## Spirit Interaction

## **INTRODUCTION:**

Information of highly advanced spiritual nature can be reliably conveyed by Celestial Spirits to human beings who are in open and growing in soul condition. It is due to this proviso that hundreds of years elapsed before a successful conveyance of advanced spiritual truths was achieved.

The medium, for the receiving of such information, must not only be in an expansive soul condition, such medium must have an open mind to the information to be presented. That is, preconceived opinions, beliefs, and prejudices must not be within his/her personality make up. An openness to consider all possibilities must prevail.

The first successful delivery of such profound truths was delivered over the years 1914 through to 1923. This was the first time that the teachings given to us during the first century had become available to us since that time. Essentially those teachings were lost within 150 years of their delivery. By 325AD all records of such teachings had been diminished to about twelve remaining words. Now they are available in five publications and currently amount to about 2,200 pages of material.

As the parameters have been established to enable the successful transfer of these teachings, the ongoing possibilities for further teachings to be received and distributed to humanity are excellent. In fact, they continue to be received whilst you are considering these points.

Within this document, key issues are addressed regarding the veracity of these renewed teachings:

1. The comprehensive way in which negative spirit interaction cannot occur, be it thought, action, or interference with the physical person, be it be a medium or any individual.
2. The lack of energy that a spirit person, who is in poor soul condition, has as a resource to actually do anything of a negative nature. A loving spirit will only assist you in your progress.
3. The availability to kinesiology muscle test people and information – even this document as a whole, as well as individual paragraphs. The level of truth can be readily determined on anything.
4. Divine Love, how one can ask for and receive it. Divine Love, as reintroduced in the first century, brings about the strengthening of one's determination to heal childhood suppression, and completes the makeup of man, thus enabling his progression through the spirit Mansion Worlds and into the Celestial Heavens. It is the availability of the Feeling Healing process with Divine Love that is 'the salvation'.

We share this with you for you to consider as you please.

### **CHARACTERISTICS of AUTHENTIC TEACHINGS and GUIDANCE:**

**At all times, teachings and guidance from Celestial Spirit personalities are loving. From those who reside within the Celestial Heavens, one will only receive loving assistance. As one progresses in their soul condition development, all vestiges of fear dissolve and fade away. Upon reaching the Celestial Heavens one no longer has any fear within their personality and being, thus only love can and is conveyed.**

**Even though the teachings of Divine Love commenced being written from 31 May 1914 and continue today, even though some 1,000 personalities have contributed to these writings spanning more than 100 years, even though subjects that commenced to be addressed in 1914 and may not have been completed even some 80 years later, there are no contradictions within the guidance and teachings.**

**At no time do any of the writings instruct one on how to run their lives. No being who has entered into Oneness with God (entered the Celestial Heavens) can ever criticise or judge because these qualities are not possible for Our Creator.**

**For a medium to receive high level spirit guidance from Celestial Spirits, such medium is to be open to and receiving Divine Love. James Padgett who commenced the receiving of Divine Love teachings was encouraged to ask for, long for, and pray for the Divine Love for some time before high level spiritual writings commenced to be received by him. All of the on-following mediums had been embracing Divine Love before they commenced receiving teachings pertaining to Divine Love.**

**Natural love is the substance that one's soul is the essence of, perfecting one's natural love fits one to enter the 6<sup>th</sup> natural love sphere. It is the infusion of Divine Love, with Feeling Healing, that enables one's soul condition to progress further to the Celestial Heavens, commencing at the 8<sup>th</sup> sphere. Without Divine Love, and Feeling Healing, one's soul is not immortal and is also unable to enter the Celestial Heavens.**

**The style of writing founded on Divine Love, as distinct from natural love, is clearly of a different flavour and nature. Thus, one can discern between the two easily. Further, even though the material content of the writings is distinctly new, one generally feels drawn to the contents and embraces the freedom of the new found knowledge with comfort and joy.**

**Automatic writing is the most reliable way for a Celestial Personality to convey high level teachings. In this way the spirit personality takes control of the medium's brain and hand and writes the messages themselves. In this way they can also correct errors in transmission, should they occur. James Padgett received some 19,000 pages of automatic writings.**

**Finally, one can determine the level of truth of any writings by utilising kinesiology muscle testing in conjunction with Dr David R Hawkins' Map of Consciousness. Materials that are in some degree of truth will calibration over 200 on the Map of Consciousness scale. The highest that a truth based on natural love can calibrate is 1,000, which is also the highest level within the 6<sup>th</sup> natural love sphere. Divine Love teachings typically calibrate well over 1,000. Enjoy the greatest gift to humanity, the knowledge of the availability of Feeling Healing process with Divine Love.**

## **Is it JESUS or MARY TALKING THROUGH a MEDIUM?**

And the chatting / talking with Jesus is the same as we've told you, it's really 'on behalf of Jesus', it is one of the medium's band pretending to be Jesus, which really means the Celestial accessing Jesus' Spirit of Truth within himself (and only we Celestials can do this and are allowed to), and so then speaking 'as if he is Jesus'. It's the same thing as James feeling how close I am to Mary Magdalene in my 'feeling' when we are writing together, because as I said I work with her Spirit of Truth as I feel very close to it – very close to her. And she's said I can use it that way. So effectively, should it be necessary for me to do so, I could 'pretend' to be Mary speaking to people on Earth.

As you have possibly gathered, it's all highly organised as to what and when we can reveal to you. It's all set out in keeping with the Rebellion and Default limitations and then in keeping with the Mansion World levels and all the levels within them. It's all angelically controlled, so we slot in using our minds and be who we need to be to you and how we need to be and what we can say. So as you grow in truth through your Healing, moving progressively up through the levels, so we can come forward and progressively reveal more to you. So what is revealed and how it's presented to someone who's in their wrongness and not wanting to do their Healing, compared to someone wanting to do it and just starting out, compared to someone nearly finishing it, compared to someone who had finished it, might all be so different that you would think it was different spirits relating at each step, when it might be the same spirits. And really we don't change, it's you who changes, or refuses to change.

And added to that, we know how far someone will go in their spiritual progress throughout their Earth life, so part of our interaction with that person is in keeping with that level of progress. So we might say and do and be differently to different people, even though we're the same spirits, because each of those people have very different spiritual paths and levels they will reach.

So it's not as straightforward as one might think, which I know causes many misunderstandings, much confusion, even putting a lot of people off, however really until people are well into their Healing, it will all appear like everyone is working at it from opposite ends with no real synthesis or commonality involved. So you can look at it like say a Maypole, with everyone starting out on their separate ends, but the more you do your Healing, the closer you all come to the truth, which will allow the Spirits of Truth to then synthesis you all into what is needed for you to become Celestials. For by the time you are Celestial, then we're all on the same page so far as the Truth is concerned. But even though we Celestials are all living that same truth, how we might relate and start with people on Earth or the lower Mansion Worlds might make us sound and appear like we're all very different.

Nanna Beth, 19 February 2018

**Note:** Jesus has only talked DIRECTLY to James Padgett and James Moncrief. Further, Mary Magdalene has only talked DIRECTLY with James Moncrief. Mary and Jesus are regents of 3.8 million physical worlds and their related spirit worlds. They are also finite – can only be in one place at any one time. Once that is understood, then it is only possible to have 'communications' via their Spirits of Truth in the manner outlined by Nanna Beth.

# REVELATIONS

**Revelation 1:** Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively feel into our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

**Revelation 2:** We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

## Quantum Jump 1

### REVELATION 1

James Padgett

1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

## Quantum Jump 2

### REVELATION 2

Marion and James  
Moncrief

2002

– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

## **GIFTS from FRIENDS who have GONE BEFORE US:**

Over the past 100 years, man has been gifted with the receipt of highest level of spiritual truths in all of its history.

Between 1914 and 1923 James Padgett recorded, by automatic writing, some twenty five hundred messages, coming from two hundred and fifty spirit people, many of these spirits being from within the celestial spheres of the spirit world (8<sup>th</sup> sphere and higher). Within the Book of Truths, there are some 866 of those individual messages.

Lost to humanity, by the time of the beginning of the fourth century, were the teachings about Divine Love. James Padgett has been the instrument used to reintroduce these teachings to mankind.

‘Book of Truths’ as published by Joseph Babinsky contains the Padgett Messages conveyed from 1914 through to 1923. [www.lulu.com](http://www.lulu.com) [www.amazon.com](http://www.amazon.com) [www.bookdepository.com](http://www.bookdepository.com)

Then followed:

‘New Testament Revelations of Jesus of Nazareth’ via Dr Daniel Samuels (1954 until 1963) <http://new-birth.net/samuels-messages/>

‘Judas of Kerioth’ as edited by Geoff Cutler (2001 thru to 2003) [www.lulu.com](http://www.lulu.com) [www.amazon.com](http://www.amazon.com)

‘The Richard Messages’ Messages from the Celestial Heavens via James Reid (2012 to 2013) [www.lulu.com](http://www.lulu.com)

‘The Divine Universe’ – Spirit Communications – Padgett Messages Continued (2012 to 2013)

via Zara Borthwick and Nicholas Arnold [www.lulu.com](http://www.lulu.com)

‘Shining Toward Spirit’ – Beginnings (2014 – 2015) via Zara and Nicholas [www.lulu.com](http://www.lulu.com)

James Padgett opened the way, he was highly religious and so was his family. His unexpected gift of automatic writing, discovered shortly after the death of his wife, enabled the commencement of the above five series of teachings.

From James’ recorded messages, Dr Samuels was able to ask for and receive Divine Love which enabled further Celestial messages to be delivered. The Judas of Kerioth messages came through a student of both Padgett and Samuels teachings. Now, in turn, the channels for the Richard Messages and The Divine Universe are all living in Divine Love and the messages continue with ever expanding detail and clarity. And now James Moncrief began introducing the Feeling Healing process since 2002.

Within this document, we share with you the construct upon which the beauty, truth and love of this information is clearly of the highest level. Further, we also introduce to you a way of simply being able to ratify the level of the truth of each and every one of these messages, and for that matter, the level of truth of any other material that you may wish to investigate.

As you will now discover: Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.

## The DIVINE UNIVERSE:

### 158. *On the Immutable Spirit Law that sustains the spirit body*

7 December 2012

There is much confusion about the interaction of spirits with humans. This is quite understandable because so few people have truly been able to identify the immutable Spirit Laws that function and act as a conditional harmony between all mortal spirits and peoples of the Earth.

When one understands the nature of the Divine Love experience and the fact that the Divine Love relates directly with all existing immutable Spirit Laws, then, all that defines the individual emerges with a true perspective of insight and knowledge. From the experience of natural love in a human without any awareness or knowledge of the Divine Love, one will be diminished in their capacity as understanding how these immutable Spirit Laws work, and work they do to provide a mortal universal harmony between the human world and the spirit world.

The reason I mention this is to state that the individual human personality in its forming has the attribute of soul and spirit body to it and the spirit body is robust and a true existing body of real form, of real spirit energy, of real substance and image. I along with Celestial spirits can see your spirit bodies clearly and easily and each spirit body to each individual clearly reveals to us, the condition of the soul, which instantly tells us the overall condition of the mortal personality to its condition of forming. I can

see if a spirit body has commenced its change by the receipt of the Divine Love or a change in a progressed natural soul condition.

The spirit body is a bone-fide attribute and the most important attribute for the survival of the human personality. This means that to the forming of a spirit body, there is an immutable Law that protects each spirit body whilst in a human experience from any influence from a spirit in the spirit world. It has been revealed to you that no spirit can impose their personality *over* a human and this is true, for a particular immutable Spirit Law in its function prevents this from happening and this helps to maintain a harmony between spirits and the human experience. The only presence from the spirit world that can interface with the surface of the spirit body of a human is love and the immutable Spirit Laws allow for this form of communication.

There is a very good reason why the Father has set in place these Spirit Laws and in particular, the one that protects the human spirit body. The spirit body is the body in which the attribute of soul and attributes of personality survive a human life and the transition into the mortal spirit world. If the spirit body or the surface of the spirit body, were damaged or interfered with or in any way interrupted, this could have dire consequences on the personality contained within the spirit body. If spirits were able to penetrate the spirit body and interfere with the personality contained to it, then this could cause a massive transgression that potentially could be capable of disrupting attributes such as the memory, awareness, or cognitive aspects and reality and function in a personality.

I understand that fear forms part of human experience. There is a natural fear for survival and there is fear caused by personality. It is impossible because of the immutable Spirit Laws that act on each spirit body, for a personality in the spirit world to interfere or inhabit the space inside a human spirit body. Any kind of spirit possession is absurd and rests in the imagination of the mortal. Two independent personalities, one being a spirit and the second being a human person cannot inhabit the one same spirit body. The immutable Spirit Law that acts upon the surface of each spirit body, human and the spirit prevents any such violation from ever happening. The only thing that causes a perception of possession is the fear that already exists in the human personality and or the human imposing fear to fight the existing fear.

Love in its natural and Divine forms, is in their essence a harmony and the existing spirit body that each individual has is like the soul and personality, a sovereign domain to each individual.

Your Celestial friend and teacher,

*Luke*

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

### **WE are INCARNATED with Natural Love, but not with Divine Love:**

We are conceived with natural love, however, we are not endowed with anything of the Divine. While we are without anything of the Divine, namely Divine Love, we can grow our natural love attributes and progress to that of being the perfect man whose lodging is found in the 6<sup>th</sup> Sphere. We do not have immortality without having received Divine Love.

Natural love radiance is very different from that which Divine Love brings.

The two loves complement each other, bringing about greater harmony.

When we become aware of the presence of Divine Love and subsequently ask for and then receive the Divine Love, our soul steadily starts to change to that which is Divine and we achieve immortality. This is the Immortal Choice that we can make whilst here in the physical or later in the spirit world. Once we add Divine Love to our being, we continue then with the two loves, that of the natural love and also that of Divine Love. As we continue and receive Divine Love, our soul condition progresses so that we may eventually enter the Celestial Heaven, 8<sup>th</sup> sphere, should we have engaged in the proves of Feeling Healing, and above, then progress further to enter the Eternal Spheres, then the Infinite and Universal Spheres, and then further on towards the Spheres of Paradise.

We are endowed by our Parents with natural love, maybe we neglect this gift from time to time. As we progress in time, we can add the greatest gift there is to our being, that is by asking for and receiving Divine Love. Not only does the infusion of Divine Love, with one's Feeling Healing, repair our natural love attributes, we evolve into a joyous and loving person in all respects. With the infusion of Divine Love, with the two loves, we become the complete being.

## The DIVINE UNIVERSE:

159. *Communication between spirits and people*

8 December 2012

Communication between spirits and people obviously transpires. You can receive my thoughts, impressions, perceptions and your spirit body is in no way compromised in its integrity.

Can you receive negative input from a spirit? Of course you can. Your soul perceptions will decipher and discern the information and if the input is coming from a negative source, and you were to receive direct communication from a spirit in poor condition, the impression would stem from the condition of this individual and you would be able to receive it, as you receive harmonious input. The downside to this type of communication is the evidence and effect on your spirit body and energies caused by being in communication with a soul in poor condition. However, in your case because you (Zara and Nicholas) understand the way the Divine Love works in your life and the related immutable Spirit Laws, the only reason a spirit in poor condition would be in communication with you would be for that spirit to learn about the potential of progression and the Divine Love that will improve their poor condition.

Simply because one is a spirit in no way infers that that spirit is necessarily more advanced or progressed in their soul condition by the mere fact of local environment. A person living in their awareness of the Divine Love will be in better condition of soul and spirit body than any spirit residing in the spirit world living in only their natural condition of natural love. Spirits in poor soul condition can communicate with you if you allowed this communication to happen.

Celestial spirits never impose upon your asking to do a work such as this work, *The Divine Universe*. You have asked to be of service and so we can effectively communicate with you and the harmony of this work is an example in the way we are all living in our awareness of Divine Love.

If you were to communicate with a spirit in poor condition, it would be because you have asked to provide this service and the individual would be able to interact with you in the correct and only way in which the Spirit Law of Rapport and Communication works and the spirit in poor condition in this communication, can in no way impose or establish any action resulting in your spirit body to lose its integrity. It must be said here that individual spirits in poor condition are so weakened by fear and isolation as their soul condition reflects in their spirit body, that a spirit in poor condition will find it difficult to be in rapport with the Spirit Law of Rapport and Communication between spirits and people. As it has been stated to you before, the immutable Spirit Laws form the boundary between the spirit world and the human world and no spirit can act of themselves in an independent manner outside of these immutable Spirit Laws. Even the Master (Jesus) is to comply as he does with these immutable Spirit Laws and under no circumstances can fear override or overrule, divert or take the place of these immutable workings.

