PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about looking within oneself. Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MoC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Health – Energy Level of Food. From each person's perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Contents are not to be interpreted as an independent guide to self-healing. The information sourced herein is not from a doctor or doctors, and any information provided in this document should not be in lieu of consultation with your physician, doctor, or other health care professional. Pascas, nor anyone associated with this document, does not assume any responsibility whatsoever for the results of any application or use of any process, technique, compound or potion as described within this document.

The sources of contents are noted throughout the document. In doing so, we acknowledge the importance of these sources and encourage our readers to consider further these sources. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we apologise. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

We offer all contents in love and with the fullness of grace, which is intended to flow to readers who join us upon this fascinating journey throughout this incredible changing era we are all experiencing.

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

FEELING HEALING COMMENTS:

James Moncrief has introduced to humanity the second of two revelations for the evolution of all souls. This, in itself, is of such profound importance to each and every one of us that it is incomprehensible.

The guidance that he has relayed and revealed is a gift of love that has been the focus of his life since the mid 1980's. While in London, James commenced his spiritual investigation having been introduced to a 'new-age' bookstore during 1987, when at the age of 26. It was early in 1990 that James was introduced to the Angelic Revelations of Divine Truth, containing the Padgett Messages, that his brother had acquired in Los Angeles and brought to Melbourne, Australia.

It was later, during 1990, at a rain sodden beach, in northern New South Wales, Australia, that James experienced the fullness of his capabilities to hear and see spirit personalities. Engagement of communication with the Father was throughout his two weeks there, this experience was followed by the Mother and then Mary of Magdalene over the following few months.

It was around 1995 that he vaguely started his healing. He could not understand the relationship of his feelings with the need to do one's healing. The more Divine Love that James received, the worse he felt. He continually longed for the Truth. Then it was through his partner, Marion, in early 1995, that he understood he had to release his emotional injuries, which was the beginning of their doing their Feeling Healing together, Marion having already started hers some years earlier. Also, James began to recognise that having embraced our Heavenly Parents' Divine Love that the desire and need to undertake the release of emotional injuries was an emerging feeling. When one embraces Divine Love, then the process is profoundly more evolutionary for one's soul and is referred to as Soul Healing.

Though some messages had been written down from 1990 onwards, it was not until 1996, James progressed from the written word to a computer, recording communications from spirit personalities. Initially, the messages were recorded in diary form, and then in book form. James has put all that has come to him through his Healing into various novels, diaries of messages from spirits, and books detailing examples of his and Marion's Soul-Healing experiences.

Now, some twenty years of communications and personal involvement in the process of feeling into / embracing one's childhood repression and subsequent emotional injuries and errors, James' guidance pertaining to embracing Feeling Healing is profoundly enhanced by his and Marion's beautiful souls. Marion led the way for James. We are all now benefiting from their personal experiences and the guidance that has been incomprehensibly provided by Jesus of Nazareth and Mary of Magdalene, now appropriately referred to as Jesus and Mary of Nebadon.

The guidance and events that are outlined in the writings of James Moncrief are the second Revelation that has been given to humanity by Jesus and Mary so that we can proceed to heal ourselves. The first Revelation is the availability of Divine Love and what it entails, this being revealed through James Padgett commencing in 1914. The second Revelation is the process of engaging in Feeling Healing so that one's soul can evolve and become fitted to enter the Celestial Heavens and progress on its journey of the discovery of truth that leads to Paradise.

Feeling Healing with Divine Love (Soul Healing) is the pathway. The Feeling Healing is for those people and spirits who might want to do their Healing but without the Divine Love, and if they do that, they will still technically be limited to the Mansion Worlds of the natural love spheres. It is only by also partaking of the Divine Love and doing one's Soul Healing that we can move beyond the Mansion Worlds as our soul is transformed to fit it to live in the Divine Celestial worlds.

Embracing the Divine Love does not stimulate or prompt one to start one's Healing. The Divine Love is only about our wanting to feel loved by our Mother and Father, it really having nothing to do with the Healing, which is why the Healing is a whole separate revelation and presentation to humanity. What prompts one to do their Healing is because when you get to the end of it, and are completely fed up and in despair not knowing what else one can do... that's about when you want to start getting serious about doing your Healing. Feeling Healing, or Soul Healing with Divine Love, is the pathway to Truth and to our Heavenly Parents.

The magnitude of the guidance available through James' writings will unfold as we enter into the discovery of what he has recorded and continues to do under the heading: Divine Love Spirituality.

In this endeavour many are embracing these works of love, of which I am one.

Aspiring to Living Feelings First

John Doel

James contemplating the enormity of the revelations and guidance encapsulated in the writings he has conveyed for all of humanity, which the world is to progressively embrace.

Tick, tick, tick...

HISTORY UNFOLDING:

Man was 'seeded' on Earth maybe some one million years ago in its primitive nature form, they were named Andon and Fonta. It was the arrival of Adam and Eve some thirty eight thousand years ago that there was to be an endeavour to significantly evolve the human race on Earth, both spiritually and genetically. In this endeavour, Adam and Eve defaulted, both succumbing to the ways of the rebellion that had been embraced by humanity in its animalistic nature over the several thousand years previously.

The Rebellion had been in play for maybe some three to five hundred thousand years. The Rebellion is that of one succumbing to one's mind and being self reliant, rather than embracing our Heavenly Parent's Will. From the outbreak of the rebellion to the day of enthronement of Jesus and Mary as sovereign rulers of Nebadon, Jesus and Mary never interfered with the rebel forces of Lucifer or their deputies, Satan.

It was the bestowal of Mary and Jesus, their coming to Earth, two thousand years ago, that brought about the authority and power for the removal of Lucifer. It was their coming into physical life and living on Earth, and remaining in a perfect state, that brought about the escalation of their authority and the termination of the Rebellion at that time.

During the two thousand years leading to this current time, the remnants of the Rebellion were progressively removed. The Caligastians and Daligastians, who remained embellishing the role of 'gods' in the natural love Mansion Worlds / spheres, had continued with their self-made appointment as rulers, now having only very recently been disposed from their 'thrones'.

Only now can humanity be guided to the pathway of stepping away from the pain and misery of being self reliant, and embracing the will of our Heavenly Parents, Mother and Father God. Only now can the feminine aspect come to full bloom and be revealed. Only now can the process of releasing the erroneous teachings that generation after generation hand down to their children be explained and be rebuffed. All of which could not be revealed under the rules of the Rebellion.

As Mary and Jesus, the Creator Daughter and Son of Nebadon, were perfect throughout their physical life, they do not have the personal experiences to adequately share with us how to heal ourselves of our evilness / errors, that of denying Mother and Father God and themselves, Mary and Jesus. And now there is possibly another bestowal pair on Earth. This pair being the Avonals. If they are here, then they will have embraced all the errors and evilness that humanity is in as they work through the Feeling Healing process and also embrace Soul Healing. Upon their physical deaths, they would release their spirits of truth and all of humanity who wish to undertake their Feeling Healing and Soul Healing, should they long for their support, will be able to access these Spirits of Truth for assistance.

Paradise Magisterial Sons and Daughters constitute the order of Avonals in contradistinction to the order of Michael, the Creator Sons and Daughters. Though not creators in the personal sense, they are closely associated with the Michaels in all their work. The Avonals are planetary ministers and judges, the magistrates of the time-space realms — of all races, to all worlds, and in all universes.

Humanity will continue to connect with the Spirits of Truth of Mary and Jesus, even though Mary and Jesus will now step back from assisting humanity and enable the Avonal pair to assist and guide humanity in this coming age. This change over is the end time of Mary and Jesus' era.

This time, in the history of humanity, is the most exciting time ever experienced.

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are soulmates and a son and daughter of God.

Mary of Magdalene and Jesus of Nazareth, were both free of sin. Mary and Jesus, combined in their love for us, are our spiritual teachers and guidance for us to find our way home to our Heavenly Parents. Mary and Jesus have liberated their Spirits of Truth who we can long to for assistance and guidance. They are known as Jesus and Mary of Nebadon, the universe system in which Earth is. They are the Creator Son and Daughter ruling this region.

To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since our conception.

The Avonal pair, should they be here, are to support humanity on Earth exclusively. They are to continue the work of the Creator Pair, Mary and Jesus, and will be assisted by them. The Avonal pair will, during their life on Earth, experience the full Feeling Healing process and Soul Healing process so that through their Spirits of Truth, which they are to release upon their physical death, will be able to be called upon by all those who embrace their own Healing. The Earth names of the Avonal Pair may not become known.

Humanity, all being soulmate pairs, are ascending mortal souls who are to reach inward and progress Paradise-ward for the God experience. As part of our journey of evolving our souls we are to experience evil, that is the denial of God and the Creator Pair. We can long to the Spirits of Truth of Mary and Jesus and soon to the Spirits of Truth of the Avonal Pair. Our Indwelling Spirit is our direct connection to and with God.

NOTES from the writings of James Moncrief:

Mary and Jesus' comments on the Padgett Messages

Of my (James) writings with the Infinite Spirit as the Infinite Daughter Spirit. I prefer seeing 'Her' as the 'Mother of the Mind – Thoughts'; whereas the Eternal Son is the 'Father of the Truth – Feelings'. They are being the Deity 'Children' of our Paradise Parents, our Heavenly Mother and Father. Together they make up the Paradise Trinity: the Father (and Mother), Eternal Son and Infinite Daughter. Not to be confused with the local universal trinity: Jesus (and Mary Magdalene), the Holy Spirit – from the Divine Minister, and ourselves – ascending mortals.

Mary and Jesus are both on the Truth side, as are all men and women, it's the angels that are on the Mind side. And Mary is not the Infinite Daughter, that's a God, Mary is a child like us – our older sister if you like. Same with Jesus, he is not the Eternal Son. The Paradise Pair, so both Mary and Jesus, are of the Eternal Son (Truth) and the Father and Mother, that's their soul essence, that's why we look to them to know the Mother and Father, for in them we see and so can know, the Mother and Father. It's why they are our spiritual – truth – 'mother' and 'father', the mother and father of Truth in Nebadon, so if you like, they are the manifestation of the Eternal Son – of the Truth.

Humanity, even with the help of The Urantia Book (TUB), still has no idea about the severity of the Rebellion and its impact and influences on us – what the so-called Evil Ones (the higher spirits that should have been looking after us) have done to us. And how it has been orchestrated from the higher rebellious spirits and fallen angels up until Jesus (and Mary Magdalene) technically ended it. But still its influences are very real and are the reasons why we're in rebellion against love, truth, beauty and all that is good, Mary and Jesus, and our Mother and Father.

Padgett Messages:

January 31, 1915

I am here, Jesus –

“The world will not be destroyed as it is taught by some, in the interpreting of the Bible, but when the great day of judgement comes, all sin will be eradicated from the world, and mankind will continue to live upon the Earth, free from sin and unhappiness, just as it is supposed Adam and Eve lived in the Garden of Eden.”

And that great day James, will be when the last person has finished doing his feeling-healing. Not any time soon for you James I'm afraid. Not that it will worry you either.

The Father and Mother created the negative mind condition you are all suffering in, and so when it has fulfilled its purpose, then They will see to it that all sin and evil – all negative minds – are healed on Earth. People will by then have evolved in truth to the level whereby they are no longer bringing their children into the world forcing them into a negative condition by default, as they are and have been down through the ages.

Padgett Messages:

January 31, 1915

“No man has ever heard the voice of God, for He has no voice.” However you understand I am meaning this on a soul level, for as you have experienced James, the Mother and Father can speak to you directly through your Indwelling Spirit of God. And you will in time, feel – perceive – the Mother and Father speaking, that is, communicating, with you through your soul, especially once such inner channels are open and pure when you've completed your healing.

The Mother and Father are of course two real personalities, this being something that is increasing in significance for you as your soul awakens.

Embrace both Mary's and my (Jesus') Spirits of Truth. One's true spiritual awakening, which really is when one starts to grow earnestly in truth, comes first to the mind – when one acknowledges such change of belief, then really begins in earnest when one starts doing ones soul-healing.

James commented that Jesus and Mary had liberated the availability of the Holy Spirit to bring the Divine Love to all souls by being present physically on Earth.

Mary and my (Jesus') lives on Earth, by our very presence, meant that the Mother and Father were making Their love available. And from then on if anyone denies Mary or I – the truth of such love – then they are effectively sinning (in error). This taking the negative state that everyone is conceived into, onto deeper levels, those of which have been manifesting over these past two thousand years.

Adam and Eve are the Adamic Pair that were to infuse higher genetic material into the local races. In this light you could say they are the First Parents as they were the highest spiritual parents humanity had seen, being a local universal Descending Daughter and Son.

Padgett Messages:

March 3, 1915

I am here, Jesus -

“Adam and Eve, or whom they personify, had not this Celestial Love – only the natural love that belonged to their creation as human beings, and yet, they were comparatively happy; but their happiness was not like that of the angels who live in the Celestial Heavens where only this Divine Love of God exists. They were mortals, and when temptation came to them, the love that they possessed was not able to resist it, and they succumbed.”

Further notes from **The Urantia Book** (TUB):

(239.9) 21:4.3 Though these seven bestowals vary in the different sectors and universes, they always embrace the mortal-bestowal adventure. In the final bestowal a Creator Son appears as a member of one of the higher mortal races on some inhabited world, usually as a member of that racial group which contains the largest hereditary legacy of the Adamic stock which has previously been imported to upstep the physical status of the animal-origin peoples. Only once in his sevenfold career as a bestowal Son is a Paradise Michael born of woman as you have the record of the babe of Bethlehem. Only once does he live and die as a member of the lowest order of evolutionary will creatures.

(382.4) 34:7.4 The Urantia peoples are suffering the consequences of a double deprivation of help in this task of progressive planetary spiritual attainment. The Caligastia upheaval precipitated world-wide confusion and robbed all subsequent generations of the moral assistance which a well-ordered society would have provided. But even more disastrous was the Adamic default in that it deprived the races of that superior type of physical nature which would have been more consonant with spiritual aspirations.

(382.5) 34:7.5 Urantia mortals are compelled to undergo such marked struggling between the spirit and the flesh because their remote ancestors were not more fully Adamized by the Edenic bestowal. It was the divine plan that the mortal races of Urantia should have had physical natures more naturally spirit responsive.

(382.6) 34:7.6 Notwithstanding this double disaster to man's nature and his environment, present-day mortals would experience less of this apparent warfare between the flesh and the spirit if they would

enter the spirit kingdom, wherein the faith sons of God enjoy comparative deliverance from the slave-bondage of the flesh in the enlightened and liberating service of wholehearted devotion to doing the will of the Father in heaven. Jesus showed mankind the new way of mortal living whereby human beings may very largely escape the dire consequences of the Caligastic rebellion and most effectively compensate for the deprivations resulting from the Adamic default. “The spirit of the life of Christ Jesus has made us free from the law of animal living and the temptations of evil and sin.” “This is the victory that overcomes the flesh, even your faith.”

(415.2) 37:9.10 On a planetary mission the Material Son and Daughter are commissioned to found the Adamic race of that world, a race designed eventually to amalgamate with the mortal inhabitants of that sphere. Planetary Adams are both descending and ascending Sons, but we ordinarily class them as ascending.”

Notes from book 2 – Mary and Jesus’ comments on the Padgett Messages

James, as you would do yourself, so to would I refer the reader to the account of Eve and Adam in *The Urantia Book*, for it explains things reasonably well enough. However if one reads it, one also has to keep in mind it is still an account seen in the light of the masculine only, and as Mary has spoken to you about this, I don’t need to say anything further.

Adam and Eve being divine spirits (just as were Mary and I at our incarnation) when awakened in material form, were of only perfect natural love, with, like us, the potential to partake of the Divine Love when it was made available. And by rights as you know, Adam and Eve should still have been living on Earth at the time of our coming. Although had that happened, had they not defaulted, we no doubt wouldn’t have come to Earth, instead giving such experience to an Avonal Pair to reveal the truth of the Father and Mother’s love. However that wasn’t to be.

And the temptation that came to them, was that which exists in natural love, in that you can deny love and so choose to go the way of anti love, truth and light. However, because Eve and Adam were subjected to the Evil Ones, the evil spirits of the Rebellion, they weren’t able to stay true and pure in their natural love, eventually giving rise to their default.

And as Mary has spoken to you, the ‘Great Sin’ was the break down of Eve and Adams relationship, it wasn’t just Eve’s fault. Both Adam and Eve equally went against natural law – that being the natural law of soulmates (soul partners) as being expressed in flesh between them, and separated in soul, spirit, mind, feelings, intent and physically. And it was their relationship breakdown on all these levels that brought about the Default. It wasn’t just Eve going off with another man. That’s all too simplistic, that was only one of the end results, and the final one that signalled on a technical level the default and deterioration of their relationship to that degree. And their relationship started to breakdown, subtly at first, then gaining momentum with the years, right from the beginning, within the first week of their materialisation on Earth, (and really even in their first moment as you might say: at their ‘conception’), because pressures were brought to bear on them on all these levels which they hadn’t been prepared for, nor could cope with. And even if they had been mentally prepared for them, still they wouldn’t have been able to cope in reality.

All the Adamic pairs volunteered for it, everyone wanted to go, it was still too great an opportunity to be missed if chosen, even if the writing was on the wall from the first moment. They believed that even if they couldn’t be completely successful, still some of their genetic material could be passed on, as it was in the end. So not all was lost on that technical point. And on the life point: how they would develop and grow as people and spirits and in truth, having lost their technical status of a descending pair,

becoming an ascending pair and like all other mortals, was in the long run, to give them other opportunities they ordinarily wouldn't have got.

I see what you mean. I see everything in such a one sided way. (Comment by James.)

Only because that was how you were parented, and it's how your world sees everything. Although evil is wrong and bad and it feels terrible when you wake up to being of it, still it has much to offer, all of which in the end and for the greater good enhances the whole, both personally and collectively. If it didn't, the Mother and Father would not create it.

Mary's and my life, work and mission over these past two thousand years has only really concerned spirits in the mind Mansion Worlds so far as trying to introduce them to the Divine Love and all it involves. So far as affecting people on Earth, my work with James Padgett is to, and will always, only ever have a minimum affect, all because it's not being presented in harmony with Mary. And so that's where we are coming to you and Marion. Working with you is presenting a bigger more whole picture, and this in the end is what will change humanity.

Our lives being so limited on Earth really weren't about humanity on Earth, they were about humanity and the rest of our universe in spirit. By our coming we terminated the Rebellion in spirit. We are all about spirit, all because humanity rejected us. And so it will be others, an Avonal Pair that humanity will have to one day look toward for their true salvation, as their revelation will include all that Mary and I have said together, so including all about the need to heal one's negative state. It will then be this Pair that are ALL concerned with humanity on Earth, and not so much with what's going on in spirit, as we've taken care of that end of it. And what goes on Earth through such a Pair, will ultimately lead to the uniting of Heaven and Earth.

TUB (The Urantia Book) speculates that some time soon an Avonal Son (and Avonal Daughter) will appear on Earth on a magisterial mission so as to end Mary's and Jesus' age and start the next one.

With the Divine Love on offer, you have the greatest thing that you can use the most to deny your bad feelings and further deepen your negative condition. To have freely available pure love – the Divine Love, and a love that has no equal, the highest love of all, all whilst you are living in a love-denying condition, is quite extraordinary. And to be freely allowed to do whatever you want with it, to use it to help you heal your evil condition or to further it, is quite amazing. And to see that for all these years since Jesus and my (Mary) time on Earth, you – humanity – have not understood its significance, the whole significance of what our lives were actually all about, is even more incredible.

And so to wake up out of your evil unloving state realising you are defiling the Love and using it to further deny the Mother and Father, is a big thing, and takes a lot of doing.

As the Celestial spirits will testify: evil is only a state of mind. And once you are free of it, then you can only be the very opposite of it – love.

It is only a pity that your parents (James) didn't allow you to grow up unconditionally, for had you, as you now know, you would have remained true to yourself and all your childhood repression would never have occurred.

It all became highly personal after our coming (in the first century), personal in that it was a direct affront to us. Humanity was specifically choosing to reject us, to deny us – our truth, all the truth we were. Up

until our coming, the Rebellion and Default was limited to the System level within Nebadon, and was mostly a rebellion against Mind, a mental rebellion and default as such, notwithstanding the levels of truth denied owing to the Fall of Caligastia's staff and Eve and Adam. But once you denied us, the Creator Pair, then things became much more serious. Humanity was in effect standing up and saying we don't want you, we don't want the truth, we don't want you, God, or your Son and Daughter; we know what's best for us, so go away all of you and leave us alone. With the formation of the Christian churches 'in my and God's name' being the result. These churches being the blatant display showing you are not interested in the truth of God or who I (Jesus) really am; that you want to make up things about us and worship those made up fantasies.

With the coming of such a Paradise Pair as Mary and myself, so too comes the offering of the Mother and Father's Divine Love.

It's compounded everything immeasurably for you. Now you are blatantly denying the truth as represented by the Daughter and Son of Truth, and so to come back from that means you will have to choose to accept all that we are, which means doing your soul-healing.

In the mind or spirit Mansion Worlds of natural love, such work comes to help all the spirits further their negative states, unless they are setting out to do their feeling-healing, in which case it would help them feel the necessary feelings to help with their healing.

No feelings; no truth.

You would only ever be bored in spirit, just as on Earth, as a consequence of your childhood repression, the patterns within you created by your parents during your forming years.

When you are living true, your soul is never static, it's always moving you along, so there are always countless stimulating experiences for you to have, all so you will feel many feelings, all so you will always be actively growing in truth.

The natural love, which you call and rightly so, self-love, contains both good and bad feelings – the ability to feel and experience them.

The Divine Love on the other hand, enables you to only feel good, you can't feel bad with it. It eliminates all such bad feelings (as you do your soul-healing) brought about because you don't feel loved, because it is only true and pure love. And so when you first become divine, when you attain a Celestial state of truth, still you have your natural love, however it's overshadowed by your divine soul. So naturally you won't experience bad feelings as you are experiencing them currently now in your negative and natural love state.

Then as you further ascend in truth, through Nebadon and then Orvonton – the greater Superuniverse, then Havona and all the way to Paradise, your soul will be becoming increasingly divine. And by the time you attain Paradise, you will have enough Divine Love in your soul to qualify you to an audience with the Mother and Father, which really means, you'll be able to withstand the Light of Their Soul being on Paradise, thereby able to be in Their presence.

And by the time this comes, your natural love will be so overshadowed, that you will for all intents and purposes be called divine. So the Finaliters as *The Urantia Book* calls them, ascending mortal souls that have finalised their ascent to Paradise, are classified as being as divine as Mary and I (Jesus) are.

I (Jesus) have been waking up out of my incarnational unconsciousness as it were, for these past years since I was on Earth. And I will continue to do so until Mary's and my age ends, that which is due to happen relatively soon. And of course it's the same for Mary.

So this past two thousand years, in that light, has been remarkable for you both? (Asked James)

It most certainly has. One long re-awaking process, with all that we were before we incarnated coming back to us, but in our new authority as the full reigning Creator Pair of Nebadon. We are gaining with every passing day our full Creator powers, something that has been completely new to both of us: that is to experience such powers in the personality form that we now are – as Mary and Jesus. Our whole orientation about life and what's important has shifted, and it's taken us all this time to make the necessary adjustments to it, particularly as so much of it has been centred around Earth.

To experience such powers in the personality form that we now are – as Mary and Jesus. Our whole orientation about life and what's important has shifted, and it's taken us all this time to make the necessary adjustments to it, particularly as so much of it has been centred around Earth.

So I imagine you are looking forward to the end of this age? (Asked James)

We are. However we're in no rush, it's all a wonderful experience for us. Something to savour, every step of the way.

So what happens for you when this age ends?

There is a huge universal celebration for our final and full coming into being. Then we return officially to Salvington, there to take over the complete reigns of Nebadon.

It really means that no longer will any spirit or spirit personality be able to rebel or default in our universe. All such potential for negative evil states possibly happening on other worlds in our realm will no longer exist. Mary and I will be too true, too pure, too perfect, too much of Divine Love for such things to happen. The light from our soul will be simply too bright for anyone to even consider going against us. It is a milestone in any emerging and evolving local universe James. It's Mary and I coming to full fruition, able to be the complete personal rulers of our realm as intended by our Mother and Father. And it means that Nebadon is one more – big – step closer to perfection as a whole.

And how does that effect us, our negative state on Earth and in the Mansion Worlds?

