## Universality of Divine Love

## The DIVINE UNIVERSE:

### 5. The universality of Divine Love

26 September 2012

I would like to affirm the universality of God and the universality of God's Divine Love and the Spirit. It is paramount that people understand this universal nature of Divine Love and how this constant Love, present to the diverse peoples of the world just like it is present to the diverse mortal spirits in the various Spheres of existence comprising the mortal spirit world.

As I, with various spirits revealed in James Padgett's communications, the Divine Love present only for the potential that exists as part of the nature in each finite mortal soul, and that this potential as a formed part of the individual soul nature is the recipient of this Divine Love. And this is a unique truth about the relationship of the Divine Love with the potential that exists as part of the nature of mortal soul. God, in the creation and forming of the attribute of mortal soul, has given as part of this forming and creation, the ability to individualise, with part of this individualising the attribute of potential. So that the desire, or a soulfully expressed longing to God for this Divine Love can eventuate, in the interest of progression and harmony, once the individualisation of the soul commences its incarnation in the physical body.

This Divine Love is working the same causes and effects in the souls of those who include this Divine Love in their lives. It is easy to forget that the Divine Love has been created purely soul-specific and in the dimensions of popular belief and experience, one can easily contrive the Divine Love and God as all things created to everyone and every living thing organic or inorganic.

The Divine Love is universal in the sense that it is present everywhere humans and mortal spirits are living. The Divine Love and the Spirit is not present in the Pre-Incarnational Sphere where unincarnated souls wait to incarnate in accord with God's Spirit Law that acts to incarnate pre-individualised souls. All such activity in the Pre-Incarnation Sphere and incarnation happens in accord with God's harmony. It is not necessary for the Divine Love and the Spirit to be present in the Sphere where souls reside prior to their incarnation. Soul is required to have incarnated in its condition of the perfect natural love before it can, as an active finite personality, commence the receiving of the Divine Love. It is important to know this so that one understands that men and women are not born divine to begin with and that such divinity has no existence in the image and essence of the finite soul until the individual has the freedom to voluntarily determine the choice to participate with God by receiving the Divine Love and so begins a changed experience as the great transition from the natural into the Divine begins and progression follows.

The Divine Love is universal in the way that its workings in the attribute of mortal soul are constant and continuous in cause and effect without ever changing its own perfect nature whilst changing and perfecting the condition of the mortal soul and the systems of the spirit body. It is universal because the Divine Love exists beyond human belief and can never be subject to change by a belief as to its existence or not, and the belief in the way that the Divine Love acts in the mortal soul. No amount of self-determination by a personality can cause an effect that alters the way this Divine Love transforms the mortal soul. The nature of Divine Love in its harmony is perfect in the way it functions in the mortal soul, never causing a disharmony to take effect and destabilise the individual personality. If disharmony exists in a Divine Love experience, it is from the result of the individual's condition of their natural soul

prior to the commencement of the receipt of the Divine Love and whilst in the initial stages of Divine transformation disharmony may exist along side harmony, eventually the Divine Love will cause the greater harmony to dissolve any disharmony with the active participation of the Spirit Law of Compensation.

And here is another truth about the nature of Divine Love. Within it exists harmony and this harmony the prefect of all harmonies a mortal soul can experience and, as in the workings of all the Spirit Laws present for all mortal souls. A greater Law in its working super-exceeds a lesser Law whilst not nullifying the lesser Law out of existence. By absorbing the Divine Love one is absorbing the perfect harmony so that when the Law of Compensation is active in the transformation of the individual, the disharmony is being absorbed into the Divine harmony that then becomes, as it where, a true condition of love in the mortal soul.

*Jesus of the Celestial Heaven*

*Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love. JD*

**Golden Rule: that one must always honour another's will as one honours one's own.**

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

### **Is it JESUS or MARY TALKING THROUGH a MEDIUM?**

And the chatting / talking with Jesus is the same as we've told you, it's really 'on behalf of Jesus', it is one of the medium's band pretending to be Jesus, which really means the Celestial accessing Jesus' Spirit of Truth within himself (and only we Celestials can do this and are allowed to), and so then speaking 'as if he is Jesus'. It's the same thing as James feeling how close I am to Mary Magdalene in my 'feeling' when we are writing together, because as I said I work with her Spirit of Truth as I feel very close to it – very close to her. And she's said I can use it that way. So effectively, should it be necessary for me to do so, I could 'pretend' to be Mary speaking to people on Earth.

As you have possibly gathered, it's all highly organised as to what and when we can reveal to you. It's all set out in keeping with the Rebellion and Default limitations and then in keeping with the Mansion World levels and all the levels within them. It's all angelically controlled, so we slot in using our minds and be who we need to be to you and how we need to be and what we can say. So as you grow in truth through your Healing, moving progressively up through the levels, so we can come forward and progressively reveal more to you. So what is revealed and how it's presented to someone who's in their wrongness and not wanting to do their Healing, compared to someone wanting to do it and just starting out, compared to someone nearly finishing it, compared to someone who had finished it, might all be so different that you would think it was different spirits relating at each step, when it might be the same spirits. And really we don't change, it's you who changes, or refuses to change.

And added to that, we know how far someone will go in their spiritual progress throughout their Earth life, so part of our interaction with that person is in keeping with that level of progress. So we might say and do and be differently to different people, even though we're the same spirits, because each of those people have very different spiritual paths and levels they will reach.

So it's not as straightforward as one might think, which I know causes many misunderstandings, much confusion, even putting a lot of people off, however really until people are well into their Healing, it will all appear like everyone is working at it from opposite ends with no real synthesis or commonality involved. So you can look at it like say a Maypole, with everyone starting out on their separate ends, but the more you do your Healing, the closer you all come to the truth, which will allow the Spirits of Truth to then synthesis you all into what is needed for you to become Celestials. For by the time you are Celestial, then we're all on the same page so far as the Truth is concerned. But even though we Celestials are all living that same truth, how we might relate and start with people on Earth or the lower Mansion Worlds might make us sound and appear like we're all very different.

Nanna Beth – 3<sup>rd</sup> Celestial Heaven, 19 February 2018

**Note:** [Jesus has only talked DIRECTLY to James Padgett and James Moncrief.](#) [Further, Mary Magdalene has only talked DIRECTLY with James Moncrief.](#) Mary and Jesus are regents of 3.8 million physical worlds and their related spirit worlds. They are also finite – can only be in one place at any one time. Once that is understood, then it is only possible to have 'communications' via their Spirits of Truth in the manner outlined by Nanna Beth.

## The DIVINE UNIVERSE:

### 244. *A little light in a big hearted house*

12 January 2013

Evening to you both, and a beautiful evening with these communications it has been! We all feel so humbled when we work for God because it is in our love for God, that we show this love by celebrating God's Divine Love in a social way. These recent days you have received, as Saleeba said, wonderful introductions from various individuals and their account of living Divine Love. The truth of it is, that there are individuals in the Divine Love Spheres and Celestial Heavens from every single country in the world today and each individual shares in the **universality of this Divine Love**. Also, there are individuals from every single generation that has ever lived on the face of the planet Earth since the First Parents. If anyone doubts the universality and global expression of Divine Love, then, one need only to contemplate upon the truth and vision of my words. I know that the experience of Divine Love is little known by the peoples of the world but this does not cast any shadow into the mortal spirit world. As soon as another individual in a place in the human world becomes aware of the Divine Love, and receives a drop or two, then let it be known that that individual becomes part of the universality of this Divine Love along with those of us all, who are already aware and living with this Love. This vision and experience I feel, is a wonderful thing for one to be part of. And, I would like to think that quietly in one's heart when one gently asks for a drop of Divine Love that from their faith, though a little light shining in a big hearted house, that one can enjoy a moment of knowing that there are people universally wide who are celebrating this Immortal truth with you!

Thank you for receiving these words of Love and Spirit and it is good to see you again.

Your strong and true friend

*Egln*

### 245. *Sam from the South*

13 January 2013

I am an individual who has just started to experience the Divine Love. I have lived in the Fourth Natural Sphere for some time, only now I have commenced the Immortal transformation of my soul. I am now in the First Divine Love Sphere. It is remarkable in my observation of my experience that I could live for so long without actually experiencing the Love or for that matter, having the awareness that I could receive this wonderful Love. If we don't know the Love exists then we don't know that we can ask for it. I find it amazing that the Love and Spirit, the Spirit that convey the Love into my soul was always present in the Fourth Natural Sphere, as it is in all Spheres and yet, I did not know or see It. Even though these Celestials have gone to extraordinary lengths to make aware the Divine Love and the Spirit, there are still those like me who remain unaware. There are so many who reside in all these natural Spheres. The Loves' invisibility truly perplexes me now. I ask God for this Divine Love then I relax and I actually do receive this Love. It is quite remarkable. I can feel the Love ever so gently, never a great rush or with a great fanfare. The Father takes great care bestowing the Immortal Gift into

our souls and by this example alone, one can see how the Soul God, is Loving us. My experience of the Love is uncomplicated. This is the most difficult thing or aspect about it. I cannot rationalise it in my mind. I ask for this invisible Love and I receive it. Then, after a little time has passed I have this true sense that this Love is now within my being.

Already my spirit-senses have changed a little and I can notice this change in the condition and appearance of my spirit body. I seem more relaxed and happier. It is quite unexplainable. I can only liken it to this example: If person was thirsty and needed a glass of water, but there was no water in the glass and someone said to you there was, and if you were to drink from this empty glass and your thirst was quenched and you felt that you had had a nice cool glass of water, then one may think you strange! And yet, you drink from the empty glass and your thirst is quenched for there had been water, invisible water – the invisible Divine Love – in the glass that is now your soul. And all the while you were drinking, you were thinking ‘this is such nonsense!’

I cannot perceive the existence of the Divine Love with my spirit-vision yet. The Love is present in great abundance I am told. To be perfectly honest, now that I have felt the Love and experienced a little of the way it has caused an effect upon me that is good and true, I am going to fill up my glass with more of this invisible Love. I can well imagine that most who begin their Immortal transformation are baffled by the same glass and its invisible water and that when one sips from this glass, the thirst, the thirstily longing of the soul, fulfilled! And a little change happens so one asks God for another glass of invisible water and slowly I am told, that soon one can see with their spirit-vision all that is invisible in the glass and in the Invisible Water!

Thank you for receiving my experience and I can see that you know what I am talking about.  
Good day to you,  
*Sam* from the South USA

SOURCE SOUL, our HEAVENLY PARENTS, have any number of spirit instruments assisting at any time.

Holy Spirit  
'Divine Love'

Spirit of Truth  
Truth also conveyed through your Indwelling Spirit

SOURCE SOUL

Holy Spirit

Divine Love is conveyed on request to your spirit body and absorbed through to the soul, resulting in the ambiance of the spirit body growing.

**INDWELLING SPIRIT, THOUGHT ADJUSTER,  
MYSTERY MONITOR (all being the same):**

The external elements, instruments of the Father, do not form attributes of our own soul upon its initial creation by our Heavenly Parents, these are the Spirit of Truth, the Indwelling Spirit, and Divine Love.

The Holy Spirit, conveys Divine Love to your soul should you earnestly and lovingly ask for it. This is the only function of the Holy Spirit – Acting Spirit.

The Indwelling Spirit becomes present when we are around the age of six. This means that the unseen helper of the Father and Mother – the Indwelling Spirit – can always interact with the mortal soul and to be of service so that eventually the leadings from the Spirit may be the catalyst for that soul to seek our Parents.

The Indwelling Spirit reveals intrinsic workings of Father and Mother to your soul.

The Indwelling Spirit functions in much the same way as the Holy Spirit, ask and it will provide support and guidance.

The Indwelling Spirit / Thought Adjuster only works with us on the mind, feeling and psychic levels directly with our personality on conscious and unconscious levels of reality. It is the Divine Minister with hands-on help from our attending angels that do the actual adjusting of our mind circuits – of all our circuits, even the physical if need be.

Spirit of Truth becomes active more so when you connect to the Source Soul and commence receiving Divine Love.

You are a spirit person having a physical experience. Your physical body is encased within your spirit body.

The spirit body only exists because our soul wants it to. In the fullness of love, even all our encrustments and wrongness is not actually bad, they are just the nether side of love.

So evil is literally a state of mind, and once you heal it you even feel love for your wrongness and even no longer hate it – that being full self-acceptance. But you can't contrive these feelings or level of awareness, it has to come of itself and will through the higher levels of your Healing.

**The DIVINE UNIVERSE:**

250. *The air of Love*

14 January 2013

I would like to reaffirm that anyone can participate with the Immortal Love once they are aware to be aware of the Love. How much one chooses to participate is an entirely individual thing to determine for one's self. There is nothing easier than to ask for a drop of Divine Love as the Love is present and one can commence their experience immediately without having to give anything up or to commit to anything, that then justifies why one can or cannot continue their experience of Divine Love. Being aware of this Love is as simple as walking out the door into the daylight! One doesn't need to join anything or become part of anything mortal to experience the Love for them selves. One only needs to be sincere when asking the First Source for the Love, or to acknowledge in a graceful moment, that one is with the awareness that 'this Universal Divine Love is presently here and perfectly sufficient for the needs of my soul.' This is why the Divine Love *is universal*. It is oxygen for the soul, the air of love that every soul can breathe and feel the breath of life and the Immortal Love.

Love to you both  
Your Celestial friend

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

## The DIVINE UNIVERSE:

### *262. Jesus writes on the Divine Love and Its universal potential*

19 January 2013

This work introduces the Divine Love in Its true universal potential for the mortal soul to make that soul, who receives this Love, Immortal. I have received this Divine Love and continue to do so and so I have partaken of this gift of Immortality that the Father provides that I, along with other spirits and people, are living the Truth of.

The universality of this Immortal Love is given as much breath in this work with each contributing message conveyed, expanding the universality of the natural and the Divine Love derived and given from our collective individual experiences.

