The DIVINE UNIVERSE:

273. Colin – A Spirits Experience of the Love

23 January 2013

I didn't know what to expect in my first prayer for the Divine Love. I felt calm then I felt the Love, a slight brightening on my spirit body, then an expansion in my spirit-heart, the feeling of the Love very subtle, almost too hard to recognise or identify with. The attribute of Spirit that conveys the Love into my soul was all upon the surface of my spirit body and I felt as if I was being hugged by an invisible presence. No sooner than I had experienced this, this feeling subsided. My spirit-senses knew something had happened but I couldn't put it into words at first. I knew instantly that I would do this again. I did and it was like the first time again. Time and experience has passed. I can now identify with the Love as it has improved my soul condition and part of this improved soul condition is that I can find the words to share my experience. If one has never experienced the Love or is unaware of the Love, then how can one communicate any experience of It? I can now recognise the visibility of this invisible presence, and from my finite love, I like to hug God back as God is hugging my soul.

It is hard to say, but I was one who once lived in the complete and utter shame of my human life. Now, I don't. I am in the Fifth Divine Love Sphere and I have forgiven the shame of myself with God's help. I have happy memories now for I am grateful that I actually lived at all because now I am restored to the individual that I was never able to become when I lived on Earth. The darkness of my past has dissolved into the Divine Love dawn of my present and to which I am truly grateful for.

Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

280. *Discrepancies in the experiences of the Love*

26 January 2013

I am here with quite a few individuals, in fact, there are quite a number of spirits present. I would like to add to this work that as the experience of the Divine Love increases in the lives of people and an awareness of this Love progresses in the human experience, there will always be discrepancies as to what the Divine Love is and how It is in Its' real nature in Its' workings to the mortal soul. This discrepancy is not a bad thing; it is a good thing for it shows how individuality of experience is essential. The nature of the Divine Love is *always the same thing* as the Love works out toward the same cause in the mortal soul, and this will never change. The experiences that people have of this Love will differ because people are different and this is reflective in their relationship with one another, with the spirit world, and ultimately with God. The diversity of the human experience is a consistent human life-truth and in keeping with the nature of a progressive human experience. One can be aware of the universality of the Divine Love, whilst being aware that the Divine Love can become part of the diversity of humanity.

There needs to be a diversity of experience for it shows how uniquely perfect the Divine Love is for each individual, and how individuality can only relate with God in their experience of Divine Love from the truthful position of their own life experience. The spirits when first beginning their experience of the same Love that people receive, there is a consistency of discrepancies as to what the Divine Love is and how it works in the mortal soul. This adds a consistency between people and spirits who are learning about the nature of this Love as one develops their soul condition to gain more perception and insight into the nature of this Love. By the time an individual progresses in their soul condition that enables one to reside in the Celestial Heaven, any such discrepancies have been worked through and everyone in their individual experience sees the harmony in the way that the Divine Love has always been. The Love never changes and so therefore it requires us to change in order to understand the experience and nature of the Love that we are participating with.

As people share their experiences of living with the Love, a general awareness will form so that a more progressed understanding about what this Love is and how it changes the soul, will eventuate in the awareness of those who desire to know. This is part of the wonderful transformation that takes place in the perceptions of an individual who, having once never known about the experience of Divine Love, slowly evolves in their experience of living with this Love.

My love to you both,
Your good friend,
Jesus of the Celestial Heaven

281. *The replenishing nature of the Divine Love*

26 January 2013

Hello, I have been asked to write a little on the replenishing nature of Divine Love by Saleeba, the bright and beautiful. This is our first time communicating together though I have been present as this work progresses.

It is nice to know that we live in a time when the Divine Love is present for us to experience and that we can continue with this Love. There was a time when the Divine Love wasn't present for mortal souls to receive, to receive the nature of Its Immortality and Immortal harmony. Even though the First Parents (Aman and Amon) stopped receiving the Divine Love at a time when they lived on Earth, the Immortality they had received by receiving the Divine Love was never withdrawn from their souls. They continued to live the rest of their life in their natural condition of love, though they still possessed knowledge and the memory of their Immortality and of the Loves' Immortal harmony present in their soul. Their spirit body and spirit-senses that had once been 'super-active' in the spirit energy of the Divine Love that was active in their souls and continuously replenishing their souls, gradually diminished so that their spirit body senses and soul energy became slowly dormant and less active subject to no longer having their souls continuously replenished by the Inflowing of the Love. As time passed their radiance lessened as the more genuine forces of the natural evolutionary experience determined the way their life was lived.

They are of course, here in the spirit world and they shine with the radiance for they receive the Divine Love as we all do, and this Love continuously replenishes and generates the energy in our soul condition and spirit-senses.

Much love to you,
Andrew, a Celestial teacher

282. *These days of Light and Life*

26 January 2013

This is my first experience of writing in this way. I am delighted to communicate with you. My name is Ar, the first offspring of my parent, the First Parents. Obviously, we didn't speak English, having our own language or dialect taught to us by our parents. I have learnt several dialects now, English being one of them. As you can see, I am quite tall almost like a super-being and I am filled with the Love of Our Universal Father, who I love very much and who gave life to my parents for the Universal Father is my, and all of ours, true soul parent. I know a lot more than you can conceptualise or receive, and so, I will keep my introduction as necessary. I have given my name as Ar, and I am happy with this. I am male, as you have perceived; I have brothers and sisters, many in fact, as my parents lived way beyond the years of age that you are familiar with today. They received the Divine Love a long time before their *fall*. I converse with my brothers and sisters and my parents for we all live in the Eternal Spheres. A few of them have progressed to the Spheres of Paradise. I very rarely visit the human natural Spheres, for you can well imagine how those who reside there do not know about such origins, so how would they respond to me if I were to introduce myself as the First Offspring of the First Parents of mortal humankind!

My life, my mortal life on Earth was charming, as my parents loved me. I grew to be strong and perfect in my human life. I was the perfect natural man and the perfect Immortal man. I was super-human and was well aware of the spirit world that I would proceed to at the conclusion of my human life and translation into the spirit world. I shone with light and life in Divine Love, the Love that I continuously received. For us back then, having the Divine Love present was as normal and a part of our lives as the air we breathed.

I went through the whole experience with my parents, as I was old enough and aware enough to know what was going on. I actually was not like my parents and never assumed the same equality with God as they did and so, in the old language, I was never part of, nor participated in, the Original Sin. I never sinned or committed error in my life. I watched as my parents assumed a god-like standing as they walked the Earth where we lived. There was never any external planetary influence in their misjudgement. They simply made a transgression that was in violation to the condition in which they were entrusted to live their lives and, by their actions excluded themselves from being able to partake of the Divine Love that was essential to the energetic output of their souls for the purposes of their formed human lives.

I never lost sight of the fact, that whilst my parents were my parents, my true soul parent, was the Universal Father. My parents taught me this and so it was outstanding to think that they then denied this within themselves. There was never a great drama that presented itself, just the evidence of the Love that they needed for their lives, was no longer present and no longer present for me, my brothers and sisters. Most of my brothers and sisters were the same as I. A few of them out of their love for our parents, took the same position as our parents but this was only because they loved them so much. The love of another can do this.

I loved my parents and worshipped the ground they walked on because I knew their role and responsibility, but I never allowed my love of them to take the place of the One who was providing me with the Love I needed to remain super-human. When I could no longer receive the Divine Love I accepted my fate because I knew that the Source was acting in accord with the harmony of the Heavens and the Earth.

