PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about looking within oneself. Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Contents are not to be interpreted as an independent guide to self-healing. The information sourced herein is not from a doctor or doctors, and any information provided in this document should not be in lieu of consultation with your physician, doctor, or other health care professional. Pascas, nor anyone associated with this document, does not assume any responsibility whatsoever for the results of any application or use of any process, technique, compound or potion as described within this document.

The sources of contents are noted throughout the document. In doing so, we acknowledge the importance of these sources and encourage our readers to consider further these sources. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we apologise. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

We offer all contents in love and with the fullness of grace, which is intended to flow to readers who join us upon this fascinating journey throughout this incredible changing era we are all experiencing.

Living Feelings First, *John.*

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

NUMBERS and FORGOTTEN TEACHINGS:

Why is it that there is so much discord within our communities when at the same time many are doing their utmost to improve the conditions for all of us?

Why is it that we are blessed with such great insights given to us by gifted teachers and yet we still do not appear to make any progress?

May we dare say that education is the foundation and vehicle for the commencement of improvement, no matter for what the issue is that is to be addressed. But first we need to understand the issue or issues.

Like father, like son, or alternatively, like mother like daughter. Generation by generation we hand down the discord. Simply put, we inherit the problems from our parents as they did from their parents. Communities hand down the problems to the next generation of that community. Nations do the same, the national cultural attitude continues generation after generation.

As you will observe, these issues can be easily identified and understood. Some may find this intrusive. However, there are in fact no secrets. All can be known should one wish to ask.

Then what can we do about it?

We were blessed with wonderful teachers around 600BCE, such as Zarathustra, Siddhartha Gautama / Buddha, Lao Tzu, Confucius, then followed 600 years or so later, Jesus, and then around 600CE was Muhammad. Have we now really moved along for 1,400 years without any further guidance from our loving teachers?

Since 31 May 1914 to 7 January 2016, over the past 101 years, we have been gifted with comprehensive teachings. The references and sources are outlined towards the end of this document. They have come in the form of twelve major publications with supplementary material being published progressively and separately. However, of the greatest importance are the James Moncrief publications which continue today.

Much of the teachings of the 1st century have been lost, or had been, and much of what has been recorded has been tainted with error and misinterpretation. Over the past 100 years many of the errors have been addressed and further explanation provided.

What is most important is that the core teaching of the first century has been now reintroduced. That is the focus of this paper. The awareness of the core teaching of the first century is the principal way that individuals and communities can start to improve their quality of life and conditions in a significant way. It is universal in its application. It does not impede upon any religious norms. It is a gift to all and even as we speak on this subject, many from all races and creed participate in the gift without being necessarily aware. However, only a few have recognised the importance of the Feeling Healing process.

What we now are able to do is to share the understanding of what has been lost since about 325CE and enable all who so desire to embrace the gift without conditions.

These teachings that have been received over the past 100 years continue to arrive. They will be published as they are received. The teachings continue. They are universal in application. They answer many questions. Further, as you personally ask questions you will find answers will follow; this is the experience of the writer of this paper.

The gift of the Love needs only to be asked for and it will be received. This is the simple omission in the knowledge we had, we omitted to consider that we need ask for the Love. We have freewill and accordingly our freewill is honoured and respected, thus we need use our freewill and ask for the Love and we will receive it.

All other endeavours of self improvement need to be pursued; however, our progress is greatly aided by the asking for and subsequent receipt of the Love.

As we grow in love, our quality of life improves and so does the environment around us.

The solutions will be founded on education and love – our love and The LOVE.

Our Heavenly Parents simply desire for us to ask for Their Love.

“Every day is a day of devotion.”

Please Mother and Father, may I receive Your LOVE.

God's Divine Love: Pray for it, ask for it, and receive it.

Our salvation IS the embracing of the Feeling Healing process and Divine Love.

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are a son and daughter of God.

Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.

Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.

When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.

WE ARE Children of God

**DIVINE LOVE does not TRANSFORM one's SOUL
FEELING HEALING is what TRANSFORMS one's SOUL**

The Divine Love does transform our soul from Natural love into Divine Love. It's our Feeling Healing that 'transforms' or heals our erroneous expression of Natural love. We have to 'heal' and so perfect our Natural love, so it can then be transformed by the Divine Love.

Divine Love does not even begin the real work of transforming one's soul, for those who focus upon receiving Divine Love to the exclusion of embracing one's Feeling Healing, they are just expanding their mind's control over themselves. Should this be one's passion, then upon passing into the spirit Mansion Worlds they will find that they can continue along this path all from within the Divine Love followers segment within the first natural love Mansion World! Yes, only from within the first natural love Mansion World.

Most of humanity on Earth does not want to face the very truth their feelings are making them feel every day of their life. So if they want to keep living in the spirit Mansion Worlds as they did on Earth, in complete denial of their feelings and the truth they are to shown about their wrongness, they can.

However, for those who have embraced Divine Love and begin to engage in their Feeling Healing process to begin the transformation of their soul, they will be able to sense the Divine Love already within their soul 'driving them on'. One's understanding and adjusting will be changing rapidly to that of embracing all about the Healing and doing it – all being supported by the Divine Love that one may have received previously. All one may have done with the Divine Love may make their introduction into their real Healing, by using their feelings, much easier than it is for other spirits from the mind worlds who are at the same time having to wrestle with many of their old religious beliefs or mental programming, having to take on a whole new mind-set which one could see would take some of them years, whereas for someone who has been longing for and receiving Divine Love for some time it may be only a matter of weeks. This also applies to those living in the physical.

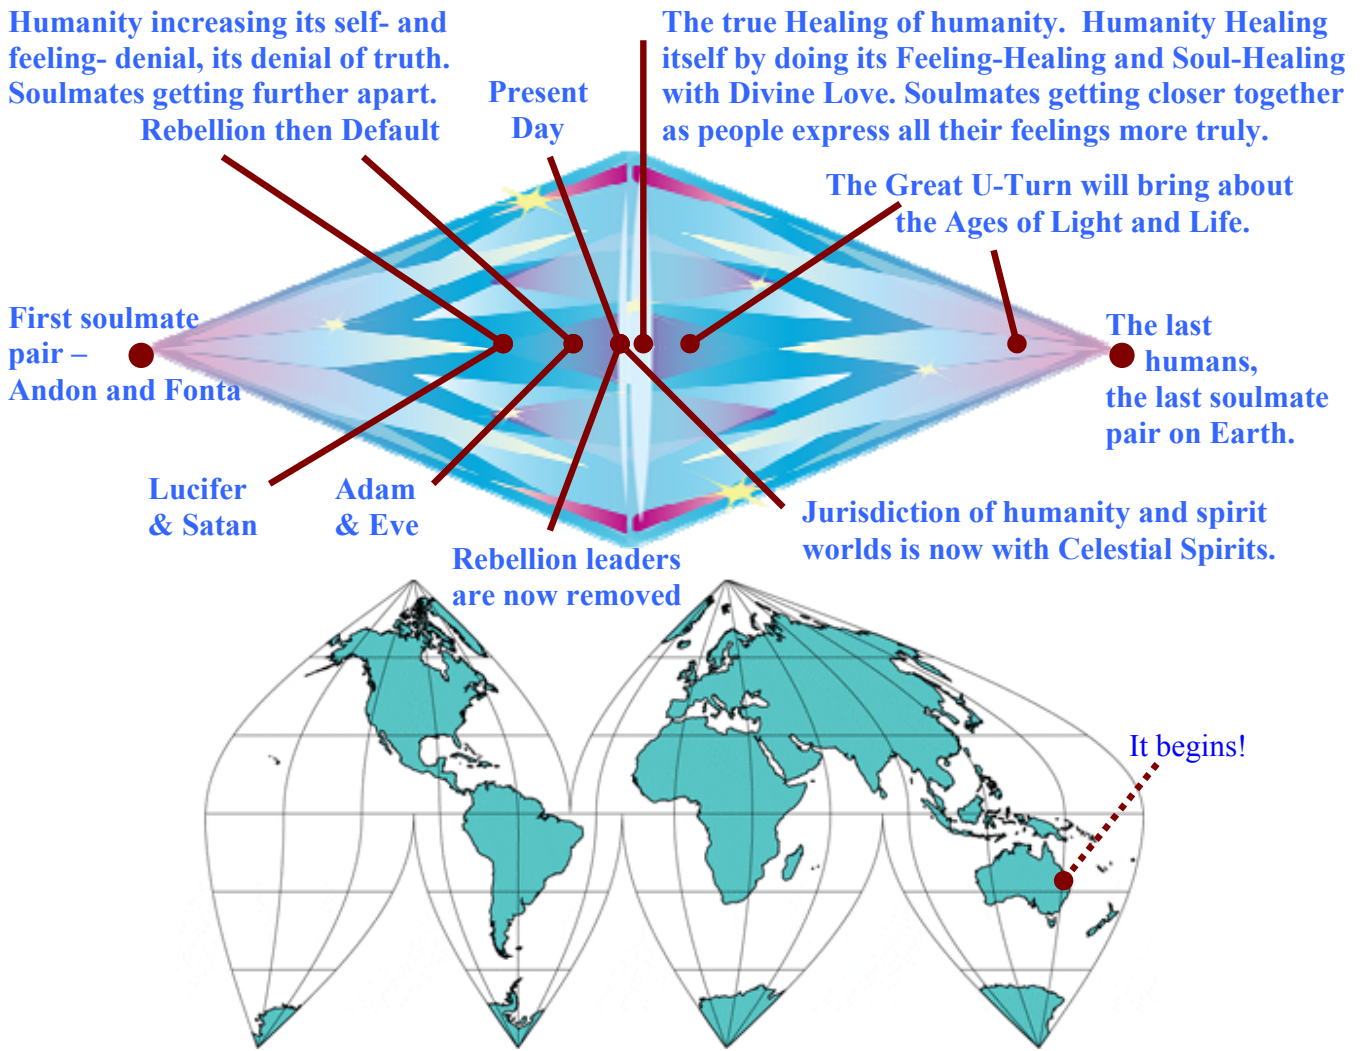

It is the Feeling Healing process that transforms one's soul towards perfection, towards the ability to fully express one's true personality as given to us by our Heavenly Parents, it is the Divine Love that then fits that transformed soul to be able to enter the Celestial Heavens.

Feelings first

JOURNEY of HUMANITY into and through the GREAT U-TURN:

Humanity reaching its most evilness, the most lost, the most separation of soulmates. Humanity can begin its Healing. The Great U-Turn begins, the dawning of the Spiritual Age.

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon us by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

HUM

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
We are to long for the truth of what we are feeling.
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

WE ARE Children of God

HOW TO GET TO PARADISE:

Long for the Divine Love
 Long for the Truth
 Long for the truth of your feelings
 Don't deny any feelings: accept, express and want to know the truth of them
 Know your feelings are the key; your feelings are the Way
 Want to end your falseness and being untrue
 Want to understand the truth of your early life
 Use your surface feelings to move deeper into yourself, bringing up your repressed feelings
 Want and long to know the whole truth of yourself
 Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
2. **ETERNAL SON (ES) – Divine Truth**
3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS (MF) – Love – the Living Truth**
2. **DIVINE MINISTER (ID) – Mind (and her Holy Spirit)**
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR – the Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS – they do not incarnate**

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizediks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective

Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

1 Divine Love addresses the issues of the Rebellion.

The availability of Divine Love, should we so ask for it, being revelation 1:

God's Divine Love: Pray for it, ask for it, and receive it.

Whilst we are receiving our Heavenly Parent's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is the Mother and Father's way of loving us into love and then we live what we are, love.

2 Feeling Healing addresses the issues of the Default.

The way to clear one's soul of childhood errors and injuries is revelation 2:

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU
FEEL, THINK AND ARE.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

LOVE
is
Feelings First Spirituality, The New Way

Feelings First Spirituality, The New Way is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

Feelings First Spirituality is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

Feelings First Spirituality has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

Living the New Way of Feelings First Spirituality

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

And to do this you need to do your Healing

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

Please Mother and Father help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

Please Mother and Father help me see the truth of myself through my feelings.

Please my beloved Heavenly Parents, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

Please Mother and Father, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

Please Mother and Father help me, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

Please Mother and Father love me. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

Please make me feel how unloving I am. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the 'dead' way; the feelings way is the 'alive' way.

Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

Please God show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

Heavenly Mother and Father, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

Please Mother and Father fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

I hate you Mother and Father; why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

I long for Your Divine Love Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Notes from 'Feeling Healing' by James Moncrief

Heartfelt TRUTH

Our FEELINGS are our SUPREME GUIDES:

Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings. Kevin 26 Sep 2017

Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.

FEELING HEALING

Note: The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

Note: Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and totally true.” James – Introduction Course to Divine Love Spirituality

The New Way, Feelings First Spirituality
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.
 Want to understand why you're feeling them.
 Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
 Your feelings are your spiritual guide.
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

Celestial Truth:

Truly all-loving;
Living true to oneself;
Mind supporting Feelings;
Living with the Divine Love;

Fully Healed of the Rebellion and Default.

THE FEELING WAY

Feeling – Ascendance
Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

THE MIND WAY

Mind – Transcendence
Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,
atheists, no spiritual interest,
Living the Rebellion and Default.

Hell:
Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

REVELATION 1
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

REVELATION 2
Marion and James Moncrief 2002
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

PSYCHIC BARRIERS MAINTAINING the REBELLION and DEFAULT are CRACKED!

The hounds of the Rebellion and Default have fallen, the psychic barriers have forever been cracked. The sheeple, the mice of humanity, now have the freedom to evolve through Feeling Healing and Divine Love.

Things are pushing ahead, we're working them from our side, and more so every day now. Many of the soulgroups involved in this are getting a feel for what it is they are to do and how they are to do it. So the barriers are giving way on multiple fronts.

There are actually barriers preventing people and humanity as a whole moving deeper into the wrongness, just as there are barriers preventing people and humanity moving out of it. It's all very tightly controlled, the Evil Ones put in a vast amount of controls and on all levels, which, unless you are shown by those spirits who can see them, such as the Melchizedeks, you'd never be aware of them.

So the cracks are appearing as the Divine Love Healing worlds start to 'descend' onto Earth – into the physical. For that's what is going to happen, the Divine Love Healing worlds, from the first introductory sectors on Mansion World one, to the truth of all the three main Healing worlds, being lived by people living them whilst on Earth. All to give rise ultimately to Celestials on Earth. That's what our goal is, to have people living on Earth who have fully Healed themselves.

NATURAL LOVE or HUMANITY’S ERRONEOUS EMOTIONS:

Your soul, being your real you, is an emotional being. Your soul, though a thought of God, does not possess anything of the divine within it. It existed in a state of bliss, in a natural love state, pending individualisation which is achieved at conception which is the time of incarnation. Your soul is endowed with natural love emotions noted within the top section of the Map of Consciousness scale, being those emotions calibrating above 200.

MAP OF CONSCIOUSNESS					
God-view	Life-view	Level	Log	Emotion	Process
Self	Is	Enlightenment	700 1000	Ineffable	Pure Consciousness
All-Being	Perfect	Peace	↑ 600	Bliss	Illumination
One	Complete	Joy	↑ 540	Serenity	Transfiguration
Loving	Benign	Love	↑ 500	Reverence	Revelation
Wise	Meaningful	Reason	↑ 400	Understanding	Abstraction
Merciful	Harmonious	Acceptance	↑ 350	Forgiveness	Transcendence
Inspiring	Hopeful	Willingness	↑ 310	Optimism	Intention
Enabling	Satisfactory	Neutrality	↑ 250	Trust	Release
Permitting	Feasible	Courage	↑ 200	Affirmation	Empowerment

Humanity’s erroneous emotions are those calibrating below 200 on the Map of Consciousness. The environment around a newly conceived child progressively degrades the condition of that child’s soul. When the child reaches about the age of 7, the child’s soul condition will reflect the parent’s condition. These negative emotions are like a crust around the pure soul it has within.

MAP OF CONSCIOUSNESS

Man made dis-empowering emotions:			↓ 200	All the negative emotions	
Indifferent	Demanding	Pride	↓ 175	Scorn	Inflation
Vengeful	Antagonistic	Anger	↓ 150	Hate	Aggression
Denying	Disappointing	Desire	↓ 125	Craving	Enslavement

Vindictive	Evil	Guilt	↓ 30	Blame	Destruction
Despising	Miserable	Shame	20	Humiliation	Elimination

Note:

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.

A calibration increase of 1 point is in fact a 10 fold increase in energy.

A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.

Thus the energy differentials are in fact enormous!

Blessing your food achieves an increase of 15 points which is in fact a quadrillion (10^{15}) jump in energy.

Levels of consciousness are always mixed: a person may operate on one level at one time and quite another level in another area of life. [In fact, we move in and out of fear, anger, guilt, etc. for either brief or extended periods. Even the levels up through unconditional love at 500 are experienced by most. But it is the percentage of time spent in each level that determines the dominant level in which one lives.]

Shame: Shamed children are cruel to animals and to each other. Later they are capable of forming vigilante groups to project their shame onto others whom they righteously attack. Serial killers have often acted out of sexual moralism with the justification of punishing "bad women". Shame produces false pride, anger, guilt.

Guilt: associated with victim hood, masochism, remorse. Unconscious guilt results in disease, accident - proneness, suicidal behaviour. Preoccupation with punishment. Guilt provokes rage. Capital punishment is an example of how killing gratifies a guilt-ridden populace.

Apathy: State of helplessness / death through passive suicide / level of homeless and derelicts / level of streets of Calcutta, abandonment of hope.

Grief: Level of sadness, mourning over the past / habitual losers / chronic gamblers / notion of being unable to replace what is lost.

Fear: Fear runs much of the world [in the enmity fearfulness is dominant emotion of 65% of the world] insecurity, vulnerable / leads to jealousy and chronically high stress level / very contagious / fearful people seek strong leaders.

Desire: Motivates vast areas of human activity. Desire for money, prestige runs lives of many who have risen above Fear. At this level of addiction / desire for sexual approval has produced an entire cosmetics and fashion industry / accumulation / greed. It is insatiable because it is an ongoing energy field. Satisfaction is impossible / frustration is assured.

Anger: Leads to either constructive or destructive action. Expressed most often in resentment and revenge. Irritable / explosive / leads to hatred.

Pride: Has enough energy to run the Marines. Is a great leap forward from lower fields / is socially encouraged. Defensive / vulnerable because dependent upon external conditions. Inflated ego is vulnerable / divisive / arrogance / denial. The whole problem of denial is one of Pride.

Courage: Where productivity begins / zone of exploration / accomplishment / fortitude / determination / exciting / challenging / openness. All of this is achieved through the leap to truth / the courage to face one's flaws.

Neutrality: Release from a position or opinion / flexible / non-judgmental / realistic. Not getting one's way is less defeating or frustrating. Beginning of inner confidence. One is not driven to prove anything. Does not lead to any need to control others.

Willingness: Growth is rapid here. Willingness implies that one has overcome inner resistance to life and is committed to participation. Genuine friendliness/ do not feel demeaned by service jobs. Helpful / high self-esteem / sympathetic / responsive to needs of others / resilient / self-correcting / excellent students / readily trained.

Acceptance: Major transformation takes place when one recognizes that one is the source of the experience of one's life. A full assumption of responsibility for one's self. Acceptance of life without attempting to conform situations to one's own agenda. Denial is transcended / calm / perceptive / balanced / appropriate. No interest in determining right and wrong. Self discipline / honouring of others rights / inclusive / tolerant.

Reason: Intelligence/ capable of making rapid, complex decisions and abstractions / level of science / capacity for conceptualization / deals with particulars / level of Nobel Prize winners, Einstein, Freud, etc. but ironically reason is often a block to higher states.

Love: Love is not what the media professes: emotionality / physical attraction / possessiveness/ sentimentality / control / addiction / eroticism / novelty. When lovers or marriages "break-up", they usually were based on these attitudes rather than love, which is why this kind of "love" can lead to hate. It wasn't love in the first place. Love Deals with wholes. Unconditional love is accompanied by measurable release of endorphins. Love takes no position / permanent. Only 0.04% of population lives out of this level of consciousness.

Joy: Level of saints / effortless / people with near death experiences often have reached this level of consciousness. Healing occurs. Individual will merges with Divine will.

Peace: Radiance / suspension in time and space / everything connects to everything else / no preconception. Great works of art, music and architecture, which calibrate between 600 and 700, can transport us temporarily to higher levels of consciousness.

Enlightenment: Buddha and Krishna. Jesus progressed beyond 1,000 to achieve at-onement with God whilst living on Earth, he became Christed. Enlightenment is a never ending process.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

PERSONALITY TRAITS:

Less than two dozen people on planet Earth.

Would not pick up a weapon let alone use it. These people gravitate to the health industry and humanitarian programs.

Debate and implement resolutions without argument and delay.

Debate and implement resolutions in due course.

Debate and implement resolutions with some degree of follow up generally needed.

Management supervision is generally necessary.

Politics become the hope for man's salvation.

Cause no harm to others starts to emerge. Power overrides force.

Illness is developed by those man erroneous emotions that calibrate 200 and lower.

Armies around the world function on pride. Force is now dominant, not power.

Harm of others prevails, self interest prevails.

Totally self reliant, not God reliant.

Fear dominates all motivation.

Suicide is possible and probable.

At these levels, seriously harming others for even trivial events appears to be justifiable.

Poverty, unemployment, illness, etc., this is living hell on Earth.

GENERAL CHARACTERISTICS:

One's level on the Map of Consciousness is a general indicator of one's personality and life experience. A Map of Consciousness calibration is also indicative of one's soul condition. By using kinesiology muscle testing, one can hold in mind the Map of Consciousness table and calibrate the level of any person at any time in their life, that is, past to present – not future. Your intent at the time of undertaking such an exercise must be loving in purpose, otherwise the findings will be in error. We cannot self test / calibrate.

A practical application of this exercise is to investigate the viability and potential of any firm or corporation that you may consider becoming involved with.

A review of the board of directors and their key personnel can be revealing. This is generally easy to achieve as corporate documents generally provide a list of these people, with photos and a short outline of their career.

Experience suggests the following:

Management personalities typically calibrate in the realms of Reason, that is 400 – 499 on the Map of Consciousness.

A personality who calibrates 470 and over will rationally and constructively discuss or debate an issue with you, once an agreement is reached this personality will implement his/her undertakings immediately, if not sooner so to speak, without any needed follow up or attention. A problem with such a person is they anticipate that you will attend to your side of the bargain in like manner.

A personality who calibrates 440 to 469 will function in much the same way, however will take a little bit longer to come to a decision and will take a little longer to implement what is agreed upon but still is extremely reliable.

A personality who calibrates 400 to 439 will need some follow up to ensure what has been agreed upon is implemented.

If you find a management team where all participants calibrate 470 and over then you have a management team of such excellence that you need not look any further. It is doubtful that such a team exists.

Many management teams have members that calibrate 310 – Willingness through to 350 – Acceptance. You are now interacting with parties who are delightful to chat with. They will tell you exactly what you want to hear and do absolutely nothing about it. These two categories are great people to have a social drink with.

Management teams that are dominated by Pride 175 and lower emotions are recipes for pending disaster. Corporations with such management teams progressively self destruct and take others down with them. They are also extremely difficult to have meaningful, constructive dialogue with, arguments prevail.

Interestingly, armies around the world function on pride (175 – 199). As humanity develops and grows in soul condition, in the distant future, it will become difficult to raise armies; however, they will not be needed.

Social Distribution of Consciousness Levels

Chapter V Power vs Force by Dr David Hawkins

A graphic representation of the distribution of the respective energy levels among the world’s population would resemble the shape of a pagoda roof, in that 78% of the race is below the critical level of 200, while the overall average level of human consciousness today is approximately 207 to 210. The power of the relatively few individuals near the top counterbalances the weakness of the masses toward the bottom to achieve this overall average. Only 0.4% of the world’s population calibrates at an energy field of 500 or over; a level of consciousness calibrating at 600 or over is reached by only one in ten million.

