AGENTS OF CHANGE AND PARTNERS

7 October 2023

Orchestrating CHANGE

Moving Closer Together

WELCOME CHANGE.

TRANSITIONING from the OLD WAY to THE NEW WAY – 2023

In 1980 BC, Machiventa Melchizedek materialised outside Salam to commence the preparations for the arrival of the Creator Daughter and Son on Earth through arrangements to be instigated by Abraham.

Around 20 CE, through becoming aware of their status, the Creator Daughter and Son being here on Earth for all of the humanities throughout their Local Universe of Nebadon, all 3,840,101 humanities, brought about the availability of our Heavenly Mother and Father’s Divine Love and opened the Celestial Heaven spheres in each of the 10,000 Local Systems under their jurisdiction. Within each of the systems, the healing spirit Mansion Worlds were also opened.

SATANIA – System
Earth is #606 of 619 humanities.
Celestial Heavens Spheres

Upon death of our physical body, we all transition to the 1st Mansion World

With regards to the 37 rebellion humanities, the arrangements for the arrival of an Avonal Pair to specifically address the unique aspects on each of the 37 rebellion world, including the particular nature of the Rebellion and Default on Earth, in how it is to be addressed. There is to be an Avonal pair to visit each of the 37 rebellion worlds.

Presently in 2023, it could be speculated that of Earth’s humanity there may be more than 200 billion personalities throughout the spirit Mansion Worlds 1, 2, 4 and 6, with the bulk of those in spirit Mansion Worlds 1 and 2. There is an unquantified number progressing through the healing Mansion Worlds 3, 5 and 7. At the time of the opening of the Celestial Heavens, there was no one even ready to enter any of these Celestial Heaven spheres. The numbers had to progressively build up to a level that can support the agendas of the Avonal Pairs for them to each arrive on their assigned Rebellion world. The numbers now throughout the Celestial Heavens relating to Earth’s humanity may be speculated as being around 30 billion.

The Avonal Pair, now present on Earth, are bringing about changes throughout the three Celestial Heaven spheres, the three healing spirit Mansion Worlds and the four mind spirit Mansion Worlds, the physical humanity on Earth and subsequently the two Earth planes that are of the hells for Earth’s humanity. There are sectors in planes for transitioning as there are for lost and Earth bound spirits. Nothing is to remain the same and that is becoming plainly obvious throughout.

415.3) 37:9.11 **The Urantia Book (TUB): “*The Midway Creatures*.** In the early days of most inhabited worlds, certain superhuman but materialised beings are of assignment, but they usually retire upon the arrival of the Planetary Adams. The transactions of such beings and the efforts of the Material Sons (such as Adam and Eve) to improve the evolutionary races often result in the appearance of a limited number of creatures who are difficult to classify. These unique beings are often midway between the Material Sons and the evolutionary creatures; hence their designation, midway creatures. In a comparative sense these midwayers are the permanent citizens of the evolutionary worlds. From the early days of the arrival of a Planetary Prince (such as Caligastia for Earth) to the far-distant time of the settling of the planet in light and life, they are the only group of intelligent beings to remain continuously on the sphere. On Urantia (Earth) the midway ministers are in reality the actual custodians of the planet; they are, practically speaking, the citizens of Urantia (Earth). Mortals are indeed the physical and material inhabitants of an evolutionary world, but you are all so short-lived; you tarry on your nativity planet such a short time. You are born, live, die, and pass on to other worlds of evolutionary progression. Even the superhuman beings who serve on the planets as celestial ministers are of transient assignment; few of them are long attached to a given sphere (being a world like Earth). The midway creatures, however, provide continuity of planetary administration in the face of ever-changing celestial ministries and constantly shifting mortal inhabitants. Throughout all of this never-ceasing changing and shifting, the midway creatures remain on the planet uninterrupted carrying on their work.”

9. The Midway Creatures (The Urantia Book – TUB)

(brackets added by author)

(424.1) 38:9.1 The midway creatures have a threefold classification: They are properly classified with the ascending Sons of God; they are factually grouped with the orders of permanent citizenship, while they are functionally reckoned with the ministering spirits of time because of their intimate and effective association with the angelic hosts in the work of serving mortal man on the individual worlds of space.

(424.2) 38:9.2 These unique creatures appear on the majority of the inhabited worlds and are always found on the decimal or life-experiment planets, such as Urantia (Earth). Midwayers are of two types — primary and secondary — and they appear by the following techniques:

(424.3) 38:9.3 1. *Primary Midwayers*, the more spiritual group, are a somewhat standardised order of beings who are uniformly derived from the modified ascendant-mortal staffs of the Planetary Princes (Caligastia soul partner pair was the Planetary Prince of Earth). The number of primary midway creatures is always fifty thousand, and no planet enjoying their ministry has a larger group.

(424.4) 38:9.4 2. *Secondary Midwayers*, the more material group of these creatures, vary greatly in numbers on the different worlds, though the average is around fifty thousand. They are variously derived from the planetary biologic uplifters, the Adams and Eves (being material sons and daughters), or from their immediate progeny. There are no less than twenty-four diverse techniques involved in the production of these secondary midway creatures on the evolutionary worlds of space. The mode of origin for this group on Urantia (Earth) was unusual and extraordinary.

(424.5) 38:9.5 Neither of these groups is an evolutionary accident; both are essential features in the predetermined plans of the universe architects, and their appearance on the evolving worlds at the opportune juncture is in accordance with the original designs and developmental plans of the supervising Life Carriers.

(424.6) 38:9.6 Primary midwayers are energised intellectually and spiritually by the angelic technique and are uniform in intellectual status. The seven adjutant mind-spirits make no contact with them; and only the sixth and the seventh, the spirit of worship and the spirit of wisdom, are able to minister to the secondary group.

(424.7) 38:9.7 Secondary midwayers are physically energized by the Adamic technique, spiritually encircuited by the seraphic, and intellectually endowed with the morontia transition type of mind. They are divided into four physical types, seven orders spiritually, and twelve levels of intellectual response to the joint ministry of the last two adjutant spirits and the morontia mind. These diversities determine their differential of activity and of planetary assignment.

(424.8) 38:9.8 **Primary midwayers resemble angels more than mortals; the secondary orders are much more like human beings.** Each renders invaluable assistance to the other in the execution of their manifold planetary assignments. The primary ministers can achieve liaison co-operation with both morontia- and spirit-energy controllers and mind circuiters. The secondary group can establish working connections only with the physical controllers and the material-circuit manipulators. But since each order of midwayer can establish perfect synchrony of contact with the other, either group is thereby able to achieve practical utilisation of the entire energy gamut extending from the gross physical power of the material worlds up through the transition phases of universe energies to the higher spirit-reality forces of the celestial realms.

(425.1) 38:9.9 The gap between the material and spiritual worlds is perfectly bridged by the serial association of mortal man, secondary midwayer, primary midwayer, morontia cherubim, mid-phase cherubim, and seraphim. In the personal experience of an individual mortal these diverse levels are undoubtedly more or less unified and made personally meaningful by the unobserved and mysterious operations of the divine Thought Adjuster (Indwelling Spirit which we each receive during our sixth year from being born).

(425.2) 38:9.10 On normal worlds the primary midwayers maintain their service as the intelligence corps and as celestial entertainers in behalf of the Planetary Prince, while the secondary ministers continue their co-operation with the Adamic regime of furthering the cause of progressive planetary civilisation. In case of the defection of the Planetary Prince (Caligastia soul partner pair) and the failure of the Material Son (Adam and Eve), as occurred on Urantia (Earth), the midway creatures become the wards of the System Sovereign (that was Lucifer soul partner pair until their imprisonment in 26CE) and serve under the directing guidance of the acting custodian of the planet. But on only three other worlds in Satania (our Local System) do these beings function as one group under unified leadership as do the united midway ministers of Urantia (Earth).

(425.3) 38:9.11 The planetary work of both primary and secondary midwayers is varied and diverse on the numerous individual worlds of a universe, but on the normal and average planets their activities are very different from the duties which occupy their time on isolated spheres, such as Urantia (Earth).

(425.4) 38:9.12 The primary midwayers are the planetary historians who, from the time of the arrival of the Planetary Prince (500,000 years ago) to the age of settled light and life, formulate the pageants and design the portrayals of planetary history for the exhibits of the planets on the system headquarters worlds.

(425.5) 38:9.13 Midwayers remain for long periods on an inhabited world, but if faithful to their trust, they will eventually and most certainly be recognised for their agelong service in maintaining the sovereignty of the Creator Son (Jesus and Mary Magdalene); they will be duly rewarded for their patient ministry to the material mortals on their world of time and space. Sooner or later all accredited midway creatures will be mustered into the ranks of the ascending Sons of God and will be duly initiated into the long adventure of the Paradise ascent in company with those very mortals of animal origin, their earth brethren, whom they so jealously guarded and so effectively served during the long planetary sojourn.”

(425.6) 38:9.14 [Presented by a Melchizedek acting by request of the Chief of the Seraphic Hosts of Nebadon.]

