# **Statement from the G20 Interfaith Summit 2014**

## **Australia's Gold Coast, 16-18 November 2014**

We, representatives of many of the religious communities of G20 nations, have come together to express our commitment to peace and equality in a world facing economic and political challenges. We offer the best of our diverse traditions in the service of furthering harmony between nations in order that the lives of all people are enriched and their dignity respected. It is in this spirit that we offer these reflections to the leaders who have gathered for the G20 Summit in Brisbane.

We follow in the steps of religious leaders who have contributed to previous G20 Summits and continue their work of reflection on the global agendas that are before the world's most powerful nations. These reflections contain insights and hopes along with encouragement to leaders as they discuss issues and make decisions that affect all peoples and nations.

Each of our religious traditions deeply holds widely-shared commitments to the work of freedom, justice and human rights.

We affirm:

- The importance of freedom of religious belief and its manifestations as a fundamental human right;
- The importance of our interfaith relations as a source of strength that assists in the development of a framework for sustainable economic gains;
- That spiritual values help to build sustainable economic development; the interconnectedness of spiritual values and economic development in the pursuit of a stable and just society.

## **Promoting stronger economic growth and employment outcomes**

We continue to call for the careful management and regulation of the global financial systems for which the leaders of G20 nations are largely responsible. The creation of jobs and strengthening growth should continue to be done in the spirit of a shared humanity and the equality of all people.

Employment outcomes should respect the desire of all to have a secure job with reasonable conditions and fair rates of remuneration. Those seeking work should not be exploited or taken for granted.

We urge wealthy nations to respond ethically when making decisions about the use of resources from developing nations. This includes respecting the wishes of nations to receive a fair price for their goods in order that all can benefit rather than the wealthy few.

We encourage efforts to end corruption within the leadership of nations and businesses through the development of more open and transparent practices and regulations.

Job markets need to be open and inclusive where people feel they can contribute to the economic growth of their nation and community. For example, young people should have access to better quality and more productive jobs. At the same time the experience and expertise of older people in the workforce should be recognized.

Women have a crucial role to play as leaders and agents of change and constitute a vital source of untapped potential for the economic well-being of all peoples and nations. We continue to encourage the promotion of women to active leadership roles and acknowledge their important contribution to community development.

Spiritual development assists in the economic well being of all nations. Diverse religious beliefs and practices should be allowed to grow and flourish in an atmosphere where worship and religious observances and traditions can occur openly and without hindrance.

## **Building Global Economic Resilience**

The G20 nations are commended for their efforts in tackling the financial crisis of 2008 and putting the world economy on the path to recovery. We endorse the decision made at the 2014 G20 Leaders Summit in Brisbane: “to support development and inclusive growth, and to help reduce inequality and poverty”.

We encourage these efforts but ask that the recovery be coordinated in an ethical and just manner built on trust and transparency. This, we believe, will lead to sound and sustainable growth that is both beneficial and resilient.

We call on the nations to invest wisely in a manner that will bring growth and stability to their people. Good leadership is essential at all levels of society and so we pledge to work with and assist political leaders in the vital task of economic development and building resilience in order to achieve a sustainable and durable future.

The environment is very fragile. Sustained exploitation of resources and the increase in industrialisation have contributed to global climate change and the degradation of the environment. In the pursuit of economic resilience we encourage the G20 nations to continue the development of environmental measures that protect both climate and societies. Our faith traditions command us to care for the environment and its inhabitants and so we offer our insights, ideas and understandings to assist in this task.

## **Eliminating hunger and poverty**

Hunger and poverty inhibit the growth of nations and communities and prevent the establishment of resilient economies. Past statements from G8 and G20 religious leaders’ gatherings have urged the world leaders to focus on the root causes of global hunger and poverty. We add our encouragement to their call while supporting the creation of local initiatives that produce long term outcomes.

Included in this call is the encouragement to continue the reform of trade policies to create just economic and fiscal systems. This reformation includes the elimination of systems that allow corruption and violence to flourish, leading to the degradation of the Earth and its peoples, and producing conflicts and food insecurity.

Women and children continue to suffer most in crises. This is reflected in the ways women and children have been violated and neglected in recent global conflicts. We encourage the promotion of women into

leadership roles and to act as agents of change to promote a sustainable civil society, which provides schooling and healthcare for all.

## Our Commitment

This statement reflects the core values of love, cooperation, honesty, respect and self discipline that deeply resonate within each of our religious traditions.

We commit ourselves to promoting these values through education, policy and practice. This includes promoting respect between all people. We also commit ourselves to enact, support and live out these values while being a voice for the poor, marginalised and those in society who are vulnerable or at risk.

## **THE WAY FORWARD:**

Time and time again, organisations, groups, gatherings ask the same or related questions and no constructive pathways are revealed. Consider these observations:

One's soul condition is a predictor of one's life expectancy, as well as health and quality of life.

The emotional injuries and errors we harbour are a precursor to related illness episodes. That is, specific emotional errors are the originators of specific health issues.

Thus, the lower one's soul condition then so is one's quality of life as well as life expectancy lower.

Dissatisfied emotions, being emotional errors and injuries, harboured within one's spirit body and encrusting one's soul, is the damage that permeates through our spirit body which is the template for our physical body. Eventually, these injuries can and frequently emerge as physical issues within our physical body, such issues arise as pains and then as an illness. Release the emotion and the pain goes.

### NATURAL LOVE or HUMANITY's ERRONEOUS EMOTIONS:

Your soul, being your real you, is an emotional being. Your soul, though a thought of God, does not possess anything of the divine within it. It existed in a state of bliss, in a natural love state, pending individualisation which is achieved at conception which is the time of incarnation. Your soul is endowed with natural love emotions noted within the top section of the Map of Consciousness scale, being those emotions calibrating above 200.

Humanity's erroneous emotions are those calibrating below 200 on the Map of Consciousness. The environment around a newly conceived child progressively degrades the condition of that child's soul. When the child reaches about the age of 7, the child's soul condition will reflect the parent's condition. These negative emotions are like a crust around the pure soul it has within.

## CONSCIOUSNESS and EMOTIONS:

Consciousness = Soul Condition. One's Soul Condition is equal to the average of all of the held emotions. Soul condition is the sum total of all of the different emotions, desires, passions, etc., all wrapped up together in terms of how much love there is in every one of those.

### Note:

### The Map of Consciousness scale is from 1 to 1,000

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.

A calibration increase of 1 point is in fact a 10 fold increase in energy.

A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.

Thus the energy differentials are in fact enormous!

### PERSONALITY TRAITS:

Less than two dozen people on planet Earth.

Would not pick up a weapon let alone use it. These people gravitate to the health industry and humanitarian programs.

Debate and implement resolutions without argument and delay.

Debate and implement resolutions in due course.

Debate and implement resolutions with some degree of follow up generally needed.

Management supervision is generally necessary.

Politics become the hope for man's salvation.

Cause no harm to others starts to emerge. Power overrides force.

Illness is developed by those man erroneous emotions that calibrate 200 and lower.

Armies around the world function on pride. Force is now dominant, not power.

Harm of others prevails, self interest prevails.

Totally self reliant, not God reliant.

Fear dominates all motivation.

Suicide is possible and probable.

At these levels, seriously harming others for even trivial events appears to be justifiable.

Poverty, unemployment, illness, etc., this is living hell on Earth.

When you know that you are souls with a spiritual body and a physical body, and that **these two bodies reflect the condition of your soul**, then how can there be any question about which part of your being is the most important?

**If you want to be well and healthy, happy and strong, then you must see that it is important for you to get your souls into the highest and best condition possible.**

And as spiritual growth brings about positive changes, no one who is making spiritual progress will remain stagnant.

