# FEMALE EDUCATION

## EDUCATION & HEALTH FOR ALL

Pascas University, in conjunction with Chaldi College, recognise the inequities that have been stealthily imposed upon Earth's humanity through childhood suppression and repression which is aided and abetted by all institutionalised systems worldwide.

Girls and women have been made subservient to the male as those who imposed this heinous crime upon all of humanity have known that it is the female that will lead the way out of their entrapment.

Pascas University and Chaldi College are to be a vehicle that is to bring about global freedom of true self-expression and this is fundamentally Living Feelings First.

**The New Way: Learning how to live true to ourselves by living true to our feelings.**

**If a girl spends only 2 years at school, she is likely to have more than 7 children. If she spends 6 years at school, she is likely to have around 4 children. If she spends 12 years at school then she will have only 2 children. World poverty is best averted by the tool of education in the first instance.**

**Symbolically, the iceberg is a good representation of the undiscovered potential in all of us.**

# NEW FEELINGS WAY

**Finding the Truth through our Feelings Way  
and of Our Childhood**

**New Feelings Way  
Feelings are our own Truth and Personality**

# NEW FEELINGS WAY

**We are enslaved in our mind.**

We seek, what we think, is the best education for our children. Many send their girls and boys to the so-called best and expensive schools that subsequently further enslave the child deeper into its mind.

The world's journey of growth through its education systems has peaked. The result is a global population functioning in zombie mode, in a stupor, glued to an electronic device, all trying to be the same with no individuality, originality or self-expression.

This destiny was imposed upon us by controllers who had us go in a direction of limited development and to remain their pawns forever!

Girls and women have been singled out as they, being closer to their feelings, can see the folly of this entrapment of limitation and perpetual stagnation.

We are to live feelings first and have our minds follow implementing what our feelings are leading us to embrace. Our feelings are our true selves, they are an expression of the personality that we are, as bestowed upon us by our Heavenly Mother and Father.

A feelings orientated education opens our potential infinitely. It is only through us living through our feelings that all the social ills that are evident throughout every community in every nation can and will be mitigated and put aside. It is only through expressing our feelings, both good and bad, and longing for the truth of them that we will heal ourselves of our childhood suppression and repression. Then we will see an evolutionary advancement of Earth's humanity that is presently incomprehensible.

**The New Way: Learning how to live true to ourselves by living true to our feelings.**

**FREEDOM OF  
FEELINGS**

**FEELING  
HEALING**

## WOMEN and GIRLS' EDUCATION as it has been:

**This is the task at hand; orientate education to Living Feelings First.** Enable the awareness of Feeling Healing, and with Divine Love, Soul Healing to be universally comprehended. It is only through the 'talking out' of our childhood suppression and repression experiences that we can begin to heal ourselves of all the foundations of what manifest as our discomforts, pains and illnesses.

It is only by us freely expressing our true selves, through natural self-expression, allowing our soul-based feelings to be truly engaged, that we will naturally open ourselves to truth, to the love that comes from the foundations of truth, to living the way that our Heavenly Mother and Father desire for us to live.

We, humanity, are truth seekers. By being coerced to live through our minds we have been seduced to seek truth in the wrong direction. We have taken the pathway to a 'glass ceiling', a pathway of stagnation and limitation. We are self-contained. Our souls, through our feelings, will progressively illuminate all that we seek. We are to long for the truth of all that comes to our attention, to our mind, throughout our daily experiences, and allow our feelings to open up the doors of revelation and discovery for us.

We can investigate the veracity and level of truth of anything through kinesiology muscle testing in conjunction with Dr David Hawkins' Map of Consciousness (MoC). Even the contents of this publication can be calibrated page by page, paragraph by paragraph. Generally the Pascas Papers that introduce living Feelings First and Feeling Healing calibrate as follows:

**PASCAS PAPER**

“perceived truth MoC 880 – relative truth potential MoC 1,480”

Generally, much of our education material is within the range of 400 – 499, the field of reason and mind dominance. This is also the upper limits of the 1<sup>st</sup> spirit Mansion World which encapsulates the condition of development of most of Earth's humanity. MoC 880 is representative of the 5<sup>th</sup> spirit healing Mansion World, whereas the relative truth potential MoC 1,480 is representative of the 3<sup>rd</sup> spirit Celestial Heaven. Mind dominance imposes a ceiling of MoC 499 on our development!

Living Feelings First and embracing Feeling Healing opens the pathway to living a Celestial soul condition while we are physically walking the Earth. That is about to be demonstrated for the first time in the nearly one million year history of humanity. Celestial soul condition is above 1,000 on the MoC.

We do not want to continue to repeat what has been our legacy for these past 200,000 years. We do not want more and more suppressive controls. We now do know how to make the Great U-Turn and that will also bring about the dismantling of ALL institutionalised systems of the past 200,000 years!

**GREAT U-Turn**

Our journey of awakening to Truth commences from conception and never ends. Our progression through the spirit worlds is a never ending path of experiences and learning. Truth is Love. Without Truth we cannot experience Love. But mind driven truth is not love. Our mind evolves a form of truth that is control orientated. In our daily lives we see others demonstrating their form of truth through their control and

domination over us – this pattern around us is all pervasive. We are fully self-contained through our soul-based feelings and its Truth. Now we are to freely express that Truth.

Pascas University and Chaldi College ARE free of restraints and impositions that have been imposed upon all educational institutions during the past 200,000 years. The Rebellion and Default are ended. Further, Pascas University and Chaldi College are forming after the end of the Rebellion and Default, being 31 January 2018, and are free of traditional practices and inhibitions that have engulfed all other institutions. No other institution is yet to recognise that this is the most exciting time in the history of humanity and embrace the freedom that is now available for all of humanity, both in the physical as well as in spirit.

Humanity has been misguided into living through their minds, rather than through their feelings, their soul-based feelings which are always in truth. It is through our feelings that we will find truth at all times. Humanity is truth seeking and truth loving at all times. Our minds are unable to discern truth from false, our minds are addicted to untruth and control of our environment as well as others.

Females are closer to their feelings than are men. Consequently to prevent an ending of the high level spirit Rebellion, these rebellious spirits seduced humanity's males to subjugate the women to their dominance. For 200,000 years, women have been subservient to men whereas they are their equal. For 200,000 years women have been subjected to secondary and subordinate roles and consequently education at all levels has been withheld or contrived to varying degrees.

This is not about switching the roles. This is not about showering girls and women with education that even the boys and men have been deprived of. This is about enabling all of humanity to be aware that we are to live through our feelings and that the worship of the mind is inhibiting our progression and is detrimental to all of humanity now functioning in zombie mode, moving about and living life in a stupor.

As girls and women are closer to their feelings, it is now anticipated that it will be the females that will lead the way and embrace living feelings first and it will be they who will draw the males along to this freeing way of living due to their vibrancy that will now surface through Living Feelings First.

Life is for Learning, however in the past it has suffered severely from the consequences of embracing the mind as the saviour and way to live. The mind is an enslaver. The frustrations and struggles that it engenders is nothing short of mass depression. The fact is that every person is suffering from depression to some degree, it is not just those that medical professionals clinically recognise, it is everyone.

Worldwide there is outcry against child abuse. There is not a child that has not suffered extensive child abuse! No one has escaped. Verbal abuse reigns upon a child from birth. It is recognised that a child may have verbal restraints imposed upon him or her as much as 20,000 times a year during their early forming years! Child birth defects are the direct result of its parents' emotional injuries and errors of belief. Miscarriages and abortions are extremes of this. Some 40% of all conceptions are terminated through miscarriage and abortion. These distortions of love and living can now be addressed through the education systems that may unfold throughout this coming era of the Great U-Turn

**The education platforms to be introduced on a global scale by Pascas University and Chaldi College are founded upon Living Feelings First and will introduce Feeling Healing so that parents may have for the first time the potential to bring their children into the world free of their personal injuries and also have the awareness as how to live as we are intended to.**

# LIFE IS FOR LEARNING

## The Cycle of Violence and Abuse across the Life-course

Seek **truth** from the cradle to the grave.

Firstly, let us clearly understand what has been imposed upon us all and the overarching goals of these high level evil ones, and then we may easily recognise how the tentacles of their plans have reached into every aspect of our living. The craftiness of these high level evil ones has been aided by mind addicted control maniacs throughout the centuries and now their structures are crumbling as their networks have and continue to be eroded and some shut down.

We aspire for human perfection. That was the hallmark of our first physical parents, Andon and Fonta, some 993,500 years ago. We all continue to aspire for human perfection and we always will. Our free will is sacrosanct – that has not been interfered with by any entity and will not be.

The evil ones, 200,000 years ago, put humanity on a course of living through our minds. Through our minds we were led to believe that we could become mini-gods! We could achieve everything we desire! Every man, woman and child on Earth now lives through their minds, suppressing their feelings and being depressed, deprived and capitulating to norms with no self-expression of our true personality. We can only achieve the level of human perfection that the mind is structured to achieve.

AND THAT LEVEL of PERFECTION is 499 on Dr David R Hawkins' MAP of CONSCIOUSNESS!

The highest we can achieve is the peak of the level of REASON on the Map of Consciousness (MoC). We admire the great scientists of the world. Dr David Hawkins published his own observations of the calibrated level of a number of great world scientist and 499 is their achievement. Many only achieved advances in a few instances – yet they were great and committed their lives to science.

Dr David Hawkins also noted that 95.6% of the world's population calibrates under 500. Only 4.4% are demonstrating living through their feelings. Nurses are highly represented as expressing feelings. Those throughout the health care industries are generally feelings orientated. In contrast most of commerce is not.

We each aspire and wish for human perfection, not just being clever at some mind games. For those who embrace their feelings and live feelings first, even go on and commence their Feeling Healing, they will grow to find that their natural intelligence is a wonder of greatness that will freely express itself. So much so that scientists will not be able to comprehend – the scientists will just look on in amazement.