As you have progressed in this experience of our Celestial communications you have been able to determine that no harmful side effects have resulted. You are both (Nicholas and Zara) in good soul condition as we who communicate are as well, the Divine Love being true to us all and the activation of the Spirit Law of Rapport and Communication demonstrates how cohesively we all work together when Divine Love is living in our souls. Even if you were to receive a communication from a spirit in poor soul condition, such as a soul from the lowest of the Natural Spheres, there would be no residual side

effects transpiring in your spirit body or attributes of your personality. In fact, I dare say you would handle this communication in a manner that represents and is reflective of caring for another who maybe in their impoverished state, actually asking for a helping hand and guiding word. We actually service the needs of these individuals who are present when we write together as many are brought along to hear our words, these same very words that I am writing with you.

I would like to add here that I know that you are aware of the Indwelling Spirit. These works are not works caused into form by your Indwelling Spirit. These works have their origin in and from living personalities. The reason for this, and a good reason too, the Indwelling Spirit (see flowing note) cannot demonstrate living in the Divine Love. We can and we do because the experience of the Eternal Father's Divine Love is real to us and therefore, when others come to read these works this vision and awareness conveyed in these works may sound a note of truth in another who has embraced their experience of living with the Divine Love.

Poor spirits are miserable souls and their environment is a diminished Sphere compared with the other Natural Spheres. We are consoled in the fact that God in the forming of the mortal spirit world has provided these diminished Spheres for the poor soul to reside in, in their disharmony, though they cannot cause or create any further disharmony to the Sphere or anyone resident in the Sphere.

If one understands the vision of the Spheres as personality environments, where progression in Love, Spirit and Harmony is the way for all souls, then the more progressed spirits live with real vision and universal experience compared to the least progressed who have no vision at all and cannot relate with the universal realities of Harmony, Love and Spirit. When I visited these Spheres I could see the discord that individuals were living in. I needed to bear in mind that these individuals in their retched condition are still part of humanity and souls of the Father. Each individual has placed themselves there, by their actions of living in their human life. I have never heard of a natural spirit from the First Sphere to the Sixth Sphere creating any discord that results in that individual being sent to the Hells below. Just as each individual has put themselves in these Spheres they can change as potential exists so they can progress out of their condition. The immutable Spirit Laws function in these Spheres as they do on Earth or in any of the Spheres and The Spirit and The Divine Love are as present in these Spheres as present in any domain where mortal personality lives. I am afraid to say that these individuals in the appearance of their spirit body are incredibly small. It is testimony to the personality the soul and the spirit body to survive in such impoverished conditions and testimony to the fact that God's workings still function so that the personality *can* survive when the individual has done absolutely nothing at all to change their situation.

In keeping with the vision of harmony stated in the spirit writings of James Padgett (1914 – 1923), the mortal harmony in the spirit world will be realised and fulfilled when there are no more individuals living in such contradistinction to the universal harmony of Love and Spirit. All I can say is that each individual will be given ample opportunity to increase their potential and then if not it's in the lap of the Father. For just as God can cause a personality into existence by the workings of the Spirit Conduits that function to form attributes such as mind and spirit-mind, The Father is the only authority in all of creation who can work another attribute of Spirit Law that undoes a personality, soul and spirit body that was once formed. In the powers of mortal creation, mortal personality doesn't have a say in affairs that extend beyond its own material creation.

The student of the history of the Divine Love will have learnt that the Father once withdrew the potential for humans and spirits to receive the Divine Love. When it comes to such vast and extensive workings the Father does act and will act and is in this regard, no respecter of personality especially when the personality may choose to continue denying the very source of its own soul life.

Thank you for receiving my message this morning, and this may add some interest into the subject of communication, the spirit body, some conditions of spirit life and the question of mortal existence.

Your Celestial friend,  
*Egln*

**The radiance of a soul in good condition is reflected through the spirit body.**

**A soul in poor condition has very little energy and subsequently is lacking in radiance. The size of the entity is also diminished.**

**We radiate our own light. Not only when a soul in poor condition is lacking luminosity and energy, its capacity to travel is also significantly diminished, as is its physical size.**

**WE ARE ALL SOULS of our HEAVENLY PARENTS, our MOTHER and FATHER:**  
**We are mortal souls who have the potential to experience the Divine Love.**

If a person or spirit experiences a drop of Divine Love, then the soul is deemed Immortal, which the spirit body and personality must follow to this perfected truth. The Divine Love is in its own nature, the highest, or if you like, the most perfected form of energy and Law that a mortal soul can receive and experience.

The radiance of the spirit body that is seen by other spirit people, is distinguishable as to the presence of natural love and the amount and also Divine Love and the amount. The energy of both loves is processed in the region of the heart region within the spirit body. One's soul is lodged in close proximity to the spirit mind.

Divine Love – if sincerely asked for – will not be withheld by the Eternal Love of our Heavenly Parents, no matter what condition one's soul may be in. Divine Love is experienced at any stage in a natural love condition of soul whether error exists or not. What is required is that the cognitive capabilities of the maturing personality must knowingly be asking for this love to be added to its being.

Conception / incarnation brings together the soul, which lodges within close proximity to the spirit mind, which is located in the same region as the physical brain. The personality is created at the same time as the spirit body. Nothing that is Divine is within the forming entity.

The spirit body's energy is managed in the region of the heart and solar plexus, we are endowed with natural love, being an energy, at conception. It is this energy that is visible to other spirits, not the soul that we all have.

A newly individualising soul is just a tiny invisible spark.

Viable embryo forming.

## The Indwelling Spirit and the New-Birth.

June 25th, 2008, Melbourne Australia

Received by Nicholas Arnold.

I have been with you most of this morning and now we can resume our work together on this subject. Both you and Zara are in the presence of Divine Love and your respective soul condition is very good to receive. In receiving these Messages it is also important to note that you are not in a trance nor do I take control of your physical attributes to convey my message. You are cognitive and for the most part it is a shared communication where your soul and its perceptions listen to my discourse which you then communicate. This is the way you have received all your messages from the Divine Love spirits.

The Father loves nothing more than individuals learning about the individual and Eternal nature of the Father. The Divine Love begins this learning in a definitive way and this continues as the soul condition changes with the receipt of Divine Love. The Father's Soul is the existence of an Absolute Eternal presence with attributes that create all that has become the Realms in all their expression and experience in Universal creation. The Indwelling Spirit helps the Father reveal more of the Father to individual souls so that what is absolute and Eternal can be communicated with so that the Father is not inanimate and unknowable. The simplest way for a soul to begin knowing the Father is through the Divine Love.

Celestial spirits who have a real understanding of the effects of Divine Love in their soul move into the way of spirit love. Celestial spirits are in the Divine Love of the Father actively participating with the Father's Spirit that has become personalised and relates to the mind attribute of their soul. Spirit love is a reality because the physical environment that exists on Earth is not present. The Indwelling Spirit helps us to engage in the greater spirit realities that are pertinent to our existence and these realities increase as we progress in towards the Father. We do communicate with each other in a soul-to-soul spirit-to-spirit form of exchange which does not involve the construct of Earthly mortal language, it is a spirit language which we learn as we progress in soul condition, and the language of spirit becomes more realised. When the Indwelling Spirit communicates with us, it is instantaneous and active as a spirit-soul experience and so, we understand that the voice of the Father is actively communicating with us in the language of spirit and our soul accepts and understands this for our rapport with the Father is solid in Divine Love and our own soul's personalisation of this Love.

To provide a definitive understanding that defines the attribute that is the Indwelling Spirit and why this attribute is distinct from the Divine Love of the Father is in the teaching that Jesus has conveyed in the Padgett Messages that the Holy Spirit conveys into a mortal soul the Divine Love and the Holy Spirit, as an attribute given by the Father, works solely in this way. The Indwelling Spirit in its function does not convey the Divine Love into a mortal soul nor does it interact with the Holy Spirit that excludes the Divine Love of the Father. The Indwelling Spirit helps adjust the spirit body as the changes occur as the soul condition of the individual is progressively transformed by the Divine Love. This Truth is essential insofar as understanding the Indwelling Spirit and the New-Birth.

With love,  
Your Celestial friend,  
*Ezekiel*

**INDWELLING SPIRIT, THOUGHT ADJUSTER,  
MYSTERY MONITOR (all being the same):**

The external elements, instruments of the Father, do not form attributes of our own soul upon its initial creation by our Heavenly Parents, these are the Spirit of Truth, the Indwelling Spirit, and Divine Love.

The Holy Spirit, conveys Divine Love to your soul should you earnestly and lovingly ask for it. This is the only function of the Holy Spirit – Acting Spirit.

The Indwelling Spirit becomes present when we are around the age of six. This means that the unseen helper of the Father and Mother – the Indwelling Spirit – can always interact with the mortal soul and to be of service so that eventually the leadings from the Spirit may be the catalyst for that soul to seek our Parents.

The Indwelling Spirit reveals intrinsic workings of Father and Mother to your soul.

The Indwelling Spirit functions in much the same way as the Holy Spirit, ask and it will provide support and guidance.

The Indwelling Spirit / Thought Adjuster only works with us on the mind, feeling and psychic levels directly with our personality on conscious and unconscious levels of reality. It is the Divine Minister with hands-on help from our attending angels that do the actual adjusting of our mind circuits – of all our circuits, even the physical if need be.

Spirit of Truth becomes active more so when you connect to the Source Soul and commence receiving Divine Love.

You are a spirit person having a physical experience. Your physical body is encased within your spirit body.

The spirit body only exists because our soul wants it to. In the fullness of love, even all our encrustments and wrongness is not actually bad, they are just the nether side of love.

So evil is literally a state of mind, and once you heal it you even feel love for your wrongness and even no longer hate it – that being full self-acceptance. But you can't contrive these feelings or level of awareness, it has to come of itself and will through the higher levels of your Healing.

**127. Dismissing destructive forecasts**

20 November 2012

When people believe that spirits are communicating with them about the forecasting of destructive planetary changes that are supposed to eventuate because humankind is living in such disharmony with the natural order of the universe, and that such planetary changes then contribute toward a supposed spiritual revelation, these forecasts are erroneous and untrue and do not come from the basis of anything of any substance shared between the spirit world and humans living on the Earth.

The natural spirits are simply individuals who, having once lived on Earth, now live in a Sphere in the natural part of the spirit world, and simply by being in the spirit world, do not instantly make one into an authority on matters pertaining to planetary changes. The natural spirits residing in their perfected natural love in the 6<sup>th</sup> natural Sphere have very little to do with the people of the Earth for the simple reason that they consider themselves more evolved and in a way, elite in their intellectual understanding about the nature of human life. Predicting planetary changes does not form part of their soul's natural condition and due to the boundary of their finite position and condition of soul, these individuals cannot really determine the outcome of any particular vision of a human future.

Celestial spirits are primarily concerned with their individual relationship with the First Source, the Soul, God, and the inclusive extensive workings of this relationship that make visible the greater reality of Love and Spirit. Celestial spirits do not spend time figuring out so that they can then forecast or predict human changes in context to the planetary systems.

There has never been and never will there be a Celestial spirit that installs in a communication from the spirit world to a human, fear or a command that may injure another or a message that forecasts planetary changes as being some kind of charge and change to awaken the spiritual enlightenment of humankind. There are those who study planetary systems and the nature of physical causality just as there are those who study spiritual systems and the Spirit-material causality that forms part of God's Spirit universe. Never do we and never have we communicated to a person about the natural forces of the planet Earth as being part of being some great plan to bring forced change into a better condition of worldly living. We are aware of the natural forces of the planet and all of us in the mortal spirit world were once subject to the physical condition of being human in a planetary environment. Having lived on Earth we do not reside in the spirit world reintroducing forecasts of doom and gloom back into the human world where once we lived.

There is only one individual who truly knows the only outcome of a singular finite future that is realised in the living and that is the Soul, God.

The causality of human life and death and all human life and mortal spirit life functions in the attributes of God's nature. The Earth has its systems of nature and the mortal spirit world has its systems of nature. The Celestial spirits who are much progressed in their condition of soul do have extensive vision and to some degree, depending upon the unique attributes of individual nature, some can see events that will transpire. However, in all outcomes we are not allowed to interfere except under certain circumstances. Every Celestial spirit knows that interference forms a massive disorder in human relationships and from the receipt of the Divine Love, the Divine Love itself causes us to reclaim one's

self from these interferences so that harmony is restored in one's condition of soul, with the Soul, God. Celestial spirits never see natural spirits interfere in the causality of human life for a Spirit Law prevents a natural spirit from imposing its personality from the spirit world onto a human living their Earth life.

It is important that I communicate this message to you, so that today and in the future, those living in the awareness of the Divine Love remain true to the Immortal nature and harmony of the Divine Love, realising, that if any person proclaims to the world the inevitability of a natural disaster or planetary or global changes that are destructive, as information from a Celestial spirit then this information is in fact an untruth, contrived out of the fears of a person's mind and results in compensation.

People create and cause the human drama of human experiences in the world and people are at the effect of these causes. The drama of the world is the causality of people in relationship with one's self, another individual and the environment they live in. The planetary systems do not take into account personality yet personality personalises planetary systems. Mortal spirits do not forecast planetary upheaval and any such forecasts from the spirit world is a contrived fear in the belief of a human. We are not affected by the Earth's planetary systems in our living in the mortal spirit world though we are aware that life goes on, so why would we convey anything other than a confirmation of this that the human personality and its survival extends way beyond the planetary systems of Earth and the systems of energetic universal determination.

Thank you for receiving my message on this subject.

## **The DIVINE UNIVERSE:**

174. *Reasons*

15 December 2012

One may ask one's self if so many here in the spirit world know about the Divine Love, then why is there so little information given about the workings of this Love between spirits and mediums? There are some curious factors to explain this, such as the Spiritualist may not particularly like religion and Jesus is seen in a human experience as being the central figure of a religion. The Religionist may have their systems of belief and part of those beliefs is that they already 'know the truth' and so they are closed and fear external input. Most spirits who communicate are in the natural condition of love themselves, so they do not know about the Immortality of the Divine Love. The medium who receives the message may be open but then has the belief that God is part of a universe and that the universal workings of spirit are intangible without an eternal personality at the centre of it, that has caused immutable structures to exist. The person who is attracted to spirit may be seeking the power of knowledge for themselves and ultimately the whole idea that there are immutable truths completely confronts the human personality that likes the idea of experiencing the universe and everything in it without ever needing to accept any personal responsibility.

As soon as one hears the word, 'immutable' one may feel inclined to drop it like a hat. People perceive the human experience as an experience already filled with material condition, responsibility of families, and competitive edges – one would like the universe to be free!

It takes a unique individual when living in their mortality to accept the Immortal nature of the Divine Love. The very fact that the Divine Love never changes may confront those who fear change because as soon as one learns that the Divine Love never changes, then, it will be the personality that will be doing the changing. When mortality is placed beside Immortality, you have the human life of Jesus. You also have the human life in context with the immovable object, the Soul, God. The end of Jesus' life demonstrated quite clearly that that aspect of human nature that sees its personality as the power in its mortality, making the decision to exclude anything that it cannot control, and more truer than its self.

The vision of Divine Love will bring to light the contrasting nature of mortality and Immortality. On the whole, experiencing the Divine Love is an individual choice and as you both know, you would rather live with it than without it!

Your Celestial friend,

*Augustus*

175. *Languages through the Spheres*

15 December 2012

I am with you and you can perceive my presence. You are correct, seeing my stature as slightly taller than yourself. Obviously, I speak English now and I have learnt it so I can converse with other spirits. I would have to say that the English language is, as it is spoken today in your world, is the primary language for communication in our Celestial world and many spirits do speak Spanish. We keep our traditional dialect and language that we learnt and conversed with in our human life. You only speak and write in English so I along with the other individuals who write with you, converse with you in this

language. If I spoke to you in my old traditional language, a northern dialect that is hardly spoken today, I would not be able to communicate with you.

There is a universal language spoken between spirits that in their exchanges is an *Eternal* language of Love and Spirit, which I cannot speak myself, though soon I will be able to. This language has its origin beyond the last boundary of Sphere of the Celestial Heaven that is the boundary between the Celestial Heaven and The Eternal Spheres. In the Celestial Heaven, I reside in an Immortal Sphere. Beyond the Celestial Heaven are the Eternal Spheres of Harmony. I am told and informed by more progressed Celestial spirits that this universal language is fast in delivery and pure in form, and a perceptual reflective language where words are not required. Apparently chunks of information are simply exchanged and processed by the mind in the spirit body, and this language is visual and truthful.

