## PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about looking within oneself. Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Contents are not to be interpreted as an independent guide to self-healing. The information sourced herein is not from a doctor or doctors, and any information provided in this document should not be in lieu of consultation with your physician, doctor, or other health care professional. Pascas, nor anyone associated with this document, does not assume any responsibility whatsoever for the results of any application or use of any process, technique, compound or potion as described within this document.

The sources of contents are noted throughout the document. In doing so, we acknowledge the importance of these sources and encourage our readers to consider further these sources. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we apologise. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

We offer all contents in love and with the fullness of grace, which is intended to flow to readers who join us upon this fascinating journey throughout this incredible changing era we are all experiencing.

### **HOW ILLNESS MANIFESTS:**

The life forces of a man and a woman co-join to create a viable embryo. The embryo is perfect in all respects.

A waiting soul is attracted to the embryo. The soul, having been created by the Source Soul, is perfect in all respects. The soul in being attracted to the new forming body achieves individualisation and commences its journey towards the Father, the Source Soul, and its Creator. A soul, the real you, is never damaged in all the time of its existence, both prior to individualisation and after.

So how does illness arise within babies during the gestation period, in childhood, and then in adulthood?

Why does the physical body, from time to time, succumb to discomfort, then pain, and then disease?

If the embryo that is created by the man and woman is perfect and the incoming soul is also perfect then what is the part of the life cycle process that brings about so much pain and misery?

## **CONCEPTION PROCESS:**

The creation of a viable embryo by the physical parents attracts a soul to individualise and continue the development of the embryo which has previously depended upon the life forces of the parents to commence its existence.

The incoming soul does not nest within the embryo. The incoming soul nests within a spirit body that becomes the permanent home of the soul for eternity. The soul will never be torn apart from, let alone be separated from the spirit body for all eternity. The spirit body becomes the template for the forming embryo which is the physical body that animates our functionality here on Earth. The spirit body looks just like our physical body to those who can see spirit beings with their expanded vision capabilities.

Our soul, amongst other capabilities, is our personality, is our intelligence, holds our memories which are complete in all respects at all times, and is made of the energy substance referred to as natural love. There is nothing of the divine within our soul at the time of its creation nor at the time of conception and incarnation. The incarnation process is the moment of individualisation of the soul, the moment that it becomes self aware and commences its journey.

The soul is never damaged by the emotional errors and injuries that we incur or experience from the moment of conception and throughout our physical life here on Earth.

The soul creates the spirit body in conjunction with the life forces infused through the embryo by the mother and father of the embryo / child. Within the spirit body, which is the template for the growing body, is the mind. It is within the mind that we exercise the gift of free will. It is by this gift of free will that we can embrace or not embrace the Love of the Source Soul, our Heavenly Mother and Father, and grow in love and progress through the spirit worlds and then into the Celestial Heavens and onwards towards our Heavenly Mother and Father. This is the great gift we have been given. We have this choice. We are not zombies or robots. We are our Mother and Father's children with free will. We can engage Their will or we can freely choose otherwise. It is the misuse of this free will that we draw upon ourselves repercussions, so to say.

We absorb the issues that exist within our environment. First of all is the environment around the baby throughout gestation period, then the environment subsequent to childbirth, and then the environment during early childhood up until around the age of seven or so. In our formative years, commencing at conception / incarnation, we are sponges taking in all the influences around us. We absorb the personality traits and issues, both loving and not so loving of all those that we come in contact with during those intensive learning years being the formative years from which we structure our life long patterns of living and experiencing our physical journey no matter how short or long it is.

This early life environmental absorption of the emotional cocktails of those who are influential in our early life development sets the stages as for do we have a healthy body and little to no medical issues; or do we have a continual drama of medical complaints and a never ending involvement with the health care industry. This is why some sail through life never becoming familiar with a family doctor and the health care industry whilst others have such deep issues that they have a life in medical care and treatment.

Thus, the life experience on Earth varies from a life of Heaven on Earth to that of a living hell essentially as of a result of the emotional issues of the family that one is attracted into at conception.

### **An UNBORN BABY'S 1<sup>st</sup> HEARTBEAT OCCURS 16 DAYS after CONCEPTION:**

A research team funded by the British Heart Foundation (BHF) at the University of Oxford says a baby's first heartbeat is now far earlier than was previously understood. [Dr. Susan Berry](#) 12 Oct 2016

Further research confirms that the heart first starts to beat between days 16 through to 19.

What happens when a child dies. 15 March 2013  
**Speaking with Mary Magdalene and Jesus, book 1**

**From the first heartbeat the incarnating person is technically living a physical life, and so if death occurs, it will move into one of the spirit nurseries. If it should 'die' before the first heartbeat, the soul merely 'withdraws', initiating incarnation when the next opportunity arises for its soul-personality.** And of course as you know, there is no reincarnation, so when your soul starts you in Creation and you achieve your **first heartbeat**, then you're underway, be it on Earth or in spirit to Paradise, this being your ascension of truth.

As soon as the spirit body separates from the physical connections, there is no longer any pain, this of itself as you might well imagine greatly adding to one's good experience. The dying person, be it a child or an adult, has a good experience in death, especially once the pain has gone should there be pain; it's the people they might leave behind on Earth who don't understand this and who are suffering feelings of loss and deep grief, that have the harder time of it.

An unborn child is taken to spirit nurseries to be cared for. And within those nurseries they are looked after through the remaining time of their gestation period; then are 'born' into spirit life; then to carry on growing up as a spirit child of the Mansion Worlds. Many of them, just as with unwanted physical children, are fostered out or adopted by spirits wanting to be parents, this enabling a lot of people (who are now spirits), who for one reason or another couldn't have children on Earth, to have the experience of parenting. Even carrying the child to full term can be simulated so as to give the 'mother' the experience of being pregnant. The 'father' having his experiences as well. And of course lots of people who become spirits love being involved with children and so become spirit parents or simply involved in looking after the infants and young children of the nurseries.

### **The Heart commences to Beat as early as Day 16 after Conception:**

Until now, researchers thought that the first time our heart muscle contracted to beat was at 8 days after conception in mice or around day 21 of a human pregnancy. Now, a team funded by the BHF at the University of Oxford has demonstrated earlier beating of the heart in mouse embryos which, if extrapolated to the human heart, suggests beating as early as **16 days after conception**.

**MAN'S GIFT of FREE WILL and the AVAILABILITY of DIVINE LOVE:**

**Our first parents, who were created together, were perfect in their physical organism as they ever were afterwards or as any man or woman ever became from that time into the present. At their time of physical creation they were more perfect than mankind is now as they had no physical ailments, no sickness, and no deformity of any kind.**

**Man was and is created with free will. That is, they have the right to choose. When we employ our will we are following the will or our Heavenly Parents.**

**When man chooses free will, he can follow his own man made passions and desires or he can choose the will of our Mother and Father, our Heavenly Parents.**

**Man is a creator and he has also engaged emotional errors. When he employs emotional errors and injuries, these result in harm to others and to himself. When man causes harm there are consequences. Illness as a result of man's created emotional errors is man made.**

**As emotional injuries become imbedded into his being, cloaking and suppressing his own loving soul, these errors or injuries are passed down through the generations until they are resolved and abandoned by later generations. In the meantime, such generational injuries frustrate free flow of loving energies throughout the spirit body which is the template to the physical body. The collective injuries of a family environment are picked up by babies during gestation and early childhood.**

**As family members abandon emotional errors, the cloaking of the soul is removed and healthy energy flow returns to the physical body thus bringing about health to the person.**

**As man adopts more and more the way of the will of our Parents, Mother and Father, health and prosperity prevail within the personality and also for the family.**

**It is this free will that enables us to grow in love and progress through the spirit worlds into the Celestial Heavens. This is unique only to the ensouled man.**

**Free will has its issues. However, without this tremendous gift of free will we would not have the choice nor the way to grow in love and reach the Celestial Heavens and more.**

**This free will is not available to any of the other of God's creations, they do not have a soul and they cannot grow beyond the level at which they are created.**

**Man, with his soul and free will, being created with natural love, can progress to the highest levels of the spirit worlds. However, should man with his free will embrace the availability of Divine Love then he can grow and enter the Celestial Heavens. No other creature has this potentiality.**

**ASPECTS of LIFE:**

<b><u>Physical / material body</u></b> <b>Brain</b>	→
<b><u>Spirit / etheric body</u></b> <b>Mind</b>	→
<b><u>Soul + Spirit Combination</u></b> <b>Senses</b> <b>Desires</b> <b>Memory</b> <b>Passions</b> <b>Intention</b> <b>Free Will</b> <b>Emotions</b> <b>Creativity</b> <b>Awareness</b> <b>Personality</b> <b>Aspirations</b> <b>Intelligence</b> <b>Consciousness</b> <b><u>The Real You</u></b> <b><u>is your Soul!</u></b>	→

The spirit body is composed of a different kind of matter, "finer" or more "ethereal". The fact that its aspect reflects the condition of soul is a clear indication that the soul influences largely its formation, and even more, the soul is indeed the creator of this body, which covers it and provides it with the characteristic of individuality. The formation of the spirit body begins at the moment of incarnation of the soul in the foetus, incarnation which only takes place should there exist a high probability that the spirit of life has found in the new organism a stable biological structure, allowing it to carry out its life-giving function.

P529 Judas of Kerioth 8<sup>th</sup> May 2002

**At the moment of conception, we incarnate, that is, we achieve individualisation and become self aware and we are then able to exercise our free will.**

**At the moment of conception, our soul, being our real self, is creating the newly forming embryo and everything else every step of the way as Judas says above. And our soul utilises our parents' life forces to achieve incarnation.**

**At the moment of conception, there is nothing of the Divine within us. Only as we proceed to ask for and receive Divine Love does our soul slowly and progressively change into the nature of that which is Divine. As our soul receives Divine Love, and embraces Feeling Healing, it will grow, and grow, and grow in brilliance and into that which is Divine.**

**Tiny invisible soul connects to the spirit body, and through the spirit body, to the physical / material body at the time of conception.**

soul

A newly individualising soul is just a tiny invisible spark.

The life force for the spirit body and the physical body is via the soul. The soul is connected to the spirit body via cords, and in turn, the spirit body is connected to the physical body by cords of light. Should the cords between the spirit body and the physical body be disconnected then the physical / material body dies. The physical body is like our starting point for learning and experiencing our being. Our learning and growth experience then continues through the existence of the spirit body.

SOUL  SPIRIT BODY  PHYSICAL BODY

Our memory and intelligence are housed within our soul, our mind is housed within our spirit body, and our brain is within our physical body. Our soul animates the spirit body which in turn animates the physical body. It is the disconnection of the silver cord between the spirit body and the physical body that results in the death of the physical body. The spirit body, which looks much like the physical body, goes on living. Emotional injuries become blocked within our spirit body, such injuries are reflected through the spirit body and then into the physical body as illnesses.

Spirit Body and Material Body are appendages to the Soul.

Intelligence  Mind  Brain  
**P E R S O N A L I T Y**

Our Personality is a feeling of God, thus creating our unaware Soul. At conception, our unaware personality (soul) forms both a spiritual body and physical body. Incarnation starts the road of self discovery, children reflect parent’s emotions. Parents attract us to incarnate.

- Three Great Truths:**
- **God is Soul, being our Heavenly Mother and Father;**
  - **that each individual soul is a duplex – both male and female;**
  - **and Feeling Healing with Divine Love is the pathway to Paradise.**

**The SOUL CONDITION of BABY at CONCEPTION is PRISTINE:**

A feeling of God creates our soul personality, the soul then splits into male and female elements. At the time of creation of the soul, the state of the soul is that of natural love as of the 6<sup>th</sup> sphere. The location of the soul at that time is not of the 6<sup>th</sup> sphere. The soul halves are then attracted to different parents.

Baby at 8 weeks

Our true self, our soul is a duplex, each half is complete within itself. Our two soul halves make up our soul.

The two soul halves may be incarnated up to 20 – 30 years apart, male and female halves are never in the same family.

Emotions flowing to unborn baby, then born baby, from those around the baby.

During gestation and early years after birth, the soul condition of the baby drops from the 6<sup>th</sup> sphere state to the level reflecting that of the parents and of those in frequent contact with the baby. Kinesiology testing repeatedly shows that the consciousness level, soul condition, of the child reflects that of one or the other parents all the way through their childhood until such times as to when they leave home and commence their independent life and establish their own environment.

The EXPERIENCE of LIFE by the BABY in the WOMB:

From the time of conception an infant is sensitive to the presence or absence of love as feelings of comfort or discomfort. One feels good and the other doesn't. This child has no idea how to seek love as it is completely subject to its environment and knows only how to respond to the way that it feels.

These early experiences of love have a great impact on a child as the child is self-focussed and has no concept of others outside itself. Its immediate environment is its world in which it has begun its process of individualisation and development of its personality qualities. The prime sense to which it responds is its sense of the presence or otherwise of love.

This is very basic but remains the most important sense for a human throughout its life. This may seem strange until you really think about it.

All of the most important responses a human makes are based of feelings and the most important feelings are those related to love because these are totally basic. Whatever supposedly sophisticated devices of discernment are overlaid on this, the basis remains the sensitivity to love.

You begin your life with natural love and it is in the context of this love that you live most of your life. In effect it is the main environment in which you live and function and your awareness of it depends on the love that you feel within you and which you express rather than the love expressed by others. You appreciate the love of others to the degree that you allow yourself to receive it. If you are closed to the love of others you will not attract it. Giving and receiving are inextricably entwined and can never be separated.

As the interaction between mother and baby is the most frequent, it is the mother's emotional makeup that is the dominant infusion into the baby's own emotional makeup.

Between the father and the mother, the infusion of emotional makeup into that of the baby commences at the moment of conception and is generally complete by the time the child reaches around the age of seven or so.

The cocktail of emotions within a child is further complicated and developed by the influence of its grandparents as well as those of its siblings.

Now we have the complete environmental picture, the personality and emotional make up of a child is not only influenced by its parents, grandparents, siblings, close relatives, friends, but also by its teachers and all those who come in contact with the child in a meaningful way.

# generations

**OUR BLOCKED EMOTIONS FLOW DOWN FROM GENERATION to GENERATION:**

**Childhood illnesses, and illnesses of baby within the womb, stems from blocked emotions passed down from generation to generation, resulting in malfunctions in the foetus.**

**We are a product of all that has come before us.**

**Our own soul condition is reflected in our children.**

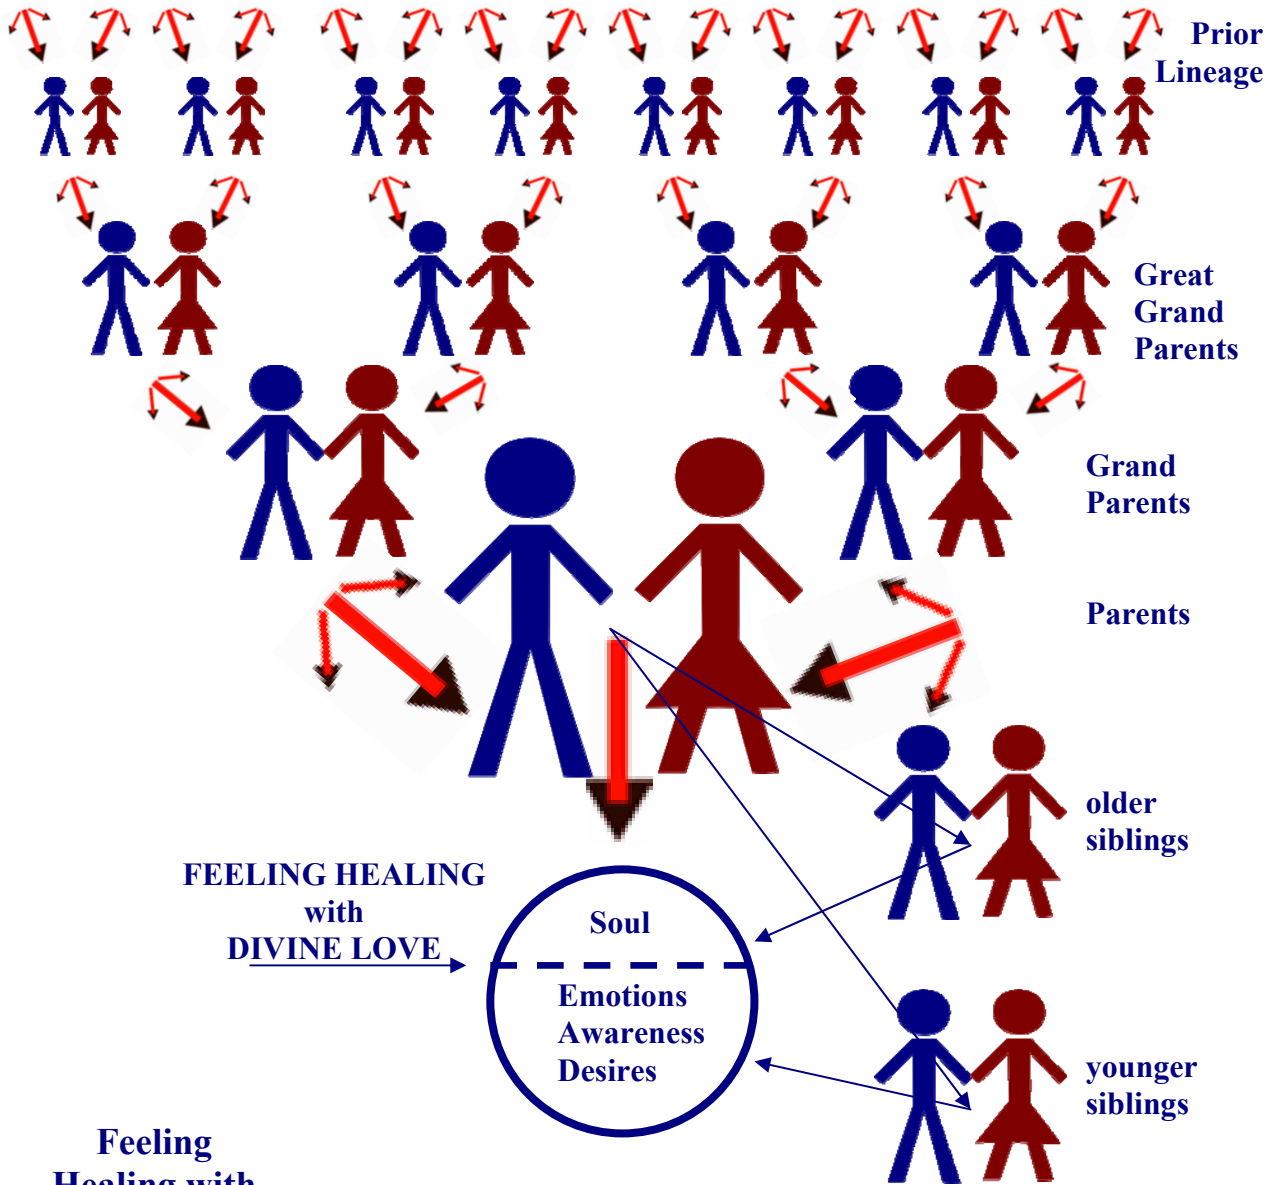

**To assist baby, as well as yourself, work and pray to clear your blocked emotions.**

**Clearing your negative emotions improves your soul condition as well as that of your children.**

**Baby's body, when conceived, is always perfect. Their soul condition is also perfect.**

Our environment, namely those who are closest around us, introduce many of the errors we carry with us within our soul body, our real self. Our parents, grand parents and siblings are those who greatly influence and mould our emotions. Prior to birth and during our first years, we absorb the emotions of those within our environment.

**PASCAS  
PERS**

Dr David R Hawkins' research finds that the soul development of humanity has been stagnant for the past 2,000 years. Once the Apostle's and followers of Jesus of Nazareth died, man has achieved very little in soul development. The Map of Consciousness calibrations have barely moved 30 points in 2,000 years. This is essentially the result of the distortions in the teachings made available by Jesus of Nazareth and the implementation of control over congregations by the many churches that have proliferated since then.

The core teaching by Jesus of Nazareth of the availability of Divine Love, the Father's Love, what it is and how to ask for it, and then receive it, was totally suppressed and lost by 325 AD being the time of the Nicean Council. Those teachings have been progressively reintroduced to us over the last 100 years, starting on 31 May 1914 with the commencement of the Padgett Messages. This flow of teaching and writings continues today. With these teachings, humanity can once again continue on its growth towards love and prosperity.

#### **Note:**

#### **The Map of Consciousness scale is from 1 to 1,000**

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.

A calibration increase of 1 point is in fact a 10 fold increase in energy.

A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.

Thus the energy differentials are in fact enormous!

**LUKE on DISEASE and HEALTH:**

27 April 1916

<http://new-birth.net/padgetts-messages/true-gospel-revealed-anew-by-jesus-volume-2/luke-what-is-necessary-for-a-man-to-do-to-recover-purity-of-soul-vol-2-pg266/>

Man should realize that he is a perfect creature of God, and that his errors and diseases are merely the results of his own thoughts, and of qualities that have come to him down the long ages of his ancestors living on Earth.

He need not suppose that these errors / sins and desires are inherent in or a part of his creation, for they are not, but merely accretions that fastened themselves upon him by reason of the thoughts he has had, and the resultant course of life he has led, and when he changes these thoughts, which will necessarily bring about a change in his manner of living, he will find that he can progress toward the condition of the perfect man.

The doctrine of original sin is a mocking, damnable lie, and the sooner man realizes the fact that it is a fraud and deceit, the sooner he will be able to get rid of those things which have placed him in his present condition and held him there bound, as it were, hand and foot. This supine (lethargic, inert) submission to this old and ever recurring belief is the great thing that prevents man from starting to progress towards the attainment of that condition, which is purity and health and the perfect man.

Man created sin and disease.

Man, although covered with sin and disease and false beliefs, to recover this lost estate or, better, condition, he will find that by searching for and learning and acting upon many of the moral precepts of the Bible and of other so called sacred writings, he will be greatly helped and strengthened in his efforts.

God does help man in his recovery from the state of false beliefs and degradation. Their love overshadows men, and His instrumentalities are always ready and waiting to answer the call upon Him for His help in assisting them out of their condition of sin, disease and false beliefs.

It is Their gift of Love that progressively restores man back to the pristine condition in which he was created. Further, only will this Love enable man to become a Divine angel with immortality.

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

**LACK of SELF- LOVE:**

- A composite of:
- a. lack of self-worth
  - b. lack of self-acceptance
  - c. arrogance and pride
  - d. self-loath and hatred
  - e. lack of self-awareness.