At first glance these figures may seem improbably, but if we examine world conditions, we will quickly be reminded that the populations of whole subcontinents live at a bare subsistence level. Famine and disease are commonplace, frequently accompanied by political oppression and paucity of social resources. Many of such people live in a state of hopelessness calibrating at the level of Apathy, in resignation to their abject poverty. We must also realise that much of the remainder of the world’s population, civilised as well as primitive, lives primarily in Fear; the majority of humans spend their lives in a quest for one form or another of security. Those whose lifestyles transcend the imperative of survival to allow discretionary options become grist for the Desire-driven world economic mill, and success in attainment of desires leads at best to Pride.

Any meaningful human satisfaction cannot even commence until about the level of 250, where some degree of self-confidence begins to emerge as a basis for positive life experience in the evolution of consciousness.

Cultural Correlations

The energy fields below 200 are most common in extremely primitive conditions where people eke out bare substance. Clothing is sparse, illiteracy is the rule, infant mortality is high, disease and malnutrition are wide-spread, and there is a vacuum of social power. Skills are rudimentary and centre around fuel

and food gathering and shelter preparation, and there is total dependence on the vagaries of the immediate environment. This is the stone-age cultural level, little more than animal existence.

Populations characterised by the low 200s are typified by unskilled labour, rudimentary trade, the building of simple artefacts such as dug-out canoes and temporary housing. Mobility begins to express itself in the nomadic lifestyle, and in populations that average a somewhat higher consciousness, agriculture appears and barter evolves into the use of token currency.

The mid-200s are associated with semi-skilled labour. Simple but life-sustaining housing and food economy become dependably available; clothing is adequate and elementary education begins.

The high 200s are represented by skilled labour, blue-collar workers, tradesmen, retail commerce and industries. At lower levels, for example, fishing is an individual or a tribe activity, but above the mid-200s, it becomes an industry.

At the level of 300 we find technicians, skilled and advanced craftsmen, routine managers, and a more sophisticated business structure. Completion of secondary education becomes customary. There is an interest in style, sport and public entertainment; television is the great pastime at this level.

In the mid-300s we find upper management, artisans and educators, with an informed awareness of public events and a world view that extends beyond the tribe, neighbourhood, or city to the nation at large and its welfare. Social dialogue becomes a meaningful matter of interest. Survival has been assured by the acquisition of skills and information adequate to function as a civilised society. There is social mobility and flexibility and resources which enable a limited amount of travel and other stimulation recreation.

The 400s are the level of the awakening of the intellect, the locus of true literacy, higher education, the professional class, executives and scientists. The home, devoid of reading material at the lower levels, here exhibits magazines, periodicals and full bookcases. There is an interest in educational broadcast channels and a more sophisticated political awareness. Great communication adeptness, intellectual preoccupation and artistic creativity are common. Recreational activities take the form of chess, travel, theatre and concerts. Civic enterprises intended to enhance the social milieu receive serious attention. Supreme Court justices, presidents, statesmen, inventors and leaders of industry occupy this general range.

Because education is the underpinning of this level, individuals tend to gather in metropolitan areas where they have access to sources of information and instruction such as the great universities. Some aspire to faculty status; others become lawyers or members of the other profession classes. The welfare of one's fellow man is a common concern, though not, yet a driving force. The high 400s are associated with leaders in their respective fields and with high social prestige, accomplishment and corresponding social trappings. Both Einstein and Freud calibrate at 499. But while the 400s are the level of universities and doctorates, they are also the source of the limited and limiting Newtonian vision of the universe and of the Cartesian split between mind and body (Newton and Descartes also calibrate at 499).

Just as the level 200 demarcates a critical change of consciousness, 500 is a point at which awareness makes another giant leap. (Interestingly, where one's personality is dominated by the persuasion to

cause harm to others, they typically will calibrate under 200. Further, where one steps through mentation, that is intellectualising things, into more of a feeling environment, then one steps through 500 to Love, all be it conditional love at first.) Although survival of the individual is still important, the motivation of love begins to colour all activities, and creativity comes into full expression, accompanied by commitment, dedication and expressions of charisma. Here excellence is common in every field of human endeavour, from sport to scientific investigation. Altruism becomes a motivating factor, along with dedication to principles. Leadership is accepted rather than sought. From this level emerges great music, art and architecture and the capacity to uplift others by one's mere presence.

In the upper 500s, are found inspirational leaders who set an example for the rest of society and, in their respective fields, create new paradigms with far-reaching implications for all of mankind. Although well aware themselves that they still have defects and limitations, people on this level are often seen by the general public as out of the ordinary and may be recognised with emblems of distinctions. Many in the mid-500s begin to have spiritual experiences of profound import and become immersed in spiritual pursuit. Some astonish their friends and families by sudden breakthroughs into new subjective contexts of reality. Consciousness at this level can be described as vision and may focus on uplifting society as a whole. From this level a few make the great leap to the region which calibrates at 600. At this point an individual's life may become legendary. The signature of the 600s is compassion, pervading all motivation and activity.

Golden Rule: that one must always honour another's will as one honours one's own.

FEELING HEALING and the EFFECTIVENESS of EMOTIONAL PROCESSING:

Hi James and Nanna Beth (questions in blue by John)

Thursday, 13 July 2017

The question to address is:

What is different with the outlines of the Feeling Healing process as against the numerous other emotional processing methods?

Nanna Beth: The difference is the focus on the truth: uncovering the truth of yourself through your feelings – uncovering the truth of your feelings. It's a rebellion against the Truth, so if one doesn't want the truth, nothing will happen, one will only move deeper into one's rebellion against it.

And because the focus is on the Truth, so one can use it all the way to uncover the Whole Truth of Oneself. And there is nothing else teaching that.

All the other systems that involve looking to feelings to some degree fail to understand the deeper significance of wanting the Truth. Many people uncover some truth of themselves through their feelings, but mostly they end the process because they don't want to follow it right the way through, which means they only want to heal some momentary pain, and once that is done, are usually happy to continue on in their untrue state.

And because one is wanting to uncover the whole truth of oneself, then it becomes a full spiritual experience, and one that can be done by oneself, so without needing help from another, although at times help is sought and used. So the Feeling Healing embraces Healing the whole seven Mansion Worlds worth of self- and feeling-denial, which is the complete Rebellion and Default. Other systems might only work at some aspect of it, limiting the ascent of truth through all the Mansion Worlds.

And basically no one understands the absolute depth of the problem within themselves, which is only borne out by people and spirits doing their whole Healing. Much of the current psychological understanding falls well short of understanding the depths that are involved because they don't include the overall problems brought about by the Rebellion and Default. You have to understand you are rebelling against yourself: the truth of yourself, and so against your own soul; which is then the truth of God, so the Mother and Father; and that also includes the truth of Mary and Jesus. So at some point you have to rectify all those relationships, which you can't do unless you understand the bigger spiritual picture. And so that's what James has revealed, taking all Marion has said, all the books offer, adding his own stuff, and putting it all together as a way of life, a spirituality that can be lived, and one the initially focuses on Healing oneself of all one's wrongness.

Why have all other methods of releasing and delving into emotions not been successful?

Nanna Beth: Because they don't understand the scope of the problem, as I said above. They are not approaching it from the point of view of understanding the nature of one's Repressed Childhood state, the extent of that; and then how one needs to allow oneself to feel all the bad feelings, not reject them; and then bring them out, which is the releasing of them; all whilst wanting to know the truth of them – the truth of what you are feeling. And that truth is what needs to come up within you so you can heal your will and become a truly functioning person, fully self-expressive, self-loving, and growing continually in truth.

All the other systems work within the control of the mind, so once the therapy ends, the mind regains control albeit in a different way. Only the Feeling Healing and Soul Healing with the Divine Love, seeks to entirely break the control of the mind over one's feelings.

Why haven't other methods been going deep enough?

Because people are basically afraid to push into such early childhood trauma without understanding where they are going or what it's all about. The leap of faith is too great, as it would mean they would have to rise above and conquer the Rebellion and Default within themselves, and that's simply too much to ask. The negative truth-denying systems within everyone are too deeply entrenched.

However the spiritual structure outlined by James provides a structure that allows you to deal with the Rebellion and Default, allowing you to maintain your faith, and evolve it, as you progress in your growth of truth – it gives one a picture to work with. Very few people, and possibly only Marion in fact, are able to press on into such dark depths without any structure and with only a faith that it's what she and God want to do.

I (Beth) couldn't have done it Marion's way John, I wouldn't have allowed myself to feel such pain, I needed to understand the bigger-picture reasons as to why I was in such pain, and be given the understanding that if I kept at it, one day it would end. Marion doesn't know it will end, she just keeps going one bad feeling at a time, which requires a tremendous amount of faith and over so many years and through so many inner obstacles; and still she doesn't know if it will end, but as she says, there is nothing else she can do other than keep going because she tried everything else. And she doesn't want to let her mind come in, only wanting to stay true to her feelings, so she doesn't want to know about the bigger picture even though she has worked it out along the way for herself and for James to understand which he's worked into his books.

So the spiritual aspect or approach James has provided, even if it's not actually talked about; the simplicity of honouring your feelings, and in particular your bad ones, then by accepting them you allow them to have their say, so you express them, all whilst longing for the truth, includes all one needs to know. And so by doing that, one will be able to fully Heal themselves working it out along the way for themselves; and even if they don't understand it, will be living the highest truest spiritual life one can live in one's wrongness, which in time will lead to one's Healing of one's rebellion and default.

On the surface of it, what James has related seems overly simple, but doing it yourself, and see what happens and what results; and that will take one deep into oneself uncovering the whole truth of oneself.

Many will consider that what they have been doing is adequate – why are they wrong in their understandings?

Nanna Beth: Because they don't understand what it's really all about. They don't understand the mind is in control of their true feelings, and that needs to be stopped. They don't understand the significance of their rebellion against the Truth, and how that happened by default. They don't understand that it's about uncovering the whole truth of yourself through your feelings, all your feelings, but focusing to begin with on your bad ones because they are what most people don't want to see. Everyone else sees it that they are doing this feeling type healing to make themselves better, to rid themselves of their pain and trauma, so instead of taking a pill to take the pain away, they are using some sort of emotional clearing system. But that is all still to take the pain away, to fix themselves, to heal themselves, to

effectively take a pill so it all goes away, just like what the ‘Divine Love people’ hope the Divine Love will do for them, but it’s not to uncover the whole truth of themselves. We have to see the truth of our pain, why we’re in it, how it all came about, so what really went on in all our early relationships. It’s not about doing anything that just takes all our suffering away. We have suffered for valid reasons, which all have to come to light. And so only emotional and feeling accepting systems will help one see such truth of one’s pain and suffering are of any worth. And unless you uncover the whole truth of yourself, you’ll never set yourself free of your rebellion and default, of all your soul pain. And the truth means to see the whole truth of why you feel unloved, how unloving your early relationships were, why you don’t love yourself, why you are unloving, why you are evil and wrong, which basically no one wants to face.

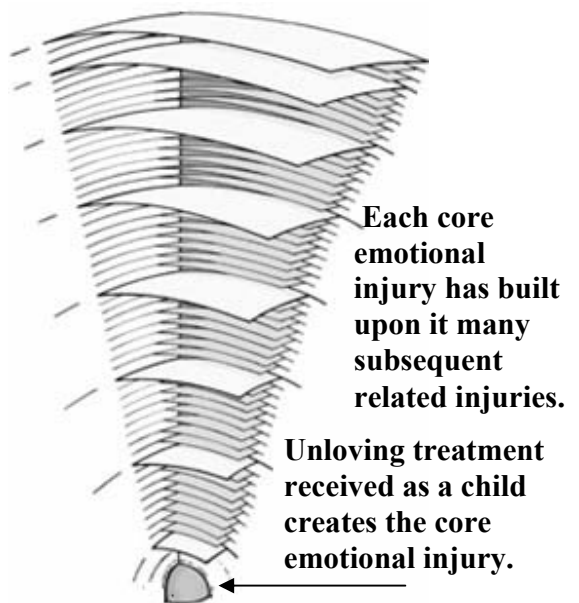

So to summarise: We all have to see the truth of our unlovingness. We can’t avoid it – deny it. We have to face it and feel all it makes us feel. And all those bad feelings lead us into the truth of it. So we have to understand – bring to light through our feelings – all the truth of our unloved, negative, evil, wrong state. And then once we’ve done that, we can be free of it. So until you uncover and feel the whole truth of it, it will never leave you, you’ll remain in rebellion against yourself, you’ll continue to be unloving.

