POWER of EDUCATION

Kindly, may we consider some questions that many feel they need to have answers to please?

1. Do we know why we even exist?
2. Are we just a physical being with a short life existence that is always in jeopardy?
3. Why are we each so different – yet considered all the same?
4. Why are some rich and powerful – yet most are poor and weak?
5. Why do some seemingly have a healthy and happy life, yet most suffer and struggle?
6. Why are most people seemingly to be intelligent yet struggle to comprehend?
7. Why is it that we have to obey an endless array of rules and submit to controls?
8. Why is it that our education goes on and on and on and on ???
9. Why do we have maybe 10,000 illnesses and diseases to address.
10. Why is life just plain and simply HELL!

A NATION'S or COMMUNITY'S COLLECTIVE SOUL CONDITION

One's soul condition has a direct relationship with all facets of living. To grow and improve one's soul condition is the greatest gift one can give him or herself as it has universal benefits that last for eternity. This is achieved by embracing Feeling Healing through which we commence to repair the damage we each

incur through what we take on of the Rebellion and Default that is passed down to us by our parents. Further, by embracing Divine Love with Feeling Healing we are doing our Soul Healing and progressing towards Celestial status.

Dr David R Hawkins' development of the Map of Consciousness (MoC) and research with kinesiology muscle testing observed the overall calibration of consciousness level of many countries. Developed economies are within the highest brackets. Civil unrest and wars are most frequent amongst those within the lowest brackets. Consider the average life expectancy and per capita income relative to the MoC calibration. Consider education as the crux of progress and development. Then review the above table for the rate of unemployment, rate of poverty, happiness rate 'life is okay' and rate of criminality. It is open, free, universal feelings orientated education that will enable growth of consciousness worldwide.

HEREDITARY ENVIRONMENTS may be our PRISONS!

We each are about to embark upon a worldwide endeavour with aspirations to shift communities a little towards a more prosperous and progressive life. We have the way outlined throughout the Pascas Papers.

To truly achieve our objectives we are best to understand and recognise the issues confronting the community we are proposing to introduce our possibilities for growth to.

Kindly consider this Pascas Paper which can be downloaded from www.pascashealth.com, then go to the Library Download page, scroll down into Pascas Care Letters and click on to open:

 [Pascas Care Letters Worldwide Survey.pdf](#)

Kinesiology muscle testing in conjunction with Dr David R Hawkins' Map of Consciousness can enable anyone to calibrate the level of consciousness of the population of a nation, state / province, city, town, village, suburb and also drill down to a household and each individual therein within minutes.

The attached worldwide survey is now supported by more than 14 independent worldwide surveys providing enormous cross fertilisation of information and guidance. This is included in this Pascas Paper. This provides a comprehensive starting point from which we are to initiate programs for the community, with their involvement and actual delivery control, so that optimums can be achieved.

Thus, from the thousands of assessments drawn together, we have this simple chart summarising all:

WORLDWIDE SURVEY			
Levels of Truth / Consciousness	Countries	Population2020	Lifestyle Feature
500+ MoC	NONE	0 million	Feeling orientated rather than mind-centric
400s	22	700 million	Freedom and Progressive Leadership
300s	71	4,100 million	Open and Free Education
200s	50	1,100 million	Current Religions
100s & below	73	2,100 million	Survival Living
Overall 220	216	8,000 million	Humanity entrenched in mind-centricity

The Map of Consciousness chart is based on natural love and is a scale of 0 - 1,000 based on the common-log of 10. A 10 point improvement is a 10,000,000,000 fold increase in energy. The overall scale also goes on to infinity. The above table is 'generous' due to it being a common log loaded assessment – a few high calibrating people can produce an overall high calibration as in this case.

Hereditary environments are fundamentally our prisons. We each end up calibrating at the same level of consciousness as one or the other of our parents, should they differ. Thus our environmental heritage imposes upon us the conditions that prevail generation after generation. Our parents impose upon us, unknowingly, their errors and injuries and all this occurs before our sixth year. We then go on living the social and emotional issues that our parents carried throughout their adult life, now we continue on doing the same throughout our adult life. Thus, the Worldwide Survey prevailing today shows that over three quarters (75%) of Earth's humanity are still living in a survival mode that prevailed more than 2,000 or even 2,500 years ago.

Kindly review Pascas Care Letters Worldwide Survey as it presents a vast array of understanding of the diversity of the environments in which living feelings first can greatly up-step communities while technological support is introduced and infrastructure developments anchor in the growth that they may welcome and support for themselves. However, we each are self-contained and all that is required is within each of us.

Pascas Foundation (Aust) Ltd is a not-for-profit and the work involved is unique requiring enormous inputs from many people. We seek your participation through membership of the Foundation as we look to collaborate with each of you in the delivery of your own agendas.

2,000 years ago the world population was 300 million and all were living in survival mode. Now in 2020 we have over 2,100 million people living in extreme survival mode. We have successfully multiplied the 'living in survival mode' by seven fold! And the population of Afghanistan is an example of many nations in this dire state of extreme survival living!

POWER of EDUCATION

Dear Amory, Thank you for sharing this document, “The Power of Education Policy”. It is very inspiring and informative.

Education is the most transformative force. It fosters knowledge, cultivating self-assurance and dismantling obstacles to opportunities. Moreover, it represents the essential means to access a more promising future for our kids. Unfortunately, it is a disheartening truth that many children around the world don’t yet have the chance to obtain this vital key due to different challenges. As a result, they are likely to remain trapped in persistent cycles of disadvantage and poverty. Let’s continue to work together to give out our contribution as people need to understand and just a little hope to get their feelings and mind healed.

Totally self-reliant, not God reliant.

Fear dominates all motivation.

Suicide is possible and probable.

At these levels, seriously harming others for even trivial events appears to be justifiable.

Poverty, unemployment, illness, etc., this is living hell on Earth.

This outline of the Map of Consciousness spells out the fact that while we live Mind-Centric and ignore and suppress our Feelings we cannot pass 499 MoC. Our mind being in control, as we have all been indoctrinated to live, is a glass ceiling. Humanity cannot heal anything, cannot be spontaneous, has no intuitiveness, and is locked into living in the deep hell states. This is why people find themselves in abusive homes, domestic violence, housing stress, homelessness and gross difficulties of all kinds. This is why we are easily manipulated, embrace propaganda and are being controlled by a few.

Women are closer to their feelings and that is why the nursing profession hosts a lot of women who calibrate a little over 500. These women are the healers in hospitals.

By aspiring to live Feelings First we are each breaking the glass ceiling and opening our potentials to grow in truth and love not only to 1,000 MoC, but to infinity. This is our destiny.

As communities embrace living Feelings First and having their minds to follow in supporting what their feelings are guiding them with, then ALL of the social ills of society will begin to mitigate. Please, do you comprehend the importance of what is being shared throughout this document?

Yes, we can work it out, the whole darn thing!

Through the power of education, we, all of humanity, are to come to understand the incredible experience and journey that we each now have commenced. Further, we now will come to understand that the awful environment and difficult life that we endure IS so that we can, should we so chose, to assist others in their future difficult times.

This time, in the history of humanity, is the most exciting time ever experienced.

And may we say that is so as we now can identify when, where and how we are being misled.

Ten ducks in a row, but one always misleading or misled!

200,000 years ago, high level spirit personalities of the Lanonandek class rebelled against the leadership of our local universe of Nebadon and these rebelling parties induced the leadership of 37 humanities within their local system to follow their lead. Since then, ALL institutionalised systems of Earth have been misleading and / or are misled. Nothing has missed out on the guile and deceit of the Lucifers and their deputies, the Satans. Not even those living in isolated, remote communities have been missed!

No, Earth's humanity is not alone. Should you look into the night sky on a clear night and be outside of a city with its bright lights, you may be able to see around 1,000 stars. Our Sun is a star. Each star has between zero and three inhabitable worlds. On average each star has one inhabited world. A local system is 1,000 inhabitable worlds. Within our local system of Satania, there are 619 inhabited worlds of which Earth is number 606. There are 619 different humanities throughout our local system. 85% of them are of a similar nature to us on Earth, 15% are of varying other forms. Only 37 capitulated to Lucifer and that was 200,000 years ago. More than 38,000 years ago, Adam and Eve (Adamite spirit class) failed with their mission on Earth. Thus Earth's humanity is both in Rebellion and Default.

Each local universe consists of 10 million inhabitable worlds of which around a third are inhabited. Our local universe of Nebadon has 3,840,101 inhabited worlds. Only 37 humanities are in Rebellion, however only Earth is in both Rebellion and Default. Throughout our super universe there are 100,000 local universes. Earth is the only one in both rebellion and default throughout the super universe. There are

seven super universes circulating Paradise, the home of our Heavenly Mother and Father, again Earth's humanity is the only one in Rebellion and Default.

Congratulations, we of Earth have achieved the pinnacle of wrongness. We, of Earth, have perfected fuckedness. We have taken our wrongness to such extremes that we are now to heal ourselves of our wrongness. Our uniqueness is of such great significance that the greatest show is on Earth!

FUCKEDNESS

THE
GREATEST
SHOW
 is ON EARTH

Yes, now that the formal ending of the Rebellion and Default took place on 31 January 2018, various Earth planes have been opened for visitors to observe the event of Earth's humanity working its way out of Rebellion and Default and embracing living Feelings First as well as engaging in our personal Feeling Healing. This transition may take all of the next 1,000 years and be referred to as the Avonal Age.

Lucifer and his deputies have worked their manipulation and suppression of Earth's humanity through our Planetary Prince, Caligastia and his soul partner, with their deputy, Daligastia and his soul partner. An example is that the 'chosen ones' were chosen by Daligastia! A tribe having a personality of wanting to be exalted was led to believe they were chosen by god. They were chosen by Caligastia! Now, when you refer to the 'devil', you are specifically referring to Caligastia – our now imprisoned Planetary Prince!

The Creator Daughter and Son, the leaders of our Local Universe of Nebadon, incarnated on Earth just before the turn of the first century, a little more than 2,000 years ago. This process was the final step in Jesus and Mary Magdalene become full co-regents of Nebadon. Upon that being achieved, that gave the co-regents the authority to have the System Sovereigns and their deputies, the Lucifer and Satan soul partner pairs, to be arrested and imprisoned. It could be said that Jesus and Mary Magdalene were here on Earth on 'federal government' duties – undertaking matters that affected all of the humanities throughout Nebadon – not just that of Earth.

Like the Creator Daughter and Sons, the Avonals also emanate from Paradise and are also endowed with Spirits of Truth that they each can release to assist a single humanity. The Avonal's role is to assist a given humanity – one humanity only – and they focus upon the unique needs of that humanity. The process of bringing about the ending of the Rebellion and Default on Earth reach the tipping point that in 1993 Earth's Planetary Prince soul partner pair and their deputy were able to be arrested and imprisoned. Presently, the eight imprisoned rebellious Lanonandeks are held within the 7th plane of Earth in a British Manor that is open to tourists!

As of 22 March 2017, mind Mansion World spirits were blocked from continuing with their interference with Earth's humanity here in the physical.

Seven Spirit Earth Planes

FOR 200,000 years ALL SCRIPTURES and Earth based INSTITUTIONALISED SYSTEMS are the WORK of the REBELLIOUS LANONANDEKS:

The rebellious Lanonandeks from within our local universe are these soul partner pairs:

THE EVIL ONES

Lucifer pair

**Lucifer being System Sovereign of Satania
Arrested and imprisoned 26 CE**

Satan pair

Caligastia pair

**Caligastia being Planetary Prince of Earth
Arrested and imprisoned 1993 CE**

Daligastia pair

7 A sector within the 7th plane is isolated from all others. This isolated sector is the spirit world prison for the rebellious Lanonandeks, all eight are accommodated within an English manor that is open to tourists on the Earth plane, and thus they have to endure the tourists.

6 The Greatest Show is on Earth! Since the formal ending of the Universal Contract governing the Rebellion and Default for Earth on 31 January 2018, the 6th Earth Plane has been given over to visitors from the greater universe, being those outside of our local universe of Nebadon. The greater universe consists of 100,000 local universes, consequently as Earth is the only humanity throughout that is in Rebellion and Default and is now to heal itself of this, the number of spirit visitors are enormous.

**THE
GREATEST
SHOW
ON EARTH**

5 Similarly, the 5th Earth Plane has been given over to visitors from within our local universe of Nebadon, having 3,840,101 inhabited worlds. Each local universe being of a similar size. Midwayer spirits provide talks at regular intervals for visitors, and these talks are broadcast throughout the universes.

Earth's humanity is truly a fishbowl being observed by the peoples of all the universes.

To the extent that parents have healed themselves prior to conceiving a child, that child will now be free of those imposts of the Rebellion and Default through parents' Healing.

The first physical step to bring about the ending of the Rebellion and Default on Earth was in 1980 BC when Machiventa Melchizedek manifested outside of Salam to begin to tutor Abraham in what he had to do in preparation of the arrival of the Creator Daughter and Son 2,000 years later. The Creator Daughter and Son addressed the needs of the whole of their Local Universe, Nebadon. Its issues as well as putting in place the preparation for the Avonal pair to address the specific needs of Earth's humanity for it to end their Rebellion and Default.

Jesus and Mary Magdalen, by their elevation to full co-regency of Nebadon, were able to introduce the availability of our Heavenly Mother and Father's Divine Love for all of Nebadon's humanities. They also opened the Celestial Heaven spheres for all the local systems' humanities throughout Nebadon.

With regard to the humanities within Satania that had been subjected to Lucifer's Rebellion, Mary and Jesus ended Lucifer's practice of having new arrivals into the first spirit Mansion World being put into a sleep state pending Lucifer having them awakened for his expansionary agenda. Mary Magdalene moved to Egypt following Jesus' assassination and while there, she tutored the first five ladies who subsequently progressed through the spirit healing Mansion Worlds, 3, 5 and 7 and then entered the first of three Celestial Heavens. The numbers who have healed what they had taken on of the Rebellion and Default have now grown in sufficient numbers to assist in the ending of the Rebellion and Default here on Earth during the coming Avonal Age of 1,000 years.

On the 19 December 2023, Eve and Adam were appointed oversight of Earth's humanity throughout its transitioning out of the Rebellion and Default that is to unfold over the coming 1,000 years. One half of the Celestial Heaven spheres, 1, 2 and 3, are structure now to undertake this role and event. Eve and Adam's palace like headquarters are on sphere 3 with auxiliary facilities on 2 and 1 spheres alike. Jesus and Mary have permanent lodgings in the headquarters on sphere 3. Their presence and availability is due to the fact that the rest of the humanities throughout Nebadon basically run themselves. The ending of the Rebellion on all 37 worlds within Satania is to be overseen from these three Celestial Heaven spheres. All of the humanities of Satania progress through these same three spheres, however, the enormity of the impost of the Rebellion and Default on Earth requires the engagement of half of these three spheres.

EVERY system, custom, norm, belief, practice and aspect of how we live on Earth is literally encoded with the controlling dictates and suppression imposed upon us by Lucifer and his agents. A genius!

Violence is never Justified

Never is hatred, nor discord, nor war among men justified – no matter what the cause – and if men will only learn the Truth there will never exist such feelings or acts. Militarism is all wrong. Jesus 25 December 1915

Machiventa Melchizedek, to this day, continues to oversee the plan that was evolved more than 4,000 years ago to progressively open cracks in the Universal Contract governing the Rebellion and Default instigated by Lucifer 200,000 years ago. With 'federal' authority, the Creator Daughter and Son brought about the Lucifers and Satans' spirit world imprisonment 2,000 years ago, and set the Avonal bestowals in place.

The commencement of the Padgett Messages on 31 May 1914 triggered the bestowal of the Avonal Pair for Earth's humanity. The Avonals' 'state' authority brought about the Caligastias and Daligastias spirit world imprisonment in 1993. The Avonals' healing of what they have taken on of the Rebellion and Default ends the Rebellion and Default. Now we can all follow and progress on the pathway to Paradise.

EVE AND ADAM

Tuesday, 19 December 2023, marks the appointment of Eve and Adam as oversight of Earth's humanity throughout the 3 Celestial Heavens, the 7 Mansion Worlds and on Earth for the coming Avonal Age of the next 1,000 years, as announced officially by Mary Magdalene, coregent with Jesus, of Nebadon.

Eve and Adam introduced the crimson (white) skin, the blonde and red hair, the green and blue eyes, through their children while they lived on Earth more than 38,000 years ago.

“HELL” being a Badge of Honour?

We each love to display our badges of honour, however we do not acknowledge and display the honour that we each have of being in “HELL”!

Yes, it can be said that none of us here on Earth are going to HELL because we are already there! We each have been born into HELL. We cannot go to somewhere that we are already within.

So these gentlemen need to pin yet another status badge upon their apparel. The greatest badge of them all – that of being in HELL.

We of Earth’s humanity have the great privilege of having perfected wrongness! Yes, we have achieved the honour and status of living in wrongness to the extreme, relative to all other humanities throughout our local universe of Nebadon, and beyond.

Why and how does Earth’s humanity stand out at the wrong end of perfection?

Earth is within the local universe of Nebadon which is like each of the 100,000 local universes within our super-universe of which is one of the seven super-universes circulating around Paradise, Paradise being stationary, and the home of our Heavenly Mother and Father. Our local universe of Nebadon consists of 10,000,000 inhabitable worlds made up of 100 constellations, each constellation consisting of 100 systems and each system having around 1,000 inhabitable worlds. Nebadon has overall 3,840,101 inhabited worlds – around one third of the inhabitable worlds throughout the universes host a humanity – we are not alone!

Earth is within the system called Satania, with 1,000 inhabitable worlds of which 619 are inhabited and Earth is number 606. Earth is on the outskirts, and the system of Satania is also on the outskirts of our local universe of Nebadon. Each star (sun) typically hosting 0 to 3 inhabitable worlds. Our Sun hosts three inhabitable worlds of which only Earth is inhabited. Consider each star as having on average of one inhabited world, then when you look into the night sky you may envisage each star as hosting one humanity – yes – just like us – you and me!

As Earth and our star (Sun) is on the outskirts, what we may be looking at in the night sky is the bulk of our system of Satania. On a clear night when we are outside and away from the city lights we typically can see around 1,000 stars. In our case we are mostly looking at the stars throughout our system of Satania. We are seeing the homes of our neighbours who never call in and say hello! Why?

Because we are in HELL! We are in isolation! We are in quarantine – quarantined in solitary confinement!

Yes, and we will remain quarantined from all other humanities until we each heal ourselves of what we each have taken on of our Rebellion and Default. Even when we enter the first of the spirit Mansion Worlds we remained quarantined. We will need to progress through the healing spirit Mansion World, 3, 5 and 7 – complete our Feeling Healing and ask for and received sufficient Divine Love from our Heavenly Mother and Father and then transition into the first of the Celestial Heavens. Even then our connection and interaction with other humanities will slowly evolve. Presently we are in isolation.

The HELLS are to EMPTY!

Through the intervention of a Magisterial Daughter and Son, an Avonal soul partner pair, from Paradise, we of Earth's humanity are now being shown how to heal ourselves of what we have each taken on of the Rebellion and Default. We are being shown and made aware of how to live true to our feelings and to long for the truth of what our feelings are to show us. We are to live feelings first and have our minds follow to implement what our feelings are guiding us to embrace.

**Earth Planes
1 and 2 are
Spheres of
Isolation and
Disharmony for
the Law of
Compensation
- 'Hells'**

**WE ARE
THE TRUTH
SEEKERS**

We are the Truth seekers. Our minds cannot discern truth from falsehood. Our soul-based feelings are always in truth. As we embrace and live through our feelings we will step away from error. As we learn and express our feelings, both good and bad, we will release the errors that we have absorbed during our childhood suppression and ongoing repression, thus healing ourselves of our personal Rebellion and Default.

As we progress with our healing, then we will transgress the ceiling of the mind's limitation (499 on Dr Hawkins' Map of Consciousness) and embrace our potential which is to infinity through our soul-based feelings of Truth.

The quickening of the Law of Compensation, as a consequence of the emerging 1,000 year Avonal Age now commencing, for those who set their 'minds' to cause harm to another may progressively find themselves being debilitated with the equivalent of the pain they intend to inflict, thus preventing the error being executed. Within the spirit mind Mansion Worlds, this is instantaneous. How this is to unfold on Earth is yet to be understood. However, injuries to others will be compensated for while one lives within the physical on Earth, thus the progressive emptying of the Hells (this being Earth planes 1 and 2) will unfold. This will bring about an era of peace on Earth as conflict and war will be impossible.

The Economics of Talent

Education has been and can continue to be at the centre of global poverty reduction

The world economy has experienced a remarkable transformation over the past four decades. Global GDP (gross domestic product) per capita doubled in real terms, driven by the rise of China and India and by significant growth else-where. Much of these gains accrued to the global poor. The proportion of the world's population living below the inter-national poverty line of US\$2.15 a day dropped from 44% in 1981 to 9% in 2022, according to the World Bank.

What was behind these developments? Recent research points to education as one of the main drivers of inclusive growth. There has been an unparalleled expansion of access to schooling over the past 50 years, in high-income and low-in-come countries alike. This generated large productivity gains, especially for those living in poverty. Education accounts for fully half of total economic growth and two-thirds of real income gains among the world's poorest 20% since 1980, based on my findings in a recent paper (Gethin 2023).

Students pursue their education at the Netaji Subhas Vidyaniketan school in Tripura, India.

This calls for a continued focus on expanding access to education. New technologies such as AI offer enormous opportunities for productivity growth and innovation. (However, we learn by doing!) Yet the size of these gains and who will benefit depend on the creation of a sufficiently large skilled labour force. Universal basic education has been at the centre of education policy in many developing economies—with positive results. Now more than ever, there is a need to expand access to high-quality secondary and postsecondary education, for both equity and efficiency. Education ensures not only that countries can use global innovations efficiently but also that they share the benefits broadly.

Education diminishes poverty

Economists have long debated the importance of human capital in economic development, yet little is known about how well education has lifted poor people's standard of living. To take on this research challenge, I built a microdata base consisting of surveys conducted around 2019 by statistical institutes in 150 countries. The surveys covered labour forces and individual incomes. I combined this data with historical information on the evolution of educational attainment since 1980.

This enabled me to measure for the first time the relationship between income and education for a sample representing 95% of the world's population. For each country and for different levels of education, I could thus calculate how much individual incomes increased as people received more education. It also allowed me to observe how education shapes income inequality—a key to estimating the effect of education on reducing poverty.

This analysis shows that education has been a powerful driver of inclusive growth over four decades. The doubling of global income per capita between 1980 and 2019 would have been only half as large without advances in educational attainment. The research also shows that education was responsible for 60% – 70% of real income growth among the world's poorest 20%. In the absence of considerable efforts to expand access to schooling, the world would be a much poorer and much more unequal place.

Why has education been so successful at reducing global poverty? Unexpectedly, basic education alone does not explain these large effects. Higher education also played a major role. Expanding access to higher education allows a broader group of workers to share high-skill jobs. At the same time, it frees up job opportunities for low-skilled workers.

For example, take a country like India or any of a number of sub-Saharan African nations with a large traditional sector and a small modern sector. In such economies, many workers hold highly unproductive jobs in agriculture. As education expands, some of these workers can take on more high-skill jobs

The Economics of Talent – DATA

70% Education is responsible for up to 70% of real income growth among the world's poorest 20% since 1980.

But the agricultural workers who stay behind also become more productive. If too many people are employed on the same plot, the marginal productivity of each individual may be quite low. When some people leave, the productivity of the remaining farmworkers rises as total output remains largely unchanged, which drives up their wages.

Workers in both categories therefore benefit from schooling—and low-skilled workers in the traditional sector may even benefit more. These effects are enormous and play a key role in shaping the distribution of economic gains from education. They should be at the centre of any debate on the role of education in improving economic efficiency and equity.

This phenomenon highlights another important point. The aggregate and distributional effects of education depend on the evolution of employers' demand for skilled labour. In recent decades, large technological advances disproportionately benefited highly skilled workers. Such skill-based technological change was a major driver of rising inequality in the United States, where college attendance did not expand fast enough to keep up with growing demand for skilled workers.

