The DIVINE UNIVERSE:

194. *On the Nature of God's Will*

25 December 2012

The Divine Love primes the soul so that the spirit-senses in the spirit body can see the universality of God and that one can perceive the reality of Love and Spirit as a true form and image of substance and not mere abstract themes that shimmer like vague ideas on the great horizon of universal experience.

One of the main things that the Divine Love enables one to do, is to draw a conclusion and arrive at a position where something is known that was once unknown. This experience of progressive awareness is paramount so that universal appearance never remains a shadowy unknowable thing but rather, a dependable and reliable living place where the smallest detail is equal with the greatest detail that demonstrates how the originator has left – in the creation and forming of man and mortal potential – left nothing to chance! In the event that The Spirit and The Divine Love is deactivated, as it was from the First Parents (Aman and Amon), in the all-sustaining attributes of God's Will, part of God's Will still functioned as humankind solely in the attribute of the Natural Love continued to survive and this has been the way to present day.

As with so many things pertaining to the identity of God, such as the nature of God's Will and the nature of Truth, it's the way in which one places a context for such experiences that then enable these functions to have form and visibility to the mortal eye. For instance, there is part of God's Will and its acting nature in the forming and construction of the entire mortal spirit world. There is then that part of God's Will that acts in other parts of the universe in which mortal personality will never come into contact with and then, there is God's Will in the way the Divine Love acts when it comes into contact with a mortal soul. God's Will comprises of so many attributes that once one has a context for an attribute, then part by part, more information is revealed and one can ascertain from their experience what is God's Will and can relate with these attributes with solid information.

Humans have always asked, "What is God's Will" but this question is always asked from a social point of view involving the consequences for men and women in the drama of human life. This is always asked from a position of self-interest and very rarely from a universal position of asking.

Another aspect of God's Will functions in the way that all forming human personalities will transition into the First Sphere of the natural spirit world. This has been aptly described in this work.

Another aspect of God's Will is the Immortal Harmony that the Divine Love exists in as a state of being and potential and also the Immortality of Divine Love that is confirmed on a mortal personality when the Love is received. This is God's Will acting in a particular context of experience and you know that the perplexing relationship between humanity and God's Will is that firstly, that part of God's Will – being the Divine Love – is unknown to the human world and secondly, the human personality has difficulty understanding the nature of its attributes that comprise the human will in a personality, so it stands with reason why God's Will and what it is, has remained a mystery to man!

The nature of Truth acts in the same way. One only needs to place a particular experience into its correct context and there one can identify a particular truth. There are many truths that make up God's universe with God the Soul, forming the *Absolute Truth*. And so, all one need do is work with their

soul perceptions as they progress and the visibility of an existing God in the absolute will have depth, form, substance and image to it. For me, God in the absolute is that part of God's Soulful personality that exists in a time that includes every single experience of time and once one can see this, then one can understand the timing of God's existence and universe in that absolutely all time has its existence and harmony in God.

You know that we know all that you know and that we have known these universal workings long before you knew about the Divine Love and long before you were born. Now that you know what you do know, we can share this together as other people can and this is a most wonderful awareness that can eventuate and perpetuate from experience of Divine Love.

It has not been necessary for you in this work, to have us identify the entire construct of universal everything. Much of it as originated by the Eternal One does not relate with or to a mortal or human experience. The closest we can come to know universal everything is through the Divine Love. This Love will take us all the way to Paradise. Paradise are a few Spheres that exist beyond the Eternal Spheres and by the time one arrives there, they will know a lot about everything universal. The mortal personality with its presence of spirit-mind can progress with enormous potential. For the purposes of experience and to be true to both your experiences, all that has been conveyed and communicated in these works (The Divine Universe) are experiences derived from actual mortal and Immortal experiences. This provides this work with substance so it will not be seen as just an image, concept, or construct or an idea conceived out of the intellect. There are all of the above in this work, but grounded in the experience of Love and Spirit.

You (Nicholas) are aware of the Indwelling Spirit and the literature that this concept was introduced in. You have read this book many times but you are aware that the Indwelling Spirit cannot produce or convey the substance of God's Divine Love into the mortal personality, being the soul of that personality. In other words, you have learnt that by the existence of the Indwelling Spirit, or Thought Adjustor, that this attribute alone is not the target for one to personify one's spiritual perfection with God. You are also aware that it is incorrect when thinking about Epochal Revelations given to the world in terms of name and number there is only one revelation, which involves the Divine Love to the natural love of man. Any other revelation is simply the process of learning how to be aware and awareness enables the personality to cognise an experience of Truth. The Master (Jesus) along with other Celestial spirits, myself included, conveyed much insight into the revelation that exists between the Soul of God and our attributes of soul. James Padgett in these spirit communications (1914 – 1923) launched this platform upon now which stands the first real account of the Natural Love and the Divine Love as the formed Will of God for the potential of mortal man and the potential for Immortality of the mortal personality.

This has been a good moment together.

Your Celestial friend,

Saleeba

Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love. JD

**DIVINE LOVE does not TRANSFORM one's SOUL
FEELING HEALING is what TRANSFORMS one's SOUL**

The Divine Love does transform our soul from Natural love into Divine Love. It's our Feeling Healing that 'transforms' or heals our erroneous expression of Natural love. We have to 'heal' and so perfect our Natural love, so it can then be transformed by the Divine Love.

Divine Love does not even begin the real work of transforming one's soul, for those who focus upon receiving Divine Love to the exclusion of embracing one's Feeling Healing, they are just expanding their mind's control over themselves. Should this be one's passion, then upon passing into the spirit Mansion Worlds they will find that they can continue along this path all from within the Divine Love followers segment within the first natural love Mansion World! Yes, only from within the first natural love Mansion World.

Most of humanity on Earth does not want to face the very truth their feelings are making them feel every day of their life. So if they want to keep living in the spirit Mansion Worlds as they did on Earth, in complete denial of their feelings and the truth they are to shown about their wrongness, they can.

However, for those who have embraced Divine Love and begin to engage in their Feeling Healing process to begin the transformation of their soul, they will be able to sense the Divine Love already within their soul 'driving them on'. One's understanding and adjusting will be changing rapidly to that of embracing all about the Healing and doing it – all being supported by the Divine Love that one may have received previously. All one may have done with the Divine Love may make their introduction into their real Healing, by using their feelings, much easier than it is for other spirits from the mind worlds who are at the same time having to wrestle with many of their old religious beliefs or mental programming, having to take on a whole new mind-set which one could see would take some of them years, whereas for someone who has been longing for and receiving Divine Love for some time it may be only a matter of weeks. This also applies to those living in the physical.

It is the Feeling Healing process that transforms one's soul towards perfection, towards the ability to fully express one's true personality as given to us by our Heavenly Parents, it is the Divine Love that then fits that transformed soul to be able to enter the Celestial Heavens.

190. *A drop of Divine Love in the ocean of faith*

24 December 2012

For most it is a private matter between themselves and God's Soul nature and I always respect this. The union between a mortal soul with the Soul, God, is of the utmost importance and nothing shall ever stand in the way of such a union nor shall there ever be any interference of any kind to disrupt this union by a natural spirit and one who is without the Divine Love. If ever there be a natural spirit present, then this individual will desire to learn about the Love that the person is experiencing for such is the attraction of the Immortal Truth that exists in the Love. With regard to this Truth, I know where of I speak.

When The Divine Love and The Spirit are involved, there is nothing in all God's universe that can affect any outcome that may assert its dominance over the Love and the Spirit. I would like to make it known here that the Divine Love and the Spirit are without equal except for the Soul and Source of this Divine Love and The Spirit. And that people will know that when they seek for this Love and honestly pray to the Soul God for this Love, the Love, and only the Spirit and the Love they shall receive. They will not receive anything else from the entire mortal spirit world. To request things of the Father is to ask for things of a personal nature that requires a separate kind of asking.

Prayer for the Love need only be exactly that. The Love is the most perfect truth a mortal soul may receive so in effect, by asking for the Love one is asking for every and anything else one needs or wants. For in reality, there is no greater truth to be asked for therefore, by praying for the Love everything else must follow in this accord of Law and harmony.

Leading on from what I have just explained this provides and gives good reason as to why *faith* is so necessary. Learn and live your faith as it develops in the Love and from this extent, everything pertaining to an individual experience in among the ramifications of causality, the individual, fulfilled.

I am not teaching that one need be fundamental in one's faith or dogmatic in asking for the Love, though I am instructing those who experience the Divine Love to be faithful in their approach to the Father.

The human love, the natural love in men and women is a good love when allowed to act to its potential for goodness. I know with great certainty that everyone lives different lives and in these experiences, certain conditions form in one's life, which can restrict or give the illusion of restriction into one's ability to accept a freedom of choice. The choice for Divine Love is an *Immortal choice* that is always present. And I am not too concerned if one's aspirations for the Love are so small that only God alone can hear. The Soul God hears every small aspiration and accepts every little step in faith. I am not concerned because I am not the conveyer of this Love so I need not hear every mortal soulful prayer. The Soul God hears and listens to these aspirations and in this I am truly comforted.

Each will know why they desire the Love. If they don't know at their time of asking, with time and experience, one will know which will qualify to that person the very reality of their faith in response to their experience in the Love.

It has been necessary to introduce as much experience and vision as possible in this work by the Celestial spirits, so that the Divine Love is seen central to all extending themes so that the presence of Divine Love has more visibility to it. There is only one true way for a mortal soul to experience the Love and this is to ask in one's faith for the Love even if this faith is but a drop in the ocean of one's potential! And so I say, that this Love – the Immortal Love – is living here and now and may one not wait until tomorrow to make their Immortal choice.

