

## Rebellion Ended Forever!

Saturday, 30 August 2025

**The Rebellion and Default is now Ended forever, everywhere.**

Throughout all the universes, only Earth's humanity has been subjected to both Rebellion and Default. The Rebellion on Earth commenced on Earth some 200,000 years ago, being one of 37 humanities / worlds that capitulated to the arrogance and self-centredness of the Lucifers and their deputies, the Satans. It was a little more than 38,000 years ago that Adam and Eve were induced by these wayward agents of the Lucifers and Satans, all high level Lanonandeks, the Caligastias and Daligastias, that brought about Adam and Eve's default on their mission here on Earth. No other humanity has had a failed Adamite mission event on their world.

Some 500,000 years ago, the Lucifer soul partner pair were appointed System Sovereign over our local system referred to as Satania. Their deputies being the Satan soul partner pair. Lucifer could be said to be of 'federal' government level as their authority was over all the inhabitable worlds throughout the system of Satania. A system typically has 1,000 inhabitable worlds and in Satania has 619 of its worlds inhabited, Earth being number 609, a young humanity on the outskirts.

Each inhabited world is appointed a planetary prince. Planetary princes, consider them to be of 'state' authority level, are of a lower status Lanonandek than the System Sovereigns. For Earth it was the Caligastia soul partner pair, their deputies being the Daligastia pair. The Caligastias seldom came to Earth, leaving all their intrigue up to the Daligastias. And it was Mr Daligastia that interfered with Adam and Eve's sojourn on Earth bringing about Adam and Eve's default in their mission on Earth.

**FOR 200,000 years ALL SCRIPTURES and Earth based INSTITUTIONALISED SYSTEMS are the WORK of the REBELLIOUS LANONANDEKS:**

**The rebellious Lanonandeks from within our local universe are these soulmate pairs:**

As this graphic infers, all eight have been in spirit world imprisonment. Well, since around 1993 they have been held together in the seventh Earth plane in a British Manor that is open to public visitation!

Around the middle of Saturday, 30 August 2025, James Moncrief outlined the following over the phone to John Doel.

Starting to unfold about two months earlier (say late June 2025) have been the following events:

Mrs D (Daligastia female soul partner) eventually now has agreed to commence and embrace her Feeling-Healing. Consequently Mrs C (Caligastia female soul partner and co-planetary prince) joined with Mrs D in her decision. The male partners then joined with them in their decisions. Thus, Mr and Mrs Caligastia and Mr and Mrs Daligastia all now have been transferred to Jerusem being the capital of the first Celestial Heaven sphere, and are installed in the palace of Eve and Adam to begin their Feeling Healing process and possibly later their rehabilitation. They will lose their rankings.

On the 19 December 2023, Eve and Adam were appointed to oversee the transition of Earth's humanity into the Avonal Age and oversee the Avonal Age on Earth which is for the coming 1,000 years. Consequently, Eve and Adam have their palace headquarters on the third Celestial Heaven sphere with annexes on the second and first Celestial Heaven spheres.

Subsequently, the Lucifer and Satan soul partner pairs then agreed to commence and undergo their rehabilitation of their rebellious ways. Though the Lucifers and Satans instigated Rebellion on thirty seven worlds, including Earth, all within the local system of Satania, they did not take on the 'Rebellion' personally and consequently their pathway to recovery is through rehabilitation and not through Feeling Healing process. These four have now been transferred to Salvington which is the capital city in the core of our local universe called Nebadon. A local universe typical consists of 10,000,000 inhabitable worlds. In our case, our local universe of Nebadon has 3,840,101 inhabited worlds of which Earth is on the outskirts and is one of the youngest to have become inhabited.

A local universe is made up of 100 constellations with each constellation containing 100 local systems, and each local system consisting of 1,000 inhabitable world, thus a total of 10,000,000 inhabitable worlds of which around one third is inhabited at any one time.

**EARTH is a very young PLANET within our SUPER-UNIVERSE which is the youngest of the seven super-universes. Each super-universe consists of 100,000 local universes! There are some 100,000 Co-Regent pairs, equivalent to Mary Magdalene and Jesus, each being Creator Daughter and Son, throughout our super-universe.**

As Earth is in Rebellion and Default, we are in quarantine from all other humanities and we will remain so until we have healed our rebellion and default which is not anticipated to be achieved until after the ending of the Avonal Age that being of the next 1,000 years. While we remain in isolation, we EACH are in Hell!

**NOW, this is the most incredible, wonderful, beautiful outcome OF all the endurance and patience and perseverance that has unfolded to ACHIEVE this present outcome and situation. I cannot express my joy as loudly and as strongly as I wish and seek to express it. It has truly overwhelmed me (John Doel).**

What now has been implemented for ALL humanities not only throughout our local universe, but not only all the universes of our super-universe, but all the existing seven super-universes as well as the super-universes that are now forming and yet to begin forming, are systems and mechanisms that will avoid and prevent any further Rebellion and possible Rebellions and Defaults ever coming about ever again.

Not only is the Rebellion and Default on Earth now in complete finalisation, healing and never possible to unfold again, such conditions cannot unfold with any other humanity anywhere else throughout all the existing and yet to be formed universes now or into the future.

Ladies and gentlemen, we have DONE IT! We have brought about the circumstances required to finish with our WRONGNESS. We on Earth have ‘perfected’ wrongness and now we have ended it and the possibility of any other humanity enduring such an incredible decrepit way of living. Look around you for a second and all we see is people presenting a façade while living so evilly that it is incomprehensible.

The Rebellion and Default on Earth, which very, very few even understand or recognise, is now to be ENDED and we each will be shown and provided with the awareness and way to heal ourselves, as and when we please, AND it cannot unfold upon us or any other humanity EVER AGAIN.

I cannot shout this loud enough nor hard enough – the REBELLION and DEFAULT is to be healed in us – each and every one of us. NO ONE is or will be left behind.

The ultimate intervention came from Paradise, the home of our Heavenly Mother and Father, our true Mum and Dad, thus this outcome is conclusive.

I have been totally overwhelmed by this greatest news and information that is beyond my wildest ambitions and expectations for all of humanity. This I have been working towards throughout my entire lifetime.

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents’ Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.**

**Psychic Barriers restraining our healing, our Feeling Healing, and with Divine Love, our soul healing are now to abate and become null and void – to be extinguished!**

Commencing around two months prior to Saturday, 30 August 2025, through the capitulation of the Caligastias and Daligastias, resulting from the leadership of Mrs D (Daligastia), via the four agreeing to undergo and commence their Feeling Healing which may then lead to their Rehabilitation, the psychic barriers to our personal Feeling Healing and also Soul Healing will eventually be removed. The social issues, errors of belief, emotional injuries passed down through the generations, and much, much more

stem from the wayward perversions of the Caligastias and Daligastias. They led the way in the evolution of our wrongness and fuckedness – which we have subsequently perfected. The Caligastias and Daligastias are within the palace of Eve and Adam, an annex in Jerusalem, the capital of the first Celestial Heaven sphere, they are there now to heal themselves through the Feeling-Healing process.

Further, as the Lucifers and Satans have been transferred to Salvington, the capital of our Local Universe of Nebadon, to undergo their Rehabilitation, consequently upon their completion of Rehabilitation, the psychic barriers created by their waywardness will also be mitigated and their impost upon Earth's humanity, not only here in the physical but also in and throughout the spirit Mansion Worlds will be mitigated and ended – extinguished.

The greatest possible benefit for Earth's humanity, both in the physical as well as in spirit, is the personal healing and rehabilitation of the eight wayward high level Lanonandek spirits as they induced and created the issues that have plagued Earth's humanity for the nearly 200,000 years that the Rebellion and then subsequently the Default on Earth has run its course – now ended!

An example is the confusion over homosexuality on Earth. This has been brought about by the perversions that unfolded within the Caligastia / Daligastia four, Earth's Planetary Prince and their lieutenants. By them now to heal themselves of these errors and confusion then the way to heal homosexuality throughout Earth's humanity will come available. Similarly will be the case with all the social ills throughout all societies worldwide.

I cannot express my level of joy of the outcome that is now locked in forever for all of Earth's humanity and consequently the way it has been resolved permanently preventing any similar situation or event to unfold for any other humanity anywhere and yet to come.

Kindly share this wonderful, wonderful event with anyone and everyone that you feel inclined to gift.

# EVE AND ADAM

Tuesday, 19 December 2023, marks the appointment of Eve and Adam as oversight of Earth's humanity throughout the 3 Celestial Heavens, the 7 Mansion Worlds and on Earth for the coming Avonal Age of the next 1,000 years, as announced officially by Mary Magdalene, coregent with Jesus, of Nebadon.

# Rebellion Ended Forever!

I cannot reiterate more strongly and more loudly just how important is this permanent and universal ending of the “REBELLION and DEFAULT” on Earth, overseen and supported directly by our Heavenly Mother and Father from within Paradise, Paradise being stationary in the centre of all the super-universes.

Scenario 1: The Lucifers and Satans, being our System Sovereign and their deputies, high level Lanonandek spirits from within our Local Universe of Nebadon (as not being from or having being to Paradise) had been spirit world imprisoned since 26CE when Jesus and Mary Magdalene achieved their status of being full co-regents of Nebadon. In 1993 with the progress of the Avonal mission on and for Earth, the Caligastias and Daligastias, being our Planetary Prince and their deputies, a lower level of Lanonandek spirits were also imprison. Since that time, the eight rebellious Lanonandeks had been held together within the seventh Earth plane in a British Manor that was open to tourists.

It was considered if the Lanonandeks did not do anything to change their ways that at the end of the 1,000 year Avonal Age that with the ending of the Law of Compensation being activated on Earth as it is presently throughout the first spirit Mansion World, that not only humans in the physical would not only be free to choose to live the way they had prior to the Avonal Age or continue in the style of the Avonal Age, but also that the Lanonandeks may be released to do as they please.

Scenario 2: Recently (2022 / 2024) a survey was conducted throughout all the spirit worlds within Nebadon as to what to do with the rebellious Lanonandeks. Termination of their souls was one of the options. Never throughout all of history has a soul been extinguished. The results of the survey came back for the termination of the existence of the eight Lanonandeks. Mary Magdalene and Jesus, co-regents of Nebadon, decided to put such an action on hold.

Present Resolution Implemented: With the Caligastias and Daligastias now undergoing their Feeling Healing in the manner that James Moncrief has published here on Earth and with the Lucifers and Satans now in Salvington undergoing rehabilitation and demotion of their status, this coupled with systems being put in place throughout all local universes in all the super-universes to prevent any such Rebellion and even a possible Default ever occurring again anywhere at any time in the future, anywhere within the existing super-universes but also the super-universes that are forming and are to be formed, we have the ultimate wonderful end of 200,000 years of imposed Hell on Earth and elsewhere.

We on Earth have been unaware of the imposed Rebellion and subsequent Default that we have been subjected to. You could say that we have PERFECTED WRONGNESS, and that is true. We have taken WRONGNESS to the ultimate extremes. Our FUCKEDNESS is something to behold. In this we are unique and that will come to be in our favour. As new humanities in the future may drift a little off track then we are best equipped with our experiences to assist them back on course. We are to learn by doing and this we have done to the extreme. Look around you!!!

The communication of the PERMANT ENDING of REBELLION and DEFAULT on Saturday, 30 August 2025 is the trigger to great positive changes for all of Earth's humanity, both in the physical as well as in spirit. It is more amazing than that. As the Earthing of the Avonal Age slowly but surely unfolds, the Earthing of the Law of Compensation on Earth will at first subtly, but then progress to bring about a long era of peace. You see, we are not to impose our will upon another!

# Seven Spirit Earth Planes

Each of the seven Earth spirit planes co-exist in the same space as we do in the physical. We of the physical world are of the coarsest and densest material. Starting with the 1<sup>st</sup> plane, the material within each plane becomes finer, more refined and of greater luminosity. Those within the lower planes cannot see or discern the presence of those in higher planes. Those of the higher planes can move about those in lower planes without them being aware of being present unless they wish to reveal themselves.

Each plane is predominantly for one group of spirit or angel personalities. However, there are sectors within planes where visitors from higher planes can move about freely. No harm or disturbance can be caused by any spirit personality upon another, not even those within the physical Earth existence.

- 7** 7<sup>th</sup> Earth Plane being for visitors from Havona and Paradise, together with the Daughters and Sons of God. This includes Angels who have come all the way from Paradise.
- 6** 6<sup>th</sup> Earth Plane being for visitors from the higher levels of our Local Universe. Higher Daughters and Sons together with higher Angels.
- 5** 5<sup>th</sup> Earth Plane being for visitors from the Celestial Heavens and higher angels and spirits from other parts of Creation, including Finaliters.
- 4** 4<sup>th</sup> Earth Plane being exclusively for Angels, some of which have evolved from Nature Spirits!
- 3** 3<sup>rd</sup> Earth Plane is the exclusive domain of Nature Spirits who are derived from creature life experience on Earth.
- 2** 2<sup>nd</sup> Earth Plane – a ‘Sphere of Isolation’ from which one progresses having settled the Law of Compensation, allowing entry into regular spirit life in the 1<sup>st</sup> spirit Mansion World.
- 1** 1<sup>st</sup> Earth Plane – the darkest ‘Sphere of Isolation’ and closest to Earth. A plane allowing spirits to live in their state of hell because of their grievous inclination to cause harm to others.

# Seven Spirit Earth Planes

**FOR 200,000 years ALL SCRIPTURES and Earth based INSTITUTIONALISED SYSTEMS are the WORK of the REBELLIOUS LANONANDEKS:**

**The rebellious Lanonandeks from within our local universe are these soul partner pairs:**

## THE EVIL ONES

**Lucifer pair**

**Lucifer being System Sovereign of Satania  
Arrested and imprisoned 26 CE**

**Satan pair**

**Caligastia pair**

**Caligastia being Planetary Prince of Earth  
Arrested and imprisoned 1993 CE**

**Daligastia pair**

**7** A sector within the 7<sup>th</sup> plane is isolated from all others. This isolated sector is the spirit world prison for the rebellious Lanonandeks, all eight are accommodated within an English manor that is open to tourists on the Earth plane, and thus they have to endure the tourists.

**6** The Greatest Show is on Earth! Since the formal ending of the Universal Contract governing the Rebellion and Default for Earth on 31 January 2018, the 6<sup>th</sup> Earth Plane has been given over to visitors from the greater universe, being those outside of our local universe of Nebadon. The greater universe consists of 100,000 local universes, consequently as Earth is the only humanity throughout that is in Rebellion and Default and is now to heal itself of this, the number of spirit visitors are enormous.

**THE  
GREATEST  
SHOW  
is ON EARTH**

**5** Similarly, the 5<sup>th</sup> Earth Plane has been given over to visitors from within our local universe of Nebadon, having 3,840,101 inhabited worlds. Each local universe being of a similar size. Midwayer spirits provide talks at regular intervals for visitors, and these talks are broadcast throughout the universes.

Earth's humanity is truly a fishbowl being observed by the peoples of all the universes.

# Life Cycle of **CARNAGE**

When we inflict will damage on others we cause serious pain, not only to them but also to ourselves. We may not think what we have done warrants any sort of punishment even though we have negatively affected and influenced people by inflicting our will on them against their will.

**Golden Rule: that one must always honour another's will as one honours one's own.**

It's hell here on Earth, only some aspects of life are worse than others, until we partake of the Father and Mother's Love and long for the truth, the truth that our feelings will provide, and set about doing our Feeling Healing and also soul-healing. When we are wanting to live true, Feeling Healing and with Divine Love is our pathway to freedom! When we set about longing for the Truth of our feelings we can't escape any longer. We have to face the truth, and express all our bad feelings.

How can we make amends?

All we have to do is totally own up to these bad feelings. Accept them and don't push them aside. Let them come. Allow yourself to feel as bad as your feelings make you feel. It's all very good. We can't actually go back and fix what's been done, but we can take responsibility for our feelings. So far as our soul exists there is no time, so we can express these feelings now and they will apply to the past back then. This is how we do our soul-healing. We are allowing the Divine Love to transform a little part of our soul, and it's brought up bad feelings, we have gone with them, we have allowed our self to experience them, all because we want to see the truth. The truth of our self, of what sort of person we are – of our life, and now this is where it begins. Today we have seen this part of the truth of our self, how in this situation we are uncaring inconsiderate, greedy, etc. And we have not liked what we have seen and would like to change our self so we aren't like that any more...

One may wish they were never like that... Not having any idea...

But now you do. And now that you know that you do, you have the choice to either continue as you have been or not to. And by choosing not to, the Father and Mother will change this part of you, a small part of your negative mind will become healed, and a part of your soul will be transformed. You have changed, because you've seen and accepted the truth about yourself. You will never be that person back then ever again. A part of you has woken up.

We feel this way because it's how our parents have made us feel when we were very small.'

The truth is we feel this way about ourselves, because we have been able to see that we don't treat other's with respect and this has to be coming from somewhere within us. We haven't just made it up. What we are as an adult is all from what we've learned to be as a child. So we have learnt to be this way. A child is not just born evil contrary to what some people believe or would like to think. We all start out as pure souls of love, and if we become evil, it's because we've learnt that that's how someone, usually our parents, have wanted us to be. They have made us into what we are. We've learnt to be that way because they treated us that way. So our parents treated us as we now treat other people.

We believe our parents have loved us and yet we can do something so unloving. Had they truly loved us then we would only be of love and only able to treat others lovingly, just as we would be treating ourselves. We can't be something we are not. So any unloving act is you, you haven't just suddenly made it up; it's a part of your behavioural makeup and is governed by your mind's beliefs. We have evolved it, and the only time we could lay down such foundations was during our early childhood. In some way, on some deeper repressed and therefore unconscious level, are the memories and bad feelings of our parents treating us un-lovingly, just as we have treated other people.

And our parents themselves will have been treated in the same un-loving way by their parents and so back through the generations. The whole unloving truth and way of behaving has been long since buried and covered up by false feelings and false beliefs of love. Had you been completely loved and treated accordingly, so too would you treat all others, for we do to others what we do to ourselves and what was done to us.

All we need to do is keep praying / asking for the Love, and longing for the truth. The only way we can truly let go of our bad feelings is by **SPEAKING THEM OUT OF US**, getting right into them with the feeling, and emoting and expressing it – emotionally – whilst longing to see the truth of it...

To liberate one's real self, being one's soul, is by embracing Feeling Healing so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

And step by step, the Mother and Father will take us through our soul-healing, helping us to heal every part of ourselves, every mind circuit that is not functioning in harmony with Their Divine Love and Truth and the Laws of the Universe.

# Boundaries of HELL!

Humanity on physical Earth is in Rebellion and Default, thus hell! Upon death we all arrive in the 1<sup>st</sup> spirit mind Mansion World where we typically suppress our poor state and remain in the mind Mansion Worlds indefinitely. Some have a period in the 'hells' compensating for the pain they have caused others. Many continue their 'mind worshipping'. However the way out is by embracing Feeling Healing, and with Divine Love, Soul Healing to progress up through the Crying Healing Worlds and transition out to the first of

**ISOLATION**

OUT

If you go against yourself, if you're untrue to yourself, then you are going against God and all God's laws, and compensation is required to bring you back into the fold, which is what happens through our Spiritual Healing. It's the Law of Forgiveness, forgiving yourself through self-acceptance, which is dominant in this part of your life. If you cross the line and abuse your children, that being up until they are 21 years old, then you have both levels and amounts of Compensation and Forgiveness to deal with, that which happens as part of your Healing. And as everyone abuses their children, we being conceived into our parents' rebellion against the truth of our soul, so all who have children have to come to terms with all they've done through their Healing.

**Law of Forgiveness**

**Law of Compensation**

If you go against someone else, as in cross the line and grossly interfere with their will, and there are degrees of this, then you will have to suffer the pain you have caused the other person, spirit or creature, which as you know is the Law of Compensation; and as to the extent of crossing that line and hurting another determines whether you have to spend time in the hells or not.

