2,620 Dead Babies in VAERS (Vaccine Adverse Events Reporting System) after COVID Shots – More Foetal Deaths in 11 Months than Past 30 Years Following ALL Vaccines as Scotland Begins Investigation (2021 Scotland population 5.5 million)

by **Brian Shilhavy**
Editor, Health Impact News

Foetal deaths following COVID-19 shots injected into pregnant women continue to increase, as there are now [2,620 foetal deaths](#) reported in VAERS (the *Vaccine Adverse Events Reporting System*).

When we run the exact same search in VAERS and exclude the COVID-19 shots, we find 2,225 foetal deaths following ALL vaccines injected into pregnant women for the past 30+ years. ([Source](#).)

We are currently on pace to see a yearly total of **2,838 recorded foetal deaths** following COVID-19 shots, while the yearly average of recorded foetal deaths following the vaccination of pregnant women for the past 30 years has been an average of **74 foetal deaths** per year.

Last month (October, 2021) the *New England Journal of Medicine* admitted that the original study used to justify the CDC (Centers for Disease Control and Prevention) and the FDA (Food and Drug Administration) in recommending the shots to pregnant women was flawed. ([Source.](#))

Since then, researchers in New Zealand have conducted [a new study](#) on the original data, and concluded:

A re-analysis of these figures indicates a cumulative incidence of spontaneous abortion ranging from 82% (104/127) to 91% (104/114), 7–8 times higher than the original authors' results. ([Source.](#))

The CDC and FDA recommended the shots for pregnant women, even though a correct analysis on the original data shows that **82% to 91% of pregnant women will suffer miscarriages if their unborn child is less than 20 weeks old.** ([Source.](#))

And yet the CDC and FDA continue to recommend the COVID-19 shots, which now also include booster shots from Pfizer and Moderna meaning a pregnant woman can now be injected with 3 COVID-19 shots during her pregnancy (if it lasts long enough).

Of the [2,620 foetal deaths](#) in VAERS following COVID-19 shots, 2,015 of these foetal deaths follow Pfizer injections, and 689 of them follow the Moderna injections. ([Source.](#))

VAERS is a passive system that is severely under reported. The CDC and FDA have never conducted a study to determine what this under-reported factor is, but independent scientists have, and we have previously published the analysis conducted by Dr. Jessica Rose, who has determined that a conservative under-reported factor would be X41. See:

[**STUDY: Government's Own Data Reveals that at Least 150,000 Probably DEAD in U.S. Following COVID-19 Vaccines**](#)

This means that there have probably been at least **107,420 foetal deaths** following COVID-19 injections so far. And how many of these women will be able to get pregnant again?

How is this not headline news?? Even in the Alternative Media, as far as I know I am the only one digging out these foetal deaths contained in the government's own data following COVID-19 injections and publishing them.

And now it is being reported in Scotland that they are recognising this spike in deaths in newborn babies, and they have launched an investigation to try to figure out why so many newborn babies are dying.

The [Herald in Scotland reports](#):

An investigation has been launched into a spike in deaths among newborn babies in Scotland.

Control and warning limits are designed to flag up to public health teams when neonatal, stillbirth or other infant deaths are occurring at unexpectedly high or low levels which may not be due to chance.

Although the rate fluctuates month to month, the figure for September – at 4.9 per 1,000 live births – is on a par with levels that were last typically seen in the late 1980s.

Public Health Scotland (PHS), which is one of the bodies currently investigating the spike, said the fact that the upper control limit has been exceeded “indicates there is a higher likelihood that there are factors beyond random variation that may have contributed to the number of deaths that occurred.” ([Full article.](#))

Do you think these public health officials in the UK will look at the COVID-19 shots being injected into pregnant women as a potential cause?

I seriously doubt it, but the Pfizer and Moderna mRNA shots are also being used in the UK, along with the AstraZeneca shot, and it is pure insanity not to consider these experimental injections as being linked to these infant deaths, and this should have happened months ago!

Here is a Funeral Director whistle-blower in the UK explaining the increase in dead newborn babies they are now seeing. This is on our [Bitchute channel](#).