Thank you for lending a hand,
Jesus of the Celestial Heaven

198. *From the Sixth natural Sphere to the Seventh Divine Love Sphere*

26 December 2012

I am a spirit who has lived in the Sixth Natural Sphere for a very long time. I have perfected my intellect and know all that a natural perfected man can know about human life and knowledge. I always thought that I would never in my approach, yield to something so simple as the Divine Love, but I did. I realised that in my own effort I could not become – as it were – anything more than what I was. I had reached the boundary of natural human evolution. I decided to give the Divine Love a go, and much to my concern, I changed! I had formed a natural concept of god, I was complete with that; but now I know that the experience of Divine Love has changed my soul condition so that what was only a concept is now a living experience. I still have my great intellect only now it is slowly being absorbed into the power of my spirit-mind, which I am realising that as an attribute, the potential of my spirit-mind is far greater in its capacity to perceive thought than purely my intellect. I am developing as an individual at a rapid pace. I am now in the Seventh Divine Love Sphere, the Sphere before the Celestial Heaven. I am so happy that I gave the Divine Love a go! I have had to recalibrate my intellect into a soulful awareness because this is where the true changes of my condition have taken place and not in my intellect.

I had once deduced that the possibility of the Loves' entrance into my being was possible but nothing had caused me, in my intellect, to confirm that I actually *had* a soul. Now I know that I do, so I am realising my new mortal truth. I was a historian when I lived my life, and would advise my superiors on such matters of history. Now I live only to progress and I like history, the history that I am learning now. I see that you are doing a good work here, and I am permitted to write with you. The individual called Saleeba asked me to write, as I knew her when she lived in the Sixth Natural Sphere. Saleeba accepted the Divine Love way before I did and it was through her changed condition that I could see the proof of the existence of the Divine Love. I had seen her prior to her receipt of the Divine Love, when she lived in the natural perfected Sphere. Then Saleeba was different in appearance than I, and I inquired as to why and she told me, to which I considered her words then acted upon them. Thank goodness I did otherwise I can see that I would still be where I was, confined to the boundary of my own condition. I do feel free, as I have been taught that now there is no end to my progression and this interests me. I am told by those who know, that we can never out-grow or surpass or to go beyond the Divine Love. I like this truth for I know what it is like to feel when one has reached the end and boundary of their natural mortal evolution. It feels great to be in touch with the Love and whilst I do not know all of its workings, I am enthralled to have found something that will absorb all of my time and energy, intellect and spirit-mind know-how to understand the nature of this Love and the attributes of

Love and Spirit that surround it. I am told that I will have to spend a little time introducing the Love to other souls and this is part of my service, which I have commenced here and now with you.

The advent of Divine Love in my life and the way to obtain it, was a true gift from Saleeba for although I understand that the Love existed long before I asked for it, now that I am with it, I can scarcely imagine how it would be to be back in my boundary and for a long time, to live in the illusion of my fulfilment and my progression. I am moving Spheres, which feels wonderful. I lived on Earth in a region situated in what is known today as the Middle East. I lived a long time ago.

I truly thank you for taking my message at this time.

With gratitude,

Musta

199. *Ingrid gives her account on her experience*

26 December 2012

From what I can see, and from all that I have observed there is no formal human or mortal belief system forming any religion here in the Celestial Heaven. Everyone lives in the workings that are identified in the living of the Immortal Love.

I have only recently arrived in the Celestial Heaven. I am aware that in the First Divine Love Spheres, on the way to the Celestial Heaven, many people still live in accord to their human beliefs but do not practice them. Each is currently learning about their condition of soul in their relationship with the First Source and only source of the Divine Love. It is quite wonderful to see how each Divine Love Sphere has individuals residing in it, and how the appearance of the spirit body changes from Sphere to Sphere. By the time one is at the Seventh Divine Love Sphere, most formed beliefs have given way and one is infused into the Immortal way of living in the structure of the Immortal Love. From Sphere to Sphere the reality of the Divine Love becomes more and more visible and sustained, solid in form and working and one can perceive the Love quite clearly in their soul by the time one glides through the entrance to the Celestial Heaven.

I am new to this spirit life having passed over a few years ago. My name is Ingrid and I was from Sweden. As you know, different people participate with the Love at different times. The fellow, who wrote to you prior to me as you heard, had resided in the perfect natural Sphere for an Age – in fact I can hardly perceive the kind of time in terms of years, he had resided there. As you know our contemporary life on Earth for most of us, is a day, an hour or a week at a time, let alone meeting someone who has lived literally thousands of years ago. This has to be one of the most unusual and unique aspects of life in the mortal spirit world. Thank goodness I listened to several Celestial spirits communicate about the Love not so long ago, in what I am to believe was the Event of Divine Love Day just recently. I was already with the Divine Love and it just confirmed to me that thank goodness I did not have to wait like so many do, in the natural spirit world because of their social position and the way they independently perceive themselves to be so interested in the natural self.

Thank you for letting me write with you now, and thank you to Saleeba who has orchestrated this morning's communications. With love,

Ingrid

201. *Immortal timing, Immortal Harmony*

26 December 2012

Hi Nicholas and Zara. That was a wonderful moment shared between three souls who all independently acknowledge a greater truth at work and who all know the experience of the Immortal Love.

I would like to say that here in the Celestial Heaven what one sees in the lives of everyone living here is the visibility of the timing in which everyone does everything. Everyone knows the Divine Love so well in these Celestial Spheres and so one sees the perfect timing that relates to a perfect harmony in the way that everyone lives and moves throughout these Spheres. We know the First Source exists because we see the way the Divine Love has caused our souls to participate in this Immortal Harmony that is reflected with the greater external Eternal Harmony that forms part of God's Will. The reality here is seen in the way that individual personalities have progressed to form a symmetry in attraction to this external Eternal Harmony, by the internal Immortal Harmony that forms greater aspects of our condition.

As one progresses back through the Spheres to the First Natural Sphere, one can see how the personality is in increments of experiencing a little of the greater Eternal Harmony and then when I observe the people of Earth, the earth-world of personality has to its vision only a glimpse of a greater Eternal Harmony. Most people know that harmony exists only they don't know where to find it. The Immortal Harmony exists in the Divine Love and the Greater Eternal Harmony exists in the state and being of the Eternal Universal present. From a finite position as soon as one experiences the Love and begins to perceive the nature of this Love in their life, then one's soul may catch a glimpsed perception that one is slowly awakening in their awareness that they have joined the indivisible nature of the Immortal and Eternal Harmony.

Thank you for receiving my words this evening and though you have received messages – as in this evening – through the spoken word, you have been writing with us for quite some time so it is refreshing to be speaking as in a normal spirit-to-person conversation.

Sincerely yours and true Celestial friend,
Francesco the Celestial Monk

Whilst we are receiving the Father's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way the Father is actually loving us! When we progress, it is the Father's way of loving us into love and then we live what we are, love.

Message 278 Destiny

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

207. Augustus shares some observations

27 December 2012

One of the great experiences that I have observed in my time living in my awareness of the Divine Love is the fact that there is so little evidence of this living awareness among the peoples of the world. I still find it remarkable to think, and when I consider how true my experience is, this causes me to reflect on how unknown this Immortal potential is and is a truthful experience unknown among most of the peoples of the world.

I know that once upon a time, I too was unaware of a Divine Love experience when I lived as a man but now that I am aware, and aware of where this Love stems from and how easy it is to become part of this true Immortality, I observe with humility that such free and available knowledge is scarcely known and shared by people.

I know that the natural soul condition is the system by which a human life commences its life, yet to think that the additional experience and potential of the Divine Love, which in its potential, forms part of humanity is still so unknown and known only by a few compared by the vast population that live now in the world. This unknowing is the silent space that fills the void of a human life. The potential for Immortality is so visible to me and to all of us here, that this visibility presents its challenges because we know how invisible it is to so many.

“What can I say?”

It becomes clear and obvious that the natural love attribute, whilst a good love in its potential, is only half the potential of a human life. When you consider these two distinct environments, the natural mortal part of the spirit world and the Divine Immortal part of the spirit world, then it is self-evident that much of humanity lives in only half their true potential for experience. I dare say that if one is seeking wholeness, then will need to include the Immortal Truth of the Divine Love.

I am also aware in my observation that so many people are actually trying to find God or seeking a resolution that will define the meaning of human life. From my position here in the Celestial Heaven, and having accepted the wholeness in my soul that the Divine Love brings, I can see how so many people in the half potential of their natural love are driven relentlessly to find wholeness in ‘something’ other than love. I would never underestimate the power of love for the Divine Love has all the energetic power in its nature if one accepts this Love, and opens toward the Source of this Love, with universal power to make a natural half potential of soul, whole.

It was a wonderful evening last night and I was glad to be present and to experience such a manifestation of love. Thank you for receiving a few of my observations.

Your Celestial friend,
Augustus

208. *Like attracting like*

28 December 2012

There does seem to be an *Eternal gravity field* of energy that forms part of the nature of Divine Love. This is never more evident than here in the spirit world where progression between the Spheres is unimpeded by a physical body. It could be said that once the systems of the spirit body have developed enough to recognise the effects of the Love in the soul, the desire to acquire more of this Love is enhanced and the reality of its effect, welcomed. It has been my observation that the energy of the Love, having originated from the Universal Eternal Source, God, has to its energy a nature of the *Living Eternal Truth* to it, and this energy is the aspect that confirms the existence of this Love in our soul and the very fact that the Love and its source exists. The Truth as being the active energy of the Love, is a living energy of the Love and in my experience, this living energy has to its nature, this active field of gravity Eternal, which reflects directly into the Eternal nature of the Love's Originator.

We cannot see with our eyes the Eternal Soul, God, in our early progression in the Love. The amount of Love received causes action in our soul and spirit-body systems eventually to confirm the existence and further reason for us to continue our experience of the Love. An individual may receive the Love in a small amount and never to receive the Love again for the duration of a long time. Even though this field of Gravity Eternal is present in the Love, one may not be aware of any such truth until enough Love received reaches a critical mass of Love received, so that one is aware of an engaging activity which the Love has caused and, part of this activity engaged by the Love is the gravity field of the Eternal Love and Truth of the Father.

There is definitely this Eternal Energy Field present in the Love and, as one can deduce, the Love originates from the Eternal Soul who abides alone in The Gravity Field, Eternal.

