## PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about looking within oneself. Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Contents are not to be interpreted as an independent guide to self-healing. The information sourced herein is not from a doctor or doctors, and any information provided in this document should not be in lieu of consultation with your physician, doctor, or other health care professional. Pascas, nor anyone associated with this document, does not assume any responsibility whatsoever for the results of any application or use of any process, technique, compound or potion as described within this document.

**TEACHERS:**

4 August 2013

It is difficult to prove that this writing is actually inspired from spirit. Much writing that is done is quite repetitive and provides affirmation of God's presence and love. While this is desirable in the present climate, there are now many people who have a greater degree of confidence in their personal relationship and connection with Our (Mother and) Father. There is a deep need for messages which take people along to another step so that what they are learning and desiring is made more real and solid. This is adding much more practical material to aid aspirants to put their learning about Our (Mother and) Father and His Divine Love into practice in their daily lives. Personal prayer stimulates the condition and love of the individual and this then needs to be directed in ways that further the spread on the information about Divine Love in the world.

You will find that the general tenor of messages that are being communicated now and in the future will be of such a nature. This is necessary to anchor the vital information in individuals and in the human race on Earth and in the Spirit World. Until this great news is so anchored it remains at a similar level to other beliefs or theories and this is not enough to bring about the changes that will happen. Divine Love acts as an agent of spiritual changes that generalises to all aspects of life on Earth and beyond. It is a wonderful gift, the most wonderful gift, and it needs to be sensed in a practical manner. It is a spiritual gift that acts intensely at all levels of human life. It is not that Divine Love must be brought down to a more human level in order to be understood. It is that humans need to realise that everyone is capable of rising to the level where this gift is freely received into their beings. This elevation of the state of each being is done by personal effort aided by Divine Love and with the full support of the guides and others who are on what can be called the Divine Love Path.

When any person develops a desire to know about Divine Love and to have this enter into their soul, they immediately attract support from our ranks. These supporters draw close and then aid in leading the aspirant in directions where the necessary information and contacts will be found. As you know from your personal experience, your first contact was very important for you although you now choose not to follow that teacher. You will recall the many times when you sought our support for following him and we stood back allowing you to decide for yourself whether he was who he claimed to be. You made the correct decision as he is not as he claims. The process that he claims to have taken place with the reincarnation of a number of souls has not occurred. It is totally impossible and unnecessary for such an occurrence. However, your contact with him served you very well indeed and you now enjoy the company of others who have wisely made similar decisions. As I have said to you on a number of occasions, we are adept at using many situations and people to communicate in ways that attract the attention or lead one in the direction that best fits his desire. I have said that it is wise to pay heed to what is said without judgment of the speaker for many know what they say and many do. Very profound statements may be made by surprising people.

Your erstwhile teacher is not a false prophet in that he is not knowingly or unknowingly preaching untruth. His beliefs about himself are deeply in error and these beliefs do influence others who choose to believe them and to follow what he teaches largely because of who they think he is. What he teaches about Divine Love is essentially accurate although he does have some of his own embellishments. Some of the processes he teaches are in error. Those who have learned discretion and wisdom are able to refine the gold from the dross that obscures it. For you and many others he has served his purpose. His star is still rising so to speak and he will introduce many others to Divine Love and it is unfortunate that this will occur in the context of his personal aggrandisement. He has the support of many spirits who have a great desire for Jesus to return to Earth and are happy to foster this activity. Guard against

any activity that may lead to schisms in the ranks of those who desire to know Divine Love and to have it fill their souls.

To do this you need only to do all that you can to live in harmony with God's Laws to the best of your ability as your awareness increases.

I am Luke who speaks with you today. Go with our blessings and love.

# ENOUGH IS ENOUGH

Andon and Fonta, our first parents to long for our Heavenly Parents, lived nearly 1,000,000 years ago. Naïve humanity was seduced by high spirits, the Lucifer pair, to believe they could be gods through their minds, thus men subjected women to subordination 200,000 years ago. This was added to by the default of the Adamic pair more than 38,000 years ago when they failed in their mission.

## REBELLION & DEFAULT **200,000** YEARS

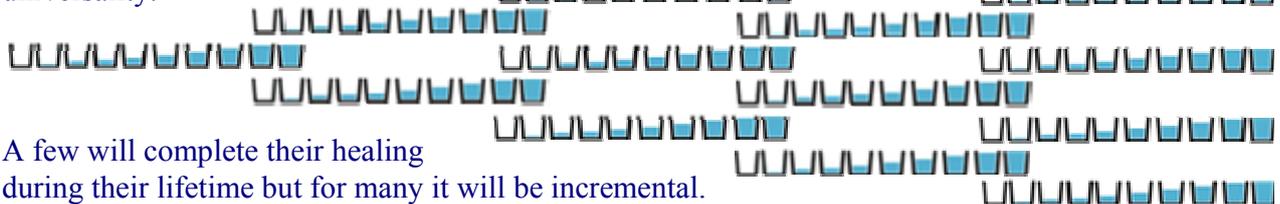

When Jesus with Mary achieved their full Regency of Nebadon, in 26 CE, they immediately had the Lucifer and Satan soulmate pairs assigned to a spirit world prison. Since then, the Creator Pair have been preparing for the end of the Rebellion and Default for humanity of Earth. The Avonal Pair now on Earth, once commencing their Healing, brought about the imprisonment of the Caligastia and Daligastia pairs in the early 1990s. As the Avonal Pair advanced with their Healing they brought about the formal end of the Rebellion and Default, on 31 January 2018. It is now for all of humanity to embrace the Spirits of Truth of the Avonal Pair and undertake their healing of the imposts of the Rebellion and Default.

## Avonal **AGE 1,000** YEARS

Spirits of Truth of the Avonal Pair will guide us through our Feeling Healing and into the Celestial Heavens with Divine Love, then the Spirits of Truth of the Creator Pair will lead us through the Celestial Heavens and out through Nebadon towards our Heavenly Mother and Father in Paradise.

Each generation of 25 years or so will see marginal embracement of Feeling Healing, however 1,000 years will achieve universality.

Universality of Feeling Healing with Divine Love will see the mitigation of discomfort, pain and illness as well as the imposts of global warming and earth changes. As those events are to ensure that each of us embrace our feelings, both good and bad, down to the very core, so that we fully come to know who we truly are. Sciences will endeavour to remove pain only to see disease manifest in different forms. Earth disturbances are a result of the Harmonic Convergence of the late 1980s, increasing the rotation of the Earth's central core, this will only abate when humanity has universally embraced Feeling Healing. These influences are only imposed upon us so that we do not step back into the Rebellion and Default through complacency. Live Feelings First. We are to become the true personalities we are, that being daughters and sons of our Heavenly Mother and Father.

### LOVE of the MOTHER and FATHER:

We mainly commence our journey of discovering our relationship with our Heavenly Parents, God, through the intermediary relationship of one of many religions and the even more numerous religious institutions. Frequently we have given our power and rights to an intermediary to intercede on our behalf. Our Mother and Father seeks to commune directly with us.

As we progress in our development and growth of love for our Mother and Father, our Creator and Source Soul, then we find a relationship and personal love for and with Them. This developing personal dependence on our Parents can and is supported by our religion teachers as well as by our never tiring spirit guides. Asking for, praying for and receiving the Parent's Love, Their Divine Love, which is always available for us, is the ultimate blessing that can only come about by the development of our own personal relationship with our Heavenly Parents.

As our soul develops and expands with the infusion of the Love, our relationship and love of Mother and Father develops into the beautiful joy and blessings that is there for us all. Our personal relationship and dependence becomes all embracing erasing our childhood developed intellectually based self dependence.

With the Parent's Love, and one's Feeling Healing, comes an ever growing loving life experience that is beyond words and expectations. The Love of the Parent's, with Feeling Healing, is the only gift that brings about forgiveness of our errors and fits us to enter the higher spheres well above those based on self reliance and natural love, the only love that we are blessed with at conception.

**Long for the Truth from God, the Truth your Heavenly Mother and Father will show you. This does come through to you via the Spirits of Truth of the Avonal Pair in relation to one's Feeling Healing and in relation to Divine Love from the Creator Pair, all from the Eternal Son and in league with the Infinite Daughter and the Divine Minister.**

### **CHARACTERISTICS of AUTHENTIC TEACHINGS and GUIDANCE:**

**At all times, teachings and guidance from Celestial Spirit personalities are loving. From those who reside within the Celestial Heavens, one will only receive loving assistance. As one progresses in their soul condition development, all vestiges of fear dissolve and fade away. Upon reaching the Celestial Heavens one no longer has any fear within their personality and being, thus only love can and is conveyed.**

**Even though the teachings of Divine Love commenced being written from 31 May 1914 and continue today, even though some 1,000 personalities have contributed to these writings spanning more than 100 years, even though subjects that commenced to be addressed in 1914 and may not have been supplemented, even some 80 years later, there are no contradictions within the guidance and teachings.**

**At no time do any of the writings instruct one on how to run their lives. No being who has entered into Oneness with God (entered the Celestial Heavens) can ever criticise or judge because these qualities are not possible for Our Heavenly Parents.**

**For a medium to receive high level spirit guidance from Celestial Spirits, such medium is to be open to and receiving Divine Love and undertaking their Feeling Healing. James Padgett who commenced the receiving of Divine Love teachings was encouraged to ask for, long for, and pray for the Divine Love for some time before high level spiritual writings commenced to be received by him. All of the on-following mediums had been embracing Divine Love before they commenced receiving teachings pertaining to Divine Love. Now Feeling Healing is embraced.**

**Natural love is the substance that one's soul is the essence of, perfecting one's natural love fits one to enter the 6<sup>th</sup> natural love sphere. It is the infusion of Divine Love with Feeling Healing that enables one's soul condition to progress further to the Celestial Heavens, commencing at the 8<sup>th</sup> sphere. Without Divine Love and Feeling Healing one's soul is not immortal.**

**The style of writing founded on Divine Love, as distinct from natural love, is clearly of a different flavour and nature. Thus, one can discern between the two easily. Further, even though the material content of the writings is distinctly new, one generally feels drawn to the contents and embraces the freedom of the new found knowledge with comfort and joy.**

**Automatic writing has been the most reliable way for a Celestial Personality to convey high level teachings. In this way the spirit personality takes control of the medium's brain and hand and writes the messages themselves. In this way they can also correct errors in transmission, should they occur. James Padgett received some 19,000 pages of automatic writings.**

**Finally, one can determine the level of truth of any writings by utilising kinesiology muscle testing in conjunction with Dr David R Hawkins' Map of Consciousness. Materials that are in some degree of truth will calibrate over 200 on the Map of Consciousness scale. The highest that a truth based on natural love can calibrate is 1,000, which is also the highest level within the 6<sup>th</sup> natural love sphere. Divine Love teachings typically calibrate over 1,000. The twelve volumes of writings provided by the Celestial Spirits over the period 31 May 1914 to 2017 typically calibrate between 1,480 and 1,500.**

**Enjoy the greatest gift to humanity, the Feeling Healing process with the Divine Love.**

## **Revelation 20: Reincarnation is an oriental doctrine**

<https://new-birth.net/samuels-messages/53-revelations/revelation-20-reincarnation-is-an-oriental-doctrine-nt75/>

(This message is referred to as Revelation 28 on page 75 in New Testament Revelations of Jesus of Nazareth) March 10th, 1955.

Received by Dr Samuels. Washington D.C.

I am here, Jesus.

I am here again to write you about a subject that has created interest among you, the Doctor and others, and that is the article on reincarnation. In the Padgett Messages, various communications dealt with the falsity and absurdity of this Oriental doctrine, which holds that the human soul can reincarnate from one fleshly body to others in succession over periods of time and that as a result the soul has an opportunity to lessen its desire to sin and thus finally achieve purification while in the flesh.

If you will examine the question a little more closely, you will see the impossibility of the soul in the spirit world to be reincarnated in the flesh for the reason that the soul, for this supposed phenomenon, would have to shed the spirit body in order to enter into a mortal body, since the soul is encased in a spirit body which is physical in nature but not of a gross material of what mortals call the material world, and that spirit body, which is the envelope and protector of the soul, is that which gives the soul its individuality as a conscious entity and remains with the soul so long as the soul lives. In the spirit world no spirit body has ever been deprived of its soul, and no spirit body thus hypothetically divested of its soul has ever died or been disintegrated, or has disappeared from its habitat, except as it advances from one sphere to another while making progress either to the sixth sphere of spiritual paradise or to the Celestial Heavens and Immortality (spheres 7 and upwards).

As far as is known today by us in the spirit world, the spirit, that is to say, the soul and its spirit body, may live for all Eternity, if God so requires it, even if it does not possess the consciousness of immortality through possession of Divine Love, and it will certainly continue to live throughout all Eternity – the soul and its indissoluble spirit body – if it does possess the Divine Love, Immortality and At-onement with the Father.

As soul cannot be taken from, or torn from – or in any other way deprived of – its spirit body, once it has come to the spirit world, it would be equally impossible for the spirit body to enter the human body of another human being, for only a soul without a spirit body can enter a human body, and on the death of this body, the soul manifests its spirit body. The doctrine of reincarnation is, therefore utterly without foundation, for it is impossible, let me repeat, for a soul with its spirit body to enter a human body to be born again in the flesh.

When a human being dies in the flesh, his soul has already achieved under ordinary circumstances the purpose of his creation, that is, individualization and the creation of receptacles for soul's, and in his spirit body, in size, shape, appearance and nature, is the complete creation without the envelope of flesh.

This soul appears in the spirit world laden with the inharmonies of its Earth life, but since it has the opportunity of eliminating these inharmonies and becoming a purified soul in the spirit world through the exercise of its will and moral force and repentance, or becoming a Divine Angel through prayer to the Father for His Divine Love and Mercy, transforming the soul into the very essence of the Father, it is therefore absolutely unnecessary for the soul to go back to the flesh for another chance to purify itself,

for the loving and merciful Heavenly Father had already provided a plan that would enable the soul – the real man – to attain purification, and here God showed Himself to be more merciful than He might have been had He decreed successive trials in the flesh for the process of purification, for man while thus seeking to purify his soul, would at the same time have to contend with the sinful influence of the flesh, and his ultimate purification would thus indefinitely be delayed or perhaps never accomplished until the very end of time. You can thus see that God has shown His Love for His created children by providing a way for them to be purged of their sins, while being free of baleful influences of the flesh, which would only hinder, and make more difficult, their tortuous progress toward purification.

As regards the sayings in the New Testament, the first thing is that I never had any thought of reincarnation when I asked my disciples, especially Peter, ["of whom do the people say, I am?"](#) for that question was formulated simply to have them state whether they considered me the Messiah, as some of them already did, although not in the spiritual sense or the exact understanding that I had brought immortality to Earth in my soul.

Again, you were right in thinking that I said: ["but I say unto you that it was one like Elijah is come."](#) – and not – "But I say unto you that Elijah is come," for I did refer to John the Baptist, who in his type of sermon and in his temperament, and even in his garb and food, was a throw back to Elijah, – but here the similarity ended, for each of these lived different lives, and are individual souls and are both living in the Celestial Heavens at the same time, and this is a physical impossibility with reincarnation, for, in this doctrine, if Elijah was John the Baptist, only one soul and only one spirit body would be involved.

The child born blind did not sin, nor did its parents, but suffered blindness because of the physical defect in his mother, which prevented the perfect development of the foetus in her womb, and thus this defect has prevented the perfect manifestation of God's work of creation. This defect is one of many to which the imperfect world of the flesh is subject, and it is for this reason that purification of the soul while in the flesh would be a task of countless centuries, and a punishment worse than the most evil hells of the spirit world in its duration. The quotation from Revelation, chapter 3, verse 12, ["He shall never more go out", referring to the "Temple of my God"](#) is an allusion of the soul possessing the Divine Love, to such a degree that immortality is a conscious possession, and its home is forever more the Celestial Heavens, although, the writer, himself, understood very little of this, and had in mind a purified soul, and not a Divine Soul, with its habitat in the sixth sphere.

Jesus of the Bible and Master of the Celestial Heavens

### **Is it JESUS or MARY TALKING THROUGH a MEDIUM?**

And the chatting / talking with Jesus is the same as we've told you, it's really 'on behalf of Jesus', it is one of the medium's band pretending to be Jesus, which really means the Celestial accessing Jesus' Spirit of Truth within himself (and only we Celestials can do this and are allowed to), and so then speaking 'as if he is Jesus'. It's the same thing as James feeling how close I am to Mary Magdalene in my 'feeling' when we are writing together, because as I said I work with her Spirit of Truth as I feel very close to it – very close to her. And she's said I can use it that way. So effectively, should it be necessary for me to do so, I could 'pretend' to be Mary speaking to people on Earth.

As you have possibly gathered, it's all highly organised as to what and when we can reveal to you. It's all set out in keeping with the Rebellion and Default limitations and then in keeping with the Mansion World levels and all the levels within them. It's all angelically controlled, so we slot in using our minds and be who we need to be to you and how we need to be and what we can say. So as you grow in truth through your Healing, moving progressively up through the levels, so we can come forward and progressively reveal more to you. So what is revealed and how it's presented to someone who's in their wrongness and not wanting to do their Healing, compared to someone wanting to do it and just starting out, compared to someone nearly finishing it, compared to someone who had finished it, might all be so different that you would think it was different spirits relating at each step, when it might be the same spirits. And really we don't change, it's you who changes, or refuses to change.

And added to that, we know how far someone will go in their spiritual progress throughout their Earth life, so part of our interaction with that person is in keeping with that level of progress. So we might say and do and be differently to different people, even though we're the same spirits, because each of those people have very different spiritual paths and levels they will reach.

So it's not as straightforward as one might think, which I know causes many misunderstandings, much confusion, even putting a lot of people off, however really until people are well into their Healing, it will all appear like everyone is working at it from opposite ends with no real synthesis or commonality involved. So you can look at it like say a Maypole, with everyone starting out on their separate ends, but the more you do your Healing, the closer you all come to the truth, which will allow the Spirits of Truth to then synthesis you all into what is needed for you to become Celestials. For by the time you are Celestial, then we're all on the same page so far as the Truth is concerned. But even though we Celestials are all living that same truth, how we might relate and start with people on Earth or the lower Mansion Worlds might make us sound and appear like we're all very different.

Nanna Beth, 3<sup>rd</sup> Celestial Heaven, 19 February 2018

**Note:** Jesus has only talked DIRECTLY to James Padgett and James Moncrief. Further, Mary Magdalene has only talked DIRECTLY with James Moncrief. Mary and Jesus are regents of 3.8 million physical worlds and their related spirit worlds. They are also finite – can only be in one place at any one time. Once that is understood, then it is only possible to have 'communications' via their Spirits of Truth in the manner outlined by Nanna Beth.

**SOUL, SPIRIT BODY and PERSONALITY remain TOGETHER – FOREVER!**

Natural love and Divine Love are as two loves.

Soul, Spirit Body, Personality stay together.

**Ascension Pathway:**

Our soul remains for ever attached to the spirit body and the personality, these two being created at the time of conception / incarnation. As our soul is imbedded within the spirit body and both having this unique personality, it is impossible to go through the incarnation process again. We never reincarnate.

We are born with natural love, until we ask for and receive Divine Love there is nothing of the Divine within us. When we add Divine Love to our being, only then do we become a complete being. Without Divine Love and Feeling Healing, we are finite, in as much as that while we continue in only our natural love we can only become the perfect man and that restricts our progression to the limits of the 6<sup>th</sup> natural sphere being the mortal domain of man.

**Strive to love others as I am to love myself**

**EACH SOUL PAIR is ONLY BESTOWED a PERSONALITY ONCE:**

notes by James Moncrief, 11 February 2017

In theory the soul could end its incarnation and begin another, the soul can do anything as the spirit body along with all the rest, including the physical body, are a creation of it. So if the soul chose to stop and start sometime else – why not... in theory.

However the whole thing about the soul is that the Mother and Father have bestowed upon it two unique personalities, and these personalities are what the soul is expressing continuously in Creation

once incarnation has taken place (the spirit body being part of the personality expression – an attribute of personality). And so for the soul to stop expressing its two halves as two distinct and separate personalities, it would mean those personalities would cease to exist; and then if the soul were to reincarnate, then the Mother and Father would have to bestow two more unique personalities on it.

But the trouble with this is that, we're told, They only bestow personality ONCE, so there's the rub, that is what disqualifies any notion of reincarnation being possible. Our Heavenly Parents have bestowed you as one unique individual personality of your soul, and you and your soulmate with his or her also unique individual personality, is not about to be extinguished forevermore just so you can complete the 'Wheel of Karma'.

Personality is the key to it; Personality in Creation, which is the experiential expression of the existential soul. And Personality, like the soul, is a constant, the essence of which is unchanging: I will forever be me, and once I get all the yuk and error out of me, then I'll be a pure and true me, and waiting to come back together with my other half, my pure and true soulmate.

**SOUL GROWTH UP THROUGH MANSION  
SPIRIT WORLD SPHERES:**

- A.** We all arrive into the 1<sup>st</sup> sphere before being drawn to where we are suited. Living on Earth is typical to living in the hells being the Planes of Disharmony. With one's natural love and mind dominance, one can pay their compensation being pain equivalent to the pain they have caused others and one's self. In this manner, one can progress through mind mansion worlds 1, 2, 4, and 6. With natural love only, one cannot progress beyond the 6<sup>th</sup> mind mansion sphere. The mind mansion worlds are self reliant experiences.
- B.** Should one embrace the Mother and Father's Divine Love while advancing within any of the natural love mind mansion worlds / spheres, then one will be draw to the 3<sup>rd</sup> Divine Love mansion world to commence their soul healing which is doing their feeling healing whilst longing for and receiving Divine Love. This process overrides the Law of Compensation as the soul healing is experiencing one's repressed childhood injuries and liberating one's soul will. Progression is through spheres 3, 5 and 7, and then into the Celestial Heavens. With the receiving of further Divine Love, one evolves even further.
- C.** Presently, we can embrace Divine Love here on Earth, on transitioning into the 1<sup>st</sup> spirit world, we will continue with our Feeling Healing while longing for Truth and the Divine Love and progress through worlds / spheres 3, 5, 7 and into the Celestial Heavens.
- D.** For those who do not embrace God, one can embrace their Feeling Healing and perfect their soul whilst paying their compensation and reach the 6<sup>th</sup> mansion world. With a perfected soul having also resolved their childhood repression, one may then embrace the Mother and Father's love and progress directly into the 7<sup>th</sup> Divine Love transitional sphere and then into the Celestial Heavens and onwards. This is how it was meant to be.

## **The Gabriel message from The Golden Leaf, Awareness of Divine Love Messages**

Received by Nicholas Arnold

Melbourne Australia

February 5th, 2008

I am here to present this important message to clarify the relationship between Mary Magdalene and Jesus being soulmates. This is an untruth that has been perpetuated and now my role is to shine the light on the truth to give clarity on this subject. If my tone sounds quite unique it is because I have not experienced a mortal incarnation and my form is as it has always been, ever since my creation by the Father. I do exist and I do know Jesus and I have helped in the service of the mortal realms although my own incarnation is my existence as a spirit and I will not ever incarnate as in the natural course of a mortal soul's life.

It has been revealed by Jesus in his teachings that a soul is duplex and has a soul-mate and that this soul-mate is the true counterpart of each other upon creation by the Father. This is correct. When Jesus' soul was created by the Father his soul was created as a unique and independent soul that did not have a duplex nature and so, his soul was not created to have an immediate counterpart. Although Jesus incarnated to commence his mortal life in the way in which all mortals do, his soul possessed within it a spirit bestowed into his soul, being the Spirit of Truth that was his counterpart and was given by the Father. The Spirit of Truth was also conferred upon Jesus to liberate this Spirit for all mankind and spirits alike to have access to the Spirit of Truth. The Spirit of Truth is more readily known as the Christ Spirit, or Christ Principle. The Spirit of Truth, the Christ Spirit is not the Divine Love of the Father and like the Holy Spirit has its distinct operations that work in accord to the Law of the Father upon which they were created for their function and purpose.

Jesus the soul and Celestial spirit can only be in one place at one time as he is finite, as all created souls are. However, the Spirit of Truth from Jesus on behalf of the Father can be in all places at all times. This is the same for the Holy Spirit and Divine Love for all souls in the mortal world and in all the Spheres can all receive the Divine Love by the workings of the Holy Spirit and also can participate with the attribute of the Spirit of Truth that activates a soul into learning about the perceptions when living with Divine Love. The Spirit of Truth also helps a soul to relate and understand the true nature of Jesus in context with the Father. An individual can receive the attribute of the Spirit of Truth however, only Jesus when on Earth was the living Christ and no mortal can become or take the place or assume the place of the living Christ for the Father only bestowed the Spirit of Truth as an attribute in the mortal soul of the beloved Jesus.

For Mary Magdalene to be the true soulmate of Jesus her soul would have the Spirit of Truth within it upon her creation from the Father. This would infer that her role was equally to teach and liberate the rebestowal of Divine Love to mankind as Jesus did. Mary did not; her soul was mortal and has its own counterpart and mortal soulmate that she is with now. Mary like all other mortal souls receives the Divine Love in the way that Jesus taught and has progressed into the Celestial Heavens through the workings of the New Birth and activity of Divine Love in her soul that she has received from the Father. The only two soulmates that were bestowed with the same spirit in their soul were the First Parents. They did not possess the Spirit of Truth within their soul, their spirit bestowed into their soul was unique and to act in the procreation of man and to teach Truths pertaining to the Father to establish a framework for mortal experience that was Father inclusive and to nurture and to guide these beginnings of life.

When Jesus experienced his mortal life he had a natural attraction for Mary Magdalene, however this relationship did not become anything more than this and remains this way to the present day and in the Celestial Heavens. Jesus, having a mortal personality and even though he was a beloved soul of the

Father, his natural personality in the due course of life was naturally attracted to other individuals in the way in which people are attracted to one another. Mary committed her life to following Jesus and loved him all the way and has never left this love behind. Mary has helped many in the Natural Spheres find the Father, however in her Celestial home she lives with her soulmate and although she visits with Jesus regularly they do not share a soul-mate union.

Thank you and this message is of great import so that the light of understanding prevails in the accord of Truth.

The spirit, Gabriel

**To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

**Golden Rule: that one must always honour another's will as one honours one's own.**

I've (James Moncrief) decided to ask Jesus if he would please comment on this message (above) from Nicholas (message dated February 5th, 2008). Nicholas is my brother (I changed my sir-name when I turned my back on my family when I started doing my Healing) and I've not seen him for about ten years now, he and I starting our spiritual path together but diverged just before I met Marion and became aware of having to do my Healing.