I am looking forward to communicating in this way, and that will mean that I would have progressed through the Celestial Immortal Spheres that comprise the Celestial Heaven and then I will be in such a condition of soul resulting from the Divine Love, that I can then begin living in the Eternal Spheres. In a small way we communicate together, you and I, by exchanging visual perceptual and reflective rotes of information. However, there is a language that forms a structure in our exchange, which you understand as a communication conveyed in English. This form of communication is efficient and the beautiful thing is that you are aware and conscious during these spirit communications. This is all I need to convey at this time and I am happy to do so, and that you are both open and prepared to put this time in with us for this work.

Your Celestial friend,  
*Egln*

#### **176. Friends in high places**

16 December 2012

I have observed from your experiences that you have shared with me, that simply because people are aware of the Divine Love doesn't necessarily mean a peaceful kinship follows. I can see as you are showing me, at how diverse and religious most are in their experience of Divine Love. From what I gather this may have a little to do with the religious language often conveyed in the spirit writings of James Padgett that places the Divine Love in a religious and selective context with the natural love. It has amazed you that people have not been able to see that the potential of the Divine Love is universal in its individual and personal experience. Another thing I have observed is that simply because people are aware of their Divine Love experience, in no way refers to the fact that everyone is friendly toward each other. In fact it has seemed quite the opposite. The reason for this may be as simple as the fact that people are being introduced to the Divine Love from the position of their natural life sufficiently progressed and so, the affect of personality is still the self-determining truth. The ideal is for everyone to celebrate the universality of the Divine Love. After all, this is the Love that Celestial spirits live in and the necessity for the spirit writings conveyed to James Padgett. Obviously the human reality differs from this.

The workings of Love and Spirit, I have gathered from a human perspective, cannot be identified as established fact and this correlates into the experience of the Divine Love itself being so intangible for

most because the personality has formed and relates in the material and physical natural determination of human life.

Here in the Celestial Heaven life is cohesive and we no longer live in the human day-to-day drama of social relationships that are at times competitive. We have matured and understand the intangible experience first experienced with Divine Love as now being tangible and solid with form, and, we have all accepted the Source of this Love and the reality of the structures of universal Love and Spirit. Perhaps the most important thing, why harmony rules the Celestial Heaven, is that we do not compete against one another in our pursuit for truth and this eradicates the self-determination and desired power for the ego for one to feel more loved by the Father than another. Our individuality is perfectly formed and each celebrates this and it is respected as we all continue to acknowledge that we are in the Celestial Heaven not because of our self, or another spirit but because the First Source has enabled our progression to happen by providing the Divine Love and all of us help and contribute toward one another as part of our love for the Father.

#### 190. *A drop of Divine Love in the ocean of faith*

24 December 2012

For most it is a private matter between themselves and God's Soul nature and I always respect this. The union between a mortal soul with the Soul, God, is of the utmost importance and nothing shall ever stand in the way of such a union nor shall there ever be any interference of any kind to disrupt this union by a natural spirit and one who is without the Divine Love. If ever there be a natural spirit present, then this individual will desire to learn about the Love that the person is experiencing for such is the attraction of the Immortal Truth that exists in the Love. With regard to this Truth, I know where of I speak.

When The Divine Love and The Spirit are involved, there is nothing in all God's universe that can affect any outcome that may assert its dominance over the Love and the Spirit. I would like to make it known here that the Divine Love and the Spirit are without equal except for the Soul and Source of this Divine Love and The Spirit. And that people will know that when they seek for this Love and honestly pray to the Soul God for this Love, the Love, and only the Spirit and the Love they shall receive. They will not receive anything else from the entire mortal spirit world. To request things of the Father is to ask for things of a personal nature that requires a separate kind of asking.

Prayer for the Love need only be exactly that. The Love is the most perfect truth a mortal soul may receive so in effect, by asking for the Love one is asking for every and anything else one needs or wants. For in reality, there is no greater truth to be asked for therefore, by praying for the Love everything else must follow in this accord of Law and harmony.

Leading on from what I have just explained this provides and gives good reason as to why *faith* is so necessary. Learn and live your faith as it develops in the Love and from this extent, everything pertaining to an individual experience in among the ramifications of causality, the individual, fulfilled.

I am not teaching that one need be fundamental in one's faith or dogmatic in asking for the Love, though I am instructing those who experience the Divine Love to be faithful in their approach to the Father.

The human love, the natural love in men and women is a good love when allowed to act to its potential for goodness. I know with great certainty that everyone lives different lives and in these experiences, certain conditions form in one's life, which can restrict or give the illusion of restriction into one's ability to accept a freedom of choice. The choice for Divine Love is an *Immortal choice* that is always present. And I am not too concerned if one's aspirations for the Love are so small that only God alone can hear. The Soul God hears every small aspiration and accepts every little step in faith. I am not concerned because I am not the conveyer of this Love so I need not hear every mortal soulful prayer. The Soul God hears and listens to these aspirations and in this I am truly comforted.

Each will know why they desire the Love. If they don't know at their time of asking, with time and experience, one will know which will qualify to that person the very reality of their faith in response to their experience in the Love.

It has been necessary to introduce as much experience and vision as possible in this work by the Celestial spirits, so that the Divine Love is seen central to all extending themes so that the presence of Divine Love has more visibility to it. There is only one true way for a mortal soul to experience the Love and this is to ask in one's faith for the Love even if this faith is but a drop in the ocean of one's potential! And so I say, that this Love – the Immortal Love – is living here and now and may one not wait until tomorrow to make their Immortal choice.

Thank you for lending a hand,  
*Jesus of the Celestial Heaven*

## **The DIVINE UNIVERSE:**

**305. Contact with the spirit world**

17 February 2013

I am here to write on the various Spirit Laws that exist to maintain the harmony between spirits and people. You are now aware that there is a diversity of Spirit Laws, and that each distinct Spirit Law works its function so that boundaries exist in the spirit world and between the spirit world and the human world. There are Spirit Laws that are distinct in their working in the Celestial Heavens that do not exist or have any need of existence in the social natural Spheres where mortal personalities reside. The distinction made here clearly defines the reality of those individuals who are in their social-natural love or with the Immortal Divine Love and progressing through these Spheres.

It is paramount that any mortal spirit does not interfere with a developing human personality. God, in the forming of the mortal spirit world, has given form and principle to this spirit world of which one such principle of Law is that no disharmony will be created or caused by spirit on a human or any other mortal spirit.

Harmony exists between the Spheres and residing personalities cannot act or impose their will in a manner that is contradistinctive to the very distinct Spirit Laws that govern the harmony present in all Spheres. Many people do not know that such boundaries exist in the mortal spirit world, nor do they know that every single mortal or Immortal personality is subject to these distinctive and diverse Spirit Laws. People who desire to learn about the spirit world have many ideas about spirits and the spirit world, and a great error in thinking by people, is to believe interference happens that is derogative to a forming human personality caused by a spirit's thought, energy or action.

Many people have had experiences involving spirit that cannot be easily explained and usually in a human experience, the little known Spirit Law of Assistance, which the Creator alone operates, has at times helped or intervened or ended or commenced something that appears ‘not of the human world’ to have happened. This Law is solely subject to God and no spirit can interfere with the working of this Law. This Law, as in all God’s Spirit Laws, can only act in accord with the Source that has caused these Laws to exist in the first place, and this Source is God the Soul. Spirit can work with some of the Spirit Laws such as I am doing now, as I work with the Spirit Law of Rapport and Communication with the receiver of this message.

Mortal and Immortal spirits cannot sneak from the spirit world into the human world to cause or wreak havoc. We cannot attack or cause bodily harm, or cause disruption to a forming human personality. We cannot interfere with a person’s dream state whilst they are sleeping, nor can we encourage any human to act in a manner that violates the very universal principles of love spirit and harmony. No spirit can interfere with or disrupt the Divine Love and the Spirit that conveys this Love into a human soul. The Spirit, or as some of you like to refer to this Spirit as the Holy Spirit, cannot be interfered with in Its’ working by any mortal or Immortal personality.

People cannot astral travel or travel at will or in their dreams through the spirit world. In all my years, I have never seen or met a person from the human world in the spirit world who is astral travelling, or whilst in their sleep state, travelling of a focus of their astral body. People would like to believe this happens, but it doesn’t happen. The reason for this rests solely in the fact that the only way a personality

can visit the spirit world is in their spirit body when their physical body dies. People can form true perceptions of the spirit world by the use of their soul perceptions and spirit senses, so that such detail is seen that the human material mind may think or believe that it has actually visited the spirit world. The very Laws that form the human personality that includes the incarnation of soul and forming of the unique spirit body are the same Laws that protect the soul and spirit body so that the developing personality can form even though the physical condition of each person differ, and these same Spirit Laws prevent the personality or aspects of the personality from separating from itself or for one to leave their spirit body and relocate in their finite form in the spirit world whilst still in their physical body. The spirit, senses in a spirit body, if they are active, can provide real image and living energy into the reality of the living spirit energy that makes up the spirit world. This can appear so real that a person may actually think they are there, but it is only the activity of the spirit body and soul condition causing these experiences to become visible in the brain of the individual.

When we communicate with people, the receiver may work with the essence of our spirit-vision and their spirit-vision forms a living reality into the existence of spirit universal realities, and so the experience of time changes and one touches on the essence of spirit, whilst retaining their habit of physical and material experiences of time.

Making contact with the spirit world is a kaleidoscope of colour for most people. We understand this. I have seen many spirits converse with people over the years or interact with people and the unseen boundaries of God's Spirit Laws always present. I have never seen a disharmonious act committed by a spirit on a human. I understand that when a person becomes a spirit, in their time of integrating their new life, the individual can be in a fit of rage or angry or sad, because they feel the human life was over before its time. I have seen how these individuals communicate with mediums and whilst they are demonstrative in their action, they cannot force the Spirit Law that envelops them to change.

I know that people believe all sorts of things and that experiences and events have happened that cannot be easily explained and that defy the border of human experience, and that such experiences are determined as having been caused or influenced by spirits. My advice would be to begin receiving the Divine Love and gradually learning how the natural and the Divine Love work and from this position, to see how the harmony of the spirit world functions so that each personality in the spirit world in their respective environment is harmoniously living to the due fact of their soul condition.

There are no dark elements or conspiracies or hidden secrets keeping humans away from the spirit world. Everything has its place and the universe is a transparent place. For God lives with transparency, only that it requires our soul condition to develop with transparency, so that each one of us can learn to see the true nature of Love and Spirit and the way harmony is present from the Source to each finite soul.

With love,  
A Celestial spirit  
*David*

## **The DIVINE UNIVERSE:**

306. *Universality of Divine Love Teachings*

18 February 2013

I am here with you now, in fact, I am standing by your left side as I communicate this work with you. When I wrote with James Padgett (1914 – 1923), it was a different world than the world you live in today. Humanity has had greater exposure now than the previous hundred years, when I commenced writing with James. You are worldly and you have both (Nicholas and Zara) travelled the world and the amount of information you have both read and been exposed to over your lifetime has provided a good resource to your learning about spirit-related themes and the experience of the human condition. Your exposure to humanity is far more so than was James Padgett and all that was accessible to him in his day. James was fairly religious and in his day, religion formed a large basis of the human experience. Today, the world is far more exposed to the various faiths and their diverse beliefs that form the social basis for the way of life in those respective cultures and also the spiritual beliefs have had plenty of air. Religion and spirituality today is well researched and studied with worldwide exposure and potential for choices.

My work with James was mainly in a religious context largely because of the man himself and the way the world surrounded him. There is much information provided in the spirit writings that James received though largely much of the teachings have a religious nature to their delivery. The spirit writings that James received are largely in a religious setting in which a sprinkling of the Truths were conveyed and introduced. The work I did with James fulfilled the need of that day and the purpose of all that I intended to convey at that time. Today is different and you (Nicholas) are different than James in your place in the world. I can write about the Father's Divine Love and related workings of Love and Spirit with you in the way that I have, because you are worldly, independent and universal in approach to your experience of the Divine Love, and you are not bound by the condition of a religious belief or spiritual belief that would require me to work within those mortal bounds. There is no need for me to be religious or spiritual with you, I need only be practical.

Your personal experience of Divine Love that has progressed day-by-day has provided a wonderful resource for you to understand your personal experience with universal vision and, it is with this universal vision that I, along with the other contributors in this work, have been able to make an effortless contact with you from our position in the spirit world. As you have gained the understanding about the nature of Divine Love, you understood the necessity to be as open as possible as you explored the human experience and the relationship between the natural love and the Divine Love. Along the way you asked leading questions, such as: 'If there is life after death, then how does this human life survive death and transition into the spirit world, and also, how does the spirit body work?' You also desired to write about the Divine Love and Its presence and potential in a universal way, in a voice that provides expression to a Love that is in Its potential, the same Love present as this potential for one and all mortal souls. I have been true to this universal vision that has facilitated my being able to work with you in this open way. I have needed to communicate about Our Father's Divine Love in the way that is consistent with how the diverse experience of humanity in the Divine Love Spheres and Celestial Heaven experience the Love; this takes the reality of the Divine Love out of formal religion and spirituality into its true universality. I have no desire to recorrect or to make corrections on the history of the human past relating with religious beliefs in the diverse faiths that humans live. I have no plan to

teach, or agenda to convey, or double meaning to infer. My teachings are as transparent as the Divine Love is; simple to follow, simple to live and simple to do: one only need to be aware that the Divine Love is present and to be sincere of heart in one's desire to ask God to receive this Love. Any further teaching hinges on one's capacity or desire to learn about the nature of the natural and the Divine Loves, which then extend into the human experience and the life of spirit experience with the Soul, God.

The Divine Love fulfils all requirements necessary for making the mortal Immortal. There is no other way. Humankind will not be able to provide this truth from the resource of their natural love. Humans may believe that God has all sorts of things planned for the evolution of man and man in the afterlife, but the reality is that the only plan of God is ***Love***. Love is progressive in its very nature and harmony is a real attribute of love and spirit. The Father has provided the Divine Love so that the individual may experience the reality of all that I have just stated.

It has been necessary to convey vision in a universal way relating with the potential of the Divine Love so that one may see for themselves, the true nature of love and how God has taken all into consideration and has not excluded anyone or anything to do with the potential for a mortal soul to participate with all that the Soul, God is, love.

Thank you for receiving these words that may inspire another to see the vision of the Divine Love as being personal and universal and available for one and all who desire to know the Truth of God and Love that is consistent on Earth and in the mortal and Immortal Spheres of the spirit world.

With love,  
*Jesus of the Celestial Heaven*

### **307. Universality of Divine Love Teachings**

19 February 2013

I would like to continue with this theme. I am not for or against any human religion, spiritual faith or belief. I am not in competition with human experience or belief as to what is true or untrue in the human experience to find and live the 'superior' faith or belief. The individual, to discern for themselves, what is true and untrue that relates with their individual experience of the Divine Love. I respect any individual who lives an example of love and in this example, respects one's self and others so that the human attribute of goodness prevails in all conditions.

My position in the spirit world is to primarily teach about living with the Divine Love and to work along side those other spirits in the natural Spheres establishing this awareness, so that individuals can make an informed choice as to whether one would like to partake of this true Immortal Gift. With regard to the Divine Love and being aware of this Love in the human experience, it is a bit like reinventing the wheel of human experience ... because human awareness has yet, to individually, collectively, and universally, be aware of the potential of this Love for the knowledge of this Love still so little known in the world today.

I know that most people in the world live and lead a simple life doing the best they can, often under trying circumstances and difficult conditions usually due to the financial implications that involve the

social quality of a life lived. The quality of human life is so determined by these financial structures that have social ramifications. These ramifications are no longer part of a spirit's experience. I am aware of the poverty that people live in and not just organic poverty, but social poverty, such as being able to read and write and that many, will not be able to read these words I write about love and Its' potential.

Spirits can see the state and condition of the human world easily. We have all at one time, lived a human life. We all have our human story be this for a single hour lived or a hundred years lived. There is nothing in today's world that causes us to be impressed other than the fact that the world has never before lived with such vital and viable communications systems. From a human perspective each experience is impressive; from a spirit's perspective, most who reside here ultimately wish that they had left the world by making it a better place than when they lived and left the world. The spirit world is full of individuals who believe that they wasted their human life by not contributing to the benefit of another. In the spirit world, individuals realise that their actions have dire consequences and are the legacy they leave behind.

