PASCAS WORLDCARE – CLIMATE CHANGE and SPIRITUALITY:

Climate change and spirituality are inextricably linked. Without spiritual awareness and the growth in one's self love then the impositions of climate change will be at higher levels than otherwise.

With the development of one's self love then one becomes more discerning for one's loved ones and consequently the environment around them.

As we grow in self love, then our capacity to love others grows proportionately. We cannot love another more than we love ourselves.

Lack of self love is personally difficult to recognise for one's self.

Once we begin to focus upon the growth of our own soul condition, our personal level of consciousness, then the benefits begins to flow. Such personal development shines through to all around us.

For nearly 2,000 years humanity has stagnated in its overall growth in soul condition. This is totally due to the fact that progressively during the second century and by 325 CE all records of the teachings provided on the availability of Divine Love and how to receive it and what it does was lost to humanity.

To quote from “Shining Toward Spirit” message 39, Alexander states that: “I have accepted the Divine Love realising that if I hadn’t I would have stagnated and never really accepted that my human life was over. I believe other spirits have revealed much to you about the spirit body, and you can spend a long time studying this body. It is a remarkable piece of organic engineering created by God. I love God now – why wouldn’t you when you know what I know now! If humanity knew now what I now know, it would be changed forever. Humanity would live as a collective community celebrating its diversity, independence, and collective togetherness. There would be no more wars and everyone would be working toward the same end to secure the needs of every man woman and child.”

Dr David R Hawkins developed the Map of Consciousness in conjunction with a broadened use of kinesiology muscle testing. Using these two together, he reviewed the levels of consciousness of many countries around the planet. Humanity overall calibrates about 210 on this scale.

It is not surprising that the populations of countries with the lowest overall calibrations are the countries that are experiencing:

- ✘ Suppressed rights for women and lack of education facilities for all.
- ✘ Life expectancy 10 to 20 years lower than global average.
- ✘ Extreme levels of poverty.
- ✘ No religious freedom.
- ✘ No civil rights.
- ✘ Civil uprising and war.

The lack of self love is expressed in mass destruction of the environment and of those around them.

Chronic illness indicates a huge denial of the soul.

Illness = out of harmony with love and truth.

It is the release of emotions that are out of harmony with Truth and Love, and the praying for the inflowing of Divine Love that brings about health and harmony to our bodies.

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.

A calibration increase of 1 point is in fact a 10 fold increase in energy.

A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.

Thus the energy differentials are in fact enormous!

PERSONALITY TRAITS:

Less than two dozen people on planet Earth.

Would not pick up a weapon let alone use it. These people gravitate to the health industry and humanitarian programs.

Debate and implement resolutions without argument and delay. 470

Debate and implement resolutions in due course. 440

Debate and implement resolutions with some degree of follow up generally needed. 410

Management supervision is generally necessary.

Politics become the hope for man's salvation.

Cause no harm to others starts to emerge.

Power overrides force.

Illness is developed by those man erroneous emotions that calibrate 200 and lower.

Armies around the world function on pride. Force is now dominant, not power.

Harm of others prevails, self-interest prevails.

Totally self-reliant, not God reliant.

Fear dominates all motivation.

Suicide is possible and probable.

At these levels, seriously harming others for even trivial events appears to be justifiable.

Poverty, unemployment, illness, etc., this is living hell on Earth.

PASCAS WORLDCARE
recognised Hierarchy of Needs,
structured upon Maslow's theory.

The GREATEST GIFT for the entire UNIVERSE:

Never in the history of humanity has there been such an exciting time. Never before has humanity had the teachings that can be shared with each and every single person on the planet, no matter what their particular faith may be or not be, with out fear or favour, that can be embraced by every single person without having or needing to make any public declaration or change to their particular religion or life practices, and yet grow in love and in harmony with the Source Soul.

It is this simple:

Please Mother and Father, may I receive your Love!

With a soul longing, one's soul condition will grow in love and those aspects of one's nature that may have lead to one causing harm to another or to one's self will steadily melt away.

Please Mother and Father, I want some more!

As we receive this Love, our quality of life improves, our physical health becomes more vibrant and positive, those around us benefit from our peace of mind and vibrant soul dynamics.

Mother and Father, I love your Love!

As all the people around the world become aware of the Father's Divine Love, being now available for us, and begin to earnestly desire and ask for it, steadily the collective soul condition of all of the Earth's inhabitants will progress in their growth of love and step away from conflict and war.

Is it that simple? Yes! It is simple and true! We have free will, and therefore a will to respond to the Father's will, yet the Father will not impose His will upon us, so we ask for His Love. The Master teaches in Matthew 7:7 "Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you." (KJV) We simply ask and seek the Father's Divine Love to enter our soul.

This understanding was taught to us in the first century and by the latter phase of the second century all awareness of this understanding was almost lost to humanity. By the time of the completion of the Nicean Council in 325AD /CE, the only record remaining was and is:

"Truly, truly, I say to you, If a man is not born again, he cannot see the kingdom of God." (John 3:3)

By progressively asking for and receiving the Mother and Father's Love is the process of being 'born again'.

Freeing Education	versus	Rigid Indoctrination
Freedom of Spirit	versus	State Religious Dogma
Love of the Father	versus	Fear of God
Drawing upon Father's Love	versus	Self Dependence

Where all of the topics within the left hand column prevail, the calibration of the population will be over 400 on Dr David R Hawkins' Map of Consciousness scale.

On Dr David R Hawkins' Map of Consciousness scale where all of the subjects prevail from within the right hand column, the calibration of the population will be under 200.

That is, happiness, employment, freedom and general well being prevail when one's soul condition, calibration on the Map of Consciousness, is above 400. As one's soul condition improves and progresses further up the scale then one's quality of life escalates and escalates.

Conversely, one's living hell gets worse as one's soul condition degrades further and further down the scale below 200.

How does one determine the calibration of a person, or that of a community, such as a town, city, state, or country? Clearly identifying the personality, or community, town, city, state or country then one can hold in mind what is identified and by applying kinesiology muscle testing, one then can calibrate the level of consciousness of same in accordance with the Map of Consciousness as developed and published by Dr David R Hawkins (refer to Power vs Force by Dr David Hawkins). The time required to do this research is only minutes.

Can you test yourself? No. Can you do this for unloving purposes? No. Can a person who calibrates under 200 use this methodology? No. Kinesiology muscle testing has its own built in safety security checks, it cannot be used for unloving agendas nor will it function when that is the intent of those considering such. With kinesiology, anything can be investigated where a loving intent prevails.

Consider the Map of Consciousness chart below and ask yourself these questions. A person who is typically found in military establishments calibrates in the region of pride (175 – 200), such a person has no qualms about having weapons and using a gun. A person who is found in the health care industries typically calibrates in the region of reason (400 – 500) and love (500 – 540), if you put a gun on their desk they are usually horrified. If humanity would, and it will, evolve itself so that no one calibrated below 200 then our armies would empty.

NATURAL LOVE or HUMANITY's ERRONEOUS EMOTIONS:

Your soul, being your real you, is an emotional being. Your soul, though a thought of God, does not possess anything of the divine within it. It existed in a state of bliss, in a natural love state, pending individualisation which is achieved at conception which is the time of incarnation. Your soul is endowed with natural love emotions noted within the top section of the Map of Consciousness scale, being those emotions calibrating above 200.

Humanity's erroneous emotions are those calibrating below 200 on the Map of Consciousness. The environment around a newly conceived child progressively degrades the condition of that child's soul. When the child reaches about the age of 7, the child's soul condition will reflect the parent's condition. These negative emotions are like a crust around the pure soul it has within.

INNOVATIONS for HUMANITY:

A stunning technology development for humanity is the World Wide Web. The internet has enabled all of humanity to access each other and information in an unprecedented manner. Further, it is beyond the control and manipulation of powered centred individuals.

Through the internet, massive open on-line courses – education programs – can be delivered to all the corners of the planet. Education can be supported from major cities into remote and impoverished communities. A utopian vision of MOOCs sees enthusiastic students in remote parts of the world able to access education. Even better, the courses are free. The benefits in terms of equity and opportunity are unprecedented. MOOCs have the potential to make future generations better educated than any previous generation. If education is the key to social mobility, then MOOCs can make a very big difference.

With education everything is possible. Without education nothing is achievable.

Further, where resources are limited then education should and would need to be focused upon the women of the community.

If a girl spends only 2 years at school, she is likely to have more than 7 children. If she spends 6 years at school, she is likely to have around 4 children. If she spends 12 years at school then she will have only 2 children. World poverty is best averted by the tool of education in the first instance.

The more desirable teaching would be of a type that encouraged openness and discovery so that the teachers and the students learned together and from each other. The freshness and openness of the

students (where this is present) give them a huge asset which may well exceed that of the teacher. The more open a person is, the greater the prospect of their connecting with stores of knowledge and bringing them into consciousness / awareness. Teaching that acknowledges that children have an innate capacity to do this will produce great results. The teachers will need to be very humble indeed to allow and to foster this.

The adults also have this innate ability prior to its having been stifled by their own education.

The time is coming when knowledge will be able to be communicated free of the restriction and distortion of beliefs. Perhaps you can imagine how this might be.

ELECTRICITY

Electricity is necessary for the delivery of education. Without communications, education falters.

Energy alone is not sufficient for creating the conditions for economic growth, but it is certainly necessary. It is impossible to operate a factory, run a shop, grow crops or deliver goods to consumers without using some form of energy. Access to electricity is particularly crucial to human development as electricity is, in practice, indispensable for certain basic activities, such as lighting, refrigeration and the running of household appliances such as computers and internet, and cannot easily be replaced by other forms of energy. Individuals' access to electricity is one of the most clear and un-distorted indications of a country's energy poverty status.

1.3 billion people around the world, or almost 20% of the world's population, are without access to electricity.

Technology that is being developed that generates power without the use of fossil fuels includes:

Keshe Foundation: With this technology it is possible to produce batteries and plasma power generators of **up to 10 Kilowatts** that need no fuel and thus provide clean and cheap energy.

Quantum Energy Generator (QEG): The QEG prototype is scaled to produce electrical power in the range of 10-15 kW (kilowatts) continuously, and can be set up to provide either 120 Volt or 230-240 Volt single phase output.

Once you start it, it continues to deliver surplus power to its own need. The unit can easily sit on a desk top. It is not expensive to build. You do not have to feed it barrels of diesel or other fuels. This is its big advantage, once installed there are no real significant recurring costs. Like every electrical mechanical devise, you have some maintenance.

The QEG

The QEG is very similar to the toroidal coil generator developed in the 1990's by Steven Mark:

Consider that power can be provided into any community via various options including solar panels and wind turbines.

INTERNET CONNECTION

Boeing's liquid hydrogen-powered Phantom Eye is designed for flight at 65,000 feet altitude is capable of carrying a 450-pound (204-kg) payload and ultimately to remain aloft for 10 days at a time. This new aircraft is completely unmanned and powered by two hydrogen burning engines. These engines were developed by Ford about a decade ago. They are essentially a four-cylinder Ranger truck engine converted to burn liquid hydrogen instead of gasoline. The plane can spend up to 10 days in the air without a need to refuel, and the only exhaust product is water, so the Phantom Eye is quiet and environmentally friendly.

Phantom Eyes – Communication High Altitude Platform (CHAP) can instantly blanket a country with communications capabilities. Two in the sky continually can provide Papua New Guinea with a communications network. Fourteen such craft would blanket Africa with a further three spare on the ground.

GLOBAL EMBRACE:

Thus for the first time in the world's history we have the capabilities to connect and constructively support through remote education centres every man, woman and child on the planet. This can be done in any location no matter how remote that location may be, in any community no matter how impoverished it may be.

At all times the desires, wishes and invitation of the local communities are to be respected and complied with. Once the community understands what can be provided, it is for them to resolve what and how activities and support is to be provided, should they so wish.

At all times the agendas are for the communities to become progressively self supporting. These capabilities are for self-empowerment.

Such empowerment is to progressively work up the Maslow Hierarchy of Needs, commencing with the need for clean air, potable water, nutritious food, housing and health services.

Food production capabilities can be introduced that enable around 2,000 people to be fed from 1 acre of land all year round. The delivery of potable water is part and parcel of any food production program.

INTERCONNECTIVITY: Developing Field Awareness:

You emit a field, and the field is present in your surrounding space. What you emit is heat in the form of infra-red radiation. The pattern, that is unique to your personality, covers the world in 1/8th of a second. (Speed of light is 186,000 miles per second.) You are a station transmitting your unique pattern, and if I want to tune into you, I have to tune into your pattern. I don't need to go to you to find out this and that, because your pattern covers the Earth in 1/8th of a second. So you are everywhere. My field is also everywhere. There is no distance because your pattern is here and now. What is important to know is that your thinking is in your field and not in your head, which is only a transformer. Your thinking and your self are in the field. Your body is only a transformer for your everyday life. Your consciousness and soul condition. These are the worlds of Andrew Glazewski (1905-1973) who was a physicist, a scientist, a healer, mystic, priest and charismatic speaker.

You have a daily experience of it – or perhaps weekly, when in a dream, you may see something that comes to pass. Or you see a place, that ten years later you come upon, and you know you have been there before. You simply picked up the signals from your Secondary Field. But due to the fact that you have a primary field present, regulating, modulating or even directing the Secondary Field, the message comes through to your Primary Field, that we call the Soul (actually your spirit body mind – your soul is connected by cords of light to your spirit body).

If I am angry then this anger, this emotion arises from a certain set of beliefs that a danger is coming to me, so I need to counter this anger. This set of beliefs which is primarily a spiritual thing, will affect my emotions. Those emotions produce bloodshot eyes, opening of capillary vessels, rosy cheeks, clenching teeth. This is reflected in the Secondary Field. But the Primary can pick up immediately what is happening in the Secondary, even if the Secondary is 60 light years away from us; because the Primary is present everywhere.

According to NASA data, there are 45 stars within 17 light years of the Sun. Now, consider how interconnected we are!

Souls Interconnecting.

LUCIFERS and SATANS + POLE SHIFTS

Saturday, 5 January 2019

James: Following my talk with John I was wondering what the Lucifers and Satans were planning with humanity, and assuming the Pole Shifts happened every so often or something that periodically all but wipes out most of humanity, how did they cope with having to ‘rebuild’ humanity so many times?

