CHANGE!

## **YES** *we are a weird mob*

Yes, we are a weird mob! We are living through our minds and against our truth, consequently against our Heavenly Parents. Amazingly, the world all over is exuding a bizarre array of stupidity not befitting what is considered to be the most educated civilisation that planet Earth has ever achieved.

We can only wonder at the malaise, the stupor, the incredible self deprivation that we impose upon ourselves. We all have incredible intelligence but seldom does it shine! What is it that we are all missing? Why are we just barely functioning, unable to be creative and vibrant like we are intended to be?

This time in humanities development, we have the greatest array of education systems the world has ever seen. Education is available for most with many able to access education well before school age and mature age students have an array of pathways to further their accreditations. Yet we still find gross unease and distrust throughout the populations of all nations. Why is this so?

Technology has enabled very low cost communications around the world. The majority of people can sit at their laptops or computers and readily converse with anyone around the world while visually seeing them on a screen. This has opened up culturally diverse communications and provided the availability for meaningful dialogue across all borders.

During the early 2020s, Elon Musk's SpaceX, which has already requested permission to put 30,000 more into orbit, company's current production is four satellites a day, and at this moment is finalising the development of Starship, a heavier rocket that would allow it to put 400 satellites into orbit at once. The project aims to blanket the planet in high-speed, affordable internet via a fleet of up to **42,000 satellites**. Scientists have said that Starlink could interfere with astronomical research, however, so future Starlink satellites are likely to feature visors to make them appear less bright in the sky. Further, the problem is you have to have many satellites orbiting to make up for the fact that you can't stay in one spot above the Earth. Because you need several satellites overhead at any one time to cover many users. This will enable internet access to everyone.

However, **940 million** people do not have access to electricity globally as of 2020.

Today, education remains an inaccessible right for millions of children around the world. More than **72 million children** of primary education age are not in school and **759 million adults** are illiterate and do not have the awareness necessary to improve both their living conditions and those of their children.

An estimated **790 million people** (10% of the world's population) are without access to an improved water supply. **2.1 billion people do not have access to safe drinking water.** 29% of the world did not have access to safely managed drinking water in 2015.

Around the world, more than enough food is produced to feed the global population—but more than **690 million people still go hungry.** After steadily declining for a decade, world hunger is on the rise, affecting 9% of people globally. From 2018 to 2019, the number of undernourished people grew by 10 million, and there are nearly 60 million more undernourished people now than in 2014.

According to a new report from World Resources Institute Ross Centre for Sustainable Cities, 330 million households in cities around the world, equivalent to 1.2 billion people, do not have access to affordable and secure housing. Without immediate action, the problem will become even more critical, as this housing gap is projected to grow by 30 percent to **1.6 billion people by 2025.**

Economic advances around the world mean that while fewer people live in **extreme poverty**, almost half the world's population — **3.4 billion people** — still struggles to meet basic needs, the World Bank said.

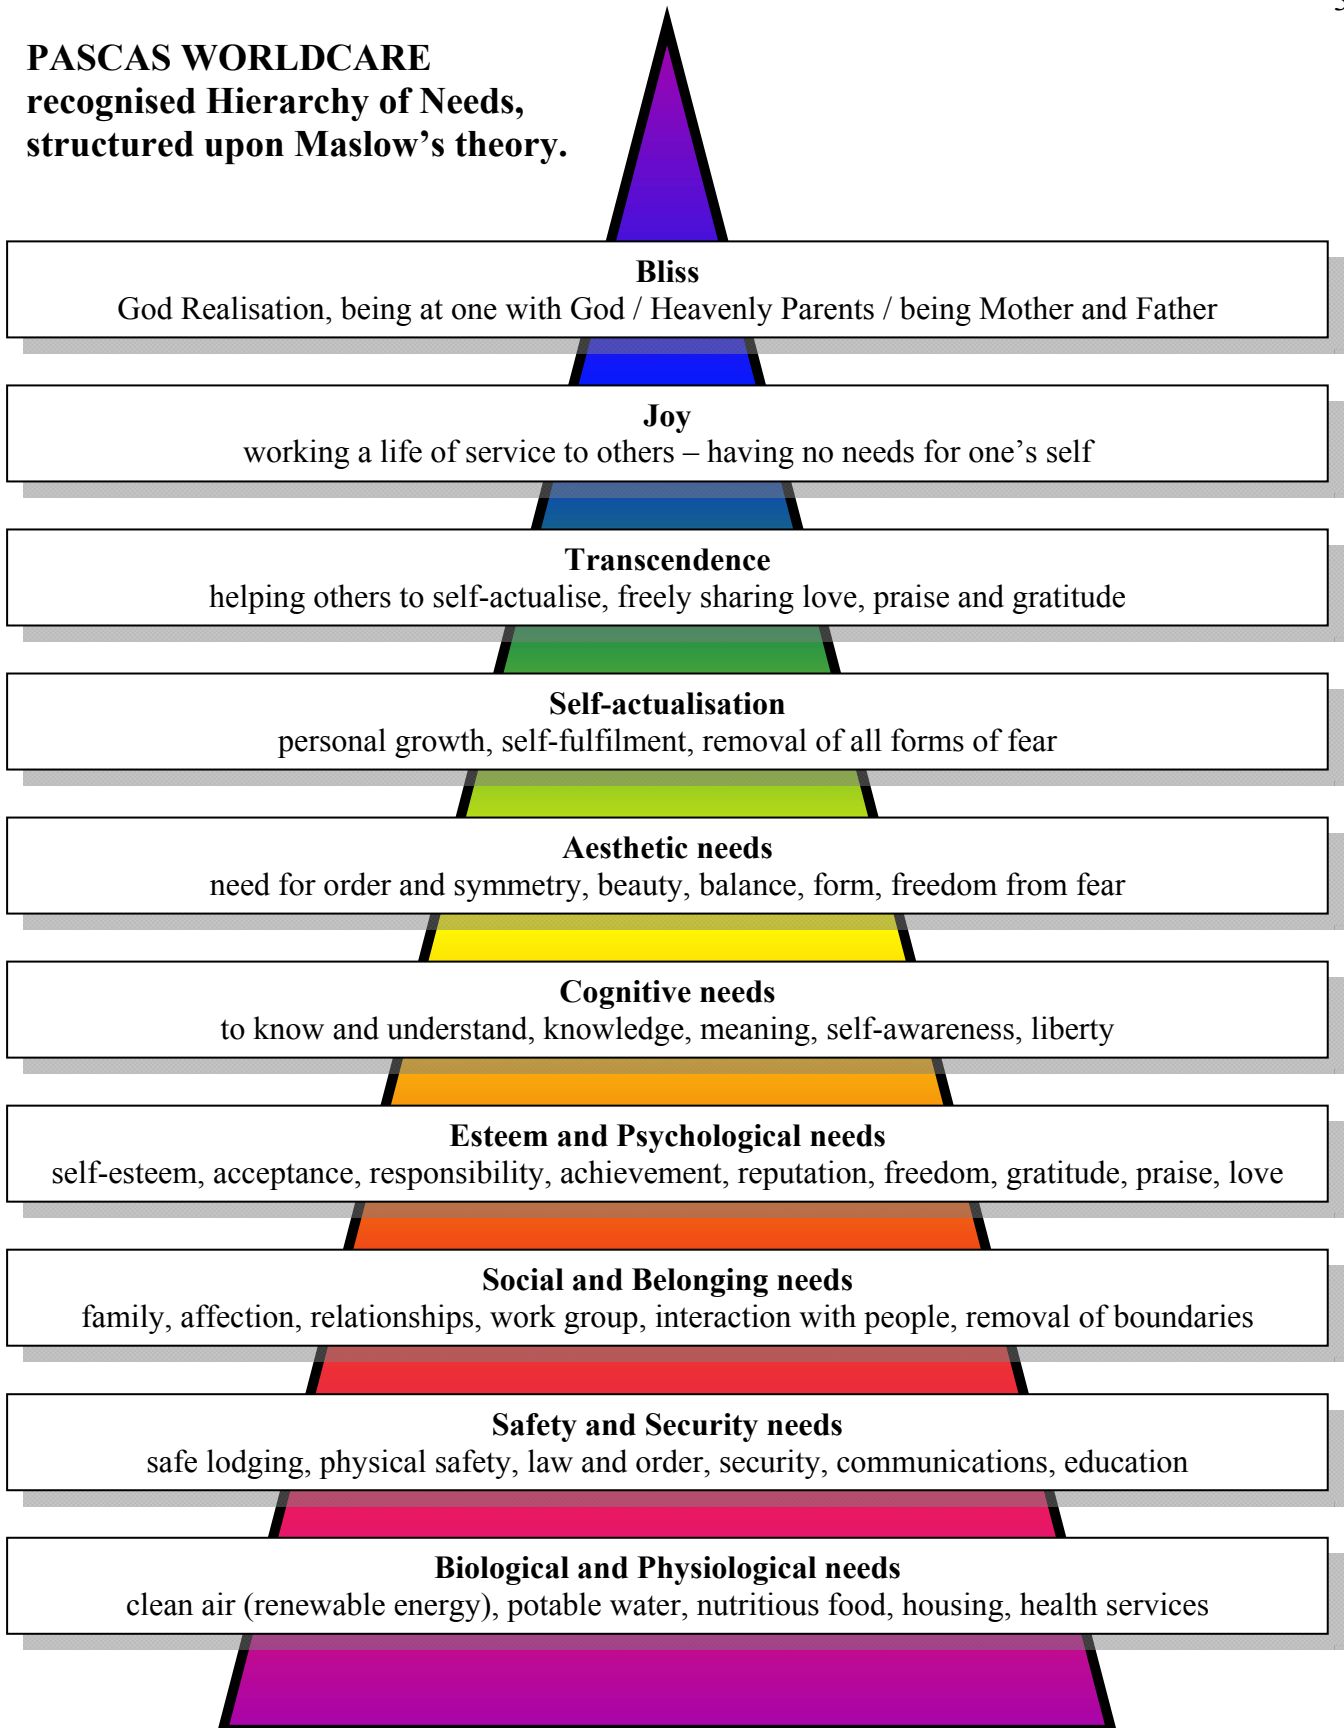

Living on less than US\$3.20 per day reflects poverty lines in lower-middle-income countries, while US\$5.50 a day reflects standards in upper-middle-income countries, the World Bank said in its biennial Poverty and Shared Prosperity Report, "Piecing Together the Poverty Puzzle."

The World Bank remains committed to achieving the goal of ending extreme poverty, defined as living on less than US\$1.90 a day, by 2030. The share of the world's population living in extreme poverty fell to 10% in 2015, but the pace of extreme poverty reduction has slowed.

We truly are deluding ourselves in believing we are an advanced civilisation!

**PASCAS WORLDCARE**  
**recognised Hierarchy of Needs,**  
**structured upon Maslow's theory.**

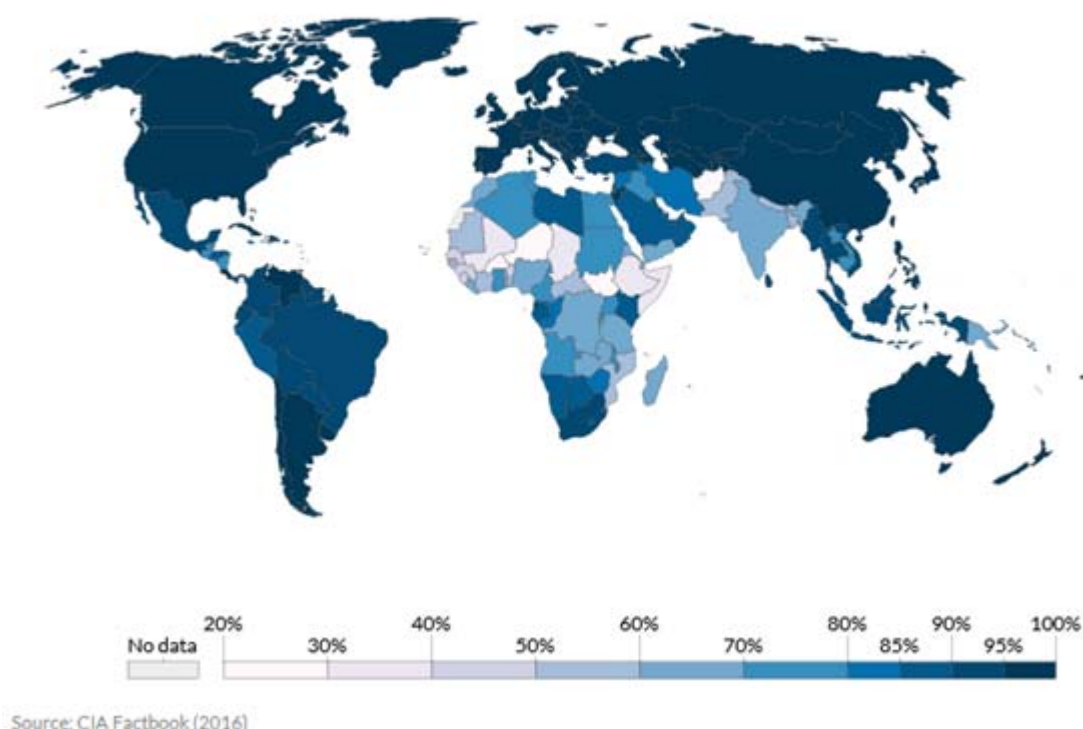

**Global military spending**, meanwhile, has grown steadily since 2001, when US\$1.15 trillion were spent **globally**, to the US\$1.92 trillion spent **globally** in 2019.

In 2019 **global humanitarian** aid dropped for the first time since 2012, from US\$31.2 billion to US\$29.6 billion. Reduced support from governments and EU institutions contributed to this 5% drop on 2018 levels. United Nations appeals hit \$30.4 billion in 2019.

In 2019, **global GDP** amounted to about US\$87.2 trillion. **Gross domestic product**, also known as **GDP**, is the accumulated value of all finished goods and services produced in a country, often measured annually. Compare military spending to humanitarian aid – are we ‘civilised’?

Nanna Beth, 3<sup>rd</sup> Celestial Heaven: During one of the Pole Shift ages (the Sun micro-novas between every 12,000 to 13,000 years apart), there were three main advanced civilisations on the world, all of which had dreadful wars annihilating great numbers of people and using nuclear weapons of a sort that were powered by other undisclosed energy systems. So of course these weapons and their devastating effects have been of great interest to such governments as they’ve come to understand the extent of these wars and the damage done by the weapons. Humanity in Rebellion has always been at war with itself, because how can it be any other way when you are living untrue and looking to gain full control using your mind. Much of the nuclear technology of today originally came as an offshoot from studies of these past weapons. And the arrogance and ego of modern man is such that it doesn’t want to say to the people that there were people on the world before us who were far more advanced than us in certain ways, because if they did that, how could they justify the Bible and other religious texts as being the ways one should live. Christianity has a huge hold over the governing systems, as you understand, and to say Christianity is only a product of relatively modern times, and that the ancients who had more advanced technology and could easily fly into space and make UFOs (unidentified flying objects) also

had what might be more advanced religion and spiritual understanding as well, would soon show up all the religions for being not as important as they are said to be.

It's all the same thing, more control. During the twentieth century as all of this was happening, they couldn't tell the public so much of what they were discovering believing the public wouldn't understand and it would threaten their control too much. And one thing has led to another so it's still better to keep it all secret as you don't want to upset the masses. And you can use such secrets to keep having power over people, just in case you need it.

What they have also found is much encoded information from the past by past civilisations, written material that was encoded in rock and in some of the machines and it's taken years to work out the codes and languages because they of course talked about life being very different to how it is today. And they are still trying to get their minds around the fact that the world has been very different at different times in all sorts of ways, some of which you're now becoming more aware of yourself, and including the drama of Pole Shifts (every 12,000 to 13,000 years) and the cataclysmic upheavals.

If people didn't have the 'Ways of Christ to Follow', those imagined by people as written in the Bible, then a lot of so-called advanced or sophisticated humanity, mostly in the West, would have no moral guidance to live by. And they need that, because being left to their own devices, people living without truth as their uniting platform, truth won from their feelings, create very discordant societies, with the mind and beliefs having even more of a field day than they currently are. So those people in control understand that the masses, and many of those in power as well, need some well organised belief to adhere to, even while a lot of them believe other things and not what's in the religions themselves. To live for your religion gives you purpose, it's either just about money and material gain, or religion, or some try to combine both.

And it won't matter either way, because what none of them as yet understood is there is to be a full and massive Spiritual Change associated with this next Pole Shift. And even though the world won't undergo such a massive material change, it will still be a huge change, but not like the last Pole Shift; the biggest change this time round, which will still be 'catastrophic', will be the full end of the Rebellion and Default and the addition of new Spirits of Truths. With these Spirits of Truths causing the greatest changes to people because they will be wholly accessible to people seeking to live true to themselves, and so leading them to their feelings and the looking for truth through them. These Spirits of Truth have not been available, so everyone who has sincerely sought truth has had to wait until they've died to get anywhere with their Healing. And there have been countless numbers of people who if they had the Healing Spirits of Truth been readily available to them, would have done their Healing or progressed in the truth they were so desiring. But that's all been denied humanity up until now, and with the New Spiritual Age, that help will come, and along with the Spirits of Truth can we Celestials come, a massive input of higher spiritual truth, light and love, so those people in the Aftertimes that want to live a higher and true life will be easily able to, being so greatly assisted. And those people will change humanity, they will be the real New Way, and so all the conniving and conspiring of those currently in the end times of this age, aren't factoring into their equations this new spiritual light coming to the Aftertime. Humanity is to severely change, it's not to go on furthering its rebellious ways. They are to end, it's over, the Rebellion and Default are to die out, and the Shift is designed to help them die. The Avonal Pair could have come at any time to bring about the New Spiritual Age, a massive spiritual input, however it was decided that their time now would be the best because of all the other changes that are going to take place, all of which are designed to help prepare humanity for the real new age, those who survive at least and those who will come during the Aftertimes.

**AFTERTIMES**

**NEWWAY**

**END TIMES**

It is hard for me to explain just how intense, severe and massive this spiritual change and the spiritual input will be James. It hasn't happened before, none of us have any experience of it, and all we've got to go on are the preparations that we're been told to make for it. We Celestials are being mobilised for the Aftertimes, that's what this is all really about, we too are heavily focused on the new Avonal Age, an age of intense Spiritual enlightenment, because we're going to be the driving force in it. And yet still we've not been told all we're going to be able to do. Many soulgroups are in active educational involvement with their angels, who are helping them prepare for some of what potentially they'll be able to do during the next 1,000 years of the Spiritual Age. The Age is going to unfold moving through various phases all helping to enlighten the people who are looking to their feelings for the truth, and with each phase being increasingly an 'Angelic Phase'. Humanity through the Rebellion has not been able to freely work with the angels, all of our angels having to work in the background with us unaware of all they are doing for us, all of which amounted to helping to keep us moving deeper into our rebellious ways. But in the New Spiritual Age they will be able to come and actively work with you on Earth because the Rebellion, and so their denial, is over. So really having the angels and nature spirits so involved and with people who are open to them and actively wanting their participation in their lives, and with it all being easy, will give rise to completely different approaches and attitudes to life. So just from that side of things, the Aftertimes is not going to be what those people and mind spirits are preparing for it, want it to be. Sunday, 29 October 2017

Hi James, Nanna Beth and Company (a note from John)

I was delighted to read John F Kennedy's messages and of his progress.

To me, it feels like Donald Trump (president of USA 2016-2020) and his elite and secretive supporters will seriously destabilise the secretive and controlling Bush / Clinton (past USA presidents and their families) and Companions' positions. That is, the general populace will not only be repulsed by what has gone on before, but they will also be repulsed by the Trump camp in a similar manner. Trump will succeed in exposing the 'Deep State' regime, but also find his own camp exposed and rejected in a similar manner.

Nanna Beth – 3<sup>rd</sup> Celestial Heaven: It is to be as you say John. Mr Trump is only just getting going. He will plough through them all, and in the process doing equally shocking things. Still it's all what's needed to bring down the veil so the hidden controllers can be seen for what they are. It's going to take a few years, with the momentum building.

John: If that is so, how will the population of USA gather themselves together to bring about a less controlling and manipulative leadership?

Nanna Beth: They won't, not for some time. Other events are also going to take place that will bring America to its knees. It will splinter and fracture all over the place. It will be difficult for the cohesion that exists, albeit all so heavily controlled, will come apart, causing great psychic disturbance in many people as they try to adjust. With such adjustments being so difficult for them because they are so false and untrue. For most other countries, also suffering under the breakdown of their controlling structures, but with the personal adjustments by the people not being so disturbing because they are more realistic about life and how they are controlled. The Americans by and large don't have any idea that nearly all they stand for and how they live is going against themselves – mainstream and the alternative. Look at how good Barbara A Brennan is as a healer, and yet it's all being done for the wrong reasons, with the wrong intent, it's all going the wrong way. And that's the same in everything they do. So it's going to be a big shock for them, and will take years to sort itself out.

John: Are there presently acceptable people to fill the void?

Nanna Beth: No, there will be some stop-gap fillers, but they too will fail, too much change will be forced upon them, their whole psyche of being the dominate people on Earth will be confronted and challenged, being leaders has lulled them into a false state of self-importance, so it's going to be tough for them – a massive humbling.

John: More importantly, will systems and procedures be rebuilt to prevent such further corruption and control?

Nanna Beth: They will, but that too is going to take a long time. Once the changes start in earnest they will go on for a very long time. In a way you could say the evolution of the Rebellion and Default has been relatively stable, with the hidden controllers having everything well in hand, so just business as usual. And you've grown up in this relative stability. The sixties started to change things, and now with technology increasing change, then with the end of the Rebellion and Default (31 January 2018), upheaval can only result. So once it begins in earnest, it will feed on itself, slowly breaking down structure upon structure. It will be an incredible time, many new ideas being floated and listened to, lots of people abandoning ways they've lived and changing their beliefs, a freeing up over all, but one against the will of the mass. Most people are complacently happy with the order and way of things, those at least who are in power and control, and believe they can survive and understand the way of things. But once that all starts changing, so they will lose balance and feel very threatened.

John: And will this have flow on of reviews and initiatives be taken on by other countries?

Nanna Beth: A lot of what happens in other countries will help communities in America. Other countries will be better placed to deal with some of the changes, some moving to embrace them quicker than others. I can't say too much just yet about it all, there is still more that needs to happen first for James before I can reveal such things through him to you.

John: I understand that we have entered what is the very start of the End Times. However, is it that the End Times are actually two separate eras? One being the stepping back from direct involvement with the population of Earth by Mary and Jesus and culminating with the Handover to the Avonal Pair. The other being the total removal of the harmful aspects of the Rebellion and the Default that will take the entire next era of 1,000 years to be achieved. Is this two separate events being referred to as the end times or should these be referred to differently?

Nanna Beth: It's all part of the End Times, it's up to you John as to whether you separate the two or keep them together – they are all part of The End – which is the end of the Rebellion and Default, and their technical end. And what I mean by that is that it's all coming to a head, the end of Mary and Jesus' age, and the beginning of the new, so it's all part of that. However one thing, the complete "removal of the harmful aspects of the Rebellion and Default" will not happen within the next Spiritual age of 1,000 years. Only a certain amount of it, and that's enough to bring humanity back to a certain level of truth – a balance between the feeling truth and the erroneous mind belief – that will enable it to chose conclusively, and for itself as a whole, whether or not it wishes to continue with its healing or be left to its own devices to essentially carry on with what's left of the wrongness, doing whatever it might want to do with and in that. We can't really say more about that because that's for those people way in the future to decide about, however by the time humanity arrives at that point, it will know what we're talking about now. But now is the End and beginning of a the New Way, which has begun in the lives of yourselves.

John: My reading of Verna – the Nature Spirits – these writings have been very important and revealing for me.

Nanna Beth: As you can sense there is more to Verna than her being 'just a nature spirit' for there is far more to the nature spirits, as is there to the angels. But all of that is hidden knowledge, and can only be revealed through people attending properly to their feelings. They will be part of The New Way, giving much help and clarity to not just things to do with nature but with every aspect of life.

Maybe something like 30 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

James: Good morning Nanna Beth. Having just given up wanting to think about the conspiracy business ever again, because I find it too dementing, then I read another article that explains it even more and I'm away again into my mind trying to work it out again. Anyway, this article was about the hidden controllers, as you call them, they being based in Europe and England and including, on certain levels, members of certain royal families, and that they have this need to perform sacrifices following the Tarot. For example, with Princess Diana being the sacrificial Queen of Cups. So I want you to please tell me, is there any truth to this, is it all part of their wacky Satan worshipping thing?

Nanna Beth – 3<sup>rd</sup> Celestial Heaven: It is James. They follow such cults, which are an elaborate concoction of mainstream religions and Satanism, and a lot of other 'witch-doctory' stuff they've made up for themselves over the years, all with the help of the mind spirits, and before they were removed, the Caligastias and Daligastias (C & D were arrested and spirit world imprisoned in the early 1990s). They do firmly believe they are the Chosen Ones, the true rulers of humanity, they being the emissaries of these Evil Ones (universal personalities, they don't really understand they are spirits as such) on Earth. And so part of the ritual sacrifice allows them to maintain their inner connections with such higher controlling spirits, all so in the end, when it all comes to fruition, their Great Master, who amounts to Satan himself (also in spirit world prison), will materialise, take over, appoint them officially in charge of the world, grant them immortality, and then leave them to it. So they run Earth, He runs his unseen worlds, and everyone is happy.

"Chosen by God,' eh?  
— What's the catch?"

And they don't worry about death, because they've been told, that when the Great Day arrives, he will return with all who've died, all the other main hidden controllers, those in the real know, and not all the also-rans like the Bushs, Clintons and Obamas, etc. they've used, but those with the real blood lines, who'll take up their respective places and live in paradise on Earth.

And they are working to bring it all to its final conclusion now, because strange things have been taking place which they can't put their finger on – 'atmospheric disturbances' on the psychic levels. And even though these 'confusions' are beginning to cause them problems, they rationalise that these are good signs because they are heralding the beginning of the end, that something major is taking place (which it has, by us Celestials stepping in), all pointing more toward their End Time Messiah making His long-awaited appearance.

James: Why do they believe they need the sacrifices – what does that do for them?

