Immortal Harmony

Divine Love

Summary

The IMMORTAL HARMONY of DIVINE LOVE.

Summary

The Divine Love that I received from God when living as a man, is the same Divine Love that I continue to receive in the spirit world. It will be the same Divine Love that a person receives in the days and nights of tomorrows and, the truths will never change as to the nature of this Love and one can gain real confidence knowing this fact about the unchanging nature of this Love that changes everything relating to the mortal soul.

One can experience and receive the Love as often as one feels like it. The Love is never harmful or given by God that results in a caused effect of disharmony in the individual. The diversity of human individuality is a great characteristic of human nature and as with experience, one needs experience to ascertain a truth about a certain thing. Experiencing the Love provides a substantiated knowing from which a more objective reasoning follows and a maturity happens. This is helpful as one gains confidence in their realisation that the most perfect and beautiful Soul, God, is Loving them.

Most have not found the Divine Love intimidating or confronting and most seem to delight in the knowing that a resource that is without human condition and a resource that has consistency to its nature and form, a relief for the heart and true to experience.

The salvation of the mortal soul, as said in dramatic terms, is simply the soul being able to partake of the Divine Love. As I have said, it is the Love that restores harmony and any subsequent disharmony in the personality that lives in contradistinction with the existential harmony of God.

As you have found, being *in the Love* makes you feel re-energised. The Love has a regenerative quality to it, and this never-ending source from the source of life eternal, has that quality that makes you feel energised. Most who experience the Love, feel this energy and the re-energisation that it gives. This is one of the lovely aspects in the nature of God's Divine Love.

The way of progression might be slow but the accord of love, truth and harmony assured. It is only our own expectations that expect miracles or to receive the Love and feel the effects of an entire life changed immediately. **Transformation of the soul is a beautiful harmonious gradual awakening.** It has to be this way so that the spirit-body systems have time to adjust to the changes that result in the soul, that causes the effect of a maturing. The systems of the spirit body cannot mature faster than the condition of the soul therefore, the soul and the spirit body in the transition from the natural into the Divine, is a unified and harmonious evolution.

If one asks can I experience God? Then the answer is in the sincere asking for the Divine Love and the inflowing of this Love will answer the question. On one hand one can ask questions that the finite mind cannot suitably resolve about the nature of God, whilst on the other hand one can experience directly the harmony and Divine Love of God, which will answer many questions that then will be asked.

While truth does cause division, the greater truth is in the learning to live love in which there is no division of truth for the greater workings of Love and Spirit can ascertain the causes and effects that may constitute division or disharmony. Ultimately and without being idealistic, the condition of soul can overcome any such conditions found in the two Loves that surround one learning to progress in the harmony of the Divine Love and toward the First Source.

The Divine Love is the way, the Love and the Life, and in this Love shall the soul be truly born again. This new-birth of the soul will change and become true and harmonious there and then, in the heart shall one know that one has embraced the progression that leads toward at-onement in harmony with the living Soul, God.

One of the qualities about the Divine Love is that this Love provides greater independence in the personality for one is no longer subject to the condition of being their own source for independence, which results in the boundary of natural love. With Divine Love, the personality forms with the spirit body and soul, and so a greater freedom is experienced because the personality is fulfilling the potential that its original forming with soul and spirit body designed to fulfil.

In a gradual way with the Divine Love, as changes in the soul and spirit body occur, these changes will result in the personality slowly accepting the source of these changes as being the Soul God and with the independent will, one can have complete acceptance of the First Source, God.

People have loved God and felt loved by God and they have in deed received the Divine Love without ever knowing the truthful identity of this Love insofar as the truths relating with its causality in the human soul and affect upon the spirit-mind. If all the world of people understood that human nature is formed with soul and spirit body, then one would accept the addition of the Divine Love and that the unseen nature of God as being Soul, would be a truth by which all succeeding generations would evolve in as part of a normal and general human awareness. Then, humankind would understand the universal nature of God, harmony, and the beauty that the independent mortal personality is in, in its construct and form, so it can experience a little portion of the harmony, the Divine Love, but until this happens, until this knowledge is common, much of this story remains unknown and untold.

Part of the nature of the Divine Love in our souls is that it activates our spirit body systems and soul so that the nature of God is seen and experienced in the living and this places us in touch with the many Spirit attributes that extend from God and have their existence in God. God no longer remains inactive to us; inert, inanimate, or an unknown but rather a Soul of living energy whose energy in the harmonies of Love and Spirit, is personified as love that we experience. If I can convey the essence about the nature of Divine Love it is that in its energy, exists the harmony and potential so that one can see the potential that this Love brings to bridge the gap of separation between the individual and God by the harmonies of soulfully living.

