

## Poverty and Religion

15 December 2024

There is no doubt that we, of Pascas, are finding the observations now outlined throughout this Pascas Paper totally overwhelming and distressful.

Dr David R Hawkins outlined within his book, *Power vs Force*, that 78% of the world's population calibrates under 200 on his Map of Consciousness scale. We are finding in 2024 that 75% of the world's population of 8 billion persons calibrate 200 MoC or lower. That represents 6 billion people are now living in a desert of truth, that is a lack of truth, and the consequences are that 3 out of 4 persons are living in poverty of varying kinds.

**PASCAS PAPER** Yes, there is a pathway out and it is simple, however, until one comes to understand what the Pascas Papers are introducing then no one actually knows how, let alone understand what that pathway is and the wonderful benefits and journey that this doorway opens for each and every one of us.

Here is the reality. Two thousand years ago, the level of consciousness of humanity took a great step forward and achieved an overall consciousness level of 190 MoC. The world's population in the first century was around 300 million.

Today, in 2024, we observe that some 6 billion people calibrate 200 MoC or less on Dr Hawkins' Map of Consciousness scale. That is, we with our so-called advancements in all things wonderful, we have now increased the impoverished state of our people 20 fold to be living in a state of untruth and unconsciousness as to what prevailed throughout humanity 2,000 years ago. This is confirmed daily as so-called world leaders' call for the preparation for World War III.

Using kinesiology muscle testing as how Dr Hawkins outlined, also within *Power vs Force*, we are able to ascertain what is in truth and what is not, very quickly and simply. Further, we are able to ascertain the level of truth of anything that we can hold in mind and verbalise.

To put it bluntly, our mind cannot discern truth from falsehood, our mind is addicted to untruth, and further, our mind is addicted to control of our environment as well as control over others. However, our feelings, our soul based feelings are always in truth! Yet, all our spiritual systems have been guiding us and telling us to be mind-centric, to literally worship our minds and to suppress and deny our feelings. Mostly doing so by ignoring feelings! Whereas, we are to embrace our feelings and have our mind to follow in support of what our feelings are guiding us to consider and embrace.

Truth is always the same. Thus there is only one truth. There cannot be two truths – just one.

Yet we have some 3,400 significant religions. Then with their minor denominations there are more than 50,000 differing religions. More than 20,000 of those are Christian. The variations of the bible runs into many thousands. All purporting to portray the one truth.

As will be seen by the consciousness levels of adherents to the main religions, with some 75% of adherents calibrating at 200 MoC or below then truth is lacking throughout. Further, 40% of adherents to the main religions calibrate at 100 MoC of below further announcing a uniformity in the misguidance and platforms of each and every faith purported to be of truth by the religious organisations without any one of them standing out above the others.

What is amazing and revealing is that Atheists are calibrating at MoC levels similar to the mainstream religions. That is most probable as they are not subjecting themselves to the controlling platforms of religions and not subjecting themselves to the coercive agendas imposed through institutionalised religions.

## **Faked and Entraining**

The universal contract governing the era of the Rebellion and Default left the high level rebellious Lanonandek spirits in control of the 37 humanities that were subjected to their guile. The consequences have been diabolical, particularly for Earth's humanity which is the only one subjected to both the

rebellion as well as the default, being Adam and Eve's failure in their mission for Earth's humanity. Consequently, you may find this relative to your particular religion, faith or way of living:

### SPIRITUAL UNIVERSE CAMPS

- There is no reference to one's feelings. There is a focus on mindedness.
- There is a focus upon the male as the dominant personality.
- The female is subjected to the male.
- There is no reference to a heavenly female as being God (female and male soul partners).
- There is always submissiveness being required. Adherence to authority and special rules.
- There is an overall controlling influence.
- There is no understanding of our Indwelling Spirit and that we each are endowed by same during our sixth year of living on Earth.
- There is no understanding that our soul is a duplex and that it manifests BOTH a female personality AND a male personality ALWAYS.
- There is no understanding that God is both our Heavenly Mother and Father – two personalities – and that we can talk to either as well as to both.
- There is no understanding that we can heal ourselves of our emotional injuries and errors of belief by talking our feelings out to a companion who is open to listening to us.
- There is no understanding that while we live mind-centric that our progression has a 'glass ceiling' being 499 MoC on Dr Hawkins' Map of Consciousness.
- There is no understanding that our Planetary Prince, namely Caligastia and his deputy, Daligastia, have orchestrated and manipulated each and every spiritual platform and religion on Earth to be complicit and complying to the rebellious dictates of Lucifer and his deputy Satan. (Each of these four also have a female soul partner who are just as erroneous and evil.)
- That the guile of the rebellious Lanonandeks is to keep us submissive and unprogressive in our soul development so that we remain available for their long term agenda to expand their reign of authority over other humanities within our Local System of Satania.
- That the rebellious Lanonandeks have influenced and assisted malevolent personalities throughout the mind spirit Mansion Worlds 1, 2, 4 and 6 to influence people in the physical on Earth to adhere to their dictates.

- That all of the platforms of each and every one religion and spiritual practice has been manipulated to reflect the will and suppressiveness of the rebellious Lanonandeks.

Should we live true to our feelings, then we are living true to our Heavenly Mother and Father, it is that simple.

Consequently, humanity on Earth is sick.

## Humanity of Earth is Sick

The elephant in the room is our Childhood Suppression. From the moment of conception through to our sixth year of life we are subjected to our parents unknowingly guiding us to live and be the personality that they want us to be. They infuse us, their children, with all of their emotional injuries and errors of belief and consequently by the time we are six years of age our consciousness calibration will mirror one or the other parent, should their calibrations be different from each other.

The cascade of their emotional injuries upon us interferes with the flow of soul light energy through our spirit bodies and then into and throughout our physical body and then its return to our soul. The distortions in this light circulation eventually manifests in our physical body as disease and or illness. It is this disruption by our parents of our light circulation that manifests illness and deformities within babies before they are physically born. Should parents heal prior to conceiving a child, then the child will be free of such issues.

Thus, generation after generation, the families remain calibrating at the same levels as prior families and there has been and cannot be any consciousness growth. That has been the case for the past 1,700 years for Earth's humanity. While a family remains living mind-centric and suppressing feelings then there will be no growth and development for that family. And no societal development!

The Lanonandek spirit class emanate from within our local universe of Neadon. They are not from Paradise, the home of our Heavenly Mother and Father. The Lucifers and Satans who are our System Sovereigns were imprisoned during the physical life of Jesus and Mary Magdalene on Earth in 26 CE. The Caligastias and Daligastias who are our Planetary Prince were imprisoned in 1993 CE. Caligastia is the personality that when you refer to the devil you are referring to him.