Nanna Beth: It appeases their god, like what the ancients believed, that it helps show they have the power, they can do whatever they like with impunity, they can take the lives of others and nothing bad happens to them; and even better than that, all these good things happen, they keep making more money, gain more control, have less people able to go against them. Not showing such power by making such ritualised sacrifices might mean they lose their control and it turns everything against them.

And ritualising it makes it be all the more important, like undertaking religious ceremony and practice, all in the mistaken belief that it keeps the whole thing sacred, legitimising it in a way, even making it legal to their warped minds.

They love the whole secretive thing James, that's what gives them the thrill and desire to keep going with it. They are 'The Club', the Elite, they are the Chosen Ones, and they secretly do whatever they like with everyone lesser than them. So they work out all these ways of using and all but enslaving the people to do whatever they want. It's the ultimate power in the wrongness. And because you've never had a taste of it, you find it hard to relate to. Imagine being your mother, the most powerful person in your early life, and having so much power that it makes you overwhelmingly happy. So unlike being always unhappy and discontent like your mother, she is the opposite, so happy. Yet not happy, gracious and benevolent, but happy that she's so controlling and always wanting more control, more power, an insatiable appetite for it, and also fearing someone is going to or is trying to take it from you, so always having to ensure your kingdom and wealth is safe.

James: You're right Beth, I can't imagine such power, my pathetic little bit is always heavily overshadowed by mum's, and she sanctions it, I don't have it in my own right.

Nanna Beth: Which is really the same for the hidden controllers. They learnt very early on, that if you're going to work with 'Satan' and the hidden Ones in spirit who really controlled the shots, fine. However, if you think you're able to transgress their laws and ways, forget it, you'll soon be terminated or inflicted with a terrible illness or everything in life suddenly goes against you. The Caligastias and Daligastias (fallen Lanonandeks) had all the power until Jesus and Mary came, and even still quite a lot once they'd left, so they easily controlled those people on Earth who wanted to work for them.

Pre Jesus and Mary, they could do whatever they wanted and controlled humanity completely, so were able to engineer the removal of Jesus. Post Mary and Jesus, they weren't able to have such complete power, so other people could grow up wanting to be more true and good, even within the negative, and without such people being instantly dealt with by the Caligastias and Daligastias (C&D). So there developed competing factions, all of whom C&D then worked using all sides against each other, all of which caused some consternation amongst the hidden controllers. So as humanity has developed during these past two hundred years, in some ways the hidden controllers have greatly increased their power, and yet at the same time other competing forces have come up against them. And it was all meant to culminate in one big final battle and Armageddon, after which the real hidden controllers would reign supreme, however because of the removal of C&D (early 1990s), things aren't looking like they might turn out that way... or, they still might, but just not how they'd been told... or perhaps it's still too early days, as they too suffer what you do James, in not being told exactly when the End Times and all the rest is meant to happen, because no one knows. We

**ENDTIMES**

know, we Celestials, but the mind spirits are kept in the dark, they are trying to work it out based on the ‘signs’, in life and in the stars, but that’s not going to help much. Even C& D thought they knew, but without L&S (Lucifer and Satan, also fallen Lanonandeks who were imprisoned by Jesus during his public ministry) to back them up, they were starting to lose their way too. So you’ve got all that’s in Revelation and so based on times when the Evil Ones were much more sure of how it was all going to work out, however things now are a bit more up in the air.

So they weren’t meant to have Russia stepping up to the plate and defeating ISIS in Syria, (Islamic State of Iraq and Syria, officially known as the Islamic State and also known by its Arabic acronym Daesh, is a militant Islamist group) that put a spanner in the works; and America didn’t buy into it as they should have done by hammering Iran when it was meant to; that too caused major problems. And now things are getting desperate with Trump’s lot starting to air the dirty laundry, which is only going to increase making everyone wonder if indeed anyone with any political power is not just a dirty old man. Credibility is beginning to wane, Bitcoin is beginning to put the wind up the bankers, everyone is starting to scramble because things are happening too fast and seemingly without any direction. And worst of all, the bloody Russians seem to be the only ones on top of it all. If it weren’t for them, the Chinese would have floundered, the Middle East would be in flames, there’d be no oil from there causing all sorts of problems.

So as we’ve told you, the inner pressures are mounting for the hidden controllers. They are having to dig deeper and start to assert their control more heavily, which then starts to show where and who they are, something they don’t like at all. So the Internet is a blessing as much as a curse, should you keep it or get rid of it, yet it’s all gone too far and is spiralling out of control. With, as we’ve also told you, next year being the ‘Year for Signs’ that things are not going as planned for them.

James: Again it struck me that the hidden controllers are hardly going to allow a couple of gnats (Solid Investment fund pool, etc.) to have their way, let alone pay out a vast amount of cash to them. Irrespective of the guarantee, because who is going to make them pay, they control everything!

Nanna Beth: And it’s true what you say James, it does seem like a lost cause, and why even bother, however as you also understand, there is more to it than that. The power of the hidden controllers has already peaked (although they don’t as yet fully comprehend that), it is on the wane now, and they will never be able to regain that which they are losing. And so it’s a long fall down from their lofty peaks, and so not as far for the gnats to climb up.

**hidden**  
**CONTROLLERS**

James: Good one Beth, I see what you’re saying. You’ve got it all sorted, haven’t you? I can’t find any holes in your argument; you have every one of my manoeuvres covered, I’m one of those gnats with you lot being the real hidden controllers.

Nanna Beth: Now you’re getting the idea James.

James: I always feel like I’m having to work everything out from down in the depths of my hole, whilst you are all up there happy in the light.

Nanna Beth: It's true. That is how it is for you James. We're all pleasantly in the driver's seat, and you're being dragged along somewhere behind without a clue about what's happening – good fun isn't?

James: I suppose it's your pay off or compensation for having done the hard work of Healing yourselves. Your 'reward'.

Nanna Beth: You could say it's something like that, yes. I'll speak to you soon – Nanna Beth.

Later...

James: If the cataclysmic end times repeat (Pole Shift cycles of 12,000 to 13,000 years), wiping out the bulk of humanity and changing everything so much that humanity has to start all over again, scratching around in the dirt and building itself up for yet another crash, then how did L&S & C&D (Lucifer and Satan soul partner pairs and Caligastia and Daligastia soul partner pairs – 'the Evil Ones') see and deal with those cyclic changes? You invest everything in humanity, only to see all you've done wiped, then to start out all over again?

Nanna Beth: It was just how it was James, so they worked within such imposed limitations. They took a very long-term view, taking into account such upheavals. They were looking for long time obedience to them, they wanted humanity to be their slaves so that at some far off future time when they'd won the Rebellion, they'd have a ready-made army of workers and slaves to help them run the universe. So within that army, they needed their officers, so those people were selected to gain power and control over the masses – the hidden controllers of every Earth-age. And as you understand, prior to a Paradise Bestowal pair coming to Earth, everyone who died remained confined to the spirit Mansion Worlds when they awoke at the end of each epoch. And there they continued to be schooled by the Evil Ones for the eventful day when the Lucifers could make inroads deeper into controlling and eventually taking over Nebadon (our Local Universe).

James: So they really believed they could do that?

Nanna Beth: And the worlds under their control were where they enlisted the troops, and whether the 'troops' wanted it or not. The Lucifers (soulmate pair) were going to become the new Mary and Jesus.

James: But what about having to deal with the Avonal pairs, even if they could somehow usurp Mary and Jesus (being Creator Daughter and Son from Paradise and co-regents of Nebadon)?

Nanna Beth: They believed that because of their rebellion, and because of what the Rebellion was, that such pairs would cease to function in Nebadon, going back to Paradise, because there was no more need for them, as the Lucifers wouldn't want them.

James: But surely the Lucifers had been schooled at knowing that the Avonals were the pairs who redeemed rebellious worlds?

Nanna Beth: Yes they knew, even though they'd never witnessed it happening, however they also knew that they couldn't redeem such worlds until the Rebellion had been terminated by Mary and Jesus. So if Mary and Jesus were going to act, which they didn't for a very long time, and with each passing day the Lucifers growing more confident that they never would; and so because of that, that they were winning, and that perhaps Mary and Jesus were even powerless to act to stop them. You see James, there was a lot of precedent in the positive side of things, as to how all these universal personalities act, however there wasn't any precedent in the negative, when a rebellion happened. So the theory is one thing, however there is always the fact that the theory might not be sound, and it's not until proven through life

experience that it is. So because they'd been allowed to rebel at all, well, if you can do that, why not keep going, and you just don't know where it might lead, you might end up taking over the universe, and you might even go further, and what about taking over God? And I know it might sound absurd to you, however there is no limit to such absurd thinking when you've gone off the rails rebelling in your mind – as you on Earth all know.

So anything was possible, however they got quite a shock when they found out suddenly it really was Mary and Jesus on Earth living amongst ordinary women and men. Because they then knew that the writing was on the wall, all their plans had to go in the bin, because they didn't know what fate then awaited them. And as they couldn't get rid of Mary and Jesus using supernatural means, all they could do was engineer their removal from Earth using their human accomplices, which they thought they'd succeeded in, only for L&S (Lucifer and Satan soulmate / soul partner pairs) to suddenly find themselves under universal arrest and taken to the detention plane. Then C&D (Caligastia and Daligastia soulmate pairs) didn't know what would happen to them, and as they weren't told, they carried on the best they could until suddenly their time came too (in the early 1990s).

James: C&D must have suspected an Avonal Pair arrival once Mary and Jesus had come?

Nanna Beth: Yes, but when... that was the question. And once they realised it wasn't going to be any time soon, they put in place their plans to take over the world for the day when they might show up. Sort of like, well if we can't have it, then fuck you, we'll make it as difficult as we can.

James: I still find it staggering that L&S thought they might be able to take over Nebadon – how would they do that Nanna Beth?

Nanna Beth: They were preparing to have their armies of spirits and fallen angels mobilised at some point being able to take them out of the Mansion Worlds and higher into the universal spheres. That being if they could figure a way to get them out of their Mansion World confinement, which they believed was only a matter of time. And in the meantime, if they couldn't pull that off on spiritual levels, then possibly they could help advance the humanities under their control to go out into the universe conquering other material worlds, thereby bringing them into the Rebellion. So working at controlling Nebadon from the material level up – the bottom up, so to speak. Which in some ways makes more sense, so they would be able to control all the newly incarnating souls and turning them to their ways. They didn't fully appreciate that the rebellious humanities were quarantined and so unable to move out negatively affecting other worlds, and they thought they'd overcome such limitations eventually. And if they could eventually take over all the material worlds of Nebadon, then those spirits would one day move up higher, taking over all of spiritual Nebadon. Time was not a limitation, and the more time the better, as what else were they going to do other than fight for their cause? Their cause being to make themselves the Rulers of All. (Earth's humanity is quarantined in such a manner that people on Earth cannot travel outside our local solar system AND humanities from other worlds can enter our solar system, send probes to Earth but may not visit. There are no 'star wars'!)

They did understand to a certain degree, so I'm told, that it was really the mind verses feelings way of life. They delighted in their minds, it was in them they found their power, and found they could easily control lesser minds. And so they set about influencing the lesser underdeveloped minds of the lower worlds, whilst the higher universal more feeling based spirits, including the Avonals and Mary and Jesus, didn't seem to interfere.

**MIND**  
VS  
**FEELINGS**

And it was always possible they might have come to their senses and said they didn't want to Rebel anymore and take whatever punishment awaited them, which I think was merciful of Mary and Jesus to give them such time to reconsider. However when it became too much and obvious they weren't going

to, and reasons of the Mother and Father, so it was brought to an end. And we think it happened so soon, as potentially the Rebellion could have gone on much longer and even expanded, because it was causing too much change, it was too much to deal with all at once. And had it gone on longer, it would have caused even greater changes, and the rest of Nebadon, and perhaps even Creation, wasn't ready to be subjected to that level of change. The Rebellion was really just a little hiccup in the ways of love. And we wonder if it's the first hiccup of a long period of indigestion awaiting the next levels of Creation. So something we can all get a taste of, yet something not too bad. Which is not much comfort for you James when you feel still caught up in your unloving wrongness.

James: So humanity's push to leave the world and go off exploring other planets is all really part of the L&S (Lucifer and Satan) plan?

Nanna Beth: Yes. Everything that Earth is, is part of their plan, because it's all adhering to the mind ways of life – mind control. Only the difficulty was, the age between each cyclic upheaval had its own unique ways and power of doing things (each pole shift results in different energy frequencies for Earth). So humanity wasn't evolving or growing or developing its mind in a lineal progression, and one in which L&S (Lucifer and Satan soulmate / soul partner pairs) could dominate and dictate spiritual (which was really mental) direction. Other civilisations were able to harness magnetics to overcome gravity and were able to leave the world and move about in space, then that all came to an end with a cataclysmic change. And when the next age began, those same laws that enable the magnetics to be used had been lost and couldn't be acted upon, so new ways of leaving the planet had to be developed. But then as in this age, it gradually became apparent that it was going to take a very long time to get anywhere near leaving the world, if indeed it could actually happen, because humanity became more bogged down in petty squabbling and personality expression problems, and didn't or couldn't expand the mind to such a degree as to give rise to the needed technologies that would have allowed reasonable space flight. And look at you now, you can hardly get a rocket up into space, and you think you're all so advanced, and yet the end of this Earth-age is nearly upon you. So then you'll have to start all over again. So it's not looking good for any of C&D (Caligastia and Daligastia soulmate pairs) plans, not that they care anymore.

James: So the Mother and Father engineered it that the L&S' plans would fail, because the age would change through these upheavals?

Nanna Beth: Yes, because the Mother and Father are not about whether or not L&S win, that's L&S' own delusion; the Mother and Father are about people experiencing what it's like growing up being subjected to rebellion and no-love. They are about relationships in the negative and positive, without love and with love. And They are not about Mary and Jesus losing control of Nebadon, because that was not part of Their plan. And you know Who's plan is going to be lived in the end.

James: So on a positive note, all the alternative technologies are in fact more a step in the right direction for the next age, not the Spiritual Age, although that is at the beginning of the next upheaval age?

Nanna Beth: They are, provided the means to run such technologies remain, as in the laws governing them. The laws might change, and so new technologies would have to be developed as humanity evolves along new lines of mental and feeling growth. However it might be that humanity now evolves in Truth through doing its Healing, and doesn't require such advanced mental technologies, preferring to live at-one with nature through its feelings, delighting in living in multi-family groups all based on helping people do their Healing, perfecting their relationships, being truly loving, and raising children as rebellion free as their truth allows.

You don't know James, we do, we've been schooled on it, however that too we can't tell you. What you can know is both the next ages, as in Spiritual Age and Earth age, will be conducive to allowing people to do their Healing, because without L&S & C&D (Lucifer, Satan, Caligastia, Daligastia soul partner pairs), there is no Rebellion anymore. And as humanity isn't capable of taking it on themselves and evolving it, you need higher spirit input for that, and despite what the mind Mansion Worlds' spirits might think they are capable of, all of which is irrelevant now anyway, because we Celestials have taken over. And that does mean the end of it, and the beginning of the new. And this is being seen in your small way through Samantha, Graham, John and others, yourself and Marion, you all saying no to it in your different ways, and proving to yourselves, again in your different ways, that you can do something about it. And no one previously, no one for the past two hundred thousand years, has been able to do something personally about it. Many have wanted to and tried but haven't known what it was really all about. They've not understood or appreciated the Rebellion and Default for its spiritual strength, or on the personal level, how controlling it is and how controlled you all are, and have not understood it's all feeling denial by the mind, and have not understood how to look to their feelings to set themselves free.

So in your very small ways, you are showing that something drastic has changed for humanity. And it has. And those small ways will steadily grow, as the constraints governing and holding the Rebellion and Default in place loosen.

James: So if C&D (Caligastia and Daligastia soulmates) hadn't gone, none of this would be happening?

Nanna Beth: That's right. They'd still be firmly in place, people would have the TUB (The Urantia Book 1925-35) and the PM (Padgett Message 1914-23) to add to their rebelliousness, and so on it would go with C&D working them into their nefarious plans. And humanity had Jesus return through the PM (Padgett Messages), and C&D saw that once again Mary and Jesus didn't do anything. So they might have thought something like: I mean to say, saying you can long for the Divine Love, which when one does, doesn't do anything for anyone, there's no obvious inner transformation going on, so nothing to worry about there, move along; or hey, why not include longing for the Divine Love in the next controlling global religion we make up for the next Earth-age, when Christianity has run its course and been thrown in the bin.

So on it would have gone, and we Celestials would have been powerless to do anything, waiting for the day when someone starts doing their Healing and does it enough to allow us to start to have something of a say. And as that can only be an Avonal Pair, because humanity being bound up in its rebelliousness isn't able to ascend beyond it, as so many people have shown down through the ages. Alice Miller came so close, yet didn't have the spiritual understanding or inclination, so we couldn't reach out to her there; and as no one picked up on what she brought to light, moving with it and adding the spiritual side, so we've had to wait and prepare, and you know the rest.

James: So the fact that Divine Love Spirituality sits out on the Internet (James' website regarding Feeling Healing), and even if nothing happens anymore than it already has, that is enough?

<https://divinelovespirituality.wordpress.com/>

Nanna Beth: Yes, because someone has done it – is living it, and from that others will come. So even if you died and nothing else happened with it James, it's part of the consciousness of humanity; it's there to be utilised by the likes of us Celestial spirits and people's Indwelling Spirits. So at some stage, someone would come along, and even if they didn't directly have access to your work, and even though they might not embrace or understand it all as much as you have, still they'd be able to introduce one of

the facets of it, and from there should humanity be meant to evolve that way, so it would happen. And it would happen, because as I said, there is no longer C&D to stop it from happening.

And this is why we keep stressing the Rebellion and Default are over, both from a technical point of view and personally, because a few people have embraced the truth of the Healing. These people want to Heal themselves of their wrongness, and even if it's just knowing it intellectually, they still want to do it, and that's enough, that's the Rebellion and Default broken right there and then.

James: So I can die and go home, wherever that might be? I don't have to do it anymore?

Nanna Beth: That's not for me to say James. Not for me to tell you. And it makes more sense that even though the Rebellion and Default are broken, still there is more that needs to be revealed about it, which will happen right the way up until you and Marion finish your Healing. Then you might be allowed to go... or you might have to do other work. You might even want to stay!

James: At least I feel now that I'm getting somewhere in seeing the truth of my fucked self-expression and inability to have relationships. I feel that I've finished with the higher spiritual truths for the time being, despite writing about this now with you, and truth is coming to me about why my relationships don't work. And I feel very good about that, as horrible as it is seeing all the bad stuff about myself. Now when things between Marion and I happen, she pulls me up and I work through it seeing what's wrong myself. And that's new for me on these deep personal levels. I've never been able to work back into it myself, she's always pointed it all out, but now I'm seeing it myself – finally!

I'm getting too hot and sweaty, so I'll say goodbye Nanna Beth and speak to you soon – thank you again.

Nanna Beth: Until next time James – speak to you then. Nanna Beth.

**ANOTHER BBQ CHAT**

Kathaleen, 1<sup>st</sup> Celestial Heaven – Kevin and Kathaleen are soul partners:

“The arch controllers are purposefully introducing these professionals to it so as to see what they come up with and if they come up with anything that conflicts with what they want and how they see things going. Shortly they will start on the direction they are to take. They need to unwind it all, it’s causing other obstructions to their other plans, but they are taking added precautions because of how unstable everything is becoming.

“And the preplanning will be relevant for them, if only to see how irrelevant it has been. That of itself, to feel you are losing control, is what we want to give such people, it being a very unsettling and unnerving feeling when you’ve been so sure of your own greatness all your life. But what happens when you start to feel you might not be so great after all, or that perhaps there is some other even greater force at work, and you’ve only been its patsy? All of which can lead to a great psychic breakdown – mental and emotional crisis.”

Following the blocking of interference by mind Mansion World spirits (worlds 1, 2, 4 and 6) as from the 22 March 2017 and the handing over of ‘control’ of Earth’s humanity to Celestial spirits of Celestial Heavens 1, 2 and 3 on 31 January 2018, the unseen support for mind orientated humanity in the physical has subsided and for many, totally withdrawn. Many people on Earth have conducted their affairs and lived their lives unknowingly with full guidance coming from the mind Mansion World spirits. Many people have intuitively functioned with seemingly incredible success are now finding themselves floundering – having to make decisions on their own and revealing their gross inadequacies.

This guidance is not simply no longer available to a few – billions of people are now without their mind spirit guidance.

Kathaleen: “Likened the whole age of Mary and Jesus to being that of what it is like for you as children through your forming years. You are inducted into your ‘Parents Age’, just as you are into Mary’s and Jesus’ age, and so you can’t be anything else other than an expression of that ‘Age’. So the whole world being an expression of Mary and Jesus’ age in rebellion against the truth, which is in rebellion against Mary and Jesus themselves, can’t do anything else other than be as it is. And so that’s why a New Spiritual Age is needed. And that can’t come simply through the likes of a book like TUB (The Urantia Book), it has to come with an Avonal Pair, and it can’t even come by Mary and Jesus coming back, because even if they did, they’d come back true, just like how it was for them on Earth, and so would only be able to teach and live that perfection, thereby gaining nothing more than what they’ve already done. So that’s why the Avonal Pair is so crucial, requiring them – someone – to take on the full rebellion of Mary and Jesus’ age, which is the sum total of the Rebellion and Default to this point, and heal it within themselves with the spiritual authority to then be able to affect change in humanity.”

## BEYOND Year 2020!

We can now go about achieving the impossible. We can now bring about the greatest spiritual advancement of Earth's humanity. We can talk about our humanity in distinction to others. The Lucifer Rebellion drew the humanities of 37 inhabited worlds into its embrace. All 37 humanities are within our local system called Satania of which Earth (Urantia) is number 606 of the 619 inhabited physical worlds. Of the 37 rebellious humanities, only Earth's has also Defaulted. We of Earth have the distinction of being the only humanity to be in Rebellion and Default, out of the 3,840,101 humanities throughout our Local Universe of Nebadon which has as its co-regents the Creator Daughter and Son, Mary Magdalene and Jesus.

These writings now introduce how we each may and will progressively, and in our own time, heal ourselves of our personal Rebellion and Default.

Earth's humanity has now moved into the commencement of the Great U-Turn and consequently the environment that we now live in will never again allow the return to the complacency and stability that seemingly prevailed these past decades. The mind spirits from the Mansion Worlds assisted and aided us in our continuing to live through our minds and against our Heavenly Parents, our Heavenly Mother and Father, and also against our Creator Daughter and Son. On 22 March 2017, due to the progress by the Avonal pair in their Healing of what they have personally taken on of the Rebellion and Default, they had reached the tipping point where the Celestial Spirits from the Celestial Heavens could close off communication access of the mind Mansion World spirit with Earth's physical humanity. Since then, many on Earth have been floundering without their hidden guidance. We now experience apparent stupidity all around us that we had never encountered before. This will not only continue but grow until we embrace our healing through the Feeling Healing process and live through our soul-based feelings.

We are experiencing extremes in everything around us. Extremes that exceed events recorded in history. Temperature extremes, both hot and cold, extended droughts followed by wild fires and then floods. Leaders throughout all levels of society seemingly acting irrationally. Political leaders imposing absurd dictates on constituents. Health pandemics that have not been seen for a hundred years. Etc.

Now we have also the greatest financial resources being pooled and released to aid humanity in a way never considered possible – all of this to bring about the Great U-Turn.

Far reaching issues can now be addressed in a manner that also makes available the awareness to live through our feelings, rather than through our mind and continue to go against our Heavenly Parents.

Incredibly, in this so-called advanced age of humanity, there are global issues to be solved, such as:

- The eradication of modern slavery
- eradication of child marriage and forced marriage
- delivery of equal education outcomes for boys and girls, and
- equal employment opportunities for men and women
- incarceration for crimes whilst still not involving the addressing of underlying causes
- parents of young people are still not held responsible for their childrens' malfeasance
- lack of universal communication services such as the internet
- global access to electricity and reliable power supply
- potable safe drinking water
- adequate water supply for daily needs
- nutritious food in adequate volumes
- safe housing – housing that is dry and warm all year round
- education that enables freedom of self expression
- universal health services even at basic levels
- freedom of expression.

When we first look at these issues, we find more than one billion people suffer these deprivations and they mostly live between the Tropic of Cancer and the Tropic of Capricorn!

People within every community are suffering deprivation. The agenda to be formed is not to be for localised situations only but to be an overarching program that embraces all of humanity and then sets to enable each community within each nation to tailor the delivery of solutions, be they progressive and staged in steps or as single programs, so that the community is directly and fully engaged in what is delivered. Nothing is to be imposed upon anyone. Communities are to drive their own agendas.

Education is the pinnacle of the solutions as it is the people within each community that are to be supported to bring about long term and permanent developments and to bring about the autonomy of those involved.

## ASSUMPTIONS and the MIND

Nothing more typifies the craziness around us than the dependency upon assumptions. When was the last time you made an assumption and accepted its determination, a week ago, yesterday or even just now? The error rate is about 98%!!!

Our mind is addicted to control (ask your children!), our mind cannot discern truth from falsehood and our minds are addicted to untruth. Assumptions are mind generated. Our dependency upon acting upon our assumptions is an underlying cause of the insanity that appears unfolding all around us.

We are the truth seekers and until we embrace our feelings, our soul based feelings that are always in truth, and long to know what are feelings are guiding us to understand and embrace, only then will the disturbances plaguing the world subside within our environment and we will prosper in harmony as we heal and grow in truth – slowly! It will continue to be difficult but it is the only pathway.

**WE ARE  
THE TRUTH

## THE OLD WORLD IS ENDING..

## A NEW EARTH IS FORMING...

Now that the Rebellion and Default have formally ended as of 31 January 2018, the Celestial Spirits will not allow a return to the old. It is the Celestial Spirits from the three Celestial Heaven spheres that have passively marshalled and enabled the funding to be accumulated on such a massive scale and then drawn teams of people together who are passionate about presenting the opportunity to bring about these long term changes as well as a change in the way of living – Living Feelings First – that permanently puts the Lucifer Rebellion and Default behind us all.

Our environment will continue to remain disruptive until we begin to engage with our Feelings, seeking a better way of living, whilst longing for the truth our feelings are bringing to our awareness.

