**CONTEMPLATE THESE WORDS:****EMBRACING the WILL of our HEAVENLY MOTHER and FATHER:**

**Our Heavenly Parents are almighty, all powerful, infinite, and at all times loving.**

**The love of the Heavenly Parents for their children, woman and man, has been and is always infinite and ever present.**

**As one's faith in our Heavenly Parents evolves, man's love for his Heavenly Parents will have no limit.**

**As man grows in his love, so will man grow in his love for all of God's creations.**

**Approach the Source Soul, the Mother and Father, in reverence, without fear or trepidation, just as a child approaches his earthly parents knowing that open loving arms are extended to receive him at all times.**

**As one grows in his love of the Mother and Father, one becomes to know with certainty that God loves him or her in return, at all times, and that fear is an illusion created by man's mind.**

**By embracing the commandment provided in the 1<sup>st</sup> century, namely the first:**

**"This is my commandment, that ye love one another even as I have loved you."**

**Further, we are to embrace our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

**Also as our soul development progresses, our self love grows which also enables us to step away from:**

**Any self harm that we may cause which also brings about consequences.**

**And to move along this path we simply develop our embracement of:**

**God's Divine Love; by praying for it, asking for it, and receiving it.**

**Longing for Truth and Divine Love we can embrace the will of the Father and achieve freedom from error and harmful ways, thus finding our way home!**

From whence did these come? They are beautiful, profound, enduring and wonderfully true.

During the 1920's Colonel James Churchward found these writings on clay tablets. These clay tablets are a set of some 10,000 pieces dating back around 25,000 years with some dating back 70,000 years.

The clay tablets are 10 inches by 8.5 inches (25cm by 21cm). These spiritual understandings are the basis of humanities faith, beliefs, religions and longings that can be found everywhere on the planet. They are without sect, creed, theology or dogma. Somewhere, within every culture, will be found remnants of these soul understandings.

When the first man became ensouled, long after humans walked the Earth, man was profoundly intelligent, capable, beautiful and loving. Since then, the ensuing history of man has exhibited a wide diversity of soul conditions and social drama. We now have the opportunity to enable man to universally embrace the truths that prevailed with the first of ensouled men and women.

The timing of when man first became ensouled is difficult to gauge, however it may well be as little as 50,000 years ago, rather than significantly more than 100,000. Subsequent to the first woman and man having a longing for human perfection almost 1,000,000 years ago, all other species of the human form have become extinct.

The first of ensouled man understood the availability of the Father's Love and how to ask for it, to receive it and what it does. That knowledge was reintroduced to us 2,000 years ago.

**Three Great Truths:**

- **God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

**Golden Rule: that one must always honour another's will as one honours one's own.**

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

**Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.**

# First Parents being First Ensouled Humans

Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some **one million years ago**. Andon and Fonta were the most remarkable pair of human beings that have ever lived on the face of the Earth. This wonderful pair, the actual parents of all mankind, were in every way superior to many of their immediate descendants, and they were radically different from all of their ancestors, both immediate and remote.

The Lucifer soulmate pair believe that the mind is superior to all things. Thus they convinced the inhabitants of 37 inhabited planets within the universe of Nebadon, including Earth, to become self reliant and abandon God and Their administrative leadership. The Lucifers brought about the Rebellion on Earth two hundred thousand years ago. So for 200,000 years of spiritual darkness, humanity has suffered the consequences of one's error ridden mind.

# REBELLION

Adam and Eve, the Adamite soulmate pair, came about **thirty eight thousand years ago** to upstep the gene structure of humanity and advance their spirituality.

# DEFAULT

Both Eve and Adam mated with local humans and accordingly defaulted on the plan. They were to breed a superior stock that would then interbreed.

Mary of Magdalene and Jesus of Nazareth, soulmates, **two thousand years ago**, both retained perfection, and during their sojourn on Earth were enthroned as sovereign rulers of Nebadon. **The bestowal of Michael (Jesus and Mary) terminated the Lucifer rebellion.**

The Second Coming, **now in progress**, reveals the availability of Divine Love and the need for each person to engage in the process of Feeling Healing. With the Divine Love then this process is one's Soul Healing.

# BESTOWAL

# REVELATIONS

× 2

**LUCIFER REBELION HAS ENDED, and now REVELATIONS for HEALING are HERE:**

**Lucifer soulmate pair**

**Satan soulmate pair**

**Caligastia soulmate pair**

**Daligastia soulmate pair**

**Lucifer** soulmate pair were magnificent beings, a brilliant personality as one. They were designated as one of the one hundred most able and brilliant personalities in more than seven hundred thousand of their kind. From such a magnificent beginning, through evil and error, they embraced sin. They believed that their minds were all powerful and that everyone should be independent and reject the illusionary God and those who lead the path to God, namely Michael of Nebadon (Jesus and Mary).

Very little was heard of Lucifer on Urantia (Earth) owing to the fact that he assigned his first lieutenant, **Satan** (also a soulmate pair), to advocate his cause on our planet. The “devil” is none other than Caligastia (again, another soulmate pair). At the time Michael (Jesus and Mary) was on Urantia in the flesh, Lucifer, Satan, and Caligastia were leagued together to effect the miscarriage of his bestowal mission. But they spectacularly failed.

About five hundred thousand years ago and concurrent with the appearance of the six coloured or Sangik races, Caligastia, the Planetary Prince, arrived on Urantia. There were almost one-half billion primitive human beings on earth at the time of the Prince’s arrival, and they were well scattered over Europe, Asia, and Africa. The Prince’s headquarters, established in Mesopotamia, was at about the centre of world population.

**Caligastia** had been attached to the council of the Life Carrier advisers on Jerusem. Lucifer elevated Caligastia to a position on his personal staff, and he acceptably filled five successive assignments of honor and trust. The Planetary Prince of Urantia (Earth), Caligastia, was not sent out on his mission alone but was accompanied by the usual corps of assistants and administrative helpers.

At the head of this group was **Daligastia** (soulmate pair), the associate-assistant of the Planetary Prince. Daligastia was also a secondary Lanonandek Son. He ranked as an assistant at the time of his assignment as Caligastia’s associate.