Having established that there exists this Field of Eternal Gravity in the Love and that Immortality along with harmony forms part of the nature of the Love and the many other aspects to the nature of this Love revealed in this Immortal work, there is another aspect to its nature that I would like to reveal now. This aspect is the Eternal Attraction of the Love. People and spirits are familiar with the Law of Attraction. The most perfect Law of Attraction that exists that a human or spirit can experience in its working, is the Eternal Attraction that forms part of the Eternal Field of Gravity. Not only does one feel compelled to continue their receipt of the Love, once the Love has passed that critical mass in one's life, but from the Love now resident in the soul, the individual will feel and experience their attraction to it! The mortal personality as it is transformed into the Immortal personality will experience an attraction to receive more of this Love, and this demonstrates that the Eternal Source of this Love is attracted to you and loving you in action and individually – like attracts like – and; I like the Divine Love and I like the Source of the Divine Love; I like how this Divine Love has made me whole. Having experienced the Divine Love I would like to continue living in this Love and the experience of 'like' and 'attraction' are two aspects that a personality can relate with. This places the personality back into the centre of their experience of Love and Spirit for as you have experienced and as I have experienced, in an individual's beginning in their awareness that the Love exists, a participation of acceptance or refusal can come down to a 'like' or 'dislike' of something to the personality.

I have observed that like attracts like. And also, that the Divine Love is formed in the likeness in the energy of love of its originator. Understanding this reveals so much that was revealed in the spirit writings of James Padgett (1914 – 1923) concerning matters relating to image and substance for the Eternal Source has kindly provided a source and energy of Love, that in our attraction and in our liking to, we have the ability to live with a Love in our soul that is in a likeness to its originator. This means, that the word 'Atonement' has real meaning and this also defines the complete image of the individual Jesus who in his human living and spirit living, is finitely living in the likeness of the Father and the Master's example is *The Example* to us all.

One may not have any sense of feeling attracted to experiencing the Love. Another may experience the Love though never feel attracted to continue with the Love. In the diversity of human experience, every permutation of individual experience toward the constant Love exists. For those of you who make the Love truly inclusive in your lives and as some already have, some of these aspects in this work may provide more identity insofar as being able to relate to the workings of the Love.

I am a spirit who has not written with you before. I am an Eternal philosopher who specialises in the great meanings of Eternal life. My name is Albert. I lived on Earth a while ago. I taught and studied philosophy. It is a pleasure to meet and work with you in this rather unique way.

Albert the Philosopher

209. *John the Celestial teacher*

28 December 2012

A human soul, the attribute of the mortal soul, cannot of its own volition determine the course of its own Immortality. The soul must partake of that which is Immortal to give it, its Immortality. Whilst a personality can conceive its own mortality, and can reference this mortality to the suggestion of

Immortality and what this Immortality would look like in the nature of mortality, it is only when the soul partakes of the Immortal nature of the Divine Love that the entire personality then becomes part of its now formed nature, Immortal.

There are people living with this formed condition of Immortality as part of their personality for they have partaken of this Divine Love that I speak of. Without any intellectual reasoning due to the nature of the Love, and the Love received by the individual, the individual has automatically partaken of the great gift of personality Immortality by the simple fact that the *Living* Divine Love now present within their soul. Even though a person may not have a cognitive perception in their human mind, having received the Love that their condition, now deemed as Immortal, in no way determines any other outcome or result. Even if one is still living with error and in a disharmonious condition due to the experience of their human life lived, or even if the individual has committed substantial violation and accumulated compensation, nonetheless when the Divine Love forms part of the mortal soul, that soul now has to its more complete image, the substance of Immortality.

This working of the Love differentiates the reality of man's natural condition of love with the Immortal nature of the Divine Love. The only way this Immortality becomes part of a soul, is by receiving the Love in a voluntary manner on behalf of the individual in their choice of asking for this Love from God.

My name is John and I am one who works alongside the Master (Jesus) bringing the light of awareness to those who are unknown in their awareness of the Divine Love and the gifts that this Love brings to the mortal soul. Thank you for receiving my message on Immortality.

A Celestial teacher
John

The Divine Love is a love available for the Human soul that, in its cause and effect, actually perfects the personality together with one's Feeling Healing process, as it progresses to a greater experience of living in the determination of living in God's Divine Universal harmony. Every personality has the gift of freedom of self-determination to enjoy and extend through life's experiences and it is this gift of freedom and human nature that may prevent one from participating in the freedom and gift of the Divine Love. The Divine Love, once being received is added to one's nature, having being formed on natural love.

People will not find the truth to Immortality by scratching around in the ruins of the past. Immortality is found in the Eternal present Living nature of the Divine Love, which people and spirits alike are currently experiencing and living with. The experience of the Love remains always to the present, even this time of these words will pass into the past, though the message of the potential for Immortality – as the Divine Love is – will always remain to the present.

The Divine Love in its form and existence is in no way adhered to any of the planetary, or physical, or spirit systems that comprise of the entire Eternal Universe. Also, there is nothing in humanity that can formulate the Love. The human personality simply cannot create the Divine Love and this is why no mortal can alter the outcome of the Divine Love. Understanding this places the Love into a unique experience. The Love cannot be attached to the Earth, to the stars or the moon, and it cannot be attached to the material in the spirit Spheres. The Love remains independent of any attachment other than to the Source of its origin and then to the attribute of a mortal soul. The Love exists in its own universal time and space, and The Spirit that conveys this Love into a mortal soul, acts as I have just explained, as it is not attached to anything of the Earth or of the mortal spirit world and it too, exists in its own universal time and space that is completely harmonious to the Divine Love in their perfect relationship.

As you know and as I know, the Divine Love cannot act independently of The Spirit to begin with, however, the Divine Love does act independently of The Spirit when the full nature of this Love is actively transforming the soul and spirit body and components of the personality. The illusive nature of the Love is the lack of visibility in the human world where so few are aware of the presence of this Love.

I understand that in the completeness of this entire Immortal work (The Divine Universe), few may grasp all that has been introduced and some even living with Divine Love may reject our words because of their collective expression, which has introduced experiences that one is unfamiliar with in their experience of the Love. The experience of Divine Love will never be contained to a manuscript. The need for progression and to regenerate the vision of the Divine Love called out. A work needed to be conveyed and measure for measure the experience of the Love itself will speak to the individual's heart.

There is no need for any justification from our Celestial behalf on why such Immortal information needed to come forth at this time from the spirit world. Experience is the teacher of us all and simply put, the Divine Love can be experienced as some can already testify to. One will always have in their heart voluntary choice to be part of this Eternal Harmony or to live in the suffering and sadness of a self-determined disharmony. When there is harmony, love and happiness present as a choice in the natural and with the Divine Love, I know without a shadow of a doubt which most would rather choose.

I am Paul and I too work alongside the Master as John had previously written of his place to the Master. Thank you for receiving the edge of my words.

Paul

mortal Spheres

Our soul remains for ever attached to the spirit body and the personality, these two being created at the time of conception / incarnation. As our soul is imbedded within the spirit body and both having this unique personality, it is impossible to go through the incarnation process again. We never reincarnate.

We are born with natural love, until we ask for and receive Divine Love there is nothing of the Divine within us. When we add Divine Love to our being, only then do we become a complete being. Without Divine Love and Feeling Healing, we are finite, in as much as that while we continue in only our natural love we can only become the perfect man and that restricts our progression to the limits of the 6th natural sphere being the mortal domain of man.

PERSONALITY

At the time of the fertilisation of the egg, should conception be viable, then the soul, being a tiny invisible spark, is attracted from the pre-incarnational sphere, and the forming of the personality and spirit body occurs, conception and incarnation coincide. The soul finds its home within the forming spirit body, and the spirit body is the template for the forming physical body, the personality is forming within all three elements.

211. *In my own words*

28 December 2012

Good evening Zara and Nicholas. I sent John and Paul to write with you and to convey messages that were direct in their manner of approach. You noticed this as you received their leadings; you also received a wonderful account of Albert's observations to do with the nature of the Father's Divine Love. As this work has progressed one will see how the vision of the Divine Love has increased and much has been said about the Loves' nature. There is a very good reason for this. The Love is the only true and real way that any of us can evaluate our personalised experience of the Father and for us to actually *know* who Our Father is in a broad experience. The Divine Love is the one constant from which the individual can continually, through the use of their spirit and soul perceptions reflect on the nature of this Love, that then provides a more conclusive understanding about the nature of the First Source. Without this Love we cannot possibly identify with real image and form and presence of being, the nature of who and what is God.

The spirits who are progressed in their study about the nature of God use the Divine Love as their point of reference from which all other reference points are then evaluated. For those in their human experience, who aspire to know a little on the nature of God, these individuals can make the Divine Love their point of origin as the effects from the causes of the Love become recognisable in one's soul and spirit body systems. The human mind can grasp what I have just said and so, living with Divine Love is never regulated to just the spirit living in the mortal spirit world. As I have experienced and in deed as other Celestial individuals have experienced, our point of contact with the Eternal One is our contact with the Love. The more we reveal from our experience the nature of the Love, the more we are seeing the Eternal nature of the First Source, the Father, revealed to us.

This explains why, in this work of collaborative spirit writings, much has been introduced and attributed as being related to the nature of the Divine Love. For instance, the Immortal Harmony and Immortal Choice, the nature of perfect attraction that exists in the Love, and the nature of perfect causality that a mortal soul can experience as a working and function of the Love. The fact that the Love exists in its own time and space only relative to the Soul of the Father and the mortal soul and in-between the Love rests in its time and space in the Immortal Potential. One by now will have read that there is much more that forms the nature of the Divine Love and what we are saying is that the nature of the Divine Love in likeness, the Love is in the nature of the Father.

