DIVINE LOVE DOES NOT DIRECTLY HEAL

Some observations for consideration:

All writings add to the beauty and completion of the guidance provided for humanity. The guidance is far more extensive than we may ever recognise, but recognise we are to do.

In our search for Truth, many simply migrate from one major spiritual publication or platform to another, only to become disenchanted or unsatisfied yet again. This has also occurred with those who have focused upon the Padgett Messages (PM) to the exclusion of all else. You could say that again, some have taken a step forward – they have moved from one book to another! However, they have found the first of the two major revelations, the second coming in the publications of James Moncrief.

When the Padgett Messages were later published as The Book of Truths in chronological order, the world was given a great service. The writings clearly and repeatedly say that there is more to come – and there has been. The chronological publication adds greater clarity to the Messages as against their original publication in collation as subjects.

James Padgett made enormous progress from the positions that society then held, however, there was much more to be revealed by others following on from his great works. When one looks at the mediums, their personalities basically dictate what aspects they are and have been given to write down and share. Try introducing a sponge cake recipe to a motor mechanic, so to speak. Interestingly are the exclusion of writings and the inclusion of writings considered by many of us.

The fact is that there are TWO major revelations now been given to humanity, not just the awareness of Divine Love. 'Speaking with Mary Magdalene and Jesus' via James Moncrief is a four volume works written between 2013 and 2014. This completes the revelations for these past 101 years. The second major revelation is the Feeling Healing process.

Those who are exclusively asking for and receiving Divine Love without working on their emotional injuries, particularly those from our childhood forming years, are not necessarily progressing in love.

Love and blessings to you,

The New Way: Learning how to live true to ourselves by living true to our feelings.

The power of ego can subvert the process of growing the soul in Divine Love

Received by W.V., Antwerp

2 October 2017

I am here, John.

My dear friend, I am glad you have accepted my request to write down this message.

Ego has much more power than people truly understand and we cannot repeat it often enough. We can ask for as much Love as we want, if we do not work on our ego's we will never be free of worries and darkness. Love helps us to get rid of ego but, as with everything in life, there is the other side of the story (of duality) that ego blocks us from receiving love (even Divine Love) or acting with love. Some people will not accept this because it is not in accord with what they believe (or want) but it is true.

When people don't want to believe truth there is always an underlying reason: that ego wants to preserve itself. Everybody wants to be loved and for that we are willing to do whatever we need; even becoming something or someone we do not want to be. And the most difficult thing to accept of this process, is accepting the fact we choose to become this way by using our free will.

So, if we want to get rid of our ego, we have to accept we (ourselves) are the reason why we are who we are at this moment. Since we all only want to be love, it is hard to accept we have become someone we did not want to become. However, the only way to ever reach the Celestial heavens is by daring to be vulnerable; by tearing down all the walls and layers ego has built around our soul; by understanding we are always in full control.

And, yes, Divine Love can help us with this but it will not do it for us. There is no easy way out or around it and no magical formula. Only when we come to understand this truth, real progress will start. It is inherent in our nature to look for the easy way out; to try and skip some "levels": to maximize gains with minimum effort or energy loss. But many are starting to understand this path leads nowhere. Believing that asking for the Divine Love is all we need to do to reach the Celestial Heavens will get us as far as believing the blood of Jesus washes away all our sin.

Divine Love is all we'll ever need. It is the key to freedom, God and eternity. But without submission of our egos and it's free will, it will not get us to the place we want to be.

(Question.)

Yes, that is true and this may upset some people, but truth always will. Love will stir up ego in its attempt to shine light upon it and ego will always fight back to keep itself alive. And again the true power of ego and free will is shown. Divine Love will not interfere with it. It will only steer people in the right direction to help accept the truth but it will not force it upon us. And the only way to find out the truth is by testing it and doing something with it while staying objective and not let our ego and it's preconceived ideas keep us from trying.

There is a path that leads to the Celestial heavens but no one can skip the necessary (minimum) amount of steps that need to be taken. Anybody can add as many extras as they want and take as much time as they need but no one can skip any primary step. As we cannot open the lock of a safe by skipping some symbols of the code (because we believe we can) we cannot unlock the doors of heaven by skipping primary steps just because we believe we can. This is a truth we all have to accept when we want to reach our goals, no exceptions made.

It will not be easy (from an ego perspective) because it means we will have to do and accept things our egos do not want to accept or do. And therefore we will gladly accept and believe there is an easier way out.

But we need to understand this is a normal reaction. If you look at the child witnessing something “unloving”, its intuitive reaction will be to look away. If a monster shows up on TV the child will cover its eyes with a nearby object at hand, mostly a pillow. Well, it is that same process that triggers us to “cover our eyes” when life wants to show us something about our egos that is not in compliance with the love. And the reason is we all just want to be loved.

Looking at our egos is one of the hardest things to do. But whatever heaven we want to reach, we will have to deal with it, sooner or later. The Divine Love will take us to the most illuminated places but not without visiting the darkest ones within us because they need to be filled with Light too.

So you see, knowledge without action leads nowhere. If knowledge is gained it needs to be shared and put into action otherwise progress will stagnate and new knowledge cannot manifest because the next layer cannot be built if there is no solid foundation to build it upon.

And so it is with Divine Love; if the proper foundation is not there, no extra Divine Love will be received no matter how much we ask for it. If we do not submit our egos to our souls, by trying to keep our egos intact, we are not being truthful in our asking for Divine Love so we will not receive more because not all conditions to receive the Divine Love are met.

I see you are getting tired now so I am going to stop here. I am glad you took the time to write down some of my thoughts. Please share them.

Your friend and guide, John.

(Apostle John)

To liberate one’s real self, one’s will, being one’s soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we’re feeling them, express them fully, all whilst longing for the truth they are to show us.

Release one’s pain through expressing one’s feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

DIVINE LOVE ASSISTS WITH DISSOLVING UNLOVING TENDENCIES:

For man to be at-one with the (Mother and) Father, (our Heavenly Parents,) man must become love; that is, his soul must be filled or permeated with this Love, the Divine Love, to such an extent, that it will become impossible for anything that is not of love to be or remain part of his soul.

Paul 20 August 1915

But let men know that even while on Earth they can obtain this inflowing of the Holy Spirit in their hearts to such an extent that sin and error will be entirely eradicated.

There is only one thing that saves one from their sins and makes them at-one with the Father, and that is the inflowing of the Divine Love into their souls. As this Divine Love fills their souls, all sin and error must disappear.

Of course this is a relative matter, for it depends upon how much of this Divine Love is in their souls to determine how much of sin or error exists. The more of the Divine Love, the less of sin, and on the contrary, the more of sin the less of the Divine Love. But, I want to say with all the emphasis that I am capable of, that it is possible for a human being to obtain such a quantity of this Divine Love in his soul that sin will be entirely eradicated. This was the doctrine taught by Jesus, and this is the truth of God's law of Love.

The foundation truth is that the Divine Love of the Father can clear our souls from all sins, and make us perfect, to the extent that we receive that Love into our souls.

It is the Holy Spirit which conveys God's Love to man and manifests its workings in a real and irresistible manner and with this Love we are enabled to become over-comers and inheritors of immortality and homes in the Celestial heavens.

Paul 31 August 1915

Where love is there can be no sin or unhappiness, and fear is not.

We, who live in the Celestial Spheres, know this to be a fact, and with all the force and authority that knowledge gives, we declare this truth: the love that casts out all fear is the Divine Love of the Father, and when a spirit or human being obtains that, there exists no such thing as fear, and nothing that could create or permit fear to exist.

God wants the souls of men in love and not in fear, and the only way in which such end can be accomplished is for men to see and know Him as a God of Love only. No man can come to the (Mother and) Father except through this New Birth and faith in the Their Love (and through Feeling Healing).

Andrew 17 September 1915

It is the Divine Love whilst engage in one's Feeling Healing and longing for the truth of one's feelings that slowly but permanently eradicates harmful attitudes, beliefs and practices that one may have gathered along their journey of living. It is only with this Love that erroneous ways are expunged from one's nature and character. This is the great gift to humanity that few are aware of.