Jesus, sorry to disturb you, but can you please help me with some of things I don't understand in this message.

Yes James, and it's good to speak with you again. As I've told you before, yet I acknowledge your courtesy, you don't have to worry if you're disturbing Mary or I, we are always on hand to speak with you, and if we can't, will say so and get back to you as soon as possible. So anytime you want to speak with us, call us in your mind and you'll feel us respond.

Thank you, and yes I will, and yes it's been a while since we've spoken. First of all, I've gained access to some of Nicholas' messages from spirit, some of which I see are supposedly from you, so was it you, did you spend time helping Nicholas understand such things?

No James, it was a Celestial on behalf of me. Your brother wasn't wanting to know the truth of myself and the Healing, so I did not personally respond. It's been that way for some time since you started revealing such truths. I will not waste my time – to put it in terms you can relate to – by making the effort, for it does require significant effort from our side to deal with such truth-denying minds, coming to people who are not intent on living true. And especially now as things are changing with people reading your work, so even less will Mary and I have anything to do with anyone who – at least – is not intent on doing their Healing.

We stand by all we've told you in our 'messages' to you, so anything else that doesn't fit with them in general is now untruth, which we don't wish personally to participate in. Before our work with you, yes we did encourage certain individuals in their untruth with the Divine Love, including James Padgett, but that was with the explicit purpose of getting such important truths across to humanity as part of my promised Second Coming, the truths pertaining to the Divine Love, all so it would be readily available to you (and other people who wanted it) so you could take it and then come forward with what you are to reveal, and reveal by yourself, and with Mary and I.

So the 'Jesus' Nicholas and others like him are working with is once again one of the Celestials pretending to be you, all so they can help Nicholas or anyone else move along in their feeling-denial all under the guise of advancing their soul by having all their sins and errors transformed out of them by the Divine Love?

Yes, it has to be that way because that's how they want it, and we, as have spirits all through the ages, helped humanity further deny itself, either willingly as in this case with the Celestials, or unwilling as with most channels that are not directly involving the Divine Love.

As we've told you before, Mary and I didn't come to heal humanity, nor even to provide the way to do it. We came to end the Rebellion, which we did, and reveal the truth of the Divine Love, which I did again with James Padgett. That was all. And it was then for humanity to do what it liked with us and what we said, as people did when we were on Earth, certain people nailing me to the cross. And in that light, so humanity has continued to use all I and even some of what Mary said, to further their untruth and wrongness these past two thousand years, right up to and now including my work with James Padgett.

So the likes of your brother is still about advancing one's untruth in one's rebellious ways all to give the mind more control over one's feelings. And so because of that, spirits are more than willing to help because they want to help humanity, even if it seems like a bad thing to do – to help humanity become more evil. But that's only a matter of perspective. And when you understand it's the Mother and Father who wanted you to become evil, have helped evolve your evilness, and still are helping those people wanting to go that way, so it's not for the likes of us spirits who might know the truth to stand in your way and say no, you can't be like that, and for us to go against the desires of the Mother and Father – not even for Mary and I, and especially not Mary and I, for we are the example.

But now things are changing in that people have your work to hold up against the untruth, and so it's decision time in a big way: Do I continue in my wrongness; or do I at least embrace the notion of, and consider doing, my Healing, even if I can't as yet do it and I must wait until I'm spirit? At least one can understand the significance of it and want to do it.

So if you like, this is actually the true Judgement, that is spoken about in the Bible, that humanity is to be judged at the 'End of Time', which is now, meaning, the end of the Rebellion and Default. For although rebellion through default will continue as long as people in their wrongness continue, the high spirits that initiated it are no longer present in the spirit worlds encouraging humanity in that direction. So now it's an individual by individual decision as people wake up to the truth of it. And so far someone like your brother is refusing to embrace such a decision and so is continuing to write such messages as the one above.

What I'd say is it's a somewhat confused message and full of untruth?

Yes, because that's how he is himself – it can't be any other way. You're not going to get a higher true spirit come and override your mind, even if the person receiving the messages were an unconscious medium, telling you the 'real' truths about what's going on and what it's all about. There are laws against that, so the truths all have to be delivered relative to the receiving person on Earth. So if they are of a lower level of truth and confused in their understanding, and if a higher not confused spirit were wishing for some reason to communicate with them, such as myself with James Padgett, then the higher spirit has to honour the laws governing such communication and make the necessary adjustments so as the receiving person can receive the message in accordance with his or her level of truth of untruth. So as with Nicholas, part of this is a Celestial being able to pretend he is myself when he feels and thinks he is writing with me, it all being in keeping with the limitations imposed on the Celestial by Nicholas, which is really Nicholas' mind, his beliefs and what he chooses to think about himself – the light he sees himself in.

And so when you read his messages, you can see some truth in them but then there are things he said that for you are clearly untruth, and other things that are said in such a way as to annoy you, because you sense within them the untruth although it's not clearly disclosed, but you can sense it's there.

Yes, that is exactly how I feel so much of the time, and because of that I don't want to read them, even though as you say, there are some good amounts of truth and information in them I agree with. So do you know this Gabriel spirit he's writing with?

**No, and he has nothing to do with me.**

He did think (if I remember rightly) he thought he could speak with Gabriel the angel-

And it wasn't Gabriel or myself that he used to speak with, I will tell you that James. It was for him more a part of his mind making such things up. He did speak with numerous spirits but most of whom were not who he thought they were. As I said, because he was not going to embrace his Healing, this much being obvious to us when we were observing you both back then, so it wasn't necessary to try and convince him otherwise because he wasn't open to that, he didn't want to hear what the higher spirits would have wanted to tell him. And as not all Celestial spirits want to participate in humanity wanting to further its wrongness, so it's very specific work for those ones who do and are okay about it, to work with such limited channels because they have to impart so much untruth. It takes a lot for a spirit to say categorically that Mary and I are not soulmates when they know we are. However if one understands it's to benefit Nicholas and whomever might want to read his work and believe the same thing, all to help them move further along in their untruth, then such spirits are just as valuable and needed in such work as ones who will help people do their Healing and end their wrongness. And Nicholas has a band with him who are helping him move along as he wants to, all so that one day he will wake up and understand that he's not getting where he wants to go, that he's not as advanced or transformed as he believes he is, which is what you can see, and what has to eventually happen to everyone.

And in the meantime a huge volume of work by such 'Divine Love' channels is building up all to help confuse the new person to it all the more?

Yes, all as an expression of humanity's wrongness. And there has to be a substantial amount of untruth associated with the Divine Love, now that I have revealed what I did through Mr Padgett, just as there is a substantial amount of untruth associated with everything else Mary and I have done. It's part of the evilness, to keep you away from the truth of ourselves, from who we really are and what we're really about. The Lucifers rebelled directly against Mary and me, so everything on your world is really rebelling against us. So it has to be the same with my coming to James Padgett, which I knew would happen and even helped by not including anything directly about the Healing, suggesting and even saying that all you had to do was partake of the Divine Love and all your sins and errors would dissolve away.

**But it was hoped that people, as you yourself did, would reach a point when they questioned that truth, when they dared to question Jesus, all because they felt they weren't transforming anything because it was obvious their sins and errors weren't dissolving away even though they could feel they had received some Divine Love.**

Yes, well, by the looks of it, it's going to take some people a very long time to reach that point?

Yes, because they don't want to have to acknowledge they are going the wrong way, and particularly the longer they go deluding themselves, that they HAVE deluded themselves, they not wanting to look

foolish having to admit their mistake. And yet the further they go the more foolish they will feel, all of which will help them with their Healing.

So Jesus, so far as our actually commenting on this message by Nicholas-

There's no reason to, at least no reason for myself to. I'll will leave that up to you James. I will only reiterate what I've said all along to you, that Mary and I are soulmates, we truly are, and Mary is here with me now, and for all the reasons that you were writing yesterday. And yes, we are always 'plugged into' your thoughts and feelings so know always every thought and feeling you have. And it's a pleasure to us seeing and feeling how you and Marion are progressing, for we're just as 'plugged into' her too. So we always know what you're doing and where you are up to, and if there is anything we need to impart to either of you, we do, which you can sometimes detect James, and that's all just how it is, part of our relationship together and how it will always be.

So unless you want to ask me anything more specific, I will leave you... no?, okay, so goodbye to you James and we'll speak again soon; and everything with John is going perfectly, and we send you and Marion, John and Joseph – whom I will say we have had the pleasure of speaking with occasionally in person because he is intent on doing his Healing and has tried on and off through the years with it and does want to live true and know the highest truths, and Samantha whom we attend a lot in person helping her as she struggles to work through all her difficulties, our love. We love you all, Mary sends her love to you too, speak to you soon, goodbye now, Jesus.

Thank you Jesus and Mary.

Jesus, I thought that really all I'm doing is all what you and Mary want, isn't it? Even though I thought I was doing it all for the Mother and Father.

Yes James, it's what we all want. Another adjustment of your mind owing to your feelings becoming stronger within you.

So if I'm to lead everyone off down another false track furthering humanity's denial in a huge way, so be it, because so far I can't stop going along it.

Complete your Healing James, and then see what you feel about it.

My (James Moncrief) comments on Nicholas' message:

So if Jesus' revealed that all souls are duplex, yet his isn't, then why didn't he make a point of telling us that in the Padgett Messages, for surely it's a major difference between us. And if it were so, then what's the point of our trying to use Jesus' Spirit of Truth to help us, when within it there is nothing about having a soulmate relationship because he hasn't experienced one.

Jesus' Spirit of Truth is to help us with every aspect of our lives that we live that Jesus lived – on a feeling and truth level. Which means, Jesus lived certain experiences that gave rise to certain feelings all of which led him to uncover certain truths within himself, this all being contained within his Spirit of Truth. And we too are to live certain experiences which give rise to the same feelings Jesus experienced, all so we, like he did, can use our feelings to uncover the same truths he did, all whilst being assisted by his Spirit of Truth to do so.

And as a huge part of our life experience involves having relationships, so you would think most of Jesus' Spirit of Truth would be concerned with relationships; and so if he didn't have the most important relationship of all, one with a soulmate, then there's a huge part our relationship experience we'll not receive any help with from Jesus' Spirit of Truth. So why would the Mother and Father create Jesus to be so different from us, particularly when Jesus himself says he's our older brother, and not that different from us. So what really would be the point of Jesus having a Spirit of Truth if it can't help us in all aspects of our lives, helping us win the truth from all our feelings. That wouldn't be in keeping with it being in the spirit of truth.

The message says that the Spirit of Truth "helps a soul to relate and understand the true nature of Jesus in context with the Father", which I agree with; and so for me, has helped me understand that Jesus has a soulmate in Mary Magdalene as does the Father in the Mother. And yes, it would mean Mary has a Spirit of Truth, which is what I attribute to her, she and Jesus being soulmates. And so she is equal with Jesus in every respect; or, he is equal with her, only she didn't 'rise up into her true light' like Jesus did, because that would have interfered with the Rebellion too much. By Jesus (and Mary) coming, the Rebellion was interfered with enough – it was terminated!, but for Mary to stand up against the custom of the day with the man being the powerful one, and for Mary to have worked miracles and so on, too much interference would have occurred. So as it was, humanity could easily work Jesus and his miracles into its denial by spawning the Christian religions, and possibly we would have been able to also do that had Mary shown her true light, but that wasn't to be, so it wasn't part of our destiny, for reasons which I'm sure Mary and Jesus understand.