At times in these communications, our use of language may sound different or impersonal to the learned literary ear of the reader. This can happen when one is in receipt of communication from spirits who are communicating with a person such as yourself (Nicholas), and are active in their endeavour to convey concepts of spirit-related experience that require a use of language that is beyond or outside of the normal human social dialogue. Experiences of the Divine Love are so little shared and known, that there is not much language written on this subject over the vast expanse of human history. Some of the spirit contributors were not literary people themselves and so their examples and experiences of spirit related perceptions are shared from their true voice. I am not concerned with whether we are writing a literary classic; what concerns me is that each message is conveyed with love and received in love and that this body of work demonstrates the *living nature* of Love and Spirit. We have been able to do this.

This work derived from real experiences that may provide some clarity into the nature of living an individual and personalised faith in Divine Love along with some of Its' workings. We can only share with you our experiences that this may benefit one who themselves is interested in the experience of Divine Love and vision that such a Love brings. I am aware that there may be some individuals who resist this work who have read the spirit writings of James Padgett, but the experience of Divine Love will never have a ceiling to it, that is of the material world.

The ceiling of the Divine Love is the Eternal roof that only the Origin, the Father lives under and formed into existence. Some may dismiss this work and see this work as nothing more than mere ramblings of a mortal mind. But for those who are sincerely interested in the Divine Love, then these words in their form in these works will contribute vastly to one's experience and vision on the universal subject of Love and Spirit.

I am aware that whilst we have introduced this work in a universal context and experience, the experience of Divine Love is a personalised and individualised experience and relationship with God. This universal work may have appeal to such an individual who desires this in their humble approach to life. There needed to be the personal and the universal touch in this work and I feel that we have introduced this.

People can judge this work for themselves, be one to consider all this work untrue or a work of dribble fiction derived from the creative pleasures of one person's mind and a fanciful thing to do. The experience of Divine Love speaks clearly to one's heart and the survival of the human personality is a

very real fact in the life of humans, for each arrives at their mortal finite conclusion to their human life. These things cannot be taken lightly and love needs to be introduced to demonstrate how the human experience and the spirit experience function in its nature in the universal nature of God's Love and Spirit.

The importance of knowing this wonderful Love makes a real difference in the world and the difference it makes for the individual is to know that one never has to feel alone, lost or forsaken in the world again, once one has this awareness of this truthful Immortal Love. As I have said before, this work is an extension of the work I did with James Padgett those years ago (1914 – 1923), however, this work will remain independent as we vastly explore the vision and experience of Love and Spirit and the potential of the Divine Love as we commit our resources to you both (Zara and Nicholas) at this time and to all those who may come to enjoy the essence conveyed in these soulful spirit communications of love.

*Jesus of the Celestial Heaven*

**To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

## The DIVINE UNIVERSE:

### 262. *Jesus writes on the Divine Love and Its universal potential*

19 January 2013

This work, 'The Divine Universe', introduces the Divine Love in Its true universal potential for the mortal soul to make that soul, who receives this Love, Immortal. I have received this Divine Love and continue to do so and so I have partaken of this gift of Immortality that the Father provides that I, along with other spirits and people, are living the Truth of.

The universality of this Immortal Love is given as much breath in this work with each contributing message conveyed, expanding the universality of the natural and the Divine Love derived and given from our collective individual experiences.

At times in these communications, our use of language may sound different or impersonal to the learned literary ear of the reader. This can happen when one is in receipt of communication from spirits who are communicating with a person such as yourself, and are active in their endeavour to convey concepts of spirit-related experience that require a use of language that is beyond or outside of the normal human social dialogue. Experiences of the Divine Love are so little shared and known, that there is not much language written on this subject over the vast expanse of human history. Some of the spirit contributors were not literary people themselves and so their examples and experiences of spirit related perceptions are shared from their true voice. I am not concerned with whether we are writing a literary classic; what concerns me is that each message is conveyed with love and received in love and that this body of work demonstrates the *living nature* of Love and Spirit. We have been able to do this.

This work derived from real experiences that may provide some clarity into the nature of living an individual and personalised faith in Divine Love along with some of Its' workings. We can only share with you our experiences that this may benefit one who themselves is interested in the experience of Divine Love and vision that such a Love brings. I am aware that there may be some individuals who resist this work who have read the spirit writings of James Padgett (1914 – 1923), but the experience of Divine Love will never have a ceiling to it, that is of the material world.

The ceiling of the Divine Love is the Eternal roof that only the Origin, the Father lives under and formed into existence. Some may dismiss this work and see this work as nothing more than mere ramblings of a mortal mind. But for those who are sincerely interested in the Divine Love, then these words in their form in these works will contribute vastly to one's experience and vision on the universal subject of Love and Spirit.

I am aware that whilst we have introduced this work in a universal context and experience, the experience of Divine Love is a personalised and individualised experience and relationship with God. This universal work may have appeal to such an individual who desires this in their humble approach to life. There needed to be the personal and the universal touch in this work and I feel that we have introduced this.

People can judge this work for themselves, be one to consider all this work untrue or a work of dribble fiction derived from the creative pleasures of one person's mind and a fanciful thing to do. The experience of Divine Love speaks clearly to one's heart and the survival of the human personality is a

very real fact in the life of humans, for each arrives at their mortal finite conclusion to their human life. These things cannot be taken lightly and love needs to be introduced to demonstrate how the human experience and the spirit experience function in its nature in the universal nature of God's Love and Spirit.

The importance of knowing this wonderful Love makes a real difference in the world and the difference it makes for the individual is to know that one never has to feel alone, lost or forsaken in the world again, once one has this awareness of this truthful Immortal Love. As I have said before, this work is an extension of the work I did with James Padgett those years ago, however, this work will remain independent as we vastly explore the vision and experience of Love and Spirit and the potential of the Divine Love as we commit our resources to you both at this time and to all those who may come to enjoy the essence conveyed in these soulful spirit communications of love.

*Jesus of the Celestial Heaven*

**Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.**

**DIVINE LOVE does not TRANSFORM one's SOUL  
FEELING HEALING is what TRANSFORMS one's SOUL**

The Divine Love does transform our soul from Natural love into Divine Love. It's our Feeling Healing that 'transforms' or heals our erroneous expression of Natural love. We have to 'heal' and so perfect our Natural love, so it can then be transformed by the Divine Love.

Divine Love does not even begin the real work of transforming one's soul, for those who focus upon receiving Divine Love to the exclusion of embracing one's Feeling Healing, they are just expanding their mind's control over themselves. Should this be one's passion, then upon passing into the spirit Mansion Worlds they will find that they can continue along this path all from within the Divine Love followers segment within the first natural love Mansion World! Yes, only from within the first natural love Mansion World.

Most of humanity on Earth does not want to face the very truth their feelings are making them feel every day of their life. So if they want to keep living in the spirit Mansion Worlds as they did on Earth, in complete denial of their feelings and the truth they are to shown about their wrongness, they can.

However, for those who have embraced Divine Love and begin to engage in their Feeling Healing process to begin the transformation of their soul, they will be able to sense the Divine Love already within their soul 'driving them on'. One's understanding and adjusting will be changing rapidly to that of embracing all about the Healing and doing it – all being supported by the Divine Love that one may have received previously. All one may have done with the Divine Love may make their introduction into their real Healing, by using their feelings, much easier than it is for other spirits from the mind worlds who are at the same time having to wrestle with many of their old religious beliefs or mental programming, having to take on a whole new mind-set which one could see would take some of them years, whereas for someone who has been longing for and receiving Divine Love for some time it may be only a matter of weeks. This also applies to those living in the physical.

It is the Feeling Healing process that transforms one's soul towards perfection, towards the ability to fully express one's true personality as given to us by our Heavenly Parents, it is the Divine Love that then fits that transformed soul to be able to enter the Celestial Heavens.

## The DIVINE UNIVERSE:

### 287. *Another World Teacher*

27 January 2013

Good morning to you. So far your receipt of these communications this morning have been enlightening and inspirational, full of hope for the human heart. I am to write on the subject of *Another World Teacher*, or a man or woman who would in their life, personify a life like Jesus.

To my knowledge, there will never be another to the human world to teach and reveal the way of human life and the way to live with God that involves a new revelation of God. The revealing of the Divine Love and Its' Immortal nature and some of Its' workings to the human soul and how this Love places a mortal life with God has been declared, firstly by the First Parents (Aman and Amon) before their fall then secondly by Jesus and only Jesus.

The human life of Jesus signalled the re-inclusion of the Divine Love and the Spirit, that brings this Love to the mortal soul with its potential for Immortality for all humans and all mortal spirits. Jesus was the World Teacher and remains so. He is also universal in his teachings about God's Divine Love and man's natural love, and now that this Divine Love of God has been present since the human life of Jesus, there will never be another world teacher to declare to mankind that God has rebestowed the Immortality and potential gift of It, as a beginning event. Jesus lives here in the Celestial Heaven and continues in his work to bring about the realisation to people and spirits that the potential for Immortality is present by way of the Divine Love of God perfect for the human soul. The Divine Love, and only this Divine Love, provides this true Immortality so therefore, there is no other teacher required to introduce another way other than the one that has already been provided for one and all mortal souls by Jesus.

Another teacher is not required or necessary because the Divine Love is universally present and as people and spirits experience and continue to experience this Love from this experience, individuals become well aware that Jesus commenced this beginning with the Father among people those human years ago. The Divine Love provides one with all that is necessary to learn about the nature of mortal and Immortal life. Another teacher could come to teach about the Divine Love already present, but that teacher will be the many teachers who are humble people aspiring to improve their lives by receiving the Love and sharing a little of their experience among other people who are receptive. In effect there will not be one teacher on the face of the Earth to teach one and all, there will be many teachers who will help one learn about all, and all to do in this service of helping to create a general awareness of the existence of this Love. The great world teacher will be experience itself! Experiences that people learn in their awareness of being with the Divine Love and as one gains confidence in their experience of this Love, one will know that Jesus is the Master Teacher who first introduced us all to the Immortal nature of this harmonious way.

Men and women have contributed in their experience of Divine Love and will continue to do so. Jesus revealed the living life of God's Divine Love in a natural life as he lived among people to demonstrate that any person who is sincere of heart can, in a position of their natural life, commence their receipt and experience of the Love.

The Divine Love is present for people to experience as it is for spirits to experience, and there are many experiencing this Love now. Any such world teacher would be known to us here in the spirit world, for anything to do with the Divine Love is known here even though experiences happen in the social human living with Divine Love. Here in the Celestial Heaven we know that there is no further revelation of God to be revealed to man for we know that the Divine Love fulfils everything to do with being *soul*. We are living proof of this and we have identified the nature of Divine Love sufficiently so that we know much of Its' nature and that no other is required to be born of the flesh to teach us more than what we already know. The fact that most people in the human world, as yet, are unaware that the Divine Love exists and Its' potential for Immortality, means that people dream that one day a teacher may appear to lead one out of the shadow of life. If the world knew about the existence of the Divine Love then this dream would be a reality for everyone would know that Jesus is the universal teacher and that he declared to mankind the way that a mortal life may live with God.

All of us here in the Celestial Heaven live in this Immortal Love and we know the history of It and we know Its' workings will never change in the day of tomorrow. We live the way of Love, Spirit and Harmony, Faith and Truth, and we accept our lives in the presence of God. Those of you who are experiencing Divine Love in a human experience are beginning to learn a little of Its' nature and how there is a unique difference but a harmonious difference between the natural love of man and the Divine Love of God.

People will always forecast things or events to their future. This gives hope though the future always seems somewhere in the distance. When one is aware of the Divine Love, one has arrived in the present of that future and one learns that no other person or spirit or world teacher will improve the way in which the Divine Love is. The foundation is set and the way of this Love is for one and for all.

Thank you for receiving my message.  
*John, a Celestial teacher*

### 289. *The Light of Knowing*

28 January 2013

Good morning to you, it is nice and early and the freshness of this beautiful day surrounds you. I am here with you along with a number of other spirits who are, themselves, being introduced and learning about the nature of the Father's Love. I would like to write a little more on the reality of another World Teacher and the ramifications that such an event would lead to here in the spirit world.

Such an event of a unique human to teach men and women the way to live with God and declaring a new revelation of God to humankind would have an effect felt here in the natural and the Celestial spirit world. Human life on Earth is not excluded from the spirit world. Most humans have little or no idea about the spirit world and so, the idea of a world teacher may be perceived as being only inclusive of the peoples' of Earth. Celestial spirits and the social natural spirits are very aware of life on Earth, we need to be so that we can relate with those who are continuously arriving to commence their life in the spirit world.

Such an event, as another world teacher, would mark another Epoch in the Age of Man and so this would also be experienced as a new Epoch in the Age of the Spirit World.

God has provided humans and spirits with the way, the harmonious and perfect way, to live with God and this is demonstrated in the way of perfecting the harmony in one's natural love or the Immortal Harmony perfecting the soul's natural love by receiving the Immortal Divine Love. The life of Jesus personified exactly this. If another world teacher were to walk the face of the Earth and proclaim a new revelation of God to man, then such a revelation would have to exist outside the parameters of the natural love of man and the Divine Love of God. And since the natural love is already in the soul of a man or woman, and the Divine Love in Its' potential can become part of that soul to fulfil the potential of the soul, spirit body and personality then, we can foresee that there is no need or any particular reason for something new to be created by God that will improve man beyond or outside of the perfect natural man or the perfect Immortal man living in harmony with God.

There are always people who inspire love among other people and this regenerates hope in humanity. The natural love is a wonderful love and in the conditions of the human experience, goodness is visibly seen and this is a living harmony of God. Any such advent of another world teacher would in itself, affect the mortal spirit world. I along with many other souls already live with the awareness of God's Divine Love as first taught and introduced by Jesus and has continued in the spirit world and so, there is no other truth that I need to be made aware of that will replace or supplant the Immortal truth that I am already living with.

There is so much activity in the environments in the spirit world between Celestial spirits and the social natural spirits, as we continuously introduce and generate the awareness of the availability of this Divine Love, that to the peoples' of Earth, a new teacher may appear as a revelation but to us the awareness of Divine Love is the revelation for Immortality is revealed with each passing day to those who first experience the Divine Love.