Note: Prior to the writings of James Moncrief, one could consider that any reference to the Father may be read as a reference to 'our Mother and Father'. Further, when considering matters pertaining to soul healing, then reference to Divine Love could be considered as 'Feeling Healing with Divine Love'.

REVELATIONS

Revelation 1: Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively feel into our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

Revelation 2: We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

Immortality with the Love.

ZELMAR explaining the EGO and its relationship to DIVINE LOVE:

Thursday, 19 October 2017: James: Zelmar, in light of what John has sent me concerning the ego and problems it presents to us limiting the effects of the Divine Love, could you please explain how it works.

Zelmar: From your first moment of conception you, the personality expression of your soul, is 'enveloped' in the mind circuitry of the Divine Minister of Nebadon. She, the Local Universal Mind Mother Spirit, cradles every mind, nurturing it in accordance with the needs of the soul of that personality. So She effectively, as reported in The Urantia Book, 'loans' Her mind circuits to you as part of your growth and development. And as you ascend or transcend each mind level, so She 'loans' more of Her mind to you. And when you no longer need the services of Her mind, when you leave Nebadon, then you 'give back to Her the mind circuits loaned to you, adopting the higher Universal Mind of the Infinite Daughter Mind Spirit.

What this all means is, when you start life, your mind is 'laid down' according to the mind circuits of the Divine Minister, meaning, if you are parented truly and lovingly, your mind will develop truly and lovingly as it progresses through each state of mind development. And this is all 'held in place' by your will. So your will engages with each stage of mind development, keeping your developed mind true to its development.

If you are negatively or unlovingly influenced through your mind development, like what has happened to you all on Earth, then your mind develops corrupting the mind circuits at each stage of their development. And your will maintains this corruption.

And these mental circuits are very complex, including all the psychology that you, James, are bringing to light as you rectify your mind circuit corruption. And the interference is mainly brought about by your parents, and then immediate carers, but also the overall family and social environment you grow up in. And it's the soul that dictates which genes are activated on all levels, not just the physical, but on the spiritual level as well, something few people acknowledge, in keeping with the levels of corruption that your mind is evolving.

At each stage of your minds development, be it loving or with it being corrupted, feelings occur in response to what is taking place, and when, in your cases, your mind is turned against your true self – how you should be loved and parented so as to develop a true mind, then you experience bad feelings, which come up to alert those people caring for you that something is wrong which they need to address – altering their behaviour to make you not feel bad. However as those people interfering with you don't understand your bad feelings, because they are not of the truth and so love to do so, they then counter such feelings by forcing you to 'stop feeling them', making you suppress them and then keep them repressed. They make you then, not only use your will to turn against yourself and so maintain your corrupt mind, but also use it to keep your bad feelings about it repressed, all so you can then keep using your mind to maintain this ever increasing unloving state. So progressively you evolve turning against yourself, so being unloving to yourself, which then means you're also unloving to everyone else – which is your negative or rebellious state of mind, all of which is strongly kept in place by your will.

And so you attain adulthood with your false mind as it were, being kept in place by the full strength of your will, your will being said to have been 'broken' or turned against you, which in that sense is true.

It is then your whole minds structure that is false, untrue, wrong, evil and rebellious, all being kept in place by default, as that's how it happened to you through your childhood, with your mind being composed of all your erroneous beliefs and subsequent supporting negative or unloving behaviour. This

being what is often termed your ego, suggesting that some part of your mind is errant and untrue, and causing problems and limitations for you in your spiritual development and progress as a person (a personality being expressed in Creation), however it's your whole mind that is wrong, all of you so far as what you can relate to, including your physical and spirit bodies and all their interconnecting experiential systems. For really all of that is of your mind, all what the Divine Minister is providing for you. And it includes your feelings and their associated emotions, they being yet another part of your mind. And anything else, like all psychic functions, with nearly all that is what you're aware of consciously and unconsciously, being attributes of your mind.

And what is not your mind, is any truth. And the Truth becomes the real you, an expression of who you really are, it becomes your foundation upon which you express your mind. However starting off in a world that is truth-denying, your mind has been corrupted to go against any natural truth revelation that would have come to you once your Indwelling Spirit arrived in your mind. So you live with your wayward and rebellious mind in control of you, in control of many of your feelings, and denying you the chance to grow spiritually from truth that would naturally come about from those feelings were you truly loving. And your will maintains it all.

Then you get to a point in your life when you want to stop being false, wrong, evil, untrue – unloving. You realise you are not right, and something needs to be done about it. Yet what to do? And now you understand about doing your Feeling Healing or your Soul Healing with the Divine Love.

And what this means is, once you start longing to be true, and that means, really wanting to stop being false and wrong, your soul will set about providing experiences for you that will generate certain feelings which you can express whilst longing to know the truth of why you're feeling them. And when you do this, you start to short circuit the patterns of your corrupt mind. But it's hard to do, to submit to your bad feelings in particular, because you have to long with an equal amount of will – at least, if not more – to want to change the corrupted mind circuits – as shown by your wrong beliefs and behaviours.

And so as you look to your feelings for the truth they are to show you. And when you fully embrace them, express them, bring them to light, the truth that results will show you where you are going wrong, meaning, how wrongly and unlovingly you were parented – what happened through your childhood to turn you against yourself. And painstakingly you'll be taken back through each of your corrupt mind circuits, orchestrated by the Divine Minister who is in control of your mind. And when you express all the pain and see all the resulting truth of your wrongness, then the Divine Minister will affect a change – healing – in you. She will alter (and often progressively in stages reflective of the stages the corruption occurred) changes in you gradually bringing your mind into a true and perfect state, that which you would have been in had you been parented lovingly and by other true and perfect minds. So your mind adjusts, meaning, all of you, on all levels, adjusts, including your will, willing into being these adjustments and ultimately the complete 'new' you. This giving you the feeling like you're starting over, like you've been Born Anew or Born Again, because your mind is now free of such corruption, and your will is willing your perfect mind, the whole perfect you, into Creation, with the resultant feelings being all good ones. Because you feel true, and know that you are, and are very happy about it, feeling fully loving and loved.

So it's the Divine Minister who affects all the necessary changes in your mind on all levels, from the physical to the spiritual, with such ongoing changes, initially as your mind develops its corruption, and then as your Healing heals it, being done through your angels. Your angels are constantly at work adjusting and manipulating your whole system, so, on all levels, in accordance with the needs of your soul – which is what God wants. So during your Healing when you suddenly feel a pain in your leg seemingly for no reason, it's coming about by your angels manipulating your inner systems so as to

create the pain in you for the reasons of truth that will be brought to light as you express that pain, and at the same time as a reflection of your mind changing.

So you become progressively evil as you grow up developing your corrupt mind, with everyone outworking such corruption in their own unique ways, just as will everyone then do their Healing undoing the corruption following their own unique path.

Where the Divine Love comes into all of this, is that once the Indwelling Spirit has arrived, the mind is prepared to receive the ministrations from the non-personality mind circuit called the Holy Spirit. It means the soul is then ready to receive God's Love. And what this then means, is when you long to God yearning sincerely for God to love you, asking God to please fill your soul with Their Divine Love (as you James relate to God as both your Heavenly Mother and Father), then such genuine longing, and provided the Divine Love has been made available to be received, which it has by Mary Magdalene and Jesus coming to Earth, the Divine Minister will respond causing the Holy Spirit mind circuit that's responsible for delivering the Divine Love into your soul, to act. And so you will receive the required amount of Divine Love as determined by your soul and in acknowledgement with the Divine Minister from the Holy Spirit. And as you receive the Divine Love, so it works upon the perfect parts of your soul to affect an even deeper change in them, that being, transforming them from Natural love perfection into Divine Love perfection, progressively making you divine.

The Divine Love of itself does not remove all sin and error from you. You have to want to do that for yourself through your Feeling Healing whilst also longing for the Divine Love, which you call James, your Soul Healing. So as your mind unwinds its corruption and your mental circuits become true, and you become progressively truer and purer in your Natural love, so the Divine Love will act to transform such love. And this is all done in accordance with the needs of your soul.

