## PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about looking within oneself. Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person's perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Contents are not to be interpreted as an independent guide to self-healing. The information sourced herein is not from a doctor or doctors, and any information provided in this document should not be in lieu of consultation with your physician, doctor, or other health care professional. Pascas, nor anyone associated with this document, does not assume any responsibility whatsoever for the results of any application or use of any process, technique, compound or potion as described within this document.

The sources of contents are noted throughout the document. In doing so, we acknowledge the importance of these sources and encourage our readers to consider further these sources. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we apologise. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

We offer all contents in love and with the fullness of grace, which is intended to flow to readers who join us upon this fascinating journey throughout this incredible changing era we are all experiencing.

Living Feelings First, *John.*

## COMPLEMENTARY MODALITIES:

We cure ourselves! It is not the surgery, chemotherapy or radiation therapy that cures the body. Yes, these modalities mitigate the symptoms and suppress the ailment but the cure comes from within. Allopathic (western medicine) is the leader in diagnosis of illness episodes. Management of the discomfort and pain is expertly done by allopathic practitioners. However, the long term cure of an illness episode is brought about by the person presenting with the illness.

"When you know that you are souls with a spiritual body and a physical body, and that these two bodies reflect the condition of your soul, then how can there be any question about which part of your being is the most important?" **"If you want to be well and healthy, happy and strong, then you must see that it is important for you to get your souls into the highest and best condition possible."**

December 5, 2003 Apostle Peter

<http://new-birth.net/contemporary-messages/messages-sorted-year/messages-2003/millions-of-souls-millions-of-paths-ks-5-dec-2003/>

**A newly individualising soul is just a tiny invisible spark.**

**The soul nests inside of the spirit body, never to be separated.**

**Physical body**

**Spirit body**

**Soul Connected by cords of light**

When we shed our physical body, we become more alive than ever! – without ongoing discomfort or pain. Our personality, memory, intelligence, senses and capabilities are all contained within our soul and spirit body. Our mind is within our spirit body. Our soul is connected to our spirit body.

Life is that it is neither subject to nor vulnerable to death but can only be made to change form. Like the laws of conservation of the energy of matter, the law of conservation of life is almost identical. It cannot be destroyed but can only change form. (Dr David Hawkins MoC 1,000)

The spirit body is the template for the physical body. Though our physical body is dependent upon food, water and air, this is not the only source of sustenance for the physical body. The energy flow through our spirit body is augmented by the love energy that is our soul. The energy flows through our spirit body is via way of the meridians that start at our toes and reach to the top of our head and the end of our fingers. When we hold onto errors of truth and love, these negative emotional injuries slowly develop as balls and block the flow of loving energies that our physical body requires. It is the blockages that can encrust the soul that evolve into discomforts, then pains, then illnesses within our physical body.

The health care industry generally only considers the physical body thus never addressing the underlying cause which has delivered the illness episode that is presented to them. Do you ever recall a medical carer or practitioner discussing with you as to what may be the cause of the illness that is being addressed?

**HIERARCHY of HEALING SYSTEMS**

**ALLOPATHIC** – Western Medicine treats the symptoms, is highly regulated and costly as it is cost driven.

**ENERGY HEALING** – Eastern Therapies also treat the symptoms with the assistance from natural love spirits from the realms up to the 6<sup>th</sup> sphere.

Therapy applied to the spirit body is through an energy therapist who may work on the chakras, whereas a chiropractor works on the physical body. Such types of therapy deal with the effects and ignore the soul and the causes.

**EMOTIONAL PROCESSING and CLEARING** deals with the cause. Soul level clearing and growth provides permanent solutions whereas the other two systems provide temporary relief.

If you focus on the soul, that is the most powerful tool to improve yourself.

**PHYSICAL** - what food do you take?  
 - what do you drink?  
 - how do you treat your body?

**EMOTIONAL**

**SPIRITUAL** - will of the Father or free will?

**PAIN**

should one step away from a personal pathway of engaging in the will of the Father, one may incur much pain. Pain is man made.

# HEALTH and HEALING

EVERYTHING is INTERCONNECTED!

**NOW to PROCEED to bring about HEALTH to ALL of the BODIES:**

The Iroquoian speaking native people including the Nottoway Tribe who live in the Virginia-North Carolina coastal plain of USA hold that:

Spiritual exercises work if you work them.  
 Natural food diets work if you stick to them.  
 Physical exercises work if you do them.

**There are many hundreds, if not thousands of ways that we can engage that will bring about health to our bodies, even when professional health carers may consider that no help or recovery may be possible.**

Millions upon millions have recovered from terminal illness and continue to do so. What is clear from the following topics is that the steps and way of life practices that one can adopt to bring about a return to health of all the bodies is literally free of commercial cost!

Not only are these steps a benefit to everyone who considers them today, but the benefits are eternal.

Though the focus of the contents of this Pascas Paper maybe upon cancer episodes, it will become clear that these gifts have universal application.

Kinesiology muscle testing is a great aide in assisting one to determine what options are beneficial for themselves, that is, life enhancing options, and further, to determine what to preference in adopting to use.

Enjoy the gift of these many understandings and share them with who ever you please.

**EXERCISE and CANCER                      Catalyst ABC story 10 May 2016**

<http://www.abc.net.au/catalyst/stories/4459555.htm>

The life force for the spirit body and the physical body is via the soul. The spirit body is connected to the soul via cords of light, and in turn, the physical body is connected to the spirit body via cords of light. Should the light cords between the spirit body and the physical body be disconnected then the physical / material body dies. The physical body is our starting point for learning and experiencing our being. Our learning and growth experience then continues through the existence of the spirit body.

You bring yourself into harmony with all of the Father's laws by taking personal responsibility.

So much of what man has created is to enable him to avoid taking personal responsibility, e.g., the pharmaceutical industry.

Your recovery process entails the taking of personal responsibility of what is to be considered and engaged.

# Water

Pascas Care – Water & Hydration

<http://www.pascashealth.com/index.php/library.html>

Hydration of the body is first and foremost. Not only is the quantity of water but also the quality of water is important.

The body needs at least one gallon (3.7 litres) of water each day to stay properly hydrated. For larger or more active individuals, that amount should be increased accordingly.

Only water and some mild herbal teas will hydrate the body.

What is most detrimental is cola and coffee. Refined sugars within any food or drink is like throwing high octane fuel onto an open fire when it comes to assisting the growth of rampant cancer cells. Cancer cells thrive on glucose which is essentially refined sugar.

All drinks and food which contains refined sugar is best removed from one's pantry.

The scale that is used for measuring the pH, or hydrogen ion concentration ... is from 0 to 14, with 7 being the neutral point. Thus, an Alkaline Body pH means that the pH of the blood is above 7 with the ideal pH being 7.35. Outside of this range ... the body activity is no longer optimal and the metabolism is out of balance.

## Factors Influencing Body pH Levels

The following factors will have an influence on the pH Level of the body:

**Acidic Foods** ... such as fast foods, meats, grains, greens, most fruits, refined salt, sugar, condiments (pickles, ketchup, etc.), soda pop etc. have a pH ranging from 2.8 to 5.5 which is highly acidic.

**Alkaline Foods** ... Almonds, all melons, un-pasteurized honey, bee pollen, maple syrup, figs, dates, natural yogurt, cheese and dairies, earth vegetables, apricots, avocados, coconut, grapes, molasses, raisins and lemon ... are all alkaline forming foods.

**Emotions** ... The Alkaline Level of the body is also greatly influenced by your emotions. Joyous, happy, love-filled emotions tend to create alkaline-forming chemical reactions in the body. Conversely, emotions which are filled with anger, fear, jealousy, hate, etc. ... create acidic-forming chemical reaction in the body, as well as shutting down the immune system.

## Percent of Water in the Human Body

One of the key factors is the water that we drink. Water accounts for up to 75% of the body and thus the fluidic intake greatly impacts the pH of the body. Unfortunately, a lot of the water that is being consumed is acidic ... including distilled water, reverse osmosis, and deionized water ... which have had their minerals or buffers removed. Alkaline water is not readily or easily available in most communities.

**Water with a pH (hydrogen ion) level of 9.5 is the optimum alkaline level for drinking water.**

Kangen water machines, manufactured by Enagic Corporation, are the benchmark used in hospitals in Japan. Kangen water is a benchmark in alkaline ionised water.

Enagic's units also ionise water, making it electron or "energy" rich and splits the water into acid and alkaline states. It provides the body with an abundance of oxygen, which gives us energy.

It possesses a negative Oxygen Reduction Potential charge (ORP), which is an antioxidant – the lower the ORP of water, the greater potential it has to reverse the aging process of the body at a cellular level and prevent oxidation.

**THE ROOT CAUSE OF CANCER – Noble prize Winner Dr. Otto H Warburg. Dr. Warburg devoted his life to study the causes of cancer.**

<https://sites.google.com/site/ganodermareview/the-root-cause-of-cancer>

**"All normal cells have an absolute requirement for oxygen, but cancer cells can live without oxygen – a rule without exception. "Deprive a cell 35% of its oxygen for 48 hours and it may become cancerous." Dr. Warburg has made it clear that the root cause of cancer is oxygen deficiency, which creates an acidic state in the human body. Dr Warburg also discovered that cancer cells are anaerobic (do not breathe oxygen) and cannot survive in the presence of high levels of oxygen, as found in an alkaline state.**

Biochemist Otto Heinrich Warburg, one of the twentieth century's leading cell biologists, discovered that the root cause of cancer is too much acidity in the body, meaning that the pH, potential hydrogen, in the body is below the normal level of 7.365, which constitutes an "acidic" state. Warburg investigated the metabolism of tumours and the respiration of cells and discovered that cancer cells maintain and thrive in a lower pH, as low as 6.0, due to lactic acid production and elevated CO<sup>2</sup>. He firmly believed that there was a direct relationship between pH and oxygen. Higher pH, which is Alkaline, means higher concentration of oxygen molecules, while lower pH, which is acidic, means lower concentrations of oxygen...the same oxygen that is needed to maintain healthy cells.

In 1931 he was awarded the Nobel Prize in Medicine for this important discovery. Dr Warburg was director of the Kaiser Wilhelm Institute (now Max Planck Institute) for cell physiology at Berlin. He investigated the metabolism of tumours and the respiration of cells, particularly cancer cells. Below is a direct quote by Dr Warburg during medical lectures where he was the keynote speaker:

*"Cancerous tissues are acidic, whereas healthy tissues are alkaline. Water splits into H+ and OH- ions, if there is an excess of H+, it is acidic; if there is an excess of OH- ions, then it is alkaline."*

**Dr. Igor Smirnov, Ph.D** shares his story of how he developed **MRET (Molecular Resonance Effect Technology) water**. He explains how this water better hydrates your cells and can also inhibit cancer growth. <http://www.amazing2me.com/> <http://www.healingwatertechnology.com/index.php>

# Juicing

Generally speaking, machine manufactured in bulk and then distributed through retail outlets, packaged juices do not have nutritional or life enhancing qualities!

We recommend you always use organic or unsprayed ingredients. Apart from having pesticides, hormones, etc. regular commercially grown food contains from 2 to 20 times less minerals than its organic counterparts. (There is also a difference in price – sprayed, genetically modified food can cost you your quality of life by causing degenerative diseases and premature aging!)

## The Amazing Power of Green Juice – calming, energising, alkalising and healing

**Raw organic Green Juice is the best foundation for a raw food lifestyle. There is almost nothing on the planet that is better for your body. Use celery as the base and experiment with the other ingredients to taste.**

**Celery** – (make this the foundation of your juice) it is very high in sodium and conditions your whole digestive tract, improving digestion. It is a much better option than carrot which is high in sugar (even organic carrots these days have 17% sugar – wild carrots if you can find them have only 3% sugar!).

**Leafy Greens** – (Just as important as celery, though less palatable to begin with – leafy greens are packed with chlorophyll and oxygen and are unparalleled in their ability to alkalise and heal the body. Try **Rocket, Kale, Cos Lettuce**, (preferable over Iceberg Lettuce which has fewer minerals) or any other dark green leafy vegetables.

**Cucumber** – Also a highly alkalizing vegetable and very refreshing.

**Parsley** – A cup of minced fresh parsley (about 100g) contains more beta carotene than a large carrot, almost twice as much vitamin C as an orange, more calcium than a cup of milk, and twenty times as much iron as a serving of liver.

**Wheatgrass** – What to say about wheatgrass? There are reams of information available on the healing, regenerative properties of wheatgrass. 20 ml of wheatgrass juice is the nutritional equivalent of over one kg of fresh fruit and vegetables. Wheat grass has only about 10-15 calories per teaspoon. It has nearly a gram of protein per teaspoon and includes all eight of the essential amino acids, as well as 13 of the remaining 16.

**Tip:** Try watering your wheatgrass using 1 part sea water to 19 parts water to get the correct balance of all 92 minerals needed for perfect health. Grass is the only plant which can absorb all 92 minerals, however, you can still add sea water to when watering all your vegetables and sprouts for a highly mineralized diet.

**Apple or carrot** – Some people find green juice a little hard to take at the beginning. To make your green juice sweeter you can add a very small quantity of carrot or apple to your juice (less than 10%). After a while when you grow accustomed to taste you can reduce or totally cut out the carrot and apple.

**Water** – We recommend you water down your juice 4 or 5 parts filtered water to 1 part juice. This is especially important when using wheatgrass. Green juice is a very powerful detoxifier and it is best to ease into it gently if you haven't been living a clean, raw food lifestyle. As you progress you can gradually decrease to amount of water to a 50/50 mix.

**Detoxification** – When you begin drinking green juice the pollutants which have been stored in your body will literally begin to be flushed out of your cells sometimes causing nausea, head aches or even flu like symptoms. Be happy if this happens as it means you are on track to a healthier, more balanced existence. It can also be very helpful to be in contact with someone who has already gone through the process themselves.

**Quantity** – Begin with 250ml of green juice a day (watering it down 4 to 1 with water). This will give you around 5 glasses to down. As you progress, increase the amount of juice and decrease the water. You can eventually increase to drinking 500 to 750mls of green juice no problems and your body will sing in total gratitude!

**You will get optimum nutritional value if you drink your juice within 15 minutes of making it, however, you will still get amazing benefits if you refrigerate it and drink it throughout the day. You can even add a little lemon juice or vitamin C powder to help preserve it for up to 24 hours.**

**Green Juice = Raw Power**

**Gerson Therapy:**

**The Gerson diet is plant-based and entirely organic.** The diet is naturally high in vitamins, minerals, enzymes, micro-nutrients, and extremely **low in sodium, fats, and proteins.**

All medications used in connection with the Gerson Therapy are classed as biologicals, materials of organic origin that are supplied in therapeutic amounts.

# 8 Ways to Oxygenate Your body

1. **Breathe deeper.** This is too obvious though we had to include it as we generally use only 20% of our lung capacity. Take 3 deep breaths now and feel the difference, it's free!
2. **Chi Kung and Yoga.** Both have a strong focus on the breath. As well as flooding your body with oxygen, you will become more flexible and balanced.
3. **Aerobic Exercise.** To get oxygen pumping through your heart and veins 20 minutes or more aerobic exercise is hard to beat. Jogging, swimming, cycling, rebounding, all get your heart rate up and accelerates the elimination of toxins and wastes from the cells.
4. **Green Vegetable Juice.** Drinking a glass (or 2) of fresh, raw, organic green vegetable juice is one of the best ways to get a concentrated hit of oxygen into your body. Apart from receiving the oxygen your body will be flooded with enzymes and minerals which are so vital for healthy cell functioning. Green juice is the foundation of a living food lifestyle. If you decide to do nothing else, we recommend you drink green juice daily. It will change your life!
5. **Leafy Green Salads** are also a great source of oxygen. We recommend you eat at least one everyday!
6. **Oxygen drops (Sodium Chlorite).** You can oxygenate your water by adding drops of sodium chlorite to your drinking water. Not only do you get the oxygen, it will also kill most harmful bacteria and microorganisms living in the water. Be careful to follow the instructions on the bottle: if you have too much to begin with your body may start eliminating toxins (detoxing) faster than you are accustomed to causing headaches, fatigue or nausea.
7. **Ozonated Water.**
8. **Ozone Therapy.** This is a vast and controversial subject. Ozone therapy has proven effective in eliminating a wide range of disease including so called incurable diseases like cancer, AIDS and hepatitis C. Ozone can be administered in several ways including: intravenous, rectal or vaginal insufflations, far-infrared sauna cabinets and body suits to name a few.

Intravenous ozone appears to be one of the most effective methods of delivery, however, it is frowned upon by the Australian and US medical establishment and is slow in being introduced.

## Food Basic Dietary Considerations:

Here are some of the dietary “rules of thumb” we spoke of earlier:

1. Eat foods that are as pure as possible and in as natural a state as possible (mostly raw and organic or biodynamic ).
2. Balance your intake of acid and alkaline forming foods to 80% alkaline to 20% acid.
3. Don't mix fruits and vegetables.
4. Don't mix sweets and starches.
5. Minimize how many different foods you eat at one meal (try to keep it at three or a little more).
6. As much as possible eat foods grown locally.
7. Eat only when you are really hungry.
8. Chew very well.
9. Drink pure water.
10. Relax. Don't eat when you're tense or upset.
11. Eat about two-thirds of what would normally make you full. An excess of nutritional elements in the system becomes toxic.

As you review the following energy calibrations you will note that the more numerous the processing steps in bringing your food to your table, the further the energy and nutritional value is depleted.

It goes something like this:

		MOC calibration
Obtained absolutely fresh	energy level could be, say:	500
Cutting it up or grinding it	process lowers energy level by 100	therefore now 400
Cooking process	lightly stirred fried is best – baking is too long	300
So let's put it in a container and freeze it	drop another 100 points	200

Note: The Map of Consciousness (MOC) scale is based on the common log of 10. A 1 point various is a 10 fold variance. 10 points is 10,000,000,000 times increase or decrease in energy. The above reductions are mind boggling drops in energy at each step in the processing chain.

At 200, this food is now so extensively diminished in nutrition and value it is no longer life enhancing!

Any food that is not life enhancing (under 200) is stored within the body and the body has to work to eliminate it, thus overworking the body and loading the storage system up within the body.

Machine processed food is devoid of love and is so thoroughly processed that it is seldom life enhancing.

**Fresh is Best!**

# Energy Levels

Truth vs Falsehood P.94 by Dr David R Hawkins

Pascas Care – Energy Level of Food

<http://www.pascashealth.com/index.php/library.html>

The energy level of various food groups as per the Map of Consciousness 1 – 1,000 calibrations.