The essential thing to be aware of is how cohesive the Spheres are to one another, and mortal life in these Spheres. Whether one is living in the natural soul system or if one is progressing in the Immortal soul system, the cohesiveness of these systems in each respective Sphere is nothing but pure harmony.

We know that the human personality survives its physical life therefore we are completely of the understanding that the mortal spirit world is a continuation of life, so we live in this common knowledge.

There is no diversity in this divinely perfected harmony. It is what it is as the Divine Love is. There is no doubting the influence of the harmony the Love personifies, and, after a time of having lived with the Love one will more likely see visible effects of this harmony that the Love has caused even when the

surrounding physical or material environments and circumstances present themselves as being far less than harmonious.

The Divine Love completes the form of the human being.

In essence, one need only direct their soul and the heart of their soul to the First Source, the Soul God, and in this faith one can experience the Love by humbly asking for this Love. This is all that is needed and the touchstone upon the Loves' approachable nature.

The beautiful thing about a faith experience in Divine Love is that it doesn't require the great presence of mind or thought, or an intellectualisation. A living faith in Divine Love only requires one firstly to be aware that the Divine Love is a potential for the soul and that with sincere aspirations to the First Source for this Love one can experience this Love.

One can utilise their soul perceptions to see the extenuating relationship between the causality of the Love and the attributes of individuality as these attributes are in the effects of the Perfect Cause. Also, *harmony as I have mentioned, Immortal Harmony, is in this energetic form of this Cause and this harmony like the cause, that this energy is, never changes which reveals to us that everything will change around the Father.* The individual changes from cause which is the Love that is now in the soul and inflowing into the soul and the effects in this change the natural love attribute toward perfection due to the Father's Love. The revelation is to see the Truth that the natural love is, in its form, made for the potential of change.

The awareness of Divine Love or, being aware of the Divine Love as a bone-fide experience is always an addition to an individual's present.

You understand the vision and the principle system that humankind exists in: this being the system of the natural love and the way this system is constructed in which humankind and each individual begins a human life within.

As more of the Divine Love is present in the human soul and the spirit body, and the human personality, the individual in a natural love construct and system then becomes involved in the Divine Love system and one is added to. The Divine Love is an addition to the natural system of love and this substantiates the very essence and nature of identifying universal progression and continued individualisation of the soul and mortal personality.

Being aware of the Divine Love is the first significant truth that commences a soul's progression. Then, to actually experience the Love is the second significant truth that confirms what one first became aware of. Gradually with the addition of Divine Love one will have progressed sufficiently to realise that change has happened as a result from the Divine Love being infused in the soul.

There comes a time, when the heart enjoys being in the Love, being with the Soul, God. Being with the Soul is truly pleasant in prayer or meditation or reflective and contemplative thought. After all said and done, there is nothing quite like the moment being in the quietude of The Soul's Divine Love. These moments of being in The Love really give to the heart, mind and the soul, and one can enjoy being in the presence of the Love. Over time, being in the Love becomes a heart experience and a comforter to the heart knowing that such a Divine and harmonious place exists for the heart and soul.

The Love considers one and all as it flows from the First Source and, being in the Love we are no longer living our lives in the great unknown of fear, loneliness and arrogance. There are times when being in the Love is the only necessary act to do and another light to the world and to the Celestial Heaven and toward the First Source seen.

WE are INCARNATED with Natural Love, but not with Divine Love:

We are conceived with natural love, however, we are not endowed with anything of the Divine. While we are without anything of the Divine, namely Divine Love, we can grow our natural love attributes and progress to that of being the perfect man whose lodging is found in the 6th Sphere. We do not have immortality without having received Divine Love.

Natural love radiance is very different from that which Divine Love brings.

The two loves complement each other, bringing about greater harmony.

When we become aware of the presence of Divine Love and subsequently ask for and then receive the Divine Love, our soul steadily starts to change to that which is Divine and we achieve immortality. This is the Immortal Choice that we can make whilst here in the physical or later in the spirit world. Once we add Divine Love to our being, we continue then with the two loves, that of the natural love and also that of Divine Love. As we continue and receive Divine Love, our soul condition progresses so that we may eventually enter the Celestial Heaven, 8th sphere, should we have engaged in the proves of Feeling Healing, and above, then progress further to enter the Eternal Spheres, then the Infinite and Universal Spheres, and then further on towards the Spheres of Paradise.

The Richard Messages - a Message from Richard of the Celestial Spheres 27 August 2013

One wonderful thing about Divine Love is its amazing simplicity.