You can't know how much Divine Love you are receiving at any one time, and how much of you can be transformed; and you can even receive the Divine Love and it may seem to remain dormant within you, but really there is no time on the soul level, so you can't relate to your transformation with the Divine Love in such lineal terms. So you might long and feel you have received a lot of Divine Love, which might be true, and then you don't feel you are receiving anymore for years, whilst you progress with your Healing, and yet with each step, each mind circuit that is healed, so it will be transformed.

The best thing you can do, as with it all, is long for the Divine Love as you feel to, knowing that it will transform those parts of your soul when your personality becomes true, expressing its Natural love. And as you have no say in the transformation, you can just know that it's happening, whilst you keep going attending to your feelings, longing for the truth they are to give rise to within you.

So again, the Divine Love won't inspire you to long for more of it, it doesn't do anything to make you progress in your Healing. It only acts when it can on the Natural love circuits in accordance with your souls evolution of truth.

However what the Divine Love also does, is it helps develop and so evolve your relationship with God. It is God loving you, it's God's Love coming into you, and the more Divine Love you receive that transforms your soul, so the stronger your feeling of love for God will grow, as will your feeling and knowing the truth that God loves you. Your relationship with your Heavenly Mother and Father will grow forevermore, to the Celestial spheres and onto Paradise and beyond, because of Their Divine Love in your soul; whereas by doing only your Feeling Healing, you will attain a perfect state of Natural love when you've finished your Healing, however your relationship with God will be severely limited to that of only the Mansion Worlds.

The doing of your Healing, which is really wanting to be True, and the partaking of the Divine Love, are two different things. And you have to want both to be as fully spiritual as you can be. So you can long for the Truth, and you can long for the Divine Love. And you understand, that because you have started life in Creation in an unloving state, then you are first longing for the truth of that unloving state, you must want to understand every part of it: Why it happened to you, how it did, and how you took it on, and how you are undoing all the damage done to you. And when you are Healed, with the Divine Love having transformed your soul equal to the state of Celestial truth, fusion with your Indwelling Spirit can then occur, you becoming a Celestial spirit, either in the first Celestial sphere or on Earth if you're still there, free to live a Divine Love life of perfection as you continue your ascent of truth to Paradise.

James: Thank you Zelmar.

Zelmar: It's my pleasure James. Should you need me again, please ask.

James: Nanna Beth – can you put it in your words please?

Nanna Beth: Our unloving parental influences turn our mind against our true feeling self, this causing us all the trauma, pain and suffering we live from conception right through to the end of our lives and on into spirit until we do our Healing.

Our Healing is working back through all our wrongness as we come to terms with it by looking to our feelings for the truth contained within them. It all being driven by our will; both our induction into our going against the truth of ourselves, and our Healing of it. The so-called free will we have, is the freedom of our will to be used against ourselves; the freedom to heal and change that damage; and then the freedom to live as truly loving people or spirits.

So you live with your mind in control of your feelings, when it's to be the other way round. Our feelings are to lead with our mind helping us to maintain such leadership. Our mind is also to help us put the truth into perspective that comes from our feelings, we're not to use our mind to build up our anti-truth beliefs and behaviours going against the truth of ourselves. However this is what we all do and have done through our early lives, and so this is what our Healing will change.

And then along the way we can long for and receive God's Divine Love, which is necessary to do should you want to progress out of the Mansion Worlds and into the higher Celestial spheres.

You are conceived onto an untrue and unloving world, and at some point have to want to become true and loving. And doing your Healing is the only way.

Zelmar and I have said the same thing, he only being more technical about it, which will appeal to some people, yet not so much to others. And we're all to work it out for ourselves, so we can Heal ourselves.

James: Thank you Nanna Beth.

Note: Zelmar is one of the personalities within the seven Melchizedek soulmate pairs overseeing the End Times and Handover. Nanna Beth is from the third Celestial Heaven and is the spokes personality of what is referred to as the Council of Elders.

MIND IMPRISONMENT or FEELING LIBERATED?

Our parents indoctrinated us into believing our minds were all powerful, that the way to experience life is to be mind dominated and to put our feelings aside, well, actually obliterate them with suppression. This is how we also mould our children into being our ‘little me’s’, only to be taking them away from being their true selves.

Through our suppressive, misguided, incapable minds, we live. With these same minds we suppress our children’s true personalities. In this endeavour we are all evil. We are preventing our children from being the personality that they all are. That personality having been given to them, by their true Parents, being that incredible soul, Mother and Father. Like our children, we are to fully and truly express our God given personality through our soul based feelings. It is through our feelings that we are to live. We are to engage with our feelings, and it is through our mind that we are to express our feelings. Not the other way round!

Engaging with our heart felt feelings is so liberating. It is also so much an easier way of life. Mind control is tiresome, let alone erroneous and corrupt.

By engaging with one’s feelings and allowing them to be expressed is ever so more powerful than our clumsy mechanical mind – come brain!

Allow your true self to be liberated. Allow your feelings to flow and shine. Allow your life to flow with the beauty and truth of one’s soul based all loving and perfect feelings. Allow yourself to simply engage with will that our Heavenly Parents have given each of us, and be the true personality that we are all to express and be.

We can achieve this through the retraining of our mind. This is achieved through engaging with one’s Feeling Healing process. It is not easy, in fact is extremely difficult. Our mind is to be subservient to our feelings. We are not to continue how generations upon generations have lived and suffered for the past 200,000 years.

Embrace the freedom and liberation.

The SECOND COMING:**31 May 1914 and ongoing**

The James Padgett Messages as published in four volumes as ‘True Gospel Revealed Anew by Jesus’ heralded the commencement of guidance that has spanned 101 years – and continues.

The reading of the four volumes, due to the way the subject material is grouped, provided no clear indication that more guidance was to come. The publication of the Padgett Messages in chronological order clearly points out that the writings were far from completed. Meanwhile many readers embraced the Padgett Messages to the exclusion of all else.

Dr Daniel Samuels’ writings, some 40 years after Padgett, are a profound set of teachings. Samuels, being focused upon the old scriptures within his writings, also achieved extensive clarifications relating to the New Testament. Samuels’ works are generally ignored by Padgett enthusiasts. Publications of Samuels works are difficult to locate, even though the original writings are kept with Padgett’s original writings.

Hans Radax’ writings from Judas of Kerioth, a further 40 years on, complete addressing the issues required to be addressed relating to the errors and missing teachings of the New Testament. The completion of the Padgett Messages is addressed in The Divine Universe through Nicholas Arnold. Several further works have been published with a growth in the platform of the prior writings.

What is evident throughout all of these works is that aspects of the teachings were and are aligned with the characteristics of the writers.

‘The Prayer for Divine Love’ given to Padgett on the 2 December 1916 is a primary prayer that one may consider should they have no other prayers for the asking for the Divine Love. The Prayer for Divine Love refers to our ‘False Teachers’. Our false teachers are our parents! For humanity to evolve in love, the breaking of cycle of generation after generation to evolve in love, the cleansing of injuries and errors of belief are best to be addressed before children become parents.

‘Speaking with Mary Magdalene and Jesus’ guidance through James Moncrief completes the second coming revelations. Throughout these some 10,000 pages of teachings, over the 101 years, there are two key revelations. The most important is that we need to embrace our emotions and allow them to be released from our soul, our humanness errors and injuries. We are to embrace a process of Feeling Healing. The second is that we can long for, ask for and receive Divine Love. The Divine Love strengthens our resolve to clear away the damage caused to our soul by our parents during our forming years. The Divine Love does not clear us of our injuries and errors and evilness, this we must do for our selves. Thus, we have been given two revelations. Live our life through our feelings is the first and most important, and the second is that Divine Love is available to us should we so long for it.

Feeling Healing can be also Soul Healing with Divine Love. James Moncrief has outlined the process of Feeling Healing, Dr David Hawkins has demonstrated a not so helpful process being ‘Letting Go’, and Brandon Bays has given the world the ‘Journey Process’, and also ‘Journey for Kids’.

No one can embrace the guidance of the Second Coming without embracing all of these aspects of loving teaching and guidance given to all of humanity by our Celestial Friends led by Jesus and Mary.