Firstly, consider discovering the truth of your emotional pain and injuries through Feeling Healing.
 Secondly, consider longing for our Heavenly Parents’ Love as you progress with your healing.
 Primary and most important readings are the writings of James Moncrief.
 Then consider the Padgett Messages, and then The Urantia Book.

LONG to KNOW the TRUTH of EACH INITIAL CHILDHOOD EMOTIONAL INJURY:

All emotional processing work address only the top layers over the core childhood repressed injury. None of the modalities reach down to the mother injury, the core of the suppression, thus what relief from such processes is only superficial and at best temporary. Yes, they do identify the underlying cause of the pain and illness, thus this assists in addressing the physical health issues at hand. However, we need to go further, much further.

To heal oneself is to simply look to see what feelings we are refusing ourselves to feel, and accept them instead of denying them. And to fully accept them, we need to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Admit you are feeling bad. Accept your bad feelings, identify what they are. Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings? We must always reach to the core issue, that which occurred during our Childhood.

WE EDURE FOUR LAYERS of PERSONALITY SUPPRESSION!

Unknowingly, our parents pass onto their children (us) their beliefs and way of living that has evolved since the Rebellion of some 200,000 years ago and then the Default of some 38,000 years ago. In this way, humanity is suppressing the female, rejecting our Spiritual Parents, namely Jesus and Mary, and denying our Heavenly Parents being our true Mother and Father, of their truth, standing and existence.

The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion. Nanna Beth 29 June 2017

We are souls, our personality is an expression of our soul. It is our free expression of our soul through our feelings that we are to embrace and follow. This expression may appear to be wilful in nature, from time to time, and consequently our parents attempt to suppress this expression. They proceed to remodel us when as young children, in the manner their parents treated them and so on for many generations going back.

During our forming years, as a child, we are unable to recognise the suppression of our personality as being extra-ordinarily harmful to our soul based personality and, accordingly, we don't know that things can be any other way. Presently, neither do our parents.

This childhood suppression way of living continues throughout our schooling years, thus we learn this is a way of life as being normal.

Our religions all have been formed based on the tenets of the Rebellion and Default. The teachers and leaders throughout all denominations take us further away from our suppressed feelings that have been hammered into us during our forming years, thus entrenching us further into rejecting our true selves.

The controlling and suppression mechanisms of our parents, educators and spiritual teachers all manifest throughout all of commerce. This control comes heavily and brutally down upon all levels of employment. The capability to express one's soul based attributes and gifts is sealed throughout all of one's working life.

A new way of living is to enable the liberation of one's true personality through the Feeling Healing process AND the transfer of authority to the individual via embracing freedom of expression.

DEVOLUTION

Our childhood suppression of our true and loving soul based feelings is creating global pain and personal isolation amongst all of humanity. We are very sick!

In our struggle to find solace and purpose, we further withdraw into ourselves, becoming ever more self dependent, believing our control addicted mind that it can solve everything. We just drown further.

We embrace an ever expanding and diverse range of pathways to escape from our personal pain, fear and desperation. Alcohol has now been complimented with narcotics, hallucinogens, including caffeine (coffee). Gambling has been complemented with computer games which are generally entraining the mind further into error and pain. Technology is making us sicker!

We bury ourselves in front of the television to further avoid contact with anyone, especially family.

Children endeavour to exert their independent authority from domineering controlling parents (which we all are eventually) by disfiguring their bodies with tattoos and piercings, etc.

We shut out the noise with headphones, thus preventing contact with others. We use electronic devices to 'text' others even at intimate engagements.

Technology will take us further into the depths of our madness. You now can buy headsets that prevent any contact with the outside world while playing mind suppressing and entraining entertainment – games!

No one loves their children, they are ignored, and the controls hammered into them turn them into clones of ourselves. Look at ourselves and we can all see that we have been all messed up by our own parents, as they have for generations over the past 200,000 years.

No more of this! We can escape this man made hell!

EVOLUTION

STEP 1: Longing for and receiving Divine Love:

A. Soul within spirit body prior to receiving Divine Love.

B. Divine Love being received from the Holy Spirit, covering the spirit body of requesting personality.

C. Divine Love having been assimilated within one's soul, now being reflected through the radiance of the spirit body.

STEP 2: FEELING HEALING + SOUL HEALING

It is the Divine Love that strengthens one's resolve to persevere with embracing one's suppressed emotional injuries, that occurred from conception through to around the age of six, and longing to know the good and the bad of those feelings, together with talking about them to a friend, partner, one's self and our Heavenly Parents. It is only with the receipt of the Mother and Father's Divine Love and the expressing of suppressed emotional injuries that one can release the emotional injuries and errors to achieve Celestial soul condition and enter the Celestial Heavens.

Further, should one complete their Feeling Healing on Earth, then they will be able to recognise their soul partner, their other soul half, and should their soulmate have also embraced Feeling Healing with Divine Love, then their children will be born free from error, free from fear, and free from any deformity and illness. This is the destiny of humanity.

Further, being in this condition of free from error and being in constant communication with our Heavenly Parents, then one can also recognise and form their Soul Group. This will ultimately consist of twelve soulmate pairs, a total of twenty four personalities / individuals.

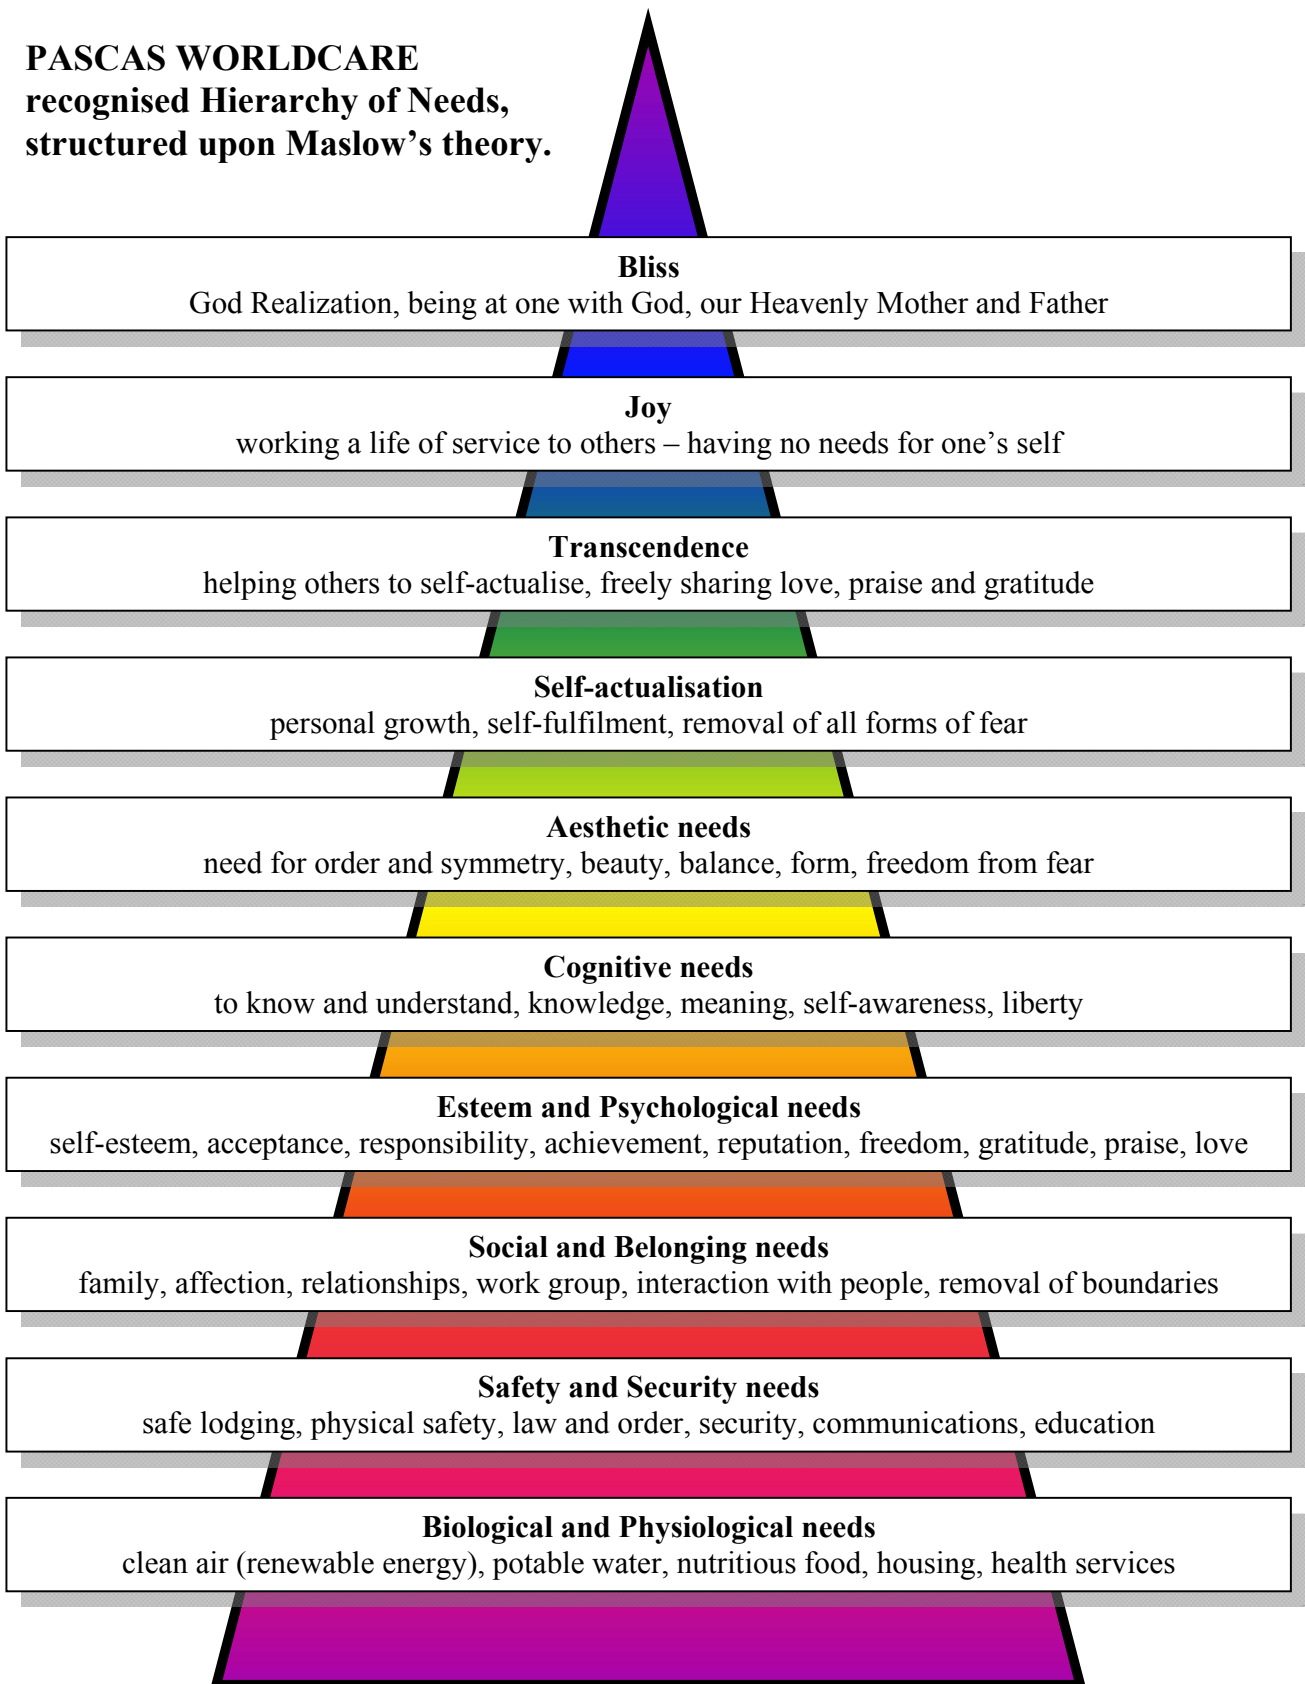

It is the bringing up of children by the support of soul groups that is to be the ultimate way forward. The group experience and wisdom, as a functioning family, will ultimately be of profound benefit for the blossoming child.

