PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about looking within oneself. Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

9 April 2003

Today, my friend, I (Jesus) want to speak about one's communication with the Mother and Father. As I have told you in some of my previous messages, I had a very good rapport with the Father and I still do, and now with both of Them, and it's even better than it was on Earth. Mary and I experience Them as living Personalities. We can't see Them, but can perceive Them with our soul-perceptions. They are as real to us as you and Marion are. And we can communicate as easily with Them as we can with anyone face-to-face.

As one's soul awakens with Their Love, so too can your ability to communicate directly with Them increase. It becomes easier to (provided you feel you want to) hold conversations with Them in your mind via Their Indwelling Spirit, and also perceptually via your soul. You can communicate to Them without the need for words, you don't need to use your mind. If you use your mind then you will work via Their Indwelling Spirit. So in time (okay, yes James, I will qualify that by saying: and it might be a long time) you will be able to soul communicate with Them as openly and easily as if They were sitting with you and you were all having a pleasant casual conversation together.

As you know, the Indwelling Spirit of God facilitates your mental (and to some degree your soul – or feelings) communication with Them. It has its own private and personal interface of communication through your personality circuits. These circuits are that part of us that is uniquely and individually the full expression of our soul, bestowed on us personally upon our creation by the Mother and Father. Our personality is literally God's personal blessing to each of us, that is why they are unique, because each of us are specifically uniquely one of Their children. We have very personal soul Parents, this you will fully understand when you attain Paradise.

It is through our whole personality that They can and do both speak and communicate with us on all levels. But this will only start happening through Their personal communication circuits when you are healed and of the Celestial level of truth. Up until then you can speak to God, and They to you, through your regular mind circuits with the aid of your Indwelling Spirit; the ability of your communication with Them being influenced by the state of your negative mind and all its handicaps and limitations. So for some it will seem easier; for others more difficult, but it is not necessarily a reflection of one's advancement (or lack) of spirituality. It is just the same as how some people can naturally draw and paint well, whereas others can't seem to draw or paint anything, or at best need a lot of practice. It is somewhat of a skill that with practice and careful attention one can get better at; but as you evolve and advance your soul with truth then everything becomes equally possible for all.

Many of the Christian accounts about people speaking with God that you and Marion have been rereading lately, told of people having varying degrees of direct inner verbal communication with God. And this has happened all throughout history, because the individuals concerned have wanted Him to speak to them and He has complied.

As the Father was explaining to you the other day in regards to this, it is entirely His (and Her) domain as to whether or not They speak to you. It is all to do with one's soul development needs, and needs of their negative mind condition. The Father and Mother always knows what is best, and as we can never

see things from Their perspective, it achieves little trying to work out the ins and outs of why They speak to one person and not another. The Mother and Father are allowing humanity to outwork their negative mind states. So in this it might appear that what He (and I say He, as currently few speak openly and personally to the Heavenly Mother) says and what He may help someone to achieve, is the right way to live, however this may not necessarily be so.

He knows where you are heading in your delusion and the consequences of your actions, and the influence you might have on souls' lives centuries from now who are to incarnate. So you might believe that you are doing Gods will as you are doing what you *hear* He is telling, but in the bigger picture of truth it is not His Will. What I mean is, if I sound too confusing, is that God might speak to you and this might be genuine communication, however it doesn't mean that it's rightfully His Will you are doing if you carry out His words. He will help you outwork your delusion and fantasy, so if you want God to tell you to do things for Him, He will comply saying what your negative mind wants to hear. But it won't be the truth.

If you want God to tell you the truth He and She will both tell you to follow your feelings and find it out for yourself, for that is the only true Way. So you might look to the Mother and Father to tell you what you are doing wrong; you might ask Them if something you want to do is right, if it is in harmony with or is even the doing of Their Will. And They might say yes, go ahead, and even explain to you why it would be good for you to do such a thing, however, this still doesn't necessarily mean it is a good thing in regards to the truth, for you to do. They will always say yes to you if that is what your negative mind wants Them to say. They will always give you what you want.

So whilst you're in your negative mind state, be aware that if you are mentally speaking with Them, asking about things – should you do this or should you not, They will say yes (or no) to things, even if such things only serve to further strengthen your minds negative hold on you. And They will say yes because really, if you were truly honest with yourself, the truth of which might be buried very deep inside you, you do want Them to say yes, you do want to go in that direction. They know you better than you know yourself, and They know that although you might be wanting to live true and not be false, and to heal your negative mind state, that in the short term it might actually be more beneficial for you to be led by Them deeper into your evil state, so making you think you are correct in what you want to do, think and believe about things; but knowing that after some time of going down this track, things will happen to you to make you reassess your actions, beliefs and thoughts, and as you honour and live truer to your feelings, you will come to the realisation for yourself that in fact it is not right or good for you to continue in the direction you are going.

So you will stop it, acting on your feelings, seeming to go against what the Mother and Father told you would be good for you to do. So you can't necessarily trust all They say to you, as really it's not them you can't trust, but yourself, because They will be ONLY telling your mind what it wants to hear, and this might not have anything to do with the truth. But it will have everything to do with helping you to become more self-reliant, more self-trusting, and not looking to Them (or anyone else) to tell you how to live your life – to tell you what is the right or wrong way to go through your mind; but instead looking into and FEELING your feelings about what is right or not for you.

They will ONLY TRULY GUIDE YOU THROUGH YOUR FEELINGS, so if you are tempted to speak to Them wanting them to tell you the right way, all on only a mental level, then be prepared to be led

astray by Them; all designed to help you relinquish your mind's control and your dependence on it; all helping you to give it up, so you will look to your feelings instead. You are ALWAYS the most important one, not even the Mother and Father are more important than you are. You parents have taken this truth away from you making you believe you are not the important one, that everyone else is – that the authority is.

And so the Mother and Father will do all They can to help you come back to your feelings, your feelings being closer to the real you. And so as you start to take your feelings very seriously, as they become the most important aspect of you in your life, then so too will you be giving back to yourself your true feeling of being the most important person to yourself in Creation. And you have to find, and then be the real and true you, to have any real and true relationship; and so a real and true one with Them. And a real and true one with Them all being done through your FEELINGS.