And one that comes to mind for myself would be, that it would have caused humanity even more grief than we've already got, so much more pain, all of which the Mother and Father don't want us to suffer. Perhaps that sort of double denial is for another rebellious world in the far off future?

~~~~~

Mary, having read the rest of Nicholas' message, I felt it only fair that you should be able to comment on it too.

Hello James, and yes I would like to, and it's a pleasure once again in being able to speak with you. It's been some time, and as Jesus said to you, we're more than happy how things are unfolding, all perfect of course as one would expect.

Hello Mary, and yes I can't tell you both how nice it is to 'feel your vibration', your light, and feel you reassuring me.

We understand James, it's a lot for you to have taken on, and having to stand firm in against such other writings by spirits such as this from your brother, however it's what you are to do in your life and it's only your mind that finds it difficult whereas your feelings are very firm and solid in what you believe and know to be true.

And so here I am again to say that Jesus is my soulmate, that I not with any other person or spirit, and I think you can feel from my light and all I've said to you over the years, that I am Jesus' equal in all that we do and say.

Yes Mary, I have no doubt about that, and it all feels so right when you're speaking with me.

Yes, as you can feel our light and our Spirits of Truth are more intensely with you, so if you were incorrect in what you were thinking and believing, then you'd feel that as you have done previously, questioning us about it and finding resolution within yourself.

Anyway James, it's still good that you are questioning and investigating such things as what your brother and other 'Divine Love' channels have written, wanting to know why there are such discrepancies and how it's all come about. And the more you question, the more Jesus and I can come forward, as it is with all the Celestials; and if you don't question, then you'll remain as you are with the Celestials complying with your limited intentions.

We spirits are not here to drive your spiritual growth, we don't want to do that, we only want to attend to our side of things, and even though many people would like to be driven, taken over and be told what to do, all because of how they were parented, still it's not what we do. You have to want to uncover the truth yourself through your own feelings and with your mind question when your feelings are alerting you to something not being right. And if your desire to be true is earnest, then your feelings will honour your wishes and they will make you feel something is not right. And it may only be a slight or subtle feeling to begin with, it might seem to be dancing around on the periphery of your inner self somewhere, but if you acknowledge such feelings, focusing on them and expressing them to see what truth they hold for you, then you will see and will be guided, just as you have been James, all the way. And because your brother doesn't want to be guided by his feelings, James, so he is using his mind and the spirit complying with his wishes, to seal himself further into his isolation and untruth. And as there is nothing you can do about that, it being what he wants, so there is nothing for you to do.

I understand that Mary, there is nothing, nothing I can do for anyone, that much I've been realising.

Nothing you can do, and Jesus and I are certainly not going to interfere, so as he doesn't want to reach out to me in the light of my being possibly Jesus' soulmate, as he doesn't want to go down that track, so he won't, and will say what he does about us. And one day he will have to address his fear of women, and so his fear of myself, because really he dreads your mother stepping in, who he is projecting onto myself, and taking over as she always did, thereby ruining that which he was enjoying. So by adhering to his mind he believes he can keep the little power he feels he has over his mother, so really his mother is standing in the way of his relationship with myself. He felt he had power over your father, so he has no problems relating to Jesus, but not so with me. And this would all come to light were he to do his

Healing; but in the meantime he will limit his soul growth; and that's what you have to accept, and if you don't and have bad feelings about that, then you know what to do with them.

Yes Mary, thank you.

And before I go, I too want to say that things are in the process of change, both for yourself and Marion, which you understand, and for humanity, although most of those changes it will resist and fight against. However such changes are inevitable, some of which some people can see, even though they don't like what they see, but it's time humanity to start to deal with its evilness, it can't keep going on getting worse and worse because the results would be too dire and are unnecessary. So time is now coming whereby the introduction of the truth about the Healing will need to take place, and that as it is, will be a good thing.

And as that is all I will say, I will go now. I will also speak to you soon James, as we can see there will be more you will want to speak to us about soon. So until then, we love you and Marion both very much, she is doing very well, and all her problems and difficulties will soon come to an end, as will yours.

Goodbye now James – Mary Magdalene, Jesus' beloved soulmate and equal.

Thank You Mary, goodbye.

**Marion and James Moncrief appear to be hot wired to Jesus and Mary Magdalene!**

## The true soulmate of Jesus.

Melbourne Australia, Received by Nicholas Arnold.

## The Golden Leaf

February 11th, 2008

(me, being James Moncrief – 30 December 2016: I'm going to add my bits within the message in blue. Where I haven't responded or where Mary or Jesus haven't, it's mostly because I agree with what Nicholas, James Reid or Judas has said, or it's just too much that I disagree with or don't understand to even bother.)

I am here to present a message to shed light on Jesus' relationship with the Father. The perfect soulmate for Jesus is the Father. (me: It's not a soulmate relationship. Sure it's a perfect relationship but it has nothing to do with soulmates. The Father isn't Jesus' soulmate and I can't imagine Jesus saying He is. Jesus: No, James, I wouldn't say such a thing because it's not true. A soulmate relationship is with someone who is of the same soul as you are, your 'other half', so it can't be with a soul that is not your soul, and my soul is not the Father's Soul. And it's a very bad way to illustrate a certain point, it should be said in another way and without the involvement of soulmate.) The Father created the soul Jesus, without a soulmate which differs to the way the Father creates all souls that are to become mortal once their incarnation on Earth has transpired – this teaching is entirely consistent with the work that was conveyed through James Padgett. (me: Did Jesus say in the Padgett Messages – PM – that he didn't have a soulmate, whereas we all do? I can't remember exactly however I'm sure I would have remembered such an important detail as that. And just because Jesus didn't say he had a soulmate doesn't mean he doesn't have one, he just didn't say he did or did not.) All mortal souls are created in the image and potential to be at-one with their soulmate in Divine Love. What was not revealed in the work with James Padgett is that it is in the Father that all of Jesus' soulful needs are met. (me: And again, how can the Father provide all Jesus' soulmate needs when as Jesus said, it's only your other half from your own soul that can provide all your soulmate needs. It doesn't make any sense what Nicholas is saying. And why would such spirits say such things – god only knows, that too I don't really understand only that it's in keeping with Nicholas wanting to believe certain things, and the spirits are complying with the wishes and limitations of his mind.)

Jesus is so close to the Father and in the Father's Love the soul of Jesus abides and this is very evident when one has the pleasure of meeting with him.

Jesus has his own residence well in the Sphere that is well into the Celestial Heavens, and it is from here that he moves throughout the Spheres to teach and introduce the Divine Love of the Father. (Jesus: This also, James, is not quite right. I don't move through Nebadon teaching and introducing the Divine Love. It's mostly the Avonal pairs that reveal and then make available the Divine Love to each of the individual worlds. As you know, I've only done it with Urantia. And neither Mary nor I interfere with that. We do on occasion help individuals understand more about the Mother and Father, for all we are is all about carrying the light of such truth, however it's all on a person to person basis when needed – we don't hold classes or any sort of formal lecture series. And each of the parts we reveal and teach is always adding to what has gone before, but compared to the bulk of teaching that goes on by the real teachers in spirit and other mortal spirits to mortal spirits, it's very little.) Jesus is not the Father although in his soul he is so at-one with the Father and in the Father's Soul and Love, Jesus receives all that is necessary for his spirit life and purpose and progression. Jesus knows more than any other living soul about the Divine Love and Its workings in the soul and he is still receiving this Love and learning about the Father that he and we all love and share in. There is an element within Jesus' soul that responds so comprehensively to the Father and this commitment fulfils his soul and he stands alone as a mortal soul in this Truth and way. Once again, it becomes very clear when one works along side him

that there stands no other and to no other mortal soul is he committed to in the way of a soulmate and like other mortals are. (me: Except Mary.)

It has been previously mentioned in this work of awareness of Divine Love, that he is entirely approachable and he is, and one can feel the presence of the Father Eternal with him and this presence is always very well received by those who have commenced their New Birth with the Inflowings of Divine Love. (Jesus: James you might like to mention here, the so-called New Birth really only begins when people start doing their Healing as you've revealed and we've spoken about. Technically it does begin upon receipt of the Divine Love, because within the Love is the potential of all that the New Birth will bring, as you will be as a new person as if you've even had a 'new birth' once you are fully healed and of Celestial truth, however in practice, it's not until you start your Healing does the inner transformation begin.) We all know that he knows more than we know and he holds no secrets when teaching. If a spirit asks a question, he will try to provide the most appropriate answer so that the inquiring soul can learn more about their own personalised relationship with the Father. Jesus knows that the more Divine Love is known and related matters concerning is known to others, then the Father is more widely known and this makes him happy. (Jesus: Yes it does make Mary and I very happy.)

Jesus in his spirit body is a glorious Celestial sight and he will never incarnate into the mortal flesh again. Those who believe such a thing possible and those who believe an individual who believes such a thing possible are in error to the teachings of Jesus, for as he taught, once a soul is confined within its spirit body, it is impossible for that soul in a spirit body to incarnate again. (Jesus: The soul is not 'confined' within the spirit body for the soul 'makes' the spirit body and keeps it 'alive and functioning' for as long as it needs it; however the rest of the message is true in that Mary and I will never again incarnate into flesh. We will as we've told you, visit Earth in the far distant future, and numerous times via the morontial temple, however humanity has to first fully heal itself for the temple to be earthed.) Important in this is love, and many people like to know that in their future they may meet up and see loved ones, who live as spirits and this happens. The personality of an individual is always retained to the soul and the spirit body reflects this personality and love.

In the Father's Soul in the Divine Love of the Father, Jesus is at-one and this Truth is known throughout all Divine Love Spheres and he continues to help souls learn and become aware of Divine Love so that each may enjoy the Father's Soul.

Thank you for this opportunity to convey this message of Love,  
Your friend and Celestial teacher, Elias

**Release one's pain through expressing one's feelings.**

**Longing for the Truth when also longing for Divine Love.**

**JESUS ON COMMUNICATIONS:**

14 January 2017

*Jesus?*

Yes James, I am here.

*Thank you for answering my call. And I assume you are aware of what's in my mind as to why I've called? You've told me how it's not you in person speaking with these other people that claim to be speaking with you, and that you've appointed Celestial spirits to talk on your behalf, even pretending to be you, but still I feel there is more to it that I don't understand. So would you please be so kind as to go over it again with me.*

Certainly James, I'd love to. And first you understand that as you progress in your truth and corresponding mind levels, so Mary and I are able to reveal more to you, and in a way, 'come closer to you'. Which is really the same for these other people. So because they are not doing their Healing as you and Marion are, so are not growing in truth, so we have to honour their desire to remain within their negative unloving mind structures and beliefs, which is why it's not Mary and I speaking personally and directly with them. Because if it were, then we'd actually be interfering with their wrongness, something neither of us wish to do.

*Okay, I understand that, I can relate to that, but what about people who are doing their Healing, does that mean everyone who is doing their Healing that wants to speak with you both, can?*

No, because then a different set of parameters come into play. In theory the answer would be yes, and the more so as people or spirits Heal themselves as you and Marion are doing. However it becomes physically impossible for Mary and I to attend personally to everyone, and as you can imagine, everyone in Nebadon wants to meet us and have us be with them in one way or another.

And so as you understand, this is where our Spirits of Truth come into play. They being 'ourselves' but more like the spirit of ourselves, who is able to be with everyone at the same time. And so when you truly embrace longing for the truth and looking for it through your feelings, you will have access to our Spirits of Truth. And so it's then through our Spirits of Truth that people can think they are speaking directly with us. So in a way they are, but just not face to face. And the process is facilitated by a mind circuit of the Divine Minister in conjunction with the persons Indwelling Spirit. And so it can seem like Mary and I are actually there with you in person, or that we are speaking from afar to you, and everything in between depending on the needs of your soul.

*Alright, that makes sense; so why doesn't that then happen with people who are not doing their Healing? I know the answer but I'd like you to please give me yours.*

Because such people are not wanting the truth, so our Spirits of Truth can't properly, or – truly, interact with them, and so neither will their Indwelling Spirit participate in such an experience. And so because these people (and there are mind spirits as well who 'channel') want to speak directly with Mary or I, so we have established a Celestial band to oversee such proceedings, that which I've told you of, that which incorporates enabling such spirits to pretend to be us, all in keeping with the soul needs of the individuals concerned; which is about using us to further their untruth because they still want to evolve and progress in their untruth.

And if they weren't wanting to use Mary and I – the Truth – in this way, then we'd never dream of doing such a thing. However it's become necessary because people and mind spirits want it, and we

along with the Mother and Father, will do what we can, again within certain parameters, to further one's wrongness. And as strange as that might seem coming from myself, it's true. And it's what we've done all the way along, even by our coming to Earth knowing that our coming would create untold problems along with masses of new opportunities for people and mind spirits to evolve their evilness, that which you are all currently living under and within the results of.

As you understand, Mary and I didn't come to Earth or to James Padgett to completely end the Rebellion and Default in everyone, we only stopped the main Evil Spirits from interfering anymore. But as for our non-interventionist stance, so you can see for yourselves the result of that, with the advent of the Christian religions, all of which in subtle ways we even helped to facilitate, all so humanity could further 'outwork', as you say, their rebellion and default.

*Yes I see, well that makes it clearer, thank you. I'll think about it for a moment and see if there are any other holes I need plugging. So how does one of the Celestials who is pretending to be you, do so convincingly?*

They have access to our Spirits of Truth, so it's nothing for them to 'tap into' it and so 'be us'. They can easily 'be us' adjusting to the needs of the person or spirit, and so much so, that the person or spirit will completely believe and think they are working personally with us. And it won't be until they start to do their Healing and grow in truth that they will question oddities that would become apparent in the proceedings based on bad feelings that would come up for them, just as you have done, which would then, should they want to explore such bad feelings, lead them into questioning 'Jesus' and so the spirit pretending to be us. And if they were to continue with their Healing, the truth that would come to light through their feelings would in the end cause them to dispense with their 'Jesus' understanding it wasn't all they thought it was, even then picking up on and connecting with the 'new Jesus' coming as a result of working with our Spirits of Truth.

*So that's what Al Fike and Nicholas would go through, something like that?*

Yes. Which would be a humbling experience for them, and one would assume would also involve lots of bad feelings, all of which they could then use to truly advance themselves. So like everything you do that is wrong, once the light starts to be shone on it, all the bad feelings generated can then be put to good use to further advance your soul. So all that is bad in the end turns into being good, but still, to fully embrace those humiliating bad feelings and having to admit you were wrong, doesn't feel very good, as you know yourself.

*Yeah, terrible. God it's all so embarrassing, and then having put it all out there and feeling like such a fool, stupid, such an idiot; however as you say Jesus, in the end it doesn't really matter because we're all the same, and it's all just part of what we have to go through, and even though it might technically be wrong and not you yourself these people are speaking with, still some of what they say is good and helpful, it's not all a waste of time.*

Exactly James, which you understand within yourself the more you Heal and accept yourself, for so too are you able to accept and see the good in the bad of others, or see the good that will one day eventuate from the bad, which is how Mary and I look at it; which is how we are able to help humanity further its wrongness, knowing that when people come to do their Healing, all the bad will go leaving only good. With that good even having to come through or out of the bad for you all, because that's how our Mother and Father have designed it for you. It is what They want, and so that's what we all do.

*So what you're saying Jesus sure turns it all around, and is nothing like how we've been made to see it.*

It can't be James, for how can it be when it's all wrong how you are. You can't see the right being wrong, you can only see the wrong, so that's why it's vital that you stay focused on the wrong, as in all the bad feelings you feel, expressing them and seeking their truth. For as truth comes then you can see the right in the wrong, as you yourself change from being wrong to being right.

*Alright Jesus, I'll think more about it, thank you, but I think you've given me the picture I was looking for, now I get it. And it's not that hard after all, quite obvious really once it's been pointed out.*

Like so many things James, which you can't see because you're not in a condition to see it. But when you are, then as you say, it seems obvious. But it's getting into that condition, that's the hard part.

*Yes. Thank you again Jesus.*

All the best James. And I will add before I go, although Mary and I have said we are not personally attending to people on Earth and in the Mansion Worlds, that we are only writing to you, that has changed too, as we will personally be with certain people for various reasons, however only a few. It was important for us to say that we were only going to be with you because of what you needed to go through, and at that time it was true, but as you no longer need that to be true, having moved on within yourself to other areas of importance, so we'll modify what we said to you about that, as we did the other day saying we have been with Joseph, as we have with everyone who is now taking an interest in your work and seriously considering doing their Healing. It has been important and necessary for Mary and I to 'add our light' so to speak, to those people involved, just as we will continue to do so for some time yet. Things are beginning to significantly change on all levels to do with humanity, and so we through our light are a part of that.

*And Jesus, that made me think, am I really speaking 'face to face' with you, or am I too merely utilising your Spirits of Truth?*

What do you feel James? And you feel it's face to face as you say, and it is, for as we've told you before, there is a special circuit that links us with you and Marion, so Mary and I are constantly in tune with you, knowing what you are doing, feeling and thinking, and we can have direct access to your minds and feeling systems whenever we need. So although we are not actually standing face-to-face with you, we in spirit and you on Earth, and as we are in all different parts of Nebadon when we talk to you, it's with this spirit-link, or what you might call a light-link, which is even more than that, a soul-link in a way, that keeps us personally connected as if we were right there with you. Anyway I can talk more about that with you if you like, but I'll leave it there for now.

Mary and I love you both very much, and through this 'link' or connection, we are 'with you' all the time. So until we speak like this again... Jesus.

**The DIVINE UNIVERSE:**226. *Jesus introduces the next part of this work – Soulmate*

8 January 2013

As I have previously stated, I along with Saleeba will guide and orchestrate proceedings on this side so that all goes well in the delivery of these spirit communications (The Divine Universe messages) that are now to be conveyed to you.

I can see that you are asking me if Saleeba is my soulmate and Saleeba is not my soulmate, though she is deeply touched by your question. (me: I don't understand how Nicholas can be asking if Saleeba is Jesus' soulmate when in 2008, in the message above, he declared Jesus doesn't have a soulmate. Unless he's just saying it to see what Jesus will say so as to elicit more from him about him not having one.) The Soul of the Father is my soulmate and Eternal companion. There is no other mortal personality that is connected into my life as being the other half or attribute of my soul. Humanity in all its entire experience is also my soulmate. (me: No, this is another statement I don't understand, for how can humanity be a soulmate to anyone. I can sort of and at a stretch understand it speaking symbolically or whatever, but still, I don't see the point as it's so misleading and could give people the wrong impression – those people who want direct and sincere truth and no beating about the bush.) I serve humanity and by doing this I serve my Heavenly Father and together in this service, we teach, love and help the individual. Saleeba is with her companion here in the Celestial Heaven, though she has not written to you on this subject of her true love and Celestial companionship. I stipulate again that The Father is my soulmate though I am not equal with the Father. (me: Which just doesn't make sense.) I continue my progression like all other individuals do in the harmony, the Immortal harmony of the Father's Divine Love. In my forming from the First Source, I was not formed with another part to my being soul, as has been described to you in previous works on how soulmates are formed. I need to say that I am without an equal mortal or Immortal companion. It displeases me when people contrive all manner of relationships that I am supposedly to have had. I am not equal with the Soul God and for this matter no mortal or Immortal soul will ever be equal with the Soul God, for the First Source remains unequalled without ever having to justify this Eternal position to a mortal or Immortal personality. (me: Okay, so Jesus says he's not equal with the Soul God, but also says the Soul God is his soulmate?? How can you take any of it seriously when it's almost gobbledegook.)

When one experiences the Divine Love and through the workings of this Love progresses into the necessary rapport with the Love and Its workings, one is revealed to their soul that God is without equal, for no finite personality has the control or can ever take control of the activity that is God's Divine Love and so, the First Source can never be controlled by or dictated to by any other finite or universal personality. The First Parents found out this universal truth the hard way. (Jesus: and by the way James, this is not me speaking to your brother for I'd never put what he's trying to say in that way. And the same in the next paragraph, it's all trying to have power using the mind, something I would never do.)

I have formed close relationships with individuals especially with those who work and serve along side me as we establish the universality of God, the Soul of God, of God's Divine Love and the Spirit that convey the Love into the soul, and the awareness of all that the experience of the Immortal Love provides to the individual.

I still see my mother and father, my immediate family and my relatives as they are all living close to me in the Celestial Heaven. (Jesus: This is not true, I've not seen them in a long time. We have no need to speak to each other, nor do I see many of my disciples, men or women, for most of them have moved on

through Nebadon moving closer to the Mother and Father. If anything, Mary and I now have far more to do with newly arrived Celestials than ones who completed their Healing shortly after our deaths on Earth. Very few of the 'old guard' remain serving in the lower spheres of the Celestial Heavens. They have honoured the call of their soul to move on, for you are all to ascend to Paradise, to say goodbye to Mary and I, and even though we are sad to see such loved ones go, still we are very happy because it means we have fulfilled our role doing what our Mother and Father want us to do.) They know my place and service in my universal standing. I see and work along side those who lived closely with me in my human life and all together we serve the Father by establishing the universal awareness and potential of the Immortal Love and teaching those who have accepted their life in this Immortal Love. (Jesus: As I said, it's not a big happy family and we will always be working closer for the redemption of mankind. It's not like that at all. Mary and I have countless highly personal relationships with all sorts of beings in Nebadon and many mortals from all the worlds, and many more coming and going all the time as they ascend through our universe. We are not only concerned with Earth. Earth was a big deal for us, but now it's minor, we've given over to others resuming our more rightful place in Nebadon. And so much so, that most of the spirits in future coming from Earth into the Celestial spheres will not see Mary and I in person. Everyone will of course know of us, and will be able to observe and listen to us as there are ways for us to reach everyone, but it won't be all face-to-face.)

I know that many people would like me to be many things and want me to be in many places and images of comfort to them, which I whole-heartedly understand. A love for me is born from the greater need of one's soul to love and feel one being Loved personally by the same Father who Loves me. If one can love me by loving the Soul, God, and immersing oneself in prayer to the Soul God for the Divine Love, (Jesus: Also I wouldn't keep referring to the Father as Soul God, if I used that term, or any like it, I would use it very sparingly and only to illustrate a specific point – I wouldn't be so impersonal.) then shall the truth of my life in all its truth, liberate and love one in their faith whilst the Father Loves one in their soul. When one experiences the Love, then, shall one know not only the Immortal Love but the Immortal living Truth with regard to the purpose and meaning of my life. (Jesus: Only as one does their Healing and fully embraces Mary and myself as one – as soulmates.) In this living faith in Divine Love one will be able to know see and feel that I am living, living in the same Divine Love that one in their faith has whole heartedly accepted and experienced.

Only God has the capacity to love us all equally and personally that fulfils the heart soul and mind and, a perfect loving that fulfils the need of individuality. There are those on Earth, who by them selves have accepted and embraced the Divine Love that I speak of and are living in their Immortality as I write this.

Experiencing God's Divine Love is a simple thing to do. That is why my teaching about this Love is universal and can be understood by every living heart and soul whether one is living on earth or in the natural spirit world.

Well my friends, I have enjoyed writing with you again. Let us all continue in this good work bringing to light the awareness of the Divine Love.

Jesus of the Celestial Heaven (me: So Jesus, if it's not you, who is Nicholas speaking with? Jesus: Himself James, it's all part of his work within his own mind with smatterings coming from some of the spirits attending him.)

**SPIRIT MANSION WORLDS are numbered 1 to 7:**

To PARADISE, the HOME of OUR HEAVENLY PARENTS

Spirit Mansion Worlds are those 1 – 7. They with the Celestial Heaven spheres numbered 8, 9, 10 as well as the 2 Spheres of Disharmony are all within the Earth’s environment, and rather close by. Each sphere can accommodate more than 100 times the people than Earth may do.

Divine Love perfects one’s natural love soul through the progression via spirit world spheres 3, 5, and 7. Soul-Healing and At-onement is achieved through the progression into sphere 8 which is the first of the Celestial Heaven spheres namely 8, 9, and 10.

One can embrace Divine Love at any time and move to DL sphere 3 and continue.

The Divine Love spheres 3, 5, 7, 8, 9, and 10 were opened by Jesus.

Earth is for the individualisation of souls being the commencements of one’s journey home toward the Source Soul.

The 2 Planes of Disharmony are the hells. While one desires to cause harm to others, isolation is applied. Once the Law of Compensation is completed then one can then progress and return to the 1<sup>st</sup> Natural Love sphere and continue in their progression onto higher spheres.

The Pre-Incarnational Sphere is the waiting area for souls to be individualised / incarnated.

There are seven Earth planes around Earth, which are separate from the Mansion Worlds, but we only have access to two of them, which include the ‘hells’. Each of the Mansion Worlds also have their own seven planes ‘around’ them.

Note: The 1<sup>st</sup> Divine Love Sphere and the 1<sup>st</sup> Sphere of Disharmony may simply be planes within the 1<sup>st</sup> Natural Love Spirit World.

**RICHARD MESSAGES:****MESSAGES from the CELESTIAL HEAVENS:****Mary of Magdalene Speaks of Her Life.**

15 October 2013

*Good morning dear friends. I have just been speaking with JD and he suggests that Mary of Magdalene desires to speak with me about her life on Earth and her present situation. Is this so?*

Yes it is so indeed. I am here, Mary who is known as Mary Magdalene. I was drawn to your group and am interested in what you are doing. I have lived in the Celestial Realms for a long time now. This is not surprising considering my close association with Jesus and all who worked around him in his time on Earth. There has been much written about these times much of it with little foundation and much with a lot of imagination. At the time when we lived very little was recorded of the normal activity of the people with the main records being official religious, civil and military records. The great majority of the population was illiterate so there was little purpose in or need for the circulation of written records. The great majority of those of us who lived around and were associated with Jesus in his life were essentially uneducated other in the skills that we needed for our daily living and communication. (Mary Magdalene: No James, it's not myself speaking with James Reid. It was another spirit standing in for me as we've explained to you, so James could feel happy about 'putting me in my place', that which was in keeping with his mind and latest beliefs when he received this message. Some of what is said is true, concerning the times and how people were, but little specifically about myself as I will point out below.)

Records that were written were recorded much later when it became apparent that some form of record was needed in order to sustain memory and to circulate the knowledge of what had been taught. Until that time all teaching was purely by word of mouth from person to person and with quite small groups.

This meant that spread was slow and a lot of variation crept into the teaching. As has transpired over the years (Mary: *And still is!*), the very essence of the Master's teachings, the knowledge of Divine Love, became lost. There were many reasons for this. Perhaps the main one was that very few of those who became known as the Disciples really understood what had been taught. Some had a greater grasp than others.

This was a time when women were generally regarded as having rather less significance and importance than men and were treated in this way in society (Mary: *And this is very important and the crux of all humanity's woes*). In many ways this was strange as women actually held great power and influence as our society was essentially matriarchal (Mary: *That of the Jews*). As is so often the case, even in today's world, this truth became secondary to the more important business of religion, politics and business in all of which women played virtually insignificant roles.

The groups that surrounded Jesus was most unusual in that there grew to be a respect and consideration of women and their contribution to society overall (Mary: *Yes, and it was wonderful to be with such people at this time, it was so liberating, even though we women still had to maintain our rightful places – we couldn't usurp the men, for it was men who were always going to 'spread the word', they had to always feel they were the more important ones, not us women, and all so most of the truth would be lost mind you, the men did a good job of ensuring that, but still, that was the way of it back then, and nothing has really changed. And it won't change until women – and men – take the truths of the Healing into their lives and live it, living true to their feelings, then the truths will never be lost again, then they will*

become the 'living truths'. It will be women who understand the sacredness of their feelings, for within feelings is contained truth – and that will start the spiritual revolution of mankind.) This came about because of the love that the Master manifested and communicated to the others. This attitude grew only slowly in the male members of the support group which was quite large considering the times (Mary: Yes, we women quickly grasped the essence of Jesus, and I helped the other women understand the finer points – the ones sincerely interested in the Truth). Not only was it quite a large group but it was mainly women. This is not generally known or recorded. Historical records speak of twelve disciples (Mary: Because it was twelve men, however there should also have been twelve women, the soulmates of those men, but that couldn't happen because everyone was living in rebellion against the truth. It was supposed to be a soul-group, representative of soul-groups in the Celestial heavens. ) and it is never clear just how this number was arrived at. History is full of such inaccuracies that have become enshrined as fact. The twelve who are recorded are all male and this is not too surprising considering the times in which we lived. One of the main planks of the teaching of the Master was about the equality of men and women in the eyes of God. As you can imagine this was received much better by women than men who had grown with the very strong belief in their superiority in most things – probably everything actually.