The Midwayers, being part angelic spirit personalities and part human, who came with the assignment of our Planetary Prince, Caligastia, some 500,000 years ago and further came with Adam and Eve's

assignment on Earth more than 38,000 years ago, have remained out of sight and communication until now. It is through the steps now unfolding to end the Rebellion and Default on Earth that the Midwayers on Earth are beginning to make themselves known again. Primary midwayers resemble angels more than mortals; the secondary orders are much more like human beings. It is only now, in 2023, that the remaining 100 midways, being 50 pairs, have met with Jesus and Mary Magdalene for the first time. The 50 lady midwayers are presently openly working with a selected group of personalities from Earth who have been progressing through the 5th spirit healing Mansion World and are mostly now in the 7th healing Mansion World. These 50 midwayers have in cooperation with them a Celestial soul group each. These Celestial soul groups have taken up a specific sector within the 3rd Celestial Heaven sphere to continue their support in progressing spirit personalities who are now progressing through the healing spirit Mansion Worlds, mostly having progressed into the 5th and then onwards. Each Celestial soul group consists of 24 personalities, being 12 soul partner pairs. In total that is 1,200 celestial spirits from with 3rd Celestial Heaven sphere level experience and capabilities.

Midway Creatures

James: Monday, 9 October 2023

There are Primary and Secondary Midway Creatures ‘on’ Earth, which means, they exist in the Angel earth plane, as in, they have their Midway Creature Sector there, and one can read more about them in The Urantia Book.

They are a ‘product of Earth’ in that they are ‘home grown’, again The Urantia Book explaining how they came into being; and then how their numbers were greatly reduced because many of them were forced, coerced, and perhaps even volunteered, to go into rebellion, and so were interned by the Higher Universal Authorities and prevented from being of service to humanity.

Of the roughly 2,000 Secondary Midway Creatures (affectionately called ‘Midwayers’ by the spirits currently involved with some of them), a total of fifty women and men Midwayers were chosen to become ‘friends’ with fifty women spirits, their personal, and at times very intimate, relationships beginning in the fifth Mansion World, all the fifty women spirits doing their Spiritual Healing and being Angel Girls; and still currently continuing in the seventh World, they being chosen to become involved with the Midwayers. The Angel Girls with their Midwayers, then became known as Midway Girls, some with women Midwayers, some with men Midwayers, with whom was ‘put’ with whom, being chosen by the Midwayer Council and Higher Angels. And so far, these personal relationships are still very loving, all the chosen partners so happy together, none of them failing, all getting closer as the spirits progress in their Healing.

This bringing together of Midwayers with spirits on such a personal level has never happened before, it’s a new change that’s come to humanity and the Midwayers based on the ending of the Rebellion and Default.

The non-rebellious Midwayers were denied personal relationships with people on Earth, when ordinarily, such as on non-rebellious planets, the Midway Creatures fraternise with people on the earth in various ways so as to help each other evolve and grow. For people, that is to provide experiences with the Midwayers so they can further grow in truth; and for the Midway Creatures, from the interaction and experience of being with people, and possibly having very close relationships with some people, they grow in truth and mind. A Midway Creature is created midway between an Angel and a Spirit, so an Angel of Mind, and a Spirit of Truth. So the Midwayers at the same time through experience are growing in Truth, as they are also growing in their Mind, as Angels grow in Mind through experience.

Because of the Rebellion, Earth’s Midway Creatures were denied any personal interaction with people, so for all their existence, nearly 40,000 years for the Secondary Midwayers, since the times of Eve and

Adam, they have not been allowed to have anything personally to do with people. And as you can imagine, it means both people, so humanity, and the Midwayers themselves, have been denied a huge amount of life experience, and so truth and mind advancement, coming from it.

So the Midwayers are heavily in deficit, so in a way, not very evolved, or are not as much as they should be. So it was decided that the Midway Girls were chosen to be with the Midwayers in a very personal, one-on-one capacity, so as to help the Midwayers grow and evolve their lacking spirit side of truth. Their angel side is well developed, because they spent all their time mostly with Angels, so it's been their truth or spirit side that's been the most severely denied. So quickly by being involved with the Midway Girls, all the Midwayers are now growing in their spirit side, learning about and expressing their feelings, growing in truth from them, understanding about having personal and intimate relationships with spirits, all ending their heavy denial.

The Midwayers have times when they all come together for 'group sharing' sessions. They will share all they've experienced say in a week, with another, then within a larger group, and so on until they have all shared, and so in that way, all gained from the truth and mind they've all experienced for that week. So the fifty Midwayers being with the fifty Midway Girls have been continuously sharing all their experiences and all they've got from them with the others of their kind, so all the Secondary and Primary Midway Creatures are slowly ending their denial of so many years. And this is all in preparation for the next Age, the Avonal and Angel Age, when the Midwayers will be able for the first time since their creation be active with people on Earth. So the fifty Midwayers being with the Midway Girls in the Mansion Worlds is providing a bridge for when the Midwayers are able to be with people, the gulf between them won't be so great. And this gulf needs to be bridged to a certain degree so the Midwayers will be better able to serve the people they are chosen to be with, those people mostly doing their Healing, as the Midway Girls are; so the Midwayers from being involved with the Midway Girls can help the people on Earth with their Healing, and will know more about what to expect and how to deal with all that will come up between the Midwayers and such people.

From what I understand, and things are in a state of flux because of all the changes, the Midwayers will only have personal relationships with people doing their Healing, or who will do it. They will at times help people who are not doing their Healing, who are continuing to live rebelliously, however will not develop personal relationships with such people, because technically those people by still being in rebellion by default will be rebelling against the Midwayers who are not of the Rebellion and Default. So technically the rebellious people are saying, we reject your Midway help, just as everyone had done through the Rebellion, which is why the Midwayers, Nature spirits and Angels have not been allowed to interact personally with people over the years. So all of this is to change when people start doing their Healing, because they are in effect saying we welcome you Midwayers, Nature spirits and Angels in our life, we want the Mind Beings to help us, we are striving to give up rejecting you by being rebellious, we want to end being unloving, and love you and allow you to love us. And that change too will be reflected in people who are doing their Healing as in how they relate to Nature, which is also a part of the Mind Being side of Creation, so instead of rejecting it as we've done all the years of the Rebellion, such people will start to love it truly.

Some examples of how the Midwayers might help people on Earth is by talking with them, sharing feelings, both from their spirit and angel perspectives, helping those people with their Healing. Helping them with practical things in life, as the Midwayers have the ability to come out of being invisible in their Angel plane, 'dropping' into the material plane, and so being able to touch people and people touch them. So the Midwayers can do anything that the Earth people can do, and more, because they are very strong, fast, and have ready access to other invisible Mind Beings and Angels who can manipulate the physical realm in any way that's required by the needs of people's soul for the life experience needed.

The Midwayers have their own ‘look’, sort of like a person or spirit, and sort of like an Angel. I don’t know exactly how they look, I can’t see them, it being how the spirits tell me they look. And then if needed, they can change their look, their whole form, as an Angel can, so looking like another person, a creature, real or mythical, or I guess anything else.

They are currently active a little on Earth, with some of what they do being told to me by spirits, although as yet I’ve not seen them, they’ve not materialised for me, or affected the physical plane; however for other people, they have saved them from getting run over, suddenly someone is moved out of the way, lifted up, saved from drowning, all sorts of things to help them continue with their physical life; and then if they are to end their life, they might help a person fall off a cliff, drown in a river, get run over. They are impartial in what sort of work they do for us, being objectively and unconditionally of service, acting in that capacity more as an Angel might. Then they might ‘present themselves’ as Jesus, a White Light, simply be words in the ether someone can suddenly hear, perhaps an instruction or telling someone they are going to be all right. Mostly it’s mind spirits involved in those sorts of happenings people talk about when they’ve had out of body experiences, those spirits pretending to be Jesus and God, depending on what you believe in, however under certain circumstances it might be a Midwayer, or even a person’s Indwelling Spirit speaking to them as God.

All what the Midwayers will do with people who they are asked to become very personal with, I don’t know, however such people will have very loving and extraordinary experiences with them, just as the spirit Midway Girls are having.

Humanity is to understand that it can’t grow in truth all by itself. We’re in an eternal partnership. We need continual help and loving support from the Mind side of Creation, so on Earth, from Nature, and the Earth itself, so we can physically grow and catch food and make shelter; from the Nature spirits who can help educate us about Nature and the physical world and how to live truly and sustainably on it; the Midwayers to help move things around, including people, to have personal relationships with some people so we can better understand their kind; and Angels, including every person’s two Guardian Angels, to all the many other Angels that keep the world running as it should, so as to allow all the experience people and the Mind Beings need.

Without the Mind Being help, humanity wouldn’t be able to survive on the world. And if we lived without the Rebellion and Default, as some people of the next Age will live, those doing, and who will complete, their Healing, then humanity will start to live on Earth with such continual help, some seen and some unseen, yet it all adding to the quality of life and one’s spiritual growth.

So all humanity in time will know about, and possibly see, Midwayers being active on the physical plane, they helping to bridge the gap between the seen and unseen, between people and the Angel side of things.

The Nature spirits and Angels will remain unseen, only ‘seen’ by people who have psychic Second Sight, whereas the Midwayers will appear and disappear. They could be hugging you for example, you feeling them holding you tightly, as they talk to you in your mind, or out loud if need be, and yet all the time remain invisible, so you can feel them and not see them, unless you have Second Sight. So people of The New Way in the next Age potentially will have very different life experiences on Earth to what we being wholly of the Rebellion have had, we being denied all the loving support from the Mind Beings.