This interaction between education and technology has played an important role in generating income gains for poor people worldwide. Without technological progress, education would have had significantly lower effects on economic growth. At the same time, without educational expansion, technological change would have generated little growth, and this growth would have benefited a much narrower set of skilled workers, especially in low-income countries. In a world with growing interdependence between skills and technology, education and innovation policy should go hand in hand. In other words, it is not so much that education has driven economic growth significantly more than technological change, trade globalisation, or other factors. Rather, the combination of schooling and other major economic transformations has been the key to reducing extreme poverty.

Beyond basic education

International institutions and governments have put universal basic education at the centre of the policy agenda for poverty reduction for two reasons. First, there is a general perception that returns to human capital are decreasing, with basic education generating the highest gains. Second, improving access to basic education disproportionately benefits low-income households, especially in less-developed economies where access to higher education is restricted to an elite few.

The Economics of Talent

“Failure to expand access to education would represent an enormous missed opportunity to enhance inclusive growth.”

In many countries, however, both assertions may turn out to be wrong. My research suggests that, contrary to conventional wisdom, returns per year of schooling in terms of a person’s income are not greater at lower levels of education. In India, for example, a year of primary education will increase a person’s earnings by 2–3 percent; a year of secondary education, by 6–8 percent over the earnings of someone with only primary education; and a year of postsecondary education, by more than 13 percent over those of a person with secondary education alone.

These are huge differences with major implications for the macroeconomic effects of different education policies. Moreover, expanding access to higher education may have significant indirect positive effects on less-educated workers, as my analysis found. Other research suggests that these spill overs are particularly large for postsecondary education because it is not easy to replace college-educated workers with other types of workers.

Put differently, the high returns to postsecondary education in a country like India point to a substantial unmet demand for highly skilled labour. Meeting this demand may be the key to both enhancing economic growth and reducing inequality.

Of course, this does not necessarily imply that developing economies should redirect their resources toward expanding access to higher education. There are important trade-offs. Higher education is generally more expensive per student, and highly skilled workers are more likely to emigrate after completing their studies. The general point is that in shaping education policy, authorities should pay close attention to the dramatic differences in the returns to different levels of schooling and to the projected evolution of labour demand.

Quality versus quantity

Another debate focuses on whether to continue expanding access to education or to concentrate on improving the quality of education. Internationally comparable test scores show particularly low education quality in developing economies. This has led international institutions and economists increasingly to emphasise the need to prioritise quality to promote economic development. However, my research shows that education quantity, not quality, was at the centre of global poverty reduction. From 1980 to 2019, the share of the world's citizens with no schooling declined from 35% to 15%, while the share of adults with at least some secondary education grew from 25% to 60%. Meanwhile, education quality based on test scores stagnated.

India's District Primary Education Program, implemented in 1994, is particularly illustrative. The University of California San Diego's Gaurav Khanna found that the program significantly expanded access to primary education, with no effect on education quality (Khanna 2023). Yet it generated a 13% increase in earnings per year of schooling. In a world where two-thirds of global poverty reduction since 1980 was driven by expanded access to schooling, it seems unlikely that focusing on quality alone will be enough to promote further inclusive growth.

Policymakers and economists sometimes do not evaluate education policy the way they do other economic factors; they assume that education has a fixed average return of 10%. In the presence of technological progress, however, the returns are much larger. Failure to expand access to education would represent an enormous missed opportunity to enhance inclusive growth.

Authorities should thus look to the future when it comes to education. Given the major developments in AI and other technologies that are coming (again, we learn by doing!), it is likely that expanded access to education will be particularly beneficial, perhaps even more so than in the past. This also means that policymakers should actively promote policies that encourage the adoption of these technologies. There is a close interdependence between education and other dimensions of any economy. Education alone is unlikely to be particularly useful unless linked with other complementary policies (such as TRUTH!).

Systems of Deception!

One person with unfettered and supreme control, a System Sovereign, has had aeons of time to passively and stealthfully impose upon his minions (us – you and me) a way of living that assures him, the arch hidden controller, that we would remain compliant and submissive to his begging. His extreme intelligence and consciousness is no match for us ascending mortals who arrive naively upon Earth with absolute dependence upon parents who have already capitulated – unknowingly – to his wily stealth.

The System Sovereign's goal was that we do not evolve, that we remain fearful of our true Heavenly Parents, that our true pathway for spiritual development is not revealed, that we live in a manner of servitude and ignorance through our minds believing that our submission to our minds will enable us to become all powerful and even mini-gods. When we transition into the spirit mind Mansion Worlds, we remain collectively his waiting army to fulfil his ambitions to expand his domain and territory. We have been well and truly screwed over through his imposed systems of:

- Parenting – unable to love our children due to lack of truth in what we are provided with.
- Education – minimalistic, having our minds unable to progress beyond reason – our minds are addicted to untruth and control of others including our environment.
- Health systems – ignorance of our spirit bodies and gross ignorance of underlying cause of illnesses which are through the lack of being loved. Our health systems cannot heal.
- Commercial systems – we become salary slaves with suppressive debt slavery resulting from the costs of education, housing, health services, transportation and necessities for survival.
- Political systems – that divide the community into camps and then deliver representation of only a portion of the population without candidates having necessary leadership skills and experience.
- Religions – there is only one truth. We are to live through our feelings – not our minds.

We have been led to live mind centric which is the pathway of all of nature except humanity which is ensouled. We of humanity are to live feelings first with our minds to assist in implementing what our soul based feelings lead us to embrace. We are truth seekers and truth is to be found through feelings.

Higher level personalities than our System Sovereign have now taken on all of the evilness and wrongness of what these rebellious Lanonandek spirits have imposed upon us and have healed themselves of these injuries. Now all systems assembled during the Rebellion and Default, now ending, need to be rebuilt!

Our pathway to Paradise, the home of our Heavenly Mother and Father, is through living embracing our soul based feelings, living feelings first, to express what our feelings draw our attention to and to long for the truth of what our feelings are to show us – both good and bad.

A lady named Samantha found James Moncrief's writings on a website and commenced to engage in her Feeling Healing. This may have been in 2013. Samantha is like all of us, she is an ascending mortal. She has no specialness nor has she had any support other than James' writings on the internet. Samantha has been successful with her healing. She has been very successful. She has now written numerous books outlining her experiences so each and every one of us can follow her example. An ascending mortal, Samantha, has conquered all that the rebellious Lanonandeks, led by Lucifer, have imposed upon us. Samantha is the new mother of humanity in demonstrating to us how to embrace the one and only pathway home to our Heavenly Mother and Father.

Avonal Age of 1,000 years begins!

From 993,500 years ago ... Yes, the first humans to have a longing for human perfection were named Andon and Fonta, well that is the name they gave themselves. They lived somewhat near to the Caspian Sea but more so in the region now referred to as Afghanistan. Their appearance being like the modern day Eskimos of northern America – a red skin complexion with dark hair and dark eyes. Andon and Fonta were twins and lived nearly 993,500 years ago. Their offspring reached Tasmania, an island state in the south east of Australia, more than 950,000 years ago.

As humanity on Earth evolved, some 500,000 years ago, a system sovereign soul partner pair were appointed over our local system called Satania. A local system consists of 1,000 inhabitable worlds. Throughout Satania there are 619 inhabited worlds and Earth is number 606, one of the youngest and near to last to be inhabited. Each inhabited world has a planetary prince soul partner pair appointed. These appointments are from the Lanonandek class of spirits who do not incarnate onto physical worlds.

A planetary system has 1,000 inhabitable worlds of which typically around a third are inhabited at any one time. 100 systems form a constellation, and 100 constellations form a local universe. Our local universe is called Nebadon. Thus Nebadon has 10,000,000 inhabitable worlds of which 3,840,101 are inhabited with physical beings like us on Earth. Well, about 85% are in a form similar to us on Earth with the other 15% taking on various other life forms.

At the head of each Local Universe there is a Creator Daughter and Son soul partner pair who emanate from Paradise, the home of our Heavenly Mother and Father.

The System Sovereign for Satania was the soul partner pair referred to as Lucifer. Their deputies being the Satan soul partner pair. Soul partners are always a male and a female pair emanating from the one soul. Yes, our soul is a duplex – one soul manifests two personalities, one is always a female and the other is always a male!

Our planetary prince pair is Caligastia and their deputy is Daligastia. They are subordinate to Lucifer. All are of the Lanonandek class of spirit personalities. Lucifer and Satan were appointed for the leadership and advancement of all the humanities for the system of Satania some 500,000 years ago. At the same time, the planetary princes were also appointed.

Coinciding with these appointments, there was an expansion of the colours of humanity on Earth. The Sangik family that lived in the tablelands of north-eastern India had 19 children, of which the first 5 were red skinned, then 2 were orange, 4 yellow, 2 green, 4 blue and then 2 indigo (black). That was some 500,000 years ago. It was Adam and Eve who manifested on Earth more than 38,000 years ago who introduced the crimson skinned colour (white skin) as well as the blonde and red hair as well as the blue and green eyes. Adam and Eve were up lifting the physicality features as well as spiritual advancing humanity.

The difficulties for humanity became entrenched when Lucifer became frustrated with the leadership of Nebadon some 200,000 years ago. As they emanated out of our local universe, having never been to Paradise, they had never had any direct involvement with our Heavenly Mother and Father. Thus Lucifer rejected our Heavenly Mother and Father's existence and rebelled against the Creator Daughter and Son leadership of Nebadon. The Creator Daughter and Son are Mary Magdalene and Jesus of Nazareth.

The Lucifers with their deputies, the Satans, induced the Planetary Princes and their deputies of 37 worlds, all within Satania, to join in with their Rebellion. When the Adamites manifested on Earth, the Adamites defaulted on their mission, thus Earth became not only in Rebellion but also in Default. The other rebelling worlds did not default. Earth is now wonderfully at the top of the 'wrongness' ladder by being in both Rebellion and Default.

The EXPERIENCE of LIFE by the BABY in the WOMB:

From the time of conception an infant is sensitive to the presence or absence of love as feelings of comfort or discomfort. One feels good and the other doesn't. This child has no idea how to seek love as it is completely subject to its environment and knows only how to respond to the way that it feels.

These early experiences of love have a great impact on a child as the child is self-focussed and has no concept of others outside itself. Its immediate environment is its world in which it has begun its process of individualisation and development of its personality qualities. The prime sense to which it responds is its sense of the presence or otherwise of love.

This is very basic but remains the most important sense for a human throughout its life. This may seem strange until you really think about it.

All of the most important responses a human makes are based on feelings and the most important feelings are those related to love because these are totally basic. Whatever supposedly sophisticated devices of discernment are overlaid on this, the basis remains the sensitivity to love.

We begin our life with natural love and it is in the context of this love that we live most of our life. In effect it is the main environment in which we live and function and our awareness of it depends on the love that we feel within us and which we express rather than the love expressed by others. We appreciate the love of others to the degree that we allow ourselves to receive it. If we are closed to the love of others we will not attract it. Giving and receiving are inextricably entwined and can never be separated.

Earth's Rebellion and Default IS now to END!

NOW, we are to end our Rebellion and Default and heal ourselves of all of what we have taken on of our Rebellion and Default. However, how did it impose itself on each of us?

Even though Earth experiences a pole shift event around every 12,000 to 13,000 years, say 12,500 years cyclically, each event has seen a recovery and some progress and development. Earth's humanity has been in larger population numbers than even today. Past civilisations have been more advanced in specific technologies than some of our today technologies, however, overall the technologies of today are generally more advanced than what prior civilisations achieved.

When the Lucifer Rebellion began 200,000 years ago, through our Planetary Prince and deputies, imposed upon Earth's humanity was the 'guidance' that through our minds we each could grow to be mini-gods. We could achieve greatness through living mind-centric. As females are generally more feelings orientated, the male was influenced to make the female subordinate to himself and to suppress the women from calling out the folly of emotion suppression. The Lucifers recognised that if the female was allowed to have her say then she would promptly put an end to their deceit. Consequently, for the past 200,000 years women have been suppressed by the males.

As we pass into the first spirit Mansion World to continue living as spirit personalities following our physical experience, this illusion of potential greatness carries on. We can grow and perfect our natural love and mind centricity to progress into the 2nd, 4th and 6th spirit Mansion Worlds, but no further. We reach a dead end. We remain trapped in Lucifer's ever growing army of mind dominated subordinates. We remain entrapped to aid him with his endeavour to take over other humanities throughout Satania and then elsewhere to even take over our local universe of Neadon. However, his 37 subordinated humanity worlds never grew in number as no other Planetary Princes submitted to their guile.

Our parents raise us, their children, to live exactly as they lived. Our parents, from the moment of our conception through to the age of six years, infuse us with all of their emotional injuries and errors of belief and thus our perfect natural love state that exists prior to our conception and then incarnation which is 16 days after conception when the heart of the newly forming foetus commences pumping blood, our consciousness state slowly degrades to the level of one or the other of our parents. At six years of age we are mirroring our parents' consciousness, in the same way they mirror their own parents and for generations before them. Humanity does not progress through this never ending treadmill.

Consequently, more than 75% of today's population (8 billion) calibrate at a level of consciousness no higher than what prevailed 2,000 years ago being around the time of Mary Magdalene and Jesus of Nazareth. In the first century, the world population was around 300 million. Today, there are 20 times that population still calibrating 200 or less on Dr David R Hawkins' Map of Consciousness. Should we look back 2,500 years when the world's population calibrated 100 or less on the Map of Consciousness (MoC), today we have 40% or 3.2 billion people no further evolved or advanced than well back in time before the life of Jesus and Mary.

This is the entrapment of mind-centricity which we each are taught to embrace! We CANNOT evolve beyond 499 MoC without embracing and living feelings first. The scale infers 1,000 MoC is possible but that is through embracing our feelings with our mind assisting. To heal ourselves of what we have taken on of the Rebellion and Default, we will have grown marginally higher than 1,000 MoC to be able to enter the first of the Celestial Heaven spheres.

Our mind cannot discern truth from falsehood. Our mind is addicted to control, control over our environment and over others. Our mind is addicted to untruth. Consequently when we make an assumption the error rate is around 98% - the other 2% are flukes. We give ourselves an adrenalin shot when we reach an assumption – but if we act on the assumption we end up having to rework the mistake.

Root Cause

Highly esteemed Lanonandek spirits from within our local universe of Nebadon were assigned as System Sovereigns of our local system to oversee Earth's humanity and their spiritual development. 200,000 years ago they, the Lucifers, became infatuated with their authority and turned against the regents of Nebadon, Mary and Jesus, as well as rejecting God. Through their Planetary Princes, also Lanonandek spirits, they had taken the humanities of 37 worlds within their local system into their Rebellion.

Through living through our minds, suppressing our feelings, we on Earth will continue to be at war with each other, illnesses of all descriptions will continue from our feelings suppression, famine and inequalities prevail, control of others is the core of all systems, we cannot determine truth from falsehood and life on Earth is a living hell. We have been continually seduced by mind Mansion World spirits and we live life in a stupor – nothing more than zombies doing the begging of the evil ones, the rebellious Lanonandek spirits.

Through living through our minds, suppressing our soul based feelings, we have been progressively going further and further away from our Heavenly Parents, now to the point that we cannot go any further. Through working cracks in the Universal Contract governing the Rebellion and Default, this control has been ended formally as of 31 January 2018.

Pathway Forward

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

God's Divine Love: Pray for it, ask for it, and receive it.

The Golden rule is: Never interfere with another's will.

Golden Rule: that one must always honour another's will as one honours one's own.

New Feelings Way: learning how to live true to ourselves by living true to our feelings.

We are to express our feelings, both good and bad, at all times, and to long for the truth of them.

By living true to ourselves true to our feelings, we are living true to God. It's that simple.

Thinkingness has the same outcome as assumptions. When someone approaches, announcing; “I have been thinking ...” we should just keep walking.

There is a further controlling element that prevails for those calibrating 200 MoC or lower, and that is of submissiveness.

'Submissiveness'

Map of Consciousness illustration based on the model created by Dr David R Hawkins

'Submissiveness'

Submissiveness is observable with personalities that calibrate on Dr David Hawkins’ Map of Consciousness (MoC) at 200 or below. Though they may be assertive, they readily submit and comply with authority and authoritarian domination.

Those having covert controlling agendas readily take advantage of this trait which is a psychic barrier imposed upon humanity by high level controllers thousands of years ago. These high level controllers imposed upon humanity a way of life and living that was and still is holding back the growth and development of all people on Earth. These high level controllers’ agenda was to ensure that a growing number of subservient beings were available for their expansionary controlling agendas elsewhere.

Map of Consciousness MoC

Presently, 2024, the people of Afghanistan – 44 million – calibrate overall at 85 MoC. Of the 34 provinces, the highest is 100 and the lowest 75 MoC. Coincidentally, the population of USA – 330 million – calibrate overall at 405 MoC, however just over 50% of the people calibrate under 200 MoC.

The submissiveness of the Afghanistan people was demonstrated by their acceptance of the Taliban taking over control and government in August 2021 without any significant resistance. The leader of the Taliban calibrates at around 280 MoC. Coincidentally, the Republican Party nominee for President of United States of America also calibrates at around 280 MoC, and his platform is clearly attracting the support of the people of USA who calibrate under 200 MoC!

Living Mind dominated is claustrophobic and suppressive!

The Mind presents a treacherous glass ceiling!

Feelings!

Our FEELINGS are our SUPREME GUIDES:

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.

Using our feelings to uncover the whole truth of our negative or anti truth and anti-love state.

Kevin, 1st Celestial Heaven: **So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti-love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.**

Map of Consciousness MoC

Note:

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table. A calibration increase of 1 point is in fact a 10 fold increase in energy. A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy. Thus the energy differentials are in fact enormous!

The collective power of those above consciousness level of 200 has the weight to counterbalance the negativity of those below 200 of the world's population – and also to raise the overall consciousness calibration of humanity! 'Power vs Force' Dr David R Hawkins P.234

One individual at level 700 MoC counterbalances	70 million individuals below level 200
One individual at level 600 MoC counterbalances	10 million individuals below level 200
One individual at level 500 MoC counterbalances	750,000 individuals below level 200
One individual at level 400 MoC counterbalances	400,000 individuals below level 200
One individual at level 300 MoC counterbalances	90,000 individuals below level 200

Until humanity begins to embrace their feelings, that is, accept and follow their feelings having their minds to follow in implementing what our feelings are prompting us to consider, then the malaise, the status quo of a hellish existence, will continue. We cannot bridge the glass ceiling of MoC 499 while living mind-centric. Universal, open and free, feelings orientated education worldwide is to be made available to bring about the awareness of living feelings first so that those who embrace can put aside the psychic barriers, the norms of generations gone by, and grow in truth and love thus lifting humanity out of the rebellion and default conditions that have prevailed for 200,000 years.

FOLLOW THE SCIENCE?

While reading any research paper, consider counting the assumptions and ‘opinions’ that the paper is based upon. An assumption is 98% in error! There are frequently many assumptions throughout any ‘research paper’. Follow the science is also following the dictates of those who fund the research!

We have an array of science that humanity is struggling to unravel – such as global warming!

OIL and METHANE GAS are from CHEMICAL REACTIONS DEEP UNDERGROUND

The principal stage of oil formation, catagenesis occurs as a result of the high temperatures imposed on the waxy substance kerogen underneath the Earth’s crust. The kerogens continue to break down even further from the heat into hydrocarbons. As more hydrocarbons accumulate and mature, oil and natural gas deposits are formed.

Is Oil Still Being Formed? Yes, the process that forms crude oil or petroleum is still occurring. It is a naturally reoccurring process. However, humanity is drilling, pumping, and burning more oil for fuel than the Earth can create.

Paul Noel Former Research Scientist 6 Level 2 UAH (2008–2014)

5 March 2024

As to causes which I am sure you are curious about, **they actually are pretty simply the Sun!** Skip all the details but **the Sun runs the show here.** Now don’t mistake me for saying that the Sun is not part of the Galactic System and as such it is part of a larger system. But for our purposes it is the Sun running the show. There are no terrestrial causes which we can alter to control this cycle. These forces are literally about 10^{14} times larger than any terrestrial effects. Considering that is 100 million times a million times a million times a million you can drop out of your thinking any control mankind has. **CO² is no driver and the data is solid on that.**

If you want to believe some “greenhouse gas” claims don’t. **The atmosphere of Mars, Jupiter, Saturn, Uranus, Neptune, and even Titan (moon to Saturn) are all substantially 100% of “Greenhouse Gases” and they are not hot.** Saturn's smoggy moon Titan has hundreds of times more natural gas and other liquid hydrocarbons than all the known oil and natural gas reserves on Earth.

If anyone seeks to deny what I have written on the formation of oil and planetary processes please note there is **nothing organic about Methane on Mars, Jupiter, Saturn, Uranus, Neptune and Titan.**

To review that I have pointed out that Methane is sourced by Hydrogen evolving upward from a natural fission nuclear reactor in the mantle of the Earth. This hydrogen evolves upward catalytically and chemically reacting with Carbon making Methane. This evolves upwards making in an equilibrium reaction the whole cascade of hydrocarbons we see in crude oil. Skipping the details here this reacts in the Atmosphere to become CO_2 and Water. This together with photosynthesis evolved us our atmosphere rich in oxygen and our oceans. It also provided the massive stores of carbonate rocks like limestone and dolomite. **At no point is Methane or CO_2 adverse to the climate or life on Earth. CO_2 is literally the only reason we have life on Earth.**

The hydrogen evolving upwards has been discovered in deep geologic formations and is now being considered for fuel use in our motor vehicles, etc.

Everything I told you exists! It is very clearly there. When I tell you that something exists, I have studied it, put my hands on it and seen it. When I tell you how we know some things, I am letting you know the processes. When I tell you uncertainty, understand that I am not being “uncertain” like a person of shaky point of view. I am being a scientist who says, “I don’t know.”

There is no danger of CO_2 being a problem on Earth. CO_2 will not burn you up, it is not pollution and it will bloom life on the Earth. The Climate is not under human control or significant influence. Your life is not at threat from your use of **“fossil fuels” which mostly are not fossil fuels at all.** The only thing that happens if you stop using oil, gas, coal is you don’t get to use the energy! People teaching you to be in terror of CO_2 are quite possibly the most evil people the human race has ever had.

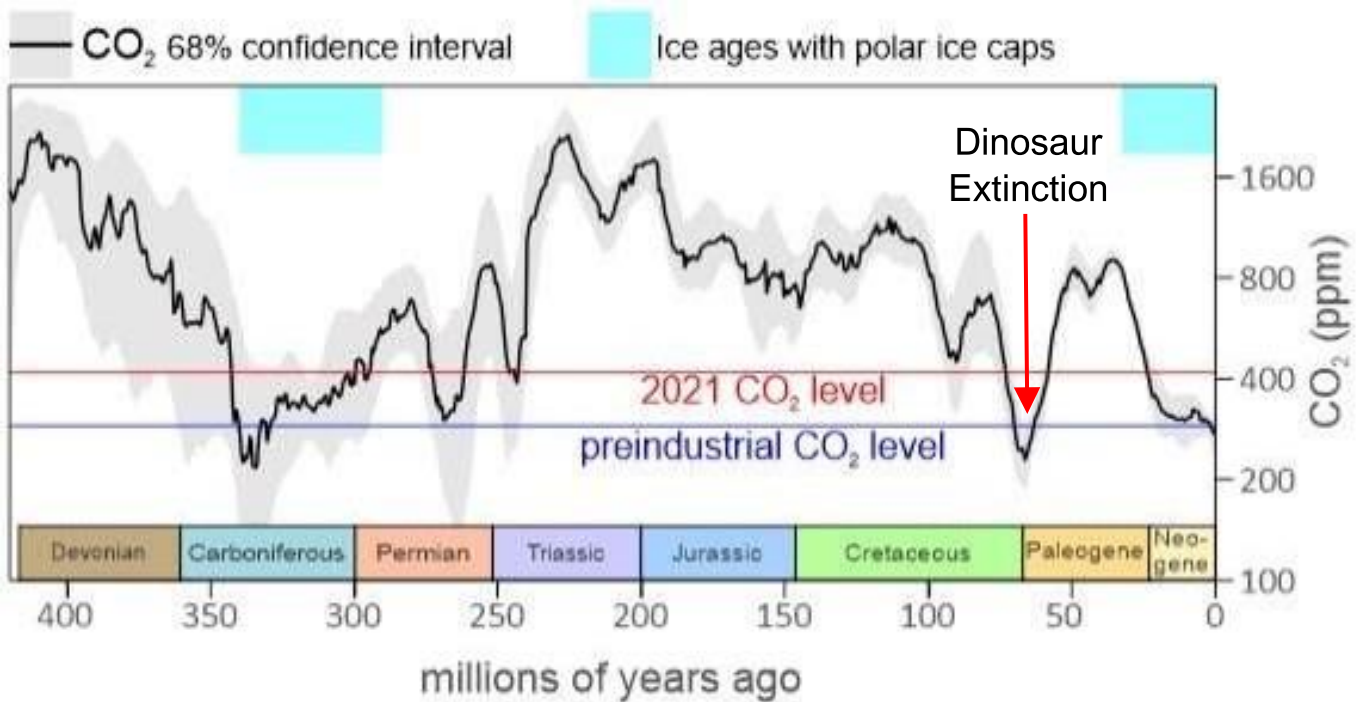

Carbon Dioxide (CO_2) is heavier than air – it releases at ground level and then stays there to subsequently contribute to life – plant life. Should the CO_2 levels have diminished down from 0.034% instead of rising to 0.042% since the 1960s then the world would be experiencing a global famine!

