DIVINE LOVE SPHERES

Earth sphere is for the physical body.

HISTORY from the SPIRIT SPHERES:

Tracing one's family tree once in the spirit world is simple, you go and ask your parents, then you go to their parents, and then you go to the parents of these, and so on you go. They are all living. Everyone of them. So why don't we just do that ourselves? Well we can. In fact we can go and ask anyone about anything and you will get the answers to your questions.

Obviously, this family tree would grow and grow and at the top will be Aman and Amon (Andon and Fonta), our first parents. Adam and Eve lived 38,000 years ago, if not as early as 115,000 years ago.

When did Aman and Amon live? Almost 1,000,000 years ago. Aman and Amon were the first ensouled humans. For a long time prior to their living there were human species living on Earth, however they were not ensouled.

The spirit worlds or spheres have been in existence long before ensouled man came into existence on Earth. Prior to Aman and Amon lived, no man or woman had entered the 1st natural love spirit world being the sphere closest to Earth, being the entry point for our ongoing journey once we shed our physical body. Animals and birds do not survive the transition to the spirit world, only ensouled man. That is our soul is connected by cords of light to our spirit body and our spirit body does transition into the spirit world. The spirit body is the template for our physical body and looks just like our physical body does.

The first person to enter the 1st natural love spirit world arrived on her own. Each of the spirit worlds may approximate the sizes of Jupiter and Saturn, surface areas maybe 100 times greater than Earth's, and here arrived the first daughter of Aman and Amon due to an accident. She was first to arrive, and on her own, on a massive foreign planet. Her name was and is Aze.

Over the ongoing years, the natural love spheres (numbered 1, 2, 4, 6) became populated. As one progressed in their progression to develop their natural love soul to perfection, one progressed to the 6th natural love sphere. Once perfection in natural love is achieved there is no further progression beyond the 6th natural love sphere. One can say that the river can rise no higher than its source.

Those who enter the spirit world and have a preoccupation to cause harm to others and/or to themselves then they become isolated in the planes of disharmony (numbered 1, 2). As within all spirit world spheres, there are numerous planes within each sphere. Our soul condition determines which plane we reside within, and we will find ourselves with others of the same disposition. Thus the helpless are with the helpless. Those who progress to the 6th natural sphere, having achieved perfection in their natural love soul condition, typically never venture into the planes of disharmony (hells) to assist those in great need of guidance. Those within the hells need to slowly work through their Law of Compensation issues to progress out of the hells. Firstly, they need to change their ways and attitude of causing harm. Prior to the reintroduction of Divine Love the progress from a lower condition to a higher one was extremely slow and tedious.

We now proceed to the time of Jesus of Nazareth, 2,000 years ago. By the time of Jesus, maybe some 200 billion souls had been individualised and had arrived in the spirit worlds, all of whom would have arrived in the 1st natural love sphere and then due to their individual soul condition would have found

themselves within many of the planes of the 1st natural love sphere or of the various planes of the 2 planes of disharmony. A few would have progressed beyond the 2 natural love sphere. No matter what location one finds themselves, all can then proceed to grow in love and progress to higher planes and then spheres culminating in the 6th natural love sphere as that is the pinnacle that one can reach in natural love.

By the time of the life of Jesus of Nazareth, these 200 billion spirit people would have been spread throughout all of the natural love spheres, however, mainly concentrated within the 1st and 2nd sphere.

Jesus is a finite spirit, just like us. No matter how exemplary and incredibly capable Jesus is, he can only be in one place at one time. The few people that he had taught about the availability of Divine Love, what it is and how to ask and receive it, these few people stagger into insignificance when compared to the possible 200 billion spirit people within the spirit worlds at that time.

Many spirits did observe Jesus' teachings whilst he was on Earth, however their numbers were small relative to the greater population of the worlds.

Very shortly after Jesus' arrival in the 1st natural love sphere, following his announcement that the Divine Love spheres (3, 5, 7) were open and that the Celestial Heaven (8, 9, 10) was also open, he and about a dozen other spirit people proceeded into each of these spheres, one by one, through the gateways that exist between each such sphere. The announcement of the opening of the Celestial Heaven had been made at the time of his baptism by John the Baptist and this reaffirmation occurred at the time he awoke in the 1st natural love sphere at one of the receiving stations.

Now imagine this. Each of these spheres maybe have surface areas 100 times greater than Earth and here are a dozen or so spirit people 'opening' them, one by one, sphere after sphere, proceeding to Divine Love sphere 3, then onto 5, 7, 8, 9 and ultimately 10. Celestial Heaven being spheres 8, 9 and 10.

Two thousand years ago, we had a dozen or so spirit people who understood and knew how to enter these incredible worlds and back in the natural love spheres there was literally no one who knew how to follow, should they even wanted to, let alone been aware that the Divine Love worlds even existed.

Over all, at that time, there were a few hundred people, both in the physical and spirit bodies, who had a vague understanding of the availability of Divine Love and what it does and how it is absolutely essential to be within one's soul before one can enter the Divine Love spheres to even commence upon the journey into the Celestial Heaven.

By you longing for and asking for the Mother and Father's Love you will be infused with this blue energy into your soul.

The Holy Spirit / Acting Spirit is an energy stream.

At the time of the life of Jesus, the population on planet Earth was around 300 million and in the natural love spirit worlds the population was around 200 billion. And a few hundred people had some small understanding of the teachings being provided by **ONE** man!!!

On Earth, by the year 325 CE/AD, all the teachings pertaining to Divine Love had been lost.

Now in the year 2,000 CE maybe a further 25 billion spirits people have entered the spirit worlds and now the population within the spirit worlds has reached around maybe 225 billion and those in physical bodies on Earth currently number more than 7 billion.

Consider the great task at hand undertaken by so few to teach the availability of our Mother and Father's greatest gift, the gift of Divine Love, to so many.

The task of enabling spirit people to be aware of the availability of the Love and then for those who embraced its availability, to assist them in understanding what the Love is and how to ask for and receive it was for centuries a total focus throughout the spirit worlds. It was not until James Padgett was found that a way to introduce the teachings into the physical world could again commence in earnest. Prior to James Padgett, an endeavour was made through Emanuel Swedenborg in 1741, however that was a failure. James Padgett commenced receiving by automatic writing some 2,500 messages commencing on 31 May 1914 and these teachings continue to grow today through others. Thus the great task has successfully expanded into the physical world to complement the works throughout the spirit worlds.

The great task is well advanced and encompasses all.

The following diagram is a classic, namely **Embracing the Will of our Mother and Father**:

- First half is drawn from Col James Churchward's reading of clay tablets that date back 70,000 years. It is an outline of the first religion.
- Then follows the commandment introduced by Jesus 2,000 years ago.
- Then follows the reintroduction of the teachings of Jesus relating to the availability of Divine Love, these teachings have now been reintroduced over the past 100 years. The availability of Divine Love was taught in the first century; however, very few records of such have survived from that time.

DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – ‘soul land’. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

PERSONALITY

**Our soul is the centre of our personality.
We are children of our Heavenly Parents.
Our soul manifests a male and female personality - it is a duplex!**

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective

Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

WE EACH have a Nature Spirit pair, Spirit Guide pair and an Angelic Pair:

For those doing their Healing or are interested in doing it will from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about 'sharing' the same angels or guides or nature spirits, it is about you relating specifically to your 'own' ones because they are provided for YOU. It's all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it's the same of course in life with your friends, however over there, in spirit, dealing with Nature Spirits, Spirit Guides, and Angels, it's more personal and private and 'JUST FOR YOU'. So we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain't going to be assigned to anyone else, so she won't be sharing herself around.

This is SO IMPORTANT to understand so that in future there won't be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is all they are speaking with.

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their 'soulmate' relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit Mansion Worlds, however, our personal Angelic pair continues with us to Paradise, and then even possibly being with us throughout eternity.

Feelings first

Feeling Healing – Healing yourself through your feelings.

- ✓ Your feelings are the real and true you.
- ✓ If you are denying any feelings you are denying yourself.
- ✓ If you are denying yourself you can't ever be truly happy.
- ✓ To heal all your pain and suffering, you can look to your feelings for why you are feeling bad.
- ✓ If you want to know the truth of yourself, then it's your feelings you will need to look to.
- ✓ Your feelings hold the hidden keys to unlocking the truth of who you really are.
- ✓ Uncover the truth of yourself through your feelings and you will know why you feel all you do.
- ✓ Everything in life, why all that happens to you does, and everything about yourself, can be explained to you through your feelings.
- ✓ Why your relationships might not be as good as you would like, why some might fail, you will understand through your feelings.
- ✓ How to live a good, true, happy and loving life will come to you as you start paying attention to all your feelings.
- ✓ However you will also have to pay attention to all your bad feelings, and this can be very harrowing.
- ✓ By honouring – accepting and then expressing all the bad feelings you feel, you will slowly bring to light all the reasons why you don't feel good.
- ✓ And as you liberate yourself from these hidden repressed bad feelings, so you will start to feel better and better about yourself.
- ✓ It's a process, and it can take time, years possibly, but all that's hard will eventually pass becoming good.
- ✓ Expressing all your feelings, and particularly your bad ones, whilst longing and really wanting to know the truth of why you're feeling them, is doing your Feeling Healing.
- ✓ You can Heal yourself through your feelings. And in fact, it's the only way to really heal yourself.
- ✓ And if you wish to do your Healing with God, you can also long for God's Divine Love.
- ✓ Feeling Healing – Using your feelings to heal yourself.

EMBRACING the WILL of our HEAVENLY MOTHER and FATHER:

Our Heavenly Parents are almighty, all powerful, infinite, and at all times loving.

The love of the Heavenly Parents for their children, woman and man, has been and is always infinite and ever present.

As one's faith in our Heavenly Parents evolves, man's love for his Heavenly Parents will have no limit.

As man grows in his love, so will man grow in his love for all of God's creations.

Approach the Source Soul, the Mother and Father, in reverence, without fear or trepidation, just as a child approaches his earthly parents knowing that open loving arms are extended to receive him at all times.

As one grows in his love of the Mother and Father, one becomes to know with certainty that God loves him or her in return, at all times, and that fear is an illusion created by man's mind.

By embracing the commandment provided in the 1st century, namely the first:

"This is my commandment, that ye love one another even as I have loved you."

Further, we are to embrace our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Also as our soul development progresses, our self love grows which also enables us to step away from:

Any self harm that we may cause which also brings about consequences.

And to move along this path we simply develop our embracement of:

God's Divine Love; by praying for it, asking for it, and receiving it.