Nanna Beth – 3rd Celestial Heaven: It was as you said to John, it wasn’t about what each civilisation achieved on Earth, it was building the numbers and keeping them onside in the Mansion Worlds. The Mansion Worlds were where all their power was, the spirits in them weren’t subject to periodic Pole Shift eradication. Those who died on Earth pre-Mary and Jesus did have to stay in a ‘sleep’ state in spirit until the next age begun and they were awakened, however once awakened they were free to live on in the Mansion Worlds. And then with Mary and Jesus’ coming that restriction was lifted so everyone who died immediately woke up in the Mansion Worlds.

They wanted to ‘build an army’ of faithful followers. And they wanted them ready to combat what might happen should the Universal Authorities change their mind about allowing them to pursue their rebellious ways. They believed that once the ascending mortal had pledged themselves to the Rebellion, had given over to it, had been corrupted into it, then it was a done deal, those mortals would forever be for the Lucifers and the Satans (being Lanonandeks) to command. And that using Earth’s Mansion Worlds, it might be possible upon reaching a certain number of followers to move out into other areas of the universe, to invite other Lanonandek Daughters and Sons into rebellion with them, along with their associated mortals. And just like any expanding dictatorial force, to move out into the Universe with the desire to conquer it, with the Lucifers taking over from and becoming the ‘Mother’ and ‘Father’ of Creation. They were apparently blind to the fact that processes were in place to prevent this sort of thing from happening, or perhaps they believed they’d be able to overcome such restrictions just as they had by rebelling in the first place.

So the Pole Shifts worked in their favour so far as helping people accept the false gods, in that people were suddenly removed from the world, having to give up everything and not at the time of their natural end, with a lot of those spirits being very angry at God or whomever they believed controlled everything by ending their lives on Earth before their time. However as you understand, it’s not up to us to determine when we die, yet everyone believes they should get a full life, and when you’re enjoying it, relatively speaking, and know of no other alternative such as life in spirit, then you are angry for being so severely interfered with. And a lot of mind spirits still hold in their minds great resentment over how badly God treated them, that God is not loving if He causes such vast and widespread suffering – any suffering and pain – and so He can’t be real just like Lucifer says, they then remaining happy in the mind worlds and mind-controlled pain-free lives.

So why not induce humanity to gradually reach the pinnacle of so-called happiness at the end of each cycle, knowing that when their lives abruptly end they’ll be very pissed off with God. And thereby making it very easy for such mind spirits to indulge themselves in any of the religions or spiritual systems in the mind Mansion Worlds, and they are full of them. So keep your army in ignorance about God.

James: So the Evil Ones worked within the cataclysmic cycles starting from scratch virtually each time working to build up new followers.

Nanna Beth: Yes, and even though it might seem like a lot of severe setbacks to their plans, really it wasn’t as bad had there not been any major disturbance, as humanity would have build itself up to a point of

destroying itself, doing what the Shift would do, yet rendering such destruction as the end to life on the world, which would have been an end to the Evil One's plans as they would have lost Earth altogether. And you might think they'd have been able to prevent humanity from destroying itself, which they might have done, however we'll never know as they never got to see what happened because of the Pole Shift interference. We, humanity, in our rebelliousness, would not have been able to manage our rebellion because we weren't aware of it, that truth being kept from us by Default. So we'd have soon outstayed our welcome on the planet, which is why each so-called advanced society wants to go off-world, developing the technology to abandon the world before they destroy themselves. And of course, knowing there are Pole Shifts, trying to leave the world before them too.

James: But if they couldn't leave the world, why wouldn't they dig deep holes to save themselves?

Nanna Beth: They have done, just like your major governments are, but it won't do them any good, the Shifts have been too severe, the tunnels and caves have been destroyed with people being trapped underground. Only on a small localised level have people survived under ground, weathering the storms only to die when they re-emerge because of the severity of the destruction on the surface. However with your food preservation and more advanced technology, more people would survive this time round, however still far fewer than would be hoped.

There is also great psychological pressure during such times, the stress is enormous, which is not accounted for, you can't prepare for it using your mind systems and techniques. So there are wars and people killing each other, such extreme fear causes all sorts of other problems as those remaining after the Shift vie for power. It takes a lot of united and focused discipline, those who survive quickly sort themselves out into groups, arguments arise as to what to do and who can have what, food and other resources are scarce and fought over, so it's not a happy new start for a lot of people. The more basic native people who survive are better suited, they already living on the subsistence level. And the tribes were hostile to outsiders who just appeared putting more pressure on the scarce resources, so unless those outsiders were able to offer or convince the locals it would be beneficial to take them in, they were soon killed, and often eaten.

With each Shift comes a new planetary vibration, humanity is to evolve in a completely different way during each phase, so those of the old way find it very difficult to suddenly fit in. There's far more to it James than just your physical surroundings suddenly changing, as all you are used to no longer works, your technology is redundant, you are entirely stranded on a world that is new and without anything to help you, as it would be were a Shift to happen now. So for you to plan for it, you can only really do as you would do, live true to your feelings, so afterwards, your feelings are still there and something you can relate to, so looking to them you'd be able to deal with and cope with the change in your physical surroundings. And your feelings would lead you to make whatever adjustments you needed to make, with again the more primitive people being closer to their basic survival feelings coping more easily. But so-called sophisticated mind-based and driven mankind would find it very stressful and very difficult to adjust, because your minds are so much in control and fitted to the society you live in. So to suddenly remove all you rely on for survival, is akin to forcing you into a sudden mental breakdown, which few would be able to cope with. Can you image if suddenly how you function in your modern society ceased to be? The stress of being thrown out into life without any of the support you've grown up in, to have it all stripped away from you in an instant, and even if you were able to live underground retaining a lot of your creature comforts, still, just having to adjust to a world in which you have to think about where and how to do your toilet, let alone everything else, would be very difficult for most.

And then you also have vast sweeping plagues of new bacteria and viruses suddenly being liberated and created by The Change. The microbe level goes into hyper-drive having to create the new micro level of

life upon which life for the next age is to grow. The nature spirits and angels inspire such outbreaks of all sorts of new microbes many of which are designed to destroy much of life that existed before the Shift. So unless you were protected from them by your soul and the angels watching over you, so you'd stand no chance of survival.

And then you have new radiation levels to deal with, new magnetics and other new forces that humanity is not aware of yet, there is far more that makes up life in each age than you understand, all of which basically amounts to that unless it's rock, it's not going to stand much chance of survival, with only very small pockets of life surviving with angelic help. And then from those small pockets, with all the intense influence of these new forces, so mutations occur and new life forms are created. So the creatures and plants continue to evolve, some of the old pre-Shift days, some new. So it's more than just a matter of weathering the storm, waking up a week after it's happened and picking up the pieces and starting all over again, starting to bring back the way of life you knew, because you won't be able to do that as everything will be different with these different forces wanting the surviving humanity to go in other directions, which is why there is little continuity between the ages. You can't relate to how those of other ages lived, just as they'd not be able to relate to how you live, just as it will be different after the next Change.

James: So how would we cope?

Nanna Beth: You'd save seeds and see if they grew in the vibration of the next age, assuming you survived to live in that vibration, each age having its own unique frequency of survival. And if your solar power systems didn't work, so stored data on computers would be useless, so it would be word of mouth and what you knew, your mind being the only 'computer' available. And you'd then be inspired to do whatever it was your soul wanted you to do, just as it does now, and that would lead you with the people you are involved with to work out your new system of living. So you'd use from the old that which you could, and make new based on the limitations of your lives.

James: So really Nanna Beth, as far as making any plans along surviving the Shift lines, the further advanced in your Healing and preferably being Healed, would be the best way to deal with it?

Nanna Beth: Yes, rather than relying solely on your mind. And so if you were to survive, then you'd be guided as to how to prepare, should that be part of what you need to do, and if not, then you'd just adjust through your feelings. Living a feeling-led life, you'd easily make the necessary adjustments compared to that of living with your mind in control. It might be hard to understand, but look at a child, it can cope with virtually any new environment thrust upon it, it doesn't know anything about what is right and wrong so far as what has gone before, whereas adults would find it very difficult. So an adult that is doing their Healing or having done it would be able to adapt and approach the new life like a child would, easily.

For how you are becoming James and what your thoughts are along the lines of how would life be were you living in a community of people all intent on doing their Healing and with some people having completed it, to even a community of Celestial level people on Earth, how you'd live would be very different to how your world is now. You'd mostly reject what your world is offering you, you'd form very different social patterns, very different ways of parenting and relating to children, with those children being free to express themselves completely differently to the children of your current societies, and it wouldn't take long before all levels of your society would change with a continual striving to become more at-one with nature rather than abusing, dominating and

keep feeling unloved and without any comfort or inner faith or true security, as you and Marion have been living more true to of late. Your latest comforter being chocolate, you indulge in it because it tastes so good overriding your despair, misery and feeling unloved for the moment you are eating it, this being the sad extent to which you can use your mind to give you any comfort, as your parents deprived all the natural spiritual comfort from your early lives. But then it backfires making you feel sick, fat and uncomfortable, it making you feel again how bad you feel, miserable and unloved, and around you go again.

So people who are fully Healed and living the Truth would feel so happy in themselves, so at-one with nature and the world, not afraid of other people, not relating to each other as you related to your unloving parents, thereby wanting to live in a system that expresses that inner security, happiness and love. So you'd build your world to reflect your inner world, how could you do anything else, and your children would be conceived into the true and comforting world in the womb of the mother and then being born into the world, the womb of the father and mother, as it grows up feeling completely safe and secure, loved and completely free to express all it feels. And that world you'd build, would end up being the complete opposite to the world you are currently living it – a material world and society that expresses the unloving hostile state, which is your inner world. And your children are tortured in the womb, made to feel unloved right from their first moment, are born into more unlovingness, and learn to cope and 'survive' within it, with some people becoming very 'successful' and passing on that ability to their children.

So the world is unloving, whereas you imagine the Sanctuaries would become increasingly loving places, which they would as they grew and evolved to reflect the increasing truth lived by their community members. And those true and loving communities would stand a far better chance of surviving such a cataclysmic Pole Shift than your existing unloving and untrue communities.

James: Thank you Nanna Beth. As usual you've summed up simply all I was thinking about writing a few weeks ago but didn't know whether to put it in a movie or write myself or write with you.

Nanna Beth: You are welcome James, we know it's been simmering in the back of your mind, so we wanted to help you clarify some of those thoughts and give you more direction as it will help you know what to do when the time comes. Talk to you soon, goodbye for now.

Everything is Inter-connected

- Three Great Truths:**
- God is Soul, being our Heavenly Mother and Father;
 - that each individual soul is a duplex – both male and female;
 - and Feeling Healing with Divine Love is the pathway to Paradise.

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

TELEPATHY:

OUR SOUL, upon conception, starts to radiate from within one's spirit body at the speed of light into its surroundings and out into space. At the speed of light, 300,000 kilometres a second / 186,000 miles a second, our soul's perceptions circle the earth in 1/8th of a second. A soul's thoughts reach a person on the other side of Earth and respond to the originating person within 1/8th of a second should each person tune into the other. We radiate our being outwards in ever expanding dimensions, increasing in proportions from the moment of our conception, at the speed of light continually.

Telepathy is a condition of tuning into another person, be they in a physical body or within the spirit worlds, and conversing with them through one's inner senses.

MAN'S JOURNEY to being at ONE with our MOTHER and FATHER:

Man, with free will, can choose loving or unloving options. By seeking Divine Love, and with Divine Love man can elect to follow our Parents' will of loving actions exclusively.

When the free will natural love aspect of the soul of a man is perfected through Feeling Healing with Divine Love, man has elected to follow the will of our Parents. Personality, memory, intelligence, etc. continues with man's soul through out all phases of his growth and development.

Person on left is crushed by fear which has diminished the size of the soul. Our soul can reduce in size to that of a pea.

The vibrant person on the right is filled with love and life.

We have a physical body, a spirit body, and our real self which is our soul.

Growth of Man / Woman without Divine Love peaks at 6th sphere state which is the peak of the Kingdom of Man and Spirit World. Soul without Divine Love.

Soul seeking, and receiving, and growing with Divine Love. The nature of one's soul changes into that of the Divine when embracing Feeling Healing with Divine Love.

Growth of Man / Woman with Divine Love enables entry into the Celestial Realms, 8th sphere and above, with growth into infinity:

STAGES of MATTER:

Matter becomes finer and finer and more incredible within each phase:

LOVE is a SUBSTANCE:

Our soul is made of the substance called natural love, there is nothing of the divine within our soul. When we ask for and receive the substance called Divine Love then our soul progressively becomes divine as we receive the Father's Love.

The degree of love and goodwill that any person expresses can never exceed the degree to which they love themselves. It is impossible to love any person, animal or thing more than one loves oneself. To use an old term, a river can never rise higher than its source.

"When you know that you are souls with a spiritual body and a physical body, and that these two bodies reflect the condition of your soul, then how can there be any question about which part of your being is the most important?"

"If you want to be well and healthy, happy and strong, then you must see that it is important for you to get your souls into the highest and best condition possible." Apostle Peter

In the same way we will go about achieving our very personal and valued goals so will we go about creating harmony within our communities and peace worldwide.

"The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.

"But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Father's Grace." Judas – August 19th, 2001

Divine Love is the Great Gift that God desires to give to the heart-soul that asks, yearns and seeks for It. It is unconditional Love *conditionally* given that requires no preparation. It is conditional only because Divine Love cannot and will not be given to any person without that person first asking and yearning for It.

We Inherit our Emotional Errors from the Environment around us during Childhood:

We are to build but one temple. The Temple of the Living God is the blending of the greater (Divine Love) with the lesser (natural love) through which the lesser becomes one with the greater. The impurity was caused by the separation of the lesser from the greater. The purity is caused by their union, so that no longer is there a greater and a lesser but just the one good, whole, pure air of at-onement. When you let the Love of the Father pour through you to all things, nothing fears you and no harm can befall you. It is separation from the Source Soul, Father, which has caused sin / error, sickness, poverty, and death. It is union with the Creator, Father that causes one to become a whole Being or to become conscious of being whole.

Life and Teaching of the Masters of the Far East Vol I by Baird T Spalding.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

LACK of SELF- LOVE:

- A composite of:
- lack of self-worth
 - lack of self-acceptance
 - arrogance and pride
 - self-loath and hatred
 - lack of self-awareness.

