Divine Love

100 Years

GIFTS from FRIENDS who have GONE BEFORE US:

Over the past 100 years, man has been gifted with the receipt of highest level of spiritual truths in all of its history.

Between 1914 and 1923 James Padgett recorded, by automatic writing, some twenty five hundred messages, coming from two hundred and fifty spirit people, many of these spirits being from within the celestial spheres of the spirit world (8th sphere and higher). Within the Book of Truths, there are some 866 of those individual messages.

Lost to humanity, by the time of the beginning of the fourth century, were the teachings about Divine Love. James Padgett has been the instrument used to reintroduce these teachings to mankind.

Book of Truths as published by Joseph Babinsky contains the Padgett Messages conveyed from 1914 through to 1923. www.lulu.com www.amazon.com www.bookdepository.com

James Padgett opened the way, he was highly religious and so was his family. His unexpected gift of automatic writing, discovered shortly after the death of his wife, enabled the commencement of the above five series of teachings.

From James’ recorded messages, Dr Samuels was able to ask for and receive Divine Love which enabled further Celestial messages to be delivered. The Judas of Kerioth messages came through a student of both Padgett and Samuels teachings. Now, in turn, the channels for the Richard Messages and The Divine Universe are all living in Divine Love and the messages continue with ever expanding detail and clarity. Now, the second revelation has followed through James Moncrief – Feeling Healing.

Within this document, we share with you the construct upon which the beauty, truth and love of this information is clearly of the highest level. Further, we also introduce to you a way of simply being able to ratify the level of the truth of each and every one of these messages, and for that matter, the level of truth of any other material that you may wish to investigate.

As you will now discover: **Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.** **JD**

DIVINE LOVE:

Divine Love is universally available. It is available to you, should you so ask for it. It is freely available to you directly from our Source Soul, God. You do not need, and have never needed an intermediary or any organisation to assist you. It is you are personally longing for; you will be receiving the greatest gift in the universe, Divine Love. Divine Love complements the natural love which you are born with. With Divine Love, you can progress way beyond that which a perfected man in natural love can.

Divine Love was reintroduced to humanity at the time of Jesus of Nazareth. His teachings then, as they are now, are universal, for all peoples. His teachings were generally not understood and within approximately 150 years of his life, the understandings of what Divine Love is and how to receive same were lost. By 325AD there remained no records of this incredibly important teaching.

An attempt to bring these teachings back to humanity through Emanuel Swedenborg was assisted by spirit. This was about 1741. This endeavour failed.

For communications from spirits of a high spiritual nature to be successful, the medium must be in an excellent loving soul condition AND be open to receive information in such a way that his/her own preconceived understandings and prejudices do not distort the material. Should a medium have been receiving Divine Love and have been living with the Love, then such communications will be even more successful.

James Padgett commenced the receipt of these communications (1914 – 1923). What follows are introductions to websites that you can now download and read these communications. Or refer to the book publications above.

Dr Daniel Samuels was a student of the messages and he continued with further messages (1954 – 1963).

A subsequent student of both these messages has resulted in the receipt of the Judas of Kerioth material (2001 – 2003).

The Richard Messages are an ongoing work, having commenced in 2012 and continuing.

The Divine Universe messages, 319 in all, are a completion of the Padgett Messages. These have been jointly received and recorded by Zara Borthwich and Nicholas Arnold (2012 – 2013).

James Moncrief has introduced the Feeling Process through 10 major publications commencing in 2002 and ongoing. The Revelations of both the Feeling Healing process and Divine Love, together, enable one to enter the Celestial Heavens and progress beyond towards Paradise.

The publication of ‘The Divine Universe’ coincides with 100 years of teachings on the availability, how to ask for, and receive, and what Divine Love is.

What follows now is the history in the making available of the Divine Love teachings.

Biography of JAMES EDWARD PADGETT Esq. (1852 -1923)

<http://www.jamesepadgett.com/biography-of-james-e-padgett.html>

James E Padgett was born August 25, 1852, in Washington, D.C. He attended the Polytechnic Academy Institute in New Market, Virginia, and in 1880 was admitted to the bar. Thereafter, he practiced law in the Nation's Capital for forty-three years.

Padgett was not a Spiritualist, but a Methodist and taught Sunday school at the Trinity Methodist Church. He had no previous experience with psychic phenomena; his conception of religious doctrine was simply the doctrine of the Protestant church.

He was reluctant to attend his first séance, held at the home of a medium named Mrs Maltby, but due to his longing for Helen, and at the insistence of friends, he was willing to investigate the possibility of contact with her.

At the séance, Mrs Maltby described Helen perfectly and told Padgett that Helen wanted to make contact with him. Mrs Maltby also recognized that linking with Helen and recording her thoughts through a type of mediumship called "automatic writing" would be within Padgett's psychic ability.

Because of his loneliness, Padgett was willing to attempt this rather unorthodox endeavour. In the evenings that followed, he sat patiently at his desk with pencil in hand, hoping to hear from his dear, departed wife. In time, his hand began to move and he wrote scrolly characters that he described as "fish hooks" and "hangers". Eventually, he wrote a short readable note signed "Helen". In the note, Helen stated she was often present with Padgett in spirit form and that she was glad that she was able to be close to him in this way.

Padgett was not convinced that the letter he wrote actually came from his deceased wife and, in fact, he asked for proof. In the months that followed, Helen, through her letters, provided details of their lives that only the two of them had shared. Padgett thought that even these phenomena could be explained as material coming from his own mind, except that the writings came too quickly for him to formulate the thoughts. Besides, Padgett had forgotten many of the experiences he and Helen shared

years ago; only Helen would have remembered them. Helen was insistent that the writings originated from her mind and not from his.

At this point, the understanding that these phenomena could not have been the brainchild of his own imagination came forcibly to Padgett. He became compelled to accept the evidence, as conclusively as any that he had heard in court, that being that his wife was alive and well, living in another dimension from where she was able to transmit her thoughts to her husband and he was able to write them down.

Through the insistent multitude of Helen's letters and those of other close relations, Padgett eventually accepted that his psychic powers were to be used by the hierarchy of the spirit world to impart spiritual knowledge to the world, as an epoch-making revelation.

One may wonder if such an important spiritual event took place, why it has gone unnoticed for a century. The answer is that Helen had suffered from a long illness that depleted Padgett's savings. He

was raising their two boys and he had to continue practicing law to provide for his family. He realized that if he were to reveal his mediumship, it could jeopardize his reputation and law career, his only means of support. Thus, he chose to keep his writings private, disclosing them to only his closest friends – Dr Leslie Stone, Eugene Morgan, Mr Colburn and Dr Goerger. Because of this, Padgett and his spirit communications are virtually unknown to this day.

Padgett was able to accomplish the mediumistic assignment given him because he was born with psychic abilities, though they required development for the task at hand. Also, and equally important, he had the ability to make his mind extremely passive, which enabled him to receive the thoughts of spirits without imposing his own thoughts along with theirs during the writing sessions.

According to his closest friend, Dr Stone, Padgett often did not fully know what he had written until reading it afterwards. Padgett was able to learn, through his writings, how to improve his soul condition, which developed his psychic powers to the extent that enabled him to link psychically with the higher spirits to receive and write their messages accurately.

Upon Padgett's passing in March of 1923, Dr Stone became entrusted as publisher of the more than two thousand channelled messages that Padgett wrote over a nine-year period. Leslie R. Stone was born on the November 10, 1876, in Aldershot, Hampshire, England. He immigrated to Toronto, Canada, in 1902, where he was introduced to Spiritualism.

Dr. Stone studied at the Palmer Gregory College of Chiropractic in Oklahoma City and, after graduation in 1912; he opened an office on the boardwalk in Atlantic City. In the fall of 1914, he relocated to Washington D.C., where he was introduced to James Padgett at his law office in the Stewart Building. A lasting friendship ensued, based on their mutual interest in psychic phenomena. Dr Stone was invited to Padgett's home, which he visited frequently, often being present during the writing sessions.

To publish the first book of Padgett's writings was a considerable undertaking for Dr Stone because of Padgett's style of automatic writing, whereby the words were interconnected without breaks or punctuation. Nevertheless, Dr Stone persevered and completed his book of "messages", as he called them, in 1940.

Unfortunately, by 1940, Spiritualism's popularity in America had waned dramatically. This was due, for the most part, to the successful campaign by the celebrated escape artist, Harry Houdini, to expose fraud in the séance room. Houdini succeeded in discrediting the spiritualist mediums, and, by the time Dr Stone's book was ready for publication, Spiritualism was a mere shadow of its former self.

This proved to be unfavourable for a book on the subject of Spiritualism, and has contributed sharply to the obscurity of James Padgett and his channelled work. Nevertheless, a small, but dedicated group, headed by Dr. Stone, continued to transcribe and publish Padgett's writings and today there exists four sizable volumes.

In the fall of 1954, Dr. Stone met Dr. Daniel G Samuels in Washington, D.C., and a lasting friendship ensued. Dr. Samuels was a graduate from City College (New York) in 1930. He received an M.A. from Columbia University in 1931, and his Ph.D. in philosophy from the same university in 1940.

In November of 1954, Dr. Samuels began taking automatic writing, and it was soon realized by the others in the group that he had been chosen as the second mortal instrument to continue the revealment from the spirit world. He wrote messages for eleven years, until his passing in 1966.

We are convinced that the channelled writings of James Padgett were meant for Spiritualism at the height of its popularity, though they were never received. Furthermore, I believe that the writings of both of these men are of considerable importance, not only to Spiritualism, but also to religion itself. And that these writings can contribute significantly to the understanding of spiritual philosophy as a whole, and to the understanding of the Bible.

One's natural love is always progressively perfected during this journey of evolution of the soul.

Natural Love sectors for those doing their Feeling-Healing, without the Love, are within the Natural Love Mansion Worlds:

Progressing through the natural love worlds, within Feeling-Healing sectors, while doing one's feeling healing, upon reaching the 6th Sphere having completed Feeling-Healing, one can then embrace the Divine Love and proceed directly to the 7th Divine Love Sphere.

Then they may prepare to enter the Celestial Heaven Spheres from there.

This pathway is when the Divine Love is unavailable before perfecting one's soul.

Upon embracing Divine Love at any stage, then one can progress through the Divine Love spheres 3, 5, 7, whilst also doing their Feeling-Healing.

Even though a person may have received Divine Love, they do not avoid compensation or doing their Feeling-Healing, so they may still spend time within the spheres of disharmony.

DEVELOPING FIELD AWARENESS:

You emit a field, and the field is present in your surrounding space. What you emit is heat in the form of infra-red radiation. The pattern, that is unique to your personality, covers the world in 1/8th of a second. (Speed of light is 186,000 miles per second.) You are a station transmitting your unique pattern, and if I want to tune into you, I have to tune into your pattern. I don't need to go to you to find out this and that, because your pattern covers the Earth in 1/8th of a second. So you are everywhere. My field is also everywhere. There is no distance because your pattern is here and now. What is important to know is that your thinking is in your field and not in your head, which is only a transformer. Your thinking and your self are in the field. Your body is only a transformer for your everyday life. Your consciousness.

Now we can use an analogy like this. Some are like an AM radio transmitting and receiving AM signals. Some are FM radio transmitting and receiving, only dealing with FM signals. You could call AM as the capacity to communicate with spirit persons in the spirit worlds, natural love spirits who have not yet become aware of Divine Love and progressed into the Celestial Heavens. You could call FM as the capacity to communicate with Celestial Spirits (also referred to as angels) who are at one with the Father and reside in the Celestial Heavens. Some humans can connect to only the occasional signal in either AM or FM bands of frequency. James Padgett could scan the whole spectrum of all bands and that was his unique gift that enabled the conveyance of teachings from the Celestial Heavens.

Souls Interconnecting.

The HISTORY of the CHURCHES based on THE PADGETT MESSAGES:

<http://new-birth.net/new-birth-christians/history-divine-love-churches/>

James Padgett died on March 17, 1923. Dr Stone had been his constant companion, along with Eugene Morgan. The legacy of manuscripts was left initially to Eugene Morgan, and when he passed on he willed all the manuscripts, including his own to Dr Leslie R Stone. Dr Stone took up the challenge of readying the messages for publication.

The process of readying the material for publication was very difficult. The messages were on small notebook pages, in the typically almost unreadable format that constitutes automatic writing. Over 2,500 messages had been received, probably many more if those from dark spirits were included – one estimate is that there were 3,500 of those, albeit very short messages. If one assumes the 2,500 averaged four pages each, and clearly while some were short, many were of considerable length, then he was dealing with over 10,000 handwritten pages. This was a time when typewriters were expensive, and one had to be a very competent typist to use them, as errors were messy to alter. Once he had chosen his subject material, this had to be typed and proofed. Then the printer would prepare the typesetting, and again proofing was needed. This was also a time when publishing was very expensive, as lead typesetting was used, from which plates would be produced. It was also in the midst of the Great Depression, and later the Second World War. Dr Stone funded all this out of his own resources, so he continued to work to earn an income. It has been suggested that Dr Stone received an insurance payment in respect of a personal injury accident, and applied those funds to the publishing.

The first volume was published in his own name in 1941. He then decided to create a foundation for this purpose, and initially wanted to create it in the name of James E Padgett Foundation. After opposition from the Padgett family, he used his own name. But after creating the Dr Leslie R Stone Foundation (21st December 1955), he discovered it could not be tax exempt. This led to the creation of the Foundation Church of the New Birth (F.C.N.B.), which was inaugurated on 2nd January 1958. Dr Leslie R Stone, Dr Daniel G Samuels, and Rev John Paul Gibson, were the Founding Trustees. Dr Stone was very much loved by all who knew him, and finally passed into spirit at the age of 90, on the 15th January 1967. (His date of birth was 10th November 1876) By the time of Dr Stone's passing, he had published two volumes, and had contributed to the third volume of James Padgett's messages. The third volume was completed by John Paul Gibson while Dr Stone was still alive, and he also subsequently produced Vol IV.

The first editions of each volume of the messages were published in 1941 (Vol I), 1950 (Vol II), 1956 (Vol III) and 1972 (Vol IV). Four different titles were used over the years, and more details about these publications can be found here. Later these volumes, where very slightly changed (the main pages appear to use the same printing plates, with some changes to the introduction and the inclusion of original messages and photos) were published by the Foundation Church of the New Birth (FCNB) as "True Gospel Revealed Anew by Jesus".

Over the period from 1954 to 1966, a Jewish medium, Dr Daniel G Samuels received a significant volume of messages. These comprised fascinating information about the Old Testament, and how it was that Jesus learned he might be the messiah. Apparently he found Rev John Paul Gibson difficult to get along with, and eventually he left the movement, to not be heard from ever again. He passed into spirit in March 1982, and this fact was only learned recently. Even though he has communicated with us since

his passing, this did not resolve why he left the movement. In my (Geoff Cutler) opinion, it is probable that Dr Samuel's vision of the nature of the church that would be founded, differed significantly from the vision of others, especially in the practices that he seemed to espouse, and which appeared to be based heavily on his Jewish heritage. He has communicated that he was overly materially minded, and not well advanced in his soul progression.

In 1967, with the passing of Dr Stone, the reins passed to Rev John Paul Gibson, and he became the second head of the FCNB. George Stokes, Kathryn Stokes, Amy Reza, Mary (Holmes, later Reynolds), Michael Holmes, Russel Higby and Dan Bowman, met Rev John Paul Gibson when they went east to be of service to the FCNB, in 1972. Around this time the volumes were renamed "True Gospel Revealed Anew by Jesus" and four volumes were available, with the final Vol IV being published in 1972. These remain the most original source documents of the Padgett Messages, although it is apparent that some limited editing (as in leaving out paragraphs rather than altering the meaning, particularly where these referred to personal matters) occurred with these, as can be discerned by studying the numerous duplicated messages.

It would appear that John Paul Gibson was not particularly careful in the way he ran the FCNB in the ensuing fifteen years, (1967-1982) in as much as he did not replace the two trustees who had died, and he himself died intestate in 1982, leaving the FCNB without a living trustee. He also neglected to hold any meetings of trustees, which would have required new trustees after Dr Samuels had departed in 1966.

Jocelyn Harleston moved to the D.C. (District of Columbia USA) area after her mother died and this may have been in 1980 or 1981. She attempted to assist John Paul Gibson, but some times communication was limited to notes pushed under doors. It has also been said that John Paul Gibson would not even share the names of those people who expressed interest in the Divine Love movement with Jocelyn. The organisation literally became a one-man operation under John Paul Gibson. However he worked hard at publishing various volumes, notably the last two of those received by James Padgett, and he also created material suitable to be used in the ordination of ministers, as a Ministerial training program. He also published the work of Dr Samuels in two volumes. Jocelyn was involved with taking care of the books after John Paul died in October 1982. She threw many away because they had been in a storage bin in the basement of the building and were unfortunately damaged and mouldy. It has not been possible to ascertain if this included any original manuscripts, but in a letter to a friend, Jocelyn indicated that John Paul Gibson had thrown away the originals of Dr Samuels and some of James Padgett's original transcripts.

Jocelyn had to deal with all these issues on the passing of John Paul Gibson, and it has been suggested that it was because of this stress that she did not want to take up the reins and run the FCNB. However she would have been influenced by John Paul Gibson's opinion that the head of the church should be a male. She was on her own for some months until her call for help was responded to by a number of people. Kathryn Stokes was invited to come to D.C. and be 'secretary' of the church, but Jocelyn was in fact the 'real' secretary of the FCNB. In March or April 1983, Rev Bill Reilly came up from Florida with Victor Summers, to Washington D.C. He was very supportive of Victor as a candidate for the leadership role. Victor was voted in as president on April 10th, 1983. Victor Summers was literally thrust into the position of the head of the FCNB within a week or two of arriving in Washington. By his own admission, he was too young at 29 (DOB 22 Nov 1954) and inexperienced for this role. He found

the situation very stressful, and it led to a deterioration in relationships between the trustees, even though things started out with the highest of expectations.

Holly Bianco and Judy Gebhart came from California and were interested in working with the church. Jocelyn found a four bedroom house in Arlington, which is just across the Potomac River from Washington D.C. The four (Kathryn, Holly, Judy and Jocelyn) moved there in mid-August, 1983. Judy wasn't happy there and moved back to California by the end of the year. Holly went to visit her sister in Europe, and not long after she returned, she too went back to California, in the summer of 1984. George Dunseth, who had come to Washington D.C, eventually managed to obtain the post that had been piling up at Benjamin Franklin Station since John Paul had died.

At some point, possibly late 1983 it became all too much for Victor and he moved away from Washington first to San Diego, California, and then to Lake Helen, Florida. He took with him as many church supplies as his car would hold. This material included a large quantity of the original manuscripts. How long Victor was in California is also not known, before he moved to Florida. On this site (www.new-birth.net), it is said that in 1983 Victor Summers resigned all connection with the church and formally dissolved it. That date is incorrect, as it was at a meeting of trustees held on the 25th December 1984 that Victor Summers and six trustees passed the motions to divest the FCNB of all its assets. This was also the meeting at which the published material was put into the public domain. The extent to which this meeting was held in accordance with the By Laws of the FCNB is not certain. However the original FCNB was not dissolved, in as much as one can today find the registration of the original organisation in the D.C. database.

The majority of the members of the church were not supportive of Victor Summer's actions although he certainly had some support. Since Jocelyn believed that Victor was not a responsible representative of the church, she felt that another church entity should be incorporated to carry on the work. Members in the Washington, D.C., area reorganized as the New Birth Christian Healing Sanctuary and were granted permission to receive the mail directed to the former church's postal mail box. (Victor Summers had taken the post box key with him to Florida.) Meetings were held in Kathryn's home, with Dave Lampron, Bill Reilly, Amy Bolton, Jocelyn, Rev Bill Carroll and Kathryn working towards incorporating the new church which would be called the Foundation Church of Divine Truth. Then in 1985 nine former members founded the Foundation Church of Divine Truth, incorporated in D.C. as the successor to the former Foundation Church of the New Birth. It was on the 18th December 1985 when the Foundation Church of Divine Truth (FCDT) was incorporated in D.C. Jocelyn was President and Kathryn Stokes was (on paper) Secretary.

In the fall of 1987, Victor called Jocelyn from Florida to acknowledge that he wasn't able to continue running a church. Actually he had resigned in 1984 and tried to create and run a new church called initially "New Age Ministries Spiritualist Church in Christ on Earth" and later as: "Angelic Church of the New Birth in Christ." Marc Reza, and his then girlfriend, Angelica (now his wife of more than 21 years) along with Crystal and Kathryn, went down to Florida and picked up many of the church supplies which Victor had taken from DC, and returned them to Arlington, VA. However they did not obtain the original manuscripts that Victor had removed from Washington. The status of the FCNB from 1985 to 1991 is not clear. In 2012 the FCNB completed the scanning of all manuscripts they had in their possession, and have shared those with interested parties. A second set of manuscripts also was scanned

by a group of volunteers in Vancouver, and the final cache is half scanned. It appears that the originals of Volumes III and Volume IV have been lost.