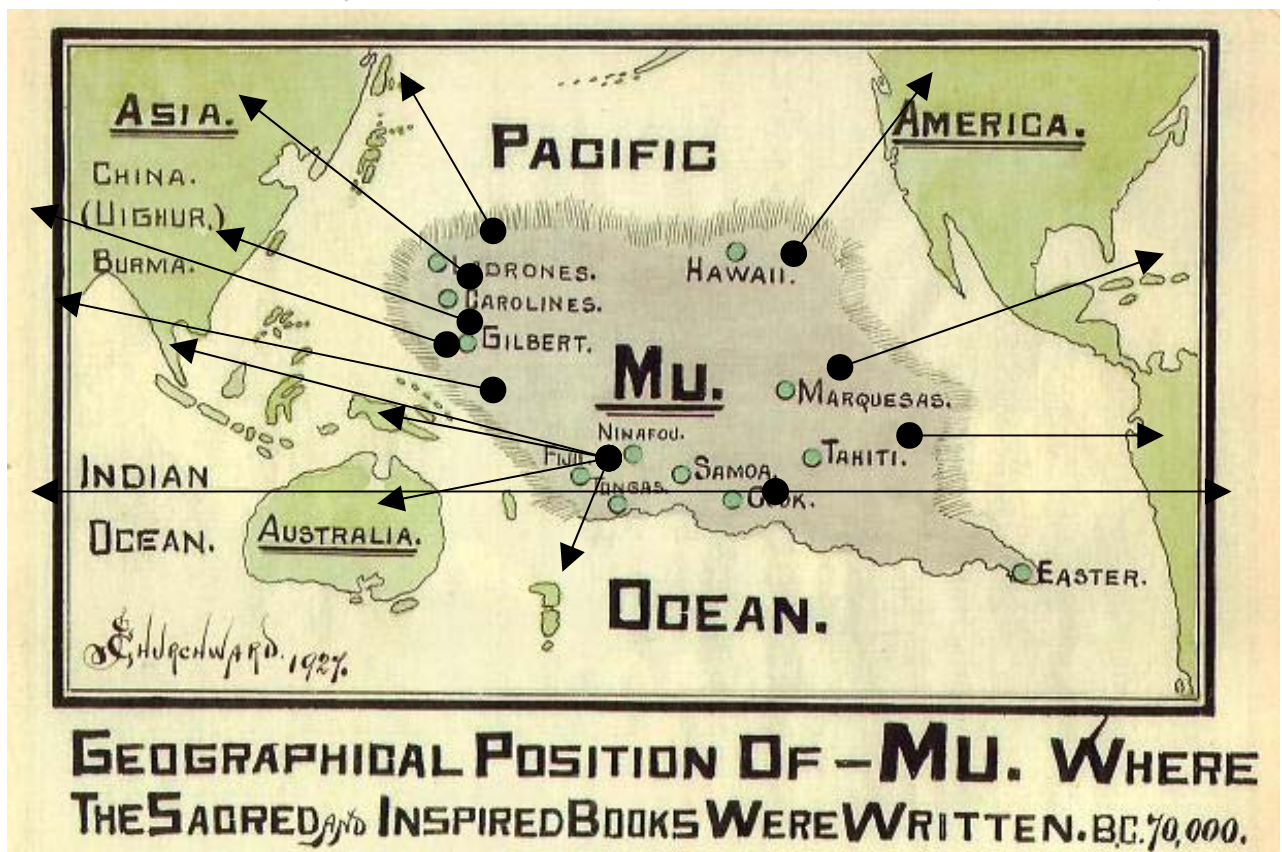

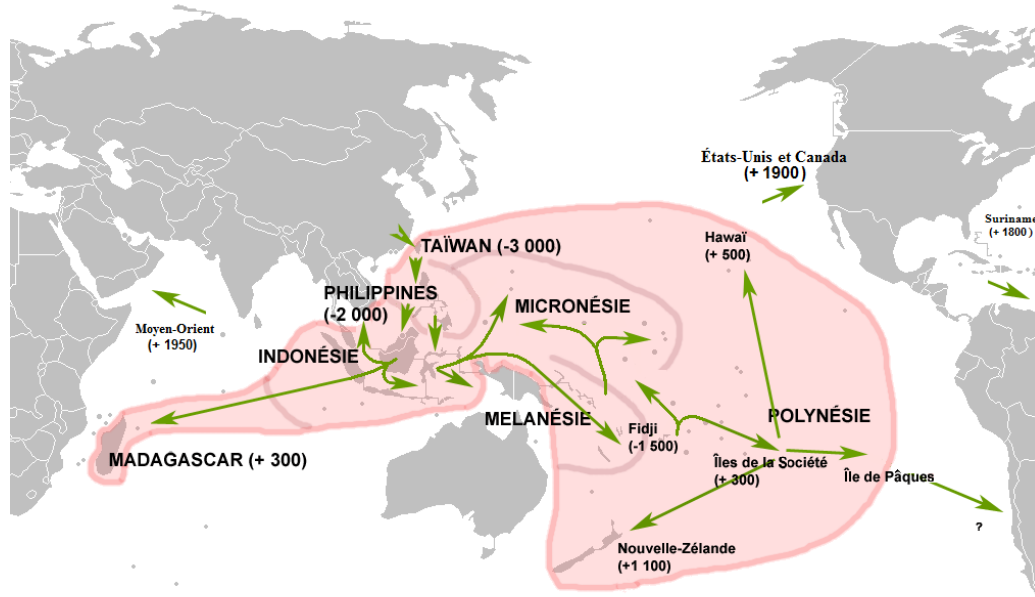

**Lucifer**, with deputy **Satan**, and lieutenants **Caligastia** and **Daligastia** have ingrained into the human psyche to be mind dominated with its errors passing down through all parents, being self reliant and rejecting one’s own soul based feelings that are to lead us to our Heavenly Parents with the truths being provided by Mary and Jesus of Nebadon. **Lucifer** and **Satan** were removed two thousand years ago, **Caligastia** and **Daligastia** have very recently been removed. Their crimes against humanity make Adolf Hitler appear to be a saint!

## LEMURIA SHARED its PEOPLE and WISDOM:

The Naacals tell us: “The ten tribes were developed since man came on Earth. The people becoming crowded began to spread out. Some families went to far distant settlements; here they were virtually isolated from the rest of mankind. They were so few that sometimes brothers and sisters even had to marry to carry on. These close marriages gave them all a family likeness, so they became a type: time, climate, temperature and food completed the type and they became known as a tribe.” “A 100,000 years and more had gone on developing and perfecting these types called tribes in Mu before her destruction came, so that, when she went down, many of these types and colours had become very distinct.”

**PRE-INCARNATIONAL SPHERE** is invisible to all spirits as are the souls thereon also invisible. Divine Love is not available on the pre-incarnational sphere.

A newly individualising soul is just a tiny invisible spark.

The soul nests inside of the spirit body, never to be separated.

## **The LAW of ATTRACTION and INCARNATION:**

Received by Nicholas Arnold,

11<sup>th</sup> May.2006

Hi Nicholas, I am with you now your loving Celestial friend, Caspian Fontana. I am writing to you regarding soul's existence prior to incarnation. I will write a little with you on this subject this morning.

The Father creates the soul that eventually becomes two as it were, and these two attributes incarnate respectfully into a masculine and feminine existence on Earth. One need regard the soul's journey in four parts. The creation of its existence by the Father's Soul; the moment before incarnation; the souls' physical existence on Earth as a man or woman; and lastly it's life in the spiritual heavens in its spirit body.

The action of soul prior to incarnation follows a Law created by the Father, the Guiding Soul who enables the soul's existence to be in the first place. This is the Law of Attraction and Incarnation. The Law of Attraction and Incarnation exists so that created soul actually do incarnate. For if this Law did not exist, and then incarnation may in fact never transpire. The Law of Attraction and Incarnation is the Father's Way of ensuring that the created souls progress into life here on Earth with harmony. The souls prior to incarnation have no control over where they incarnate, they simply respond as it where and incarnation happens. The remarkable thing about this is that people all over the world have sex and babies are created and so the souls incarnate responding to the Law of Attraction and Incarnation. The souls do not have a decision of incarnation for if they were to pick and choose in a selective process for themselves to begin their life from a freewill decision, then this would ultimately bring disharmony into the Creational Sphere where *Pre-Incarnated Souls* exist prior to incarnation and would be contrary to fulfilling the Law. You can well imagine, the condition created if souls were freely able to choose a life incarnate for themselves. Souls may simply decide not to incarnate so when people have sex, and the makings of a life is conceived souls may simply refuse to incarnate based on their decision, and what would transpire would be the problem of conception without souls incarnating, which is impossible.

All of this is one of the great mysteries of life between Father created souls and the mortal life of people, for you have the perfection of the Father in all harmony creating souls then have their existence in the Creational Sphere that are perfect in attribute acting in accord with the Law of Attraction and Incarnation and then you have the seemingly random and all-over-the-place-ness of human activity in relationships that result in conception and are so mortal in action that how would all that which I have just explained be so, but it is true.

Even if two people conceive a child in the most horrendous of living conditions or have illness and so forth, the Law of Attraction and Incarnation still comes into effect and the pre-incarnated soul in the Creational Sphere responds and becomes part of that conception and eventual life in the physical. The soul is made of soul and is not physical so it can inherit the space of the physical very easily just as the developing spirit body is created in the physical. This reveals the fantastic creation and workings of the Father to see soul, physical and spirit all together as one individual in one place at one time. The drama that is experienced from the mortal view point is that souls are being incarnated into conditions that seem contrary to the harmony of Love and souls are being subject to the actions of people that seem contrary to the workings of Laws created by the Father, however, people are souls themselves and even though disharmony may bear fruit, the Law of Attraction and Incarnation still comes into effect and is not subject to mortal causes otherwise the relationship between people and souls to incarnate would be fractured and cause a greater disharmony,

This makes one realise why people need to respect the creation of life and understand their shared

responsibility of the creation of life and the Father's creation of a soul, and in this, when Divine Love is involved eventually the soul understands its journey and harmony of need as reflected here in the Celestial Heavens.

Caspian Fontana, Celestial Heavens.

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

### **WE are INCARNATED with Natural Love, but not with Divine Love:**

**We are conceived with natural love, however, we are not endowed with anything of the Divine. While we are without anything of the Divine, namely Divine Love, we can grow our natural love attributes and progress to that of being the perfect man whose lodging is found in the 6<sup>th</sup> Sphere. We do not have immortality without having received Divine Love.**

**Natural love radiance is very different from that which Divine Love brings.**

**The two loves complement each other, bringing about greater harmony.**

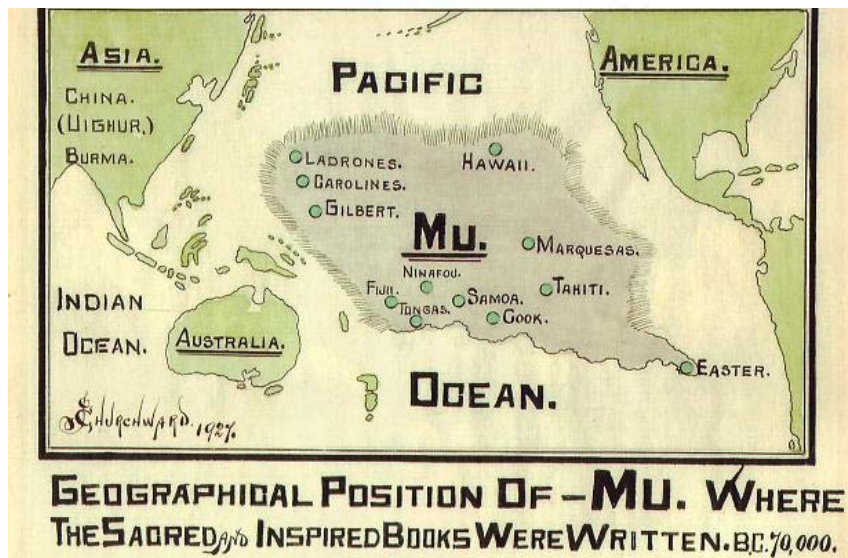

**When we become aware of the presence of Divine Love and subsequently ask for and then receive the Divine Love, our soul steadily starts to change to that which is Divine and we achieve immortality. This is the Immortal Choice that we can make whilst here in the physical or later in the spirit world. Once we add Divine Love to our being, we continue then with the two loves, that of the natural love and also that of Divine Love. As we continue and receive Divine Love, our soul condition progresses so that we may eventually enter the Celestial Heaven, 8<sup>th</sup> sphere and above, then progress further to enter the Eternal Spheres and then the Spheres of Paradise.**

**LOCATION of Sets of the SACRED and INSPIRED WRITINGS of MU:**

Six sets, each of more than 10,000 tablets, were carried from Mu subsequent to 70,000BC. Sets were located at:

- Khanassa or Kharaso – Tibet
- Ayodhya or Ayhodia – Deccan Plateau, central India
- Capital City of Uighurs in the Gobi Desert, Central China
- Babylon in Mesopotamia
- Maioo in Nubia, Upper Egypt via India, later also Sais on the Nile Delta via Atlantis
- Mexico City

A further six copies of each of these original sets was further made.

*“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD*

**OUR FIRST TEACHERS:**

Descendants of Andon and Fonta (also called Aman and Amon), our First Parents, not being Adam and Eve, delivered teachings that were faithfully memorised and later recorded as the **SACRED and INSPIRED WRITINGS**. Through later generations, writings were progressively preserved via way of hieroglyphic symbols that are the basis for the writings on temples in Mexico, South America, Cambodia, India and Egypt. Six sets, each of about 10,000 tablets, were carried from Mu (Lemuria), these were then located at: Tibet, Deccan Plateau in central India, Gobi Desert in Central China, Upper Egypt, Babylon in Mesopotamia and Mexico City. Further copies of each of these original sets were further made.