These changes will reach into every aspect of society and way of living. Nothing that existed throughout the Rebellion and Default will remain standing. We will come to realise that everything has been orchestrated by the rebellious Lanonandek spirits, namely the Lucifers, Satans, Caligastias and Daligastias soul partner pairs through their mind Mansion World spirits. Nothing on Earth has escaped this manipulation. NOTHING!

society and way of living. Nothing that existed

Consider democracy. Elections of candidates pit half the population against the other half, thus polarising half the people against the other half. The loosing half does not have appropriate participation in events until the next election. Meanwhile the candidates that are successful find themselves sidelined to the will of a few to the extent that it may unfold to being a dictatorship in nature. As the term of government unfolds, the people discover that their candidates are under skilled!

The health care system is in crisis as it does not set about to address the cause of any illness. The health care system suppresses the systems of discomfort, pains and illness but does not address cause. When was it that your health carer / doctor talked to your about the cause of the complaint that you presented?

**Consider asking yourself this question:**

**Who hurt me when I was a child?**

# The Drama of Life:

PARENTS**

We, as parents, were born into the Rebellion and Default, having no idea it existed or what it was about. The Rebellion and Default formally ended on 31 January 2018. We now understand that through suppressing our children's true personality, having them live through their minds rather than through their soul-based feelings, this suppression and repression practiced worldwide has induced universal depression. Only through Feeling Healing, longing for the truth behind all feelings, both good and bad, and expressing all that comes to us, will we free ourselves of these errors and heal ourselves. Vibrancy and truth is our destiny!

**Suppression & Repression = Universal Depression**

# ***How is it for you if you are Truly Honest with Yourself?***

♥ You truly love your children, devoting yourself to them, wanting nothing more than for them to grow up and be as they want to be?

