PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about looking within oneself. Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Contents are not to be interpreted as an independent guide to self-healing. The information sourced herein is not from a doctor or doctors, and any information provided in this document should not be in lieu of consultation with your physician, doctor, or other health care professional. Pascas, nor anyone associated with this document, does not assume any responsibility whatsoever for the results of any application or use of any process, technique, compound or potion as described within this document.

The sources of contents are noted throughout the document. In doing so, we acknowledge the importance of these sources and encourage our readers to consider further these sources. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we apologise. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

We offer all contents in love and with the fullness of grace, which is intended to flow to readers who join us upon this fascinating journey throughout this incredible changing era we are all experiencing.

Living Feelings First, *John.*

“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD

BIBLE – BREAKING the SILENCE:

Dr George M Lamsa and Dr Rocco A Errico have dedicated their lives to researching the authentic original manuscripts that have subsequently formed the basis of the Bible. Their research has determined the reliability of the Peshitta manuscripts which are written in Aramaic, being the birthplace language of both Lamsa and Errico, and subsequently they have been able to accurately translate the reliable writings dating back to how Matthew assembled his notes on the teachings of Jesus of Nazareth.

They have determined that Matthew who was highly educated, and fitted for the post of tax collector, had made records of Jesus' teachings and that these being accurately copied records formed the Peshitta manuscripts that now can and are being expanded upon in all their wisdom and beauty.

This life long work by these men now add colour and depth to what is blandly noted and barely touched upon within various versions of the Bible.

“Except a man be born again, he cannot enter into the Kingdom of God”.

Fourteen (14) words.

This is in reference to the Divine Love of our Mother and Father, when possessed by the soul of man, this makes him in substance and essence Divine like unto the Divinity of the Father, and only such souls constitute and inhabit the Celestial or Divine Kingdom of God.

And this being so, it must be readily seen that the only way to the Celestial Kingdom is that which leads to the obtaining of this Divine Love, which means the New Birth; and which New Birth is brought about by the flowing into the souls of men this Divine Love, whereby the very Nature and Substance of the Father, and wherefrom men cease to be the merely created beings, but become the souls of men born into the Divine reality of God.

The only way to the Celestial kingdom is by the new birth, and that birth being brought to men only by the inflowing and working of this Divine Love and doing their Feeling Healing, and whether or not a man shall experience this birth depending in its initiative on the man himself, the question arises:

How or in what way can a man obtain this Divine Love and this new birth – and the Celestial kingdom?

The way is so easy and simple, it may be that men will doubt the truth of the explanation, and continue to believe and place all their hopes upon the doctrines of the vicarious atonement.

The only way then is simply this:

Man shall believe with all the sincerity of their minds and souls that this great love of our Heavenly Parents is waiting to be bestowed upon each and all of them, and that when they come to our Mother and Father in faith and earnest aspirations, this love will not be withheld from them. And in addition to this belief, men shall pray with all the earnestness and longings of their souls that They open up their souls to the inflowing of this love, and that then may come to them the Holy Spirit to bring this love into their souls in such abundance that their souls may be transformed into the very essence of our Parents' love.

The man who will thus believe and pray will never be disappointed, and the way to the kingdom will be his as certainly as that the sun shines day by day upon the just and the unjust alike. No mediator is needed, nor are the prayers or ceremonies of priests or preachers, for God, our Heavenly Parents, comes

to man, Themselves, and hears his prayers and responds thereto by sending the Comforter, Holy Spirit, which is our Mother and Father's messenger for conveying into the souls of men this great Divine Love.

So, it is implored that men meditate on these great truths, and in meditating believe, and when believing, pray to our Mother and Father for the inflowing into their souls of this Divine Love, and in doing so they will experience belief, faith and possession and ownership of that which can never be taken from them – no, not in all eternity. And so it is with man to choose and fix his destiny.

Will that destiny be the perfect man or the Divine Angel?

There is only one way to the Celestial Kingdom.

Divine Love as the agent of change is real and available. It is real. It is a substance. It does change lives. You can begin on Earth. Don't wait until you go to the spirit world.

A great new life and world await those who hear the news of God's Great Love: who hear, listen and enjoy the presence of this Divine Love.

As more people become aware of our Mother Father's Love, embrace it and receive, the more mediums will come into a condition to be able to receive and record expansive communications from spirit people from within the Celestial Heaven and enable teachings great love and beauty to be shared throughout the world. The silence between the spirit world and the physical world is broken and the bridge is widening.

Divine Love:

It is like oil that descends upon the head and upon the beard, the beard of Aaron, that descends upon the collar of his garment.
(Psalm 133:2 – Aramaic Bible in plain English)
and anoints the heart and soul (+B)

In subtle ways the message of divine love is seeping into publications.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are a son and daughter of God.

Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.

Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.

When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.

The BRIDGE to BREAKING the SILENCE

The BRIDGE to BREAKING the SILENCE:

Dr Rocco A Errico continues with the foundation work commenced by Dr George M Lamsa.

The most reliable and beautifully accurate rendition of the teachings from 2,000 years ago and prior thereto is now published within the:

1. HOLY BIBLE from the Ancient Eastern Text published by George M Lamsa following his translation from the Aramaic of the "Peshitta".

The Holy Bible from Ancient Eastern Manuscripts (commonly called the *Lamsa Bible*) was published by [George M. Lamsa](#) in 1933. It was derived, both [Old](#) and [New Testaments](#), from the [Syriac Peshitta](#), the Bible used by the [Assyrian Church of the East](#) and other [Syriac Christian](#) traditions. The Holy Bible from the Ancient Eastern Text is published by The Noohra Foundation as are the following related publications:

2. Aramaic Light on Genesis by Rocco A Errico and George M Lamsa.
3. Aramaic Light on the Gospel of Matthew by Rocco A Errico and George M Lamsa.
4. And There was Light by Rocco A Errico.
5. Let There Be Light – The Seven Keys by Dr Rocco A Errico.

Noohra is an Aramaic word meaning "light" and "enlightenment." Membership of the Noohra Foundation brings about a discounting of the costs of acquiring publications from them and access to the regular mailouts: <http://www.noohra.com/Index.pl?aboutfnd>

The source material, being the Peshitta manuscripts, is as far back as anyone can go in understanding the culture in which Jesus of Nazareth lived and taught the Divine Love of the Father, the Source Soul.

Kinesiology testing and research independently undertaken by Dr David R Hawkins finds that the level of truth and love within the publication of the HOLY BIBLE from the Ancient Eastern Text by Dr George M Lamsa is the highest of all the published Bibles from all other sources.

From these works one can achieve a sound foundation from which to then investigate the writings and publications that commenced on 31 May 1914, commencing through James Padgett, referred to as the Padgett Messages. These works by James Padgett have been followed by others, the list follows within this document.

The Seven Keys as outlined by Dr Rocco A Errico:

Many differences between the Lamsa version of the Bible and others can be observed by focusing on the following seven keys:

1. The Aramaic Language
2. The Idioms in the Bible
3. The Mysticism of the Near East
4. The Semitic Culture of the Near East
5. The Psychology of the Near East
6. The Symbolism of the Near East
7. Near Eastern Amplification.

Aramaic Language

Early Jewish Christianity and Islam have their roots in the teachings of the Hebrew patriarchs and prophets, which sprang from a group of Semitic tribes in the desert.

The oldest complete Aramaic New Testament dates back to the 6th or 7th centuries CE. Scholars debate the dates for the Aramaic texts of the Tanakh (Old Testament). Some biblical authorities suggest the 5th century CE.

Dr George Lamsa translated from ancient Aramaic manuscripts beginning with Genesis and finishing with Revelation. He claims there are approximately 10,000 to 12,000 vital and major differences between his English rendering of the Bible and the King James Version.

Aramaic would be the original language in which the New Testament documents were created as Jesus did not speak Greek.

Idioms in the Bible

An idiom is a peculiar expression of speech that says one thing but means something else.

There are **over a thousand idioms in the Bible**. They were translated faithfully and accurately, but literally. Therefore, their true meanings are misconstrued. This is addressed throughout Dr Lamsa's Holy Bible from the Ancient Eastern Text.

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:

James Moncrief Publications:

all publications are free downloads:

<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on themselves and doing their Healing.

Feeling Bad? Bad feelings are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:

The True Gospel Revealed Anew by Jesus volumes 1 – 4

Book of Truths by Joseph Babinsky

The Urantia Book

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.

ARAMAIC LIGHT on the GOSPEL of MATTHEW: by Rocco A Errico and George M Lamsa

The follow extract, chapter 4, from Aramaic Light on the Gospel of Matthew, is representative of the clarity and accuracy of the research findings throughout all of the works by Drs Lamsa and Errico:

The Trial in the Desert

Once John had baptised Jesus, the Galilean prophet immediately felt that the time was right to declare his mission. Thus Jesus had to retreat to the desert and fast so that he could decide his future. He must test himself to see how he would present himself in his new role and ministry. God had appeared to Moses and Elijah and counselled them for their future work when they were in the desert. Now it was Jesus who would be in the desert.

Surrounded by the quiet and mystical radiance of the desert, Jesus communed with spiritual energies that were moving within his being. He was to face an inner contest with dark suggestions that would try to block him from fulfilling his mission. As a true holy man, Jesus had to encounter what the Jewish people call *yetzer hara* – “the evil inclination” – also referred to as “Satan” and “the devil”. The desert was the perfect place for his trial. At night the vast star-filled heavens appear to be a glorious decorated canopy stretched out over the desert floor, radiating a soft light and flooding the Earth with peace and harmony. It was here that Jesus formulated his gospel.

Led by the Spirit

Then was Jesus led up of the spirit into the wilderness to be tempted of the devil. And when he had fasted forty days and forty nights, he was afterward an hungred. Mt. 4:1-2.

The Aramaic text reads: “Then Jesus was guided by the Holy Spirit into the desert so that he might be tested by the adversary. And he fasted forty days and forty nights; then finally he became hungry.” (Mt. 4:1-2, Aramaic Peshitta text, Errico.)

Part A – RUHA. In Aramaic the word for “spirit” is *ruha*. It also means “wind”. Carried away or led up by the spirit is a typical Aramaic way of speaking. In other words, an inner, spiritual, and powerful impulse guided Jesus into the desert. Whenever Aramaic speaking people want to describe an individual who is suddenly driven to do something, they say: “Wind has entered into him; that is why he acts that way.”

The Aramaic verb *naseh*, “tempt”, also means “to weigh, try out, prove, test something, or one’s self.” In this verse “tempt” means “to try out”. Near Easterners tempt (try out) oxen and horses before they purchase these animals.

Men often tempt themselves – test their abilities – before they begin a challenging and difficult career. Holy men, or anyone who aspires to leadership, must undergo some sort of testing and endure trials. All ancient literature is filled with such episodes. (See Ps. 11:5 and Abraham’s testing – Gen.22:1, “And after these things it happened that God tempted (tested) Abraham ...”) Jesus had to face his own fears and thoughts. He had to test himself.

The Aramaic word *akelqazar* usually translated as “the devil” or “Satan”. This is not correct. However, the word does mean an “accuser, slanderer, adversary”. The root meaning is “to gnaw, ridicule”. The writer is telling us that Jesus is about to embark on a desert experience and engage in an internal struggle, a battle within his soul. This conflict is externalised as the adversary and three major temptations.

Jesus had come to the conclusion that he should begin his ministry as a prophet. After all, had not the Jews in the South warmly received the ministry of John the Baptist as a prophet? This reception of John greatly encouraged Jesus. Nonetheless, there would be considerable opposition from his family, relatives and friends. He had to make a decision. He could no longer wait in silence. Thus he went into the desert so that he could decide his future. The Holy Spirit (divine inspiration) filled his hearty and mind. The Holy Spirit (divine inspiration) filled his heart and mind. The more he examined himself, the more he felt moved by his decision to begin his mission. He knew that he would ultimately triumph regardless of any opposing forces that would seek to deter him.

Note: The Holy Spirit is the instrument of the Father, God, for the conveyance of His Divine Love into the soul of those who ask to receive this substance, the Love of the Father.

Part B – WILDERNESS. *Madhbra* means “desert”, “wilderness”. In the Aramaic text, there is a play on words between the verb “guided”, *d-b-r*, and the noun “wilderness”, *m-d-b-r*. *Madhbra* is a wild, arid region without trees or inhabitants. In some areas, certain herbs grow during the spring season. The nomadic tribes, who live in tents near the edges of the desert and at an oasis, use these regions for grazing.