However, from the teachings of the leaders of the Rebellion, 200,000 years ago, stem all of the world’s major spiritual and religious teachings, all being in error and contaminating the sacred and inspired writings, all suppressing one’s soul based loving and truth based feelings and bringing about dependence upon one’s erroneous mind. **BC=BCE AD=CE**

**Note: Lunar cycles were considered years, then seasons as years.**

- First Parents, Andon & Fonta, also known as Aman & Amon 1,000,000 years ago
- As a result of Lemuria (Mu)we have Sacred Inspired Writings 300,000 BC (Chaldi College)
- As a result of Master & Mistress Lucifer we have the Rebellion 200,000 BC
- As a result of Adam & Eve we have the Default 38,000 BC
- As a result of Osiris, we have Osirian 20,000 BC (born in Atlantis)
- As a result of Thoth, we have Osirian in Lower Egypt 14,000 BC (coming from Atlantis)
- As a result of Krishna, we have Hinduism 3,228 BC (birth dates)
- As a result of Abraham, we have Judaism 1,750 BC (+/- 250 years)
- As a result of Moses, we have Judaism and Moses books 1,200 BC (approximately)
- As a result of Zarathushtra,we have Zoroastrianism 630 BC he lived for 242/4 years
- As a result of Lao Tzu, we have Taoism 604 BC
- As a result of Varadhamana Mahavira we have Jainism 599 BC he lived for 72 years
- As a result of Buddha, we have Buddhism 560 BC
- As a result of Confucius, we have Confucism 551 BC
- As a result of Jesus via Paul we have Christianity born August 7 BC died age 35, March 29CE
- Mary of Magdalene, born 2 BC, died age 48, and Jesus of Nazareth, both born free from error.
- As a result of Muhammad, we have Islam 570 AD
- As a result of Topiltzin Ce Acatl Quetzalcoatl –Toltecs Lord 923 AD to 947 AD period of reign
- As a result of Hiawatha we have Iroquois Confederacy 1550 AD
- As a result of the Second Coming we have Divine Love and then Feeling Healing  
which with Divine Love then is Soul Healing 31 May 1914 AD to around the 2040’s
- As a result certain restrictions of the Rebellion and Default are now lifted.

From the above ancient clay tablets can be found the Lord’s Prayer and the Ten Commandments, though there were 42, Moses was a practical man and condensed them. Also Moses five books are derived from the ancient clay tablets, possibly the set that was in the southern region of Egypt. Those writings had been heavily contaminated by the teachings resulting from the Rebellion.

By longing for the truth of one’s feelings and for our Heavenly Parents’ Love is the way forward.

ANCIENT EARTH HISTORY CIVILIZATION TIME LINE

A brilliant distillation of the essential spiritual truths and the world's great religions is exemplified by the following:

1. **Christianity** is the path of love and forgiveness.
2. **Buddhism** is the path of compassion.
3. **Judaism** is the path of living by sacred law.
4. **Baha'i** is the path of unity and peace.
5. **Islam** is the path of submission to the will of God.
6. **Confucianism** is the path of deliberate tradition.
7. **Taoism** is the path of ultimate reality.
8. **Native American Practice** is the path of primal spirituality.
9. **Shintoism** is the path of tribal ancestry.
10. **Hinduism** is the path of knowledge, action and devotion.
11. **Feeling Healing + Divine Love is the path to at-onement with the Father and to the Heavens**  
P51 Discovery of the Presence of God

**The First Religion:** The Sacred Inspired Books were written for the purpose of teaching early man religion; therefore, man's first religion was the teachings of the Sacred Books.

The basis of the first religion taught to man was – Love. The Love of Man for his Heavenly Mother and Father. The Love of the Heavenly Mother and Father for their daughter and son man, and the love of man for all of God's creations.

Man was taught to approach God in reverence but without fear or trepidation, just as a child would approach his earthly father knowing that open loving arms were extended to receive him.

Early man knew no fear of God, because he loved God and he knew God loved him in return.

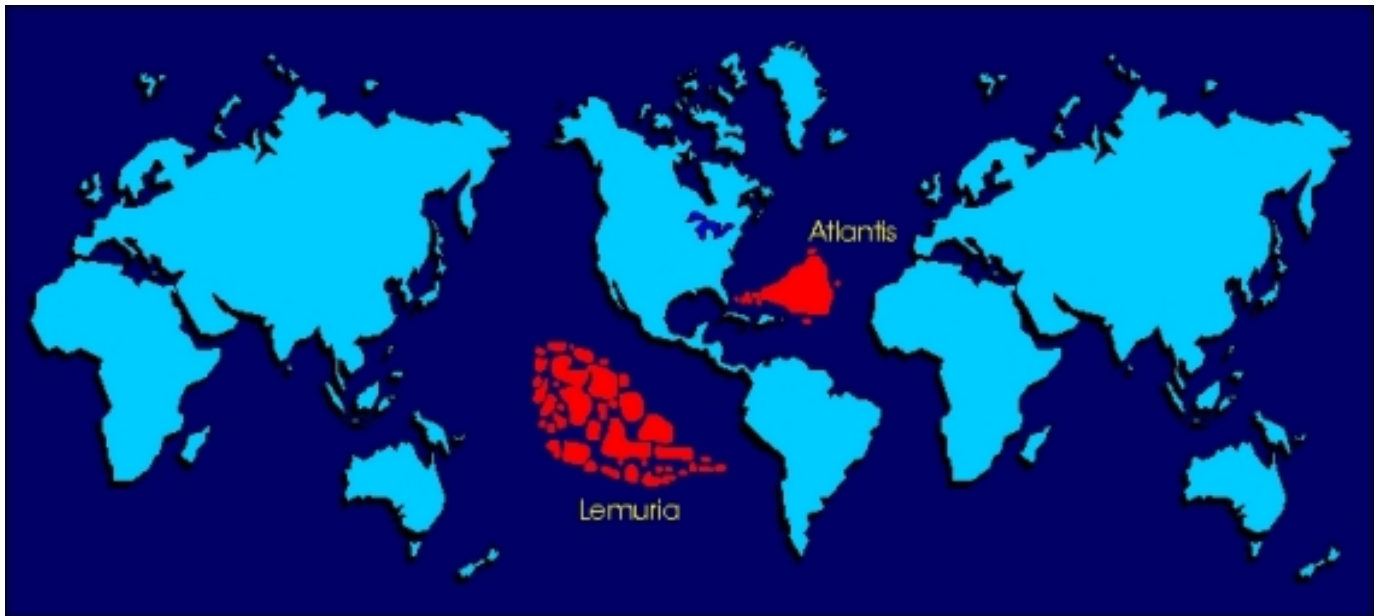

All of the ancient teachings were the same all over the world, it was a universal church without sect, creed, theology or dogma.

Every teaching was plain and simple without a particle of theology. The most ignorant could understand every phrase in it. There was nothing of any kind indefinite. It was impossible not to understand it thoroughly. Man was taught to approach the Heavenly Mother and Father, not with fear or dread, but with confidence, and above all, Love: as a child would run to its earthly father who is standing with outstretched arms to receive it. Love stood at the head of the 12 great virtues, because Love governs the Universe and our Heavenly Mother and Father are The Great Love.

**SACRED AND INSPIRED WRITINGS, notes from BOOKS by Col James CHURCHWARD:**

The 64,000,000 peoples of Mu, some 70,000 years ago all believed in the immortality of the soul, which soul eventually returned to the “great source” from whence it came.

P25 Lost Continent of Mu

The ancients knew perfectly well that man at his creation was given Cosmic Forces, that these Forces are under control of the Soul, that when the Soul left the material body it carried the Cosmic Forces with it.

P37 The Children of Mu

Mu became the victim of earthquakes. “The whole continent heaved and rolled like the ocean’s waves. The land trembled and shook like the leaves of a tree in a storm. Temples and palaces came crashing to the ground and monuments and statues were overturned. The cities became heaps of ruins.”

As Mu sank into that gulf of fire another force claimed her – fifty millions of square miles of water. From all sides huge waves or walls of water came rolling in over her. They met where once was the centre of the land.

P30 Lost Continent of Mu

Mu was the biblical Garden of Eden.

P35 Lost Continent of Mu

On this great continent, the Land of Mu, man made his advent on Earth about 1,000,000 years ago.

The Land of Mu and the Biblical Garden of Eden were one and the same land.

Both the Naacal and the Mexican tablets show clearly that man is a special creation. They also show in what way he differs from all other creations. An account of the creation is given in both sets of tables which is very similar to the subsequent Biblical account.

At the time of Mu’s destruction her people were in an exceedingly high state of civilisation; as regards science she was far ahead of the present time. (No wonder! She was at the end of 200,000 years of experience and development. We today cannot claim 500.)

The great civilisations of the old Oriental empires – India, Egypt, Babylonia, etc – were only the dying embers of Mu’s great civilisation. They were her children, who withered and died without her care.

P16 The Children of Mu

Man on Mu had developed into ten distinct tribes and types of men.

P48 The Children of Mu

The Naacals tell us: “The ten tribes were developed since man came on Earth. The people becoming crowded began to spread out. Some families went to far distant settlements; here they were virtually isolated from the rest of mankind. They were so few that sometimes brothers and sisters even had to marry to carry on. These close marriages gave them all a family likeness, so they became a type: time, climate, temperature and food completed the type and they became known as a tribe.” “A 100,000 years and more had gone on developing and perfecting these types called tribes in Mu before her destruction came, so that, when she went down, many of these types and colours had become very distinct.”

P50 The Children of Mu

The children of the Motherland sailed all over the world in their ships.

