## Truth and False Beliefs

Nassouf.

## **ASSISTING our SPIRIT FRIENDS in Difficult Times; and Ourselves:**

Yes, we can assist our friends who have passed into the spirit worlds in poor and even very poor soul condition.

When we hold in mind someone, even if they are not very well known to us, we actually call to them and most often they will either connect up to us or come to us. You can talk to them as if they are within your presence in a room with you. Even though you cannot see them or hear them, they can see and hear you. Because you have some kind of relationship with them and your feelings are to help them in their time of darkness and suffering, you will get their attention and cause them to focus upon the help that you offer.

**The magic key to a spirit person's growth, particularly when they are unaware of the Love being available, is to encourage them to:**

**“Always look up and look for the brighter spirits, then always ask them to tell you about the Feeling Healing process, and God's Divine Love and Divine Truth. A brighter spirit will always know more than you and anyone else around you.”**

Your encouragement will bring about them bright spirits that they are able to see. Celestial Spirits are much brighter and their luminosity is very different to those who only have natural love. More than any other, it is those spirit people who are receiving the Love, Divine Love, that can assist a troubled soul, a soul in poor condition, to understand the availability of the Love and begin them on the path of asking for and receiving the Love.

Each soul, yours, mine and everyone else's, expands at the speed of light. Your thoughts travel as fast. Thus the response time is nearly instantaneous. When in the spirit body we can move about at around the speed of light, thus connecting up is possible and we can do so as often as you so please.

Not only can you assist these souls, you will find that others listen in and benefit in your exchange of guidance and love, and the gifts you share have no limit.

A very great number of people pass into the spirit world engulfed with the belief that if they find themselves within 'hell' there is absolutely no release possible from such confinement for ever. This is an absolute and total lie. No matter what condition one may be in there is and always was and will continue to be a pathway of progress towards that of becoming a perfect man and an angel resident in the Celestial Heavens. It is this false teaching of many religious organisations that lock the minds of people who subsequently may take centuries to realise that there is redemption and growth for all. This false belief shuts the minds to the help that is offered by other spirit people who show the way out of the dark Spheres of Disharmony (so-called hells) to Love and Light.

Many are taught that if they find themselves in darkness, in the hell, then they are condemned to a separation from God for all eternity. This is a damnable lie. This causes many to not seek help and subsequently they remain in suffering for eons for no reason.

Spiritualism, that is man connecting and communicating directly with the Source Soul, the Father, and seeking truth and love, is what will ultimately supersede old religions.

As conveyed by Paul on 20 May, 1917, only three living humans had any conception of the truth and what the plan is for the making known of these truths to the world and they were James E Padgett, Leslie R Stone and Eugene Morgan. Christianity was started by only one besides the Master, Jesus of the Celestial Heavens, and he was John the Baptist. They did not have the knowledge of the truth as these three had been provided with, and Jesus did not have behind him the power of the Celestial Heavens, as now available. Jesus' mission was performed, and Christianity would have been a success if its truths had not become lost and perished by the acts of men who did not have in their souls the Love that has been given now. The truths perished, and men perished as far as their souls' salvation was concerned, to a large extent.

But now these truths will not perish because they will be presented in living type, and no copying or recopying will be needed, and no addition will be made to, or anything taken away from the writings of the spirits who are now engaged in formulating these truths. It will not be a failure this time, and the way to the Kingdom of God in the Celestial Heavens will be made plain and no man will have an excuse for not walking therein.

Paul 20 May 1917

Many have the Holy Spirit, that is, the Divine Love in their hearts, they are only letting their minds become confused with the idea that Jesus' blood or crucifixion saves them when the fact is the blood of Jesus or the crucifixion is not necessary, as a matter of belief to their salvation. The only thing that saves them from their sins and reconciles them to God is that they must become conscious of God's Truths and receive the Holy Spirit / Divine Love into their souls. No vicarious suffering on the part of Jesus is necessary to save them. He never taught that erroneous doctrine and it is not doing any good by being taught by preachers who claim to represent his cause.

Only in the sense that these thing (his blood and crucifixion) call the attention of mankind to Jesus and his mission on Earth. As between God and man, no blood of Jesus or vicarious suffering can appease God or save man. God is a God of Love and does not have any wrath to be appeased. He is only too glad to have his children come to Him and be at-one with Him. He is not waiting to punish them or have them suffer because of any wrath that He may be supposed to have towards them. They suffer only because they have violated his laws and they must do that which will remove the causes of their violation of these laws by asking for and receiving His Love, the Divine Love.

Mankind is not the object of God's anger, but are the dear children of His Love. He is not pleased when they do wrong or when they do not obey his precepts. Let not the idea that God delights in the punishment of the wicked make you think that God wants any one of His children to suffer. He is only too ready to save and have the sinner come to His Love and Care. He is the one Perfect Love that exists.

Ann Rollins 11 November 1914

The only way to the Celestial Spheres / Heaven is by the way of the New Birth. The spheres leading to the Celestial Heavens are the spirit world spheres.

James 28 October 1915

Christ is not only a Spirit of the Father, but is the one that God gave to Jesus when He anointed him on his earthly mission. Jesus is only a son of God, and is not God or any part of him.

Ann Rolins

The Source Soul, the Father's great gift is His Divine Love, and these things of the material – or earthly in themselves – He leaves to His ministering spirits to bestow, or, in other words, He delegates His

angels to so come into contact with and influence the souls of men that they may feel that their prayers have been answered, as they have.

Jesus 19 September, 1920

Pray more and think deeply of the spiritual truths that have already been written you, and we will come together in closer communion and be able to give and you receive the messages.

Many believe that I, Jesus, am God, and that my blood washes away the sins of all men who believe in me; none of this is true.

Jesus 2 May, 1920

Never in all the history of mankind has any work had behind it the power and influence of the high spirits of the spirit world as the work of James Padgett, namely, the Padgett Messages, has.

The world is now ready for those truths, and subsequent works, for men's souls have been and will be more opened to the possibility and necessity of seeking for and obtaining things spiritual than ever before.

There souls will long for the spiritual food that will have in it the qualities of certainty and knowledge.

They will think in their hearts and in many instances declare that the Christian faith as has been taught them by the churches does not satisfy, and the creeds and dogmas of the churches have been failures, and will cry out for something that will fill their souls with spiritual food of truth and salvation. So we must work and be prepared to give to mankind the truth and this food – a knowledge of the only way to the Father's Love, and of what the possession of this Love in the souls of men will mean to them.

As you help others to learn the truth and gain the possession of this Great Love of the Father, your own souls will obtain more of the Love and with that increased possession will come increased happiness and a closer at-onement with the Father.

First place yourselves in that condition which will enable you to free yourself from all worldly cares, and consecrate your body, mind and soul to this great work; and then what follows will be without interference of worldly things.

The greatest thing in all the universe: the Divine Love and nature and Immortality of the Father.

Jesus 17 September, 1917

**The Love is the greatest thing in all God's universe and that with its coming into the soul of a man comes peace and happiness and joy, and a knowledge that the Father is a real existing, present Father of the most wonderful tenderness and Love.**

**Pray to the Father and trust in Him to the fullest, for with this trust will come faith that will make all your longings and aspirations things of real substance, as your soul will become a thing of substance in the Divine Nature of the Father.**

Very soon you will have given to you the great gift of inspirational talking and you will do much good in your telling mankind of the Great Love of the Father and His Wonderful Mercy.

Jesus 20 December 1915

God does perform His work by means of spirits or ministering angels. He uses the Holy Spirit / the Spirit as an instrument to bring man His Divine Love and infill the soul of man with its presence and essence and influence.

The Divine Love is the only thing that will save man from his sins and fit him for the Kingdom.

Jesus 5 April 1916

Men are now thinking deeply of spiritual things and want a gospel that will teach them the way to the truth and to God's love and their eternal happiness.

Many living on Earth will develop their love to being so great that they will soon be at-one with their Father and receive from Him the outpouring of His Love and the Pentecost of His Holy Spirit.

**My, Jesus, second coming will be as the still small voice that speaks to every man and tells him that Love is the only thing that is necessary for him to have, and when he gets that in his soul all the sins and hatred and desires for evil will pass away.**

Jesus 5 January 1915

By far the greatest gift that is available for us all is the Love of the Father. This Divine Love is the only substance that change the soul into that which is Divine and it does this by removing from our soul all that is unloving in our nature and condition. As this Love changes our soul, our condition changes to that which is immortal and the process of forgiveness is brought about. As the Love changes our soul to that which is Divine we become fitted to enter the Celestial Heavens, this is not possible without the Love.

**We are endowed by our Parents with natural love, maybe we neglect this gift from time to time. As we progress in time, we can add the greatest gift there is to our being, that is by asking for and receiving Divine Love. Not only does the infusion of Divine Love, with one's Feeling Healing, repair our natural love attributes, we evolve into a joyous and loving person in all respects. With the infusion of Divine Love, with the two loves, we become the complete being.**

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

**God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.**

**Jesus and Mary are a son and daughter of God.**

**Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.**

**Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.**

**When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

**It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.**

**WE ARE Children of God**

## WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

**HUM:** Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

**AVO:** We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

**J&M:** We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

**M&F:** Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

**WE ARE Children of God**

**WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:**

**GOD**

**M&F**

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.  
We are to long for the truth of what we are feeling.  
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

**J&M**

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

**By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

**AVO**

**HUM**

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

**WE ARE Children of God**

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

## HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

## The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

**PARADISE TRINITY:**

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**  
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
  2. **ETERNAL SON (ES) – Divine Truth**
  3. **INFINITE DAUGHTER (ID) – Divine Mind**
- Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

**The LOCAL UNIVERSE TRINITY:**

1. **MARY M and JESUS** – Our MOTHER and FATHER – Love – the Living Truth
2. **DIVINE MINISTER** – Mind (and her Holy Spirit)
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

**PLANETS that engage in REBELLION:**

1. **AVONAL SOULMATE PAIR** – the Feeling Healing process – incarnate
2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

**So in summary:**

**Consider a diamond:**

# Mother and Father Heavenly Parents

Avonals  
as soulmate pairs

Trinity Teachers  
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

**Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.**

**Humanity** is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

**CREATION of SOUL and SPIRIT:**

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

**Why did the Lanonandek Daughters and Sons rebel? Being the Lucifers, Satans, Caligastias and Daligastias soulmate pairs.**

James Moncrief Monday, 12 November 2018

Re The Urantia Book (TUB): there are various orders of Paradise Descending Daughters and Sons. (NB: TUB only refers to the masculine so doesn't include Daughters.) The Descending Daughters and Sons descend or step down from Paradise to reach out and 'down' to the Ascending mortals – men and women on the evolutionary worlds, who are reaching out and 'up' to Paradise and for such help from the descending spirit pairs. Ascending mortal pairs (soulmates) cannot by themselves ascend to Paradise, how to do that is not 'encoded' in their soul. So they need higher help and guidance from the descending pairs. So if people don't have this higher help they will never spiritually and physically progress very far. And if this higher help goes haywire, people are stuffed until other higher help comes to rescue them.

One such Descending Pair, the Creator Pair, comes out from Paradise to a section of space when it is ready for them – Mary M (Magdalene) and Jesus in our case; and in union with the Divine Minister, create, or 'bring into being' a Local Universe – Nebadon. Mary and Jesus then attend to the whole (local) universe, with Avonal Descending Paradise Pairs coming as required to the individual earth worlds to ensure and initiate the spiritual changing of the ages that is needed to advance the spiritual development of mortals in accordance with the Paradise Plan.

Part of the Creation of Nebadon includes the creation of Local Universal Descending Daughters and Sons that hold key positions on individual worlds and oversee larger areas or sections of the Nebadon. With the Lanonandeks being these key administrators, guides, overseers, who are the ones that ensure the ascending mortals of each world are given what they need in accordance with the unfolding phases of their evolution, as well as providing the necessary Mansion World structures and organisation of the Celestial spheres, the greater part of Nebadon, all so mortals of the evolutionary worlds can find their way up and in through the Local Universe so as to set out on their greater spiritual journey through the Super Universe and Central Universe to Paradise. The Lanonandeks make sure all the parts work as they are intended to do, with the Melchizedeks being more involved with the ongoing teaching and personal education of mortals about all things through the Local Universe.

The Lucifers, Satans, Caligastias and Daligastias are all Lanonandek pairs.

The Lucifers were the overseers of this sector – System – of Nebadon that includes Earth – Urantia. The Satans were to help the Lucifers, being the main liaison pair with the Caligastias (The Planetary Prince and Princess) who oversaw Earth directly from spirit, and the Daligastias being physically materialised on Earth so as to oversee and help evolve the local races of Earth on all levels, the practical physical and spiritual, this being how it was five hundred thousand years ago. And for three hundred thousand years, everything went well.

The whole of Creation thus far is one gigantic Ascending mortal scheme – The Ascension Scheme. So everything in it works to help slowly evolve humanity along the plans designed for them by the Descending Pairs and the Mother and Father, with the idea to evolve through ongoing self-expression the people from all the earths up through the Mansion Worlds and into the Celestial Spheres and on through and out of Nebadon. So if anything goes wrong in any level of the universe then it causes problems for the mortals who are wanting to ascend.

The Lucifers were outstanding members of their Order. However according to TUB (if I remember correctly), they were passed over when they applied to oversee certain parts of Neadon – and so why did that happen??? Then finally they got their chance. As to why they rebelled – it is said their egos, their self-importance, grew, and they weren't able to control it. They were seduced by some inner need for greater power – but why did that happen? And is it just like everything else, there is variation in all things and so they went the way of rebelling against Mary and Jesus and the Mother and Father. And not being of a higher Paradise Order, they are more prone to being seduced by their inner biases, whereas supposedly Paradise Descending Daughters and Sons are too perfect, being of Paradise origin, and so wouldn't or even can't, rebel. And Avonal Pairs can willingly take on rebellion, but that's their choice and they are not technically rebelling or defaulting, they needing to do this so they can heal themselves of the Wrongness thereby liberating the world of rebellion, and in our cases, also default. Which means, providing people and spirits in the Mansion Worlds, their Spirits of Truth, so everyone in a rebellious state can look to them instead of the Evil Ones, the rebellious Lanonandeks, for the way out of rebellion and onto Paradise.

The Evil Ones took over their part of Neadon, Mary and Jesus allowed them to, allowing the Rebellion and subsequent Default on Earth to run its course. However it continues to cause masses of disruptions to the natural way of things, all of which we've been and continue to be subjected to.

So because humanity for two hundred thousand years has been increasingly subjected to the Rebellion and then also the Default of Eve and Adam (Material daughter and son), we are well and truly entrenched in the unconscious belief that the Evil Ones are the Gods, and that we're to look to them for the way to be happy and feel loved – that they are the Living Truth. And yet, as we can all see from our own lives when we start to address our bad feelings, this is wrong, false and misleading, only making us feel even more unhappy, unloved and powerless in our negative truth-denying state and being unable to do anything about it – because ascending mortals are not able to go against the higher Daughters and Sons. So without humanity knowing it, we have been praying to the Evil Ones as if they are God, even with people who pray to Jesus, praying to a mind-created fantasy Jesus and not the real one, as can be seen by the Evil Ones strategically denying humanity the truth of the Divine Love, with our need to long for it being excluded from the Bible and not found in any other rebellion-created religion.

Mary and Jesus being the highest Paradise Pair, by their coming to Earth, terminated the System Rebellion of the Lucifers and Satans. So that level of evil influence on all the rebellious physical worlds ended two thousand years ago. And then it's required for each world to be attended to by a bestowal Avonal Pair, who take on the evilness of that world and heal it within themselves, thereby ending the control in our case of the Caligastias and Daligastias, which has now apparently happened, with the Avonal Pair only to finish their Healing so as to signal the complete technical end of the Rebellion and Default.

So their – the Avonal pair – Healing involves dealing with the Rebellion and Default within themselves on all levels, so people and the mind Mansion World spirits can then choose to follow them and do their Healing. So by following the Avonal Pair you are going against the Evil Ones (currently it being their legacy within you and on the world), looking to end their negative, unloving and untrue influences within yourself. And once done, you become a Celestial, either on Earth or in the Celestial spheres, and free to align yourself with Mary and Jesus, which is done by partaking of the Divine Love, and free to live your ascension to Paradise – free to become at-one with your Mother and Father.

We're all living the demented levels of the demented minds of the four Lanonandek pairs that rebelled. And as we do our Healing, so we come to see how fucked they are, as we see how fucked we are; how they passed that fuckedness onto us through our parents, how we've become so tangled up in our Wrongness, not knowing what is true – we live untruth believing it's true, we feel false love believing it's true love. We're all around the wrong way, deeply mixed up, and needing to do our Spiritual Healing to get ourselves out of our sinful and evil ways, so as to come back into alignment with the Truth. So all that we are has to go, and we're to uncover a whole New Way on all levels, personally and how to live, as we liberate ourselves from our dementedness.