♥ You believe you truly love your children, believing you are devoted to them, wanting them to be as you want them to be?

~~~~~  
♥ You love your child more than you love your pet?

♥ You love your pet as much as your child, treating it as if it is another child?

♥ You love your pet more than your child?

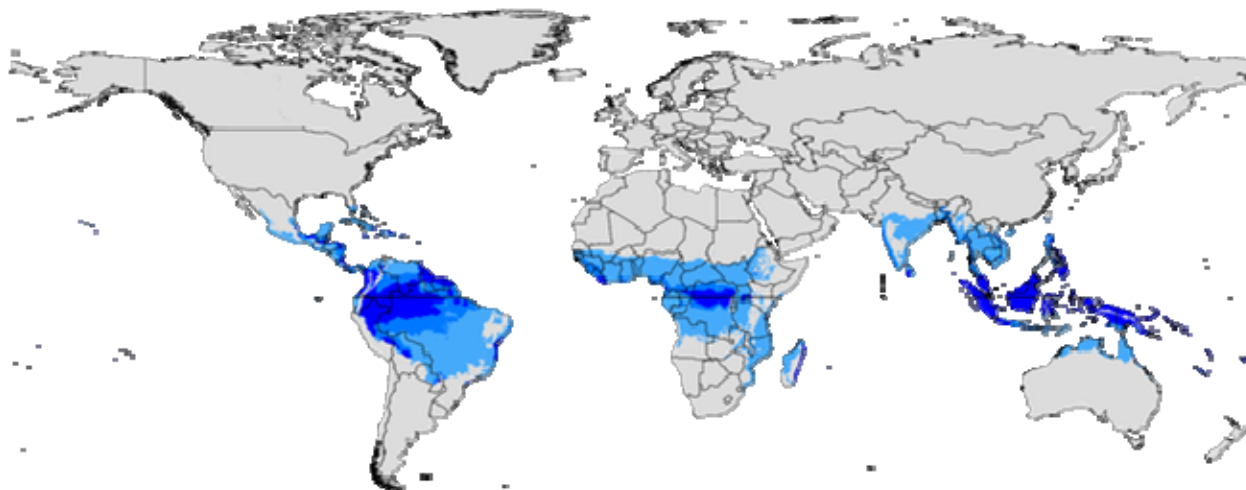

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

We, as parents, have had no guidance as to how to bring up our children other than to suppress their true personality, the personality that their Heavenly Mother and Father bestowed upon them, and to dictate to them as to how to live through their minds, literally to worship their minds as being their saviours and the way to becoming mini-gods! For 200,000 years, generation after generation, it has been the same. We are now to come to understand how we are to raise our children and that will follow once some complete their Feeling Healing and then have children while living on Earth in a Celestial soul condition.

# Education is the Capstone!

Should the Sun micro-nova then that will induce an ice age. Such events occur cyclically around every 12,000 to 13,000 years. Survival of such event appears most possible between the Tropics of Cancer and Capricorn. Presently, it is these regions that require the greatest assistance with infrastructure programs to improve the availability of education services at all levels, from pre-school, schooling, secondary, tertiary, university and for all ages through to seniors. This then enables development in all fields.

This expansion of education will need to be augmented with universal communications – internet, power supply – electricity, potable water and water supply in general, nutritious food, health services, secure and safe housing as well as meaningful employment.

This zone could be considered as an overall project with each nation and then community considered within the overall agenda. This will entail the involvement of a significant percentage of the total population throughout this region between the Tropics, however it is not limited to that zone. What is being highlighted here is that the greatest needs on all fronts is within this region irrespective of changing weather conditions that a micro-nova event brings about an ice age of magnitude that requires durable structures and very strategic infrastructure. Should such an event not unfold, the infrastructure focus is still required. Once the infrastructure is established then all of humanity benefits through the increased trade and prosperity of this large regional population.

**Too Many Barriers to Teen Aid:**  
Gold Coast Bulletin 22 January 2021

Long wait times and broken services are among the top reasons why children and teenagers struggle to access mental health care in Australia, a study claims.

They are also hindered by inadequate staff training and poor access to services.

The revelations, in a study by the Murdoch Children's Research Institute of Melbourne, Victoria, have sparked a renewed call from clinicians who say improved access to psychiatrists, mental health training and better referral processes are urgently needed.

MCRI Professor Harriet Hiscock said with about 50% of mental health conditions presenting before the age of 14, access to high quality care for young people was essential.

She said last year's inquiries into mental health provided an opportunity to improve such services.

The MCRI study, the first of its kind from the perspective of clinicians in Australia, looked at first-hand accounts of the barriers people were faced with when seeking help for their mental health.

About 140 people – including child and adolescent psychiatrists, paediatricians, child psychologists and general practitioners (GPs) – took part in the research, which also highlighted the effect of high out-of-pocket costs and difficulties in navigating the system.

The study was published this week in The Australian and New Zealand Journal of Psychiatry and included researchers from the University of Melbourne, The Royal Children's Hospital and the University of Adelaide.

Not only are the shortages of mental health services to be addressed locally as well as internationally, it is the need to research "Feeling Healing" process and integrate "Feeling Healing" throughout all aspects of psychiatry and psychology but to also integrate The New Way of Living through Feelings throughout all phase of education and commerce that is to be achieved through the establishment of Pascas University with a global campus infrastructure. The New Way of Living through Feelings First is to be integrated throughout all aspects of life.

Nanna Beth, 3<sup>rd</sup> Celestial Heaven, Saturday, 23 January 2021: "The Revelation of The New Way will involve the whole Earth at it's conclusion, and so as you might imagine, it requires a lot of groundwork. It is to show the world in no uncertain terms that the Old Way is over, in so much as the Rebellion and all the evil Rebellious influences that have afflicted the Earth for the last two hundred thousand years have come to an end. And that humanity is going to change quite drastically whether it likes it or not. And those people more open to going with such change will enjoy it, whereas those people resisting will find it more difficult."

"And I know it's hard to see that life as you know it on Earth, all the existing systems will either cease to exist or will be modified in some way, still, that is what is planned to happen."

## Feelings First Spirituality, The New Way Feelings are your own truth and personality

**Pascas University, Pascas TAFE, Pascas College**, all through their many avenues, are to make available the understandings and guidance of Living Feelings First, being our Feeling Healing, throughout every community within every country in their diversity of languages, in as many differing formats, as appropriate to enable everyone to be able to consider Living Feelings First.

Through the psychology departments associated with **Pascas Care Centre** clinics and the education facilities, research programs are to expand the understanding and application of our Feeling Healing. This is to enable an evolving development of life through Living Feelings First and longing for the truth of our Feelings, Feeling Healing, and ultimately with Divine Love being then Soul Healing.

Governments will be invited and encouraged to consider these evolutionary developments. Within the ambit of governmental authorities, universities, psychology research teams and schools from pre-school through to higher education will be supported to embrace this way of living and the making available this guidance.

Governmental departments and agencies such as social services, children's services, police departments and all associated welfare departments are to be introduced to this guidance and research. Domestic violence and children's courts may realise the attributes of Feeling Healing when it begins to mitigate the numbers they have had to consider and assist. Progressively all aspects of social services and health services may find their work loads and demands that have been put upon them begin to subside. This is an evolutionary shift for humanity.

## Big Picture

## Little Picture detail

Pascas Foundation, when reviewing humanitarian programs and specific projects, is to consider:

- The overall needs of the community, region, state and nation.
- An overview of the nation and adjoining neighbours is a priority, as much as the community is.
- That the program(s) being considered are not likely to be undertaken by others.
- That collaboration with other NGOs and socially active groups are to be accommodated.
- That a whole of nation and region is considered and that an overall master-plan is established.
- That all works are to have long term durability – long life products to be employed.
- Each sub-project within the master-plan to have longevity in its application – 20 years +!
- Local involvement in the installation and ongoing maintenance and operation is a priority.
- All sub-projects within a global overview are to be considered as ongoing projects for delivery.
- Pascas is the primary party acting on behalf of benevolent donors and funders who remain private.
- Programs of national interest may require Public Private Partnerships (PPP) through Special Purpose Vehicles (SPV), whereas community programs may be delivered through a localised arm of Pascas Worldcare (PW), or such as Pascas Inter-Community WorldCare (PICC).
- Expediency is preferred; identified and defined projects are to be promptly rolled out. All projects are to assemble standard internally designed documentation incorporating curriculum vitae, executive summaries, business plan, financial feasibility and supporting material as appropriate.
- This is a global agenda – all nations already have a funding allocation waiting to be drawn upon.
- Awareness of The New Way of living Feelings First is to be provided to and for all of Earth's humanity.

## AMBASSADOR at LARGE

Dear

Global Humanitarian Funding is progressively becoming available through more than one avenue and consequently differing criteria may be applicable.

There is to be an allocation for each country. The potential funding for each specific country is very significant.

For the specific delivery, a country's government will need to set up a SPV (Special Purpose Vehicle), the documentation for this is available and has world wide patent pending. Funds will then become blocked for that particular country. The SPV is a joint venture, a PPP (Public Private Partnership).

Both ECO-SDG (the authorised administration of a specific humanitarian fund) and Government are to have board representation to review projects brought to the table for consideration and then mutual approval of those worthy and considered suitable to proceed with delivery.

ECO-SDG reserves the right to veto Government led proposal deemed not suitable, and will not proceed with projects Government does not approve. Once approved all projects must be completed irrespective of change of Government.

The funding is not intended to compete with or displace other NGO (non-governmental organisation) or Government projects planned or in train. It can be applied to supplement, augment, and hasten delivery of appropriate programs.

Primary focus is directed towards sustainable infrastructure, economic and industry capacity building, education, health, food, housing, social infrastructure and environmental initiatives.

Over the life of the delivery of the initiatives there is to be as much local input as possible. The funds are to be delivered in such a way as to avoid the debt trap. The agenda is to build up a sovereign wealth fund for the country through infrastructure and long term society developments. Where possible, projects are to be looked at with the consideration of delivering a long term income stream for Government.

All projects require a competent feasibility study / business plan. Templates are available. Advance funding is available to support this work.

So firstly and most importantly, where esteemed and respected leaders of a community, state, country or region are available, or through a focused interest group, is to ascertain their overview and scoping of what are the most worthy projects / initiatives that will achieve the greatest beneficial impact that are not

otherwise being delivered. The list can be as extensive, comprehensive and insightful as their respective personal knowledge banks and feelings care to address.

Also helpful to prosecute this with Government are their respective recommendations of champions in the system and the community for the efficient delivery of the initiative to achieve the most for the money spent.

References to prime minister (PM), Deputy PM, relevant Government Ministers, Treasury and Central Banks, or as considered relevant, will be provided by ECO-SDG at the appropriate time.

Private sector initiatives can also be implemented in parallel if, as and where appropriate.

Public listed companies are not eligible.

Preparation of a full inspired, responsible list with local ownership of the ideas is essential starting point.

Further, it is an exercise in applying their respective full levels of consciousness to the country and its people they love and identifying what is missing that needs to be done. We from afar can suggest and recommend, but it is best to first exhaust the local input. That is the starting point. They, from within the region, know what the Government has done; is doing; plans to do and has the funding to do. They know what the NGOs are doing and have committed to do. Let us see what is recommended.

What is to be delivered is to be driven from those within the region. We have much to contribute, however we are not here to impose our will upon others.

A starting point may be as simple as expanding upon the attached worksheet, however, these projects will become recognised as major society endeavours.

Best regards

Hi James, I've just finished reading **Tolkien's *The Lord of the Rings***; all 1031 pages of it!

It is an extraordinary piece of creative story-telling and for many years I felt I should read it and see for myself what has been described as, "Among the greatest works of the imaginative fiction of the twentieth century."

But whilst reading I would often pause and question, "Is this really a piece of FICTION?"

There are passages that read as if someone such as Verna has channelled to Tolkien. Extra-ordinary, revelatory passages that closely describe some of the many events that have surely occurred on Earth over many millions of years.

So I was wondering if you could talk to Verna or whoever you think best and ask, "Are Tolkien's writings revelatory and reflect past events on Earth or is it a product of his fertile imagination?"

There is even one passage where Tolkien describes the "dark villain, Sauron, the Dark Lord" and it felt like he was describing one of the Rothschilds. And towards the conclusion of the novel Sauron's evil empire is destroyed and a "new age" commences. Sound familiar?

So t'is what I've been contemplating during my forced "rest and rec" which thankfully, I'm coming to the end... just as I finished reading and this morning receiving the library notice that my book is overdue!

An almost recovered Eme

James: Hello Verna – what do you say?

Verna, a Nature Sprit: Not us James, we don't get involved in such creative pursuits of humanity, we've been forbidden to throughout the Rebellion (of 200,000 years duration now ending). It was the work of creative mind spirits based on spirits sharing their lives that have spanned many years of humanity. The saga is no different, it's what the Rebellion is all about and how its manifest through the different ages, which is why you Graeme can relate to it now as it's manifesting yet again. It's the same themes that your movies today are full off, all quite predictable really. It works like this:

You have masses of mind spirits working on their books, their great masterpieces (for what else are they to do with all their time), and they have creative think-tanks (mind-storms) and creative groups working out the themes and story lines, then they have the ability to have what you'd call spirit movies in which they put their creative works into 'live spirit action', watched by many attending spirits, all of which promotes a very diverse and rich creative arts culture. It's far more expansive and enthralling set to the same story lines you have to contend with going to the movies, it all being confined to the Rebellion and Default, because the mind spirits and people on Earth don't have greater experience or imagination to draw from that's outside the ways of the Evil Ones (rebellious Lanonandek high level spirits, the Lucifer, Satan, Caligastia and Daligastia soul partner pairs).

So there are countless mind spirits with their tomes, and many wanting to Earth them. So should a suitable earthly counterpart be found in which the mortal and spirit minds can maintain the necessary fusion to get the job done satisfactorily for both concerned, so they might achieve what Tolkien did.

The thing is though, it's not that Tolkien just received the work of the mind spirit calling it his own, it's not as easy as that in many cases, and it was more that the spirit inspired Tolkien to begin writing it, then helped him work his imagination, it being something of a sort of collaborative effort. And how much mutual collaboration can and does occur between mortal and spirit can vary with the whole work, part of it, even varying in different parts of it to different degrees. So it can be minimal or none or all, to all of it, and all in between.

The majority of spirits can't be bothered with all the trouble of trying to Earth their works, having to work with the mind of a mortal, as it takes a lot of time and strong mental focus to do such things on the part of the spirit, or group of attending spirits. So only a very small amount of the vast volume of creative material the mind spirits come up with gets to Earth in any format. But there's enough to keep some sort of relationship going between the two. And as you've been told, with the Celestials now involved in it all too, so it's becoming even more tedious for the mind spirits to work so closely with mortals.

So there you have it, how does that sound Graeme?

James: So the creative arts side of human expression flourishes in the Mansion Worlds Verna?

Verna: It certainly does James because everyone is free to do it and express however they feel they want to use their mind. Many people never do what is hidden within them on Earth because of the circumstances of their lives, many people's creative work doesn't fit or appeal to what's acceptable at the time, many people are rejected because those financing it can't see it would make any money, and all the rest, you know how it is. Whereas in the mind worlds as there are no such constraints, part of a spirit's new spirit life is being able to freely express itself in such directions. So if you are that way inclined, there's a richness of creative arts that awaits your arrival in spirit.

(This applies to inventors, scientists and people of all walks of life – we are never alone!)

**LUCIFER REBELLION HAS ENDED, and now REVELATIONS for HEALING are HERE:**

**Lucifer soulmate / partner pair**

**Satan soulmate pair**

**Caligastia soulmate pair**

**Daligastia soulmate pair**

**Lucifer** soulmate pair were magnificent beings, a brilliant personality as one. They were designated as one of the one hundred most able and brilliant personalities in more than seven hundred thousand of their kind. From such a magnificent beginning, through evil and error, they embraced sin. They believed that their minds were all powerful and that everyone should be independent and reject the illusionary God and those who lead the path to God, namely Michael of Nebadon (Jesus and Mary).

Very little was heard of Lucifer on Urantia (Earth) owing to the fact that he assigned his first lieutenant, **Satan** (also a soulmate pair), to advocate his cause on our planet. The “devil” is none other than Caligastia (again, another soulmate pair). At the time Michael (Jesus and Mary) was on Urantia in the flesh, Lucifer, Satan, and Caligastia were leagued together to effect the miscarriage of his bestowal mission. But they spectacularly failed.

About five hundred thousand years ago and concurrent with the appearance of the six coloured or Sangik races, Caligastia, the Planetary Prince, arrived on Urantia. There were almost one-half billion primitive human beings on Earth at the time of the Prince’s arrival, and they were well scattered over Europe, Asia, and Africa. The Prince’s headquarters, established in Mesopotamia, was at about the centre of world population.

**Caligastia** had been attached to the council of the Life Carrier advisers on Jerusem. Lucifer elevated Caligastia to a position on his personal staff, and he acceptably filled five successive assignments of honor and trust. The Planetary Prince of Urantia (Earth), Caligastia, was not sent out on his mission alone but was accompanied by the usual corps of assistants and administrative helpers.

At the head of this group was **Daligastia** (soulmate pair), the associate-assistant of the Planetary Prince. Daligastia was also a secondary Lanonandek Son. He ranked as an assistant

**Lucifer, with deputy Satan, and lieutenants Caligastia and Daligastia have ingrained into the human psyche to be mind dominated with its errors passing down through all parents, being self reliant and rejecting one’s own soul based feelings that are to lead us to our Heavenly Parents with the truths being provided by Mary and Jesus of Nebadon. Lucifer and Satan were removed two thousand years ago, Caligastia and Daligastia have very recently been removed. Their crimes against humanity make Adolf Hitler appear to be a saint!**

# First Parents being First Ensouled Humans

Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some **one million years ago**. Andon and Fonta were the most remarkable pair of human beings that have ever lived on the face of the Earth. This wonderful pair, the actual parents of all mankind, were in every way superior to many of their immediate descendants, and they were radically different from all of their ancestors, both immediate and remote.

The Lucifer soulmate pair believe that the mind is superior to all things. Thus they convinced the inhabitants of 37 inhabited planets within the universe of Nebadon, including Earth, to become self reliant and abandon God and Their administrative leadership. The Lucifers brought about the Rebellion on Earth two hundred thousand years ago. So for 200,000 years of spiritual darkness, humanity has suffered the consequences of one's error ridden mind.

# REBELLION

Adam and Eve, the Adamite soulmate pair, came about **thirty eight thousand years ago** to upstep the gene structure of humanity and advance their spirituality.

# DEFAULT

Both Eve and Adam mated with local humans and accordingly defaulted on the plan. They were to breed a superior stock that would then interbreed.

Mary of Magdalene and Jesus of Nazareth, soulmates, **two thousand years ago**, both retained perfection, and during their sojourn on Earth were enthroned as sovereign rulers of Nebadon. **The bestowal of Michael (Jesus and Mary) terminated the Lucifer rebellion.**

The Second Coming, **now in progress**, reveals the availability of Divine Love and the need for each person to engage in the process of Feeling Healing. With the Divine Love then this process is one's Soul Healing.

# DEVOLUTION

Our childhood suppression of our true and loving soul based feelings is creating global pain and personal isolation amongst all of humanity. We are very sick!

In our struggle to find solace and purpose, we further withdraw into ourselves, becoming ever more self dependent, believing our control addicted mind that it can solve everything. We just drown further.

We embrace an ever expanding and diverse range of pathways to escape from our personal pain, fear and desperation. Alcohol has now been complemented with narcotics, hallucinogens, including caffeine (coffee). Gambling has been complemented with computer games which are generally entraining the mind further into error and pain. Technology is making us sicker!

We bury ourselves in front of the television to further avoid contact with anyone, especially family.

Children endeavour to exert their independent authority from domineering controlling parents (which we all are eventually) by disfiguring their bodies with tattoos and piercings, etc.

We shut out the noise with headphones, thus preventing contact with others. We use electronic devices to 'text' others even at intimate engagements.

Technology will take us further into the depths of our madness. You now can buy headsets that prevent any contact with the outside world while playing mind suppressing and entraining entertainment – games!

No one loves their children, they are ignored, and the controls hammered into them turn them into clones of ourselves. Look at ourselves and we can all see that we have been all messed up by our own parents, as they have for generations over the past 200,000 years.

No more of this! We can escape this mind-made hell!

# EVOLUTION

Consider longing for and receiving Divine Love:

- Soul prior to receiving Divine Love.
- Divine Love being received from the Holy Spirit, covering the spirit body of requesting personality.
- Divine Love having been assimilated within one's soul, now being reflected through the radiance of the spirit body.

## FEELING HEALING + SOUL HEALING

It is the Divine Love that strengthens one's resolve to persevere in embracing one's suppressed emotional injuries, that occurred from conception through to around the age of six, and longing to know the good and the bad of those feelings, together with talking about them to a friend, partner, one's self and our Heavenly Parents. It is only with the receipt of the Mother and Father's Divine Love and the expressing of suppressed emotional injuries that one can release the emotional injuries and errors to achieve Celestial soul condition and enter the Celestial Heavens.

Further, should one complete their Feeling Healing on Earth, then they will be able to recognise their soul partner, their other soul half, and should their soulmate have also embraced Feeling Healing with Divine Love, then their children will be born free from error, free from fear, and free from any deformity and illness. This is the destiny of humanity.

Further, being in this condition of free from error and being in constant communication with our Heavenly Parents, then one can also recognise and form their Soul Group. This will ultimately consist of twelve soulmate pairs, a total of twenty four personalities / individuals.

It is the bringing up of children by the support of soul groups that is to be the ultimate way forward. The group experience and wisdom, as a functioning family, will ultimately be of profound benefit for the blossoming child.

But what we cannot do is contrive the groups ourselves, or even pick who our soulmate is. This will only, and can only happen, as an outworking of the truth we are to live – as we progress in the healing of our soul.

And this is how all of life should be lived: according to the truth we are living. It is how we live, as there is no other way, but currently we live it in the negative, of that being directed by no truth, and so having to make it all up ourselves.

Unknowingly, our parents pass onto their children (us) their beliefs and way of living that has evolved since the Rebellion, some 200,000 years ago, and then the Default, some 38,000 years ago. In this way, humanity is suppressing the female, rejecting our Spiritual Parents, namely Jesus and Mary, and denying our Heavenly Parents being our true Mother and Father, of Their truth, standing and existence.

**The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion.** Nanna Beth 29 June 2017

We are souls, our personality is an expression of our soul. It is our free expression of our soul through our feelings that we are to embrace and follow. This expression may appear to be wilful in nature, from time to time, and consequently our parents' attempt to suppress this expression. They proceed to remodel us when as young children, in the manner their parents treated them and so on for many generations going back.

During our forming years, as a child, we are unable to recognise the suppression of our personality as being extra-ordinarily harmful to our soul based personality and, accordingly, we don't know that things can be any other way. Presently, neither do our parents.

This childhood suppression way of living continues throughout our schooling years, thus we learn this is a way of life that is normal.

Our religions all have been formed based on the tenets of the Rebellion and Default. The teachers and leaders throughout all denominations take us further away from our suppressed feelings that have been hammered into us during our forming years, thus entrenching us further into rejecting our true selves.

The controlling and suppression mechanisms of our parents, educators and spiritual teachers all manifest throughout all of commerce. This control comes heavily and brutally down upon all levels of employment. The capability to express one's soul based attributes and gifts is sealed throughout all of one's working life.

A new way of living is to enable the liberation of one's true personality through the Feeling Healing process AND the transfer of authority to the individual via embracing freedom of expression.

**OUR MIND constricts OUR FEELINGS!**

Thousands of years ago, high level spiritual leaders erroneously guided humanity to embrace their minds as the way to live. Our minds are addicted to untruth, they cannot discern truth from falsehood, and our minds are addicted to control over others and the environment. We are self-contained. It is our soul-based feelings that we are to allow to surface and guide us. Our minds are to then help us implement what our feelings are leading us to do and understand. All truth flows from our soul and it is our minds that are to allow such truths to be accepted and followed, not the way we are now being taught. We are to live Feelings First.

# Crossover

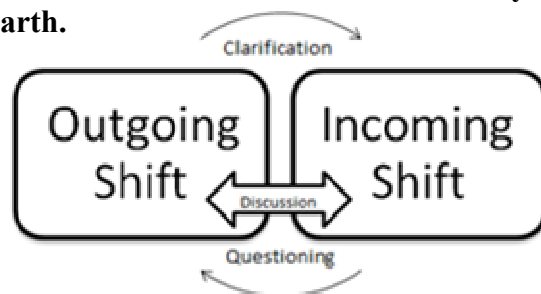

This time, in the history of humanity, is the most exciting time ever experienced.

# the Handover

This is the time that mankind is now able to evolve in its spiritual development. Humanity has endured 200,000 years of Rebellion compounded by the Default of some 38,000 years, now we have been provided with the guidance to put aside the negativities of the Rebellion and Default.

With the guidance that was provided through James Padgett (1914 through to 1923), again mankind can become aware of the availability of Divine Love from our Heavenly Parents. This also heralded the handover. That is, the commencement of the end times of the involvement by Mary and Jesus in the spiritual affairs of humanity on Earth.

Soul groups that have been in place during Mary and Jesus' 2,000 year involvement with Earth have progressively handed over to soul groups that have been forming since 1914 (Padgett Messages). The older soul groups have mostly moved further towards Paradise.

The second revelation, that followed from the availability of Divine Love, is the processes of Feeling Healing and Soul Healing. The understanding of the Feeling Healing process is the most important of the revelations and should have been the first to be revealed. Feeling Healing and Soul Healing are being revealed through and by Marion and James Moncrief.

The soulmate / soul partner bestowal pair, being the first to complete their Soul Healing, and upon their deaths, will release their Spirits of Truth which will unify with the Spirits of Truths of Mary and Jesus so that humanity, in whole, will have access to this knowledge and guidance for the next 1,000 years.

Mary and Jesus, being responsible for the spiritual wellbeing and upliftment of the whole of Nebadon, are to withdraw from their direct involvement with Earth's humanity and handing over the responsibilities to an Avonal bestowal pair, who take individual responsibility for the spiritual wellbeing and upliftment of individual planet humanities and their associated Mansion Worlds, in this case, Earth exclusively.

For the next 1,000 years, via the Avonal Pair and the newly forming Soul Groups, Earth will be able to evolve through embracing Feeling Healing, and with Divine Love, one's Soul Healing. These newly formed Soul Groups are effectively 'Council of Elders' to assist humans living in the physical on Earth and Mansion Worlds to enable all to be aware of the way to evolve.

With the absolute end of the Rebellion, this is the first time in 200,000 years that mankind, humanity, can take control of his and her destiny and evolve in Love and Truth for all eternity!

Throughout this coming era, our spiritual leaders will be an Avonal Pair, yet to be identified.

## Life Practice Matrix - Feelings First

Mind imprisoned humanity has been subjected to the percepts imposed by the Rebellion and Default commencing some 200,000 years ago.

Humanity has universally adopted its mind as the pinnacle of one's intellect. In doing so, it has looked to its ego and arrogance to reveal the way to live one's life. Humanity has conjured up endless modalities enabling one's mind to suppress, albeit temporarily, discomforts, pains and illness through countless ineffective mind controlling systems, and has even categorised them into modalities of many different kinds.

Humankind has enslaved themselves to their mind, depowering them by ignoring their feelings. One's soul based feelings are always in truth and love – interconnecting with all aspects of life.

For those who have discovered and embraced their feelings, longed for the truth that one's feelings can reveal about their feelings, both good and bad, a great sense of freedom has emerged.

By living through **Feelings First**, and then having one's mind assist with the implementation of what one's feelings are conveying, we are then living true to one's self, and consequently true to our Heavenly Parents, our true Mother and Father.

## Feelings First Feeling Free

# REVELATIONS

**JAMES** PADGETT **REVELATIONS** 1 Commenced 1914  
 MONCRIEF 2 Completed 2014

## REVELATION

**1** Divine Love addresses the issues of the Rebellion.

The availability of Divine Love, should we so ask for it, being revelation 1:

God's Divine Love: Pray for it, ask for it, and receive it.

Whilst we are receiving our Heavenly Parent's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is the Mother and Father's way of loving us into love and then we live what we are, love.

## REVELATION

**2** Feeling Healing addresses the issues of the Default.

The way to clear one's soul of childhood errors and injuries is revelation 2:

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

# REVELATIONS

**Revelation 1:** Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs; these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves; we become 'evil'. Whilst we hold to these injuries, we limit the amount of Love that we can receive into our soul. To open our soul to the Love, we must firstly and progressively feel into our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries, we hold onto them.

To free our soul of damage and toxic emotions, we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing, we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

**Revelation 2:** We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

James: Beth, you'd like to say some more, as you were telling me on my walk.

Nanna Beth, 3<sup>rd</sup> Celestial Heaven spirit, John's grandmother: Yes James, I would if you wouldn't mind. I want to tell you some more about what's happening over here.

As you understand, we have all but stopped the mind spirits from negatively influencing people on Earth, and the biggest area this is in, is in the religions. So the religions on Earth and all the spiritual systems of the mind, are under pressure in that they are no longer enjoying the input from the mind worlds that they have had. And how this translates into ordinary everyday life, is more in the unseen connection between those in religions on Earth and those of the same religion in spirit, is fading away. So those people on Earth, and in spirit in their way too, are being left more to their own devices, having to make things up more with their mind should they want to carry on as before. And this in time will bring about increased feelings of dissident in them. People will get more disgruntled as the control of those in power is tightened through fear of the controllers feeling they are losing power. And so people will become increasingly disgruntled with how things are managed, causing many to end their relationship with their church, in the Christian fraternity, and even many starting to question their beliefs and the whole purpose and need of their being part of a religion. And the same is happening in the mind Mansion Worlds.

Then at the same time, we, the Celestials, are being allowed to move more freely amongst everyone, both in the mind Mansion Worlds and with you on Earth. Which means, we can confront and have more of a say in people and spirit's lives; something that was forbidden the Celestials of the 'old guard'. They were not allowed to interfere at all, having to wait patiently for spirits (as there was rarely anyone on Earth) to show interest in an alternative way to God, which enabled the Celestials to slowly introduce the notion of the Divine Love and then that of doing one's Healing. But it took a long time for mind spirits to show any real interest and being willing enough to give up the power their mind had over them, wanting to seek a higher life. And relatively speaking, there was only a very small trickle of spirits into the Divine Love Healing worlds and then into the Celestial spheres during the past two thousand years. (Jesus opened the Celestial Heavens 2,000 years ago, at the time he died.)

However now, things have substantially quickened, with far more spirits eagerly looking for something new, eagerly embracing all the Celestials have to offer, quickly embracing the Divine Love, if they have not done so already, and then just as quickly and eagerly moving to do their Healing. With my example to you, John, of Brad, Kev and Ray all eagerly taking on what I said. That wouldn't have happened before, nor would I have been able to come so directly and even forcibly to offer them the **two ways: that of living with the Divine Love and doing their Healing, or that of continuing on in the mind worlds being mostly as they had been on Earth.**

So this is all part of the new, which officially started with Jesus and James Padgett (1914-23), but not really getting going until Marion and James started working on themselves (mid 1990s) and working their way up through all the mind circuits, freeing us up as they've gone, enabling us to approach and be more freely expressive to spirits on all levels, and also to people on Earth should they want our help.

And many of the Celestial soulgroups are engaging in this work, working with the mind spirits because there's a vast number of them in the mind worlds, the mind worlds being all but stuffed to capacity, and they need to be somewhat emptied making room for all those who are still to come into them from Earth. Because you see, most people from Earth for the foreseeable future, will still be coming into the mind worlds, still unable to embrace any real change on Earth before they die. And with lots of them to soon arrive en masse, room needs to be made to accommodate them.

And so at the same time as this is happening, so with all the movement in the mind worlds, so there's increasing pressure on their controlling centres, and in particular, religious institutions, because many spirits are leaving them, looking for other things and simply abandoning their beliefs. And we are able to go right into these systems now, to be amongst the spirits in their deepest most secluded places, in their strongholds so to speak, and talk to those who show any interest in other things. And this is causing great concern for their leaders, because as James is reading in your current Pascas Paper, "Pascas Care – Feeling Healing is Rebelling", so there is this constant and increasing rebellion in the ranks.

**PASCAS  
PAPERS**

And it will get to a point whereby there simply won't be the available numbers of these controlling spirits free to welcome their new comers, then to heavily assert and ensure control is maintained, which will cause even greater confusion for new comers, allowing us to have even more of an effect.

And it's then quite possible that this will all be reflected in time on Earth, so more people will be open to looking at new systems of belief, alternative approaches to spirituality, hence where you and James will fit in, being able to make available one such alternative.

So I wanted to show you how it was for me with Brad, Kevin and Raymond, as an example of what is happening over here in the mind worlds. So many more spirits because of family connections through being related to or having some personal connection with a Celestial, are able to move into longing for the Divine Love and looking to healing themselves and grow in truth and start to seriously consider embracing their ascent to Paradise. (Bradley is John's nephew, Kevin is John's brother-in-law and father of Bradley, Raymond is John's 1<sup>st</sup> cousin and grandson of Nanna Beth.)