Why one has imperfection in their natural love is due to an extension of one of these traits, and all these traits relate back to one single finite Truth, which in its cause is a lack of self-love. The lack of self-love to one's self is the cause, the root cause, on why there is so much fear within individuals, the human world and the lowest spheres in the spirit world. The individual will have a memory that describes how this lack of self-love appears and many people deny this existence of the lack of self-love within themselves because it hurts too much to see it.

***Cause No Harm*** < to OTHERS  
to MYSELF

Strive to love others as I am to love myself

***Feelings first***

Our perfect soul is founded on natural love. Our soul may become encased / encrusted in error bringing about lack of self love. To dissolve the errors encrusting our perfect soul is by growing in truth through the ongoing healing of one's negative state, by doing our Feeling-Healing of our toxic emotions. By ending our feeling denial and healing any personality expression denial we have.

The Mother and Father's Divine Love will slowly strengthen our resolve to perfect one's own natural love, should we address such errors. Slowly but surely, with the Divine Love, our soul's condition will grow and grow. With the Love this will fit one to enter the Celestial Heavens, and beyond, being in the love of all that surpasses man's imagination. Try the experiment.

### INDIVIDUALISATION – Purpose of Incarnation:

The spirit body is, of itself, a creation like as is the physical body, and has its existence only for the purpose of preserving man's individuality, and of containing and sheltering his soul, both while on earth and after he becomes a spirit.

Then his living means that he is placed on the earth merely to acquire an individuality, and to learn that within him is the soul which is his real self and which he must cherish and educate and feed with the higher thoughts and goodness of his original creation, and not neglect the opportunities that come to him for this development. Apostle John 2 July 1916

### HARMONY within the SOUL = HARMONY within the PHYSICAL BODY:

Emotional injuries, erroneous beliefs, harmful intentions are all damages encrusted upon one's soul. Such injuries are to the spirit body in which the soul is connected by cords of light.

Such man made errors degrade the pristine soul and such damages impact upon one's spirit body which in turn emerge as discomforts, then pains, then as illnesses within the physical body.

Medical assistance and treatment may alleviate the illness / pain however the cause remains.

Until we endeavour to remove the errors and injuries, the propensity for the illness remains.

Love energy from our Mother and Father is the only substance that alleviates and progressively removes errors and injuries, and this Love energy is the only substance that permanently brings about harmony and health for our soul which subsequently brings about health to our spirit body and physical body.

Earnestly pray for, ask for, and receive the Love from our Mother and Father, such Love will always be provided to those who ask for same – always!

**God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.**

**Jesus and Mary are a son and daughter of God.**

**Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.**

**Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.**

**When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

**It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.**

**WE ARE Children of God**

## WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

**HUM:** Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

**AVO:** We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

**J&M:** We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

**M&F:** Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

**WE ARE Children of God**

**WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:**

**GOD**

**M&F**

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.  
We are to long for the truth of what we are feeling.  
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

**J&M**

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

**By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

**AVO**

**HUM**

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

**WE ARE Children of God**

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

## HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

## The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

**PARADISE TRINITY:**

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**  
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
  2. **ETERNAL SON (ES) – Divine Truth**
  3. **INFINITE DAUGHTER (ID) – Divine Mind**
- Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

**The LOCAL UNIVERSE TRINITY:**

1. **MARY M and JESUS** – Our MOTHER and FATHER – Love – the Living Truth
2. **DIVINE MINISTER** – Mind (and her Holy Spirit)
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

**PLANETS that engage in REBELLION:**

1. **AVONAL SOULMATE PAIR** – the Feeling Healing process – incarnate
2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

**So in summary:**

**Consider a diamond:**

# Mother and Father Heavenly Parents

Creator Son & Daughter  
Jesus and Mary

Avonals  
as soulmate pairs

Trinity Teachers  
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

**CREATION of SOUL and SPIRIT:**

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

**The LIFE of the MASTERS of the FAR EAST:**

Vol 2, p.107 Baird T Spalding

Jesus of Nazareth boldly taught that ignorance is the cause of all sin / error. He saw that, in order to practice forgiveness or the science of forgiving, man must be enlightened to the fact that man has the power, through the Father, to forgive all sin, discord, and inharmony; that it is not God who forgives sin, for God has nothing to do with the sin, sickness, and inharmony of man; that man, himself, brought these into being and man is the only one who can erase or forgive them, by forgiving himself and by asking for and receiving the Father's Love which overrides compensation in the process of dissolving the injuries and errors in man's nature. He saw that man must learn that ignorance is disregard and lack of understanding both of Divine Mind as the Creative Principle and of his relation to that Principle.

He saw that man may have all intellectual knowledge and be versed in worldly affairs, yet if he does not recognise the Christ (the Father's Divine Love being a substance) as the living, vitalising essence of God within him (subsequent to asking and receiving same), he is grossly ignorant of the most important factor governing his life. He quickly saw the inconsistency of asking a perfectly just and loving Father to heal a disease or sin (the disease being the result of emotional error and injury referred to as sin). He taught that disease is the effect of sin and forgiveness is an important factor in healing; that sickness is not punishment sent from God, as many believe it to be, but is the result of man's misunderstanding of his real being. He taught that it is the Truth which sets free. The purity of his teachings has caused them to outlive those of his teachers.

Thus forgiveness has a two-fold mission. It frees both the erring and the loving one, for back of the application of forgiveness is a deep and radiant love, a love found on principle, a love that desires to give for the joy of giving with no thought of reward save that of the Father's approval in the words, 'This is My beloved Son in whom I am well pleased.' (We are all sons / daughters of the Father.)

These words are just as true for us as they are true of Jesus. Your errors / sins, sickness, or discord are no more a part of God, or your true self (your soul), than fungi are a part of the plants to which they attach themselves. They are false excrescences which have gathered upon your bodies as the result of wrong thinking. The thought of the disease and the disease are merely the cause and the effect. Erase, forgive the cause and the effect disappears. Erase the false belief and sickness vanishes.

This was the only method of cure that Jesus ever resorted to. He erased the false image in the consciousness of the one to whom he ministered. He first raised the vibrations of his body by connecting his own thoughts with those of Divine Mind and holding his own thoughts steadfastly in accord with those of the perfection of the Divine Mind for man. Then the vibrations of his body became equal to the vibrations in Divine Mind. Having thus raised the vibrations of his own body by his steadfast thought of the Divine Perfection, he was able to raise the vibrations of the body of the applicant with the withered arm to the point where he could erase the image of the withered arm from his own consciousness. Then Jesus could say to him, 'Stretch forth your hand'. He stretched it forth and it became whole. Thus Jesus raised the vibrations of his own body by seeing the Divine Perfection for all and this enabled him to raise the vibrations of the one he healed until the image of imperfection was entirely erased; then perfection was instantaneous and the forgiveness was complete.

You will soon find that, by fixing your thoughts and attention steadfastly on the Source Soul, God and His divine perfection, you can raise the vibrations of your body so that they will blend so harmoniously with those of the divine perfection that you are absolutely one with the divine perfection and thus one

with the Father, God. You are then able so to influence the vibrations of the bodies of others with whom you come in contact that they see the perfection that you see. Thus you may fulfil the divine mission and your part is complete. Or you may see imperfection and thus lower the vibrations until imperfection is the result but if you do this, you cannot escape reaping the harvest of the seed you have sown.

All of Jesus' healings were on the basis of removing the mental cause. Thought is the most potent agency in the universe. You will soon recognise that thought is the mediator between Divine Mind and every bodily ailment or discord in the world.

God cannot control man's thoughts of love and balance, or hate and unbalance; they are for man to control.

However, we have free will and we also have the availability of the Source Soul's Love, should we use our free will and ask for it.

**DIVINE LOVE being AVAILABLE is our SALVATION:**

**DIVINE LOVE is the ultimate high octane super fuel to transform our soul into that which is Divine. Loving in all that we then do. With Divine Love we can progress into the Celestial Heavens, without it we can not. Ask and you will receive.**

**We are created with the substance of that which is not Divine, and that is Natural Love with its various aspects that reflect through our personality.**

**The Divine Love is far more powerful than the natural love. If I would have to put a number on how much stronger, just so you can understand what I'm trying to say, I would say 10 or maybe even 100 times. Of course this is purely hypothetical because natural love is only a derivative of Divine Love so it is almost impossible to compare them this way. If you ask for the Divine Love to enter your soul it will be 10 or 100 times more efficient, 10 or 100 times stronger than if you would let the natural love flow through your soul. So it will help to break down "the wall" you've created around your soul 10 or 100 times faster than the natural love would do.**

**John (Apostle) 19 January 2015**

## “All dis-ease is mind generated, and all healing is generated by the love energy of one’s soul.”

The Ego (mind based) manifests illness; the lower one’s level of consciousness (soul condition) then the more prevalent will be illness. Below the levels of 200, the ego and fear of the mind dominate; however, as you raise your level of consciousness by growing in love and achieve a level of 500 or higher, you begin to transcend ego dominance. At the level of 600, all healing is possible.

An earnest longing for God’s Divine Love is the only way to transform one’s soul. This longing is severely retarded and the reception of God’s love impaired whilst one’s soul is dominated by erroneous beliefs which are in the form of negative emotions. The releasing of and clearing of these emotions are essential to progress from the lowest levels of the 1<sup>st</sup> sphere and also to progress through the 2<sup>nd</sup> sphere. It is Feeling Healing with Divine Love that one progresses through the Divine Love Mansion Worlds 3, 5 and 7 and enters the Heavens.

PROCESS of FORGIVENESS  
PROCESS of FORGIVENESS  
PROCESS of FORGIVENESS  
PROCESS of FORGIVENESS

is also the PROCESS of REMOVING HARMFUL EMOTIONS  
 is also the PROCESS of HEALING BODIES Physical Spiritual  
 is also the PROCESS of SOUL GROWTH with the LOVE  
 is also the PROCESS of CLEANSING the SOUL

Our Heavenly Parents send the Holy Spirit, the Spirit, to those who long for and ask for Their Love and assistance. All you need do is ASK!

“The New Birth is the flowing of the Spirit of God into your soul and the disappearing of all that tends to turn your heart from the truth and Love of God in conjunction to doing one’s Feeling Healing.”

“The Holy Spirit is God’s messenger or instrument that carries into the soul the Divine Love that is bestowed on the truly penitent man.”

“The Holy Spirit when the penitent prays for the Love the Holy Spirit will respond and fulfil the work that the Mother and Father has provided it to do.”

“The only thing that saves a man from their sins / errors and reconciles them to the Mother and Father is that they must become conscious of God’s Truths and receive the Holy Spirit into their souls.”

Continuing with one’s longing for Truth and asking for our Parents’ Love enables progressive removal of emotional errors and injuries that then lead to the removal of core emotional damage, and then, subsequently, the progressive filling and expansion of one’s own soul. Removal of these soul injuries through Feeling Healing also leads to the removal of damage to one’s spirit body and the restoration of one’s health.

It is only by the infusion of this Love while longing for Truth within one’s soul in sufficient quantities does one become fitted to enter the Celestial Heavens.

Soul development, with the Love, can take a soul from being a dried up garden pea to that of a simple candle, and then onto that of a blazing sun!

**The LOVE that brings about FORGIVENESS:**

This Divine Love, and by this I mean the only way through which salvation can be obtained, can enter and fill the soul through the sincere longing of the soul to assuage the thirst for at-onement with our Mother and Father through prayer. Revelation 17 – November 12th, 1960 – Jesus

**The only way for man to achieve forgiveness of sins is through the obtaining of the Divine Love or through purification of the natural love, a long and tedious process that fits the individual soul for a place in the Sixth Sphere.** Revelation 50 – October 18th, 1954 – Jesus

Divine Love fits a personality to enter the Celestial Heavens, way above the 6<sup>th</sup> Sphere. Without this Love, man cannot enter the Heavens. It is this Divine Love that brings about immortality for man.

This great Love of the Father was created or rather has always been, for the redemption of the vilest sinner who seeks and believes. March 24<sup>th</sup>, 1915 – Ann Rollins

Only the Divine Love can give man of a Divine Nature, and that no self development or cultivation of the Natural Love to the greatest and most sublime extent are sufficient to make man at one with our Mother and Father in the divine sense and which makes the spirit a partaker of this Divine Essence of our Mother and Father. One needs to come to understand the difference between the two loves and what the New Birth means. March 24<sup>th</sup>, 1915 – Jesus

## MODERN MEDICINE IGNORES OUR SUBTLE BODIES:

It is the injuries to our subtle bodies caused by our wayward mind that bring about the manifestation of mild discomfort, then acute pain within our physical body, and ultimately the illnesses and diseases that we then seek medical assistance to suppress. Modern medical systems do not address the cause of such illness. Ask yourself, when was the last time that a medical professional told you what the underlying cause of an illness was?

The auric field, that some can see, is the template for our physical body. Childhood Repression brings about energy flow blockages, being stuck and frozen emotional injuries, which then retard the flow of energies within our physical bodies. Modern medicine ignores this reality. The result is that treatments provided are only temporary as the underlying injury remains within our subtle bodies.

We have other bodies that are just as real as the physical body, they are all connected, if we have a problem within these subtle bodies, such problems most likely will manifest on the physical, so why not attend to it utilising a healers help on these subtle levels thereby helping yourself on the physical.

Example, our genes are multi-layered. Our genes are not only part of our physical being but are far reaching. They are:

on the physical level  
on the emotional level  
on the mental level  
on the psychic level  
on the spiritual level.

We need to understand our **genes are not just physical, but on all levels.**

In fact our issues and illness that we recognise within the physical body are on all levels.

Only by one engaging in the process of Feeling Healing can one delve down into the core emotional issues originating from our childhood, being in the form of childhood repression and suppression, that we can then express and release such injuries and bring about permanent health to our physical body. The process of Feeling Healing is the only way to remove the underlying cause of physical illness and discomfort.

## MEDICAL PROCEDURES and RESEARCH

### Sometimes You Can Find a Needle in a Hay Stack!

While traditional allopathy medical research focuses only upon the physical body to resolve illness events and health issues, they continue to be like blindfolded mechanics endeavouring to repair motor vehicles.

The physical body is animated by the spirit body, and in turn the spirit body is animated by your soul. The spirit body is of much finer substance than the physical body, and the soul is of an even finer substance, hence research technology in the physical world cannot comprehend these bodies.

Your soul and spirit body is the home of your emotional injuries and errors. These emotional issues create fissures and damage within your spirit body. Subsequently the injuries within your spirit body generate illness within your physical body, at the corresponding location as in the spirit body.

Illness is generated by your soul, however, healing is also generated by your soul. Releasing the emotional injury in your soul heals the physical.

**Would you consider allowing a blind mechanic work on your car, particularly when it is locked up? He cannot even see the car, let alone access the engine!**

**The health industry stubbornly resists recognising the subtle bodies that we all have.**

**The foundation of our illnesses originates from within our subtle bodies, that is, from within our mind which is spirit body based, and subsequently then via our spirit body.**

**It is only when we understand the cause of an illness is when we can deal with it, effectively, and permanently.**

## CONSCIOUSNESS and EMOTIONS:

**Consciousness = Soul Condition. One's Soul Condition is equal to the average of all of the held emotions. Soul condition is the sum total of all of the different emotions, desires, passions, etc., all wrapped up together in terms of how much love there is in every one of those.**

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.  
 A calibration increase of 1 point is in fact a 10 fold increase in energy.  
 A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.  
 Thus the energy differentials are in fact enormous!

**NATURAL LOVE or HUMANITY's ENDOWED EMOTIONS:**

Your soul, being your real you, is an emotional being. Your soul, though a thought of God, does not possess anything of the divine within it. It existed in a state of bliss, in a natural love state, pending individualisation which is achieved at conception which is the time of incarnation. Your soul is endowed with natural love emotions noted within the top section of the Map of Consciousness scale, being those emotions calibrating above 200.

Humanity's erroneous emotions are those calibrating below 200 on the Map of Consciousness. The environment around a newly conceived child progressively degrades the condition of that child's soul. When the child reaches about the age of 7, the child's soul condition will reflect the parent's condition. These negative emotions are like a crust around the pure soul it has within.

“The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.

“But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Mother and Father’s Grace.” P.6 Judas of Kerioth Judas – August 19<sup>th</sup>, 2001

This is what happens to our soul when we refuse to deal with our emotions. Everything around us starts dying, everything is affected negatively around us.

Every time you get frustrated and angry, you are affecting everything around you, not only yourself, you are affecting every living thing as well as every non living thing around you.

What needs to be dealt with is our emotion.

Negative emotional issues lodged and stuck within the soul then manifest in the spirit body, and subsequently emerge as pains and illnesses in the physical body.

### HEALTHY MERIDIAN or OBSTRUCTED MERIDIAN:

The etheric body, being your spirit body, is the template for the physical body. Much of the energy you need for the physical body is supplied by way of chakras and the meridian lines throughout your etheric body. These meridian lines reach from your toes to the end of your fingers or top of your head. Each set of meridian lines is connected to a specific organ of your body. Each organ functions at a different vibrational frequency.

In like, many negative emotions, which are also of different vibrational frequencies, if not allowed to pass through your bodies, will find their lodgement within fields of related frequencies within your body and organs. Such negative emotion, being those calibrating under 200 on Dr David Hawkins' Map of Consciousness, may lodge anywhere in the bodies, typically on the meridian line of the related organ to which it relates to and was attracted to.

Such slow vibrating negative emotion is a plasmatic magnetic energy ball. It can grow and grow by being fed the same fuel coming from a continuation of the same emotional injury. This stuck ball of energy will restrict the movement of needed energy flow along the meridian. This will result in discomfort, then pain, and then may manifest in illness in the organ or in aspects or regions of the body related to that organ.

Allopathic / western medicine treats the symptoms, however the cause remains held in the bodies resulting in a further or similar health issue or a reoccurrence.

The negative emotion, possibly having been held since very early childhood, can be easily removed.

Issues within the subtle bodies are energetic magnetic fields that can be removed by your focused intent to recognise the issue, locate the issue, and enable the bodies to release the emotion with the support of additional magnetic energy being provided to your governing meridian down your spine. Such healing modalities include the Emotion Code and Body Code practices, as an example.

The ultimate way to improve your health condition is to long for and receive Divine Love, this love slowly but steadily grows your soul condition and results in erroneous emotions and injuries being released from your bodies.

### The MERIDIANS:

Have a negative emotion lodge its disruptive slowly vibrating energy field in the region of a meridian then you will have a physical health issue with the physical organ that is fed by that meridian even though that meridian is within your spirit body.

## *Meridians – the Pathways of Energy Flow*

<http://www.crystallotus.com/Acupressure/Index.htm>

The pathways of chi flow are called meridians. Where are the meridians? When a surgeon operates on a person, he does not find any meridians. The surgeon does not see air either, but it is still there. Compare a meridian with a stream. A stream, unlike a pipe, has no defined boundary. It is simply where water flows, and it may constantly change its shape, although the change is so small that it generally maintains a definite line of flow. In the same way, a meridian has no fixed boundary.

It exists where the chi flow is, though it maintains its general form. Meridians are of two kinds: the main ones are called channels (jing), and the branches are called collateral (luo). However, the term 'meridians' is often used to denote channels.

When Chi does not flow easily and smoothly we have what is commonly called a dis-ease. The Chinese believe that a Chi gets trapped in the meridian and the body suffers from all the ailments. To heal this blockage the Chinese healers understood the flow of energy through the various Meridians. They stimulated the energy points to let flow the Chi and, so therefore the healing took place.

Tonal lines create the web-work of energy which the scalar-wave frequencies of the core Katha Grid and DNA Template translate into the Chakra Meridian-Nadius Line (Hara Line) and chemical DNA systems.

Meridians, or channels, can be classified into two groups: primary and secondary: Primary meridians are those that pass through internal organs, secondary meridians do not. There are twelve pairs of primary meridians flowing in a never-ending circle. For simplicity, only one of each pair is described. The twelve meridians are as follows:

Lung meridian

Colon meridian

Stomach meridian

Spleen meridian

Heart meridian

Intestine meridian

Urinary bladder meridian

Kidney meridian

Pericardium meridian

Triple Warmer meridian

Gall Bladder meridian

Liver meridian.

Negative energy in the form of holding onto an untruth about anything, being a person or an event, deposits within one's soul as a tiny cell of unwanted energy. This tiny energy blockage can grow and grow should you allow the issue to fester within your being.

Untruths with anger and hatred will slowly, but surely, manifest themselves into your meridian system which resides within your spirit body. This then results in energy flow blockages within your meridian system, being the template for your physical body. Unless these energy blockages are released and allowed to pass through your spirit body, you will begin to feel pains within your physical body, and subsequently, an illness may emerge within your physical body. Such illness is a direct result of an emotional issue, or series of related emotional issues, that could have commenced during your early childhood, or even before birth. Proceeding to release these emotional time bombs while receiving medical assistance for your physical body can result in the permanent recovery from such illness.

## ENERGY DETERMINANTS – Relationship between Body, Mind and Soul:

The physical body calibrates at 200 on Dr David Hawkins' Map of Consciousness. Many people feel and believe that their body is their real self, this is not so.

Further, the brain is not the origin of the mind, as science and medicine had believed, but the other way around. The mind controls the brain. The brain is activated by the mind's intention and not vice versa. Reason, which emanates from the mind, calibrates at 400 to 499, thus controlling the brain.

What is held in mind has the power to alter brain activity and neuroanatomy. Thought is powerful because it has a high rate of vibration. We are subject to what we hold in mind. Errors in belief bring about energy flow blockages.

Superimposed around the physical body is an energy body whose form is very much like that of the physical body and whose patterns actually control the physical body. This control is at the level of thought or intention. This superimposed energy body is one's etheric / spirit body, the template of one's physical body and home of one's mind.

The basic dictum to comprehend is that the body obeys the mind; therefore, the body tends to manifest what the mind believes. Illness is generated in the physical body by erroneous held beliefs within one's mind.

It is the energy level of love that steadily brings about a release from erroneous and harmful man-made emotions and beliefs. The energy level of love calibrates at 500 and higher. One's soul is connected by cords of light with one's spirit body. One's soul is the home of one's personality, natural intelligence and memory, it is our real self.

One's soul is always perfect and is made of the energy substance called natural love. It is by growing one's level of love does one enable sufficient energy to flow through one's chakras of the spirit body and subsequently into one's physical body that erroneous and injurious beliefs are dissolved and the potentiality for health of the physical body to become permanently repaired a possibility.