It has been observed that medical professionals and surgeons who may be recognised as 'medical intuitives' and great surgeons simply follow their feelings without any great comprehension as to why. They simply allow their soul-based feelings to be expressed through their hands and treatments they provide. Dr Hawkins was one of these. Dr Hawkins also demonstrated that by using kinesiology muscle testing that what a scientist may have taken over a year to resolve, you could achieve the same goal in minutes. Muscle testing is accessing you inner truth, your soul-based knowings. We are fully self-contained.

When the education systems of the world lead students to embrace their feelings and live feelings first then the shackles and limitations of the mind will be shattered and students will become vibrant self-expressing people following their innate, God given, passions and gifts.

The high level evil ones did not want humanity to thrive in this manner. They wanted us all to function as zombies, enslaved to their long term goals of conquest. That is not going to happen because you now can see their game and they have also been exiled and cut off from Earth's humanity.

Fields 200 – 500 - Doingness Intellectual  
 Life is seen by mind as an opportunity. We are getting closer and closer to truth.

Fields below 200 - Wanting & Craving Desiringness Fear Driven Self hatred Grudges  
 Values are based on what one has. The energy fields below 200 are opposed to life, do not support life.

Our parents and early childhood carers have been induced into embracing living through their minds and in turn so have we.

Now it is obvious that through our minds we cannot evolve. Further, not only can we not evolve, we are going further away from our True parents, our Heavenly Mother and Father.

Our education systems at ALL levels are mind dominated. It is one giant, well crafted, institutionalised process that entrenches all who go through any kind of education will be led to live in the manner that the evil ones orchestrated and have had imposed upon humanity these past 200,000 years.

Now, a few have broken the cycle and will lead the way. Living Feelings First will be the foundations of all subject materials for all aspects of every educational subject and program. A huge task, but who wants to be limited in their potential, let alone be sent on a pathway to an impenetrable glass ceiling from which they will need to retrace their steps from and begin again in a truth loving direction?

As the mind way of living has its ceiling in reason, peaking at 499 on the Map of Consciousness, then you can see why even the most developed nations are struggling with massive social issues.

As individuals experience living feelings first, embracing the revelations that have unfolded in response to this leadership, they do experience things being done through them and even things are done as if it is them, it is not the mind in control, it is the persons true self expressing itself through the physical. It is amazing and wonderful – and unexplainable!

Women are closer to their feelings than men, well most men, okay, some men. Generally, it is understood that women will lead the way and that is just great.

## ***“The True Liberation of Women is Through the Truth of Their Feelings.”***

This is the pathway for the balance between the sexes is to emerge. There is no need for women to overwhelm men through mind orientated careers. Who wants to limit themselves in that way anymore?

Further, who wants to kowtow to the whims of the evil ones and the hidden controllers? The hidden controllers on Earth are the heads of a small number of extremely wealthy families, mainly from within Europe and some from United States of America. In most nations they have their subordinate servants who are often referred to as ‘deep state’. Secret societies are the arms and networks that the hidden controls ‘recruit’ their subordinates from and place them into key second rung power positions to manipulate and deliver their goals. They have been successfully working this pattern for hundreds of years.

The education system is manipulated in the same way. The students of pre-school, then primary, secondary and high school are subjected to teachers who are unknowingly trained to a contrived agenda. The higher education and universities are also part of an overarching pier group control; lecturer, associate professor, professor, up to the chancellor. In two countries we have found psychology lecturers, professors and high level educators in that field simply will not consider that childhood suppression and repression needs to be universally addressed. Living Feelings First is just not to be entertained, let alone researched. The parents send their children to university and pay fees – they cannot confront parents with truth!

# ASSUMPTIONS and the MIND

Truth, until now, has been ‘rationalised’ by the mind. The mind cannot discern what truth is. The mind is addicted to untruth as well as control over the environment, others and the personality to which it is associated with – you and me!

My personal experience is that through the mind, assumptions are generally about 98% flawed and in error. The 2% accuracy is from flukes!

You may listen to endless ‘debates’ and discussions that may go on for hours and the mental hijinks are pathetically insane.

When you quietly sit there and use kinesiology muscle testing you can resolve what the answer to what is being debated in seconds – well minutes in some cases.

You may wonder why this is not generally known. Dr David R Hawkins published *Power vs Force* in 1995. Well, it does not suit people that want to keep secrets. Further, the process is free – you cannot make a profit out of it!

What is true and what is false can be determined in seconds. You do not have to read the material, document, book or see the movie – you can calibrate the level of truth of anything in seconds. Not only can you determine if something is in truth or not true, but also the level of that truth. You can calibrate of book, then its chapters, then page by page, paragraph, line, whatever you feel is needed by you.

A few of us followed the secret process of the election of a pope for the Roman Catholic Church. We determined who the front runners were, if the round of voting had a resolution, then down to the final two, who they were, then who won, and then who voted for him and who didn’t. We had our answers before the black then white smoke came out of the chimney. It is not difficult, you can do it.

The focus here on ‘assumptions’ is that a great deal of what we live our lives by is based on assumptions. All of these assumptions can now be revisited and the restructuring that will follow will be all embracing.

Some notes were kept by one of the Apostles during Jesus of Nazareth’s public ministry. Some writings did follow a decade or more after Jesus’ assassination. Then the copy, rewriting and then political interventions followed upon the 300 or so pages that make up the New Testament of the Bible. Learned men then added their assumptions. All of the cannon laws, dogmas, creeds, rituals and practices of the Roman Catholic church are peppered with assumptions – truth has left them a long time ago.

Education processes are complex and subject to rapid change such as during a coronavirus, Covid-19 type global pandemic.

We look at the average retention rates for lectures, reading and audio-visual, 5%, 10% and 20% respectively. Universities spend multi-millions on their auditoriums and yet only 5% retention from a lecture!

Practice by Doing, 75%, Teach Others 90%, and Natural Self Expression is a 100% retention rate. Presently there is no understanding of what natural self-expression is because it is via Living Feelings First.

Again, this is another important review of the education process. And again, it is for the benefit of females as well as males. The females will lead the way as they are typically closer to their feelings.

As with the embracement of 'assumption' making has undermined growth by humanity, so have the option of processes of teaching stymied education. This is a time for total overhaul of education systems and they need to be led by major universities and education authorities involving every country worldwide.

The empathy of a teacher for a student is the bridge to joyful and vibrant subject engagement from drudgery. A teacher, both male and female, who embraces his feelings, becomes sensitive to his or her students feelings. This is when a teacher becomes a teacher!

It is this empathy between teacher and student that is ever so important. There needs to unfold a very personal interaction between the student and educator. Even when remote learning is conducted via the internet or other electronic means, teacher aids need to be personally involved, to be available to interact and assist the student through the learning process.

It is for this reason that 'massive open online courses' (MOOC) have not been as successful as anticipated. The completion rates for courses commenced has been poor.

It is our nature that we are not meant to be alone – and we never are! We have with us at all times a pair of nature spirits, a pair of spirit guides, a pair of angels and our indwelling spirit. Now that the Rebellion and Default has formerly ended on 31 January 2018, for those who are sensitive and embrace Feeling Healing with our Heavenly Parents Love, we may find we can now interact with them!

## Humans as part of a wider ecosystem - the need to Connect

Also, it is through these many layers of connectivity that a seemingly impenetrable restrictive control is structured over and around every child coming into this world. Governments of all levels impose controls that are enforced through legal systems that are in tandem with education systems that reach down from the highest perches of teaching down through the universities and schools into every home. And with them are the tens of thousands of religious organisations. Special vocations such as psychologists and psychiatry avoid confronting parents for their direct roles of suppression and repression of a child's true self, their real personality. The charade of having a child function in a manner that the parents impose upon him or her is endorsed and supported from the moment of conception all the way through to the grave by these multiple layers of control, all kowtowing unknowingly to the whims of the Evil Ones, through their hidden controllers and subordinates.

If that is not bad enough, then you have the special treatment of the girls. They are further restricted in their education opportunities. They are to be mothers. They are considered as having no say in leadership roles. They apparently have no need of education past the skills needed to run the home.

Well gentlemen, us men are wrong. One of them is our soulmate, the other half of the one soul that you are emanating from. They not only have the right to every educational opportunity that they may desire, BUT they have a greater need than we as a male. The mother of the child has a far greater influence and role in supporting the emerging personality that the young child is developing throughout its forming years. The mother is the authority and power behind the child. The mother's need for education far exceeds that of the male.

Society is being unrelentingly being remoulded by mothers through their children.

Kindly consider the chart headed "Parents" and note that all the influences upon a child emerge as the social ills and skills throughout every society and community throughout the world. This time in the history of humanity is a time for a total demolition of all the norms, that have suppressed humanity for aeons, to be discarded and new self-expressions of truth be embraced. This is to come through the feelings of women!

Presently, because we don't want to see the truth of our rebelliousness, we live using our mind to pretend that mostly we're okay, passing our delusion and truth-denial onto our children. Teaching them how to block out their bad feelings so those feelings won't let them see the truth of themselves and their unloving relationships with their parents and family, filling them full of mind controlling beliefs and unloving self-behaviour, just as our parents did to us. And so the Rebellion against Truth is passed on one generation to another.

# EDUCATION & HEALTH FOR ALL

Half a billion women  
can't read this.

60%  
of the illiterate  
population  
between  
15-24 years old  
is **FEMALE**

So what is it that we are to be free to learn?