We all continued to live in the ever-diminishing circumstances of our natural love taking its condition and hold of our lives. I never stopped loving The Father because you can do this in your natural love. You can love the Source of Eternal Universal life from natural love and even when the Divine Love is unavailable, the Source, still knows that you are loving, true of heart. We all lived a long life and as a unique part of our parents physiological being, with the assistance of the Divine Love, each created offspring was unique with our own physical genetic information. This meant that we could mate to produce offspring that would commence the first attributes of mortal soul incarnating from the Pre-Incarnation Sphere that commenced the beginning of humankind. This is hard to believe yet it is true and it need be said that whilst the First Parents are deemed as the first humans and the beginning of humankind, whose origin is from the First Source and whose lives were not solely derived from an evolutionary species-my parents were unique in every way true to the word.

As time passed human life flourished and the condition of natural love went through its various stages of human evolution to the moment when our lives passed from human memory. This happened by the assertion of the ego for it did not suit man to know that such a life once lived and hence, our story left unsaid and untold. Now, humanity has no idea of its origin and that is why it is so important that the truth of the human soul be seen and known as to its true origin, and that humankind lives in a day when the Immortal Love is freely available once again. There is a lot more in detail to my human life but the truth and only the truth has been necessary to share. I know that you have done much work on the First Parents and they do provide the perfect example of many components all transpiring in one place at one time. Their life demonstrated the natural and the Divine, the mortal and the Immortal, the human and the super-human but ultimately in the great unseen, there is this individual at the centre of everything

who sees and knows everything and should never be discounted in the pursuit of love, spirit and happiness.

I sincerely thank you for this time to convey a small amount on my life and to have contributed to this vast vision of work, an example of what living with the Divine Love can do and at how by accepting the Source of this Love, so much of the attributes of spirit is open and visible to your perceptions.

The First Son of the First Parents,
Ar (*Pronounced: Are*)

283. *The boundary of time*

26 January 2013

One of the main reasons, if not the reason why, harmony is the way it is here in the spirit world in the lives of all those who reside in all these Spheres, is due to the fact that the condition for living here is no longer governed or determined by the need for human survival. The humanity that resides on Earth in the finite time that you are is primarily positioned in the human condition and need of survival. The reality of human experience involves the worldwide awareness of an inevitable finite human death, and this forms a boundary around the experience of humankind. Most fear death and this fear helps sustain the boundary. Once the personality has crossed this boundary as countless billions of people have, then one becomes a spirit and the personality once having adjusted to this awareness, realises that this fear of death passes and a new life begins. I, and all who have lived on Earth, have been through what I have just said. At great expense we have gone to great lengths in this work to illuminate the spirit body and its part in the survival of the human individual. Mortal and Immortal spirits, even those who exist in their poor soul condition no longer live with the anxiety or stress of living in the confines of their physical body. Once the spirit has adjusted into their spirit living, a great sense of relief and calm emerges in the personality along with a great freedom for everyone knows that all that once a boundary of time, has now been dissolved into a boundary of life and that living continues on and this is why there is so much harmony in the way people live in the spirit world.

Although this is a brief comment, there is no need to underestimate the significance of what I have said. For other than the Immortal nature of God's Divine Love and the choice one may make when one is aware of such a choice of Love to make, there is nothing permanent about the natural nature of a mortal soul for it too, has a boundary of finite time and always it is subject to change in one's choice to accept or deny the Divine Love of the Universal Father.

Nice to meet you and to write with you
A Celestial teacher,
Antony

284. *The Compassionate One*

27 January 2013

I am here and I am *The Compassionate One*. I have been asked to write by Saleeba on this subject of life after death. My voice gives compassion for I know of the human emotion involved in the social relationships and how affected loved ones are when a loved one, dearly departed. There has been a vast

vision conveyed in this work derived from the collective resource of individual experiences from the natural and Divine Love experience. I am to say that we here in the Celestial spirit world are sensitive to the needs of those feelings that transpire at the loss of human life or when a disability eventuates. It has been necessary to demonstrate in this work how the nature of the human personality survives death, that this should give hope and faith and only serve to illustrate how much God is present in the human drama of life and death, and how we accommodate (over here) those who arrive and need our tender loving care in the time of their adjustment to this new environment. Learning about the workings of Love and Spirit has compassion and empathy and a sensitivity to it, for nothing can replace the loss of a loved one, or the end of a human life and whilst it can seem that certain people are in a hurry to end their lives or another's life, in the great social drama of human experience that involves all of us, I am here to say that emotion and love, feeling and sensitivity, companionship and loss, friendship and goodbyes form part of the human endurance in the continuing life experience of all who know that love prevails and will continue to prevail for nothing will ever end God's Divine Love.

For the enduring nature of Love and Spirit,
 A Celestial companion,
 The Compassionate One,
Yvonne the mother of lost children

285. *The Soul Grail*

27 January 2013

That was a beautiful voice given from the spirit world by this most beautiful spirit who has served the Father by helping the little ones in the first natural spirit world. There are many who work along side Yvonne, though Yvonne is the one who, in this service, has guided all those who serve with her and their souls shine in the radiance of the merciful Divine Love in their souls.

I would like to say just at this minute, that for those on Earth who like the Holy Spirit as a language, that this is a good word to ask for the Holy Spirit to convey the Divine Love into one's soul and to do this one need only be sincere of heart in their prayer to God. In the diversity of human experience for those who are not familiar in their faith or belief of the Holy Spirit, then one can ask sincere of heart, for the True Spirit to come to bestow the Divine Love into their soul by asking God, for this true Spirit is universal and can in Its form and appearance, administer God's Divine Love into all mortal souls on Earth and in all Spheres of the mortal spirit world including the Eternal Spheres and the Spheres of Paradise at one time in a finite time! For the Divine Love of God and the Spirit is universally present as a potential in all places at all times where mortals and Immortals reside.

There is a lot of love in the universe and the well never runs dry at the Source of this Love, for such is the nature of *The Soul Grail*. The Soul Grail is the Soul of God.

A Celestial spirit and universal mystic,
Livingston Grace

Is it Jesus or Mary talking through a Medium?

And the chatting / talking with Jesus is the same as we've told you, it's really 'on behalf of Jesus', it is one of the Medium's band pretending to be Jesus, which really means the Celestial accessing Jesus' Spirit of Truth within himself (and only we Celestials can do this and are allowed to), and so then speaking 'as if he is Jesus'. It's the same thing as James feeling how close I am to Mary Magdalene in my 'feeling' when we are writing together, because as I said I work with her Spirit of Truth as I feel very close to it – very close to her. And she's said I can use it that way. So effectively, should it be necessary for me to do so, I could 'pretend' to be Mary speaking to people on Earth.

As you have possibly gathered, it's all highly organised as to what and when we can reveal to you. It's all set out in keeping with the Rebellion and Default limitations and then in keeping with the Mansion World levels and all the levels within them. It's all angelically controlled, so we slot in using our minds and be who we need to be to you and how we need to be and what we can say. So as you grow in truth through your Healing, moving progressively up through the levels, so we can come forward and progressively reveal more to you. So what is revealed and how it's presented to someone who's in their wrongness and not wanting to do their Healing, compared to someone wanting to do it and just starting out, compared to someone nearly finishing it, compared to someone who had finished it, might all be so different that you would think it was different spirits relating at each step, when it might be the same spirits. And really we don't change, it's you who changes, or refuses to change.

And added to that, we know how far someone will go in their spiritual progress throughout their Earth life, so part of our interaction with that person is in keeping with that level of progress. So we might say and do and be differently to different people, even though we're the same spirits, because each of those people have very different spiritual paths and levels they will reach.