P80 The Children of Mu

All the Earth was peopled from Mu, the Motherland. The home of the Negro in the Motherland was at the southwest corner of Mu which is now represented by various clusters of islands called Melanesian and here today are Negroes, descendents of those who were saved when Mu was engulfed.

P98 The Children of Mu

The last magnetic cataclysm. Magnetic cataclysms have visited the Earth at various times since she first commenced her existence. They are, however, unknown to our present-day scientists; although they were known, perfectly understood, and written about by our forefathers of the Earth's first great civilisation more than 25,000 years ago. When the last one occurred, it was after vast fields of ice had been formed in the polar regions. Now all the forces which could change or cause an irregularity in the movements of the poles have become equalised in power. The 'great flood' was the last of the magnetic cataclysms that was to visit Earth. It was the last one the Earth will ever see, because with this cataclysm the Earth went into Final Magnetic Balance.

P209 Cosmic Forces of Mu I

Various Oriental traditions record that the destruction of the Uighur Empire occurred 17,000 years ago. Their capital city was situated in what now forms the Gobi Desert. The extremely ancient city now lies beneath 40 to 50 feet of sand and gravel, carried there by waters of this flood. This flood wiped out eastern parts of the Great Uighur Empire, which stretched her motherly arms from the Pacific Ocean across Asia and into Eastern Europe. The Uighurs were the forefathers of all of the present-day Aryan races.

At the time of this great flood, the gas belts had not been formed, nor the mountains raised. The eastern coast of Asia was totally different then to what it is now. (This is not the story of Noah.)

This great wave rolled up over the north pole bringing waters and ice down into Europe, crushing and grinding into a pulp everything that lay in its path. This was the 'Great Flood'.

P133 Cosmic Forces of Mu II

There were survivors of this world's greatest catastrophe since the flood of biblical fame. The sinking of Mu occurred about 10,000BC. The Troano Manuscripts places the sinking of the land of Mu as having occurred approximately 12,500 years ago.

P41 Lost Continent of Mu

Atlantis was submerged 11,500 years ago (9,500BC).

P119 Lost Continent of Mu

The sacred symbols of Mu have been found among all peoples throughout the world.

P125 Lost Continent of Mu

Unscrupulous Egyptian priests first invented the devil, then they had to find an abode for him, so they invented hell. Five thousand years ago the devil and hell were unknown.

P140 Lost Continent of Mu

35,000 years ago, the Cosmic Diagram of the land of Mu, freely given in modern language, would read:

"I believe there are eight roads which I must travel in order to reach Heaven. After having travelled the eight roads (mentioning them), I arrive at the twelve gates leading to the world beyond. Here I must

prove that I have overcome the twelve earthly temptations (mentioning them). I shall then pass through into the world beyond and reach the gates of Heaven. There I must show that I learned and practised the twelve virtues on Earth (mentioning them). Then I am taken through the gates of Heaven to the throne of glory, where sits the Heavenly King.”

Have we today among all our sects and religions any that is purer and more simple than this of the lost people of the Motherland of Man?

P143 Lost Continent of Mu

Man was created a civilized being – some 200,000 years ago.

P266 Lost Continent of Mu

The oldest classics in China, going back to the time of Abraham (between 2000 BC/BCE and 1500 BC/BCE), show a wonderful knowledge of God. There are passages in these classics about God worthy to stand side by side with kindred passages in the Bible. God was omnipotent, omniscient, and omnipresent; the moral governor of the world and the impartial judge of men.

P276 Lost Continent of Mu

All traditions of the Creation, wherever found, came of a common origin. It matters not whether it is our biblical traditions, the traditions of the Hindus, Chaldeans, Egyptians, Mayas, Polynesians or others; there original source was the same and dates back to very early man, tens of thousands of years ago, and maybe even more.

Probably the most astounding of all is the fact that the Polynesians, who have been shut in from the rest of the world for over 12,000 years, should have among themselves traditions of the Creation identically like the biblical account, such as the names of the first man and woman.

P279 Lost Continent of Mu

Moses wrote the first books of the Bible from the temple records brought to Egypt from the Motherland by the Naacals via Burma and India; and that these Egyptian temple records were copies of the “Seven Sacred Inspired Writings” of the Motherland – Mu.

P287 Lost Continent of Mu

The Vedas were stolen from the Naacal writings and changed by Brahmins to accomplish a diabolical end, and to foist the sublime thoughts on the world as their own writings. The original Vedas are Naacal writings. The Naacals acknowledge ONE Deity only.

P62 The Children of Mu

Osiris was born in Atlantis about 22,000 years ago (20,000BC). He left Atlantis when a young man and went to Mu the Motherland. Here he entered a Naacal College where he remained until he had become a Master and an adept. He then returned to Atlantis where he preached and taught the Sacred Inspired Writings, the first religion of man. He expunged from the Atlantian religion various excesses, extravagancies and misconceptions that had been creeping into the religion of Atlantis.

His teachings were of Love. Love of man for his Heavenly Father. Love of the Heavenly Father for His son man, and the Love of man for all of God’s creations. He taught faith, hope and charity with Love at the head. He taught the way in which man must live here on Earth to carry out the wishes of his Heavenly Father, and to be prepared when his call came to enter the world beyond.

Osiris became the hieratic head of the church of Atlantis which position he held through a long life.

## P173 Books of the Golden Age

Many of teachings in the Jewish religion are directly traceable to the Osirian: as for instance the Ten Commandments. These came out of the 42 questions to be answered to the 42 questionnaires in the Great Hall of Faith. As there were 42 questions involving 42 questionnaires, to monotheise these, the questionnaires had to be eliminated – to eliminate them and still retain the conception, the questions were grouped and turned into commandments. The ultimate end of both are identically the same. If these questionnaires had not been eliminated then only a partial monotheism could have taken place, which would leave a breach open for future diversions. Moses evidently saw this and prepared against it.

## P175 Books of the Golden Age

Moses without question bases his religious laws on the Pure Osirian as taught by Thoth. Take for instance the ten commandments. In the Great Hall of Truth of Osiris there are placed forty-two gods in a row, to ask the soul when it enters this Judgment Hall forty-two questions regarding the life of the material body in which it had dwelt.

Moses took these forty-two questions and in a condensed form made forty-two commands out of them which he condensed to ten commands. This drastic change made by Moses was unquestionably necessary to meet the condition into which his people had fallen. Moses changed nothing in conception, he simply made more emphatic how they must live their lives here on Earth. He applied these laws to the living directly instead of to the dead. The ten commandments, however, are found in the Sacred Inspired Writings of Mu more than 70,000 years ago, only in the form of questions instead of commands.

## P114 Sacred Symbols of Mu

The Negative Confession of Ani details the 42 questions in The Egyptian Book of the Dead by EA Wallis Budge on page 346. The papyrus of Ani dates back 3,500 years. Also in the Egyptian Book of the Dead, (the papyrus of Ani) are elements of the Lords Prayer on page 251. Lawrence Gardner in Genesis of the Grail Kings makes reference to the origins of the Lords Prayer on page 274.

The Lord's Prayer, the greatest work of its kind ever penned or spoken, is to be found in the Sacred Writings of Mu.

## P46 Sacred Symbols of Mu

My old friend, the Rishi, never tired of talking of the Great Master, Jesus. One day he said to me: "The Lord's Prayer, as the Christians call it, is the greatest masterpiece of phraseology and condensation ever written, for it embodies the whole of the ancient religion in a few short paragraphs. Take, for instance, the beginning, 'Our Father which art in Heaven.' In these six words many points in the ancient religion are covered. It first tells us that we are His children; therefore all mankind are brothers and sisters. 'Forgive us our trespasses as we forgive others that trespass against us.' These simple words tell us our duty one to the other, and that we should love one another like brothers and sisters. Again 'Our Father' tells us that we should approach Him as we would our earthly father, with love and confidence. 'Give us this day our daily bread' is another wonderful sentence and far-reaching. It tells us that we should avoid greed and the craving to amass wealth and depend on Him for our daily needs. He will care for us, thus leaving us free to amass spiritual wealth without anxiety about the material."

Another favourite sentence in the Lord's Prayer to comment on was: 'Lead us not into temptation.' This he said, "was unquestionably a mistranslation of the Master's words and, no doubt, was unintentional, arising from careless reading." He went on: "Let us reason it out. In one of the paragraphs it is shown that the Heavenly Father is the All Powerful, for it says: 'For Thine is the Kingdom, the Power and the

Glory.’ Here it is shown that the supposed leader into temptation is the All Powerful. Therefore, being All Powerful, He cannot fail; and who is the All Powerful? Our kindly Heavenly Father whose love is so great it rules the universe. Could He forget His great love and set a trap for a son’s downfall? Impossible!” [It is the Prayer for Divine Love that Jesus taught – not the Lord’s Prayer as most believe.]

“I think the words of the Master, correctly translated, would be: ‘Let us not be led into temptation’; for the in the Sacred Writings we find: ‘O Heavenly Father, let not temptation overtake or surround us. If it does, deliver us from it.’ These are the reasons why I feel that the words of the Great Master have been unintentionally misquoted or mistranslated.”

P50 Sacred Symbols of Mu

It would appear quite remarkable that the teachings of Osiris, Gautama and Jesus should have been so alike in wording. In many cases they are absolutely identical word for word. And in the case of some sentences, it would defy anyone on Earth to say which of these three great masters uttered the words. And yet, when one stops to think, it is not so remarkable because they all preached and explained the first religion of man as told in the Sacred Inspired Writings of Mu, the Motherland.

P160 The Children of Mu

The First Religion: The Sacred Inspired Books were written for the purpose of teaching early man religion; therefore, man’s first religion was the teachings of the Sacred Books. The basis of this religion was Love. Man’s Love for the Heavenly Father and His works. The Divine Love of the Heavenly Father for His son Man.