And if you do this you'll find you will be able to mentally speak to Them via your Indwelling Spirit, but it will all be with the understanding that all you do with Them, and all They will say to you, will ONLY be about helping you to get more in touch with your feelings – nothing more. All so you can discover the whole truth of yourself, which will include the whole truth of life and Them, through your feelings.

The Mother and Father are impartial judges. Their Laws exist and they determine the boundaries in which we live, however within such boundaries is a very large scope for us to freely do as we please. If we choose to live a negative minded life then They will help us do this. That is why they allow humanity to keep living ruining everything for itself. That is why They keep you living allowing yourself to suffer so much. They want you to suffer, whilst you want to suffer. They want you to be evil, whilst you want to be evil. They want you to be negative minded, whilst you want to be it. And because you are unconscious of wanting to be negative and to keep it all going, you fail to understand why God can keep allowing it all to happen. So They will keep allowing it to happen until the outer limit is reached then something somehow will happen to prevent humanity from completely destroying itself on Earth.

So God can speak to you and tell you things, and you can believe they are true and right, but They might only be telling you the things you want to hear with your negative mind, so of course you will think they are true and right when in fact they are untrue and wrong.

If you start speaking openly with the Mother and Father you might want to bear this in mind.

Scrutinise everything with your feelings, and if you feel any discrepancies express them. You don't have to always do what God tells you to do. And you don't have to agree with all God tells you. If your feelings lead you into disagreement and even feelings of anger at God, even hating God, go with them. Always follow your feelings speaking up about them and longing to uncover the truth of them. In time as your healing progresses you will feel and know that your communication with Them is real and true, and what They tell you then will be right and true. And you will know because your feelings will tell you – AND NOT YOUR MIND.

If you speak readily with Them and you are still to embark on the healing of your soul, be aware that your communication with Them will change, you may even find that you cease to do it as often or all together. You don't have to have a relationship speaking mentally with God. The relationship you will have through your feelings is much more important.

As a rule of thumb, God, the Mother or Father, will never tell you what to do, that is something your parents did. They will only encourage you to follow your feelings as they will guide you – YOU ARE TO FEEL WHAT TO DO IN LIFE. If They are telling you what to do, then you should be suspicious that They are only doing so because it's what your negative mind circuits and patterns want Them to tell you. You are putting Them in place of your parents and making and wanting Them to treat you just as did your parents – by telling you what to do. And They will do this for you – tell you what to do, pretend to be your parents, all to help you with your healing. All so you can feel that something is not right. And you'll question it and Them, even possibly dismissing what They said, ignoring it, and instead looking for the pattern of how They are being with you and how it fits into how your parents were with you. All so you can find out more truth about your relationship with your parents.

Many people (and spirits), and men more often than not, use their mental communication with God as a power tool, something that elevates them, gives them an edge, makes them that little bit more superior, and all because they feel inferior, powerless and needing the support of a prop. And they believe that it shows that it is helping them to advance spiritually. However, if you were to observe Marion, you would see just how little direct mental communication you need to have with the Mother and Father and yet still advance rapidly in your spirituality, all because of feeling expression. And if you were to observe James (and as he would tell you, he being such a man as I was referring to above), he has come a long way in letting go of his need to use the Mother and Father in this way. And in time, he will give up the need to speak directly with Them using his mind altogether, all his communication being done directly through his feelings. (That should give you something more to think about James!)

In the negative mind state, you are hiding yourself from yourself. You are your greatest hidden mystery. And until you open yourself up to such close scrutiny, as you will through your soul-healing, you will still be hiding from yourself. You cannot know yourself entirely until you have done your healing. You can't free yourself enough to be completely honest with yourself, as you will need to be to live truly with Them; to live so that you are Their child and nothing else.

To be Their child is just that. It is total. Anything in you that is against love will be preventing you from being Their child of love. Your soul is Theirs, and you being your soul are Their child. When you have healed your soul of all its evil, then you will be living as a true child, with a positive mind and will; then you will be living as an adult that has grown from a true child of loving parents – yourself in a sense having re-parented yourself through your healing. Then you will be able to live as an adult, as a true child of God; as a child of your true Parents.

Many of the things I have said both on Earth and through the Padgett Messages, you won't understand until you are of a Celestial level of truth, because I am speaking to you from this level, as a healed soul with a positive mind and will. Much of what I have said you can't live, not until you've reached the Celestial level of truth. I have given it to you to inspire you, to make you think and to strive and long to be that way.

When I speak, I am usually speaking to your soul and not our mind. So much of what I have said has been misinterpreted because people and spirits have used, and still use, their minds to try and work out what I say. So this means you take most of my soul-truth turning it somehow into something the negative mind can understand and be able to use for its own purposes. So you have the Christian institutions trying to live and interpret my soul messages with their minds. My practical living truth, or

life-truth, is easier to work out, but many seem to think that this is truth for the soul, trying to add, using dysfunctional minds, more to such sayings than I meant them to be. Overall the result is one of great confusion aggravated even more by people adding and subtracting words and phrases most of which weren't even mine. You will never free your soul with such erroneous ideas and misunderstandings.

That is all I have to say to you today James. I am glad you feel you are moving into more of your true self, and you are beginning to feel the attributes of your soul that the Mother and Father are moving you toward expressing. And you can tell Marion, that she will get quite a surprise when she sees what the Father and Mother have in store for her! But tell her also not to hold her breath. She'll know what I mean.

Until next time we speak, keep praying to our Heavenly Parents for Their most Holy, True and Pure Love. Mary and I will visit you again during your evening prayer next time we are coming to the Earth plane.

Your brother in Christ – Truth. Jesus.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

Feelings!
first

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

11 April 2003

Good morning James. Jesus.

I am looking forward to speaking to you about what I said I would during your morning's prayer. And that is following on from what Mary said to you yesterday regarding the feelings one gets from the ancient scriptures about God.