- That every aspect of life on Earth is presently structured for us to live in Rebellion and Default.
- That our true personality given to us by our Heavenly Mother and Father is over shadowed by the personality that is imposed upon us by our physical mother and father who are in and of the Rebellion and Default.
- That the injuries imposed upon us by our physical parents and carers are the cause of all our illnesses, our pains, our discomforts, our disputes with others and all that causes us misery and disappointment.
- That all of these issues stem from following the overarching teachings of the Rebellion and Default so that we live through our minds and suppress our soul-based feelings.
- Our soul-based feelings are always in truth. All that we need to know is within us and that comes out through our feelings should we allow them to lead us through our physical life.
- Our mind cannot discern truth from falsehood, our mind is addicted to untruth and our mind is addicted to control of others, both people and the environment.
- **It is the embracement of our feelings, our soul-based feelings and then using our minds to implement what our feelings are leading us to accept and do, this is how we are to live. We are to live Feelings First.**
- We are to fully and freely engage in our feelings and explore all aspects of our feelings while longing for the truth of them.
- We are to long for the truth of our feelings, both good and bad, and to express to a close companion what our feelings are revealing to us.
- We are to allow our true personality, the personality that our Heavenly Mother and Father gave us and know us to be, to be freely and fully embraced and expressed.
- We are to heal ourselves of our childhood suppression and repression by expressing all our injuries to a close companion by talking those bad feelings and emotions out of us, slowly shedding the false persona that has been imposed upon us by our physical parents and childhood carers.
- We are to become free to be who we truly are. Feeling Healing, though painful and difficult in the process, is the freedom pathway so that all can see the brilliance of who we truly are and the joy of being our true uninhibited selves.
- We are to heal ourselves of all the imposts of the Rebellion and Default. We are to embrace our Heavenly Mother and Father's Love, Their Divine Love. Through our Feeling Healing with Divine Love we will be able to live as Celestials here in the physical and bring about the humanity on Earth that was intended to unfold.

**The CHILD is to FREELY EXPRESS ITSELF:** Messages from Mary and Jesus 13 May 2003

Mary Magdalene:

**“The greatest gift you can give your child, is allowing it to be freely able to express itself, helping it to feel good about being able to say and express and communicate all it feels. THERE IS NOTHING BETTER FOR A CHILD TO FEEL THAN KNOWING ITS PARENTS COMPLETELY WANT IT TO BE EXACTLY HOW IT FEELS IT WANTS TO BE. To be completely unconditionally accepted for all that it is. Then it feels loved.”**

**POTENTIAL to BENEFIT your CHILD through your own FEELING HEALING:**

**This steps down each seven years as the child matures**

**From conception to  
age 6 or 7**

**From 8 to age 14**

**From 15 to age 21**

**From 22 to age 28**

**As we heal, we directly heal our children similarly.**

**The Indwelling Spirit arrival for the child around age 6 or 7 starts their independence.**

**New Feelings Way: learning how to live true to ourselves by living true to our feelings.**

**We are to express our feelings, both good and bad, at all times, and to long for the truth of them.**

**By living true to ourselves true to our feelings, we are living true to God. It's that simple.**

**Golden Rule: that one must always honour another's will as one honours one's own.**

**The Golden rule is: Never interfere with another's will.**

**To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

# children's PASCAS UNIVERSITY

Paramount is the full development of the understanding of all that is our Childhood Suppression and Repression:

**The whole human race is suffering from repressed childhood and mind control.**

**HUMANITY is within a kind of dormancy, or even more like a stupor!**

“We, all of humanity, have been reduced to the barest of self-expression, having been reduced to the least creative life we can all live, that which the Earth is currently reflecting with everything and everyone trying to be the same. The pressure to keep going this way is to end. Steadily the pressure to go the opposite way, to increase creative expression, and this is not only meant through the creative arts, but in every aspect of life, socially, collectively and individually, is going to open things out enormously. It’s going to be an explosion of light, that which is to end the darkness, something that’s never been seen before.

“It’s the light in our souls, it’s the light that comes from the truth we are to be living that will change us – that changes us all – light from our soul. **If one applies themselves to their Healing, thereby ending their unconscious self-denial, they will as they Heal, change and start expressing all the buried attributes, characteristics and talents, any natural part of themselves that’s been denied because of their unloving parenting.** We are nothing like how we should be due to our self-denial. So many people are living completely false lives, so when they become true, they will almost be the complete opposite to how they have been.

“We are to be alive and vital, real expressions of our soul, to be living fully Healed lives as Celestials while living on Earth. Continually coming to terms with all we have been through, we all take a long time to integrate and understand it all, but we will virtually be New People.

“We on Earth are used to our anti-self-conditions. For the people who knew us before Healing, we will seem like completely different people, although with the same basic personality traits and characteristics. However, all the self-hating, denying patterns and consequential behaviour will be gone, with all our loving self being expressed. **We are all but the living dead, whereas the Healed are the living living. And there’s a huge difference.**

“We and those who are Healed are like chalk and cheese, we can’t relate to them anymore, and they certainly can’t relate to us. **Healing is taking someone who was all but crippled right the way through their childhood and undoing all that retardation within them.** Doing one’s Healing is changing the whole programming of every structure within us, all in keeping with getting older and naturally ageing with our mind and feeling systems ageing as well, working right down on the deepest will levels, it all changing, all to rid each of us of our wrongness and make us become right. It’s a huge undertaking.

“Yet it all follows on, it’s not like you’ll be so different from the old you that may as well not have existed, it’s all there, all the new you to become, with only snippets currently being exercised and expressed, with **the rest of you in a kind of dormancy, or even more like a stupor.**

“Once you have finished your own Healing, you’ll be like a new person.”

Notes derived from Celestial Nanna Beth 20 – 23 April 2018

Consequently, psychology, health and humanities topics are to be the leaders to refocus our way of living towards Living Feelings First and embracing Feeling Healing.

Pascas University is to have physical campuses in south east Queensland, Australia; New Delhi, India, Russia, Africa. South Americas and elsewhere as appropriate. Pascas University is to have a virtual campus worldwide and an initial campus target of one million.

All students may be full paying students, HOWEVER the range of scholarships and bursaries are to be extensive. Students from within impoverished and disadvantaged families may be provided the opportunity for assistance that extends beyond education. Support may extend further to housing, food and employment opportunities.

As the education system is historically hierarchical, then Pascas University may then be the pathway to open Chaldi College technical and further education (TAFE) facilities, high schools, middle school, primary schools and pre-school facilities, all focusing upon the NEW FEELINGS WAY.

Health and healing concepts are to be refocused from suppression of symptoms to enabling the healing of the underlying cause. This has never occurred previously in the history of humanity as it had not been revealed – now it is. We are all to be empowered in the understanding of healing ourselves, should we so please.

Medical sciences are yet to recognise the spirit body, and in particular, its etheric body. The etheric body is the bridge between the energy fields of the spirit body and the physical body. It is the etheric body that is the template for the physical body. The physical body looks like the spirit body. When a person ‘dies’ they find themselves more alive than ever. When you awaken in your spirit body, you will find yourself looking just how you did in the physical, maybe a little younger and without blemishes and deformities. You may pinch yourself and your spirit body will feel as tactile to you in spirit as your physical body did while you were alive. Life in spirit goes on unabated in much the same environment as you lived.

Illness arises through our spirit body. Viruses emerge through the etheric body and take residence within the physical body within host cells. This is why childhood suppression and repression is the incubator of all illness that we experience throughout our physical lives.

Should phycologists and psychiatrists be allowed to deeply investigate childhood suppression and repression in their university and in their work experience, then we may see a giant leap forward for mankind in the understanding of health and medicine.

Pascas University is to develop campuses within numerous nations and facilitate the development and discemination of all these understandings. It is to target for an overall campus of one million students throughout its global network of universities and auxiliary educational centres.

**CHALDI COLLEGE – EDUCATION:** Nanna Beth – 3<sup>rd</sup> Celestial Heaven and James 28 July 2017

James: John has been wondering about how to set up schools and schooling under a tree, in keeping with it all being opposite to what we're all used to, can you give him any suggestions or point him in the direction he should look?

Nanna Beth – 3<sup>rd</sup> Celestial Heaven: These are some ideas he can consider – just suggestions John, we won't say it has to be this or that way, as you know, it's for you to work things out. So basically, what would you like John – how would you have liked school to be?

Schooling is voluntary. It should be made to be something children want to do, not something that's forced on them.

It should be fun, as in keeping the whole focus on making them feel good about all they are doing. Not artificially praising them or praising them over their peers, but just supporting and being personal with them, allowing them to respond and find their own way.

It should not be separated into classes based on age. Classes should involve all ages, for example, the younger ones can learn and watch and be helped by the older ones, but not forcing the older ones to help the younger, all voluntary and what would naturally happen, more like in a big loving family rather than segregated because of age or whatever. Perhaps the 5, or less, to 10 in one group, 11 to 16 in another.

## CHALDI COLLEGE

Teachers are to be able to deal with children of all ages, and work to allow the student to progress at the students own pace. Special or extra schooling can be provided when necessary to students that want more.

The subjects should all be practically oriented. Everything offered and so accepted voluntarily. Reading, writing and basic arithmetic, all so as to help the child deal with the real world. Other subjects like psychology – morals and ethics, love and friendship, acceptance and tolerance of ALL feelings, particularly bad ones, resolving disagreements, expressing feelings and yet not necessarily acting on them – particularly the bad ones, all based around how to respect and treat other people how you'd like to be treated. And how if you hurt by infringing upon another's will, then you will have to suffer that same amount of hurt, either now or in spirit. And about the Feeling Healing, what happens when you feel bad feelings, how to look to your feelings for their truth, so as to grow in understanding of yourself, nature, life, other people, and God – the whole spiritual aspect, including the Divine Love and Mother and Father – yet no religious indoctrination. The history, culture, place in the world. How to integrate with the modern world, computers, phones, internet, etc. Sport, play, arts, creative lessons and involvement. How to live and respect nature, the natural world, the environment, hygiene, natural health, sex, contraception, abortion and so on – about the person, the body, things to dispel myth and falseness, general science. Trades, technical work, hands on experience – building stuff, ways to use one's mind to do what one wants to do.

Duration of classes, half a day, longer when older for those wanting to learn more, homework voluntary and at the child's initiative – wanting to do it.

School is just part of life, not separate to life. Part of the family, tribe, society, not separate from it. Inclusion of other adults, parents, family members, as aides, helpers, teachers, together with professional

teachers. Lots of people, and in particular older people (who also have the time), are natural teachers and should be encouraged even though they've not been specifically trained. One can only learn a certain amount being taught to be a teacher, yet in reality, very few trained teachers have any real natural feeling for it. The more the 'teacher' makes their pupil feel the pupil is the important one, and the teacher is only there to help them if they need their help, and not to stuff it down their throats whether they like it or not, is where to begin. And how a child of differing ages learns, is as varied as the children themselves. So the more 'teachers' the better, and that means the child can gravitate to the 'teacher' that best suits them, rather than having to spend a whole year with someone you hate and you feel hates you.