Their influence has embraced ALL institutionalised systems. Education, health, legal systems, everything imaginable have all been manipulated and structured to keep humanity suppressed and submissive to Lucifers long term agendas. There are no exceptions.

**FOR 200,000 years ALL SCRIPTURES and Earth based INSTITUTIONALISED SYSTEMS are the WORK of the REBELLIOUS LANONANDEKS:**

The rebellious Lanonandeks from within our local universe are these soulmate pairs:

**Lucifer pair**  
Arrested and imprisoned 26 CE

**Satan pair**

**Caligastia pair**

**Daligastia pair**

The consequences are in this simple table:

These two charts demonstrate the stark reality of one's probable quality of life that we will experience relative to our personal calibration as per the Map of Consciousness developed by Dr David Hawkins. Our calibration level is essentially set for life by the time we reach the age of six (6) years.

300s	71	4,100 million	Open and Free Education

100s & below	73	2,100 million	Survival Living
Overall 220	216	8,000 million	Humanity entrenched in mind-centricity

Looking at the national calibration of each country overall – Worldwide Survey, this does not take into consideration the very few within the nation with high consciousness calibrations that counter balance the many with low calibrations, thus the above numbers in the Worldwide Survey does not reveal the dire state of the populations and the desert of truth (level of untruth) within each country.

Thus, testing for the number of persons (percentage) calibrating at or below 200 MoC reveals the number of people within that threshold and separately calibrating at or below 100 MoC reveals the number of those in chronic poverty of lack of truth. Generally speaking it is 75% of the world's population calibrating 200 MoC or lower with 40% calibrating 100 MoC of lower.

Thus, marketers who target those with lower consciousness levels are finding the bulk of the populations. Thus Donald Trump being elected on 5 November 2024 to become USA's next president!

Further, social media has attracted the lower consciousness community around the world. Human nature by default has been programmed to be socially active to a certain extent. Some people are more active, while others are less so!

**Avonal Age of 1,000 years begins!**

Machiventa Melchizedek's time on Earth (commenced 1980 BC) was to tutor Abraham in what he was to put in place for the arrival of the Creator Daughter and Son. Jesus and Mary Magdalene's arrival was to go by without them being noticed, they did not come here to establish a religion, they came as part of their progression to full co-regency of our local universe of Nebadon and to put into place what is and was required to bring about the ending of the Rebellion and Default of Earth's humanity. Jesus and Mary Magdalene remained in a Celestial soul condition throughout their lives on Earth, having not taken on any of the Rebellion and Default. Accordingly, they were not fitted with the experiences to end the default. That has been left to specialist Avonals to do so and that is what is now underway. It is the ending of the Rebellion and Default that is now unfolding. This is evident throughout these writings!

**PASCAS**  
**wrap-around**  
**support**

Further, this is NOT an introduction of yet another religion. Pascas has no hierarch of control, it has no special book, rituals, cannon laws, dogmas, creeds, special clothes, and there is nothing to join. It is a way of living – feelings first with the mind to follow in support. Yes, people will join together to assist each other in their journey of discovery of their feelings and how to heal their emotional injuries.

As of now it can be seen that even though there are seemingly great technological advancements, there is more than twenty times the number of people in a desert of untruth and poverty than there were at the time of Jesus and Mary Magdalene. Through the abuse of technology to the extent of it, we now could readily exterminate our humanity on Earth.

It is through education that the imposts of the Rebellion and Default can be lifted. It is a task and journey for each and every one of us. It is the providing of the awareness of what has unfolded and how we each are to heal ourselves of our personal rebellion and default. This requires universal, open, free, feelings orientated education at all levels and stages of our life so that all have the opportunity to consider as and when they so please. It will take more than the coming Avonal age of 1,000 years to achieve universality but it will come to be.

The alternative is way too diabolical to even consider.

**WE ENDURE FOUR LAYERS of PERSONALITY SUPPRESSION!**

Unknowingly, our parents pass onto their children (us) their beliefs and way of living that has evolved since the Rebellion, some 200,000 years ago, and then the Default, some 38,000 years ago. In this way, humanity is suppressing the female, rejecting our Spiritual Parents, namely Jesus and Mary, and denying our Heavenly Parents being our true Mother and Father, of Their truth, standing and existence.

**The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion.** Nanna Beth 29 June 2017

We are souls, our personality is an expression of our soul. It is our free expression of our soul through our feelings that we are to embrace and follow. This expression may appear to be wilful in nature, from time to time, and consequently our parents’ attempt to suppress this expression. They proceed to remodel us when as young children, in the manner their parents treated them and so on for many generations going back.

During our forming years, as a child, we are unable to recognise the suppression of our personality as being extra-ordinarily harmful to our soul based personality and, accordingly, we don’t know that things can be any other way. Presently, neither do our parents.

This childhood suppression way of living continues throughout our schooling years, thus we learn this is a way of life that is normal.

Our religions all have been formed based on the tenets of the Rebellion and Default. The teachers and leaders throughout all denominations take us further away from our suppressed feelings that have been hammered into us during our forming years, thus entrenching us further into rejecting our true selves.

The controlling and suppression mechanisms of our parents, educators and spiritual teachers all manifest throughout all of commerce. This control comes heavily and brutally down upon all levels of employment. The capability to express one’s soul based attributes and gifts is sealed throughout all of one’s working life.

A new way of living is to enable the liberation of one’s true personality through the Feeling Healing process AND the transfer of authority to the individual via embracing freedom of expression.

**BUT THERE ARE FURTHER LAYERS OF CONTROL!**

Federal, state and local governments impose their 'rule' upon the people that appoint them to serve these very same people!

Instead of assisting their people, governments at all levels impose restrictions and controls.

The same people who 'elect' the members of parliament do not realise that the 'nominees' are often puppets of hidden controllers.

**GOVERNMENT**  
 Derived from the Latin verb **Guverno, Governare** meaning "To Control" & the Latin noun **Mens, Mentis** meaning "Mind"  
**To Control The Mind**

**HIDDEN CONTROLLERS**

'Heads of society' are considered leaders. The 300 Bilderberg Club members are (short term) leaders throughout the world, but these are controlled by some 30 families (medium term), who are in turn are

manipulated by 12 (long term) families. All of this is managed and imposed by global secret society networks under the direction of the 12 long term families and their chairman.

**CONTROL DISRUPT**

Since 31 May 1914, progressively introducing high level truths to humanity that have been prevented from sharing for thousands of years. From 31 January 2018, Celestials have been disrupting the hidden controllers on Earth and slowly bringing about their manipulation and suppression of Earth's humanity. Celestials have been

Avonals - Magisterial Daughter and Son

Machiventa Melchizedek, to this day, continues to oversee the plan that was evolved more than 4,000 years ago to progressively open cracks in the Universal Contract governing the Rebellion and Default instigated by Lucifer 200,000 years ago. With 'federal' authority, the Creator Daughter and Son brought about the Lucifers and Satans' spirit world imprisonment 2,000 years ago, and set the Avonal bestowals in place.