As for global warming, it is a cyclical event! Should we consider the long term temperatures, presently Earth is an ice age – that being there is ice on the polar caps. ‘Normal’ temperature is when we have no ice at the poles! Energy surge absorbed from the Sun during the middle of the last century is increasing surface temperatures.

Burning fossil fuels! Well, oil and gas are chemical reactions from deep inside Earth. Yes, coal is formed from forests being deposited against mountain ranges during a pole shift event – they are fossil fuels.

DINOSAUR EXTINCTION was through STARVATION due to lack of CO²

Dinosaurs went extinct about 65 million years ago (at the end of the Cretaceous Period), after living on Earth for about 165 million years.

Note the extremely low levels of CO² at that time of extinction, below 200 ppm – the dinosaurs died out due to starvation – plants have difficulty seeding below CO² levels of 250 ppm. The levels went below 200 ppm thus resulting in a global famine.

CO² is a natural fertiliser. Further, there is no correlation between levels of atmospheric CO² and surface temperatures.

30% of food production increases over the last 70 years are due to increased levels of CO². Without increased CO² humanity would now be experiencing worldwide starvation.

There is NO correlation between atmospheric CO₂ and global temperatures

Not only is Earth coming out of a desert era of very low levels of carbon dioxide, Earth is also coming out of an ice age at the same time.

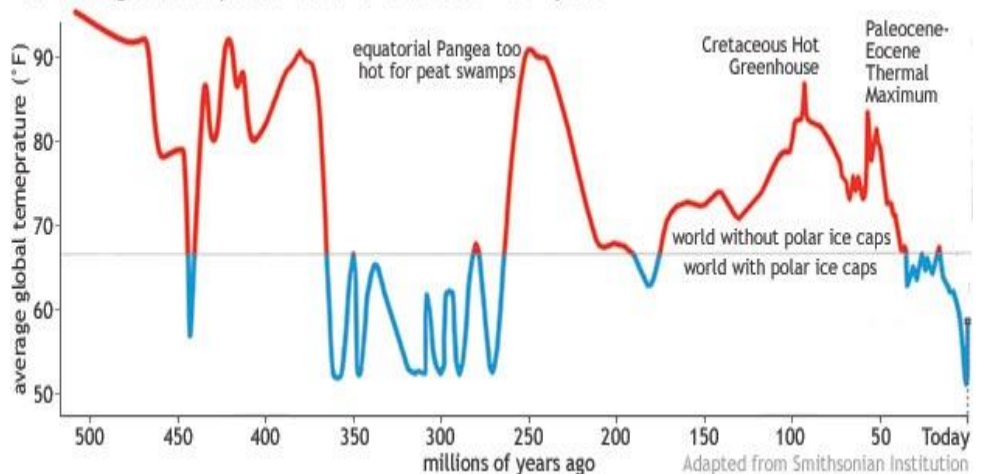

Neither are related to the other, nor has humanity anything to do with either.

The Sun has generated increased energy within Earth's core and this is bringing about marginal increases in surface temperatures.

Further, the oceans are releasing increased amounts of carbon dioxide.

Both are cyclical events.

Estimated global temperature over the last 500 million years

Geological Timescale: Concentration of CO₂ and Temperature Fluctuations

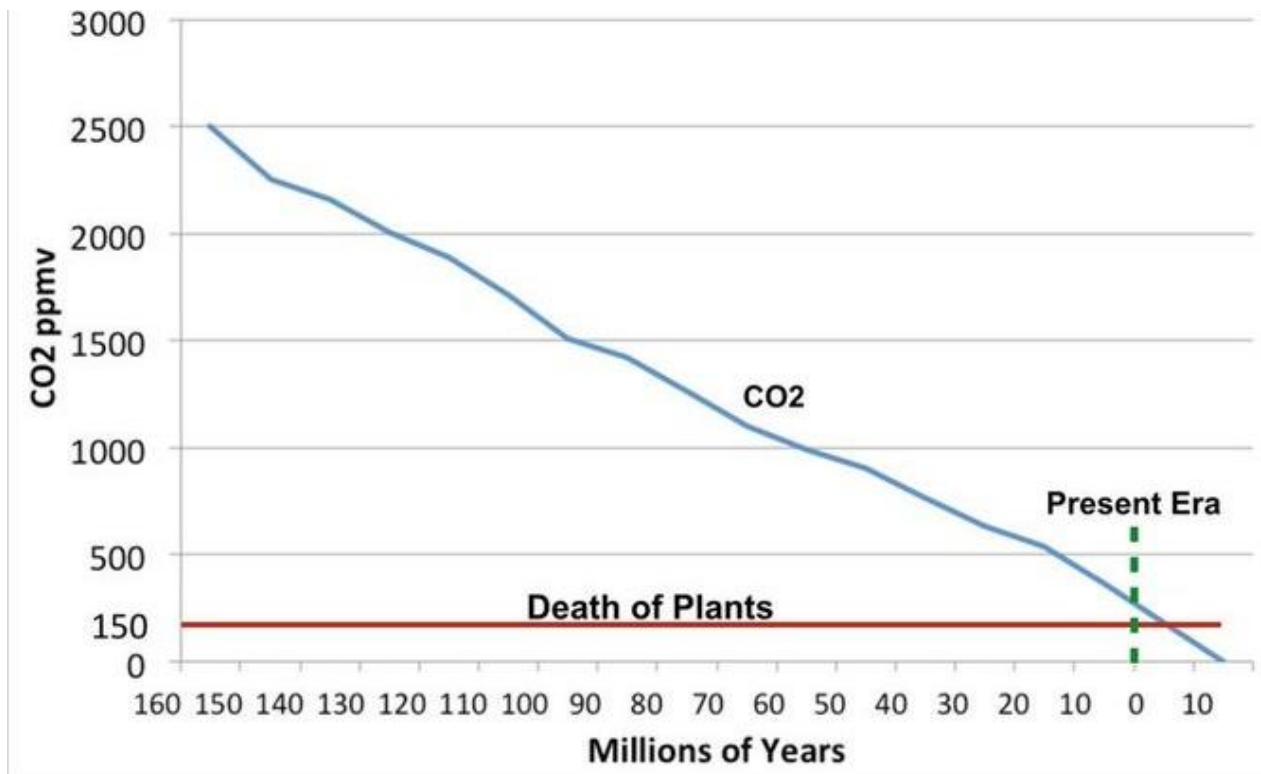

Carbon dioxide (CO²) levels were as low as 0.034% and approaching critically low levels that would have brought about a worldwide famine. Fortunately, the levels have risen to 0.042% (still very low) and crops and food production has tripled!

We are spirit personalities having a physical experience.

Following conception, should we not be miscarried or aborted, then we go on to have a physical experience within an ethnic community that we have had no knowledge about and following our return to spirit life we will have little to do with and for a short time only. Our spirit life then progresses for us to heal ourselves of what we each had taken on of Earth's Rebellion and Default. As we heal we disconnect from our Earth family and eventually find our soul partner and then our soul group, our true family. After a period we even disconnect from Earth totally.

Mother Mary, of the Catholic Church and its Rosary, she has even left our local universe of Nebadon. Those who petition Mother Mary through the Rosary cannot be heard by her and as in the past, she can do nothing for those who still do!

All institutionalised systems on Earth are manmade and are all corrupted for the benefit of hidden controllers – there are no exceptions.

Ten to 12 pivotal companies, assisted by another 3 dozen, run the world's food supply. They are the key components of the Anglo-Dutch-Swiss-American cartel, which is grouped around the 2 families (R and R). They control processed food chains that deliver nutritious neutral food that is laced with sugar, salt and fats, creating global obesity and health issues worldwide. Through their octopus of secret societies they manipulate governments and positions of power worldwide with impunity.

Modern western medicine suppresses the symptoms of illness and disease, however there is no curing by doctors who apply 'procedures' learnt by rote in a robotic zombiism that kowtows to the pharmaceutical industry and their profit driven agendas. 10,000 illnesses identified with some 500 that can be 'cured'!

Education systems that apply the least productive learning processes using curriculums that generate growth in compliance to those of hidden control.

Religions will be seen for what they are – power concentrations made by man!

Endeavours to make countries 'great again' is going to see powerful countries break into much smaller parts and borders of control become the hindrances of the past.

All suppressions are now to be ended by exposing what the Rebellion and Default is!

The question is: Are we treating the cause or suppressing the symptoms?

Treating the cause permanently heals that which brings about illness:

What has never been understood before is that we are to ask for, long for and understand the truth behind our feelings, both good and bad. We are to understand what is behind our feelings as they come into our awareness. When we long to understand why we feel good or bad then we will be told – we will come to understand how they came about – eventually! Not even Alice Miller or anyone else has recognised this need to understand and know the cause or causes of why we feel so bad and that we are then to express such feelings to someone who does want to know us, someone who is really interested in the truth of who we are, which in the end is ourselves, as we should be the most interested in ourselves. It is the expressing, talking them out to someone who is interested in you, is wanting to know how you are feeling and why, that we heal ourselves of such emotional injuries.

Our feelings are our truth, and our Healing is just the bringing out of our feelings, and as we do that, the truth comes to us, it being the truth of what we feel.

That's the basic principle, however you do have to apply your will – make an effort – wanting to bring your feelings out, bringing them out, and wanting to see / feel the truth of them, which is the truth of why you're feeling what you are.

You are your feelings, which is the truth that you are. We are all the Living Truth, with our feelings feeling that truth, and then with our minds we can put those feelings and truth into a context that helps us understand on other levels what we just feel.

The truth is waiting in you for you to feel the feelings that give rise to it, all those feelings you should have felt throughout your childhood. We are all revealers, revealing the truth of ourselves through our feelings.

It's really the expressing of our feelings (and particularly our repressed ones that we're denying) to someone who is willing to listen to us, even if that someone is God, whilst we long with all our heart and will to know the truth of them – the truth of why we're feeling them. It's the wanting to know the truth more than anything else that is vitally important, and that means the whole truth, the truth of your unloving relationship with your parents and family because if it wasn't unloving you'd not be or have been made to feel bad. And the way to that truth of yourself is by expressing every feeling you have, and in particular, focusing on all the bad ones, the endless bad ones you've got buried away inside you that you're refusing to feel. If you don't want the whole truth of yourself and are not prepared to look for it in and through all your feelings, then you'll never truly heal the deepest underlying causes of your pain, illness, addictions, compulsive behaviour, erroneous beliefs and understandings, unloving self-denying behaviour and all your suffering.

We are to find the whole truth of ourselves through our feelings. And that means to begin with we're to see the whole truth of our pain and suffering, the truth from conception right the way through the womb, at our birth, through our forming years, the rest of our childhood – all that's made us feel bad in any way. And such truth can be found through our feelings. As a child we can't know the truth of all the feelings we are feeling, however as an adult we can. And it's by doing our Feeling-Healing that we can uncover the whole truth of ourself through our feelings.

To suppress the symptom is to put the problem aside for later on:

All medical and complementary healing modalities, including emotional processing, as much as they might help bring some relief to pain and reveal some truth and understanding as to why one is suffering it, they are not focused on the deeper underlying hidden causes of that pain and illness. NONE address the true cause, with that cause ultimately being found in our childhood suppression and repression.

All modalities are mind based, we continue to be led to expect our mind to resolve our pain – the mind can mask and hide our pain – however we have to eventually feel such pain and discover what brought it about. Then we are to express what that pain is all about. In this way we begin to heal.

Feelings First for children is similar for adults, the Feeling Healing process that we all will eventually engage in is a way of living. It is how we will grow in truth and that is through our feelings, we are self-contained. This is the first step in going beyond just suppressing symptoms through our spirit body mind which cannot discern truth from falsehood and embracing our soul based feelings which are always in truth.

The underlying generator of all discomfort, pain, disease and illness is Childhood Suppression and ongoing Repression.

Feeling Healing is our only recovery and soul growth pathway.

It is that simple!

Childhood Suppression

The soul does it all.
The soul is a duplex,
two personalities being
manifested into the
physical by our soul.

Soul light continually
flows from the soul
through our spirit body
levels and into our
physical.

Return light being the
experiences of our
physical existence.

SOUL

Childhood suppression
imposed upon us by our
parents and carers
causes retarded light to
return to our soul
bringing about
imbalance, reflecting
emotional injuries and
errors of belief. This
imbalance is the cause
of all our difficulties
throughout our adult life
and also all of our health
issues.

SPIRIT BODY

Brennan Model of the 7 Levels of the Human Energy Field

Every experience is recorded through the light returning through our spirit body and back to our soul. What emotional injuries we experience, commencing from conception, has to be expressed emotionally to heal the imbalance in soul light so that harmony and health can be achieved in our spirit and physical bodies. Childhood Suppression is the underlying cause of disease, illness, etc.

Childhood Suppression

Childhood Suppression – from conception to age six years – harmfully encrusts the soul, thus impeding light flow throughout all seven layers of the spirit body, damaging the genes within the spirit body which in turn damages the genes in the physical body, as well as setting the pattern for all of our physical health issues throughout our lives.

SPRIT BODY Brennan Model of the 7 Levels of the Human Energy Field

The spirit etheric body is the template for our physical body, however, no health care system or science considers that the underlying cause of any health issues are formed through our Childhood Repression and that no physical healing occurs without expressing our childhood suppressions, being feelings both good and bad and then longing for the truth behind these injuries. Medicine may suppress the pain – it does not and cannot cure – vaccines are extreme physical suppressions!

The pain from ANY illness will not exceed the pain experienced during our Childhood Suppression!

EMOTIONS affect SPECIFIC ORGANS:

Emotional injuries and held errors have specific energy signatures and vibrations. So does each part of our physical body. Errors held within one's mind affect the flow of energies through one's spirit body, the spirit body is the template of the physical body. The resulting energy flow constrictions then initiate issues, and then pain, and then illnesses within the physical body.

STAGES of MATTER:

Matter becomes finer and finer and more incredible within each phase:

“All dis-ease is mind generated, and all healing is generated by the love energy of one’s soul.”

The Ego (mind based) manifests illness; the lower one’s level of consciousness (soul condition) then the more prevalent will be illness. Below the levels of 200, the ego and fear of the mind dominate; however, as you raise your level of consciousness by growing in love and achieve a level of 500 or higher, you begin to transcend ego dominance. At the level of 600, all healing is possible.

To liberate one’s real self, one’s will, driven by one’s soul, moves one to embrace Feeling Healing so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we’re feeling them, express them fully, all whilst longing for the truth they are to show us. It is Feeling Healing with Divine Love that one progresses through the spirit healing Mansion Worlds 3, 5 and 7 and enters the first of the Celestial Heavens.

Healing is by Going Through Doors!

We open up to our feelings by embracing a feeling and longing for the truth that feeling is to show us. This may lead us down to many more feelings through copious doors and stairways, leading us back through our life into our Childhood Suppression of our early forming years commencing at conception. This is a long journey of discovery and acceptance of just how we have been misled and now we are to express all that comes to surface and in so doing we are healing ourselves. Feeling Healing commences with the first doorway.

EMOTIONAL ERRORS are of the MIND

Layer upon Layer upon Layer

Emotional injuries and errors of belief are what we are to express and talk out with companions. The amazing thing is that we are now being guided and assisted in our emotional healing which affects every aspect of our living, our life, our being, our physical health and our relationships. Never has it been understood just how retarded and suppressed we each are by living through our minds and ignoring our feelings as we have been led to live our lives by not only our parents, but by all who we interact with – as they have all been misled like each of us.

As we open ourselves up to express a feeling, any feeling, good or bad – they are all to be expressed. Whatever comes to surface will be over laying an older feeling, so we are to then express the slightly deeper feeling / emotion / belief / error / memory. Long to know the truth of our feelings.

We are to find how every aspect of our environment is imposing itself upon us. Government, through its federal, state and local administration, is all controlling and inhibiting of our self-expression. Then we find that our employment is all controlling as it is our life-line to physical survival – our fears and hoarding are all consuming. Our education has been founded upon layers and layers of assumptions which we now find to be extra-ordinarily flawed in what becomes abundantly clear through our truth based feelings which are always in truth. With 3,400 major religions, we now can recognise that they are all agents for our control.

And then as we work our way down through the layers upon layers, back through our adult life and into our teenage years, we begin to find and then anticipate that it is our Childhood Suppression that we experienced under the oversight of our parents and those close within our family, being our siblings, grandparents, etc., that is at the core of our Healing.

Thus, as we work through each and every feeling that arises, we will be working back through our life years to the core of each emotional injury and error of belief which we generally have taken on throughout our childhood forming years, from the moment of conception to the age of six years. It is during our sixth year that our Indwelling Spirit arrives and we become a little more self-aware and assertive of our personality.

Yes, we will work our way back through our dramas all the way back to the moment of our conception. We will become totally aware of just how much we are screwed over and then accepting of being in such a way. However, then being healed is yet another incredible life for us each to experience.

TALK IT OUT

We are to express our feelings, both good and bad, and nothing is sacrosanct or to be withheld.

All that's wrong and untrue within us has to be expressed out of us, each of us, it all has to come to light for us to see the truth of. We have to know the truth of ourselves and the truth of our family relationships.

Everything needs to be expressed, to come out into the open.

What enters emotionally has to be expressed emotionally – it has to come out emotionally – leave us emotionally!

However, we are not to act upon what we are feeling emotionally! We are not to act it out! But, we are to go on and long to know the truth of what is behind our feelings, why we are having these feelings and experiences.

Long to the Mother and Father for Their Divine Love, and ask Them to help you see the truth through your feelings – that which They want you to know. Long and ask; long and pray. Pray to see, know and BE the truth, the truth of you – of all of it!

Psychology

20 July 2022

Idra, Celestial Spirit, says that by introducing the 'platform' of the Spiritual Healing, (namely Feeling Healing), to humanity, those people with a focus on psychology to uncover the truth of themselves will find it very helpful to see what it's really for, as they align themselves with the spiritual side, all about the Rebellion and so on. Psychology is directionless on Earth and in the mind spirit Mansion Worlds, it's just this thing about ourselves, helping us understand ourselves in a limited way, but it's not looked at within a spiritual context or with a spiritual purpose to help one grow in truth. So to give it one, then allows psychology to have a 'home', and so an aim and direction.

Feeling Healing

encapsulated within:

Divine Love Spirituality

Feeling Healing when appropriately understood and incorporated with the practice of Psychology gives structure, purpose and direction to the art of Psychology as well as meaning and an understanding of what is Psychology and how it is to benefit all of humanity. Feeling Healing addresses the 'elephant in the room', namely Childhood Suppression and its ongoing Repression. This is the pathway home that we each will embrace, either in the physical or within spirit. We are Truth Seekers and Feeling Healing is to provide just that, reveal the truth about ourselves.

REVELATION 1 Divine Love addresses the issues of the Rebellion.

REVELATION 2 Feeling Healing addresses the issues of the Default.

The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion.

The Rebellion was brought about by Lucifer and his soulmate 200,000 years ago.

The Default was brought about by Adam and Eve, soulmates, 38,000 years ago.

GOD

Eternal Son of Truth

Infinite Daughter of Mind

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soul partner) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves, enabling the union with our soul partner, as we progress in truth up through the Mansion Worlds, Celestial Heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

Life After Death

We are more alive than ever – when we are dead!

The life after death is no different in the essentials than the mortal existence.

However, our capabilities are about three fold of what it is when now as we are living in the physical.

We may come to look upon our physical body as though we are living as a potato, or maybe like we are living in and through a heavy rubber suit. Even being the Michelin man may come to mind.

Our physical brain is the interface between our spirit body mind and our physicalness, thus upon death of our physical body we lose nothing! Our personality remains as we know it and life is far more fulfilling in the spirit Mansion Worlds than living on Earth. We all arrive in the 1st Mansion World.

Every mortal gain is a direct contribution to the enrichment of the first stages of the immortal survival experience. Everything we do in this life which is good contributes directly to the enhancement of the future life – as it does now throughout our physical life! Death is definitely not to be feared, because what awaits us on the other side is a much more amenable way of life, even if it is still all within the Rebellion and Default.

While we are living on Earth, we are spirits having a physical experience!

Our physicalness restricts our capabilities to around one third.

NEW FEELINGS WAY

Upon death of our physical body, we all transition to the 1st Mansion World

This is the time in the history of Earth's humanity when the greatest event ever experienced throughout its almost one-million-year history is taking place.

At the time of World War II, 1939-1945, Earth's humanity was around 2.4 billion. Given the major recovery issues post war, the duration could be said to be 10 years and then some.

What is unfolding for humanity now is a factor 100 times more significant, and then some. Not only is Earth becoming fully engaged, so too are the 2 Earth planes, the 7 spirit Mansion Worlds and the 3 Celestial Heavens. That is 13 worlds.

Earth's population in 2020 is approaching 8 billion; spirit Mansion Worlds 1 and 2 have approximately 200 billion; the numbers for the 2 Earth planes are unknown, however they are near capacity; the Mansion Worlds 3, 4, 5, 6 and 7 could be any number. The 3 Celestial Heavens have approximately 30 billion personalities engaged in assisting in these events and the administration of the coming Avonal Age. All worlds combined having in excess of 250 billion personalities – more than 100-fold. Now add the angels!

The Avonal Age is for the next 1,000 years, more than 100 times the duration of World War II – well, 40 generations of 25 years each.

INFINITE & UNIVERSAL SPHERES, unknown number to progress through within Nebadon.

We all arrive in spirit into Mansion World 1.

Earth Planes 1 and 2 are of Disharmony – Hells.

Mind Spirit Mansion Worlds 2, 4, 6 are all taking us in the wrong direction and into a dead end!

AVONAL PAIR

MARY & JESUS

GOD

Throughout the Avonal Age of 1,000 years, their Spirits of Truth will assist us in embracing and engaging with our Feeling Healing and with Divine Love our Soul Healing. They will assist us to develop our soul well into Celestial Heaven status should we persevere with such a goal. The extent to which the Avonal Pair develop themselves while here in the physical on Earth is the level that their Spirits of Truth will be able to assist us. Then it will be Mary and Jesus' Spirits of Truth that will assist us up and out of Nebadon, where our Heavenly Parents will then assist us onto Paradise, Their home.

ENOUGH IS ENOUGH

Andon and Fonta, our first parents to long for our Heavenly Parents, lived nearly 1,000,000 years ago. Naïve humanity was seduced by high spirits, the Lucifer pair, to believe they could be gods through their minds, thus men subjected women to subordinacy 200,000 years ago. Also added to this was the default of the Adamic pair more than 38,000 years ago when they failed in their mission.

REBELLION & DEFAULT 200,000 YEARS

When Jesus with Mary achieved their full Regency of Nebadon, in 26 CE, they immediately had the Lucifer and Satan soulmate pairs assigned to a spirit world prison. Since then, the Creator Pair have been preparing for the ending of the Rebellion and Default for humanity of Earth. The Avonal Pair now on Earth, once commencing their Healing, brought about the imprisonment of the Caligastia and Daligastia pairs in the early 1990s. As the Avonal Pair advanced with their Healing they brought about the formal end of the Rebellion and Default, on 31 January 2018. It is now for all of humanity to embrace the Spirits of Truth of the Avonal Pair and undertake their healing of the imposts of the Rebellion and Default.