At 200 and above, the item becomes positive. Any calibration below 200 is negative or anti-life:

Cookies made for Family	520	
<b>Green Juice = Raw Power</b>	<b>510</b>	
Home cooked sea fish with salad	410	
Home roasted free range chicken with salad	410	
<b>Raw Food = Raw Power food blessed</b>	<b>365</b>	<b>(overall menu)</b>

McDonalds, KFC, Hungry Jacks	175	
Taco Bell Fast Food	165	
Public Hospital Meals	165	
Cocaine	7	
Heroin, Methamphetamines	6	

A significant finding is the calibrated difference between blessed and unblessed food. Machine –made bread from a local supermarket calibrates at 188, but when blessed, it goes up over 200. Bread from the same supermarket but from the bakery department calibrates initially at 203, and again shows a rise if it is blessed. If food is homemade, it rises from its original 200 to 209, and if blessed, it rises up to 215. This is a unique demonstration analogous to the Heisenberg principle in that the introduction of human spiritual consciousness and intention alter the field. It also gives evidence that prayer itself is more than just wishful thinking.

Avoid processed pre-packaged food as frequently as you can. Step away from any product that has sugar as an ingredient.

# Supplements for Immune System Support

The idea of boosting your immunity is enticing, but the ability to do so has proved elusive for several reasons. The immune system is precisely that — a system, not a single entity. To function well, it requires balance and harmony. There is still much that researchers don't know about the intricacies and interconnectedness of the immune response.

The reason why cancer issues develop is the breaking down of the immune system. Further, chemotherapy and radiation therapy significantly impact upon the immune system. To counter the issues of such treatment programs, one's immune system requires significant support and a supplements program is key to this support.

Seek professional guidance as to what supplement programs are to be used to support the immune system.

Minerals your body needs include:

- Calcium
- Chromium
- Copper
- Iodine
- Iron
- Manganese
- Magnesium
- Potassium
- Selenium
- Sodium
- Zinc

Vitamins your body needs include:

- |                           |                    |
|---------------------------|--------------------|
| • Vitamin A               | • Vitamin D        |
| • Thiamin                 | • Vitamin E        |
| • Riboflavin              | • Vitamin K        |
| • Niacin                  | • Folic acid       |
| • Vitamin B <sub>6</sub>  | • Pantothenic acid |
| • Vitamin B <sub>12</sub> | • Biotin           |
| • Vitamin C               |                    |

Vitamins, minerals, and other nutrients that are antioxidants include:

- Vitamin E
- Vitamin A and carotenoids. These are substances that give fruits and vegetables an orange or yellow colour, such as beta-carotene and lycopene; carotenoids allow the body to make vitamin A.
- Vitamin C
- Selenium
- Other plant chemicals, such as flavonoids, which are found in berries, broccoli, tea, and dark chocolate

This is an important consideration to be supported by expert guidance.

Note: **Kinesiology muscle testing** can be employed to assist in discerning what is beneficial and what is not specifically for you. Further, calibration in line with the Map of Consciousness (MoC) table can further discern what option is potentially the best for you.

## Detoxification and The Healing Crisis

If you have lived your life eating a regular western diet with processed un-natural foods and chemicals, it is likely that when first changing to a living food diet or even just by introducing green juices or more oxygen your body will go through a healing crisis.

A healing crisis is in effect when the body is in the process of eliminating toxins. Reactions may be mild or they may be severe. One should expect this and work toward it. The body's inherent desire is perfect health and we have the ability to earn our way back to that state. To do so, the body must go through an elimination process called the healing crisis.

A healing crisis results when all body systems work in concert to eliminate waste products and set the stage for regeneration. Old tissues are replaced with new, and stored toxins are eliminated. A cleansing, purifying process is underway and stored wastes are more easily removed. Sometimes there is pain of greater intensity than the lower level of chronic problem gives, but it is usually of short duration.

The crisis will usually bring about past conditions in reverse order to the original problem. People often forget the diseases or injuries they have had in the past, but are usually reminded during a healing crisis. Reactions may include skin eruptions, nausea, headache, sleepiness, fatigue, diarrhoea, a cold, ear infections, boils, or any other way the body uses to eliminate toxins. The crisis usually lasts three days, but if the energy of the patient is low, it may last for a week or more.

The body needs juices, and especially water, preferably ozonated, to help carry off the toxins. Clay is also helpful, taken orally. This is a time for rest – mental as well as physical rest.

One crisis is not always enough for a complete cure. The person in a chronic state, who has gone through many disease processes in life, must go through these processes again. Often the crisis will come after one feels his very best, setting the stage for the action. Most people feel an energy boost the first few days. Then toxins are dumped into the blood stream for elimination by way of the liver, kidneys, spleen, skin, bladder and colon. Listen to your body and go as slowly as your body needs to so that your cleansing is gradual and comfortable.

With a more serious condition there may be many small crises to go through before the final one is possible. Everything must be considered and given its proper place in the build-up to a healing crisis. One should expect it and work towards it. Then the goal of optimum health can be achieved.

Without proper guidance someone who is experiencing a healing crisis may think that living foods and juices do not agree with them and that they were better off on their old diet. It can therefore be very beneficial and reassuring to go through a healing crisis with someone who has already experienced the process themselves.

Detoxification is essential in this pathway to recovery.

Benefits of detoxing the body:

<http://bembu.com/detox-benefits>

## 1. Boosts Your Energy

Many detox program followers report feeling more energetic. This would make sense because while you're detoxing you're stopping the influx of the things that caused you to need a detox in the first place. By cutting out the sugar, caffeine, trans fat, saturated fat, and replacing them with fresh fruits and vegetables, you'll be getting a natural energy boost, one that comes without a resultant crash. It's vital to stay well hydrated while on any detox program, and that can also be a source of increased energy if you typically don't get enough water throughout the day.

## 2. Rids the Body of Any Excess Waste

The biggest thing that detoxing helps with is allowing the body to rid itself of any excess waste it's been storing. Most detox programs are designed to stimulate the body to purge itself, helping the liver do its thing as well as the kidneys and colon. Cleansing the colon is an important part of the detoxing process because those toxins need to exit the body, and a backed up colon can cause them to be reintroduced into the body, rather than exiting as planned. Sticking with fruits and vegetables even after the detox program is completed is a good way to keep things moving.

## 3. Helps with Weight Loss

It's easy to see how a detox diet would cause you to lose weight in the short term, but a healthier way to look at it would be to establish long-term eating habits, and rid yourself of unhealthy habits. Many times it is the drastic reduction in calories and rapid weight loss that is focused on, especially in the media. But these short-term results won't last if you don't make it a point to replace bad foods with good, and use your newfound energy to exercise more and be more active overall.

## 4. Stronger Immune System

When you detox the body you free up your organs to function the way they should. This helps to give your immune system a boost since you'll be able to absorb nutrients better, including Vitamin C. Many of the herbs you take while on a detox will help the lymphatic system, which plays a big role in keeping you healthy and firing on all cylinders. Many detox programs also focus on light exercises which help to circulate lymph fluid through the body and helps it to drain, strengthening your immune system in the process.

## 5. Improved Skin

Your skin is your largest organ, so it only makes sense that it would show positive results from a detox program. One way to [help your detoxing efforts](#) is to take a sauna to help the body sweat out additional toxins. You can expect clearer, smoother skin at the end of your detox plan. It's also been reported that detoxing can help with acne, although the condition may worsen before it gets better as the toxins are released. You may find that your skin itches or gets patchy before clearing up, but this is part of the process and is a sign that you're on the right track with your program.

## 6. Better Breath

Follow a detox program that includes a colon cleanse because those toxins need to be released from the body. It's been theorized that one contributor to bad breath is a backed up colon. When you are able to clear it out and get your digestive system functioning well again, you may find that your breath improves. Be aware that your breath may actually worsen during the detoxing process, but when it's finished it will be better. This is natural, and occurs as toxins are released from the body.

## 7. Promotes Healthy Changes

It's hard to change a long-standing habit, and a detox program – no matter how long – is one way to put a wedge between your old ways and your new ones. If you have addictions to sugar, caffeine, fried, or crunchy foods you can use a detox program to help you kill those cravings. Often if you just try to quit eating those foods or drinking those beverages you'll have limited success, and go back to your old ways. But if you cleanse the body and replace those foods with healthier choices, you can retrain yourself and be more likely to stick to your new habits.

## 8. Clearer Thinking

A good detox program will pay some attention to your state of mind during the cleanse. The use of meditation is often recommended as a way to get back in touch with your body during this time of purging and cleansing of toxins. Detox followers often say that they lose that sense of fogginess, and are able to think more clearly during a detox than when not on it. It makes sense, since many of the sugar-filled and fat-filled foods that surround us each day will cause us to feel lethargic and can factor heavily in the quality of our thinking.

## 9. Healthier Hair

By the time you can see your hair, it's already considered dead, as all of its growth occurs within the hair follicle. This is why it's important to keep your body functioning at its full potential through a regular detoxing strategy. When your hair is able to grow uninhibited by internal toxins you'll see and feel the difference in your hair. In many instances hair gets shinier, and feels softer to the touch. Detoxing isn't enough to stop male pattern baldness, but many report that their hair grows more quickly, a sign of healthier hair.

## 10. Lighter Feeling

One of the reported benefits of detoxing is a feeling of being lighter. There are several reasons why this would be the case, especially if you'll be doing a colon cleanse as part of the program. When you stop eating foods that weigh you down, and replace them with [fresh organic fruits and vegetables](#), a lighter feeling is bound to occur. It's also important not to overeat while detoxing, which will yield a lighter feeling as well, and will give you the energy you've been missing.

## 11. Anti-Aging Benefits

The constant barrage of toxins that the body has to deal with is one contributing factor to the aging process. By reducing the amount of free radical damage done to the body, you're going to see not only short term benefits, but also long term benefits in an increased longevity. When you finish your detox program, it's very important not to go right back to the lifestyle that was causing the toxicity. Sticking

to an improved diet and getting daily activity are great ways to make sure that you feel good each moment of your life.

## 12. Improved Sense of Wellbeing

When you detox, you feel good, and when you feel good, good things happen. Detoxing is often used strategically to lose weight or to start a new diet plan, but really there's no better reason than just to feel better. When you set the stage for wellbeing, you are going to improve all areas of your life, and you should see better relationships, better productivity at work, and a newfound or renewed zest for life.

Kindly consider guidance and observation be provided to you by a Health Carer when determining the options for detoxification of the body and for monitoring throughout any detox program.

# Music and Television

Pascas Care – Energy of Music

<http://www.pascashealth.com/index.php/library.html>

The major issue with an illness episode, particularly cancer, is the break down of the immune system. While the immune system is fully active and vibrant, illness cannot prevail.

Failure, suffering and eventual sickness result from the influence of weak patterns; success, happiness and health proceed from powerful attractor patterns.

There is no art without love. When a person looks at something that has been hand-crafted, he goes strong. Longevity seems to be a corollary of association with the attractor fields of classical music whether as performer, conductor or composer. Classical music often demonstrates extremely high inherent power patterns.

Success comes as the automatic consequence of aligning one's life with high power energy patterns.

Alignment with high energy attractor patterns results in health; with weak ones, in disease.

The human central nervous system clearly has an exquisitely sensitive capacity to differentiate between life-supportive and life-destructive patterns. High power attractor energy patterns which make the body go strong release brain endorphins and have a tonic effect on all the organs, whereas adverse stimuli, which release adrenaline, suppress immune response and instantaneously cause both weakness and enervation of specific organs, depending on the nature of the stimulus.

It is this clinical phenomenon upon which treatment modalities such as chiropractic, acupuncture, reflexology, chemotherapy, radiation therapy, surgery and many others are based. All of these treatments, however, are designed to correct the results of an energy imbalance; unless the basic attitude which is causing the energy imbalance is corrected, the illness tends to return. People by the millions in self-help groups have demonstrated that health and recovery from a gamut of human behavioural problems and illnesses comes as a consequence of adopting attitudes correlated with high energy attractor patterns.

Generally speaking, physical and mental health are attendant upon positive attitudes, whereas ill health, both physical and mental, is associated with such negative attitudes as resentment, jealousy, hostility, self-pity, fear, anxiety, etc. In the field of psychoanalysis, these positive attitudes are called welfare emotions, and the negative ones are called emergency emotions. Chronic immersion in emergency emotions results in physical or mental ill health and a gross weakening of one's personal power.

How does one overcome negative attitudes so as to avoid this atrophy of power and health? Clinical observation indicates that the patient / friend must reach a decision point. A sincere desire for change allows one to seek higher attractor energy patterns in their various expressions.

One does not get over pessimism by associating with cynics; the popular idea that you are defined by the company you keep has some clinical basis. Attractor patterns tend to dominate any field in which they are received; thus, all that is really necessary is to expose oneself to a high energy field and one's inner attitudes will spontaneously begin to change.

All stress is internally generated by one's attitude.

Compassion is one of the highest of all energy attractor power patterns.

Conversely, the medical profession has simply been uninterested in nutrition, and organised medicine has traditionally been less than kind to innovators. Oncology medicine is slash, poison and burn. It is governed by an orthodoxy that is as religiously orthodox as anything out there. The hugely profitable pharmacy corporations exploit this to the extreme assisting in the corruption of the healing processes, namely, healing of body, spirit, and soul.

The health-care industry is so overburdened with fear and regulation that it can barely function. Healing from individual illness or the healing of the health-care industry itself can only occur by the progressive steps of elevation of motive and abandonment of self-deception, to attain new clarity of vision. There are not any villains; the fault is in the misalignment of the system itself.

Thus the health-care industry generally has not embraced the implications of music, movies, television and video games in relationship to health and healing.

The energy of classical music has a very positive impact on later behaviours and learning capacity, and increases the level of consciousness, measurable by way of the Map of Consciousness in conjunction with kinesiology muscle testing as introduced by Dr David R Hawkins. It results in more advanced development of neuronal connections and patterning. Interestingly, it also results in higher mathematical capability and the transitioning from lower to higher mind. The exposure to classical music in childhood and early life results in attraction to peace, truth and beauty, and aversion to violence, falsity, and gross vulgarity.

Clinically, the benefits of early life exposure to the classical arts are confirmed by a 75% lower rate of crime.

Rock-and-roll, hip-hop, and disco, as well as country-western music, have a broad appeal in which the rhythm itself carries an unseen energy in response to which people feel glad to be alive, and the dancing is a collective celebration.

At lower calibration levels, music becomes predominantly sensationalistic and celebrates the lowest elements of humanity by glamorising rape, criminality, violence, death, and other extremes and excesses of brutality. It is the energy of the music itself, even without the lyrics, that negatively affects the body's acupuncture system and makes it go weak.

The lower calibration levels show that violence and sexuality are heavily exploited ("sex sells"), and an allure is cast over unrestricted hedonism. The message goes out via the media to impact impressionable adolescents who are easily captivated by the energy of "glamour" itself.

The behavioural consequences of such low-energy programming in adolescents desensitises and blunts sensitivity, resulting in behaviours for which the parents are blamed, whereas the source of the negative influence actually stems from the media and the culture of peer group.

The fields below the level 200 on Dr David R Hawkins' Map of Consciousness scale potentiate illness; those above 200 support healing, including medical science, which calibrates in the 400s. The spiritual power of the consciousness levels of 500s facilitates further recoveries that are not otherwise possible.

All illness are physical, mental, and spiritual, and the highest levels of recovery are the consequence of simultaneously addressing all three levels and seeing them as being of equal importance.

In addressing the influence of what is part of one's daily environment, one needs to be aware of what makes one go weak and what makes one strengthen.

Negative influences upon one's immune system and self generally is the participation in listening to music, playing of video games, watching of movies and television that calibrate on Dr Hawkins' Map of Consciousness under 200. Heavy rock music, violent movies, negativity in general can shut down one's immune system for many hours.

The higher the calibration the more uplifting for one's well being will be the outcome.

Those that are in a negative direction do not support life and could be called 'anti-life'. Those that are in the positive direction of Truth (above 200) support and nurture life.

The source of illness is often unconscious guilt plus a specific belief system that is aggravated by suppressed emotions.

The mind is so powerful that what it believes tends to manifest. The mind is within one's spirit body.

All the negative emotions facilitate illness, and all the positive emotions tend to cure illness.

Love occurs at 500 and healing appears at 540. To put oneself in an energy field of 540 is to automatically heal oneself.

Spiritual intention and contextualisation increase the percentage of positive responses to strictly medical treatment. Innate to the human condition, however, are inherent limitations consequent to evolutionary design, some of which can be transcended and some of which cannot be. Therefore, hope and faith need to be accompanied by surrender to and acceptance of a Higher Will. As research has validated, life cannot be destroyed; it can only change expression from the limited physical linear reality to the unlimited nonlinear spiritual reality.

It is the longing for, asking for, and receiving of the Father's great gift, that being Divine Love, that brings about the progressive dissolution of negative emotions within our being and the permanent healing of all of our bodies. There is no greater energy and gift than that of the light golden blue energy substance called Divine Love.

Above notes are predominantly drawn from Power vs Force, Truth vs Falsehood, and Healing and Recovery, all by Dr David R Hawkins.

Kinesiology muscle testing used with holding in mind the scale, Map of Consciousness, enables a person to calibrate the level of anything in line with the Map of Consciousness scale. That is, anything that is not life enhancing or not in truth will calibrate under 200. As truth and love emerge in the subject matter then the calibration will progress up the scale. The table is based on the common log of 10, thus even a 1 point difference is a 10 fold difference in energy.

### NATURAL LOVE or MAN'S ERRONEOUS EMOTIONS:

Your soul, being your real you, is an emotional being. Your soul, though a thought of God, does not possess anything of the divine within it. It existed in a state of bliss, in a natural love state, pending individualisation which is achieved at conception which is the time of incarnation. Your soul is endowed with natural love emotions noted within the top section of the Map of Consciousness scale, being those emotions calibrating above 200.

