ONE OVERARCHING CAUSE – ONE PATHWAY FORWARD

The whole of Earth's humanity has been right royally screwed by the personal agenda of one pair of self-interested high level personalities who embraced the belief that we each could become literally mini-gods through living mind-centric and thus suppressing our feelings. It is our feelings that are our truth!

This has been a long drawn out agenda that has now reached its fruition and is to be put aside for all and for ever.

The coming of the time when humanity commenced to be influenced to embrace being mind-centric – living through our minds – and literally worshipping our minds as being all powerful and wonderful – was first imposed upon us some 200,000 years ago.

The first of humanity to have a longing for human perfection lived about 993,500 years ago. Andon and Fonta lived south of the Caspian Sea. They were of a red skin complexion and with a general appearance similar to the Eskimos of today with brown to black hair and eyes also. Their offspring even reached and lived in Tasmania, now being an island state of south eastern Australia, more than 950,000 years ago.

It was some 500,000 years ago that high level personalities were appointed as the Planetary Princess and Prince of Earth. This coincided with the Sangik family, living on the tablelands of north eastern India, having what can be referred to as the rainbow family – 5 red, 2 orange, 4 yellow, 2 green, 4 blue, and 2 indigo coloured children. As time unfolds, these colours were and are intended to inter-marry and blend into an olive colouring for our skin. Later the orange, green and blue colours died out.

It was 200,000 years ago that the concept of living mind-centric was slowly introduced to Earth's humanity – this being the commencement of the Rebellion by Earth's humanity.

We have always been meant to live feelings first having our minds to follow in support of our feelings. It is our feelings that are always in truth. In fact, all that we need to know is accessible to each of us through our feelings. We are fully self-contained! When we embrace and follow what our feelings are prompting us with, life is so much more productive, progressive, refreshing and enjoyable.

However, what we experience and see imposed around us is this all persuasive need to be mind-dominated, resulting in pressures, conflict and stress in numerous forms and ways.

But, our minds cannot discern truth from falsehood. Our minds are addicted to control, control of our environment and of others. Our minds are addicted to untruth! Take a note, mental or otherwise, and over time you may observe that the assumptions that we may make are around 98% in error! The other 2% are flukes. When someone commences a conversation with "I think" – cringe! They are commencing a potentially meaningless conversation based on an erroneous assumption – mind-centric!

Whenever we carefully consider a ‘scientific’ research document, first count the number of assumptions it is ‘premised’ upon. One assumption and it is mostly flawed – you may become distressed when the tally of assumptions throughout the research is into double-digits!

Ten ducks in a row, but one always misleading!

We mentally cannot correct these deceptions. But, we experience the ramifications every day.

Einstein is correct. But what is the problem?

You will come to see that our Planetary Princess and Prince were subordinate to our System Sovereign and it was our System Sovereign’s goal to keep Earth’s humanity

shackled in their undeveloped state without the potential to evolved for his (and her – soul partners) expansionary agenda. An ‘army’ was needed by the System Sovereigns to expand their personal authority to other humanities. Consequently we see great difficulties all over the world because we have all embraced the wrong pathway – WE CANNOT ADVANCE and EVOLVE BY LIVING MIND-CENTRIC! In fact we cannot get past 499 on Dr David R Hawkins’ Map of Consciousness (MoC). Mind-centricity is a glass ceiling to our potential.

Every facet of society, every institution, every norm, every custom that we each embrace is detrimental to us. There is a deceptive restraint in-built in everything we are traditionally embracing. Every scientific development is potentially a poor option for us – but we cannot recognise that which is better because our minds prevent us from seeing through the charade of our beliefs within our minds.

So, how did these high level personalities make their manipulation so enduring?

Tribes had been forming before their manipulation – but there was little diversity in physical appearance. So the Sangik family raised the family with the six colours. More than 38,000 years ago, Adam and Eve introduced the seventh colour, the crimson coloured skin as well as the blonde and red hair with the blue and green eyes. Adam and Eve’s mission was to achieve an upliftment in humanity’s potential, but due to these high level personalities interference, their mission was mostly unsuccessful. So now we have an array of divisions in tribes, languages, and borders between thousands of differing cultures – separation!