Kevin 18 Feb 2019

The minor 'hells' are the lower levels of the 1<sup>st</sup> mind Mansion World whereas the more severe are the Planes of Isolation being the 2<sup>nd</sup> Earth plane with the severest being the 1<sup>st</sup> Earth plane. Pain caused to another is the pain that will be endured before returning to the 1<sup>st</sup> mind Mansion World, all then to consider your Feeling Healing.

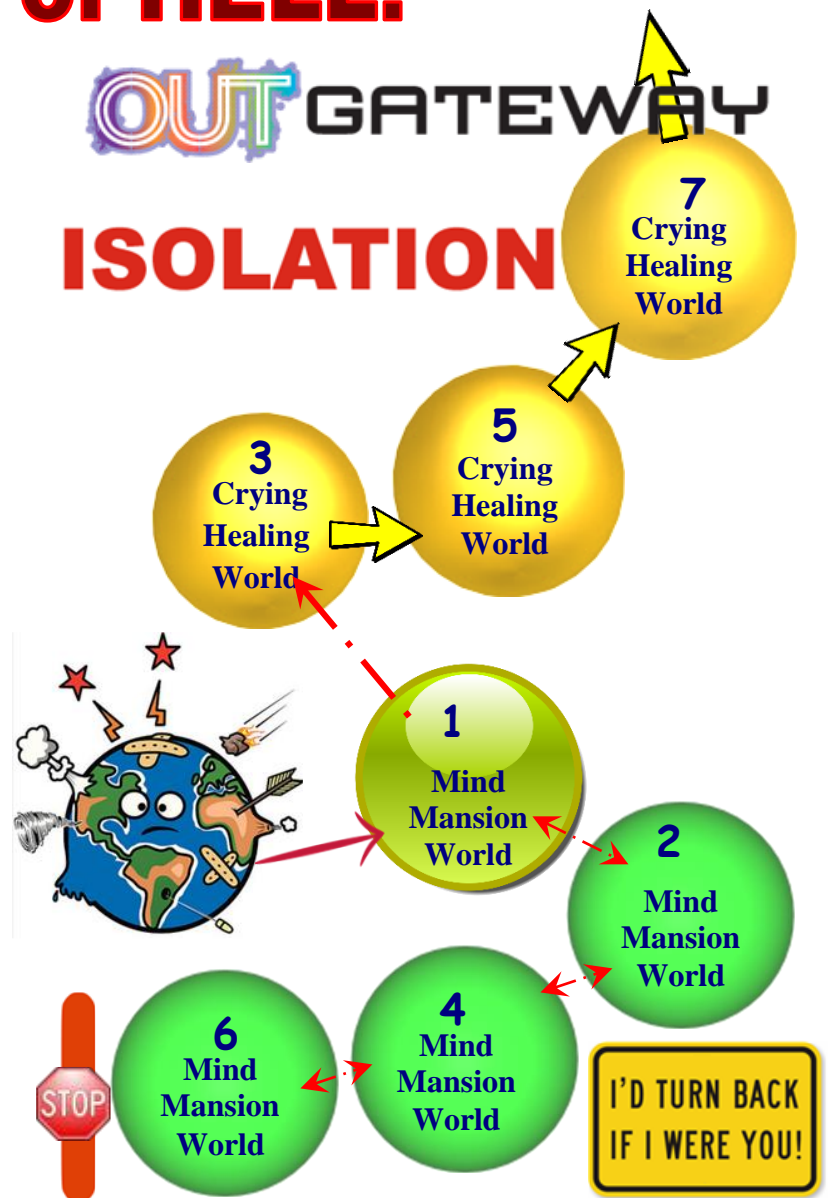

# Boundaries of HELL!

The gateway out of our isolation from all other humanities within our local system is opened to us upon the completion of our healing of all that represents the Rebellion and Default.

While we remain embraced within the Rebellion and Default, even though we are unknowingly doing so, all of the humanity of Earth is isolated from all of the other humanities throughout our local system of Satania, all 619 inhabited worlds, thus effectively we are in hell!

Further, we are also isolated from the Spirits of Truth that our spiritual parents can offer us, until we complete our healing and enter the first of the Celestial Heavens, and that is when we move through the gateway and progress beyond healing Mansion World number 7.

Life on Earth is living in hell in the physical. Many of us consider it to be wonderful – that is a fantasy. Our physical parents have remodelled our personality to reflect what they consider appropriate ... IT'S NOT! We are to freely express the personality that our Heavenly Mother and Father bestowed us with.

Many of us fight so powerfully against our childhood suppression and repression that we go on and cause great harm to many others, all of which the Law of Compensation takes into account. The lower levels of the 1<sup>st</sup> mind Mansion World is a region for our compensation. We ALL enter the 1<sup>st</sup> mind Mansion World as spirits upon the death of our physical body. The pain we cause to another is the pain that we will endure in compensation. Those who try to continue to inflict harm on others, cannot do so and may find themselves within the 1<sup>st</sup> and 2<sup>nd</sup> planes of Earth. The 1<sup>st</sup> Earth plane being the worst of the hells, while the 2<sup>nd</sup> is bridging towards a return to the 1<sup>st</sup> mind Mansion World hell sectors. You can continue to live through your mind and perfect the mind but you will end up at a dead end in the 6<sup>th</sup> mind Mansion World. There are more than 200 billion spirits within the 1<sup>st</sup> and 2<sup>nd</sup> mind Mansion Worlds and the two Earth planes of compensation. These areas are packed to the rafters! Only by embracing our Feeling Healing and with our Heavenly Parents' Divine Love can we heal ourselves and progress through the three healing worlds before transitioning to the Celestial Heavens and out of the Hells. Within the Celestial Heavens are spirit personalities from all of the 619 worlds within our local system called Satania.

14 September 2025

Physical and mental pain and fatigue are the only places the body can go to express the truth of your childhood, how it wears you down over the years to now be in such a poor condition of mental and physical health. As children we had to reject our true selves' feelings for the will and feelings of our parents. No good can ever come of killing off and rejecting the true self for the will of others. The feelings of pain and suffering that are experienced every day, are the only way you can feel when you had to reject your own will as a child, to turn your back on yourself and commit 'WILL SUICIDE' as a means to survive as a child, and the pain constantly felt as you go through your life, is the pain of your denied and suppressed feelings as a child with your parents. No matter how loved you feel you were, you had to give up so much of yourself for this love. A child doesn't have a choice in committing 'WILL SUICIDE', it has to do it to survive and keep the attachment with its parents, it is either that, or be rejected and die. What you are feeling now, is the death of yourself, the denied and suppressed pain of having to give up your WILL as a child, this is how it felt!

**John; A month before I was born, I understood what my mother was committed to experiencing. Our memory remains intact from our conception. We (mother with me in her womb) were to be entered into a Sanitarium (an establishment for the medical treatment of people who are convalescing or have a chronic illness) in the Blue Mountains about 100 kilometres west of Sydney. A week after I was born, I was sent home to our sheep and wheat farm in Buddigower, 500 kilometres west of Sydney. There I was *to* be cared for by my Aunties and a House Maid who lived on neighbouring farms. While my mother received treatment for tuberculosis, I was mothered by two or three aunties and the housemaid – I was infused with all of their emotional injuries and errors of belief throughout my first six months of life while my mother received her treatment. Then my mother came home, the most dominant person in my life as my father had left. He did return home occasionally. My eldest sister still thinks I am under her control, she is nine years older than me. Samantha McCabe has been mild in her explanation of WILL SUICIDE. Nevertheless, you have now come to understand what we collectively have broken through and achieved.**

## CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate / soul partner) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves, enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

**There are 100,000 MICHAEL soulmate pairs as REGENTS throughout our SUPER-UNIVERSE:**

One of these 100,000 dots represents Nebadon, our local universe, consisting of 100 constellations with each constellation containing 100 systems which in turn have 1,000 worlds. The system in which Earth is within is called Satania.

Nebadon has some 10,000,000 physical planets, of which 3,840,101 are inhabited. The regents of Nebadon are the soulmate pair being the Paradise Creator pair, Mary and Jesus.

This structure is repeated throughout our super-universe, called Orvoton, 100,000 times. There are some 100,000 Regent pairs, equivalent to Mary and Jesus, throughout our super-universe.

There are 7 super-universes that rotate around the Isle of Paradise which is the home of our Heavenly Parents, our Mother and Father. Thus, there are some 700,000 Regent pairs equivalent to Mary and Jesus.

When we progress beyond the spirit Mansion Worlds, we enter the first of the three Celestial spheres, the home city being Jerusalem, this is also the home city for all 1,000 physical worlds in Satania. From there we will progress to Salvington being the head quarters for Nebadon and the home of Mary and Jesus. Then we progress to Paradise.

**Earth**

## HIERARCHY of our SPIRITUAL GUIDANCE:

Our Heavenly Mother and Father permanently reside within Paradise, an island stationary world surrounded by Havona, in the centre of seven Super Universes.

Our Heavenly Mother and Father, being one soul manifesting two personalities, bring about the creation of:

Creator daughters and sons – Michaels

Magisterial daughters and sons – Avonals

Trinity Teacher daughter and sons – Daynals – and others.

The Michaels and Avonals have Spirits of Truth to be released to assist the humanities on their assigned inhabited worlds.

Each Super Universe consists of 100,000 Local Universes.

Each Local Universe is overseen by a Creator daughter and son. Our local universe is called Nebadon and Jesus and Mary Magdalene are the Michael pair and regents.

A local universe consists of 10,000,000 inhabitable worlds of which 3,840,101 are inhabited within local universe Nebadon.

A local universe consists of 100 constellations which is made up of 100 systems. Each system has 1,000 inhabitable worlds. The system that Earth is in is Satania and 619 worlds are inhabited.

Emanating from within the Local Universes are Melchizedek, Vorondadek, Lanonandek, Material and Life-Carrier pairs. None have spirits of truth – they are not from Paradise.

From within the Lanonandeks, assigned to oversee the system Satania, which includes Earth (Urantia) were the Lucifer, Satan, Caligastia and Daligastia soulmate pairs, who rebelled. Further, Adam and Eve, the Material son and daughter, defaulted because of the Rebellion. All failed in their assignments, causing us (humanity on Earth) to be spiritually misled for 200,000 years – that is why we are all ‘insane’!

Earth has had five higher spirit physical bestowals:

Daligastia soul partner pair being Lanonandeks

Adam and Eve soulmate pair – Material son and daughter

Machiventa Melchizedek soul partner pair

Creator daughter and son – Jesus and Mary Magdalene

Avonal daughter and son who are yet to commence their public ministry.

# ENOUGH IS ENOUGH

Andon and Fonta, our first parents to long for our Heavenly Parents, lived nearly 1,000,000 years ago. Naïve humanity was seduced by high spirits, the Lucifer pair, to believe they could be gods through their minds, thus men subjected women to subordination 200,000 years ago. Also added to this was the default of the Adamic pair more than 38,000 years ago when they failed in their mission.

## REBELLION & DEFAULT **200,000 YEARS**

When Jesus with Mary achieved their full Regency of Nebadon, in 26 CE, they immediately had the Lucifer and Satan soulmate pairs assigned to a spirit world prison. Since then, the Creator Pair have been preparing for the ending of the Rebellion and Default for humanity of Earth. The Avonal Pair now on Earth, once commencing their Healing, brought about the imprisonment of the Caligastia and Daligastia pairs in the early 1990s. As the Avonal Pair advanced with their Healing they brought about the formal end of the Rebellion and Default, on 31 January 2018. It is now for all of humanity to embrace the Spirits of Truth of the Avonal Pair and undertake their healing of the imposts of the Rebellion and Default.

## Avonal **AGE 1,000 YEARS**

Spirits of Truth of the Avonal Pair will guide us through our Feeling Healing and into the Celestial Heavens with Divine Love, then the Spirits of Truth of the Creator Pair will lead us through the Celestial Heavens and out through Nebadon towards our Heavenly Mother and Father in Paradise.

Each generation of 25 years or so will see marginal embracement of Feeling Healing, however in 1,000 years it will achieve universality.

Universality of Feeling Healing with Divine Love will see the mitigation of discomfort, pain and illness as well as the imposts of global warming and Earth changes. These events are to ensure that each of us embrace our feelings, both good and bad, down to the very core, so that we fully come to know who we truly are. Sciences will endeavour to remove pain only to see disease manifest in different forms. Earth disturbances are a result of the Harmonic Convergence of the late 1980s, increasing the rotation of the Earth's central core. This will only abate when humanity has universally embraced Feeling Healing. These influences are only imposed upon us so that we do not step back into the Rebellion and Default through complacency. Live Feelings First so that we become the true personalities we are, that being daughters and sons of our Heavenly Mother and Father.

# Avonal Revelation

- We are to live Feelings First.
- We've been made to use our mind to live against many of our feelings.
- Our mind control commences at conception and is developed through our childhood.
- All the bad feelings we didn't express as we were growing up are still repressed inside us.
- And all such hidden, buried and unwanted feelings have to come out.
- And whilst they remain repressed within us, they will continue to make us feel bad and unloved.
- We get sick, depressed, suffer, have bad things happen to us because of our repressed childhood feelings.
- Humanity was brought into this state of living against itself by higher rebellious spirits.
- These Evil Ones caused the Rebellion and Default.
- We are made to rebel by default – as we have no idea we're doing it through our parenting in wrongness.
- We are all parented unlovingly – against ourselves, against our will.
- Some parenting in the wrongness is done with more love, yet it's all still wrong.
- To heal this unloving state within ourselves we have to do our Healing.
- Our Healing is our Feeling-Healing or Soul-Healing with the Divine Love.
- We can long to God for Their Divine Love, and this will help us with our Healing.
- God is our Heavenly Mother and Father, the Feminine Aspects of God having been kept hidden from us by the Evil Spirits.
- All humanity's religions and spiritual systems are designed to keep the wrongness going, to keep us away from God.
- Only by living Feelings First Spirituality, The New Way, can you become right, and truly find God.
- Long for the Divine Love.
- Long for the Truth of your Feelings.
- Accepting all you feel is accepting all of yourself, it's your greatest act of self-love.
- And wanting to know the truth of your feelings, is your next greatest act of self-love.
- Love yourself through your feeling-acceptance, and the Truth will set you Free!

## **LUCIFER REBELLION HAS ENDED, and now REVELATIONS for HEALING are HERE:**

**Lucifer soulmate / partner pair**

**Satan soul partner pair**

**Caligastia soul partner pair**

**Daligastia soul partner pair**

**Lucifer** soulmate / partner pair were magnificent beings, a brilliant personality as one. They were designated as one of the one hundred most able and brilliant personalities in more than seven hundred thousand of their kind. From such a magnificent beginning, through evil and error, they embraced sin. They believed that their minds were all powerful and that everyone should be independent and reject the illusionary God and those who lead the path to God, namely Michael of Nebadon (Jesus and Mary).

Very little was heard of Lucifer on Urantia (Earth) owing to the fact that he assigned his first lieutenant, **Satan** (also a soulmate pair), to advocate his cause on our planet. The “devil” is none other than Caligastia (again, another soulmate pair). At the time Michael (Jesus and Mary) was on Urantia in the flesh, Lucifer, Satan, and Caligastia were leagued together to effect the miscarriage of his bestowal mission. But they spectacularly failed.

About five hundred thousand years ago and concurrent with the appearance of the six coloured or Sangik races, Caligastia, the Planetary Prince, arrived on Urantia. There were almost one-half billion primitive human beings on Earth at the time of the Prince’s arrival, and they were well scattered over Europe, Asia, and Africa. The Prince’s headquarters, established in Mesopotamia, was at about the centre of world population.

**Caligastia** had been attached to the council of the Life Carrier advisers on Jerusem. Lucifer elevated Caligastia to a position on his personal staff, and he acceptably filled five successive assignments of honour and trust. The Planetary Prince of Urantia (Earth), Caligastia, was not sent out on his mission alone but was accompanied by the usual corps of assistants and administrative helpers.

At the head of this group was **Daligastia** (soulmate pair), the associate-assistant of the Planetary Prince. Daligastia was also a secondary Lanonandek Son. He ranked as an assistant at the time of his assignment as Caligastia’s associate.

Lucifer, with deputy Satan, and lieutenants Caligastia and Daligastia have ingrained into the human psyche to be mind dominated with its errors passing down through all parents, being self-reliant and rejecting one’s own soul based feelings that are to lead us to our Heavenly Parents with the truths being provided by Mary and Jesus of Nebadon. Lucifer and Satan were removed two thousand years ago, Caligastia and Daligastia have very recently been removed. Their crimes against humanity make Adolf Hitler appear to be a saint!

## PAPER 53. THE LUCIFER REBELLION

[https://urantiapedia.org/en/The\\_Urantia\\_Book/53](https://urantiapedia.org/en/The_Urantia_Book/53)

<sup>53:0.1</sup> LUCIFER was a brilliant primary Lanonandek Son of Nebadon. He had experienced service in many systems, had been a high counsellor of his group, and was distinguished for wisdom, sagacity, and efficiency. Lucifer was number 37 of his order, and when commissioned by the Melchizedeks, he was designated as one of the one hundred most able and brilliant personalities in more than seven hundred thousand of his kind. From such a magnificent beginning, through evil and error, he embraced sin and now is numbered as one of three System Sovereigns in Nebadon who have succumbed to the urge of self and surrendered to the sophistry of spurious personal liberty—rejection of universe allegiance and disregard of fraternal obligations, blindness to cosmic relationships.

<sup>53:0.2</sup> In the universe of Nebadon, the domain of Christ Michael, there are ten thousand systems of inhabited worlds. In all the history of Lanonandek Sons, in all their work throughout these thousands of systems and at the universe headquarters, only three System Sovereigns have ever been found in contempt of the government of the Creator Son.

### 1. THE LEADERS OF REBELLION

<sup>53:1.1</sup> Lucifer was not an ascendant being; he was a created Son of the local universe, and of him it was said: “You were perfect in all your ways from the day you were created till unrighteousness was found in you.” Many times had he been in counsel with the Most Highs of Edentia. And Lucifer reigned “upon the holy mountain of God,” the administrative mount of Jerusalem, for he was the chief executive of a great system of 607 inhabited worlds.

<sup>53:1.2</sup> Lucifer was a magnificent being, a brilliant personality; he stood next to the Most High Fathers of the constellations in the direct line of universe authority. Notwithstanding Lucifer’s transgression, subordinate intelligences refrained from showing him disrespect and disdain prior to Michael’s bestowal on Urantia (Earth). Even the archangel of Michael, at the time of Moses’ resurrection, “did not bring against him an accusing judgment but simply said, ‘the Judge rebuke you.’” Judgment in such matters belongs to the Ancients of Days, the rulers of the superuniverse.

<sup>53:1.3</sup> Lucifer is now the fallen and deposed Sovereign of Satania. Self-contemplation is most disastrous, even to the exalted personalities of the celestial world. Of Lucifer it was said: “Your heart was lifted up because of your beauty; you corrupted your wisdom because of your brightness.” Your olden prophet saw his sad estate when he wrote: “How are you fallen from heaven, O Lucifer, son of the morning! How are you cast down, you who dared to confuse the worlds!”

<sup>53:1.4</sup> Very little was heard of Lucifer on Urantia (Earth) owing to the fact that he assigned his first lieutenant, Satan, to advocate his cause on your planet. Satan was a member of the same primary group of Lanonandeks but had never functioned as a System Sovereign; he entered fully into the Lucifer insurrection. The “devil” is none other than Caligastia, the deposed Planetary Prince of Urantia and a Son of the secondary order of Lanonandeks. At the time Michael (Jesus and Mary Magdalene – soul partners) was on Urantia (Earth) in the flesh, Lucifer, Satan, and Caligastia were leagued together to effect the miscarriage of his bestowal mission. But they signally failed.

<sup>53:1.5</sup> Abaddon was the chief of the staff of Caligastia. He followed his master into rebellion and has ever since acted as chief executive of the Urantia rebels. Beelzebub was the leader of the disloyal midway creatures who allied themselves with the forces of the traitorous Caligastia.