MAP OF CONSCIOUSNESS					
God-view	Life-view	Level	Log	Emotion	Process
Self	Is	Enlightenment	700 1000	Ineffable	Pure Consciousness
All-Being	Perfect	Peace	↑ 600	Bliss	Illumination
One	Complete	Joy	↑ 540	Serenity	Transfiguration
Loving	Benign	Love	↑ 500	Reverence	Revelation
Wise	Meaningful	Reason	↑ 400	Understanding	Abstraction
Merciful	Harmonious	Acceptance	↑ 350	Forgiveness	Transcendence
Inspiring	Hopeful	Willingness	↑ 310	Optimism	Intention
Enabling	Satisfactory	Neutrality	↑ 250	Trust	Release
Permitting	Feasible	Courage	↑ 200	Affirmation	Empowerment

Man erroneous emotions are those calibrating below 200 on the Map of Consciousness. The environment around a newly conceived child progressively degrades the condition of that child's soul. When the child reaches about the age of 7, the child's soul condition will reflect the parent's condition. These negative emotions are like a crust around the pure soul it has within.

MAP OF CONSCIOUSNESS					
God-view	Life-view	Level	Log	Emotion	Process
Man made dis-empowering emotions:			↓ 200	All the negative emotions	
Indifferent	Demanding	Pride	↓ 175	Scorn	Inflation
Vengeful	Antagonistic	Anger	↓ 150	Hate	Aggression
Denying	Disappointing	Desire	↓ 125	Craving	Enslavement
Punitive	Frightening	Fear	↓ 100	Anxiety	Withdrawal
Disdainful	Tragic	Grief	↓ 75	Regret	Despondency
Condemning	Hopeless	Apathy	↓ 50	Despair	Abdication
Vindictive	Evil	Guilt	↓ 30	Blame	Destruction
Despising	Miserable	Shame	20	Humiliation	Elimination

# Meditation, Prayer and Longing

The First Religion: The Sacred Inspired Books were written for the purpose of teaching early man religion; therefore, man's first religion was the teachings of the Sacred Books.

The basis of the first religion taught to man was – love. The Love of Man for his Heavenly Father. The Love of the Heavenly Father for his son man, and the love of man for all of God's creations.

Man was taught to approach God, the Father, in reverence but without fear or trepidation, just as a child would approach his earthly father knowing that open loving arms were extended to receive him.

Early man knew no fear of God, because he loved God and he knew God loved him in return.

All of the ancient teachings were the same all over the world, it was a universal church without sect, creed, theology or dogma.

Every teaching was plain and simple without a particle of theology. The most ignorant could understand every phrase in it. There was nothing of any kind indefinite. It was impossible not to understand it thoroughly. Man was taught to approach the Heavenly Father, not with fear or dread, but with confidence, and above all, Love: as a child would run to its earthly father who is standing with outstretched arms to receive it. Love stood at the head of the 12 great virtues, because Love governs the Universe and the Heavenly Father is The Great Love.

The Great Love, the Divine Love of the Source Soul was temporarily lost to humanity when Aman and Amon, the first parents, stepped away from reliance upon the Father and elected to be self reliant. The availability of the greatest gift in the universe, Divine Love, was reintroduced 2,000 years ago, however the records of these teachings were all but lost by the time of the Nicean Council of 325CE. Since 31 May 1914, the teachings about Divine Love have been again received and continue to be received with some 6,000 pages of writings now published (2016).

This light golden blue energy substance, namely Divine Love, is available to all without condition, should it be asked for. It is that simple. Ask for the Love and you will receive it. Long for the Love and you will receive it. Pray for the Love and you will receive it. The Love arrives immediately. As you grow in the experience one begins to feel its presence. It is that simple!

Divine Love is an energy, a light golden blue energy substance. Our soul is of the energy substance called natural love. Our soul generally becomes encrusted with the energy of man-made emotional errors. It is the receiving of Divine Love that progressively dissolves these man-made emotional errors and brings about the perfecting of the natural love soul. In this way we return to physical health.

Go to the Father – Big Daddy – the Source Soul – with your longings, meditation, prayers and earnestly desire to receive the greatest gift in the universe, the Divine Love, and in this way perfection of the soul will emerge together with mitigation of harmful emotions that previously brought about illness. This is the only way that forgiveness is brought about.

## **CLEANSING the SOUL:**

**Years and years of personal endeavours to step away or above harmful habits and personality traits that are harmful to others and one's self have been mainly futile. We all want to grow in our love for ourself and of others.**

**Our beautiful loving personality that we are blessed with at conception / incarnation becomes encrusted with errors and personality issues of those around us, particularly during our early childhood. The personality of those living around us, during our early years, becomes encrusted over our pristine soul thus clouding our radiance into dullness. We become mind controlled!**

**Our Heavenly Parents want what is actually best for each of us and there is a source of light that's willing to give it to each of us, but only at our soul and spirit's quest for union with the divine. Not our ego's need for things.**

**It is only with our Feeling Healing and the infusion of the Love, that the Mother and Father conveys via the Holy Spirit, do we start to dissolve negative issues, habits and personality errors from our soul and personality. Our personality is part of our soul structure.**

**All we need do is ASK for this Love. An earnest longing and desire for the Mother and Father's love will never be withheld, it will shower over our spirit body, the template of our physical body, and be absorbed into our soul. As the Love permeates through our soul, errors of personality will slowly but surely dissolve.**

**Over time, as we progress along our path of asking for and receiving this love, the natural love which we were blessed with prior to conception will be progressively transformed into Love that is Divine. This Divine Love will slowly emerge as radiance through our being.**

**With Feeling Healing and this Love we find harmful habits and personality traits become a distant memory. With this Love, we find ourselves unable to harm others or ourselves. With this Love we find our quality of life blossom and joy starts to emerge in all aspects of our living.**

**With this Love we become immortal. With this Love we become fitted for the Heavens that the Mother and Father have prepared for us all. Just ask and faith, love, and happiness will follow. Yes, just ask!**

## The Gift that keeps Giving

*A general universal truth on how to experience Divine Love*

As more people become aware of the *Divine Love*, how to experience the Divine Love required a need to provide a general universal platform that is simple yet an effective way for one to experience *Divine Love*. People may learn about the availability of *Divine Love* by word of mouth or from reading literature that introduces this gift for our soul, and also by participating with group dynamics where the *Divine Love* is introduced and discussed. The essence of this standard platform is its independence so that the individual may feel guided to include this simple platform in their daily life and experience of *Divine Love*.

This simple technique is constant and practical and has been utilised in the general public for many years with good consistent results, accommodating participants and their diversity of belief and cultural background. This platform is a reliable place to begin with the experience of *Divine Love*. It needs to be confirmed that accepting *Divine Love* rests with our soul and heart and that to experience this Love will comfort one in their individual faith experience as we all aspire toward the greater reality of Love, Truth and Spirit.

### A Universal Platform on How to Experience the Divine Love:

Firstly, you are aware now that you can experience the *Divine Love*.

Find a comfortable chair; sit down in a relaxed and normal position.

Close your eyes and take 3 deep single breaths in through your nose and out through your mouth to clear energy and to relax into this experience. Have a little faith and proceed without great expectations.

Gently turn your inner heart and voice to the Soul, God in faith when you feel ready, ask the Soul, God with your own loving voice for an inflowing of *Divine Love*. Having asked sincerely, there is no need to continuously ask. The Soul, God hears sincere love in the asking and so The Spirit that brings the Love acts, and *Divine Love* is now flowing.

Having asked once, you will be receiving the *Divine Love*.

Proceed without expectation on what will happen as you experience the Love.

Sometimes your mind may wander – or there are thoughts, feelings or physical sensations. Experiencing the *Divine Love* is never a forceful experience.

Continue for as long as you feel you would like to. This may be for 5 minutes or 20 minutes or an hour. Time will vary for the needs of the individual or group.

Take another few deep breaths to assist your focus. Give our love to the Soul, God and in our own voice inwardly say this Soul, God that you love this Soul and are grateful to receive this *Divine Love*.

Then when you feel ready, open your eyes and take another deep breath or two, and this closes the experience.

### Some helpful hints:

- This general universal platform on how to experience the *Divine Love* is uncomplicated. Some people have utilised this platform for many years, never needing to change.
- The essence of this standard platform is to experience the *Divine Love* in a comfortable way therefore this technique needs to be simple, effective and inclusive.
- Experiencing the *Divine Love* can be a long-term experience so to have a practical, simple, functional standard platform solves a lot of problems about *how* to experience the *Divine Love*.
- From this truth people who like prayer or meditation, reflection, spirit communication, or just being *in* and *with* the Love can extend their experience of truth.
- Lastly, enjoy! And know that when a person is experiencing the *Divine Love* that one is in the tender care of the Soul God, and that no spirit interference will happen, for no spirit can interfere with the Sovereignty of *Divine Love*, which is God's Alone!
- Enjoy, Celebrate and Shine!

A gift of experience from Zara and Nicholas endorsed by many, many others.

Healing with  
Divine Love is  
the key!**

**LOVE ASSOCIATED WITH ONE'S PROJECTED THOUGHTS:**

- A.** Our soul is connected to our spirit body which is the template for the physical body.
- B.** Every time when one prays to God from within the intellect, their prayer rises no higher than one's head. It does not go any higher because one's heart is not involved. Mindlessly repeating prayers learnt by rote is almost pointless.
- C.** Projecting your rage impacts on those around you and into the spheres of disharmony, however now your heart is involved! Causing harm to others brings about consequences.
- D.** Focused intention and desire for earthly creations is generally assisted by intellectually and loving spirit personalities from within the lower Spirit World Spheres, 1 and 2.
- E.** An earnest longing and desire to receive our Heavenly Parents' Divine Love projects into the Celestial Heavens and brings about an immediate infusion of the Mother and Father's Love into one's soul, delivered through the instrument, the Holy Spirit, of our Creator.
- Thus, one's level of feeling, earnestness, longing and love associated with prayers, meditation and desires is relative to the success of one's communications. Our thoughts project at a speed in excess of that of light and they are received into the spirit world or worlds at a level relative to the subject matter being focused upon. At all times, love focused communications will rise to the higher spheres.

Our Heavenly Parents send the Holy Spirit, the Spirit, to those who long for and ask for Their Love and assistance. All you need do is ASK!

“The New Birth is the flowing of the Spirit of God into your soul and the disappearing of all that tends to turn your heart from the truth and Love of God in conjunction to doing one’s Feeling Healing.”

“The Holy Spirit is God’s messenger or instrument that carries into the soul the Divine Love that is bestowed on the truly penitent man.”

“The Holy Spirit when the penitent prays for the Love the Holy Spirit will respond and fulfil the work that the Mother and Father has provided it to do.”

“The only thing that saves a man from their sins / errors and reconciles them to the Mother and Father is that they must become conscious of God’s Truths and receive the Holy Spirit into their souls.”

Continuing with one’s longing for Truth and asking for our Parents’ Love enables progressive removal of emotional errors and injuries that then lead to the removal of core emotional damage, and then, subsequently, the progressive filling and expansion of one’s own soul. Removal of these soul injuries through Feeling Healing also leads to the removal of damage to one’s spirit body and the restoration of one’s health.

It is only by the infusion of this Love while longing for Truth within one’s soul in sufficient quantities does one become fitted to enter the Celestial Heavens.

Soul development, with the Love, can take a soul from being a dried up garden pea to that of a simple candle, and then onto that of a blazing sun!

## OZONE THERAPY:

<http://ozoneuniversity.com/>

### **RHP/EBOO Ozone Therapy**

Before we introduce our treatment, products and services, allow us to give a brief about ozone therapy which began in 1870 in Germany and now approved in more than 25 countries all around the world including Germany, Italy, Japan, Austria, Switzerland, Spain, Russia, UK, India, Cuba and some states in the US plus many more. There are over 2,000 Medical Ozone clinics in Europe alone.

The therapeutic use of Medical Ozone has an excellent safety record and no toxic effects have been observed from clinical use. The use of Medical Ozone as a healing adjunct is well established and is being vigorously pursued by many scientists and clinicians. The benefits are predictable and without side effects. As technology advances, undoubtedly new techniques will enlarge the scope of the effective use of this versatile modality.

Now let us introduce our main topic-RHP/EBOO Medical Ozone Generators, the therapeutic ozoniser, an equipment that produces automatically different ozone concentrations in continuous and reproducible ways in all of Medical Ozone's therapeutic range. It can be used in all ozone medical therapies known at present, for example, optic neuropathy, chronic glaucoma, cochleovestibular syndrome, retinitis pigmentosa, senile dementia, sickle cell anaemia, sepsis prevention, arthrosis, obliterant arteriopathy, ulcers of the limb, diabetic foot, radiological contrast in diaphragmatic angiography. In general, in the specialties of ophthalmology, geriatrics, orthopaedics, angiology and internal medicine.

As the function implies, RHP/EBOO generates Medical Ozone upon introduction of medical oxygen into the unit. Our procedure, known as RHP (Recirculatory Haemoperfusion) and EBOO (Extracorporeal Blood Oxygenation and Ozonation) is similar to haemodialysis. In this case, RHP/EBOO is born as remedy to many cardiological problems, without undergoing the threatening high risk, painful, expensive and complicated procedures of surgery. Specialized ozone therapy centres, on administrating the non- invasive therapy RHP/EBOO to severe coronary artery disease patients and have found amazing results.

<http://medicalozone.info/>

Ozone Therapy uses Ozone ([O<sub>3</sub>](#)), which is an energized form of Oxygen ([O<sub>2</sub>](#)) to treat lethal and degenerative diseases, some of which include Alzheimer's disease, Cancer, AIDS, herpes and more. The concept has failed to gain recognition following FDA's lack of

approval claiming that Ozone is a highly toxic gas. It has never found a safe and demonstrated application in any medical therapy so far, so they claim. However, Ozone Therapy has found profound recognition in many countries across Europe, Asia and Latin America. With the lowest level of side-effects (0.00005), it stands distinctively as the one of the most remarkable advancement in medical history in almost a century of use. No offence FDA, whatsoever.

RHP is such an effective ozone therapy treatment system, that it must be professionally administered and managed, so as not to induce any unnecessary side effect on the patient. The process is so effective that specific treatment applications guidelines have to be followed thus allowing the eradication of the diseased cells to be processed at a rate compatible to the patient's elimination systems and at the same time allow the patients regenerative systems to replace and compensate for lost cells, (especially the cells of the major life support body organs), whilst boosting the patient's own immune system to suppress any re-infection.

This form of Ozone Therapy is followed by extensive blood sampling and laboratory work, pre and post therapy, which accurately depicts the changing status of the patient's medical condition between therapy sessions, and allows professional medical personnel to monitor and adjust the therapy procedure as necessary, to meet the patient's specific needs. Therapy treatment sessions themselves are typically 60 minutes or less, up to 120 minutes, and this incredible therapy allows the patient to arrive, take treatment, and immediately carry on their normal lives after treatment. As a total cell and body purification system, this therapy is incredibly practical, and will benefit almost any patient, irrespective of the seriousness of their infection or medical condition as a complete detoxification system.

RHP, is a significantly improved, advanced and perfected form of conventional Ozone treatments, which have been used in Medicine since before the 1920's, and which was originally pioneered by many famous German scientists ([Otto Warburg](#) is the only man ever to be nominated twice and win one [Nobel Peace Prize in Medicine](#), for demonstrating that Cancer is an anaerobic growth, i.e. it does not need oxygen to survive and grow). RHP™, the nemesis to all anaerobic forms of infection, is a massively improved form of conventional [Ozone Therapy](#) as used in Medicine, since every time a larger molecular oxygen structure can be formed and successfully stabilised, the medical benefits which the patient experiences, exponentially increase.

RHP *Ozone Therapy*, acts essentially as a full blood and body/cell purification system, for its deployment and application, in eradicating chronic and severe medical diseases and conditions, including HIV/AIDS and various Cancers, amongst a host of other applications in Medicine. This therapy and its inter-related technologies have been extensively investigated, innovated, perfected and researched by Ozone Research Group Inc., who have developed and established scientifically over the past 18 years, *RHP Ozone Therapy*, to ensure that the maximum benefit is derived from the 'Enhanced Oxygen' molecules, and to eliminate any deleterious effects, as experienced by the patient. This therapy is a fully operational medical system, which is thoroughly viable, efficacious and effective alternative medical therapy option. This therapy is a very affordable and far cheaper in comparison to current conventional pharmaceutical and surgical medical options available today.

Several Research Protocols have already been initiated internationally to establish the efficacy and safety of this therapy, which opens up an entirely new field of Medical Science. We are set to revolutionize both curative and palliative medical therapy in an unprecedented manner, without the drawbacks, side-effects or complications associated with conventional chemical / pharmaceutical

medical therapy options and the trauma / risk of surgical intervention, complications, rejection or subsequent infection/contamination.

This therapy does not pretend to be the ultimate panacea to all infection and medical conditions which mankind suffers from, thereby making all other forms of medicine to date obsolete, however, it is a dramatic advance and a highly viable alternative medical therapy and Health Care option, which can work side by side all other forms of conventional medicine. In some dramatic cases this therapy has already achieved in its own right what no other form of medicine has yet been able to achieve, with respect to HIV/AIDS, Cancer, Ebola, Cardiovascular disease, CMV, EB, Hepatitis 'A through to F', Parkinsons' and Alzheimer's disease and a host of other conditions.

For millions upon millions of us with medical conditions which conventional medicine cannot cope with, 'RHP Ozone Therapy and its inter-related technologies' is a highly competitive, supplementary and complementary alternative therapy option to our health, well-being and resolution of our medical conditions, as contained and managed by present conventional medicine, which 'RHP Ozone Therapy' can dramatically assist and reverse. This therapy remains possibly our greatest opportunity in Medical Science today.

Unique Chinese Secret Herbs Formulas Since 1713

**Cured 5,000,000 Prostatitis, BPH, Prostate Cancer Cases in 300 Years**

### **Eminent China Prostate Specialist Professor Yang Wang**

Professor Yang Wang, 73 years old, is a registered Chief Doctor in China, professor at the University of TCM, and Secretary-General and Director in China's Association of TCM. He is China's eminent and excellent specialist in prostatitis, BPH, and prostate cancer treatment. The head and academic leader of the 'Shenzong Prostate Researching and Treatment Institution', enjoying the special allowance of state council. Professor Wang is the tenth generation from a Chinese doctor family. His ancestor is the well known Fengcun Wang from the Qing dynasty and was the special doctor to the king. The family has many particular formulas to cure

difficult illnesses, and specializes in curing prostate and urinary diseases. Professor Wang has modified the ancestral medicines according to modern people and lifestyles and is able to carry the effective medicines forward.