With the Evil Lanonandeks no longer at large, having been detained on a prison world awaiting judgement as to what will happen to them, so the Melchizedeks stepped in taking over their positions. I don't know why other Lanonandeks weren't appointed, however I guess it's because of the damage done by the Rebellion, we who are here and part of it have to deal with it ourselves, so no outsiders other than Mary and Jesus and the Avonal Pair being from Paradise that can override that limitation.

And the Melchizedeks have enlisted the Celestial spirits help. So together, they now in effect play the roles of the Lanonandeks. And so as the Avonals progressively heal themselves, thereby liberating humanity from the dictates of the Rebellion and Default, so the Celestials are being given increasing power and authority to do what the Lanonandeks would have done. So the Rebellion on a positive note is providing the Celestial spirits with unique opportunities as part of their ascension, as we hear from Helen and Nanna Beth. And I would imagine, people who finish their Healing and become Celestials on Earth will also in some way be given extraordinary opportunities as well, all of which will involve some level of healing the world and doing what the Lanonandeks and Eve and Adam should have done. Even to the point of Celestials on Earth who have children, will in some way be like the new 'Eves and Adams' populating the world with perfect and true children, all who are completely free of the Rebellion and Default.

And what happens to the Evil Ones? I imagine they will have to undergo a long period of Compensation experiencing the pain they caused all the people and angels who were under their care. And after that, if they are not extinguished outright, possibly they might be rehabilitated to some degree; however as TUB suggests, without ever receiving the power they once had. However, as all works out for the best and ultimately is all-loving, it will be fascinating to see through our own lives how all the pain we've been made to suffer ends up helping us and being the best thing for us.

And one last thing to note, had there been no Rebellion or Default, then here on Earth we'd still have now the Daligastias as well as Eve and Adam, still helping people grow and evolve on all levels. Still being the higher Daughters and Sons that we can look to – knowing that we're not alone, that we are being looked after and loved and that a greater life of ascension awaits us. And we would by now know of the Caligastias and all the help they would be providing on the higher spiritual levels, as well as the help they would be giving mortal spirits in the Mansion Worlds. And we would know of the Satans and Lucifers and all the help they were providing on the System level. And we've understood that in a way these higher Daughters and Sons are like mini gods to us, yet not our Heavenly Mother and Father. And they would be pointing us towards Mary and Jesus helping us understand that they are the Creator Pair, and here we live in their universe of Nebadon, and that all they are doing for and with us is to help us evolve and grow on all levels as we look to our feelings for our truth we are to live as we express the personalities from our souls on our way through Nebadon and onto Paradise. It all being a perfectly

unified and loving experience for us. We being able to see the higher Daughter and Son as in the Daligastias and the Material Pair, Eve and Adam, who would be for us the perfect humans that we could strive to be like. So we would want to be perfect in our humanness like Eve and Adam, and perfect in our spiritualness like the Daligastias. With both pairs showing us that we can be both perfect on the material and physical level, as we can be on the spiritual level. Which is completely the opposite of how we've been made to live, because all of that perfection has been denied us, with our being so screwed up about how we are to live both materially – physically and spiritually – we having no idea about either, and with them working fully in opposition to each other. And with our longing for and wanting the Truth, the truth of how we're to live physically and spiritually, all of which is to come (and ONLY come) through each of us individually and as a consequence of properly attending to and expressing ALL we feel.

## **Jesus: What men should believe in order to again become the perfect man.**

I am here, Jesus.

Let me write a while tonight as I desire very much to again come into communication with you in reference to the truths of God that are so important for men to know.

Tonight I desire to write for a short time on the subject of what men should do in order to become again the perfect men as was the condition of the first parents before their fall. I know that many doctrines and beliefs have prevailed in the world of human experience as to what is necessary to bring about a return to the original condition of the created soul of men before the fall, and that many of these beliefs have been preached and efforts made to live the life that will produce this happy state; but in all this experience and belief men have rarely attained to the perfection that they sought for, notwithstanding the fact that they have been taught that as their Father in heaven is perfect, they should become perfect. No, this goal has always eluded men while living on Earth, and for a long while to come and until man's ideas of his own created condition changes man will not succeed in reaching the condition of perfection.

While the created soul of man is pure and perfect, and man must realize that fact, yet because of the long ages of living in and nurturing sin and its resultants, man has covered over that pure soul with such a deep and fallacious covering that they have never yet been able to get a correct idea of what that soul really is. As it appears to them in all its frailties and ugliness as it really is, and in addition to this, so long has man been accustomed to see that soul as it appears in its false covering that he has concluded and had no other thought than that it is really what it appears to him to be.

But never was a greater mistake made and never has man been so little successful in discovering the truth of things as in this matter of the true condition of the hidden soul, waiting only to be relieved of its covering in order to shine out again in all its purity and truth. So you see, the first thing for men to do is to realize the true condition of their own souls, and then make the effort to rescue such souls from this false and unnatural condition, and let it appear again clean and pure and beautiful.

Many teachers have appeared in the world and endeavoured to lead men to this discovery, and also attempted to show them the way by which this original condition could be recovered or brought about, and success more or less has accompanied their endeavours; but the trouble has been that with these teachings have been mixed things of such irrational character that have had a retarding and baneful effect upon such teachings, and as a consequence men have lost the principles of the true teachings and found themselves enthralled in the scheme of public benefits that men so forcibly presented to those who followed these doctrines instead of the true teachings.

It seems so strange that these beliefs and practices should be given over to so much importance to acts and beliefs of men, and that the one true principle that lies at the basis of all efforts to regain the purity of the soul, as it originally existed, should be neglected.

Your brother and friend, Jesus

### UNCRUSTING the SOUL:

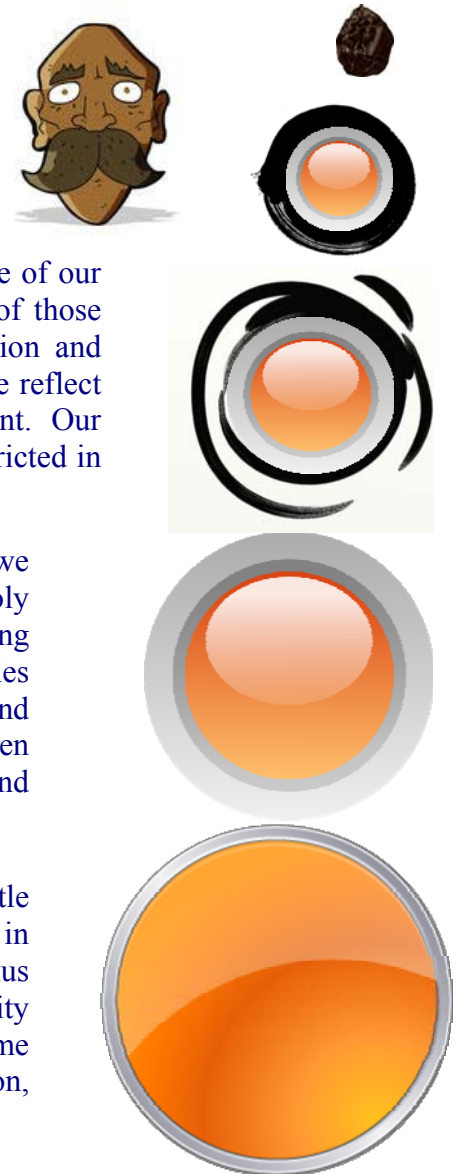

Our will power, applied as strenuously as humanly possible, appears to achieve little progress in developing the loving sides of one's personality and even less progress in lifting negative and difficult character traits, but progress is achieved all be it slowly.

Our soul, blessed with natural love character traits and is the home of our personality, becomes rapidly encrusted by the personality issues of those within our environment, commencing from the time of conception and culminating, typically, by the time we are of the age of seven. We reflect the encrustments of our parents and of those within our environment. Our soul always remains perfect though it can become as dark and restricted in capability as a dried up garden pea, covered in error and negativity.

Should we earnestly and lovingly ask our Parents for Their Love, we will receive Their Love, the Divine Love, conveyed to us by the Holy Spirit, and with this Love in conjunction with one's Feeling Healing that dissolves these encrustments, these negative emotional injuries and errors, slowly but surely. This crust that has developed around our soul, our real self, will slowly be broken down and then lightened, and as it diminishes our soul begins to absorb more and more of the Love and then grows in size and vibrancy.

The Divine Love when it first comes, usually comes with very gentle feelings. As we grow in sensitivity to our errors and are penitent in addressing these issues, the Love will grow and grow in our soul thus lifting us from fear and anguish to that of a blossoming personality radiating love and joy for all within our presence. Our journey home will have commenced, never to return to times of doubt, depression, fear and harmfulness.

Enjoy the journey with the Love of your Creator and Indwelling Spirit guiding you home.

## John gives reasons why corrections have to be made in the New Testament and that James is the real brother of Jesus.

I am here, John.

I merely want to say that you will soon be well and in condition to receive some of our messages which we are anxiously waiting to write. The time is approaching when the book will have to be published and it is very necessary that you get these messages in full so that you can compile the book. Of course we want to incorporate every truth that is necessary to make known to mankind, and to do so we will have to work faster.

Yes I, I know him well (James the Lesser, the subject of a question asked by Mr. James Padgett) and he was the brother of Jesus, the real brother, having the same father and mother that Jesus had and all speculations as to his having parents who were other than the parents of Jesus are not in accord with the truth, and were falsified, to make it appear that Mary was a virgin. He was not in the beginning an apostle of Jesus and came to believe in him late in the ministry of Jesus, but when at last he became convinced that Jesus was the true messiah he became a very earnest and hard working follower of Jesus, and also the first Christian Bishop of Jerusalem. **GREAT**

I have no personal knowledge as to whether he wrote the epistles ascribed to him or not but he has said that he wrote some portion of the first epistle and a portion of the second but that he did not write the third. That in each of these epistles are many assertions of truth which are wrong and which he did not teach. All the writings of the New Testament, as they now exist, contain so many things which the original writers did not write and which they did not teach or believe in, that it is with difficulty that the mortal, even though a great student, can separate the true from the false. And that is one reason that enters into our motives for writing a new revelation of the truth.

The truths will be made plain and you must not let the writings of the Bible influence you in your receiving a correct conception of these truths. I will not write more now.

So with my love I will say good night.

John

**“Mother and Father, open my soul to this Gift, Your Love. Open my soul and may Your Holy Spirit touch my soul and pour within it your essence, your Love that I may be transformed, that I might be your true child, embraced and carried, lit along my life’s path in the glory of your Light and care and protection.”**

**Jesus has no vicar on Earth: The claimed infallibility of the Pope of the Catholic Church is a delusion and a snare. The worship of Jesus as God is blasphemous and a very harmful untruth.**

I am here, Jesus.

Well, my dear brother, I am glad to find that you are in so much better condition, and I know that very soon now I will be able to resume the delivery of my messages.

Well, I have no vicar on Earth (in answer to question by Mr. James Padgett). In the first place, I am not God, but a mere spirit – a child of God – and one that worships Him with all the devotion of my soul, praying for an increase bestowal of His Love and for a complete unity with Him, and with the longings to progress eternally in the development of my soul.

In the second place, the Pope is a mere man, and he can only represent God to the extent that he has in his own soul the Divine Love and the consequent soul development. The mere fact that he is the head of the Catholic Church gives him no greater privilege, or no greater commission to represent God on Earth, than is possessed by any other man with the same amount of soul development. His claimed infallibility is a delusion and a snare, and he is just as much subject to sin, and sinning, even as Pope of the Church, as is any other mortal; and this claim, which is an attribute belonging only to God, will be one of the sins for which he will suffer very much when he comes to the spirit world and has his soul opened up to the truth.

At some time I intend to write you in detail as to the Catholic Church and its erroneous dogmas, beliefs, and teachings, and as to its destiny. But this I will say: that the worship of me as God is a blasphemy, and a thing that is so blasphemous that I care not to remain in the Earth plane and hear the prayers of these misguided Christians. I know that this will sound surprising, and un-Christian, to many, and they will continue to believe in their faith in me as God, and also to worship me. But it is a very harmful untruth, and these people will have to realize it sooner or later, in the spirit world. And this is one of the errors that my messages are designed to eradicate. Well, my dear brother, have faith.

Your brother and friend,

Jesus

**Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.**

**Not the blood or death of Jesus, but his living and teaching men the Way to obtain the Divine Love of the Father are what saves a soul from sin and fits it for Heaven.**

I am here, John the Baptist:

I desire to write to you tonight about a certain truth which you must know, in order to be able to teach others the importance of studying the plan of God for the salvation of man – I mean, that in order for men to be saved from their sins they must believe in the way that the Master shall teach you in his messages. I do not intend to dwell at large upon the New Birth, for that has already been told you a number of times. But I want now to deal with the truth that this is the one thing that perfects mankind, and spirits as well, and enables them to obtain the soul qualities which are absolutely necessary before a man can become at-one with the Father.

The other things which the churches teach as necessary sacraments, such as baptism, the laying on of hands, and the Lord's Supper, or communion, are things which are not necessary. They were never intended as being anything more than merely symbolical, and even as symbols, the last-mentioned does no good, but rather, harm, for besides being used to remind the followers of Jesus of his communion with them before his sacrifice, they look upon it as something which saves a soul from sin and fits it for Heaven.

I want you to understand that all these things are not important to a soul's becoming at-one with God, and that mortals must learn the truth of what I say.

Many preachers, as well as laymen, believe that only the blood of Jesus can save from sin, and that his death was necessary for man's salvation; but I want to tell you that if he had died a natural death, beloved by all who knew him, and honoured by the whole Jewish nation, his blood would have been just as efficacious, and his death just as important, as they were, because he was killed as a result of hatred and envy on the part of the Jewish authorities. In neither case would the blood or the death in one particular have anything to do with the salvation of men.

His living and teaching, and the making known to man the Great Gift of the Father, and the way to find the Gift and possess it, were the things that brought to man salvation. Jesus lived and taught and loved us; he did not die and suffer and make an atonement for us.

The living Christ is of more importance to our happiness and salvation than the dead Jesus, and so Jesus, himself, teaches. And he is not pleased with those who teach the dying Jesus instead of the living Christ. I, John, was and not only a precursor of the Master, but a follower, also, and it was not his blood or death that saved me, but his living and teaching me the way to obtain the Divine Love of the Father.

I am much interested in the salvation of all men, and want to do everything in my power to help men to learn the way to truth and light, and Love. I am trying, as well as are many others of our band who are

with you now, in carrying forward this work of showing men the truths which will lead them to the Father's Love.

I have only to say further that you must pray more to the Father and keep up your courage and belief in the Master, and all these things will be properly worked out to a final and happy conclusion.

I will not write more tonight. So with my love and blessings, I will say good night.

Your brother in Christ,

John the Baptist

**WE are INCARNATED with Natural Love, but not with Divine Love:**

**We are conceived with natural love, however, we are not endowed with anything of the Divine. While we are without anything of the Divine, namely Divine Love, we can grow our natural love attributes and progress to that of being the perfect man whose lodging is found in the 6<sup>th</sup> Sphere. We do not have immortality without having received Divine Love.**

**Natural love radiance is very different from that which Divine Love brings.**

**The two loves complement each other, bringing about greater harmony.**

**When we become aware of the presence of Divine Love and subsequently ask for and then receive the Divine Love, our soul steadily starts to change to that which is Divine and we achieve immortality. This is the Immortal Choice that we can make whilst here in the physical or later in the spirit world. Once we add Divine Love to our being, we continue then with the two loves, that of the natural love and also that of Divine Love. As we continue and receive Divine Love, our soul condition progresses so that we may eventually enter the Celestial Heaven, 8<sup>th</sup> sphere and above, then progress further to enter the Eternal Spheres and then the Spheres of Paradise.**

**Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.**

**WORRY or No WORRIES:****No Worries!**

All your worries, and by this I mean your causes of worry, may be taken from your conscious self if you will only seek for and obtain, which you certainly can do, this Love of the Mother and Father. It is astonishing how efficacious it is to cause the worries and troubles to disappear. They, as you may know, are very largely a matter of the mind and while in a certain sense they are real, yet the mind or its condition is the real cause of the realization of the worries.

And consider for a moment the fact that the indulging in these worries does not in one particular remove the material causes of the worry, and does not in any manner bring relief from the troubles. No matter how much you may allow your mind to dwell on these things, and how intensely you may worry, the cause, the material cause, remains. You may say, and it is natural to do so, that it is easy enough to advise that you should not let these inconvenient things cause you to worry, but when you come to the practical experience and are the sufferer from these conditions, it is not so easy to throw aside the effect of the troubles on the mind. Well, there is much truth in that, but notwithstanding, this Love that I tell you of, when living in the soul, will make even that effort easy to accomplish.

