ENVIRONMENTAL COLLABORATION – Awareness

Debate worldwide is on Global Warming, with little less focus upon Climate Change. However there is no focus upon Environmental Collaboration at the level that is required and yet to unfold. While the community of the world is distracted on Global Warming debate, nothing is achievable apart from finger pointing and a huge waste of funds. Attention to Climate Change is starting to bring some attention to the abuse that we are thrusting upon our natural resources and this has some potential.

Environmental Collaboration is the antithesis of Environmental Cannibalism. Collaboration is the road we will eventually embrace during the coming 1,000 years. Oddly enough it is the increased carbon dioxide in the atmosphere that will eventually bring about the greening of the planet. We can do absolutely nothing about reversing the shift in temperatures! However, we can collaborate with nature and bring about harmony between nature and humanity which will be a joy to see.

Howzat for a poke in the eye with a burnt stick! What you have just considered is that you and I can start to bring about Environmental Collaboration rather than pollute the airways with useless diatribe about Global Warming and Climate Change. Yes, we each can bring about the solution that Mother Nature is prompting us to embrace. Leaders of societies are distracted by their personal positions, egos and errors related to how they got their power and so-called importance – well many of them – thus it is hard for them to see the shift in debate and focus that is required!

So we have these headings to consider:

Environmental Collaboration

VS

Environmental CANNIBALISM

CLIMATE CHANGE

Global Warming

Global Warming

What can we do about it? Diddly squat! It is driven by the increased rotational speed of the iron nickel core of our planet Earth which commenced in the 1980s and it will not subside for decades to come. This increased rotation is increasing the pressures on the surface of the Earth thus the severity of earthquakes and volcanic activity is contributing to the frequency and extremes of our weather events. Further, the increased internal friction has increased surface temperatures unevenly. This has nothing to do with man's cannibalism of nature.

Monday, 17 December 2018

James: Hi Nanna Beth, I feel like a chat, is that all right with you?

Nanna Beth – 3rd Celestial Heaven: Also you might like to know, the Earth itself is starting to change its rotation speed and is slightly moving on its axis, thereby causing shifts in surface weather patterns as warming and cooling takes effect, just happening in different places than how it has been. And these changes are coming from the core that's being affected by greater space changes. There is always massive pressures and forces affecting every part of natural creation, so the world and all space and all that's within it. And as David (Montaigne) points out, observers have observed that things remain the same, at least seem to be the same, although with minute incremental changes, all of which culminate to periodic, large swift changes. And so humanity is coming into a time of rapid change, and on all levels, not just the physical or spiritual. Of which I still can't say more.

So the debate about global warming or cooling will continue with both being right, as both are occurring. And in some areas they are affecting each other, in other areas they are happening independent of each other.

James: Thank you Nanna Beth, you've covered all I was wanting you to update.

EARTH CHANGES:

27 September 2011

Extracts from 'With Verna – a Nature Spirit' by James Moncrief

Verna: There's a marked increase in the 'goings on' inside Earth being brought about possibly by natural internal factors, factors extraterrestrial, or a combination of both, even one in league with the other. And I'm going to speak about such things in more detail later, but for now, you and the people you've read who think along such lines are correct, there is much going on, both from within and without.

It's going to be a horrendous time for humanity overall, but that's not to say that within it there will be much good and lots of good feelings for some people, and mostly for those people wanting to move with it in the understanding that it's for humanity's good, and as it couldn't go on any longer how it was, so something needed to happen.

What is happening now is yet another evolutionary event, however it's not going to come about as it did back then, it's coming about as a combination of humanity's impact on the planet and natural events timed to enhance humanity's impact, all so in the end, a 'new' humanity will result, willing and able to live on the world in a 'new' way. Back 65 million years ago it was purely a biological change, now it's one for all humanity, a spiritual change for humanity as Mary was telling you; a huge change, moving from living in a completely negative state, ending it, and moving to live in a completely positive one, and all along the way nature will be affected in various ways.

All that's to happen now is more to set the stage, or scene, for the 'new' humanity to evolve into being, that being on a spiritual level, rather than a whole new evolutionary line of creatures as it was with the demise of the reptile based nature, to the rise of the mammalian one. However, as I've already told you, some new creatures will come into being during the planetary ages to come, and others that have or will become extinct, will be brought back into being.

However the coming Earth changes will have periods of intense activity right through this turning of the age and the next one of one thousand years. There will be ups and downs, but overall the next age will be one of ongoing tumultuous times for the surface of the planet. And it's all designed to keep humanity giving up its evilness and helping it seek the way of truth. There's not to be one big cataclysmic episode now, and then it's all peace and harmony on Earth, and people can get back to re-building all they've had – all their negative way of being and wrongness, or even set about living in peace and harmony because of some dimensional change or new spiritual light and upliftment affecting the raising of humanity's consciousness to a higher level of peace, having giving up greed and self-indulgence in material things. No, all that is to come is not to let you off the hook, or allow you to keep going only manifesting and so expressing yet another version of truth denial.

The spiritual upliftment so far as the new 'vibration' humanity will experience is the new vibe of the next age, and it's upliftment will only be uplifting those people who chose to do their healing, to submit to their bad feelings and by expressing them to uncover the truth of their evilness – all that resulted from their childhood. All the rest is nonsense perpetuated by ignorant mind spirits. Certainly there is new cosmic light coming to Urantia (Earth) from Paradise, being stepped down in universal harmony through Nebadon (our local universe); and certainly there is new soul-light being emitted from every soul on the planet, but as to how people choose to react to all of that is a personal choice, and many will fight their natural desire to seek the truth and so heal themselves, choosing instead to keep going in their negative states. And for such people, some will be relatively successful at doing it and keeping abreast of the

increasing 'lights', others won't be so successful, failing and then succumbing to their bad feelings. And many will go to their graves feeling very bad about life; other's will want to know why they feel so bad so often, and honour their bad feelings and start looking seriously for the truth. But overall, increasing inner and outer pressure will be brought to bare on humanity as it moves through the next age. A certain level of collective consciousness about it's negative state, and a certain level of desire to heal humanity's evilness needs, both personally and collectively, to be achieved by the end of the next age; and as all things are perfect, it will be.

James: Okay, so back to the heart of the matter, the Earth changes.

Verna: Well, as you've read, the amount of seismic activity is on the increase, this being because the amount of rotation within the core of the Earth is speeding up. It's immeasurable currently to science, however as the core of Earth starts to move faster, so all the outer parts move faster, and that's stirring up the continental movement, which as you know from plate tectonics, is causing the crustal plates to grind against each other, with the stresses being released as earthquakes. And this core rotation is going to keep increasing for the next one thousand years.

James: Do you mean the whole Earth is spinning on its axis faster?

Verna: No, I mean the components of the core, are in relation to each other, moving faster, which could be seen, as for the need of a mental picture, that the core is rotating faster. It's more to do with hidden forces within the planet, ones humanity is yet to uncover; and they are more to do with, and respond directly to, the spiritual or higher light frequencies.

James: So it's like the spiritual rotation of Earth is increasing.

Verna: Yes, you could say it like that, and it's then having a direct effect on the material level.

James: Okay, so it's all coming from inner levels, not just the physical.

Verna: As does everything. The physical world, the globe as you know it, only responds to inner or more spiritual levels, it exists because of these levels, the whole physical level of creation does. From our spiritual perspective, we living in these higher or inner dimensions, we can see the energy, the light, we can sense it; we can sense it in all physical things; and we can sense or perceive – we 'feel it', as increasing in frequency, and so the physical planet is responding, it has to, it can't be otherwise.

James: So it's not just, say, because of what the sun is doing that's affecting the Earth.

Verna: That is happening too, it all being part of the physical relationship and interaction in those relationships, however the sun too is being driven, and so continuously affected, by the inner, unseen, and unknown to you, spiritual levels. You are only at best observing the physical level of Creation and trying to work out laws that determine it, however there is another whole plane or 'dimension' of laws that determine the relationship of the physical to the spiritual; and then even more laws determining the spiritual, and all the levels of the spiritual, and there are many, all the way to Paradise.

James: Okay, so whatever is happening, we won't be able to detect, only possibly seeing signs of it on

the physical that are resulting from the increase movements of the surface crustal plates.

Verna: Yes, the sea floor is spreading faster in places as the subsidence of one plate under another is increasing, all making for very exciting times on the face of the Earth, if that's what excites you.

I can tell you, those like me who are from the very old days, boy, did we have fun back then, we were delirious during those times of massive Earth changes. And there were some times of massive changes. All that Earth is to go through now will be comparatively mild, just a remnant taste of the old days. Relative to back then, the Earth is destined to remain quite stable. It will have one last massive bout of cataclysmic Earth changes reminiscent of the ancient times when it's all to come to an End and Cease to Be, but humanity will be long gone by then.

I was talking about the acceleration of the rotation of the core of the Earth, but on inner levels, and how that's what's causing all the shifting in the crustal plates. And so this is what will cause most of the earthquakes. Now from your geology days at university (James graduated in geology), you remember being told about 'hot spots' where the continental plates moved over places where magma forces itself to the surface bringing about island chains and chains of continental volcanoes, well there's going to be a lot more of these erupting as well, old and even ancient ones coming to life again.

James: One website I visit posts up-to-date information on the status of many volcanoes, and many of them are coming to life, and have been for a few years, even ones scientists didn't know existed.

Verna: Yes, and this is going to increase. There are going to be a few mega explosive events during the next fifty years, some that will cause the sun's rays to be blocked out for a number of days, but nothing too bad. However there will be continuous smaller eruptions and many of them, all disturbing the normal way of things, such as air flights, communications, and causing many people to be relocated. It's not so much the intensity of the volcanic eruptions that are to come, but how many of them and what combined effect they will have. A lot of new lava is going to come out onto the surface, this having a heating effect adding to the general present consensus of global warming.

James: So is global warming a reality, or is it our imagination; and is it something humanity is doing, or is it naturally happening?

Verna: It's naturally happening, however, overall the planet is moving toward another smaller ice age, but that's a long way off. In the short term it will warm significantly adding to humanity's problems, once all the volcanic activity gets going.

Along with the increase in volcanic events it will be discovered that the ambient temperature of the upper crust is also warming, the ground will warm up a little. We're only talking about one degree, but it will add to the problems of increasing the ocean temperatures, rainfall distribution, melting the ice at the poles and how and where food will be grown.

James: I was reading whereby all of this is coming about because of the breaking down of Earth's magnetic field, all leading to a pole reversal, this all being caused by the sun moving towards a solar

maximum in the next couple of years (or decades).

Verna: It's all part and parcel of it. Scientists will continue to understand all that's taking place on many physical levels as events unfold. But really it's all being caused by the increasing spiritual light that's driving the whole thing right through Nebadon (our local universe), it's not just Earth and your sun that's being affected. On all worlds, ages are changing and spirits are moving on, and things are happening. You're just one piece in the whole.