So it's not as straightforward as one might think, which I know causes many misunderstandings, much confusion, even putting a lot of people off, however really until people are well into their Healing, it will all appear like everyone is working at it from opposite ends with no real synthesis or commonality involved. So you can look at it like say a Maypole, with everyone starting out on their separate ends, but the more you do your Healing, the closer you all come to the truth, which will allow the Spirits of Truth to then synthesis you all into what is needed for you to become Celestials. For by the time you are Celestial, then we're all on the same page so far as the Truth is concerned. But even though we Celestials are all living that same truth, how we might relate and start with people on Earth or the lower Mansion Worlds might make us sound and appear like we're all very different.

Nanna Beth, 19 February 2018

Note: Jesus has only talked DIRECTLY to James Padgett and James Moncrief. Further, Mary Magdalene has only talked DIRECTLY with James Moncrief.

286. *My love like a feather*

27 January 2013

I am one who had great strength when I lived on Earth a long time ago. I am unknown to the history of man though I wrote my thoughts in a journal about the nature of man and man in nature. With all my strength and love, for the great strengths and weakness that formed part of my fellow man, I desired to change the world but the world changed me. I matured in my life's experiences and saw the best and the worst in man as I walked the streets of the city I lived in, by the Mediterranean Sea. I saw great acts of love and terrible acts of unkindness; I observed as I the writer quietly passed by. It wasn't until I became a spirit that I became aware of the Divine Love and although I had thought much about God when I lived my human life, I had never known God in a personal way. My love and strength that carried me through my life gave me a sense of connection with God, for it was only in this connection that I found peace of mind in all that I saw in the worst of man and the best of man.

Now that I am living with Divine Love, I am aware that the Immortal Truth of this Love is really the only thing that has the power to change the human and spirit world. Because it is the only Love that can change the inner condition, the inner world of the human and mortal soul. My love and strength has been empowered by my soul living with this Love and I serve the Heavenly Father by helping those in the Natural Spheres who are weakened in their soul condition, to find their true salvation in the Love that can change their world.

There is a spirit present who is going to communicate a message to you that is very significant with regard to the world, and so I bid you farewell and I thank you for receiving my words of love and strength that may inspire the human heart to be open to the wonderful and true living Divine Love.

Yours sincerely,
Michael from the Mediterranean

287. *Another World Teacher*

27 January 2013

Good morning to you. So far your receipt of these communications this morning have been enlightening and inspirational, full of hope for the human heart. I am to write on the subject of *Another World Teacher*, or a man or woman who would in their life, personify a life like Jesus.

To my knowledge, there will never be another to the human world to teach and reveal the way of human life and the way to live with God that involves a new revelation of God. The revealing of the Divine Love and Its' Immortal nature and some of Its' workings to the human soul and how this Love places a mortal life with God has been declared, firstly by the First Parents (Aman and Amon) before their fall then secondly by Jesus and only Jesus.

The human life of Jesus signalled the re-inclusion of the Divine Love and the Spirit, that brings this Love to the mortal soul with its potential for Immortality for all humans and all mortal spirits. Jesus was the World Teacher and remains so. He is also universal in his teachings about God's Divine Love and man's natural love, and now that this Divine Love of God has been present since the human life of Jesus, there will never be another world teacher to declare to mankind that God has rebestowed the Immortality and potential gift of It, as a beginning event. Jesus lives here in the Celestial Heaven and continues in his work to bring about the realisation to people and spirits that the potential for Immortality is present by way of the Divine Love of God perfect for the human soul. The Divine Love, and only this Divine Love, provides this true Immortality so therefore, there is no other teacher required to introduce another way other than the one that has already been provided for one and all mortal souls by Jesus.

Another teacher is not required or necessary because the Divine Love is universally present and as people and spirits experience and continue to experience this Love from this experience, individuals become well aware that Jesus commenced this beginning with the Father among people those human years ago. The Divine Love provides one with all that is necessary to learn about the nature of mortal and Immortal life. Another teacher could come to teach about the Divine Love already present, but that teacher will be the many teachers who are humble people aspiring to improve their lives by receiving the Love and sharing a little of their experience among other people who are receptive. In effect there will not be one teacher on the face of the Earth to teach one and all, there will be many teachers who will help one learn about all, and all to do in this service of helping to create a general awareness of the existence of this Love. The great world teacher will be experience itself! Experiences that people learn in their awareness of being with the Divine Love and as one gains confidence in their experience of this Love, one will know that Jesus is the Master Teacher who first introduced us all to the Immortal nature of this harmonious way.

Men and women have contributed in their experience of Divine Love and will continue to do so. Jesus revealed the living life of God's Divine Love in a natural life as he lived among people to demonstrate that any person who is sincere of heart can, in a position of their natural life, commence their receipt and experience of the Love.

The Divine Love is present for people to experience as it is for spirits to experience, and there are many experiencing this Love now. Any such world teacher would be known to us here in the spirit world, for anything to do with the Divine Love is known here even though experiences happen in the social human living with Divine Love. Here in the Celestial Heaven we know that there is no further revelation of God to be revealed to man for we know that the Divine Love fulfils everything to do with being *soul*. We are living proof of this and we have identified the nature of Divine Love sufficiently so that we know much of Its' nature and that no other is required to be born of the flesh to teach us more than what we already know. The fact that most people in the human world, as yet, are unaware that the Divine Love exists and Its' potential for Immortality, means that people dream that one day a teacher may appear to lead one out of the shadow of life. If the world knew about the existence of the Divine Love then this dream would be a reality for everyone would know that Jesus is the universal teacher and that he declared to mankind the way that a mortal life may live with God.

All of us here in the Celestial Heaven live in this Immortal Love and we know the history of It and we know Its' workings will never change in the day of tomorrow. We live the way of Love, Spirit and Harmony, Faith and Truth, and we accept our lives in the presence of God. Those of you who are experiencing Divine Love in a human experience are beginning to learn a little of Its' nature and how there is a unique difference but a harmonious difference between the natural love of man and the Divine Love of God.

People will always forecast things or events to their future. This gives hope though the future always seems somewhere in the distance. When one is aware of the Divine Love, one has arrived in the present of that future and one learns that no other person or spirit or world teacher will improve the way in which the Divine Love is. The foundation is set and the way of this Love is for one and for all.

Thank you for receiving my message.
John, a Celestial teacher

288. *The changeless Love*

27 January 2013

The Divine Love is universal in its appearance to one and all mortal souls. The Divine Love can never be owned, controlled or manipulated to cause a different effect than the effect already established to its true cause. No mortal or Immortal personality can influence or alter its nature and one can try but will never succeed. It is impossible for a mortal or Immortal personality to change the nature of this Love for to do so would be to change the Source and Origin of this Love, God. In the ever-changing nature of mortal or Immortal life, there needs to be a constant that doesn't change, that a soul can rely on in times of soul change and transformation. It is comforting to know that as one experiences changed soul conditions, that brings about a progressive awareness that one can rely on, a consistency in the Love, so that as experience is forthcoming, the individual can rest in their faith knowing that God will never

change the nature of this Love for to do so, would have a detrimental effect on one's reliance on the nature of the way the Divine Love works and related Love and Spirit workings.

We have learnt, in this work that there is a contrasting nature between the natural and the Divine Love but in this contrast, the Divine Love is changeless as Its' principle nature, being perfect, and requires no further change to it. The natural love changes as the greater love, the Divine Love, transforms this natural love essence in one's soul yet the individuality of the personality remains independent of God even though the soul of the individual has now become a possessor of the indivisible Divine Love.