I have told you in previous messages in your earlier book that I started my relationship personally with the Father when His Spirit arrived to Indwell my mind and helped me to look to Him for all my needs and care (which I will add, is something you won't be able to do until you are living true to your self and all you feel.) As my parents supported me in this, by the time I was old enough to understand most of what was available to me concerning God through our faith and normal avenues of teachings, I was easily able to feel how such writings and teaching made me feel about my Father of Heaven. Much of what I heard and read made me feel bad about Him, whilst a few words made me love Him even more. So that was how I made my way through all experiences concerning Him. Many people spoke about God and His different way's, but all through my early development all I had to do, which happens naturally, was observe and feel my feelings.

Sometimes the words I was hearing did not match my feelings, and later upon reflection and consultation with Him, I would understand why I had such conflicting feelings. Many times I would hear a man speak about God and it wouldn't sound right. It sounded as though He was cursing God and this didn't feel right. Other times men spoke of having to be obedient to God and this too didn't feel right. I would mirror everything against how I was brought up and my feelings, using my mind to help me understand what I felt. And of course like you feel these days, I had continual input from my divine Indwelling Spirit, always stimulating thoughts and corresponding feelings.

Yes, your Indwelling Spirit can stimulate feelings as well as thoughts. It can work within any part of you. And it will do so the more you heal yourself and allow it to. Your negative mind greatly limits its work with you, as it can't interfere with any of your beliefs and behaviours – it can't go against you. So when you re-align yourself with all that is right and true, as you do your healing, then it can come closer having more of personal partnership with you – you'll no longer be rejecting it. With this relationship being consecrated true and perfect upon soul-fusion with your Indwelling Spirit when you enter into the Celestial spheres.

No, people won't experience full fusion on Earth if they attain Celestial truth, not at this time in humanity's evolution. That will happen a long way in the future, however they will experience a sort of partial fusion, enough to know they have attained the Celestial level of truth, and when they arrive in spirit to live in the Celestial spheres they will experience full fusion. But I am digressing.

It was all through my feelings, and NOT my mind, that helped me see that my upbringing and younger experiences had certain biases towards certain types of expression. And when I rectified such shadowing experiences, I could see and feel and know the truth of what I was to live. This rectification of my mind of its parental influences I had to do until my early twenties. It was like an abbreviated

form of your healing. I did not have to go deeper as my will had not been affected having been conceived unaffected by evil, however I still had to systematically work through cleansing my mind of erroneous beliefs, thoughts and behaviours.

As I grew older it became increasingly easier to see the good, loving and true God that I knew and loved. And the God of judgement and punishment that was portrayed by most, clearly stood out in contrast to my Father. I knew that this God people spoke about was not my God.

I could skim through all the older material that came my way, quickly discerning whether it was *good* or *bad* putting aside the bad, retaining the good, and moving on. The bad as you can see for yourself repeats itself over and over, and the general feeling of God portrayed is narrow, never uplifting and awe-inspiring. It makes you feel bad, restricted, and like you are being kept under control by a closely scrutinising God. You feel like you have to watch your every thought and watch what you say and do, but this is only your parents you are fearing, transposing them onto God, so God gains all their negative characteristics. It's not God your Heavenly Father and Mother you are then relating to, but god your parents. And this god is a false God. Your parents are false.

My Father never made me feel bad. He did stimulate bad feelings in me so I could uncover the truth of them, but He himself, unlike your parents James, never did or said anything that made me feel bad – that made me feel that He was rejecting me, didn't like me, didn't love me.

The people who said God were speaking to them, I could see, was the *bad* God, they were making it all up for themselves. They wanted their God to be revengeful and full of wrath because they wanted Him to come and slay all whom they believed were bad and needed to be punished. These people I could see wanted to be God themselves, or at least wanted Him to be on their side in what was their own personal fight or crusade against what they determined was evil. But it was only their parents they were wanting to fight and kill.

Without knowing it, they themselves were the very evil they so openly despised, and because of this they defamed the Father, not honouring Him for being the all-loving and all-merciful God that He is. It is a pity that such error concerning our benevolent Father still exists today. I wished at one time that I could destroy it all, but that was before I had grown up into the wisdom that truth and love brings. I hated those who defaced God saying what He was not. I wanted to punish them all when I was young, but it was with the help of my parents that I began to see that such people were already punishing themselves by denying themselves the real love that God had for them; and so I was able to let my hatred of such things go and leave such poor tortured souls to the mercy of God. As I grew older and saw more of how things were and what the Father wanted from us, I could see the futility in wanting to take such matters into my own hands, and it felt good to know that even such wretched souls were still loved by the Father, and that really they were none of my business, their lives were between Him and themselves. As I received more of His Love and became more of His Essence, I too began to feel love for such tortured people, and hoped that one day they would come to know the Father of Love as I did.

I felt all the usual emotions a normal person does, but my feelings were true right from the start, and stayed true. You were true prior to your conception, but once your incarnation begun you've become progressively untrue. I was very angry at times and hated many things people did and said, and so hated them, but once I was fully with the Father all such feelings seemed to dissolve away and I only felt love

for them and a strong feeling of accepting them for being as they were. It wasn't my place to judge them, or try to change them, or try to make them change themselves. Even when I seemed to do things which many thought I was doing because I was angry, I still felt love – I ended up never being angry with the person themselves. I did get angry at what people did, but I could not right them off as being completely useless and not worth the breath they breathed because I could see their true and pure soul under all their negative afflictions. And I could see all the negativity that had been put over the top of their truth and purity stopping their light of truth and love from shining. My outbursts of anger were more to stress a certain point through an action, than being actually angry.

Love contains all truth. When you are fully healed then you will begin your life where I started. There is a big gap to fill in between you and I, and this is all due to the Rebellion and Default, the negative unloving influence of higher spirits on humanity who should have been loving and caring. Because of his gap it is very hard for you to understand my messages of love. When I give them and teach of love, it is for most, well beyond their range of understanding and perception. One may understand with their mind but will not be able to live the truth and feel and know what I mean from their own experiences until they are well into their soul-healing. I give them to inspire and show you that there is more, and when you finally come to be as the Celestial spirits are – of perfect mind and a truly loving soul, then you will be able to relate to all that I teach and speak of.