On the Map of Consciousness (MoC), the **charkas** calibrate as follows:

Crown	600	7 <sup>th</sup> chakra
Third Eye	525	6 <sup>th</sup> chakra
Throat	350	5 <sup>th</sup> chakra
Heart	505	4 <sup>th</sup> chakra
Solar Plexus	275	3 <sup>rd</sup> chakra
Sacral or Spleen	275	2 <sup>nd</sup> chakra
Base or Root Chakra	200	1 <sup>st</sup> chakra

Felling and Healing and the greatest infusion of Love, is the easiest way for one to transcend levels of emotions, that is, to evolve, is to long for, pray for, and ask for the Father's Love, Divine Love, being a light golden blue energy substance. Try the experiment.

## Life Practice Matrix - Feelings First

**Feelings first**

**Feelings First Spirituality, The New Way**  
Feelings are your own truth and personality

## **EMOTIONAL INJURIES can be INDICATORS of PHYSICAL DISTURBANCES:**

A number of similar harmful suppressions and repressions of emotional events will draw their energies together and also relatively similar injuries to that core, thus bringing about a unique cluster of held, damaging energy that then finds a home in a compatible organ or area of the physical body.

The foundation of such accumulations can commence immediately upon incarnation, being projections from one's parents and subsequently other family members.

The core emotional injuries grow and grow through relatively similar ongoing emotional patterns of parents and carers, thus creating the foundations for discomfort and subsequent illness within a child, and later on in their life. Due to the complexity and intertwining of the natures of those influencing a child, there is NO precise relationship between core and related emotional injuries – and specific illnesses or the nature of an illness – even though the patterns do suggest that this is so.

It is a generalisation that a range of emotions within a similar energy or frequency band find their manifestation by expressing themselves as pain and illness within one's body in predictable locations. Further, due to clustering of volumes of ongoing emotional injuries around the core issue, the healing process is complex and lengthy. The longing for truth of one's feelings resulting from the discomfort within one's body will be a lengthy process of working through the huge range of emotional issues directly related to any one illness event.

The gift to humanity is that any emotional injury gives us the opportunity to FEEL and LONG FOR the truth of what is behind the discomfort within our body, so that we may express what we recognise and talk the harm out of us – in this way we slowly heal ourselves – both spiritually and physically.

By ignoring what our body is bringing to our attention, by suppressing the discomfort, we bring about further escalation of the emotional error and a growth in the potential for greater vigour in the activity of the energy related to the frozen cluster of emotional injury. This may result in even more difficulty managing pain and disease within one's body.

This discomfort is a call to long for the truth behind what your body is drawing attention to and talk about what you are feeling, expressing what you feel is behind these issues, being your emotional errors and injuries, and express it out of you – release the injury.

## **OUR BODY NUDGES US TO LONG FOR TRUTH!**

Should our physical body be without discomfort, pain and illness, we would not have any reason or prompting to pause for a moment and wonder what is behind such intrusions to our ‘harmony’.

In this way, our body guides us into asking for the truth behind such discomfort – to long for the truth behind our emotional injuries. Should we ignore these communications then our body will amplify its signals. They will strengthen progressively until we not only engage in our investigation into the underlying cause of the pain or illness, but also start to express what we are feeling – talk it out of us.

By expressing what we are feeling will not resolve all the pain until we have totally completed all of our healing. If we were able to resolve individual issues in this way, one by one, we would stop our healing process, our Feeling Healing. That would defeat the purpose of our body being able to assist us with our total healing of ALL of our childhood suppression and repression.

“We are parented heavily by our parents who use our and their physical bodies to control our emotions, feelings, mind and will. And we are forced to change from being true to being untrue – how they want us to be. Then through our Healing our physical bodies help us back the other way, from being untrue to being true. Our bodies show the damage done, giving rise to the necessary feelings we need to make us feel bad so we can use those feelings to keep uncovering the truth of our wrongness. With our soul causing our body to show the damage when it’s time for us to attend to the required feelings.

“Our parents inflict pain that changes us from being true to being untrue. And then when we do our Healing, our bodies express that same pain, giving rise to the same feelings, so we use them to heal ourselves.

“Our body is hurt and changes us. When we do our Healing, our body hurts and we change again, back into what we should have been.”

Note from James Moncrief 2 June 2018

Thus, it can be considered that Feeling Healing is the pinnacle of all healing modalities and that all health care systems (Allopathic, Ayurvedic, Traditional Chinese Medicine, etc.) are complementary when they do not shut one down from simply FEELING.

Our bodily discomforts, both physical and mental, remain with us in varying degrees until we transition into being Celestial – in at-onement with our Heavenly Parents – following completion of our healing all our childhood repression and suppression.

**PHYSICAL DISCOMFORT is a COMPANION through out OUR FEELING HEALING:**

We are to uncover the truth of our untruth through the crying Healing Mansion World levels (and their equivalent on Earth); and then once that's done, and with the appropriate amount of Divine Love in our soul warranting fusion with our Indwelling Spirit, we can move into the Celestial spheres of love (or their equivalent on Earth).

**Spirit Mansion World 3 equivalent on Earth: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.**

**Spirit Mansion World 5 equivalent on Earth: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.**

**Spirit Mansion World 7 equivalent on Earth: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.**

One's acute pains – such as headaches, hip / joint / back pain, etc., all of which can be crushing and feel like they are too much – may be to do with the actual breaking down of controlling beliefs. And then associated with them, and perhaps even resulting from them, comes all one's repressed emotions and feelings, namely, fear, misery and anger, they being the big ones, together with feeling powerless, useless, too overwhelmed that you can't go on, broken, unloved, unwanted, uncared about and so on. All these feelings and emotions are also painful, but are a different pain to when you feel like your mind and some part of its control is being broken down. Usually, when the mind breaking pain passes, you then move into deeper emotions and feelings to be expressed, feeling like you are progressing in letting go of your untrue self, giving up more of your falseness – evilness. These intense 'mind-breaking' pains come intermittently, sometimes many together, sometimes for a short time, sometimes over weeks, months, even years. So overall one's Healing may feel like it's one long mental breakdown, with all the additional emotions and bad feelings that need to be released along the way. All of which are trying to bring one's will back into being as it should have been had it not been so interfered with.

**Accept, express and long for the truth of your feelings.**

**Live true to your feelings; your feelings are your true self. Be free in your feelings. Free your feelings from your mind's control. Live true to yourself through your feelings.**

**LIVE FEELINGS FIRST**

### BODILY PAIN is OUR FRIEND:

Our body stops us largely through pain, allowing us to pay closer attention to ourselves and our feelings. The pain is there for us to deal with, embrace and accept, to want to know why we have it, what is really going on deeper within us that is causing it. And by expressing our feelings of pain, and longing for the truth of them, we can use it to heal all that's wrong within us. This being our Feeling-Healing.

However as we all rightly hate pain, we do all we can do to stop it as quickly as we can, so we rush off to the doctor, take pills, drugs, busy our mind trying to 'take our mind off it', all of which is dismissing these feelings that are there to help us. So by denying our pain we are further denying ourselves, which in turn is going to further (at some point) cause even more pain.

Our pain is to make us slow down, to pay closer attention to what we really are feeling. It comes about to stop us running away from the hidden truth of it, that which relates to our relationship with our parents and how they treated us, causing us such pain. All our pain (pain on all levels, including the physical) is the same pain our parents have made us feel. And we need to use it to find the truth of this. So even toothache pain can stop you, leading you deeper into yourself, helping you express all the terrible emotions and feelings it makes you feel, all so you can uncover more truth of your relationship with your parents and early life.

So in doing our Healing, we try to put off rushing to the doctor or seeking immediate help to remove even the slightest pain, choosing to instead put off such visits or taking pills whilst trying to express and seek the truth of such pain. However when it drives you to seek help, of course you do whatever you want to do to take it away, all the while expressing all those emotions and feelings and longing for them to reveal the truth you are to see about yourself.

So our body and its pain is our friend, used by our soul to help us come back to being closer to ourselves, to living true to what we are feeling and to set us free of our mind control and denial of pain.

**CHILDHOOD TRAUMA**

# CHILDHOOD TRAUMA

Throughout our forming years, from conception to around age six, we are immersed in the unloving guidance and care of those who feel they are loving. The accumulation of injuries, errors, hurt, are all of an ongoing harming nature being disturbing frozen energy that manifests aspects through the rest of our life. The repression and suppression of our natural self expression during our formulative years is the foundation of all our suffering throughout our life.

Suppression and repression of our natural self expression underlies our quality of life, it is the predictor of our level of employment, poverty or otherwise, our physical health, generator of our illnesses, our quality of relationships and all aspects of our everyday living, good and bad.

We can free ourselves of living life like a retard, yes, that is about how we emerge from our early childhood. We, as parents, are yet to discover how to bring up children. First we are to liberate ourselves from keeping suppressed our childhood repression, and this we now can do through Feeling Healing.

“The real KEY to our Healing is longing for the Truth, and that is the truth that will come from our feelings. If you don’t want the truth of what you are feeling, then you can forget it. You can express your feelings all day like a kettle letting off steam, however if you’re not seriously wanting, and longing hard, and praying with all your will to God to help you uncover and see the TRUTH that your feelings are there to show you, then you can forget it. The expressing and releasing ARE just as important, however a little less than longing for the truth.” James Moncrief 28 May 2018

# Pole Shift

**Pole Shifts are our own very personal life experiences. They are as dramatic as the physical pole shifts that the planet Earth endures from time to time. However, our own life events are far more important.**

**At the moment of conception we are in a perfect state. From the moment of conception we are overwhelmed by the well meaning endeavours of our parents, immediate family and carers. They do not know what *true* love is, they have never experienced it, so we are not *truly* loved by our carers and teachers. We are crunched into submission by everyone within our environment. Our Natural Self Expression is all but obliterated! We are crunched into being someone else that others impose upon us. We are made into 'bad apples'. We proceed through our life experience, after our parents' well meaning but misguided endeavours, and have this falsehood strengthened by our educators, then our religious organisations, then our employers, all overseen by our governments. We have no way of expressing our true selves.**

**Now, for the first time in history of humanity, we can reverse our early Childhood Repression and Suppression and invoke our own counter Pole Shift. We can to liberate ourselves from our imprisonment within our mind that was imposed upon us from conception to around six years of age.**

**We can through our Feeling Healing embrace our feelings, both good and bad, long for the truth of what is to be revealed to us about such emotional events, and express such revelations to a companion and begin the climb of the pole to Natural Self Expression of our true personality. The task is painful, long and arduous; however, we are to liberate our true nature, our true selves of natural love, and in this way we will grow to be who we truly are, a child of our Heavenly Parents – and with Their Love, we can become Divine.**

**This is the Pole Shift that all of humanity is to engage with and grow from. This is the Great U-Turn.**

### The REAL YOU is the SOUL:

One's personality, natural intelligence, memory and human attributes all are soul based. The soul initiates conception so it can start expressing one of its two personalities in Creation. It creates the will, then 'wills' the spirit body and physical body and all that connects them with the will into being. Our soul constantly sustains or expresses us, one of its two personalities, in Creation. The spirit can't separate from the soul because the soul keeps it in existence. We need our spirit and physical bodies to experience our personality through. When the spirit body separates from the physical body, one continues on living in a different form without losing any of the attributes experienced during physical life. Incarnation is the process of individualisation of the soul.

Without a soul, our physical bodies would function and interact similarly to that of a domestic animal. An unsouled human body (thought not possible) would respond like a household puppy! Domestic animals calibrate on Dr David Hawkins' Map of Consciousness between 200 and 250, the human body calibrates at 200. All animals have spirit bodies, these do not survive into the spirit Mansion Worlds. Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

**Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some one million years ago (993,500 years ago). Adam and Eve, Adamite bestowals, arrived some thirty eight thousand years ago – or earlier.**

**Aman and Amon** were the first True Humans, which means, the first soul expressing its soulmate pair, its two personalities, in Creation – on Earth. From which came forth the rest of us. So they had a soul from the start, which separated them from their animal parents. It's the soul that wants to fully express itself through its two personalities perfectly in Creation, which is the so-called 'human perfection hunger'. It, our soul, wants to be Perfect like its Heavenly Parents, the Soul that Created it. We, focused as personalities, want to be perfect, like the Personalities of our Mother and Father that are Perfect. Our soul wants to be like Their Soul. Our soul wants to ascend us to Paradise so we can be with Them, as physically close to Them on a personality level that we can be, and then see what happens.

There were aunts and cousins, parents and grandparents. But they were not human like Aman and Amon – they were really animals, though of the same species. Aman and Amon wandered off from the family, since they could find no way of relating to them at all. How could they? They were incapable of rational thought, speech, or anything human. Aman and Amon knew that forevermore that they were apart.

Aman and Amon may have been twins. They were indeed a primate species of humanoids. But they, themselves were more beautiful than their animal relatives, and they knew, even from their very appearance, that they were marked even by Nature to be different.

## DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

## PERSONALITY

**Our soul is the centre of our personality.  
We are children of our Heavenly Parents.  
Our soul manifests a male and  
female personality - it is a duplex!**

MONTY PYTHON and the HOLY GRAIL – BLACK KNIGHT:

When one’s soul is plagued with vindictiveness, evilness, guilt, blame and destruction, or plummeted to even lower levels of being despising, miserable, shameful, humiliated and seeking elimination, there is no illumination within the soul at all. It is a being in a state of total darkness, in the depth of all the hells.

**IT'S JUST A FLESH WOUND!**

The soul has now collapsed to the size of a dried up pea, or prune! The capabilities of the soul of keeping the spirit body in tact are stretched to its full capacity. The soul frequently has to draw the spirit body back together, that is, enable the spirit body to go fetch its limbs and re-attach them!

The environment is one of total darkness and despair. However, we can all recover from this position and grow in love and progress to the Celestial Heavens. There is no position from which we cannot recover from. For you see, we are truly invincible!

No soul has ever been separated from its spirit body.

No matter how low our soul condition may fall, we can, and all of us will, be assisted and loved and helped to grow in love and light and progress to realms of beauty and grace that will be our destiny. By asking for and receiving divine love, this happiness will be ours much sooner than we can imagine.

**LOVING and UNLOVING EMOTIONS:**

They are plasmatic balls of energy.  
Loving emotions are life enhancing.  
Unloving emotions are life retarding.

*Thoughts  
become  
Things.....*

*Emotions are  
Things.....*

Emotional damage can fester and grow should you persist with the issue.

Negative emotions, that are those that calibrate 200 or under on David Hawkins' Map of Consciousness, create energy flow blockages within your meridians that are within your spirit body / etheric body. In the physical, these energy blockages / emotional injuries emerge to disrupt the flow of energy along your nervous system creating mayhem, pain, and ultimately illness. The frequency of the emotional injuries generally relates to the frequencies of specific organs in your body, that is why various emotional injuries are related to various illnesses.

The emotional injuries can be readily removed – permanently.

**PLASMA:**

Antimatter / principal matter is the life giving energy source.  
Dark matter / transitional matter restricts the flow of light.  
Matter is the concentration of these energies resulting in physical matter.  
Plasma is the building block of all.

**PLASMA and YOUR WELLBEING:**

Loving emotions attract principal matter / anti-matter to your soul as you grow in love.

Soul

Spirit Body

Loving emotions enhance your life's experiences.

Your soul blossoms and your spirit state is one of beauty.

This way or that way?

Matter aspect of plasma is the energy that you recognise as your physical body. The energy lines of your bodies are enhanced with loving emotions. Negative emotions impede the flow of energy through your bodies and this brings about difficulties and illness. Love is the greatest energy that you can bring to your soul, spirit body, and physical body.

Attracting Antimatter Plasma results in a far healthier and loving life than by from attracting Dark Matter Plasma.

Unloving emotions cause the soul to loose radiance and to contract in size. Your spirit state experiences are devoid of happiness.

Unloving, negative emotions retard the growth of your soul and your life experiences are generally difficult in all aspects of your living.

Encrusted Soul

A soul's condition is never frozen. No matter what condition one's soul is in, from there it can grow in love. From the poorest state it can grown to

Spirit Body

Emotional injuries and errors that parents hold are readily absorbed by their children, these emotional issues can negatively affect the genes of their children. Similarly, should the parents resolve these negative emotions / errors then the corresponding repair can appear within the children's emotional structure and physical state including their genes.

**SOME NUMBERS:**

Currently, each year we have:

130 million live births  
44 million abortions  
50 million or so miscarriages

224 million conceptions / incarnations per annum.

6.5 million child deaths per annum. About 5% of those born do not make adulthood.

123.5 million of those incarnated make it to adulthood.

55% of those incarnated make it to adulthood.

45% of those incarnated do not have an adulthood life experience.

Natural love and Divine Love, and indeed soulmate love are quite different energies. Soulmate love is not natural sexual love. Soulmate love is the only natural love that matures and continues with us into the Celestial Realms being beyond the 8<sup>th</sup> sphere.

Just to step back a little to the above statistics. For each abortion there are at least two adults involved. As there are 44 million abortions each year, then 88 million adults may be involved in that process. That means that two out of every three live births, that is 66% of adults become participants in abortion.

**Global estimates of INDUCED ABORTIONS:**

	1995	2003	2008
<b>World</b>	<b>45,600,000</b>	<b>41,600,000</b>	<b>43,800,000</b>

<http://www.mswm.org/abortions.worldwide.abortionstatistics.htm>

**BABIES born Each Year; 130,000,000**  
It is estimated that there are approximately 130 million babies born throughout the world each year.

Miscarriage reportedly occurs in 20 percent of all pregnancies. This may be an inaccurate number. However, many women, before realizing a life has begun forming within them, may miscarry without knowing it. Therefore, the miscarriage rate may be closer to 40 or 50 percent.  
<http://www.allaboutlifechallenges.org/miscarriage-statistics.htm>

World murder rate: 7.6 per 100,000 people per year.  
**The NUMBERS: Violent deaths worldwide, 2004:**

# LIVE FEELINGS FIRST

## EMBRACING the LOVES:

**Our soul is formed from the substance known as natural love. This natural love enables us to develop to that which is the perfect man, an excellent, capable and loving personality. However, there is a limit to our growth founded on natural love for there is nothing of the Divine within the substance of natural love.**

**Should we ask for, and then receive Divine Love, then the Divine substance of Divine Love can be added to our being, thus providing us with an infinite potential for growth and development in the Love that is Divine.**

**The natural love and Divine Love are not divided when in the soul.**

**The natural love is harmonious in the Immortal greater love, the Divine Love, and so, never shall an Immortal faith and Immortal truth fall.**

**Adding Divine Love to your being can be likened to developing a powerful engine based on natural love to that which is found within a most powerful muscle car. One's performance capabilities progressively develop as the regular fuel of natural love is slowly, but steadily supplemented with the fuel of Divine Love, thus changing that which is founded on natural love to that of the Divine, namely Divine Love.**

**Your fuel steadily is converted to that which is of the highest octane level ever envisaged.**

**The Divine Love is the wonder of the universe. How this invisible substance causes so much change in our mortal nature is a miracle to behold and experience.**

**Living with the Divine Love brings about harmony throughout all of one's bodies, systems and personality. One's capabilities and love continue to greatly expand.**

**Divine Love always has its effects in harmony with the expression and development of natural love. Therefore your awareness and expression of natural love in your life is a vital element in accepting Divine Love into your life and fostering its development of your soul. Divine Love is the great harmoniser and is therefore not isolated but its effects are universal.**

**Divine Love is the 'ultimate' high octane fuel.**

## **WE ARRIVE DETUNED!**

Our souls are a divine creation of our Heavenly Mother and Father. They could not be any other way! And are designed (such as how it has been for us) to begin incarnation in a Natural love condition reflecting the Natural love state of our world.

And we have also been provided with the opportunity to experience what is being ‘evil’, to live denying our Natural love, as seen through the denial of many of our feelings. So we here on planet Earth live on a world that has Rebelled (and then also Defaulted), of which there are only 37 within the local universe of Nebadon, consisting of 3.8 million physical worlds under the regency of Mary Magdalene and Jesus – the spiritual parents of truth of all of Nebadon! And we assassinated Jesus, and completely denied Mary not allowing her to have her say about the truth.

As a consequence, we are ‘detuned’ from our Natural love state and divine origin. You could say we arrived with all parts functional, however, in our untrue, dysfunctional and distorted state, we’re badly in need of a severe service, tune up or a complete reconditioning. Our goal being to bring our true self to the fore by doing our Feeling Healing, and then to progress beyond our Natural love state by further advancing our soul condition through the process of Soul Healing and receiving our Parents’ Divine Love – becoming divine.

In our feeling- and truth-denying untrue Natural love state, we have been made to use our minds to dominate our feelings, becoming more like that of mind-based creatures of nature than of human souls of truth and feelings. And this is the wrong way for us to develop. So to step beyond this limitation, we are to live true to our feelings. Our heartfelt feelings being the guiding lights to our evolution and growth of truth.

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it’s all right there already built in and can be found through our feelings – our soul based feelings.

By living true to our self, true to our feelings, we are living true to God. It’s that simple.

Thus we are detuned once our incarnation begins. However, the way is now open for us to bring about our full divinity. To completely Heal all that’s wrong within us on a Natural love level. To embrace and then transform that Natural love into a divine state through partaking of our Heavenly Parents’ Divine Love. All the while attuning ourselves to divine perfection and enjoying the fullness of our divinity and love, as we ascend in truth on our journey all the way to Paradise – the home of our Heavenly Parents.

**WE were DIVINE, and**  
**WE are to BECOME DIVINE AGAIN:**

Our personality, our soul, our real self, are all creations of our Heavenly Parents. We, our real selves, are not creations of our physical parents. Within our original status, we were of Divine nature.

Our physical parents, from our conception, endeavour to mould us into being ‘little me’s’, that is, replicas of themselves, imposing their beliefs and personality traits upon each of us. They crush our individuality and free will. They destroy our personality, our true self. They inflict upon each of us their ways, all of which are of a result of the Rebellion and Default of many, many generations ago. They drive us into believing and subsequently becoming dependant upon our minds. This is not the way for us to express our true selves and evolve along the path towards our true parents, our Heavenly Mother and Father. We are to embrace the Eternal Son of Truth, not the Infinite Daughter of Mind.

No, we are not in the image of our physical parents. Though we may look like them, and act like them because they have dramatically and successfully crushed our true personality, we are each very unique and independent of our parents and all other family members. When we begin to progress along the path of engaging with our soul based feelings and seek for the Truth of our feelings, we will become free of our parents’ impositions and suppression.