We see Jesus all the time here in the Celestial Heaven and we know that there is no other world teacher who can enlighten us about what we already know and live with. We certainly do not see any man proclaiming he is Jesus walking the Earth today and we never will.

The truth of it is, there will be many humble teachers in the world who share what they know in a truthful and good way for they themselves are aware and living with this Divine Love. There will not be one new world teacher to declare to mankind that the Immortal Divine Love is present. There will be many teachers in the form of sincere individuals who help generate the awareness needed so that other sincere hearts may be able to make an informed choice to accept the Divine Love, this gracious gift. A world awareness of Divine Love will radiate from those who have experienced the Love and from this experience, may develop the confidence to share their experience with another.

No mortal soul can ever be forced to apply themselves to this Love by another and that is why creating awareness is such a sufficient way to spread the word. It is slow progress, but good progress nonetheless. All here in the Celestial Heaven know that no one can place their condition on why or how another is to receive the Divine Love. This safeguards anyone mortal or Immortal personality, from being seen as a controller of the experience of Divine Love for other people or spirits. The Love is universal and for those of us who have experienced the Love, all we can do is generate awareness so that one can make the choice for themselves. As one continues in their progression if one has made the choice of acceptance, then the Love will work to the same cause and effect in a soul's transformation

and people and Celestial spirits cannot determine or create a particular path to follow to bring about a different end.

And so I say, wait not for another world teacher for you will be waiting for a shadow that will never come. For he has already come and gone from the face of the planet and now resides in the mortal spirit world. The best thing one can do, is to act on the Love and acquire it for one's self and then the light of knowing will shine as part of your soul condition and you will realise that God has already provided the individual and universal way for one and for all, by sending his messenger and teacher into the human world and then into the spirit world where the message of Divine Love and Its potential continues to be revealed and we see Jesus doing this in the mortal spirit world all the time.

*John, a Celestial teacher*

### 291. *The silent languages of the soul*

29 January 2013

I come again to speak more on my experience as being a Celestial Mystic.

There are those of us who are considered mystics in the spirit world, having embraced the Immortal Love of the Universal Father, the Soul Grail, the only one true source of the Divine Love, and the Spirit, wisdom and the producer of all mortal souls. I am one who has particular knowledge into the nature of the Universal Being, God, and in this knowledge I along with other Celestial mystics reveal much about the nature of this Source. We are teachers, though our main gift is our mystical perceptions within our soul and spirit body attribute, that can perceive fine detail and intricate working that forms understandings of the appearance of the First Source.

There are a few of us and there needs to be individuals who live their spirit life in this way, for we are not confined by anything other than our freedom of intrinsic knowledge that seems to be forthcoming from the existence of our souls. We come from a diverse range of human cultures, from differing periods and Ages in human history. Just as there are the artisans and the teachers, there are the mystics and we provide the deep intuitive resource that ebbs and flows with the conduits of universal experience and living. I am one such soul who is a mystic. My life's work has been given to the study of energies, which form objects and creations in these environments, where individuals reside and are living with the Divine Love. I have the ability to 'know' without actually having had a direct experience for my knowings revealed in my soul are my true experience. We are skilled in the silent languages of the soul giving form and definition to those intangible realities of the Universal Father so that others may derive such knowledge for themselves as we pass this information on when asked. We understand the language of Love and Spirit and a language in which the Father communicates love, harmony and spirit and, this happens in our soul-nature and this is highly intuitive and creative.

I spend little time if any at all, in the Natural Spheres. The only time I visit these social Spheres is when another Celestial spirit tells me that one like myself has been found, and then I will go and relate my experience which helps accommodate the individual as they begin to learn about their true nature as a mystical soul. Often, our soulmate is mystical too, though it has been known that this is not the case.

To the mystic living with Divine Love, harmony is paramount and forms the '*everything in everything*'. Harmony is the point at which universal causality happens at the intersection of all the immutable Spirit Laws that cause into effect and sustain the cause of the entire universe that surrounds the First Source. We work with this causality for we can identify its existence in the Spirit workings and this helps to bring into Celestial life, a greater awareness and identity of all that surrounds us in all that we live in. The harmonies of universal causality are the sweetest music and songs to our soul's from the Well of all mortal and Immortal souls.

This has been a pleasure to convey a little more of my mystical experience with you.

*Livingstone Grace*

298. *With or without the Divine Love*

31 January 2013

Today, there are various mediums who are aware of their experience in the receipt of the Divine Love and who receive or have received communications from us and this will go on into the future. I would like to say, because I can, that a Celestial spirit will never convey a doomsday message or anything prophetic that is detrimental and destructive to the future of humankind or a human life.

Such information would serve little purpose for the outcome of love and as far as we are concerned, love is what the entire mortal and Immortal life in the universe is all about and, the improvement of one's soul condition in a truthful way.

Most spirits have lived in the Celestial Heaven for a very long time, such as I and we have seen the events and changes that happen in the social fabric of human life. Anything of the past that was conveyed concerning the future of man is relegated to the past because the Spirit Laws that act upon the forming of each personality, comprising of soul and spirit body, happen only in the present as new and original babies are being conceived and birthed.

To a spirit who is well over 3,000 years old, this present day is just another day in the perfect Spirit workings of God's Universal Love and Spirit. A spirit who is 3 weeks old in their spirit life, today is remarkable and unlike any other day. A spirit who has been receiving and living with the Divine Love for 2,011 years, here in the Celestial Heaven there is no greater awareness or truthful fact about the existence of this Love and the Source of Its Origin and how this Love defines all that it is to be mortal and Immortal in finite personality. A person in their human experience or spirit, who has just become aware of the Divine Love today this new experience may seem unclear, challenging and unbelievably true.

One can always measure their human experience by weighing up if something happened or didn't happen. Let us take for example, a scenario where the world and spirit world existed and all mortal personalities were without the potential for Immortality. Imagine for a moment, if the Divine Love was without existence. Without the Divine Love there would be no need for a Celestial Heaven or Divine Love Spheres. There would be no need for the potential of Immortality for the mortal soul and there would be no need for us to reveal or explain or introduce you to anything new other than what you already know about your own human experience.

There would never have been any fall from Grace by the First Parents, or need of Jesus to live a human life. If you take the Divine Love and Its potential for the mortal soul out of the human equation of God then, a large chunk of the history of humanity and the spirit world would never have existed or have need for an existence. If humanity lived without ever having the available resource of the Divine Love, then human and spirit life would always remain of its natural fabric and a social experience that would never progress beyond the containment and boundary of the individual and the finite soul one is in essence and nature.

There was a time after the fall of the First Parents and the rising of Jesus in his human life that the Divine Love did not participate in the human experience or the mortal spirit world. Everything in man and in spirit was mortal and of natural nature. The natural love is a good love; a wonderful love that one can do and experience amazing things with to a positive effect or a detrimental effect. The inclusion of Divine Love provides a comparison with all that is natural in man and spirit and, with the inclusion of Divine Love, present as a potential as one becomes aware that this Love exists, to measure this existence by living with It or without It can help one gain valuable insight into why having the presence of this Love, as being a necessity for soul progression, and why God has included in the forming of humankind and the spirit world, the potential of this Love for a finite mortal soul to receive.

These are interesting thoughts to muse over and for such comparisons and distinctions between the natural and the Divine that may help shape a vision of Immortal Truth.

Thank you for receiving this work  
Your Celestial friend,  
*Elias*

### 303. *The Immortal Prayer*

6 February 2013

I am here, your friend Jesus and I would like to thank Saleeba for her service throughout this work; I thank all who have contributed and today our work toward the generating and creating the awareness of the Divine Love continues. This universal work is not my Third Coming to Earth. There will never be a Third Coming to Earth. I will never walk upon the Earth again in the flesh although as I am demonstrating now, I will communicate as I have done and will continue to do with individuals whilst I am here in the spirit world.

This is a universal work because the Divine Love is universal, and a personal experience of this universal Love is a transparent experience in these spirit communications. You are aware of how many happily live in their experience with the Divine Love of the Father here in the spirit Realms where living with the Divine Love is a visible fact. You are also aware of how many struggle in their experience of the Divine Love in a human life. Having lived a human life myself, and having experienced human social drama, I well understand why individuals find it hard to reconcile their life with the potential of the harmony of a life lived in faith and Divine Love. People are surrounded by human conditions and some of these conditions involve suffering, fear, aspirations, and all manner of conditions that impact the simple and beautiful task of quietly praying to the Father's Soul for an inflowing of the Divine Love. This work is a continuation of the work I did with James E. Padgett (1914 – 1923) though it is

independent. The construct of the natural and the Divine Love as a foundation to learn about the nature of Love and Spirit, in a human experience, will never be surpassed. The answer to every question asked from the leading edge of humanity can be answered and identified by the way the nature of these two Loves function (in their potential) for Love and Spirit and, to live as we do in the mortal spirit world in our harmony and acceptance with God.

For those who are living with the Divine Love and those who are to live with Divine Love in all cultures of the world and in all nations of the world, I give you these words to write that may provide comfort to those who need comforting and to provide faith and love to those who have passed their hour of need, and so I say:

My love, fear not for I am here at heart and hand and to comfort you in your prayers for Our Heavenly Father's Divine Love.

I support you in your uncertainty and sincerity that though you may feel sad or lost, in pain or confused, or in joy and happiness, I support you and no amount of weakness or temptation that you may feel, will deter the Divine Love from Inflowing into your heart and soul. This is not a time for me to teach the Truth of the Immortal Love or to provide a parable that may enlighten you with a teaching about man and God. For this time is when my love and guidance supports you in your endeavour to feel the Divine Love of God.

Though you may not see me with your eyes the truth of your heart will never lie to you, and in this heartfelt knowing, as you are true to the Divine Love of God, you will know my presence that I am with you as you pray to the only true, one true Soul who can provide you with this Love.

In this hour or every hour I am not a Lord. I have never entitled myself with such a title nor do I respect being given such a title or name. I am not a King or any other entitled item, thing, or living image. I am your friend and true companion as you endeavour to feel the blessings of Our Heavenly Father's Divine Love embrace your soul. God is the true and reliable guardian of your soul. This will never change if you allow this guardian to love you and that you may feel this Love in your faith.

Though you may have descended into passing through the valley of the human shadow where there is only fear, the humble and the righteous will never succumb to these fears for the goodness that prevails in each and every human heart can be drawn back into the harmony of light and life.

At times you may be disheartened or dispirited by the way you see the way your fellow man acts toward one another that does not respect love and moral truth. You may see the poverty that people live in and the hatred caused by fear but I will never ask you to give up your heart, for I will never give up on you. The choice for Love and harmony always exists even at the heart of a heart of darkness. I have seen the worst in men and women change from fear into harmonious love.

For those of you who are strong, I will continue to sustain this strength because many of you who experience the Father's Divine Love require a great resolve and strength of heart not to give up on the Truth and not to be saddened by the apparent lack of interest in the most beautiful love that you feel and know to be true. I will never prevent myself from being with you, who sincerely desire the Divine Love

and, with any feeling of being afraid, alone or insecure, I with my Celestial teachers are present supporting you. There is no shadow in the Divine Love and for those who are aware of this Love in faith love and spirit we celebrate the harmony of God's universe of Love and Spirit.

***I pray for the Divine Love, the Immortal Love***

Universal Soul God,

My Father, I love and accept you with my heart. I sincerely pray for your Love that will come by The Spirit and embrace my spirit body conveying your Divine Love into my soul. I humbly ask that you love me as I love you, and that you continue to love me when in those times I cannot love myself.

I ask that you give me the strength to voice my faith and love to you, and that you may love me in my weakness and in my strength. I know that I am a soul beautiful to you as you are to me, and that your Divine Love will be the arrival of Truth that my soul has truly longed for.

I pray that your Divine Love will be the arrival from which will announce the departure of my doubt and that such faith, love, strength will come to me that I will never doubt you again. And I will never stop loving you, in the sunrise and the sunset of each day in my life.

I recognise that you are the Source of the Divine Love and the origin of my soul. I recognise that I may have been lost to you but in truth I was never lost to you and now, I am gathering up all my love out of my lost-ness in great abundance because I am aware that your Divine Love is present for my soul and I am free to receive your Love and feel Its' breath of spirit declare in my heart the Immortal Harmony.

I am receiving your Love, I have received your Love, true Universal God, your Immortal Love.

Amen

These words I give will help another and never shall anything dark ever come out of the spirit world to cause separation from the human heart and soul that is praying for the universal and Eternal Father's Divine Love and so, for this day and in the days of tomorrow, for the Divine Love come let us pray and be aware of this Immortal Love and Its' potential for faith and harmony in a progressive experience.

*Jesus of the Celestial Heaven*

***304. The Immortal Gift, the Divine Love***

16 February 2013

I am here, good morning to you. I would not like this work that I am doing with you both to be regarded in any way as a 'Third Coming'. There is absolutely no religious requirement on my behalf to fulfil or declare any statement of this nature, and anyone who thinks of this work in such terms, as regarding a coming of any sorts by me to Earth, will only be misleading themselves away from the true purpose of this substantial input that I and the other spirits have conveyed. I along with those who have contributed to this work of communication desire only to elaborate on the universal nature of Love and Spirit, and the Immortal Gift, the Divine Love. I cannot emphasise enough that the work I did with James Padgett

(1914 – 1923) introduced the awareness of the Divine Love in context with the natural love and, that this body of work, The Divine Universe, continues to introduce, expand and provide vision and experience through those of us in the spirit world who are living with the Divine Love, to assist those of you who are also living with the Divine Love and who are aware of this Love in your human experience. The experience of Divine Love is evident to me, and a fact, I have lived with this Love for a long time and I know this Love as the Immortal Love of my Heavenly Father.

My voice in this work may sound unfamiliar because I am communicating from a non-religious context. I am communicating from one who knows and lives in a personalised experience in the universality of God's Immortal Gift, and since men and women may see me as being portrayed in a religious history and as a teacher in no other way, my voice may sound unknown to those who have the awareness of the universality of God and the way God's Divine Love and the Spirit that conveys this Love into the mortal and Immortal soul, then my voice in one's heart will have a resonance of universal Truth.