The way and working of this Love's immutable nature is as fixed as it has always been from the first day the First Parents received it, to the last day that they received it, to the first day Jesus received it as a man on Earth, and to present day, and well into tomorrow. The Divine Love has never changed causing the same outcome in the soul who accepts this Love from God.

There is nothing preventing one from receiving part of the indivisible nature of Divine Love accept for the lack of human awareness as to the existence of this Love, and once this awareness is created, only one's self can prevent their soul from accepting the potential for Immortality. There are many who are aware of this Love on Earth and in the spirit world as I write this, we are all experiencing a little of the joy and happiness knowing that we are living in this universal truth.

Thank you for writing my words
Peter, a Celestial teacher

290. *The Flight of your life*

28 January 2013

I do believe that living with the awareness of the Divine Love offers hope. Hope to the heart and the soul, and mind and not to the pure material ego of man. People like to know that they matter to someone and are important to someone else, its the social way. The religionist and the spiritualist like to worship another personality who personifies the beliefs that one likes to believe in; the word follow comes to mind. The Divine Love is without mortal personality and without a particular image. The only personality and image it does have is the personality of God, the Soul, as the sole provider of this Love. The nature of this Love is substantial. We have described and introduced much of the nature of this Divine Love and Its' elegant workings. A Celestial spirit living with this Divine Love doesn't sit down in a respective Sphere and worship Jesus or any other finite personality. What we do is enjoy a progressive living in the harmony of our independence as we all share in the wonderful nature of this Love. The only individual we do worship is the universal Soul, the Eternal Father.

In the Natural Spheres, many people in their social lives still worship and follow one another or remain to their beliefs to a mortal deity or personality. It is strange to see a person worship Jesus or a Saint as they did on Earth when Jesus or that soul is living with the Divine Love in the Celestial Heaven and actually visits the Natural Spheres where people believe and live in their beliefs as they once did only now, in the memories of their human experience. This does show how current living with the Divine Love is and how natural belief is passed on from generation to generation without any knowledge of what the Divine Love is. This is one of the more bizarre things about the nature of natural and Divine Love.

The idea of an Immortal Love with perfect harmony and truth, that is the Divine Love, that doesn't actually have an actual personality other than God to its creation, is a bit daunting and challenging to most but then, every human breathes in air to survive but no one worships 'it' or the cause of its existence that enables every human the oxygen to survive. The Divine Love is much like this air, though it is Love for the soul.

I would like to state that whilst the Divine Love is without personality, it is in Its' Substance, the personality of Love and to receive pure and perfect Love takes a little getting used to. And so, let your soul be the colourful kite and the string that you hold your faith and the breeze that catches the kite, the Spirit that brings the Divine Love and in the flight of your life the Divine Love will teach one how to fly in the joy and happiness that plays like a child or an angel in the wonder of the glorious sail that shimmers throughout all the universe, God.

With love and joy,
Peter

292. A potential fulfilled

30 January 2013

The way one conveys experience of Divine Love will always be a sensitive one, for this experience to most who experience the Love, is relatively new and so one is learning from uncommon ground. There is still not much experience in the human world to draw upon and so, one's experience will always prove the best place to draw vision and inspiration from. As spirits living in a different environment we can only do so much, relating vision and experience through the various individuals who are asking for our input and guidance and who are receptive to our leadings, and the receipt of messages given in the form of communications on the nature of love and spirit.

Often spirit communication is a vague experience, however we offer all the encouragement to make contact so that inspirations of love and spirit can be freely given to inspire those who are encouraged to experience the Divine Love. Experiencing the Divine Love is the single most important thing to do and any message from the spirit world from an individual, who is aware of this Love, will only ever give so that one is encouraged in their experience with this Divine Love.

One need always strengthen their resolve and their condition for spirit communication by praying or meditating to God and being in the Divine Love. There will be those times that we won't communicate with you. Prayer for Divine Love takes precedence over everything. This time between the individual with the Soul of God is the most important thing for us all, and after all, this is what makes the activity of spirit and love, living!

In your (Nicholas and Zara) case, you have been doing this a long time now along with your study of Spirit workings and learning about the nature of living with the Divine Love in a human environment and experience. The timing for this work was a natural step in your experience and an experience that you could carry at this time in your soul condition. Both of you desired to work with us in an act of love and harmony and nothing more. Without any ulterior motive or agenda or to make a human statement about ego, this work focuses solely in love and harmony. Our experience together has originated from a

position of love and living the truth of love and love embodies all that is in this collaboration of spirit writings. As far as we are concerned, this is all that has been necessary and that we have asked for: that these communications be received and put forward as a work of love and harmony that demonstrates living with the Divine Love and a potential fulfilled.

296. The Teaching that God is Soul

31 January 2013

And so we come to the Source and Centre of everything universal, God. Good morning to you and another beautiful day it is. It is hard to define a complete and clear image of God although we have identified many attributes that have their origin and function from the Origin, God.

A wonderful insight one can have about God is to recognise that God is Soul and that there is no duality as to this Soul's nature. The Soul God stands singular and alone in a place that has real universal presence. To see God as Soul is a good step when learning about the awareness of the experience of God's Divine Love. To see this Divine Love in Its universal presence emanates from the Soul God is a beautiful Truth. Any subsequent understanding about the nature and experience of living in the awareness of this Divine Love will only add more vision and greater awareness insofar as one being able to experience their own nature of soul in context with the nature of God's Soul.

For one to know that God is Soul is a liberating truth and liberating awareness for it puts this universal Truth firmly in Love and Spirit. We have gone to great lengths to introduce, expand, and explore the vision and workings of the mortal soul, the spirit body and personality in relationship with the natural and the Divine Love. The full realisation of this is embraced between a soulful relationship of the individual with God, Love and Spirit is the inclusion living when one becomes aware of the Divine Love.

I am here to say that all of us here in the Celestial Heaven live in the awareness that God is Soul. There is so much nature to this Soul that we enjoy exploring this nature and it is comforting to know that we begin with a truth that doesn't need any more perfection or improvement to it. All of us here who live in the awareness of the Divine Love had to learn about God's true nature to begin with and just as people begin their experience in Divine Love, we did too and part of this experience was learning that the Source of this Love originated from Soul for the one and only purpose, to become in potential, part of our finite soul nature! There is a real sense of universal freedom to explore the nature of God. Having the presence of Divine Love in one's soul provides a good place to begin this exploration and adventure. By being aware of the universal truths that God is Soul and that this Soul is the provider of the Divine Love and the Spirit that conveys this Love into our finite soul, are universal truths to begin with that never change and sustain us throughout our immediate, finite and eternal experience.

I realise that to define God as Soul and human nature as soul and that the Divine Love is the link between these independent natures, is a simple thing to say and to communicate. To those of us who have been living with this awareness in the spirit world – to us, it is common knowledge that God is Soul. It is a simple thing to say, that God is Soul, but it needs to be simple so that everyone may have the

best possible chance to understand this as an introduction to the nature of God and the experience of the Divine Love. No one ever begins climbing a mountain from the position of the top of that mountain; everyone begins climbing from the broadest part of that mountain. The broadest statement about God that I can give for one who feels inclined to embark upon their journey and adventure in learning about God, is the broadest truth in all the mortal and Immortal universe: God is Soul. The Divine Love will give you the origin that never changes, and, in the variable and diverse changes of human experience it is nice to know when climbing a mountain, that the summit or peak is not going to change its position on you when least expected!