The commencement of the Padgett Messages on 31 May 1914 triggered the bestowal of the Avonal Pair for Earth's humanity. The Avonals' 'state' authority brought about the Caligastias and Daligastias spirit world imprisonment in 1993. The Avonals' healing of what they have taken on of the Rebellion and Default ends the Rebellion and Default. Now we can all follow and progress on the pathway to Paradise.

# Truth is Freedom

Before being conceived, we each have had nothing to do with the culture or heritage of the family and its people into which we are now born.

After we pass over into our spirit lives, we each will have little or nothing further to do with the culture or heritage of our family that we lived with on Earth.

We each are one of many voices within our communities.

We are to embrace our experiences and limitations of our family upbringing which our soul has desired for us to have. We are spirit personalities having a physical experience and this physical life here on Earth is the commencement of our incredible journey which will take us through many universes.

We are not to accept the limitations, the psychic barriers of our family, nor those of our national culture and its ethos. The people of a community, a region, a state, a nation respond to and reflect a common set of values, customs and culture, which is passed down through the generations, this is a psychic imposition or barrier that inhibits evolution, our true self expression and our growth in potential and personality.

Now, it is this time in history that, individually, we each are to free ourselves of the Rebellion and Default that has been imposed upon us by hidden controllers, both of those from within the spirit worlds and of their defacto agents here in the physical.

We now have the option to embrace and enjoy the freeing truths that our soul can and will expose to us – we are fully self-contained. We are to look within, to our feelings, and to long for, to ask for the truth that our feelings will exquisitely and amazingly reveal to each of us.

The wonders of intuitiveness and spontaneity are ours to behold, experience and enjoy – this is of our choosing. We can continue living a limiting mind-centric life or embrace living Feelings First – The New Way – with its infinite potential. The gateway is now open and the pathway is defined.

This we are to share with all of humanity as we are Freedom's voice.

## ONE SECOND TO MIDNIGHT

# Systems of Deception!

One person with unfettered and supreme control, a System Sovereign, has had aeons of time to passively and stealthfully impose upon his minions (us – you and me) a way of living that assures him, the arch hidden controller, that we would remain compliant and submissive to his begging. His extreme intelligence and consciousness is no match for us ascending mortals who arrive naively upon Earth with absolute dependence upon parents who have already capitulated – unknowingly – to his wily stealth.

The System Sovereign's goal was that we do not evolve, that we remain fearful of our true Heavenly Parents, that our true pathway for spiritual development is not revealed, that we live in a manner of servitude and ignorance through our minds believing that our submission to our minds will enable us to become all powerful and even mini-gods. When we transition into the spirit mind Mansion Worlds, we remain collectively his waiting army to fulfil his ambitions to expand his domain and territory. We have been well and truly screwed over through his imposed systems of:

- Parenting – unable to love our children due to lack of truth in what we are provided with.
- Education – minimalistic, having our minds unable to progress beyond reason – our minds are addicted to untruth and control of others including our environment.
- Health systems – ignorance of our spirit bodies and gross ignorance of underlying cause of illnesses which are through the lack of being loved. Our health systems cannot heal.
- Commercial systems – we become salary slaves with suppressive debt slavery resulting from the costs of education, housing, health services, transportation and necessities for survival.
- Political systems – that divide the community into camps and then deliver representation of only a portion of the population without candidates having necessary leadership skills and experience.
- Religions – there is only one truth. We are to live through our feelings – not our minds.

We have been led to live mind centric which is the pathway of all of nature except humanity which is ensouled. We of humanity are to live feelings first with our minds to assist in implementing what our soul based feelings lead us to embrace. We are truth seekers and truth is to be found through feelings.

Higher level personalities than our System Sovereign have now taken on all of the evilness and wrongness of what these rebellious Lanonandek spirits have imposed upon us and have healed themselves of these injuries. Now all systems assembled during the Rebellion and Default, now ending, need to be rebuilt!

Our pathway to Paradise, the home of our Heavenly Mother and Father, is through living embracing our soul based feelings, living feelings first, to express what our feelings draw our attention to and to long for the truth of what our feelings are to show us – both good and bad.

A lady named Samantha found James Moncrief's writings on a website and commenced to engage in her Feeling Healing. This may have been in 2013. Samantha is like all of us, she is an ascending mortal. She has no specialness nor has she had any support other than James' writings on the internet. Samantha has been successful with her healing. She has been very successful. She has now written numerous books outlining her experiences so each and every one of us can follow her example. An ascending mortal, Samantha, has conquered all that the rebellious Lanonandeks, led by Lucifer, has imposed upon us. Samantha is the new mother of humanity in demonstrating to us how to embrace the one and only pathway home to our Heavenly Mother and Father.

This outline of the Map of Consciousness spells out the fact that while we live Mind-Centric and ignore and suppress our Feelings we cannot pass 499 MoC. Our mind being in control, as we have all been indoctrinated to live, is a glass ceiling. Humanity cannot heal anything, cannot be spontaneous, has no intuitiveness, and is locked into living in the deep hell states. This is why people find themselves in abusive homes, domestic violence, housing stress, homelessness and gross difficulties of all kinds. This is why we are easily manipulated, embrace propaganda and are being controlled by a few.

Women are closer to their feelings and that is why the nursing profession hosts a lot of women who calibrate a little over 500. These women are the healers in hospitals.

By aspiring to live Feelings First we are each breaking the glass ceiling and opening our potentials to grow in truth and love not only to 1,000 MoC, but to infinity. This is our destiny.

As communities embrace living Feelings First and having their minds to follow in supporting what their feelings are guiding them with, then ALL of the social ills of society will begin to mitigate. Please, do you comprehend the importance of what is being shared throughout this document?

## PERSONALITY TRAITS:

Less than two dozen people on planet Earth.

Would not pick up a weapon let alone use it. These people gravitate to the health industry and humanitarian programs.

Debate and implement resolutions without argument and delay. 470

Debate and implement resolutions in due course. 440

Debate and implement resolutions with some degree of follow up generally needed. 410

Management supervision is generally necessary.

Politics become the hope for man's salvation.

Cause no harm to others starts to emerge. Power overrides force.

Illness is developed by those man erroneous emotions that calibrate 200 and lower.

Armies around the world function on pride. Force is now dominant, not power.

Harm of others prevails, self-interest prevails.

Totally self-reliant, not God reliant.

Fear dominates all motivation.

Suicide is possible and probable.

At these levels, seriously harming others for even trivial events appears to be justifiable.