Although the desert lacks trees, villages, and the attractions that makes life enjoyable and important in populated centres, it has its own majestic beauty. Celestial bodies pour their limitless light of awe-inspiring splendour on the desert. The deep indigo blue heavens with their brilliant stars look like a painted ceiling. It is in these awesome sites that the Arabs and other nomadic people live.

The beauty of the innumerable stars, by their seeming closeness to the ground as one looks out on the horizon, fascinated the human imagination. It reveals an order in the heavens unexcelled by anything on Earth. When one lives in these wide open desert spaces, where the vastness of the heavens is contrasted with the smallness of the Earth, one can perceive life in its proper proportion to the universe. Being away from the materialism of organised civilisation, the desert dwellers feel that God is near and everywhere. They sense God in the natural and mystical radiance coming from the heavens and flooding their abodes. They can feel God’s presence there in the desert to a far greater extent than the inhabitants of the cities can. The three major Semitic religions of the world were born in these desert areas. All three leaders – Moses, Jesus and Mohammed – came out of the desert with their revelations.

Col. T. E. Lawrence, a famous British hero of Arabia, was impressed with the mystic life of the desert Arab and the Syrian people experienced. He lived in obscurity, declining honours and decorations as rewards for his victories. His writings on Arab life were a revelation to the world.

This square of land, as large as India, formed the homeland of our Semites, in which no foreign races have kept a permanent footing, though Egyptians, Hittites, Philistines, Persians, Greeks, Romans, Turks and Franks had variously tried. All had in the end been broken, and their scattered elements drowned in the strong characteristics of the Semitic race. (T. E Lawrence, *Seven Pillars of Wisdom*, p.37.)

Note: *Post-Mortem Journal* by Jane Sherwood is a communication from Col T. E. Lawrence.

Part C – THE NUMBER FORTY AND FASTING. Near Easterners regard the number 40 as a sacred number. It was a well known number. Moses spent forty years in the desert of Midian. It took the Israelites forty years from the time they left Egypt until they arrived in Canaan. Moses and Elijah fasted forty days. And now Jesus fasted forty days.

In many Near and Middle Eastern countries, fasting is a religious demand and is strictly observed. People fast from meat, butter, and by-products of sheep. Some men, for a period of forty days, fast from everything, eating only the evening meal. Islamic adherents fast during the day and eat at night. Some rich men, who are not willing to fast, hire the poor to do it for them.

Fasting was first instituted so that the rich might have sympathy and understanding for the condition of the poor. In the Near East, when the rich fast they are very generous in their gifts to the poor. During this season of fasting, they have a taste of poverty and hunger. Fasting also helps in subduing physical desires, reducing physical strength, and increasing spiritual energies. It is an aid for spiritual insight and character. (See Luke 4:2.)

The First Test

And when the tempter came to him, he said, If thou be the Son of God, command that these stones be made bread. But he answered and said, It is written, Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God. Mt. 4:3-4.

Part A – BREAD AND STONES. Near Easterners do not bleach their wheat; therefore, the colour of their bread is brown. When they bake their flat bread, these round loaves resemble stones. Hungry travellers who see stones of this type baking in the sunlight along the roadside often wish they were bread.

People recognise a genuine prophet by his miraculous works and when his predictions come true, not by his doctrinal beliefs. They will not accept a man as a prophet unless he can exhibit these extraordinary gifts. When God commissioned Moses to return to Egypt, Moses needed some sort of sign to test his ability as a prophet. So he turned his staff into a serpent. When he was in Egypt, Moses did wonders that surpassed the marvels of the great Egyptian priests who were skilled in the art of magic. The Hebrew prophet Elijah performed many miracles. He increased the widow's flour and oil when she was about to use up her last bit of food. Another time, when Elijah had predicted a drought and fled from King Ahab, ravens came and fed the weary, hungry prophet. (See 1 Kings 17:1-16.)

Jesus was feeling the temptation to test his abilities as God's Anointed-Messiah. He had to perform greater miracles than those of his predecessors. He was to embark on the most exceptional mission ever undertaken by a representative of God. The temptation was that if he is truly God's son, he should be able to change those stones that looked like bread into real bread.

However, changing stones into bread would not transform the hearts and minds of people. God had worked many miracles through-out Israel's history, but the people always forgot them and went after other gods. Jesus would have to depend on his heavenly Father to guide him and provide whatever "bread" might be necessary to meet the need. He would not perform just any wonder in order to convince people.

Part B – LIVING BY GOD'S DECREE. "It is written that it is not by bread alone a human being lives but by every word that comes from the mouth of God." (Mt. 4-4, Aramaic, Peshitta text, Errico.) Jesus quotes from holy Scripture, the book of Deuteronomy: "And he [God] humbled you and suffered you to hunger and fed you with manna, which you did not know, neither did your fathers know; that he might make you to understand that man does not live by bread alone; but by everything that proceeds out of the mouth of the Lord does man live." (Deut. 8:3, Aramaic Peshitta text, Lamsa translation.)

The conclusion that Jesus came to when he felt this test to change stones into bread was that God alone decrees and provides what is nourishing. He was able to counter his negative thought with a biblical quotation. In other words, he squelched the satanic notion. Jesus was to nourish his people and the world with the word of God. He would heal and perform miracles only in response to faith. This is how he would present himself as God's son and Anointed.

The Second and Third Tests

Then the devil taketh him up into the holy city, and setteth him on a pinnacle of the temple, And saith unto him, If thou be the Son of God, cast thyself down; for it is written He shall give his angels charge concerning thee; and in their hands they shall bear thee up, lest at any time thou dash thy foot against a stone. Jesus saith unto him, It is written again, Thou shalt not tempt the Lord thy God. Again the devil taketh him up into an exceeding high mountain, and sheweth him all the kingdoms of the world, and the glory of them; and saith unto him, All these things will I give thee, if thou wilt fall down and worship me. Then saith Jesus unto him, Get thee hence, Satan: for it is written, Thou shalt worship the Lord thy God, and him only shalt thou worship. Then the devil leaveth him, and behold, angels came and ministered unto him. Mt. 4:5-11.

Part A – THE TEMPLE. Jesus, in his imagination, sees himself on one of the pinnacles of the temple. (There exists a rather late rabbinic sources that records: “When the Messiah reveals himself he will come and stand on the roof of the Temple!” Taken from Rabbinic Works – PESIKTA RABBATI, ed. M. Friedmann (Vienna, 1880), p. 162 a.) What a spectacular manner in which to present himself as God's special holy one. If he would jump from the temple, God would send his angels to protect him. He would not receive any injury. The angels would stop him from even dashing his foot against a stone. In this second temptation, the conclusion that Jesus reached was that he was not to test God. He would not purposely put himself in danger and expect God to save him because he was God's son. He put down the satanic notion for a second time.

Part B – HIGH MOUNTAIN. The writer uses the term “high mountain” figuratively. It means a high point in human aspiration. This temptation was by far the most alluring of the three. The reason for this is that the devil – deception, negative thought, or anything contrary to truth – offered Jesus the greatest rewards known to human beings. It could easily have diverted him from his true course. Satan offered everything that the human imagination can comprehend and embrace. This third and last notion presented the kingdoms of this world and all their wealth.

Jesus, through the energy of his mind and emotions, went to a high mountain. This means Jesus reached the summit, the highest point in human imagination. Now he could see the splendour, power, and wealth of the worldly kingdoms. He did not literally go to any mountain. This is a literary device to explain an emotional and mental state of heart and mind.

The location of the so-called Mountain of Temptation in the holy land is a wasteland hundreds of feet below sea level. There are no kingdoms or large cities nearby, but small hamlets, sheep folds, and Arab camps. The only town close to it is the humble little town of Jericho.

Jesus, in this temptation, saw himself working with the high priest or with the learned men of his religion. He could work things out with the high officials and those in power. But, he immediately realised that if he should start to cooperate with them, he would have to be faithful to them. In other words, he could not have participated with these authorities without bowing down to them and accepting their teaching. His path and infinite understanding of God were quite different from their teachings. He knew that new wine could not be contained in the old goatskins but must be put in new containers.

Jesus' teaching was so contrary to the doctrines of the elders and to the political and materialistic concepts of that day that it could not blend with them. In his understanding of God's kingdom, people were to serve and worship only God.

Part C – ANGELS MINISTERED. When Jesus' ordeal in the desert was over, Matthew tells us, angels approached him and ministered to him. The Aramaic word for "angel" is *malakha*. It means "messenger, minister, counsellor, emissary". (See Ps. 104:4, Heb. 1:7.) Angels – that is, God's messages or thoughts – were supporting and strengthening Jesus during and after his struggle with powerful negative forces. At the end of his desert experience, Jesus was hearing from his Father's emissaries. His mind and heart were now filled with clear and uplifting thoughts.

When the writer says "Angels ministered to him", it means that God's counsel took care of Jesus. Angels can only minister to an individual soul – to guide, and strengthen him or her during temptation. Angels have no physical form to minister to a person as a servant does.

God counselled Jesus during his trial in the desert. In other words, Scripture came into Jesus' mind to counter the false notions that had crept into his soul. God prevailed and Satan (falsehood) was defeated. God's angels (counsel) are always ready to assist those who trust in him. Near Eastern belief holds that angels are constantly ministering to humanity.

In the Near East, people believe that every person has an angel resting on his right shoulder to guide him. Easterners often say that one's angel has gone before him or her to prepare the way. They also believe that children have guardian angels.

Chapter 4 continues with other heading subjects.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

WHAT is GOD?

Dr George M Lamsa edited by Dr Rocco A Errico

For centuries people have wanted to know: “What is God and what is the best way to approach and understand the Divine?” People worship God in diverse ways, thinking God relies on their prayers and proper worship.

Religious students have also asked about the creation of the universe and how do we know that it was created by God? Others have wanted to know about miracles and wonders, heaven and hell, and many other perplexing topics. It seems that we are inquiring about subjects that appear to be beyond our human reasoning powers. For, what is a human being that we should be able to comprehend a great spiritual power that we call God? The Psalmist, through divine inspiration, wrote: “What is man? That thou art mindful of him? And the son of man, that thou visited him? For thou has made him a little lower than the angels and hast clothed him with glory and honour.”

A few centuries ago, it was easy to dismiss these questions simply by asking: “Why do you want to know this?” or, “What good will it do to know the answers?” But in our modern world, it is difficult to refuse to answer these questions because your people want satisfactory answers. Today we are living in a new world, much larger and different than that in which we were born and reared. Changes are happening with great speed. Before an invention has been manufactured and put into use, a new one is born and the old is discarded.

For example, our steam engine revolutionised the world not too long ago, and it was considered a miracle of miracles. But in our days it is completely forgotten. We have moved from the past of camel, mule and donkey to diesel engine, computer, jets, and tomorrow there will something more astonishing. Many mysteries of the ancient world have been solved and distances have been conquered. A few centuries ago people thought the Earth was supposed to be the centre of the universe. Now we understand that the sun is the centre of our planetary system and that there are many other galaxies greater than ours. We are living in a new world, a new age that was never dreamed of by our ancestors.

Unfortunately, many people have been betrayed by some teachers who had so little training and knowledge of the universe and of the spiritual world, which is the essence of the material world. These teachers, like many in the past can always find an alibi, and they place the blame for evil deeds either on God or the devil. They fail to realise that humans, who are the image and likeness of God, the Father, have the power to create and to destroy. They have the prerogative of choice either to do good or evil – free will. This prerogative makes them like God. The sun, moon, and stars have no choice; they have to conform to universal law and order.

Therefore, people are responsible for either making this world a paradise, a heaven, and living in peace and prosperity, or turning it into hell and suffering in it. There are no forces in the universe that can direct us in the right way beyond those that are inherent in us. No forces in the whole universe are greater than that of a human being.

Just to believe in things is not enough for young people of the modern world. Beliefs without knowledge and understanding offers no help to people who are seeking to discover and comprehend the Father, creations and themselves. Such beliefs are like an empty cup placed on the lips of a thirsty person.

However, now in this age of man, the silence between the spirit worlds and the physical world of man has been bridged, the wisdom of the enlightened and loving from the heavens is now available for all of humanity. Humanity has now entered the greatest era for growth and prosperity ever conceived of.

Its Meaning for Today

“Spiritual values and attributes constitute a healthy, wholesome, balanced life. No kingdom or nation can survive or know the ultimate in peace and joy until spiritual values are established in that nation or kingdom. Genuine prosperity comes from the being of the individual. Material things come and go and are abundant one day and short the next. But the eternal values of the human spirit are from everlasting to everlasting. God’s kingdom has no political ties with any particular nation or people. It belongs to the people of all nations. Wisdom and peace reign freely in God’s kingdom. When heavenly wisdom and power dominate the leadership of this world, then and only then will everlasting peace and prosperity manifest all over the world.”