Longing for Truth and Divine Love we can embrace the will of the Father and achieve freedom from error and harmful ways, thus finding our way home!

Manifesto of Divine Love:

1. We love one another as Mary and Jesus, our spiritual parents, love us. And so we seek their Spirits of Truth.
2. Our all loving Heavenly Parents, our Mother and Father, we love and honour at all times.
3. We worship only our Mother and Father, God, and Creator of all things.
4. We treat our Creator's name with respect and love, and earnestly seek Their Divine Love, and at all times pray for It, ask for It, and receive It.
5. We set aside a regular day each week for Sabbath rest and worship of our Heavenly Parents, God, and seek Their Love so that we may grow closer to Their fountain head of Truth and Love.
6. We are to be as we feel, even if it's sinful, but in doing something that is not in alignment with God's Love and Truth will make us feel bad, that is provided we allow ourself to feel our bad feelings, and so we can then use our bad feelings to find out the truth of why we feel bad and why that thing we have done is bad. We embrace our Feeling Healing.
7. We strive to cause no harm to another, nor cause any harm to one's self. We do not do to others what we would not have them to do to us. We treat our fellow human beings and all living things, and the world in general with love, honesty, faithfulness and respect. Violence, at any times, is never justified. Golden Rule: that one must always honour another's will as one honours one's own.
8. At all times in our intimate relationships we strive to express and live true to all our feelings, all so we can use our feelings to uncover the truth they are trying to show. The truth of ourselves, of our relationships, and the truth of everything else, including God.
9. We do not covet or steal anything that does not belong to us. Honesty in all communications, actions, undertakings and activities in all facets of life is our rule of life.
10. In all that we do, we are to be truthful. We are non-judgemental, for none of us have the capacity or authority to judge another. We are always ready to forgive all wrongdoing.
11. We do not desire anything or anyone that does not belong to us. Comparing oneself to others and longing to have what they have leads to errors. We are to be content by focusing on the blessings our Heavenly Parents, who made us in Their soul's image, provides for us.

Maybe something like 30 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

I'D TURN BACK IF I WERE YOU!

The Natural love spirit Mansion Worlds as to how they have been for all these hundreds of thousands of years and as they are set up currently, are to help spirits advance to the fullest of their self-denial that they can. That is, so as to become as evil as they can. And all under the guise of being 'loving'.

It's why they are called the mind worlds, namely Mansion World / spheres 1, 2, 4 and 6. That is because the spirits are using their minds to complete their rebellion – denial of self and feelings, and rejection of our Heavenly Parents as well their Creator Son and Daughter. So yes, the top of Mansion World sphere 6, spirits are the most evil, the most in rebellion, the most in default, the most wrong and unloving and untrue, even though, they appear, because they've trained their mind to do so, to be the most loving, but it's all false and contrived – such as the Eastern gurus. Total mind over feelings, blocking all the bad ones and using your mind to only make you feel good.

Typical of those on their way up in the mind worlds are not open to anything, they do not want to know about feeling bad and going with their bad feelings looking for their truth, because that scares them, that's not nice, that doesn't make one feel good, it threatens their control, they reject that preferring to stay in their nice safe space. Which is how it is for these Natural love mind spirits using their minds to control their feelings.

We've all got to take responsibility for our evilness even though we were made to be that way and rebel by default, but there is no getting away from it, and it has to be compensated right to the last farthing, which is what being in the hell planes is all about, and which keeps being applied right the way through the Mansion Worlds. **In the mind worlds you can continue to use that inner pressure requiring compensation for your bad deeds, to further contrive love and pretend you are all holy and loving and not hurting anyone anymore, which on the surface of it you are not, but underneath still are, all the way up through to the sixth world; or, you can allow it to keep working on you right the way up through the Divine Love Mansion Worlds doing your Healing.**

And apparently what's going to happen is the Natural love mind Mansion Worlds are going to be divided, so within them, there will be spirits doing their Feeling Healing – without the Divine Love, and still limited to the sixth Mansion World, but looking to be true and end their rebellion. And then there will be those still carrying on denying themselves as they have always done. So you will have spirits in the Feeling Healing Natural love sectors that will truly perfect their Natural love; and those spirits still in the mind sectors perfecting their wrongness. The opposites or extremes living side by side. And then you'll still have the Divine Love Healing Mansion Worlds, being spheres 3, 5, and 7, doing their Soul Healing.

And as for a summation: "Divine Love Mansion World / Sphere 3 is the waking up to the truth that one is not loving, also their being a lot of assistance. Sphere 5 is then about going right into the depths of feeling how unloved you feel and seeing how unloving you are and how that makes you feel, also this a time when one can then progress and manage their own progress through their Feeling Healing. Sphere 7 is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, this is a time

of great realisation and comprehension with much of the prior experiences starting to be drawn together.”

Mansion World 3: is for waking up to the truth that you’re not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don’t connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

It is agreed that the lower worlds are about waking up to what’s involved, however from then on it depends on how it’s all structured for the individual in their negative state as to how much ongoing assistance they might need. Some need help all the way along, whereas others have been able to work with their feelings, themselves, right from the beginning.

And yes, each of the Divine Love healing Mansion Worlds, 3, 5 and 7, are equally painful to work through, just focusing on different aspects of yourself and your Feeling Healing with Divine Love. And then in the higher planes of the 7th world comes the transition, where one’s pain starts to end, and you start feeling so much better about yourself, you are fully accepting of your negative unloving state, you are fully unloving although even starting to become more loving – truly loving, of yourself, God, and then other people.

Then onto the Celestial Heavens by progressing into Sphere 8 and then onwards further, all the way home to Paradise.

Maybe something like 6 billion people have recognised that our Mother and Father’s Divine Love, together with embracing one’s Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of ‘New Age’ styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

Celestial Heavens are the Spheres of Love. One has to be a fully integrated personality, as in expressing all the aspects of one's self equally and lovingly, before one can leave the 3rd Celestial sphere – Sphere of Love, after having embraced the Way of Feelings.

When in the Celestial Heavens we work on bringing to light all the attributes of one's personality. We are to be a fully integrated personality, as in expressing all the aspects of ourself equally and lovingly, before you can leave the third Celestial sphere. While we progress through the Divine Love Crying Worlds, we are to live true to our untruth, by living the truth of it. We only need to be true and perfect to our untrue state, and when we've done that, we're Healed. Even though we're still imperfect so far as fully expressing our personality, all of which we then perfect at the Celestial level. So really to qualify for the Celestials, that is about one living completely true to one's wrongness, and partaking of the Divine Love to a certain level, and then once that's done and being a Celestial, one can carry on bringing to light all those parts that one was denied the expression of whilst living untruth to oneself.

We are to uncover the truth of our untruth through the Healing crying Mansion Worlds levels (and their equivalent on Earth); and then once that's done, and with the appropriate amount of Divine Love in our soul warranting fusion with our Indwelling Spirit, we can move into the Celestial spheres of love (or their equivalent on Earth).

Earth has been subjected to the Rebellion and Default until now! As a soulmate pair progress with their Feeling Healing, the Rebellion and Default conditions are being cancelled.

We all arrive into the 1st Mind Natural Love Mansion World. Most continue their way of living without any awareness of the Feeling Healing process and the availability of Divine Love.

The 1st and 2nd Mind natural love Mansion Worlds are jammed to the rafters with spirit personalities. Those who progress to the 4th and 6th Mind Mansion Worlds are progressing further away from God, continuing with the Way of the Mind!

WOMEN are OUR SPIRITUAL LEADERS!

To PARADISE, the HOME of OUR HEAVENLY PARENTS

The Way Home

We men generally CAN'T do our Healing by ourselves, we need the help of a woman and / or women.

Women ARE the true spiritual leaders, they ARE able to live true to their feelings, and need to be recognised as such, appreciated for being so amazing in that capacity, and so supported and put first, something the man finds hard to do because of all his rebellious programming about being the superior dominant one.

If we men want to ever Heal ourselves of our wrongness, well we are going to have to fully honour women, we are going to have to ASK THEM FOR HELP. Women innately know the Way of their Feelings, whereas we men don't. Men spirits in the Divine Love Healing Mansion Worlds (3, 5, 7), all do receive help from fellow Healing women spirits or from higher Celestials (Sphere of Love 1, 2, 3). They all do, all of them. Not one man has done his Healing as Marion or Samantha are doing theirs. James Moncrief 20 Aug 17

The religions of today were created as a means of stopping Jesus' truth about longing for the Divine Love and what that does to the soul, and then any truth Mary Magdalene might have said about looking to our feelings for their truth, so as to keep the Rebellion in place. The religions pre-Jesus were designed by the Higher Evil Spirits who were controlling humanity to keep that control, focusing everything on the mind being in control rather than feelings, and then post-Jesus, they added more of the same yet with the added emphasis of using all he said, so taking it, corrupting it, and adapting it to their cause.

And then throw in their contrived Islam, and you have more male domination and the subjugation of feelings – of the woman.

SHINING TOWARD SPIRIT: Vol II, p. 89, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas
369. The First Spirit in the Spirit World www.lulu.com

Hello, I would like to introduce myself as being the first human to enter the spirit world. I am feminine though I have been living in this spirit world divested of an earthly body a long time. I am the first daughter of the First Parents who had received the blessings of Divine Love as some of my brothers and sisters did. I had an unfortunate accident, a fall which resulted in the ending of my human life. I was at the age of what you know 21 years to be. I arrived in the first natural sphere and was alone. Thankfully my parents, the First Parents, had taught us about the existence of the Father's spirit world, the life that succeeded the human life. Though my parents fell from Grace, they were very knowledgeable about the greater aspects of Our Father's Kingdom therefore, we knew what to expect when our human life arrived at its completion and our entrance into our spirit life dawned.

I stayed in the First natural sphere, in a position in this sphere, close to where my family resided. I knew that we had components to our makeup that enabled us to live in the spirit world. There is no doubt that the reality of spirit to us, at the time my parents lived, was equal with the reality of the earthly environment where we lived and experienced our human life. We lived by a river and it was most beautiful. We would swim in the river and we adored our parents. I had accepted the Father in my life, our parents had taught us how to accept the Divine Love, which formed part of our existence. I watched from the spirit world as their Fall from the Father commenced. It saddened me but I knew that everything would be all right and it was. You have received a communication from my brother. I see him regularly in the Eternal Spheres and I still see my mother and Father (they are also in the Eternal Spheres).

When my parents arrived in the spirit world, they still had the Divine Love in their souls that they had received and they knew about the existence of the Celestial environments but they were closed to us now, so in the natural spheres we were to reside until they were opened again when Jesus walked the Earth.