So you might liken how it is over here as to a rusty old machine that could hardly carry out its function, yet now oil is being added, and the machine is starting to grind and churn and move and work. It's still early days yet, however it's all underway, and the momentum will build, it all helping to have the desired effect of ending the influence of the Rebellion and Default.

Thank you James, that is all I wanted to add at this point. We'll speak more later – Beth.

# Boundaries of HELL!

Humanity on physical Earth is in Rebellion and Default, thus hell! Upon death we all arrive in the 1<sup>st</sup> spirit mind Mansion World where we typically suppress our poor state and remain in the mind Mansion Worlds indefinitely. Some have a period in the ‘hells’ compensating for the pain they have caused others. Many continue their ‘mind worshipping’. However the way out is by embracing Feeling Healing, and with Divine Love, Soul Healing to progress up through the Crying Healing Worlds and transition out to the first of the Celestial Heavens.

## GATEWAY

Transitioning into the Celestial Heavens is also out of:

## ISOLATION

If you go against yourself, if you’re untrue to yourself, then you are going against God and all God’s laws, and compensation is required to bring you back into the fold, which is what happens through our Spiritual Healing. It’s the Law of Forgiveness, forgiving yourself through self-acceptance, which is dominant in this part of your life. If you cross the line and abuse your children, that being up until they are 21 years old, then you have both levels and amounts of Compensation and Forgiveness to deal with, that which happens as part of your Healing. And as everyone abuses their children, we being conceived into our parents’ rebellion against the truth of our soul, so all who have children have to come to terms with all they’ve done through their Healing.

## Law of Forgiveness

## Law of Compensation

If you go against someone else, as in cross the line and grossly interfere with their will, and there are degrees of this, then you will have to suffer the pain you have caused the other person, spirit or creature, which as you know is the Law of Compensation; and as to the extent of crossing that line and hurting another determines whether you have to spend time in the hells or not.

Kevin 18 Feb 2019

The minor ‘hells’ are the lower levels of the 1<sup>st</sup> mind Mansion World whereas the more severe are the Planes of Isolation being the 2<sup>nd</sup> Earth plane with the severest being the 1<sup>st</sup> Earth plane. Pain caused to another is the pain that will be endured before returning to the 1<sup>st</sup> mind Mansion World, all then to consider your Feeling Healing.

Hello Mary, I'd like to talk to you if you wouldn't mind?

Not at all James, go ahead.

## Law of Compensation

James: It's about what happened yesterday with the angels initiating the first phase of bringing the Law of Compensation to Earth. Is there any truth to it – is that what's happening?

Mary Magdalene: Yes James, it is as it's been told to you. It has to happen so as to begin the real termination of the Rebellion and Default. For that to be put in place slowly over the coming years will mean the wrongness can't progress any further. It's the bottom of the roller coaster ride, with humanity unable to go any lower, and it has to start its healing.

**Law of Compensation  
quickenning 22 May 2017**

James: How will it work?

Mary M: People will be unable to inflict hurt and harm on others without suffering the degree of hurt and harm themselves. The pain they cause to others will come back to them, in that they will also feel such pain, all so they can understand through the pain, what they have done wrong. Thereby, one would think, they would wish to avoid causing it again, so no longer carrying out such actions, having to change themselves, which will mostly be by using their mind, although a few people will change through expressing their feelings, helping to reshape society's bottom line. It is as you rightly surmise, to make people on Earth be as people in the first Mansion World are. With those people wanting to live being good and loving, all from their minds, mind you, being able to do so more easily; and those people who want to go against this, not being able to as much as they've been able to since the Rebellion began.

As you understand, from now on, progressively the Mansion Worlds are to effectively be materialised on Earth, so Earth is to undergo a series of up-stepping of the light, all in connection to the truth. The more people who want to do their Healing, so the more such up-stepping will take place, all to support them, and to eventually eradicate all the negative circuits of the Rebellion and Default. However that will all, as you understand, take many ages, with this first phase being initiated by yours and Marion's level of truth and progress of your Healing, being what is needed to help humanity through the next age.

Things simply can't go on as they are, humanity would soon destroy itself, now that it is technologically capable of doing so, so it's time for the age to change and first phase of humanity's true Healing to begin.

James: And I presume these phases are to come into play through the angels adjusting us all through the remainder of Marion's and my Healing?

Mary M: Yes. The angels will adjust the mental, emotional and spiritual circuits as required, both globally and then individually, and even on other levels like nationally, culturally, socially, all the different ways humanity relates and experiences. In short, you could say, the spiritual light is getting a little brighter for humanity to deal with, which will in turn affect it on all levels, even including the physical, so genetically. And part of this change and inner transformation is to include what you say about the Law of Compensation being established on Earth. So people will start to feel its effects straight away, rather than getting away with all the bad things they do, and having to wait until they come into spirit before it comes into play, taking them into the Earth plane or first Mansion World 'hells'. So hell, the right definition of it, is to come to Earth, but not a fire and brimstone place, but simply bad feelings caused by bad unloving actions.

And not all bad unloving actions, but the very worst of them, the bottom rungs of them, so to speak. But over the aeons as the ages change, so the levels will increase, until the end when no one would be able to be imperfect, and so hurting another person or creature in any way; and if they did, suffering immediately for their actions so they'd know they had done wrong.

And as to how bad, that you will have to wait to see James. Things will adjust throughout all aspects of humanity, so it's not like a person who kills another person will suddenly fall in a heap of pain themselves having to work through their compensation for the unloving act done. But it will affect the whole consciousness of humanity, it's far more subtle, although individuals will know they have erred and to a very bad degree, for they will feel the torture they've inflicted on another, which really is the torture they are inflicting on themselves, the same torture on the feelings level that was inflicted on them.

It's really the beginning of the purification of humanity, starting on the mind level. So the mind, people living with their minds in their wrongness, will at least strive and want to live positively – as good and loving as they

can; with those people who want to live true and heal themselves of their mind domination, being able to do their Healing more easily. Those people wanting to do their real Healing will gain more support, even from those people of the mind who will think the Feeling-Healing people are like themselves working to better themselves using their minds. But of course the people doing their real Healing will know what they are doing is very different.

It is something James that you'll feel and sense and perceive more as you grow in truth, it won't be very obvious to begin with, but once things get going in earnest in the next age, that being of yours and Marion's, then you will see things change very rapidly because there will be the greater spiritual light supporting it all, together with your Spirits of Truth.

But in the lead up to the change, it will add to stirring up the wrongness on its deepest levels. People who live on those levels will not feel so happy and in control and powerful as they once had. Things won't go as well for them as they did. They won't understand that it's because of a whole spiritual change taking place, thinking it must be something that's changed in them or going wrong because of outside influences, which it is, but not as they wrongly think it will be.

So the whole of humanity is going to be affected from the bottom most truth-denial and on the deepest unloving level, all with the aim to bring people into a more loving state using their minds. They will be forced to evolve and work harder at being loving, like the mind spirits do, or continue to live in their misery. But if they want to get on and 'improve' themselves, then they have to employ the mind working hard at it. Which is all still a contrivance, so a false love, yet still it's better than not having it

and being able to get away with such heinous crimes and not having to suffer for them until one comes into spirit. The best way to deal with hurting another person, infringing upon their will, is in the moment that you do it, you feel it, see and understand it, the person alerting you to it themselves, or you seeing it through your feelings for yourself. And so more of that will happen, rather than you being oblivious to the damage and pain you have inflicted, having to undergo a long drawn out mostly unconscious experience in one of the spirit hells to bring you into the awareness of the terrible thing you did.

James: But a lot of people do such bad things under the influence of drugs or alcohol or have unstable minds –

Mary M: Yes, but they can still be made to feel the severity of their unloving actions when they are sober, or the angels can work on them in their minds through such instability, all to achieve the desired effect that they will know they have done a very bad thing and have to suffer because of it. It's all cause and effect, and pain is a great leveller. Pain speaks to everyone no matter what state they are in, even if they don't seem to feel the usual pain most people feel. But in their very bad shut off emotional state, they can still be made to feel pain, pain they can relate to, and pain relative to and directly resulting from their actions. So there will be no getting away from it, everyone has to ultimately take full responsibility for their actions. And although mostly on Earth it's been left up to the authorities to prosecute criminals, still it's not within the criminal themselves, through their own feelings of remorse, guilt, shame, anguish over the bad thing they have done, that such punishment is taking place. **Too many criminals are punished never feeling deep within themselves that they are wrong, never having to feel the pain themselves they have inflicted on their victim, never feeling they have to take full feeling-responsibility for it.** And in many cases, not even feeling sorry for what they have done, let alone feeling such inner pain and emotional disturbance that they have to repeatedly beg God or whomever they feel is a greater force than them, for forgiveness. For the average criminal it's all outside of them, so they do their punishment, have paid their debt, are free to go, with their punishment not actually affecting them internally on the feeling-emotional, mental and even spiritual levels; however with the sort of pain induced because of the Law of Compensation, there is no getting away from it. And people will of course do all they can trying to avoid it within themselves, take more drugs, drink, even hurt others or themselves, but that will only compound their pain and suffering. There is no escape other than having to face and accept and own up to and admit and feel as bad as your pain will make you feel, and for as long as you need to feel it; to be put into it, to allow yourself to surrender and submit to it, even if you have to be forced; to give up, give in, stop fighting it, stop pretending you are not as bad as you are; go with it, and feel all the pain you are to feel, which will be, as you'll come to understand, all the pain you have inflicted on another in the act that you did against their will – their person. And it will include causing creatures to suffer as well, not just people.

James: So what you're saying, this is going to begin on the lowest levels, and then increase, to one day many ages away, apply all the way up to the Celestial level?

Mary M: Yes, then no one on Earth or in the Mansion Worlds will be able to err, they won't be able to cross the line and infringe upon another in the slightest way, including all the ways of expressing oneself; and if one does, one will soon know and will want to make amends by saying and feeling and really meaning you are sorry. But that's a long way off for humanity, so what you and Marion are helping to do is bring in the first level of it, which you'll be doing in stages or phases, as you felt yesterday, 22 May 2017, James.

James: And this is all adult to adult, not including adult to child?

Mary M: That's right. Adults have to sort themselves out and take responsibility with each other first. Still suffering can occur to the child through its forming years and early life, however although overall

the abusive child / parent relationships you've all endured will continue, the worst of this abuse will also be affected by the incoming Law of Compensation, because it involves such wilful will abuse of the victim. But the average parenting that is unloving, will keep going on, that is all a separate issue and will only be healed and resolved through people doing their Healing. Because it has to be done with truth and feelings, which you can't do on one's mind levels.

As I said James, more understanding will come to you. It all being what is required to fully instigate the requirements necessary for your Spiritual Age.

And things are moving along perfectly well, everything is happening as it should. All the work you are doing on yourself and with John, Beth, the other people and spirits, and Celestials, is just as it is meant to be. It's all unlocking the closed circuits so humanity will be free to choose to end the Rebellion and Default within themselves. (Rebellion commenced 200,000 years ago and the Default 38,000 years ago.)

Jesus and I are very pleased with all you and Marion are doing – very pleased, we want you to know that. We love you greatly, you are doing a tremendous job, it's very difficult, however, you are getting there. I'll go now, I've said enough to help you with your feelings and thoughts about what's transpiring, and we'll talk again soon.

James: Thank you Mary, it was good to speak to you again.

Bye now James – Mary M.

**Avonal AGE**

**End Times**

**THE CHANGE**  
**AFTERTIMES**  
**NEW FEELINGSWAY**

This is the time in the history of Earth's humanity when the greatest event ever experienced throughout its almost one-million-year history is taking place.

At the time of World War II, 1939-1945, Earth's humanity was around 2.4 billion. Given the major recovery issues post war, the duration could be said to be 10 years and then some.

What is unfolding for humanity now is a factor 100 times more significant, and then some. Not only is Earth becoming fully engaged, so too are the 2 Earth planes, the 7 spirit Mansion Worlds and the 3 Celestial Heavens. That is 13 worlds.

Upon death of our physical body, we all transition to the 1<sup>st</sup> Mansion World

Earth's population in 2020 is approaching 8 billion; spirit Mansion Worlds 1 and 2 have approximately 200 billion; the numbers for the 2 Earth planes are unknown, however they are near capacity; the Mansion Worlds 3, 4, 5, 6 and 7 could be any number. The 3 Celestial Heavens have approximately 30 billion personalities engaged in assisting in these events and the administration of the coming Avonal Age. All worlds combined having in excess of 250 billion personalities – more than 100-fold. Now add the angels!

The Avonal Age is for the next 1,000 years, more than 100 times the duration of World War II – well, 40 generations of 25 years each.

# The HELLS are to EMPTY!

Through the intervention of a Magisterial Daughter and Son, an Avonal soul partner pair, from Paradise, we of Earth's humanity are now being shown how to heal ourselves of what we have each taken on of the Rebellion and Default. We are being shown and made aware of how to live true to our feelings and to long for the truth of what our feelings are to show us. We are to live feelings first and have our minds follow to implement what our feelings are guiding us to embrace.

Earth Planes 1 and 2 are Spheres of Isolation and Disharmony for the Law of Compensation - 'Hells'

**WE ARE  
THE TRUTH  
SEEKERS**

We are the Truth seekers. Our minds cannot discern truth from falsehood. Our soul-based feelings are always in truth. As we embrace and live through our feelings we will step away from error. As we learn and express our feelings, both good and bad, we will release the errors that we have absorbed during our childhood suppression and ongoing repression, thus healing ourselves of our personal Rebellion and Default.

As we progress with our healing, then we will transgress the ceiling of the mind's limitation (499 on Dr Hawkins' Map of Consciousness) and embrace our potential which is to infinity through our soul-based feelings of Truth.

The quickening of the Law of Compensation, as a consequence of the emerging 1,000 year Avonal Age now commencing, for those who set their 'minds' to cause harm to another may progressively find themselves being debilitated with the equivalent of the pain they intend to inflict, thus preventing the error being executed. Within the spirit mind Mansion Worlds, this is instantaneous. How this is to unfold on Earth is yet to be understood. However, injuries to others will be compensated for while one lives within the physical on Earth, thus the progressive emptying of the Hells will unfold. This will bring about an era of peace on Earth as conflict and war will be impossible.

## earthing to unfold 017

### EARTHING of the LAW of COMPENSATION

James: Hello Nanna Beth, if you wouldn't mind speaking with me again, I'd like to ask you about what Mary Magdalene was speaking about, the 'earthing of the Law of Compensation' – can you please expand on what she was saying?

Nanna Beth, 3<sup>rd</sup> Celestial Heaven: Certainly James, and you don't have to ask me if I mind speaking with you, just ask away, I'm permanently attuned to your mind now as well as to John's.

James: All right, thank you. And I won't ask again, I've been doing that because of feeling more like it's not my right to just assume and even demand you or Mary or anyone else speak to me on command, like I used to. I've felt bad about that, so feel a bit more humble about it, thinking you have full lives and surely aren't just sitting around waiting for me to demand you speak to me, feeling guilty for using you, and without any respect.

Nanna Beth: I understand, however I assure you, none of us, and especially not Mary, have felt put upon or disrespected by you. You've not been out of line, and we've all repeatedly told you we're more than happy to talk with you, that we WANT and are very EAGER to speak with you, that we even LOVE doing it, and hope you'll ask us to more, so please feel free at any time, and don't worry if you have to keep leaving us in the lurch because Marion speaks to you or you have got to get up and go to toilet or make lunch, we can easily deal with all of that; and I assure you, that is nothing for us to cope with. I can't explain it to you how it works for us, but there is no effort in our being attuned to your mind and its thoughts and feelings, so we can easily inject into you what we want at anytime, even within the hubbub of your daily life.

James: Yeah, all right Beth, and thank you again. As with all my Healing, so often I feel like I am starting over, even like I've never done it before. I reach a new place in me, and then I feel like in some ways it's the first time I've spoken to a spirit, so please spirit, can you speak to me... It's quite dementing – another dementing part of my Healing.

Nanna Beth: I understand James, and of course you must speak about it all and do what you feel. So, shall I go on answering your question?

James: Please.

**Golden Rule: One must always honour another's will as one honours one's own.**

Nanna Beth: I don't know if there is much more that I can add to what Mary told you. I can expand somewhat on some of the things she said. The Law of Compensation requires that all wrongness is compensated for. So, anything that goes against what is right, so against the Truth, as the Truth is always right, one has to make amends for. And as we're all conceived into wrongness, with our whole lives being against the Truth, so we've got a lot of amending to do, which is what happens throughout our Healing. It's how we come to understand where we are wrong in ourselves, because through our actions and words we make other people or spirits feel bad, and by their feeling bad we can then understand our deeper underlying intentions that drove us to hurt and harm them, thereby understanding that in actuality we are doing all of this to ourselves, all because we wrongly believe it is how we are meant to be in life, that all being of the wrongness our parents forced on us.

So you understand our parents hurt us, yet we believed they were right in doing what they did, so carry on that hurt ourselves, which in turn involves hurting others, and worst of all our children. And how other than feeling the pain yourself that you are inflicting on others, as an indication of the pain you are

causing yourself, which is the same pain your parents caused you, can you set about putting right the wrong. It's the unwinding of it, which is what the Law of Compensation allows us to do – helps us to do, insists we do, at some point in our lives, be that on Earth or in spirit. And up until now, it's mostly been in spirit. Of course some people when they have done wrong feel guilt and want to make amends, and these are examples of the person feeling connected enough to their feelings allowing the Law of Compensation to work, they invariably feeling the pain they have caused in the other. And then would try not to do that again. However, there are many things people do that hurt other people with them unaware that their actions are causing any pain. And this all is what is eventually brought to light through the workings of the Law, it all helping you to understand more truth about yourself.

And then there are people who don't feel any remorse at all, even delighting in the pain they cause other people and creatures to feel, and really it's these people doing very bad things that you and Mary were speaking about concerning the earthing of the Law of Compensation. Which means, such people in future will not be able to keep getting away with not feeling the pain they have caused, it will come to them much faster, they will not be able to carry on oblivious throughout the rest of their life on Earth, only to suffer the healing effects of the Law of Compensation for such bad actions once they enter spirit and find they are confined to the healing 'hells'.

James: So it will be felt like a quickening as John said on the phone today?

Nanna Beth: Yes, exactly, there will be much quicker feeling response to your unloving actions, rather than the long delays some people have experienced in the past.

So like a great hand coming down and scooping up the whole of humanity, the Law of Compensation will start to apply as that hand is raised up. So the worst atrocities against another will be dealt with first, people will feel the pain of their actions much sooner, and no relief will come from the ever worsening pain until they have felt all they inflicted upon the other person or creature, and understand that it was wrong what they did, and feel very sorry for their actions. And so sorry, that they genuinely feel they don't want to do that again, so want to change themselves, understanding what they did was not acceptable, was very bad, was wrong, and if they continue doing it, will only cause themselves even more pain. And of course some people will need to repeatedly feel the intense pain of their unloving actions so as to grind themselves into a state of not doing it again, but still, that's all part of the Law being applied to the physical level, which I will add, is all new for us too. As you understand, it's never been applied to Earth, so it's new, and we can only make deductions and assumptions about how it will work, based on what we've experienced with it in spirit, some of us in the hell planes and being heavily subjected to it, others of us with it being more gently applied as we were more easily able to adjust our minds whilst we lived in the mind worlds, and then more so when we did our Healing in the Divine Love Mansion Worlds.

So like a great hand coming down and scooping up the whole of humanity, the Law of Compensation will start to apply as that hand is raised up. So the worst atrocities against another will be dealt with first, people will feel the pain of their actions much sooner, and no relief will come from the ever worsening pain until they have felt all they inflicted upon the other person or creature, and understand that it was wrong what they did, and feel very sorry for their actions. The ultimate outcome is for you to be pain free, which means, for the Law of Compensation to have finished its work upon you, for all that was wrong and imperfect, to be right and perfect – for you to be wholly true, and true to yourself, so also true to God, so true to the Universal Laws of Love, which are those of our Mother and Father. So true to the Truth, with all rebellion and default having been healed.

**The New Way: Learning how to live true to ourselves by living true to our feelings.**

James: I understand Beth, so far as my Healing goes, that I am still feeling pain because I am still wrong – that being, still feeling the Law of Compensation working on me?

Nanna Beth: Yes. Without the pain you'd not know anything was wrong. We need something to tell us, and loud and clear, and through our feelings and not our mind, that we are wrong, in the wrong, doing wrong, all so we can focus on that pain, using it to bring to light all the feelings and emotions to do with it; by expressing them, all of which in turn leads us to uncovering the reasons for our unloving and untrue actions, which brings to light our erroneous beliefs and associated bad behaviour. We are behaving badly because of erroneous beliefs we adopted from our childhood. Our bad behaviour hurts others. They then show that pain and hurt, and even if we kill them, we can still see that we've greatly influenced them against their will. And naturally, were we in a good and true state, we'd instantly feel so sorry for the bad we'd done. We'd feel so awful, wanting to make amends, wanting to say sorry to the end of time, wanting to do whatever we could to show how upset and bad we feel, the same depth of bad feelings that we've caused in the other. Which would be the instantaneous settling of the Law of Compensation. With both sides, the perpetrator and the victim, feeling good about it all in the end. Which is how a true parent would act were they fully in touch with all their feelings, the moment their child showed them they were out of line, that they'd crossed the line, infringed upon the will of their child, hurt them, caused them pain through feeling bad, they would want to make amends and never do that again. Which parents who are Healed and true would be able to do, should they cross the Golden Line.

**The Golden rule is: Never interfere with another's will.**

But look at how far most people are away from their true feelings, being able to do all sorts of bad things to other people and nature, half the time not having any bad feelings about their unloving actions. Look at parents damaging their children yet saying they are being loving. And in business it happens all the time, it's just business, you either win or lose, no hard feelings, in government saying they will help and support people when all they do is make it harder for them, any situation in which someone is exerting control over another, even in just general conversation, people's feelings are trampled all over by most people with either side being none the wiser. And all of that is causing pain, and all that pain has to be compensated for. And how you compensate for it is by feeling the same amount of pain; you can't actually make amends, the damage is done, but you can fully feel the horror of the horror you've inflicted. And you'll soon learn from those mistakes, pain is a good teacher.

So you see, it's more than just a rapist or murderer I'm talking about, it's in any way one crosses the line and hurts another. And most people are not aware of all the hurt they are causing, merrily going about their day completely unconscious of the real impact of their actions. And as you are also mostly unaware of that which impacts others are having on you, so you all agree to use and abuse each other, none the wiser to your real actions. And you go home exhausted having been slaughtered and having slaughtered all your co-workers, friends and family alike. Then at home you work away unconsciously abusing your partner, children and pets. All in the mistaken belief that you are being loving.

James: So something has to right all this wrong. And without pain there is no incentive.

Nanna Beth: So you keep feeling bad James, because the pain of your wrongness is continually being liberated in you through your Healing. And that pain makes you feel various feelings, which you then endeavour to express to Marion, which in turn leads you deeper into the repressed pain you have from your parents' unloving parenting, all to help you understand how they negatively affected you, how you then took it all on believing it was the right way to be, and so how you keep hurting yourself whilst you

are also hurting others. And Marion very quickly shows you when you step over the line: when you say the wrong thing in response to what she's said, when you do the wrong thing hurting her, it all being to show you how badly and unlovingly you are treating her. And that then makes you feel bad as you realise what you've done as she explains it all to you through what she's feeling – articulating all the pain you are making her feel (causing in her); and then that makes you feel bad, the pain of your wrongdoing, which is the Law of Compensation clicking in and taking you down into your pain and making you feel that pain for as long as required but for it to sink into you just how bad you are. And so how bad and unloving you feel you are for as long as you do, when you are not trying to reject it; and that also makes you feel bad – worse, because it's adding onto all the past pain and wrongness that's come to light. The whole effect being to crush you literally out of your mind control, shining light on your erroneous beliefs and how they are causing your unloving behaviour, all of which is how bad you feel in your worst times, when the Law is bearing down upon you, changing you, making you have to admit and confess and own up and so honour just how evil and unloving you are. And at the same time, because you are wanting to know why you are this way, how it all came about, and so how it relates to and connects with your feelings brought about between you and your parents, so the truth comes to light about those relationships. And consequently, also about the unloving relationship you are having with yourself, causing yourself such pain; and the unloving relationship you are having with Marion and other people in your life, causing them pain, all because you are refusing to accept and embrace and deal with the pain you are causing yourself. You are dumping, or at least trying to, that pain on Marion and your friends, but it's all really only what you are dumping on yourself, all of which was dumped on you.

However getting back to what you were talking with Mary about, only the lowest or most raw for first phase of the Law of Compensation is going to be earthed to begin with, and in stages as you progress in your Healing.

And so this will mean, the worst acts of self-hatred, which are inflicted on others, causing other people and creatures the most pain, will have to immediately be compensated for. And that will involve people who are completely selfish, greedy, power seekers; and even people who commit suicide will in some cases have to suffer more immediately for their self-inflicted pain when they come into spirit. And as the Law becomes activated on Earth, so too will it become stronger in the Earth planes and first Mansion World 'hells', thereby putting increased pressure on those spirits to have to attend to themselves and their wrongness sooner and more intensely than they would have. The need being that such levels are purged more quickly of their inhabitants, as some spirits are able to even deludedly enjoy their evilness being confined to such lower Earth planes, refusing to want to better themselves. But no longer, for they too will feel increased pain, and so much so that they will no longer want to remain where they are, having to work more with their minds on themselves to better themselves so they can move into the first Mansion World, or, if in its hells, then out of them. So yes, it's all a Quickening, as John was saying.

James: Okay, I understand what you're saying Beth, and so once again, people who harm people in say a more abstract way, in that they do some sort of business that hurts people they don't know, will also feel the pain of those people they've willed against?

Nanna Beth: Yes. The drug dealer will feel more responsible for the pain he is causing, even though his clients want him to deal to them. The capitalist will feel the pain should he leg people over through his craftiness once believing he was smart at ripping them off – no longer. The politician who thinks he's the great one in his despotic regime, having all the say and control, will not be able to treat his people so badly. People experimenting on creatures, people kidnapping people and doing horrible things to them, people experimenting on others with medical drugs, saying such drugs are beneficial when they only cause more pain and grief. Anything in which someone is wilfully using their will and power over another's will to a high or severe degree, including the more obvious ones like the murderer and rapist and severe child abuser. That is where the line is being drawn, and it's up to the angels to administer the

Law of Compensation as required by the needs of the soul concerned. So it's hard to guess or make generalisations, however less and less will such people be able to get away with it pain free, their evilness will come home to roost much quicker, and whilst they are still of the physical, not having to wait for that to happen upon their death.

James: What about killing someone in war?

Nanna Beth: When the war is agreed upon and both sides know what they are in for, then that's all just part of the general unlovingness everyone is in, which in time will also have to be accounted for, however not yet through what we're talking about. However in war, if someone does a very bad thing to an innocent person or creature, using their position of power because of the war to their advantage, then that is where the Law of Compensation will come in, causing them to feel the full depth of the pain they have inflicted. But as to feeling it to this degree, I don't mean this will start happening right away James, as you understand, it's going to be gradually introduced, but it's mainly for the next age, when it will be fully active at the bottom line, all to stop humanity going further into their wrongness, all putting the brakes on the Rebellion and Default, and humanity's disregard for truth and it's unlovingness.

James: I understand Beth.

Nanna Beth: For now, it would be only through very subtle observation, and I doubt we'd even be able to detect that it's actually happening, however it's in motion, which is the main thing, and in time, it will grow in intensity, and then we will be able to see it happening, as will people on Earth.

James: That helps me understand it more, how severely it will be introduced.

Nanna Beth: The other important part of it is that it involves the angels being able to come into play in a positive way in helping to deal with the Rebellion and Default, which they've not been able to do. It's a huge 'game changer' James, because it's giving the angels more power to be involved with people, and ultimately, they are to come right in sorting out all the mess and all the wrongs. All by helping people do it for themselves. The angels will not take over, but they will make the necessary inner adjustments in the person so they will feel the pain and be susceptible to the Law of Compensation. It's the angels being more hands-on with humanity, which they are incredibly pleased about, because it's how they've been created, what they are designed to do; and to not do it, has been causing them great stress all these years, and to even have to help people further go against themselves and the truth, has only added to that stress, so this is one step toward them feeling relieved of some of that tension; all of which as I said, they are extremely happy about, having waited a long time for it.

James: So it's our angels that enact or apply the Law of Compensation?

Nanna Beth: Yes, in conjunction with your soul, Indwelling Spirit, and the Divine Minister. All of them together cause the pain in you from your unloving actions, it happening naturally in your system were you true, it being what they are all doing with you. But because you are all untrue, so you have to play your part in wanting to do your Healing; or, if you don't, then having to suffer the consequences of your actions without truly understanding why. Understanding that what you did was wrong because it has hurt another person, but not understanding all the deeper aspects and reasons, the whole truth of how your parents unlovingly treated you making you be able to unlovingly treat yourself and others as you do. So on the mind level, it does end up being an eye for an eye, however then there is also the truth and feelings level, which concerns all your Healing, and all to do with your early life and how you've become evil and how you are being in your evilness. All of which is helping you to get to know the truth of yourself. So to begin your Healing and to unravel or reverse the process, you need to begin by wanting to get to know the truth of yourself – and wanting to live true.

Thank you Beth, I will go now.

It's my pleasure James, speak to you soon. Love Nanna Beth.

Monday, 29 May 2017

James: So Beth, if someone is on the mind side of things, then the Law of Compensation helps you to perfect your mind's wrongness by making you believe you are loving, by helping you to understand that your actions are hurting others, so you must use your mind to control yourself and be good and loving, all of which is false?

Nanna Beth, 3<sup>rd</sup> Celestial Heaven spirit: Yes. It's all to work toward perfection, toward love. So in a wrong mind-system, such as you are all in, it works to help you perfect your mind's wrongness, but in a 'loving' way, so in a way that doesn't make yourself or the other person feel bad. In an acceptable way. But really it does still make you feel bad, but because you've all agreed to ignore those bad feelings, so you all strive to live in your false love blocking out those unacceptable feelings, pretending you are loving each other. But when you want to be true, so the Law will act to help you perfect your true love state, so showing you in every way how you are hurting yourself and others, all through your bad feelings – which is doing your Healing.

James: Yeah I see, so the Law doesn't help us perfect our wrongness, our evilness, by making us be even worse, and the most evil monsters we can be –