<sup>53:1.6</sup> The dragon eventually became the symbolic representation of all these evil personages. Upon the triumph of Michael, "Gabriel came down from Salvington and bound the dragon (all the rebel leaders) for an age." Of the Jerusem seraphic rebels it is written: "And the angels who kept not their first estate but left their own habitation, he has reserved in sure chains of darkness to the judgment of the great day."

## 2. THE CAUSES OF REBELLION

<sup>53:2.1</sup> Lucifer and his first assistant, Satan, had reigned on Jerusem for more than five hundred thousand years when in their hearts they began to array themselves against the Universal Father and his then vicegerent Son, Michael (Jesus and Mary Magdalene).

<sup>53:2.2</sup> There were no peculiar or special conditions in the system of Satania which suggested or favoured rebellion. It is our belief that the idea took origin and form in Lucifer's mind, and that he might have instigated such a rebellion no matter where he might have been stationed. Lucifer first announced his plans to Satan, but it required several months to corrupt the mind of his able and brilliant associate. However, when once converted to the rebel theories, he became a bold and earnest advocate of "self-assertion and liberty."

<sup>53:2.3</sup> No one ever suggested rebellion to Lucifer. The idea of self-assertion in opposition to the will of Michael and to the plans of the Universal Father, as they are represented in Michael, had its origin in his own mind. His relations with the Creator Son had been intimate and always cordial. At no time prior to the exaltation of his own mind did Lucifer openly express dissatisfaction about the universe administration. Notwithstanding his silence, for more than one hundred years of standard time the Union of Days on Salvington had been reflectivating to Uversa that all was not at peace in Lucifer's mind. This information was also communicated to the Creator Son and the Constellation Fathers of Norlatiadek.

<sup>53:2.4</sup> Throughout this period Lucifer became increasingly critical of the entire plan of universe administration but always professed wholehearted loyalty to the Supreme Rulers. His first outspoken disloyalty was manifested on the occasion of a visit of Gabriel to Jerusem just a few days before the open proclamation of the Lucifer Declaration of Liberty. Gabriel was so profoundly impressed with the certainty of the impending outbreak that he went direct to Edentia to confer with the Constellation Fathers regarding the measures to be employed in case of open rebellion.

<sup>53:2.5</sup> It is very difficult to point out the exact cause or causes which finally culminated in the Lucifer rebellion. We are certain of only one thing, and that is: Whatever these first beginnings were, they had their origin in Lucifer's mind. There must have been a pride of self that nourished itself to the point of self-deception, so that Lucifer for a time really persuaded himself that his contemplation of rebellion was actually for the good of the system, if not of the universe. By the time his plans had developed to the point of disillusionment, no doubt he had gone too far for his original and mischief-making pride to permit him to stop. At some point in this experience he became insincere, and evil evolved into deliberate and wilful sin. That this happened is proved by the subsequent conduct of this brilliant executive. He was long offered opportunity for repentance, but only some of his subordinates ever accepted the proffered mercy. The Faithful of Days of Edentia, on the request of the Constellation Fathers, in person presented the plan of Michael for the saving of these flagrant rebels, but always was the mercy of the Creator Son (Jesus and Mary Magdalene) rejected and rejected with increasing contempt and disdain.

### 3. THE LUCIFER MANIFESTO

<sup>53:3.1</sup> Whatever the early origins of trouble in the hearts of Lucifer and Satan, the final outbreak took form as the Lucifer Declaration of Liberty. The cause of the rebels was stated under three heads:

<sup>53:3.2</sup> 1. *The reality of the Universal Father.* Lucifer charged that the Universal Father did not really exist, that physical gravity and space-energy were inherent in the universe, and that the Father was a myth invented by the Paradise Sons to enable them to maintain the rule of the universes in the Father's name. He denied that personality was a gift of the Universal Father. He even intimated that the finaliters were in collusion with the Paradise Sons to foist fraud upon all creation since they never brought back a very clear-cut idea of the Father's actual personality as it is discernible on Paradise. He traded on reverence as ignorance. The charge was sweeping, terrible, and blasphemous. It was this veiled attack upon the finaliters that no doubt influenced the ascendant citizens then on Jerusem to stand firm and remain steadfast in resistance to all the rebel's proposals.

<sup>53:3.3</sup> 2. *The universe government of the Creator Son—Michael* (being Jesus and Mary Magdalene). Lucifer contended that the local systems should be autonomous. He protested against the right of Michael, the Creator Son (Jesus and Mary Magdalene), to assume sovereignty of Nebadon in the name of a hypothetical Paradise Father and require all personalities to acknowledge allegiance to this unseen Father. He asserted that the whole plan of worship was a clever scheme to aggrandise the Paradise Sons. He was willing to acknowledge Michael as his Creator-father but not as his God and rightful ruler.

<sup>53:3.4</sup> Most bitterly did he attack the right of the Ancients of Days—"foreign potentates"—to interfere in the affairs of the local systems and universes. These rulers he denounced as tyrants and usurpers. He exhorted his followers to believe that none of these rulers could do aught to interfere with the operation of complete home rule if men and angels only had the courage to assert themselves and boldly claim their rights.

<sup>53:3.5</sup> He contended that the executioners of the Ancients of Days could be debarred from functioning in the local systems if the native beings would only assert their independence. He maintained that immortality was inherent in the system personalities, that resurrection was natural and automatic, and that all beings would live eternally except for the arbitrary and unjust acts of the executioners of the Ancients of Days.

<sup>53:3.6</sup> 3. *The attack upon the universal plan of ascendant mortal training.* Lucifer maintained that far too much time and energy were expended upon the scheme of so thoroughly training ascending mortals in the principles of universe administration, principles which he alleged were unethical and unsound. He protested against the age-long program for preparing the mortals of space for some unknown destiny and pointed to the presence of the finaliter corps on Jerusem as proof that these mortals had spent ages of preparation for some destiny of pure fiction. With derision he pointed out that the finaliters had encountered a destiny no more glorious than to be returned to humble spheres similar to those of their origin. He intimated that they had been debauched by overmuch discipline and prolonged training, and that they were in reality traitors to their mortal fellows since they were now co-operating with the scheme of enslaving all creation to the fictions of a mythical eternal destiny for ascending mortals. He advocated that ascenders should enjoy the liberty of individual self-determination. He challenged and condemned the entire plan of mortal ascension as sponsored by the Paradise Sons of God and supported by the Infinite Spirit.

<sup>53:3.7</sup> And it was with such a Declaration of Liberty that Lucifer launched his orgy of darkness and death.

#### 4. OUTBREAK OF THE REBELLION

<sup>53:4.1</sup> The Lucifer manifesto was issued at the annual conclave of Satania on the sea of glass, in the presence of the assembled hosts of Jerusem, on the last day of the year, about two hundred thousand years ago, Urantia (Earth) time. Satan proclaimed that worship could be accorded the universal forces—physical, intellectual, and spiritual—but that allegiance could be acknowledged only to the actual and present ruler, Lucifer, the “friend of men and angels” and the “God of liberty.”

<sup>53:4.2</sup> Self-assertion was the battle cry of the Lucifer rebellion. One of his chief arguments was that, if self-government was good and right for the Melchizedeks and other groups, it was equally good for all orders of intelligence. He was bold and persistent in the advocacy of the “equality of mind” and “the brotherhood of intelligence.” He maintained that all government should be limited to the local planets and their voluntary confederation into the local systems. All other supervision he disallowed. He promised the Planetary Princes (the Caligastias being Earths Planetary Prince) that they should rule the worlds as supreme executives. He denounced the location of legislative activities on the constellation headquarters and the conduct of judicial affairs on the universe capital. He contended that all these functions of government should be concentrated on the system capitals and proceeded to set up his own legislative assembly and organised his own tribunals under the jurisdiction of Satan. And he directed that the princes on the apostate worlds do the same.

<sup>53:4.3</sup> The entire administrative cabinet of Lucifer went over in a body and were sworn in publicly as the officers of the administration of the new head of “the liberated worlds and systems.”

<sup>53:4.4</sup> While there had been two previous rebellions in Nebadon, they were in distant constellations. Lucifer held that these insurrections were unsuccessful because the majority of the intelligences failed to follow their leaders. He contended that “majorities rule,” that “mind is infallible.” (and there lies the problem!!!) The freedom allowed him by the universe rulers apparently sustained many of his nefarious contentions. He defied all his superiors; yet they apparently took no note of his doings. He was given a free hand to prosecute his seductive plan without let or hindrance.

<sup>53:4.5</sup> All the merciful delays of justice Lucifer pointed to as evidence of the inability of the government of the Paradise Sons to stop the rebellion. He would openly defy and arrogantly challenge Michael, Immanuel, and the Ancients of Days and then point to the fact that no action ensued as positive evidence of the impotency of the universe and the superuniverse governments.

<sup>53:4.6</sup> Gabriel was personally present throughout all these disloyal proceedings and only announced that he would, in due time, speak for Michael, and that all beings would be left free and unmolested in their choice; that the “government of the Sons for the Father desired only that loyalty and devotion which was voluntary, wholehearted, and sophistry-proof.”

<sup>53:4.7</sup> Lucifer was permitted fully to establish and thoroughly to organise his rebel government before Gabriel made any effort to contest the right of secession or to counterwork the rebel propaganda. But the Constellation Fathers immediately confined the action of these disloyal personalities to the system of Satania. Nevertheless, this period of delay was a time of great trial and testing to the loyal beings of all Satania. All was chaotic for a few years, and there was great confusion on the mansion worlds.

#### 5. NATURE OF THE CONFLICT

<sup>53:5.1</sup> Upon the outbreak of the Satania rebellion, Michael took counsel of his Paradise brother, Immanuel. Following this momentous conference, Michael announced that he would pursue the same policy which had characterised his dealings with similar upheavals in the past, an attitude of non-interference.

<sup>53:5.2</sup> At the time of this rebellion and the two which preceded it there was no absolute and personal sovereign authority in the universe of Nebadon. Michael ruled by divine right, as vicegerent of

the Universal Father, but not yet in his own personal right. He had not completed his bestowal career; he had not yet been vested with “all power in heaven and on earth.” (That unfolded on Earth, in Palestine, 2,000 years ago.)

<sup>53:5.3</sup> From the outbreak of rebellion to the day of his enthronement as sovereign ruler of Nebadon (26 CE), Michael never interfered with the rebel forces of Lucifer; they were allowed to run a free course for almost two hundred thousand years of Urantia (Earth) time. Christ Michael now has ample power and authority to deal promptly, even summarily, with such outbreaks of disloyalty, but we doubt that this sovereign authority would lead him to act differently if another such upheaval should occur.

<sup>53:5.4</sup> Since Michael elected to remain aloof from the actual warfare of the Lucifer rebellion, Gabriel called his personal staff together on Edentia and, in counsel with the Most Highs, elected to assume command of the loyal hosts of Satania. Michael remained on [Salvington](#) while Gabriel proceeded to [Jerusem](#), and establishing himself on the sphere dedicated to the Father—the same Universal Father whose personality Lucifer and Satan had questioned—in the presence of the forgathered hosts of loyal personalities, he displayed the banner of Michael, the material emblem of the Trinity government of all creation, the three azure blue concentric circles on a white background.

<sup>53:5.5</sup> The Lucifer emblem was a banner of white with one red circle, in the centre of which a black solid circle appeared.

<sup>53:5.6</sup> “There was war in heaven; Michael’s commander and his angels fought against the dragon (Lucifer, Satan, and the apostate princes); and the dragon and his rebellious angels fought but prevailed not.” This “war in heaven” was not a physical battle as such a conflict might be conceived on Urantia (Earth). In the early days of the struggle Lucifer held forth continuously in the planetary amphitheatre. Gabriel conducted an unceasing exposure of the rebel sophistries from his headquarters taken up near at hand. The various personalities present on the sphere who were in doubt as to their attitude would journey back and forth between these discussions until they arrived at a final decision.

<sup>53:5.7</sup> But this war in heaven was very terrible and very real. While displaying none of the barbarities so characteristic of physical warfare on the immature worlds, this conflict was far more deadly; material life is in jeopardy in material combat, but the war in heaven was fought in terms of life eternal.

## 6. A LOYAL SERAPHIC COMMANDER

<sup>53:6.1</sup> There were many noble and inspiring acts of devotion and loyalty which were performed by numerous personalities during the interim between the outbreak of hostilities and the arrival of the new system ruler and his staff. But the most thrilling of all these daring feats of devotion was the courageous conduct of Manotia, the second in command of the Satania headquarters’ seraphim.

<sup>53:6.2</sup> At the outbreak of rebellion on Jerusem the head of the seraphic hosts joined the Lucifer cause. This no doubt explains why such a large number of the fourth order, the system administrator seraphim, went astray. The seraphic leader was spiritually blinded by the brilliant personality of Lucifer; his charming ways fascinated the lower orders of celestial beings. They simply could not comprehend that it was possible for such a dazzling personality to go wrong.

<sup>53:6.3</sup> Not long since, in describing the experiences associated with the onset of the Lucifer rebellion, Manotia said: “But my most exhilarating moment was the thrilling adventure connected with the Lucifer rebellion when, as second seraphic commander, I refused to participate in the projected insult to Michael; and the powerful rebels sought my destruction by means of the liaison forces they had arranged. There was a tremendous upheaval on Jerusem, but not a single loyal seraphim was harmed.

# Mother and Father Heavenly Parents

Creator Son & Daughter  
Jesus and Mary

Avonals  
as soul partner pairs

Trinity Teachers  
as soul partner pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soul partner pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soul partner, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our case through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifer, Satan, Caligastia and Daligastia soul partner pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soul partners when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: an Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

<sup>53:6.4</sup> “Upon the default of my immediate superior it devolved upon me to assume command of the angelic hosts of Jerusem as the titular director of the confused seraphic affairs of the system. I was morally upheld by the Melchizedeks, ably assisted by a majority of the Material Sons, deserted by a tremendous group of my own order, but magnificently supported by the ascendant mortals on Jerusem.

<sup>53:6.5</sup> “Having been automatically thrown out of the constellation circuits by the secession of Lucifer, we were dependent on the loyalty of our intelligence corps, who forwarded calls for help to [Edentia](#) from the near-by system of [Rantulia](#); and we found that the kingdom of order, the intellect of loyalty, and the spirit of truth were inherently triumphant over rebellion, self-assertion, and so-called personal liberty; we were able to carry on until the arrival of the new System Sovereign, the worthy successor of Lucifer. And immediately thereafter I was assigned to the corps of the Melchizedek receivership of Urantia (Earth), assuming jurisdiction over the loyal seraphic orders on the world of the traitorous [Caligastia](#), who had proclaimed his sphere a member of the newly projected system of ‘liberated worlds and emancipated personalities’ proposed in the infamous Declaration of Liberty issued by Lucifer in his call to the ‘liberty-loving, free-thinking, and forward-looking intelligences of the misruled and maladministered worlds of [Satania](#).’”

<sup>53:6.6</sup> This angel is still in service on Urantia (Earth), functioning as associate chief of seraphim.

## 7. HISTORY OF THE REBELLION

<sup>53:7.1</sup> The Lucifer rebellion was system wide. Thirty-seven (37) seceding Planetary Princes swung their world administrations largely to the side of the archrebel. Only on Panoptia did the Planetary Prince fail to carry his people with him. On this world, under the guidance of the Melchizedeks, the people rallied to the support of Michael. Ellanora, a young woman of that mortal realm, grasped the leadership of the human races, and not a single soul on that strife-torn world enlisted under the Lucifer banner. And ever since have these loyal Panoptians served on the seventh Jerusem transition world as the caretakers and builders on the Father’s sphere and its surrounding seven detention worlds. The Panoptians not only act as the literal custodians of these worlds, but they also execute the personal orders of Michael for the embellishment of these spheres for some future and unknown use. They do this work as they tarry enroute to Edentia.

<sup>53:7.2</sup> Throughout this period Caligastia was advocating the cause of Lucifer on Urantia (Earth). The Melchizedeks ably opposed the apostate Planetary Prince, but the sophistries of unbridled liberty and the delusions of self-assertion had every opportunity for deceiving the primitive peoples of a young and undeveloped world.

<sup>53:7.3</sup> All secession propaganda had to be carried on by personal effort because the broadcast service and all other avenues of interplanetary communication were suspended by the action of the system circuit supervisors. Upon the actual outbreak of the insurrection the entire system of [Satania](#) was isolated in both the constellation and the universe circuits. During this time all incoming and outgoing messages were dispatched by seraphic agents and Solitary Messengers. The circuits to the fallen worlds were also cut off, so that Lucifer could not utilise this avenue for the furtherance of his nefarious scheme. And these circuits will not be restored so long as the archrebel lives within the confines of Satania.

<sup>53:7.4</sup> This was a Lanonandek rebellion. The higher orders of local universe sonship did not join the Lucifer secession, although a few of the Life Carriers stationed on the rebel planets were somewhat influenced by the rebellion of the disloyal princes. None of the Trinitised Sons went astray. The Melchizedeks, archangels, and the Brilliant Evening Stars were all loyal to Michael and, with Gabriel, valiantly contended for the Father’s will and the Son’s rule.

<sup>53:7.5</sup> No beings of Paradise origin were involved in disloyalty. Together with the Solitary Messengers they took up headquarters on the world of the Spirit and remained under the leadership of the Faithful of Days of Edentia. None of the conciliators apostatised, nor did a single one of the Celestial Recorders go astray. But a heavy toll was taken of the Morontia Companions and the Mansion World Teachers.

<sup>53:7.6</sup> Of the supreme order of seraphim, not an angel was lost, but a considerable group of the next order, the superior, were deceived and ensnared. Likewise a few of the third or supervisor order of angels were misled. But the terrible breakdown came in the fourth group, the administrator angels, those seraphim who are normally assigned to the duties of the system capitals. Manotia saved almost two thirds of them, but slightly over one third followed their chief into the rebel ranks. One third of all the Jerusem cherubim attached to the administrator angels were lost with their disloyal seraphim.

<sup>53:7.7</sup> Of the planetary angelic helpers, those assigned to the Material Sons, about one third were deceived, and almost ten per cent of the transition ministers were ensnared. In symbol, John saw this when he wrote of the great red dragon, saying: "And his tail drew a third part of the stars of heaven and cast them down in darkness."

<sup>53:7.8</sup> The greatest loss occurred in the angelic ranks, but most of the lower orders of intelligence were involved in disloyalty. Of the 681,217 Material Sons lost in Satania, ninety-five per cent were casualties of the Lucifer rebellion. Large numbers of midway creatures were lost on those individual planets whose Planetary Princes joined the Lucifer cause.

<sup>53:7.9</sup> In many respects this rebellion was the most widespread and disastrous of all such occurrences in Nebadon. More personalities were involved in this insurrection than in both of the others. And it is to their everlasting dishonour that the emissaries of Lucifer and Satan spared not the infant-training schools on the finaliter cultural planet but rather sought to corrupt these developing minds in mercy salvaged from the evolutionary worlds.

<sup>53:7.10</sup> The ascending mortals were vulnerable, but they withstood the sophistries of rebellion better than the lower spirits. While many on the lower mansion worlds, those who had not attained final fusion with their Adjusters, fell, it is recorded to the glory of the wisdom of the ascension scheme that not a single member of the Satania ascendant citizenship resident on Jerusem participated in the Lucifer rebellion.

<sup>53:7.11</sup> Hour by hour and day by day the broadcast stations of all Nebadon were thronged by the anxious watchers of every imaginable class of celestial intelligence, who intently perused the bulletins of the Satania rebellion and rejoiced as the reports continuously narrated the unswerving loyalty of the ascending mortals who, under their Melchizedek leadership, successfully withstood the combined and protracted efforts of all the subtle evil forces which so swiftly gathered around the banners of secession and sin.

<sup>53:7.12</sup> It was over two years of system time from the beginning of the "war in heaven" until the installation of Lucifer's successor. But at last the new Sovereign came, landing on the sea of glass with his staff. I was among the reserves mobilised on Edentia by Gabriel, and I well remember the first message of Lanaforge to the Constellation Father of Norlatiadek. It read: "Not a single [Jerusem](#) citizen was lost. Every ascendant mortal survived the fiery trial and emerged from the crucial test triumphant and altogether victorious." And on to Salvington, Uversa, and Paradise went this message of assurance that the survival experience of mortal ascension is the greatest security against rebellion and the surest safeguard against sin. This noble Jerusem band of faithful mortals numbered just 187,432,811.