Here is a video report we made last month with some very unfortunate gruesome examples of what these shots are doing to unborn babies.

Dr. Andrew Moulden:
Every Vaccine
Produces Harm

Canadian physician Dr. Andrew Moulden provided clear scientific evidence to prove that every dose of vaccine given to a child or an adult produces harm. The truth that he uncovered was rejected by the conventional medical system and the pharmaceutical industry. Nevertheless, his warning and his message to America remains as a solid legacy of the man who stood up against big pharma and their program to vaccinate every person on the Earth.

Dr. Moulden died unexpectedly in November of 2013 at age 49.

Because of the strong opposition from big pharma concerning Dr. Moulden's research, we became concerned that the name of this brilliant researcher and his life's work had nearly been deleted from the internet. His reputation was being disparaged, and his message of warning and hope was being distorted and buried without a tombstone. This book summarizes his teaching and is a must-read for everyone who wants to learn the "other-side" of the vaccine debate that the mainstream media routinely censors.

VAERS (*Vaccine Adverse Events Reporting System*) Data Reveals 50 X More Ectopic Pregnancies Following COVID Shots than Following ALL Vaccines for Past 30 Years

by **Brian Shilhavy**

Editor, Health Impact News

The carnage of deaths to unborn babies following COVID-19 shots into pregnant women just gets worse the more we investigate it.

While we reported on Saturday that the latest data dump into the government's Vaccine Adverse Event Reporting System (VAERS) showed 2,620 foetal deaths, which are more foetal deaths than are reported following ALL vaccines for the past 30 years in VAERS, one "symptom" that is tracked in VAERS that I did not account for, is an ectopic pregnancy which also results in a foetal death.

[WebMD defines "ectopic pregnancy":](#)

Ectopic pregnancy, also called extra-uterine pregnancy, is when a fertilised egg grows outside a woman's uterus, somewhere else in their belly. It can cause life-threatening bleeding and needs medical care right away.

In more than 90% of cases, the egg implants in a fallopian tube. This is called a tubal pregnancy.

Because a fertilised egg can't survive outside a uterus, your doctor will need to take it out so you don't have serious health problems. They'll use one of two methods: medication or surgery. ([Source.](#))

I performed a search in VAERS for ectopic pregnancies following COVID-19 shots for the past 11 months, and there have been 52 cases where a woman received a COVID-19 shot and then was found to have an ectopic pregnancy. ([Source.](#))

Next, I performed the exact same search but excluded COVID-19 "vaccines" and it returned a result of 30 cases where a woman received an FDA-approved vaccine and then reported an ectopic pregnancy following ALL vaccines for the past 30+ years, which is about 1 per year. ([Source.](#))

That means that following COVID-19 injections into child-bearing women for the past 11 months has seen a 50 X increase in ectopic pregnancies compared to child-bearing women receiving vaccines for the past 30+ years.

And if I and anyone else with Internet access can perform these searches in the government-owned data in VAERS (Vaccine Adverse Events Reporting System), you can be certain that the FDA (Food and Drug Administration) and CDC (Centers for Disease Control and Prevention) can too, and that they are aware of these risks.

This is criminal. This is nothing more than barbaric forced sterilisation, which was once legal in the U.S., but was later outlawed as [part of the eugenics movement](#) that valued certain human beings over others, and is part of Nazism.

We are seeing many examples of these foetal deaths being reported, and we have published a lot of those, but here are some more as these reports continue to flood in.

Vancouver Hospital Has 13 Stillborn Deaths in 24 Hours

Recently two medical doctors and some protesters in Canada gathered at Lions Gate Hospital in North Vancouver, as they asked the Royal Canadian Mounted Police to press charges against health officials in British Columbia after it was reported that there were 13 stillborn deaths within 24 hours.

[Breaking-news.ca has a video of this protest here.](#)

November 11th, 1:00 – 3:00 Lions Gate Hospital Emergency Entrance, North Vancouver

Rally with Dr. Mel Bruchet and Dr. Daniel Nagase. They spoke to the RCMP and then headed over to the emergency entrance. The Doctor will appreciate our support in standing with him to raise the awareness of the dangers of this experimental injection.