As women are closer to their feelings, it was recognised that women could not have a voice so they needed to be suppressed. Men were induced to make women subservient to them. Women would easily recognise the error of living mind centric rather than living feelings first. Now we see men dominating women in every aspect of our lives – yet we are equal. Few are yet to understand that our soul is a duplex – our soul manifests and orchestrates TWO personalities, one is always a female and one is always a male – we each have a soul partner! We each have a soul partner of the opposite sex – always.

As we have been living mind-centric for thousands of years, we commence to impose our personal injuries being emotional as well as errors of belief upon our children from moment they are conceived and then on through to the age of six years. Our newly arriving child, at the moment of conception which is about 16 days prior to incarnation when the newly forming foetus first commences to pump blood, is literally ‘fire-hosed’ with its parents’ emotional injuries as well as their errors of belief. We become little me’s of our parents – clones – our true personality is suppressed. This continues until the arrival of our personal Indwelling Spirit which arrives in our sixth year of physical life. From then our parents influence upon us begins to abate. However, our parents have now successfully suppressed our free expression, our feelings and subjected us to a life of mind control. Our childhood suppression is what we all suffer throughout all of our lives – mediocrity, no vibrancy and no spontaneity. This is how it is for each generation – when we become parents we do the same to our own children as we do not know anything different. Our hidden controllers keep reinforcing their covert control throughout every phase and facet of our lives. They were masterly at their craft of deception.

Then comes the child’s **pre-schooling**. What the child needs is its parents love. The child does not need the rejection by its parents and being placed in child care centres. It needs continuity of connection with peers who remain part of their family throughout their childhood years. This is why the African proverb is so wonderful:

It takes a village
to raise a child.

Then we have the worshipping of the mind thrust upon us in earnest – **education**. We start our formal education. From kindergarten, then primary school, middle school and high school – all of it ignoring and suppressing feelings. Also, the most inefficient form of education dominates – the lecturer at the front of class talking down at the students now is seen as being 5% effective, whereas doing and tutoring others is extremely effective with retention rates way above 75%. By now our feelings are entombed in a steel wrecking ball and this ball is controlling our lives and suppressing our inherent potentials.

Truth is always the same! Most are introduced to a religion that our families have embraced for generations – all of this is ensuring continuity of the suppression now with a ‘fatherly’ religion. There are some 3,400 significant religions and with their minor denominations we have more than 50,000 variations of ‘truth is always the same’! So, where did these innovative variations come from? Indirectly and ultimately it is the Planetary Princess and Prince. It was the Planetary Prince that told what is now considered to be the Jewish community that they are the ‘chosen ones’. A tribe was recognised as having the personality issues to buy into such a personal self-indulgence.

Major religions were established and later other major religions to conflict with each other. Presently we find most wars being wars being between factions of the same major religion. With our minds in control there is no end to this insanity. Peace cannot unfold through living mind-centric – impossible.

No one is recognising the input of low level spirit personalities throughout history in all these dramas. Up until 2,000 years ago, all of humanity passing into the spirit mansion worlds remained in the mind mansion worlds, mostly numbers 1 and 2 with few progressing into 4 and 6, these being those perfecting their minds of error and evilness. These revelled in the control of others setting up religions on Earth to provide members for their spirit based religion and ongoing control.

It was the Creator Daughter and Son who opened the spirit healing mansion worlds 3, 5 and 7 and consequently the Celestial Heavens 1, 2 and 3. The numbers of spirits progressing through these were very few in number until recently. While their numbers were building up, these healing and healed spirits had no connectivity with us on Earth except in very rare occasion. Those who engage in feeling healing are addressing their childhood suppression and those who embrace Divine Love with feeling healing are also soul healing. There are no religions throughout these worlds.

Meanwhile, the tentacles of the hidden controllers extends to every aspect of living. Higher education, be it technical and further education as well as all of the universities continue to educate the suppression of feelings. Ignoring them to the detriment of all of the society the university is within.

Our employment is all about control over what we do with the mind being the centre of ‘creativity’ and ‘progress’.