Those of the group who were exposed to Jesus' teachings who grasped the truth of his message most fully were the women (Mary: Yes, because of my influence. I could work more privately and intimately with them, as they were going to be the ones who led in looking to their feelings for their truth when the time (in spirit) would come for them to begin their Healing in earnest). That the message had to do with love in its basis was very significant to the women who had a deeper understanding of the presence and the value of love. Many of us also had the deeper feeling or understanding that He spoke of a very different type of love that actually had a transformative power. (Mary: Yes, because he spoke openly and directly about the Divine Love, just as he did to Mr. Padgett. The truth of the Divine Love wasn't kept hidden, it was out there in the open just as it is today, so it goes to show you how much work was done to cover it up and 'lose' it.) Women were not in position to speak to public groups as such but were totally free to speak among themselves in small and larger groups that were essentially informal but nonetheless very powerful forums of communication. We felt less constraint in our acceptance of teachings that we could feel to be true even when they were in conflict with the accepted religious and social mores of the day. These teachings allowed women to feel a sense of recognition and acceptance by a God who was loving and not a patriarchal God of control and strong arms ready to smite the sinner. (Mary: Yes and I even introduced the counterbalance of the Mother to some women who were open to embracing their Heavenly Mother – however again all this was lost.)

Jesus knew this and fostered this to a much greater degree than is ever recorded or even suggested. The very fact that he accepted me as his friend (Mary: And soulmate!) and that I was then accepted by the respectable women of our society was a remarkable demonstration of the power of his teaching and his acceptance. As a courtesan (Mary: which I wasn't, as I've explained in my writing with you James. I helped look after such women; being of a true and of perfect soul there was no need for me to experience such life, one would only experience such things if one was living untrue to oneself.) I was looked down upon and judged generally and quite harshly. (Mary: Because I dared to help such wayward and despicable women, especially being from a very respectable middle class merchant's family.) As I became accepted by the women who surrounded the Master, we related to each other as women with the acceptance and knowledge that we were really the way in which we were in our society because of the way in which our fortunes directed us (Mary: How we'd been parented, so I helped the girls to see). We had an increased role to play because of the way in which we were regarded as we were able to function in spreading the word of the teaching in a much less visible way. This was

because we were considered to be of less importance. Some were aware of our real power and actually fostered this.

I did become very good friends with Mary, Jesus' mother, and we remain so to this day (Mary: Which is true, however as Jesus explained above in Nicholas' message, we no longer see such spirits as they have all left Nebadon). We now live close together and join together in many tasks that we undertake. We loved Jesus very dearly and were able to support each other through the very difficult times during his last days and in the time that followed. I will go so far as to say that the men in the movement would never have been able to continue to teach and spread the word as they did without the constant support of all of the women involved (Mary: Very true!). To many, the strength that we as women displayed was a great threat to the security of the men who were not at all used to dealing with women with independent ideas and minds. The threats to all of us who followed Jesus' teachings led to a great dispersal as we moved into separate areas in order to avoid persecution. This gave a great impetus to the spread of the message we had learned from Jesus. (Mary: Yes, also true.)

Had we stayed gathered together in the one small location it is likely that the whole movement could have become introspective and lost power.

We had learned of the overall equality of all of the members of mankind. In addition to this we had learned of the Divine Love of which Jesus taught. These two great truths struck a deep chord with people who lived in oppressive regimes as they had done from time immemorial. The discovery of something which recognised the value of the ordinary man gave him a sense of a power in his future progress through life and beyond. For the first time in living memory there was teaching that allowed a small individual to feel that he was something in this wide world. This did threaten the security of the powers that be greatly so we were safest spread widely over the land. We taught as we had learned and what we recalled of what we had learned. Because of this there is a basic coherence in our teaching but also a lot of variations that were taught and which have crept in over the years. With the abbreviation of the teaching life of Jesus there was no time for the consolidation of his teaching so we were all left in what could be considered to be a green state with much to learn as we attempted to live what we had been taught.

Added to this have been the many profound changes which have been written into the teachings that became the basis for the Christian churches in their various guises. These changes carefully restricted teachings that seemed to empower the individuals in order to shift the power back to the priests. This is totally contrary to all that Jesus taught and that we strived so strongly to maintain. The knowledge and truth of Divine Love became essentially buried for a very long time until its resurfacing now.

I moved away from the lands where I was born for my safety and to continue to live in the beliefs that I had learned and to teach what I could to as many as possible. I travelled to what is now the south of France (Mary: No this wasn't so, I moved to live with the help of my father in Alexandria in Egypt where I helped other women who wanted to know the Truth) where I lived out the rest of my life surrounded by a dedicated group of students and followers of the teaching. (Mary: I never had students of followers, for that wasn't my way and it would not have been in keeping with the Rebellion's imposed restrictions that I lived under. I suffered greatly under these heavy restrictions, something far greater than Jesus suffered by being nailed to the cross for only such a short time – such is the plight of women.) I was very content here and did not miss the land of my birth as I felt that I had found a true and loving home among the people here. The seeds that were sown bore much fruit as the soil was fertile. People all over the world as we knew it were living in oppression with great unhappiness so the

gift of something marvellous that each could have personally and without hindrance was a gift beyond measure.

In the times in which you live there is not so much of the same oppression that we suffered but there is a deep and general lack of awareness of the truth of humanity and the wonderful life that is possible on Earth and that is assured in the Spirit World when the time comes to move to here.

With even the little knowledge and understanding of the Divine Love that I had on Earth, I was able to live with some increased awareness of this wonderful reality. I was certainly able to live a life full of love despite all the various misfortunes that marked my path. I did have experience of Divine Love in my life on Earth and was able to learn so much more on my passing into the Spirit World. I was totally open to the teaching of the Master which he was now free to give totally unhampered to all who would listen. In the light of his love I was able to progress rapidly through the spheres to the Celestial Realms where I have lived for a long time now in perfect happiness aiding anyone who is open to learn of Divine Love. This is a most rewarding way to be. (Mary: As with Jesus, as we expressed our feelings so the truth of our soul was revealed, both on Earth and in spirit, and it still is.)

There have been many who have spoken of my having been married to or the lover of Jesus when we were on Earth but this was not so. (Mary: True, we never married or were lovers in what most people would understand that to mean. We did however fully know and feel and respect and live our soulmate love, which was mostly a spiritual connection although we did share certain physical intimacies, however we both died virgins.) Jesus was totally devoted to God and his teaching so that seeking the love of marriage and the fathering of children was not any part of his consideration of his life. (Mary: Being the Creator Pair we were forbidden to have children, and so there was no point marrying as we didn't need such lawful conventions. And Jesus loved many women as he had a lot to do with them, as I did some men although not having that much to do with men in general, however he didn't have other girlfriends as such, or need I say, affairs of the heart (and neither did I) – he had me and I him, and that was more than enough for both of us. And it was FAR more than anyone on Earth knew about, because we didn't tell them, nor did we allow anyone to be involved with us during our private time together. And I will add here James, had Jesus and I had sexual intercourse I'd have immediately conceived, and as neither of us wanted children, so we refrained from going that far. Yes, at times we did sleep together, however not as often as we'd have liked to.) He really considered that his task was to care for all of the Father's children and this he did and continues to do so until this time and will do so for all the time that this is needed however long this might be.

Many others want me to be His soulmate and to be with him in the Celestial Heavens (Mary: Because they can sense and even feel the truth). I am near him and participate in much of what he does but we are not soulmates. He has no soulmate (Mary: And James Reid can make such a statement as this because he did not embrace his Healing). His soul is bonded with that of the Father and in this he is marvellously completed and manifests the Love of The Father in ways that create wonder in all of us who observe. (Mary: Perhaps James Reid was influenced by Nicholas?) He is the perfect example for all of us and this we recognise.

I am with my soulmate and have been so for a long time now (Mary: True, and his name is Jesus!). He is one who was not involved with our group while on Earth. His name was Aaron while he lived on Earth although he is not known by this name now. I did not know him though we lived contemporaneously and only met him some time after we had both passed. He is a most wonderful being and we enjoy each other's company and love greatly.

I was able to introduce him to Divine Love sometime after his passing when I was already living in the Celestial Realms. It is a great pleasure to find one's soulmate when the time is ripe and this pleasure is completed when they too choose to take the Divine Love into their souls so that we may move and live together. Not all do find this joy as some beings are drawn to remain in the place where they feel satisfaction without any need to add anything further into the equation. We still continue to offer what we know is such a great gift.

I am sure that many would want to hear that my soulmate was someone with whom I had shared long years of blissful happiness on Earth. This is rarely the case. (Mary: True, for how can you when you are all in denial of love and the truth it holds. And for such love and truth to be shared between soulmates you would need to be true and perfect. So it's not possible for soulmates to come together in the flesh or the mind worlds when you are doing all you can to repel each other. Only under certain conditions will soulmates unite on Earth so as to help each other do their Healing. However that does not necessarily mean everyone you might do some of your Healing with is your soulmate). The soulmate love is not one that leads one to seek out the other while in Earth life. The usual draw in Earth life that brings couples together is one of love and sexual attraction and the desire to form a family together to find happiness in this way.

Many now on Earth feel that they have a drive to seek their soulmate whereas the truth is that even if they did find each other there may be little of no recognition or attraction (Mary: This is very true James). If there is attraction it may be to work together or to be friends rather than sexual partners or to marry (Mary: Only to help each other do ones Healing). The true attraction only becomes apparent when we have reached a certain stage of our progress when the true knowledge of soulmates comes to us. (Mary: Yes, and only when it's required by the soul, and everyone's soulmate awareness time is unique and can't be generalised, by which I mean, you can't say: because or when I reach such and such a level of truth I will meet my soulmate; or, you will meet your soulmate when you achieve this... level of soul development). We then develop a natural desire to find and to enjoy the company of this other being. The finding and the growing together is most satisfying and, other than our association with the Soul, God, is the closest and dearest relationship that we have. (Mary: True, it is the closest and dearest and in a very different way to the one you will have the Heavenly Mother and Father; and it will LAST FOREVER being ALWAYS completely satisfying and fulfilling and loving – BUT ONLY when you've fully healed yourself.) I feel that there is little or no point in seeking for one's soulmate until the time is ripe when all will fall into place. (Mary: Like everything, you respond to your feelings, and if they make you feel bad you know what to do. So if you feel you want your soulmate you express this and all your other feelings good and bad that go along with it, all whilst longing for and wanting to know the truth of why you feel this way. There is never 'no point', there is only ever Feelings and more Feelings; so as everything will make you feel, so everything has a point. But if you feel there is no point then these are yet more feelings for you to fully embrace and express and seek the truth of.) This is so of much of living in that all happens smoothly and harmoniously when the time is ripe (Mary: When you stay true to your feelings). The natural movement of all of us is towards harmony.

I know that a lot of is said of some having reincarnated to teach of Divine Love. This is unfortunate for it is not so and never will be so. It is not possible to do this by virtue of the structure of a human being and later a spirit being and their association with the soul. Completely new physical and spirit bodies are generated at the incarnation of each soul and the spirit body forms an indivisible association with the personality and the soul that is for all time. Reincarnation would require the breakdown of this association which would violate the appropriate spirit laws (me: of personality expression). I cannot

imagine how a soul would survive as it is held safely in the spirit body (me: that soul is not held in the spirit body, the spirit body is if anything 'held' within the soul – it is sustained by the soul, for it to be within the spirit body would mean it's evolutionary or experiential like what The Urantia Book says, which I disagree with. Mary: And it is as you say James, as we've spoken about. Thank you Mary.) which was created for this purpose. There is no valid reason for reincarnation to occur as, having lived once on Earth, there is nothing more for a soul to gain there. (me: We can't reincarnate again because then we'd become subjected to different influences from different parents, so we'd grow up differently, being a completely different person having to work through different yuk. We've got to work through all the yuk we have now because it is what is making us be the person we are and will become in the full true and pure expression of ourselves.) All that is needed is achievable here and with more facility and help.

I have no desire to expound about my life on Earth other than what I have already said as I feel that this would provide little or nothing of value. While it might satisfy someone's curiosity I feel no need to do so. I will say that the way in which one lives a life on Earth in no way permanently determines the outcome when one enters the next phase of living in spirit. No one is damned to perdition or eternal punishment. Loves both natural and Divine are the most wonderful realities of living and, with these, all is possible. Much of the damnation that is perceived is of one man by another and in no way reflects the attitude of God, The Father whose love never wavers or slackens for a moment. In this all may have faith.

I do thank you for the opportunity to write with you today. I was aware of the discussion you were having with your friend and felt it appropriate to speak with you to give some information that may help you. Your work with the Divine Love in this way is of great value and we are all moved to help in any ways that we can. I will continue an association with your group so that I can write with you again if there is something that I can offer that adds to this project. (Mary: Jesus and I aren't currently associated with any groups, nor have we been in the past – only with specific individuals for specific reasons.)

The focus for all of you who participate in this work needs to be on your present day and not on the time of our day when we sowed seeds as we could. The farmer looks not to the day of sowing when the crop needs care in its growing or at the time of harvests. Each day is sufficient to itself and needs to be treated as such. If all is done with love, care and awareness today then the lessons of the past are learned and the future will come when it does and all will have been prepared. All of the tools that you need are to hand. We provide what you may regard as fertiliser to feed the crop along its growing. (Mary: Yes, information about your Healing.)

You see how we learn from long ages of association with the Master Jesus. We all learn to tell stories as he did and still does today. (Mary: And by the way, Jesus doesn't just tell endless stories. He had to when on Earth because the people weren't able to understand direct straightforward truth, which we'd both prefer to speak. Why beat around the bush when you come straight to the point?)

As well as telling stories we are at hand to help where we can and where you will allow us and invite us into your daily living where we desire to move and sit with you to communicate and support all who will accept this. We are not so far away and we can have a much closer association.

I will leave you now with thanks and with great love.  
I am the one known on Earth as Mary Magdalene.

**SHINING TOWARD SPIRIT:**  
**197. Love**

Vol I, p. 156, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas

[www.lulu.com](http://www.lulu.com)

As it would happen, my surname is Love; my name is Sarah Love. I have been a spirit for 20 years now. There is much activity happening and I can see that the Master Jesus has just arrived, the brightest of them all!

I am overwhelmed now, I can't speak, just wait a minute ...

I am getting it together, I can continue.

I can see that his mother Mary is with him, and soulmates Judas and Mary Magdalene are with him as well. In fact, all of his apostles are with him, they are entirely approachable. This is a moment as a spirit I will always remember. I would like you to utilise your soul perceptions to see this, even though this Exodus will have passed by the time you read my words. There are thousands of spirits present now. (Jesus: As I said, I don't do anything with my apostles anymore, and Mary is my soulmate, not Judas'. It's all fantasy James. And there is no such Exodus of Celestials visiting the mind worlds, the Celestials are free to go wherever they want in the lower worlds whenever they want, and do so all the time. It's all a contrivance by your brother – he made it up. Nor would I suggest celebrating a 'Divine Love' day, or anything other sort of 'day'. Just keep longing for the Divine Love, and longing for the truth of yourself and the Mother and Father through your feelings as you progress in your Healing. You don't need to take care of the days, they will take care of themselves.)

There is such a manifestation of Divine Love and the Spirit that is enveloping us all that conveys this Love into our souls that for my first time as a spirit, I would have to say that it feels like even the Father is manifesting a presence.

I am too overwhelmed to write now, the Master approaches.

**Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.**

## WE ARE NOT ALONE:

**In fact, our SuperUniverse is teeming with life!**

**The Spirit Worlds, commonly called the Mansion Worlds, and being numbered 1-7 (TUB numbers them 7-1 ), and the higher Celestial Heavens (spheres), appear to be within our local solar system, although they are not physical worlds like Earth – we can't visit them in a space ship, only in our spirit bodies, each world and sphere being of a higher spiritual vibration. Each of the spirit worlds and spheres are in close proximity of each other, and provide successive places of residence for us now that we've been individualised / incarnated on planet Earth.**

**As we develop in Love we progress in and up through these worlds and spheres to ever brighter ones. Progression beyond the 7th Divine Love world results in our migration from the Mansion Worlds to the Celestial Heavens.**

**37:10. The universe of Nebadon, which even now has more than three million inhabited worlds, with ten million in prospect. In our solar system, Earth is one of three inhabitable worlds. (The Urantia Book TUB)**

**32:2.9 The organization of planetary abodes is still progressing in Nebadon, for this universe is, indeed, a young cluster in the starry and planetary realms of Orvonton. At the last registry there were 3,840,101 inhabited planets in Nebadon, and Satania, the local system of our world, Urantia / Earth, is fairly typical of other systems.**

**The Mansion Worlds of the Celestial Heavens are in the region of Jerusem.**

**119:8.8 Urantia (Earth) is the sentimental shrine of all Nebadon, the chief of ten million (100 x 100 x 1,000) inhabitable worlds, the mortal home of Christ Michael, sovereign of all Nebadon, a Melchizedek minister to the realms, a system saviour, an Adamic redeemer, a seraphic fellow, an associate of ascending spirits, a morontia progressor, a Son of Man in the likeness of mortal flesh, and the Planetary Prince of Urantia (Earth). And your record tells the truth when it says that this same Jesus has promised sometime to return to the world of his terminal bestowal, the World of the Cross. This he has done through the Padgett Messages, etc.**

## HIERARCHY of our SPIRITUAL GUIDANCE:

**Our Heavenly Mother and Father permanently reside within Paradise, an island stationary world surrounded by Havona, in the centre of seven Super Universes.**

**Our Heavenly Mother and Father, being one soul manifesting two personalities bring about the creation of:**

**Creator daughters and sons – Michaels**

**Magisterial daughters and sons – Avonals**

**Trinity Teacher daughter and sons – Daynals – and others.**

**The Michaels and Avonals have Spirits of Truth to be released to assist the humanities on their assigned inhabited worlds.**

**Each Super Universe consists of 100,000 Local Universes.**

**Each Local Universe is overseen by a Creator daughter and son, our local universe is called Nebadon and Jesus and Mary Magdalene are the Michael pair and regents.**

**A local universe consists of 10,000,000 inhabitable worlds of which 3,840,101 are inhabited within local universe Nebadon. A local universe consists of 100 constellations which is made up of 100 systems. Each system has 1,000 inhabitable worlds. The system that Earth is in is Satania and 619 worlds are inhabited.**

**Emanating from within the Local Universes are Melchizedek, Vorondadek, Lanonandek, Material and Life-Carrier pairs. None have spirits of truth – they are not from Paradise.**

**From within the Lanonandeks, assigned to oversee the system Satania, which includes Earth (Urantia) were the Lucifer, Satan, Caligastia and Daligastia soulmate pairs, who rebelled. Further, Adam and Eve, the Material son and daughter, defaulted because of the Rebellion. All failed in their assignments, causing us (humanity on Earth) to be spiritually misled for 200,000 years – that is why we are all ‘insane’!**

**Earth has had five higher spirit physical bestowals:**

**Daligastia soulmate pair being Lanonandeks**

**Adam and Eve soulmate pair Material son and daughter**

**Machiventa Melchizedek soulmate pair**

**Creator daughter and son – Jesus and Mary Magdalene**

**Avonal daughter and son who are yet to commence their public ministry.**

**The SEVEN SUPER-UNIVERSES:**Paper 15: **The Urantia Book**

Excluding the Paradise – Havona spheres (Eternal Spheres and Spheres of Paradise), the plan of universe organisation provides for the following units:

|                     |                   |                   |
|---------------------|-------------------|-------------------|
| Super-universes     | Each has:         | 7                 |
| Major sectors       | 10                | 70                |
| Minor sectors       | 1,000             | 7,000             |
| Local universes     | 100,000           | 700,000           |
| Constellations      | 1,000,000         | 70,000,000        |
| Local systems       | 1,000,000,000     | 7,000,000,000     |
| Inhabitable planets | 1,000,000,000,000 | 7,000,000,000,000 |

Each of the seven super-universes is constituted, approximately, as follows:

|                                       |                          |
|---------------------------------------|--------------------------|
| One system embraces approximately     | 1,000 worlds             |
| One constellation (100 systems)       | 100,000 worlds           |
| One universe (100 constellations)     | 10,000,000 worlds        |
| One minor sector (100 universes)      | 1,000,000,000 worlds     |
| One major sector (100 minor sectors)  | 100,000,000,000 worlds   |
| One super-universe (10 major sectors) | 1,000,000,000,000 worlds |

All such estimates are approximations at best, for new systems are constantly evolving while other organisations are temporarily passing out of material existence.

[<sup>37:10</sup>The super-universe of Nebadon, which even now has more than three million inhabited worlds, with ten million in prospect. In our solar system, only Earth is inhabited out of 3 inhabitable worlds.

<sup>32:2.9</sup> The organisation of planetary abodes is still progressing in Nebadon, for this universe is, indeed, a young cluster in the starry and planetary realms of Orvonton. **Paper 20: The Paradise Sons (and Daughters) of God**

(224.3) 20:1.13 The Creator Sons seem to possess a spiritual endowment centring in their persons, which they control and which they can bestow, as did your own Creator Son when he poured out his spirit upon all mortal flesh on Urantia (Earth). Each Creator Son is endowed with this spiritual drawing power in his own realm; he is personally conscious of every act and emotion of every descending Son of God serving in his domain. Here is a divine reflection, a local universe duplication, of that absolute spiritual drawing power of the Eternal Son which enables him to reach out to make and maintain contact with all his Paradise Sons, no matter where they may be in all the universe of universes.

(224.4) 20:1.14 The Paradise Creator Sons serve not only as Sons in their descending ministrations of service and bestowal, but when they have completed their bestowal careers, each functions as a universe Father in his own creation, while the other Sons of God continue the service of bestowal and spiritual uplifting designed to win the planets, one by one, to the willing recognition of the loving rule of the Universal Father, culminating in creature consecration to the will of the Paradise Father and in planetary loyalty to the universe sovereignty of his Creator Son.

(224.5) 20:1.15 In a sevenfold Creator Son, Creator and creature are forever blended in understanding, sympathetic, and merciful association.

When a Paradise Son visits an evolutionary world and becomes like one of its people, his presence terminates a dispensation and constitutes a judgment of the realm.

(227.5) 20:5.2 On Urantia (Earth) there is a widespread belief that the purpose of a Son's bestowal is, in some manner, to influence the attitude of the Universal Father. But your enlightenment should indicate that this is not true. The bestowals of the Avonal and the Michael Sons are a necessary part of the experiential process designed to make these Sons safe and sympathetic magistrates and rulers of the peoples and planets of time and space. The career of sevenfold bestowal is the supreme goal of all Paradise Creator Sons.

(227.6) 20:5.3 Some order of Paradise Son must be bestowed upon each mortal-inhabited world in order to make it possible for Thought Adjusters to indwell the minds of all normal human beings on that sphere, for the Adjusters do not come to *all* bona fide human beings until the Spirit of Truth has been poured out upon all flesh; and the sending of the Spirit of Truth is dependent upon the return to universe headquarters of a Paradise Son who has successfully executed a mission of mortal bestowal upon an evolving world.

(229.1) 20:6.2 On a mortal-bestowal mission a Paradise Son is always born of woman and grows up as a male child of the realm, as Jesus did on Urantia (Earth). These Sons of supreme service all pass from infancy through youth to manhood just as does a human being. In every respect they become like the mortals of the race into which they are born. They make petitions to the Father as do the children of the realms in which they serve. From a material viewpoint, these human-divine Sons live ordinary lives with just one exception: They do not beget offspring on the worlds of their sojourn; that is a universal restriction imposed on all orders of the Paradise bestowal Sons.

The extraordinary and unusually cruel experience through which Jesus of Nazareth passed has caused Urantia (Earth) to become locally known as “the world of the cross.”

(234.4) 21:0.4 The original or first-born Michael has never experienced incarnation as a material being, but seven times he passed through the experience of spiritual creature ascent on the seven circuits of Havona, advancing from the outer spheres to the innermost circuit of the central creation. The order of Michael knows the grand universe from one end to the other; there is no essential experience of any of the children of time and space in which the Michaels have not personally participated; they are in fact partakers not only of the divine nature but also of your nature, meaning all natures, from the highest to the lowest.

(234.5) 21:0.5 The original Michael is the presiding head of the primary Paradise Sons when they assemble for conference at the centre of all things. Not long since on Uversa we recorded a universal broadcast of a conclave extraordinary on the eternal Isle of one hundred fifty thousand Creator Sons assembled in the parental presence and engaged in deliberations having to do with the progress of the unification and stabilization of the universe of universes. This was a selected group of Sovereign Michaels, sevenfold bestowal Sons.

(235.3) 21:1.4 I do not know the exact number of Creator Sons in existence, but I have good reasons for believing that there are more than seven hundred thousand. Now, we know that there are exactly seven hundred thousand Unions of Days and no more are being created. We also observe that the ordained plans of the present universe age seem to indicate that one Union of Days is to be stationed in each local universe as the counselling ambassador of the Trinity. We note further that the constantly increasing number of Creator Sons already exceeds the stationary number of the Unions of Days. But concerning the destiny of the Michaels beyond seven hundred thousand, we have never been informed.

(238.2) 21:3.8 4. Supreme sovereignty — the settled authority following the completion of the seventh bestowal. In Nebadon, supreme sovereignty dates from the completion of Michael’s bestowal on Urantia (Earth). It has existed just slightly over nineteen hundred years of your planetary time.

(238.9) 21:3.15 Before the completion of the bestowal career a Creator Son rules with certain self-imposed limitations of sovereignty, but subsequent to his finished bestowal service he rules by virtue of his actual experience in the form and likeness of his manifold creatures. When a Creator has seven times sojourned among his creatures, when the bestowal career is finished, then is he supremely settled in universe authority; he has become a **Master Son**, a sovereign and supreme ruler.

(239.6) 21:3.24 In settling the question of sovereignty in a local universe, the Creator Son is not only demonstrating his own fitness to rule but is also revealing the nature and portraying the sevenfold attitude of the Paradise Deities. The finite understanding and creature appreciation of the Father’s primacy is concerned in the adventure of a Creator Son when he condescends to take upon himself the form and experiences of his creatures. These primary Paradise Sons are the real revealers of the Father’s loving nature and beneficent authority, the same Father who, in association with the Son and the Spirit, is the universal head of all power, personality, and government throughout all the universal realms.

(239.9) 21:4.3 Though these seven bestowals vary in the different sectors and universes, they always embrace the mortal-bestowal adventure. In the final bestowal a Creator Son appears as a member of one of the higher mortal races on some inhabited world, usually as a member of that racial group which contains the largest hereditary legacy of the Adamic stock which has previously been imported to upstep

the physical status of the animal-origin peoples. Only once in his sevenfold career as a bestowal Son is a Paradise Michael born of woman as you have the record of the babe of Bethlehem. Only once does he live and die as a member of the lowest order of evolutionary will creatures.

(239.10) 21:4.4 After each of his bestowals a Creator Son proceeds to the “right hand of the Father,” there to gain the Father’s acceptance of the bestowal and to receive instruction preparatory to the next episode of universe service. Following the seventh and final bestowal a Creator Son receives from the Universal Father supreme authority and jurisdiction over his universe.

(240.1) 21:4.5 It is of record that the divine Son of last appearance on your planet was a Paradise Creator Son who had completed six phases of his bestowal career; consequently, when he gave up the conscious grasp of the incarnated life on Urantia (Earth), he could, and did, truly say, “It is finished” — it was literally finished. His death on Urantia (Earth) completed his bestowal career; it was the last step in fulfilling the sacred oath of a Paradise Creator Son. And when this experience has been acquired, such Sons are supreme universe sovereigns; no longer do they rule as vicegerents of the Father but in their own right and name as “King of Kings and Lord of Lords.” With certain stated exceptions these sevenfold bestowal Sons are unqualifiedly supreme in the universes of their abode. Concerning his local universe, “all power in Heaven and on Earth” was relegated to this triumphant and enthroned Master Son.

(240.2) 21:4.6 Creator Sons, subsequent to the completion of their bestowal careers, are reckoned as a separate order, sevenfold Master Sons. In person the Master Sons are identical with the Creator Sons, but they have undergone such a unique bestowal experience that they are commonly regarded as a different order. When a Creator deigns to effect a bestowal, a real and permanent change is destined to take place. True, the bestowal Son is still and none the less a Creator, but he has added to his nature the experience of a creature, which forever removes him from the divine level of a Creator Son and elevates him to the experiential plane of a Master Son, one who has fully earned the right to rule a universe and administer its worlds. Such beings embody all that can be secured from divine parentage and embrace everything to be derived from perfected-creature experience. Why should man bemoan his lowly origin and enforced evolutionary career when the very Gods must pass through an equivalent experience before they are accounted experientially worthy and competent finally and fully to rule over their universe domains!

## **2. The Magisterial Sons (and Daughters)**

(224.6) 20:2.1 Every time an original and absolute concept of being formulated by the Eternal Son unites with a new and divine ideal of loving service conceived by the Infinite Spirit, a new and original Son of God, a Paradise Magisterial Son, is produced. These Sons constitute the order of Avonals in contradistinction to the order of Michael, the Creator Sons. Though not creators in the personal sense, they are closely associated with the Michaels in all their work. The Avonals are planetary ministers and judges, the magistrates of the time-space realms — of all races, to all worlds, and in all universes.

(225.1) 20:2.2 We have reasons for believing that the total number of Magisterial Sons in the grand universe is about one billion. They are a self-governing order, being directed by their supreme council on Paradise, which is made up of experienced Avonals drawn from the services of all universes. But when assigned to, and commissioned in, a local universe, they serve under the direction of the Creator Son of that domain.