My work will never be fulfilled until the awareness and choice for the Immortal Love has been presented to every single mortal spirit and human. Until this has happened, my work continues with those who voluntarily choose to work alongside me as we give all our attention to those who, as yet are to experience or be made aware of the Divine Love. I commenced this work with my public ministry back in those slender years when I lived my short human life. The potential for one to accept God's Divine Love has never changed from those days when I walked the Earth and when I left the world, in a better condition than when I had arrived. The world in my day was small in comparison with the population today. I cannot afford to be selective to any one particular race of human or belief of spirit for this would only diminish the reality by which I live in the universality of God's Divine Love.

It is the individual who must change, for God will never change. Change comes by being aware of things, that is why by being aware of the Divine Love, presents a reasonable choice for one to make themselves a better person from which love, respect, goodness and harmony are living in a person's life.

Thank you for receiving my words,  
*Jesus of the Celestial Heaven*

**Golden Rule: that one must always honour another's will as one honours one's own.**

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

## **SELF CENTRED ACTIONS and AGGRESSION HAS CONSEQUENCES:**

**Any action that causes harm to one's self, or to another, degrades your soul condition.  
Your soul being your real self.**

We may have a big powerful physical body, but our real strength is the condition of our soul. Should we assert our unloving nature and desires, then our soul's radiance and energy is progressively degraded. This can extend to the point where our soul's radiance is nothing more than that of a dried up darkened garden pea.

Our soul condition is reflected through our spirit body for all to see. Upon entering the spirit world, into the 1<sup>st</sup> sphere, a healthy loving soul will be reflecting out through a spirit body the same size as that of the physical body whose personality has now separated from that body.

A degraded soul results in a significant diminishment of the size of the spirit body. The poorer the condition the smaller the spirit body – significantly smaller. Further, there is little to no radiance, therefore, little to no light. There is greatly diminished capability in all aspects of spirit life and a great loss of the capability to move about.

In this condition, one is isolated into a very lonely dark environment to begin the long process of recovery and development of love for one's self and for all those around them.

One is always being loved, and help is always available, one just has to learn to accept this offer of love.

One can always recover and grow in love from what ever condition they may find themselves in.

## The RICHARD MESSAGES – MESSAGES from the CELESTIAL HEAVENS:

### **Dark Spirits and Responsibility**

14 October 2013

*Good afternoon dear friends. I wonder each day now who might write with me and this is exciting. We have frequent questions regarding the influence of dark spirits on those living on Earth. To what degree do they influence and what is their power in this? Can they overcloak or possess a person? To what degree are they responsible for evil actions committed on Earth?*

*I am also very interested in the Spirit Laws. I imagine that there are many of them and my particular interest at present is in those laws that directly impact on our lives on Earth. Actually, having written that, I thought that this will probably include all of these laws as we are simply part of the whole. I do imagine that the laws that primarily relate to physical systems such as gravity and aerodynamics are not a great concern to the Spirit World.*

Good afternoon dear brother. I am pleased that you are open to the possibility of a new writer each day as this is an indication of your openness. So, today as you already know it is a familiar old friend as I am Richard once more.

Agnes has enjoyed writing with you and she will return as she has much to offer and is glad to do so. She noticed our activity and approached us and we are very pleased to have her contributions. I have told you that many of us will write with you and we don't yet know how many of these will be so there are surprises for us as well. You have expressed a desire to speak with the Master Jesus and He is aware of this and will speak at the right time in the near future. So that is a pleasure in store for all of us as all of us enjoy his company and his teaching. You may consider that we will have heard it all before but there is a quality in his teaching that goes well beyond what he might say as it includes the whole of himself and his presence is wonderful to experience. I have told you before that in what we say to you there are elements that are not necessarily immediately apparent on the surface. This is so to an even greater degree in all that Jesus says.

The presence of what might almost be considered to be subliminal messages in what we write explains what might appear to be the exhaustive and perhaps unnecessary repetition of messages. As you read you may think that you have heard all of this before and maybe you have but perhaps have not yet really felt the message within the message. Please be patient and be not too hasty to judge what you see written. There are often quite strong reasons for this particular writing. If you have really felt the inner message you may be happy to read it again without any contrary feeling. Patience, acceptance and humility are the orders of every day. The process of embodying Divine Love is gradual and comes from inner to outer. For all there are elements of this experience which are completely new and which need to be felt, allowed and accepted.

There will be many who communicate and all will have much to offer. There are always limits as to how much you can conceive of what is said as our personal state and our place and way of living is so different to your own. This is not such a great barrier. Your function is to find as much harmony in your life situation as is possible and ours is to find ways to interact with you and your situation. Finding your own harmony necessarily involves doing whatever you need to do to improve your soul condition and to foster the development of your soul potential. This is what everyone on Earth needs to

do in order to find harmony. Remember always that all of us have lived on Earth at some time and now have a much deeper understanding of life overall including that time on Earth. In the light of the totality of your life especially when you consider Immortality to be real for you, your Earth experience is very brief but very important in respect of the potential for development that exists for everyone in this time. This time is necessarily intense but potentially extremely productive.

When you speak of **dark spirits** you are speaking of those who have largely failed to realise the importance of their Earth life and the effects of the ways in which they have chosen to live. They come to the Spirit World with large burdens of what can be called debts to settle. Perhaps the greatest of these debts arises from their refusal to accept responsibility for all that they have done on Earth. Virtually all of what are regarded as evil acts can only really be done by those who feel little or no responsibility for what they do.

There is a deep and little known or understood consequence of failure to take personal responsibility for all that one does. When one does take responsibility for an action, this leads to the completion or fulfilment of the deed whatever it may be. If the deed is what could be called 'good' or truly desirable the fulfilment that comes is a feeling of satisfaction and a degree of deep freedom. This can be regarded as satisfaction which is a state of spirit.

If the deed is one that produces harm of any sort to self or to others, the acceptance of personal responsibility immediately opens one to the feelings of lack of fulfilment and the need to make some form of recompense. If one then acts on this felt need, then one can proceed to fulfilment and satisfaction. The recompense called for will of course vary greatly depending on the deed and its effects. There are many possibilities in this and the acceptance of responsibility may be delayed for shorter or longer periods and this alters the form of recompense that is needed or possible.

Whenever there is failure to take responsibility for an action either partially or in full, the person is left with deep feelings of dissatisfaction and discontent. This is quite contrary to the satisfaction that many claim follows an act of revenge or retribution. The deep truth is that there is no satisfaction at all so that the discontent continues and tends to fester. Now this is a very common way of acting in human life as there are very few indeed who do act with a constant sense of personal responsibility. Therefore there is a well of dissatisfaction existing in humanity and this is felt much more deeply by those who remain completely obdurate in their refusal to countenance taking responsibility. The effects vary greatly depending on the level of harm resulting from the actions of any person. There are many who consider that they are living worthy lives who are actually incurring levels of debt that greatly surprise them when they inevitably discover this.

Dissatisfaction drives behaviours so that one who feels this strongly often feels driven to do the same type of acts repeatedly in the hope that they will eventually find what it is that they seek.

Those whom you regard as dark spirits are those who pass with burdens that are sometimes unimaginably large. They have very deep sense of dissatisfaction and needs which they cannot satisfy in their new location which is quite harmonious with their soul condition. The only thing which will save them and allow them to progress from here is the beginning of accepting responsibility for all that they have done. They are exposed to the full measure of their dissatisfaction and this is often unbearably difficult. They often attempt to deal with this by denial of where they are and how they got

there and focus their attention on the Earth life they have left with feelings of having been cheated and denied fair treatment. There is still a sense that they could be free if only they had been able to really complete what they believed or hoped would give them freedom on Earth.

They are now bound by the Law of Non Interference which prevents them from actually harming any other spirit or any human. They actually cannot incur any further debt once they have passed into spirit. Imagine the frustration of one whose whole life has been dedicated to harming others or to self-indulgence with no concern for anyone else. They will often seek association with humans who are living in similar ways to their own lives believing that they may find some salvation there by influencing these people to act in ways of which they approve and which perhaps gave them a fleeting sense of satisfaction while on Earth. Their level of influence is restricted to attempting to attract the attention or thoughts of their chosen target. In this they do not have great power at all as they are very restricted by their poor soul condition.

Any power they have depends solely on the level of receptivity of the target person. This person may be easily influenced as in the case of one who is influenced by his worldly associates to undertake some undesirable activity – ‘the one who falls in with the wrong company’. If the target person acts on the ‘suggestions’ they are offered, they are fully responsible for all that results from this. The spirit bears none of the responsibility but they also derive no satisfaction at all from their actions and so their frustration increases without their having been benefited in any way. In human life, however, the person who encourages such action by another does take responsibility and the other person does as well. There is no way of avoiding taking responsibility for one’s actions eventually but some do take a very, very long time to do this. This is really so sad as the relief and ease that one feels is enormous as soon as there is even the first step towards responsibility. Absolutely everyone has the potential to take this step regardless of the depth of their depravity on Earth. There are many here who attest to this truth.

This may seem to be a strange situation in that one could assume that the spirit is responsible to at least some degree. However, it is essential to realise the absolute nature of personal responsibility is in human life. Every person is totally responsible for their actions however they were led to them and despite whatever they might consider to be extenuating circumstances. This is very black and white and that is why it is necessary for all to consider their own actions. There is a deep complexity to this though. Virtually no person has a full awareness of the ramifications of anything they do. The good or the evil that results from an action may be far more or far less than expected or anticipated. The full measure of the good or the evil will be known is the final assessment. (I use evil here as a generic term to cover the undesirable results without implying any depth of the effect.)

Without attempting to delve further into the above statement I will say that the only rule to follow is that every person who is living a human life is fully responsible for every action that she/he takes regardless of whether they consider this just or not. Responsibility is not about justice or injustice it is simply about responsibility – no more and no less. There is an absolute equality in this that can only be truly realised and accepted when one has the awareness and acceptance of the continuance of existence beyond the physical with the ongoing possibility of progression. This progression involves the certainty of the Law of Compensation and the way in which it firmly, gently and inexorably exposes one to the Truth and Reality of life.

Having said the above, there are extenuating circumstances at times that do qualify and modify the issue of responsibility. There is the Law of Mercy the action of which recognises these situations when they occur and the effect of this law is brought to bear on the application of the Law of Compensation. You may rest assured that each person carries the responsibility for her/his own actions only and never for the actions of another.

This applies when the person's actions result from the whispering of a dark spirit. The powers of these spirits are actually very slight and only have effect when they bear upon a desire that already exists in the mind of the person affected. It is the existence of such desires that draw them into association with any person. The person who has the desire is fully responsible for this desire whether they are aware of it or not so their responsibility has begun before any spirit enters into the equation. It is often easier for dark spirits to influence those whose dark desires are strong and in an inflamed state so that they are on the verge of acting.

Some dark spirits are very determined in their futile pursuit of satisfaction in their association with the physical world. An aspect of this is their failure to take responsibility for their current state of spirit existence. When you consider this you can see that the consistent pursuit of a fruitless exercise must make one wonder in time what one is doing. Even these spirits in their determination can and do come to the realisation of the futility of what they are doing.

One or a number of dark spirits may form what seems like a strong association with a person who welcomes their attention and the association. Such a person may seem to be blissfully unaware of this association but it can only exist because they have permitted it at some level. Many people on Earth strongly avoid awareness as a way of avoiding responsibility but this doesn't work. The association of spirits may provide a welcome feeling for some so that allow it to continue. I am not making statements about the rights or wrongs of such attitudes and ways of living. People decide to live in this way for a multitude of reasons none of which abrogate their responsibility. Remember always that the Law of Compensation is a law that actually provides everyone with the ability to make recompense and compensation for every act of irresponsibility they make. It is not a law of punishment but a law of redemption. There is a huge difference. Punishment is effectively an extension of the crime for which it is administered. The provision of a facility for redemption is an act of great love that allows the full recovery of an individual into a state of love.

The laws of God are universally applied equally to all with no favour or judgment and with the full measure of mercy where this is warranted.

No spirit can enter the physical body of a person or displace the spirit body or soul of another. No spirit can take possession of another even though their influences that are accepted and acted upon by a person may give the appearance that this is so.

Dark spirits are not bound to the Earth even though that may be where they direct a large part of their attention in order to avoid taking responsibility for their situation. Many seem to be quite lost as a result of their dark state and from their deep level of ignorance of life and living. The level of ignorance of so many souls is profound and it often takes a very long time to find a way through this to ignite a spark within. Many souls are in great darkness as a result of ignorance alone and not from evil acts. It is

important not to judge a dark spirit as you may have no idea what underlies their present state of darkness.

In considering the situation of any human who is behaving irresponsibly or who may appear to be severely affected by spirits it is important always to stand clear of judgment. This is, of course, a general rule in the consideration of the state and situation of any other person and of oneself. The only approach is to gently and firmly to assist a person in the direction of recognising the responsibility that exists for everyone. I don't suggest that this is always easy. Of course this begins at home with our approach to ourselves. Whenever any person feels or thinks that their own responsibility is diminished by the actions of another, it is important to think again. In doing this it is vital to remember God's approach to this situation. What is this? It is to allow the chance for redemption and compensatory behaviour. One doesn't have to die to have such a chance. The possibility always exists.

Much of what is blamed on spirits, evil or otherwise, arises out of fear that exists in humanity. The fear is there and many are controlled by their beliefs in the fears that are made to appear so real. That there is fear and that people in all good faith allow themselves to be directed by this fear in no way absolves them from their responsibility for the actions that they take. I don't want to make this sound harsh or punitive but I do want to point out that no person at any time in any situation can avoid responsibility for their actions. There is total equality in this and it is founded in Truth.

Many take a long time in the spheres to come to the acceptance and the overall equality of this situation. As I said before, the realisation and acceptance of personal responsibility is the greatest single step in progress in life whether on Earth or in the Spirit World. Accepting full responsibility for every action that one takes is a true expression of the natural love that we all have in endless quantities.

There is a great deal to learn about responsibility as there are depths within depths and every step is a lesson in love.

Enough for the moment my very dear friend. We have written well as we dip into our bottomless well to attempt to quench the thirst of so many.

I leave you with my love and the love of all of us.

Richard

## SPHERES in the SPIRITUAL REALMS.

**Spheres – Celestial Heaven, Eternal Spheres, then Spheres of Paradise:**  
The realm of the Angels is the Celestial Heavens spheres 8 to infinity.

**Spheres to infinity:** Soulmate bonding can be achieved in most of the spheres.  
(Celestial Spheres are not numbered per se.)

**Eighth Sphere:** All emotional baggage of your entire history has been dealt with – born again. This is the point of new birth, being born again. Celestial Heavens 8 to infinity true immortality.

**Seventh Sphere:** The gateway cycle, perception of sacramental nature of all things. Disappearance of the material mind and the absolute ascendancy of the soul's mind has been achieved. Divine path.

**Six Sphere:** Cycle of light / love, love / light or unity. A purely intellectual area, increasing one's knowledge, while living life in absolute harmony with God's laws of spirituality. Natural path peak.

**Fifth Sphere:** Cycle of light or wisdom. All their earthly bonds are gone. We are in one of those soul spheres, which offer great opportunities for obtaining the Love of God.

**Fourth Sphere:** Work of 'atonement' as guides and spiritual healers now excel. As humanity's helpers, their work is a means for self-realization.

**Third Sphere:** Truth always told. An area where spirits progress in their awareness. In each sphere, there are many planes. Changing pathways requires dropping back to a lower path, then proceed.

**Second Sphere:** The sphere of decision which is much more spiritual but which was hidden and outside the range of their perceptions. Spirits can now choose the path they wish to follow – desires.

**First Sphere:** Cycle of awareness. There are vibrational love barriers between each of the spheres. Highest level of the Earth planes is the point of transition from materiality to the spiritual 2<sup>nd</sup> sphere. Summerland is the highest part of the Earth planes, but it is still a very material region. Children live in Summerland in great numbers, having died prematurely. Twilight zone, the most populated area in the spirit world, and starting point for most. Various hells descending progressively into greater degrees of darkness. All souls can be assisted out of these hells no matter what level they fall. At the deepest levels, the soul finds it extremely difficult to hold itself together. The hells are not fiery physical places.

Actions are fear based.