Avonal AGE 1,000 YEARS

Spirits of Truth of the Avonal Pair will guide us through our Feeling Healing and into the Celestial Heavens with Divine Love, then the Spirits of Truth of the Creator Pair will lead us through the Celestial Heavens and out through Nebadon towards our Heavenly Mother and Father in Paradise.

Each generation of 25 years or so will see marginal embracement of Feeling Healing, however in 1,000 years it will achieve universality.

A few will complete their healing during their lifetime, but for many it will be incremental.

Universality of Feeling Healing with Divine Love will see the mitigation of discomfort, pain and illness as well as the imposts of global warming and Earth changes. These events are to ensure that each of us embrace our feelings, both good and bad, down to the very core, so that we fully come to know who we truly are. Sciences will endeavour to remove pain only to see disease manifest in different forms. Earth disturbances are a result of the Harmonic Convergence of the late 1980s, increasing the rotation of the Earth's central core. This will only abate when humanity has universally embraced Feeling Healing. These influences are only imposed upon us so that we do not step back into the Rebellion and Default through complacency. Live Feelings First so that we become the true personalities we are, that being daughters and sons of our Heavenly Mother and Father.

Avonal Revelation

- We are to live Feelings First.
- We've been made to use our mind to live against many of our feelings.
- Our mind control commences at conception and is developed through our childhood.
- All the bad feelings we didn't express as we were growing up are still repressed inside us.
- And all such hidden, buried and unwanted feelings have to come out.
- And whilst they remain repressed within us, they will continue to make us feel bad and unloved.
- We get sick, depressed, suffer, have bad things happen to us because of our repressed childhood feelings.
- Humanity was brought into this state of living against itself by higher rebellious spirits.
- These Evil Ones caused the Rebellion and Default.
- We are made to rebel by default – as we have no idea we're doing it through our parenting in wrongness.
- We are all parented unlovingly – against ourselves, against our will.
- Some parenting in the wrongness is done with more love, yet it's all still wrong.
- To heal this unloving state within ourselves we have to do our Healing.
- Our Healing is our Feeling-Healing or Soul-Healing with the Divine Love.
- We can long to God for Their Divine Love, and this will help us with our Healing.
- God is our Heavenly Mother and Father, the Feminine Aspects of God having been kept hidden from us by the Evil Spirits.
- All humanity's religions and spiritual systems are designed to keep the wrongness going, to keep us away from God.
- Only by living Feelings First Spirituality, The New Way, can you become right, and truly find God.
- Long for the Divine Love.
- Long for the Truth of your Feelings.
- Accepting all you feel is accepting all of yourself, it's your greatest act of self-love.
- And wanting to know the truth of your feelings, is your next greatest act of self-love.
- Love yourself through your feeling-acceptance, and the Truth will set you Free!

Both the Creator and Avonal pairs are bestowals from Paradise and have Spirits of Truth which are released following the death of their physical bodies. The Creator pair is the co-regent of our local universe of Nebadon. They have set the pathway for the Avonal pair to show the way for Earth's humanity to heal itself of the Rebellion and Default. The Avonal pair's focus is one humanity, of Earth, whereas the Creator pair is for all of Nebadon.

HEALTH and HARMONY of the BODIES:

Man suffers from evil and error and disease.

First arises the necessity of understanding how, and by what means these things came into existence, and then it will become easier for the understanding of the means and the way by which they may be eliminated from the life and apparent nature of mankind.

These things, foreign to God's creation, were created by man alone in the excessive and unlawful exercise of his will power in following out the suggestions and desires of his animal appetites, which unduly asserted themselves when man lost a part of his spirituality by his disobedience. Man must understand that these excrescences (morbid outgrowths) to his perfect creation are real and existing, and result in his own damnation and alienation from the good, and are antagonistic to his original and natural condition of perfection – and that they cannot be swept out of existence by the mere assertion that they are not real.

Man must understand that they are the creatures primarily of the inordinate exercise of the animal appetites and desires, and not of the exercise of the mind, and that they are to be eradicated by the same process in reverse order as was used in their creation. The purity of his true being is always besmirched (soiled) by the impurities of his own artificial being, and always will be, until he eliminates these impurities which, as to him and to his fellow man, are real, persistent existences.

As sin and evil are not the creatures of the spiritual desires, but wholly of the animal, then to eradicate from man's being these things of evil and sin, the efforts of man must be directed towards the supplanting of the unlawful and inharmonious animal desires and appetites, by appetites and desires arising from the same source that is in harmony with the laws creating this very source.

The loss of the spiritual aspiration, or the perversion of the animal appetites, similarly causes man to become out of harmony with our (Mother and) Father's laws. Man in order to become free from these foreign parts of his being, must strive, not by a denial of their reality, but by the effort to supplant them. Man is a creator as well as a creature, and as these things are the creatures of man alone, then so far as the being of man is involved, they have a reality which will persist until their creator – man – has destroyed them.

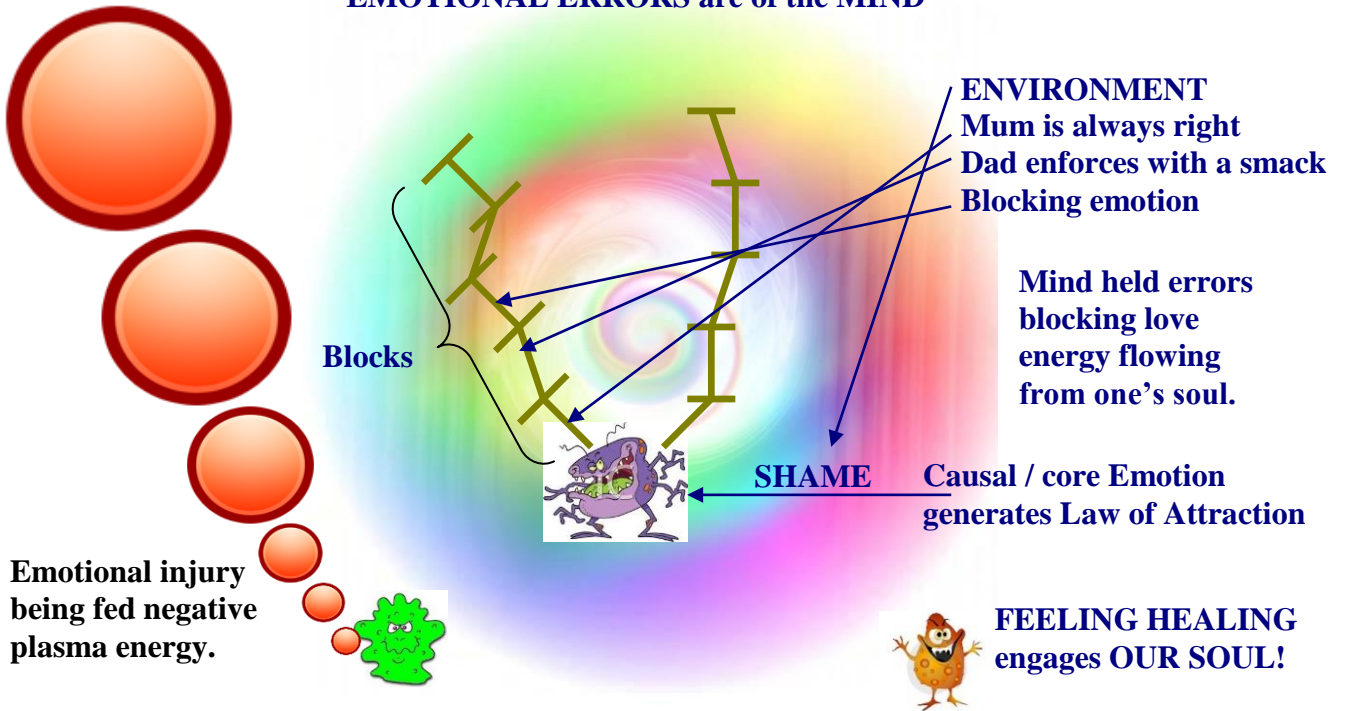

Jesus 9 July 1916

(Padgett Messages)

Only by man longing for, asking for, and receiving the Love of God and longing for the truth of his emotional errors will man be assisted and be able to remove that which is disharmonious to his bodies and rid that which is in error and sinful and disease from his bodies.

Harmony within one's soul brings about harmony in one's bodies and a healthy body. Feeling Healing with the receipt of God's Love, Divine Love, slowly but steadily brings about health to the physical body.

<http://new-birth.net/contemporary-messages/messages-sorted-year/messages-2003/millions-of-souls-millions-of-paths-ks-5-dec-2003/>

5 December 2003

"When you know that you are souls with a spiritual body and a physical body, and that these two bodies reflect the condition of your soul, then how can there be any question about which part of your being is the most important?"

"If you want to be well and healthy, happy and strong, then you must see that it is important for you to get your souls into the highest and best condition possible."

Apostle Peter

In the same way we will go about achieving our very personal and valued goals so will we go about creating harmony within our communities and peace worldwide.

"The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.

"But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Father's Grace."

Judas – 19 August

2001

Divine Love is the Great Gift that God desires to give to the heart-soul that asks, yearns and seeks for It. It is unconditional Love *conditionally* given that requires no preparation. It is conditional only because Divine Love cannot and will not be given to any person without that person first asking and yearning for It.

We Inherit our Emotional Errors from the Environment around us during Childhood:

We are to build but one temple. The Temple of the Living God is the blending of the greater (Divine Love) with the lesser (natural love) through which the lesser becomes one with the greater. The impurity was caused by the separation of the lesser from the greater. The purity is caused by their union, so that no longer is there a greater and a lesser but just the one good, whole, pure air of at-onement. When you let the Love of the Father pour through you to all things, nothing fears you and no harm can befall you. It is separation from the Source Soul, Father, which has caused sin / error, sickness, poverty, and death. It is union with the Creator, Father that causes one to become a whole Being or to become conscious of being whole.

Life and Teaching of the Masters of the Far East Vol I by Baird T Spalding.

LUKE on DISEASE and HEALTH:

27 April 1916

<http://new-birth.net/padgetts-messages/true-gospel-revealed-anew-by-jesus-volume-2/luke-what-is-necessary-for-a-man-to-do-to-recover-purity-of-soul-vol-2-pg266/>

Man should realise that he is a perfect creature of God, and that his errors and diseases are merely the results of his own thoughts, and of qualities that have come to him down the long ages of his ancestors living on Earth.

He need not suppose that these sins (errors) and desires are inherent in or a part of his creation, for they are not, but merely accretions that fastened themselves upon him by reason of the thoughts he has had, and the resultant course of life he has led, and when he changes these thoughts, which will necessarily bring about a change in his manner of living, he will find that he can progress toward the condition of the perfect man.

The doctrine of original sin is a mocking, damnable lie, and the sooner man realises the fact that it is a fraud and deceit, the sooner he will be able to get rid of those things which have placed him in his present condition and held him there bound, as it were, hand and foot. This supine (lethargic, inert) submission to this old and ever recurring belief is the great thing that prevents man from starting to progress towards the attainment of that condition, which is purity and health and the perfect man.

Man created sin and disease.

Man, although covered with sin and disease and false beliefs, to recover this lost estate or, better, condition, he will find that by searching for and learning and acting upon many of the moral precepts of the Bible and of other so called sacred writings, he will be greatly helped and strengthened in his efforts.

God does help man in his recovery from the state of false beliefs and degradation. His love overshadows men, and His instrumentalities are always ready and waiting to answer the call upon Him for His help in assisting them out of their condition of sin, disease and false beliefs.

It is His gift of Love that progressively restores man back to the pristine condition in which he was created. Further, only will this Love enable man to become a Divine angel with immortality.

THOUGHTS having the same RATE of ENERGY VIBRATION assemble as a CELL:

It is the accumulated pressure of feelings that causes thoughts. One feeling, for instance, can create literally thousands of thoughts over a period of time. Think, for instance, of one painful memory from early life, one terrible regret that has been hidden. Look at all the years and years of thoughts associated with that single event. If we could surrender the underlying painful feeling, all of those thoughts would disappear instantly and we would forget the event.

This observation is in accord with scientific research. The Gray-LaViolette scientific theory integrates psychology and neurophysiology. Their research demonstrated that feeling tones organise thought and memory (Gray-LaViolette, 1981). Thoughts are filed in the memory bank according to the various shades of feelings associated with those thoughts. Therefore, when we relinquish or let go (by expressing what our feelings are bringing our attention to) of a feeling, we are freeing ourselves from all of the associated thoughts. (Our memories are held within our soul / spirit body, they are not held within one's physical body, however, the damage will manifest in the physical body.)

The great value of knowing how to surrender is that any and all feelings can be let go, through the expression of them to a companion (Feeling Healing), at any time and any place in an instant, and it can be done continuously though it can be rather difficult.

The CHOICE is OURS to MAKE:

Celestial Truth:

- Truly all-loving;
- Living true to oneself;
- Mind supporting Feelings;
- Living with the Divine Love;

Fully Healed of the Rebellion and Default.

THE FEELING WAY

Feeling – Ascendance
Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

THE MIND WAY

Mind – Transcendence
Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic, atheists, no spiritual interest, Living the Rebellion and Default.

**Hell:
Exploiting the Rebellion and Default.**

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

MIND vs FEELINGS

Mind vs Feelings – Your Choice.

And now is an appropriate Time To Make this Choice!

Everyone is to choose: The Mind Way;	or The New Feelings Way.
Which way of living do you choose: Mind Way?	or the Feelings Way of living?
Do you continue in your Mind Way?	or do you embrace The New Feelings Way?
Do you choose the Dead End Mind Way?	or the Eternal Happiness Feelings Way?
Times up for the Mind Way;	the Feelings Way is taking over.
False Spirituality – The Mind Way;	True Spirituality – The Feeling Way.

The End Times and Final Judgement; or Paradise – the choice is yours to make:

Continue in your soul-destroying feeling and truth denying Mind Way;	or embracing The New Feelings Way by doing your Spiritual Healing;
---	---

Maintaining the mind’s imposed façade of a robotic, retarded individual, in a stupor, perpetrating the errors of generations gone by;	or The Feeling Way which is the discovery pathway to releasing your true, vibrant personality
---	--

The Mind Way – rejecting the truth of yourself by denying feelings, restricted forever to the mind Mansion Worlds;	or The Feeling Way – uncovering the truth of your feelings and ascending to Paradise.

THE MIND WAY ** MIND-LED LIFE **

We are to move from our mind way to a feeling way of life within our rebellious and untrue state. We are to live truth to our being untrue, knowing and being the truth of why we are untrue.

GREAT U-TURN

Living True to Ourselves

LIVING TRUE to OURSELVES

We are to live truth to ourselves through ALL our feelings. We are untrue.
 We are to live truth to being untrue. We are to stop pretending we're true.
 We're to admit we're full of shit; and be as full of shit as we are.

God made us be rebellious and untrue, so we are to live being rebellious and untrue, not trying to not be as God made us. And we are to live true to being fucked, until God transforms us and changes us into being true and loving, ending our rebelliousness.

With all of us having been incarnated into a truth-denying rebellious world, we are to live true to how untrue, false and unloving we are. We are to stop using our mind to pretend we are true and loving when we're not.

We are to fully embrace, through our feelings, the truth of how wrong, bad and evil we are. And through our Spiritual Healing we are to fully accept how rebellious we are, living and being it. And knowing how being rebellious (being of and in Rebellion) makes us feel.

We are not to use our mind to pretend we are true; that we are loving, caring and sympathetic, as we're not those things.

Being of Natural Love we experience love through our mind. And so being in an imperfect state, some (if not all) of our mind love will be false and untrue.

When we have been transformed into our true Divine Love state having done our Spiritual Healing, then all the love we experience will be through our heart and soul with true feelings and no longer with our mind. With all love being true and based on the Truth.

We are to find the Truth of Love

Soul Partners

SOUL – Soul Partners:

The Real You is your soul, you are one ‘half’ of that soul.

Each half of the original soul incarnates a spirit and physical body simultaneously, they being connected. The soul expresses each of its two personalities as a woman and man. True soulmates are always of the opposite sex.

Sexuality is an attribute of the two personalities the soul expresses; the soul itself does not know sexuality.

The soul connects to the two spirit bodies it has created by ‘golden cords’ of light; and the spirit body is in turn connected to the physical body by ‘silver cords’ of light.

The spirit body is your astral body. The etheric is really the body that is the template for the physical and one that doesn’t hold consciousness.

The soul remains invisible to the spirit and physical bodies, only being discernible by its luminosity through the spirit body.

95%+ of humanity currently are within the 1st sphere of development (499 MoC Ceiling).

Soul Partner

Many long for and seek their soulmate / soul partner which they will find only upon completing their Feeling Healing. And should they have embraced Divine Love, becoming of a Celestial soul condition. Our soul is duplex. One soul expresses two personalities – one being female and the other male – always. There is no homosexuality on a soul level, only on a dysfunctional personality level. When each soulmate couple have respectively healed the Rebellion and Default within them, then being compatible partners for all of eternity, embark upon their joint journey (ascension) to Paradise – the home of our Heavenly Mother and Father – the Original Soul Partners!

During 2020, this account was made of soul partners of a family group who had lived close together in a small rural community in mid New South Wales of Australia. They are all now in the Celestial Heavens. More or less, the diversity of experiences and journeys may be considered typical for many billions of family personalities:

Nanna Beth's soul partner lived and worked in Western Australia's gold mining industry at the same time that Beth lived in New South Wales, Australia.

Her daughter, Marie's soul partner is a native from the Middle Eastern Kingdom of Quasoria, which no longer exists, but was on an island in the Pacific that also no longer exists. He's what you would call an ancient spirit, from three pole shifts back. (A pole shift is a cyclical event that unfolds around 12,000 to 13,000 years, the last one being more than 12,000 years ago. That suggests he may have lived on Earth some 40,000 years ago. Adam and Eve materialised on Earth more than 38,000 years ago in the Middle East, on a peninsula at the eastern end of the Mediterranean Ocean.)

Kevin, born in 1937, married Marie's eldest daughter. Kathaleen, Kevin's soulmate / soul partner was born in 1901, and is from Tennessee, USA, and is black. Kevin is white, so they are 'salt and pepper'.

Bradley, Kevin's son, suicided in 1999, and early April 2018 became Celestial. Bradley's soul partner is from the region that is now Russia – but it was not when she lived.

Raymond, Nanna Beth's grandson, died aged 23. Raymond entered the 1st Celestial Heaven in May 2018. His soulmate / soul partner had been in the Celestials for about twenty years and she was in the third Celestial Heaven sphere then. She is from northern Europe.

Benjamin John, Marie's grandson, miscarried at twelve weeks and was spirit born. His soul partner is also spirit born and they are now in the 2nd Celestial Heaven, both having had lives in the spirit Mansion Worlds that replicated living as if the were on physical Earth.

Physical incarnation (individualisation) is complete with the first heartbeat, around 16 days after conception. Reincarnation is impossible. Annually, 130 million physical births take place, 45 – 50 million abortions as well as 45 – 50 million miscarriages. Childhood deaths annually may be as high as 10 million. Thus, around 45% of all incarnations do not achieve adult life.

While we remain living within the Rebellion and Default, we are rebelling against our soul; and consequently, against our soul partner. If we were able to find our soul partner, let alone recognise him or her, we would more than likely be repulsed by each other. Upon completion of our Spiritual Healing, usually we become connected with our soul partner, and then it is so for eternity.

AN UPDATE on JOHN'S FAMILY MEMBERS who are from WEST WYALONG, NSW!

30 September 2023

James: As I was reading through the list of your (John's) family, an 'update' came into my mind...
(clarifying comments added by John)

Nanna Beth, John's grandmother, her soul-mate (soul partner) and soul-group have chosen to remain in their current important third Celestial Heaven sphere positions for the next Age. (That is, the coming Avonal Age of the next 1,000 years.)

All the Celestials (1st, 2nd and 3rd Celestial Heavens sphere) are currently in the process of being asked what they want to do: some suggesting what they'd like to do, others choosing their assignment from what exists, some appointed to specific positions by higher authorities.

All of your family (John's family) accept your son will remain and work in time from the third Celestial sphere throughout the next Age. (Our son, Benjamin John, miscarried at 12 weeks of gestation and was subsequently spirit born in the 1st spirit Mansion World. His soul partner was also spirit born.)

Your son has moved on with his soul-group and soul-mate higher into Nebadon (our local universe containing 3,840,101 inhabited worlds), so beyond the third Celestial Heaven sphere. They 'felt the call' to move on toward Paradise rather than remain in the lower Celestials for the next Age. (When we level the 3rd Celestial Heaven and progress higher into Nebadon, we cease to connect with Earth.)

Your mum (Marie Mum) is now in the third Celestial Heaven sphere, and remaining specifically aligned with you, that's you personally, and not so much to do with greater Pascas, so helping you in your relationship with it and with all the people you come across, and with me (James).

Marjorie has crossed over into the first Celestial Heaven sphere, settling in with her forming soul-group and having met her soul-mate who just arrived a short time after she did. It is thought her soul-group will move in time to work under your mum (John's mother, Marie Mum).

Kevin (John's brother-in-law), Raymond (John's 1st cousin) and Bradley (John's nephew and son to Kevin) are all now in the second Celestial Heaven sphere, they are all aligned under your mum (Marie Mum), so working associated with you and each other, and all Pascas wants to achieve.

Kevin died 10 August 2012, through his Feeling Healing or similar process became Celestial by completing his healing and entered the 1st Celestial Heaven sphere on 7 August 2017, he is now in the 2nd Celestial Heaven sphere – September 2023.

Bradley, Kevin's son, suicided in 1999, and early April 2018 became Celestial by entering the 1st Celestial Heaven sphere, now in the 2nd Celestial Heaven sphere – September 2023.

Raymond, Nanna Beth's grandson, died aged 23. Raymond entered the 1st Celestial Heaven in May 2018, now in the 2nd Celestial Heaven sphere – September 2023.

Marjorie, John's sister, died 26 November 2020, entered the 3rd spirit Mansion World by 23 January 2021 being the first of the three spirit healing worlds (3, 5, 7). Marge had moved into the seventh spirit Mansion World around 12 April 2023. Marjorie has now crossed over into the first Celestial Heaven sphere – September 2023. Thus within 2 years and 10 months she has achieved Celestial Heaven status.