Jocelyn as head of the FCDDT asked Dave Lampron if he would be willing to edit the messages, and Dave agreed to get involved with that project. But after the first volume was printed, and work started on volume II, Jocelyn decided that she didn't like the editing being done. A discussion ensued among the trustees, which lasted seven months, by letter and phone. In the beginning five trustees were in favour of including 'the devised questions' where it was apparent that Mr Padgett had asked a question, which he didn't record, and then the spirit answered it. Two trustees, Jocelyn and Marva Egenberger were against inserting the questions. We have even heard James Padgett's opinion although as is probably to be expected, after the events were finalised!

In the spring of 1990, when it was decided a vote needed to be taken, five trustees were still in favour of including the questions and two were still against it. This caused Jocelyn to resign, and resurrect the FCNB in 1991. Jocelyn was thus able to reactivate her beloved FCNB, and reprint the volumes in the way she felt is the best, as that is the exact way they were originally delivered. Their headquarters are now in Williamsville, New York. Jocelyn Harleston stepped down as head in November 2008, and Dr Elizabeth Merano is the current head of the FCNB.

After Jocelyn resigned from the FCDDT, the next president was Bill Reilly. The trustees that remained, united after Jocelyn's resignation and voted to establish Bill as the president of the FCDDT. Bill's tenure in this position did not last long. Bill's health deteriorated over the next couple of years. Nearing the end of his mortal life, he communicated to the trustees over the telephone, but could no longer attend the annual meetings. Bill died in a nursing home very near to his son's home in Deltona, Florida on June 30, 1995 at the age of 76. It was not until his passing into the spirit world that the trustees, including Amy, Kathryn, and Luke Osei-Kwame (who originally immigrated from Africa to Maryland in the pursuit of a doctorate and became a trustee) voted Rev Dr Dave Lampron in as the next president of the FCDDT in 1996. In December 2001, the trustees of the FCDDT incorporated in DC voted to dissolve the organisation, because they did not have anyone to clear the post box they had in Washington. They had already incorporated a new organisation using the same name in California, in January 28th, 2001. Dave Lampron is the president of the new organisation, and he holds that position today (2013), although the number of trustees reduced by four when the Santa Cruz based folks decided they would prefer to create their own church and run that. It further reduced to three trustees, when Rev Carolyn Stokes and Rev Jimmy Walsh resigned similarly to operate the Hawaii branch church. The current trustees of the FCDDT (Foundation Church of Divine Truth) are Rev Dr Dave Lampron as president, Rev Holly Bianco as the current secretary and treasurer, and Rev Dr Michael Nedbal as the vice president.

LIVE FEELINGS FIRST

NATURE and STAGES of FUSION:

Seventh stage of Fusion of individuality is the transition from the Eternal Spheres towards the Spheres of Paradise. The individual is now fully fledged in their union with God and can travel around the entire soul Sphere that God is and resides in.

Sixth stage of Fusion truly demonstrates how the personality is infused with extended attributes of mind-spirit function as the individual progresses from the Celestial Heaven and enters the Eternal Spheres.

Pre-Incarnational Sphere:

First stage of Fusion is the separating of the soul into two, each soul half being complete on their own.

Fifth stage of Fusion transpires when their natural love changes and one's soul progresses to the condition to be of Celestial soul quality, one enters the Celestial Heaven.

Fourth stage of Fusion involves the Divine Love. This can happen at any time during the natural life experience of the individual. Happens when the Immortal Divine Love enters the attribute of the soul for the first time, either when in the physical body state or spirit body state.

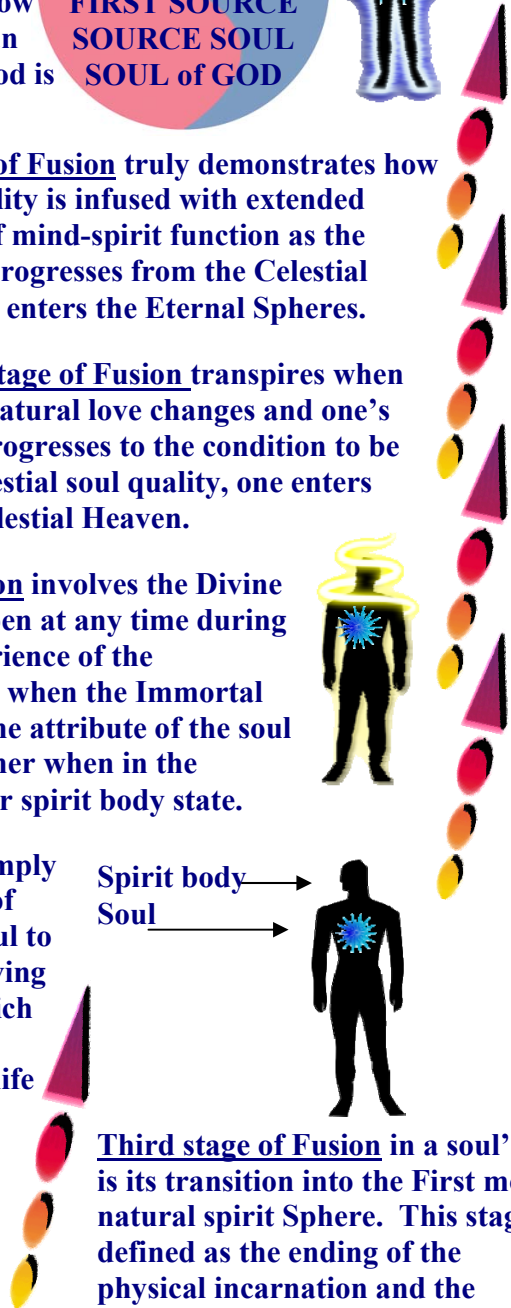

Second stage of Fusion is simply defined by the incarnation of the finite attribute of the soul to acquire a spirit body and living attribute of personality, which commences the finite soul's individualisation of mortal life experience.

Spirit body →
Soul →

Third stage of Fusion in a soul's life is its transition into the First mortal natural spirit Sphere. This stage is defined as the ending of the physical incarnation and the beginning of life in the spirit world.

The DIVINE UNIVERSE:

The Padgett Messages

<http://www.padgettmessages.net/>

This website has been created to introduce and present The Padgett Messages in a modern format that retains the continuity of the time when James Padgett with the assistance of Eugene Morgan and Dr Leslie Stone received messages that were conveyed by Spirits. James Padgett was 62 years of Age when he commenced receiving the following messages through the gift of automatic handwriting over a period of 7 years, from 1914 to 1920. In today's world many are familiar with Spiritual interests that cover a vast range of experiences where communication and interaction with Spirit is accepted. The Padgett Messages are a Spiritual work and are of great interest to those seeking knowledge and further experience with Spirit and learnings of the soul. Reading the Padgett Messages in their chronological order allows us as the reader to participate in the experience that evolves as James Padgett receives these messages from Spirits. To begin with the first message from his lovely wife Helen and to follow the events that transpire is a journey of Spiritual delight and insight for the souls of the readers as the Realm of Spirit is truly illuminated.

James Padgett lived in Washington D.C., and was a respected Lawyer of the day and it was in Washington that he received these messages from Spirit. James Padgett lost his wife Helen in 12th February of 1914 and it was the loss of his wife and the love that he had for Helen that found him seeking input at a Séance, hoping that Helen would communicate a message of love for him. The medium confirmed and instructed James that he possessed the gift of automatic handwriting and that he could receive messages himself and so he set his heart to this new task at hand. Helen did succeed in delivering her first of many messages to James on the 31st of May, 1914 and together they completed an amazing and far-reaching Spiritual experience. There are many messages conveyed to James that are of a personal and intimate nature, and we as the reader are privileged to see how these messages unfold throughout this remarkable experience.

The experience of reading The Padgett Messages introduces many Spiritual and contemporary themes such as soulmates, the Law of Attraction, life after death, Immortality, Spiritual environments, soulful healing, Spirit communication, the soul and the Loves – Natural Love and Divine Love, Realms of Spirit and mortal experience, elements that help form an image of the Celestial Heavens and inspired perceptions that give insight into the nature of our mortal soul. There are many more themes that are explored and revealed throughout the Messages yet the primary message of the Messages is the introduction to Divine Love and the workings of this Love. Throughout all the Messages, there will be a message that inspires and resonates with each reader. It is wonderful to read these Messages in this presentation where the actual Messages and factual events are in keeping to the best of our abilities, within their dates of receiving and the continuity that was lived by James Padgett, Eugene Morgan, and Dr Leslie Stone. We can begin at the first message and read through the days; months and years to the last message received in 1920, knowing that we share in this experience as we participate here and now on our own soul's Spiritual journey.

This presentation of The Padgett Messages is transparent and an open presentation so that the reader may form their own experience without an agenda or pre-existing conditions based on any material contained within the messages. The Messages are for mankind and for all souls and are able to be read and understood by the hearts of all men and women. The Messages are bone-fide for the experience of

Divine Love that we can breathe into our souls confirms the availability of this experience and confirms that the Spirits writing and conveying these Messages are not false but are true teachers of Divine Love and that James Padgett's gift of automatic handwriting and communications with Spirits is genuine. The Padgett Messages have been read world-wide and there are many individuals whom are familiar and accepting of this work, it is truly wonderful to be able to read these Messages in their respective order as they were given and conveyed to James Padgett for this depicts the mortal relationship with Spirit which many of us are seeking to understand. The world-wide reading of The Padgett Messages is well underway, and many souls are enjoying their own individual experience in their faith in Divine Love and learning of all soul-related Spiritual insight into the Natural Love of man and the Divine Love of God that is contained and revealed throughout these Padgett Messages. Although The Padgett Messages were received early last Century, the essential teachings of Divine Love and the essence of each Message is as relevant today and tomorrow as it was when James Padgett first received these Spiritual messages.

Enjoy.

Presented by Site Administrators Zara Borthwick and Nicholas Arnold

The site holds the Padgett Messages only. It is intended to facilitate the study of these fabulous messages, in the precise date order in which they were received by James Padgett. It is also the intention to not annotate any message, but rather to leave the reader to make up their own mind as to the accuracy, or Truth of that message. The original [New-Birth site](#) contains many subject topics, as also commentary. That may be useful if one wants to study a very specific topic, such as soulmates, plus a comprehensive search facility, but it is fair to point out, that it also contains my (Geoff Cutler) personal point of view regarding the truth or otherwise of some contentious topics. It also contains the messages received by Dr Samuels in the 1950's and 1960's, and over 1,000 contemporary messages from Divine Love mediums up to the present time.

James Padgett was simply a devout Methodist lawyer, based in Washington D.C. when he lost his dear wife Helen in February 1914. He was moved to try and contact her through the veil, and learned that he had the ability to take automatic writing. This set of some 1,200 messages are his spiritual journey. He passed on in March 17th, 1923 and his legacy has been kept alive through the efforts of others.

James Padgett kept a very detailed daily diary of his spirit communications, and this has enabled us to present this ordered sequence. However it has not proved possible to find the dates for all the messages, and until we are able to scan the originals, and obtain the date, these messages are contained in a separate folder, where they can be studied. As of late 2012 we have become aware that the originals of at least half these messages have been lost, and hence the number of missing dates that can still be discovered, is not great. But a considerable number of unpublished messages have now been scanned, and will hopefully be published in the coming years.

WE are INCARNATED with Natural Love, but not with Divine Love:

We are conceived with natural love, however, we are not endowed with anything of the Divine. While we are without anything of the Divine, namely Divine Love, we can grow our natural love attributes and progress to that of being the perfect man whose lodging is found in the 6th Sphere. We do not have immortality without having received Divine Love.

Natural love radiance is very different from that which Divine Love brings.

The two loves complement each other, bringing about greater harmony.

When we become aware of the presence of Divine Love and subsequently ask for and then receive the Divine Love, our soul steadily starts to change to that which is Divine and we achieve immortality. This is the Immortal Choice that we can make whilst here in the physical or later in the spirit world. Once we add Divine Love to our being, we continue then with the two loves, that of the natural love and also that of Divine Love. As we continue and receive Divine Love, our soul condition progresses so that we may eventually enter the Celestial Heaven, 8th sphere, should we have engaged in the proves of Feeling Healing, and above, then progress further to enter the Eternal Spheres, then the Infinite and Universal Spheres, and then further on towards the Spheres of Paradise.

We are endowed by our Parents with natural love, maybe we neglect this gift from time to time. As we progress in time, we can add the greatest gift there is to our being, that is by asking for and receiving Divine Love. Not only does the infusion of Divine Love, with one's Feeling Healing, repair our natural love attributes, we evolve into a joyous and loving person in all respects. With the infusion of Divine Love, with the two loves, we become the complete being.

The Published Messages of James Edward Padgett

<http://new-birth.net/padgetts-messages/the-padgett-messages-date-order/>

There are two chronological presentations of this information. [One is based on James Padgett's index](#), and uses the descriptions of each communication just as he wrote it, and links only to those messages that we have had in publication. The other is shown here below, and uses the descriptions as published by Dr Stone, but is shown in date order.

The Padgett Messages, in original date order

[James Padgett](#) received messages from Jesus and many Celestials, and other spirits, over the period 1914 until his death in 1923. He received approximately 2,460 messages, but only about half have been published. The only messages that are currently published, were published in four initial volumes most commonly entitled "True Gospel Revealed Anew by Jesus" but which also [utilised other titles](#). These include some 1,232 messages. These four volumes were published between 1941 and 1972, by [Dr Stone](#), the close associate of James Padgett. The last volume was in fact completed after Dr Stone's death, by Rev John Paul Gibson. A number of other published works have been compiled from this initial source, and many of these are listed [on this page](#).

However the chronological index shown above of these messages was first published here on this site. This index is the result of a great deal of work, by a number of different people. I (Geoff Cutler) believe that this compilation will be of great interest to those who would like to understand how Padgett's knowledge evolved, and precisely in what sequence things happened. In many ways this chronological presentation is easier to follow, and also answers many questions that would be raised by folks new to this business of channelling, and trying to understand why I consider these messages very largely accurate. If one wants to get straight into the "meaty stuff", it is however easier to read [Volumes I and II](#). And, based on my experience with one individual, who only read the chronological sequence, it is possible that deeper learning is achieved by sticking with these two volumes, which were arranged to convey the most important spiritual concepts. Alternatively, you may jump directly to any of the various sections on the previous index, where messages relating to that topic have been gathered together to enable an easy appreciation of the subject.

I do not currently have easy access to the original hand written messages, although many still exist. In 2012 those that were in the hands of the FCNB and one other person have been scanned. A further

quantity held by a third person have been partially scanned. But it will be some years before all are re-transcribed and made publicly available. It is however clear that the originals of Vol III and Vol IV have been lost. This apparently occurred during the time of John Paul Gibson, as they were destroyed by damp in his basement.

The matching of dates was accomplished by comparing the short summary in a diary form to which I do have access. These are called the Padgett [Index](#). (The daily diary kept by James Padgett of his communications.) The reader should be aware that this date matching is a somewhat inexact process. Sometimes it is easy to match, but some messages appear to not be in this Tablet. Others are simply uncertain, because the Tablet could refer to more than one message. Thus some licence has occasionally been taken to arrive at this index, and I note that other sites now have small differences, where they obviously believe they have managed to match messages, which matching I however have not agreed with. In other cases I have altered this site after their taking from here, a set of dated messages, and they are simply out of date. (While there are many sites holding dated messages, in all instances they started with the work published on this site.) I do not believe that this should in any way detract from the index. A [number of messages](#) could not be dated, and will have to await the scanning of the original to establish the date.

It seems that it may be important for me to state my position on the accuracy or otherwise of these messages, and the issue of potential error in these messages. As is the case in every area of human belief, there are those followers of the Padgett Messages who do not accept that any error has ever been found in these messages. Furthermore, they feel that anyone who suggests that there may be such error, is basically damaging the legacy and destroying the value of this work. I would prefer to leave the matter of truth or otherwise to those who read these, but we have had almost 100 years of regular communication now, through a great many mediums. A very small number of mistakes have been pointed out in these older messages by more recent communications, and I have linked these to the originals, where appropriate. It is fair to say that most who read these messages are struck by the consistency, and lack of obvious error. Padgett was clearly a very gifted medium, and was dealing with advanced and knowledgeable spirits. Without going into any detail, I should hasten to add that none of these issues are central to the Divine Love concepts so clearly received and explained by James Padgett, and these are only ancillary issues. But I do feel obliged to share these with the reader, and in the appropriate places, you may find a footnote attached to a message, setting out any concerns I have. I do not think that this approach damages the legacy, in fact I believe and hope that the true seeker will take the opposite view. But I will state here that I have not altered what has been originally published and that I have used the oldest publications as my source, although the matter of [duplicate messages](#) is a somewhat more complex issue, and can result in a message that is a composite.

While on the issue of accuracy, another matter is worth covering. The [FCNB](#) who are the publishers of these original messages has on its web site a statement defending their intention to never alter a single comma in any of the volumes. Anyone who studies the duplicates, or for that matter the [errata](#) that Dr Stone produced, will realise this is not a logical position to take, even though I personally see the purpose of this web site to stick as close as is feasible to these original volumes. I fully accept that others may see as their purpose the desire to create easy to read modern volumes, and I am certainly not opposed to their doing that. It is very obvious that Dr Stone "cleaned up" the text, and in some places one might even raise an eyebrow at the extent to which he did this – see the prayer as an example. I do not however feel the liberty to do likewise. Where a word has fallen into disuse, I have added its current

equivalent in brackets, rather than changing the word. I certainly have punctuated extensively, creating smaller sentences where in many cases these are totally unreadable. But of course the nearly 100 composite messages – messages which are the result of comparing the two, and even three instances of the same message – are not identical to anything in the original volumes. The Volume I errata have also been applied to this site.

In 2014 there was the creation [of new editions of Kindle Versions and new editions of printed volumes](#). A small number of [unpublished messages are listed here](#).

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to ‘our Mother and Father’. Further, when considering soul healing, then reference to Divine Love could be referred to as ‘Feeling Healing with Divine Love’.

The Z & N STORY:

The next instalment of spirit communications orchestrated by Jesus with various Celestial spirit contributors transpired during a period between March 2012 and February 2013. This work called ‘The Divine Universe’ contains 319 messages that take the construct of natural love and Divine Love and brings this construct into the living.

Zara and Nicholas were first introduced to The Angelic Revelations of Divine Truth Vol I in Los Angeles in 1989. As time passed and the profile of the Padgett Messages gained readership and with the assistance of online communication, their experience produced the spirit communications called The Awareness of Divine Love Messages. These messages published as a trilogy of communication: Edges and Smooth Surfaces, Future Memory, and The Golden Leaf. Zara and Nicholas also published in 2008 a book titled The Padgett Messages, the first single edition of chronological messages in one volume.

Unexpectedly, the continuation of the Padgett Messages began to be received by Zara and Nicholas, with both being able to perceive the presence of spirit, what was being said, and also both could ‘see’ the words being spoken. Nicholas hand wrote every message into a journal and Zara typed the messages into the document, now being the book, ‘The Divine Universe’.

In July of 2013 a selection of spirit messages from ‘The Divine Universe’ was first published on Geoff Cutler’s [New-Birth](#)

Celestial Soul Condition

Spirit communications from Celestial spirits received October 2013

Having received the spirit communications called The Awareness of Divine Love Messages in 2008, The Harmony Messages, January 2010 and The Nature of Personality, February 2010 various people who have been involved with the spirit communications that James Padgett received have conveyed various messages to inform us of their progression in the spirit world. With the spirit writings of The Divine Universe (2012 – 2013) and now in the follow-up work called Celestial Soul Condition these individuals have continued to air their voice so that we, who work with the Padgett material, can see that we are involved in this collaborative journey with one another and our Celestial spirit friends.

When JP Gibson introduced George Stokes, it became apparent that all the spirits in the Padgett Messages and all the people who had worked with the earthly Padgett Messages who are now in the spirit world were present and living in their Celestial soul condition and harmonious with the Father. The receiver of this message from George Stokes never knew the man or any personal details of his human life. What was evident was the acknowledgment that those who had embraced the Divine Love in their mortal life had progressed through their spirit life to achieve what Jesus and the other Celestial spirits revealed and taught in their messages to James Padgett, this being that love, the Divine Love, fulfils the individual soul.

When this message was received there was such a warm embrace and recognition that whilst people vary in their human relationships the Divine Love and greater reality of Truth is the loving way that unites a common vision that we share with our Celestial spirit friends in the Heavenly Kingdom of God.

A brief message

1 October 2013

Hello. I would like to write just a few words to say that I am with the Father and in good soul condition. I am pleased to see the way the distribution of the message that James Padgett received are flowing into the world. All of us who had a hand in those early days are buoyed by what we see and we encourage the dispersion of these messages.