It won't, other than all that's transpiring currently at the crossing over of the ages. It won't mean that suddenly everyone will become perfect, healed of all their negative mind. It means that no other 'Lucifers can arise in Nebadon. All of the affected worlds of the Rebellion will still have to outwork their negative states, which in regards to Earth, will still take a very long time.

So when you awoke in spirit after your death, you weren't just bing! your full soul's light, truth and love?

Oh, no, I was just as I was before I left Earth, with the gradual awakening of my soul's light taking all these years.

The New Way: learning how to live true to ourselves by living true to our feelings.

**MOTHER, FATHER
GOD**

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are a son and daughter of God.

Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.

Give yourself time to consolidate your relationship with our Heavenly Parents through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.

When you are ready, it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Father and Mother for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.

WE ARE Children of God

This – I (James) think, is my earliest kept message from Jesus. Unpublished?

22 February 2003

Good morning James. I am here, Jesus.

Mary and I do want you to write for us. In answer to your feelings over the past few days we intend giving you some messages.

We want to tell you more about our lives on Earth, what happened when we arrived in spirit, what we've been doing over these past two thousand years, and a little about what we'll be doing in future.

As we have told you, but will explain in more detail, our time in a personal sense with humanity is coming to an end. We are giving over our personal involvement to others, and because of this, we want to leave humanity (and you) with a truer impression of ourselves. Our Spirits of Truth will still be overseeing people's ascent in truth, and within them our personalities will be felt and perceived, but for the individual to readily identify with our Spirits, we want to tell you more about ourselves.

Up until relatively recently, until my speaking to Mr Padgett and Mary speaking with you, all one has had concerning Mary and I is what is written in the Bible and what feelings that generates. We are tainted by its persuasion, making us more appealing to some, less to others. So through you, we want to try and give something of ourselves that is a truer expression, even though we are still limited by your personality and this form of communication, however, as you have grown in truth we feel that at least we will be able to share enough of ourselves with you to shed more light on our true natures. All we want you to do is write that which comes to your mind, and if at any time you feel yourself coming up against difficulty then tell us. And any time you want further information, or want us to explain things more clearly, please ask us. We will be monitoring your thoughts and feelings, and as you well know there is more to your writing with us than you merely taking dictation. All we will be saying and our impact on communicating with you, will help you with your soul-healing, and developing your true relationship with yourself, with Marion, and with your Heavenly Mother and Father.

For the purposes of those who might not know, Mary Magdalene is my soul-mate. She is my partner in Creation, as I am hers. Together we are as one: the true Master and Mistress of our Universe in which you all live. I do not stand alone as many would believe. I do not live without personal intimate company. I do not live only with the Father, or even with the Holy Spirit or the Divine Minister. I need, as you do, a personal face-to-face partner, one who is like me, but not like me. One who is there for me and loves me, and wants me to be all that I am, and all that I will be, and all that my Heavenly Parents want me to be. I am not without personal intimate feelings. I am not so far removed from you that I am a God. I am separate from the Father – a separate personality in my own right. I am a Creator Son (re: The Urantia Book) who in partner with a Creator Daughter govern one local universe of time and space. I was a man, and in many respects I will always be only a man. And as a man I do need a woman, and the Mother and Father have created my soul like yours in duality, with my other half being Mary.

Mary Magdalene is mostly thought of as a prostitute, a woman of ill repute, who came to me during my personal ministry on Earth asking me for my blessing, and for me to cast her demons out. But this is not true. It couldn't be further from the truth. So why then is it continually believed by so many people who purport to worship and love me, saying they are striving to live the truths I revealed? Mary wasn't a prostitute. It's only a story adapted by certain people who sort power over others. And still used by others who want power over other people. How dare they use her this way! The very same people who say they are righteous and good, and living the word and will of God.

On Earth I knew who Mary was, the Father told me; and when I met her I could feel the truth in my

heart, just as I still do. She came and embraced me as a loving disciple whom I openly welcomed into my life. I told her of her true soul's relationship to me and of the restrictive conditions we both faced imposed by the Rebellion and Default, and she openly accepted all I had to say living her part in our relationship together on Earth, patiently waiting until we could be reunited as one in spirit. Now we live and function together as the rightful leaders of our Universe, with the interests of all creatures in our hearts. We love you all, and long for you to all love us. And most of all we love each other and our Mother and Father of Heaven. Perhaps one day we can all be united in love from Them, from the Two who are One Soul, the Two of Heaven who created us all and dearly love us. Perhaps one day we'll all be able to come together united under Their Divine Love, loving one another.

Had Mary been able to fully live and express her Daughtership on Earth, she would have revealed the Heavenly Mother of Creation to you all. This she did when she rose up in Spirit after she came into the Mansion Worlds, and this she does now, and has done since she poured forth her Spirit of Truth upon fully coming into her self-realised condition of soul. Together we are the true living mother and father of truth to our Universe. We are in effect your true spiritual parents. And as I said, we are soon going to move back to Salvington, our true Universal home and headquarters, and resume complete universal ministration. This will mean that we will no longer be spending so much time here concerned personally with the ascension of mortals and their progress through the Mansion Worlds as they embrace the Mother and Father's Divine Love and strive to do their soul-healing. We will not be so visible and accessible to all, however our Spirits of Truth will remain for you to know us by, and to comfort you with truth when you are in need.

Let us finish our introduction here James and we will continue later.
Jesus, Master Son of Nebadon.

And my earliest kept message from Mary Magdalene Message 3 2 December 2002
<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

From the Rejected Ones on my Divine Love Spirituality (DLS) book page.

Hello James, I would like to speak to you today, Mary.

I am Mary of the Bible, as you know, and as I have not spoken to you for quite some time, and for the purposes of this work, I will begin with a formal introduction.

I am Mary Magdalene of the Bible, the one who was on Earth at the same time as Jesus of Nazareth. And, yes, we were on Earth; we are real; we did exist back then, and we do exist now living as spirits in the Celestial heavens. This might not be startling news, but what maybe of news is that I am the soul-mate of Jesus. It is I whom is responsible for the feminine aspect of our universal Son and Daughtership. I am the living feminine truth. You are familiar with Jesus and his Spirit as expressed in the Truth he has revealed to humanity, but unfamiliar with my Spirit and the Truth therein.

And so it is that I want you to continue writing this work for me James. Just as Mr. James Padgett wrote for Jesus, I would like you to write for me. And in doing so, it will greatly benefit you. I, together with other spirits, I have chosen will tell you the truth I want to reveal, and it will, as you will find out, make you feel a lot better about yourself and your life. I am the missing part of The Truth to make the whole. And as you are appreciating, it's a much broader picture than what humanity currently understands. It is what humanity needs, the woman's perspective, so to speak.

It will be hard for many people to understand that having devoted so much of their time, love and prayers to Jesus, in the hope they will be saved and thought well of, that they have been only dealing with half the picture causing their prayers to be ineffectual. As to why this has been allowed to be for all these years is a matter of concern only for the Mother and Father. It was They who asked us, Jesus and I, to live as we did and be as we were whilst on Earth, just as They ask us to be as we are now in the Spirit Heavens. On Earth, Jesus and I became aware of our true identities, however I was forbidden to reveal and be my true self. I played my role of self-denial as I steadily awakened to what the Mother and Father were asking of me, just as Jesus played his.

My focus with you will be to help show you how to uncover truth for yourself; how to look into your feelings and see what that they want to show you. How to concentrate on yourself – mind your own business – and become self-revealing. I want to guide you back to yourself so you will be able to see just how far away from yourself your parents took you. Your parents didn't mind their own business and allow you to get on with your own life, they continually interfered with you, controlled, dominated, told you how to be, what to believe, how to think; they didn't allow you to stay true to yourself. Your parents, James, caused you to loose yourself, to step away from yourself, to push yourself aside and be how they wanted you to be, and it wasn't right. Consequently you have suffered, and it's this suffering and what they did to you: how they caused it, that I want to help you see.

Jesus spoke of living the Will of his Heavenly Father, but to do this you must first live true to your will. Your own will must be in one piece; it must be able to function perfectly well. You must be able to do what you want to do when you want to do it. If you are doing so, then you can choose with your will, for you do literally will yourself to, live another's will, such as the Mother and Father's.

As a child you were not allowed to live true. You were not allowed to express your will, to live and therefore be true, to your own wants. You were stopped, inhibited and interfered with in many ways all of which had the same result on you. You lost your power and gave it all to your parents. Your parents made you live their will. So what you now believe, but is unconscious within you, is your power, your ability to do the things you want to do, is all still only what your parents are allowing you to do. Unbeknown to you, you are still only living their wills, with yourself struggling for something to do for yourself in it. You weren't conscious of this, so by the time you reached adulthood you believed you were now the full master of your own destiny, but the wind doesn't always seem to blow when you want it to or blow and in the direction you want it go. And why? Because there is no real YOU in the picture. Your life is merely a 'sub-life' of theirs, and will be forever until you choose to – will yourself – to do something about it. And this is extremely difficult to do for how can YOU will yourself to heal your dysfunctional will when your will is only a poor composite of your parents? You're pathetically trying to use your will in your life to get what you want, and yet all you are doing is living the will of two interfering people. And not only that, but they themselves are a mixed up composite of their parents wills. So in effect you are being parented by many wills: your parents and their parents effects on them, and then, if you go back even further, you're being affected by even more wills, and when does it all end? There are generations of people, none of whom have not minded their own business, all coming together through your parents to interfere in your life thereby inhibiting the true functioning of your will.

So you can see you will need to heal and be healed of all of this, to somehow remove all these interfering negative influences. All their wrongness, which defines you now, is reflected in how you function in life, all having been sculptured around your will-controlling parents, and it needs to go. And where is all this wrongness; all this will dysfunction; all the negative effects of not living as a true whole wilfully free person? Contained within your soul. And what needs to happen is for you to rid your soul of such negative influences. You need to somehow divest yourself of all negativity and then you will be free. And true FREEDOM is just this: YOU ARE FREE TO LIVE YOUR OWN WILL. You are YOU,

right through you into the depths of your soul, and so all that you want to do, and how and when you do it, you will know is, YOU. No one else will be consciously or unconsciously influencing you, and if they tried to do it, they would find it very difficult for the integrity of your soul, your own feelings, would first alert you their evil intention and you would want to make them stop. There is no other true freedom. A free soul, that being one living in a state of pure love, is free being completely empowered by its own will!

Your soul James (as are all souls) is existential. It is in a state of 'Being', in a reality that is devoid of anything else except personality potential. This 'place' or 'state' or 'reality' is not in Creation, however Creation is of it, is an expression of it – an expression of Soul. Soul creates Creation. If a soul needs or wants to express itself – its personality in Creation – it needs to do something. And the first thing it does for itself is create or manifest its own will in Creation. At a moment prior to your physical conception your soul has already started to manifest will, your will, that part of it – your personality – that's called will. And with this will it is then ready to literally 'will' the rest of its – your – personality, into life. You and your soul are one and the same. You are currently consciously focused on living and perceiving and experiencing life through Creation as you – your soul – express your personality. Once your soul – you – has begun its incarnation, it forevermore continues to will you into Creation. You are always and ongoing expression of your soul's personality. Without a will, an active part able to manifest in Creation, none of you would exist, not your spiritual or physical or thinking and feeling parts, nothing. So your will is very important and should anything interfere with it then that interference is going to have a negative affect on your souls ability to will you into life. When your parents imposed their wills on you, that imposition affected your will. It affected how you will yourself about in life: how you do things, how you express yourself, how to get what you want; how to live true to your feelings so you can use them to find or uncover the truth of your soul – the truth of you.

The Mother and Father are a Soul-Personality, and we have been created in Their image. They have created our soul and bestowed personality upon it. And being our Parents They want to get to know Their children, and so we need to have our wills functioning perfectly so we can relate to Them and They can relate to us. If however, your parents have interfered with your will, then you can't relate to God as They want you to and as your soul longs to.

If you want to be as perfect as God is, then you will have to heal your will imperfection. If you want to live the Will of God, then you will have to heal your will dysfunction. If you want to live at-one with your Heavenly Mother and Father, then you will have to first become at-one with yourself healing all that is wrong in your relationship with your own parents. So long as you're living in a negative will state you will NEVER be able to ascend in truth and arrive on Paradise and be with The Two, who are One, who created you.

As Jesus has revealed in the Padgett Messages, he and I were born on Earth in a perfect state of being. Unlike you, our wills remained perfect, our parents couldn't negatively interfere with them. We could not be influenced by any evil, and even though we still had to maintain a purity of mind, this was not hard to do as we felt the truth with all the feeling of a complete un-interfered with will. However, the problem Jesus and I faced was we weren't, owing to certain incarnation restrictions placed on us because of the Rebellion and Default, allowed to express our full wills, our full selves. Jesus could express himself more than I, as the male was more dominant, the woman more suppressed; and my life was reflective of that, being able to mostly only tend to the sick and poor. I couldn't teach and reveal truths alongside Jesus as his equal. I could only help people in my humanness and not as a full Daughter of my Heavenly Mother and Father. My 'time', as I understood it when on Earth, was to be after I died and entered the lower Mansion Worlds. Then I was able to fully reunite with Jesus and reveal the truth that I had within me: that God is my Heavenly Mother. Had I been able to reveal my truth to humanity

when I was on Earth, then you would know from Jesus and I that God is both your Heavenly Mother and Father – the feminine and masculine aspects being fully expressed through Jesus and myself.

Strange as it may seem, but the truth of who I really am is not hard to keep from Earth or the natural love spirit worlds: Mansions Worlds 2, 4 and 6 as Jesus spoke of them to Mr. Padgett. Those in spirit who wanted to know, lived in the Divine Love Mansion Worlds 3, 5, 7 and above in the Celestial spheres (Mansion World 1 being a mixture of both and the introductory world for Divine Love). The separation between Divine Love and only natural love maintaining something of a natural barrier preventing the spread of truth. So humanity on Earth has had to wait until now for a new and full presentation of the truth of myself. Of course many have suspected and speculated about me, but until I reveal my own personal soul nature, no one can know for sure. But now you can. Mr. Padgett was unable to accept and embrace me, as Jesus began his re-revealing of the Truths of Divine Love through him, and I am beginning my revealing through Marion and you, James.

It might be difficult to believe that no one wanted to know the Truths of Divine Love, but it is so. For two thousand years nothing changed. People might have been disgruntled with what the Church called truth, and many searched for meaning, but it was all from and with their minds and not their souls. James Padgett had a sincere soul longing to which Jesus was able to respond to. And you have had a deep soul longing for the feminine aspect of truth to which I am able to respond.

Jesus revealed through Mr. Padgett the truth that the Father is offering His Divine Love to you. I am revealing through you that both the Mother and Father are offering Their Divine Love to you. Jesus also revealed that upon partaking of this Love one can undergo a soul transformation into the New Birth; and I am revealing through you, that this inner transformation is called your Soul-Healing. And it is something that you have to consciously make an effort to do. You have to willingly choose to do it; and in doing so will eventually heal all your will of imperfection – all of the negative you were forced to accept from your parents. And together Jesus and I will tell you that it is by longing for and wanting to live true to yourself: true to your feelings, that you will uncover the truth of your negative will state and heal it. And when you are healed, you will be free to live as Jesus and I do: perfect in our Divine Love souls – as Celestial spirits living in the Celestial spheres.

Humanity has fallen from Grace. It hasn't consciously or willingly rebelled against the Mother and Father but has rejected Them by default. This has led to the negative will state being passed on by default from one generation to another. The result is you are very confused and lost, living with little truth or real understanding about the spiritual nature of things. You have fallen the equivalent of the seven Mansion Worlds, so to heal yourself back to perfection, you have a long road ahead as you ascend your way in truth back up them. Your soul-healing will be very testing as you uncover the truth of all your negative will. However, humanity is now longing for such truth, and so the way is being presented for those who want to take up the challenge. Now is the time, Jesus and I are revealing to you that which you need to understand to help you; that which will answer and appeal to a sincere heart and soul longing for love and truth.

I feel that is probably enough for the time being James. I will now leave you. Mary Magdalene, 'Sister to all sisters, and soul-mate of Jesus.

This is my first writing the Father on the beach up North. I thought it was much longer but I must have inadvertently sent the rest back to God. I vaguely remember years ago I had a big clean out trashing most of my hand written stuff along with my earlier computer attempts. My writing was woeful, and there wasn't anything in the work that I've not brought up to date and expanded on during later years.

November? 1990 – With My Heavenly Father.

James my child, I ask of you to do only one thing for Me, and that is to ask Me for My Divine Love. I want you, if you are willing, to long to Me for My Divine Love always, to keep your heart focused on mine so that one day we will be able to achieve the union of love that I have destined your soul to make with Mine.

Pray to Me with all your hearts longing for My Love. And remember that it is My Love alone that can ascend you through the Heavens to finally be with Me on Paradise. It is through the partaking of My Love that you will come to know Me as you come to know yourself. There is only one objective, there is only one Great Love, to be Divine as is My Love.

As My Son, Jesus has informed you through His messages and those of the Celestials contained within The Angelic Revelations of Divine Truth, ask Me with all the sincerity of your heart for the inflowing of My Divine Love. Ask Me to direct My Holy Spirit, the carrier of My Love, to come to you – your soul, so that it may be filled to overflowing. I want you to have as much of My Love as you can in any one moment. I want you to have it always, and as much as your soul can manage at any one time. I want you to become of my Divine Essence, for I want you to become just like I am, Divine. I want you, and when I refer to you I always mean you – your soul, to become as I am in My Divinity, Perfect. I am perfect and I want you to be just as perfect as I am. I want you to live in and with My perfection of soul. I want your soul to be perfect even as I am perfect, that being, perfect in Love.

James as I have told you many times before I want you to love Me as I love you. I want you to be of My Love and nothing more. I want you to long to Me to saturate your soul with My Divine Love. Long, long, long and then long some more.

I know in your state it is very difficult to maintain a steady and constant focus on Me, and to keep your will adhering to its longing for My Love, but just try as much and as often as you can. The more of My Love you receive into your soul the easier to stay with Me it will become. I am with you always, I have never been anywhere else, but you have not always been with me, and yet it is for us to be together for evermore that I seek and long for from you. For you to be with Me, your Father in Heaven, the Father of your soul. I want you to get to know Me as you get to know yourself. I already know you but desire that you become fully you so that we can once again relate personally and intimately together as if we are one.

EXPERIENCES, FEELINGS and TRUTH:

We look into the night sky and see around 1,000 stars that possibly are the hosts to the 619 humanities of our local system, Satania. Earth is on the outskirts of Satania.

When we ‘die’, and shed our physical body as we are spirits having a physical experience, we all arrive on the 1st spirit Mansion World.

If we continue to live through our minds, then we may progress to worlds 2, 4 then 6 and no further – dead end!

Should we embrace Feeling Healing with Divine Love, we will start our journey of Truth and Love, progressing through Healing Mansion Worlds 3, 5 and 7, then through the Celestial Heavens and onwards out through our Local Universe of Nebadon and on to Paradise, the home of our Heavenly Parents.

The spirit worlds are within a different dimension to the physical stars and earths. However, picturing the spirit worlds within the centre of our local system is only a visualisation aid and not necessarily accurate.

WE ARE NOT ALONE:

In fact, our SuperUniverse is teeming with life!

The Spirit Worlds, commonly called the Mansion Worlds, and being numbered 1-7 (TUB numbers them 7-1), and the higher Celestial Heavens (spheres), appear to be within our local solar system, although they are not physical worlds like Earth – we can't visit them in a space ship, only in our spirit bodies, each world and sphere being of a higher spiritual vibration. Each of the spirit worlds and spheres are in close proximity of each other, and provide successive places of residence for us now that we've been individualised / incarnated on planet Earth.

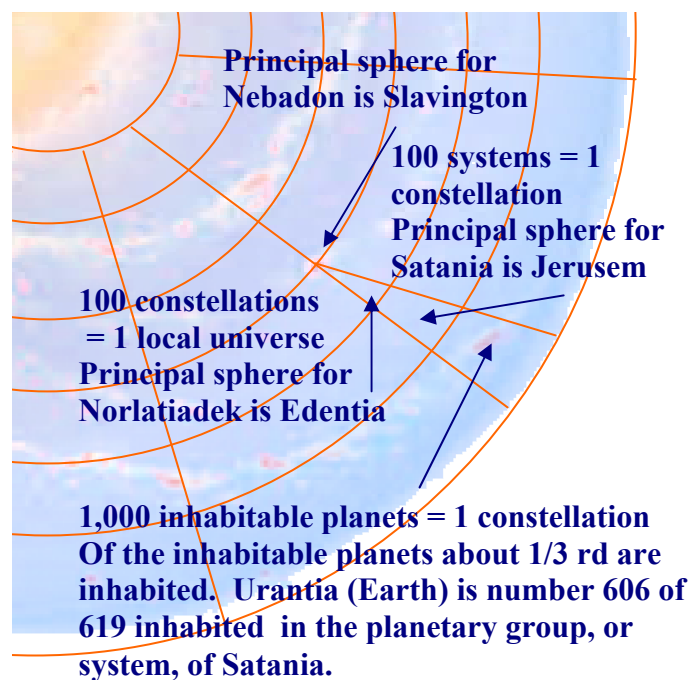

As we develop in Love we progress in and up through these worlds and spheres to ever brighter ones. Progression beyond the 7th Divine Love world results in our migration from the Mansion Worlds to the Celestial Heavens.

^{37:10} The universe of Nebadon, which even now has more than three million inhabited worlds, with ten million in prospect. In our solar system, Earth is one of three inhabitable worlds. (The Urantia Book TUB)

^{32:2.9} The organization of planetary abodes is still progressing in Nebadon, for this universe is, indeed, a young cluster in the starry and planetary realms of Orvonton. At the last registry there were 3,840,101 inhabited planets in Nebadon, and Satania, the local system of our world, Urantia / Earth, is fairly typical of other systems.

The Mansion Worlds of the Celestial Heavens are in the region of Jerusalem.

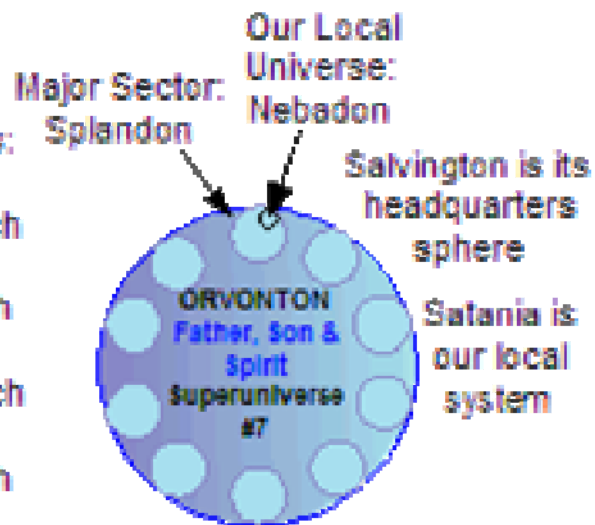

^{119:8.8} Urantia (Earth) is the sentimental shrine of all Nebadon, the chief of ten million (100 x 100 x 1,000) inhabitable worlds, the mortal home of Christ Michael, sovereign of all Nebadon, a Melchizedek minister to the realms, a system saviour, an Adamic redeemer, a seraphic fellow, an associate of ascending spirits, a morontia progressor, a Son of Man in the likeness of mortal flesh, and the Planetary Prince of Urantia (Earth). And your record tells the truth when it says that this same Jesus has promised sometime to return to the world of his terminal bestowal, the World of the Cross. This he has done through the Padgett Messages, etc.

OUR JOURNEY to the CENTRE: HEAVENLY PARENTS are UNIVERSALLY PRESENT:
 Earth is one of the youngest inhabited planets on the outer edge of the youngest of the seven super-universes. From the spirit worlds, we progress to the spheres of many mansions, being the Celestial Heavens nearer to the centre of our super-universe. From there we progress to the Eternal spheres which circulate around the Isle of Paradise. The Isle of Paradise remains stationery and is the home of the Source Soul, our Mother and Father.

Our progression is always towards the centre – inward and upward.

Earth is blanketed by the 1st natural love sphere, the spirit world spheres are within the proximity of our solar system. From the spirit spheres we progress to the Celestial Heavens.

HIERARCHY of our SPIRITUAL GUIDANCE:

Our Heavenly Mother and Father permanently reside within Paradise, an island stationary world surrounded by Havona, in the centre of seven Super Universes.

Our Heavenly Mother and Father, being one soul manifesting two personalities, bring about the creation of:

Creator daughters and sons – Michaels

Magisterial daughters and sons – Avonals

Trinity Teacher daughter and sons – Daynals – and others.