<p>The New Way: Learning how to live true to ourselves by living true to our feelings.</p>

DIVINE LOVE without embracing FEELING HEALING:

Once you receive the Divine Love throughout any stage in your healing, it's as if you can't go back on yourself, even should you want to stop doing your healing and return to your former life. Your progress, is, if you like, 'locked in'.

And what about for those people longing for the Love and not doing their healing?

They are merely receiving and so accumulating the Love for when they do start their healing and start to grow consciously in truth. When one consciously embraces using one's feelings to uncover the truth of oneself, and so begins one's healing process, then one is fully consciously growing in truth, which is a vastly different way of being than just doing a bit of healing and uncovering a bit of truth by default, without really knowing what you're doing, so without your will fully engaged and focused in the healing truth-seeking process. And such people can have experiences and a small awareness that they are growing in truth, but nothing compared to what they will experience when they are doing their healing through their ongoing feeling acceptance. That is a whole different level of life. And that is 'real' or true soul growth of truth. That is fully embracing your ascension of truth to Paradise, whereas doing a little bit of healing through self-examination or some form of therapy or spiritual work, which may even come about as a result of consciously longing for the Divine Love, is not anything like embracing 'Feeling Healing'.

Feeling Healing is living allowing your feelings to lead and guide you in your growth of truth, it being how one is meant to live. And it's evolving yourself out of the evilness and anti-truth that you're in. It's a completely different way of life, and one that as yet hasn't been embraced on Earth. The Feeling Healing brings about inner changes in your personality structure of mind, will and feelings that come from your soul, so you, as a whole person, do change as you progress in your healing. Changing to reflect the growing truth that you are. And so when you partake of the Divine Love, inner changes do occur, more in keeping with what Jesus told James Padgett, but only and all because you are doing your healing, which means, you are striving to live true to yourself.

All those people who are still receiving the Divine Love or believing they are growing in truth, and are not doing their healing, are not having the same relationship with the Mother and Father as those people doing their Feeling Healing are, as they are still only wanting to further their rebellious mind and will, which of course they can do. So such people can currently receive the Divine Love, but it won't affect their soul until they do their Soul-Healing (Feeling Healing with the Divine Love). So the Divine Love lies sort of dormant within their soul, waiting for that time. So one's relationship with the Divine Love and givers of such Love, is different to those people. And it's vastly different for those people doing their Feeling Healing, because they are wanting to end their evilness by becoming true to it, whereas for those people not embracing Feeling Healing, they are still wanting to further it by living increasingly untrue to themselves. And so you can't compare the two ways of being.

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

The CHOICE is OURS to MAKE:

Celestial Truth:

Truly all-loving;
 Living true to oneself;
 Mind supporting Feelings;
 Living with the Divine Love;
 Fully Healed of the Rebellion and Default.

THE FEELING WAY

Feeling – Ascendance
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

THE MIND WAY

Mind – Transcendence
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,
 atheists, no spiritual interest,
 Living the Rebellion and Default.

Hell:
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

FEELING HEALING and the EFFECTIVENESS of EMOTIONAL PROCESSING:

Hi James and Nanna Beth (questions in blue by John)

Thursday, 13 July 2017

The question to address is:

What is different with the outlines of the Feeling Healing process as against the numerous other emotional processing methods?

Nanna Beth: The difference is the focus on the truth: uncovering the truth of yourself through your feelings – uncovering the truth of your feelings. It's a rebellion against the Truth, so if one doesn't want the truth, nothing will happen, one will only move deeper into one's rebellion against it.

And because the focus is on the Truth, so one can use it all the way to uncover the Whole Truth of Oneself. And there is nothing else teaching that.

All the other systems that involve looking to feelings to some degree fail to understand the deeper significance of wanting the Truth. Many people uncover some truth of themselves through their feelings, but mostly they end the process because they don't want to follow it right the way through, which means they only want to heal some momentary pain, and once that is done, are usually happy to continue on in their untrue state.

And because one is wanting to uncover the whole truth of oneself, then it becomes a full spiritual experience, and one that can be done by oneself, so without needing help from another, although at times help is sought and used. So the Feeling Healing embraces Healing the whole seven Mansion Worlds worth of self- and feeling-denial, which is the complete Rebellion and Default. Other systems might only work at some aspect of it, limiting the ascent of truth through all the Mansion Worlds.

And basically no one understands the absolute depth of the problem within themselves, which is only borne out by people and spirits doing their whole Healing. Much of the current psychological understanding falls well short of understanding the depths that are involved because they don't include the overall problems brought about by the Rebellion and Default. You have to understand you are rebelling against yourself: the truth of yourself, and so against your own soul; which is then the truth of God, so the Mother and Father; and that also includes the truth of Mary and Jesus. So at some point you have to rectify all those relationships, which you can't do unless you understand the bigger spiritual picture. And so that's what James has revealed, taking all Marion has said, all the books offer, adding his own stuff, and putting it all together as a way of life, a spirituality that can be lived, and one that initially focuses on Healing oneself of all one's wrongness.

Why have all other methods of releasing and delving into emotions not been successful?

Nanna Beth: Because they don't understand the scope of the problem, as I said above. They are not approaching it from the point of view of understanding the nature of one's Repressed Childhood state, the extent of that; and then how one needs to allow oneself to feel all the bad feelings, not reject them; and then bring them out, which is the releasing of them; all whilst wanting to know the truth of them – the truth of what you are feeling. And that truth is what needs to come up within you so you can heal your will and become a truly functioning person, fully self-expressive, self-loving, and growing continually in truth.

All the other systems work within the control of the mind, so once the therapy ends, the mind regains control albeit in a different way. Only the Feeling Healing and Soul Healing with the Divine Love, seeks to entirely break the control of the mind over one's feelings.

Why haven't other methods been going deep enough?

Because people are basically afraid to push into such early childhood trauma without understanding where they are going or what it's all about. The leap of faith is too great, as it would mean they would have to rise above and conquer the Rebellion and Default within themselves, and that's simply too much to ask. The negative truth-denying systems within everyone are too deeply entrenched.

However the spiritual structure outlined by James provides a structure that allows you to deal with the Rebellion and Default, allowing you to maintain your faith, and evolve it, as you progress in your growth of truth – it gives one a picture to work with. Very few people, and possibly only Marion in fact, are able to press on into such dark depths without any structure and with only a faith that it's what she and God want to do.

I (Beth) couldn't have done it Marion's way John, I wouldn't have allowed myself to feel such pain, I needed to understand the bigger-picture reasons as to why I was in such pain, and be given the understanding that if I kept at it, one day it would end. Marion doesn't know it will end, she just keeps going one bad feeling at a time, which requires a tremendous amount of faith and over so many years and through so many inner obstacles; and still she doesn't know if it will end, but as she says, there is nothing else she can do other than keep going because she tried everything else. And she doesn't want to let her mind come in, only wanting to stay true to her feelings, so she doesn't want to know about the bigger picture even though she has worked it out along the way for herself and for James to understand which he's worked into his books.

So the spiritual aspect or approach James has provided, even if it's not actually talked about; the simplicity of honouring your feelings, and in particular your bad ones, then by accepting them you allow them to have their say, so you express them, all whilst longing for the truth, includes all one needs to know. And so by doing that, one will be able to fully Heal themselves working it out along the way for themselves; and even if they don't understand it, will be living the highest truest spiritual life one can live in one's wrongness, which in time will lead to one's Healing of one's rebellion and default.

On the surface of it, what James has related seems overly simple, but doing it yourself, and see what happens and what results; and that will take one deep into oneself uncovering the whole truth of oneself.

Many will consider that what they have been doing is adequate – why are they wrong in their understandings?