I will not say more for I have written to you both before and have said all I have needed to say. My reason for being here is to introduce Mr Stokes, as he desires to say a word.

JP Gibson (John Paul Gibson)

Hello to you both. Our meeting has been a long time in the making. Firstly I would like to thank John Paul for bringing me along today and to make the introduction. It will not be necessary to divulge any personal aspects of my life for there are still people living whom I knew and our relationships are personal. I am to convey that my entrance into the spirit world required me to readjust my whole interpretation of living with the Divine Love. I had very little soul development, though my intellect whilst I was a man, thought well and true about the Truths that James Padgett received. Slowly but

surely as my spirit life commenced and with the assistance of more progressed spirits who were living with the Love, my soul condition increased and I became liberated in my experience of the Father. My job here is to say that all of us who have had a hand in working with the spirit writings that James Padgett received have progressed to Celestial soul condition. This is important to know so that for those who research the history of the Padgett Messages will now know that all of us here in the spirit world have progressed in our rapport with the Father. There are many of us here who worked with the material with our reason and agenda but now our sight of how the Divine Love is, is absolutely modern and universal in approach.

I would like to say more about my personal history, but there is a boundary to this. For now the essential thing to know is that I have found forgiveness and acceptance and like so many others, I am living harmoniously with the Father and that the Truths are universal in their form and appearance.

James Padgett is present with Helen and all of us who have been involved with the material are present. (That is, present in spirit form with Nicholas and Zara at their home.) We recognise that next year will mark the anniversary that Jesus continued to teach and reveal the way that a person and spirit can live in harmony with God the Father. All of us who were involved are fulfilled in this history and the coming anniversary will mark the beginning of another era and a history that will involve individuals who also participate with material that James received. It is a wonderful thing to know that we are all happy and that we have left no compensation behind, for now our souls are radiant in the Love and we all reside in the Celestial Heaven. There are quite a few of us here, and pleasing to know that each one of us shares a particular place in the history of the Master's teachings. I thank you for receiving this important message and God Bless to you all.

Sincerely
George Stokes

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

CONNECTING:

Since July 2009, I (John Doel) have desired and endeavoured to connect with members of clergy to discuss and enable them to become aware of the availability of Divine Love. A meeting with the Imam for the Islamic community on the Gold Coast was very satisfactory. Communications with the most senior Catholic priest on the Gold Coast have all been one way. Connections have been made with a Bishop of the Uniting Church in Kenya, this occurred whilst visiting Cape Town, and subsequently, also a senior priest of the Uniting Church Cathedral in Cairo while visiting that city. None of these connections have blossomed as of yet. Periodically, I reaffirm my intent to explore the possibilities and availability of Divine Love with any clergy of any denomination and faith possible.

On Saturday, 31 August 2013, I proceeded to have my regular walk along our beautiful Gold Coast beaches. Our golden beaches are some 40 kilometres (24 miles) in length and run north to south, and at any one time there are thousands of people on them. Prior to heading off to the beach that morning, I commenced a new file on my computer; Divine Universe – Spirit Interaction, completed the cover page and then headed by car to the beach.

I always commence my walk into the wind and at a regular turning point, return to the start. It was a fabulous day. Starting south of Broadbeach, I headed north towards Surfers Paradise, the beach being one very long stretch of sand passing in front of many suburbs of the Gold Coast. About 50 metres before my turning point, I spot this man approaching wearing a maroon purplish shirt. Ah ha, this might be interesting I said to myself. Then I could see a white collar. Then the big silver chain around his neck with a very interesting cross gave him away completely. We crossed paths and I kept walking, gathering my thoughts. I turned and quickly caught back up with him, thinking to myself, this guy has no idea that I am not going to walk past him. I need an introduction line.

As I drew beside him, I said, ‘I like your hat!’ He had a black broad rimmed hat on, which he later told me he paid \$10 for. We started chatting about food issues, sugar in particular. I shared with him that Pascas had mailed out a few days ago a document called ‘Globesity’ which focused on the enormous amounts of sugar now added into most processed foods. If he wished, I would email him a copy if I could have his email address. When you are on the beach you do not carry things.

He stopped and pulled out his wallet and gave me his business card.

Our discussion continued on and into spiritual matters. I touched on the fact of the incredible amount of high level spiritual communications that have been received and published over the last 100 years. Brian asked how does one know if the source is not from unloving or evil spirits? Interestingly, that is the focus of the ‘Spirit Interaction’ document that I had barely commenced that morning.

On the Sunday, I sent to Brian, ‘Pascas Care – Globesity’, then on Wednesday, I forwarded ‘Pascas Care – Wheat Belly’. The last section of the Wheat Belly document introduces material regarding Divine Love and aspects of it.

On Wednesday 11 September, having finished the document, ‘Divine Universe – Spirit Interaction’, I then forwarded that to Brian.

Saturday 14 September, we met again for coffee and a walk on the beach. We sat and talked for more than two hours and didn't make our beach walk. This became the way for four weeks. Over his extended stay, we met up seven times.

On Sunday 15 September, I sent Brian the 'Book of Truths' as edited by Joseph Babinsky. This he printed out a number of pages and started reading. The 'Book of Truths' is the Padgett Messages in chronological order.

On Thursday 19 September, Brian was in the Sunshine Coast region, some two hours by car north of the Gold Coast. He took the opportunity to meet up with James and Paula. James is about to publish 'Messages from the Celestial Heavens'. While he was at their home, they introduced him to Nicholas and Zara who are publishing 'The Divine Universe'. The sources of all these messages are from Celestial Spirits, that is, the messages received regarding Divine Love over these past 100 years is from the same community of spirit people, who you could say, are more alive than ever.

My last meeting with Brian on this occasion was on Saturday 5 October. He now has received some 500 Pascas documents, approximately 25,000 pages.

As Brian is to visit Los Angeles at the end of October, there is the possibility that he will also meet up with Joseph Babinsky in Arizona. Upon Brian's return to Sydney, he intends to meet up with Geoff Cutler who edited and published 'Judas of Kerioth'.

Over this six week period, Brian has intensely reviewed the materials introducing Divine Love. So much so, that he has presented teachings to at least two congregations introducing Divine Love to these communities.

He has discussed with me the introduction of Divine Love to members of his priesthood throughout Australia and New Zealand. He has explored with me the great desire that he has to share these understandings throughout the great population of India where he will be spending much of his time starting from December. Then proceeding to embrace Kenya and Tanzania communities.

Yes, there are destinations that he sees as preferred priorities, such as Nigeria, Afghanistan, Pakistan, Pacific Islands, United States Indian nations, Caribbean, and Mexico.

Brian is Bishop Brian Iverach of the Anglican Catholic Church.

Here is a copy of his teachings given to a congregation here on the Gold Coast on Sunday 6 October 2013, some six weeks after our first meeting.

The question is: is this the first time in the 100 years of these Divine Love messages that a Bishop of a mainstream church has embraced the messages and shared them with the community?

Faith, Works, Love & Salvation.
6 October 2013

There is much confusion about the topics. The teachings of the Church vary from denomination to denomination. The Bible has contradictions. Errors are taught. We are faced with a supermarket of beliefs and a smorgasbord of institutional options.

Be that as it may, pastoral care is a most worthy function of any Church and Anglican Catholics try to do this well. At the discussion after Mass at Good Shepherd last Thursday we considered a set of questions concerning Church. What do people think the Church is for? What do we think the Church is for? and so on, to be continued.

The Church should teach the truth. What is truth? Some say there is no such thing as truth. But Christians believe that there are certain truths and they are those that Jesus came and taught 2000 years ago, and continues to teach in our souls through the Divine Love of the Father. Jewish authorities did not want to hear the truth from a master carpenter boat builder, and a bunch of fishermen. They went to the extreme of suppressing the voice of truth from God, in subterfuge arranging the execution by crucifixion of the Son of God through a compliant Roman Governor.

The apostles were not highly educated. Also, they were not in a great condition of spiritual development. They did not understand the inner meaning of the teachings of Jesus. They did not have an understanding of the great truths taught by the Master. They were comparatively ignorant men with no education above the ordinary working man of that time.

Only after Pentecost did they finally come to accord with the Father, or to fully appreciate the great truths that the Master had taught. They then learnt many things which men at the time did not know, and their souls became developed to a large extent, but not sufficient to bring to a knowledge of the wonderful meaning of the truths which make men free and brought them in unison with the Father.

The question arising for us then is what is the relative value of prayer and works. Some say that works are the great things to develop men into love and bring about great happiness in the world. Pelagian comes to mind. They say prayer is not that important.

But as a man who has worked on Earth and prayed on Earth, I say with an authority that arises from actual experience and observation, that of all the important things on Earth for men who are seeking salvation and happiness and development of soul, prayer is the most important – for prayer brings from the Father not only love and blessings, but the condition of mind and intent that will cause men to do the great works that men need to engage in.

Prayer is the cause of the power being given to men that will enable them to do all the great works which will bring reward to the doer and happiness and benefit to the one who receives the works.

So it is seen that the results can never be as great as the cause, for the cause not only gives to men the ability to work, but also to love and to develop his soul and to inspire him with all good and true thoughts. Works are desirable, and in some cases necessary, but prayer is absolutely indispensable. Never doubt that without prayer the works of men would be unavailing to accomplish the great good which man performs for his brother.

Pray, and works will follow; work, and you may do good, but the soul does not benefit, for God is a God that answers prayer through the ministration of his angels and through the influence of His holy spirit, which works on the interior or real part of man.

And now let us consider what is faith?

Faith is that which when possessed in its real and true meaning makes the aspirations and longings of the soul a real, living existence; and one so certain and palpable that no doubt will arise as to its reality.

This faith is not the belief that arises from the mere operation of the mind, but that which comes from the operation of the perceptions of the soul, and which enables the possessor to see God in all His beauty and love. I do not mean that the possessor of this faith will actually see God in form of feature, for He has none such, but his soul perceptions will be in such condition that all the attributes of the Father will appear so plainly to him, that they will be as real as anything that he can see with the eyes of the spirit form. Such faith comes only with constant earnest prayer and the reception into the soul of the Divine Love. This you can have with earnest prayer continually asking.

No man can be said to have faith who has not this Divine Love. Of course, faith is a progressive quality or essence of the soul, and increases as possession of this Divine Love increases, and is not dependent on anything else. Our prayer calls from the Father a response that brings with it faith, and with this faith comes knowledge of the existence of this love in our own soul.

Many persons, I know, understand, this faith to be mere belief, but it is existing in its true sense only in the soul. Belief may arise from conviction of the mind, but faith never can. Its place of being is in the soul, and no one can possess it unless his soul is awakened by the inflowing of Divine Love.

So that when we pray to the Father to increase our faith it is a prayer for the increase of Divine Love, and without it there can be no faith, because it is impossible for the soul to exercise its function when Divine Love is absent from it.

Faith is limited by our possession of this Divine Love. When Jesus said: *as your faith so be it unto you*, he meant that the sick and the blind, and others must believe that the Father has power to bring about the cure; but He did not mean that if their minds merely had the belief that Jesus might cure them, that then they would be cured. Belief was not sufficient of itself, but faith is required.

Faith is not a thing that can be obtained by a mere exercise of the mind, but has to be sought for with soul perceptions, and when obtained will be enjoyed only by the soul perceptions.

Jesus taught Nicodemus, you must be born again to inherit eternal life. Is this not being said to you as well? Eternal life of a soul is by rebirth in Divine Love united progressively into the soul of the Father.

This truth is the foundation of mankind's redemption, and until a man receives new birth he can not possibly enter the kingdom of heaven. In His mercy God has made provision for man to be born again in this life. Men may claim to have faith in God and believe on Jesus' name and conform to all the essentials and sacraments, and yet, unless they have new birth, their faith and works as Christians are vain. By the way, our soul is unique. It has not had a previous life, but it goes with you to the next.

All of this we know from the direct teaching of Jesus the Master, the Son of God. It is the most important requirement to immortal life.

New birth means the flowing into the soul of man the Divine Love of the Father, so that man becomes, as it were, a part of the Father in His divinity and immortality.

When this truth comes to a man he commences to take on himself the divine nature of the Father, and all that part of him that may be called natural love commences to leave him. And as Divine Love continues to grow and fill his soul, the natural love and affections for the things of the Earth will disappear, and as a result he will become one with the Father and his heart will sing the Father and I are one. God is, I am, God is I am, the Father and I are one.

There is no doubt that the affections for the things of the Earth are a burden to be lifted from. The advertising industry plays upon us the notion we must have. New cars, new fashion, new palaces, Rolex watches, Guchi and so on. We become slaves to the upkeep of possessions and the gaining of more and more of them. All of this is vanity. It is not the way for the true believer. It is not true love.

Our Father is love. He loves all mankind. He made all mankind in His soul image, and grants to all who ask for it Divine Love. Jesus' true teachings are all that is needed for salvation. Salvation, immortal life is ours for the asking.

The prophet Habakkuk (Hab. 1:2-3, 2:2-4) does not know this. How could he know it? Jesus Christ was yet to come. Yet in his natural love he asks pleading "will you not save?" It is the plaintive cry in the hearts of all men in natural love surrounded by injustice, tyranny, outrage, violence, contention, discord, and war. His soul yearns for a better way and a better world. His soul seeks to live by the faithfulness of God's Divine Love.

Timothy (2 Tim. 1:6-8, 13-14) was consecrated Bishop of Ephesus by Paul in a spirit of power and love. He then witnessed to God the Father with the Good News of eternal salvation in God's power in sound teaching with the help of The holy spirit.

Luke (Lk, 17:5-10) has the apostles asking the Lord "Increase our faith". The teaching Jesus gives to them and to us – rely on God the Father. Do the will of the Father. Accept your duty as a son of God and do the work he has given to you to do. My faithfulness will do the rest. Thus is the teaching when it is unwrapped.

The message reminds me of CIPBC. The first apostle to evangelise India was Thomas. He came through the Khyber Pass into north western Pakistan/India. In the south, by sea, came Jude the brother of Jesus, and Nathanael, the apostle without guile. More than a millennia later came the Church of

England missionaries. By faith churches, orphanages, hospitals and schools were built across India/Pakistan, Burma and Ceylon.

After the British withdrew, a destructive ecumenical spirit prevailed for a season and Anglicans, Presbyterians, Methodists, Congregationalist and Baptists merged into a Church of South India and a Church of North India. What had been the third province of the Church of England became the second province of the Anglican Catholic Church, faithful Anglicans lead by John Augustine as Metropolitan. The faith of a mustard seed drives John Augustine to recover Anglican faith and practice. Bishop Augustine accepted the invitation to be the director of World Missionary Evangelism a non-denominational missionary outreach based in Dallas Texas. He supervises about 200,000 missionaries and faithful believers in India with mission centres, orphanages, schools, hospitals and leprosarium across the sub-continent.

In Lucknow at the 700 student Anglican Catholic English Grammar School campus a three hundred bed orphanage is nearing completion. \$100,000 is needed to complete the orphanage. It is a three storey building with basement. The total floor space of a football field. We pray for benefactors to provide the funds to complete the structure. 100 giving a 1,000.

At St. James' Mermaid Beach we meet RSL Care at 10 AM Tuesday. Mr. Chuck Stone will come and we will ask for the return of the whole property having prayed for the blessing of God to provide a house of outreach in Divine Love to homeless families, single mums, single fathers, and to youth and the elderly at risk, and not least as a continuing temple of worship for the faithful. Let us pray to the Lord.

And now to conclude – salvation of soul. Salvation comes from God the Father, The Maker of all that is and He sees everything. A true conception of who and what God is not one that the mere mind can grasp, for only the soul that has been developed to a sufficient degree can comprehend. But yet we may be able to conceive of its meaning to an extent that will enable us to get closer to our Father as a real, personal Father, and not as a being of formless existence only. I mean that the idea of personality may bring the Father nearer for us, so that we may realize a deeper meaning of His Love and care and mercy and interest in us and in all His creatures. The truth Jesus teaches is that our Father is, to the soul perceptions, a Being of real existence and personality. It is difficult in the mind to conceive how such a personality can be part of a Being who is declared to be mere spirit without form or limitation, and everywhere at the same time; but Jesus tells us it is the truth that by the soul's faculties is comprehensible the personal attribute of the Father. Men will not understand this truth so long as they depend upon the mere intellect to comprehend it, and to them it may not mean much; but it is of the greatest importance to mankind, both in their lives on Earth and in the spirit world.

“Thou, God seest me” (Gen 16:13) is not a mere meaningless generality which men repeat and do not understand, for God does see every act of man; and as said by Jesus when on Earth, *not even a sparrow falls without my Father knowing it, and the hairs of your head are numbered*. So if men only learn that this truth is of such importance, they will take great care of the manner in which they live their lives. Men must realise that God knows not only their acts but their thoughts, and every idle thought will have to be accounted for, and the penalties which his laws impose will have to be paid.

So, if men realise this fact, of God being able to see and know what their lives on Earth are, they would many times think before they do some things which they do, supposing that no one but themselves know of them.

I must stop now. To be continued when next we meet.

Your brother in Christ,

The answer to the earlier question is: No, it is correct to say that no Bishop has presented the possibility of Divine Love to any congregation over the past 100 years to this degree.

“John asked a question regarding the teaching of Divine Love in organised Christian churches by a bishop. I must say that I do not know of any instance of a Bishop embracing the Divine Love to the degree that he then openly and fully teaches about Divine Love as a real element that is obtained by prayer. It is wonderful that this is now happening.” Rhiannon – Celestial Spirit 8 October 2013

Further:

“We believe that other ministers did feel the presence of the Truth and hear some messages through letters and newsletters / magazine articles that both James and Dr Leslie Stone disseminated, and no doubt that Dr Daniel Samuels had been touched as he was a Jewish scholar. I think that this is the first time that a Bishop has embraced the Truths and included them in his public ministry, that is the feeling we get from the spirits. What we have never heard in this 100 year history, anyone of a high religious ranking and order teaching the Truths in an already established religious faith -- that be said for an ongoing spirituality. If someone had, it would have been noted because there are people still living today who are 70-80+ years of age and are with the Divine Love and know the history.”

The RICHARD MESSAGES:Messages from the Celestial Heavens:**Mary of Magdalene Speaks Again**

16 October 2013

Good afternoon dear friends. I am simply open to whoever is to write with me today.

Good afternoon my dear brother. I am Mary who wrote with you yesterday to write further. It is some time since I have communicated in this way and our experience yesterday was enjoyable so continuing feels like the right thing to do.

We are all very pleased to have the opportunity to present information about Divine Love in clear and correct ways. As admirable a book as the Bible is, it has had many misconceptions written into it. Because it is revered as a holy book those who question what it contains are considered to be heretics. This is an unfortunate product of priests teaching ignorant groups in unequivocal ways that stated firm and unvarying 'truths'. This served a purpose which was really to control groups and to have them adopt rigid and unquestioning beliefs. This greatly discouraged any disagreements often on pain of death. The way this was done was very powerful and its lasting effects are quite apparent today. There are many in humanity who demand certainty and will fight to maintain what they believe is certain and call this determination faith.

Nothing in the universe is static and unchanging. It has always been so and will remain so.

Many will ask why there have been no attempts to reignite awareness of Divine Love between the first century and 100 years ago with the presentation of the messages to James Padgett. The truth is that there have been numerous attempts on many occasions over the intervening centuries. Such attempts were always hampered by the prevailing attitudes regarding spirit communication. There was also the difficulty of finding mediums who could be open enough in their own minds to receive and present the information truly without modifying it to conform with current dogma. Perhaps the attempt which came closest to succeeding was with Emmanuel Swedenborg who was shown a lot of information in great depth. He then interpreted it to fit with his concepts that were already deeply ingrained. He learned a lot but not the real truth of what he was offered. It is difficult for humans to step too far from their current beliefs and constraints. This is quite well understood here so we don't attempt to tackle the issue head on as this is fruitless. All of our efforts are directed towards finding an opening into an existing harmony which will receive what we offer with as little distortion as possible. This is not always easy.

From this you can see that the purpose of giving the messages to James Padgett was to allow their gentle spread to allow them to be seen by many knowing that some who read them would involve themselves with these teachings and follow them to the degree that they would produce increasing harmony within themselves. This provides us with opportunities to contact suitable and willing mediums and to 'test the waters' in our search for those who will work with us.

There are now many people around the world who are receiving messages from the Spirit World both from those of us in the Celestial Heavens and from the natural love spheres. There have always been many humans communicating with the natural love spheres as this has always been the known reality whereas the Celestial Heavens have remained somewhat unknown to the world. All that is changing in

wonderful ways. There is a discernible difference between the messages from the natural love and Divine Love spheres and you will recognise this.

There are many of us here who are regarded as being well known to those on Earth because of the historic recounting of parts of our lives. It is always important to keep in mind that the historical figure to whom you think you are relating in your mind is not at all the spirit to whom you are actually communicating. As soon as you exalt us in your own mind you will lose the capacity to communicate accurately and completely with us as all of your preconceptions will come into play. Our desire is to get rid of all of those limitations and to develop open and friendly relationships with you that are free of distortions.