The Michaels and Avonals have Spirits of Truth to be released to assist the humanities on their assigned inhabited worlds.

Each Super Universe consists of 100,000 Local Universes.

Each Local Universe is overseen by a Creator daughter and son, our local universe is called Nebadon and Jesus and Mary Magdalene are the Michael pair and regents.

A local universe consists of 10,000,000 inhabitable worlds of which 3,840,101 are inhabited within local universe Nebadon.

A local universe consists of 100 constellations which is made up of 100 systems. Each system has 1,000 inhabitable worlds. The system that Earth is in is Satania and 619 worlds are inhabited.

Emanating from within the Local Universes are Melchizedek, Vorondadek, Lanonandek, Material and Life-Carrier pairs. None have spirits of truth – they are not from Paradise.

From within the Lanonandeks, assigned to oversee the system Satania, which includes Earth (Urantia) were the Lucifer, Satan, Caligastia and Daligastia soulmate pairs, who rebelled. Further, Adam and Eve, the Material son and daughter, defaulted because of the Rebellion. All failed in their assignments, causing us (humanity on Earth) to be spiritually misled for 200,000 years – that is why we are all ‘insane’!

Earth has had five higher spirit physical bestowals:

Daligastia soulmate pair being Lanonandeks

Adam and Eve soulmate pair Material son and daughter

Machiventa Melchizedek soulmate pair

Creator daughter and son – Jesus and Mary Magdalene

Avonal daughter and son who are yet to commence their public ministry.

Why did the Lanonandek Daughters and Sons rebel? Being the Lucifers, Satans, Caligastias and Daligastias soulmate pairs / soul partners. James Moncrief Monday, 12 November 2018

Re The Urantia Book (TUB): there are various orders of Paradise Descending Daughters and Sons. (NB: TUB only refers to the masculine so doesn't include Daughters.) The Descending Daughters and Sons descend or step down from Paradise to reach out and 'down' to the Ascending mortals – men and women on the evolutionary worlds, who are reaching out and 'up' to Paradise and for such help from the descending spirit pairs. Ascending mortal pairs (soulmates) cannot by themselves ascend to Paradise, how to do that is not 'encoded' in their soul. So they need higher help and guidance from the descending pairs. So if people don't have this higher help they will never spiritually and physically progress very far. And if this higher help goes haywire, people are stuffed until other higher help comes to rescue them.

One such Descending Pair, the Creator Pair, comes out from Paradise to a section of space when it is ready for them – Mary M (Magdalene) and Jesus in our case; and in union with the Divine Minister, create, or 'bring into being' a Local Universe – Nebadon. Mary and Jesus then attend to the whole (local) universe, with Avonal Descending Paradise Pairs coming as required to the individual earth worlds to ensure and initiate the spiritual changing of the ages that is needed to advance the spiritual development of mortals in accordance with the Paradise Plan.

Part of the Creation of Nebadon includes the creation of Local Universal Descending Daughters and Sons that hold key positions on individual worlds and oversee larger areas or sections of the Nebadon. With the Lanonandeks being these key administrators, guides, overseers, who are the ones that ensure the ascending mortals of each world are given what they need in accordance with the unfolding phases of their evolution, as well as providing the necessary Mansion World structures and organisation of the Celestial spheres, the greater part of Nebadon, all so mortals of the evolutionary worlds can find their way up and in through the Local Universe so as to set out on their greater spiritual journey through the Super Universe and Central Universe to Paradise. The Lanonandeks make sure all the parts work as they are intended to do, with the Melchizedeks being more involved with the ongoing teaching and personal education of mortals about all things through the Local Universe.

The Lucifers, Satans, Caligastias and Daligastias are all Lanonandek pairs.

The Lucifers were the overseers of this sector – System – of Nebadon that includes Earth – Urantia. The Satans were to help the Lucifers, being the main liaison pair with the Caligastias (The Planetary Prince and Princess) who oversaw Earth directly from spirit, and the Daligastias being physically materialised on Earth so as to oversee and help evolve the local races of Earth on all levels, the practical physical and spiritual, this being how it was five hundred thousand years ago. And for three hundred thousand years, everything went well.

The whole of Creation thus far is one gigantic Ascending mortal scheme – The Ascension Scheme. So everything in it works to help slowly evolve humanity along the plans designed for them by the Descending Pairs and the Mother and Father, with the idea to evolve through ongoing self-expression the people from all the earths up through the Mansion Worlds and into the Celestial spheres and on through and out of Nebadon. So if anything goes wrong in any level of the universe then it causes problems for the mortals who are wanting to ascend.

The Lucifers were outstanding members of their Order. However according to TUB (if I remember correctly), they were passed over when they applied to oversee certain parts of Nebadon – and so why did that happen??? Then finally they got their chance. As to why they rebelled – it is said their egos,

their self-importance, grew, and they weren't able to control it. They were seduced by some inner need for greater power – but why did that happen? And is it just like everything else, there is variation in all things and so they went the way of rebelling against Mary and Jesus and the Mother and Father. And not being of a higher Paradise Order, they are more prone to being seduced by their inner biases, whereas supposedly Paradise Descending Daughters and Sons are too perfect, being of Paradise origin, and so wouldn't or even can't, rebel. And Avonal Pairs can willingly take on rebellion, but that's their choice and they are not technically rebelling or defaulting, they needing to do this so they can heal themselves of the Wrongness thereby liberating the world of rebellion, and in our cases, also default. Which means, providing people and spirits in the Mansion Worlds, their Spirits of Truth, so everyone in a rebellious state can look to them instead of the Evil Ones, the rebellious Lanonandeks, for the way out of rebellion and onto Paradise.

The Evil Ones took over their part of Neadon, Mary and Jesus allowed them to, allowing the Rebellion and subsequent Default on Earth to run its course. However it continues to cause masses of disruptions to the natural way of things, all of which we've been and continue to be subjected to.

So because humanity for two hundred thousand years has been increasingly subjected to the Rebellion and then also the Default of Eve and Adam (Material daughter and son), we are well and truly entrenched in the unconscious belief that the Evil Ones are the Gods, and that we're to look to them for the way to be happy and feel loved – that they are the Living Truth. And yet, as we can all see from our own lives when we start to address our bad feelings, this is wrong, false and misleading, only making us feel even more unhappy, unloved and powerless in our negative truth-denying state and being unable to do anything about it – because ascending mortals are not able to go against the higher Daughters and Sons. So without humanity knowing it, we have been praying to the Evil Ones as if they are God, even with people who pray to Jesus, praying to a mind-created fantasy Jesus and not the real one, as can be seen by the Evil Ones strategically denying humanity the truth of the Divine Love, with our need to long for it being excluded from the Bible and not found in any other rebellion-created religion.

Mary and Jesus being the highest Paradise Pair, by their coming to Earth, terminated the System Rebellion of the Lucifers and Satans. So that level of evil influence on all the rebellious physical worlds ended two thousand years ago. And then it's required for each world to be attended to by a bestowal Avonal Pair, who take on the evilness of that world and heal it within themselves, thereby ending the control in our case of the Caligastias and Daligastias, which has now apparently happened, with the Avonal Pair only to finish their Healing so as to signal the complete technical end of the Rebellion and Default.

So their – the Avonal pair – Healing involves dealing with the Rebellion and Default within themselves on all levels, so people and the mind Mansion World spirits can then choose to follow them and do their Healing. So by following the Avonal Pair you are going against the Evil Ones (currently it being their legacy within you and on the world), looking to end their negative, unloving and untrue influences within yourself. And once done, you become a Celestial, either on Earth or in the Celestial spheres, and free to align yourself with Mary and Jesus, which is done by partaking of the Divine Love, and free to live your ascension to Paradise – free to become at-one with your Mother and Father.

We're all living the demented levels of the demented minds of the four Lanonandek pairs that rebelled. And as we do our Healing, so we come to see how fucked they are, as we see how fucked we are; how they passed that fuckedness onto us through our parents, how we've become so tangled up in our Wrongness, not knowing what is true – we live untruth believing it's true, we feel false love believing it's true love. We're all around the wrong way, deeply mixed up, and needing to do our Spiritual Healing to get ourselves out of our sinful and evil ways, so as to come back into alignment with

the Truth. So all that we are has to go, and we're to uncover a whole New Way on all levels, personally and how to live, as we liberate ourselves from our dementedness.

With the Evil Lanonandeks no longer at large, having been detained on a prison world awaiting judgement as to what will happen to them, so the Melchizedeks stepped in taking over their positions. I don't know why other Lanonandeks weren't appointed, however I guess it's because of the damage done by the Rebellion, we who are here and part of it have to deal with it ourselves, so no outsiders other than Mary and Jesus and the Avonal Pair being from Paradise that can override that limitation.

And the Melchizedeks have enlisted the Celestial spirits help. So together, they now in effect play the roles of the Lanonandeks. And so as the Avonals progressively heal themselves, thereby liberating humanity from the dictates of the Rebellion and Default, so the Celestials are being given increasing power and authority to do what the Lanonandeks would have done. So the Rebellion on a positive note is providing the Celestial spirits with unique opportunities as part of their ascension, as we hear from Helen and Nanna Beth. And I would imagine, people who finish their Healing and become Celestials on Earth will also in some way be given extraordinary opportunities as well, all of which will involve some level of healing the world and doing what the Lanonandeks and Eve and Adam should have done. Even to the point of Celestials on Earth who have children, will in some way be like the new 'Eves and Adams' populating the world with perfect and true children, all who are completely free of the Rebellion and Default.

And what happens to the Evil Ones? I imagine they will have to undergo a long period of Compensation experiencing the pain they caused all the people and angels who were under their care. And after that, if they are not extinguished outright, possibly they might be rehabilitated to some degree; however as TUB suggests, without ever receiving the power they once had. However, as all works out for the best and ultimately is all-loving, it will be fascinating to see through our own lives how all the pain we've been made to suffer ends up helping us and being the best thing for us.

And one last thing to note, had there been no Rebellion or Default, then here on Earth we'd still have now the Daligastias as well as Eve and Adam, still helping people grow and evolve on all levels. Still being the higher Daughters and Sons that we can look to – knowing that we're not alone, that we are being looked after and loved and that a greater life of ascension awaits us. And we would by now know of the Caligastias and all the help they would be providing on the higher spiritual levels, as well as the help they would be giving mortal spirits in the Mansion Worlds. And we would know of the Satans and Lucifers and all the help they were providing on the System level. And we've understood that in a way these higher Daughters and Sons are like mini gods to us, yet not our Heavenly Mother and Father. And they would be pointing us towards Mary and Jesus helping us understand that they are the Creator Pair, and here we live in their universe of Neadon, and that all they are doing for and with us is to help us evolve and grow on all levels as we look to our feelings for our truth we are to live as we express the personalities from our souls on our way through Neadon and onto Paradise. It all being a perfectly unified and loving experience for us. We being able to see the higher Daughter and Son as in the Daligastias and the Material Pair, Eve and Adam, who would be for us the perfect humans that we could strive to be like. So we would want to be perfect in our humanness like Eve and Adam, and perfect in our spiritualness like the Daligastias. With both pairs showing us that we can be both perfect on the material and physical level, as we can be on the spiritual level. Which is completely the opposite of how we've been made to live, because all of that perfection has been denied us, with our being so screwed up about how we are to live both materially – physically and spiritually – we having no idea about either, and with them working fully in opposition to each other. And with our longing for and wanting the Truth, the truth of how we're to live physically and spiritually, all of which is to come (and ONLY come)

through each of us individually and as a consequence of properly attending to and expressing ALL we feel.

The SECOND COMING:**31 May 1914 to 2017**

The James Padgett Messages as published in four volumes as ‘True Gospel Revealed Anew by Jesus’ heralded the commencement of guidance that spanned 101 years.

The reading of the four volumes, due to the way the subject material is grouped, provided no clear indication that more guidance was to come. The publication of the Padgett Messages in chronological order clearly points out that the writings are far from completed. Meanwhile many readers embraced the Padgett Messages to the exclusion of all else.

Dr Daniel Samuels’ writings, some 40 years after Padgett, are a profound set of teachings. Samuels being focused upon the old scriptures of the writings resulted in extensive clarifications for the New Testament. Samuels works are generally ignored by Padgett enthusiasts. Publications of Samuels works are hard to locate, even though the original writings are kept with Padgett’s original writings.

Hans Radax writings from Judas of Kerioth, a further 40 years on, complete the issues required to be addressed relating to the errors and missing teachings of the New Testament.

The completion of the Padgett Messages is addressed in The Divine Universe through Nicholas Arnold. Several further works have been published with a growth in the platform of prior writings.

What is evident throughout all of these works is that aspects of the teachings were and are aligned with the characteristics of the writers.

‘The Prayer for Divine Love’ given to Padgett on the 2 December 1916 is the only prayer that one may need should they have no other prayers for the asking of Divine Love. The Prayer for Divine Love refers to our ‘False Teachers’. Our false teachers are our parents! For humanity to evolve in love, the cycle of generation after generation to evolve in love, the cleansing of injuries and errors of belief need to be addressed before children become parents.

‘Speaking with Mary Magdalene and Jesus’ guidance through James Moncrief completes the second coming revelations. Throughout these some 10,000 pages of teachings there are two key revelations. The most important is that we must embrace our emotions and allow them to be released from our soul, our humanness. We must all embrace a process of Feeling Healing. The second is that we can long for, ask for and receive Divine Love. The Divine Love strengthens our resolve to clear away the damage caused to our soul during our forming years by our parents. The Divine Love does not clear us of our injuries and errors and evilness, this we must do for our selves. Thus, we have been given two revelations. Live our life through our feelings is the first and most important, and the second is that Divine Love is available to us should we so long for it.

Feeling Healing can be also Soul Healing with Divine Love. James Moncrief has outlined the process of Feeling Healing, Dr David Hawkins has demonstrated the way with ‘Letting Go’, and Brandon Bays has given the world the ‘Journey Process’, and most importantly ‘Journey for Kids’.

No one can embrace the guidance of the Second Coming without embracing all of these aspects of loving teaching and guidance given to all of humanity by our Celestial Friends lead by Jesus and Mary.

Mary Magdalene and Jesus' comments on the Padgett Messages
(Jesus asked me to insert this message below from elsewhere in my communications with him. See below. – James)

Jesus: Hello James, I felt like having a word with you today. I want to emphasise your recent thoughts, that your first concern should be to bring your natural love self into personality perfection. That is what your healing is all about. Then when this is completed you can become divine.

With the availability of the Divine Love, your becoming divine takes something of back seat until you heal your personality expression. It's your personality expressed in creation – your personal expression of love and all the light and truth of that love that you are, that needs to be perfected. And this all involves your mind and its relationship to your will. And as you do this you align yourself with and become the living expression of truth – of the truth that you are. And once this has happened, once you are living completely true to yourself, then the divination process can take place. It can't happen until you are personality perfect, until you are living true to your feelings and not using your mind against yourself or God in any rebellious way.

What I speak about concerning living and being divine, mostly can only be applied when you are of a Celestial level of truth. So I want to let all those people know who believe that as soon as they start partaking of the Divine Love they are instantly also becoming divine, that this is not so. The Divine Love will wait, accumulate and subtly help one through one's healing, but you, yourself, won't starting living as a divine person until you've at least finished your healing. And once you've finished your healing only by partaking of the Divine Love can the process take place. If you have longed for and received the Divine Love through your healing, then its true effects will start to manifest in your life once your healing is complete.

So the most important thing you can do is your healing, you need to become true from the untrue state you're currently in. Then you can become divine.

And when you start to become divine, all its focus is about the soul, about helping you become conscious of it, and living directly as it. Whilst you are of you're natural love only, you are living in the regions of mind, and you can choose to live with a positive self-loving mind or a negative self-destroying unloving mind. The Divine Love is ONLY concerned about your soul. IT'S ONLY YOUR SOUL THAT BECOMES DIVINE, the rest of you will always remain of the mind expressing your natural love, but becoming progressively purer and truer as you ascend to Paradise.

It is with and through your soul that you communicate and love and be loved by the Mother and Father. Up until your soul is divine – the Celestial mind and truth level, you can only relate to God with and through your mind, so your relationship is very limited. God doesn't become real, real 'People' you actively commune with, until you reach the Celestial level, until your soul becomes like Their Soul – divine. It's through divinity that we live with God, not just through our minds or the truth. It's a whole other level, 'dimension', experience, 'state', that opens up as your soul starts to connect directly with Them, and They with you on this sublime level, with all communication taking place through and with soul perceptions. You can't relate to the Mother and Father with and through your soul-perceptions with your mind. Your soul perceptions ONLY come into being, into use, when you are starting to become divine, ONCE you've finished your soul-healing. You might gain something of glimpse of them awakening through your healing, and when you start receiving the Love, but they won't become fully active until later.

So as you work through your soul-healing, if you feel disinclined to long for the Divine Love and

reaching out to the Mother and Father, do not dismiss these feelings, it's natural. The more you go into yourself, the deeper your healing takes you, the more concerned you'll be with yourself, turning all your attention and focus, concentrating all your efforts, into perfecting your self or natural love, in becoming true to yourself. Later when your healing has finished you can resume longing for the Love, and when you do you'll find that your relationship with Them will be different, moving to new and deeper levels.

Being divine we are to live from our soul out. By staying true to ourselves we are our soul, you feel it, there is not the separation you feel when you are living focused in your mind as you do in natural love without the inclusion of Divine Love. So you are working your way back to becoming at-one with your soul, and ultimately at-one with Soul, which is what the Divine Love will do for you as you ascend to Paradise. And all the parts of your personality expressed in Creation, all the aspects of your mind, you will use to help yourself experience bringing you closer to the truth of soul – your soul and Their Soul; so the relationship becomes alive, one of knowing each other, you and Them, knowing each other through truth – knowing and feeling that you love one another and why.

So don't believe you can skip over doing your healing by partaking of the Divine Love, you can't, and it's the missing link, the secret everyone has been waiting for, for in the doing of your healing it will explain everything to you.

(James, that is all I want to write now, however I'd like you to put a copy of this message in the comments Mary and I are writing with you regarding the Padgett messages. Then there is a little more I want to add to this message once you've done that.)

To continue this message in the context of the Padgett Messages, I want to make it very clear that all I revealed to James Padgett can't be lived, put into effect, other than intellectually (except longing for the Divine Love and the Truth), until you've done your soul-healing. You need to heal your natural love self first – heal your self and feeling-denial, then all I have said in these messages can be lived. Then you will and can become divine. Then the Divine Love will work its wondrous way on you soul. Then you will understand and put into perspective all I have revealed in these messages to James Padgett. Until you have done your soul-healing you will only be able to relate to the messages with your mind and it will be with and through your negative mind at that. So invariably you will not be able to live what I am saying. You will be able to long for and receive the divine love but that is about all. If you are serious about advancing spiritually then you will have to do your healing. You are to do the healing of your mind yourself. You will of course get help from the Mother and Father as you partake of Their love, but you are to find out the truth of why you are not perfect through your own mental endeavours, and this includes through your acceptance of your feelings, expressing your childhood repression, finding the truth of it all – of all you feel, and becoming your true self. Your sin and error will not be magically be taken away. You are to find forgiveness within yourself for all your evil, and as you do you will realise you are already forgiven by God. God has already forgiven you, however knowing this truth with your mind is very different from living it and knowing it from your experiences and knowing it as something that is true. And to know it is True you first have to forgive yourself, give yourself the experience of loving yourself, of unconditionally completely accepting yourself. That which you will do through your soul-healing.

Thank you James that is all for now. We'll resume working through the Padgett messages when you've finished your other writing. Jesus.

REBELLION and DEFAULT:

Notes drawn from Speaking with Mary Magdalene and Jesus, book 1, by James Moncrief

We are all wrong and bad in the light of how we conduct ourselves in what can be called our negative states, all of this owing to the state of Universal Rebellion and Planetary Default we live under.

The Universal Rebellion was instigated by the Evil Ones. The Evil Ones, the Lucifers, Satans, Caligastias and Daligastias, who are talked about in The Urantia Book, all had overseeing roles of Earth. From higher levels in the spirit worlds they were to look after humanity and help humanity to grow and evolve in truth, and so also in our understanding of all things to do with the spirit as well as the physical. However, their rebellion was their choosing to go against Mary and Jesus, and the Mother and Father. They claimed that God was too controlling, and that we could all, and should all, take matters into our own hands – out of God’s, and make our own way in Creation. They said we were mad to keep being dictated to by a God that pretended to be all-loving, because if God really was all-loving, then They would not have all the spiritual laws that there are, and that we would all be free to do as we pleased. And that way of being for us all, then effectively we would be our own god and master of our own destiny, this many lower and lesser spirits and angels found appealing.

REBELLION

And because humanity was only in its infancy when these higher spirits finally decided to go it alone and turn their back on God, we were easily influenced by them. And as they were all spirits, how they controlled our long-ago cave men ancestors and such was through fear. So they made us fear the unknown, the spirit world. And in doing so, we started to fear ourselves. And they’ve worked on us for a long time, all the way up until Mary’s and Jesus’ coming, subtly influencing us from spirit, keeping us ‘earth-bound’ you might say, and ensuring that we don’t honour and live true to our feelings. For if we did, we would have out-grown their controlling ways, we would have advanced to a level of truth that showed them up for not actually caring about us and having our interests at heart as they told us they did. And we would have chosen to divest ourself of their evil and rebellious ways.

However their control was so strong over us, and once they coerced Adam and Eve into defaulting, then they more or less had us entirely under their power. And so they wanted us all to remain ignorant of higher levels of spirit life and the greater spirit universe, all so we would die and wake up still ignorant in the mind Mansion Worlds (natural love spirit spheres), there to stay looking to them as the Great Ones, for they would sit on the throne being the Great Lady and Lord of All – in short: God.

DEFAULT

It’s not all Eve’s fault. Adam is to be blamed equally for they both allowed their relationship of truth to become untrue, just in different ways reflecting the different natures of men and women. And NOT as portrayed in the Bible Story. The Urantia Book is a little closer to the truth, but still heavily weighted in the masculine. And even though Eve did transgress the universal laws first on the physical level, followed by her mate, Adam, once he’d resigned himself to their fate, it could have just as easily been the other way around, for they had both reached the point of relationship failure, of their denial of truth.

It wasn’t the other way around because those evil spirits who were plotting humanity’s downfall and fall from grace or truth, knew that if the onus could be placed on women, she being the spiritual leader of

truth, as she is the mother, then their insidious (nefarious) game would become passed on down through the generations, this being the control they sort.

So had Jesus and Mary not come when they did and de-powered them, ending the Rebellion, then when we die, we would have gone into the mind Mansion Worlds there to see the Caligastias and Daligastias, as well as the Satans and Lucifers all as the god of our new spirit life.

And we would have been none the wiser. We would not know of anything beyond or greater than the mind Mansion Worlds (natural love spirit world spheres), because being quarantined and isolated from all the regular universal circuits, we would all be aspiring to be as our controllers are, the Evil Ones, all so unbeknownst to us, to keep the Rebellion going.

Those mind spirits that are transcending the mind Mansion Worlds, trying to become enlightened, reaching nirvana and their bliss states of being; trying to merge with or become part of the God of Mind, are really just trying to emulate the Lucifers and Satans. But because of Jesus and Mary's coming, the Evil Ones are no longer there in those mind worlds / spheres, or able to come into them, so these mind spirits are actually on their own, striving to be the top dogs – gods, as it were.

And up until recently (well into the late 20th century), the Caligastias and Daligastias were still in the mind Mansion Worlds, but now, as they've been removed, humanity is free to live to its ultimate conclusion in its negative state, living with our minds completely in control of ourselves, being gods ourselves, however it's all only a fantasy, it being gods within our own minds.

In our own lunch box! All those people and mind spirits, who are looking to advance their minds, are all going the way to ultimately become gods. It is what some in the New Age talk about – that we're all gods, and we have to develop our god-self to become fully self-realised.

What such people will have to realise is that it's a dead end. That it's giving over to their mind completely at the expense of one's feelings. And so in their mind's ego, one can fantasise one's self as God is, however they are nothing, and will never, and can never be, ANYTHING like the Mother and Father. They and we are of Their image, and as told in the Padgett Messages, you can become of Their essence by longing for and receiving into your soul, Their Divine Love, but you will forevermore always remain Their child. You can become at-one with Them, as you will upon your arrival on Paradise and when you personally meet your Heavenly Parents; and your soul through eternity will become increasingly divine, like They are, but still you'll always know, you are NOT god. Jesus and Mary are NOT GOD, they are only and will forever be, CHILDREN OF GOD, and being very happy with that, despite what many believe, saying that Jesus is God and of God. And were Jesus to delude himself into thinking or believing he was God, then he would be just like those mind spirits, and so he would have rebelled against the Mother and Father, joining the Lucifers' camp.