But what we cannot do is contrive the groups ourselves, or even pick who our soulmate is. This will only, and can only happen, as an outworking of the truth we are to live – as we progress in the healing of our soul.

And this is how all of life should be lived: according to the truth we are living. It is how we live, as there is no other way, but currently we live it in the negative, of that being directed by no truth, and so having to make it all up ourselves.

SOUL CONDITION / CONSCIOUSNESS sets the pattern of our HEALTH:

One’s soul condition is a predictor of one’s life expectancy.

The emotional injuries and errors we harbour are a precursor to related illness episodes. That is, specific emotional errors are the originators of specific health issues.

Thus, the lower one’s soul condition then so is one’s life expectancy lower.

Dissatisfied emotions, being emotional errors and injuries, harboured within one’s soul, is the damage that permeates through to our spirit body which is the template for our physical body. Eventually, these injuries can and frequently emerge as physical issues within our physical body, such issues arise as pains and then as an illness. Release the emotion and the pain goes.

CONSCIOUSNESS vs LIFE EXPECTANCY:

“What nations of the Earth today vibrate to those things that they have and are creating in their own land, their own environment? Look to the nations where the span of life has been extended from sixty to eighty years.

“What is the spirit of a free nation? Most individuals proudly boast “freedom”. Freedom of what? Those nations who have taken those vows that man shall be free should also take those vows “He shall know the truth and the truth then shall make him free”.

The Map of Freedom reflects the findings of Freedom in the World 2014, which rates the level of political rights and civil liberties in 195 countries and 14 related and disputed territories during 2013. Based on these ratings, countries are divided into three categories: Free, Partly Free, and Not Free.

A Free country is one where there is broad scope for open political competition, a climate of respect for civil liberties, significant independent civic life, and independent media. Partly Free countries are characterised by some restrictions on political rights and civil liberties, often in a context of corruption, weak rule of law, ethnic strife, or civil war. A Not Free country is one where basic political rights are absent, and basic civil liberties are widely and systematically denied.

Note: **The Map of Consciousness scale is from 1 to 1,000**

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.

A calibration increase of 1 point is in fact a 10 fold increase in energy.

A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.

Thus the energy differentials are in fact enormous!

Lifting one's community's soul condition and quality of life:

Can man lift himself by his bootstraps? Why not? All he has to do is increase his buoyancy and he will effortlessly rise to a higher state. Force cannot accomplish that feat; power not only, but constantly does. Ask for and receive Divine Love, which is power personified!

The main obstacle to man's development is his lack of knowledge about the nature of consciousness itself. Society constantly expends its efforts to correct effects instead of causes. Example; modern health system endeavours to mask the symptoms rather than treating the cause of illness.

All human endeavours have the common goal of understanding or influencing human experience.

Levels of consciousness are always mixed; a person may operate on one level in a given area of life and on quite another level in another area. An individual's overall level of consciousness is the sum total effect of these various levels.

Although the levels of consciousness span great variation, it is not common for individuals to move from one level to another during their lifetimes. The energy field which is calibrated for an individual at birth (or certainly by their seventh year) only increases, on average, by five (5) points, on the Map of Consciousness, over a lifetime. That an individual's level of consciousness is already in effect at birth is a sobering idea with profound implications. Consciousness itself, in its expression as human civilization, evolves slowly indeed, through innumerable generations.

As a child, we typically will calibrate at the same level as our parents, should they be in harmony with each other. If they are out of harmony then a child may reflect the calibration of one or the other parent. Thus our life experience is heavily influenced by the parents of the family that we are born into.

It has taken humanity 2,000 years to grow from an average calibration of 90 to around 210 currently.

Some family groups have overall calibrations in the high 400's. Other family groups have overall calibrations around 100. The life expectancy differential for them is around 20 years! These comparisons can be considered between villages, suburbs, cities, states, countries, etc. Our parents determine the probability of our life experience should we not lift ourselves up by our bootstraps and investigate, and seek to improve our emotional condition being our soul condition.

A one point growth in our calibration is a 10 fold jump in our condition. The calibrations are based on the common log of 10. Thus, any improvement is massive in progressing the potential for our life experience.

We are a personality having a physical experience in a physical body that has heritage linkages, such as Indigenous or European or Australian, etc. It is our soul condition and personality that we need to focus upon, not our heritage.

NOTES on the CHRISTIAN BIBLE:

P.369 Truth vs Falsehood by David R Hawkins

Old Testament	190
Book of Revelation	70

The construction of the bible was the result of a long process that proceeded over several centuries. Within the first few centuries AD, there were well over one hundred manuscripts by numerous authors, each purporting to be valid descriptions and interpretations of the teaching of Jesus Christ. These presented a dilemma over which scholars discoursed and put forth their best efforts. As a result, there was a sequence of a collection of writings that had periodic revisions. Many manuscripts were set aside, such as The Book of Enoch. Later some, such as The Apocrypha, were included by some groups but not others.

Of obvious practical value is the application of the calibration of the levels of consciousness, especially to the differences between the calibration levels of an avatar, a saint, or a sage and their alleged scriptures or canonised holy books. If there is a wide discrepancy between the teachers and the available teachings, this is indicative of error, meaning that much was lost in translation, in transmission, or in misinterpretation. This can be observed most strikingly in dissimilar quotations of Christ's words on the cross between the King James and the Lamsa versions of the Bible, i.e., it makes a world of difference whether Jesus said, "Father, why has thou forsaken me." (King James Version) versus "My father, thou has not forsaken me. From this I have been spared" (Lamsa Translation). Upon reflection, the incongruence of the first quotation is indicated by the fact that an incarnated, fully Enlightened Master who is united with the Oneness of Divinity would unlikely feel deserted by the very source of that Realisation within.

Highly interesting data and important information are provided in the brilliantly clear exposition in the first few pages of the Introduction in the Lamsa Bible, which is a translation from the original Aramaic Peshitta manuscripts that were taken to Constantinople and that constitute the foundation of the scripture of the Eastern Orthodox Church. In the Lamsa Bible's Introduction, comparison is made to the King James Version, which came from the Greek (and calibrates lower).

If all of the Books that calibrate below the credible level of truth at 200 are removed from either the King James or Lamsa versions of the Bible, the overall calibration level increases markedly. This is even more pronounced if the Old Testament, with the exception of Genesis, Psalms, and Proverbs, is removed, along with the Book of Revelation in the New Testament.

It would take detailed historical analysis to "explain why" erroneous writings were inadvertently included in canonised scriptures, but the obvious explanation is that the overall level of consciousness of the cultures of Biblical times was at 90 to 100, and the great teachers were long dead and unavailable for guidance. Also, there was no means to accurately accessing levels of truth or determining the qualifications of experts.

To recapitulate, the Old Testament calibrates overall at 190, with the exception of Genesis (660), Psalms (650), and Proverbs (350). The Lamsa Bible (from the Aramaic) calibrates twenty points higher than the King James Version (from the Greek).

Although the Books of the Old Testament (with the exception of Psalms, Proverbs, and Genesis) calibrate below 200, many individual verses do calibrate quite high:

Calibration of Verses of the Old Testament

60% calibrate over 200
 50% calibrate over 300
 50% also calibrate over 400
 30% calibrate at 500 or over
 20% calibrate at 600 or over
 10% calibrate at 700 or over
 2% calibrate at 800
 10 verses calibrate at 1,000

In the New Testament, the Book of Revelation (cal. 70) by John (cal. 70) is starkly discordant. Its origin (as described previously) is from the lower astral realms into which many visionaries have been enticed over the centuries. The depictions are that of a particular lower astral level (cal. 70) and therefore not of some level of actual truth, which would thereby calibrate at least over 200. Followers of the Book of Revelation often go into fearful proselytising about the coming “end times” and form reclusive survival groups, complete with bunkers, food storage, etc. Unfortunately, because of their prior reputation or persuasiveness, such leaders impact vulnerable followers. In extreme cases, this fearfulness has led to group suicides or paranoid delusional systems. It is important to know that such visions of lower astral origin are recurrent and described similarly in different generations, right up to the present times, with earthquakes, floods, California’s falling into the ocean, and pillaging hordes. This does not originate from heavenly realms, which calibrate at high levels, but just from a specific lower astral location (cal. 70). All visitors to that realm in astral states of consciousness report experiencing its life-like pseudo-reality.

From research, it is concluded that the highest version of the Bible is the Lamsa translation, with the deletion of the Book of Revelation from the New Testament, plus deletion of the Old Testament with the exception of Genesis, Psalms, and Proverbs. **The overall effect is to raise the calibration of the level of truth of the Bible from 475 to 880, which then puts it on the level represented by great mystics of history.**

It is important to recognise that Jesus Christ did not write the New Testament, but instead, it was written by followers who, by word of mouth over many generations, repeated what they thought Christ said or meant. As any spiritual teacher knows from experience, there can be a wide disparity between what was actually said and what a listener thought they heard. When one considers the historical process over the centuries by which the Books of the Bible finally became assembled, it is truly impressive that it calibrates as high as it does. This does lend credence that Divine inspiration was available to the scholars involved in its final versions.

NOTES on the KORAN

The social impact of misinterpretations of the Koran has previously noted. Like the Old Testament, the Koran also includes errors that have serious consequences to mankind. Aside from its references to “the sword”, as discussed previously, there are many verses that are incongruous with “Allah the All Merciful”. These verses recurrently speak of “beholding infidels” and condemn slaughtering non-believers. The Koran calibrates overall at 700.

Calibration of the Verses of the Koran

30% calibrate below 200
 25% calibrate below 150
 14% calibrate below 100

If the verses below 200 are removed, then the Koran calibrates at 940. Inasmuch as “religious homicide” calibrates at 30, it would seem that contamination by falsity is the worst enemy of genuine, pure spirituality (calibrates as “true”).

ANGELIC REVELATIONS of DIVINE TRUTH

Vol: II P.160 through James E. Padgett

August 30, 1915 –

John, will you be clarifying your book, “Revelation,” any further?

Well, I have already told you that Revelation was written as a kind of allegory, and that it is now of no practical use and should not be given much attention. Besides, it is not as I wrote it, for many interpretations and additions have been made. At any rate, it is of no importance, and men lose much time in trying to solve what they call its mysteries.

Apostle John

OUR FIRST TEACHERS:

Descendants of Andon and Fonta (also called Aman and Amon), our First Parents, not being Adam and Eve, delivered teachings that were faithfully memorised and later recorded as the SACRED and INSPIRED WRITINGS. Through later generations, writings were progressively preserved via way of hieroglyphic symbols that are the basis for the writings on temples in Mexico, South America, Cambodia, India and Egypt. Six sets, each of about 10,000 tablets, were carried from Mu (Lemuria), these were then located at: Tibet, Deccan Plateau in central India, Gobi Desert in Central China, Upper Egypt, Babylon in Mesopotamia and Mexico City. Further copies of each of these original sets were further made.

However, from the teachings of the leaders of the Rebellion, 200,000 years ago, stem all of the world's major spiritual and religious teachings, all being in error and contaminating the sacred and inspired writings, all suppressing one's soul based loving and truth based feelings and bringing about dependence upon one's erroneous mind.

From the above ancient clay tablets can be found the Lord's Prayer and the Ten Commandments, though there were 42, Moses was a practical man and condensed them. Also Moses five books are derived from the ancient clay tablets, possibly the set that was in the southern region of Egypt. Those writings had been heavily contaminated by the teachings resulting from the Rebellion.

By longing for the truth of one's feelings and for our Heavenly Parents' Love is the way forward.

WORLD TEACHERS – The First Parents, Aman and Amon, and Jesus of Nazareth and Mary:

The First Religion, is the core religion from which all world religions are founded: The Sacred Inspired Books, of Lemuria (Mu), were written for the purpose of teaching early man religion; therefore, man's first religion was the teachings of the Sacred Books, the Sacred and Inspired Writings founded indirectly upon the teachings from Aman and Amon, our first parents and first world teachers.