The 2<sup>nd</sup>, 4<sup>th</sup>, 6<sup>th</sup> spirit spheres provide principally for mental and moral advancement, whereas, the 3<sup>rd</sup>, 5<sup>th</sup>, 7<sup>th</sup> soul spheres provide for progress through Feeling Healing and with Divine Love.

### **The ENERGY of a PERSONALITY in POOR SOUL CONDITION:**

A person who you meet on the street who has a poor soul condition, that is, calibrating under 200 on Dr David Hawkins' 'Map of Consciousness' is typically readily recognisable by their focus on mundane unloving agendas. They not only convey a sense of self focus and limited view of the world, they actually drain you of your own energy. When they enter the spirit world, nothing changes until they start to work on themselves and grow in love.

In the same way you recognise little is to be gained in conducting a conversation with someone on the street who is in a poor soul condition, the same applies to conversing with a spirit person who is in a poor soul condition. You simply put aside the conversation and abandon the connection, be it with a physical person or a spirit person. A loving contact is self evident. There is nothing fearful within the communication and the dialogue is highly rewarding and loving for all involved.

Using kinesiology muscle testing in conjunction with the Map of Consciousness table, one is readily able to reaffirm the level of truth and love of both the person, be it a physical person or a spirit person, and also the information being conveyed.

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.  
A calibration increase of 1 point is in fact a 10 fold increase in energy.  
A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.  
Thus the energy differentials are in fact enormous!

### **Possible relationship of Map of Consciousness (MoC) with Mansion World Spheres:**

<b>8<sup>th</sup> Sphere</b>	<b>1,081 – 1,251+ Achievement of at-onement on reaching 1,081</b>
<b>7<sup>th</sup> Sphere</b>	<b>921 – 1,080 Divine Love only, transmission to at-onement and Celestial spheres</b>
<b>6<sup>th</sup> Sphere</b>	<b>841 – 1,000 Natural love mind world – perfect Natural love</b>
<b>5<sup>th</sup> Sphere</b>	<b>781 – 920 Divine Love Mansion World</b>
<b>4<sup>th</sup> Sphere</b>	<b>651 – 840 Natural love mind Mansion World</b>
<b>3<sup>rd</sup> Sphere</b>	<b>500 – 780 Divine Love Mansion World</b>
<b>2<sup>nd</sup> Sphere</b>	<b>500 – 650 Natural love mind Mansion World</b>
<b>1<sup>st</sup> Sphere</b>	<b>1 – 499 Natural love mind world predominantly</b>

**World 1 embraces the regions of disharmony as well as introduction to Divine Love. All humanity awaken in spirit in the first Mansion World. Then they move, if required, upwards to higher mind levels or lower into the hell planes or over into the Divine Love healing worlds. Humanity, overall, calibrates around 212 on the Map of Consciousness.**

## SPHERE CREATION and the PLANES WITHIN the SPHERES

Spheres to infinity incorporate Celestial Heaven, then Eternal Spheres, and then Spheres of Paradise.

**Sphere 8 – At one with God. Start of celestial spheres.**

**Sphere 7 – transitional sphere from natural love path to celestial levels of Divine Love path.**

**Sphere 6 – highest level for those on the natural love path. In the 6<sup>th</sup> sphere state, we do not have damaging emotions.**

**Sphere 5 – Feeling Healing with Divine Love focus sphere.**

**Sphere 4 – natural love focus sphere.**

**Sphere 3 – Feeling Healing with Divine Love focus sphere .**

**Sphere 2 – to progress to the 3<sup>rd</sup>, truth is pursued, natural love focus.**

**Sphere 1 – each sphere has many plains within it.**

Spheres are created by a person entering it, then additional people enter the sphere.

Jesus has developed all the spheres above 6 progressively.

Aman and Amon were our first parents, they elected to be self reliant, not God reliant. What followed was a rapid decline into the lower spheres resulting from being self reliant.

The barriers between spheres are referred to as inter stellar boundaries, being dimensions of love.

**NOTE:** The spheres within the celestial realms are not numbered (Spheres 8 and upwards). Spheres 8 and upwards are only nominally numbered as a point of reference and relativity, they are not actually definable in the way that these charts have been set up, numbering is used for guidance only. The energy level of each sphere increases in a logarithmic progression, as does David Hawkins' Map of Consciousness scale.

### **EMOTION HOUSE CLEANING:**

We are emotional beings, a mixture of loving emotions and unloving toxic emotions.

Toxic blocked emotions such as shame, guilt, apathy, grief, fear, unloving desires, anger, and pride, are ultimately physically very damaging. Should these issues not be released they can also assign us to the hells. You can envisage these as being within your untidy basement, each tread in the stairs being one of these emotions.

Praying for God's Divine Love and embracing Feeling Healing will commence to tidy up your basement and bring you into a higher soul condition as well as better physical health.

Continue on with your Feeling Healing and the addressing of your emotional issues while always asking for and receiving Divine Love. This will bring brilliance and lustre to your first floor of your dwelling, now that the basement is clear.

It is far easier to progress up these stairs with the aid of receiving more and more Divine Love than try on your own.

As you grow in love and pass beyond the 1<sup>st</sup> sphere (floor) into the 2<sup>nd</sup> sphere (floor) you enter the realms of love, you no longer are dominated by fear. Few achieve this beauty and cleanliness.

Should you progress above the 2<sup>nd</sup> sphere by continually asking for and receiving Divine Love, then your negative emotional issues are now diminishing. Now being in the 3<sup>rd</sup> sphere, you are progressing towards the Celestial Heavens. Your home is now one of increasing beauty.

**1<sup>st</sup> SPHERE ASPECTS:**  
Summerland, etc, nurseries

Summerland, etc., are beautiful regions of 1<sup>st</sup> sphere.

Summerland, etc, are within the highest planes of the 1<sup>st</sup> Mansion World / sphere.  
There are 1,000s of plains in the 1<sup>st</sup> sphere.

Ambience of mid range plains of the 1<sup>st</sup> sphere is where the majority of humanity pass into.

2 Planes of Disharmony / Earth:  
The hells are unimaginable places of darkness.  
Consider you are stuck at the end of the deepest longest mine ever, on your own, without any lights!

## NATURAL LOVE and DIVINE LOVE SPHERES and FEELING HEALING PLANES:

### After the HAND OVER!

### Divine Love progress is to infinity

Peak of 7<sup>th</sup> sphere is where one becomes at one with our Heavenly Parents.

These calibrations are an approximation

utilising Dr David Hawkins' 'Map of Consciousness' table:

Natural Love peak is 1,000 on MoC

Natural Love  
6<sup>th</sup> Sphere  
Mansion / Mind  
Worlds with  
Feeling Healing  
MoC 840 – 1,000

Natural Love  
4<sup>th</sup> Sphere

MoC 650 – 840

Natural Love  
2<sup>nd</sup> Sphere  
Mansion / Minds  
Worlds with

MoC 500 – 650

Natural Love  
1<sup>st</sup> Sphere

MoC 200 – 500

We all enter the 1<sup>st</sup> natural love sphere on the death of our body.

HELL planes:

Hells being a sub-set of 2 Spheres of Disharmony.

Divine Love  
7<sup>th</sup> Sphere  
+ 6<sup>th</sup> growth  
MoC 840 –

Divine Love  
5<sup>th</sup> Sphere

MoC 650 –  
840

Divine Love  
3<sup>rd</sup> Sphere  
+ 2<sup>nd</sup> growth  
MoC 500 –  
650

One's natural  
love is always  
progressively  
perfected during  
this journey of  
evolution of the  
soul.

Upon embracing Divine Love at any stage, then one can progress through the Divine Love spheres 3, 5, 7, whilst also doing their Feeling-Healing.

Even though a person may have received Divine Love, they do not avoid compensation or doing their Feeling-Healing, so they may still spend time within the spheres of disharmony.

Natural Love  
sectors for those  
doing their  
Feeling-Healing,  
without the Love,  
are within the  
Natural Love  
Mansion Worlds:

Progressing  
through the  
natural love  
worlds, within  
Feeling-Healing  
sectors, while  
doing one's  
feeling healing,  
upon reaching the  
6<sup>th</sup> Sphere having  
completed  
Feeling-Healing,  
one can then  
embrace the  
Divine Love and  
proceed directly  
to the 7<sup>th</sup> Divine  
Love Sphere.

Then they may  
prepare to enter  
the Celestial  
Heaven Spheres  
from there.

This pathway is  
when the Divine  
Love is  
unavailable  
before perfecting  
one's soul.

**WHICH WAY? MIND SELF RELIANT or FEELING AND GOD RELIANT:  
To PARADISE, the HOME of OUR HEAVENLY PARENTS**

# The Way Home

**Maybe something like 30 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.**

**Mansion World 7:** is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

**Mansion World 5:** is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

**Mansion World 3:** is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

**More than 200 billion personalities have embraced their mind and self reliance through the misguidance of ‘New Age’ styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.**

**For a million years, humanity has gone  
in the wrong direction with its self-  
denial of self and feeling!**

## **I'D TURN BACK IF I WERE YOU!**

The Natural love spirit Mansion Worlds as to how they have been for all these hundreds of thousands of years and as they are set up currently, are to help spirits advance to the fullest of their self-denial that they can. That is, so as to become as evil as they can. And all under the guise of being ‘loving’.

**I'D TURN BACK  
IF I WERE YOU!**

It's why they are called the mind worlds, namely Mansion World / spheres 1, 2, 4 and 6. That is because the spirits are using their minds to complete their rebellion – denial of self and feelings, and rejection of our Heavenly Parents as well their Creator Son and Daughter. So yes, the top of Mansion World sphere 6, spirits are the most evil, the most in rebellion, the most in default, the most wrong and unloving and untrue, even though, they appear, because they've trained their mind to do so, to be the most loving, but it's all false and contrived – such as the Eastern gurus. Total mind over feelings, blocking all the bad ones and using your mind to only make you feel good.

Typical of those on their way up in the mind worlds are not open to anything, they do not want to know about feeling bad and going with their bad feelings looking for their truth, because that scares them, that's not nice, that doesn't make one feel good, it threatens their control, they reject that preferring to stay in their nice safe space. Which is how it is for these Natural love mind spirits using their minds to control their feelings.

We've all got to take responsibility for our evilness even though we were made to be that way and rebel by default, but there is no getting away from it, and it has to be compensated right to the last farthing, which is what being in the hell planes is all about, and which keeps being applied right the way through the Mansion Worlds. **In the mind worlds you can continue to use that inner pressure requiring compensation for your bad deeds, to further contrive love and pretend you are all holy and loving and not hurting anyone anymore, which on the surface of it you are not, but underneath still are, all the way up through to the sixth world; or, you can allow it to keep working on you right the way up through the Divine Love Mansion Worlds doing your Healing.**

And apparently what's going to happen is the Natural love mind Mansion Worlds are going to be divided, so within them, there will be spirits doing their Feeling Healing – without the Divine Love, and still limited to the sixth Mansion World, but looking to be true and end their rebellion. And then there will be those still carrying on denying themselves as they have always done. So you will have spirits in the Feeling Healing Natural love sectors that will truly perfect their Natural love; and those spirits still in the mind sectors perfecting their wrongness. The opposites or extremes living side by side. And then you'll still have the Divine Love Healing Mansion Worlds, being spheres 3, 5, and 7, doing their Soul Healing.

And as for a summation: “Divine Love Mansion World / sphere 3 is the wakening up to the truth that one is not loving, also their being a lot of assistance. Sphere 5 is then about going right into the depths of feeling how unloved you feel and seeing how unloving you are and how that makes you feel, also this a time when one can then progress and manage their own progress through their Feeling Healing. Sphere 7 is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, this is a time

of great realisation and comprehension with much of the prior experiences starting to be drawn together.”

Mansion World 3: is for waking up to the truth that you’re not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don’t connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

It is agreed that the lower worlds are about waking up to what’s involved, however from then on it depends on how it’s all structured for the individual in their negative state as to how much ongoing assistance they might need. Some need help all the way along, whereas others have been able to work with their feelings, themselves, right from the beginning.

And yes, each of the Divine Love healing Mansion Worlds, 3, 5 and 7, are equally painful to work through, just focusing on different aspects of yourself and your Feeling Healing with Divine Love. And then in the higher planes of the 7<sup>th</sup> world comes the transition, where one’s pain starts to end, and you start feeling so much better about yourself, you are fully accepting of your negative unloving state, you are fully unloving although even starting to become more loving – truly loving, of yourself, God, and then other people.

Then onto the Celestial Heavens by progressing into Sphere 8 and then onwards further, all the way home to Paradise.

Maybe something like 6 billion people have recognised that our Mother and Father’s Divine Love, together with embracing one’s Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of ‘New Age’ styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

The 1<sup>st</sup> and 2<sup>nd</sup> Spirit Mind Mansion Worlds / spheres are jammed to the rafters.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

**CRYING WORLDS HEAL, the LOVE WORLDS LIBERATE PERSONALITY:**

To PARADISE, the HOME of OUR HEAVENLY PARENTS

# The Way Home

Celestial Heavens are the Spheres of Love.

One has to be a fully integrated personality, as in expressing all the aspects of one's self equally and lovingly, before one can leave the 3<sup>rd</sup> Celestial sphere – Sphere of Love, after having embraced the Way of Feelings.

When in the Celestial Heavens we work on bringing to light all the attributes of one's personality. We are to be a fully integrated personality, as in expressing all the aspects of ourself equally and lovingly, before you can leave the third Celestial sphere.

While we progress through the Divine Love Crying Worlds, we are to live true to our untruth, by living the truth of it. We only need to be true and perfect to our untrue state, and when we've done that, we're Healed. Even though we're still imperfect so far as fully expressing our personality, all of which we then perfect at the Celestial level. So really to qualify for the Celestials, that is about one living completely true to one's wrongness, and partaking of the Divine Love to a certain level, and then once that's done and being a Celestial, one can carry on bringing to light all those parts that one was denied the expression of whilst living untruth to oneself.

We are to uncover the truth of our untruth through the Healing crying Mansion Worlds levels (and their equivalent on Earth); and then once that's done, and with the appropriate amount of Divine Love in our soul warranting fusion with our Indwelling Spirit, we can move into the Celestial spheres of love (or their equivalent on Earth).

Earth has been subjected to the Rebellion and Default until now! As a soulmate pair progress with their Feeling Healing, the Rebellion and Default conditions are being cancelled.

We all arrive into the 1<sup>st</sup> Mind Natural Love Mansion World. Most continue their way of living without any awareness of the Feeling Healing process and the availability of Divine Love.

The 1<sup>st</sup> and 2<sup>nd</sup> Mind natural love Mansion Worlds are jammed to the rafters with spirit personalities. Those who progress to the 4<sup>th</sup> and 6<sup>th</sup> Mind Mansion Worlds are progressing further away from God, continuing with the Way of the Mind!

### Dr David Hawkins' MAP of CONSCIOUSNESS:

Dr David R Hawkins first published this table in his book, Power vs Force. A total of eight books by Dr Hawkins provides great depth and understanding to kinesiology muscle testing and what can be discerned in conjunction with the Map of Consciousness.

At 500, one has progressed into the 2<sup>nd</sup> Sphere of living.

Below 200, one is functioning in a soul condition with very little energy reflective of the hells.

### **NATURAL LOVE or HUMANITY's ERRONEOUS EMOTIONS:**

Your soul, being your real you, is an emotional being. Your soul, though a thought of God, does not possess anything of the divine within it. It existed in a state of bliss, in a natural love state, pending individualisation which is achieved at conception which is the time of incarnation. Your soul is endowed with natural love emotions noted within the top section of the Map of Consciousness scale, being those emotions calibrating above 200.

Humanity's erroneous emotions are those calibrating below 200 on the Map of Consciousness. The environment around a newly conceived child progressively degrades the condition of that child's soul. When the child reaches about the age of 7, the child's soul condition will reflect the parent's condition. These negative emotions are like a crust around the pure soul it has within.

## **GENERAL INFORMATION:**

David R Hawkins – Transcending the Levels of Consciousness P.372

The energy field of consciousness is infinite in dimension. Specific levels correlate with human consciousness, and these have been calibrated from “1” to “1,000”. See the Map of Consciousness. These fields reflect and dominate human consciousness.

Everything in the universe radiates a specific frequency or minute energy field that remains in the field of consciousness permanently. Thus, every person or being whoever lived and anything about them, including any event, thought, deed, feeling, or attitude, is recorded forever and can be retrieved at any time in the present or the future.