So because of these warming influences, the weather will become more wild, more subject to change, and more unpredictable. There will be more: drought and heat, rain and snow, even cold extremes in some parts of the world, and less in others. There will be more wild storms in some places, cyclones and such, and less wildness in other places. Things will pretty much change all over the place as to how they have been. And some changes will become permanent, other's fluctuating.

And because of these weather disturbances, so the production of food will change; in some areas of the world severe famine and food shortages will occur, in other places pests and disease will predominate. You've seen all of these things already beginning to happen, and they are only going to happen more and become more intense.

And then come the physical Earth changes, not only from volcanic eruptions, but from the influence of large earthquakes.

Vulcanology:

28 September 2011

James: So what's happening to the Earth where the magma is? I mean how does it build up in pressure to come out?

Verna: It's a combination of internal Earth forces and external cosmic rays. They both interact to produce what might be likened to bringing a pot of water to the boil. The more internal pressure that builds the stronger and more vigorous it boils escaping on the surface. The Earth has been relatively cool of late, meaning there's only a very light boiling going on, with most of the pent up pressure and energy able to be released through what has been witnessed, some occasionally doing a lot of damage, other times, not so much, but the Earth has been going through a very quite time of vulcanology. However that's all soon to change as it warms up into one of its more active times. But as I said, not so active as in times gone by, but certainly more active than what's happened during this past two thousand years.

James: So the letting off steam, the increased boiling will keep happening for... how long?

Verna: It will keep building up during the next ten years, then it will plateau for the next twenty, then start to settle down (and so on). But within these years there will be times of greater and less intensity. You must remember that things happen relatively slowly on a geological time period, so this time will be but a hiccup in the great scheme of things, but enough to give humanity the experiences it requires to keep the pressure on it to change. You don't have to worry about it starting with a rush then petering out. The inner forces that are going to bring about all the structural crustal change will last for as long as they need to.

WEATHER EVENTS and EARTH CHANGES are CYCICAL:

The Richard Messages via James Reid: Celestial Spirit Richard 12 January 2013

There are many factors involved in the production of weather patterns on the planet. If you had information from a much longer period time than that available you would see that such happenings are not uncommon or unusual. The scientists have developed a range of normal that is based on quite scanty data. So, while a relatively short-range view is taken of these elements, there must be varying opinions. The Earth is presently in a state of marked changes so there will be fluctuations and deviation from many 'normal' patterns. The present changes are much more related to what is happening deep within the planet than to man made issues on the surface. However, people will always attempt to interpret any happening in the light of what is considered to be known and to use familiar terms.

GLOBAL WARMING:

28 September 2011

Verna, is there really global warming, or is it something that seems to be happening but is being made up by certain people. I think I've asked you this question before –

That doesn't matter James, I'm happy to answer it again.

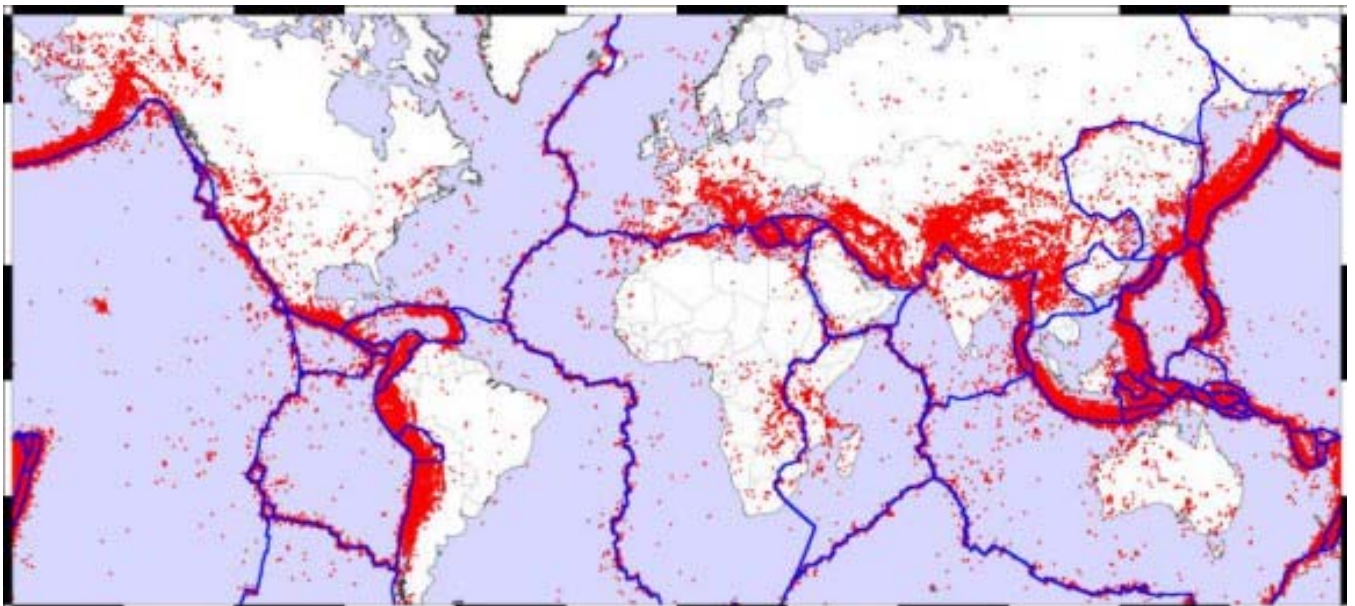

Yes, global warming is real, but it's not happening solely because of humanity's impact on the world. Humanity is only minimally affecting it, the world for the most part being able to absorb all you do that results in global warming, however it's the Earth itself that is heating up, internally and because of external influences. And these will continue as I've told you. But all humanity does in regards to global warming will be of no account because of the overall changes that are going to take place.

Entire solar system is heating up! Scientists blame solar warming

<http://www.space.news/2015-10-06-entire-solar-system-is-heating-up-scientists-blame-solar-warming.html>

Tuesday, October 06, 2015 by [Chris Draper](#)

Many scientists suspect that the solar system has migrated to a region of the galaxy with high energy. We have the illusion that the sun is a nebulous ball of gas fixated in the sky that the rest of the solar system dances around. In reality, the sun is one star among many sitting on the outskirts of the Milky Way, hurtling through space at 72,000 kilometres per hour. Although the total amount of energy within the universe is conserved, pockets of energy in the Milky Way vary in intensity. The solar system may have rolled into one of these highly active regions.

Environmental Collaboration

VS

Environmental CANNIBALISM

Cannibalising the Earth's natural resources is the result of our way of living. This changing age will bring about massive shifts in the way we live. The adjustments that all of humanity is about to embrace is beyond comprehension, so now is the moment to prepare yourself.

This is not just a matter of making changes to the way we treat our home planet, this is the end of one way of living with the changeover to The New Way, Feelings First Spirituality way of living which has some rather surprising 'encouragements' to desist from our past patterns of causing harm.

Just how gradual or rapid this is to be, we will have to wait and see. But if you think you won't feel the impact then you have another thing coming. This is huge.

As time goes on, to achieve the possible optimums of personality relationships and interactive support for each other, cities may be structured mainly with populations around one million. The tendency currently towards massive 'world cities' does not bring about the interactions and relationship building that is essential for individuals to grow in the truth they yearn for but cannot find mainly because of the lack of intimacy in relationships. The days of villages will begin to flourish again.

'Paradise Sanctuary' and 'Paradise Village' communities will emerge with structures for populations of one thousand people. These are to emerge as village families of around one thousand men, women and children. Children will be brought up with the community being their parents. It is recognised that the task of appropriate child rearing is best served within small communities where many adults contribute to the needs of newly forming personalities – children from conception through to around the age of six.

Such 'Paradise Sanctuary' communities will be significantly self-sufficient. While the early 'Sanctuaries' will be mainly within rural settings and have a high focus upon small crop food production, such 'Sanctuaries' envisaged for urban settings within high rise buildings or housing clusters, obviously their self sufficiency will take on the form of a diverse range of services for those within the city elsewhere.

We have, for 200,000 years been seduced into embracing our mind as the gateway to human perfection. Our mind cannot discern truth from falsehood and, further, our minds are addicted to control. Those of us who became proficient in controlling others continued on with our 'profession' when we entered the spirit Mansion Worlds – we continued to influence others here in the physical to continue on with our work. That all stopped on the 22 March 2017 when the Celestial spirits blocked communications. Now we are to heal ourselves of this erroneous way of living.

We are to embrace our feelings. We are feeling orientated. Our truth is through our soul-based feelings. We are to abandon worshipping our mind. Our soul based feelings are always in truth. We are to embrace our feelings and have our minds assist in implementing what our feelings are leading us to do. Further, we are to long to know the truth behind our feelings, both good and bad. It is through our longing for the truth behind our feelings and expressing that truth to a close companion that we will be able to repair the injury that we have incurred from the imposts of the Rebellion and Default.

As we are best to embrace our Feeling Healing with a close companion then this can be within our family home. A man and woman are optimum combinations. Small groups may form and gather in a home. Thus a home may be the venue for several people to find their way to Paradise, thus the term Paradise Home!

What will unfold is that many will come to realise that each and every 'holy book' takes the reader further and further away from our Heavenly Parents. They all take you further into your mind. It is the mind that Lucifer wanted you to worship. Thus as each 'holy book' was created from the promptings and errors embraced by Lucifer. Most of humanity has unknowingly been followers of Lucifer. Even the Bible is the creation of Lucifer's spirit followers. The Bible presents a fantasy Jesus while totally ignoring Mary Magdalene, his equal and co-regent of our Local Universe, Nebadon.