University for higher learning, full on, voluntary, free, all information on any subject available with competent teachers. So the student can excel should they want to.

It all being with the focus on the person, offering those things which they can try and see if they like. Things that will help them in the world; and how to be a person living true to themselves – true to their own feelings; and how to respect another as one respects oneself.

James: Nanna Beth, John would like any comments on the Council of Elders continuing to contact people on Earth after he's croaked it.

Nanna Beth: It's as James said, there will be an increasing number of people opening up to us Celestials for all sorts of help, once they understand who we are and how we can help. So yes John, there will always be some main people on Earth we'll work with. And should it all keep needing to move along with one entity in control, such as what you're starting out with, then yes, that is how we'll engineer it. Should it break up or be broken up into many entities, then we'll be ready for and going with that. As much as we say we are in control, we mean that we are in control instead of the mind spirits. But still we are to work with humanity, in as much as humanity leads and we augment.

James: And Nanna Beth, I thought I'd ask you about the Religion of Feelings, as John is against a religion of any sort because of all that religions have done to us all, do you have any thoughts on it?

## Feelings First Spirituality, New Feelings Way

Nanna Beth: It's all up to you James, what you want. Of course you're not wanting to go and instigate yet another religion in which people have to adhere to a set of rules because you know what will happen to that, **any rules allowing people and their controlling agendas to take control over others, is something to be avoided at all times.** However the notion of a 'religion', and one based on feelings, with no fixed agenda, no rules, just founded on truths, will allow people to have some sort of structure to relate to should they need that, but one in which they are entirely free to do whatever they feel based on their feelings. And with the Feeling Healing and Soul Healing being at its core, then those people intent on that will be able to work on themselves and it won't matter to them whether they are part of something or not.

As you understand, some people will like the idea, others won't like the word religion and will want to do it alone, so do whatever you feel you want to do. We don't call it anything over here other than Our Healing, yet we all had embraced the Divine Love before we began our Healing, however potentially that won't be so for a lot of people on Earth, and to say that people have to embrace the Divine Love to do their Healing would cancel out a large amount of people and is putting a rule in place, which doesn't need to be there and would only get in the way.

So to call it a Religion and yet to make it as free as you are intending James, is something for you to decide for yourself, which really just gets down to using the word religion. And I know it appeals to you because it is a religion that is not a religion, yet more a true religion of truth than any of the existing religions are, so you're showing up those religions for the untruth that they are.

Anyway, it's what you want to do James, it's not for us to say one way or the other. And you will do what you want to do, you'll hear people's complaints or if they like the idea, weigh it all up, and still do what you want to do.

James: So you don't force or coerce anyone to do anything they don't want to do. Because who wants to be treated that way – no one!

# GREAT -Turn

## The Learning Pyramid

Natural Self Expression is the greatest educator! Allowing our feelings to be expressed to a close companion is the greatest education process there is. And by expressing our soul-based truth from your soul-based feelings; allowing truth to be embraced and shared with a companion is how to heal yourself of your childhood suppression and repression.

Adults and children are capable of instructing and assisting each other in how to discover their true personality, slowly and progressively healing themselves of their childhood repression, their imposts from the Rebellion and Default that has now ended after 200,000 years.

***“The True Liberation of Women is Through the Truth of Their Feelings.”***

**We are to express our feelings, both good and bad, at all times, and to long for the truth of them.**

**This time, in the history of humanity, is the most exciting time ever experienced.**

One to One Sharing:

Talk it out with a buddy what happened with you yesterday or over the weekend. Was it fun? Was it not? Was it a bother? Why do you feel it was that way for you? Say to your friend whatever comes up in how you feel about what happened for you. Then listen to your friend share his/ her day / days and what she / he experienced. Then ask your friend to talk again later.

Junior school classroom with a student assisting students to form into pairs and discuss their feelings about their experiences.

Consider this – when was it that a doctor, a medical practitioner or professional health carer told you what was the underlying cause of a discomfort, pain or illness?

Your mind is spirit body located. Your mind connects through your spirit body brain to your physical body brain. Your physical body brain is a ‘dumb computer terminal’ to use an analogy. ALL mental illness emanates from within your spirit body mind. ALL mental illness is generated from childhood suppression and repression injuries – emotional injuries imposed upon us through the injuries of our physical mother and father’s personal injuries as well as from other carers during our childhood. The scientific training of professional medical doctors and health carers does not recognise the existence of the spirit body let alone the imposts of parents’ emotional injuries imposed upon their children. Health sciences are barely seeing through the surface skin of the physical body let alone into the spirit body – so their treatment is all about suppression of the pain – not addressing the cause which remains unaddressed.

So why is that ancient childhood upbringings were more open to feelings through embracing play for children whereas the education systems worldwide prevent children from freely playing – which is practice in doing, teaching others and natural self-expression – true teaching?

**LEARNING for ETERNITY:**

The journey that we are on and the life we are to live is a never ending adventure of learning.

We may gaze at the stars in wonder for they are homes to our neighbouring humanities.

While we live through and worship our minds then we will stagnate.

This time in history is the Great U-Turn.

We will now embrace our soul-based feelings, the truth within us, and have our minds follow. Not the other way as it has been throughout the Rebellion and Default with the mind suppressing our feelings and we being in denial of our condition.

Through our feelings we will put aside the limitations and barriers that our mind restricts us to. We will discover the wonder of ourselves and our amazing potential.

We will recognise that females and males are equal and are truly partners in all we do.

We will discover that one soul manifests TWO personalities, one female and one male, and that our true partner is our other half of our soul!

We will become free!

**ONE SOUL orchestrates TWO PERSONALITIES, ONE FEMALE and ONE MALE – ALWAYS:**

The brain is not the origin of the mind, as science and medicine has believed, but the other way around. The mind controls the brain. The brain is activated by the mind’s intention and not vice versa. However, it is our mind that is to be subordinate to our feelings, not the other way around as we have embraced for the last 200,000 years. Our mind is to follow the guidance and promptings of our feelings and support and implement such feelings as they occur. Our feelings emanate from our soul and are always in truth.

“The soul is not in the mind. The mind and brain are merely attributes of it. They are parts of you, your soul has brought into Creation, so that you as a personality can experience love. Those in the natural love spirit worlds do not know of the soul and its true nature, because they are not partaking of the Divine Love thereby becoming soul-conscious. They continue to believe it does exist, because others and I have said it does, so they have woven beliefs around what they believe it to be. And as I said, they will get a great shock when their soul begins to wake them up wanting the love of its Parents, for they will realise how much time they have spent denying themselves, when they could have been actively praying each day to the Mother and Father for Their Love.”

**ONE SOUL = TWO PERSONALITIES**

The two personalities from the one soul are eternally compatible once they are healed of their Rebellion and Default.

**Spirit Body**      **Physical Body**  
**One Soul = Two Personalities**

The capabilities and potentialities of every individual personality is only limited by their childhood suppression and repression. Once we heal, then our self-expression will reveal our true selves.

## DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – ‘soul land’. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

Our soul is the centre of our personality.  
We are children of our Heavenly Parents.  
Our soul manifests a male and female personality - it is a duplex!

## The CHOICE is OURS to MAKE:

### Celestial Truth:

Truly all-loving;  
 Living true to oneself;  
 Mind supporting Feelings;  
 Living with the Divine Love;  
 Fully Healed of the Rebellion and Default.

### THE FEELING WAY

Feeling – Ascendance  
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

### THE MIND WAY

Mind – Transcendence  
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,  
 atheists, no spiritual interest,  
 Living the Rebellion and Default.

Hell:  
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

## Our FEELINGS are our SUPREME GUIDES:

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.**

Kevin, 1<sup>st</sup> Celestial Heaven: 26 Sep 2017 (John's brother-in-law)

## **Using our feelings to uncover the whole truth of our negative or anti-truth and anti-love state.**

Kevin, 1<sup>st</sup> Celestial Heaven: **So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti-love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.**

## **FEELING HEALING**

**Note:** The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

**Note:** **Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.**

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and totally true.”

James – Introduction Course to Divine Love Spirituality

**My SOUL manifests TWO PERSONALITIES!**

**When we heal ourselves of our childhood suppression and repression, we THEN may become able to recognise who our soulmate is.**

**While we remain living through our minds and not living feelings first and expressing our feelings as they arise, both good and bad, we remain bound in our rebellious nature that humanity has been in these past 200,000 years, rebelling against our soul and consequently our soulmate.**

**Many will be astounded at how abusive and unloving they may have been to their soulmate who is to be their companion for all of eternity, for their journey together to our Heavenly Parents.**

**The injuries and errors that we are infused with during our early childhood forming years are the foundations of our social ills and physical illness that arise throughout our adult life.**

**We now know that through Living Feelings First and engaging with our Feeling Healing that all these issues may be put aside. No other pathway or process can achieve this.**

## WOMEN and GIRLS' EDUCATION

**Education for girls and women is a key focus of our agenda. Writing the overarching principals of this is an amazing oversight.**

**The shift is not to create boys out of girls and have all the social ills and pressures simply switch gender.**

**It is to create freedom that is a true expression of our individual personalities and feelings. This has never been done before, let alone recognised as to how the education system is to be refocused.**

Someone that the world admires and who has had a 'high' education has this to say:

**JOHN F KENNEDY** 29 May 1917 – 22 November 1963

Saturday, 28 October 2017

John (JFK) – 3<sup>rd</sup> Celestial Heaven: "So it was organised, as I was told by my attending spirits, that through a secret branch of the CIA (Central Intelligence Agency) my life would end, with it being blamed on a 'patsy', the story which you were reading about. Lee Harvey Oswald was innocent, he was set up, given a story about one thing and then next thing he knew he was accused of killing me, and then before he knew what was happening, as of course he was told he'd be protected and looked after if he went along with it – they'd set it up to 'disappear' him, which they did, but a bit more than what he was expecting, with Lee finding himself over here in spirit with me. We met, and he apologised to me saying that it wasn't him, telling me all about his side of it, as we both recovered from the shocking way we'd been treated and how our lives had ended.