Every teaching was plain and simple without a particle of theology. The most ignorant could understand every phrase in it. There was nothing of any kind indefinite. It was impossible not to understand it thoroughly. Man was taught to approach the Heavenly Father, not with fear or dread, but with confidence, and above all, Love: as a child would run to its earthly father who is standing with outstretched arms to receive it. Love stood at the head of the 12 great virtues, because Love governs the Universe and the Heavenly Father is The Great Love.

After studying the teachings of these writings, if one were asked, “Where is God’s greatest temple on Earth?” One should answer: “In the heart of man; the perfect temple for the adoration of God; the perfect temple for silent meditation and Love; the temple available at all times and in all places, any hour of the day or night, whether it be in crowded city or desert plain, for the Love and Adoration of the Heavenly and the temple where man can become at one with the Heavenly Father.” Tell me, what other temple can fill its place?

P204 The Children of Mu

**The Divine Love is a love available for the Human soul that, in its cause and effect, actually perfects the personality as it progresses to a greater experience of living in the determination of living in God's Divine Universal harmony. Every personality has the gift of freedom of self-determination to enjoy and extend through life's experiences and it is this gift of freedom and human nature that may prevent one from participating in the freedom and gift of the Divine Love. The Divine Love, once being received is added to one's nature, having being formed on natural love.**

**DIVINE LOVE being AVAILABLE is our SALVATION:**

**DIVINE LOVE is the ultimate high octane super fuel to transform our soul into that which is Divine. Loving in all that we then do. With Divine Love we can progress into the Celestial Heavens, without it we can not. Ask and you will receive.**

**We are created with the substance of that which is not Divine, and that is Natural Love with its various aspects that reflect through our personality.**

The Divine Love is far more powerful than the natural love. If I would have to put a number on how much stronger, just so you can understand what I'm trying to say, I would say 10 or maybe even 100 times. Of course this is purely hypothetical because natural love is only a derivative of Divine Love so it is almost impossible to compare them this way. If you ask for the Divine Love to enter your soul it will be 10 or 100 times more efficient, 10 or 100 times stronger than if you would let the natural love flow through your soul. So it will help to break down "the wall" you've created around your soul 10 or 100 times faster than the natural love would do.

## The First Parents – their family and their language.

January 24th, 2007

I am here, Aman. (The first parents names were Aman and Amon, not Adam and Eve.)

I know you have been curious about our family. A church member once talked about this. You want to know more.

Well, what was discussed was substantially the truth. That is, our physical being was born of natural parents, who in turn had been born of their own parents. No, our bodies were not created instantaneously, as some have thought, but evolved just as all of God's creatures evolved. This aspect of evolution is true, as to our physical bodies.

So, we were both nurtured physically as infants and then children. **But our soul was placed in us when we were already adults.** We thus had no clear memories of our earlier life before that great moment. As soon as we possessed a soul, all of the normal human psychological manifestations appeared.

There were aunts and cousins, parents and grandparents. But they were not human like us – they were really animals, though of the same species. We wandered off from the family, since we could find no way of relating to them at all. How could we? They were incapable of rational thought, speech, or anything human. We knew that forevermore we were apart.

Amon and I came from different families, though connected loosely. They were indeed a primate species of humanoids. But we ourselves were more beautiful than our animal relatives, and we knew, even from our very appearance, that we were marked even by Nature to be different.

I know all this sounds like crazy science fiction, and yet it is all true, and you are channelling my thoughts correctly. Once we became human, our ties were completely severed from our other relatives, and we knew our destiny was to live together, separated from our biological kin.

You are wondering about the language we used. Well, that is an excellent question. How could we use language if our linguistic ability did not evolve from childhood practice, as has been the norm ever since?

Well, the answer is that the Creator provided a special dispensation, in that he made it possible that along with the gift of the soul came another gift of language, that is, an ability to communicate with words our thoughts and feelings. This ability was imparted instantly along with our soul.

We could not explain how we understood each other's words, but we did. Indeed, it was so natural to us, and immediately so, that it never struck us as strange, even though we had never done so before. We had almost no memories of our past, since we were animals before then. So language was as natural as thought, and all the other great gifts that came with the soul.

When we entered the spirit world, gradually a yearning grew in us to regain our original high estate, and when Jesus preached on Earth the New Birth of the soul, we knew intuitively that this was the way our Creator was graciously and lovingly giving us a second chance, as it were, and we took it, with the most profound sense of gratitude and joy. Indeed, these feelings were so intense that we could not articulate them.

For it was like being restored to a fairy kingdom, it seemed so unbelievable. But it was real! We could recover our lost glory! Oh, how wonderful it all was! How eagerly we tried [the experiment](#), and how thrilled we were when it worked!

So we entered the Celestial Heavens, and we considered ourselves the happiest beings in all God's universe. How we bless the Master and the Creator for making real again our long lost past!

**DIVINE LOVE INFLOW**

**8 May 1916**

**So I say to all men, pray and pray and never cease to pray for the inflowing of this love, for there is no limit to its abundance, or the amount which man or spirit can obtain. In the Celestial heavens we spirits continually pray for an increased bestowal, and always our prayers are answered – but always there is more to follow.**

**UNIVERSALITY of the LOVE:**

Should you be open to and communing with our Heavenly Parents, our Mother and Father, no matter who you are and where you are, your desire for Their love will be showered upon you. We do not need to be anywhere in particular or be receiving guidance from any particular person, our relationship with our Heavenly Parents is a very personal one to one communion that can bring about a flow of Their Divine Love into one's soul anytime we desire as often as we desire, anywhere we may be no matter what we may be doing. It is our choice and our free will that only needs to be applied. Embrace and enjoy the Love.

Hi Nanna Beth – 3<sup>rd</sup> Celestial Heaven

note from John

My feelings have been that the Australian Indigenous peoples are also subject to the Default. The Urantia Book suggests that the Default by Adam and Eve was about 38,000 years ago, whereas the Australian Aborigines appear to have become isolated here some 60,000 years or more ago. That suggests that the Default may have been a lot longer ago than what The Urantia Book (TUB) suggests. What timings should we consider for these events and how were the Aborigines impacted by the Default? Similar scenarios may apply with other isolated older cultures also.

Nanna Beth: Everyone on the world since Jesus and Mary's time has been completely bound – conceived into – the full Default and Rebellion. Pre Mary and Jesus, there was isolated pockets of less impact from time to time, not a thorough mixing, but since their time, everyone has been of it.

The Australian Aborigine was isolated from time to time, however enough outside contact was maintained to ensure the genetic transference of the Default affected all communities, and then you must remember there have always been fallen angels and mind spirits working on people from spirit (the angels up until Mary and Jesus). So psychologically and genetically, the effects of the Rebellion and Default have been well dispersed and thoroughly integrated.

And in fact it's been the unseen work of the mind spirits that have done the most damage, as people in spirit have naturally wanted to 'bring their people up to speed on Earth', so even though considered 'primitive', no indigenous peoples were left out of it, particularly as the Caligastias and Daligastias saw to it that everyone was under their control.

And we want you to keep within the parameters set by TUB for the time being. There are reasons for this that are part of the struggle between the Rebellion and Default and the Truth coming to light in opposition to it. James has outlined in his work as it will be for the time being, so there is no reason to go shifting the goal posts of such major pieces of work because they have been 'delivered' (including the Padgett Messages – PM) for very specific reasons.

Writings through James Moncrief

**LUCIFERS and SATANS + POLE SHIFTS**

Saturday, 5 January 2019

James: Following my talk with John I was wondering what the Lucifers and Satans were planning with humanity, and assuming the Pole Shifts happened every so often or something that periodically all but wipes out most of humanity, how did they cope with having to 'rebuild' humanity so many times?

Nanna Beth – 3<sup>rd</sup> Celestial Heaven: It was as you said to John, it wasn't about what each civilisation achieved on Earth, it was building the numbers and keeping them onside in the Mansion Worlds. The Mansion Worlds were where all their power was, the spirits in them weren't subject to periodic Pole Shift eradication. Those who died on Earth pre-Mary and Jesus did have to stay in a 'sleep' state in spirit until the next age begun and they were awakened, however once awakened they were free to live on in the Mansion Worlds. And then with Mary and Jesus' coming that restriction was lifted so everyone who died immediately woke up in the Mansion Worlds.

They wanted to 'build an army' of faithful followers. And they wanted them ready to combat what might happen should the Universal Authorities change their mind about allowing them to pursue their rebellious ways. They believed that once the ascending mortal had pledged themselves to the Rebellion, had given over to it, had been corrupted into it, then it was a done deal, those mortals would forever be for the Lucifers and the Satans (being Lanonandeks) to command. And that using Earth's Mansion Worlds, it might be possible upon reaching a certain number of followers to move out into other areas of the universe, to invite other Lanonandek Daughters and Sons into rebellion with them, along with their associated mortals. And just like any expanding dictatorial force, to move out into the Universe with the desire to conquer it, with the Lucifers taking over from and becoming the 'Mother' and 'Father' of Creation. They were apparently blind to the fact that processes were in place to prevent this sort of thing from happening, or perhaps they believed they'd be able to overcome such restrictions just as they had by rebelling in the first place.

So the Pole Shifts worked in their favour so far as helping people accept the false gods, in that people were suddenly removed from the world, having to give up everything and not at the time of their natural end, with a lot of those spirits being very angry at God or whomever they believed controlled everything by ending their lives on Earth before their time. However as you understand, it's not up to us to determine when we die, yet everyone believes they should get a full life, and when you're enjoying it, relatively speaking, and know of no other alternative such as life in spirit, then you are angry for being so severely interfered with. And a lot of mind spirits still hold in their minds great resentment over how badly God treated them, that God is not loving if He causes such vast and widespread suffering – any suffering and pain – and so He can't be real just like Lucifer says, they then remaining happy in the mind worlds and mind-controlled pain-free lives.