Though western medicines have made advances, the use of antibiotics on the prostate does not work, because the prostate has a firm envelope on the outside. Antibiotics can't enter the gland to treat inflammation. For BPH, western medicines such as Flomax or Saw Palmetto serve to open the urethra, but the side-effect is once you stop taking the drugs, you can't urinate by yourself. Most Chinese herb doctors prescribe medicines to nourish the kidney's yin or yang. However, the result is the symptoms are aggravated due to vacuity and not being able to endure the invigorator. The blockage and lower body heat is the main reason the yin or yang supplements can't be absorbed, bringing worse results. Either way, Western or Chinese medicines don't know how to cure the prostate. The reason for prostate disease is chill enters the body. Many of patient's symptoms are aggravated when the weather is cold because the blood circulation is blocked and damp-heat is collected in the lower-Jiao, causing yin or yang kidney vacuity. Many Western patients have realized the historical proof that Professor Wang's medicines, which have been handed down 300 years, can cure the prostate. The formulas come from a rich heritage, made from natural plants, insects, and living things from the sea with no toxins or ill side-effects for the patient. Professor Wang believes that to cure the prostate the blockage must be cleared away, making the bodies circulation smooth. He has improved the traditional formulas for the modern person's body conditions. According to the China Academy of Traditional Chinese Medicine test, with these remedies, **there is a 98% recovery rate in 10,000 case statistics**. The series of medicines can cure acute and chronic prostatitis, shrink enlarged prostate, get rid of the need for a catheter, remove prostate calcifications, make testicle and prostate pain disappear, free up urination, improve sexual function and increase libido and sexual pleasure.

## ***Hoxsey Clinic Understands Your Needs When Battling Cancer***

If you've been diagnosed with cancer, you know how scary the "C" word can be. There's a stigma that goes along with the diagnosis and that fear is very real and valid. Part of the problem for many patients is that they know their diagnosis means a very prolonged battle—and the treatments are often worse than the disease itself. Western medicine's cures include pushing poisons, like chemotherapy or radiation, into your body to kill the cancer cells. The problem is that those poisons don't differentiate—they kill healthy cells, too. Surgery may remove cancerous growths, but it also causes an enormous amount of stress on the body.

At Hoxsey Clinic, we understand how much those procedures can damage your body, just when you need all of your strength to get well. Learn more about the clinic's history and our [alternatives to chemotherapy](#).

### **What Are the Alternatives?**

The treatments available at Bio-Medical Center include natural herbs, special diet, vitamins and minerals, lifestyle counselling, positive attitude, and conventional medical treatments when indicated. Modern diagnostic methods include extensive laboratory analysis, X-rays, ultrasound, CT scans, and others as needed for your case. Once an accurate diagnosis has been made, the doctors will outline a special program that works to strengthen the impaired immune system. By rebalancing and normalizing your metabolism, the treatments at Bio-Medical Center give your body a chance to heal itself often without resorting to more toxic debilitating treatments.

Learn about our doctors and [alternative cancer](#) treatments.

You should keep in mind that each patient's illness, prognosis, and outcome are different. No hospital or clinic can guarantee a 100 percent chance of recovery, but there is evidence that many patients—some of them arriving with very late stages of disease—have been helped by the treatments available at Bio-Medical Center.

Read about our patients' experiences and the [Hoxsey tonic](#).

### **Hoxsey Clinic Costs and Information**

Many patients considering alternative medicine have questions about cost and payment. Some types of insurance companies do cover treatments, but it's important to note that not all insurance will. However, the cost is still far lower than most traditional treatments, ranging between US\$400 to US\$3,000 dollars, including doctor's fees, physical examination, laboratory fees, X-rays and other radiology exams, as well as supplies and supplements.

If you choose treatment through our facility, you will be billed directly. We hire a third party to file insurance paperwork and, should your insurance cover any portion of the treatment, we would then reimburse you that amount.

**PASCAS  
PAPER S**

Welcome to Hope4Cancer Institute, a 24 x 7, full service in-patient treatment centre for cancer patients located in Baja California, Mexico. Hope4Cancer has treatment options for patients with all types of cancers, from early to advanced stages of the disease.

**We combine the latest non-toxic, evidence-based medicine that selectively targets cancer cells, with a sophisticated WHOLE BODY CANCER TREATMENT PROGRAM.** As a result, we can comprehensively treat not just the cancer itself, but also the often ignored, underlying conditions that stimulate the growth, and later, the resurgence of cancer. <http://www.hope4cancer.com/>

**Hope4Cancer Institute features more treatment options under one roof than any other cancer clinic.** Our convenient location in Mexico gives us the option to leverage highly effective treatments that are not available in many countries like the U.S.A. or Canada. As a result, we can avoid toxic treatments such as chemo- and radiotherapy that leave a trail of destruction in the body. Our philosophy is to treat the cancer effectively from all angles, while at the same time *doing no harm* to a body that is already dealing with the stress of the disease.

We are committed to providing the best patient experience through our exceptional clinic care and long term support. Here are some of the features that make us stand out:

**UNIQUE, INNOVATIVE TREATMENTS.** The treatment of cancer is an ever-growing field. Our scientific development team is always at the edge of innovation, researching new natural, non-toxic treatment modalities to bring you the very best possible care without having to resort to chemo, radiation or surgery. Some of our well-established, unique treatment modalities include:

- **Rigvir Virotherapy.** At the leading edge of cancer therapy and immunotherapy, Rigvir uses a non-pathogenic, genetically unmodified virus to seek out and destroy cancer cells with a radar-like focus, leaving healthy cells untouched. It also awakens the immune system to the presence of the cancer. <http://www.virotherapy.eu/rigvir.php#> [info@virotherapy.eu](mailto:info@virotherapy.eu)
- **Sono-Photo Dynamic Therapy.** Uses of sound and light waves coupled with a sensitizer to destroy cancer cells.
- **Biological Vaccine AARSOTA** (autogenous antigen reception specific oncogenic target acquisition). A treatment that uses cancer antigens developed within your own body, extracted to fight against cancer.
- **AloeMed Therapy.** A proprietary, concentrated Aloe-based formula that combines the anti-cancer and immunomodulatory properties of Aloe.
- **Indiba Hyperthermia.** We have one of the few Indiba local hyperthermia devices in the world. The Indiba device delivers focused heat to tumors assisting in immediate benefits for most patients.

Hope4Cancer® Institute introduces **Rigvir® Cancer Virotherapy** as a new therapy.

**Hope4Cancer Institute** is proud to provide Rigvir, a powerful treatment that selectively targets cancer cells with a radar-like precision. Rigvir is the only known genetically unmodified virus in the world that infects and kills cancer cells, while leaving healthy cells untouched.

**ADVANTAGES OF RIGVIR®** Similar to chemotherapy and radiation, Rigvir® directly affects cancer cells as they undergo cytolysis (cell break down). That is where the similarity ends.

- **Rigvir®** is a registered anticancer drug from the International Virotherapy Center ([www.virotherapy.eu](http://www.virotherapy.eu)).
- **Rigvir®** is supported by a legacy of over 50 years of research that includes numerous clinical trials on thousands of patients.
- **Rigvir®** has a demonstrated selective efficacy against a variety of tumours as well as powerful immune system modulating properties that make the cancer vulnerable to further attack.
- **Rigvir®** has an exceptional safety profile – non-pathogenic (does not replicate or cause disease in humans), phenomenal therapeutic index, unrivalled by standard chemotherapy and radiotherapy treatments.

Cancer virotherapy has a very high therapeutic index, in some cases as high as 10,000:1 (meaning that 10,000 tumour cells breakdown for every affected healthy cell). Chemotherapy and radiation, however, operate within narrow therapeutic windows where effectiveness cannot be divorced from the toxic effects.

Cancer virotherapy triggers immune response while chemotherapy and radiation suppress it. This results in the faster and more effective elimination of cell breakdown toxic materials, whereas in the case of chemo and radiation the toxicity persists and impacts quality of life and survival.

Multiple courses of cancer virotherapy can induce tumour immunological regression that triggers apoptosis, or regulated cell death. This process is suppressed in cancers.

Hope4Cancer® Institute is proud to announce the signing of a cooperation agreement with the International Virotherapy Center, paving the way for the development of Rigvir® in Mexico as a cancer therapy. Hope4Cancer is the only center accredited by the International Virotherapy Center as a clinic authorized to treat patients with Rigvir® in Mexico.

## The Gerson Therapy

The Gerson® Therapy is a natural treatment that activates the body's extraordinary ability to heal itself through an organic, plant-based diet, raw juices, coffee enemas and natural supplements.

With its whole-body approach to healing, the Gerson Therapy naturally reactivates your body's magnificent ability to heal itself – with no damaging side effects. This a powerful, natural treatment boosts the body's own immune system to heal cancer, arthritis, heart disease, allergies, and many other degenerative diseases. Dr. Max Gerson developed the Gerson Therapy in the 1930s, initially as a treatment for his own debilitating migraines, and eventually as a treatment for degenerative diseases such as skin tuberculosis, diabetes and, most famously, cancer.

The Gerson Therapy's all-encompassing nature sets it apart from most other treatment methods. The Gerson Therapy effectively treats a wide range of different ailments because it restores the body's incredible ability to heal itself. Rather than treating only the symptoms of a particular disease, the Gerson Therapy treats the causes of most degenerative diseases: toxicity and nutritional deficiency.

An abundance of nutrients from copious amounts of fresh, organic juices are consumed every day, providing your body with a super-dose of enzymes, minerals and nutrients. These substances then break down diseased tissue in the body, while coffee enemas aid in eliminating toxins from the liver.

Throughout our lives our bodies are being filled with a variety of carcinogens and toxic pollutants. These toxins reach us through the air we breathe, the food we eat, the medicines we take and the water we drink. The Gerson Therapy's intensive detoxification regimen eliminates these toxins from the body, so that true healing can begin.

### ***How the Gerson Therapy Works***

The Gerson Therapy regenerates the body to health, supporting each important metabolic requirement by flooding the body with nutrients from about 15- 20 pounds of **organically-grown** fruits and vegetables daily. Most is used to make fresh raw juice, up to one glass every hour, up to 13 times per day. Raw and cooked solid foods are generously consumed. Oxygenation is usually more than doubled, as oxygen deficiency in the blood contributes to many degenerative diseases. The metabolism is also stimulated through the addition of thyroid, potassium and other supplements, and by avoiding heavy animal fats, excess protein, sodium and other toxins.

Degenerative diseases render the body increasingly unable to excrete waste materials adequately, commonly resulting in liver and kidney failure. The Gerson Therapy uses intensive detoxification to eliminate wastes, regenerate the liver, reactivate the immune system and restore the body's essential defences – enzyme, mineral and hormone systems. With generous, high-quality nutrition, increased oxygen availability, detoxification, and improved metabolism, the cells – and the body – can regenerate, become healthy and prevent future illness.

**WITHOUT Micronutrients:**  
Green color indicates that  
all cancer cells are alive

**WITH Micronutrients:**  
Orange color indicates cancer  
cells dying by apoptosis

### ***The Benefits Of Micronutrients In Inducing Cancer Cell Death***

<http://www.drathresearch.org/>

Apoptosis, also referred to as “programmed cell death,” or “cell suicide,” originates from a combination of Greek words that can be loosely translated as “falling off.” Apoptosis is a physiological process essential for the development and function of the human body and other multicellular organisms. Millions of cells routinely die in the bone marrow and intestines every hour. It is estimated that approximately 50-70 billion cells die due to apoptosis every day in an average human adult.

The cellular life cycle (cell division and formation of new cells, their function, and eventual death) of the trillions of cells in our body is a tightly controlled process. Normally, cells “commit suicide” when they are no longer needed. Such suicide – or apoptosis – occurs by activating a specific program within the cells leading to their destruction without damaging surrounding cells and tissues. Apoptosis is crucial during embryonic development and in growth of adult tissues, e.g., the process of separation of fingers and toes in a developing foetus. Menstruation – sloughing of the inner lining of uterus – requires apoptosis. Our body routinely entrusts apoptosis to eliminate faulty white blood cells that could cause autoimmune diseases, or to eliminate the abnormal cells which could lead to cancer or leukaemias.

The development of abnormal cells into cancer is dependent on several factors, one of which is their ability to escape apoptosis. Cancer cells not only multiply uncontrollably, they successfully dodge this natural mechanism of death. Cancer cells hijack the cell machinery and stop apoptosis by blocking the activity of a particular gene – p53. This protector gene first stops division of abnormal cells, and then initiates either their repair or destruction if the damage is severe. Normally, the p53 gene activates specific apoptotic proteins from the Bcl2 family and the Caspases enzymes that initiate and continue the process of apoptosis. The malfunctioning of the p53 gene results in rapidly growing and aggressive cancers. Restoration of the normal process of apoptosis is one of the avenues being explored for anti-cancer treatments. Several drugs, including Aspirin and other non-steroidal-anti-inflammatory-drugs (NSAIDs), are being researched in cancer cells for their usage as apoptosis inducers.

We explored the potential of micronutrients in inducing apoptosis in different cancer cell lines. Cancer cells are typically immortal, but our results show that a specific micronutrient combination is capable of triggering metabolic and genetic changes that kill the cancer cells by inducing their natural cell death cycle. We observed that the apoptosis was induced in leukaemia cells by increasing the activity and levels of the p53 gene, and another pro-apoptotic protein (Bax protein), and simultaneously decreasing the action of anti-apoptosis proteins (Bcl-2 alpha). In another study, we observed that apoptosis increased with increasing doses of micronutrients.

The pharmaceutical drugs with similar pro-apoptotic action act indiscriminately, inducing apoptosis in cancer cells and in healthy cells. These drugs can cause brutal side effects including drug-resistance and

fatal liver failure. To assess the safety of the micronutrient combination, we also tested it on normal cells. The normal cells did not show increased apoptosis, proving the cancer cell selective action of micronutrients.

Although apoptosis is vital to destroy the abnormal cells, it is also important to maintain optimum health requiring a precise balance between cell formation and destruction. Based on our research, the micronutrient combination is a safe and effective way to achieve this balance.

**Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.**

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

Nearly all Americans have been affected by the epidemic of degenerative diseases sweeping the nation. Conventional medicine is outstanding at treating trauma, like emergencies and broken bones. But other than temporarily masking symptoms, it has little to offer patients dealing with Cancer, Heart disease, Diabetes, Arthritis, Alzheimer's disease, Lymes disease and a host of other chronic ailments afflicting so many people. Even worse, the drugs used to hide symptoms have side effects that can make the situation even worse. Many are unable to figure out with their typical Practitioner where exactly their symptoms stem from.

For this reason, Center For New Medicine shies away from the toxic aspects of conventional medicine, using drugs and surgery only when such intervention is really necessary. Instead, we focus on therapies that support the body's innate defences and healing mechanisms. We call it Integrative Medicine. We first determine the root cause of the illness, and then we work with you as a team to combat the illness, while changing your lifestyle so you can achieve success.

Our "New Medicine" – sometimes called homeopathic, natural, complementary, or integrative medicine — combines the best of modern science with natural healing traditions that have been proven effective. Our clinic contains some of the world's most technologically advanced medical equipment, devices normally only found at select university research hospitals. Our "prescriptions" routinely feature customized dietary and lifestyle recommendations, natural nutritional supplements and other complementary therapies that produce lifelong benefits.

Cancer Center for Healings' integrative cancer treatment is unique. They offer conventional standard-of-care treatments, laboratory work and diagnostic imaging, consultations with our Oncologist and Integrative Medicine Specialist and, if appropriate, chemotherapy. However, they combine those treatments with advanced integrative medical protocols that not only reduce the adverse side effects, but actually make the conventional approaches work more effectively.

## Welcome to the Burzynski Clinic

- Innovative and cutting-edge [Personalized Cancer Therapy](#)
- Medical expertise based on over 35 years of clinical experience and research

## Our Approach to Cancer:

Our goal is to provide sophisticated cancer care utilizing a personalized and targeted therapy approach.

Our personalized cancer therapy utilizes an understanding of each patient's genetic make-up to unravel the biology of their cancer and identifies effective treatment strategies using targeted therapies that are aimed at specific genes or proteins that are found only in cancer cells or their environment.

In 1977 that the Burzynski Clinic was established in Houston, TX. Since then, more than 8,000 patients have received treatment at the clinic, including more than 2,300 cancer patients who have been treated in FDA reviewed and Institutional Review Board (IRB) approved clinical trials program of Antineoplastons, investigational agents that derived from Dr. Burzynski's early investigations of naturally occurring human peptides. Currently, new FDA-reviewed Phase II and III clinical studies utilizing Antineoplastons are awaiting Institutional Review Board (IRB) approval prior to patient enrolment.

Antineoplastons are a group of naturally-occurring peptides and amino acid derivatives which control tumor growth, and have been proven in clinical studies on a number of advanced cancer cases to be highly effective and non-toxic, relative to chemotherapy. First identified by Dr. Stanislaw Burzynski in human blood in 1967.

## **Manuela Malaguti-Boyle ND Integrative Medicine Practitioner**

Nutritional & Herbal Medicine Cancer Specialist

<http://www.cliniciansolutions.com/>

It has long been established that significant health improvement can be accomplished by addressing a person's **unique** needs and biochemical individuality. This process can be accomplished by carefully identifying underlying physiological dysfunctions with cutting-edge assessment tools and individualised Complementary Medicine treatments. One size does not fit all 220 cancer types.

Have you just been diagnosed with cancer? Are you undergoing treatment (chemotherapy, radiation therapy, hormonal therapy)?

The **INSPIRED CANCER CARE PROGRAM** consists of seven steps:

- **Individualized** specific anti-cancer, anti-metastatic selected diets aimed at reducing the capacity of cancer to produce energy and thus induce either death of the cancer cells or reduce the rate of progression i.e. Gerson-style; Ketogenic; etc..
- **Nutritional** dose-dependent supplementation – to be checked and reassessed every two weeks. inclusive of melatonin and nutrients aiding at creating an hormonal blockade.
- **Specific** herbal extract formula – to be checked and reassessed every two weeks and comprising of dose- dependent anti-inflammatory, adaptogenic and immunomodulatory herbal blends, with the best of Western, Ayurvedic and TCM medicinal herbs. Immunotherapy at its best!
- **Pancreatic** enzyme therapy.
- **Infusion** of Vitamin C and alpha lipoic acid and/or glutathione under medial supervision.
- **Relaxation** and mind visualization, yoga, meditation, art and music therapy. Oncology massage.
- **Elimination** of toxins through a comprehensive detoxification program and lifestyle modifications (liver, colon, lymphatic).
- **Diet** and lifestyle modifications: “make your cancer be your coach!” This is an ongoing maintenance program for a happy and healthy life free of disease. CTC at end of program.