So I got on with my new spirit life, and quickly through family, came to understand about the division in the Mansion Worlds concerning those spirits wanting to carry on living with their rebellious minds in control of themselves, or doing your Healing by looking to your feelings for their truth and embracing the Divine Love, as you are revealing James. And I followed my relatives, some of who were Celestials, and started my Healing. And so here I am, resident in the third Celestial sphere, myself now a Celestial spirit having healed myself of my rebellious ways.

Through my **Healing years, and it took me about fifteen years to complete it**, I took little interest in what was happening on Earth, but became far more interested in what was happening over here in spirit, which is infinitely more exciting than the meddling of secret agencies and all their secret workings with the hidden controllers who run Earth.

And now through what we're doing in relation to all you (James) and Marion are doing, so I'm actually having far more impact on these hidden controllers than I would have been able to do by being the President. Now, as you understand, we Celestials are in the process of taking over power from the mind spirits, so the hidden controllers' days are numbered, with the breaking down of their controlling ways starting to happen. We Celestials are involved now in all aspects of humanity on Earth, having recently been given almost a free hand in how to influence things so as to bring about the necessary changes that will eventually result in humanity being freed from its imprisonment, free from the controllers, both on the mind world levels in spirit and their counterparts on Earth, which will allow everyone to freely choose to do their Healing. Things are to change, so as the truth about the Healing becomes known, then systems will be put in place to allow people to get on and heal themselves, with nothing of the sort currently being

made available, and with all what you are having to do James, coping with the government requirements and obligations you have to fulfil so as to survive, needing the governments help because you have been rendered incapable of normal work due to your parental influences, being done away with, allowing people to concentrate on Healing themselves.

Oh, how much we all learn through our Healing, about ourselves and how wrong we have it all on Earth. However it is as it's meant to be, yet thankfully that is now all starting to change. It's a huge wheel that has been mired in mud for aeons, but now it is perceptibly beginning to move. And with the continued 'weight' of us Celestials behind it, that movement will only gather pace. For as you understand, the Rebellion and Default are over, so humanity can only work to heal itself now.

So that is my story, I have met my soulmate and we are fully in love with each other, my life on Earth long gone and now just a lot of memories, which mostly revolve about my early life and how I was unlovingly parented. So I have nothing to do directly with Earth as in trying to get my way, keeping on trying to be the 'loving' President that I was; no, nothing like that, and most of the spirits I meet don't even know I was a President, and when they find out, don't care. Many of the American spirits who were for me and supported me, tell me that, and I appreciate their fond feelings for me along those lines, but they go no further for each of us, because they no longer mean anything for us over here. Our lives are all so vastly different. In my soulgroup, for example, we have a soulpair who were ignorant natives from the Amazon, who knew nothing about the greater world, having no conception of America, let alone her President. They knew their chief, he was their president, and that was enough for them. And yet these uneducated and uncultured (compared to my revolting standards that I grew up in) people, took to their Healing like so many spirits, and are now every bit my equal, as I am every bit their equal, for we are in the same soulgroup in the third Celestial sphere.

So James, that is something about my story, and I would welcome and enjoy any questions you might have.

James: I am intrigued by these hidden controllers, so if you wouldn't mind, could you tell me more about them in the context of your life and their depriving you of it?

John: Each of the main agencies that were developed by the hidden controllers to ensure things worked well, which means, in according with their wishes, were set up with various levels of secrecy within them, with only very few people actually knowing all that goes on. And mostly these controllers are all from various families who've been very successful in business, because of their control, and so know each other, it all being a very small club, with strict rules of conduct should outsiders be invited in.

You can imagine James, you set up an organisation to do a certain thing. Then that organisation very quickly needs to have within it a smaller more secretive organisation that ensures the main organisation works properly. And then you need a smaller still and more secretive group of fewer people controlling that organisation, and so it goes until there are one, two or three people calling the shots but doing so in ways that no one really knows they are in control. So coming into such an organisation, unless you are inducted into it from the beginning and become part of it all, you will never know what's really going on and who really calls the shots. And then they all indulge in certain perversions, and they keep records of such illicit activities on each other, all as protection against you having a change of heart and spilling the beans. But few of the real controllers do ever leave or break the rules, because it's their life, it's what they love, and would never want to do anything else. They need all that power and couldn't get it from anywhere else.

So I was a loose cannon, I had certain powers as President, and I said I was going to use them, and so I started to make certain people feel nervous, and so as a demonstration of their all-powerful ways, I was made an example of, I was easily removed from the face of the Earth, and in such fashion being on display for the whole world, and with such glaring incompetence as setting up Lee and saying he used a weapon that couldn't have done what it was said to have done, thereby showing the world there were multiple assassins, and yet being able to tell the whole world how the controllers wanted it to be, and no one had any power to call them on it. It all being blatant lies which so many people can see yet no one can do anything about it.

James: Ok, so these hidden controllers have all-power, and don't even have to cover their tracks very well as we've seen lately in Las Vegas with that mass shooting, so how then is someone like Trump supposed to do anything more than you did? (On the night of 1 October 2017, Stephen Paddock opened fire on a crowd of concertgoers at the Route 91 Harvest music festival on the Las Vegas Strip in Nevada. Paddock, a 64-year-old man from Mesquite, Nevada, fired more than 1,100 rounds from his suite on the 32nd floor of the Mandalay Bay hotel, killing 58 people and leaving 851 injured – over 400 of them by gunfire and hundreds more in the ensuing panic. The shooting occurred between 10:05 and 10:15 p.m. PDT; about an hour later, Paddock was found dead in his room from a self-inflicted gunshot wound. His motive remains unknown.)

John: Trump is part of another secret society who are in competition with those who got rid of me. It basically consists of the Clinton Bush crime families and Trump's people, just as you read James. And because the more dominate ones are losing some of their power because of what we Celestials are doing by closing down the mind spirit interference, so Trump's side is finding cracks they can exploit, which is all part of the breaking down and exposing the illegal goings on. I won't go into it more for you James, it concerned every major country and their power elite, some supporting each other, others against, yet with everything now becoming more fluid, changing every day, with many of the elites beginning to feel threatened as their god-given power right starts to feel less assured.

Part of what you are going through James is giving up wanting to know about such things any more than what you already do, and any more than what you can pick up reading your small news reports. However, really I have come to add my support, for what it's worth, to what you've already been told, that we Celestial spirits are steadily increasing our control, which is going to force an eventual turn around in the world. The mind spirits would never help humanity heal itself because they don't understand what true healing is, so they blindly carry on the Rebellion and Default. But we Celestials, because we've healed ourselves, do understand, yet also understand that it has to be a gradual process of humanity slowly waking up to the truth of its wrongness. And for that to happen, certain information needs to be made public so the average person can see that all they've been told really are lies. Certain people think and even know within themselves that it is, yet still proof needs to be seen, and so that is what is going to happen.

Trump and his group are no better or worse than the other controlling groups of the world, yet he is now in the ascendant position so he is making things increasingly difficult for his opposition. And we don't care which ones we support as such, all so long as how we want it to be come about. And I can state that now, because as you understand, Earth has been given to us Celestials for us to bring back into alignment with the true evolution of humanity's soul, so we spirits from Earth who've done our Healing can now get stuck into helping people on Earth, and those mind spirits when they are ready to consider a new way, as it will all help those in future who are to incarnate on the world.

And our Celestial way of doing this is very different from what the world and its controllers are used to doing, so it might not seem like anything much is happening, yet it is, with those in control believing they are making the changes and getting what they want, when really they are doing our bidding.

And to those people who might say that controlling humanity is not what Celestials would do, then wait until you are Celestial yourself and see what work you are asked to do and how much you want to do it, all so as to end once and for all the appalling effects of the dreaded Rebellion and Default.

We are not dreamy spirits floating around in our beautiful cities in the heavens sitting with God, we're fully active in helping save humanity from itself. And this as you understand James, is only a very recent development, so we're all feeling our way along in it, seeing just how far we can go and what we can do, and there will be a lot of work to be done for the next one thousand years (the coming Avonal Age) by all who do their Healing and want to be involved with this work. And as you also understand, not all Celestials do, many preferring to move on in their ascent through Nebadon, and that is for them, whereas this now is for us.

I will go now James. Should you want to speak with me again I'm more than willing to talk. Things will settle in your mind – you know how it is; and if we don't speak again, then you can know that I am one of the growing army of Healed Celestial spirits that are a finally able to have an active role in the future of humanity. And humanity has a very long way to go, it is so far removed from the truth of itself, so there is a lot that needs to be done, and a lot of **heavy changes** needing to take place.

Thank you for receiving me James – John F. Kennedy, once a President of the United States of America, now a Celestial spirit.

James: Thank you John. (JFK)”

**Now you may be wondering what this all has to do with women and girls' education.**

**Hidden controllers have installed the education system with disparity and suppression of females while subjecting women to being submissive to males who in turn are literally enslaved to the hidden controllers' agendas. And this has been the way for the past 200,000 years.**

**Further, when we come to understand how education should be delivered we recognise the “revolting standards” when compared to that which is provided for those who live close to nature, such as within the Amazon jungles, living closer to their feelings and truer to themselves, thus are more advanced in their education being in truth.**

**Presently, the world appears to be shifting to educate girls and women whereas it is more of the same suppression and domination orchestrated by hidden controllers to maintain their eroding power bases. Nevertheless, at this time being the 2020s, disruptions are opening up avenues for changes to be adopted and embraced.**

# **GIRLS' AND WOMEN'S EDUCATION**

## **FREE to LEARN:**

‘After studying the teachings of these ancient writings, if one were asked, “Where is God’s greatest temple on Earth?” One should answer: “In the heart of man; the perfect temple for the adoration of God; the perfect temple for silent meditation and Love; the temple available at all times and in all places, any hour of the day or night, whether it be in crowded city or desert plain, for the Love and Adoration of the Heavenly and the temple where man can become at one with the Heavenly (Mother and) Father.” Tell me, what other temple can fill its place?’