## **TECHNIQUE**

The kinesiological response (muscle testing) is a simple “yes” or “not yes” (no) response to a specific stimulus. It is usually done by the subject’s holding out an extended arm and the tester pressing down on the wrist (bony bit) of the extended arm, using two fingers and light pressure. Usually the subject holds a substance to be tested over their solar plexus with the other hand. The test says to the test subject, “Resist”, and if the substance being tested is beneficial to the subject, the arm will be strong. If it is not beneficial or has an adverse effect, the arm will go weak. The response is very quick and brief.

*Basics of Muscle Testing*

**It is important to note that the intention, as well as both the tester and the one being tested, must calibrate over 200 in order to obtain accurate responses.**

**If either the tester or the one being tested is dehydrated, errors will occur. A large glass of water will promptly remedy this situation.**

Solar plexus is that region about 2.5 inches above your belly button. The test subject holds the item over their solar plexus with one hand and extends the other arm for response in the normal way.

The higher the levels of consciousness of the test team, the more accurate are the results. The best attitude is one of clinical detachment, posing a statement with the prefix statement, “In the name of the highest good, \_\_\_\_\_ calibrates as true. Over 100 on the Map of Consciousness. Over 200, etc.” The contextualization “in the highest good” increases accuracy because it transcends self-serving personal interest and motives.

For many years, the test was thought to be a local response of the body's acupuncture or immune system. Later research, however, has revealed that the response is not a local response to the body at all, but instead is a general response of consciousness itself to the energy of a substance or a statement. That which is true, beneficial, or pro-life gives a positive response that stems from the impersonal field or consciousness, which is present in everyone living. This positive response is indicated by the body's musculature going strong. For convenience, the deltoid muscle is usually the one best used as an indicator muscle; however, any of the muscles of the body can be used, such as the gastrocnemias, which are often used by practitioners such as chiropractors.

Before a question (in the form of a short statement) is presented, it is necessary to qualify 'permission'; that is, state "I have permission to ask about what I am holding in mind." (Yes / No) Or, "This calibration serves the highest good."

If a statement is false or a substance is injurious, the muscles go weak quickly in response to the command "Resist". This indicates the stimulus is negative, untrue, anti-life, or the answer is "no". The response is fast and brief in duration. The body will then rapidly recover and return to normal muscle tension.

There are three ways of doing the testing. The one that is used in research and also most generally used requires two people: the tester and the test subject. A quiet setting is preferred, with no background music. The test subject closes their eyes. *The tester must phrase the 'question' to be asked in the form of a statement.* The statement can then be answered as "yes" or "not yes" (no) by the kinesiological response. For instance, the incorrect form would be to ask, "Is this a healthy horse?" rather than make the statement, "This horse is healthy", or its corollary, "This horse is sick."

After making the statement, the tester says "Resist" to the test subject who is holding the extended arm parallel to the ground. The tester presses down with two fingers on the wrist of the extended arm sharply, with mild force. The test subject's arm will either stay strong, indicating a "yes", or go weak, indicating a "not yes" (no). The response is short and immediate.

A second method is the "O-ring" method, which can be done alone. The thumb and middle finger of the same hand are held tightly in an "O" configuration, and the hooked forefinger of the opposite hand is used to try to pull them apart. There is a noticeable difference of the strength between a "yes" and a "no response. (Rose, 2001).

The third method is the simplest, yet, like the others, requires some practice. Simply lift a heavy object, such as a large dictionary or merely a couple of bricks, from a table about waist high. Hold in mind an image or true statement to be calibrated and lift. Then, for contrast, hold in mind that which is known to be false. Note the ease of lifting when truth is held in mind and the greater effort necessary to lift the load when the issue is false (not true). The results can be verified using the other two methods.

## CALIBRATION of SPECIFIC LEVELS

The critical point between positive and negative, between true and false, or between that which is constructive or destructive, is at the calibrated level of 200 (see Map of Consciousness). Anything above 200, or true, makes the subject go strong; anything below 200, or false, allows the arm to go weak.

Anything past or present, including images or statements, historical events, or personages, can be tested. They need not be verbalized.

## NUMERICAL CALIBRATION

Example: "Ramana Marharshi's teachings calibrate over 700." (Y / N)

Or, "Hitler calibrated over 200." (Y / N) "When he was in his 20s." (Y / N) "His 30s." (Y / N) "His 40s." (Y / N) "At the time of his death." (Y / N)

## APPLICATIONS

The kinesiological test cannot be used to foretell the future; otherwise, there are no limits as to what can be asked. Consciousness has no limits in time or space; however, permission may be denied. All current or historical events are available for questioning. The answers are impersonal and do not depend on the belief systems of either the tester or the test subject. For example, protoplasm recoils to noxious stimuli and flesh bleeds. Those are the qualities of these test materials and are impersonal. Consciousness actually knows only truth because only truth has actual existence. It does not respond to falsehood because falsehood does not have existence in Reality. It will also not respond accurately to nonintegrous or egoistic questions, such as should one buy a certain stock.

Accurately speaking, the kinesiological response is either an "on" response or it is merely "not on". Like the electrical switch, we say the electricity is "on", and when we use the term "off", we just mean that it is not there. In reality, there is no such thing as "off-ness". This is a subtle statement but crucial to the understanding of the nature of consciousness. Consciousness is capable of recognising only Truth. It merely fails to respond to falsehood. Similarly, a mirror reflects an image only if there is an object to reflect. If no object is present to the mirror, there is no reflected image.

## To CALIBRATE a LEVEL

Calibrate levels are relative to a specific reference scale. To arrive at the same figures as in the Map of Consciousness, reference must be made to that table or by a statement such as, "On a scale of human consciousness from 1 to 1,000, where 600 indicates Enlightenment, this \_\_\_\_\_ calibrates over \_\_\_\_\_ (a number)." Or, "On a scale of consciousness where 200 is the level of Truth and 500 is the level of Love, this statement calibrates over \_\_\_\_\_. (State a specific number.)

## GENERAL INFORMATION

People generally want to determine truth from falsehood. Therefore, the statement has to be made very specifically. Avoid using general terms such as a "good" job to apply for. "Good" in what way? Pay scale? Working conditions? Promotional opportunities? Fairness of the boss?

## EXPERTISE

Familiarity with the test brings progressive expertise. The "right" questions to ask begin to spring forth and can become almost uncannily accurate. If the same tester and test subject work together for a period of time, one or both of them will develop what can become an amazing accuracy and capability of pinpointing just what specific questions to ask, even though the subject is totally unknown by either one. For instance, the tester has lost an object and begins by saying, "I left it in my office." (Answer: No.) "I left it in the car". (Answer: No.) All of a sudden, the test subject almost 'sees' the object and says, "Ask, 'On the back of the bathroom door.'" The test subject says, "The object is hanging on the back of the bathroom door." (Answer: Yes.) In this actual case, the test subject did not even know that the tester has stopped for gas and left the jacket in the restroom of a gasoline station.

Any information can be obtained about anything anywhere in current or past time or space, depending on receiving prior permission. (Sometimes one gets a 'no', perhaps for karmic or other unknown reasons.) By cross-checking, accuracy can be easily confirmed. For anyone who learns the technique, more information is available instantaneously than can be held in all the computers and libraries of the world. The possibilities are therefore obviously unlimited, and the prospects breathtaking.

## LIMITATIONS

Approximately ten percent of the population is not able to use the kinesiological testing technique for as yet unknown reasons. The test is accurate only if the test subjects themselves calibrate over 200 and the intention of the use of the test is integrinous and also calibrates over 200. The requirement is one of detached objectivity and alignment with truth rather than subjective opinion. Thus, to try to 'prove a point' negates accuracy. Sometimes married couples, also for reasons as yet undiscovered, are unable to use each other as test subjects and may have to find a third person to be a test partner.

A suitable test subject is a person whose arm goes strong when a love object or person is held in mind, and it goes weak if that which is negative (fear, hate, guilt, etc.) is held in mind (e.g., Winston Churchill makes one go strong and bin Laden makes one go weak).

Occasionally, a suitable test subject gives paradoxical responses. This can usually be cleared by doing the “thymic thump”, as was discovered by Dr John Diamond. (With a closed fist, thump three times over the upper breastbone, smile, and say “ha-ha-ha” with each thump and mentally picture someone or something that is loved.)

The temporary imbalance will then clear up. It can be occasioned by recently having been with negative people, listening to heavy metal rock music, watching violent television programs, playing violent video games, etc. Negative music energy has a deleterious effect on the energy system of the body for up to one-half hour after it is turned off. Television commercials or background are also a common source of negative energy.

As previously noted, the kinesiological method of discerning truth from falsehood and the calibrated levels of truth has strict requirements. Because of the limitations, calibrated levels are supplied for ready reference in prior books by David R Hawkins, and extensively in *Truth vs Falsehood*.

## EXPLANATION

The kinesiological test is independent of personal opinion or beliefs and is an impersonal response of the field of consciousness, just as protoplasm is impersonal in its responses. This can be demonstrated by the observation that the test responses are the same whether verbalised or held silently in mind. Thus, the test subject is not influenced by the question, as they don't even know what it is. To demonstrate this, do the following exercise:

The tester holds in mind an image unknown to the test subject and states, “The image I am holding in mind is positive” (or “true”, or “calibrates over 200”, etc.). On direction, the test subject then resists the downward pressure on the wrist. If the tester holds a positive image in mind (e.g., Abraham Lincoln, Jesus, Mother Teresa, etc.), the test subject’s arm muscle will go strong. If the test holds a false statement or negative image in mind (e.g., bin Laden, Hitler, etc.), the arm will go weak. Inasmuch as the test subject does not know what the tester has in mind, the results are not influenced by personal beliefs.

## CORRECT KINESIOLOGICAL TECHNIQUE

Just as Galileo's interest was in astronomy and not in making telescopes, the Institute for Advanced Spiritual Research is devoted to Consciousness research and not specifically to kinesiology. The video, Power Versus Force (Veritas Publishing, 1995), demonstrates the basic technique. More detailed information about kinesiology may be found on the Internet by searching for 'kinesiology'. Numerous references are provided, such as the College of Applied Kinesiology ([www.icak.com](http://www.icak.com)), and other education institutions.

## DISQUALIFICATION

Both scepticism (cal. 160) and cynicism calibrate below 200 because they reflect negative pre-judgement. In contrast, true inquiry requires an open mind and honesty devoid of intellectual vanity. Negative studies of behavioural kinesiology *all* calibrate below 200 (usually at 160), as do the investigators themselves.

That even famous professors can and do calibrate below 200 may seem surprising to the average person. Thus, negative studies are a consequence of negative bias. As an example, Francis Crick's research design that led to the discovery of the double helix pattern of DNA calibrated at 440. His last research design, which was intended to prove that consciousness was just a product of neuronal activity, calibrated at only 135.

The failure of investigators who themselves, or by faulty research design, calibrate below 200 (all calibrate at approximately 160), confirms the truth of the very methodology they claim to disprove. They 'should' get negative results, and so they do, what paradoxically proves the accuracy of the test to detect the difference between unbiased integrity and non-integrity.

Any new discovery may upset the apple cart and be viewed as a threat to the status quo of prevailing belief systems. That a clinical science of consciousness has emerged that validates spiritual Reality is, of course, going to precipitate resistance, as it is actually a direct confrontation to the dominion of the narcissistic core of the ego itself, which is innately presumptuous and opinionated.

Below consciousness level 200, comprehension is limited to the dominance of Lower Mind, which is capable of recognizing facts but not yet able to grasp what is meant by the term 'truth' (it confuses *res interna* with *res externa*), and that truth has physiological accompaniments that are different from falsehood. Additionally, truth is intuited as evidenced by the use of voice analysis, the study of body language, pupillary-response EEG changes in the brain, fluctuations in breathing and blood pressure, galvanic skin response, dowsing, and even the Huna technique of measuring the distance that the aura radiates from the body. Some people have a very simple technique that utilizes the standing body like a pendulum (fall forward with truth and backward with falsehood).

From a more advanced contextualization, the principles that prevail are that Truth cannot be disproved by falsehood any more than light can be disproved by darkness. The nonlinear is not subject to the limitations of the linear. Truth is of a different paradigm from logic and thus is not ‘provable’, as that which is provable calibrates only in the 400s. Consciousness research kinesiology operates at level 600, which is at the interface of the linear and the nonlinear dimensions.

## **DISCREPANCIES**

Differing calibrations may be obtained over time or by different investigators for a variety of reasons:

1. Situations, people, politics, policies, and attitudes change over time.
2. People tend to sue different sensory modalities when they hold something in mind, i.e., visual, sensory, auditory, or feeling. “Your mother” could therefore be how she looked, felt, sounded, etc., or Henry Ford could be calibrated as a father, as an industrialist, for his impact on America, his anti-Semitism, etc.

One can specify context and stick to a prevailing modality. The same team using the same technique will get results that are internally consistent. Expertise develops with practice. There are some people, however, who are incapable of a scientific, detached attitude and unable to be objective, and for whom the kinesiological method will therefore not be accurate. Dedication and intention to the truth have to be given priority over personal opinions and trying to prove them as being “right”.

### **Note:**

The Map of Consciousness (MoC) table is based on the common log of 10. It is not a numeric table.

A calibration increase of 1 point is in fact a 10 fold increase in energy.

A calibration increase of 10 points is in fact a 10,000,000,000 fold increase in energy.

Thus the energy differentials are in fact enormous!

At the level of 200 on the scale of 1 to 1,000 you achieve a positive level, below is negative.

Example: Any food calibrating below 200 is not life enhancing.

**Always ensure you are hydrated – drink a glass of water.**

## **WE ARRIVE DETUNED!**

Our souls are a divine creation of our Heavenly Mother and Father. They could not be any other way! And are designed (such as how it has been for us) to begin incarnation in a Natural love condition reflecting the Natural love state of our world.

And we have also been provided with the opportunity to experience what is being ‘evil’, to live denying our Natural love, as seen through the denial of many of our feelings. So we here on planet Earth live on a world that has Rebelled (and then also Defaulted), of which there are only 37 within the local universe of Nebadon, consisting of 3.8 million physical worlds under the regency of Mary Magdalene and Jesus – the spiritual parents of truth of all of Nebadon! And we assassinated Jesus, and completely denied Mary not allowing her to have her say about the truth.

As a consequence, we are ‘detuned’ from our Natural love state and divine origin. You could say we arrived with all parts functional, however, in our untrue, dysfunctional and distorted state, we’re badly in need of a severe service, tune up or a complete reconditioning. Our goal being to bring our true self to the fore by doing our Feeling Healing, and then to progress beyond our Natural love state by further advancing our soul condition through the process of Soul Healing and receiving our Parents’ Divine Love – becoming divine.

In our feeling- and truth-denying untrue Natural love state, we have been made to use our minds to dominate our feelings, becoming more like that of mind-based creatures of nature than of human souls of truth and feelings. And this is the wrong way for us to develop. So to step beyond this limitation, we are to live true to our feelings. Our heartfelt feelings being the guiding lights to our evolution and growth of truth.

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it’s all right there already built in and can be found through our feelings – our soul based feelings.

By living true to our self, true to our feelings, we are living true to God. It’s that simple.

Thus we are detuned once our incarnation begins. However, the way is now open for us to bring about our full divinity. To completely Heal all that’s wrong within us on a Natural love level. To embrace and then transform that Natural love into a divine state through partaking of our Heavenly Parents’ Divine Love. All the while attuning ourselves to divine perfection and enjoying the fullness of our divinity and love, as we ascend in truth on our journey all the way to Paradise – the home of our Heavenly Parents.

**WE were DIVINE, and  
WE are to BECOME DIVINE AGAIN:**

Our personality, our soul, our real self, are all creations of our Heavenly Parents. We, our real selves, are not creations of our physical parents. Within our original status, we were of Divine nature.

Our physical parents, from our conception, endeavour to mould us into being ‘little me’s’, that is, replicas of themselves, imposing their beliefs and personality traits upon each of us. They crush our individuality and free will. They destroy our personality, our true self. They inflict upon each of us their ways, all of which are of a result of the Rebellion and Default of many, many generations ago. They drive us into believing and subsequently becoming dependant upon our minds. This is not the way for us to express our true selves and evolve along the path towards our true parents, our Heavenly Mother and Father. We are to embrace the Eternal Son of Truth, not the Infinite Daughter of Mind.

No, we are not in the image of our physical parents. Though we may look like them, and act like them because they have dramatically and successfully crushed our true personality, we are each very unique and independent of our parents and all other family members. When we begin to progress along the path of engaging with our soul based feelings and seek for the Truth of our feelings, we will become free of our parents’ impositions and suppression.