Nature Spirits: With Verna – a Nature Spirit

by James Moncrief

Verna, a Nature Spirit: “I am one of the 'Little People of Light' or commonly called a nature spirit. We go by other names: elementals, elves, fairies and the like, but really we're nature spirits as my speaking with James will show you. We are only concerned with nature, the nature of Earth – our world. Earth is our world more than it is yours, as you're all passing through, whereas we're permanent residents.

We nature spirits have an hierarchy, some of us being more evolved than others – older – and we're considered to be a slightly lower creation than that of angels, as it's angels, a certain type, that create us. And when we have served you well, we can if we want, move up to becoming an angel, we can evolve into one.

Yes, we all do at some point. We all want to understand our heritage.

James: And would you mind sharing it with me?

Verna: I wouldn't mind, but it's difficult. It's not so much saying I was, or rather my spirit was, once this or that creature, as so many of you mortals and mind spirits say your past lives were, (which we humans do not have a past life) for it comes to us as light, and in that light as a knowing, an awareness, just as part of us. And to further complicate things in regards to myself, I was drawn from the creature spirit from other universal worlds, not of Earth, for as I told you, I was created on Earth before life began. And so there are as you now surmise, those of us who were the original nature spirits, but were not 'of' this world so to speak, that being in a spirit sense. And then since life has been on Earth, there are those nature spirits 'drawn up out of' the indigenous creature spirit. We refer to them as the 'locals'. And as there is now so few of us original 'out of towners', the locals predominate.

So as you'd not be able to relate to the creatures my spirit comes from, all I can tell you is there's a good mix of aquatic and terrestrial in me. I'm a good balance.

And yes to read your mind, there are nature spirits with varying mixes of creature spirit. Some feeling more of an affinity for the plant kingdom, others for the oceans or rivers, and others for land, and of course, mixtures of all. And so yes, to read your thoughts again, as you would expect, those of more plant spirit feel drawn more to the plant side of things, and so that's how it is, those nature spirits tending to the plant kingdom.

James: So your spirit is very complex?

Verna: Yes, it's not as straightforward as is yours, yours coming solely from your soul. Your spirit is your own unique spirit expressing the light of your soul; our spirits, also uniquely our own, however come from a composite of many other spirits. And in my case for example, and I'm about average, or 'usual' – as much as I hate to admit it, **I'm composed**, for want of a better word, **of about five hundred billion creature spirits**, so yes, you could say we're complex on that level. And yet on other levels, we're considered rather basic, we are after all *only* nature spirits, not great angels.

James: I suppose the spirit of a bacteria is not that big.

Verna: It's not a matter of big or small in the sense that you know it. It's all a matter of life experience, of light. All creature spirits are composed of light, this light being seen, related to, understood, even broken down into its component parts by higher angels. As you've been told, as it's the same for you, each experience you live is composed of many 'lights', that being that much light in the spirit of that experience. So our spirit existence is literally a sum of all the light experiences of light those creatures lived. Your light experience, or the light from your experience, goes into your soul, and then re-emerges being expressed as your spirit, as all that you are, all that sustains you in Creation; your truth being one part of that spirit that becomes manifest, that you live. The light from all our experiences goes into our mind, that being, into expanding and evolving our mental awareness and capabilities, the higher angels having a greater mind than we do. And that angelic mind is not to be confused with your mortal or spirit minds because the two are vastly different. The angelic mind you can't grasp with your limited mind, you can through your soul perceptions when you're healed and of Celestial truth, but until then, you'll

have no idea about it. And it's not just a thinking mind as yours currently mostly is, it's a mind of action, or mind of pure and true thought, of insight, a mind of discovery and collection, the collection of all that it is – a mind of light. When an angel moves, it does so not because of its feelings like you do, but because of its mind, the spirit that its mind is, or, the mind of its spirit. Are you confused yet James?"

Until very recently, due to the imposts and constraints of the Universal Contract governing the Rebellion and Default on Earth, Celestial Heaven spirit personalities could have very little to do with personalities in the physical on Earth. It should also be noted that before the coming of Jesus and Mary Magdalene 2,000 years ago, no one had progressed to Celestial soul condition and since then the numbers have been slowly growing as mind Mansion World spirits healed and entered the Celestial Heaven spheres.

Also due to the Universal Contract governing the Rebellion and Default on Earth, Nature Spirits have been restrained from communicating with humanity on Earth these past 200,000 years. Likewise with Celestial spirits, Nature Spirits will begin to interact with humanity, mostly with those who open themselves to their Feelings, to Living Feelings First and also begin to embrace our Heavenly Mother and Father's Divine Love. For those who refrain from doing so, then as they are continuing to live within the Rebellion state communications will not open up.

It was on the 22 March 2017 that negative spirit influence on Earth's physical humanity was blocked by the Celestial Heaven spirits. Consequently, since that time it has been the Celestials ever increasingly interacting with us, though few in number, here on Earth as those of us become aware of Feeling Healing, the availability of Divine Love and the wonders of the revelations that Revealers are providing us all with. The formal ending of the Rebellion and Default on 31 January 2018 has significantly increased the scope of what Celestials now can do with humanity here on Earth.

Throughout the Age of the Creator Daughter and Son (Mary Magdalene and Jesus) being the past 2,000 years, the apparent time typically taken to progress through the healing spirit Mansion Worlds was mostly between 5 and 15 years. As the transition to the Feeling Healing process that the Avonal Pair have demonstrated and introduced, the time to progress through one's healing is potentially significantly less than 5 years.

Further, with this unfolding transition from one system to THE NEW WAY, previously we never were able to see, even with our spirit eyes, our angels in our support until we completed our healing and entered the 1st of the Celestial Heaven spheres. Now, with the appropriate conditions our supporting Angels may become visible to us even within the 5th healing Mansion World.

Previously, while we progressed through the healing Mansion Worlds, the support from Celestial spirits was rather limited. It is now highly structured, even during the initiation phase while we are still in the 1st spirit Mansion World. Celestials are now intensely structuring 'search and recover' lost and missing spirit personalities. They are also intensely assisting and supporting spirit personalities throughout all the levels of the healing spirit Mansion Worlds.

It appears that every effort is being taken and being enhanced to bring about healing and progression into the Celestial Heavens for all, be we be in the physical or anywhere within the spirit Mansion Worlds.

ANGEL
GIRLS!

Angels do not have wings!

A small number of ladies now progressing through the 5th and 7th spirit healing Mansion Worlds have been undertaking missions

on Earth with the assistance of angels that have not been facilitated previously.

Changes in the heavens

James: Monday, 9 October 2023

For the past 2,000 years, that being the Age of Mary Magdalene and Jesus, or the Age of the Cross, the structure of the Mansion Worlds, and how spirits lived in them, was determined by the 'tenets' of that Age. The Earth and Mansion Worlds, as in, how life can be experienced and to what levels of truth and understanding can be attained and lived, is determined by the parameters of each Age. So those parameters are currently changing reflecting, and caused by, the ending of Mary and Jesus' Age and the beginning of the Avonal Age, which is to be an advanced Spiritual Age and Angel Age, all of which is coinciding with, and resulting from, the end of the Rebellion and Default. So the End Times are twofold: The end of Mary and Jesus' Age and the beginning of the Avonal Age; and the End of the Rebellion and Default, so the end of the Evil Rebellious spirits being able to affect people on Earth and spirits in the Mansion Worlds.

As a part of the Crossing Over of Ages, whilst in Mary and Jesus' Age, spirits who chose to do their Spiritual Healing worked with the help of Celestial spirits who mostly guided them in groups, counselling them, helping them with their feeling awareness and expression, and if they really got stuck and needed more personal help, with some personal guidance and healing help. However, largely it was the Healing spirits themselves working together in support of each other to do their Healing together.

So one of the new changes coming about currently is some woman and men spirits, once they attain the fifth spirit Mansion World, they being wholly committed to doing their Spiritual Healing and well on their way, having worked up through the first (and second) and third (and fourth) Mansion Worlds, are being offered the chance to meet their two personal Guardian Angels 'ahead of time', meaning usually they'd have to wait until their Healing was finished, meeting them in the first Celestial world, as happened throughout Mary and Jesus' Age.

And these 'Angel Women and Angel Men' spirits who have been introduced to their Angels and who can readily see and so work with them, talking with them, receiving help, guidance, instruction, love, care and support from their Angels, are living in Angel Cities that are being specifically established for them in the fifth World. And the plan is, that in time, and by the time the new Avonal Age commences, every spirit moving into the fifth World is introduced to their Angels.

Then along with meeting their Angels, each spirit is also offered the personal help of two Celestials, a 'Celestial Healer', a Celestial spirit that acts as a personal counsellor and Healing helper, one who readily sits in Healing Sessions helping encourage and support the spirit to bring up, acknowledge and express, their bad feelings, as they long for the truth of them; and a personal 'Celestial Guide', that being a Celestial spirit who is personally and readily available as a higher spirit friend, someone who's

completely on the side of the spirit doing their Healing who can meet with them talking about whatever they are going through in their healing, helping them with whatever the spirit doing their Healing might need. So having two Celestial spirits so readily on hand and participating in one's Healing life, will serve, together with being connected personally with one's Angels, to intensify and streamline one's Healing. So, spirits doing their Healing when they attain the fifth World, with such increased help, will work to complete their Healing much quicker than spirits were able to do through Mary and Jesus' Age. And at the same time, experience more through their Healing because of having such increased Angel and Celestial involvement in their Healing lives.

