- One super-universe is 10 major sectors
- One major sector is 100 minor sectors
- One minor sector is 100 local universes
- One local universe is 100 constellations
- One constellation is 100 systems
- One system embraces approximately 1,000 physical worlds

Once we attain the Celestial Heavens (spheres) we start to come in contact with spirits from other ‘Earth’ worlds. So in spirit and once we’ve finished out Healing and are Celestial, we interact, sometimes directly and otherwise indirectly, with potentially 10,000,000 physical worlds of which 3,840,101 are with humanities. Our Avonal Daughter and Son lead us to Mary Magdalene and Jesus (Michael soulmate pair, our Creator Daughter and Son), through our healing of the Rebellion and Default by guiding us into the first three Celestial Heavens and out of isolation from all other physical and spirit humanities.

Mary and Jesus then lead us through the Celestial Heavens for the system Satania (that Earth is in), then our constellation and then out of our Local Universe.

Isolation from all other humanities prevails before completing our soul’s healing and progress into the Celestial Heaven spheres 1, 2 and 3. Hell planes 1 and 2 are of Earth, those who have compensation may have this experience and might then progress up through mind Mansion Worlds 1, 2, 4 and 6 before turning around to progress through Healing Mansion Worlds 3, 5 and 7 to transition into Celestial Heaven.

Finaliters

Hey guys, I know who I am and why I am having these life experiences. No, I haven't a prison uniform on – but that might be what my soul has planned for me to experience! Just joking!

When we arrive in our Earthly mother's womb we are clueless as to why the heck we have come here. We truly need to persist with asking, "What's this all about?" – We will be told, bit by bit! But you have to push for it. Well guys, here's a go at it.

We have come to this crazy messed up humanity on Earth because God wants us to come, we don't have any say in it. And we think we can do something about it, but we actually can't, we can only do what God wants us to do. And if that makes us think we can do something, that we can have an effect, then that's what God wants us to think. Man, this mob is ready to slaughter each other totally and that is not going to happen – it's not allowed!

We are to enable our wilfulness to surface – well take over our 'numbnut' mind – and push aside the persona – the messed up personality that our parents want us to be – and express our true individuality. Be true to our feelings – our soul-based feelings and be the personality that our Heavenly Mum and Dad know us to be (all good).

Okay, because we are amongst billions of people who have been forced to join the Rebellion and Default, we are one of them – experiencing all the crud and wrongness we can possibly get ourselves into. Yep, we are rebelling against our soul, which also means we are rebelling against our soulmate and also our Heavenly Mother and Father – God. Shoot the works – we have done it justice!

Now here is the good bit. We can heal ourselves of all this wrongness – and eventually we ALL will. Then we will continue with our healing and learning, and learning, and more learning and end up in Paradise, the home of our True Mum and Dad. THEN we will be recognised as FINALITERS. Why Finaliters?

We are called Finaliters, that's everyone who attains Paradise, and not just those of us who've been fucked up by a Rebellion, because we've 'finally' got there, we 'finally' did it, we 'finally' completed the first stage of our existence in Creation, which is akin to 'Finally' completing our time in the 'womb'. Upon attaining Paradise, it can be likened to being 'finally' born, or 'finally' becoming of the equivalent of age 6 when our Indwelling Spirit arrives, or 'finally' becoming an adult. And possibly we won't know if we can liken to it to any of these stages we go through during our physical life on Earth, until we're 'finally' on Paradise, and 'finally' get it!

Because other humanities in newly forming universes are anticipated to Rebel (just like us now) and because we have had the experience (no other humanity has possibly done it as good as us) so we FINALITERS can go and help them out of their SHIT! Yee-ha – more evilness and insanity! That is us! Bring it on!!!!

OUR JOURNEY

Ascension is from Earth (Urantia) through Nebadon, Orvonton, Havona to Paradise.
Then in Paradise we progress to be Finaliters and assignment to a newly forming universe.

The Prayer for Divine Love:

(as given within the first century)

2 December 1916

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

I am here, Jesus

P.438 Book of Truths through James Padgett / Jesus

Let your prayer be as follows:

Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our false teachers would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.

That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.

We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.

Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.

Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.

Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.

We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.

We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.

Amen

MoC

Note: The 'false teachers' are our parents, as they are also the 'evil ones'. Also, the evil ones, being those parts of one's mind, that are controlling you.

Communications between the Celestial Council of Elders and those within the physical administration of Pascas World-Care will be via those who complete their Feeling Healing on Earth, as years go by.

Avonal PAIR Oversight

The administration of Pascas may be also supported in their interconnectivity with our Celestial guidance through those within Pascas and its administration who are sensitive in their nature and are able to perceive guidance from our Celestial companions on this journey of delivering the Great U-Turn. It is through the nature of sensitivity that Celestial Spirits have interacted with Pascas during decades of formative years and the establishment of the foundations for Pascas for the next 1,000 years.

LIGHT OF TRUTH

Pascas as an entity, due to the contributions from our Celestial friends, is functioning within the 5th Divine Love Spirit Mansion worlds level. Further, the Pascas Papers that are designated as references for Feeling Healing and Divine Love are within the level of Truth of the highest of the Celestial Heavens. Pascas will be supported in this manner for the coming millennium.

-  Celestial Heavens 8, 9, 10 also referred to as 1, 2, 3 being at-one with Mother and Father.

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on themselves and doing their Healing.

Feeling Bad? Bad Feelings are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing****Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book****Release one's pain through expressing one's feelings.****in conjunction with****Longing for the Truth when also longing for Divine Love.**

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.