The philosophy of the phenomenon, if you may call it such, is that this Love is of such real substantial essence that it takes control of the mind and eliminates the consciousness of the reality of the causes of the worry. Now I do not want to be understood as intending to convey the idea that these material causes are not real, for I am not a Christian Scientist to that extent, but what I do mean is, that notwithstanding the real existence of these causes, the effects of this Love, and the faith that accompanies it, upon the mind which is the real cause of the worry is such that forgetfulness of these causes of worry takes the place of the constant indulging in the thoughts of their existence, and the unhappy consequence that must flow from them. The cause itself is not removed but the consciousness of their existence, for the time being, is dissipated, and to the mind that is thus influenced by the Love, these causes are, as if they were not. Of course, they are existing and facing you to some extent, but it will come to you that they are not so overwhelming and insurmountable as they would appear were this Love absent from the soul and its influence from the mind. And in addition to this, love and faith creates a confidence in the power of the Father and His willingness to help, that engenders courage, which enables the possessor of this confidence to overcome these causes of worry that he would not otherwise be able to do.

What I have said may be called the philosophy of the workings of this Love in its effective destruction of worry. But the great fact is that the Mother and Father does, as a truth, help the one who is in the condition of being possessed with this Love. Their Love is real and Their help is real, and the effect is to make the causes named things of unreality so far as the happiness of the object of this help is concerned. And as a truth, shown by the experience of mortals, a very large proportion of the worries and troubles that harass and cause so much unhappiness to mortals is a thing of the imagination and never realized.

Received by James Padgett, Washington D.C.

March 30th, 1919

I am here, Jesus.

Let me write a few lines, for I am anxious to tell you that you have not been in good company today, as the meeting (Mrs Kates' séance held in Washington, D.C.) was filled with spirits who are of the Earth plane, and know not the truths that will lead to a knowledge of the things that are necessary in order to secure a home in the Celestial Heavens. Many spirits were those of men who, when on Earth, lived immoral and licentious lives, and who are in the same condition as they were when on Earth. They have not yet answered to the [Law of Compensation](#) and, of course, you will see that their influence is not of the kind that tends to develop those soul qualities that lead to the Heaven of the followers of me, in the true sense.

The medium with whom you conversed, and who delivered the messages of some of the spirits who were so anxious to reach their friends of Earth, was influenced by spirits who are in a condition of more or less darkness and alienation from God, and consequently suffers from her association and the influence to which she was subjected. She has long been in this work of demonstrating to mankind the fact of communication between the spirits in the flesh and those who have passed the mysterious border line; and her work has been strenuous and served to demonstrate the fact for which it was intended, and she is satisfied with the reality of the fact of the continuity of life after so called death.

This has been a phase of mediumship that was necessary to be performed, and she has done her work faithfully and well, and is now entitled to be relieved of this work that pertains to the lower order of spiritualism, and should be freed of this great burden and be permitted to come into a knowledge of the higher things of spirit life. I am glad that you will soon have the opportunity to tell her things that await her as a reward for all the sacrifices that she has been compelled to make.

Now, do not misunderstand me. Her work was necessary as a preliminary to the conversion of men to a belief in the truth of spirit communication and the fact that there is no death, and to the consolation that comes to men from the knowledge that their loved ones are with them, seeking to help and be helped in their conditions that the great law of cause and effect imposes upon them. Many a sad heart has been comforted by her ministrations and many a spirit has been helped by having opened up to them the way to make known their presence to mortals.

But she has from the very nature of her occupation been more or less injured in her spiritual progress, and the time has come when she shall have the opportunity to attend to and obtain her own soul's progress. She is naturally a good woman, and when she told you that **she had a longing for something for which she did not understand**, she was uttering a great truth of her soul, and one that has been present with her since she was a little child, **for her soul has been calling to the great soul of the Father for His Love** and the happiness that comes with the knowledge that the Father's Love is ever

ready and anxious to respond to her longings. Her knowledge of spiritualism does not teach her what this Love is, even though her soul feels its presence, and in her under-developed longings realizes that there must exist that which will draw her closer to the great Love of the Father.

So I say, tell her the truths that have been revealed to you, and of your experience in seeking for and obtaining this transforming Love, and she will listen and seek and obtain, and with such obtaining will come a happiness she has never before experienced. And when she has believed in this Love and obtained it to a degree, she will become a powerful instrument in converting men to a belief in the only way to the Celestial Heaven and to immortality. Then will she have back of her the influence of the hosts of Celestial angels to inspire her and qualify her to preach the true Kingdom of God; and her faculties of clairvoyance will be opened up to see the things of the Celestial Heavens and the wonderfully bright and glorious spirits, who will come to her with their messages of truth and knowledge of the glories that belong to those who know that the Divine Love of God is the only thing that can transform the human soul into an angel of light, and the immortality that I came to Earth to teach, and which I did teach, but which, alas, was so soon lost to the knowledge of men.

I am particularly interested in her, not so much because of her own soul, as because she has in her those qualities that can be used by us in making known to the world the truths which we of the Celestial spheres know will set them free from the false and damning teachings of the orthodox churches, and making my coming to Earth and living – not dying – the way to the Truth and the Life. She may think that her knowledge – I mean intellectual – is all that needs to be known, but when she lets her soul's longings go to the Father and receives the response, which she will certainly receive, she will then know that spiritualism, as she conceives it to be, is the mere forerunner of that which will make all men at one with the Father, when embraced by man and lived.

The meetings, such as was held today, while as I have said was filled with spirits who are in darkness and suffering, yet also attracted many spirits who are bright and progressing in their natural love, and who tried to help those to whom they came and communicated, and to that extent did good, and also served to convince the unbelievers of the truth of the mere passing from the body of flesh into the spirit body – a continued existence, without changing of condition of happiness or misery. The great **Law of Compensation** – [as you sow so shall you reap](#) – is taught at the meetings, and there is no truer or greater law in all the universe of God, and man must realize that it works without exception [and to the last farthing](#), and that there can never be [forgiveness until forgetfulness](#) takes place.

Well, my dear brother, I must stop as the power is weakening, but before closing let me entrust you to tell the medium that I, Jesus of the Bible, as I called my disciples when on Earth, now call her to do the work which is so important to mankind, and that she must prepare herself by seeking for this Love. It is utterly impossible for a soul out of unison with the souls of the spirits who come to it to receive their communications and transmit the same to mankind. Her soul must respond to the souls of the spirits, and it will be so easy for her to get into the condition that will make this possible. Like attracts like, and this law applies to rapport and to other things of the spirit world, and of the Earth as well.

I see that you are in better condition tonight, and I am pleased, for I will soon come and write another message with reference to the higher truths. With my love and blessings, I will say good night.

Your brother and friend, Jesus

**INDWELLING SPIRIT, THOUGHT ADJUSTER,  
MYSTERY MONITOR (all being the same):**

The external elements, instruments of the Father, do not form attributes of our own soul upon its initial creation by our Heavenly Parents, these are the Spirit of Truth, the Indwelling Spirit, and Divine Love.

The Holy Spirit, conveys Divine Love to your soul should you earnestly and lovingly ask for it. This is the only function of the Holy Spirit – Acting Spirit.

The Indwelling Spirit becomes present when we are around the age of six. This means that the unseen helper of the Father and Mother – the Indwelling Spirit – can always interact with the mortal soul and to be of service so that eventually the leadings from the Spirit may be the catalyst for that soul to seek our Parents.

The Indwelling Spirit reveals intrinsic workings of Father and Mother to your soul.

The Indwelling Spirit functions in much the same way as the Holy Spirit, ask and it will provide support and guidance.

The Indwelling Spirit / Thought Adjuster only works with us on the mind, feeling and psychic levels directly with our personality on conscious and unconscious levels of reality. It is the Divine Minister with hands-on help from our attending angels that do the actual adjusting of our mind circuits – of all our circuits, even the physical if need be.

Spirit of Truth becomes active more so when you connect to the Source Soul and commence receiving Divine Love.

You are a spirit person having a physical experience. Your physical body is encased within your spirit body.

The spirit body only exists because our soul wants it to. In the fullness of love, even all our encrustments and wrongness is not actually bad, they are just the nether side of love.

So evil is literally a state of mind, and once you heal it you even feel love for your wrongness and even no longer hate it – that being full self-acceptance. But you can't contrive these feelings or level of awareness, it has to come of itself and will through the higher levels of your Healing.

## **Jesus: The Truths You Have Received from Mr. Padgett and Dr. Samuels Are Only the Beginning of Our Efforts.**

Dearest Jesus, Your last message on the *Law of Prayer* has given me and our Trustees so much pleasure. And we are grateful to have received such an important exposition on the Law aspect of prayer — how the Father will never fail to respond to prayers from the souls of His children. Thank you so much, Master, for this new insight into the workings of the Father's Love and Mercy that you have given us. Indeed, you promised that your messages would make me happy, and you have kept your promise.

B\_\_ has asked the question as to whether or not your beloved apostle, John, who is also one of my guardians, has any interest in communicating through me. My feeling has been that, for the present, you are taking the full responsibility of helping to develop my mediumship. But I trust you will let me know whenever John or any other of your wonderful co-workers would like to try communicating through me. Be assured that I am most willing to do my best to receive their thoughts.

Well, dearest brother, please speak on whatever subject you wish to today. I only pray that I may be able to receive your thoughts to the degree of your complete satisfaction.

I now welcome your loving presence, my dear friend and brother.

I am now here to write, my dear brother in Christ, and I come to you this day as usual to impart my thoughts of love and caring through you.

Today, it will be my pleasure to announce that you will have other communicators writing through you in due course, for we wish to have many others experience the opportunity to speak to the world through your channelling efforts. We have been waiting for your development to take place to that degree whereby our thoughts could be clearly received, and I am happy to say that your clarity is improving day by day and as you continue practicing and praying for the Father's Love. Soon, others will come through; but, for the present, I would like to continue working with you for awhile.

I have no particular message to deliver today — only to assure you that you are proceeding correctly in praying and practicing. The time will come when others will be able to communicate their thoughts as easily as I do mine, if you will but continue to pray for the Father's Love to enter your soul and better prepare you for message taking, as you have so prayed today.

Once we are more fully established as a church body, we will begin to establish a work force the likes of which the world has never known before. We, in the Celestial Heavens, have been waiting for the time to come when all our spiritual forces might be brought to bear in order to carry out and accelerate our mission of disseminating the Father's Truths to a soul-hungering world. And the time will soon come when our powers will be able to be exercised in this direction. We have lacked our necessary counterpart "army" on Earth to accomplish our purposes as we would have liked. But, now, with the growing number of our followers and earthly helpers, we are fast approaching that time when we will be able to exercise spiritual forces for good the likes of which the world has never heretofore seen. And

these forces will be joined by the forces of our mortal brethren in a united effort to awaken humankind to their proper destiny.

Humankind has been stagnating too long in their refusal to turn to the Father's Love, but this will change. More and more of humankind are becoming awakened to the Father's Love and Mercy, many of which are becoming so through your efforts as a church body to illuminate the Way for them to proceed out of the darkness and into the light. But so much more is still necessary to enlighten humankind to some of the additional Truths which will make the Way easier for them.

The Father wants all His children to come to him with love and earnest aspirations, but He also knows how hard it is to seek higher things in a world filled with strife and wars. Accordingly, he requires of us to lend ever assistance to our fellowman so that, through our efforts, they might see the Way more clearly before them.

The Truths you have received from Mr. James Padgett and Dr. Daniel Samuels are only the beginning of our efforts employed toward the greater enlightenment of humankind. We have other ways of reaching the hearts and souls of men, and these are being employed as well. One day, it will all "come together," as your young folks sometimes like to say. The forces in the Celestial Heavens will join with the benevolent forces on Earth to bring all of humankind under the full Protection and Guidance of the Father. But that time is still afar off. Our work is a slow one where patience is required, but the results of our work are always beneficial. It is now only a question of time before our numbers of followers increase to that degree whereby, in combination, we will begin to exert a benevolent force of such proportion that its effect will be felt throughout the world.

Just be assured, my beloved co-workers, that none of your efforts are for naught. Every bit of goodness and service and help have their effects upon the total plan of fulfilling man's final destiny. The time will come when that destiny will be fulfilled, when there will be peace on Earth and good will toward men, and when heaven itself will be experienced in the hearts and souls of mortals themselves. But, until that time comes, we must work and never cease to work. The labourers are few and the harvest is ripe.

And, so, my beloved children, I thought you would like to hear this day the encouraging words I have attempted to deliver. Sometimes it seems like our efforts are to no avail, or proceed at such a slow pace as to be hardly worthwhile. But I can assure you that this is not so. Every kind thought and deed has its positive impact and outcome. And when these thoughts and deeds begin to be accumulated, soon, a geometric effect takes place whereby good begins to overwhelm evil and happiness begins to replace despair. We are moving toward that end and ultimate victory of the human spirit over all adversity. And all our beloved co-workers have a part to play with us in this great drama.

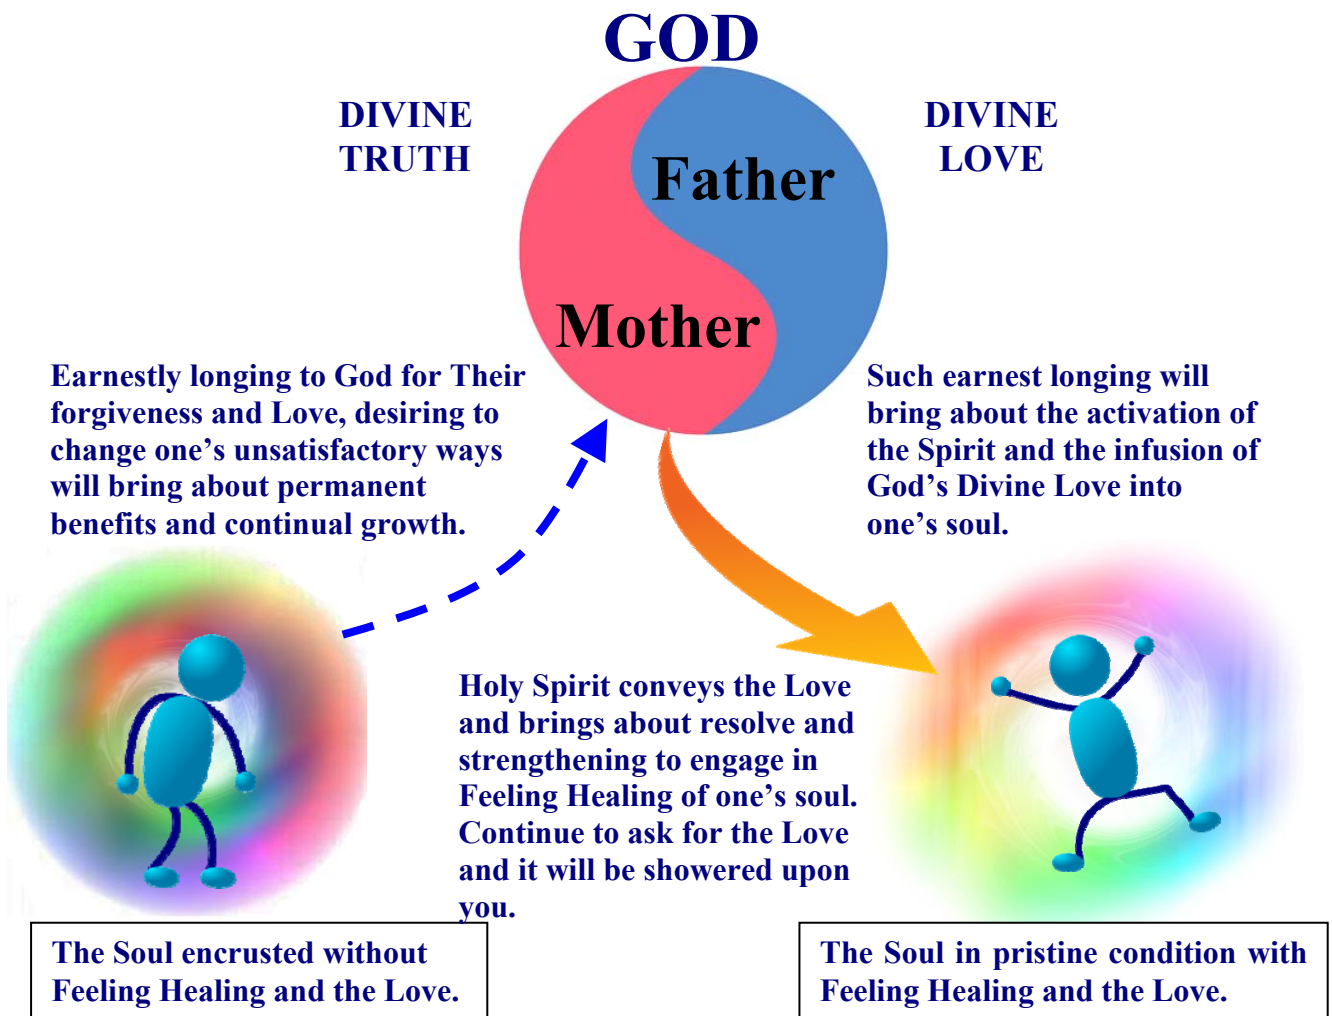

Know that we love you and appreciate so much all you do in serving our mutual cause so unselfishly and lovingly. Your rewards will surely come; and, in fact, are already being experienced by each and every one of you in his or her own way. Your lives are taking on greater and greater meaning, and you are deriving greater and greater fulfilment from what you do. Is this not a phase of reward? But be assured that, when you all come over to the spirit side of life, you will discover the true and more complete experience of reward for all that you have done and do in the service of disseminating the Father's Truths to as many of your brothers and sisters in the flesh as you are able to impress. Here, on Earth, rewards are basically few and far between; but on the spirit side of life, you will discover a

happiness that you have never dreamed could exist, all the more of which you will have earned and accumulated as the result of all your loving efforts on Earth.