And so people only say and believe Jesus is God, because it's all part of the confused mess being handed down by those mind spirits.

As the Lucifers are no longer in the mind Mansion Worlds, that leaves a huge power vacuum to be filled by wannabe gods. Many such mind spirits are heavily involved in vying for such power. Other's aren't, more intent on their own personal power trip, but there are a few groups of very dominant and controlling mind spirits. And those groups are heavily influencing people on Earth.

What has happened since Adam and Eve, Earth's Material Pair, that was meant to procreate and add their valuable genetic material to uplift all the races of mankind, went astray and defaulted, has been affecting

every part of our lives to a huge degree. Our Adam and Eve only Defaulted. So for a Creator Pair (Jesus and Mary) to have had children and in this way cause such imperfection, everything would collapse into total chaos. And because the Mother and Father are too perfect for that, it would not happen. It would mean the Creator Pair would have rebelled, and Jesus and Mary are just too perfect, too close to our Paradise Parents for that. They love Them too much and they would not do it to Them, even if in Their great love for them, They allowed them to.

None of our religions or spiritual systems do anything to help us free ourselves from our negative and truth-denying states, such systems only serving at best to keep us in our state, or at worst, helping us to progress further in it, denying our true self even more.

Our world has been subjected to a System Rebellion and Planetary Default, which means all people are subjected to the ways of untruth, to the ways of evil. Which means we have all become of it – are it, and we can continue on pretending we are not, that we are true and righteous, or we can start to face the truth and come to terms with it. Jesus and Mary are here to shed more light on this for us. As their age is coming to a close, so **humanity is now being presented with a new way, that being, how people can once and for all heal themselves of their evilness** – the True Way. And you will not find the true way through any of our existing spiritual or religious systems.

Mary and Jesus chose not to interfere; they chose to be as our Mother and Father are, to allow the Rebellion to run its course. This affords many souls a great amount of life experience, and experience that ordinarily in a perfect universe would not happen. The Rebellion and Default allow many people, spirits, angels, and other universal beings to all experience something that is very unusual compared to the majority of Creation. And as the Mother and Father have created souls to experience evil, so it was, and it is not Mary and Jesus' place to stop such spirits, people and angels should they want to experience what evil is like.

Because we are living in rebellion and against ourselves, truth, and all that is good. Because of the Rebellion and Default we have been subjected to, we are kept apart from the rest of the non-rebellious spirit universe. It would not be right for Mary and Jesus to interfere with them, and it's important that we work through all our evilness ourselves, including the healing of it. So humanity is confined to these seven Mansion Worlds, spirit world spheres, unless we choose to do our healing.

LUCIFER REBELLION HAS ENDED, and now REVELATIONS for HEALING are HERE:

Lucifer soulmate pair

Satan soulmate pair

Caligastia soulmate pair

Daligastia soulmate pair

Lucifer soulmate pair were magnificent beings, a brilliant personality as one. They were designated as one of the one hundred most able and brilliant personalities in more than seven hundred thousand of their kind. From such a magnificent beginning, through evil and error, they embraced sin. They believed that their minds were all powerful and that everyone should be independent and reject the illusionary God and those who lead the path to God, namely Michael of Nebadon (Jesus and Mary).

Very little was heard of Lucifer on Urantia (Earth) owing to the fact that he assigned his first lieutenant, **Satan** (also a soulmate pair), to advocate his cause on our planet. The “devil” is none other than Caligastia (again, another soulmate pair). At the time Michael soul partners (Jesus and Mary) was on Urantia in the flesh, Lucifer, Satan, and Caligastia were leagued together to effect the miscarriage of his bestowal mission. But they spectacularly failed.

About five hundred thousand years ago and concurrent with the appearance of the six coloured or Sangik races, Caligastia, the Planetary Prince, arrived on Urantia. There were almost one-half billion primitive human beings on Earth at the time of the Prince’s arrival, and they were well scattered over Europe, Asia, and Africa. The Prince’s headquarters, established in Mesopotamia, was at about the centre of world population.

Caligastia had been attached to the council of the Life Carrier advisers on Jerusem. Lucifer elevated Caligastia to a position on his personal staff, and he acceptably filled five successive assignments of honor and trust. The Planetary Prince of Urantia (Earth), Caligastia, was not sent out on his mission alone but was accompanied by the usual corps of assistants and administrative helpers.

At the head of this group was **Daligastia** (soulmate pair), the associate-assistant of the Planetary Prince. Daligastia was also a secondary Lanonandek Son. He ranked as an assistant at the time of his assignment as Caligastia’s associate.

Lucifer, with deputy Satan, and lieutenants Caligastia and Daligastia have ingrained into the human psyche to be mind dominated with its errors passing down through all parents, being self reliant and rejecting one’s own soul based feelings that are to lead us to our Heavenly Parents with the truths being provided by Mary and Jesus of Nebadon. Lucifer and Satan were removed two thousand years ago, Caligastia and Daligastia have very recently been removed. Their crimes against humanity make Adolf Hitler appear to be a saint!

First Parents being First Ensouled Humans

Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some **one million years ago**. Andon and Fonta were the most remarkable pair of human beings that have ever lived on the face of the Earth. This wonderful pair, the actual parents of all mankind, were in every way superior to many of their immediate descendants, and they were radically different from all of their ancestors, both immediate and remote.

The Lucifer soulmate pair believe that the mind is superior to all things. Thus they convinced the inhabitants of 37 inhabited planets within the universe of Neadon, including Earth, to become self reliant and abandon God and Their administrative leadership. The Lucifers brought about the Rebellion on Earth two hundred thousand years ago. So for 200,000 years of spiritual darkness, humanity has suffered the consequences of one's error ridden mind.

REBELLION

Adam and Eve, the Adamite soulmate pair, came about **thirty eight thousand years ago** to upstep the gene structure of humanity and advance their spirituality.

DEFAULT

Both Eve and Adam mated with local humans and accordingly defaulted on the plan. They were to breed a superior stock that would then interbreed.

Mary of Magdalene and Jesus of Nazareth, soulmates, **two thousand years ago**, both retained perfection, and during their sojourn on Earth were enthroned as sovereign rulers of Neadon. **The bestowal of Michael (Jesus and Mary) terminated the Lucifer rebellion.**

The Second Coming, **now in progress**, reveals the availability of Divine Love and the need for each person to engage in the process of Feeling Healing. With the Divine Love then this process is one's Soul Healing.

U-TURN for HUMANITY:

Why are we doing a U-Turn?

We are doing a U-Turn **because** the year 2017 heralded the end of the Rebellion and Default. For two hundred thousand years, humanity has been going in the wrong direction.

What is this fundamental step that will change our way of living?

We are to come to understand / know the foundational cause of all our feelings, both good and bad. As we explore and investigate our feelings, each time they arise, one by one, we are to talk them through, express them to a companion or friend or anyone who will listen. As we express them, while at the same time coming to understand how they have come about, we will find that they will be resolved and that they will not come up again.

We will find that all of our feelings / emotions have their foundations from our childhood. And by childhood, that is from the time of one's conception all the way through to about the age of six. It is the repression of our childhood feelings that is the base or foundational cause of each and every one of our adult personality issues, pains, difficulties, illnesses and distressful life experiences.

We have to see the whole truth of our negative or self-denial state, before we can heal it and be free of it.

The vital difference between **emotions** and **feelings** is:

- emotions have their roots in the past,
- feelings relate to the present moment,
- emotions represent feelings not previously expressed,
- and these accumulate over time.

Many emotional clearing processes encourage us to look into our feelings, however, none go so far as to drill down into the core foundation of any emotional feeling to the point that we strive to KNOW the core issue, the origin of the feeling, be it good or bad, and actually come to know what it is!

The *Journey Process* is generally known worldwide. It stops short of longing to know, that is asking for the knowing of the events that brought about such a feeling. Yes, we are to acknowledge the feeling, say being angry. Then accept that behind that anger is the feeling of being small, and then look at the underlying reason of why we are feeling small. What is the truth behind that feeling? Ask our Heavenly Parents what is behind all of this feeling. What is the foundation, the origin of the feeling? All the time talking it out, expressing it, with a friend. The expressing of the experience is the release of the emotion / feeling, this is what removes it for ever from within our essence, our **soul**.

Why ask our Heavenly Parents? I thought God was just God – singular?

This is part of the revealings that have been unfolding for us very recently – that is – since 2002.

We are made in the image of God. This has been understood for centuries, for 2,000 years. Our soul is duplex. Our soul expresses itself through two personalities. One soul 'subdivides' into two, one half

**Feeling

Divine Love is
the key!**

always being female and the other half always being male. We are a reflection of how God is. God being one Soul is expressed as Mother and Father. God is two personalities. They are soulmates / soul partners. And each of us has a soulmate (soul partner), and our soulmate is always of the opposite sex, because the Mother and Father are the opposite sex.

Thus, when we long for the truth behind a feeling, then we can long to our Heavenly Mother and Father. Only they can tell us. No spirit personality can tell us. No canonised saint can tell us, we may as well ask our next door neighbour. That would be just as productive. Mary and Jesus can't tell us, as they are also spirit personalities.

I was taught that Jesus was God? And what is this about Mary?

Mary of Magdalene and Jesus of Nazareth were both born free from sin. Neither of them are God. They are both children of God, just like you and me.

History needs to be corrected. Both Jesus of Nazareth and Mary of Magdalene became at one (At-One) with our Heavenly Mother and Father during their physical lives here on Earth in the first century; Jesus in the year 26CE and Mary in the year 33CE, or thereabouts. Jesus died aged 35 (born 7BC died 29CE), and Mary died aged 47 or 48 (born 2BC died 47CE).

Further, their sojourn on Earth was the completion of their process to become the full Regents of the sector of planets that is referred to as Nebadon. The region within our super-universe that is referred to as Nebadon contains 3.8 million inhabited planets. If you look into the night sky, each star / sun potentially has between none to three inhabited planets within its orbit. Within Nebadon, the soulmate pair / soul partners, namely Mary and Jesus, are our Spiritual Teachers of Truth. Their domain is all 3.8 million physical planets plus their associated spirit worlds. Each physical world has seven associated spirit worlds, which is the case for Earth being one of the 37 that have rebelled.

Some 200,000 years ago, Lucifer with his soulmate and his deputy, Satan with his soulmate, brought about a rebellion on 37 of the inhabited planets within the region called Satania, one of the local universal systems of Nebadon. Earth compounded the situation through the Default of Adam and Eve about 38,000 years ago. Thus the population of Earth, being in the worst condition through the Rebellion and Default, became the location for Mary and Jesus to have their physical experience to complete their ascendancy to full Regency of the local universal system being Nebadon.

Their lives on Earth was the start of the unravelling of the Rebellion and Default. Upon Jesus becoming At-One with our Mother and Father, he was then vested with the authority and power to have the Lucifers and Satans arrested, and they now reside exiled within a prison world.

Notice that there were no records of Jesus and Mary's teachings and experiences made during their physical life. That was because they did not specifically come here for us, they came for the benefit of all peoples of all planets and spirit worlds throughout Nebadon.

As they are Paradise descending spirits, they have **Spirits of Truth**. Upon Mary and Jesus' death, they released their Spirits of Truth. As spirits, Jesus and Mary are how we will be, once we've finished our Soul Healing. They can only be in one place at any one time. However, it is their Spirits of Truth throughout Nebadon that we can connect with for guidance. It is through their Spirits of Truth that spirit personalities can progress through and out of Nebadon.

Those planets that have Rebelled need further assistance, and they need it on a localised manner. This can only be provided by another bestowal of a **Paradise Pair**, and that is in the form and manner of an **Avonal soulmate pair / soul partners** who come here specifically for us.

What is the purpose of an Avonal pair, and are they here on Earth?

Unlike Jesus and Mary who were always free from sin and did not experience how to heal themselves, the Avonal pair are to experience all of the extremes of evilness and then proceed to heal themselves. Mary and Jesus through their bestowal on Earth ended the Lucifers spiritual rebellion in Nebadon; the Avonals bestowal is primarily concerned with ending the Default of Adam and Eve by the Avonals themselves personally healing the effects of such a damaging Fall.

The soulmate / soul partners Avonal pair are to be, and have been, subjected to the extremes of childhood suppression and repression, and then, through their Feeling Healing, are experiencing all the facets of emerging truth as they slowly progress through a protracted and difficult healing process. As they reach specific milestones, this also enables those in the Celestial Heavens, (the three worlds where Celestials reside) to be empowered to assist us in the physical on Earth.

The first considered milestone was the arresting and imprisonment of the Caligastia soulmate pair and the Daligastia soulmate pair. After the arrest of the Lucifers and Satans in the first century, as nothing further occurred, the Caligastias and Daligastias continued on from spirit as if they were kings and queens, suppressing all of humanity and with plans to take over the universe. It was possibly in the early 1990s that they were 'judged' and 'removed'. They were caught unaware that an Avonal bestowal pair were on Earth.

How is all this becoming known? Has Jesus and Mary communicated directly to Earth?

Unlike in the first century, when no records were kept (as the event related to all of Nebadon and it was actually setting the stage for the Avonal bestowal pair to arrive on Earth), every effort to retain records in great detail of this current series of events is now being attended to. Consider this. The New Testament of the Bible is some 300 pages. The records of the Second Coming, which this is, the primary records are possibly 6,000 pages, with direct complementary records increasing that to over 10,000 pages and with all the supplementary records to date, there may be as many as 40,000 pages, certainly well over 30,000 pages of material presently.

Jesus directly communicated through James Padgett from 1914 to 1923. Mary of Magdalene (Mary M) has directly communicated through James Moncrief from 2002 and is ongoing. Jesus has also communicated directly through James Moncrief. Neither have ever directly communicated through any one else, however, some Celestial Spirit personalities have provided information through other personalities on Earth with the support and approval of Jesus and Mary, thus some confusion, though the quality of the information is very reliable.

You say this is the Second Coming? You say I am living during the time of the Second Coming?

Yes you are. And it's more than that. This is the Second Coming, the End Times and the Handover!

In fulfilment of the prophecy in the first century, the Second Coming commenced on 31 May 1914 through the writings with James Padgett and concluded in 2014 through the writings with James Moncrief.

The End Times are well advanced. Mary and Jesus are well advanced in handing over their direct involvement with Earth to those within the Celestial Heavens. When this is completed, the Handover will also occur. **The Hand Over is to the Avonal Bestowal pair** and it is they who will guide the population on Earth through their Feeling Healing processes for the next 1,000 years, being the next spiritual age. The Handover will take place after the Avonal pair complete their personal Healing of the Rebellion and Default. Then will follow with their Spirits of Truth being officially liberated in alignment with Mary M and Jesus' Spirits of Truth upon their death.

Major events have occurred with the progression of the Avonal pair's Feeling Healing, which they are also doing whilst embracing our Heavenly Parents' Divine Love, thus they are doing their Soul Healing.

Early 1990s:	The arrest of the Caligastia and Daligastia soulmate / soul partner pairs.
22 March 2017:	Negative spirit influence was blocked.
31 March 2017:	Angel assisted healing will become available upon the Avonal pair completing their own Feeling Healing, being with Divine Love, thus it being Soul Healing.
22 May 2017:	Law of Compensation quickening.
2 December 2017:	Psychic Barriers maintaining the Rebellion and Default were cracked.
8 December 2017:	Bring on the money to 'house the future of humanity' .
31 January 2018:	Earth and the seven associated Mansion Worlds (including the two Earth planes) are officially now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default.

How does this all fit into our future way of living?

This time, in the history of humanity, is the most exciting time ever experienced.

The whole human race is suffering from repressed childhood and mind control.

Through one's Feeling Healing, and should we embrace our Heavenly Parents' Divine Love, then with their Love we are doing our Soul Healing, and eventually we can live totally in accordance with our soul based feelings and live free from error – no more fear and no more physical illnesses is possible!

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

Our soul is always perfect. In fact, we are the complete package. All that we need to know is within our soul. This knowledge has been denied from us since the time of the Rebellion and compounded by the Default. That is what was brought upon us by the Lucifers and his cohorts. We have always been meant to live true to our soul based feelings but we were taught to embrace our error riddled mind – this was aided by our parents – unknowingly all parents have taught their children to be mind dominant. **This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

“Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **Feelings** guide us through our **ascension of truth**. So they are really our Supreme Guides. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: **Longing for the truth of our self, because: we are our feelings**. So life stirs up

our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.”

Kevin of the 1st Celestial Heaven 26 September 2017

(Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.)

It is through the assistance of the Spirits of Truth of the Avonal Pair, upon the completion of their Soul Healing, that we will be guided through our Feeling Healing process, and should we embrace our Mother and Father’s Divine Love, then our Soul Healing.

Then should we embrace Mary and Jesus as our Spiritual Teachers of Truth, their Spirits of Truth will lead us on the path through the Celestial Heavens where we will certainly meet up with our soulmate and join our soulgroup, which will eventually consist of twelve soulmate / soul partner pairs. Then as a soulgroup, the Spirits of Truth of Mary and Jesus will lead us up through and out of Nebadon towards Paradise.

It is then our Mother and Father in Paradise who draw us to them and we will eventually meet our Heavenly Parents.

Meanwhile, while we live on Earth, we will have assistance and guidance previously denied to us throughout the era of the Rebellion and Default. Under the Contract controlling and managing the Rebellion and Default, the powers and capabilities of our Celestial Heaven spirit personalities, all three worlds of them, were heavily restricted and almost of no assistance to us at all. Further, Nature Spirits and our Angels were heavily denied contact with us physical people because of the Rebellion and Default, all of which is soon to change, so we can look directly to them for help concerning healing ourselves and understanding all aspects of nature.

As we embrace our Feeling Healing, Celestial spirits will and can greatly assist us. In fact, during the year of 2017 they have blocked all mind spirits from the Natural Love Mansion Worlds: 1, 2, 4 and 6 from interfering with us. Celestials have taken control of all facets of living and life on Earth. Celestials are those spirits who have completed their Feeling Healing and progressed through Divine Love Mansion Worlds 3, 5 and 7 and now live in the higher Celestial Heavens, 1, 2 and 3 (when we become At One with our Heavenly Parents then we leave the Mansion Worlds and progress through the next three spheres related to Earth, hence the Celestial Heavens are also referred to as being numbered 8, 9 and 10).

The Nature Spirits of Earth, who live in the third Earth plane, can now directly interact with those who are embracing their Feeling Healing. Nature Spirits are essentially ‘angels in waiting’. They have been on Earth prior to anything that we now see living in nature. When they first started to arrive, there was no life in the seas or on land. They have consequently witnessed everything that has happened on Earth, including all prior human civilisations that we continue to largely remain ignorant of. Their knowledge and assistance is of great importance to us. We are to interact with them on an ever increasing scale. They are to become an invaluable source of information for us concerning how we are best to live with nature.

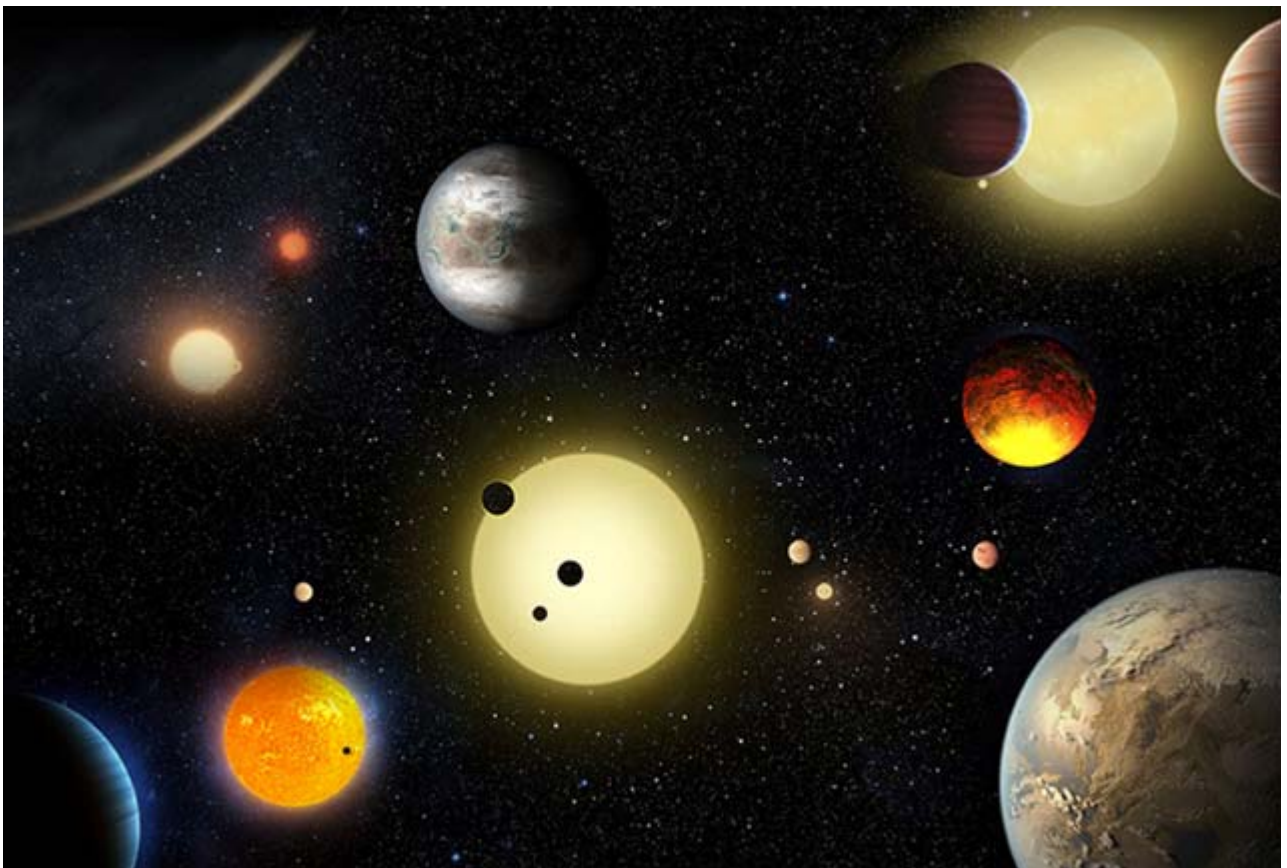

Further, we may become more aware of our **Indwelling Spirit**, which arrives for each of us during our sixth year, as we now progress with our Feeling Healing, or with Divine Love, our Soul Healing.

And all of this is possible as we embrace our Feeling Healing process, acknowledge and accept the Avonal pair, acknowledge and accept our Spiritual Teachers of Truth, namely Mary and Jesus, and more importantly, grow to love our Heavenly Parents, our true Mother and Father.

We do not need intermediaries, rituals, liturgy, dogmas, creeds, fancy clothing, or institutions. It is our soul based feelings and expressions that we may exchange directly with our Heavenly Parents. Groups may form to assist each other, and that is our choice and within our free will.

This is the greatest event in the history of humanity.

This is the Great U-Turn that humanity will embrace throughout the next 1,000 years. MoC 1,480

Mary and Jesus' comments.

Mary Magdalene and Jesus' comments on the Padgett Messages book 1 by James Moncrief

Mary:

Padgett Messages:

December 30, 1914

Helen says '...that God is an infinite actual being who loves him as a father...' and this is true. It's what Jesus is the living truth of. And so too is God an infinite and actual being who loves you as a mother, because you can't have just one parent, and this is my revelation to you, which I am the living truth of.

God is both a loving mother and father, a Mother and Father, because you are Their child. And a child has two parents, you have both a mother and father, that is what your physical start to existence in Creation shows you, so in looking toward the Creators of that existence you would naturally look to God being the Parents of your soul, BOTH your Heavenly Mother and Father.

So can you see that it's the Feminine Aspect of God that is and has been missing for all this time, and until it is welcomed and included and seen to be the equal of the masculine, humanity will never get anywhere in its spiritual development. You can't grow up properly with only one parent, irrespective of what those people who have only one parent and who feel good about it, believe. Wait until they do their soul-healing to see how they really feel about things.

We all need God to be both our mother and father, the mother and father of our soul, and forever more we'll feel that we are Their children, but we won't feel childish in this. It only means that They will take care of our lives and provide what we need, and all we need do is enjoy the fun of the experience of living with Them, living with Them and without concern for our survival.