**The way to at-Onement with God, our Heavenly Mother and Father, is to embrace one's Feeling Healing process and to long for the truth of one's feelings as well as long for the inflowing of Their Gift of Grace which has the power to change the very quality and essence of the soul into the Substance of God's Love; this is the Way, the Truth, and the Life restored and renewed, transformed from the image into the Essence of the Divine.**

As the soul progresses and receives more of God's Grace – Divine Love – through aware intentions and humble desires to serve God and be in harmony with His will, the soul will grasp higher spiritual truths and eventually come into harmony with God's higher laws and develop its greatest potential that God has bestowed upon all of His children.

Your job as a soul is to be an example of Love, activating the Christ Spirit, and demonstrating it to the best of your ability every day, in everything you do.

**“Every day is a day of devotion.”**

**Please Mother and Father, may I receive Your LOVE.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Our salvation IS by embracing Feeling Healing with the Divine Love.**

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

God blesses you abundantly; all you have to do to be receptive to, and to 'feel' these blessings is to relax into your soul and trust that God Loves you and that you are worthy of all these wondrous blessings.

All a person has to do is love God and themselves and have faith that all God's laws have been created to help His children grow in their spiritual qualities

As of a result of the teachings conveyed through James Padgett, during the period 1914 – 1923, those with mediumistic gifts, who have become aware of the Love and improved their own soul condition by receiving the Love, have been able to receive subsequent teachings. These teachings mainly come from those from within the Celestial Heavens being spheres 8 and above. Messages have now been received from around 500 spirit people, predominantly from those within the Celestial Heavens, with these core teachings now extending well beyond 10,000 pages and growing. In recent years there has been an escalation of the volume of teachings and there appears to be no end to what we will be gifted with by our Celestial friends in this way.

We have now, clearly, the opportunity to move out of the dark ages and the ability to enable humanity to lift itself above the conflicts and chaos that blankets the planet. This we will do with the Love.

Only by all peoples of all walks of life or all cultures and religions embracing the awareness of the availability of our Mother and Father's Love and that all one needs to do is to simply and earnestly long for it, and in asking for the Love one will always receive our Mother and Father's Love without exception. We have free will and our free will is never be imposed upon. Thus by asking for it we will receive Their Love no matter what our own condition may be.

Only with the Love will we break the never ending cycle of 'like father, like son' and grow our soul condition into greater love and understanding for the benefit of ourselves as well as for all around us.

As we develop our own soul condition then our community issues will progressively be resolved, gaols will empty, police will move to more supportive community roles, courts will be less crowded, the health care industry will not be over stretched; our personal intelligence will develop leading to more meaningful employment. As time goes on then domestic violence will abate which will then translate into harmony with neighbours on a national scale, and the need to military services will translate into search and rescue services.

Only by developing one's own soul condition will we see the solutions that all of humanity strives for come about.

The gift of the Love has no boundaries. The Love availability can be part of every religion and faith on the planet. For those without allegiance to any formal faith, they can embrace the Love by simply:

**Please Mother and Father, may I receive Your LOVE.**

Now that you are aware, it is that simple!

**Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.**

# Feelings First Spirituality

## The New Way

**Feelings First**  
**FF**  
**Feeling Free**

The New Way, Feelings First Spirituality  
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings  
 Free your feelings from your mind's control  
 Live true to your feelings; your feelings are your true self  
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.  
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,  
 BAD feelings.

Want to understand why you're feeling them.

Use your surface feelings to take you deeper into your repressed and  
 hidden feelings.

The Feeling Way is the True Way.  
 Your feelings are your spiritual guide.  
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.  
 It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

**Feelings First; then comes The Truth; then comes Love.**

**LOVE is the Religion of Feelings, being:**

JOURNEY of HUMANITY into and through the GREAT U-TURN:

Humanity reaching its most evilness, the most lost, the most separation of soulmates. Humanity can begin its Healing. The Great U-Turn begins, the dawning of the Spiritual Age.

Humanity increasing its self- and feeling- denial, its denial of truth. Soulmates getting further apart. Rebellion then Default

Present Day

The true Healing of humanity. Humanity Healing itself by doing its Feeling-Healing and Soul-Healing with Divine Love. Soulmates getting closer together as people express all their feelings more truly.

The Great U-Turn will bring about the Ages of Light and Life.

First soulmate pair – Andon and Fonta

The last humans, the last soulmate pair on Earth.

Lucifer & Satan

Adam & Eve

Jurisdiction of humanity and spirit worlds is now with Celestial Spirits.

Rebellion leaders are now removed

One Soul, two personalities: Each half being complete in itself.

Duplex Soul: Our soul manifests two personalities through the process of incarnation.

**DIMENSIONS of ONE’S EXISTENCE:**

Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – ‘soul land’. It doesn’t exist in Creation, it’s not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One’s unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

**P E R S O N A L I T Y**

**Our soul is the centre of our personality.  
We are children of our Heavenly Parents.  
Our soul manifests a male and female personality - it is a duplex!**

## U-TURN for HUMANITY:

### Why are we doing a U-Turn?

We are doing a U-Turn **because** the year 2017 heralded the end of the Rebellion and Default. For two hundred thousand years, humanity has been going in the wrong direction.

### What is this fundamental step that will change our way of living?

We are to come to understand / know the foundational cause of all our feelings, both good and bad. As we explore and investigate our feelings, each time they arise, one by one, we are to talk them through, express them to a companion or friend or anyone who will listen. As we express them, while at the same time coming to understand how they have come about, we will find that they will be resolved and that they will not come up again.

**Feeling  
Healing with  
Divine Love is  
the key!**

We will find that all of our feelings / emotions have their foundations from our childhood. And by childhood, that is from the time of one's conception all the way through to about the age of six. It is the repression of our childhood feelings that is the base or foundational cause of each and every one of our adult personality issues, pains, difficulties, illnesses and distressful life experiences.

**We have to see the whole truth of our negative or self-denial state, before we can heal it and be free of it.**

The vital difference between **emotions** and **feelings** is:

- emotions have their roots in the past,
- feelings relate to the present moment,
- emotions represent feelings not previously expressed,
- and these accumulate over time.

Many emotional clearing processes encourage us to look into our feelings, however, none go so far as to drill down into the core foundation of any emotional feeling to the point that we strive to KNOW the core issue, the origin of the feeling, be it good or bad, and actually come to know what it is!

The *Journey Process* is generally known worldwide. It stops short of longing to know, that is asking for the knowing of the events that brought about such a feeling. Yes, we are to acknowledge the feeling, say being angry. Then accept that behind that anger is the feeling of being small, and then look at the underlying reason of why we are feeling small. What is the truth behind that feeling? Ask our Heavenly Parents what is behind all of this feeling. What is the foundation, the origin of the feeling? All the time talking it out, expressing it, with a friend. The expressing of the experience is the release of the emotion / feeling, this is what removes it for ever from within our essence, our **soul**.

### Why ask our Heavenly Parents? I thought God was just God – singular?

This is part of the revealings that have been unfolding for us very recently – that is – since 2002.

We are made in the image of God. This has been understood for centuries, for 2,000 years. Our soul is duplex. Our soul expresses itself through two personalities. One soul 'subdivides' into two, one half always being female and the other half always being male. We are a reflection of how God is. God being one Soul is expressed as Mother and Father. God is two personalities. They are soulmates. And each of us has a soulmate, and our soulmate is always of the opposite sex, because the Mother and Father are the opposite sex.

Thus, when we long for the truth behind a feeling, then we can long to our Heavenly Mother and Father. Only they can tell us. No spirit personality can tell us. No canonised saint can tell us, we may as well ask our next door neighbour. That would be just as productive. Mary and Jesus can't tell us, as they are also spirit personalities.

### **I was taught that Jesus was God? And what is this about Mary?**

Mary of Magdalene and Jesus of Nazareth were both born free from sin. Neither of them are God. They are both children of God, just like you and me.

History needs to be corrected. Both Jesus of Nazareth and Mary of Magdalene became at one (At-One) with our Heavenly Mother and Father during their physical lives here on Earth in the first century; Jesus in the year 26CE and Mary in the year 33CE, or thereabouts. Jesus died aged 35 (born 7BC died 29CE), and Mary died aged 47 or 48 (born 2BC died 47CE).