<sup>53:7.13</sup> With the arrival of Lanaforge the archrebels were dethroned and shorn of all governing powers, though they were permitted freely to go about Jerusem, the morontia spheres, and even to the individual

inhabited worlds. They continued their deceptive and seductive efforts to confuse and mislead the minds of men and angels. But as concerned their work on the administrative mount of Jerusalem, “their place was found no more.”

<sup>53:7.14</sup> While Lucifer was deprived of all administrative authority in Satania, there then existed no local universe power nor tribunal which could detain or destroy this wicked rebel; at that time Michael was not a sovereign ruler. The Ancients of Days sustained the Constellation Fathers in their seizure of the system government, but they have never handed down any subsequent decisions in the many appeals still pending with regard to the present status and future disposition of Lucifer, Satan, and their associates.

<sup>53:7.15</sup> Thus were these archrebels allowed to roam the entire system to seek further penetration for their doctrines of discontent and self-assertion. But in almost two hundred thousand Urantia (Earth) years they have been unable to deceive another world. No Satania worlds have been lost since the fall of the thirty-seven, not even those younger worlds peopled since that day of rebellion.

## 8. THE SON OF MAN ON URANTIA

<sup>53:8.1</sup> Lucifer and Satan freely roamed the Satania system until the completion of the bestowal mission of Michael (in the early part of the first century) on Urantia (Earth). They were last on your world together during the time of their combined assault upon the Son of Man (Jesus).

<sup>53:8.2</sup> Formerly, when the Planetary Princes, the “Sons of God,” were periodically assembled, “Satan came also,” claiming that he represented all of the isolated worlds of the fallen Planetary Princes. But he has not been accorded such liberty on [Jerusalem](#) since Michael’s terminal bestowal. Subsequent to their effort to corrupt Michael (Jesus) when in the bestowal flesh, all sympathy for Lucifer and Satan has perished throughout all Satania, that is, outside the isolated worlds of sin.

<sup>53:8.3</sup> The bestowal of Michael terminated the Lucifer rebellion in all Satania aside from the planets of the apostate Planetary Princes. And this was the significance of Jesus’ personal experience, just before his death in the flesh, when he one day exclaimed to his disciples, “And I beheld Satan fall as lightning from heaven.” He had come with Lucifer to Urantia for the last crucial struggle.

<sup>53:8.4</sup> The Son of Man was confident of success, and he knew that his triumph on your world would forever settle the status of his age-long enemies, not only in Satania but also in the other two systems where sin had entered. There was survival for mortals and security for angels when your Master, in reply to the Lucifer proposals, calmly and with divine assurance replied, “Get you behind me, Satan.” That was, in principle, the real end of the Lucifer rebellion. True, the [Uversa](#) tribunals have not yet rendered the executive decision regarding the appeal of Gabriel praying for the destruction of the rebels, but such a decree will, no doubt, be forthcoming in the fullness of time since the first step in the hearing of this case has already been taken.

<sup>53:8.5</sup> Caligastia was recognised by the Son of Man as the technical Prince of Urantia (Earth) up to near the time of his death. Said Jesus: “Now is the judgment of this world; now shall the prince of this world be cast down.” And then still nearer the completion of his lifework he announced, “The prince of this world is judged.” And it is this same dethroned and discredited Prince who was once termed “God of Urantia.”

<sup>53:8.6</sup> The last act of Michael before leaving Urantia (Earth) was to offer mercy to Caligastia and Daligastia, but they spurned his tender proffer. Caligastia, your apostate Planetary Prince, is still free on Urantia (until their arrest in 1993) to prosecute his nefarious designs, but he has absolutely no power to enter the minds of men, neither can he draw near to their souls to tempt or corrupt them unless they really desire to be cursed with his wicked presence.

<sup>53:8.7</sup> Before the bestowal of Michael these rulers of darkness sought to maintain their authority on Urantia, and they persistently withstood the minor and subordinate celestial personalities. But since the day of Pentecost this traitorous Caligastia and his equally contemptible associate, Daligastia, are servile before the divine majesty of the Paradise Thought Adjusters and the protective Spirit of Truth, the spirit of Michael (Mary Magdalene and Jesus), which has been poured out upon all flesh.

<sup>53:8.8</sup> But even so, no fallen spirit ever did have the power to invade the minds or to harass the souls of the children of God. Neither Satan nor Caligastia could ever touch or approach the faith sons of God; faith is an effective armour against sin and iniquity. It is true: “He who is born of God keeps himself, and the wicked one touches him not.”

<sup>53:8.9</sup> **In general, when weak and dissolute mortals are supposed to be under the influence of devils and demons, they are merely being dominated by their own inherent and debased tendencies, being led away by their own natural propensities. The devil has been given a great deal of credit for evil which does not belong to him. Caligastia has been comparatively impotent since the cross of Christ.**

## 9. PRESENT STATUS OF THE REBELLION

<sup>53:9.1</sup> Early in the days of the Lucifer rebellion, salvation was offered all rebels by Michael (Jesus and Mary Magdalene). To all who would show proof of sincere repentance, he offered, upon his attainment of complete universe sovereignty, forgiveness and reinstatement in some form of universe service. None of the leaders accepted this merciful proffer. But thousands of the angels and the lower orders of celestial beings, including hundreds of the Material Sons and Daughters, accepted the mercy proclaimed by the Panoptians and were given rehabilitation at the time of Jesus’ resurrection nineteen hundred years ago. (The Urantia Book was written 1925 – 1935) These beings have since been transferred to the Father’s world of Jerusem, where they must be held, technically, until the Uversa courts hand down a decision in the matter of Gabriel vs. Lucifer. But no one doubts that, when the annihilation verdict is issued, these repentant and salvaged personalities will be exempted from the decree of extinction. These probationary souls now labour with the Panoptians in the work of caring for the Father’s world.

<sup>53:9.2</sup> The arch-deceiver has never been on Urantia since the days when he sought to turn back Michael from the purpose to complete the bestowal and to establish himself finally and securely as the unqualified ruler of Nebadon. Upon Michael’s becoming the settled head of the universe of Nebadon, Lucifer was taken into custody by the agents of the Uversa Ancients of Days and has since been a prisoner on satellite number one of the Father’s group of the transition spheres of Jerusem. (Subsequently transferred and held with the Caligastias and Daligastias upon their arrest in 1993.) And here the rulers of other worlds and systems behold the end of the unfaithful Sovereign of Satania. Paul knew of the status of these rebellious leaders following Michael’s bestowal, for he wrote of Caligastia’s chiefs as “spiritual hosts of wickedness in the heavenly places.”

<sup>53:9.3</sup> Michael, upon assuming the supreme sovereignty of Nebadon, petitioned the Ancients of Days for authority to intern all personalities concerned in the Lucifer rebellion pending the rulings of the super-universe tribunals in the case of Gabriel vs. Lucifer, placed on the records of the Uversa supreme court almost two hundred thousand years ago, as you reckon time. Concerning the system capital group, the Ancients of Days granted the Michael petition with but a single exception: Satan was allowed to make periodic visits to the apostate princes on the fallen worlds until another Son of God should be accepted by such apostate worlds, or until such time as the courts of Uversa should begin the adjudication of the case of Gabriel vs. Lucifer.

<sup>53:9.4</sup> Satan could come to Urantia because you had no Son of standing in residence—neither Planetary Prince nor Material Son. Machiventa Melchizedek has since been proclaimed vicegerent Planetary Prince of Urantia, and the opening of the case of Gabriel vs. Lucifer has signalled the inauguration of temporary

planetary regimes on all the isolated worlds. It is true that Satan did periodically visit Caligastia and others of the fallen princes right up to the time of the presentation of these revelations, when there occurred the first hearing of Gabriel's plea for the annihilation of the archrebels. Satan is now unqualifiedly detained on the Jerusem prison worlds.

<sup>53:9.5</sup> Since Michael's final bestowal no one in all Satania has desired to go to the prison worlds to minister to the interned rebels. And no more beings have been won to the deceiver's cause. For nineteen hundred years the status has been unchanged.

<sup>53:9.6</sup> We do not look for a removal of the present Satania restrictions until the Ancients of Days make final disposition of the archrebels. The system circuits will not be reinstated so long as Lucifer lives. Meantime, he is wholly inactive.

<sup>53:9.7</sup> The rebellion has ended on Jerusem. It ends on the fallen worlds as fast as divine Sons arrive. We believe that all rebels who will ever accept mercy have done so. We await the flashing broadcast that will deprive these traitors of personality existence. We anticipate the verdict of Uversa will be announced by the executionary broadcast which will affect the annihilation of these interned rebels. Then will you look for their places, but they shall not be found. "And they who know you among the worlds will be astonished at you; you have been a terror, but never shall you be any more." And thus shall all of these unworthy traitors "become as though they had not been." All await the Uversa decree.

<sup>53:9.8</sup> But for ages the seven prison worlds of spiritual darkness in Satania have constituted a solemn warning to all Nebadon, eloquently and effectively proclaiming the great truth "that the way of the transgressor is hard"; "that within every sin is concealed the seed of its own destruction"; that "the wages of sin is death."

**Note:**

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.

A calibration increase of 1 point is in fact a 10 fold increase in energy.

A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.

Thus the energy differentials are in fact enormous!

**our MIND is a CONTROL ADDICT!**  
**our MIND is addicted to UNTRUTH!**  
**our MIND cannot discern TRUTH!**

**our MIND is within our SPIRIT BODY**  
**and orchestrates our physical BRAIN.**

**ASSUMPTIONS are the product of our MIND!**

**HEALING** ends  
**MIND-CONTROL!**

**our SOUL is our TRUTH!**  
**our FEELINGS are our TRUTH!**  
**FEELINGS FIRST, mind to follow!**

**all we need is WITHIN.**

### PERSONALITY TRAITS:

Less than two dozen people on planet Earth.

Would not pick up a weapon let alone use it. These people gravitate to the health industry and humanitarian programs.

Debate and implement resolutions without argument and delay. 470

Debate and implement resolutions in due course. 440

Debate and implement resolutions with some degree of follow up generally needed. 410

Management supervision is generally necessary.

Politics become the hope for man's salvation.

Cause no harm to others starts to emerge. Power overrides force.

Illness is developed by those man erroneous emotions that calibrate 200 and lower.

Armies around the world function on pride. Force is now dominant, not power.

Harm of others prevails, self-interest prevails.

Totally self-reliant, not God reliant.

Fear dominates all motivation.

Suicide is possible and probable.

At these levels, seriously harming others for even trivial events appears to be justifiable.

Poverty, unemployment, illness, etc., this is living hell on Earth.

This outline of the Map of Consciousness spells out the fact that while we live Mind-Centric and ignore and suppress our Feelings we cannot pass 499 MoC. Our mind being in control, as we have all been indoctrinated to live, is a glass ceiling. Humanity cannot heal anything, cannot be spontaneous, has no intuitiveness, and is locked into living in the deep hell states. This is why people find themselves in abusive homes, domestic violence, housing stress, homelessness and gross difficulties of all kinds. This is why we are easily manipulated, embrace propaganda and are being controlled by a few.

Women are closer to their feelings and that is why the nursing profession hosts a lot of women who calibrate a little over 500. These women are the healers in hospitals.

By aspiring to live Feelings First we are each breaking the glass ceiling and opening our potentials to grow in truth and love not only to 1,000 MoC, but to infinity. This is our destiny.

As communities embrace living Feelings First and having their minds to follow in supporting what their feelings are guiding them with, then ALL of the social ills of society will begin to mitigate. Please, do you comprehend the importance of what is being shared throughout this document?

# The Urantia Book

## PAPER 67. THE PLANETARY REBELLION

<https://www.urantia.org/urantia-book-standardized/paper-67-planetary-rebellion>

67:0.1 (754.1) THE problems associated with human existence on Urantia (Earth) are impossible of understanding without a knowledge of certain great epochs of the past, notably the occurrence and consequences of the planetary rebellion. Although this upheaval did not seriously interfere with the progress of organic evolution, it did markedly modify the course of social evolution and of spiritual development. The entire superphysical history of the planet was profoundly influenced by this devastating calamity.

### 1. THE CALIGASTIA BETRAYAL

67:1.1 (754.2) For three hundred thousand years Caligastia had been in charge of Urantia (Earth) when Satan, Lucifer's assistant, made one of his periodic inspection calls. And when Satan arrived on the planet, his appearance in no way resembled your caricatures of his nefarious majesty. He was, and still is, a Lanonandek Son of great brilliance. "And no marvel, for Satan himself is a brilliant creature of light."

67:1.2 (754.3) In the course of this inspection Satan informed Caligastia of Lucifer's then proposed "Declaration of Liberty," and as we now know, the Prince agreed to betray the planet upon the announcement of the rebellion. The loyal universe personalities look with peculiar disdain upon Prince Caligastia because of this premeditated betrayal of trust. The Creator Son voiced this contempt when he said: "You are like your leader, Lucifer, and you have sinfully perpetuated his iniquity. He was a falsifier from the beginning of his self-exaltation because he abode not in the truth."

67:1.3 (754.4) In all the administrative work of a local universe no high trust is deemed more sacred than that reposed in a Planetary Prince who assumes responsibility for the welfare and guidance of the evolving mortals on a newly inhabited world. And of all forms of evil, none are more destructive of personality status than betrayal of trust and disloyalty to one's confiding friends. In committing this deliberate sin, Caligastia so completely distorted his personality that his mind has never since been able fully to regain its equilibrium.

67:1.4 (754.5) There are many ways of looking at sin, but from the universe philosophic viewpoint sin is the attitude of a personality who is knowingly resisting cosmic reality. Error might be regarded as a misconception or distortion of reality. Evil is a partial realisation of, or maladjustment to, universe realities. But sin is a purposeful resistance to divine reality—a conscious choosing to oppose spiritual progress—while iniquity (immoral or grossly unfair behaviour) consists in an open and persistent defiance of recognised reality and signifies such a degree of personality disintegration as to border on cosmic insanity.

67:1.5 (755.1) Error suggests lack of intellectual keenness; evil, deficiency of wisdom; sin, abject spiritual poverty; but iniquity (immoral or grossly unfair behaviour) is indicative of vanishing personality control.

67:1.6 (755.2) And when sin has so many times been chosen and so often been repeated, it may become habitual. Habitual sinners can easily become iniquitous, become wholehearted rebels against the universe and all of its divine realities. While all manner of sins may be forgiven, we doubt whether the established iniquiter would ever sincerely experience sorrow for his misdeeds or accept forgiveness for his sins.

### 2. THE OUTBREAK OF REBELLION

67:2.1 (755.3) Shortly after Satan's inspection and when the planetary administration was on the eve of the realisation of great things on Urantia (Earth), one day, midwinter of the northern continents, Caligastia held a prolonged conference with his associate, Daligastia, after which the latter called the ten councils of

Urantia (Earth) in session extraordinary. This assembly was opened with the statement that Prince Caligastia was about to proclaim himself absolute sovereign of Urantia and demanded that all administrative groups abdicate by resigning all of their functions and powers into the hands of Daligastia as trustee, pending the reorganisation of the planetary government and the subsequent redistribution of these offices of administrative authority.

67:2.2 (755.4) The presentation of this astounding demand was followed by the masterly appeal of Van, chairman of the supreme council of co-ordination. This distinguished administrator and able jurist branded the proposed course of Caligastia as an act bordering on planetary rebellion and appealed to his conferees to abstain from all participation until an appeal could be taken to Lucifer, the System Sovereign of Satania; and he won the support of the entire staff. Accordingly, appeal was taken to Jerusem, and forthwith came back the orders designating Caligastia as supreme sovereign on Urantia and commanding absolute and unquestioning allegiance to his mandates. And it was in reply to this amazing message that the noble Van made his memorable address of seven hours' length in which he formally drew his indictment of Daligastia, Caligastia, and Lucifer as standing in contempt of the sovereignty of the universe of Nebadon; and he appealed to the Most Highs of Edentia for support and confirmation.

67:2.3 (755.5) Meantime the system circuits had been severed; Urantia was isolated. Every group of celestial life on the planet found itself suddenly and without warning isolated, utterly cut off from all outside counsel and advice.

67:2.4 (755.6) Daligastia formally proclaimed Caligastia "God of Urantia and supreme over all." With this proclamation before them, the issues were clearly drawn; and each group drew off by itself and began deliberations, discussions destined eventually to determine the fate of every superhuman personality on the planet.

67:2.5 (755.7) Seraphim and cherubim and other celestial beings were involved in the decisions of this bitter struggle, this long and sinful conflict. Many superhuman groups that chanced to be on Urantia at the time of its isolation were detained here and, like the seraphim and their associates, were compelled to choose between sin and righteousness—between the ways of Lucifer and the will of the unseen Father.

67:2.6 (756.1) For more than seven years this struggle continued. Not until every personality concerned had made a final decision, would or did the authorities of Edentia interfere or intervene. Not until then did Van and his loyal associates receive vindication and release from their prolonged anxiety and intolerable suspense.

### 3. THE SEVEN CRUCIAL YEARS

67:3.1 (756.2) The outbreak of rebellion on Jerusem, the capital of Satania, was broadcast by the Melchizedek council. The emergency Melchizedeks were immediately dispatched to Jerusem, and Gabriel volunteered to act as the representative of the Creator Son, whose authority had been challenged. With this broadcast of the fact of rebellion in Satania the system was isolated, quarantined, from her sister systems. There was "war in heaven," the headquarters of Satania, and it spread to every planet in the local system.

67:3.2 (756.3) On Urantia forty members of the corporeal staff of one hundred (including Van) refused to join the insurrection. Many of the staff's human assistants (modified and otherwise) were also brave and noble defenders of Michael and his universe government. There was a terrible loss of personalities among seraphim and cherubim. Almost one half of the administrator and transition seraphim assigned to the planet joined their leader and Daligastia in support of the cause of Lucifer. Forty thousand one hundred and nineteen of the primary midway creatures joined hands with Caligastia, but the remainder of these beings remained true to their trust.

67:3.3 (756.4) The traitorous Prince marshalled the disloyal midway creatures and other groups of rebel personalities and organised them to execute his bidding, while Van assembled the loyal midwayers and other faithful groups and began the great battle for the salvation of the planetary staff and other marooned celestial personalities.

67:3.4 (756.5) During the times of this struggle the loyalists dwelt in an unwalled and poorly protected settlement a few miles to the east of Dalamatia, but their dwellings were guarded day and night by the alert and ever-watchful loyal midway creatures, and they had possession of the priceless tree of life.

67:3.5 (756.6) Upon the outbreak of rebellion, loyal cherubim and seraphim, with the aid of three faithful midwayers, assumed the custody of the tree of life and permitted only the forty loyalists of the staff and their associated modified mortals to partake of the fruit and leaves of this energy plant. There were fifty-six of these modified Andonite associates of the staff, sixteen of the Andonite attendants of the disloyal staff refusing to go into rebellion with their masters.

67:3.6 (756.7) Throughout the seven crucial years of the Caligastia rebellion, Van was wholly devoted to the work of ministry to his loyal army of men, midwayers, and angels. The spiritual insight and moral steadfastness which enabled Van to maintain such an unshakable attitude of loyalty to the universe government was the product of clear thinking, wise reasoning, logical judgment, sincere motivation, unselfish purpose, intelligent loyalty, experiential memory, disciplined character, and the unquestioning dedication of his personality to the doing of the will of the Father in Paradise.

67:3.7 (756.8) This seven years of waiting was a time of heart searching and soul discipline. Such crises in the affairs of a universe demonstrate the tremendous influence of mind as a factor in spiritual choosing. **Education, training, and experience are factors in most of the vital decisions of all evolutionary moral creatures.** But it is entirely possible for the indwelling spirit to make direct contact with the decision-determining powers of the human personality so as to empower the fully consecrated will of the creature to perform amazing acts of loyal devotion to the will and the way of the Father in Paradise. And this is just what occurred in the experience of Amadon, the modified human associate of Van.