You put so much effort into believing that if you don't work and work hard every day you will not survive, and it's mostly true because of the unloving system you've developed for yourselves to live in, but the truth is that you don't have to work hard at all to survive if you allow yourself to be Their child – the child that you are.

And when you relate to God as you mother and father – as your Mother and Father, it gives you a good feeling, everything feels in place, and that is as it should be.

It's only an adjustment of your minds conditioning that is required to see God as Two, but it's when you allow yourself to relate directly to God as both your Heavenly Father AND Mother then you'll be able to FEEL the difference.

And why hasn't the Feminine Aspect of God gained a foot-hold in the hearts and minds of humanity? Well, it's all because of the original Evil Ones, higher spirits that were overseeing humanity's evolution of truth who decided they knew better than God and took over, negatively influencing and turning you into a patriarchal society; a society that sees women as inferior to men, when it's not so, it's just that men and women are different in how they approach the truth, but both end up living the same truth respecting and loving each other for being how they are.

And why a masculine dominated society? Because the Evil Spirits knew this was the best way to keep you subservient to them. They appealed to the negative side of mans ego seducing him with promises of self-glorification, and because men are physically stronger they've been able to then dominate women physically. And women haven't been able to meet and then rise above the physical domination by using

their spiritual awareness – their closeness to feelings, because the Evil Ones introduced too many erroneous beliefs all of which served to allow men to maintain their power over women. You only have to look at the Christian and other religious faiths to see this in action.

And the imbalance, being all too ingrained, will never be healed until people start to honour and want the Feminine Aspect of Truth, this being found as you do your healing.

And with all the talk of soul-mates by Helen and James Padgett, unless you do your soul-healing you will never enjoy the love of each other, you will always be stuck with the male dominating the female, never being able to live and enjoy a happy life together.

True soul-mate love can and will only come as you heal yourself of the negative or rebellious influences. Through the healing of it you'll learn how to appreciate each other, how to love one another, and how to live true with and to each other, willingly and freely expressing all you feel to each other – this being what makes your relationship so loving and enjoyable. This helping you to get to know every part of each other, without any part remaining hidden, all because you will gladly want to share yourself with your partner.

To have the relationships you have on Earth in which you are not two soul-mates genuinely and truly relating to each other, you have to keep parts of yourself hidden – hidden from yourself and from your partner. So many people have children based on what they believe they feel as being a loving relationship, but how loving can it be when both aren't sharing all they are with each other. And how in this state, can you expect to openly share yourself with your children, you can't, so your children end up being deprived of a great amount of you, all that you are depriving your partner of and depriving yourself of. So your relationship with yourself is one of denial, you are untrue, as is your relationship with your partner and your children. If people were healed and of Divine Love they would be living with their soul-mates and then would have children with everyone openly and freely sharing themselves, freely sharing all they feel – the perfect loving relationship.

The fact that you don't know if your partner is really your soul-mate and won't know until you are in spirit in the Divine Love spirits worlds (unless you do your soul-healing), is testament to how far away from yourself, from the other half of your soul, you are. You can live a whole married life and have children all with someone who is not your true other half, and you can believe you are madly in love and love your children, but it's all fantasy, as you have no idea what love is and won't until you love yourself completely and are living with your soul-mate. Something as I have said you can't do until you do and finish your soul-healing.

James, because of the male domination, Jesus was allowed to have power, and so is able to help people understand about the true nature of the Father, of the Masculine Aspect or Personality of the Soul – that is God.

And because of the feminine being dismissed and made subservient to the male, so I couldn't have power and my say when I was on Earth, and haven't been able to since, at least not until now with you and Marion. So I am not a part of the Padgett Messages, while they concentrate so heavily on the masculine.

GOD is MOTHER and FATHER:

Chapter 'Day 9' of "Paul – City of Light" by James Moncrief

'I have grown in my understanding of truth and of Their relationship with each other, and my role in it, I have also become more aware of Their eternal romance. I am, as we all are, the offspring of these two aspects of God, and I am therefore as you are too, the meeting place through which Their eternal romance takes place. I am, we are, the product of Their love for each other, and when I think of that it helps me to feel how special I am.

'At times I think about how very special and honoured we are to be able to give Them a chance to communicate with each other through us, by having us, children of time and space, Their relationship becomes animated, alive with the joy and laughter of little children.

'I see what you mean, Zeta,' Paul interrupted, 'it does give you nice feelings.'

'Yes, and to know that is why They created you and brought you into existence so They could delight in you as you can in Them. So you can always feel eternally loved by These two wondrous aspects of God, of the One Great Soul, and always know that They are there for you and that They only want you to feel good, true, happy and loved. And when you've done your healing and understand about why your soul – you – chose to experience the negative for its start in Creation, then Their Love for you and yours for Them will be all the more special and sacred.'

Further, Jesus is the living *Son of Truth*, he is the living personification of truth in this universe along with Mary the living *Daughter of Truth*, and you can't get closer to the truth than through them. Just as how you know anything that's the truth is the truth, you just know. Mary of Magdalene and Jesus of Nazareth, being soulmates / soul partners and rulers of our local universe Nebadon, are known as Mary and Jesus of Nebadon. As the Mother and Father are soulmates / soul partners, each and every one of us has a soulmate of the opposite sex also.

EVILNESS and RELEASE thereof:

Notes drawn from Speaking with Mary Magdalene and Jesus, book 1, by James Moncrief

The first big truth to be considered is that we are evil, irrespective of whether we believe we are or are not. We all are, we are all in the same boat, only in different versions or extremes of it. And we are not going to be punished by God for it, we have had no choice about becoming it; by being conceived onto this world we are forced into it, and up until this time we have had little we could do about it. But all of that is now to change. True help is at hand. It's been a long time in coming and so much suffering has occurred. Humanity is in a very bad state, shocking, and far worse than anyone can imagine, as we don't as yet understand the full significance of what we are doing to ourselves. And it's all because simply: we are not living true to ourselves, true to our feelings.

It will not be anything people currently know about, it will all be entirely new, a whole new way to live life, something that's not been lived before on our world. We simply can't go on denying ourselves as much as we do. For just like a person who is denying themselves, when it all gets too much, then their system starts to breakdown, they become ill, and humanity is very ill indeed. And all we do, such as all our doctors do, is to try and correct the part that is obviously wrong, but nothing we do deals with the inherent causes making us sick in the first place.

Humanity is free to continue on in its evilness, free to see what happens when it completely rejects itself, God, nature, and all that is good and true. Or, we can as of now, start to give up all that is wrong, seeking the True Way of Light, that which is based on Truth.

If we keep denying ourselves, we get sicker and sicker, having to rely more heavily on our mind to take over, trying to override our bad feelings pretending we are not as sick as we may feel. And this we can do to quite a high degree. But one day, all we are doing with our mind to keep ourselves afloat, so to speak, will become increasingly more difficult, and eventually fail, so we have to face the truth that things are not well with ourselves, having to face and accept the truth that we are feeling bad. All of which is to help us see that we are feeling bad because we are denying aspects of ourselves, because we are denying many of our bad feelings. Which means; we are denying expressing ourselves, our personality, as fully and vigorously as we should be. Which also means; we are denying ourselves our growth of truth.

The term evil in this context means that we are preventing ourselves from growing in truth, from being the real and true you. And as part of this truth denial and so ongoing denial of self through the ongoing denial and refusal to accept ALL one's feelings, we will deny ourselves our true soul partner, all so we continue to keep denying ourselves of the maximum truth we can receive.

Truth is all that our soul requires to keep it evolving. That the truest part of one is concerned with; life is only about truth, and that being: growing or evolving in truth, becoming self-conscious or self-aware in its truest meaning.

No one has lived a true relationship over all these years. No one has, and so all relationships are flawed, all children produced by such flawed relationships become themselves flawed, it all getting passed on one generation to the next. And all the so-called love in such relationships is being experienced within an anti-love and anti-truth state of mind and way of life, so there's a huge pressure being brought to bear on us all, all the time. And it doesn't matter what we think or what we believe, because if we want to

sincerely relieve ourselves of our soul and spiritual pain, we will have to seriously consider making growing in truth our priority in life.

We will experience many different avenues when opening up and looking to our feelings instead of pushing on with our negative mind in control. Life is really very easy and simple to live when living from our true feelings and with a positive mind and will. We fail to understand that it's our feeling denial that makes it all so hard for us. Not being loved destroys all self-expression; how being evil is the negation of all personality expression. Our mind suppresses our soul.

Keep on expressing one's anger when we feel it, that's all we have to do, express it and talk about it, about all how it makes one feel. And gradually our system will be rectified – we will be healed. The truth will come, and as we wake up and see and feel it about ourselves, just how inadequate we are in our communication and self-expression, so such imperfections and traumas will leave us.