I lived an ordinary life with certain dramas which have been reported and magnified and also minimised. These were material in the development of the personality with which I passed into the Spirit World. Elements of this personality still exist of course but I am what has grown from all of that was my beginning to be to what I am now. I have no concept of myself as being exalted or superior and this is one of the most important things that I wish to tell you in the hope that you will take it to heart and make it totally real for you. If you can do this as a scribe, then you will make it easier for all who read what we write to do this as well.

Do you imagine that as I lived my life all those years ago that I had any sense that I would be spoken about thousands of years in the future? I lived my life as you live yours doing what was necessary to survive and to find happiness and meaning when and where I could. My association with Jesus was vitally important to me. Those of us who were close about him also felt strongly that what he had to say was true and of vital importance to all with whom we could share it. We had no sense or anticipation that what we were doing would be the beginning of something that would literally transform humanity. If there was any feeling of this, Jesus would have been the only one of who could even begin to conceive it let alone understand what it might mean.

Our focus could be considered to be rather narrow initially as we did all that we could to learn from him and to support him in the difficult times that were arising. You may be sure that most of us wished many times that he would be more circumspect and take fewer risks as he worked to spread the message that he knew. He was the only one who truly knew what it was that he had been given and even to him it had a degree of mystery. When he died we were full of regrets and deep sorrow as we had lost a much loved friend. We had our anger and our grief as well as our thanks that we had known him for as long as we did. In all of this we were much the same as any of you who have had someone die whom you loved dearly. We were living our days and not the history or our anticipation of what would follow. To us it was life and as ordinary or as remarkable as your own. Remember this and revalue your own lives as you literally have no idea at all where they may lead. Remember and continue to live your lives today as fully as you can. You can do no more than this.

This is the problem when lives that have been lived have become mythologised and presented in new ways. Our sense of our lives of that time was that we were living in the best way that we could. Much that we did after Jesus' death was driven by a need to survive in the face of hostility. Were you to be there at that time much that happened would have seemed to you like a storm in a teacup if you were not directly involved with our group. People often have the impression that the whole society of that time was in total upheaval when this was not the case at all. Even brief reflection will tell you that this is so.

The greatest tree that you have ever seen began its life in a most undramatic growth from a fertile seed and then grew slowly to gradually reach its present size without drama. So it was with our time and the sequelae. We were present at the time of the sowing of the seed. The great dramas of Jesus life and death were very personal dramas for the few people who were immediately and closely involved and possible like seven day wonders for most of the rest of the population.

When you contact any of us remember us in that light. We did not live our lives as great and noted luminaries. We lived as you and the people you know do with our petty problems and issues, our personal disagreements and our loves and disappointments. Do you ever consider that what you do today will be considered remarkable in the centuries to come? You simply don't know what will happen in the future. Apart from saying that all will change in many ways I will not say what will happen in the future for you or for the rest of humanity. In truth, none of the future is really your concern. Your prime concern is in what you do today and that you do it as truly as you can. No more is asked or expected of you. How could it be?

I am not asking you to degrade us in your eyes but do suggest that you always regard us as totally approachable beings who will always love and value the interaction between us. You are curious about our lives and this is quite understandable and we will tell you of this as much as you can accept and attempt to understand. None of that is really important to you other than that you know that is where you are directed and that you will discover the truth of it as it will exist for you. Also know that there are friends galore who await you and will greet you with open arms. My desire is that you set aside any ideas of separation from us and any thoughts that we are too exalted to desire to have close and loving relationships with all of you. To imagine this would be a great discredit to us. We are simply what you will become – no more, no less. The potential that we have developed is no more than your own which you are in the process of developing. In your thinking and attitudes take steps to move towards us freely and openly knowing that you will be received warmly and never rejected. Hold God the Father in awe but not us. When you elevate us in your minds to a state far above your own you build bridges that are difficult for all of us to cross.

I am speaking to you in this way because I felt your reticence in our contact yesterday and I particularly wanted to address this. If you hold such a feeling towards me you will carry this to others who wish to speak with you. The Master, Jesus does desire to speak with you and I wish you to be as open as possible to His communication as does he.

This is a wonderful opportunity for me to address this issue with you and with all who will read this. We are your loving sisters and brothers who are a little further along our paths. That is all and we wish you to share our sense of the family to which we all belong.

I ask you to be very aware of the quite different feeling that you have today with our connection which has been much easier for both of us. I have been able to move much closer to you. Do you feel this?

When we are able to move closer to you and to make a connection with your spirit body it is easier for you to receive our message with greater clarity. This reduces the possible interference that can occur and which can confuse you and the message. The difference is something akin to being alone with a good friend versus being present in a noisy group where it is difficult to isolate the conversation you desire to hear.

We have spoken and written well. I was present at the conversation with your friends and heard their greetings which I accept with gratitude. I return my greetings to all of those with whom you are associated. I assure that you are all known to us and all are held in high regard and blessings are showered on all that you do. I send you thanks from us in our place of dwelling and assure of our constant presence and desire to assist you in your endeavours.

I leave you with my love and prayers for your continued welfare.
I am Mary known as Mary Magdalene.

[Channeled history of James and Helen Padgett](#)

<http://board.divine-love-sanctuary.ca/viewtopic.php?f=11&t=588>

by **Al Fike** Mon Jul 21, 2014

The other day I was surprised to be asked by James Padgett to take dictation about his history leading to being the instrument to bring forth Jesus' message about Divine Love. What was dictated over a period of three or four hours was a remarkable and very plausible story of how two human beings came together in marriage, struggled and eventually parted ways. It was not a fairy tale by anyone's reckoning but it is compelling to say the least. Helen followed the next day with her own version of events.

I must confess that I was sceptical of these messages because this form of communication is quite new to me. I discovered some inconsistencies in the original text and was prepared to throw out the lot. I conferred with Dennis and Terry to confirm their veracity. Dennis gave me thumbs up with the proviso that some of the facts contained in this draft are plausible but not provable. Others mesh nicely with his research regarding the story. Terry, as always was supportive as were others I shared this text with. It seems that I could not just ignore this gift no matter how ambivalent I felt about it.

James also came to me a few days later imploring me not to throw the baby out with the bath water. I eliminated the error, namely that Helen was born wealthy and I got the signal from James and Helen, that all is well. So here is their story which was conveyed with the words flowing through my head as I typed in my impossibly inefficient way with one finger. It took quite a while to finish but the results, I believe, are well written and intriguing. I hope you all agree. Much love to you. Al

James and Helen's Story:

James Padgett Speaks

Medium: Al Fike, Thursday July 17, 2014

Introduction:

This is an experiment and as such is something I have not attempted to any great degree before. In my meditation this morning James Padgett came to me and asked if I would be willing to write a piece through dictation on his life 100 years ago. I think he wants to fill in some of the blanks for those curious about how he became the medium for the messages we all know and love. So here goes:

My friends and fellow travellers on the Divine Path, I send you greetings from our side of life and salutations towards your efforts to bring the truths of our beloved Father's Love to the wider world. Each and every one of you who are involved in this endeavour to either pray for this Love and go out to spread the good word of its existence is my beloved brother and sister. You continue to carry on the work started by myself and my colleagues all those years back. Indeed the work started with our Master Jesus and was altogether lost years later but now we, meaning the array of spirits aligned with you on Earth and yourselves are witnessing a renaissance of sorts to bring once more these truths to mankind.

We are working together to turn back the tide of darkness and ignorance that most of humanity has suffered under for so long. We begin a new era. This is a time when all peoples will be given a choice to follow the truths of God, or continue on with their wrong doing and error. God has put His breath upon this work to facilitate many miraculous and effective outcomes in the years ahead which will turn the heads of even the most sceptical individuals. You will all be a part of this work in time if you so choose. It is a Divine mandate that beckons each of you dear souls to come in alignment with this cause to bring to mankind the key to their salvation.

Many, many spirits and angels are praying for the success of our combined endeavours and you must feel the support proffered to you in your prayers and actions. And God's hand is upon us all guiding and blessing with every moment and breath. You are truly blessed my friends and for those willing to take that leap of faith, the rewards will be great indeed.

Many of you are curious about my life whilst on your Earth. In many respects my history is similar to so many others. I lived in an exciting time in the development of our country of the United States of America. I too was caught up in the fervour of the time which had great potential but endured the ravages of our civil war. Ours was a building time where a great country was emerging from the strife of war. Many opportunities lay before all who wished to take up the tasks of formulating what was seen as a new and unique country built on high principles and a rich land base. The land was immense and needed populating, although my interest was not in being a pioneer and taming the land which was a popular romantic idea at the time. I was drawn to more academic ideals and prospects.

I eventually settled to be a lawyer and worked towards those goals and a lawyer I became and was happy with my work. I eventually married Helen and I had our three children whom we both adored. I certainly married up as they say with Helen who was not only beautiful and full of life but also came from a respectable minister's family.

The door was opened for me in my career as in those days these sorts of connections were important if one was to be successful. This is not to say that I married 'for money' as they say but I was very fortunate to have met my dear Helen. She was a great support to me and a beautiful mother. We lived a somewhat prosperous life in Washington where I practiced but my ambitions often got the better of me. I was a bit of a risk taker in the realm of finances and often gambled our money on dubious ventures hence some days we were well off but the future was never secured.

I wanted to prove myself to my family and Helen's family that I was a success and I certainly see now that this vain pursuit often got the better of me. Because of our financial inconsistencies, we were often forced to change our residences and that was a great embarrassment to Helen. One day we were on top and the next we hit close to bottom all because I was susceptible to the next scheme to become wealthy. I was, at heart, a gambler and this compulsion racked great havoc on my family and our marriage.

I also worked a great deal in order to keep us afloat financially as it was very important to keep up appearances for both my career and our reputation around town. My lack of presence in the home did not please Helen very much as I was often either in the office or out with my lawyerly friends enjoying a drink and a smoke. Helen was always at heart a sweet soul who did not approve of my wicked ways. We often fought about my short comings and this was ongoing in our marriage. For the most part, we kept up appearances and sent our children to the best schools we could afford. We lived our lives

putting more into appearances rather than building a relationship of love and harmony but we persisted as long as our children were at home.

As you can see, I was no saint; just a man whose limited perspective and withered soul had no idea of spirituality other than that fed to me by the preachers of the day. My spiritual life was one of belief by rote and blind acceptance. I had no reference point beyond what I was told to be true and I was a believer in this regard but not as devout as my dear Helen. In reality, I was lost and getting more so by the day. In time, Helen gave up on me, she had her own problems brought on by ill health and this did not bode well for our mutual happiness as she struggled greatly with emphysema and spent ever more time with her family, especially when the boys left to start their own lives.

I spent more and more time away from our home as did Helen with her health complications and the difficulties between us. Our marriage was for all intensive purposes over. We began living separate lives and eventually this compelled Helen to file for divorce. This certainly forced me to take account of the life I was living and I made several attempts to woo her back to me. The intense demands of my business coupled with increasing age and Helen's protracted illnesses detracted from my efforts which were not successful. When one is faced with the loss of something that is so much a blessing but unrecognized, the reality of losing this precious gift can be devastating. I did indeed grieve over her departure from our home but it was too late to fix this unfortunate turn of events. I became more lost and alone and consequently buried myself in my work and a social life with my long standing friends.

You can imagine my grief and sense of guilt upon learning of my dear Helen's death in the sanatorium. I was beyond comfort and felt responsible for so much of the pain that she endured over the years of her illness and those unfortunate years of our marriage. My longing for her became intense and the grief at times unbearable. I did take comfort in my church life but that only went so far. Its message assured me that Helen would be in heaven but went no further to assuage my grief. My loneliness and longing for Helen, whom I seemed to love more intensely through her absence brought me to the practice of spiritualism which I had heard about since it was widely known but harboured a great deal of scepticism regarding its credibility.

Although sceptical, I proceeded to make my enquiries and attend a few séances. Each visit intrigued me but did not entirely convince my intellect that what I was hearing were indeed the voices of the departed. Yet, I persisted and came upon Mrs Maltby who seemed to describe Helen with such detail and conveyed so many personal bits of information that I was almost entirely convinced. My lawyerly mind tried in vain to discredit this experience but in the end, my heart told me of its truthfulness. I became a spiritualist at heart although I did not fully disclose this to friends and family. Spiritualism was considered an entertainment and did not have a high standing in society although many reputable people attended séances regularly. It remained my secret for most of my remaining days only shared amongst my confidants who were of like mind.

Mrs Maltby explained to me that I too had a gift for spirit communication and that I should sit down with paper and pen. She instructed me on how to develop my gift and within time, I was communicating with my beloved Helen. We were together again so to speak but this time, I was paying more attention to what my dear wife had to tell me than I ever did while she was in the flesh. It seemed as if our love affair was started anew with my attentions focused on communicating with my dear departed wife.

My grief was completely assuaged by this unexpected turn of events. A new and intriguing door had opened up in my life. One that was somewhat peculiar but also warmed my heart to a glow not felt in years. I became smitten with dear Helen all over again. She was my source of comfort and her stories about her life over there kept me in rapt attention each night as I set my pencil upon the foolscap and involuntarily began to write all the while feeling her presence and love for me. Eagerly I would separate the letters run together and incomprehensible until the words would emerge and the message complete.

At times, I thought myself an old fool being so caught up in this world that did not exist except for the run on words that emerged from this unusual practice. My ambivalence only increased as I began to hear not only from Helen but from old friends since passed over and strangers curious as to what I was up to. If it was not for the comfort I derived from this practice I would have given it up as a chimera of my own thoughts not worth my attentions and time.

This wonderment continued for some time and gained ever more of my attentions. It became a well worn routine as comfortable as going to the office or sitting down for my supper. Its familiarity and its potency gradually worked away at my own scepticism until it became a part of normalcy and routine. I became a full fledged communicator with the dead and accepted my plight with a sense of purpose and competency. At this point I brought in my friends, Dr Stone, Eugene Morgan and others who were sympathetic and encouraging towards my efforts. We became a cabal of sorts who were intent on sustaining the practice but did not altogether favour the idea of revealing these communications to the wider world.

My acceptance of my gift was challenged with an altogether new development introduced by Helen but startlingly preposterous in its scope. I was invited to be an instrument of communication by Jesus Christ and his apostles. I must admit that this invitation threw me for a loop. I was dumfounded and very sceptical that what was, in my mind, the true son of God and part of the Godhead would in any way have an interest in communicating through me. I not only felt unworthy but completely unqualified for the task. My total confusion almost brought me to the point of throwing away my utensils and giving up this practice. For whom, but the devil, would tempt me with such nonsense. Helen begged me to persist and trust that Jesus is also a spirit although highly exalted but still humble and loving. She implored me to stay the course and try to comply with the wishes of the one who I both feared and adored.

Thus began another chapter in my life which was just as surprising if not unexpected as all the other experiences with the spirits. I complied with reluctance and suspicion but my love and trust in Helen carried me beyond these misgivings. I was initially not pleased or comforted by the first results of this contact. The words written were in my mind both heretical and controversial. My scepticism only increased as this purported Jesus continued to share his story and message that so challenged beliefs long held.

I became so ill with confusion and regret that I burned the first attempts of communication. I could not believe these words that contradicted so much of my own Christian beliefs. Surely these things written were not true, just ravings from a deluded spirit. Yet Helen and others including my beloved grandmother long passed on, insisted that what was being said was true and these words were from Jesus himself.

My dilemma weighed so heavily upon me as I tried to sort through the facts of the situation as only a lawyer might do. I went over the teachings conveyed by this Jesus and confirmed by so many and reasoned with the information at hand. It eventually became apparent through much loving support and the reasoning's of my own mind that if I attempt to follow this new concept of Divine Love, I might know for myself whether it is of merit or not. I began to ask God for this gift, not altogether convinced that God had any intention of listening to my prayer. It took some time and a number of prayers which were encouraged greatly by the spirits communicating to me but eventually I began to feel the Grace that is so familiar to me now, my life forever changed by the touch of God's great Love. In this change, I began to accept what the angels would come to say and bring into my mind. I began to gain faith in the sure knowledge that God loved me and that His great Love was available to me whenever I asked with sincerity. The terrible regrets of my past and loneliness began to fade and a new hope and faith emerged with God's increasing Love flowing within. I was on my way to being reborn in the Love and my passage was swift and sure with such angelic support.

I have been favoured in so many ways because I overcame my fears and doubts and allowed these priceless truths to be written by my hand but most assuredly not by my being. I grew and learned as the words flowed and my understanding increased with each prayer and each word of truth conveyed in the passage of time. Almost one hundred years have passed in the interim. The world has changed dramatically but the erroneous ways of man persist as so many have no time to venture within and go to God.

I understand the struggles of coming to these truths as I have tried to convey through the example of my life what difficulties may ensue through this search. Yet without brave and dedicated souls such as your selves, the truth may once again become lost in the shuffle as many pursue the lure and pleasures of the material world. You are God's messengers on Earth my brethren. I know that your struggles are every bit as difficult as was mine but in the end God's Love conquered all. He brought me to the glory of His loving embrace and He will surely do as much for you. Do not give up or be lead astray. You have the truth firmly in your grasp and the world needs you my brothers and sisters and God will guide you to where you are meant to be. If He can rescue an old codger like myself and set me on the right course, then you should be easy pickings for His intended plans for you.

Thank you for hearing my story and although there are many more details, I believe that you have the gist of it here. You must see that every attempt to glean truth about the world and your place within it does not come readily or without its struggles but it will come with sincere prayer and effort. God's Love will bring all that you require to see your way through. You are His beloved children and cared for in the most intricate and beautiful ways. You are also my friends and colleagues engaged in this holy work that will, in time, bring salvation for all who venture here with faith and trust. I love you all dearly and thank you for being willing to read my words and to read the words of truth laid out in the volumes so lovingly prepared by those who followed in my footsteps. May God bless you in Love, peace and joy. I am your friend and humble servant. James Padgett.

Helen Padgett speaks:

(died 12 February 1914)

Medium: Al Fike, Friday July 18, 2014

God bless you dear blessed souls of our Heavenly Father's Love and Care. I too greet you from my side of life and convey my good wishes to you all. My dear Ned has conveyed to you much of the story that is relevant to your enquiries as to our lives together and how he came to be such a valued instrument to convey truth. So I will not belabour the story much further other than to tell you about my own perceptions of our lives.

I grew up very comfortably. My father, a minister, was a merchant who profited well even during the civil war. We had servants, not slaves, who were treated with respect and had their place in our family. My childhood was one that was far from the deprivation most suffered as a result of a country torn by war and strife. Indeed I was very sheltered and somewhat coddled in my formative years. I was well educated and brought up to be a lady. My disposition was sweet and very innocent. I saw the world through rosy coloured glasses and was content to do so. I had my coming out in my eighteenth year and felt like I was ready for marriage and imagined a grand life full of promise and elegance.

I had my suitors but when I met James through mutual friends my heart was all a flutter. He was a handsome, tall man who carried himself well, if not a little too sure of himself. His eye fell upon me as well and a courtship began. Several months later, we were married. Ned was still articling and not altogether well off so we lived with my parents for a while until we got on our feet. My parents approved of Ned because of his confidence and prospects and they were happy about my choice in the beginning.

In time we settled down and raised our family. Ned was a bit of a dreamer and had grand plans of his own. His ability though to discern the right course to accomplish his goals was lacking. He also was quite stubborn and did not take to advice very well. My father tried to advise him on several occasions but Ned did not listen and insisted on his own course of actions. He was also very busy and in demand as he built his own law practice. He was a very good lawyer but unfortunately a poor business man. I tried to support him as best I could and be his loving wife by his side but my patience along with my health began to wane as the years flowed by and our prospects became less certain. We did argue from time to time with many of my expectations not met in our marriage. My dreamed of a romantic life of leisure was never realized and I must admit to some bitterness.

In time the distance did become so great between us that I felt it best to move away and live my own life with our daughter. We were at the time living in a hotel of not good standing and my patience was running thin and I left burdened with sadness and resentment. We both grieved our losses but I had to move on for the sake of our daughter and for my own well being. These were difficult times which became more difficult as my health deteriorated. In those days, medications were limited and other than being offered laudanum for my breathing discomforts, the doctors could do very little to treat me effectively. I was forced to go to a sanatorium for rest and rejuvenation. My condition became worse and eventually I died.

My actual passing was not painful or traumatic. I went peacefully and awoke in the most wonderful place. I thought I was dreaming. I was in a hospital filled with light and lovely attendants. They treated me so well and what I thought was a dream seemed to not end. Eventually the true nature of my

situation was revealed to me. My first reaction was a deep pang for my daughter and other family members whom I loved and who must be missing me. These anxieties soon abated and I began to adjust to my new life. I met with many dear relatives and friends who had gone before me and I was drawn to be with my dear Ned who was grieving so. His heart sickness kept me close for a long while as he tried in vain to let go of his losses.