Poverty, unemployment, illness, etc., this is living hell on Earth.

# Psychic Barriers

## 'Submissiveness'

Submissiveness is observable with personalities that calibrate on Dr David Hawkins' Map of Consciousness (MoC) at 200 or below. Though they may be assertive, they readily submit and comply with authority and authoritarian domination.

Those having covert controlling agendas readily take advantage of this trait which is a psychic barrier imposed upon humanity by high level controllers thousands of years ago. These high level controllers imposed upon humanity a way of life and living that was and still is holding back the growth and development of all people on Earth. These high level controllers' agenda was to ensure that a growing number of subservient beings were available for their expansionary controlling agendas elsewhere.

Presently, 2024, the people of Afghanistan – 44 million – calibrate overall at 85 MoC. Of the 34 provinces, the highest is 100 and the lowest 75 MoC. Coincidentally, the population of USA – 330 million – calibrate overall at 405 MoC, however just over 50% of the people calibrate under 200 MoC.

The submissiveness of the Afghanistan people was demonstrated by their acceptance of the Taliban taking over control and government in August 2021 without any significant resistance. The leader of the Taliban calibrates at around 280 MoC. Coincidentally, the Republican Party nominee for President of United States of America also calibrates at around 280 MoC, and his platform is clearly attracting the support of the people of USA who calibrate under 200 MoC!

## 'Mind - Centricity'

Those same high level controllers back thousands of years ago seduced Earth's humanity to live Mind-Centric on the false premise that we could grow through our minds in greatness to become mini-gods!

While we live mind-centric and suppress our feelings and our true self, we cannot progress beyond 499 MoC on the Map of Consciousness. While we live this way, ignoring and suppressing our feelings we will continue to stagnate, engage in wars, incur discomfort, pain, illness and disease, suffering a life of living in a physical hell – we cannot evolve any further than what you see around you now every day.

All institutionalised systems are to be dismantled and through every aspect of life and living we are to consider our feelings which are always in truth. Living Feelings First and having our minds to follow in support of implementing what our feelings are prompting us to embrace will not only see people growing in truth and love, but also advancing beyond 500 MoC. Living feelings orientated has no limit to what we can achieve. Living in a Celestial soul condition state while being here in the physical on Earth is now possible for those who not only live feelings first, but embrace Feeling Healing and our Heavenly Mother and Father's Divine Love. Such a condition of living has now been achieved here on Earth for the first time in the total history of Earth's humanity, being of about 993,500 years.

These psychic barriers of submissiveness and living mind centric can only be put aside by introducing an open and free universal feelings orientated education system at all levels for all societies. This will slowly resolve all social issues and conflicts and bring about living a life of simplicity and truth worldwide.

# Psychic Barriers

**Barriers** to our growth and development are the customs and norms passed down through the generations by our families and heritage. We each are infused with the errors of belief and emotional injuries of our parents and carers, thus, generation after generation calibrate on Dr Hawkins' Map of Consciousness at the same levels as one of our parents, should they calibrate differently.

Thus, until we step away from living like our parents, which is living mind-centric, no evolutionary growth is likely to unfold for societies around the world.

## 'Submissiveness'

'To put lower consciousness levels into context, it is helpful to know that, according to consciousness research: **78%**, if not **85%**, of the people on the planet calibrate below 200 on the Map of Consciousness, and 56% of the United States calibrates below 200 on the Map.'

'**Things are done TO Me**' – that is those calibrating under **200 MoC** who submit to their environment and will of those imposing upon them. They are

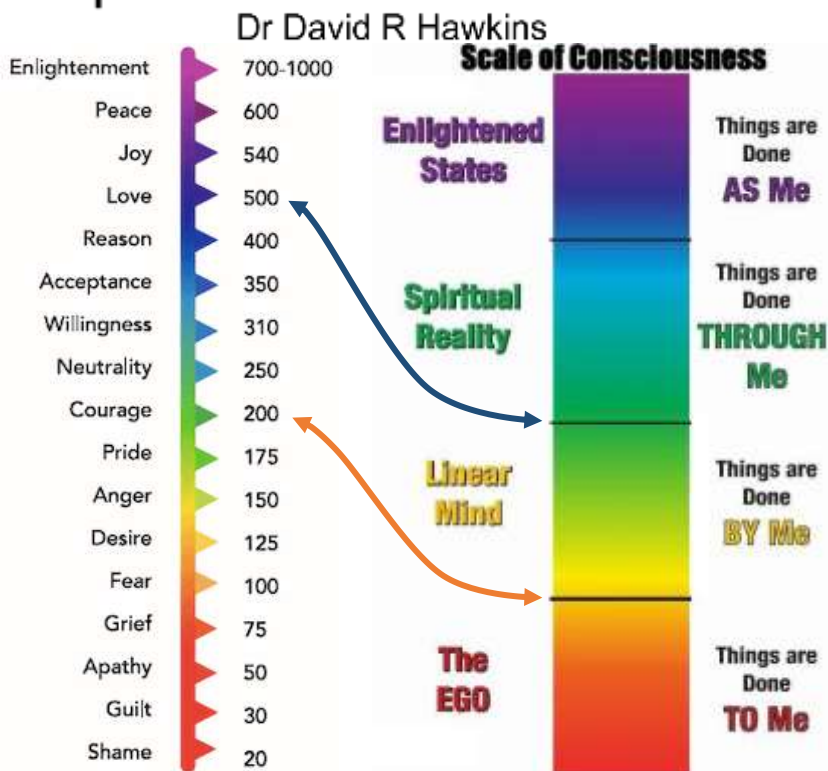

submissive to control and easily capitulate to coercive dominance without resistance. They readily capitulate to untruth and error, thus suffering greatly.

## 'Mind - Centricity'

200,000 years ago we were submissive to the control of high level personalities who induced us to believe we could become mini-gods by believing that our minds could take us to those levels. Women are closer to their feelings and consequently males had to dominate and suppress women. Living mind-centric prevents us progressing beyond 499 MoC. Living mind-centric, **Things are done BY Me**'. This glass ceiling can only be bridged by us embracing our feelings and living feelings first. Then through Feeling Healing and by embracing our Heavenly Mother and Father's Divine Love we can progress to Celestial Soul Condition while living here on Earth, which is beyond this Map of Consciousness scale.

Thus, these two distinct psychic barriers outline the cause of social issues and difficulties throughout societies and populations. The worldwide education systems actually prevent any consciousness growth and evolutionary progress. Only open and free universal feelings orientated education can erode these psychic barriers and bring about the freedom and progress that we all long for.

## Map of Consciousness MoC

# Map of Consciousness MoC

**Note:**

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table. A calibration increase of 1 point is in fact a 10 fold increase in energy. A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy. Thus the energy differentials are in fact enormous!