P205 The Children of Mu (Lemuria) by Col James Churchward

## **Our Heavenly Parents simply desire us to ask for Their Love.**

### **How are we meant to live?**

We are to freely express ourselves! We are to be our true selves. We are to follow our feelings. Our feelings lead us to our soul-based truths! We are to allow the magic, the beauty, the intelligence that we all have bestowed within our personality to freely flow and to bloom.

We are just incredible beings that are having a physical existence even though we are spirits. Yes, we are spirit personalities having a physical experience which is added to our uniqueness.

Our individualisation of our personality commences at the moment of our conception into the potential of a physical life, in our case, here on Earth. From that moment on our soul brings into existence our spirit body which is also the template of our physical body that is initiated by the commingling of the sperm and egg of our physical mother and father. Should our embryo proceed to develop and commence pumping blood, at the moment of the embryo’s first heart beat we are incarnated.

# ***We are to Find the Truth***

Our life experience on Earth is rather traumatic to say the least – we are born into a spiritual Rebellion and Default! What a great start to a new adventure. If you are born after 31 January 2018 then it is even more confusing as the Rebellion and Default are technically and formally over, however no one appears to know. Better still, no one even knows or understands that such a Rebellion and Default has dominated everyone’s life experience on Earth for the past 200,000 years! It has been so consuming that even natives in extremely isolated and remote communities have also been fully embroiled in the Rebellion and Default through the workings of mind Mansion World spirits infusing the directives of rebelling higher level spirits.

**OUR MIND constricts OUR FEELINGS!**

Thousands of years ago, high level spiritual leaders erroneously guided humanity to embrace their minds as the way to live. Our minds are addicted to untruth, they cannot discern truth from falsehood, and our minds are addicted to control over others and the environment. We are self-contained. It is our soul-based feelings that we are to allow to surface and guide us. Our minds are to then help us implement what our feelings are leading us to do and understand. All truth flows from our soul and it is our minds that are to allow such truths to be accepted and followed, not the way we are now being taught. We are to live Feelings First.

## **TRUTH versus FALSEHOOD:**

‘It is an observed fact that even in the ordinary world of human life, the human mind cannot tell truth from falsehood, even about simple matters. The world holds an endless array of positions that are arbitrary presumptions and totally fallacious. One can observe them and respect how they are seen and valued by others without personally subscribing to them.

‘The mind is dualistic and thus sets up separatist mentations based on arbitrary, hypothetical positionalities that have no intrinsic reality. The mind thus confuses its own projections and mistakenly assumes that they have an external, independent existence, whereas, in reality, no such condition exists.

‘Science itself (calibration level in the 400s) has survived relatively intact and unscathed by the assault on truth. However this has led to the awareness that no major advance in science can occur without a further understanding of the nature of consciousness itself.

‘Not only is the majority of the content of the average mind fallacious, but it is also programmed to attack itself with self-hatred, depression, guilt, low self-esteem, envy, greed, conflict and endless misery. These defects are then projected onto the world as hate, war, violence and genocide. The ego defends its own limitations with prideful denial, thus becoming its own victim.

‘That the human mind, without help, is unable to tell truth from falsehood due to its own innate structure and design is so staggering a discovery that it is roughly comparable to the discovery by Copernicus that caused a cultural shock in the sixteenth century. (Copernicus formulated a model of the universe that placed the Sun, rather than the Earth at the centre of the universe.) Because this single fact alone is confrontational to the average mind, it will probably not be welcomed or warmly greeted by those who profit from sophistry and its illusions.

‘The ego sees Truth as its ultimate enemy. Thus, the ego really uses the mind as camouflage and becomes hidden in its clever constructions.

‘One’s inner spiritual evolution is of greater value to society than any form of doingness. The level of compassion radiates out and contributes silently to mankind’s wisdom.

‘A characteristic of the energy field of consciousness is its innate propensity to evolve to higher and higher levels in order to give expression to the highest potentialities. (This is only possible through the embracement and living true to one’s feelings, soul-based feelings.) By the time consciousness levels reach the 500s, and especially in the high 500s, one’s spiritual energy tends to flow in a generalised way and influences not only subjectivity but perceived experience as well. What is held in mind tends to present itself almost effortlessly as though by the miraculous.’

Notes from Dr David R Hawkins publications

The main obstacle to man’s development is his lack of knowledge about the nature of his feelings, his soul-based, always in truth, feelings.

The brain is not the origin of the mind, as science and medicine has believed, but the other way around. The mind controls the brain. The brain is activated by the mind’s intention and not vice versa. However, it is our mind that is to be subordinate to our feelings, not the other way around as we have embraced for the last 200,000 years. Our mind is to follow the guidance and promptings of our feelings and support and implement such feelings as they occur – our soul based feelings of truth!

WE ARE GOD'S CHILDREN

THE GREATEST  
THREAT  
TO  
HUMANITY

While we ignore our feelings, while we treat them as inconsequential, while we worship our minds as the supreme solution to our potential, we will continue to degrade and present ourselves as being in a stupor – a gaze of inert functionality – that is the result and objective of controllers of an era that has gone by, that we have been totally manipulated like puppets on strings.

To put it bluntly, we have been and still are being led up the wrong garden path. We are to embrace our feelings and allow them to be expressed without qualification. We are personalities being born into a physical experience and our personalities are sacrosanct – they are our true selves. We are not to adopt a persona that others try to impose upon us, especially our physical parents. When we suppress our true personality and try to act in the manner that others want through their control of us, then we have tensions, stress, confusion, anger, corruption of our innate natural intelligence and this then brings about illness both mentally and physically as well as all the drama that unfolds throughout our lives.

Those who live through their feelings are also living closer to nature! Through our feelings, while embracing nature, we are opening up to our highest potential. When we begin to express our feelings, both good and bad, while longing for the truth of them we are healing ourselves of the injuries imposed upon us, particularly those injuries during our childhood suppression and repression. By living Feelings First, embracing Feeling Healing and longing for our Heavenly Parents' Love then we are on the pathway to potentially living a Celestial life and existence here on Earth.

Any other way of living restrains us to live in a hellish existence. It is that simple!

### A NATION'S or COMMUNITY'S COLLECTIVE SOUL CONDITION:

One's soul condition has a direct relationship with all facets of living. To grow and improve one's soul condition is the greatest gift one can give him or herself as it has universal benefits that last for eternity. This is achieved by living Feelings First, then by embracing Feeling Healing one is repairing the damage incurred by the Rebellion and Default that is passed down to us by our parents. Further, by embracing Divine Love with Feeling Healing we are doing our Soul Healing and progressing towards Celestial status.

Dr David R Hawkins' development of the Map of Consciousness (MoC) and research with kinesiology muscle testing observed the overall calibration of consciousness level of many countries. Developed economies are within the highest brackets. Civil unrest and wars are within the lowest two brackets. Consider the average life expectancy and per capita income relative to the MoC calibration. Then review the subsequent table for rate of unemployment, rate of poverty, rate of criminality, and happiness rate 'life is okay':

**Note:**

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.  
 A calibration increase of 1 point is in fact a 10 fold increase in energy.  
 A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.  
 Thus the energy differentials are in fact enormous!

The Map of Freedom reflects the findings of Freedom in the World 2014, which rates the level of political rights and civil liberties in 195 countries and 14 related and disputed territories during 2013. Based on these ratings, countries are divided into three categories: Free, Partly Free and Not Free.

A Free country is one where there is broad scope for open political competition, a climate of respect for civil liberties, significant independent civic life and independent media. Partly Free countries are characterised by some restrictions on political rights and civil liberties, often in a context of corruption, weak rule of law, ethnic strife, or civil war. A Not Free country is one where basic political rights are absent, and basic civil liberties are widely and systematically denied.

# “All dis-ease is mind generated, and all healing is generated by the love energy of one’s soul.”

The Ego (mind based) manifests illness; the lower one’s level of consciousness (soul condition) then the more prevalent will be illness. Below the levels of 200, the ego and fear of the mind dominate; however, as you raise your level of consciousness by growing in truth and love to achieve a level of 500 or higher, you begin to transcend ego dominance. At the levels above 600, all healing may become possible – the healing of our personal Rebellion and Default being foremost.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

**PERSONALITY TRAITS:**

Less than two dozen people on planet Earth.

Would not pick up a weapon let alone use it. These people gravitate to the health industry and humanitarian programs.

Debate and implement resolutions without argument and delay.

Debate and implement resolutions in due course.

Debate and implement resolutions with some degree of follow up generally needed.

Management supervision is generally necessary.

Politics become the hope for man's salvation.

Cause no harm to others starts to emerge. Power overrides force.

Illness is developed by those man erroneous emotions that calibrate 200 and lower.

Armies around the world function on pride. Force is now dominant, not power.

Harm of others prevails, self-interest prevails.

Totally self-reliant, not God reliant.

Fear dominates all motivation.

Suicide is possible and probable.

At these levels, seriously harming others for even trivial events appears to be justifiable.

Poverty, unemployment, illness, etc., this is living hell on Earth.

**MAP of CONSCIOUSNESS CALIBRATIONS reflect the nature of the TOPIC:**

The level of truth of a topic or subject is reflected in the calibration through employing Dr David R Hawkins' Map of Consciousness with kinesiology muscle testing. A publication or movie about manufacturing food would be around 200, whereas meals prepared in a loving home would be around 500. The subject of pornography through to war would be less than 200, whereas natural love topics can readily be over 500 and up into the 800's plus. Material introducing Feeling Healing with Divine Love, by its nature, will range between 1,480 to 1,500 on Dr David R Hawkins' Map of Consciousness (MoC), in its purest form of presentation. This has never been previously achieved.

**CONSCIOUSNESS and EMOTIONS:**

Consciousness = Soul Condition. One’s Soul Condition is equal to the average of all of the held emotions. Soul condition is the sum total of all of the different emotions, desires, passions, etc., all wrapped up together in terms of how much love there is in every one of those.

**Note:**                      **The Map of Consciousness scale is from 1 to 1,000**  
 The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.  
 A calibration increase of 1 point is in fact a 10 fold increase in energy.  
 A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.  
 Thus the energy differentials are in fact enormous!