Another consequence and so change coming about is the fifth World Angel Women and Men are also offered spiritual work, such as, working with mind spirits who are awakening to the truths of the Divine Love and who are moving toward starting their Spiritual Healing; all in all, spirits who will want to end being rebellious living in the mind and rebellious Mansion Worlds, moving to live Divine Love Spirituality in the feeling and Healing Mansion Worlds.

When one's mind-life starts to break down and falter, many mind spirits start to ask questions as to what is the real meaning of their life, what is the real way to get to God, to be at-one with God, what if the religions are not the right way – what is the Right Way. And all of this change in the spirit will come about from deep within their soul, as they are moved toward ending their rebellious mind controlling way of life, to giving that up and wanting to end being of the Rebellion and Default by doing their Spiritual Healing. And so as you can imagine, should it happen for yourself, it will be a time of great inner turmoil and change as you start to question and confront many of your fixed belief patterns and mind controlling ways. And so you might need a lot of help and support to work your way through it, and so if this happens to you when you're in spirit living your spirit life after you've died, then you might get a fifth World spirit coming to you offering support and insight into The New Way. So this work is a great service being offered by the fifth World spirits; and for them, will bring about a lot of spirit interaction with the lower spirits needing such higher help, it then helping them with their Healing.

Some of the fifth World Angel Women and Men are also offered a similar role in helping people on Earth wake up, should those people have the psychic ability to speak with and perhaps see such spirits.

Previously, the spirits in the Healing Mansion Worlds were not allowed to help the lower mind spirits awaken, that help was solely provided by Celestial spirits. The Celestials will still oversee all that goes on, however with the fifth World spirits being able to help their 'sisters and brothers' spiritually awaken, so the gap is no longer so great between the lower mind spirit who is awakening and the Celestial spirit. So the fifth World spirits are proving to be more useful and affective in their help.

Higher help is coming lower, in a sense, the Truth moving closer to all humanity. Humanity is to help humanity out of the Rebellion and Default, and so with an increasing number of fifth World spirits now being trained to help the lower mind spirits to awaken spiritually (they continuing this help should they want to when they move into the seventh World), there is a growing 'army' of help coming to such lower spirits, all to help humanity work to end its rebelliousness more quickly than it was through Mary and Jesus' Age.

During Mary and Jesus' Age, no one on Earth was allowed to do their Spiritual Healing, no one could live Divine Love Spirituality, spirits could only start their Healing once they'd died and moved into the Healing Mansion Worlds. So from now on as the Avonal Age starts to become active, people can start doing their Healing on Earth, even to the point of ending it and becoming of a Celestial level of truth on Earth, or starting it and finishing when they get to the Healing Mansion Worlds.

So this is a massive change for humanity, it being given so much higher help to get it out of the Rebellion and Default.

People on Earth who have the psychic ability can now also meet their Angels and have them more actively involved personally in their lives like the fifth World Angel Women and Men (that is mortal women and men now seeing and personally interacting with their assigned angels), so these people effectively becoming Angel Women and Men on Earth. And they can also have the personal help from a Celestial Healer and Guide, and other Celestial spirits should they need it, including help from the fifth and seventh World spirits.

And all that Angel and Celestial help will be given to people, even if they are not psychically tuned into their Angels and the Celestial spirits. Such help coming to them through their life in the form of inspirations, new thoughts and ways of looking at themselves, support to focus on their feelings, and inner light to help them express those feelings, as they long for the truth of them.

Once the Avonal Age begins in earnest during the Aftertimes, after The Change, then full spirit and Angel help will come to people on Earth and in the Mansion Worlds. People doing their Healing in the 'Healing Sanctuaries' will be offered a great amount of help from spirits who are both doing their Healing in the Mansion Worlds, Celestial spirits; and even possibly from Trinity Teacher Daughters and Sons, Angels, and other Mind Beings, including Nature spirits and Midway Creatures, some people who are more psychically inclined having very personal and even intimate relationships with such Beings and spirits. Hence for people doing their Healing and wanting to live Divine Love Spirituality and The New Way, the most amount of higher spiritual help will be given to them. So it will be a very exciting Spiritual Age for the 1,000 years.

Currently on Earth there are up to 1,000 mostly young women, (there might be more and more young men in time), being helped by fifth World spirits (spirit Angel Girls), who are being commissioned to introduce these young women to their Angels, to help awaken their inner sight so they can see and talk with their Angels, thereby helping them become Angel Girls on Earth. Currently the ages of such young women are generally around 12 to 14, they starting to learn how to live actively with their Angels and helping spirits in their day to day lives, all in preparation for what's to come on Earth when they are older, they all going so in their different ways, working to affect great change on Earth through the End of Days, and then possibly continuing on in the Avonal Age in the Aftertimes. These young women will more than likely keep their 'abilities' to themselves whilst they grow up and mature with their Angels and spirit helpers, it being as you might imagine, quite an extra dimension they will live during their Earth lives, and so possibly a lot of other things for them to deal with.

Should you read this and know you are such an Angel Girl on Earth, you having been introduced to your Angels by spirit Angel Girls, then I (James) welcome you contacting me as I would love to hear how you're getting on with your Angels, and should you need any help, possibly offer that too.

Presently:

All the Celestials are currently in the process of being asked what they want to do: some suggesting what they'd like to do, others choosing their assignment from what exists, some appointed to specific positions by higher authorities. Nanna Beth, her soul-mate and soul-group have chosen to remain in their current important third Celestial Heaven positions for the next Age, that being the Avonal Age of the coming 1,000 years.

Presently, as an example, all of John's family, accept his son who was spirit born, will remain and work in time from the third Celestial sphere through the next Age – the Avonal Age of the coming 1,000 years.

John's mum, Marie Mum, is now in the third Celestial sphere, and remaining specifically aligned with John, that's him personally, and not so much to do with greater Pascas, so helping him in his relationship with it and with all the people he comes across, and with James, one of the Revealer pair.

Marjorie, John's sister has crossed over – into the first Celestial sphere, settling in with her forming soul-group and having met her soul-mate who had arrived about three months before she did. It is thought her soul-group will move in time to work under John's mum.

Kevin, John's brother-in-law, Raymond, John's first cousin, and Bradley, John's nephews, are all now in the second Celestial Heaven sphere, they are all aligned under John's mum, so working associated with John and each other, and all Pascas wants to achieve.

John's son has moved on with his soul-group and soul-mate higher into Nebadon, our local universe, so beyond the third Celestial Heaven sphere, they 'felt the call' to move on toward Paradise rather than remain in the lower Celestials for the next Age.

So, it can be seen that the bringing about the beginning of the ending of the Rebellion and Default on Earth and of Earth's humanity throughout the spirit Mansion Worlds, has taken the past 4,000 years to establish the required circumstances needed to support the coming Avonal Age of 1,000 years and what is to be substantially completed before its ending.

The conditions and support from the Celestial Heavens will step down somewhat into the higher levels and throughout the progressive healing aspects of the spirit Mansion Worlds. It is possible, that the conditions prevailing within the 1st spirit Mansion World may be Earthed in the form of the Law of Compensation as well as the Law of Cooperation being earthed. Progressively the 1st and 2nd Hell planes of Earth may be closed, this may take all of the coming Avonal Age and longer to achieve.

As now can be seen, there are many partnerships with Agents of Change in this historic event.

This time, in the history of humanity, is the most exciting time ever experienced.

At the end of the Avonal Age, the people of Earth will be asked and be given the choice as to how they want to continue on living: either continue being rebellious; or, to end being rebellious completely. Will 'Satan's' chains be broken and 'he' be let loose again; or will 'he' remain bound for all time?

We, being humanity, are to move with our feelings, respond and act upon our feelings, we all are, and so based on our feelings we bring our mind into play, and then things happen which affect our feelings and so our mind adjusts accordingly.

Throughout the 200,000 years of Earth's humanity having been administered under the Universal Contract relating to Earth's Rebellion imposed upon humanity some 200,000 years ago, and then the Default of Adam and Eve in their mission more than 38,000 years ago, all of Earth's humanity, be they in the physical or in spirit have been quarantined from all other humanities throughout the universe. Not only that, interaction and guidance has been withheld from us by our Nature Spirits and many higher levels of spirit personalities. We have been subjected relentlessly to indoctrination through submissive and complicit mind spirits who adhere to those who orchestrated the Rebellion and Default, namely the Lucifer and Satan soul partner pairs, and directly relating to Earth, the Calligastia and Dalligastia soul partner pairs, all corrupted Lanonandeks high level spirits from within our Local Universe of Nebadon. ALL institutionalised systems, customs, norms, beliefs and practices that each culture and society

worldwide embrace are corrupted by this covert hidden influence – and yet no one is recognising this, let alone accepting this. Very few have ever known that we have had appointed over us a Planetary Prince and that being Calligastia soul partner pair. Yet when we refer to the devil we are specifically referring to Calligastia. Yes, the devil is a real personality, however the ‘devil’ is now in spirit world prison as from 1993 CE!