I prayed for his relief and healing and in doing so, some lovely souls suggested that I could communicate to him via a medium on Earth. They taught me how to impress my thoughts upon him so as to compel him to go see the individual that they had in mind. Through my love and concern for him, I was able to get through enough into his mind in order to encourage him to seek out Mrs Maltby, a delightful woman who dedicated her life to give comfort to grieving relatives. Our efforts were successful and most of you are well aware of the story of our continued love affair from beyond the grave.

We are exaltedly happy in our present place well above the seventh sphere. Our life together as soulmates bring us joy unimaginable and all our troubles from long past are now a distant memory. We are also engaged in our work, concentrating on God's great plan for the salvation of mankind. We derive great joy from this work and believe me when I say that vast numbers of angels are working in this way to bring truth to mankind.

The Earth is such a crucial place for the soul progression of each individual. Choices are made there which impact a soul's journey for a very long while. For those of you who have made the choice for truth, it is your responsibility to keep this flame burning within and sharing your understandings with others always with love. We are eager to support you and often do bringing you our love and prayers and try to inspire you towards greater truths. Your choice to live in the light bring many rewards both seen and unseen.

As Ned has told you, you are our brothers and sisters and part of our vast family of Divine Love followers, angels in the making. Together we will continue to work towards this goal of changing the world for the better and spreading God's Holy Truth and Love to every dark nook and cranny. Please know that our hearts and souls are dedicated to this work and we require you to be with us in dedication and commitment. Without your partnership with God's angels, our efforts are weakened and less effective. You are needed more than ever because of the spiralling conditions which permeate your world today. We implore you to double your efforts to pray for God's Love and to live this truth in every way possible. You are God's angels on Earth and are needed so deeply in order to fulfil God's plan. Please pray for your guidance in order to be in position to fulfil your purpose within this plan. You are greatly needed.

Please be with us in our efforts and we will truly be with you so that the struggles that we have talked about in our lives will not be present in yours. As you follow the laws of Love, your lives will reflect that in every way. May God bless all who venture upon His path of Love and may you all be well enfolded in His loving arms. I am your friend in Love and in life. Helen Padgett

The testimony of Dr. Leslie Rippon Stone.

<http://new-birth.net/padgetts-messages/the-testimony-of-dr-leslie-rippon-stone-vol-1-pg0/>

This testimony is the outgrowth of the many queries that have resulted from the publication of volumes I and II of the Messages from Jesus and Celestials; which I first printed in 1940, and which have thereafter gone through three editions. On the publication of this fourth edition of volume I, I am integrating all those questions from interested readers into a new testimony, which will show how it was that Mr. Padgett was able to perform the work of receiving these remarkable messages. It tells how I met Mr. Padgett and my reasons for believing that he was actually able to receive messages, not merely from the spirit world, but from the greatest spirits of the Celestial Heavens, whose Master is Jesus of Nazareth.

I was born on November 10, 1876, at Aldershot, Hampshire, England, the tenth of thirteen children. I attended the public school there and later completed courses at the Grammar School of Farnham, Surrey, founded by King Edward VI. Thereafter, I worked in the saddlery shop of my father, William Stone, at Aldershot, and later at London. When business slackened, I emigrated to Toronto, Canada, in 1903. On that occasion, my mother, who was a great believer in prayer, asked the Heavenly Father to let her know what His Will was. His answer was that I should go.

In Toronto, one day, I was attracted to a notice of a Spiritualist meeting. Never having attended one before, I was curious and went. The medium, who was giving messages from the platform, pointed to me and said: "Your father, who says he is William Stone, is here, and is glad that he is able to greet you." The medium then described my father, such as I had known him. He had never been to the New World and had died when I was seven years of age. Under the circumstances, this woman could hardly have been able to give this information without direct contact with the spirit of my father.

After this experience, I began to read many books on Spiritualism, such as Nature's Divine Revelation, by Andrew Jackson Davis, also The Great Harmonia by the same author. These books had a profound effect upon me, for the faith in the religious doctrines which my mother, a strong Baptist, had taught me could no longer interest me as the repositories of the Truths. I believed in the existence of a great spirit world and in the communication of mortals and spirits. At the same time, however, Spiritualism, as it was being taught, did not, I confess, completely satisfy my soul longings. Not until I met Mr. James E. Padgett and read the messages which, I am thoroughly convinced, came from Jesus and the Celestial spirits, was I satisfied that at last I had really come to know the great religious Truths, and that I knew the way to the Father and at-onement with Him.

It took me eleven years after coming to the New World before I met Mr. Padgett. Spirit guides advised my going to Detroit. There, the production of automobiles was such that it was impossible to maintain myself in saddlery work and, again on spiritual advice, I moved to Buffalo. There, I worked and studied in a hospital for seven years and finally became a graduate nurse. This period of my life was, I feel, an important one in that it gave me that interest in healing which later induced me to study chiropractic.

In Buffalo, I continued to be interested in Spiritualism, and received another personal proof of spirit life. At one Spiritualist meeting, I was seated next to a woman who happened to be a medium. She suddenly

turned to me and said, "Your mother is here with you." I replied, "You must be mistaken, Madam. I had a letter from my mother quite recently and she is in good health." The medium shrugged and replied, "Your mother never lived in this country. She tells me she lived in England and died a short time ago." She went on to report what my mother presumably had died of, described the funeral, and mentioned the names of those present. She told me that I had a sister Edith, from whom I would receive a letter confirming what she said. The letter arrived just as the woman had predicted, and corroborated her statements. If I ever had doubts then as to the truth of spirit communication, I lost them at that point.

As a matter of fact, I advanced in Spiritualism to the extent of going into trances, wherein I am convinced that I have been able to visit the spirit world. I know I have met my mother there, a sister Kate, and a brother Willie who had passed on in 1908. I knew I was in my spirit body and had left my mortal frame; and, indeed, I had no desire to return to it. But my mother and sister insisted that I had a spiritual work to accomplish in the Earth plane, and that I could not come permanently into the spirit world until I had accomplished that task.

I could go on to relate many interesting and curious experiences which I was privileged to have in the spirit world, but this is not the occasion for it, and I shall proceed with the narrative. During my work in the hospital, I had become interested in chiropractic and, on the suggestions of spirits who communicated messages to me through mediums at Lily Dale, New York, I studied at the Palmer Gregory College of Chiropractic in Oklahoma City, and graduated in 1912 after a two year course. Shortly thereafter, I became a licensed practitioner in Washington, D.C. There comes to mind the name of a Mrs. Bartholomew, a trumpet medium, and a Mr. Pierre Keeler, a slate writing medium, whom I consulted while at Lily Dale. It was through this gentleman's brother that I was able to obtain a spirit photograph of my soulmate, Mary Kennedy. I shall refer to this in more detail later.

On graduating, I went to Philadelphia with a view to opening an office, but, on receiving messages from many of my relatives in the spirit world through a medium named Mrs. Bledsoe, I opened an office instead on the boardwalk of Atlantic City. I must say that I was successful and instrumental in restoring many patients to health. I remember distinctly a newsboy of about nine years of age whose name was George Hutton. He suffered from paralysis in the legs due to polio and used crutches to swing his legs. I offered to give this boy treatment without charge, to which his mother consented. The boy was able to walk again without use of his crutches in two treatments, and an osteopath and M.D., Dr. Walton, came to see me about it. "I saw the newsboy today walking without his crutches," he said, "and he told me you had treated him. I came to find out if it is so." Later, George came in and confirmed the healing. I have always felt that this instance of healing, as well as many others that I cannot mention here, was due to spiritual forces operating through me.

Although I was kept busy at my boardwalk practice during the summer months, autumn found business so slack, due to the closing of many hotels and departure of people, that I was compelled to find another location. Again I went to Philadelphia and consulted Mrs. Bledsoe who, through her spirit contacts, advised me to go to Washington, D.C.

I arrived there in November 1912, and opened an office on Fourteenth Street, N.W. There, I fortuitously met a gentleman with whom I had become acquainted at Lily Dale. His name was William Plummer, of Frederick, Maryland. He visited me at my office and told me he was interested in procuring a copy of "Was Abraham Lincoln a Spiritualist?" by Nettie Maynard Colburn. He wanted to find the owner of the

copyright, for he wished to have the book reprinted. In his search, he had found the name of a Mr. Rollison Colburn of Takoma Park, but was informed that the latter was not related to the writer. The search, however, had not been entirely futile, for the Rollison Colburn proved to be interested in Spiritualism, and a common interest between them developed into a close friendship. My Testimony – Part 2

I became acquainted with the Colburns through Mr. Plummer. I found them very kind and lovable people who were greatly interested in psychic experiences. It was through their son, Arthur Colburn that I first heard of the messages that were being received by Mr. Padgett. I was introduced to him at his office in the Stewart Building, 6th and D Streets, N.W., where he was practicing law. This was in the early fall of 1914 when everyone was excited about the great conflict that had broken out in Europe. Some people felt the period ushering in the end of the world had come and that Jesus himself would appear at this "end time." For me, it was the end of my travels and spiritual search.

These "Messages from Jesus and Celestials", received through the hand of James E. Padgett, are so extraordinary in concept and contents (claiming as they do to bring to mankind the highest spiritual teachings of Jesus as an epoch-making revelation from the spirit world), that it is indispensable that, as the publisher and firm believer in the Truths contained in these messages, I give to interested readers and for future reference some firsthand information regarding the man through whom these messages were received, and how it was that he was enabled and selected to obtain these amazing communications.

At this point, I must state that I was very often in Mr. Padgett's room when he was receiving these writings, and that I am the eyewitness to the formation and development of Mr. Padgett as the medium par excellence through whom the Truths of the Heavenly Father and life in the spirit world have come to mankind.

My first contact with Mr. Padgett was in September 1914. I became interested in him at first because he seemed to be a fine gentleman and, what was also important to me, a genuine medium. We became friendly on the basis of Spiritualism and mediumship, and this became a bond which, in addition to our mutual respect and brotherly love for each other, which grew apace in the course of time, was never broken in this life until his death on March 17, 1923. This bond, I am convinced, continues to exist between us--his soul encased in a spirit body and mine still in mortal trappings.

Mr. Padgett invited me to visit him regularly at his home at 514 E Street, N.W., Washington, D.C., where, in the course of time, I met Eugene Morgan and Dr. Goerger. Padgett told me that the messages he was receiving were from his wife, Helen, who had died early that year. She had written him many things about the spirit life she was living, describing her experiences at the time of her death, the sphere of her spiritual abode, and her love for her husband in the flesh who, she had then discovered, was her soulmate. I was thereafter very often present as he continued to receive these messages. They came in a rapid sweep of connected words that obviously gave no time for thought on the part of the writer, and, in fact, he often insisted that he had no clear idea of what his pencil was writing until he read the messages afterwards. It was in this way, then, that he received from 1914 to 1923 some twenty five hundred messages, many of them coming, I have not the slightest doubt, from those highest spirits whose signatures were testimony to the personalities they represented.

Interested as I had always been in Spiritualism, and in the possibility of man's communicating with departed spirits, I asked Mr. Padgett what were the circumstances leading to this mediumistic activity. The facts, as he related them to me, were as follows: About six months before I had met him, he had attended a séance held by a Mrs. Maltby in Washington, D.C. She informed him that he possessed the psychic power to obtain automatic writings from spirits, and challenged him to make the effort. He did so and found that his pencil moved automatically to produce what he called "fish hooks" and "hangers." When this had continued for a short time, he at length obtained a writing which he could make out as a message signed by his wife, Helen. It was a short, personal note which stated she was often present in spirit with him, and how glad she was to be able to write him in this way. At this point, Mr. Padgett did not believe the evidence of the writings that his dead wife had actually communicated with him. In fact, he wanted to know what proof could she offer, or was there, to show that a spirit was actually writing, and, if so, whether that spirit was actually Helen. The writing that followed provided incidents in their lives that could only have been known to both.

Padgett thought even this could be explained as material coming from his own mind, as well it might, except that the writings came too quickly for his mind to formulate thought, and the messages kept on insisting that it was not his mind but hers that was operating, with emphasis on her love for him and the happiness she could obtain by being with him.

With his interest in Spiritualism greatly aroused by these strange writings, and anxious to set his mind at rest, he began to read books on the subject. I remember his reading J. M. Peeble's *Immortality*, and his frequent attendance at séances. There, he was given to understand that spirits, if given the opportunity and under right conditions, can communicate with mortals, and that apparently, in his case, the writings he questioned came from his departed wife. He was advised to continue to take messages while learning more about the spirit world. Among those things he learned was that souls have their mates, and that spirit life, contrary to what is taught by orthodox religions, was one of constant progress through the various realms of the spirit universe.

At the end of one of these writings, he asked what plane or sphere she was in. He received the answer that she was living in one of the planes of the Second Sphere, where a certain amount of light and happiness is present, but that she had no desire to make progress to other spheres, because she could at that time make contact quite easily with him on the Earth plane and write to him by controlling his brain and hand. Padgett told me he could feel her presence intensely, which produced in him a feeling of happiness that was alien to him, except when she wrote.

Padgett confided to me that he would like to see Helen progress and told her so. He informed her that, through his own spiritual studies, he knew she could make her way to higher spheres and increased happiness as a spirit. Helen replied she would find out from his grandmother, Ann Rollins, who had been a long time in the spirit world, what steps were necessary to make progress to higher and brighter spheres.

I do not know why Helen turned to her husband's grandmother for guidance in the spirit world. Many of Mr. Padgett's early messages were destroyed because they were of such a personal nature that he did not wish others to be acquainted with their contents. But I do know that affinity of spirits in the other world is due to affinity of the soul and not to any relationship one may have in the flesh. And from what Mr. Padgett told me of his grandmother, and from the messages which she subsequently wrote (some of

which I have inserted in these volumes), she must have been a very kind and warmhearted woman. At any rate, Helen later wrote about her meeting with Ann Rollins who, she said, was a glorious spirit dwelling in the high Celestial Heavens. Ann Rollins, surprisingly enough for Padgett and those of us who were present at the time, had informed her that spirit progress to the higher Celestial Realms could be obtained only by prayer to the Heavenly Father for His Love through earnest longing of soul. In addition, Padgett's mother, Ann R. Padgett, also in the spirit world, wrote through her son corroborating this information. Both spirits were thus instrumental in giving Padgett (and those like myself who used to be present at these writings) the knowledge that soul progress to the Celestial Heavens was achieved only through prayer to God for His Divine Love.

These sessions, held to obtain writings from Helen, had become a channel through which a deep, religious note had been injected, replacing the personal material. From the scores of messages from Helen written at this time, and which are in my possession, we can follow her rapid progress to the higher spheres. Helen took the advice of these high spirits and prayed, and she found her prayers for the Father's Love were answered, and that It came into her soul in a way that caused a purification of her desires and thoughts, with a corresponding change in her soul and spiritual appearance. She said that her spirit body, reflecting the changing condition of her soul, was becoming etherealized and brighter. She then wrote that she had reached the Third Sphere where happiness was greatly increased.

Shortly thereafter, she suggested that since she had done what Padgett had wished, and had been able to progress to a higher sphere, it was fitting that Padgett should seek to better his soul condition as well. In fact, she suggested that we should all do so. She stated that, since the soul is the same, whether in the flesh or spirit body, it could be transformed by prayer to the Father for His Divine Love--not by ordinary intellectual prayers that came from the head, but from the heart and soul. Padgett refused to lend credence to this information. The spirits insisted that, as inhabitants of the higher realms, they possessed knowledge of this sacred Truth, and that Jesus, himself, ever interested in bringing the Truths to mankind, would come to corroborate their affirmations if Padgett would give him the opportunity.

I do not know exactly when the first message signed "Jesus of the Bible" was received, for as I write this, more than forty years later, I cannot remember the date. Padgett evidently felt it was absurd to believe that Jesus had written him and, alas, threw away the message. As a matter of fact, Mr. Colburn, who up to that time had formed a part of our fellowship, declared he could not be persuaded that Jesus had actually written. However, his friends, Dr. Goerger, Mr. Morgan, and I had an instinctive feeling that Jesus had written a genuine message. The earliest message allegedly from Jesus to Padgett which is in my possession, therefore, is dated September 28, 1914, and refers to an earlier message written a few days before. It is a long message, urging Padgett to pray for the Father's Love, and stating that certain passages in the New Testament, thoroughly believed in by Padgett, were false. The Master went on to say that he was neither God, nor had he been conceived by the Holy Spirit in the way taught by the preachers of the churches. Further, that "... Neither is God Spirit only; a Spirit of Mind. He is a Spirit of everything that belongs to His Being. He is not only Mind, but Heart, Soul, and Love." The message urged Padgett: "... Go to your Father for His Help. Go in prayer, firmly believing, and you will soon feel His Love in your heart. "

Padgett was doubtful. Though he was not entirely certain of the genuineness of the family spirits, he felt the need of asking whether Jesus had really written. In volume II, I have published some of the messages which he received from Helen, Ann Rollins, his mother, and his father, John Padgett, all

corroborating that Jesus had written. You will also find in this volume II some of the early messages which he received from the Master. They tell Padgett to have faith that he is Jesus, and they encourage him to pray; but they are simply preparatory in nature and do not contain the wonderful contents and information which came when Padgett had achieved that condition of soul which enabled him to obtain them.

At this point, it came forcibly to Mr. Padgett and to me that such messages could not possibly be the brainchild of his own heated imagination. He had been, as I discovered, an orthodox Methodist, and had for many years taught Sunday School in the Trinity Methodist Church (5th Street and Seward Place, N.E.) in Washington, D.C. His conception of religious doctrine was simply that which emanated from this Protestant church. This view of soul progress was contrary to what he had been taught. He had no idea of Divine Love in contrast to the natural love, or what it might be, and realized that such a conception was foreign to his thinking and never could have been a product of his own mind. He therefore felt assured, and I agreed with him, that these writings were actually not only from Helen, Ann Rollins, his mother and departed spirits of mortals, but also from the Master, himself. He decided to follow those instructions which he himself had never entertained, and which by that very fact had to come from outside intelligences which were communicating to him in this way.

He – I should say, we – began to pray for the Divine Love, letting our soul longings go out to the Heavenly Father; and, in time, a feeling came glowing into the region of our hearts. We felt this emotion grow stronger and stronger with continued, fervid prayers; and, as we did so, our faith in God became solidified and absolute. Never before had Padgett, nor I, felt so sure of the real existence of the Father and His Divine Love and Mercy. The cold, intellectual concept which we had entertained of Him had been transformed, through prayers for His Love, into a warm, glowing, living feeling of closeness, of at-onement with the Heavenly Father, Whose Love and Mercy and Goodness we could sense were personal and real.

The change in Padgett's attitude towards the Heavenly Father, through the inflowing of His Love, motivated a message from Ann Rollins. It recognized the effect which this Divine Love was having upon his soul, which was now a receptacle for some Essence of the Father's Divine Nature. It also reported on Helen's progress to higher spheres. Helen, she said in her message, was now a much happier spirit, and her spirit body shone with a radiance produced by the Father's Love in her soul.

Message followed message now from Helen, Ann Rollins, and, above all, from Jesus, encouraging Padgett to keep on praying and to obtain increased portions of the Father's Love. As a medium, he might be used to transmit messages from the highest Celestial spirits. At length, Jesus himself wrote that, since Padgett had the ability to receive writings from spirits, should Padgett's brain be sufficiently transformed through soul development by obtaining more of the Divine Love to a degree where he could receive high quality messages, he and his apostles would come and write through him the Truths of the Father, of his mission on Earth, and on the New Testament and Christianity! Only pray, and pray harder for the Father's Love, urged the messages.

The Master wrote on October 5, 1914, stating that he had chosen Padgett to do his work of disseminating the Father's Truths to mankind. I quote the last part:

... Go to the Lord in prayer and He will remove from your soul all that tends to defile it and make it alien from Him. He is the One that will cleanse it from sin and error.

Only the teachings that I shall give you will tell the Verities of my Father. Let not your heart be troubled or cast down, for I am with you always and I will help you in every time of need. Only believe that I am Jesus of the Scriptures and that you will not be long out of the Kingdom. You are my chosen one on Earth to proclaim my glad tidings of life and love. Be true to yourself and to your God and He will bless you abundantly. Keep His Commandments and you will be very happy, and you will soon receive the contentment that He gives to His true children. Go to Him in all your troubles and you will find rest and peace. You will soon be in condition to let the things of this world alone, as I need you for my service.

With all my love and blessings, and those of the Holy Spirit, I am, Jesus.