In the Celestial Spheres when I guide those who are beginning their experience of living with the Divine Love in their newly transformed condition, these individuals meet me and see me as I truly am: an individual who has personalised my love of God in the Divine Love of God. Individuals who perceive me from their human experience in purely a historic or religious way change their perceptions, for the individual that they see standing before them is not the religious figure once previously taught to them. I have little interest confirming what is right or wrong with human history with regard to its religious content. Many people define themselves by their faith and I have no intention of undermining the religious principles that form these diverse human faiths and beliefs. I know that the experience of humankind is as the river that flows no higher than its source, and the source of the human history resembles all that is natural and natural love in mortal man. My service along with the Celestial spirits and those people who have the awareness of the Immortal Gift, the Divine Love, is to share our experiences that add an addition to the river so that the river and the individual's awareness can see that the Source of this river of the **Immortal Gift, the Divine Love**, flows not from man – but from the Soul, God who can reach one and all human souls.

Thank you for receiving this message and let us – with the other Celestial contributors – continue in this work of love, harmony and spirit.

*Jesus of the Celestial Heaven*

**Our Heavenly Mother and Father simply desire for us to ask for Their Love.**

## The DIVINE UNIVERSE:

### 306. *Universality of Divine Love Teachings*

18 February 2013

I am here with you now, in fact, I am standing by your left side as I communicate this work with you. When I wrote with James Padgett (1914 – 1923), it was a different world than the world you live in today. Humanity has had greater exposure now than the previous hundred years, when I commenced writing with James. You are worldly and you have both (Nicholas and Zara) travelled the world and the amount of information you have both read and been exposed to over your lifetime has provided a good resource to your learning about spirit-related themes and the experience of the human condition. Your exposure to humanity is far more so than was James Padgett and all that was accessible to him in his day. James was fairly religious and in his day, religion formed a large basis of the human experience. Today, the world is far more exposed to the various faiths and their diverse beliefs that form the social basis for the way of life in those respective cultures and also the spiritual beliefs have had plenty of air. Religion and spirituality today is well researched and studied with worldwide exposure and potential for choices.

My work with James was mainly in a religious context largely because of the man himself and the way the world surrounded him. There is much information provided in the spirit writings that James received though largely much of the teachings have a religious nature to their delivery. The spirit writings that James received are largely in a religious setting in which a sprinkling of the Truths were conveyed and introduced. The work I did with James fulfilled the need of that day and the purpose of all that I intended to convey at that time. Today is different and you (Nicholas) are different than James in your place in the world. I can write about the Father's Divine Love and related workings of Love and Spirit with you in the way that I have, because you are worldly, independent and universal in approach to your experience of the Divine Love, and you are not bound by the condition of a religious belief or spiritual belief that would require me to work within those mortal bounds. There is no need for me to be religious or spiritual with you, I need only be practical.

Your personal experience of Divine Love that has progressed day-by-day has provided a wonderful resource for you to understand your personal experience with universal vision and, it is with this universal vision that I, along with the other contributors in this work, have been able to make an effortless contact with you from our position in the spirit world. As you have gained the understanding about the nature of Divine Love, you understood the necessity to be as open as possible as you explored the human experience and the relationship between the natural love and the Divine Love. Along the way you asked leading questions, such as: 'If there is life after death, then how does this human life survive death and transition into the spirit world, and also, how does the spirit body work?' You also desired to write about the Divine Love and Its presence and potential in a universal way, in a voice that provides expression to a Love that is in Its potential, the same Love present as this potential for one and all mortal souls. I have been true to this universal vision that has facilitated my being able to work with you in this open way. I have needed to communicate about Our Father's Divine Love in the way that is consistent with how the diverse experience of humanity in the Divine Love Spheres and Celestial Heaven experience the Love; this takes the reality of the Divine Love out of formal religion and spirituality into its true universality. I have no desire to recorrect or to make corrections on the history of the human past relating with religious beliefs in the diverse faiths that humans live. I have no plan to

teach, or agenda to convey, or double meaning to infer. My teachings are as transparent as the Divine Love is; simple to follow, simple to live and simple to do: one only need to be aware that the Divine Love is present and to be sincere of heart in one's desire to ask God to receive this Love. Any further teaching hinges on one's capacity or desire to learn about the nature of the natural and the Divine Loves, which then extend into the human experience and the life of spirit experience with the Soul, God.

The Divine Love fulfils all requirements necessary for making the mortal Immortal. There is no other way. Humankind will not be able to provide this truth from the resource of their natural love. Humans may believe that God has all sorts of things planned for the evolution of man and man in the afterlife, but the reality is that the only plan of God is *Love*. Love is progressive in its very nature and harmony is a real attribute of love and spirit. The Father has provided the Divine Love so that the individual may experience the reality of all that I have just stated.

It has been necessary to convey vision in a universal way relating with the potential of the Divine Love so that one may see for themselves, the true nature of love and how God has taken all into consideration and has not excluded anyone or anything to do with the potential for a mortal soul to participate with all that the Soul, God is, love.

Thank you for receiving these words that may inspire another to see the vision of the Divine Love as being personal and universal and available for one and all who desire to know the Truth of God and Love that is consistent on Earth and in the mortal and Immortal Spheres of the spirit world.

With love,  
*Jesus of the Celestial Heaven*

### 307. *Universality of Divine Love Teachings*

19 February 2013

I would like to continue with this theme. I am not for or against any human religion, spiritual faith or belief. I am not in competition with human experience or belief as to what is true or untrue in the human experience to find and live the 'superior' faith or belief. The individual, to discern for themselves, what is true and untrue that relates with their individual experience of the Divine Love. I respect any individual who lives an example of love and in this example, respects one's self and others so that the human attribute of goodness prevails in all conditions.

My position in the spirit world is to primarily teach about living with the Divine Love and to work along side those other spirits in the natural Spheres establishing this awareness, so that individuals can make an informed choice as to whether one would like to partake of this true Immortal Gift. With regard to the Divine Love and being aware of this Love in the human experience, it is a bit like reinventing the wheel of human experience ... because human awareness has yet, to individually, collectively, and universally, be aware of the potential of this Love for the knowledge of this Love still so little known in the world today.

I know that most people in the world live and lead a simple life doing the best they can, often under trying circumstances and difficult conditions usually due to the financial implications that involve the

social quality of a life lived. The quality of human life is so determined by these financial structures that have social ramifications. These ramifications are no longer part of a spirit's experience. I am aware of the poverty that people live in and not just organic poverty, but social poverty, such as being able to read and write and that many, will not be able to read these words I write about love and Its' potential.

Spirits can see the state and condition of the human world easily. We have all at one time, lived a human life. We all have our human story be this for a single hour lived or a hundred years lived. There is nothing in today's world that causes us to be impressed other than the fact that the world has never before lived with such vital and viable communications systems. From a human perspective each experience is impressive; from a spirit's perspective, most who reside here ultimately wish that they had left the world by making it a better place than when they lived and left the world. The spirit world is full of individuals who believe that they wasted their human life by not contributing to the benefit of another. In the spirit world, individuals realise that their actions have dire consequences and are the legacy they leave behind.

My work will never be fulfilled until the awareness and choice for the Immortal Love has been presented to every single mortal spirit and human. Until this has happened, my work continues with those who voluntarily choose to work alongside me as we give all our attention to those who, as yet are to experience or be made aware of the Divine Love. I commenced this work with my public ministry back in those slender years when I lived my short human life. The potential for one to accept God's Divine Love has never changed from those days when I walked the Earth and when I left the world, in a better condition than when I had arrived. The world in my day was small in comparison with the population today. I cannot afford to be selective to any one particular race of human or belief of spirit for this would only diminish the reality by which I live in the universality of God's Divine Love.

It is the individual who must change, for God will never change. Change comes by being aware of things, that is why by being aware of the Divine Love, presents a reasonable choice for one to make themselves a better person from which love, respect, goodness and harmony are living in a person's life.

Thank you for receiving my words,  
*Jesus of the Celestial Heaven*

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

**Long and pray for Divine Love and it will loosen the errors / injuries / unhealed / denied trapped and/or inherited emotions, resulting in a flowing out, when one embraces Feeling Healing, of these negative embellishments within one's soul as Divine Love flows in – Divine Love being the greatest gift in all the universe.**

## The DIVINE UNIVERSE:

### 315. *The Master's final message in this work*

24 February 2013

Good morning to you both. I am here to convey my final message to this work, this universal work of Love and Spirit. I cannot express enough the gratitude I feel for you both providing this service to us. We have been able to communicate a progressive experience and vision into the workings of Love and Spirit and the universality of the Divine Love. This was commenced with other spirits who worked beside me at the time with James Padgett during the years that first introduced the construct of natural and the Divine Love.

Each person who becomes aware of the Divine Love while living in their human experience will learn for themselves what is involved as one gradually accepts the Soul Source of this Love. Day-by-day an acceptance of faith and awareness will assist in one being able to gain greater confidence, assuredness, acceptance, love and respect in their Divine Love experience and for the Soul Source of this Love.

As I and the other spirits have stipulated, being aware of this Divine Love and potentiality for one to continue receiving this Love, is a true step in the right direction for at-one-ment with God. All we can do, is enhance the vision of the workings of Love and Spirit and by introducing this, one will have more experience and information to assist one in their experience of living with the Love. What we can say is that over time, personal awareness will come, from having received the Love that will enable the individual to live more faith in their relationship with the provider of this Love.

In the spirit Spheres where individuals learn about living with Divine Love, it is evident that change has happened because this change is visible in the spirit body. One can see the advances they have made in the receipt of the Love and their personalisation of the Father. As it has been stipulated, when one is living with the Divine Love, slowly the distinct difference between living without this Divine Love and living with this Divine Love becomes a reality of awareness for each person and individual spirit. The physical body covers the visibility of the spirit body, and so, in a human experience, faith is necessary. In the spirit Spheres, the changes in the spirit body is evident enough with its visibility of change that this confirms the Divine Love, received.

Spirits in the Celestial Heaven and the Eternal Spheres are still learning about the universal workings of Love and Spirit. A person may know very little about any such workings of Love and Spirit or the Spirit Laws, yet is receiving copious amounts of the Divine Love. Progression is based on how much awareness one lives with and how much one is living in harmony with the Soul Source of the Love, at any one given time.

I would like to state that people need to be very weary of any person who proclaims themselves to be me or who promises something about the Divine based on a human condition. I never promise anything to anyone. I live and work in the harmony of Love and Spirit, fact, humility and *living* Spirit Truths. I will never again walk the Earth in the form of a man or a woman; my one singular life was over long ago. I continue to live and teach here in the mortal and Immortal Spheres of the spirit world. I have absolutely no control over another person or spirit's experience in the Divine Love, nor do I take any control over the outcome of the Father's Divine Love or The Spirit that conveys this Love. No spirit does have any control over the Divine Love and one would be well advised never to listen or follow anyone who

proclaims that they have any control over the Divine Love or outcome for the universal Love and Spirit Truths.

Every single person and spirit is with independent choice and continued choices to accept the provider of this Love. All I can do, as with other spirits who live with this Divine Love, is share our experiences for the benefit of one and all as we tirelessly work at helping to establish the universal awareness and potential of this Divine Love. All the Celestial spirits are kind and polite, unobtrusive and well mannered and carry their countenance of knowing and living with God with respect, devotion, and a responsible independent nature. We all share in the experience of Divine Love and so there is not one of us that as an independent personality, lays claim or possession to this Love, and more importantly, for those of us who have received God's Divine Love we, as spirits, never see ourselves as being equal with God. The First Parents (Aman and Amon) made this mistake and for those who enjoy the study of the First Parents, the reason why there was a potential 'to fall' was because their life involved the Divine Love being available for the very first time. If there was no Divine Love available and the First Parents lived in only their natural condition of love, then there would have been nothing to fall from.

As one progresses in their experience of Divine Love here in the spirit world, the individual realises that from their first drop of Divine Love, right the way through to the Spheres of Paradise, that the individual has not been able to do this all by themselves or to go-it-alone, so to speak. Everyone has required the loving assistance from another individual to help learn about the way living with the Soul Source of this Love is. This in itself is the best example I can give that reveals how universal living with the Immortal Love is. In this collaborative work I along with all other contributors have demonstrated this Truth of universal assistance as we have shared from our collective experiences, the workings of Love and Spirit. It is so that one may benefit in their approach to the Soul Source of this Divine Love, and in our example, may then desire to assist in the awareness of this Divine Love with respect for the benefit of another who may have a longing to know, find and experience this Love and the Soul Source of Love and Spirit.

This concludes my referring to the spirit writings of James Padgett (1914 – 1923). No more need be added or taken away to those spirit writings that laid the platform and foundation for the experience and vision of the two Loves, the natural and the Divine Love. I am pleased that I could at this time in this work, *The Divine Universe*, clarify some of those spirit writings.

With love  
Your friend,  
*Jesus of the Celestial Heaven*

# HEALTH and HEALING

EVERYTHING is INTERCONNECTED!

### **Feeling Healing – Healing yourself through your feelings.**

- ✓ Your feelings are the real and true you.
- ✓ If you are denying any feelings you are denying yourself.
- ✓ If you are denying yourself you can't ever be truly happy.
- ✓ To heal all your pain and suffering, you can look to your feelings for why you are feeling bad.
- ✓ If you want to know the truth of yourself, then it's your feelings you will need to look to.
- ✓ Your feelings hold the hidden keys to unlocking the truth of who you really are.
- ✓ Uncover the truth of yourself through your feelings and you will know why you feel all you do.
- ✓ Everything in life, why all that happens to you does, and everything about yourself, can be explained to you through your feelings.
- ✓ Why your relationships might not be as good as you would like, why some might fail, you will understand through your feelings.
- ✓ How to live a good, true, happy and loving life will come to you as you start paying attention to all your feelings.
- ✓ However you will also have to pay attention to all your bad feelings, and this can be very harrowing.
- ✓ By honouring – accepting and then expressing all the bad feelings you feel, you will slowly bring to light all the reasons why you don't feel good.
- ✓ And as you liberate yourself from these hidden repressed bad feelings, so you will start to feel better and better about yourself.
- ✓ It's a process, and it can take time, years possibly, but all that's hard will eventually pass becoming good.
- ✓ Expressing all your feelings, and particularly your bad ones, whilst longing and really wanting to know the truth of why you're feeling them, is doing your Feeling Healing.
- ✓ You can Heal yourself through your feelings. And in fact, it's the only way to really heal yourself.
- ✓ And if you wish to do your Healing with God, you can also long for God's Divine Love.
- ✓ Feeling Healing – Using your feelings to heal yourself.