The purpose of my communicating with you is to state that my parents were very knowledgeable about the Immortality of the Divine Love, the Acting Spirit that brought this Love into our souls, and the form of the spirit world as formed by the Universal Father. My parents were not naïve in their understanding about the purpose of their life, and why they were living on Earth. They were very wise, beautiful and loving parents that exemplified the Grace and Harmony of their creation as having been formed by the Father.

I will always remember seeing Jesus walk the Earth, that part of the land he lived in and the Celestial Heaven reopening. I continued my receipt of the Love and many of us resident in the Perfect natural sphere (6th sphere) commenced our ascension into the Celestial Heaven when Jesus arrived here as a spirit after his human life. It is difficult for me to convey to you every single detail that transpired in my 21 years of my human life. It was a long time ago and it almost would seem to you to exist in the realm of imagination now. Here in the spirit world there is more reality to my story for everyone in the Celestial Heaven and spheres beyond the Celestial spheres understand their place from their time and the story of their human life as lived at the time after my Parents to present day. How could I possibly write about all that time lived?

Thank you for receiving a small account of my story. An eternal friend, Aze

he had lived and the Truths that he had taught. The second declaration of Jesus in recognition of the Father was his act of a verbal prayer to the Father that we all could hear and that we all participated in, which was to pray to the Father for the Father's Love. Jesus guided us through this prayer and we all felt the Love as the Spirit that conveys this Love was active and living again and very abundant!

We knew that the apostles still lived on Earth but we gave ourselves to serve the Father by serving Jesus and so he instructed us to make ready for our journey into what is known as the 1st Divine Love Sphere. Most spirits present were in the very good condition of their natural love, we believed and loved God only now that Jesus was living, we could personalise our love of God into the living by receiving this Divine Love. Gradually we progressed through the spheres until we advanced into the Celestial Heaven with Jesus teaching us each part of the way. As soon as there were spirits residing in the Celestial Heaven it was then that Jesus taught us that there were many spirits still living that were souls of the Father and that our loving service was to help create the awareness of this Love. There are many of us who are still doing this to today and this service continues on into tomorrow.

I have provided you with the essence of my experience.

The ancient prophet and Celestial spirit, Saul

[1st Divine Love planes is referred to as being within 1st sphere, you could liken it to a mezzanine plane. The natural love spheres are 1, 2, 4 and 6. The spheres 3, 5, and 7 are Feeling Healing with Divine Love spheres. The 7th sphere is the transitional sphere between the Spirit World spheres and the Celestial Heaven spheres.]

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

One's natural love is always progressively perfected during this journey of evolution of the soul.

Upon embracing Divine Love at any stage, then one can progress through the Divine Love spheres 3, 5, 7, whilst also doing their Feeling-Healing.

Even though a person may have received Divine Love, they do not avoid compensation or doing their Feeling-Healing, so they may still spend time within the spheres of disharmony.

Natural Love sectors for those doing their Feeling-Healing, without the Love, are within the Natural Love Mansion Worlds:

Progressing through the natural love worlds, within Feeling-Healing sectors, while doing one's feeling healing, upon reaching the 6th Sphere having completed Feeling-Healing, one can then embrace the Divine Love and proceed directly to the 7th Divine Love Sphere.

Then they may prepare to enter the Celestial Heaven Spheres from there.

This pathway is when the Divine Love is unavailable before perfecting one's soul.

SPIRIT MANSION WORLDS are numbered 1 to 7:

To PARADISE, the HOME of OUR HEAVENLY PARENTS

Spirit Mansion Worlds are those 1 – 7. They with the Celestial Heaven spheres numbered 8, 9, 10 as well as the 2 Spheres of Disharmony are all within the Earth’s environment, and rather close by. Each sphere can accommodate more than 100 times the people than Earth may do.

Progression from the top Celestial Heaven sphere is to the Eternal Spheres, Infinite and Universal and further onwards to Paradise.

Celestial Heaven spheres 8, 9, 10 are often referred to as 1, 2, and 3 of Celestial Heaven.

Natural Love sphere progression stops at sphere 6. With only the natural love, progression is through spheres 1, 2, 4, and 6 only.

Divine Love perfects one’s natural love soul through the progression via spirit world spheres 3, 5, and 7. Soul-Healing and At-onement is achieved through the progression into sphere 8 which is the first of the Celestial Heaven spheres namely 8, 9, and 10.

One can embrace Divine Love at any time and move to DL sphere 3 and continue.

The Divine Love spheres 3, 5, 7, 8, 9, and 10 were opened by Jesus.

On death of the physical body we all arrive in the 1st Natural Love sphere.

Earth is for the individualisation of souls being the commencements of one’s journey home toward the Source Soul.

The 2 Planes of Disharmony are the hells. While one desires to cause harm to others, isolation is applied. Once the Law of Compensation is completed then one can then progress and return to the 1st Natural Love sphere and continue in their progression onto higher spheres.

The Pre-Incarnational Sphere is the waiting area for souls to be individualised / incarnated.

There are seven Earth planes around Earth, which are separate from the Mansion Worlds, but we only have access to two of them, which include the ‘hells’. Each of the Mansion Worlds also have their own seven planes ‘around’ them.

Note: The 1st Divine Love Sphere and the 1st Sphere of Disharmony may simply be planes within the 1st Natural Love Spirit World.

NATURAL LOVE SPIRIT MIND MANSION WORLDS:

Following the First Parents and subsequent to the Rebellion by Lucifer and his soulmate, and then the Default by Adam and Eve, and up until the birth of Jesus of Nazareth, the spirit world mind Mansion World spheres that were open to habitation to spirit people were only those pertaining to natural love essence, being the substance upon which our soul is formed. Natural love is Creation's love.

Natural Love sphere progression stops at sphere 6. With only the natural love, progression is through spheres 1, 2, 4, and 6 only. With Divine Love and Feeling Healing one cannot progress beyond sphere 6.

One can embrace Divine Love and one's Feeling Healing at any time and move to Divine Love sphere 3 and continue. This became possible upon the birth of Jesus.

On death of the physical body we all arrive in the 1st Natural Love sphere.

The 2 Planes of Disharmony are the hells. While one desires to cause harm to others, isolation is applied. Once the Law of Compensation is completed then one can then progress and return to the 1st Natural Love sphere and continue in their progression onto higher spheres.

DIVINE LOVE SPIRIT WORLDS and CELESTIAL HEAVEN OPENED:

To PARADISE, the HOME of OUR HEAVENLY PARENTS

SPHERES in the SPIRITUAL REALMS.

Spheres – Celestial Heaven, Eternal Spheres, then Spheres of Paradise:
The realm of the Angels is the Celestial Heavens spheres 8 to infinity.

Spheres to infinity: Soulmate bonding can be achieved in most of the spheres. (Celestial Spheres are not numbered per se.)

Eighth Sphere: All emotional baggage of your entire history has been dealt with – born again. This is the point of new birth, being born again. Celestial Heavens 8 to infinity true immortality.

Seventh Sphere: The gateway cycle, perception of sacramental nature of all things. Disappearance of the material mind and the absolute ascendancy of the soul's mind has been achieved. Divine path.

Six Sphere: Cycle of light / love, love / light or unity. A purely intellectual area, increasing one's knowledge, while living a life in absolute harmony with God's laws of spirituality. Natural path peak.

Fifth Sphere: Cycle of light or wisdom. All their earthly bonds are gone. We are in one of those soul spheres, which offer great opportunities for obtaining the Love of God – divine love sphere.

Fourth Sphere: Work of 'atonement' as guides and spiritual healers now excel. As humanity's helpers, their work is a means for self-realization. Natural love sphere mainly.

Third Sphere: An area where spirits progress in their awareness, truth prevails. As with all spheres, there are many planes. Changing pathways requires dropping back to a lower path, then proceed.

Second Sphere: The sphere of decision which is much more spiritual but which was hidden and outside the range of their perceptions. Spirits can now choose the path they wish to follow – desires.

First Sphere: Cycle of awareness. There are vibrational love barriers between each of the spheres. Highest level of the Earth planes is the point of transition from materiality to the spiritual 2nd sphere. Summerland is the highest part of the Earth planes, but it is still a very material region. Children live in Summerland in great numbers, having died prematurely. Twilight zone, the most populated area in the spirit world, and starting point for most. Various hells descending progressively into greater degrees of darkness. All souls can be assisted out of these hells no matter what level they fall. At the deepest levels, the soul finds it extremely difficult to hold itself together. The hells are not fiery physical places. Actions are based on fear.

The 2nd, 4th, 6th spirit spheres provide principally for mental and moral advancement, whereas, the 3rd, 5th, 7th soul spheres provide for progress through Feeling Healing and Divine Love.

1st SPHERE ASPECTS:
Summerland, etc, nurseries

Summerland, etc., are beautiful regions of 1st sphere.

Summerland, etc, are within the highest planes of the 1st Mansion World / sphere.
There are 1,000s of plains in the 1st sphere.

Ambience of mid range plains of the 1st sphere is where the majority of humanity pass into.

2 Planes of Disharmony / Earth:
The hells are unimaginable places of darkness.
Consider you are stuck at the end of the deepest longest mine ever, on your own, without any lights!

LUMINOSITY of the SOUL can be LIKENED to the FOLLOWING:

1st sphere, lower regions – Natural Love MoC 50+/-
The soul condition of a soul that is obliged to spend some time within the ‘hells’ may be no bigger than a dried garden pea. There is no luminosity and the environment is total darkness.

The typical soul condition of humanity is such that they generate the luminosity of a single candle.

1st sphere, mid regions – Natural Love MoC 210

A soul that has grown in love and soul condition equivalent to the 8th sphere – the point of becoming at one with God, the luminosity of such a soul is equivalent to the midday sun.

8th sphere – only possible with Divine Love! MoC 1,000+

The radiance of a soul in good condition is reflected through the spirit body.

A soul in poor condition has very little energy and subsequently is lacking in radiance. The size of the entity is also diminished.

We radiate our own light. Not only when a soul in poor condition is lacking luminosity and energy, its capacity to travel is also significantly diminished, as is its physical size.

POOR SOUL CONDITION is DARKNESS:

Using Kirlian photography, this is an auric photo showing an individual who is a drug addict... notice no connection with God or Source, no love and light.

Such soul condition is reflective of the man-made emotions such as apathy, despair, depression, hatred, loathing, etc.

Even when such a personality is in an environment of bright light and vibrancy, such a personality can still only see and perceive darkness.