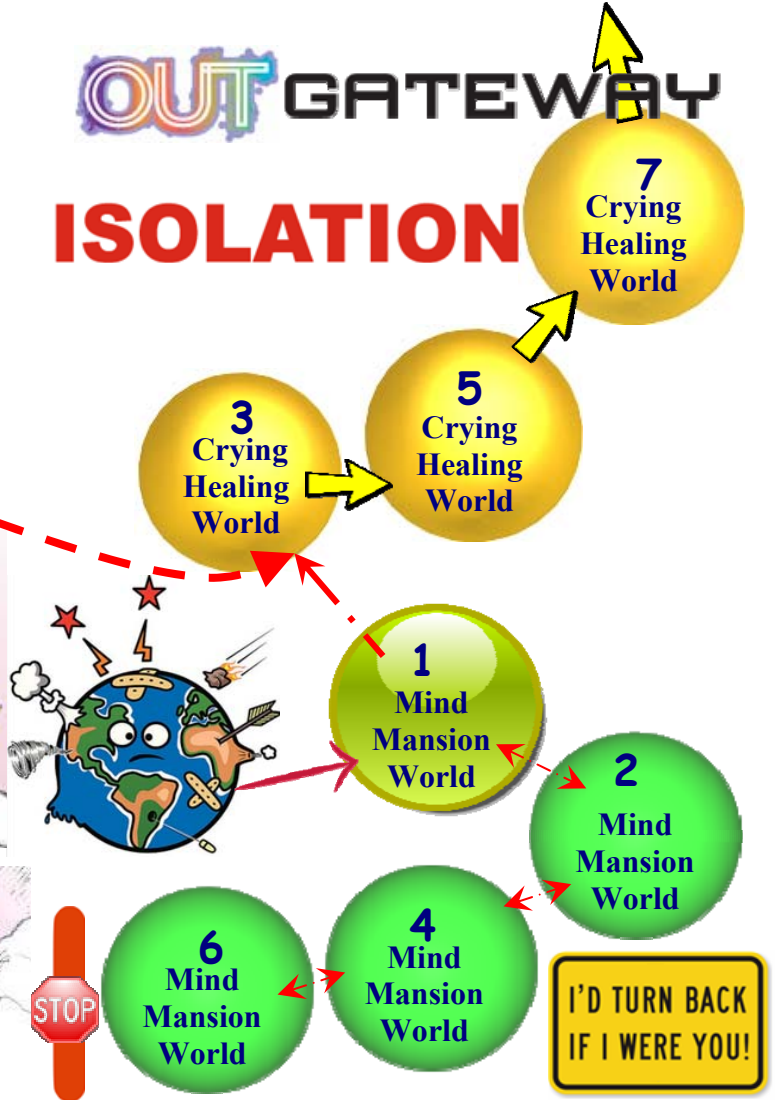

How do you feel being told that you have been worshipping Lucifer who has been in a spirit prison world these past two thousand years together with Satan and their soulmates? They have now been joined by the Caligastia and Daligastia soulmate pairs since the early 1990s. No religion formed in the past 200,000 years has been outside these Evil Ones' influence and control. Further, as one progresses with their Feeling Healing they come to realise that through their feelings that all truth is within them. No religion exists within the Spirit Healing Mansion Worlds 3, 5 and 7. Then upon entering the Celestial Heavens religions remain assigned to history.

It is through Feeling Healing while here on Earth that one can attain and live a Celestial existence. Once in a Celestial state then one functions totally through their soul based feelings. It is these people who will lead humanity here on Earth for the next 1,000 years, being the coming Avonal Age.

OUT GATEWAY ISOLATION

AWAKENING OF Humanity

LUCIFER REBELLION REIGN

200,000 years ago

Jesus & Mary

NOW!

TOTAL DOMINATION Universal Contract

FOR 200,000 years ALL SCRIPTURES are the WORK of the REBELLIOUS LANONANDEKS:

The rebellious Lanonandeks from within our local universe are these soulmate pairs:

Lucifer pair
Arrested and imprisoned 26 CE

Satan pair
Arrested and imprisoned 26 CE

Caligastia pair
Arrested and imprisoned early 1990s CE

Daligastia pair
Arrested and imprisoned early 1990s CE

The awakening of humanity means we are now free to step away from enslavement and extreme suppression. We have a choice to stop living in the hell that has been imposed upon us. We are now free of the restraints of the Rebellion and Default which has enslaved us for the past 200,000 years. We are so used to it that we consider that we are having a wonderful life – whereas it is the hell of living against our true selves that we are experiencing.

We have never known any other way of living. The adjustments to what we call normal will be all embracing, rapid and without any compass as to what to expect. No other humanity has gone through such a massive spiritual and physical upheaval. We just do not know what to expect. Can you avoid this? You may be able to ignore it somewhat but that is only going to put off the inevitable. This Change Over is underway and we are all to experience it. It is a massive event for all of humanity.

What has triggered this event is that several people have been working their way through healing all that they have taken on of the wrongness of the Rebellion and Default. These people have moved through milestones

which have resulted in the imprisonment of those who brought about the Rebellion. As they progressed with the Healing of their childhood repression and suppression they have enabled the closing down of interference by malevolent spirits as from 22 March 2017 and then the commencement of quickening of the Law of Compensation to start to unfold as from 22 May 2017.

Law of Compensation

Of greatest significance was that on 31 January 2018 officially marked the end of the Rebellion. Now it is game on for the Great U-Turn for humanity.

For 200,000 years we have been guided to live through our minds. Our minds cannot discern truth from falsehood and further, our minds are addicted to control. Some people, as well as groups of people, call them tribes, are obsessed beyond recovery with the need to control. One family group has recognisable control of US\$500 Trillion!!! They have a figure head and this man is literally the ruler of humanity and no one knows him. That is 'hidden control'.

The New Way Feelings First Spirituality

We talk about control in the form of slavery. Modern day slavery numbers exceed anything that has been recorded throughout all of history.

However we are all slaves. All funds that have been borrowed by governments, financial institutions, corporations of all ilk, housing loans and household debt, and the new phenomenon of student loans, all lead back to one family – with a British baron as the 'lender'.

We are all born into hell on Earth. No matter how 'wonderful' we may think our childhood is, we have been screwed over by our parents. They did not know – they have just done what their own parents did to them and what was done to them by their grandparents and so on up through the generations.

We are meant to fully and freely express our personality bestowed upon us by our Heavenly Mother and Father. Our parents impose upon us their dictates necessary to

form us into the personality that they believe is best for us. Our true personality is suppressed and remodelled commencing from the moment of conception. The great moment of conception should be a moment of wonder and joy – and that will start to occur in future generations now that we know how to live through our feelings and not our minds.

Until we heal ourselves of the imposts of the Rebellion and Default we will not be able to bring our children up free from error. We will continue to subject our children to our inherited errors and they will continue to be stifled and part of the Rebellion.

Until we heal ourselves through longing for the truth of our feelings, both good and bad, and expressing what we come to understand to someone that we have a personal relationship then we will remain living like a zombie – continuing to be in a stupor and screwing our life and everyone and everything around us. We will not be able to recognise who our true partner in life is and we will continue to have mismatched marriages that will ultimately fail – no exceptions – until we heal ourselves!

ALL MARRIAGES ARE
Mismatched

Due to our addiction to control, all sectors of industry, commerce, institutions and governments are corrupted. That is demonstrated by the varying percentages of trust or lack of trust recorded through surveys. Yes, there are aspects of truth and honesty within all of these endeavours. However, this is where the Law of Compensation will start to be apparent. In short, previously the Law of Compensation came to be imposed upon us when we passed into the spirit worlds, the first Mansion World. With introduction of Feeling Healing and some progressing through their personal healing, this has brought about the

earthing of the Law of Compensation. Those who are involved in imposing their controlling ways and manipulating people for their personal gains beyond appropriate and acceptable levels will find that the Law of Compensation will be imposed upon them the instant they contemplate such error or errors. Such people will be instantly debilitated so that they cannot carry on with their 'trade'.

There will be no exceptions. We may consider some avenues to be free of such gross activity, however we are of the Rebellion, we cannot ascertain what is in Truth and what is not. We just have the condition to contemplate and comprehend what is unloving control – this will come to us as we heal.

We may consider the education system is fine. The education system is an extension of the parents' control of the child. The education system is the puppet of the Evil Controllers who have manipulated humanity for 200,000 years. You can proceed to look at the legal systems designed to protect people,

governments to serve the people, health industry to save the people, food industry to feed the people, the defence forces to protect the people, and at the bottom of the list are the religious institutions who have all been founded on the dictates of the Evil Ones through the manipulations of malevolent spirits. All will collapse progressively and will be rebuilt. You can see it unfolding around you now.

As people heal themselves through the process of Feeling Healing, their dynamism will unfold, their true potential will be self evident. They will emerge to become the leaders for all aspects of society. We have never seen such people on Earth except for the Paradise Daughter and Son in the first century.

The New Way, Feelings First Spirituality Uncover the Truth of yourself through your Feelings

And when the first pair have healed themselves, then their children will be free of the Rebellion and Default and will become the first to be born into a Celestial Soul Condition physically here on Earth through these parents. As each generation progresses with healing then their children benefit accordingly. Healed soulmate parents in true harmony with each other will have children fully reflecting their Heavenly bestowed personalities and potential.

Healed **Soulmate** Parents

ENOUGH IS ENOUGH

Andon and Fonta, our first parents to long for our Heavenly Parents, lived nearly 1,000,000 years ago. Naïve humanity was seduced by high spirits, the Lucifer pair, to believe they could be gods through their minds, thus men subjected women to subordination 200,000 years ago. Also added to this was the default of the Adamic pair more than 38,000 years ago when they failed in their mission.

REBELLION & DEFAULT **200,000** YEARS

When Jesus with Mary achieved their full Regency of Nebadon, in 26 CE, they immediately had the Lucifer and Satan soulmate pairs assigned to a spirit world prison. Since then, the Creator Pair have been preparing for the ending of the Rebellion and Default for humanity of Earth. The Avonal Pair now on Earth, once commencing their Healing, brought about the imprisonment of the Caligastia and Daligastia pairs in the early 1990s. As the Avonal Pair advanced with their Healing they brought about the formal end of the Rebellion and Default, on 31 January 2018. It is now for all of humanity to embrace the Spirits of Truth of the Avonal Pair and undertake their healing of the imposts of the Rebellion and Default.

Avonal **AGE 1,000** YEARS

Spirits of Truth of the Avonal Pair will guide us through our Feeling Healing and into the Celestial Heavens with Divine Love, then the Spirits of Truth of the Creator Pair will lead us through the Celestial Heavens and out through Nebadon towards our Heavenly Mother and Father in Paradise.

Each generation of 25 years or so will see marginal embracement of Feeling Healing, however in 1,000 years it will achieve universality.

A few will complete their healing during their lifetime, but for many it will be incremental.

Universality of Feeling Healing with Divine Love will see the mitigation of discomfort, pain and illness as well as the imposts of global warming and Earth changes. These events are to ensure that each of us embrace our feelings, both good and bad, down to the very core, so that we fully come to know who we truly are. Sciences will endeavour to remove pain only to see disease manifest in different forms. Earth disturbances are a result of the Harmonic Convergence of the late 1980s, increasing the rotation of the Earth's central core. This will only abate when humanity has universally embraced Feeling Healing. These influences are only imposed upon us so that we do not step back into the Rebellion and Default through complacency. Live Feelings First so that we become the true personalities we are, that being daughters and sons of our Heavenly Mother and Father.

REBELLION and DEFAULT RAMIFICATIONS:

The Rebellion was instigated by the Lucifer soulmate pair some 200,000 years ago and is administered under a Universal Contract which is presently in its very final few days of outworking and termination.

The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion. Nanna Beth 29 June 2017

One of the many ramifications is that connectivity and intimacy by humanity with nature spirits and angels has been greatly inhibited, if not closed, for the duration of the Rebellion and Default. It is only now that a few people have found their way to heal themselves of the Rebellion and Default that the gateway of connectivity is slowly opening up for humanity. So what is a Nature Spirit?

With Verna – A Nature Spirit

by James Moncrief

2013

Verna, a Nature Spirit: We all want to understand our heritage.

James: And would you mind sharing it with me?