Further, their sojourn on Earth was the completion of their process to become the full Regents of the sector of planets that is referred to as Nebadon. The region within our super-universe that is referred to as Nebadon contains 3.8 million inhabited planets. If you look into the night sky, each star / sun potentially has between none to three inhabited planets within its orbit. Within Nebadon, the soulmate pair, namely Mary and Jesus, are our Spiritual Teachers of Truth. Their domain is all 3.8 million physical planets plus their associated spirit worlds. Each physical world has seven associated spirit worlds, which is the case for Earth being one of the 37 that have rebelled.

Some 200,000 years ago, Lucifer with his soulmate and his deputy, Satan with his soulmate, brought about a rebellion on 37 of the inhabited planets within the region called Satania, one of the local universal systems of Nebadon. Earth compounded the situation through the Default of Adam and Eve about 38,000 years ago. Thus the population of Earth, being in the worst condition through the Rebellion and Default, became the location for Mary and Jesus to have their physical experience to complete their ascendancy to full Regency of the local universal system being Nebadon.

Their lives on Earth was the start of the unravelling of the Rebellion and Default. Upon Jesus becoming At-One with our Mother and Father, he was then vested with the authority and power to have the Lucifers and Satans arrested, and they now reside exiled within a prison world.

Notice that there were no records of Jesus and Mary's teachings and experiences made during their physical life. That was because they did not specifically come here for us, they came for the benefit of all peoples of all planets and spirit worlds throughout Nebadon.

As they are Paradise descending spirits, they have **Spirits of Truth**. Upon Mary and Jesus' death, they released their Spirits of Truth. As spirits, Jesus and Mary are how we will be, once we've finished our Soul Healing. They can only be in one place at any one time. However, it is their Spirits of Truth

throughout Nebadon that we can connect with for guidance. It is through their Spirits of Truth that spirit personalities can progress through and out of Nebadon.

Those planets that have Rebelled need further assistance, and they need it on a localised manner. This can only be provided by another bestowal of a **Paradise Pair**, and that is in the form and manner of an **Avonal soulmate pair** who come here specifically for us.

### **What is the purpose of an Avonal pair, and are they here on Earth?**

Unlike Jesus and Mary who were always free from sin and did not experience how to heal themselves, the Avonal pair are to experience all of the extremes of evilness and then proceed to heal themselves. Mary and Jesus through their bestowal on Earth ended the Lucifers spiritual rebellion in Nebadon; the Avonals bestowal is primarily concerned with ending the Default of Adam and Eve by the Avonals themselves personally healing the effects of such a damaging Fall.

The soulmate Avonal pair are to be, and have been, subjected to the extremes of childhood suppression and repression, and then, through their Feeling Healing, are experiencing all the facets of emerging truth as they slowly progress through a protracted and difficult healing process. As they reach specific milestones, this also enables those in the Celestial Heavens, (the three worlds where Celestials reside) to be empowered to assist us in the physical on Earth.

The first considered milestone was the arresting and imprisonment of the Caligastia soulmate pair and the Daligastia soulmate pair. After the arrest of the Lucifers and Satans in the first century, as nothing further occurred, the Caligastias and Daligastias continued on from spirit as if they were kings and queens, suppressing all of humanity and with plans to take over the universe. It was possibly in the early 1990s that they were 'judged' and 'removed'. They were caught unaware that an Avonal bestowal pair were on Earth.

### **How is all this becoming known? Has Jesus and Mary communicated directly to Earth?**

Unlike in the first century, when no records were kept (as the event related to all of Nebadon and it was actually setting the stage for the Avonal bestowal pair to arrive on Earth), every effort to retain records in great detail of this current series of events is now being attended to. Consider this. The New Testament of the Bible is some 300 pages. The records of the Second Coming, which this is, the primary records are possibly 6,000 pages, with direct complementary records increasing that to over 10,000 pages and with all the supplementary records to date, there may be as many as 40,000 pages, certainly well over 30,000 pages of material presently.

Jesus directly communicated through James Padgett from 1914 to 1923. Mary of Magdalene (Mary M) has directly communicated through James Moncrief from 2002 and is ongoing. Jesus has also communicated directly through James Moncrief. Neither have ever directly communicated through any one else, however, some Celestial Spirit personalities have provided information through other personalities on Earth with the support and approval of Jesus and Mary, thus some confusion, though the quality of the information is very reliable.

### **You say this is the Second Coming? You say I am living during the time of the Second Coming?**

Yes you are. And it's more than that. This is the Second Coming, the End Times and the Handover!

In fulfilment of the prophecy in the first century, the Second Coming commenced on 31 May 1914 through the writings with James Padgett and concluded in 2014 through the writings with James Moncrief.

The End Times are well advanced. Mary and Jesus are well advanced in handing over their direct involvement with Earth to those within the Celestial Heavens. When this is completed, the Handover will also occur. **The Hand Over is to the Avonal Bestowal pair** and it is they who will guide the population on Earth through their Feeling Healing processes for the next 1,000 years, being the next spiritual age. The Handover will take place after the Avonal pair complete their personal Healing of the Rebellion and Default. Then will follow with their Spirits of Truth being officially liberated in alignment with Mary M and Jesus' Spirits of Truth upon their death.

Major events have occurred with the progression of the Avonal pair's Feeling Healing, which they are also doing whilst embracing our Heavenly Parents' Divine Love, thus they are doing their Soul Healing.

Early 1990s:	The arrest of the Caligastia and Daligastia soulmate pairs.
22 March 2017:	Negative spirit influence was blocked.
31 March 2017:	Angel assisted healing will become available upon the Avonal pair completing their own Feeling Healing, being with Divine Love, thus it being Soul Healing.
22 May 2017:	Law of Compensation quickening.
2 December 2017:	Psychic Barriers maintaining the Rebellion and Default were cracked.
8 December 2017:	Bring on the money to <b>'house the future of humanity'</b> .
31 January 2018:	Earth and the seven associated Mansion Worlds (including the two Earth planes) are <b>officially</b> now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default.

**How does this all fit into our future way of living?**

**This time, in the history of humanity, is the most exciting time ever experienced.**

**The whole human race is suffering from repressed childhood and mind control.**

Through one's Feeling Healing, and should we embrace our Heavenly Parents' Divine Love, then with their Love we are doing our Soul Healing, and eventually we can live totally in accordance with our soul based feelings and live free from error – no more fear and no more physical illnesses is possible!

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

Our soul is always perfect. In fact, we are the complete package. All that we need to know is within our soul. This knowledge has been denied from us since the time of the Rebellion and compounded by the Default. That is what was brought upon us by the Lucifers and his cohorts. We have always been meant to live true to our soul based feelings but we were taught to embrace our error riddled mind – this was aided by our parents – unknowingly all parents have taught their children to be mind dominant. **This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

“Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **Feelings** guide us through our **ascension of truth**. So they are

really our Supreme Guides. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: **Longing for the truth of our self, because: we are our feelings.** So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.”

Kevin of the 1<sup>st</sup> Celestial Heaven 26 September 2017

(Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.)

It is through the assistance of the Spirits of Truth of the Avonal Pair, upon the completion of their Soul Healing, that we will be guided through our Feeling Healing process, and should we embrace our Mother and Father's Divine Love, then our Soul Healing.

Then should we embrace Mary and Jesus as our Spiritual Teachers of Truth, their Spirits of Truth will lead us on the path through the Celestial Heavens where we will certainly meet up with our soulmate and join our soulgroup, which will eventually consist of twelve soulmate pairs. Then as a soulgroup, the Spirits of Truth of Mary and Jesus will lead us up through and out of Nebadon towards Paradise.

It is then our Mother and Father in Paradise who draw us to them and we will eventually meet our Heavenly Parents.