It is this darkness of soul that fits the person for an environment that is only of darkness. The locations to which they arrive within are of perpetual darkness and are miserable environments until they, through their own endeavours, grow in love. This may take centuries, or they can embrace the great gift of the Source Soul and ask for the Divine Love.

Note:

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.

A calibration increase of 1 point is in fact a 10 fold increase in energy.

A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.

Thus the energy differentials are in fact enormous!

Blessing your food achieves an increase of 15 points which is in fact a quadrillion (10^{15}) jump in energy.

NATURAL LOVE or HUMANITY’S ERRONEOUS EMOTIONS:

Your soul, being your real you, is an emotional being. Your soul, though a thought of God, does not possess anything of the divine within it. It existed in a state of bliss, in a natural love state, pending individualisation which is achieved at conception which is the time of incarnation. Your soul is endowed with natural love emotions noted within the top section of the Map of Consciousness scale, being those emotions calibrating above 200.

Humanity’s erroneous emotions are those calibrating below 200 on the Map of Consciousness. The environment around a newly conceived child progressively degrades the condition of that child’s soul. When the child reaches about the age of 7, the child’s soul condition will reflect the parent’s condition. These negative emotions are like a crust around the pure soul it has within.

EMOTION HOUSE CLEANING:

We are emotional beings, a mixture of loving emotions and unloving toxic emotions.

Toxic blocked emotions such as shame, guilt, apathy, grief, fear, unloving desires, anger, and pride, are ultimately physically very damaging. Should these issues not be released they can also assign us to the hells. You can envisage these as being within your untidy basement, each tread in the stairs being one of these emotions.

Praying for God's Divine Love and embracing Feeling Healing will commence to tidy up your basement and bring you into a higher soul condition as well as better physical health.

Continue on with your Feeling Healing and the addressing of your emotional issues while always asking for and receiving Divine Love. This will bring brilliance and lustre to your first floor of your dwelling, now that the basement is clear.

It is far easier to progress up these stairs with the aid of receiving more and more Divine Love than try on your own.

As you grow in love and pass beyond the 1st sphere (floor) into the 2nd sphere (floor) you enter the realms of love, you no longer are dominated by fear. Few achieve this beauty and cleanliness.

Should you progress above the 2nd sphere by continually asking for and receiving Divine Love, then your negative emotional issues are now diminishing. Now being in the 3rd sphere, you are progressing towards the Celestial Heavens. Your home is now one of increasing beauty.

WE are INCARNATED with Natural Love, but not with Divine Love:

We are conceived with natural love, however, we are not endowed with anything of the Divine. While we are without anything of the Divine, namely Divine Love, we can grow our natural love attributes and progress to that of being the perfect man whose lodging is found in the 6th Sphere. We do not have immortality without having received Divine Love.

Natural love radiance is very different from that which Divine Love brings.

The two loves complement each other, bringing about greater harmony.

When we become aware of the presence of Divine Love and subsequently ask for and then receive the Divine Love, our soul steadily starts to change to that which is Divine and we achieve immortality. This is the Immortal Choice that we can make whilst here in the physical or later in the spirit world. Once we add Divine Love to our being, we continue then with the two loves, that of the natural love and also that of Divine Love. As we continue and receive Divine Love, our soul condition progresses so that we may eventually enter the Celestial Heaven, 8th sphere, should we have engaged in the proves of Feeling Healing, and above, then progress further to enter the Eternal Spheres, then the Infinite and Universal Spheres, and then further on towards the Spheres of Paradise.

The Divine Love is a love available for the Human soul that, in its cause and effect, actually perfects the personality together with one's Feeling Healing process, as it progresses to a greater experience of living in the determination of living in God's Divine Universal harmony. Every personality has the gift of freedom of self-determination to enjoy and extend through life's experiences and it is this gift of freedom and human nature that may prevent one from participating in the freedom and gift of the Divine Love. The Divine Love, once being received is added to one's nature, having being formed on natural love.

The Divine Love completes the form of the human being.

Our soul is formed from the substance that is natural love. When we earnestly and lovingly ask for Divine Love, the Divine Love is added to our soul, thus we steadily and progressively become complete in our being.

We are endowed by our Parents with natural love, maybe we neglect this gift from time to time. As we progress in time, we can add the greatest gift there is to our being, that is by asking for and receiving Divine Love. Not only does the infusion of Divine Love, with one's Feeling Healing, repair our natural love attributes, we evolve into a joyous and loving person in all respects. With the infusion of Divine Love, with the two loves, we become the complete being.

SOURCE SOUL, our HEAVENLY PARENTS, have any number of spirit instruments assisting at any time.

The BEAUTIFUL MIRACLE:

5 October 2012

The DIVINE UNIVERSE

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union complete. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other and one is living in the presence of the Father in perfect harmony and this clarifies the truth about what it means to be truly at-one with God.

SHINING TOWARD SPIRIT:
665. The Shining toward Truth

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas

www.lulu.com

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

NATURE and STAGES of FUSION:

Seventh stage of Fusion of individuality is the transition from the Eternal Spheres towards the Spheres of Paradise. The individual is now fully fledged in their union with God and can travel around the entire soul Sphere that God is and resides in.

Sixth stage of Fusion truly demonstrates how the personality is infused with extended attributes of mind-spirit function as the individual progresses from the Celestial Heaven and enters the Eternal Spheres.

Pre-Incarnational Sphere:

First stage of Fusion is the separating of the soul into two, each soul half being complete on their own.

Fifth stage of Fusion transpires when their natural love changes and one's soul progresses to the condition to be of Celestial soul quality, one enters the Celestial Heaven.

Fourth stage of Fusion involves the Divine Love. This can happen at any time during the natural life experience of the individual. Happens when the Immortal Divine Love enters the attribute of the soul for the first time, either when in the physical body state or spirit body state.

Second stage of Fusion is simply defined by the incarnation of the finite attribute of the soul to acquire a spirit body and living attribute of personality, which commences the finite soul's individualisation of mortal life experience.

Spirit body →
Soul →

Third stage of Fusion in a soul's life is its transition into the First mortal natural spirit Sphere. This stage is defined as the ending of the physical incarnation and the beginning of life in the spirit world.

SOUL, SPIRIT BODY and PERSONALITY remain TOGETHER – FOREVER!

Natural love and Divine Love are as two loves.

Soul, Spirit Body, Personality stay together.

Ascension Pathway:

Our soul remains for ever attached to the spirit body and the personality, these two being created at the time of conception / incarnation. As our soul is imbedded within the spirit body and both having this unique personality, it is impossible to go through the incarnation process again. We never reincarnate.

We are born with natural love, until we ask for and receive Divine Love there is nothing of the Divine within us. When we add Divine Love to our being, only then do we become a complete being. Without Divine Love and Feeling Healing, we are finite, in as much as that while we continue in only our natural love we can only become the perfect man and that restricts our progression to the limits of the 6th natural sphere being the mortal domain of man.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

**WE ARE ALL SOULS of our HEAVENLY PARENTS, our Mother and Father:
We are mortal souls who have the potential to experience the Divine Love.**

If a person or spirit experiences a drop of Divine Love, then the soul is deemed Immortal, which the spirit body and personality must follow to this perfected truth. The Divine Love is in its own nature, the highest, or if you like, the most perfected form of energy and Law that a mortal soul can receive and experience.

The radiance of the spirit body that is seen by other spirit people, is distinguishable as to the presence of natural love and the amount and also Divine Love and the amount. The energy of both loves is processed in the region of the heart region within the spirit body. One's soul is lodged in close proximity to the spirit mind.

Divine Love – if sincerely asked for – will not be withheld by the Eternal Love of our Heavenly Parents, no matter what condition one's soul may be in. Divine Love is experienced at any stage in a natural love condition of soul whether error exists or not. What is required is that the cognitive capabilities of the maturing personality must knowingly be asking for this love to be added to its being.

Conception / incarnation brings together the soul, which lodges within close proximity to the spirit mind, which is located in the same region as the physical brain. The personality is created at the same time as the spirit body. Nothing that is Divine is within the forming entity.

The spirit body's energy is managed in the region of the heart and solar plexus, we are endowed with natural love, being an energy, at conception. It is this energy that is visible to other spirits, not the soul that we all have.

A newly individualising soul is just a tiny invisible spark.

Viabile embryo forming.

A newly individualising soul is just a tiny invisible spark.

The soul nests inside of the spirit body, never to be separated.

The life force for the spirit body and the physical body is via the soul. The spirit body is connected to the soul via cords of light, and in turn, the physical body is connected to the spirit body via cords of light. Should the light cords between the spirit body and the physical body be disconnected then the physical / material body dies. The physical body is our starting point for learning and experiencing our being. Our learning and growth experience then continues through the existence of the spirit body.

MIND INDUCED SOULMATE RELATIONSHIPS – FALSE SOULMATE:

SOUL:

The Real You is your soul, you are one ‘half’ of that soul.

Each half of the original soul incarnates a spirit and physical body simultaneously, they being connected. The soul expresses each of its two personalities as a woman and man. True soulmates are always of the opposite sex.

Sexuality is an attribute of the two personalities the soul expresses; the soul itself does not know sexuality.

The soul connects to the two spirit bodies it has created by ‘golden cords’ of light; and the spirit body is in turn connected to the physical body by ‘silver cords’ of light.

The spirit body is your astral body. The etheric is really the body that is the template for the physical and one that doesn’t hold consciousness.

The soul remains invisible to the spirit and physical bodies, only being discernible by its luminosity through the spirit body.

Being in rebellion by default, all our relationships are untrue and based on fantasies and erroneous beliefs of our mind. These relationships formed through the mind, are at best, temporary, and will ultimately end. They are false soulmate relationships.

Male soulmate

Unsuccessful

Eternal soulmate marriage between a man and a woman only takes place for those that fully heal themselves of the imposts of the Rebellion and Default. Through longing for the truth behind all our feelings (both good and bad), we can begin to live true to our feelings. And once healed, and reaching a Celestial Soul Condition, through our true feelings we find our soulmate, our true companion for all eternity.

DIVINE LOVE HARMONY:

Immortal harmony:

Transformation of the soul is a beautiful harmonious gradual awakening.

In a gradual way with the Divine Love and Feeling Healing, as changes in the soul and spirit body occur, these changes will result in the personality slowly accepting the source of these changes as being the Soul God and with the independent will, one can have complete acceptance of our Heavenly Parents, Mother and Father, God.

People have loved God and felt loved by God and they have in deed received the Divine Love without ever knowing the truthful identity of this Love insofar as the truths relating with its causality in the human soul and affect upon the spirit-mind.