Most things in a human life are experienced socially. A social awareness of Divine Love is an experience that is gathering pace as we speak; and from our spirit perspective we are heartened by this and there is nothing surer or more certain that the cause and originator of this Divine Love will never change and this is a comforting course as the social awareness of living with Divine Love in a human experience, gathers momentum.

Thank you for receiving this teaching that God is Soul.

Your Celestial friend,

Luke

**INDWELLING SPIRIT, THOUGHT ADJUSTER,
MYSTERY MONITOR (all being the same):**

The external elements, instruments of the Father, do not form attributes of our own soul upon its initial creation by our Heavenly Parents, these are the Spirit of Truth, the Indwelling Spirit, and Divine Love.

The Holy Spirit, conveys Divine Love to your soul should you earnestly and lovingly ask for it. This is the only function of the Holy Spirit – Acting Spirit.

The Indwelling Spirit becomes present when we are around the age of six. This means that the unseen helper of the Father and Mother – the Indwelling Spirit – can always interact with the mortal soul and to be of service so that eventually the leadings from the Spirit may be the catalyst for that soul to seek our Parents.

The Indwelling Spirit reveals intrinsic workings of Father and Mother to your soul.

The Indwelling Spirit functions in much the same way as the Holy Spirit, ask and it will provide support and guidance.

The Indwelling Spirit / Thought Adjuster only works with us on the mind, feeling and psychic levels directly with our personality on conscious and unconscious levels of reality. It is the Divine Minister with hands-on help from our attending angels that do the actual adjusting of our mind circuits – of all our circuits, even the physical if need be.

Spirit of Truth becomes active more so when you connect to the Source Soul and commence receiving Divine Love.

You are a spirit person having a physical experience. Your physical body is encased within your spirit body.

The spirit body only exists because our soul wants it to. In the fullness of love, even all our encrustments and wrongness is not actually bad, they are just the nether side of love.

So evil is literally a state of mind, and once you heal it you even feel love for your wrongness and even no longer hate it – that being full self-acceptance. But you can't contrive these feelings or level of awareness, it has to come of itself and will through the higher levels of your Healing.

A PRAYERFUL THOUGHT:

These are James' thoughts based on his personal experience in his daily life and in his contact with the Celestial Spirits:

On a personal level, I really admire one's capacity to give which many find really easy to do. However I feel that many have great difficulty in allowing themselves to receive or to feel that they have received the Love when they have asked for it. When one speaks of the difficulty that they feel they have in sensing Divine Love, one should consider this in the context of one's personality. You may already know that you have difficulty feeling and that may be your norm presently. So be it. This is neither right nor wrong but is just the way you may be at present. Others feel everything and often feel things that are not at all real.

My personal experience is that all one needs to do to receive Divine Love is to ask for it – no pleading on bended knees or desperate pleading – simply ask for it and *mean* it. You already have a lot of experience of life and people. People may have asked a lot of you all through your life. You know when others are for real when they relate to you and you know when they are trying to take you down or are serious in their asking. You simply need to ask gently and sincerely. You don't have to prove anything to God. You can use the prayer or not as you choose. I mainly just use my own words and have chats with God and feel that God is very receptive.

Faith is one of those indefinable qualities. It is not imagination or anything like it. It is a bit like gardening which is very practical as you may know better than me. When you develop your garden you do it as well as you know how and have faith that your plants will grow if they are established in the most harmonious situation that you can give them. That you have faith doesn't mean that what you do always works, as often it doesn't, then you learn something. As you progress, your faith in what you do grows and you become more certain. Initially you may have had guidance from others who are more experienced and you have learned much for yourself. Spiritual faith is rather like that, as you act without really knowing but do hope and believe that you are doing something right. Faith is like a plant. For me it seemed that I sowed a seed and then one day discovered that it had grown and was strong. This took time but it grew and all I needed to do was keep on every day just doing the normal things. You can't make faith grow any more than you can make a plant grow. You can fertilise it though and the best fertiliser is prayer – you don't even need too much of that. I don't think that you can overdo it but enough is enough.

The faith is that if you ask, you will receive Divine Love. There is no prerequisite of emotional clearing or anything else at all. Anyone in any soul condition at all is in a state where they can and will receive Divine Love – guaranteed!!!! Those in the depths of the hells ask when they can be persuaded by encouragement to and they receive.

When Divine Love enters your soul, it then fosters the development of your personality to provide the best situation for the manifestation of your God given talents whatever they may be. I feel that recent events are pointing out to many that some of the most important of these are those that you have already developed to some considerable degree and have used to help many people.

Zara Borthwick and Nicholas Arnold have very clear spirit contact. Between March 2012 and February

2013 they have channelled a book called 'The Divine Universe' which is a sequel to the Padgett Messages which were received in 1914 through to 1923. The first part is given mainly by Jesus and the other two parts are largely by many other spirits. 'The Divine Universe' first publication is in 2014. I can say that it is a wonderful book that tells quite a different truth than what others are promulgating. The material strongly fortifies all that I have said above. Their desire is to share this book universally.

I feel much love and respect for you and feel a strong desire to help where I and others can. We see many are such a force for good that we are often distressed to see anyone shackled. We are reminded of a statue of St Peter in a church in Rome which is called 'Pietro in Vincolo' which means Peter in Chains.

Faith, prayer and a loving desire will release the shackles and enable you to receive Divine Love.

I send this with much love,
James

SHINING TOWARD SPIRIT:
665. The Shining toward Truth

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas

www.lulu.com

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

DIVINE LOVE:

<http://www.fcdt.org/divinelove.htm>

The words "Divine Love" have been used in many contexts to convey different meanings. But in the context of our Heavenly Father, Divine Love is the greatest gift in all the universe. It transcends all else that can assist humankind fulfil their dreams of happiness and have them resolved within themselves. God's Divine Love is the one thing in all of God's infinite universe that can bring about eternal life and everlasting happiness in the Celestial Kingdom.

What is Divine Love?

The Divine Love differs from the natural love of man with which he was endowed when created, which belongs to all humans, and which they all possess in a more or less perfect condition in this: that the Divine Love is that Love which belongs to or is a part of God, possessing His Nature and composed of His Substance, and which, when possessed by a human soul to a sufficient degree, makes him divine and of the nature of God.

What is the New Birth?

The New Birth is simply the effect of the flowing of this Divine Love of the Father into the soul of a man and the disappearing of everything that tends to sin and error. As the Divine Love takes possession of the soul, sin and error disappear. It, the soul, becomes of a quality like the Great Soul of the Father. And with the Soul of the Father being Divine and immortal in Its quality of Love, so, when the soul of man becomes possessed of this quality of Love, the soul being the man, this soul becomes divine also. Then, the image becomes the substance; the mortal becomes the immortal; and the soul of man, as to love and hope, becomes a part of the Father's Divinity.

How does one receive the Divine Love?

The only way is simply this: that men shall believe with all the sincerity of their minds and souls that this great Love of the Father is waiting to be bestowed upon each and all of them; and that when they come to the Father in faith and earnest aspirations, this Love will not be withheld from them. And, in addition to this belief, that they pray with all the earnestness and longings of their souls that the Father will open up their souls to the inflowing of this Love, and that then may come the Holy Spirit to them to bring this Love into their souls in such abundance that their souls may be transformed into the very Essence of the Father's Love. The soul who will thus believe and pray will never be disappointed, and the Way to the Kingdom will be his as certainly as that the sun shines by day upon the just and unjust alike.