Nanna Beth: Because they don't understand what it's really all about. They don't understand the mind is in control of their true feelings, and that needs to be stopped. They don't understand the significance of their rebellion against the Truth, and how that happened by default. They don't understand that it's about uncovering the whole truth of yourself through your feelings, all your feelings, but focusing to begin with on your bad ones because they are what most people don't want to see. Everyone else sees it that they are doing this feeling type healing to make themselves better, to rid themselves of their pain and trauma, so instead of taking a pill to take the pain away, they are using some sort of emotional clearing system. But that is all still to take the pain away, to fix themselves, to heal themselves, to effectively take a pill so it all goes away, just like what the 'Divine Love people' hope the Divine Love will do for them, but it's not to uncover the whole truth of themselves. We have to see the truth of our

pain, why we're in it, how it all came about, so what really went on in all our early relationships. It's not about doing anything that just takes all our suffering away. We have suffered for valid reasons, which all have to come to light. And so only emotional and feeling accepting systems to help one see such truth of one's pain and suffering are of any worth. And unless you uncover the whole truth of yourself, you'll never set yourself free of your rebellion and default, of all your soul pain. And the truth means to see the whole truth of why you feel unloved, how unloving your early relationships were, why you don't love yourself, why you are unloving, why you are evil and wrong, which basically no one wants to face.

So to summarise: We all have to see the truth of our unlovingness. We can't avoid it – deny it. We have to face it and feel all it makes us feel. And all those bad feelings lead us into the truth of it. So we have to understand – bring to light through our feelings – all the truth of our unloved, negative, evil, wrong state. And then once we've done that, we can be free of it. So until you uncover and feel the whole truth of it, it will never leave you, you'll remain in rebellion against yourself, you'll continue to be unloving.

Firstly, consider discovering the truth of your emotional pain and injuries through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

JAMES PADGETT MONCRIEF REVELATIONS 1 Commenced 1914
2 Completed 2014

REVELATION 1 Divine Love addresses the issues of the Rebellion.

REVELATION 2 Feeling Healing addresses the issues of the Default.

The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion.

The Rebellion was brought about by Lucifer and his soulmate 200,000 years ago. The Default was brought about by Adam and Eve, soulmates, 38,000 years ago.

Our FEELINGS are our SUPREME GUIDES:

Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.**

Kevin 26 Sep 2017

Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: **So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.**

FEELING HEALING

Note: The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

Note: **Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.**

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and total true.” James – Introduction Course to Divine Love Spirituality

Two Healing Examples from Samantha:

Friday, 20 October 2017

Sam: Samantha in England

I just went out to get in the car and post something at the local post office, as I got in a young girl was coming home from school with her mum who was pushing a baby. The young girl was sobbing, in real distress and her cries touched me in such a painful way, right in that moment. I sat in the car listening to her cries and instantly wanted to cry myself as the image shot into my mind of when that very same thing happened to me as a young girl, it is so incredible how when triggered I am sent right to the time and place and the visual comes.

I had been to the dentist and had 5 teeth taken out under anaesthetic and all I remembered was coming round in the recovery room and I was crying. I had to walk all the way home with mum and I didn't stop crying with the shock of what had just happened to me, I was in complete shock. All the way home I was dragging myself home and mum was walking in front, Christ I just want to cry as I feel it all. I wasn't held or helped in any way, I was a pain making a row and mum just wanted to get home but I wanted help, I wanted to be held and needed her to explain to me what had just happened to me, I didn't understand. Where was the love and compassion, where was the supportive loving parent holding me up and cuddling me, that is what I wanted, that is what this little girl wanted from her mum.

I feel so sad for myself, so desperately sad for the unloving way I was treated. God I felt so alone with my pain, I have always felt so alone with it never being able to express it out of me because I was a Pain. I am feeling more and more devastated, I just want to hold myself and be the parent I never had to myself as I feel the grief of being so rejected.

That little girl I just saw felt the same and all her mum had to do was stop pushing the pram and hold her daughter (ME). That's all she wanted, to be loved and her pain taken seriously like she mattered. She will grow up never feeling her pain is worthy of any attention, she will push it all away because that is what her mum has just done as she walked past me. Shit I want to go back and hold her and tell her I want to listen to her pain, I want to know all about it as I want to know about my own now. I can't interfere though, all I can do is express my own pain and love myself as my mum didn't by accepting how this has hurt me and express it all. My beliefs about my mum have all been so wrong and God is showing me this more every day, showing me the truth I need to see and it is so painful. I can't believe the speed that it has all come to me today, as soon as I heard this little girl cry the vision came to me of where I was, when and how I felt, all I wanted was to be held by mum and for her to hear me instead of walking five paces ahead of me and looking behind at me dragging myself home behind her in floods of anaesthetised tears, drowsy and in confusion and shock. What the fuck was she thinking.

I am so hurt, the same hurt that I denied myself feeling fully back then when I was young, oh my fucking God I am so angry at her, I want to rage at her "What the fuck were you doing letting me suffer so much emotional pain at you not being there for me, where were you? I needed You!!!!!!). I am feeling so sad inside for myself, I cant believe how bad I am feeling right now and the fact I had my five teeth pulled is not the pain, it is the rejection of me, the dismissal of how I was feeling, how she made me feel like I was such a pain and being to loud with all of my crying, she was worried about others hearing me and embarrassing her, I didn't come anywhere in her priorities just like this little girl who just walked passed me, that was me, every part of it was me and mum all laid bare for me to see, all reconstructed for me like an old crime scene re-enactment. Unbelievable how it works, so amazing to have it took me back there it the exact time and place and how I felt and I don't think I have given it much thought in years.

And:

Faye and myself have had such a great breakthrough tonight with Feeling Healing. She has been sinking down deeper over the last few weeks with depression and I have told her I am here for her and her only, when she feels ready to let it out. Tonight she was ready, it was so beautiful to see her change as she expressed all of the pain out of her. This has made her ill and all I could do was watch as she sunk deeper into the denial and repression of her feelings, I could not interfere with her will but I just kept letting her know I was here when she felt it was time for her to let it go.

Tonight we spent a few hours sitting on her bed as we both cried together as she expressed how unloved and lonely and uncared about she feels, not being special to anyone and how angry she is about being so denied and rejected by all of her friends and family. The truth that came out of her was beautiful as she told me how she felt suicidal and wanted to die because she is so lonely and abandoned by everyone in her life. This was so hard for her to do, especially with me, her mum, but once she begun to express, the pressure begun to release from inside her, she was crying and shaking, and all I could do was encourage her to go on, continue with how she feels, it was a truly amazing healing experience for us both as all that she is going through, I went through at exactly the same age and exactly the same experiences and it brought it all back to me, all of my unexpressed pain when I was 18 and being so alone and without hope.

All I wanted to do was to be there for her to express to, be a listener for her and help her to accept her bad feelings and tell her how important and special they are for her to heal. They are the truth of how she feels and I want to hear it all, I am there for her only, if that is all I do for the rest of my life then that is what I will do, be her listening friend, not her mum but her listening friend who treasures every expressed bad feeling and every tear because I know this is the only way to heal. I want to be to Faye what I never had, someone to talk to and express myself to. It felt so good to be there for her as more and more came up and out of her and to see the small change in her as she went on expressing her feelings of how terrifying her minds control is and just what it is capable of creating in her, she was terrified of going mad.

By the end of our time together in her room she felt so much better, lighter in her self and saw how different expressing your bad feelings makes you feel, she could feel the difference and had proof that it works and this has given her so much more hope that she doesn't have to be a prisoner to her minds controlling thoughts and that by shifting to her feelings she puts herself back in control of her life.

I am so happy that she has let me help her by just listening to her pain and taking her seriously, something I never felt I ever had with my parents. Our feelings are very serious, they are the tools given to us for our healing and Faye is beginning to see that it works, I sensed hope in her despair by the end of our healing session together and the 'mum' label was stripped away and instead I was someone who Faye could confide in, express herself to and begin to see the specialness of her bad feelings.

Feelings First Spirituality, The New Way

The New Way, Feelings First Spirituality is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

Feelings First Spirituality is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

Feelings First Spirituality has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

Living the New Way of Feelings First Spirituality

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

And to do this you need to do your Healing

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

Feelings First Spirituality
The New Way

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

Please Mother and Father help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

Please Mother and Father help me see the truth of myself through my feelings.

Please my beloved Heavenly Parents, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

Please Mother and Father, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

Please Mother and Father help me, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

Please Mother and Father love me. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

Please make me feel how unloving I am. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the 'dead' way; the feelings way is the 'alive' way.

Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

Please God show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

Heavenly Mother and Father, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

Please Mother and Father fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

I hate you Mother and Father; why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

I long for Your Divine Love Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

Everyone can relate to everyone else through their feelings.
And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.
No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled religions. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one’s feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps us get to know God, helping us to reach out, connect and be personal with God, and do God’s Will, all through our feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we’ve all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

LOVE is the Religion of Feelings, being:

Why James Padgett and why he was Continually Prompted to Ask for the Love:

Becoming a medium is not mysterious, nor is it a call to a higher realm as some may suppose it to be. All that is required is that a person express a desire to do it, to be a vessel willing to sit and take words down on paper or through a computer keyboard. Of course, there must be first a prayer life behind this desire. Being consistent in your prayers then this will not be an issue with you. For others, they need constant encouragement to pray, just as we did with James Padgett. He was an excellent medium, and did have certain qualities within his makeup to be an excellent medium, but yet even he required constant prodding to be more in prayer.

Martin Luther 3 March 2014

Now, let's first clarify what sin is. Sin is only a word to indicate that certain actions or thoughts are not in tune with your soul knowledge – with the laws of Love. People tend to put a lot of negative energy on the meaning of the word, but they shouldn't. Sins can only be manifested or created by the mind and have nothing to do with the soul. The soul – as an image of the father – is not capable of creating anything out of tune with the laws of Love. Sins are nothing more than 'mind flaws' that exist in different levels. They are portrayed in everyday life in the way we think, speak and act.

Even if someone has received a big amount of Divine Love in their soul, the mind keeps on existing. And although the Divine Love will silence the mind for a while – depending upon the amount of love you receive – the mind will come to the forefront again. That is why we need to pray as much as we can, as frequently as we can, so the Love will silence the mind and eradicate all flaws from it.

99% of all people living on Earth will be soaked in the flaws of their parents, siblings, teachers, leaders, cultures, etc. That is also the reason why we aren't flaw free; but you don't need to be. In fact, it is a 'good' thing because it will help you with your own calling. It will help you to understand what people are going through. It will help you explain these processes to them because you will receive the insight firsthand from the processes you have to go through yourself.

Most people do not want to look at their own flaws. They think they need to be perfect examples of the Love; that Divine Love does not leave room for flaws once they received a portion of it. Well, they are flawed! [Laughs] Because flaws will exist until people reach the level of flawlessness. And it is the recognition (not the denial) of one's own flaws that will lead to their eradication; whether the eradication comes through the use of the natural love or the Divine Love is of no importance – although we Divine Love connoisseurs know which path will be swifter.

John Apostle 28 November 2014

James Padgett had in him that which enables him to receive the impression of the spirits, James was a blessed man as his soul was in unionism with the spirit world. Mary Kennedy 26 April 1915

It could be said that James could move through all the frequencies of both the Spirit World and the Celestial Heavens and in this way connect / tune in to any spirit person who so wished to connect with James. We are all transmitters and receivers, however, James was gifted with all channels being open to him.

REVELATION 1
James Padgett

1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

REVELATION 2
Marion and James
Moncrief

2002
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

FIXED POINT of VIEW:

If you are one for holding onto a fixed point of view, or just being rigid in what you believe is the truth on a particular subject, then you are not alone.

‘God is God alone, and never has and never can become man: and Jesus is man only, and never can become God.’

This message was channelled through to James E Padgett, through the use of automatic writing by Jesus. In fact, more than 2,500 messages were conveyed that way during the years from 1914 through to 1920. These messages came through from more than 200 spirit people.

‘That is, the spirits of men and the mortals of the Earth have the power to communicate with one another, and that the powers possess by the spirits, which are almost unlimited, may to a certain extent be conferred upon and exercised by men. This intercommunication and possession of powers and the conferring thereof on men, was not so well understood when I was on Earth, as they are now.’ Jesus.

‘No one who believes that I am God has a knowledge of the truth or is obeying the commandments of God by worshipping me. Such worshippers are blaspheming and are doing the cause of God and my teachings a great injury.’ Jesus (P.168 Celestial Messages)

‘Men are longing for the truths of God, such truths as will accord with the reasoning of men who are not biased by erroneous beliefs, either in matters spiritual or material.’ John the Baptist (P.181 Celestial Messages)

‘The difficulty has been in finding a someone gifted with mediumistic powers who had the unbiased mind and yet a knowledge to some extent of the soul’s requirements, and who could be used for the purpose of receiving these great truths and transmitting them to humanity.’ Solomon (P.201)

‘Some years ago a selection was made of a man to declare these truths, and he did observe and declare many truths, but the difficulty in the way of his realizing the pure truth and interpreting the things which he saw, was that his mind was too much biased by what he had read and believed from the writings as contained in the Bible, and hence, his efforts failed to accomplish the great purpose intended by the mission given him.’ That person was Emanuel Swedenborg 1688 – 1772. Solomon (P.202)

Message to James E Padgett from Swedenborg on 23 Dec 1917: ‘You have no such preconceived ideas to hamper you or prevent you from receiving the truths, for you are used merely as a conduit through which these truths are to be received, and as they are to be declared in the very words of the writers.’ (automatic writing).

‘Let your mind be open to the conviction that I and all the others of the disciples of Jesus have and can write to you in testimony of your selection to do the great work that you have been called to do. Never was a mortal so favoured by the greatest man and most wonderful and powerful spirit that ever lived. I, an apostle, do not see how you could have been selected, and not so great a lover of God as we might expect the mortal to be who should be called to this work. But the Master has chosen you and he knows what is best, and we have no right to pass judgment on his choice. But no matter whether you are worthy or not, you have been chosen and you must do the work.’ Thomas 18 July 1915 – P.155 Book of Truths by Joseph Babinsky

What the purpose if of the above notations is to demonstrate the enormous difficulty that our spirit friends in the celestial realms / heavens have in finding just one human being / mortal that is not consumed by fixed opinions that would distort their messages of truth for us all, here on Earth, to benefit from. After the failed Swedenborg experiment, it took a further 150 years before James Padgett started to received messages of these truths to be shared. Then it was not until the 1960's that the Padgett Messages started to be published.

Much has been recorded within the Bible that was not said by Jesus and much of what Jesus did say in the first century has been left out of the Bible. Further, subtle alterations inserted into the Bible around the Nicene Council of 325 AD have been biased towards asserting control in favour of the church. Many of these issues and errors have clouded people's opinions and closed down the reception of truth.

Now, here is a question, what was the origin of the bible? There are many versions. The **Vulgate** is a late 4th-century Latin version of the Bible, and largely the result of the labors of St. Jerome, who was commissioned by Pope Damasus I in 382 to make a revision of the old Latin translations.

The Bible, a collection of books of some 1,400 pages, is not the full and complete story on God, nor could it be.

The Padgett Messages represent around 1,000 pages of corrective material. Further, during this 21st century, 1,000's of pages of additional material has been delivered expanding and growing the depth and detail of the messages transcribed by James E Padgett.

Few people are willing to open up to these truths. Those who do, find great joy in the freedom of the soul from the inflow of these truths.

It is little wonder, from the above, that we all find difficulty in conveying even the smallest amount of truth to anyone who has a preconceived point of view on the given subject.

An enormous difficulty emerges for those who are inflexible and fixed in their beliefs, errors can and do hold back a person's growth / soul growth for centuries and centuries until they realise and release the error.

It is imperative that we continue to search for truth and allow truth to enter us.

WE ARRIVE DETUNED!

Our souls are a divine creation of our Heavenly Mother and Father. They could not be any other way! And are designed (such as how it has been for us) to begin incarnation in a Natural love condition reflecting the Natural love state of our world.

And we have also been provided with the opportunity to experience what is being ‘evil’, to live denying our Natural love, as seen through the denial of many of our feelings. So we here on planet Earth live on a world that has Rebelled (and then also Defaulted), of which there are only 37 within the local universe of Nebadon, consisting of 3.8 million physical worlds under the regency of Mary Magdalene and Jesus – the spiritual parents of truth of all of Nebadon! And we assassinated Jesus, and completely denied Mary not allowing her to have her say about the truth.