Why one has imperfection in their natural love is due to an extension of one of these traits, and all these traits relate back to one single finite Truth, which in its cause is a lack of self-love. The lack of self-love to one's self is the cause, the root cause, on why there is so much fear within individuals, the human world and the lowest spheres in the spirit world. The individual will have a memory that describes how this lack of self-love appears and many people deny this existence of the lack of self-love within themselves because it hurts too much to see it.

Our perfect soul is founded on natural love. Our soul may become encased / encrusted in error bringing about lack of self love. To dissolve the errors encrusting our perfect soul is by growing in truth through the ongoing healing of one's negative state, by doing our Feeling-Healing of our toxic emotions. By ending our feeling denial and healing any personality expression denial we have.

The Mother and Father's Divine Love will slowly strengthen our resolve to perfect one's own natural love, should we address such errors. Slowly but surely, with the Divine Love, our soul's condition will grow and grow. With the Love this will fit one to enter the Celestial Heavens, and beyond, being in the love of all that surpasses man's imagination. Try the experiment.

I ♥ ME

DIVINE LOVE being AVAILABLE is our SALVATION:

The Divine Love is far more powerful than the natural love. If I would have to put a number on how much stronger, just so you can understand what I'm trying to say, I would say 10 or maybe even 100 times. Of course this is purely hypothetical because natural love is only a derivative of Divine Love so it is almost impossible to compare them this way. If you ask for the Divine Love to enter your soul it will be 10 or 100 times more efficient, 10 or 100 times stronger than if you would let the natural love flow through your soul. So it will help to break down "the wall" you've created around your soul 10 or 100 times faster than the natural love would do.

John (Apostle) 19 January 2015

UNLOVING PERSONALITY

Soul encrusted with negative and damaging emotions and beliefs held by the mind in the spirit body. Soul is choked of love and the darkness impedes the flow of love which darkens the spirit body and damages the physical body for all to see.

LOVING PERSONALITY

Spirit body mind is clear of man-made negative emotions and beliefs. The flow of love from the soul illuminates the spirit body and brings beautiful harmony and health to the physical body for all to see.

GROWING OUR SOUL'S RADIANCE:

Our Mother and Father's Love is the only energy, being a substance, that slowly dissolves the negative emotional tendencies, that we have inherited by way of association, that enable us to step away from unloving errors being man erroneous emotions. With Feeling Healing and our Heavenly Parent's Love that will enable us to dissolve the crust that we have built around our soul and enable us to blossom as the loving creatures that we were created as. It is only our Parent's Love that will then enable us to grow in love and slowly bring us into harmony with Their will and fit us to enter the Celestial Heavens.

With Feeling Healing and embracing the availability of our Parent's Love and drawing upon it daily will humanity evolve to a peaceful, harmonious, healthy and happy global community.

This gift was introduced to us 2,000 years ago; however, humanity lost almost all knowledge of its availability and what it does for us. Since then we have stagnated in our self reliance and apathy.

The Divine Love completes the form of the human being.

In essence, one need only direct their soul and the heart of their soul to the First Source, the Soul God, and in this faith one can experience the Love by humbly asking for this Love. This is all that is needed and the touchstone upon the Love's approachable nature.

It is the availability of this gift that will enable humanity to grow its wondrous beauty and step away from man-made harmful mannerisms and embrace all the gifts from our Heavenly Parents for all those within our environment and communities around the globe. In this way we will bring about a more bountiful environment of sharing and betterment for all and the planet.

This is why this is the most exciting time in the world's history. We have the means of sharing with all the availability of this great gift to everyone without exception. Yes, it is available for all without any exceptions or conditions, other than the asking.

Try the experiment, ask for the Love.

GREAT U-TURN, THE CHANGE and the AVONAL AGE:

Monday, 24 December 2018

Nanna Beth – 3rd Celestial Heaven: The ‘Great U-Turn’ is what is happening now, it being the overall description denoting humanity turning away from following and advancing the Rebellion and its evilness as seen by living increasingly in a truth-denying state, to wanting to live true, to love truth, to be truth-accepting, all of which comes about ultimately by doing your Healing, as you become the living truth as it’s revealed to you; and also by people, like yourself John, who are currently more intent on understanding about it on an intellectual level. Both are needed, everyone who wants to embark upon their own personal U-Turn and the collective one of humanity, needs to understand a certain amount of what it’s all about with their mind as they work to bring the truths to light within themselves through their Healing. So anything to do with ‘reversing’ the Rebellion and Default is all part of the U-Turn. And it starts in a very small way within the individual, as it has already with the whole of humanity, being reflected by yourself and the others of your small band, who are wanting to live it and have accepted and believe it’s happening.

The Change, as such, is the same thing really, however technically The Change begins with the dawning of the new Spiritual Age – the Avonal

THE CHANGE

Age. The Change as I was referring to it yesterday was to highlight that once the Avonal Age begins in earnest, EVERYTHING will change. So currently, even though the Change and U-Turn have ‘begun’, it’s early days, just the ‘scouts’ going out in all directions in preparation for the ‘main event’. So technically we can’t say The Change has begun, whereas in time when Mary and Jesus’ age ends and the Avonal Age begins, then we can say it has begun. Whereas we can say the U-Turn has begun, it being a more vague term and not a technical definition.

Also, James has written about The Change in his Sage novels in reference to all I have said above and also the Earth Changes, including the Pole Shift. However the Pole Shift, were it to come during the Avonal Age, would then be part of The Change, The Change being the whole 1,000 years. It’s going to take the whole 1,000 years to implement on the parent to child level the necessary Changes so as to ensure that the effects of the Rebellion will truly come to an end, with that “end” still going beyond the Avonal Age to complete. So the Pole Shift is just a physical phenomena, and certainly of itself it will cause great change, but it doesn’t of itself affect any spiritual change against the Rebellion and Default, and in the past it has helped humanity go deeper into its wrongness.

So the real Change I’m talking about is spiritual and involves the ending of humanity’s truth denial. That’s the most important part, to help people see they are living against the Truth, of themselves and of God, and that all they are

doing is part of that, and that if they want to end that, they will have to do their Healing. So the Change will be with the awakening to that, a consciousness shift, a vast change to the mind of mankind as it considers the state it’s in: that ALL it is doing, ALL it’s believed was right, ALL of it’s religious and spiritual beliefs, outlooks, attitudes, are all only keeping it in its truth-denying state.

Imagine the whole of humanity understanding and focused in the direction of knowing everyone is suffering because of being under the Rebellion and that it doesn’t have to be that way. So people living increasingly in the wrong direction and going further against themselves, once The Change fully starts,

won't be able to evolve further into a deeper or greater rebellious state, however stagnation within where it's stalled will be a big issue for a lot of people and mind spirits, those people and spirits who don't want to accept that's how they are is all wrong.

So you can say the Great U-Turn has started, the writing is on the wall for the Rebellion and Default, and when the Avonals come of age, when they finish their Healing and openly (publicly) declare who they are to the world (even if that world is only a very small group of humanity), then The Change will have begun.

REBELLION & **DEFAULT**

And once The Change officially begins, there is no turning back. After the Avonal Age, humanity will be given the chance to resume its evil ways and turn its back on The Change and all the Avonal Age has done, and certain people and mind spirits will want to do that, however they won't be able to change the momentum being lived by those who are intent on living true to themselves and God through their feelings. (The availability of Divine Love may be withdrawn for the following spiritual age.) Still in all fairness humanity has to be given the opportunity to decide whether or not it wants to fully heal itself, and without having imposed on it such strong influences as caused by the Avonal presence. But that's all a long time off.

GREAT U Turn & **THE CHANGE**

So the Avonal Age is a specific Spiritual Age (which you read about in TUB – The Urantia Book), giving rise to The Change in which humanity ends its truth-denial and living unlovingly against itself and its Mother and Father, all of which is the Great U-Turn.

Avonal AGE

Pole Shift

Pole Shifts are our own very personal life experiences. They are as dramatic as the physical pole shifts that the planet Earth endures from time to time. However, our own life events are far more important.

At the moment of conception we are in a perfect state. From the moment of conception we are overwhelmed by the well meaning endeavours of our parents, immediate family and carers. They do not know what *true* love is, they have never experienced it, so we are not *truly* loved by our carers and teachers. We are crunched into submission by everyone within our environment. Our Natural Self Expression is all but obliterated! We are crunched into being someone else that others impose upon us. We are made into 'bad apples'. We proceed through our life experience, after our parents' well meaning but misguided endeavours, and have this falsehood strengthened by our educators, then our religious organisations, then our employers, all overseen by our governments. We have no way of expressing our true selves.

Now, for the first time in the history of humanity, we can reverse our early Childhood Repression and Suppression and invoke our own counter Pole Shift. We can begin to liberate ourselves from our imprisonment within our mind that was imposed upon us from conception to around six years of age.

We can, through our Feeling Healing, embrace our feelings, both good and bad, long for the truth of what is to be revealed to us about such emotional events, and express such revelations to a companion and begin the climb of the pole to Natural Self Expression of our true personality. The task is painful, long and arduous; however, we are to liberate our true nature, our true selves of natural love, and in this way we will grow to be who we truly are, a child of our Heavenly Parents – and with Their Love, we can become Divine.

This is the Pole Shift that all of humanity is to engage with and grow from. This is the Great U-Turn.

DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

PERSONALITY

**Our soul is the centre of our personality.
We are children of our Heavenly Parents.
Our soul manifests a male and
female personality - it is a duplex!**

Personality

SOUL PERSONALITY

Each soul, ever created, is unique. Just as each snowflake is unique. Every soul is unique from every other soul ever created. By referring to your soul, we are referring to your complete soul prior to its division into its two halves. Each soul expresses two absolutely unique personalities. Your soul then incarnates into two separate spiritual and physical bodies, one half into a male body and the other half into a female body, thus the personality is further distinguished by its male or female aspects. Your soul half, has a personality separate and distinct from every other soul. Your personality is bestowed complete by our Father and Mother. The soul expresses its two personalities into Creation. Your personality traverses your physical body, your spirit body, and your soul. At the time of death of the physical body, your personality continues on existing in your spirit body and soul.

No matter where our two soul halves incarnate, they will be drawn back together again as they grow in love.

The individuality of each soul half is never lost as they grow in love and return together.

The real you is your soul, which remains connected through cords of light to your spirit body.

SOUL CONDITION / EMOTIONAL HEALTH ENLIVENS with DIVINE LOVE:

Asking for and receiving our Heavenly Parents' energy of Divine Love slowly assists in dissolving and removing man's negative emotions and subsequently brings about a vibrant, radiant soul that emerges as an outgoing happy and loving living personality. With the God's Love, which is a substance, and embracing one's Feeling Healing one can progress from any dark and depressing situation to that with resilient faith bringing about a quality of life that is heaven on earth.

LUMINOSITY of the SOUL grows with LOVE:

DIVINE LOVE is a SUBSTANCE

Angels actually do not have wings.

One's soul can grow from the condition of a dark dried up pea to that of a Celestial Angel by asking for and receiving Divine Love. Divine Love changes the essence of the soul to that of the Divine. Nothing else can do this.

**CREATOR,
MOTHER,
FATHER,
GOD.**

Father
Mother

Divine Love is delivered through the Holy Spirit, should you ask for Their Love.

Your soul can be likened to a plasma ball.

Soul releases errors and negative emotions via one's Feeling Healing with Divine Love.

MoC

WE ALL ASPIRE for the LOVE of the FATHER:

Love has no boundary – especially the Love from the Creator, our Mother and Father.

Further, we all have free will, and our free will is never impeded upon. Our Heavenly Parents' Love will be given to us only when we ask for it, yes, we simply need to earnestly and lovingly ask for the Love.

There are ever so few, among humanity, that recognise and realise that the Love from our Heavenly Parents, Mother and Father, God, is conveyed to us only when we earnestly and longing seek Their Love. This Love is conveyed to us by the Holy Spirit, the Spirit, and it is this Love that slowly and progressively strengthens our resolve to engage in our Feeling Healing and remove from our soul those emotional injuries and errors that underlie our propensity to cause harm to others and our selves.

It is this Gift of the availability of Divine Love, in conjunction with one's Feeling Healing process, that was bestowed upon humanity in the first century that is now being taught to us again through the messages being conveyed for ALL of humanity. Further, the way to proceed with one's Feeling Healing is also being shared.

There is no exclusivity, no matter what beliefs any one of us may have, this gift of Love is available for ALL of humanity. Every religious practice and faith throughout the world can embrace and share these teachings and blessings to all within their constituency without any boundaries or limitations.

This is the greatest gift for all humanity, the greatest gift in the universe, and it is yours for the asking.

LIFE EXPERIENCE:

Our indwelling spirit / guardian angel is the prompter that encourages each of us to connect with our Heavenly Parents. Though our indwelling spirit is not part of our soul, it is very much part of why we search for our relationship with our Creator. Our indwelling spirit is an aspect of God.

For many, our physical journey is devoid of any spiritual connection, whilst for others the journey is very much involved in developing and embracing one's relationship with our Mother and Father.

Inextricably, many find connection through various religious communities only to separate from this or that particular journey due to doubts as to the truth and relevance of what they discover. During the mid 1900's there was around 44% of the populace attending churches of various denominations, in the early 2000's that number has diminished down to around 7% in some countries. Underlying this seemingly walking away is not a lack of desire and passion to find a meaningful and loving relationship with one's Creator but an emergence of doubt as to the authenticity of what is being conveyed by religious teachers and institutions. The burning desire to interact with the Father is greater than ever.

When one considers that the core teachings for the world major religions date back 600 years before the time of Mary and Jesus, then the time of Mary and Jesus, and then 600 years after the time of Mary and Jesus, one can anticipate that assumptions and copying errors are of such magnitude that the distortions are beyond belief. And, yes, humanity has progressed significantly to realise that excessive error has eroded much of what has dominated religious teaching and practice. Of greater significance is what is omitted from these teachings.

A major proportion of those who investigate these long ago recorded teachings become entrapped in 'the book' upon which they embarked upon their journey with. All of these 'books' are valid and fundamental in developing one's way forward. They are not to be discarded, they are to be cherished.

What is now absolutely necessary is that those who are embracing such a book is that they be encouraged to recognise that the writing of teachings has once again commenced and that no one book can possibly contain all that the Father has to teach us. In fact, the flow of writings that commenced on 31 May 1914 continues to escalate in frequency and volume and will continue to expand indefinitely. The last 100 years has delivered around 10,000 pages of teachings, in comparison, the New Testament is about 300 pages.

The great gifts of Love and Truth will continue to be expanded upon whilst man continues to open his heart with love and gratitude for our Mother and Father. As we expand our love, our capability to receive and comprehend ever higher levels of teaching will grow, thus the levels of truth being shared will rise.