The message of Divine Love is not theoretical in any way, shape or form. The message is intensely practical. You are simply required to continue praying sincerely for the Divine Love and developing faith that you are receiving it. There is no false promise. You **will** receive this Love whether you feel it or not. As with all human experiences, your own experience is unique to you and cannot be reliably compared or contrasted with another's. The effects stimulated by Divine Love are gentle and quite subtle at least initially. There is little point in doing a daily stock-take looking for change as this will cause frustration and a diminishing of faith. You will most likely feel first the effect of your own increasing faith. Faith is a real and tangible quality that exists initially as a potential of personality and which is brought into being by following your desires towards unknown areas seeking experience and truth. As with so many spiritual adventures one must first accept the possibility that there is reality to the invisible and that one has a desire to discover what lies on the other side of the invisibility. Faith then comes into being when one first embarks on such a venture and then builds as one takes what is offered and steps a further step. Remember always that spiritual development is exactly like growing as a child physically, emotionally and mentally. Every single action that a child takes in its growth is an act of faith which carries no certainty at all and every one of us has progressed in this way and come to the point at which we now find ourselves. In such progress it is vital that each one spends time to reflect on a life lived so far and to accept and to take credit for all achievements to date. Everyone has vastly more achievements to accept than they can believe.

Divine Love is the essence of Harmony with God so everything that is associated with Divine Love and everything that flows from Divine Love is harmonious with the being within whom the changes occur as well as with the whole of existence.

Let this be enough for today and we will write again whenever you choose.

Richard

We are gifted by our Heavenly Parents with natural love, maybe we neglect this gift from time to time. As we progress in time, we can add the greatest gift there is to our being, that is by embracing the Feeling Healing process and asking for and receiving Divine Love. Not only does the infusion of Divine Love, with one's Feeling Healing, repair our natural love attributes, we evolve into a loving person in all respects. With the infusion of Divine Love, with the two loves, we become the complete being.

The Only Prayer That Man Need Offer to the Father:

(as given within the first century)
I am here, Jesus

The Prayer for Divine Love 2 December 1916
<http://www.youtube.com/watch?v=Pg6p3rivAZw>
P.438 Book of Truths through James Padgett / Jesus

Let your prayer be as follows:

Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.

That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.

We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.

Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.

Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.

Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.

We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.

We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.

Amen

MoC

Note: The 'false teachers' are our parents, as they are also the 'evil ones'.
Also, the evil ones, being those parts of one's mind, that are controlling you.

The Padgett Messages, received 1914 to 1923 and published in the Book of Truths, has now been extended with further session of messages having been received between 2012 and 2013, and titled “The DIVINE UNIVERSE” via Zara Borthwick and Nicholas Arnold.

The DIVINE UNIVERSE

79. Prayer of the Heart

16 October 2012

I encourage the heart that prays to the Father for the Divine Love. I encourage the heart that loves the Love, and with sincere aspiration, feels for the Love. If there be any doubt, loss of faith or hardship of heart, I encourage the heart not to give up or give the Love away. The Father hears your prayers and the heart be rest assured in this. Never will a good heart be forsaken. As the Father does so do I, see and hear your heart, and prayers for the Love and the needs for wellbeing. Never give your heart up; trust in the One who knows your true heart, and there the Father loves you. One may never fully understand the intricate workings of time, past present and future, but the heart knows faith and Love and the Father Loves a good heart. Pray with faith, and in your heart my truth and the Father’s Divine Love meet you there.

I have given you this prayer of the heart so that men and women may draw from its words, strength, love and faith.

Your beloved friend and companion,
Jesus of the Celestial Heaven

Whilst we are receiving our Heavenly Parents’ Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God’s way of loving us into love and then we live what we are, love.

The DIVINE UNIVERSE

300. *Prayer of Love and Strength*

2 February 2013

I am going to write the Prayer of Love and Strength that may help those with their endeavour of heart in the receipt of the Divine Love:

I pray that I may find the love and strength in my heart to love you more wholeheartedly. I pray that I may feel this strength as a living truth in my heart and soul as my weakness, due to my condition in my physical and material struggle, may not become a hardship that casts a long shadow over my day-to-day living in my faith in Divine Love. I pray that I will not give in to any negativity that surrounds me, or to the way that at times I cannot seem to be able to help or forgive myself for loosing faith in The One I love.

I pray that I am receiving Love, your Divine Love that is in great abundance and that my heart partakes of a small portion of this abundant Love. I ask that your Spirit, The Spirit, convey the Love into my soul as I have already been receiving into my soul your Divine Love. I pray that your Divine Love gives greater love and strength to my heart that I may continue in my prayer to receive this Immortal Love.

God, I love you with all my heart even if there be a shadow across my heart, and a lack of humility in my faith and on my behalf for I recognise that you can love me more perfectly and wholeheartedly than I can accept for myself.

God, I recognise that you are Soul and that I am a finite soul and that your Love and Spirit are true gifts for my heart and soul and that I need this Love that you have provided. I pray that from your Love, more finite love and strength in my faith and heart will enable me to love you even more. I recognise that I am doing my best in all that life has given and taken away from me and that in my resolve, my heart knows that your true Divine Love always remains with me and my faith in you. At times I have left you and left your side and wandered all over the place, lost in the shadows of life and in the near-sightedness of my eye and then, I pray for your Love and your Love fills my heart and my love and strength return and I accept that you are loving me at all times when I am lost and found. I give you all my gratitude, love and strength that my heart can give and I desire not to change the world or the spirit world accepting that your Divine Love will change my soul and in harmony together, I will try for a peaceful world.