SPIRIT MIND MANSION WORLDS are numbered 1 to 7:

To PARADISE, the HOME of OUR HEAVENLY PARENTS

Spirit Mansion Worlds are those 1 – 7. They with the Celestial Heaven spheres numbered 8, 9, 10 as well as the 3 Spheres of Disharmony are all within the Earth’s environment, and rather close by. Each sphere can accommodate more than 100 times the people than Earth may do.

Progression from the top Celestial Heaven sphere is to the Eternal Spheres, Infinite and Universal and further onwards to Paradise.

Celestial Heaven spheres 8, 9, 10 are often referred to as 1, 2, and 3 of Celestial Heaven.

Natural Love sphere progression stops at sphere 6. With only the natural love, progression is through spheres 1, 2, 4, and 6 only.

One can embrace Divine Love at any time and move to DL sphere 3 and continue.

The Divine Love spheres 3, 5, 7, 8, 9, and 10 were opened by Jesus.

Divine Love perfects one’s natural love soul through the progression via spirit world spheres 3, 5, and 7. Soul-Healing and At-onement is achieved through the progression into sphere 8 which is the first of the Celestial Heaven spheres namely 8, 9, and 10.

On death of the physical body we all arrive in the 1st Natural Love sphere.

Earth is for the individualisation of souls being the commencements of one’s journey home toward the Source Soul.

The 2 Planes of Disharmony are the hells. While one desires to cause harm to others, isolation is applied. Once the Law of Compensation is completed then one can then progress and return to the 1st Natural Love sphere and continue in their progression onto higher spheres.

The Pre-Incarnational Sphere is the waiting area for souls to be individualised / incarnated.

There are seven Earth planes around Earth, which are separate from the Mansion Worlds, but we only have access to two of them, which include the ‘hells’. Each of the Mansion Worlds also have their own seven planes ‘around’ them.

Note: The 1st Divine Love Sphere and the 1st Sphere of Disharmony may simply be planes within the 1st Natural Love Spirit World.

LOVE is ABUNDANT:

The greatest gift to humanity is the Source Soul's Love. This Love is a substance. It is an energy of a light blue in colour and it surrounds us at all times.

This Love substance from the Father is available to all at any time, no matter what condition one may be in and where one may be. That is, should one's soul condition be such that one is destined for one of the three spheres of disharmony or be a resident in one of the other many other inhabited systems, this Love is available for you.

One may refer to this Love energy as the **ultimate high octane super fuel** that surpasses all others. As it is a gift from one's Creator it is the only substance that brings about Divinity within an entity, a personality. Without the personal infusion of Divine Love into one's soul we remain mortal. When our soul was formed there was and is nothing that is divine within us. Accordingly, whilst we continue in existence without embracing the Source Soul's Love then we remain mortal. Though no spirit personality has been known to have ended living, it is only with the Love being infused into one's soul does one become immortal.

The light blue energy, being the Father's Love, surrounds us at all times. We have free will; it is due to the gift of free will that we do not have the Love imposed upon us until we seek and ask for the Love.

The free will that we all have provides us with the option to choose the embracement of the Father's will or following our passions and desires without restriction. It is by embracing free will that we may frequently error resulting in causing harm to others and or to ourselves.

To error is to cause harm to others and or to ourselves. To step away from the tendencies to error, the most progressive way to do so is by embracing the Father's Love and asking for His Love.

A newly individualising soul is just a tiny invisible spark.

The soul nests inside of the spirit body, never to be separated.

PERSONALITY

Soul  Spirit Body  Physical Body

The life force for the spirit body and the physical body is via the soul. The spirit body is connected to the soul via cords of light, and in turn, the physical body is connected to the spirit body via cords of light. Should the light cords between the spirit body and the physical body be disconnected then the physical / material body dies. The physical body is our starting point for learning and experiencing our being. Our learning and growth experience then continues through the existence of the spirit body.

Our soul was formed by our Heavenly Parents, possibly prior to the time of the first parents, Aman and Amon were ensouled. When a viable embryo is brought about by physical parents, then a soul is drawn to that embryo and the creation of the spirit body is achieved by the participation of the life forces of the parents and the incoming soul, the soul that is attract to the embryo.

The spirit body is the template for the physical body as well as the home for the incoming soul. The soul then nests within the spirit body and the spirit body will never be separated from the soul throughout the eternal journey of the soul.

Many observe a shadow line around the physical body, which is often referred to as being your etheric body. This is the observable aspect of one's spirit body, which is also the home and protector of your soul.

Science may go on to recognise that the magnetic field they measure for one's heart is in fact the magnetic field for one's soul.

Each aspect of one's being is simply an aspect of finer and finer substances – physical body, spirit body, soul. The soul is invisible to spirit vision.

Our soul is created of the substance that is referred to as natural love. The natural love is not of the Divine. We do receive natural love when people wish us well and send us love, and we can send our natural love to others. Natural love is some times showered upon us without our conscious awareness.

Recently, in history there have being massive showers of natural love and one such occasion was the Harmonic Convergence. Dr. David R. Hawkins said that after August 16-17 of 1987 the overall consciousness of the world raised from 190 to 204-207 on his published scale – Map of Consciousness.

“That's the most significant event in human history. One calibrate the level of consciousness of mankind: at the time of the birth of Buddha it

was about 90; at the time of the birth of Christ it was 100; from the Middle Ages through the 1800s it was at 190, and it stayed there for centuries, and then suddenly in the late 1980s at the time of the Harmonic Convergence, it suddenly went from 190 to 205. Then last October 14th (2003), again at the time of the Harmonic Concordance, it went from 205 to 207. That changes the whole paradigm for humanity, and you see the fallout – what falls out is that that which is non-integrative. When we were at 190 you could get away with non-integrity, which is the Old Boy way of doing business. And now at 205 or 207, you see Enron fall and Martha Stewart called on the carpet; so the new paradigm of success is integrity. Making money was sufficient during the early part of the last century through this century; success was money and fame, and all those things. And now the focus of society is integrity and what is the truth.”

Natural Love Flow

Natural love is Creation's love;

One can swap back and forwards between paths

I am God

Intellectual

Self reliant (trust myself)

Self-determination way of life

Mind dominates

Adult like

Control

Millions of paths (man created)

Peak possibility is 6th sphere

time to complete path:

100 years to over 1,000 years

Divine Love Flow

Divine Love is Soul's love.

One can swap back and forwards between paths

Soul-spirit living harmony

Soul dominates

Child like

Feeling

Defined path (God created)

Peak possibility is infinity

(sphere / mansion world are same)

Continuing to be self reliant and embracing only natural love is a long road of perseverance and dogged determination in soul development.

The Mother and Father's gift of Divine Love is the most wonderful gift that humanity is yet to become aware of on a grand scale. Few have realised its presence and have embrace the Source Soul's wondrous gift by using one's free will and having ASKED for the Love. We can all do this. There are no exceptions. It is available to all at all time.

Dr David R Hawkins' observation of the historical significant event of the Harmonic Convergence is surpassed by the events that commence on 31 May 1914. What commenced to unfold from that date and continues today is the successful sharing of the wisdom of our friends from the Celestial Heavens. Their teachings now exceed some 6,000 pages of loving guidance that enables us to understand the availability of the substance of Divine Love, what it does for us, how to ask for it, and how to receive it. These teachings fulfil the prophecy of the return of Jesus of Nazareth, the Master of the Celestial Heavens – we are experiencing the second coming.

Even though these writings have come through more than maybe six mediums and have been spread over more than 100 years, there are no contradictions and no duplications of the material provided. Should errors have occurred in the medium's recording of the impressions that they received then these have been corrected in subsequent material provided, sometimes 40 or even 80 years after the original transcriptions.

The REAL YOU is the SOUL:

One's personality, natural intelligence, memory and human attributes all are soul based. Upon conception / incarnation, the viable embryo attracts a soul to facilitate forming. The soul creates the spirit body that is the template for one's physical body. The soul forever remains within the spirit body. When the spirit body separates from the physical body, one continues on living in a different form without losing any of the attributes experienced during physical life. Incarnation is the process of individualisation of the soul.

Without a soul, our physical bodies would function and interact similarly to that of a domestic animal. An unsouled human body (not possible) would respond like a household puppy! Domestic animals calibrate on Dr David Hawkins' Map of Consciousness between 200 and 250, the human body calibrates at 200. All animals have spirit bodies, these do not survive into the spirit Mansion Worlds as does our own ensouled spirit bodies do.

Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some one million years ago. Adam and Eve, Adamite bestowals, arrived some thirty eight thousand years ago.

Aman and Amon were both nurtured physically as infants and then children. But their souls may have been placed in physical bodies when they were already young adults. Thus they had no clear memories of their earlier life before that great moment. As soon as they possessed a soul, all of the normal human psychological manifestations appeared, including speech.

There were aunts and cousins, parents and grandparents. But they were not human like Aman and Amon – they were really animals, though of the same species. Aman and Amon wandered off from the family, since they could find no way of relating to them at all. How could they? They were incapable of rational thought, speech, or anything human. Aman and Amon knew that forevermore that they were apart.

Aman and Amon may have been twins. They were indeed a primate species of humanoids. But they, themselves were more beautiful than their animal relatives, and they knew, even from their very appearance, that they were marked even by Nature to be different.

The real you is your soul! Your physical body is a temporary home to achieve individualization.

More than 1,000 spirit people have contributed to these teachings and the teachings continue to be received at an ever increasing rate. The escalation of receipt of material increases as we become more receptive and understanding of the Love. This has resulted in further mediums becoming available to receive these teachings, such mediums having become aware of the Love, the Divine Love, and embracing same.

Back in 1741 the Celestial Spirits, lead by Jesus, endeavoured to commence this delivery of teaching through Emanuel Swedenborg, however this endeavour failed as Swedenborg was burdened with preconceptions that emerged in his writings.

It was on 31 May 1914 with James Padgett that success commenced and the Padgett Messages consisting of some 2,500 messages provided by more than 250 spirit people where delivered from 1914 to 1923. Dr Daniel Samuels continued the program from 1954 to 1963. Then the Judas of Kerioth messages followed from 2001 to 2003. The Richard Messages followed, 2012 to 2013, and The Divine Universe also 2012 to 2014. Shining Toward Spirit, 14 November 2014 to 14 March 2015, is possibly the starting point to introduce oneself to these works. Of major importance are the writings through James Moncrief.

These teachings herald the greatest event in the world's history. They also herald an openness and access to the wisdom and guidance from our friends in the Celestial Heavens.

Within the **library** to be found at www.pascashealth.com will be found more than 250 Pascas Papers exploring living with the Love. An expansive library is also present at www.new-birth.net.

As has been noted previously, our soul is connected to our spirit body by cords of light. Our soul does everything. We have free will. The Love will not be imposed upon us. We need to ask for the Love so as to receive the Love. As we ask for the Love we will receive the Love immediately. We will never receive more Love than we can comfortably assimilate and embrace. Once we receive the Love we never loose that Love. With the receipt of the Love, as it is Divine Love, the Love of our Heavenly Parents and gift from Them who are immortal, our own soul becomes immortal. As we progressively receive more and more of our Mother and Father's Love we step aware from aspects of our personality that may result in error and harm to others and or to ourselves. As we embrace our Mother and Father's will and loosen from our personality all aspects of harming others, then with the Love we become fitted to enter the Celestial Heavens and become at one with the Father, that is His will is then our will – we become 'Christed'.

All we need do is earnestly long for the Father's Love, to yearn for His Love. To simply embrace the Big Fellow's Love, just ask Big Momma and Daddy for Their gift, They are the most loving Mother and Father of all.

Just open you heart to our Mother and Father and ask for Their Love. It is just that simple. That is possibly the most difficult thing to comprehend. It is just that simple.

As you unzip your heart and soul and make it available to receive this wondrous gift, the Acting Spirit, being the Holy Ghost, will shower the Love over your spirit body and the Love will be absorbed through your spirit body and into your soul.

The Holy Spirit, Acting Spirit is an instrument of our Mother and Father, its only duty is to convey the Love to those who ask for the Love of our Parents no matter where they may be and what their soul condition might be.

We all experience the receiving of our Parent's Love differently. Many, if not most, do not actually recognise that they have or are receiving our Parent's Love. Some receive our Mother and Father's Love for some time and then start to recognise the receipt of our Parent's Love.

Some feel the Love being received through the forehead and then into the heart area. Sometimes the sensation spreads around the forehead and progressively around one's head like a hat band that step by step is felt emerging.

Some just feel it emerging in the chest area of the heart.