Take the test.

Too often we are told to believe something based on what we are told. You don't have to "believe" anymore. Now you can have physical proof of the existence of God and His Love for you?

"test my teachings that the Father's Love was now available, and pray for it to the Father in earnest prayer, and see whether, if this was done in sincerity, the Father's Love, conveyed through the Holy Spirit, would burn and glow in the soul, by which sign they would realize His Love was present therein." – Jesus

Take it to heart – earnestly pray for God's Divine Love and feel the glowing of His Love in your soul. Jesus gave us the Prayer for Divine Love to help us in our prayers to the Father.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

The BEAUTIFUL MIRACLE:

5 October 2012

The DIVINE UNIVERSE

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. Let us go back to the beginning. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union completes. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body, to give an analogy, are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other, then one is living in the presence of the Father in perfect harmony, and this clarifies the truth about what it means to be truly at-one with God.

The DIVINE UNIVERSE:

179. *The Nature and Stages of Fusion*

17 December 2012

In our writings together in this collaboration we have introduced much experience on the nature of Divine Love. We have conveyed vision and experience to the best of our knowledge and to the best of how our spirit-communications have facilitated this dialogue. We have tried to convey workings of universal Love and Spirit to the best of our ability that dovetails into extending the nature of personality, all of this in the view that the essential truth is always one's relationship with the Soul, God, in faith, love and the Divine Love.

This work first commenced with the life, the human life of Jesus, then continued with the spirit writings of James Padgett. Our current work introduces many themes situated in potentials, harmony and Immortality all the way defining the nature of a mortal personality comprising of its attributes and to illuminate the soul and the spirit body. We have established that the forming personality survives its human life and continues its existence in the mortal spirit world. We have defined what the mortal spirit world is in its function. We have written and communicated from our experience having lived in Divine Love and with your assistance, we have been able to give wide breadth of vision to this work so that another may derive insight, spirit illumination, vision, potential, thought-provoking information and, for one to find solace in. Above all, it is our hope that these works demonstrate the reality that the Divine Love is real along with the attribute of mortal soul and the mortal spirit body, and it is from the understanding of how the personality comprises of these two attributes provides a unified vision of the human experience and earthly world with a spirit's experience in the spirit world culminating and accommodating for the same outcome, which is an acceptance of the Soul, God.

I desire to write on the *Stages of Fusion* a mortal personality experiences when the attribute of soul and spirit body form the individual.

The formed image of the attribute of each unique soul begins with its creation. The originator and First Source of all mortal life, the Soul God, commences a mortal soul life by forming a complete soul. This mortal attribute upon its creation and upon its advent into the Pre-Incarnation Sphere where it awaits incarnation into a human life is subject to a single act upon it as the first stage of fusion. A single Spirit Law that only exists in the Pre-Incarnation Sphere acts upon God's Spirit Will and divides each complete soul. The soul then becomes as it were two distinct and separate attributes or parts and in each part the whole attribute and potential for the receipt of Divine Love and imminent incarnation for individualisation plus other potentials form a complete part of each part of the complete soul. **This first aspect of Fusion** is to actually separate and not to bring together.

The two distinct parts of the complete soul reside in this Sphere until the imminent approach of incarnation. When incarnation occurs, each part will incarnate into one of each human sex and never shall these two independent parts incarnate into the same sex. There is a very good reason for this. When one is aware of the potential of Divine Love and the possibility for a Celestial soulmate companionship, then one understands why it was necessary for the complete soul to fuse apart and form two distinct attributes. Each attribute will always remain independent in the forming of their unique mortal personality and derived human experiences from a human life. Never shall these two distinct attributes incarnate into a single forming personality. I am also aware, and you have written an account

of this before, that each attribute of soul in this Sphere does not have as part of its original forming, any personality other than its attributes and potentials which means that any self-determination or voluntary decision to pick and choose or to select a human life is absent from the soul when the soul resides in the Pre-Incarnation Sphere.

Humans, mortals and Immortal spirits cannot influence the attributes of soul in this Sphere. The Pre-Incarnation Sphere is in God's jurisdiction alone and only selective Spirit Laws act in this mutable and comfortable environment. This Sphere is not a hallowed environment but a Sphere that is only visible to the Eternal Eye of the Soul, God. We have discussed at great lengths the reality of this Sphere because we understand the importance of our beginning. This Sphere is part of our heritage and it is from my and other Celestial spirits' perceptions that we are able to ascertain an image of this Sphere from the Father. It does not surprise us if a person does not believe us. The visibility of soul is near-next-to-nothing in a human experience, so then why would one see the truth of what I convey?

Nonetheless, a mortal soul life needs to begin somewhere and has to begin somewhere and so, it might as well be in a place caused into existence by its originator and nurtured and prepared for what will become **the secondary stage of Fusion**, the beginning of a human life.

Do all attributes of soul exist in the Pre-Incarnation Sphere in one time at one place waiting for incarnation? Has God caused into existence every attribute of soul that will ever incarnate and that will become the whole history of humankind? All these questions that we ask about the advent of a human soul and the environment it begins in, lead us to gather more information into this unique part of universal creation. It would not surprise me in the least to know that God has caused every single attribute of soul to exist prior to the first mortal personalities that commenced the human race. I know for a fact because I reside here, that the entire mortal spirit world including the Celestial Heaven had form, image, working and structure before the first mortal personality arrived here after the death of their life wearing only their spirit body. If God can cause the entire mortal spirit world into existence before a mortal personality has commenced living the first human life, then, to originate all attributes of soul that exist in a Pre-Incarnation Sphere is an entirely possible thing for God to cause into existence. Humans, mortals and Immortals simply don't have the power or resource within our selves to cause such universal and far-reaching realities into existence. This is why the Divine Love is such an integral part of universal life, for it is the only substance and energy that we can individually experience that is part of the universal originator, the Soul God. This may add a new aspect on why it is significant that one may participate with the Divine Love! It is a given that people and spirits can experience – and do experience – God in aspects of universal attributes though I must qualify that only with the Divine Love, will a mortal soul experience the Soul, God.

The secondary stage of Fusion is simply defined by the incarnation of the finite attribute of soul to acquire a spirit body and living attribute of personality, which commences the finite soul's individualisation of mortal life experience. This secondary stage is inclusive of the conception of a human being. The entrance of a soul into the physical and material world is a dynamic fusion culminating with various attributes forming the individual personality. To provide you with an image of this dynamic, a specific Spirit Law acts to form the spirit body, another Spirit Law acts to exact the soul into the spirit body and another Spirit Law specific to the adjuncts of mortal personality act to exact the now forming personality to its position of the soul and the spirit body and the human brain. Also, the physical conception forms part of this fusion insofar as the fusion of genetic information from two

separate sources, a sperm and an egg. This is a simplified image though it is enough so that one may gain a perspective on how these attributes culminate to form a human being ready for life, ready for the afterlife and ready for the potential to experience the Immortal Love. There are physical conditions of a voluntary and involuntary nature that form part of the physical being. The main thing is that the spirit body is formed so that the expectation of a human life in terms of its age, will not compromise the now formed personality to survive its creation.