So, my beloved co-workers, do not despair. The work continues to proceed nicely, and you can be sure that it is all having its positive impact upon others. I love you, each and every one, and I hope that I have brought you words of encouragement and upliftment of spirit today. With my love extended to each and every one of you working for our cause, I will bid you good day for now with my wish that you all have a joyous and productive week ahead of you.

I am your brother in spirit, Jesus

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to ‘our Mother and Father’. Further, when considering soul healing, then reference to Divine Love could be referred to as ‘Feeling Healing with Divine Love’.

## SPIRITS of TRUTH and HOLY SPIRIT:

More from James regarding Spirits:

The Holy Spirit provides differing support and guidance to that of the Indwelling Spirit. The Indwelling Spirits guides one to God, our Heavenly Mother and Father; the Holy Spirit brings Their Divine Love into our heart.

The Spirit of Truth becomes active **ONLY** when we choose to follow the ‘owner’ of that Spirit of Truth. So in our cases, Jesus and Mary Magdalene. We have to want to live the same truth as they are living, so ‘be like them’ and in doing so this activates the Spirit of Truth. And so if we choose to be as they are in truth, to live how they live the truth, to be of truth and the same truths they are, then with their Spirits of Truth assisting us we will come to relate to our Mother and Father just as they do.

We are growing spiritually in Mary and Jesus’ universe. We have to want to be as they are in truth, if we don’t want to do that then we’re rebelling against them. And if we don’t embrace them, then we’ll never leave Nebadon, the region of the universe that encapsulates Earth.

The whole idea about having Spirits of Truth coming from Paradise Pairs is so the ascending mortals (us) of that universe (from the Creator Pair) and specific worlds (from the Avonal Pairs), all end up living the same truths. And if we didn’t live the same truths, we’d all still remain all over the place and have nothing we can all connect with and relate to in each other.

So we can come from all over the planet, from very diverse races and cultures, yet because we all end up embracing the Spirits of Truth that are to help reveal the truths we are to know, so we’ll all be able to connect and relate to each other through the truth we’re living, all being able to live happily together as Celestials, and eventually as Celestials on Earth. It’s the Spirits of Truth that bring us all together, homogenises us if you like. And if we all lived true to them, we would not need any rules or laws because we would all be living and knowing the same truths – so all living the same way only expressing those truths individually.

Our HEAVENLY PARENTS have any number of spirit instruments assisting at any time.

Holy Spirit conveys Divine Love from our Heavenly Parents

I greet my dear brother A\_\_\_ and his friend, the Reverend. For both, I feel so much appreciation, due to their dedication and effort in their constant quest for the Truth, so that my words will not suffice to express my feelings. I can only send them my love and my assurance that I will back them with all my forces in their noble desire.

Our message is simple: **God is Love, and He shares it with all who so desire.**

Such a simple message, and it may appear so complicated, especially when we take into consideration that, apart from this central message, we also communicate many statements we also call "Truths", but which at the same time contradict what people usually believe. However, of that conflict we are going to speak in the second part of this message, which, as I warn you already now, my dear brother H\_\_\_, will be very long.

First, let us focus on a few questions, which we have been asked.

### 1. On trinity

Repeatedly, we have communicated that that mysterious constellation, commonly known as "trinity," does not exist. The doctrine of the trinity, in fact, has its origin in a dispute between several branches of the early church. Already some months ago, I dedicated part of a message, referring to the Epistle to the Ephesians, to this doctrine. Now, dear H\_\_\_, write here the pertinent. That will save us energy, which we will be able to use with much profit for the remaining parts of our message.

[Judas had communicated on [September 10th, 2001](#):

“In the fourth chapter of Ephesians there are some verses which were interpolated with the intention of making Jesus' pre-existence clear, and therefore, to refute the argument of the Judeo-Christians and later of other mostly gentile groups, who adhered to the same vision of Jesus, that is to say, they considered Jesus a mortal man who had obtained "Christ", the Divine principle, a principle which all mortals could obtain, becoming Divine or Christs themselves. This teaching is called adoptionism.

Beginning with the second century, a paradoxical situation built up. Another group of Christians arose who taught that Jesus was in truth God Father, incarnated to assume the sacrifice in order to redeem humanity. This conception of Jesus, of course, was unacceptable for the group, which would result victorious after some centuries, forming the orthodoxy ("the correct opinion") of the future, this orthodoxy where most Christian denominations derive from, Catholics as well as Protestants.

This situation was absurd, because these proto-orthodox Christians had to defend their

position, that Jesus was God, against the adoptionists, and that Jesus was not God Father, against the patripassionists, as the other grouping was called (because the Father himself suffered the passion, according to their teachings). And on the other hand, they had to defend themselves against the accusation of preaching polytheism, or ditheism, teaching that there was a superior God (the Father) and another inferior God (the Son). Features of manipulations in this sense can also be found in the same chapter of Ephesians.

Out of this tension and out of such a paradoxical situation originated the doctrine of trinity, an absurd teaching trying to reconcile a hidden polytheism with Judaism's pure monotheism.”]

We must keep in mind that many of the high officials of the second century church were first or second generation Christians. Through Paul's epistles you may understand clearly that some members of the church even continued participating in pagan rites, which raised the provocative question: "Was it permitted to eat from the meat of animals which were sacrificed to the gods?"

The idea of trinity, therefore, which formed part of many pagan cults, not only in Hinduism but also in the Greco-Roman world, constituted a well-known and easily accepted concept. As I have explained, it was not introduced a priori into the doctrine of the church through some form of assimilation of pagan ideas, but because the internal conflicts in Christendom forced the orthodoxy to forge this term as a last resort to defend themselves against two "dangerous opponents" in their own ranks. And this idea did not cause uneasiness in the leaders of the later orthodoxy, since it was commonly accepted as something "natural," so that even the pagan gentiles believed it. The firm rejection of those "heretics" of that doctrine only confirmed orthodoxy's opinion that their statement was right, because its "profound truth" moved the "devil" to revolt against it.

Unfortunately, the "depth of that truth" reached such dimensions that nobody was able either to sound them or to explain them. Therefore, in order to prevent uneasy moments, the trinity was declared a mystery of God, and its investigation forbidden.

There is only one God. The Holy Spirit is part of God, a part of His Great Soul's energy, which transports His Divine Grace into the hearts of mortals and spirits. The Holy Spirit is the "language of God," which He uses to speak from Soul to soul with men. Jesus is the son of God, as we all are children of God, His beloved creations, whose essence was created in His image. However Jesus distinguished himself from all men through the fact that he was the first man who achieved the complete transformation of his natural soul into a divine soul, constituted exclusively of God's Divine Substance. In this sense, Jesus ceased to be a man and belongs to the Divine Kingdom. He was the first one to achieve this, but he was not the only one. All inhabitants of the Celestial Heavens can claim the same for their souls: They are divine souls exclusively composed of God's Divine Substance. **Trinity is a myth.**

I do not believe it necessary to say more at the moment, because we will deal again with this topic at the proper moment, when we will focus on the history of the first few centuries of the early Christian church.

2. On the Revelation of John, with special emphasis on chapter 13

There is already a series of messages on the [Book of Revelation](#) where it has been explained clearly that this book, written originally by John, has been mistreated and tampered with by a number of authors. You can still recognize its Semitic origin, due to the awful style of the Greek in which it has been written and the great quantity of Semitisms. However, the apocalyptic work — that is to say, the revelatory original — has become a mystical work, prone to occultism and cabalistic number games. **It serves nothing in faith.** (The Book of Revelation calibrates at 70 on Dr David Hawkins' Map of Consciousness.)

The peak of occultist investigation centres on chapter 13, where the image of the beast is clearly borrowed from the Book of Daniel in the Old Testament, and on deciphering the meaning of the number "666," which has animated human fantasy so much.

There are the most varied explanations: 6 as the imperfect number, because the perfect number was seven, and it missed one to reach perfection. Three times imperfection, as a synonym for Satan, the personification of evil. It is also possible to assign letters to the Roman, Greek or Hebraic numbers, numbers that were represented by letters. As a result, there are groups claiming with utter conviction that this number refers to the Roman emperor Nero or to the Pope... or to John Calvin, to vary things a little bit.

According to Hebrew numerology ("gematria"), in order to sum up to the value of 666, it is necessary to add the letters *taw* (=400) + *resh* (=200) + *samek* (=60) + *waw* (=6). As a result the word "TRSU" appears, which may be interpreted as the Hebrew form of writing the name of "Tarsus," the native city of Paul. Therewith, it is already clearly established for some that Paul of Tarsus is the beast of Revelation. Oh my!

And if we take the three ciphers literally (although the Greek text does not write this number in such a way), and we assign them to the corresponding Hebrew letter value, we get three times *waw*, which corresponds to the letter "W", that is to say, "WWW." Now, the beast even moves through the Internet!

You may also add the cipher values, which give 18, and check the result, or sum this new number, which gives 9, and look for some meaning in that. There is no limit to man's imagination.

With a little effort people may come to any result they wish, so absurd it is. To tell the truth, I cannot advise anybody to dedicate their time to studies of this kind, because they constitute a road that leads nowhere.

That special character of the Book of Revelation led many doctors of the early church to reject the inclusion of this book into the canon of the Bible. It was only through much effort and fighting that this writing now forms part of the New Testament of the main churches. However, not all churches recognize it.

### 3. The Lord's Supper celebrated in the churches

The commemoration of the moment when Jesus shared for the last time food and wine with his disciples, indeed goes back to the very beginnings of Christendom. It was a meeting of believers, for commemorating this moment, and sharing a meal in love and friendship. For this reason, the ancient ones called this meeting "agape," using the Greek word for "love."

The idea of transubstantiation, that is to say, of the transformation of bread and wine into the body and blood of Christ, is of pagan origin. The invitation for drinking "blood", even in a symbolic way, would have caused straight-out rejection and repugnance in any Jew.

At the bottom of this lies the idea that Jesus' blood washes away our sins, on the cross, and later on during each celebration of the mass or communion. In fact, when this ceremony is not taken in a symbolic form, but as a reality, it is very dangerous. Because nobody washes away our sins. To purify ourselves from our sins is a work that concerns each and every one of us. We all receive help, but nobody will do the job for us.

With Jesus' death, people did not change. Those who were evil before continued evil later. The change of our attitude — and sin is a form of attitude, out of harmony with God's laws — is a personal matter. It is as with learning. You may teach, but your student has to study. If he does not study, your teachings will be in vain. If man does not straighten his paths, what will the effect of Jesus' blood be?

We will also analyse this topic more in detail at a suitable moment.

But now, when I would like to focus on the second part of my message, the most important part, I see that my poor medium is worn out and exhausted. Don't worry, my dear H\_\_\_, I will not draw on your energy too much.

I would like to ask you to allow me to conclude my message tomorrow. In fact, what I have to say may be of great benefit for all those who want to play an active part in the spreading of the message of Love.

See you soon, my dear friends, and do not doubt. Think well. Satan does not encourage people to get closer to God through prayer, he does not encourage anybody to develop their souls in Love, because Love is the light that illuminates the soul even in its darkest corners — these corners are what we call "the devil."

God bless you all,

**Please Mother and Father, may I receive Your LOVE.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

<p><b>Our Heavenly Mother and Father simply desire for us to ask for Their Love.</b></p>
--

**WE ARE ALL SOULS of the FIRST SOUL, our HEAVENLY PARENTS:**  
**We are mortal souls who have the potential to experience the Divine Love.**

If a person or spirit experiences a drop of Divine Love, then the soul is deemed Immortal, which the spirit body and personality must follow to this perfected truth. The Divine Love is in its own nature, the highest, or if you like, the most perfected form of energy and Law that a mortal soul can receive and experience.

The radiance of the spirit body that is seen by other spirit people, is distinguishable as to the presence of natural love and the amount and also Divine Love and the amount. The energy of both loves is processed in the region of the heart region within the spirit body. One's soul is lodged in close proximity to the spirit mind.

Divine Love – if sincerely asked for – will not be withheld by the Eternal Love of our Heavenly Parents, no matter what condition one's soul may be in. Divine Love is experienced at any stage in a natural love condition of soul whether error exists or not. What is required is that the cognitive capabilities of the maturing personality must knowingly be asking for this love to be added to its being.

Conception / incarnation brings together the soul, which lodges within close proximity to the spirit mind, which is located in the same region as the physical brain. The personality is created at the same time as the spirit body. Nothing that is Divine is within the forming entity.

The spirit body's energy is managed in the region of the heart and solar plexus, we are endowed with natural love, being an energy, at conception. It is this energy that is visible to other spirits, not the soul that we all have.

A newly individualising soul is just a tiny invisible spark.

Viable embryo forming.

### **CLEANSING the SOUL:**

**Years and years of personal endeavours to step away or above harmful habits and personality traits that are harmful to others and one's self have been mainly futile. We all want to grow in our love for ourself and of others.**

**Our beautiful loving personality that we are blessed with at conception / incarnation becomes encrusted with errors and personality issues of those around us, particularly during our early childhood. The personality of those living around us, during our early years, becomes encrusted over our pristine soul thus clouding our radiance into dullness. We become mind controlled!**

**Our Heavenly Parents want what is actually best for each of us and there is a source of light that's willing to give it to each of us, but only at our soul and spirit's quest for union with the divine. Not our ego's need for things.**

**It is only with our Feeling Healing and the infusion of the Love, that the Mother and Father conveys via the Holy Spirit, do we start to dissolve negative issues, habits and personality errors from our soul and personality. Our personality is part of our soul structure.**

**All we need do is ASK for this Love. An earnest longing and desire for the Mother and Father's love will never be withheld, it will shower over our spirit body, the template of our physical body, and be absorbed into our soul. As the Love permeates through our soul, errors of personality will slowly but surely dissolve.**

**Over time, as we progress along our path of asking for and receiving this love, the natural love which we were blessed with prior to conception will be progressively transformed into Love that is Divine. This Divine Love will slowly emerge as radiance through our being.**

**With Feeling Healing and this Love we find harmful habits and personality traits become a distant memory. With this Love, we find ourselves unable to harm others or ourselves. With this Love we find our quality of life blossom and joy starts to emerge in all aspects of our living.**

**With this Love we become immortal. With this Love we become fitted for the Heavens that the Mother and Father have prepared for us all. Just ask and faith, love, and happiness will follow. Yes, just ask!**

### UNCRUSTING ONE'S SOUL:

One's soul is always perfect. One's soul is a creation of our Heavenly Parents, and Their creations are always perfect.

Their great gift to us is free will. We have the option to embrace Their will or freely do as we please, we have free will.

As we progress through our early childhood years we absorb the attitudes, beliefs and habits of those within our environment. Some of these are in error. Such emotional errors and injuries melded with errors in belief encrust one's soul with unhealthy and unloving energies. These encrustments retard the flow of loving energies into one's soul. Such soul having created one's spirit body, which in turn is the template for one's physical body.

As we become aware of our Mother and Father's greatest gift in all of the universes, we can ask for and receive this gift, being Their Divine Love. It is a light golden blue energy substance that will progressively through one's Feeling Healing process dissolve the injuries and errors that may have enmeshed one's soul. Feeling Healing with this Loving energy will slowly enable each of us to break free of past held erroneous beliefs and injuries that we have drawn upon ourselves. We can cast this shell off, such shell which is endeavouring to imprison us in misery.

With the Love of our Parents, the beauty with which we were created can come to the surface and we can then proceed to progress beyond the ceiling that our natural love formed soul has in development. Feeling Healing with the vibrant energy of Divine Love can enable us to live a life here on Earth as though we were in Heaven. All we need do is ask for It.

The Love of our Parents' is the greatest gift for all of humanity, without exception and without condition other than the longing for and the asking for it, at anytime, at any place, and in any way one so pleases. Enjoy the journey!

## Truth and False Beliefs – Part 2.

<http://new-birth.net/contemporary-messages/messages-sorted-year/messages-2002/truth-and-false-beliefs-part-2-hr-16-may-2002/>

Received by H. Cuenca, Ecuador.

May 16th, 2002

Hello, my dear friends. I would like to carry on with my speech about false beliefs and the spreading of Truth.

It is very characteristic of mortals that they always seek the differences between them, and later venture into endless — and senseless, as I dare say it — disputes that provoke uneasiness on both sides. But as a matter of fact, always, in religion as well as in politics, the parties have much in common. And this common interest or these common ideas should comprise the basis for a better understanding.