Some receive impressions that start at the crown of the head.

Mostly it is a loving, warming sensation. A buzzing emotion may emerge. When one receives the Love all worrying tendencies evaporate.

Sometimes, though rarely, the receipt of the Love is like a shower that is incomprehensible. That is the shower of the love creates a burning sensation around one's head that is like a hat band that is on fire, however in a very beautiful way. This energy can then proceed all the way down one's spine and almost be overwhelming. This may result in one needing to lay down quietly anywhere that is possible, this could go on for a few moments, minutes, hours, or longer. The event could passively continue for weeks or even months.

What was just described there was what occurred with the principal follows of Jesus of Nazareth after his assassination. In their case, the flow of Love passively commenced shortly after his death and began to intensify culminating in the recorded event of the showering of Divine Love upon these

great disciples of the Master and Mistress of the Celestial Heavens.

Try the experiment. From time to time ask for the Love. Take up the [Great Experiment](#) and prove to yourself, as thousands have done, that our Mother and Father loves you. And change your life forever!

After a year or so, look back and consider your approach to life and the many aspects of your living your life from that time and reflect upon the changes that have unfolded in that short time. It is amazing.

DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULD IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – ‘soul land’. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

ENOUGH IS ENOUGH

Andon and Fonta, our first parents to long for our Heavenly Parents, lived nearly 1,000,000 years ago. Naïve humanity was seduced by high spirits, the Lucifer pair, to believe they could be gods through their minds, thus men subjected women to subordination 200,000 years ago. This was added to by the default of the Adamic pair more than 38,000 years ago when they failed in their mission.

REBELLION & DEFAULT **200,000** YEARS

When Jesus with Mary achieved their full Regency of Nebadon, in 26 CE, they immediately had the Lucifer and Satan soulmate pairs assigned to a spirit world prison. Since then, the Creator Pair have been preparing for the end of the Rebellion and Default for humanity of Earth. The Avonal Pair now on Earth, once commencing their Healing, brought about the imprisonment of the Caligastia and Daligastia pairs in the early 1990s. As the Avonal Pair advanced with their Healing they brought about the formal end of the Rebellion and Default, on 31 January 2018. It is now for all of humanity to embrace the Spirits of Truth of the Avonal Pair and undertake their healing of the imposts of the Rebellion and Default.

Avonal **AGE 1,000** YEARS

Spirits of Truth of the Avonal Pair will guide us through our Feeling Healing and into the Celestial Heavens with Divine Love, then the Spirits of Truth of the Creator Pair will lead us through the Celestial Heavens and out through Nebadon towards our Heavenly Mother and Father in Paradise.

Each generation of 25 years or so will see marginal embracement of Feeling Healing, however 1,000 years will achieve universality.

Universality of Feeling Healing with Divine Love will see the mitigation of discomfort, pain and illness as well as the imposts of global warming and Earth changes. As those events are to ensure that each of us embrace our feelings, both good and bad, down to the very core, so that we fully come to know who we truly are. Sciences will endeavour to remove pain only to see disease manifest in different forms. Earth disturbances are a result of the Harmonic Convergence of the late 1980s, increasing the rotation of the Earth's central core, this will only abate when humanity has universally embraced Feeling Healing. These influences are only imposed upon us so that we do not step back into the Rebellion and Default through complacency. Live Feelings First. We are to become the true personalities we are, that being daughters and sons of our Heavenly Mother and Father.

Soul within spirit body prior to receiving Divine Love.

Divine Love having been assimilated within one's soul, now being reflected through the radiance of the spirit body.

EXPERIENCING RECEIVING DIVINE LOVE:

Be still and quiet; reflect in silence. Love is present. Keep asking, longing, and never cease: this is your part. It is your cooperation actively engaged that brings the transformation and continues the process.

You cannot see it; sometimes you will experience it as simple quietness and calmness. This is as pure and real as any other experience, whether demonstrative joy through laughter and dance, or other expressions.

Divine Love is present; it is always present. It does not fade or disappear. Rest, relax and breathe. Pray and wait.

Maintain daily prayer and meditation. When you do this you are building a home for the dwelling of the Divine Love. Your continual invitations establish an attitude of welcome to the Divine Love. These build a bridge for the Divine Love to carry you to new and higher levels of change and transformation: places of new realms for your soul growth and development.