**EMBRACING the WILL of our HEAVENLY MOTHER and FATHER:**

**Our Heavenly Parents are almighty, all powerful, infinite, and at all times loving.**

**The love of the Heavenly Parents for their children, woman and man, has been and is always infinite and ever present.**

**As one's faith in our Heavenly Parents evolves, man's love for his Heavenly Parents will have no limit.**

**As man grows in his love, so will man grow in his love for all of God's creations.**

**Approach the Source Soul, the Mother and Father, in reverence, without fear or trepidation, just as a child approaches his earthly parents knowing that open loving arms are extended to receive him at all times.**

**As one grows in his love of the Mother and Father, one becomes to know with certainty that God loves him or her in return, at all times, and that fear is an illusion created by man's mind.**

**By embracing the commandment provided in the 1<sup>st</sup> century, namely the first:**

**"This is my commandment, that ye love one another even as I have loved you."**

**Further, we are to embrace our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

**Also as our soul development progresses, our self love grows which also enables us to step away from:**

**Any self harm that we may cause which also brings about consequences.**

**And to move along this path we simply develop our embracement of:**

**God's Divine Love; by praying for it, asking for it, and receiving it.**

**Longing for Truth and Divine Love we can embrace the will of the Father and achieve freedom from error and harmful ways, thus finding our way home!**

**What is Divine Love?**

**It is the Divine Love of God, our Heavenly Parents, restored to all mankind by the births of Jesus and Mary.**

**How do we get this Love?**

**By sincerely asking God, our Mother and Father, and receiving the Love that passes all understanding.**

**What happens then?**

**We are born again in spirit and in truth, our soul opened to the Soul of God, our Heavenly Parents.**

**What then do we know?**

**We know we are all children of God and want to pray always to our Heavenly Parents, always longing for Truth.**

**What is the purpose of Feeling Healing?**

**We are to seek the truth of our feelings and unburden ourselves from our childhood repression and injuries.**

**What of the world?**

**We are at peace in the world and fearless. In Divine Love and in Truth there is no fear.**

**What else?**

**We are to strive to love everyone unconditionally as our Heavenly Parents and as Mary and Jesus love us.**

## ***DIVINE LOVE – what does it do?***

### **Divine Love, which is a substance, progressively:**

**Transforms one's soul from that which is of natural love to that which is Divine**

**As natural love is enhanced with the Parent's Love, we reject our tendency to error**

**Divine Love, our Parent's Love, restrains errors, untruths and emotional stress**

**As we reject the condition to error, we develop our love for our brothers and sisters**

**Divine Love helps one with the discovery of truth through one's soul-feeling healing**

**Our natural intelligence grows, perceptions rise with our soul intelligent feelings**

**As Law of Compensation is resolved, the Love reduces returning to being in error**

**Receipt of Divine Love, the Parent's Love, grows our faith, we become God reliant**

**As our faith grows our propensity to undertake one's Feeling Healing strengthens**

**With the Love, our Feeling Healing becomes Soul Healing, this we are to undertake**

**Without the Love we remain self reliant and dependent upon our own will power**

**Only with the Love will our soul condition grow rapidly, all around us also benefit**

**The Love is the only substance that changes the human soul to that which is Divine**

**Only by asking and receiving Love do we become fitted to enter Celestial Heavens**

**Only by asking for and receiving the Divine Love does our soul become immortal.**

### Manifesto of Divine Love:

1. We love one another as Mary and Jesus, our spiritual parents, love us. And so we seek their Spirits of Truth.
2. Our all loving Heavenly Parents, our Mother and Father, we love and honour at all times.
3. We worship only our Mother and Father, God, and Creator of all things.
4. We treat our Creator's name with respect and love, and earnestly seek Their Divine Love, and at all times pray for It, ask for It, and receive It.
5. We set aside a regular day each week for Sabbath rest and worship of our Heavenly Parents, God, and seek Their Love so that we may grow closer to Their fountain head of Truth and Love.
6. We are to be as we feel, even if it's sinful, but in doing something that is not in alignment with God's Love and Truth will make us feel bad, that is provided we allow ourself to feel our bad feelings, and so we can then use our bad feelings to find out the truth of why we feel bad and why that thing we have done is bad. We embrace our Feeling Healing.
7. We strive to cause no harm to another, nor cause any harm to one's self. We do not do to others what we would not have them to do to us. We treat our fellow human beings and all living things, and the world in general with love, honesty, faithfulness and respect. Violence, at any times, is never justified. Golden Rule: that one must always honour another's will as one honours one's own.
8. At all times in our intimate relationships we strive to express and live true to all our feelings, all so we can use our feelings to uncover the truth they are trying to show. The truth of ourselves, of our relationships, and the truth of everything else, including God.
9. We do not covet or steal anything that does not belong to us. Honesty in all communications, actions, undertakings and activities in all facets of life is our rule of life.
10. In all that we do, we are to be truthful. We are non-judgemental, for none of us have the capacity or authority to judge another. We are always ready to forgive all wrongdoing.
11. We do not desire anything or anyone that does not belong to us. Comparing oneself to others and longing to have what they have leads to errors. We are to be content by focusing on the blessings our Heavenly Parents, who made us in Their soul's image, provides for us.

## U-TURN for HUMANITY:

### Why are we doing a U-Turn?

We are doing a U-Turn **because** the year 2017 heralded the end of the Rebellion and Default. For two hundred thousand years, humanity has been going in the wrong direction.

### What is this fundamental step that will change our way of living?

We are to come to understand / know the foundational cause of all our feelings, both good and bad. As we explore and investigate our feelings, each time they arise, one by one, we are to talk them through, express them to a companion or friend or anyone who will listen. As we express them, while at the same time coming to understand how they have come about, we will find that they will be resolved and that they will not come up again.

**Feeling  
Healing with  
Divine Love is  
the key!**

We will find that all of our feelings / emotions have their foundations from our childhood. And by childhood, that is from the time of one's conception all the way through to about the age of six. It is the repression of our childhood feelings that is the base or foundational cause of each and every one of our adult personality issues, pains, difficulties, illnesses and distressful life experiences.

**We have to see the whole truth of our negative or self-denial state, before we can heal it and be free of it.**

The vital difference between **emotions** and **feelings** is:

- emotions have their roots in the past,
- feelings relate to the present moment,
- emotions represent feelings not previously expressed,
- and these accumulate over time.

Many emotional clearing processes encourage us to look into our feelings, however, none go so far as to drill down into the core foundation of any emotional feeling to the point that we strive to KNOW the core issue, the origin of the feeling, be it good or bad, and actually come to know what it is!

The *Journey Process* is generally known worldwide. It stops short of longing to know, that is asking for the knowing of the events that brought about such a feeling. Yes, we are to acknowledge the feeling, say being angry. Then accept that behind that anger is the feeling of being small, and then look at the underlying reason of why we are feeling small. What is the truth behind that feeling? Ask our Heavenly Parents what is behind all of this feeling. What is the foundation, the origin of the feeling? All the time talking it out, expressing it, with a friend. The expressing of the experience is the release of the emotion / feeling, this is what removes it for ever from within our essence, our **soul**.

**Why ask our Heavenly Parents? I thought God was just God – singular?**

This is part of the revealings that have been unfolding for us very recently – that is – since 2002.

We are made in the image of God. This has been understood for centuries, for 2,000 years. Our soul is duplex. Our soul expresses itself through two personalities. One soul ‘subdivides’ into two, one half always being female and the other half always being male. We are a reflection of how God is. God being one Soul is expressed as Mother and Father. God is two personalities. They are soulmates. And each of us has a soulmate, and our soulmate is always of the opposite sex, because the Mother and Father are the opposite sex.

Thus, when we long for the truth behind a feeling, then we can long to our Heavenly Mother and Father. Only they can tell us. No spirit personality can tell us. No canonised saint can tell us, we may as well ask our next door neighbour. That would be just as productive. Mary and Jesus can’t tell us, as they are also spirit personalities.

### **I was taught that Jesus was God? And what is this about Mary?**

Mary of Magdalene and Jesus of Nazareth were both born free from sin. Neither of them are God. They are both children of God, just like you and me.

History needs to be corrected. Both Jesus of Nazareth and Mary of Magdalene became at one (At-One) with our Heavenly Mother and Father during their physical lives here on Earth in the first century; Jesus in the year 26CE and Mary in the year 33CE, or thereabouts. Jesus died aged 35 (born 7BC died 29CE), and Mary died aged 47 or 48 (born 2BC died 47CE).

Further, their sojourn on Earth was the completion of their process to become the full Regents of the sector of planets that is referred to as Nebadon. The region within our super-universe that is referred to as Nebadon contains 3.8 million inhabited planets. If you look into the night sky, each star / sun potentially has between none to three inhabited planets within its orbit. Within Nebadon, the soulmate pair, namely Mary and Jesus, are our Spiritual Teachers of Truth. Their domain is all 3.8 million physical planets plus their associated spirit worlds. Each physical world has seven associated spirit worlds, which is the case for Earth being one of the 37 that have rebelled.

Some 200,000 years ago, Lucifer with his soulmate and his deputy, Satan with his soulmate, brought about a rebellion on 37 of the inhabited planets within the region called Satania, one of the local universal systems of Nebadon. Earth compounded the situation through the Default of Adam and Eve about 38,000 years ago. Thus the population of Earth, being in the worst condition through the Rebellion and Default, became the location for Mary and Jesus to have their physical experience to complete their ascendancy to full Regency of the local universal system being Nebadon.

Their lives on Earth was the start of the unravelling of the Rebellion and Default. Upon Jesus becoming At-One with our Mother and Father, he was then vested with the authority and power to have the Lucifers and Satans arrested, and they now reside exiled within a prison world.

Notice that there were no records of Jesus and Mary’s teachings and experiences made during their physical life. That was because they did not specifically come here for us, they came for the benefit of all peoples of all planets and spirit worlds throughout Nebadon.

As they are Paradise descending spirits, they have **Spirits of Truth**. Upon Mary and Jesus' death, they released their Spirits of Truth. As spirits, Jesus and Mary are how we will be, once we've finished our Soul Healing. They can only be in one place at any one time. However, it is their Spirits of Truth throughout Nebadon that we can connect with for guidance. It is through their Spirits of Truth that spirit personalities can progress through and out of Nebadon.

Those planets that have Rebelled need further assistance, and they need it on a localised manner. This can only be provided by another bestowal of a **Paradise Pair**, and that is in the form and manner of an **Avonal soulmate pair** who come here specifically for us.

### **What is the purpose of an Avonal pair, and are they here on Earth?**

Unlike Jesus and Mary who were always free from sin and did not experience how to heal themselves, the Avonal pair are to experience all of the extremes of evilness and then proceed to heal themselves. Mary and Jesus through their bestowal on Earth ended the Lucifers spiritual rebellion in Nebadon; the Avonals bestowal is primarily concerned with ending the Default of Adam and Eve by the Avonals themselves personally healing the effects of such a damaging Fall.

The soulmate Avonal pair are to be, and have been, subjected to the extremes of childhood suppression and repression, and then, through their Feeling Healing, are experiencing all the facets of emerging truth as they slowly progress through a protracted and difficult healing process. As they reach specific milestones, this also enables those in the Celestial Heavens, (the three worlds where Celestials reside) to be empowered to assist us in the physical on Earth.

The first considered milestone was the arresting and imprisonment of the Caligastia soulmate pair and the Daligastia soulmate pair. After the arrest of the Lucifers and Satans in the first century, as nothing further occurred, the Caligastias and Daligastias continued on from spirit as if they were kings and queens, suppressing all of humanity and with plans to take over the universe. It was possibly in the early 1990s that they were 'judged' and 'removed'. They were caught unaware that an Avonal bestowal pair were on Earth.

### **How is all this becoming known? Has Jesus and Mary communicated directly to Earth?**

Unlike in the first century, when no records were kept (as the event related to all of Nebadon and it was actually setting the stage for the Avonal bestowal pair to arrive on Earth), every effort to retain records in great detail of this current series of events is now being attended to. Consider this. The New Testament of the Bible is some 300 pages. The records of the Second Coming, which this is, the primary records are possibly 6,000 pages, with direct complementary records increasing that to over 10,000 pages and with all the supplementary records to date, there may be as many as 40,000 pages, certainly well over 30,000 pages of material presently.

Jesus directly communicated through James Padgett from 1914 to 1923. Mary of Magdalene (Mary M) has directly communicated through James Moncrief from 2002 and is ongoing. Jesus has also communicated directly through James Moncrief. Neither have ever directly communicated through any one else, however, some Celestial Spirit personalities have provided information through other

personalities on Earth with the support and approval of Jesus and Mary, thus some confusion, though the quality of the information is very reliable.

**You say this is the Second Coming? You say I am living during the time of the Second Coming?**

Yes you are. And it's more than that. This is the Second Coming, the End Times and the Handover!

In fulfilment of the prophecy in the first century, the Second Coming commenced on 31 May 1914 through the writings with James Padgett and concluded in 2014 through the writings with James Moncrief.

The End Times are well advanced. Mary and Jesus are well advanced in handing over their direct involvement with Earth to those within the Celestial Heavens. When this is completed, the Handover will also occur. **The Hand Over is to the Avonal Bestowal pair** and it is they who will guide the population on Earth through their Feeling Healing processes for the next 1,000 years, being the next spiritual age. The Handover will take place after the Avonal pair complete their personal Healing of the Rebellion and Default. Then will follow with their Spirits of Truth being officially liberated in alignment with Mary M and Jesus' Spirits of Truth upon their death.