Applying this principle to our cause, we may say that the central Truth in Jesus' gospel is the fact that God does exist. Even more, God is Love and is willing to share this Love with all His children, that is to say, with all humanity. Jesus also underscored, and is still underscoring, man's free will. God has established a law, which He submits Himself to, ensuring the exercise of spirits and mortals' free will. As I have said, God respects our decisions, and unquestionably we have to assume responsibility for what we do or omit in thoughts as well as in actual deeds. But the respect of free will also implies that God does not impose upon us anything by force, but rather always requires our invitation to be able to impart what He wants to impart us. Lastly, mortal and spirit life develops within a framework of laws on the material and spiritual level.

There is much missing, without doubt, in this short construct, for example that God's Love has unique characteristics, which are very different from purely human love, such as Its unconditional character. Also, that the Heavenly Father's Love is not a simple feeling, but rather it is His Substance, or the Essence of Divinity, that distinguishes itself by attributes, as any substance does, and what we call "unconditional love" is but one of these attributes. However, we will continue using this name, because the human language lacks words that would be better fit to describe "the indescribable."

Instead of considering all religions perhaps it will be best to limit ourselves now to the Christian denominations which you will usually be in contact with. We may now start to look for a common base. It is not difficult to find it, is it?

1. All Christians believe that God exists.
2. They also believe that God is good, and when we say that God is more than good, that He is absolute Love, unconditional and unlimited, there will be few who will contradict us.
3. It is also commonly accepted that man enjoys free will.

As you see, we have already found a solid foundation for setting in motion a productive dialogue.

Now, good Christians always struggle to be as Jesus was on Earth. He is their role model, and they think that when they copy his demeanour, they will do well. This is true. This is why it is worthwhile to analyse how Jesus imparted his teachings in the first century Palestine.

Did he have an easier life than you do at the present time, when he started to share his truths with others? I don't think so. He lived in a world full of superstitions, and probably a much more dangerous world

than it is today. Among those false beliefs that prevailed amongst his own people, the Jews, we may examine a few examples.

1. The Jews believed that the sacrifice of animals appeased the wrath of God, and actually, the pagans thought the same of their gods. Now I ask you: Did Jesus attack this belief one single time? The answer is, indeed, no. Categorically, the Master never attacked the rites and deeply ingrained ceremonies. Can you imagine why he did not? Would it have been useful for his mission to condemn rites that did not have any importance for him, and which did not just represent a symbolism for others, but were a vital part of their religious life? Jesus sought dialogue and not confrontation. An attack against these formalities would have been considered a serious insult, even a blasphemy, and under such circumstances any dialogue ends, doesn't it?
2. Another example is Sabbath observance. Is it indispensable to reserve a specific day for God? It is not, rather, that we should reserve every day for Him? However, for the Jews it was and still is of extreme importance. Of course, the Master was accused on several occasions of having "transgressed" the Sabbath law, but this was not true and formed only part of a strategy of slander or was the result of the incomprehension of the very religious principles on the part of certain self-declared religious teachers.
3. In addition, we could mention the rules on pure and impure food, circumcision, Jewish feasts, etc.

Jesus was born a Jew and he lived as a Jew. As he himself declares, he had not come to establish a new religion or a new church — forgive me the anachronism — his teachings were fully compatible with Judaism, and they are compatible with present-day Christianity. The question, then, is: What did Jesus teach?

First, he preached the existence of a personal God, whom he called "Father," something very revolutionary at that time. Then, he taught that the Father was unconditional Love, and that He was desirous of sharing that Love with His beloved children. In a typical example, Jesus said:

“Some of you are fathers, and if your son asks you for some fish, would you give him a snake instead, or if he asks you for an egg, would you make him a present of a scorpion? So, if you, for all your evil, know how to give good things to your children, how much more likely is it that your Heavenly Father will give the Holy Spirit to those who ask him!”

However, Jesus' teaching went beyond this. He explained to his listeners that in order to be able to receive the Father's Love, it was necessary to ask for it. Father always respects the free will of His children and waits for their invitation to grant His blessings and benefits. And the way to communicate with the Father, or simply being in communion with Him, or for asking His advice and help, is prayer. Jesus even delivered a prayer, a clear indication that this was a central part of his "educational campaign." In addition, there are several quotations in the Bible where one may readily see that Jesus highlighted the immense importance of prayer, that is to say, the quest for God.

“Set your heart first on His kingdom and His goodness, and all these things will come to you as a matter of course.”

“Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you.”

And these, my dear brothers, are the fundamental principles, how mortals and spirits may find their way to God.

I am aware that there are many beliefs in the churches that do not correspond to the truth. But of course, it is not the correct procedure, neither is it an effective course of action, to attack what people so much appreciate and hold in esteem as central points of their religious life. Jesus did not do this, why do you want to do it?

A long time ago, Jesus explained the [following in a message](#):

“As you are aware, there will be many people who will continue to believe that I walked upon the water because I was a “divine man”, because I was able to perform other feats which defied reason, and I would suggest that you do not put too much time or energy into trying to convince them otherwise, but instead emphasize the Divine Love, as you see that we do; for It is what will save their souls. If they believe I walked upon the water or that I am God, this is an error in judgment or a misunderstanding about the facts of what is the truth, but will not interfere with the reception of the saving Love, when It is prayed for with sincerity and humility. There are many erroneous conceptions which are in the minds of millions of people throughout the world. Some of these are more detrimental to the acceptance of truth than others, but God's Love and Mercy in a person's soul will eventually allow the person to erase all erroneous concepts, and they will not even be aware of when these “ideas” (which they had held so dear and held onto so tenaciously) had left them, leaving only clear understanding of truth to guide them on and upward in their spiritual development.

But here I would like to add that, without a sincere and prolonged desire for truth from a humble soul, the mind can stay in ascendancy, and erroneous beliefs will cling to the mind into the 6th sphere, and will never leave as long as the person wants to believe in them. So, without the power of God's Love in a soul, and the power of truth residing there, the mind can remain in ascendancy, and the truth will be overridden by free will.”

Do you see what he wrote here? If you really have faith in Divine Love, the very Substance of God, take possession of that soul which goes to the Father by means of its longings. With the reception of this Love faith, knowledge and thirst for more always come to it. **Therefore, the central point of your activity should focus on the knowledge that God wants to share His Love with all people, and on prayer.** You have to teach them how to pray, because there is where the greatest problem lies: people in general believe that praying is synonymous with reciting pre-fabricated words. People have to understand that this is not so, rather that prayer is conversation with God, from soul to Soul, prayer is the burning desire of the soul to be with God and to receive His answer, as many people only experience it in situations of extreme despair. But it is a desire that one may cultivate, as an internal pressure of love, and a spiritual necessity.

When you have managed to get people to understand this, then God’s Love will take care of all the rest. Remember, “set your heart first on His kingdom and His goodness, and all these things will come to you as a matter of course.” All will come as a consequence of this wonderful Love in our soul, also knowledge.

Does it really matter if somebody believes in the trinity? Does it really matter if somebody believes in Jesus' virgin birth? Does it really matter if somebody believes that Jesus had brothers or did not have siblings? Does it really matter even if somebody believes that Jesus is God?

All, despite their beliefs, will have the opportunity of receiving the Love of God, and with It, wisdom and knowledge. It is not so difficult to advance ever more in the development of our souls. **What is truly difficult is to get this process started. You know this, and in this you have to offer a helping hand. This is your task.** All the other discussions are useless and counterproductive.

At times, there are sentences such as "truth and untruth cannot compromise," which motivate these undesirable conflicts. The sentence is correct, because ultimately truth will prevail and untruth will disappear. But on Earth as well as in the spiritual spheres of the spirit world, truth and falsehood live side by side in an apparent compromise. I say apparent, because this coexistence is not definitive and will be resolved, as all that which engenders tensions will be resolved. God's world does not admit of tensions, and freedom from tensions is one of the definitions of happiness.

God respects our free will and its manifestations, such as wrong opinions. He respects them and waits patiently, until man becomes aware and rectifies. God offers His Love and His help, and with supreme patience accepts rejection, saying: "I honour your will of not listening to me. I only tell you that I will always wait for you. When you need me, call me, and I will be there." God knows no pride, He only knows Love.

So, dear brothers, let us learn to respect as God respects. Let us learn to love in spite of rejection, let us learn to always be ready to help and never feel hurt. But in the first place, let us learn that we cannot indoctrinate. We can only show the way, we can only teach how to pray. However, to walk and to pray, this is what all have to do for themselves, because it is a manifestation of their free will, the principle consecrated by God.

I consider that the moment has come for saying good-bye. It has been a long message, and I hope that it may help you as guidance in your actions and to constrain the fervent desire of some for attacking with guns and cannons anything they consider false beliefs. This is not the way. Jesus' message is Love, and Jesus' method is Love. If the Master is your ideal, then go and do the same. I have more to tell you on the subject, but this we will postpone until our next meeting.

God bless you all.