The Voice of Divine Love

~~~~~

As the receiving of the Love is always assured when longed for and asked for, the experience of receiving may become apparent by the occurrence of a warming embrace in the region of the third eye chakra, or with some, around the heart chakra region. This may be very subtle and gentle for some and may be for a few moments or extend for some time. Many do not physically feel the Love embracing them and this is totally fine, nevertheless the Love is being received.

On a few occasions, one may feel the love through the third eye region and then feel it expand as if it were to become a warming buzzing 'hat band' progressively expanding around one's head. This can intensify and feel as though one's cranium is about to pop off! Should this continue to intensify, then the sensation may flow down one's main meridian to the base of one's spine. Now that is something else! Relax and enjoy the great gift for this can be an experience that may continue for a short while or for quite some time.

Always, when one longs for the Love, it will shower over one's body and be absorbed in through the spirit body chakras into one's soul. Occasionally the Love will overflow from one's soul and some will reside within one's spirit body. At no time will you be discomforted. This light golden blue energy substance is the ultimate high octane super fuel gifted to us by our Heavenly Parents to us all.

## **LOVE is a SUBSTANCE:**

Love is so basic as to be undefinable. It is so universally present as to be unacknowledged much in the way that people take the air they breathe for granted – until it is not there. Love is an energy and a benevolent force that can be harmonised with and felt. Its essence is goodwill and harmlessness. It can never be used to harm oneself or another. It is complete in itself and is not the opposite of fear or any other feeling or thing. It is not an emotion as it is much more basic than that. It is apparent to any individual by the feelings and emotions that are engendered by the interaction of the vibrational state of an individual with the field of love in which they find themselves. The feelings which are regarded as love may arise in many situations and be regarded as directed to or associated with other people, animals, things or activities. The intensity of the experience is dependent on the degree of harmony that the individual is able to achieve with the pervading current of goodwill that is present on the Earth and the presence of other desires and emotions.

Even though many find it hard to believe, there is a powerful presence of goodwill and harmlessness on Earth today as there has always been. It may seem that humans need to create the needed goodwill which is the basis of peace whereas the truth is the humans need to attune to what already exists. The creation of the basis of love and goodwill is beyond the capacity of humans either collectively or individually whereas attuning to it is in the basic nature of every person in existence. This needs to be done individually in order to become a collective activity.

Love, in itself, is completely impassive and impartial. It is neither compassionate nor dispassionate. It simply is. It can be said to have no meaning as it is simply present. Attempting to ascribe meaning to love is like trying to ascribe meaning to God. Love is essentially not capable of being understood by humans or indeed by many spirits.

Love must simply be accepted as being universally present and universally available to all whether or not one considers it in terms of names like Natural Love and Divine Love. These are indeed different aspects of love with marked differences in their levels of vibration and in their effects in the overall scheme of living. It is well to know of the existence of these aspects of Love and to have some information regarding the differences. I assure you from my position and from my long experience that it will be some considerable time before you really know the differences or the implications of these differences.

Much of what is referred to as love in human interaction is actually attraction which may have elements of love or which may be mainly comprised of self-gratification within the interactions resulting from the Law of Attraction. Interestingly, much of the self-sacrifice that is done in the name of love is actually self-gratification and not necessarily based on love or goodwill at all.

Love, in its utter simplicity, is completely misunderstood on Earth. It is important to spend time and effort on accepting love as ever-present and available. In the complexity that is so common in personal relationships there is often such a melange of emotional conflict that love becomes lost.

You are finding difficulty in interpreting the concepts that we are giving as they are so different from your accepted beliefs about love. You feel as though what we are presenting is, in some way, devaluing Love.

In essence I am saying that Love is so complete in itself that it needs no glorification but must be accepted for what it is. It is the essence of creation and this makes it non-understandable and this is simply so. One learns about love by harmonising with it and allowing it to permeate one's being

without fear. This produces effects so profound that they can only be accepted without demanding understanding as they are beyond that. In due course you will know about Love without ever having understood it.

Love is constant and never increases or decreases. It is ever-present. It is not tidal and is not dependent on any activity of living by any creature or thing for its presence, nature or availability. It is all the aspects of life that exist within Love and which change as they encourage and allow their attunement with it.

We will speak much more about Love without taking you any closer to it than you already are for this is not possible. Everyone is already in absolutely intimate contact with Love. All that we say is aimed at assisting all to recognise this as living becomes so much simpler when one has this awareness. So much effort that humans expend is unnecessary as we have learned as we have progressed. Love, being the essence of Our Creator and therefore the essence of creation is unlimited and those who enter an intimate connection with Love begin to assume the capacities of unlimited living.

There are unlimited ways of moving into close attunement and harmony with Love. The essence of every one of these ways lies in Love of Self. Each person is unique and therefore, each person's experience of love is unique and totally personal.

**The degree of love and goodwill that any person expresses can never exceed the degree to which they love themselves.**

It is impossible to love any person, animal or thing more than one loves oneself.

To use an old term, a river can never rise higher than its source.

Many will have the greatest difficulty in understanding or accepting the truth of what I have just said yet it is Truth.

True love of self does not set one aside as selfish or uncaring but is the essential basis of loving all as oneself. In fact, as one learns love of self, one's love of others increases naturally and spontaneously to the same degree.

Love of self is unusual and uncommon in human living as it is today and has been for many long ages and is, therefore, relatively incomprehensible.

**THOUGHTS having the same RATE of ENERGY VIBRATION assemble as a CELL:**

*It is the accumulated pressure of feelings that causes thoughts.* One feeling, for instance, can create literally thousands of thoughts over a period of time. Think, for instance, of one painful memory from early life, one terrible regret that has been hidden. Look at all the years and years of thoughts associated with that single event. If we could surrender the underlying painful feeling, all of those thoughts would disappear instantly and we would forget the event.

This observation is in accord with scientific research. The Gray-LaViolette scientific theory integrates psychology and neurophysiology. Their research demonstrated that feeling tones organise thought and memory (Gray-LaViolette, 1981). Thoughts are filed in the memory bank according to the various shades of feelings associated with those thoughts. Therefore, when we relinquish or let go of a feeling, we are freeing ourselves from all of the associated thoughts. (Our memories are held within our soul / spirit body, they are not held within one's physical body, however, the damage will manifest in the physical body.)

The great value of knowing how to surrender is that any and all feelings can be let go of at any time and any place in an instant, and it can be done continuously and effortlessly.

**DIVINE LOVE being AVAILABLE is our SALVATION:**

**DIVINE LOVE is the ultimate high octane super fuel to transform our soul into that which is Divine. Loving in all that we then do. With Divine Love we can progress into the Celestial Heavens, without it we can not. Ask and you will receive.**

**We are created with the substance of that which is not Divine, and that is Natural Love with its various aspects that reflect through our personality.**

**The Divine Love is far more powerful than the natural love. If I would have to put a number on how much stronger, just so you can understand what I'm trying to say, I would say 10 or maybe even 100 times. Of course this is purely hypothetical because natural love is only a derivative of Divine Love so it is almost impossible to compare them this way. If you ask for the Divine Love to enter your soul it will be 10 or 100 times more efficient, 10 or 100 times stronger than if you would let the natural love flow through your soul. So it will help to break down "the wall" you've created around your soul 10 or 100 times faster than the natural love would do.**

The Divine Love is far more powerful than the natural love. Of course this is purely hypothetical because natural love is only a derivative of Divine Love so it is almost impossible to compare them this way. With DIVINE LOVE one's potential in growth is to infinity, progression is typically many multiple times faster than for those who remain NATURAL LOVE dominant and restricted in their growth potential to that of only becoming the perfect man whereas Divine Love enables at-onement with the Father and entrance to the Celestial Heavens and beyond.

The luminosity of DIVINE LOVE compared to that of NATURAL LOVE personality.

Embrace the availability of the Feeling Healing process with Divine Love, all one need do is to earnestly long for and ask for our Parents' Love.

It is an energy that surpasses all that is. It is with this energy melding within one's soul that heaven on Earth is achieved.

Nothing else can bring about the joy and love we strive for.

# THE SILENCE IS **BROKEN** HOW DO YOU BREAK IT?

**The Divine Love completes the form of the human being.**

**Our soul is formed from the substance that is natural love. When we earnestly and lovingly ask for Divine Love, the Divine Love is added to our soul, thus we steadily and progressively become complete in our being.**

**The Divine Love is a love available for the Human soul that, in its cause and effect, actually perfects the personality together with one's Feeling Healing process, as it progresses to a greater experience of living in the determination of living in God's Divine Universal harmony. Every personality has the gift of freedom of self-determination to enjoy and extend through life's experiences and it is this gift of freedom and human nature that may prevent one from participating in the freedom and gift of the Divine Love. The Divine Love, once being received is added to one's nature, having being formed on natural love.**

## EMBRACING the LOVES:

**Our soul is formed from the substance known as natural love. This natural love enables us to develop to that which is the perfect man, an excellent, capable and loving personality. However, there is a limit to our growth founded on natural love for there is nothing of the Divine within the substance of natural love.**

**Should we ask for, and then receive Divine Love, then the Divine substance of Divine Love can be added to our being, thus providing us with an infinite potential for growth and development in the Love that is Divine.**

**The natural love and Divine Love are not divided when in the soul.**

**The natural love is harmonious in the Immortal greater love, the Divine Love, and so, never shall an Immortal faith and Immortal truth fall.**

**Adding Divine Love to your being can be likened to developing a powerful engine based on natural love to that which is found within a most powerful muscle car. One's performance capabilities progressively develop as the regular fuel of natural love is slowly, but steadily supplemented with the fuel of Divine Love, thus changing that which is founded on natural love to that of the Divine, namely Divine Love.**

**Your fuel steadily is converted to that which is of the highest octane level ever envisaged.**

**The Divine Love is the wonder of the universe. How this invisible substance causes so much change in our mortal nature is a miracle to behold and experience.**

**Living with the Divine Love brings about harmony throughout all of one's bodies, systems and personality. One's capabilities and love continue to greatly expand.**

**Divine Love always has its effects in harmony with the expression and development of natural love. Therefore your awareness and expression of natural love in your life is a vital element in accepting Divine Love into your life and fostering its development of your soul. Divine Love is the great harmoniser and is therefore not isolated but its effects are universal.**

**Divine Love is the 'ultimate' high octane fuel.**

## **WE ARRIVE DETUNED!**

Our souls are a divine creation of our Heavenly Mother and Father. They could not be any other way! And are designed (such as how it has been for us) to begin incarnation in a Natural love condition reflecting the Natural love state of our world.

And we have also been provided with the opportunity to experience what is being ‘evil’, to live denying our Natural love, as seen through the denial of many of our feelings. So we here on planet Earth live on a world that has Rebelled (and then also Defaulted), of which there are only 37 within the local universe of Nebadon, consisting of 3.8 million physical worlds under the regency of Mary Magdalene and Jesus – the spiritual parents of truth of all of Nebadon! And we assassinated Jesus, and completely denied Mary not allowing her to have her say about the truth.

As a consequence, we are ‘detuned’ from our Natural love state and divine origin. You could say we arrived with all parts functional, however, in our untrue, dysfunctional and distorted state, we’re badly in need of a severe service, tune up or a complete reconditioning. Our goal being to bring our true self to the fore by doing our Feeling Healing, and then to progress beyond our Natural love state by further advancing our soul condition through the process of Soul Healing and receiving our Parents’ Divine Love – becoming divine.

In our feeling- and truth-denying untrue Natural love state, we have been made to use our minds to dominate our feelings, becoming more like that of mind-based creatures of nature than of human souls of truth and feelings. And this is the wrong way for us to develop. So to step beyond this limitation, we are to live true to our feelings. Our heartfelt feelings being the guiding lights to our evolution and growth of truth.

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it’s all right there already built in and can be found through our feelings – our soul based feelings.

By living true to our self, true to our feelings, we are living true to God. It’s that simple.

Thus we are detuned once our incarnation begins. However, the way is now open for us to bring about our full divinity. To completely Heal all that’s wrong within us on a Natural love level. To embrace and then transform that Natural love into a divine state through partaking of our Heavenly Parents’ Divine Love. All the while attuning ourselves to divine perfection and enjoying the fullness of our divinity and love, as we ascend in truth on our journey all the way to Paradise – the home of our Heavenly Parents.

**WE were DIVINE, and  
WE are to BECOME DIVINE AGAIN:**

Our personality, our soul, our real self, are all creations of our Heavenly Parents. We, our real selves, are not creations of our physical parents. Within our original status, we were of Divine nature.

Our physical parents, from our conception, endeavour to mould us into being ‘little me’s’, that is, replicas of themselves, imposing their beliefs and personality traits upon each of us. They crush our individuality and free will. They destroy our personality, our true self. They inflict upon each of us their ways, all of which are of a result of the Rebellion and Default of many, many generations ago. They drive us into believing and subsequently becoming dependant upon our minds. This is not the way for us to express our true selves and evolve along the path towards our true parents, our Heavenly Mother and Father. We are to embrace the Eternal Son of Truth, not the Infinite Daughter of Mind.

No, we are not in the image of our physical parents. Though we may look like them, and act like them because they have dramatically and successfully crushed our true personality, we are each very unique and independent of our parents and all other family members. When we begin to progress along the path of engaging with our soul based feelings and seek for the Truth of our feelings, we will become free of our parents’ impositions and suppression.

Upon starting our physical life experience on Earth, our divinely created soul begins to express us as one of our soul’s two personalities in Natural love. However because of Earth being in Rebellion, so we are parented into a rebellious and anti truth and anti love state of mind control over our feelings and true self.

Natural love is good, just ‘less’ or different to Divine Love. And it’s that in our rebellious state, we’re rebelling against Natural love, and Divine Love by not taking Jesus and Mary up on their offer and allowing the Divine Love to transform our soul, as we perfect our Natural love by doing our Healing.

By living true to our self, true to our feelings, we are living true to God. It’s that simple. The revealing of the Feeling Healing process is the commencement of our ability to begin the great U-Turn and go the right way. Should we then also embrace our Heavenly Parents’ Divine Love, we can also commence our Soul Healing and a returning to that of being divine – this is our destiny.

## LONG for the TRUTH!

Above all else, “Longing for the Truth” has not been recognised by humanity. True Prayer is not asking with the mind; it is a longing from the soul. Should we long for the truth then we will be told. This is how we ascend. Earnestly desire to know the truth and it will be revealed to us.