Nanna Beth: No, because you'd then feel too bad. So it helps you to perfect your false love, your unlovingness, so you can pretend you feel good, which is in fact far worse than making you outrightly hurt one another. If you all suddenly became rapists and murderers, then very soon the system would end and you'd wonder what that was all about it, and get on possibly looking to go the other way and into the truth. But for you to all strive to avoid your bad feelings and pain by pretending you are loving, then the whole rotten mess can evilly move along forever, all as you delude yourselves that you're OK and even feeling good and loving. So pretending you are loving when you are not, is far worse and far more evil, than showing your hate and being outwardly unloving – for example, by torturing someone or a creature, outwardly making them suffer great pain. To bury it all, making yourselves not feel the extent of the great pain you are in, putting on the smiling happy face when you are all feeling tortured, that is horrendously evil, and what is so insidious and creepily evil about it, because no one sees it, no one wants to stop pretending they are loving by accepting they are unloving, wrong, bad, the worst unsmiling person one can be, because they are untrue.

So the worst most evil are the pretentious gurus and high sixth world spirits and their equivalent on Earth, because they are saying they are beyond it all, they are in bliss, they are always feeling loved and are the most loving, when it's all false, it's all wrong, couldn't be more wrong and further from the truth. And yet these people are celebrated and held up as being the right loving way to be, with so many people striving as hard as they can to perfect their falseness using their minds against themselves to be one of these people or spirits. Whereas the person who is deranged, perverted, demented, an unfeeling murderer, is being far truer to his or her wrongness, they are not putting on any show about it, they are not hiding how they feel, and really they should be 'celebrated' because they are outwardly showing in what a bad state they are in. They are still untrue, but they are not trying so hard to cover it up, they are saying loud and clear, I am a hated, wretched person, I hate myself, look what I am doing hurting another, I am in a very bad way. And in that they are far closer to the truth of how they feel and how

their parents made them feel. But that's not what the so-called transcendent enlightened one is saying, claiming he or she is now in bliss and at-one with God. And who would you rather be when you know the truth? How much harder will it be for the guru to fall and break down his unloving false facade, than for the wretched murderer to admit to his evilness and set about expressing all the pain he is in? Would you rather spend time in the 'hells' paying for your crime with pain, then coming out and being far more humble and aware of the damage being false and untrue can do; or would you rather transcend the mind worlds there to live in eternal mind-contrived false bliss, legging yourself over in your delusion that you have done it, that you are one with God, you are the king of the castle, the Great One? So can you see how far away from the truth you are, how much you've got it all wrong by trying to be nice, good and loving in your evilness?

James: Gee Beth, you feel so much like Mary, writing with you.

Nanna Beth: I attune myself to her Spirit of Truth James, so that's why you feel like I am her. Which I will take as a great compliment – thank you. I so much would love to be as Mary is. She is who I aspire to be like, if there is anyone I aspire to be like. Marion and Mary. However really I want to be myself more, which they are helping me be. I am my true self and living a truth equivalent to the third Celestial sphere in which I reside, but still I yearn to be more my soul, to be closer to Paradise and of a much higher truth.

James: So getting back to what you were saying before I interrupted you, it is only because we all want to be so-called loving in our untrue states, that the Law of Compensation helps us be that way; or true, should we want to do our Healing?

Nanna Beth: Yes, it is, as with all things, what we want. So we all wanted to be part of the 'loving' mind system, unbeknownst to us, and that's how the Evil Ones guided and influenced us, and it wasn't that hard for them to do, because no one wants to feel bad. We are made to feel bad right from the beginning, and yet made to cover up those bad feelings believing that we feel good. We aren't loved, yet are made to believe we are loved. So the Law helps us move that way. If we all wanted to be outwardly unloving, which some people and groups of people have done over the aeons, then we are allowed to go that way, openly expressing our hate, and if the Law was then applied to such people, it would help them become as openly hating as they want to be. However in spirit, and so it is also on Earth, the majority don't want to be the way of openly hating, believing it is wrong, and want to feel loved and be loving, so we have trained our minds to go that way, so the Law, when applied, supports us in that. So it will be all about helping the mind people and spirits becoming more true to their false love states, so open unlovingness is rejected, everyone has to be nice and loving to each other, friendly and caring, understanding and sympathetic, even though it's all contrived – all put-on and learnt. And only when you want to do your Healing, can you shed all that contrivance and ditch your falseness allowing yourself to feel just how unloved you are, and allowing yourself to express your unlovingness and hate and all your very bad feelings as they come up within you.

James: Yes, I can see the people I work with all desperately clinging onto their families saying they all love each other, when it's clear from what they say, that they might like some of how they are, but not all. And they hate me talking about how much I hate mum and my family, they can't believe I mean it, they cringe when I say anything negative, so I don't do it anymore.

Nanna Beth: They don't want to see the truth of themselves, and so as they are not wanting it, so it's not right for you to make them confront it; and it doesn't matter, because it's not up to you or anyone to make them change, that will happen when they are ready and need to move onto other things.

James: And Beth, you've seen all this for yourself as you did your Healing?

Nanna Beth: Oh yes, we all do, it's all the truths we are to live. We have to understand the evilness of the evil we've all been subjected to, and how we manifested it. We have all had to get in touch with how unloved we felt, how unloving we were, and all that made us feel. We've all had to break down our falseness, seeing it for what it was, whilst understanding why we needed to be it, why we needed to keep up the pretence and play the game. We all need to uncover the truth of our wrongness for ourselves, through our feelings, and we all come to see the truth for ourselves, it all being the same that which we see.

## GREAT U-TURN, THE CHANGE and the AVONAL AGE:

Monday, 24 December 2018

Nanna Beth – 3<sup>rd</sup> Celestial Heaven, John’s grandmother: The ‘Great U-Turn’ is what is happening now, it being the overall description denoting humanity turning away from following and advancing the Rebellion and its evilness as seen by living increasingly in a truth-denying state, to wanting to live true, to love truth, and to be truth-accepting. All of which comes about ultimately by doing your Healing, as you become the living truth as it’s revealed to you and also by people, like yourself John, who are currently more intent on understanding about it on an intellectual level. Both are needed, everyone who wants to embark upon their own personal U-Turn and the collective one of humanity, needs to understand a certain amount of what it’s all about with their mind as they work to bring the truths to light within themselves through their Healing. So anything to do with ‘reversing’ the Rebellion and Default is all part of the U-Turn. And it starts in a very small way within the individual, as it has already with the whole of humanity, being reflected by yourself and the others of your small band, who are wanting to live it and have accepted and believe it’s happening.

The Change, as such, is the same thing really. However technically, The Change begins with the dawning of the new Spiritual Age – the Avonal Age.

## THE CHANGE

The Change as I was referring to it yesterday was to highlight that once the Avonal Age begins in earnest, EVERYTHING will change. So currently, even though the Change and U-Turn have ‘begun’, it’s early days, just the ‘scouts’ going out in all directions in preparation for the ‘main event’. So technically we can’t say The Change has begun, whereas in time when Mary and Jesus’ age ends and the Avonal Age begins, then we can say it has begun. Whereas we can say the U-Turn has begun, it being a more vague term and not a technical definition.

Also, James has written about The Change in his Sage novels in reference to all I have said above and also the Earth Changes, including the Pole Shift. However the Pole Shift, were it to come during the Avonal Age, would then be part of The Change, The Change being the whole 1,000 years. It’s going to take the whole 1,000 years to implement on the parent to child level the necessary Changes so as to ensure that the effects of the Rebellion will truly come to an end, with that “end” still going beyond the Avonal Age to complete. So the Pole Shift is just a physical phenomena, and certainly of itself it will cause great change, but it doesn’t of itself affect any spiritual change against the Rebellion and Default, and in the past it has helped humanity go deeper into its wrongness.

So the real Change I’m talking about is spiritual and involves the ending of humanity’s truth denial. That’s the most important part, to help people see they are living against the Truth, of themselves and of God, and that all they are

doing is part of that, and that if they want to end that, they will have to do their Healing. So the Change will be with the awakening to that, a consciousness shift, a vast change to the mind of mankind as it considers the state it’s in: that ALL it is doing, ALL it’s believed was right, ALL of it’s religious and spiritual beliefs, outlooks, attitudes, are all only keeping it in its truth-denying state.

Imagine the whole of humanity understanding and focused in the direction of knowing everyone is suffering because of being under the Rebellion and that it doesn’t

**REBELLION** & **DEFAULT**

have to be that way. So people increasingly living in the wrong direction and going further against themselves, once The Change fully starts, won't be able to evolve further into a deeper or greater rebellious state. However stagnation within where it's stalled will be a big issue for a lot of people and mind spirits, those people and spirits who don't want to accept that's how they are is all wrong.

So you can say the Great U-Turn has started, the writing is on the wall for the Rebellion and Default. And when the Avonals come of age, when they finish their Healing and openly (publicly) declare who they are to the world (even if that world is only a very small group of humanity), then The Change will have begun.

And once The Change officially begins, there is no turning back. After the Avonal Age, humanity will be given the chance to resume its evil ways and turn its back on The Change and all the Avonal Age has done, and certain people and mind spirits will want to do that. However they won't be able to change the momentum being lived by those who are intent on living true to themselves and God through their feelings. (The availability of Divine Love may be withdrawn for the following spiritual age.) Still in all fairness humanity has to be given the opportunity to decide whether or not it wants to fully heal itself, and without having imposed on it such strong influences as caused by the Avonal presence. But that's all a long time off.

So the Avonal Age is a specific Spiritual Age (which you read about in TUB – The Urantia Book), giving rise to The Change in which humanity ends its truth-denial and living unlovingly against itself and its Mother and Father, all of which is the Great U-Turn.

## James Moncrief discusses the 'JUDAS of KERIOTH' writings with Mary Magdalene

Mary?

Wednesday, 3 May 2017

Yes James, please go ahead.

James: Thank you for speaking with me, it's been a while.

Mary Magdalene: It has, and it's a pleasure to come to you again. John has asked you to comment on other messages from one of the 'Divine Love' channels?

James: Yes, following on from what Jesus said concerning Dr. Samuels. This time it is Hans Radax, who speaks with Judas of Kerioth (Judas the Iscariot) – are you familiar with him and his work?

Mary M: I am, we are familiar with all the channels that have interested you, however we've not been personally involved in writing or conveying any messages to them, as Jesus told you the other evening.

James: I don't like the 'feel' of these messages much at all, I've only read the five of them which are below, however that's more than enough for me, and I don't think Jesus would say or be how they say he is in some parts, which puts me off altogether.

Mary M: And rightly so James, because he wasn't like he's portrayed, no one can do that properly, not even The Urantia Book, which is why we will come in the future to people who will be able to easily receive us and use all that's available, the Bible, your messages with us, and these other 'Divine Love' messages, as a background to work from, to go over, sorting out what is right and what is not, all so we can finally clear up how it was for us, once and for all.

James: So there's no point you commenting specifically on these few messages by Hans?

Mary M: No, I've told you, which is all in your writings, how it was for me, and a lot of how it was for Jesus, and for the two of us together. And unless someone begins to do their Healing in earnest and then speak with spirits, what's the point of reading these messages by people who are not wanting to uncover the truth of themselves through their feelings, because all they will say will be too heavily tainted, conditioned and limited by the level of untruth they are living. And as much as they might reveal some new information, even be correct in some things, still because they are wanting to deny themselves the truths, so many of the essential truths will be incorrect – or untrue, such as in Hans' messages about me. I will repeat what I told you in my messages to you James: I WAS NOT A PROSTITUTE, I DID NOT SIN, I REMAINED TRUE TO MY SOUL, JUST AS JESUS DID. WHAT I DIDN'T DO WAS RISE UP AND BE IN MY FULL SOUL GLORY, AS JESUS DID; I HONOURED THE MANDATES OF THE REBELLION AND REMAINED A 'SECOND CLASS CITIZEN' – A WOMAN. So cast aside all you read about my being a prostitute, even a supposed high class one, and all such nonsense.

James: So why write it; who was Hans receiving messages from?

Mary M: From one of the mind spirits pretending to be Jesus, and pretending to be Judas. Someone who was there, who witnessed many things, however didn't, and still doesn't, have a clue about the Truth.

James: But he includes a lot of stuff about James Padgett and the Divine Love.

Mary M: There are bands of mind spirits very familiar with such information, although they are not wanting to grow in truth, so do similar work to what Hans is doing there, and many of the other 'Divine Love' channels. They are spirits who have a little Divine Love in their soul, understand the essentials,

but are yet to cross over into the Divine Love healing Mansion Worlds, thereby embracing the truths we have written about with you. So they are still ‘classed’ as being mind spirits.

James: So spirits in the first Mansion World?

Mary M: Yes. However not all spirits in world one, who have some Divine Love in their soul, would be ‘categorised’ as mind spirits, because these spirits are learning about the Healing, so with the intention to set about doing it, thereby qualifying them for world three when they begin. But the ‘Divine Love’ spirits in world one (and in the higher mind worlds) that are still intent on evolving their mind at the expense of their feelings, and who have a little Divine Love in their soul, are still of the mind worlds, and so include all of these ‘Divine Love channels’ that you’ve been reading about.

James: So is there value in these messages?

Mary M: That’s for the reader to discern for themselves James. There is of course value in everything. However for the sincere seeker I would ask them: Why do you want to waste your time reading such, at times, misleading information, when you can read all about how to get on and do your Healing with the Divine Love?

Jesus and I are only concerned with the Truth, nothing else James, which is why we didn’t come to these channels, and why we won’t come to people unless they are doing their Healing. And even then there needs to be good cause for us to do so, for they would have to offer something new, some more vital truth or understanding, something that you, Marion and James Padgett haven’t offered. So unless those reasons are there, we won’t come, as there is no point. We are not going to come to people to extrapolate on what you or James Padgett has said. There are masses of Celestial spirits who are ready, willing and would love the opportunity to do that. And if we did come, we would be denying these Celestials such experience.

We have done the minimal amount needed to help point people in the right direction. This being through you and James Padgett’s writings, all that our compliance with the Rebellion and Default has allowed us to do. The rest is for humanity to resolve, work out and reveal, it is not for us to interfere.

And so if people want to continue in their self-delusion and truth-denial saying myself or Jesus wrote this and is coming to them saying that, well, that’s what they want to do, but it doesn’t mean we’re involved. We have come, and will continue to very occasionally visit some people who are currently doing their Healing, and who will do it in future, as Jesus said; and people can ‘tune in’ to our Spirits of Truth, but still, we would suggest that anyone wishing to speak with the spirits concerning their Healing, the Divine Love, and all that entails, that they ask the members of their attending Celestial soulgroup for help. Those spirits are constantly with you, they know the score, they can help you far more personally than can Jesus or myself. They are intimately involved in your life, they have access to your records through your attending angels from conception to the present, so they are far more ‘there’ and personal with you than Jesus and I are.

That is all I will say about it James. Of course, should you want more specific information and other questions answered, we will oblige you, however really, there is no further need to go over such messages by these people who refuse to honour themselves and grow in truth with the Divine Love.

**Jesus and I want people to embrace the Divine Love and use our Spirits of Truth to help them do their Healing.** That is the score now, the truth about it has been revealed by yourself and Marion, that is the benchmark, anything less than that is not worth spending time on unless you have already got all you need so as to help you with your Healing.

People can still use Jesus and my Spirits of Truth, together with the Divine Love, to help further their self- and truth-denial. They can use us to go deeper and further into their rebellion against the Mother and Father. It is all up to each of you, however Jesus and I ARE NOT GOING TO HELP YOU GO FURTHER AGAINST US – FOR, WHAT WOULD BE THE POINT, NOW THE TRUTHS OF WORKING WITH US, AND COMING TO US, HAVE BEEN REVEALED!

So it's time for humanity to move on; those people sincerely wanting to advance their soul in truth, and even if they don't start their Healing specifically themselves, they can at least use their time and feelings to prepare themselves for doing it one day, even if that day is when they come into spirit.

The bar is being raised, and by the time you and Marion officially go public, as is happening now in a very minor way with your writings going out to people, so that is where one needs to begin.

As we told you James, these so-called 'Divine Love' channels are valuable in that they are outworking the denial and rebellion based on the Padgett Messages, for that's all part of the confusion and dissembling of the truths. And its possible people will do it with parts of what you've written, yet still there will be enough of your work to keep it true.

I am going to stop now James, unless you have anything further to say.

James: No Mary, thank you, it was nice to speak with you again, to feel your light, as it was with Jesus the other night.

Mary M: A bit easier writing with me than him, was it not, James – I didn't mess with your mind as much.

James: It was all very smooth, as it always is with you Mary.

That being because of your spending so much time with Marion, she helping you to connect with the Feminine Aspect of Truth. My love to you both, and I'll speak to you soon, love Mary M.

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.  
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.  
Primary and most important readings are the writings of James Moncrief.  
Then consider the Padgett Messages, and then The Urantia Book.**

**WE ARE NEVER MEANT TO BE ALONE! SOUL PARTNERS become SOUL-GROUPS!**

Our soul individualises into two personalities, as a male and female, always. The two soul halves are soul partners. When the two personalities complete their Feeling Healing of their childhood suppression and injuries, then the two personalities will find each other, either whilst in the physical or in the Celestial Heaven spirit worlds.

The personality that each soul half is blessed with by our Heavenly Parents is the personality that we are to express throughout our journey for eternity. It is the suppression of the free expression imposed upon us by our parents that requires for each of us to under go our Feeling Healing. Whilst we are suppressing our true selves we do not connect with our soulmate.

Soul partners form into soul-groups. Once in the Celestial soul condition, soul-groups form consisting always of twelve (12) soul pairs. A soul-group consists of twelve sets of soulmates, twenty four (24) individuals. When we progress beyond the Celestial Heavens, towards Paradise, the home of our Heavenly Parents, we do so as a soul-group of 24 personalities. We can achieve Celestial soul condition here on Earth and also form our soul-group here on Earth.

Now add to this scenario, soul-mates and soul-groups. All those who were Celestial would have met their soulmate / partner and it would be the priority for them as soul-mates to be perfectly living true before they considered having children. And then these soul-pairs would link up with other soul-pairs and form soul-groups. It would be just a natural part of one's inner feelings and events in one's life that would lead one to do this. Then the whole soul-group would become a functioning *family* unit. Each of the couples would have their children, but the whole group would function in helping to share in the upbringing of all children. And this would then enable the children to be intimately involved with other people who would offer them the things that their parents could not.

Humanity is not meant to live and raise children just two parents struggling along trying to cope best they can. We are designed to be in small groups so that we can compound the love and support for and of each other.

**WE EACH have a Nature Spirit pair, Spirit Guide pair and an Angelic Pair:**

For those doing their Healing or are interested in doing it, will from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about ‘sharing’ the same angels or guides or nature spirits, it is about you relating specifically to your ‘own’ ones because they are provided for YOU. It’s all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it’s the same, of course, in life with your friends. However over there, in spirit, dealing with Nature Spirits, Spirit Guides and Angels, it’s more personal and private and ‘JUST FOR YOU’. So, we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain’t going to be assigned to anyone else, so she won’t be sharing herself around.

This is SO IMPORTANT to understand; so that in future there won’t be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is the only one they are speaking with.

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their ‘soulmate / soul partner’ relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit Mansion Worlds. However, our personal Angelic pair continues with us to Paradise, and then even possibly being with us throughout eternity.

**Feelings first**

In a way, each person's Indwelling Spirit, which is really God, is contracting out the work needed to be done with you to other agencies. So to us spirits, the angels, the nature spirits, other elements under the Divine Minister's control, and even other non-humanity spirits, all of which end up doing increasingly more amounts of what your Indwelling Spirit does. And this 'outsourcing' is to affect greater personality interaction, increasing your experiences so they are maximised through interaction with different personalities rather than just relying solely on God. Overall, we are to become increasingly at-one with God, but we are to do that by becoming increasingly immersed in the experience of being with others.

Nanna Beth – 3<sup>rd</sup> Celestial Heaven: 25 December 2018

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their 'soulmate' relationship. In addition we have our personal Indwelling Spirit.

# SPIRIT AND MATTER

Each phase of our progression in our personal discovery of truth will open further avenues to truth of an ever increasing and expansive nature. This is our destiny throughout our journey to Paradise, the home of our Heavenly Mother and Father.

Few are able to see clairvoyantly the spirit bodies of spirit personalities, and even then, this capability is when higher level spirit personalities ‘turn down’ their brilliance essence so as to make themselves visible – making themselves come closer to the density essence in which the viewer is presently experiencing.

Thus, when it is understood that we have a pair of nature spirits, a pair of spirit personality guides and a pair of angels with us at all times, we cannot see any of them. Yet they all can see us. However, the nature spirits may not be able to see the spirit guides but may see some angels, and the spirit guides cannot see the angels. Should the spirit guides be Celestial, then they may also see the angels.

Angels do not have wings, and there are many classes and levels of angels. If the angels are from Paradise, then they would not be typically visible to celestial spirits of the three celestial heavens aligned to Earth’s humanity. However, the angels that attended to Earth’s humanity typically become visible to the spirit personality upon that person completing their Feeling Healing with Divine Love and progresses from the 7<sup>th</sup> Mansion World into the 1<sup>st</sup> Celestial Heaven.

A spirit in a higher plane of Earth cannot be seen by a personality within any of the lower planes. This is the same for each progression to a higher Mansion World, then Celestial Heavens and all the way through to Paradise. A higher level entity needs to detune and allow him or herself to be seen in any lower world and consequently each sphere thereof.

Thus, a Bestowal Pair from Paradise would bring with them Angels to assist them and these Angels of such high elevation would go about unseen, fulfilling their tasks, without any other entity being aware of them due to their ultra fineness of energy and elevation in capabilities – unless they allow themselves to be observed!

## The PHENOMENON of VISIBILITY:

Firstly, animals do not have a spirit life. Should we need to interact with a deceased pet animal, then a particular class of angel will present as your pet. The life force of all of nature pools their life experience to subsequently become Nature Spirits who evolve to being angels.

Each higher progression of a human mortal consequently becomes invisible to those remaining at the lower level, as it is with angels, though those of the lower level remain visible to the progressing ascending mortal.

In reverse, those spirit personalities descending from Paradise, the home of our Heavenly Mother and Father, need to detune themselves so as to become visible to those in our local universe of Nebadon.

Those on Earth and throughout the seven earth planes have the same visibility progression. Earth, being the densest, is visible to all. But each plane, starting at 1, becomes progressively finer, with each plane above the last invisible to the lower. The same applies throughout the 7 spirit Mansion Worlds.

Higher levels can always make themselves visible should they wish to. Spirits and ascending mortals of lower levels may not be aware of higher levels until they evolve and progress.

**NATURE SPIRITS**

Nothing of nature reincarnates! And neither do we! Reincarnation is a false belief. Zero, zilch! Not even a blade of grass, a leaf from a tree, bacteria or plankton, or ourselves, has a subsequent physical life experience. However, except for humanity, the life force of all of what forms nature, after its sole physical experience, returns to a pool from which Nature Spirits emerge. All of nature is mind orientated. Nothing of nature has a soul, except for humanity which is truth and feelings orientated.

**Meet Verna, a Nature Spirit, also known as ‘Lady of the Lake’:** “Your spirit is your own unique spirit expressing the light of your soul; our spirits, also uniquely our own, however come from a composite of many other spirits. And in my case for example, and I’m about average, or ‘usual’ – as much as I hate to admit it – I’m composed, for want of a better word, of about five hundred billion creature spirits. So yes, you could say we’re complex on that level. And yet on other levels, we’re considered rather basic, we are after all *only* nature spirits, not great angels.”

“With Verna – a nature spirit” by James Moncrief

As the Rebellion and Default is now technically ending, those who embrace Feeling Healing and Divine Love will open themselves to communication with their Nature Spirit pair. For 200,000 years of the Rebellion, humanity of Earth has been closed to interaction with Nature Spirits. Humanity is truth seeking personalities who are to live through their feelings whereas nature is mind orientated and are to evolve their minds. A Nature Spirit’s next phase of evolution is that of being an angel which then will have many further evolutionary progressions upwards. Angels also step down from Paradise.

**CREATION of SOUL and SPIRIT:**

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

**Feeling Pathway**

**Mind Pathway**

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soul partner) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves, enabling the union with our soul partner, as we progress in truth up through the Mansion Worlds, Celestial Heavens and all the way to Paradise.

**Soulmate Pair**

**Angel**

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

**Spirit Person**

**Nature Spirit**

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

**PSYCHIC BARRIERS MAINTAINING the REBELLION and DEFAULT are CRACKED!**

The hounds of the Rebellion and Default have fallen, the psychic barriers have forever been cracked. The sheeple, the mice of humanity, now have the freedom to evolve through Feeling Healing and Divine Love.

Things are pushing ahead, we're working them from our side, and more so every day now. Many of the soulgroups involved in this are getting a feel for what it is they are to do and how they are to do it. So the barriers are giving way on multiple fronts.

There are actually barriers preventing people and humanity as a whole moving deeper into the wrongness, just as there are barriers preventing people and humanity moving out of it. It's all very tightly controlled, the Evil Ones put in a vast amount of controls and on all levels, which, unless you are shown by those spirits who can see them, such as the Melchizedeks, you'd never be aware of them.

So the cracks are appearing as the Divine Love Healing worlds start to 'descend' onto Earth – into the physical. For that's what is going to happen, the Divine Love Healing worlds, from the first introductory sectors on Mansion World one, to the truth of all the three main Healing worlds, being lived by people living them whilst on Earth. All to give rise ultimately to Celestials on Earth. That's what our goal is, to have people living on Earth who have fully Healed themselves.

BARRIERS  
CRACKED

# Map of Consciousness

“Before our white brothers came to civilize us we had no jails. Therefore we had no criminals. We had no locks or keys, and so we had no thieves. If a man was so poor that he had no horse, tipi or blanket, someone gave him these things. We were too uncivilized to set much value on personal belongings. We wanted to have things only in order to give them away. We had no money, and therefore a man’s worth couldn’t be measured by it.”

Ask The People Involved:

This is the beginning and paramount from what I can see, no one does it; or if they do, not to any real depth or with any real sympathetic understanding. So bringing the (Australian) Aboriginal community together and asking them: How do you want to live? What would you like? And starting there. And with the understanding that they don't have to try and get 'back to the old ways', to start with them right now in this moment, and what would you like to make you feel better about yourself, your living environment and the community?

So this is like a movie going on in my head imagining doing that. I have no idea if any of it would work or be what they want, and I'm only writing down enough to give you the idea, however it goes like this:

Start with the practical levels first:

How you want your house to be?

Do you want a roof over your head, and if so, what sort of roof? And one that is adaptable for the different conditions – wet and dry seasons.

Do you want to live in a brick / our western building fibro sheets or whatever we use / wood / mud (and roofing and drainage to protect from rains) or what?

Do you want a concrete, wooden, dirt floor? And how would you deal with the wet and mud, and dry and dust?

And it might turn out they want very simple housing structures, but things they can relate to. Possibly even like large sails and sail like material for the walls, more shade cloth in summer so they are more living outside than in. And then more substantial during the wet.

And what about your toilet, perhaps they'd prefer to just go in the bush, and if so, how do you organise that? Or perhaps like what you John had when you were young, a deep hole with 'toilet seats' over the top out the back, or a number of them, for adults and children together or separately, men and women separate or together, whatever they want. Or compost western toilets or whatever, possibly trying various options until they are happy with their living arrangements. And rain water as much as possible with mains back up if necessary.

But understanding that the providers are to be flexible, expecting it all to be a continual mess and with nothing working because the people themselves are unable to make it happen.

And then build it up from there, for example:

Do you need heating in winter, and what sort, fires outside / inside / electrical?

How do you want to keep clean, pest and parasite free?

How do you want to cook and prepare your food? Fires and more traditional ways, or western?

What sort of food, more bush-tucker, what sort of western, all trying to keep the sugar and artificial stuff to a minimum.

Alcohol / Dope, yes, no – how much? With them working it out to limit the abuse of women and child beating when pissed.

Do you want contraception; what sort of marriage – is there a marriage format that suits you, or none at all? Breaking each part of life and society down to its grassroots and seeing what comes taking bits from the old and new and making up new bits.

So it's the same really for the Sanctuaries: how do the people in them want to live, what suits those people the best. And even though without the people there from the outset to work it out, at least that is the philosophy.

And the other main part as you expand out from the personal and home, to:

### **Living as a Community**

Their whole security, as with us all, comes from being part of and feeling accepted and welcome and loved by the group. They (Australian Aboriginals) had only their tribal groups for 60,000+ years, the group was everything and ensured their survival, whereas we westerners seem to despise it, living so separately and scared of our neighbours. So how can they foster as much community living and community / tribal spirit which is already so innate within them, and which is what everyone who lives with them and opens themselves out to them loves about them, that they are so open-hearted making everyone feel welcome and with so little judgement, they being so accepting and not like us – rejecting.

How do you want the houses / dwelling / living areas laid out? Separate, like we do in the West, or one long communal 'house' or many 'houses' joined to each other or very nearby.

And what about a large community area, possibly a place where the evening meals are all prepared on a group basis, like a big shed that provides storage, and shelter in the wet, but mostly with all the activity at the end of the day and moving into evening and night taking place in a communal ground outside. So some lighting for the 'meeting area' and perhaps areas for open cooking in the ground, spit, BBQs (barbeques), whatever they want.

And the encouragement of their self-expression in artistic ways, plays, theatre, song and dance, based on traditional stuff if they want; but also, and more importantly, new stuff, even bits from western and other cultures, all to find their Own Voice. So again, they are the New Community, the New Aborigines of the New World, if you like, something they can forge through their own natural creative desires. (The same being for our Spiritual Sanctuaries.)

Along with the idea of fostering a strong supportive community is the notion and understanding that everyone needs everyone else to play their part, to be part of the whole, so to develop pride in their community, giving them a feeling like they are starting again, taking some of their old ways and adding new ways, that the old is over but there is hope of a new. So they won't want to litter and smash everything or continue living in a pig sty. But ensuring all they have and all they do is done without western expectations, no obligation, just to see how they evolve through their own feelings – what feels right and best for them.

And with the whole community, including everyone right from the baby being involved in all aspects of it. So they all help prepare the meals, and clean up afterwards, the children are involved so it's fun and they learn to take responsibility, they are not just to go off mucking about parentless all the time fucking around, as they want to be close and included and part of it all.

The community provides the law and punishment, also having to accept the outside laws and ways too.

And providing buses / vans / cars, whatever for the community, with the idea that it all belongs to everyone, that it's not about accumulating wealth, that it's about growing the wealth of the community as a whole. So with the emphasis not on 'having things' but on 'having each other', which they are already so much like. So if they are all on the dole, that money goes into a group community trust with everyone involved as to how it's spent and with weekly pocket money given out for personal use. And if someone wants something extra they can ask for it and the 'elders', who are basically the whole community, can talk, discuss and agree / disagree / prioritise it. So: why do you want it?

And the idea that it's not about trying to emulate or fit in with western standards of living, as they are all community and personal soul and spirit destroying. That they are setting out to live Their Own Way, based on mutual love and respect for the individual and for the whole community.