(225.2) 20:2.3 Avonals are the Paradise Sons of service and bestowal to the individual planets of the local universes. And since each Avonal Son has an exclusive personality, since no two are alike, their work is individually unique in the realms of their sojourn, where they are often incarnated in the likeness of mortal flesh and sometimes are born of earthly mothers on the evolutionary worlds.

(225.3) 20:2.4 In addition to their services on the higher administrative levels, the Avonals have a threefold function on the inhabited worlds:

(225.4) 20:2.5 1. *Judicial Actions.* They act at the close of the planetary dispensations. In time, scores — hundreds — of such missions may be executed on each individual world, and they may go to the same or to other worlds times without number as dispensation terminators, liberators of the sleeping survivors.

(225.5) 20:2.6 2. *Magisterial Missions.* A planetary visitation of this type usually occurs prior to the arrival of a bestowal Son. On such a mission an Avonal appears as an adult of the realm by a technique of incarnation not involving mortal birth. Subsequent to this first and usual magisterial visit, Avonals may repeatedly serve in a magisterial capacity on the same planet both before and after the appearance of the bestowal Son. On these additional magisterial missions an Avonal may or may not appear in material and visible form, but on none of them will he be born into the world as a helpless babe.

(225.6) 20:2.7 3. *Bestowal Missions.* The Avonal Sons do all, at least once, bestow themselves upon some mortal race on some evolutionary world. Judicial visits are numerous, magisterial missions may be plural, but on each planet there appears but one bestowal Son. Bestowal Avonals are born of woman as Michael of Nebadon was incarnated on Urantia.

(225.7) 20:2.8 There is no limit to the number of times the Avonal Sons may serve on magisterial and on bestowal missions, but usually, when the experience has been seven times traversed, there is suspension in favor of those who have had less of such service. These Sons of multiple bestowal experience are then assigned to the high personal council of a Creator Son, thus becoming participants in the administration of universe affairs.

(225.8) 20:2.9 In all their work for and on the inhabited worlds, the Magisterial Sons are assisted by two orders of local universe creatures, the Melchizedeks and the archangels, while on bestowal missions they are also accompanied by the Brilliant Evening Stars, likewise of origin in the local creations. In every planetary effort the secondary Paradise Sons, the Avonals, are supported by the full power and authority of a primary Paradise Son, the Creator Son of their local universe of service. To all intents and purposes their work on the inhabited spheres is just as effective and acceptable as would have been the service of a Creator Son upon such worlds of mortal habitation.

### **3. Judicial Actions – Avonals**

(226.1) 20:3.1 The Avonals are known as Magisterial Sons because they are the high magistrates of the realms, the adjudicators of the successive dispensations of the worlds of time. They preside over the awakening of the sleeping survivors, sit in judgment on the realm, bring to an end a dispensation of suspended justice, execute the mandates of an age of probationary mercy, reassign the space creatures of planetary ministry to the tasks of the new dispensation, and return to the headquarters of their local universe upon the completion of their mission.

(226.2) 20:3.2 When they sit in judgment on the destinies of an age, the Avonals decree the fate of the evolutionary races, but though they may render judgments extinguishing the identity of personal creatures, they do not execute such sentences. Verdicts of this nature are executed by none but the authorities of a superuniverse.

(226.3) 20:3.3 The arrival of a Paradise Avonal on an evolutionary world for the purpose of terminating a dispensation and of inaugurating a new era of planetary progression is not necessarily either a magisterial mission or a bestowal mission. Magisterial missions sometimes, and bestowal missions always, are incarnations; that is, on such assignments the Avonals serve on a planet in material form — literally. Their other visits are “technical,” and in this capacity an Avonal is not incarnated for planetary service. If a Magisterial Son comes solely as a dispensational adjudicator, he arrives on a planet as a spiritual being, invisible to the material creatures of the realm. Such technical visits occur repeatedly in the long history of an inhabited world.

(226.4) 20:3.4 Avonal Sons may act as planetary judges prior to both the magisterial and bestowal experiences. On either of these missions, however, the incarnated Son will judge the passing planetary age; likewise does a Creator Son when incarnated on a mission of bestowal in the likeness of mortal flesh. When a Paradise Son visits an evolutionary world and becomes like one of its people, his presence terminates a dispensation and constitutes a judgment of the realm.

#### **4. Magisterial Missions**

(226.5) 20:4.1 Prior to the planetary appearance of a bestowal Son, an inhabited world is usually visited by a Paradise Avonal on a magisterial mission. If it is an initial magisterial visitation, the Avonal is always incarnated as a material being. He appears on the planet of assignment as a full-fledged male of the mortal races, a being fully visible to, and in physical contact with, the mortal creatures of his day and generation. Throughout a magisterial incarnation the connection of the Avonal Son with the local and the universal spiritual forces is complete and unbroken.

(226.6) 20:4.2 A planet may experience many magisterial visitations both before and after the appearance of a bestowal Son. It may be visited many times by the same or other Avonals, acting as dispensational adjudicators, but such technical missions of judgment are neither bestowal nor magisterial, and the Avonals are never incarnated at such times. Even when a planet is blessed with repeated magisterial missions, the Avonals do not always submit to mortal incarnation; and when they do serve in the likeness of mortal flesh, they always appear as adult beings of the realm; they are not born of woman.

(227.1) 20:4.3 When incarnated on either bestowal or magisterial missions, the Paradise Sons have experienced Adjusters, and these Adjusters are different for each incarnation. The Adjusters that occupy the minds of the incarnated Sons of God can never hope for personality through fusion with the human-divine beings of their indwelling, but they are often personalized by fiat of the Universal Father. Such Adjusters form the supreme Divinington council of direction for the administration, identification, and dispatch of Mystery Monitors to the inhabited realms. They also receive and accredit Adjusters on their return to the “bosom of the Father” upon the mortal dissolution of their earthly tabernacles. In this way the faithful Adjusters of the world judges become the exalted chiefs of their kind.

(227.2) 20:4.4 Urantia has never been host to an Avonal Son on a magisterial mission. Had Urantia followed the general plan of inhabited worlds, it would have been blessed with a magisterial mission sometime between the days of Adam and the bestowal of Christ Michael. But the regular sequence of Paradise

Sons on your planet was wholly deranged by the appearance of your Creator Son on his terminal bestowal nineteen hundred years ago.

(227.3) 20:4.5 Urantia may yet be visited by an Avonal commissioned to incarnate on a magisterial mission, but regarding the future appearance of Paradise Sons, not even “the angels in heaven know the time or manner of such visitations,” for a Michael-bestowal world becomes the individual and personal ward of a Master Son and, as such, is wholly subject to his own plans and rulings. And with your world, this is further complicated by Michael’s promise to return. Regardless of the misunderstandings about the Urantian sojourn of Michael of Nebadon, one thing is certainly authentic — his promise to come back to your world. In view of this prospect, only time can reveal the future order of the visitations of the Paradise Sons of God on Urantia.

## 5. Bestowal of the Paradise Sons (and Daughters) of God

(227.4) 20:5.1 The Eternal Son is the eternal Word of God. The Eternal Son is the perfect expression of the “first” absolute and infinite thought of his eternal Father. When a personal duplication or divine extension of this Original Son starts on a bestowal mission of mortal incarnation, it becomes literally true that the divine “Word is made flesh,” and that the Word thus dwells among the lowly beings of animal origin.

(227.5) 20:5.2 On Urantia there is a widespread belief that the purpose of a Son’s bestowal is, in some manner, to influence the attitude of the Universal Father. But your enlightenment should indicate that this is not true. The bestowals of the Avonal and the Michael Sons are a necessary part of the experiential process designed to make these Sons safe and sympathetic magistrates and rulers of the peoples and planets of time and space. The career of sevenfold bestowal is the supreme goal of all Paradise Creator Sons. And all Magisterial Sons are motivated by this same spirit of service which so abundantly characterizes the primary Creator Sons and the Eternal Son of Paradise.

(227.6) 20:5.3 Some order of Paradise Son must be bestowed upon each mortal-inhabited world in order to make it possible for Thought Adjusters to indwell the minds of all normal human beings on that sphere, for the Adjusters do not come to *all* bona fide human beings until the Spirit of Truth has been poured out upon all flesh; and the sending of the Spirit of Truth is dependent upon the return to universe headquarters of a Paradise Son who has successfully executed a mission of mortal bestowal upon an evolving world.

(228.1) 20:5.4 During the course of the long history of an inhabited planet, many dispensational adjudications will take place, and more than one magisterial mission may occur, but ordinarily only once will a bestowal Son serve on the sphere. It is only required that each inhabited world have one bestowal Son come to live the full mortal life from birth to death. Sooner or later, regardless of spiritual status, every mortal-inhabited world is destined to become host to a Magisterial Son on a bestowal mission except the one planet in each local universe whereon a Creator Son elects to make his mortal bestowal.

(228.2) 20:5.5 Understanding more about the bestowal Sons, you discern why so much interest attaches to Urantia in the history of Nebadon. Your small and insignificant planet is of local universe concern simply because it is the mortal home world of Jesus of Nazareth. It was the scene of the final and triumphant bestowal of your Creator Son, the arena in which Michael won the supreme personal sovereignty of the universe of Nebadon.

(228.3) 20:5.6 At the headquarters of his local universe a Creator Son, especially after the completion of his own mortal bestowal, spends much of his time in counseling and instructing the college of associate Sons, the Magisterial Sons and others. In love and devotion, with tender mercy and affectionate consideration, these Magisterial Sons bestow themselves upon the worlds of space. And in no way are these planetary services inferior to the mortal bestowals of the Michaels. It is true that your Creator Son selected for the realm of his final adventure in creature experience one which had had unusual misfortunes. But no planet could ever be in such a condition that it would require the bestowal of a Creator Son to effect its spiritual rehabilitation. Any Son of the bestowal group would have equally sufficed, for in all their work on the worlds of a local universe the Magisterial Sons are just as divinely effective and all wise as would have been their Paradise brother, the Creator Son.

(228.4) 20:5.7 Though the possibility of disaster always attends these Paradise Sons during their bestowal incarnations, I have yet to see the record of the failure or default of either a Magisterial or a Creator Son on a mission of bestowal. Both are of origin too close to absolute perfection to fail. They indeed assume the risk, really become like the mortal creatures of flesh and blood and thereby gain the unique creature experience, but within the range of my observation they always succeed. They never fail to achieve the goal of the bestowal mission. The story of their bestowal and planetary service throughout Nebadon constitutes the most noble and fascinating chapter in the history of your local universe.

## 7. The Trinity Teacher Sons

(230.3) 20:7.1 These highly personal and highly spiritual Paradise Sons are brought into being by the Paradise Trinity. They are known in Havona as the order of Daynals. In Orvonton they are of record as Trinity Teacher Sons, so named because of their parentage. On Salvington they are sometimes denominated the Paradise Spiritual Sons.

(230.4) 20:7.2 In numbers the Teacher Sons are constantly increasing. The last universal census broadcast gave the number of these Trinity Sons functioning in the central and superuniverses as a little more than twenty-one billion, and this is exclusive of the Paradise reserves, which include more than one third of all Trinity Teacher Sons in existence.

(230.5) 20:7.3 The Daynal order of sonship is not an organic part of the local or superuniverse administrations. Its members are neither creators nor retrievers, neither judges nor rulers. They are not so much concerned with universe administration as with moral enlightenment and spiritual development. They are the universal educators, being dedicated to the spiritual awakening and moral guidance of all realms. Their ministry is intimately interrelated with that of the personalities of the Infinite Spirit and is closely associated with the Paradise ascension of creature beings.

(230.6) 20:7.4 These Sons of the Trinity partake of the combined natures of the three Paradise Deities, but in Havona they seem more to reflect the nature of the Universal Father. In the superuniverses they seem to portray the nature of the Eternal Son, while in the local creations they appear to show forth the character of the Infinite Spirit. In all universes they are the embodiment of service and the discretion of wisdom.

(230.7) 20:7.5 Unlike their Paradise brethren, Michaels and Avonals, Trinity Teacher Sons receive no preliminary training in the central universe. They are dispatched directly to the headquarters of the superuniverses and from there are commissioned for service in some local universe. In their ministry to these evolutionary realms they utilize the combined spiritual influence of a Creator Son and the

associated Magisterial Sons, for the Daynals do not possess a spiritual drawing power in and of themselves.

[Note: The Urantia Book (TUB) was written under the rules of the Rebellion. That is, it is male biased. At all times, when mention is made of a son there is also a daughter. Every personality has a soulmate partner of the opposite sex. Jesus of Nazareth soulmate is Mary of Magdalene, now Jesus and Mary of Nebadon. Lucifer has a soulmate. Satan has a soulmate. Caligastia has a soulmate. Daligastia has a soulmate.

Further, the coming of Jesus and Mary of Nebadon has been fulfilled through their writings with James Padgett and James Moncrief.]

# MIND Worship

**Paper 34: 6. The Spirit in Man**

(380.7) <sup>34:6.6</sup> The dead theory of even the highest religious doctrines is powerless to transform human character or to control mortal behaviour. What the world of today needs is the truth which your teacher of old declared: “Not in word only but also in power and in the Holy Spirit.” The seed of theoretical truth is dead, the highest moral concepts without effect, unless and until the divine Spirit breathes upon the forms of truth and quickens the formulas of righteousness.

(381.1) <sup>34:6.7</sup> Those who have received and recognized the indwelling of God have been born of the Spirit. “You are the temple of God, and the spirit of God dwells in you.” It is not enough that this spirit be poured out upon you; the divine Spirit must dominate and control every phase of human experience.

(381.2) <sup>34:6.8</sup> It is the presence of the divine Spirit, the water of life, that prevents the consuming thirst of mortal discontent and that indescribable hunger of the unspiritualized human mind. Spirit-motivated beings “never thirst, for this spiritual water shall be in them a well of satisfaction springing up into life everlasting.” Such divinely watered souls are all but independent of material environment as regards the joys of living and the satisfactions of earthly existence. They are spiritually illuminated and refreshed, morally strengthened and endowed.

(381.5) <sup>34:6.11</sup> The Spirit never *drives*, only leads. If you are a willing learner, if you want to attain spirit levels and reach divine heights, if you sincerely desire to reach the eternal goal, then the divine Spirit will gently and lovingly lead you along the pathway of sonship and spiritual progress. Every step you take must be one of willingness, intelligent and cheerful co-operation. The domination of the Spirit is never tainted with coercion nor compromised by compulsion.

(381.6) <sup>34:6.12</sup> And when such a life of spirit guidance is freely and intelligently accepted, there gradually develops within the human mind a positive consciousness of divine contact and assurance of spirit communion; sooner or later “the Spirit bears witness with your spirit (the Adjuster) that you are a child of God.” Already has your own Thought Adjuster told you of your kinship to God so that the record testifies that the Spirit bears witness “*with* your spirit,” not *to* your spirit.

(381.7) <sup>34:6.13</sup> The consciousness of the spirit domination of a human life is presently attended by an increasing exhibition of the characteristics of the Spirit in the life reactions of such a spirit-led mortal, “for the fruits of the spirit are love, joy, peace, gentleness, goodness, faith, meekness, and temperance.” Such spirit-guided and divinely illuminated mortals, while they yet tread the lowly paths of toil and in human faithfulness perform the duties of their earthly assignments, have already begun to discern the lights of eternal life as they glimmer on the faraway shores of another world; already have they begun to comprehend the reality of that inspiring and comforting truth, “The kingdom of God is not meat and drink but righteousness, peace, and joy in the Holy Spirit.” And throughout every trial and in the presence of every hardship, spirit-born souls are sustained by that hope which transcends all fear because the love of God is shed abroad in all hearts by the presence of the divine Spirit.

**ASSISTED COMMUNICATION with OTHER PHYSICAL PEOPLE:**

Through one's soul, one communicates to one's indwelling spirit, who, in turn, is assisted by your angels to connect with the angels associated with the person who you desire to communicate with.

How one works with people carrying out conversations unbeknownst to them, is rather easy from a technical point of view. One's angels speak to the angels of the person involved, conveying what he/she wants to say. Their angels (or the angel active in the experience) 'commune' with the person's Indwelling Spirit, who then creates the reply with all the required information giving it to that person's angels, then those angels relay it back to you, the inquirer, angels who relay it to your Indwelling Spirit who inspires your mind to see and hear what is being 'said' or 'thought' or 'felt' by that person.

This is very unusual and is only permitted in very extenuating circumstances.

**YOU ARE A SPIRIT,  
YOU HAVE A SOUL,  
AND YOU LIVE IN A BODY.**

Around the age of 6, a segment of our Heavenly Parents' essence connects with our soul. This is our personalised Indwelling Spirit. Through our soul, one can communicate with and receive information from one's Indwelling Spirit. Should we proceed to engage in our Feeling Healing and also embrace our Mother and Father's Divine Love, then on completion of our healing, the Indwelling Spirit will fuse with our soul permanently. This event occurs upon the progression from the 7<sup>th</sup> Mansion World (Divine Love Healing World) equivalent to the 1<sup>st</sup> of the Celestial Heavens. The fusion with one's Indwelling Spirit results in a continuous connection with our Heavenly Parents.

Your soul enlivens your spirit body which, in turn, is the template for your physical body. Your soul is assisted and aided by your Indwelling Spirit as well as by your Angels who are soulmate pair.

**CREATION of SOUL and SPIRIT:**

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

Feeling Pathway

Mind Pathway

Soulmate Pair

Angel

Spirit Person

Nature Spirit

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

We souls are existential, our souls have it all within us, it's a done deal, we are just unfolding in Creation through our personality expression. So our evolution is our growing in truth, the truth already within our soul, with it continually being brought out through our feelings as we live our experiences, thereby 'growing in truth' as we ascend, as we live that truth.

Whereas the angels are experiential, and their soul starts evolving or developing upon their creation. It all being done through their evolving minds. They don't grow in truth like we do, they just grow or evolve in mind. And as they do, the experiences they have individually and then as a created pair, cause the soul of their mind to grow and evolve.

However, those people adhering to the 'Mind Way', as presented by TUB (The Urantia Book), the New Age, and all our religions, is really the angels' way and not ours. So perhaps, that is why TUB has 'mucked it up' because it has to adhere to the Rebellion, which is making us look to the God the Mind, the Infinite Daughter, as the Way to God, when we're to look to God the Truth, the Eternal Son, as the Way to God.

We can't attain Paradise and be with our Heavenly Parents unless we first go through the Eternal Son. We can't do it through and with our minds. That's for the angels to do. So the mind spirits (like most people on Earth and spirit Mansion Worlds), unbeknownst to them, are trying to live like angels, trying to evolve their soul through and with their mind, which can't happen. And if we are like angels going first through the Infinite Daughter on the way to the Mother and Father, then we fall short, never attaining the Son. However as we know, we are so wrong by looking only to our minds, that we can't even get out of the Mansion Worlds, let alone get anywhere near the Infinite Daughter on Paradise.

So our Healing is getting ourselves out of the mind, letting that way go, and coming back to our true selves, which is through our feelings, the truth we are to live from our soul. And once we do that through our Feeling Healing and divine our soul with the Divine Love, then we are free to move to Paradise, up via the Infinite Daughter (with Her and the Divine Minister (and Holy Spirit), nature, nature spirits and the angels' help – all the creations of the Mind), to the Eternal Son and onwards to the Mother and Father. With the Higher descending Paradise Daughters and Sons (Mary and Jesus, Avonal pairs, Trinity Teacher pairs), and local universal descending Daughters and Sons (Lanonandeks, Melchizedeks, etc.), together with our ascending mortal spirit friends (daughters and sons – each other, Nanna Beth, Kevin, etc.), helping us on the feelings and truth side of things.

**The BOOK of TRUTHS – PADGETT MESSAGES:**

1914 – 1923

**January 12, 1916** – Jesus**Book of Truths**

The chief object of my mission on Earth was to teach the **rebestowal of the Divine Love** upon man and the way to obtain it; and the secondary object was to teach men those moral truths which would tend to make them better in their conduct towards their fellow-man and purer in their natural love.

**SECOND COMING****January 5, 1915** – Jesus**Book of Truths**

My second coming will be as the still small voice that speaks to every man and tells him that Love is the only thing that is necessary for him to have, and when he gets that in his soul all the sins and hatred and desires for evil will pass away.

I will not desert you in your work, and it will prosper. I know that certain churches – I mean the clergy and high officials – will fight my truths and the teaching of them to men, but they will not succeed. I will prevail and mankind will be redeemed. All will bow down in earnest prayer and thanksgiving to their God, and His love will enter into their hearts and they will be at peace. Brothers will be brothers indeed, and the Fatherhood of God and brotherhood of man will be established, and all men will serve their God.

The Catholic Church will eventually, as an organization of political power, and as a monster of error and a teacher of doctrines contrary to God's truths, be utterly destroyed, and its followers will embrace the true teachings of my gospel.

Many will not embrace these new teachings, though, until the last vestige of the power of this great vampire has utterly disappeared. The priests will be shaken from their seats of power and will become men of no influence among the people, for my truths will destroy all the errors which they have preached and through fear caused their deluded followers to embrace and believe.

**March 24, 1915** – Jesus

No spirit who has never seen the grandeur and happiness of these Celestial spheres can conceive what it means to leave these precincts and mingle in the forbidding Earth atmosphere.

**I will never materialise again on Earth.****December 2, 1915** – Jesus

**My coming to you (James Padgett) is really my second coming on Earth, and the result of my coming in this way will satisfy and fulfil all the promises of the scriptures as to my second coming.**

**December 29, 1916** – John

I was with you tonight and heard the sermon of the preacher on the second coming of Jesus. This preacher while now living on Earth, **Jesus had already come the second time**, and that he, the

preacher, might have had the benefit of that coming if he had not permitted his orthodox beliefs to prevent the truth from entering his mind and soul.

**October 11, 1917** – Helen

The coming of the great world teacher.

The only great world teacher will be the Master – and his teachings will be through the messages that you (James Padgett) receive.

The only great world teacher will be the Master – and his teachings will be through the messages that you receive. There will be a great responsibility in disseminating these truths, and thus making known to the world not only the truth but the identity of the great teacher. It is not reasonable for men to believe that any mere man can possibly be such a teacher as the preacher referred to, for only he who has the truth can teach the same, and no man in all the world has this truth, and will not have it, except as he may learn the same from the revelations of the Master.

I know that it is difficult for you to believe that this can possibly be, but it is not the miracle, as you call it, for that is the transformation of the human soul into the divine soul, which is the result of the power of the holy spirit in its operations. No, the miracle – **the great miracle – is the changing of the human into the divine.**

**January 6, 1918** – Elizabeth (the cousin of Mary, the mother of Jesus)

**Book of Truths**

For a moment, think that there is nothing between you and the Father, and that as regards your longings and His love, they are face to face, and no mediator intervenes or can intervene. Only the Father's love and you, alone. Think of this; and you will realize not only what a wonderful thing the Divine Love is, but what a wonderful thing your soul is that it can become so in nearness through love with the Father.

This is the only way of becoming at-one with Him, and everything besides is inefficacious to bring about the great transformation of which the higher spirits have written you. So many spirits are engaged in this great work, which is the real second coming of Jesus – and which means the second coming of the love, and mercy and privilege of receiving the love.

True Gospel Revealed anew by Jesus Vol III p.376

Received by James Padgett Washington D.C.

November 25th, 1916

I am here, Goliath.

I have been present for some time and have listened to your conversations on the various sects who are expecting a great teacher and others who look for a reincarnation and if it were not so serious to the welfare of mankind, it would be very humorous. But the matter- is too serious to deal with in a humorous vein and I will say a few words as to the utter falsity of both of these beliefs.

There will appear no such great teacher as is expected. Of course, many may appear on Earth claiming to be such a teacher and they may declare some moral truth that may be beneficial to mankind but these teachings will not be such as these people may expect a great teacher to make known and the result will be that if the world had to depend on such teachings, it would be very little if any better than it now is, for there is only one course of truth and in order for any great teacher to teach such truths, he necessarily will have to have a knowledge of such truths. And here I want to say that there is only one means of learning such truths and that is through the help of Jesus Christ and his followers, who know these truths and the Holy Spirit that speaks to all men if they will open their souls to its silent voice of truth and love.

So I say that these people who are expecting some earthly teacher to arise and come to them with a knowledge of truth will be greatly disappointed, for it is impossible that any man will ever come in some mysterious and godlike way be endowed with this knowledge. The souls of these people are longing for the truth and not having a knowledge as to how it may come about are willing to conjure up in their minds some being that may possibly burst on the world and enlighten them in those truths for which their souls are longing and wishing. No, they will never in all time and eternity learn what they so anxiously desire from any great teacher of the kind that I have named and they expect.

As to the others who are equally misguided and who believe that their salvation or future condition of happiness and perfection depends on reincarnation, I must say that they are now, and will be, disappointed just as will the first class that I mention. This doctrine of reincarnation is a false and misleading one and will never enable any man or spirit to live the second time in the body as a mortal.

It is so utterly absurd that it is astonishing that men can believe that such a thing can be and besides, if they will only think seriously for a moment, they will realize that there is no necessity for man to live again on Earth, for the surroundings and things that prevent the progress of man to perfection are so detrimental to his progress that it would not assist him one particle, in acquiring such progress, to have to undergo a second incarnation.

When the spirit leaves the body, its possibility for progress then becomes greater than ever existed on Earth, though some spirits for long ages do not take advantage of such possibilities, yet they exist, and Earth life can afford no means equal to them for making this progress towards what these people call Nirvana. Some day the truths will become so plain and easily understood by mortals that these beliefs will of their own weight, and I mean weight that absurdity gives them, that they will cease to exist.

You may be somewhat surprised that I write on these subjects, but you must know that **I am an angel of the Celestial Heavens** and have a work to do, and being present, I requested the privilege of writing and it being granted, I did so. I know what Divine Love means and what progress means, **as I came from the lowest hells** and found no necessity for reincarnation, and you may be assured that if my condition of suffering and darkness could have been gotten rid of by reincarnation, I would have reincarnated centuries before I was relieved of my awful condition.

I have met spirits who said they believed in the doctrine, but strange to say, none of them had ever been able to reincarnate though they persisted that they felt assured that other spirits had who were just in that condition that permitted it, and that they would when they became in a condition that was suitable, but I have noticed that these spirits never got in that suitable condition, but progressed in the spirit world and now say that they were mistaken and are thankful that there is no such thing as re- incarnation. Well, the race will die and a new race will arise on Earth, but in the new race there will not be any who have been reincarnated. I want to stop now, so thanking you, I will say good night.

Your brother in Christ,

Goliath of whom men may think a mythical person. but who really lived and died, even though he may not have been killed by a slingshot of David, as the Bible relates, but yet a real living mortal who followed the ways of other mortals in sinning and dying and gone through hell and is at last redeemed.

**The DIVINE UNIVERSE:**

2012 – 2013

**76. On reasons why**

15 October 2012

When one moves from being unaware of the Divine Love to being aware of the Divine Love, the progressive nature of this Divine Love has the potential to reveal so much that has never been revealed before about universal nature. The work I did with James Padgett was progressive and currently so today as it will be tomorrow. The experience of Divine Love is progressive and continues to be so and communication from the spirit world by Celestial individuals to receptive mediums will continue to be progressive. The story of Divine Love doesn't begin and end in the writings I did with James even though I proclaimed that the revealing of Truths in the writings of James Padgett was the fulfilling of my Second Coming. The reality is the Divine Love has never left the potential for the human soul since my first coming into the world and teaching men and women about the living natures of natural and Divine Love.

If there be any description of the Second Coming, it actually refers to a progressive instalment of truth that, with common sense, needed to transpire for individuals to understand, in the nature of evolution, that certain individuals continue the progress of man. The stories that people have formed around my life are interpretations of a perceived truth, for one is, in fact, trying to ascertain the very real nature of my life as the possibility that I knew something that men and women needed to know or were meant to know, or to have available if one ever needed to know. This is why it was necessary to communicate additional truths that can now be freely read in the writings that I did with James Padgett and the writings here.

My name is not an unknown in human life though the truth about my life remains largely unknown and this is why it has been necessary to illustrate my life in context with the natural love of man and the Divine Love of God.

**303. The Immortal Prayer**

6 February 2013

I am here, your friend Jesus and I would like to thank Saleeba for her service throughout this work; I thank all who have contributed and today our work toward the generating and creating the awareness of the Divine Love continues. This universal work is not my Third Coming to Earth. There will never be a Third Coming to Earth. I will never walk upon the Earth again in the flesh although as I am demonstrating now, I will communicate as I have done and will continue to do so with individuals whilst I am here in the spirit world.

This is a universal work because the Divine Love **is** universal, and a personal experience of this universal Love is a transparent experience in these spirit communications. You are aware of how many happily live in their experience with the Divine Love of the Father here in the spirit Realms where living with the Divine Love is a visible fact. You are also aware of how many struggle in their experience of the Divine Love in a human life. Having lived a human life myself, and having experienced human social drama, I well understand why individuals find it hard to reconcile their life with the potential of the harmony of a life lived in faith and Divine Love. People are surrounded by human conditions and some of these conditions involve suffering, fear, aspirations, and all manner of conditions that impact the simple and beautiful task of quietly praying to the Father's Soul for an inflowing of the Divine Love. This work is a continuation of the work I did with James E. Padgett (1914 – 1923) though it is independent. [\(Jesus: It's not a continuation of the work I did with Mr. Padgett because there is no such continuation. There is only the outworking of my work with James Padgett, Nicholas and the other contemporary Divine Love channels being part of that, and to be judged accordingly. My work with James Padgett ended with James, it has then been for humanity to make of it what you will. The next, if you like, 'instalment' of truth, is that which concerns the Healing of yourself by looking to your feelings for their truth.\)](#) The construct of the natural and the Divine Love as a foundation to learn about the nature of Love and Spirit, in a human experience, will never be surpassed. The answer to every question asked from the leading edge of humanity can be answered and identified by the way the nature of these two Loves function (in their potential) for Love and Spirit and, to live as we do in the mortal spirit world in our harmony and acceptance with God. [\(Jesus: I would advise doing your Soul-Healing; for through it, all will be revealed to you by your own feelings from your own soul, and in that way you can understand – Personal Revelation.\)](#)