Padgett was eventually convinced that he was being developed for a task of mediumship whereby great messages of religious Truths would be given to mankind through him. He prayed earnestly and frequently and, for the next three months, not only did Jesus write but also many of the apostles, especially John and James, who kept telling him to keep praying for the Father's Love, but that the time had not yet come for the delivery of the great messages. Padgett's brain, while being changed in quality, had not yet reached that high quality which would permit the passage of communications of the kind they proposed. They continually urged him to seek for more of the Father's Love through prayer to Him. Many times when I met him in his room, he would say to me:

"Doctor, I feel the Divine Love in my soul in such intensity that I don't think I can stand it anymore." He would say this experience was always his when he had been praying for the Father's Love prior to obtaining messages from Jesus and the Celestial spirits. And I can in all sincerity state, if only for the purpose of corroborating his experiences, that these feelings were mine as well, if perhaps to a smaller degree.

While receiving these preparatory messages, it occurred to Padgett to ask how it was that Jesus had selected him to do this work, and what power, specifically, was there in the Divine Love which would enable him to succeed. Inevitably, there came the reply--in fact, one from John, the Apostle, and another from Jesus. John's message deals with the Laws of Rapport in the spirit world which enable spirits and mortals to communicate, and the workings whereby the brain of the mortal is conditioned to receive various types of messages: intellectual, moral, and soul. It is a message of great importance to those who may be interested in developing mediumship or furthering their mediumistic powers. But Jesus' reply is more direct. The message is printed in volume I, and so may be read in its entirety. But to summarize briefly here, Jesus wrote that two things are necessary for a genuine medium to receive the messages of the Father's Truths, which were to be given shortly. First, the medium had to have thorough faith that the spirits of the Celestial Heavens, inhabitants of God's Kingdom in Immortality, were actual beings who could, if the medium achieved a certain condition of soul, actually control his brain and write through him. If the medium did not have this faith in his heart, then no contact could be made by the Celestial spirits with him. Secondly, the medium must be willing to submit to the conditions imposed by the spirits: He had to obey the instructions of the spirits and pray to the Father for His Divine Love; for it was this Love alone that had the power to transform the brain of the medium so that it could be attuned to the thoughts of the spirits. And this transformation of the brain could be achieved

only through the development of his soul. By prayer, said Jesus, the Father's Love inflowing into the soul transforms the soul from the image of God (with which man was created) into the Essence of God, so that sin and error in the human soul could not exist. And the brain of the mortal, thus purified of material thoughts and manifesting in his thoughts the condition of his transformed soul, could attain that condition which corresponded to the soul condition of the spirits; and it was in that way that he could grasp their thoughts.

That was the importance of the Divine Love. Padgett, in short, had to attain, through prayer to the Father, a soul condition approaching to a degree that of the Celestial spirits in order for his brain to receive their messages. Prayer had to be constant, for, otherwise, renewed Earth plane and material thoughts would naturally reimpose their dominance, and the Love and the high soul condition would become inactive. Thus, said Jesus, Padgett had not been selected because of any particular goodness or freedom from sin, as compared to other mortals, for there were many who were in better, and in a higher, spiritual condition than he was, but because of his faith that Jesus could come, and his willingness to obey the spirits and pray for the Divine Love for a transformation of his soul so that the conditions for receiving these messages could be met.

Furthermore, declared Jesus, he had tried for many centuries in the past to thus write his messages, and he had found many mediums who were far better gifted than was Padgett. But because they thought Jesus was God, or because they thought it was impossible for Jesus to write, or because of their religious beliefs and dogmas, they had refused to submit to the promptings of the spirits. And since man is endowed by his Creator with a free will, Jesus and the Celestial spirits could not coerce them into submitting to a task to which they were opposed and in whose efficacy they had no conviction. For these reasons, Jesus stated, no other could be chosen except Padgett.

Mr. Padgett was now thoroughly convinced that what he was receiving was not only from the Celestial spirits but also from the Master, himself. I think it is interesting to point out that he not only confided his beliefs to his friends, like myself, Eugene Morgan, and Dr. Goerger, but also wrote boldly about them. I have in my possession a copy of a letter he wrote to a Dr. George H. Gilbert, Ph.D., D.D., who had published an article on religion entitled "Christianizing the Bible," in the November 1915 issue of Biblical World. This article, which I have read, advocated less emphasis on the Old Testament and its emphasis on a stern and punishing Jehovah, and more attention to the teachings of the New Testament and the sayings of Jesus. There was no suggestion of the Divine Love in Dr. Gilbert's article, which anyone who procures a copy from the Library of Congress (or any other library which contains it) can very readily discover.

Mr. Padgett's letter explains how, for quite a time, he refused to believe the contents or origin of the handwriting (for, with his legalistic turn of mind, he would accept only the most concrete evidence as proof), but that he was finally and thoroughly convinced of the Truths of the Messages and the source from which they came. Here it is:

December 28, 1915

Dr. George H. Gilbert, Ph.D., D.D.,
Dorset, Vermont.

Dear Sir:

I hope that you will pardon me for writing you as I herein shall, for your evident voluntary interest in a certain subject matter, and my involuntary interest in the same, furnish the only excuse. I have read your article, "Christianizing the Bible," in the November issue of the Biblical World and am much impressed with the same, not only because of its inherent merits but also because its demands and suggestions are very similar to those which have been made through me in a way and manner which I can scarcely expect you to give credence to; nevertheless, I shall submit the matter to you, recognizing your right to consider what it may say unworthy of your serious attention.

First, permit me to state that I am a practical lawyer of 35 years experience and, as such, not inclined to accept allegations of fact as true without evidencing proof. I was born and reared in an orthodox Protestant church and, until quite recently, remained orthodox in my beliefs; that a little more than a year ago, upon the suggestion being made to me that I was a psychic, I commenced to receive messages by way of automatic writing from what was said to be the spirit world. And, since that time, I have received nearly 1500 such messages upon many subjects, but mostly as to things of a spiritual and religious nature, not orthodox, as to the errancy of the Bible.

I have not space to name, nor would you probably be interested in, the great number of the writers of these messages; but among the writers is Jesus of Nazareth, from whom I have received more than 100 messages. I will frankly say that I refused to believe for a long time that these messages came from Jesus because, God, while He had the power, as I believed, would not engage in doing such a thing. But the evidence of the truth of the origin of these messages became so convincing, not only from the great number and positiveness of the witnesses but also from the inherent and unusual merits of the contents of the messages, that I was forced to believe; and I now say to you that I believe in the truth of these communications with as little doubt as I ever believed in the truth of a fact established by the most positive evidence in court. I wish further to say that, to my own consciousness, I did no thinking in writing the messages. I did not know what was to be written nor what was written at the time except the word that the pencil was writing.

The great object of these messages from Jesus, as he wrote, is to make a revelation of the Truths of his Father. He asserts that the Bible does not contain his real teachings as he disclosed them while on Earth; that many things that he said are not therein contained, and many things that are ascribed to him therein he did not say at all. And he wants the Truths made known to mankind. And I must say that many of these Truths, which he has already written, I have never heard of before, and I have studied the Bible to some extent. One thing in particular impressed me, and that is what the truth is of his bringing "life and immortality to light." The Bible does not state it, and I have not been able to find an explanation of it in any commentaries on the Bible. But enough of this. I merely wrote this to assure you that I am serious in submitting the enclosed copy of a message for your perusal; and I would not do this were it not for the fact that the message comments upon your article and also upon another article in the same issue of the Biblical World.

On the night of December 24, 1915, I read your article and, on the next night, Christmas night, I received a writing of which the enclosed is a copy. You will observe that a portion of the message is personal, but I thought it best to send it as it came to me. And though you may not believe the origin of the message, yet, you may find some thoughts therein for your consideration.

Trusting that you will pardon my intrusion, I will subscribe myself,

Very respectfully,

James E. Padgett.

A few nights later, a message signed "Jesus" commented upon Padgett's having sent a copy of the message, and referred to his letter to Dr. Gilbert:

December 28, 1915

I am here, Jesus.

I came tonight to tell you that you did the right thing by sending the message to the person who wrote the article upon the subject of Christianizing the Bible, for I now believe that he will appreciate it to a very great degree. He is not an orthodox churchman, but is the preacher of a Unitarian church in the little town in which he lives, and is a very broad-minded man.

He may have some doubts as to the source of the message and may not feel inclined to accept, as true, your statements as to how you received it, but yet his doubts will not be altogether of such a nature that he may not have some hesitation in saying that such a thing as your receiving my message could not be true. At any rate, he will become interested in the subject matter of the message and will find some thoughts that he never before had.

I fully realize that, when my messages are published, the great difficulty in their being accepted will be the doubt of the people as to their source. But you will have to complete the book in such a way that the testimony of the numerous witnesses will be so strong that the doubt will not be able to withstand the overwhelming evidence of my being the writer of the messages. And when men read the same, they will realize that the Truths which they contain could only come from a higher source than mortal mind, and that the Hand of the Father is in them.

So, I will continue to write and you to receive the messages; and when the time comes to publish them, I do not fear that they will not be, in time, gladly received. Very soon, I will write you another which will be of importance to mankind. I will only say further that I am with you trying to help you and to have you believe with all your heart in the Divine Love of the Father, in my mission, and in your work. Your brother and friend, Jesus.

By this time, of course, my original ideas about Spiritualism had undergone a radical transformation. In the light of the messages, Spiritualism could no longer simply be an effort to prove to one's satisfaction, through séances repeating the same process and ritual, that man did survive death and that his spirit, though devoid of his fleshly frame, could appear from his spiritual habitat and give evidence of his post-mortals existence. Both Padgett and myself now saw in Spiritualism not merely belief in life after death and conviction in communication between mortal and spirit, but in a great universe of spirits seeking progress towards light and happiness through purification of their souls, and the possibility of transformation of these souls through prayer to the Heavenly Father for His Love. Gone was my belief in vibrations, abstract intelligence, cosmic force, astral bodies and other paraphernalia of a bare and cold

concept; and real Spiritualism took its well merited place as part and parcel of that sublime religion which affirmed that souls were alive, with or without the flesh, and that these souls could be changed from the image of God, as originally created, into the very Essence and Nature of God through His Divine Love. I did not have to look further. My search for God had ended. I had found God through the messages from Jesus and his Celestial spirits.

On this subject, a message signed by St. Luke was received December 5, 1915, in which it was pointed out how limited and sterile Spiritualism was, unless life was breathed into it through faith in the Heavenly Father and prayer to Him for His Divine Love and Mercy. At the time of the first printing, I refrained from inserting St. Luke's message for fear of wounding the susceptibilities of Spiritualists, for it was to them that I first turned for the initial distribution of the messages. On this fourth reprinting, however, I have inserted the complete message, for its unmistakable stamp of authenticity will appeal to those many Spiritualists who have now combined its truths with the Master's teachings of the New Birth.

Before concluding, I want to write about my soulmate, Mary Kennedy, and about some new messages through Padgett which I am inserting in volume I. These messages include three from Jesus, the one from St. Luke just mentioned, another from a member of the Sanhedrin which condemned Jesus at his trial, one from Helen and two from Mary. I am also adding photographs of Mary as she materialized in the studio of Mr. William Keeler, brother of Pierre Keeler, who, I have said, was a slate writing medium I had met at Lily Dale. The Pictures were taken in Washington, D.C., in February 1920, where I sat; and in one she appeared poised and calm, with certain spirit lights about her head and partly across my body. Such illumination blotted out the black tie I was wearing at the time. Yes, my Mary is a glorious, living spirit of the Celestial Heavens. I have had many writings from her through Mr. Padgett, and more recently through an associate of mine. I hope you will enjoy the messages from her.

(Ed. Note: The additional messages referred to by Dr. Stone have been incorporated into the present edition, with the exception of the personal messages from Helen Padgett and Mary Kennedy, and the photographs mentioned. It is the projected plan of the Foundation Church of Divine Truth to include some of these latter, soulmate messages in a future volume dedicated to Dr. Stone.)

The additional messages from Jesus include one received December 25, 1914, just prior to the writing of the great formal writings. Another, dated December 15, 1915, states that, because of the Love which I had obtained and my desire to help further the Father's Truths, I had been selected by Jesus to do a work for the Kingdom. This eventually turned out to be the work of publishing the Padgett messages. I have since devoted my entire life to them and to furthering the Master's task of disseminating the Truths to mankind. I feel that I have made a beginning in my lifetime, and that the work will be continued by my associates and friends everywhere.

Dr. Leslie R. Stone

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

Leslie Stone is way up there.

Santa Cruz, California

Received by F.A.B.

I am here, Leslie Stone (the man who first published the Padgett messages, and friend to Mr. Padgett).

I reside in a Celestial Sphere without number, so great was my progress over here. This miracle occurred because in my work to publish the Truths, I attracted the whole Celestial Kingdom, which had an enormous effect on my soul. Indeed, even on Earth, I often had quite unusual experiences, which I knew came from this Celestial influence.

And so, by the time of my death, and after a long life of working in the Lord's vineyards, I had my reward. I was not one to take my time in the spirit world. I determined to progress just as fast as possible, and so I prayed mightily for the Love, thus progressing very rapidly.

Stay faithful to your purpose, and you will see the Providence of the Lord displayed in such a way that none will doubt that God is a God of Power and Love.

Love, Leslie

U-TURN for HUMANITY:

Why are we doing a U-Turn?

We are doing a U-Turn **because** the year 2017 heralded the end of the Rebellion and Default. For two hundred thousand years, humanity has been going in the wrong direction.

What is this fundamental step that will change our way of living?

We are to come to understand / know the foundational cause of all our feelings, both good and bad. As we explore and investigate our feelings, each time they arise, one by one, we are to talk them through, express them to a companion or friend or anyone who will listen. As we express them, while at the same time coming to understand how they have come about, we will find that they will be resolved and that they will not come up again.

**Feeling
Healing with
Divine Love is
the key!**

We will find that all of our feelings / emotions have their foundations from our childhood. And by childhood, that is from the time of one's conception all the way through to about the age of six. It is the repression of our childhood feelings that is the base or foundational cause of each and every one of our adult personality issues, pains, difficulties, illnesses and distressful life experiences.

We have to see the whole truth of our negative or self-denial state, before we can heal it and be free of it.

The vital difference between **emotions** and **feelings** is:

- emotions have their roots in the past,
- feelings relate to the present moment,
- emotions represent feelings not previously expressed,
- and these accumulate over time.

Many emotional clearing processes encourage us to look into our feelings, however, none go so far as to drill down into the core foundation of any emotional feeling to the point that we strive to KNOW the core issue, the origin of the feeling, be it good or bad, and actually come to know what it is!

The *Journey Process* is generally known worldwide. It stops short of longing to know, that is asking for the knowing of the events that brought about such a feeling. Yes, we are to acknowledge the feeling, say being angry. Then accept that behind that anger is the feeling of being small, and then look at the underlying reason of why we are feeling small. What is the truth behind that feeling? Ask our Heavenly Parents what is behind all of this feeling. What is the foundation, the origin of the feeling? All the time talking it out, expressing it, with a friend. The expressing of the experience is the release of the emotion / feeling, this is what removes it for ever from within our essence, our **soul**.

Why ask our Heavenly Parents? I thought God was just God – singular?

This is part of the revealings that have been unfolding for us very recently – that is – since 2002.

We are made in the image of God. This has been understood for centuries, for 2,000 years. Our soul is duplex. Our soul expresses itself through two personalities. One soul ‘subdivides’ into two, one half always being female and the other half always being male. We are a reflection of how God is. God being one Soul is expressed as Mother and Father. God is two personalities. They are soulmates. And each of us has a soulmate, and our soulmate is always of the opposite sex, because the Mother and Father are the opposite sex.

Thus, when we long for the truth behind a feeling, then we can long to our Heavenly Mother and Father. Only they can tell us. No spirit personality can tell us. No canonised saint can tell us, we may as well ask our next door neighbour. That would be just as productive. Mary and Jesus can’t tell us, as they are also spirit personalities.

I was taught that Jesus was God? And what is this about Mary?

Mary of Magdalene and Jesus of Nazareth were both born free from sin. Neither of them are God. They are both children of God, just like you and me.

History needs to be corrected. Both Jesus of Nazareth and Mary of Magdalene became at one (At-One) with our Heavenly Mother and Father during their physical lives here on Earth in the first century; Jesus in the year 26CE and Mary in the year 33CE, or thereabouts. Jesus died aged 35 (born 7BC died 29CE), and Mary died aged 47 or 48 (born 2BC died 47CE).

Further, their sojourn on Earth was the completion of their process to become the full Regents of the sector of planets that is referred to as Nebadon. The region within our super-universe that is referred to as Nebadon contains 3.8 million inhabited planets. If you look into the night sky, each star / sun potentially has between none to three inhabited planets within its orbit. Within Nebadon, the soulmate pair, namely Mary and Jesus, are our Spiritual Teachers of Truth. Their domain is all 3.8 million physical planets plus their associated spirit worlds. Each physical world has seven associated spirit worlds, which is the case for Earth being one of the 37 that have rebelled.

Some 200,000 years ago, Lucifer with his soulmate and his deputy, Satan with his soulmate, brought about a rebellion on 37 of the inhabited planets within the region called Satania, one of the local universal systems of Nebadon. Earth compounded the situation through the Default of Adam and Eve about 38,000 years ago. Thus the population of Earth, being in the worst condition through the Rebellion and Default, became the location for Mary and Jesus to have their physical experience to complete their ascendancy to full Regency of the local universal system being Nebadon.

Their lives on Earth was the start of the unravelling of the Rebellion and Default. Upon Jesus becoming At-One with our Mother and Father, he was then vested with the authority and power to have the Lucifers and Satans arrested, and they now reside exiled within a prison world.

Notice that there were no records of Jesus and Mary's teachings and experiences made during their physical life. That was because they did not specifically come here for us, they came for the benefit of all peoples of all planets and spirit worlds throughout Nebadon.

As they are Paradise descending spirits, they have **Spirits of Truth**. Upon Mary and Jesus' death, they released their Spirits of Truth. As spirits, Jesus and Mary are how we will be, once we've finished our Soul Healing. They can only be in one place at any one time. However, it is their Spirits of Truth throughout Nebadon that we can connect with for guidance. It is through their Spirits of Truth that spirit personalities can progress through and out of Nebadon.

Those planets that have Rebelled need further assistance, and they need it on a localised manner. This can only be provided by another bestowal of a **Paradise Pair**, and that is in the form and manner of an **Avonal soulmate pair** who come here specifically for us.

What is the purpose of an Avonal pair, and are they here on Earth?

Unlike Jesus and Mary who were always free from sin and did not experience how to heal themselves, the Avonal pair are to experience all of the extremes of evilness and then proceed to heal themselves. Mary and Jesus through their bestowal on Earth ended the Lucifers spiritual rebellion in Nebadon; the Avonals bestowal is primarily concerned with ending the Default of Adam and Eve by the Avonals themselves personally healing the effects of such a damaging Fall.

The soulmate Avonal pair are to be, and have been, subjected to the extremes of childhood suppression and repression, and then, through their Feeling Healing, are experiencing all the facets of emerging truth as they slowly progress through a protracted and difficult healing process. As they reach specific milestones, this also enables those in the Celestial Heavens, (the three worlds where Celestials reside) to be empowered to assist us in the physical on Earth.

The first considered milestone was the arresting and imprisonment of the Caligastia soulmate pair and the Daligastia soulmate pair. After the arrest of the Lucifers and Satans in the first century, as nothing further occurred, the Caligastias and Daligastias continued on from spirit as if they were kings and queens, suppressing all of humanity and with plans to take over the universe. It was possibly in the early 1990s that they were 'judged' and 'removed'. They were caught unaware that an Avonal bestowal pair were on Earth.

How is all this becoming known? Has Jesus and Mary communicated directly to Earth?

Unlike in the first century, when no records were kept (as the event related to all of Nebadon and it was actually setting the stage for the Avonal bestowal pair to arrive on Earth), every effort to retain records in great detail of this current series of events is now being attended to. Consider this. The New Testament of the Bible is some 300 pages. The records of the Second Coming, which this is, the primary records are possibly 6,000 pages, with direct complementary records increasing that to over 10,000 pages and with all the supplementary records to date, there may be as many as 40,000 pages, certainly well over 30,000 pages of material presently.

Jesus directly communicated through James Padgett from 1914 to 1923. Mary of Magdalene (Mary M) has directly communicated through James Moncrief from 2002 and is ongoing. Jesus has also communicated directly through James Moncrief. Neither have ever directly communicated through any one else, however, some Celestial Spirit personalities have provided information through other personalities on Earth with the support and approval of Jesus and Mary, thus some confusion, though the quality of the information is very reliable.

You say this is the Second Coming? You say I am living during the time of the Second Coming?

Yes you are. And it's more than that. This is the Second Coming, the End Times and the Handover!

In fulfilment of the prophecy in the first century, the Second Coming commenced on 31 May 1914 through the writings with James Padgett and concluded in 2014 through the writings with James Moncrief.

The End Times are well advanced. Mary and Jesus are well advanced in handing over their direct involvement with Earth to those within the Celestial Heavens. When this is completed, the Handover will also occur. **The Hand Over is to the Avonal Bestowal pair** and it is they who will guide the population on Earth through their Feeling Healing processes for the next 1,000 years, being the next spiritual age. The Handover will take place after the Avonal pair complete their personal Healing of the Rebellion and Default. Then will follow with their Spirits of Truth being officially liberated in alignment with Mary M and Jesus' Spirits of Truth upon their death.