Part of the nature of the Divine Love in our souls is that it activates our spirit body systems and soul so that the nature of God is seen and experienced in the living and this places us in touch with the many Spirit attributes that extend from God and have their existence in God, such as our Indwelling Spirit. God no longer remains inactive to us; inert, inanimate, or an unknown but rather a Soul of living energy whose energy in the harmonies of Love and Spirit, is personified as love that we experience. If I can convey the essence about the nature of Divine Love it is that in its energy, exists the harmony and potential so that one can see the potential that this Love brings to bridge the gap of separation between the individual and God by the harmonies of soulfully living.

The Divine Love completes the form of the human being.

In essence, one need only direct their soul and the heart of their soul to our Heavenly Parents, the Soul being God, and in this faith one can experience the Love by humbly asking for this Love. This is all that is needed and the touchstone upon the Love's approachable nature.

The Love is never harmful or given by God that results in a caused effect of disharmony in the individual. The diversity of human individuality is a great characteristic of human nature and as with experience, one needs experience to ascertain a truth about a certain thing. Experiencing the Love provides a substantiated knowing from which a more objective reasoning follows and a maturity happens.

Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love. JD

EMBRACING the LOVES:

Our soul is formed from the substance known as natural love. This natural love enables us to develop to that which is the perfect man, an excellent, capable and loving personality. However, there is a limit to our growth founded on natural love for there is nothing of the Divine within the substance of natural love.

Should we ask for, and then receive Divine Love, then the Divine substance of Divine Love can be added to our being, thus providing us with an infinite potential for growth and development in the Love that is Divine.

The natural love and Divine Love are not divided when in the soul.

The natural love is harmonious in the Immortal greater love, the Divine Love, and so, never shall an Immortal faith and Immortal truth fall.

Adding Divine Love to your being can be likened to developing a powerful engine based on natural love to that which is found within a most powerful muscle car. One's performance capabilities progressively develop as the regular fuel of natural love is slowly, but steadily supplemented with the fuel of Divine Love, thus changing that which is founded on natural love to that of the Divine, namely Divine Love.

Your fuel steadily is converted to that which is of the highest octane level ever envisaged.

The Divine Love is the wonder of the universe. How this invisible substance causes so much change in our mortal nature is a miracle to behold and experience.

Living with the Divine Love brings about harmony throughout all of one's bodies, systems and personality. One's capabilities and love continue to greatly expand.

Divine Love always has its effects in harmony with the expression and development of natural love. Therefore your awareness and expression of natural love in your life is a vital element in accepting Divine Love into your life and fostering its development of your soul. Divine Love is the great harmoniser and is therefore not isolated but its effects are universal.

Divine Love is the 'ultimate' high octane fuel.

WE ARRIVE DETUNED!

Our souls are a divine creation of our Heavenly Mother and Father. They could not be any other way! And are designed (such as how it has been for us) to begin incarnation in a Natural love condition reflecting the Natural love state of our world.

And we have also been provided with the opportunity to experience what is being ‘evil’, to live denying our Natural love, as seen through the denial of many of our feelings. So we here on planet Earth live on a world that has Rebelled (and then also Defaulted), of which there are only 37 within the local universe of Nebadon, consisting of 3.8 million physical worlds under the regency of Mary Magdalene and Jesus – the spiritual parents of truth of all of Nebadon! And we assassinated Jesus, and completely denied Mary not allowing her to have her say about the truth.

As a consequence, we are ‘detuned’ from our Natural love state and divine origin. You could say we arrived with all parts functional, however, in our untrue, dysfunctional and distorted state, we’re badly in need of a severe service, tune up or a complete reconditioning. Our goal being to bring our true self to the fore by doing our Feeling Healing, and then to progress beyond our Natural love state by further advancing our soul condition through the process of Soul Healing and receiving our Parents’ Divine Love – becoming divine.

In our feeling- and truth-denying untrue Natural love state, we have been made to use our minds to dominate our feelings, becoming more like that of mind-based creatures of nature than of human souls of truth and feelings. And this is the wrong way for us to develop. So to step beyond this limitation, we are to live true to our feelings. Our heartfelt feelings being the guiding lights to our evolution and growth of truth.

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it’s all right there already built in and can be found through our feelings – our soul based feelings.

By living true to our self, true to our feelings, we are living true to God. It’s that simple.

Thus we are detuned once our incarnation begins. However, the way is now open for us to bring about our full divinity. To completely Heal all that’s wrong within us on a Natural love level. To embrace and then transform that Natural love into a divine state through partaking of our Heavenly Parents’ Divine Love. All the while attuning ourselves to divine perfection and enjoying the fullness of our divinity and love, as we ascend in truth on our journey all the way to Paradise – the home of our Heavenly Parents.

WE were DIVINE, and
WE are to BECOME DIVINE AGAIN:

Our personality, our soul, our real self, are all creations of our Heavenly Parents. We, our real selves, are not creations of our physical parents. Within our original status, we were of Divine nature.

Our physical parents, from our conception, endeavour to mould us into being ‘little me’s’, that is, replicas of themselves, imposing their beliefs and personality traits upon each of us. They crush our individuality and free will. They destroy our personality, our true self. They inflict upon each of us their ways, all of which are of a result of the Rebellion and Default of many, many generations ago. They drive us into believing and subsequently becoming dependant upon our minds. This is not the way for us to express our true selves and evolve along the path towards our true parents, our Heavenly Mother and Father. We are to embrace the Eternal Son of Truth, not the Infinite Daughter of Mind.

No, we are not in the image of our physical parents. Though we may look like them, and act like them because they have dramatically and successfully crushed our true personality, we are each very unique and independent of our parents and all other family members. When we begin to progress along the path of engaging with our soul based feelings and seek for the Truth of our feelings, we will become free of our parents’ impositions and suppression.

Upon starting our physical life experience on Earth, our divinely created soul begins to express us as one of our soul’s two personalities in Natural love. However because of Earth being in Rebellion, so we are parented into a rebellious and anti truth and anti love state of mind control over our feelings and true self.

Natural love is good, just ‘less’ or different to Divine Love. And it’s that in our rebellious state, we’re rebelling against Natural love, and Divine Love by not taking Jesus and Mary up on their offer and allowing the Divine Love to transform our soul, as we perfect our Natural love by doing our Healing.

By living true to our self, true to our feelings, we are living true to God. It’s that simple. The revealing of the Feeling Healing process is the commencement of our ability to begin the Great U-Turn and go the right way. Should we then also embrace our Heavenly Parents’ Divine Love, we can also commence our Soul Healing and a returning to that of being divine – this is our destiny.

CREATED in THEIR IMAGE:

James: Mary, what does ‘we being created in the image of God’ really mean?

Mary M: It means that our Mother and Father used Themselves as the model or template if you like, upon which to bring us into being, those of us who have existential souls with the potential of expressing their two personalities in Creation.

And although our souls are divine, as in being divinely created, still whilst we start our personality expression in Natural love, so we need the Divine Love to come into our soul and bring it into the levels of Celestial divinity.

Natural love, so basically the whole of Creation, is of the image of God, and we being divinely created souls can be part of God’s Divinity becoming divine ourselves. So through your Healing, James, you become progressively divine by partaking of the Divine Love and healing yourself into perfection – your true self. And by the time you’ve completed your Healing, your soul is of the Divine Love level of Celestial truth, and your personality is an expression of that level of truth, it all being ‘confirmed’ and cemented – fused – into place upon the direct soul-union with your Indwelling Spirit. Then you are of the essence of God, true and perfect to the level of the first Celestial sphere, the first sphere of true divinity.

GATEWAY BETWEEN SPHERES:

Each sphere has a single gateway between itself and the next ascending or connecting sphere. The location of this gateway is in the same relative position for entry and exit between the two connecting spheres. This region is commonly referred to as the Sea of Glass, being one enormous circular crystal.

Those celestial spirits coming from the Spheres of Paradise would proceed through gateways of that system, then down through the Eternal Spheres, and then down through the Celestial Heaven spheres before entering the mortal spheres for Divine Love Mansion Worlds and the Natural Love Mansion World spheres to the 1st Natural Love Mansion World sphere.

As one returns back up through the spheres, each sphere becomes brighter in brilliance and vibrancy than the prior lower sphere.

Within each sphere there are host of related minor zones that may be referred to as planes. These minor planes achieve separation of those with their different soul condition so as to enable harmony to exist throughout all the planes and also the different spheres.

Consider the joining point between two spheres as being portals, or simply as bridges. One can travel readily to spheres lower than their condition, however, to travel to a higher sphere, one generally needs to be assisted as the environment in higher spheres is very uncomfortable for one not fitted.

The magnificent crystal – sea of glass – serves as the receiving field for all transport seraphim and other beings arriving from points outside the sphere; such a sea of glass greatly facilitates the landing of transport seraphim.

A SPHERE may simulate or being likened to a CLUSTER of MINOR SPHERES:

Each minor zone or region may represent a plane within a major sphere. A plane is not a sphere.

One's soul condition determines where one resides. Your personal illumination is a reflection of your soul condition. The luminosity of one's soul fits that spirit person to live within an environment that matches that luminosity.

As one grows in love, firstly through their Feeling Healing, their soul condition improves, and this is reflected through the spirit body.

A spirit person, whose soul condition is poor, lacks luminosity and would reside in a dark environment, until they heal themselves. The luminosity of any environment is a direct reflection of the luminosity of the spirit people residing there.

Thus, the 'hells' are places of darkness, whereas the heavens are regions of ever increasing brilliance, reflecting the soul's progress in development of love for themselves and our Mother and Father.

One can clearly imagine a soul living in the ambience of the bottom diagram would be overwhelmed by the brilliance of the upper diagram. Clearly, it is not possible for a spirit person to move into an environment for which it is not yet fit for.

Between each major sphere structure is an entry and exit point connecting adjoining spheres. This further manages movements.

As one progresses in their development of love, they progressively move up through the planes within their sphere until they are fit to progress from that sphere and enter a higher and brighter sphere.

Progress is always upward to higher and more loving and brighter environments.

We all commence our journey by entering the 1st natural love Sphere.

EACH SPHERE PROGRESSIVELY LEADS to the CENTRE:

Consider that the mortal spheres, both for the Natural Love Mansion World spheres and also the Divine Love spirit Mansion World spheres progressively are further away from Earth, with the 1st Mansion World blanketing Earth. Then next are the immortal Divine Love spirit spheres known as the Celestial Heavens, then the Eternal Spheres, Infinite and Universal Spheres.

Our own solar system is in the outer edge of a super-universe, being one of seven. In fact, the outer ring is a series of seven super-universes circulating around a massive inner sphere.