Our Heavenly Parents are almighty, all powerful, infinite, and at all times loving. The love of our Heavenly Mother and Father for Their sons and daughters has been and is always infinite and ever present. As one's faith in our Parents evolves, man's love for his Them will have no limit. As man grows in his love, so will man grow in his love for all of God's creations.

Approach our Heavenly Parents in reverence, without fear or trepidation, just as a child approaches his earthly mother and father knowing that open loving arms are extended to receive him at all times. As one grows in his love of our Parents, one becomes to know with certainty that God loves him in return, at all times, and that fear is an illusion created by man's mind.

All of the ancient teachings were the same all over the world, it was a universal church without sect, creed, theology or dogma.

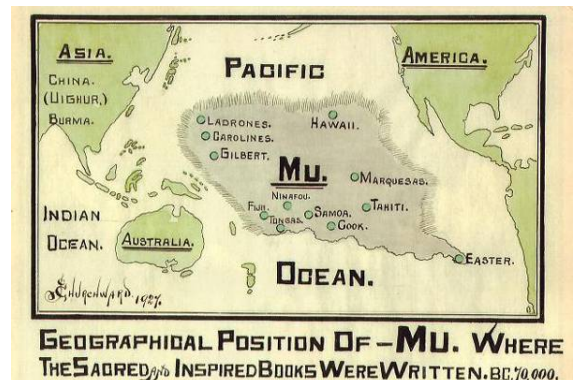

Every teaching was plain and simple without a particle of theology. The most ignorant could understand every phrase in it. There was nothing of any kind indefinite. It was impossible not to understand it thoroughly. Man was taught to approach the Heavenly Father, not with fear or dread, but with confidence, and above all, Love: as a child would run to its earthly father who is standing with outstretched arms to receive it. Love stood at the head of the 12 great virtues, because Love governs the Universe and the Heavenly Mother and Father is The Great Love.

Jesus, in the 1st century, embraced Divine Love that was rebestowed for all of humanity at his birth, gave us the Prayer for Divine Love, and introduced a commandment:

With the Divine Love we can at all times embrace the will of the Father and achieve freedom from error and harmful ways through the Feeling Healing process, thus finding our way home! And to move along this path we simply develop our embracement of: God's Divine Love; by praying for it, asking for it, and receiving it.

By embracing the commandment provided in the 1st century, namely the first: "This is my commandment, that ye love one another even as I have loved you."

As our soul condition steadily grows in love we step away from causing any harm to others which would also bring about consequences. Also as our soul development progresses, our self love grows which also enables us to step away from causing any self harm which would also bring about consequences.

EXALTED WORLD TEACHERS:

Mary and Jesus, the Master of Nebadon, are the most exalted personalities throughout our entire universe. They have free reign and access to all planes of existence. They resides within the highest plane of the highest sphere within Nebadon. Their teaching guidance and focus is upon those throughout the Divine Love Mansion Worlds and the Celestial Heaven. It is the Divine Love spirit world spheres 3, 5 and 7 as well as the Celestial Heaven spheres 8, 9 and 10 that he opened immediately upon his death in the year 29 AD.

Subsequently, Andon and Fonta (also called Aman and Amon), our first parents, proceeded to enter the Eternal Spheres, and the Infinite and Universal Spheres. Aman and Amon are very present within these regions.

Self reliant man, by his own perseverance, is his own teacher within the Natural Love Spheres. Upon embracing Divine Love, then one will be able to enter the 3rd Divine Love sphere and progress exponentially through the Heavens.

Upon the death of one's physical body, we transition to the 1st Natural Love spirit world to assimilate and commence socialising.

There is no such thing as eternal damnation. The two Spheres of Disharmony are the closest planes to Earth. We all can grow in love once we so choose to do so.

Natural Love Spheres are 1, 2, 4, 6. Perfection of natural love is achieved within sphere 6, the peak. Progression in Divine Love commences within Divine Love Sphere 3.

Note: The first Divine Love Sphere and the first Sphere of Disharmony are confused with planes within the 1st Natural Love Spirit World.

KINESIOLOGY MUSCLE TESTING – GENERAL INFORMATION:

David R Hawkins – Transcending the Levels of Consciousness P.372

The energy field of consciousness is infinite in dimension. Specific levels correlate with human consciousness, and these have been calibrated from “1” to “1,000”. See the Map of Consciousness. These fields reflect and dominate human consciousness.

Everything in the universe radiates a specific frequency or minute energy field that remains in the field of consciousness permanently. Thus, every person or being whoever lived and anything about them, including any event, thought, deed, feeling, or attitude, is recorded forever and can be retrieved at any time in the present or the future.

TECHNIQUE

The kinesiological response (muscle testing) is a simple “yes” or “not yes” (no) response to a specific stimulus. It is usually done by the subject’s holding out an extended arm and the tester pressing down on the wrist (bony bit) of the extended arm, using two fingers and light pressure. Usually the subject holds a substance to be tested over their solar plexus with the other hand. The test says to the test subject, “Resist”, and if the substance being tested is beneficial to the subject, the arm will be strong. If it is not beneficial or has an adverse effect, the arm will go weak. The response is very quick and brief.

Basics of Muscle Testing

It is important to note that the intention, as well as both the tester and the one being tested, must calibrate over 200 in order to obtain accurate responses.

If either the tester or the one being tested is dehydrated, errors will occur. A large glass of water will promptly remedy this situation.

Solar plexus is that region about 2.5 inches above your belly button. The test subject holds the item over their solar plexus with one hand and extends the other arm for response in the normal way.

The higher the levels of consciousness of the test team, the more accurate are the results. The best attitude is one of clinical detachment, posing a statement with the prefix statement, “In the name of the highest good, _____ calibrates as true. Over 100 on the Map of Consciousness. Over 200, etc.” The contextualization “in the highest good” increases accuracy because it transcends self-serving personal interest and motives.

UNIVERSALITY of our HEAVENLY PARENTS' GIFT:

By embracing the eleventh commandment:

"This is my commandment, that ye love one another even as I have loved you."

Golden Rule: that one must always honour another's will as one honours one's own.

Our soul condition steadily grows in love so that we step away from:

Any harm that we may cause to others which will also bring about consequences.

Also as our soul development progresses, our self love grows which also enables us to step away from:

Any self harm that we may cause which also will bring about consequences.

And to move along this path we simply develop our embracement of:

God's Divine Love; pray for it, ask for it, and receive it.

Or it may be even as simple as the caption below:

Oliver Twist asked:

Please, sir, I want some more!

Maybe we could simply ask:

Please, Heavenly Parents, I want some more!

Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love. JD

Revelation 23: Jesus explains the eleventh commandment.

(This message is referred to as Revelation 22 on page 58 in New Testament Revelations of Jesus of Nazareth)

June 16, 1955

Received by Dr Samuels. Washington D.C. <http://www.pascashealth.com/index.php/library.html>
<https://new-birth.net/samuels-messages/53-revelations/revelation-23-jesus-explains-the-eleventh-commandment-ntr58/>

I am here, Jesus:

I am here tonight to continue my messages of the Gospel truths, and I shall continue with John on what commandment I gave my disciples and how obedience to this commandment would bring what has been called the comforter; for in John 14 I said, as it is reported in the New Testament: ["If ye love me, you will keep my commandments."](#) ["This is my commandment, that ye love one another even as I have loved you."](#) And this statement meant that, as the Messiah, I was giving a commandment which was to be placed with, and above, the Ten Commandments of Moses; and this commandment was the Law of God's Love.

I told my disciples that they were to love one another, not merely that they were to love only themselves, but all mankind, for "one another" was a term which meant not for the circle of the disciples, alone, but for all people; and this love was to include human beings who spitefully used them, and they were to love their enemies as well as their friends.

And that love which they were to entertain for mankind was not the natural love given to all men at their creation by God, but the Divine Love which God had bestowed upon mankind with my coming; and this Love could be obtained by my disciples if they believed that it was available and that it could be conveyed into their souls through the action of the Holy Spirit.

This was the meaning of the very important phrase, "as I have loved thee." For it meant that I had loved my disciples with the Divine Love which God had implanted in my soul because of my longings for His Love, and that my love for my disciples and, I should add, for all mankind, was the Divine Love which was in my soul and which I had obtained from the Father. So that my disciples, and all mankind, could, by prayer to the Father, obtain the same Divine Love in their souls which filled my own. And this Divine Love was to be the Love with which my disciples were to love one another and all mankind.

This was the only commandment which I gave to my disciples, and no other, for I did not command them to drink or eat bread in memory of me, for such an act could have no merit in bringing the Divine Love into their hearts and could only be an act of veneration which I could not possibly have wished to impose upon my disciples; and this regardless of whether or not I thought death might be near. But I did say, rather, ["and I will pray to the Father and He shall give you another comforter, that He may be with you forever."](#) And while I did not say this in so many words, or with those exact words, I simply meant that I would, as I always did, pray to God so that their souls would be opened up to the Divine Love, which is what the writer meant by the Comforter; and that this Love would continue to be conveyed in more and more abundance into the souls of my disciples throughout all eternity. I did not mean that I could pray to the Father to send His Divine Love to my disciples merely because of my prayers, but I meant that the souls of the disciples would have to long for the Father's Love so that it could enter the souls that were in that condition to receive it.

I also said, "If a man love me he will observe my message; if ye keep my commandment ye shall abide in my love, even as I have kept my Father's commandments and abide in His Love," which was another way of saying that those disciples who believed I was the Messiah and loved me would believe that my soul was an immortal one through the Divine Love and pray to the Father for His Love as the way to atonement with Him and immortality, which was the message I taught and which I asked my disciples, and all my hearers, to apply to themselves and actually pray, and the result would be that they would be filled with the same Love as I was and that we could thus have a mutual Love for one another in the same way that as I prayed to the Father and received more of His Love, I loved God more and more, and His Love for me was in my heart.

These writings from John are correct, in that they show that Love was the great subject of my teachings, but they do not explain the Divine Nature of the Father's Love towards His children, or the fact that I was filled with His Divine Love and sought to have my disciples obtain it as well, through the one way it could be obtained – through prayer. It does not explain that this Love with which my disciples were to love one another was something more than the ordinary love which humans have for each other, or the special nature of my love for them and humanity. But, if these interpretations are added, then the real meaning of these passages from the Gospel are made manifest.

I have written you tonight on the subject because of your desire to obtain confirmation as to the truths of certain portions of John's Gospel which needed explanation, and because you felt they were close to, if not possessing, the truth; and I shall come again and write you on more material in the Gospels which originally dealt with my teachings of the Divine Love before they were stricken out, or so mutilated as to be unrecognizable.

I think I have written enough for tonight, and so I shall say good night to you and the Doctor, and with my love and blessings to him and to you, I shall close and sign myself your friend and elder brother,

What is the Divine Love?

"The Divine Love is that Love which belongs to or is a part of God, possessing Their nature and composed of Their Substance, and which when possessed by man to a sufficient degree, makes him divine and of the nature of God." – **Jesus**, in a message received by James E. Padgett through spirit communications on May 15, 1917.

"The Divine Love of our Mother and Father is the greatest thing in all the world, and the only thing that can make man at-one with God, and change the soul of man as it has existed since his creation into a divine substance filled with the essence of our Mother and Father. There is nothing else in all the universe of God that can cause man to become a new creature and an inhabitant of our Mother and Father's Kingdom; and when men possess this Love then they possess everything that will make them not only the perfect man but the divine angel." – **Apostle John**, in a message received by James E. Padgett on August 5, 1916.

DIVINE LOVE:

<http://www.fcdt.org/divinelove.htm>

The words "Divine Love" have been used in many contexts to convey different meanings. But in the context of our Heavenly Mother and Father, Divine Love is the greatest gift in all the universe. It transcends all else that can assist humankind fulfil their dreams of happiness and have them resolved within themselves. God's Divine Love is the one thing in all of God's infinite universe that can bring about eternal life and everlasting happiness in the Celestial Kingdom.

What is Divine Love?

The Divine Love differs from the natural love of man with which he was endowed when created, which belongs to all humans, and which they all possess in a more or less perfect condition in this: that the Divine Love is that Love which belongs to or is a part of God, possessing Their Nature and composed of Their Substance, and which, when possessed by a human soul to a sufficient degree, makes him divine and of the nature of God.