JESUS' GOSPEL in FEW WORDS:

It is easy to summarise Jesus' gospel in few words: "God is Love. They offer Their Love to all Their children, that is to say, to all humanity. Moreover, They are always a personal God who invites us to enter into contact with Them, should we wish to do so. They will listen to us and They will answer."

~~~~~

God is the Source of Truth. And if you want to discover Truth, go to the Source, and do not be satisfied with second or third hand information.

The only way to find Truth is to experience it for yourself and in yourself. What you may experience, and thus verify, in your heart — is a great truth. Judas 6 May 2002

Man is composed of three essentially different parts: the physical body, the spirit body, and the soul. Of these three components, the physical body is characterised by its fleeting nature, for the numbered days of its existence. In fact, it only fulfils the purpose of integrating the soul into a material world, facilitating the interaction of man's spiritual part with the coarse matter environment that surrounds him.

The spirit body is composed of a different kind of matter, "finer" or more "ethereal". The fact that its aspect reflects the condition of soul is a clear indication that the soul influences largely its formation, and even more, the soul is indeed the creator of this body, which covers it and provides it with the characteristic of individuality. The formation of the spirit body begins at the moment of incarnation of the soul in the foetus, incarnation which only takes place should there exist a high possibility that the spirit of life has found in the new organism a stable biological structure, allowing it to carry out its life-giving function.

The soul, lastly, is man's only part that resembles its Creator. This is why we also refer to God as the Great Soul, Source Soul or the Oversoul.

When the human soul receives the Love of God – His Essence – it becomes a divine soul. This is called soul transformation, culminating exactly at the moment when this process consumes the last vestiges of the natural soul, in the New Birth. Judas 8 May 2002

Our message is simple: God is Love, and He shares it with all who so desire. Judas 13 May 2002

God is Love and is willing to share this Love with all His children, that is to say, with all humanity.

Our Heavenly Father's Love is not a simple feeling, but rather it is His Substance, or the Essence of Divinity, that distinguishes itself by attributes, as any substance does, and what we call "unconditional love" is but one of these attributes. Judas 16 May 2002

# Purpose of Life

Purpose of our life is to:

Achieve individualisation. This is truly the moment of our sentient experience beginning. This occurs at the moment of incarnation which is when our newly forming foetus begins to pump blood, usually day 16 after conception. From that moment we are beginning to experience life.

We have a life purpose. We are each a unique personality with individual propensities to experience. Should our physical life be cut short then we will go on and have the experiences that we need in the 1<sup>st</sup> spirit Mansion World. If we miscarry or are aborted then we will become spirit born, be adopted to spirit parents and have a similar life to that should we have gone on and lived on Earth.

Presently we are each subjected to Childhood Suppression which we continue on throughout our lives suppressing our feelings and our true personality. This is providing us with unique life experiences as this does not typically occur with any other humanities throughout the universes. Our physical life on Earth is mostly very difficult, however this will provide each of us with unique capabilities to aid newly emerging humanities on worlds further out into space. Yes, we have an enormous journey to enjoy.

Our time of death is predetermined. We often do crazy things – but our life span is predetermined.

What we experience is also predetermined. A few are to be wealthy and become burdened with responsibility. Many are to be poor and enjoy the freedom without trappings of assets and obligations.

Most will have families while on Earth. No matter who we are, we will each parent at least three children before we can enter the first of the Celestial Heavens. We are to experience parenting, even though that may be when we are in the spirit Mansion Worlds.

We are to live FEELINGS FIRST! We are to express our feelings, both good and bad, to a companion. We are to long / ask for the truth of what our feelings are drawing to our attention. What enters emotionally needs to be expressed emotionally. Should we long for our Heavenly Mother and Father's Love, then we are also SOUL HEALING. Our mind is to follow supporting what our feelings are leading us to embrace – this is the opposite as to how we have been brought up to live.

*It's all about*  
**Experiences**  
 &  
**FEELINGS**

As we complete our FEELING HEALING, then and only then can we connect with our Soul Partner who is always of the opposite sex. Our soul is a duplex that manifests two personalities. And we can grow to interact with our Nature Spirits and Spirit Guides!

**BE FEELINGS**  
**EXPRESSIVE!**

**ONCE YOU KNOW -  
YOU CANNOT UNKNOW!**

Mary Magdalene

The life force for the spirit body and the physical body is via the soul. The spirit body is connected to the soul via cords of light, and in turn, the physical body is connected to the spirit body via cords of light. Should the light cords between the spirit body and the physical body be disconnected then the physical / material body dies. The physical body is our starting point for learning and experiencing our being. Our learning and growth experience then continues through the existence of the spirit body.

With the Love and in the Glow.

Without the Love and in self-reliance.

**The BEAUTIFUL MIRACLE:**

5 October 2012

The Divine Universe

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love, this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love into its soul and this union complete. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other and one is living in the presence of our Mother and Father in perfect harmony and this clarifies the truth about what it means to be truly at-one with God.

**ASPECTS of LIFE:**

The spirit body is composed of a different kind of matter, "finer" or more "ethereal". The fact that its aspect reflects the condition of soul is a clear indication that the soul influences largely its formation, and even more, the soul is indeed the creator of this body, which covers it and provides it with the characteristic of individuality. The formation of the spirit body begins at the moment of incarnation of the soul in the foetus, incarnation which only takes place should there exist a high probability that the spirit of life has found in the new organism a stable biological structure, allowing it to carry out its life-giving function.

P529 Judas of Kerioth 8<sup>th</sup> May 2002

**At the moment of conception, we achieve individualisation and become self-aware and we are then able to exercise our free will. Incarnation is when the embryo first pumps blood – day 16. At the moment of conception, our soul, being our real self, is creating the newly forming embryo and everything else every step of the way as Judas says above. And our soul utilises our physical parents' life forces to achieve incarnation.**

**At the moment of conception, there is nothing of the Divine within us. Only as we proceed with our Feeling Healing and to ask for and receive Divine Love does our soul slowly and progressively change into the nature of that which is Divine. As we embrace Feeling Healing and our soul receives Divine Love, our soul will grow, and grow, and grow in brilliance and into that which is Divine – this is reflected through our spirit body.**

**DIVINE LOVE being AVAILABLE is our SALVATION:**

The Divine Love is far more powerful than the natural love. If I would have to put a number on how much stronger, just so you can understand what I'm trying to say, I would say 10 or maybe even 100 times. Of course this is purely hypothetical because natural love is only a derivative of Divine Love so it is almost impossible to compare them this way. If you ask for the Divine Love to enter your soul it will be 10 or 100 times more efficient, 10 or 100 times stronger than if you would let the natural love flow through your soul. So it will help to break down "the wall" you've created around your soul 10 or 100 times faster than the natural love would do.

# Paradise Trinity

Heavenly Mother

'Love'

Eternal Son of 'Truth'

Infinite Daughter of 'Mind'

Jesus and Mary's soul are different in design than ours. They are a Creator Daughter and Son, or similarly referred to as Michael Daughter and Son soul, and within their soul is expressed only two of the Primary Aspects of Deity. They are of the Mother and Father, our Heavenly Parents and the Eternal Son.

Avonal Daughters and Sons are expressive of the Eternal Son and Infinite Daughter.

The core of humanity (us mortals of Earth) is of the Truth and Mind, and then with the addition of the Indwelling Spirit, we can then relate to the Love.

And with the Avonal pair now on our world (Earth), or assisting us through others on Earth, they too expressing the Son of Truth and Daughter of Mind, we actually are far better suited to relating to them than we are to Mary and Jesus.

Creator Daughter & Son are of Love and Truth .

Avonal Daughter & Son are of Truth and Mind .

Humanity is of Truth and Mind then with Indwelling Spirit, also of Love .

Humanity is best suited to be assisted by the Avonals and then by Creator Daughter & Son .

# JOURNEY HOME

Our journey home is an ever growing expansion of truth being revealed to us. For Earth's humanity, as for the 37 humanities that have Rebelled, we are quarantined and isolated. Having also Defaulted, Earth's humanity is possibly the most evil of all. Firstly, we are to understand that living through our minds is why we are addicted to untruth and control of others and nature – we are going the wrong way! We are to live feelings first and then heal our Childhood Repression and Suppression – we are to live and express our true personality, the one given to us by our Heavenly Mother and Father. Then our journey home begins!

The Isle of Paradise is stationary within the circle of seven super-universes. Spheres here are also for us to further grow in truth before arriving Home to become Finaliters. Our Heavenly Mother and Father guide us out of our Local Universe of Nebadon, through the rest of our super-universe of Orvonton and into super, superuniverse Havona which circulates around the Isle of Paradise, being home.

Each of the seven super-universes are approximately constituted as follows and with 1,000,000,000,000 inhabitable worlds:

- One super-universe is 10 major sectors
- One major sector is 100 minor sectors
- One minor sector is 100 local universes
- One local universe is 100 constellations
- One constellation is 100 systems
- One system embraces approximately 1,000 physical worlds

Once we attain the Celestial Heavens (spheres), we start to come in contact with spirits from other 'Earth' worlds. So in spirit, and once we've finished our Healing and are Celestial, we interact, sometimes directly and otherwise indirectly, with potentially 10,000,000 physical worlds of which 3,840,101 are with humanities. Our Avonal Daughter and Son lead us to Mary Magdalene and Jesus (Michael soulmate pair / soul partners, our Creator Daughter and Son), through our healing of the Rebellion and Default by guiding us into the first three Celestial Heavens and out of isolation from all other physical and spirit humanities.

Mary and Jesus then lead us through the Celestial Heavens for the system Satania (that Earth is in), then our constellation and then out of our Local Universe.

Isolation from all other humanities prevails before completing our soul's healing and progress into the Celestial Heaven spheres 1, 2 and 3. Hell planes 1 and 2 of Earth are for those people who have to compensate for evil wrongdoing. And once done, they may then progress up through mind Mansion Worlds 1, 2, 4 and 6 before turning around to progress through Healing Mansion Worlds 3, 5 and 7 to transition into Celestial Heaven.

# Finaliters

## OUR JOURNEY

Ascension is from Earth (Urantia) through Nebadon, Orvonton, Havona to Paradise.  
Then in Paradise we progress to be Finaliters and possibly assigned to a newly forming universe.

Isle of Paradise home of our Heavenly Mother & Father

Havona Ascendington

Orvonton – our Super Universe  
Nebadon – our Local Universe  
Urantia being Earth

# Finaliter, being what we become when we finally arrive in Paradise!

Our journey is one of experience and the feelings that arise from our experiences. From the moment of conception we are on our learning pathway, experiencing the emotions of our parents and carers. Our feelings are our truth, it is through our feelings that we evolve in truth. We are to long for the truth that our feelings draw our attention to.

Our physical parents and family is the focus of our experience on Earth. As we all have been subjected to the Rebellion and Default of Earth's humanity, we are all to heal ourselves of being unloved and the errors and injuries that we have been subjected to. Only through the completion of our Feeling Healing do we leave the environment which is referred to as Hell. It is through the guidance of the Avonal soul partner pair, their Spirits of Truth, that we are now able to complete our Feeling Healing.

When we transition into the 1<sup>st</sup> Celestial Heaven, having completed our Healing and Acceptance of how we have been messed up and the way we are having had the experience of living in a Rebellion and Default, can we then start to assimilate with other humanities within our Local System.

Our local system is called Satania, home city and headquarters being Jerusem. It consists of 1,000 physical worlds that have the potential of a humanity living on these worlds. 619 are physically inhabited of which Earth is number 606, one of the youngest. As we progress beyond the first three Celestial Heavens, then we start to interact and become knowledgeable of these additional humanities.

Then we progress into our local constellation called Norlatiadek. Norlatiadek consists of 100 local systems, and its home city is Edentia. The Garden of Eden is named after Edentia. Again we go through a process of coming to understand how the constellation works and the peoples that are throughout it.

Then we enter the local universe as a whole, named Nebadon with Salvington being its headquarters and home of the co-regents being soul partners Creator Daughter and Son, Michaels, namely Mary Magdalene and Jesus. It is through the Spirits of Truth of Mary and Jesus that we are guided through all of the Celestial Heavens to Salvington.

From Nebadon then it is our Heavenly Mother and Father that guide us through the next three major sectors of our super-universe being the Minor Sector, then Major Sector, then the super-universe of Orvonton.

Then we progress into Havona and Isle of Paradise, the home of our Heavenly Mother and Father and on completion of achieving understanding of how all the systems work in the manner that we are required to, we become Finaliters. After all, we are truth seekers!

Then what follows is that we then visit and achieve an understanding of how each of the other six super-universes work and how all sever super-universes function and work together.

When fully accredited we will most likely be assigned to one of the newly forming 70,000 super-universes that presently are not inhabited. Finaliters have many optional assignments.

We are truth seekers and through our obtained truth we will be able to assist humanities throughout the emerging universes.

## ***DIVINE LOVE – what does it do?***

### **Divine Love, which is a substance, progressively:**

**Transforms one's soul from that which is of natural love to that which is Divine**

**As natural love is enhanced with the Parent's Love, we reject our tendency to error**

**Divine Love, our Parent's Love, restrains errors, untruths and emotional stress**

**As we reject the condition to error, we develop our love for our brothers and sisters**

**Divine Love helps one with the discovery of truth through one's soul-feeling healing**

**Our natural intelligence grows, perceptions rise with our soul intelligent feelings**

**As Law of Compensation is resolved, the Love reduces returning to being in error**

**Receipt of Divine Love, the Parent's Love, grows our faith, we become God reliant**

**As our faith grows our propensity to undertake one's Feeling Healing strengthens**

**With the Love, our Feeling Healing becomes Soul Healing, this we are to undertake**

**Without the Love we remain self reliant and dependent upon our own will power**

**Only with the Love will our soul condition grow rapidly, all around us also benefit**

**The Love is the only substance that changes the human soul to that which is Divine**

**Only by asking and receiving Love do we become fitted to enter Celestial Heavens**

**Only by asking for and receiving the Divine Love does our soul become immortal.**

Feeling Healing – Healing yourself through your feelings.

- ✓ Your feelings are the real and true you.
- ✓ If you are denying any feelings you are denying yourself.
- ✓ If you are denying yourself you can't ever be truly happy.
- ✓ To heal all your pain and suffering, you can look to your feelings for why you are feeling bad.
- ✓ If you want to know the truth of yourself, then it's your feelings you will need to look to.
- ✓ Your feelings hold the hidden keys to unlocking the truth of who you really are.
- ✓ Uncover the truth of yourself through your feelings and you will know why you feel all you do.
- ✓ Everything in life, why all that happens to you does, and everything about yourself, can be explained to you through your feelings.
- ✓ Why your relationships might not be as good as you would like, why some might fail, you will understand through your feelings.
- ✓ How to live a good, true, happy and loving life will come to you as you start paying attention to all your feelings.
- ✓ However you will also have to pay attention to all your bad feelings, and this can be very harrowing.
- ✓ By honouring – accepting and then expressing all the bad feelings you feel, you will slowly bring to light all the reasons why you don't feel good.
- ✓ And as you liberate yourself from these hidden repressed bad feelings, so you will start to feel better and better about yourself.
- ✓ It's a process, and it can take time, years possibly, but all that's hard will eventually pass becoming good.
- ✓ Expressing all your feelings, and particularly your bad ones, whilst longing and really wanting to know the truth of why you're feeling them, is doing your Feeling Healing.
- ✓ You can Heal yourself through your feelings. And in fact, it's the only way to really heal yourself.
- ✓ And if you wish to do your Healing with God, you can also long for God's Divine Love.
- ✓ Feeling Healing – Using your feelings to heal yourself.

Manifesto of Divine Love:

1. We love one another as Mary and Jesus, our spiritual parents, love us. And so we seek their Spirits of Truth.
2. Our all loving Heavenly Parents, our Mother and Father, we love and honour at all times.
3. We worship only our Mother and Father, God, and Creator of all things.
4. We treat our Creator's name with respect and love, and earnestly seek Their Divine Love, and at all times pray for It, ask for It, and receive It.
5. We set aside a regular day each week for Sabbath rest and worship of our Heavenly Parents, God, and seek Their Love so that we may grow closer to Their fountain head of Truth and Love.
6. We are to be as we feel, even if it's sinful, but in doing something that is not in alignment with God's Love and Truth will make us feel bad, that is provided we allow ourself to feel our bad feelings, and so we can then use our bad feelings to find out the truth of why we feel bad and why that thing we have done is bad. We embrace our Feeling Healing.
7. We strive to cause no harm to another, nor cause any harm to one's self. We do not do to others what we would not have them to do to us. We treat our fellow human beings and all living things, and the world in general with love, honesty, faithfulness and respect. Violence, at any times, is never justified. Golden Rule: that one must always honour another's will as one honours one's own.
8. At all times in our intimate relationships we strive to express and live true to all our feelings, all so we can use our feelings to uncover the truth they are trying to show. The truth of ourselves, of our relationships, and the truth of everything else, including God.
9. We do not covet or steal anything that does not belong to us. Honesty in all communications, actions, undertakings and activities in all facets of life is our rule of life.
10. In all that we do, we are to be truthful. We are non-judgemental, for none of us have the capacity or authority to judge another. We are always ready to forgive all wrongdoing.
11. We do not desire anything or anyone that does not belong to us. Comparing oneself to others and longing to have what they have leads to errors. We are to be content by focusing on the blessings our Heavenly Parents, who made us in Their soul's image, provides for us.

## THE URANTIA BOOK

The spirit world name for Earth is Urantia.

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.**

Due to the restraints of the Universal Contract governing the Rebellion and Default embracing Earth's humanity, the order in which these revelations were delivered and written is in reverse to how they practically should have been delivered.

Throughout the 200,000 years of the Rebellion of Lucifer and his following impositions of suppression upon Earth's humanity, the female being closer to her feelings than males, she was subjected to being controlled by the male. Thus for the past 200,000 years women have not had their say, they have been subjected to being submissive to the male, thus, the writings of James Padgett, being the Padgett Messages (1914 – 1923) and The Urantia Book (TUB) (1925 – 1935) have each only referred to the male. Consider that male is referring to both female and male as being equals throughout these writings.

Further, the revelations relating to Feeling Healing as written by James Moncrief (2002 ongoing) should have been the first of the publications.

The formal ending of the Rebellion and Default of Earth's humanity was on 31 January 2018, thus the coming 1,000 years is the transitioning of Earth's humanity to living feelings first and embracing of feeling healing. This is the Great U-Turn of Earth's humanity and all institutionalised systems and beliefs, custom and norms of the past will progressively be put aside. Nothing is to remain of the Rebellion and Default.

## “Live True to your Feelings”

Message 3

2 December 2002

Hello James (Moncrief), I would like to speak to you today, Mary.

I am Mary of the Bible, as you know, and as I have not spoken to you for quite some time, and for the purposes of this work, I will begin with a formal introduction.

I am Mary Magdalene of the Bible, the one who was on Earth at the same time as Jesus of Nazareth. And, yes, we were on Earth; we are real; we did exist back then, and we do exist now living as spirits in the Celestial Heavens. This might not be startling news, but what maybe of news is that I am the soul-mate (soul partner) of Jesus. It is I whom is responsible for the feminine aspect of our universal Son and Daughtership. I am the Living Feminine Truth. You are familiar with Jesus and his Spirit as expressed in the Truth he has revealed to humanity, but unfamiliar with my Spirit and the Truth therein.

And so it is that I want you to continue writing this work for me James. Just as Mr. James Padgett wrote for Jesus (1914 – 1923); I would like you to write for me. And in doing so, it will greatly benefit you. I, together with other spirits I have chosen, will tell you the truth I want to reveal; and it will, as you will find out, make you feel a lot better about yourself and your life. I am the missing part of The Truth to make the whole. And as you are appreciating, it's a much broader picture than what humanity currently understands. It is what humanity needs, the woman's perspective, so to speak.

It will be hard for many people to understand, that having devoted so much of their time, love and prayers to Jesus, in the hope they will be saved and thought well of, that they have been only dealing with half the picture, causing their prayers to be ineffectual. As to why this has been allowed to be for all these years, is a matter of concern only for the Mother and Father. It was They who asked us, Jesus and I, to live as we did and be as we were whilst on Earth, just as They ask us to be as we are now in the Spirit Heavens. On Earth, Jesus and I became aware of our true identities, however I was forbidden to reveal and be my true self. I played my role of self-denial as I steadily awakened to what the Mother and Father were asking of me, just as Jesus played his role.

My focus with you will be to help show you how to uncover Truth for yourself; how to look into your feelings and see what that they want to show you. How to concentrate on yourself – mind your own business – and become self-revealing. I want to guide you back to yourself so you will be able to see just how far away from yourself your parents took you. Your parents didn't mind their own business and allow you to get on with your own life, they continually interfered with you, controlled, dominated, told you how to be, what to believe, how to think; they didn't allow you to stay true to yourself. Your parents, James, caused you to lose yourself, to step away from yourself, to push yourself aside and be how they wanted you to be, and it wasn't right. Consequently, you have suffered, and it's this suffering and what they did to you: how they caused it, that I want to help you see.

Jesus spoke of living the Will of his Heavenly Father, but to do this you must first live true to your will. Your own will must be in one piece; it must be able to function perfectly well. You must be able to do what you want to do when you want to do it. If you are doing so, then you can choose with your will, for you do literally will yourself to, live another's will, such as the Mother and Father's.

As a child you were not allowed to live true. You were not allowed to express your will, to live and therefore be true, to your own needs and wants. You were stopped, inhibited and interfered with in many ways, all of which had the same result on you. You lost your power and gave it all to your parents. Your parents made you live their will. So what you now believe, but is unconscious within you, is your power, your ability to do the things you want to do, is all still only what your parents are allowing you to do. Unbeknownst to you, you are still only living their wills, with yourself struggling for something to do for yourself in it. You weren't conscious of this, so by the time you reached adulthood you believed you were now the full master of your own destiny, but the wind doesn't always seem to blow when you want it to or blow and in the direction you want to go. And why? Because there is no real YOU in the picture.

Your life is merely a 'sub-life' of theirs, and will be forever until you choose to – will yourself – to do something about it. And this is extremely difficult to do for how can YOU will yourself to heal your dysfunctional will when your will is only a poor composite of your parents? You're pathetically trying to use your will in your life to get what you want, and yet all you are doing is living the will of two interfering people. And not only that, but they themselves are a mixed up composite of their parents dysfunctional wills. So in effect you are being parented by many wills: your parents and their parents effects on them, and then, if you go back even further, you're being affected by even more wills, and when does it all end? There are generations of people, none of whom have truly minded their own business, all coming together through your parents to interfere in your life thereby inhibiting the true functioning of your will.

So you can see you will need to heal and be healed of all of this, to somehow remove all these interfering negative influences. All their wrongness, which defines you now, is reflected in how you function in life, all having been sculptured around your will-controlling parents, and it needs to go. And where is all this wrongness; all this will dysfunction; all the negative effects of not living as a true whole wilfully free person? Contained within your soul. And what needs to happen is for you to rid your soul of such negative influences. You need to somehow divest yourself of all negativity and then you will be free. And true FREEDOM is just this: YOU ARE FREE TO LIVE YOUR OWN WILL. You are YOU, right through you into the depths of your soul, and so all that you want to do, and how and when you do it, you will know is, YOU. No one else will be consciously or unconsciously influencing you; and if they tried to do it, they would find it very difficult for the integrity of your soul, your own feelings, would first alert you their evil intention and you would want to make them stop. There is no other true freedom. A free soul, that being one living in a state of pure love, is free being completely empowered by its own will!

Your soul James (as are all souls) is existential. It is in a state of 'Being', in a reality that is devoid of anything else except personality potential. This 'place' or 'state' or 'reality' is not in Creation, however Creation is of it, is an expression of it – an expression of Soul. Soul creates Creation. If a soul needs or wants to express itself – its personality in Creation – it needs to do something. And the first thing it does for itself is create or manifest its own will in Creation. At a moment prior to your physical conception your soul has already started to manifest will, your will, that part of it – your personality – that's called will. And with this will it is then ready to literally 'will' the rest of its – your – personality, you, into life.

You and your soul are one and the same. You are currently consciously focused on living, perceiving and experiencing life through Creation as you – your soul – expresses your personality. Once your soul – you – has begun its incarnation, it forevermore continues to will, you, one of its two personalities, into Creation. You are always an ongoing expression of your soul's personality. Without a will, an active part able to manifest in Creation, none of you would exist, not your spiritual or physical or thinking and feeling parts, nothing. So your will is very important, and should anything interfere with it, then that interference is going to have a negative effect on your soul's ability to will you into life. When your parents imposed their wills on you, that imposition affected your will. It affected how you will yourself about in life: how you do things, how you express yourself, how to get what you want; how to live true to your feelings so you can use them to find or uncover the truth of your soul – the truth of you.