So why not induce humanity to gradually reach the pinnacle of so-called happiness at the end of each cycle, knowing that when their lives abruptly end they'll be very pissed off with God. And thereby making it very easy for such mind spirits to indulge themselves in any of the religions or spiritual systems in the mind Mansion Worlds, and they are full of them. So keep your army in ignorance about God.

James: So the Evil Ones worked within the cataclysmic cycles starting from scratch virtually each time working to build up new followers.

Nanna Beth: Yes, and even though it might seem like a lot of severe setbacks to their plans, really it wasn't as bad had there not been any major disturbance, as humanity would have build itself up to a point of destroying itself, doing what the Shift would do, yet rendering such destruction as the end to life

on the world, which would have been an end to the Evil One's plans as they would have lost Earth altogether. And you might think they'd have been able to prevent humanity from destroying itself, which they might have done, however we'll never know as they never got to see what happened because of the Pole Shift interference. We, humanity, in our rebelliousness, would not have been able to manage our rebellion because we weren't aware of it, that truth being kept from us by Default. So we'd have soon outstayed our welcome on the planet, which is why each so-called advanced society wants to go off-world, developing the technology to abandon the world before they destroy themselves. And of course, knowing there are Pole Shifts, trying to leave the world before them too.

James: But if they couldn't leave the world, why wouldn't they dig deep holes to save themselves?

Nanna Beth: They have done, just like your major governments are, but it won't do them any good, the Shifts have been too severe, the tunnels and caves have been destroyed with people being trapped underground. Only on a small localised level have people survived under ground, weathering the storms only to die when they re-emerge because of the severity of the destruction on the surface. However with your food preservation and more advanced technology, more people would survive this time round, however still far fewer than would be hoped.

There is also great psychological pressure during such times, the stress is enormous, which is not accounted for, you can't prepare for it using your mind systems and techniques. So there are wars and people killing each other, such extreme fear causes all sorts of other problems as those remaining after the Shift vie for power. It takes a lot of united and focused discipline, those who survive quickly sort themselves out into groups, arguments arise as to what to do and who can have what, food and other resources are scarce and fought over, so it's not a happy new start for a lot of people. The more basic native people who survive are better suited, they already living on the subsistence level. And the tribes were hostile to outsiders who just appeared putting more pressure on the scarce resources, so unless those outsiders were able to offer or convince the locals it would be beneficial to take them in, they were soon killed, and often eaten.

With each Shift comes a new planetary vibration, humanity is to evolve in a completely different way during each phase, so those of the old way find it very difficult to suddenly fit in. There's far more to it James than just your physical surroundings suddenly changing, as all you are used to no longer works, your technology is redundant, you are entirely stranded on a world that is new and without anything to help you, as it would be were a Shift to happen now. So for you to plan for it, you can only really do as you would do, live true to your feelings, so afterwards, your feelings are still there and something you can relate to, so looking to them you'd be able to deal with and cope with the change in your physical surroundings. And your feelings would lead you to make whatever adjustments you needed to make, with again the more primitive people being closer to their basic survival feelings coping more easily. But so-called sophisticated mind-based and driven mankind would find it very stressful and very difficult to adjust, because your minds are so much in control and fitted to the society you live in. So to suddenly remove all you rely on for survival, is akin to forcing you into a sudden mental breakdown, which few would be able to cope with. Can you image if suddenly how you function in your modern society ceased to be? The stress of being thrown out into life without any of the support you've grown up in, to have it all stripped away from you in an instant, and even if you were able to live underground retaining a lot of your creature comforts, still, just having to adjust to a world in which you have to think about where and how to do your toilet, let alone everything else, would be very difficult for most.

And then you also have vast sweeping plagues of new bacteria and viruses suddenly being liberated and created by The Change. The microbe level goes into hyper-drive having to create the new micro level of life upon which life for the next age is to grow. The nature spirits and angels inspire such outbreaks of

all sorts of new microbes many of which are designed to destroy much of life that existed before the Shift. So unless you were protected from them by your soul and the angels watching over you, so you'd stand no chance of survival.

And then you have new radiation levels to deal with, new magnetics and other new forces that humanity is not aware of yet, there is far more that makes up life in each age than you understand, all of which basically amounts to that unless it's rock, it's not going to stand much chance of survival, with only very small pockets of life surviving with angelic help. And then from those small pockets, with all the intense influence of these new forces, so mutations occur and new life forms are created. So the creatures and plants continue to evolve, some of the old pre-Shift days, some new. So it's more than just a matter of weathering the storm, waking up a week after it's happened and picking up the pieces and starting all over again, starting to bring back the way of life you knew, because you won't be able to do that as everything will be different with these different forces wanting the surviving humanity to go in other directions, which is why there is little continuity between the ages. You can't relate to how those of other ages lived, just as they'd not be able to relate to how you live, just as it will be different after the next Change.

James: So how would we cope?

Nanna Beth: You'd save seeds and see if they grew in the vibration of the next age, assuming you survived to live in that vibration, each age having its own unique frequency of survival. And if your solar power systems didn't work, so stored data on computers would be useless, so it would be word of mouth and what you knew, your mind being the only 'computer' available. And you'd then be inspired to do whatever it was your soul wanted you to do, just as it does now, and that would lead you with the people you are involved with to work out your new system of living. So you'd use from the old that which you could, and make new based on the limitations of your lives.

James: So really Nanna Beth, as far as making any plans along surviving the Shift lines, the further advanced in your Healing and preferably being Healed, would be the best way to deal with it?

Nanna Beth: Yes, rather than relying solely on your mind. And so if you were to survive, then you'd be guided as to how to prepare, should that be part of what you need to do, and if not, then you'd just adjust through your feelings. Living a feeling-led life, you'd easily make the necessary adjustments compared to that of living with your mind in control. It might be hard to understand, but look at a child, it can cope with virtually any new environment thrust upon it, it doesn't know anything about what is right and wrong so far as what has gone before, whereas adults would find it very difficult. So an adult that is doing their Healing or having done it would be able to adapt and approach the new life like a child would, easily.

For how you are becoming James and what your thoughts are along the lines of how would life be were you living in a community of people all intent on doing their Healing and with some people having completed it, to even a community of Celestial level people on Earth, how you'd live would be very different to how your world is now. You'd mostly reject what your world is offering you, you'd form very different social patterns, very different ways of parenting and relating to children, with those children being free to express themselves completely differently to the children of your current societies, and it wouldn't take long before all levels of your society would change with a continual striving to become more at-one with nature rather than abusing, dominating and controlling it, living within its limitations rather than continually overriding it.

You might choose to have some of what current society offers, electricity and some of the mechanical conveniences. And if you could live without the need to work to make money to survive, no outside government telling you how to be, and with everyone living just to survive, without the need or desire to own land or have your own house because you didn't feel so powerless needing to have such possessions, and with the whole focus on life being to help you express yourself, to talk all your thoughts and feelings out, so bring yourself out, so with a whole loving feeling and attitude toward all you do and all the people you are with, rather than the unloving competitive one you currently have.

So the idea you have in mind for your Sanctuaries are really the starting points for such communities to evolve. And they'd have to start within and being dependent upon the existing systems of government and society with the aim to ween themselves off the limiting parts of such systems introducing new ones to replace them, ones that promote freedom of self-expression rather than the existing sole-destroying ones. And those Sanctuaries would be looking at making vast changes within themselves as agreed upon by their inhabitants, with everyone being an equal part of the whole, all happy to help each other express themselves first, with everything coming next.

The feelings to live this way are innate within you. You desire the freedom to do as you please, and really it's the freedom to express all you feel, rather than the desire to do what your mind wants to do believing what would be good for you, making you feel happy and loved. And one of your systems you call capitalism is flawed because it's about building capital because you believe you need it to survive and you wrongly look to material gain, so really you just want to be free to make all the money you want so you can cut out your little patch and keep everyone else away from it. Then you have a more socialistic feeling, wanting to share and help each other, with communism taking it further yet with its fault being that the government, the elite rulers, make all the rules and the masses have to comply whether they like it or not. But the idea of living communally and everyone working for the common good is sound, but gets used and abused because you are all living untrue. And you have your fascist dictators who selfishly want it all for themselves, saying you have to live according to my likes and dislikes, which is basically how the Evil Ones have controlled humanity from behind the scenes.

Truth, living the same truths that are revealed through your soul as a consequence of living true to your feelings, is the ONLY way for you to live communally together sharing and being truly happy. Because the truth makes you happy, and when you are happy you feel more loving and accepting and no longer wanting to have power over others, feeling you're happy with less and don't need your empire of false power to keep you feeling 'safe and secure', with the truth being your true comforter. So when you feel truly comforted, you feel truly loved, and so are truly loving, as we Celestials are, and until you are fully Healed, you'll keep feeling unloved and without any comfort or inner faith or true security, as you and Marion have been living more true to of late. Your latest comforter being chocolate, you indulge in it because it

Dats VEYVY Nice!!!

God Tier	
Top Tier	
Mid Tier	
Shit Tier	

tastes so good overriding your despair, misery and feeling unloved for the moment you are eating it, this being the sad extent to which you can use your mind to give you any comfort, as your parents deprived all the natural spiritual comfort from your early lives. But then it backfires making you feel sick, fat and uncomfortable, it making you feel again how bad you feel, miserable and unloved, and around you go again.

So people who are fully Healed and living the Truth would feel so happy in themselves, so at-one with nature and the world, not afraid of other people, not relating to each other as you related to your unloving parents, thereby wanting to live in a system that expresses that inner security, happiness and love. So you'd build your world to reflect your inner world, how could you do anything else, and your children would be conceived into the true and comforting world in the womb of the mother and then being born into the world, the womb of the father and mother, as it grows up feeling completely safe and secure, loved and completely free to express all it feels. And that world you'd build, would end up being the complete opposite to the world you are currently living it – a material world and society that expresses the unloving hostile state, which is your inner world. And your children are tortured in the womb, made to feel unloved right from their first moment, are born into more unlovingness, and learn to cope and 'survive' within it, with some people becoming very 'successful' and passing on that ability to their children.