The collective power of those above consciousness level of 200 has the weight to counterbalance the negativity of those below 200 of the world's population – and also to raise the overall consciousness calibration of humanity! 'Power vs Force' Dr David R Hawkins P.234

One individual at level 700 MoC counterbalances	70 million individuals below level 200
One individual at level 600 MoC counterbalances	10 million individuals below level 200
One individual at level 500 MoC counterbalances	750,000 individuals below level 200
One individual at level 400 MoC counterbalances	400,000 individuals below level 200
One individual at level 300 MoC counterbalances	90,000 individuals below level 200

Until humanity begins to embrace their feelings, that is, accept and follow their feelings having their minds to follow in implementing what our feelings are prompting us to consider, then the malaise, the status quo of a hellish existence, will continue. We cannot bridge the glass ceiling of MoC 499 while living mind-centric. Universal, open and free, feelings orientated education worldwide is to be made available to bring about the awareness of living feelings first so that those who embrace can put aside the psychic barriers, the norms of generations gone by, and grow in truth and love thus lifting humanity out of the rebellion and default conditions that have prevailed for 200,000 years.

# Psychic Barriers

Within and throughout any community, we have personalities at all levels on Dr David Hawkins' Map of Consciousness (MoC) scale as of a consequence of the levels of consciousness of their parents own childhood upbringing. Thus the psychic barriers throughout a family are generational. Through childhood suppression we become the level of consciousness of one or the other of our parents.

**MoC scale around 100:** This is survivalist living. To do nothing more than what is necessary to live. It is a continuation of how one's ancestors have lived for many generations before us. Even though being aware of modern developments and practices, one continues with beliefs and practices of hundreds and thousands of years ago. No amount of governmental money can improve our life experiences until we personally move to step away from traditions and improve our potential through personal development.

**MoC scale around 200:** Religions introduced over the past 2,000 years may be embraced and have raised consciousness but little is being achieved other than a neutrality in the way one may be living. Living mind-centric prevails. Humanity overall is calibrating around 220 MoC.

**MoC scale around 300:** Open and free feelings orientated education for all ages and aspirations. Free in cost and free from controlling agendas. Such scenarios over time bring about societal evolutionary growth and instils economic growth and enhanced standards of living. Those of higher levels need to be managers. However, feelings are not presently part of any curriculums.

**MoC scale around 400:** Leadership unfolds that bring about the dynamics to provide global development and prosperity.

**MoC scale around 500:** Until societies recognise that we are to live feelings first having our minds in support of what our feelings are drawing our attention to then very few will grow in consciousness higher than 499 MoC as at that level is the peak that our minds can grow.

Within any group of people all of these levels can exist, living side by side. At each of these levels, what is to be provided is awareness specifically to open the pathway for growth and development to aspire to higher levels of consciousness. It is always for the individual to decide if and when they will seek to embrace their further growth and development. No one can grow or develop consciousness of another.

In recent times, governments have frequently imposed fees upon students engaging in higher education only to find stagnation returning to productivity growth. A counter-productive step for their societies.

Psychic barriers are impositions imposed upon us all to retard and restrain our growth in consciousness and development for the agendas of controlling influences that are now no longer. However, it is up to each of us to recognise our way forward and that is through writings like this. The benefits of living Feelings First will over time address ALL of the social ills throughout society and open the pathway for infinite growth in one's level of consciousness. This is our destiny!

## 'Submissiveness'

Things are done to me – submissiveness. **Submissiveness** refers to the **trait of being willing to yield to the will of another person or a superior force**. It is characterised by tendencies to obey or be obedient, often in a humble or unresisting manner. This may empower those whose addiction to control is suppression of others.

## 'Submissiveness'

Map of Consciousness illustration based on the model created by Dr David R Hawkins

Raising our level of consciousness requires constant commitment. Especially on the lower levels, great effort is required to progress from one level to the next. And below courage, help from others is most often necessary.

While it can seem difficult to progress on the Map of Consciousness (MoC) the effort is always worthwhile.

**The progression from one level to another can radically change and improve your entire life.** All your worries and anxieties from the previous level will seem comical.

Sometimes you temporarily experience a higher level of consciousness and this is a good indicator of where you must go next. Moreover, these moments of clarity can keep us on track and committed to the process.

**But be aware a lower level might cloud the memory of a higher level.**

**The most important thing each of us can do in life is to raise our individual level of consciousness.** When we raise our own level, we do not only spread this level to those around us but also the whole world. And you might even be the catalyst for another person's progression to a higher level. Even one drop raises the level of the sea.

Furthermore, when every one of us is working to raise our individual level of consciousness the progression from one level to another will require less effort and be much faster for everyone.

**Just imagine how incredibly different the world would be if everyone were at the level of acceptance.** According to Hawkins, 78% of the people on Earth are still below courage.

# 'Submissiveness'

## Things are Done **TO Me**

Suppressive Regimes thrive in environments where the populous is submissive:

Houthi Rebels thrive in Yemen	MoC of the people	160
Hamas thrive in Gaza Strip		130
Hezbollah thrive in Lebanon		130
Taliban now governing Afghanistan		85
Sudanese guerrillas in South Sudan		140
Ukraine		140
Kim Jong Un in North Korea		175

Consider other places of instability:

Syria	160
Iran	190
Iraq	120
Haiti	80
Central African Republic	80
Angola	80
Democratic Republic of Congo	40 etc...

# 'Submissiveness'

Map of Consciousness illustration based on the model created by Dr David R Hawkins

Until the focus is upon assisting these and similar populations to significantly lift their personal levels of consciousness, radical and suppressive control centric leaders will continue to cause great harm as their own view on life is harmful to others. Feelings orientated open and free universal education is the gateway.

# Childhood Suppression is the elephant in the room!

Suppressed Child

The underlying generator of all discomfort, pain, disease and illness is Childhood Suppression and ongoing Repression.

Feeling Healing is our only recovery and soul growth pathway.

It is that simple!

The one and only truly effective vaccine is the healing of our Childhood Suppression and ongoing Repression through FEELING HEALING!

# Childhood Suppression

The soul does it all. The soul is a duplex, two personalities being manifested into the physical by our soul.

Soul light continually flows from the soul through our spirit body levels and into our physical.

Return light being the experiences of our physical existence.

## SOUL

Childhood suppression imposed upon us by our parents and carers causes retarded light to return to our soul bringing about imbalance, reflecting emotional injuries and errors of belief. This imbalance is the cause of all our difficulties throughout our adult life and also all of our health issues.

## SPIRIT BODY

Brennan Model of the 7 Levels of the Human Energy Field

Every experience is recorded through the light returning through our spirit body and back to our soul. What emotional injuries we experience, commencing from conception, has to be expressed emotionally to heal the imbalance in soul light so that harmony and health can be achieved in our spirit and physical bodies. Childhood Suppression is the underlying cause of disease, illness, etc.