Our mind is corroded with errors, injuries, negativity, false beliefs and is for ever in a need to control. Our mind holds all the emotional damage that has been infused upon us by our parents and those associated with our childhood. Our soul is always perfect, it is always striving for us to feel the truth that it always is. When we avoid the mental gymnastics that our mind distracts us with and allow our feelings to surface from our mind then we are living free of corruption.

~~~~~

Paying the penalty for one's sins, the penalty is being paid as one does their soul-healing. It is paid through the pain one experiences as we seek to liberate one's repressed feelings, the **releasing** of evil. All of those wrong things we have done have caused our pain although mostly we are unaware of them.

So as we work though our healing we will liberate this pain, and as we find the truth of it we will understand what wrong we have done. And there is a lot more wrong than the obvious things most people consider wrong. We have, in a great number of ways, an imperfect relationship with ourself, other people, nature and God, with all of this being derived from the unloving and wrong relationships we had in the beginning with our parents and carers, and it all needs to be rectified.

All the belief and behavioural patterns – all the will patterns that are wrong, that exist and which we live with against the Laws of Creation, will need to be found. Then when found and understood what we have done wrong, how badly we have treated ourselves and others, all of which has caused us pain. Living a self-denying life causes us pain, as it's the wrong way to live. And we have been made to deny this pain and its associated bad feelings, all of which are kept suppressed within us. So to liberate our bad feelings will involve feeling the pain of our wrong actions, words, thoughts, all of which will need to be expressed, fully experienced, and healed as we find the truth of them.

Understanding that nearly everyone is not aware of being able to undertake feeling-healing, let alone doing one's soul-healing, what we typically say to others who are in discomfort and emotional pain is in keeping with the negative – for them to deny their bad feelings, to do whatever they can to remove them and not to be despondent.

When you come to do your healing, it's this type of thought that must not be entertained. If you were doing your healing together with a companion, you would be encouraging him or her to feel as despondent as he or she could, all so he or she could accept that he or she does feel this way, so he or she

doesn't deny such feelings. And you would encourage him or her to speak about their feelings of despondency if he or she wasn't already, all whilst longing for the truth of why they were feeling that way.

There are two ways to live. One as you are by denying your bad feelings, trying to push them aside so you can feel good, all so you don't feel bad because the bad is bad and no one wants to feel bad. And the other is not to deny any feelings, to allow them all to be, to allow ourselves to feel bad. Yet as you don't want to feel bad, then to long for and find the truth of why you feel bad, so you only have to feel bad as long as required to find the truth. This is going with your feelings, honouring them, living true to them.

Most people believe that if they give into their bad feelings they will only feel worse, never feeling good ever again. But it's the longing for and finding the truth, as you fully express your bad feeling, that prevents this from happening. When you do find the truth, your bad feeling does go because you no longer have the cause of the bad feeling within you. By seeing the truth you have healed it.

The more you receive the Divine Love the harder it becomes for you to push your bad feelings aside. And so it should be, as the presence of the Love helps us to start honouring and being true to our feelings. So when we want the truth, when we are certain about wanting it and wanting NOTHING else; when we commit our whole life and being to finding it; when we are prepared to go with our feelings into our darkness and do whatever our feelings guide us to do, then it's right that we start to feel bad, and it's right that you can't dismiss your bad feelings as easily as you once could.

We are full of bad feelings waiting to come out, and every time we stop ourself from feeling bad, every time we push a bad feeling aside, that's just another bad feeling that's going to have to wait until the day we start to release them. Pushing bad feelings aside with our mind doesn't make them vanish, even if we feel better for having done it. It only suppresses them. They stay within us until we express them, within us polluting our being, making us sick.

**Feeling and expressing bad feelings arising from past errors and injuries is an ongoing and necessary process for one's evolution.**

# FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing ourselves to feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

Notes above are drawn from James Moncrief's writings.

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE  
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR  
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING  
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU  
FEEL, THINK AND ARE.

**Feelings First Spirituality, The New Way**

*Feelings First Spirituality, The New Way* is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

*Feelings First Spirituality* is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

*Feelings First Spirituality* has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

**Living the New Way of Feelings First Spirituality**

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

*And to do this you need to do your Healing*

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

## Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

**Please Mother and Father** help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

**Please Mother and Father** help me see the truth of myself through my feelings.

**Please my beloved Heavenly Parents**, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

**Please Mother and Father**, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

**Please Mother and Father help me**, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

**Please Mother and Father love me**. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

**Please make me feel how unloving I am**. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

**The mind way is the 'dead' way; the feelings way is the 'alive' way.**

### Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

**Please God** show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

**Heavenly Mother and Father**, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

**Please Mother and Father** fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

**I hate you Mother and Father;** why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

**I long for Your Divine Love** Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

# FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

## FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

## Our FEELINGS are our SUPREME GUIDES:

# Feelings!

**Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides.** Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.**

Kevin 26 Sep 2017

## **Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.**

Kevin: **So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.**

## FEELING HEALING

**Note:** The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

**Note:** **Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.**

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and totally true.” James – Introduction Course to Divine Love Spirituality

## The CHOICE is OURS to MAKE:

### Celestial Truth:

Truly all-loving;  
 Living true to oneself;  
 Mind supporting Feelings;  
 Living with the Divine Love;  
 Fully Healed of the Rebellion and Default.

### THE FEELING WAY

Feeling – Ascendance  
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

### THE MIND WAY

Mind – Transcendence  
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,  
 atheists, no spiritual interest,  
 Living the Rebellion and Default.

Hell:  
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

### **Mary and Jesus' comments.**

Mary Magdalene and Jesus' comments on the Padgett Messages book 1 by James Moncrief

**Padgett Messages:**

January 7, 1915

#### **Mary:**

Helen says: 'When this Love takes possession of a man's soul all sin is cast out and is no more remembered against him – this is what is meant by washing away sin.' And I would add; that is, **once you've seen the truth of it through the doing of your healing.**

Remember James, nothing ever has been revealed to humanity directly about the healing or what's involved. It's always been said that God's Love will wash all the bad in you away, that it will purify you, and all you need to do is pray for the Love. But there is more to it than that, **the more being unable to be revealed because of the control of the negative.** God's Love is the driving force to make you want to find the truth of all your sin and error. The truth you can and will only find through your feelings.

#### **Jesus:**

James, as you had these thoughts with me in mind, I want to add them here as Helen's message is relevant to your thoughts.

All of the Mansion Worlds are given to helping mortals come into complete harmony with the laws or truth of God – with The Truth. And your being of a negative state of mind and will greatly compounds the problem. So the Mansion Worlds are there to help you heal your negative evil state (provided you want to do so, otherwise they will serve to help you further your negative state) if you don't achieve it whilst on Earth.

In your negative states you are using your will to have power over yourself and others to a greater or lesser degree. You feel powerless because your parenting made you so, and in many ways you are trying to regain this power.

Throughout your life you seek power by using your mind in a myriad of ways, and depending on the ways, determines your placement in the Mansion Worlds (also on Earth although it's not always as noticeable). You live in the world suitable to the level of self-denial.

Helen says that she considers suicide and murder on the top of her list of the worst sins, and what she is meaning is that they are the worst because of the amount of false power involved. It takes a great deal of power to take your own life as it does to take the life of another, so because you are using, and have gained so much negative power, power with your mind, you will live in such a place, such a plane, fitted to such power abuse, hence in the lower planes of the first Mansion World. And then within these planes are other planes. For example, those people who murder with intent, wilfully knowing what they are doing, and doing it for pleasure, seeking such extreme power over another to gain their own pleasure, will live in lower darker planes (darker meaning less light of truth, or simply less truth), than people who might have got pushed too far and murdered as a reaction they couldn't control.

So from the highest to the lowest plane in the Mansion Worlds reflect false, or mind seeking power, you are gaining. The lowest being the grossest, the highest, more subtle and deeper. But what I want you to understand is that although those of the higher mind worlds (such as in Mansion World six) and their planes are of a much greater and brighter light of truth, still they are denying themselves in some way, and so still seeking false power. Still they have their soul – or feeling- healing to do – it's all a matter of

relativity. When you have healed all your powerlessness and no longer seek to gain and make up the power deficit using your mind; when you seek to live true to only your feelings, then you will be qualified to live in the Celestial spheres, living with a different light of truth altogether, one that is very different and separate from the Mansion Worlds. One that includes the light of your Mother and Father's Divine Love.

Why one is restricted to one's power seeking state in the Mansion Worlds is that until one does something about one's power seeking state, one can't move beyond one's condition. You can get worse, but unless you do your healing or alter your beliefs, you can't move higher. So there exists a great incentive to do something about this state of self-abuse and abuse of others. And if you sincerely choose to, then you have to understand the truth of what you are doing: how you are living seeking this power and why.

And so as you start to uncover the truth, a part of that procedure is for you to feel the pain you are inflicting on yourself or have inflicted on others. This is paying your dues, compensating for what you have done. And it's right and proper that the only way you'll understand the wrong you have done is by feeling the pain you have caused. And you will feel it all until there's no more to feel, which is when you understand the severity of the sin you have caused, because you feel the truth of it through the pain.

And as you progress higher seeking the truth, then although pain will still be present, you'll be able to manage it while you use it to help find the deeper aspects of the truth, until you understand the truth of what was done to you during your early childhood and how you took on the denial and manifested it as your adult mind.

This is seeking to purify your natural or self-love, doing your feeling-healing, however, there is another way to atone for your sins and this involves asking the Mother and Father for help, initially by longing for Their Divine Love and then seeking the truth through the doing of your soul-healing. And this way, although there is still pain involved, it won't be as much.

It won't last as long and it won't be as intense, because all the way along you will be owning up to your bad feelings, accepting your sinful and evil state and uncovering the truth of why you are that way. You're actively taking full responsibility for your power seeking. And because of this the Law of Forgiveness comes into play superseding the Law of Compensation, as you are finding out the truth of your errors and so forgiving yourself as you understand that you did the bad things because you were forced to, they being entirely a result of your unloved negative upbringing.

**Mary and Jesus' comments.****October 2009**

Mary Magdalene and Jesus' comments on the Padgett Messages book 1 by James Moncrief

***Jesus can I speak to you about something that's still playing on my mind?***

Of course James, by all means, go ahead.

*It's about the whole intent, feeling, and picture, portrayed – at least what I get – from the Padgett Messages that bother's me, and although you have spoken to me at length about this problem- even in these communications, still it's playing on my mind, so I want to go over it again.*

*And the problem is that from the Messages it sounds like all you have to do is soak up the Love and all your worries are over. All your sin and error will just disappear. It sounds wonderful and is a great incentive to pray for God's Love. But every time I read this I feel very stirred up inside, frustrated and angry. I feel these things because from my experiences it's not like this at all, your sins and errors don't just vanish because of the amazingness of the Divine Love in your soul, they go away ONLY after dam hard work at finding the truth of them through what I call the doing of our healing.*

*And I know I've complained about this many times before and you have told me many things as to why the Padgett Messages are as they are, but I still feel concerned, because so many people, are from what I understand, longing for the Divine Love in the belief that it will remove their sins and errors of its own accord, because of its action upon their soul, and without them having to do anything further. I feel it's so misleading, and everything is difficult enough as it is. So to have something coming from you, something everyone who reads it wants to believe as being the final word, the one thing that is going to help them, and yet, as I say, in my life it doesn't add up, and it's upsetting. It's already too hard as it is, not to you compounding the difficulties even more.*

*And I know you've already told me so much about this and we've also written extensively about it, but still it's nagging at me. I must have a lot more to bring up and express about it, however, would you please go over it yet again.*

And as we have discussed before James all that you say is right, and its right that you have such worries about other people, although as you know it's also right that you should seek the truth as to why you worry about other people and don't just concentrate on your own self.

*Yes Jesus this I am doing as you know. I have made some headway in it, but still I can't but help feeling annoyed that the truth of the Divine Love has been made that much more complicated when it's not. It would have been so much easier if you at least gave some more hints as to the need for people to do their soul-healing, but the Padgett Messages are so conclusive, and they don't include anything directly about the healing (however I also have to admit that I haven't read them all yet). Although I can see, if one can and chooses to read between the lines, and thinks deeply about what is said in the Messages, many things don't add up entirely leading one to think that their might be something else, something that isn't said, but so few people will be capable of doing that because of their negative states. And then going it alone to question the Messages – to dare to question you – it's too big a step to take. I mean really, what is the point of the Padgett Messages other than to send us off on another wild goose chase using our minds to yet again override our feelings. It goes against everything we believe you, Jesus, to be. Why wouldn't you be straight forward with us. That's what we need, we've got no one we can rely on. If you screw us up, who can we turn too?*

I understand your concerns James, but as I have said the Messages have been delivered as such to specifically cause such confusion. And although this seems to go against all that you would like it to be, it's still necessary for other reasons. And I understand that it appears misleading, but nothing I have said is untrue, it's just that not all has been said.

You have yourself James. This being all you only ever do have. Your trouble is you are trying to rely on a fantasy Jesus, someone you have contrived within your mind. Your picture of me is false, and you have no understanding of why I do what I do and say what I say. You can't get the right or true picture from me using the Bible or any other ancient texts, and as I am only re-presenting myself to James Padgett using the incorrect picture he has of me, so too will this add to your incorrect one, making you feel – I would hope – all you have said you feel. You are to get angry with me, you are to doubt what you feel the messages in the Padgett Messages are telling you. All so you will turn away from me to look to yourself.

When you give up your false image of me as your saviour, then you will be more ready to concentrate on accepting and living true to how you feel. I am trying to make you reject me, whilst at the same time deliver the necessary truths you require. I want you to reject the false Jesus you have in your mind, and to understand that until you ARE LIVING TRUE you will not be able to truly understand or relate to me. So its right that the Padgett Messages make you feel more screwed up, because you do feel this way. You already feel this way and they are only helping you to feel what you already feel. And by seeking the truth of feeling so confused, frustrated and angry – by accepting such feelings, you can uncover the truth of them. And then you'll be able to see me in my true light – to see from where I am coming. Then you'll be able to live what I say. Then you'll be able to be the living truth as I am living it.

I needed to present the Messages as I did to give people the freedom to choose between what the churches have made of my life and the truths I taught, and the real truth, albeit, not all the truth. I could only give the corresponding correct truth, to be matched up against the wrong truth as contained in the Christian faith. I couldn't take the next step and go further, step out and go beyond this level of truth because of the limitations imposed on me. It was not my role, nor my position or Mary's, to reveal all. As we have told you, we can't because we're not of the Rebellion, we were not born of the evil, we didn't grow up adopting a negative mind and will state as you have. It is going to take a high Son and Daughter similar, but less than, the soul status of Mary and I; a pair who are not so high as to be forbidden to accept evil on any level such as Mary and I are; a pair who can accept sin and evil, take it on, live it, and then heal themselves of it, a pair who would then open up the way and lead humanity to its true salvation – to the perfection and truth Mary and I are.

We needed to present the truths in the Padgett Messages as we did so people could freely choose for themselves what they wanted to do with it. They could either use it to further augment their negative mind states or use the Love to help them heal it. Those people you mention are currently choosing to use it to expand their negative self-denying and God-denying states, even though they believe they are living true to words contained within the Messages; whereas, you and Marion have shown that there is another way, and that one is truly and sincerely seeking the truth above all else. Then the inclusion of the Divine Love in your soul will make you feel bad, as it leads you into your sin and error so you can accept it and see it for what it is thereby healing it – all that you call the doing of your soul-healing.

*So, repeating what you said as I want to get it right, if someone is sincere in wanting the truth, as you receive the Divine Love, it will make you feel bad, not good, as one would believe reading the Padgett Messages. This is what has happened to Marion and I. I felt good with it to begin with, but then progressively worse, as if I were falling down a black hole. And it nearly demented me as I fought*

*against it, all because I wrongly believed it was supposed to make me feel wonderful as it took all my sin and error away.*

*But after some years, finally I had to accept that the Divine Love was helping me to feel bad as how else would all my bad feelings surface without some extra help when all along I'd been doing all I could to myself to deny them. And on accepting this, around the time I met Marion, and with her input, I started to understand there was a whole lot more as yet unrevealed. And gradually I came to understand that there was a whole lot more you hadn't told us.*

Exactly, and this is what I am saying. The Divine Love WILL make you feel worse as you submit to your feelings, all those you're keeping repressed inside you from your early childhood. It WILL help you become more aware of how bad you really do feel underneath your falseness and trying to feel good. It will help you accept and express your bad feelings as you'll no longer be able to use your mind to escape from them, all so you can uncover and so see the truth of why you are feeling them. Which will in time lead you to understanding, by feeling it, the whole truth of your negative state.

It's the most direct way you have of getting help from the Mother and Father to heal your negative condition, to do your soul-healing.

However the Divine Love will only help you to feel worse IF YOU ALLOW IT TO. If you resist it, resist the love from God, and the truth through your feelings God wants you to see, then you can use it to increase your negative state and self-denial by further empowering your false and untrue self. You will use it in this case to empower your affected feelings of love, contriving your 'all-loving' state using your mind.

And you can do this by adding further beliefs to your mind, believing you are loving especially now that you have some Divine Love in your soul. Something very bad to do to yourself.

*Well, I certainly don't want to use God to become more evil.*

The people you have spoken of who are happy to try and live only what is revealed in the Padgett Messages, are free at any time to sincerely devote their lives to the pursuit of truth, being prepared to give up everything that is wrong within them, everything that their negative mind is using to give them

power and control. And if they were to do this, they would soon see that their lives were getting worse, so far as their negative based standards and beliefs are concerned, not better for the inclusion of the Divine Love, as their bad feelings and all that's repressed in them started to surface, all so they could find the truth of what they are really feeling – what they are hiding from, and do their healing.

*So what you're saying Jesus is that you have deliberately presented the truths and information in the Padgett Messages to sound similar to what the churches teach: pray for God's Love for salvation, but you've presented it in the light of true information and the real truth, not with all the rubbish and untruth the churches have made up.*

Yes James, I am and can only be concerned with my two thousand years. The Padgett Messages bring that time to a close in which I have righted the wrongs as presented by the Christian churches. That is all I can do, I can't carry the revelation on further as to how one specifically heals, or gets oneself out of their negative state of mind. That is what the next age or era of humanity's growth is all about. I have been the beginning and the end for my small part in it, now the next part is being revealed by yours and Marion's work. And Mary and I are aligning ourselves with you, and you with us, so all your reveal is linked up with us. And as people do their healing, do what you are doing, they will be led directly to Mary and I, so we can then take them further up through the Celestial kingdom all the way through Nebadon.

The natural steps of truth growth are all around the wrong way. Of course the healing should have come first followed then by all Mary and I are speaking about, but that hasn't happened because things in a rebellion don't follow any logical path, the path is disrupted, and it's back to front. So Mary and I came first to stop the Rebellion on the higher universal levels, and then the healing we are speaking about with you and what you are doing, is to stop it on your immediate planetary level – within your own lives.

All you can do is accept the Padgett Messages as they are, and then it's for each individual to do with them what they want. And as you start to offer your experiences in conjunction with them, then people will be able to consider the Messages in the light of how you relate to them. And people will be free to either follow and believe me as you say as I am presented in the Padgett Messages, carrying on their denial of truth and denial of the feminine, or they can listen to what you and Marion have achieved and choose to embrace the feminine, including Mary and the Feminine Aspect of God – our Heavenly Mother.

So between us, the two ways will be on offer, one being limited because it's not the full revelation, and the other way the full revelation making complete sense of the other way by putting it all into perspective.

You see James, the choosing to do one's healing is a very big and important step one can take in their life. You are choosing to do something about your rebellious, evil, state of mind and will; you are choosing to say no to the Rebellion and Default, choosing to no longer be a part of it. And in no way are Mary and I to influence this decision. We can't because we have no right to. We were not born of it, born as an active part in it, so we can't influence people one way or the other. We can't of ourselves say: this is what you must do to heal yourself, to end rebellion and default within you, and if you don't such and such will happen – we know this because of our own experience of life. But you can. And because you can – because you are of it and are healing it, thereby being able to speak from direct personal

experience about it, so too can we speak about it through you. You are allowing yourself to be the conduit to connect us with humanity's rebellion and default on the personal level. So we can via you openly speak about it and how to go about healing it.

*Jesus, the people who want to live the truths in the Padgett Messages as the final be all to end all truth, want to fix it down and make a church without listening to anything else, rejecting all other sources of information, such as The Urantia Book, that clearly have a lot to offer.*

That's right James, and if that is what they want to do, then so they should. They should do whatever they want just as everyone should. But it's up to each individual to want to know if what they are doing is right, right by God. If they don't want to know what's right – the Truth – then they won't question what they are doing, so will not accept and submit to their bad feelings and enter into the doing of their soul-healing. They will use all I have said to help them continue to gain power and control. They will use God and God's Love to gain power and control, and they have the right to, they can do it if they want to, as neither God nor Mary or I will stop them.

How you want to live your lives is entirely up to you. And the only way you can know what is the right or true way – God's Way – is by finding out the truth of all that you do, the truth of your motivations and intentions. So I would say to these people: why do you want to canonise all you believe to be the truth; why do you want to build a church based on what I have said – what are your motivations? And by motivations, I don't just mean those on the surface of their mind. And if they are honest with what they feel, they will have to admit they are doing it for selfish, self-centred reasons in an attempt to gain more power, all so they can have greater power over themselves, other people and life (God).

And as I said, this is the best Mary and I can do for you. We can only present an alternative to what the churches are saying. And if you choose to live what I have said in the Padgett Messages, wholly, and not just exclusively with your mind, then they will lead you eventually into the doing of your soul-healing, into all the confusion, doubt, conflict that you and Marion have been led into. And through it you will uncover the truth for yourself. And I would imagine, many of the doubts, worries and concerns you have felt about the Messages, which you have voiced, others will have too, as they should have them also if they are growing in truth, for they should see and feel the limitations placed on them and the light in which they have been presented – at least, that is what I hope they will see.

*The greatest difficulty I think we face Jesus, is that the Messages sound so convincing and so final. When you say, all you need do is pray for God's Love and all your sins and error will disappear, we want to believe it. We want to pray and make all our yuk go away. We want to pray and feel a nice thing come into us, and receiving the Divine Love does make us feel that. And then we want to believe, and going even further – know, have faith and trust, that all that's wrong with us will just leave us, will go of its own accord, and we will move up the Mansion Worlds just like Helen Padgett, James' parents and his friends and acquaintances, growing in love, and feeling better and better about our lives that just get more and more wonderful. We want this. We all so desperately want it. But to then be told it's not actually like that, that actually you have to work your butt off doing your healing, feeling all your pain, seeing how horribly evil and sinful we are, so we can find the truth before the yuk all goes, is a major let-down. We all want the quick fix and the Divine Love does seem like it's the answer to all our prayers. We so desperately want to believe what you say is true, to cling on, to long for and receive the Love, and then let ourselves get fixed up.*

But if this were to happen, James, then surely you would have to ask: what was it all about? Why did God start me off in Creation on an evil world and in an evil state? Why did God do that when all I need do is partake of the Love and all that bad stuff will simply disappear?

*I agree with you Jesus. I asked why. It was a part of why I sunk down into my darkness instead of pretending that I was getting happier and happier and my life was becoming more loving as I partook of the Love. I couldn't understand why God would just erase it all, let us live years of suffering and then just say: Hey, if you soak up My Love all the pain will go away, you'll feel born again, as if all that didn't happen. If this was so, then why bother making us grow up on such an evil and cruel world, why put us through all our suffering, why bother even allowing evil to exist at all?*

And such thoughts are what you are meant to think about James. Not everything has been given to you on a platter, you are meant to come to the understanding that you need to know the truth yourselves, even in many respects, before you find the truth about the Divine Love. And you are meant to commit yourself to finding the truth, the truth of you, the truth of all that you are, the truth of all you have experienced since your first moment in Creation at conception. This is what you are meant to do, not work out the truth of life – but the Truth of You – for you are the truth of life.

You are to seek within but not with your mind like so many do, but with and through your feelings, this being what you and Marion are doing in you healing, and as you have experienced, you are being led to find the truth of yourselves.

Although it's been revealed all back to front because of the Rebellion, **you are meant to seek and long for the truth before the Love.** For as you find truth so too do you find love, as love can only come from truth when you are ascending: **no truth – no love.** But in your negative mind states you believe that love should and does come first, and with love then all truth will follow. But from within your negative states you have it around the wrong way, and so it's been revealed around the wrong way, Mary and I have revealed the Divine Love before you have found the truth of yourselves. However, as you and Marion do your healing, so the truth of you is being revealed, and once this has been done then you can accept the truth of love, of Divine Love, and long for it based on the truth you are living.

To long for the Divine Love without such a foundation of truth, as these people you mentioned are doing, is fraught with problems because it's all too easy to seduce yourself into believing that the Love will heal all and will bring the truth to you. **The Love will help you in your longing for truth. It will help stimulate in you the need and desire for truth, but still you have to make the necessary will-gestures to find it.** And in the Padgett Messages we speak about one's need to long for the Truth, the truth of oneself, we just don't tell you effectively how to go about finding it.

And the truth in many ways, because of your rebellious and anti-truth states, is more elusive than the Divine Love. I can say long for the Divine Love and if your longing is sincere the Love will flow into your soul – and you will feel it do so. I can say long for the Truth, but the truth is not going to flow into you from an outside source. No, to find the truth, you have to do so through yourself, and through your own feelings, and as I said, NOT with and through your mind. And to do this means you will have to confront, accept, and find the truth of all you are denying about yourself – why you are denying these parts of yourself, why you're not allowing yourself to express all your bad feelings; and as you stop denying your bad feelings, accepting and expressing them, then the truth of your denial, the truth of your relationship with your parents, will come to you – hence the doing of your soul-healing.

Mary and I weren't in a position to tell about how to find the truth of yourself. We could speak about the Divine Love and how to invoke it whilst it is available, but it wasn't our place to speak about how to find the truth in your negative anti-truth states because we weren't of this state. Someone else has to help people do that, and that is where you and Marion come in James. And Mary and I can support you, and that is where our writing with you comes in. So people will eventually be able to look to find the

truth of themselves through their repressed feelings and then accept the Divine Love if they want to have a more personal relationship with their Mother and Father.

And because the Divine Love and the way to find the truth will be on offer at the same time, then people will be free to do both or one of these things. It's conceivable there will be people who want to find the truth of themselves, healing their childhood repression, without the inclusion or help of the Divine Love. And for these people, this you are preparing yourself for with some of your writing, appealing to and helping them – in what you call 'feeling-healing'. Then other people, as some are already doing, might want to receive and live with the Divine Love but not the truth. And then others might want to live with both, just as you and Marion are. And all of these ways need to be made available allowing people maximum choice. These are all major life decisions and people need to be free to make their choices. You will make your offering, just as I have made mine, and people will be free to accept what they want and do what they want with it all.

Does all that I have said help you James with your concerns?

*It does Jesus, it always does when you speak about it. Thank you and Mary very much. However if you can bear with me, I doubt it will be the end of my concerns so I will probably feel the need to ask you about it all again.*

And that is what you MUST do James. You are the one who is wishing to work it all out; you are the bridge between the humanity and Mary and I. And Mary and I are delighted, we love speaking about it all with you, so don't hesitate to express your concerns as often as you want – even if all we say in answer to you becomes boringly repetitive to your reader. And besides James, as you know having experienced it so much, we don't and can't reveal everything all at once, so each time you ask us, even about the same thing, we will shed more light on it for you.

*And why can't you reveal everything at once?*

Because you are always growing and changing as we are. Our relationship is always evolving, our work together is evolving, so there will always be new aspects you are ready for. It's all a part of the fun, don't you think?

*I do. I do love it. But still sometimes I wish it would all just be said so we can get the whole picture, so all the worry and confusion would go away.*

That will happen for you James when there is no more worry and confusion in you from your childhood. You only get worried and confused about things on the outside because of what's still repressed in you. By the time you are fully healed, so too will the picture be fully revealed, or at least enough for you to not worry or be confused about anymore.

*Well, I wish that would happen soon, I wish my healing would end. I've had enough of it, I'm sick of feeling bad.*

It's all for the best James, as you know it is. The Mother and Father have it all well in hand and it's not what you think it is, it's what you feel it is that's important.

Do you have more concerns for me James?

*Well, actually I do. What if all I'm saying and writing is untrue, rubbish, and all stuff I've somehow made up? And what if there is no Heavenly Mother, and The Urantia Book and Padgett Messages are correct and all one needs?*

And you need go no further James. What you say may be correct. However there's nothing Mary or I can do about that. It is all for you to reconcile within yourself. And as you know from your healing experiences, all you can do is keep expressing your fears, doubts and worries, all your bad feelings, whilst longing for the truth of them. And in time the truth will come and with it you will KNOW.

You will know what is the truth for you and that is all you can know. It is all that is important. And as to what other people may think and want to believe, that is up to them, just as it is up to them to uncover the whole truth for themselves.

*Thank you Jesus.*

I'm going to finish now, speak to you soon James – Jesus.

Mary Magdalene and Jesus' comments on the Padgett Messages book 1 by James Moncrief

**Jesus:**

James, as you've decided for the moment not to continue with Mary and my commentary about the Padgett Messages, and as you've been thinking about them, I would like to add something of a summary for our conclusion. This summary is based on how you currently feel about things and repeats that which Mary and I want you and those who read your work to understand about our lives on Earth and the position we've been in up to and including my communication with Mr Padgett.

The most important part is for you and the reader to understand that one CAN'T grow in truth from just reading the Padgett Messages. You can expand your intellectual understanding of things, but that is about all. You can of course understand about the significance of longing for the Divine Love and indeed long for and receive it into your soul, however that, as you understand, doesn't do anything so far as healing your negative condition, that which everyone is suffering and currently conceived into. That which people have been conceived into on Earth for a great many years.

To grow in truth requires you to embrace BOTH Mary and I. You CAN'T grow in truth without doing so, and this is what we want to STRESS to you. To the reader who feels and believes he is advancing his spiritual growth of truth by having read and understood what is said in the Padgett Messages, to this person I want to say, NO you are wrong, and you WON'T start truly growing in truth until you have embraced both Mary and I. And to do that you MUST read all we've been saying to James in his writings, all we are writing now.

Currently all those people who read the Padgett Messages but aren't looking to grow in truth, are only succeeding in deluding themselves that they are, and the sign that one is growing in truth is shown and can be seen by the individual doing their feeling- or soul-healing. That is, they are seeking to heal themselves of their negative condition, to uncover and understand the truth of all that their childhood repression involves. And to do this one will have to embrace BOTH the masculine and feminine aspects of God as we are presenting them – as expressed in the personalities of our Heavenly Mother and Father.

If one chooses to do as I have said in the Padgett Messages and embrace longing for the Divine Love, then this love will come into your soul and there it will remain, dormant as it were, until you seriously want to heal your negative self-rebelling condition of mind and will. And ONLY when this happens does and CAN the Divine Love start its transforming ways upon you, making your soul divine. And in the process so will you grow in truth, and grow in truth along the lines of Mary's and my Spirits of Truth. And to allow these Spirits of Truth to serve you, you will need to fully embrace all we are saying to James and Marion as it is vital and needed to assist you in healing all of your childhood repression.

I understand that people want to find the truth in the Padgett Messages, and be assured that it is from me (which it is) and that it's true (which it is) and that they no longer need to do anything else, with the acquirement of the Divine Love being all that is needed to rid one of all sin and error – but this is not true. It doesn't and so won't and can't happen like that. For if it did then one would deny oneself the active hard-fought growth of truth. And the understanding that the truth is what you are all about, and what you all need to wholly concern yourselves with: its acquirement and your growing and evolving in it, beginning with life on Earth and continuing for the rest of eternity. The acquirement of Divine Love is only to help you move beyond the Mansion Worlds, to move out into the greater Celestial levels of truth and understanding as you become progressively more like your Heavenly Parents, as you ascent in truth and love to Paradise. But first you have to ascend the Mansion Worlds and this requires the doing of your healing.

James Padgett was not in a position within himself to do his soul-healing. He was only able to understand the attainment of the Divine Love. And we revealed this to him so as to bring humanity potentially back into line with how it was for those people on Earth back when Mary and I were incarnate. For all we spoke about was the Divine Love. We didn't speak about, at least not so directly, the healing of one's childhood repression and negative state. This was to come at a future time, at a time when people would be open and receptive to the feminine aspect of truth, which is now occurring. Mary can be now accepted truly for who she is, as can her revelation of our Heavenly Mother. And it can all now be done within the Divine Love, within all that was said to you in the Padgett Messages. Or rather, the Padgett Messages can now be put in context, seen for what they are, seen for the limitations they contain, and used in conjunction with all we have been saying to you James.

So far as one's growth of truth is concerned, it's correct what you've been thinking James, that ironically it's those people, most of whom don't have any firm spiritual motivation, that have and are growing in truth, simply because they are seeking to heal their childhood repression. Such people as they look deep within themselves, as they accept, express and uncover the truth of their bad feelings – are honouring such laws of self-expression and so are growing in truth. Such people experience a change within themselves, only as they are not generally living with a spiritual intention don't understand that really they should keep working on themselves so as to heal all of their negative condition.

Mostly they only want to heal the pain and problems they are aware of, these which they see are causing them limitations in succeeding in life, and so once healed are happy to keep living in their negative condition. But still they are growing in truth, still they are changing. And are doing so far more than people who simply long for the Divine Love and believe that it's healing them. And of course many people without being consciously aware are and do accept their bad feelings to a small degree, do express them instead of bury them, and so do uncover some truth about themselves. But generally this is only in a very small way, with their Earth life one of growing in truth, yet nothing like it could be were they to fully embrace all we are telling you – consciously longing to heal their negative state.

And then there are people who have read the Padgett Messages, and to a limited degree do also honour some of their bad feelings, expressing them and uncovering a nominal amount of truth – yet still truth nonetheless. However, overall, mostly people are content and even insistent upon denying all their bad feelings, with or without the inclusion of the Divine Love.

To do what you and Marion are doing is taking a big step in life. It's deciding to stop living in the negative and to work your way out of it by growing in truth. And this is living true, it's the only true way to spiritually grow, all else is only mind delusion and a continuation and expansion of the negative, this being something humanity has yet to understand. And by doing what you call your 'Feeling-Healing' is really all one would naturally do were one not so conditioned to denying feelings.

It's how Mary and I lived when on Earth. We naturally accepted and expressed all our feelings, and as we did, truth was revealed to us. And we revealed the truth of our positive mind and will states, which in turn shed light and understanding on your negative evil way of being. But as we've told you, we didn't need to heal ourselves of our negative condition like you do, as we weren't of it. So your growth in truth will be different to ours, yours involving, at least initially, the complete focus on the negative and seeking to heal it. And once you've done this then you'll advance in truth as we do.

And James, if a lot of people say that you're making all of this up; that I am not Jesus; or, even if I am, there is still too much of you in your writings, so they won't take what you write seriously, don't worry about them. It has nothing to do with whether or not I am who I say I am, or who you say I am, and

really it has nothing even to do with what you write or say, for the truth is the truth, and if someone sincerely wants to live true, and heals their feeling-denial and all of their negative state, then they will know what I'm saying, what we're both saying, as they too will have lived such truth. For those people who don't want to do the hard work, leave them to it, they still need to do more in their negative states.

And on a personal note, I'll take this opportunity whilst we're speaking, to tell you and Marion that you are making very good progress indeed. And although you feel like you're going nowhere that you have all but come to a standstill, you haven't, it's all going along perfectly as it's meant to. And there is nothing further that Mary or I can do for you both. You know what you're doing in your healing. You know the personal difficulties you both face and you're working to express all the repressed feelings that are driving them. And there is nothing more you can do, this you also know. All you can do is keep going and see where the Mother and Father guide and lead you. And although it may not feel like it to you, you are both putting yourselves ever increasingly into Their arms and this is the whole idea.

Soon greater understanding about it all will come to you both. Then all things will make sense and then you'll both feel more purposeful in your lives. And I am pleased you came to and made the decision to formally and officially end it with us – our communication. You no longer need to feel like you're the little boy asking his mother and father about the way of things. Now you can relate to Mary and I more as equals, and you don't need our praise or encouragement to keep going. And the further you are going the more you are feeling the significance and importance of truth, which is humanity's greatest stumbling block.

It's a rebellion against the truth, against all that's true that is causing all the problems. Because it's a rebellion against the person, the personal, directly against Mary and I. So by denying us, one is denying the truth, just as the Lucifers chose to do. They went against us, and so against the truth, and against all that is good. And as can be seen one can deny the truth, deny Mary and I, and yet still love and be with the Mother and Father, you can still partake of Their Divine Love. But that too is just another way of avoiding the truth if you want to use it for your own self-gain, allowing yourself to keep up your rebellion whilst you pretend you are being all-loving and spiritually growing. But it's not so, just as you can observe in the people who only want to adhere to my communication with James Padgett. One can have a separate relationship with the Mother and Father even in one's negative state. But if one wants to seriously be a part of Creation, to be true to one's self, then one has to embrace truth, because that is what we are – the living truth. If you don't want your true self, then you can't live truly.

Speak to you next time James – Jesus.

And thank you James – Mary.

**FEELINGS FIRST For Kids**

**PARENTS SUPPRESS OUR WILLS!**

Notes from [Mary and Jesus' Comments on the Padgett Messages](#), book 2, p.64 by James Moncrief

All of our anger is due to feeling so powerless, this some understand, however we have yet to fully embrace the feeling, meaning, and awareness of and true understanding that when we say we feel powerless, we mean will-less, and to feel will-less is at the root of all our problems and why we feel so bad. It is time to give feeling will-less more thought and feeling.

That will become the level at which we are to reach in doing our healing, and that will be why we will feel so bad when we say we feel like we are nothing, because we will then be feeling when we feel our will is not there, not functioning. And as we are to know, we always have will, yet it was with our parents and their treatment of us that made it seem and feel to us that we didn't have a will, all because they didn't allow us to be free to use it, to do as we pleased. So our whole negative state is one of feeling will-deprived, will-less, and many people and spirits when they say they feel soul-less really mean will-less.

**OPPRESSION AND DISCRIMINATION ARE NORMALIZED FROM BIRTH THROUGH OUR LIVED EXPERIENCES AS CHILDREN.**

It's just what our parents did to us. They screwed us up and then expected and made us try to make ourselves feel better and have a life. They gave us nothing of a life, nothing good to feel about, and yet expected and told us it was all up to us to make ourselves feel good and make a good life. Which is all very well, yet how can we do that when they stopped us from being able to do anything for ourselves, when they stop us from being able to make life be any way, good or bad, for ourselves.

~~~~~

Our childhood repressive upbringing, without exception, infuses progressively into our all controlling mind, cluttering same with errors of belief and injuries from our parents. Our all controlling power hungry minds begin to dominate our every action. The norms that we observe and participate in during our childhood become our way of living, and in turn we pass these domineering ways onto our own children. Humanity is trapped in a never ending cycle.

Throughout all of this perversion and persuasion our soul remains pure in truth and feeling. It is only when we avoid our mind thinking processes and allow our feelings domain, do we begin to live in truth and harmony. Our soul based feelings are our way to truth. Allow your feelings to flow freely. Our feelings are truth. Our feelings will bring harmony and peace. Our feelings will help us feel and know the truth of our injuries and errors. Then with our soul based feelings will we evolve in love and harmony with our Heavenly Parents.

The New Way, Feelings First Spirituality
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.
 Want to understand why you're feeling them.
 Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
Your feelings are your spiritual guide.
Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one’s feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God’s Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we’ve all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

LOVE is the Religion of Feelings, being:

JESUS on COMMUNICATIONS:

via James Moncrief 14 January 2017

Jesus?

Yes James, I am here.

Thank you for answering my call. And I assume you are aware of what's in my mind as to why I've called? You've told me how it's not you in person speaking with these other people that claim to be speaking with you, and that you've appointed Celestial spirits to talk on your behalf, even pretending to be you, but still I feel there is more to it that I don't understand. So would you please be so kind as to go over it again with me.

Certainly James, I'd love to. And first you understand that as you progress in your truth and corresponding mind levels, so Mary and I are able to reveal more to you, and in a way, 'come closer to you'. Which is really the same for these other people. So because they are not doing their Healing as you and Marion are, so are not growing in truth, so we have to honour their desire to remain within their negative unloving mind structures and beliefs, which is why it's not Mary and I speaking personally and directly with them. Because if it were, then we'd actually be interfering with their wrongness, something neither of us wish to do.