So the world is unloving, whereas you imagine the Sanctuaries would become increasingly loving places, which they would as they grew and evolved to reflect the increasing truth lived by their community members. And those true and loving communities would stand a far better chance of surviving such a cataclysmic Pole Shift than your existing unloving and untrue communities.

James: Thank you Nanna Beth. As usual you've summed up simply all I was thinking about writing a few weeks ago but didn't know whether to put it in a movie or write myself or write with you.

Nanna Beth: You are welcome James, we know it's been simmering in the back of your mind, so we wanted to help you clarify some of those thoughts and give you more direction as it will help you know what to do when the time comes. Talk to you soon, goodbye for now.

## ANCIENT TRANSCRIPTS and GROWTH of HUMANITY

Musings by John

Monday, 7 January 2019

Hello Nanna Beth

The observation is that what we, through the Pascas Papers, have been sharing is premature. That is, are we beginning the introduction of elements of the Great U-Turn and subsequently The Change too early? Are we to wait until an official starting point?

Nanna Beth: It's not a matter of whether you are or are not doing anything at the right or wrong time. You are doing it as you feel to do it, so that is the right time. And then as you progress, you're able to put it into context, so you're able to see that it is still what might be termed, preparation. And to make the point: all life is preparation for what's to come; however in the context of SI (Solid Investment) and introducing the Truths and to answer your next question, yes, there will be an official starting point, as it has also already started with there being this build up to it, which started years ago, and which in the context of the bigger picture means you have already started and are well underway. So possibly what you are trying to say is: is all that you envisage Pascas becoming actually going to happen, or is it all just what you've made up with a little help from your unseen spirit friends? And if it is going to happen, when? Which we can't tell you. You have to live either it starting or it not starting; it progressing or you putting it aside; or it being something entirely different, starting in a different way or ending in a different way. Not much help, am I?

Contrary to that, how do we start to build our team to introduce the Great U-Turn without sharing the Pascas Papers and other introductions?

Nanna Beth: Again it's what you have to wait and see. You see John, if you were meant to you would be doing it. So as you can only do what you are, so you go with that. Any concerns and worries, difficulties, of course, were you wanting to actively do your Healing, you'd use to express more of your inner conflict so as to help you understand why they are such problems, but if you don't want to live that way, then you do what you want to do and that's it.

I can't tell you what to do, when to do it or how to do it. You're to do it, not me. So my answers will avoid those details, focusing more on the feelings side of things, helping you see other basic life principles which help you live a feeling-led life as opposed to the mind one which you are wanting to live.

When you need the help, it will come. You know this, but living it I understand is hard. And as I've told you, you won't have to worry, which I know is also very difficult to understand because there are a million and one things to worry about.

People will come when they are needed. There is NOTHING more important on the world at this time than the Truths being revealed, however as to how they are taken out into the world is to be all very specific and given complete support. If humanity is to receive such Truth, it will, nothing can or will prevent it, only you'll have to wait and see how that is going to happen. So in the meantime, because you are part of helping the Truth come to light through your relationship with James and Marion, so that's what continues to be the focus.

The Truth, as in the Truths to be revealed, is also very specific. You could liken them to being needed to build your house in which you are to safely live, and yet if one of the tiniest truths is left out, your house will be flawed and compromise your safety. And there's a lot of truth being revealed, it's a big house

to be built John. So there needs this time and all that goes on it, to ensure that the required Truths all come to light. And so firstly within Marion and James for their Spirits of Truth, and then slowly moving out through your 'inner circle' and then wherever they are to go after that.

And part of what also needs to keep happening is most of the truth needs to be rejected, because you're still in a truth-rejecting Age. So when the truth-accepting new Age commences, you'll find more people receptive to it. And there's a little way to go before that begins, as the Truth also needs to be initially revealed within the untruth, so in a rejecting environment, which is all that Mary's and Jesus' age is. Which causes you your frustration. You understand the Truths as they are being presented, so can see the value of it, and you want it to go out there so other people will too, all so humanity can start dealing with its problems giving people at least a picture they can work with that's different to the one you've all been trapped in. And a picture of the way out.

However it's not up to you John, nothing you can do will make it happen sooner or later than it will. You are to play your part like we all are, including Marion and James. We're just actors and actresses in our Mother and Father's play of Creation, and things have to happen in a certain way, including the Rebellion and Default, their outworking, and then their eventual end and demise.

What I can tell you is, should it start to happen, it's not going to be a slow affair, it's going to happen very swiftly. And it might not happen how you envisage it happening John, however a vortex of 'happening energy' will be upon you, and everything that you've done up to now will work for you allowing you to deal with it. The whole Avonal Age is going to be intensely dynamic, the world is mired in the slime and yuk of thousands of years of rigid controlling beliefs and the negative behaviour that keeps them in place and which they determine. Nothing changes, despite the advent of certain 'technical advances'. All that really happens are millions upon millions of souls are conceived into the sludge so as to experience having their wills slammed into an unloving wall, and working out how to best cope in a shit system. So, introduce a good shot of light from the Truth, and like a laser cutting away the rotting flesh, the pot is going to be stirred hard and fast. And that's going to happen for the whole Age. A Spiritual Age of 1,000 years, which you can read a little about in TUB (The Urantia Book), is a very dynamic age, a massive injection of spiritual light all centred and coming from the Truth. And so because humanity is so stuck in the darkness of its untruth, the mechanism so rusted up that it barely functions, suddenly it will take off racing ahead, with many parts falling apart as they can't keep up, and with other parts enjoying the thrill of being finally set free.

My experience of 1,000 innovators / inventors showing up in my office between the years 2000 to 2004 demonstrates how our Invisible Friends do draw people to a 'honey pot' so to speak, so I guess we will see something along those lines unfold again so that we bring together a crew or teams to launch onto the world stage.

Nanna Beth: Yes, exactly, that being something of a taste of what to expect, only the people who come will all be willing and able to work with you, so it won't just be an intellectual exercise, it will be all to get things done.

Yes, we presently feel up to being much more pro-active with folks who may become interested in comprehending what has been revealed. And, yes we do feel like getting the show rolling all be it rather slowly as it will be a pathway of discovery as we go.

On the Solid Investment front, it does appear as though Simon's solicitors will make appropriate contact with Crystal and her lawyer once Simon's solicitors know they will and are being paid. Further, the German's appear ready to make tentative contact with Crystal. The Courier with the package appears to know that she will be paid and that instructions are pending. And the Queens Counsel in London is possibly ready for contact from Crystal.

So, what are we waiting for please?

Nanna Beth: You're waiting for the wheel to turn. Things are still slotting into place.

James appears to be fine tuning his understandings. In this he appears to be resolving the linkages of past civilisations with what is unfolding relating to the events now occurring and the Revelations that will be introduced to all of humanity, both in the physical and in spirit.

I have often wondered why it is so that very ancient writings that Dr David R Hawkins has calibrated so highly when one would have considered previously impossible due to the perceived nature of ancient civilisations from which these writings occurred. The Christian writings do not calibrate at all strongly. Why was that possible and what are the ramifications upon the events now unfolding please?

Nanna Beth: The calibrations are based on 'perceived truth'. Is there any, or the potential for, truth within these writings, within the civilisation, within the individual? So on the surface the writings or person might not show such truth, however the calibration shows there's potential for it. And yet that potential might not get realised, it might continue to live dormant. So you can't judge the calibrations by what you see or think you see on the surface.

Some of the calibrations are also influenced by the person undertaking them, in that's how they perceive or wish to perceive such writings being included or deducted from the reading. However as to what extent is hard to say. Ideally you'd need to ask someone, like a young child who has no idea or interest in such things, to see what they calibrated, or someone who is very open and objective without any perceived biases.

Something like A Course in Miracles for example, within it are the seeds of much natural love truth, however to uncover, plant and then nurture those seeds would need someone doing their Healing. Which means, someone who'd be able to pick out all the truth-relevant bits and discard the rest. So the Course has potential, however it's not much good to anyone unless you want to further your untruth; which means, taking the potential truths and corrupting it into your denial. So the Course calibrates relatively highly, however that's not a true indication of how helpful spiritually it might be. As I said, it will spiritually help you move deeper into your Wrongness. And so it is with all these things in your list John, other than James' work, which really shouldn't be included in the list, it being of a different list, that which is resulting from people doing their Healing, and would need other calibration parameters.

So Nicholas calibrates high compared to other work that doesn't include the Divine Love, however as you know yourself from reading his work, it's in potential, he involves and covers a lot of what potentially might be beneficial, yet with that benefit only coming were you doing your

Healing. Otherwise, it calibrates high giving it a high potential for people to use to further their Wrongness by including much of the truths associated with the Divine Love.

So do you see what I'm getting at? In so far as using David's Map for spiritual purposes, it needs to be taken into account as to whether it's to further your spiritual denial or helping you Heal it. So you have these calibrations reflecting relative truth potential, whilst being understood it's all within an anti-truth system. And then another list of calibrations based on the Healing, being down within the Healing or Celestial level.

During the Aquarian cycle of 2,160 years, the vast majority of humanity is anticipated to progress	

Firstly, the calibrations of ancient writings are calibrated on the line of one perfecting their mind without consideration of one's soul healing and the availability of Divine Love. Thus the ancient writings were all leading to the dead end that still left the personality restrained within the mind system of Mansion Worlds 1, 2, 4 and 6 and then having to recognise the Feeling Healing pathway and to return to the first of the healing Mansion Worlds and progress through 3, 5 and 7 before being able to enter the Celestial Heavens with Divine Love having completed their soul healing through Feeling Healing which is now only being introduced to humanity within the physical. Is this not so?