Throughout the 200,000 era and for the next 1,000 year Avonal Age, Earth and its humanity remains quarantined from all other humanities. Not only are we quarantined, but each of the 37 participating rebellion humanities are quarantined from each other. There have been NO alien visitations to Earth. All ‘unidentified flying objects’ have been and are manmade or products of other universal phenomena.

Throughout all of the era of the Rebellion and Default we have been subjected to the influences of mind spirits from the Mansion Worlds 1, 2, 4 and 6. The overwhelmingly largest population being on Mansion World 1 followed by Mansion World 2. Should we go out to a hotel, night club, party, or engage in a social gathering and expect to participate in constructive and enlightening conversation and guidance then we are delusional. Well, that is typically the same coming from mind spirits of these Mansion Worlds who are still entrapped in Lucifer’s guile!

That is why the Celestials have blocked harmful interactions and communications by mind spirits from the Mansion Worlds as from 22 March 2017. And now Celestials of the three Celestial Heaven spheres, an uncountable number of legions of Angels and many levels of higher spirits, all being guided by the Melchizedeks under the leadership of the Creator Daughter and Son are supporting the Avonal Pair now on Earth to bring about OUR healing of what has been imposed upon us by the Rebellion and Default and its ending.

**PASCAS
PAPERS**

Root Cause

Highly esteemed Lanonandek spirits from within our local universe of Nebadon were assigned as System Sovereigns of our local system to oversee Earth's humanity and their spiritual development. 200,000 years ago they, the Lucifers, became infatuated with their authority and turned against the regents of Nebadon, Mary and Jesus, as well as rejecting God. Through their Planetary Princes, also Lanonandek spirits, they had taken the humanities of 37 worlds within their local system into their Rebellion.

Through living through our minds, suppressing our feelings, we on Earth will continue to be at war with each other, illnesses of all descriptions will continue from our feelings suppression, famine and inequalities prevail, control of others is the core of all systems, we cannot determine truth from falsehood and life on Earth is a living hell. We have been continually seduced by mind Mansion World spirits and we live life in a stupor – nothing more than zombies doing the begging of the evil ones, the rebellious Lanonandek spirits.

Through living through our minds, suppressing our soul based feelings, we have been progressively going further and further away from our Heavenly Parents, now to the point that we cannot go any further. Through working cracks in the Universal Contract governing the Rebellion and Default, this control has been ended formally as of 31 January 2018.

Pathway Forward

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

God's Divine Love: Pray for it, ask for it, and receive it.

The Golden rule is: Never interfere with another's will.

Golden Rule: that one must always honour another's will as one honours one's own.

New Feelings Way: learning how to live true to ourselves by living true to our feelings.

We are to express our feelings, both good and bad, at all times, and to long for the truth of them.

By living true to ourselves true to our feelings, we are living true to God. It's that simple.

Avonals - Magisterial Daughter and Son

Machiventa Melchizedek, to this day, continues to oversee the plan that was evolved more than 4,000 years ago to progressively open cracks in the Universal Contract governing the Rebellion and Default instigated by Lucifer 200,000 years ago. With 'federal' authority, the Creator Daughter and Son brought about the Lucifers and Satans' spirit world imprisonment 2,000 years ago, and set the Avonal bestowals in place.

The commencement of the Padgett Messages on 31 May 1914 triggered the bestowal of the Avonal Pair for Earth's humanity. The Avonals' 'state' authority brought about the Caligastias and Daligastias spirit world imprisonment in 1993. The Avonals' healing of what they have taken on of the Rebellion and Default ends the Rebellion and Default. Now we can all follow and progress on the pathway to Paradise.