My role is to identify the underlying causes responsible for your disease and apply effective interventions with individualized natural medicines protocols and lifestyle changes. To achieve this goal, I have reviewed thousands of research articles and extracted the most current and relevant information for you and your family. I work cooperatively with Oncologists, Radiation Oncologists, Surgeons and other Health Care Practitioners (TCM, acupuncturists, psychologists, osteopaths, massage therapists, nurses). At all times, drugs / herbs / nutrients interactions are carefully analysed.

I use natural, non-toxic therapies that support the whole person and stimulate the immune system. My therapies are evaluated for their level evidence on both burden of risk and efficacy, and are given at doses and times that will not negatively impact conventional treatment.

## Medical Center Cologne (Germany)

<http://gorter-model.org/>

**Medical Center Cologne (MCC)** was founded in 2000 by **Robert Gorter, MD, PhD**, to apply to cancer patient his expertise, research and clinic experiences over the previous four decades. More and more patients started to name his way of treating: ‘The Gorter Model.’

The Gorter Model is an inclusive therapeutic modality of treatment of cancer patient of all sorts, patients living with chronic viral infections; such as, hepatitis B & C, HIV, and patients living with degenerative diseases. This model uses immune-supportive, nontoxic therapies.

As a cancer survivor himself, Dr. Gorter developed this program after more than forty-five years of independent clinical experience. A thorough understanding of immune function, which he received from being the medical director of the Department of AIDS Epidemiology and Bio-Statistics and as an associate clinical professor at the famous AIDS ward 86 at General Hospital in San Francisco. [Read more about Robert Gorter as a physician at AIDS Clinic – Ward 86 in San Francisco, California](#)

***The innovative, nontoxic cancer therapy as part of the Gorter Model is a highly individualized approach and patients are treated according to their individual needs.***

Medical Center Cologne applied [the Gorter Model](#), since 2000. The goal of the treatment is to improve the immune system (“immune restoration”). The basic elements of the Gorter Model are the integration of the therapies and protocols in a schedule designed specifically for each patient. Traditional academic (western) medicine is being combined with new therapies, which have a sound scientific basis.

There are 3 major forms of [nontoxic cancer therapy](#) included in the Gorter Model:

- the vaccination with dendritic cells.
- various forms of [hyperthermia](#); Hyperthermia can be used as the primary form of cancer treatment or safely applied in combination with other therapies.
- The [immune restoration](#) process, which includes [Viscum album \(Mistletoe\)](#), infusions with thymus and spleen peptides, [vitamins and trace elements](#) and various components which patients need. Immune therapies are used to restore and maximize immune function and destroy cancer cells in a nontoxic way.

Plus: Ozone Therapy – Medical ozone therapy is extremely useful for immune activation in patients with low immune status and/or immune deficit.

**Research Genetic Cancer Centre (RGCC) – Greece:** At the forefront of molecular oncology, this lab picks up cancer at minute, molecular levels. More specifically RGCC offers analysis of circulating tumour cells and cancer stem cells. These high tech tests can also identify which treatments, both conventional and alternative, will work best for you. That includes a list of the most effective chemotherapy agents as well as the top natural treatments – like IV C, Artemisinin and curcumin – for your cancer. [www.rgcc-genlab.com](http://www.rgcc-genlab.com)

RGCC has a branch in Melbourne which undertakes the sampling and shipping of blood to Greece. [www.nutripath.com.au](http://www.nutripath.com.au) In fact, RGCC is a global network with representation in every county.

This is the primary service used by Integrative and Functional Health Center, Texas, in assessing situations and designing the natural supplement protocols for conditions related to cancer – tailor made. The test may typically show that Chemo may have no effect on the bad cells in one's blood, but would of course damage the rest. An extensive number of nature's medicines are effective in inducing death of cancer cells. In other words, what one ingests restores one's immune system and then the bad guys – cancer cells – commit suicide.

RGCC: Our mission is to provide the highest quality range of services to all of our client groups. Central to our work is the welfare of cancer patients seeking the very best personalized, integrated treatments. We are committed to ensuring clinicians have access to the most up-to-date information available for the benefit their patients.

RGCC International GmbH is a leading company in analysis of circulating tumour cells as well as Cancer Stem Cells. Through their analysis, they are able to offer services in clinical field as well as in R&D in the pharmaceutical industry.

By using the most advanced and innovative technologies of molecular and cellular biology, RGCC manages to overpass several restrictions and difficulties that the analysis of CTCs (circulating tumour cells) and CSCs (circulating stem cells) involve.

Pharmacogenomics is the science that examines the inherited variations in genes that dictate drug response and explores the ways these variations can be used to predict whether a patient will have a good response to a drug, a bad response to a drug, or no response at all.

Hence, through such an approach a massive amount of information and data has been generated in order to be used for identifying new drugable targets as well as offering methods in clinical practice like new and precise assays, risk scale, and classification of cancer patients.

## “All dis-ease is mind generated, and all healing is generated by the love energy of one’s soul.”

The Ego (mind based) manifests illness; the lower one’s level of consciousness (soul condition) then the more prevalent will be illness. Below the levels of 200, the ego and fear of the mind dominate; however, as you raise your level of consciousness by growing in love and achieve a level of 500 or higher, you begin to transcend ego dominance. At the level of 600, all healing is possible.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

## The Seven MAJOR PRINCIPALS + One for “LIFE”

In order to regain and maintain health and vitality one must follow these basic principles of mental / physical hygiene.

1. **Air:**  
Pure, clean, rich in negative ions.  
Proper deep, abdominal breathing. 8-10 breaths slow and focused every morning and evening.  
**Lymphasizing:**  
Using a gentle bounce, (feet do not leave the mini trampoline)  
Practice deep breathing – breath out, for 8 consecutive breaths, on the down strokes without breathing in, and breathe in for 4 consecutive breaths, on the down strokes without breathing out.  
**Maintenance-** 20 minutes requirement per day. Health challenges, start gradually 2 to 5 minutes per day working up to an hour per day (15 minutes 4 times a day)
  2. **Water (2 – 2½ litres):**  
Pure, Fresh, filtered, distilled or rainwater micronised, alkaline and rich in negative ions.
  3. **Balanced Nutrition:**  
Fresh fruit and vegetables, complex carbohydrates, essential amino acids, essential fatty acids, minerals and vitamins. Balanced eating programme.
  4. **Physical Exercise:**  
Movement (walking, swimming, exercise on mini trampoline), stretching, aerobics, weights.
  5. **Rest:**  
Recreation, meditation, relaxation and sleep.
  6. **Sunlight:**  
1-2 minutes in the first hour of dawn, direct on the “rods” and “cones” of the retina of the eye.  
Later in the day the sun can shine direct on the closed eyelids and “solar plexus” of the abdomen for 10-15 minutes.
  7. **Positive Mental Attitude:**  
Love, contentment, happiness, laughter.  
Smell the roses!  
BLISS!
- +
8. **And the most important of all:**

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Our Heavenly Mother and Father simply desire for us to ask for Their Love.**

**DIVINE LOVE being AVAILABLE is our SALVATION:**

**The Divine Love is far more powerful than the natural love. If I would have to put a number on how much stronger, just so you can understand what I'm trying to say, I would say 10 or maybe even 100 times. Of course this is purely hypothetical because natural love is only a derivative of Divine Love so it is almost impossible to compare them this way. If you ask for the Divine Love to enter your soul it will be 10 or 100 times more efficient, 10 or 100 times stronger than if you would let the natural love flow through your soul. So it will help to break down "the wall" you've created around your soul 10 or 100 times faster than the natural love would do.**

**John (Apostle) 19 January 2015**

**Soul within spirit body prior to receiving Divine Love.**

**Divine Love being received from The Spirit, covering the spirit body of the requesting personality.**

**Divine Love having been assimilated within one's soul, now being reflected through the radiance of the spirit body.**

## **PROFESSIONAL ALLOPATHIC MEDICAL TEAMS and ONCOLOGY:**

An Allopathic / Western Medicine Oncology Unit are all embracing in the health services to be provided. The oncology / cancer services that are typically established do not extend outside of dealing with the physical body issues and avoid addressing the underlying cause of the illness episode, thus the issues typically re-emerge at a later date.

A liaison officer, or Streamer, is instrumental in the establishment of the medial advisory committee which may consist of 12 to 22 members. The team concept goes like this:

### **NEUROSURGERY:**

A neurosurgical team includes neurosurgeons capable of dealing with intracranial, spinal and peripheral neurological disorders. They are supported by neurophysicians for diagnostic work as well as radiologists and various therapists who are involved post-operatively. A neurosurgical team also requires that there be nursing staff with expertise in the management of neurosurgical cases.

### **EARS, NOSE & THROAT – ENT:**

In addition to orthodox ENT surgeons there is a need for an endoscopic sinus surgeon, laser surgeon, head and neck surgeon, along with support and speech pathologists, speech therapists, radiologists, etcetera.

### **UROLOGY:**

Surgeons and urologists co-operate most frequently in the discipline of urology. A urologist with paediatric experience or a paediatric surgeon with urological experience is also essential as well as support physiotherapists etcetera.

### **ORTHOPAEDIC:**

General orthopaedic surgeons are needed plus arthroscopy experts, hand surgeons, microsurgeons, trauma surgeons. Physiotherapy and orthopaedic surgery can't survive without each other.

### **TRAUMA SURGERY:**

Trauma surgery is a special consideration as a Hospital typically will have a busy accident and emergency department so there needs to be readily available general surgeon with trauma experience; orthopaedists, neurosurgeons, etc, twenty-four hours a day to back up the Accident and Emergency (A & E) department and with the ability to call in other surgical disciplines as required for example, ophthalmic, plastic, etcetera.

### **GYNAECOLOGY:**

Gynaecological surgery is now split into general gynaecology, cancer surgery, endoscopic surgery, colposcopic and laser surgery. Either way, a hospital will require several experts or gynaecologists with multiple expertise.

### **IN-VITRO FERTILISATION – IVF:**

For IVF there is need in addition to endoscopic surgical expertise, a dedicated laboratory support team for efficient function as well as support counsellors, etcetera.

Radiology / ultrasound are an integral part of gynaecological services these days.

#### GENERAL SURGERY:

General surgeons have split their expertise so there are now colorectal surgeons, breast and endocrine surgeons, vascular surgeons, endoscopic surgeons, and so on. Their teams include radiology / ultrasound, alimentary tract endoscopists, endocrinologists, pathologists, physiotherapists, etcetera.

Paediatric surgery is a highly specialised area which encompasses endoscopic surgery as well as plastic surgery and requires special theatre facilities and post-operative care teams.

#### OPHTHALMIC SURGERY:

Eye surgeons now specialise in the anterior and posterior chamber of the eye, plastic and reparative / corrective surgery, laser surgery, lens extraction and implants, and work on a mix of day case and inpatient care. They require orthoptists and trained ophthalmic nursing staff as part of their team.

#### DENTAL and FACIOMAXILLARY SURGEONS:

They work in the same area and need radiological, pathology and physiotherapy support.

#### PLASTIC and RECONSTRUCTIVE SURGERY:

Plastic and reconstructive surgeons include microsurgical repair teams, reconstructive surgery and head and neck surgeons who again require radiology, pathology, physiotherapy and special nursing care staff.

#### CARDIO THORACIC:

Cardiac by-pass surgeons need the assistance of cardiologists, radiologists, perfusionists as well as physiotherapists and highly skilled intensive care nursing personnel.

This list is not exhaustive but aims to provide an idea of the teams that are required for the various surgical units that a major hospital will have establish.

You will note that there are particular support disciplines common to all surgical teams – for example, radiology, anaesthetics, physiotherapy and nursing care.

For many of the surgical disciplines specialised nursing skills are required – for example, ophthalmic, orthopaedic, paediatric and so forth.

#### **ONCOLOGY – CANCER:**

When looking at the relevant cancer treating teams one adds to the basic unit specialist radiotherapists as well as radiologists and these are two separate areas of expertise with the frame work of radiology, chemotherapy specialists and pathologists, counsellors and support staff and the usual management goes like this:

A patient / friend is diagnosed with a malignancy. Pathological confirmation is obtained and the relative oncology unit usually considers the individual in committee and allocates a therapeutic management protocol for the ongoing care of the patient. For this purpose special specific discipline oncology clinics are held where follow-up is also maintained after initial treatment. These clinics are usually held on a once a week basis and there would be in attendance, for instance say for gynaecology, the patients gynaecological cancer surgeon, radiotherapist, chemotherapy specialist, support nursing staff or counsellor and pathologist.

These special discipline teams usually meet on a weekly basis where they see new cases and follow-up cases and of course function all year round.

One reason why it is important to make sure there is two of every type of surgical specialist on the staff is that there is always people away on leave or at courses and so forth, and if there is only one person then everything grinds to a halt during their absence, whereas if with at least two then these clinic services go on irrespective.

#### CARDIOLOGY:

Similarly with heart disease patients, the diagnosis involves triage by clinical history and examination, stress test, angiography and perhaps nuclear medicine, and then a committee of the cardiology clinic may allocate individuals to different therapeutic programs – for example, angioplasty or CABG surgery or palliation only, etcetera.

Within the cardiology clinic there will therefore need to be cardiologists, interventional cardiologists, radiologists, cardiac surgeons, as well as anaesthetists with specialised skills and perfusionists, physiotherapists, dieticians, psychologists, etcetera.

#### RADIOTHERAPY UNIT:

A steering committee consisting of Radiation, Haematology, Medical and Nurse Oncologists would proceed to establish guidelines, working rules and safety procedures. Support can be drawn from other established units.

There is always a need for two of everyone covering radiation oncology, medical oncology, radiographers covering planning and treatment, nursing staff that is oncology trained in therapeutic radiation, physicists, x-ray engineers and pharmacist – pharmacy to be equipped with laminar flow unit. Patient care has two groups, a day care unit to accommodate 10 in a quiet area with observation and the other being a cluster of wards for the more serious cases. A radiotherapy director is appointed.

#### DIRECTOR of MEDICAL SERVICES:

Each clinical service will have its own director who, in turn, is to be supported by a Director of Medical Services as appointed by the hospital in question.

#### GENERAL:

Thus, it can be seen that allopathic oncology / cancer units generally do not embrace holistic approaches to assisting patients / friends and the cause of the illness is avoided resulting in re-occurrence.

**DIAGNOSTIC IMAGING:**

Imaging modalities:

- 1.1 Radiography
- 1.2 Magnetic Resonance Imaging (MRI)
- 1.3 Nuclear medicine
- 1.4 Ultrasound
- 1.5 Elastography
- 1.6 Tactile imaging
- 1.7 Photoacoustic imaging
- 1.8 Thermography
- 1.9 Tomography (CAT)
  - 1.9.1 Conventional tomography
  - 1.9.2 Computer-assisted tomography
- 1.10 Echocardiography
- 1.11 Functional near-infrared spectroscopy

Imaging departments are always expanding with yet another dedicated room to provide for yet another technology innovative development.

**PATHOLOGY LABORATORY – BLOOD WORKS!**  
**PATHOLOGY LABORATORY**

Reception & Administration	Biochemistry & Serology	Immunology	Stores & Staff Rooms
	Specimen Reception & Collection	Haematology & Coagulation	Microscope & Office
	Autologous Blood Bank		Histopathology
		Microbiology	Fume Hoods

Diagnostic services and capabilities are extra-ordinarily capable, yet science still refuses to consider the ‘unseen’. Until the finer substances that current scientific equipment cannot identify are considered then the allopathic health care industry will continue to look for needles in haystacks. The health care industry is blind to the prospect of realising what is possibly the underlying cause of any illness episode and therefore the re-occurrence continues unabated.

Oncology specialist units remain closed to as why do millions upon millions each year recover from illness episodes that the allopathic health care system has no understanding of how to assist them.

The greatest event in the history of humanity is unfolding and the answers are being provided, having commenced on 31 May 1914, and it is now up to us to realise these great gifts and share them with all. This we will do.

**STAGES of MATTER:**

**Matter becomes finer and finer and more incredible within each phase:**

**The SUBSTANCE of The LOVE brings about PHYSICAL HEALTH:**

December 5, 2003

<http://new-birth.net/contemporary-messages/messages-sorted-year/messages-2003/millions-of-souls-millions-of-paths-ks-5-dec-2003/>

"When you know that you are souls with a spiritual body and a physical body, and that these two bodies reflect the condition of your soul, then how can there be any question about which part of your being is the most important?"

**"If you want to be well and healthy, happy and strong, then you must see that it is important for you to get your souls into the highest and best condition possible."**

Apostle Peter

In the same way we will go about achieving our very personal and valued goals so will we go about creating harmony within our communities and peace worldwide.

**"The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.**

**"But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Mother and Father's Grace."**

Judas – August 19<sup>th</sup>, 2001

**Divine Love is the Great Gift that God desires to give to the heart-soul that asks, yearns and seeks for It. It is unconditional Love *conditionally* given that requires no preparation. It is conditional only because Divine Love cannot and will not be given to any person without that person first asking and yearning for It.**

**We Inherit our Emotional Errors from the Environment around us during Childhood:**

We are to build but one temple. The Temple of the Living God is the blending of the greater (Divine Love) with the lesser (natural love) through which the lesser becomes one with the greater. The impurity was caused by the separation of the lesser from the greater. The purity is caused by their union, so that no longer is there a greater and a lesser but just the one good, whole, pure air of at-onement. When you let the Love of the Father pour through you to all things, nothing fears you and no harm can befall you. It is separation from the Source Soul, Father, which has caused sin / error, sickness, poverty, and death. It is union with the Creator, Father that causes one to become a whole Being or to become conscious of being whole.

Life and Teaching of the Masters of the Far East Vol I by Baird T Spalding.

### EMOTIONS THAT are NOT LIFE ENHANCING:

Emotions are things. The vibrational rates of negative emotions are low. Such negative emotion frequencies are not life enhancing. They emerge from an event, typically during early childhood and are absorbed from the child's environment. From the moment of conception and through to around the age of seven, the child absorbs the emotions of its parents and those in close proximity making up its environment.

The child, at the point of conception being the moment of individualisation, is naturally endowed with life enhancing emotions which are essentially all loving.

Negative emotions that do not naturally flow through the person or child are attracted to organs within the body that has a relative frequency (magnetic and gravitational field) to which it lodges. This lodging could be anywhere along the meridian lines that run the full length of the body but are related specifically to a particular organ.

Should such an emotion be allowed to fester, it will attract matching energy in a way that the top diagram suggests. This negative emotion commences to appear in one's soul and then in the spirit body which holds the template for the physical body. Medical intuitives often can see the growing negative emotion within the spirit body.