# Childhood Suppression

Childhood Suppression – from conception to age six years – harmfully encrusts the soul, thus impeding light flow throughout all seven layers of the spirit body, damaging the genes within the spirit body which in turn damages the genes in the physical body, as well as setting the pattern for all of our physical health issues throughout our lives.

## SPRIT BODY Brennan Model of the 7 Levels of the Human Energy Field

**Etheric; the state between energy and matter.**

The spirit etheric body is the template for our physical body, however, no health care system or science considers that the underlying cause of any health issues are formed through our Childhood Repression and that no physical healing occurs without expressing our childhood suppressions, being feelings both good and bad and then longing for the truth behind these injuries. Medicine may suppress the pain – it does not and cannot cure – vaccines are extreme physical suppressions!

**The pain from ANY illness will not exceed the pain experienced during our Childhood Suppression!**

**SOUL LIGHT emitted is to be BALANCED by the LIGHT RETURNED!**

**Two separate personalities on parallel 'circuits' having the same soul.  
What impacts one personality does not impact the other personality.**

**ONE SOUL - TWO PERSONALITIES**  
**Our soul is a duplex!**

Soul light passed to either personality is returned completely **if** the personality is in a perfect state. Imbalances occur in the spirit body and consequently the physical until Feeling Healing is complete.

The mind is to be of service!  
The mind is designed to Follow,  
to be of service to the truth,  
of service to the heart, and  
your Feelings!

**SOUL is a DUPLEX**

*Seek balance of TRUTH and MIND!*

Bad feelings are GOOD! They are Your bad feelings. You should respect yourself by accepting you feel bad, which is hard to do if you were made to deny your bad feelings throughout your childhood. Self-love, is attending to all your feelings properly - Feeling-Healing.

Humanity is starting to be 'Spiritually Squeezed'. It will increasingly come under spiritual pressure; that being, it's time to stop f-ing around with truth-less religions and get serious, getting on doing your Spiritual Healing to end being of the Rebellion and Default.

Living mind-centric to the exclusion of our feelings imposes a ceiling upon our progress to 499 MoC.

**MAP of CONSCIOUSNESS CALIBRATIONS reflect the nature of the TOPIC:**

The level of truth of a topic or subject is reflected in the calibration through employing Dr David R Hawkins' Map of Consciousness with kinesiology muscle testing. A publication or movie about manufacturing food would be around 200, whereas meals prepared in a loving home would be around 500. The subject of pornography through to war would be less than 200, whereas natural love topics can readily be over 500 and up into the 800's plus. Material introducing Feeling Healing with Divine Love, by its nature, will range between 1,480 to 1,500 on Dr David R Hawkins' Map of Consciousness (MoC), in its purest form of presentation. This has never been previously achieved.

# Root Cause

Highly esteemed Lanonandek spirits from within our local universe of Neadon were assigned as System Sovereigns of our local system to oversee Earth's humanity and their spiritual development. 200,000 years ago they, the Lucifers, became infatuated with their authority and turned against the regents of Neadon, Mary and Jesus, as well as rejecting God. Through their Planetary Princes, also Lanonandek spirits, they had taken the humanities of 37 worlds within their local system into their Rebellion.

Through living through our minds, suppressing our feelings, we on Earth will continue to be at war with each other, illnesses of all descriptions will continue from our feelings suppression, famine and inequalities prevail, control of others is the core of all systems, we cannot determine truth from falsehood and life on Earth is a living hell. We have been continually seduced by mind Mansion World spirits and we live life in a stupor – nothing more than zombies doing the begging of the evil ones, the rebellious Lanonandek spirits.

Through living through our minds, suppressing our soul based feelings, we have been progressively going further and further away from our Heavenly Parents, now to the point that we cannot go any further. Through working cracks in the Universal Contract governing the Rebellion and Default, this control has been ended formally as of 31 January 2018.

# Pathway Forward

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

**God's Divine Love: Pray for it, ask for it, and receive it.**

**The Golden rule is: Never interfere with another's will.**

**Golden Rule: that one must always honour another's will as one honours one's own.**

**New Feelings Way: learning how to live true to ourselves by living true to our feelings.**

**We are to express our feelings, both good and bad, at all times, and to long for the truth of them.**

**By living true to ourselves true to our feelings, we are living true to God. It's that simple.**

*From our head to our toes,  
what our feelings say goes!*

*Feelings, good and bad, are to be expressed.*

*Talk it Out!*

*Heartfelt feelings are our truth.*

*Then we are to continue by longing for  
the truth that our feelings are to reveal to us!*

**LONG to KNOW ABOUT what you are FEELING!**  
**Long to understand the truth behind**  
**what your feelings are pressing upon you.**

**Ask to know the truth about that which you feel.**  
**It is knowing the truth of that**  
**which you feel that sets you free!**

**Always be true to your feelings**  
**because they are your truth**  
**and truth is love and our way home!**

**Express your feelings to those who matter to you.**  
**Suppressed feelings bring about pain and illness.**  
**Talk it out to a friend!**

**EMOTIONAL ERRORS are of the MIND**

**Enters emotionally - is to leave emotionally!**

**WHAT ENTERS EMOTIONALLY  
IS TO BE EXPRESSED  
EMOTIONALLY WHILE LONGING  
FOR THE TRUTH TO BE KNOWN  
ABOUT WHAT IS BEING FELT!**

*My individual "Rebellion and Default"  
is my overarching virus!*

**The Rebellion and Default are the true viruses that we are all 'infected' with. Viruses are more of the spirit really, which is why they are so elusive. If our soul needs to give us the experiences of the virus we will 'catch' it.**

Other disease, like cancer, and the breakdown of the physical structure is again wholly physical however they are the physical manifestations from the breakdown of our spiritual light in our spirit systems.

All illness results from our inner levels of discontentment – **BECAUSE WE DON'T FEEL LOVED.**

Should every soul, all at the same time, need the experiences from a virus to feel all the feelings we need, then it will be **different feelings for every person.**

Humanity is to uncover the truth of evilness, its wrongness, of its rebellion and default. And illness is to show us that we are wrong. We wouldn't get sick if we were right. **ILLNESS IS OUR FRIEND.** It's all about what went into us through our forming and early childhood. All the secrets are contained back there within ourself. When we 'go in' we're to go into our early life through our adult 'now' feelings.