As you are aware James, the whole problem is based around the influences of what I call the *Fall* of the *First Parents*. This term I have used to give people and spirits the idea that the whole problem has something to do with parents. As it has not been my place to reveal the truth that Mary has been telling you regarding the true relationship with your parents in the negative mind state. I have worked to prepare people for the coming of her truth.

Now that you have willingly embraced Mary and all she wants to say without judgement, I too can be more open and expansive about what I say. So I can openly acknowledge the Rebellion and the Default as you understand them to be, as they are portrayed in *The Urantia Book*. This is sufficient to give one an initial picture of the problem: how the Evil rebellious spirits came to Earth spreading untruth and insidious corruption. The First Parents are therefore Adam and Eve as portrayed in *The Urantia Book*, and the Fall, is their fall – The Default. All that the book says about the higher sons and daughters, their existence, and what roles they fulfil, is true.

The story of the Rebellion and Default is by no means the full picture. It is only the beginning. There is a lot more to the Rebellion and its associated Default than has been revealed. However much of this I will leave for another time for us to speak about. You will understand it for yourself as you grow in truth – you'll feel it through your feelings. But for now I want to say that there is a lot of good information in *The Urantia Book*, even though it was written with various restrictions imposed on it. I know it has helped you James enormously and it will adequately serve humanity for some time to come; at least in helping people and spirits to gain some appreciation of the wonderment of the God.

23 April 2003

So first of all I want to reiterate that the Bible is NOT the ‘word’ of God. God – our Heavenly Mother AND Father who are the One Same Soul that has Two distinct Personalities, have never spoken words – They do not need to. They simply communicate with us through our soul. However, They have designed Creation and so us, with the ability to use various spirit agencies to be able to communicate in many ways with Them. The most you are familiar with is through Their Indwelling Spirit that comes to you when young and helps to put Their desires for you into a form that you can interpret and very easily listen to with your inner ears and soul perceptions – provided you are living true. In this way it is therefore relatively easy for us all to communicate with the Mother and Father when we are of flesh or spirit. You can actually speak directly to them using your mind via the help of the Indwelling Spirit, who for all intents and purposes, is God, is They within you. They have given all mortals this Spirit that indwells your higher mind circuits to help aid you in having a very direct and personal relationship with Them. And with this help and through your own endeavours of truth discovery, you do not need anyone else to tell you anything about how your relationship with the Mother and Father should or should not be. The Bible, like any book, can be used to help you have experiences, but these experiences you should use to help reveal more truth to yourself about yourself and God; being done by expressing all you feel and longing for the truth of those feelings. Each of us, being daughters and sons of God, have the ability from within ourselves to reveal to ourselves the truth we need to know about how to live life. Each of us are meant to work out how to live life for ourselves. And this is very important. As soon as you look to another source or individual, giving it more importance than yourself, you are denying your own self-revelation and thereby blocking the true expression of your feelings that are being generated by your soul in response to your experiences; and you are giving way to your mind by allowing it to dominate you. We can all help one another by speaking about whatever we like, we can even encourage you to believe what we say, but still we can’t make you believe us and we don’t expect you to turn our writings into anything more than what they are – James’ personal understandings and communications with us; with which you are free to do whatever you like, but should use to help you understand and relate to some of what you experience and feel through those experiences.

We are only writing this to help give you some mental pictures, not to tell you how you must live or else. We only want to show you another and different way than what you are currently living, a way we have seen many others experience to their benefit. And we certainly won’t be making rules for you to follow, such as how you should attend church at least once a week on a specific day, to repetitively say certain words and perform certain rituals to achieve a desired result. All we will say is for you to long for the Divine Love and the Truth, and to try and accept, express, and seek the truth of your feelings, nothing more, as there is nothing more we need say. You can work out how best you long, what works for you, as you’ll be able to feel and experience the Holy Spirit conveying the Divine Love to your soul, and so know you are longing correctly FOR YOU. And what suits you may not suit another; and the beauty is everything is so personal, so highly personal, as you will discover through your healing and ascent of truth.

Jesus did not write or leave any instructions as to set up a church based on his teachings and words that preceded him. His whole life was to show you it is to be an open fresh-air relationship with God that one needs to live. That is not to say books about truth and experiences of living it aren’t needed, but to rely on one book, even if it is a book composed solely of Jesus’ new revelations to Mr. Padgett, is bad

for the soul. The rules of life can't be contained in a book. The rules of life are contained within truth, and it is truth that one needs to live – to live the true and correct way. Books can help one understand how to uncover truth through one's own efforts, but should never be used to replace truth, or one's personal endeavours of seeking and finding it through one's experiences. If you decide that one book is *the* book then you will condition your experiences forcing your soul to comply with your mind's desire, therefore limiting your soul's ability of educating you and revealing truth to you from any source. As you grow in truth you will of course outgrow many things, books included, as they will hold no further experiences for you, and this too is what is meant to happen with you literally outgrowing whole worlds as you ascend to Paradise. And in time you will outgrow or ascend past all that you are reading now, as you will know for yourself all that I am conveying to you through James.

The Bible is a wholly contrived piece of work with its real authors un-revealed. It does contain a tiny amount of what Jesus said, but nothing of any consequence concerning what your soul needs to grow in truth. But mostly it has been written by people who wanted to use it for their own power gain, so contains much untruth and also a lot of just plain nonsense. And as you have found James, having never read it through, that in no way do you need it to long to the Mother and Father for Their Love or to do your soul-healing. It serves no purpose to you, other than being simply just another book, one that you have long since outgrown.