Major events have occurred with the progression of the Avonal pair's Feeling Healing, which they are also doing whilst embracing our Heavenly Parents' Divine Love, thus they are doing their Soul Healing.

Early 1990s:	The arrest of the Caligastia and Daligastia soulmate pairs.
22 March 2017:	Negative spirit influence was blocked.
31 March 2017:	Angel assisted healing will become available upon the Avonal pair completing their own Feeling Healing, being with Divine Love, thus it being Soul Healing.
22 May 2017:	Law of Compensation quickening.
2 December 2017:	Psychic Barriers maintaining the Rebellion and Default were cracked.
8 December 2017:	Bring on the money to <b>'house the future of humanity'</b> .
31 January 2018:	Earth and the seven associated Mansion Worlds (including the two Earth planes) are <b>officially</b> now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default.

**How does this all fit into our future way of living?**

**This time, in the history of humanity, is the most exciting time ever experienced.**

**The whole human race is suffering from repressed childhood and mind control.**

Through one's Feeling Healing, and should we embrace our Heavenly Parents' Divine Love, then with their Love we are doing our Soul Healing, and eventually we can live totally in accordance with our soul based feelings and live free from error – no more fear and no more physical illnesses is possible!

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

Our soul is always perfect. In fact, we are the complete package. All that we need to know is within our soul. This knowledge has been denied from us since the time of the Rebellion and compounded by the Default. That is what was brought upon us by the Lucifers and his cohorts. We have always been meant to live true to our soul based feelings but we were taught to embrace our error riddled mind – this was aided by our parents – unknowingly all parents have taught their children to be mind dominant. **This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

“Many people look for a person, spirit, angel, even God, for supreme guidance, however it’s all right there already built in – in our feelings. **Feelings** guide us through our **ascension of truth**. So they are really our Supreme Guides. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it’s there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: **Longing for the truth of our self, because: we are our feelings**. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.”

Kevin of the 1<sup>st</sup> Celestial Heaven 26 September 2017

(Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.)

It is through the assistance of the Spirits of Truth of the Avonal Pair, upon the completion of their Soul Healing, that we will be guided through our Feeling Healing process, and should we embrace our Mother and Father’s Divine Love, then our Soul Healing.

Then should we embrace Mary and Jesus as our Spiritual Teachers of Truth, their Spirits of Truth will lead us on the path through the Celestial Heavens where we will certainly meet up with our soulmate and join our soulgroup, which will eventually consist of twelve soulmate pairs. Then as a soulgroup, the Spirits of Truth of Mary and Jesus will lead us up through and out of Nebadon towards Paradise.

It is then our Mother and Father in Paradise who draw us to them and we will eventually meet our Heavenly Parents.

Meanwhile, while we live on Earth, we will have assistance and guidance previously denied to us throughout the era of the Rebellion and Default. Under the Contract controlling and managing the Rebellion and Default, the powers and capabilities of our Celestial Heaven spirit personalities, all three worlds of them, were heavily restricted and almost of no assistance to us at all. Further, Nature Spirits and our Angels were heavily denied contact with us physical people because of the Rebellion and Default, all of which is soon to change, so we can look directly to them for help concerning healing ourselves and understanding all aspects of nature.

As we embrace our Feeling Healing, Celestial spirits will and can greatly assist us. In fact, during the year of 2017 they have blocked all mind spirits from the Natural Love Mansion Worlds: 1, 2, 4 and 6 from interfering with us. Celestials have taken control of all facets of living and life on Earth. Celestials are those spirits who have completed their Feeling Healing and progressed through Divine Love Mansion Worlds 3, 5 and 7 and now live in the higher Celestial Heavens, 1, 2 and 3 (when we

become At One with our Heavenly Parents then we leave the Mansion Worlds and progress through the next three spheres related to Earth, hence the Celestial Heavens are also referred to as being numbered 8, 9 and 10).

The Nature Spirits of Earth, who live in the third Earth plane, can now directly interact with those who are embracing their Feeling Healing. Nature Spirits are essentially ‘angels in waiting’. They have been on Earth prior to anything that we now see living in nature. When they first started to arrive, there was no life in the seas or on land. They have consequently witnessed everything that has happened on Earth, including all prior human civilisations that we continue to largely remain ignorant of. Their knowledge and assistance is of great importance to us. We are to interact with them on an ever increasing scale. They are to become an invaluable source of information for us concerning how we are best to live with nature.

Further, we may become more aware of our **Indwelling Spirit**, which arrives for each of us during our sixth year, as we now progress with our Feeling Healing, or with Divine Love, our Soul Healing.

And all of this is possible as we embrace our Feeling Healing process, acknowledge and accept the Avonal pair, acknowledge and accept our Spiritual Teachers of Truth, namely Mary and Jesus, and more importantly, grow to love our Heavenly Parents, our true Mother and Father.

We do not need intermediaries, rituals, liturgy, dogmas, creeds, fancy clothing, or institutions. It is our soul based feelings and expressions that we may exchange directly with our Heavenly Parents. Groups may form to assist each other, and that is our choice and within our free will.

**This is the greatest event in the history of humanity.**

This is the Great U-Turn that humanity will embrace throughout the next 1,000 years.

MoC 1,480

## **Why did the Lanonandek Daughters and Sons rebel? The Lucifers, Satans, Caligastias and Daligastias.**

Re The Urantia Book (TUB): there are various orders of Paradise Descending Daughters and Sons. (NB: TUB only refers to the masculine so doesn't include Daughters.) The Descending Daughters and Sons descend or step down from Paradise to reach out and 'down' to the Ascending mortals – men and women on the evolutionary worlds, who are reaching out and 'up' to Paradise and for such help from the descending spirit pairs. Ascending mortal pairs (soulmates) cannot by themselves ascend to Paradise, how to do that is not 'encoded' in their soul. So they need higher help and guidance from the descending pairs. So if people don't have this higher help they will never spiritually and physically progress very far. And if this higher help goes haywire, people are stuffed until other higher help comes to rescue them.

One such Descending Pair, the Creator Pair, comes out from Paradise to a section of space when it is ready for them – Mary M (Magdalene) and Jesus in our case; and in union with the Divine Minster, create, or 'bring into being' a Local Universe – Nebadon. Mary and Jesus then attend to the whole (local) universe, with Avonal Descending Paradise Pairs coming as required to the individual earth worlds to ensure and initiate the spiritual changing of the ages that is needed to advance the spiritual development of mortals in accordance with the Paradise Plan.

Part of the Creation of Nebadon includes the creation of Local Universal Descending Daughters and Sons that hold key positions on individual worlds and oversee larger areas or sections of the Nebadon. With the Lanonandeks being these key administrators, guides, overseers, who are the ones that ensure the ascending mortals of each world are given what they need in accordance with the unfolding phases of their evolution, as well as providing the necessary Mansion World structures and organisation of the Celestials spheres, the greater part of Nebadon, all so mortals of the evolutionary worlds can find their way up and in through the Local Universe so as to set out on their greater spiritual journey through the Super Universe and Central Universe to Paradise. The Lanonandeks make sure all the parts work as they are intended to do, with the Melchizedeks being more involved with the ongoing teaching and personal education of mortals about all things through the Local Universe.

The Lucifers, Satans, Caligastias and Daligastias are all Lanonandek pairs.

The Lucifers were the overseers of this sector – System – of Nebadon that includes Earth – Urantia. The Satans were to help the Lucifers, being the main liaison pair with the Caligastias (The Planetary Prince and Princess) who oversaw Earth directly from spirit, and the Daligastias being physically materialised on Earth so as to oversee and help evolve the local races of Earth on all levels, the practical physical and spiritual, this being how it was five hundred thousand years ago. And for three hundred thousand years, everything went well.

The whole of Creation thus far is one gigantic Ascending mortal scheme – The Ascension Scheme. So everything in it works to help slowly evolve humanity along the plans designed for them by the Descending Pairs and the Mother and Father, with the idea to evolve through ongoing self-expression the people from all the earths up through the Mansion Worlds and into the Celestial spheres and on through and out of Nebadon. So if anything goes wrong in any level of the universe then it causes problems for the mortals who are wanting to ascend.

The Lucifers were outstanding members of their Order. However according to TUB (if I remember correctly), they were passed over when they applied to oversee certain parts of Nebadon – and so why did that happen??? Then finally they got their chance. As to why they rebelled – it is said their egos, their self-importance, grew, and they weren't able to control it. They were seduced by some inner need for greater power – but why did that happen? And is it just like everything else, there is variation in all things and so they went the way of rebelling against Mary and Jesus and the Mother and Father. And not being of a higher Paradise Order, they are more prone to being seduced by their inner biases, whereas supposedly Paradise Descending Daughters and Sons are too perfect, being of Paradise origin, and so wouldn't or even can't, rebel. And Avonal Pairs can willingly take on rebellion, but that's their choice and they are not technically rebelling or defaulting, they needing to do this so they can heal themselves of the Wrongness thereby liberating the world of rebellion, and in our cases, also default. Which means, providing people and spirits in the Mansion Worlds, their Spirits of Truth, so everyone in a rebellious state can look to them instead of the Evil Ones, the rebellious Lanonandeks, for the way out of rebellion and onto Paradise.

The Evil Ones took over their part of Nebadon, Mary and Jesus allowed them to, allowing the Rebellion and subsequent Default on Earth to run its course. However it continues to cause masses of disruptions to the natural way of things, all of which we've been and continue to be subjected to.

So because humanity for two hundred thousand years has been increasingly subjected to the Rebellion and then also the Default of Eve and Adam, we are well and truly entrenched in the unconscious belief that the Evil Ones are the Gods, and that we're to look to them for the way to be happy and feel loved – that they are the Living Truth. And yet, as we can all see from our own lives when we start to address our bad feelings, this is wrong, false and misleading, only making us feel even more unhappy, unloved and powerless in our negative truth-denying state and being unable to do anything about it – because ascending mortals are not able to go against the higher Daughters and Sons. So without humanity knowing it, we have been praying to the Evil Ones as if they are God, even with people who pray to Jesus, praying to a mind-created fantasy Jesus and not the real one, as can be seen by the Evil Ones strategically denying humanity the truth of the Divine Love, with our need to long for it being excluded from the Bible and not found in any other rebellion-created religion.

Mary and Jesus being the highest Paradise Pair, by their coming to Earth, terminated the System Rebellion of the Lucifers and Satans. So that level of evil influence on all the rebellious physical worlds ended two thousand years ago. And then it's required for each world to be attended to by a bestowal Avonal Pair, who take on the evilness of that world and heal it within themselves, thereby ending the control in our case of the Caligastias and Daligastias, which has now apparently happened, with the Avonal Pair only to finish their Healing so as to signal the complete technical end of the Rebellion and Default.

So their – the Avonal pair – Healing involves dealing with the Rebellion and Default within themselves on all levels, so people and the mind Mansion World spirits can then choose to follow them and do their Healing. So by following the Avonal Pair you are going against the Evil Ones (currently it being their legacy within you and on the world), looking to end their negative, unloving and untrue influences within yourself. And once done, you become a Celestial, either on Earth or in the Celestial spheres, and

free to align yourself with Mary and Jesus, which is done by partaking of the Divine Love, and free to live your ascension to Paradise – free to become at-one with your Mother and Father.

We're all living the demented levels of the demented minds of the four Lanonandek pairs that rebelled. And as we do our Healing, so we come to see how fucked they are, as we see how fucked we are; how they passed that fuckedness onto us through our parents, how we've become so tangled up in our Wrongness, not knowing what is true – we live untruth believing it's true, we feel false love believing it's true love. We're all around the wrong way, deeply mixed up, and needing to do our Spiritual Healing to get ourselves out of our sinful and evil ways, so as to come back into alignment with the Truth. So all that we are has to go, and we're to uncover a whole New Way on all levels, personally and how to live, as we liberate ourselves from our dementedness.

With the Evil Lanonandeks are no longer at large, having been detained on a prison world awaiting judgement as to what will happen to them, so the Melchizedeks stepped in taking over their positions. I don't know why other Lanonandeks weren't appointed, however I guess it's because of the damage done by the Rebellion, we who are here and part of it have to deal with it ourselves, so no outsiders other than Mary and Jesus and the Avonal Pair being from Paradise that can override that limitation.

And the Melchizedeks have enlisted the Celestial spirits help. So together, they now in effect play the roles of the Lanonandeks. And so as the Avonals progressively heal themselves, thereby liberating humanity from the dictates of the Rebellion and Default, so the Celestials are being given increasing power and authority to do what the Lanonandeks would have done. So the Rebellion on a positive note is providing the Celestial spirits with unique opportunities as part of their ascension, as we hear from Helen and Nanna Beth. And I would imagine, people who finish their Healing and become Celestials on Earth will also in some way be given extraordinary opportunities as well, all of which will involve some level of healing the world and doing what the Lanonandeks and Eve and Adam should have done. Even to the point of Celestials on Earth who have children, will in some way be like the new 'Eves and Adams' populating the world with perfect and true children, all who are completely free of the Rebellion and Default.

And what happens to the Evil Ones? I imagine they will have to undergo a long period of Compensation experiencing the pain they caused all the people and angels who were under their care. And after that, if they are not extinguished outright, possibly they might be rehabilitated to some degree; however as TUB suggests, without ever receiving the power they once had. However, as all works out of the best and ultimately is all-loving, it will be fascinating to see through our own lives how all the pain we've been made to suffer ends up helping us and being the best thing for us.