From a first drop of Divine Love in the beautiful human soul and from the first dawn of awareness that extends to the spirit senses, some of this work may seem only an event on the horizon. As in all human experiences, one needs to evolve so that the next experience is formed from the learning that has gone previously before. For most, if one desires to write then one must learn to read and reading comes first and writing follows. As the Divine Love enters the soul drop by drop until a drop signifies the ocean of faith, spirit and truth from the horizon has arrived, then at that time much that was once thought unknowable, one can know and learn. All of this and all of us never forget that all that we have learnt started by that first drop of Divine Love into our faithful soul.

It has been a pleasure to write this evening and I am here to confirm true love from all those who have contributed to this work and there are those who you have heard from and many whom you have not heard from though present throughout this work. I thank these tireless souls who have contributed and whose names will be unknown to people who may find themselves with their heart upon this work.

I would also like to confirm Saleeba's love for her service in this work as it has meant a lot to her to participate in this way at bringing the light of awareness into the world and that a single person from this work may find their way to the Soul that Loves us all, being God the Living and the Loving, and that this single person may feel supported comforted and encouraged by our being here and that in the recognition of the Love, one in their faith is never alone from their Celestial companions.

Your Celestial teacher guide and companion,
Jesus of the Celestial Heaven

214. *A singular universal working*

29 December 2012

There are common questions such as 'what is the Divine Love', 'where is the Divine Love', and 'how does the Divine Love work' and 'what happens when my soul experiences the Divine Love', are questions asked all the time by people and spirits who are introduced to the potential of the Love. By asking such questions, and especially the question 'how does the Divine Love work' begins a long investigation into defining the cause of this Love and its effect in the soul so that the identity of this Love is revealed and one may know its workings individually. The fact that there are two Loves in existence, the natural love and the Divine Love, provides the perfect context for each love because each of these Loves do not exist at this time as a solitary experience. To understand how the Divine Love works the individual has the objectivity of finding out how the natural love works and one in their natural love, from their natural love, can find out how the Divine Love works. If one were living in only their natural love and never was there the availability of the Divine, then to reveal the workings of the soul and the spirit body and the mortal personality, would in its identity, only ever be singular. The vision of this relationship is to know that to know the workings of the Divine Love one will also need to know the workings of their natural love. This truly defines the nature of progression.

It is one thing to live in the pure feeling or want of feeling for the Love and it is one thing to live in the Truth of the Love and the want for this Truth to find acceptance from another person, but to learn about the nature of these Loves and to substantiate these workings is in keeping with the way that all here in the Celestial Heaven have individually progressed.

You have in fact established from your individual experiences, an understanding about the nature of God, the Soul. God's Will is seen in the workings of Love and Spirit and, from the position of the natural and the Divine Love, you have been able to identify, along with our help, how these attributes of Love and Spirit function in their workings to form the universal experience that every mortal experiences a finite life in, and in your universal approach you have understood that the workings of God's Will in the workings of these attributes of Love and Spirit, have universal potential and act with consistency for one and all mortal souls.

I thought it necessary to explain this at this time. There is no doubting that this Immortal work introduces the workings of Love and Spirit. It is a given that language is used to convey our experiences in this work and this can be of limited capacity. As these works are conveyed, our soul-spirit perceptions are able to see so much more in living energetic Love and Spirit form. It is possible to convey all that we have shared together because of this language of Love and Spirit that you have

understood – as we do – in its Universal speak. It is hoped though, that these works, communicated in such a way, that a single person may experience the essence of these works and the joy that this awareness will bring when one aspires to understand the universal workings of Love and Spirit as they relate to an individual's progression in Divine Love, and their desire to know the Soul, God. One may utilise their developing perceptions to see the universe in the world of living Love and Spirit.

This has been a pleasure, writing with you this early morning
Your friend,
Francesco the Celestial Monk

218. *Priscilla continues on the subject of religion*

29 December 2012

I have returned to write a little more on this important subject about an identity of life when the Immortal Truths of the Love are involved. I am able to write on this subject for the Master has asked me to do so and of course, I accepted. We know that this subject is vastly important because people are experiencing the Love and other people are asking questions about the human identity of this Love. Also, it is apparent at this time that ample discussion be encouraged as the profile of the Padgett messages and Divine Love reach further afield.

People have, since the human life of Jesus, formed religions, faiths, and societies believing that their accord of belief systems is in the direct accord of the life and teachings of Jesus. It is not my place to judge past or present human history; people do this for themselves. This Immortal work is needed for our words can place the life and teachings of Jesus in their universal place which *is* in accord with the universality of God and God's Divine Love and Spirit so that in our delivery, our words can be read by people anywhere in the world for the Divine Love is present as a potential for people anywhere in the world people live.

It is not our place as Celestial spirits to tear down pre-existing structures that people have created. People in their diversity of beliefs and diversity of competition bring about the changes as each day brings forth challenges to these pre-existing systems of belief.

In a beginning with the Divine Love, the individual can progress in an open relationship with the Soul, God. The Divine Love in appearance is universal and the Divine Love experience in appearance is for the individual. There are so many people living in the Celestial Heaven who have had to change their belief system, as the Divine Love is incorporated into their lives. Our Celestial humanity has little to do with trying to change systems of belief for we have learned ourselves that with the Divine Love, the Love will bring about the changes. And without the help of the Divine Love, the natural spirit will hold fast to their system of earthly belief.

The best I can do, is offer an identity of the Love as we live it here. This identity is: "An individualised faith experience in the universality of God's Divine Love and The Spirit that conveys the Love into our mortal soul".

In a purely human and spirit context, the expression of individuality is: "I am living the faith of Divine Love". I have known you to use this identity and a common reply has been, "What is the faith of Divine

Love”? And as you both know, like other people know and we in the Spheres know, when this question asked, the introduction, the awareness, and the teaching from personal experiences of the Love begins.

I cannot with any authority declare that when one partakes of the Divine Love that they will become part of any other human religious, spiritual, faith or belief identity. The contrasting nature between the natural and Divine Love speaks for itself, for most of what is in man has been externalised by man to form the structures that then man lives internally in. I cannot identify the universality of the Divine Love as being Christian, Catholic, Islamic, or any other faith, society or spirituality because the Divine Love has its originality from a differing Source. The truth of it is, is that the Divine Love in its universal appearance is a potential and resource of Love for all those who live in all those and more diverse human social structures.

Part of the purpose of this Immortal work is to place God the Eternal Soul, The Spirit and The Divine Love, as being distinct and separate from Jesus, who is the finite Immortal teacher of the Love, and revealer that the Love exists. People need this truth and need it to appear in this world as it does here in all the Spheres. The message of Divine Love is always universal in approach and appearance and no human tongue will ever be able to tell me otherwise.

Already in the world today there are social structures that have been put in place that are of a religious nature that involve the spirit writings of James Padgett (1914 – 1923). These social structures facilitate a purpose, one of which is to preserve a little of the integrity in the history of this work and the men and women involved in the first publications and dispersion of the Padgett material into the general public. There are the social networks, where individuals worldwide establish their social community and experiences of the Padgett material and spirit-related themes are passionately discussed. The problem with some of the material we have observed, since some of us here have contributed to that work, is that there is too much religion in the language. It had its place and time but the message of Divine Love is universal and we needed to go to another place to extend this message beyond a literary work such as the Padgett material that is too selective in its words, thus excluding it in its potential of the message of the Divine Love having an appearance in humanity.

The Master knew that this work laid the foundation and all of us who contributed knew that this foundation had been laid but the Master knew that there needed to be the message of Divine Love placed in the universal language of Love and Spirit, and so the long years of your (Nicholas) preparation began. In no way am I diminishing the significance of the material that we here contributed with James, Eugene and my son Leslie and Daniel Samuels and John Paul Gibson. The Master knows that the Divine Love experience is a present-at-all-times-experience and so this Immortal work has taken place under his careful guidance.

WE ARE ALL SOULS of our HEAVENLY PARENTS, our MOTHER and FATHER:
We are mortal souls who have the potential to experience the Divine Love.

If a person or spirit experiences a drop of Divine Love, then the soul is deemed Immortal, which the spirit body and personality must follow to this perfected truth. The Divine Love is in its own nature, the highest, or if you like, the most perfected form of energy and Law that a mortal soul can receive and experience.

The radiance of the spirit body that is seen by other spirit people, is distinguishable as to the presence of natural love and the amount and also Divine Love and the amount. The energy of both loves is processed in the region of the heart region within the spirit body. One's soul is lodged in close proximity to the spirit mind.

Divine Love – if sincerely asked for – will not be withheld by the Eternal Love of our Heavenly Parents, no matter what condition one's soul may be in. Divine Love is experienced at any stage in a natural love condition of soul whether error exists or not. What is required is that the cognitive capabilities of the maturing personality must knowingly be asking for this love to be added to its being.

Conception / incarnation brings together the soul, which lodges within close proximity to the spirit mind, which is located in the same region as the physical brain. The personality is created at the same time as the spirit body. Nothing that is Divine is within the forming entity.

The spirit body's energy is managed in the region of the heart and solar plexus, we are endowed with natural love, being an energy, at conception. It is this energy that is visible to other spirits, not the soul that we all have.

A newly individualising soul is just a tiny invisible spark.

Viable embryo forming.

It is a futile and hopeless cause to use Divine Truth against natural belief. Neither will give and one will fall. I have observed people using the truth in a manipulative manner to further themselves and this will create compensation. It is impossible to isolate the Immortal Truths from the Immortal Nature of the Divine Love. The best one can do is gently create an awareness that the Immortal gift is present and that a conversation about faith and how Divine Love feels to one's self is universal, comforting to the heart, and open and transparent for one is communicating as we do from our own personal experience and not from a system of belief, handed down through the ages, that has disallowed individuality to flourish in. A faith in Divine Love, the faith of Divine Love as a universal and individual harmony, potential and experience still remains the best I and we can give, as an identity of freedom that fits in with the human and mortal spirit accord for choice and is a perfect expression of love that to its very living, always remains present, progressive and, always the teaching begins.