**EVERYTHING** that happens to us does so to help us live one of two ways. **So we will 'get a virus' to help us go further into our truth-denial; or we will get one to help us come out of it.**

Our bodies are designed to live anywhere, even in the most infested disease ridden place on the planet, and **we will get sick if we need that sickness to further our truth-denial, or we will get sick if we need it to help us heal our truth-denial, or we simply won't get sick. There is NO OTHER REASON why we get sick!**

If we are going to get sick, that will happen either way because we are already sick within ourself and from how we were treated through our childhood – there are no other reasons. We are sick because we are denying the truth of ourself and God. We are all very ill being in the Rebellion and Default. **The Rebellion and Default are the true viruses that we are all 'infected' with.**

**Enters emotionally - is to leave emotionally!**

*We are to express our feelings,  
both good and bad, emotionally!*

**While we are rebelling against our soul  
we are also rebelling against our Soul Partner!  
We cannot recognise our Soul Partner until  
we have healed ourselves of our Rebellion and  
Default.**

**Until then we will reject our Soul Partner!**

*mind controlling way or soul's feelings first!*

# Purpose of Life

Purpose of our life is to:

Achieve individualisation. This is truly the moment of our sentient experience beginning. This occurs at the moment of incarnation which is when our newly forming foetus begins to pump blood, usually day 16 after conception. From that moment we are beginning to experience life.

We have a life purpose. We are each a unique personality with individual propensities to experience. Should our physical life be cut short then we will go on and have the experiences that we need in the 1<sup>st</sup> spirit Mansion World. If we miscarry or are aborted then we will become spirit born, be adopted to spirit parents and have a similar life to that should we have gone on and lived on Earth.

Presently we are each subjected to Childhood Suppression which we continue on throughout our lives suppressing our feelings and our true personality. This is providing us with unique life experiences as this does not typically occur with any other humanities throughout the universes. Our physical life on Earth is mostly very difficult, however this will provide each of us with unique capabilities to aid newly emerging humanities on worlds further out into space. Yes, we have an enormous journey to enjoy.

Our time of death is predetermined. We often do crazy things – but our life span is predetermined.

What we experience is also predetermined. A few are to be wealthy and become burdened with responsibility. Many are to be poor and enjoy the freedom without trappings of assets and obligations.

Most will have families while on Earth. No matter who we are, we will each parent at least three children before we can enter the first of the Celestial Heavens. We are to experience parenting, even though that may be when we are in the spirit Mansion Worlds.

We are to live FEELINGS FIRST! We are to express our feelings, both good and bad, to a companion. We are to long / ask for the truth of what our feelings are drawing to our attention. What enters emotionally needs to be expressed emotionally. Should we long for our Heavenly Mother and Father's Love, then we are also SOUL HEALING. Our mind is to follow supporting what our feelings are leading us to embrace – this is the opposite as to how we have been brought up to live.

*It's all about*  
**Experiences**  
 &  
**FEELINGS**

As we complete our FEELING HEALING, then and only then can we connect with our Soul Partner who is always of the opposite sex. Our soul is a duplex that manifests two personalities. And we can grow to interact with our Nature Spirits and Spirit Guides!

**BE FEELINGS  
 EXPRESSIVE!**

# TALK IT OUT

We are to express our feelings, both good and bad, and nothing is sacrosanct or to be withheld.

All that's wrong and untrue within us has to be expressed out of us, each of us, it all has to come to light for us to see the truth of. We have to know the truth of ourselves and the truth of our family relationships.

Everything needs to be expressed, to come out into the open.

What enters emotionally has to be expressed emotionally – it has to come out emotionally – leave us emotionally!

However, we are not to act upon what we are feeling emotionally! We are not to act it out! But, we are to go on and long to know the truth of what is behind our feelings, why we are having these feelings and experiences.

Long to the Mother and Father for Their Divine Love, and ask Them to help you see the truth through your feelings – that which They want you to know. Long and ask; long and pray. Pray to see, know and BE the truth, the truth of you – of all of it!

**When educators do not know what it is that they are teaching - that is the subject of Medicine!**

**Doctors do not know what the cause is of any illness - that is maybe why they have identified more than 10,000 illnesses and diseases!**

**Education and Health systems are now to EVOLVE!**

**The elephant in the room being: CHILDHOOD SUPPRESSION**

**The pathway forward is to embrace: FEELING-HEALING**

I am my SOUL!

I am not my body!

I am not my mind!

THE  
**GREATEST**  
**SHOW**  
 is ON EARTH

INFINITE & UNIVERSAL SPHERES, unknown number to progress through within Nebadon.

CELESTIAL HEAVENS are spheres 8, 9, 10.

Divine Love Spirit Healing Mansion Worlds are 3, 5, 7. We are healing our soul!

We all arrive in spirit into Mansion World 1.

Earth Planes 1 and 2 are of Disharmony – Hells.

Mind Spirit Mansion Worlds 2, 4, 6 are all taking us in the wrong direction and into a dead end!

AVONAL PAIR

GOD

MARY & JESUS

Throughout the Avonal Age of 1,000 years, their Spirits of Truth will assist us in embracing and engaging with our Feeling Healing and with Divine Love our Soul Healing. They will assist us to develop our soul well into Celestial Heaven status should we persevere with such a goal. The extent to which the Avonal Pair develop themselves while here in the physical on Earth is the level that their Spirits of Truth will be able to assist us. Then it will be Mary and Jesus' Spirits of Truth that will assist us up and out of Nebadon, where our Heavenly Parents will then assist us onto Paradise, Their home.

# Our Heavenly Mother and Father

# Paradise Trinity

Heavenly Mother  
and Father  
'Love'