**NATURAL LOVE or HUMANITY’S ERRONEOUS EMOTIONS:**

Your soul, being your real you, is an emotional being. Your soul, though a thought of God, does not possess anything of the divine within it. It existed in a state of bliss, in a natural love state, pending individualisation which is achieved at conception which is the time of incarnation. Your soul is endowed with natural love emotions noted within the top section of the Map of Consciousness scale, being those emotions calibrating above 200.

Humanity’s erroneous emotions are those calibrating below 200 on the Map of Consciousness. The environment around a newly conceived child progressively degrades the condition of that child’s soul. When the child reaches about the age of 7, the child’s soul condition will reflect the parent’s condition. These negative emotions are like a crust around the pure soul it has within.

# Imagine

- Imagine the Revelations of how we are to heal and find our way home to our Heavenly Parents have now been given to us by high level spirits.
- Imagine the major errors and omissions within the New Testament of the Bible are addressed and revealed.
- Imagine Feeling Healing with Divine Love is the way of life and pathway to Paradise – to our Heavenly Mother and Father.
- Imagine by living true to ourselves, true to our feelings, we are living true to God. It's that simple.
- Imagine living by the Golden Rule: that one must always honour another's will as one honours one's own.
- Imagine women came to understand their True Liberation is through the Truth of their Feelings.
- Imagine that our Healing is through our longing to know the truth behind our feelings, both good and bad; and then express that to a friend!
- Imagine we each have two Nature Spirits, two Angels, two Spirit Guides, one Indwelling Spirit of God and the Spirits of Truth who are personally involved with us at all times.
- Imagine Feeling Healing (with Divine Love being Soul Healing) opening up the opportunity to personally interact with our very own Nature Spirits.
- Imagine Feeling Healing with Divine Love opening up the opportunity to interact with our very own Celestial spirit guides.
- Imagine parents understood they were to encourage their children themselves, never denying their child the freedom to express ALL of their feelings.
- Imagine if parents began to understand that we cause all the issues in our children through childhood suppression and repression.
- Imagine society understands parents cause a child's illness even in embryo.
- Imagine a society that began to engage in feeling healing and parents were bringing up children free of the imposts of their own injuries.
- Imagine if we were allowed to fully express our true personality.
- Imagine people communicating with each other again!
- Imagine humanity living Feelings First and embracing Feeling Healing.
- Imagine that humanity understood what the Rebellion and Default did to us!
- Imagine if all levels of control, that we are subjected to, recognised they are all doing the begging of the Evil Ones – Lucifer and his partners.

- Imagine parents, education systems, religious institutions, employers and governments relinquished their controlling ways and dictates.
- Imagine the world's scientists whole heartedly began to live through their Feelings – break throughs would occur daily! (Imagine all the crap they would have to get rid of and admit to!)
- Imagine through engaging your soul based feelings that nothing is hidden!
- Imagine children being conceived to parents who are free from childhood suppression and repression.
- Imagine if students were able to determine what they actually wanted to learn.
- Imagine a health system that recognised the underlying cause of all illness is childhood suppression and repression.
- Imagine – believe it or not – Feeling Healing is a cost free health process!
- Imagine we can commence our Feeling Healing even while in junior school.
- Imagine bottom up democracy where no one is disenfranchised and people elect true professional representation and may directly frame and pass legislation.
- Imagine a judicial system that is free to engage in Feeling Healing in its deliberations of truth and remedies.
- Imagine that we begin to recognise and accept our true heritage is our Heavenly Mother and Father and is not our family line going back many generations – we are Their children!
- Imagine that the resources to conduct war were aligned for the benefit of all humanity and nature.
- Imagine if the Zionists were forced to surrender their financial claims or pay income tax like everyone else.
- Imagine this will be the commencement of rebuilding the global financial structures.
- Imagine that we recognise our true life partner is our soulmate who is always of the opposite sex and we can only come to recognise our soulmate once we have fully Healed ourselves.
- Imagine that the Revelations and the ending of the Rebellion and Default are distributed through music, plays, television programs and full length movies as well as the print media in all languages to all of humanity.
- Imagine when all the aspects of the Change come into play that not one facet of our life will continue in the manner we have grown accustomed to!

# Arvonal Revelation

- We are to live Feelings First.
- We've been made to use our mind to live against many of our feelings.
- Our mind control commences at conception and is developed through our childhood.
- All the bad feelings we didn't express as we were growing up are still repressed inside us.
- And all such hidden, buried and unwanted feelings have to come out.
- And whilst they remain repressed within us, they will continue to make us feel bad and unloved.
- We get sick, depressed, suffer, have bad things happen to us because of our repressed childhood feelings.
- Humanity was brought into this state of living against itself by higher rebellious spirits.
- These Evil Ones caused the Rebellion and Default.
- We are made to rebel by default – as we have no idea we're doing it through our parenting in wrongness.
- We are all parented unlovingly – against ourselves, against our will.
- Some parenting in the wrongness is done with more love, yet it's all still wrong.
- To heal this unloving state within ourselves we have to do our Healing.
- Our Healing is our Feeling-Healing or Soul-Healing with the Divine Love.
- We can long to God for Their Divine Love, and this will help us with our Healing.
- God is our Heavenly Mother and Father, the Feminine Aspects of God having been kept hidden from us by the Evil Spirits.
- All humanity's religions and spiritual systems are designed to keep the wrongness going, to keep us away from God.
- Only by living Feelings First Spirituality, The New Way, can you become right, and truly find God.
- Long for the Divine Love.
- Long for the Truth of your Feelings.
- Accepting all you feel is accepting all of yourself, it's your greatest act of self-love.
- And wanting to know the truth of your feelings, is your next greatest act of self-love.
- Love yourself through your feeling-acceptance, and the Truth will set you Free!

HEAVENLY PARENTS

JESUS & MARY

AVONALS

SPHERES of PARADISE being the home of our Heavenly Parents, Mother and Father, within the centre of the 7 super universes.

Unknown number of spheres to progress through to reach Paradise.

Ascending out of NEBADON is beyond the regency of the Creator Daughter and Son, Mary and Jesus.

INFINITE & UNIVERSAL SPHERES, unknown number to progress through within Nebadon.

ETERNAL SPHERES 3 spheres unnumbered. Involvement with Earth finishes.

CELESTIAL HEAVENS are spheres 8, 9, 10.

Divine Love Spirit Healing Mansion Worlds are 3, 5, 7. We are healing our soul!

We all arrive in spirit into Mansion World 1.

Earth Planes 1 and 2 are of Disharmony – Hells.

Mind Spirit Mansion Worlds 2, 4, 6 are all taking us in the wrong direction and into a dead end!

AVONAL PAIR

MARY & JESUS

GOD

Throughout the Avonal Age of 1,000 years, their Spirits of Truth will assist us in embracing and engaging with our Feeling Healing and with Divine Love our Soul Healing, they will assist us to develop our soul well into Celestial Heaven status should we persevere with such a goal. To the extent that the Avonal Pair develop themselves while here in the physical on Earth is the level that their Spirits of Truth will be able to assist us. Then it will be Mary and Jesus' Spirits of Truth that will assist us up and out of Nebadon, where our Heavenly Parents will then assist us onto Paradise, Their home.

# Boundaries of HELL!

Humanity on physical Earth is in Rebellion and Default, thus hell! Upon death we all arrive in the 1<sup>st</sup> spirit mind Mansion World where we typically suppress our poor state and remain in the mind Mansion Worlds indefinitely. Some have a period in the ‘hells’ compensating for the pain they have caused others.

Many continue their ‘mind worshipping’. However the way out is by embracing Feeling Healing, and with Divine Love, Soul Healing to progress up through the Crying Healing Worlds and transition out to the first of the Celestial Heavens.

## GATEWAY

Transitioning into the Celestial Heavens is also out of:

## ISOLATION

If you go against yourself, if you’re untrue to yourself, then you are going against God and all God’s laws, and compensation is required to bring you back into the fold, which is what happens through our Spiritual Healing. It’s the Law of Forgiveness, forgiving yourself through self-acceptance, which is dominant in this part of your life. If you cross the line and abuse your children, that being up until they are 21 years old, then you have both levels and amounts of Compensation and Forgiveness to deal with, that which happens as part of your Healing. And as everyone abuses their children, we being conceived into our parents’ rebellion against the truth of our soul, so all who have children have to come to terms with all they’ve done through their Healing.

Kevin, 1<sup>st</sup> Celestial Heaven: 18 Feb 2019

## Law of Forgiveness

## Law of Compensation

If you go against someone else, as in cross the line and grossly interfere with their will, and there are degrees of this, then you will have to suffer the pain you have caused the other person, spirit or creature, which as you know is the Law of Compensation; and as to the extent of crossing that line and hurting another determines whether you have to spend time in the hells or not. Kevin, 1<sup>st</sup> Celestial Heaven: 18 Feb 2019

The minor ‘hells’ are the lower levels of the 1<sup>st</sup> mind Mansion World whereas the more severe are the Planes of Isolation being the 2<sup>nd</sup> Earth plane with the severest being the 1<sup>st</sup> Earth plane. Pain caused to another is the pain that will be endured before returning to the 1<sup>st</sup> mind Mansion World, all then to consider your Feeling Healing.

**FOR 200,000 years ALL SCRIPTURES and Earth based INSTITUTIONALISED SYSTEMS are the WORK of the REBELLIOUS LANONANDEKS:**

The rebellious Lanonandeks from within our local universe are these soulmate pairs:

**THE EVIL ONES**

**Lucifer pair**  
Arrested and imprisoned 26 CE

**Satan pair**

**Caligastia pair**

**Daligastia pair**

Arrested and imprisoned early 1990s CE

**Avonal**  
Daughter & Son

Lucifer and his soulmate (Lanonandeks and System Sovereigns) rebelled, taking over their small part of Mary and Jesus’s universe corrupting 37 ‘earths’ and their associated spirit Mansion Worlds.

Satan and his soulmate (Lanonandeks) joined the Lucifers, helping to convince Caligastia and his soulmate (Lanonandeks and Planetary Prince of Earth) and Daligastia and his soulmate (Lanonandeks) to join the Rebellion, which they did, specifically corrupting the people of our Earth – Urantia.