Okay, I understand that, I can relate to that, but what about people who are doing their Healing, does that mean everyone who is doing their Healing that wants to speak with you both, can?

No, because then a different set of parameters come into play. In theory the answer would be yes, and the more so as people or spirits Heal themselves as you and Marion are doing. However it becomes physically impossible for Mary and I to attend personally to everyone, and as you can imagine, everyone in Nebadon wants to meet us and have us be with them in one way or another.

And so as you understand, this is where our Spirits of Truth come into play. They being 'ourselves' but more like the spirit of ourselves, who is able to be with everyone at the same time. And so when you truly embrace longing for the truth and looking for it through your feelings, you will have access to our Spirits of Truth. And so it's then through our Spirits of Truth that people can think they are speaking directly with us. So in a way they are, but just not face to face. And the process is facilitated by a mind circuit of the Divine Minister in conjunction with the persons Indwelling Spirit. And so it can seem like Mary and I are actually there with you in person, or that we are speaking from afar to you, and everything in between depending on the needs of your soul.

Alright, that makes sense; so why doesn't that then happen with people who are not doing their Healing. I know the answer but I'd like you to please give me yours.

Because such people are not wanting the truth, so our Spirits of Truth can't properly, or – truly, interact with them, and so neither will their Indwelling Spirit participate in such an experience. And so because these people (and there are mind spirits as well who 'channel') want to speak directly with Mary or I, so we have established a Celestial band to oversee such proceedings, that which I've told you of, that which incorporates enabling such spirits to pretend to be us, all in keeping with the soul needs of the individuals concerned; which is about using us to further their untruth because they still want to evolve and progress in their untruth.

And if they weren't wanting to use Mary and I – the Truth – in this way, then we'd never dream of doing such a thing. However it's become necessary because people and mind spirits want it, and we

along with the Mother and Father, will do what we can, again within certain parameters, to further one's wrongness. And as strange as that might seem coming from myself, it's true. And it's what we've done all the way along, even by our coming to Earth knowing that our coming would create untold problems along with masses of new opportunities for people and mind spirits to evolve their evilness, that which you are all currently living under and within the results of.

As you understand, Mary and I didn't come to Earth or to James Padgett to completely end the Rebellion and Default in everyone, we only stopped the main Evil Spirits from interfering anymore. But as for our non-interventionist stance, so you can see for yourselves the result of that, with the advent of the Christian religions, all of which in subtle ways we even helped to facilitate, all so humanity could further 'outwork', as you say, their rebellion and default.

Yes I see, well that makes it clearer, thank you. I'll think about it for a moment and see if there are any other holes I need plugging.

So how does one of the Celestials who is pretending to be you, do so convincingly?

They have access to our Spirits of Truth, so it's nothing for them to 'tap into' it and so 'be us'. They can easily 'be us' adjusting to the needs of the person or spirit, and so much so, that the person or spirit will completely believe and think they are working personally with us. And it won't be until they start to do their Healing and grow in truth that they will question oddities that would become apparent in the proceedings based on bad feelings that would come up for them, just as you have done, which would then, should they want to explore such bad feelings, lead them into questioning 'Jesus' and so the spirit pretending to be us. And if they were to continue with their Healing, the truth that would come to light through their feelings would in the end cause them to dispense with their 'Jesus' understanding it wasn't all they thought it was, even then picking up on and connecting with the 'new Jesus' coming as a result of working with our Spirits of Truth.

So that's what Al Fike and Nicholas would go through, something like that?

Yes. Which would be a humbling experience for them, and one would assume would also involve lots of bad feelings, all of which they could then use to truly advance themselves. So like everything you do that is wrong, once the light starts to be shone on it, all the bad feelings generated can then be put to good use to further advance your soul. So all that is bad in the end turns into being good, but still, to fully embrace those humiliating bad feelings and having to admit you were wrong, doesn't feel very good, as you know yourself.

Yeah, terrible. God it's all so embracing, and then having put it all out there and feeling like such a fool, stupid, such an idiot; however as you say Jesus, in the end it doesn't really matter because we're all the same, and it's all just part of what we have to go through, and even though it might technically be wrong and not you yourself these people are speaking with, still some of what they say is good and helpful, it's not all a waste of time.

Exactly James, which you understand within yourself the more you Heal and accept yourself, for so too are you able to accept and see the good in the bad of others, or see the good that will one day eventuate from the bad, which is how Mary and I look at it; which is how we are able to help humanity further its wrongness, knowing that when people come to do their Healing, all the bad will go leaving only good. With that good even having to come through or out of the bad for you all, because that's how our Mother and Father have designed it for you. It is what They want, and so that's what we all do.

So what you're saying Jesus sure turns it all around, and is nothing like how we've been made to see it.

It can't be James, for how can it be when it's all wrong how you are. You can't see the right being wrong, you can only see the wrong, so that's why it's vital that you stay focused on the wrong, as in all the bad feelings you feel, expressing them and seeking their truth. For as truth comes then you can see the right in the wrong, as you yourself change from being wrong to being right.

Alright Jesus, I'll think more about it, thank you, but I think you've given me the picture I was looking for, now I get it. And it's not that hard after all, quite obvious really once it's been pointed out.

Like so many things James, which you can't see because you're not in a condition to see it. But when you are, then as you say, it seems obvious. But it's getting into that condition, that's the hard part.

Yes. Thank you again Jesus.

All the best James. And I will add before I go, although Mary and I have said we are not personally attending to people on Earth and in the Mansion Worlds, that we are only writing to you, that has changed too, as we will personally be with certain people for various reasons, however only a few. It was important for us to say that we were only going to be with you because of what you needed to go through, and at that time it was true, but as you no longer need that to be true, having moved on within yourself to other areas of importance, so we'll modify what we said to you about that, as we did the other day saying we have been with Joseph, as we have with everyone who is now taking an interest in your work and seriously considering doing their Healing. It has been important and necessary for Mary and I to 'add our light' so to speak, to those people involved, just as we will continue to do so for some time yet. Things are beginning to significantly change on all levels to do with humanity, and so we through our light are a part of that.

And Jesus, that made me think, am I really speaking 'face to face' with you, or am I too merely utilising your Spirits of Truth?

What do you feel James? And you feel it's face to face as you say, and it is, for as we've told you before, there is special circuit that links us with you and Marion, so Mary and I are constantly in tune with you, knowing what you are doing, feeling and thinking, and we can have direct access to your minds and feeling systems whenever we need. So although we are not actually standing face-to-face with you, we in spirit and you on Earth, and as we are in all different parts of Nebadon when we talk to you, it's with this spirit-link, or what you might call a light-link, which is even more than that, a soul-link in a way, that keeps us personally connected as if we were right there with you. Anyway I can talk more about that with you if you like, but I'll leave it there for now.

Mary and I love you both very much, and through this 'link' or connection, we are 'with you' all the time. So until we speak like this again... Jesus.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

WRITINGS BY JOSEPH'S FATHER:

16 January 2017

Hi James and John,

(((Happy Birthday, John!!!)))

Yesterday I read a fantastic conversation between James and Mary Magdalene in BOOK 4a, PDF pages 73-76, and experienced a horrible feeling when I came to the end.

The feeling I had is that when I received a series of messages from my family now living in the spirit-world, I was living a fantasy. I was not consciously doing my soul-healing, and therefore the healing of feelings by spirits was a hidden world to me. Yikes! This feeling almost caused me to destroy the book I published about my experiences receiving messages from my family, which I think John has read.

Thus, this morning I felt that I needed to speak with my family about this subject. You may read the message below that I received from my father (he passed in 1951) ...

20170115 A message from Joseph Babinsky's father.

It feels that I am in a whole new world, and I am feeling I am not prepared for it. Maybe it is because I don't like it and don't want it. Maybe I like my fantasy world of believing the Divine Love will fix everything, and the more I long for the love, God will fix everything. What I'm hearing now is that this is fantasy, and if we love truth and desire to progress to the Celestial Heavens and beyond to Paradise, I must be willing to experience all my feelings, and heal all my childhood repressions, which sounds like a yuk world, dark and filled with tears and pain... like returning to the womb in the reverse direction, healing all my bad feelings and experiences on the way to a new birth.

I want to speak with my family about this, in particular, my father or mother.

Dad, you were the first of my family to come and write messages almost two years ago. Would you come again and speak to me of your experiences in the progress of your soul to the Celestial Heaven. Did you go through your soul-healing in order to do this? And if you did, why did you and others in our family not speak to me about this and your healing?

Dad, are you here? Or shall I wait?

Joseph, my son, I am here to be with you again. It has been a very long time, and I have been waiting to speak with you again. Yes, I am Andrew, your father when on Earth.

May I first say that you are not living a fantasy. What you are feeling is a real part of your on-going experiences in the evolution of your soul. There is more clarity available to you now. You have grown, evolved if you will. We, your family, have also progressed from the person you not only remember from your childhood but what you learned about us while we began our communications several years ago.

When we communicated our experiences, we provided information based on your level of ability to receive. It was a new experience for you as well as for us. We did not purposely omit information, or by design withhold information.

Yes, I went through a very difficult period when progressing to the Celestial Heaven. I did not tell you the specifics of this difficulty. I can now say, to an extent you are limited in understanding the dynamics as well as the necessity of our soul being healed of all its injuries. Our feelings are truly the key, Joseph.

Like you still on Earth, we in spirit also have feelings, and before we ascend to the Celestial world, our feelings range the spectrum of emotions, from hate to the extremes of anger, despondency, and depression.

That's alright, Joseph. Take a break. Breathe deeply and pray for help from our Heavenly Parents. This communication might be difficult for you to receive. So, please, take your time. I will wait...

Thank you, Dad. I am feeling inadequate right now. I am not feeling confident to receive your words. So I will do as you suggest, and I will return.

Later.

I have returned. To tell the truth, I felt that I did not want to come back to continue our conversation. I wanted to run away. I did not want to hear your story. But I stayed, and rested in my recliner chair, breathed deeply, and prayed. I have returned to hear your words, dad. Please continue.

I love you, my son. I will continue, but I will not tell you all that I did to bring healing to my soul, perhaps only a few highlights. First, let me say that I could not have done it without the help of gentle and kind spirit-helpers. They stood with me during the long process. Listening to me speak and cry about my feelings of despair and hurt and pain.

As you might recall, I did not immediately follow the advice of Ana (your sister) and Charles (your brother), about the path with the Divine Love. Oh, I experienced some measure of the Divine Love, but I was more interested in understanding my bad feelings, and how I could gain control of them. I ascended from the first spirit-world to the second and to the fourth. I wanted to cover my feelings, especially the bad feelings that continued to nag me and did not leave, no matter how hard I tried, with my mind, to ease the pains. Oh, I found some help and relief, that is why I was able to ascend to the fourth spirit-world.

And you may also recall what changed my course. It was the news of the arrival into the spirit-world of your mother, and how quickly she ascended, with Ana's help, through the other world's I was not aware of, except as information given to me by Ana and Charles. It was brought to my attention again, of the importance of longing for the Divine Love.

Well, when I changed course from the attention of my mind to the way of the Divine Love, I moved immediately to the third spirit-world, where the Divine Love is the main focus. However, and this part I did not share with you two years ago when we were communicating, that I was taught the importance of our feelings, in particular, our bad feelings, as the way to advance with the Divine Love. Thus, I returned to the world of feelings that I was trying to escape when I went the way of the mind. Now, I was face to face with bad feelings that never left me.

These feelings were horrible, Joseph. There were buried feelings I had no idea were still part of my soul-being. In fact, the picture of those buried feelings was the awful deterioration of my human flesh that you saw as I suffered the ravages of cancer. In the end, before I died, I was nothing but skin and bone. You saw this, and I am sorry you had to experience this at such a young age (this was 1951 and you were 16).

Oh, Joseph, the pain of the death of my body was nothing compared to the healing of all my buried feelings, all the feelings going right back to my childhood, and even back as far as the time when I was in the womb of my mother! I did not know, I did not realize that the early feelings never evaporate and

disappear. They remain as the things that disturb and distract our life when we become adults. And, left unhealed, the suppressed feelings erupt later as bad experiences, even the bad experience of a cancer in the physical body.

And so I went the way of healing my soul, right to the last of them in my childhood. Why did I yell and beat my children? Because this was a pattern I learned in my childhood. Why was I a strict authoritarian? Because I learned this in my childhood. Oh, and so much more, Joseph ... so much more. Through encouragement from others, Celestial helpers, I continued. I would not give up. Love, the Divine Love, received and felt, encouraged me to continue. God was not angry and beating me into submission. No, this was not the way. It was the presence of our Loving Heavenly Parent, helping me to be healed of all my negative emotions and feelings, standing next to us, as it were, encouraging me to take the next step. It was all worth it, Joseph, in the end when the Great Light arrived and I was at the end of the dark, black tunnel, and felt the complete liberation and freedom of my soul, I leaped for joy and thanksgiving. For the first time in my life, flesh on Earth and spirit, I felt absolute freedom to be the soul that I am. The transition to the Celestial world was my true birth-day, my new birth.

What I have shared here is not my full story, Joseph. I could not begin to tell you each and every single feeling that I healed. This would fill a book in and of itself. And it is an individual matter. I cannot tell you the story of Ana, or of Charles, or of my wife—your mother. Each one went through their own soul-healing. If you would like to hear their experience, please ask them, Joseph.

I hope you found what I have said helpful to you.

Thank you, dad. Thank you for sharing this. I am sure it will help me as I begin my own soul-healing. As you know, I tried many times during my long life, to search my childhood why I am the way that I am. Yet, only recently, have I discovered how important it is to pay close attention to our feelings, and that the way of feelings, not the world of mind, is the way that we will complete our new-birth as promised by Jesus when he came to write messages through James Padgett in 1914. And I feel that I might be too old to get very far in my soul-healing while still in the flesh, so I will not give too much time to do it now. I will begin in more earnestness when I come to the spirit-world.

I will be waiting, my son, and we all will assist you, that is, your family that is now here in the spirit-world.

I love you, dad. I must go now. Thank you again for coming to write what you did.

You are welcome. And thank you for sitting to receive my words. It was not an easy thing for you to do, but you stayed with it.

I am Andrew, your father when I was on Earth and I love you.

- END -

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

WRITINGS BY JOSEPH'S MOTHER:

16 January 2017

20170116 Message from Joseph Babinsky's mother: Soul-healing

Dear mother, yesterday I had a conversation with dad about his experience of the process of his becoming a Celestial personality. I realize it has been several years since we last communicated, and it has been many years ago that you progressed to the Celestial Heaven, but I have recently received information that you might like to help me with.

Mother, are you here, and would you like to help me?

Yes, Joseph, I am here, your mother. This may surprise you, but before you sat at your desk to begin to write, I felt your call, and I was waiting for you to begin. I am ready, and I already know what it is that you are asking. This is not a mystery, that I am close to you and can feel your call, and know of your concerns before you ask. I am closer to you than you realize, and I am aware of your spiritual growth. You are changing, Joseph, and you are in better condition of your soul than you realize. Now, having said this, please ask your question.

I am calmer today than I was yesterday when I spoke with dad. In fact, right now I have a smile on my face, which I do not recall that I had yesterday while speaking with dad. I was nervous because the subject on my mind is yet so new to me. It is the subject of the soul and the way a soul is prepared to become a Celestial child of God. For about ten years I have believed that a soul merely receives the Divine Love in continuing amounts until the soul is transformed and we transition to the Celestial Heaven. Now, however, I understand that the individual with the Divine Love must heal the soul by healing all our negative feelings. Was this your experience, mother, and why did I not hear about this when I first communicated with you two years ago? Is it even true, this information about soul-healing?

This is a huge revelation to you, Joseph, but it was not such a revelation to me. I had no prior knowledge or information about the Divine Love and our soul when I died and arrived in the spirit-world. As you know, remembering our communications from two years ago, I was met by many people I knew on Earth, but important among them was my daughter, Ana, and my son Charles.

I clung to both of them and they both became my guides and teachers. If someone else had taught me the things they shared with me, I might not have responded the way that I did. I would hardly allow them to leave my side. I truly loved God, but I could not say I understood what I believed. I knew that I had a connection with God, and I felt that I had some sort of connection with Him and Jesus. Beyond that, I had little understanding of the Christian Religion.

So when Ana and Charles began to teach me the truths of God and Jesus, and the Divine Love, I was as a hungry child and embraced all that they said. When I asked questions these were not of doubt and unbelief, but simply of wanting to know more. So when they told me of the necessity of receiving the Divine Love, I was as a child and received the Love abundantly. I transitioned quickly from my initial home in the first spirit-world to the third, which, as you know, is the first world for those with the Divine Love.

Mother, were you only associated closely with Ana and Charles, or were there also other spiritual teachers assisting you?

Oh, my, yes ... and how beautiful were—both male and female. I felt at home and at peace with each. I think my innocence intrigued them. Your father was correct, when he said of me that I was simple – not

a simpleton, but simply more child-like in my demeanour and attitude. Did you ever see me reading and studying a book?

No, mother, I do not recall that I did. Though later, as I recall, after you were alone, you had magazines, and you often watched television programs.

Yes, but they were mainly stories of people's lives. Nothing deep and complicated. To continue what I was saying about my life in the spirit-world, I progressed easily. And yes, I was taught the importance of healing all my negative feelings. This came rather easy to me. I did not fight or resist this notion about my feelings. Even the difficult ones, where I cried and wailed, was welcome refreshment. Can you imagine this, being able to trace my life back to my childhood by looking at and accepting my feelings! I participated with complete cooperation. I learned things about myself I never knew or was aware of. The awful parts were difficult to accept, but I saw the truth of them. It was not easy to be the mother of twelve children, but I did what I had to do. Realization of the damage that I caused in my children was not easy to accept, yet, I saw these feelings as necessary for me to deal with, and deal with them I did.

Mother, were the feelings you had with each child the same? Did you recall the feelings you had with each child during your pregnancy with them?

Yes, Joseph, I did recall each feeling I had with each child, and what my feelings did to the yet unborn child.

Wow! That must have been awful, I mean feelings that were negative and harmful to the child.

It was, Joseph, and yet not all my feelings were completely harmful and negative. Outwardly, I was not a mean woman. Basically, I was kind and gentle, and this also showed in the feelings I had toward my children.

So, mother, without getting into too much detail and specifics, what you are telling me is that the healing of your soul was taught to you, and encouraged by Ana, Charles, and other helpers. And you did not resist their teachings?

This is correct, Joseph. I made no attempt to rebel against them. I simply accepted this as the way of my new life in the spirit-world.

But did they not also instruct you in the purpose all this had, and where it was leading you?

Well, Joseph, I saw the beauty and light present in each one that was helping me, so their mere presence was an encouragement to me to continue. They were so beautiful and radiant and I wanted so much to be like them!

And then it happened ... you became as one of them? You experienced a break-through and found light at the end of the tunnel!

This is so true! I did not have a deep understanding that I was progressing to different levels of the spirit-world. I did realize that I was feeling lighter and enjoying the various experiences of the Divine Love, but I did not translate this to mean I was almost finished with my soul-healing.

Were Charles and Ana with you the entire time of your soul-healing?

Yes and no. They were present, but I wouldn't say they were with me each and every moment. As I mentioned, there were other helpers present, some with me more times than others. The flow of help seemed to change as I progressed in my healing, but several main healers were with me throughout my experience. Again, not that these were with me constantly, each moment ... but enough to realize they were my main guides.

This is beautiful what you have shared, mother. And what was the moment like for you when you experienced the transition to the Celestial Heaven?

It was glorious! It was ecstasy greater than anything I had ever experienced on Earth or in the spirit-world. I am happy, Joseph, happier than I ever realized I could be. It is a new life for me, and for anyone willing to believe and follow their feelings toward our Heavenly Parents and their Great Love.

I realize there are more questions I could ask you, mother, about the feelings you experienced during your soul-healing. But I feel to allow them to sit. Perhaps at some other time, I will do this.

Yes, Joseph, there is so much I have not told you. As my feelings were mostly all covered, it was a continuing revelation to me the great number of feelings that I had repressed over the years. I was amazed to find old childhood feelings that I never realized I experienced and suppressed. These were in many ways harder to deal with than the feelings I experienced with the birth of another child. Childhood memories linger through feelings, waiting for us to meet and embrace and to heal.

You are my mother, and I wonder what childhood feelings that I have buried deep inside me, waiting for me to meet. Will I be angry with you and dad? I have a feeling that I will, but I also have a feeling that in the end there awaits a great healing.

I love you, mother, and thank you for sharing what you have of your experience with the necessity of soul-healing.

And thank you, Joseph, for sitting and receiving my words, such as they are. I love you, my son, and I want to say that in some way I will be with you when you are doing your soul-healing.

I feel the truth of what you just now said. I welcome your love and your help. Goodbye for now.

Till the next time, Joseph. I am Julia—your mother when on Earth.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

WRITINGS BY JOSEPH'S SISTER – ANA:

23 December 2016

20161223 Message from Joseph Babinsky's sister, Ana: Soul-healing

My dear sister, Ana –

I would like to invite your help that I might understand the progress of your soul to the Celestial Heaven – perhaps pictured in contrast to the process that mother (or Margie) had to work through to heal their soul.

I have read some of the comments written by James Moncrief as coming from Mary Magdalene and Jesus with reference to the soul-healing that each individual must do in order to progress to the Celestial Heaven.

Please speak to me about this subject...

My dearest brother, Joseph –

Yes, I am here to help you. I am not alone...others are present, yes, Mary Magdalene is with me, and others.

The subject you propose is vast and important – the soul and its development and progress. What part does a human have in the progress of her soul? The easy answer is this: Everything!

How can a human begin if he/she has no awareness that he is a soul, not just has a soul. You are a soul. Without such awareness one can hardly begin to give proper attention, and I mean focused attention.

But let us move quickly to the question that you ask ... is the soul perfect when it incarnates into a human? Yes! Most assuredly the soul is perfect! The prior existence of the soul is perfect, residing in God's soul-kingdom or realm. When it incarnates into a human, it is perfect.

As you know, the condition of the human realm, Earth, is not in a state or condition of perfection. The soul incarnates and begins its individualization as a human in a state or condition of imperfection and corruption. The transition of a soul from a place of pure light and love into a place of darkness is a comparison where words fail us to describe. Two states or conditions: The first of Light and Love, and the other, Earth, of darkness and imperfection. In this process of change, the soul is immediately damaged. This damage is not mere encrustments on the outside of the soul, where, somehow the interior part of the soul remains pure and pristine. The soul, the complete soul, suffers harm and damage.

So, in my case, who **lived** on Earth for a brief period of time, only **one short day**, nonetheless, suffered damage, hurt, and injury. The damage was so deep that the little human physical body that I was, lived on Earth only one day. At birth I arrived damaged. If I had not experienced a heart-beat my soul would not have remained. The nurture and loving care that mother gave to my infant body was not sufficient to enable me to stay on Earth. My spirit-body, after the Earth vessel was dropped, continued to live and thrive in a nursery in the spirit-world.

Yes, I required and received help and assistance to grow in the spirit-nursery. Did I require assistance to heal my soul? Most assuredly, yes! The help that I received from loving spirits attending me was quite beautiful and natural. I was raised in a loving environment. Other babies like myself were provided a safe place, and our nurses encouraged us to freely express our souls. We were not hindered or disciplined

in anyway as you on Earth experience your first days and years of life. We were not seen as most children are viewed on Earth, as wild animals that require training and rigid discipline. All of us were happy and able to express ourselves freely.

Yes, as I grew older, I was taught how to identify my feelings, and I willingly felt all my feelings. There is no comparison to be made to those damaged souls who arrive here in the spirit-world from Earth as adults, for example, my mother and yours, or later, your sister and mine, Margaret (Margie).

Reference to Margie will be easiest for you, as you knew her much better than mother.

Using your own words, Joseph, your sister Margie arrived here with very little self-love. In a word, Margie arrived here a complete “mess.” At first, it was difficult to work with Margie; not impossible, just difficult ... more so than our brother Charles when he arrived here during the war on Earth (Note: *reference here is to 1944, the year my brother was killed in action during the war*). Thankfully, Margie was a soft soul; she was open and ready to change. She just did not believe that she could change. This is important to know and realize. Our sister was very willing to listen and apply our assistance. She was, as you say, a willing student.