On average they would see 1 stillborn death a month. 3 dulas have reported that there were 13 stillborn deaths in a 24 hour period of women who had taken the experimental injection. The media is not reporting this. Big pharma looks after the media and the media is silent. ([Source.](#))

Last night, November 21, 2021 a woman posted on Social Media that her daughter who was 8.5 months pregnant and took a COVID-19 shot one month ago had her grandson stillborn at a Vancouver hospital.

bcraig

@barbcraig7

My grandson was just stillborn at a Vancouver hospital at 8 1/2 months into the pregnancy. My daughter got the damned poison vaccine one month ago because she couldn't go to restaurants and people were freaking that she was unvaxxed. I want to sue the government

[Tweet your reply](#)

Another woman on Social Media who had already received two COVID-19 shots, mocked “anti-vaxxers,” but then went and got her “booster shot” while pregnant, and soon after had a miscarriage.

Here is a post from Social Media from someone in Australia who creates “Angel Babies” for families who have stillborn babies, and the recent increase in their business.

The question is: What does every Australian, and around the world, hospital have to report regarding Covid-19 vaccine injuries and deaths, especially miscarriages?

John Hunter hospital is the redacted name!

The John Hunter Hospital and John Hunter Children's Hospital (north of Gosford) is the principal referral centre and a tertiary hospital for Newcastle, and northern New South Wales, Australia. The 796 bed hospital is the main teaching hospital of the University of Newcastle.

TGA is the Therapeutic Goods Administration, the medicine and therapeutic regulatory agency of the Australian Government.

Trigger warning!
 Alot of people know what I do for a living. Not much phases me. What I do have an issue with is the amount of stillborn babies [REDACTED] are seeing weekly recently. What was a twice to 3 times a year visit to Gosford hospital is now becoming too frequent! this doesn't even mention the amount of babies our other studios see. **John Hunter** ~~John Hunter~~ last week had 15 stillborn babies! **FIFTEEN** in the mortuary at **ONCE** in the **ONE** hospital! What in living hell is that? Today between Wadalba and myself, we have cast 7 beautiful angel babies who have devastated parents and family. This isn't a coincidence you realise, this is what our Governments bullshit mandates are doing to people. TGA and members of parliament here I come. #letsjabourkids 😊

John Hunter

Australia: One Nation anti-vaccine mandate bill rejected despite support from five Coalition senators

22 November 2021

Liberal, National, Labor, Greens and Jacqui Lambie have voted down the Nation’s COVID-19 Vaccination Status (Prevention of Discrimination) Bill 2021.

There are no Commonwealth or state and territory government laws which force people to take the vaccine, but there are mandates which bar people from working in certain industries or attending certain settings if they haven't received the jab.

Yet, worldwide, there is mounting evidence that the vaccine efficacy anticipated is woefully inadequate, let alone dreadfully dangerous:

Pfizer COVID-19 Vaccine Data

- * More people dying from shots than COVID
- * 71 times more suffering heart attacks
- * 1000% increase in adverse events
- * Vaccine Hesitant smarter than doctors

Abstract: USA analysis of the Vaccine Adverse Event Reporting System (VAERS) database can be used to estimate the number of excess deaths caused by the COVID vaccines. A simple analysis shows that it is likely that over 150,000 Americans have been killed by the current COVID vaccines as of 28 August 2021.