Upon starting our physical life experience on Earth, our divinely created soul begins to express us as one of our soul’s two personalities in Natural love. However because of Earth being in Rebellion, so we are parented into a rebellious and anti truth and anti love state of mind control over our feelings and true self.

Natural love is good, just ‘less’ or different to Divine Love. And it’s that in our rebellious state, we’re rebelling against Natural love, and Divine Love by not taking Jesus and Mary up on their offer and allowing the Divine Love to transform our soul, as we perfect our Natural love by doing our Healing.

By living true to our self, true to our feelings, we are living true to God. It’s that simple. The revealing of the Feeling Healing process is the commencement of our ability to begin the Great U-Turn and go the right way. Should we then also embrace our Heavenly Parents’ Divine Love, we can also commence our Soul Healing and a returning to that of being divine – this is our destiny.

**CREATED in THEIR IMAGE:****GOD**

James: Mary, what does ‘we being created in the image of God’ really mean?

Mary M: It means that our Mother and Father used Themselves as the model or template if you like, upon which to bring us into being, those of us who have existential souls with the potential of expressing their two personalities in Creation.

And although our souls are divine, as in being divinely created, still whilst we start our personality expression in Natural love, so we need the Divine Love to come into our soul and bring it into the levels of Celestial divinity.

Natural love, so basically the whole of Creation, is of the image of God, and we being divinely created souls can be part of God’s Divinity becoming divine ourselves. So through your Healing, James, you become progressively divine by partaking of the Divine Love and healing yourself into perfection – your true self. And by the time you’ve completed your Healing, your soul is of the Divine Love level of Celestial truth, and your personality is an expression of that level of truth, it all being ‘confirmed’ and cemented – fused – into place upon the direct soul-union with your Indwelling Spirit. Then you are of the essence of God, true and perfect to the level of the first Celestial sphere, the first sphere of true divinity.

# stages of life

The corrosive nature of human created emotions, those calibrating below 200 on the Map of Consciousness, impedes the flow of life loving energies around and throughout our bodies. These energy flow blockages slowly but surely bring about impediments to our physical well being.

## EMOTION HOUSE CLEANING:

We are emotional beings, a mixture of loving emotions and unloving toxic emotions.

Toxic blocked emotions such as shame, guilt, apathy, grief, fear, unloving desires, anger, and pride, are ultimately physically very damaging. Should these issues not be released they can also assign us to the hells. You can envisage these as being within your untidy basement, each tread in the stairs being one of these emotions.

Praying for God's Divine Love and embracing Feeling Healing will commence to tidy up your basement and bring you into a higher soul condition as well as better physical health.

Continue on with your Feeling Healing and the addressing of your emotional issues while always asking for and receiving Divine Love. This will bring brilliance and lustre to your first floor of your dwelling, now that the basement is clear.

It is far easier to progress up these stairs with the aid of receiving more and more Divine Love than try on your own.

As you grow in love and pass beyond the 1<sup>st</sup> sphere (floor) into the 2<sup>nd</sup> sphere (floor) you enter the realms of love, you no longer are dominated by fear. Few achieve this beauty and cleanliness.

Should you progress above the 2<sup>nd</sup> sphere by continually asking for and receiving Divine Love, then your negative emotional issues are now diminishing. Now being in the 3<sup>rd</sup> sphere, you are progressing towards the Celestial Heavens. Your home is now one of increasing beauty.

LUMINOSITY of the SOUL grows with LOVE:

**DIVINE LOVE is a SUBSTANCE**

Angels actually do not have wings.

One's soul can grow from the condition of a dark dried up pea to that of a Celestial Angel by asking for and receiving Divine Love. Divine Love changes the essence of the soul to that of the Divine. Nothing else can do this.

CREATOR,  
MOTHER,  
FATHER,  
GOD.

Divine Love is delivered through the Holy Spirit, should you ask for Their Love.

Your soul can be likened to a plasma ball.

Soul releases errors and negative emotions via one's Feeling Healing with Divine Love.

**STAGES of MATTER:**

**Matter becomes finer and finer and more incredible within each phase:**

**EMOTIONS affect SPECIFIC ORGANS:**

Emotional injuries and held errors have specific energy signatures and vibrations. So does each part of our physical body. Errors held within one's mind affect the flow of energies through one's spirit body, the spirit body is the template of the physical body. The resulting energy flow constrictions then initiate issues, and then pain, and then illnesses within the physical body.

## WHEN did the EMOTION become TRAPPED?

Kinesiology muscle testing can assist in determining when an emotion or cluster of emotions became stuck within your being. Also, testing may suggest the type of emotions held, as well as if they are being introduced by other people. Test statements for being true, the arm remains strong with truth, weakens with error. Avoid asking questions.

After using the Emotion Code to determine the stuck predominate or strongest emotion, then proceed to determine when it became frozen.

Yes / No

- The specified emotion became trapped before age 28.
- The emotion became trapped during my first full time employment.
- The emotion became trapped during my university time.
- The emotion became trapped during my high schooling.
- The emotion became trapped before age 14.
- The emotion became trapped during schooling.
- The emotion became trapped before age 7.
- The emotion was transferred to me from my mother.
- The emotion was transferred to me from my father.
- The emotion was transferred to me by a sibling.
- The emotion was transferred to me by a close relative.
- The emotion became trapped during age 6, 5, 4, 3, 2, 1, 0.
- The emotion became trapped during birth.
- The emotion became trapped prior to birth.
- The emotion became trapped during 3<sup>rd</sup> trimester.
- The emotion became trapped during 2<sup>nd</sup> trimester.
- The emotion became trapped during 1<sup>st</sup> trimester.
- The emotion became trapped at the around the time of conception.
- The emotion belongs to a relative who has passed away.
- This relative still believes he/she still has this illness.
- This relative spends much time with me.
- This spirit is attracted to me due to our matching emotions.

During our pregnancy and our first 5 to 7 years of physical life, we are like sponges, we absorb the emotions of our parents and our close relatives rapidly and thoroughly thus conditioning us.

### EMOTIONS THAT are NOT LIFE ENHANCING:

Emotions are things. The vibrational rates of negative emotions are low. Such negative emotion frequencies are not life enhancing. They emerge from an event, typically during early childhood and are absorbed from the child's environment. From the moment of conception and through to around the age of seven, the child absorbs the emotions of its parents and those in close proximity making up its environment.

The child, at the point of conception being the moment of individualisation, is naturally endowed with life enhancing emotions which are essentially all loving.

Negative emotions that do not naturally flow through the person or child are attracted to organs within the body that has a relative frequency (magnetic and gravitational field) to which it lodges. This lodging could be anywhere along the meridian lines that run the full length of the body but are related specifically to a particular organ.

Should such an emotion be allowed to fester, it will attract matching energy in a way that the top diagram suggests. This negative emotion commences to appear in one's soul and then in the spirit body which holds the template for the physical body. Medical intuitives often can see the growing negative emotion within the spirit body.

Then this negative emotion crystallises and emerges in the physical body, firstly as a dull pain, then develops into an illness. The middle diagram is suggestive of such a clustering emotional issue.

The world is enveloped by humanities negativities to such an extent that it is difficult for loving spirits from the upper spirit world spheres and Celestial Heavens to penetrate to assist us when we do open ourselves towards such help. We need to be in a loving state of the 2<sup>nd</sup> sphere or higher to achieve connection with such spirits, 95% of humanity is within the 1<sup>st</sup> sphere state.

### UNCRUSTING the SOUL:

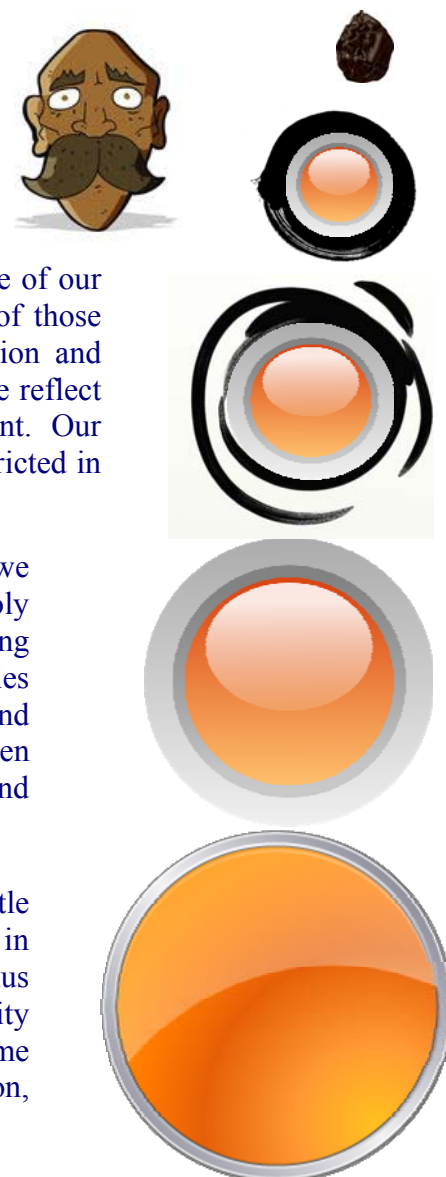

Our will power, applied as strenuously as humanly possible, appears to achieve little progress in developing the loving sides of one's personality and even less progress in lifting negative and difficult character traits, but progress is achieved all be it slowly.

Our soul, blessed with natural love character traits and is the home of our personality, becomes rapidly encrusted by the personality issues of those within our environment, commencing from the time of conception and culminating, typically, by the time we are of the age of seven. We reflect the encrustments of our parents and of those within our environment. Our soul always remains perfect though it can become as dark and restricted in capability as a dried up garden pea, covered in error and negativity.

Should we earnestly and lovingly ask our Parents for Their Love, we will receive Their Love, the Divine Love, conveyed to us by the Holy Spirit, and with this Love in conjunction with one's Feeling Healing that dissolves these encrustments, these negative emotional injuries and errors, slowly but surely. This crust that has developed around our soul, our real self, will slowly be broken down and then lightened, and as it diminishes our soul begins to absorb more and more of the Love and then grows in size and vibrancy.

The Divine Love when it first comes, usually comes with very gentle feelings. As we grow in sensitivity to our errors and are penitent in addressing these issues, the Love will grow and grow in our soul thus lifting us from fear and anguish to that of a blossoming personality radiating love and joy for all within our presence. Our journey home will have commenced, never to return to times of doubt, depression, fear and harmfulness.

Enjoy the journey with the Love of your Creator and Indwelling Spirit guiding you home.

## **NEGATIVE EMOTIONS are UNINVITED PLASMA FIELDS:**

Unhealthy and negative emotions enter our soul as uninvited and unwelcome plasma that then proceeds to disrupt the energy flows of the spirit body which is the template for the physical body.

This plasma fields or balls can grow in size should they be fed with more and more of the same or similar negative emotional energy. A plasma field can collect energy from released and projected emotions from time to time.

These emotional injurious plasma fields are first attracted to specific organs that reflect the energy of specific emotions, the plasma field can then proceed to lodge anywhere within the bodies of the spirit and physical. Thus, an emotion of the heart may subsequently reside within the stomach region, both inside and protruding out there from.

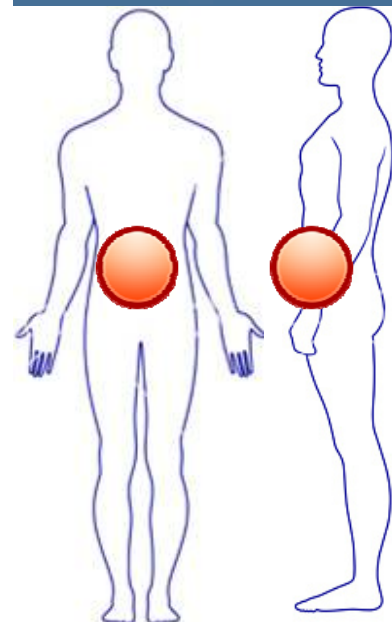

Initially, the injurious uninvited emotional field, being plasma, may be extremely small, however, if allowed to fester and grow by drawing on the negative emotions of those within your environment, the energy field may grow and grow in size from that of a mere pin head to the size of a melon. This progression could take the time from very early childhood to one's senior retiring years.

As all plasma consists of magnetic and gravitational fields, once your intent is focused upon it, firstly recognising its existence, and then focusing your intent for it to be removed, the magnetic field can act in your favour. With the introduction of even a marginal amount of additional magnetic energy, by way of Reiki or by the passing of a small magnet down your meridian, then the dislodgement of the emotional plasmatic field can be achieved.

We are all energetic magnetic beings. The interference to our physical body's template, which is within our spirit body, can readily occur. The transfer of the disruption to the physical body is generally very slow, however, it can be very painful and damaging over the long term.

The extraordinary capabilities of the spirit body are extensively dumbed down and throttled back when it comes to the functionality of the physical body. The spirit body has all of our physical five senses, however, in much greater capacity, as well; the spirit body has maybe a dozen senses in all. Our physical existence is like being on training wheels for our incredible experiences to come within the spirit worlds.

**"If cancer was not in our "energy", then it was not in our reality. If feeling good about ourselves was in our energy, then our reality would be positive."** – Anita Moorjani

Person on left is crushed by fear which has diminished the size of the soul. Our soul can reduce in size to that of a pea.

The vibrant person on the right is filled with love and life.

We have a physical body, a spirit body, and our real self which is our soul.

**MAP OF CONSCIOUSNESS**

Map of Consciousness represents the emotional and spiritual fields within the kingdom of man which is Spheres 1 – 6.

Consciousness is soul condition, as one's soul condition improves, it expands in size as it grows in love.

The scale is exponential, grows at a factor of 10.

Soul expands as it grows in love and condition.

Feeling Healing with Divine Love is the key!

**BELOW 200 or ABOVE 200 on the MAP of CONSCIOUSNESS?**

Man created those emotions that calibrate below 200 on the MoC, such emotions that represent pride, demanding, vengeful, anger, hate, desire, craving, enslavement, frightening, fear, anxiety, tragic, grief, regret, hopeless, apathy, despair, evil, guilt, blame, humiliation, miserable, and shame. Those people who are embroiled in these negative, life degrading emotions typically live 10 to 20 years less than those who calibrate over 400 on Dr David Hawkins' scale of soul condition.

Further, those with a soul condition under 200, which is 78% of humanity, account for nearly all of unemployment, poverty, criminality, and social unhappiness. The health system is crushing economies with costs due to the burden of negative emotional induced illness that are pandemic within the community of those who calibrate under 200 on the Map of Consciousness.

Treating the cause, not just the symptoms, permanently removes the drivers that create the illness. The health system in all nations only considers the symptoms, so patients re-present again and again and again, burdening the community and at the same time loosing income generating capability unnecessarily.

When societies address the need to empower people to understand that their quality of life will blossom as they embrace the desire to grow in love and set aside these man created negative emotions then the community will progressively become free of the costs of the over loaded health systems, policing costs, jails, and social security costs for the unemployed, etc.

The way forward is simple, education, and such education involves the whole family.

**'The difference between what are regarded as two paths, the Natural Love Path and the Divine Love Path, is, essentially, the amount of Divine Love that beings have been able to acquire.'**

Quote from Celestial Spirit Richard 22 Dec 2012

**HEALTH with or without the LOVE:**

**Divine Love, with Feeling Healing, has a powerful positive effect on the physical body, balancing the hormones and generally promoting physical health, which is really the same thing as saying that the state of a mortal's soul impacts directly on that mortal's physical health.**

The Master, because he experienced the New Birth soul condition as a mortal, his physical nature was directly affected, so it would be accurate to say that because of this, his nutritional needs were somewhat different from other mortals.

Throughout his ministry (when the New Birth soul condition was his), he was actually in perfect physical health, and this was apparent through a sense of well-being that actually manifested on a physical level as well as a spiritual one. Aman 24 January 2007

The influence of sinful emotions and thoughts and actions upon the soul is such that the spiritual emotions and aspirations of man becomes dormant, and as though not existing, and the soul itself is encrusted with evil.

Through prayer, thoughts and soul longings, the spiritual nature in man can be developed so as to dominate the personality, and he will act in accord with the feelings and emotions of his soul. The evolution of man from the natural being to the purified soul and, if he so desires it, to the state of the divine angel is possible with the Love and Feeling Healing. Jesus 8 September 1955

**A soul encrusted with error results in illness and unhappiness.**

**Soul without the love.**

**Asking for the truth behind your feelings and expressing them is Feeling Healing. This process removes errors and brings harmony and health to the bodies.**

**Soul with the love.**

INVESTMENT in the FAÇADE:

I believe my damaged self is the real self.  
Lack of faith.  
Will I be loved.

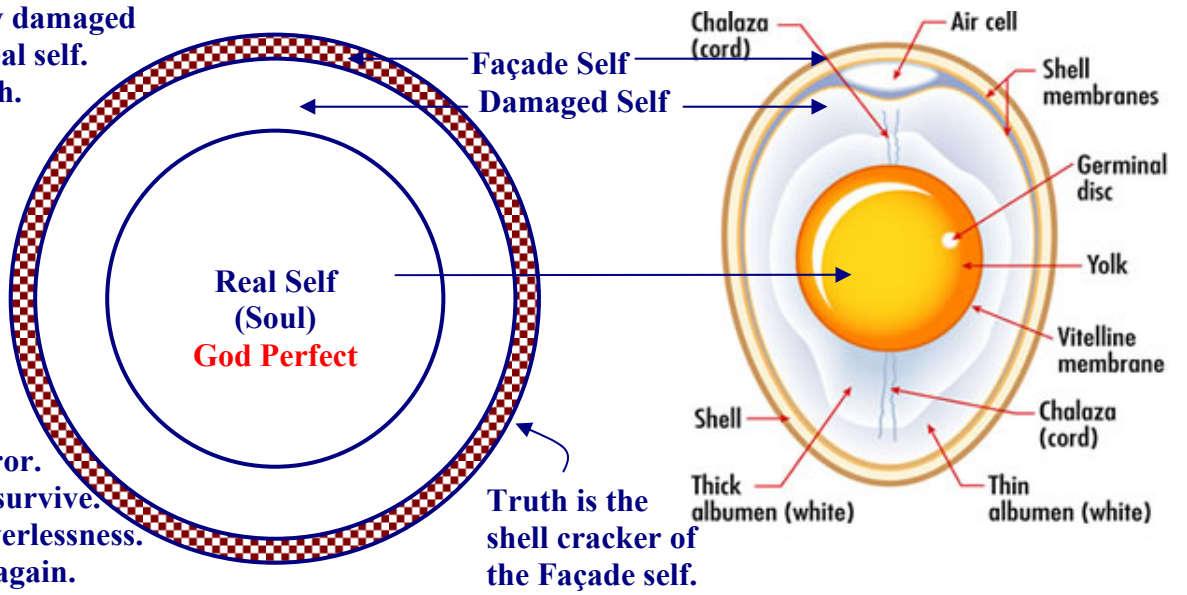

Façade is a mask.

**FEAR:**  
Scope of error.  
We cannot survive.  
Fear of powerlessness.  
Being hurt again.  
Afraid of the hurt.  
Fear of judgment and pain.  
Anger rises covering fear.

We want to manage and control pain from feeling pain.

Fear of am I going crazy? – judgment of self.

Anger is about maintaining the façade.

Truth is the shell cracker of the Façade self.

We are not being very logical by how much façade we are carrying around. We want this hard part, the shell, to remain intact, so we don't have to access the rest, the damaged self.

Once you have dealt with your façade, it is very easy to feel your damaged self and release it.

Your real self, your soul, is created by God, everything within your real self is perfect. Our damaged self may start to enter the façade, and then our façade starts thickening and compressing our real self down into a squished out ball, and we are left with mostly façade and very little else, everything else is under pressure inside of us.

A lot of us also have a judgment about our real self as well. Vagarious natures are usually suppressed by parents during the child's upbringing. So then you institute the façade of not being vagarious and arrogant anymore. I put of the façade of quite and mild whereas inside I am a totally different person.

Most of us forget that inside of us is the real self that God created and this is the main reason why most of us don't have faith, because we forget that God created this real part of us which is perfect.

**THE WAY:**

A passionate longing and desire for God's Truth to open our soul to God's love. It is only with the receipt of the Father's Love, which is a substance, that will dissolve emotional errors and injuries. This receipt of Love is the process of forgiveness. The Love overrides compensation.

Divine truth and love permeates all parts of our life. It permeates our physical life. It permeates our scientific belief systems. It permeates our spiritual life and our emotional life and all of our belief systems in both of those areas of our existence. It is all encompassing, it has no holes.

The truth is such that it is the main force of power for good in the universe.

The truth has its power because without it, love is not possible. You cannot open your soul to love without truth being present. Truth goes hand in glove with love.

The role of God's truth on the soul is to actually physically create the opening.

What truth does, it creates an opening for a vortex into the egg shell, the hard veneer around one's soul.

It allows a way that other external information can infiltrate the soul.

Truth breaks down the hard shell of lies, untruths and resistance. It creates a permeable layer within our soul that allows things to go through into it.

Without truth, our soul is frozen into stagnation.

This is why many make no progress for decades and the passing down the generations of held beliefs and errors sees generation after generation also being frozen into a form of personal stagnation.

**Truth and  
Love  
enters via  
vortex**

**What is our passion and desire when it comes to truth?**

- a. Can desire and fear be in harmony if we long for truth?
- b. If I fear it, can I see that I am severely limiting the opening of my own soul?
- c. Am I using my will, my free will to stop or resist the flow of God's Love into my soul?
- d. If you are fearful when asking for truth, your fear will prevent the truth from entering you.
- e. To have truth to enter us, error is to leave at the same time, this being an emotional process.
- f. The error must leave us with an emotion, and therefore, the truth can enter us at that moment.
- g. If we are always open to feeling our emotions, being humble, we would be open to receiving truth.
- h. The truth is to enter us as an emotional condition inside of our soul, not as an intellectual truth. The cleansing of the error from our mind will follow.
- i. While I am engaging an addiction, I am not going to have a love of myself. I am engaging an addiction that is masking or covering over a feeling that I don't love myself. That tells me that I am yet to have the truth to enter my soul. If the truth had entered my soul I would not be able to continue with the addiction.