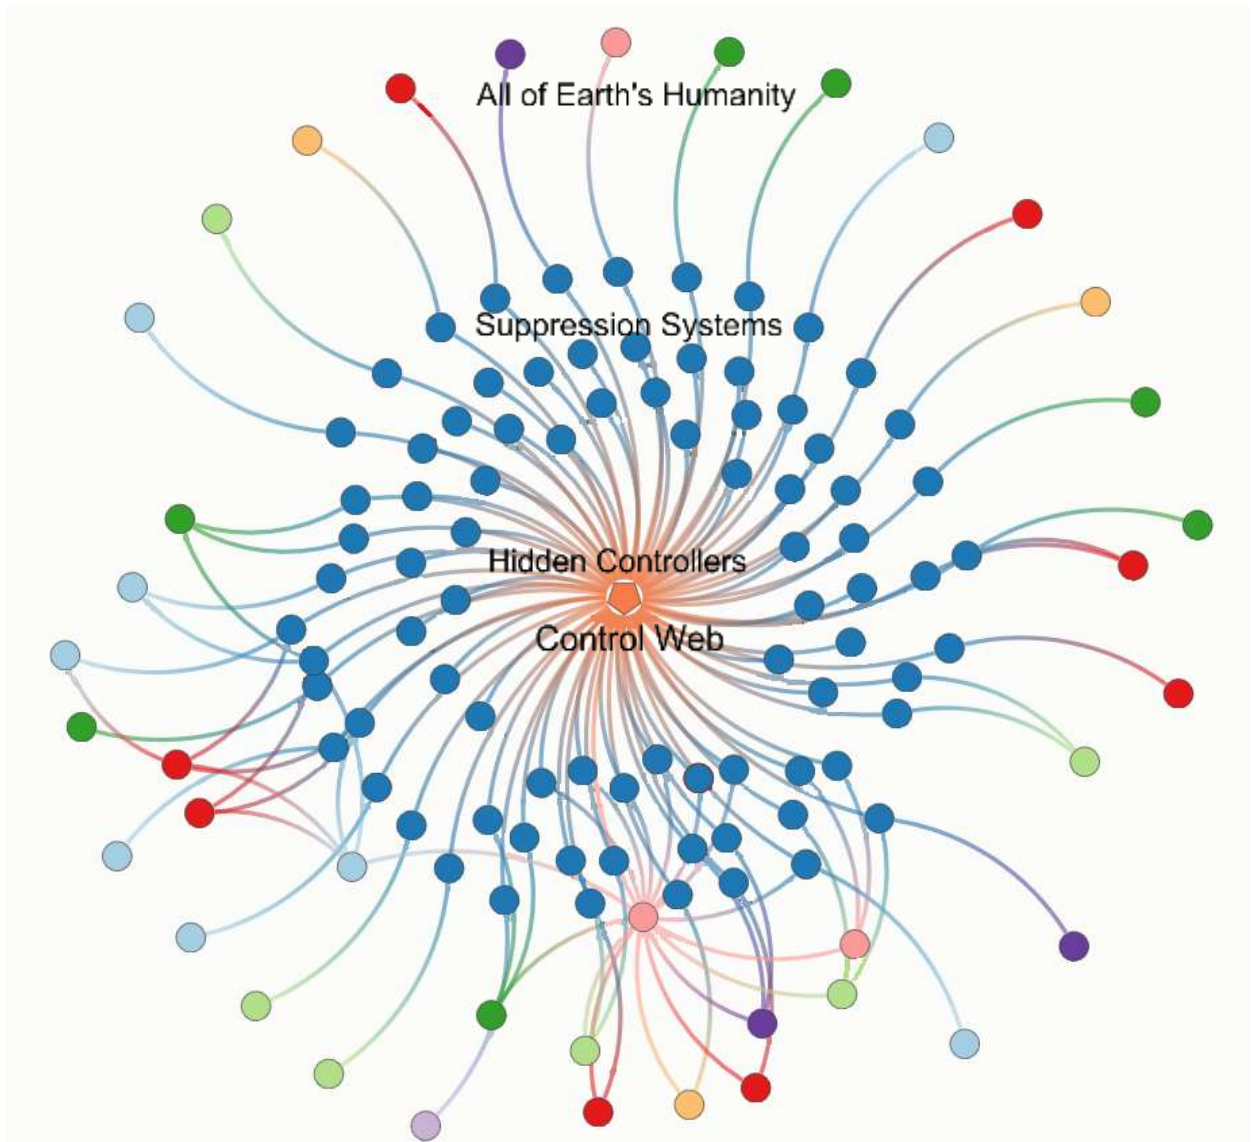

Eternal Son of 'Truth'

Infinite Daughter of 'Mind'

Jesus and Mary's soul are different in design than ours. They are a Creator Daughter and Son, or similarly referred to as Michael Daughter and Son soul, and within their soul is expressed only two of the Primary Aspects of Deity. They are of the Mother and Father, our Heavenly Parents and the Eternal Son. Avonal Daughters and Sons are expressive of the Eternal Son and Infinite Daughter.

The core of humanity (us mortals of Earth) is of the Truth and Mind, and then with the addition of the Indwelling Spirit, we can then relate to the Love. And with the Avonal pair now on our world (Earth), or assisting us through others on Earth, they too expressing the Son of Truth and Daughter of Mind, we actually are far better suited to relating to them than we are to Mary and Jesus.

**HIDDEN CONTROL SUBVERSION CAN BE FOUND THROUGHOUT EVERY INSTITUTIONALISED SYSTEM and WAY of LIVING without EXCEPTION.**

**Mind-centricity way of living prevents humanity from progressing beyond 499 on Dr David Hawkins' Map of Consciousness. This is the prison from which we are now to release ourselves from, as and when we choose!**

**It all can start through awareness being provided throughout the education platforms throughout every community and nation worldwide. We have the choice to continue living mind-centric in stagnation and suppression or free ourselves through the truth of our feelings, our soul based feeling which are always in truth and consequently love. Truth opens us to freedom, evolutionary growth and the dynamics of the potential within each and every one of us.**

Every aspect of our environment has been covertly structured to ensure our suppression and control adheres to our submission to the manipulation and will of Hidden Controllers who are now no longer able to orchestrate their universal plan of domination throughout their universe of influence.

Nothing has escaped their brilliance and ingenuity, however their reign of influence is over for us each to now escape from and heal ourselves through Living Feelings First.

Only through open, free, universal feelings orientated education at all levels and for all ages, embracing every subject and platform of education that the awareness of the error of being mind-centric can be put aside and the wonders of our feelings be introduced into our lives. The potential for humanity with this shift is infinite, whereas continuing to repeat mind-centricity living, generation after generation, will only end in our enslavement and stagnation continuing as it has for centuries.

Career paths are to be firstly orientated to Living Feelings First:  
 Education and Teaching  
 Nursing, Health and Medical  
 Agriculture and Food Security paths all being so orientated:

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Soul Light – books 1 and 2**

A Melchizedek, Zelmar, sums up how we are to heal ourselves and ascend to Paradise.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel.

**Ann and Terry**

An example for people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad Feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:**

**The True Gospel Revealed Anew by Jesus volumes 1 – 4**

**Book of Truths by Joseph Babinsky**

**The Urantia Book**

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.  
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.  
Primary and most important readings are the writings of James Moncrief.  
Then consider the Padgett Messages, and then The Urantia Book.**

As we progressively become aware of the availability of Divine Love and embrace our Soul Healing, more and more profoundly developed teachings will be introduced to us by our Celestial Spirit friends.

Divine Truth teachings will continue to expand in detail and complexity as we become ready and willing to receive same through doing our Feeling Healing. This journey was commenced for us by James Padgett and James Moncrief.

Are we ready and willing to embrace what is waiting for us to enjoy?

We are a young experiential inhabited planet. As we grow in Love and embrace our Feeling Healing, then we become into a condition by which we can ask for and receive guidance in how to achieve developments for the benefit of all of humanity.

As we apply these gifts freely for the welfare of all, then we will be provided assistance to advance our capabilities. Energy enables communications which in turn enables universal education. With education everything is possible.