We may progress towards the absolute centre, to the Spheres of Paradise with further development as an immortal Divine Love spirit, having completed our Feeling Healing. These form an inner circle around the Super Grand Sphere that surrounds our Heavenly Parents' Soul.

Finally, the last remaining Sphere beyond the Super Grand Sphere is our Parents' Sphere. We can and all will, should we choose, make this journey in our own time and as we please.

First Source has a Spirit Body

Spirit entity of God for Divine Love delivery:
 Spirit, The Spirit, Holy Spirit, Acting Spirit
 and also another spirit entity of God's is:
 Spirit of Truth, Living Spirit of Truth
 and we have with us an:
 Indwelling Spirit, Thought Adjuster

GOD's Divine Love is always available to you, should you ask for it:

“Our soul is a container and if it is full of error then it must be willing to empty before it can receive something new. Revelation is to shed light on the errors and the hidden agendas to demolish the castle of pain, renovating the space in readiness for the transformation of Divine Love. We won't grow in love until we are willing to surrender our pride and be the emotional being God created.”

This misunderstanding noted above is common.

The misunderstanding arises from a limited understanding of unconditional love (God's love). This leads us into focussing on our errors and seeking love as a result or consequence of elimination of errors.

The very nature of love is nurture. Love cannot exist without the effect of nurturing. This is what Motherhood is all about. This is why love is so powerful and must always be the primary objective; not removal of error. To focus on error does not produce the joyful experience one should feel as we move towards a greater understanding of love. Always the focus should be on love, because in truth there is nothing else.

As we focus on love, (with humility) our errors start to stand out so obviously and they become easier to remove. The whole process becomes joyful.

To take it a step further, once we focus on love, we may start to understand that in reality we have a somewhat limited 'free will'. The increased love we experience more and more reveals the errors to us and we have no option but to see and remove them. However, in truth we are only love, which has been sullied by the illusion of error. When we start with the premise that we are truly just love, we can only approach the unloving aspects (illusions) from the viewpoint of love. The approach many suggest is to give the error reality, which it hasn't, and then try to proceed to love from a starting point of error. This cannot be a suitable foundation to try to grow from. It is in truth, absolutely no foundation what so ever.

Encourage friends who may be interested to try this experiment: Before dropping off to sleep in your comfortable bed, lie prostrate facing the ceiling and ask for the love of God – God's Divine Love to flow into you. The most common response has been that they were overwhelmed with the feeling of warm, fulfilling joy that filled their being.

(2018.1) ^{188:5.2} **Divine Love does not merely forgive wrongs; it absorbs and actually destroys them. The forgiveness of love utterly transcends the forgiveness of mercy. Mercy sets the guilt of evil-doing to one side; but love destroys forever the sin and all weakness resulting there from.** Jesus brought a new method of living to Urantia (Earth). He taught us not to resist evil but to find through God a goodness which effectually destroys evil. The forgiveness of God is not condonation; it is salvation from condemnation. Salvation does not slight wrongs; it *makes them right*. **True love does not compromise nor condone hate; it destroys it.** (The Urantia Book)

(2018.2) ^{188:5.3} **The beauty of Divine Love, once fully admitted to the human heart, forever destroys the charm of sin and the power of evil.** (The Urantia Book)

More About God's Love

Gods Love is unlimited in nature, and is abundant, and to it there is no end. This is perhaps one of the most incredible facts about our Father. Not only does He have this Love to such an extent that there is enough for every single soul created in His image, but, in addition, there is enough of this Love to fill each soul thirsting for this Love forever, and still He has more to give, in ever increasing amounts. This is a part of the wonder of the Greatest Being.

Souls Transformed

His Love is the only thing that can totally transform us into His Essence, and give immortality. As mentioned in the Padgett Messages (Book of Truths by Joseph Babinsky), our soul when first created was only created with the potentiality of the Divine, and, in its natural state, it does not contain anything Divine.

Without His Love, we are only an image only of Him, and will only ever be an image, and are not in atonement with Him. His Love literally transforms us into a new being, and therefore once we have received His Love to the extent required, we experience the New Birth, the complete transformation of the person we were originally created as, a transformation from the soul eventually perfect in natural love, to the soul containing the Essence of the Divine. Not only do we exist in complete happiness, but His Love is now at the very core of our being. It is now impossible for a possessor of His Love to this extent to perform any action that is in discord with His Love.

The Soul: P. 4 Judas of Kerioth edited by Geoff Cutler

August 19th, 2001

Your soul:

The opening of the soul is not a passive attitude; it is something active, where you have to put your will and your efforts. You like comparisons so much, as many people do, because they facilitate an easy way to explain things that otherwise would be very difficult to render in words.

Well then, imagine the soul like a ball of glass, completely transparent, "open" to the passing of light. Its transparent surface allows the "Light" of Divine Love to enter, even more, it allows a total communication with wonderful world of Divinity. It also allows the light glowing inside, this flame stimulated by Divine Love, to shine forth, visible for everybody, manifesting its presence.

This is the pristine state of the soul, this total transparency, its entire surface like an interface to Divinity. Upon the soul's incarnation, it receives the great gift of not only perceiving the Divinity that surrounds it, but of incorporating it, owning it, and then emitting the light that forms through the reaction of "fermentation", caused by the incorporation of Divinity.

Clear to being muddied

Unfortunately, with incarnation also come encrustments that cover the smooth surface, making it opaque, not transparent, that does not allow the entrance of light. But always, even in the worst of cases, there is a small crack through which the soul may know that something more exists out there, something irradiating warmth, light, happiness, something that is worth yearning for, worth trying to obtain.

Incarnation and the formation of the spiritual body and its abilities, however, also implies the formation of the material mind which, fostered by the kind of education we receive, finally asserts itself, squashing and suffocating the soul and its innate longings.

The opening up of the soul is something active – once it is open, and once a small portion of Divine Love has entered, it is not enough to rest satisfied with the achievement. No, it is the permanent work of keeping open this divine interface, of entering in a continuous communication with Divinity, communication that is necessarily reflected in the person’s attitude and daily living. If we allow this portion of Divine Love that has entered us to become inactive, that is to say, if we don’t contribute in any way to stimulate the “fermentation of the batch of dough”, the surface of the soul will turn opaque, and the Divine Light cannot penetrate, as well, the feeble light inside us cannot shine forth, it will be invisible to the world, as if it did not exist.

We call this part of Divinity, which is intended for the human souls, the Divine Love. We also say that it is not an abstract feeling, but rather that it is God’s Own Substance. And so it is. **This Substance has many characteristics, and the most prominent is that of unconditional Love, the Love the Heavenly Father has for us. But there are other characteristics in It, which Its name doesn’t reveal immediately, because it is a name that we have chosen from the human vocabulary, an insufficient vocabulary born of the mind that doesn’t know how to describe with accuracy the world of our soul, even worse, it does not know how to describe the Great Soul of God.**

Divine Love evokes attributes to health, that is to say, perfect balance, harmony, wisdom, knowledge, and much more. It is not human wisdom, but God’s true wisdom. The inflowing of Divine Love, therefore, increases these attributes in us.

The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.

You know that the presence of bacteria or virus does not mean necessarily that the body falls ill. And knowing this, why did you state the contrary?

But, yes, it is correct to observe that a person perfected in their natural love, not having obtained any portion of Divinity, will always be subject to the natural laws with all their consequences. But imagine a perfect world, perfect in the natural love... Yes, you can visualize that humanity’s combined efforts to combat illness will achieve wonderful goals. You can understand that no longer would there be hunger or poverty, nor would there be corruption due to the aspiration for profit at another’s expense, and that this perfection, outside the scope of the Divine, can also leave very little space for disease. **But it is true that people without the benefit of Divine Love would lack the protective shield, which the**

intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Father's Grace.

The **opening up of the soul bears other benefits. It allows communication from soul to soul**, the only communication form that we use in the Celestial Heavens, the only valid communication of which the human soul may make good use to be in contact with God, and finally, **it is the form that we use to communicate with mortals.**

This explains why mediums who don't strive to develop their souls in the Divine Love will never enter into contact with us, because we speak on a different "wavelength". The medium without soul development forcibly tunes in to inferior frequencies and he or she will only receive information from spirits who communicate along the same frequency. It is not a communication from soul to soul, it is a communication from mind to mind, and here I refer to the material mind.

In soul development we arrive at some point to when the soul definitely takes control, and the material mind, with its seat in the spiritual body, disappears. When this happens, the soul has obtained the capacity to enter the 7th Sphere, and as long as the material mind exists, the soul could not live in that sphere, since it would be completely wanting of communication.

The 7th Sphere, then is the place of the soul's total opening up, with all its consequences – for example, there is no need for languages because all our feelings, our thoughts, are transmitted in form of information packages, directly from soul to soul, and the contents of our soul lies open for all other souls to see. You could call it the absolute "information society", with free access to everything, where nothing is hidden from anybody. This abundance of information, these galaxies of positive experiences and feelings, are only one of the factors for our happiness.

DIVINE LOVE – what does it do?

The divine gift from asking for and receiving Divine Love will steadily, but with certainty, raises one's quality of life and also of all those around such person who is seeking and receiving this love.

The receiving of Divine Love, which is a substance, with certainty, progressively:

- Raises one's love for those around them, whilst embracing one's Feeling Healing.
- Raises one's perception of all things – naturally grows one's intelligence – soul intelligence.
- Enables one to feel and resolve negative emotional issues more readily during Feeling Healing.
- Humility becomes self evident. Humility enables one to feel their errors and emotions.
- Divine Love strengthens one's resolve to express errors, emotional injuries and untruths.
- Divine Love with Feeling Healing to remove emotional errors, enhances one's health.
- Divine Love enables one to become more childlike – not adult serious at all times.
- Divine Love raises one's capability of feeling – no longer needing to be mind controlling.
- By becoming feeling orientated, one no longer is mind / intellectually dominated.
- The strength to fight and overcome sin and error is strengthened through the Divine Love.
- The Law of Compensation process is more resolved by Feeling Healing with Divine Love.
- Receipt of Divine Love grows one's faith, beliefs become faith and then knowing.
- As our faith grows our intensity to ask and then receive Divine Love grows.