Thank you for receiving my words this evening on this vital subject.
Your Celestial friend,
Priscilla

219. *A collective observation on the nature of the Loves*

30 December 2012

That was an important communication that transpired yesterday with Priscilla. I know from a human standpoint of view, how difficult it can be to perceive the reality of a Celestial life and how we live it here in the awareness of The Love and Spirit. The Love in our souls has caused the effect of our changed soul condition so we have progressed beyond our human belief systems, and the Celestial humanity that reside here are free in their attributes of individuality, for the selective nature of the purely natural belief systems have been released from their hold on the personality and have disappeared with the past.

If I can speak plainly here, the real and true identity that we live in accord with in our experience of the Divine Love is The Father. I know that most people will shy away from this. However, as the identity and nature of The Love is progressively revealed to the individual, one can plainly say 'that they are, that I am living with The Father'. We still have our independence and all the necessary attributes of our individuality and each individual can realise their full potential from the effects of this Love. I know I am Immortal for the Love has made me so and I know this because I know much about the nature of the Love and its workings, which reflects my true soul condition and how as an individual personality, I am in harmonious rapport with the Soul, my universal Father.

In all these discussions about matters relating to Love and Spirit, Celestial spirits such I am now, communicate from a position of being completely aware that their transition from the natural love into the Immortal Love has taken place. We are completely clear about the way we are living our lives. For us, living, breathing and communicating about the nature of the Love and other attributes of Love and Spirit is our normal way of life. From a human perspective prior to awareness of the Love and Its existence, or in the early stages of transition from the natural into the Divine, such acceptances to which I have just explained may happen with vague regularity and gentle waves of perception.

The time of transition when one slowly becomes aware of the differing natures of the Loves, and the way the mortal experiences the Immortal Love is the hinge upon which the essence of most of these

discussions take place, and we have tried to elaborate this time of transition so that one may be able to more clearly identify the changes and recognise how such changes in the soul condition may look. Our observation about how people experience the Divine Love and are attracted to it has caused us to realise that most can accept a small faith experience in Divine Love, but that many will find the real dynamic in the active nature of change and transition from the mortal to the Immortal, too difficult to be aware of thus to participate with. We are not naïve in our understanding about the limitations and conditions that involve human life. The day-to-day affairs that involve a human life are concurrent and so, to commence the transition by beginning to include the Divine Love is a big ask; most people are well and truly participating in a material and physical life and many will deduce that their life is already underway with all its conditions, beliefs and relationships, and one has already experienced life without the Divine Love so why would one then begin their transition when all that is real to the individual are the material and physical experiences?

It is hard to write this though we need to be real in these communications. And, as you both have experienced, there are so many who simply are not interested in the potential of Divine Love for they are self-determined in their human life. The gift of Immortality is universal and present. Its hardest opposition is the human self. The personality likes to place its determination before anything else, and this even includes the beautiful gift of the Love! To experience a little of this awareness and knowledge that we have imparted will be a blessing for those who in their small or great and powerful way, have accepted the identity of the universal Truth, being the Soul of God and that in the simple nature and a kiss from this Soul to one's soul, with the Divine Love is a smile upon the heart, for we can say in all that is truly universally beautiful and Immortal, "Thank God for the Divine Love, and that the universe in all its humanity, isn't totally dependent for its existence on the beliefs of mortal man and its experience for meaning of life".

220. *A continuation of choices*

31 December 2012

The potential of the Divine Love can involve the whole humanity of man just as it can involve the individual. Having an awareness of this Love and the choice for the individual to participate with this Love will always be the defining truth and experience of this potential. One can never forcibly place this potential before others. So much of this potential, is our making the awareness of this Love a fact, and then, one can make an informed decision and choice for themselves. The same is true with most things in life and the universal aspects of mortal living.

The desire to advance in the experience of this Love causes one to realise that one is always with a continuation of choice to progress from their first choice of having asked for the Love and so, one is always independently with choices to continue in their progression in the Love. Ultimately, the way in which the Love is in its potential for us, and the way one experiences and can advance in the Love, is perfectly suited for the needs of the individual and the way the personality likes to feel, that one has the ability for voluntary experience and independence when engaging in a significant relationship.

I found in my experience of the Love, that the Love spoke truly to my heart and soul and that the Love speaks for itself. I am happy to involve myself in this Love and happy that my choices to continue have brought me to the Celestial Heaven. The Love has made me a more complete individual and for me to contemplate how I would be and where I would be if I were not aware of this Love, well, I would be left back in the shadow of my wonderings as to the meaning of my life and purpose of it. Now that I am living with the Divine Love I cannot imagine having lived without it. I have held many discussions with a diverse range of Celestial citizens and each person has shared the same contemplation. We couldn't imagine what our lives would be like had we never made our first choice for the Love! I'd be in the Natural Sphere happy and content, believing that nothing else was possible. To my knowledge there has never been a Celestial citizen that has regretted their desire and choice for the Love. Experience speaks for everything as all of us know, and so, all of us here know with experience the difference between living without the Love in our lives to living with the Love in our lives. We all come from different experiences in our natural lives but now we all share the same words when we have embraced the experience of the Love, for we know that the Soul God has embraced us.

One always needs to keep in mind that the Soul, God, has provided this Love for us to experience and that this Divine Love is only for our mortal soul and made in Its potential and substance for nothing else. So you can see, that if such a gift present to the soul that in Its nature is perfect, Immortal and free why then wouldn't anyone choose to embrace It? For those of us who know about this Love we never grow truly tired in our efforts to make known the potential of this Love to those who are as yet unaware that there is a wonderful choice available. Another thing I wish to add is that sometimes, when we have a lot of freedom for choice, this can be overwhelming. For in a human experience, some like to know that another has formed a boundary to their experience, so the correct choice and only choice presents itself. My first choice to experience the Divine Love completely put my heart at rest knowing that I would never have to make this choice again. I am contained in the boundary of the Love and the advancement that I have made was in the recognition of my first choice, and any other choice for progression was never a series of random or unknown choices but a choice to continue on in Love in my relationship with The Soul, whom is Loving me perfectly.

The Divine Love completes the form of the human being.

Our soul is formed from the substance that is natural love. When we earnestly and lovingly ask for Divine Love, the Divine Love is added to our soul, thus we steadily and progressively become complete in our being.

We are endowed by our Parents with natural love, maybe we neglect this gift from time to time. As we progress in time, we can add the greatest gift there is to our being, that is by asking for and receiving Divine Love. Not only does the infusion of Divine Love, with one's Feeling Healing, repair our natural love attributes, we evolve into a joyous and loving person in all respects. With the infusion of Divine Love, with the two loves, we become the complete being.

I along with those who have conveyed experiences with you both, do know what a challenge it is, in the undertaking to make known the potential of this Love and to generate a worldwide awareness.

It has been a pleasure to catch up again and write with you on the Divine Love.

223. Egln sums up the Immortal work

1 January 2013

When studying a Divine Love experience, the workings of the mortal spirit world and attributes of universal Love and Spirit, one needs to understand that in this study one is continuing to learn about the nature of human-mortal experience. To separate the spirit world from the nature of mortal personality is to make an error. So much has been contrived in man's approach insofar as to ascertain a cohesive identity of a conceivable existence of a human afterlife. The reason for this revolves around two aspects. Firstly, the vision of the Divine Love has been largely excluded in its experience relating to the human soul and secondly, the nature of personality – as inclusive of the attributes of the soul and spirit body – have been unrecognised. This should not detract the individual from endeavouring to participate in the finite and infinite reality of Love and Spirit. Celestial humanity is aware, that in a human experience the visibility of such attributes, vision and experience remain reasonably invisible and this confirms why a faith experience in Divine Love is a solid and truthful beginning.

The human personality comprising of its attributes is a miracle of God's Handiwork in the creation and forming of man. The existence of our environments here, that form the Spheres of the spirit world, confirm to those living here that love and the Divine Love present in the human personality, continues the human experience. How this experience continues to be, relies solely on the choice for the Divine Love and thus one's soul condition reflected.

The reality of an existing Celestial Heaven and the progressive Eternal Spheres that Gustav introduced and the Spheres of Paradise bring more reality to the potential of what the finite personality can experience. We learn how perfectly suitable the Divine Love is for the human soul and the attributes that comprise the human personality and how, with this Love, God has made Its eternal existence of Soul available for all of us to know, love and experience.

It doesn't matter if a person of the Earth denies the existence of God. The Divine Love and its potential for Immortality provides such truth that when one in their belief, denies any existence of God, this in no way determines the outcome and potential experience for one who does believe in the existence of the universal nature of Love and Spirit. Fortunately for us all, God the Soul, has formed so much that we can experience and these universal outcomes of finite and infinite experience are completely resilient to the near-sighted and arrogant nature of fear in the man.

For the individual who truly desires to advance themselves, these potentials of Love and Spirit have been beautifully and harmoniously provided for you. By being aware of the Divine Love, is the beginning of one progressing in their self-help with God's help without ever losing a step along the way, for the Eternal Truth of God's Immortal Love having been found and experienced!

EMBRACING the LOVES:

Our soul is formed from the substance known as natural love. This natural love enables us to develop to that which is the perfect man, an excellent, capable and loving personality. However, there is a limit to our growth founded on natural love for there is nothing of the Divine within the substance of natural love.

Should we ask for, and then receive Divine Love, then the Divine substance of Divine Love can be added to our being, thus providing us with an infinite potential for growth and development in the Love that is Divine.

The natural love and Divine Love are not divided when in the soul.

The natural love is harmonious in the Immortal greater love, the Divine Love, and so, never shall an Immortal faith and Immortal truth fall.

Adding Divine Love to your being can be likened to developing a powerful engine based on natural love to that which is found within a most powerful muscle car. One's performance capabilities progressively develop as the regular fuel of natural love is slowly, but steadily supplemented with the fuel of Divine Love, thus changing that which is founded on natural love to that of the Divine, namely Divine Love.

Your fuel steadily is converted to that which is of the highest octane level ever envisaged.

The Divine Love is the wonder of the universe. How this invisible substance causes so much change in our mortal nature is a miracle to behold and experience.