As a consequence, we are ‘detuned’ from our Natural love state and divine origin. You could say we arrived with all parts functional, however, in our untrue, dysfunctional and distorted state, we’re badly in need of a severe service, tune up or a complete reconditioning. Our goal being to bring our true self to the fore by doing our Feeling Healing, and then to progress beyond our Natural love state by further advancing our soul condition through the process of Soul Healing and receiving our Parents’ Divine Love – becoming divine.

In our feeling- and truth-denying untrue Natural love state, we have been made to use our minds to dominate our feelings, becoming more like that of mind-based creatures of nature than of human souls of truth and feelings. And this is the wrong way for us to develop. So to step beyond this limitation, we are to live true to our feelings. Our heartfelt feelings being the guiding lights to our evolution and growth of truth.

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it’s all right there already built in and can be found through our feelings – our soul based feelings.

By living true to our self, true to our feelings, we are living true to God. It’s that simple.

Thus we are detuned once our incarnation begins. However, the way is now open for us to bring about our full divinity. To completely Heal all that’s wrong within us on a Natural love level. To embrace and then transform that Natural love into a divine state through partaking of our Heavenly Parents’ Divine Love. All the while attuning ourselves to divine perfection and enjoying the fullness of our divinity and love, as we ascend in truth on our journey all the way to Paradise – the home of our Heavenly Parents.

WE were DIVINE, and
WE are to BECOME DIVINE AGAIN:

Our personality, our soul, our real self, are all creations of our Heavenly Parents. We, our real selves, are not creations of our physical parents. Within our original status, we were of Divine nature.

Our physical parents, from our conception, endeavour to mould us into being ‘little me’s’, that is, replicas of themselves, imposing their beliefs and personality traits upon each of us. They crush our individuality and free will. They destroy our personality, our true self. They inflict upon each of us their ways, all of which are of a result of the Rebellion and Default of many, many generations ago. They drive us into believing and subsequently becoming dependant upon our minds. This is not the way for us to express our true selves and evolve along the path towards our true parents, our Heavenly Mother and Father. We are to embrace the Eternal Son of Truth, not the Infinite Daughter of Mind.

No, we are not in the image of our physical parents. Though we may look like them, and act like them because they have dramatically and successfully crushed our true personality, we are each very unique and independent of our parents and all other family members. When we begin to progress along the path of engaging with our soul based feelings and seek for the Truth of our feelings, we will become free of our parents’ impositions and suppression.

Upon starting our physical life experience on Earth, our divinely created soul begins to express us as one of our soul’s two personalities in Natural love. However because of Earth being in Rebellion, so we are parented into a rebellious and anti truth and anti love state of mind control over our feelings and true self.

Natural love is good, just ‘less’ or different to Divine Love. And it’s that in our rebellious state, we’re rebelling against Natural love, and Divine Love by not taking Jesus and Mary up on their offer and allowing the Divine Love to transform our soul, as we perfect our Natural love by doing our Healing.

By living true to our self, true to our feelings, we are living true to God. It’s that simple. The revealing of the Feeling Healing process is the commencement of our ability to begin the Great U-Turn and go the right way. Should we then also embrace our Heavenly Parents’ Divine Love, we can also commence our Soul Healing and a returning to that of being divine – this is our destiny.

CREATED in THEIR IMAGE:**GOD**

James: Mary, what does ‘we being created in the image of God’ really mean?

Mary M: It means that our Mother and Father used Themselves as the model or template if you like, upon which to bring us into being, those of us who have existential souls with the potential of expressing their two personalities in Creation.

And although our souls are divine, as in being divinely created, still whilst we start our personality expression in Natural love, so we need the Divine Love to come into our soul and bring it into the levels of Celestial divinity.

Natural love, so basically the whole of Creation, is of the image of God, and we being divinely created souls can be part of God’s Divinity becoming divine ourselves. So through your Healing, James, you become progressively divine by partaking of the Divine Love and healing yourself into perfection – your true self. And by the time you’ve completed your Healing, your soul is of the Divine Love level of Celestial truth, and your personality is an expression of that level of truth, it all being ‘confirmed’ and cemented – fused – into place upon the direct soul-union with your Indwelling Spirit. Then you are of the essence of God, true and perfect to the level of the first Celestial sphere, the first sphere of true divinity.

Mary Magdalene communicating with James 20 November 2017

FEELING HEALING – SUMMATION:

Living with the Divine Love and doing your soul-healing, is choosing to live true to your feelings and to end your mind's control over you.

The great difficulty we all face is that we are not free to speak what we feel, with so many of us shut off from our true feelings, feeling unable to speak about such things. So all the anger and wrestling and arguing that has to go on, is what is needed to break down the barriers and bring to light the blocks, all so they too can be talked about.

As we move into deeper parts of ourselves through one's feeling healing, being gradually led into it, so even deeper parts can come up, we being able to deal with them with the experience already gained.

We are not just thrown in at the deep end and all our hellish traumatic bad feelings come racing up only to annihilate us, for there would be no purpose to that as we wouldn't be in a state or condition to see any truth; and seeing the truth, the whole truth of our unloving negative state, is what it's all about. The truth comes first, and we will only experience all we need to, so as to liberate it.

The pioneers of Feeling Healing – Marion and James:

Marion wasn't actually forced to change herself to effectively become 'another person' by her parents, they just came down hard on her stopping her being her natural and true self. And her healing with therapists, and now in what we are doing together, is taking off those clamps and restraints and letting her out of her cage, so increasingly as she is regaining her true self, she is able to say all she wanted to say when she was little. Whereas for myself, James, I was made to become effectively someone else, to be so shut-off from my natural self so as to not feel any direct connection with my feelings, and being all but totally unable to express them. So for Marion, expressing her feelings and feeling when things are not right in our relationship, comes relatively easily, whereas for me, I don't have a clue most of the time.

Marion and James are on the extremes and coming at their relationship from two opposite ends. Other people will be like they both are, and even with the roles reversed; and then most other people will be a mixture of, and somewhere in between, them both. Generally speaking, James is more like so many men, totally alienated from his feelings – but not all men, as some men are very free with their feeling-expression; and Marion is more like most women who are closer to and more aware of their feelings, only never feeling free to really express them. And there will also be a lot of women who have had to change themselves so much so that they will feel more like James does, that being as if you're another person with very little connection with your true self.

Notes from 'Spirits and their Childhood Repression Healing' by James Moncrief

The whole human race is suffering from repressed childhood and mind control.

Be controlled by your oppressive mechanical mind, or set yourself free through your feelings and allow your soul based truths to surface. Allow your feelings to be felt, and seek the truth of them. This is how we can all evolve in love.

Our minds are infused with childhood injuries and errors. Only by expressing them as they surface, and finding the truth of them that we set ourselves free and grown in love.

TRUTH LOVING SOUL V ERROR INFLICTED MIND

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
We are to long for the truth of what we are feeling.
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

WE ARE Children of God

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

HOW TO GET TO PARADISE:

The Key

- Long for the Divine Love
- Long for the Truth
- Long for the truth of your feelings
- Don't deny any feelings: accept, express and want to know the truth of them
- Know your feelings are the key; your feelings are the Way
- Want to end your falseness and being untrue
- Want to understand the truth of your early life
- Use your surface feelings to move deeper into yourself, bringing up your repressed feelings
- Want and long to know the whole truth of yourself
- Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
 2. **ETERNAL SON (ES) – Divine Truth**
 3. **INFINITE DAUGHTER (ID) – Divine Mind**
- Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS** – Our MOTHER and FATHER – Love – the Living Truth
2. **DIVINE MINISTER** – Mind (and her Holy Spirit)
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR** – the Feeling Healing process – incarnate
2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

Feeling Pathway

Mind Pathway

Soulmate Pair

Angel

Spirit Person

Nature Spirit

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

WE EACH have a Nature Spirit pair, Spirit Guide pair and an Angelic Pair:

For those doing their Healing or are interested in doing it will from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about ‘sharing’ the same angels or guides or nature spirits, it is about you relating specifically to your ‘own’ ones because they are provided for YOU. It’s all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it’s the same of course in life with your friends, however over there, in spirit, dealing with Nature Spirits, Spirit Guides, and Angels, it’s more personal and private and ‘JUST FOR YOU’. So we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain’t going to be assigned to anyone else, so she won’t be sharing herself around.