I have provided you with the inspiration to give these words of love and strength that such words may help one in their experience of God's Love and Spirit.

Jesus of the Celestial Heaven

Our Heavenly Mother and Father simply desires for us to ask for Their Love.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

The DIVINE UNIVERSE

303. *The Immortal Prayer*

6 February 2013

For those of you who are strong, I will continue to sustain this strength because many of you who experience the Father's Divine Love require a great resolve and strength of heart not to give up on the Truth and not to be saddened by the apparent lack of interest in the most beautiful love that you feel and know to be true. I will never prevent myself from being with you, who sincerely desire the Divine Love and, with any feeling of being afraid, alone or insecure, I with my Celestial teachers are present supporting you. There is no shadow in the Divine Love and for those who are aware of this Love in faith love and spirit we celebrate the harmony of God's universe of Love and Spirit.

I pray for the Divine Love, the Immortal Love

Universal Soul God,

My Father, I love and accept you with my heart. I sincerely pray for your Love that will come by The Spirit and embrace my spirit body conveying your Divine Love into my soul. I humbly ask that you love me as I love you, and that you continue to love me when in those times I cannot love myself.

I ask that you give me the strength to voice my faith and love to you, and that you may love me in my weakness and in my strength. I know that I am a soul beautiful to you as you are to me, and that your Divine Love will be the arrival of Truth that my soul has truly longed for.

I pray that your Divine Love will be the arrival from which will announce the departure of my doubt and that such faith, love, strength will come to me that I will never doubt you again. And I will never stop loving you, in the sunrise and the sunset of each day in my life.

I recognise that you are the Source of the Divine Love and the origin of my soul. I recognise that I may have been lost to you but in truth I was never lost to you and now, I am gathering up all my love out of my lost-ness in great abundance because I am aware that your Divine Love is present for my soul and I am free to receive your Love and feel Its' breath of spirit declare in my heart the Immortal Harmony.

I am receiving your Love, I have received your Love, true Universal God, your Immortal Love.

Amen

Jesus of the Celestial Heaven

Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love. JD

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

DIVINE LOVE does not TRANSFORM one's SOUL

FEELING HEALING is what TRANSFORMS one's SOUL

Divine Love does not even begin the real work of transforming one's soul, for those who focus upon receiving Divine Love to the exclusion of embracing one's Feeling Healing, they are just expanding their mind's control over themselves. Should this be one's passion, then upon passing into the spirit mansion worlds they will find that they can continue along this path all from within the Divine Love followers segment within the first natural love mansion world! Yes, only from within the first natural love mansion world.

Most of humanity on Earth are not wanting to face the very truth their feelings are making them feel every day of their life. So if they want to keep living in the spirit mansion worlds as they did on Earth, in complete denial of their feelings and the truth they are to shown about their wrongness, they can.

However, for those who have embraced Divine Love and begin to engage in their Feeling Healing process to begin the transformation of their soul, they will be able to sense the Divine Love already within their soul 'driving them on'. One's understanding and adjusting will be changing rapidly to that of embracing all about the Healing and doing it – all being supported by the Divine Love that one may have received previously. All one may have done with the Divine Love may make their introduction into their real Healing, by using their feelings, much easier than it is for other spirits from the mind worlds who are at the same time having to wrestle with many of their old religious beliefs or mental programming, having to take on a whole new mind-set which one could see would take some of them years, whereas for someone who has been longing for and receiving Divine Love for some time it may be only a matter of weeks. This also applies to those living in the physical.

It is the Feeling Healing process that transforms one's soul towards perfection, towards the ability to fully express one's true personality as given to us by our Heavenly Parents, it is the Divine Love that then fits that transformed soul to be able to enter the Celestial Heavens.

Feeling Free

Feelings First Spirituality – The Religion of Feelings
Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings

Free your feelings from your mind's control

Live true to your feelings; your feelings are your true self

Live true to yourself through your feelings

Live true to yourself by living true to your feelings.

Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly, BAD feelings.

Want to understand why you're feeling them.

Use your surface feelings to take you deeper into your repressed and hidden feelings.

The Feeling Way is the True Way.
 Your feelings are your spiritual guide.
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER we block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

The Religion of Feelings is the True 'religion' for humanity.
 It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The Religion of Feelings is what is to replace all man-made, mind-contrived, religions that so many people have enslaved themselves to. The Religion of Feelings will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled religions. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us

show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Religion of Feelings is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

LOVE is the Religion of Feelings.