The third stage of Fusion in a soul's life is its transition into the First mortal natural spirit Sphere. This stage is defined as the ending of the physical incarnation and the beginning of life in the spirit world. The spirit body acquires the personality in all its attribute and specific Spirit Laws act in their assistance as the physical body falls away from the spirit body and the spirit body takes over as the place and environment that the attribute of soul and attributes of personality now reside and function in. This is an *act of fusion*, for the personality being subject to a greater Law, is exacted to the attributes of the spirit body complete with function and attribute and cognitive experience in the individual's now spirit life. The exacting nature of this Law ensures that no splintering or aspect of the personality is left behind or lost in translation. This is really important for memory and other identifiable aspects and information pertaining to a human life lived. If a human life passes into the mortal spirit world before the individual has any cognitive functioning or capacity to be cognitive, this does not determine any other outcome to the soul other than the personality continues to survive in the spirit body and continues to mature in the First natural spirit Sphere.

This secondary stage is inclusive of each incarnated soul and of every human being for this forms the natural soul system of individual personalisation of experience in natural love.

The fourth stage of Fusion involves the Divine Love. This can happen at any time during the natural life experience of the individual. The fourth stage involving the Immortal Divine Love happens when the Divine Love enters the attribute of the soul for the first time and the attribute of mortal soul is now confirmed as living with the Immortality that this Divine Love provides. The Divine Love, having entered the soul, fuses with the soul and the perfect causality of the Divine Love in its cause-effect becomes part of the soul and can never be extracted from that soul nor can this process of Immortality ever be reversed. There is simply not in existence, a Spirit Law that can reverse this fusion and this is why the choice for Immortality is so unique for the individual to make.

Now that the individual has experienced the Immortal Fusion with the Divine Love in their soul, **the fifth stage of Fusion** transpires when the individual progresses in their experience of Divine Love as it transforms their natural love and the necessary changes happen that arrive within the soul condition of the individual to be of Celestial soul quality. Any necessary compensation will have taken affect and the human life or natural mortal life will be with sufficient harmony in the Divine Love to enter the Celestial Heaven. One is now infused with their universal life and the awareness required, to live in the harmony with God no longer illusive to the individual in a solely self-determined mortal life. Without the infusion of the Divine Love in the soul, no Immortality can form in the soul and the soul remains in its natural life experience to a greater or lesser degree of harmony in its condition of natural love.

All the way along these stages of fusion, experience – if it is progressive – infuses the personality with more experience and this allows for more attribute of personality to become functioning and present

within that individual. There is no greater example of this than when the nature of awareness becomes active in the personality from a faith in Divine Love experience.

Stage six of Fusion truly demonstrates how the personality is infused with extended attributes of mind-spirit function as the individual progresses from the Celestial Heaven and enters the Eternal Spheres. The individual is infused with Love and Spirit that provides the personality to see the difference between that which is Immortal with all that is Eternal. The individual always remains finite and is never infinite in their condition of soul. The individual residing in the Eternal Spheres is now universally fused with the Eternal experience of the First Source.

Stage seven of Fusion of individuality is the transition from the Eternal Spheres to the Spheres of Paradise. Through the experience of Divine Love one has gained their Immortality and progressed through the Celestial Heaven and then to gain an Eternal perspective on the nature of God, as being universal and eternal. In the Spheres of Paradise the individual is now fully fledged in their union with God and can travel around the entire soul Sphere that God is and resides in. The confirmation and completion of all these stages of Fusion happens in the last Sphere of Paradise when the individual can visibly see the image of all that was previously unseen, the Soul, the Eternal Soul and First Source of the individual's creation. Having seen the Eternal Father, the personality of the individual is deemed as being, *perfect* and still in this perfection, one can gently ask for a drop of the Immortal Love.

This concludes my message on Fusion. It is a potential to understand the vision that I have just written and it is a true vision for the Divine Love reveals it so. The wonderful thing is to see how durable the three natures are: the soul, the spirit body and the human personality and how these three components form the destiny of each individual.

Thank you for taking my message.

Your Celestial friend,
Luke

Our Heavenly Mother and Father simply desire for us to ask for Their Love.

NATURE and STAGES of FUSION:

Seventh stage of Fusion of individuality is the transition from the Eternal Spheres towards the Spheres of Paradise. The individual is now fully fledged in their union with God and can travel around the entire soul Sphere that God is and resides in.

Sixth stage of Fusion truly demonstrates how the personality is infused with extended attributes of mind-spirit function as the individual progresses from the Celestial Heaven and enters the Eternal Spheres.

Pre-Incarnational Sphere:

First stage of Fusion is the separating of the soul into two, each soul half being complete on their own.

Fifth stage of Fusion transpires when their natural love changes and one's soul progresses to the condition to be of Celestial soul quality, one enters the Celestial Heaven.

Fourth stage of Fusion involves the Divine Love. This can happen at any time during the natural life experience of the individual. Happens when the Immortal Divine Love enters the attribute of the soul for the first time, either when in the physical body state or spirit body state.

Second stage of Fusion is simply defined by the incarnation of the finite attribute of the soul to acquire a spirit body and living attribute of personality, which commences the finite soul's individualisation of mortal life experience.

Spirit body →
Soul →

Third stage of Fusion in a soul's life is its transition into the First mortal natural spirit Sphere. This stage is defined as the ending of the physical incarnation and the beginning of life in the spirit world.

The Only Prayer That Man Need Offer to the Father:

I am here, Jesus

The Prayer for Divine Love 2 December 1916
<http://www.youtube.com/watch?v=Pg6p3rivAZw>
P.438 Book of Truths through James Padgett / Jesus

Let your prayer be as follows:

Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.

That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.

We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.

Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.

Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.

Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.

We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.

We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.

Amen

MoC

Note: The 'false teachers' are our parents, as they are also the 'evil ones'.
Also, the evil ones, being those parts of one's mind, that are controlling you.

The Padgett Messages, received 1914 to 1923 and published in the Book of Truths, has now been extended with further session of messages having been received between 2012 and 2013, and titled “The DIVINE UNIVERSE” via Zara Borthwick and Nicholas Arnold.

The DIVINE UNIVERSE

79. Prayer of the Heart

16 October 2012

I encourage the heart that prays to the Father for the Divine Love. I encourage the heart that loves the Love, and with sincere aspiration, feels for the Love. If there be any doubt, loss of faith or hardship of heart, I encourage the heart not to give up or give the Love away. The Father hears your prayers and the heart be rest assured in this. Never will a good heart be forsaken. As the Father does so do I, see and hear your heart, and prayers for the Love and the needs for wellbeing. Never give your heart up; trust in the One who knows your true heart, and there the Father loves you. One may never fully understand the intricate workings of time, past present and future, but the heart knows faith and Love and the Father Loves a good heart. Pray with faith, and in your heart my truth and the Father’s Divine Love meet you there.

I have given you this prayer of the heart so that men and women may draw from its words, strength, love and faith.

Your beloved friend and companion,
Jesus of the Celestial Heaven

300. *Prayer of Love and Strength*

2 February 2013

I am going to write the Prayer of Love and Strength that may help those with their endeavour of heart in the receipt of the Divine Love:

I pray that I may find the love and strength in my heart to love you more wholeheartedly. I pray that I may feel this strength as a living truth in my heart and soul as my weakness, due to my condition in my physical and material struggle, may not become a hardship that casts a long shadow over my day-to-day living in my faith in Divine Love. I pray that I will not give in to any negativity that surrounds me, or to the way that at times I cannot seem to be able to help or forgive myself for loosing faith in The One I love.

I pray that I am receiving Love, your Divine Love that is in great abundance and that my heart partakes of a small portion of this abundant Love. I ask that your Spirit, The Spirit, convey the Love into my soul as I have already been receiving into my soul your Divine Love. I pray that your Divine Love gives greater love and strength to my heart that I may continue in my prayer to receive this Immortal Love.