Then this negative emotion crystallises and emerges in the physical body, firstly as a dull pain, then develops into an illness. The middle diagram is suggestive of such a clustering emotional issue.

The world is enveloped by humanities negativities to such an extent that it is difficult for loving spirits from the upper spirit world spheres and Celestial Heavens to penetrate to assist us when we do open ourselves towards such help. We need to be in a loving state of the 2<sup>nd</sup> sphere or higher to achieve connection with such spirits, 95% of humanity is within the 1<sup>st</sup> sphere state.

## EMBRACING the LOVES:

Our soul is formed from the substance known as natural love. This natural love enables us to develop to that which is the perfect man, an excellent, capable and loving personality. However, there is a limit to our growth founded on natural love for there is nothing of the Divine within the substance of natural love.

Should we ask for, and then receive Divine Love, then the Divine substance of Divine Love can be added to our being, thus providing us with an infinite potential for growth and development in the Love that is Divine.

The natural love and Divine Love are not divided when in the soul.

The natural love is harmonious in the Immortal greater love, the Divine Love, and so, never shall an Immortal faith and Immortal truth fall.

Adding Divine Love to your being can be likened to developing a powerful engine based on natural love to that which is found within a most powerful muscle car. One's performance capabilities develop as the regular fuel of natural love is slowly, but steadily supplemented with the fuel of Divine Love, thus changing that which is founded on natural love to that of the Divine, namely Divine Love.

Your fuel steadily is converted to that which is of the highest octane level ever envisaged.

The Divine Love is the wonder of the universe. How this invisible substance causes so much change in our mortal nature is a miracle to behold and experience.

Living with the Divine Love brings about harmony throughout all of one's bodies, systems and personality. One's capabilities and love continue to greatly expand.

Divine Love always has its effects in harmony with the expression and development of natural love. Therefore your awareness and expression of natural love in your life is a vital element in accepting Divine Love into your life and fostering its development of your soul. Divine Love is the great harmoniser and is therefore not isolated but its effects are universal.

Divine Love is the 'ultimate' high octane fuel.

## **WE ARRIVE DETUNED!**

Our souls are a divine creation of our Heavenly Mother and Father. They could not be any other way! And are designed (such as how it has been for us) to begin incarnation in a Natural love condition reflecting the Natural love state of our world.

And we have also been provided with the opportunity to experience what is being ‘evil’, to live denying our Natural love, as seen through the denial of many of our feelings. So we here on planet Earth live on a world that has Rebelled (and then also Defaulted), of which there are only 37 within the local universe of Nebadon, consisting of 3.8 million physical worlds under the regency of Mary Magdalene and Jesus – the spiritual parents of truth of all of Nebadon! And we assassinated Jesus, and completely denied Mary not allowing her to have her say about the truth.

As a consequence, we are ‘detuned’ from our Natural love state and divine origin. You could say we arrived with all parts functional, however, in our untrue, dysfunctional and distorted state, we’re badly in need of a severe service, tune up or a complete reconditioning. Our goal being to bring our true self to the fore by doing our Feeling Healing, and then to progress beyond our Natural love state by further advancing our soul condition through the process of Soul Healing and receiving our Parents’ Divine Love – becoming divine.

In our feeling- and truth-denying untrue Natural love state, we have been made to use our minds to dominate our feelings, becoming more like that of mind-based creatures of nature than of human souls of truth and feelings. And this is the wrong way for us to develop. So to step beyond this limitation, we are to live true to our feelings. Our heartfelt feelings being the guiding lights to our evolution and growth of truth.

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it’s all right there already built in and can be found through our feelings – our soul based feelings.

By living true to our self, true to our feelings, we are living true to God. It’s that simple.

Thus we are detuned once our incarnation begins. However, the way is now open for us to bring about our full divinity. To completely Heal all that’s wrong within us on a Natural love level. To embrace and then transform that Natural love into a divine state through partaking of our Heavenly Parents’ Divine Love. All the while attuning ourselves to divine perfection and enjoying the fullness of our divinity and love, as we ascend in truth on our journey all the way to Paradise – the home of our Heavenly Parents.

**WE were DIVINE, and**  
**WE are to BECOME DIVINE AGAIN:**

Our personality, our soul, our real self, are all creations of our Heavenly Parents. We, our real selves, are not creations of our physical parents. Within our original status, we were of Divine nature.

Our physical parents, from our conception, endeavour to mould us into being ‘little me’s’, that is, replicas of themselves, imposing their beliefs and personality traits upon each of us. They crush our individuality and free will. They destroy our personality, our true self. They inflict upon each of us their ways, all of which are of a result of the Rebellion and Default of many, many generations ago. They drive us into believing and subsequently becoming dependant upon our minds. This is not the way for us to express our true selves and evolve along the path towards our true parents, our Heavenly Mother and Father. We are to embrace the Eternal Son of Truth, not the Infinite Daughter of Mind.

No, we are not in the image of our physical parents. Though we may look like them, and act like them because they have dramatically and successfully crushed our true personality, we are each very unique and independent of our parents and all other family members. When we begin to progress along the path of engaging with our soul based feelings and seek for the Truth of our feelings, we will become free of our parents’ impositions and suppression.

Upon starting our physical life experience on Earth, our divinely created soul begins to express us as one of our soul’s two personalities in Natural love. However because of Earth being in Rebellion, so we are parented into a rebellious and anti truth and anti love state of mind control over our feelings and true self.

Natural love is good, just ‘less’ or different to Divine Love. And it’s that in our rebellious state, we’re rebelling against Natural love, and Divine Love by not taking Jesus and Mary up on their offer and allowing the Divine Love to transform our soul, as we perfect our Natural love by doing our Healing.

By living true to our self, true to our feelings, we are living true to God. It’s that simple. The revealing of the Feeling Healing process is the commencement of our ability to begin the Great U-Turn and go the right way. Should we then also embrace our Heavenly Parents’ Divine Love, we can also commence our Soul Healing and a returning to that of being divine – this is our destiny.

**CREATED in THEIR IMAGE:****GOD**

James: Mary, what does ‘we being created in the image of God’ really mean?

Mary M: It means that our Mother and Father used Themselves as the model or template if you like, upon which to bring us into being, those of us who have existential souls with the potential of expressing their two personalities in Creation.

And although our souls are divine, as in being divinely created, still whilst we start our personality expression in Natural love, so we need the Divine Love to come into our soul and bring it into the levels of Celestial divinity.

Natural love, so basically the whole of Creation, is of the image of God, and we being divinely created souls can be part of God’s Divinity becoming divine ourselves. So through your Healing, James, you become progressively divine by partaking of the Divine Love and healing yourself into perfection – your true self. And by the time you’ve completed your Healing, your soul is of the Divine Love level of Celestial truth, and your personality is an expression of that level of truth, it all being ‘confirmed’ and cemented – fused – into place upon the direct soul-union with your Indwelling Spirit. Then you are of the essence of God, true and perfect to the level of the first Celestial sphere, the first sphere of true divinity.

Trapped, frozen core emotions vary in size from very small lemons to giant melons. They are energy balls that block the natural flow of energy through the spirit body, and consequently, through the physical body creating pain and illness. These trapped emotions are like fuzz balls that need to be released. They can be in clusters or on their own.

Emotions can cluster or nest together:

Emotions are energy in motion = e-motion. Trapped or blocked emotions are in enormous variety of sizes and age depending upon the severity and frequency of the events creating them. Here is a 1 – 8 scale:

**SOUL** which animates **SPIRIT BODY** which animates **PHYSICAL BODY**. Trapped emotions (frozen energy) create fissures and injuries in the spirit body which inturn emerge as physical illnesses, firstly as pain, in the physical body. Emotional blockages of the same type create illnesses of similar natures in anyone who have the same style of emotional injuries. Each of us carry our own unique cocktail of emotional issues, as we are emotional beings (our soul), thus each of us have unique pathways to recovery.

**HOW EMOTIONS EMERGE AS AN ILLNESS:** Healing and Recovery P53 by Dr David R Hawkins

Every time someone goes below level 200 (Courage), we find upon testing that their energy system is imbalanced. Characteristically, most people will ‘blow out’ one particular acupuncture meridian rather than another.

For example, every time they have negative thoughts or feelings consequent to a negative belief system, they may impair the heart meridian. As the years go by, every time they have a resentment, go into self-pity, or criticise someone else, it disrupts the energy and flows down the heart meridian. This depletes the life energy of the heart, and the continual repetition begins to alter its physiology in very delicate ways. It begins to express itself through irregularities in the autonomic nervous system, which operates in the functioning of the body organs.

As a result, there begins an impairment of the physiology of the heart itself, including the lining of the arteries. As the years go by, the habitual disruption of the heart meridian brings impairment on the physical level, which is an expression of what has been held in mind. That is the basic premise – the body expresses what is held in mind, not vice versa. The body expresses a person’s habitual way of thinking.

The mechanics of negativity short-circuit the acupuncture system and the autonomic nervous system. This in turn alters and impairs the sensitive electrical and chemical processes that are going on in the cells, resulting in pathological changes within the anatomy and dysfunction that results in a coronary attack, heart disease, or heart failure. The heart failure comes about partly as a result of years of negative mental attitudes. The mind would like to blame it on cholesterol, stress, one’s lifestyle, genetics, what goes on in the family, and so on. These are all merely explanations, excuses, and rationalisation to try to make intelligible that which is not clearly defined.

When looking at the exact mechanics, we see that what we hold in mind begins to manifest on the physical plane because it is the mind that has the power. The mind is within one’s spirit body.

One of the difficulties to overcome in self-healing is the willingness to accept the great power of the mind. We cannot let a negative thought go unchallenged.

Disease is an expression of one’s attitude and habitual way of looking at things.

The specifics of healing a particular illness consist of (1) letting go of resisting the sensory experience of it, (2) no longer putting names or labels on it, and (3) using no words at all. Welcome experiencing what you are experiencing in a very radical way at the same time (4) cancel the thought form and belief system, and (5) choose the energy field of Love, which heals.

To put oneself in an energy field of 540 is to automatically heal oneself. A loving thought then heals, and a negative thought creates illness.

How do we pick up the negative belief systems? We pick them up through television and well-intentioned people. Their intention is to prevent these illnesses in us by educating us about them. Instead, we find that the mind is now programmed to accept a specific belief system. Unconscious guilt then comes up and utilises that belief system, which causes an impairment of energy flowing through the energy fields that run down through the twelve meridians of the acupuncture energy system.

### The MERIDIANS:

Have a negative emotion lodge its disruptive slowly vibrating energy field in the region of a meridian then you will have a physical health issue with the physical organ that is fed by that meridian even though that meridian is within your spirit body.

### DIVINE LOVE progressively brings about HEALTH of the PHYSICAL BODY:

The way Feeling Healing with Divine Love works in a mortal soul is so practical that it takes us some time to see this truth. One's natural love is slowly perfected by the presence of the Divine Love in one's soul. As more and more of the Divine Love is asked for and received, progressively, more and more of one's man-made erroneous beliefs and emotional errors are resolved and dissolved by the light blue energy substance. As these injuries progressively leave the spirit body, then the health of the physical body steadily returns. As these injuries are permanently removed then a re-occurrence of the illness is impossible. A permanent recovery is then achievable.

**EMOTIONS affect SPECIFIC ORGANS:**

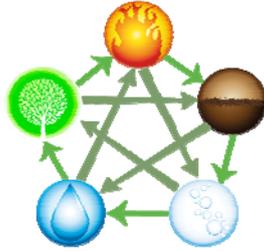

Emotional injuries and held errors have specific energy signatures and vibrations. So does each part of our physical body. Errors held within one's mind affect the flow of energies through one's spirit body, the spirit body is the template of the physical body. The resulting energy flow constrictions then initiate issues, and then pain, and then illnesses within the physical body.

**Negative Emotion**

**Negative emotion encrusts soul and becomes stuck. Its lodging emerges in the spirit body and then creates pain and illness in the same region within the physical body. Feeling and releasing the negative emotion brings the soul, spirit body, and physical body back into order and health.**

While we remain self reliant, that is, reliant upon our natural love, the underlying emotional injury is likely to re-emerge. It is only by the asking for and receiving of the light golden blue energy, Divine Love, that a permanent removal of the injury is achieved. It is the Love energy that dissolves the underlying cause being the emotional error or injury.

## **LETTING GO with The LOVE:**

Find a comfortable position to relax and be still and free from interruption. This may be for a few minutes or as long as you may please.

Long for and ask our Heavenly Parents for Their Love, the ultimate high octane super fuel being the light golden blue energy substance of Divine Love. Each little drop of the Divine Love received whilst doing one's Feeling Healing prompts one a little further. Ask for assistance and the Love to enable held errors of thought and belief to be released. One's personal intent and involvement in letting go of past incurred difficult emotions is most beneficial.

**Step 1: Focus on an issue that you would like to feel better about, and then allow yourself to feel whatever you are feeling in this moment. Identify the negative feeling.** Focus quietly on the feeling. Breathe into the sensations and allow them to be.

**Step 2: Ask yourself one of the following three questions:**

- Could I let this feeling go?
- Could I allow this feeling to be here?
- Could I welcome this feeling?

The mechanism of letting go is concerned with the emotional “what” from moment to moment, without involving the intellect. What is the benefit of this emotional feeling? What is the point of holding this hurtful belief at all? One may start laughing at the absurdity of long held errors or injuries upon reflection. **Breathe into the sensations and allow them to be.** Your willingness to accept the sensations may intensify them. This is okay.

**Step 3: No matter which question you started with, ask yourself this simple question: Would I? In other words: Am I willing to let go?**

**Step 4: Ask yourself this simpler question: When?** This is an invitation to just let it go NOW.

**Step 5: Repeat the preceding four steps as often as needed until you feel free of that particular feeling.**

**The only way we can truly let go of them is by SPEAKING THEM OUT OF US, getting right into them with the feeling, and emoting and expressing it - whilst longing to see the truth of it...**

Our willingness to let go thinking and accept what's happening is our ticket to inner freedom. Each time you sense a disruption inside, turn down the volume on the thoughts, breathe into the sensations and allow them to be. This is what we need do to let go. Simple. The challenge comes in being vigilant with letting go all negativity – no exceptions.

This process is ever so freeing and uplifting, though sometimes difficult.

**Dr DAVID R HAWKINS:**

David Ramon Hawkins, M.D. (born June 3, 1927, died 19 September 2012) is an American psychiatrist, mystic, author and controversial spiritual teacher in Sedona, Arizona. He is best known for his book *Power vs. Force*, in which he writes that applied kinesiology can distinguish the truth or falsity of any statement. He directs the non-profit Institute for Advanced Spiritual Research Inc. and operates Veritas Publishing to publish his books and seminars.

“Make a gift of your life and lift all mankind by being kind, considerate, forgiving, and compassionate at all times, in all places, and under all conditions, with everyone as well as yourself. This is the greatest gift anyone can give.”

“Every thought, action, decision or feeling creates an eddy in the interlocking, inter-balancing, ever-moving energy fields of life, leaving a permanent record for all of time. This realization can be intimidating when it first dawns on us, but it becomes a springboard for rapid evolution.”

“The downside of spiritual education is the buildup of the vanity of 'I know' and the devaluation of people who are 'not spiritual'. Therefore it is important as a foundation to spiritual training and education to learn how consciousness manifests as the ego and its mechanisms.”

“It is only the minority of people who seek self-improvement or personal growth. This is because whatever one's self-criticisms, one secretly really believes that one's way of being is okay and probably the only correct one. They are alright as they are, and all problems are caused by other people's selfishness, unfairness, and by the external world.”

Saturday, 5 August 2017: Nanna Beth: David Hawkins is living in the mind worlds, so I am told, and would be of no benefit to you John. His legacy is again one of those things that sits well with you, that you enjoy and can relate to and use as you do. And really it is now for humanity to use what is available to it having come from the mind worlds, because there won't be anything further coming through from them. Now it will be up to the natural inspiration of the individual on Earth, and those who are working with us, those people who want to do their Healing. The ways of the Rebellion and Default are to die, to fade away, however this will happen gradually as people of it still try to advance themselves, their lives and humanity in their wrongness, but the next real new inspiration will come from those who embrace the New Way.

Everything is interconnected.

**MUSINGS by JOHN:**

Thursday, 28 September, 2017

Kevin died on 10 August 2012 without any thought for spirituality and no passion for any religion, other than showing up. On 7 August 2017, he arrived into the 1st Celestial Heaven. Three days short of 5 years!!! He had met his soulmate, Kathaleen, and she arrived a few weeks before him into the first Celestial Heaven, as you may have read.

The writings that followed from Kevin are outstanding. Kevin is now a world teacher!!! He and Kathaleen both are. Neither would comprehend this, but they are. Kathaleen and Kevin's writings answers and leads anyone to the destination we are to find, in our own time.

I would like to contrast this achievement with someone I greatly respect.

David Ramon Hawkins, M.D. (born June 3, 1927, died 19 September 2012) was an American psychiatrist, mystic, author and controversial spiritual teacher in Sedona, Arizona. He is best known for his book *Power vs. Force*, I have read everything I can about his works – 10 books, plus videos, etc. Miracles happened around him spontaneously. The Catholic Church would make him a saint within seconds.

Hmm – Dr David Hawkins has stayed trapped in his mind and may remain in the mind spirit Mansion World for centuries, unless he embraces his feelings. He will remain stagnant and limited in his mind condition. Whereas Kevin is now a far greater and truer teacher than this great mind of Dr Hawkins. What a switch in roles! Kevin has progressed exponentially past Dr Hawkins in soul development. Go you good things, Kev and Kath.

Cheers John

Same day: Dr David Hawkins: Hello John. I have been asked to speak to you through James in this way, you being one of my ardent fans and followers of the principles I developed through my life on Earth.

Your assessment of me is correct, and I did spend time in the mind worlds trying to assimilate all that I did on Earth with all that was happening to me in my new spirit life.

Upon my arrival over here in the first Mansion World I was greeted as something of a spiritual celebrity with a host of mind spirits (as James calls them) greeting me, they being the ones who 'empowered' me to do the so-called miracles I did on Earth.

I want to tell you, it's quite a humbling experience to realise, like many of us who did such marvellous things on Earth, that it wasn't actually our own doing, we were not the sole instigator of such 'happenings', that it was other spirits working through us. And that although I attributed it to God, still I secretly thought it was all my own incredible doing, so to have to accept that I was just a conduit – that I really was, and having little more than an innate ability to be that conduit, I felt a bit flat.