You only need such books to *believe in* because you have been cut off and stopped from expressing your feelings as young children. Had you been allowed to be freely expressive, you would have quickly seen that through your feelings you could work out what is true and right and wrong for yourself. And you would have matured and developed through your experiences into being quite capable of revealing truth to yourself, understanding that it's all contained within your soul; and by living true to and honouring your feelings, and by expressing all you feel, the truth will come of its own accord as you require it. Then a whole extra dimension to life, living constantly revealing truth to yourself, would be simply a natural part of your day, providing you with the depth and fulfilment your truth craving soul needs. Then you wouldn't feel unfulfilled and despondent, bored and wondering what life is all about. To feel these things only means you are not growing in truth, or if you are doing your healing and uncovering the truth, then it means you are getting more in touch with feelings you've repressed about how you felt during your childhood.

Humanity is completely retarded when it comes to truth. No one manages to live higher than the equivalent of Mansion World two, now three for those who include Divine Love. And yet humanity should have people living at all different levels of truth, right through the seven Mansion Worlds and higher up through the Celestial spheres. Humanity is yet to begin its relationship with truth in a positive sense, because for all these years it has been learning the truth of what it's like to live denying truth, and denying feelings inhibiting its ascent of truth. And you only have to look at the Bible (as well as all other man-made and so-called divinely inspired religious and spiritual texts) to see the lack of truth, to see what the mind can produce when it's not founded on truth. And then to see just how many people believe that such books hold the key to God, or the way to live life, is very sad indeed. Most people don't even understand that the soul and your spirit and mind are all different things. You are a truth-less people living on a truth-less world; you are living in a desert of truth, all but devoid of its life giving sustenance.

To continue in the theme of Soul Condition and the Awareness of Divine Love, it is our desire to convey an expansive insight on the subject of the Indwelling Spirit and the New-Birth. It is I, White Feather communicating with you at this time to introduce this message, however it will be another Celestial spirit designated to write on this subject that is of real significance for individuals desiring to individualise and personalise the Universal Father (and Mother). This subject is an intricate subject and complex and so our desire is to provide expansive leadings. In this way, individuals may consider the following information that may help to clarify their experience of Divine Love and the Father (and Mother). It is possible for you Nicholas to receive communication on this subject for you have been thinking about this lately and your own experience we can draw upon which will help greatly. I have seen how intensely you have thought on this subject and we have been gently guiding you and Zara toward writing with us on this subject of the Indwelling Spirit and the New-Birth. It was our leadings and inspiration to give you this title, in fact, which helped to shape and place the Indwelling Spirit into a true soul's context that is in keeping with the teachings of Jesus that introduce the New-Birth and ensuing soul-related experiences that liberate the understanding of the New-Birth. I have enjoyed writing with you recently and the Soul Condition Messages have added a more complete image and substance to this contribution that commenced with the receiving of the Awareness of Divine Love Messages.

I love you both and will be present whilst these next messages presented, as always, it is most wonderful when this experience is transpiring for the greater service and good of all.

Your loving spirit friend,

It is true that the mortal soul not created with any of the Divine of the Father (and Mother) within it in its initial creation. The soul of a mortal only bestowed with that attribute of Natural Love and soul related attributes which the Father has created and the mortal soul with this attribute incarnates from the Pre-Incarnation Sphere into its human beginnings. Those who follow the teachings of the New-Birth as revealed by Jesus with the help of James Padgett will understand the working of this natural attribute of a soul's Natural Love.

When Jesus lived as a man on Earth all those years ago, his life in essence was to provide the Way so that men and women could find the Father by way of opening their soul to the Father for a bestowal of Divine Love. Jesus perfected the New-Birth of his own soul whilst living as a man in the flesh; this was the result of the Divine Love now available for him to receive from the Father. Whilst there are other aspects to the life of Jesus, the shining light in and amongst it all that helped him to perfect his knowing

of his Father, was the presence of the Father's Indwelling Spirit. Many will know this as a Thought Adjuster or Mystery Monitor or many other given names, yet its presence was nonetheless present, acting in accord to the workings of the New-Birth. This understanding of the New-Birth is central insofar as to understanding the workings of the Indwelling Spirit.

The Holy Spirit and the Spirit of Truth can interact with the spirit body of an individual. The Holy Spirit conveys the Divine Love of the Father (and Mother) into a mortal soul and this known in the teachings of the New-Birth. The Indwelling Spirit can interact with the spirit body for it is an attribute of Spirit in its own essence, however it does not interfere with the Holy Spirit and Its workings to convey the Divine Love of the Father into a mortal soul. The essence here is that the natural soul in its own attribute in rapport and in communication with the attribute of the Indwelling Spirit will not make a mortal Immortal. Whilst the Indwelling Spirit may have communication directly with the individual and the individual with it, no amount of contact or familiarity will in fact generate the New-Birth of a mortal soul into an Immortal soul. The objective of the soul is not just to become At-One with its Indwelling Spirit. This Spirit is not the Divine Love that is from the Soul of the Father and it is this Divine Love that commences the New-Birth that enables an individual soul to become At-One with the Father, which also will be reflective in an integrated awareness of the workings of the Indwelling Spirit. Jesus, in his life, understood this truth and recognised that whilst his Father's Indwelling Spirit helped teach and guide him greatly, intimately throughout his life. The (Mother and) Father's Divine Love completed his soul's transition from merely the Natural Love into his soul's New-Birth, and his Immortality.

The key here is that as the condition of the soul changes from the effects that the Divine Love causes, the rapport with the Indwelling Spirit becomes clearer and the Indwelling Spirit can interact with the soul to help the adjustments that do transpire as the soul experiences its New-Birth and the attributes of that soul begin to develop. A simple form of communication between the Indwelling Spirit and a soul in Divine Love is through the workings of the attribute of soul perception and soul reflectivity. Jesus recognised and understood that to be At-One with the Universal Father was to be At-One in the Divine Love that the Father (and Mother) had made available for all of mankind at the time of Jesus' arrival and birth in Natural life on Earth.

Let us continue presenting this subject.