### JESUS' GOSPEL in FEW WORDS:

It is easy to summarize Jesus' gospel in few words: "God is Love. He offers His Love to all His children, that is to say, to all humanity. Moreover, He is always a personal God who invites us to enter into contact with Him, should we wish to do so. He will listen to us and He will answer."

~~~~~

God is the Source of Truth. And if you want to discover Truth, go to the Source, and do not be satisfied with second or third hand information.

The only way to find Truth is to experience it for yourself and in yourself. What you may experience, and thus verify, in your heart — is a great truth. Judas 6 May 2002

Man is composed of three essentially different parts: the physical body, the spirit body, and the soul. Of these three components, the physical body is characterised by its fleeting nature, for the numbered days of its existence. In fact, it only fulfils the purpose of integrating the soul into a material world, facilitating the interaction of man's spiritual part with the coarse matter environment that surrounds him.

The spirit body is composed of a different kind of matter, "finer" or more "ethereal". The fact that its aspect reflects the condition of soul is a clear indication that the soul influences largely its formation, and even more, the soul is indeed the creator of this body, which covers it and provides it with the characteristic of individuality. The formation of the spirit body begins at the moment of incarnation of the soul in the foetus, incarnation which only takes place should there exist a high possibility that the spirit of life has found in the new organism a stable biological structure, allowing it to carry out its life-giving function.

The soul, lastly, is man's only part that resembles its Creator. This why we also refer to God as the Great Soul or the Oversoul.

When the human soul receives the Love of God – His Essence – it becomes a divine soul. This is called soul transformation, culminating exactly at the moment when this process consumes the last vestiges of the natural soul, in the New Birth. Judas 8 May 2002

Our message is simple: God is Love, and He shares it with all who so desire. Judas 13 May 2002

God is Love and is willing to share this Love with all His children, that is to say, with all humanity.

The Heavenly Father's Love is not a simple feeling, but rather it is His Substance, or the Essence of Divinity, that distinguishes itself by attributes, as any substance does, and what we call "unconditional love" is but one of these attributes. Judas 16 May 2002

**"This is my commandment, that ye love one another even as I have loved you."**

**Golden Rule: that one must always honour another's will as one honours one's own.**

**Our soul condition steadily grows in love so that we step away from:**

**Any harm that we may cause to others which will also bring about consequences.**

**Also as our soul development progresses, our self love grows which also enables us to step away from:**

**Any self harm that we may cause which also will bring about consequences.**

**And to move along this path we simply develop our embracement of:**

**God's Divine Love; pray for it, ask for it, and receive it.**

**Or it may be even as simple as the caption below:**

**Oliver Twist asked:**

***Please, sir, I want some more!***

**Maybe we could simply ask:**

***Please, Heavenly Parents, I want some more!***

### Truth and False Beliefs – Part 3.

Now, dear brothers, I intend to deliver one last message to conclude the small series on the spreading of Truth, and on the obstacles that are present in this aspiration.

I would like to ask you, who does spread the Truth? You? We? The answer is simple: we do it jointly. We try to communicate Truths in small portions, so that you can digest them, and you should assist in their diffusion on Earth. Not only the so-called "mediums" who receive this information, but also all who desire to receive it.

Now, there is a "Divine Love Movement," and in this group people collaborate who strive for attaining to the New Birth in their souls, the transformation of their natural souls into divine souls. But there are also many more people in the most diverse churches that unconsciously aspire to the same objective. I say unconsciously, because they lack the basic information in their mind. However, in their souls, there are the same longings as there are in yours, and this is why they also receive the Father's answer, in the form of the Holy Spirit that conveys His Love into the souls of all His children who ask for It.

The information that we transmit becomes words in the mortal's mind. It is an automatic and at times very painful process for us, when the mortal's conception translates our message in a way that makes its results almost unrecognizable. Then, you wonder, why do we communicate with people that lack the necessary preparation to guarantee a "trustworthy translation" of what we impart? And my answer is that our message is always very simple, and the essence of what we want to communicate, indeed escapes the deformation through the human mind.

And now, to illustrate just what I have just said, I want you to paste the latest messages received in Medjugorje.

Message of April 25, 2002

Dear children! Rejoice with me in this time of spring when all nature is awakening and your hearts long for change. Open yourselves, little children, and pray. Do not forget that I am with you and I desire to take you all to my Son that He may give you the gift of sincere love towards God and everything that is from Him. Open yourselves to prayer and seek a conversion of your hearts from God; everything else He sees and provides. Thank you for having responded to my call.

Very well. Now I will write down a possible version, if you or any other Divine Love medium had received this message:

Dear brothers and sisters! Rejoice with me in this time of spring when all nature is awakening and your hearts long for change. Open yourselves, brothers and sisters, and pray. Do not forget that I am with you and I desire to take you all to the Love of God, that He may give you the gift of sincere love towards God and everything that is from Him.

Open yourselves to prayer and ask God for the New Birth of your hearts; everything else He sees and provides. Thank you for having responded to my call.

Message of March 25, 2002

Dear children! Today I call you to unite with Jesus in prayer. Open your heart to Him and give Him everything that is in it: joys, sorrows and illnesses. May this be a time of grace for you. Pray, little children, and may every moment belong to Jesus. I am with you and I intercede for you. Thank you for having responded to my call.

How would this one look like if written by a Divine Love medium's pen?

Dear brothers and sisters! Today I call you to seek at-onement with God in prayer. Open your heart to Him and give Him everything that is in it: joys, sorrows and illnesses. May this be a time of grace for you. Pray, my brothers and sisters, and may every moment belong to God. I am with you in order to give you guidance. Thank you for having responded to my call.

The apparition:

Dear Children! As a mother I implore you, open your heart and offer it to me, and fear nothing. I will be with you and will teach you how to put Jesus in the first place. I will teach you to love Him and to belong to Him completely. Comprehend, dear children, that without my Son there is no salvation. You should become aware that He is your beginning and your end. Only with this awareness can you be happy and merit eternal life. As your mother I desire this for you. Thank you for having responded to my call.

Now, the other version:

Dear Children! As a mother I implore you, open your heart and offer it to God, and fear nothing. I will be your guide and will teach you how to put God in the first place. I will teach you to love Him and to belong to Him completely. Comprehend, dear children, that without the Father's Love there is no salvation. You should become aware that He is your beginning and your end. Only with this awareness can you be happy and inherit eternal life. As your mother I desire this for you. Thank you for having responded to my call.

Message of February 25, 2002

Dear children! In this time of grace, I call you to become friends of Jesus. Pray for peace in your hearts and work for your personal conversion. Little children, only in this way will you be able to become witnesses of peace and of the love of Jesus in the world. Open yourselves to prayer so that prayer becomes a need for you. Be converted, little children, and work so that as many souls as possible may come to know Jesus and His love. I am close to you and I bless you all. Thank you for having responded to my call.

And here comes our version:

Dear brothers and sisters! In this time of grace, I call you to become friends of Jesus. Pray for peace in your hearts and work for your personal conversion. Brothers and sisters, only in this way will you be able to become witnesses of peace and of the love of God in the world. Open yourselves to prayer so that prayer becomes a need for you. Receive the Love of God, my brothers and sisters, and work so that as many souls as possible may come to know God and His Love. I am close to you and I bless you all. Thank you for having responded to my call.

Message of January 25, 2002

Dear children! At this time while you are still looking back to the past year I call you, little children, to look deeply into your heart and to decide to be closer to God and to prayer. Little children, you are still attached to earthly things and little to spiritual life. May my call today also be an encouragement to you to decide for God and for daily conversion. You cannot be converted, little children, if you do not abandon sins and do not decide for love towards God and neighbour. Thank you for having responded to my call.

Once again, the modified version:

Dear bothers and sisters! At this time while you are still looking back to the past year I call you, my bothers and sisters, to look deeply into your heart and to decide to be closer to God and to prayer. Brothers and sisters, you are still attached to earthly things and little to spiritual life. May my call today also be an encouragement to you to decide for God and for receiving His Love daily. You cannot receive His Love, bothers and sisters, if you do not abandon sins and do not decide for love towards God and neighbour. Thank you for having responded to my call.

Message to Jacob Colo, 25. 12. 2001:

Dear Children, today when Jesus is born anew for you, in a special way, I want to call you to conversion. Pray, pray, pray for the conversion of your heart, so that Jesus may be born in you all and may dwell in you and come to reign over your entire being. Thank you for having responded to the call.

Now, the “translation” of this message:

Dear bothers and sisters, today when we commemorate again the bestowal of Divine Love for you, in a special way, I want to call you to receive It. Pray, pray, pray for the New Birth of your heart, so that Christ may be born in you all and may dwell in you and come to reign over your entire being. Thank you for having responded to the call.

Message of December 25, 2001

Dear children! I call you today and encourage you to prayer for peace. Especially today I call you, carrying the newborn Jesus in my arms for you, to unite with Him through prayer and to become a sign to this peaceless world. Encourage each other, little children, to prayer and love. May your faith be an encouragement to others to believe and to love more. I bless you all and call you to be closer to my heart and to the heart of little Jesus. Thank you for having responded to my call.

And lastly, the Christmas message:

Dear brothers and sisters! I call you today and encourage you to prayer for peace. Especially today I call you, carrying the newborn Jesus in my arms for you, (a catholic symbolism, referring to Christ, that is, the Divine Love) to unite with Him through prayer and to become an example to this peaceless world. Encourage each other, little children, to prayer and love. May your faith be an encouragement to others to believe and to love more. I bless you all and call you to be closer us, your Heavenly guides, and to the Love of the Father. Thank you for having responded to my call.

As you see, we have not selected messages we deem fit, but we have reproduced all the latest messages received in Bosnia.

In practically all the missives, you may see that the central theme is prayer, for the reasons I have explained in our last message. Prayer is the key that opens up, for each individual, the door to greater knowledge of the soul and, of course, in the first place to the Father's Love. What you yesterday thought to be a great novelty, actually we have been preaching all the time.

You can also see that in the above messages, there is constant confusion between Jesus and Christ, because for the Catholics (and not only for them) both words are synonymous. You know that this is not correct at all. However, knowing how to interpret the words, it is simple to find out the intention of the communicating spirit.

If somebody asks you, therefore, if you agree with what has been transmitted in Medjugorje, you can agree with all your heart. The contents of the messages are exactly what we want to impart. The formulation may look questionable, but this should not worry you. And just because of the nitpicking about formulations, about idioms and superficialities, the desire to spread our message suffers great setbacks. Do you understand me now?

Remember that one day, when you were travelling with a friend, you started a conversation with him on the Padgett messages. At first, your friend was very interested, but when you came to explain to him that there was no virgin birth of Jesus, and some other things, your friend immediately raised a complete blockade against the topic, and the conversation suffered a sudden and sad death. Yes, my friend, so it happens. It is easy to hurt the religious feelings of people, and it is so easy to achieve that, which at the beginning looks like an opening up of the soul and a great expectation, suddenly becomes a hopeless barring of the door.

False beliefs do exist, and they will always exist on Earth and in the spirit world, as long as there is one single soul that has not been transformed by the Love of God.

Think it over. **Do you want to communicate the essence of Truth, or do you want to put an end to false beliefs?** Alternatively, do you maybe want to put an end to both things at the same time? Do you believe that you do not hold false beliefs and that you are the owners of the truth and nothing but the truth? You don't believe this? Neither do I. And if you have not managed to put an end by now to all your false beliefs, how do you want to sweep these beliefs of others off this world?

When you find a battered house, what will you do first? Will you make sure that the foundations are stable and fix the roof, so that the rain will not destroy the interior, or will you arm yourself with brush and paint to cover the fine cracks in the walls? First comes the most important thing! And the first step is prayer, a step that eventually will be constantly repeated.

The Truth is that God is Love, and that He offers to share this Love with all of us, when we express through our longings the deep desire of receiving It, for this way to come to at-onement with our Creator. This Truth is enough to save everybody. Let us leave it so.

Before demanding the opening up of others, first open up yourselves. Before preaching, be examples. I repeat, look for what you have in common, build a solid base, and your undertaking will successful. Now I will definitely conclude this message. We have almost forgotten Jesus and his life in first century Palestine. I would like to soon take up again that series of messages.

May God bless you all, and the Reverend should not worry about false beliefs. What is false, will eventually die, only Truth will remain: Our Father in the Heavens, the God of Love, wishes that we communicate with Him, so that we may enjoy the privilege of living with Him in the mansions of His Eternal Kingdom.

Enjoy a lovely weekend, and receive the Father's blessings,

Your brother in Christ,            Judas

**BUSY MIND or the LOVE of the MOTHER and FATHER:**

Now, let's first clarify what sin is. Sin is only a word to indicate that certain actions or thoughts are not in tune with your soul knowledge – with the laws of Love. People tend to put a lot of negative energy on the meaning of the word, but they shouldn't. Sins can only be manifested or created by the mind and have nothing to do with the soul. The soul – as an image of the Mother and Father – is not capable of creating anything out of tune with the laws of Love. Sins are nothing more than 'mind flaws' that exist in different levels. They are portrayed in everyday life in the way we think, speak and act.

Even if someone has received a big amount of Divine Love in their soul, the mind keeps on existing. And although Feeling Healing with the Divine Love will silence the mind for a while – depending upon the amount of love you receive – the mind will come to the forefront again. That is why we need to pray as much as we can, as frequently as we can, so the Love will silence the mind and eradicate all flaws from it.

99% of all people living on Earth will be soaked in the flaws of their parents, siblings, teachers, leaders, cultures, etc. That is also the reason why we aren't flaw free; but you don't need to be. In fact, it is a 'good' thing because it will help you with your own calling. It will help you to understand what people are going through. It will help you explain these processes to them because you will receive the insight firsthand from the processes you have to go through yourself.

Most people do not want to look at their own flaws. They think they need to be perfect examples of the Love; that Feeling Healing with Divine Love does not leave room for flaws once they received a portion of it. Well, they are flawed! [Laughs] Because flaws will exist until people reach the level of flawlessness. And it is the recognition (not the denial) of one's own flaws that will lead to their eradication; whether the eradication comes through the use of the natural love or the Divine Love is of no importance – although we Divine Love connoisseurs know which path will be swifter.

## The Sins of the Parents and Grandparents....

*(Hello John. I can feel your presence. Can you please elaborate on the message of sins as asked on the DLS forum?)*

Of course, my dear friend, it is always my pleasure to enlighten my brothers and sisters in the flesh.

I will start off with saying that only seldom a child will be born free from flaws but that all souls incarnate in their pristine flaw free condition.

The process of the human birth is not understood completely by many so they conclude what they are capable of understanding with their minds. To help with this, I want to explain to you something very vital. As we all know, there is the need for a sperm and an egg to start the creation of the human body and, at a particular moment in the whole process, the soul will take possession of that body. Well, what most people do not understand is the soul does not take its place in the physical body. It will nest itself into the spirit body, which is a very important difference.

If you examine this statement closely, you will come to understand the soul cannot control the physical body in a direct way, only in an indirect way; through the spirit body, because it is the spirit (body) that controls the physical (body). But I will come back to this principle later.

Well then, when the soul has not yet connected itself in the spirit body, it is in its pristine state with nothing surrounding it to block out the energy it needs to live its life to its full potential. It is only as soon as it nests itself in its spirit body that the process of inheriting the flaws of its ancestors begins. The moment the soul incarnates, it becomes veiled by the spirit body, which in turn becomes susceptible to its surrounding energies and makes a connection (the silver chord) with its physical body.

Since the new life form stays closest to its mother's energy, the mother will be the first to pass on her energy patterns; created by herself (her own mind) or adopted from her parents. However, if you contemplate this, you will understand her parents were also influenced by their own minds and parents and their parents also; and so on. Consequently you can see the flawed energy / mind patterns are copied, depending on their dominance and persistence, from generation to generation. Some minor adopted flaws will vanish quickly as the child gains its own life experiences. Some other (more severe flaws) will survive very long and will be passed on to their own offspring. It will all depend on the use of their own free will which ones will survive, vanish or be added. And that is how the process of the inheritance of the flaws of the parents works.

However, it is not only the surviving energy patterns from our grandparents (within our own parents) that influence us (indirectly), it is also the patterns from our (still living) grandparents (or great-grandparents) that influence us (directly). For when we are born, most of our grandparents are still alive and very present in our everyday lives. Therefore coming into direct contact with their patterns or flaws will only enforce the ones we already adopted (or are adopting) from our own parents. (And this is of course also the case if our great-grandparents are still alive.) Naturally, the frequency of coming into contact with them plays an important role in the influence they will have. This too is the reason why the

energies of siblings, friends, teachers, leaders, etc. can influence our own energies, minds, patterns or flaws. It just depends on the frequency of the contact and the ability of staying true to oneself: whether the connection with one's soul is still in good condition or whether the veil of the spirit is blocking it. It is also the reason why it is so important to choose your company wisely.

Why we prefer to talk about flaws, instead of sins, is because there are far more energy patterns (that cannot be classified as sins) that block the flow of love. To give you one important example: thinking one is not worthy (of love). This can and will block the soul to receive a (big) portion of love. But what you also have to understand is; that, because of such thinking, the influence of the soul becomes less outspoken and more difficult, which in turn will make it more difficult to live according to the laws of love. So, flaws like that, which have nothing to do with sin, can have a big impact on the condition of the soul and even create an environment where sins thrive because the influence of the soul diminishes.

So, as you can derive from what I have said, the integration of the flaws of previous generations is not a static or instant process where the soul receives a bunch of 'sins' the moment it incarnates, it is a dynamic process where self-created energies play an active role in blocking the flow of love to and from the soul. The soul has no part in this whole process because its sole purpose is to love; to give love and to receive love; and it cannot do anything out of tune with the laws of love.

That is why God created the physical realm and the intermediary realm, better known as the spirit realm. And it is this whole system – Father created – that makes it possible for us to enjoy total freedom in the use of our free will: to some a blessing, to some a curse. This system allows us to identify ourselves with our human bodies and with our minds without being under direct control of our souls: the experience of unlimited freedom, not being dependent on the existence of a greater Source – thus, the experience of being God.

*(So, do I understand you correctly? Are you saying free will does not reside in the soul?)*

Indeed, my friend. Free will – the ability to choose to live according to the laws of love or not – does not reside in the soul, as the soul does not have the capabilities to do anything not in tune with the laws of love. Free will resides in the mind; as well in the physical as in the spirit. It is a concept based on the principle of choice, which does reside in the soul. However, it adds the dimension of being able to make choices outside the scope of love and that is why it cannot be part of the soul. So by choosing the Divine Love path, you use your free will to state that love is the only choice you ever want (and need) the rest of your (eternal) life – that you do not want to live outside the scope of love – and that you are therefore willing to put everything else, even your mind, in second place.

We can conclude our wonderful talk here for I see we covered everything I wanted to talk to you about. Stay safe and centred in the love and don't let your mind take control of your life; let your soul guide you. For, when it comes to matters of the soul, the mind is not the right source to explain them (because of its subjectiveness). And when it comes to the matters of the mind, there is no better (objective) source than the soul to explain them.

Your friend forever. John.

**The BEAUTIFUL MIRACLE:**

5 Oct 2012

**The DIVINE UNIVERSE**

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union complete. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other and one is living in the presence of our Mother and Father in perfect harmony and this clarifies the truth about what it means to be truly at-one with God.