Meanwhile, while we live on Earth, we will have assistance and guidance previously denied to us throughout the era of the Rebellion and Default. Under the Contract controlling and managing the Rebellion and Default, the powers and capabilities of our Celestial Heaven spirit personalities, all three worlds of them, were heavily restricted and almost of no assistance to us at all. Further, Nature Spirits and our Angels were heavily denied contact with us physical people because of the Rebellion and Default, all of which is soon to change, so we can look directly to them for help concerning healing ourselves and understanding all aspects of nature.

As we embrace our Feeling Healing, Celestial spirits will and can greatly assist us. In fact, during the year of 2017 they have blocked all mind spirits from the Natural Love Mansion Worlds: 1, 2, 4 and 6 from interfering with us. Celestials have taken control of all facets of living and life on Earth. Celestials are those spirits who have completed their Feeling Healing and progressed through Divine Love Mansion Worlds 3, 5 and 7 and now live in the higher Celestial Heavens, 1, 2 and 3 (when we become At One with our Heavenly Parents then we leave the Mansion Worlds and progress through the next three spheres related to Earth, hence the Celestial Heavens are also referred to as being numbered 8, 9 and 10).

The Nature Spirits of Earth, who live in the third Earth plane, can now directly interact with those who are embracing their Feeling Healing. Nature Spirits are essentially 'angels in waiting'. They have been on Earth prior to anything that we now see living in nature. When they first started to arrive, there

was no life in the seas or on land. They have consequently witnessed everything that has happened on Earth, including all prior human civilisations that we continue to largely remain ignorant of. Their knowledge and assistance is of great importance to us. We are to interact with them on an ever increasing scale. They are to become an invaluable source of information for us concerning how we are best to live with nature.

Further, we may become more aware of our **Indwelling Spirit**, which arrives for each of us during our sixth year, as we now progress with our Feeling Healing, or with Divine Love, our Soul Healing.

And all of this is possible as we embrace our Feeling Healing process, acknowledge and accept the Avonal pair, acknowledge and accept our Spiritual Teachers of Truth, namely Mary and Jesus, and more importantly, grow to love our Heavenly Parents, our true Mother and Father.

We do not need intermediaries, rituals, liturgy, dogmas, creeds, fancy clothing, or institutions. It is our soul based feelings and expressions that we may exchange directly with our Heavenly Parents. Groups may form to assist each other, and that is our choice and within our free will.

**This is the greatest event in the history of humanity.**

This is the Great U-Turn that humanity will embrace throughout the next 1,000 years. MoC 1,480

GEMS for ALL PEOPLE of all AGES to EMBRACE:

The GOLDEN AGE!

***Cause No Harm*** < to OTHERS  
to MYSELF

**Strive to love others as I am to love myself**

At any time, any where, and in any way you so please:

Approach our Heavenly Parents, in reverence, without fear or trepidation, just as we, as a child, approach our earthly parents knowing that open loving arms are extended to receive us at all times. As one's love grows for our Mother and Father in the Heavens, we come to know with absolute clarity and certainty that our Heavenly Parents, loves you and me and everyone in return, at all times, and that fear is an illusion created by man's mind.

God, who is our Heavenly Mother and Father, is almighty, all powerful, infinite, and all loving. The love of the Heavenly Parents for Their children, man, has been and is always infinite and ever present. As one's faith evolves, one's love for our Heavenly Parents will have no limit. As we grow in Their love, so will we grow in love for all of God's creations and our fellow man.

**The Source Soul, our Heavenly Parents, simply desires for us to ask for Their Love.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

**"I love you Father." "Let the Divine Love flow its energy into my soul."**

**"Mother, Father, I desire your Love and I am loving you."**

**"Soul God, I love you and I love receiving and experiencing your Divine Love."**

**"True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul."**

**"Please Father and Mother, may I receive Your LOVE."**

**Maybe we could simply long for and ask:**

***Please, Mother and Father, I want some more of your Love!***

Strive to love others as I am to love myself

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

## **LIFTING ONE'S COMMUNITY'S SOUL CONDITION and QUALITY of LIFE:**

Can man lift himself by his bootstraps? Why not? All he has to do is increase his buoyancy and he will effortlessly rise to a higher state. Force cannot accomplish that feat; power not only, but constantly does. Ask for and receive Divine Love, the LOVE, which is power personified!

The main obstacle to man's development is his lack of knowledge about the nature of consciousness itself. Society constantly expends its efforts to correct effects instead of causes. Example; modern health system endeavours to mask the symptoms rather than treating the cause of illness.

All human endeavours have the common goal of understanding or influencing human experience.

Levels of consciousness are always mixed; a person may operate on one level in a given area of life and on quite another level in another area. An individual's overall level of consciousness is the sum total effect of these various levels.

Although the levels of consciousness span great variation, it is not common for individuals to move from one level to another during their lifetimes. The energy field which is calibrated for an individual at birth (or certainly by their seventh year) only increases, on average, by five (5) points, on the Map of Consciousness, over a lifetime. That an individual's level of consciousness is already in effect at birth is a sobering idea with profound implications. Consciousness itself, in its expression as human civilization, evolves slowly indeed, through innumerable generations.

As a child, we typically will calibrate at the same level as our parents, should they be in harmony with each other. If they are out of harmony then a child may reflect the calibration of one or the other parent. Thus our life experience is heavily influenced by the parents of the family that we are born into.

It has taken humanity 2,000 years to grow from an average calibration of 90 to around 210 currently.

Some family groups have overall calibrations in the high 400's. Other family groups have overall calibrations around 100. The life expectancy differential for them is around 20 years! These comparisons can be considered between villages, suburbs, cities, states, countries, etc. Our parents determine the probability of our life experience should we not lift ourselves up by our bootstraps and investigate, and seek to improve our emotional condition being our soul condition.

A one point growth in our calibration is a 10 fold jump in our condition. The calibrations are based on the common log of 10. Thus, any improvement is massive in progressing the potential for our life experience.

We are a personality having a physical experience in a physical body that has heritage linkages, such as Indigenous or European or Australian, etc. It is our soul condition and personality that we need to focus upon, not our heritage.

**Like Father – Like Son**

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

## **GLOBAL HUMANITARIAN FUND:**

### **Faceless Men**

There are secret consortiums of very wealthy families. They say that they only have altruistic goals! Their leaders have numerous names (and passports), somehow they have fitted themselves with multiple legal names to hide their family connections and create power through invisibility.

Their collective wealth is so staggering that they could take Africa out of poverty with a single program to develop their economies and markets. West Africa has a population of 300 million people, if these economies were developed then that market alone could develop into a consumer market as large as USA. One of these two wealthy family consortiums could do this; however, they do not even consider investing within Africa.

### **What they do?**

The activities of these righteous aging men is said to be for the ‘greater good’.

The art of manipulation is at its finest here. The word stooge comes into prominence. Ambitious and emerging executives are invariably compromised. This entrapment is without limits. Most senior bankers appear to be uniformly compromised. Politicians are snared. Courts are compromised. Legal firms appear to be unaware of ethical treatment of humanity, it is a game of manipulating the laws that they first of all created.

### **What does this lead to?**

When a pool of funds emerge from successful activities by those outside of these family’s communities, from activities that they consider to be of their own domain, then they set about to achieve the following:

- a. To take control of the funds – by any means, or
- b. Prevent the payout of the funds and leverage off them for their own purpose, or
- c. Stall the payouts indefinitely, stalling tactics being day by day.

Mostly, they are successful as most rightful owners of the funds do not have the knowledge, resources, networks, funds and perseverance to fight for their rights. Legal action will most likely cost US\$10million to implement – and still loose!

## **Honey Tongue or Silver Tongue**

These pillars of society, and yes they typically are, knights, barons, eminent people, pontificate on the virtues of their endeavours while devouring huge communities.

Two opposing family groups exist within this powerful network. One group's attitude is to take care of the family and their workers, and associates, benefit everyone, privilege has responsibility. The other group's attitude is privilege begets privilege, no such responsibility to community and family. The predominance of manipulation for greed prevails.