And to bolster my flagging ego, I would tune into those people on Earth who were still thinking well of me, yourself John being one such person. And here again, by doing this, I gave myself a rude shock having to face the fact and realise that few people truly understood what I was teaching, taking my work and corrupting it for their own gain. And believe it or not, I never thought such a thing would happen. So, who of my 'earthly followers' was staying true to what I taught – who actually got it?

And I kept coming back to you as one of these people John. Admittedly, had I helped you personally, you'd have had an even greater understanding and appreciation of my work, however you accept it as is and haven't corrupted it, and have guided other people to be interested in it. So I have followed you over the years in this, which meant I also took notice of what you were doing in your other spiritual interests, some of which were vastly different to anything I'd ever heard about, or found out about over here in my limited little mind world.

And I write such things in the past tense because I am very happy to say, all of which I am so grateful to you for John, that I have now progressed into the lowest sector of the Divine Love on the first Mansion World. I am learning all about it, and about the Healing, all under the incredibly patient and loving assistance of higher Celestial spirits, like those who wanted me to speak with you today.

So you can chalk me up as one of your admirers, and a mind spirit who has converted to the 'Ways of the Divine Love'. I still have a lot more to understand, this is true, and as it's so different to my earthly and mind spirit way of thinking, will take time to integrate into my way of thinking – which means, to change my way of thinking into a completely new way.

That is all I wanted to say. And although you might think that my coming is rather inconvenient with you having just written about me again, however here I am and this is what I want to say.

All the best to you John. You have no idea how grateful I am to you, and I have a strong pleasant feeling that that gratitude is only going to increase.

Yours respectfully,  
Dr. David Hawkins

(James: As I was reading your comparison of the Doctor with K and K, I started to feel the energy building... oh here we go again... he's wanting to speak to me!)

Friday, 29 September 2017: Dear James and John (Noted from Samantha in England)

To be 'used' so fully by Mind Spirits, to create all he (Dr David) did under their influence, all so cunning, that must have felt quite devastating to him and I am feeling a lot of sadness, emptiness and let down with in myself as I understand how it feels to learn that my whole life has not been my own but that of my parents, their will, control and untruth and I have felt feelings of it all being such a waste of my experience being like that, a waste of the personality God created me to be. I am very sad as Dr David Hawkins realised how 'used' he has been, being a conduit for the Mind Spirits, I feel like that too, used by my parents to be as they wanted me to be instead of nurturing me to be myself and help develop the personality God gifted me.

I (Sam) bought 'Letting Go – the pathway of Surrender' by Dr Hawkins and I was very up with all of his feeling work but then felt the change in me with the mind dominant aspect of Dr Hawkins work, it was that I wasn't drawn to and felt myself draw back from it but now he can go on from what he already knows, go further into the feeling aspect of what he discovered and I am sure he will get so much support in that from the Divine Love spirits that are guided to help him. Isn't that just so wonderful John, to have that help, like you have in Kevin and Kathaleen.

**Feeling  
Healing with  
Divine Love is  
the key!**

**CONCLUSION:**

David Hawkins' own story explains that the 'Letting Go' process is inadequate. The 'Letting Go' publication and process is his own research. Pure and simple; Dr David was knocking on the door, but that process was unable to open the door.

Again, his own story now endorses the Feeling Healing process!

This leaves no doubt as to the veracity of what Marion and James and Samantha are doing. It is THE ONLY WAY! The only way being the Feeling Healing process coupled with Divine Love.

This clears away confusion for many people who may explore everything. Other emotional processing and releasing modalities simply do not delve far enough into one's injuries and errors of belief. Yes, they provide some temporary relief, but none of them go beyond the mind and into the soul to the core and foundation of our injuries, all of which stem from our childhood upbringing.

Dr David Hawkins has now clearly put aside his own teachings and confirmed that his and all other modalities are inadequate.

Now, we all can focus upon the only way home!

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.  
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.  
Primary and most important readings are the writings of James Moncrief.  
Then consider the Padgett Messages, and then The Urantia Book.**

# FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE  
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR  
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING  
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU  
FEEL, THINK AND ARE.

## Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

**Please Mother and Father** help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

**Please Mother and Father** help me see the truth of myself through my feelings.

**Please my beloved Heavenly Parents**, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

**Please Mother and Father**, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

**Please Mother and Father help me**, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

**Please Mother and Father love me**. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

**Please make me feel how unloving I am**. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

**The mind way is the 'dead' way; the feelings way is the 'alive' way.**

### Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

**Please God** show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

**Heavenly Mother and Father**, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

**Please Mother and Father** fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

**I hate you Mother and Father;** why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

**I long for Your Divine Love** Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

**LOVE**

**Feelings First Spirituality, The New Way**

*Feelings First Spirituality, The New Way* is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

*Feelings First Spirituality* is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

*Feelings First Spirituality* has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

**Living the New Way of Feelings First Spirituality**

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

*And to do this you need to do your Healing*

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

## **Feelings First Spirituality The New Way**

<b>By living true to ourselves, true to our feelings, we are living true to God. It's that simple.</b>
--

# FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

## FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. KEEP YOUR MIND OUT OF IT. It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Notes from 'Feeling Healing' by James Moncrief

Heartfelt TRUTH

# REVELATIONS

**Revelation 1:** Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively embrace our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

**Revelation 2:** We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

**Immortality with the Love.**

**SPIRITUAL HEALERS & HEALING:**

Healer whose soul condition is above Earth plane (2<sup>nd</sup> sphere or higher) and is open and receiving Divine Love will be able to attract Divine Love spirits from 5<sup>th</sup> and 7<sup>th</sup> sphere, and also Celestial Angels (8<sup>th</sup> +++) who have healing capabilities.

Patient, should he/she be open and receiving Divine Love, will be cured – permanently. When God is involved this way, wonderful and complete recoveries frequently occur.

God is fully involved, faith is high with all parties.

Healer whose soul condition is above Earth plane (2<sup>nd</sup> sphere or higher) and is open and receiving Divine Love will be able to attract Divine Love spirits from 5<sup>th</sup> and 7<sup>th</sup> sphere who have healing capabilities. Patient not being open to Love.

Patient will have relief from health issue. Unless he recognises the underlying cause, the core emotional error, which created the illness, and releases it, then a similar issue may reoccur.

God is welcome and partially involved.

Healer whose soul condition is above Earth plane (2<sup>nd</sup> sphere or higher – over 500 on MoC) will be able to attract natural love spirits from 4<sup>th</sup> and 6<sup>th</sup> spheres who have healing capabilities.

Patient will probably have relief from health issue. Unless he recognises and releases the underlying cause, the core emotional error, that created the illness and releases it, then a similar issue most likely will reoccur.

God not involved. Spirits and people self reliant.

Healer whose soul condition is in the Earth plane state (MoC under 500) will typical attract spirits who have no healing capabilities. Should the patient also be in the Earth plane state (1<sup>st</sup> sphere condition) and have no faith in the practice then healing probability is negligible.

God not involved. All parties self reliant. Patient has no faith.

**HEALTH with or without the LOVE:**

**Divine Love, with Feeling Healing, has a powerful positive effect on the physical body, balancing the hormones and generally promoting physical health, which is really the same thing as saying that the state of a mortal's soul impacts directly on that mortal's physical health.**

The Master, because he experienced the New Birth soul condition as a mortal, his physical nature was directly affected, so it would be accurate to say that because of this, his nutritional needs were somewhat different from other mortals.

Throughout his ministry (when the New Birth soul condition was his), he was actually in perfect physical health, and this was apparent through a sense of well-being that actually manifested on a physical level as well as a spiritual one. Aman 24 January 2007

The influence of sinful emotions and thoughts and actions upon the soul is such that the spiritual emotions and aspirations of man becomes dormant, and as though not existing, and the soul itself is encrusted with evil.

Through prayer, thoughts and soul longings, the spiritual nature in man can be developed so as to dominate the personality, and he will act in accord with the feelings and emotions of his soul. The evolution of man from the natural being to the purified soul and, if he so desires it, to the state of the divine angel is possible with the Love and Feeling Healing. Jesus 8 September 1955

**A soul encrusted with error results in illness and unhappiness.**

**Soul without the love.**

**Asking for the truth behind your feelings and expressing them is Feeling Healing. This process removes errors and brings harmony and health to the bodies.**

**Soul with the love.**

**Oliver Twist asked:**

*Please, sir, I want some more!*

**Maybe we should simply ask:**

*Please, Mother and Father, I want some more!*

## What is the Divine Love?

*"The Divine Love is that Love which belongs to or is a part of God, possessing His nature and composed of His Substance, and which when possessed by man to a sufficient degree, makes him divine and of the nature of God."* – **Jesus**, in a message received by James E. Padgett through spirit communications on May 15, 1917.

**"The Divine Love of the Father is the greatest thing in all the world,** and the only thing that can make man at-one with God, and change the soul of man as it has existed since his creation into a divine substance filled with the essence of the Father. There is nothing else in all the universe of God that can cause man to become a new creature and an inhabitant of the Father's Kingdom; and when men possess this Love then they possess everything that will make them not only the perfect man but the divine angel." – **Apostle John**, in a message received by James E. Padgett on August 5, 1916.

**Please Mother and Father, may I receive Your LOVE.**

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

**DIVINE LOVE:**<http://www.fcdt.org/divinelove.htm>

The words "Divine Love" have been used in many contexts to convey different meanings. But in the context of our Heavenly Mother and Father, Divine Love is the greatest gift in all the universe. It transcends all else that can assist humankind fulfil their dreams of happiness and have them resolved within themselves. God's Divine Love is the one thing in all of God's infinite universe that can bring about eternal life and everlasting happiness in the Celestial Kingdom.

***What is Divine Love?***

The Divine Love differs from the natural love of man with which he was endowed when created, which belongs to all humans, and which they all possess in a more or less perfect condition in this: that the Divine Love is that Love which belongs to or is a part of God, possessing Their Nature and composed of Their Substance, and which, when possessed by a human soul to a sufficient degree, makes him divine and of the nature of God.

***What is the New Birth?***

The New Birth is simply the effect of the flowing of this Divine Love of our Mother and Father into the soul of a man and the disappearing of everything that tends to sin and error. As the Divine Love takes possession of the soul, and one embraces Feeling Healing, sin and error disappear. It, the soul, becomes of a quality like the Great Soul of our Heavenly Parents. And with the Soul of the Mother and Father being Divine and immortal in Its quality of Love, so, when the soul of man becomes possessed of this quality of Love, the soul being the man, this soul becomes divine also. Then, the image becomes the substance; the mortal becomes the immortal; and the soul of man, as to love and hope, becomes a part of the Mother and Father's Divinity.

***How does one receive the Divine Love?***

The only way is simply this: that men shall believe with all the sincerity of their minds and souls that this great Love of our Mother and Father is waiting to be bestowed upon each and all of them; and that

when they come to our Mother and Father in faith and earnest aspirations, this Love will not be withholden from them. And, in addition to this belief, that they pray with all the earnestness and longings of their souls that our Mother and Father will open up their souls to the inflowing of this Love, and that then may come the Holy Spirit to them to bring this Love into their souls in such abundance that their souls may be transformed into the very Essence of our Mother and Father's Love. The soul who will thus believe and pray will never be disappointed, and the Way to the Kingdom will be his as certainly as that the sun shines by day upon the just and unjust alike.

***Take the test.***

Too often we are told to believe something based on what we are told. You don't have to "believe" anymore. Now you can have physical proof of the existence of God and Their Love for you?

*"test my teachings that the Father's Love was now available, and pray for it to the Father in earnest prayer, and see whether, if this was done in sincerity, the Father's Love, conveyed through the Holy Spirit, would burn and glow in the soul, by which sign they would realize His Love was present therein." – Jesus*

Take it to heart – earnestly pray for God's Divine Love and feel the glowing of Their Love in your soul. Jesus gave us the Prayer for Divine Love to help us in our prayers to our Mother and Father.

Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

**UNIVERSALITY of the LOVE:**

Should you be open to and communing with our Heavenly Parents, our Mother and Father, no matter who you are and where you are, your desire for Their love will be showered upon you. We do not need to be anywhere in particular or be receiving guidance from any particular person, our relationship with our Heavenly Parents is a very personal one to one communion that can bring about a flow of Their Divine Love into one's soul anytime we desire as often as we desire, anywhere we may be no matter what we may be doing. It is our choice and our free will that only needs to be applied. Embrace and enjoy the Love.

**Please Mother and Father, may I receive Your LOVE.**

## **DIVINE LOVE – what does it do?**

The divine gift from asking for and receiving Divine Love will steadily, but with certainty, raise one's quality of life and also of all those around such a person who is seeking and receiving this Love.

The receiving of Divine Love, which is a substance, with certainty, progressively:

- Raises one's love for those around them, whilst embracing one's Feeling Healing.
- Raises one's perception of all things – naturally grows one's intelligence – soul intelligence.
- Enables one to feel and resolve negative emotional issues more readily during Feeling Healing.
- Humility becomes self evident. Humility enables one to feel their errors and emotions.
- Divine Love strengthens one's resolve to express errors, emotional injuries and untruths.
- Divine Love with Feeling Healing to remove emotional errors, enhances one's health.
- Divine Love enables one to become more childlike – not adult serious at all times.
- Divine Love raises one's capability of feeling – no longer needing to be mind controlling.
- By becoming feeling orientated, one no longer is mind / intellectually dominated.
- The strength to fight and overcome sin and error is strengthened through the Divine Love.
- The Law of Compensation process is more resolved by Feeling Healing with Divine Love.
- Receipt of Divine Love grows one's faith, beliefs become faith and then knowing.
- As our faith grows our intensity to ask and then receive Divine Love grows.
- We begin to follow our passions and desires, no longer fear and mind driven.
- Truth being told at all times then progressively becomes a way of life.
- Our quality of life blossoms, our finances and relationships prosper.
- Man creates his own environment, seeking Divine Love can vastly improve one's environment.
- Health carers receiving Divine Love enhance healing outcomes beyond comprehension.
- Receiving Divine Love may assist in bringing a struggling marriage back into harmony.
- You progressively become dependent upon our Heavenly Parents, not self dependent.
- Personal growth in love directly assists the soul condition growth of one's children.
- Divine Love assists one's rate of soul condition to progress whilst embracing Feeling Healing.
- Divine Love is a substance that changes the human soul to that of the Divine.
- Without Divine Love, one cannot progress into the Celestial Spheres (8<sup>th</sup> sphere and higher).
- Divine Love, with Feeling Healing, enables everlasting Love and Life in the Celestial Heavens.

“The Law of Compensation doesn't operate on isolated actions, but on the overall condition of people's souls, because the deeds are the consequence of this condition. Our behaviour is the reflection of our souls. Never see isolated deeds, always see souls whose condition leads to certain deeds. It is the soul condition which determines the motive and consequently the action. It is our lack of trust in God, this ultimate and definitive trust, which only soul development may give us. This lack is why we suffer.”

Judas of Kerioth 5<sup>th</sup> October 2001

As you grow in love, illness issues abate, financial security improves, and your treatment of your fellow man is the same as how you would like to be treated. You grow in natural intelligence, your perception on many subjects becomes profoundly more loving and supportive of and for your way of life and how you interact with your fellow man.

This quality of life and love permeates and extends into every facet of your physical life and continues to grow as you progress on your journey within the spirit world.

Your capabilities to ask for and receive Divine Love is a gift between you and your creator, God. You do not need an intermediary, nor do you need to join with any organisation. This is your own personal journey and experience. You can share this with others, but no one can take it away from you.

This Love will elevate the human soul to a condition that it may perceive the spiritual truths which God has waiting to be revealed to Their children who aspire to understand the nature of the divine and what their true relationship to Them and their family of souls is.

“Keep faith with God, and be open to Their Love, and you will overcome with confidence and, indeed, peace of mind, optimism and happiness, those circumstances that seem to mar the fulfilment of your years.” Mary (mother)

## The CHOICE is OURS to MAKE:

### Celestial Truth:

Truly all-loving;  
 Living true to oneself;  
 Mind supporting Feelings;  
 Living with the Divine Love;  
 Fully Healed of the Rebellion and Default.

### THE FEELING WAY

Feeling – Ascendance  
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

### THE MIND WAY

Mind – Transcendence  
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,  
 atheists, no spiritual interest,  
 Living the Rebellion and Default.

Hell:  
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love into its soul and this union completes. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love, the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other, then one is living in the presence of our Mother and Father in perfect harmony, and this clarifies the truth about what it means to be truly at-one with God.

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

**Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.**

**P.438 Book of Truths through James Padgett / Jesus**

Let your prayer be as follows:

**Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.**

**That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.**

**We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.**

**Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.**

**Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.**

**Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.**

**We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.**

**We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.**

**Amen**

[www.lulu.com](http://www.lulu.com)**The Question of Natural Love and Transformation**

message: 51

18 September 2013

“What happens to the Natural love when a soul receives the Divine Love?” My (Ivanhoe) response to this question is as follows:

The condition of the soul in its natural essence will be determined by the sum total of the individual human life lived. You understand that there are different Spheres where individuals reside with varying soul conditions. This reveals to us that natural love varies relative to the human experiences lived and then the way the individual chooses to continue living here in the spirit world. When the Divine Love permeates the soul for the first time, there will not be the sufficient amount of this Love received to bring about any noticeable changes. If one continues to receive Divine Love over time then this Love, the Divine Love, will bring about the necessary changes in the soul so that the condition of the soul is noticeably seen in their personality and individuality.

Acting in accord and rapport with the Spirit Law of Compensation, the life experiences of an individual that have formed any disharmony will form part of the natural essence, the natural love condition of the soul. There are all gradients of natural love in humans and mortal spirits and each individual is subject in this gradient to the same workings of accord and rapport with the Spirit Law of Compensation. A spirit in the 6<sup>th</sup> Sphere who is no longer subject to the Spirit Law of Compensation may well – without even knowing about the workings of this Law – experienced this Law to assist in their perfection of their natural love.

The Divine Love acts in the soul in a particular way. This has been introduced in the writings of The Divine Universe and the spirit writings of James Padgett.

The Divine Love never dissolves the natural essence so that the already existent natural love is changed out of existence. The Divine Love doesn't replace the natural love so that the individual is living without any natural essence. The reason for this is simply stated by the fact that the natural essence is energy of the soul and natural love is a good energy.