Even with these new writings, the pattern of embracing and imprisoning one's self within yet another single book is limiting and disturbing. The question of which book and what version of that book have you embraced should be substituted with how incredible is this time in the history of humanity when the teachings from our Celestial friends are now flowing at an ever expanding rate so that we can all develop our love for ourselves, each other, all of the Father's creations, and that for our Source Soul without any impediments of not knowing the Father's Truth.

Never in the history of humanity has it been possible for all of mankind to be aware of our Mother and Father's Love for us and how simple it is to embrace and receive Their wondrous gift.

This is our time in the sun. It is now time that we shared with all around us of this availability of teachings that shower the Truth and Love upon all without limitation.

For 2,000 years, Mary and Jesus, with their ever expanding number of companions in the Celestial Heavens, have been establishing the awareness of the availability of our Mother and Father's Divine Love throughout the spirit Mansion Worlds and now they, with their band of teachers, have been able to expand this teaching program throughout the physical world here on Earth, having commenced on 31 May 1914.

Never can one man do more for another man than by making it known of the Feeling Healing process and the availability of Divine Love.

What needs to be impressed, and even told to people, is that this is very important and something that will be of great benefit to them – to their heart and soul, and will help them uncover within themselves and for themselves, and all through their own feelings, all the answers they are seeking. So it will be well worth putting in the time on the mind or feeling level.

“All dis-ease is mind generated, and all healing is generated by the love energy of one’s soul.”

The Ego (mind based) manifests illness; the lower one’s level of consciousness (soul condition) then the more prevalent will be illness. Below the levels of 200, the ego and fear of the mind dominate; however, as you raise your level of consciousness by growing in love and achieve a level of 500 or higher, you begin to transcend ego dominance. At the level of 600, all healing is possible.

**Feeling
Healing with
Divine Love is
the key!**

HEALTH with or without the LOVE:

Divine Love, with Feeling Healing, has a powerful positive effect on the physical body, balancing the hormones and generally promoting physical health, which is really the same thing as saying that the state of a mortal's soul impacts directly on that mortal's physical health.

The Master, because he experienced the New Birth soul condition as a mortal, his physical nature was directly affected, so it would be accurate to say that because of this, his nutritional needs were somewhat different from other mortals.

Throughout his ministry (when the New Birth soul condition was his), he was actually in perfect physical health, and this was apparent through a sense of well-being that actually manifested on a physical level as well as a spiritual one. Aman 24 January 2007

The influence of sinful emotions and thoughts and actions upon the soul is such that the spiritual emotions and aspirations of man becomes dormant, and as though not existing, and the soul itself is encrusted with evil.

Through prayer, thoughts and soul longings, the spiritual nature in man can be developed so as to dominate the personality, and he will act in accord with the feelings and emotions of his soul. The evolution of man from the natural being to the purified soul and, if he so desires it, to the state of the divine angel is possible with the Love and Feeling Healing. Jesus 8 September 1955

A soul encrusted with error results in illness and unhappiness.

Soul without the love.

Asking for the truth behind your feelings and expressing them is Feeling Healing. This process removes errors and brings harmony and health to the bodies.

Soul with the love.

LUMINOSITY of the SOUL can be LIKENED to the FOLLOWING:

1st sphere, lower regions – Natural Love MoC 50+/-
 The soul condition of a soul that is obliged to spend some time within the ‘hells’ may be no bigger than a dried garden pea. There is no luminosity and the environment is total darkness.

The typical soul condition of humanity is such that they generate the luminosity of a single candle.

1st sphere, mid regions – Natural Love MoC 210

A soul that has grown in love and soul condition equivalent to the 8th sphere – the point of becoming at one with God, the luminosity of such a soul is equivalent to the midday sun.

8th sphere – only possible with Divine Love! MoC 1,000+

The New Way, Feelings First Spirituality
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.
 Want to understand why you're feeling them.
 Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
Your feelings are your spiritual guide.
Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one’s feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God’s Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we’ve all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

NEW BIOSPHERE AGRICULTURE – the GOAL:

It is possible to feed 2,000 people all year round from 1 acre of land, that is, 5,000 people can be fed all year round from 1 hectare of land. It is possible to do this almost anywhere on the planet. Okay, the diet may be limited however it will be nutritious, but it is possible without utilising large volumes of water, and it can be all vegetable and fruit based, with products appropriate for the community, thus complementing their existing diets.

The first objective for New Biosphere Agriculture (NBA) is to establish demonstration units of the production of appropriate vegetables and fruits. These core modules are to be demonstration units at the optimum commercially viable scales as well as demonstration of small cottage units. These demonstration units are to be training units.

A core aspect of these modules is the incorporation of viable, stable, sustainable, renewable energy supply technologies. Without a continuous supply of electricity, then these demonstration units cannot be deployed to remote and emerging communities.

Though the capital cost of establishing these units may be high, once they are in operation, their ongoing operating costs are nominal, thus once the capital equipments are installed into the remote community, they become viable within that impoverished community.

Consider bringing all these technologies together within a refugee camp of any proportions, but more appropriately, to their traditional home regions to enable their return. Train members from that community at the NBA demonstration unit whilst the equipment is being installed. Then leave the ongoing operations for the benefit of the community, whilst providing ongoing technical and administrative support.

We do not have to allow situations like this to continue. We have the solutions!

LIVING FOOD versus DEAD FOOD:**FRESH is BEST!**

The Map of Conscious table as developed by David Hawkins enables the energy level of anything to be ascertained by using kinesiology. The table goes from 1 to 1,000.

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.

A calibration increase of 1 point is in fact a 10 fold increase in energy.

A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.

Thus the energy differentials are in fact enormous!

Living foods, vegetables and fruit, typically calibrate from 450 to 550, say 500 on average.

Dead foods, meat from 360 to 440, and fish from 270 to 480, calibrate 400 on average.

Living foods already have a massively higher energy factor, some 100 points advantage over dead foods and that is before processing and cooking. Much of the living foods can be eaten raw, not so with dead foods.

Each processing step typically depletes the energy level by around 100 points per process.

Grinding or mincing the meat deduct 100 points.

Cooking the meat (the longer it takes, the more it depletes) deduct 100 points.

Packing and freezing the cooked food. deduct 100 points.

Packaged food of any description that is on the shelves of a supermarket typically calibrates around 200. Any food that calibrates over 200 is life enhancing (just!), any food that calibrates under 200 is not life supporting. Food that calibrates under 200 is difficult for the body to process and expel, the body stores the food until it can expel it. Hmm ... do you often see a vegetarian obese?

Thus consider the life enhancing qualities of fresh vegetables and fruits as against processed meat products and then consider the resources that are employed to produce the fresh vegetables and fruits as against meat products, the land space required, the water required, the grain that is required rather than being eaten fresh, the energy in fuel required to manage and deliver the products, the labour, etc.

Home produce, grown in mineral rich soils, without the intervention of chemicals, allowed to ripen on the stalk, vine, tree, etc., picked and eaten on the same day. Now, that is when **Fresh is Best!**

The GLOBAL PROJECT:

LOSS of TOPSOIL

At the current rate of topsoil loss, we have just 60 years before the thin veil that sustains us is no more. This is a huge issue because we will hit the wall way before this six-decade deadline. What is driving this dramatic loss? Basically, it comes down to the massive decline in organic matter following the industrial, extractive experiment in agriculture. We have now lost more than two-thirds of our humus. Humus is the soil glue that determines whether rivers run brown following rainstorms or if the winds tear dust from the fragile upper layers of our food-producing soils. Nature teaches us that you must give to receive. However, this is not a lesson we have applied to our farmland. This universal law is at work in photosynthesis, the single most important process in nature. The plant pumps one-third of the sugars it produces from photosynthesis back into the soil to feed the microbes, which in turn fix nitrogen, deliver minerals and protect against plant and soil pests.

It is a fairly basic concept that when you remove crops from a field, you are extracting carbon and minerals, and you cannot just keep taking indefinitely. Unfortunately, this has been the dominant model for the past century. We have over-tilled our soils, oxidised the humus and often ignored the replacement of key minerals that determine the health of humus-building microbes. We have burnt out humus with excess nitrogen at the rate of 100 kg of carbon per every 1 kg of nitrogen oversupplied. We have removed massive amounts of minerals and carbon with ever-increasing yields from our NPK-driven hybridized crops.

In many areas we continue to burn crop residues. This senseless practice floods the atmosphere with CO₂, which should have been returned to the soil as humus. Burning also damages soil life while scorching precious organic matter in the process. The loss of topsoil has been increasing for a century and now, with the challenge of climate extremes, it is accelerating. Soil health legislation is essential in all of the 30 countries that Graeme Sait of **Nutri-Tech Solutions (NTS)** visited in the past year (2014), and in the International Year of Soils we all need to be pushing for a Soil Restoration Bill.

FOOD SECURITY

Food security and feeding the billions become increasingly serious concerns as climate change progresses. There is no country that Graeme Sait visited in the past 12 months (2014) that has not had serious issues linked to climate change. Brazil, with its biggest drought in 80 years; California, with a three-year killer drought; India, with a belated, substandard monsoon; and large areas of Asia, New Zealand and Australia impacted with unparalleled weather extremes. It is becoming increasingly likely that these climate-related issues could serve to trigger economic recession or depression. In uncertain economic times, you are absurdly vulnerable if you are a country like Qatar, with 6% of the food security of Japan, who produce just 40% of their own food requirements. Turmoil and international aggression come hand in hand with financial collapse – it is easy to shut down the imported food supply of another country when seeking to fast-track capitulation. Improving your food security becomes an urgent necessity in this brave new world.

Soil health determines productive capacity. In fact, good soil and water are increasingly seen as "the new gold," in recognition of their expanding importance. The GMO companies have sold us the story that their GM varieties are the solution to feeding a growing world population. However, it is becoming increasingly obvious that these finely tuned hybrids require very specific and precise conditions to deliver their promise. They can be very productive when given the correct fertilizer, moisture requirements and climate conditions, but they can really struggle in challenging conditions. They do not

have resilience, and resilience is the single most important requirement in a world that is becoming considerably less predictable.

The more mineralized and bio-logically active your soil, the greater the crop resilience. There are tens of thousands of examples of this phenomenon. In fact, the obvious validity of a soil health strategy could be clearly contrasted with the failings of the conventional approach in the face of changing conditions. The reality is this: the billions are better fed with humus-rich living soils that store precious moisture more efficiently and sustain crops that can adapt to and perform in changing conditions.

DECLINING NUTRITION

Declining nutrition in our food and chemical contamination of our fresh produce are two other closely related issues impacting our sustainability. The industrial, extractive agriculture model has seen the constant removal of soil minerals and a loss of two-thirds of the humus that helps to store and deliver those minerals. It is common sense to recognize that every time we take a crop from a field, we are removing a little of all 74 minerals that were originally present in those soils. We replace a handful of them, often in an unbalanced fashion, and we assault our soil life with a smorgasbord of farm chemicals. When we have bombed the microbe bridge between soil and plant there is a price to pay. The plant suffers, in that it has less access to the trace minerals that fuel immunity, and the animals and humans eating those plants are also compromised. It has been suggested that the food we now consume contains just 20% of the nutrition found in the food consumed by our grandparents when they were children. The immune-compromised plant will always require more chemical intervention, and repeated studies have demonstrated the cumulative effect of chemical residues in our bodies. This serious scenario is all about minerals and microbes, and they, in turn, are housed by humus.

HUMUS SAVES THE WORLD

It may seem like something of an oversell to claim that the sweet-smelling, chocolate brown substance that determines soil fertility could really pull us from the mire. The key understanding here involves recognition that you can't make more carbon. The number of carbon molecules present on our planet has remained constant since the dawn of time. This carbon is either stored in the soil as humus, the carbon-based life forms, or the atmosphere as CO₂ (carbon dioxide), and it cycles between these three. The problem is that a great deal of the carbon that used to be in the soil as humus (over two-thirds) is now in the atmosphere, thickening the blanket and trapping more heat.

The very simple and obvious solution is to return some of that excessive atmospheric carbon back to the soil as stable humus. When we build **organic matter (humus)** in the soil we have effectively sequestered carbon from the atmosphere. This is a difficult concept to grasp for some people, but if you realize that you can't make more carbon, it becomes clear that if it is returned to the soil, it is also removed from the atmosphere.

Professor Rattan Lal is, perhaps, the leading scientist driving this humus awareness. He has suggested that an increase in **organic matter in the top 6 inches of the soil can effectively counter 30% of man-made carbon emissions**. This is an extremely conservative estimate because carbon sequestration via humus-building happens at depths much greater than 6 inches. The roots of plants release glucose, created from photosynthesis, to feed the surrounding soil biology. Some of this glucose is converted to humus in the soil. In this context, root depth determines the depth and scale of carbon sequestration in the soil. The fact is that many plants have roots that extend much deeper than 6 inches. Recent studies, for example, have identified Australian native grasses with roots that extend well over 100 feet down into the soil.

A review of recent climate change science reveals a common and depressing overuse of the term "irreversibility" in appraisals of our future. If we constrain ourselves to the concept of reducing carbon emissions, our sole action strategy, this negative, appraisal may be justified. However when humus-building is incorporated into that game plan, the story changes. A global increase of 1.6% organic matter is sufficient to reduce CO₂ levels in the atmosphere from 400 ppm to below 300 ppm, which effectively reverses global warming. The burning question remains – how do we do this within the short time frame involved?

TEN SOLUTIONS + one more!