Verna: I wouldn't mind, but it's difficult. It's not so much saying I was, or rather my spirit was, once this or that creature, as so many of you mortals and mind spirits say your past lives were, for it comes to us as light, and in that light as a knowing, an awareness, just as part of us. And to further complicate things in regards to myself, I was drawn from the creature spirit from other universal worlds, not of Earth, for as I told you, I was created on Earth before life began. And so there are as you now surmise, those of us who were the original nature spirits, but were not 'of' this world so to speak, that being in a spirit sense. And then since life has been on Earth, there are those nature spirits 'drawn up out of' the indigenous creature spirit. We refer to them as the 'locals'. And as I now so few of us original 'out of towners', the locals predominate.

So as you'd not be able to relate to the creatures my spirit comes from, all I can tell you is there's a good mix of aquatic and terrestrial in me. I'm a good balance.

And yes to read your mind, there are nature spirits with varying mixes of creature spirit. Some feeling more of an affinity for the plant kingdom, others for the oceans or rivers, and others for land, and of course, mixtures of all. And so yes, to read your thoughts again, as you would expect, those of more plant spirit feel drawn more to the plant side of things, and so that's how it is, those nature spirits tending to the plant kingdom.

James: So your spirit is very complex?

Verna: Yes, it's not as straightforward as is yours, yours coming solely from your soul. Your spirit is your own unique spirit expressing the light of your soul; our spirits, also uniquely our own, however come from a composite of many other spirits. And in my case for example, and I'm about average, or 'usual' – as much as I hate to admit it, I'm composed, for want of a better word, of about five hundred billion creature spirits, so yes, you could say we're complex on that level. And yet on other levels, we're considered rather basic, we are after all *only* nature spirits, not great angels.

James: I suppose the spirit of a bacteria is not that big.

Verna: It's not a matter of big or small in the sense that you know it. It's all a matter of life experience, of light. All creature spirits are composed of light, this light being seen, related to, understood, even broken down into its component parts by higher angels. As you've been told, as it's the same for you, each experience you live is composed of many 'light's', that being that much light in the spirit of that experience. So our spirit existence is literally a sum of all the light experiences of light those creatures lived. Your light experience, or the light from your experience, goes into your soul, and then re-emerges being expressed as your spirit, as all that you are, all that sustains you in Creation; your truth being one part of that spirit that becomes manifest, that you live. The light from all our experiences goes into our mind, that being, into expanding and evolving our mental awareness and capabilities, the higher angels having a greater mind than we do. And that angelic mind is not to be confused with your mortal or spirit minds because the two are vastly different. The angelic mind you can't grasp with your limited mind, you can through your soul perceptions when you're healed and of Celestial truth, but until then, you'll have no idea about it. And it's not just a thinking mind as yours currently mostly is, it's a mind of action, or mind of pure and true thought, of insight, a mind of discovery and collection, the collection of all that it is – a mind of light. When an angel moves, it does so not because of it's feelings like you do, but because of it's mind, the spirit that its mind is, or, the mind of its spirit.”

Yes, Verna is a wonderful savvy lady who stands about three feet tall and is with James throughout his physical life. We each have a pair of nature spirits with us throughout our physical life.

What is to be recognised is that no animal, bird, fish, plant, bacteria or anything of living nature has more than one physical life. Not even a blade of grass reincarnates. We, us humans also do not reincarnate – we all only have one physical life. We are all part of nature. We are all on a journey of evolution and learning. We all will find our way to Paradise, the home of our Heavenly Parents.

Thus, how we treat nature is how we are treating ourselves. This is why environmental collaboration is to come about, understood and then become part of how we live. This is not about some government or governmental agency addressing the issues of the environment which they cannot even define let alone address because it is us, all of us, that will be the solution.

The life force that drives a bacteria through to the biggest creatures on the planet is the same life force that drives us humans! The difference is this. All of nature is mind orientated. We humans are feeling orientated. We have been screwed by Lucifer into believing that it is our minds that we are to worship, however we are to embrace our feelings and have our minds implement what our feelings lead us to engage in. Our soul is of a different orientation and pathway to that of the rest of nature.

We begin to embrace Environmental Collaboration by living Feelings First. This is the very first step in resolving Global Warming, Climate Change or whatever the Green Party of what ever country is misinterpreting the situation. Simply put, humanity is to progressively move away from Environmental Cannibalism, from abusing nature and polluting the environment to that of Environmental Collaboration.

This will come about through:

The New Way, Feelings First Spirituality

NATURE SPIRITS will INTERACT and ASSIST US in our ENDEAVOURS:

Extracts from 'With Verna – a Nature Spirit' by James Moncrief

I, Verna – a nature spirit, would like to say to the people of future who will read this, that we are more than willing to make contact with you humans, however, **WE WILL ONLY DO SO WITH THOSE PEOPLE WHO ARE STRIVING TO LIVE TRUE TO THEMSELVES BY HEALING THEIR NEGATIVE STATES.** We can't otherwise, if people are choosing to remain as they are, all bound up in their evilness, untrue and bad feeling denial, as the new age will forbid it. Once the new Spirits of Truth have been liberated, we will have to adhere to them, not that we would want to do anything else anyway. And we can't wait to have the new Spirits of Truth to guide us as they help and guide you.

Now, why I'm telling you this is because there's going to be an upsurge of people saying they are speaking to nature spirits, people who are not doing their healing nor seeking the truth of themselves. They will say they are, and their nature spirit communication will be part of them doing so, but it won't be true. So beware, many people will say they are speaking to our kind when they aren't, speaking only to mind spirits in the lower mansion worlds and Earth planes.

It's far more important for you to gain a true understanding of your own personal role in nature, how you are to conduct yourself with nature, and also the same with the impersonal, the greater whole. And along the way your knowledge about how things are in nature will expand directly through your experiences and with our input. But (put this in capitals please James); **BUT OUR INPUT WILL ONLY COME TO THOSE PEOPLE WHO ARE STRIVING TO LIVE TRUE TO THEMSELVES THROUGH THEIR FEELINGS,** by doing all you have written James; essentially, all Mary has told you and all Marion has told and helped you with.

We are able to impress certain insights and understandings upon her (Marion), we do upon you both, all of which help you understand nature more; yours and the natural world, and your relationship with it. So everyone who grows in truth, as a part of that growth, comes to love nature more, relating to it very personally through their own nature, so we are able to move in and be with you.

James: So really your kind is to have a very close and complete relationship with us.

Verna: Yes, it will grow and evolve as humanity does. We are just a part of the natural realm as are plants, animals and the air you breathe. We should not be kept alienated from you. And just because you might not be able to see us, doesn't mean we are less important or have less of an influence on you, in fact we have more of an influence than does direct experience with plants and animals. Your hands on physical experience with nature is very limited, there is only so much you can do with and in it. But your understanding of it and its relationship to yourself and yourself to it, is all but unlimited, it growing – your awareness of it all growing, as you grow in truth. And humanity is meant to grow in complete harmony with the natural world whilst it's here with it, not separately from it as you currently are. You are going against nature, not going with it, so you are going against your own natures, not with them, which of course is why you're going against nature. Your parents set you against yourself, your own nature, so you don't see that nature offers you anything other than what you can get from it. But that's all thankfully soon to change, and as there is already a slow awakening taking place in certain parts of humanity as to how special nature is, so this will continue to evolve.

NATURE SPIRITS CONTROL EVERY ASPECT of the NATURAL WORLD: 28 June 2012

Extracts from 'With Verna – a Nature Spirit' by James Moncrief

Verna, a Nature Spirit: We have a progressive consciousness, we are evolving our minds, as I've told you, but they being a creation of Mind can so be influenced by higher angelic minds. So really in the mock you had, what I meant was we nature spirits can prevent fish from being caught if that's what we're asked to do by either higher angels on behalf of the Mother and Father, the Divine Minister in Nebadon, or by Sons and Daughters of Truth, that being Mary and Jesus, the Creator Pair, or Avonal Pairs.

We'd know the Avonal pair would ask us knowing from their feelings and the truth they were living that it would be what the Eternal Son and Infinite Daughter desired.

We nature spirits can control EVERY aspect of the natural world if need be. We can make anything happen, from causing earthquakes and volcanic eruptions, down to move the smallest bacteria this way and that. We can bring about any mutations that are desirable, and we can work in the moment or over long periods of time. Nothing is too much for us when it comes to influencing the material plane, that's what we're all about as nature spirits, we do always and continually influence it. By our very nature, our very existence we're influencing it. Nature on the physical level doesn't and can't exist without our ongoing influence. And as to that influence, what it entails, that all awaits humanity, and one day we'll be able to tell various people everything we do. There will be those people destined to have very close and open relationships with our kind, and they will learn and see what we do. And then humanity will be able to move toward living more truly with us and our natural influence, all of which will make people feel so much happier about how they live and treat their natural environment. Currently you are so far away from the truth, heading fast in the opposite direction, so you are the furthest you've ever been from our kind. But once the age changes, then we'll be able to come to you as you'll be able to come to us and things will start to change for the better, that's what we're all looking forward to.

Potsy, the cat, her spirit has gone to join with the combined spirit from all Earth's creatures, to be drawn upon to create us nature spirits, and in fact the sporangia as well, having become part of the spirit collective energy from which my kind, among others, are drawn. (Potsy was James and Marion's pet.)

Environmental Collaboration

We, being ensouled humanity, are to move with our feelings, respond and act upon our feelings, we all are, and so based on our feelings we bring our mind into play, and then things happen which affect our feelings and so our mind adjusts accordingly.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

Feeling Pathway

Mind Pathway

Soulmate Pair

Angel

Spirit Person

Nature Spirit

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

WE ARE NOT MEANT TO BE ALONE:

Feeling bad will make you feel BETTER – Eventually! By James Moncrief

‘We are not meant to be alone, particularly during the hard times. We need to learn that it’s better to come straight out, to start accepting and speaking about how bad we feel. It’s okay to just cry and tell other people how bad you feel. It’s okay to feel bad. If we could all help each other to express our bad feelings allowing ourselves to feel as bad as we need to feel and for as long as we need to feel that way, wouldn’t life be more caring and loving?’

‘The childhood suppression of our bad feelings has been so severe that we have to shut ourselves away during our crisis times, the very times when we should do the exact opposite and come out the most. Doing this because this was all we did during our early childhood when our parents rejected us, making us feel unloved, unwelcome and unwanted.

‘Wouldn’t it be nice if when you felt bad and someone asked you if you were okay and did you want to speak about it, you could say: Yes I do feel bad, and yes thank you, I do want to speak about it, and they were there for you all the way along. And you could speak and cry and be as miserable or angry or however you felt for as long as you wanted to. And they didn’t judge, criticise, or try and tell you how to get over it and how to make yourself feel better.