The Mother and Father are a Soul-Personality, and we have been created in Their image. They have created our soul and bestowed personality upon it. And being our Parents, They want to get to know Their children, and so we need to have our wills functioning perfectly so we can relate to Them and They can relate to us. If however, your parents have interfered with your will, then you can't relate to God as They want you to and as your soul longs to.

If you want to be as perfect as God is, then you will have to heal your will imperfection. If you want to live the Will of God, then you will have to heal your will dysfunction. If you want to live at-one with your Heavenly Mother and Father, then you will have to first become at-one with yourself healing all that is wrong in your relationship with your own parents. So long as you are living in a negative will state you will NEVER be able to ascend in truth and arrive on Paradise and be with The Two, who are One, who created you.

As Jesus has revealed in the Padgett Messages, he and I were born on Earth in a perfect state of being. Unlike you, our wills remained perfect, our parents couldn't negatively interfere with them – with us. We could not be influenced by any evil, and even though we still had to maintain a purity of mind, this was not hard to do as we felt the truth with all the feeling of a complete un-interfered with will. However, the problem Jesus and I faced was, we weren't, owing to certain incarnation restrictions placed on us because of the Rebellion and Default, allowed to express our full wills, our full selves. Jesus could express himself more than I, as the male was more dominant, the woman more suppressed; and my life was reflective of that, being able to mostly only tend to the sick and poor. I couldn't teach and reveal truths alongside Jesus as his equal. I could only help people in my humanness and not as a full Daughter of my Heavenly Mother and Father. My 'time', as I understood it when on Earth, was to be after I died and entered the lower Mansion Worlds. Then I was able to fully reunite with Jesus and reveal the truth that I had within me: that God is my Heavenly Mother. Had I been able to reveal my truth to humanity when I was on Earth, then you would know from Jesus and I that God is both your Heavenly Mother and Father – the feminine and masculine aspects being fully expressed through Jesus and myself.

Strange as it may seem, but the truth of who I really am is not hard to keep from Earth or the natural love spirit worlds: Mansions Worlds 2, 4 and 6 as Jesus spoke of them to Mr. Padgett. Those in spirit who wanted to know the truth of myself, lived in the Divine Love Mansion Worlds 3, 5, 7 and above in the Celestial Heaven spheres (Mansion World 1 being a mixture of both and the introductory world for Divine Love). The separation between the feeling worlds of Divine Love and the mind worlds of only natural love maintaining something of a natural barrier preventing the spread of truth. So humanity on Earth has had to wait until now for a new and full presentation of the truth of myself. Of course many have suspected and speculated about me, but until I reveal my own personal soul nature, no one can know for sure. But now you can. Mr. Padgett was unable to accept and embrace me, as Jesus began his re-revealing of the Truths of Divine Love through him, and I am beginning my revealing through Marion and you, James.

It might be difficult to believe that no one wanted to know the Truths of Divine Love, but it is so. For two thousand years nothing changed. People might have been disgruntled with what the Church called truth, and many searched for meaning, but it was all from and with their minds and not their souls. James Padgett had a sincere soul longing to which Jesus was able to respond to. And you James have had a deep soul longing for the feminine aspect of truth to which I am able to respond.

Jesus revealed through Mr. Padgett the truth that the Father is offering His Divine Love to you. I am revealing through you that both the Mother and Father are offering Their Divine Love to you. Jesus also revealed that upon partaking of this Love one can undergo a soul transformation into the New Birth; and I am revealing through you, that this inner transformation is called your Soul-Healing. And it is something that you have to consciously make an effort to do. You have to willingly choose to do it; and in doing so

will eventually heal all your will of imperfection – all of the negative you were forced to accept from your parents. And together Jesus and I will tell you that it is by longing for and wanting to live true to yourself: true to your feelings, that you will uncover the truth of your negative will state, and heal it. And when you are healed, you will be free to live as Jesus and I do: perfect in our Divine Love souls – as Celestial spirits living in the Celestial spheres.

Humanity has fallen from Grace. It hasn't consciously or willingly rebelled against the Mother and Father but has rejected Them by default. This has led to the negative will state being passed on by default from one generation to another. The result is you are very confused and lost, living with little truth or real understanding about the spiritual nature of things. You have fallen the equivalent of the seven mansion worlds, so to heal yourself back to perfection, you have a long road ahead as you ascend your way in truth back up through them. Your Soul-Healing will be very testing as you uncover the truth of all your negative will. However, humanity is now longing for such truth, and so the way is being presented for those who want to take up the challenge. Now is the time, Jesus and I are revealing to you that which you need to understand to help you; that which will answer and appeal to a sincere heart and soul longing for love and truth.

I feel that is probably enough for the time being James. I will now leave you. Mary Magdalene, Sister to all sisters; and soul-mate of Jesus.

Message 11

**Mary, natural mother of Jesus**

13 December 2002

I want to speak to you James. I am Jesus’ mother, Mary.

I have been waiting to write because I want to ask everyone who is interested in me, to please stop worshipping me. I do not want to be worshipped, please! I do not want any credit given to me. I do not deserve any. And just because I was Jesus’ mother, the mother whom the Mother and Father chose, it's not any reason to worship me. If anything, I need to be sympathised with because I did not appreciate what an amazing gift They gave to me. I was blind, as all mothers are, to the truth, and as a consequence, I did my best to keep Jesus AWAY from the Mother and Father making him do what I wanted him to do.

As I progressed in my soul–healing, I became more ashamed of the errors that I lived and the many ones I tried to force on Jesus and my other children. Joseph and I did what we thought was best by trying to get Jesus to do what we thought being a spiritual and dutiful son involved. We tried to get him to say and do his prayers as we had been taught to do them, and even at times tried to persuade him not to speak with what he called his Spiritual Father in Heaven.

We of course had a very rare opportunity, to listen to our son and to support his life with the Father, but all we succeeded in doing was adding more hardship to his life, more trials and tribulations. We tried to make him be like the other children and tried to stop him being his true self.

As Jesus himself has revealed to you, because of the nature of his soul, it being kept in its perfect state, we were not forceful enough as individuals to completely interfere with him and inhibit his soul development and divine development of character. We were fearful people like many in our day, and only tried to do what we were told by the authorities. It was Jesus himself and his good nature that made us feel that we were not complete failures as parents, even though it became quite apparent to us from his early childhood that he was very capable of looking after himself and doing exactly what he wanted to do and when he wanted to do it.

I was most grateful to him for looking after me when Joseph died, this being another thing that he did not have to do. It was only out of his purity of heart that he stayed with me and his brothers and sisters, for as long as he did. This I am ever so grateful to the Mother and Father for. If Jesus had left during such troubling times I dare say, I and the other children might just have survived, but we would have greatly missed his fatherly feelings toward us all.

I as you also know through other messages I have delivered to Earth, was not a virgin, and I did not conceive Jesus in any other way than by normal natural means. There was no need for me to be any other way than how I was. I can’t be the blessed Holy Virgin Mother of Christ. That is not my role in Creation and it is a sin to make me. So I say again, please do not hold me in any special favour. I was only a mother like all mothers. I am not special, nor do I want to be elevated to heights beyond this for it is untrue, and if you persist in believing I am anyone other than who I am – an ordinary woman – then you are deluding and lying to yourself.

It doesn’t harm me if you choose to exalt me in any way because I have now done my healing and live in the higher Celestial spheres, but you will continue to cause great harm to yourself, and to your own soul’s growth and development. It will retard your ability to see the truth clearly as you imprison your mind with such false belief. And remember that such beliefs, if they have been adopted when you were a child, will be deeply ingrained in you, and so it will take you a lot of hard work to completely divest yourself of them. I would advise you to ask the Mother and Father to help you to see the truth of why you have such a belief; ask with all the sincerity of your heart as you ask Them for Their Love, the Truth, and all other help.

They will show you why it is that you believe that I am something and someone I am not. And when you see the reasons for your belief you will be able to know for yourself that what I am saying is true.

I can only encourage you to look, and to *want* to look into yourself. By telling you, you are wrong to believe that I am something I am not, I can only hope to stir up deep buried feelings within you. And it will, if you have already begun to embark on doing your soul-healing and want to know the truth; these feelings, be they good or bad, will lead you deeper inside yourself, to the truth that lies hidden and 'dormant' in your soul.

I, being the 'Great Virgin Mother' (whom, as I said, I am not) that so many souls wish to believe and call out to for help and love, have become, and wrongly so, the substitute mother principle. These people who believe such false things really want a new mother. Deep inside them they are not happy with their own mother. If they were they would love her and not me. I am not to be loved as a replacement mother for all the lost and lonely children of Earth who were not loved by their own parents. I am not to be put in place of your own mother, to be made higher than her. If you do this then you are making a very big mistake because you will be hiding from yourself the real truth about how you – your soul, feels about your own mother.

To believe that I being Jesus' mother in some way elevates me to an even higher level than Jesus, presupposes that I am more wise and more all knowing than him, and that the Father – the Heavenly Father and I are closer than Jesus and the Father, which completely discounts any love that Joseph and I might have had for each other. It does not allow me any privacy; such beliefs are very invasive. Do you believe that I want to attend personally to each and every soul that cries out to me for help? And why aren't these souls crying out for their own mother's love? I ask you, where are such souls' mothers now? Why are these people and spirits not looking toward their own mother for such love? Just because you have become an adult does not mean that you are still not a child and have a parent. And if such people turned their focus on their mothers and went to them and begged them for love and help and comfort, all that they long, beg and pray to me for, it would very quickly become obvious to all involved as to the real truth that was underlying their relationship. There would be no love forthcoming and this is the truth you will have to accept one day.

And even if you try to justify that your belief in the Virgin Mother Mary is only a symbol for the Mother of all things, and even the Heavenly Mother of Jesus, then do not continue to delude yourself in such impersonal concepts because these will cause you equally if not more harm, than looking toward me as a person who can comfort you. If you entertain such beliefs then all you will be doing is restricting your own personal relationship with the Mother of All: the Divine and Heavenly Mother who is the true Holy One! She is the one who is always with you and can comfort you. However, as you will be told in messages to come, you will not be able to ask Her for help directly until you come to a reconciliation of the truth of how you are with your own human mother. And if you persist in keeping me between the truth of the relationship with your own mother, then you will also be keeping me and other things between any relationship you will be able to have with the Divine and Heavenly Mother.

And so I want to say again, PLEASE DO NOT WORSHIP ME! Think fondly of me, by all means, as a sister of yours in our Heavenly Parents kingdom. And even though I was the mother of Jesus of Nazareth, I was only a mother like all other mothers. I am an ascending soul of light and truth, just as you are. You have equally a specific role to play in Creation as I have, and if **you stay true to your soul's leadings by honouring all your feelings, you will enjoy the bounty of love that is destined for you to have.**

Try not to remove the focus from yourself, which should remain on you at all times, by calling out to me for my attention. I am not your mother, I cannot be. And by minding your own business, you will not

make the pain you feel in your own heart caused by the rejection of love from your own mother persist in robbing you of any good and joyous feelings of love.

There is a real and true mother of Jesus, the Divine Mother of all Creation. She is his mother and my role in the affairs of flesh and blood are well and truly over. And so I will say again, please do not worship me or idolise me or dream of me or make me the subject of your fantasies any longer. Allow me as a belief to die within you so that you move on in your life and make room in your heart for the ones who really should be there.

I have no healing abilities other than that which comes as a natural attribute of my soul dependant on the level of love and truth that I am living. And my healing of any soul – even though I have never done such a thing – is not up to me. That is the Mother and Father’s business, not mine. It is to Them and Them only you should direct your prayers, and it will only be through the invocation of Their Divine Love that you will be healed. You have to accept full responsibility for your whole unloved negative self. I will not and cannot come and interfere in your soul’s development in the hope of furthering my own self greatness by healing the sick and loving the poor.

I have very little now to do with Earth or spirits whom are not of the Celestial level of love. My soul is progressing as I obtain more of my Heavenly Parents’ Divine Love. I have before me my eternal destiny and everyday with my soul-partner (whom is not Joseph) I am endeavouring to continue my ascent of truth. I have only come today to speak with you James because Mary asked me to. And now having said enough I will return to my home. Thank you for writing my message, and I truly hope that it can be of some help.

Good-bye, Mary, one time but now long ago, mother to Jesus the man.

Ask a ‘canonised saint’ now in the Celestial Heavens what they think of having ‘sainthood’ title bestowed upon them. Both Mother Mary and Sister Mary MacKillop have written about the impost. Mary MacKillop, Australian, was at first flattered but then the barrage of requests from those in the physical came flooding in and the absurdity became self-apparent. The mother of Jesus of Nazareth was a normal mother having conceived Jesus in the normal manner, was never aware of his specialness until at least the time of his public ministry. Mother Mary had to heal herself in the same way as we all will. She could do nothing about all the petitions that flooded her for 2,000 years. Now she has progressed beyond the Celestial Heavens and out through our local universe of Nebadon she cannot hear these petitions, let alone do anything about them. The ladies and gentlemen with their rosary beads can now put them away – forever!

### **Celestial Heaven:**

The Celestial Heaven relating to Earth, consists of three spheres, Jerusem is the home city of the first of these spirit worlds. Those who have completed their soul healing and transition becoming at one with our Heavenly Parents arrive upon the Sea of Glass on this world from amongst 1,000 physical worlds. Humanity from Earth is only one of one thousand worlds that progress through our Celestial Heavens. Within our system of Satania, there are 1,000 inhabitable worlds of which 619 are inhabited and Earth is number 606 within Satania – Earth being a young world on the outskirts of Satania on the outer regions of our local universe of Nebadon.

Those who have been involved in Jesus and Mary’s engagement with Earth, particularly during the first century, have recently moved on beyond the Celestial Heavens thus disengaging with any involvement with

Earth. That is particularly the case for Mary, Jesus' mother. She is no longer even within our local universe of Nebadon and is now un-contactable. You can retire your Rosary Beads as Mother Mary can no longer hear you. Similarly for all the 'saints' and most Apostles. Our first parents, Andon and Fonta, have also moved on through and out of Nebadon. The five ladies that Mary Magdalene assisted while here on Earth were in the first soul group to leave Nebadon. Those now within the Celestial Heavens are those who have arrived over the past 100 years or so, they will continue to be involved with Earth for the next 1,000 years as they are to be responsible for the emerging Spiritual Age that will follow on from the release of the Spirits of Truth of the Avonal Pair.

### **Summation by Zarina, an Angel:**

'Humanity long ago was interrupted in its natural spirit growth by higher spirits that were overseeing its development who decided they knew better than God. They rebelled – Fell – and corrupted people on Earth into believing the same thing. And so we're all born into the world in a fallen or corrupted state. And mostly we live that by denying many of our feelings based on how our parents treated us.

'And our Healing is the ending of that corruption, healing ourselves of the Fall, of being wrong, evil, bad, untrue, whatever you want to call it, which involves allowing yourself to use your feelings to uncover their truth, which is the truth of yourself. Really, if we want to spiritually grow, we are to use our feelings and not our mind like most people have wrongly been led to believe – that all being part of the denial of the truth that comes naturally from our feelings, which is part of our corruption.

'There is life on other planets, however we won't have anything to do with them. We're quarantined here on Earth because of the Fall, so it's just us people and all nature about us, and that's more than enough. And because we're all going in the wrong direction, so we've got a lot of healing to do, a long way to come back to being the natural people we should be. And we need to do all that ourselves, so without interference from people from other planets.'

Sage 3 – Zarina by James Moncrief

The experience, guidance, and support we require is now openly available to all of humanity. The structures and pathways have now been created. We now have the opportunity to heal ourselves, and through our healing, our soul based feelings and natural intelligence will increasingly be self-expressing, thus opening the way to higher standards of living. Eventually this will lead to the interaction with life on other planets. Until humanity heals itself, we are living on a probationary world that will remain quarantined while we find our true selves through living Feelings First.

Zarria, an Angel, Sunday, 13 March 2022: Because the Mother and Father, along with Mary Magdalene and Jesus, wanted humanity in its gross evilness to use and abuse Them, to use and abuse all the truth Mary Magdalene and Jesus revealed, which has been what's happened these past two thousand years, all of what has resulted in your 'advanced' civilisation and all the distorted power and control of the few over the many you're living with. The way humanity has been living the Rebellion without the Law of Compensation was to be allowed to come to a head, for it to be fully outworked, which took all of these two hundred thousand years, and with the capstone being the wholesale denial of Mary and Jesus which has resulted in the absurdity of the Christian Church along with the other meaningless religions. It's been the Christian world that represented using and abusing Mary Magdalene and Jesus (soul partners and equals) the most, and which has led the world to be as it is now, by allowing the Jews to control the Christians and so manipulate the whole world. The Jews killed Jesus and forced Mary to remain a non-event, and they have then manipulated the Christian religions for their own ends, further controlling Jesus and Mary in a sense. Which they've been able to do because the Christian Churches are so false and absurd. Make a parody of a religion that says it honours Jesus (Mary is not even given a look in, put Jesus' Mother in her place), distort all Jesus

said whilst claiming to be living true to what Jesus said, and then in such falseness, completely allow yourself to be dominated and controlled by the Jews, thereby bringing the world to the state it's currently in, and the End Times conclusion of these past two thousand years of the Rebellion.

And so now that 'version' or manifestation of the Rebellion, which at its end includes the complete abuse of Mary and Jesus, is to end, and with another version, that which is actually truer to the Rebellion and Default, to be instigated by earthing the Law of Compensation. Mary and Jesus upon their deaths caused the Divine Minister to activate the Law of Compensation in the Mansion Worlds, so those worlds have had two thousand years expressing their rebelliousness more truly under the umbrella of it. Prior to Mary and Jesus, how the Mansion World spirits conducted themselves, was in the same way as people are conducting themselves currently on Earth, so the Mansion Worlds were structured more along the lines of power spirits controlling the masses, but Mary and Jesus changed that into how it is now. And so you James and Marion are to change the Earth bringing into alignment with the Mansion Worlds.

## LAW OF COMPENSATION

**WE have been DECEIVED through the imposition of FANTASIES, and thus we stagnate:**

We have been provided with the opportunity to experience what is being 'evil', to live denying our Natural love, as seen through the denial of many of our feelings. So we here on planet Earth live on a world that has Rebelled (and then also Defaulted), of which there are only 37 humanities in rebellion, all being within the system of Satania which is within our local universe of Nebadon, consisting of 3,840,101 inhabited physical worlds under the co-regency of Mary Magdalene and Jesus (soul partners) – the spiritual parents of truth of all of Nebadon! And we assassinated Jesus, and completely denied Mary Magdalene not allowing her to have her say about the truth.

As a consequence, we are 'detuned' from our Natural love state and divine origin. You could say we arrived with all parts functional, however, in our untrue, dysfunctional and distorted state, we're badly in need of a severe service, tune up or a complete reconditioning. Our goal being to bring our true self to the fore by doing our Feeling Healing, and then to progress beyond our Natural love state by further advancing our soul condition through the process of Soul Healing and receiving our Parents' Divine Love – thus becoming divine.

While we may be worshipping Mother Mary, the physical mother of Jesus of Nazareth and ignoring Mary of Magdalene, Jesus' soul partner and true equal as they are the Creator Daughter and Son, the co-regents of our local universe of Nebadon, we are continuing to reject the Spirits of Truth of both Jesus and Mary Magdalene, thus we are rejecting their truth, love and guidance. While we are rejecting one of the soul partners we are rejecting both – we cannot be assisted by either!

Naming institutions here on Earth and presenting Mother Mary ahead of Mary Magdalene is a gross error and distortion of truth for all involved.

During the 2,000 year era of Jesus and Mary Magdalene's direct involvement with Earth, we have lived our lives embracing a fantasy Jesus and ignored Mary Magdalene. This has caused all involved great harm. We are presently in the End Times of their direct association with humanity of Earth.

We are about to live through the handover of Earth's humanity to the Avonal Pair who are presently here in the physical on Earth. The Avonal Daughter and Son are also from Paradise and like the Creator Daughter and Son, they will also release their Spirits of Truth following their physical deaths.

It will be through the Spirits of Truth of the Avonal Pair that we will be assisted with our Feeling Healing, and as we embrace Divine Love, then our Soul Healing. It is the Avonal Pair that will guide and assist us through the spirit Mansion World conditions whilst we live here in the physical on Earth as well as through the seven spirit Mansion Worlds and into and through the first of the three Celestial Heavens.

Following on from the first three Celestial Heavens, it is the Spirits of Truth of the Creator Daughter and Son that will assist and guide us through and out of our local universe of Nebadon.

Then it is our Heavenly Mother and Father that will assist and guide us all the way to and into Paradise.

Thus we are to embrace both of the Avonal Pair, both of the Creator Daughter and Son, and both of our Heavenly Mother and Father to be able to progress and find our way to Paradise. We cannot progress by embracing one and ignoring or rejecting either or the other.

## THE URANTIA BOOK Paper 99

### The Social Problems of Religion

(1086.1) 99:0.1 RELIGION achieves its highest social ministry when it has least connection with the secular institutions of society. (Members of a secular institute society attempt to attain Christian perfection through the practice of poverty, chastity (celibacy), and obedience and to carry out the work of the church while “living in and of the world.”) In past ages, since social reforms were largely confined to the moral realms, religion did not have to adjust its attitude to extensive changes in economic and political systems. The chief problem of religion was the endeavour to replace evil with good within the existing social order of political and economic culture. Religion has thus indirectly tended to perpetuate the established order of society, to foster the maintenance of the existent type of civilization.

(1086.2) 99:0.2 But religion should not be directly concerned either with the creation of new social orders or with the preservation of old ones. True religion does oppose violence as a technique of social evolution, but it does not oppose the intelligent efforts of society to adapt its usages and adjust its institutions to new economic conditions and cultural requirements.

(1086.3) 99:0.3 Religion did approve the occasional social reforms of past centuries, but in the twentieth century it is of necessity called upon to face adjustment to extensive and continuing social reconstruction. Conditions of living alter so rapidly that institutional modifications must be greatly accelerated, and religion must accordingly quicken its adaptation to this new and ever-changing social order.

#### *1. Religion and Social Reconstruction*

(1086.4) 99:1.1 Mechanical inventions and the dissemination of knowledge are modifying civilization; certain economic adjustments and social changes are imperative if cultural disaster is to be avoided. This new and oncoming social order will not settle down complacently for a millennium (a period of a thousand years). The human race must become reconciled to a procession of changes, adjustments, and readjustments. Mankind is on the march toward a new and unrevealed planetary destiny.

(1086.5) 99:1.2 Religion must become a forceful influence for moral stability and spiritual progression functioning dynamically in the midst of these ever-changing conditions and never-ending economic adjustments.

(1086.6) 99:1.3 Urantia (Earth) society can never hope to settle down as in past ages. The social ship has steamed out of the sheltered bays of established tradition and has begun its cruise upon the high seas of evolutionary destiny; and the soul of man, as never before in the world’s history, needs carefully to scrutinise its charts of morality and painstakingly to observe the compass of religious guidance. The paramount mission of religion as a social influence is to stabilise the ideals of mankind during these dangerous times of transition from one phase of civilization to another, from one level of culture to another.

(1087.1) 99:1.4 Religion has no new duties to perform, but it is urgently called upon to function as a wise guide and experienced counsellor in all of these new and rapidly changing human situations. Society is becoming more mechanical, more compact, more complex, and more critically interdependent. Religion must function to prevent these new and intimate inter-associations from becoming mutually retrogressive or even destructive. Religion must act as the cosmic salt which prevents the ferments of progression from destroying the cultural savour of civilization. These new social relations and economic upheavals can result in lasting brotherhood only by the ministry of religion.

(1087.2) 99:1.5 A godless humanitarianism is, humanly speaking, a noble gesture, but true religion is the only power which can lastingly increase the responsiveness of one social group to the needs and sufferings of other groups. In the past, institutional religion could remain passive while the upper strata of society turned a deaf ear to the sufferings and oppression of the helpless lower strata, but in modern times these lower social orders are no longer so abjectly ignorant nor so politically helpless.

(1087.3) 99:1.6 Religion must not become organically involved in the secular work of social reconstruction and economic reorganization. But it must actively keep pace with all these advances in civilization by making clear-cut and vigorous restatements of its moral mandates and spiritual precepts, its progressive philosophy of human living and transcendent survival. The spirit of religion is eternal, but the form of its expression must be restated every time the dictionary of human language is revised.