After each pole shift, humanity rebuilds its society and numbers!

~~~~~  
2100 CE 10,400 million

OR

less than 3,000 million !!!

The last pole shift was around 12,500 years ago. A pole shift reversal can be considered to unfold between every 12,000 to 13,000 years. That is why Earth's population was so low in numbers more than 12,000 years ago. Humanity has been longing for perfection for around 993,500 years and there have been larger civilisations on Earth than there are today, being 2023 when the population is 8.1 billion people.

At the dawn of agriculture, about 8000 B.C., the population of the world was approximately 5 million. Over the 8,000-year period up to 1 A.D. it grew to 200 million (some estimate 300 million or even 600, suggesting how imprecise population estimates of early historical periods can be), with a growth rate of under 0.05% per year.

A tremendous change occurred with the industrial revolution: whereas **it had taken all of human history until around 1800 for world population to reach one billion**, the second billion was achieved in only 130 years (1930), the third billion in 30 years (1960), the fourth billion in 15 years (1974), and the fifth billion in only 13 years (1987).

- During the 20th century alone, the population in the world has grown from 1.65 billion to 6 billion.
- In 1970, there were roughly half as many people in the world as there are now.

One may consider that technological development unfolds once the population reaches around one billion in number.

**CREATION of SOUL and SPIRIT:**

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soul partner) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves, enabling the union with our soul partner, as we progress in truth up through the spirit Mansion Worlds, Celestial Heavens and all the way to Paradise.

Feeling Pathway      Mind Pathway

Soulmate Pair

Angel

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

Spirit Person

Nature Spirit

A nature spirit is an angel in waiting.

## The PHENOMENON of VISIBILITY:

Firstly, animals do not have a spirit life. Should we need to interact with a deceased pet animal, then a particular class of angel will present as your pet. The life force of all of nature pools their life experience to subsequently become Nature Spirits who evolve to being angels.

Each higher progression of a human mortal consequently becomes invisible to those remaining at the lower level, as it is with angels, though those of the lower level remain visible to the progressing ascending mortal.

In reverse, those spirit personalities descending from Paradise, the home of our Heavenly Mother and Father, need to detune themselves so as to become visible to those in our local universe of Nebadon.

Those on Earth and throughout the seven earth planes have the same visibility progression. Earth, being the densest, is visible to all. But each plane, starting at 1, becomes progressively finer, with each plane above the last invisible to the lower. The same applies throughout the 7 spirit Mansion Worlds that we progress through to enter the first of the Celestial Heavens.

Higher levels can always make themselves visible should they wish to. Spirits and ascending mortals of lower levels may not be aware of higher levels until they evolve and progress.

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.**

### NATURE SPIRITS

Nothing of nature reincarnates! And neither do we! Reincarnation is a false belief. Zero, zilch! Not even a blade of grass, a leaf from a tree, bacteria or plankton, or ourselves, has a subsequent physical life experience. However, except for humanity, the life force of all of what forms nature, after its sole physical experience, returns to a pool from which Nature Spirits emerge. All of nature is mind orientated. Nothing of nature has a soul, except for humanity which is truth and feelings orientated.

**Meet Verna, a Nature Spirit, also known as ‘Lady of the Lake’:** “Your spirit is your own unique spirit expressing the light of your soul; our spirits, also uniquely our own, however come from a composite of many other spirits. And in my case for example, and I’m about average, or ‘usual’ – as much as I hate to admit it – I’m composed, for want of a better word, of **about five hundred billion creature spirits**. So yes, you could say we’re complex on that level. And yet on other levels, we’re considered rather basic, we are after all *only* nature spirits, not great angels.”

“With Verna – a nature spirit” by James Moncrief

As the Rebellion and Default is now technically ending, those who embrace Feeling Healing and Divine Love will open themselves to communication with their Nature Spirit pair. For 200,000 years of the Rebellion, humanity of Earth has been closed to interaction with Nature Spirits. Humanity is truth seeking personalities who are to live through their feelings whereas nature is mind orientated and are to evolve their minds. A Nature Spirit’s next phase of evolution is that of being an angel which then will have many further evolutionary progressions upwards. Angels also step down from Paradise.

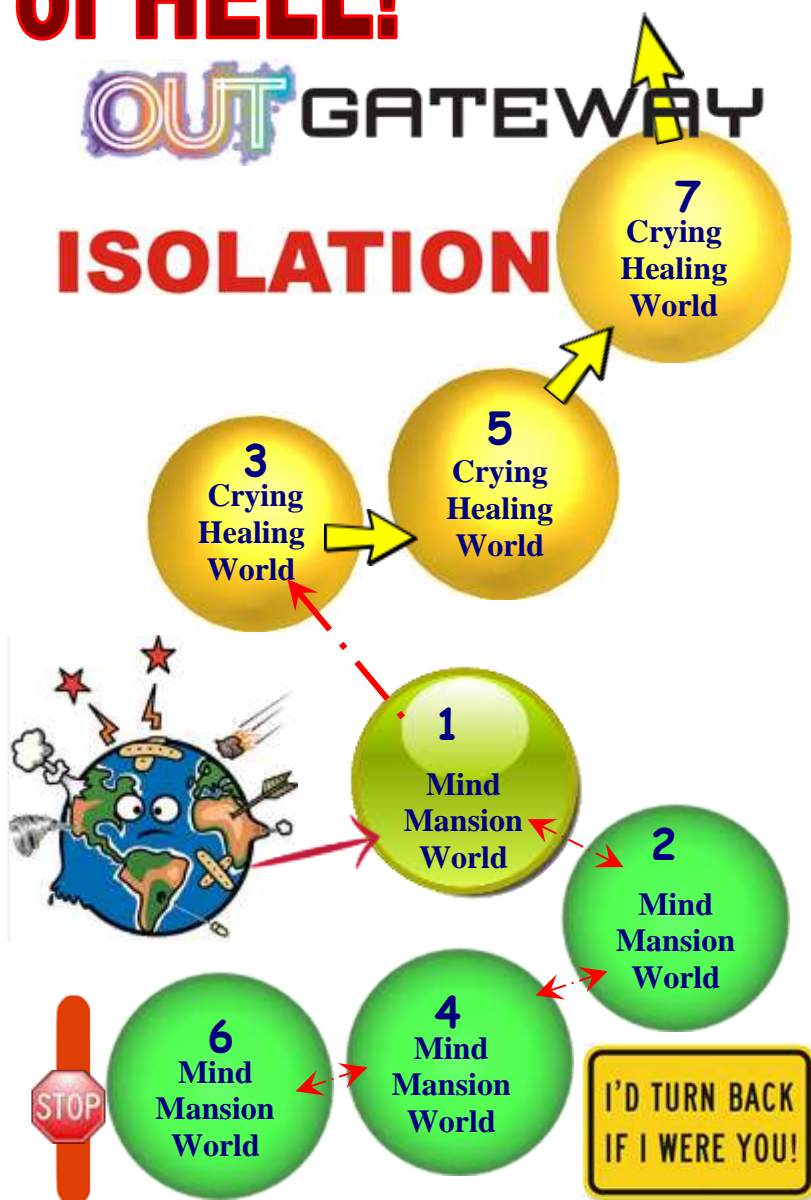

# Boundaries of HELL!

The gateway out of our isolation from all other humanities within our local system is opened to us upon the completion of our healing of all that represents the Rebellion and Default.

While we remain embraced within the Rebellion and Default, even though we are unknowingly doing so, all of the humanity of Earth is isolated from all of the other humanities throughout our local system of Satania, all 619 inhabited worlds, thus effectively we are in hell!

Further, we are also isolated from the Spirits of Truth that our spiritual parents can offer us, until we complete our healing and enter the first of the Celestial Heavens, and that is when we move through the gateway and progress beyond healing Mansion World number 7.

Life on Earth is living in hell in the physical. Many of us consider it to be wonderful – that is a fantasy. Our physical parents have remodelled our personality to reflect what they consider appropriate ... IT'S NOT! We are to freely express the personality that our Heavenly Mother and Father bestowed us with.

Many of us fight so powerfully against our childhood suppression and repression that we go on and cause great harm to many others, all of which the Law of Compensation takes into account. The lower levels of the 1<sup>st</sup> mind Mansion World is a region for our compensation. We ALL enter the 1<sup>st</sup> mind Mansion World as spirits upon the death of our physical body. The pain we cause to another is the pain that we will endure in compensation. Those who try to continue to inflict harm on others, cannot do so and may find themselves within the 1<sup>st</sup> and 2<sup>nd</sup> planes of Earth. The 1<sup>st</sup> Earth plane being the worst of the hells, while the 2<sup>nd</sup> is bridging towards a return to the 1<sup>st</sup> mind Mansion World hell sectors. You can continue to live through your mind and perfect the mind but you will end up at a dead end in the 6<sup>th</sup> mind Mansion World. There are more than 200 billion spirits within the 1<sup>st</sup> and 2<sup>nd</sup> mind Mansion Worlds and the two Earth planes of compensation. These areas are packed to the rafters! Only by embracing our Feeling Healing and with our Heavenly Parents' Divine Love can we heal ourselves and progress through the three healing worlds before transitioning to the Celestial Heavens and out of the Hells. Within the Celestial Heavens are spirit personalities from all of the 619 worlds within our local system called Satania.

# The HELLS are too EMPTY!

Through the intervention of a Magisterial Daughter and Son, an Avonal soul partner pair, from Paradise, we of Earth's humanity are now being shown how to heal ourselves of what we have each taken on of the Rebellion and Default. We are being shown and made aware of how to live true to our feelings and to long for the truth of what our feelings are to show us. We are to live feelings first and have our minds follow to implement what our feelings are guiding us to embrace.

**Earth Planes 1 and 2 are Spheres of Isolation and Disharmony for the Law of Compensation – 'Hells'**

**WE ARE  
THE TRUTH  
SEEKERS**

We are the Truth seekers. Our minds cannot discern truth from falsehood. Our soul-based feelings are always in truth. As we embrace and live through our feelings we will step away from error. As we learn and express our feelings, both good and bad, we will release the errors that we have absorbed during our childhood suppression and ongoing repression, thus healing ourselves of our personal Rebellion and Default.

As we progress with our healing, then we will transgress the ceiling of the mind's limitation (499 on Dr Hawkins' Map of Consciousness) and embrace our potential which is to infinity through our soul-based feelings of Truth.

The quickening of the Law of Compensation, as a consequence of the emerging 1,000 year Avonal Age now commencing, for those who set their 'minds' to cause harm to another may progressively find themselves being debilitated with the equivalent of the pain they intend to inflict, thus preventing the error being executed. Within the spirit mind Mansion Worlds, this is instantaneous. How this is to unfold on Earth is yet to be understood. However, injuries to others will be compensated for while one lives within the physical on Earth, thus the progressive emptying of the Hells will unfold. This will bring about an era of peace on Earth as conflict and war will be impossible.

**SPHERES: KINGDOM of MAN – SPIRIT WORLD**

The first 7 worlds have logical and clearly defined end points both at the 6<sup>th</sup> and 7<sup>th</sup> worlds. Therefore a sequence of numbers is useful as a reference. Within each of these lower worlds there are many stations or sub-spheres so to speak through which beings move. There are barriers preventing movement from one to a higher one until the necessary changes have been made. The 6<sup>th</sup> world is the ending point for those who are following what has been referred to as the Natural Love Path – mind Mansion World.

There exists a barrier between the earthly levels and the spirit levels and this is largely man-made. This barrier has been built on fear and is made of belief.

**Worlds:**

**7** The 7<sup>th</sup> world is the transitional stage between the lower worlds and up into the Celestial Realm spheres.

**6**

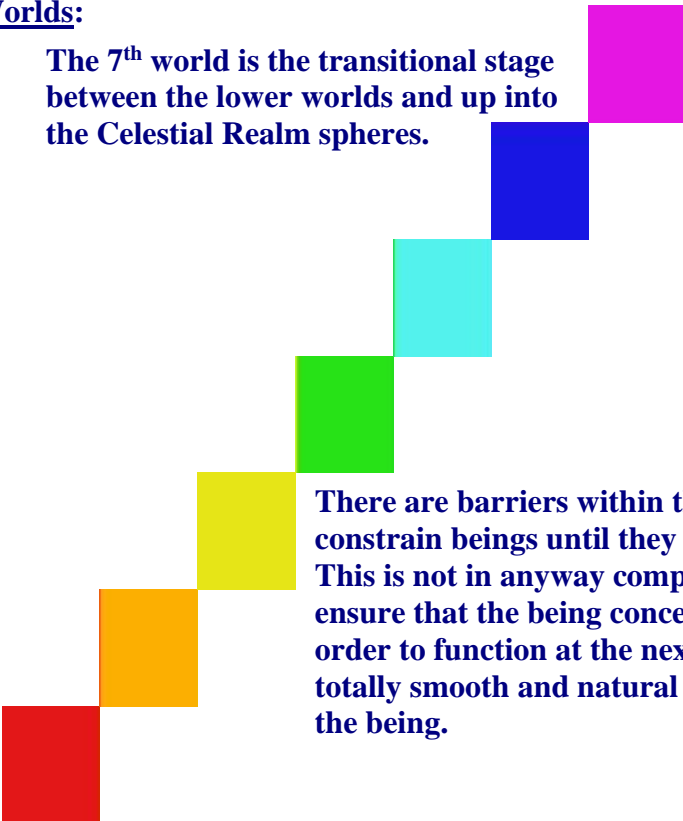

**5**

**4**

**3**

**2**

**1**

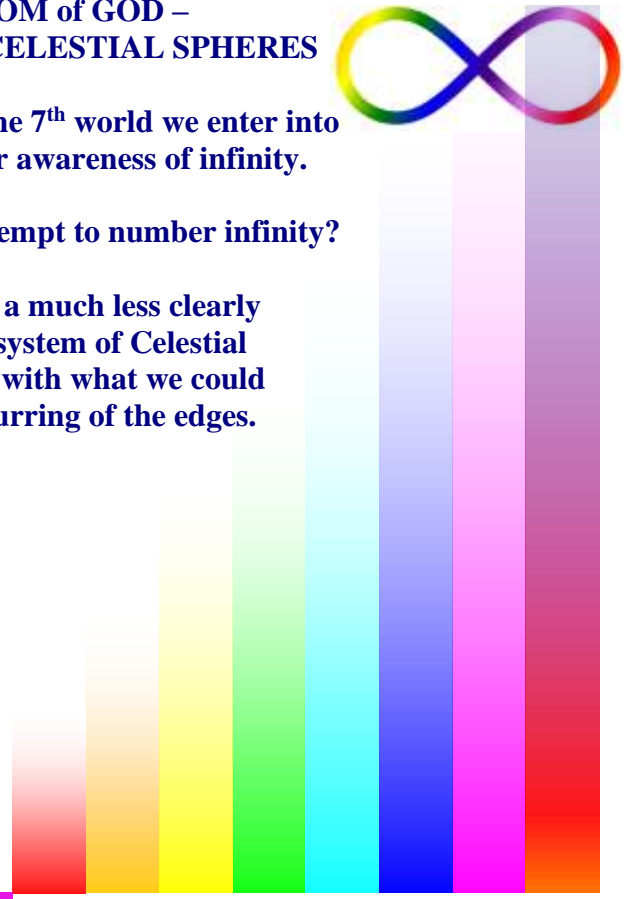