And they just allowed you to go for it, to slobber and blubber and grieve and go through all the natural releasing and healing stages without getting in the way; just being there for you, wanting you to tell them all about yourself – all you’re feeling. And when you were ready, you could long for the truth and try to understand why the pain is so bad, why you are feeling all the bad feelings you are feeling, all in the loving supportive trusting presence of your friend.

‘Wouldn’t it be nice if we allowed ourselves and each other to fully express all we felt and didn’t feel like we had to deny anything; didn’t have to reject ourselves when we felt the most in need. That we could seek help, love, care and attention when we felt we needed it, that we could even ask each other for it, if that’s how we felt, and it was willingly there and given for us to receive.

‘Wouldn’t it be nice if we could allow ourselves to feel and express our pain? And if we could, I’m sure we wouldn’t feel the pain for as long as we do (and in many instance may not even feel the pain to begin with). And we would be able to deal with it, to keep accepting it for as long as it was there, thereby allowing ourselves to move on, to mend, to heal, to come back to ourselves.’

Release one’s pain through expressing one’s feelings.

WE ARE KILLING OURSELVES! Chapter ‘Day 9’ of “Paul – City of Light” by James Moncrief

‘Humanity (us) has to learn about every aspect of life from behind the eight ball. It’s not only last in the race but it’s going in the wrong direction. It needs to stop. To come back, and not do what it doesn’t want to do. Listen to our feelings and try to see what they really are telling us and then try to act on them, try to honour them.

‘It will take time, but people will get the idea and start to look at themselves in a new light. We will start to see that we are dishonouring ourselves by dismissing our bad feelings and that we are actually doing ourselves great harm. And so we will need to stop and start to try and accept first of all that we do feel bad, and then having accepted that, we will then be able to move to see what we are feeling bad about, and then will naturally want to know why, right through to their core.

‘Humanity has practically tried everything else and look where it’s got itself, nowhere much. Is anyone really and honestly truly happy and if they say they are, is it true happiness and are they sure they’re not deceiving themselves?

We bring about illness within our physical body by not expressing and releasing our childhood injuries.

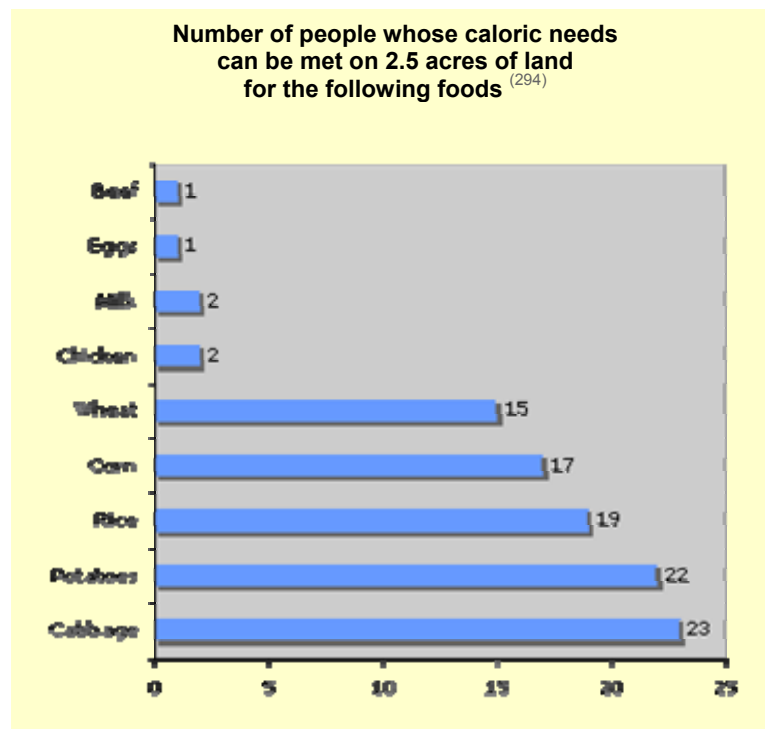

‘We all have felt that angry during our childhood. We can’t feel more than we felt during our childhood whilst we are in our negative mind state. We have not been allowed to remember it, we have been forced to repress it. Look what it takes for it to re-surface within you, when you try, it has to force its way up through you and look at the effect it has on you. How bad it makes you feel.

‘That’s what it will take often times to break down our resisting mind circuits, and resisting beliefs. The bad times were real and had a huge impact on us, they greatly affected us, they brought about our whole negative mind, and our self-denial. And so we have to want to see it all, even if it threatens our relationship with our mother and father and all those who negatively influenced us as a young child, with extinction. This is the real core truth, what our relationship with our parents is really all about. This is the hard-core stuff, to see how it will make us feel.

‘It all happened to you so many years ago. In a sense we have already suffered the worst of it. But that entire trauma is still within us, it’s conditioning our lives. And it won’t go away. Just because on the surface our life might not have felt so bad particularly as we get older having more control of our life, even if occasionally we are angry, it doesn’t mean we are Happy Larry deeper down inside. And one day if we don’t acknowledge that anger it’s going to show, it’ll eat us away from the inside. We will go to the doctor and be diagnosed with cancer and be given horrendous treatment that will only make us feel worse than bringing up the anger that’s causing it all would. So what do you want to do? It’s always our choice, do it with God, and They will help walk us through it and heal it all, or do it by our self never knowing exactly what we are doing and why bad things are happening to us.’

Meeting the Poor's Basic Needs

- As many as 2.8 billion people on the planet struggle to survive on less than \$2 a day, and more than one billion people lack reasonable access to safe drinking water.
- The U.N. reports that 825 million people are still undernourished; the average person in the industrial world took in 10 percent more calories daily in 1961 than the average person in the developing world consumes today.

<http://www.worldwatch.org/node/810>

When I eat meat, I am using 20 times more Earth resources than I would use if I was eating something that was not meat.

A world vision:

Every single person has clean water to drink.

They have clean water to wash and bath in.

They have food that is harmonious with nature and in abundance.

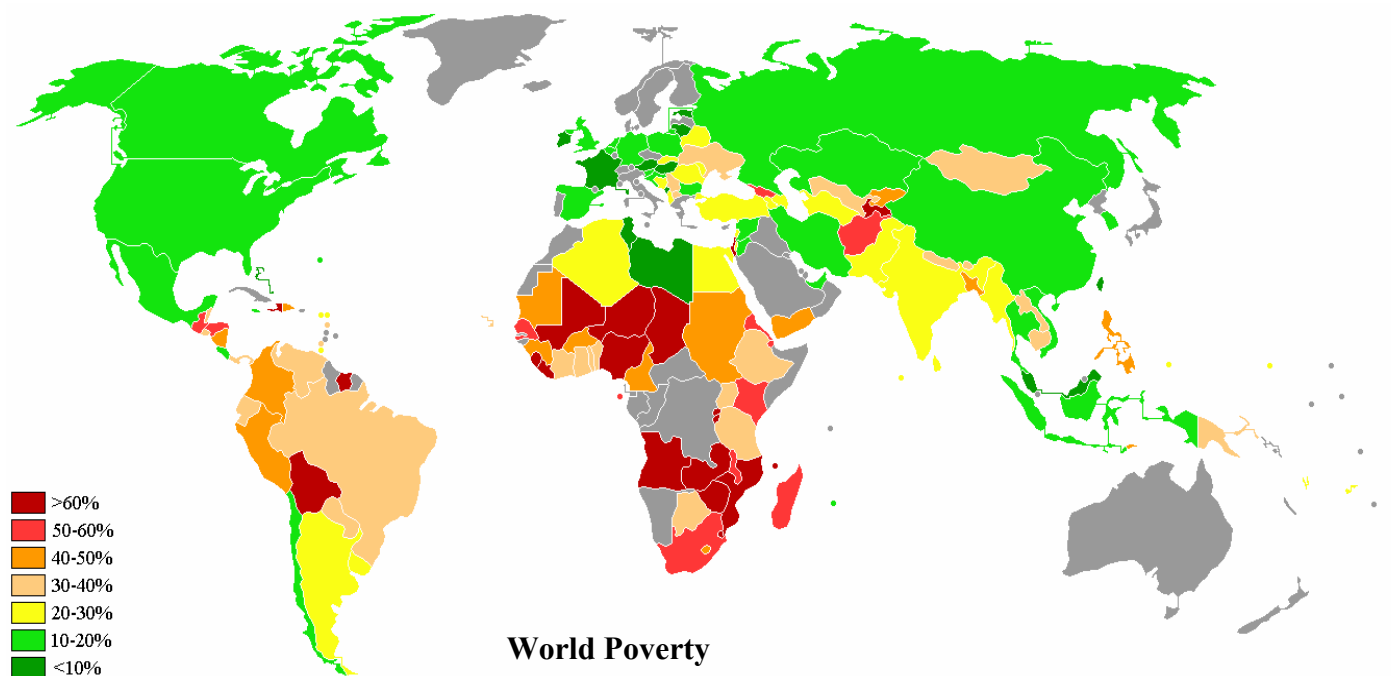

They have beautiful clothing available to them.

And they have shelter at a high standard available to them.

And it is all available to them for free, with one proviso;

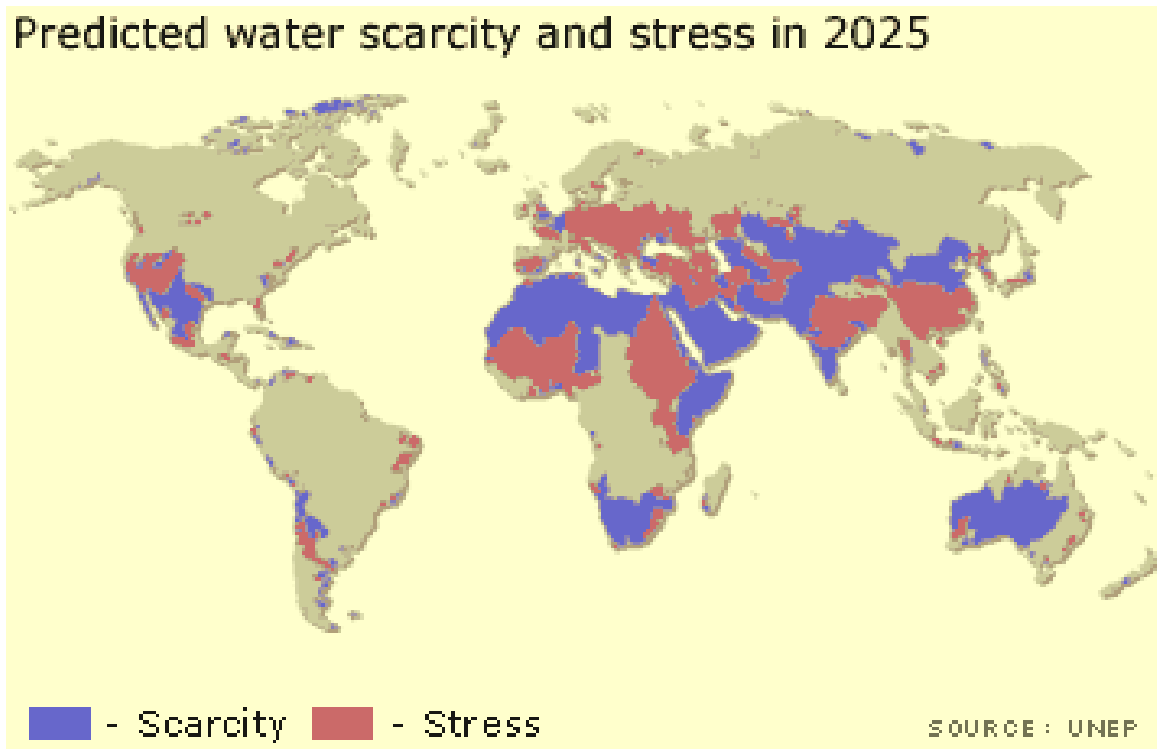

If they are able to work, they work.