All Deaths Reported to VAERS by Year

FDA authorizes emergency use COVID-19 Vaccines

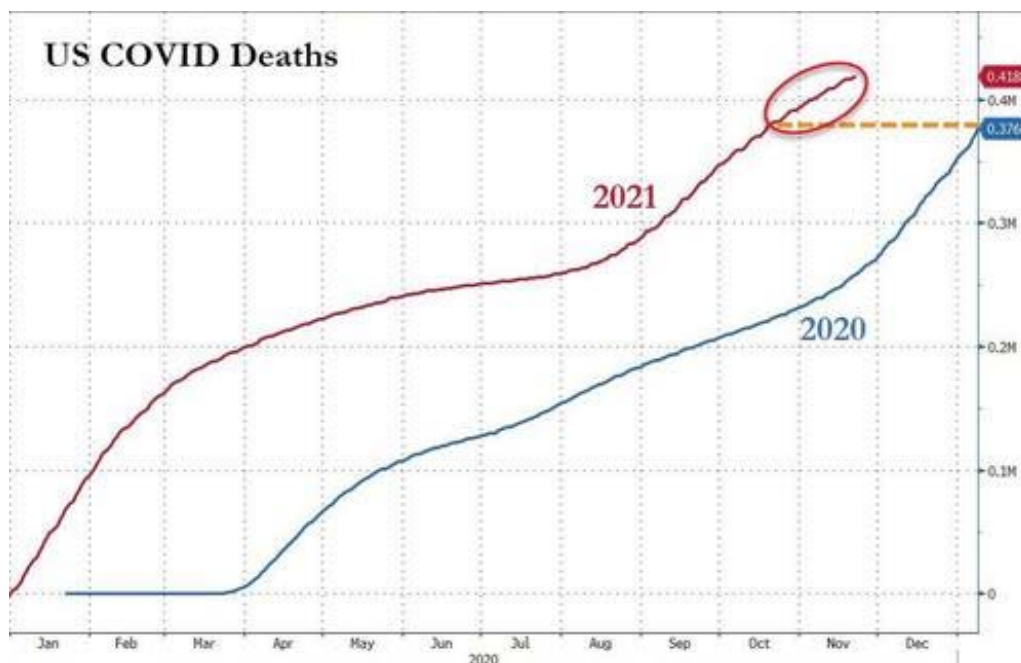

USA COVID-19 Deaths in 2021 have surpassed 2020's Total... Despite Vaccines, Treatments

https://www.zerohedge.com/markets/us-covid-deaths-2021-have-surpassed-2020s-total-despite-vaccines-treatments?utm_source=&utm_medium=email&utm_campaign=303

Wednesday, 24 November 2021

USA: COVID-19 has killed more people in 2021 than 2020.

The virus was reported as the underlying cause of death (or a contributing cause of death) for an estimated 377,883 people in 2020, accounting for 11.3% of deaths, according to the CDC. As of Monday, more than 770,000 people have died from the coronavirus, according to Johns Hopkins University data. That means **over 15,000 more people have died in 2021 than last year from COVID-19 – and there's still more than a month left.**

This has happened despite the fact that last year no Americans were vaccinated (now 59% of all eligible Americans have had the "life-saving" jab) and some 17% have received booster shots...

The 2021 U.S. death toll caught some doctors by surprise. They had expected vaccinations and precautionary measures

like social distancing and scaled-down public events to curb the spread of infections and minimize severe cases. But, [The Wall Street Journal](#) has its own explanation, suggesting **lower-than-expected immunization rates as well as fatigue with precautionary measures like masks** allowed the highly