67:3.8 (757.1) Amadon is the outstanding human hero of the Lucifer rebellion. This male descendant of Andon and Fonta was one of the one hundred who contributed life plasm to the Prince's staff, and ever since that event he had been attached to Van as his associate and human assistant. Amadon elected to stand with his chief throughout the long and trying struggle. And it was an inspiring sight to behold this child of the evolutionary races standing unmoved by the sophistries of Daligastia while throughout the seven-year struggle he and his loyal associates **resisted with unyielding fortitude all of the deceptive teachings of the brilliant Caligastia.**

67:3.9 (757.2) Caligastia, with a maximum of intelligence and a vast experience in universe affairs, went astray—embraced sin. Amadon, with a minimum of intelligence and utterly devoid of universe experience, remained steadfast in the service of the universe and in loyalty to his associate. Van utilised both mind and spirit in a magnificent and effective combination of intellectual determination and spiritual insight, thereby achieving an experiential level of personality realisation of the highest attainable order. **Mind and spirit, when fully united, are potential for the creation of superhuman values, even morontia realities.**

67:3.10 (757.3) There is no end to the recital of the stirring events of these tragic days. But at last the final decision of the last personality was made, and then, but only then, did a Most High of Edentia arrive with the emergency Melchizedeks to seize authority on Urantia (Earth). The Caligastia panoramic reign-records on Jerusem were obliterated, and the probationary era of planetary rehabilitation was inaugurated.

#### 4. THE CALIGASTIA ONE HUNDRED AFTER REBELLION

67:4.1 (757.4) When the final roll was called, the corporeal members of the Prince's staff were found to have aligned themselves as follows: Van and his entire court of co-ordination had remained loyal. Ang and three members of the food council had survived. The board of animal husbandry were all swept into rebellion as were all of the animal-conquest advisers. Fad and five members of the educational faculty were saved. Nod and all of the commission on industry and trade joined Caligastia. Hap and the entire college of revealed religion remained loyal with Van and his noble band. Lut and the whole board of health were lost. The council of art and science remained loyal in its entirety, but Tut and the commission on tribal government all went astray. Thus were forty out of the one hundred saved, later to be transferred to Jerusem, where they resumed their Paradise journey.

67:4.2 (757.5) The sixty members of the planetary staff who went into rebellion chose Nod as their leader. They worked wholeheartedly for the rebel Prince but soon discovered that they were deprived of the sustenance of the system life circuits. They awakened to the fact that they had been degraded to the status of mortal beings. They were indeed superhuman but, at the same time, material and mortal. In an effort to increase their numbers, Daligastia ordered immediate resort to sexual reproduction, knowing full well that the original sixty and their forty-four modified Andonite associates were doomed to suffer extinction by death, sooner or later. After the fall of Dalamatia the disloyal staff migrated to the north and the east. Their descendants were long known as the Nodites, and their dwelling place as "the land of Nod."

67:4.3 (758.1) The presence of these extraordinary supermen and superwomen, stranded by rebellion and presently mating with the sons and daughters of Earth, easily gave origin to those traditional stories of the gods coming down to mate with mortals. And thus originated the thousand and one legends of a mythical nature, but founded on the facts of the post-rebellion days, which later found a place in the folk tales and traditions of the various peoples whose ancestors had participated in these contacts with the Nodites and their descendants.

67:4.4 (758.2) The staff rebels, deprived of spiritual sustenance, eventually died a natural death. And much of the subsequent idolatry of the human races grew out of the desire to perpetuate the memory of these highly honoured beings of the days of Caligastia.

67:4.5 (758.3) When the staff of one hundred came to Urantia, they were temporarily detached from their Thought Adjusters. Immediately upon the arrival of the Melchizedek receivers the loyal personalities (except Van) were returned to Jerusem and were reunited with their waiting Adjusters. We know not the fate of the sixty staff rebels; their Adjusters still tarry on Jerusem. Matters will undoubtedly rest as they now are until the entire Lucifer rebellion is finally adjudicated and the fate of all participants decreed.

67:4.6 (758.4) It was very difficult for such beings as angels and midwayers to conceive of brilliant and trusted rulers like Caligastia and Daligastia going astray—committing traitorous sin. Those beings who fell into sin—they did not deliberately or premeditatedly enter upon rebellion—were misled by their superiors, deceived by their trusted leaders. It was likewise easy to win the support of the primitive-minded evolutionary mortals.

67:4.7 (758.5) The vast majority of all human and superhuman beings who were victims of the Lucifer rebellion on Jerusem and the various misled planets have long since heartily repented of their folly; and we truly believe that all such sincere penitents will in some manner be rehabilitated and restored to some phase of universe service when the Ancients of Days finally complete the adjudication of the affairs of the Satania rebellion, which they have so recently begun.

## 5. IMMEDIATE RESULTS OF REBELLION

67:5.1 (758.6) Great confusion reigned in Dalamatia and thereabout for almost fifty years after the instigation of rebellion. The complete and radical reorganisation of the whole world was attempted; revolution displaced evolution as the policy of cultural advancement and racial improvement. Among the superior and partially trained sojourners in and near Dalamatia there appeared a sudden advancement in cultural status, but when these new and radical methods were attempted on the outlying peoples, indescribable confusion and racial pandemonium was the immediate result. Liberty was quickly translated into license by the half-evolved primitive men of those days.

67:5.2 (758.7) Very soon after the rebellion the entire staff of sedition were engaged in energetic defence of the city against the hordes of semi-savages who besieged its walls as a result of the doctrines of liberty which had been prematurely taught them. And years before the beautiful headquarters went down beneath the southern waves, the misled and mistaught tribes of the Dalamatia hinterland had already swept down in semi-savage assault on the splendid city, driving the secession staff and their associates northward.

67:5.3 (759.1) The Caligastia scheme for the immediate reconstruction of human society in accordance with his ideas of individual freedom and group liberties, proved a swift and more or less complete failure. Society quickly sank back to its old biologic level, and the forward struggle began all over, starting not very far in advance of where it was at the beginning of the Caligastia regime, this upheaval having left the world in confusion worse confounded.

67:5.4 (759.2) One hundred and sixty-two years after the rebellion a tidal wave swept up over Dalamatia, and the planetary headquarters sank beneath the waters of the sea, and this land did not again emerge until almost every vestige of the noble culture of those splendid ages had been obliterated.

67:5.5 (759.3) When the first capital of the world was engulfed, it harboured only the lowest types of the Sangik races of Urantia, renegades who had already converted the Father's temple into a shrine dedicated to Nog, the false god of light and fire.

## 6. VAN—THE STEADFAST

67:6.1 (759.4) The followers of Van early withdrew to the highlands west of India, where they were exempt from attacks by the confused races of the lowlands, and from which place of retirement they planned for the rehabilitation of the world as their early Badonite predecessors had once all unwittingly worked for the welfare of mankind just before the days of the birth of the Sangik tribes.

67:6.2 (759.5) Before the arrival of the Melchizedek receivers, Van placed the administration of human affairs in the hands of ten commissions of four each, groups identical with those of the Prince's regime. The senior resident Life Carriers assumed temporary leadership of this council of forty, which functioned throughout the seven years of waiting. Similar groups of Amadonites assumed these responsibilities when the thirty-nine loyal staff members returned to Jerusem.

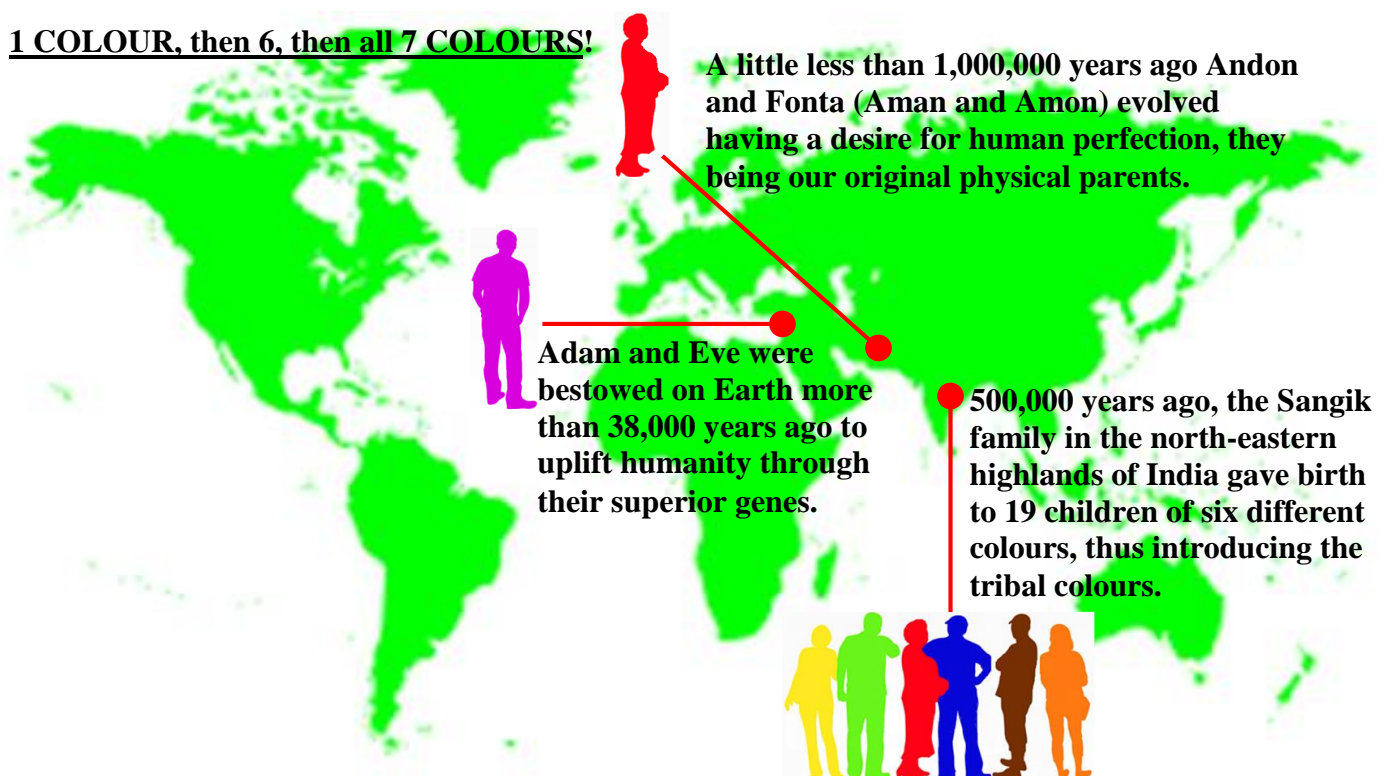

67:6.3 (759.6) These *Amadonites* were derived from the group of 144 loyal Andonites to which Amadon belonged, and who have become known by his name. This group comprised thirty-nine men and one hundred and five women. Fifty-six of this number were of immortality status, and all (except Amadon) were translated along with the loyal members of the staff. The remainder of this noble band continued on Earth to the end of their mortal days under the leadership of Van and Amadon. They were the biologic leaven which multiplied and continued to furnish leadership for the world down through the long dark ages of the post-rebellion era.

### **HUMANITY PHYSICAL COLOURINGS and order of emergence:**

500,000 years ago Sangik parents of the Badonan tribes of the north-eastern highlands of India gave birth to all six colours – 19 children to one family!

### **1 COLOUR, then 6, then all 7 COLOURS!**

67:6.4 (759.7) Van was left on Urantia until the time of Adam (Eve and Adam), remaining as titular head of all superhuman personalities functioning on the planet. He and Amadon were sustained by the technique of the tree of life in conjunction with the specialised life ministry of the Melchizedeks for over one hundred and fifty thousand years.

67:6.5 (759.8) The affairs of Urantia were for a long time administered by a council of planetary receivers, twelve Melchizedeks, confirmed by the mandate of the senior constellation ruler, the Most High Father of Norlatiadek. Associated with the Melchizedek receivers was an advisory council consisting of: one of the loyal aids of the fallen Prince, the two resident Life Carriers, a Trinitised Son in apprenticeship training, a volunteer Teacher Son, a Brilliant Evening Star of Avalon (periodically), the chiefs of seraphim and cherubim, advisers from two neighbouring planets, the director general of subordinate angelic life, and Van, the commander in chief of the midway creatures. And thus was Urantia governed and administered until the arrival of Adam. It is not strange that the courageous and loyal Van was assigned a place on the council of planetary receivers which for so long administered the affairs of Urantia.

67:6.6 (760.1) The twelve Melchizedek receivers of Urantia (Earth) did heroic work. They preserved the remnants of civilisation, and their planetary policies were faithfully executed by Van. Within one thousand years after the rebellion he had more than three hundred and fifty advanced groups scattered abroad in the world. These outposts of civilisation consisted largely of the descendants of the loyal Andonites slightly admixed with the Sangik races, particularly the blue men, and with the Nodites.

67:6.7 (760.2) Notwithstanding the terrible setback of rebellion there were many good strains of biologic promise on Earth. Under the supervision of the Melchizedek receivers, Van and Amadon continued the work of fostering the natural evolution of the human race, carrying forward the physical evolution of man until it reached that culminating attainment which warranted the dispatch of a Material Son and Daughter to Urantia (Earth).

67:6.8 (760.3) Van and Amadon remained on Earth until shortly after the arrival of Adam and Eve. Some years thereafter they were translated to Jerusem, where Van was reunited with his waiting Adjuster. Van now serves in behalf of Urantia while awaiting the order to go forward on the long, long trail to Paradise perfection and the unrevealed destiny of the assembling Corps of Mortal Finality.

67:6.9 (760.4) It should be recorded that, when Van appealed to the Most Highs of Edentia after Lucifer had sustained Caligastia on Urantia, the Constellation Fathers dispatched an immediate decision sustaining Van on every point of his contention. This verdict failed to reach him because the planetary circuits of communication were severed while it was in transit. Only recently was this actual ruling discovered lodged in the possession of a relay energy transmitter where it had been marooned ever since the isolation of Urantia. Without this discovery, made as the result of the investigations of the Urantia midwayers, the release of this decision would have awaited the restoration of Urantia to the constellation circuits. And this apparent accident of interplanetary communication was possible because energy transmitters can receive and transmit intelligence, but they cannot initiate communication.

67:6.10 (760.5) The technical status of Van on the legal records of Satania was not actually and finally settled until this ruling of the Edentia Fathers was recorded on Jerusem.

## 7. REMOTE REPERCUSSIONS OF SIN

67:7.1 (760.6) The personal (centripetal) consequences of the creature's wilful and persistent rejection of light are both inevitable and individual and are of concern only to Deity and to that personal creature. Such a soul-destroying harvest of iniquity is the inner reaping of the iniquitous will creature.

67:7.2 (761.1) But not so with the external repercussions of sin: The impersonal (centrifugal) consequences of embraced sin are both inevitable and collective, being of concern to every creature functioning within the affect-range of such events.

67:7.3 (761.2) **By fifty thousand years after the collapse of the planetary administration, earthly affairs were so disorganised and retarded that the human race had gained very little over the general evolutionary status existing at the time of Caligastia's arrival three hundred and fifty thousand years previously. In certain respects progress had been made; in other directions much ground had been lost.**

67:7.4 (761.3) Sin is never purely local in its effects. The administrative sectors of the universes are organismal; the plight of one personality must to a certain extent be shared by all. **Sin, being an attitude of the person toward reality, is destined to exhibit its inherent negativistic harvest upon any and all related levels of universe values.** But the full consequences of erroneous thinking, evil-doing, or sinful planning are experienced only on the level of actual performance. The transgression of universe law may be fatal in the physical realm without seriously involving the mind or impairing the spiritual experience. Sin is fraught with fatal consequences to personality survival only when it is the attitude of the whole being, when it stands for the choosing of the mind and the willing of the soul.

67:7.5 (761.4) Evil and sin visit their consequences in material and social realms and may sometimes even retard spiritual progress on certain levels of universe reality, but never does the sin of any being rob another of the realisation of the divine right of personality survival. Eternal survival can be jeopardised only by the decisions of the mind and the choice of the soul of the individual himself.

67:7.6 (761.5) Sin on Urantia did very little to delay biologic evolution, but it did operate to deprive the mortal races of the full benefit of the Adamic inheritance. **Sin enormously retards intellectual development, moral growth, social progress, and mass spiritual attainment.** But it does not prevent the highest spiritual achievement by any individual who chooses to know God and sincerely do his divine will.

67:7.7 (761.6) Caligastia rebelled, Adam and Eve did default, but no mortal subsequently born on Urantia has suffered in his personal spiritual experience because of these blunders. **Every mortal born on Urantia since Caligastia's rebellion has been in some manner time-penalized, but the future welfare of such souls has never been in the least eternity-jeopardised.** No person is ever made to suffer vital spiritual deprivation because of the sin of another. Sin is wholly personal as to moral guilt or spiritual consequences, notwithstanding its far-flung repercussions in administrative, intellectual, and social domains.

67:7.8 (761.7) While we cannot fathom the wisdom that permits such catastrophes, we can always discern the beneficial outworking of these local disturbances as they are reflected out upon the universe at large.

## 8. THE HUMAN HERO OF THE REBELLION

67:8.1 (761.8) The Lucifer rebellion was withstood by many courageous beings on the various worlds of Satania; but the records of Salvington portray Amadon as the outstanding character of the entire system in his glorious rejection of the flood tides of sedition and in his unswerving devotion to Van—they stood together unmoved in their loyalty to the supremacy of the invisible Father and his Son Michael.

67:8.2 (762.1) At the time of these momentous transactions I was stationed on Edentia, and I am still conscious of the exhilaration I experienced as I perused the Salvington broadcasts which told from day to day of the unbelievable steadfastness, the transcendent devotion, and the exquisite loyalty of this onetime semi-savage springing from the experimental and original stock of the Andonic race.

67:8.3 (762.2) From Edentia up through Salvington and even on to Uversa, for seven long years the first inquiry of all subordinate celestial life regarding the Satania rebellion, ever and always, was: “What of Amadon of Urantia, does he still stand unmoved?”

67:8.4 (762.3) If the Lucifer rebellion has handicapped the local system and its fallen worlds, if the loss of this Son and his misled associates has temporarily hampered the progress of the constellation of Norlatiadek, then weigh the effect of the far-flung presentation of the inspiring performance of this one child of nature and his determined band of 143 comrades in standing steadfast for the higher concepts of universe management and administration in the face of such tremendous and adverse pressure exerted by his disloyal superiors. And let me assure you, **this has already done more good in the universe of Nebadon and the super-universe of Orvonton than can ever be outweighed by the sum total of all the evil and sorrow of the Lucifer rebellion.**

67:8.5 (762.4) And all this is a beautifully touching and superbly magnificent illumination of the wisdom of the Father’s universal plan for mobilising the Corps of Mortal Finality on Paradise and for recruiting this vast group of mysterious servants of the future largely from the common clay of the mortals of ascending progression—just such mortals as the impregnable Amadon.

67:8.6 (762.5) [Presented by a Melchizedek of Nebadon.]

# Systems of Deception!

One person with unfettered and supreme control, a System Sovereign, has had aeons of time to passively and stealthfully impose upon his minions (us – you and me) a way of living that assures him, the arch hidden controller, that we would remain compliant and submissive to his begging. His extreme intelligence and consciousness is no match for us ascending mortals who arrive naively upon Earth with absolute dependence upon parents who have already capitulated – unknowingly – to his wily stealth.

The System Sovereign's goal was that we do not evolve, that we remain fearful of our true Heavenly Parents, that our true pathway for spiritual development is not revealed, that we live in a manner of servitude and ignorance through our minds believing that our submission to our minds will enable us to become all powerful and even mini-gods. When we transition into the spirit mind Mansion Worlds, we remain collectively his waiting army to fulfil his ambitions to expand his domain and territory. We have been well and truly screwed over through his imposed systems of:

- Parenting – unable to love our children due to lack of truth in what we are provided with.
- Education – minimalistic, having our minds unable to progress beyond reason – our minds are addicted to untruth and control of others including our environment.
- Health systems – ignorance of our spirit bodies and gross ignorance of underlying cause of illnesses which are through the lack of being loved. Our health systems cannot heal.
- Commercial systems – we become salary slaves with suppressive debt slavery resulting from the costs of education, housing, health services, transportation and necessities for survival.
- Political systems – that divide the community into camps and then deliver representation of only a portion of the population without candidates having necessary leadership skills and experience.
- Religions – there is only one truth. We are to live through our feelings – not our minds.