Living with the Divine Love brings about harmony throughout all of one's bodies, systems and personality. One's capabilities and love continue to greatly expand.

Divine Love always has its effects in harmony with the expression and development of natural love. Therefore your awareness and expression of natural love in your life is a vital element in accepting Divine Love into your life and fostering its development of your soul. Divine Love is the great harmoniser and is therefore not isolated but its effects are universal.

Divine Love is the 'ultimate' high octane fuel.

WE ARRIVE DETUNED!

Our souls are a divine creation of our Heavenly Mother and Father. They could not be any other way! And are designed (such as how it has been for us) to begin incarnation in a Natural love condition reflecting the Natural love state of our world.

And we have also been provided with the opportunity to experience what is being ‘evil’, to live denying our Natural love, as seen through the denial of many of our feelings. So we here on planet Earth live on a world that has Rebelled (and then also Defaulted), of which there are only 37 within the local universe of Nebadon, consisting of 3.8 million physical worlds under the regency of Mary Magdalene and Jesus – the spiritual parents of truth of all of Nebadon! And we assassinated Jesus, and completely denied Mary not allowing her to have her say about the truth.

As a consequence, we are ‘detuned’ from our Natural love state and divine origin. You could say we arrived with all parts functional, however, in our untrue, dysfunctional and distorted state, we’re badly in need of a severe service, tune up or a complete reconditioning. Our goal being to bring our true self to the fore by doing our Feeling Healing, and then to progress beyond our Natural love state by further advancing our soul condition through the process of Soul Healing and receiving our Parents’ Divine Love – becoming divine.

In our feeling- and truth-denying untrue Natural love state, we have been made to use our minds to dominate our feelings, becoming more like that of mind-based creatures of nature than of human souls of truth and feelings. And this is the wrong way for us to develop. So to step beyond this limitation, we are to live true to our feelings. Our heartfelt feelings being the guiding lights to our evolution and growth of truth.

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it’s all right there already built in and can be found through our feelings – our soul based feelings.

By living true to our self, true to our feelings, we are living true to God. It’s that simple.

Thus we are detuned once our incarnation begins. However, the way is now open for us to bring about our full divinity. To completely Heal all that’s wrong within us on a Natural love level. To embrace and then transform that Natural love into a divine state through partaking of our Heavenly Parents’ Divine Love. All the while attuning ourselves to divine perfection and enjoying the fullness of our divinity and love, as we ascend in truth on our journey all the way to Paradise – the home of our Heavenly Parents.

WE were DIVINE, and
WE are to BECOME DIVINE AGAIN:

Our personality, our soul, our real self, are all creations of our Heavenly Parents. We, our real selves, are not creations of our physical parents. Within our original status, we were of Divine nature.

Our physical parents, from our conception, endeavour to mould us into being ‘little me’s’, that is, replicas of themselves, imposing their beliefs and personality traits upon each of us. They crush our individuality and free will. They destroy our personality, our true self. They inflict upon each of us their ways, all of which are of a result of the Rebellion and Default of many, many generations ago. They drive us into believing and subsequently becoming dependant upon our minds. This is not the way for us to express our true selves and evolve along the path towards our true parents, our Heavenly Mother and Father. We are to embrace the Eternal Son of Truth, not the Infinite Daughter of Mind.

No, we are not in the image of our physical parents. Though we may look like them, and act like them because they have dramatically and successfully crushed our true personality, we are each very unique and independent of our parents and all other family members. When we begin to progress along the path of engaging with our soul based feelings and seek for the Truth of our feelings, we will become free of our parents’ impositions and suppression.

Upon starting our physical life experience on Earth, our divinely created soul begins to express us as one of our soul’s two personalities in Natural love. However because of Earth being in Rebellion, so we are parented into a rebellious and anti truth and anti love state of mind control over our feelings and true self.

Natural love is good, just ‘less’ or different to Divine Love. And it’s that in our rebellious state, we’re rebelling against Natural love, and Divine Love by not taking Jesus and Mary up on their offer and allowing the Divine Love to transform our soul, as we perfect our Natural love by doing our Healing.

By living true to our self, true to our feelings, we are living true to God. It’s that simple. The revealing of the Feeling Healing process is the commencement of our ability to begin the Great U-Turn and go the right way. Should we then also embrace our Heavenly Parents’ Divine Love, we can also commence our Soul Healing and a returning to that of being divine – this is our destiny.

CREATED in THEIR IMAGE:

James: Mary, what does ‘we being created in the image of God’ really mean?

Mary M: It means that our Mother and Father used Themselves as the model or template if you like, upon which to bring us into being, those of us who have existential souls with the potential of expressing their two personalities in Creation.

And although our souls are divine, as in being divinely created, still whilst we start our personality expression in Natural love, so we need the Divine Love to come into our soul and bring it into the levels of Celestial divinity.

Natural love, so basically the whole of Creation, is of the image of God, and we being divinely created souls can be part of God’s Divinity becoming divine ourselves. So through your Healing, James, you become progressively divine by partaking of the Divine Love and healing yourself into perfection – your true self. And by the time you’ve completed your Healing, your soul is of the Divine Love level of Celestial truth, and your personality is an expression of that level of truth, it all being ‘confirmed’ and cemented – fused – into place upon the direct soul-union with your Indwelling Spirit. Then you are of the essence of God, true and perfect to the level of the first Celestial sphere, the first sphere of true divinity.

It is hoped that in these works, one will be able to identify with the reality of God's universal attributes of Love and Spirit that are universal in appearance. The Soul God at the origin of all things includes everything universal from which all universality has its origins in. The Divine Love and The Spirit provide the way that the individual can feel included in this universal awareness of Love and Spirit.

It has been a pleasure to write with you early this morning. It has been my task to sum up this Immortal work of harmony, experience, and potential of the Immortal Choice for the Immortal Love. I am here with Saleeba and with all of those who have contributed to this work and I would like to say, 'Thank you' on behalf of us all.

In Divine Love and from your true Celestial friends,
Egln

225. *Jesus speaks on this Immortal work*

2 January 2013

I am here, and desire to write a brief word on this Immortal work of Love and Spirit. You are in good rapport and condition, brought about by your faith and the Divine Love. This work could not have been conveyed had you not both been involved in your respective Divine Love experience, also, in your personal experience you have found a truth and lived this truth in a personal and universal approach which has contributed toward the vision of this work and has enabled those of us who have communicated with you to have full breath in this work. I thank you for this.

I see that you have asked to continue alongside those individuals who have communicated with you and of course, this will continue. Every little bit helps to expand the awareness, experience and potential of the Divine Love. I, along with Saleeba will assist and continue to guide these spirit communications. I bless you Nicholas and Zara, for listening to my guidance and advice and along with all of us here, we are all in the care of the Father whose Love we participate in. With the goodness of faith that illuminates the living experience of Divine Love, I thank all for being of service to bring about this harmonious experience.

226. *Jesus introduces the next part of this work*

8 January 2013

I have returned to continue our work together on the Immortal Love. Throughout these following communications the emphasis will be individuals sharing experiences of the Divine Love, which is probably the most valued contribution one can make to make known the available Immortal Divine Love of the Father to another mortal soul.

So far the work that we have all shared in has culminated in the vision of the natural and the Divine Love, introduced as the perfect construct in which the entire humankind participates. You along with those spirits who have contributed to this Immortal work have taken this construct of Love and Spirit as far as it can go. We have placed the experience of natural love with the potential of the Divine Love in their true individual and universal experience and nature and so, our shared experiences have brought this Immortal work to its full realisation.

As I have previously stated, I along with Saleeba will guide and orchestrate proceedings on this side so that all goes well in the delivery of these spirit communications that are now to be conveyed to you.

I can see that you are asking me if Saleeba is my soulmate and Saleeba is not my soulmate, though she is deeply touched by your question. The Soul of the Father is my soulmate and Eternal companion. There is no other mortal personality that is connected into my life as being the other half or attribute of my soul. Humanity in all its entire experience is also my soulmate. I serve humanity and by doing this I serve my Heavenly Father and together in this service, we teach, love and help the individual. Saleeba is with her companion here in the Celestial Heaven, though she has not written to you on this subject of her true love and Celestial companionship. I stipulate again that The Father is my soulmate though I am not equal with the Father. I continue my progression like all other individuals do in the harmony, the Immortal harmony of the Father's Divine Love. In my forming from the First Source, I was not formed with another part to my being soul, as has been described to you in previous works on how soulmates are formed. I need to say that I am without an equal mortal or Immortal companion. It displeases me when people contrive all manner of relationships that I am supposedly to have had. I am not equal with the Soul God and for this matter no mortal or Immortal soul will ever be equal with the Soul God, for the First Source remains *unequaled* without ever having to justify this Eternal position to a mortal or Immortal personality.

When one experiences the Divine Love and through the workings of this Love progresses into the necessary rapport with the Love and Its workings, one is revealed to their soul that God is without equal, for no finite personality has the control or can ever take control of the activity that is God's Divine Love and so, the First Source can never be controlled by or dictated to by any other finite or universal personality. The First Parents (Aman and Amon) found out this universal truth the hard way.

I have formed close relationships with individuals especially with those who work and serve along side me as we establish the universality of God, the Soul of God, of God's Divine Love and the Spirit that convey the Love into the soul, and the awareness of all that the experience of the Immortal Love provides to the individual.

I still see my mother and father, my immediate family and my relatives as they are all living close to me in the Celestial Heaven. They know my place and service in my universal standing. I see and work along side those who lived closely with me in my human life and all together we serve the Father by establishing the universal awareness and potential of the Immortal Love and teaching those who have accepted their life in this Immortal Love.

I know that many people would like me to be many things and want me to be in many places and images of comfort to them, which I whole-heartedly understand. A love for me is born from the greater need of one's soul to love and feel one being Loved personally by the same Father who Loves me. If one can love me by loving the Soul, God, and immersing oneself in prayer to the Soul God for the Divine Love, then shall the truth of my life in all its truth, liberate and love one in their faith whilst the Father Loves one in their soul. When one experiences the Love, then, shall one know not only the Immortal Love but the Immortal living Truth with regard to the purpose and meaning of my life. In this living faith in Divine Love one will be able to know, see and feel that I am living, living in the same Divine Love that one in their faith has whole heartedly accepted and experienced.