There are barriers within the structure of the spiritual realms which constrain beings until they are fit to make the move to a higher level. This is not in anyway competitive or subject to examination but is to ensure that the being concerned does know what they need to know in order to function at the next level. The transition, when it happens, is totally smooth and natural and dependent of the level of knowledge of the being.

**KINGDOM of GOD – CELESTIAL SPHERES**

Above the 7<sup>th</sup> world we enter into a greater awareness of infinity.

Why attempt to number infinity?

There is a much less clearly defined system of Celestial Spheres with what we could call a blurring of the edges.

Each of us who are within the Celestial Spheres knows who he or she is and knows what we can do. That one might be a little or a lot further along the path makes no difference to the mutual love that we feel or the level of cooperation that is found in every endeavour. If one is further along, that one is then committed to helping all others to come along. There is absolutely no sense of competition. That was left behind long ago.

# Avonal Revelation

- We are to live Feelings First.
- We've been made to use our mind to live against many of our feelings.
- Our mind control commences at conception and is developed through our childhood.
- All the bad feelings we didn't express as we were growing up are still repressed inside us.
- And all such hidden, buried and unwanted feelings have to come out.
- And whilst they remain repressed within us, they will continue to make us feel bad and unloved.
- We get sick, depressed, suffer, have bad things happen to us because of our repressed childhood feelings.
- Humanity was brought into this state of living against itself by higher rebellious spirits.
- These Evil Ones caused the Rebellion and Default.
- We are made to rebel by default – as we have no idea we're doing it through our parenting in wrongness.
- We are all parented unlovingly – against ourselves, against our will.
- Some parenting in the wrongness is done with more love, yet it's all still wrong.
- To heal this unloving state within ourselves we have to do our Healing.
- Our Healing is our Feeling-Healing or Soul-Healing with the Divine Love.
- We can long to God for Their Divine Love, and this will help us with our Healing.
- God is our Heavenly Mother and Father, the Feminine Aspects of God having been kept hidden from us by the Evil Spirits.
- All humanity's religions and spiritual systems are designed to keep the wrongness going, to keep us away from God.
- Only by living Feelings First Spirituality, The New Way, can you become right, and truly find God.
- Long for the Divine Love.
- Long for the Truth of your Feelings.
- Accepting all you feel is accepting all of yourself, it's your greatest act of self-love.
- And wanting to know the truth of your feelings, is your next greatest act of self-love.
- Love yourself through your feeling-acceptance, and the Truth will set you Free!

# We do everything possible to avoid our Feelings!

We embrace the controlling natures of our mind to fill our day with activities that avoid our inherent truth to rise through our feelings and then having to express them and seek the truth behind them. We submit to imprisonment within our minds and willingly allow our life to roll on in a retarded and aimless manner that we can continue in earnest even when we transition into the spirit mind Mansion Worlds. Everything we may do is to avoid meaningful communication with another person and to distract ourselves from allowing our feelings to bring forth the vibrant and incredible true personality that we are that has been suppressed throughout our early forming years, from conception through to six years of age. Eventually our soul will say enough is enough and we will be confronted with a crash to open ourselves to our feelings and heal our Rebellion.

**LONG to KNOW ABOUT what you are FEELING!**  
**Long to understand the truth behind**  
**what your feelings are pressing upon you.**

**Ask to know the truth about that which you feel.**  
**It is knowing the truth of that**  
**which you feel that sets you free!**

**Always be true to your feelings**  
**because they are your truth**  
**and truth is love and our way home!**

**Express your feelings to those who matter to you.**  
**Suppressed feelings bring about pain and illness.**  
**Talk it out to a friend!**

*From our head to our toes,  
what our feelings say goes!*

*Feelings, good and bad, are to be expressed.*

*Talk it Out!*

*Heartfelt feelings are our truth.*

*Then we are to continue by longing for  
the truth that our feelings are to reveal to us!*

# **BAD** is **GOOD**

So go with your darkness, allow yourself to be that horrible unloving person you've always secretly dreaded you are. Just allow yourself to feel all you feel about it. Bring up all those dreaded evil feelings, bare your soul, confess it all, and like the poison it is, **GET IT OUT!**

This is how to love yourself. This is being truly self-loving, and as you are loving of yourself, so will you love others. As you unconditionally accept all you feel, so too will you unconditionally accept them, and so all they feel. You will allow them to be the true expressions of themselves. You'll stop all those controlling mental things you do that helps them deny their bad feelings. You'll be happy to allow everyone to express all their yuk, as you express yours.

We are told that it's good and loving to be unconditional, but to do it, or try to be it with only your mind, is wrong, it's false and it's very conditional. Dump the belief, certainly want to be that way, but understand that it only comes naturally as you submit to all your bad feelings, loving yourself by allowing yourself to feel them. Anything you try to do with your controlling mind, trying to control yourself, give up – or at least want to. Occasionally through your healing you'll feel you have to assert your will and it can take a lot of considerable effort to do it, and you will so need to apply your mind. But as you will feel, such motivation will come from a deep feeling, a feeling of wanting to assert your will this way, and when it's there, you can do it. And it's all the same, simply going with and accepting how you feel.

Self-love through feeling acceptance will help your mind give up its control. This will hurt, be hard to do, but the controlling patterns can be broken. Acceptance as always is the key: accepting being one of the main attributes of love. Accepting yourself is loving yourself – **ACCEPT ALL YOUR FEELINGS, ACCCPET ALL YOU FEEL YOU ARE, ACCEPT YOURSELF.** Love.

Doing your feeling-healing is telling your story.  
It's telling the truth of your whole story.  
And it's all for you.

**Living true to your feelings:**

It's to understand that what you are feeling today is a result of masses of repressed bad feelings, all of which need to be brought out one at a time, and not just exploding with that pent up rage, venting your anger all over the place, because you are to follow your feelings – allow your feelings to lead you in life. All those repressed feelings are to be brought out into words, progressively stripping away the many levels of them, all so you can see why you're feeling them. 'Going with your feelings' is not just about acting on every feeling you feel, it's about actively wanting to express and bring to light all your feelings by speaking, using words, and not just through acting. We are to express our feelings to uncover their truth. So you can do nothing, even stop acting out your feelings, whilst you spend years and years simply talking them out.

## GREAT U-TURN, THE CHANGE and the AVONAL AGE:

Monday, 24 December 2018

Nanna Beth – 3<sup>rd</sup> Celestial Heaven, John’s grandmother: The ‘Great U-Turn’ is what is happening now, it being the overall description denoting humanity turning away from following and advancing the Rebellion and its evilness as seen by living increasingly in a truth-denying state, to wanting to live true, to love truth, and to be truth-accepting. All of which comes about ultimately by doing your Healing, as you become the living truth as it’s revealed to you and also by people, like yourself John, who are currently more intent on understanding about it on an intellectual level. Both are needed, everyone who wants to embark upon their own personal U-Turn and the collective one of humanity, needs to understand a certain amount of what it’s all about with their mind as they work to bring the truths to light within themselves through their Healing. So anything to do with ‘reversing’ the Rebellion and Default is all part of the U-Turn. And it starts in a very small way within the individual, as it has already with the whole of humanity, being reflected by yourself and the others of your small band, who are wanting to live it and have accepted and believe it’s happening.

The Change, as such, is the same thing really. However technically, The Change begins with the dawning of the new Spiritual Age – the Avonal Age. The Change as I was referring to it yesterday was to highlight that once the Avonal Age begins in earnest, EVERYTHING will change. So currently, even though the Change and U-Turn have ‘begun’, it’s early days, just the ‘scouts’ going out in all directions in preparation for the ‘main event’. So technically we can’t say The Change has begun, whereas in time when Mary and Jesus’ age ends and the Avonal Age begins, then we can say it has begun. Whereas we can say the U-Turn has begun, it being a more vague term and not a technical definition.

# THE CHANGE

Also, James has written about The Change in his Sage novels in reference to all I have said above and also the Earth Changes, including the Pole Shift. However the Pole Shift, were it to come during the Avonal Age, would then be part of The Change, The Change being the whole 1,000 years. It’s going to take the whole 1,000 years to implement on the parent to child level the necessary Changes so as to ensure that the effects of the Rebellion will truly come to an end, with that “end” still going beyond the Avonal Age to complete. So the Pole Shift is just a physical phenomena, and certainly of itself it will cause great change, but it doesn’t of itself affect any spiritual change against the Rebellion and Default, and in the past it has helped humanity go deeper into its wrongness.

So the real Change I’m talking about is spiritual and involves the ending of humanity’s truth denial. That’s the most important part, to help people see they are living against the Truth, of themselves and of God, and that all they are

doing is part of that, and that if they want to end that, they will have to do their Healing. So the Change will be with the awakening to that, a consciousness shift, a vast change to the mind of mankind as it considers the state it’s in: that ALL it is doing, ALL it’s believed was right, ALL of it’s religious and spiritual beliefs, outlooks, attitudes, are all only keeping it in its truth-denying state.