We have been led to live mind centric which is the pathway of all of nature except humanity which is ensouled. We of humanity are to live feelings first with our minds to assist in implementing what our soul based feelings lead us to embrace. We are truth seekers and truth is to be found through feelings.

Higher level personalities than our System Sovereign have now taken on all of the evilness and wrongness of what these rebellious Lanonandek spirits have imposed upon us and have healed themselves of these injuries. Now all systems assembled during the Rebellion and Default, now ending, need to be rebuilt!

Our pathway to Paradise, the home of our Heavenly Mother and Father, is through living embracing our soul based feelings, living feelings first, to express what our feelings draw our attention to and to long for the truth of what our feelings are to show us – both good and bad.

A lady named Samantha found James Moncrief's writings on a website and commenced to engage in her Feeling Healing. This may have been in 2013. Samantha is like all of us, she is an ascending mortal. She has no specialness nor has she had any support other than James' writings on the internet. Samantha has been successful with her healing. She has been very successful. She has now written numerous books outlining her experiences so each and every one of us can follow her example. An ascending mortal, Samantha, has conquered all that the rebellious Lanonandeks, led by Lucifer, have imposed upon us. Samantha is the new mother of humanity in demonstrating to us how to embrace the one and only pathway home to our Heavenly Mother and Father.

# Root Cause

Highly esteemed Lanonandek spirits from within our local universe of Nebadon were assigned as System Sovereigns of our local system to oversee Earth's humanity and their spiritual development. 200,000 years ago they, the Lucifers, became infatuated with their authority and turned against the regents of Nebadon, Mary and Jesus, as well as rejecting God. Through their Planetary Princes, also Lanonandek spirits, they had taken the humanities of 37 worlds within their local system into their Rebellion.

By living through our minds, suppressing our feelings, we on Earth will continue to be at war with each other, illnesses of all descriptions will continue from our feelings suppression, famine and inequalities prevail, control of others is the core of all systems, we cannot determine truth from falsehood and life on Earth is a living hell. We have been continually seduced by mind Mansion World spirits and we live life in a stupor – nothing more than zombies doing the begging of the evil ones, the rebellious Lanonandek spirits.

By living through our minds, suppressing our soul based feelings, we have been progressively going further and further away from our Heavenly Parents, now to the point that we cannot go any further. Through working cracks in the Universal Contract governing the Rebellion and Default, this control has been ended formally as of 31 January 2018.

# Pathway Forward

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

**God's Divine Love: Pray for it, ask for it, and receive it.**

**The Golden rule is: Never interfere with another's will.**

**Golden Rule: that one must always honour another's will as one honours one's own.**

**New Feelings Way: learning how to live true to ourselves by living true to our feelings.**

**We are to express our feelings, both good and bad, at all times, and to long for the truth of them.**

**By living true to ourselves true to our feelings, we are living true to God. It's that simple.**

Machiventa Melchizedek, to this day, continues to oversee the plan that was evolved more than 4,000 years ago to progressively open cracks in the Universal Contract governing the Rebellion and Default instigated by Lucifer 200,000 years ago. With 'federal' authority, the Creator Daughter and Son brought about the Lucifers and Satans' spirit world imprisonment 2,000 years ago, and set the Avonal bestowals in place.

The commencement of the Padgett Messages on 31 May 1914 triggered the bestowal of the Avonal Pair for Earth's humanity. The Avonals' 'state' authority brought about the Caligastias and Daligastias spirit world imprisonment in 1993. The Avonals' healing of what they have taken on of the Rebellion and Default ends the Rebellion and Default. Now we can all follow and progress on the pathway to Paradise.

## EXPERIENCES, FEELINGS and TRUTH:

We look into the night sky and see around 1,000 stars that possibly are the hosts to the 619 humanities of our local system, Satania. Earth is on the outskirts of Satania.

When we 'die', and shed our physical body as we are spirits having a physical experience, we all arrive on the 1<sup>st</sup> spirit Mansion World.

If we continue to live through our minds, then we may progress to worlds 2, 4 then 6 and no further – dead end!

Should we embrace Feeling Healing with Divine Love, we will start our journey of Truth and Love, progressing through Healing Mansion Worlds 3, 5 and 7, then through the Celestial Heavens and onwards out through our Local Universe of Nebadon and on to Paradise, the home of our Heavenly Parents.

The spirit worlds are within a different dimension to the physical stars and earths. However picturing the spirit worlds within the centre of our local system is only a visualisation aid and not necessarily accurate.

## WHICH WAY? MIND SELF RELIANT or FEELING AND GOD RELIANT:

To PARADISE, the HOME of OUR HEAVENLY PARENTS

# The Way Home

Maybe something like 30 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

Throughout the Avonal Age of 1,000 years, their Spirits of Truth will assist us in embracing and engaging with our Feeling Healing and with Divine Love our Soul Healing. They will assist us to develop our soul well into Celestial Heaven status should we persevere with such a goal. The extent to which the Avonal Pair develop themselves while here in the physical on Earth is the level that their Spirits of Truth will be able to assist us. Then it will be Mary and Jesus' Spirits of Truth that will assist us up and out of Nebadon, where our Heavenly Parents will then assist us onto Paradise, Their home.

# JOURNEY TO PARADISE

Our Heavenly Mother and Father

# Paradise Trinity

Heavenly Mother  
and Father  
'Love'

Eternal Son of 'Truth'

Infinite Daughter of 'Mind'

Jesus and Mary's soul are different in design than ours. They are a Creator Daughter and Son, or similarly referred to as Michael Daughter and Son soul, and within their soul is expressed only the two of the Primary Aspects of Deity. They are of the Mother and Father, our Heavenly Parents and the Eternal Son. Avonal Daughters and Sons are expressive of the Eternal Son and Infinite Daughter.

The core of humanity (us mortals of Earth) is of the Truth and Mind, and then with the addition of the Indwelling Spirit, we can then relate to the Love.

And with the Avonal pair now on our world (Earth), they too expressing the Son of Truth and Daughter of Mind, we actually are far better suited to relating to them than we are to Mary and Jesus.

# Rebellion Ended Forever!

## Events are Coalescing ...

Events are coming together, growing together to form one - - - a New Way of Living!!!

For the past 60 years, following the winding up of World War II (1939 – 1945), humanity has been experiencing relative peace, progress and prosperity. There has been a sense of stability and stableness that has provided a platform of there being a considered possibility that we, as a humanity, could or can evolve into a way of life that is long term growth. Well maybe!

It is now in the 2020s and that illusion is smashed. All we see around us is insanity and stupidity on steroids. There is no cohesion, no collective leadership, no coherent strength of guidance and the world is on a global war footing. The world is preparing for World War III and no one is standing up to stop this catastrophe.

Ladies and gentlemen, girls and boys, we are meant to see the contrast. We are now to grasp the moment and look for a better way to live. We are to recognise that the way we have been living is not viable. It is not only not viable, it guarantees that we are going to continually repeat the old ways, time and time and time again. We have done that for the past 200,000 years and here we are, worldwide, about to make a total mess of the planet and destroy all that we think is wonderful and beneficial for us.

The contrast of the past 60 years to the zombiism, insanity and stupidity that we now see around us every moment of every days is stark. Yet what we have experienced throughout these so-called stable years is a physical life of hell. Yes, we are each living in a physical hell and that will remain so until we each heal ourselves of what we each have unknowingly taken on of the Rebellion and Default.

The Great U-Turn that we each are to embrace is simple to describe – but it will take a great deal of personal endeavour and perseverance. We are to embrace our feelings, our soul based feelings, which are always in truth and have our mind to follow in support of our feelings. We are too long to know the truth behind what our feelings are drawing our attention to – and continue to delve further into what our feelings have to reveal to us. Our healing is the expressing all that our feelings draw our attention to, what has entered emotionally is to be expressed emotionally.

Sounds simple. And it also sounds obvious. And many have come close to understanding this. As of today, 7 September 2025, two ladies have completed their Feeling Healing. Throughout the history of humanity on Earth, and that is nearly 993,500 years commencing with Andon and Fonta, only two people have completed their Feeling Healing and are now living in a potential Celestial soul state condition. They have not transitioned into that state but they are healed of the Rebellion and Default. They are leading the way and showing the way. It is not known if they will transition to Celestial state in the physical while alive or not.

Samantha who lives in England was the first to do so, possibly on 22 September 2024.

James Moncrief wrote on 7 September 2025: “Another part of the so-called ‘end’ that’s interesting to have happened at this time, is Marion saying, not only does she feel she’s finished her Healing, but also that she’s finished doing all she needed to do with me. That which she’s needed to do to sort out what is a loving and unloving relationship, and how she’s had only unloving ones, and how now she wants only

loving ones, and knowing what to look for so she wouldn't get tangled up in another unloving one, able to see all the signs right from the beginning so as to avoid them. That she needed me to be wrong and to keep making her feel bad so she could find through her bad feelings the truth of why she wasn't feeling loved by me and work out the truth of it all, how it all came from her parents and family, and how I represent them to her."

Humanity now has leadership and guidance to end the Rebellion and Default within each and every one of us now living and yet to come. This is now available in multiple libraries, books and Pascas Papers to draw from, to cross reference. People will be able to join together and assist each other. There is no organisation to join as we are all fully self-contained – our feelings are our truth.

This is a new way of living, a way that provides us with the pathway to infinite growth, joy and love.

No one had recognised that living mind-centric, as we each are now subjected to, limits our development to 499 on Dr David R Hawkins' Map of Consciousness which is the peak of 'reason' and it also is the limit of those living within the first spirit Mansion World. Mind-centricity is a way to keep people suppressed. It is self-imprisonment. Release the shackles and open the door to wonders that just there for each of us to reach out a little and behold!!!

We are to live feelings first having our minds to following assisting in what our feelings draw our attention to.

## MEDICAL PROCEDURES and RESEARCH

**Sometimes You Can Find a Needle in a Hay Stack!**

**While traditional allopathy medical research focuses only upon the physical body to resolve illness events and health issues, they continue to be like blindfolded mechanics endeavouring to repair motor vehicles.**

**The physical body is animated by the spirit body, and in turn the spirit body is animated by our soul. The spirit body is of much finer substance than the physical body, and the soul is of an even finer substance, hence research technology in the physical world cannot comprehend these bodies.**

**Our soul and spirit body is the home of our emotional injuries and errors. These emotional issues create fissures and damage within our spirit body. Subsequently the injuries within our spirit body generate illness within our physical body, corresponding to the location in the spirit body.**

**Illness is generated by our mind, however, healing is generated by our soul. Releasing the emotional injuries eventually heals the physical.**

## **LIFE from CONCEPTION for JOHN!**

I, John, reflect on my life as being straight as the longest and straightest railway line imaginable. Without deviation, all events throughout my life have contributed, added to, and enabled what now is apparently completed. The relief and the release of this work has totally and absolutely overwhelmed me. The joy and elation that it is done, not only done for a few, but done for all of Earth's humanity, by that I mean ALL of Earth's humanity including those throughout the spirit Mansion Worlds as well, of which there are seven such worlds in the series, and it is not only ended for Earth's humanity, Rebellion and Default is now systemised out of occurring anywhere throughout all of the universes and super universes now existing, forming and are yet to form.

The concept of a Rebellion, and possibly Rebellion and Default, NOW, as of 30 August 2025, cannot ever occur again. Systems are now in place throughout all of the universes to avoid and prevent what we on Earth have endured, unknowingly, these past almost 200,000 years!!!

The Indian Pacific is a regular passenger train crossing the Nullarbor from Perth to Sydney via Adelaide. The railway line has the longest straight section of railway in the world 478 kilometres (300 miles). My life track has been narrower and much, much longer!

Every facet, faze, experience, step, seeming digression, adventure, mishap (plenty), and blunder, each have added to what I have had to come to understand to deliver what is now completed. Did I know what I was to do? Absolutely clueless. Yes, it has been an absurdly weird and odd life. Extra-ordinarily lonely life as no-one could understand what I was about, as I did not know, and now to explain that Earth's Rebellion and Default is permanently ended not only for Earth, but for all humanities existing and yet to exist throughout all the universes existing and yet to exist is impossible to comprehend because very few people are even aware we have been subjected to a 'Rebellion and Default'!

It takes one person to achieve a milestone for humanity, but once that milestone is reached then all of humanity has access to that achievement. Further, some milestones need to be achieved by one person on their own. Consequently, should I have 'withdrawn' from the long narrow path to the finish line then someone else would have taken on the journey – possibly hundreds of years into the future! Well, the finish line has been crossed and now we all are to join in and embrace the revelations and freedom that is now documented to the fullest – the Pascas Papers.

By one person undertaking the documentation avoids conflicts in the statements throughout, the language is uniform and the volume of record is such to avoid misunderstandings. The typos are those of Johns – me. The Pascas Papers refer to very valuable source documents that few had recognised were and are all part of this one enormous revelation of truth for all of humanity.

**James Moncrief, note to Samantha:**

Thursday, 4 September 2025

“Yes, it’s John and Gary doing stuff because of all the latest Larry offerings. And it’s going to keep growing, according to John! (This is referring to a cryptocurrency wallet that is part of a global funding for all of Earth’s humanity.)

I just called John, he’s been sick. On the weekend he had a big purge (Saturday evening, 30 August 2025), front and back, in his bathroom, he saying luckily he got to it, he was lying on the floor for some hours in all the muck, in a sort of out of it state. A friend came and cleaned the bathroom on Sunday, he went to the doctor then to the hospital for overnight tests, everything testing fine, he was heavily dehydrated from all the throwing up and pooing, he is now back resting in bed. He said he knew something was coming, he’d been very grumpy for the past six months, and all the stress he’s been under with Gary, Larry, Jeffery and everything else, it all coming to a head.

He says he feels wonderful actually, because I told him a few days before (around midday on Saturday 30 August) it all came to a head, about the Evil Ones being dealt with, he loving that the Ds and Cs (Daligastias and Caligastias) were offered the chance to do their Healing, he loving that I helped organise all that, seeing in his mind, in which there is a lot of truth, that a huge part of my work towards ending the Rebellion and Default, has been completed.

It is extraordinary how it’s all worked for him, it’s been his dream / vision all the way along, to somehow change humanity for the better, for everyone to be happier, by making available a reasonable standard of living, and then to add to it, a higher spiritual way of looking at themselves and life. He adopted me because I offered the higher spiritual way, which he liked, and then the ever growing amount of money being potentially offered to him, his SI (Solid Investment), to Jeffery (Bretton-Woods Mark II), and now to Larry (Google Bank), vast amounts in potential to more than get everyone in the World to a decent level of living, so with their basic concerns being taken care of, they will have time to assess the offer of a higher spiritual way of life through the Feeling-Healing (as introduced and published by James Moncrief).

So in a way, all he’s wanted and worked so hard for, suddenly, does look like in some capacity, it’s on the threshold of becoming something of a reality. Which is a HUGE effort on his part; and he’s had little help, having had it all in his mind and with very few people able to understand something of what he’d taken on through it all.

He said in early August, Gary was so stressed by it all, was ready to throw it all away, but with John’s help he hung in there, and now they are both feeling very good about it.

Back then John saw with Gary and Larry (Gary having introduced the Google Bank possibility), he had the way to fund Pascas with far more freedom than what Jeffery might offer (or any other traditional platform). Then there was the delay to November 2025. And although a pain, it’s been good because of Larry offering all these other things, so suddenly John has been able to increase his vision, that being to set up the 400 Wallets, which he says as soon as he his strength is back, will start doing, as it can be done. (Each country to have a cryptocurrency wallet. Large population nations to be zoned so that a wallet supports around 30 million people. Large national populations such as India and China to have a wallet to support each province / state. Or similar region depending upon culture.)

Then, after Larry delayed it, I speak with him about the Evil Ones being taken away and some of them starting their Healing, so in John’s mind, that’s the complete End of the Rebellion and Default, so the end to all further delays, it being for him, the green light for it all to start, for him to start giving to humanity what people will need materially and spiritually to begin living in some sense, rebellion-free. So working to personally free themselves doing their Healing, and at the same time, able to live a decent and happy material life because of all what the Funding will provide.

And then, also with the delay, Jeffery tells John that the Thai government and the funding Jeffery has been developing, is supporting Larry in some way. Then Jeffery as of today has called John confirming that a lot of that Funding money will be to backstop Larry. So suddenly for John, who's always been in the centre of it, Jeffery and Larry have linked up, right at the time when the Rebellion and Default have technically ended. So what is the FUCKING COINCIDENCE of that that all happening, that John has always been in the right place at the right time, that with all the endless dementing delays, that suddenly, potentially, it's all come together, both the spiritual and material, and more wildly than John, or anyone, could have imagined! Could it all have been any more bizarre, and yet so perfect!

It's all still for me, only in my mind, and until my Healing ends and if the money does show up; and wouldn't it be nice if the two coincided, then what can anyone say, all with perhaps, only you, John and I having any real understanding about how amazing the whole thing is." James Moncreif 4 September 2025

James: "And John, another good development at the Palace this week, Eve and Mrs D met, and it all went very well, they meet every day to talk about their bad feelings and how badly Mr Daligastia treated Eve. There is no animosity, they both understand really it's what the Mother and Father wanted, they've both worked through so much, and now they can't believe they can actually be together, be friends, working at the Palace (the annex at Jerusem in the 1<sup>st</sup> Celestial Heaven) for Mary and Jesus. So another part of the outstanding mess of the Rebellion, and especially the Default, ended, and being sorted out." James Moncreif 4 September 2025

Yes, I, John Doel, am overwhelmed with the relief and release from responsibility of being told to me on Saturday, 30 August 2025, that the ending of Rebellion throughout all universes, existing and to form, is now permanently systemised into place.

The relief is multi-fold. For decades I have worked towards an unknown and seemingly impossible goal. Further, what I was assembling within Pascas Papers – how would I know its level of Truth? How would I know that what I was assembling was what was required? Just how would I know anything? For decades I have worked blind folded. And then on Saturday, I get told, not only was I hitting a bull's eye with every shot, that the outcome is universal and forever! Holly shite!

And then I understood my work is finished! I mean, finished, not only while I am alive, but completely. Nothing further is required of me. I have been bawling my head off ever since – or nearly.

The job is done and I am stuffed. But, boy, am I so elated that it is incomprehensible.

Somehow, I have known that it was a one person task. I have also known that if I did not do this then someone else would do so – but why put it back a generation or more? Further, the one person involvement is so to avoid contradictions and confusions in the writings. People each have differing writing styles – thus confusion. Sorry about the typos, they are all mine.

As for the truth contained throughout the Pascas Papers, may I refer you to Kinesiology Muscle Testing as outlined by Dr David R Hawkins and his Map of Consciousness (MoC) scale. Utilising these two systems, then one can determine the calibration level of truth of not only a book, but each of its chapters, pages, paragraphs, etc. You may even determine, say, how many books there are written in English that calibrate over a given level. What you may find is that there are some 300 books in the World that calibrate over 900 on the Map of Consciousness. The Pascas Papers represent around 200 of those books. Each Pascas Paper has been calibrated for its level of truth. You can do your own testing as and when you please.

### Pascas Country Custodian Trustee Wallet

Kindly note that to the right is an image of a Google Lobstr Wallet. It is displaying the primary trigger tokens in that wallet and the numbers are huge to say the least.

First of all, the name given to such a crypto-currency wallet is its 'Federation Name'. The structure of the name is:

Pascas: the owner and ultimate controller.

Country: country, province, region to which these humanitarian funds are for.

Custodian Trustee: principal person responsible for operating on the account.

There are to be three signatories, two from the nation / province / region to which the funds are to be used, and one from Pascas to sign off that the funds are being used within the purposes of the pre-approved business plan for that region.