The structure is that of a top tier consisting of little more than a dozen families with a single figurehead or chairman / arbiter, being for the long term. The middle tier (medium term) mainly European and consisting of more than two dozen families. Then the lower tier (short term) of maybe more than one hundred and twenty families from North America and Europe and publicly known as the Bilderberg Club. <http://www.bilderbergmeetings.org/index.php>

## **Those Who Control the Funds Control the Government**

He who controls the cheque book controls the government. Those who oppose the desires of these powerful groups will find themselves removed from government at following elections. Further, those who align themselves to these powerful groups' objectives will find their support typically sufficient to elevate them to government.

Consider this; the European bailout funding was at the behest of an upper family group referred to above. That followed the 2008 Global Financial Crisis which was a direct result of the planning and manipulation of a few. A litany of manipulations can be aligned to these financially dominant players that governments of all persuasions cow-tower to.

## **Global Humanitarian Fund**

Due to the excesses of the inner most powerful group, a 'compromise' may result in the establishment of a 'Global Humanitarian Fund' of such proportions and duration that humanitarian programs can be established within all points of the planet. This will subsequently set the foundations for a major shift towards global peace and harmony.

The focus is to bring about an awareness of the Love that brings about a harmony throughout humanity. This Love brings about harmony throughout the body which brings about a higher level of health and with this the propensity to achieve a higher quality of living standard that will then prevail.

This is not about luxury cars and boats for all, but it is about the fundamentals of advancing the wellbeing of all of humanity.

***“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD***

## WE ARRIVE DETUNED!

Our souls are a divine creation of our Heavenly Mother and Father. They could not be any other way! And are designed (such as how it has been for us) to begin incarnation in a Natural love condition reflecting the Natural love state of our world.

And we have also been provided with the opportunity to experience what is being 'evil', to live denying our Natural love, as seen through the denial of many of our feelings. So we here on planet Earth live on a world that has Rebelled (and then also Defaulted), of which there are only 37 within the local universe of Nebadon, consisting of 3.8 million physical worlds under the regency of Mary Magdalene and Jesus – the spiritual parents of truth of all of Nebadon! And we assassinated Jesus, and completely denied Mary not allowing her to have her say about the truth.

As a consequence, we are 'detuned' from our Natural love state and divine origin. You could say we arrived with all parts functional, however, in our untrue, dysfunctional and distorted state, we're badly in need of a severe service, tune up or a complete reconditioning. Our goal being to bring our true self to the fore by doing our Feeling Healing, and then to progress beyond our Natural love state by further advancing our soul condition through the process of Soul Healing and receiving our Parents' Divine Love – becoming divine.

In our feeling- and truth-denying untrue Natural love state, we have been made to use our minds to dominate our feelings, becoming more like that of mind-based creatures of nature than of human souls of truth and feelings. And this is the wrong way for us to develop. So to step beyond this limitation, we are to live true to our feelings. Our heartfelt feelings being the guiding lights to our evolution and growth of truth.

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in and can be found through our feelings – our soul based feelings.

By living true to our self, true to our feelings, we are living true to God. It's that simple.

Thus we are detuned once our incarnation begins. However, the way is now open for us to bring about our full divinity. To completely Heal all that's wrong within us on a Natural love level. To embrace and then transform that Natural love into a divine state through partaking of our Heavenly Parents' Divine Love. All the while attuning ourselves to divine perfection and enjoying the fullness of our divinity and love, as we ascend in truth on our journey all the way to Paradise – the home of our Heavenly Parents.

**WE were DIVINE, and**  
**WE are to BECOME DIVINE AGAIN:**

Our personality, our soul, our real self, are all creations of our Heavenly Parents. We, our real selves, are not creations of our physical parents. Within our original status, we were of Divine nature.

Our physical parents, from our conception, endeavour to mould us into being ‘little me’s’, that is, replicas of themselves, imposing their beliefs and personality traits upon each of us. They crush our individuality and free will. They destroy our personality, our true self. They inflict upon each of us their ways, all of which are of a result of the Rebellion and Default of many, many generations ago. They drive us into believing and subsequently becoming dependant upon our minds. This is not the way for us to express our true selves and evolve along the path towards our true parents, our Heavenly Mother and Father. We are to embrace the Eternal Son of Truth, not the Infinite Daughter of Mind.

No, we are not in the image of our physical parents. Though we may look like them, and act like them because they have dramatically and successfully crushed our true personality, we are each very unique and independent of our parents and all other family members. When we begin to progress along the path of engaging with our soul based feelings and seek for the Truth of our feelings, we will become free of our parents’ impositions and suppression.

Upon starting our physical life experience on Earth, our divinely created soul begins to express us as one of our soul’s two personalities in Natural love. However because of Earth being in Rebellion, so we are parented into a rebellious and anti truth and anti love state of mind control over our feelings and true self.

Natural love is good, just ‘less’ or different to Divine Love. And it’s that in our rebellious state, we’re rebelling against Natural love, and Divine Love by not taking Jesus and Mary up on their offer and allowing the Divine Love to transform our soul, as we perfect our Natural love by doing our Healing.

By living true to our self, true to our feelings, we are living true to God. It’s that simple. The revealing of the Feeling Healing process is the commencement of our ability to begin the Great U-Turn and go the right way. Should we then also embrace our Heavenly Parents’ Divine Love, we can also commence our Soul Healing and a returning to that of being divine – this is our destiny.

**CREATED in THEIR IMAGE:****GOD**

James: Mary, what does ‘we being created in the image of God’ really mean?

Mary M: It means that our Mother and Father used Themselves as the model or template if you like, upon which to bring us into being, those of us who have existential souls with the potential of expressing their two personalities in Creation.

And although our souls are divine, as in being divinely created, still whilst we start our personality expression in Natural love, so we need the Divine Love to come into our soul and bring it into the levels of Celestial divinity.

Natural love, so basically the whole of Creation, is of the image of God, and we being divinely created souls can be part of God’s Divinity becoming divine ourselves. So through your Healing, James, you become progressively divine by partaking of the Divine Love and healing yourself into perfection – your true self. And by the time you’ve completed your Healing, your soul is of the Divine Love level of Celestial truth, and your personality is an expression of that level of truth, it all being ‘confirmed’ and cemented – fused – into place upon the direct soul-union with your Indwelling Spirit. Then you are of the essence of God, true and perfect to the level of the first Celestial sphere, the first sphere of true divinity.

Mary Magdalene communicating with James 20 November 2017

## WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

**HUM:** Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon us by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

**AVO:** We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

**J&M:** We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

**M&F:** Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

# GOD

**M&F**

**J&M**

**AVO**

**HUM**

**WE ARE Children of God**

**WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:**

**GOD**

**M&F**

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.  
We are to long for the truth of what we are feeling.  
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

**J&M**

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

**By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

**AVO**

**HUM**

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

**WE ARE Children of God**

## HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

## The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

**PLANETS that engage in REBELLION:**

1. **AVONAL SOULMATE PAIR – the Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS – they do not incarnate**

**So in summary:**

**Consider a diamond:**

# Mother and Father Heavenly Parents

Creator Son & Daughter  
Jesus and Mary

Avonals  
as soulmate pairs

Trinity Teachers  
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

**Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.**

**Humanity** is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

**CREATION of SOUL and SPIRIT:**

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

Feeling Pathway      Mind Pathway

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

Soulmate Pair

Angel

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Spirit Person

Nature Spirit

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

**WE EACH have a Nature Spirit pair, Spirit Guide pair and an Angelic Pair:**

For those doing their Healing or are interested in doing it will from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about 'sharing' the same angels or guides or nature spirits, it is about you relating specifically to your 'own' ones because they are provided for YOU. It's all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it's the same of course in life with your friends, however over there, in spirit, dealing with Nature Spirits, Spirit Guides, and Angels, it's more personal and private and 'JUST FOR YOU'. So we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain't going to be assigned to anyone else, so she won't be sharing herself around.

This is SO IMPORTANT to understand so that in future there won't be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is all they are speaking with.