Every Indwelling Spirit must follow the teachings of Jesus. The Indwelling Spirits understand the Truths formed from the Spirit of Truth, which resides within the soul of Jesus. This Spirit of Truth now liberated for all men, women, Divine Love, and Celestial spirits. It is not present in the Natural Spheres for individuals who commence their New-Birth in the Spheres that the Father (and Mother) has created for this New-Birth of their soul. The Spirit of Truth is present for men and women on the Earth for their New-Birth begins with Divine Love whilst still remaining of the Earth, if one in fact chooses to participate with the Father and to become aware of the Father (and Mother) in this way and to accept the teachings of the New-Birth. The Holy Spirit as it has been already been conveyed to you in previous messages is available throughout all the Spheres so that the first prayer for Divine Love is fulfilled for that individual.

The Indwelling Spirit also understands the (Mother and) Father's Laws in context with soul-related matters in the workings of Natural and Divine Love. This makes the area of free will easy for the Indwelling Spirit, for this Spirit being a Spirit of the Father whilst being independent of the Father, still acts according to these workings of the Laws of Love, which the Father has determined. This is another insight to gain a better understanding of the Indwelling Spirit for the Laws that determine a mortal soul's experience are entirely dependent upon whether the individual chooses to remain in their Natural condition of love or chooses to accept the Divine Love which then results in the beginning of a soul's New-Birth.

The New-Birth and the existence of Divine Love places the Indwelling Spirit and Its communication and experience with a mortal individual into its true perspective and light, for in this way, the New-Birth is not negated and the Indwelling Spirit does not become the sole subject of perfection and Father attainment by a person. The Indwelling Spirit really comes into its own when the soul is underway in its New-Birth. The condition within the soul begins to change and these adjustments made. The effect of the Divine Love and Its workings are unknown to the individual. The individual is purely subject to their own will and the condition of their own natural soul and even though communication between the Indwelling Spirit and the individual may occur, the condition of that soul remains in its natural condition until the Holy Spirit conveys the Divine Love and this becomes resident within that soul. This is why the revealing of the Way to the Father by Jesus requires this revealing of the Way of Divine Love so that all individuals can choose to participate with this Love and embark upon their New-Birth with the Indwelling Spirit helping to guide one in their New-Birth.

Whilst the Indwelling Spirit is present with individuals, of its own accord the Indwelling Spirit does not have the capacity to reveal to humankind or to an individual, the teachings of the New-Birth. The realisation of this truth is a fact in the mortal experience in the history of man. Jesus revealed to humankind, through the help of James Padgett, the foundation of truths that form the New-Birth. The New-Birth in its initial teachings required Jesus the spirit to be present with James the mortal, for the teachings and awareness of the New-Birth revealed as a Second Coming of Divine Revelation to humanity. The Indwelling Spirits did not have the capacity to reveal this New-Birth in all its beginning prior to Jesus working with other Celestial spirits and making known to humankind through James Padgett that the Divine Love of the Father was available for all mortal souls and spirits alike. The continuity of teaching and living the Father's Way in Divine Love was Jesus the man and then Jesus the

now spirit, who resides in the Celestial Heaven. This clearly illustrates that all mortal souls inclusive of their Indwelling Spirits follow the teachings of Jesus to find the Father for their own individual soul's New-Birth and Immortality. Simply communicating with ones' own Indwelling Spirit in the attribute of Natural Love is not sufficient to make the soul of that man perfect or for that matter to transform the soul from its natural condition of Love into a Divine condition of soulful living with the Father.

In the Padgett Messages, the Celestial spirits did not openly convey and reveal insight into the nature of the Indwelling Spirit and Its workings in the New-Birth of a soul in Divine Love. The purpose of these teachings in the Padgett Messages was to introduce the New-Birth and to confirm the existence of Divine Love so that a greater image could be afforded to humankind, that contained the substance of Jesus' revealing truth. The time is different now. People are familiar with their awareness of Divine Love and the teachings of the New-Birth as contained in the Padgett Messages. Individuals today may also be aware of the existence of the Thought Adjustor – the Indwelling Spirit – who may be aware or who may be unaware of the Padgett Messages and the teachings of the New-Birth. The beauty is that now a true correlation established which places the Indwelling Spirit and Its function in direct context and correlation with Jesus' teachings of the New-Birth, which involve the Divine Love of the Father.

The emphasis in the teachings of Jesus is for the soul to hew out its individuality with the Father in Divine Love through life's experiences and in this, for the individual to become reliant on their faith in the Father as their soul condition changes from the Natural mortal love into the Divine Immortal Love. This awareness provides the understanding that an individual need not become solely attached to the emphasis of the Indwelling Spirit as the Living Love of the Father for in essence, it is not the Living Love of the Father, but a unique creation of Spirit activated to help and adjust and assist the soul in its life with the Father. The Truth in the Padgett Messages emphasises the New-Birth in Divine Love. This is the binding soul-to-Soul relationship with the Father (and Mother) and the Indwelling Spirit been revealed in the Padgett Messages, individuals may have deemed this Spirit as greater in attraction or importance than the very Divine Love and Substance of the Father. James Padgett's service was to receive the teachings of the New-Birth, which fulfilled, and he did this most suitably. To introduce the concept of the Indwelling Spirit at that time, the Celestial spirits deemed that the work would have been too complicated. It may be in some people's experience that the Indwelling Spirit and the Divine Love seen to be the same thing. They are not the same thing and have separate functions created by the Father to assist and complete the soul in separate and distinct manners as the soul learns to live in love with the Father.

In the New-Birth experience, one learns that there are external elements that become inclusive and for the most part, internal when our soul commences the New-Birth. These external elements that do not form the attributes of our own soul upon its initial creation by the Father are the Spirit of Truth, the Indwelling Spirit (the Thought Adjustor), the Holy Spirit, the Divine Love and of course, the Father. These external elements and attributes of the Father place into context the environment of our own natural love that is an internal attribute of our soul. This also helps to define the progressive development of our individual will and its relationship when learning about our internal environment of soul in all its natural make-up of love with the external elements that the Father has created and provided to assist in a soul's New-Birth. The defining essence here is that the Divine Love of the Father that is external to our soul, upon prayer becomes an internal experience in our soul so that we can intimately, individually experience, and begin personalising the Father (and Mother).