**Addictions = while we feed them, we are denying truth from entering our soul.**

**While you continue to feed your own addictions, whether they are spiritual, emotional or physical in nature, you are not opening your soul to truth. You are not letting the truth enter you because the layer of addiction that we want to stay in still, hence that is not opening, we have no openness to Divine Love coming into our soul and transforming our soul. A lot of times, we create our own hopelessness by the actions we take. Love flowing in and out of our soul is the way to a healing and healthy being including the physical body.**

**Because we are feeding the addiction rather than confronting the addiction which would be the truthful thing to do, it guides our life, we are under that the addictions control. But unfortunately we are under its control, there is little or no prospect for change.**

**Without Divine Truth, God's Truth, we have little hope of ever having our soul transformed.**

**Why is truth such a burden to hear told to us:**

- a. Parent condemned or judged us.**
- b. We have a belief that I cannot change.**
- c. A feeling that I cannot face my true condition.**
- d. A feeling of being overwhelmed. We are afraid of what we are going to feel if we open to truth and love, so we don't open it. We consign ourselves to stagnation.**
- e. A feeling of powerlessness / weak.**
- f. In the past, truth was often associated with violence / punishment.**
- g. Confusion with truth, THE truth seen as arrogance. The three sides of truth are God's, mine and theirs.**

**If we are truly understanding the 'WAY', every single ailments, disease, sickness inside of our body is the direct creation of our own denial of truth. All ailments are indications that we are in complete denial of a truth.**

**If we are on the 'Way', we are not focused on curing effects; we are focused on examining and finding the cause of the denial inside of ourselves that creates the particular problem.**

**Our body will begin to demonstrate the resistance to acknowledging and receiving truth. When we are very young, we have very little resistance; our bodies are generally quite healthy unless our parents have a lot of resistance. But as we grow into our twenties and thirties, we start to get a few little aches and pains here and there and so forth, and then we get into our forties and fifties and we are starting to feel a lot more aches and pains, our bodies are beginning to start to deteriorate, we have lines we should not have. This is the resistance coming out now, it is demonstrating itself in our body. So by the time we are seventy or eighty, even our mind starts to close down, we don't even want to know anything any more, remember anything any more. The resistance gets so heavy that the majority of people on the planet cannot live above eighty to ninety years of age. That is the result of the resistance. Science does not know the body wants to die even though it has the capacity to replicate itself every seven years.**

**Our resistance to truth closes down every system associated with our soul. It closes down our spirit body. It closed down our physical body. Eventually we end up in so much pain that we die.**

Now that person, due to the piled up resistance, has passed over into the spirit world. Do you think anything has changed? They still have that same level of resistance. They have the same pains in the spirit form. They still have the same pains associated with the resistance to the truth behind that condition.

It is more to do with the feelings of fear creating the resistance to truth that becomes the addiction. The wall that is created is fear, and the only thing that removes the wall is truth.

It is only when we grasp the law in its full capacity do we then have the ability to understand it. Then we do not have to discuss it, because, then we live it.

**Law of Attraction**

**Law of Cause and Effect**

**Law of Desire with Cause and Effect**

**Law of Forgiveness**            }     if the feeling is not there, then the law is not in your heart.

**Law of Repentance**           }     these are laws of love.

**Law of Compensation** (a law of natural love)

When the law is in your heart / soul, you do not have to try anymore when the truth is in your heart.

**Waking tired = denial of some emotion.**

**Law of Attraction = God's messenger of truth to us.**

It is very hard to connect to a loving God who you don't believe is loving.

**Humility** – The reality of humility is very different from the words of it or the thought of it. The reality of humility is to actually embrace the true emotional condition, the truth about yourself at this point in time, warts and all. Once you embrace that condition, from then on you have the ability to change, because you are now accepting the truth.

**Humility** – feel what I'm feeling now!

**Humility – a passionate longing and desire to feel all of my beliefs and emotions, whether painful or pleasurable, no matter what anybody else thinks or feels.**

**It is seeing yourself as God sees you from an emotional perspective.**

**Humility – be humble, everything is dependant upon one’s will.**

**Humility, truth and love, all depends upon humility.**

**Self deception – an emotion of self deception is self punishment which prevents feeling pain about our parents, it shuts us down to truth. We avoid feeling the grief of the unloving events with our parents. We avoid the pain of what they have done to us. That is an emotion of self deception.**

**Blaming others – everything that has come to us has been a result of what is in our soul / mind, this is another deception.**

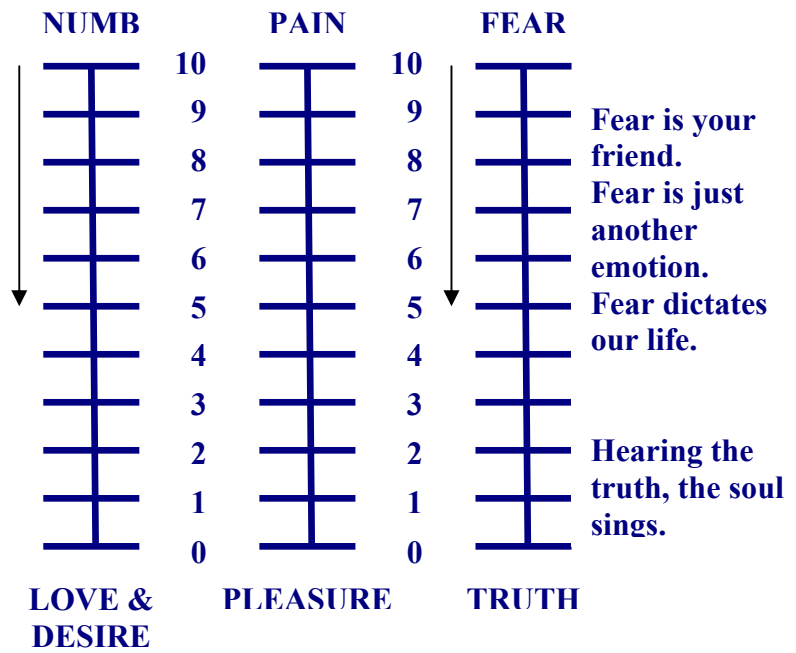

We are here. } At-onement

**Pain & Error in between.**  
 We need to be non-resistive to being humble and feeling the pain to open up to truth.  
 We need to surrender to the error, the emotion of the pain. Being humble. Surrender to your pain.

**DESIRE / FEAR PENDULUM:****DESIRE**

Desires need to be higher than the fear to feel the emotion.

**FEAR**

Reduce fear with truth.

**DESIRE NEEDS**

To enter emotions:

- Prayer to grow our desires.
- Prayer to feel truth.
- Nurture feelings that are positive.
- Lessen the fear that suppresses the desire.

**TRUTH (all happens emotionally)**

**PAIN / DESIRE**

Desires need to be higher than the fear / error to feel the emotion.

**FEAR / ERROR**

Reduce fear with truth.

If your fear is greater than pain we will not deal with the pain.

We are accepting the fear more than pain.

We need to get fear lower than pain / desire so we can address the pain.

Pain is error leaving.

**PLEASURE**

1. Breath – into diaphragm.
2. Feel your body – be in your body.
3. We want to get into an emotion as they occur – allow the emotion immediately.
4. Pray – a longing directed towards your Creator for assistance to deal with our emotions. PURE connection with God, needs to be with sincerity.
5. Allow your Law of Attraction to trigger your fears – notice your LOA.

**TRUTH (all happens emotionally)**

## **CLEANSING the SOUL:**

Years and years of personal endeavours to step away or above harmful habits and personality traits that are harmful to others and one's self have been mainly futile. We all want to grow in our love for ourself and of others.

Our beautiful loving personality that we are blessed with at conception / incarnation becomes encrusted with errors and personality issues of those around us, particularly during our early childhood. The personality of those living around us, during our early years, becomes encrusted over our pristine soul thus clouding our radiance into dullness. We become mind controlled!

Our Heavenly Parents want what is actually best for each of us and there is a source of light that's willing to give it to each of us, but only at our soul and spirit's quest for union with the divine. Not our ego's need for things.

It is only with our Feeling Healing and the infusion of the Love, that the Mother and Father conveys via the Holy Spirit, do we start to dissolve negative issues, habits and personality errors from our soul and personality. Our personality is part of our soul structure.

All we need do is ASK for this Love. An earnest longing and desire for the Mother and Father's love will never be withheld, it will shower over our spirit body, the template of our physical body, and be absorbed into our soul. As the Love permeates through our soul, errors of personality will slowly but surely dissolve.

Over time, as we progress along our path of asking for and receiving this love, the natural love which we were blessed with prior to conception will be progressively transformed into Love that is Divine. This Divine Love will slowly emerge as radiance through our being.

With Feeling Healing and this Love we find harmful habits and personality traits become a distant memory. With this Love, we find ourselves unable to harm others or ourselves. With this Love we find our quality of life blossom and joy starts to emerge in all aspects of our living.

With this Love we become immortal. With this Love we become fitted for the Heavens that the Mother and Father have prepared for us all. Just ask and faith, love, and happiness will follow. Yes, just ask!

## HEALTH and HARMONY of the BODIES:

Man suffers from evil and error and disease.

First arises the necessity of understanding how, and by what means these things came into existence, and then it will become easier for the understanding of the means and the way by which they may be eliminated from the life and apparent nature of mankind.

These things, foreign to God's creation, were created by man alone in the excessive and unlawful exercise of his will power in following out the suggestions and desires of his animal appetites, which unduly asserted themselves when man lost a part of his spirituality by his disobedience. Man must understand that these excrescences (morbid outgrowths) to his perfect creation are real and existing, and result in his own damnation and alienation from the good, and are antagonistic to his original and natural condition of perfection – and that they cannot be swept out of existence by the mere assertion that they are not real.

Man must understand that they are the creatures primarily of the inordinate exercise of the animal appetites and desires, and not of the exercise of the mind, and that they are to be eradicated by the same process in reverse order as was used in their creation. The purity of his true being is always besmirched (soiled) by the impurities of his own artificial being, and always will be, until he eliminates these impurities which, as to him and to his fellow man, are real, persistent existences.

As sin and evil are not the creatures of the spiritual desires, but wholly of the animal, then to eradicate from man's being these things of evil and sin, the efforts of man must be directed towards the supplanting of the unlawful and inharmonious animal desires and appetites, by appetites and desires arising from the same source that is in harmony with the laws creating this very source.

The loss of the spiritual aspiration, or the perversion of the animal appetites, similarly causes man to become out of harmony with the Father's laws. Man in order to become free from these foreign parts of his being, must strive, not by a denial of their reality, but by the effort to supplant them. Man is a creator as well as a creature, and as these things are the creatures of man alone, then so far as the being of man is involved, they have a reality which will persist until their creator – man – has destroyed them.

Jesus 9 July 1916

Only by man longing for, asking for, and receiving the Love of God will man be assisted and be able to remove that which is disharmonious to his bodies and rid that which is in error and sinful and disease from his bodies.

Harmony within one's soul brings about harmony in one's bodies and a healthy body. Receipt of God's Love, Divine Love, slowly but steadily brings about health to the physical body.

"When you know that you are souls with a spiritual body and a physical body, and that these two bodies reflect the condition of your soul, then how can there be any question about which part of your being is the most important?"

**"If you want to be well and healthy, happy and strong, then you must see that it is important for you to get your souls into the highest and best condition possible."** Apostle Peter

In the same way we will go about achieving our very personal and valued goals so will we go about creating harmony within our communities and peace worldwide.

**"The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.**

**"But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Mother and Father's Grace."** Judas – August 19<sup>th</sup>, 2001

**Divine Love is the Great Gift that God desires to give to the heart-soul that asks, yearns and seeks for It. It is unconditional Love *conditionally* given that requires no preparation. It is conditional only because Divine Love cannot and will not be given to any person without that person first asking and yearning for It.**

**We Inherit our Emotional Errors from the Environment around us during Childhood:**

We are to build but one temple. The Temple of the Living God is the blending of the greater (Divine Love) with the lesser (natural love) through which the lesser becomes one with the greater. The impurity was caused by the separation of the lesser from the greater. The purity is caused by their union, so that no longer is there a greater and a lesser but just the one good, whole, pure air of atonement. When you let the Love of the Father pour through you to all things, nothing fears you and no harm can befall you. It is separation from the Source Soul, Father, which has caused sin / error, sickness, poverty, and death. It is union with the Creator, Father that causes one to become a whole Being or to become conscious of being whole.

**SHINING TOWARD SPIRIT:**  
**665. The Shining toward Truth**

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas

[www.lulu.com](http://www.lulu.com)

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew

**Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.**

**DIVINE LOVE does not TRANSFORM one's SOUL  
FEELING HEALING is what TRANSFORMS one's SOUL**

The Divine Love does transform our soul from Natural love into Divine Love. It's our Feeling Healing that 'transforms' or heals our erroneous expression of Natural love. We have to 'heal' and so perfect our Natural love, so it can then be transformed by the Divine Love.

Divine Love does not even begin the real work of transforming one's soul, for those who focus upon receiving Divine Love to the exclusion of embracing one's Feeling Healing, they are just expanding their mind's control over themselves. Should this be one's passion, then upon passing into the spirit Mansion Worlds they will find that they can continue along this path all from within the Divine Love followers segment within the first natural love Mansion World! Yes, only from within the first natural love Mansion World.

Most of humanity on Earth does not want to face the very truth their feelings are making them feel every day of their life. So if they want to keep living in the spirit Mansion Worlds as they did on Earth, in complete denial of their feelings and the truth they are to shown about their wrongness, they can.

However, for those who have embraced Divine Love and begin to engage in their Feeling Healing process to begin the transformation of their soul, they will be able to sense the Divine Love already within their soul 'driving them on'. One's understanding and adjusting will be changing rapidly to that of embracing all about the Healing and doing it – all being supported by the Divine Love that one may have received previously. All one may have done with the Divine Love may make their introduction into their real Healing, by using their feelings, much easier than it is for other spirits from the mind worlds who are at the same time having to wrestle with many of their old religious beliefs or mental programming, having to take on a whole new mind-set which one could see would take some of them years, whereas for someone who has been longing for and receiving Divine Love for some time it may be only a matter of weeks. This also applies to those living in the physical.

It is the Feeling Healing process that transforms one's soul towards perfection, towards the ability to fully express one's true personality as given to us by our Heavenly Parents, it is the Divine Love that then fits that transformed soul to be able to enter the Celestial Heavens.

### ALL CAN BE REVEALED:

Employing kinesiology muscle testing in the manner that Dr David R Hawkins has applied, anything that can be held in mind can be investigated as well as the level of its truth.

Kinesiology muscle testing can reveal the emotional injuries and errors that are held within a patient / friend / family member that is the underlying cause of any particular discomfort, pain, or illness.

With this understanding of the cause of any such physical issue, the cause of the illness can be addressed and removed. When Divine Love is embraced and asked for and subsequently received then the release of the emotional injury / error will ultimately be permanent. It is only with the Love that one's personality may step above family held long term emotional issues. It is only with the Love that one's soul condition will grow and with this development of love within one's soul and the free flowing of the love energy throughout the bodies, spirit and physical, does harmony and health return.

Many have experienced reoccurrences of illness episodes only because the underlying cause of the issue has not been considered and addressed. When was the last time that a health carer discussed with you as to what might be the underlying cause of the health issue that you presented?

If the underlying cause is not considered and addressed then the issues generating the dis-ease remain and a reoccurrence of the illness episode or something similar is likely. The blockages of free flowing loving energies can generate discomforts anywhere along the meridian lines apart from the key organ to which the meridian is associated with.

Point of observation: The personality characteristics of patients in different specialty wards and units of hospitals are discernibly different. The personality types in a thoracic unit will be different to the personality types in a cancer unit, and so it goes on. Further, those with a soul condition above 500 on Dr Hawkins' Map of Consciousness are seldom in need of medical care and assistance, whereas those with soul conditions below 200 are those who overwhelm the health care industry.

For 2,000 years, the soul condition of humanity has progressed very little. We were reintroduced to the availability of the Father's Love in the 1<sup>st</sup> century and now we have once again been reintroduced to the availability of the Father's Love in the 20<sup>th</sup> century, however this time we are not going to lose the teachings. The issue presently is enabling all peoples to be aware of the teachings and their core messages. The difficulty is in the simplicity. We have free will, our free will is never imposed upon. We need only ask and we will receive the Father's Love – immediately. Yes, just ASK!

**“Every day is a day of devotion.”**

**Please Mother and Father, may I receive Your LOVE.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Our salvation IS the embracement of the Feeling Healing process and Divine Love.**

## HEALING PROPERTIES of SUBSTANCES

Sunday, 25 March 2018:

Verna and Nanna Beth talk to Graeme

Graeme: Good morning James

I've been a huge lover of nature, from a very young age, and about ten years ago my former partner, Christiana, invited me to join her in making a range of 88 Flower Essences under the name: One Garden Divine Flower and Nature Essences. She led the venture as she was able to intuit the "healing" properties of the various flowers and under her guidance (and perhaps her Guides) we made the range of One Garden Essences.

Initially we thought they had "physical" healing properties (like the Dr Bach flower essences) but subsequently we were told that they were vibrational healing tools and assisted in "opening" our emotions so we could more easily process the suppressed childhood feelings locked in our soul.

I still do not fully understand how they work and was wondering if this is a topic that you could ask Nanna Beth.

Till next time we chat, sending my love, Graeme

Verna (a nature spirit): Good day to you Graeme, my friend. It's about time I was 'allowed' to speak again, so if you don't mind, I am going to make the most of it. Now first of all, your love of nature – anyone's true love of nature, and not saying they love nature whilst still doing bad things to it – will assist you in embracing your feelings with the intention of looking to them for the truth they contain, just as will working with the 'essences of nature', that which you captured in the flower essences. Do you know, any part of nature, from a bland old mineral or rock to a newly emerging flower can have its essence 'captured', there are ways, many already known, as to how to go about that, and others as yet, unknown.

When you eat food, drink water, smell nature's fragrances, you're doing the same thing – imbibing the essence of that specific part of nature. And if you could only see the true vibration, the spirit component to these physical parts of nature (including yourself), then you'd be able to see how indeed they do subtly affect you, and on all levels, from the deepest will to the gross physical and all in between. So if one's approach is to use one's feelings to further deny oneself, to move deeper into one's rebellion and default, then flower essences and essences of anything else, all of nature, can be used to help you do that, that which humanity has been doing for these past 200,000 years.

And consequently, should one wish to go the other way, looking to their feelings to heal themselves of their wrongness, then all such things can be used to help you with your Healing. And so how do they help – how do the flower essences specially help you? And the answer to that is a little more complicated, however I will try and apply my mind to reveal to you a little more about our hidden world.

So, let us begin at the true source: your soul. As you understand, your soul drives everything that you are – you being the personality focus of your soul currently in the physical. However you are also your soul as much as you are your personality, the two can't and aren't separate. Right, so you get that part, so your soul is bringing – expressing you in Creation; okay, so whatever your soul wants your soul creates. So let's say your soul requires the help of a flower essence to subtly affect some part of your unseen auric system, by adding its vibration to your existing vibration, all of which will bring about an effect desired by the soul. That being, one that will help you become more evil or less, as I said above.

Okay, that's simple enough. So, let's say it's important, so far as your soul is concerned, it being the next part in your life – soul growth, and assuming you are wanting to Heal yourself using your feelings – for you to bring up some more repressed anger that is contained within it from your early childhood – let's say; just a really pissed off feeling you felt at your father when he was treating you badly, in this case, nothing specific, just all the indignation and fucked off feelings and a being really angry with him feeling, which you felt yet weren't allowed to express at the time.

And because you are 'into' flower essences, your soul leading you that way, so your soul will use all that's in your life currently, it having made it that way, to help you liberate this anger.

Now you take the drops of a certain flower essence you are 'drawn to', and when taking them it's far better to take them using your feelings, so you take that one because you feel drawn to it and you take that many drops because you feel like taking that many drops, trying to avoid all this take ten drops at three hourly interval stuff, that's all too mind controlling. So like everything ideally in your life, you allow your feelings to guide you when you can, so you take only one drop and your feelings say that's enough. You put the dropper back in screwing the lid on and then suddenly you feel like another drop, and when you're dropping that drop on your tongue, you feel like another drop... then another... then you wait, no more, that's enough. And then a half hour later, I think I'll take another drop, no five drops, and so go.

And if the flower essence is made the right way, you can't damage yourself with them, so you use a base that is neutral for your body and one which itself won't affect you – natural pure spring or rain water being the best.

And as to how long does an essence such as this remain 'potent', well that too is a feeling thing, it remains potent for as long as you feel it is. So you see, you can't be too finicky with your feelings, because for some people it might be a very complex operation, something they are refining to perfection through their feelings, for other people, slap dash, don't really care, take a few squirts, she'll be right, all of which is right for them. However both ways might change as one works deeper into the truth of one's feelings.

Now, the soul sort of issues instructions all the time via light coming out from it into life – Creation. And we and your angels, along with your Indwelling Spirit, can see this light. The angels are far more advanced in this than we mere nature spirits are, however what we're limited to is compensated for by your angels being able to tell us what we need to do, and they tell us in a flash of light, you'd not be able to see it, none of this laborious having to speak works. And it's even faster than your mind circuits work, your telepathy is as laborious as your word-speaking so far as we're concerned, for our 'mind-talk' is so fast you'd not even perceive it happening, and yet it's still laborious compared to how fast your soul is at expressing all the light within your aura that it needs to express.

So we are all attuned to your soul, what it wants done in your aura, which includes your physical. And mostly so far as your physical is concerned, we alter under your soul's instructions, things in your aura, your subtle system, which then affects your physical – short or long term. Understand that in certain circumstances, we – being your angels – can directly affect your physical, but mostly it's all done from the deepest will level out through all your subtle systems and spirit body.

So, back to your leg and the anger that's going to come up through it. You're sitting on the couch having

a moment of reflection, things are going through your mind that you're half aware of, you suddenly feel like having a swig of a certain flower essences, perhaps one drop or many. And you don't feel anything further. Then you talk on the phone about something, you get up and have a drink of something from the fridge as you feel a bit thirsty, and then you sit back down and start feeling edgy, uncomfortable and out of sorts enough to draw your attention to the bad feeling. And then by focusing on it you realise you feel irritable, and then angry, and the pressure within you builds to the point where you want to speak out the anger you feel. So let's say you're by yourself, so you open your mouth and start to growl angrily, and submit to the feelings trying to just let yourself feel as angry as you feel, growling and feeling angrier and angrier, and you long for the truth of your anger, and then pictures come into your mind about how fucked off you feel with your father, and then you realise your left leg is full of anger that seems to be coming up from the sole of your foot, up the leg, right up and out of your head as you growl it out. So what's been going on?