Upon starting our physical life experience on Earth, our divinely created soul begins to express us as one of our soul’s two personalities in Natural love. However because of Earth being in Rebellion, so we are parented into a rebellious and anti truth and anti love state of mind control over our feelings and true self.

**WRONG WAY  
GO BACK**

Natural love is good, just ‘less’ or different to Divine Love. And it’s that in our rebellious state, we’re rebelling against Natural love, and Divine Love by not taking Jesus and Mary up on their offer and allowing the Divine Love to transform our soul, as we perfect our Natural love by doing our Healing.

By living true to our self, true to our feelings, we are living true to God. It’s that simple. The revealing of the Feeling Healing process is the commencement of our ability to begin the Great U-Turn and go the right way. Should we then also embrace our Heavenly Parents’ Divine Love, we can also commence our Soul Healing and a returning to that of being divine – this is our destiny.

**CREATED in THEIR IMAGE:**

James: Mary, what does ‘we being created in the image of God’ really mean?

Mary M: It means that our Mother and Father used Themselves as the model or template if you like, upon which to bring us into being, those of us who have existential souls with the potential of expressing their two personalities in Creation.

And although our souls are divine, as in being divinely created, still whilst we start our personality expression in Natural love, so we need the Divine Love to come into our soul and bring it into the levels of Celestial divinity.

Natural love, so basically the whole of Creation, is of the image of God, and we being divinely created souls can be part of God’s Divinity becoming divine ourselves. So through your Healing, James, you become progressively divine by partaking of the Divine Love and healing yourself into perfection – your true self. And by the time you’ve completed your Healing, your soul is of the Divine Love level of Celestial truth, and your personality is an expression of that level of truth, it all being ‘confirmed’ and cemented – fused – into place upon the direct soul-union with your Indwelling Spirit. Then you are of the essence of God, true and perfect to the level of the first Celestial sphere, the first sphere of true divinity.

Mary Magdalene communicating with James 20 November 2017

## WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

**HUM:** Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon us by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

**AVO:** We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

**J&M:** We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

**M&F:** Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

## WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

**GOD**

**J&M**

**AVO**

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.  
We are to long for the truth of what we are feeling.  
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

**By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

### HOW TO GET TO PARADISE:

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

# Mother and Father Heavenly Parents

Creator Son & Daughter  
Jesus and Mary

Avonals  
as soulmate pairs

Trinity Teachers  
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifer, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It's all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we're ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

**Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.**

**Humanity** is to pursue the pathway for Truth through one's soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one's Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents' Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

### CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

**WE EACH have a Nature Spirit pair, Spirit Guide pair and an Angelic Pair:**

**For those doing their Healing or are interested in doing it will** from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about ‘sharing’ the same angels or guides or nature spirits, it is about you relating specifically to your ‘own’ ones because they are provided for YOU. It’s all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it’s the same of course in life with your friends, however over there, in spirit, dealing with Nature Spirits, Spirit Guides, and Angels, it’s more personal and private and ‘JUST FOR YOU’. So we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain’t going to be assigned to anyone else, so she won’t be sharing herself around.

This is SO IMPORTANT to understand so that in future there won’t be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is all they are speaking with.

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their ‘soulmate’ relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit Mansion Worlds, however, our personal Angelic pair continues with us to Paradise, and then even possibly being with us throughout eternity.

## **OUR GUIDANCE to PARADISE, the home of our HEAVENLY PARENTS:**

There are three distinct phases of our progression to the home of our Heavenly Parents which is Paradise that is within the circle of seven Super Universes, each containing many Local Universes.

Once we progress beyond our Local Universe of Nebadon, then we are assisted and guided by our Heavenly Parents, our true Mother and Father all the way home to Paradise.

Before then, once we have completed our soul healing, we are guided through the Celestial Heaven worlds which are those that interact with humanity on Earth, then further on into and then out through Nebadon, our Local Universe. The regents of Nebadon are Mary and Jesus.

However, before then, we are to embrace our healing. That is, we are to realise who we truly are. We are not the personalities that our parents imposed upon us. We are to put aside our childhood suppression and repression and free our true personality that our Heavenly Parents gave us, and to do this we are now able to embrace the guidance of the Avonal Pair who will lead us through our healing here on Earth and through the Spirit Mansion Worlds to be able to enter the Celestial Heavens.

## Feelings First Spirituality The New Way

**Feelings First**  
**FF**  
**Feeling Free**

The New Way, Feelings First Spirituality  
Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings  
Free your feelings from your mind's control  
Live true to your feelings; your feelings are your true self  
Live true to yourself through your feelings

Live true to yourself by living true to your feelings.  
Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly, BAD feelings.  
Want to understand why you're feeling them.  
Use your surface feelings to take you deeper into your repressed and hidden feelings.

The Feeling Way is the True Way.  
 Your feelings are your spiritual guide.  
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

**Feelings First; then comes The Truth; then comes Love.**

**DIVINE LOVE:**

<http://www.fcdt.org/divinelove.htm>

The words "Divine Love" have been used in many contexts to convey different meanings. But in the context of our Heavenly Father, Divine Love is the greatest gift in all the universe. It transcends all else that can assist humankind fulfil their dreams of happiness and have them resolved within themselves. God's Divine Love is the one thing in all of God's infinite universe that can bring about eternal life and everlasting happiness in the Celestial Kingdom.

***What is Divine Love?***

The Divine Love differs from the natural love of man with which he was endowed when created, which belongs to all humans, and which they all possess in a more or less perfect condition in this: that the Divine Love is that Love which belongs to or is a part of God, possessing His Nature and composed of His Substance, and which, when possessed by a human soul to a sufficient degree, makes him divine and of the nature of God.

***What is the New Birth?***

The New Birth is simply the effect of the flowing of this Divine Love of the Father into the soul of a man and the disappearing of everything that tends to sin and error. As the Divine Love takes possession of the soul, sin and error disappear. It, the soul, becomes of a quality like the Great Soul of the Father. And with the Soul of the Father being Divine and immortal in Its quality of Love, so, when the soul of man becomes possessed of this quality of Love, the soul being the man, this soul becomes divine also. Then, the image becomes the substance; the mortal becomes the immortal; and the soul of man, as to love and hope, becomes a part of the Father's Divinity.

### **How does one receive the Divine Love?**

The only way is simply this: that men shall believe with all the sincerity of their minds and souls that this great Love of the Father is waiting to be bestowed upon each and all of them; and that when they come to the Father in faith and earnest aspirations, this Love will not be withholden from them. And, in addition to this belief, that they pray with all the earnestness and longings of their souls that the Father will open up their souls to the inflowing of this Love, and that then may come the Holy Spirit to them to bring this Love into their souls in such abundance that their souls may be transformed into the very Essence of the Father's Love. The soul who will thus believe and pray will never be disappointed, and the Way to the Kingdom will be his as certainly as that the sun shines by day upon the just and unjust alike.

#### **Take the test.**

Too often we are told to believe something based on what we are told. You don't have to "believe" anymore. Now you can have physical proof of the existence of God and His Love for you?

*"test my teachings that the Father's Love was now available, and pray for it to the Father in earnest prayer, and see whether, if this was done in sincerity, the Father's Love, conveyed through the Holy Spirit, would burn and glow in the soul, by which sign they would realize His Love was present therein." – Jesus*

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

**The BEAUTIFUL MIRACLE:**

5 October 2012

**The DIVINE UNIVERSE**

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. Let us go back to the beginning. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union completes. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body, to give an analogy, are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other, then one is living in the presence of the Father in perfect harmony, and this clarifies the truth about what it means to be truly at-one with God.

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas  
[www.lulu.com](http://www.lulu.com)

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

**Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.**

## The DIVINE UNIVERSE:

179. *The Nature and Stages of Fusion*

17 December 2012

In our writings together in this collaboration we have introduced much experience on the nature of Divine Love. We have conveyed vision and experience to the best of our knowledge and to the best of how our spirit-communications have facilitated this dialogue. We have tried to convey workings of universal Love and Spirit to the best of our ability that dovetails into extending the nature of personality, all of this in the view that the essential truth is always one's relationship with the Soul, God, in faith, love and the Divine Love.

This work first commenced with the life, the human life of Jesus, then continued with the spirit writings of James Padgett. Our current work introduces many themes situated in potentials, harmony and Immortality all the way defining the nature of a mortal personality comprising of its attributes and to illuminate the soul and the spirit body. We have established that the forming personality survives its human life and continues its existence in the mortal spirit world. We have defined what the mortal spirit world is in its function. We have written and communicated from our experience having lived in Divine Love and with your assistance, we have been able to give wide breadth of vision to this work so that another may derive insight, spirit illumination, vision, potential, thought-provoking information and, for one to find solace in. Above all, it is our hope that these works demonstrate the reality that the Divine Love is real along with the attribute of mortal soul and the mortal spirit body, and it is from the understanding of how the personality comprises of these two attributes provides a unified vision of the human experience and earthly world with a spirit's experience in the spirit world culminating and accommodating for the same outcome, which is an acceptance of the Soul, God.

I desire to write on the *Stages of Fusion* a mortal personality experiences when the attribute of soul and spirit body form the individual.

The formed image of the attribute of each unique soul begins with its creation. The originator and First Source of all mortal life, the Soul God, commences a mortal soul life by forming a complete soul. This mortal attribute upon its creation and upon its advent into the Pre-Incarnation Sphere where it awaits incarnation into a human life is subject to a single act upon it as the first stage of fusion. A single Spirit Law that only exists in the Pre-Incarnation Sphere acts upon God's Spirit Will and divides each complete soul. The soul then becomes as it where two distinct and separate attributes or parts and in each part the whole attribute and potential for the receipt of Divine Love and imminent incarnation for individualisation plus other potentials form a complete part of each part of the complete soul. **This first aspect of Fusion** is to actually separate and not to bring together.

The two distinct parts of the complete soul reside in this Sphere until the imminent approach of incarnation. When incarnation occurs, each part will incarnate into one of each human sex and never shall these two independent parts incarnate into the same sex. There is a very good reason for this. When one is aware of the potential of Divine Love and the possibility for a Celestial soulmate companionship, then one understands why it was necessary for the complete soul to fuse apart and form two distinct attributes. Each attribute will always remain independent in the forming of their unique mortal personality and derived human experiences from a human life. Never shall these two distinct attributes incarnate into a single forming personality. I am also aware, and you have written an account

of this before, that each attribute of soul in this Sphere does not have as part of its original forming, any personality other than its attributes and potentials which means that any self-determination or voluntary decision to pick and choose or to select a human life is absent from the soul when the soul resides in the Pre-Incarnation Sphere.

Humans, mortals and Immortal spirits cannot influence the attributes of soul in this Sphere. The Pre-Incarnation Sphere is in God's jurisdiction alone and only selective Spirit Laws act in this mutable and comfortable environment. This Sphere is not a hallowed environment but a Sphere that is only visible to the Eternal Eye of the Soul, God. We have discussed at great lengths the reality of this Sphere because we understand the importance of our beginning. This Sphere is part of our heritage and it is from my and other Celestial spirits' perceptions that we are able to ascertain an image of this Sphere from the Father. It does not surprise us if a person does not believe us. The visibility of soul is near-next-to-nothing in a human experience, so then why would one see the truth of what I convey?

Nonetheless, a mortal soul life needs to begin somewhere and has to begin somewhere and so, it might as well be in a place caused into existence by its originator and nurtured and prepared for what will become **the secondary stage of Fusion**, the beginning of a human life.

Do all attributes of soul exist in the Pre-Incarnation Sphere in one time at one place waiting for incarnation? Has God caused into existence every attribute of soul that will ever incarnate and that will become the whole history of humankind? All these questions that we ask about the advent of a human soul and the environment it begins in, lead us to gather more information into this unique part of universal creation. It would not surprise me in the least to know that God has caused every single attribute of soul to exist prior to the first mortal personalities that commenced the human race. I know for a fact because I reside here, that the entire mortal spirit world including the Celestial Heaven had form, image, working and structure before the first mortal personality arrived here after the death of their life wearing only their spirit body. If God can cause the entire mortal spirit world into existence before a mortal personality has commenced living the first human life, then, to originate all attributes of soul that exist in a Pre-Incarnation Sphere is an entirely possible thing for God to cause into existence. Humans, mortals and Immortals simply don't have the power or resource within our selves to cause such universal and far-reaching realities into existence. This is why the Divine Love is such an integral part of universal life, for it is the only substance and energy that we can individually experience that is part of the universal originator, the Soul God. This may add a new aspect on why it is significant that one may participate with the Divine Love! It is a given that people and spirits can experience – and do experience – God in aspects of universal attributes though I must qualify that only with the Divine Love, will a mortal soul experience the Soul, God.

**The secondary stage of Fusion** is simply defined by the incarnation of the finite attribute of soul to acquire a spirit body and living attribute of personality, which commences the finite soul's individualisation of mortal life experience. This secondary stage is inclusive of the conception of a human being. The entrance of a soul into the physical and material world is a dynamic fusion culminating with various attributes forming the individual personality. To provide you with an image of this dynamic, a specific Spirit Law acts to form the spirit body, another Spirit Law acts to exact the soul into the spirit body and another Spirit Law specific to the adjuncts of mortal personality act to exact the now forming personality to its position of the soul and the spirit body and the human brain. Also, the physical conception forms part of this fusion insofar as the fusion of genetic information from two

separate sources, a sperm and an egg. This is a simplified image though it is enough so that one may gain a perspective on how these attributes culminate to form a human being ready for life, ready for the afterlife and ready for the potential to experience the Immortal Love. There are physical conditions of a voluntary and involuntary nature that form part of the physical being. The main thing is that the spirit body is formed so that the expectation of a human life in terms of its age, will not compromise the now formed personality to survive its creation.

**The third stage of Fusion** in a soul's life is its transition into the First mortal natural spirit Sphere. This stage is defined as the ending of the physical incarnation and the beginning of life in the spirit world. The spirit body acquires the personality in all its attribute and specific Spirit Laws act in their assistance as the physical body falls away from the spirit body and the spirit body takes over as the place and environment that the attribute of soul and attributes of personality now reside and function in. This is an *act of fusion*, for the personality being subject to a greater Law, is exacted to the attributes of the spirit body complete with function and attribute and cognitive experience in the individual's now spirit life. The exacting nature of this Law ensures that no splintering or aspect of the personality is left behind or lost in translation. This is really important for memory and other identifiable aspects and information pertaining to a human life lived. If a human life passes into the mortal spirit world before the individual has any cognitive functioning or capacity to be cognitive, this does not determine any other outcome to the soul other than the personality continues to survive in the spirit body and continues to mature in the First natural spirit Sphere.

This secondary stage is inclusive of each incarnated soul and of every human being for this forms the natural soul system of individual personalisation of experience in natural love.

**The fourth stage of Fusion** involves the Divine Love. This can happen at any time during the natural life experience of the individual. The fourth stage involving the Immortal Divine Love happens when the Divine Love enters the attribute of the soul for the first time and the attribute of mortal soul is now confirmed as living with the Immortality that this Divine Love provides. The Divine Love, having entered the soul, fuses with the soul and the perfect causality of the Divine Love in its cause-effect becomes part of the soul and can never be extracted from that soul nor can this process of Immortality ever be reversed. There is simply not in existence, a Spirit Law that can reverse this fusion and this is why the choice for Immortality is so unique for the individual to make.

Now that the individual has experienced the Immortal Fusion with the Divine Love in their soul, **the fifth stage of Fusion** transpires when the individual progresses in their experience of Divine Love as it transforms their natural love and the necessary changes happen that arrive within the soul condition of the individual to be of Celestial soul quality. Any necessary compensation will have taken affect and the human life or natural mortal life will be with sufficient harmony in the Divine Love to enter the Celestial Heaven. One is now infused with their universal life and the awareness required, to live in the harmony with God no longer illusive to the individual in a solely self-determined mortal life. Without the infusion of the Divine Love in the soul, no Immortality can form in the soul and the soul remains in its natural life experience to a greater or lesser degree of harmony in its condition of natural love.

All the way along these stages of fusion, experience – if it is progressive – infuses the personality with more experience and this allows for more attribute of personality to become functioning and present

within that individual. There is no greater example of this than when the nature of awareness becomes active in the personality from a faith in Divine Love experience.