And one last thing to note, had there been no Rebellion or Default, then on Earth we'd still have now the Daligastias and Eve and Adam, still helping people grow and evolve on all levels. Still being the higher Daughters and Sons that we can look to knowing that we're not alone, that we are being looked after and loved and that a greater life of ascension awaits us. And we would by now know of the Caligastias and all the help they would be providing on the higher spiritual levels, as well as the help they would be giving mortal spirits in the Mansion Worlds. And we would know of the Satans and Lucifers and all the help they were providing on the System level. And we've understood that in a way these higher Daughters and Sons are like mini gods to us, yet not our Heavenly Mother and Father. And they would be pointing us toward Mary and Jesus helping us understand that they are the Creator Pair, and here we

live in their universe of Nebadon, and that all they are doing for and with us is to help us evolve and grow on all levels as we look to our feelings for our truth we are to live as we express the personalities from our souls on our way through Nebadon and onto Paradise. It all being a perfectly unified and loving experience for us. We being able to see the higher Daughter and Son as in the Daligastias and the Material Pair, Eve and Adam, who'd be for us the perfect humans that we could strive to be like. So we would want to be perfect in our humanness like Eve and Adam, and perfect in our spiritualness like the Daligastias. With both pairs showing us that we can be both perfect on the material and physical level, as we can be on the spiritual level. Which is completely the opposite of how we've been made to live, because all of that perfection has been denied us, with our being so screwed up about how we are to live both materially – physically and spiritually, we having no idea about either, and with them working fully in opposition to each other. And with our longing for and wanting the Truth, the truth of how we're to live physically and spiritually, all of which is to come (and ONLY come) through each of us individually and as a consequence of properly attending to and expressing ALL we feel.

### **EVENTS BRINGING ON the GREAT U-TURN:**

Nearly 1,000,000 years ago lived the first humans to have a longing for their Heavenly Mother and Father, they were Andon and Fonta, now called Aman and Amon. They are our first parents of humanity on planet Earth.

About 700,000 years ago, spiritual oversight of Earth came under the domain of the soulmate pair Lucifer, and through their guidance the system (being 1,000 inhabitable worlds in which includes Earth) was assisted by the soulmate pair Satan, both being from the local universe of Nebadon and being Lanonandeks. Progressively, Lucifer became disenchanted with the leadership of Nebadon being the Creator Son and Daughter from Paradise, namely Mary and Jesus. Lucifer with the aid of Satan seduced 37 humanities throughout the system known as Satania to rebel. These humanities adopted the point of view that through their minds they could evolve to have god like capabilities. The males being less sensitive to their feelings suppressed the women so as to maintain this insanity.

2,000 years ago Mary and Jesus came to Earth to complete their ascendancy to full regency of all of Nebadon. At the commencement of Jesus' public ministry in about 26 CE he was then able to have the Lucifer and Satan soulmate pairs placed into a spirit prison world where they remain. Jesus and Mary did not come here for Earth's humanity, they came here for the benefit of all of the humanities of Nebadon by introducing Divine Love throughout their local universe.

As a consequence of the Rebellion and Default, humanity of Earth has been quarantined from all other humanities. The seven spirit Mansion Worlds 1, 2, 3, 4, 5, 6 and 7 are populated exclusively by Earth's humanity entering spirit life. Generally, spirits from various humanities share the same worlds. For example, the system that Earth is within consists of 1,000 inhabitable worlds of which 619 are inhabited with Earth being number 606 – one of the youngest. When we progress from the spirit Mansion Worlds and enter the Celestial Heavens, the three Celestial Heaven spirit worlds are shared by all humanities from our system called Satania. We are quarantined, we are off limits until we complete our healing and that will take all of this coming spiritual age of 1,000 years. Hence there are no star wars! Further, humanity of Earth is the only humanity that considers war to be 'socially acceptable'.

Since the life of Mary and Jesus on Earth, the entry and progression through the spirit healing Mansion Worlds – Divine Love worlds – commenced with five women that Mary tutored during her life on Earth. These ladies were the first to enter the Celestial Heavens. They have just recently progressed beyond

the Celestial Heavens. As personalities in the natural love mind Mansion Worlds 1, 2, 4 and 6 commenced their Feeling Healing, they immediately left those worlds and entered Divine Love healing world 3. Thus the understanding of feeling healing has always been very slow to take hold – there being no one in the natural love mind Mansion Worlds to share the awareness.

The populations in mind Mansion Worlds 1 and 2 exceed 200 billion, they are crammed to the rafters. However the numbers have slowly built up in the Celestial Heavens so that the Great U-Turn can now be managed. The structure and systems throughout all of the mind Mansion Worlds is now changing so that within all of the worlds Feeling Healing can be readily introduced and facilitated. All of these system changes have been slow to introduce due to the imposts of the Universal Contract governing the Rebellion and Default. Until the Avonal bestowal pair presently on Earth progressed far enough with their healings then the conditions of the Rebellion and Default had to remain in place. They have now been lifted – as of 31 January 2018. The Rebellion and Default is now ended.

200 years ago, the planning and implementation of the Great U-Turn commenced in earnest, lead by the Melchizedeks with guidance from higher ups.

100 years ago, Jesus and about 250 Celestials came and wrote through James Padgett and re-introduced the availability of Divine Love (writings from 31 May 1914 through to 1923).

Then from 2002 through to 2014, Mary and Jesus have written through James Moncrief and Feeling Healing has been revealed, and in conjunction with Divine Love we have [Soul Healing](#). Jesus has only ever written through James Padgett and James Moncrief whereas Mary Magdalene has only written through James Moncrief.

Auxiliary writings supporting the above have been through Dr Daniel Samuels, Hans Radax, James Reid, Nicholas Arnold and Joseph Babinsky. Of significant importance is The Urantia Book being more of road map and history book. Added to this are the Pascas Papers.

As part of the transition from the Rebellion and Default to the new spiritual age, one pair is to complete their feeling healing with an independent personality to follow with her healing and, in addition, someone had to comprehend what this is all about intellectually. All these requirements are now being fulfilled.

Yes, we have a second bestowal pair from Paradise here with us. As they are to specifically show us how to heal ourselves of the Rebellion of 200,000 years ago and the Default of Adam and Eve of 38,000 years ago, the records of this event are to be assembled and distributed throughout all of the communities on Earth as well as the mind spirit Mansion Worlds. As the Avonal Pair have progressed with their healing, they have passed benchmarks. The first in the early 1990s enabled the imprisonment of the deputies of Satan, the Caligastia and Daligastia soulmate pairs – also being Lanonandeks. As from the 22 March 2017 progressively all negative spirit influence from the spirit mind Mansion Worlds has been blocked from humanity on Earth.

During the year of 2019, it is anticipated that the full potential of what the Great U-Turn will commence and this will be conveyed to all of humanity on Earth and of Earth. This is the greatest event in the entire history of humanity on Earth.

**The PHENOMENON of the NEW OVERSIGHT of HUMANITY of EARTH!**

Never has there been such a universally watched event as the Great U-Turn that is unfolding for the Humanity of Earth, both in the seven spirit Mansion Worlds and on physical Earth.

Never throughout all of the humanities of the local universe of Nebadon, of which there are 3,840,101, has the spiritual oversight been withdrawn from descending spirits, such as the Lanonandecks, and been handed to ascending mortals being those within Earth's three Celestial Heavens! Not only has this not happened before within our local universe, it has not taken place within any of the 100,000 local universes throughout our super universe. Nor has this occurred within any of the seven super universes!

The events, as they unfold, of the Great U-Turn are broadcast through the Divine Love healing spirit Mansion Worlds 3, 5 and 7 and to the Celestial Heavens 1, 2 and 3 through their relative 'Battle Rooms'. Through the system of Battle Rooms, all these worlds interact without spirit personalities having to travel to the lower worlds, also those in the lower worlds can interact with those of the higher worlds without any assistance. A spirit personality cannot travel to a higher evolved spirit world without assistance. Further, there is significant discomfort for those of the higher evolved worlds when they visit lower worlds and the Earth planes.

Through this broadcast network, the events of the Great U-Turn are monitored throughout Nebadon and are received into Salvington, the home city and headquarters of the Regents of Nebadon, being Mary and Jesus. From there, the broadcasts may be conveyed throughout all the local universes of our super universe and to all the other super universes, all seven.

Why is this so? Throughout all the seven super universes only 37 humanities have Rebelled. Earth is one of these 37 humanities. Further, we alone went on to then Default – Adam and Eve failed in their mission here on Earth. To compound this further we went on to assassinate the Regent of Nebadon, Jesus and totally ignored his equal and soulmate Mary, thus we are known as the World of the Cross.

We are being monitored closely as it is anticipated that such rebellions may occur in the future in the newly forming super universes further out from Paradise, Paradise being the home of our Heavenly Parents, and we of Earth's humanity will be able to lead the way in how to subsequently resolve such rebellions. We have very unique experiences and consequently skills.

Now, instead of assigning the spiritual oversight of the Humanity of Earth to the likes of a Lanonandek pair, it has been assigned to all the Celestial Spirits within the three Celestial Heavens and that is now certainly much more than six billion spirit personalities. Further, the lead spokes personality for the Celestials is Nanna Beth!

## **WE ARRIVE DETUNED!**

Our souls are a divine creation of our Heavenly Mother and Father. They could not be any other way! And are designed (such as how it has been for us) to begin incarnation in a Natural love condition reflecting the Natural love state of our world.

And we have also been provided with the opportunity to experience what is being ‘evil’, to live denying our Natural love, as seen through the denial of many of our feelings. So we here on planet Earth live on a world that has Rebelled (and then also Defaulted), of which there are only 37 within the local universe of Nebadon, consisting of 3.8 million physical worlds under the regency of Mary Magdalene and Jesus – the spiritual parents of truth of all of Nebadon! And we assassinated Jesus, and completely denied Mary not allowing her to have her say about the truth.

As a consequence, we are ‘detuned’ from our Natural love state and divine origin. You could say we arrived with all parts functional, however, in our untrue, dysfunctional and distorted state, we’re badly in need of a severe service, tune up or a complete reconditioning. Our goal being to bring our true self to the fore by doing our Feeling Healing, and then to progress beyond our Natural love state by further advancing our soul condition through the process of Soul Healing and receiving our Parents’ Divine Love – becoming divine.

In our feeling- and truth-denying untrue Natural love state, we have been made to use our minds to dominate our feelings, becoming more like that of mind-based creatures of nature than of human souls of truth and feelings. And this is the wrong way for us to develop. So to step beyond this limitation, we are to live true to our feelings. Our heartfelt feelings being the guiding lights to our evolution and growth of truth.

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it’s all right there already built in and can be found through our feelings – our soul based feelings.

By living true to our self, true to our feelings, we are living true to God. It’s that simple.

Thus we are detuned once our incarnation begins. However, the way is now open for us to bring about our full divinity. To completely Heal all that’s wrong within us on a Natural love level. To embrace and then transform that Natural love into a divine state through partaking of our Heavenly Parents’ Divine Love. All the while attuning ourselves to divine perfection and enjoying the fullness of our divinity and love, as we ascend in truth on our journey all the way to Paradise – the home of our Heavenly Parents.

**WE were DIVINE, and**  
**WE are to BECOME DIVINE AGAIN:**

Our personality, our soul, our real self, are all creations of our Heavenly Parents. We, our real selves, are not creations of our physical parents. Within our original status, we were of Divine nature.

Our physical parents, from our conception, endeavour to mould us into being ‘little me’s’, that is, replicas of themselves, imposing their beliefs and personality traits upon each of us. They crush our individuality and free will. They destroy our personality, our true self. They inflict upon each of us their ways, all of which are of a result of the Rebellion and Default of many, many generations ago. They drive us into believing and subsequently becoming dependant upon our minds. This is not the way for us to express our true selves and evolve along the path towards our true parents, our Heavenly Mother and Father. We are to embrace the Eternal Son of Truth, not the Infinite Daughter of Mind.

No, we are not in the image of our physical parents. Though we may look like them, and act like them because they have dramatically and successfully crushed our true personality, we are each very unique and independent of our parents and all other family members. When we begin to progress along the path of engaging with our soul based feelings and seek for the Truth of our feelings, we will become free of our parents’ impositions and suppression.

Upon starting our physical life experience on Earth, our divinely created soul begins to express us as one of our soul’s two personalities in Natural love. However because of Earth being in Rebellion, so we are parented into a rebellious and anti truth and anti love state of mind control over our feelings and true self.

Natural love is good, just ‘less’ or different to Divine Love. And it’s that in our rebellious state, we’re rebelling against Natural love, and Divine Love by not taking Jesus and Mary up on their offer and allowing the Divine Love to transform our soul, as we perfect our Natural love by doing our Healing.

By living true to our self, true to our feelings, we are living true to God. It’s that simple. The revealing of the Feeling Healing process is the commencement of our ability to begin the Great U-Turn and go the right way. Should we then also embrace our Heavenly Parents’ Divine Love, we can also commence our Soul Healing and a returning to that of being divine – this is our destiny.

**GREAT UTurn**

**Negative Spirit Influence blocked**  
**22 March 2017**  
**Law of Compensation quickening**  
**22 May 2017**

**Rebellion and Default officially ended**  
**31 January 2018**

**CREATED in THEIR IMAGE:**

James: Mary, what does ‘we being created in the image of God’ really mean?

Mary M: It means that our Mother and Father used Themselves as the model or template if you like, upon which to bring us into being, those of us who have existential souls with the potential of expressing their two personalities in Creation.

And although our souls are divine, as in being divinely created, still whilst we start our personality expression in Natural love, so we need the Divine Love to come into our soul and bring it into the levels of Celestial divinity.

Natural love, so basically the whole of Creation, is of the image of God, and we being divinely created souls can be part of God’s Divinity becoming divine ourselves. So through your Healing, James, you become progressively divine by partaking of the Divine Love and healing yourself into perfection – your true self. And by the time you’ve completed your Healing, your soul is of the Divine Love level of Celestial truth, and your personality is an expression of that level of truth, it all being ‘confirmed’ and cemented – fused – into place upon the direct soul-union with your Indwelling Spirit. Then you are of the essence of God, true and perfect to the level of the first Celestial sphere, the first sphere of true divinity.

Mary Magdalene communicating with James 20 November 2017

**WE ALL ARE BEING GUIDED HOME:**

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus’ Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

**HUM:** Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

**AVO:** We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair’s guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world’s spirits.