- We begin to follow our passions and desires, no longer fear and mind driven.
- Truth being told at all times then progressively becomes a way of life.
- Our quality of life blossoms, our finances and relationships prosper.
- Man creates his own environment, seeking Divine Love can vastly improve one's environment.
- Health carers receiving Divine Love enhance healing outcomes beyond comprehension.
- Receiving Divine Love may assist in bringing a struggling marriage back into harmony.
- You progressively become dependent upon our Heavenly Parents, not self dependent.
- Personal growth in love directly assists the soul condition growth of one's children.
- Divine Love assists one's rate of soul condition to progress whilst embracing Feeling Healing.
- Divine Love is a substance that changes the human soul to that of the Divine.
- Without Divine Love, one cannot progress into the Celestial Spheres (8th sphere and higher).
- Divine Love, with Feeling Healing, enables everlasting Love and Life in the Celestial Heavens.

Our Mother and Father are Never Wrathful

When we make decisions and choices that result in our being led away from our Father, our Father does not punish us, and does not become angry with us. Our Father does not want to destroy us when we are weak and sinful, and He smiles upon our weaknesses just as a knowing parent would, seeing us make our mistakes, and waiting for us to come to acknowledge them and change the course of our lives so that we become happier.

He is always willing and wanting us to ask for His help, and He wants us to realize our sin, or our feelings and emotions that are in error, and take responsibility for them. But He does not become resentful and punish us when we do not do so, since He also knows our weakness, and the extent we do not understand Truth. To Him, punishing us would be like attempting to punish Himself, and that He never does, nor does He ever have need to, since all the things He created are Perfect, and that includes the exalted of His Creation, humankind. We are being perfectly led, within the Beauty of the Laws of Love by which He and all of His Creation lives, and so there is never any need for punishment.

The more enlightened we become as His Children, the more we come to see that we are the creator of our own life experience, and so we will come to avoid behaviour that results in our soul feeling unhappiness. Of course, when we are insensitive to our own soul, we have a lot of difficulty understanding what brings pleasure to our soul and makes us happy, and so we often make decisions and choices in ignorance, and these choices may lead us away from happiness and truth.

But, as our Father knows, since He Created us and the Universe in a way that can only eventually lead us towards happiness, punishment is unnecessary, since breaking Laws of Love results in its own torment, pain and suffering, and there is no need to add to this suffering by adding punishment to the outcome.

"We pray thus with all the earnestness and sincere longings of our souls, and, trusting in Thy Love, give Thee all the glory and honour and love that our finite souls can give."

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus’ Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair’s guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world’s spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

HUM

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
 We are to long for the truth of what we are feeling.
 We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

WE ARE Children of God

HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
2. **ETERNAL SON (ES) – Divine Truth**
3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS (MF) – Love – the Living Truth**
2. **DIVINE MINISTER (ID) – Mind (and her Holy Spirit)**
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR – the Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS – they do not incarnate**

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

Humanity is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

There are 100,000 MICHAEL soulmate pairs as REGENTS throughout our SUPER-UNIVERSE:

One of these 100,000 dots represents Nebadon, our local universe, consisting of 100 constellations with each constellation containing 100 systems which in turn have 1,000 worlds. The system in which Earth is within is called Satania.

Nebadon has some 10,000,000 physical planets, of which 3,840,101 are inhabited. The regents of Nebadon are the soulmate pair being the Paradise Creator pair, Mary and Jesus.

This structure is repeated throughout our super-universe, called Orvoton, 100,000 times. There are some 100,000 Regent pairs, equivalent to Mary and Jesus, throughout our super-universe.

There are 7 super-universes that rotate around the Isle of Paradise which is the home of our Heavenly Parents, our Mother and Father. Thus, there are some 700,000 Regent pairs equivalent to Mary and Jesus.

When we progress beyond the spirit mansion worlds, we enter the first of the three Celestial spheres, the home city being Jerusem, this is also the home city for all 1,000 physical worlds in Satania. From there we will progress to Salvington being the head quarters for Nebadon and the home of Mary and Jesus. Then we progress to Paradise.

Earth →

NEBADON, our LOCAL UNIVERSE:

A *Local Universe – Nebadon*. One hundred constellations (about 10,000,000 inhabitable planets) constitute a local universe. Nebadon contains 3,840,101 inhabited planets.

A *Constellation*. One hundred systems (about 100,000 inhabitable planets) make up a constellation.

A *System*. The basic unit of the super-government consists of about one thousand inhabited or inhabitable worlds.

Earth is #606 in the system of Satania and is the latest to have human life. *Jerusem* is the headquarters of our local system of Satania. Thus Jerusem is the city to which we arrive when we fuse with our indwelling spirit having sufficient Divine Love following our Healing and enter the first of three Celestial Heavens, all being for the 1,000 physical worlds within Satania.

Salvington, in the centre of Nebadon, is the headquarters and home of our Creator Daughter and Son, the Michaels, namely Mary Magdalene and Jesus.

All descending Daughters and Sons of God have high and divine origins. They are dedicated to the descending ministry of service on the worlds and systems of time and space, there to facilitate the progress in the Paradise climb of the lowly creatures of evolutionary origin — the ascending daughters and sons of God (humanity – us). Those Daughters and Sons who come forth from the Deities on the central Isle of Light and Life are called the *Paradise Daughters and Sons of God* and embrace the following three orders: Creator Daughters and Sons – the Michaels, Magisterial Daughters and Sons – the Avonals, the Trinity Teacher Daughters and Sons – the Daynals. All three groups have Spirits of Truth, no others do.

The remaining four orders of descending daughter and sonship are known as the *Local Universe Daughters and Sons of God*: Melchizedek Daughters and Sons, Vorondadek Daughters and Sons, Lanonandek Daughters and Sons, and Life Carriers.

The chief executive of a local system (such as Satania which includes Earth) of inhabited worlds is a primary Lanonandek Daughter and Son (was the Lucifers), the System Sovereign. The Lucifer Rebellion in the system of Satania was the last and the most widespread of all. Thirty seven (37) inhabited worlds were seduced into rebelling, by following the Lucifers and their deputies, the Satans. Earth then went on to Default at the time of Eve and Adam. Later on we crucified the Creator Son, Jesus, and ignored Mary. So now we have the physical presence of an Avonal Pair. Only the Avonal Pair can take on all of our wrongness and heal themselves. It is their Spirits of Truth that we are to long to so that we, humanity – all of us – can then heal the Rebellion and Default that we have all embraced.

OUR GUIDANCE to PARADISE, the home of our HEAVENLY PARENTS:

There are three distinct phases of our progression to the home of our Heavenly Parents which is Paradise that is within the circle of seven Super Universes, each containing many Local Universes.

Once we progress beyond our Local Universe of Nebadon, then we are assisted and guided by our Heavenly Parents, our true Mother and Father all the way home to Paradise.

Before then, once we have completed our soul healing, we are guided through the Celestial Heaven worlds which are those that interact with humanity on Earth, then further on into and then out through Nebadon, our Local Universe. The regents of Nebadon are Mary and Jesus.

However, before then, we are to embrace our healing. That is, we are to realise who we truly are. We are not the personalities that our parents imposed upon us. We are to put aside our childhood suppression and repression and free our true personality that our Heavenly Parents gave us, and to do this we are now able to embrace the guidance of the Avonal Pair who will lead us through our healing here on Earth and through the Spirit Mansion Worlds to be able to enter the Celestial Heavens.

 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.
 Want to understand why you're feeling them.
 Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
Your feelings are your spiritual guide.
Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.
It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

The DIVINE UNIVERSE:

32. *The Perfect Prayer*

7 October 2012

In the time James Padgett received spirit communications I gave him a prayer (2 December 1916) to help him firm his stature as he worked with various spirits. I would like to extend the reality of prayer with you now.

The Perfect Prayer or Prayer for Divine Love need only be a sincere heartfelt expression of love given to the Soul, God, and included in this soulful heartfelt love, a respectful asking to experience the Divine Love. The perfect prayer will always be of an individual expression that works harmoniously for each person. There can never be a formal prayer of one that is perfect for all, for each person commences their receipt of the Divine Love at particular stages of their human or spirit experience. The comforting and nurturing aspect in the nature of the Divine Love is most suitable for the heart.

Formal prayer, intuitive prayers or a prayerful experience that exemplifies respect and a sincere desire for this Love, will cause a response by the Spirit to bring about an inflowing of the Divine Love into one's soul. There is a unique reality of love that exists between God, the Soul, and all other independent mortal finite souls. As soon as a mortal finite soul longs for love by God, God knows of this longing and the active Spirit Law that determines the function of the Spirit responds. It is as if no earthly time or mortal spirit world time exists at all, for the Divine Love is not subject to these constructs of time and has its experience directly between the Soul of God and the soul of the individual. In this way, a demonstration of harmony begins.

As the experience of the Divine Love becomes more familiar, and the energy in one's soul becomes more active, the essence of prayer changes as the condition in the soul of the individual changes. People have experienced this already as they learn more about living with the Love.

I will not give a formal prayer here other than the love in the words that I have just conveyed. I would also like to state that I know that individuals both men, women and mortal spirits, can commence and do commence their learning about the nature of Love from a position and condition of fear that is situated as a dis-harmony in the personality of the individual. Even in fear, I encourage one to value the attribute of goodness and respect so that a small beginning of learning to love thy self can form part of the progress when learning to live in the harmony of love.

Jesus of the Celestial Heaven

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

Our Heavenly Mother and Father simply desire for us to ask for Their Love.

The Only Prayer That Man Need Offer to the Father:

I am here, Jesus

The Prayer for Divine Love

2 Dec 1916

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

P.438 Book of Truths through James Padgett / Jesus

Let your prayer be as follows:

Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.

That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.

We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.

Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.

Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.

Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.

We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.

We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.

Amen

MoC

Note: The 'false teachers' are our parents, as they are also the 'evil ones'. Also, the evil ones, being those parts of one's mind, that are controlling you.

Prayers to our Mother and Father

From the Religion of Feelings by James Moncrief

Please Mother and Father help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

Please Mother and Father help me see the truth of myself through my feelings.

Please my beloved Heavenly Parents, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

Please Mother and Father, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

Please Mother and Father help me, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

Please Mother and Father love me. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

Please make me feel how unloving I am. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the 'dead' way; the feelings way is the 'alive' way.

The Padgett Messages, received 1914 to 1923 and published in the Book of Truths, has now been extended with further session of messages having been received between 2012 and 2013, and titled “The DIVINE UNIVERSE” via Zara Borthwick and Nicholas Arnold.

The DIVINE UNIVERSE

79. Prayer of the Heart

16 October 2012

I encourage the heart that prays to the Father for the Divine Love. I encourage the heart that loves the Love, and with sincere aspiration, feels for the Love. If there be any doubt, loss of faith or hardship of heart, I encourage the heart not to give up or give the Love away. The Father hears your prayers and the heart be rest assured in this. Never will a good heart be forsaken. As the Father does so do I, see and hear your heart, and prayers for the Love and the needs for wellbeing. Never give your heart up; trust in the One who knows your true heart, and there the Father loves you. One may never fully understand the intricate workings of time, past present and future, but the heart knows faith and Love and the Father Loves a good heart. Pray with faith, and in your heart my truth and the Father’s Divine Love meet you there.