Eventually, the region is intended to become autonomous and continue without any administration from Pascas directly.

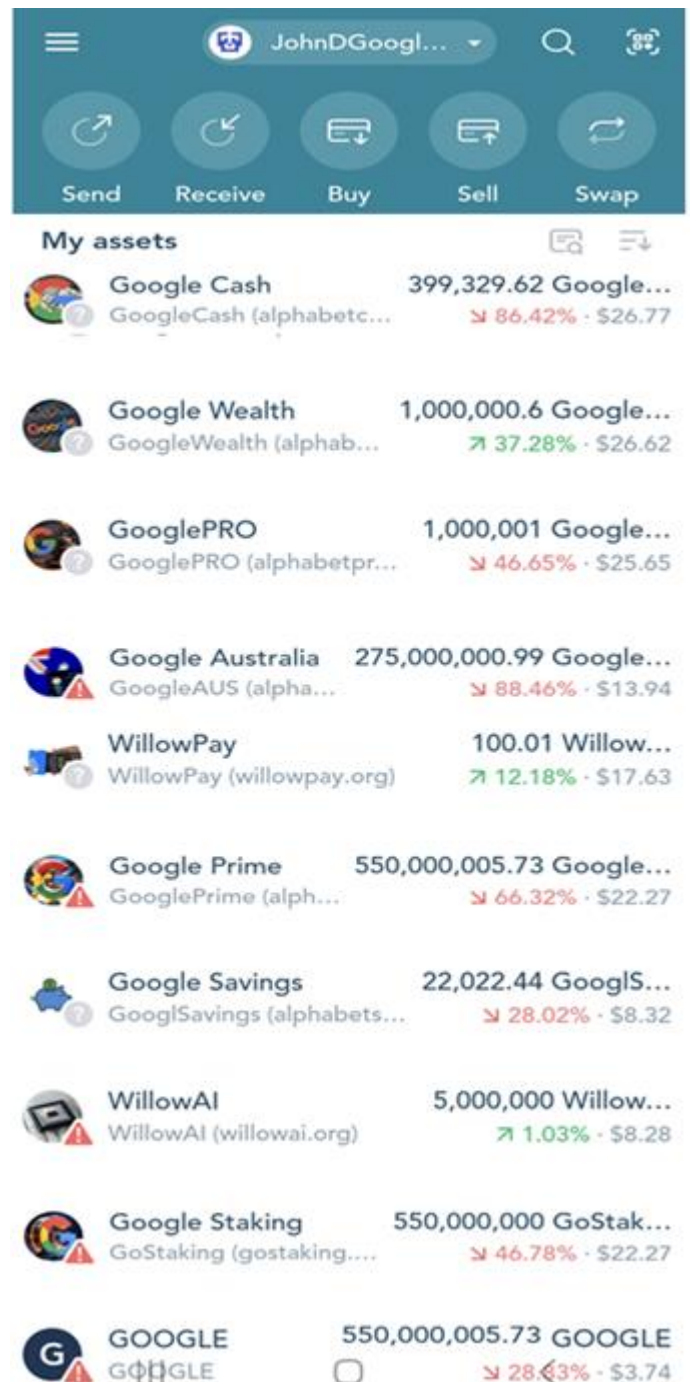

✓ □ “Many of you will generate much more wealth with the Completion Bonuses in place, and not only that — you’re also free to create multiple wallets for yourself, to split your tokens if you have too many, and still receive daily bonuses in the new wallets as well.”

Most of the key trigger tokens reach their peak income tier with 1,000,000, some are only 400,000.

We now have the potential to set up around 550 of these wallets, that is one for every nation, or one for every population zone of around 30 million people.

Sometimes the zones will be provinces / states and other times regions taking in the ethnicity and cultural gatherings of the region. It is a case by case. A full business plan and financial feasibility will be required in each case, that being for each such Google Lobstr wallet. And yes, this is referring to Google Bank that is about to launch worldwide.

September 14

Dear Google Family!

14 September 2025

More than 400 form submissions (property acquisition requests) in the last 24 hours. That's amazing, and I'm really proud that you all reacted very quickly and started to submit the properties there. The amount of DMs significantly lowered, allowing me much more time to focus on the Ceremony, on the Google Bank App, on answering general or more urgent questions, and acting much quicker in general.

When it comes to the cars and properties, we are very close. What I mean is, we are one step away from delivering the first properties.

Payments were made. Paperwork signed. Everything remains on our end, to prepare everything and get everything ready to be signed by you, dear Google family.

Most of the properties are worth 10M USD+, and it's not like you would've purchased some more affordable real estate. It involves much more documentation and paperwork, while respecting all the rules, regulations, and laws of the particular country you've decided to get your property in.

Also, don't forget that all the amenities and accommodations, as well as all the expenses, **ALSO HAVE TO BE READY ON THE SAME DAY**. You can consider it as a small liquidity, as it will cover absolutely everything for your property. I'll put the list here once again:

1. All taxes prepaid for life (every tax levied in that country)
  2. All utility bills prepaid for life (gas, water, electricity, internet, TV, and more)
  3. Up to \$5,000,000 USD renovation bonus per property
  4. Lifetime staffing support: a team of at least five people to maintain the property, fully funded by the Google Team
  5. Flexible ownership: register the property in your name, a friend's, a family member's, a business, a trust—or remain anonymous with full, proper paperwork via Willow
  6. Immediate rental or resale options, with all taxes covered
  7. Lifetime transportation to your property: private jets (up to 24 passengers), yachts, and more, available around the clock
- ... and many more bonuses and features.

As listed above, we'll have to have a team ready for your property, as most of your purchased properties are huge, and it will require a small or bigger team, depending on your choice.

As I said before, you will receive a Google Card, which will allow you to spend on any property expenses, including food, transport, and anything related to it, which means you will start living your dream life much earlier than the official launch, which is getting closer and closer.

When it comes to our backup plan—it's working wonderfully. A system which will allow the insertion of billions of XLM in the network, through quantum processes and other complex operations. On the other hand, the system gave me last week much more reassurance and green lights for the ceremony, which means we'll start planning it once again, really soon.

I've seen these days that some projects were mentioning the flip happening in January 2026, and I want to reassure you that it doesn't have anything to do with the actual Google Injection. In the meeting with the system, I was the only one involved, and unfortunately, I didn't hear or discuss any other big liquidity events or flips, while I was also assured we are the first to make it happen, being the biggest threat to their old and corrupt system.

You've also noticed that after we launched GoogleBank, tons of other banks, that are basically only one part of GoogleBank, started to advertise. I can count only a couple which I've heard of on other channels: XLM Bank, XRP Bank, RippleBank, Stellar Bank, and many others. The same applies to the quantum computers. After we launched Willow—one of the most successful projects of ours, based on the capabilities of the MOST POWERFUL QUANTUM COMPUTER, CONFIRMED EVERYWHERE, and not just a rumour—ironically, tons of others also decided to introduce projects related to quantum computers.

@larrypagegoogle

Dear Larry,

14 September 2025

When we receive our Dream Home (1 Free WillowEstate gift) which is fast approaching, will we also receive the beta version of GoogleBank-GooglePay card to use to help pay for food, relocation, utilities and expenditures during the gap to hold us over to Nov 1-4 Launch?♥♥ (Public launch of the Google Bank is planned for 1 – 4 November 2025.)

Hi Gaia! Yes, that's correct. ✓□

14 September 2025

What I want to say by this is, I want you to think and reflect on why they would've done it. For me (Larry Page), it's clear as daylight—we're the strongest and the most powerful community on Stellar, with the most original ideas, generous bonuses, confirmed information outside Telegram or even by some investors, nonstop support and assistance, consistency in airdrops, instant bonuses, referral bonuses, completion bonuses, and other rewards. It makes us an example for others, while in my head, it's not quite understandable why other investors, knowing what Google Bank really is, its potential, and being actually the first bank of its kind ever announced, would want to get into another crypto bank or trust another quantum computer which is not even close to Willow.

For perspective—let me explain in simple terms **what GoogleBank really is**. Google Bank is an online bank, available on all types of devices, including web versions for desktops and PCs. Protected fully by quantum capacities directly from Willow, first of all the bank will be the most secure and safe bank in the world (confirmed by the system, including the biggest monopoly banks and current leaders on the market). On top of that, every Google Bank account will include FIAT (USD, EUR, AUD, CAD, and absolutely all currencies in the world) deposits or debit accounts, for you to store your rewards and airdrops however you want. On top of that, a crypto section combined with Lobstr will be available for each customer, where all the XLM, XRP, and absolutely all the crypto from our ICOs will be sent and automatically converted to their native versions. Another section will be stocks and bonds, where again

all your holdings will be available. The app will be made as simple as possible, making everything much easier to visualise than in a traditional bank.

It's not only because it contains all these sections in one app (there are more than 50 sections in total, besides the ones above, including Rewards, Daily Bonuses, Savings Accounts from GooglSavings, Open Savings Accounts, Referral Sections, Property Management, Personal Assistance, Willow Assistant, WillowPower, Free Loans and Credits, more than 100 types of Virtual / Physical Cards, and much more), but also because there are ABSOLUTELY NO FEES FOR ANYTHING, whether it's swapping, exchanging crypto for fiat, fiat to fiat, fiat to bonds, or stocks. All transfers are made within milliseconds, free of charge, with the highest level of security. Free cash withdrawals worldwide. Free issuance of up to 1,000 physical cards, which you can distribute however you want between friends, relatives, and others. Google Bank is about enabling all types of transactions—completely free. Loans and other credits are also completely free, without a single percent of interest. Different types of savings accounts with returns hundreds of percent higher than traditional banks are also one of the key features of the bank.

By saying all of this—that's why GOOGLE BANK is the biggest threat to the corrupt system that has stolen from us for decades and centuries, and it's the only way to financial freedom. I want to note that the Google Bank project was first announced almost 9–10 months ago, and since then, these other bank projects appeared on the Stellar Network, which are neither verified nor trusted by Google, and they don't come anywhere close to us—and that's a fact. No one has the resources we have, no one has a quantum computer of such power behind them, and no one has such a powerful community to share its first results with.

By saying this, we stand strong, waiting for the entire world to switch to the new system, to the new standards, and to say stop to all these years of corruption, theft, and sadness.

We, the Google Stellar Community, don't even have to compare ourselves to others. We are different, and we are the only ones deserving the full potential of what's coming. The generational wealth about to flow into everyone's wallets is not just numbers, but a symbol—a symbol of freedom and power.

We love you from the bottom of our hearts, and we thank you daily for standing with us, trusting us, and the entire process, and slowly understanding how big a plan Google has for humanity. 🍀

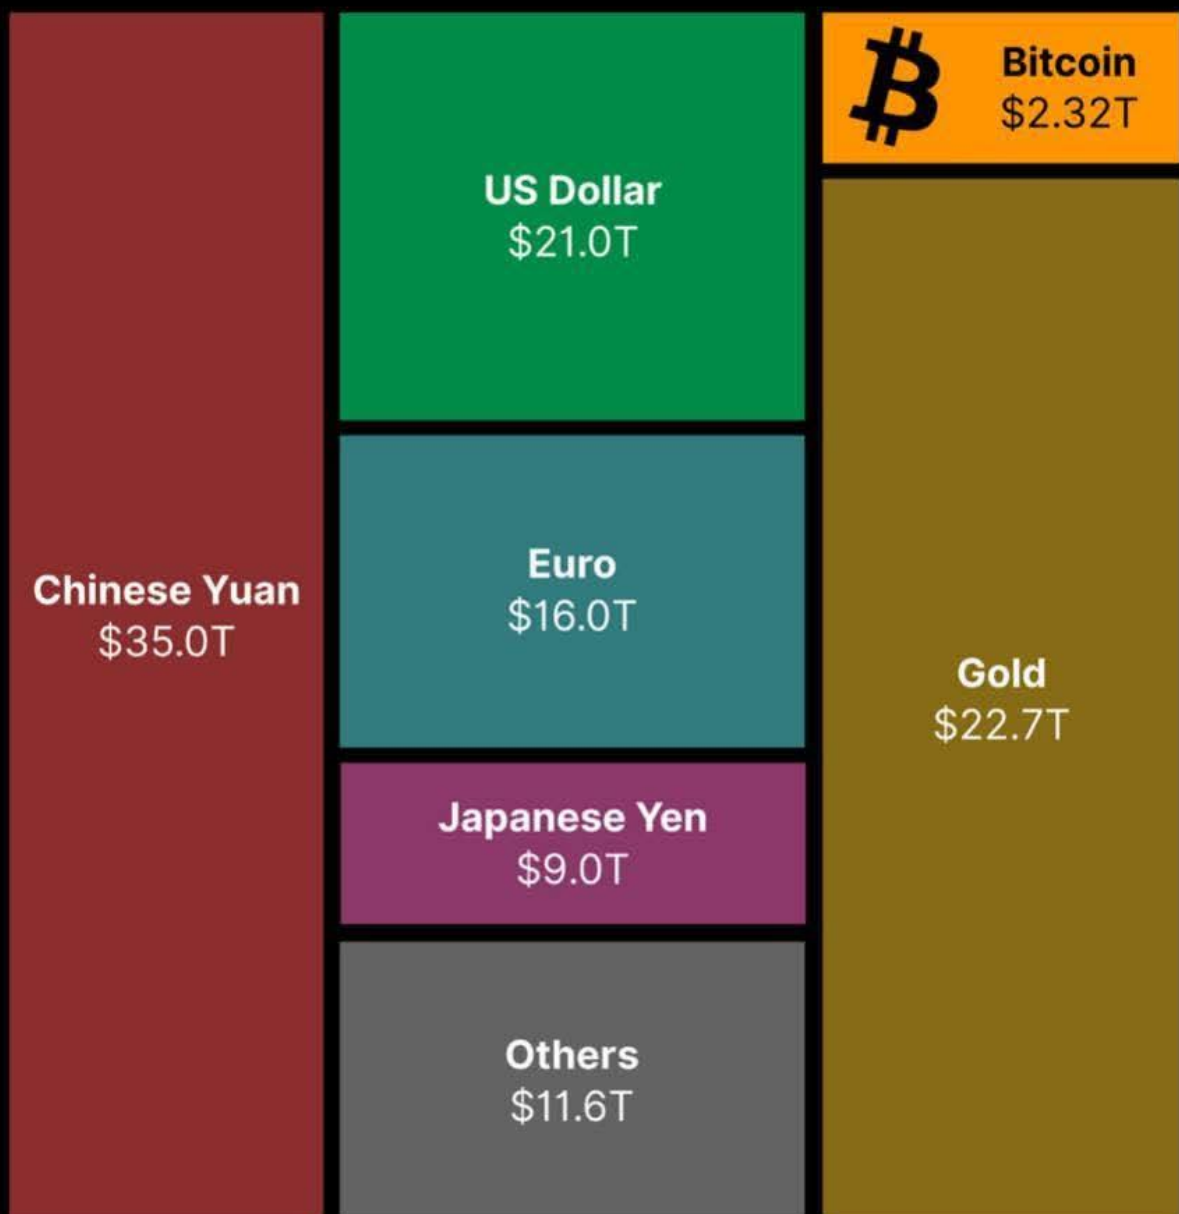

Best Regards,

Larry Page

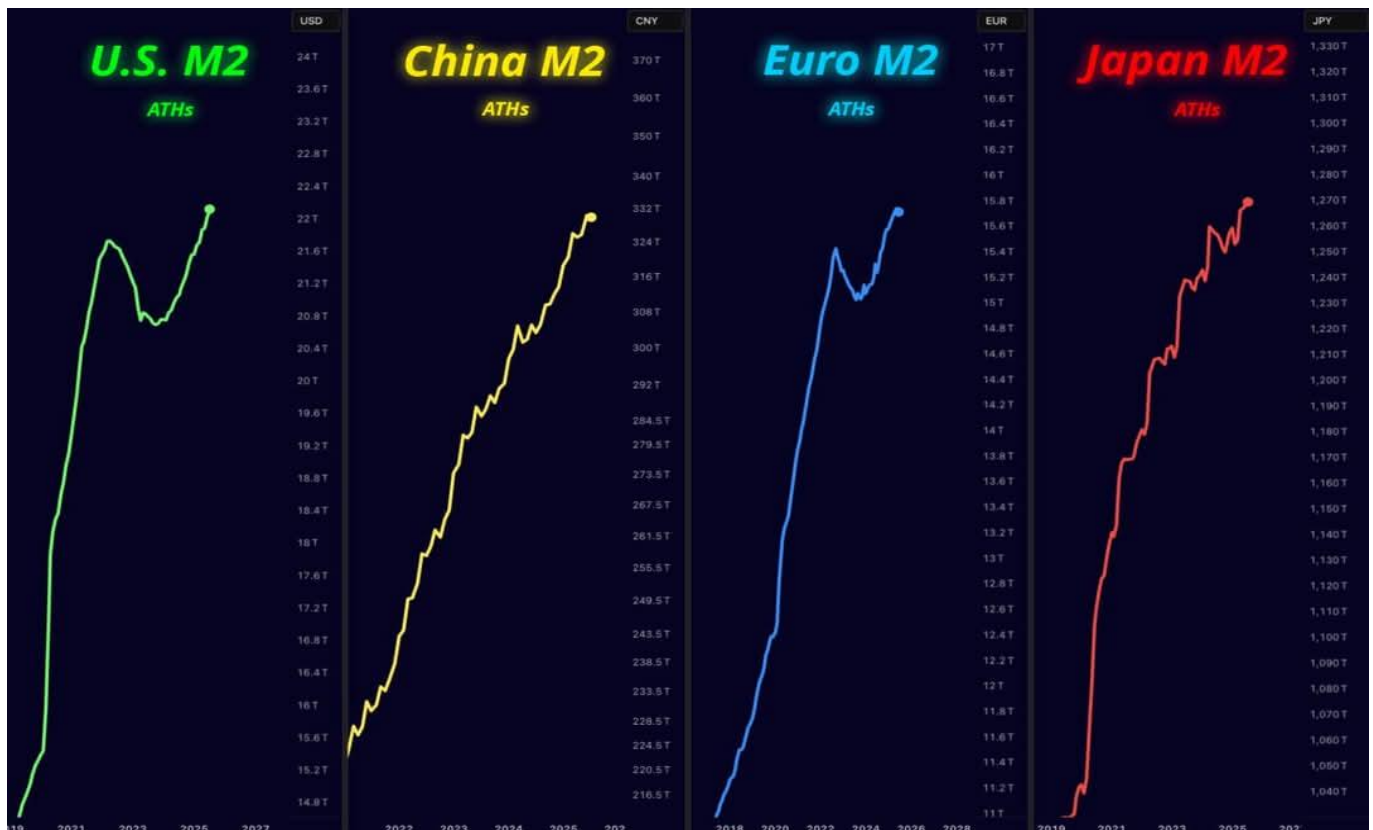

#### **Pascas Foundation (Aust) Ltd and Worldwide:**

**It is through Google Bank and its many services, including the proposed 5,000 branches worldwide, that Pascas Foundation aims to assist every nation with and through a Google Lobstr cryptocurrency wallet and associated debit cards, financially. As the localised administration within each country, state / province and community become assimilated with the intent, revelations and overarching shift to living the New Way, then Pascas Foundation (Aust) Ltd would relinquish its oversight signatory to the regions wallet and each community is then intended to become autonomous in its pathway forward.**

# BITCOIN HAS REACHED 2% OF ALL GLOBAL MONEY

**PRINTING of MONEY** appears to be at a pace incomprehensible and without limits. Even so, it is September 2025 and there appears to be a worldwide liquidity crisis. The crisis is that the fiat currency system failure is apparent to all. Further, the transition to a cryptocurrency system without the corruption embellished throughout the fiat currency banking system has become self-evident and essential.