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their 'soulmate' relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit Mansion Worlds, however, our personal Angelic pair continues with us to Paradise, and then even possibly being with us throughout eternity.

**Feelings first**

In a way each person’s Indwelling Spirit, which is really God, is contracting out the work needed to be done with you to other agencies, so to us spirits, the angels, the nature spirits, other elements under the Divine Minister’s control, even other non-humanity spirits, all of which end up doing increasingly more amounts of what your Indwelling Spirit does. And this ‘out sourcing’ is to affect greater personality interaction, increasing your experiences so they are maximised through interaction with different personalities rather than just relying solely on God. We are overall to become increasingly at-one with God, but we are to do that by becoming increasingly immersed in the experience of being with others.

Nanna Beth – 3<sup>rd</sup> Celestial Heaven: 25 December 2018

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their ‘soulmate’ relationship. In addition we have our personal Indwelling Spirit.

Dear Friend,

## Pascas WorldCare – Introduction to 100 Years of Spiritual Teachings

Our search to understand ‘how to treat the cause of illness rather than just treat the symptoms’ at first, appeared elusive. As it became understood and then obvious that particular emotional issues affected the physical body, in particular regions and organs, then came the question of how to remedy and remove those emotional negative issues.

Negative, or man-made, emotions can be addressed with great personal perseverance, however, the outcome is most likely not to be permanent, we relapse.

In July, 2009, we were introduced to the Padgett Messages. These are profound teachings of truth, readily confirmed by applying Dr David Hawkins’ method of kinesiology muscle testing in conjunction with his Map of Consciousness. Some of the historically recognisable authors / writers throughout these messages are:

Jesus of Nazareth	Andrew (the Apostle)	Bacon, Francis
Barnabas	Caesar, Julius	Calvin, John
Clement (Saint)	Cleveland, Grover	Constantine
Cornelius	Eddy, Mary Baker	Elias (the Prophet)
Elizabeth I (Queen)	Elizabeth (cousin of Mary)	Galileo
Goliath	Gregory (Pope)	Herod
James (the Apostle)	James (the Less)	Jefferson, Thomas
John (the Apostle)	John (the Baptist)	Joseph of Arimathea
Josephus	Judas (Iscariot)	Lazarus
Lincoln, Abraham	Luke (the Apostle)	Luther, Martin
Mark (the Apostle)	Mark, John	Mary (the Mother of Jesus)
Matthew (the Apostle)	Moses (the Prophet)	Napoleon
Nero	Paul (the Apostle)	Peter (the Apostle)
Plato	Samuel (the Prophet)	Socrates
Solomon	Stephen (the Martyr)	Swedenborg
Thomas (the Apostle)	Washington, George	Wesley, John

Within this initial set of teachings of some 2,500 messages are the writings of more than 250 authors. These works commenced on 31 May 1914 this phase completing 7 January 2016, and continue today:

The number of authors / contributors now exceeds 1,000, with key authors presenting material within each set of messages. It is a co-ordinated and well structured continuing series of teachings.

The first publication of the Padgett Messages in chronological order was published in 2008. All of the additional material has been published since then. Major references and sources of material are also found at [www.new-birth.net](http://www.new-birth.net) and [www.pascashealth.com](http://www.pascashealth.com) within the Pascas library section.

When a personality develops the desire to cause harm to others or to one's self, such man made emotional error is a soul injury. Such soul injury is reflected within that personality's spirit body by the presence of dense, slow moving energy which retards life giving energy flows in the region of the held or frozen emotional injury. Energy blockages within the meridians of the spirit body emerge as dull pain, then pain, then as an illness within the physical body.

Only longing for and earnestly desiring for our Mother and Father's Love will occur the inflowing of such Love, which is an energy, that will ultimately dislodge the harmful emotional error, or energy blockage. As the error is dissolved and removed also is the propensity for that personality to cause harm, which was associated with the emotional injury, being permanently removed. As the cause to harm is removed so is the need for compensation, as the emotional issue will no longer exist.

The Creator's Love, being progressively received by a personality, brings about improved physical health, improved quality and way of life, improved happiness for themselves and for those around them, and the gates are open for wonders of life beyond comprehension.

This is expanded upon, time and time again throughout all these works. Why have we not understood this before? These teachings were progressively lost throughout the first three centuries of this era, and all records of these teachings were finally lost in 325AD/CE at the Nicene Council in Constantinople.

What is this advent of teachings that we have received progressively over the past 101 years?

**“My coming to you (James Padgett) is really my second coming on Earth, and the result of my coming in this way will satisfy and fulfil all the promises of the scriptures as to my second coming.”**  
**Jesus December 2, 1915**

This is reiterated throughout these works. The greatest gift to the universe has again been introduced to us.

Average number of employees per clinic including medicos: 25

 Total: 60

Aspects of a PASCAS CARE CENTRE:

- a. Pascas Care Clinic functions like any other medical centre. The size and capabilities are determined by the population to be supported and the relevant issues pertaining to the community.
- b. Pascas Care Day Treatment is related to day surgery services. This may extend to addiction treatment programs.
- c. Chaldi College is a training and educational unit. Chaldi is a conceptual Chaldean education system that prevailed more than 26,000 years ago, slaves and kings were educated side by side freely. The education units are focused on short courses to address prevailing issues within the community.
- d. Pascas Café is a community café. In essence it is the ‘reception’ area for the Clinic as a whole. The primary purpose is to promote healthy eating, that is, ‘fresh is best’, as well as general discussions between those who visit the centre.
- e. Family abuse may require safe lodging facilities. These would be located separately from the Pascas Care Centre, however, the management of secure lodging facilities would function from the Care Centre. Child SOS is support and safe secure lodgings for children as well as SAFE House being support and safe secure lodgings for domestic violence victims, both men and women.
- f. Youth engagement and mentoring. Chaldi College would function as the main provider for these opportunities. This includes programs leading to employment opportunities, however, in the initial phase the primary goal is the raising of self-esteem and development of optimism and changing of lifestyle. Outdoor facilities may be many and varied. There is a need to consider many age groupings and the specific needs of the different sexes. What is readily available throughout the district in which the unit is located would be embraced and consideration would then be applied to what is considered necessary in addition to what is available.

At all times, not only is the friend in need to be considered, but so are those around him or her. An abused child needs assistance, but so does the perpetrator of that abuse. A woman who has been assaulted needs assistance, but also does the man that instigated the assaults. A family that has experienced a suicide requires wide level support and guidance.

The Library section of [www.pascashealth.com](http://www.pascashealth.com) has available a great deal of literature and guidance to assist all concerned on most of these issues.

Goals of Pascas Care are lead by our desire to:

**Treat the cause rather than the symptoms, this is the focus of Pascas Care.**

P.7 Pascas WorldCare – and 500 + Years!

Further stated policy, Pascas Care – Kids of the World:

**The greatest gift for our children that we could possibly provide is to enable for them to grow up without fear.**

To achieve these seemingly out of reach goals, we need to bring together the many efficacious modalities that will aid the patient / friend to gainfully proceed down a pathway to health. At all times it is the friend's will and desire that we are to respond to.

**And these gifts come about through the gift of receiving Divine Love.**

### **Child Help – ChildSOS:**

**ChildSOS** program is to assist in addressing child abuse advents. This not only supports the child through such crisis but also the abuser. **ChildSOS** is an integral part of every **Pascas Care Centre**.

**ChildSOS will be the adopted name to be used by Pascas to differentiate these goals from the Childhelp operations in USA.**

<http://www.childhelpusa.org/>

### **Mission**

**ChildSOS** is to meet the physical, emotional, educational, and spiritual needs of abused and neglected children. We do so by focusing our efforts in the areas of treatment, prevention, and research.