Your soul wants this anger out of you, it's the next phase of anger expression you are to experience, it helping to relieve you of more repressed anger and at the same time helping you see more truth about why you are feeling so angry. And so your soul has initiated light into your aura on all levels making this experience happen. And you being mostly oblivious to this, just carry on doing what you do, and then your angels take their instructions and 'energise' the levels of your aura to make the anger 'physically' work its way up through your

system. The angels make 'light adjustments' – adjustments using spirit light – in your system to allow this anger to make it's way out of you by you feeling it coming up through your leg. The repressed anger, as light contained in your soul, moves through your will levels, then your will activates it to move up your leg with your angels helping to adjust your system where needed. And your system needs continual adjustments, your soul does it all with light, but your angels do all the hands on stuff as determined by your soul. So your angels are always tinkering within your aura.

Sometimes they can do one adjustment with a lot of light and that will set you up for a day, week, month or even years of what you will need, this happening when you're more settled into your wrongness and it's all pretty obvious where your life is going on the subtle levels, so your angels don't have that much to do other than just keep monitoring your soul in case other instructions are forthcoming. But if you're actively doing your Healing, well your angels don't get a moments peace – which they love, by the way, angels want to always be active, the more active the better, they find it very trying when you are stable and going against yourself, but when your are wanting to work with your feelings and grow in the truth they'll help you reveal to yourself, well they are in heaven, it's what they've been made to do so far as helping you goes and they can't get enough of it.

So your angels are adding and subtracting light from your auric systems as fast as your soul is shining more light into it. And along the way, all you are doing is, used, it's all part of it, so if you use a flower essence, it will be used, it will stimulate a certain vibratory reaction on varying levels within your unseen system, with your angels incorporating it, using it, adjusting it – modifying it, possibly toning it down or amplifying it, and so it goes with all your food, all you do, see, sense, all you are, all the time being a symphony of light, constantly in change, even though you might feel at peace resting on the

couch one moment, then suddenly, seeming out of nowhere and for no reason, anger is coming up your leg and you're feeling so fucking pissed off that you can't believe how angry you do feel.

So as you can see, it's all very complex, you don't have, and can't have, any idea just how much is going on within you all the time, all so you will feel what you need to feel, so those feelings will lead you to the truth you are to see and then live. And with your mind playing along doing its bit, to help stimulate, change or deny feelings in keeping with the beliefs and behaviours you established through your forming years.

So you might ask: well are things like flower essences actually necessary? And simply, they are if you want them to be part of your life, they aren't if you don't. Which is how all your life is. With some people being drawn to such things, and possibly only for a season, others with no feeling of interest and a few wanting to dedicate their life's work to it. And as you understand, whatever your involvement with anything in life, it's going to be vastly different should you want to live true to your feelings, than living by being untrue to them. And by living true, as you are going to be changing a lot, so you will change a lot in your relationship with all that you do in your life. And so it will be the same should you want to work specifically with the flower essences.

In time there will be people who are doing their Healing and who'll be more in tune with us nature spirits, working directly with the essences of nature, understanding that it's all a vibrational thing and something that can be used as an adjunct to your Healing or just as part of your Healing life. The essences are not meant to be medicines as such, however they can work powerfully in conjunction with what your angels are doing within you. And to always bear in mind, that it's your angels that will be working the wonders within you, not anything else, with the other things like flower essences being something the angels work with, because it's all part of your current life experience as determined by your soul.

And in time, people will just intuitively feel, or even by speaking directly with us nature spirits, how to grow plants lovingly and truly based on the truth they are revealing through their Healing, all so as to maximise the benefits the plants offer you, either through direct ingestion, or like using the flower essences or other ways still to be discovered. Your relationship with nature is about five percent of what it could be. Even those people working with spirits and nature spirits are doing so on the mind levels or the lower Mansion World and Earth plane levels, so you've got a long way to go, all the Mansion World levels then into the Celestial levels to increase your relationship with nature. And like as with everything, some people will be more drawn to one specific area or another, some generally taking bits of it all, others not interested much in nature preferring to get on with being fully interested in themselves – their own feelings. But overall, everyone contributes to society by expressing their truth, and as the truth increases within people, so does the overall level of society, so society grows in truth reflective of all who comprise it.

So to summarise, such things need to be looked at in a truly holistic level (or you could say, a 'soulistic level') so that they can be used in conjunction with your Healing. You can in theory, look ONLY to your feelings for the truth they are to show you, not needing any other healing help. And there will be people more wanting to live this way, however because you need life to stimulate your feelings, so you will be drawn to certain things, some to do with nature, others to do with people and others with everything else, all to help stimulate that which you'll need to give rise to the feelings your soul wants you to express.

Graeme, you might find the flower essences are helping you enjoy and love and expand your

relationship with nature more, which gives rise to feelings that help you expand your relationship with yourself. You might use the essences to help stimulate your emotions and feelings as you want to live that way, and so they will be used to help you in that capacity. And you can express your feelings, longing for the truth of them, telling your Mother and Father what you want – whatever you feel, with the flower essences helping you on the subtle levels.

I hope I've not confused you too much. Please ask me about anything if you don't understand. I have wanted to try and give you a bigger picture so you can draw from it the essence of what you need from it. It's all there, contained in each feeling, because each feeling expresses more truth – the truth of why you're feeling it, that which is what you are to find and then live.

Love Verna.

Nanna Beth (3<sup>rd</sup> Celestial sphere): What Verna is wanting to help you understand is that there's so much going on within you on all levels, that trying to use your mind to work it all out in the hope that it will help you, is all but futile, as you never will, not until you at least attain Paradise, and even then that's only one phase.

Too many people, Graeme, approach everything through the mind, wanting to dissect it in the misguided belief that it will help them. When what helps you is trying to **stay true to your feelings, expressing them whilst longing for their truth**. And we keep stressing this to keep bringing you back to the simplicity of it, and it's something the mind can't really deal with, it having been programmed to be the controller and master of understanding. But to keep looking only to your feelings is all that's needed without needing to go into the mind side of things unless it's where your feelings lead you to.

James uses his mind for this work, but that's about it, the rest he's trying to look more to his feelings, easing the control of his mind. And **feelings, once you start allowing them to have their say, are far more interesting than anything the mind might be**. You can use your imagination to fantasise about all sorts of things, and some people consume their whole life with such indulgence, however **when you start living more closely to your feelings, your feelings might not be so varied, however when and how you feel them, and what they lead you into seeing about yourself and life, will be far more fascinating than anything your mind could conjure up**.

There is never going to be a remedy that people can take that will heal themselves on any level. **The remedy is the truth we're revealing to you about your feelings. All the rest is simply an add-on**, something as Verna said to help stimulate experiences in life, all so you can feel more feelings. So it's not to say no to doing or being interested in certain things with the mind, but rather to keep wanting to feel and become aware of the feelings that are happening along the way. You can use your mind to block out your feelings, however your feelings are still always there, so it's to try and keep them up within you and not blocked out whilst you apply your mind, is one way of trying to stay more attuned to them.

Love Nanna Beth.

27 March 2018:

## HEALING PROPERTIES of SUBSTANCES continued:

John: Hello Nanna Beth,

Thank you for introducing the foundations of comprehending the contribution that Flower Essences may provide on one's journey through physical life.

May we expand this topic to consider the various roles and similarities that the following may have with one's physical well being and journey of discovery through life:

Flower Essences	
Crystals and other rare and precious stones	
Homeopathy	(minute vibrational traces as recognised by Samuel Hahemann 1700s)
Nutraceuticals	(being low concentrations of properties found in food)
Pharmaceuticals	(being high concentrations of properties found in food – to the level of toxicity)
and Food	all natural without being processed within factories.

Considering your comments relating to Flower Essences, one may need to consider just how much effect do we have in our own physical healing by engaging with any of these modalities?

Is it that what has been outlined relating to the contribution that Flower Essences have in assisting with one's physical wellbeing, are the various other modalities suggested above just variations of the same process that applies to Flower Essences, with higher levels of error within their prominence, pharmaceuticals being the most problematic generally speaking?

Would you kindly comment on each of the platforms please?

Nanna Beth: Yes. The same applies, as you said to James, it's all what your angels have to take into consideration in accordance with the needs of your soul. If you are to die from or within your negative state, then it doesn't matter what you do along the way to try and heal yourself, your angels will be working with any alternative or regular medicine or healing modalities. And as you know from people's lives, some things work for them, others not, some even miraculously, others having no effect. It's what the individual needs, it's all too personal, and needs to be dealt with and looked at personally. You've all had such diverse childhoods, you're extremely complex in your unloving complexities, and trying to heal yourself from the outside in is not going to do anything for you so far as healing yourself from the inside out which you do through your Healing. It's all the mind's way verses the feelings way. Any therapy or medicine or other remedies are all approaching it from the mind, let our feelings work, and use these other things as required, all so long as you keep focused on your feelings for their truth.

Assuming we are wanting to Heal ourselves using our feelings – for we are to bring up our repressed anger and emotional issues, both good and bad, that is contained within our soul, mainly from our early childhood.

As an overview, nature spirits are all attuned to the soul of a personality, and what is wanted to be done in the aura of such soul, which includes one's physical. And mostly so far as our physical is concerned, nature spirits alter under one's soul instructions, things within the aura and the subtle system, which then affects the physical – short or long term. Understand that in certain circumstances, nature spirits and angels can directly affect our physical, but mostly it's all done from the deepest will level out through all our subtle systems and spirit body.

Nanna Beth: It's mostly your angels that affect your system. The nature spirits can help them at times, but it will be all through the guidance of your angels.

Just how much effect do we have in our own healing of our physical discomforts, pains and illnesses?

Nanna Beth: It depends on what level you're looking at it from. On the highest or inner most level, you have no effect, it's all between your soul, Indwelling Spirit and angels, that any actual healing occurs. On a feelings level, you can attend to your feelings causing these agencies to react accordingly, so you have some effect, albeit indirect. On a mind level you can believe you have an effect, yet these agencies are 'allowing' you to believe what you will. And you can take a pill and your headache goes away, so believe you are fully in control of yourself – however, are you really?

Just how does our man-made conjured up systems of flower essences, crystals, homeopathy, nutraceuticals and pharmaceuticals actually contribute to the healing of one's physical body of its discomforts, pains and illnesses?

Nanna Beth: Look at it this way John, whilst you're living against your feelings, so untrue and evilly, any of these things will be used to help you go that way. So you might use them and your pain goes, but that only sucks you more into believing you are doing the right thing by helping yourself. So you might be 'healing' yourself by taking the pain away, yet you're not truly Healing yourself by allowing your repressed feelings to surface so you can uncover the truth of them. And so the angels will manipulate your system accordingly. So being wrong you might even be miraculously healed, but it's the same thing as Sage pointed out. It's how you want to live your life. It's all been one way up until now, and now an alternative and opposite way is being 'earthed'. All the parts humanity has worked out for itself, it just hasn't been able to be put all together. As Verna said, you don't need any of these 'healing' things to help you look to your feelings, you only need yourself looking to your feelings. If you are shut off to your feelings, you might need help to open up to your feelings, and anything can help you with that.

If we are looking to physical means to heal our body, then to what extent is the quality of food important to the process of physical healing?

Nanna Beth: It's the same as I said above, the quality of food is irrelevant. If you are wanting to continue living untrue to yourself, then it doesn't matter what you eat as the food itself is not going to stop you, it will only help you keep living untrue. If you are Healing yourself, then you'll move with what foods you need as you need them. You can try and control such things using your mind, this all being part of the control you'll need to deal with, but in the end you'll see that the food is irrelevant, the

body will look after itself as you keep attending to your feelings. However naturally the higher truth you live, so the higher vibration of food you'll be drawn to, yet you can't say that means everyone will eat organics and be vegetarian because until everyone is, everyone will be as their feelings dictate. It's a matter of shedding preconceived mind concepts. You are not doing your Healing to fit into your mind. You are breaking your minds control down to fit in with your feelings.

Fresh is best when it comes to food and the ultimate vegetables and fruits that we can imbibe is that which is grown within our home gardens, is this an appropriate observation?

Nanna Beth: Yes it is, however that too is relative on polluted Earth. Still it's what humanity will one day get back to.

The long journey that we are to embrace is feelings first, stay true to one's feelings, expressing them whilst longing for their truth. Our feelings are to lead the way, with our mind in support to follow and to assist in implementing one's feelings.

Nanna Beth: Man can't heal himself using his mind, God can only heal you. And to allow God to heal you requires submission to your feelings. You need to allow your feelings to take you back to your early life, so you can feel yourself back there now as an adult. So you can express now all you felt back then, and see how and why you became as you are, and how stuck and imprisoned you are in your mind's control. And all you can do is keep accepting it as the truth comes to light, expressing all it makes you feel. And when you no longer need to be the way you are as you've seen all the truth of it through your feelings, then God through your soul will change you. And your inner transformation will occur, taking you out of your wrongness into your rightness. And your angels will do most of the actual hands on healing that you require. You – we – only need to keep attending to our feelings, that's the key to it John, but attending to them the right way, wanting to uncover the truth of ourselves, our soul and God want us to see. Anyone can express their feelings even looking to them wanting their truth, but it's wanting to understand and live the whole truth of yourself, which currently is the whole truth of your negative state, that's what needs to be addressed first. Then you set about understanding as you reveal to yourself the whole truth of your positive loving state – once you become of a Celestial level of Truth and are fully Healed.

I'll speak to you soon John – love Nanna Beth. Keep being willing to express any negative feelings you have about SI and Pascas, it's okay, you can go as far as you want with them, as none of it is going to change the outcome, that side of it, as to whether it happens or not, is not up to us but what our Mother and Father want. But what we feel along the way is up to us, and what They want us to focus on.

Thank you for this incredible opening to the reality of man's futile belief in its capacity to be able to 'heal' one's self.

Love John

**We, being ensouled humanity, are to move with our feelings, respond and act upon our feelings, we all are, and so based on our feelings we bring our mind into play, and then things happen which affect our feelings and so our mind adjusts accordingly.**

Everyone at their conception gets their angelic pair as well, and they will be with you right the way to Paradise and then possibly beyond too. So it's a wonderful relationship, we have our soulmate and our angel pair each, all the way with us. It is all amazing.

**LIVE FEELINGS FIRST**  
**FEELINGS FIRST For Kids**

**WE EACH have a Nature Spirit pair, Spirit Guide pair, and an Angelic Pair:**

**For those doing their Healing or are interested in doing it will** from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about ‘sharing’ the same angels or guides or nature spirits, it is about you relating specifically to your ‘own’ ones because they are provided for YOU. It’s all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it’s the same of course in life with your friends, however over there, in spirit, dealing with Nature Spirits, Spirit Guides, and Angels, it’s more personal and private and ‘JUST FOR YOU’. So we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain’t going to be assigned to anyone else, so she won’t be sharing herself around.

This is SO IMPORTANT to understand so that in future there won’t be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is all they are speaking with.

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their soulmate relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit Mansion Worlds, however, our Angelic pair continue with us for eternity.

**COMPLEMENTARY THERAPIES**

Saturday, 31 March 2018

John: Hi Nanna Beth and company

Mind control in its extreme is demonstrated through various complementary therapy platforms. Examples being: Emotion Code as introduced by Dr Bradley Nelson.

Dr Nelson has gathered a wonderful data base that researchers will clearly be able to demonstrate the relationship of suppressed and repressed emotions when relating to physical discomforts, pains and illness. In fact, the emotion code chart that Dr Bradley Nelson has published is the result of many thousands of observations that he and his practitioners have observed over many years, and the results are simple and precise for anyone to understand. Generally, specific styles of emotional injury are directly impacting upon specific organs and parts of the physical body. It is as though the energy frequency of a given emotion is matching to the energy frequency of a given organ or part of one's body.

However, Dr Nelson's methodology of 'releasing' such unexpressed emotions is the direct result of one's mind being employed to further repress given specific emotion or emotions that are causing physical discomfort. Dr Nelson is taking people further away from their true selves – their feelings and the truth that one's feelings are to show them.

Healing Code as introduced by Dr Alex Loyd. Dr Loyd is also focused upon the understanding that emotional issues are the drivers of discomfort, pain and illness. However, he also takes people further away from themselves by empowering people to use their minds to further suppress the underlying emotions through a process of tapping. The mind convinces the person that the issue has been addressed whereas it is still there continuing to fester further thus bringing about greater issues at a later time. Again, the truth that our feelings, both good and bad, are shunned, the truth is avoided.

Meditation is often used to take a person further away from themselves.

The art of 'stilling the mind' through meditation can only be considered as of the greatest negative residues of the Rebellion and Default possible. Taking a person further and further away from their feelings and not allowing any form of truth to be sought from one's feelings. Though some forms of meditation do explore one's feelings, these processes never delve deep enough to be shown the truth of their feelings.

Would you kindly expand on these comments as I feel they will complement the writings of the last few days relating to substances and their in-effectualness in healing please?

Nanna Beth – 3<sup>rd</sup> Celestial Heaven: Look at it this way John, humanity is in the shit, and has been for a very long time. And so has had a long time to study the shit. And it can work out that it's in the shit and what the shit is all about, but that's all it can do. It can pretend that it can take itself out of the shit, but it can't. It's not allowed to.

Not until someone comes along and does really heal themselves of it, and someone who has the spiritual authority to allow others to do the same. So that's where we are. The authority is making the revelation to you.

People can now choose to study how to Heal themselves, this being the next phase and 'science' people will apply their attention to. The great writers of humanity have well and truly documented the

wrongness, you can see it all, and you know it comes from your early life. And many have tried to work out ways to heal themselves.

But **without looking to your feelings and wanting to uncover the WHOLE truth of them, you can't heal it.** It's as simple as that despite what anyone does with their emotions and feelings. And many people in their endeavours to heal themselves have done some real Healing, if they at any time looked to their feelings for their truth, truth would have been forthcoming. So humanity has gained a little truth over the years. However because of the feeling-denying forces of the Rebellion and Default, the level of truth has remained very low. Now however **with the keys being given to you as to how far you have to go and what is really involved in doing your whole Healing, so that is the New Frontier awaiting mankind.**

And in the end there will be far more books written about people's Healing and all they come to understand about every facet of themselves and of it, than there have been about people documenting their wrongness. It will prove far more fascinating to those people who get right into it. And all of that creativity is waiting as a whole new aspect of Creation to be expressed – how humanity Heals itself of its rebellion and default.

**By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

**To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

6 April 2018: **HEALING PROPERTIES of SUBSTANCES – Questions Answered:**

To the questions asked, Verna, a nature spirit, offers her thoughts:

Worldwide it is recognised that the annual flu epidemic will consist of new and differing strains of viruses. Why do these variations arise? Why do the new strains appear to be more difficult to manage each year? Why is there a continual incremental risk to life with each new strain?

Verna: The new strains exist because we – the nature spirits – make them exist. We're the instigators of such 'diseases' on the world, we in league with our fellow conspirators – the angels; the truth of which your scientists refuse to acknowledge when there is ample evidence to them, which they persist in brushing aside, that something else or someone else is tampering with such 'bugs' and 'nasties'. And who has the real brains: we nature spirits who control the natural world on Earth, or your great scientists? We'd like to see a little more humility please – that would definitely be a step in the right direction. You don't have to bow down to us, we don't need that level of servility from you – just kissing our feet would be enough!

And hey, guess what? YOU'RE NEVER GOING TO BE ABLE TO BEAT NATURE – WE'RE NEVER GOING TO ALLOW YOU TO. HA! YOU HAVE TO LEARN TO FULLY HONOUR AND RESPECT NATURE – AND YOUR OWN NATURES, LEARNING TO WORK IN PERFECT HARMONY WITH IT AND WITH YOURSELVES BEFORE YOU CAN GAIN ANY RELIEF FROM SUCH 'BEASTIES'.

We have virus making 'factories', we'll always be one step ahead of humanity. So until you understand, you have to WAKE UP, not that I want to sound patronising or tell you what to do, BUT YOU'RE PUSHING SHITE UPHILL.

And you might like to know, we're not going to let you off the hook. You have to learn that all illness results from your inner levels of discontentment – BECAUSE YOU DON'T FEEL LOVED. And work to get to the truth of your bad feelings. And when you do, then as you grow and evolve spiritually in truth, so you'll literally 'rise above' – ascend – the need for help from such illnesses because you'll no longer NEED THEM TO MAKE YOU FEEL BAD. Accept they make you feel bad, you are meant to feel bad with them, and not then try to eradicate them, that's only eradicating yourself, which you're already doing; but instead to work with those bad feelings, this being how you start to love yourself back into true health. Go with your bad feelings, not fight against them. Go with them instead of trying to eradicate them, and the same with your diseases and illnesses.

Worldwide it is recognised that antibiotics are becoming ineffective. Why are even new more capable forms of antibiotics not being able to manage the bacteria and viruses that are evolving? Why are viruses and bacteria evolving in the first place?

Verna: It's the same deal: Humanity is to uncover the truth of evilness, its wrongness, of its rebellion and default. And illness is to show you that you are wrong. You wouldn't get sick if you were right. So what would be the point if you eradicated all illness and you never had a bad feeling from being sick – you'd never know you had all your childhood repression locked away inside you that you were to deal with. ILLNESS IS YOUR FRIEND, because it's the warning lights that says: I AM NOT RIGHT. I NEED HELP. I can help myself by attending properly to my feelings. So do so by wanting to uncover the truth of them!

Worldwide we have the mantra that should a new drug be developed, until that drug has gone through double-blind clinical trials successfully then it is not to be made available. Should the double-blind clinical trials be successful for around 60% of volunteer patients, then it is considered for public release. But then, why has it failed with 40%? Why do some benefit and others don't when they are all in the same health predicament?

Verna: Because you are all different, you've all been subjected to different childhoods, even within the same family. So nothing will affect the whole, short of you all 'nucking' yourselves into oblivion. (nucking – slang, humorous, mildly offensive, euphemistic) Yet even then, do you really think the angels are going to stand aside whilst you annihilate yourselves? There's too much goodness in your suffering since conception for you to simply obliterate yourselves, too much truth to be discovered – the whole truth of why you feel so bad, the truth of feeling unloved. And it's an enormous truth and enormous amount of truth. And it's all there inside you. Waiting for you to bring it out.

And why do 'sugar pills' work when prescribed by the doctor?

Verna: It shows you the power of your mind and its controlling beliefs. People believe all sorts of things resulting from their wonky childhood. (Note the use of that word dear John, I'm adding it to my repertoire – James.)