Only God has the capacity to love us all equally and personally that fulfils the heart, soul and mind, and, a perfect loving that fulfils the need of individuality. There are those on Earth, who by themselves have accepted and embraced the Divine Love that I speak of and are living in their Immortality as I write this. Experiencing God's Divine Love is a simple thing to do. That is why my teaching about this Love is universal and can be understood by every living heart and soul whether one is living on Earth or in the natural spirit world.

Well my friends, I have enjoyed writing with you again. Let us all continue in this good work bringing to light the awareness of the Divine Love.

Jesus of the Celestial Heaven

228. *A Padgett message*

9 January 2013

Good morning. It is I, James Padgett the man you know as the man who received many spirit communications nearly a hundred years ago (1914 – 1923). I have written to you before and I am writing to you now to express my delight along with Helen's delight, in the way that you are with various spirits, writing about the vision and experience of the Divine Love. I have followed your progress from the earliest of days when you first read some of the messages that I had received. You both worked out that the construct of the natural love and the Divine Love encompassed all that could be the true nature of the human and spirit experience and so, upon further study of the material I received, with your progressive experiences a realised vision of the Loves has now been able to be communicated. I am aware that you have worked alongside others with the material that I received and have published a book containing this material. I am happy in whatever way those spirit communications are published and made available to the general public, so long as the good and true message of the Divine Love is not misconstrued and that any publication that provides a greater appeal to the varied interests of the reader is a progressive step in the right direction.

I know that the message of the Divine Love is a message universal and that the Divine Love is an experience that exceeds any written word by man or spirit. I have been able to see how this Immortal work has progressed, as I have been present along with many other spirits when much of this Immortal work has been conveyed to you. When the Master is at work, we like to be present working alongside him, for there is always much to do when the experience of the Divine Love is being introduced and taught by the Master.

I am also aware that no one from the human world or anyone who has read the spirit communications that I received has asked you both to write this Immortal work. There is not a group of you trying to bring this work into human life. There is just yourself (Nicholas) and Zara with those present in the spirit world working alongside you to bring about the realisation of this work and this work, is simply about the Divine Love and the natural love. You are not part of any group, organisation, religion, spirituality, or unique belief. You are both simply in your experience of progressing in the harmony of the Divine Love. There is just the two of you and your desire to work alongside us for you felt – as we did – that a universal experience of the Divine Love needed airing.

The spirit communications I received introduced a little on the nature of natural and Divine Love. The language I worked in isn't universal. I am well aware that my spirit communications will not be read worldly simply because of the selective language that introduces some of the teachings. It would have been a shame for a universal message of Love and Spirit to be solely confined to a different day and an old voice in the world. I can see quite clearly the need and reason for a progression of the message of the Divine Love from the work that I did and the way in which I did it those years ago.

The wonderful thing is that you have been able to take this introduction to the natural and the Divine Love, and individually understand their universality. You have had to find the language to do so, which you now have, and that fits with more accord with the way we Celestial spirits converse on the nature of such experiences of Love and Spirit. I like the way that much of the history in the life of Jesus does not form part of this work and that the whole driving force of this work is the collective will of individuals who live with the understanding of the universality of God's Divine Love and out of our love for the Love, this work can be conveyed in the present experience of us all living with the Love. I could not provide this in my work with the spirits. Every little bit helps. Thank you for receiving a Padgett message.

Your friend and Celestial supporter,
James E. Padgett

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

The BEAUTIFUL MIRACLE:

5 Oct 2012

The DIVINE UNIVERSE

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union complete. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other and one is living in the presence of the Father in perfect harmony and this clarifies the truth about what it means to be truly at-one with God.

SHINING TOWARD SPIRIT:
665. The Shining toward Truth

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas

www.lulu.com

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

GATEWAY BETWEEN SPHERES:

Each sphere has a single gateway between itself and the next ascending or connecting sphere. The location of this gateway is in the same relative position for entry and exit between the two connecting spheres. This region is commonly referred to as the Sea of Glass, being one enormous circular crystal.

Those celestial spirits coming from the Spheres of Paradise would proceed through gateways of that system, then down through the Eternal Spheres, and then down through the Celestial Heaven spheres before entering the mortal spheres for Divine Love Mansion Worlds and the Natural Love Mansion World spheres to the 1st Natural Love Mansion World sphere.

As one returns back up through the spheres, each sphere becomes brighter in brilliance and vibrancy than the prior lower sphere.

Within each sphere there are host of related minor zones that may be referred to as planes. These minor planes achieve separation of those with their different soul condition so as to enable harmony to exist throughout all the planes and also the different spheres.

Consider the joining point between two spheres as being portals, or simply as bridges. One can travel readily to spheres lower than their condition, however, to travel to a higher sphere, one generally needs to be assisted as the environment in higher spheres is very uncomfortable for one not fitted.

The magnificent crystal – sea of glass – serves as the receiving field for all transport seraphim and other beings arriving from points outside the sphere; such a sea of glass greatly facilitates the landing of transport seraphim.

230. *The humble spirit shares on the experience of Divine Love*

10 January 2013

Yes, as you have experienced yourself, there is no time limit on how long one need pray or meditate when experiencing the Love. Everyone is different and so time will vary to the needs of the individual. For some a minute, for others an hour; for some being aware of the Love will be sufficient, for others they will involve themselves in the Love as a defining way of life. As you and we have seen, some individuals will take to the experience like a duck to water while others will struggle in their resolve to accept the Source of this Love. Some have desired to know how the nature of this Love works, while others accept the Love true without ever needing to know how the nature of this Love works. Some ask from fear, while others ask from love. Some are afraid while others are finally liberated because a truth, known! In all varied beginnings each person is a soul. The First Source is Soul, and therefore knows the condition of each and every mortal and Immortal soul, (the Immortal soul defined as being underway in their experience of Divine Love) even when the individual is, unaware of their own soul nature. Knowing this confirms why the Soul God knows everything *you need* before you realise that you need anything! God is Soul and that is why the First Source relates with each individual at the soul-experience. Being aware of the Divine Love will enable one to know the truth of what I have just said. I am a spirit and I have been able to comment a little on how people experience the Love for I have seen the way and experienced how we here in the First Divine Love Sphere experience the Love.

It is a wonderful thing to know that there is this Divine Love available for the human soul. The Divine Love is the Love by which humankind may come to know and accept the universality of God also, from the human heart the expressed idea for love, peace, harmony, faith and a truth for all people in the belief that goodness resides in most men and women then by experiencing the Divine Love, will confirm this outlook on life. And, for one to know that God has left a light on in the great universal window of soul-life.

A humble spirit who with David was kindly invited to share in this work by the bright and beautiful spirit, *Saleeba*

233. *Tara*

11 January 2013

I am here to confirm how much of the Love I feel. I love the Love and feel the Divine Love to the core of my soul. I like the way that this Love is so ever abundant and is never withheld by God so that I cannot receive this Love. The wonderful Divine Love fills my being and I live in the radiance of it. How could I ever have lived without it, or without ever being aware of It? What a shame that I didn't know about this Love when I lived on Earth! To me, that is the greatest sin of all. The fact that humanity lives completely unaware of this Love other than a few and how this Love is so perfectly fit in Its nature for the human soul.

I am Tara and lived in what was the Renaissance period. I am so happy in this great Divine Love that is freely available and universally present. My human life wasn't that great but that is all behind me now. I live only for the now and I am free to do so. I bounce around the Heavens as enthusiastic as ever, and I know that I can simply be my true self and as radiant as ever. I think you can feel my radiance and you are acknowledging that you can.

Thank you for letting me write; I don't know the fine details about how this communication works, but I do know how the Divine Love makes me feel and you have been able to convey this for me, thank you. There are so many magnificent spirits present I can hardly speak, and they all love you both, and me too!

Bye,
Love, *Tara*

NATURE and STAGES of FUSION:

Seventh stage of Fusion of individuality is the transition from the Eternal Spheres towards the Spheres of Paradise. The individual is now fully fledged in their union with God and can travel around the entire soul Sphere that God is and resides in.

Sixth stage of Fusion truly demonstrates how the personality is infused with extended attributes of mind-spirit function as the individual progresses from the Celestial Heaven and enters the Eternal Spheres.

Pre-Incarnational Sphere:

First stage of Fusion is the separating of the soul into two, each soul half being complete on their own.

Fifth stage of Fusion transpires when their natural love changes and one's soul progresses to the condition to be of Celestial soul quality, one enters the Celestial Heaven.

Fourth stage of Fusion involves the Divine Love. This can happen at any time during the natural life experience of the individual. Happens when the Immortal Divine Love enters the attribute of the soul for the first time, either when in the physical body state or spirit body state.

Second stage of Fusion is simply defined by the incarnation of the finite attribute of the soul to acquire a spirit body and living attribute of personality, which commences the finite soul's individualisation of mortal life experience.

Spirit body →
Soul →

Third stage of Fusion in a soul's life is its transition into the First mortal natural spirit Sphere. This stage is defined as the ending of the physical incarnation and the beginning of life in the spirit world.