### **Philosophy**

**Childhelp USA® credits its success to its founders' visionary beliefs, which are the heart of the organization:**

- **Childhelp USA believes that every child has a unique contribution to make to the world.** We do everything within our power to help each child heal and develop self-esteem to reach their God-given potential.
- **We believe unconditional love is the foundation upon which all healing begins.** The entrance of each Childhelp USA facility features the words "All Who Enter Here Will Find Love."
- **These children, who have seen the worst that life has to offer, deserve the best that we can provide while they are in the care of Childhelp USA or ChildSOS.**

The GATE WAY to a SAFE HOUSE FACILITY is a COMMUNITY CAFÉ:

Pascas Café, a Community Café run by the community for Kids of the World – Safe House.

# Pascas Cafe *with* Raw Power!

## Community Café

**FAMILY COMMUNITY FACILITY:**

At all times, the objective is to provide assistance for all families and residents in the community. Those who perpetrate a difficult situation need just as much consideration and assistance as those who are victims of the abuse.

Pascas Café is a community facility to provide dissemination of understandings and information to assist all throughout the community including nutritious food. The administration of the Pascas Café incorporates the administration and management of adjoining safe houses, one for children in need and one for women in need.

**PASCAS FOUNDATION (AUST) Limited:**

Pascas Foundation (Aust) Limited was incorporated on 16 September 2008 as a company limited by guarantee. It was promptly endorsed as a deductible gift recipient and can be found on the registry of charities at [www.abn.business.gov.au](http://www.abn.business.gov.au)

The objects for which the Company is established are:

- 1.1 to generally enhance the standard of health care and education in Australia through innovative health care and education management and administration;
- 1.2 to support the enhancement of all facets of life through nutrition, innovative new technologies and innovative industries, communications, thus focusing upon wellbeing, safe lodging, etc.

The objectives expand and could be said to be all embracing. Global entities will be established. At all times, the overarching objective is:

**Treat the cause of illness rather than the symptoms, this is the focus of Pascas Care.**

**People look for miracles to cure disease which is  
ONLY the removal of the effect of the emotion.**

Further stated policy, Pascas Care – Kids of the World:

**The greatest gift for our children that we could possibly  
provide is to enable for them to grow up without fear.**

Both core objectives are interlinked, fear or negative emotions bring about illness based issues within one's body.

Similar or parallel foundations will be set up within other countries as appropriate.

The board of directors is focused upon these universal goals.

**PASCAS  
HEALTH**

**Feeling  
Healing with  
Divine Love is  
the key!**

**PASCAS WORLDCARE is to be ever EXPANDING:**

The preliminary objectives and goals of Pascas WorldCare were envisaged in early 2005 with the development of a concept to realise some 4,000 Pascas Care Centres as outlined earlier within this paper. The program is now expanded to embrace every community within every country worldwide. At that time Pascas did not have the resources to setup even one centre let alone have the understandings and teachings to deliver the primary goals.

Late in 2005, Pascas was introduced to an investment community which has a worldwide membership. From participation within this program, this has give rise to the possibility of establishing much of the early 2005 concept.

As a consequence of many twists and turns, a moderate number of account holders of this investment community have become aware of the Pascas agenda and express their support.

In developing the Pascas agenda, some 1,000 inventors have been interviewed resulting in Pascas becoming aware of many innovations that have specific application for and within remote and emerging communities. These innovations cover aspects of agriculture, food processing, water management, communications, education, housing, etc., and specifically health. Through the Chaldi College aspect of a Pascas Care Centre these technologies can be introduced with the specific function of benefaction of the local community as well as creating employment and new local industries. These possibilities will be expanded upon over time.

The locations outlined, where Pascas Care Centres are proposed, are essentially a starting point. There is no limit to possibilities as well as the diversity of each facility. A centre may consist of one employ or extend to become a regional training hospital with all the supporting units and functions needed for the zone that it is to support.

As mentioned, the twists and turns have been many and continue to be so.

The realisation of a Global Humanitarian Fund will enable the Pascas WorldCare concept to be far more rapidly deployed and made much more universally available. To benefit from this unique situation, Pascas will require the participation of like minded people from all parts of the world.

Never have we ever had so many gifts for humanity come available through one vehicle and with the possible resources needed to share them with all who open their arms to embrace same without any conditions and expectations.

We welcome your interest to consider and explore with us what is now unfolding.

**The New Way: learning how to live true to ourselves by living true to our feelings.**

**This time, in the history of humanity, is the most exciting time ever experienced.**

**WORLD PEACE only with FEELING HEALING and LOVE:**

Nothing will bring world peace and harmony onto this planet but the embracement and infusion of the Mother and Father's Love, Their Divine Love, together with Feeling Healing, by all of the people throughout all the communities, all faiths, around the world. Only Their Love is the substance that will progressively and with certainty remove from each of us those erroneous emotions that bring about fear and disharmony.

The awareness and embracing of the Love has no barriers, it is available to all. All faiths and spiritual practices can and will be invigorated and strengthened by the understanding of the availability of the Love, with Feeling Healing, the sharing of how to receive it, and by the knowledge of what it provides, particularly how one's soul condition develops with the Love.

The Love is the greatest gift in the entire universe. The universality of the Love will bring about global celebration of the harmony that will result between all and the benefits to all individuals, which are far too numerous to comprehend.

With FEELING HEALING and the LOVE will come the greatest advancement in the history of humanity. Nothing is surer and nothing will prevent this, just our resistance will delay this.

The time is ripe for us all to consider, embrace, enjoy, and share with all, our family, our neighbours, our friends, our associates and any one that we may connect with.

**DIVINE LOVE is the HIGH-OCTANE SUPER FUEL when compared with Natural Love:**

The Divine Love is far more powerful than the natural love. If I would have to put a number on how much stronger, just so you can understand what I'm trying to say, I would say 10 or maybe even 100 times. Of course this is purely hypothetical because natural love is only a derivative of Divine Love so it is almost impossible to compare them this way. If you ask for the Divine Love to enter your soul it will be 10 or 100 times more efficient, 10 or 100 times stronger than if you would let the natural love flow through your soul. So it will help to break down "the wall" you've created around your soul 10 or 100 times faster than the natural love would do.

John (Apostle) 19 January 2015

With Feeling Healing and Divine Love one's potential in growth is to infinity, progression is typically many multiple times faster than for those who remain Natural Love dominant and restricted in their growth potential to that of only becoming the perfect man whereas Divine Love enables at-onement with our Parents and entrance to the Celestial Heavens and beyond.

The luminosity of DIVINE LOVE compared to that of NATURAL LOVE personality.

Embrace the Feeling Healing process with the availability of the Divine Love, all one need do is to earnestly long for and ask for truth and our Parents' Love.

It is an energy that surpasses all that is. It is with this energy melding within one's soul that heaven on Earth is achieved.

Nothing else can bring about the joy and love we strive for.

**GLOBAL ACCEPTANCE of the LOVE:**

When all aspects of the community become aware of the Love and embrace It, then humanity will evolve to a level that will bring about harmony universally:

**DIVINE LOVE TEACHINGS are MULTI-FAITH and for ALL FAITHS:**

The beautiful gift of the Mother and Father's Love, the Divine Love, is available to all, no matter what one's soul condition maybe or what one's beliefs are. The Love is given to everyone who longs for the gift and asks for it. There are no boundaries or conditions other than the necessity to ask for the Love. The great gift is filtered through one's spirit body into the soul by the instrument known as the Holy Spirit. This light golden blue energy substance blends with one's natural love and progressively assists in the peeling off of negative emotional issues and erroneous beliefs through one's Feeling Healing process, bringing about great happiness and fitting the personality to enter the Celestial Heavens.

## 'All There Is'

## **The LOVE is reintroduced with FEELING HEALING:**

The first page diagram outlines that everything is interconnected. Health of the soul brings about a healthy physical body, this cannot be separated.

The second diagram is Feeling Healing – Healing yourself through your Feelings.

The third diagram is a classic, namely embracing the Will of the Mother and Father:

- First half is drawn from Col James Churchward's reading of clay tablets that date back 70,000 years. It is an outline of the first religion.
- Then follows the commandment introduced by Jesus 2,000 years ago.
- Then follows the reintroduction of the teachings of Jesus relating to the availability of Divine Love, these teachings have now been reintroduced over the past 100 years. The availability of Divine Love was taught in the first century; however, very few records of such have survived from that time. Now, the teachings of embracing one's feeling healing and soul healing are here.