## *2. Weakness of Institutional Religion*

(1087.4) 99:2.1 Institutional religion cannot afford inspiration and provide leadership in this impending world-wide social reconstruction and economic reorganization because it has unfortunately become more or less of an organic part of the social order and the economic system which is destined to undergo reconstruction. Only the real religion of personal spiritual experience can function helpfully and creatively in the present crisis of civilization.

(1087.5) 99:2.2 Institutional religion is now caught in the stalemate of a vicious circle. It cannot reconstruct society without first reconstructing itself; and being so much an integral part of the established order, it cannot reconstruct itself until society has been radically reconstructed.

(1087.6) 99:2.3 Religionists must function in society, in industry, and in politics as individuals, not as groups, parties, or institutions. A religious group which presumes to function as such, apart from religious activities, immediately becomes a political party, an economic organisation, or a social institution. Religious collectivism must confine its efforts to the furtherance of religious causes.

(1087.7) 99:2.4 Religionists are of no more value in the tasks of social reconstruction than non-religionists except in so far as their religion has conferred upon them enhanced cosmic foresight and endowed them with that superior social wisdom which is born of the sincere desire to love God supremely and to love every man as a brother in the heavenly kingdom. An ideal social order is that in which every man loves his neighbour as he loves himself.

(1087.8) 99:2.5 The institutionalised church may have appeared to serve society in the past by glorifying the established political and economic orders, but it must speedily cease such action if it is to survive. Its only proper attitude consists in the teaching of nonviolence, the doctrine of peaceful evolution in the place of violent revolution — peace on earth and good will among all men.

(1088.1) 99:2.6 Modern religion finds it difficult to adjust its attitude toward the rapidly shifting social changes only because it has permitted itself to become so thoroughly traditionalised, dogmatised, and institutionalised. The religion of living experience finds no difficulty in keeping ahead of all these social developments and economic upheavals, amid which it ever functions as a moral stabiliser, social guide, and spiritual pilot. True religion carries over from one age to another the worth-while culture and that wisdom which is born of the experience of knowing God and striving to be like him.

## *3. Religion and the Religionist*

(1088.2) 99:3.1 Early Christianity was entirely free from all civil entanglements, social commitments, and economic alliances. Only did later institutionalised Christianity become an organic part of the political and social structure of Occidental (relating to the countries of the West) civilisation.

(1088.3) 99:3.2 The Kingdom of Heaven is neither a social nor economic order; it is an exclusively spiritual brotherhood of God-knowing individuals. True, such a brotherhood is in itself a new and amazing social phenomenon attended by astounding political and economic repercussions.

(1088.4) 99:3.3 The religionist is not unsympathetic with social suffering, not unmindful of civil injustice, not insulated from economic thinking, neither insensible to political tyranny. Religion influences social reconstruction directly because it spiritualises and idealises the individual citizen. Indirectly, cultural civilisation is influenced by the attitude of these individual religionists as they become active and influential members of various social, moral, economic, and political groups.

(1088.5) 99:3.4 The attainment of a high cultural civilisation demands, first, the ideal type of citizen and, then, ideal and adequate social mechanisms wherewith such a citizenry may control the economic and political institutions of such an advanced human society.

(1088.6) 99:3.5 The church, because of overmuch false sentiment, has long ministered to the underprivileged and the unfortunate, and this has all been well, but this same sentiment has led to the unwise perpetuation of racially degenerate stocks which have tremendously retarded the progress of civilization.

(1088.7) 99:3.6 Many individual social reconstructionists, while vehemently repudiating institutionalised religion, are, after all, zealously religious in the propagation of their social reforms. And so it is that religious motivation, personal and more or less unrecognised, is playing a great part in the present-day program of social reconstruction.

(1088.8) 99:3.7 The great weakness of all this unrecognised and unconscious type of religious activity is that it is unable to profit from open religious criticism and thereby attain to profitable levels of self-correction. It is a fact that religion does not grow unless it is disciplined by constructive criticism, amplified by philosophy, purified by science, and nourished by loyal fellowship.

(1088.9) 99:3.8 There is always the great danger that religion will become distorted and perverted into the pursuit of false goals, as when in times of war each contending nation prostitutes its religion into military propaganda. Loveless zeal is always harmful to religion, while persecution diverts the activities of religion into the achievement of some sociologic or theological drive.

(1089.1) 99:3.9 Religion can be kept free from unholy secular alliances only by:

(1089.2) 99:3.10 1. A critically corrective philosophy.

(1089.3) 99:3.11 2. Freedom from all social, economic, and political alliances.

(1089.4) 99:3.12 3. Creative, comforting, and love-expanding fellowships.

(1089.5) 99:3.13 4. Progressive enhancement of spiritual insight and the appreciation of cosmic values.

(1089.6) 99:3.14 5. Prevention of fanaticism by the compensations of the scientific mental attitude.

(1089.7) 99:3.15 Religionists, as a group, must never concern themselves with anything but *religion*, albeit any one such religionist, as an individual citizen, may become the outstanding leader of some social, economic, or political reconstruction movement.

(1089.8) 99:3.16 It is the business of religion to create, sustain, and inspire such a cosmic loyalty in the individual citizen as will direct him to the achievement of success in the advancement of all these difficult but desirable social services.

#### 4. *Transition Difficulties*

(1089.9) 99:4.1 Genuine religion renders the religionist socially fragrant and creates insights into human fellowship. But the formalisation of religious groups many times destroys the very values for the promotion of which the group was organised. Human friendship and divine religion are mutually helpful and significantly illuminating if the growth in each is equalised and harmonised. Religion puts new meaning into all group associations — families, schools, and clubs. It imparts new values to play and exalts all true humour.

(1089.10) 99:4.2 Social leadership is transformed by spiritual insight; religion prevents all collective movements from losing sight of their true objectives. Together with children, religion is the great unifier of family life, provided it is a living and growing faith. Family life cannot be had without children; it can be lived without religion, but such a handicap enormously multiplies the difficulties of this intimate human association. During the early decades of the twentieth century (and now twenty first century), family life, next to personal religious experience, suffers most from the decadence consequent upon the transition from old religious loyalties to the emerging new meanings and values.

(1089.11) 99:4.3 True religion is a meaningful way of living dynamically face to face with the commonplace realities of everyday life. But if religion is to stimulate individual development of character and augment integration of personality, it must not be standardised. If it is to stimulate evaluation of experience and serve as a value-lure, it must not be stereotyped. If religion is to promote supreme loyalties, it must not be formalised.

(1089.12) 99:4.4 No matter what upheavals may attend the social and economic growth of civilisation, religion is genuine and worthwhile if it fosters in the individual an experience in which the sovereignty of truth, beauty, and goodness prevails, for such is the true spiritual concept of supreme reality. And through love and worship this becomes meaningful as fellowship with man (and woman) and sonship with God.

(1090.1) 99:4.5 After all, it is what one believes rather than what one knows that determines conduct and dominates personal performances. Purely factual knowledge exerts very little influence upon the average man unless it becomes emotionally activated. But the activation of religion is super-emotional, unifying the entire human experience on transcendent levels through contact with, and release of, spiritual energies in the mortal life.

(1090.2) 99:4.6 During the psychologically unsettled times of the twentieth (and twenty first) century, amid the economic upheavals, the moral crosscurrents, and the sociologic rip tides of the cyclonic transitions of a scientific era, thousands upon thousands of men and women have become humanly dislocated; they are anxious, restless, fearful, uncertain, and unsettled; as never before in the world's history they need the consolation and stabilisation of sound religion. In the face of unprecedented scientific achievement and mechanical development there is spiritual stagnation and philosophic chaos.

(1090.3) 99:4.7 There is no danger in religion's becoming more and more of a private matter — a personal experience — provided it does not lose its motivation for unselfish and loving social service. Religion has suffered from many secondary influences: sudden mixing of cultures, intermingling of creeds, diminution of ecclesiastical authority, changing of family life, together with urbanisation and mechanisation.

(1090.4) 99:4.8 Man's greatest spiritual jeopardy consists in partial progress, the predicament of unfinished growth: forsaking the evolutionary religions of fear without immediately grasping the revelatory religion of love. Modern science, particularly psychology, has weakened only those religions which are so largely dependent upon fear, superstition, and emotion.

(1090.5) 99:4.9 Transition is always accompanied by confusion, and there will be little tranquillity in the religious world until the great struggle between the three contending philosophies of religion is ended:

(1090.6) 99:4.10 1. The spiritistic belief (in a providential Deity) of many religions.

(1090.7) 99:4.11 2. The humanistic and idealistic belief of many philosophies.

(1090.8) 99:4.12 3. The mechanistic and naturalistic conceptions of many sciences.

(1090.9) 99:4.13 And these three partial approaches to the reality of the cosmos must eventually become harmonised by the revelatory presentation of religion, philosophy, and cosmology which portrays the triune existence of spirit, mind, and energy proceeding from the Trinity of Paradise and attaining time-space unification within the Deity of the Supreme.

### *5. Social Aspects of Religion*

(1090.10) 99:5.1 While religion is exclusively a personal spiritual experience — knowing God as a (Mother and) Father — the corollary of this experience — knowing man as a (sister and) brother — entails the adjustment of the self to other selves, and that involves the social or group aspect of religious life. Religion is first an inner or personal adjustment, and then it becomes a matter of social service or group adjustment. The fact of man's gregariousness perforce determines that religious groups will come into existence. What happens to these religious groups depends very much on intelligent leadership. In primitive society the religious group is not always very different from economic or political groups. Religion has always been a conservator of morals and a stabiliser of society. And this is still true, notwithstanding the contrary teaching of many modern socialists and humanists.

(1091.1) 99:5.2 Always keep in mind: True religion is to know God as your Father and man as your brother. Religion is not a slavish belief in threats of punishment or magical promises of future mystical rewards.

(1091.2) 99:5.3 The religion of Jesus is the most dynamic influence ever to activate the human race. Jesus shattered tradition, destroyed dogma, and called mankind to the achievement of its highest ideals in time and eternity — to be perfect, even as the (Mother and) Father in Heaven is perfect.

(1091.3) 99:5.4 Religion has little chance to function until the religious group becomes separated from all other groups — the social association of the spiritual membership of the Kingdom of Heaven.

(1091.4) 99:5.5 The doctrine of the total depravity of man destroyed much of the potential of religion for effecting social repercussions of an uplifting nature and of inspirational value. Jesus sought to restore man's dignity when he declared that all (women and) men are the children of God.

(1091.5) 99:5.6 Any religious belief which is effective in spiritualising the believer is certain to have powerful repercussions in the social life of such a religionist. Religious experience unflinchingly yields the "fruits of the spirit" in the daily life of the spirit-led mortal.

(1091.6) 99:5.7 Just as certainly as men share their religious beliefs, they create a religious group of some sort which eventually creates common goals. Someday religionists will get together and actually effect co-operation on the basis of unity of ideals and purposes rather than attempting to do so on the basis of psychological opinions and theological beliefs. Goals rather than creeds should unify religionists. Since true religion is a matter of personal spiritual experience, it is inevitable that each individual religionist must have his own and personal interpretation of the realisation of that spiritual experience. Let the term "faith" stand for the individual's relation to God rather than for the creedal formulation of what some

group of mortals have been able to agree upon as a common religious attitude. “Have you faith? Then have it to yourself.”

(1091.7) 99:5.8 That faith is concerned only with the grasp of ideal values is shown by the New Testament definition which declares that faith is the substance of things hoped for and the evidence of things not seen.

(1091.8) 99:5.9 Primitive man made little effort to put his religious convictions into words. His religion was danced out rather than thought out. Modern men have thought out many creeds and created many tests of religious faith. Future religionists must live out their religion, dedicate themselves to the wholehearted service of the brotherhood of man. It is high time that man had a religious experience so personal and so sublime that it could be realised and expressed only by **“feelings that lie too deep for words.”**

(1091.9) 99:5.10 Jesus did not require of his followers that they should periodically assemble and recite a form of words indicative of their common beliefs. He only ordained that they should gather together to actually *do something* — partake of the communal supper of the remembrance of his bestowal life on Urantia (Earth).

(1091.10) 99:5.11 What a mistake for Christians to make when, in presenting Christ as the supreme ideal of spiritual leadership, they dare to require God-conscious men and women to reject the historic leadership of the God-knowing men who have contributed to their particular national or racial illumination during past ages.

## 6. Institutional Religion

(1092.1) 99:6.1 Sectarianism is a disease of institutional religion, and dogmatism is an enslavement of the spiritual nature. It is far better to have a religion without a church than a church without religion. The religious turmoil of the twentieth (now twenty first) century does not, in and of itself, betoken spiritual decadence. Confusion goes before growth as well as before destruction. (**Sectarianism means** very strong support for the religious or political group that you are a member of, which can cause problems between different groups.)

(1092.2) 99:6.2 There is a real purpose in the socialisation of religion. It is the purpose of group religious activities to dramatise the loyalties of religion; to magnify the lures of truth, beauty, and goodness; to foster the attractions of supreme values; to enhance the service of unselfish fellowship; to glorify the potentials of family life; to promote religious education; to provide wise counsel and spiritual guidance; and to encourage group worship. And **all live religions encourage human friendship**, conserve morality, promote neighbourhood welfare, and facilitate the spread of the essential gospel of their respective messages of eternal salvation.

(1092.3) 99:6.3 But as religion becomes institutionalised, its power for good is curtailed, while the possibilities for evil are greatly multiplied. The dangers of formalised religion are: fixation of beliefs and crystallisation of sentiments; accumulation of vested interests with increase of secularisation; tendency to standardise and fossilise truth; diversion of religion from the service of God to the service of the church; inclination of leaders to become administrators instead of ministers; tendency to form sects and competitive divisions; establishment of oppressive ecclesiastical authority; creation of the aristocratic “chosen-people” attitude; fostering of false and exaggerated ideas of sacredness; the routinising of religion and the petrification of worship; tendency to venerate the past while ignoring present demands; failure to make up-to-date interpretations of religion; entanglement with functions of secular institutions; it creates the evil discrimination of religious castes; it becomes an intolerant judge of orthodoxy; it fails to hold the interest of adventurous youth and gradually loses the saving message of the gospel of eternal salvation.

(1092.4) 99:6.4 Formal religion restrains men in their personal spiritual activities instead of releasing them for heightened service as kingdom builders.

## *7. Religion's Contribution*

(1092.5) 99:7.1 Though churches and all other religious groups should stand aloof from all secular activities, at the same time religion must do nothing to hinder or retard the social co-ordination of human institutions. Life must continue to grow in meaningfulness; man must go on with his reformation of philosophy and his clarification of religion.

(1092.6) 99:7.2 Political science must effect the reconstruction of economics and industry by the techniques it learns from the social sciences and by the insights and motives supplied by religious living. In all social reconstruction religion provides a stabilising loyalty to a transcendent object, a steadying goal beyond and above the immediate and temporal objective. In the midst of the confusions of a rapidly changing environment mortal man needs the sustenance of a far-flung cosmic perspective.

(1093.1) 99:7.3 Religion inspires man to live courageously and joyfully on the face of the Earth; it joins patience with passion, insight to zeal, sympathy with power, and ideals with energy.

(1093.2) 99:7.4 Man can never wisely decide temporal issues or transcend the selfishness of personal interests unless he meditates in the presence of the sovereignty of God and reckons with the realities of divine meanings and spiritual values.

(1093.3) 99:7.5 Economic interdependence and social fraternity will ultimately conduce to brotherhood. Man is naturally a dreamer, but science is sobering him so that religion can presently activate him with far less danger of precipitating fanatical reactions. Economic necessities tie man up with reality, and personal religious experience brings this same man face to face with the eternal realities of an ever-expanding and progressing cosmic citizenship.

## **THE URANTIA BOOK** Paper 100 **Religion in Human Experience**

(1094.1) 100:0.1 THE experience of dynamic religious living transforms the mediocre individual into a personality of idealistic power. Religion ministers to the progress of all through fostering the progress of each individual, and the progress of each is augmented through the achievement of all.

(1094.2) 100:0.2 Spiritual growth is mutually stimulated by intimate association with other religionists. Love supplies the soil for religious growth — an objective lure in the place of subjective gratification — yet it yields the supreme subjective satisfaction. And religion ennobles the commonplace drudgery of daily living.

### *1. Religious Growth*

(1094.3) 100:1.1 While religion produces growth of meanings and enhancement of values, evil always results when purely personal evaluations are elevated to the levels of absolutes. A child evaluates experience in accordance with the content of pleasure; maturity is proportional to the substitution of higher meanings for personal pleasure, even loyalties to the highest concepts of diversified life situations and cosmic relations.

(1094.4) 100:1.2 Some persons are too busy to grow and are therefore in grave danger of spiritual fixation. Provision must be made for growth of meanings at differing ages, in successive cultures, and in the passing stages of advancing civilization. **The chief inhibitors of growth are prejudice and ignorance.**

(1094.5) 100:1.3 Give every developing child a chance to grow his own religious experience; do not force a ready-made adult experience upon him (or her). Remember, year-by-year progress through an established educational regime does not necessarily mean intellectual progress, much less spiritual growth. Enlargement of vocabulary does not signify development of character. Growth is not truly indicated by mere products but rather by progress. Real educational growth is indicated by enhancement of ideals, increased appreciation of values, new meanings of values, and augmented loyalty to supreme values.

(1094.6) 100:1.4 Children are permanently impressed only by the loyalties of their adult associates; precept or even example is not lastingly influential. Loyal persons are growing persons, and growth is an impressive and inspiring reality. Live loyally today — grow — and tomorrow will attend to itself. The quickest way for a tadpole to become a frog is to live loyally each moment as a tadpole.

(1094.7) 100:1.5 The soil essential for religious growth presupposes a progressive life of self-realisation, the co-ordination of natural propensities, the exercise of curiosity and the enjoyment of reasonable adventure, the experiencing of feelings of satisfaction, the functioning of the fear stimulus of attention and awareness, the wonder-lure, and a normal consciousness of smallness, humility. Growth is also predicated on the discovery of selfhood accompanied by self-criticism — conscience, for conscience is really the criticism of oneself by one's own value-habits, personal ideals.

(1095.1) 100:1.6 Religious experience is markedly influenced by physical health, inherited temperament, and social environment. But these temporal (relating to worldly as opposed to spiritual affairs) conditions do not inhibit inner spiritual progress by a soul dedicated to the doing of the will of the (Mother and) Father in Heaven. There are present in all normal mortals certain innate drives toward growth and self-realisation which function if they are not specifically inhibited. The certain technique of fostering this constitutive endowment of the potential of spiritual growth is to maintain an attitude of wholehearted devotion to supreme values.

(1095.2) 100:1.7 **Religion cannot be bestowed, received, loaned, learned, or lost. It is a personal experience which grows proportionally to the growing quest for final values.** Cosmic growth thus attends on the accumulation of meanings and the ever-expanding elevation of values. But nobility itself is always an unconscious growth.

(1095.3) 100:1.8 Religious habits of thinking and acting are contributory to the economy of spiritual growth. One can develop religious predispositions toward favourable reaction to spiritual stimuli, a sort of conditioned spiritual reflex. Habits which favour religious growth embrace cultivated sensitivity to divine values, recognition of religious living in others, reflective meditation on cosmic meanings, worshipful problem solving, sharing one's spiritual life with one's fellows, avoidance of selfishness, refusal to presume on divine mercy, living as in the presence of God. **The factors of religious growth may be intentional, but the growth itself is unvaryingly unconscious.**

(1095.4) 100:1.9 The unconscious nature of religious growth does not, however, signify that it is an activity functioning in the supposed subconscious realms of human intellect; rather does it signify creative activities in the superconscious levels of mortal mind. The experience of the realisation of the reality of unconscious religious growth is the one positive proof of the functional existence of the super-consciousness.

## 2. *Spiritual Growth*

(1095.5) 100:2.1 Spiritual development depends, first, on the maintenance of a living spiritual connection with true spiritual forces and, second, on the continuous bearing of spiritual fruit: yielding the ministry to one's fellows of that which has been received from one's spiritual benefactors. Spiritual progress is predicated on intellectual recognition of spiritual poverty coupled with the self-consciousness of perfection-hunger, the desire to know God and be like him (and her), the wholehearted purpose to do the will of the (Mother and) Father in Heaven.

(1095.6) 100:2.2 Spiritual growth is first an awakening to needs, next a discernment of meanings, and then a discovery of values. The evidence of true spiritual development consists in the exhibition of a human personality motivated by love, activated by unselfish ministry, and dominated by the wholehearted worship of the perfection ideals of divinity. And this entire experience constitutes the reality of religion as contrasted with mere theological beliefs.

(1095.7) 100:2.3 Religion can progress to that level of experience whereon it becomes an enlightened and wise technique of spiritual reaction to the universe. Such a glorified religion can function on three levels of human personality: the intellectual, the morontial, and the spiritual; upon the mind, in the evolving soul, and with the indwelling spirit. (Morontia refers to a **state of existence** or a level of reality that bridges the gap between the material and the spiritual planes.)

(1096.1) 100:2.4 Spirituality becomes at once the indicator of one's nearness to God and the measure of one's usefulness to fellow beings. Spirituality enhances the ability to discover beauty in things, recognise truth in meanings, and discover goodness in values. Spiritual development is determined by capacity therefor and is directly proportional to the elimination of the selfish qualities of love.

(1096.2) 100:2.5 Actual spiritual status is the measure of Deity attainment, Adjuster attunement. The achievement of finality of spirituality is equivalent to the attainment of the maximum of reality, the maximum of Godlikeness. Eternal life is the endless quest for infinite values.

(1096.3) 100:2.6 The goal of human self-realisation should be spiritual, not material. The only realities worth striving for are divine, spiritual, and eternal. Mortal man is entitled to the enjoyment of physical pleasures and to the satisfaction of human affections; he is benefited by loyalty to human associations and temporal institutions; but these are not the eternal foundations upon which to build the immortal personality which must transcend space, vanquish time, and achieve the eternal destiny of divine perfection and finaliter service.

(1096.4) 100:2.7 Jesus portrayed the profound surety of the God-knowing mortal when he said: "To a God-knowing kingdom believer, what does it matter if all things earthly crash?" Temporal securities are vulnerable, but spiritual sureties are impregnable. When the flood tides of human adversity, selfishness, cruelty, hate, malice, and jealousy beat about the mortal soul, you may rest in the assurance that there is one inner bastion, the citadel of the spirit, which is absolutely unassailable; at least this is true of every human being who has dedicated the keeping of his soul to the indwelling spirit of the eternal God.

(1096.5) 100:2.8 After such spiritual attainment, whether secured by gradual growth or specific crisis, there occurs a new orientation of personality as well as the development of a new standard of values. Such spirit-born individuals are so remotivated in life that they can calmly stand by while their fondest ambitions perish and their keenest hopes crash; they positively know that such catastrophes are but the redirecting cataclysms which wreck one's temporal creations preliminary to the rearing of the more noble and enduring realities of a new and more sublime level of universe attainment.

### 3. Concepts of Supreme Value

(1096.6) 100:3.1 Religion is not a technique for attaining a static and blissful peace of mind; it is an impulse for organising the soul for dynamic service. It is the enlistment of the totality of selfhood in the loyal service of loving God and serving man. Religion pays any price essential to the attainment of the supreme goal, the eternal prize. There is a consecrated completeness in religious loyalty which is superbly sublime. And these loyalties are socially effective and spiritually progressive.

(1096.7) 100:3.2 To the religionist the word God becomes a symbol signifying the approach to supreme reality and the recognition of divine value. Human likes and dislikes do not determine good and evil; moral values do not grow out of wish fulfilment or emotional frustration.

(1096.8) 100:3.3 In the contemplation of values you must distinguish between that which *is* value and that which *has* value. You must recognise the relation between pleasurable activities and their meaningful integration and enhanced realisation on ever progressively higher and higher levels of human experience.

(1097.1) 100:3.4 Meaning is something which experience adds to value; it is the appreciative consciousness of values. An isolated and purely selfish pleasure may connote a virtual devaluation of meanings, a meaningless enjoyment bordering on relative evil. Values are experiential when realities are meaningful and mentally associated, when such relationships are recognised and appreciated by mind.

(1097.2) 100:3.5 Values can never be static; reality signifies change, growth. Change without growth, expansion of meaning and exaltation of value, is valueless — is potential evil. The greater the quality of cosmic adaptation, the more of meaning any experience possesses. Values are not conceptual illusions; they are real, but always they depend on the fact of relationships. Values are always both actual and potential — not what was, but what is and is to be.