Our soul, our real self, already knows the truth and the answer we are seeking, the truth will come to our awareness through our feelings. Our feelings are soul-based.

Our mind cannot determine what is truth from what is false. Our mind is addicted to being in control and will lead us according to its agenda, all to our detriment. This is what man has embraced for the past 200,000 years – now the mind is to be subjected to our feelings. Accordingly, our mind will learn to assist our feelings.

Longing to our Heavenly Parents for truth will bring about the understandings we are seeking to achieve.

Long for the truth behind any feelings, both good and bad, and we begin to peel off and escape from our childhood repression and suppression, thus escaping from the generational cycle of errors that have been passed from parents to their children, thus continuing the cycle of error and harm. ALL children are harmed in this manner.

Through longing for the truth behind our feelings, both good and bad, we start to bring about harmony and peace to our self, which eventually flows onto our family, then our companions, then our overall community and then country. **This is how harmony will come to all of humanity and peace will prevail with war being set aside. This is what the Great U-Turn will bring about.**

Longing for the truth is the only way that we will come to understand the cause of any physical discomforts, pains, diseases and illness. It is by expressing the understandings of what one is feeling about any emotional event or issue so that we release from our essence the negative energies relating to these feelings arising from past events, particularly those from our childhood forming years. The harm that we each endured during our childhood forming years has set the pattern, at all levels, for our adult life.

In a variation of those inimitable words uttered by Jack Nicholson, “You CAN handle the truth!”

This is how humanity will heal itself and bring about peace for each personality and humanity overall.

**By living true to ourself, true to our feelings, we are living true to God. It’s that simple.**

**CREATED in THEIR IMAGE:****GOD**

James: Mary, what does ‘we being created in the image of God’ really mean?

Mary M: It means that our Mother and Father used Themselves as the model or template if you like, upon which to bring us into being, those of us who have existential souls with the potential of expressing their two personalities in Creation.

And although our souls are divine, as in being divinely created, still whilst we start our personality expression in Natural love, so we need the Divine Love to come into our soul and bring it into the levels of Celestial divinity.

Natural love, so basically the whole of Creation, is of the image of God, and we being divinely created souls can be part of God’s Divinity becoming divine ourselves. So through your Healing, James, you become progressively divine by partaking of the Divine Love and healing yourself into perfection – your true self. And by the time you’ve completed your Healing, your soul is of the Divine Love level of Celestial truth, and your personality is an expression of that level of truth, it all being ‘confirmed’ and cemented – fused – into place upon the direct soul-union with your Indwelling Spirit. Then you are of the essence of God, true and perfect to the level of the first Celestial sphere, the first sphere of true divinity.

Mary Magdalene communicating with James 20 November 2017

## HEALTH and HARMONY of the BODIES:

Man suffers from evil and error and disease.

First arises the necessity of understanding how, and by what means these things came into existence, and then it will become easier for the understanding of the means and the way by which they may be eliminated from the life and apparent nature of mankind.

These things, foreign to God's creation, were created by man alone in the excessive and unlawful exercise of his will power in following out the suggestions and desires of his animal appetites, which unduly asserted themselves when man lost a part of his spirituality by his disobedience. Man must understand that these excrescences (morbid outgrowths) to his perfect creation are real and existing, and result in his own damnation and alienation from the good, and are antagonistic to his original and natural condition of perfection – and that they cannot be swept out of existence by the mere assertion that they are not real.

Man must understand that they are the creatures primarily of the inordinate exercise of the animal appetites and desires, and not of the exercise of the mind, and that they are to be eradicated by the same process in reverse order as was used in their creation. The purity of his true being is always besmirched (soiled) by the impurities of his own artificial being, and always will be, until he eliminates these impurities which, as to him and to his fellow man, are real, persistent existences.

As sin and evil are not the creatures of the spiritual desires, but wholly of the animal, then to eradicate from man's being these things of evil and sin, the efforts of man must be directed towards the supplanting of the unlawful and inharmonious animal desires and appetites, by appetites and desires arising from the same source that is in harmony with the laws creating this very source.

The loss of the spiritual aspiration, or the perversion of the animal appetites, similarly causes man to become out of harmony with our Mother and Father's laws. Man in order to become free from these foreign parts of his being, must strive, not by a denial of their reality, but by the effort to supplant them. Man is a creator as well as a creature, and as these things are the creatures of man alone, then so far as the being of man is involved, they have a reality which will persist until their creator – man – has destroyed them. Jesus 9 July 1916

Only by man longing for, asking for, and receiving the Love of God and longing for the truth of his emotional errors will man be assisted and be able to remove that which is disharmonious to his bodies and rid that which is in error and sinful and disease from his bodies.

Harmony within one's soul brings about harmony in one's bodies and a healthy body. Receipt of God's Love, Divine Love, slowly but steadily brings about health to the physical body.

## REVELATION 1

The availability of Divine Love, should we so ask for it, being revelation 1:

God's Divine Love: Pray for it, ask for it, and receive it.

Whilst we are receiving our Heavenly Parent's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way the Father is actually loving us! When we progress, it is the Father's way of loving us into love and then we live what we are, love.

## REVELATION 2

The way to clear one's soul of childhood errors and injuries is revelation 2:

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Release one's pain through expressing one's feelings.

Longing for the Truth when also longing for Divine Love.

# REVELATIONS

**Revelation 1:** Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively embrace our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

**Revelation 2:** We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

**Immortality with the Love.**

# FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

# FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

## FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Notes from 'Feeling Healing' by James Moncrief

Heartfelt TRUTH

## Our FEELINGS are our SUPREME GUIDES:

# Feelings!

**Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides.** Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.** Kevin 26 Sep 2017

## **Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.**

Kevin: **So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.**

## FEELING HEALING

**Note:** The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

**Note:** **Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.**

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and totally true.” James – Introduction Course to Divine Love Spirituality

# Feelings First Spirituality

## The New Way

**Feelings First**  
**FF**  
**Feeling Free**

The New Way, Feelings First Spirituality  
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings  
 Free your feelings from your mind's control  
 Live true to your feelings; your feelings are your true self  
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.  
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,  
 BAD feelings.  
 Want to understand why you're feeling them.  
 Use your surface feelings to take you deeper into your repressed and  
 hidden feelings.

The Feeling Way is the True Way.  
Your feelings are your spiritual guide.  
Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one’s feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God’s Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we’ve all been wrongly led to believe.

**Feelings First; then comes The Truth; then comes Love.**

## The CHOICE is OURS to MAKE:

### Celestial Truth:

Truly all-loving;  
 Living true to oneself;  
 Mind supporting Feelings;  
 Living with the Divine Love;  
 Fully Healed of the Rebellion and Default.

### THE FEELING WAY

Feeling – Ascendance  
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

### THE MIND WAY

Mind – Transcendence  
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,  
 atheists, no spiritual interest,  
 Living the Rebellion and Default.

Hell:  
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

**SOUL CONDITION / EMOTIONAL HEALTH ENLIVENS with DIVINE LOVE:**

**Asking for and receiving our Heavenly Parents' energy of Divine Love slowly assists in dissolving and removing man's negative emotions and subsequently brings about a vibrant, radiant soul that emerges as an outgoing happy and loving living personality. With the God's Love, which is a substance, and embracing one's Feeling Healing one can progress from any dark and depressing situation to that with resilient faith bringing about a quality of life that is heaven on Earth.**

**The SUBSTANCE of The LOVE brings about PHYSICAL HEALTH:**

December 5, 2003

<http://new-birth.net/contemporary-messages/messages-sorted-year/messages-2003/millions-of-souls-millions-of-paths-ks-5-dec-2003/>

"When you know that you are souls with a spiritual body and a physical body, and that these two bodies reflect the condition of your soul, then how can there be any question about which part of your being is the most important?"

**"If you want to be well and healthy, happy and strong, then you must see that it is important for you to get your souls into the highest and best condition possible."**

Apostle Peter

In the same way we will go about achieving our very personal and valued goals so will we go about creating harmony within our communities and peace worldwide.

**"The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.**

**"But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Mother and Father's Grace."**

Judas – August 19<sup>th</sup>, 2001

**Divine Love is the Great Gift that God desires to give to the heart-soul that asks, yearns and seeks for It. It is unconditional Love *conditionally* given that requires no preparation. It is conditional only because Divine Love cannot and will not be given to any person without that person first asking and yearning for It.**

**We Inherit our Emotional Errors from the Environment around us during Childhood:**

We are to build but one temple. The Temple of the Living God is the blending of the greater (Divine Love) with the lesser (natural love) through which the lesser becomes one with the greater. The impurity was caused by the separation of the lesser from the greater. The purity is caused by their union, so that no longer is there a greater and a lesser but just the one good, whole, pure air of at-onement. When you let the Love of the Father pour through you to all things, nothing fears you and no harm can befall you. It is separation from our Heavenly Parents, which has caused sin / error, sickness, poverty, and death. It is union with the Creator, Father that causes one to become a whole Being or to become conscious of being whole.

Life and Teaching of the Masters of the Far East Vol I by Baird T Spalding.

**HEALTH with or without the LOVE:**

**Divine Love, with Feeling Healing, has a powerful positive effect on the physical body, balancing the hormones and generally promoting physical health, which is really the same thing as saying that the state of a mortal's soul impacts directly on that mortal's physical health.**

The Master, because he experienced the New Birth soul condition as a mortal, his physical nature was directly affected, so it would be accurate to say that because of this, his nutritional needs were somewhat different from other mortals.

Throughout his ministry (when the New Birth soul condition was his), he was actually in perfect physical health, and this was apparent through a sense of well-being that actually manifested on a physical level as well as a spiritual one. Aman 24 January 2007

The influence of sinful emotions and thoughts and actions upon the soul is such that the spiritual emotions and aspirations of man becomes dormant, and as though not existing, and the soul itself is encrusted with evil.

Through prayer, thoughts and soul longings, the spiritual nature in man can be developed so as to dominate the personality, and he will act in accord with the feelings and emotions of his soul. The evolution of man from the natural being to the purified soul and, if he so desires it, to the state of the divine angel is possible with the Love and Feeling Healing. Jesus 8 September 1955

**A soul encrusted with error results in illness and unhappiness.**

**Soul without the love.**

**Asking for the truth behind your feelings and expressing them is Feeling Healing. This process removes errors and brings harmony and health to the bodies.**

**Soul with the love.**

LUMINOSITY of the SOUL grows with LOVE:

**DIVINE LOVE is a SUBSTANCE**

Angels actually do not have wings.

One's soul can grow from the condition of a dark dried up pea to that of a Celestial Angel by asking for and receiving Divine Love. Divine Love changes the essence of the soul to that of the Divine. Nothing else can do this.

**CREATOR,  
MOTHER,  
FATHER,  
GOD.**

Divine Love is delivered through the Holy Spirit, should you ask for Their Love.

Your soul can be likened to a plasma ball.

Soul releases errors and negative emotions via one's Feeling Healing with Divine Love.

PROCESS of FORGIVENESS  
PROCESS of FORGIVENESS  
PROCESS of FORGIVENESS  
PROCESS of FORGIVENESS

is also the PROCESS of REMOVING HARMFUL EMOTIONS  
is also the PROCESS of HEALING BODIES Physical Spiritual  
is also the PROCESS of SOUL GROWTH with the LOVE  
is also the PROCESS of CLEANSING the SOUL

Our Heavenly Parents send the Holy Spirit, the Spirit, to those who long for and ask for Their Love and assistance. All you need do is ASK!

“The New Birth is the flowing of the Spirit of God into your soul and the disappearing of all that tends to turn your heart from the truth and Love of God in conjunction to doing one’s Feeling Healing.”

“The Holy Spirit is God’s messenger or instrument that carries into the soul the Divine Love that is bestowed on the truly penitent man.”

“The Holy Spirit when the penitent prays for the Love the Holy Spirit will respond and fulfil the work that the Mother and Father has provided it to do.”

“The only thing that saves a man from their sins / errors and reconciles them to the Mother and Father is that they must become conscious of God’s Truths and receive the Holy Spirit into their souls.”

Continuing with one’s longing for Truth and asking for our Parents’ Love enables progressive removal of emotional errors and injuries that then lead to the removal of core emotional damage, and then, subsequently, the progressive filling and expansion of one’s own soul. Removal of these soul injuries through Feeling Healing also leads to the removal of damage to one’s spirit body and the restoration of one’s health.

It is only by the infusion of this Love while longing for Truth within one’s soul in sufficient quantities does one become fitted to enter the Celestial Heavens.

Soul development, with the Love, can take a soul from being a dried up garden pea to that of a simple candle, and then onto that of a blazing sun!

**The LOVE that brings about FORGIVENESS:**

This Divine Love, and by this I mean the only way through which salvation can be obtained, can enter and fill the soul through the sincere longing of the soul to assuage the thirst for at-onement with the Father through prayer. Revelation 17 – November 12th, 1960 – Jesus

**The only way for man to achieve forgiveness of sins is through the obtaining of the Divine Love or through purification of the natural love, a long and tedious process that fits the individual soul for a place in the Sixth Sphere.** Revelation 50 – October 18th, 1954 – Jesus

Divine Love fits a personality to enter the Celestial Heavens, way above the 6<sup>th</sup> Sphere. Without this Love, man cannot enter the Heavens. It is this Divine Love that brings about immortality for man.

This great Love of our Mother and Father was created or rather has always been, for the redemption of the vilest sinner who seeks and believes. March 24<sup>th</sup>, 1915 – Ann Rollins

Only the Divine Love can give man of a Divine Nature, and that no self development or cultivation of the Natural Love to the greatest and most sublime extent are sufficient to make man at one with the Mother and Father in the divine sense and which makes the spirit a partaker of this Divine Essence of our Parents. One needs to come to understand the difference between the two loves and what the New Birth means. March 24<sup>th</sup>, 1915 – Jesus

**Immortality with the Love.**

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to ‘our Mother and Father’. Further, when considering soul healing, then reference to Divine Love could be referred to as ‘Feeling Healing with Divine Love’.

**NATURAL LOVE or FEELING HEALING with DIVINE LOVE:**

Accounts of spirit people who's condition have been so poor to fit them only for the hells, namely the Spheres of Disharmony, show that even they can progress from the lowest of conditions to being within the Celestial Heaven, way above the highest sphere of the Natural Love spheres, within or around five to ten years or so. Some achievements discussed in messages have been:

James Padgett entered the Celestial Heaven within 28 months of his passing.

Helen Padgett was in the Celestial Heaven within 12 months of passing through Feeling Healing.

Nita Padgett progressed from low 1<sup>st</sup> sphere to Celestial Heaven within 24 months of passing.

Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.