God, I love you with all my heart even if there be a shadow across my heart, and a lack of humility in my faith and on my behalf for I recognise that you can love me more perfectly and wholeheartedly than I can accept for myself.

God, I recognise that you are Soul and that I am a finite soul and that your Love and Spirit are true gifts for my heart and soul and that I need this Love that you have provided. I pray that from your Love, more finite love and strength in my faith and heart will enable me to love you even more. I recognise that I am doing my best in all that life has given and taken away from me and that in my resolve, my heart knows that your true Divine Love always remains with me and my faith in you. At times I have left you and left your side and wandered all over the place, lost in the shadows of life and in the near-sightedness of my eye and then, I pray for your Love and your Love fills my heart and my love and strength return and I accept that you are loving me at all times when I am lost and found. I give you all my gratitude, love and strength that my heart can give and I desire not to change the world or the spirit world accepting that your Divine Love will change my soul and in harmony together, I will try for a peaceful world.

I have provided you with the inspiration to give these words of love and strength that such words may help one in their experience of God's Love and Spirit.

303. *The Immortal Prayer*

6 February 2013

For those of you who are strong, I will continue to sustain this strength because many of you who experience the Father's Divine Love require a great resolve and strength of heart not to give up on the Truth and not to be saddened by the apparent lack of interest in the most beautiful love that you feel and know to be true. I will never prevent myself from being with you, who sincerely desire the Divine Love and, with any feeling of being afraid, alone or insecure, I with my Celestial teachers are present supporting you. There is no shadow in the Divine Love and for those who are aware of this Love in faith love and spirit we celebrate the harmony of God's universe of Love and Spirit.

I pray for the Divine Love, the Immortal Love

Universal Soul God,

My Father, I love and accept you with my heart. I sincerely pray for your Love that will come by The Spirit and embrace my spirit body conveying your Divine Love into my soul. I humbly ask that you love me as I love you, and that you continue to love me when in those times I cannot love myself.

I ask that you give me the strength to voice my faith and love to you, and that you may love me in my weakness and in my strength. I know that I am a soul beautiful to you as you are to me, and that your Divine Love will be the arrival of Truth that my soul has truly longed for.

I pray that your Divine Love will be the arrival from which will announce the departure of my doubt and that such faith, love, strength will come to me that I will never doubt you again. And I will never stop loving you, in the sunrise and the sunset of each day in my life.

I recognise that you are the Source of the Divine Love and the origin of my soul. I recognise that I may have been lost to you but in truth I was never lost to you and now, I am gathering up all my love out of my lost-ness in great abundance because I am aware that your Divine Love is present for my soul and I am free to receive your Love and feel Its' breath of spirit declare in my heart the Immortal Harmony.

I am receiving your Love, I have received your Love, true Universal God, your Immortal Love.

Amen

32. *The Perfect Prayer*

7 October 2012

In the time James Padgett received spirit communications I gave him a prayer (2 December 1916) to help him firm his stature as he worked with various spirits. I would like to extend the reality of prayer with you now.

The Perfect Prayer or Prayer for Divine Love need only be a sincere heartfelt expression of love given to the Soul, God, and included in this soulful heartfelt love, a respectful asking to experience the Divine Love. The perfect prayer will always be of an individual expression that works harmoniously for each person. There can never be a formal prayer of one that is perfect for all, for each person commences their receipt of the Divine Love at particular stages of their human or spirit experience. The comforting and nurturing aspect in the nature of the Divine Love is most suitable for the heart.

Formal prayer, intuitive prayers or a prayerful experience that exemplifies respect and a sincere desire for this Love, will cause a response by the Spirit to bring about an inflowing of the Divine Love into one's soul. There is a unique reality of love that exists between God, the Soul, and all other independent mortal finite souls. As soon as a mortal finite soul longs for love by God, God knows of this longing and the active Spirit Law that determines the function of the Spirit responds. It is as if no earthly time or mortal spirit world time exists at all, for the Divine Love is not subject to these constructs of time and has its experience directly between the Soul of God and the soul of the individual. In this way, a demonstration of harmony begins.

As the experience of the Divine Love becomes more familiar, and the energy in one's soul becomes more active, the essence of prayer changes as the condition in the soul of the individual changes. People have experienced this already as they learn more about living with the Love.

I will not give a formal prayer here other than the love in the words that I have just conveyed. I would also like to state that I know that individuals both men, women and mortal spirits, can commence and do commence their learning about the nature of Love from a position and condition of fear that is situated as a dis-harmony in the personality of the individual. Even in fear, I encourage one to value the attribute of goodness and respect so that a small beginning of learning to love thy self can form part of the progress when learning to live in the harmony of love.

GIFTS from FRIENDS who have GONE BEFORE US:

Over the past 100 years, man has been gifted with the receipt of highest level of spiritual truths in all of its history.

Between 1914 and 1923 James Padgett recorded, by automatic writing, some twenty five hundred messages, coming from two hundred and fifty spirit people, many of these spirits being from within the celestial spheres of the spirit world (8th sphere and higher). Within the Book of Truths, there are some 866 of those individual messages.

Lost to humanity, by the time of the beginning of the fourth century, were the teachings about Divine Love. James Padgett has been the instrument used to reintroduce these teachings to mankind.

Book of Truths as published by Joseph Babinsky contains the Padgett Messages conveyed from 1914 through to 1923. www.lulu.com www.amazon.com www.bookdepository.com

Then followed:

‘New Testament Revelations of Jesus of Nazareth’ via Dr Daniel Samuels (1954 until 1963)

<http://new-birth.net/samuels-messages/>

‘Judas of Kerioth’ as edited by Geoff Cutler (2001 thru to 2003) www.lulu.com www.amazon.com

‘The Richard Messages’ Messages from the Celestial Heavens via James Reid (2012 to 2013)

‘The Divine Universe’ – Spirit Communications – Padgett Messages Continued (2012 to 2013

via Zara Borthwick and Nicholas Arnold

www.lulu.com

‘Shining Toward Spirit’ – Beginnings (2014 – 2015) via Zara and Nicholas

James Padgett opened the way, he was highly religious and so was his family. His unexpected gift of automatic writing, discovered shortly after the death of his wife, enabled the commencement of the above five series of teachings.

From James’ recorded messages, Dr Samuels was able to ask for and receive Divine Love which enabled further Celestial messages to be delivered. The Judas of Kerioth messages came through a student of both Padgett and Samuels teachings. Now, in turn, the channels for the Richard Messages and The Divine Universe are all living in Divine Love and the messages continue with ever expanding detail and clarity.

Now to embrace the writings of James Moncrief.

The New Way, Feelings First Spirituality
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.
 Want to understand why you're feeling them.
 Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
 Your feelings are your spiritual guide.
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.
 It embraces all people.
 It completely unifies the world.

Everyone can relate to everyone else through their feelings.
 And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.
 No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

LOVE is the Religion of Feelings, being:

Feelings First Spirituality, The New Way

my
House is your
Paradise
 **HOME**

LOVE
is
Feelings First Spirituality, The New Way

Feelings First Spirituality, The New Way is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

Feelings First Spirituality is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

Feelings First Spirituality has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

Living the New Way of Feelings First Spirituality

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

And to do this you need to do your Healing

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

Feelings First Spirituality **The New Way**

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

God's Divine Love: Pray for it, ask for it, and receive it.

Oliver Twist asked:

Please, sir, I want some more!

Maybe we should simply ask:

some more!*

Strive to love others as I am to love myself

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.