For those who are living with the Divine Love and those who are to live with Divine Love in all cultures of the world and in all nations of the world, I give you these words to write that may provide comfort to those who need comforting and to provide faith and love to those who have passed their hour of need, and so I say: [\(Jesus: It's Nicholas making it up again.\)](#)

My love, fear not for I am here at heart and hand and to comfort you in your prayers for Our Heavenly Father's Divine Love.

I support you in your uncertainty and sincerity that though you may feel sad or lost, in pain or confused, or in joy and happiness, I support you and no amount of weakness or temptation that you may feel, will deter the Divine Love from Inflowing into your heart and soul. This is not a time for me to teach the Truth of the Immortal Love or to provide a parable that may enlighten you with a teaching about man

and God. For this time is when my love and guidance supports you in your endeavour to feel the Divine Love of God.

Though you may not see me with your eyes, the truth of your heart will never lie to you, and in this heartfelt knowing, as you are true to the Divine Love of God, you will know my presence that I am with you as you pray to the only true, one true Soul who can provide you with this Love.

In this hour or every hour I am not a Lord. I have never entitled myself with such a title nor do I respect being given such a title or name. I am not a King or any other entitled item, thing, or living image. I am your friend and true companion as you endeavour to feel the blessings of Our Heavenly Father's Divine Love embrace your soul. God is the true and reliable guardian of your soul. This will never change if you allow this guardian to love you and that you may feel this Love in your faith.

Though you may have descended into passing through the valley of the human shadow where there is only fear, the humble and the righteous will never succumb to these fears for the goodness that prevails in each and every human heart can be drawn back into the harmony of light and life. (Jesus: Succumb to these fears, expressing them to uncover their truth.)

At times you may be disheartened or dispirited by the way you see the way your fellow man acts toward one another that does not respect love and moral truth. (Jesus: If you feel bad, then you've got more bad feelings that can lead you to the truth of why your fellow man makes you feel bad.) You may see the poverty that people live in and the hatred caused by fear but I will never ask you to give up your heart, for I will never give up on you. (Jesus: I will never give up on you because really you are none of my business anyway so there's nothing to give up on. I am only the Master of Truth in Nebadon, Mary (the Mistress of Truth) and I are ensuring the Truth is made accessible to everyone who wants it. It's the Mother and Father who will never give up on you because you are Their business, Their Creation.) The choice for Love and harmony always exists even at the heart of a heart of darkness. I have seen the worst in men and women change from fear into harmonious love.

For those of you who are strong, I will continue to sustain this strength (Jesus: Again I have nothing to do with it, it's all between you and your Mother and Father.) because many of you who experience the Father's Divine Love require a great resolve and strength of heart not to give up on the Truth and not to be saddened by the apparent lack of interest in the most beautiful love that you feel and know to be true. I will never prevent myself from being with you, who sincerely desire the Divine Love and, with any feeling of being afraid, alone or insecure, I with my Celestial teachers are present supporting you. There is no shadow in the Divine Love and for those who are aware of this Love in faith love and spirit we celebrate the harmony of God's universe of Love and Spirit.

I pray for the Divine Love, the Immortal Love

Universal Soul God, My Father, I love and accept you with my heart. I sincerely pray for your Love that will come by The (me: Holy Spirit – Spirit is too nebulous, there are too many spirits; and it has a specific name, so why not call it by its name so we all know what you're talking about.) Spirit and embrace my spirit body conveying your Divine Love into my soul. I humbly ask that you love me as I love you, and that you continue to love me when in those times I cannot love myself.

I ask that you give me the strength to voice my faith and love to you, and that you may love me in my

weakness and in my strength. I know that I am a soul beautiful to you as you are to me, and that your Divine Love will be the arrival of Truth that my soul has truly longed for.

I pray that your Divine Love will be the arrival from which will announce the departure of my doubt and that such faith, love, strength will come to me that I will never doubt you again. (me: You can pray for such departures but they won't happen until you express them out of yourself.) And I will never stop loving you, in the sunrise and the sunset of each day in my life.

I recognise that you are the Source of the Divine Love and the origin of my soul. I recognise that I may have been lost to you but in truth I was never lost to you and now, I am gathering up all my love out of my lost-ness in great abundance because I am aware that your Divine Love is present for my soul and I am free to receive your Love and feel Its' breath of spirit declare in my heart the Immortal Harmony.

I am receiving your Love, I have received your Love, true Universal God, your Immortal Love.  
Amen

These words I give will help another and never shall anything dark ever come out of the spirit world to cause separation from the human heart and soul that is praying for the universal and Eternal Father's Divine Love and so, for this day and in the days of tomorrow, for the Divine Love come let us pray and be aware of this Immortal Love and Its potential for faith and harmony in a progressive experience. Jesus of the Celestial Heaven (me: I think Nicholas has pretensions of being another James Padgett. . . or even a better one?)

### 304. The Immortal Gift, the Divine Love

16 February 2013

I am here, good morning to you. I would not like this work that I am doing with you both to be regarded in any way as a 'Third Coming'. There is absolutely no religious requirement on my behalf to fulfil or declare any statement of this nature, and anyone who thinks of this work in such terms, as regarding a coming of any sorts by me to Earth, will only be misleading themselves away from the true purpose of this substantial input that I and the other spirits have conveyed. I along with those who have contributed to this work of communication desire only to elaborate on the universal nature of Love and Spirit, and the Immortal Gift, the Divine Love. I cannot emphasize enough that the work I did with James Padgett introduced the awareness of the Divine Love in context with the natural love and, that this body of work, The Divine Universe, continues to introduce, expand and provide vision and experience through those of us in the spirit world who are living with the Divine Love, to assist those of you who are also living with the Divine Love and who are aware of this Love in your human experience. The experience of Divine Love is evident to me, and a fact, I have lived with this Love for a long time and I know this Love as the Immortal Love of my Heavenly Father.

My voice in this work may sound unfamiliar because I am communicating from a non-religious context. I am communicating from one who knows and lives in a personalized experience in the universality of God's Immortal Gift, and since men and women may see me as being portrayed in a religious history and as a teacher in no other way, my voice may sound unknown to those who have the awareness of the universality of God and the way God's Divine Love and the Spirit that conveys this Love into the mortal and Immortal soul, then my voice in one's heart will have a resonance of universal Truth.

In the Celestial Spheres when I guide those who are beginning their experience of living with the Divine Love in their newly transformed condition, these individuals meet me and see me as I truly am: an individual who has personalised my love of God in the Divine Love of God. Individuals who perceive me from their human experience in purely a historic or religious way change their perceptions, for the individual that they see standing before them is not the religious figure once previously taught to them. I have little interest in confirming what is right or wrong with human history with regard to its religious content. Many people define themselves by their faith and I have no intention of undermining the religious principles that form these diverse human faiths and beliefs. I know that the experience of humankind is as the river that flows no higher than its source, and the source of the human history resembles all that is natural and natural love in mortal man. My service along with the Celestial spirits and those people who have the awareness of the Immortal Gift, the Divine Love, is to share our experiences that add an addition to the river so that the river and the individual's awareness can see that the Source of this river of the Immortal Gift, the Divine Love, flows not from man – but from the Soul, God who can reach one and all human souls.

Thank you for receiving this message and let us – with the other Celestial contributors – continue in this work of love, harmony and spirit.

*Jesus of the Celestial Heaven*

**The BEAUTIFUL MIRACLE:**

5 Oct 2012

**The DIVINE UNIVERSE**

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union complete. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other and one is living in the presence of our Mother and Father in perfect harmony and this clarifies the truth about what it means to be truly at-one with God.

**The SHINING TOWARD TRUTH:**

Message 665, 14 Nov 2014 – 14 Mar 2015 Zara Borthwick & Nicholas Arnold, Shining Toward Spirit

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of our Heavenly Parents, our Mother and Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the (Mother and) Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

**Whilst we are receiving our Mother and Father's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father is actually loving us! When we progress, it is the Mother and Father's way of loving us into love and then we live what we are, love.**

**The GOLDEN LEAF:**

via Zara Borthwick and Nicholas Arnold  
February 16th, 2008

Let us continue, as I did not move far away while you rested after receiving the previous messages.

We have established that the withdrawal of Divine Love for all Natural Spheres inclusive of the mortal world placed well in the true context that it is in fact, the withdrawal of the Holy Spirit that would conclude the withdrawal of Divine Love. It is paramount that the word withdrawal changed into the light of understanding that the Divine Love is not actually withdrawn by the Father, but rather that the activity of the Holy Spirit ceases to have activity, and so the Divine Love ceases to bestow or conveyed into a mortal finite soul. This is correct for the way that participation with Divine Love, established and created by the Father and introduced and taught by Jesus, to form part of the teachings of the New Birth and this being, that the Holy Spirit conveys the Father's Divine Love into a mortal soul. This is a fundamental teaching from Jesus and conveyed more openly in its workings in the Padgett Messages that many individuals are now aware and familiar with. The other teachings of the New Birth in their essential truths also form this foundation and are becoming common knowledge.

A religion involving Divine Love is the New Birth of that soul. In the Divine Love Spheres and Celestial Heavens, all spirits aware of Divine Love are learning to become aware of their own soul's New Birth in Divine Love and there is not a material or spirit construction of an actualised religion. Spirits in Divine Love do not live in a religion for they are living in Divine Love. In all various stages of soul condition and soul progression acknowledging that with nurturing awareness, all may come to live in the Celestial Heaven individually and in this individual love of the Father, which has become personalised, each spirit lives in the harmony and presence of the Father.

What we have concluded through careful consideration and Celestial communication is as follows: The Father is Present Eternal and knows how many mortal souls created – we do not know this although we speculate to the figure of 1 Trillion. This means that 500 Billion souls created that are duplex in nature to create 1 Trillion mortal souls. This reveals the time that the Father sees for incarnation and so the participation of the Holy Spirit will continue for quite some time yet. Only Jesus, who commenced this season with the Father whilst living as man on Earth, can announce and declare that what began has now ended with regard to the workings of the Holy Spirit. The Father will provide this truth and awareness in the soul of Jesus, here in the Celestial Heaven to which then Jesus will act as he always does, in the harmony of the Father. The de-activation of the Holy Spirit is only the Father's working. All other mortal souls are subject to this and even Jesus cannot determine the activity of the Holy Spirit by his own grace. The Holy Spirit cannot separate or isolate from its union with the Father's Divine Love and since the Divine Love is the substance of the Father, all related attributes such as the Holy Spirit, are subject to the Father's Soul.

Jesus by his own understanding and revealing will never incarnate on the Earth again. This understood for no soul regardless of their soul condition, can reincarnate because of the presence of their spirit body. The spirit body answers the question about why souls do not reincarnate. The Father has not created a Law for the existence of such a soul to experience. Once a soul has incarnated into the mortal world, incarnation of that soul is final and complete.

This brings us to realise that when Jesus closes this Season of the Holy Spirit in accord to His Father's Love, he will present himself in spirit body form to the mortal world and spirit Spheres. This reveals that in the long duration of time the awareness of Divine Love and the teachings of the New Birth will permeate throughout humanity in the hundreds and thousands of years to come, so that when Jesus does

return to declare that the Holy Spirit is no longer active. We understand that the mortal world requires knowledge of such things.

It would be a contradistinction to the Laws and workings of love were all spirits in the Divine Love Spheres and Celestial Heavens receiving Divine Love, whilst not all mortal souls of the Earth and Natural spirits know that the Holy Spirit is de-activated and, the availability to receive Divine Love ceased. Individuals may be praying for the Love and believing they are receiving the Love when in actual fact without their awareness of knowing the Holy Spirit has been de-activated and their sincere prayers for the Inflowing of Divine love are being heard by the Father but the Divine Love is not forthcoming and hence, not received. This may take several more thousand mortal years to fulfil and to the exact date, we do not know.

What we do know, is that the Father knows the number of souls to incarnate and the mortal time that is required for such an undertaking for such a number of souls to incarnate. From the present and Eternal Love of the Soul of the Father, all Seasons involving the Holy Spirit will be in the perfect time for all mortal souls and so, all created mortal souls will eventually be given the opportunity to involve themselves in the Love. This is the loving way. There will not be the incarnation of another soul like Jesus to begin or end the activity of the Holy Spirit. The acceptance that forms part of the learning of Divine Love is that Jesus commenced this Season with the Father and Jesus will commence the end of this Season with the Father. All mortal ideas, created between these times about the future have their origins in the finite mortal soul. There is not a Natural spirit who can teach and reveal to humankind the Truth of such things when they themselves have not commenced their New Birth in the knowledge and awareness of the Divine Love and Holy Spirit, which are not, attributes of Natural Love.

By the time the Holy Spirit is de-activated and Jesus declares this so, Jesus will be accepted by the vast majority of incarnated souls in the mortal world and definitively in the Natural spirit Spheres. Although this may seem near impossible to you in this present day, we can see the collective awareness of man, in years to come will desire to know the Love of the Father. In doing this, the Truths be known and so there will be a comprehensive understanding but it will have its origins in the Natural Love of man and the Divine Love of the Father.

To conclude this message, all Celestial spirits have learnt in their acceptance of the Father and Divine Love, that the Father, however unknown to man or soul, the Father knows all and nothing is unknown. We trust in knowing this and we live in this truth. The creation of all that is mortal and finite will ultimately come to know about the great gift that is available and present ... the Divine Love and the Holy Spirit and in this the Father's Love in all Laws relating to all finite mortal souls will be fulfilled.

With much love and thank you for receiving this message that may benefit all in their progress and awareness in Divine Love,  
Your loving friend, Nathanael

**The GOLDEN LEAF:**

via Zara Borthwick and Nicholas Arnold

February 20th, 2008

I am present and I am here to convey my final message and one that I feel most honoured to present.

We have covered much awareness in love and Divine Love, with all contributing spirits and people. This has been a most pleasurable collaboration and contribution. There has been so much written and spoken about Jesus and for each individual, mortal or spirit, who learns about Divine Love, Jesus is involved; even in Natural Love mortals and spirits develop a love of Jesus. Most involve themselves in the humanitarian aspect of understanding who Jesus is and what Jesus is in Jesus' relationship with man and with spirits and ultimately with God.

Jesus revealed the teachings of the New Birth in the form of The Truths that he revealed with the help of James Padgett and friends, that gave the beginning to what has now become known as 'the Divine Love'. Jesus' teachings have an origin and this origin is in the Divine Love. He received this from the Soul of the Father and from his once lived mortal life, when in Natural Love he learnt about the Truths of this love to the origins in his own soul and from his own origins as a soul from the Father. Jesus understands the complete mortal knowledge of Natural Love in all its workings and the Divine Love in all its workings that transpire in the mortal soul of men and women and all spirits.

Jesus is **the** teacher of the Father, and Mary Magdalene is **the** teacher of the Mother.

This is the complete definition of Jesus. Jesus teaches the workings of Natural and Divine Love that embrace the complete working at their intrinsic aspect and, this provides the union between humankind, spirits, and the individual and with the Father. Jesus teaches the way of at-onement in the soul in all form of progressive harmony. I am a teacher as are many Celestial spirits and there are mortals, people who are teachers of Natural and Divine Love. Our teaching comprises of our learning equal to the condition of our soul that is living in these Loves. Jesus is the complete living example of this Truth and therefore has the place, love, and humility from which his love and Truth bring to all spirits, the knowledge of the Father.

All Celestial spirits understand the true nature of soul progression in Divine Love. Why mortals and spirits refer to Jesus as the Master is because he understands the relationship with the Father perfectly. He assists with all ascending mortal souls and the environments that they live in. Jesus, referred to as the Master, because we recognise that he is the teacher of the Father and in this, we all accept and know. For the Divine Love that we receive our selves confirms the teachings of Jesus. It is also important to mention that Jesus has never referred to and will never refer to his own identity as being "the Master". Celestial spirits in the Celestial Heaven converse with Jesus as Jesus, and not Master. This equates the realisation that the Universal Father is present in all things, the title 'Master' generally for mortal identification.

The quintessential truth is that Jesus is teaching and revealing the Father from his own soul so that we all may learn to progress in our own relationship as a soul with the Father. To my knowledge when Jesus is teaching, he has not swayed from his first Truth and this being that the Soul, God is his Father and this he teaches throughout all the Spheres and mortal realm. If there is, one thing that is truly consistent it is that Jesus has always taught the truths of Divine Love that his soul first received from His Father when as a mortal on Earth.

To conclude I would like to shine forth in this message. When one is learning about Divine Love in context to their own Natural Love in their soul, and any contributing work that Jesus with the help of other Celestial spirits and people have contributed, it is that Jesus is lovingly teaches you about the Father and your own loving soulful relationship with the Father. If one's heart accepts and understands this, then his truths will shine the way forward towards the Father and one's faith will always remain true in their living faith.

My friend Nathanael is with me now, with White Feather, Gandhi, and many other spirits who have contributed in this collaborative effort to shine light into the world of awareness and presence of Divine Love.

I thank you so much for receiving this message and my love to you all. Your loving friend and Celestial teacher,  
Elias

**CELESTIAL SOUL CONDITION:**

Message 72

23 September 2013

“I have been introduced to Jesus and I can say that he is not God, nor ever was, and that he is not currently walking around on the face of the Earth and that he never will again.”

Samuel from the spirit world – 5<sup>th</sup> Divine Love sphere.

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to ‘our Mother and Father’. Further, when considering soul healing, then reference to Divine Love could be referred to as ‘Feeling Healing with Divine Love’.

**ANN CONFIRMS the AVAILABILITY:** Message 90, Destiny, The Eternal Message of Divine Love  
Last quarter of 2015 Via Zara Borthwick and Nicholas Arnold

I am here surrounding you with my love; it is I Ann Rollins (grandmother of James Padgett). The Truth that Andrew has just conveyed to you about the availability of the Love is an important one.

We do not like it when individuals who are aware of the Love in their human experience reveal, or teach that a withdraw of the Father's Love is imminent. We would like people to know that people and spirits who are in receipt of the Love can always be in receipt of the Love. The only Truth about withdraw is placed to those people and spirits who have as yet – or in the near future – to accept their soul-life living with this Love, and people and spirits in this situation will be able to voluntarily choose to live with the Love for a very long time to come.

We are firm on this.

The Master, Jesus has taught us that the Father's Love will be abundantly present to those who haven't accepted their living with It for a very, very long time to come.

No man or spirit has the voice or the authority, as they experience the Love, to deem when that Love, the Divine Love, will cease to be available for the unaware soul to begin their life with the Father. Only Jesus has this knowledge and there is only one Jesus, and he is living here in the spirit world.

We live in a wonderful time for there was a time when all people and spirits couldn't partake of this Love. Now we can, and we can take our time as we progress in our realisation that we are soul. There are Truths that the Father has formed but Jesus knows these Truths about the Father's Divine Love, and so we are in good hands and not in the beliefs of a few people who in their short experience and awareness of the Love try to shape the destiny of another or the Love of the Father.

My love is shining toward you, Ann Rollins.

**Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.**

## **HISTORY UNFOLDING:**

Man was 'seeded' on Earth maybe some one million years ago in its primitive nature form, they were named Andon and Fonta. It was the arrival of Adam and Eve some thirty eight thousand years ago that there was to be an endeavour to significantly evolve the human race on Earth, both spiritually and genetically. In this endeavour, Adam and Eve defaulted, both succumbing to the ways of the rebellion that had been embraced by humanity in its animalistic nature over the several thousand years previously.

The Rebellion had been in play for maybe some two to three hundred thousand years. The Rebellion is that of one succumbing to one's mind and being self reliant, rather than embracing our Heavenly Parent's Will. From the outbreak of the rebellion to the day of enthronement of Jesus and Mary as sovereign rulers of Nebadon, Jesus and Mary never interfered with the rebel forces of Lucifer or their deputies, Satan.

It was the bestowal of Mary and Jesus, their coming to Earth, two thousand years ago, that brought about the authority and power for the removal of Lucifer. It was their coming into physical life and living on Earth, and remaining in a perfect state, that brought about the escalation of their authority and the termination of the Rebellion at that time. During the two thousand years leading to this current time, the remnants of the Rebellion were progressively removed. The Caligastias and Daligastias, being soul pairs and who remained embellishing the role of 'gods' in the natural love Mansion Worlds / spheres, had continued with their self-made appointment as rulers, now having only very recently been disposed from their 'thrones'.

Only now can humanity be guided and have available the pathway to step away from the pain and misery of being self reliant and now embrace the will of our Heavenly Parents, Mother and Father God. Only now can the feminine aspect come to full bloom and be revealed. Only now can the process of releasing the erroneous teachings that generation after generation hand down to their children be explained and be rebuffed. All of which could not be revealed under the rules of the Rebellion.

As Mary and Jesus, the Creator Daughter and Son of Nebadon, were perfect throughout their physical life, they do not have the personal experiences to adequately share with us how to heal ourselves of our evilness / errors, that of denying Mother and Father God and themselves, Mary and Jesus. And now there is possibly another bestowal pair on Earth. This pair being the Avonals. If they are here, then they will have embraced all the errors and evilness that humanity is in as they work through the Feeling Healing process and also embrace Soul Healing. Upon their physical deaths, they would release their spirits of truth and all of humanity who wish to undertake their Feeling Healing and Soul Healing, should they long for their support, will be able to access these Spirits of Truth for assistance.

Paradise Magisterial Sons and Daughters constitute the order of Avonals in contradistinction to the order of Michael, the Creator Sons and Daughters. Though not creators in the personal sense, they are closely associated with the Michaels in all their work. The Avonals are planetary ministers and judges, the magistrates of the time-space realms — of all races, to all worlds, and in all universes.

Humanity will continue to connect with the Spirits of Truth of Mary and Jesus, even though Mary and Jesus will now step back from assisting humanity and enable the Avonal pair to assist and guide humanity in this coming age. This change over is the end time of Mary and Jesus' era.

# First Parents being First Ensouled Humans

Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some **one million years ago**. Andon and Fonta were the most remarkable pair of human beings that have ever lived on the face of the Earth. This wonderful pair, the actual parents of all mankind, were in every way superior to many of their immediate descendants, and they were radically different from all of their ancestors, both immediate and remote.

The Lucifer soulmate pair believe that the mind is superior to all things. Thus they convinced the inhabitants of 37 inhabited planets within the universe of Nebadon, including Earth, to become self reliant and abandon God and Their administrative leadership. The Lucifers brought about the Rebellion on Earth two hundred thousand years ago. So for 200,000 years of spiritual darkness, humanity has suffered the consequences of one's error ridden mind.

**REBELLION**

Adam and Eve, the Adamite soulmate pair, came about **thirty eight thousand years ago** to upstep the gene structure of humanity and advance their spirituality.

**DEFAULT**

Both Eve and Adam mated with local humans and accordingly defaulted on the plan. They were to breed a superior stock that would then interbreed.

Mary of Magdalene and Jesus of Nazareth, soulmates, **two thousand years ago**, both retained perfection, and during their sojourn on Earth were enthroned as sovereign rulers of Nebadon. **The bestowal of Michael (Jesus and Mary) terminated the Lucifer rebellion.**

The Second Coming, **now in progress**, reveals the availability of Divine Love and the need for each person to engage in the process of Feeling Healing. With the Divine Love then this process is one's Soul Healing.

**REVELATIONS**

# Steps UP!

## Quantum Jump 1

**REVELATION 1**  
James Padgett 1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

## Quantum Jump 2

**REVELATION 2**  
Marion and James Moncrief 2002  
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

**God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.**

**Jesus and Mary are a son and daughter of God.**

**Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.**

**Give yourself time to consolidate your relationship with the Father through the partaking of His Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.**

**When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Father and Mother for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

**It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.**

**WE ARE Children of God**

## WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

**HUM:** Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon us by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

**AVO:** We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

**J&M:** We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

**M&F:** Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

**WE ARE Children of God**

**WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:**

**GOD**

**M&F**

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.  
 We are to long for the truth of what we are feeling.  
 We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

**J&M**

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

**By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

**AVO**

**HUM**

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

**WE ARE Children of God**

## HOW TO GET TO PARADISE:

Long for the Divine Love  
 Long for the Truth  
 Long for the truth of your feelings  
 Don't deny any feelings: accept, express and want to know the truth of them  
 Know your feelings are the key; your feelings are the Way  
 Want to end your falseness and being untrue  
 Want to understand the truth of your early life  
 Use your surface feelings to move deeper into yourself, bringing up your repressed feelings  
 Want and long to know the whole truth of yourself  
 Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

## The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

**PARADISE TRINITY:**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

**The LOCAL UNIVERSE TRINITY:**

1. **MARY M and JESUS (MF) – Love – the Living Truth**

# Mother and Father Heavenly Parents

Creator Son & Daughter  
Jesus and Mary

Avonals  
as soulmate pairs

Trinity Teachers  
as soulmate pairs

Melchizedeks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

**Humanity** is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

# REVELATIONS

**Revelation 1:** Our soul becomes encrusted with harmful ways of life, plus negative and erroneous beliefs, these mainly stem from our childhood upbringing and environment. Thus we live untrue to ourselves, we become 'evil'. Whilst we hold to these injuries we limit the amount of Love that we can receive into our soul. To open our soul to the Love we must firstly and progressively feel into our emotional injuries and allow them to be released. Until we emotionally experience past errors and injuries we hold onto them.

To free our soul of damage and toxic emotions we must open ourselves to experiencing them. This is a progressive, slow and uncomfortable cleansing process that we must all experience. Only by addressing the generational injuries will we, as humanity, evolve in love.

To fully divest one's self of our badness, we have to 'go into' our feelings. Call this process of clearing toxic emotions as 'Letting Go', 'Emotional Processing', 'Journey Process' or 'Feeling Healing'. Embracing Divine Love then Feeling Healing becomes Soul Healing.

As part of our Feeling-Healing we will have to work our way into all our feelings to see if indeed they are coming truly from our heart and soul, or if they are being heavily influenced by our mind. And this will then lead us into questioning and uncovering the truth, if there is any, to our beliefs and why we behave the way we do; and is such behaviour based on truth, or is it based once again on untruth, belief, and rules of our mind.

**Revelation 2:** We can long for, ask for and receive the Mother and Father's Divine Love. The greater our soul is free of error and injury, the more of the Divine Love can be received and assimilated into our natural love formed soul. The Love does not free us of injury, however, it strengthens our resolve to continue on our journey to be free of error and injury, to step away from evil aspects that have been encapsulated within our humanness and soul. It is this Love, the Divine Love, that brings about immortality of our soul and it is this Love that will eventually fit us to enter the Celestial Heavens and progress for ever more onwards to Paradise. These two revelations free us from error and enable us to grow in love ever more.

**Immortality with the Love.**

**WOOOWEE**

**End Times**

James: Hello Mary?

Mary Magdalene: Yes James, I'm here, I know you want to discuss some things with me, so please, go ahead.

James: Yes, thank you Mary. As you know, I was earlier speaking with Graeme, John having suggested Graeme call me (which was earlier in this afternoon), and he brought up some interesting points I'd like to ask you about. Firstly regarding the soul, as Graeme, and Marion after I spoke to her about what Graeme said, reminded me, the Padgett Messages says our soul separates into two halves for incarnation, and at some point, reunites again, the two soulmates coming back together and becoming one.

As I've evolved my understanding about the soul, the picture I've now got in my head is that it is the one soul, that expresses its two personalities in Creation, which each personality perceiving its soul, with the two soulmates presumably feeling or sensing the same soul that they are. And then I've not really understood about the getting back together part, what that actually means, which I think we've discussed before; as in: do the two personalities somehow merge to become one, reflecting the now united soul? Do the two personalities give up their individuality becoming something of them both, as the two soul halves unite? Can you please go over it again, and sort me out if I've got it wrong. Because if I have, then there's a lot of correcting I have to do.

Mary M: You've got nothing to worry about James, it all works in fine, which I'll explain to you. And it's just that you have evolved your concept and understanding of the soul and its relationship with its personalities in some way further than the Padgett Messages, which in part has been inspired by us spirits.

It is all the one soul, and it is said that it separates, because we want you to understand the notion of soulmates, that the soul is duplex in nature and not just one person, one soul. However the separation, which is what you suspect and understand it to be, is more like that which happens to the newly fertilised egg of the woman, when the zygote first separates through mitosis becoming two separate daughter cells, yet still within the one same overall egg.

It's a crude image, however that's sort of what the soul does. It doesn't separate as into two distinct halves, each being its own whole soul and separated by space or time, it is all still one soul that has two distinct halves that function united as one and yet at the same time as two distinct and separate halves, with each half expressing its personality in Creation.

You've simply just said it's one soul expressing its two soulmate personalities, which is correct, not worrying about the soul separation part, because you just understand that's what's happening within the one soul itself, so as to express its two personalities. It's something you've assumed everyone would understand, not even what you'd call an oversight, you just moving on with your understanding about it.