Government at all levels is all about control over others. Governments are to assist and support us, however they make it more difficult for us to do things. Further, they propagate fear to achieve control. The humanity of the world capitulated to universal ‘lock downs’ and problematic vaccinations against coronavirus Covid-19 in a way that staggers belief.

We presently have a humanity in fear of ‘global warming’. We have everyone looking into the CO₂ (carbon dioxide) in the atmosphere when the weather patterns are changing due to cyclical events. We have power grids around many countries throughout the world. There are power grids throughout the universe. During the second half of the 20th century (1950s onwards) surges of energy from the centre of our universe have been absorbed by our Sun (which is also a star). In turn, our Sun has transmitted energy to the centre of all the planets in our solar system. This has marginally increased the rotation of the core of Earth creating tensions on the surface, mainly under the oceans, and this has resulted in the surface marginally increasing in temperature and as the oceanic plates are expanding then some islands have reduced in

their elevation above the oceans. Earth is coming out of a cold era.

Medicine and the health industry. As medical science is mind-centric, it is finding itself overwhelmed with seemingly insurmountable difficulties. They have generally identified more than 10,000 diseases and illnesses, yet they do claim to have found cures for 500 of these.

As we find a vaccine to suppress an illness we need only wait sometime before we will find it has returned in a more virulent and difficult format. The disease becomes ‘drug resistant’. The more

vaccines we create and embrace, the more difficult our health issues will become UNTIL we embrace our personal Feeling Healing. In anticipation of a vaccine, Nature Spirits 'mutate' the disease to enable the vaccine to be made ineffective. ALL diseases that man has eradicated have been reintroduced.

Science may consider that they have wonderful laboratories. But you have seen nothing until you understand the laboratories available to the Nature Spirits. A virus is more of the spirit body than it is of the physical. A virus cannot cause us any more pain or difficulty than our individual childhood suppression. Science can eventually recognise the overarching style of the virus and give it a name – but they cannot recognise that each virus is then specifically mutated for our individual experience and needs which reflect our childhood suppression. This is why every person has a different experience from what appears to be the same virus!

IT'S ALL ABOUT
Experiences
&
feelings

Be Feelings
Expressive!

We are to bring the light we each receive from our soul back into balance with the light we return to our soul. To do so we each need to embrace our personal Feeling Healing – express our emotions both good and bad and long for the truth that our feelings are prompting to grasp from our emotional experiences.

It is this imbalance in light returning through our bodies that creates the imbalances and manifests deformities in babies, childhood illnesses, and as this is compounded during our early forming years of Childhood Suppression up to the age of six years, this then sets up our health patterns and societal issues throughout the rest of life.

So, as we embrace our Feeling Healing, and should we embrace Divine Love, the Love of our Heavenly Mother and Father, then we can bring this all back into balance and this is our destiny, we will all do this at some stage throughout our eternal lives. It is not easy to do and it will take each of us a great deal of time and effort to work our way through our individual healing – but we each will.

Feelings First with Mind to follow in support.

Feeling Healing is not a religion, it is way of living. There is no hierarchical control or controllers. There is no organisation to join, no rituals, dogmas, creeds, cannon laws, sacraments, special book or clothing. Groups may form to assist each other for guidance and support. Even endeavouring to live feelings first opens our perceptions to what is reality and truth bringing about a personal sense of purpose and direction. We are to express our true personality, not the one imposed upon each of us during our childhood forming years when our parents and carers imposed upon us what they wanted us to be.

Every choice we of humanity have ever made, we have typically opted for the least progressive option. That has all been through the subtle influence of hidden prompting and our mind's addiction to control and untruth. We now can commence a review of such decisions. This will result in the reworking of all scientific findings. As of 22 March 2017 negative influence by mind centric spirits of the mind Mansion Worlds was permanently blocked by the Celestial Spirits from the three Celestial Heavens.

Humanity is now to make the Great U-Turn! The numbers now healed of their individual and personal Rebellion and Default in the Celestial Heavens are in sufficient numbers to support the Avonal Pair who are now on Earth. We have had to wait for the Avonals arrival to end the Rebellion and Default as their consciousness level is higher than those who instigated the Rebellion and Default. In 1993 when the

Avonal Pair commenced on their personal pathway to heal themselves of what they had taken on of the Rebellion and Default, this milestone triggered the arrest and imprisonment of Earth’s Planetary Prince. Influence is gone.