If they are open to it, to introduce the principles of:

### **Living Feelings First**

So instilling the idea based on consent from the whole community, that it will try to live expressing ALL feelings, good and bad. That we all have good and bad ones, and that we all should be encouraged to bring them out. Not deny them. To keep bringing them all out for the wellbeing of the person and the community as a whole. To encourage everyone to discuss and agree and state their opinions strongly and emotionally / rationally about everything, all happening naturally as part of their everyday life and without trying to structure or formalise it. So the whole community is constantly 'Meeting', and Having a Meeting / In a Meeting, discussing and sharing EVERYTHING. So everyone feels intimately involved, are a necessary, vital and being a much needed part of it all, from the youngest to the oldest. So they are all personally and closely involved with each other on the feelings level.

A lot of people, particularly the men, will find continually expressing their feelings difficult, but the community can support and encourage them. This will put the women more naturally in a power and leading position as everyone understands the real spiritual health of the community is maintained through ongoing feeling expression.

Then along with this, the notion and desire (showing it is a good thing through experience of doing it) of longing for the truth of one's feelings can be introduced.

And then even possibly longing for the Divine Love, and other higher spiritual concepts, such as the Rebellion and Default and the Healing and so on, but not religiously, just it all being part of the natural world. Even with the whole idea that they are setting out to live The New Way, to grow in truth through their feelings to become of Celestial Truth.

Such communities would need gentle training, nurturing and keeping on track until the people themselves can do it all. And money would be needed to support it all, along with encouraging paid work so they can build everything, get and even grow their own food if they want to, even being able to work in the western world, yet all for becoming financially, and in every other way, self-sustaining. They earn money for the community, the whole, with the whole deciding how it's spent. And it all being voluntary, willingly, wanting to be part of the community. With the community not necessarily being closed to the outside world system, but it deciding how much and whom it wants to let in. Tourists might even want to come and be part of it, it might also be open to include other races

permanently living there, so not just Aborigines for example. That's all part of evolving the New, should it move along those lines with the community agreeing to it.

Disputes and people leaving and others joining will be part of it, as it won't of course suit everyone, but that is just more for the community to work through, expressing all they think and feel about everything. And people can move between communities, with the communities helping facilitate such movement, so people can share and learn from each other.

### Summary:

So can you see how we can apply these principles to our Spiritual Sanctuaries, as well as applying them to possibly other communities who might want to live their version of them. So not everyone we 'help' needs to fit into a Sanctuary type community as such, the main ones being wholly spiritually focused, but also adapting willing communities and working with them along these lines.

### So the main principles are:

The person – how they are and how they want to live.

The community – how the people want to make it.

Living Feelings First.

So with the aim of exemplifying: loving, accepting and supporting the individual, encouraging them to fully express her / himself. And the same with the community, it being an evolving expression of everyone. So the community provides the nurturing 'womb' for the individual.

**PEOPLE  
OF EARTH**

**WE ARE  
TRUTH  
SEEKERS**

Nanna Beth – 3<sup>rd</sup> Celestial Heaven, John's grandmother: To shed more light on what you are asking John, money such as you are wanting from these various fund pools has always been there in one way or another. There have always been people who've had more than enough money for their own needs and have wanted to help others who don't have as much. And as the financial system has grown, so have the fund pools. And then there have always been people who have a lot and yet constantly want more. These people want complete control and domination of everyone making the world be theirs, whereas the other people don't want such complete control, still quite a bit, but understand that there is more to life and happiness than just being greedy and wanting everything for themselves. So you know how it is John, it's all there, has always been there, the movies are full of it, and now it's coming out through Trump and Putin verses the Rothschilds and people like them.

So there are what you might call 'fund pools' all over the place, in private hands and in corporate and institutional hands, the world is flush with money, there is so much money it's absurd, and as you understand, more being printed or brought into being daily. And really there is so much money there should be more equality with no one suffering and humanity chugging happily along, and all working for a united common cause of living happy lives on Earth, yet because of the Rebellion, you know that's not going to happen.

So you and Jeffery fit into the 'wanting to help and do good' camp, admirable perhaps, yet as you also understand, it's just making more of the same, helping to keep the Rebellion and Default ticking along, whilst at the same time perhaps looking to give other people more opportunities of making something of it and improving their lives and standard of living within the Wrongness. And why not, and that's better than just seeing people as minions or slaves to make you more wealthy as you seek to control the masses. So you feel good about your motivation and which side of the fence you sit on, and would dearly love to have access to such humanitarian funds so as to bring your dreams into reality.

And then on top of this you have had in some ways a spanner thrown in the works by coming to understand what James is all about, and being made to look at things from a different perspective altogether. So including the spiritual side of things and the Pole Shift, having to face the realities that humanity might be on the verge of such a massive upheaval. And yet all of that can also be made, luckily, to fit in with what you want Pascas to be. So you've had to work a little harder integrating what James has presented to you, but now you've done that, happy that you can combine the two sides and that they can be complementary rather than opposing, which really means, James is happy to go along with all the other stuff you want Pascas to be. So you keep moving along, seeming to be in step with each other, which brings us to where you are now, you John having a reasonable grasp of the spiritual ideas that James (and Marion) are presenting.

The so-called 'Old Asian Money' is money accumulated by Asian families and private individuals who do want to do good for the world, yet have had to be very protective and secretive about their wealth, because they've all had too many experiences about it being stolen by the West through the hidden controllers. And yet as you rightly say, within their families and organisations they are beginning to understand that the system might be getting so big and so out of control and so dependant on new technology, that that wealth might suddenly become worth nothing overnight as the world suddenly adopts new technology or ways of doing things, so perhaps it is time to share some of that wealth about, or at least to get prepared for the 'end of the world as we know it', so they set about establishing a new one.

And we Celestials are behind all of this. There are many groups working behind the scenes with Jeffery, these Asian families, and other wealthy individuals, families and organisations from all nationalities, just as there are Celestials working with the likes of the hidden controllers and all who aspire to be part of their network or as they are. So you don't have to concern yourself with any of that John, we are working it toward the goals that we've been asked to achieve, and the whole 'machinery' is well in place and many of us now are very competent in doing what we do. We have it all well in hand, so things are just going to play out as we want them to. Which as we've told you, might not make sense on the face of what you see in the news, yet humanity is not in control of itself – we are (the Celestial Spirits).

And as we've told you, it's all centrally evolving round the New Spiritual Revelation that is to be presented to mankind, all for the changing of the Spiritual Age, and there is nothing else more important than this. So who has the power, money and wealth really is immaterial, because they might believe they are going to use it for one thing, to grow their power and control so as to become the Lucifers of the world, when we have other things in mind.

I still can't tell you more about your funds and Pascas. Things will continue to unfold with Peter and Jeffery and there will be other people as well who'll end up being connected to and directly involved with you. You've needed this time to lay a certain foundation within yourself, in your own mind, consisting of the spiritual bigger picture, and you've needed this time to lay the foundation on the material level with Pascas, and now seeing that Jeffery is working along the same lines, as it will be with the other people who come, you all wanting to use the resources available to help the bottom line of humanity, and to do it properly and not how so many of the hidden controllers do saying they are helping the poor when in fact they are using them to make more wealth for themselves. So you want to be the 'Robin Hoods' of the world, and I very much admire that about you John. It's how our family is, we weren't of the greed and power-hungry, so it pleases me to see that some of my values and generosity of spirit and of the material were instilled in you.

Overall in the world, what's really going on is a major battle between the power-hungry hidden controllers, and those not so power hungry and who hate their greed and ruthlessness at using everyone for their own end. And because of the new technology and the Internet, the whole world being more globally interconnected, so it's become easier for those within each side to meet and communicate with each other. So over the last twenty years, and particularly the last ten, the major players who are against the hidden controllers have been able to gain power and move into more secure positions, and are soon to start making advances toward ending the power of the hidden controllers once and for all. So all that's currently going on in the world is posturing for this, as a lot of behind the scenes work is happening to work out possible new systems. And how such new systems might be put in place without causing too much disruption to the world.

And then to further complicate that, there is hanging over everyone, the Pole Shift, and when will it happen and how severe will it be this time. And which countries are going to be damaged the most, and what sort of world do we want to make in the Aftertimes, and can we ensure that the hidden controllers lose so much control before it happens that they can't carry on business as usual in the Aftertime. So there's a general coming together of those wanting to put an end to the hidden controllers, and yet at the same time, still a lot of nervousness and suspicion, because what if you trust someone and yet they are actually a secret agent for the hidden controllers, or what if they do the dirty on you at the last minute selling you out. So you know the kind of stuff, so it's a slow and awkward advance toward a new way, and with the clock ticking. No one knows for sure when the next Pole Shift will happen, we do, however we're not at liberty to say. But no one does on Earth. There are some governments, those who've taken it very seriously, who are close to the right time, a good approximation and are working toward that, and those who think they know but are not taking all the evidence available into

consideration. And again, you can imagine what it is like, as people have been the same throughout the Rebellion.

And then the unseen and unknown factor is the input of New Truth that has not been taken into account or factored into anyone's equation in the world (other than your small part John) because they don't know about it, and as you have come to understand, won't be able to understand about its full implications unless they studied it hard for a few years at least. And yet, unbeknownst to them, they are all revolving around it, it is the eye at the centre of the storm, so they are not so in control as they believe they are, and all they are doing is working toward giving humanity the New Revelation it requires.

So you John, with James, and all who become associated with you, will start your little concern, as you have, and it will grow, and it will be the centre of humanity with the rest of humanity moving about it, it being, what you could say, 'The New Humanity'. And Old Humanity will still keep lumbering on believing it is setting the future course for life on Earth, yet at some point the momentum of the New Way will overtake and outshine the Old way, which will come to a slow realisation that its way of doing things is over, and that it never really had the control it thought it had. And that things have somewhere along the way been subtly taken out of its hands.

And still, more power is being given to us Celestials every day. And in the end we will have complete power, which will happen as we're presented with the New Spiritual Age on Earth and in the Mansion Worlds. James and Marion will come and go and do their thing – are doing their thing, and we will remain assuming custody of humanity to evolve it along the lines of Truth they reveal. They are to make their revelations, personally and when the time is right, publicly, and then we take it fully over, Urantia (Earth) will be completely ours, under our Celestial jurisdiction. So we are working to make it ready for that day. That is our hidden agenda, we being the real 'Hidden Controllers', and all because it is the end of the Rebellion and with the truth being made available as to how you can Heal the Default.

So John, don't worry about our side of things or whether or not you should try and keep in more direct contact with us. You only need to know what I have told you, that we are here, and what our involvement is. And all the rest will unfold, just as it has already been doing. You don't have to worry John, you won't have to give it all up and endure a boring retirement, things will keep rolling along as they have, just enough but not too much, so as to fully occupy you but not 'tip you over the edge'.

We are all with you, supporting you in all that you do. I will go now, until next time John – goodbye my dear grandson. Nanna Beth.

James: So in light of what you said about John and Jeffery's funds, they won't be interfered with by the hidden controllers or anyone else?

Nanna Beth, 3<sup>rd</sup> Celestial Heaven: No, they'll be supported, and perhaps not openly or directly, but allowed to continue to play their 'humanitarian roles' pumping huge sums of money into the system, all whilst in secret get on planning and preparing for their very un-humanitarian Aftertimes future.

James: And so the lesser countries, like Australia, are trying to keep in with who they see as their best bet in the Aftertimes –

Nanna Beth: Yes, those countries who are aware of the coming Shift and the ongoing preparations for it. Australia would be better served, that is, Australians, by aligning themselves with Russia, for the

Americans are not stable in themselves or in their vision for the future. And how the Russians are evolving, you'll have more in common with them than you will Americans. However to go against the Americans by aligning with the Russians would bring on American wrath, the likes of which would be too much for Australia. And the American indoctrination of Australians is too great now, with most Australians fearing the Russians having a fit were you to suggest they should get closer to the Russian Bear.

The Russians are currently, and continuing to grow quickly in it, the most open and truly spiritually inclined people on the world. They have their strong underlying Christian orthodoxy, however under that they also have a strong natural appreciation for spiritual things. They are still somewhat misplaced in this, however they of all people would warmly embrace, James, your understanding and relationship with the Nature Spirits, how you relate to the angels, life after death in the Mansion Worlds, and even the Celestial level of truth-attainment. The Russians by and large are still strongly connected to the mystical, and to the mystical unseen yet real spirit influences on the Earth. They are still hesitant and shy about bringing this side of themselves out more, however in time that will change. There are of course smatterings of such spirit-minded people in all countries, only the Russians have it the most. The Russians would be the most open to communication with the other side as you are James, with many people being excellent mediums and spiritualists, only still lacking in direction, still adhering too much to the 'Old Ways' which are still too heavily focused on the Mind Mansion Worlds.

And the country who will be the most open to doing their Healing and understanding about the need to do it, is Australia, which as you see is why you and Marion are Australians and why John is too. **Australia is in a unique situation in that it has no defined culture, no deeply ingrained traditional history and limiting folklore.** The New Settlers soon got rid of the Aboriginal traditions, mythology and superstition, rather than adopting it, and **with Australia becoming an increasingly multicultural place that is not united by any religion, so it contains within it the most people per head with the potential of embracing the understanding that one needs to work on themselves, Heal themselves, and at a stretch, adopting your many lines of spirituality and cosmology.** Other people from all countries will come to Australia so as to be involved in doing their Healing, finding the country and those Australians already involved, very welcoming and accommodating.

And you won't have to worry so much about the Shift, however I can't as yet say anything further about that.

Nanna Beth: I'll be here James. Bye now – Nanna Beth.

### **REBELLION and DEFAULT formally ended 31 January 2018:**

All in keeping with the **outworking of the Rebellion and Default.** Humanity is so shut off to anything that one's feelings provide, we are all but minds robotically carrying out instructions; nothing is fluid, intuitive nor feeling-free. Our whole world can't change as it is, because everyone and everything is so bogged down in the mire of artificial laws and procedures.

**COVID-19, a Corona Virus and Viruses Overall:**  
 2020

Tuesday, 7 April

In case you need a little more lockdown reading material, this is from our dear friend and lovely Lady of the Lake:

James: Verna can you please tell me more about viruses and their relationship with us? I read so many contradicting things.

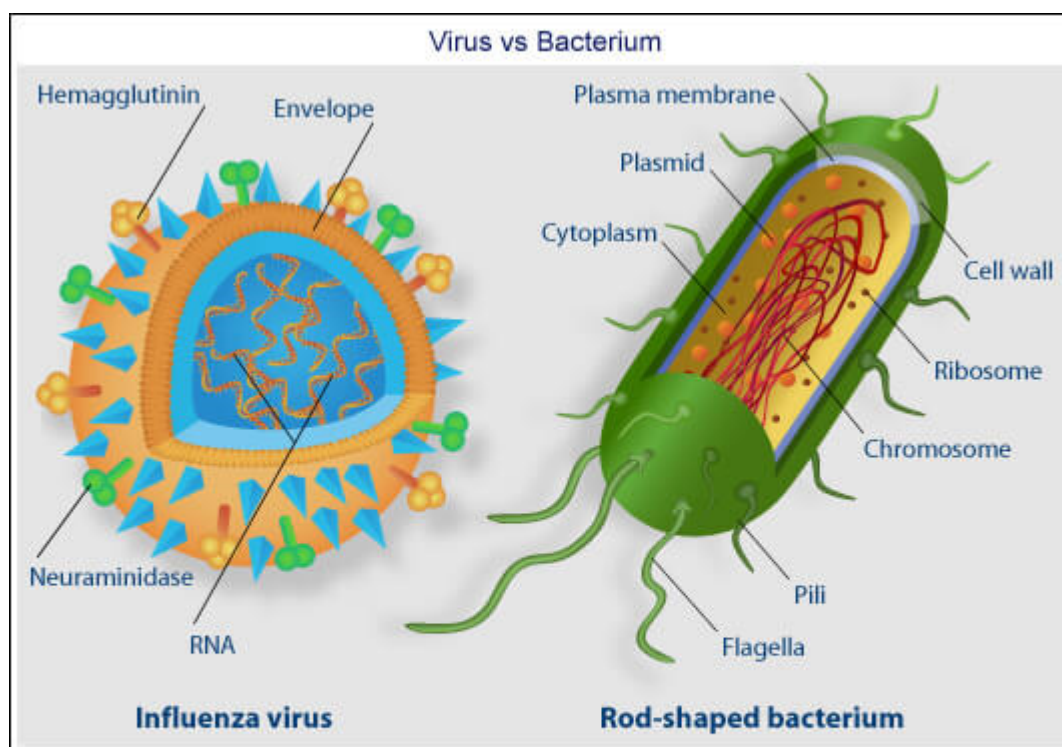

Verna, a Nature Spirit: Certainly James. The most important part that is lacking in your understanding is still the consideration of how much we Nature Spirits and your Angels play in it.

James: I know, so can your dear self please enlighten me?

Verna: I'll do my best. You watched a video that said Viruses can't be caught, that they don't behave within the body as bacteria and mould spores do. Which is correct, a virus can't be caught, even though they seem to display similar ways with people suddenly catching them. I'll explain how that happens later. You read of a scientist examining the home of people with the current Covid-19 virus, and they found no evidence, no virus on things in the family's home, therefore discrediting everything else you read that suggests viruses can stay alive, depending on the temperature, on things where the sun's radiation can't get to, for varying times from hours to days. So what is correct?

Well, the virologist is right in that viruses don't exist by themselves in the environment, they need to be in the host cell, unlike bacteria and mould which exist of themselves. So this is where it gets difficult. There is a specific time, and it's relatively short in which the virus can survive within a cell that might be contained within a drop of saliva or breathe should that drop contain cells from the person with the virus within it. But as soon as that cell dies, so will the

virus die too. The virus is life that doesn't exist by itself, it needs a host to provide it with its life, but it does have an ability to stay in a sort of dormant state outside the host cell, however that only happens under very specific circumstances.

Viruses and bacteria come in different shapes and sizes, but bacteria are usually about 100 times bigger. Virus particles can only invade our cells if they have a surface protein that fits a receptor on the cell's surface. Hemagglutinin is the key that lets flu virus into our cells. The hairy pili on bacterial cells allow them to anchor onto our tissues, while ribosomes assemble bacterial proteins including some bacterial toxins.

So the virologist would have to test for the virus, provided they have a test that can identify that specific virus, before the family ‘contracted it’, through the ‘incubation stage of possible days’, then through the illness period, then afterwards for a certain amount of time to insure it has gone. So there will be times when people might be sick with it, yet nothing will be found in the environment to show they are sick, that the virus is present. Then other people might not seem sick and yet if their living environment was tested you’d find it all over the place. And those people might get sicker and they might not, all depending on the need for their body to have the virus ‘active’ and to what degree.

So you can see, it’s quite complex, all of which means you have no way of keeping such a thing under control as your authorities are trying to do. However by making everyone stay at home, stopping all human interaction other than in the family, then of course it will show that the virus has been ‘conquered’ and they were right taking such actions and aren’t they the great ones saving everyone. But as there are endless viruses circulating about the world, why pick on just this one, and so what are the hidden agendas behind that?

Now the trouble with **vaccines** is they are made from the waste of the infected virus cell as you saw on that video so by receiving a vaccine you will receive the virus, however mostly it will be in it’s ‘sleep’ mode, so it will appear like it’s a good thing and people don’t get sick immediately from it, and the body will replicate certain elements to fight the virus you are being vaccinated for, along with keeping a ‘viral memory’, so from that point of view, the vaccine does appear to work, however as it’s a totally unnatural and intrusive invasion of your body, you are making your body act as if it has itself ‘fought off’ that virus, when it hasn’t. And so because of tricking the body into believing you have beaten that virus, it causes other problems for the body later on when it comes in contact with a similar virus because the body won’t have all the true systems needed to deal with the new virus, it only having some of them because they came about from the vaccine, so the vaccine does compromise the bodies true system of dealing with such things.

The thing is, because you screw around with nature, only studying and seeing a small picture of what you’re doing and the consequences of it, as long as it seems to be good and the thing you want, then you don’t see, don’t want to see and can’t see anyway, other problems you cause. So it’s always a trade off, with people and their bodies and the whole of humanity reaching crisis times, when you either die from all the screwing around or the whole of humanity has a massive breakdown, freakout and partial death, as what’s happening now. All the screwing around is catching up with you, and all to show you that really you have to give it all up and **go back to the basics** – living in harmony with nature.

However for some people, living in so-called harmony with nature, which means if they gave up all medical interference and help, would become once again at the mercy of such cruel diseases, which is true, those diseases would once again flourish. But this living in ‘harmony’ is to be remembered as living in ‘harmony’ within your rebellious state. So if you all Heal yourselves being of true and perfect Natural love, then by living in harmony with nature, which you would naturally be doing, such horrendous diseases would not afflict you, because you’d not need them to show you that you are disharmonious with nature.

As you understand, it’s all a vicious circle, the more you ‘advance’ in medicine, the more you are making your future more difficult. People at this time might seem to be enjoying all the wonderful health benefits of medical science compared to those people centuries before, yet that’s all compounding in error for future people. So medical science will have to then work to combat what the future holds based on how you’re currently screwing nature and yourselves around, and on it goes, until you can’t keep up and nature overwhelms you again and you’re right back to where you were before you started your great mind-taking-over quest.

So back to the virus, what it really comes down to is: if your soul needs the experiences of the virus you will ‘catch’ it. And mostly we Nature spirits and your Angels work within the parameters of nature, however at times we can also step outside them. For example: When a virus or airborne bacteria, for example, is active in the population the souls of those people needing the experiences from that virus or bacteria will contract it mostly through natural means. So an epidemic or even pandemic can suddenly flare up because all the souls involved need it to do whatever they require, which is really to provide you with all the feelings you need, so you can either deny them more – if you are living against the truth of yourself; or use them to do your Healing if you are living truer to yourself.

So as you are living in an untrue self-denying state, you will keep getting sick so you can keep having more bad feelings so you can use them to further deny yourself your truth using your mind. Your negative anti-truth patterns established through your childhood have to keep being fulfilled, so periodically, the frequency being the same as you experienced during your childhood, things will happen to you, from within and without, that will generate those same feelings, which you can then reject with your negative and unloving patterning, or accept with the new patterns you are trying to introduce as you struggle to do your Healing.

And then, let’s say one soul, or ten, or a group or millions, even the whole of humanity, every soul, all at the same time needs the experiences from a virus to feel all the feelings they need, which will be **different feelings for every person**. And if let’s imagine that virus is not currently available, or it is, however there is no way it can ‘infect’ people, then that’s where we are allowed to step in, and ‘give you the virus’ or whatever illness or problem you require.

We are mandated, the Nature Spirits and Angels, to only override the natural functioning of nature on a physical world when a soul or souls require certain experiences that the natural world can’t supply. So if there is no virus active, or if it is active and yet you are not able to ‘receive it through natural means’ then we Nature Spirits, and mostly your Angels, can ‘make you have it’, we can alter the light configuration in a cell so as to simulate the cell being invaded by the virus with the cell them replicating it and so spreading it throughout your body to the degree you need it. And that degree is then controlled by your soul with your angels making all the necessary minor adjustments you require. So for example, whether your angels give it to you – make it within you or you get it from natural means, they will continue to monitor you with it, making sure by adjusting your spirit body light, that the physical gets as ‘sick’ as required all to provide you with the feelings your soul needs you to have, all in accordance with your childhood patterns, all so you either further deny those feelings, further advancing your rebelliousness by denying the truth those feelings would have brought up in you to live; or to help you accept those bad feelings to help you uncover more truth from them, so progress in growing in truth, which will lead to the end of your rebellion.

**It is via the spirit etheric body that emotional issues and viruses emerge in the physical body as illness.**

James: Okay, so it’s not clear cut. So it won’t matter one way or another what we do interfering with ourselves and nature because if we’re still wanting to deny our feelings, we will, and if we want to do our Healing, those feelings will help us with that.

And a virus, or any other ‘bug’ will invade us naturally or with you Nature Spirits and the Angels help, should we need it to give us the experiences we need. And experience is a broad term, so the virus or bacteria of whatever might make us sick, so all the bad, and even good feelings coming from that – as it even might make us feel good in some way, it being a good thing to help us feel good overall in our life.

Verna: Yes, that’s right. You can’t know what experience you need at any one time. You are not to know, that’s all the doing of your soul, and of God who created your soul. So getting a virus can be good or bad but that’s all based on your subjective experiences. You hate your bad feelings James because they make you feel bad, you’ve been made to fear them, they will make even worse things happen – more bad feelings, so you don’t want them. However you could also alter your way of looking at things, you could have had good loving feelings from your early life when you felt bad, so as to not fear feeling bad so much, when you feel bad you also feel more love and good feelings, and you might even feel that dying is good and being sick is good, it all depending on your relationship with your feelings.

These people who die from Covid-19 will all go into spirit there to start a whole new life, full of vitality, a new future, most of who will love and look forward to and be so happy about (and some won’t when they start living in the hells), still mostly it’s a good fresh start to live and a blessed relief that all your old age suffering, all your other illness and all the frailty, the pain, all your suffering on the physical level, is gone.

But of course when you’ve been formed in an environment that fears death, so you will too, which is hard to change, as you’re finding out, not being able to change such beliefs until your soul and God ask the angels to alter your beliefs for you, which comes at the end of your Healing.

James: So can we or can’t we **catch a virus**, I still don’t get that. And if we can, how do we?

Verna: **You can catch it but it’s not in the same way that you catch bacteria, mould or parasitic infections.** It is actually caught, through the etheric levels of person to person interaction. So the light of the virus is expressed on the subtle etheric level, that connects you all, only connecting you all in different ways, depending on how you interact with each other, which is dependent on what your soul needs with each other. So let’s say a person has the virus active within themselves, whether they are showing physical symptoms of it or not, and you interact with them, which means your aura interacts with them in subtle ways you’re not aware of, then the virus on the etheric level can be transmitted from that person to yourself, or from you to them. Then having received the light of that virus on the etheric level, so your body can ‘activate it’ or we and your angels can.

When you interact with someone, which means, have an experience with them, it can be fleeting or long term, and if desired by both your souls, ‘cords of light’ can move between you, you remember Barbara Ann Brennan saying she could see the cords. So you could be walking past someone in the supermarket and for reasons unbeknownst to you and that other person, suddenly you have a subtle level etheric cord interaction in which some ‘information’ is exchanged, which might include the transmission of a virus, all so as to provide you with the

experiences you need from it. That other person might need no more of an experience than walking past you in the supermarket, and the same for you, or you both might think about each other later for some reason giving rise to feelings, or they might receive other light from you or you from them that has a long term effect on them or yourself, even for years or the rest of their or your life, all of which you are not aware of and yet which their angels work with. And it can happen in a flash, or you can establish cords with people that are active all the time connecting or even reflecting your disconnection, such as it is with you James and Marion. You both feel deeply connected, which is on the cord level, which simulates the soul level connection in Creation, and yet it's all disconnection in your cords making your relationship difficult because you grate against each other, never just gel, all to keep stirring up that disconnection and friction between you both so as keep providing you with the bad feelings you both need to express and uncover the truth of. And you can establish a 'friendly' cord with someone, which lies 'dormant' between times you don't see each other, or can even reach out and connect with each other over great distances, one side of the world to another, or even if one of you is in spirit, or you're both in spirit but in different worlds. So there's a lot always going on within the subtle levels. Most interactions with people you don't know, like in the supermarket, might only create a specific cord for a moment, like when you talk to each other suddenly and you get a nice or bad feeling from that brief interaction, then your interaction ends and the cords disconnect and you move on, never to have anything further to do with that person again.

You didn't have any cord connections with anyone at Aldi (supermarket) this morning other than the checkout woman, with her cord reaching out and you allowing the connection so she could 'vent' some of her anger and frustration over having to deal with the stupidity of people at her checkout concerning all the virus fuss, which you misunderstood feeling she was angry with you; but she wasn't, it was with the woman who was before you; but you feeling she was angry with you because of your belief patterns from your mother being angry with everyone that she put on you, when she shouldn't have, so you can't know if the person really is angry with you or not. Which creates the confusion you then feel because normally you feel good with that checkout woman, and she does like you and you her, but then suddenly you feel she is angry with you, even hates you today, for some reason you have no idea about, so you'd have to ask her to find out, which she might tell you if she's feeling aware enough in herself; so you'll have to wait and see if next time it goes back to how it usually is with her. Next time when your 'dormant' cord connections 'fire' between you both, you might, and you hope you do, have a good happy and even loving interaction; and if that happens, you feel that sigh of relief in you that she does like you, things are good and back to normal and so what was all that about that other day? Which again is how your mother treated you, quickly fluctuating between hating you and being angry with you and wishing you didn't exist, to suddenly feeling guilty about that and 'turning on' the false love and liking you.

So certain people can be 'carriers' for a virus, other people can be 'incubators' for it (you can be both) whereby they receive the virus, and even though it doesn't make them sick, they become a physical factory to produce mutations of it, which all go into their etheric make up, which can then be transmitted **light-to-light** to people they come in contact with. So you get these '**Spreaders**', **people who actually are the main contact point for virus outbreaks**. And you might for example contract the Covid-19 but as to what actually is the specific Covid-19 is difficult to ascertain because as soon as it's within some of these people's bodies who can mutate it, it changes, and it can change a vast amount yet your test still show it as Covid-19, and should someone else contract one of those mutations through their etheric system, they too will be recorded as having the same Covid-19 when in fact they don't, they will have a variant of it, and a variant that is specific to the receivers needs. So each virus is specific to the individual, so in theory the original Covid-19 for example could be mutated by various people who's bodies can do that, so as to provide every person on the planet with their own personal variation of Covid-19, which should by rights then be called a different name, Covid-19-James Moncrief, if you received it James, it all being coded in light. So part of the etheric code that we and the angels can see

and read is of a specific light that corresponds to and expresses the Covid-19 origin, then with the other light-code reflecting the individual mutated expression for you James.

James: Okay, my mind is spinning, so who are these people who can mutate a virus like that?

Verna: Anyone can. And that too depends on the overall experience required by that person. You might need the experience of being a 'virus mutator', whether you're aware that is what your body and etheric system is doing, the whole experience you need being the whole experience-environment which your soul is creating. So you might not know of it and are happily interacting with your friends and family or people you pass in the street, and unbeknownst to any of you, you are transferring your specific virus variant you've created in your body for those specific people to them, to their etheric system through a virus transmitting specific cord, with the virus then transferred to their physical body with their angels activating it to the degree they need to be sick or not sick from it. So you can see a virus can be quickly moved between a lot of people. And the genetic mutating on the etheric level can happen in a flash. (The actual mutating happens in the person's etheric and subtle spirit body levels and is then expressed – reflected – in the physical causing the physical mutation, which then validates the etheric saying it's ready to be etherically transferred to someone else's etheric system. So the person does carry all the mutations within their physical and develops bodily resistance to them.) The mutations are actually held within the etheric levels, and might not necessarily be seen (if you knew what you were looking for) in the physical body.