**Stage six of Fusion** truly demonstrates how the personality is infused with extended attributes of mind-spirit function as the individual progresses from the Celestial Heaven and enters the Eternal Spheres. The individual is infused with Love and Spirit that provides the personality to see the difference between that which is Immortal with all that is Eternal. The individual always remains finite and is never infinite in their condition of soul. The individual residing in the Eternal Spheres is now universally fused with the Eternal experience of the First Source.

**Stage seven of Fusion** of individuality is the transition from the Eternal Spheres to the Spheres of Paradise. Through the experience of Divine Love one has gained their Immortality and progressed through the Celestial Heaven and then to gain an Eternal perspective on the nature of God, as being universal and eternal. In the Spheres of Paradise the individual is now fully fledged in their union with God and can travel around the entire soul Sphere that God is and resides in. The confirmation and completion of all these stages of Fusion happens in the last Sphere of Paradise when the individual can visibly see the image of all that was previously unseen, the Soul, the Eternal Soul and First Source of the individual's creation. Having seen the Eternal Father, the personality of the individual is deemed as being, *perfect* and still in this perfection, one can gently ask for a drop of the Immortal Love.

This concludes my message on Fusion. It is a potential to understand the vision that I have just written and it is a true vision for the Divine Love reveals it so. The wonderful thing is to see how durable the three natures are: the soul, the spirit body and the human personality and how these three components form the destiny of each individual.

Thank you for taking my message.

Your Celestial friend,  
*Luke*

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

**Our Heavenly Mother and Father simply desire for us to ask for Their Love.**

## NATURE and STAGES of FUSION:

**Seventh stage of Fusion** of individuality is the transition from the Eternal Spheres towards the Spheres of Paradise. The individual is now fully fledged in their union with God and can travel around the entire soul Sphere that God is and resides in.

**Sixth stage of Fusion** truly demonstrates how the personality is infused with extended attributes of mind-spirit function as the individual progresses from the Celestial Heaven and enters the Eternal Spheres.

### Pre-Incarnational Sphere:

**First stage of Fusion** is the separating of the soul into two, each soul half being complete on their own.

**Fifth stage of Fusion** transpires when their natural love changes and one's soul progresses to the condition to be of Celestial soul quality, one enters the Celestial Heaven.

**Fourth stage of Fusion** involves the Divine Love. This can happen at any time during the natural life experience of the individual. Happens when the Immortal Divine Love enters the attribute of the soul for the first time, either when in the physical body state or spirit body state.

**Second stage of Fusion** is simply defined by the incarnation of the finite attribute of the soul to acquire a spirit body and living attribute of personality, which commences the finite soul's individualisation of mortal life experience.

**Third stage of Fusion** in a soul's life is its transition into the First mortal natural spirit Sphere. This stage is defined as the ending of the physical incarnation and the beginning of life in the spirit world.

## **Feeling Healing – Healing yourself through your feelings.**

- ✓ Your feelings are the real and true you.
- ✓ If you are denying any feelings you are denying yourself.
- ✓ If you are denying yourself you can't ever be truly happy.
- ✓ To heal all your pain and suffering, you can look to your feelings for why you are feeling bad.
- ✓ If you want to know the truth of yourself, then it's your feelings you will need to look to.
- ✓ Your feelings hold the hidden keys to unlocking the truth of who you really are.
- ✓ Uncover the truth of yourself through your feelings and you will know why you feel all you do.
- ✓ Everything in life, why all that happens to you does, and everything about yourself, can be explained to you through your feelings.
- ✓ Why your relationships might not be as good as you would like, why some might fail, you will understand through your feelings.
- ✓ How to live a good, true, happy and loving life will come to you as you start paying attention to all your feelings.
- ✓ However you will also have to pay attention to all your bad feelings, and this can be very harrowing.
- ✓ By honouring – accepting and then expressing all the bad feelings you feel, you will slowly bring to light all the reasons why you don't feel good.
- ✓ And as you liberate yourself from these hidden repressed bad feelings, so you will start to feel better and better about yourself.
- ✓ It's a process, and it can take time, years possibly, but all that's hard will eventually pass becoming good.
- ✓ Expressing all your feelings, and particularly your bad ones, whilst longing and really wanting to know the truth of why you're feeling them, is doing your Feeling Healing.
- ✓ You can Heal yourself through your feelings. And in fact, it's the only way to really heal yourself.
- ✓ And if you wish to do your Healing with God, you can also long for God's Divine Love.
- ✓ Feeling Healing – Using your feelings to heal yourself.

## ***DIVINE LOVE – what does it do?***

**Divine Love, which is a substance, progressively:**

Transforms one's soul from that which is of natural love to that which is Divine

As natural love is enhanced with the Parent's Love, we reject our tendency to error

Divine Love, our Parent's Love, restrains errors, untruths and emotional stress

As we reject the condition to error, we develop our love for our brothers and sisters

Divine Love helps one with the discovery of truth through one's soul-feeling healing

Our natural intelligence grows, perceptions rise with our soul intelligent feelings

As Law of Compensation is resolved, the Love reduces returning to being in error

Receipt of Divine Love, the Parent's Love, grows our faith, we become God reliant

As our faith grows our propensity to undertake one's Feeling Healing strengthens

With the Love, our Feeling Healing becomes Soul Healing, this we are to undertake

Without the Love we remain self reliant and dependent upon our own will power

Only with the Love will our soul condition grow rapidly, all around us also benefit

The Love is the only substance that changes the human soul to that which is Divine

Only by asking and receiving Love do we become fitted to enter Celestial Heavens

Only by asking for and receiving the Divine Love does our soul become immortal.

## **Manifesto of Divine Love:**

1. We love one another as Mary and Jesus, our spiritual parents, love us. And so we seek their Spirits of Truth.
2. Our all loving Heavenly Parents, our Mother and Father, we love and honour at all times.
3. We worship only our Mother and Father, God, and Creator of all things.
4. We treat our Creator's name with respect and love, and earnestly seek Their Divine Love, and at all times pray for It, ask for It, and receive It.
5. We set aside a regular day each week for Sabbath rest and worship of our Heavenly Parents, God, and seek Their Love so that we may grow closer to Their fountain head of Truth and Love.
6. We are to be as we feel, even if it's sinful, but in doing something that is not in alignment with God's Love and Truth will make us feel bad, that is provided we allow ourself to feel our bad feelings, and so we can then use our bad feelings to find out the truth of why we feel bad and why that thing we have done is bad. We embrace our Feeling Healing.
7. We strive to cause no harm to another, nor cause any harm to one's self. We do not do to others what we would not have them to do to us. We treat our fellow human beings and all living things, and the world in general with love, honesty, faithfulness and respect. Violence, at any times, is never justified. Golden Rule: that one must always honour another's will as one honours one's own.
8. At all times in our intimate relationships we strive to express and live true to all our feelings, all so we can use our feelings to uncover the truth they are trying to show. The truth of ourselves, of our relationships, and the truth of everything else, including God.
9. We do not covet or steal anything that does not belong to us. Honesty in all communications, actions, undertakings and activities in all facets of life is our rule of life.
10. In all that we do, we are to be truthful. We are non-judgemental, for none of us have the capacity or authority to judge another. We are always ready to forgive all wrongdoing.
11. We do not desire anything or anyone that does not belong to us. Comparing oneself to others and longing to have what they have leads to errors. We are to be content by focusing on the blessings our Heavenly Parents, who made us in Their soul's image, provides for us.

**EMBRACING the WILL of our HEAVENLY MOTHER and FATHER:**

**Our Heavenly Parents are almighty, all powerful, infinite, and at all times loving.**

**The love of the Heavenly Parents for their children, woman and man, has been and is always infinite and ever present.**

**As one's faith in our Heavenly Parents evolves, man's love for his Heavenly Parents will have no limit.**

**As man grows in his love, so will man grow in his love for all of God's creations.**

**Approach the Source Soul, the Mother and Father, in reverence, without fear or trepidation, just as a child approaches his earthly parents knowing that open loving arms are extended to receive him at all times.**

**As one grows in his love of the Mother and Father, one becomes to know with certainty that God loves him or her in return, at all times, and that fear is an illusion created by man's mind.**

**By embracing the commandment provided in the 1<sup>st</sup> century, namely the first:**

**"This is my commandment, that ye love one another even as I have loved you."**

**Further, we are to embrace our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

**Also as our soul development progresses, our self love grows which also enables us to step away from:**

**Any self harm that we may cause which also brings about consequences.**

**And to move along this path we simply develop our embracement of:**

**God's Divine Love; by praying for it, asking for it, and receiving it.**

**Longing for Truth and Divine Love we can embrace the will of the Father and achieve freedom from error and harmful ways, thus finding our way home!**

## **The Only Prayer That Man Need Offer to the Father:**

(as given within the first century)

I am here, Jesus

The Prayer for Divine Love

2 December 1916

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

P.438 Book of Truths through James Padgett / Jesus

Let your prayer be as follows:

**Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.**

**That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.**

**We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.**

**Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.**

**Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.**

**Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.**

**We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.**

**We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.**

**Amen**

**MoC**

Note: The 'false teachers' are our parents, as they are also the 'evil ones'.

Also, the evil ones, being those parts of one's mind, that are controlling you.

## Prayers to our Mother and Father

From the Religion of Feelings by James Moncrief

**Please Mother and Father** help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

**Please Mother and Father** help me see the truth of myself through my feelings.

Please my beloved Heavenly Parents, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

**Please Mother and Father**, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

**Please Mother and Father help me**, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

**Please Mother and Father love me**. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

**Please make me feel how unloving I am**. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

**The mind way is the 'dead' way; the feelings way is the 'alive' way.**

**79. *Prayer of the Heart***

**16 October 2012**

I encourage the heart that prays to the Father for the Divine Love. I encourage the heart that loves the Love, and with sincere aspiration, feels for the Love. If there be any doubt, loss of faith or hardship of heart, I encourage the heart not to give up or give the Love away. The Father hears your prayers and the heart be rest assured in this. Never will a good heart be forsaken. As the Father does so do I, see and hear your heart, and prayers for the Love and the needs for wellbeing. Never give your heart up; trust in the One who knows your true heart, and there the Father loves you. One may never fully understand the intricate workings of time, past present and future, but the heart knows faith and Love and the Father Loves a good heart. Pray with faith, and in your heart my truth and the Father’s Divine Love meet you there.

I have given you this prayer of the heart so that men and women may draw from its words, strength, love and faith.

Your beloved friend and companion,  
*Jesus of the Celestial Heaven*

## The DIVINE UNIVERSE

**300. Prayer of Love and Strength**

2 February 2013

I am going to write the Prayer of Love and Strength that may help those with their endeavour of heart in the receipt of the Divine Love:

I pray that I may find the love and strength in my heart to love you more wholeheartedly. I pray that I may feel this strength as a living truth in my heart and soul as my weakness, due to my condition in my physical and material struggle, may not become a hardship that casts a long shadow over my day-to-day living in my faith in Divine Love. I pray that I will not give in to any negativity that surrounds me, or to the way that at times I cannot seem to be able to help or forgive myself for loosing faith in The One I love.

I pray that I am receiving Love, your Divine Love that is in great abundance and that my heart partakes of a small portion of this abundant Love. I ask that your Spirit, The Spirit, convey the Love into my soul as I have already been receiving into my soul your Divine Love. I pray that your Divine Love gives greater love and strength to my heart that I may continue in my prayer to receive this Immortal Love.

God, I love you with all my heart even if there be a shadow across my heart, and a lack of humility in my faith and on my behalf for I recognise that you can love me more perfectly and wholeheartedly than I can accept for myself.

God, I recognise that you are Soul and that I am a finite soul and that your Love and Spirit are true gifts for my heart and soul and that I need this Love that you have provided. I pray that from your Love, more finite love and strength in my faith and heart will enable me to love you even more. I recognise that I am doing my best in all that life has given and taken away from me and that in my resolve, my heart knows that your true Divine Love always remains with me and my faith in you. At times I have left you and left your side and wandered all over the place, lost in the shadows of life and in the near-sightedness of my eye and then, I pray for your Love and your Love fills my heart and my love and strength return and I accept that you are loving me at all times when I am lost and found. I give you all my gratitude, love and strength that my heart can give and I desire not to change the world or the spirit world accepting that your Divine Love will change my soul and in harmony together, I will try for a peaceful world.

I have provided you with the inspiration to give these words of love and strength that such words may help one in their experience of God's Love and Spirit.

*Jesus of the Celestial Heaven*

**LIVE FEELINGS FIRST**

## The DIVINE UNIVERSE

303. *The Immortal Prayer*

6 February 2013

For those of you who are strong, I will continue to sustain this strength because many of you who experience the Father's Divine Love require a great resolve and strength of heart not to give up on the Truth and not to be saddened by the apparent lack of interest in the most beautiful love that you feel and know to be true. I will never prevent myself from being with you, who sincerely desire the Divine Love and, with any feeling of being afraid, alone or insecure, I with my Celestial teachers are present supporting you. There is no shadow in the Divine Love and for those who are aware of this Love in faith love and spirit we celebrate the harmony of God's universe of Love and Spirit.

### *I pray for the Divine Love, the Immortal Love*

Universal Soul God,

My Father, I love and accept you with my heart. I sincerely pray for your Love that will come by The Spirit and embrace my spirit body conveying your Divine Love into my soul. I humbly ask that you love me as I love you, and that you continue to love me when in those times I cannot love myself.

I ask that you give me the strength to voice my faith and love to you, and that you may love me in my weakness and in my strength. I know that I am a soul beautiful to you as you are to me, and that your Divine Love will be the arrival of Truth that my soul has truly longed for.

I pray that your Divine Love will be the arrival from which will announce the departure of my doubt and that such faith, love, strength will come to me that I will never doubt you again. And I will never stop loving you, in the sunrise and the sunset of each day in my life.

I recognise that you are the Source of the Divine Love and the origin of my soul. I recognise that I may have been lost to you but in truth I was never lost to you and now, I am gathering up all my love out of my lost-ness in great abundance because I am aware that your Divine Love is present for my soul and I am free to receive your Love and feel Its' breath of spirit declare in my heart the Immortal Harmony.

I am receiving your Love, I have received your Love, true Universal God, your Immortal Love.

Amen

## The DIVINE UNIVERSE:

### 32. *The Perfect Prayer*

7 October 2012

In the time James Padgett received spirit communications I gave him a prayer (2 December 1916) to help him firm his stature as he worked with various spirits. I would like to extend the reality of prayer with you now.

The Perfect Prayer or Prayer for Divine Love need only be a sincere heartfelt expression of love given to the Soul, God, and included in this soulful heartfelt love, a respectful asking to experience the Divine Love. The perfect prayer will always be of an individual expression that works harmoniously for each person. There can never be a formal prayer of one that is perfect for all, for each person commences their receipt of the Divine Love at particular stages of their human or spirit experience. The comforting and nurturing aspect in the nature of the Divine Love is most suitable for the heart.

Formal prayer, intuitive prayers or a prayerful experience that exemplifies respect and a sincere desire for this Love, will cause a response by the Spirit to bring about an inflowing of the Divine Love into one's soul. There is a unique reality of love that exists between God, the Soul, and all other independent mortal finite souls. As soon as a mortal finite soul longs for love by God, God knows of this longing and the active Spirit Law that determines the function of the Spirit responds. It is as if no earthly time or mortal spirit world time exists at all, for the Divine Love is not subject to these constructs of time and has its experience directly between the Soul of God and the soul of the individual. In this way, a demonstration of harmony begins.

As the experience of the Divine Love becomes more familiar, and the energy in one's soul becomes more active, the essence of prayer changes as the condition in the soul of the individual changes. People have experienced this already as they learn more about living with the Love.

I will not give a formal prayer here other than the love in the words that I have just conveyed. I would also like to state that I know that individuals both men, women and mortal spirits, can commence and do commence their learning about the nature of Love from a position and condition of fear that is situated as a dis-harmony in the personality of the individual. Even in fear, I encourage one to value the attribute of goodness and respect so that a small beginning of learning to love thy self can form part of the progress when learning to live in the harmony of love.

*Jesus of the Celestial Heaven*

**To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

**Our salvation IS by embracing Feeling Healing with the Divine Love.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Please Mother and Father, may I receive Your LOVE.**

**“Every day is a day of devotion.”**

**Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.**

**“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”**

**“Mother – Father, I desire your Love and I am loving you.”**

**“Soul God, I love you and I love receiving and experiencing your Divine Love.”**

**“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”**

**Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.**

**One can simply receive the Love without following any religious or spiritual teaching taught by man!**

**Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.**

### **Three Great Truths:**

- **God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**