If the entire population on the planet who eat meat, stopped eating meat, our food resources could increase by 19 to 20 times.

TWO MAPS that POINT to a POTENTIALLY MAMMOTH HUMANITARIAN DISASTER:

World population is approaching eight billion (8,000,000,000) people:

GREED and FEAR can be HEALED:

We have reached the pinnacle in fear and greed. Humanity can now destroy itself many times over, even before your next meal, should an error occur in its many clumsy systems.

Greed has far outstripped the planet's capacity to satisfy our 'needs'.

Housing takes many forms and sizes around the world. Size does not display the level of luxury appointments that may or may not be contained within. However what cannot be provided is the great human need for meaningful interaction between members of the household. We are not meant to be alone. We need to interact with intimacy and express our feelings, both good and bad, with someone who is passionate about our well being. It is only through the expressing of our feelings that have their origins in our forming years that we can heal ourselves and become true to ourselves and evolve.

Our forming years commence with conception and follow through to the age of six years when our Indwelling Spirit arrives. From then on we become progressively more independent with our physical parents progressively having less impression upon us.

We now find that our courts systems are over extended with matters of ill-discipline, our policing numbers are inadequate, our prisons are overflowing and that our laws never address the underlying cause of why fear and greed manifest as harm being imposed upon others in spiralling numbers. The person brought to the attention of the courts is reflecting the personality imposts of his or her parents. It is the parents that should be before the courts. It is only through our healing of our childhood suppression and repression that this never ending circle of disharmony will be put asides. It is also through our Feeling Healing that we will begin to learn how to live in harmony with nature.

Conception is day sixteen after intercourse. Once the foetus commences to pump blood then incarnation is complete – you are an individualised soul now in the physical world of Earth which is a living hell – congratulations! Let us see what the abortionists do with that one!

Our parents impose their errors and beliefs upon the child right from the moment of conception. They take the true personality of the child and remodel it to be what they believe is 'perfect' for the child – they make the child into a clone of themselves – they discard the personality that our Heavenly Parents gave to the child. Our physical parents know better than God and that is where all this shit comes from!

Yes, I have done the same thing to my three daughters, being what my parents did to me. Now we are to learn and implement Living Feelings First which will also unfold as Environmental Collaboration that is living in harmony with nature and all that is around us. This is one humongous task – so let us start.

One could say that the pinnacle of greed and how control is managed throughout all of the era of the Rebellion and Default is epitomised in the following two graphics:

WE'VE BEEN SCREWED BY LUCIFER REBELLION

Yes we have for 200,000 been submissive to Lucifer and his minions. Now the tables have turned, the rebellious Lanonandeks (Lucifer and his offsideers) are now in a spirit prison world and the Rebellion and Default are ending. Now we are to heal the errors of their corrupt guidance. This will need a lot of courage, time and dedication. To enable those who commence this task the security that they will need, that is, non-interference from malevolent spirit personalities as well as malevolent personalities in the physical, the following two events have unfolded:

22 March 2017: Negative spirit influence was blocked.
22 May 2017: Law of Compensation quickening.

Malevolent spirits from the Spirit Mind Mansion Worlds, 1, 2, 4 and 6, no longer can connect with humanity in the physical. The Celestial spirits from the three Celestial Heavens have blocked such communication channels. This is why so much crazy stuff is emerging on our news. People in leadership who were guided by these malevolent spirits have lost their way. Wonderfully artful leaders are now second guessing, making erroneous assumptions and falling over themselves. They are beginning to be exposed for what they are – ass holes!

The quickening of the Law of Compensation may be a progressive unfolding. It is the earthing of the Law of Compensation as it applies presently within the 1st spirit Mansion World. Within that environment, you cannot cause harm to another. As your thoughts and intent become resolute to cause harm to another, you find yourself incapacitated by the equivalent amount of harm and pain that you intend to apply. You cannot go through with your intent.

Law of Compensation

Thus, those within a Paradise Village, a community of around 1,000 people, will be free to engage in their Feeling Healing without any intrusion upon their dedicated lifestyle. Thus as they heal themselves and embrace an Environmental Collaboration way of life as well as living Feelings First then they will be free of the influences of those who want to molest their life.

Law of Compensation

But the Law of Compensation will progressively become universal throughout all of physical humanity. This has massive implications.

A new industry may emerge in the recovery of scrap metal from all the military equipment that is stockpiled. Who needs an intercontinental ballistic nuclear missile or two? Standing armies will be able to be dismantled. Yes, their role in emergency services will continue but war will be ended.

Recreational drug industry may take a new direction. You can use your own imagination how this may unfold. Consider this. Casinos are venues of entertainment – they will continue to entertain. Thus there are many definitive understandings that will unfold as the earthing of the Law of Compensation unfolds.

Processed food has many aspects to it. Food that is over processed and laced with addictive substances will potentially disappear from the shelves. Fresh is Best is the motto. However agricultural practices that are chemically exploiting the soil may end. This will be a journey of discovery.

The finance industry will most likely collapse from the form that it is now in. Through the control of the world's finances by a small group of families who default to their chairman, humanity is unknowingly being controlled by one man. He can cause the economy of any nation to crash overnight. Simply withdraw the credit chains and banks and housing finances would dry up in a few days. Similarly, a massive short selling in any stock market can see trillions of dollars evaporate in a few days. These families have done this time and time again. They provide the finance for all wars – funding all sides – and profit from the debt enslavement that follows. Now the application of the Law of Compensation would see the crippling of these personalities into an abysmal pool of misery – the harm they have caused to massive numbers of humanity as well as to nature would become obvious to all. These hidden controllers will be outed and stripped of their incredible evil power.

Not only are these hidden controllers manipulating money supply throughout ALL countries, they are gaining control of the water supply in many countries. What would you do if drinking water ceased to be readily and cheaply available to you? These guys have their own agenda – you pay or you die of thirst!

Environmental Collaboration is a re-calibration of how we live. This reaches into every community throughout every nation on the planet. This is a progressive evolutionary development. This is an evolving partnership between humanity and nature.

This will lead to the greening of the world. Unknowingly this has already commenced. The increased volume of carbon dioxide CO₂ in the atmosphere is already increasing the volume of vegetation. Thus what many are fearful of is part of the long term regeneration and greening of the planet. Nature is taking steps before we commence to contribute. Our contribution will unfold throughout this coming spiritual age, the Avonal Age, which will be for the next 1,000 years.

Though we are individuals, we are one. We will each evolve our truth and when we have collectively reached a harmonious embracement of Environmental Collaboration, then the way to mitigate polluting and pillaging nature will be self evident. It will be our natural way of life which will unfold through The New Way, Feelings First Spirituality – the emerging 1,000 year Avonal Age.

This is an introduction to Environmental Collaboration as the details are yet to unfold and be fully understood.

"The True Liberation of Women is Through the Truth of Their Feelings."

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

Golden Rule: that one must always honour another's will as one honours one's own.

Environmental Collaboration VS Environmental CANNIBALISM

Living Feelings First while embracing Feeling Healing will bring about Environmental Collaboration through the healing of humanity as well as our treatment and involvement with the natural world.

Our fear of lack and of others will dissipate ending our craving for control over others, wealth unneeded and demands upon nature.

We are not meant to be alone, companionships will blossom and village communities will be able to bring children up collaborating with nature.

The many layers of control over us will become un-required.

In a way each person's Indwelling Spirit, which is really God, is contracting out the work needed to be done with you to other agencies, so to us spirits, the angels, the nature spirits, other elements under the Divine Minister's control, even other non-humanity spirits, all of which end up doing increasingly more amounts of what your Indwelling Spirit does. And this 'out sourcing' is to affect greater personality interaction, increasing your experiences so they are maximised through interaction with different personalities rather than just relying solely on God. We are overall to become increasingly at-one with God, but we are to do that by becoming increasingly immersed in the experience of being with others.

Nanna Beth – 3rd Celestial Heaven: 25 December 2018

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their 'soulmate' relationship. In addition we have our personal Indwelling Spirit.

THE QUICKENING Law of Compensation

Nanna Beth – 3rd Celestial Heaven,
2 April 2019:

Law of Compensation

Pain to inflict,
here it is!

‘Earthing’ levels of the Law of Compensation are far greater than anything humanity could ever come up with so far as ‘destroying one’s enemies’. And yet no people or no person is an enemy. This change is solely for humanity, to help everyone, even the worst most controlling person, to help them end being helplessly and hopelessly trapped within their wrongness, even if they can’t see it nor believe they want to end it. So in the short term they might not give any thanks for what is to be done – what is now being done – however everyone will come to understand and be grateful for ‘turning it around’, for turning them around, for stopping them continuing on in their mad rebellious rush to oblivion.

A lot of mostly well-meaning people will be fine, like how it is for most well meaning people when they arrive in the Mansion Worlds, with a few minor adjustments being made, but over all a huge sense of relief being experienced that ‘God has your back’, that you can finally trust and rely on God to ‘look after you’ because no one will be able to hurt or harm you as they’d instantly suffer such trauma themselves and even possibly before they got to the point of openly inflicting it on you.

THE TURNAROUND

GOD'S GOT
YOUR BACK!

A hypothetical example of how the quickening or ‘Earthing’ of the Law of Compensation may work as it does within the 1st Spirit Mansion World:

James: What's to stop the hidden controllers discovering I like women, to set me up with say a nice Russian alluring Jewish woman, who comes into my life on the pretext of wanting to do her Healing, only to stitch me up or knock me off? I like allowing my woman-fantasies to run amuck, as you understand?

Nanna Beth – 3rd Celestial Heaven: In the context of all of this, it's a valid point James, to which I will counter by saying she will not come to you in that light. Firstly, being Healed, you will not feel the same fanciful attraction to such women; and secondly, she wouldn't get a foot in the door, because once you are fully Healed (or the Avonal Pair), then you both personally have 'lowered the Law of Compensation', so it is instantly applied; which means, should anyone seek to even contemplate harming you, let alone the physical destruction of you, then that person or persons will be 'struck down' by the Law of Compensation hardly able to function anymore as all the pain of that harm they were wishing to inflict on you would become inflicted instead on them, with their angels making it happen, leaving them in no condition to approach you, to seduce you with any feminine charms, or to plot blowing you up from afar. And then, as we've talked about, that personal relationship with the Law of Compensation, because through your Healing you have fully settled it within yourselves, will be imposed on humanity when the time is right, by you (or the Avonal Pair) carrying out the dictates of the Eternal Son and Infinite Daughter. And when that happens, there goes all the plans of the Evil Ones, all the Jewish control and anyone else seeking any sort of control over nature or anyone else.