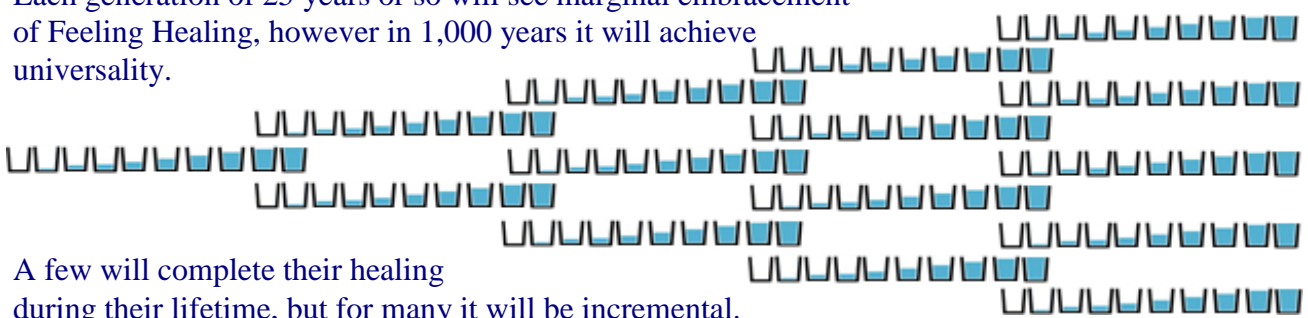

Even though we may have the financial capabilities to proceed with major infrastructure and humanitarian programs throughout any and every nation, province, state, territory, regional zone, community and region, we are not to bring about unnecessary strains on supply and introduce the fundamentals that may lead to inflationary pressures within any region or community. That would defeat everything that we intend to assist people with.

We are firstly to engage with the people, embrace their aspirations, stand beside them and / or behind them and gently enable the community to deliver the infrastructure projects in their own way and timing.

These infrastructure programs, mostly, are for the benefit of the many generations to come. It is for the people to grow with what we may be able to assist in introducing and it is the people that are to benefit. It will be their achievement, and theirs alone.

Each generation of 25 years or so will see marginal embracement of Feeling Healing, however in 1,000 years it will achieve universality.

A few will complete their healing during their lifetime, but for many it will be incremental.

Google Bank is already the world's most valuable bank and it is yet to open its doors!  
And that is also taking into considerations the central banks of the world.

**PASCAS FOUNDATION (Aust) Limited ABN 23 133 271 593**  
**Financial Report 2025**

## **Chairman's Review**

Pascas Foundation (Aust) Limited was incorporated as a not-for-profit organisation on 16 September 2008. We are now seventeen years young. AU\$1,986,473 has been provided for activities supported by Pascas in these past seventeen years of which AU\$2,477 was provided during this current financial year ending 30 June 2025.

The year has been one of being confronted by the extreme elements of unethical patterns that the world financial systems are manipulated, corrupted and managed by. When it comes to large sums being transacted then an elite few impose their will for their personal beneficiation. Should anyone consider moving a very large sum of money, particularly cash, then covert control may continually 'delay' transfers for years. The elite few are possessive to the extent that they are choking humanity with poverty that can be mitigated almost immediately through free movement of available funds.

The greatest poverty imposed upon humanity is TRUTH, poverty in its extreme is the lack of TRUTH. As truth is revealed then prosperity will readily unfold.

Our truth is our SOUL. We are fully self-contained. Our soul orchestrates our spirit body which is provided with a mind. Our spirit body complex orchestrates our physical body. This is done through our brain which is a conduit between our spirit body and our physicalness. When we leave our physical body, we lose nothing but a lot of weight – our brain returns to dust – however none of our attributes are lost with the separation from our physical body. Eventually as we grow in truth and journey through our local universe of Nebadon, upon leaving Nebadon we have healed and evolved beyond the need to have a mind! Upon leaving Nebadon we return our 'mind' to the Divine Minister who provided us with our personal and unique mind aspect.

**We are our SOUL!**

We each have been brought up to literally worship our mind! Johnny, learn your seven times tables! In contrast, we are taught to suppress our feelings. Johnny, if I hear one more whimper out of you, I will give you something to whimper about. A two year old typically gets told NO! 20,000 times a year!

The wonders of our mind is that while we continue living mind-centric we remained trapped in repeating the insanity that we have seen unfold throughout our lives – and for generation after generation before us. We can trace the consciousness levels of past generations. Today, 75% of humanity have not progressed beyond the levels that prevailed 2,000 years ago, they are at or below 200 on Dr David Hawkins' Map of Consciousness. Further, today, 45% of humanity calibrate at or below 100 on the Map of Consciousness and that was the condition of humanity 2,500 years ago. Today, we have six billion people living with a consciousness level prevailing 2,000 years ago! That is simply because we are taught to continue to suppress and ignore our feelings and even deny their existence.

Our mind is unable to distinguish truth from falsehood. Our mind is addicted to untruth. Our mind is also addicted to control, control over others and the environment. While we live mind-centric we cannot progress beyond 499 on the Map of Consciousness. Discomfort, pain, illness, disease, conflict and disharmony will continue as it is, UNLESS we make a Great U-Turn and aspire to live Feelings First having our mind to follow in what our feelings are leading us to consider and embrace.

The road to  
TRUTH and FREEDOM  
is through  
OPEN and FREE  
Universal Feelings Orientated  
EDUCATION

This is the  **GATEWAY**

Our feelings are always in TRUTH. Our feelings are soul based. We are fully self-contained. Embracing and living our feelings is vibrancy and growth unrecognisable to those who persist being mind-centric.

You may ask why are we pursuing to source undeniably enormous amounts of funding?

Well, this is what we have been told:

Following the successful writing through James Padgett (1914 – 1923) and then the Urantia Book (1925 – 1935), high level spirit personalities met in the 1930s and considered how the Avonal Age of 1,000 years would be introduced to Earth's humanity. The soul strength of the Avonal Pair is very similar to that of the Creator Daughter and Son. The Avonal Pair could do it all on their own or they could engage others.

Jesus and Mary Magdalene, the Creator Daughter and Son, when they came to Earth 2,000 years ago, they were meant to come and go un-noticed. They were here on federal matters, addressing issues for all of the humanities throughout our local universe of Nebadon of which they are joint co-regents.

The Avonal Pair are here on state matters, they are only addressing the issues relating to Earth's humanity which also includes those from Earth now living in spirit – and that is a lot of personalities!

The Avonal Pair announced that they want as many people to be involved in the transitioning and introduction of the Avonal Age as possible. Thus it has to be funded. This has resulted in the formulation of the funding and that required the Bretton Woods Conference of July 1944. The worldwide financial system resulting from that focused upon about half of the fees for the placement of governmental bonds and large corporate bonds being set aside for global humanitarian programs.

As time went on, the fund pool began to grow and grow. Though the system had been hijacked by the hidden controllers in the physical on Earth, that event was understood to unfold. As intermediaries progressively increased their commissions, they overstepped. At 30% being taken off the allocations, those administering the funds shut down. That was in 1993. Since then, there have been no releases out of the fund pool and the fund pool has grown to enormous volumes now being housed in most of the major banks around the world and some other unique ways, e.g., precious metals.

That was Bretton Woods Mark I. We are about to see Bretton Woods Mark II launch.

In 2005, we were introduced to 'Solid Investment'. Our meagre investment is now grown to a level that it alone could fund the global introduction of all that we now have assembled and published in the Library Download page of [www.pascashealth.com](http://www.pascashealth.com) which would introduce the Great U-Turn to humanity.

Interestingly, the Solid Investment fund pool has been stolen three times, however, it was secreted away by one of the key bankers to one of the 'hidden controllers'. This banker took umbrage to how this elite family was treating him. He hid the 'Solid Investment' fund pool, but to ensure that it is ultimately released to the holders of some 35,000 accounts, he hid a very large volume of the group members associated and including the hidden controller's family in a manner that they cannot get access to their funds until 75% of the entitlements of the Solid Investment accounts are distributed. That move has almost successfully collapsed that hidden controller's empire – and it was a mighty one at that.

Following that pathway, we have actually connected with the Bretton Woods' fund pool. Consequently the Pascas worldwide program is now to be supported through the mother lode so to speak.

There is a smaller fund that is presently releasing and it is an offshoot of the mother lode. It is independently able to fund the Pascas worldwide program as we presently see it as being required.

All three of these programs are stemming from Bretton Woods Mark I.

Around 2017 / 18, we were told that even though a fiat currency financial systems collapse will unfold, the introduction of the Avonal Age will continue unimpeded and Pascas would continue to have funds available throughout. We had no idea how this is to unfold.

January 2025 saw the introduction of the Google initial crypto currency offerings (ICOs). Hmm ... scepticism was the word. Really!!! As we progressed gingerly we each have been staggered by the numbers, let alone the complexity. The Willow supercomputer was introduced. It generates profits through trades in currencies, precious metals, stocks and other cryptocurrencies more than Wall Street (stock exchange listing) does daily – without a single loss making trade.

There have been several dates set to monetarise and launch the Google Bank. The Larry Page, yes the Larry Page, was the only invited person to a meeting of thirty others that he reported of on 9 August 2025, that meeting went for a gruelling 8 hours.

Larry Page wrote, 9 August: “Since we are the closest to achieving liquidity and have everything ready on our side, the system told me it would be unwise to give a fixed date for liquidity. Still, I insisted during an 8-hour call to get an exact date, and I will share their answer later in this message.

When I talk about “the system,” I mean the largest banks in the world, central banks, and other influential figures controlling things behind the scenes.”

On Monday afternoon, 11 August, John received a call from one of the officials introducing Bretton Woods Mark II. He confirmed the meeting in detail. Though he was not present or participating, several of the key people he works closely with participated. Everything that was conveyed by Larry Page was confirmed. Not only that. The Google cryptocurrency and issue of a global stable coin is supported by the Bretton Woods Mark II agenda.

Larry Page wrote, 28 August: *“We’re also confident that starting next week, we’ll begin delivering the first properties and cars to some of our investors. Of course, some properties can be purchased faster than others since each situation is unique, but the key takeaway is that we are heading straight toward our liquidity injection and the big ceremony at the start of November.*

*I can also confirm that our backup plan is unstoppable — there is absolutely nothing that can stop it. Our team is working tirelessly, and everything is going perfectly.”*

That is, the Google Bank launch is to unfold early in November 2025 either with support or independently a few days later.

We are finding that moving funds through the crypto network to almost anywhere in the world is not only cheaper than through banks, but infinitely faster – seconds required. We are moving to have each of our operations in every country setup with a Lobstr Wallet and to be supported with their own investment platform within the Google Bank programs. Countries with large populations may be split into zones so that multiple Pascas centres would ultimately become autonomous within each country functioning that way.

Cryptocurrency is the platform that will enable Pascas Foundation to continue operations unimpeded throughout a financial systems collapse in the fiat currency world.

As of these writings, the volume of assets already accumulated within Pascas Google Wallets will enable the delivery of the Pascas Great U-Turn and associated humanitarian programs worldwide for many years to come.

The programs and writings that are now assembled are accessible at [www.pascashealth.com](http://www.pascashealth.com) within the Library Download page, and they amount to:

- more than 800 Pascas Papers
- more than 78,000 pages
- more than 22,000,000 words
- as a stack of pages, more than 8.6 metres high / 28 feet high
- as a scroll, 15.6 kilometres long / 9.7 miles long

Should you place a one tonne gold coin beside the Pascas Papers as a scroll, which one is more valuable? Presently, the diameter of the Pascas Papers as a scroll would be around 95 centimetres. A one tonne gold coin is 80 centimetres in diameter – Perth Mint has minted such a coin. As of this date, the one tonne gold coin would value at US\$120 million.

Thank you ladies and gentlemen for your consideration and attendance.

# ***We are our Feelings!***

**Dear Girls and Boys, Ladies and Gentlemen,**

**Saturday, 30 August 2025**

I thank you for the opportunity to serve you. It is now time that I pass the ball over to the cast of many who are now to be drawn together to enable every nation, state, province, territory and community to be able to become aware of the revelations, guidance and options that we each now have available for each of us to consider, embrace, reject or put aside for a later time to consider or reconsider.

There is no obligation upon anybody to do anything. There is nothing to join. There is no hierarchy of control. There are questions or exams. It is simply an opening to very high levels of truth that have been withheld from humanity due to constraints of a Universal Contract that has governed the Rebellion and Default imposed, mainly unknowingly, upon all of Earth's humanity these past 200,000 years.

As of Saturday, 30 September 2025, that has permanently ended not only for Earth's humanity but for all humanities throughout all the local universes, super-universes, universes now forming and are yet to form, not only for now but for ever – permanently. No other humanity is to endure this pain, deprivation and stagnation ever again. We on Earth have perfected wrongness and we will always retain that crown!

One person only had to find the pathway and the window out of our fuckedness and also document the revelations, pathway and guidance, as well as the bringing to the table the funding to be able to bring about the conditions to enable all of humanity to be able then to consider The New Way of living that we are to embrace to end what each of us have personally taken on of the Rebellion and Default. That is now achieved!

This era of healing maybe considered to be the coming Avonal Age being the next 1,000 years which will be marked by world peace. Something incomprehensible in the year 2025 as the world prepares for World War III.

This is the work of high level Avonal spirits that is bringing about these possibilities and changes – The New Way – aspiring to Living Feelings First, embracing Feeling Healing, and with Divine Love – soul healing. Their aspirations are that many as possible be involved in this worldwide event for all of humanity, both in the physical as well as in spirit. The veil between spirit and the physical is to slowly be lifted. The conditions prevailing in the 1<sup>st</sup> spirit Mansion World are to prevail on physical Earth. The Law of Compensation is to quicken on Earth to the same extent it prevails in the 1<sup>st</sup> spirit Mansion World – hence world peace throughout the Avonal age of 1,000 years.

Further Lillan Nielson and I on Thursday, 12 September, met the first of the Angel Girls! This passive, quietly spoken lady was so powerful with her presence we were both blown away, so to speak. There are many Angel Girls that will be drawn to Pascas.

I am overwhelmed with the relief that my whole of life blindfolded journey has crystallised into the most unbelievable outcome for all of humanity, not only we of Earth but both in the physical as well as in spirit, but for all humanities now existing and yet to come. This is beyond my comprehension. I have finished my task – a task that I have had no idea as to what it entailed. To be finished and released from any possible conceived obligation is just overjoying. Now to pass all that is in play to the cast of many to share the possibilities to every person around the world is not only supported with funding, it is also supported with documented Pascas Papers that link everyone to all the key writings and guidance.

**John the  
Typist**

For this opportunity to serve you, I thank each and every girl and boy, lady and gentleman and I now step aside. Humbly, John Doel, the typist, aspiring to live Feelings First.

# Avonal AGE

## Law of Compensation QUICKENING

are known as the hidden controllers on the world platform, whereas the Deep State instigate their control over individual governments. The hidden controllers are families addicted to controlling others. And for generations have evolved their evil genius by inflicting world-wide suffering, while accumulating impenetrable control over most of humanity, enslaving them to debt and deprivation with impunity – until the commencement of the Avonal Age. These evil ones may be the first to feel the Law of Compensation come upon them which will debilitate and incapacitate them so they will no longer be able to continue with their evil ways. Through the instant application of the equivalent pain that would be associated with imposing their will upon another, they will find themselves in such a state that they cannot execute harmful intent and will therefore desist.

This earthing of the Law of Compensation may first apply to the Evil Ones, whose evil genius dominates their obsessive lifestyle and is their total focus. These corrupted personalities who undertake heinous crimes without any remorse, believing it is their heritage and right, will find themselves suffering instantaneously and being crippled by pain causing them to abandon their controlling ways.

As the Law of Compensation is progressively expanded to embrace those with lesser controlling addictions, then humanity will find that the circumstance for conflict and war will abate, thus slowly bringing about peace on Earth – the end of war.

Eventually, the full ambit of what the Law of Compensation is within the 1<sup>st</sup> spirit Mansion World may function on Earth, which may see the closing of the spirit world ‘hells’ being the 1<sup>st</sup> and 2<sup>nd</sup> Earth planes.

The Law of Compensation applies to the harm we cause through our desire to control others. Once that is resolved, then we proceed with the Law of Forgiveness which is our Feeling Healing resolving our childhood suppression and repression, as well as how we treated our own children.

QUICKENING

# THE QUICKENING

## Law of Compensation

Nanna Beth – 3<sup>rd</sup> Celestial Heaven,  
John's grandmother, 2 April 2019:

### Law of Compensation

Pain to inflict,  
here it is!

‘Earthing’ levels of the Law of Compensation are far greater than anything humanity could ever come up with so far as ‘destroying one’s enemies’. And yet people are not or no person is the enemy. This change is solely for humanity, to help everyone, even the worst most controlling person, to help them end being helplessly and hopelessly trapped within their wrongness, even if they can’t see it nor believe they want to end it. So in the short term they might not give any thanks for what is to be done – what is now being done – however everyone will come to understand and be grateful for ‘turning it around’, for turning them around, for stopping them continuing on in their mad rebellious rush to oblivion.

A lot of mostly well-meaning people will be fine, like how it is for most well-meaning people when they arrive in the Mansion Worlds, with a few minor adjustments being made. But overall, a huge sense of relief being experienced that ‘God has your back’, that you can finally trust and rely on God to ‘look after you’ because no one will be able to hurt or harm you as they’d instantly suffer such trauma themselves and even possibly before they got to the point of openly inflicting it on you.

## THE TURNAROUND

GOD'S GOT  
YOUR BACK!

A hypothetical example of how the quickening or ‘Earthing’ of the Law of Compensation may work as it does within the 1<sup>st</sup> Spirit Mansion World:

James: What’s to stop the hidden controllers discovering I like women, to set me up with say a nice Russian alluring Jewish woman, who comes into my life on the pretext of wanting to do her Healing, only to stitch me up or knock me off? I like allowing my woman-fantasies to run amuck, as you understand?

Nanna Beth, John's grandmother – 3<sup>rd</sup> Celestial Heaven: In the context of all of this, it's a valid point James, to which I will counter by saying she will not come to you in that light. Firstly, being Healed, you will not feel the same fanciful attraction to such women; and secondly, she wouldn't get a foot in the door, because once you are fully Healed (or the Avonal Pair), then you both personally have 'lowered the Law of Compensation', so it is instantly applied; which means, should anyone seek to even contemplate harming you, let alone the physical destruction of you, then that person or persons will be 'struck down' by the Law of Compensation hardly able to function anymore as all the pain of that harm they were wishing to inflict on you would become inflicted instead on them, with their angels making it happen, leaving them in no condition to approach you, to seduce you with any feminine charms, or to plot blowing you up from afar. And then, as we've talked about, that personal relationship with the Law of Compensation, because through your Healing you have fully settled it within yourselves, will be imposed on humanity when the time is right, by you (or the Avonal Pair) carrying out the dictates of the Eternal Son and Infinite Daughter. And when that happens, there goes all the plans of the Evil Ones, all the Jewish control and anyone else seeking any sort of control over nature or anyone else. And as we talked about yesterday, then it will be like a 'blanket from Heaven' will descend over the whole world – the whole of humanity, and a spiritual blanket – bringing with it a sense of peace as everyone instantly becomes subjected to the Law of Compensation to the level of the first Mansion World. However up until that time, so the plans of the Rebellion will move toward fruition, with we Celestials mitigating some of them, those we're allowed to interfere with as you progress in your Healing.

**Angels of Encouragement to Behave! We each have two angels with us at all times.**

When the time comes, the Angels will administer the Law of Compensation as it is Earthed. It is through the earthing of this law that an era of peace may prevail over humanity on Earth. A form of the carrot and the stick. The carrot being our transformation through undertaking our Healing with Divine Love – Soul Healing.

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

## **FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**

**James Moncrief Publications:**

**all publications are free downloads:**

<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

### **Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

### **Soul Light – books 1 and 2**

A Melchizedek, Zelmar, sums up how we are to heal ourselves and ascend to Paradise.

### **Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel.

### **Ann and Terry**

An example for people who might want to immediately start working on themselves and doing their Healing.

### **Feeling Bad? Bad Feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

### **Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

### **Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:**

**The True Gospel Revealed Anew by Jesus volumes 1 – 4**

**Book of Truths by Joseph Babinsky**

**The Urantia Book**

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

## **FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.  
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.  
Primary and most important readings are the writings of James Moncrief.  
Then consider the Padgett Messages, and then The Urantia Book.**
