PASCAS “Peace And Spirit Creating Alternative Solutions”

Below (pages 2 – 7), is how Pascas originally formed, however since its inception, which was inspired by material from the mind spirits, it has evolved – moved on, to embrace the truth about the Divine Love from Jesus through the Padgett Messages, and then further to include within that truth, the understanding about our need to do our Feeling-Healing so the Divine Love can then transform our soul into divine perfection.

UNION: **Extracts from pages 140 – 142, written by Jennifer Starlight:**

So the Union of Love and the Union of Light is the Union of many Star Nations that exist in this, the Universe.

The following Five Star Nations are the true ancestors of Earth, the forefathers of Earth and are the Star brothers and sisters of Earth.

There are two symbols that these Five Star Nations are represented by: one is the five-pointed Star and the others is the Hueman Hand. Before you became so involved in your minds you were very evolved in your Hearts and your Souls, and you understood that everything was connected and that everything is a symbol of everything else.

Our Australian Aboriginals, they saw the sacredness of the hand and its five fingers, for they knew it represented the Five Sacred connections, if you choose, with the **Five Star Nations**, that assisted in the creation, the guidance and the enlightenment of this planet Earth, of this ball of Love and Light.

So the very first Hueman symbol, if you choose, of your Stars was your Hand, and your Aboriginals expressed this on the drawing of their Rock.

So, you hold the Star of the Love and Light and Truth of Your Ancestors in the palm of your hand and you walk the pathway of your Ancestors with your feet and five toes thereof.

These Five Star Nations that you are all Infinitely connected to, wish to bring themselves forward now in these Scriptions. For, understand, even if your mind cannot conceive what we are about to convey to you, your Heart and Soul will.

The first of these Star Nations that we wish to bring to your attention is your Aboriginals; for, understand, they came through the Star Gateway of the **Southern Cross** and they are the original guardians of Earth and her sacred energies.

They were here before any other Star Nation and inhabited many regions of Earth. It is interesting to note that our of all the Ancient Civilisations that were created originally from Star Nations, the Australian Aboriginals are the ones who have managed to keep their myths, their legends and their truths the most protected from Huemanity; however, this too will change and shall awaken the memory of our true origins predominately though your physical body's experience.

The second Star Nation to bring to the remembrance of your Heart and your Soul, is the Star System **Arcturus** and the loving beautiful beings of the Arcturians, for they are the guardians of the Christ Consciousness. They are the guardians and keepers of the energy, the essence of the Golden Sun, the Central Sun, and they can connect very much with your Heart centres. Your Arcturians, have expressed themselves through your American Indian civilisation.

The third Star Nation which is also connected to your cellular memory, as is all the others, is **Andromeda**. They have not in their essence had much to do with your hueman race to this time and have chosen to take a back seat if you will; however, they are the guardians of the Truth of the

Knowledge that is now being expressed to you. They are connected to the life-force, to the fire that activates and accelerates your cellular bodies. They can be recognised as the Mayan civilisation in your Ancient times.

The fourth Star Nation that wishes to come to your attention is the **Pleiadian** Star System; they are the guardians of Universal History. All that has gone before in our Universe has been recorded and kept with the Pleiadian Star Nation. You shall feel them in your higher mind, your higher consciousness, for it is there they filter all the knowledge required by you as a Huemanity, to evolve and to expand. They grounded their expression here on Earth in the Ancient civilisation of Greeks.

The fifth Star Nation that wishes to express itself to you is **Sirius**. Sirius is the guardian and the protector of your Souls, it is the All Encompassing Mother, it is the birth canal of your Universe of your Souls experience into this Earthly realm. This Star Nation grounded its energy on the Earth plane through Ancient Egyptian Civilisation. You shall feel the love of Sirius through the waters of your body and through your emotions. For, understand, Spirit communicates to you through feelings and you feel the communication firstly in your Soul.

There are, of course, many other Star Nations that support and love you, that guide and nurture you, however, these Five Star Nations are very closely linked with you on a cellular, soul and spiritual level. This is the Truth and this must be remembered now.

When a party puts out a request for a solution, the request is typically responded to as an inspiration. In this case, the inspiration was to coin a word from the initials of the Star Nations identified in the book, “Union”. The interim thought was that the initials would all be consonants and no vowels resulting in the coining of a word being impossible. As can be seen, that was not the case.

History: In 1988 the embryo of this project was assembled as ‘Southern Cross Private Hospital’ however the investor at that time died. In 1996 the project concept was further developed as ‘Southern Cross Private Hospital’ however the Chief Health Officer for the State of Queensland was not co-operative (previously being sacked by a fellow director). Now, amazingly, Southern Cross forms the centre of the adopted name – PASCAS.