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are a son and daughter of God.

Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.

Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.

When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.

The Indwelling Spirit actually becomes present when a soul incarnates so that identification is established at the time of a soul's incarnation. The very reason why this happens is to ensure that the soul in its life is established with this Indwelling Spirit, no matter how long the individual's life is on Earth, the individual will have the opportunity and ability to find the Divine Love and the Father (and Mother). Some souls spend such a minor period in a physical environment and thus the individual's life is predominantly the life of a spirit, that to be isolated in a Natural Sphere and separated from the Indwelling Spirit simply does not happen. The Indwelling Spirit having already established the presence with the incarnated soul has the identification to remain with the individual whose life is a life lived in a Natural Sphere. This means that the unseen helper of the Father (and Mother) – the Indwelling Spirit – can always interact with the mortal soul to be of service so that eventually the leadings from this Spirit may be the catalyst for that soul to seek the Father (and Mother). It is speculated that the Indwelling Spirit at the time of Its arrival from the Father, that is perfectly timed with the newly incarnated soul, and that this Indwelling Spirit may assist with the inner energy of the soul to instantaneously create the spirit body.

When Divine Love is obtained the soul condition begins to grow in its New-Birth, and this is felt physically as illumination of light. The Indwelling Spirit has such luminosity in Its Divine presence that when reflected into a soul that is in the Divine Love of the Father (and Mother), such energy activated and this causes the spirit body to be in the light of the Father (and Mother). This is a beautiful experience and a warming experience to feel the Fatherly presence of the Divine Love, the Indwelling Spirit and the Holy Spirit. This truly sublime experience is a true feeling that we Celestial spirits derive great pleasure from and individuals in their faith-filled experience can take great pleasure in too.

I am present with you now to present more on the Indwelling Spirit and the New-Birth. We have made good progress with the emphasis consistent in the sharing of information that helps in the study and experience of Divine Love. My desire in this message is to convey to the reader that the New-Birth of the soul in Divine Love is of the utmost importance and that communication or contact with the Indwelling Spirit in no way determines the outcome for an individual who is sincerely praying for Divine Love and who has become aware of this Love. It may well be that an individual does not experience communication with their Indwelling Spirit as a direct experience and this in no way diminishes the soul condition in its New-Birth. This Truth places the individual in the understanding that to obtain the Divine Love is the only way for the individual to be At-One with the Father (and Mother). This also causes one to realise that the revealings that Jesus has given to humankind with regard to how a soul can be with the Father is consistent for all men and women and spirits alike.

I would like to make mention that many individuals refer to their Thought Adjustor – the Indwelling Spirit – as Father (and Mother). This is a beautiful expression and a soulful expression of love in the recognition and awareness that a part of the Father is very close and with them in their life. Whilst the Indwelling Spirit is of the Father and a Divine Spirit, it is a most wonderful experience to personalise this Spirit and to refer to it as Father. This Indwelling Spirit is not the absolute Soul Father (and Mother), however the Indwelling Spirit does recognise and acknowledge this personalisation and delights in such rapport between the personality of the person and Its' own independent Spirit existence.

**INDWELLING SPIRIT, THOUGHT ADJUSTER,
MYSTERY MONITOR (all being the same):**

The external elements, instruments of the Father, do not form attributes of our own soul upon its initial creation by our Heavenly Parents, these are the Spirit of Truth, the Indwelling Spirit, and Divine Love.

The Holy Spirit, conveys Divine Love to your soul should you earnestly and lovingly ask for it. This is the only function of the Holy Spirit – Acting Spirit.

The Indwelling Spirit becomes present when we are around the age of six. This means that the unseen helper of the Father and Mother – the Indwelling Spirit – can always interact with the mortal soul and to be of service so that eventually the leadings from the Spirit may be the catalyst for that soul to seek our Parents.

The Indwelling Spirit reveals intrinsic workings of Father and Mother to your soul.

The Indwelling Spirit functions in much the same way as the Holy Spirit, ask and it will provide support and guidance.

The Indwelling Spirit / Thought Adjuster only works with us on the mind, feeling and psychic levels directly with our personality on conscious and unconscious levels of reality. It is the Divine Minister with hands-on help from our attending angels that do the actual adjusting of our mind circuits – of all our circuits, even the physical if need be.

Spirit of Truth becomes active more so when you connect to the Source Soul and commence receiving Divine Love.

You are a spirit person having a physical experience. Your physical body is encased within your spirit body.

The spirit body only exists because our soul wants it to. In the fullness of love, even all our encrustments and wrongness is not actually bad, they are just the nether side of love.

So evil is literally a state of mind, and once you heal it you even feel love for your wrongness and even no longer hate it – that being full self-acceptance. But you can't contrive these feelings or level of awareness, it has to come of itself and will through the higher levels of your Healing.

The Indwelling Spirit can and does reveal insight to the individual about the nature and Soul nature of the Father. This is very helpful for as the soul condition experiences its New-Birth, more awareness and realisation can be given by the Indwelling Spirit to the individual soul to gain a first hand and personal understanding into the personality of the Soul Father (and Mother). Celestial spirits receive clear communication from their Indwelling Spirit in this way and understanding the source of this information can work with their soul perceptions with the Indwelling Spirit actively participating in the revealings of the Father (and Mother). The Indwelling Spirit is of such Divine and perfect origin that when it reveals a Truth or insight relating directly to The Father (and Mother), the individual can experience such overwhelming love because the expansive awareness creates a soul-recognition of the reality of the Living Father (and Mother).

The Father (and Mother) can appear distant and almost at times, unknowable. The influence of Divine Love and assistance of the Indwelling Spirit, active Living with the Eternal Father (and Mother) helps to animate and personalise the absolute realities of Universal existence into a context for the attribute of soul-mind to gain a first hand experience which brings to light and life, the existence and reality of the Father (and Mother).