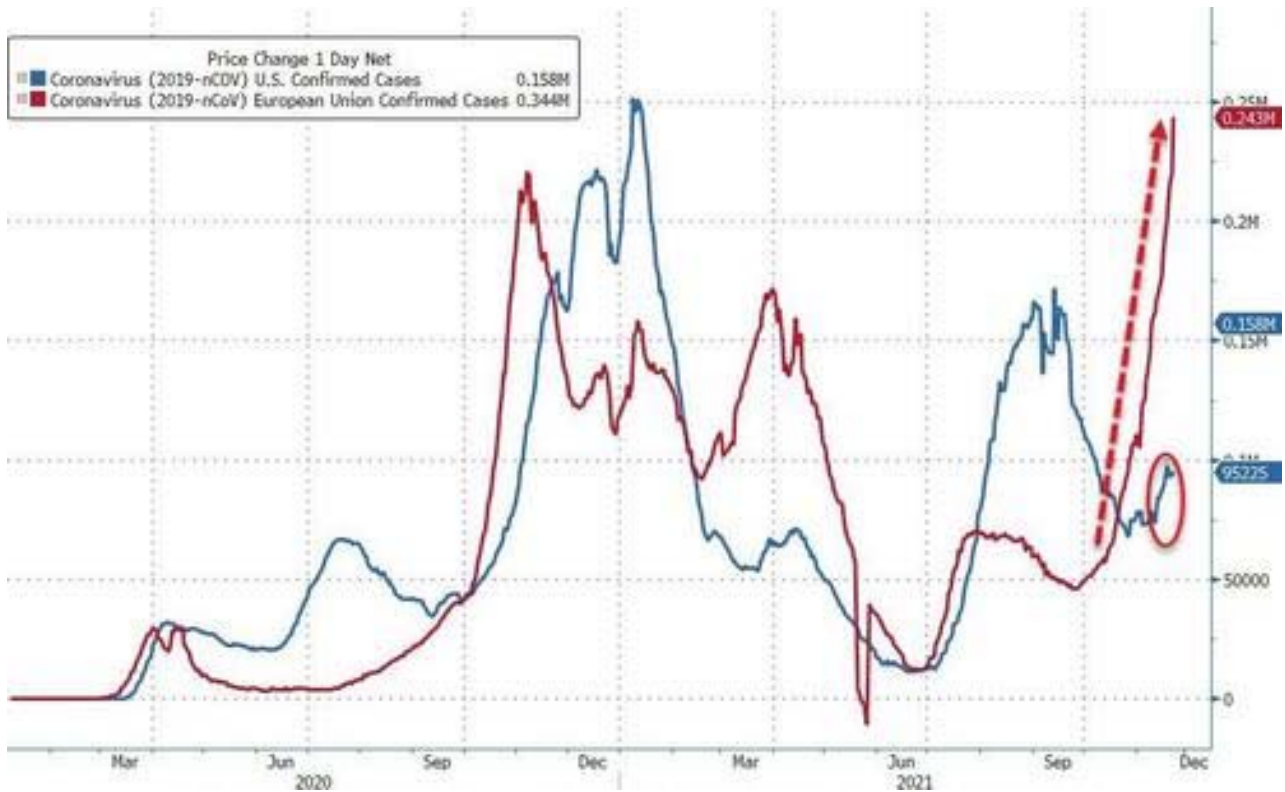

contagious Delta variant to spread, largely among the unvaccinated, epidemiologists say.

Among missteps, Dr. Abraar Karan, an infectious-diseases doctor at Stanford University, said, **public-health officials failed to effectively communicate that the purpose of vaccines is to protect against severe cases of Covid-19 rather than to prevent the spread of infection entirely**, which may have led some to doubt the effectiveness of the shots.

CDC has an excuse too, claiming that there was a larger undercount of Covid-19 deaths in 2020, when the disease was newer and a scarcity of tests made confirming some infections difficult.

Deaths remain concentrated in older people (81% of 2020 deaths were among people aged 65 and above, and 69% of the same cohort in 2021).

Still could be worse (and still could be if this latest trend continues in the US)...

“The vaccine is not a panacea,” said Ana Bento, an epidemiologist at Indiana University-Bloomington.

Well that's pretty clear now, eh!?

This wasn't supposed to happen...

An Australian ex-military official has confirmed that AT LEAST two children are dead after being inoculated in a mass of 24,000 kids that were ushered into a sports arena in Sydney to take the jab in the absence of any adults. One child's unnecessary death is too many. This must stop now!

How do we report on VAERS in Australia?**Vaccine Adverse Events Reporting System**

The Therapeutic Goods Administration (TGA) is responsible for monitoring the safety of all vaccines approved for use in Australia. We closely assess safety data prior to approval, and continue to monitor the safety of vaccines after they are registered in Australia so that we can detect and respond to any safety concerns. This is known as 'pharmacovigilance'. The TGA is an Australian Government agency.

Our natural immunity is by far our best protection against all ailments. Appropriate vaccines can and do enhance your protection.

Verna, 7 April 2020: **“The Rebellion and Default are the true viruses that you are all ‘infected’ with.**

“As you understand, it’s all a vicious circle, **the more you ‘advance’ in medicine, the more you are making your future more difficult.** People at this time might seem to be enjoying all the wonderful health benefits of medical science compared to those people centuries before, yet that’s all compounding in error for future people. So medical science will have to then work to combat what the future holds based on how you’re currently screwing nature and yourselves around, and on it goes, until you can’t keep up and nature overwhelms you again and you’re right back to where you were before you started your great mind-taking-over quest.