This is SO IMPORTANT to understand so that in future there won’t be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is all they are speaking with.

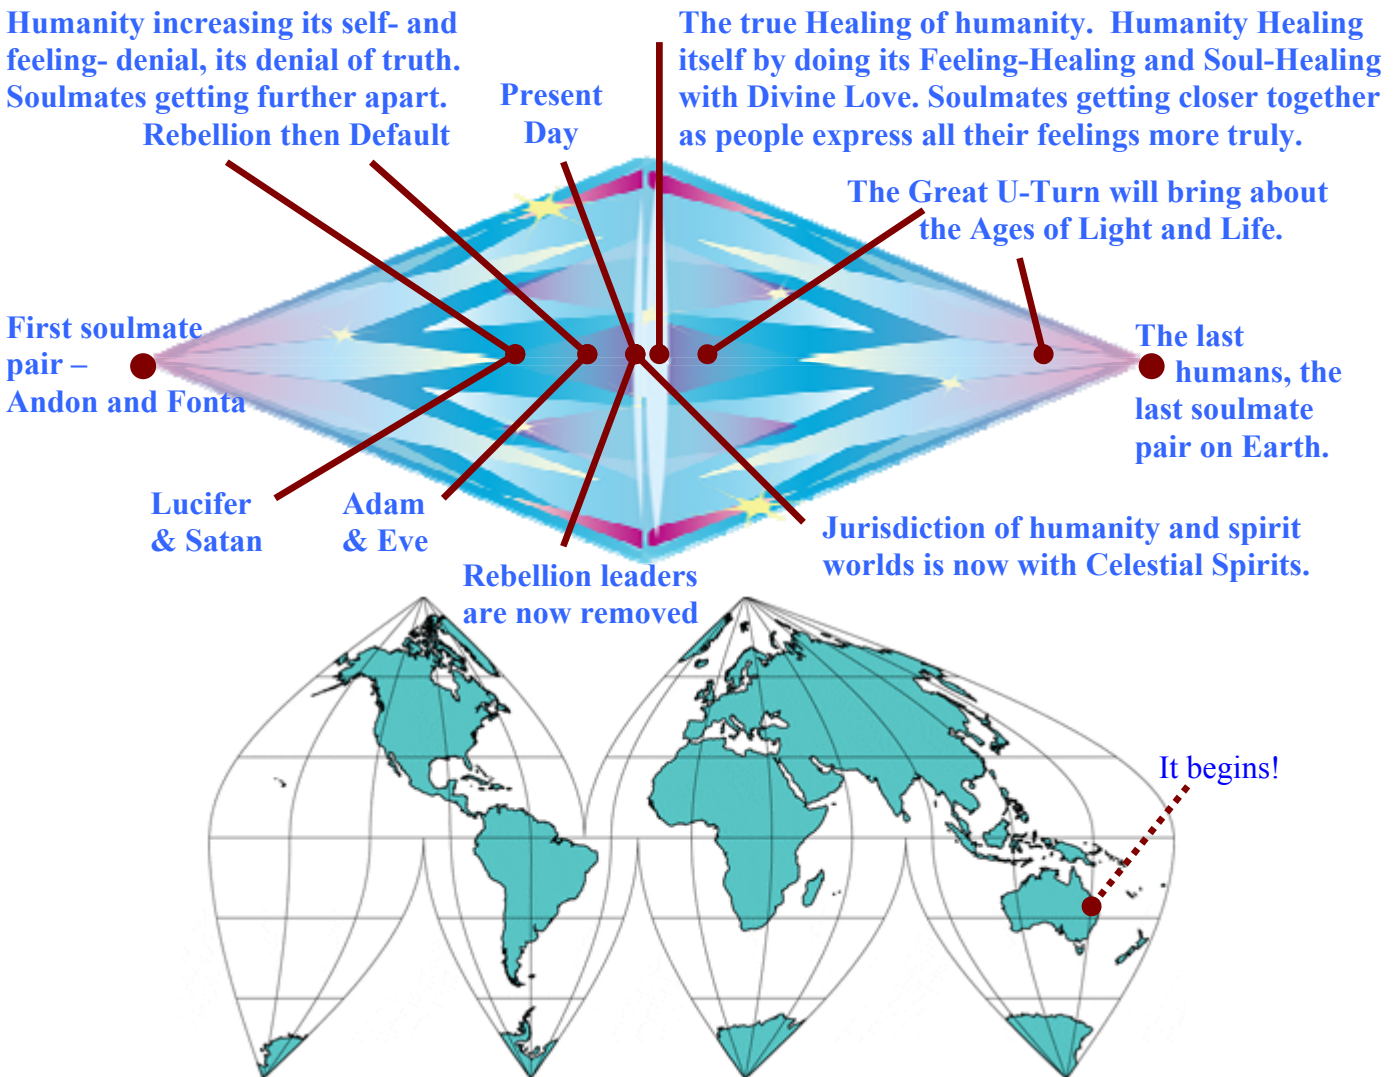

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their soulmate relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit Mansion Worlds, however, our Angelic pair continue with us for eternity.

Feelings first

JOURNEY of HUMANITY into and through the GREAT U-TURN:

Humanity reaching its most evilness, the most lost, the most separation of soulmates. Humanity can begin its Healing. The Great U-Turn begins, the dawning of the Spiritual Age.

This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.

Feelings First, you can be sure about that! **Once women get that message and start living it, then the tide will really change**, with men either deciding to support them by looking to their own feelings or being left on the outer wondering what the fuss is all about.

The feminine light is going to sweep through humanity and purge it of all the yuk and darkness, helping to bring the whole of humanity back into a nurturing loving mother state of being, from which the supportive, caring father can support her and together they can make the world great again, they can bring humanity up into its natural love perfection whilst at the same time offer those people who want to spiritually grow the truths of how to embrace the Divine Love and move on to the Celestial level.

By living true to oneself, true to our feelings, we are living true to God. It's that simple.

Arvonal Revelation

- We are to live Feelings First.
- We've been made to use our mind to live against many of our feelings.
- Our mind control commences at conception and is developed through our childhood.
- All the bad feelings we didn't express as we were growing up are still repressed inside us.
- And all such hidden, buried and unwanted feelings have to come out.
- And whilst they remain repressed within us, they will continue to make us feel bad and unloved.
- We get sick, depressed, suffer, have bad things happen to us because of our repressed childhood feelings.
- Humanity was brought into this state of living against itself by higher rebellious spirits.
- These Evil Ones caused the Rebellion and Default.
- We are made to rebel by default – as we have no idea we're doing it through our parenting in wrongness.
- We are all parented unlovingly – against ourselves, against our will.
- Some parenting in the wrongness is done with more love, yet it's all still wrong.
- To heal this unloving state within ourselves we have to do our Healing.
- Our Healing is our Feeling-Healing or Soul-Healing with the Divine Love.
- We can long to God for Their Divine Love, and this will help us with our Healing.
- God is our Heavenly Mother and Father, the Feminine Aspects of God having been kept hidden from us by the Evil Spirits.
- All humanity's religions and spiritual systems are designed to keep the wrongness going, to keep us away from God.
- Only by living The New Way, Feelings First Spirituality can you become right, and truly find God.
- Long for the Divine Love.
- Long for the Truth of your Feelings.
- Accepting all you feel is accepting all of yourself, it's your greatest act of self-love.
- And wanting to know the truth of your feelings, is your next greatest act of self-love.
- Love yourself through your feeling-acceptance, and the Truth will set you Free!

31 May 1914 and ongoing

Long for the Truth from God, the Truth your Heavenly Mother and Father will show you. This does come through to you via the Spirits of Truth of the Avonal Pair in relation to one's Feeling Healing and in relation to Divine Love from the Creator Pair, all from the Eternal Son and in league with the Infinite Daughter and the Divine Minister.

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on themselves and doing their Healing.

Feeling Bad? Bad Feelings are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing****Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book****Release one's pain through expressing one's feelings.****in conjunction with****Longing for the Truth when also longing for Divine Love.**

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.

Strive to love others as I am to love myself

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.