And as we talked about yesterday, then it will be like a 'blanket from Heaven' will descend over the whole world – the whole of humanity, and a spiritual blanket – bringing with it a sense of peace as everyone instantly becomes subjected to the Law of Compensation to the level of the first mansion world. However up until that time, so the plans of the Rebellion will move toward fruition, with we Celestials mitigating some of them, those we're allowed to interfere with as you progress in your Healing.

Angels of Encouragement to Behave! We each have two angels with us at all times.

When the time comes, the Angels will administer the Law of Compensation as it is Earthed. It is through the earthing of this law that an era of peace may prevail over humanity on Earth. A form of the carrot and the stick. The carrot being our transformation through undertaking our Healing with Divine Love – Soul Healing.

WE EACH have a Nature Spirit pair, Spirit Guide pair and an Angelic Pair:

For those doing their Healing or are interested in doing it will from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about ‘sharing’ the same angels or guides or nature spirits, it is about you relating specifically to your ‘own’ ones because they are provided for YOU. It’s all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it’s the same of course in life with your friends, however over there, in spirit, dealing with Nature Spirits, Spirit Guides, and Angels, it’s more personal and private and ‘JUST FOR YOU’. So we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain’t going to be assigned to anyone else, so she won’t be sharing herself around.

This is SO IMPORTANT to understand so that in future there won’t be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is all they are speaking with.

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their ‘soulmate’ relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. *Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit mansion worlds, however, our personal Angelic pair continues with us to Paradise, and then even possibly being with us throughout eternity.*

Feelings first

MAN is not meant to INTERFERE with the DRIVERS of PAIN:

21 September 2011

Verna, a Nature Spirit: Mary spoke of the disease resistant microbes coming about because of all the antibiotic food animals are forced to eat in some of the developed countries, well that's our department, one of them anyway. We are the ones responsible for such disease resistant bacteria. You see bacteria are open to easy manipulation from us, and so we're slowly bringing about the disease resistant strains along with the viruses and funguses that will be required by humanity in the times to come.

Humanity is NOT meant to heal itself of all disease by killing off the microbe, by doing things to stop it harming you. Humanity is to grow in truth beyond the need to have such microbes affect it, thereby not having to do anything at all to 'protect' itself from the so-called 'bugs'. The common cold only causes you such bother because you're already causing yourselves so much bother by refusing to feel the bad feelings you're denying. The bothers are the same, the cold coming to you so you can feel how you're really feeling – bothered, that being how your parents made you feel.

Humanity is to see that it's futile to keep trying to solve the problem by killing it, that it won't go away that way. It might be able to delude itself that it's done the job, but it's only short term and the bug will return, even stronger than it was. Had you left it as it was, and concentrated on growing in truth through the doing of your feeling-healing, then you'd have nothing to worry about from the bug. The bugs only cause you the suffering you require because it's what you need to help you feel bad as you refuse to allow yourself to feel as you do – bad. But instead of allowing it to make you feel bad, all so you can express such bad feelings uncovering the truth of them, you try to kill it and make it go away only exacerbating your self- and feeling-denial, only making things even worse for you in the long run.

When you have a disease, all the pain you feel from it IS ALREADY pain that's already within you, it's nothing new. You're not suddenly being attacked by this thing that's causing you all this pain. You're being helped by this thing to become aware of the pain you're already feeling, but are refusing to accept and acknowledge. And because you are denying yourself this pain, it all being felt in your early life and being kept buried within you, so it seems like suddenly you're full of pain all because of your disease. And it's true that on a physical level the disease is causing you pain, but on the emotional, mental, spiritual and psychological levels, it's only helping you become aware of what you're not allowing yourself to feel. So do you see, YOU ARE ALREADY THE PAIN, it's all already there in you, you're already feeling it, only you've told yourself you're not. So the bug comes along into your body, your soul allows it to 'infect' you instead of rejecting it, and it makes you feel bad, all the bad feelings that are lying dormant within you. Only they are not dormant, you've just blocked them out, that being how extraordinary the mind is.

Were humanity true to its feelings and not under the influence of the Rebellion, it would have evolved beyond the current diseases that afflict it. It would have encountered other higher diseases, but would be well on the way to not having to require their help either. There are higher diseases awaiting humanity in the future, as it moves beyond the current ones, but by then such disease will be known for what it is, to help stimulate certain feelings which when expressed and the truth found, bring about the healing of the illness. As for the current diseases, we'll keep making them resistant to your medicines forever, it's all very easy for us.

WHY WE HAVE BEEN ADHERING to ONE ‘HOLY BOOK’ :

Solid Investment History Notes Vol II

Nanna Beth, 3rd Celestial Heaven: Yes, James, it’s all part of our working the loopholes in the Rebellion and Default Contract. It is as I said the other day, being very involved in the whole ordeal, it having been put together over hundreds of thousands of years, and were the Evil Ones still currently in control of Earth, then it would still be being added to with every further advancement in their control of humanity as the aeons pass.

However we are now working to unwind and release humanity from this binding condition, and part of my and Helen working with Crystal and John is part of this. Helen and her team can only do so much at one time, which includes working with Crystal and Joe, and so she can’t talk as much to James, whereas I can come in taking over and working at it from a slightly different angle – which even involves at this time in your growth James, my being able to reveal more about this **Legal Universal Contract that is the Rebellion and Default**. And it’s also why, to answer your earlier questions to Marion about it, why we Celestials and Mary and Jesus weren’t allowed to come forward about it right from the beginning, having to edge our way along with you as you pushed deeper into yourself, thereby allowing ourselves to reveal more, which is still happening, so the further you progress in your Healing the more we can reveal about it from our side. And this then also includes all John and Crystal are doing, they being able to progress with the SI (Solid Investment) saga as you have progressed on the spiritual side of things, because only then has such progress been made. It all hinges and will continue to hinge, around the spiritual progress being made by yourself and Marion. It all has since your conceptions, so it’s been an ongoing working from our side in bringing all this about, which has included working Crystal, John and Samantha right through their lives in preparation, along with a lot of other as yet unknown people. And then you can take it back including The Urantia Book (TUB) and Padgett Messages (PM).

And to answer your other earlier questions James, about the wonkiness of those two works and why they were even necessary when surely the Avonals themselves could have revealed all they are offering, which is true, however it’s all once again in keeping with the Legal requirements of the Rebellion and Default. TUB and the PM were ‘earthed’ via loopholes in the Contacts, and had to be done so as to maintain those loopholes or cracks as I called them the other day. And so it’s the same crack that they were worked through, that Solid Investment (SI) is being worked through, which includes allowing Joe to do what he is able to do, which is allowing you all to move along with it.

So if the Avonals were simply to do it all, first of all they couldn’t have because they would have to override the whole Rebellion and Default effectively coming in over the top of it rendering it obsolete and impotent, but to do that they would not have been able to take it on themselves and Heal it. And that would have made things infinitely more complicated, for what would you have then, the Rebellion and Default ending dead in their tracks, and the Avonals standing up saying you all have to live **the New Way** now, yet how would people be able to suddenly change, dropping their evilness and instantly becoming true as the Avonals would be true? So that couldn’t happen, so the Avonals too are having to exploit the cracks in the Rebellion and Default, coming in to the Rebellion and Default, taking them on, working to heal them within themselves and thereby revealing and opening up The Way for people and mind spirits to follow should they want to end it within themselves. And part of this struggle with all of this is in having their ‘Avonalness’ denied them, they are not to have their full Avonal power (until they are Healed) and so awareness like Jesus had as he grew up and grew into his public career knowing what he was about and what it was he was to do, and so depriving part of their revelation adding further to their denial by putting that part of their revelation in two books.

And as you know James, that has complicated things no end for you, and it still is as you're still having to reconcile it with all you and Marion are working through, this being even now what I am conveying to you, a part of it. For as I've told you before, you both have really no idea as to the amount of denial you've been submitted to, all of which you're having to work laboriously through, which is why your Healing is taking so long. And it's also why everything else is so laboriously drawn out too, such as SI, and even the influence of TUB (The Urantia Book) and the PM (Padgett Messages). And why so many people get stuck in them and can't move on, it all being what is still required by the **Contract of the Rebellion and Default**.

And it's going to continue on this way until you and Marion complete your Healing, for there is no other way for things to happen. Yet as you are now waking up to and accepting how it works, so you too are able to accommodate it, working with it, and turning it to your advantage.

John: A key statement in these writings which are outlining an aspect of the ending of the spiritual age of the Creator Daughter and Son and the transfer over to the Spiritual Age of the Avonal Daughter and Son is this:

“Why so many people get stuck in them (a given so-called Holy Book) and can't move on, it all being what is still required by the **Contract of the Rebellion and Default**.”

Worldwide we see communities, large and small, embracing a particular 'holy book' to the exclusion of all others. You see whole nations adhering to one such 'holy book'. We see a household adhering to a given 'holy book' generation after generation and yet their neighbour embraces a different book, so they do not communicate, also for generation after generation. Rarely does a person open themselves to the possibilities that there is much, much more to be known about our true selves, spirituality and our Heavenly Mother and Father (oh my God, I said Heavenly Mother!). Why is this so?

For the past 200,000 years, our spiritual oversight has been governed by a Universal Contract and it is the Contract of the Rebellion and Default. This contract is in the final moments of its outworking. Until the last vestiges of the outworking are complete, humanity will not be open, let alone be capable of comprehending the spiritual revelations that are now being revealed. The Avonal Pair need to complete their personal healing of what they have taken on of the Rebellion and Default. Then all of humanity will be able to consider these revelations – the Contract will be finished with.

However, here is what humanity has submitted itself to for the past 200,000 years. We have embraced the Rebellion and dictates of high level spirits of the Lanonandek class, namely the Lucifer, Satan, Caligastia and Daligastia soulmate pairs. All spiritual books that humanity has embraced are of their work and manipulations! Humanity has no holy books. Humanity has been entrapped into the errors of the Evil Ones and only now, since the writings of the Padgett Messages, The Urantia Book and those of James Moncrief with some auxiliary works have we had spiritual guidance that is revelatory and in Truth.

Rothschild Bankers Looting Nations through World Bank / IMF

<https://truth11.com/2011/03/08/rothschild-bankers-looting-nations-through-world-bankimf/>

By Raymond L'Heureux and Richard Salbat - Sovereign Independent

March 8, 2011

The World Bank / IMF is owned and controlled by NM Rothschild & Sons plus 30 to 40 of the wealthiest people in the world. For over 150 years they have planned to take over the planet through money. The former chief economist of the World Bank, Joe Stiglitz, was fired in 2000.