Mary Magdalene and Jesus (soulmates) bestowed themselves on Earth, thereby terminating the Lucifers’ and Satans’ System Rebellion. The Lucifers and Satans were then interned on a spirit prison world.

It is now for an Avonal Bestowal Pair to terminate the Caligastias and Daligastias, with, so we understand, the first stage being completed, so these rebellious Lanonandek pairs can no longer negatively affect Earth or its associated Mansion Worlds.

Avonal Daughters and Sons have been progressively incarnating onto each of the rebellious worlds and one by one, the 37 Lanonandek Planetary Princes have been arrested and imprisoned. Caligastia, Earth’s fallen Planetary Prince and his associate, Daligastia, being imprisoned in the early 1990s.

It is anticipated that the Avonals will shortly have all the wayward Lanonandek Planetary Princes and Princesses imprisoned and will be proceeding to introduce to their custodian humanities to their New Feeling Way.

The Creator Daughter and Son address regional issues – the whole of Nebadon, as in Mary and Jesus’ case; whereas Avonal Pairs address individual planetary issues. Mary and Jesus ended the Rebellion in Nebadon with no further planets being able to be corrupted by it; the Avonals will end it, and the Planetary Default of Eve and Adam, specifically on Earth. They will do this once they’ve completed their Spiritual Healing revealing the New Feeling Way.

**GOING, GOING,**  
**GONE!** **Yippee!**

# CONTROL of HUMANITY CHANGEOVER

1. Mind Mansion World Spirits, of worlds 1, 2, 4 and 6, complicit to the guile of rebellious high level Lanonandeks, Calligastia and Dalligastia, being spirit world imprisoned during the early 1990s, continued to guide and support the Rebellion and Default imposed upon Earth's humanity by Lucifer and Satan commencing 200,000 years ago.

## THE EVIL ONES

- Early 1990s: The arrest of the Caligastia and Daligastia soulmate pairs.  
 22 March 2017: Negative mind-spirit influence now blocked by Celestial Spirits.  
 22 May 2017: Law of Compensation quickening.  
 2 December 2017: Psychic Barriers maintaining the Rebellion and Default were cracked.  
 8 December 2017: Bring on the money to **'house the future of humanity'**.  
 31 January 2018: Earth and the seven associated Mansion Worlds (including the two Earth planes) are **officially** now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default

Oversight and control of Earth's humanity is now within the hands of Celestials from the first three Celestial Heavens with some 30 billion Celestials engaged, assisted by 3 Melchizedeks soul-groups and countless angels. Transfer to "Council of Elders" personalities is from mind orientation to feelings first – soul based truth – with the change over becoming openly known when the Avonal pair commence their public ministry.

2. Earth based hidden controllers being dominated by family groupings mainly out of Europe, with some in various parts of the world such as USA and Asia. Their "chairmen" control the world's finances and passively enslave humanity without being known. Their funds are to be removed from their control and their power collapsed.

## hidden CONTROLLERS

3. The "chairmen" are from the long term families, having generational passing down of power over humanity. These family groups may number less than twenty with their worldwide dominance.

4. The medium term families numbering around thirty are generally unaware of the long term families. These are personalities who come to fruition during their life and generally but unknowingly fit into the overarching evil agendas of the hidden controllers.

5. Short term members are those who are typically invited into the Bilderberg Meetings and unknowingly are subordinate to the medium termers who are subordinate to the hidden controllers.

6. Secret societies that dominate commerce and sciences provide the feedstock of subterfuge.

7. Deep State are people that subterfuge governments and influential people who would otherwise work against the hidden controllers.

8. Regional, state and national governments are short term well intentioned representatives of the people while being unknowingly controlled.

## SUBSERVIENT CONTROLLERS

9. All Earth based institutionalised systems as well as religions are the product of the Rebellion and Default of 200,000 years ago that continue to do the work of the Evil Ones, the rebellious Lanonandeks, through the guile of the hidden controllers.

10. The few hidden controller families control the world's finances through financial systems that enslave all of humanity with debt systems extending to education loans, credit cards, etc.

11. Health systems do not address the cause of all illness, being childhood suppression and repression.

12. Religionists perpetrate the indoctrination of living through the mind, suppressing feelings.

13. Education is a dictatorship; chancellor, professor, doctorate lecturer, teacher, student – no latitude to allow one's soul-based feelings to be expressed – all controlled by the subservient chancellor.

14. And the most subservient of controllers are parents who perpetrate the Rebellion and Default through suppressing the child's true personality, bestowed by our Heavenly Parents, and having the child submit to their carers impositions by the child repressing its feelings and living through the mind.

**Culture of the mind must be subservient to the heart.**

Mahatma Gandhi

# REBELLION & DEFAULT

FOR 200,000 years ALL SYSTEMS are the WORK of the REBELLIOUS LANONANDEKS:

The rebellious Lanonandeks from within our local universe are these soulmate pairs:

## THE EVIL ONES

Lucifer pair  
Arrested and imprisoned 26 CE

Satan pair

Caligastia pair

Daligastia pair

Arrested and imprisoned early 1990s CE

## MIND MANSION WORLDS

### HIDDEN CONTROLLERS

### DEEP STATE

**SECRET SOCIETIES** The Illuminati, Freemasons, Bilderberg Group, Knights Templar, The Jesuits, Skull And Bones And Others

Following the spirit world imprisonment of the System Sovereign and then Planetary Prince being rebellious Lanonandek spirits, the Celestial spirits have blocked communications between mind Mansion World spirits and humanity on Earth. The Hidden Controllers and other controlling organisations are now without spirit world guidance, since 22 March 2017. Those controllers, in the physical on Earth, are without their long term guidance.

## EDUCATORS UNIVERSITY RELIGION

Educators at all levels and throughout all systems have had withheld from them that we are to Live Feelings First. This is to change!

“The education, for both women, men, girls and boys, is about how to live true to their feelings. How to embrace them willingly, how to work with them – express them, and the point of doing that, wanting to know the truth of them. That’s all.”

Marie, 1<sup>st</sup> Celestial Heaven: 11 Aug 2020

# PEOPLE OF EARTH

# WE ARE TRUTH SEEKERS

## **CELESTIAL HEAVEN CONNECTIVITY is UNFOLDING:**

While the Rebellion and Default was administered under a Universal Contract, Celestial Heaven spirits were not able to interact and communicate with mortals on Earth. As from the 31 January 2018, the Rebellion and Default has formerly ended. Connectivity between those in the physical and those within the Celestial Heavens is now commencing.

Marie, 1<sup>st</sup> Celestial Heaven, 11 August 2020: **The education, for both women, men, girls and boys, is about how to live true to their feelings. How to embrace them willingly, how to work with them – express them, and the point of doing that, wanting to know the truth of them. That’s all.**

**From that basis you don’t have to be ‘educated’ you can just live life attending to your feelings correctly. And so from there, should there be anything you are interested in, your feelings will guide you in such interest.**

**And so if basic education is made available, or any higher level, then embracing it is because you feel you want to, and then moving with it honouring your feelings, is the way to approach it, rather than through the mind. So the need for mental testing, for mental achievement such as having to attain a certain level to move up into the next level and all that should be done away with.**

**The free school approach is far more applicable to how our feelings work, and then it’s up to the individual to move along growing and expanding being feeling-led.**

‘Education’ as the world understands it, is more of the mind nonsense, and all about using it to keep you bound up in your mind control. Free Education is Feelings Education, allowing you to end your mind’s control. However, many people will still need to engage in some level of the Mind Way even if they are trying to live life true to their feelings, because of the requirements for them to work and get on in the mind-created life you live in. But if people don’t want to be involved in that, say those people who come to live in a Healing Sanctuary situation, then their ‘education’ would just be their whole life, and all the truth and insight gained from moving with their feelings.

What you have in mind John, is to try to introduce elements of what James has revealed into the existing mind systems. However, as to how successful this might be, is unknown, however we can guess at it. Where I am focused, as will be James, Marion and Samantha, is wholly in the New Way, not interested in trying to ‘bridge the gap’, just wanting to embrace people who have willingly chosen to cross over. So for those people to do that, they will need the information at hand, so they can appraise it and see if it appeals to them as an alternative way of living. It’s offering people a Whole Different Way of Life, which for many will somehow have to be lived within the mind system structures; but for others who might be lucky enough to live in a Healing Sanctuary environment, they are setting out to start living the next Spiritual Age. Really I am focused on helping people live in the Aftertimes, during the Avonal Spiritual Age. So anyone who consciously choses ‘The Avonal Way’ and starts their Healing, will come under our guidance and support.

COUNCIL of ELDERS

Throughout the evolution of Pascas, Pascas has been gently guided and supported by its Council of Elders from within the Celestial Heavens. All documentation, all concepts, all who have interacted with the forming of Pascas WorldCare and the various arms, have been in response to the guidance from our Celestial Council of Elders – from within the 3<sup>rd</sup> Celestial Heaven. Throughout the coming millennium, our Celestial friends will be guiding and assisting Pascas WorldCare.

**Council of Elders now around 20 soul-groups from the 3<sup>rd</sup> Celestial Heaven**

Communications between the Celestial Council of Elders and those within the physical administration of Pascas WorldCare will be via those who complete their Feeling Healing on Earth, as years go by.

**Avonal PAIR Oversight**

The administration of Pascas may be also supported in their interconnectivity with our Celestial guidance through those within Pascas and its administration who are sensitive in their nature and are able to perceive guidance from our Celestial companions on this journey of delivering the Great U-Turn. It is through the nature of sensitivity that Celestial Spirits have interacted with Pascas during decades of formative years and the establishment of the foundations for Pascas for the next 1,000 years.

## LIGHT OF TRUTH

Pascas as an entity, due to the contributions from our Celestial friends, is functioning within the 5<sup>th</sup> Divine Love Spirit Mansion World's level. Further, the Pascas Papers which are designated as references for Feeling Healing and Divine Love are within the level of Truth of the highest of the Celestial Heavens. Pascas will be supported in this manner for the coming millennium.