So it's all rather complex, to you anyway, but not to us beings of light, because we see it all as light. We see it very clearly and easily if there is a virus-light within you, just as there is currently within you James, which is expressing itself in your physical system as you're feeling sore in your throat and a bit woozy in your head today. And although it's not Covid-19, or a variant of it, it was a variant of another virus you picked up on your walk yesterday from one of the two older women you passed on the other side of the road. And if you remember back to how you felt about them, you felt a little scared, like oh no, that's done it, now I'll probably get sick from them, whereas you didn't feel that with the other people you passed. And because you're so aware of all this happening now because of everyone being so paranoid about it, and because we knew you'd be talking with me about this today, so you received a virus, a flu variant from that woman into your etheric system with your angels then activating it through the night so your physical body would show these symptoms today. And as your soul doesn't require you to get a full-blown flu, just these mild, cold, sore throat feelings, so you have your sore throat to help you get more in touch with the anger that's been coming up in you this morning. So you are even more angry having a sore throat, having to go shopping in all the virus madness and you with a sore throat, the irony of it all, and then how could you have picked it up because you were further apart than the two metres the government says you need to put between you so as not to catch anything, more and more anger and frustration, which as you've been expressing has caused your throat to rage and burn with your wanting to burn your whole self down, all your bullshit beliefs and behaviours that make it all so difficult for you, just as you also want to burn down the world, burn your parents, burn it all with the fire of the fever, to rage and rage with the anger and hatred of your life as it was with your parents. So your 'touch of virus' is helping you connect with your anger from your childhood so you can see the truth of why you feel it, all of which is coming up as you express your bad feelings to Marion and she says what she thinks and feels about it.

James: I seem to have a sore throat nearly every other day. Marion hardly ever does.

Verna: Because she is truer to her bad feelings and can more easily express them, so doesn't need viruses to make her feel bad. You being so shut off to all your feelings, keep needing their help to bring up the anger and underlying bad feelings you were made to block out so long ago. So you can pick up a virus from the 'ether' anytime you go out and about James. They are everywhere, people are always having colds and slight fevers, most don't go to the doctor as they are not bad enough and most of what

people do block out the feelings from them, so they are only needed to further their feeling-denial. And you can connect etherically with someone from quite a distance, there are laws dictating that too, however someone can 'reach out' etherically for some unknown reason to you, or you to them, to a person on the other side of the road, and with neither of you knowing you are doing so. And then you can stand in a room of heavily infected people all who might have raging fevers and dying from viruses and yet as you don't need any feelings from any of the viruses or mutations of them, so you magically don't get sick. So when you are fully Healed, you won't need to get sick, the Celestial spirits don't get sick, they don't have the bad feelings as you do in the mind worlds, and so you won't need to have those feelings that would come from an illness, so you won't get sick. And we and your angels will ensure it.

And were it necessary that you somehow contracted some obscure virus from someone on the other side of the world, you could, the angels would set up the etheric connection as such connections have different laws governing how such connections are made. So people suddenly all over the world could get the same virus or their particular variant of it, mysteriously at the same time. However mostly that sort of thing is not needed and especially now as you all travel so much about the world, so more close contacts are utilised in such connections.

James: So I could have passed etherically my sore throat virus (or a specific variant of it) onto a person I was near when I was shopping this morning, even spreading it all over Aldi and Coles (supermarket chains)?

Verna: You could have, however you didn't because it's being contained within you. It does have expression in your etheric and spiritual system, however it's not mutating and it's not to be able to be received by anyone else. There are laws governing it all, and so 'your virus' has been specifically designed for you James, and by in fact the granddaughter of that white-haired older woman you passed on your walk yesterday, she was 'keeping the variant in her subtle system' from her granddaughter in readiness for you. So that woman herself feels very well, she's out walking enjoying the exercise and fresh air talking with her friend, and totally unaware that she's a virus 'carrier' for you. So really she and her granddaughter have done you a great service by providing you with this virus so as to make you angrier than you would have been.

And when the virus has done what it's needed to do, your body having dealt with it sufficiently by either 'defeating it' and becoming immune to that 'strain', or by your body being overwhelmed making you sicker, your angels will adjust the light of it and that which keeps it active, ensuring it all goes according to plan, the plan of your soul.

(I am re-reading this two days later and my sore throat went the next day. But I still feel fucking angry about everything.)

James: So I could be a virus mutant manufacturer, with all these specific viruses in my etheric system, then I go out shopping, at the precise time so I will interact – walk past, possibly smile at and talk to – the people who are shopping at the same time as I am, and then all those specifically designed variations could be shooting out from my etheric system to those people they are designed for?

Verna, a Nature Spirit: Yes, and they will take that light from you containing that etheric virus light-print or coding, and their bodies under the action of their angels will activate it when required, which could be immediately or days, weeks, months, years later, and activate it to the degree required by their soul so as to provide them with the necessary feeling experiences they need.

James: Years!, so I could have all these dormant variations in me waiting to make me sick?

Verna: Yes. But mostly it works in shorter time, say within minutes, days, a week at the most; however yes, you can store up these things your whole life, and you might have them activated but not make you sick but to enable your body to make other variations which you are to pass onto someone else.

James: Shit Verna, it is never ending.

### Brennan Model of the 7 Levels of the Human Energy Field

Verna: Which shows how interconnected you all are James, which you fail to understand. So overall life as everyone lives on the world at any one time, in their own personal lives and collectively, is all organised as an expression of all the souls involved, with us Nature Spirits and Angels providing the lubrication for it all, so to speak.

And it's even more complicated because there are seasons for viruses to exist within. For example, you might receive a virus from an animal through the etheric levels, that's where we Nature Spirits come in. Then your body makes variations of it which are stored in your etheric system. Then you start 'spreading' or 'giving out' those specific variations to those people needing them. Then the whole world becomes 'infected' and that is to last for say a year, or ten years, or a hundred or thousand years. But when the time is up for such a virus and all it's 'offspring' to cease existing in the etheric and so being manifested in the physical, then that light is simultaneously removed from everyone's subtle systems by their attending angels. So in the blink of an eye, that virus and all it's variations is gone.

So viruses are always coming and going dependent on the evolution of humanity, which keys into the evolution of the Rebellion, and now joining that, the evolution of its demise and eventual end, when no one is living anti-truth anymore.

**Viruses are more of the spirit really, which is why they are so elusive.** You still are subject to them in spirit, in the Mansion Worlds, as they are required still to help you with your Healing and with your furthering your Mind control and feeling-denial. However they don't make you sick, not at least in the physical way, but you are spiritually sick, so they are what is used to help you feel bad feelings, again to further your denial of them in the Mind Worlds or to help you with your Healing. But most spirits are unaware of them, they are of light and so you can't physically or spiritually feel them, however the angels use them all the time to help you experience what you need.

And then **bacteria, fungus and parasites are all physically orientated**, so only deal directly with the physical body so subject only to physical laws of nature. So they are more readily affected by your medicines and antibodies and the cells that the body used to physically remove such infections, and so

you can only catch such things from spores or other bacteria in water vapour as you touch and breathe on each other, have sex.

And then other disease, like cancer and the breakdown of the physical structure is again wholly physical however they are the physical manifestations from the breakdown of your spiritual light in your spirit systems. So your spiritual body 'gets cancer' first, there is some disturbance in your spiritual system that stops the natural spirit light from manifesting through it and keeping it true. Then that light-corruption is passed through to the physical so you manifest that corruption or 'blockage of light' as cancer or what other disease you need, again so as to provide you with the feelings you need, so you can keep blocking them out or work with them doing your Healing.

And your angels work with the light of these spirit body originating problems and the purely physical ones. And when you get sick from a physical bacteria, for example, there is always a spiritual component to it all which will be manifest in your spiritual light system somewhere, again with your angels overseeing it all, and ensuring the infections or illness does what it's intended for.

James: I've got to have a break Verna. Thank you for all of that.

Verna: You're welcome James, there's much more to it as you can imagine, but that's some of the basics for you to think about. BYEEEE!!!

Later:

Verna, a Nature Spirit: One of the functions of a virus is to increase the vibration of your physical body, all the cells and specific components within cells, and specific cell clusters, such as those comprising an organ or the whole body. With this increase vibration, which of itself varies upon the needs of the soul and 'administered' to your whole body or specific parts of it by your angels, the cells can be made to release unwanted toxins, salts and minerals and other cellular rubbish, or take them up. And so the increased fever can feel like a good thing happening to you, which it might be, it helping to purge you of all your physical and etheric yuk; or it can be too much if your vibration is too low having the adverse effect on you and making you feel very sick, even literally killing you because your body can't function at that higher vibration, as it happening to make many of the already very sick elderly die of Covid-19. And then the angels can work the virus to add to your already existing illness which can also be helpful or not, depending again on the experience required. So viruses they are very versatile and useful things.

yuk

Bacterial, mould and parasitic problems will lower your vibration, so too much of them and you feel sick, so exhausted to the point of having no energy anymore, no light within yourself, so without that light your physical structure and organs can't be maintained so they die or breakdown to eventual death.

And then all of these problems can instantly or gradually be turned around and they end, your body deals with them and you get better regaining your health, all again of which the angels will do in

conjunction with your soul. The angels are constantly working within your light-system, your light bodies, spirit and subtle bodies, which then affect your physical. And sometimes they can work directly affecting your physical.

And then you add all your medicines and medical interventions and that too is accounted for and worked with all in accordance with the needs of your soul, again with the angels involved in every part of it. When you're having operations your angels are overseeing them, making sure the surgeons do what is required, making sure they fix you up or fuck you up, depending on what the needs of your soul are. NOTHING about you is done without your angels overseeing it all, all so the needs of your soul are continued to be manifest in accordance with your soul.

And that's how the whole of Creation works, we creations of the Mind ensure all the right environment is provided for you of Truth to be able to have the experiences you need so as for you to keep denying your feelings or embrace them; it's either for you to live progressing in your truth-denial, rebelliously, or growing in truth, truly, that's what it's all about. And NOTHING happens randomly, everything is worked out in advance, by your – our – Mother and Father, and encoded into your souls.

So your angels in fulfilling the needs of your soul might enlist a virus to raise your vibration to purge you of unwanted toxins; and then again your angels can simply add a higher vibration of light to your whole

aura having the same effect, so whilst you sleep your vibration increases shaking all the shit out of your cells and when you wake you have good poo with it sinking fast and disappearing out of sight because of all extra heavy metals sinking it that have been flushed out of your cells during the night. And that can happen as a periodic 'clean-out' or it can happen spaced over days or weeks. So there's always different things going on, too much for you to keep up with and understand, and so in the end, as all this mind stuff, it ends up driving you mad, you give it all up and just get on living by being true to your feelings, express them and longing for their truth; and you grow in truth and live according to that truth and do what that truth leads you to do in every experience; and that's living your life in harmony with yourself, God and nature.

**So your scientists can keep going trying to work it all out with their minds in the hope that they can control it all, and ultimately prevent ageing and death, all so you can keep living forever on Earth, never feeling bad. But why would you want that, when so much else awaits you in spirit?**

**COVID-19**, a corona virus, first emerged in Wuhan, China, in 2019. Some medical experts suggest a patient ill enough for intensive care and put on a ventilator to breath has only a 50-50 chance. Imagine a dry sponge and one dripping with water. The dry sponge represents normal lungs; the sodden one the lungs of a seriously ill coronavirus patient. They're dying a suffocating death, trying to move air in and out of lungs that are no longer functioning. It's a vision of hell. Low oxygen levels and very high carbon dioxide levels in the blood indicates that this is not like the usual pneumonia.

**The Golden rule is: Never interfere with another's will.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Our Heavenly Parents simply desires for us to ask for Their Love.**

**The New Way: learning how to live true to ourselves by living true to our feelings.**

**We are to express our feelings, both good and bad, at all times, and to long for the truth of them.**

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

**While we are rebelling against our soul  
we are also rebelling against our Soul Partner!  
We cannot recognise our Soul Partner until  
we have healed ourselves of our Rebellion and  
Default.**

**Until then we will reject our Soul Partner!**

**SPEAKING with CORONA (Coronavirus)**

Samantha from England:

24 March 2020

“Corona”: I am not hurting you, you are all already hurt. All I am doing is making you feel the truth of how you really feel deep down inside. I am not killing you, your parents have already done that to you, it is how you have felt throughout your life and now you are going through the physical manifestation of those awful feelings your parents made you feel.

This is how they made you feel as a child and that 80 year old that you see dying on the news has always been dying. Since birth he has felt like he is dying, always being on the brink of it as it is how his parents made him feel. There is no way on Earth I can possibly be worse than how your parents treated you, it just can't happen, I can only affect you as far and as badly as your parents affected you, I am not the bad guy in all of this, they are. I can't create more pain in you than your parents have already created, I am the manifestation of the level of pain they created in you and I want to make that clear. What I am doing is bringing the truth of that pain to the surface.

It is now time for it all to be manifest so you can know the truth of how much you were hurt, to know the truth of how unlovingly you were parented. The extent of unloving parenting that you all had to endure as children and it is now killing you, that is the truth of how bad it was. It is killing you because you refuse to understand what is happening, you refuse to connect to your pain, you still refuse to accept the truth and this is the open door for me to enter into you and find a cell for me to live off of and mutate and multiply in you. Your denied and suppressed feelings let me in.

You won't give in to me and let the truth be known, you continue to resist me and push me away just as you have done all your life with your feelings. You would rather die than feel the truth I bring to you. So you decide! Stop resisting me and work with me in what I want you to know about yourself. I am no greater pain than the pain you felt and denied as a child.

I am Corona, Sam speaks with me through her Nature Spirit, Christa, and I can only tell her what she is capable of understanding so it is all pretty basic but that is how I want to speak with you, as children, so you get it. I am the thing you fear the most but you all misunderstand me, you hate me, you fear me, you are so afraid of what I will do to you if I infect you. You fear me killing you, making you feel so bad but isn't this all so familiar, isn't this how you felt about your parents at times in your life, isn't this how they made you feel only allowing yourself to feel a tiny portion of the pain they inflicted on you, the rest went denied and suppressed and that is what I feed on, what you will not feel. It is them you fear and I am helping you feel that truth. I am not bad at all, I am good, working for your good, you have to turn how you feel about me around to see the truth of me. I am here to help the world heal if you would only allow me to by ending the resistance to me. Let me work on your denied and suppressed childhood feelings, connect with how I am making you feel because this is how your parents made you feel, it is the same, no different. It is those denied feelings and your resistance to feel them that is killing you.

I am not saying this will be easy, you are not even aware of any of this, you just believe you have a Virus spreading its way through the world like an evil plague and I understand how hard it will be to see

me as working for your good but it just takes a shift away from your mind and into your feelings. How am I making you FEEL!! That is the question I want you to begin with. I am now being forced upon you all, you have no choice and that is the way I have to work with you because I can only work with you in the way that your parents worked with you and they gave you little to no choice as children. I am here mirroring the parenting you all went through, this is the way it was for you as children. Your parents forced you to do their will and gradually your own will got left behind not being considered at all by your parents and that is how I have to work with you all and you will all feel me differently depending on the severity of your will denial and suppression.

Your parents are the Virus, Corona Virus is each and every one of your parents and what they did to you as children and it is still inside you, I am bringing it out. Corona virus is your parents scaring you and hurting you, making you feel like dying, even killing you and there is no one on the planet that I won't get to. Right now I am affecting you all, your lives have changed even though you may not be ill.

Accept the way I am making you feel right now, express how I am making you feel right now and let the truth come to you through your feelings, how am I making you feel, this is how your parents made you feel. It is not me killing and harming you making you feel so ill and bad, it is your parents.

Please go to your feelings as I have asked you to do and you will begin to see the truth of how bad you have always felt, I speak the truth. Let the healing I bring to you open you up to the truth of how you felt as a child. You were parented by two of the same Viruses, they are the Virus that is within you right from your conception and took away your will just as I am doing to you now. I am treating you the same way as your parents treated you as children and you refused to see it so denied it.

All of humanity will be affected by me to a lesser or greater degree. I will enter every life on Earth and show you the truth of your denied and suppressed childhood pain by how I make you feel. I will make you realise the pain and fear of how you were parented and the more you keep up your resistance of me, the more painful it will be for you. So I ask you to let me in, stop the fight as you cant win and you never could as children, your parents always won over you so I have to do the same, as I have said, I can't be any worse to you than how your parents were to you, they have set the pace for how I work with you, it is them and their parenting of you that set the way I work on humanity. I am not making you feel anything that has not already been put into you by your parents, it was already inside you and I am triggering it for you to feel. I am reuniting you with the truth of how hurt and unloved you feel because of your unloving childhoods. You will know yourself like never before, your will know the truth at last about your pain and how it was for you as children. It is time to take of the rose tinted glasses and really know the truth.

I am not BAD, your parents were, I am only being them to you, this is how unloved you felt by them and it is coming up for you to know. No one will escape me, you are all hurt children, even the 80 year old is just a hurt child in an older body who has gone on longer being unaware of the truth of his pain, he has been in denial longer but you are all the same no matter how old you are. The 80 year old has had 80 years to wake up to his denied and suppressed childhood pain, he has always been a trapped and 'Locked Down' little scared child. No one will escape me, of that you can be sure, I am so tiny yet I have the power to end it all just as your parents had the same power over you all. You all have the power to turn this around and all you have to do is to begin feeling how I am making you feel, accept every feeling, express every feeling and find the truth through your feelings. Do this and I will lose

strength and lose the hold I have over you because I no longer have to make you feel so bad to make you feel your feelings. Stop the resistance to me, run to me, let me in to your life, want me to show you the truth of your pain, talk to me and we can work together to heal you and turn the tide. If you decide to further resist me then it will only get worse with new viruses being created, stronger ones to make you feel even worse until you get it!!

You have the cure within you all and that cure is YOUR FEELINGS!! It is the most loving thing you can do for yourself, it is the thing your parents wouldn't let you do, FEEL and express those feelings, You are allowed to have them, I am telling you to let yourself feel all of your pain, let it out NOW and I will no longer have to make you feel scared and ill and bad, you will be doing what I came here to do with you, make you feel. Feel how I make you feel then my work is done and you would have seen the truth of why I have had to come.

You don't need any Vaccines, that is just further resistance to me and I will have to be stronger with you all by creating more powerful viruses, ones that you don't have vaccines for. Your resistance to me controls what I have to do next to get you to stop and FEEL! If you decide to vaccinate against me then you have chosen to further deny me and your bad feelings and it makes it all worse for yourself. Your feelings and expression of them are all you need to end this terrible time you are going through, you are in control of my next move, your denial of your feelings lead the way.

You look to your Governments to tell you what to do next, to create vaccines to stop you feeling bad, you depend on them to fix it all for you yet again giving your parents control over you because that is what you are used to doing, you are only doing what your parents taught you to do, let your parents control you instead of taking responsibility for this yourself by going within, going to your feelings and feeling them fully by accepting them, expressing them and letting the truth come to you through your feelings. Be responsible for how bad you feel by feeling your bad feelings and fears about this. The healing of this is in each and every one of you but by allowing the government to parent you further is just more of your denial of how you truly feel. No one can fix this for you, it is for each and every one of you to heal this within yourself, through your feelings, you can do it, you have the tools to heal this, YOUR FEELINGS.

**I am Corona, the Virus, making you feel your fears, the truth! I will make you feel the truth of your unloving childhood that your parents made you feel. I have always been in each and every one of you lying dormant until now, you are scared of going out and catching it yet it is already in you through your parents unloving parenting of you. I am Corona, I come to light up the truth of your denied and Suppressed childhood feelings and you believe I am Bad but I am telling you, I AM GOOD! I am working for your Good, see the healing I am bringing to humanity. You all have the cure and that cure is FEELING YOUR FEELINGS.**

### GREAT U-TURN

# *Living True to Ourselves*

## **LIVING TRUE to OURSELVES**

We are to live truth to ourselves through ALL our feelings. We are untrue.

We are to live truth to being untrue. We are to stop pretending we're true.

We're to admit we're full of shit; and be as full of shit as we are.

God made us be rebellious and untrue, so we are to live being rebellious and untrue, not trying to not be as God made us. And we are to live true to being fucked, until God transforms us and changes us into being true and loving, ending our rebelliousness.

With all of us having been incarnated into a truth-denying rebellious world, we are to live true to how untrue, false and unloving we are. We are to stop using our mind to pretend we are true and loving when we're not.

We are to fully embrace, through our feelings, the truth of how wrong, bad and evil we are. And through our Spiritual Healing we are to fully accept how rebellious we are, living and being it. And knowing how being rebellious (being of and in Rebellion) makes us feel.

We are not to use our mind to pretend we are true; that we are loving, caring and sympathetic, as we're not those things.

Being of Natural Love we experience love through our mind. And so being in an imperfect state, some (if not all) of our mind love will be false and untrue.

When we have been transformed into our true Divine Love state having done our Spiritual Healing, then all the love we experience will be through our heart and soul with true feelings and no longer with our mind. With all love being true and based on the Truth.

# *We are to find the Truth of Love*

**SPIRITUAL HEALING:**

Our Healing is about first finding the truth of our unloving and untrue state, coming to understand the full extent of that, how it relates to us and how we relate to it, and all how it makes us feel so demented living life in a stupor.

Healing is about seven Mansion Worlds worth of uncovering the truth of our rebellious state. It's all about becoming progressively more aware of how screwed up we are. So right the way through our Healing, we stay being screwed up all so we can see the truth of how demented we are in all the ways that we are untrue, all the way to the End of our Healing.

What we do heal through our Healing, is all that is stopping us see the truth of ourselves – our untrue and false state.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving; understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties. Then comes transition.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on. Each progression is full on, all the way.

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

IT IS NOT THIS WAY

IT IS THIS WAY

**SPIRITUAL HEALING:**

We incarnate into Rebellion, and by default become untrue to ourselves. The truth of which we are to see through our Healing. And once seen, then we will no longer be of the Rebellion, being a true, happy, perfect and all-loving personality.

The Healing is about becoming true to being as you are in your untruth. As you become aware, facing and accepting the truth of how wrong and untrue you are. And once you've brought all your untrue self out through each stage of your Healing and are wholly aware of yourself and your rebelliousness, then your soul and God will transform you out of being untrue and into becoming your true spiritual Celestial self, be that in the physical or when you do your Healing in spirit.

# NEW FEELINGS WAY A WAY OF LIVING.

The New Feelings Way is working with your feelings to uncover the hidden truth of yourself. It's to find the Truth of Yourself Through Your Feelings. So the two have to be worked in conjunction with each other: Expressing ALL, and most importantly, ALL YOUR BAD FEELINGS, which we are more than likely denying, all so we bring the truth of why we are feeling them to light. This is getting to know ourself – the truth of how we are. It's living true to our feelings. Accepting, expressing and longing (wanting) to find the truth of them within ourself. It is a way of living that embraces and looks to express all our feelings and emotions so we can see what they are all about, what they are showing about ourselves; unlike how we live denying the truth of our feelings and basically not having a clue about ourselves and why we're feeling what we are.

The difference as to living as we currently do – the Old Way – which is mostly feeling-denial and believing we are expressing our feelings, is still not longing for and wanting to uncover the truth of those feelings. We live denying ourselves the truth of ourselves, because we don't want our feelings to lead into the truth and horror of how unloved we felt during our childhood, and how we still feel unloved.

The New Feelings Way, is doing the opposite of this. Stopping what we are doing, focusing on our bad feelings in particular, the ones we are most likely to deny; fully acknowledging them, bringing them up and out of us by expressing all they make us feel and all we feel having them, all as we long and want with all our heart to know the truth of why we are feeling them. Understanding that that truth is going to be very confronting, because it's going to show us the truth of all our relationships, with ourself, our parents, friends, children, loved ones, partner and God. And if there is any unlovingness in any of them, the truth is going to bring that all to light.

If we want to carry on in the Old Way, sure, being more feeling expressive will generally help our relationships, however that's not what the New Feelings Way is all about. The Old Way, which is the current way for most people, is denying the truth of ourselves by denying our feelings. The New Way, is working with and wanting our feelings to show us the truth of ourself.

Having someone to talk to who is willing to listen to us expressing all our feeling without trying to stop us, is just one part of how to express our feelings in order to help us uncover the truth of them. It does matter what we talk about, otherwise we continue in a truth denying state, the Old Way. In the New Feelings Way, it very much matters what we talk about, which is all our feelings and all how they are making us feel, all so we can find the truth of them. The New Feelings Way is ALL AND ONLY ABOUT UNCOVERING THE TRUTH IN OURSELF. And doing that through our feelings. It's all about the Truth; that is what we're setting out to do, so not to water that down. The Old way is all about not finding the truth and doing all we can to deny it. So do you see, it's not just about talking in general, it's all highly specific, and a specific and fully focused way of being, way of living, not just more of the old general stuff.

The feelings and self-expression side of The New Way is talking more generally about feelings, about how important they are, and how acknowledging and expressing them is helpful in life, adding to more fulfilling and meaningful relationships. But that's just part of our naturally expressing ourselves, with The New Way being specifically about showing up the Old Rebellious Truth-Denying Way. We're about wanting to offer people a way out of their yuk, a way out of their rebellion, a way out of their pain, a way out of their mind controlling beliefs and behaviour. And so how to do that is by using our feelings – which leads us into doing our Spiritual Healing.

yuk

## The CHOICE is OURS to MAKE:

### Celestial Truth:

Truly all-loving;  
 Living true to oneself;  
 Mind supporting Feelings;  
 Living with the Divine Love;  
 Fully Healed of the Rebellion and Default.

### THE FEELING WAY

Feeling – Ascendance  
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

### THE MIND WAY

Mind – Transcendence  
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,  
 atheists, no spiritual interest,  
 Living the Rebellion and Default.

Hell:  
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

# MIND vs FEELINGS

Mind vs Feelings – Your Choice.

And now is an appropriate Time To Make this Choice!

Everyone is to choose: The Mind Way;

or The New Feelings Way.

Which way of living do you choose: Mind Way?

or the Feelings Way of living?

Do you continue in your Mind Way?

or do you embrace The New Feelings Way?

Do you choose the Dead End Mind Way?

or the Eternal Happiness Feelings Way?

Times up for the Mind Way;

the Feelings Way is taking over.

False Spirituality – The Mind Way;

True Spirituality – The Feeling Way.

The End Times and Final Judgement; or Paradise – the choice is yours to make:

Continue in your soul-destroying feeling  
and truth denying Mind Way;

or embracing The New Feelings Way  
by doing your Spiritual Healing;

Maintaining the mind's imposed façade of a robotic,  
retarded individual, in a stupor, perpetrating the  
errors of generations gone by;

or The Feeling Way which is the discovery pathway  
to releasing your true, vibrant personality

The Mind Way – rejecting the truth of yourself  
by denying feelings, restricted forever to the  
mind Mansion Worlds;

or The Feeling Way – uncovering the truth of  
your feelings and ascending to Paradise.

## How do you BECOME as SPIRITUAL as you can be?

James Moncrief

7 November 2020

It's to do with expressing yourself as truly as you can in your relationships. The truth of yourself, the truth of life, the truth of God is to be found in the truth of your relationships. When you interact in your relationship, when you express all you feel and think, and when the other person expresses all they feel and think, all whilst you are longing for the truth of all such interaction, then the truth will come, and then you are evolving your soul in Truth. And you can't be more spiritual than continually advancing your soul in Truth. That is Being Spiritual.

Only our difficulty is, most of us are heavily denying our feeling expression in our relationships, so we are severely limiting the depth and intimacy of the interaction we can have, so we are severely restricting the amount of truth we can gain from such experiences. So our Spiritual Healing involves allowing ourselves in our relationships, with ourselves and each other, to express all the bad, yukky, dark, nasty, pain parts that we're doing all we can to avoid. To maximise the relationship you can have with yourself and another person is to allow yourself to express ALL your bad (and good) feelings, all as you long to uncover the truth of all they will help you see about yourself.

To be spiritual is to be fully feeling expressive. Or to want to be. And the more feeling expressive you are in all your relationships, the more you'll get out of them, provided you want to see what Truth they contain. And the more you become that Truth, the higher in spiritual understanding you become, and so the more spiritual you are.

Being or becoming spiritual is not about attending your religion religiously saying your prayers to God, or sitting in meditation endlessly seeking Enlightenment or Knowledge; and it's not about climbing the highest mountain seeking the answers to life, it's about getting real in your relationships by dealing with all the bad feelings, moving with them, seeking resolution through understanding by going deeper into them, bringing all the hard stuff out, seeing it for what it really is, what's really going on within you and between you, and how does it all relate back to your early life and the relationships that you started your life in. It's about wanting to know the **WHOLE TRUTH OF YOUR PAIN**, so allowing yourself to feel all your pain as you express all the bad feelings of it in your relationships. And of course doing this in your most intimate relationships in which you can open and expose all the worst of yourself; all the ugliness of your pain; all the terror and torment; all your suffering – to bring out all your dark secrets; all you're so afraid of admitting you feel; all the really bad stuff you believe you are not allowed to speak about, to your partner who willingly wants more than anything for you to bring it all out. All so they (and you) can understand what is really going on inside you. And then you wanting them to bring out all their pain and suffering, so you are both truly 'there for each other', lovingly supporting each other by accepting each other's darkness.

Being truly spiritual is being true to all the feelings you feel. If you are true to all your feelings, and want to know the truth of them, then as the truth comes to you, as it will, then you are growing, evolving, ascending, in truth, and you can't be more spiritual than that.

# Light of Truth of PASCAS

Throughout the evolution of Pascas, Pascas has been gently guided and supported by its Council of Elders from within the Celestial Heavens. All documentation, all concepts, all who have interacted with the forming of Pascas WorldCare and the various arms, have been in response to the guidance from our Celestial Council of Elders – from within the 3<sup>rd</sup> Celestial Heaven. Throughout the coming millennium, our Celestial friends will be guiding and assisting Pascas WorldCare.

## COUNCIL of ELDERS

**Council of Elders now around 20 soul-groups from the 3<sup>rd</sup> Celestial Heaven**

Communications between the Celestial Council of Elders and those within the physical administration of Pascas WorldCare will be via those who complete their Feeling Healing on Earth, as years go by.

## Avonal PAIR Oversight

The administration of Pascas may be also supported in their interconnectivity with our Celestial guidance, through those within Pascas and its administration who are sensitive in their nature and are able to perceive guidance from our Celestial companions on this journey of delivering the Great U-Turn. It is through the nature of sensitivity that Celestial Spirits have interacted with Pascas during decades of formative years and the establishment of the foundations for Pascas for the next 1,000 years.

## LIGHT OF TRUTH

Pascas as an entity, due to the contributions from our Celestial friends, is functioning within the 5<sup>th</sup> Divine Love spirit Mansion World's level. Further, the Pascas Papers that are designated as references for Feeling Healing and Divine Love are within the level of Truth of the highest of the Celestial Heavens. Pascas will be supported in this manner for the coming millennium.

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

An example for people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad Feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

### **FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.**