[Nanna Beth: Yes.](#)

Secondly, are all these ancient writings indirectly or directly orchestrated by Lucifer soulmate pair through their deputies to further the Lucifers' personal objectives still taking humanity further away from our Heavenly Parents and our ultimate home in Paradise?

[Nanna Beth: Yes.](#)

Dr David Hawkins observed that the impact upon humanity through the arrival of a bestowal pair in the first century, namely Mary and Jesus, resulted in a profound overall shift in the calibration of humanity. ([Nanna Beth: Which was the unseen and unknown influence of their Spirits of Truth.](#)) The estimated

population number at their time was 300 million. Hawkins' observations reveal that humanity has sat at 190 on the Map of Consciousness scale until the 1980s.

Since the 1980s the calibration for humanity overall has steadily shifted from 190 to 207, then 212, and now at this time (2019) of writing 215. The population for the world is now 8 billion, a 27 fold increase thus depleting the impact of a bestowal pair on the calibration relatively speaking compared to the 1<sup>st</sup> century as against now being the 21<sup>st</sup> century with the planet's huge population. (Nanna Beth: It depletes in the context you are suggesting, however just dealing with the 'truth-potential' it's still relevant.)

Are these 'Map of Consciousness' calibration increases for humanity overall being the direct result of the presence and progression of the bestowal pair?

Nanna Beth: Yes. And will increase rapidly as people embrace the Truths and do, or at least understand, the need to do their Healing.

Has the Harmonic Convergence of the 1980s had anything to do with the increases of the calibrations for humanity?

Nanna Beth: Yes, as in it signifies astronomical (as in what's happening in the stars) change, which is then symbolic of the underling Creational changes (changes of light, both Truth-Light and Mind-Light) being continuously brought about to effect changes in humanity and to the Earth.

“The **Harmonic Convergence** is the name given to one of the world's first globally synchronised meditation events, which occurred on August 16–17, 1987. This event also closely coincided with an exceptional alignment of planets in the [Solar System](#). Although the event had been predicted by author [Tony Shearer](#) in his book *Lord of the Dawn* (1971), the principal organiser of the Harmonic Convergence event was [José Argüelles](#).

“Since the initiation of the Harmonic Convergence, there have been measurable increases in the energy of our planet Earth. After resonating at a base resonant frequency of 8 Hz per second for thousands of years, during which Earth has essentially been asleep, her frequency is now rising. She appears to be rising to a fundamental vibration of 13 cycles per second, and as high as 41 cycles per second, as predicted by the Fibonacci series (mathematical proportions based on the Golden Mean, also called the harmonics of the universe). Accompanying this energy boost is a rapid decrease in the magnetic field that surrounds the planet. Our magnetic field has served us in the past by creating an illusion of separation and protection from energies outside ourselves. It will eventually reach zero when there will be no artificial barriers, so it is essential that we take our power individually and collectively, honoring others and ourselves in the process.”

Nanna Beth: It's not an illusion, it is what it does. And it varies in intensity, becoming weaker and stronger thereby affecting the conditions on Earth.

James, from my perspective, is fine tuning what is to be introduced publicly? This is all very new experiences and is difficult to define and articulate. With what we have to introduce is an enormous volume of information that can only increase. For most this is overwhelming. It is only through a slow

start that what is introduced is refined to the salient points. For those who want to investigate further then they will have a field day!

Everything that I investigated and experienced prior to connecting up with Marion and James all appears now very relevant, as if a second was not off target for what is to unfold. Even the year or so I enjoyed investigating rocks – dimensional stone industry. I do hope that we do not have to chisel all this data onto rock faces to ensure longevity of the revelations!!!

Nanna Beth: James (and Marion) are revealing the truths needed by humanity to enable them to grow spiritually up through the seven Mansion Worlds as they do their Healing. Then once of a Celestial truth they can pick up with Mary and Jesus' Spirits of Truth. So because Marion and James are so heavily focused on the Mansion Worlds, it's more about Natural love, sorting it out and seeing why it's being lived in denial and so in an unloving, an anti Natural love way. This is their focus, so there's a lot of ground to cover, and needing to cover it relatively quickly. James bemoans the fact that it's taking so long to do his Healing, however many spirits spend many years in each of the Mansion Worlds, with only a minority being so focused and determined to approach their Healing and in a way 'fast track it' as Samantha is. She is not the norm, others will dedicate themselves to it, but few will do it so quickly. Most will start now and finish it in spirit, and over there still taking a long time relatively speaking. But time, unless you've got James' problems with having to always finish it off quickly and get to the better future, becomes less relevant as you are content to flow along doing what your soul and God is wanting you to do.

James writing out his confusions is to show in a small way, as he doesn't write it all out, what people might be able to expect, or if they find themselves in a similar situation, that it's okay and to keep going. There needs to be just enough connection for everyone to make personally with Marion and James even if they never meet them. It has to be something they live that everyone in some way can relate to, which is why it's taking them both much longer to do their Healing than it would were they only doing it for themselves.

The Healing is a massive undertaking. You have no real idea what is involved John. Really it's two hundred thousand years of change having to be condensed into the truth of how to conduct that change within a person's lifetime. It's a big ask. And it's going to keep us Celestials fully occupied for the whole Avonal Age.

From our side, with Samantha, one person doing her Healing, already there have been huge spin-offs that we've had to deal with. It doesn't affect her other than help her keep going with her Healing, however behind the scenes you have one person who is growing daily in the highest light vibration that one can grow in, the Light of Truth. This truth-light emanates from her aura. She lives surrounded by a whole nation of people emanating anti-truth, a dark life-destroying light. So what effect does her truth light of ever increasing vibration have on untruth light, and how do we work it with her so as to keep her safe and protected from the untruth? And yet she still has to go out shopping and participate in the world, so what sort of shielding do her angels give her? And then how much of the yuk do they allow to penetrate so as to keep her feeling bad so she can keep bringing to light more truth? And that's just one person.

So imagine what it's going to be like when lots of people start embracing the truth and wanting to do their Healing. And although you can't see all the subtle goings on within the auric level, they are very

real and important and need to be dealt with and attended to properly. So it's a highly ordered U-Turn John, all so as to maximise that which everyone needs to experience. And everyone's experience no matter what level of truth or untruth they are on, needs to be fully supported so they can live it fully.

And so to one day have people living a Celestial level of truth on a world where other people are living the furthest you can from that deep in their untruth, it's simply unheard of John, it's never been done before, so we're all flying by the seat of our pants. And so for me to say don't worry John, it's all going to unfold smoothly, rather than it's going to be so chaotic John and you'd better get out while the going's good, I can only tell you because of how we're all going to help and how it's all to unfold from within the souls of all of us involved.

And as to why you're one of those souls John, well that's just life, it's what you've been created to do, to play your role in it as we all have. It just is how it is, and we might not like it, and we're free to complain about it, wish we weren't or we had someone better or whatever, but that's all really so we can use those feelings to further our advancement of truth. Because the one thing we can all live and know is, as it's all God's Creation, with God doing it all, and with God being perfect, so it will all perfectly happen, the perfect will be perfect, as the imperfect will be perfectly imperfect, and it can't be any other way.

Thank you Nanna Beth and cheers from John.

## DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

## PERSONALITY

**Our soul is the centre of our personality.  
We are children of our Heavenly Parents.  
Our soul manifests a male and  
female personality - it is a duplex!**

We souls are existential, our souls have it all within us, it's a done deal, we are just unfolding in Creation through our personality expression. So our evolution is our growing in truth, the truth already within our soul, with it continually being brought out through our feelings as we live our experiences, thereby 'growing in truth' as we ascend, as we live that truth.

Whereas the angels are experiential, and their soul starts evolving or developing upon their creation. It all being done through their evolving minds. They don't grow in truth like we do, they just grow or evolve in mind. And as they do, the experiences they have individually and then as a created pair, cause the soul of their mind to grow and evolve.

However, those people adhering to the 'Mind Way', as presented by TUB (The Urantia Book), the New Age, and all our religions, is really the angels' way and not ours. So perhaps, that is why TUB has 'mucked it up' because it has to adhere to the Rebellion, which is making us look to the God the Mind, the Infinite Daughter, as the Way to God, when we're to look to God the Truth, the Eternal Son, as the Way to God.

We can't attain Paradise and be with our Heavenly Parents unless we first go through the Eternal Son. We can't do it through and with our minds. That's for the angels to do. So the mind spirits (like most people on Earth and spirit Mansion Worlds), unbeknownst to them, are trying to live like angels, trying to evolve their soul through and with their mind, which can't happen. And if we are like angels going first through the Infinite Daughter on the way to the Mother and Father, then we fall short, never attaining the Son. However as we know, we are so wrong by looking only to our minds, that we can't even get out of the Mansion Worlds, let alone get anywhere near the Infinite Daughter on Paradise.

So our Healing is getting ourselves out of the mind, letting that way go, and coming back to our true selves, which is through our feelings, the truth we are to live from our soul. And once we do that through our Feeling Healing and divine our soul with the Divine Love, then we are free to move to Paradise, up via the Infinite Daughter (with Her and the Divine Minister (and Holy Spirit), nature, nature spirits and the angels' help – all the creations of the Mind), to the Eternal Son and onwards to the Mother and Father. With the Higher descending Paradise Daughters and Sons (Mary and Jesus, Avonal pairs, Trinity Teacher pairs), and local universal descending Daughters and Sons (Lanonandeks, Melchizedeks, etc.), together with our ascending mortal spirit friends (daughters and sons – each other, Nanna Beth, Kevin, etc.), helping us on the feelings and truth side of things.

Note from James Moncrief 4 November 2017

**Feeling Healing with  
Divine Love is the key**

**to enter the  
Celestial Heavens.**

**CREATION of SOUL and SPIRIT:**

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

**Feeling Pathway**

**Mind Pathway**

**Soulmate Pair**

**Angel**

**Spirit Person**

**Nature Spirit**

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.