**J&M:** We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

**M&F:** Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

**GOD**

**M&F**

**J&M**

**AVO**

**HUM**

**WE ARE Children of God**

**WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:**

**GOD**

**M&F**

For 200,000 years, we have been misled into embracing our mind’s distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.  
 We are to long for the truth of what we are feeling.  
 We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

**J&M**

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren’t allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we’re taken into new ways of looking at ourselves, our feelings, and our life. We’re setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

**By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

**AVO**

**HUM**

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

**WE ARE Children of God**

**HOW TO GET TO PARADISE:**

Long for the Divine Love

Long for the Truth

Long for the truth of your feelings

Don't deny any feelings: accept, express and want to know the truth of them

Know your feelings are the key; your feelings are the Way

Want to end your falseness and being untrue

Want to understand the truth of your early life

Use your surface feelings to move deeper into yourself, bringing up your repressed feelings

Want and long to know the whole truth of yourself

Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

**The Key**

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**  
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
2. **ETERNAL SON (ES) – Divine Truth**
3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS (MF) – Love – the Living Truth**
2. **DIVINE MINISTER (ID) – Mind (and her Holy Spirit)**
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR – the Feeling Healing process – incarnate**
2. **DAYNAL – TEACHER PAIRS – they do not incarnate**

**So in summary:**

**Consider a diamond:**

# Mother and Father Heavenly Parents

Creator Son & Daughter  
Jesus and Mary

Avonals  
as soulmate pairs

Trinity Teachers  
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

**Humanity** is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

**CREATION of SOUL and SPIRIT:**

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective

Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

**WE EACH have a Nature Spirit pair, Spirit Guide pair and an Angelic Pair:**

For those doing their Healing or are interested in doing it will from that time have their own personal angels, spirit guides and nature spirits with them, with whom they are to develop their own relationships should they want to. It is not about 'sharing' the same angels or guides or nature spirits, it is about you relating specifically to your 'own' ones because they are provided for YOU. It's all for you, to maximise the experiences we each need.

We are all to have our own pure relationships. And it's the same of course in life with your friends, however over there, in spirit, dealing with Nature Spirits, Spirit Guides, and Angels, it's more personal and private and 'JUST FOR YOU'. So we have our own separate, unique relationships.

For example, Nature Spirit Verna has been assigned to be specifically and only with James, and she ain't going to be assigned to anyone else, so she won't be sharing herself around.

This is SO IMPORTANT to understand so that in future there won't be all these people claiming to be speaking with Verna or Mary Magdalene or Jesus or Nanna Beth or anyone else who is part of it all in such capacity. Mary M and Jesus have spoken with James as they have, making it quite clear he is all they are speaking with.

We each have a band of a Nature Spirit pair, Spirit Guide pair, and an Angelic pair, each pair being in their 'soulmate' relationship. Even though we are ascending mortals having a soulmate, even our soulmate has his or her own group of six personalities assisting him or her. Our assigned Nature Spirits do not continue with us into spirit, our Spirit Guides may for a time assist upon entry to the spirit Mansion Worlds, however, our personal Angelic pair continues with us to Paradise, and then even possibly being with us throughout eternity.

**Feelings first**

**OUR GUIDANCE to PARADISE, the home of our HEAVENLY PARENTS:**

There are three distinct phases of our progression to the home of our Heavenly Parents which is Paradise that is within the circle of seven Super Universes, each containing many Local Universes.

Once we progress beyond our Local Universe of Nebadon, then we are assisted and guided by our Heavenly Parents, our true Mother and Father all the way home to Paradise.

Before then, once we have completed our soul healing, we are guided through the Celestial Heaven worlds which are those that interact with humanity on Earth, then further on into and then out through Nebadon, our Local Universe. The regents of Nebadon are Mary and Jesus.

However, before then, we are to embrace our healing. That is, we are to realise who we truly are. We are not the personalities that our parents imposed upon us. We are to put aside our childhood suppression and repression and free our true personality that our Heavenly Parents gave us, and to do this we are now able to embrace the guidance of the Avonal Pair who will lead us through our healing here on Earth and through the Spirit Mansion Worlds to be able to enter the Celestial Heavens.

# Feelings First Spirituality

## The New Way

**Feelings First**  
**FF**  
**Feeling Free**

The New Way, Feelings First Spirituality  
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings  
 Free your feelings from your mind's control  
 Live true to your feelings; your feelings are your true self  
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.  
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,  
 BAD feelings.  
 Want to understand why you're feeling them.  
 Use your surface feelings to take you deeper into your repressed and  
 hidden feelings.

The Feeling Way is the True Way.  
 Your feelings are your spiritual guide.  
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.  
 It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

**Feelings First; then comes The Truth; then comes Love.**

**LOVE is the Religion of Feelings, being:**

**Feelings First Spirituality, The New Way**

my  
**House** is your  
**Paradise**

## **The Only Prayer That Man Need Offer to the Father:**

(as given within the first century)

I am here, Jesus

**The Prayer for Divine Love**

2 December 1916

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

**P.438 Book of Truths through James Padgett / Jesus**

Let your prayer be as follows:

**Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.**

**That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.**

**We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.**

**Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.**

**Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.**

**Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.**

**We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.**

**We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.**

**Amen**

**MoC**

Note: The 'false teachers' are our parents, as they are also the 'evil ones'. Also, the evil ones, being those parts of one's mind, that are controlling you.

## Prayers to our Mother and Father

From the Religion of Feelings by James Moncrief

**Please Mother and Father** help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

**Please Mother and Father** help me see the truth of myself through my feelings.

Please my beloved Heavenly Parents, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

**Please Mother and Father,** I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

**Please Mother and Father help me,** I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

**Please Mother and Father love me.** I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

**Please make me feel how unloving I am.** Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the 'dead' way; the feelings way is the 'alive' way.

The Padgett Messages, received 1914 to 1923 and published in the Book of Truths, has now been extended with further session of messages having been received between 2012 and 2013, and titled “The DIVINE UNIVERSE” via Zara Borthwick and Nicholas Arnold.

## The DIVINE UNIVERSE

### 79. *Prayer of the Heart*

16 October 2012

I encourage the heart that prays to the Father for the Divine Love. I encourage the heart that loves the Love, and with sincere aspiration, feels for the Love. If there be any doubt, loss of faith or hardship of heart, I encourage the heart not to give up or give the Love away. The Father hears your prayers and the heart be rest assured in this. Never will a good heart be forsaken. As the Father does so do I, see and hear your heart, and prayers for the Love and the needs for wellbeing. Never give your heart up; trust in the One who knows your true heart, and there the Father loves you. One may never fully understand the intricate workings of time, past present and future, but the heart knows faith and Love and the Father Loves a good heart. Pray with faith, and in your heart my truth and the Father’s Divine Love meet you there.

I have given you this prayer of the heart so that men and women may draw from its words, strength, love and faith.

Your beloved friend and companion,  
Jesus of the Celestial Heaven

**Whilst we are receiving our Heavenly Parents’ Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God’s way of loving us into love and then we live what we are, love.**

## The DIVINE UNIVERSE

### 300. *Prayer of Love and Strength*

2 February 2013

I am going to write the Prayer of Love and Strength that may help those with their endeavour of heart in the receipt of the Divine Love:

I pray that I may find the love and strength in my heart to love you more wholeheartedly. I pray that I may feel this strength as a living truth in my heart and soul as my weakness, due to my condition in my physical and material struggle, may not become a hardship that casts a long shadow over my day-to-day living in my faith in Divine Love. I pray that I will not give in to any negativity that surrounds me, or to the way that at times I cannot seem to be able to help or forgive myself for loosing faith in The One I love.

I pray that I am receiving Love, your Divine Love that is in great abundance and that my heart partakes of a small portion of this abundant Love. I ask that your Spirit, The Spirit, convey the Love into my soul as I have already been receiving into my soul your Divine Love. I pray that your Divine Love gives greater love and strength to my heart that I may continue in my prayer to receive this Immortal Love.

God, I love you with all my heart even if there be a shadow across my heart, and a lack of humility in my faith and on my behalf for I recognise that you can love me more perfectly and wholeheartedly than I can accept for myself.

God, I recognise that you are Soul and that I am a finite soul and that your Love and Spirit are true gifts for my heart and soul and that I need this Love that you have provided. I pray that from your Love, more finite love and strength in my faith and heart will enable me to love you even more. I recognise that I am doing my best in all that life has given and taken away from me and that in my resolve, my heart knows that your true Divine Love always remains with me and my faith in you. At times I have left you and left your side and wandered all over the place, lost in the shadows of life and in the near-sightedness of my eye and then, I pray for your Love and your Love fills my heart and my love and strength return and I accept that you are loving me at all times when I am lost and found. I give you all my gratitude, love and strength that my heart can give and I desire not to change the world or the spirit world accepting that your Divine Love will change my soul and in harmony together, I will try for a peaceful world.

I have provided you with the inspiration to give these words of love and strength that such words may help one in their experience of God's Love and Spirit.

*Jesus of the Celestial Heaven*

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

## The DIVINE UNIVERSE

### 303. *The Immortal Prayer*

6 February 2013

For those of you who are strong, I will continue to sustain this strength because many of you who experience the Father's Divine Love require a great resolve and strength of heart not to give up on the Truth and not to be saddened by the apparent lack of interest in the most beautiful love that you feel and know to be true. I will never prevent myself from being with you, who sincerely desire the Divine Love and, with any feeling of being afraid, alone or insecure, I with my Celestial teachers are present supporting you. There is no shadow in the Divine Love and for those who are aware of this Love in faith love and spirit we celebrate the harmony of God's universe of Love and Spirit.

#### *I pray for the Divine Love, the Immortal Love*

Universal Soul God,

My Father, I love and accept you with my heart. I sincerely pray for your Love that will come by The Spirit and embrace my spirit body conveying your Divine Love into my soul. I humbly ask that you love me as I love you, and that you continue to love me when in those times I cannot love myself.

I ask that you give me the strength to voice my faith and love to you, and that you may love me in my weakness and in my strength. I know that I am a soul beautiful to you as you are to me, and that your Divine Love will be the arrival of Truth that my soul has truly longed for.

I pray that your Divine Love will be the arrival from which will announce the departure of my doubt and that such faith, love, strength will come to me that I will never doubt you again. And I will never stop loving you, in the sunrise and the sunset of each day in my life.

I recognise that you are the Source of the Divine Love and the origin of my soul. I recognise that I may have been lost to you but in truth I was never lost to you and now, I am gathering up all my love out of my lost-ness in great abundance because I am aware that your Divine Love is present for my soul and I am free to receive your Love and feel Its' breath of spirit declare in my heart the Immortal Harmony.

I am receiving your Love, I have received your Love, true Universal God, your Immortal Love.

Amen

*Jesus of the Celestial Heaven*

## The DIVINE UNIVERSE:

### 32. *The Perfect Prayer*

7 October 2012

In the time James Padgett received spirit communications I gave him a prayer (2 December 1916) to help him firm his stature as he worked with various spirits. I would like to extend the reality of prayer with you now.

The Perfect Prayer or Prayer for Divine Love need only be a sincere heartfelt expression of love given to the Soul, God, and included in this soulful heartfelt love, a respectful asking to experience the Divine Love. The perfect prayer will always be of an individual expression that works harmoniously for each person. There can never be a formal prayer of one that is perfect for all, for each person commences their receipt of the Divine Love at particular stages of their human or spirit experience. The comforting and nurturing aspect in the nature of the Divine Love is most suitable for the heart.

Formal prayer, intuitive prayers or a prayerful experience that exemplifies respect and a sincere desire for this Love, will cause a response by the Spirit to bring about an inflowing of the Divine Love into one's soul. There is a unique reality of love that exists between God, the Soul, and all other independent mortal finite souls. As soon as a mortal finite soul longs for love by God, God knows of this longing and the active Spirit Law that determines the function of the Spirit responds. It is as if no earthly time or mortal spirit world time exists at all, for the Divine Love is not subject to these constructs of time and has its experience directly between the Soul of God and the soul of the individual. In this way, a demonstration of harmony begins.

As the experience of the Divine Love becomes more familiar, and the energy in one's soul becomes more active, the essence of prayer changes as the condition in the soul of the individual changes. People have experienced this already as they learn more about living with the Love.

I will not give a formal prayer here other than the love in the words that I have just conveyed. I would also like to state that I know that individuals both men, women and mortal spirits, can commence and do commence their learning about the nature of Love from a position and condition of fear that is situated as a dis-harmony in the personality of the individual. Even in fear, I encourage one to value the attribute of goodness and respect so that a small beginning of learning to love thy self can form part of the progress when learning to live in the harmony of love.

*Jesus of the Celestial Heaven*

**'The Divine Universe'** – Spirit Communications – Padgett Messages Continued (2012 to 2013).

via Zara Borthwick and Nicholas Arnold

[www.lulu.com](http://www.lulu.com)

**'Shining Toward Spirit'** – Beginnings (2014 – 2015) via Zara and Nicholas

[www.lulu.com](http://www.lulu.com)

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

**Our salvation IS by embracing Feeling Healing with the Divine Love.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Please Mother and Father, may I receive Your LOVE.**

**“Every day is a day of devotion.”**

**Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.**

**“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”**

**“Mother – Father, I desire your Love and I am loving you.”**

**“Soul God, I love you and I love receiving and experiencing your Divine Love.”**

**“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”**

**Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.**

**One can simply receive the Love without following any religious or spiritual teaching taught by man!**

**Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.**

### **Three Great Truths:**

- **God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is the pathway to Paradise.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Oliver Twist asked:**

*Please, sir, I want some more!*

**Maybe we should simply ask:**

*Please, Mother and Father, I want  
some more!*

**Cause No Harm** < to OTHERS  
to MYSELF

Strive to love others as I am to love myself

To liberate one's real self, one's will, driven by one's soul, moves one to embrace Feeling Healing so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Divine Love  
is the key!

**God's Divine Love:**

**Pray for it, ask for it, and receive it.**

Feeling Healing with  
Divine Love is the key

to enter the  
Celestial Heavens:

**LOVE and LIGHT:** The luminosity of a loving soul shines through the spirit body.