What is the New Birth?

The New Birth is simply the effect of the flowing of this Divine Love of our Mother and Father into the soul of a man and the disappearing of everything that tends to sin and error. As the Divine Love takes possession of the soul, and one embraces Feeling Healing, sin and error disappear. It, the soul, becomes of a quality like the Great Soul of our Heavenly Parents. And with the Soul of the Mother and Father being Divine and immortal in Its quality of Love, so, when the soul of man becomes possessed of this quality of Love, the soul being the man, this soul becomes divine also. Then, the image becomes the substance; the mortal becomes the immortal; and the soul of man, as to love and hope, becomes a part of the Mother and Father's Divinity.

How does one receive the Divine Love?

The only way is simply this: that men shall believe with all the sincerity of their minds and souls that this great Love of our Mother and Father is waiting to be bestowed upon each and all of them; and that when they come to our Mother and Father in faith and earnest aspirations, this Love will not be withholden from them. And, in addition to this belief, that they pray with all the earnestness and longings of their souls that our Mother and Father will open up their souls to the inflowing of this Love, and that then may come the Holy Spirit to them to bring this Love into their souls in such abundance that their souls may be transformed into the very Essence of our Mother and Father's Love. The soul who will thus believe and pray will never be disappointed, and the Way to the Kingdom will be his as certainly as that the sun shines by day upon the just and unjust alike.

Take the test.

Too often we are told to believe something based on what we are told. You don't have to "believe" anymore. Now you can have physical proof of the existence of God and Their Love for you?

"test my teachings that the Father's Love was now available, and pray for it to the Father in earnest prayer, and see whether, if this was done in sincerity, the Father's Love, conveyed through the Holy Spirit, would burn and glow in the soul, by which sign they would realize His Love was present therein." – Jesus

Take it to heart – earnestly pray for God's Divine Love and feel the glowing of Their Love in your soul. Jesus gave us the Prayer for Divine Love to help us in our prayers to our Mother and Father.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

UNIVERSALITY of the LOVE:

Should you be open to and communing with our Heavenly Parents, our Mother and Father, no matter who you are and where you are, your desire for Their love will be showered upon you. We do not need to be anywhere in particular or be receiving guidance from any particular person, our relationship with our Heavenly Parents is a very personal one to one communion that can bring about a flow of Their Divine Love into one's soul anytime we desire as often as we desire, anywhere we may be no matter what we may be doing. It is our choice and our free will that only needs to be applied. Embrace and enjoy the Love.

Divine Love

The Gift that keeps Giving

A general universal platform on how to experience Divine Love

As more people become aware of the *Divine Love*, how to experience the Divine Love required a need to provide a general universal platform that is simple yet an effective way for one to experience *Divine Love*. People may learn about the availability of *Divine Love* by word of mouth or from reading literature that introduces this gift for our soul, and also by participating with group dynamics where the *Divine Love* is introduced and discussed. The essence of this standard platform is its independence so that the individual may feel guided to include this simple platform in their daily life and experience of *Divine Love*.

The platform introduced here is a technique that is simple, constant, practical and has been utilised in the general public for over 20 years with good consistent results, accommodating participants and their diversity of belief and cultural background. This platform is a reliable place to begin with the experience of *Divine Love*. It needs to be confirmed that accepting *Divine Love* rests with our soul and heart and that to experience this Love will comfort one in their individual faith experience as we all aspire toward the greater reality of Love, Truth and Spirit.

A Universal Platform on How to Experience the Divine Love:

Firstly, you are aware now that you can experience the *Divine Love*.

Find a comfortable chair; sit down in a relaxed and normal position.

Close your eyes and take 3 deep single breaths in through your nose and out through your mouth to clear energy and to relax into this experience. Have a little faith and proceed without great expectations.

Gently turn your inner heart and voice to the Soul, God in faith when you feel ready, ask the Soul, God with your own loving voice for an inflowing of *Divine Love*. Having asked sincerely, there is no need to continuously ask. The Soul, God hears sincere love in the asking and so The Spirit that brings the Love acts, and *Divine Love* is now flowing.

Having asked once, you will be receiving the *Divine Love*.

Proceed without expectation on what will happen as you experience the Love.

Sometimes your mind may wander – or there are thoughts, feelings or physical sensations. Experiencing the *Divine Love* is never a forceful experience.

Continue for as long as you feel you would like to. This may be for 5 minutes or 20 minutes or an hour. Time will vary for the needs of the individual or group.

Take another few deep breaths to assist your focus. Give our love to the Soul, God and in our own voice inwardly say this Soul, God that you love this Soul and are grateful to receive this *Divine Love*.

Then when you feel ready, open your eyes and take another deep breath or two, and this closes the experience.

Some helpful hints:

- This general universal platform on how to experience the *Divine Love* is uncomplicated. Some people have utilised this platform for over 20+ years, never needing to change.
- The essence of this standard platform is to experience the *Divine Love* in a comfortable way therefore this technique needs to be simple, effective and inclusive.
- Experiencing the *Divine Love* can be a long-term experience so to have a practical, simple, functional standard platform solves a lot of problems about *how to experience the Divine Love*.
- From this general platform people who like prayer or meditation, reflection, spirit communication, or just being *in* and *with* the Love can extend their experience from this standard position.
- Lastly, enjoy! And know that when a person is experiencing the *Divine Love* that one is in the tender care of the Soul God, and that no spirit interference will happen, for no spirit can interfere with the Sovereignty of *Divine Love*, which is God's Alone!
- Enjoy, Celebrate and Shine!

DIVINE LOVE – what does it do?

The divine gift from asking for and receiving Divine Love will steadily, but with certainty, raise one's quality of life and also of all those around such a person who is seeking and receiving this Love.

The receiving of Divine Love, which is a substance, with certainty, progressively:

- Raises one's love for those around them, whilst embracing one's Feeling Healing.
- Raises one's perception of all things – naturally grows one's intelligence – soul intelligence.
- Enables one to feel and resolve negative emotional issues more readily during Feeling Healing.
- Humility becomes self evident. Humility enables one to feel their errors and emotions.
- Divine Love strengthens one's resolve to express errors, emotional injuries and untruths.
- Divine Love with Feeling Healing to remove emotional errors, enhances one's health.
- Divine Love enables one to become more childlike – not adult serious at all times.
- Divine Love raises one's capability of feeling – no longer needing to be mind controlling.
- By becoming feeling orientated, one no longer is mind / intellectually dominated.
- The strength to fight and overcome sin and error is strengthened through the Divine Love.
- The Law of Compensation process is more resolved by Feeling Healing with Divine Love.
- Receipt of Divine Love grows one's faith, beliefs become faith and then knowing.

- We begin to follow our passions and desires, no longer fear and mind driven.
- Truth being told at all times then progressively becomes a way of life.
- Our quality of life blossoms, our finances and relationships prosper.
- Man creates his own environment, seeking Divine Love can vastly improve one's environment.
- Health carers receiving Divine Love enhance healing outcomes beyond comprehension.
- Receiving Divine Love may assist in bringing a struggling marriage back into harmony.
- You progressively become dependent upon our Heavenly Parents, not self dependent.
- Personal growth in love directly assists the soul condition growth of one's children.
- Divine Love assists one's rate of soul condition to progress whilst embracing Feeling Healing.
- Divine Love is a substance that changes the human soul to that of the Divine.
- Without Divine Love, one cannot progress into the Celestial Spheres (8th sphere and higher).
- Divine Love, with Feeling Healing, enables everlasting Love and Life in the Celestial Heavens.

“The Law of Compensation doesn't operate on isolated actions, but on the overall condition of people's souls, because the deeds are the consequence of this condition. Our behaviour is the reflection of our souls. Never see isolated deeds, always see souls whose condition leads to certain deeds. It is the soul condition which determines the motive and consequently the action. It is our lack of trust in God, this ultimate and definitive trust, which only soul development may give us. This lack is why we suffer.”

Judas of Kerioth 5th October 2001

As you grow in love, illness issues abate, financial security improves, and your treatment of your fellow man is the same as how you would like to be treated. You grow in natural intelligence, your perception on many subjects becomes profoundly more loving and supportive of and for your way of life and how you interact with your fellow man.

This quality of life and love permeates and extends into every facet of your physical life and continues to grow as you progress on your journey within the spirit world.

Your capabilities to ask for and receive Divine Love is a gift between you and your creator, God. You do not need an intermediary, nor do you need to join with any organisation. This is your own personal journey and experience. You can share this with others, but no one can take it away from you.

This Love will elevate the human soul to a condition that it may perceive the spiritual truths which God has waiting to be revealed to His children who aspire to understand the nature of the divine and what their true relationship to Him and their family of souls is.

“Keep faith with God, and be open to His Love, and you will overcome with confidence and, indeed, peace of mind, optimism and happiness, those circumstances that seem to mar the fulfilment of your years.” Mary (mother)

DIVINE LOVE = ULTIMATE HIGH-OCTANE SUPER FUEL versus Natural Love:

The Divine Love is far more powerful than the natural love. If I would have to put a number on how much stronger, just so you can understand what I'm trying to say, I would say 10 or maybe even 100 times. Of course this is purely hypothetical because natural love is only a derivative of Divine Love so it is almost impossible to compare them this way. If you ask for the Divine Love to enter your soul it will be 10 or 100 times more efficient, 10 or 100 times stronger than if you would let the natural love flow through your soul. So it will help to break down "the wall" you've created around your soul 10 or 100 times faster than the natural love would do.

John (Apostle) 19 January 2015

With DIVINE LOVE one's potential in growth is to infinity, progression is typically many multiple times faster than for those who remain NATURAL LOVE dominant and restricted in their growth potential to that of only becoming the perfect man whereas Divine Love enables at-onement with the Father and entrance to the Celestial Heavens and beyond.

Embrace the availability of the Feeling Healing process and Divine Love, all one need do is to earnestly long for and ask for our Mother and Father's Love. It is an energy that surpasses all that is.

It is with this energy melding within one's soul that heaven on Earth is achieved.

Nothing else can bring about the joy and love we strive for.

The BEAUTIFUL MIRACLE:

5 Oct 2012

The DIVINE UNIVERSE

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union completes. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love, the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other, then one is living in the presence of the Father in perfect harmony, and this clarifies the truth about what it means to be truly at-one with God.

SHINING TOWARD SPIRIT:
665. The Shining toward Truth

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas

www.lulu.com

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

The Only Prayer That Man Need Offer to the Father:

The Prayer for Divine Love

(as given within the first century)

2 Dec 1916

I am here, Jesus

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

P.438 Book of Truths through James Padgett / Jesus

Let your prayer be as follows:

Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.

That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.

We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.

Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.

Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.

Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.

We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.

We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.

Amen

MoC

Note: The 'false teachers' are our parents, as they are also the 'evil ones'. Also, the evil ones, being those parts of one's mind, that are controlling you.

The following three prayers are variations of the Prayer for Divine Love on the prior page. Consider yourself free to embrace any or a combination of these versions. It is what you personally feel is of the utmost importance. You may consider adopting your own format or combination; you may also consider different options on different occasions. The Love is there at all times just waiting for the asking. The gift is in understanding that our freewill is never imposed upon and that we simply need to ask and you will receive.

A Personal Adaptation of the Prayer for God's Divine Love:

Joseph Babinsky

Our Father, who art in heaven, I recognise:

That You are holy and loving and kind, and that I am the child of Your care.

That I am the object of Your great Soul's love and tender most care.

That Your will is that I become at-one with You and partake of Your great love, which You have given me through Your desire that I become, in truth, Your child.

That You will open up my soul to the inflowing of Your love, and that then will come Your holy spirit to bring into my soul, this, Your great love in great abundance until my soul may be transformed into the very essence of Yourself; and that there may come to me faith – such faith as will cause me to realise that I am truly Your child and that I am one with You.

Let me have such faith as will cause me to know that You are my Father and the giver of every good and perfect gift, and that I only can hinder and stop the river of your inflowing love.

Let me never cease to realise that Your love is waiting for each and all of us, and that when anyone comes to You with faith and earnest aspirations, Your love will never be withheld.

Keep me in the shadow of Your love every hour and moment of my life, and help me to remain completely focused on this, your ever-present and unconditional love.