Major events have occurred with the progression of the Avonal pair's Feeling Healing, which they are also doing whilst embracing our Heavenly Parents' Divine Love, thus they are doing their Soul Healing.

Early 1990s:	The arrest of the Caligastia and Daligastia soulmate pairs.
22 March 2017:	Negative spirit influence was blocked.
31 March 2017:	Angel assisted healing will become available upon the Avonal pair completing their own Feeling Healing, being with Divine Love, thus it being Soul Healing.
22 May 2017:	Law of Compensation quickening.
2 December 2017:	Psychic Barriers maintaining the Rebellion and Default were cracked.
8 December 2017:	Bring on the money to 'house the future of humanity' .
31 January 2018:	Earth and the seven associated Mansion Worlds (including the two Earth planes) are officially now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default.

How does this all fit into our future way of living?

This time, in the history of humanity, is the most exciting time ever experienced.

The whole human race is suffering from repressed childhood and mind control.

Through one's Feeling Healing, and should we embrace our Heavenly Parents' Divine Love, then with their Love we are doing our Soul Healing, and eventually we can live totally in accordance with our soul based feelings and live free from error – no more fear and no more physical illnesses is possible!

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

Our soul is always perfect. In fact, we are the complete package. All that we need to know is within our soul. This knowledge has been denied from us since the time of the Rebellion and compounded by the Default. That is what was brought upon us by the Lucifers and his cohorts. We have always been meant to live true to our soul based feelings but we were taught to embrace our error riddled mind – this was aided by our parents – unknowingly all parents have taught their children to be mind dominant. **This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

“Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **Feelings** guide us through our **ascension of truth**. So they are really our Supreme Guides. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: **Longing for the truth of our self, because: we are our feelings**. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.”

Kevin of the 1st Celestial Heaven 26 September 2017

(Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.)

It is through the assistance of the Spirits of Truth of the Avonal Pair, upon the completion of their Soul Healing, that we will be guided through our Feeling Healing process, and should we embrace our Mother and Father's Divine Love, then our Soul Healing.

Then should we embrace Mary and Jesus as our Spiritual Teachers of Truth, their Spirits of Truth will lead us on the path through the Celestial Heavens where we will certainly meet up with our soulmate and join our soulgroup, which will eventually consist of twelve soulmate pairs. Then as a soulgroup, the Spirits of Truth of Mary and Jesus will lead us up through and out of Nebadon towards Paradise.

It is then our Mother and Father in Paradise who draw us to them and we will eventually meet our Heavenly Parents.

Meanwhile, while we live on Earth, we will have assistance and guidance previously denied to us throughout the era of the Rebellion and Default. Under the Contract controlling and managing the Rebellion and Default, the powers and capabilities of our Celestial Heaven spirit personalities, all three worlds of them, were heavily restricted and almost of no assistance to us at all. Further, Nature Spirits and our Angels were heavily denied contact with us physical people because of the Rebellion and Default, all of which is soon to change, so we can look directly to them for help concerning healing ourselves and understanding all aspects of nature.

As we embrace our Feeling Healing, Celestial spirits will and can greatly assist us. In fact, during the year of 2017 they have blocked all mind spirits from the Natural Love Mansion Worlds: 1, 2, 4 and 6 from interfering with us. Celestials have taken control of all facets of living and life on Earth. Celestials are those spirits who have completed their Feeling Healing and progressed through Divine Love Mansion Worlds 3, 5 and 7 and now live in the higher Celestial Heavens, 1, 2 and 3 (when we become At One with our Heavenly Parents then we leave the Mansion Worlds and progress through the next three spheres related to Earth, hence the Celestial Heavens are also referred to as being numbered 8, 9 and 10).

The Nature Spirits of Earth, who live in the third Earth plane, can now directly interact with those who are embracing their Feeling Healing. Nature Spirits are essentially ‘angels in waiting’. They have been on Earth prior to anything that we now see living in nature. When they first started to arrive, there was no life in the sea or on land. They have consequently witnessed everything that has happened on Earth, including all prior human civilisations that we continue to largely remain ignorant of. Their knowledge and assistance is of great importance to us. We are to interact with them on an ever increasing scale. They are to become an invaluable source of information for us concerning how we are best to live with nature.

Further, we may become more aware of our **Indwelling Spirit**, which arrives for each of us during our sixth year, as we now progress with our Feeling Healing, or with Divine Love, our Soul Healing.

And all of this is possible as we embrace our Feeling Healing process, acknowledge and accept the Avonal pair, acknowledge and accept our Spiritual Teachers of Truth, namely Mary and Jesus, and more importantly, grow to love our Heavenly Parents, our true Mother and Father.

We do not need intermediaries, rituals, liturgy, dogmas, creeds, fancy clothing, or institutions. It is our soul based feelings and expressions that we may exchange directly with our Heavenly Parents. Groups may form to assist each other, and that is our choice and within our free will.

This is the greatest event in the history of humanity.

This is the Great U-Turn that humanity will embrace throughout the next 1,000 years.

Why did the Lanonandek Daughters and Sons rebel? The Lucifers, Satans, Caligastias and Daligastias.

Re The Urantia Book (TUB): there are various orders of Paradise Descending Daughters and Sons. (NB: TUB only refers to the masculine so doesn't include Daughters.) The Descending Daughters and Sons descend or step down from Paradise to reach out and 'down' to the Ascending mortals – men and women on the evolutionary worlds, who are reaching out and 'up' to Paradise and for such help from the descending spirit pairs. Ascending mortal pairs (soulmates) cannot by themselves ascend to Paradise, how to do that is not 'encoded' in their soul. So they need higher help and guidance from the descending pairs. So if people don't have this higher help they will never spiritually and physically progress very far. And if this higher help goes haywire, people are stuffed until other higher help comes to rescue them.

One such Descending Pair, the Creator Pair, comes out from Paradise to a section of space when it is ready for them – Mary M (Magdalene) and Jesus in our case; and in union with the Divine Minster, create, or 'bring into being' a Local Universe – Nebadon. Mary and Jesus then attend to the whole (local) universe, with Avonal Descending Paradise Pairs coming as required to the individual earth worlds to ensure and initiate the spiritual changing of the ages that is needed to advance the spiritual development of mortals in accordance with the Paradise Plan.

Part of the Creation of Nebadon includes the creation of Local Universal Descending Daughters and Sons that hold key positions on individual worlds and oversee larger areas or sections of the Nebadon. With the Lanonandeks being these key administrators, guides, overseers, who are the ones that ensure the ascending mortals of each world are given what they need in accordance with the unfolding phases of their evolution, as well as providing the necessary Mansion World structures and organisation of the Celestials spheres, the greater part of Nebadon, all so mortals of the evolutionary worlds can find their way up and in through the Local Universe so as to set out on their greater spiritual journey through the Super Universe and Central Universe to Paradise. The Lanonandeks make sure all the parts work as they are intended to do, with the Melchizedeks being more involved with the ongoing teaching and personal education of mortals about all things through the Local Universe.

The Lucifers, Satans, Caligastias and Daligastias are all Lanonandek pairs.

The Lucifers were the overseers of this sector – System – of Nebadon that includes Earth – Urantia. The Satans were to help the Lucifers, being the main liaison pair with the Caligastias (The Planetary Prince and Princess) who oversaw Earth directly from spirit, and the Daligastias being physically materialised on Earth so as to oversee and help evolve the local races of Earth on all levels, the practical physical and spiritual, this being how it was five hundred thousand years ago. And for three hundred thousand years, everything went well.

The whole of Creation thus far is one gigantic Ascending mortal scheme – The Ascension Scheme. So everything in it works to help slowly evolve humanity along the plans designed for them by the Descending Pairs and the Mother and Father, with the idea to evolve through ongoing self-expression the people from all the earths up through the Mansion Worlds and into the Celestial spheres and on through and out of Nebadon. So if anything goes wrong in any level of the universe then it causes problems for the mortals who are wanting to ascend.

The Lucifers were outstanding members of their Order. However according to TUB (if I remember correctly), they were passed over when they applied to oversee certain parts of Nebadon – and so why did that happen??? Then finally they got their chance. As to why they rebelled – it is said their egos, their self-importance, grew, and they weren't able to control it. They were seduced by some inner need for greater power – but why did that happen? And is it just like everything else, there is variation in all things and so they went the way of rebelling against Mary and Jesus and the Mother and Father. And not being of a higher Paradise Order, they are more prone to being seduced by their inner biases, whereas supposedly Paradise Descending Daughters and Sons are too perfect, being of Paradise origin, and so wouldn't or even can't, rebel. And Avonal Pairs can willingly take on rebellion, but that's their choice and they are not technically rebelling or defaulting, they needing to do this so they can heal themselves of the Wrongness thereby liberating the world of rebellion, and in our cases, also default. Which means, providing people and spirits in the Mansion Worlds, their Spirits of Truth, so everyone in a rebellious state can look to them instead of the Evil Ones, the rebellious Lanonandeks, for the way out of rebellion and onto Paradise.

The Evil Ones took over their part of Nebadon, Mary and Jesus allowed them to, allowing the Rebellion and subsequent Default on Earth to run its course. However it continues to cause masses of disruptions to the natural way of things, all of which we've been and continue to be subjected to.

So because humanity for two hundred thousand years has been increasingly subjected to the Rebellion and then also the Default of Eve and Adam, we are well and truly entrenched in the unconscious belief that the Evil Ones are the Gods, and that we're to look to them for the way to be happy and feel loved – that they are the Living Truth. And yet, as we can all see from our own lives when we start to address our bad feelings, this is wrong, false and misleading, only making us feel even more unhappy, unloved and powerless in our negative truth-denying state and being unable to do anything about it – because ascending mortals are not able to go against the higher Daughters and Sons. So without humanity knowing it, we have been praying to the Evil Ones as if they are God, even with people who pray to Jesus, praying to a mind-created fantasy Jesus and not the real one, as can be seen by the Evil Ones strategically denying humanity the truth of the Divine Love, with our need to long for it being excluded from the Bible and not found in any other rebellion-created religion.

Mary and Jesus being the highest Paradise Pair, by their coming to Earth, terminated the System Rebellion of the Lucifers and Satans. So that level of evil influence on all the rebellious physical worlds ended two thousand years ago. And then it's required for each world to be attended to by a bestowal Avonal Pair, who take on the evilness of that world and heal it within themselves, thereby ending the control in our case of the Caligastias and Daligastias, which has now apparently happened, with the Avonal Pair only to finish their Healing so as to signal the complete technical end of the Rebellion and Default.

So their – the Avonal pair – Healing involves dealing with the Rebellion and Default within themselves on all levels, so people and the mind Mansion World spirits can then choose to follow them and do their Healing. So by following the Avonal Pair you are going against the Evil Ones (currently it being their legacy within you and on the world), looking to end their negative, unloving and untrue influences within yourself. And once done, you become a Celestial, either on Earth or in the Celestial spheres, and

free to align yourself with Mary and Jesus, which is done by partaking of the Divine Love, and free to live your ascension to Paradise – free to become at-one with your Mother and Father.

We're all living the demented levels of the demented minds of the four Lanonandek pairs that rebelled. And as we do our Healing, so we come to see how fucked they are, as we see how fucked we are; how they passed that fuckedness onto us through our parents, how we've become so tangled up in our Wrongness, not knowing what is true – we live untruth believing it's true, we feel false love believing it's true love. We're all around the wrong way, deeply mixed up, and needing to do our Spiritual Healing to get ourselves out of our sinful and evil ways, so as to come back into alignment with the Truth. So all that we are has to go, and we're to uncover a whole New Way on all levels, personally and how to live, as we liberate ourselves from our dementedness.

EVENTS BRINGING ON the GREAT U-TURN:

Nearly 1,000,000 years ago lived the first humans to have a longing for their Heavenly Mother and Father, they were Andon and Fonta, now called Aman and Amon. They are our first parents of humanity on planet Earth.

About 700,000 years ago, spiritual oversight of Earth came under the domain of the soulmate pair Lucifer, and through their guidance the system (being 1,000 inhabitable worlds in which includes Earth) was assisted by the soulmate pair Satan, both being from the local universe of Nebadon and being Lanonandeks. Progressively, Lucifer became disenchanted with the leadership of Nebadon being the Creator Son and Daughter from Paradise, namely Mary and Jesus. Lucifer with the aid of Satan seduced 37 humanities throughout the system known as Satania to rebel. These humanities adopted the point of view that through their minds they could evolve to have god like capabilities. The males being less sensitive to their feelings suppressed the women so as to maintain this insanity.

2,000 years ago Mary and Jesus came to Earth to complete their ascendancy to full regency of all of Nebadon. At the commencement of Jesus' public ministry in about 26 CE he was then able to have the Lucifer and Satan soulmate pairs placed into a spirit prison world where they remain. Jesus and Mary did not come here for Earth's humanity, they came here for the benefit of all of the humanities of Nebadon by introducing Divine Love throughout their local universe.

As a consequence of the Rebellion and Default, humanity of Earth has been quarantined from all other humanities. The seven spirit Mansion Worlds 1, 2, 3, 4, 5, 6 and 7 are populated exclusively by Earth's humanity entering spirit life. Generally, spirits from various humanities share the same worlds. For example, the system that Earth is within consists of 1,000 inhabitable worlds of which 619 are inhabited with Earth being number 606 – one of the youngest. When we progress from the spirit Mansion Worlds and enter the Celestial Heavens, the three Celestial Heaven spirit worlds are shared by all humanities from our system called Satania. We are quarantined, we are off limits until we complete our healing and that will take all of this coming spiritual age of 1,000 years. Hence there are no star wars! Further, humanity of Earth is the only humanity that considers war to be 'socially acceptable'.

Since the life of Mary and Jesus on Earth, the entry and progression through the spirit healing Mansion Worlds – Divine Love Mansion Worlds – commenced with five women that Mary tutored during her life on Earth. These ladies were the first to enter the Celestial Heavens. They have just recently progressed

beyond the Celestial Heavens. As personalities in the natural love mind Mansion Worlds 1, 2, 4 and 6 commenced their Feeling Healing, they immediately left those worlds and entered Divine Love healing world 3. Thus the understanding of feeling healing has always been very slow to take hold – there being no one in the natural love mind Mansion Worlds to share the awareness.

The populations in mind Mansion Worlds 1 and 2 exceed 200 billion, they are crammed to the rafters. However the numbers have slowly built up in the Celestial Heavens so that the Great U-Turn can now be managed. The structure and systems throughout all of the mind Mansion Worlds is now changing so that within all of the worlds Feeling Healing can be readily introduced and facilitated. All of these system changes have been slow to introduce due to the imposts of the Universal Contract governing the Rebellion and Default. Until the Avonal bestowal pair presently on Earth progressed far enough with their healings then the conditions of the Rebellion and Default had to remain in place. They have now been lifted – as of 31 January 2018. The Rebellion and Default is now ended.

200 years ago, the planning and implementation of the Great U-Turn commenced in earnest, lead by the Melchizedeks with guidance from higher ups.

100 years ago, Jesus and about 250 Celestials came and wrote through James Padgett and re-introduced the availability of Divine Love (writings from 31 May 1914 through to 1923).

Then from 2002 through to 2014, Mary and Jesus have written through James Moncrief and Feeling Healing has been revealed, and in conjunction with Divine Love we have [Soul Healing](#). Jesus has only ever written through James Padgett and James Moncrief whereas Mary Magdalene has only written through James Moncrief.

Auxiliary writings supporting the above have been through Dr Daniel Samuels, Hans Radax, James Reid, Nicholas Arnold and Joseph Babinsky. Of significant importance is The Urantia Book being more of road map and history book. Added to this are the Pascas Papers.

As part of the transition from the Rebellion and Default to the new spiritual age, one pair is to complete their feeling healing with an independent personality to follow with her healing and, in addition, someone had to comprehend what this is all about intellectually. All these requirements are now being fulfilled.

Yes, we have a second bestowal pair from Paradise here with us. As they are to specifically show us how to heal ourselves of the Rebellion of 200,000 years ago and the Default of Adam and Eve of 38,000 years ago, the records of this event are to be assembled and distributed throughout all of the communities on Earth as well as the mind spirit Mansion Worlds. As the Avonal Pair have progressed with their healing, they have passed benchmarks. The first in the early 1990s enabled the imprisonment of the deputies of Satan, the Caligastia and Daligastia soulmate pairs – also being Lanonandeks. As from the 22 March 2017 progressively all negative spirit influence from the spirit mind Mansion Worlds has been blocked from humanity on Earth.

During the year of 2019, it is anticipated that the full potential of what the Great U-Turn will commence and this will be conveyed to all of humanity on Earth and of Earth. This is the greatest event in the entire history of humanity on Earth.

The PHENOMENON of the NEW OVERSIGHT of HUMANITY of EARTH!

Never has there been such a universally watched event as the Great U-Turn that is unfolding for the Humanity of Earth, both in the seven spirit Mansion Worlds and on physical Earth.

Never throughout all of the humanities of the local universe of Nebadon, of which there are 3,840,101, has the spiritual oversight been withdrawn from descending spirits, such as the Lanonandecks, and been handed to ascending mortals being those within Earth's three Celestial Heavens! Not only has this not happened before within our local universe, it has not taken place within any of the 100,000 local universes throughout our super universe. Nor has this occurred within any of the seven super universes!

The events, as they unfold, of the Great U-Turn are broadcast through the Divine Love healing spirit Mansion Worlds 3, 5 and 7 and to the Celestial Heavens 1, 2 and 3 through their relative 'Battle Rooms'. Through the system of Battle Rooms, all these worlds interact without spirit personalities having to travel to the lower worlds, also those in the lower worlds can interact with those of the higher worlds without any assistance. A spirit personality cannot travel to a higher evolved spirit world without assistance. Further, there is significant discomfort for those of the higher evolved worlds when they visit lower worlds and the Earth planes.

Through this broadcast network, the events of the Great U-Turn are monitored throughout Nebadon and are received into Salvington, the home city and headquarters of the Regents of Nebadon, being Mary and Jesus. From there, the broadcasts may be conveyed throughout all the local universes of our super universe and to all the other super universes, all seven.

Why is this so? Throughout all the seven super universes only 37 humanities have Rebelled. Earth is one of these 37 humanities. Further, we alone went on to then Default – Adam and Eve failed in their mission here on Earth. To compound this further we went on to assassinate the Regent of Nebadon, Jesus and totally ignored his equal and soulmate Mary, thus we are known as the World of the Cross.

We are being monitored closely as it is anticipated that such rebellions may occur in the future in the newly forming super universes further out from Paradise, Paradise being the home of our Heavenly Parents, and we of Earth's humanity will be able to lead the way in how to subsequently resolve such rebellions. We have very unique experiences and consequently skills.

Now, instead of assigning the spiritual oversight of the Humanity of Earth to the likes of a Lanonandek pair, it has been assigned to all the Celestial Spirits within the three Celestial Heavens and that is now certainly much more than six billion spirit personalities. Further, the lead spokes personality for the Celestials is Nanna Beth!

WE ARRIVE DETUNED!

Our souls are a divine creation of our Heavenly Mother and Father. They could not be any other way! And are designed (such as how it has been for us) to begin incarnation in a Natural love condition reflecting the Natural love state of our world.

And we have also been provided with the opportunity to experience what is being ‘evil’, to live denying our Natural love, as seen through the denial of many of our feelings. So we here on planet Earth live on a world that has Rebelled (and then also Defaulted), of which there are only 37 within the local universe of Nebadon, consisting of 3.8 million physical worlds under the regency of Mary Magdalene and Jesus – the spiritual parents of truth of all of Nebadon! And we assassinated Jesus, and completely denied Mary not allowing her to have her say about the truth.

As a consequence, we are ‘detuned’ from our Natural love state and divine origin. You could say we arrived with all parts functional, however, in our untrue, dysfunctional and distorted state, we’re badly in need of a severe service, tune up or a complete reconditioning. Our goal being to bring our true self to the fore by doing our Feeling Healing, and then to progress beyond our Natural love state by further advancing our soul condition through the process of Soul Healing and receiving our Parents’ Divine Love – becoming divine.

In our feeling- and truth-denying untrue Natural love state, we have been made to use our minds to dominate our feelings, becoming more like that of mind-based creatures of nature than of human souls of truth and feelings. And this is the wrong way for us to develop. So to step beyond this limitation, we are to live true to our feelings. Our heartfelt feelings being the guiding lights to our evolution and growth of truth.

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it’s all right there already built in and can be found through our feelings – our soul based feelings.

By living true to our self, true to our feelings, we are living true to God. It’s that simple.