1. **Composting** becomes standard practice wherever it is possible. On every farm, every council and every home garden, we should compost or add compost. Composting involves the conversion of organic matter into stable humus, but it is much more than that.
2. **Mycorrhizal fungi** (AMF) become the most important creatures on the planet at this point in time. These endangered organisms, of which we have lost 90% in farmed soils, produce a sticky, carbon-based substance called glomalin.
3. **Protection of soil life**, and their humus home base, becomes an essential strategy. There is little point in reintroducing beneficial microbes with one hand and then promptly destroying the new population with the other.
4. A **carbon source** must be included with all nitrogen applications. If we investigate how we lost two thirds of our soil carbon, it becomes apparent that mismanagement of nitrogen is a major player. This is not just an issue relevant to loss of carbon – agriculture currently contributes 80% of the greenhouse gas, nitrous oxide, which is 310 times more potent than CO₂ in terms of its global warming side-effect.
5. **Tillage** must be modified. There is compelling research demonstrating the humus-building effect of no-till or minimum-till agriculture.
6. **Green manure** and cover crops must become indispensable carbon-building tools for all of us. There is a rural myth among some growers that, in dryland situations, these crops will steal moisture from the subsequent cash crop. This is not research-based.
7. **Intelligent grazing** must be encouraged or incentivised to the point of legislative management. Researchers like Dr. Christine Jones in Australia have conclusively demonstrated that **correctly managed pasture has the most carbon-sequestering capacity of any crop**. Ruminants may yet be our saviour, but only if we learn from nature and broadly adopt grazing practices where a post-grazing leaf length of 4 inches becomes the gold standard.
8. **CAM plants** involve something called Crassulacean Acid Metabolism, where their stomata remains open during the night, but close during daylight. This allows much more efficient photosynthesis and much better water utilization (around 500% better). One of the CAM plants, surprisingly, is **Moringa**, which is one of the most nutrient-dense food plants on the planet.
9. **Humates** become the most important of all farm inputs, from a humus-building perspective. Humic acid is the most powerful known stimulant of the cellulose-digesting fungi that build stable humus.

10. **Biochar** is based upon the discovery of terra preta soils in the Amazon that seem to be self-generating and expanding. They feature humus-rich topsoil metres deep and expand out beyond the villages from which they originated.

The Keshe Foundation is proud to announce the development of "Day & Night panels" which deliver current day and night at levels considerably higher than those from present solar panel models. These D&N panels will be able to supply constant power to electrical and electronic devices. This new technology is under patent application.

At the same time these panels are able to capture CO₂ and CH₄ from the air and convert them to a liquid state. CO₂ and CH₄ are important greenhouse gases.

CO₂ – Carbon Dioxide can be captured from air and water, turned into a solid and returned to the soil as a viable fertilizer.

Such greenhouse gases can be contained, extracted and converted into a solid state of matter.

What this new technology offers for the planet Earth is a survival line in the present environment of global warming, with the CO₂ generated by burning of fossil fuels and production of methane gases produced by extensive cattle farming. For the first time through utilisation of this new technology these gases can be extracted from the atmosphere and simultaneously be converted to solid matters or solution and returned as solid matter into the ground.

The development of this new technology shows and makes it possible for the first time in the world of science to achieve absorption and containment of carbon dioxide or methane gases in a solid state at room temperature and pressures.

The use of this new technology can preserve the circle of life by maintaining a clean environment in the future, while it can clean up the mess man has created by the use of fossil fuels on Earth in the past centuries.

Nuclear Engineer Mehran Tavakoli Keshe is from Iran, educated in England, and now has his operations, research and training centre in Bari in Italy.

SPIRITUALITY and SCIENCE:

First of all, what is spirituality as compared with religion?

Spirituality is engaged when one connects or relates to the Father, the Source Soul, directly. That is, a person does not engage an intermediary that is aligned to dogmas and creeds of an institution.

When such a person relates to spiritual communication that is founded upon loving and humanitarian goals then the interactions with spirit personalities will be of like standard or higher. Should one be aspiring for the Father's Love then assistance will come from those within the Celestial Heaven. Should one be aspiring for the development of technologies that are beneficial for mankind then generally such assistance will come from spirit personalities from within the higher natural love spheres, generally being of those who have advanced in their development of their soul condition above the levels prevailing here on Earth.

It needs to be clearly understood that when one is asking for the Father's Love absolutely no interference occurs in this process. Consider this, how could a mere spirit personality override the capabilities of the Source Soul.

Further, the Laws of Non-interference prevent any harm being caused by a spirit person in poor soul condition to another spirit person or a personality in a physical body.

As we progress in our journey of growth in our soul condition, religious engagements and practices become less in relevance as one increases their direct interaction. Every day is a day of engagement.

Religions, being man-made institutions, generally have dogmas and creeds attached to practices that may inhibit the growth of discovery after the initial support and guidance that is provided and embraced.

Secondly is the involvement of spirituality in scientific developments.

A series of interviews with more than one thousand innovators or inventors over a five year period conclusively revealed that all of those innovators who had successfully developed new technologies and inventions were ALL assisted by spirit personalities. All such successful innovators were mediumistic to a greater or lesser extent.

Interestingly enough half of these successful innovators did not have a technical education background in the industry or technology involved that related to their developments. They did not know that what they were developing could not be done!

For an example, as you consider the works of Mehran Keshe, it becomes very clear that he is spiritually supported in many aspects.

SPIRIT MANSION WORLDS are numbered 1 to 7:

To PARADISE, the HOME of OUR HEAVENLY PARENTS

Spirit Mansion Worlds are those 1 – 7. They with the Celestial Heaven spheres numbered 8, 9, 10 as well as the 2 Spheres of Disharmony are all within the Earth’s environment, and rather close by. Each sphere can accommodate more than 100 times the people than Earth may do.

Progression from the top Celestial Heaven sphere is to the Eternal Spheres, Infinite and Universal and further onwards to Paradise.

Celestial Heaven spheres 8, 9, 10 are often referred to as 1, 2, and 3 of Celestial Heaven.

Natural Love sphere progression stops at sphere 6. With only the natural love, progression is through spheres / worlds 1, 2, 4, and 6 only.

Divine Love perfects one’s natural love soul through the progression via spirit world spheres 3, 5, and 7. Soul-Healing and At-onement is achieved through the progression into sphere 8 which is the first of the Celestial Heaven spheres namely 8, 9, and 10.

One can embrace Divine Love at any time and move to DL sphere 3 and continue.

The Divine Love spheres 3, 5, 7, 8, 9, and 10 were opened by Jesus.

On death of the physical body we all arrive in the 1st Natural Love sphere.

Earth is for the individualisation of souls being the commencement of one’s journey home towards our Heavenly Parents.

The 2 Planes of Disharmony are the hells. While one desires to cause harm to others, isolation is applied. Once the Law of Compensation is completed then one can then progress and return to the 1st Natural Love sphere and continue in their progression onto higher spheres.

The Pre-Incarnational Sphere is the waiting area for souls to be individualised / incarnated.

There are seven Earth planes around Earth, which are separate from the Mansion Worlds, but we only have access to two of them, which include the ‘hells’. Each of the Mansion Worlds also have their own seven planes ‘around’ them.

Note: The first experience with a Divine Love Sphere and a Sphere of Disharmony may be introductory planes / sectors within the 1st Natural Love Spirit Mansion World.

UNIVERSALITY of the LOVE:

Should you be open to and communing with our Heavenly Parents, our Mother and Father, no matter who you are and where you are, your desire for Their love will be showered upon you. We do not need to be anywhere in particular or be receiving guidance from any particular person, our relationship with our Heavenly Parents is a very personal one to one communion that can bring about a flow of Their Divine Love into one's soul anytime we desire as often as we desire, anywhere we may be no matter what we may be doing. It is our choice and our free will that only needs to be applied. Embrace and enjoy the Love.

Earth Changes.

Spirit: Alec Gaunt

Date: July 6, 2015

Alec here, God bless you my friends and may your souls be full to the brim of God's Love. You have been discussing changes in the Earth and I am sad to say that these changes will continue to accelerate. The climate within this world will change dramatically as you have already witnessed. The Earth will become warmer and this will set off chain reactions that will melt the ice and cause further warming and greater disruptions. And the very core of the Earth is shifting and changing and this will cause further disruptions. You will have much to deal with in the future and I do not say this to cause fear and anxiety within you, for as you maintain your connection with your Creator you will be protected and guided through all of these obstructions and cataclysms and problems.

Yes, the Earth responds to mankind's neglect and greed and the imbalance is caused by so many insensitive reactions and choices. But in the end through this time of transition and change there will be peace and there will be balance. God will maintain His creation in the beauty that is meant to be sustained. God is pouring His Light, His Blessings of Love, and His Spirit of change is working upon every element, every atom, every part of this Earth and those who dwell upon it. And you all feel to some degree the effects of this, and this will intensify and this change will continue for much of your life upon this planet. But in the flow of this change there will be great opportunities for you who desire to be channels of Love, teachers of Truth, who desire to be of assistance to usher in new consciousness, new awarenesses, new truth to mankind. There will be opportunities, abundant opportunities and you will be guided to be in places with people, in situations which will have a great effect and cause a shift in consciousness in the world, and you will join with many others who are in this world at this time who have chosen this time to bring and usher in change in the world as have you all chosen this purpose, this role.

And each of you has struggled for the Light, has desired to be close to God, to come to know Truth and harmony and peace within yourselves, and you will share this in these hard times and you will be given the opportunities to do so in many different ways, in many different places in the world. A great work awaits the willing, those who choose to walk this road, to have a deep compassion and Love for your brothers and sisters, to have a deep and abiding Love for your Heavenly Father, to be educated in ways that will convey the Truth to those who have ears to listen, and eyes to see, and souls receptive. You are all being prepared, you have been for many years and what we have told you in the past is coming to fruition. And you will all come to see this in greater clarity and in this clarity will come peace, and a great calm, and an understanding of what you are to do.

Much awaits. We in spirit are in alignment with you on Earth to bring change and healing and balance to this dear Earth. This is God's Will and you will come to know this as the days and weeks and months and years progress in your life and in your time. Have joy, my children, my friends, for you do indeed live in interesting times, a great shift of consciousness in the world, a great shift in how the world is and all its workings. And you will have the blessing of knowing what this is and what it means. How many in this world will know? Very few and you will convey this knowledge, this understanding and bring comfort to many and show many the way to Truth, the way to Love, the way to give back to this beautiful Earth.

Much is in its beginnings and there is much more to know and to learn, there is much more Love to be

had within you, an expansion of your awareness that comes from the soul filled with God's Love, and we will assist you every step of the way, every breath you take, every thought that you have will have within it some of our influence, a seed of Truth, a grain of Light.

Continue in your prayers, seek your Heavenly Father with all your hearts and souls, all your yearnings and longings and you will be given to, and cared for, and blessed mightily, for your time has come, and God gives what you require, to be His instruments of Light and change and Love in this world. Perk up your ears, open your eyes, pray your prayers in sincere and earnest longing and my words will ring true and you will come to know your true selves and true purpose in this world.

God bless you, your beloved friend Alec is with you always and I love you dearly.

God bless you.

My dear students, it is your teacher Augustine. I wish to present a lesson to you, beloved students, and this lesson will be given in the form of a metaphor. Every soul is given the gift of life and if one thinks of this gift as an apple and this apple is bruised, as many souls are bruised by the conditions of this world, and rather than going to your Heavenly Father for healing for this bruised part, one nurtures this bruise and holds dear this pain that comes from the hurtful conditions of this world, and in holding on, the bruise within the apple spreads and the corruption spreads within, and there is further bruising, and further commiserating, and grasping on, and holding on dearly to these conditions and feelings of pain until the entire apple is corrupted and life becomes a thing different from what is meant to be, as this apple becomes something that once was fresh and beautiful and now withered. So, my beloveds, when you pray for the Father's Love you add more life and healing to who you are, healing those bruised parts within, making right those difficult and hurting places.

And this has been your choice and a good choice. But for some of you who deal with this bruising, it is still very much a part of their being and a motivation, and yes some desire for God to make things right but they do not know how to do so. Instead they make choices from that place that is dark and hurting and they do not see clearly through their pain and their confusion.

And so these conditions build within each soul and many, many, many souls upon this planet are acting from these hurtful places. When those you are dealing with act in this way and hurt is spread from one to another it is difficult, I understand it is difficult, to discern, to understand, what is the motivation, why are these actions so confusing? Have compassion for those who live their lives from that place of pain and confusion. They cry out to God for God to take from them that which they find difficult, yet God cannot take from a soul their pain unless they receive His gift of Love, unless they are willing to change their ways, to open themselves to greater truth and understanding. And this takes work and time and effort and prayer. It is a gradual healing, a restoration of all of those corrupt places within. One cannot expect an instantaneous healing and for their lives to be miraculously changed to something that is less difficult and painful. It is an incremental, but steady, restoration from darkness to Light, from error to Truth, from anger and judgment to Love and joy. Each of you has experienced this process. Each of you knows this truth and you cannot expect others who are caught up primarily within the conditions of darkness to change their ways so readily and quickly. It does indeed take time and effort and prayers.

Have compassion, my beloveds. Know that in time God will touch every soul, restore that soul to purity. And the timing of this is dependent upon the desire of the soul, and the effort of the soul, and the choice of the soul to follow the Path that is natural or the Path that is Divine. Continue with your efforts beautiful souls to pray for the Love, to have faith that God is restoring you within and bringing you the wholeness, the beauty, the purity that is intended for you and will in time take you beyond even this to a place that is at one with Him.

God bless you, beloved students. God bless you. Your teacher Augustine loves you and is with you in your struggles, your prayers, in the challenges of your life, in the joys of your life.

I love you. God bless you.

Earth Changes:

27 September 2011

Extracts from 'With Verna – a Nature Spirit' by James Moncrief

Verna, a Nature Spirit: There's a marked increase in the 'goings on' inside Earth being brought about possibly by natural internal factors, factors extraterrestrial, or a combination of both, even one in league with the other. And I'm going to speak about such things in more detail later, but for now, you and the people you've read who think along such lines are correct, there is much going on, both from within and without.

It's going to be a horrendous time for humanity overall, but that's not to say that within it there will be much good and lots of good feelings for some people, and mostly for those people wanting to move with it in the understanding that it's for humanity's good, and as it couldn't go on any longer how it was, so something needed to happen.

What is happening now is yet another evolutionary event, however it's not going to come about as it did back then, it's coming about as a combination of humanity's impact on the planet and natural events timed to enhance humanity's impact, all so in the end, a 'new' humanity will result, willing and able to live on the world in a 'new' way. Back 65 million years ago it was purely a biological change, now it's one all for humanity, a spiritual change for humanity as Mary was telling you; a huge change, moving from living in a completely negative state, ending it, and moving to live in a completely positive one, and all along the way nature will be affected in various ways.

All that's to happen now is more to set the stage, or scene, for the 'new' humanity to evolve into being, that being on a spiritual level, rather than a whole new evolutionary line of creatures as it was with the demise of the reptile based nature, to the rise of the mammalian one. However, as I've already told you, some new creatures will come into being during the planetary ages to come, and others that have or will become extinct, will be brought back into being.