We are not to impose our will upon others.

Further, militarism is all wrong!

Should you take note of the date, 22 March 2017, and consider the performance of world leaders anywhere since that date you may consider that they have all lost their marbles.

Well educated and experienced mind Mansion World spirits had been able to have their controlling ways satisfied through manipulating world leaders up until 22 March 2017.

Generally the spiritual platforms of most races have originated from the influence of low level mind Mansion World spirits working through mediums throughout all ages all round the world.

The Australian Aboriginal “Dreamtime Stories” originate through these interactions. Consequently, a psychic barrier to change and evolutionary progress has resulted for them.

The Caste System throughout India is a national psychic barrier requiring great attention to put aside. If you are born into a family that has been

Herculean TASK

categorised as being in one of the four caste categories then you are fixed in that category for your life. This is Childhood Suppression in its extremes.

The Caste System throughout India was spirit induced – it is a gross untruth. As is the belief of reincarnation. It is impossible to reincarnate and if you did then your personality from the ‘first’ life would need to be expunged leaving a hole in the universe. Mind spirits when they lost a companion considered that that personality had reincarnated when what had unfolded is that their companion had progressed to a higher level spirit world. The concept of reincarnation is very unloving and totally impossible. And by the way, once we have been here on Earth, why in the hell would you want to come back?

Upon transitioning into the 1st of the spirit Mansion Worlds is a time for celebration. Even if our physical incarnation lasts only for a few minutes, we have completed our individualisation and then we become spirit born and will be adopted by spirit parents. Should we live a physical life we will find our environment and conditions better in the spirit world for us to go on with our never ending journey of learning. We are more alive than ever – once we are dead! Enjoy the discovery.

We are to put children first. It is all about experiences and feelings. We are to express what feelings come up for us from our experiences and to long to know the truth behind what our feelings are drawing our attention to. We are to be feelings expressive. Now that we are individualised our learning has begun and will continue for eternity, however our soul is already endowed with all that we need to know. We are fully equipped.

As parents, all our children need is our love. And the greatest environment for a child is a village style community. It takes a village to raise a child.

mind controlling way or soul's feelings first!

It appears ever so obvious. Nothing has been working out and no one could heal themselves of their personal emotional injuries until a soul partner pair of higher consciousness than of those who created the problem came along. That has now happened!

The revelations of The New Way of living Feelings First and the changeover to new Avonal Age commenced through the writings of James Padgett (1914 – 1923), then The Urantia Book (1925 – 1935), and the most important writings are those of James Moncrief commencing in 2002.

Pascas Papers explore these writings, all of which are free downloads from www.pascashealth.com in the Library Download page. Yes, all is to be free to all and in multiple languages. These revelations are gifts to humanity.

GREAT V-Turn

The revelations are now documented throughout 60,000 pages. We are not going to be subjected to loss of originality, the records have created immediately without the need for recall and assumption making as required with records of the past.

Now the herculean task can commence of bringing awareness to all communities, societies, cultures and nations of Earth's humanity. Then for those who consider to embrace the revelations, they can do so as and when they so please.

What is important to consider is that the old way was imposed upon us over time and it will take time for us to shift our way of living life and embrace the potential to evolve through the glass ceiling of mind-centricity and progress beyond 499 on Dr Hawkins' Map of Consciousness and eventually heal our personal Rebellion and Default, and by embracing our Heavenly Mother and Father's Divine Love, we can achieve Celestial soul condition while living here in the physical on Earth. This has never been possible before throughout the history of Earth's humanity of nearly one million years.

The Creator Daughter and Son remained Celestial throughout their physical life on Earth, they did not take on any of the Rebellion and Default. It is the Avonal Pair that have taken on the Rebellion and Default and through their personal healing they are now able to lead the way for us all through our own healing with the support of their Spirits of Truth. This is the plan that Machiventa Melchizedek initiated and it has taken 4,000 years to unfold. Now we are to enter the Avonal Age of the coming 1,000 years.