Thus we are detuned once our incarnation begins. However, the way is now open for us to bring about our full divinity. To completely Heal all that’s wrong within us on a Natural love level. To embrace and then transform that Natural love into a divine state through partaking of our Heavenly Parents’ Divine Love. All the while attuning ourselves to divine perfection and enjoying the fullness of our divinity and love, as we ascend in truth on our journey all the way to Paradise – the home of our Heavenly Parents.

WE were DIVINE, and
WE are to BECOME DIVINE AGAIN:

Our personality, our soul, our real self, are all creations of our Heavenly Parents. We, our real selves, are not creations of our physical parents. Within our original status, we were of Divine nature.

Our physical parents, from our conception, endeavour to mould us into being ‘little me’s’, that is, replicas of themselves, imposing their beliefs and personality traits upon each of us. They crush our individuality and free will. They destroy our personality, our true self. They inflict upon each of us their ways, all of which are of a result of the Rebellion and Default of many, many generations ago. They drive us into believing and subsequently becoming dependant upon our minds. This is not the way for us to express our true selves and evolve along the path towards our true parents, our Heavenly Mother and Father. We are to embrace the Eternal Son of Truth, not the Infinite Daughter of Mind.

No, we are not in the image of our physical parents. Though we may look like them, and act like them because they have dramatically and successfully crushed our true personality, we are each very unique and independent of our parents and all other family members. When we begin to progress along the path of engaging with our soul based feelings and seek for the Truth of our feelings, we will become free of our parents’ impositions and suppression.

Upon starting our physical life experience on Earth, our divinely created soul begins to express us as one of our soul’s two personalities in Natural love. However because of Earth being in Rebellion, so we are parented into a rebellious and anti truth and anti love state of mind control over our feelings and true self.

Natural love is good, just ‘less’ or different to Divine Love. And it’s that in our rebellious state, we’re rebelling against Natural love, and Divine Love by not taking Jesus and Mary up on their offer and allowing the Divine Love to transform our soul, as we perfect our Natural love by doing our Healing.

By living true to our self, true to our feelings, we are living true to God. It’s that simple. The revealing of the Feeling Healing process is the commencement of our ability to begin the Great U-Turn and go the right way. Should we then also embrace our Heavenly Parents’ Divine Love, we can also commence our Soul Healing and a returning to that of being divine – this is our destiny.

CREATED in THEIR IMAGE:

James: Mary, what does ‘we being created in the image of God’ really mean?

Mary M: It means that our Mother and Father used Themselves as the model or template if you like, upon which to bring us into being, those of us who have existential souls with the potential of expressing their two personalities in Creation.

And although our souls are divine, as in being divinely created, still whilst we start our personality expression in Natural love, so we need the Divine Love to come into our soul and bring it into the levels of Celestial divinity.

Natural love, so basically the whole of Creation, is of the image of God, and we being divinely created souls can be part of God’s Divinity becoming divine ourselves. So through your Healing, James, you become progressively divine by partaking of the Divine Love and healing yourself into perfection – your true self. And by the time you’ve completed your Healing, your soul is of the Divine Love level of Celestial truth, and your personality is an expression of that level of truth, it all being ‘confirmed’ and cemented – fused – into place upon the direct soul-union with your Indwelling Spirit. Then you are of the essence of God, true and perfect to the level of the first Celestial sphere, the first sphere of true divinity.

Mary Magdalene communicating with James 20 November 2017

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon us by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

HUM

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind’s distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
 We are to long for the truth of what we are feeling.
 We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren’t allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we’re taken into new ways of looking at ourselves, our feelings, and our life. We’re setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It’s that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

WE ARE Children of God

HOW TO GET TO PARADISE:

Long for the Divine Love
 Long for the Truth
 Long for the truth of your feelings
 Don't deny any feelings: accept, express and want to know the truth of them
 Know your feelings are the key; your feelings are the Way
 Want to end your falseness and being untrue
 Want to understand the truth of your early life
 Use your surface feelings to move deeper into yourself, bringing up your repressed feelings
 Want and long to know the whole truth of yourself
 Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
 2. **ETERNAL SON (ES) – Divine Truth**
 3. **INFINITE DAUGHTER (ID) – Divine Mind**
- Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS (MF) – Love – the Living Truth**
2. **DIVINE MINISTER (ID) – Mind (and her Holy Spirit)**
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR – the Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS – they do not incarnate**

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

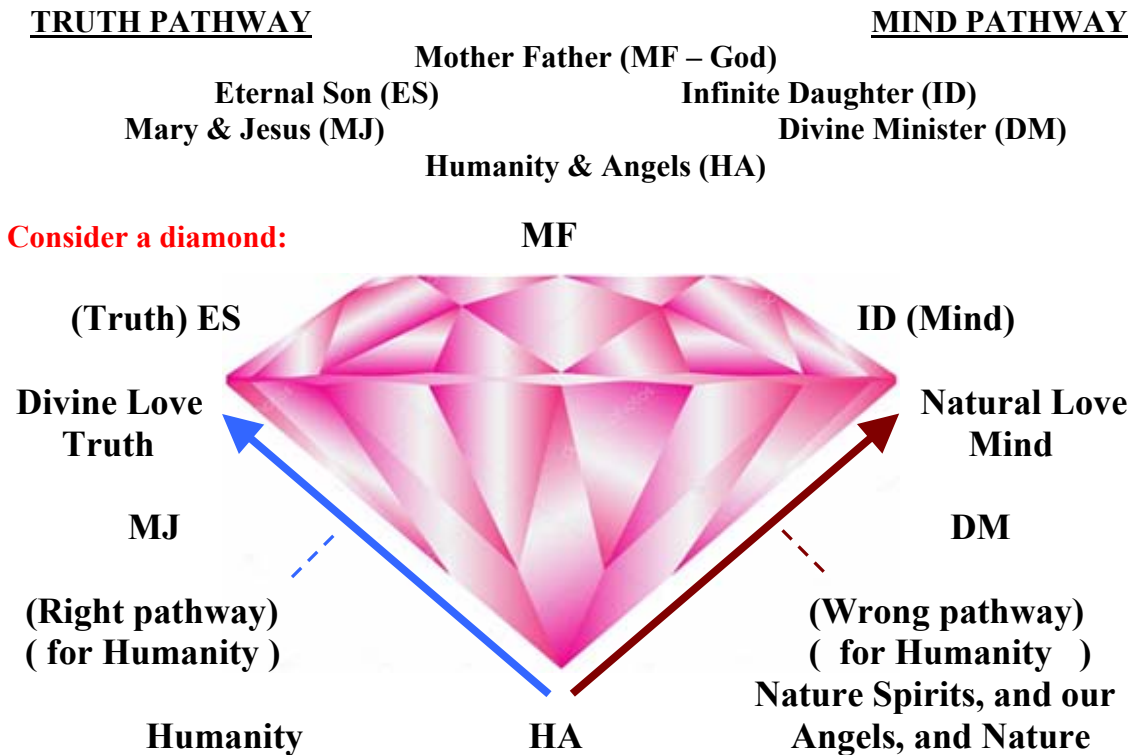

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

Humanity is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective

Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

WE EACH have a Nature Spirit pair, Spirit Guide pair, and an Angelic Pair:

For those doing their Healing or are interested in doing it will from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about ‘sharing’ the same angels or guides or nature spirits, it is about you relating specifically to your ‘own’ ones because they are provided for YOU. It’s all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it’s the same of course in life with your friends, however over there, in spirit, dealing with Nature Spirits, Spirit Guides, and Angels, it’s more personal and private and ‘JUST FOR YOU’. So we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain’t going to be assigned to anyone else, so she won’t be sharing herself around.

This is SO IMPORTANT to understand so that in future there won’t be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is all they are speaking with.

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their ‘soulmate’ relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit Mansion Worlds, however, our personal Angelic pair continues with us to Paradise, and then even possibly being with us throughout eternity.

Feelings first

OUR GUIDANCE to PARADISE, the home of our HEAVENLY PARENTS:

There are three distinct phases of our progression to the home of our Heavenly Parents which is Paradise that is within the circle of seven Super Universes, each containing many Local Universes.

Once we progress beyond our Local Universe of Nebadon, then we are assisted and guided by our Heavenly Parents, our true Mother and Father all the way home to Paradise.

Before then, once we have completed our soul healing, we are guided through the Celestial Heaven worlds which are those that interact with humanity on Earth, then further on into and then out through Nebadon, our Local Universe. The regents of Nebadon are Mary and Jesus.

However, before then, we are to embrace our healing. That is, we are to realise who we truly are. We are not the personalities that our parents imposed upon us. We are to put aside our childhood suppression and repression and free our true personality that our Heavenly Parents gave us, and to do this we are now able to embrace the guidance of the Avonal Pair who will lead us through our healing here on Earth and through the Spirit Mansion Worlds to be able to enter the Celestial Heavens.

The New Way, Feelings First Spirituality
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.
 Want to understand why you're feeling them.
 Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
Your feelings are your spiritual guide.
Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

DIVINE LOVE:

<http://www.fcdt.org/divinelove.htm>

The words "Divine Love" have been used in many contexts to convey different meanings. But in the context of our Heavenly Father, Divine Love is the greatest gift in all the universe. It transcends all else that can assist humankind fulfil their dreams of happiness and have them resolved within themselves. God's Divine Love is the one thing in all of God's infinite universe that can bring about eternal life and everlasting happiness in the Celestial Kingdom.

What is Divine Love?

The Divine Love differs from the natural love of man with which he was endowed when created, which belongs to all humans, and which they all possess in a more or less perfect condition in this: that the Divine Love is that Love which belongs to or is a part of God, possessing His Nature and composed of His Substance, and which, when possessed by a human soul to a sufficient degree, makes him divine and of the nature of God.

What is the New Birth?

The New Birth is simply the effect of the flowing of this Divine Love of the Father into the soul of a man and the disappearing of everything that tends to sin and error. As the Divine Love takes possession of the soul, sin and error disappear. It, the soul, becomes of a quality like the Great Soul of the Father. And with the Soul of the Father being Divine and immortal in Its quality of Love, so, when the soul of man becomes possessed of this quality of Love, the soul being the man, this soul becomes divine also. Then, the image becomes the substance; the mortal becomes the immortal; and the soul of man, as to love and hope, becomes a part of the Father's Divinity.

How does one receive the Divine Love?

The only way is simply this: that men shall believe with all the sincerity of their minds and souls that this great Love of the Father is waiting to be bestowed upon each and all of them; and that when they come to the Father in faith and earnest aspirations, this Love will not be withheld from them. And, in addition to this belief, that they pray with all the earnestness and longings of their souls that the Father will open up their souls to the inflowing of this Love, and that then may come the Holy Spirit to them to bring this Love into their souls in such abundance that their souls may be transformed into the very Essence of the Father's Love. The soul who will thus believe and pray will never be disappointed, and the Way to the Kingdom will be his as certainly as that the sun shines by day upon the just and unjust alike.

Take the test.

Too often we are told to believe something based on what we are told. You don't have to "believe" anymore. Now you can have physical proof of the existence of God and His Love for you?

"test my teachings that the Father's Love was now available, and pray for it to the Father in earnest prayer, and see whether, if this was done in sincerity, the Father's Love, conveyed through the Holy Spirit, would burn and glow in the soul, by which sign they would realize His Love was present therein." – Jesus

Take it to heart – earnestly pray for God's Divine Love and feel the glowing of His Love in your soul. Jesus gave us the Prayer for Divine Love to help us in our prayers to the Father.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

Feeling Healing – Healing yourself through your feelings.

- ✓ Your feelings are the real and true you.
- ✓ If you are denying any feelings you are denying yourself.
- ✓ If you are denying yourself you can't ever be truly happy.
- ✓ To heal all your pain and suffering, you can look to your feelings for why you are feeling bad.
- ✓ If you want to know the truth of yourself, then it's your feelings you will need to look to.
- ✓ Your feelings hold the hidden keys to unlocking the truth of who you really are.
- ✓ Uncover the truth of yourself through your feelings and you will know why you feel all you do.
- ✓ Everything in life, why all that happens to you does, and everything about yourself, can be explained to you through your feelings.
- ✓ Why your relationships might not be as good as you would like, why some might fail, you will understand through your feelings.
- ✓ How to live a good, true, happy and loving life will come to you as you start paying attention to all your feelings.
- ✓ However you will also have to pay attention to all your bad feelings, and this can be very harrowing.
- ✓ By honouring – accepting and then expressing all the bad feelings you feel, you will slowly bring to light all the reasons why you don't feel good.
- ✓ And as you liberate yourself from these hidden repressed bad feelings, so you will start to feel better and better about yourself.
- ✓ It's a process, and it can take time, years possibly, but all that's hard will eventually pass becoming good.
- ✓ Expressing all your feelings, and particularly your bad ones, whilst longing and really wanting to know the truth of why you're feeling them, is doing your Feeling Healing.
- ✓ You can Heal yourself through your feelings. And in fact, it's the only way to really heal yourself.
- ✓ And if you wish to do your Healing with God, you can also long for God's Divine Love.
- ✓ Feeling Healing – Using your feelings to heal yourself.

DIVINE LOVE – what does it do?

Divine Love, which is a substance, progressively:

Transforms one's soul from that which is of natural love to that which is Divine

As natural love is enhanced with the Parent's Love, we reject our tendency to error

Divine Love, our Parent's Love, restrains errors, untruths and emotional stress

As we reject the condition to error, we develop our love for our brothers and sisters

Divine Love helps one with the discovery of truth through one's soul-feeling healing

Our natural intelligence grows, perceptions rise with our soul intelligent feelings

As Law of Compensation is resolved, the Love reduces returning to being in error

Receipt of Divine Love, the Parent's Love, grows our faith, we become God reliant

As our faith grows our propensity to undertake one's Feeling Healing strengthens

With the Love, our Feeling Healing becomes Soul Healing, this we are to undertake

Without the Love we remain self reliant and dependent upon our own will power

Only with the Love will our soul condition grow rapidly, all around us also benefit

The Love is the only substance that changes the human soul to that which is Divine

Only by asking and receiving Love do we become fitted to enter Celestial Heavens

Only by asking for and receiving the Divine Love does our soul become immortal.

The Only Prayer That Man Need Offer to the Father:

(as given within the first century)
I am here, Jesus

The Prayer for Divine Love 2 December 1916
<http://www.youtube.com/watch?v=Pg6p3rivAZw>
P.438 Book of Truths through James Padgett / Jesus

Let your prayer be as follows:

Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.

That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.

We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.

Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.

Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.

Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.

We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.

We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.

Amen

MoC

Note: The 'false teachers' are our parents, as they are also the 'evil ones'.
Also, the evil ones, being those parts of one's mind, that are controlling you.

The DIVINE UNIVERSE

79. Prayer of the Heart

16 October 2012

I encourage the heart that prays to the Father for the Divine Love. I encourage the heart that loves the Love, and with sincere aspiration, feels for the Love. If there be any doubt, loss of faith or hardship of heart, I encourage the heart not to give up or give the Love away. The Father hears your prayers and the heart be rest assured in this. Never will a good heart be forsaken. As the Father does so do I, see and hear your heart, and prayers for the Love and the needs for wellbeing. Never give your heart up; trust in the One who knows your true heart, and there the Father loves you. One may never fully understand the intricate workings of time, past present and future, but the heart knows faith and Love and the Father Loves a good heart. Pray with faith, and in your heart my truth and the Father’s Divine Love meet you there.

I have given you this prayer of the heart so that men and women may draw from its words, strength, love and faith.

Your beloved friend and companion,

The DIVINE UNIVERSE

300. *Prayer of Love and Strength*

2 February 2013

I am going to write the Prayer of Love and Strength that may help those with their endeavour of heart in the receipt of the Divine Love:

I pray that I may find the love and strength in my heart to love you more wholeheartedly. I pray that I may feel this strength as a living truth in my heart and soul as my weakness, due to my condition in my physical and material struggle, may not become a hardship that casts a long shadow over my day-to-day living in my faith in Divine Love. I pray that I will not give in to any negativity that surrounds me, or to the way that at times I cannot seem to be able to help or forgive myself for loosing faith in The One I love.

I pray that I am receiving Love, your Divine Love that is in great abundance and that my heart partakes of a small portion of this abundant Love. I ask that your Spirit, The Spirit, convey the Love into my soul as I have already been receiving into my soul your Divine Love. I pray that your Divine Love gives greater love and strength to my heart that I may continue in my prayer to receive this Immortal Love.

God, I love you with all my heart even if there be a shadow across my heart, and a lack of humility in my faith and on my behalf for I recognise that you can love me more perfectly and wholeheartedly than I can accept for myself.

God, I recognise that you are Soul and that I am a finite soul and that your Love and Spirit are true gifts for my heart and soul and that I need this Love that you have provided. I pray that from your Love, more finite love and strength in my faith and heart will enable me to love you even more. I recognise that I am doing my best in all that life has given and taken away from me and that in my resolve, my heart knows that your true Divine Love always remains with me and my faith in you. At times I have left you and left your side and wandered all over the place, lost in the shadows of life and in the near-sightedness of my eye and then, I pray for your Love and your Love fills my heart and my love and strength return and I accept that you are loving me at all times when I am lost and found. I give you all my gratitude, love and strength that my heart can give and I desire not to change the world or the spirit world accepting that your Divine Love will change my soul and in harmony together, I will try for a peaceful world.

I have provided you with the inspiration to give these words of love and strength that such words may help one in their experience of God's Love and Spirit.

Our Heavenly Mother and Father simply desire for us to ask for Their Love.

The DIVINE UNIVERSE

303. *The Immortal Prayer*

6 February 2013

For those of you who are strong, I will continue to sustain this strength because many of you who experience the Father's Divine Love require a great resolve and strength of heart not to give up on the Truth and not to be saddened by the apparent lack of interest in the most beautiful love that you feel and know to be true. I will never prevent myself from being with you, who sincerely desire the Divine Love and, with any feeling of being afraid, alone or insecure, I with my Celestial teachers are present supporting you. There is no shadow in the Divine Love and for those who are aware of this Love in faith love and spirit we celebrate the harmony of God's universe of Love and Spirit.

I pray for the Divine Love, the Immortal Love

Universal Soul God,

My Father, I love and accept you with my heart. I sincerely pray for your Love that will come by The Spirit and embrace my spirit body conveying your Divine Love into my soul. I humbly ask that you love me as I love you, and that you continue to love me when in those times I cannot love myself.

I ask that you give me the strength to voice my faith and love to you, and that you may love me in my weakness and in my strength. I know that I am a soul beautiful to you as you are to me, and that your Divine Love will be the arrival of Truth that my soul has truly longed for.

I pray that your Divine Love will be the arrival from which will announce the departure of my doubt and that such faith, love, strength will come to me that I will never doubt you again. And I will never stop loving you, in the sunrise and the sunset of each day in my life.

I recognise that you are the Source of the Divine Love and the origin of my soul. I recognise that I may have been lost to you but in truth I was never lost to you and now, I am gathering up all my love out of my lost-ness in great abundance because I am aware that your Divine Love is present for my soul and I am free to receive your Love and feel Its' breath of spirit declare in my heart the Immortal Harmony.

I am receiving your Love, I have received your Love, true Universal God, your Immortal Love.

Amen

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

The DIVINE UNIVERSE:

32. *The Perfect Prayer*

7 October 2012

In the time James Padgett received spirit communications I gave him a prayer (2 December 1916) to help him firm his stature as he worked with various spirits. I would like to extend the reality of prayer with you now.

The Perfect Prayer or Prayer for Divine Love need only be a sincere heartfelt expression of love given to the Soul, God, and included in this soulful heartfelt love, a respectful asking to experience the Divine Love. The perfect prayer will always be of an individual expression that works harmoniously for each person. There can never be a formal prayer of one that is perfect for all, for each person commences their receipt of the Divine Love at particular stages of their human or spirit experience. The comforting and nurturing aspect in the nature of the Divine Love is most suitable for the heart.

Formal prayer, intuitive prayers or a prayerful experience that exemplifies respect and a sincere desire for this Love, will cause a response by the Spirit to bring about an inflowing of the Divine Love into one's soul. There is a unique reality of love that exists between God, the Soul, and all other independent mortal finite souls. As soon as a mortal finite soul longs for love by God, God knows of this longing and the active Spirit Law that determines the function of the Spirit responds. It is as if no earthly time or mortal spirit world time exists at all, for the Divine Love is not subject to these constructs of time and has its experience directly between the Soul of God and the soul of the individual. In this way, a demonstration of harmony begins.

As the experience of the Divine Love becomes more familiar, and the energy in one's soul becomes more active, the essence of prayer changes as the condition in the soul of the individual changes. People have experienced this already as they learn more about living with the Love.

I will not give a formal prayer here other than the love in the words that I have just conveyed. I would also like to state that I know that individuals both men, women and mortal spirits, can commence and do commence their learning about the nature of Love from a position and condition of fear that is situated as a dis-harmony in the personality of the individual. Even in fear, I encourage one to value the attribute of goodness and respect so that a small beginning of learning to love thy self can form part of the progress when learning to live in the harmony of love.