I have given you this prayer of the heart so that men and women may draw from its words, strength, love and faith.

Your beloved friend and companion,
Jesus of the Celestial Heaven

Whilst we are receiving our Heavenly Parents’ Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God’s way of loving us into love and then we live what we are, love.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to ‘our Mother and Father’. Further, when considering soul healing, then reference to Divine Love could be referred to as ‘Feeling Healing with Divine Love’.

The DIVINE UNIVERSE

300. *Prayer of Love and Strength*

2 February 2013

I am going to write the Prayer of Love and Strength that may help those with their endeavour of heart in the receipt of the Divine Love:

I pray that I may find the love and strength in my heart to love you more wholeheartedly. I pray that I may feel this strength as a living truth in my heart and soul as my weakness, due to my condition in my physical and material struggle, may not become a hardship that casts a long shadow over my day-to-day living in my faith in Divine Love. I pray that I will not give in to any negativity that surrounds me, or to the way that at times I cannot seem to be able to help or forgive myself for loosing faith in The One I love.

I pray that I am receiving Love, your Divine Love that is in great abundance and that my heart partakes of a small portion of this abundant Love. I ask that your Spirit, The Spirit, convey the Love into my soul as I have already been receiving into my soul your Divine Love. I pray that your Divine Love gives greater love and strength to my heart that I may continue in my prayer to receive this Immortal Love.

God, I love you with all my heart even if there be a shadow across my heart, and a lack of humility in my faith and on my behalf for I recognise that you can love me more perfectly and wholeheartedly than I can accept for myself.

God, I recognise that you are Soul and that I am a finite soul and that your Love and Spirit are true gifts for my heart and soul and that I need this Love that you have provided. I pray that from your Love, more finite love and strength in my faith and heart will enable me to love you even more. I recognise that I am doing my best in all that life has given and taken away from me and that in my resolve, my heart knows that your true Divine Love always remains with me and my faith in you. At times I have left you and left your side and wandered all over the place, lost in the shadows of life and in the near-sightedness of my eye and then, I pray for your Love and your Love fills my heart and my love and strength return and I accept that you are loving me at all times when I am lost and found. I give you all my gratitude, love and strength that my heart can give and I desire not to change the world or the spirit world accepting that Your Divine Love will change my soul and in harmony together, I will try for a peaceful world.

I have provided you with the inspiration to give these words of love and strength that such words may help one in their experience of God's Love and Spirit.

Jesus of the Celestial Heaven

The DIVINE UNIVERSE

303. *The Immortal Prayer*

6 February 2013

For those of you who are strong, I will continue to sustain this strength because many of you who experience the Father's Divine Love require a great resolve and strength of heart not to give up on the Truth and not to be saddened by the apparent lack of interest in the most beautiful love that you feel and know to be true. I will never prevent myself from being with you, who sincerely desire the Divine Love and, with any feeling of being afraid, alone or insecure, I with my Celestial teachers are present supporting you. There is no shadow in the Divine Love and for those who are aware of this Love in faith love and spirit we celebrate the harmony of God's universe of Love and Spirit.

I pray for the Divine Love, the Immortal Love

Universal Soul God,

My Father, I love and accept you with my heart. I sincerely pray for your Love that will come by The Spirit and embrace my spirit body conveying your Divine Love into my soul. I humbly ask that you love me as I love you, and that you continue to love me when in those times I cannot love myself.

I ask that you give me the strength to voice my faith and love to you, and that you may love me in my weakness and in my strength. I know that I am a soul beautiful to you as you are to me, and that your Divine Love will be the arrival of Truth that my soul has truly longed for.

I pray that your Divine Love will be the arrival from which will announce the departure of my doubt and that such faith, love, strength will come to me that I will never doubt you again. And I will never stop loving you, in the sunrise and the sunset of each day in my life.

I recognise that you are the Source of the Divine Love and the origin of my soul. I recognise that I may have been lost to you but in truth I was never lost to you and now, I am gathering up all my love out of my lost-ness in great abundance because I am aware that your Divine Love is present for my soul and I am free to receive your Love and feel Its' breath of spirit declare in my heart the Immortal Harmony.

I am receiving your Love, I have received your Love, true Universal God, your Immortal Love.
Amen

Jesus of the Celestial Heaven

Is it JESUS or MARY TALKING THROUGH a MEDIUM?

And the chatting / talking with Jesus is the same as we've told you, it's really 'on behalf of Jesus', it is one of the medium's band pretending to be Jesus, which really means the Celestial accessing Jesus' Spirit of Truth within himself (and only we Celestials can do this and are allowed to), and so then speaking 'as if he is Jesus'. It's the same thing as James feeling how close I am to Mary Magdalene in my 'feeling' when we are writing together, because as I said I work with her Spirit of Truth as I feel very close to it – very close to her. And she's said I can use it that way. So effectively, should it be necessary for me to do so, I could 'pretend' to be Mary speaking to people on Earth.

As you have possibly gathered, it's all highly organised as to what and when we can reveal to you. It's all set out in keeping with the Rebellion and Default limitations and then in keeping with the Mansion World levels and all the levels within them. It's all angelically controlled, so we slot in using our minds and be who we need to be to you and how we need to be and what we can say. So as you grow in truth through your Healing, moving progressively up through the levels, so we can come forward and progressively reveal more to you. So what is revealed and how it's presented to someone who's in their wrongness and not wanting to do their Healing, compared to someone wanting to do it and just starting out, compared to someone nearly finishing it, compared to someone who had finished it, might all be so different that you would think it was different spirits relating at each step, when it might be the same spirits. And really we don't change, it's you who changes, or refuses to change.

And added to that, we know how far someone will go in their spiritual progress throughout their Earth life, so part of our interaction with that person is in keeping with that level of progress. So we might say and do and be differently to different people, even though we're the same spirits, because each of those people have very different spiritual paths and levels they will reach.

So it's not as straightforward as one might think, which I know causes many misunderstandings, much confusion, even putting a lot of people off, however really until people are well into their Healing, it will all appear like everyone is working at it from opposite ends with no real synthesis or commonality involved. So you can look at it like say a Maypole, with everyone starting out on their separate ends, but the more you do your Healing, the closer you all come to the truth, which will allow the Spirits of Truth to then synthesis you all into what is needed for you to become Celestials. For by the time you are Celestial, then we're all on the same page so far as the Truth is concerned. But even though we Celestials are all living that same truth, how we might relate and start with people on Earth or the lower Mansion Worlds might make us sound and appear like we're all very different.

Nanna Beth, 19 February 2018

Note: [Jesus has only talked DIRECTLY to James Padgett and James Moncrief.](#) [Further, Mary Magdalene has only talked DIRECTLY with James Moncrief.](#) Mary and Jesus are regents of 3.8 million physical worlds and their related spirit worlds. They are also finite – can only be in one place at any one time. Once that is understood, then it is only possible to have 'communications' via their Spirits of Truth in the manner outlined by Nanna Beth.

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Our salvation IS by embracing Feeling Healing with the Divine Love.

God's Divine Love: Pray for it, ask for it, and receive it.

Please Mother and Father, may I receive Your LOVE.

“Every day is a day of devotion.”

Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.

“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”

“Mother – Father, I desire your Love and I am loving you.”

“Soul God, I love you and I love receiving and experiencing your Divine Love.”

“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”

Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.

One can simply receive the Love without following any religious or spiritual teaching taught by man!

Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.

Three Great Truths:

- **God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

LOVE
is
Feelings First Spirituality, The New Way

Feelings First Spirituality, The New Way is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

Feelings First Spirituality is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

Feelings First Spirituality has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

Living the New Way of Feelings First Spirituality

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

And to do this you need to do your Healing

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

Feelings First Spirituality **The New Way**

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Notes from 'Feeling Healing' by James Moncrief

Heartfelt TRUTH

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU
FEEL, THINK AND ARE.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

REVELATIONS

Revelation 1: Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively feel into our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

Revelation 2: We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

Immortality with the Love.

Steps UP!

Quantum Jump 1

REVELATION 1
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

Quantum Jump 2

REVELATION 2
Marion and James Moncrief 2002
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

Truly all-loving;
 Living true to oneself;
 Mind supporting Feelings;
 Living with the Divine Love;

Fully Healed of the Rebellion and Default.

THE FEELING WAY

Feeling – Ascendance
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

THE MIND WAY

Mind – Transcendence
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,
 atheists, no spiritual interest,
 Living the Rebellion and Default.

Hell:
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

The River of Divine Love Meditation

Sit comfortably in a chair, feet flat on the floor and hands gently resting on your knees. Gently close your eyes and take a deep breath. Sigh out the day and turn your thoughts to your breath watching the stress leave as you breathe in cool fresh new energy.

After a few moments, visualise that you are walking through a summer field with cool grass beneath your feet. Coming to the banks of a meandering river, you sit and remove your shoes placing your toes and then feet into the cool and gently flowing river.

Another deep breathe in and exhale out. This feels good;

“I ask the Soul God for a drop of Divine Love, I ask and allow myself to receive this Love into my heart and soul.

Feeling the Spirit conveying this Love into my very being, I sit comfortably at the river’s edge.

I take another deep breath and feel that the River of Divine Love is beginning to flow through me and into my heart.

I rest and relax and as my soul breathes in the River of Divine Love.”

Stay there for as long as you like and continue to breathe, reaffirm breathing in through the nose and out through the mouth ...

Toward the end, gently increase the breathing and as you feel the River leave your soul, knowing that now part of this River of Divine Love remains in your heart and soul, and we can rejoin this river whenever we feel the need to.

Now take a couple of deep breaths and thank the Soul, God for this Love and open your eyes.

Please note: meditation differs in length / duration of time for beginners, newcomers and experienced individuals involving the experience of Divine Love.

We would do this with newcomers for 10, 30 or 40 minutes depending on the group. In a group containing newcomers, it is important to keep an eye open and watchful to their needs, breathing and to be sensitive to the needs of the individual.

Cause No Harm < to OTHERS
to MYSELF

Strive to love others as I am to love myself

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Divine Love
is the key!

God's Divine Love:

Pray for it, ask for it, and receive it.

Feeling Healing with
Divine Love is the key

to enter the
Celestial Heavens:

LOVE and LIGHT: The luminosity of a loving soul shines through the spirit body.