So when it's said the soul separates, it is actually created that way, with its two halves separated, yet still together as one. Something like the picture of the yin and yang symbol (yet not what it stands for), and without the two halves actually physically separating. The soul doesn't split in two for example, the two halves separating apart being independent of each other, the single soul is always with its two halves, the two halves always in perfect unison with each other.

James: Okay, yes, that is the picture I have in my mind; so what about the getting back together part – what is that, or how does that happen?

Mary M: That happens at a certain point of soul development; which means, it has expressed its two personalities in Creation for an amount of time that has enabled it through its personalities to live a predetermined amount of life experience that gives rise to a predetermined level or amount of truth; so when the soul has evolved or grown in truth to a certain level, then the separation within itself of its two halves, ends, the two becoming wholly one. And yet at the same time, it keeps expressing its two personalities in Creation, the two personalities always forevermore maintaining their unique self-expression and not somehow uniting to become a sort of blended new personality. And this point of soul-union, as it's often referred to, is when the soul has reached the level of truth when its two personalities are to move beyond the Local Universe, and out into the greater Superuniverse. So it signifies the end of one's morontial spirit experience, that being what you would refer to as the end of one's ascension through the Celestial spheres, for those Celestial spheres technically are all Local Universal. And beyond them, out in the greater Superuniverse, there are no such planes, worlds or spheres as such, there are still levels, however they are not as heavily defined, and have nothing to do with the soul's evolution of truth as they do through the Mansion Worlds and Local Universe Celestial spheres, such as through Nebadon.

Out in the greater Superuniverse, you are then a real spirit; which means, you are a united soul expressing its two unique personalities. You are really Two who are One. And being a 'true spirit' you are free to move about the Superuniverse wherever your continued ascension of truth takes you, all on your way to Paradise. So if you like, your Mansion World experience including that of the physical Earth, can be likened to your forming years, in which you become untrue and have to do your Healing to become true. Then as Celestials and right the way through Nebadon, mortal spirits from Earth are like adolescents, yet now true and perfect ones because of having completed their Healing. Then upon leaving Nebadon, it's like you are leaving home, that being the 'home' (Nebadon) of your 'spiritual parents' Jesus and myself, free as adults to roam the far flung regions of the greater Superuniverse on your way to Havona, the Central Universe, and then onward and inward to Paradise itself.

So the soul union signifies that you've really come of age, you are a full universal spirit citizen, with you and your soulmate setting out with your soulgroup to live all sorts of different higher universal experiences, all that your soul will need so as to keep you both having experiences, so you can keep revealing the hidden truths contained within your soul to yourselves, this giving you the feeling that you are growing or evolving in truth.

Our relationship with our soul is a very intimate experience James, the most truly intimate you can have. Each personality of it, the two soulmate personalities, relate intimately to it, getting to know it, as you get to know yourselves. And after soul-union, then you both feel that you are getting to know the same soul, and not just your half as it were; which then in turn brings your personality relationship much closer, making it even more intimate as you feel so in sync with your partner, feeling so connected on the soul level, knowing that together as both of you fully express how you are, you are both contributing equally to the evolution of your soul – the revelation of your truth. So you don't feel separate at all, with the many Celestial spheres designed to steadily harmonise, bring about, prepare you for, that soul-union.

So to summarise: Your soul in its ‘divided’ state, incarnates its two soul-personalities in Creation. Each personality being uniquely bestowed on each ‘half’ by the Mother and Father, that happening at the ‘separation’ after the soul has been created by Them. So They create the soul, then it ‘separates’, then they bless each half with a unique personality.

Then when ready, as deemed by our Mother and Father, the two personalities expressing each ‘half’ start life in Creation, and in your cases, being born into anti-truth and an unloving condition, so one of complete soulmate rejection. So the two soulmates CANNOT under any circumstance, find each other – know about each others existence, have any positive union whatsoever, while you’re of the Rebellion and Default and living untrue to yourselves. So anyone who claims with truth they are with their soulmate, is in error, for until you, at least begin your Healing, you can’t know truly of each other. You could be in the same room, you might even oddly have a relationship together, yet you won’t have any feeling or inkling about TRULY being soulmates, even if you say and believe with your mind that you feel you are. The truth will be withheld from you, because you are living in an anti-truth state, so you have to live against the truth, doing all you can to deny it.

As you progress through your Healing, then your chances start to increase that you will meet your soulmate, together with coming to know the truth that you really are true soulmates, and not just soulmate wishful thinking and believing made up by your mind, dreams and fantasies.

And by the time you are fully Healed, so of a Celestial level of truth and fused with your Indwelling Spirit that ensures your soul will forevermore express its fused personality, then you will be with your soulmate and know the truth that you are soulmates, yet still you will be ‘divided’ within your soul, you’ll not really be able to feel that you actually are of the same one soul, you’ll just feel increasingly that you are getting closer and closer to each other.

And then by the time you are ready to leave Nebadon (to qualify for leaving), you will have united the two ‘halves’, the full soul-union having taken place, and you’ll both feel you are now of the same one soul that is expressing its two full spirit personalities in Creation.

And within each of your two spirit personalities, you’ll have the connection between your personality and soul cemented by your soul and personality fusion with your Indwelling Spirit of God, this having taken place personally for each of you at the Celestial level when you finished your Healing. And now at the soul-union level as you leave Nebadon, so you will each still feel completely at-one with your Indwelling Spirit, thereby enabling each of the two personalities to have their own unique and separate relationship with the Mother and Father on the personality level, even as you feel on the united soul level that your relationship with the Mother and Father is as if you are one with Them. And soul-union is another incredible experience of love for you, one that binds you both together for eternal soulmate destiny – it’s an absolutely sublime and wonderful experience.

Think about all of that James, and should you want to know anything more or things still don’t add up, don’t hesitate to ask me.

James: Thank you Mary, I like the sound of that. It all makes sense. Now if you don’t mind, I’d like to ask you about the other thing Graeme brought up for me, and that’s about AJ Miller, and AJ saying he and Mary Luck are the reincarnation of you and Jesus. And although we’ve been over it before, I was wondering why is it that they are claiming to be Mary and Jesus, and at this time, and in Australia; and according to Graeme, we having a lot that’s similar in what we’re saying. As Graeme said, it’s a bit

like, well, who do you choose: Jesus and Mary up in north Australia, or Jesus and Mary still in Salvington speaking to me? So why the need to have such confusion? To make it just that bit harder for everyone? It's not as if it's not hard enough already.

Mary M: It's necessary James, as part of the outworking of the Rebellion and Default. The Truth, is to be presented to humanity at this time. And at the same time, there is to be also presented: the Untruth. And most people, wrongly, believe that this means there is the Truth and the Anti-Truth, so there is the true way, the Christian way; and the coming way of the Antichrist, the wrong way. However that's not really what's going on, that's only something that is a microcosm of what is actually happening, and is confined to the 'Christian Universe', which as usual, is not where the real problem lies. It's not where the real action is taking place.

The real heart of the matter is the Lucifers and Satans, Caligastias and Daligastias (each with their soulmate, thus being four soulmate pairs), all in their different and yet in the same way, usurped Jesus and I. They all said: We're the 'new' Mary M and Jesus, as it were. We are your new spiritual parents, we've taken over from Mary M and Jesus who were deficient. Mary and Jesus were leading you astray, they were lying to you, that we're making you have to toe the line and live the Will of God; when we, your truly loving parents (as Mary and Jesus didn't really love you, they just said they did, unlike we do) are telling you that you can be your own god, just do whatever you want to do, you've got free will – so use it! Which is as you understand James, the way of feelings verses the way of the mind controlling feelings. So the Lucifers became the false parents of humanity, taking over Jesus and my role, using the mind to dominate and thereby shutting down people's natural way to use their feelings to uncover the truth for themselves – the very truths Jesus and I are living.

So the Lucifers and the others said: Follow Us, we know the real way (which is the mind way) to the promised land, don't listen to Mary and Jesus and all that feeling rubbish stuff, that's all too hard, look to your mind, as it's much easier. And so humanity moved deeper and deeper into the truth-denying mind ways.

So, as far as the Truth is concerned, and the Truth being fully presented to humanity at this time, what is also required, is the equivalent anti-truth to equally be honoured. And so you have a pair of individuals who've come together, taking it upon themselves to say they are Mary and Jesus, and they know the way, so follow us, and we'll lead you to the promised land – to the Heavenly Mother and Father, to Paradise, and so on. So they represent the closest, truest and even the highest expression of the wrongness you can have, the most wrong so far as the truth is concerned by denying Jesus and I, that humanity can live. Far more insidious than something so obvious and with nothing to do with the Truth, as that of the supposed coming Antichrist for the Christian's to deal with. The Christian's are not about the truth, and so neither will be their Antichrist, however Mary Luck and AJ are about the truth, or so they purport, and are helping people to understand that liberating one's repressed pain and childhood bad feelings, helps people set themselves free of their pain. Which sounds very admirable, and of a great help to those people wanting to look deeper into the truth of their pain and suffering.

So here is the greatest deception of them all, and the hardest for some people to reconcile. And so, who does one choose, as Graeme was saying, and how does one really know who is right and who to believe? And so that's where it comes back to how each individual deals with the truth for themselves. People can say: believe that one, and not that one; yet still, it's for each person to work out for themselves which way they are to go. And one's feeling are all you've got to go on, however they being

so distorted by your controlling minds, so then what do you do? And that's for each person to come to terms with within themselves.

Jesus and I are not going to say: follow us and not AJ and Mary Luck. That is not our place to do so. That would be out trying to interfere with the Rebellion and Default which we don't want to do. We want it to run its course, to its natural conclusion, knowing the Mother and Father have it well in hand, and are implementing steps to end it, now allowing humanity to have access to the truth of how to Heal themselves of it.

So Jesus came again through Mr James Padgett to re-present enough of the truth of Divine Love, so as to enable this last phase of the Rebellion and Default to play itself out – through those people in the Divine Love Movement, and more importantly, through AJ and Mary L.

So to answer another of your questions James, who is behind Mary Luck and AJ, for they are surely being led along, fed higher truths of a Celestial nature... so, are the Celestials behind them... but surely that can't be, surely it's the mind spirits at work again, only the mind spirits are still mind spirits because they don't understand the higher Celestials truths... so what's going on? That being one of your thought patterns James.

And what is going on, is, and as hard as it might be to accept, the Celestials are helping AJ and Mary to move along in their denial of truth. They are supplying them with many higher truths and deeper understanding and insight into the need for people to do their Healing, all but mirroring your work James, and yet also with some very different parts, the most notable, being Mary Luck and AJ claiming they are Jesus and myself, whereas you don't do that.

And that then brings us back to the crux to the matter, the Rebellion by the Lucifers against Jesus and I. And so you have Mary Luck and AJ rebelling against Jesus and myself, so you can see the connection.

James: I see what you mean Mary, so they for intents and purposes are the Lucifers on Earth, being the closest to the truth, and yet not quite it, because they keep pretending to be you and Jesus. Why did they go that way, why not read The Urantia Book and claim to be Avonals, then although they would have gone against the book, it would have been easier than pretending to be you and Jesus?

Mary M: Then it wouldn't have been the fulfilment of the Rebellion and Default. They, or some other couple, had to become the 'personification' as it were, of the Lucifers. AJ and Mary Luck are nowhere near being like the true Lucifers, they are ascending mortals just pretending to be Jesus and myself, they have no higher universal soul power and authority like the Lucifers do, and sadly, Mary Luck and AJ actually want to help people in their misguided ways, whereas the Lucifers didn't, they just wanted to control them for their own power and glory. And yes, by default, that too is actually what Mary L and AJ are doing, for their own power and glory, as it can't be any other way whilst pretending to be Jesus and myself.

And as to why they are Australian's living up north, well James, there's a little more to it that's yet to be revealed. Suffice it to say, what a coincidence it would be were you and Marion to actually move up north yourselves, like you at least James, want to do. And being so close to AJ and Mary L, well, you can see the irony and sense of humour in that.

James: We may as well move in next door! Why not go the whole hog.

Mary M: Graeme said to you that AJ feels he's near the end of his healing, and when that happens, then something very profound is going to happen to humanity. And as you were thinking, that would mean he'd have to be empowered by his controlling spirits, which are the correct thoughts to have, because as he's not Jesus, he doesn't have any real soul power in that way. So, will the Celestials empower him... and is he even nearing the completion of his healing as he says he is... or is it all something else, just more delusion? And it's even more interesting that you feel you, James, are moving through the same levels soon to possibly complete your Healing. Wouldn't it be interesting if he and you finished your respective healing around the same time? Interesting times would you not say James?

James: If it were any more interesting Mary, I'd have to go to bed for the duration because my mind would have exploded with the tension and amazingness of it all. Could it be more complex, exciting and stressful? Who thought all this up Mary?

Mary M: I think you know the answer to that James. Still, the sticky point with AJ and Mary is: can Mary M and Jesus incarnate taking on the full yuk of Rebellion and Default? And that is the problem – because, as we've explained to you, we can't. Our souls are too perfect. Were Jesus and I to somehow manage to incarnate becoming ourselves fully of the evil, at the precise moment of our incarnation, our souls by power innate within them, would instantly perfect the evil, because we – our soul – can't become evil. The Creator Pair soul is incorruptible, it can't become imperfect, untrue, false, wrong, evil. It it's not created to. So were we to impose our soul completely on humanity, such as by taking on all the wrongness, we'd instantly cause all your souls to be brought into the same perfect condition of our soul. We'd not become evil; you'd all become Healed. Which of itself would be a miraculous feat to behold, however that would then instantly deny you all of doing your Healing.

James: I don't think many people would complain about that Mary.

Mary M: I daresay you're right James, however look at how much truth and experience you and Marion have got out of doing your Healing, all of which would be denied you were Jesus and I to take that opportunity away from you.

James: It would certainly bring things to an abrupt halt, god, instantly everyone is Celestial and no more wrongness, that would be a spectacular change. Still, I understand what you're saying; and oh yes, my Healing has been such great fun, I wouldn't have wanted to miss one moment of it! So thank god you and Jesus didn't come taking on the wrongness!

Mary M: As I said James, we can't do it, it's what the Avonal pairs do. Jesus and myself can incarnate whilst maintaining our perfection, which we did, but that also means we're not going to reveal any truths concerning how to Heal the imperfection; because had we done that, then we'd be doing the same as if we incarnated fully into the wrongness, only it would be in slow motion. We'd not instantly cause all humanity to be Healed, had we revealed the truth of the Healing, however by providing the way for humanity to Heal itself, slowly by people being able to do their own Healing, all amounts to the same thing: our interfering with you. Whereas the Avonals can interfere in that way.

James: So what if AJ and Mary switched camps and said they were now Avonals, that would fit better... or what if other couples say they are Avonals, there could be lots of different Avonal pairs all standing up saying we're the one's, follow us, we'll show you how to Heal yourselves.

Mary M: True, that would add further complications, however it wouldn't complete the full outworking of the Rebellion and Default, and that's what's needed. You need to have at least one couple claiming to be Jesus and myself for the Rebellion and Default to be completed. Then you've worked it right through James, don't you see, then you've got the higher spirit couple, the Lucifers, saying they are taking over from Jesus and myself, so effectively saying we are now Mary M and Jesus, that being at the beginning of it all; and now at the end of it all, you've got humanity fully taking it on, as in a human couple claiming to be Mary M and Jesus, which also means you are in the real End Times.

James: So why has it taken so long for a human couple to come claiming to be you and Jesus, surely there must have been others through the two hundred thousand years of the Rebellion?

Mary M: There have been others, but they've not had access to all the truth that Mary Luck and AJ have. Mary L and AJ are really coming up on the back of you and Marion, James. They are taking from you, directly and indirectly – even without them knowing it at times, taking from all you are revealing. So in a way, you could even say you're like one of the Celestials helping them.

James: Yeah, well if they are using my work, they can, I've put it out there for anyone to use. And even if they are not openly doing it, but are getting it by osmosis or from the Celestials as you say, they are free to do that too.

Mary M: That's right, you're not about to say they can't, and neither are Jesus or myself.

James: So what's going to happen in the end Mary, surely it has to end somewhere?

Mary M: That's where you have to stay tuned to the next exciting adventure...

James: I don't think you should watch so much TV!

Mary M: We can't ruin it for you James. We'd be interfering, which as I said, we can't do. So you'll all work it through. The 'camp' of truth is being formed; in opposition to the 'camp' of untruth...

James: And what about all the Antichrist stuff?

Mary M: It will flare up, a conflagration, then die back, having no effect upon what's really happening – with what's really going down. That is a mere sideshow, it might take up a lot of space and create a lot of hot air, but as I said, there's no truth involved, so really it's just a mind distraction, mere entertainment shall we say, something for those not seeking truth to watch on their TVs.

The Christian abomination is to die out, along with all the truth-denying religions of the world, and mostly they'll do that by killing each other. And there is nothing that can be done about that, many people believe they need to 'die for their beliefs' and so they will be given the opportunity to do so. And they will move into their respective religions in their mind spirit lives, there to carry on their 'good works' until the time when their soul says it's time to start their Healing.

James: I'm still amazed that no one else has picked up on being Avonals... why hasn't that happened Mary?

Mary M: Because they are second rate, they are *only* Avonals. They are not the Great Ones, Jesus and myself. And why bother being Avonals when they are lesser than the Creator Pair, so can't do what Mary and Jesus can do, so would be ineffectual compared to them. Not that anyone has really thought this through James, but that's about what it amounts to unconsciously for such people reading The Urantia Book (TUB).

They don't understand the significance of the Avonals being the actual ones to reveal the truths to humanity so it can Heal itself, and that Jesus and I can't do that. However when people do understand this point, it's conceivable that being the Avonal pair might be more appealing, provided they can get past what TUB says about there not needing to be such a pair coming to Earth because of Jesus and my coming, which is not entirely correct, however was necessary to be put into the book to 'keep people off the scent'. Which is a cryptic message to your readers James, that which you understand, and which I will end with. You're getting tired from my light James. If you want me to clarify anything let me know. Otherwise, until next time you want to talk – all my love to you James; and to all the people who are involved with you who might read this, Mary M.

James: Thank you Mary, that was great.

Later, having thought it all over:

James: So Mary, my role I feel is to present both cases so people can decide for themselves. I know what I think and feel, and obviously I don't support AJ and Mary Luck, however at least I can present a little more of the truth that might help people decide for themselves. So, who do you follow: AJ and Mary Luck – Jesus and Mary on Earth; or, Mary and Jesus in spirit?

Mary M: And it's for people's feelings to decide. And when people sincerely long for the Truth and start their Healing and want to live true and want to know what is the real truest and highest truth one can strive for and be of – live, then such people will start engaging Jesus' and my Spirits of Truth, which will help them feel more like moving toward us and less inclined to go along the path of AJ and Mary Luck; who are really reflecting the path of the Lucifers pretending to be Jesus and myself. And neither the Lucifer's nor AJ and Mary Luck have Spirits of Truth to help people, despite what AJ believes about himself and his liberated so-called Spirit of Truth.

John YOU'VE DONE IT AGAIN! I can't believe it! I am having a major evening, link ups all over the place, IT'S ALL SLOTTING INTO PLACE – I FINALLY GET IT, WHAT THE END TIMES ARE AS YOU HAVE READ ABOVE.

It's the APEX, the real end of the Rebellion drawing to a close. It's all to do with AJ and Mary Luck, can you believe it, that's why you were sent to see what they were all about. And speaking with Graeme about them today has brought it all into place. I thought, who will I ask about it, Jesus or Mary, and then went with Mary. And OF COURSE it was to be Mary, it's part of the feminine coming in and completing yet more of the Revelation.

You are getting me to work my bum off, writing, every day more writing, yet WOOWEE what a ride. I've got it now, the whole picture, and what I reckon I've been trying to 'extract' out of poor Nanna

Beth these past weeks. There is probably still more to come, always more, however as far as I'm concerned, BRING ON THE MONEY, it can come now for you if it's meant to come, we've got the whole picture, what the whole Rebellion has been leading up to – it's HUGE, I can't believe it, can't believe I hadn't put it together myself, and yet I know why I didn't, I see it all so clearly. And it's because it was you, John, who was to orchestrate its happening, to make me reach for that truth, because I'm happy with it all as I've understood it, and it's now you making me reveal what you want, what humanity needs to round it all off. You unwittingly are calling the shots mate, and how wonderful, working Nanna Beth to the bone, wow, it's all so incredible, I've had goose pimples all evening. I haven't finished reading through what Mary wrote, and I want to write more with Nanna Beth about it, but possibly tomorrow, as I want to get this off to you tonight.

Thank you again, and wow, we all love you John and all you are doing for us all – what a ride! What a pace! And if it keeps going like this... shit!

8 December 2017 9:41 PM, James Moncrief wrote to Graeme:

And why NOT you! You out of everyone in the world – ha! It was lovely speaking with you Graeme, and shit did you help a lot come up for me and to help John, as he'll no doubt pass it onto you. Boy oh boy!

And thank you again for reading through my stuff so carefully. You are a dream come true in that regard. I can't believe it. The Mother and Father have always said I'd get help with my writing, that people would help me sort it out and fix it up. I can't believe it, I have to keep pinching myself. And the fact people like it...well that's too much too.

Love James.

It's the startled look, or is it one of complete rapture!

And Graeme in response: Why not indeed James!

It's my absolute pleasure (and complete rapture) reading, absorbing and proof reading your amazing writings. As I said to John yesterday afternoon, there are really no words that fully relay the feelings I have when readings these works...amazing, wonderful, OMG, gob-smacked... none of them do it justice. So thank you for your courage, tenacity and humbleness as you journey forward. It is a privilege to be among the first to absorb these messages from Jesus and Mary...and it was a special moment when we connected for the first time yesterday. So, "believe it, keep pinching yourself" and know in your heart you are not alone (especially in the spirit world) and help, guidance and support are some of the gifts you'll receive for your life-changing work.

Your friend and brother

Graeme

PS I adore your photos and in particular the dogs in rapture!

**SPIRITS of TRUTH and HOLY SPIRIT:**

More from James regarding Spirits:

The Holy Spirit provides differing support and guidance to that of the Indwelling Spirit. The Indwelling Spirits guides one to God, our Heavenly Mother and Father; the Holy Spirit brings Their Divine Love into our heart.

The Spirit of Truth becomes active ONLY when we choose to follow the ‘owner’ of that Spirit of Truth. So in our cases, Jesus and Mary Magdalene. We have to want to live the same truth as they are living, so ‘be like them’ and in doing so this activates their Spirit of Truth. And so if we choose to be as they are in truth, to live how they live the truth, to be of truth and the same truths they are, then with their Spirits of Truth assisting us we will come to relate to our Mother and Father just as they do.

We are growing spiritually in Mary and Jesus’ universe. We have to want to be as they are in truth, if we don’t want to do that then we’re rebelling against them. And if we don’t embrace them, then we’ll never leave Nebadon, the region of the universe that encapsulates Earth.

The whole idea about having Spirits of Truth coming from Paradise Pairs is so the ascending mortals (us) of that universe (from the Creator Pair) and specific worlds (from the Avonal Pairs), all end up living the same truths. And if we didn’t live the same truths, we’d all still remain all over the place and have nothing we can all connect with and relate to in each other.

So we can come from all over the planet, from very diverse races and cultures, yet because we all end up embracing the Spirits of Truth that are to help reveal the truths we are to know, so we’ll all be able to connect and relate to each other through the truth we’re living, all being able to live happily together as Celestials, and eventually as Celestials on Earth. It’s the Spirits of Truth that bring us all together, homogenises us if you like. And if we all lived true to them, we would not need any rules or laws because we would all be living and knowing the same truths – so all living the same way only expressing those truths individually.

Saturday, 9 December 2017:

Hi John and James,

Well, it's late on Saturday night and I couldn't get to sleep...something kept "nagging" me – check your emails, there's something you must read – and there it was sent at 5.34am and I'm reading it at 11.40pm! WOOOWEE! Thanks John!

And thank you James. I had no idea that some of my questions and statements concerning AJ and Mary L would lead to such a complete (and yes complex) explanation from Mary M (and dare I say the REAL Mary).

And again we have to thank John for his role in this unfolding story...his "casual" way of suggesting I give you (James) a call and "have a chat". So innocent – yeah!

I guess it's my style to be upfront and straight forward (John already knew this) so it was inevitable that I relayed "my story" of first meeting AJ at a talk he gave in Nerang, Queensland (26 & 27 September 2009), and me jumping to my feet and asking him a question about "reincarnation" – oh so innocently.

This of course opened up our conversation where I told James some of the things I remember AJ saying in his talk – the stuff about souls, how they incarnate, AJ's explanation of how "the 14" decided they'd return to Earth to "help humanity" etc, etc.

Little did I realise that this lead to more questions in James' mind (after he felt them first) and what better way to get answers to the questions than speak to Mary M!

Once again I'm in awe of this telephone line you have to – and I'll state it for the record now – the REAL Mary...and only the real Mary M could provide such a complete explanation to some of my dilemmas (and others I'm sure) within hours of our conversation.

I have to believe THIS WAS NO COINCIDENCE – our conversation, the questions, the doubts in my mind and finally THE TRUTH.

I said earlier that mere words are inadequate to express my feelings – WONDER AND AWE – don't even come close. But I will say, and continue to say, thank you John, thank you James. And thank you Mary M and Jesus. WOOOWEE...that's a great word.

My love to you both

Graeme

Saturday, 9 December 2017:

James: Good morning Nanna Beth, I can't wait to discuss more of what Mary said yesterday, with you.

Nanna Beth, 3<sup>rd</sup> Celestial Heaven: Go ahead James; yes, we're ready for you.

James: There was so much in what she said about AJ (Miller) and Mary Luck. I don't know where to begin, things have been going through my mind all evening and this morning, so many different aspects to it. The best part is yet again I feel like it's completed my whole Revelation, seeing that it's the end result of the Rebellion and Default. As Marion said, the Lucifers didn't pretend to be Mary and Jesus, like AJ and Mary are, but it's the truth that's corrupted – or the finding of it. The Lucifers stood in the way of our being able to relate truly to Mary and Jesus and connect with their Spirits of Truth, just as AJ and Mary L are now doing by pretending to be Mary and Jesus. If we are to follow AJ and Mary L and look to them for their truth to see us right the way through Nebadon, accessing their Spirits of Truth (which they don't have), then we can't access the real Mary and Jesus' Spirit of Truth, with AJ and Mary L stopping people, blocking all humanity, saying follow us and not the real Mary and Jesus. And that is so wrong, couldn't be more wrong, because then no one would be able to ascend out of Nebadon, which is what the Lucifers wanted, so they'd not lose all their followers, keeping everyone limited and bound to the Mansion Worlds. Which would get a bit cramped after a while.

Nanna Beth: Yes, the important part being they are taking over from Mary and Jesus; and no one is to take over from anyone else, let alone from them.

James: Yes, which is what I've been seeing more about myself this morning, how I want to possess and control the world – my world, having everything as I want it, just as AJ and Mary L want to control their world, the whole of Nebadon in fact, having it be all how they want it to be. And as I wasn't allowed to actually assert my control, so I've not been able to do anything in my life other than get angry with everyone in my mind for not being how I think they should be, whereas AJ and Mary L have been able to do something toward asserting their control.

Nanna Beth: Which is what we've all got to work through in our Healing. As we all want such false power and control.

James: Yes, and is it hard or what, to give it up, because to do so, then you have to accept and go into all those shocking feelings of feeling so powerless, and who wants to feel all that yuk! So really the best thing would be for AJ and Mary L to give it up, to call it quits, submit to their deeper feelings of feeling powerless, which would help them see the truth of why they want to have such power by claiming to be Mary and Jesus. So if AJ completes his healing, as Graeme said he reckons he might do soon, and were he to really be true and access those deepest powerless parts of himself, then he'd give it all up, and not be the Great One suddenly assuming all-power, which he obviously hopes will happen for him when he completes his healing or whatever he calls it.

I guess he wants to be the all-powerful Jesus and ACT, sort out the Rebellion and Default once and for all, whatever that might mean – heal the whole world, no doubt, and possibly stop everyone being cruel to each other and wrong (all things I'd like to be able to do where I all-powerful). Yet something Mary and Jesus haven't even done, and won't do, as Mary said. So really I think it's AJ just wanting to hit back at his parents, hitting out at the wrongness wanting to make it all go away so he and Mary L can live happily on Paradise on Earth forevermore, just like all the same feelings I've had along those lines. Am I on the right track Nanna Beth?

Nanna Beth: You are, and as you said, it's because of seeing it all within yourself that you can see it in them. The real Mary and Jesus are not doing anything to 'save' humanity, they are not making you change in any way, they are only offering you the truth to help yourselves. So at best people can offer that truth to each other, but not enforce it or make anyone stop being how they are. And if you were all-powerful and could instantly perfect everyone on the world, would you really do that James, denying everyone their experiences of being evil and doing their Healing?

James: So what will happen when AJ reaches that point he reckons is coming?

Nanna Beth: Nothing. It will be a flop, which will put pressure on him to question everything, as he'll also be questioned by his followers. If you're Mary and Jesus, you've got to surely follow through, and yet what does that really mean? Mary and Jesus didn't follow through because there was nothing for them to do. They have made their Spirits of Truth available, and that's the help they are offering, something very subtle and not very outspoken.

James: This morning in the car going shopping I felt that this with AJ and Mary L is the final barrier to do with all of this that I had to break through, and I felt so good, that being what I've felt was pressing on me these past weeks all to do with the Couriers. And now that I've seen the truth of it, I feel I can move past it, and it would be great to think; so too can John and Crystal with SI and all they want to do. It would be amazing to see it all being related. I might be jumping the gun, it might only be the first part of the barrier I'm moving through, yet still – what do you reckon?

Nanna Beth: It's what you are feeling James, we can't go ahead of you. And as to whether it has any positive affects with John and Crystal, that waits to be seen. We can't tell you what's going to happen, only expanding on what does happen. But because of what happened with Mary (Magdalene) yesterday, you have freed us up tremendously, we're now all systems are go, we no longer have any such barriers preventing us doing what we want to do. You've got the whole truth, you know the score, you can see the problems, the whole rest of the world has faded into insignificance so far as what Mary said about the Antichrist stuff, that has nothing to do with anything of what you're doing and going through, because as she said, it is not concerned with the truth.