Diagram fourth is ten commandments with the additional one by Jesus as a Manifesto of Divine Love.

The fourth diagram is what the Love does – it is a substance.

The sixth diagram is an overview of all that proceeds.

The Prayer for Divine Love as was given to us from the first century. It is not the only such prayer.

Then the final diagram being a visual aid of how easy it is to ask for and receive the Love – everyday is a day of devotion. Then to embrace one's soul healing.

On the 31 May 1914, messages commenced to be received in a well organised and constructive manner with this first phase completing around 2017. The guidance and writings continue today. Over the past 103 years more than 10,000 pages of these teachings have been published. These works are coordinated and grow in detail and depth as we develop in our capacity to embrace the contents. The flow of material is anticipated to progressively increase in volume and in depth of detail as time goes on. The number of authors contributing now appears to exceed 1,000 in number and yet the work is so well structured that each successive set of material adds to the beauty and love that is shared in all that has preceded.

These diagrams embrace the essence and provide a summary to a body of knowledge that the world has never had available to it before. This time, in the history of humanity, is the most exciting time ever experienced. Enjoy and share as you please.

**Whilst we are receiving the Mother and Father's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Parents are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.**

## **Feeling Healing – Healing yourself through your feelings.**

- ✓ **Your feelings are the real and true you.**
- ✓ **If you are denying any feelings you are denying yourself.**
- ✓ **If you are denying yourself you can't ever be truly happy.**
- ✓ **To heal all your pain and suffering, you can look to your feelings for why you are feeling bad.**
- ✓ **If you want to know the truth of yourself, then it's your feelings you will need to look to.**
- ✓ **Your feelings hold the hidden keys to unlocking the truth of who you really are.**

**EMBRACING the WILL of our HEAVENLY MOTHER and FATHER:**

**Our Heavenly Parents are almighty, all powerful, infinite, and at all times loving.**

**The love of the Heavenly Parents for their children, woman and man, has been and is always infinite and ever present.**

**As one's faith in our Heavenly Parents evolves, man's love for his Heavenly Parents will have no limit.**

**As man grows in his love, so will man grow in his love for all of God's creations.**

**Approach the Source Soul, the Mother and Father, in reverence, without fear or trepidation, just as a child approaches his earthly parents knowing that open loving arms are extended to receive him at all times.**

**As one grows in his love of the Mother and Father, one becomes to know with certainty that God loves him or her in return, at all times, and that fear is an illusion created by man's mind.**

**By embracing the commandment provided in the 1<sup>st</sup> century, namely the first:**

**"This is my commandment, that ye love one another even as I have loved you."**

**Further, we are to embrace our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us. Living true to our feelings IS living true to God's Will.**

**Also as our soul development progresses, our self love grows which also enables us to step away from:**

**Any self harm that we may cause which also brings about consequences.**

**And to move along this path we simply develop our embracement of:**

**God's Divine Love; by praying for it, asking for it, and receiving it.**

**Longing for Truth and Divine Love we can embrace the will of the Father and achieve freedom from error and harmful ways, thus finding our way home!**

## Manifesto of Divine Love:

1. We love one another as Mary and Jesus, our spiritual parents, love us. And so we seek their Spirits of Truth.
2. Our all loving Heavenly Parents, our Mother and Father, we love and honour at all times.
3. We worship only our Mother and Father, God, and Creator of all things.
4. We treat our Creator's name with respect and love, and earnestly seek Their Divine Love, and at all times pray for It, ask for It, and receive It.
5. We set aside a regular day each week for Sabbath rest and worship of our Heavenly Parents, God, and seek Their Love so that we may grow closer to Their fountain head of Truth and Love.
6. We are to be as we feel, even if it's sinful, but in doing something that is not in alignment with God's Love and Truth will make us feel bad, that is provided we allow ourself to feel our bad feelings, and so we can then use our bad feelings to find out the truth of why we feel bad and why that thing we have done is bad. We embrace our Feeling Healing.
7. We strive to cause no harm to another, nor cause any harm to one's self. We do not do to others what we would not have them to do to us. We treat our fellow human beings and all living things, and the world in general with love, honesty, faithfulness and respect. Violence, at any times, is never justified. Golden Rule: that one must always honour another's will as one honours one's own.
8. At all times in our intimate relationships we strive to express and live true to all our feelings, all so we can use our feelings to uncover the truth they are trying to show. The truth of ourselves, of our relationships, and the truth of everything else, including God.
9. We do not covet or steal anything that does not belong to us. Honesty in all communications, actions, undertakings and activities in all facets of life is our rule of life.
10. In all that we do, we are to be truthful. We are non-judgemental, for none of us have the capacity or authority to judge another. We are always ready to forgive all wrongdoing.
11. We do not desire anything or anyone that does not belong to us. Comparing oneself to others and longing to have what they have leads to errors. We are to be content by focusing on the blessings our Heavenly Parents, who made us in Their soul's image, provides for us.

## ***DIVINE LOVE – what does it do?***

**Divine Love, which is a substance, progressively:**

**Transforms one's soul from that which is of natural love to that which is Divine**

**As natural love is enhanced with the Parent's Love, we reject our tendency to error**

**Divine Love, our Parent's Love, restrains errors, untruths and emotional stress**

**As we reject the condition to error, we develop our love for our brothers and sisters**

**Divine Love helps one with the discovery of truth through one's soul-feeling healing**

**Our natural intelligence grows, perceptions rise with our soul intelligent feelings**

**As Law of Compensation is resolved, the Love reduces returning to being in error**

**Receipt of Divine Love, the Parent's Love, grows our faith, we become God reliant**

**As our faith grows our propensity to undertake one's Feeling Healing strengthens**

**With the Love, our Feeling Healing becomes Soul Healing, this we are to undertake**

**Without the Love we remain self reliant and dependent upon our own will power**

**Only with the Love will our soul condition grow rapidly, all around us also benefit**

**The Love is the only substance that changes the human soul to that which is Divine**

**Only by asking and receiving Love do we become fitted to enter Celestial Heavens**

**Only by asking for and receiving the Divine Love does our soul become immortal.**

### **What is Divine Love?**

**It is the Divine Love of God, our Heavenly Parents, restored to all mankind by the births of Jesus and Mary.**

### **How do we get this Love?**

**By sincerely asking God, our Mother and Father, and receiving the Love that passes all understanding.**

### **What happens then?**

**We are born again in spirit and in truth, our soul opened to the Soul of God, our Heavenly Parents.**

### **What then do we know?**

**We know we are all children of God and want to pray always to our Heavenly Parents, always longing for Truth.**

### **What is the purpose of Feeling Healing?**

**We are to seek the truth of our feelings and unburden ourselves from our childhood repression and injuries.**

### **What of the world?**

**We are at peace in the world and fearless. In Divine Love and in Truth there is no fear.**

### **What else?**

**We are to strive to love everyone unconditionally as our Heavenly Parents and as Mary and Jesus love us.**

## **The Only Prayer That Man Need Offer to the Father:**

(as given within the first century)  
I am here, Jesus

The Prayer for Divine Love 2 Dec 1916

P.438 Book of Truths through James Padgett / Jesus

Let your prayer be as follows:

**Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.**

**That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.**

**We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.**

**Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.**

**Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.**

**Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.**

**We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.**

**We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.**

**Amen**

Note: The 'false teachers' are our parents, as they are also the 'evil ones'.  
Also, the evil ones, being those parts of one's mind, that are controlling you.

VISUALISATION with LONGING:

Holy Spirit infusing Divine Love.

Progressive escalation of Divine Love flowing.

Visualise yourself as you were when young and with an empty bowl, and then thankfully ask the Mother and Father for Their Love – Their Divine Love:

***"Please, Mother and Father, I want some more."***

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

**Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.**