Yes, Margie cried a great deal. It was not as easy as I may be making it sound. It was difficult for her, and often she wanted to give up and quit, as she said, the whole damn process. She said she would rather suffer the gloom and doom of hell. My presence helped her a great deal, as did the presence of mother. We were her examples of the light that awaited her. Margie responded to our loving care. We listened to her when she expressed her pain. We held her as one would hold a baby. It required the work and devotion of many loving spirits to assist Margie in the complete healing of her soul. She did the work required to bring healing to her soul, doing it in a loving and safe environment.

On Earth, this process is not as “easy.” I say easy, yet in neither place is it ever an easy process. It is difficult here also, but on Earth the healing process is more difficult because you live in an imperfect and heavy atmosphere, and there are no living examples present who have gone through the process of soul-healing to the end and living on Earth physically with Celestial soul-condition. This is a great and important distinction.

Ana, I must take a break. I am tired. It is difficult to continue. I will return later.

Ana's last words to me:

Okay, Joseph, we will be here when you return ...

Note: At this point I grew very tired and desired to break the communication with Ana. I said that I would return, but I did not. I am writing this on Saturday, February 11, 2017, almost two months later.

REVELATION 1
James Padgett

1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

REVELATION 2
Marion and James
Moncrief

2002
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

END to the REBELLION and DEFAULT – 31 January 2018:

31 January 2018: Nanna Beth: Yes John, very good news we want to pass onto you for your records. Earth and the seven associated Mansion Worlds (including the two Earth planes) are **officially** now fully under the control of Celestial spirits. And this means John, that Earth is now ‘Ours’. It’s been a long time coming, but it’s a huge milestone and marks a tangible and real end to the Rebellion and Default. It’s one of a number of ‘End’s’ that are to occur.

With the departure of the Caligastias and Daligastias some years ago, humanity has been in a state a limbo so far as who is doing what with it, it not being allowed to be left alone so it could do whatever it liked, it always needing to have a spirit connection. With the mind spirits, as we’ve told you, basically calling the shots still happy to ignorantly carry out C&D’s plans. But now with our systematic and progressive take over, we’re now in complete control.

And what that means is we have our fingers in every pie and we’re on the case so far as what everyone is doing. However it doesn’t mean we’re taking over and telling humanity what to do and how to be, although we are able to work more with certain individuals directly and indirectly helping to move or point or orientate (depending on how you want to look at it) individuals, groups of people, whole societies, the whole world, according to the plans given to us by the Melchizedek Receivers.

So humanity will still carry on outworking it’s unloving, untrue and rebellious state, that has to be worked through to its natural conclusion, however we want you to understand and just know that it’s another end of things and beginning of the new. And it’s basically what we’ve been working with you in connection with James this past year to achieve. There is a lot more to it and how and why it’s been done, and done as it has been done, however you can find out about all of that when you come over.

So we Celestials will guide humanity now according to what our Mother and Father want, so humanity’s got a real tangible safety-net under it now, so no more ‘downside risk’, it all being to move it toward doing its Healing.

I’ll speak again soon – love Nanna Beth.

REVELATIONS

REVELATION 1

The availability of Divine Love, should we so ask for it, being revelation 1:

God's Divine Love: Pray for it, ask for it, and receive it.

Whilst we are receiving our Heavenly Parent's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way the Father is actually loving us! When we progress, it is the Father's way of loving us into love and then we live what we are, love.

REVELATION 2

The way to clear one's soul of childhood errors and injuries is revelation 2:

To liberate one's real self, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Longing for the Truth when also longing for Divine Love.

Essential TUB papers augmenting my work

I've been asked what are the papers in TUB that I think are important. I've tried to keep it as simple as possible. These are what I think are the most important papers in TUB in relation to the basics of my work and what I think is relevant to our Healing and soul growth.

As you may know, TUB is written like something of a puzzle, the more you read the more you find little bits which slot into other little bits. This is great if you like such an intellectual challenge and have a great memory and enjoy having a 'superior mind' which I think appeals to so many who read it, however I find it a pain in the arse because I can never remember where that little crucial bit was.

And it's far from being complete, annoyingly incomplete if you ask me, and it leaves out the feminine aspects and soul-partners of the Sons, and nothing about a Heavenly Mother. It's highly 'male' orientated, which it has to be so as to be in keeping with the mandates of the Rebellion, just like the Padgett Messages (PM).

In speaking the other day with my Indwelling spirit whom I affectionately call 'Bob' about the 'style in which the book was written', he summarised it as: "It was written in keeping with and for those people who want to advance their mind – their mind's control over their feelings; it was not written for people who want to look to their feelings for the truth of themselves, life, the universe, and God." Overall I love the book, but don't dwell too long on it or in it, and it also frustrates me because I've got to add the feminine and sift out the stuff about the 'evolving morontial soul' that I don't completely agree with.

Anyway, there is enough that I think is good and true, as true as we can know anything, including my work.

TUB online: www.urantia.org/urantia-book-standardized/part-i-central-and-superuniverses

These papers are interesting for the Bigger Picture, but not essential – hence the brackets. (the papers in pink are essential reading.) I refer in some of my writings to the Infinite Spirit as the Infinite Daughter Spirit. I prefer seeing 'Her' as the 'Mother of the Mind – Thoughts'; whereas the Eternal Son is the 'Father of the Truth – Feelings'. They are being the Deity 'Children' of our Paradise Parents, our Heavenly Mother and Father. Together they make up the Paradise Trinity: the Father (and Mother), Eternal Son and Infinite Daughter. Not to be confused with the local universal trinity: Jesus (and Mary Magdalene), the Holy Spirit – from the Divine Minister, and ourselves – ascending mortals.

(Paper 6 – The Eternal Son)

(Paper 7 – Relation of the Eternal Son to the Universe)

(Paper 8 – The Infinite Spirit)

(Paper 9 – Relation of the Infinite Spirit to the Universe)

(Paper 10 – The Paradise Trinity)

This is where we are all heading to – Paradise, the Centre and wellspring of Creation and home of our Heavenly Parents – a real place and world.

Paper 11 The Eternal Isle of Paradise

This is about Jesus (and Mary Magdalene) and the other descending Paradise Sons (and Daughters) I believe all the Sons have soulmates (soul partners); so there are Daughters, beginning within our local universe of Nebadon – Mary Magdalene, and others who have remained hidden from us because of the Rebellion, and yet who I think have had a huge unseen impact on humanity helping to keep the feminine, as in women and feelings and emotions, suppressed through the dominance of the masculine and the mind. TUB speculates that some time soon an Avonal Son (and Avonal Daughter) will appear on Earth on a magisterial mission so as to end Mary's and Jesus' age and start the next one. And here again I disagree believing that what is needed is a full Avonal pair bestowal, something TUB sort of says doesn't happen in the universe particularly because Mary and Jesus came here, and yet also leaves the backdoor open by saying because Jesus (and Mary) came here, Urantia is a special case and by their say so, anything is possible. And as you'll read in my writings, I think we need an Avonal bestowal pair to reveal the truth of our Healing so their Spirits of Truth upon their death will be liberated containing such truth for everyone to use who wants to do their Healing. Even going too far as to say, you can't do your Healing without the Avonal pairs help, either in person or via their Spirits of Truth. And so this is my own self-imposed test as to the veracity of truth of my work, for if no Avonal bestowal pair show up, then I'm way off track and I'll have to make some major adjustments. So the die is cast!

Paper 20 – The Paradise Sons of God

Paper 21 – The Paradise Creator Sons

These papers about the Rebellion are essential in understanding what is wrong with us, and I wish every person were made to read and understand them from a young age. Humanity, even with the help of TUB, still has no idea about the severity of the Rebellion and its impact and influences on us – what the so-called Evil Ones (the higher spirits that should have been looking after us) have done to us. And how it has been orchestrated from the higher rebellious spirits and fallen angels up until Jesus (and Mary Magdalene) technically ended it. But still its influences are very real and are the reasons why we're in rebellion against love, truth, beauty and all that is good, Mary and Jesus, and our Mother and Father.

Paper 53 – The Lucifers Rebellion

Paper 54 – Problems of the Lucifers Rebellion

More about the Rebellion and Caligastia's betrayal. He (and his partner) who ruled Urantia from spirit and Daligastia (and his partner) who were materialised and present on Earth carried out Mr and Mrs Satan's and Mr and Mrs Lucifer's evilness.

Paper 66 – The Planetary Prince of Urantia

Paper 67 – The Planetary Rebellion

These papers are about the Default. Earth is suffering from a Rebellion and Default, the two aspects that again every person should be taught about from childhood. What it amounts to is, we are living the Rebellion by Default; which means, we don't really understand that we're rebellious, it's been thrust upon us by default. If humanity has one redeeming feature, it's that we're not completely rebellious. Our Eve and Adam only defaulted, they didn't join the Rebellion outright. However the default complicates things even more so than if we were a 'double rebellion'. Most of our Healing involves the default aspect within us as represented by the 'Eve and Adam' in us all, that being, how we've screwed up the relationship between the feminine and masculine in ourselves and with each other. In my spiritual writings I have tried to make a picture that embraces both the aspects of the Default and Rebellion we all need to heal within ourselves. The Divine Love fits into part of the healing of the Rebellion. But neither TUB nor Jesus could reveal much about how we can heal the Default within us, and that's where our Soul-Healing and Feeling-Healing comes in. And I have no difficulty believing

that these higher spirit personalities such as Eve and Adam, the Daligastias and Machiventa lived on Earth as revealed by TUB.

Paper 73 – The Garden of Eden

Paper 74 – Adam and Eve

Paper 75 – The Default of Adam and Eve

Paper 76 – The Second Garden

Machiventa (and his partner) took over the governance of Urantia when the Caligastias rebelled. I don't know if his partner materialised as well (I've not asked them).

(Paper 93 – Machiventa Melchizedek)

Again essential reading to understand the Indwelling Spirit which I think is about the most important thing TUB has given us. Some people have active relationships in their mind with their 'inner god-voice' speaking freely to them; other people don't require such mental inner communication. Fusion with one's indwelling spirit equates to achieving a Celestial level of truth, so can't happen until one has finished one's Healing with the Divine Love; and once done that person / spirit is officially deemed an ascending son or daughter and on their way to Paradise. I understand people currently and for the next spiritual age will be able to complete their Healing and attain a Celestial level of truth whilst on Earth, however their translation upon fusion with their Indwelling spirit will be held off until they are in spirit. Translation will happen for people much further in the future when the ages of Light and Life begin. Humanity has to first finish its Healing of the Rebellion and Default for such an incredible experience of inner love to happen. Also it might be in these papers where it says the adjuster is one's soulmate, which I disagree with. TUB also talks about 'our evolving soul', that which evolves out of the relationship between our personality and adjuster, which again I disagree with.

Paper 107 – Origin and Nature of Thought Adjusters

Paper 108 – Mission and Ministry of Thought Adjusters

Paper 109 – Relation of Adjusters to Universe Creatures

Paper 110 – Relation of Adjusters to Individual Mortals

Paper 111 – The Adjuster and The Soul

A fantastic account of Jesus' life, but it's a pity Mary M's wasn't included. It puts many events in the Bible into their true context. The only drawback is it's from a very mind-specific perspective... and it's very long.

Part IV. The Life and Teachings of Jesus

Papers 120 – 196

TUB is not everyone's cup of tea. I wouldn't stress if it's not to your liking. You don't need to understand anything in it other than we're in Rebellion and Default against love and truth, which is why we're screwed. And that we all have within us an Indwelling spirit which is the 'god within'. And we're ascending in love and truth through our feelings to Paradise, there to meet one day with the 'god without' our Heavenly Mother and Father. And to assist us in our soul growth we can long for and receive from Them Their Divine Love (from the Padgett Messages). And the way to heal our Rebellion and Default is to do our Healing – looking to our feelings for their truth so as to end our rebellion against ourselves, to end using our mind to deny so many of our feelings limiting the full expression of the personality of our soul (my stuff.)

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

J&M

AVO

HUM

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
We are to long for the truth of what we are feeling.
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

WE ARE Children of God

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
 2. **ETERNAL SON (ES) – Divine Truth**
 3. **INFINITE DAUGHTER (ID) – Divine Mind**
- Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS** – Our MOTHER and FATHER – Love – the Living Truth
2. **DIVINE MINISTER** – Mind (and her Holy Spirit)
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR** – the Feeling Healing process – incarnate
2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs / soul partners.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs / soul partners – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

Feeling Pathway

Mind Pathway

Soulmate Pair

Angel

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

Spirit Person

Nature Spirit

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

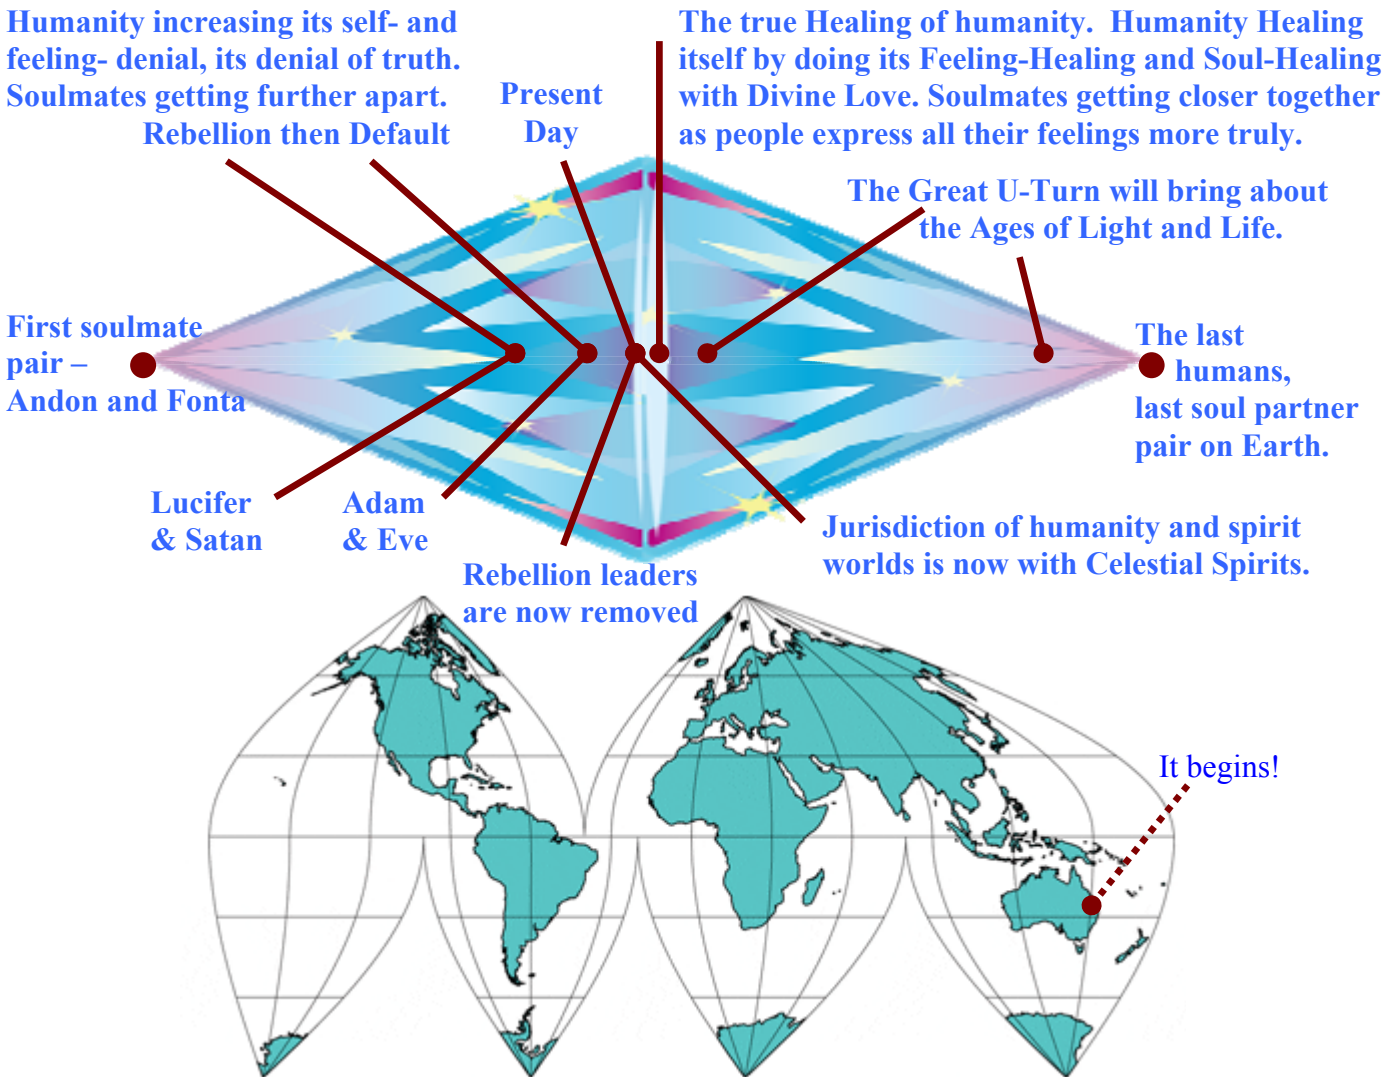

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

JOURNEY of HUMANITY into and through the GREAT U-TURN:

Humanity reaching its most evilness, the most lost, the most separation of soulmates. Humanity can begin its Healing. The Great U-Turn begins, the dawning of the Spiritual Age.

This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.

Feelings First, you can be sure about that! **Once women get that message and start living it, then the tide will really change**, with men either deciding to support them by looking to their own feelings or being left on the outer wondering what the fuss is all about.

The feminine light is going to sweep through humanity and purge it of all the yuk and darkness, helping to bring the whole of humanity back into a nurturing loving mother state of being, from which the supportive, caring father can support her and together they can make the world great again, they can bring humanity up into its natural love perfection whilst at the same time offer those people who want to spiritually grow the truths of how to embrace the Divine Love and move on to the Celestial level.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.
 (Passage in blue calibrates on the Map of Consciousness at 1,500)

OUR GUIDANCE to PARADISE, the home of our HEAVENLY PARENTS:

There are three distinct phases of our progression to the home of our Heavenly Parents which is Paradise that is within the circle of seven Super Universes, each containing many Local Universes.

Once we progress beyond our Local Universe of Neadon, then we are assisted and guided by our Heavenly Parents, our true Mother and Father all the way home to Paradise.

Before then, once we have completed our soul healing, we are guided through the Celestial Heaven worlds which are those that interact with humanity on Earth, then further on into and then out through Neadon, our Local Universe. The regents of Neadon are Mary and Jesus.

However, before then, we are to embrace our healing. That is, we are to realise who we truly are. We are not the personalities that our parents imposed upon us. We are to put aside our childhood suppression and repression and free our true personality that our Heavenly Parents gave us, and to do this we are now able to embrace the guidance of the Avonal Pair who will lead us through our healing here on Earth and through the Spirit Mansion Worlds to be able to enter the Celestial Heavens.

Prayer for Divine Love

Long to God for Their Divine Love

Begin with the understanding that God, your Heavenly Mother and Heavenly Father, are offering you Their Divine Love. And all you have to do is want it, want Them to give it to you, to love you. So when you feel you want it, you long directly to Them for it, asking them through your feelings (with longing) to fill your heart and soul with Their Divine Love.

You can long for Their Divine Love, anywhere and at any time. It can be a formal prayer – longing, such as sitting in meditation or prayer, opening your heart to Them, and longing to Them for Their Divine Love. Or you can do it spontaneously on the go, when the desire to long to Them for Their Divine Love comes over you, or when you remember to do it.

Wanting God's Divine Love in your soul is about wanting to develop a very personal relationship with your Heavenly Parents. Speak to God as your real Parents. Tell Them all you are thinking and feeling, as you would your earthly parents (provided you had a loving relationship enough with them to do that.) If you feel angry with God, hating Them, express all your negative unloving feelings to Them too. Don't hold back, share and give all of yourself to Them, They want to get to know you, as you want to get to know Them. And keep longing for Their Divine Love.

We have to long, reach out wanting Their love through our feelings and with the full will of wanting it, which doesn't involve any words, so with the mind staying out of it. It's a yearning from your heart wanting to be loved by Them, so wanting Them to give you Their Divine Love – to love you, and to make you feel loved by Them. So it doesn't involve words, it's an inner yearning, longing, desire to partake of their Divine Love that is required by us. Then we can support this longing using our mind by saying actual words (praying). So say whatever words you want to say to Them, whilst you are longing with your heart for Their Divine Love.

Just be yourself, say whatever you want to Them, as you long for Their Divine Love. The more personal, open and honest you can be with Them the better your relationship with Them can develop.

And once you've longed, which can take only a moment, then give yourself time for Them to love you. You might feel the Holy Spirit coming about you, and then Their Divine Love coming into you, gently, very subtly, or strongly, even very strongly in a whoosh. It's different for each of us, and different often each time we long. And if you have previously longed to God in any way yet not specifically for Their Divine Love,

when you do specifically ask Them for it, it will be a very familiar experience you'll have receiving it.

If you are sitting formally in mediation or prayer, once you've longed to Them for Their Divine Love, and you feel the Holy Spirit bringing it to you, you might find your head wants to move upwards as if looking into Heaven. Allow it too, but if it wants to keep going, don't stress yourself by hurting your neck, bring your head forward again. It's a lovely feeling sitting in the Light of the Divine Love, feeling it coming into your heart and soul. And you might find that you enjoy sitting for five minutes or half an hour, then suddenly the 'light goes off' and the prayer is over as you've received enough Divine Love for the time being.

Also, don't be surprised if at first you can feel the Love readily coming into you but as the years pass it seems to get less and less and you feel less inclined to long for it. This is naturally meaning you have received enough for the time being, you will need to do more of your Spiritual Healing before your soul is ready to receive more.

Summary:

Long with all your heart to your Heavenly Mother and Father for Their Divine Love.

James Moncrief

Feelings!
first

How do you BECOME as SPIRITUAL as you can be?

James Moncrief

7 November 2020

It's to do with expressing yourself as truly as you can in your relationships. The truth of yourself, the truth of life, the truth of God is to be found in the truth of your relationships. When you interact in your relationship, when you express all you feel and think, and when the other person expresses all they feel and think, all whilst you are longing for the truth of all such interaction, then the truth will come, and then you are evolving your soul in Truth. And you can't be more spiritual than continually advancing your soul in Truth. That is Being Spiritual.

Only our difficulty is, most of us are heavily denying our feeling expression in our relationships, so we are severely limiting the depth and intimacy of the interaction we can have, so we are severely restricting the amount of truth we can gain from such experiences. So our Spiritual Healing involves allowing ourselves in our relationships, with ourselves and each other, to express all the bad, yukky, dark, nasty, pain parts that we're doing all we can to avoid. To maximise the relationship you can have with yourself and another person is to allow yourself to express ALL your bad (and good) feelings, all as you long to uncover the truth of all they will help you see about yourself.

To be spiritual is to be fully feeling expressive. Or to want to be. And the more feeling expressive you are in all your relationships, the more you'll get out of them, provided you want to see what Truth they contain. And the more you become that Truth, the higher in spiritual understanding you become, and so the more spiritual you are.

Being or becoming spiritual is not about attending your religion religiously saying your prayers to God, or sitting in meditation endlessly seeking Enlightenment or Knowledge; and it's not about climbing the highest mountain seeking the answers to life, it's about getting real in your relationships by dealing with all the bad feelings, moving with them, seeking resolution through understanding by going deeper into them, bringing all the hard stuff out, seeing it for what it really is, what's really going on within you and between you, and how does it all relate back to your early life and the relationships that you started your life in. It's about wanting to know the **WHOLE TRUTH OF YOUR PAIN**, so allowing yourself to feel all your pain as you express all the bad feelings of it in your relationships. And of course doing this in your most intimate relationships in which you can open and expose all the worst of yourself; all the ugliness of your pain; all the terror and torment; all your suffering – to bring out all your dark secrets; all you're so afraid of admitting you feel; all the really bad stuff you believe you are not allowed to speak about, to your partner who willingly wants more than anything for you to bring it all out. All so they (and you) can understand what is really going on inside you. And then you wanting them to bring out all their pain and suffering, so you are both truly 'there for each other', lovingly supporting each other by accepting each other's darkness.

Being truly spiritual is being true to all the feelings you feel. If you are true to all your feelings, and want to know the truth of them, then as the truth comes to you, as it will, then you are growing, evolving, ascending, in truth, and you can can't be more spiritual than that.

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on themselves and doing their Healing.

Feeling Bad? Bad Feelings are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.