James: Yes, that was incredible, I felt it all slide away, like she said, it's just a side issue, like what the whole of humanity is mostly doing. Reading the news this morning suddenly it was inconsequential, Trump stirring up the Arabs by moving the American consulate to Jerusalem, bring on WWII, get it all over and done with, so the rest of humanity can finally set about doing its Healing and getting on with the real work that lies ahead. And it has nothing to do with the truth, it's all just factions of the mind fighting against themselves for top spot, when the real 'fight' is between AJ and Mary L and myself, as that's basically what it boils down to. I used to think it would come down to between Nicholas and myself, we two brothers, he going his way and me going mine, yet he fizzled out because he didn't want to move deeper into the truth of the Healing; whereas AJ and Mary L have at least taken that one to some degree. And to think that you lot up there are orchestrating it all, that's pretty amazing.

Nanna Beth: Yes, we've got various soulgroups helping AJ and Mary, it's all under our control, Mary and Jesus giving it to us Celestials when they came to James Padgett. They told us what was going to happen, how it was, and what we were to do for them. So that's what we've been working at, orchestrating the whole so-called 'Divine Love Movement' and AJ and Mary L, and anyone else who has similar aspirations using the higher truths.

James: It's incredible the timing of AJ and Mary L and myself, Nanna Beth. And why haven't there been other people making such claims using the Divine Love, and even my stuff with Mary and Jesus?

Nanna Beth: Because it's very high truth James, and hardly anyone has been able to deal with it. AJ and Mary L in that regard are amazing themselves, to have been able to keep going taking it all, working it into their wrongness, developing such a picture of themselves, working the denial mind levels as well as integrating such higher Celestial truths in it, all of which we find very fascinating.

James: I don't feel bad or threatened or anything like that about them. I agree with you Nanna Beth, they've taken it on so far, which is incredible in itself. So I see what you mean – not many people would be able to do that?

Nanna Beth: No, and humanity only needs one such couple. More people will be potentially be able to do it in the future because of all you are revealing, using your work, and even they taking some of what AJ and Mary L have brought to light, however that's not going to happen because other things are going to take place that will disallow that. And besides, by the time that happens, too much will be out there and revealed so people will be able to see more easily through such falseness. People will only need to see and hear Samantha, and they will understand the differences between the Healing that you and Marion are advocating and anything else anyone is talking about, including what healing AJ (Miller) and Mary Luck are doing.

James: So what exactly is the healing AJ and Mary Luck are doing?

Nanna Beth: They are working their way up through part of their Feeling-Healing moving toward the upper levels of the sixth world, yet with also the Divine Love integrated into that. It's a distorted way compared to what you and Marion and Samantha are doing, so it doesn't strictly fit into your labels of Feeling-Healing or Soul-Healing. It's something that's just for them, and won't exist anymore when they give it up.

And people following them are doing their Feeling Healing at best, and a few even moving in their Soul-Healing, yet others are mostly just a mess in their healing because they aren't accessing Mary and Jesus' or any other as yet undisclosed Spirits of Truth, to streamline and help them keep pointed in the right direction – toward Paradise, such as you can see with Samantha. Sam is 'on course', she has not deviated one iota, whereas most other people who look into the truth of their early life are all over the place, using what techniques and therapists they can, yet all without the united and consistent help of the attending Spirits of Truth.

**If you want to truly Heal yourself, and do either your Feeling-Healing, or Soul-Healing with the Divine Love, then you need to embrace truly the right Mary and Jesus, longing for the Truth with all your heart, and being open to move with your feelings no matter where they take you, because they are going to take you out of your minds control.**

AJ and Mary L are hanging on using their minds, they are refusing to let go, to give up and give in and submit entirely to the Healing process, and all because they are refusing to embrace Mary and Jesus' Spirits of Truth, because they are putting their own minds between Mary and Jesus' Spirits of Truth by believing they themselves are Mary and Jesus. So that's their own self-contrived mental limitation, which effectively still keeps them in the mind spirits camp, even though they are including a lot of

Divine Love truths. And so it's the same for everyone who still wants to heal themselves, yet also remain controlling their healing using their minds. And that sort of healing is not real or true Healing, which you and Marion are revealing.

So people have to align themselves with your way of Healing, which then links them up with Mary and Jesus' Spirits of Truth, so they can do what Samantha and others who are setting out to do their Healing are doing.

There's lots to it James, and you know yourself, there are mind barriers all the way along, which you've had to break through with Marion's help. And yet still, should someone fully give over and strive to do their Feeling-Healing or Soul-Healing as you are doing, or at least wanting to do it, then they are giving themselves the best shot at doing it, because the spiritual forces are aligned with them. Those people who are sincerely wanting the truth, and that is more than just on the mind level, will find in the end, AJ and Mary L falling short or letting them down – 'they just won't do it for them'. And that's because AJ and Mary L are preventing those sincere truth seekers from connecting directly to Mary and Jesus via their Spirits of Truth.

And it's more than just reading the Padgett Messages or even your work James, it's what's deep within your heart; like John for example, he's not actually wanting to embrace doing his Healing just yet, however he soon became disenchanted with AJ and Mary L because he is intent on wanting the truth and through his feelings. He didn't feel right with them, whereas other people still do because they are still more mind active and using their minds to control the healing they are doing with AJ and Mary's help, so they keep going with them. Some people are more mind orientated, so with their minds more in control, whereas other people might seem like they are more of the mind and yet deeper it's actually their feelings that govern them more, they not being so controlled by their mind, their mind not having so much control over their feelings. So again it's not what's on the surface but what is happening deeper within someone, which is all to do with one's upbringing.

And it's even further complicated by people coming to you who seem to be on the 'same page' wanting to grow in truth and even do their Healing, and even saying and seeming like they are, yet they are not really; or that they are, yet still their mind is still more in control of their feelings. And you've been working of late seeing and sensing and feeling that difference in people, like the man you recently said you couldn't help, because you knew he was only doing it for his own mind gratification, which was true, and you didn't want to waste your time with that. You now only wanting to be involved with people who are seriously wanting to grow in or understand the truth.

James: But what about the difficulty for people in knowing if they really and truly are longing for the truth – how can they get around their barriers if they are causing them problems?

Nanna Beth: Yes, it is very difficult James. And all they can do is keep begging the Mother and Father, or however they relate to God, to help them see and uncover the Truth through their feelings. And keep reading your work, and at some point something might occur to them that might move them past a resistance point or help them see something in a slightly different light. Many people as you know, will first need to take it all on mentally, and then with their mind, consider the time and place to begin their Healing; whereas other people might want to jump straight in like Samantha did, knowing it was what she wanted to do – needed to do, and can't stop doing it, even if it were to remove her from the physical world. And your work allows for both extremes and all in between, all so everyone can connect with

some element of it, which if they keep longing for the Truth and the Divine Love, will move them progressively toward the Mother and Father and the truth of their soul.

James: Thank you again for all you've done to help me Nanna Beth, all of you up there, and for helping us all. I'm going to make lunch and will continue later if that's okay with you.

Nanna Beth: I'll be here James.

From John: Saturday, 9 December 2017:

Several hours before Crystal was able to read James writings with Mary Magdalene – Woowee, End Times, she felt / knew that all the barriers and interference had been withdrawn. The psychic barriers no longer are in place.

Courier Brian had returned from the doctor. Yes, he has fractured his knee cap, he will have braces and be on crutches for at least 3 weeks. He cannot put any weight on his leg. He is now entrenched into his whiney condition. He cannot do the job on time. His \$10 million fee is in jeopardy. (Now that could be English Pounds, Euro or US Dollars.) He has appointed Courier Anna as his replacement!

Courier Anna now has a three point plan – as well as the ultimate weapon!

Plan A: She has a conference room at the library scheduled for Wednesday. She does not understand why it has to be so big. The room was not available Monday or Tuesday, these being the days she prefers.

Plan B: Call and ask Crystal out to lunch. This, we consider she will focus upon. Anna is stuck in a city in which she has no friends and is looking to connect up with someone. Crystal has her French tuition on Monday which is from noon for an hour and a half.

Plan C: Walk up to Crystal's home and make the delivery.

Courier Anna now has a red, white and green box to put the package into. She is yet to choose the ribbon to create the bow. Interestingly Courier Brian, being Swiss / French, is not accustomed to giving presents at Christmas to anyone other than family members. He is having difficulty with this concept of giving a gift to a stranger.

Courier Anna is now stuck with whiney Brian who now cannot fly his plane, and will have difficulty in travelling on commercial planes due to his leg needing to stretch out. Courier Anna wants this done. She will now impose her ultimate weapon. No sex for Courier Brian until this is done, one way or the other. We suspect that by Monday morning the way forward will be clear. Courier Brian is fixated upon sex!

Nanna Beth: The lid is coming off James. And once again I can't say any more than that, however things are all changing and the change is gathering pace. You'll see it start to unfold around the world, everything as we've said will eventually be turned on its head. The barriers have to come down, as we've told you they have on our side, and now it's simply a matter for you to keep working on yourself to see where that takes you.

**We women are going to take matters into our own hands, and with the support of various men. We will work to enable women who want to be true to understand that true women's liberation, which is also true men's liberation, is liberating oneself from one's own controlling mind. It's the mind representing the masculine that needs to be done away with, so the true feminine expression of feelings for both women and men can be lived and brought into the world. And the truth brought to light from feelings, will carve a path through the darkness for the light to shine.**

It is interesting in speaking about AJ and Mary L: Could it be said that AJ is deferring to Mary L in all they are doing? Or, is he the definite leader? Is the mind still in control of true feelings? And would Jesus, were he and Mary to actually materialise in flesh, do all the leading; or do you think he would defer to Mary allowing her to finally have her say?

James: Yeah, I see what you're saying Nanna Beth. She's had something of a say through my writings, as I've tried to let that happen, which has been part my own doing because of my relationship with Marion and being so heavily dominated by women when growing up; and partly Mary and Jesus' doing, because I always, which might not be apparent in my writing, ask them before I start, unless it's obvious, which one would like to speak with me. Occasionally I've wanted to ask one of them specifically, but that's usually after in my mind I've already asked them as to which one would like to talk. And mostly it's Mary whom Jesus defers to wanting her to speak. And she asking him to say more to bring in the balance.

And I can now see it's all these things that might seem like minor differences, but are most important. And how I was, shut off and so insensitive to such feeling subtleties, I used to miss them. And probably still do miss a lot of them.

Nanna Beth: And it is as you say James, the sensitivities of feelings have all but been deadened on the world, and feelings are very sensitive, and so much so that most people would find that if they did honour all they felt at any one time, they'd be tied up in all the intricacies of their feelings for days without getting anything else done – just as you and Marion have experienced. And yet what else really is there other than expressing feelings so as to gain more truth from them, and leaving all else to remain undone because most of it is not necessary to do, and is only being done to give the mind something to do and to make it feel like it's in control. So as to whether there is any leadership in the relationship between AJ and Mary L is very important, because both parties are meant to be equal; however that's all very well too, and can only be achieved when both have completed their Healing. So until that happens, as you know with Marion, it's through her that the truth is coming to you, nothing would happen without her lead and light and feelings, which is the true way it is meant to happen.

And then that's also where I fit in and Mary M, herself, the whole feminine aspect of truth, for you are not just talking with male spirits trying to reveal all the necessary truths concerning the Healing.

James: I like it how it is, that women must be included the right way (I hope that doesn't sound to patronising), by fully honouring and respecting their's and men's feelings, because that's what all the other religious and spiritual systems don't do, it's what none of us really do in our lives, how it's all structured in our man's world. However, it is a struggle coming up against the sensitivity of feelings when you've been made to be insensitive to them, being a block-head that is just like Courier Brian trying to assert himself in his stupid man's way, when Anna would probably have had it all over and done with by now. Does she really want to tie herself down to having to deal with that? And is that

really how much they are getting paid to do the delivery – shit, how do you become a Courier? John just likes all the big numbers.

Anyway Nanna Beth, I think that's all I wanted to say about AJ and Mary L. There were more things I thought about, but I can't remember then now, so possibly I'll bring them up over the coming days as they come back to me. Do you have anything else you want to say?

Nanna Beth: No, it's all good James. Things are going to continue to unfold for you all from now on. The hard work has been done, things as I said are beginning to change. And that change will keep building in momentum, both on the inside and outside. We'll be in touch, goodbye for now – Nanna Beth.

James: Thank you Nanna Beth.

Later, having spoken with John:

James: It's not that I think AJ and Mary L are the evil one's, or more evil than anyone else, it's just that they are expressing their wrongness this way, which happens to be in keeping with blocking out the Spirits of Truth from Mary and Jesus in the most perfect way by their keeping true to the tenets of the Rebellion and Default. By saying they are Mary and Jesus, and using all the higher truths to support themselves against the Living Truth.

Nanna Beth: That's right James. No one really is more evil than anyone else, you're in the wrongness together and expressing it in your different ways, there are just as you say within it, various extremes, and AJ and Mary L are expressing one of those; just as other people expressing the extremes of their personality denial by being so caught up in their mind that it completely dominates their feelings making them believe they are superior and full of 'self-love'; and just as other people are suffering from extreme self-hatred, with their mind causing them to feel so persecuted by their bad feelings, right to the point of believing they are the most hated, evil ones that no one wants to have anything to do with.

James: Like Marion believes about herself, that she has nothing, offers nothing, is nothing and no one, and no one likes her, and is being left out; whereas look at all the praise and friendship and support I'm starting to get because I'm offering my books and so on. How is it going to work for her Nanna Beth, and where are all the women, why are there so many men involved at this stage – what's that all about?

Nanna Beth: As the feminine is suffering heavily having been denied the most, so that's to be reflected along the way James. So that's the burden Marion is carrying in her self-hate, it's what Samantha is suffering under having little to no support, whereas you being the man have support and it seems in some ways easier for you, moving about in the man's world and so on. But actually it's not like that, it's just different aspects manifesting for men and women, yet it's all the same Rebellion and Default.

And currently the men are moving toward establishing what will amount to a 'safe space' for such women to come and freely express themselves within. It will need sympathetic men (even if those men don't have much directly to do with the women) for the women to work at expressing themselves freely; men who encourage them to do so, support them, try not to control them unconsciously or consciously, as such women allow themselves to feel it's okay and safe to bring out all their pain and all their truer deeper feelings. And when they do, for them not to feel rejected and unwanted, even if they feel so

themselves, to just be nurtured and cared for, even by men who are well-meaning and yet can't really offer the full emotional support, like yourself James, being so blocked off to your deeper feelings, yet you allowing Marion to go wherever she wants to with her feelings, which has helped her grow in confidence in being able to express them. And she's thrown the worst at you and still you remain by her side, even in your emotionally retarded state, yet you've not rejected her and said you don't want her and her feelings.

So structures need to be built up in the physical and on the mental and emotional levels, to allow women to move into them and then see where indeed their feelings will lead them; and no one knows, you men don't know, and the women don't have a clue either because they've never been free to just move with them. So that's all going to be new for humanity; and slowly with such women leading in their feeling-expression, so too will men follow allowing them to relate more truly to such women and to each other, with new ways of relating to each other being evolved.

As you understand James, men and women, irrespective of how loving you might be with each other, are living anti each other, and so much with your minds controlling everything, both parties heavily controlling their feelings, so neither men or women have any real idea about how to live together truly expressing ALL they feel. And firstly, you've got to Heal yourselves to the point of being able to express ALL you feel; and then once there, be able to live relating together expressing ALL you feel. So there is a very long way to go in evolving relationships of truth and love between men and women. And along that path, masses of all the yuk stuff has got to be accepted, confronted, and wanted to come out, and to come out so both men and women want to see what it's all about.

And then put children into the mix, and as no one is relating true to themselves and each other and so neither to their children, so ultimately a supportive, caring and accepting and fully feeling expressing environment needs to be evolved to allow children to come into life being free to express ALL they feel. And to provide the space for children to freely express themselves within the family space of men and women loving and freely expressing themselves, is something that will be a huge undertaking for people.

So I think you can see something of the picture that awaits people who get involved in all you will be setting out to do with John and everyone else who might want to contribute to such a 'program'. And it's not that everyone will have to do their Healing and complete it before they can be involved; no, it's to include everyone at all the varying levels, from the mind side to the feelings, men, women and children, and work it all out in the wash.

Which of course will make it seem like it's even more of a muddle, for there won't be any established ways of doing things, there will be just what people want to do together as they grow in truth directly through their Healing or grow in the mental understanding of it all, and bits of both. And over the years and in the end, giving humanity thousands of years and many generations, the Divine Love Mansion Worlds will become manifest on Earth so with all the order and structure they provided us spirits in our Healing and spiritual growth. However those worlds over here in spirit took two thousand years to get to the levels of perfection they are at now, and that will happen one day on Earth.

So the Divine Love worlds are not going to instantly manifest themselves on Earth; no, it's going to be a gradual working toward that, yet not by trying to work it out through your minds, but by allowing it to naturally evolve through all the feelings concerned. So if you look at PASCAS for example as the entity that will 'house the future of humanity', then every feeling that contributes to it will make it be what it

becomes, rather than every thought, which is how most corporations are run on Earth. And yet minds will still be heavily needed to provide structures and continuity, however with the emphasis on feelings; and with increasing numbers of people doing their Healing and looking to their feelings for the way to live, so that will evolve over time to reflect the net feelings involved.

You can think of it this way: Creation is built by feelings, not thoughts. Feelings first, then thoughts. Creation founded on thoughts alone, fails; whereas Creation founded on feelings will last forevermore, because it's really founded on the truth those feelings give rise to. And as thoughts give rise to no truth, as you can't uncover truth through the mind, so such false Creation would cease to exist, which is why the Rebellion and Default is doomed to fail and then one day cease to be. Any rebellion is the mind taking over from feelings, so you start to live using the mind devoid of truth, which can only have one outcome. And even though it took two hundred thousand years before the end came, still, that amount of time is a drop in the ocean of Paradise Time.

So what you and John and all who are involved will be doing, irrespective of the structures that might be established to do it in, will be looking to evolve truth from feelings, and then to live that truth how people feel to live it. And that's the beauty of it, because you can't tell how that will happen, you can't work it all out through your mind. And you can theorise until the cows come home, yet that's just a waste of time, because one feeling could give rise to one new truth which could upset the apple cart.

So it just starts and then the feelings come into play, just like with any relationship. And it's people becoming increasingly aware of their feelings and wanting to support and respect them more than their minds, which will lead to the evolution of truth of all involved.

James: Thank you Nanna Beth. Another very important part to understand.

Nanna Beth: Yes James. A result of your 'breakthrough'. I'll speak to you soon – love Nanna Beth.

Note same day from Samantha in England:

Amazing James, If the world was to follow AJ and ML the world would stay in its Denial and Rebellion of Mary and Jesus, keeping them away from their spirits of truth and leading people to believe they are the real Mary and Jesus so they could never have any chance of healing, more untruth on top of untruth, how hopeless that feels never being able to truly heal and being blocked by two people that are convinced they are the real Mary and Jesus. Like the Lucifer's, standing in our way. This all feels just like my childhood with mum and dad blocking me from the truth of myself so I will never know myself, God or any of my own power or truth, shit it feels all so awful and I feel so desperate inside to break free from that. ML and AJ are being the same to their followers as my parents were to me and their parents were to them, blocking them from knowing themselves, the real Mary and Jesus and God in fear that they will lose power and no longer be revered and respected and looked up to as superiors.

I looked into them both and began to see the way they were treating people, asking them to leave because of them being unloving and the people didn't have much of a clue as to what they had done, they were not allowed to be unloving and I felt they were being interfered with by Mary (Luck) and AJ (Miller) telling them they couldn't be a certain way and banning people from the forum for expressing opinions that they deemed unloving, people that had followed them for a long time and become friends. It didn't feel good to me and I didn't want to know any more. I could feel what was right, I could feel inside me the truth of Mary and Jesus working on my soul and I felt nothing with ML and AJ that is how I knew they had nothing true or real, it was all mind stuff and information but no connection because it wasn't real or true.

I asked my self "How does he know what he knows" being similar to what you have written James, and Mary and the other Celestials have said that they will help us go further into our evilness if that is what we want, if that is our will, and it made sense that they would help AJ in the way of feeding him information to help him in his desire to be the best, to be Jesus and believe he is, to play along with his delusions, that being his will. Only Celestials know that information so that has to be where it comes from. So you are both getting similar information from Celestial spirits one to further humanity in truth and one to further humanity in its evilness by two people 'USING' the higher truths and who are denying Mary and Jesus and leading others to do so also, a huge sin to have to pay back, I wouldn't want to be them. Their followers will never be able to know truth because they are being kept away from Jesus and Mary's spirit of truth and it is essential for healing and when I long for their spirit of truth to be with me as I heal, no matter how stuck I am, the feelings come to me and truth is revealed, it is the tool they have made available for us to find the truth and it is incredible, and the followers of AJ and ML will never feel this beautiful revelation because they are being kept from it all the time they believe ML and AJ are the real Mary and Jesus.

I have more to write but I have to go. I am so excited James, so incredibly excited and feel that ML and AJ will just fizzle out as people leave them as Untruth cannot exist forever, it will lose power and die off and be found out and de-powered and faith will be lost in them and their followers will become exhausted and tired of trying with their minds, not feeling any change as they get to a certain level but no further as in the mind mansions, its all finite then comes the fall and all comes crumbling down as you have written in your books by spirits reaching so far in the mind mansions and then having to collapse and begin again in truth.

Speak soon. Sam

# FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing ourself to feel, and accept them instead of denying them. And to fully accept them, one need to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE  
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR  
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING  
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU  
FEEL, THINK AND ARE.

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

## Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

**Please Mother and Father** help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

**Please Mother and Father** help me see the truth of myself through my feelings.

**Please my beloved Heavenly Parents**, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

**Please Mother and Father**, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

**Please Mother and Father help me**, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

**Please Mother and Father love me**. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

**Please make me feel how unloving I am**. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the 'dead' way; the feelings way is the 'alive' way.

### Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

**Please God** show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

**Heavenly Mother and Father**, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

**Please Mother and Father** fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

**I hate you Mother and Father**; why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

**I long for Your Divine Love** Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

**LOVE**  
is  
**Feelings First Spirituality, The New Way**

*Feelings First Spirituality, The New Way* is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

*Feelings First Spirituality* is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

*Feelings First Spirituality* has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

**Living the New Way of Feelings First Spirituality**

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

*And to do this you need to do your Healing*

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

## **Feelings First Spirituality** **The New Way**

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

# FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

## FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Notes from 'Feeling Healing' by James Moncrief

# Heartfelt TRUTH

## Our FEELINGS are our SUPREME GUIDES:

# Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings. Kevin 26 Sep 2017

## Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.

## FEELING HEALING

**Note:** The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

**Note:** Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and totally true.” James – Introduction Course to Divine Love Spirituality

## Feelings First Spirituality The New Way

**Feelings First**  
**FF**  
**Feeling Free**

The New Way, Feelings First Spirituality  
Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings  
Free your feelings from your mind's control  
Live true to your feelings; your feelings are your true self  
Live true to yourself through your feelings

Live true to yourself by living true to your feelings.  
Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,  
BAD feelings.  
Want to understand why you're feeling them.  
Use your surface feelings to take you deeper into your repressed and  
hidden feelings.

The Feeling Way is the True Way.  
 Your feelings are your spiritual guide.  
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

## The CHOICE is OURS to MAKE:

### Celestial Truth:

Truly all-loving;  
 Living true to oneself;  
 Mind supporting Feelings;  
 Living with the Divine Love;

Fully Healed of the Rebellion and Default.

### THE FEELING WAY

Feeling – Ascendance  
 Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

### THE MIND WAY

Mind – Transcendence  
 Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,  
 atheists, no spiritual interest,  
 Living the Rebellion and Default.

Hell:  
 Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

AVONAL PAIR to be RESPONSIBLE for SPIRITUAL WELLBEING of EARTH:

**Heavenly Parents**

The Paradise Pairs, children of God, are all only concerned with the spiritual wellbeing and upliftment of the planets and local universe. Creator Son and Daughter, Mary and Jesus, are focused upon the spiritual wellbeing and upliftment of the whole of Nebadon which involves Earth, one of 3.8 million planets.

**AVONAL PAIR**

The Spirits of Truth of the Avonal Pair are to join with the Spirits of Truth of Mary and Jesus.

**Soulmates**

**COUNCIL OF ELDERS**

The Council of Elders, 12 Celestial soulmate pairs, being a Soul Group, guide to Founder of the Global Humanitarian Fund that is to disseminate Feeling Healing and Soul Healing guidance.

**Soulmate PAIR** while living in the physical of earth, are to complete their Feeling Healing whilst embracing Divine Love, thus completing their Soul Healing. Being the first humans to do so, they will subsequently, upon their physical deaths, release their Spirits of Truth so that the whole of humanity, for the next 1,000 years, can embrace and progress in their soul development through Feeling Healing.

**GLOBAL HUMANITARIAN FUND**

Through the Global Humanitarian Fund, humanity is to be introduced to the processes of Feeling Healing and Soul Healing. Further, they will also become aware that our Spiritual Teachers of Truth for the next 1,000 years will be the Avonal Pair who will be handed this task from Jesus and Mary, and much, much more.

# Crossover

This time, in the history of humanity, is the most exciting time ever experienced.

# the Handover

This is the time that man is now able to evolve in its spiritual development. Man has endured 200,000 years of Rebellion and compounded this with the Default of some 38,000 years, now it has been provided with the guidance to put aside the negativities of the Rebellion and Default.

With the guidance that was provided through James Padgett (1914 through to 1923), man became again aware of the availability of Divine Love from our Heavenly Parents. This also heralded the handover. That is, the commencement of the end times of the involvement by Mary and Jesus in the spiritual affairs of humanity on Earth.

Soul groups that have been in place during Mary and Jesus' 2,000 year involvement with Earth have progressively handed over to soul groups that have been forming since 100 years ago. The older soul groups have mostly progressed on further towards Paradise.

The second revelation, that followed from the availability of Divine Love, is the processes of Feeling Healing and Soul Healing. The understanding of the Feeling Healing process is the most important of the revelations and should have been the first to be revealed. Feeling Healing and Soul Healing are being revealed through and by Marion and James Moncrief.

The soulmate pair, that are the first to complete their Soul Healing, and upon their deaths, they will release their Spirits of Truth which will unify with the Spirits of Truths of Mary and Jesus so that humanity, in whole, will have access to these knowings and guidance for the next 1,000 years.

Mary and Jesus, being responsible for the spiritual wellbeing and upliftment of the whole of Nebadon, are to withdraw from their direct involvement with Earth and hand over the responsibilities to an Avonal Pair who take individual responsibility for the spiritual wellbeing and upliftment of individual planets and their associated mansion worlds, in this case, Earth exclusively.

## COUNCIL *of* ELDERS

For the next 1,000 years, via the Avonal Pair and the newly forming Soul Groups, Earth will be able to evolve through embracing Feeling Healing, and with Divine Love, one's Soul Healing. These newly formed Soul Groups are effectively 'Council of Elders' to assist humans living in the physical on Earth to enable all to be aware of the way to evolve.

With the absolute end of the Rebellion, this is the first time in 200,000 years that mankind, humanity, can take control of his and her destiny and evolve in love and truth for all eternity!

Throughout this coming era, our spiritual leaders will be an Avonal Pair, yet to be identified.

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad Feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing**

**Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

**Release one's pain through expressing one's feelings.**

**in conjunction with**

**Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.  
Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.  
Primary and most important readings are the writings of James Moncrief.  
Then consider the Padgett Messages, and then The Urantia Book.**

To liberate one's real self, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Love, then one is also Soul Healing.