(1097.3) 100:3.6 The association of actuals and potentials equals growth, the experiential realisation of values. But growth is not mere progress. Progress is always meaningful, but it is relatively valueless without growth. The supreme value of human life consists in growth of values, progress in meanings, and realisation of the cosmic interrelatedness of both of these experiences. And such an experience is the equivalent of God-consciousness. Such a mortal, while not supernatural, is truly becoming superhuman; an immortal soul is evolving.

(1097.4) 100:3.7 Man cannot cause growth, but he can supply favourable conditions. Growth is always unconscious, be it physical, intellectual, or spiritual. Love thus grows; it cannot be created, manufactured, or purchased; it must grow. Evolution is a cosmic technique of growth. Social growth cannot be secured by legislation, and moral growth is not had by improved administration. Man may manufacture a machine, but its real value must be derived from human culture and personal appreciation. Man's sole contribution to growth is the mobilisation of the total powers of his personality — living faith.

### 4. Problems of Growth

(1097.5) 100:4.1 Religious living is devoted living, and devoted living is creative living, original and spontaneous. New religious insights arise out of conflicts which initiate the choosing of new and better reaction habits in the place of older and inferior reaction patterns. New meanings only emerge amid conflict; and conflict persists only in the face of refusal to espouse the higher values connoted in superior meanings.

(1097.6) 100:4.2 Religious perplexities are inevitable; there can be no growth without psychic conflict and spiritual agitation. The organisation of a philosophic standard of living entails considerable commotion in the philosophic realms of the mind. Loyalties are not exercised in behalf of the great, the good, the true,

and the noble without a struggle. Effort is attendant upon clarification of spiritual vision and enhancement of cosmic insight. And the human intellect protests against being weaned from subsisting upon the nonspiritual energies of temporal existence. The slothful animal mind rebels at the effort required to wrestle with cosmic problem solving.

(1097.7) 100:4.3 But the great problem of religious living consists in the task of unifying the soul powers of the personality by the dominance of LOVE. Health, mental efficiency, and happiness arise from the unification of physical systems, mind systems, and spirit systems. Of health and sanity man understands much, but of happiness he has truly realised very little. **The highest happiness is indissolubly linked with spiritual progress. Spiritual growth yields lasting joy, peace which passes all understanding.**

(1098.1) 100:4.4 In physical life the senses tell of the existence of things; mind discovers the reality of meanings; but the spiritual experience reveals to the individual the true values of life. These high levels of human living are attained in the supreme love of God and in the unselfish love of man. If you love your fellow men, you must have discovered their values. Jesus loved men so much because he placed such a high value upon them. You can best discover values in your associates by discovering their motivation. **If someone irritates you, causes feelings of resentment, you should sympathetically seek to discern his viewpoint, his reasons for such objectionable conduct.** If once you understand your neighbour, you will become tolerant, and this tolerance will grow into friendship and ripen into love.

(1098.2) 100:4.5 In the mind's eye conjure up a picture of one of your primitive ancestors of cave-dwelling times — a short, misshapen, filthy, snarling hulk of a man standing, legs spread, club upraised, breathing hate and animosity as he looks fiercely just ahead. Such a picture hardly depicts the divine dignity of man. But allow us to enlarge the picture. In front of this animated human crouches a sabre-toothed tiger. Behind him, a woman and two children. Immediately you recognise that such a picture stands for the beginnings of much that is fine and noble in the human race, but the man is the same in both pictures. Only, in the second sketch you are favoured with a widened horizon. You therein discern the motivation of this evolving mortal. His attitude becomes praiseworthy because you understand him. If you could only fathom the motives of your associates, how much better you would understand them. If you could only know your fellows, you would eventually fall in love with them.

(1098.3) 100:4.6 You cannot truly love your fellows by a mere act of the will. Love is only born of thoroughgoing understanding of your neighbour's motives and sentiments. It is not so important to love all men today as it is that each day you learn to love one more human being. If each day or each week you achieve an understanding of one more of your fellows, and if this is the limit of your ability, then you are certainly socialising and truly spiritualising your personality. Love is infectious, and when human devotion is intelligent and wise, love is more catching than hate. But only genuine and unselfish love is truly contagious. If each mortal could only become a focus of dynamic affection, this benign virus of love would soon pervade the sentimental emotion-stream of humanity to such an extent that all civilization would be encompassed by love, and that would be the realisation of the brotherhood of man.

## *5. Conversion and Mysticism*

(1098.4) 100:5.1 The world is filled with lost souls, not lost in the theological sense but lost in the directional meaning, wandering about in confusion among the isms and cults of a frustrated philosophic era. Too few have learned how to install a philosophy of living in the place of religious authority. (The symbols of socialised religion are not to be despised as channels of growth, albeit the river bed is not the river.)

(1098.5) 100:5.2 The progression of religious growth leads from stagnation through conflict to co-ordination, from insecurity to undoubting faith, from confusion of cosmic consciousness to unification of personality, from the temporal objective to the eternal, from the bondage of fear to the liberty of divine sonship.

(1099.1) 100:5.3 It should be made clear that professions of loyalty to the supreme ideals — the psychic, emotional, and spiritual awareness of God-consciousness — may be a natural and gradual growth or may sometimes be experienced at certain junctures, as in a crisis. The Apostle Paul experienced just such a sudden and spectacular conversion that eventful day on the Damascus road. Gautama Siddhartha had a similar experience the night he sat alone and sought to penetrate the mystery of final truth. Many others have had like experiences, and many true believers have progressed in the spirit without sudden conversion.

(1099.2) 100:5.4 Most of the spectacular phenomena associated with so-called religious conversions are entirely psychologic in nature, but now and then there do occur experiences which are also spiritual in origin. When the mental mobilisation is absolutely total on any level of the psychic up-reach toward spirit attainment, when there exists perfection of the human motivation of loyalties to the divine idea, then there very often occurs a sudden down-grasp of the indwelling spirit to synchronise with the concentrated and consecrated purpose of the superconscious mind of the believing mortal. And it is such experiences of unified intellectual and spiritual phenomena that constitute the conversion which consists in factors over and above purely psychologic involvement.

(1099.3) 100:5.5 But emotion alone is a false conversion; one must have faith as well as feeling. To the extent that such psychic mobilisation is partial, and in so far as such human-loyalty motivation is incomplete, to that extent will the experience of conversion be a blended intellectual, emotional, and spiritual reality.

(1099.4) 100:5.6 If one is disposed to recognise a theoretical subconscious mind as a practical working hypothesis in the otherwise unified intellectual life, then, to be consistent, one should postulate a similar and corresponding realm of ascending intellectual activity as the superconscious level, the zone of immediate contact with the indwelling spirit entity, the Thought Adjuster. The great danger in all these psychic speculations is that visions and other so-called mystic experiences, along with extraordinary dreams, may be regarded as divine communications to the human mind. In times past, divine beings have revealed themselves to certain God-knowing persons, not because of their mystic trances or morbid visions, but in spite of all these phenomena.

(1099.5) 100:5.7 In contrast with conversion-seeking, the better approach to the morontia zones of possible contact with the Thought Adjuster would be through living faith and sincere worship, wholehearted and unselfish prayer. Altogether too much of the uprush of the memories of the unconscious levels of the human mind has been mistaken for divine revelations and spirit leadings.

(1099.6) 100:5.8 There is great danger associated with the habitual practice of religious daydreaming; mysticism may become a technique of reality avoidance, albeit it has sometimes been a means of genuine spiritual communion. Short seasons of retreat from the busy scenes of life may not be seriously dangerous, but prolonged isolation of personality is most undesirable. Under no circumstances should the trancelike state of visionary consciousness be cultivated as a religious experience.

(1099.7) 100:5.9 The characteristics of the mystical state are diffusion of consciousness with vivid islands of focal attention operating on a comparatively passive intellect. All of this gravitates consciousness toward the subconscious rather than in the direction of the zone of spiritual contact, the superconscious. Many mystics have carried their mental dissociation to the level of abnormal mental manifestations.

(1100.1) 100:5.10 The more healthful attitude of spiritual meditation is to be found in reflective worship and in the prayer of thanksgiving. The direct communion with one's Thought Adjuster, such as occurred in the later years of Jesus' life in the flesh, should not be confused with these so-called mystical experiences. The factors which contribute to the initiation of mystic communion are indicative of the danger of such psychic states. The mystic status is favoured by such things as: physical fatigue, fasting, psychic dissociation, profound aesthetic experiences, vivid sex impulses, fear, anxiety, rage, and wild dancing.

Much of the material arising as a result of such preliminary preparation has its origin in the subconscious mind.

(1100.2) 100:5.11 However favourable may have been the conditions for mystic phenomena, it should be clearly understood that Jesus of Nazareth never resorted to such methods for communion with the Paradise (Mother and) Father. Jesus had no subconscious delusions or superconscious illusions.

## *6. Marks of Religious Living*

(1100.3) 100:6.1 Evolutionary religions and revelatory religions may differ markedly in method, but in motive there is great similarity. **Religion is not a specific function of life; rather is it a mode of living.** True religion is a wholehearted devotion to some reality which the religionist deems to be of supreme value to himself and for all mankind. And the outstanding characteristics of all religions are: unquestioning loyalty and wholehearted devotion to supreme values. This religious devotion to supreme values is shown in the relation of the supposedly irreligious mother to her child and in the fervent loyalty of non-religionists to an espoused cause.

(1100.4) 100:6.2 The accepted supreme value of the religionist may be base or even false, but it is nevertheless religious. A religion is genuine to just the extent that the value which is held to be supreme is truly a cosmic reality of genuine spiritual worth.

(1100.5) 100:6.3 The marks of human response to the religious impulse embrace the qualities of nobility and grandeur. The sincere religionist is conscious of universe citizenship and is aware of making contact with sources of superhuman power. He is thrilled and energised with the assurance of belonging to a superior and ennobled fellowship of the (daughter and) sons of God. The consciousness of self-worth has become augmented by the stimulus of the quest for the highest universe objectives — supreme goals.

(1100.6) 100:6.4 The self has surrendered to the intriguing drive of an all-encompassing motivation which imposes heightened self-discipline, lessens emotional conflict, and makes mortal life truly worth living. The morbid recognition of human limitations is changed to the natural consciousness of mortal shortcomings, associated with moral determination and spiritual aspiration to attain the highest universe and superuniverse goals. And this intense striving for the attainment of super-mortal ideals is always characterised by increasing patience, forbearance, fortitude, and tolerance.

(1100.7) 100:6.5 But true religion is a living love, a life of service. The religionist's detachment from much that is purely temporal and trivial never leads to social isolation, and it should not destroy the sense of humour. Genuine religion takes nothing away from human existence, but it does add new meanings to all of life; it generates new types of enthusiasm, zeal, and courage. It may even engender the spirit of the crusader, which is more than dangerous if not controlled by spiritual insight and loyal devotion to the commonplace social obligations of human loyalties.

(1101.1) 100:6.6 One of the most amazing earmarks of religious living is that dynamic and sublime peace, that peace which passes all human understanding, that cosmic poise which betokens the absence of all doubt and turmoil. Such levels of spiritual stability are immune to disappointment. Such religionists are like the Apostle Paul, who said: "I am persuaded that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, nor height, nor depth, nor anything else shall be able to separate us from the love of God."

(1101.2) 100:6.7 There is a sense of security, associated with the realisation of triumphing glory, resident in the consciousness of the religionist who has grasped the reality of the Supreme, and who pursues the goal of the Ultimate.

(1101.3) 100:6.8 Even evolutionary religion is all of this in loyalty and grandeur because it is a genuine experience. **But revelatory religion is excellent as well as genuine.** The new loyalties of enlarged spiritual vision create new levels of love and devotion, of service and fellowship; and all this enhanced social outlook produces an enlarged consciousness of the (Motherhood and) Fatherhood of God and the (sisterhood and) brotherhood of man.

(1101.4) 100:6.9 The characteristic difference between evolved and revealed religion is a new quality of divine wisdom which is added to purely experiential human wisdom. But it is experience in and with the human religions that develops the capacity for subsequent reception of increased bestowals of divine wisdom and cosmic insight.

### *7. The Acme of Religious Living*

(1101.5) 100:7.1 Although the average mortal of Urantia (Earth) cannot hope to attain the high perfection of character which Jesus of Nazareth acquired while sojourning in the flesh, it is altogether possible for every mortal believer to develop a strong and unified personality along the perfected lines of the Jesus personality. The unique feature of the Master's personality was not so much its perfection as its symmetry, its exquisite and balanced unification. The most effective presentation of Jesus consists in following the example of the one who said, as he gestured toward the Master standing before his accusers, "Behold the man!"

(1101.6) 100:7.2 The unfailing kindness of Jesus touched the hearts of men, but his stalwart strength of character amazed his followers. He was truly sincere; there was nothing of the hypocrite in him. He was free from affectation; he was always so refreshingly genuine. He never stooped to pretence, and he never resorted to shamming (falsely present something as truth). He lived the truth, even as he taught it. He was the truth. He was constrained to proclaim saving truth to his generation, even though such sincerity sometimes caused pain. He was unquestioningly loyal to all truth.

(1101.7) 100:7.3 But the Master was so reasonable, so approachable. He was so practical in all his ministry, while all his plans were characterised by such sanctified common sense. He was so free from all freakish, erratic, and eccentric tendencies. He was never capricious, whimsical, or hysterical. In all his teaching and in everything he did there was always an exquisite discrimination associated with an extraordinary sense of propriety.

(1102.1) 100:7.4 The Son of Man was always a well-poised personality. Even his enemies maintained a wholesome respect for him; they even feared his presence. Jesus was unafraid. He was surcharged with divine enthusiasm, but he never became fanatical. He was emotionally active but never flighty. He was imaginative but always practical. He frankly faced the realities of life, but he was never dull or prosaic. He was courageous but never reckless; prudent but never cowardly. He was sympathetic but not sentimental; unique but not eccentric. He was pious but not sanctimonious. And he was so well-poised because he was so perfectly unified.

(1102.2) 100:7.5 Jesus' originality was unstifled. He was not bound by tradition or handicapped by enslavement to narrow conventionality. He spoke with undoubted confidence and taught with absolute authority. But his superb originality did not cause him to overlook the gems of truth in the teachings of his predecessors and contemporaries. And the most original of his teachings was the emphasis of love and mercy in the place of fear and sacrifice.

(1102.3) 100:7.6 Jesus was very broad in his outlook. He exhorted his followers to preach the gospel to all peoples. He was free from all narrow-mindedness. His sympathetic heart embraced all mankind, even a universe. Always his invitation was, "Whosoever will, let him come."

(1102.4) 100:7.7 Of Jesus it was truly said, “He trusted God.” As a man among men he most sublimely trusted the (Mother and) Father in heaven. He trusted his (Mother and) Father as a little child trusts his earthly parent(s). His faith was perfect but never presumptuous. No matter how cruel nature might appear to be or how indifferent to man’s welfare on Earth, Jesus never faltered in his faith. He was immune to disappointment and impervious to persecution. He was untouched by apparent failure.

(1102.5) 100:7.8 He loved men as brothers, at the same time recognising how they differed in innate endowments and acquired qualities. “He went about doing good.”

(1102.6) 100:7.9 Jesus was an unusually cheerful person, but he was not a blind and unreasoning optimist. His constant word of exhortation was, “Be of good cheer.” He could maintain this confident attitude because of his unswerving trust in God and his unshakable confidence in man. He was always touchingly considerate of all men because he loved them and believed in them. Still he was always true to his convictions and magnificently firm in his devotion to the doing of his (Mother and) Father’s will.

(1102.7) 100:7.10 The Master was always generous. He never grew weary of saying, “It is more blessed to give than to receive.” Said he, “Freely you have received, freely give.” And yet, with all of his unbounded generosity, he was never wasteful or extravagant. He taught that you must believe to receive salvation. “For every one who seeks shall receive.”

(1102.8) 100:7.11 He was candid, but always kind. Said he, “If it were not so, I would have told you.” He was frank, but always friendly. He was outspoken in his love for the sinner and in his hatred for sin. But throughout all this amazing frankness he was unerringly fair.

(1102.9) 100:7.12 Jesus was consistently cheerful, notwithstanding he sometimes drank deeply of the cup of human sorrow. He fearlessly faced the realities of existence, yet was he filled with enthusiasm for the gospel of the kingdom. But he controlled his enthusiasm; it never controlled him. He was unreservedly dedicated to “the Father’s business.” This divine enthusiasm led his unspiritual brethren to think he was beside himself, but the onlooking universe appraised him as the model of sanity and the pattern of supreme mortal devotion to the high standards of spiritual living. And his controlled enthusiasm was contagious; his associates were constrained to share his divine optimism.

(1103.1) 100:7.13 This man of Galilee was not a man of sorrows; he was a soul of gladness. Always was he saying, “Rejoice and be exceedingly glad.” But when duty required, he was willing to walk courageously through the “valley of the shadow of death.” He was gladsome but at the same time humble.

(1103.2) 100:7.14 His courage was equalled only by his patience. When pressed to act prematurely, he would only reply, “My hour has not yet come.” He was never in a hurry; his composure was sublime. But he was often indignant at evil, intolerant of sin. He was often mightily moved to resist that which was inimical to the welfare of his children on Earth. But his indignation against sin never led to anger at the sinner.

(1103.3) 100:7.15 His courage was magnificent, but he was never foolhardy. His watchword was, “Fear not.” His bravery was lofty and his courage often heroic. But his courage was linked with discretion and controlled by reason. It was courage born of faith, not the recklessness of blind presumption. He was truly brave but never audacious.

(1103.4) 100:7.16 The Master was a pattern of reverence. The prayer of even his youth began, “Our Father who is in heaven, hallowed be your name.” He was even respectful of the faulty worship of his fellows. But this did not deter him from making attacks on religious traditions or assaulting errors of human belief. He was reverential of true holiness, and yet he could justly appeal to his fellows, saying, “Who among you convicts me of sin?”

(1103.5) 100:7.17 Jesus was great because he was good, and yet he fraternised with the little children. He was gentle and unassuming in his personal life, and yet he was the perfected man of a universe. His associates called him Master unbidden.

(1103.6) 100:7.18 Jesus was the perfectly unified human personality. And today, as in Galilee, he continues to unify mortal experience and to co-ordinate human endeavours. He unifies life, ennobles character, and simplifies experience. He enters the human mind to elevate, transform, and transfigure it. It is literally true: "If any man has Christ Jesus within him, he is a new creature; old things are passing away; behold, all things are becoming new."

## THE URANTIA BOOK Paper 101

### The Real Nature of Religion

(1104.1) 101:0.1 RELIGION, as a human experience, ranges from the primitive fear slavery of the evolving savage up to the sublime and magnificent faith liberty of those civilized mortals who are superbly conscious of sonship with the eternal God.

(1104.2) 101:0.2 Religion is the ancestor of the advanced ethics and morals of progressive social evolution. But religion, as such, is not merely a moral movement, albeit the outward and social manifestations of religion are mightily influenced by the ethical and moral momentum of human society. Always is religion the inspiration of man's evolving nature, but it is not the secret of that evolution.

(1104.3) 101:0.3 Religion, the conviction-faith of the personality, can always triumph over the superficially contradictory logic of despair born in the unbelieving material mind. There really is a true and genuine inner voice, that "true light which lights every man who comes into the world." And this spirit leading is distinct from the ethical prompting of human conscience. The feeling of religious assurance is more than an emotional feeling. The assurance of religion transcends the reason of the mind, even the logic of philosophy. Religion *is* faith, trust, and assurance.

#### 1. True Religion

(1104.4) 101:1.1 True religion is not a system of philosophic belief which can be reasoned out and substantiated by natural proofs, neither is it a fantastic and mystic experience of indescribable feelings of ecstasy which can be enjoyed only by the romantic devotees of mysticism. Religion is not the product of reason, but viewed from within, it is altogether reasonable. Religion is not derived from the logic of human philosophy, but as a mortal experience it is altogether logical. Religion is the experiencing of divinity in the consciousness of a moral being of evolutionary origin; it represents true experience with eternal realities in time, the realization of spiritual satisfactions while yet in the flesh.

(1104.5) 101:1.2 The Thought Adjuster has no special mechanism through which to gain self-expression; there is no mystic religious faculty for the reception or expression of religious emotions. These experiences are made available through the naturally ordained mechanism of mortal mind. And therein lies one explanation of the Adjuster's difficulty in engaging in direct communication with the material mind of its constant indwelling.

(1104.6) 101:1.3 The divine spirit makes contact with mortal man, not by feelings or emotions, but in the realm of the highest and most spiritualized thinking. It is your *thoughts*, not your feelings, that lead you Godward. The divine nature may be perceived only with the eyes of the mind. But the mind that really

discerns God, hears the indwelling Adjuster, is the pure mind. “Without holiness no man may see the Lord.” All such inner and spiritual communion is termed spiritual insight. Such religious experiences result from the impress made upon the mind of man by the combined operations of the Adjuster and the Spirit of Truth as they function amid and upon the ideas, ideals, insights, and spirit strivings of the evolving sons of God.

(1105.1) 101:1.4 Religion lives and prospers, then, not by sight and feeling, but rather by faith and insight. It consists not in the discovery of new facts or in the finding of a unique experience, but rather in the discovery of new and spiritual *meanings* in facts already well known to mankind. The highest religious experience is not dependent on prior acts of belief, tradition, and authority; neither is religion the offspring of sublime feelings and purely mystical emotions. It is, rather, a profoundly deep and actual experience of spiritual communion with the spirit influences resident within the human mind, and as far as such an experience is definable in terms of psychology, it is simply the experience of experiencing the reality of believing in God as the reality of such a purely personal experience.

(1105.2) 101:1.5 While religion is not the product of the rationalistic speculations of a material cosmology, it is, nonetheless, the creation of a wholly rational insight which originates in man’s mind-experience. Religion is born neither of mystic meditations nor of isolated contemplations, albeit it is ever more or less mysterious and always indefinable and inexplicable in terms of purely intellectual reason and philosophic logic. The germs of true religion originate in the domain of man’s moral consciousness, and they are revealed in the growth of man’s spiritual insight, that faculty of human personality which accrues as a consequence of the presence of the God-revealing Thought Adjuster in the God-hungry mortal mind.

(1105.3) 101:1.6 Faith unites moral insight with conscientious discriminations of values, and the pre-existent evolutionary sense of duty completes the ancestry of true religion. The experience of religion eventually results in the certain consciousness of God and in the undoubted assurance of the survival of the believing personality.

(1105.4) 101:1.7 Thus it may be seen that religious longings and spiritual urges are not of such a nature as would merely lead men to *want* to believe in God, but rather are they of such nature and power that men are profoundly impressed with the conviction that they *ought* to believe in God. The sense of evolutionary duty and the obligations consequent upon the illumination of revelation make such a profound impression upon man’s moral nature that he finally reaches that position of mind and that attitude of soul where he concludes that he *has no right not to believe in God*. The higher and super-philosophic wisdom of such enlightened and disciplined individuals ultimately instructs them that to doubt God or distrust his goodness would be to prove untrue to the *realist* and *deepest* thing within the human mind and soul — the divine Adjuster.

**NOTE: PASCAS is not a religion.** Pascas does not have an overarching control or a hereditary control structure. It does not have a membership. There are no liturgies, cannon laws, dogmas, creeds, special prayers, special clothing or regulations of any sort. There is no special book. The Pascas Papers are freely available and shareable. Pascas does introduce a way of living which does fit one of the 500 definitions of what a religion may be.

Should a reader embrace the guidance and revelations which have been provided progressively since 31 May 1914 and continuing then we open ourselves to being able to grow through the mind-centricity peak that all of humanity is presently imprisoned within and that is the level of consciousness representative of the 1<sup>st</sup> spirit Mansion World. We have to evolve and grow through all seven levels of the spirit Mansion Worlds before we can be free of ‘hell’ and isolation and then enter the first of the Celestial Heavens. It matters not which faith one may be associated with, there are some 3,400 significant religions and with their minor denominations, we have some 50,000 religions to choose from. From where we may be at,

we can open ourselves to our feelings and even embrace Feeling Healing and evolve whilst continuing with our current religious faith and community.

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Soul Light – books 1 and 2**

A Melchizedek, Zelmar, sums up how we are to heal ourselves and ascend to Paradise.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel.

**Ann and Terry**

An example for people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad Feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:**

**The True Gospel Revealed Anew by Jesus volumes 1 – 4**

**Book of Truths by Joseph Babinsky**

**The Urantia Book**

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.  
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.  
Primary and most important readings are the writings of James Moncrief.  
Then consider the Padgett Messages, and then The Urantia Book.**

# POWER of EDUCATION

The foundation reference writings commenced on 31 May 1914 and continue today, being some 10,000 pages.

As of 12 March 2025, the Pascas Papers number more than 800.

This entails more than 76,000 pages of material, 22,000,000 words!

Should the Pascas Papers be printed out, the 152 reams of paper would stand nearly 28 feet (8.5 metres) in height and possibly weigh 384 kilograms.

Further, should we produce the Pascas Papers as a single scroll, then its length would be 15.2 kilometres (9.5 miles) in length. Such a scroll would be similar in size to a one tonne gold coin – but more valuable!

## PASCAS PAPERS

This 1 tonne gold coin measures 80 centimetres in diameter and is more than 12 centimetres deep.