Imagine the whole of humanity understanding and focused in the direction of knowing everyone is suffering because of being under the Rebellion and that it doesn’t have to be that way. So people increasingly living in the wrong direction and going further against themselves, once The Change fully starts, won’t be able to evolve further into a deeper or greater rebellious state. However stagnation within where it’s stalled will

be a big issue for a lot of people and mind spirits, those people and spirits who don't want to accept that's how they are is all wrong.

So you can say the Great U-Turn has started, the writing is on the wall for the Rebellion and Default. And when the Avonals come of age, when they finish their Healing and openly (publicly) declare who they are to the world (even if that world is only a very small group of humanity), then The Change will have begun.

**REBELLION** & **DEFAULT**

And once The Change officially begins, there is no turning back. After the Avonal Age, humanity will be given the chance to resume its evil ways and turn its back on The Change and all the Avonal Age has done, and certain people and mind spirits will want to do that. However they won't be able to change the momentum being lived by those who are intent on living true to themselves and God through their feelings. (The availability of Divine Love may be withdrawn for the following spiritual age.) Still in all fairness humanity has to be given the opportunity to decide whether or not it wants to fully heal itself, and without having imposed on it such strong influences as caused by the Avonal presence. But that's all a long time off.

**GREAT U Turn** & **THE CHANGE**

So the Avonal Age is a specific Spiritual Age (which you read about in TUB – The Urantia Book), giving rise to The Change in which humanity ends its truth-denial and living unlovingly against itself and its Mother and Father, all of which is the Great U-Turn.

**Avonal AGE**

# LAW OF COOPERATION

## The Law of Cooperation

8 October 2022

Is to work in conjunction with (cooperating with) the Law of Compensation.

# LAW OF COMPENSATION

It's a Universal Law potentially to be 'imposed' upon humanity on Earth. It is currently in 'operation' in the Mansion Worlds, ensuring everyone cooperates in a friendly way with everyone else to maintain a certain standard of life as agreed upon by all involved, that which is determined by the Mind (rebellious) or Truth (Healing) way the spirits might be living.

Currently on Earth in our rebellious states, the Laws of Compensation and Cooperation are not active. So we live with the 'every man for himself' ethic, the powerful being the successful 'winners' who dominate the not so powerful 'failures'. Whereas in the Mansion Worlds (and the rest of non-rebellious Creation), equality, so even in a rebellious state, is the Law, and so if you cross the line inflicting dominance over another causing some level of suffering, pain and hurt, you will instantly come under the workings of the Law of Compensation and have to compensate for such transgression by feeling all that pain, hurt and suffering you have caused the other spirit to feel. So naturally, Universal Law and Order is maintained by everyone honouring the Law of Compensation, no one wanting to bring its 'wrath' down upon themselves.

Then added to keeping the peace, is the Law of Cooperation, for everyone in the Mansion Worlds who are happy and content to further their rebellious mind state in worlds 1, 2, 4 and 6; or doing their Healing, starting in world 1 and moving through 3, 5 and 7. So everyone willingly feels they want to cooperate with everyone else. Therefore, in the rebellious mind worlds, all spirits willingly and 'lovingly' cooperate with all other mind spirits; and the same in the Healing worlds, together with everyone willingly cooperating with the Healing. If you don't want to cooperate then you'll feel very bad, so everyone willingly wants to do some 'work' for the greater good of all. So there is no need for spirit money or spirit barter for any work done, because everyone willingly loves to work for other spirits, wanting nothing in return, loving giving and receiving as they feel moved to do. So for example, many spirits make spirit clothes out of the spirit material willingly and lovingly for other spirits to wear, freely giving such spirit clothes away, not wanting anything in return other than the receiving spirit being happy to wear and love their clothes. So, the Mansion Worlds function peacefully in their rebellious states – or in their Healing states.

So, now imagine if the two Laws are activated and applied to humanity on Earth... how would things change – and drastically change they would!

For example, everyone who is wilfully doing anything to make another suffer, feel hurt and pain, would cease their harmful ways, themselves feeling all that suffering, hurt and pain they've inflicted on the other person. So personally, as in personal relationship if you hit someone, emotionally, politically, socially, on all levels. If you run a business or government that is hurting people economically, socially, emotionally, spiritually, mentally, in any way causing anyone to suffer, then you're going to feel all that pain of all the people you're hurting. Even if you're doing it indirectly. If you work for a business or company and are forced to hurt others through policy of those controlling the company, no doubt you will still feel bad for what you've done, and you might leave, but if it's your only source of livelihood, then the Law of Compensation won't be as harsh or won't possibly be applied at all. So really it applies to those who are wilfully hurting, coercing or deceiving others, who will have to do their Hell Time to compensation for all

suffering and pain caused.

So, imagine if suddenly everyone had to stop hurting everyone else, including all animal abuse – how would the world be?

# LAW OF FORGIVENESS

Parents hurting their children are exempt from the Law, in that it will still apply, however it is suspended until the parent does their Spiritual Healing, and then it will come under the greater Law of Forgiveness. So parents doing their Healing and waking up to the truth of how badly and unloving they have treated their children, will feel all the pain of their transgressions as the Law of Compensation works upon them, however it will be a part of their Healing under the Law of Forgiveness, because the Rebellion has been thrust upon us all, and so parents won't have to do actual separate Hell Time, however they will feel like hell doing their Healing when they see and feel how unlovingly they've treated their children.

One could argue that it's not fair everyone being subjected to the Law of Compensation because we've all unwittingly and unconsciously been subjected to the horrors of the Rebellion, however once we're an adult, rebellion or not, we're still answerable for our actions. And so if you cross the line and infringe upon another's will to the degree of making them suffer pain, the Law of Compensation will apply to you.

So if the Law of Compensation is applied to Earth, one can imagine there will be many of the worlds top controlling people suddenly stricken down with all the pain of their wrongdoing, thereby leaving quite a gap in the way things get done, into which other people will have to step.

And if the Law of Cooperation is applied at the same time, then in theory the world can dispense with the need for money, so no power or wealth accumulation, everyone can have what they want, and no one will want such power over others because of the Law of Compensation – and then how does the world keep functioning when suddenly there is no need to go to work to make money to survive? Hence the need for the Law of Cooperation, because like in the Mansion Worlds, everyone will feel driven to cooperate with the whole, so people will want to go to work for the sake of working to make everything keep working. Not to earn a living, just so they can participate in the whole of making life be as everyone will want it to be, that being a pleasant, good and happy standard of living. So the companies and governments will still work if need be, however their purpose and reason for existence will be for the good of the whole, with workers volunteering to work to keep them going. A utopia heaven on Earth, even a rebellious one, just as the Mansion Worlds are called heaven.

So is the new Spiritual Age that is possibly forthcoming, heralding the end of the 'Lawless' Rebellion? Is humanity on Earth to move to mirror humanity in the Mansion Worlds? So can life over there be applied to life here on the physical Earth? Will people strive to continue living their rebellious ways cooperatively within the overseeing Law of Compensation, all in a 'nice, friendly and loving' evilness, like in the mind Mansion Worlds? Whilst other people will strive to live cooperatively doing their Healing, wanting to finally end being of the Rebellion and Default?

**Avonal** AGE 1,000 YEARS

Symbolising the elephant in the room is depicting the Childhood Suppression that has been imposed upon every child throughout the 200,000 years of the Rebellion and Default, however many personalities have now joined together to bring about The New Way, the ending of the Rebellion and Default, the Change Over from the Age of the Creator Daughter and Son, being the past 2,000 years, to the Avonal Age which will be the next 1,000 years.

Each of the many 'elephant' personalities involved to bring about the Great U-Turn can be depicted by the graphic above, however it involves personalities throughout the Celestial Heavens, 1, 2 and 3, it involves personalities throughout the spirit healing Mansion Worlds, 3, 5 and 7, none are greater than the Avonal Pair. In the physical there are three personalities that have collaborated unknowingly on this single journey, they now have a surprisingly small number of supporters, however that support is about to grow dynamically and exponentially.

Then there is one stalwart lady who has on her own successfully embraced her Feeling Healing, and with Divine Love, her soul healing. She is the first to succeed in all of humanity's 993,500 year history. She has demonstrated personally what the Avonal Pair have come to Earth to Reveal.

It is the Avonal Pair who have bravely taken on the extremes of Earth's Rebellion and Default and commencing in 1993 slowly and painfully worked their way through, what they call, the Feeling Healing process to demonstrate the way for all of Earth's humanity, both here in the physical as well as within the spirit Mansion Worlds 1, 2, 4 and 6. Thus, their success will see the introduction of the Avonal Age, the coming 1,000 years for Earth's humanity.