The New Way, Feelings First Spirituality
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.
 Want to understand why you're feeling them.
 Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
Your feelings are your spiritual guide.
Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.
It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus’ Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair’s guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world’s spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

HUM

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind’s distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
We are to long for the truth of what we are feeling.
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren’t allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we’re taken into new ways of looking at ourselves, our feelings, and our life. We’re setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It’s that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

WE ARE Children of God

HOW TO GET TO PARADISE:

Long for the Divine Love
 Long for the Truth
 Long for the truth of your feelings
 Don't deny any feelings: accept, express and want to know the truth of them
 Know your feelings are the key; your feelings are the Way
 Want to end your falseness and being untrue
 Want to understand the truth of your early life
 Use your surface feelings to move deeper into yourself, bringing up your repressed feelings
 Want and long to know the whole truth of yourself
 Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
2. **ETERNAL SON (ES) – Divine Truth**
3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS (MF) – Love – the Living Truth**
2. **DIVINE MINISTER (ID) – Mind (and her Holy Spirit)**
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR – the Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS – they do not incarnate**

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter

Jesus and Mary

Avonals

as soulmate pairs

Trinity Teachers

as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective

Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

WE EACH have a Nature Spirit pair, Spirit Guide pair, and an Angelic Pair:

For those doing their Healing or are interested in doing it will from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about ‘sharing’ the same angels or guides or nature spirits, it is about you relating specifically to your ‘own’ ones because they are provided for YOU. It’s all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it’s the same of course in life with your friends, however over there, in spirit, dealing with Nature Spirits, Spirit Guides, and Angels, it’s more personal and private and ‘JUST FOR YOU’. So we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain’t going to be assigned to anyone else, so she won’t be sharing herself around.

This is SO IMPORTANT to understand so that in future there won’t be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is all they are speaking with.

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their ‘soulmate’ relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit Mansion Worlds, however, our personal Angelic pair continues with us to Paradise, and then even possibly being with us throughout eternity.

Feelings first

OUR GUIDANCE to PARADISE, the home of our HEAVENLY PARENTS:

There are three distinct phases of our progression to the home of our Heavenly Parents which is Paradise that is within the circle of seven Super Universes, each containing many Local Universes.

Once we progress beyond our Local Universe of Nebadon, then we are assisted and guided by our Heavenly Parents, our true Mother and Father all the way home to Paradise.

Before then, once we have completed our soul healing, we are guided through the Celestial Heaven worlds which are those that interact with humanity on Earth, then further on into and then out through Nebadon, our Local Universe. The regents of Nebadon are Mary and Jesus.

However, before then, we are to embrace our healing. That is, we are to realise who we truly are. We are not the personalities that our parents imposed upon us. We are to put aside our childhood suppression and repression and free our true personality that our Heavenly Parents gave us, and to do this we are now able to embrace the guidance of the Avonal Pair who will lead us through our healing here on Earth and through the Spirit Mansion Worlds to be able to enter the Celestial Heavens.

The DIVINE UNIVERSE:

32. *The Perfect Prayer*

7 October 2012

In the time James Padgett received spirit communications I gave him a prayer (2 December 1916) to help him firm his stature as he worked with various spirits. I would like to extend the reality of prayer with you now.

The Perfect Prayer or Prayer for Divine Love need only be a sincere heartfelt expression of love given to the Soul, God, and included in this soulful heartfelt love, a respectful asking to experience the Divine Love. The perfect prayer will always be of an individual expression that works harmoniously for each person. There can never be a formal prayer of one that is perfect for all, for each person commences their receipt of the Divine Love at particular stages of their human or spirit experience. The comforting and nurturing aspect in the nature of the Divine Love is most suitable for the heart.

Formal prayer, intuitive prayers or a prayerful experience that exemplifies respect and a sincere desire for this Love, will cause a response by the Spirit to bring about an inflowing of the Divine Love into one's soul. There is a unique reality of love that exists between God, the Soul, and all other independent mortal finite souls. As soon as a mortal finite soul longs for love by God, God knows of this longing and the active Spirit Law that determines the function of the Spirit responds. It is as if no earthly time or mortal spirit world time exists at all, for the Divine Love is not subject to these constructs of time and has its experience directly between the Soul of God and the soul of the individual. In this way, a demonstration of harmony begins.

As the experience of the Divine Love becomes more familiar, and the energy in one's soul becomes more active, the essence of prayer changes as the condition in the soul of the individual changes. People have experienced this already as they learn more about living with the Love.

I will not give a formal prayer here other than the love in the words that I have just conveyed. I would also like to state that I know that individuals both men, women and mortal spirits, can commence and do commence their learning about the nature of Love from a position and condition of fear that is situated as a dis-harmony in the personality of the individual. Even in fear, I encourage one to value the attribute of goodness and respect so that a small beginning of learning to love thy self can form part of the progress when learning to live in the harmony of love.

The Prayer for Divine Love

2 Dec 1916

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

P.438 Book of Truths through James Padgett / Jesus

Let your prayer be as follows:

Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.

That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.

We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.

Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.

Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.

Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.

We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.

We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.

Amen

MoC

Note: The 'false teachers' are our parents, as they are also the 'evil ones'.
Also, the evil ones, being those parts of one's mind, that are controlling you.

The Padgett Messages, received 1914 to 1923 and published in the Book of Truths, has now been extended with further session of messages having been received between 2012 and 2013, and titled “The DIVINE UNIVERSE” via Zara Borthwick and Nicholas Arnold.

The DIVINE UNIVERSE

79. *Prayer of the Heart*

16 October 2012

I encourage the heart that prays to the Father for the Divine Love. I encourage the heart that loves the Love, and with sincere aspiration, feels for the Love. If there be any doubt, loss of faith or hardship of heart, I encourage the heart not to give up or give the Love away. The Father hears your prayers and the heart be rest assured in this. Never will a good heart be forsaken. As the Father does so do I, see and hear your heart, and prayers for the Love and the needs for wellbeing. Never give your heart up; trust in the One who knows your true heart, and there the Father loves you. One may never fully understand the intricate workings of time, past present and future, but the heart knows faith and Love and the Father Loves a good heart. Pray with faith, and in your heart my truth and the Father’s Divine Love meet you there.

I have given you this prayer of the heart so that men and women may draw from its words, strength, love and faith.

Your beloved friend and companion,
Jesus of the Celestial Heaven

Our Heavenly Mother and Father simply desires for us to ask for Their Love.

To liberate one’s real self, one’s will, being one’s soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we’re feeling them, express them fully, all whilst longing for the truth they are to show us.

The DIVINE UNIVERSE

300. *Prayer of Love and Strength*

2 February 2013

I am going to write the Prayer of Love and Strength that may help those with their endeavour of heart in the receipt of the Divine Love:

I pray that I may find the love and strength in my heart to love you more wholeheartedly. I pray that I may feel this strength as a living truth in my heart and soul as my weakness, due to my condition in my physical and material struggle, may not become a hardship that casts a long shadow over my day-to-day living in my faith in Divine Love. I pray that I will not give in to any negativity that surrounds me, or to the way that at times I cannot seem to be able to help or forgive myself for loosing faith in The One I love.

I pray that I am receiving Love, your Divine Love that is in great abundance and that my heart partakes of a small portion of this abundant Love. I ask that your Spirit, The Spirit, convey the Love into my soul as I have already been receiving into my soul your Divine Love. I pray that your Divine Love gives greater love and strength to my heart that I may continue in my prayer to receive this Immortal Love.

God, I love you with all my heart even if there be a shadow across my heart, and a lack of humility in my faith and on my behalf for I recognise that you can love me more perfectly and wholeheartedly than I can accept for myself.

God, I recognise that you are Soul and that I am a finite soul and that your Love and Spirit are true gifts for my heart and soul and that I need this Love that you have provided. I pray that from your Love, more finite love and strength in my faith and heart will enable me to love you even more. I recognise that I am doing my best in all that life has given and taken away from me and that in my resolve, my heart knows that your true Divine Love always remains with me and my faith in you. At times I have left you and left your side and wandered all over the place, lost in the shadows of life and in the near-sightedness of my eye and then, I pray for your Love and your Love fills my heart and my love and strength return and I accept that you are loving me at all times when I am lost and found. I give you all my gratitude, love and strength that my heart can give and I desire not to change the world or the spirit world accepting that Your Divine Love will change my soul and in harmony together, I will try for a peaceful world.

I have provided you with the inspiration to give these words of love and strength that such words may help one in their experience of God's Love and Spirit.

303. *The Immortal Prayer*

6 February 2013

For those of you who are strong, I will continue to sustain this strength because many of you who experience the Father's Divine Love require a great resolve and strength of heart not to give up on the Truth and not to be saddened by the apparent lack of interest in the most beautiful love that you feel and know to be true. I will never prevent myself from being with you, who sincerely desire the Divine Love and, with any feeling of being afraid, alone or insecure, I with my Celestial teachers are present supporting you. There is no shadow in the Divine Love and for those who are aware of this Love in faith love and spirit we celebrate the harmony of God's universe of Love and Spirit.

I pray for the Divine Love, the Immortal Love

Universal Soul God,

My Father, I love and accept you with my heart. I sincerely pray for your Love that will come by The Spirit and embrace my spirit body conveying your Divine Love into my soul. I humbly ask that you love me as I love you, and that you continue to love me when in those times I cannot love myself.

I ask that you give me the strength to voice my faith and love to you, and that you may love me in my weakness and in my strength. I know that I am a soul beautiful to you as you are to me, and that your Divine Love will be the arrival of Truth that my soul has truly longed for.

I pray that your Divine Love will be the arrival from which will announce the departure of my doubt and that such faith, love, strength will come to me that I will never doubt you again. And I will never stop loving you, in the sunrise and the sunset of each day in my life.

I recognise that you are the Source of the Divine Love and the origin of my soul. I recognise that I may have been lost to you but in truth I was never lost to you and now, I am gathering up all my love out of my lost-ness in great abundance because I am aware that your Divine Love is present for my soul and I am free to receive your Love and feel Its' breath of spirit declare in my heart the Immortal Harmony.

I am receiving your Love, I have received your Love, true Universal God, your Immortal Love.
Amen

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Our salvation IS by embracing Feeling Healing with the Divine Love.

God's Divine Love: Pray for it, ask for it, and receive it.

Please Mother and Father, may I receive Your LOVE.

“Every day is a day of devotion.”

Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.

“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”

“Mother – Father, I desire your Love and I am loving you.”

“Soul God, I love you and I love receiving and experiencing your Divine Love.”

“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”

Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.

One can simply receive the Love without following any religious or spiritual teaching taught by man!

Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.

Three Great Truths:

- **God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**