[www.lulu.com](http://www.lulu.com)

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Mother and Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

**Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.**

## EMBRACING the LOVES:

**Our soul is formed from the substance known as natural love. This natural love enables us to develop to that which is the perfect man, an excellent, capable and loving personality.**

**However, there is a limit to our growth founded on natural love fore there is nothing of the Divine within the substance of natural love.**

**Should we ask for, and then receive Divine Love, then the Divine substance of Divine Love can be added to our being, thus providing us with an infinite potential for growth and development in the Love that is Divine.**

**The natural love and Divine Love are not divided when in the soul.**

**The natural love is harmonious in the Immortal greater love, the Divine Love, and so, never shall an Immortal faith and Immortal truth fall.**

**Adding Divine Love to your being can be likened to developing a powerful engine based on natural love to that which is found within a most powerful muscle car. One's performance capabilities progressively develop as the regular fuel of natural love is slowly, but steadily supplemented with the fuel of Divine Love, thus changing that which is founded on natural love to that of the Divine, namely Divine Love.**

**Your fuel steadily is converted to that which is of the highest octane level ever envisaged.**

**The Divine Love is the wonder of the universe. How this invisible substance causes so much change in our mortal nature is a miracle to behold and experience.**

**Living with the Divine Love brings about harmony throughout all of one's bodies, systems and personality. One's capabilities and love continue to greatly expand.**

**Divine Love always has its effects in harmony with the expression and development of natural love. Therefore your awareness and expression of natural love in your life is a vital element in accepting Divine Love into your life and fostering its development of your soul. Divine Love is the great harmoniser and is therefore not isolated but its effects are universal.**

**Divine Love is the 'ultimate' high octane fuel.**

## **WE ARRIVE DETUNED!**

Our souls are a divine creation of our Heavenly Mother and Father. They could not be any other way! And are designed (such as how it has been for us) to begin incarnation in a Natural love condition reflecting the Natural love state of our world.

And we have also been provided with the opportunity to experience what is being ‘evil’, to live denying our Natural love, as seen through the denial of many of our feelings. So we here on planet Earth live on a world that has Rebelled (and then also Defaulted), of which there are only 37 within the local universe of Nebadon, consisting of 3.8 million physical worlds under the regency of Mary Magdalene and Jesus – the spiritual parents of truth of all of Nebadon! And we assassinated Jesus, and completely denied Mary not allowing her to have her say about the truth.

As a consequence, we are ‘detuned’ from our Natural love state and divine origin. You could say we arrived with all parts functional, however, in our untrue, dysfunctional and distorted state, we’re badly in need of a severe service, tune up or a complete reconditioning. Our goal being to bring our true self to the fore by doing our Feeling Healing, and then to progress beyond our Natural love state by further advancing our soul condition through the process of Soul Healing and receiving our Parents’ Divine Love – becoming divine.

In our feeling- and truth-denying untrue Natural love state, we have been made to use our minds to dominate our feelings, becoming more like that of mind-based creatures of nature than of human souls of truth and feelings. And this is the wrong way for us to develop. So to step beyond this limitation, we are to live true to our feelings. Our heartfelt feelings being the guiding lights to our evolution and growth of truth.

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it’s all right there already built in and can be found through our feelings – our soul based feelings.

By living true to our self, true to our feelings, we are living true to God. It’s that simple.

Thus we are detuned once our incarnation begins. However, the way is now open for us to bring about our full divinity. To completely Heal all that’s wrong within us on a Natural love level. To embrace and then transform that Natural love into a divine state through partaking of our Heavenly Parents’ Divine Love. All the while attuning ourselves to divine perfection and enjoying the fullness of our divinity and love, as we ascend in truth on our journey all the way to Paradise – the home of our Heavenly Parents.

**WE were DIVINE, and**  
**WE are to BECOME DIVINE AGAIN:**

Our personality, our soul, our real self, are all creations of our Heavenly Parents. We, our real selves, are not creations of our physical parents. Within our original status, we were of Divine nature.

Our physical parents, from our conception, endeavour to mould us into being ‘little me’s’, that is, replicas of themselves, imposing their beliefs and personality traits upon each of us. They crush our individuality and free will. They destroy our personality, our true self. They inflict upon each of us their ways, all of which are of a result of the Rebellion and Default of many, many generations ago. They drive us into believing and subsequently becoming dependant upon our minds. This is not the way for us to express our true selves and evolve along the path towards our true parents, our Heavenly Mother and Father. We are to embrace the Eternal Son of Truth, not the Infinite Daughter of Mind.

No, we are not in the image of our physical parents. Though we may look like them, and act like them because they have dramatically and successfully crushed our true personality, we are each very unique and independent of our parents and all other family members. When we begin to progress along the path of engaging with our soul based feelings and seek for the Truth of our feelings, we will become free of our parents’ impositions and suppression.

Upon starting our physical life experience on Earth, our divinely created soul begins to express us as one of our soul’s two personalities in Natural love. However because of Earth being in Rebellion, so we are parented into a rebellious and anti truth and anti love state of mind control over our feelings and true self.

Natural love is good, just ‘less’ or different to Divine Love. And it’s that in our rebellious state, we’re rebelling against Natural love, and Divine Love by not taking Jesus and Mary up on their offer and allowing the Divine Love to transform our soul, as we perfect our Natural love by doing our Healing.

By living true to our self, true to our feelings, we are living true to God. It’s that simple. The revealing of the Feeling Healing process is the commencement of our ability to begin the Great U-Turn and go the right way. Should we then also embrace our Heavenly Parents’ Divine Love, we can also commence our Soul Healing and a returning to that of being divine – this is our destiny.

**CREATED in THEIR IMAGE:****GOD**

James: Mary, what does ‘we being created in the image of God’ really mean?

Mary M: It means that our Mother and Father used Themselves as the model or template if you like, upon which to bring us into being, those of us who have existential souls with the potential of expressing their two personalities in Creation.

And although our souls are divine, as in being divinely created, still whilst we start our personality expression in Natural love, so we need the Divine Love to come into our soul and bring it into the levels of Celestial divinity.

Natural love, so basically the whole of Creation, is of the image of God, and we being divinely created souls can be part of God’s Divinity becoming divine ourselves. So through your Healing, James, you become progressively divine by partaking of the Divine Love and healing yourself into perfection – your true self. And by the time you’ve completed your Healing, your soul is of the Divine Love level of Celestial truth, and your personality is an expression of that level of truth, it all being ‘confirmed’ and cemented – fused – into place upon the direct soul-union with your Indwelling Spirit. Then you are of the essence of God, true and perfect to the level of the first Celestial sphere, the first sphere of true divinity.

Mary Magdalene communicating with James 20 November 2017

## DIVINE LOVE HARMONY:

**Immortal harmony:**

**Transformation of the soul is a beautiful harmonious gradual awakening.**

**In a gradual way with the Divine Love and Feeling Healing, as changes in the soul and spirit body occur, these changes will result in the personality slowly accepting the source of these changes as being the Soul God and with the independent will, one can have complete acceptance of our Heavenly Parents, Mother and Father, God.**

**People have loved God and felt loved by God and they have in deed received the Divine Love without ever knowing the truthful identity of this Love insofar as the truths relating with its causality in the human soul and affect upon the spirit-mind.**

**Part of the nature of the Divine Love in our souls is that it activates our spirit body systems and soul so that the nature of God is seen and experienced in the living and this places us in touch with the many Spirit attributes that extend from God and have their existence in God, such as our Indwelling Spirit. God no longer remains inactive to us; inert, inanimate, or an unknown but rather a Soul of living energy whose energy in the harmonies of Love and Spirit, is personified as love that we experience. If I can convey the essence about the nature of Divine Love it is that in its energy, exists the harmony and potential so that one can see the potential that this Love brings to bridge the gap of separation between the individual and God by the harmonies of soulfully living.**

**The Divine Love completes the form of the human being.**

**In essence, one need only direct their soul and the heart of their soul to our Heavenly Parents, the Soul being God, and in this faith one can experience the Love by humbly asking for this Love. This is all that is needed and the touchstone upon the Love's approachable nature.**

**The Love is never harmful or given by God that results in a caused effect of disharmony in the individual. The diversity of human individuality is a great characteristic of human nature and as with experience, one needs experience to ascertain a truth about a certain thing. Experiencing the Love provides a substantiated knowing from which a more objective reasoning follows and a maturity happens.**

**HEALTH with or without the LOVE:**

**Divine Love, with Feeling Healing, has a powerful positive effect on the physical body, balancing the hormones and generally promoting physical health, which is really the same thing as saying that the state of a mortal's soul impacts directly on that mortal's physical health.**

The Master, because he experienced the New Birth soul condition as a mortal, his physical nature was directly affected, so it would be accurate to say that because of this, his nutritional needs were somewhat different from other mortals.

Throughout his ministry (when the New Birth soul condition was his), he was actually in perfect physical health, and this was apparent through a sense of well-being that actually manifested on a physical level as well as a spiritual one. Aman 24 January 2007

The influence of sinful emotions and thoughts and actions upon the soul is such that the spiritual emotions and aspirations of man becomes dormant, and as though not existing, and the soul itself is encrusted with evil.

Through prayer, thoughts and soul longings, the spiritual nature in man can be developed so as to dominate the personality, and he will act in accord with the feelings and emotions of his soul. The evolution of man from the natural being to the purified soul and, if he so desires it, to the state of the divine angel is possible with the Love and Feeling Healing. Jesus 8 September 1955

**A soul encrusted with error results in illness and unhappiness.**

**Soul without the love.**

**Asking for the truth behind your feelings and expressing them is Feeling Healing. This process removes errors and brings harmony and health to the bodies.**

**Soul with the love.**

## The CHOICE is OURS to MAKE:

### Celestial Truth:

Truly all-loving;  
 Living true to oneself;  
 Mind supporting Feelings;  
 Living with the Divine Love;  
 Fully Healed of the Rebellion and Default.

### THE FEELING WAY

Feeling – Ascendance  
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

### THE MIND WAY

Mind – Transcendence  
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,  
 atheists, no spiritual interest,  
 Living the Rebellion and Default.

Hell:  
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

## Our FEELINGS are our SUPREME GUIDES:

# Feelings!

**Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides.** Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.**

Kevin 26 Sep 2017

## **Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.**

Kevin: **So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.**

## FEELING HEALING

**Note:** The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

**Note:** **Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.**

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and total true.” James – Introduction Course to Divine Love Spirituality

PULL ME**

### The NEW WAY of LIFE:

Now for the first time in history, Celestials can be more assertive in making known the availability of Divine Love, and that the only way to progress towards our Heavenly Parents is by engaging in doing one's Feeling Healing.

The Celestials have all but stopped the mind spirits from negatively influencing people on Earth, and the biggest area this is in, is in the religions. So the religions on Earth and all the spiritual systems of the mind, are under pressure in that they are no longer enjoying the input from the mind worlds that they have had. And how this translates into ordinary everyday life, is more in the unseen connection between those in religions on Earth and those of the same religion in spirit, is fading away.

Then at the same time, we, the Celestials, are being allowed to move more freely amongst everyone, both in the mind worlds and with you on Earth. Which means, we can confront and have more of a say in peoples and spirits lives, something that was forbidden the Celestials of the 'old guard'. They were not allowed to interfere at all, having to wait patiently for spirits (as there was rarely anyone on Earth) to show interest in an alternative way to God, which enabled the Celestials to slowly introduce the notion of the Divine Love and then that of doing one's Healing. But it took a long time for mind spirits to show any real interest and being willing enough to give up the power their mind had over them, wanting to seek a higher life.

Celestials can now, following the progress achieved by Marion and James Moncrief, approach and be more freely expressive to spirits on all levels, and also to people on Earth, should they want their help.

Further, those who reject and suppress their children will progressively grow in awareness of their own unloving natures. One will not be able to continue to avoid their feelings of wrongness.

### **Golden Rule: that one must always honour another's will as one honours one's own.**

Thus the three aspects: one, of having more readily available guidance to become aware of the availability of Divine Love; two, the way to become fully expressive of one's soul based personality through the process of Feeling Healing; and thirdly, the quickening of the Law of Compensation through one's greater sensitivity to one's emotional errors and injuries. By having greater personal connection with a Celestial, we are able to move into longing for the Divine Love, and look to healing ourselves and grow in truth, and start to seriously consider embracing one's ascent to Paradise.

# FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE  
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR  
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING  
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU  
FEEL, THINK AND ARE.

# Feelings First Spirituality

## The New Way

**Feelings First**  
**FF**  
**Feeling Free**

The New Way, Feelings First Spirituality  
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings  
 Free your feelings from your mind's control  
 Live true to your feelings; your feelings are your true self  
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.  
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,  
 BAD feelings.  
 Want to understand why you're feeling them.  
 Use your surface feelings to take you deeper into your repressed and  
 hidden feelings.

The Feeling Way is the True Way.  
 Your feelings are your spiritual guide.  
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

**1** Divine Love addresses the issues of the Rebellion.

The availability of Divine Love, should we so ask for it, being revelation 1:

God's Divine Love: Pray for it, ask for it, and receive it.

Whilst we are receiving our Heavenly Parent's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is the Mother and Father's way of loving us into love and then we live what we are, love.

**2** Feeling Healing addresses the issues of the Default.

The way to clear one's soul of childhood errors and injuries is revelation 2:

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Release one's pain through expressing one's feelings.

## U-TURN for HUMANITY:

### Why are we doing a U-Turn?

We are doing a U-Turn **because** the year 2017 heralded the end of the Rebellion and Default. For two hundred thousand years, humanity has been going in the wrong direction.

### What is this fundamental step that will change our way of living?

We are to come to understand / know the foundational cause of all our feelings, both good and bad. As we explore and investigate our feelings, each time they arise, one by one, we are to talk them through, express them to a companion or friend or anyone who will listen. As we express them, while at the same time coming to understand how they have come about, we will find that they will be resolved and that they will not come up again.

We will find that all of our feelings / emotions have their foundations from our childhood. And by childhood, that is from the time of one's conception all the way through to about the age of six. It is the repression of our childhood feelings that is the base or foundational cause of each and every one of our adult personality issues, pains, difficulties, illnesses and distressful life experiences.

**We have to see the whole truth of our negative or self-denial state, before we can heal it and be free of it.**

The vital difference between **emotions** and **feelings** is:

- emotions have their roots in the past,
- feelings relate to the present moment,
- emotions represent feelings not previously expressed,
- and these accumulate over time.

Many emotional clearing processes encourage us to look into our feelings, however, none go so far as to drill down into the core foundation of any emotional feeling to the point that we strive to KNOW the core issue, the origin of the feeling, be it good or bad, and actually come to know what it is!

The *Journey Process* is generally known worldwide. It stops short of longing to know, that is asking for the knowing of the events that brought about such a feeling. Yes, we are to acknowledge the feeling, say being angry. Then accept that behind that anger is the feeling of being small, and then look at the underlying reason of why we are feeling small. What is the truth behind that feeling? Ask our Heavenly Parents what is behind all of this feeling. What is the foundation, the origin of the feeling? All the time talking it out, expressing it, with a friend. The expressing of the experience is the release of the emotion / feeling, this is what removes it for ever from within our essence, our **soul**.

### Why ask our Heavenly Parents? I thought God was just God – singular?

This is part of the revealings that have been unfolding for us very recently – that is – since 2002.

**Feeling  
Healing with  
Divine Love is  
the key!**

We are made in the image of God. This has been understood for centuries, for 2,000 years. Our soul is duplex. Our soul expresses itself through two personalities. One soul 'subdivides' into two, one half always being female and the other half always being male. We are a reflection of how God is. God being one Soul is expressed as Mother and Father. God is two personalities. They are soulmates. And each of us has a soulmate, and our soulmate is always of the opposite sex, because the Mother and Father are the opposite sex.

Thus, when we long for the truth behind a feeling, then we can long to our Heavenly Mother and Father. Only they can tell us. No spirit personality can tell us. No canonised saint can tell us, we may as well ask our next door neighbour. That would be just as productive. Mary and Jesus can't tell us, as they are also spirit personalities.

### **I was taught that Jesus was God? And what is this about Mary?**

Mary of Magdalene and Jesus of Nazareth were both born free from sin. Neither of them are God. They are both children of God, just like you and me.

History needs to be corrected. Both Jesus of Nazareth and Mary of Magdalene became at one (At-One) with our Heavenly Mother and Father during their physical lives here on Earth in the first century; Jesus in the year 26CE and Mary in the year 33CE, or thereabouts. Jesus died aged 35 (born 7BC died 29CE), and Mary died aged 47 or 48 (born 2BC died 47CE).

Further, their sojourn on Earth was the completion of their process to become the full Regents of the sector of planets that is referred to as Nebadon. The region within our super-universe that is referred to as Nebadon contains 3.8 million inhabited planets. If you look into the night sky, each star / sun potentially has between none to three inhabited planets within its orbit. Within Nebadon, the soulmate pair, namely Mary and Jesus, are our Spiritual Teachers of Truth. Their domain is all 3.8 million physical planets plus their associated spirit worlds. Each physical world has seven associated spirit worlds, which is the case for Earth being one of the 37 that have rebelled.

Some 200,000 years ago, Lucifer with his soulmate and his deputy, Satan with his soulmate, brought about a rebellion on 37 of the inhabited planets within the region called Satania, one of the local universal systems of Nebadon. Earth compounded the situation through the Default of Adam and Eve about 38,000 years ago. Thus the population of Earth, being in the worst condition through the Rebellion and Default, became the location for Mary and Jesus to have their physical experience to complete their ascendancy to full Regency of the local universal system being Nebadon.

Their lives on Earth was the start of the unravelling of the Rebellion and Default. Upon Jesus becoming At-One with our Mother and Father, he was then vested with the authority and power to have the Lucifers and Satans arrested, and they now reside exiled within a prison world.

Notice that there were no records of Jesus and Mary's teachings and experiences made during their physical life. That was because they did not specifically come here for us, they came for the benefit of all peoples of all planets and spirit worlds throughout Nebadon.

As they are Paradise descending spirits, they have **Spirits of Truth**. Upon Mary and Jesus' death, they released their Spirits of Truth. As spirits, Jesus and Mary are how we will be, once we've finished our Soul Healing. They can only be in one place at any one time. However, it is their Spirits of Truth throughout Nebadon that we can connect with for guidance. It is through their Spirits of Truth that spirit personalities can progress through and out of Nebadon.

Those planets that have Rebelled need further assistance, and they need it on a localised manner. This can only be provided by another bestowal of a **Paradise Pair**, and that is in the form and manner of an **Avonal soulmate pair** who come here specifically for us.

### **What is the purpose of an Avonal pair, and are they here on Earth?**

Unlike Jesus and Mary who were always free from sin and did not experience how to heal themselves, the Avonal pair are to experience all of the extremes of evilness and then proceed to heal themselves. Mary and Jesus through their bestowal on Earth ended the Lucifers spiritual rebellion in Nebadon; the Avonals bestowal is primarily concerned with ending the Default of Adam and Eve by the Avonals themselves personally healing the effects of such a damaging Fall.

The soulmate Avonal pair are to be, and have been, subjected to the extremes of childhood suppression and repression, and then, through their Feeling Healing, are experiencing all the facets of emerging truth as they slowly progress through a protracted and difficult healing process. As they reach specific milestones, this also enables those in the Celestial Heavens, (the three worlds where Celestials reside) to be empowered to assist us in the physical on Earth.