However the coming Earth changes will have periods of intense activity right through this turning of the age and the next one of one thousand years. There will be ups and downs, but overall the next age will be one of ongoing tumultuous times for the surface of the planet. And it's all designed to keep humanity giving up its evilness and helping it seek the way of truth. There's not to be one big cataclysmic episode now, and then it's all peace and harmony on Earth, and people can get back to re-building all they've had – all their negative way of being and wrongness, or even set about living in peace and harmony because of some dimensional change or new spiritual light and upliftment affecting the raising of humanity's consciousness to a higher level of peace, having giving up greed and self-indulgence in material things. No, all that is to come is not to let you off the hook, or allow you to keep going only manifesting and so expressing yet another version of truth denial.

The spiritual upliftment so far as the new 'vibration' humanity will experience is the new vibe of the next age, and it's upliftment will only be uplifting those people who chose to do their healing, to submit to their bad feelings and by expressing them to uncover the truth of their evilness – all that resulted from their childhood. All the rest is nonsense perpetuated by ignorant mind spirits. Certainly there is new cosmic light coming to Urantia from Paradise, being stepped down in universal harmony through Nebadon; and certainly there is new soul-light being emitted from every soul on the planet, but as to how people choose to react to all of that is a personal choice, and many will fight their natural desire to seek the truth and so heal themselves, choosing instead to keep going in their negative states. And for such people, some will be relatively successful at doing it and keeping abreast of the increasing 'lights',

others won't be so successful, failing and then succumbing to their bad feelings. And many will go to their graves feeling very bad about life; other's will want to know why they feel so bad so often, and honour their bad feelings and start looking seriously for the truth. But overall, increasing inner and outer pressure will be brought to bare on humanity as it moves through the next age. A certain level of collective consciousness about it's negative state, and a certain level of desire to heal humanity's evilness needs, both personally and collectively, to be achieved by the end of the next age; and as all things are perfect, it will be.

James: Okay, so back to the heart of the matter, the Earth changes.

Verna: Well, as you've read, the amount of seismic activity is on the increase, this being because the amount of rotation within the core of the Earth is speeding up. It's immeasurable currently to science, however as the core of Earth starts to move faster, so all the outer parts move faster, and that's stirring up the continental movement, which as you know from plate tectonics, is causing the crustal plates to grind against each other, with the stresses being released as earthquakes. And this core rotation is going to keep increasing for the next one thousand years.

James: Do you mean the whole Earth is spinning on its axis faster?

Verna: No, I mean the components of the core, are in relation to each other, moving faster, which could be seen, as for the need of a mental picture, that the core is rotating faster. It's more to do with hidden forces within the planet, ones humanity is yet to uncover; and they are more to do with, and respond directly to, the spiritual or higher light frequencies.

James: So it's like the spiritual rotation of Earth is increasing.

Verna: Yes, you could say it like that, and it's then having a direct affect on the material level.

James: Okay, so it's all coming from inner levels, not just the physical.

Verna: As does everything. The physical world, the globe as you know it, only responds to inner or more spiritual levels, it exists because of these levels, the whole physical level of creation does. From our spiritual perspective, we living in these higher or inner dimensions, we can see the energy, the light, we can sense it; we can sense it in all physical things; and we can sense or perceive – we 'feel it', as increasing in frequency, and so the physical planet is responding, it has to, it can't be otherwise.

James: So it's not just, say, because of what the sun is doing that's affecting the Earth.

Verna: That is happening too, it all being part of the physical relationship and interaction in those relationships, however the sun too is being driven, and so continuously affected, by the inner, unseen, and unknown to you, spiritual levels. You are only at best observing the physical level of Creation and trying to work out laws that determine it, however there is another whole plane or 'dimension' of laws that determine the relationship of the physical to the spiritual; and then even more laws determining the spiritual, and all the levels of the spiritual, and there are many, all the way to Paradise.

James: Okay, so whatever is happening, we won't be able to detect, only possibly seeing signs of it on the physical that are resulting from the increase movements of the surface crustal plates.

Verna: Yes, the sea floor is spreading faster in places as the subsidence of one plate under another is increasing, all making for very exciting times on the face of the Earth, if that's what excites you.

I can tell you, those like me who are from the very old days, boy, did we have fun back then, we were delirious during those times of massive Earth changes. And there were some times of massive changes. All that Earth is to go through now will be comparatively mild, just a remnant taste of the old days. Relative to back then, the Earth is destined to remain quite stable. It will have one last massive bout of cataclysmic Earth changes reminiscent of the ancient times when it's all to come to an End and Cease to Be, but humanity will be long gone by then.

I was talking about the acceleration of the rotation of the core of the Earth, but on inner levels, and how that's what's causing all the shifting in the crustal plates. And so this is what will cause most of the earthquakes. Now from your geology days at university, you remember being told about 'hot spots' where the continental plates mover over places where magma forces itself to the surface bringing about island chains and chains of continental volcanoes, well there's going to be a lot more of these erupting as well, old and even ancient ones coming to life again.

James: One website I visit posts up-to-date information on the status of many volcanos, and many of them are coming to life, and have been for a few years, even ones scientists didn't know existed.

Verna: Yes, and this is going to increase. There are going to be a few mega explosive events during the next fifty years, some that will cause the sun's rays to be blocked out for a number of days, but nothing too bad. However there will be continuous smaller eruptions and many of them, all disturbing the normal way of things, such as air flights, communications, and causing many people to be relocated. It's not so much the intensity of the volcanic eruptions that are to come, but how many of them and what combined effect they will have. A lot of new lava is going to come out onto the surface, this having a heating effect adding to the general present consensus of global warming.

James: So is global warming a reality, or is it our imagination; and is it something humanity is doing, or is it naturally happening?

Verna: It's naturally happening, however, overall the planet is moving toward another smaller iceage, but that's a long way off. In the short term it will warm significantly adding to humanities problems, once all the volcanic activity gets going.

Along with the increase in volcanic events it will be discovered that the ambient temperature of the upper crust is also warming, the ground will warm up a little. We're only talking about one degree, but it will add to the problems of increasing the ocean temperatures, rainfall distribution, melting the ice at the poles and how and where food will be grown.

James: I was reading whereby all of this is coming about because of the breaking down of Earth's magnetic field, all leading to a pole reversal, this all being caused by the sun moving towards a solar maximum in the next couple of years.

Verna: It's all part and parcel of it. Scientists will continue to understand all that's taking place on many physical levels as events unfold. But really it's all being caused by the increasing spiritual light that's driving the whole thing right through Nebadon, it's not just Earth and your sun that's being affected. On all worlds, ages are changing and spirits are moving on, and things are happening. You're just one piece in the whole.

So because of these warming influences, the weather will become more wild, more subject to change, and more unpredictable. There will be more: drought and heat, rain and snow, even cold extremes in some parts of the world, and less in others. There will be more wild storms in some places, cyclones and such, and less wildness in other places. Things will pretty much change all over the place as to how they have been. And some changes will become permanent, other's fluctuating.

And because of these weather disturbances, so the production of food will change; in some areas of the world severe famine and food shortages will occur, in other places pests and disease will predominate. You've seen all of these things already beginning to happen, and they are only going to happen more and become more intense.

And then come the physical Earth changes, not only from volcanic eruptions, but from the influence of large earthquakes.

Vulcanology:

28 September 2011

James: So what's happening to the Earth where the magma is? I mean how does it build up in pressure to come out?

Verna: It's a combination of internal Earth forces and external cosmic rays. They both interact to produce what might be likened to bringing a pot of water to the boil. The more internal pressure that builds the stronger and more vigorous it boils escaping on the surface. The Earth has been relatively cool of late, meaning there's only a very light boiling going on, with most of the pent up pressure and energy able to be released through what has been witnessed, some occasionally doing a lot of damage, other times, not so much, but the Earth has been going through a very quite time of vulcanology. However that's all soon to change as it warms up into one of its more active times. But as I said, not so active as in times gone by, but certainly more active than what's happened during this past two thousand years.

James: So the letting off steam, the increased boiling will keep happening for... how long?

Verna: It will keep building up during the next ten years, then it will plateau for the next twenty, then start to settle down. But within these years there will be times of greater and less intensity. You must remember that things happen relatively slowly on a geological time period, so this time will be but a hiccup in the great scheme of things, but enough to give humanity the experiences it requires to keep the pressure on it to change. You don't have to worry about it starting with a rush then petering out. The inner forces that are going to bring about all the structural crustal change will last for as long as they need to.

Global Warming:

28 September 2011

Verna, is there really global warming, or is it something that seems to be happening but is being made up by certain people. I think I've asked you this question before –

That doesn't matter James, I'm happy to answer it again.

Yes, global warming is real, but it's not happening solely because of humanity's impact on the world. Humanity is only minimally affecting it, the world for the most part being able to absorb all you do that results in global warming, however it's the Earth itself that is heating up, internally and because of external influences. And these will continue as I've told you. But all humanity does in regards to global warming will be of no account because of the overall changes that are going to take place.

Entire solar system is heating up! Scientists blame solar warming

<http://www.space.news/2015-10-06-entire-solar-system-is-heating-up-scientists-blame-solar-warming.html>

Tuesday, 6 October 2015 by [Chris Draper](#)

Many scientists suspect that the solar system has migrated to a region of the galaxy with high energy. We have the illusion that the sun is a nebulous ball of gas fixated in the sky that the rest of the solar system dances around. In reality, the sun is one star among many sitting on the outskirts of the Milky Way, hurtling through space at 72,000 kilometers per hour. Although the total amount of energy within the universe is conserved, pockets of energy in the Milky Way vary in intensity. The solar system may have rolled into one of these highly active regions.

Top Economic Forecaster Martin Armstrong Warns: Pole Shift is Coming?

I have been expecting economic collapse for many years. Western (Keynesian) economics has been founded on the debt-based nonsense from the ideas presented by [John Maynard Keynes](#) in his 1936 book, [The General Theory of Employment, Interest and Money](#). Keynes felt that government intervention is the saviour of irrational capitalists, whose shifting sentiments cause ups and downs in the economic cycle that can be smoothed out by more or less inflation controlled from above.

When the huge flaws of this system were pointed out to Keynes (such as the fact that it punishes savers with ever-increasing money supply inflation and government debt which can NEVER be paid back – because we MUST borrow more newly created money from the privately owned Federal Reserve to have more money to pay interest on the previously borrowed money) – and that eventually, faith will be lost in the entire criminal enterprise and the perceived value of dollars, which are essentially I.O.U.s printed on worthless paper and backed only by faith in the U.S. Government (faith which can be lost someday) Keynes gave the famous observation:

“In the long run we are all dead.”

In essence, Keynes, and almost all western economists working in the current fraudulent money system based on debt, were saying: our fraudulent system of control makes huge profits for the puppet-masters and it works for the world in the short term – for decades, maybe our whole lives, so who cares about the 21st century’s problems?

I like the Austrian School of Economics, in which government’s role is minimal and market forces are the sum of individual (and largely logical and productive) decisions. I like [Martin Armstrong](#) as an economic forecaster.

But when I look Armstrong up for commentary, I expect to see articles about economic trends, and the eventual coming crash. This seems like an unavoidable future event just based on money and economics – without even considering that it is predicted by [end times Bible prophecy](#) just before [a horrific final war with the enemies of Christianity](#) and the Great Tribulation and the end of the world as we know it – replaced with [“a new heavens and a new earth” after a pole shift](#).

What I don’t expect to find looking up economists like Armstrong is POLE SHIFT commentary. Yet a few days ago he wrote this article:

[Is Nature Preparing for a New Ice Age or a Pole Shift?](#)

“There is a very curious connection between lakes and volcanos in the Arctic. I just posted how there are **kilotons of CO2** coming out of volcanos. There is a similar thing now showing up in lakes in the Arctic as well. There are about 300 lakes across the tundras of the Arctic. However, a **scientist reports** that she has never before ever seen a lake like this one. The lake looks like it is boiling. It is making a hissing sound and bubbles are rising to the surface like a pot of water which is on the stove. It is actually producing powerful [greenhouse gas called methane](#) that Europe is taxing farmers for because their cows produce it. Who should we tax for this one? Methane gas has escaped from the lake bed and the bubbles are as big as a grapefruit.

There has been a rise in **volcanic activity** under the ice caps at both the North and South Poles. Nobody knows if this is [a prelude to a pole shift](#) or is this simply a foreshadow of climate change and entering into a new ice age. What we do know is that melting ice does not result in rising sea levels, it results in the water evaporating and it comes back as snow which then increases the glaciers once again. The danger is that this entire Global Warming nonsense is ignoring how **ice ages are even created!**”

[By the way, “Ice Ages” are always in effect somewhere. There is one in Antarctica now because it is located at the pole. Until 13,000 years ago North America had an “ice age” when the North Pole was at the west edge of Hudson Bay. That is why New York was under a mile of ice while Siberia was warm and covered with lush vegetation that fed huge herds of animals like mammoths that we now find well-preserved, suddenly frozen in the ice that overcame them one summer day while they chewed on buttercups and other flowers that remain un-chewed in their mouths and undigested in their stomachs and indicate a sudden freeze during summer flowering.] This is some of the clearest [evidence of a sudden catastrophic pole shift](#).

It turns out that Martin Armstrong has not focused his calculations solely on economics but has also decided that there is a political agenda to lie to us about climate change. In January he wrote at his blog:

“Climate is changing and it is part of the normal cycle – not human-induced. You are actually correct that I support capitalism and freedom and am against authoritarianism and totalitarian systems. What you fail to understand is that climate change is an agenda to eliminate your freedom. The entire argument is to support a move toward an authoritarian state. [And massive depopulation.] You better wake up. This is not truly about the climate change, it is all about controlling society, eliminating democracy, and changing the entire economic model that changes society. There is far more at stake here than most people realize.”

“It’s a well-kept secret, but 95% of the climate models we are told prove the link between human CO2 emissions and catastrophic global warming have been found, after nearly two decades of temperature stasis, to be in error. It’s not surprising.”

“All climate studies agree that if the one-degree global warming was produced by an increase in carbon dioxide in the atmosphere, the additional CO2 first warms the atmosphere, and the warmed atmosphere, in turn, warms the Earth’s surface. However, measurements of atmospheric temperatures made by instruments lofted in satellites and balloons show that **no warming has occurred in the atmosphere in the last 50 years**. This is just the period in which human made carbon dioxide has been pouring into the atmosphere and according to the climate studies, the resultant atmospheric warming should be clearly evident.