Traditional Time Line of Human Development as generally understood:

<u>Scientific Name</u>	<u>Common Name</u>	<u>Approximate Age</u>
Australopithecus	Lucy	3.2 million years ago
Homo habilis	Handy Man	2.0 million years ago
Homo erectus	Upright Man	1.5 million years ago
Homo heidelbergensis	Pre-Neanderthal	300 – 400,000 years ago
Homo neanderthalensis	Classic-Neanderthal	30 – 150,000 years ago
Homo sapiens sapiens	Cro-Magnon / Modern Man	10 – 35,000 years ago
Homo spiritus	Emerging Modern Man	Now!

In 1987, scientists tested ancient DNA from the body of an unusually well-preserved Neanderthal infant, discovered in a limestone cave of the northern Caucus. It was the unusual state of preservation that allowed for the 30,000 – 35,000 year old DNA from the infant to be compared to that of humans today. It was the first time that such tests could be performed on a body that had already been carbon dated.

While scientist are still reeling from the implications of the report, the study found that the possibility of a genetic link between Neanderthal and modern humans was remote. The results suggest that “modern man was not, in fact, descended from Neanderthals”.

There is growing body of evidence suggesting that, as Homo sapiens, we are a unique species unto ourselves. Rather than being part of a tidy linear progression descending directly from earlier forms of primates, this theory takes the approach that we developed along with earlier primates in a sort of parallel evolution. A comparison of primate and human characteristics, such as bone density and our ability to shed tears, perspire, and grow hair versus fur for body covering lends credibility to this theory.

In the British journal Nature (June 12, 2003), a paper was published revealing the discovery of fossilised skulls of the earliest known Homo sapiens. Found in the Middle Awash region of Ethiopia, Africa, the remains are dated at 160,000 years before present, and while not identical, they are very similar to those of the modern human!

P.30-32 The God Code – Gregg Braden

The REAL YOU is the SOUL:

One's personality, natural intelligence, memory and human attributes all are soul based. The soul initiates conception so it can start expressing one of its two personalities in Creation. It creates the will, then 'wills' the spirit body and physical body and all that connects them with the will into being. Our soul constantly sustains or expresses us, one of its two personalities, in Creation. The spirit can't separate from the soul because the soul keeps it in existence. We need our spirit and physical bodies to experience our personality through. When the spirit body separates from the physical body, one continues on living in a different form without losing any of the attributes experienced during physical life. Incarnation is the process of individualisation of the soul.

Without a soul, our physical bodies would function and interact similarly to that of a domestic animal. An unsouled human body (thought not possible) would respond like a household puppy! Domestic animals calibrate on Dr David Hawkins' Map of Consciousness between 200 and 250, the human body calibrates at 200. All animals have spirit bodies, these do not survive into the spirit Mansion Worlds. Our SOUL IS NOT ENSOULED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some one million years ago. Adam and Eve, Adamite bestowals, arrived some thirty eight thousand years ago – or earlier.

Aman and Amon were the first True Humans, which means, the first soul expressing its soulmate pair, its two personalities, in Creation – on Earth. From which came forth the rest of us. So they had a soul from the start, which separated them from their animal parents. It's the soul that wants to fully express itself through its two personalities perfectly in Creation, which is the so-called 'human perfection hunger'. It, our soul, wants to be Perfect like its Heavenly Parents, the Soul that Created it. We, focused as personalities, want to be perfect, like the Personalities of our Mother and Father that are Perfect. Our soul wants to be like Their Soul. Our soul wants to ascend us to Paradise so we can be with Them, as physically close to Them on a personality level that we can be, and then see what happens.

There were aunts and cousins, parents and grandparents. But they were not human like Aman and Amon – they were really animals, though of the same species. Aman and Amon wandered off from the family, since they could find no way of relating to them at all. How could they? They were incapable of rational thought, speech, or anything human. Aman and Amon knew that forevermore that they were apart.

Aman and Amon may have been twins. They were indeed a primate species of humanoids. But they, themselves were more beautiful than their animal relatives, and they knew, even from their very appearance, that they were marked even by Nature to be different.

PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about looking within oneself. Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Health – Energy Level of Food. From each person's perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Contents are not to be interpreted as an independent guide to self-healing. The information sourced herein is not from a doctor or doctors, and any information provided in this document should not be in lieu of consultation with your physician, doctor, or other health care professional. Pascas, nor anyone associated with this document, does not assume any responsibility whatsoever for the results of any application or use of any process, technique, compound or potion as described within this document.

The sources of contents are noted throughout the document. In doing so, we acknowledge the importance of these sources and encourage our readers to consider further these sources. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we apologise. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

We offer all contents in love and with the fullness of grace, which is intended to flow to readers who join us upon this fascinating journey throughout this incredible changing era we are all experiencing.