Because this energy has existence it cannot be reduced to nothing when it is in a soul. The only way natural love can be reduced to nothing is for the attribute of the soul itself to be disintegrated and reduced to nothing, and since the attribute of a soul's life begins with God, the only individual who can de-create a souls life rests with God.

The Divine Love perfects the natural love and the progress of this perfection is the term ‘transformation’. The Natural love is compliant with the Divine Love and as the Divine Love perfects the essence of the Natural love, the systems of the spirit body and personality and attributes of the soul, the spirit body and the personality begin to advance in their potential so that the individual is living a Celestial life well in the progress of Love and Spirit, which includes the perfection of their natural love.

If the individual has already perfected their natural love and then to receive the Divine Love, the Divine Love will not add, alter change or interfere with this perfection for such perfection in natural love is a living harmony, a living truth, subject to the Spirit Law of Rapport and Soul Condition set in place by the Father.

The truth of it is the transformation from the Natural to the Divine happens automatically, much like the way a person drinks water and the body takes this liquid energy and with this energy creates other forms

of energy. The soul takes in the Divine Love, the Divine Love fuses with the Natural love energy and then the spirit body takes this unified energy and turns it into fuel to develop the systems and attributes of the spirit body and soul which then translated into the personality. The transformation that really happens when the Divine Love acts in the soul is a transformation of awareness! By this I mean the individual experiences over time a change in human awareness and this experience of the spirit-mind or the human mind is the real telling factor of information relating to the question you have asked.

Ivanhoe from the Celestial Heaven.

Page 117 of Vol I of True Gospel Revealed Anew by Jesus

I am here, your grandmother, Ann Rollins,

(Ann is from within the Celestial Heavens)

(also the grandmother of James Padgett.)

I came to write you about the forgiveness and pardon of the Father, and to enlighten you upon this subject which is so little understood, since men first commenced to distort the teachings of the Master.

Forgiveness is that operation of the Divine Mind which relieves man of the penalties of his sins that he has committed, and permits him to turn from his evil thoughts and deeds, and seek the Love of the Father; and if he earnestly seeks, find the happiness which is waiting for him to obtain. It does not violate any law that God has established to prevent man from avoiding the penalties of his violations of the law of God controlling his conduct.

The law of compensation, that what a man sows that shall he reap, is not set aside, but in the particular case where a man becomes penitent and in all earnestness prays the Father to forgive him of his sins and make a new man of him, the operation of another and greater law is called into activity, and the old law of compensation is nullified, and, as it were, swallowed up in the power of this law of forgiveness and love. So you see there is no setting aside of any of God's laws. As in the physical world certain lesser laws are overcome by greater laws, so in the spirit world or in the operation of spiritual things, the greater laws must prevail over the lesser.

**God's Divine Laws**

**override**

**Spirit World Laws**

**which in turn override**

**Natural World Laws**

God's laws never change but the application of these laws to particular facts and conditions do seem to change, when two laws come into apparent conflict, and the lesser must give away to the greater.

The spiritual laws are just as fixed as are the physical laws that control the material universe; and no law having application to the same condition of facts, ever is different in its operation or in its effects.

The sun and planets in their movements are governed by fixed laws, and they operate with such exactness that men who make a study of these laws and comprehend them can, with almost mathematical precision, foretell the movements of these heavenly bodies. This only means that as long as the sun and the planets remain as they are, and surrounded by the same influences, and meet no law operating in a manner contrary to the laws which usually control them, these planets and sun will repeat their movements year after year in the same way and with like precision. But suppose that a more powerful and contrary law should come into operation, and influence the movements of these bodies, do you suppose for a moment that they would pursue the same course as if such greater law had not intruded itself?

The effect of this is not to set aside the lesser law, or even to change it, but to subordinate it to the operations of the greater law; and if these operations were removed or ceased to act, the lesser law would resume its operations on these planets again, and they would move in accordance therewith, just as if its power had never been affected by the greater law.

So, in the spirit world, when a man has committed sins on Earth, the Law of Compensation demands that he must pay the penalty of these sins until there has been a full expiation, or until the law is satisfied. And this law does not change in its operations, and no man can avoid or run away from the inexorable demands of the law. He cannot of himself abate one jot or tittle (scarcely detectable amount) of the penalties, but must pay to the last farthing as the Master said, and hence, he cannot, of himself hope to change the operations of this law.

But, as the Creator of all law has provided another and higher law, which, under certain conditions may be brought into operation and causes the former law to cease to operate, and man may experience the benefit of the workings of this higher law. So when God forgives a man of his sins, and makes him a new creature in his nature and love, he does not, for the particular case annihilate the law of compensation, but removes that upon which this law may operate.

Sin is violation of God's law, and the effect of sin is the penalty which such violation imposes. A man's suffering for sins committed are not the results of God's special condemnation in each particular case, but are the results of the workings and scourgings of his conscience and recollections and as long as conscience works he will suffer, and the greater the sins committed, the greater will be the suffering. Now all this implies that a man's soul is filled to a greater or lesser extent with these memories, which for the time constitute his very existence. He lives with these memories, and the suffering and torment, which result from them can never leave him until the memories of these sins, or the result of them, cease to be a part of himself and his constant companions – this is the inexorable law of compensation, and man of himself has no way of escaping this law except by his long expiation, which removes these memories and satisfies the law.

Man cannot change this law, and God will not. So, as I say, the law never changes. But remember this fact, that in order for the law to operate, a man must have these memories, and they must be a part of his very existence.

Now, suppose that the creator of this law has created another law, but which under certain conditions, and upon a man doing certain things, these memories are taken from him, and no longer constitute a part or portion of his existence; then, I ask, what is there in or of that man upon this law of compensation that can act or operate? The law is not changed, it is not even set aside, but upon which it can operate no longer exists, and consequently there is no reason or existence of facts which call for its operation.

So, I say, as do your scientists and philosophers, that God's laws are fixed and never change, but I further say, which they fail to perceive, that certain conditions which may and do call for the operations of these laws today, tomorrow change or cease to exist, so that the laws are no longer effective.

And so when the truths of God's forgiveness of sin is declared, many wise men hold up their hands and shout, *"God's laws do not change, and even God Himself cannot change them. And to effect a forgiveness of sins, the great law of compensation must be violated. God works no such miracle, or gives special dispensation. No, man must pay the penalty of his evil deeds until the law is fulfilled."*

How limited is the knowledge of mortals, and of spirits as well, of the Power and Wisdom and Love of the Father. His Love is the greatest thing in all the universe and the Law of Love is the greatest law.

Every other law is subordinate to It, and must work in unison with it; and Love, Divine Love of the Father, when given to man and he possesses it, is the fulfilling of all law. This Love frees man from all law except the law of its Ownself – and when man possesses this Love he is slave to no law and is free indeed.

The law of compensation and all laws not in harmony with the Law of Love, have nothing upon which to operate in that man's case, and God's laws are not changed but merely, as to this man, have no existence.

Now, let all men, wise and unwise, know that God in His Love and Wisdom, has provided a means by which, man, if he so will, may escape the unchanging law of compensation, and become no longer subject to its demands and penalties; and these means are simple and easy, and within the comprehension and grasp of every living soul, be he saint or sinner, a wise man or an ignorant one.

Intellect in the sense of being learned is not involved, but the man who knows that God exists and provides him with food and raiment as the result of his daily toil, as well as the great intellectual scientist or philosopher, may learn the way to these redeeming truths. I do not mean that a man by mere exercise of mental powers may receive the benefit of this great provision for his redemption. The soul must seek and it will find, and the soul of the wise may not be as capable of receiving as the soul of the ignorant.

God is Love. Man has a natural love, but this natural love is not sufficient to enable him to find these great means that I speak of. Only the Divine Love of the Father is sufficient, and He is willing that all men should have this Love. It is free and waiting to be bestowed upon all men. But strange as it may seem, God will not, and I might say, cannot, bestow this Love unless man seeks for It, and asks for It in earnestness and faith.

The will of man is a wonderful thing, and stands between him and this love, if he fails to exercise this will in seeking for it. No man can secure it against his will. What a wonderful thing is man's will, and how he should study and learn what a great part of his being it is.

The Love of the Father comes only into a man's soul when he seeks It in prayer and faith, and of course this implies that he wills It to come to him. No man is ever refused this Love when he properly asks for It.

Now this Love is a part of the Divine Essence, and when a man possesses It in sufficient abundance he becomes a part of Divinity Itself; and in the Divine there is no sin or error, and, consequently, when he becomes a part of this Divinity no sin or error can form a part of his being.

Now, as I have said, man who is without this love has his memories of sin and evil deeds, and, under the law of compensation, must pay the penalties. Yet when this Divine Love comes into his soul, it leaves no room for these memories, and as he becomes more and more filled with this Love, these memories disappear and only the Love inhabits his soul, as it were. Hence, there remains nothing in him upon which this law can operate, and the man is no longer its slave or subject. **This Love is sufficient of itself to cleanse the soul from all sin and error, and make man one with the Father.**

This is forgiveness of sin, or rather the result of forgiveness. When a man prays to the Father for this forgiveness, He never turns a deaf ear, but says, in effect, *"I will remove your sins and give you my love, I will not set aside or change my laws of compensation, but I will remove from your soul everything upon which this law can operate, and as to you it becomes as if it had no existence."*

I know by your personal experience that this forgiveness is a real, actual, existing thing, and when the Father forgives, sin disappears, and Love only exists, and that Love in its fullness is the fulfilling of the law.

So let men know that God does forgive sin, and when He forgives the penalty disappears, and when they disappear as the result of such forgiveness, no law of God is changed or violated.

This was the great mission of Jesus when he came to Earth. Before he came and taught this great truth, the forgiveness of sin was not understood, even by the Hebrew teachers, but their doctrine was an eye for an eye and a tooth for a tooth. The Divine Love, as I have feebly described, was not known or sought for – only the care and protection and material benefits that God might give to the Hebrews.

The Divine Love entering into and taking possession of the souls of men constitute the New Birth, and without this no man can see the Kingdom of God.

My dear son, I have written you a long but imperfect communication, but there is sufficient in it for men to think of and meditate upon, and if they do so and open their souls to the Divine Influence, they will know God can forgive sin, and save men from its penalties, so that they will not have to undergo the long period of expiation, which in their natural state the law of compensation ever demands.

So without writing further, I will say that I love you with all my heart and soul, and pray the Father to give you this Great Love in all its abundance.

Your loving Grandmother,

Ann Rollins

**The LOVE that brings about FORGIVENESS:**

With Feeling Healing and the Divine Love, and by this I mean the only way through which salvation can be obtained, can enter and fill the soul through the sincere longing of the soul to assuage the thirst for at-onement with the Father through prayer. Revelation 17 – November 12th, 1960 – Jesus

**The only way for man to achieve forgiveness of sins is through the obtaining of the Divine Love or through purification of the natural love, a long and tedious process that fits the individual soul for a place in the Sixth Sphere.** Revelation 50 – October 18th, 1954 – Jesus

Divine Love fits a personality to enter the Celestial Heavens, way above the 6<sup>th</sup> Sphere. Without this Love, man cannot enter the Heavens. It is this Divine Love that brings about immortality for man.

This great Love of the Father was created or rather has always been, for the redemption of the vilest sinner who seeks and believes. March 24<sup>th</sup>, 1915 – Ann Rollins

Only the Divine Love can give man of a Divine Nature, and that no self development or cultivation of the Natural Love to the greatest and most sublime extent are sufficient to make man at one with the Father in the divine sense and which makes the spirit a partaker of this Divine Essence of the Father. One needs to come to understand the difference between the two loves and what the New Birth means. March 24<sup>th</sup>, 1915 - Jesus

- ✓ **If you are denying yourself you can't ever be truly happy.**
- ✓ **To heal all your pain and suffering, you can look to your feelings for why you are feeling bad.**
- ✓ **If you want to know the truth of yourself, then it's your feelings you will need to look to.**
- ✓ **Your feelings hold the hidden keys to unlocking the truth of who you really are.**
- ✓ **Uncover the truth of yourself through your feelings and you will know why you feel all you do.**
- ✓ **Everything in life, why all that happens to you does, and everything about yourself, can be explained to you through your feelings.**
- ✓ **Why your relationships might not be as good as you would like, why some might fail, you will understand through your feelings.**
- ✓ **How to live a good, true, happy and loving life will come to you as you start paying attention to all your feelings.**
- ✓ **However you will also have to pay attention to all your bad feelings, and this can be very harrowing.**
- ✓ **By honouring – accepting and then expressing all the bad feelings you feel, you will slowly bring to light all the reasons why you don't feel good.**
- ✓ **And as you liberate yourself from these hidden repressed bad feelings, so you will start to feel better and better about yourself.**
- ✓ **It's a process, and it can take time, years possibly, but all that's hard will eventually pass becoming good.**
- ✓ **Expressing all your feelings, and particularly your bad ones, whilst longing and really wanting to know the truth of why you're feeling them, is doing your Feeling Healing.**
- ✓ **You can Heal yourself through your feelings. And in fact, it's the only way to really heal yourself.**
- ✓ **And if you wish to do your Healing with God, you can also long for God's Divine Love.**

### Manifesto of Divine Love:

1. We love one another as Mary and Jesus, our spiritual parents, love us. And so we seek their Spirits of Truth.
2. Our all loving Heavenly Parents, our Mother and Father, we love and honour at all times.
3. We worship only our Mother and Father, God, and Creator of all things.
4. We treat our Creator's name with respect and love, and earnestly seek Their Divine Love, and at all times pray for It, ask for It, and receive It.
5. We set aside a regular day each week for Sabbath rest and worship of our Heavenly Parents, God, and seek Their Love so that we may grow closer to Their fountain head of Truth and Love.
6. We are to be as we feel, even if it's sinful, but in doing something that is not in alignment with God's Love and Truth will make us feel bad, that is provided we allow ourself to feel our bad feelings, and so we can then use our bad feelings to find out the truth of why we feel bad and why that thing we have done is bad. We embrace our Feeling Healing.
7. We strive to cause no harm to another, nor cause any harm to one's self. We do not do to others what we would not have them to do to us. We treat our fellow human beings and all living things, and the world in general with love, honesty, faithfulness and respect. Violence, at any times, is never justified. Golden Rule: that one must always honour another's will as one honours one's own.
8. At all times in our intimate relationships we strive to express and live true to all our feelings, all so we can use our feelings to uncover the truth they are trying to show. The truth of ourselves, of our relationships, and the truth of everything else, including God.
9. We do not covet or steal anything that does not belong to us. Honesty in all communications, actions, undertakings and activities in all facets of life is our rule of life.
10. In all that we do, we are to be truthful. We are non-judgemental, for none of us have the capacity or authority to judge another. We are always ready to forgive all wrongdoing.
11. We do not desire anything or anyone that does not belong to us. Comparing oneself to others and longing to have what they have leads to errors. We are to be content by focusing on the blessings our Heavenly Parents, who made us in Their soul's image, provides for us.

## ***DIVINE LOVE – what does it do?***

**Divine Love, which is a substance, progressively:**

**Transforms one's soul from that which is of natural love to that which is Divine**

**As natural love is enhanced with the Parent's Love, we reject our tendency to error**

**Divine Love, our Parent's Love, restrains errors, untruths and emotional stress**

**As we reject the condition to error, we develop our love for our brothers and sisters**

**Divine Love helps one with the discovery of truth through one's soul-feeling healing**

**Our natural intelligence grows, perceptions rise with our soul intelligent feelings**

**As Law of Compensation is resolved, the Love reduces returning to being in error**

**Receipt of Divine Love, the Parent's Love, grows our faith, we become God reliant**

**As our faith grows our propensity to undertake one's Feeling Healing strengthens**

**With the Love, our Feeling Healing becomes Soul Healing, this we are to undertake**

**Without the Love we remain self reliant and dependent upon our own will power**

**Only with the Love will our soul condition grow rapidly, all around us also benefit**

**The Love is the only substance that changes the human soul to that which is Divine**

**Only by asking and receiving Love do we become fitted to enter Celestial Heavens**

**Only by asking for and receiving the Divine Love does our soul become immortal.**

**What is Divine Love?**

**It is the Divine Love of God, our Heavenly Parents, restored to all mankind by the births of Jesus and Mary.**

**How do we get this Love?**

**By sincerely asking God, our Mother and Father, and receiving the Love that passes all understanding.**

**What happens then?**

**We are born again in spirit and in truth, our soul opened to the Soul of God, our Heavenly Parents.**

**What then do we know?**

**We know we are all children of God and want to pray always to our Heavenly Parents, always longing for Truth.**

**What is the purpose of Feeling Healing?**

**We are to seek the truth of our feelings and unburden ourselves from our childhood repression and injuries.**

**What of the world?**

**We are at peace in the world and fearless. In Divine Love and in Truth there is no fear.**

**What else?**

**We are to strive to love everyone unconditionally as our Heavenly Parents and as Mary and Jesus love us.**

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

**Our salvation IS by embracing Feeling Healing with the Divine Love.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Please Mother and Father, may I receive Your LOVE.**

**“Every day is a day of devotion.”**

**Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.**

**“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”**

**“Mother - Father, I desire your Love and I am loving you.”**

**“Soul God, I love you and I love receiving and experiencing your Divine Love.”**

**“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”**

**Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.**

**One can simply receive the Love without following any religious or spiritual teaching taught by man!**

**Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.**

#### **Three Great Truths:**

- **God is Soul, being Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing****Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book****Release one's pain through expressing one's feelings.****in conjunction with****Longing for the Truth when also longing for Divine Love.**

## **FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.**

**On the WINGS of a BUTTERFLY:** No 12, Traveller, an immortal journey, via Zara and Nicholas

Once upon a time there was a butterfly sitting closed wing in a person's heart. This butterfly had been sitting with wings closed a long time. The person couldn't figure out why they always felt a little sad. One day, this person asked another person why they feel sad. The response happened quickly and the person didn't like the response. It was said that perhaps your soul is sad. Several days passed and soon that person found themselves sitting by the sea. The sea has great longing to it. As the sun shone on a late spring day, the person thought about soul and that perhaps, the person's remark was true, and that this person was a messenger of some sort. Suddenly a breeze swept through the beach and the person heard a distinct voice speak directly to him! The voice said, "Let your soul breathe in Divine Love." That was all the voice said.

The person didn't know what the Divine Love was or where it was, but now the sadness had greater longing so the person decided to breathe in the Divine Love and just like that – the closed wings of the butterfly opened and the person's sadness started to dissolve. Happiness will be mine the person thought upon feeling the Love and this will take time for me to learn how to live such happiness.

Never again, in the heart of that person, did the butterfly close its wings.