The absence of atmospheric warming proves that the warming of the Earth’s surface observed in the last 100 years cannot be due to an increase in carbon dioxide in the atmosphere caused by human activities. **The recent global warming must be the result of natural factors in climate change.”**

And those natural factors warming the Earth must come from INSIDE THE EARTH, since the surface temperatures are rising while atmospheric temperatures are not. Armstrong doesn’t take the next step and suggest that there may already be a small but increasing movement between layers in the Earth, generating friction and heat... But he does feel strongly enough to ask: [is this a sign of a pole shift coming?](#)

Monday, 17 December 2018

James: Hi Nanna Beth, I feel like a chat, is that all right with you?

Nanna Beth – 3rd Celestial Heaven: Also you might like to know, the Earth itself is starting to change its rotation speed and is slightly moving on its axis, thereby causing shifts in surface weather patterns as warming and cooling takes effect, just happening in different places than how it has been. And these changes are coming from the core that’s being affected by greater space changes. There is always massive pressures and forces affecting every part of natural creation, so the world and all space and all that’s within it. And as David (Montaigne) points out, observers have observed that things remain the same, at least seem to be the same, although with minute incremental changes, all of which culminate to periodic, large swift changes. And so humanity is coming into a time of rapid change, and on all levels, not just the physical or spiritual. Of which I still can’t say more.

So the debate about global warming or cooling will continue with both being right, as both are occurring. And in some areas they are affecting each other, in other areas they are happening independent of each other.

James: Thank you Nanna Beth, you’ve covered all I was wanting you to update.

The Legends of the Last Great Flood & Nova and how some people survived it.

In order to understand why the earth's rotation reverses when the poles reverse, it's necessary to understand that the magnetic field of the Earth is not caused by an iron core. Iron loses its magnetism at those temperatures anyway. It is more like a centre point of modulation.

The Physics Behind the Earth's Rotation

We are getting to the reason why the Earth's rotation stops and then reverses.

$$e = \sum_{n=0}^{\infty} \frac{1}{n!} = \frac{1}{1} + \frac{1}{1} + \frac{1}{1 \cdot 2} + \frac{1}{1 \cdot 2 \cdot 3} + \dots$$

$$e = \sum_{n=0}^{\infty} \frac{1}{n!} = \frac{1}{0!} + \frac{1}{1!} + \frac{1}{2!} + \frac{1}{3!} + \frac{1}{4!} + \dots$$

Natural Log = 2.718281828459

$$\frac{d}{dx} e^x = e^x \quad e = \lim_{n \rightarrow \infty} \frac{n}{\sqrt[n]{n!}}$$

Pyramid angle = $\arccos\left(\frac{1}{\sqrt{e}}\right) = 52.66093239^\circ$

The natural Log represents the delay in propagation as information comes into our existence.

Douglas Vogt of the Diehold Foundation, who recognised that the universe works in a clock cycle. Historical data show ice ages are recurring, cyclical events. This seems to be due to a clockwork, or an "operating system" of the universe. A "tipping point" seems to occur every 12,068 years and this is likely the source of mythologies and religious references to a cataclysm.

So what happens? This event combines just about every horrific disaster you can think of:

The Position of the North Geomagnetic at the Time of the Reversal.

The following are the reasons I believe the Polar reversal and Nova will happen in October 2046. These are the facts I found that point to that date.

1. The Earth's magnetic field is decaying exponentially and can reverse when it hits 20,000 to 15,000 nT as it did last time 12,068-years ago.
2. The north pole is moving to a location where it was when the reversal previously happened 36,204-years ago.

12,068	10,560	9,051
7,543	6,034	4,526

3. The **Earths rotation** has been **slowing down** and the **solar output has increased** over the past 50+ years. [Video Series 4, Part 4F]

The Position of the North Geomagnetic at the Time of the Reversal.

4. 6 **Solar cycles** all coincide with the 12,068-year main clock cycle.

11.092 sunspot cycle \times 1088 cycles = 12,068 years.

88.735 Gleissburg cycle \times 136 cycles = 12,068 years.

709.88 solar cycle \times 17 cycles = 12,068 years.

928.308 solar cycles \times 13 cycles = 12,068 years.

1,508.5 cycles \times 8 cycles = 12,068 years.

2,413.6 solar cycles \times 5 cycles = 12,068 years.

5. The next Gleissburg cycle will happen between September to December 2046. The Torah gives an exact date of October 16, 2046. [Watch our Video Series 7, Part 1].
6. Too many dates in time going back from that October 16, 2046, coincidences with the polar reversal. [Watch our Video Series 7, Part 2].
7. The entire Torah is embedded with that 12,068 number of factors of it. [Watch our Video Series 6, Part 2].

The Position of the Earth at the Time of the Reversal.

For these reasons our Sun will Nova on the main clock cycle of 12,068-years in 2046. At the time of the geomagnetic reversal (polar reversal) on, or about, October 2046, the side of the Earth that will get the full impact of the nova, heat and cosmic rays is shown.

We don't know the **time of the day**, but 12,068 years ago China did get the cosmic rays, so they had to have seen it nova in the daytime. The legends of Both India and China both describe seeing the nova.

Correspondingly 17-18 hours after the nova this side of that earth gets the dust shell. The dust shell travels the 93-million-miles in 17-18 hours at a speed of 1500-1550 miles per second.

If the speed of the oceans are 400 mph at the time of the reversal stopped period, that means in 7 hours it will travel 2,800 miles. If the stopped period is 8 hours, then the ocean would travel 3,200 miles.

The Position of the Earth at the Time of the Reversal.

During the last reversal China was on the backside of the Earth when the dust shell hit. The Chinese Myths give us clues what they saw and what happened to them.

“the **atmosphere is thick** and human beings are choked”

“It is thought that when dragons fight, **fireballs fall to the ground** and a strong wind prevails in the heavens. When dragon’s eggs hatch...”

The answer to what happened is found in **fluid mechanics**, aka **fluid dynamics**.

The Position of the Earth at the Time of the Reversal.

The fluid pressure in vortices are lowest in the center and rises as the distance from the center increases. This is due to Bernoulli's principle, which states that "as the speed of a moving fluid increases, the pressure within the fluid decreases." As the air in the vortex center moves the fastest, the vortex center will have the lowest pressure in comparison to its surroundings.

We do not know how thick the dust shell is by the time it hits the Earth.

Exactly on the other side of the Earth, the northern hemisphere/ Europe and Africa gets the instant ice age. The ice age happens because of Boyles Law. The expanding atmosphere causes the temperature to drop fast to over 200+ degrees below zero.

For the Americas, all we get is the Pacific Ocean passing over us and the effects of the high winds from the dust shell. We **do not get the cosmic rays** from the nova.

Remember the mythologies from India and the Aztec's about the end: "the world of men becomes filled with **sin and immorality**" "All **contradictions to truth** pass away."

Aztec's: "Immediately on the **death of the gods** the sun began his motion in the heavens;"

Mine: "All of Man's False God's Pass Away."

What is in the Center of the Earth that Creates the Magnetic Field?

Paleomagnetism and the Nature of the Geodynamo, R. T. MERRILL AND P. L. MCFADDEN, [Science 4/20/1990, Vol. 248, Pg. 345].

“A complete mathematical solution to the geodynamo problem must simultaneously satisfy **Ohm's law**, the **Maxwell**, **Navier-Stokes**, **Poisson**, **continuity**, and **generalized heat equations**, together with the equation of state for the outer core and the appropriate boundary conditions.”

What is in the Center of the Earth that Creates the Magnetic Field?

Legends about the Reversal and Nova from Around the World.

What the sun looked like when it novaed:

*"That vara (the sun) figure, ... again made a **loud noise**, and became a **dreadful spectacle**. Shaking the **full flowing mane** which hung down his neck on **both sides**, and erecting the humid hairs of his body, he proudly displayed his **two most exceedingly white tusks**; then, rolling about his wine-colored (red) eyes."* [1-p132]

- The sun will nova: it increases its output and explodes, but it will not disappear.
- First radiation and heat and hours later a hot dust shell will hit the Earth.

Samples from the moon indicate that a dust shell with molten glass beads hit it, just as it had hit Earth. Fission marks and the prolonged shapes of these glass beads is proof this is not volcanic nor from a meteorite. These samples are found all over the place and on the moon.

Sedimentary Evidence from a Small Island West of Columbia.

- At the same time the earth's magnetic poles will reverse causing the EMF to collapse temporarily. **Electric and magnetic fields** (EMFs) are invisible areas of energy, often referred to as Radiation, that are associated with the use of electrical power and various forms of natural and man-made lighting.

- This is followed by a standstill and reversal of the Earth's rotation.
- This will cause massive floods due to the ocean waters' momentum.
- Earthquakes will increase as the Earth's crust floats on the mantle and also has momentum.
- The part of the Earth's atmosphere that is blown off by the dust shell will cause such a low pressure area...

The Great Flood

The mass of the water will come towards you very fast. The Earth still has gravity henceforth information and consequently the water will not be traveling at the former speed of the earth's rotation. It will be slower but we do not know how fast.

The Great Flood

... that jet streams at sea level will move from one side of the globe to the other, causing an extreme expansion of air in a short period, which instantly causes an ice age.

So; let that sink in for a moment while I get another drink. (And yes that mammoth is bleeding.)

Probably somewhere in this period of around 8 hours that the Earth stands still, the sun's dust shell will hit. After this, the Earth will start turning the other way, which will cause the water to move again eastwards (opposite to the direction prior to the rotation reversal of Earth). Ocean canyons will be formed by running sea water.

And entire continents will be covered with water. But as explained above, the sudden low pressure will cause an immediate ice age. It will freeze everywhere and snow will fall for decades causing new ice caps. The Equator will warm up quickest after this event.

Not just our sun but every star in the universe may nova, and all planets may reverse their poles. This happens like clockwork every 12,068 years – projecting the next to be possibly around October 2046.

NOTE: The time of the last pole reversal is not precisely known. It is reasonable to say that pole reversals do occur between 12,000 and 13,000 years apart due to the cyclical Sun novoring. What is to be considered is the recognition of the events that would typically unfold leading up to a cyclical nova event of the Sun. Again, this will involve guess work. However, the ‘global warming’ and Earth events now unfolding are of the consequence of increased energy within the core of Earth increasing slightly the internal rotation and movements within the Earth impacting upon the surface. This is a result of an inflow of energy from the Sun being received through the ‘antennae’ at the core of Earth.

Powder River Basin, Wyoming. Some seams are 200-feet thick. That represents 2,000-feet of organic material deposited at one time.

Further Physical Evidence of the Rotational Reversal of the Earth.

Wave inundation from the Pacific stripped the forest through to the Appalachian Region before dumping creating instantly the coal deposits as outlined above. When the Earth is rotating in the opposite direction, the stripping commences from the Atlantic before dumping in the Western Region.

Further Physical Evidence of the Rotational Reversal of the Earth.

The massive heat from the Sun novoring commences the burning of the stockpiled forests in times of high vegetation with ongoing flooding from the oceans dumping an overburden on the stockpiled burning forests to create the coal deposits. This is essentially an instantaneous event.

Australian coal is either high-quality bituminous coal (black coal) or lower-quality lignite (brown coal).

Bituminous coal is mined in Queensland and New South Wales, and is used for both domestic power generation and for export. It is mined underground or open-cut before being transported by rail to power stations or export shipping terminals. Bituminous coal was also once transported to other Australian states for power generation and industrial boilers.

Lignite is mined in Victoria and South Australia, and is of lower quality due to a lower thermal value largely caused by a high water content. Ash content varies significantly but some Australian lignite have relatively low ash content.

While Australia's mineable black coals range from Permian to Jurassic in age (280 to 150 million years old), most of Australia's black coal resources are of Permian age. Australia's principal black coal producing basins are the Bowen (Queensland) and Sydney (New South Wales) Basins.

However, the vast majority of Australia's coal deposits are along the Great Dividing Range of mountains on the east coast.

WORLD PEACE only with FEELING HEALING and LOVE:

Nothing will bring world peace and harmony onto this planet but the embracement and infusion of the Mother and Father's Love, Their Divine Love, together with Feeling Healing, by all of the people throughout all the communities, all faiths, around the world. Only Their Love is the substance that will progressively and with certainty remove from each of us those erroneous emotions that bring about fear and disharmony.

The awareness and embracing of the Love has no barriers, it is available to all. All faiths and spiritual practices can and will be invigorated and strengthened by the understanding of the availability of the Love, with Feeling Healing, the sharing of how to receive it, and by the knowledge of what it provides, particularly how one's soul condition develops with the Love.

The Love is the greatest gift in the entire universe. The universality of the Love will bring about global celebration of the harmony that will result between all and the benefits to all individuals, which are far too numerous to comprehend.

With FEELING HEALING and the LOVE will come the greatest advancement in the history of humanity. Nothing is surer and nothing will prevent this, just our resistance will delay this.

The time is ripe for us all to consider, embrace, enjoy, and share with all, our family, our neighbours, our friends, our associates and any one that we may connect with.

PROCESS of FORGIVENESS
PROCESS of FORGIVENESS
PROCESS of FORGIVENESS
PROCESS of FORGIVENESS

is also the PROCESS of REMOVING HARMFUL EMOTIONS
 is also the PROCESS of HEALING BODIES Physical Spiritual
 is also the PROCESS of SOUL GROWTH with the LOVE
 is also the PROCESS of CLEANSING the SOUL

Our Heavenly Parents send the Holy Spirit, the Spirit, to those who long for and ask for Their Love and assistance. All you need do is ASK!

“The New Birth is the flowing of the Spirit of God into your soul and the disappearing of all that tends to turn your heart from the truth and Love of God in conjunction to doing one’s Feeling Healing.”

“The Holy Spirit is God’s messenger or instrument that carries into the soul the Divine Love that is bestowed on the truly penitent man.”

“The Holy Spirit when the penitent prays for the Love the Holy Spirit will respond and fulfil the work that the Mother and Father has provided it to do.”

“The only thing that saves a man from their sins / errors and reconciles them to the Mother and Father is that they must become conscious of God’s Truths and receive the Holy Spirit into their souls.”

Continuing with one’s longing for Truth and asking for our Parents’ Love enables progressive removal of emotional errors and injuries that then lead to the removal of core emotional damage, and then, subsequently, the progressive filling and expansion of one’s own soul. Removal of these soul injuries through Feeling Healing also leads to the removal of damage to one’s spirit body and the restoration of one’s health.

It is only by the infusion of this Love while longing for Truth within one’s soul in sufficient quantities does one become fitted to enter the Celestial Heavens.