We see new forms of illness arise, why is this so? We also are seeing that vaccinations are not as effective as they appeared to be some years ago, why is this so? The fact is that humanity presently cannot eradicate any form of illness no matter what our scientists discovery, why is this so?

Verna: God has allowed you to experiment with all the ways within your unloving states, this being one of them. However humanity is now moving on, times are a changing, the old ways are to end, humanity is to heal itself of its rebellion and default. So what has worked will fail, and more so, and new things won't work for as long, failing quicker, fear and pressure will mount as the old fails, all to give rise to GUESS WHAT? – MORE BAD FEELINGS. And why more bad feelings? – so you can express them and bring to light the truth they are to help you see – THAT'S WHAT!

When a pandemic hits a community, why do some people never succumb to the virus or health issue while others contract the disease and many die? Why isn't everyone impacted equally?

Verna: Different childhoods, different beliefs, different self-denial parameters, all of which affect you in different ways bringing about such differences. You are living in denial of TRUTH. Your childhoods are truth-less. So your adult lives express or reflect this. Life as you know it is all wrong, negative, unloving, even all the good loving parts within it. So it's all got to change, BIG CHANGES, but you can do it, you'll see, humanity will have to do it.

This is the major difference with a Pascas Care Centre. In addition to providing a holistic allopathic and complementary health care service, we are to address the question of what is the cause of one's discomfort, pain and illness.

Further, we are to address the questions of why is it that treatments previously embraced have not continued to been successful in bringing about health to the body?

Verna: Same deal. It's all what went into you through your forming and early childhood. Nothing more. All the secrets are contained back there within yourselves. When you 'go in' you're to go into your early life through your adult 'now' feelings. That's how you do it, how you can really Heal yourself, nothing else will do. It might extend your life a bit, cure you of some illness, make you feel better, but all your childhood wrongness is still within your soul remaining there until the day you want to deal with it.

Do your Feeling-Healing; or better still, your Soul-Healing with the Divine Love. It won't be an easy ride, however your relationship with your aches, pains and illnesses will certainly change and evolve, and you might even find that you don't need as many of them if you look to your Feelings First, expressing them and seeing the truth they are to show you. And eventually you might not need any bad things happening to you as you no longer have any repressed bad feelings that you need to bring out. It's a different way to view life – but hey, what have you got to lose – only your old ways of suffering.

Love Verna – who by the way, is not just a pretty face! Chow for Now – over and out!

# Arvonial Revelation

- We are to live Feelings First.
- We've been made to use our mind to live against many of our feelings.
- Our mind control commences at conception and is developed through our childhood.
- All the bad feelings we didn't express as we were growing up are still repressed inside us.
- And all such hidden, buried and unwanted feelings have to come out.
- And whilst they remain repressed within us, they will continue to make us feel bad and unloved.
- We get sick, depressed, suffer, have bad things happen to us because of our repressed childhood feelings.
- Humanity was brought into this state of living against itself by higher rebellious spirits.
- These Evil Ones caused the Rebellion and Default.
- We are made to rebel by default – as we have no idea we're doing it through our parenting in wrongness.
- We are all parented unlovingly – against ourselves, against our will.
- Some parenting in the wrongness is done with more love, yet it's all still wrong.
- To heal this unloving state within ourselves we have to do our Healing.
- Our Healing is our Feeling-Healing or Soul-Healing with the Divine Love.
- We can long to God for Their Divine Love, and this will help us with our Healing.
- God is our Heavenly Mother and Father, the Feminine Aspects of God having been kept hidden from us by the Evil Spirits.
- All humanity's religions and spiritual systems are designed to keep the wrongness going, to keep us away from God.
- Only by living Feelings First Spirituality, The New Way, can you become right, and truly find God.
- Long for the Divine Love.
- Long for the Truth of your Feelings.
- Accepting all you feel is accepting all of yourself, it's your greatest act of self-love.
- And wanting to know the truth of your feelings, is your next greatest act of self-love.
- Love yourself through your feeling-acceptance, and the Truth will set you Free!

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

**Our salvation IS by embracing Feeling Healing with the Divine Love.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Please Mother and Father, may I receive Your LOVE.**

**“Every day is a day of devotion.”**

Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.

**“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”**

**“Mother – Father, I desire your Love and I am loving you.”**

**“Soul God, I love you and I love receiving and experiencing your Divine Love.”**

**“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”**

Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.

One can simply receive the Love without following any religious or spiritual teaching taught by man!

Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.

#### **Three Great Truths:**

- **God is Soul, being our Heavenly Mother and Father;**

**DIVINE LOVE = Light Golden Blue Energy Substance versus Natural Love:**

The Divine Love is far more powerful than the natural love. If I would have to put a number on how much stronger, just so you can understand what I'm trying to say, I would say 10 or maybe even 100 times. Of course this is purely hypothetical because natural love is only a derivative of Divine Love so it is almost impossible to compare them this way. If you ask for the Divine Love to enter your soul it will be 10 or 100 times more efficient, 10 or 100 times stronger than if you would let the natural love flow through your soul. So it will help to break down "the wall" you've created around your soul 10 or 100 times faster than the natural love would do.

John (Apostle) 19 January 2015

With DIVINE LOVE one's potential in growth is to infinity, progression is typically many multiple times faster than for those who remain NATURAL LOVE dominant and restricted in their growth potential to that of only becoming the perfect man whereas Divine Love enables at-onement with our Parents and entrance to the Celestial Heavens and beyond.

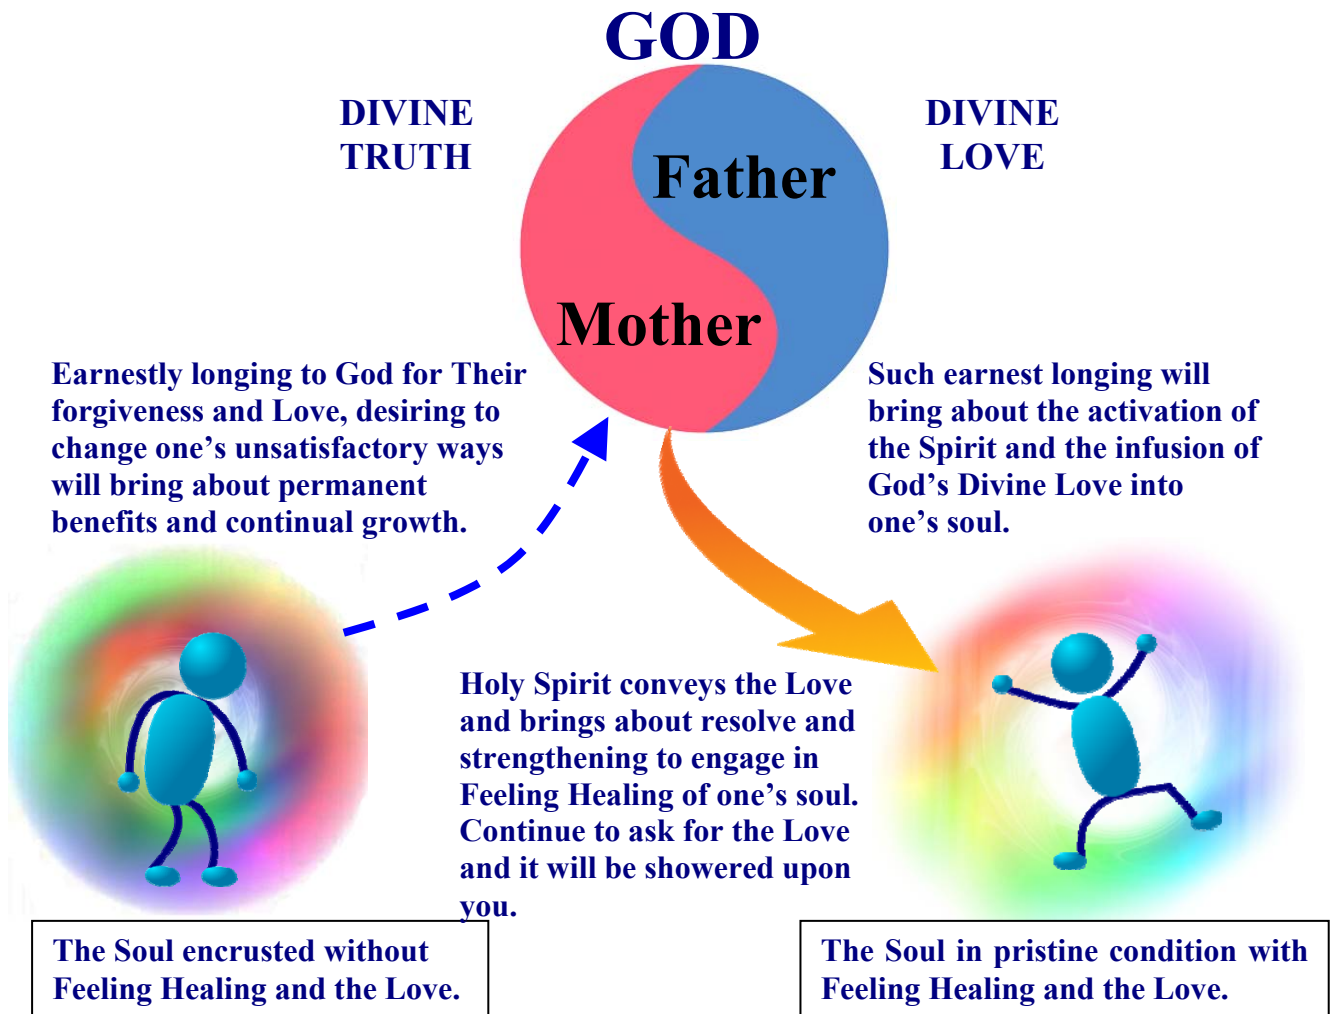

The luminosity of DIVINE LOVE compared to that of NATURAL LOVE personality.

Embrace the availability of the Feeling Healing process and Divine Love, all one need do is to earnestly long for and ask for our Parents' Love. It is an energy that surpasses all that is.

It is with this energy melding within one's soul that heaven on Earth is achieved.

Nothing else can bring about the joy and love we strive for.

**Immortality with the Love.**

## DIVINE LOVE HARMONY:

**Immortal harmony:**

**Transformation of the soul is a beautiful harmonious gradual awakening.**

**In a gradual way with the Divine Love and Feeling Healing, as changes in the soul and spirit body occur, these changes will result in the personality slowly accepting the source of these changes as being the Soul God and with the independent will, one can have complete acceptance of our Heavenly Parents, Mother and Father, God.**

**People have loved God and felt loved by God and they have in deed received the Divine Love without ever knowing the truthful identity of this Love insofar as the truths relating with its causality in the human soul and affect upon the spirit-mind.**

**Part of the nature of the Divine Love in our souls is that it activates our spirit body systems and soul so that the nature of God is seen and experienced in the living and this places us in touch with the many Spirit attributes that extend from God and have their existence in God, such as our Indwelling Spirit. God no longer remains inactive to us; inert, inanimate, or an unknown but rather a Soul of living energy whose energy in the harmonies of Love and Spirit, is personified as love that we experience. If I can convey the essence about the nature of Divine Love it is that in its energy, exists the harmony and potential so that one can see the potential that this Love brings to bridge the gap of separation between the individual and God by the harmonies of soulfully living.**

**The Divine Love completes the form of the human being.**

**In essence, one need only direct their soul and the heart of their soul to our Heavenly Parents, the Soul being God, and in this faith one can experience the Love by humbly asking for this Love. This is all that is needed and the touchstone upon the Love's approachable nature.**

**The Love is never harmful or given by God that results in a caused effect of disharmony in the individual. The diversity of human individuality is a great characteristic of human nature and as with experience, one needs experience to ascertain a truth about a certain thing. Experiencing the Love provides a substantiated knowing from which a more objective reasoning follows and a maturity happens.**

# Health & Parenting

As difficult as it may seem to comprehend, even at the time of one's conception / individualisation, we are highly intelligent and our newly forming mind is making rudimentary decisions. Immediately upon conception we (being our soul) begin to absorb the emotions and projections of those around us, within our environment, mainly from our parents and in particular from our mother, who at that time may not even be aware of our presence.

All we need to know is already within one's soul prior to conception.

We access our soul's knowings through our feelings. That is, should we express our feelings at all times then we will be drawn to truth and love at all times.

Nothing about our soul's truth is focused upon controlling or dominating anyone else. Control is the domain of the mind. The mind is within one's spirit body, and it is this mind control that we are enslaved to. For more than 200,000 years man has been enslaved to his / her mind, this was brought about by the Lucifer Rebellion at that time. For generation after generation, we have repeated the endeavours to turn our children into little 'me's'. We suppress their free expression and free will and endeavour to clone them into trophy children, our trophy, reflecting who we are, not allowing their free expression of their feelings, their true selves. For a child to comply to our orders and demands they train their minds to 'obey' and succumb to our blackmail, 'be a good girl / boy and I / we will love you!'

This is a disaster of global proportions that was instigated by Master and Mistress Lucifer 200,000 years ago and it is only now that we can do the U turn and liberate our soul's feelings and become freely expressive, and bring about the harmony that humanity strives for and knows is possible.

Each suppressed feeling and each inflicted emotional injury brings about physical pain and ill health. It is only when we allow our feelings to freely flow that the energy flows through our spirit body and then physical body are of a healthy and feeling nature. We, as parents, bring about the long term health or ill health of our children. Sometimes the collective injuries that we as parents holding suppressed result in becoming evident as deformities within our children. Yes, we as parents cause the deformities within our child. Unknowingly and unintentionally we harm our children with our own emotional injuries to such an extent that our newly forming foetus is enormously injured resulting in the numerous illnesses and deformities that babies are born with, from time to time.

The baby is born and then we set about turning it into the 'model' that we want, not allowing it to freely express its true self.

This is the crime that we as parents have not been aware of for 200,000 years. It is global and it will take centuries before we all become aware that we have to embrace our emotions, allow our soul based feelings to tell us the truth of our errors and express our feelings to our partner or anyone that will listen and put these errors aside for ever. Then we will learn how to truly love our children and not burden them with the injuries that are past down generationally.

Our children mirror us, as parents. It is not that ‘bad genes’ are passed down; it is that we change the nature of our genes as of a result of emotional abuse and suppression which is endlessly hurled at us when as a child.

It is not until we reach puberty that we are of such an emotional maturity that we can start to independently embrace our soul based emotions, by-passing our mind’s controlling nature, and express and release the injuries imposed upon us since conception and typically through to the age of around six or seven.

Only by releasing our childhood repressed emotional injuries can we return harmony and physical health to our bodies.

Though our parents typically announce that they love us, as a child, they themselves are so heavily injured that they do not know how to love, nor what love is.

## The CHOICE is OURS to MAKE:

### Celestial Truth:

Truly all-loving;  
 Living true to oneself;  
 Mind supporting Feelings;  
 Living with the Divine Love;  
 Fully Healed of the Rebellion and Default.

### THE FEELING WAY

Feeling – Ascendance  
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

### THE MIND WAY

Mind – Transcendence  
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,  
 atheists, no spiritual interest,  
 Living the Rebellion and Default.

Hell:  
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

## LIVING THEIR WILL:

We can choose, in each and every experience, to live true to one's self; true to our feelings, and by doing so, we can also choose to live true to God and Their Will. Our Feelings are our Supreme Guides.

Living God's Will means living true to one's feelings, acting on our feelings in the moment, doing what we feel we want to do, while all the time longing for the Divine Love, the Truth, and wanting to live God's Will.

A lot of people, and so-called spiritual systems, speak about living true themselves and following their feelings, but what they don't understand is that whilst we are living in a negative mind and will state those feelings we are feeling and trying to live are not true. One's negative mind, in accordance with one's negative beliefs, are generating 'false' feelings; that is, feelings you believe are true but aren't, being based on erroneous beliefs. And it's only through the process of healing one's soul of all that is not true that we can begin to live feelings that are being generated with support from a positive mind and will. As we heal from one state (the negative) to the other (the positive) we will feel ourself changing, and will know we are becoming progressively truer. We feel our will truly becoming empowered, and its not an artificial empowerment like many people try to achieve by positive thinking and trying to be positive and wilful using their minds, it's real feelings of ourself, our will, and our wanting to live with God, our Mother and Father.

In the end, as we complete our soul-healing, with a completely healed and self-focused positive will and mind, we will know that we are doing God's Will as we live truly honouring all our feelings. The Father and Mother inspire us through our soul. They don't speak to us in our minds and say do this and do that. They generate feelings, true feelings, to come up in us, feelings we can only know are true when we've healed all that's untrue within us, and it's these feelings that we act on because doing so makes us feel good and happy, and then we are living God's Will. Also we can't live God's Will without the inclusion of Their Divine Love in our soul. We can only live, at best, in a perfected self-willed natural love state. So the partaking of the Divine Love is fundamental to living God's Will, and if you want to live it, if you want God to help you, then They will help you do your soul-healing so eventually you can cross over from being wholly self-willed (without God) to being still wholly self-willed – but with God, and therefore also God-Willed: with your will focused completely on living Their Will.

We don't give up or submit our will to Their Will, as in our will somehow vanishing and Their's taking over. We need our will perfected and not in denial so with all of it we can choose to live Their Will. We wilfully choose with a fully positive will that we want to live with Them. That we want to be at-one with Them. That we want to live the life They have created us to live and we tell Them this is what we want. And the wonderful thing about being able to partake of Their Love is you feel your relationship growing with Them; They become real, 'alive', and so you know, as you are choosing to live Their Will, why you want to do so. And that is because you feel so much love for Them. You want to give something back to Them. You want to live Their Will as a demonstration of your love for Them. They make you feel good, They heal you, They make your life the wonderful thing it should be, and all of this makes you so overwhelmingly grateful to Them that all you want to do is live how They want you to.

**FEELINGS**

And besides, by that time you arrive at this point of knowing through your feelings, you also know that

living without – denying – Them; living totally self-willed and with a negative mind and negatively focused will, is no fun. It hurts: it makes you feel bad and causes you great pain, and who'd ever want to do it. It's only that our negative states have been forced on us in our very early childhood that we don't know a different way to be.

## FEELING HEALING

**Note:** The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

So the first step in living God's Will is longing for and receiving Their Love. The next step is the rectification of your will – doing your **Soul-Healing**. To heal yourself so you're living in a positive mind state rather than a negative one. And then once this has happened you will, with no doubt, wilfully choose with all your heart and soul to live God's Will, and you'll be naturally doing this as you simply follow your feelings throughout the day doing what makes you feel good. It's incredible how They've designed it so we can do all we feel we want to; live with complete freedom of will, and yet still do all They want us to do: live fully honouring Their Love and Will always being happy.

**We have to see the whole truth of our negative or self-denial state before we can heal it and be free of it.**

**The CHILD is to FREELY EXPRESS ITSELF:** Messages from Mary and Jesus 13 May 2003

Mary: The greatest gift you can give your child, is allowing it to be freely able to express itself, helping it to feel good about being able to say and express and communicate all it feels. **THERE IS NOTHING BETTER FOR A CHILD TO FEEL THAN KNOWING ITS PARENTS COMPLETELY WANT IT TO BE EXACTLY HOW IT FEELS IT WANTS TO BE.** To be completely unconditionally accepted for all that it is. Then it feels loved.

This is how we are also to be, as adults!

**To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.**

## Our FEELINGS are our SUPREME GUIDES:

# Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.

Kevin 26 Sep 2017

## Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.

## FEELING HEALING

**Note:** The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

**Note:** Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and total true.” James – Introduction Course to Divine Love Spirituality

## WE ARE TO BE OUR TRUE SELF – OUR SOUL BASED FEELINGS!

We are to use our feelings to uncover the truth of ourselves. Just how important are each of our feelings? Well really, they are ALL as important; as in, nothing else in life even matters other than what we are feeling.

We are all so conditioned and used to living with our mind in control of ourselves, that many of our feelings, and mostly so many of our bad feelings, we dismiss or shut out and refuse to deal with. We should go the other way in life, so instead of denying so many of our feelings, trying to acknowledge them all, to bring them all out, every last bad one, even if means stopping everything else and attending to them; and by attending to them is to make sure we express them, speak about them, the whole idea being not to keep suppressing them, to make sure they come up and out of us as we feel them.

Along with this: we are to long for the truth of our feelings; as in, the truth they are wanting us to see about ourselves, because apparently hidden or behind or within each feeling, is something it's trying to tell us about ourselves. And that is how God wants us to live – it is to live a true spiritual life.

We are not meant to be alone, we are to have someone with whom we can share our whole self with, telling them all we think and feel. If you do not have a companion, talk it out loud to your Heavenly Parents.

If you feel a bad feeling, you don't let it pass, you stop with it, focus on it fully accepting it; and with the emotions of it, express it the best you can; and then at the same time, long for the truth of it – want to see what it's all about – why you're feeling it.

There are hidden deeper underlying causes in us that will come to light as to why we're really feeling bad. So we might, for example, be angry with something that's happening in our life now, but as we express that anger, longing for the truth of it, it will lead us back into our earlier life connecting with the same anger we felt about other things; and then back even deeper into connecting, or it should be reconnecting, with anger we felt with our parents when our parents treated us badly.

That means there will be a lot for us to deal with if the bad feelings we're feeling now are also going to lead us back into buried bad feelings from our past.

Sage and the Healing Angels of Light by James Moncrief

**Feelings first**

## LIVE TRUE to YOUR FEELINGS:

A massive insight and realisation, which became my platform for living life, it was really quite simple; all I could do was honour and be true to my feelings. I had to *obey* myself first – my feelings; I was the important one, not my parents and family, not even the Mother and Father. With this truth I learnt the importance of living true, always honouring my feelings. And I realised that if the Father wanted me to do anything He could show or guide me through my feelings.

**It is through our feelings that we know – feel – how to live the Will of God.**

You will come to see why the doing of your soul-healing is so important, to give up your mind's control over you in favour of **allowing your feelings to dictate and dominate your life**. And when you do, then you will **lovingly obey yourself, your feelings, and no one else**. This is all the Mother and Father ask of you, because **when you are living true, then you will be completely honouring Their Laws, Their Way, Their Love**.