I thank You for Your love and for the possibility of receiving it, and believe that You are my Father – the loving Father Who smiles upon me always and is always ready to help me and take me to Your arms of love.

I pray this with all the earnestness and longings of my soul, and trusting in Your love give You all glory and honour and love.

Prayer for Divine Love

My Father, Who is Ever-Present, I recognize that You are All Holy and Loving and Merciful, and that I am Your Blessed Child.

Let me have such faith, as will cause me to know that You are my Father, and the bestower of every good and perfect gift, and that, only Your Love will change me from the mortal to the immortal.

Let me always realize that Your Love is waiting for each and all of us, and, that when I come to You, in faith and with earnest aspiration, Your Love will always come to me.

Keep me in the shadow of Your Love every hour and moment of my life, and help me to overcome all the temptations of the flesh, and the influence of the powers of the lower ones who are so in need of Your Love. Keep my thoughts and desires on following Your Way with humility and gratitude, always seeking to love and care for myself and others as You do.

I thank you for Your Love and the privilege of receiving it, and I believe that You are my Father - my Loving Father who smiles upon me on my journey, and is always ready to help me and take me into Your Arms of Love.

I pray this with all the earnestness and sincere longings of my soul, and, trusting in Your Love, give You all the glory and honour and love that Your Child can give.

The Padgett Messages, received 1914 to 1923 and published in the Book of Truths, has now been extended with further session of messages having been received between 2012 and 2013, and titled “The DIVINE UNIVERSE” via Zara Borthwick and Nicholas Arnold.

The DIVINE UNIVERSE

79. *Prayer of the Heart*

16 October 2012

I encourage the heart that prays to the Father for the Divine Love. I encourage the heart that loves the Love, and with sincere aspiration, feels for the Love. If there be any doubt, loss of faith or hardship of heart, I encourage the heart not to give up or give the Love away. The Father hears your prayers and the heart be rest assured in this. Never will a good heart be forsaken. As the Father does so do I, see and hear your heart, and prayers for the Love and the needs for wellbeing. Never give your heart up; trust in the One who knows your true heart, and there the Father loves you. One may never fully understand the intricate workings of time, past present and future, but the heart knows faith and Love and the Father Loves a good heart. Pray with faith, and in your heart my truth and the Father’s Divine Love meet you there.

I have given you this prayer of the heart so that men and women may draw from its words, strength, love and faith

Your beloved friend and companion,

Whilst we are receiving our Heavenly Parents’ Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God’s way of loving us into love and then we live what we are, love.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to ‘our Mother and Father’. Further, when considering soul healing, then reference to Divine Love could be referred to as ‘Feeling Healing with Divine Love’.

The DIVINE UNIVERSE

300. *Prayer of Love and Strength*

2 February 2013

I am going to write the Prayer of Love and Strength that may help those with their endeavour of heart in the receipt of the Divine Love:

I pray that I may find the love and strength in my heart to love you more wholeheartedly. I pray that I may feel this strength as a living truth in my heart and soul as my weakness, due to my condition in my physical and material struggle, may not become a hardship that casts a long shadow over my day-to-day living in my faith in Divine Love. I pray that I will not give in to any negativity that surrounds me, or to the way that at times I cannot seem to be able to help or forgive myself for loosing faith in The One I love.

I pray that I am receiving Love, your Divine Love that is in great abundance and that my heart partakes of a small portion of this abundant Love. I ask that your Spirit, The Spirit, convey the Love into my soul as I have already been receiving into my soul your Divine Love. I pray that your Divine Love gives greater love and strength to my heart that I may continue in my prayer to receive this Immortal Love.

God, I love you with all my heart even if there be a shadow across my heart, and a lack of humility in my faith and on my behalf for I recognise that you can love me more perfectly and wholeheartedly than I can accept for myself.

God, I recognise that you are Soul and that I am a finite soul and that your Love and Spirit are true gifts for my heart and soul and that I need this Love that you have provided. I pray that from your Love, more finite love and strength in my faith and heart will enable me to love you even more. I recognise that I am doing my best in all that life has given and taken away from me and that in my resolve, my heart knows that your true Divine Love always remains with me and my faith in you. At times I have left you and left your side and wandered all over the place, lost in the shadows of life and in the near-sightedness of my eye and then, I pray for your Love and your Love fills my heart and my love and strength return and I accept that you are loving me at all times when I am lost and found. I give you all my gratitude, love and strength that my heart can give and I desire not to change the world or the spirit world accepting that your Divine Love will change my soul and in harmony together, I will try for a peaceful world.

I have provided you with the inspiration to give these words of love and strength that such words may help one in their experience of God's Love and Spirit.

The DIVINE UNIVERSE

303. *The Immortal Prayer*

6 February 2013

For those of you who are strong, I will continue to sustain this strength because many of you who experience the Father's Divine Love require a great resolve and strength of heart not to give up on the Truth and not to be saddened by the apparent lack of interest in the most beautiful love that you feel and know to be true. I will never prevent myself from being with you, who sincerely desire the Divine Love and, with any feeling of being afraid, alone or insecure, I with my Celestial teachers are present supporting you. There is no shadow in the Divine Love and for those who are aware of this Love in faith, love and spirit we celebrate the harmony of God's universe of Love and Spirit.

I pray for the Divine Love, the Immortal Love

Universal Soul God,

My Father, I love and accept you with my heart. I sincerely pray for your Love that will come by The Spirit and embrace my spirit body conveying your Divine Love into my soul. I humbly ask that you love me as I love you, and that you continue to love me when in those times I cannot love myself.

I ask that you give me the strength to voice my faith and love to you, and that you may love me in my weakness and in my strength. I know that I am a soul beautiful to you as you are to me, and that your Divine Love will be the arrival of Truth that my soul has truly longed for.

I pray that your Divine Love will be the arrival from which will announce the departure of my doubt and that such faith, love, strength will come to me that I will never doubt you again. And I will never stop loving you, in the sunrise and the sunset of each day in my life.

I recognise that you are the Source of the Divine Love and the origin of my soul. I recognise that I may have been lost to you but in truth I was never lost to you and now, I am gathering up all my love out of my lost-ness in great abundance because I am aware that your Divine Love is present for my soul and I am free to receive your Love and feel Its' breath of spirit declare in my heart the Immortal Harmony.

I am receiving your Love, I have received your Love, true Universal God, your Immortal Love.
Amen

PRAYER / MEDITATION:

Family Reunion – Afterlife Contact: through Joseph Babinsky page 175

The Divine Love is the ingredient of real and definite change. This love will not force the change, but change will come if you continue to desire it to do so. When you are anxious to see the change it escapes your attention. Be still and quiet; reflect in silence. Love is present. Keep asking, longing, and never cease: this is your part. It is your cooperation actively engaged that brings the transformation and continues the process.

Do not fade; do not walk away. Remain in the presence of Love. Be stubborn if need be. Remain in the place of active waiting. This is active silence – energetically remaining steadfast in the place of waiting for more of the Divine Love to flow to your soul. You cannot see it; sometimes you will experience it as simple quietness and calmness. This is as pure and real as any other experience, whether demonstrative joy through laughter and dance, or other expressions.

Do not interpret times of quiet as moments when you are unheard or ignored, or worse, that you are rejected. Divine Love is present; it is always present. It does not fade or disappear. Thus, you must not walk away disillusioned and feel forsaken. There is no need for you to sulk. Do not give into feelings of neglect and rejection.

Come once again to your chamber of prayer. Maintain daily prayer and meditation. When you do this you are building a home for the dwelling of the Divine Love. Your continual invitations establish an attitude of welcome to the Divine Love. These build a bridge for the Divine Love to carry you to new and higher levels of change and transformation: places of new realms for your soul growth and development. They are experiences and expressions of your soul journey to new homes being visited.

You are presently trying on new clothes. You are a soul travelling to new places in new areas having new vistas. You ask if this or that is your new home. The answer is yes and no. You will feel uncomfortable and this indicates it is time to move on. Where you dwell causes you to feel uncomfortable. Where you once felt comfortable no longer feels this way. It is time to move: time to follow your heart and time to explore.

If you move too quickly and reach too soon for a higher place, you will feel discomfort. You will find your new home; this is certain. Now, at this present moment, you are seeking your new home. Do not be alarmed; you will find the peace that your soul desires.

Come home; come home and rest. This is the call that you feel. Do not fear change. You are not slipping backwards to a lower place; you are heading in a new direction: a place higher – higher still. Rest, be quiet, and be still. Listen and hear the whispers of this call.

Your friends await you – new friends as well as old. Your old friends have beckoned to you and they wait your arrival. Remain still and quiet as you move forward. This moment is rich with new adventure.

Are these words familiar to you? Do you recognise them? They are the words of change and progress. They are words in a song that you may have sung or heard many times before. You may have sung or

heard it yesterday and a month ago, and also last year and the year before. You many have sung or heard these words many years ago too.

Pause, breathe deeply; sigh, and, and if you must, cry if need be. This is your soul's journey as you travel the road of great change – the transformation of your soul.

Remember, it is said that only you can prevent the Divine Love changing you from the mortal to immortal. This is true; it remains as true as ever. And it shall remain true during the entire course of your transformation process.

Today you are in a new place. You have not been this way before. Take a rest, breathe deeply and be still. Listen and hear.

The voice that comes to you is the voice of the Divine Love in your soul. Allow me to change you. Do not define me or draw a chart showing a prescribed plan of process and progress. I cannot be so rigidly pictured. Be fluid and flexible. Allow me to expand your soul-vision. Allow me to open your eyes that you may see clearly the new home I am leading you toward.

I am the voice of Divine Love wisdom. Allow me to teach you and guide you. I will not lead you astray.

I am the voice of your transformation – the change and transformation of your soul.

Listen and hear. Be quiet and very still so that my voice may become clearer within you.

Are you ready? Are you ready to continue your journey? Are you ready to begin once again? You have not been this way before: are you ready for the next step?

There are many precious souls around and about to encourage you. However, it really is now you and I, the Divine Love and you – your soul. I am the voice of the Divine Love in your soul. Do you hear the sound of my voice? Do you recognise the sound of Divine Love? Is my voice clear? Does it resonate within you?

Be still and trusting. I will guide you safely home. The way is before us. The way ahead is open. It leads to higher places and higher realms where a beautiful home awaits you.

We are not yet there. It is close; just a little further ahead. One more step ... just one step at a time. Until we arrive, there will always be one more step.

Rest, relax and breathe. Pray and wait.

I am near; I am present. Take my hand. Reach for my out-stretched hand.

Feel my presence ... so close; so very near.

I am the voice of the Divine Love within your soul.

I Am – Source Soul

The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.

But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Mother and Father's Grace.

Holy Spirit infusing Divine Love.

Progressive escalation of Divine Love flowing.

Visualise yourself as you were when young and with an empty bowl, and then thankfully ask the Mother and Father for Their Love – Their Divine Love:

"Please, Mother and Father, I want some more."

The Voice of Divine Love

~~~~~

As the receiving of the Love is always assured when longed for and asked for, the experience of receiving may become apparent by the occurrence of a warming embrace in the region of the third eye chakra, or with some, around the heart chakra region. This may be very subtle and gentle for some and may be for a few moments or extend for some time. Many do not physically feel the Love embracing them and this is totally fine, nevertheless the Love is being received.

On a few occasions, one may feel the love through the third eye region and then feel it expand as if it were to become a warming buzzing 'hat band' progressively expanding around one's head. This can intensify and feel as though one's cranium is about to pop off! Should this continue to intensify, then the sensation may flow down one's main meridian to the base of one's spine. Now that is something else! Relax and enjoy the great gift for this can be an experience that may continue for a short while or for quite some time.

Always, when one longs for the Love, it will shower over one's body and be absorbed in through the spirit body chakras into one's soul. Occasionally the Love will overflow from one's soul and some will reside within one's spirit body. At no time will you be discomforted. This light golden blue energy substance is the ultimate high octane super fuel gifted to us by our Heavenly Parents to us all.

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on them selves and doing their Healing.

**Feeling Bad? Bad feeling are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.**

**Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.**

**Primary and most important readings are the writings of James Moncrief.**

**Then consider the Padgett Messages, and then The Urantia Book.**