Soul development, with the Love, can take a soul from being a dried up garden pea to that of a simple candle, and then onto that of a blazing sun!

The LOVE that brings about FORGIVENESS:

This Divine Love, and by this I mean the only way through which salvation can be obtained, can enter and fill the soul through the sincere longing of the soul to assuage the thirst for at-onement with the Father through prayer.

Revelation 17 – November 12th, 1960 – Jesus

The only way for man to achieve forgiveness of sins is through the obtaining of the Divine Love or through purification of the natural love, a long and tedious process that fits the individual soul for a place in the Sixth Sphere.

Revelation 50 – October 18th, 1954 – Jesus

Divine Love fits a personality to enter the Celestial Heavens, way above the 6th Sphere. Without this Love, man cannot enter the Heavens. It is this Divine Love that brings about immortality for man.

This great Love of the Father was created or rather has always been, for the redemption of the vilest sinner who seeks and believes.

March 24th, 1915 – Ann Rollins

Only the Divine Love can give man of a Divine Nature, and that no self development or cultivation of the Natural Love to the greatest and most sublime extent are sufficient to make man at one with the Father in the divine sense and which makes the spirit a partaker of this Divine Essence of the Father. One needs to come to understand the difference between the two loves and what the New Birth means.

March 24th, 1915 – Jesus

Immortality with the Love.

**Feeling
Healing with
Divine Love is
the key!**

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to ‘our Mother and Father’. Further, when considering soul healing, then reference to Divine Love could be referred to as ‘Feeling Healing with Divine Love’.

NATURAL LOVE BLENDS PERFECTLY WITH DIVINE LOVE:

Both are energies. Natural Love energy forms each soul and each individual soul is unique. Our personality, intelligence, memory, and humanistic characteristics are unique. It is our gift of free will that tends to enable us to error, however, it is the uniform nature of Divine Love and Feeling Healing that brings about our growth and release of man-made negativities.

SUMMATION:

This exciting time in the World's history provides us with incredible gifts to humanity that can be freely shared without borders through the development of the global internet. These gifts of beauty and love are endless and generously provided for us all to embrace and benefit from.

We have the way to bring about harmony and peace throughout the planet whilst bringing the living standards of impoverished communities to a level of self-empowerment for their communities and setting them free to embrace the Love of the Father without having to struggle for survival daily.

POPE FRANCIS' ENCYCLICAL ON THE ENVIRONMENT

http://w2.vatican.va/content/francesco/en/encyclicals/documents/papa-francesco_20150524_enciclica-laudato-si.html

Pope Francis Encyclical on Human Ecology “on care for our common home” introduces two terms buried by modern economics: “need” and “greed”. These represent two opposing worldviews. One seeks to satisfy our wants or preferences, which are limitless, non-satiable, substitutable and amoral. The other prioritises meeting universal human needs, which are limited, sufficient, non-substitutable and with clear ethical grounding. By counterposing these and putting them centre-stage, he has clarified the egregious moral dilemma inherent in climate change in a way that can unite both religion and humanism.

The Pope also takes issue with the arguments of green growth, which is the current dominant strategy to handle climate change. Yes, we must support the fastest possible decarbonisation of the global economy through eco-efficiency, but at some point, very soon, we will need to switch to post-growth strategies.

This revolutionary encyclical challenges both current ethics and economics.

Prof Ian Gough

London School of Economics

World money control is through various groups. The publicly known group is the Bilderberg Club:

The Bilderberg Group, Bilderberg conference, Bilderberg meetings or Bilderberg Club is an annual private conference of about 120–150 political leaders and experts from industry, finance, academia and the media, established in 1954. This group – Bilderberg Club – is of short term members.

Then there are medium term members of a group of around 30, these are unknown to exist to the Bilderberg Club members, however the Bilderberg Club members are controlled by this group.

Then there is the long term group of about 15, also unknown to the medium term group and the short term group. The long term group, until recently, was controlled by a British Baron who had married into the Rothschild family. In turn they control the medium term members and, in turn, the short term members.

It was Richards and his group's money that bailed out Europe – US\$8 Trillion! The concentration of mass wealth is not viable or healthy for the World's population.

As we move forward, it may become understood that the global warming phenomena is generally the result of cyclical magnetic field activity from the Sun, however, in the meantime, all of humanity benefits from endeavours to nurture our home being planet Earth. As we grow in love for all of the creatures and creations of the Source Soul then all of humanity is progressing in their development of soul condition.

Dear Friend,

Pascas WorldCare – Introduction to 100 Years of Spiritual Teachings

Our search to understand; ‘how to treat the cause of illness rather than just treat the symptoms’ firstly appeared elusive. As it became understood and then obvious that particular emotional issues affected the physical body in particular regions and organs, then came the question of how to remedy and remove those emotional negative issues.

Negative, or man made, emotions can be addressed with great personal perseverance, however, the outcome is most likely not to be permanent, we relapse.

July, 2009, we were introduced to the Padgett Messages. These are profound teachings of truth, readily confirmed by applying Dr David Hawkins’ method of kinesiology muscle testing in conjunction with his Map of Consciousness. Some of the historically recognisable authors / writers throughout these messages are:

Jesus of Nazareth	Andrew (the Apostle)	Bacon, Francis
Barnabas	Caesar, Julius	Calvin, John
Clement (Saint)	Cleveland, Grover	Constantine
Cornelius	Eddy, Mary Baker	Elias (the Prophet)
Elizabeth I (Queen)	Elizabeth (cousin of Mary)	Galileo
Goliath	Gregory (Pope)	Herod
James (the Apostle)	James (the Less)	Jefferson, Thomas
John (the Apostle)	John (the Baptist)	Joseph of Arimathea
Josephus	Judas (Iscaiot)	Lazarus
Lincoln, Abraham	Luke (the Apostle)	Luther, Martin
Mark (the Apostle)	Mark, John	Mary (the Mother of Jesus)
Matthew (the Apostle)	Moses (the Prophet)	Napoleon
Nero	Paul (the Apostle)	Peter (the Apostle)
Plato	Samuel (the Prophet)	Socrates
Solomon	Stephen (the Martyr)	Swedenborg
Thomas (the Apostle)	Washington, George	Wesley, John

Within this initial set of teachings of some 2,500 messages are the writings of more than 250 authors. These works commenced on 31 May 1914, and this phase completed on 7 January 2016:

	(available through www.lulu.com)

James Moncrief 10 major publications	2002 ongoing	2,000+

The number of authors / contributors now exceeds 1,000, with key authors presenting material within each set of messages. It is a co-ordinated and well structured continuing series of teachings. The writings are ongoing and continue today.

The first publication of the Padgett Messages in chronological order was published in 2008, all of the additional material has been published since then. Major references and sources of material are also found at www.new-birth.net and www.pascashealth.com within the Pascas library section.

When a personality develops the desire to cause harm to others or to one's self, such man made emotional error is a soul injury. Such soul injury is reflected within that personality's spirit body by the presence of dense, slow moving energy which retards life giving energy flows in the region of the held or frozen emotional injury. Energy blockages within the meridians of the spirit body emerge as dull pain, then pain, then as an illness within the physical body.

Only longing for and earnestly desiring for the Father's Love will occur the inflowing of such Love, which is an energy, that will ultimately dislodge the harmful emotional error, or energy blockage. As the error is dissolved and removed also is the propensity for that personality to cause harm, which was associated with the emotional injury, being permanently removed. As the cause to harm is removed so is the need for compensation, as the emotional issue will no longer exist.

The Creator's Love, being progressively received by a personality, brings about improved physical health, improved quality and way of life, improved happiness for themselves and for those around them, and the gates are open for wonders of life beyond comprehension.

This is expanded upon, time and time again throughout all these works. Why have we not understood this before? These teachings were progressively lost throughout the first three centuries of this era, and all records of these teachings were finally lost in 325AD/CE at the Nicaean Council in Constantinople.

What is this advent of teachings that we have received progressively over the past 100 years?

“My coming to you (James Padgett) is really my second coming on Earth, and the result of my coming in this way will satisfy and fulfil all the promises of the scriptures as to my second coming.”
Jesus December 2, 1915

This is reiterated throughout these works.

The greatest gift to the universe has again been introduced to us.

Living Feelings First, *John Doel*

Pascas Foundation (Aust) Limited

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus’ Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair’s guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world’s spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

HUM

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
 We are to long for the truth of what we are feeling.
 We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

HUM

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

WE ARE Children of God

HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
 2. **ETERNAL SON (ES) – Divine Truth**
 3. **INFINITE DAUGHTER (ID) – Divine Mind**
- Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS** – Our MOTHER and FATHER – Love – the Living Truth
2. **DIVINE MINISTER** – Mind (and her Holy Spirit)
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR** – the Feeling Healing process – incarnate
2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate / soul partner pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate / soul partner pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

Humanity is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate / soul partner) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

Feeling Pathway

Mind Pathway

Soulmate Pair

Angel

Spirit Person

Nature Spirit

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

We souls are existential, our souls have it all within us, it's a done deal, we are just unfolding in Creation through our personality expression. So our evolution is our growing in truth, the truth already within our soul, with it continually being brought out through our feelings as we live our experiences, thereby 'growing in truth' as we ascend, as we live that truth.

Whereas the angels are experiential, and their soul starts evolving or developing upon their creation. It all being done through their evolving minds. They don't grow in truth like we do, they just grow or evolve in mind. And as they do, the experiences they have individually and then as a created pair, cause the soul of their mind to grow and evolve.

However, those people adhering to the 'Mind Way', as presented by TUB (The Urantia Book), the New Age, and all our religions, is really the angels' way and not ours. So perhaps, that is why TUB has 'mucked it up' because it has to adhere to the Rebellion, which is making us look to the God the Mind, the Infinite Daughter, as the Way to God, when we're to look to God the Truth, the Eternal Son, as the Way to God.

We can't attain Paradise and be with our Heavenly Parents unless we first go through the Eternal Son. We can't do it through and with our minds. That's for the angels to do. So the mind spirits (like most people on Earth and spirit Mansion Worlds), unbeknownst to them, are trying to live like angels, trying to evolve their soul through and with their mind, which can't happen. And if we are like angels going first through the Infinite Daughter on the way to the Mother and Father, then we fall short, never attaining the Son. However as we know, we are so wrong by looking only to our minds, that we can't even get out of the Mansion Worlds, let alone get anywhere near the Infinite Daughter on Paradise.

So our Healing is getting ourselves out of the mind, letting that way go, and coming back to our true selves, which is through our feelings, the truth we are to live from our soul. And once we do that through our Feeling Healing and divine our soul with the Divine Love, then we are free to move to Paradise, up via the Infinite Daughter (with Her and the Divine Minister (and Holy Spirit), nature, nature spirits and the angels' help – all the creations of the Mind), to the Eternal Son and onwards to the Mother and Father. With the Higher descending Paradise Daughters and Sons (Mary and Jesus, Avonal pairs, Trinity Teacher pairs), and local universal descending Daughters and Sons (Lanonandeks, Melchizedeks, etc.), together with our ascending mortal spirit friends (daughters and sons – each other, Nanna Beth, Kevin, etc.), helping us on the feelings and truth side of things.

**Feeling Healing with
Divine Love is the key**

**to enter the
Celestial Heavens.**

GLOBAL ACCEPTANCE of the LOVE:

When all aspects of the community become aware of the Love and embrace It, then humanity will evolve to a level that will bring about harmony universally:

DIVINE LOVE TEACHINGS are MULTI-FAITH and for ALL FAITHS:

The beautiful gift of the Mother and Father's Love, the Divine Love, is available to all, no matter what one's soul condition maybe or what one's beliefs are. The Love is given to everyone who longs for the gift and asks for it. There are no boundaries or conditions other the necessity to ask for the Love. The great gift is filtered through one's spirit body into the soul by the instrument known as the Holy Spirit. This light golden blue energy substance blends with one's natural love, and with Feeling Healing, progressively peels of negative emotional issues and erroneous beliefs, bringing about great happiness and fitting the personality to enter the Celestial Heavens.

GEMS for ALL PEOPLE of all AGES to EMBRACE:

The GOLDEN AGE!

Cause No Harm < to OTHERS
to MYSELF

Strive to love others as I am to love myself

At any time, any where, and in any way you so please:

Approach our Heavenly Parents, in reverence, without fear or trepidation, just as we, as a child, approach our earthly parents knowing that open loving arms are extended to receive us at all times. As one's love grows for our Mother and Father in the Heavens, we come to know with absolute clarity and certainty that our Heavenly Parents, loves you and me and everyone in return, at all times, and that fear is an illusion created by man's mind.

God, who is our Heavenly Mother and Father, is almighty, all powerful, infinite, and all loving. The love of the Heavenly Parents for Their children, man, has been and is always infinite and ever present. As one's faith evolves, one's love for our Heavenly Parents will have no limit. As we grow in Their love, so will we grow in love for all of God's creations and our fellow man.

The Source Soul, our Heavenly Parents, simply desires for us to ask for Their Love.

God's Divine Love: Pray for it, ask for it, and receive it.

"I love you Father." "Let the Divine Love flow its energy into my soul."

"Mother, Father, I desire your Love and I am loving you."

"Soul God, I love you and I love receiving and experiencing your Divine Love."

"True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul."

"Please Mother and Father, may I receive Your LOVE."

Maybe we could simply long for and ask:

Please, Mother and Father, I want some more of your Love!

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

Please Mother and Father help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

Please Mother and Father help me see the truth of myself through my feelings.

Please my beloved Heavenly Parents, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

Please Mother and Father, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

Please Mother and Father help me, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

Please Mother and Father love me. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

Please make me feel how unloving I am. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the 'dead' way; the feelings way is the 'alive' way.

Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

Please God show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

Heavenly Mother and Father, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

Please Mother and Father fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

I hate you Mother and Father; why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

I long for Your Divine Love Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

LOVE
is
Feelings First Spirituality, The New Way

Feelings First Spirituality, The New Way is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

Feelings First Spirituality is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

Feelings First Spirituality has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

Living the New Way of Feelings First Spirituality

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

And to do this you need to do your Healing

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

Feelings First Spirituality **The New Way**

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Heartfelt TRUTH

Cause No Harm < to OTHERS
to MYSELF

Strive to love others as I am to love myself

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on themselves and doing their Healing.

Feeling Bad? Bad Feelings are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.
Primary and most important readings are the writings of James Moncrief.
Then consider the Padgett Messages, and then The Urantia Book.**