**Your bad feelings are real and true.** They are not evil; they only make you feel bad. They can make you feel sick but this is what they are meant to do, because how you are functioning is wrong – you are sick. And **until you have no more repressed bad feelings within you, you are living untrue to your soul, to yourself, and to the Father and Mother.**

The Rejected Ones – Living True to One's Feelings

by James Moncrief

ALWAYS BE TRUE TO YOUR FEELINGS

## **PARENTS STEP ASIDE and RELINQUISH CONTROL of CHILDREN:**

**The Father and Mother have created us to be Their living expression, so if we sincerely want to express our love for Them, to Them, then the best way we can do this is to honour this truth. By expressing yourself fully, you will allow the Mother and Father to fully express Themselves through you – you will be living and doing Their Will. From this you can see that the true life is one of a full will being expressed, so one’s soul can come into being by using its will to express all its different attributes. In doing so you will be perfect in all that you are, and living life with love and full happiness. You will feel inwardly and outwardly fulfilled all the time and never feel in deficit as you do now.**

Because of your parenting you were denied your full self-expression and so you are not fully expressing yourself, you cannot feel love to the extent you want to. Your parents came between you and God. They pretended to be God, albeit mostly in ignorance, but still the effect on you who was looking to them for all you needed, was to believe everything they told you as being true. You believed and trusted them, living with all your faith in them. So being false god’s caused you to deny your real soul Parents. And that is the state you are all living under. This is the Rebellion and Default. You have rebelled against the Mother and Father by believing your parents (because your parents were wrong and untrue) instead of God, and you have done it all on both sides (the child and parent) in ignorance and by default. No one actually sets out to do it in the full conviction of what they are doing is evil, unlike that of Lucifer and his soul-partner, but still you do it, even though you do not know the truth of what you are doing.

So to put it right, you have to want to see where you have put your parents in place of the Father and Mother. You have to heal – change – all the wrong beliefs that you attribute to them, and all the negative behaviour patterns you have adopted to satisfy their demands. As you have not been allowed to express yourself freely this is what you need do. So it is why we keep repeating this and the fact that it is through expressing your repressed bad feelings and longing for the truth of them, that you will allow yourself to become fully self-expressive. All your unexpressed soul-personality attributes will begin to be expressed, allowing you to become the real and true you.

**Everyone should be allowed to express themselves however they want to, hence – do unto others, as you would have them do unto you. It should be the united goal for everyone to be able to fully and freely express themselves. If one soul is not fully expressed then humanity will not be able to come to full fruition. If you are not completely expressed, then you will never know the truth of love. And you will never know how to be the living example of that love, or what it feels like.**

Right from conception through to being an infant, a child, an adolescent and to being an adult you need to be able to fully express yourself. If you are stopped in any way then you will need to heal this one day. Love is the only way to heal yourself, as it was lack of love that brought about your interference in the first place. So this is why we have said that no one truly loves their child or each other, because it cannot be so due to the influences of the Rebellion and self-denial.

**If the parent can step aside and relinquish the power position and just be still the child themselves supporting their child to grow up free to express itself, knowing that the true parents are the Mother and Father who are looking at them both, then they will allow Their guidance and support feeling more at ease in their lives. Then the parent and child will live true loving relationships of self-acceptance and acceptance of each other. Neither will feel they need power over the other as**

neither will feel powerless, and the battles that constitute most families will not happen. Parents need to set the example, and their child will follow. And it will be the reverse to how you are now in every way. You cannot theorise about how to be this way or try to make it happen, as it can and will only happen by parents first doing their soul-healing becoming the living truth of perfection, and love for their child to follow.

When you stop trying to be the Mother and Father and find your rightful place, then you will live the truth of the Will of your Heavenly Parents, without trying to live the will of your earthly parents.

Messages from Mary and Jesus – book 2      Jesus 25 April 2003

**Golden Rule: that one must always honour another's will as one honours one's own.**

ALWAYS BE TRUE TO YOUR FEELINGS

**FEELING HEALING is ABOUT GOING EVER SO DEEPLY INTO ONE’S OWN PAIN:**

**You are going to feel all the bad you feel now, and all the bad you felt during your childhood. If you don’t remember feeling bad during your childhood, you still have to want to see if there are bad feelings buried deep in you that you are not aware of, feelings you have shut out of your mind, so its imperative that you must want to feel bad – that you want to accept your bad feelings and stop denying them.**

I want you to understand that feeling bad is good, it is the right way to go, it is heading in the right direction, it is your ascension, your spiritual growth – what you need to do to heal your negative mind. It is to do the opposite to your training, to allow yourself to feel as bad as you do, instead of dismissing all your bad feelings and pretending you don’t feel them. It is going against all that you know, and all that has been taught to you, and is against all of your minds conditioning. But still, as I said, you are setting off in an unknown direction, and feeling bad, and wanting to feel bad, and allowing yourself to feel all the millions of bad feelings that will come up in you, IS THE RIGHT WAY. It will be very new to you, and you might feel bad about this, and about feeling bad, but that is all good, and that is what I would expect. The Mother and Father will provide experiences for you that will make you feel bad: angry, miserable, pain and many other bad feelings. All those feelings you wish would just go away are the ones you now must wish to have, and own, and express, and own up to, as being a part of you.

And all through it I want you to ask, and even if necessary, to beg, the Mother and Father to show you the truth of why you are feeling bad. THIS IS EXTREMELY IMPORTANT – TO WANT TO KNOW THE TRUTH OF WHY YOU ARE FEELING BAD. For without wanting to know why – what’s the point, you may as well just keep on denying them, doing things believing they are making you feel good.

I don’t want you to go to Them with your mind for a quick answer, although you can discuss everything with Them; but to ask Them to SHOW YOU THE TRUTH THROUGH YOUR FEELINGS, so you can feel, and experience, and know categorically for yourself, why you feel bad. The truth will come up independently to your mind. Your mind should be kept out of it, until the truth has come as a result of your expressing your feelings, then you can use it to think about all you have seen about yourself. You have to want to know your feelings, all the reasons why you feel so bad.

# FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE  
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR  
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING  
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU  
FEEL, THINK AND ARE.

# Feelings First Spirituality

## The New Way

**Feelings First**  
**FF**  
**Feeling Free**

The New Way, Feelings First Spirituality  
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings  
 Free your feelings from your mind's control  
 Live true to your feelings; your feelings are your true self  
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.  
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,  
 BAD feelings.  
 Want to understand why you're feeling them.  
 Use your surface feelings to take you deeper into your repressed and  
 hidden feelings.

The Feeling Way is the True Way.  
 Your feelings are your spiritual guide.  
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

**Feelings First; then comes The Truth; then comes Love.**

# REVELATIONS

**Revelation 1:** Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively embrace our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

**Revelation 2:** We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

**Immortality with the Love.**

# Steps UP!

## Quantum Jump 1

### REVELATION 1

James Padgett

1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

## Quantum Jump 2

### REVELATION 2

Marion and James Moncrief

2002

– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.**

## 'All There Is'

## **The LOVE is reintroduced with FEELING HEALING:**

The first page diagram outlines that everything is interconnected. Health of the soul brings about a healthy physical body, this cannot be separated.

The second diagram is Feeling Healing – Healing yourself through your Feelings.

The third diagram is a classic, namely embracing the Will of the Mother and Father:

- First half is drawn from Col James Churchward's reading of clay tablets that date back 70,000 years. It is an outline of the first religion.
- Then follows the commandment introduced by Jesus 2,000 years ago.
- Then follows the reintroduction of the teachings of Jesus relating to the availability of Divine Love, these teachings have now been reintroduced over the past 100 years. The availability of Divine Love was taught in the first century; however, very few records of such have survived from that time. Now, the teachings of embracing one's feeling healing and soul healing are here.

Diagram fourth is ten commandments with the additional one by Jesus as a Manifesto of Divine Love.

The fourth diagram is what the Love does – it is a substance.

The sixth diagram is an overview of all that proceeds.

The Prayer for Divine Love as was given to us from the first century. It is not the only such prayer.

Then the final diagram being a visual aid of how easy it is to ask for and receive the Love – everyday is a day of devotion. Then to embrace one's soul healing.

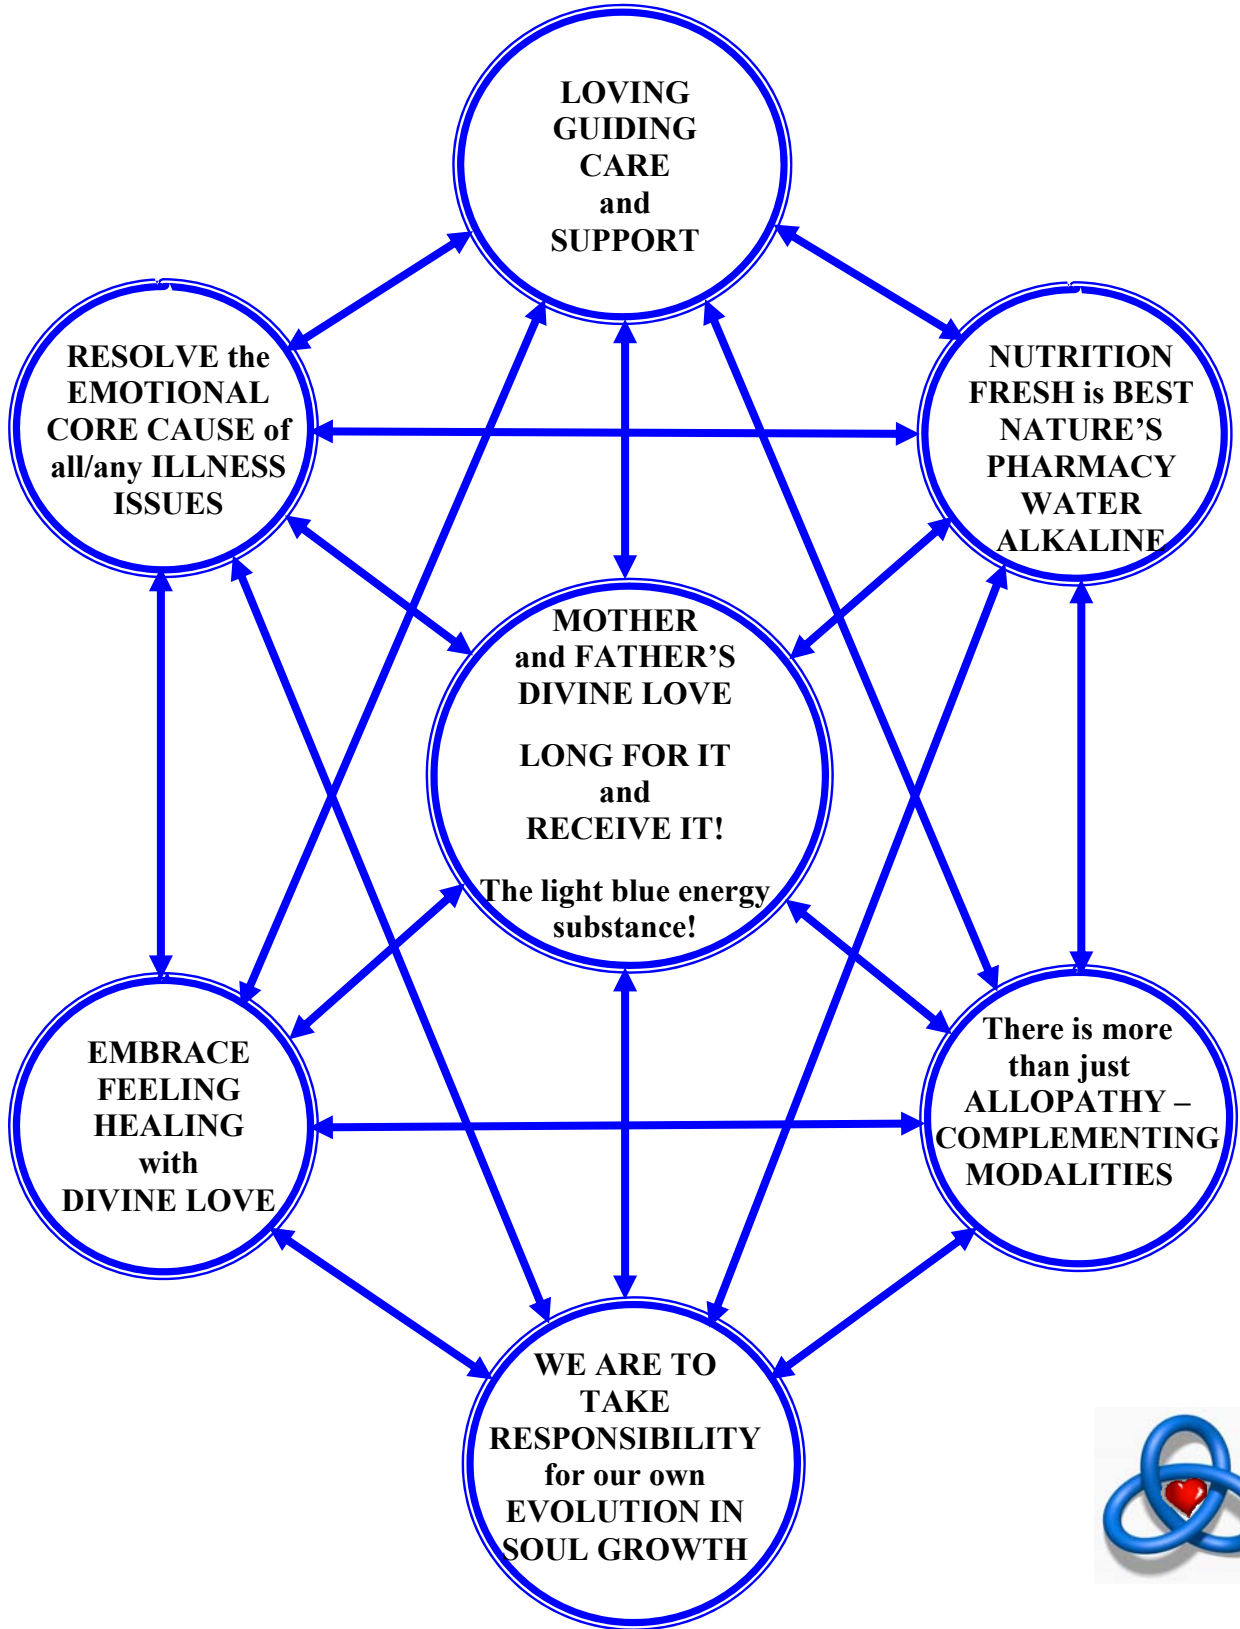

On the 31 May 1914, messages commenced to be received in a well organised and constructive manner with this first phase completing around 2017. The guidance and writings continue today. Over the past 103 years more than 10,000 pages of these teachings have been published. These works are coordinated and grow in detail and depth as we develop in our capacity to embrace the contents. The flow of material is anticipated to progressively increase in volume and in depth of detail as time goes on. The number of authors contributing now appears to exceed 1,000 in number and yet the work is so well structured that each successive set of material adds to the beauty and love that is shared in all that has preceded.

These diagrams embrace the essence and provide a summary to a body of knowledge that the world has never had available to it before. This time, in the history of humanity, is the most exciting time ever experienced. Enjoy and share as you please.

**Whilst we are receiving the Mother and Father's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Parents are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.**

EVERYTHING is INTERCONNECTED!

## **Feeling Healing – Healing yourself through your feelings.**

- ✓ **Your feelings are the real and true you.**
- ✓ **If you are denying any feelings you are denying yourself.**
- ✓ **If you are denying yourself you can't ever be truly happy.**
- ✓ **To heal all your pain and suffering, you can look to your feelings for why you are feeling bad.**
- ✓ **If you want to know the truth of yourself, then it's your feelings you will need to look to.**
- ✓ **Your feelings hold the hidden keys to unlocking the truth of who you really are.**
- ✓ **Uncover the truth of yourself through your feelings and you will know why you feel all you do.**
- ✓ **Everything in life, why all that happens to you does, and everything about yourself, can be explained to you through your feelings.**
- ✓ **Why your relationships might not be as good as you would like, why some might fail, you will understand through your feelings.**
- ✓ **How to live a good, true, happy and loving life will come to you as you start paying attention to all your feelings.**
- ✓ **However you will also have to pay attention to all your bad feelings, and this can be very harrowing.**
- ✓ **By honouring – accepting and then expressing all the bad feelings you feel, you will slowly bring to light all the reasons why you don't feel good.**
- ✓ **And as you liberate yourself from these hidden repressed bad feelings, so you will start to feel better and better about yourself.**
- ✓ **It's a process, and it can take time, years possibly, but all that's hard will eventually pass becoming good.**
- ✓ **Expressing all your feelings, and particularly your bad ones, whilst longing and really wanting to know the truth of why you're feeling them, is doing your Feeling Healing.**
- ✓ **You can Heal yourself through your feelings. And in fact, it's the only way to really heal yourself.**
- ✓ **And if you wish to do your Healing with God, you can also long for God's Divine Love.**
- ✓ **Feeling Healing – Using your feelings to heal yourself.**

**EMBRACING the WILL of our HEAVENLY MOTHER and FATHER:**

**Our Heavenly Parents are almighty, all powerful, infinite, and at all times loving.**

**The love of the Heavenly Parents for their children, woman and man, has been and is always infinite and ever present.**

**As one's faith in our Heavenly Parents evolves, man's love for his Heavenly Parents will have no limit.**

**As man grows in his love, so will man grow in his love for all of God's creations.**

**Approach the Source Soul, the Mother and Father, in reverence, without fear or trepidation, just as a child approaches his earthly parents knowing that open loving arms are extended to receive him at all times.**

**As one grows in his love of the Mother and Father, one becomes to know with certainty that God loves him or her in return, at all times, and that fear is an illusion created by man's mind.**

**By embracing the commandment provided in the 1<sup>st</sup> century, namely the first:**

**"This is my commandment, that ye love one another even as I have loved you."**

**Further, we are to embrace our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us. Living true to our feelings IS living true to God's Will.**

**Also as our soul development progresses, our self love grows which also enables us to step away from:**

**Any self harm that we may cause which also brings about consequences.**

**And to move along this path we simply develop our embracement of:**

**God's Divine Love; by praying for it, asking for it, and receiving it.**

**Longing for Truth and Divine Love we can embrace the will of the Father and achieve freedom from error and harmful ways, thus finding our way home!**

### Manifesto of Divine Love:

1. We love one another as Mary and Jesus, our spiritual parents, love us. And so we seek their Spirits of Truth.
2. Our all loving Heavenly Parents, our Mother and Father, we love and honour at all times.
3. We worship only our Mother and Father, God, and Creator of all things.
4. We treat our Creator's name with respect and love, and earnestly seek Their Divine Love, and at all times pray for It, ask for It, and receive It.
5. We set aside a regular day each week for Sabbath rest and worship of our Heavenly Parents, God, and seek Their Love so that we may grow closer to Their fountain head of Truth and Love.
6. We are to be as we feel, even if it's sinful, but in doing something that is not in alignment with God's Love and Truth will make us feel bad, that is provided we allow ourself to feel our bad feelings, and so we can then use our bad feelings to find out the truth of why we feel bad and why that thing we have done is bad. We embrace our Feeling Healing.
7. We strive to cause no harm to another, nor cause any harm to one's self. We do not do to others what we would not have them to do to us. We treat our fellow human beings and all living things, and the world in general with love, honesty, faithfulness and respect. Violence, at any times, is never justified. Golden Rule: that one must always honour another's will as one honours one's own.
8. At all times in our intimate relationships we strive to express and live true to all our feelings, all so we can use our feelings to uncover the truth they are trying to show. The truth of ourselves, of our relationships, and the truth of everything else, including God.
9. We do not covet or steal anything that does not belong to us. Honesty in all communications, actions, undertakings and activities in all facets of life is our rule of life.
10. In all that we do, we are to be truthful. We are non-judgemental, for none of us have the capacity or authority to judge another. We are always ready to forgive all wrongdoing.
11. We do not desire anything or anyone that does not belong to us. Comparing oneself to others and longing to have what they have leads to errors. We are to be content by focusing on the blessings our Heavenly Parents, who made us in Their soul's image, provides for us.

## ***DIVINE LOVE – what does it do?***

**Divine Love, which is a substance, progressively:**

**Transforms one's soul from that which is of natural love to that which is Divine**

**As natural love is enhanced with the Parent's Love, we reject our tendency to error**

**Divine Love, our Parent's Love, restrains errors, untruths and emotional stress**

**As we reject the condition to error, we develop our love for our brothers and sisters**

**Divine Love helps one with the discovery of truth through one's soul-feeling healing**

**Our natural intelligence grows, perceptions rise with our soul intelligent feelings**

**As Law of Compensation is resolved, the Love reduces returning to being in error**

**Receipt of Divine Love, the Parent's Love, grows our faith, we become God reliant**

**As our faith grows our propensity to undertake one's Feeling Healing strengthens**

**With the Love, our Feeling Healing becomes Soul Healing, this we are to undertake**

**Without the Love we remain self reliant and dependent upon our own will power**

**Only with the Love will our soul condition grow rapidly, all around us also benefit**

**The Love is the only substance that changes the human soul to that which is Divine**

**Only by asking and receiving Love do we become fitted to enter Celestial Heavens**

**Only by asking for and receiving the Divine Love does our soul become immortal.**

**What is Divine Love?**

**It is the Divine Love of God, our Heavenly Parents, restored to all mankind by the births of Jesus and Mary.**

**How do we get this Love?**

**By sincerely asking God, our Mother and Father, and receiving the Love that passes all understanding.**

**What happens then?**

**We are born again in spirit and in truth, our soul opened to the Soul of God, our Heavenly Parents.**

**What then do we know?**

**We know we are all children of God and want to pray always to our Heavenly Parents, always longing for Truth.**

**What is the purpose of Feeling Healing?**

**We are to seek the truth of our feelings and unburden ourselves from our childhood repression and injuries.**

**What of the world?**

**We are at peace in the world and fearless. In Divine Love and in Truth there is no fear.**

**What else?**

**We are to strive to love everyone unconditionally as our Heavenly Parents and as Mary and Jesus love us.**

## **The Only Prayer That Man Need Offer to the Father:**

(as given within the first century)  
I am here, Jesus

The **Prayer for Divine Love**

**P.438 Book of Truths through James Padgett / Jesus**

Let your prayer be as follows:

**Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.**

**That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.**

**We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.**

**Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.**

**Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.**

**Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.**

**We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.**

**We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.**

**Amen**

Note: The 'false teachers' are our parents, as they are also the 'evil ones'.  
Also, the evil ones, being those parts of one's mind, that are controlling you.

VISUALISATION with LONGING:

Holy Spirit infusing Divine Love.

Progressive escalation of Divine Love flowing.

Visualise yourself as you were when young and with an empty bowl, and then thankfully ask the Mother and Father for Their Love – Their Divine Love:

*"Please, Mother and Father, I want some more."*

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

**Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.**