Bradley Cooper, son of Kevin, suicided on 21 September 1999 and early April 2018, became Celestial.

Emperor Nero progressed out of the low hells to Celestial Heaven by receiving Divine Love.

Emperor Julius Caesar moved from the hells to 3<sup>rd</sup> sphere within 19 months from receiving the Love.

George Butler progressed from the hells to the 3<sup>rd</sup> sphere within 38 months by receiving the Love.

President Grover Cleveland moved from dark spheres / hells to 3<sup>rd</sup> sphere in 20 months with Love.

President John F Kennedy achieved Celestial status following 15 years of Feeling Healing process.

R. Ross Perry progressed from the hells to 3<sup>rd</sup> sphere over 30 months by receiving the Love.

**It is only through Feeling Healing with the Love, that forgives sin, dissolves the errors and fits a person for a higher habitat.** Man, left to his own devices, can require many centuries to grow and then cannot enter the Celestial Heaven.

Man, can know and knows God only because he possesses a soul, and he can never know God if he seeks Them intellectually and with his mind alone. Doubt and speculation is a product of the mind, but faith is a product of the soul and we know that God exists through our soul perceptions, so that we can create the spiritual link with our Heavenly Parents through prayer. Not a mental prayer, but a prayer that comes from man's soul – earnest, sincere, full of longing, faith and love.

**WE ALL ASPIRE for the LOVE of our MOTHER and FATHER:**

**Love has no boundary – especially the Love from the Creator, our Mother and Father.**

**Further, we all have free will, and our free will is never impeded upon. Our Heavenly Parents' Love will be given to us only when we ask for it, yes, we simply need to earnestly and lovingly ask for the Love.**

There are ever so few, among humanity, that recognise and realise that the Love from our Heavenly Parents, Mother and Father, God, is conveyed to us only when we earnestly and longing seek Their Love. This Love is conveyed to us by the Holy Spirit, the Spirit, and it is this Love that slowly and progressively strengthens our resolve to engage in our Feeling Healing and remove from our soul those emotional injuries and errors that underlie our propensity to cause harm to others and our selves.

It is this Gift of the availability of Divine Love that was bestowed upon humanity in the first century that is now being taught to us again through the messages being conveyed for ALL of humanity. Further, the way to proceed with one's Feeling Healing is also being shared.

There is no exclusivity, no matter what beliefs any one of us may have, this gift of Love is available for ALL of humanity. Every religious practice and faith throughout the world can embrace and share these teachings and blessings to all within their constituency without any boundaries or limitations.

This is the greatest gift for all humanity, the greatest gift in the universe, and it is yours for the asking.

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Parents are actually loving us! When we progress, it is the Mother and Father's way of loving us into love and then we live what we are, love.

## WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

**HUM:** Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

**AVO:** We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

**J&M:** We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

**M&F:** Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

**M&F**

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.  
We are to long for the truth of what we are feeling.  
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

**J&M**

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

**By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

**AVO**

**HUM**

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

**WE ARE Children of God**

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

**HOW TO GET TO PARADISE:**

**Long for the Divine Love**

**Long for the Truth**

**Long for the truth of your feelings**

**Don't deny any feelings: accept, express and want to know the truth of them**

**Know your feelings are the key; your feelings are the Way**

**Want to end your falseness and being untrue**

**Want to understand the truth of your early life**

**Use your surface feelings to move deeper into yourself, bringing up your repressed feelings**

**Want and long to know the whole truth of yourself**

**Want to do it all with God, your Heavenly Mother and Father – long to Them for help.**

**The Keys**

**Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.**

PARADISE TRINITY:

1. **Our MOTHER and FATHER (God) (MF) – Divine Love**  
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
  2. **ETERNAL SON (ES) – Divine Truth**
  3. **INFINITE DAUGHTER (ID) – Divine Mind**
- Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

1. **MARY M and JESUS** – Our MOTHER and FATHER – Love – the Living Truth
2. **DIVINE MINISTER** – Mind (and her Holy Spirit)
3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

1. **AVONAL SOULMATE PAIR** – the Feeling Healing process – incarnate
2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

So in summary:

Consider a diamond:

# Mother and Father Heavenly Parents

Avonals

Trinity Teachers  
as soulmate pairs

Melchizediks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

**CREATION of SOUL and SPIRIT:**

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

## U-TURN for HUMANITY:

### Why are we doing a U-Turn?

We are doing a U-Turn **because** the year 2017 heralded the end of the Rebellion and Default. For two hundred thousand years, humanity has been going in the wrong direction.

### What is this fundamental step that will change our way of living?

We are to come to understand / know the foundational cause of all our feelings, both good and bad. As we explore and investigate our feelings, each time they arise, one by one, we are to talk them through, express them to a companion or friend or anyone who will listen. As we express them, while at the same time coming to understand how they have come about, we will find that they will be resolved and that they will not come up again.

We will find that all of our feelings / emotions have their foundations from our childhood. And by childhood, that is from the time of one's conception all the way through to about the age of six. It is the repression of our childhood feelings that is the base or foundational cause of each and every one of our adult personality issues, pains, difficulties, illnesses and distressful life experiences.

**We have to see the whole truth of our negative or self-denial state, before we can heal it and be free of it.**

The vital difference between **emotions** and **feelings** is:

- emotions have their roots in the past,
- feelings relate to the present moment,
- emotions represent feelings not previously expressed,
- and these accumulate over time.

Many emotional clearing processes encourage us to look into our feelings, however, none go so far as to drill down into the core foundation of any emotional feeling to the point that we strive to KNOW the core issue, the origin of the feeling, be it good or bad, and actually come to know what it is!

The *Journey Process* is generally known worldwide. It stops short of longing to know, that is asking for the knowing of the events that brought about such a feeling. Yes, we are to acknowledge the feeling, say being angry. Then accept that behind that anger is the feeling of being small, and then look at the underlying reason of why we are feeling small. What is the truth behind that feeling? Ask our Heavenly Parents what is behind all of this feeling. What is the foundation, the origin of the feeling? All the time talking it out, expressing it, with a friend. The expressing of the experience is the release of the emotion / feeling, this is what removes it for ever from within our essence, our **soul**.

### Why ask our Heavenly Parents? I thought God was just God – singular?

This is part of the revealings that have been unfolding for us very recently – that is – since 2002.

We are made in the image of God. This has been understood for centuries, for 2,000 years. Our soul is duplex. Our soul expresses itself through two personalities. One soul 'subdivides' into two, one half

**Feeling  
Healing with  
Divine Love is  
the key!**

always being female and the other half always being male. We are a reflection of how God is. God being one Soul is expressed as Mother and Father. God is two personalities. They are soulmates. And each of us has a soulmate, and our soulmate is always of the opposite sex, because the Mother and Father are the opposite sex.

Thus, when we long for the truth behind a feeling, then we can long to our Heavenly Mother and Father. Only they can tell us. No spirit personality can tell us. No canonised saint can tell us, we may as well ask our next door neighbour. That would be just as productive. Mary and Jesus can't tell us, as they are also spirit personalities.

### **I was taught that Jesus was God? And what is this about Mary?**

Mary of Magdalene and Jesus of Nazareth were both born free from sin. Neither of them are God. They are both children of God, just like you and me.

History needs to be corrected. Both Jesus of Nazareth and Mary of Magdalene became at one (At-One) with our Heavenly Mother and Father during their physical lives here on Earth in the first century; Jesus in the year 26CE and Mary in the year 33CE, or thereabouts. Jesus died aged 35 (born 7BC died 29CE), and Mary died aged 47 or 48 (born 2BC died 47CE).

Further, their sojourn on Earth was the completion of their process to become the full Regents of the sector of planets that is referred to as Nebadon. The region within our super-universe that is referred to as Nebadon contains 3.8 million inhabited planets. If you look into the night sky, each star / sun potentially has between none to three inhabited planets within its orbit. Within Nebadon, the soulmate pair, namely Mary and Jesus, are our Spiritual Teachers of Truth. Their domain is all 3.8 million physical planets plus their associated spirit worlds. Each physical world has seven associated spirit worlds, which is the case for Earth being one of the 37 that have rebelled.

Some 200,000 years ago, Lucifer with his soulmate and his deputy, Satan with his soulmate, brought about a rebellion on 37 of the inhabited planets within the region called Satania, one of the local universal systems of Nebadon. Earth compounded the situation through the Default of Adam and Eve about 38,000 years ago. Thus the population of Earth, being in the worst condition through the Rebellion and Default, became the location for Mary and Jesus to have their physical experience to complete their ascendancy to full Regency of the local universal system being Nebadon.

Their lives on Earth was the start of the unravelling of the Rebellion and Default. Upon Jesus becoming At-One with our Mother and Father, he was then vested with the authority and power to have the Lucifers and Satans arrested, and they now reside exiled within a prison world.

Notice that there were no records of Jesus and Mary's teachings and experiences made during their physical life. That was because they did not specifically come here for us, they came for the benefit of all peoples of all planets and spirit worlds throughout Nebadon.

As they are Paradise descending spirits, they have **Spirits of Truth**. Upon Mary and Jesus' death, they released their Spirits of Truth. As spirits, Jesus and Mary are how we will be, once we've finished our Soul Healing. They can only be in one place at any one time. However, it is their Spirits of Truth throughout Nebadon that we can connect with for guidance. It is through their Spirits of Truth that spirit personalities can progress through and out of Nebadon.

Those planets that have Rebelled need further assistance, and they need it on a localised manner. This can only be provided by another bestowal of a **Paradise Pair**, and that is in the form and manner of an **Avonal soulmate pair** who come here specifically for us.

### **What is the purpose of an Avonal pair, and are they here on Earth?**

Unlike Jesus and Mary who were always free from sin and did not experience how to heal themselves, the Avonal pair are to experience all of the extremes of evilness and then proceed to heal themselves. Mary and Jesus through their bestowal on Earth ended the Lucifers spiritual rebellion in Nebadon; the Avonals bestowal is primarily concerned with ending the Default of Adam and Eve by the Avonals themselves personally healing the effects of such a damaging Fall.

The soulmate Avonal pair are to be, and have been, subjected to the extremes of childhood suppression and repression, and then, through their Feeling Healing, are experiencing all the facets of emerging truth as they slowly progress through a protracted and difficult healing process. As they reach specific milestones, this also enables those in the Celestial Heavens, (the three worlds where Celestials reside) to be empowered to assist us in the physical on Earth.

The first considered milestone was the arresting and imprisonment of the Caligastia soulmate pair and the Daligastia soulmate pair. After the arrest of the Lucifers and Satans in the first century, as nothing further occurred, the Caligastias and Daligastias continued on from spirit as if they were kings and queens, suppressing all of humanity and with plans to take over the universe. It was possibly in the early 1990s that they were 'judged' and 'removed'. They were caught unaware that an Avonal bestowal pair were on Earth.

### **How is all this becoming known? Has Jesus and Mary communicated directly to Earth?**

Unlike in the first century, when no records were kept (as the event related to all of Nebadon and it was actually setting the stage for the Avonal bestowal pair to arrive on Earth), every effort to retain records in great detail of this current series of events is now being attended to. Consider this. The New Testament of the Bible is some 300 pages. The records of the Second Coming, which this is, the primary records are possibly 6,000 pages, with direct complementary records increasing that to over 10,000 pages and with all the supplementary records to date, there may be as many as 40,000 pages, certainly well over 30,000 pages of material presently.

Jesus directly communicated through James Padgett from 1914 to 1923. Mary of Magdalene (Mary M) has directly communicated through James Moncrief from 2002 and is ongoing. Jesus has also communicated directly through James Moncrief. Neither have ever directly communicated through any one else, however, some Celestial Spirit personalities have provided information through other personalities on Earth with the support and approval of Jesus and Mary, thus some confusion, though the quality of the information is very reliable.

### **You say this is the Second Coming? You say I am living during the time of the Second Coming?**

Yes you are. And it's more than that. This is the Second Coming, the End Times and the Handover!

In fulfilment of the prophecy in the first century, the Second Coming commenced on 31 May 1914 through the writings with James Padgett and concluded in 2014 through the writings with James Moncrief.

The End Times are well advanced. Mary and Jesus are well advanced in handing over their direct involvement with Earth to those within the Celestial Heavens. When this is completed, the Handover will also occur. **The Hand Over is to the Avonal Bestowal pair** and it is they who will guide the population on Earth through their Feeling Healing processes for the next 1,000 years, being the next spiritual age. The Handover will take place after the Avonal pair complete their personal Healing of the Rebellion and Default. Then will follow with their Spirits of Truth being officially liberated in alignment with Mary M and Jesus' Spirits of Truth upon their death.

Major events have occurred with the progression of the Avonal pair's Feeling Healing, which they are also doing whilst embracing our Heavenly Parents' Divine Love, thus they are doing their Soul Healing.

| 31 January 2018: | Earth and the seven associated Mansion Worlds (including the two Earth planes) are <b>officially</b> now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default. |

**How does this all fit into our future way of living?**

**This time, in the history of humanity, is the most exciting time ever experienced.**

**The whole human race is suffering from repressed childhood and mind control.**

Through one's Feeling Healing, and should we embrace our Heavenly Parents' Divine Love, then with their Love we are doing our Soul Healing, and eventually we can live totally in accordance with our soul based feelings and live free from error – no more fear and no more physical illnesses is possible!

**By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

Our soul is always perfect. In fact, we are the complete package. All that we need to know is within our soul. This knowledge has been denied from us since the time of the Rebellion and compounded by the Default. That is what was brought upon us by the Lucifers and his cohorts. We have always been meant to live true to our soul based feelings but we were taught to embrace our error riddled mind – this was aided by our parents – unknowingly all parents have taught their children to be mind dominant. **This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

“Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **Feelings** guide us through our **ascension of truth**. So they are really our Supreme Guides. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: **Longing for the truth of our self, because: we are our feelings**. So life stirs up

our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.”

Kevin of the 1<sup>st</sup> Celestial Heaven 26 September 2017

(Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.)

It is through the assistance of the Spirits of Truth of the Avonal Pair, upon the completion of their Soul Healing, that we will be guided through our Feeling Healing process, and should we embrace our Mother and Father’s Divine Love, then our Soul Healing.

Then should we embrace Mary and Jesus as our Spiritual Teachers of Truth, their Spirits of Truth will lead us on the path through the Celestial Heavens where we will certainly meet up with our soulmate and join our soulgroup, which will eventually consist of twelve soulmate pairs. Then as a soulgroup, the Spirits of Truth of Mary and Jesus will lead us up through and out of Nebadon towards Paradise.

It is then our Mother and Father in Paradise who draw us to them and we will eventually meet our Heavenly Parents.