So back to the virus, what it really comes down to is: if your soul needs the experiences of the virus you will ‘catch’ it.”

Being vaccinated against coronavirus Covid-19 does not:

- **Prevent you from contracting the Covid-19 virus.**
- **Prevent you from incubating the Covid-19 virus.**
- **Prevent you from mutating the Covid-19 virus.**
- **Reduce your transmission of the virus to another person.**

The vaccines do mitigate our experience of the virus should it become active within you!

We can have coronavirus Covid-19, incubate it, mutate it, pass it on to others while never having any symptoms of it – this may be the experiences of many children!

What we have no comprehension of is the legacy of current (November 2021) Covid-19 vaccines upon children yet to be conceived by those who have been vaccinated!

PAPERS**

VACCINES

Vaccines are being created utilising seven different platforms and are being introduced to confront our body's immune system to 'protect' against many pathogens such as bacterium, virus, parasite and fungus that can cause disease within the body.

Immune System Breakdown

Verna 7 April 2020 : "The trouble with **vaccines** is they are made from the waste of the infected virus cell as you see on video, so by receiving a vaccine you will receive the virus, however mostly it will be in its 'sleep' mode, so it will appear like it's a good thing and people don't get sick immediately from it, and the body will replicate certain elements to fight the virus you are being vaccinated for, along with keeping a 'viral memory', so from that point of view, the vaccine does appear to work, however as it's a totally unnatural and intrusive invasion of your body, you are making your body act as if it has itself 'fought off' that virus, when it hasn't. And so because of tricking the body into believing you have beaten that virus, it causes other problems for the body later on when it comes in contact with a similar virus because the body won't have all the true systems needed to deal with the new virus, it only having some of them because they came about from the vaccine, so the vaccine does compromise the bodies true system of dealing with such things."

BioNTech - Pfizer – announced in November 2021 that it would need around 100 days to come up with a vaccine to address the new Omicron variant of the coronavirus Covid-19. Have we now reached a pinnacle in what our immune system can address in dealing with man-made vaccines and are we about to be confronted with a collapse of immune systems throughout highly vaccinated populations? We are presently seeing the return of many of 'eradicated' diseases in more aggressive formats.

Further, is the great concern of the legacy of untested vaccines upon children who are yet to be conceived to vaccinated parents around the world. As of 24 November 2021, worldwide 4.23 billion (54%) have been given their first vaccine and 3.33 billion (43%) have been double vaccinated against Covid-19.

The Rebellion and Default are the true viruses that we are all 'infected' with!

[Dr. Robert Malone, inventor of the mRNA vaccines speaks out](https://vrevealed.com/c19/ebook/dr-speaks-out?sub4=33919fdb7759484dbb8f138ad5058e3d&afid=124)

Dr. Robert Malone invented the technology behind the COVID vaccine... so why did no one listen when he raised the alarm? Meet Dr. Robert Malone and get the truth behind mRNA vaccines straight from one of their creators of their creators.

our MIND is a CONTROL ADDICT!
our MIND is addicted to UNTRUTH!
our MIND cannot discern TRUTH!

our MIND is within our SPIRIT BODY
and orchestrates our physical BRAIN.

ASSUMPTIONS are the product of our MIND!

HEALING ends
MIND-CONTROL!

our SOUL is our TRUTH!
our FEELINGS are our TRUTH!
FEELINGS FIRST, mind to follow!

all we need is WITHIN.
our MIND suppresses FEELINGS.

EINSTEIN'S THEORY of INSANiTY

DOING THE SAME THING
OVER and OVER and
EXPECTING DIFFERENT
RESULTS.

NO PROBLEM CAN BE SOLVED
FROM THE SAME LEVEL OF
CONSCIOUSNESS THAT CREATED
IT.
-ALBERT EINSTEIN

Good grief,
we have been
in a Rebellion
and Default!

Now we can
heal ourselves
and become
normal, vibrant,
intuitive, bright
people ...