He pointed out to top executives that every country the IMF / World Bank forced their way into ended up with a crashed economy, a destroyed government and some even broke out in riots. Former President of the World Bank / IMF Sir James Wolfensohn, would not comment on his dismissal.

Before Joe Stiglitz was fired he took a large stack of secret documents out of the World Bank. These secret documents from the World Bank and the International Monetary Fund reveal that the IMF required nations:

1. To sign secret agreements containing 111 destructive items. (I'd love to get a hold of that list).
2. To agree to sell off their key assets – water, electric, gas, etc.
3. To agree to take economic steps which are devastating to the nations involved.

If they do not agree to these steps they are cut-off from all international Import / Export. If you can't borrow money in the international marketplace, no one can survive, whether you are people, corporations or countries. If that doesn't work they overthrow the government and rewrite history.

The Argentina Plan

Inside documents from Argentina show the top-secret Argentine plan. This was signed by Sir James Wolfensohn, the former president of the World Bank. Argentina has had six presidents in five weeks because their economy is completely destroyed. This happened because they started out in the end of the 1980s with orders from the IMF and World Bank to sell-off all their assets, public assets, like their water system. Then they taxed the people. They created big government and big government handed it off to the private IMF / World Bank. They pay off the politicians billions in Swiss bank accounts.

Cronies like Citibank grabbed half the Argentine banks. British Petroleum grabbed pipelines in Ecuador. Enron grabbed water systems all over the place. The problem is that they are destroying these systems as well. You can't even get drinking water in Buenos Aires. It is not just a question of theft. It is more than someone getting rich at the public expense. And the IMF just got handed the Great Lakes. They have the sole control over the water supply now. The IMF and the World Bank is 51% owned by the United States Treasury.

Remember What We Learned From Enron

The water system of Buenos Aires was sold off for a song to Enron. A pipeline was sold off, that runs between Argentina and Chile. The globalists then blew out Enron after transferring the assets to another dummy corporation.

They come in, pay off politicians to transfer the water systems, the railways, the telephone companies, the nationalised oil companies, and gas stations, etc, etc... – The appointed or selected politicians then hand over raped assets to the IMF for nothing. The Globalists pay them off individually, billions a piece in Swiss bank accounts. Their plan is total slavery for the entire population.

IMF Planned Riots

The IMF / World Bank have been systematically tearing nations apart, whether it's Ecuador or Argentina or America and Israel. Privatisation equals Pillaging and Rape. Steal from the people and hand over everything to the IMF / World Bank.

The world is in flames.

They know that when they squeeze a country and destroy its economy, you'll get riots in the streets. And they admit that because you have riot, all the capital runs away from whatever country and that presents the opportunity for the IMF to move in for the serious takeover.

It really is an imperial economy war meant to implode countries and now they have started in America. They are damn greedy. Chief investigators of the State of California said that that it's not just the stockholders that get ripped off. They suck millions, billions even trillions of dollars out of the public pockets. Where are the assets? See, everybody says there are no assets left. They transfer all assets to other corporations and banks.

Rothschild – The Plague Of The Red Shield

Burrow into NM Rothschild & Sons, you'll find it all there. The IMF / World Bank implosion, four points, how they bring down a country and destroy the resources of the people. First you open up the capital markets. That is, you sell off your local banks' gold to foreign buyers. Then you go to what's called market-based pricing or even silver. That's the stuff like in California where everything is free market and you end up with water bills no one can pay. Then open up your borders to trade. It's like the opium wars. This isn't free trade; this is coercion trade. This is war. **They are taking apart economies through this system. China has a 50% to 60% tariff on the U.S. but the U.S. has a 2% on them. That's not free and fair trade. It's to force all industry into a state of one world order that the globalists control 100%.**

“Beware of calls to return to a gold standard. Why? Simple. Because never before has so much gold been so concentrated outside of American hands. And never before has so much gold been in the hands of international governmental bodies such as the World Bank and International Monetary Fund. In fact, the IMF now holds more gold then any central bank.” ~ Bill Still

GREAT U-TURN, THE CHANGE and the AVONAL AGE:

Monday, 24 December 2018

Nanna Beth – 3rd Celestial Heaven: The ‘Great U-Turn’ is what is happening now, it being the overall description denoting humanity turning away from following and advancing the Rebellion and its evilness as seen by living increasingly in a truth-denying state, to wanting to live true, to love truth, to be truth-accepting, all of which comes about ultimately by doing your Healing, as you become the living truth as it’s revealed to you; and also by people, like yourself John, who are currently more intent on understanding about it on an intellectual level. Both are needed, everyone who wants to embark upon their own personal U-Turn and the collective one of humanity, needs to understand a certain amount of what it’s all about with their mind as they work to bring the truths to light within themselves through their Healing. So anything to do with ‘reversing’ the Rebellion and Default is all part of the U-Turn. And it starts in a very small way within the individual, as it has already with the whole of humanity, being reflected by yourself and the others of your small band, who are wanting to live it and have accepted and believe it’s happening.

The Change, as such, is the same thing really, however technically The Change begins with the dawning of the new Spiritual Age – the Avonal

THE CHANGE

Age. The Change as I was referring to it yesterday was to highlight that once the Avonal Age begins in earnest, EVERYTHING will change. So currently, even though the Change and U-Turn have ‘begun’, it’s early days, just the ‘scouts’ going out in all directions in preparation for the ‘main event’. So technically we can’t say The Change has begun, whereas in time when Mary and Jesus’ age ends and the Avonal Age begins, then we can say it has begun. Whereas we can say the U-Turn has begun, it being a more vague term and not a technical definition.

Also, James has written about The Change in his Sage novels in reference to all I have said above and also the Earth Changes, including the Pole Shift. However the Pole Shift, were it to come during the Avonal Age, would then be part of The Change, The Change being the whole 1,000 years. It’s going to take the whole 1,000 years to implement on the parent to child level the necessary Changes so as to ensure that the effects of the Rebellion will truly come to an end, with that “end” still going beyond the Avonal Age to complete. So the Pole Shift is just a physical phenomena, and certainly of itself it will cause great change, but it doesn’t of itself affect any spiritual change against the Rebellion and Default, and in the past it has helped humanity go deeper into its wrongness.

So the real Change I’m talking about is spiritual and involves the ending of humanity’s truth denial. That’s the most important part, to help people see they are living against the Truth, of themselves and of God, and that all they are

doing is part of that, and that if they want to end that, they will have to do their Healing. So the Change will be with the awakening to that, a consciousness shift, a vast change to the mind of mankind as it considers the state it’s in: that ALL it is doing, ALL it’s believed was right, ALL of it’s religious and spiritual beliefs, outlooks, attitudes, are all only keeping it in its truth-denying state.

Imagine the whole of humanity understanding and focused in the direction of knowing everyone is suffering because of being under the Rebellion and that it doesn’t have to be that way. So people living increasingly in the wrong direction and going further against themselves, once The Change fully starts,

won't be able to evolve further into a deeper or greater rebellious state, however stagnation within where it's stalled will be a big issue for a lot of people and mind spirits, those people and spirits who don't want to accept that's how they are is all wrong.

So you can say the Great U-Turn has started, the writing is on the wall for the Rebellion and Default, and when the Avonals come of age, when they finish their Healing and openly (publicly) declare who they are to the world (even if that world is only a very small group of humanity), then The Change will have begun.

REBELLION & **DEFAULT**

And once The Change officially begins, there is no turning back. After the Avonal Age, humanity will be given the chance to resume its evil ways and turn its back on The Change and all the Avonal Age has done, and certain people and mind spirits will want to do that, however they won't be able to change the momentum being lived by those who are intent on living true to themselves and God through their feelings. (The availability of Divine Love may be withdrawn for the following spiritual age.) Still in all fairness humanity has to be given the opportunity to decide whether or not it wants to fully heal itself, and without having imposed on it such strong influences as caused by the Avonal presence. But that's all a long time off.

GREAT U Turn & THE CHANGE

So the Avonal Age is a specific Spiritual Age (which you read about in TUB – The Urantia Book), giving rise to The Change in which humanity ends its truth-denial and living unlovingly against itself and its Mother and Father, all of which is the Great U-Turn.

The New Way: Learning how to live true to ourselves by living true to our feelings.

Arvonal Revelation

- We are to live Feelings First.
- We've been made to use our mind to live against many of our feelings.
- Our mind control commences at conception and is developed through our childhood.
- All the bad feelings we didn't express as we were growing up are still repressed inside us.
- And all such hidden, buried and unwanted feelings have to come out.
- And whilst they remain repressed within us, they will continue to make us feel bad and unloved.
- We get sick, depressed, suffer, have bad things happen to us because of our repressed childhood feelings.
- Humanity was brought into this state of living against itself by higher rebellious spirits.
- These Evil Ones caused the Rebellion and Default.
- We are made to rebel by default – as we have no idea we're doing it through our parenting in wrongness.
- We are all parented unlovingly – against ourselves, against our will.
- Some parenting in the wrongness is done with more love, yet it's all still wrong.
- To heal this unloving state within ourselves we have to do our Healing.
- Our Healing is our Feeling-Healing or Soul-Healing with the Divine Love.
- We can long to God for Their Divine Love, and this will help us with our Healing.
- God is our Heavenly Mother and Father, the Feminine Aspects of God having been kept hidden from us by the Evil Spirits.
- All humanity's religions and spiritual systems are designed to keep the wrongness going, to keep us away from God.
- Only by living The New Way, Feelings First Spirituality can you become right, and truly find God.
- Long for the Divine Love.
- Long for the Truth of your Feelings.
- Accepting all you feel is accepting all of yourself, it's your greatest act of self-love.
- And wanting to know the truth of your feelings, is your next greatest act of self-love.
- Love yourself through your feeling-acceptance, and the Truth will set you Free!

The VOYAGE for KIDS with LIVING FEELINGS FIRST:

Being Unloved and Rejected!

**FEELING
HEALING
For Kids**

We, as parents, endeavour to impose upon our children the personality we desire, in the same manner as our parents did to us, thus perpetuating century old cycles. We substitute the personality that our Heavenly Mother and Father have vested our children with, thus suppressing our children's free will. Through Voyage for Kids with Feeling Healing we are able to bring about Living Feelings First. One can begin to live true to themselves and express their true personality. We are to long for the truth behind our feelings, both good and bad, and express our feelings to a friend, thus steadily shedding our childhood repression and suppression. In this way we will end the cycle of humanity retardation and become free to be whom we truly are.

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:

James Moncrief Publications:

all publications are free downloads:

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on themselves and doing their Healing.

Feeling Bad? Bad Feelings are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:

The True Gospel Revealed Anew by Jesus volumes 1 – 4

Book of Truths by Joseph Babinsky

The Urantia Book

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.