The first considered milestone was the arresting and imprisonment of the Caligastia soulmate pair and the Daligastia soulmate pair. After the arrest of the Lucifers and Satans in the first century, as nothing further occurred, the Caligastias and Daligastias continued on from spirit as if they were kings and queens, suppressing all of humanity and with plans to take over the universe. It was possibly in the early 1990s that they were 'judged' and 'removed'. They were caught unaware that an Avonal bestowal pair were on Earth.

### **How is all this becoming known? Has Jesus and Mary communicated directly to Earth?**

Unlike in the first century, when no records were kept (as the event related to all of Nebadon and it was actually setting the stage for the Avonal bestowal pair to arrive on Earth), every effort to retain records in great detail of this current series of events is now being attended to. Consider this. The New Testament of the Bible is some 300 pages. The records of the Second Coming, which this is, the primary records are possibly 6,000 pages, with direct complementary records increasing that to over 10,000 pages and with all the supplementary records to date, there may be as many as 40,000 pages, certainly well over 30,000 pages of material presently.

Jesus directly communicated through James Padgett from 1914 to 1923. Mary of Magdalene (Mary M) has directly communicated through James Moncrief from 2002 and is ongoing. Jesus has also communicated directly through James Moncrief. Neither have ever directly communicated through any one else, however, some Celestial Spirit personalities have provided information through other personalities on Earth with the support and approval of Jesus and Mary, thus some confusion, though the quality of the information is very reliable.

## **You say this is the Second Coming? You say I am living during the time of the Second Coming?**

Yes you are. And it's more than that. This is the Second Coming, the End Times and the Handover!

In fulfilment of the prophecy in the first century, the Second Coming commenced on 31 May 1914 through the writings with James Padgett and concluded in 2014 through the writings with James Moncrief.

The End Times are well advanced. Mary and Jesus are well advanced in handing over their direct involvement with Earth to those within the Celestial Heavens. When this is completed, the Handover will also occur. **The Hand Over is to the Avonal Bestowal pair** and it is they who will guide the population on Earth through their Feeling Healing processes for the next 1,000 years, being the next spiritual age. The Handover will take place after the Avonal pair complete their personal Healing of the Rebellion and Default. Then will follow with their Spirits of Truth being officially liberated in alignment with Mary M and Jesus' Spirits of Truth upon their death.

Major events have occurred with the progression of the Avonal pair's Feeling Healing, which they are also doing whilst embracing our Heavenly Parents' Divine Love, thus they are doing their Soul Healing.

| 31 January 2018: | Earth and the seven associated Mansion Worlds (including the two Earth planes) are <b>officially</b> now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default. |

**How does this all fit into our future way of living?**

**This time, in the history of humanity, is the most exciting time ever experienced.**

**The whole human race is suffering from repressed childhood and mind control.**

Through one's Feeling Healing, and should we embrace our Heavenly Parents' Divine Love, then with their Love we are doing our Soul Healing, and eventually we can live totally in accordance with our soul based feelings and live free from error – no more fear and no more physical illnesses is possible!

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

Our soul is always perfect. In fact, we are the complete package. All that we need to know is within our soul. This knowledge has been denied from us since the time of the Rebellion and compounded by the Default. That is what was brought upon us by the Lucifers and his cohorts. We have always been meant

to live true to our soul based feelings but we were taught to embrace our error riddled mind – this was aided by our parents – unknowingly all parents have taught their children to be mind dominant. **This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

“Many people look for a person, spirit, angel, even God, for supreme guidance, however it’s all right there already built in – in our feelings. **Feelings** guide us through our **ascension of truth**. So they are really our Supreme Guides. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it’s there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: **Longing for the truth of our self, because: we are our feelings**. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.”

Kevin of the 1<sup>st</sup> Celestial Heaven 26 September 2017

(Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.)

It is through the assistance of the Spirits of Truth of the Avonal Pair, upon the completion of their Soul Healing, that we will be guided through our Feeling Healing process, and should we embrace our Mother and Father’s Divine Love, then our Soul Healing.

Then should we embrace Mary and Jesus as our Spiritual Teachers of Truth, their Spirits of Truth will lead us on the path through the Celestial Heavens where we will certainly meet up with our soulmate and join our soulgroup, which will eventually consist of twelve soulmate pairs. Then as a soulgroup, the Spirits of Truth of Mary and Jesus will lead us up through and out of Nebadon towards Paradise.

It is then our Mother and Father in Paradise who draw us to them and we will eventually meet our Heavenly Parents.

Meanwhile, while we live on Earth, we will have assistance and guidance previously denied to us throughout the era of the Rebellion and Default. Under the Contract controlling and managing the Rebellion and Default, the powers and capabilities of our Celestial Heaven spirit personalities, all three worlds of them, were heavily restricted and almost of no assistance to us at all. Further, Nature Spirits and our Angels were heavily denied contact with us physical people because of the Rebellion and Default, all of which is soon to change, so we can look directly to them for help concerning healing ourselves and understanding all aspects of nature.

As we embrace our Feeling Healing, Celestial spirits will and can greatly assist us. In fact, during the year of 2017 they have blocked all mind spirits from the Natural Love Mansion Worlds: 1, 2, 4 and 6 from interfering with us. Celestials have taken control of all facets of living and life on Earth. Celestials are those spirits who have completed their Feeling Healing and progressed through Divine Love Mansion Worlds 3, 5 and 7 and now live in the higher Celestial Heavens, 1, 2 and 3 (when we become At One with our Heavenly Parents then we leave the Mansion Worlds and progress through the next three spheres related to Earth, hence the Celestial Heavens are also referred to as being numbered 8, 9 and 10).

The Nature Spirits of Earth, who live in the third Earth plane, can now directly interact with those who are embracing their Feeling Healing. Nature Spirits are essentially ‘angels in waiting’. They have been on Earth prior to anything that we now see living in nature. When they first started to arrive, there was no life in the seas or on land. They have consequently witnessed everything that has happened on Earth, including all prior human civilisations that we continue to largely remain ignorant of. Their knowledge and assistance is of great importance to us. We are to interact with them on an ever increasing scale. They are to become an invaluable source of information for us concerning how we are best to live with nature.

Further, we may become more aware of our **Indwelling Spirit**, which arrives for each of us during our sixth year, as we now progress with our Feeling Healing, or with Divine Love, our Soul Healing.

And all of this is possible as we embrace our Feeling Healing process, acknowledge and accept the Avonal pair, acknowledge and accept our Spiritual Teachers of Truth, namely Mary and Jesus, and more importantly, grow to love our Heavenly Parents, our true Mother and Father.

We do not need intermediaries, rituals, liturgy, dogmas, creeds, fancy clothing, or institutions. It is our soul based feelings and expressions that we may exchange directly with our Heavenly Parents. Groups may form to assist each other, and that is our choice and within our free will.

**This is the greatest event in the history of humanity.**

This is the Great U-Turn that humanity will embrace throughout the next 1,000 years. MoC 1,480

**DIVINE LOVE does not TRANSFORM one's SOUL  
FEELING HEALING is what TRANSFORMS one's SOUL**

The Divine Love does transform our soul from Natural love into Divine Love. It's our Feeling Healing that 'transforms' or heals our erroneous expression of Natural love. We have to 'heal' and so perfect our Natural love, so it can then be transformed by the Divine Love.

Divine Love does not even begin the real work of transforming one's soul, for those who focus upon receiving Divine Love to the exclusion of embracing one's Feeling Healing, they are just expanding their mind's control over themselves. Should this be one's passion, then upon passing into the spirit Mansion Worlds they will find that they can continue along this path all from within the Divine Love followers segment within the first natural love Mansion World! Yes, only from within the first natural love Mansion World.

Most of humanity on Earth does not want to face the very truth their feelings are making them feel every day of their life. So if they want to keep living in the spirit Mansion Worlds as they did on Earth, in complete denial of their feelings and the truth they are to shown about their wrongness, they can.

However, for those who have embraced Divine Love and begin to engage in their Feeling Healing process to begin the transformation of their soul, they will be able to sense the Divine Love already within their soul 'driving them on'. One's understanding and adjusting will be changing rapidly to that of embracing all about the Healing and doing it – all being supported by the Divine Love that one may have received previously. All one may have done with the Divine Love may make their introduction into their real Healing, by using their feelings, much easier than it is for other spirits from the mind worlds who are at the same time having to wrestle with many of their old religious beliefs or mental programming, having to take on a whole new mind-set which one could see would take some of them years, whereas for someone who has been longing for and receiving Divine Love for some time it may be only a matter of weeks. This also applies to those living in the physical.

It is the Feeling Healing process that transforms one's soul towards perfection, towards the ability to fully express one's true personality as given to us by our Heavenly Parents, it is the Divine Love that then fits that transformed soul to be able to enter the Celestial Heavens.

**Holy Spirit infusing Divine Love.**

**Progressive escalation of Divine Love flowing.**

**Visualise yourself as you were when young and with an empty bowl, and then thankfully ask the Mother and Father for Their Love – Their Divine Love:**

***"Please, Mother and Father, I want some more."***

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

**Our salvation IS by embracing Feeling Healing with the Divine Love.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Please Mother and Father, may I receive Your LOVE.**

**“Every day is a day of devotion.”**

**Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.**

**“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”**

**“Mother – Father, I desire your Love and I am loving you.”**

**“Soul God, I love you and I love receiving and experiencing your Divine Love.”**

**“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”**

**Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.**

**One can simply receive the Love without following any religious or spiritual teaching taught by man!**

**Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.**

#### **Three Great Truths:**

- **God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

**WORLD PEACE only with FEELING HEALING and LOVE:**

Nothing will bring world peace and harmony onto this planet but the embracement and infusion of the Mother and Father's Love, Their Divine Love, together with Feeling Healing, by all of the people throughout all the communities, all faiths, around the world. Only Their Love is the substance that will progressively and with certainty remove from each of us those erroneous emotions that bring about fear and disharmony.

The awareness and embracing of the Love has no barriers, it is available to all. All faiths and spiritual practices can and will be invigorated and strengthened by the understanding of the availability of the Love, with Feeling Healing, the sharing of how to receive it, and by the knowledge of what it provides, particularly how one's soul condition develops with the Love.

The Love is the greatest gift in the entire universe. The universality of the Love will bring about global celebration of the harmony that will result between all and the benefits to all individuals, which are far too numerous to comprehend.

With FEELING HEALING and the LOVE will come the greatest advancement in the history of humanity. Nothing is surer and nothing will prevent this, just our resistance will delay this.

The time is ripe for us all to consider, embrace, enjoy, and share with all, our family, our neighbours, our friends, our associates and any one that we may connect with.

### LOVE of the MOTHER and FATHER:

We mainly commence our journey of discovering our relationship with our Heavenly Parents, God, through the intermediary relationship of one of many religions and the even more numerous religious institutions. Frequently we have given our power and rights to an intermediary to intercede on our behalf. Our Mother and Father seeks to commune directly with us.

As we progress in our development and growth of love for our Mother and Father, our Creator and Source Soul, then we find a relationship and personal love for and with Them. This developing personal dependence on our Parents can and is supported by our religion teachers as well as by our never tiring spirit guides. Asking for, praying for and receiving the Parent's Love, Their Divine Love, which is always available for us, is the ultimate blessing that can only come about by the development of our own personal relationship with our Heavenly Parents.

As our soul develops and expands with the infusion of the Love, our relationship and love of Mother and Father develops into the beautiful joy and blessings that is there for us all. Our personal relationship and dependence becomes all embracing erasing our childhood developed intellectually based self dependence.

With the Parent's Love, and one's Feeling Healing, comes an ever growing loving life experience that is beyond words and expectations. The Love of the Parent's, with Feeling Healing, is the only gift that brings about forgiveness of our errors and fits us to enter the higher spheres well above those based on self reliance and natural love, the only love that we are blessed with at conception.

PROCESS of FORGIVENESS  
PROCESS of FORGIVENESS  
PROCESS of FORGIVENESS  
PROCESS of FORGIVENESS

is also the PROCESS of REMOVING HARMFUL EMOTIONS  
is also the PROCESS of HEALING BODIES Physical Spiritual  
is also the PROCESS of SOUL GROWTH with the LOVE  
is also the PROCESS of CLEANSING the SOUL

Our Heavenly Parents send the Holy Spirit, the Spirit, to those who long for and ask for Their Love and assistance. All you need do is ASK!

“The New Birth is the flowing of the Spirit of God into your soul and the disappearing of all that tends to turn your heart from the truth and Love of God in conjunction to doing one’s Feeling Healing.”

“The Holy Spirit is God’s messenger or instrument that carries into the soul the Divine Love that is bestowed on the truly penitent man.”

“The Holy Spirit when the penitent prays for the Love the Holy Spirit will respond and fulfil the work that the Mother and Father has provided it to do.”

“The only thing that saves a man from their sins / errors and reconciles them to the Mother and Father is that they must become conscious of God’s Truths and receive the Holy Spirit into their souls.”

Continuing with one’s longing for Truth and asking for our Parents’ Love enables progressive removal of emotional errors and injuries that then lead to the removal of core emotional damage, and then, subsequently, the progressive filling and expansion of one’s own soul. Removal of these soul injuries through Feeling Healing also leads to the removal of damage to one’s spirit body and the restoration of one’s health.

It is only by the infusion of this Love while longing for Truth within one’s soul in sufficient quantities does one become fitted to enter the Celestial Heavens.

Soul development, with the Love, can take a soul from being a dried up garden pea to that of a simple candle, and then onto that of a blazing sun!

**The LOVE that brings about FORGIVENESS:**

This Divine Love, and by this I mean the only way through which salvation can be obtained, can enter and fill the soul through the sincere longing of the soul to assuage the thirst for at-onement with the Father through prayer.

Revelation 17 – November 12th, 1960 – Jesus

**The only way for man to achieve forgiveness of sins is through the obtaining of the Divine Love or through purification of the natural love, a long and tedious process that fits the individual soul for a place in the Sixth Sphere.**

Revelation 50 – October 18th, 1954 – Jesus

Divine Love fits a personality to enter the Celestial Heavens, way above the 6<sup>th</sup> Sphere. Without this Love, man cannot enter the Heavens. It is this Divine Love that brings about immortality for man.

This great Love of the Father was created or rather has always been, for the redemption of the vilest sinner who seeks and believes.

March 24<sup>th</sup>, 1915 – Ann Rollins

Only the Divine Love can give man of a Divine Nature, and that no self development or cultivation of the Natural Love to the greatest and most sublime extent are sufficient to make man at one with the Father in the divine sense and which makes the spirit a partaker of this Divine Essence of the Father. One needs to come to understand the difference between the two loves and what the New Birth means.

**DIVINE LOVE WAY or the NATURAL LOVE WAY:**

Without embracing one's Feeling Healing process and receiving Divine Love, the Love of our Mother and Father, our progression is totally dependent upon our own personal endeavours and capabilities, that is, our perseverance and willpower.

We are all blessed with natural love, which is the essence of our soul. To develop ourselves to that of being the perfect man is a slow and persistent application of our own attributes and will power, the time required to achieve such perfection may take many centuries of dedication, and even then we only become the perfected being fitted for the 6<sup>th</sup> sphere of the natural love spheres. We cannot progress any further without embracing the Love of our Mother and Father, the Divine Love.

Once we recognise the availability of our Parents' Love and begin to ask for and receive it, our progression begins to escalate exponentially. Further, with the Love we can become fitted to enter the Celestial Heavens, the first of which is the 8<sup>th</sup> sphere in progression. We can progress through the Celestial Heavens into the Eternal Spheres and then on into the Spheres of Paradise.

Accounts of spirit people who's condition have been so poor to fit them only for the hells, namely the Spheres of Disharmony, show that even they can progress from the lowest of conditions to being within the Celestial Heavens, way above the highest sphere of the Natural Love spheres, within or around three or so years. Some achievements have been:

James Padgett entered the Celestial Heavens within 28 months of his passing.

Helen Padgett was in the Celestial Heavens within 12 months of passing.

Nita Padgett progressed from low 1<sup>st</sup> sphere to Celestial Heavens within 24 months of passing.

Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.

Bradley Cooper, son of Kevin, suicided on 21 September 1999 and early April 2018, became Celestial.

Emperor Nero progressed out of the low hells to Celestial Heavens by receiving Divine Love.

Emperor Julius Caesar moved from the hells to 3<sup>rd</sup> sphere within 19 months from receiving the Love.

George Butler progressed from the hells to the 3<sup>rd</sup> sphere within 38 months by receiving the Love.

President Grover Cleveland moved from dark spheres / hells to 3<sup>rd</sup> sphere in 20 months with Love.

President John F Kennedy became Celestial following 15 years embracing Feeling Healing process.

R. Ross Perry progressed from the hells to 3<sup>rd</sup> sphere over 30 months by receiving the Love.

**It is only one's Feeling Healing with the Love that forgives sin, dissolves the errors and fits a person for a higher habitat.** Man, left to his own devices, can require many centuries to grow and then cannot enter the Celestial Heavens.

Focusing only upon personal development may remove, or most likely reduce in significance the influence upon one's personality man-made emotions that are obviously those emotions that bring about harm to others as well as to one's self. We are never able to fully remove man-made emotions from our personality. That is, only when we are fitted to enter the Celestial Heavens and being at one with our Parents are we free of the embellishments of man made emotions. Yes, as we progress in our development such man-made emotions are progressively diminished and subsequently put aside due to our personal willpower, however that typically requires eons of application to this cause.

By embracing the Mother and Father's Love then we bring about rapid growth and development of our soul condition as it is our Mother and Father's Love with Feeling Healing that progressively dissolves man-made emotions that we have taken on board, typically during our very early childhood due to our family environment.

GEMS for ALL PEOPLE of all AGES to EMBRACE:

The GOLDEN AGE!

***Cause No Harm*** < to OTHERS  
to MYSELF

**Strive to love others as I am to love myself**

At any time, any where, and in any way you so please:

Approach our Heavenly Parents, in reverence, without fear or trepidation, just as we, as a child, approach our earthly parents knowing that open loving arms are extended to receive us at all times. As one's love grows for our Mother and Father in the Heavens, we come to know with absolute clarity and certainty that our Heavenly Parents, loves you and me and everyone in return, at all times, and that fear is an illusion created by man's mind.

God, who is our Heavenly Mother and Father, is almighty, all powerful, infinite, and all loving. The love of the Heavenly Parents for Their children, man, has been and is always infinite and ever present. As one's faith evolves, one's love for our Heavenly Parents will have no limit. As we grow in Their love, so will we grow in love for all of God's creations and our fellow man.

The Source Soul, our Heavenly Parents, simply desires for us to ask for Their Love.

God's Divine Love: Pray for it, ask for it, and receive it.

"I love you Father." "Let the Divine Love flow its energy into my soul."

"Mother, Father, I desire your Love and I am loving you."

"Soul God, I love you and I love receiving and experiencing your Divine Love."

"True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul."

"Please Father and Mother, may I receive Your LOVE."

Maybe we could simply long for and ask:

*Please, Mother and Father, I want some more of your Love!*

## **The Only Prayer That Man Need Offer to the Father:**

**The Prayer for Divine Love**

(as given within the first century)

I am here, Jesus

**P.438 Book of Truths through James Padgett / Jesus**

Let your prayer be as follows:

**Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.**

**That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.**

**We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.**

**Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.**

**Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.**

**Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.**

**We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.**

**We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.**

**Amen**

Note: The 'false teachers' are our parents, as they are also the 'evil ones'.  
Also, the evil ones, being those parts of one's mind, that are controlling you.

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad Feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.  
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.  
Primary and most important readings are the writings of James Moncrief.  
Then consider the Padgett Messages, and then The Urantia Book.**

**DIVINE LOVE and DIVINE TRUTH Revelations and Teachings escalating:**

**The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.**

**But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Mother and Father's Grace.**

**Judas – August 19<sup>th</sup>, 2001**

**Cause No Harm** < to OTHERS  
to MYSELF

Strive to love others as I am to love myself

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Divine Love  
is the key!

**God's Divine Love:  
Pray for it, ask for it, and receive it.**

Feeling Healing with  
Divine Love is the key