Meanwhile, while we live on Earth, we will have assistance and guidance previously denied to us throughout the era of the Rebellion and Default. Under the Contract controlling and managing the Rebellion and Default, the powers and capabilities of our Celestial Heaven spirit personalities, all three worlds of them, were heavily restricted and almost of no assistance to us at all. Further, Nature Spirits and our Angels were heavily denied contact with us physical people because of the Rebellion and Default, all of which is soon to change, so we can look directly to them for help concerning healing ourselves and understanding all aspects of nature.

As we embrace our Feeling Healing, Celestial spirits will and can greatly assist us. In fact, during the year of 2017 they have blocked all mind spirits from the Natural Love Mansion Worlds: 1, 2, 4 and 6 from interfering with us. Celestials have taken control of all facets of living and life on Earth. Celestials are those spirits who have completed their Feeling Healing and progressed through Divine Love Mansion Worlds 3, 5 and 7 and now live in the higher Celestial Heavens, 1, 2 and 3 (when we become At One with our Heavenly Parents then we leave the Mansion Worlds and progress through the next three spheres related to Earth, hence the Celestial Heavens are also referred to as being numbered 8, 9 and 10).

The Nature Spirits of Earth, who live in the third Earth plane, can now directly interact with those who are embracing their Feeling Healing. Nature Spirits are essentially ‘angels in waiting’. They have been on Earth prior to anything that we now see living in nature. When they first started to arrive, there was no life in the seas or on land. They have consequently witnessed everything that has happened on Earth, including all prior human civilisations that we continue to largely remain ignorant of. Their knowledge and assistance is of great importance to us. We are to interact with them on an ever increasing scale. They are to become an invaluable source of information for us concerning how we are best to live with nature.

Further, we may become more aware of our **Indwelling Spirit**, which arrives for each of us during our sixth year, as we now progress with our Feeling Healing, or with Divine Love, our Soul Healing.

And all of this is possible as we embrace our Feeling Healing process, acknowledge and accept the Avonal pair, acknowledge and accept our Spiritual Teachers of Truth, namely Mary and Jesus, and more importantly, grow to love our Heavenly Parents, our true Mother and Father.

We do not need intermediaries, rituals, liturgy, dogmas, creeds, fancy clothing, or institutions. It is our soul based feelings and expressions that we may exchange directly with our Heavenly Parents. Groups may form to assist each other, and that is choice and within our free will.

**This is the greatest event in the history of humanity.**

This is the Great U-Turn that humanity will embrace throughout the next 1,000 years. MoC 1,480

# Divine Love

## The Gift that keeps Giving

*A general universal platform on how to experience Divine Love*

As more people become aware of the *Divine Love*, how to experience the Divine Love required a need to provide a general universal platform that is simple yet an effective way for one to experience *Divine Love*. People may learn about the availability of *Divine Love* by word of mouth or from reading literature that introduces this gift for our soul, and also by participating with group dynamics where the *Divine Love* is introduced and discussed. The essence of this standard platform is its independence so that the individual may feel guided to include this simple platform in their daily life and experience of *Divine Love*.

The platform introduced here is a technique that is simple, constant, practical and has been utilised in the general public for over twenty years with loving consistent results, accommodating participants and their diversity of belief and cultural background. This platform is a reliable place to begin with the experience of *Divine Love*. It needs to be confirmed that accepting *Divine Love* rests with our soul and heart and that to experience this Love will comfort one in their individual faith experience as we all aspire toward the greater reality of Love, Truth and Spirit.

### A Universal Platform on How to Experience the Divine Love:

Firstly, you are aware now that you can experience the *Divine Love*.

Find a comfortable chair; sit down in a relaxed and normal position.

Close your eyes and take three deep single breaths in through your nose and out through your mouth to clear energy and to relax into this experience. Have a little faith and proceed without great expectations.

Gently turn your inner heart and voice to the Soul, God in faith when you feel ready, ask the Soul, God with your own loving voice for an inflowing of *Divine Love*. Having asked sincerely, there is no need to continuously ask. The Soul, God hears sincere love in the asking and so The Spirit that brings the Love acts, and *Divine Love* is now flowing.

Having asked once, you will be receiving the *Divine Love*.

Proceed without expectation on what will happen as you experience the Love.

Sometimes your mind may wander – or there are thoughts, feelings or physical sensations. Experiencing the *Divine Love* is never a forceful experience.

Continue for as long as you feel you would like to. This may be for 5 minutes or 20 minutes or an hour. Time will vary for the needs of the individual or group.

Take another few deep breaths to assist your focus. Give our love to the Soul, God and in our own voice inwardly say this; Soul, God that you love this Soul and are grateful to receive this *Divine Love*.

Then when you feel ready, open your eyes and take another deep breath or two, and this closes the experience.

### Some helpful hints:

- This general universal platform on how to experience the *Divine Love* is uncomplicated. Some people have utilised this platform for over twenty years, never needing to change.
- The essence of this standard platform is to experience the *Divine Love* in a comfortable way, therefore this technique needs to be simple, effective and inclusive.
- Experiencing the *Divine Love* can be a long-term experience so to have a practical, simple, functional standard platform solves a lot of problems about *how* to experience the *Divine Love*.
- From this general platform people who like prayer or meditation, reflection, spirit communication, or just being *in* and *with* the Love can extend their experience from this standard position.
- Lastly, enjoy! And know that when a person is experiencing the *Divine Love* that one is in the tender care of the Soul God, and that no spirit interference will happen, for no spirit can interfere with the Sovereignty of *Divine Love*, which is God's Alone!
- Enjoy, Celebrate and Shine!

**The BEAUTIFUL MIRACLE:**

5 Oct 2012

**The DIVINE UNIVERSE**

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union complete. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other and one is living in the presence of the Father in perfect harmony and this clarifies the truth about what it means to be truly at-one with God.

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

## 'All There Is'

### **The LOVE is reintroduced with FEELING HEALING:**

The first page diagram outlines that everything is interconnected. Health of the soul brings about a healthy physical body, this cannot be separated.

The second diagram is Feeling Healing – Healing yourself through your Feelings.

The third diagram is a classic, namely embracing the Will of the Mother and Father:

- First half is drawn from Col James Churchward's reading of clay tablets that date back 70,000 years. It is an outline of the first religion.
- Then follows the commandment introduced by Jesus 2,000 years ago.
- Then follows the reintroduction of the teachings of Jesus relating to the availability of Divine Love, these teachings have now been reintroduced over the past 100 years. The availability of Divine Love was taught in the first century; however, very few records of such have survived from that time. Now, the teachings of embracing one's feeling healing and soul healing are here.

Diagram fourth is ten commandments with the additional one by Jesus as a Manifesto of Divine Love.

The fourth diagram is what the Love does – it is a substance.

The sixth diagram is an overview of all that proceeds.

The Prayer for Divine Love as was given to us from the first century. It is not the only such prayer.

Then the final diagram being a visual aid of how easy it is to ask for and receive the Love – everyday is a day of devotion. Then to embrace one's soul healing.

On the 31 May 1914, messages commenced to be received in a well organised and constructive manner with this first phase completing around 2017. The guidance and writings continue today. Over the past 103 years more than 10,000 pages of these teachings have been published. These works are coordinated and grow in detail and depth as we develop in our capacity to embrace the contents. The flow of material is anticipated to progressively increase in volume and in depth of detail as time goes on. The number of authors contributing now appears to exceed 1,000 in number and yet the work is so well structured that each successive set of material adds to the beauty and love that is shared in all that has preceded.

These diagrams embrace the essence and provide a summary to a body of knowledge that the world has never had available to it before. This time, in the history of humanity, is the most exciting time ever experienced. Enjoy and share as you please.

**Whilst we are receiving the Mother and Father's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Parents are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.**

## **Feeling Healing – Healing yourself through your feelings.**

- ✓ **Your feelings are the real and true you.**
- ✓ **If you are denying any feelings you are denying yourself.**
- ✓ **If you are denying yourself you can't ever be truly happy.**
- ✓ **To heal all your pain and suffering, you can look to your feelings for why you are feeling bad.**
- ✓ **If you want to know the truth of yourself, then it's your feelings you will need to look to.**
- ✓ **Your feelings hold the hidden keys to unlocking the truth of who you really are.**
- ✓ **Uncover the truth of yourself through your feelings and you will know why you feel all you do.**
- ✓ **Everything in life, why all that happens to you does, and everything about yourself, can be explained to you through your feelings.**
- ✓ **Why your relationships might not be as good as you would like, why some might fail, you will understand through your feelings.**
- ✓ **How to live a good, true, happy and loving life will come to you as you start paying attention to all your feelings.**
- ✓ **However you will also have to pay attention to all your bad feelings, and this can be very harrowing.**
- ✓ **By honouring – accepting and then expressing all the bad feelings you feel, you will slowly bring to light all the reasons why you don't feel good.**

**EMBRACING the WILL of our HEAVENLY MOTHER and FATHER:**

**Our Heavenly Parents are almighty, all powerful, infinite, and at all times loving.**

**The love of the Heavenly Parents for their children, woman and man, has been and is always infinite and ever present.**

**As one's faith in our Heavenly Parents evolves, man's love for his Heavenly Parents will have no limit.**

**As man grows in his love, so will man grow in his love for all of God's creations.**

**Approach the Source Soul, the Mother and Father, in reverence, without fear or trepidation, just as a child approaches his earthly parents knowing that open loving arms are extended to receive him at all times.**

**As one grows in his love of the Mother and Father, one becomes to know with certainty that God loves him or her in return, at all times, and that fear is an illusion created by man's mind.**

**By embracing the commandment provided in the 1<sup>st</sup> century, namely the first:**

**"This is my commandment, that ye love one another even as I have loved you."**

**Further, we are to embrace our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us. Living true to our feelings IS living true to God's Will.**

**Also as our soul development progresses, our self love grows which also enables us to step away from:**

**Any self harm that we may cause which also brings about consequences.**

**And to move along this path we simply develop our embracement of:**

**God's Divine Love; by praying for it, asking for it, and receiving it.**

**Longing for Truth and Divine Love we can embrace the will of the Father and achieve freedom from error and harmful ways, thus finding our way home!**

### Manifesto of Divine Love:

1. We love one another as Mary and Jesus, our spiritual parents, love us. And so we seek their Spirits of Truth.
2. Our all loving Heavenly Parents, our Mother and Father, we love and honour at all times.
3. We worship only our Mother and Father, God, and Creator of all things.
4. We treat our Creator's name with respect and love, and earnestly seek Their Divine Love, and at all times pray for It, ask for It, and receive It.
5. We set aside a regular day each week for Sabbath rest and worship of our Heavenly Parents, God, and seek Their Love so that we may grow closer to Their fountain head of Truth and Love.
6. We are to be as we feel, even if it's sinful, but in doing something that is not in alignment with God's Love and Truth will make us feel bad, that is provided we allow ourself to feel our bad feelings, and so we can then use our bad feelings to find out the truth of why we feel bad and why that thing we have done is bad. We embrace our Feeling Healing.
7. We strive to cause no harm to another, nor cause any harm to one's self. We do not do to others what we would not have them to do to us. We treat our fellow human beings and all living things, and the world in general with love, honesty, faithfulness and respect. Violence, at any times, is never justified. Golden Rule: that one must always honour another's will as one honours one's own.
8. At all times in our intimate relationships we strive to express and live true to all our feelings, all so we can use our feelings to uncover the truth they are trying to show. The truth of ourselves, of our relationships, and the truth of everything else, including God.
9. We do not covet or steal anything that does not belong to us. Honesty in all communications, actions, undertakings and activities in all facets of life is our rule of life.
10. In all that we do, we are to be truthful. We are non-judgemental, for none of us have the capacity or authority to judge another. We are always ready to forgive all wrongdoing.
11. We do not desire anything or anyone that does not belong to us. Comparing oneself to others and longing to have what they have leads to errors. We are to be content by focusing on the blessings our Heavenly Parents, who made us in Their soul's image, provides for us.

## ***DIVINE LOVE – what does it do?***

**Divine Love, which is a substance, progressively:**

**Transforms one's soul from that which is of natural love to that which is Divine**

**As natural love is enhanced with the Parent's Love, we reject our tendency to error**

**Divine Love, our Parent's Love, restrains errors, untruths and emotional stress**

**As we reject the condition to error, we develop our love for our brothers and sisters**

**Divine Love helps one with the discovery of truth through one's soul-feeling healing**

**Our natural intelligence grows, perceptions rise with our soul intelligent feelings**

**As Law of Compensation is resolved, the Love reduces returning to being in error**

**Receipt of Divine Love, the Parent's Love, grows our faith, we become God reliant**

**As our faith grows our propensity to undertake one's Feeling Healing strengthens**

**With the Love, our Feeling Healing becomes Soul Healing, this we are to undertake**

**Without the Love we remain self reliant and dependent upon our own will power**

**Only with the Love will our soul condition grow rapidly, all around us also benefit**

**The Love is the only substance that changes the human soul to that which is Divine**

**Only by asking and receiving Love do we become fitted to enter Celestial Heavens**

**Only by asking for and receiving the Divine Love does our soul become immortal.**

### **What is Divine Love?**

**It is the Divine Love of God, our Heavenly Parents, restored to all mankind by the births of Jesus and Mary.**

### **How do we get this Love?**

**By sincerely asking God, our Mother and Father, and receiving the Love that passes all understanding.**

### **What happens then?**

**We are born again in spirit and in truth, our soul opened to the Soul of God, our Heavenly Parents.**

### **What then do we know?**

**We know we are all children of God and want to pray always to our Heavenly Parents, always longing for Truth.**

### **What is the purpose of Feeling Healing?**

**We are to seek the truth of our feelings and unburden ourselves from our childhood repression and injuries.**

### **What of the world?**

**We are at peace in the world and fearless. In Divine Love and in Truth there is no fear.**

### **What else?**

**We are to strive to love everyone unconditionally as our Heavenly Parents and as Mary and Jesus love us.**

## **The Only Prayer That Man Need Offer to the Father:**

(as given within the first century)  
I am here, Jesus

**The Prayer for Divine Love**

2 Dec 1916

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

**P.438 Book of Truths through James Padgett / Jesus**

Let your prayer be as follows:

**Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.**

**That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.**

**We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.**

**Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.**

**Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.**

**Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.**

**We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.**

**We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.**

**Amen**

Note: The 'false teachers' are our parents, as they are also the 'evil ones'.  
Also, the evil ones, being those parts of one's mind, that are controlling you.

**VISUALISATION with LONGING:**

**Holy Spirit infusing Divine Love.**

**Progressive escalation of Divine Love flowing.**

**Visualise yourself as you were when young and with an empty bowl, and then thankfully ask the Mother and Father for Their Love – Their Divine Love:**

***"Please, Mother and Father, I want some more."***

**Longing for the Truth when also longing for Divine Love.**

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

**Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.**

The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and viruses cannot find any opportunity to unchain pathological reactions, which we commonly call illness.

But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Father's Grace.