With much love, Celestial spirit friend,
Ezekiel

June 22nd, 2008

In this next message, my desire is to mention that the idea of an Indwelling Spirit is going to be quite common as individuals strive toward a greater spiritual awareness. The whole notion that there is a Father / Mother-fragment that is present in amongst mortal living is so appealing that individuals will endeavour to experience a form of communication and contact with this Father / Mother-fragment. It is very appealing to have this connectivity in one's life for it can make one feel secure and that the Father (and Mother) is right there with one, in amongst the life experience and this can provide comfort and be reassuring. It is wonderful to feel the light from this Indwelling Spirit interacting with the soul for these feelings generates a real sense of being in touch with the Father.

As awareness of the Indwelling Spirit becomes more prevalent, many individuals may identify contact and communication from the Indwelling Spirit as inspiration, thoughts, deep intuition, knowings, feeling and energetic desire to follow an invisible leading. An array of experiences that individuals may identify with when one becomes aware of the existence of the Indwelling Spirit. The Indwelling Spirit can do extraordinary things and for the most part, a person may not even recognise, know, or even be aware of the fact that the Indwelling Spirit is participating in one's life. The Grace of Divine Love as one continues to receive Divine Love is that as the soul condition develops, and one becomes aware of the workings of this Love in one's life, the interaction with the Indwelling Spirit becomes a soulful experience and not just a material-intellectual or conceptual experience. It is much easier for communication to transpire in the soul and the mind attribute of the soul than just the physical activity of the human brain. When emotions and the mechanical function of the brain are dominant, then the leadings from the Indwelling Spirit are often contrived, and a person may think that God is speaking to them when in fact, it is just the function of their own physical being.

The Indwelling Spirit being an attribute of the Father can only act in accord with love and the workings of Divine Love. Understanding this helps us to recognise that any actions resulting in the creation of

fear or the creation of error which may result in compensation is done so by the will of the individual and one's soul is subject to the action of will and not the workings of the Indwelling Spirit. The Indwelling Spirit can only be in accord with the Father's Laws of Love and whilst individuals do create error, which requires compensation and forgiveness, this is a matter for the soul and the individual and in no way implicates the Indwelling Spirit. The obvious reason for this is that the Father and all attributes of the Father (and Mother) that have their origin in the Father and cannot create error or act in contradistinction to the workings of the Father (and Mother). This places the Indwelling Spirit in its true context in its relationship with mortals and the Father (and Mother). This truth creates the awareness that the individual New-Birth of a soul is the true and only way that an individual can be with The Father (and Mother). Inclusive of all that is in Natural Love and then transformed by Divine Love and to progress into the presence of the Father (and Mother) which is reflective in the way that the Divine Love spirits progress through the Spheres to become a resident in the Celestial Heavens.

The Father (and Mother) rebestowed the privilege for humankind and all spirits to partake of the Divine Love, which begins a soul's New-Birth. Jesus revealed this teaching in his loving work with James Padgett. When Jesus lived on Earth, this was the time when the Father (and Mother) rebestowed the availability of the Divine Love for all mortal souls. In the Padgett Messages, Jesus also revealed that there would come a time when the Divine Love would no longer be available for mortal souls to receive on Earth and in the all Natural Spheres. The Divine Love and the Holy Spirit remain available as it is today, in the Divine Love Spheres and the Celestial Heavens.

The season that defines the availability of Divine Love and the potential of a soul's New-Birth experienced and realised in this Immortality of soul is also the season of the Indwelling Spirits. The Indwelling Spirit and the individual is an experience that begins when the soul incarnates into the flesh and remains with the individual whilst the potential for the New-Birth is viable and the Divine Love of the Father is available. When the Divine Love withdrawn by the Father, and natural spirits and natural man exist in their natural soul condition, it is then that the Indwelling Spirit returns back to the origin of its creation in the Father's Sphere and residence. The potential to receive Divine Love is available. The Indwelling Spirit always actively helps to create this awareness so that individuals guided to find Jesus' truths to learn and to find the Divine Love of the Father so that Immortality and Divine personalisation of the Father can transpire in the New-Birth of the soul between the mortal soul and the Soul of the Father. The context of the Indwelling Spirit and its relationship with the individual is seen in the season of Divine Love that is available by the Father to all of humankind and inclusive to all spirits.

The Divine Love is the Substance that fuses the Indwelling Spirit with the Immortal soul; however, the Indwelling Spirit always remains independent of the soul. The reason for this is that the Indwelling Spirit does not act out of will – i.e.: the will of the Indwelling Spirit – for the Indwelling Spirit has no such voluntary will to speak. It acts according to the specifics of its creation by the Father and to interact with individuality and personality and ultimately to communicate with the living mortal soul. When Divine Love embraced and the New-Birth begins, translation need not occur for Immortality given to the mortal soul by the quality and Substance of the (Mother and) Father's Divine Love. The New-Birth of the soul is the way individuals of Earth experience the Father and their soul condition changes so that progression activated in the mortal environment. To confirm this, when natural spirits receive Divine Love there is no such translation of energy between the individual and the Indwelling Spirit, the individual is simply attracted to the First Divine Love Sphere where their New-Birth begins and they progress to the Celestial Heaven. When an individual resides in the Celestial Heaven, an

individual in these Heavens will have learned how to master communication between the Indwelling Spirit and their own soul and this contributes to a spirit way of living light and life in the actuality and Living presence of the Father.

I am with you tonight to confirm the wonderful sharing and collaborative work that you and Zara have done with the spirits in presenting an awareness of the Father's Love. I have been present on many a time when these communications were taking place and with much enjoyment to see another chapter unfold so that the hearts of those who may come to participate in their knowing of Divine Love can gain comfort, support and reassurance in the Love and the essence of these Messages communicated. It was our desire to communicate more truths involving Our Father's Divine Love and this fact I made mention when working with James Padgett, that there were many more truths that can be revealed and in these Messages, many truths have been revealed to continue the awareness of Divine Love.

I helped guide you to this work and also could see that the Awareness approach was a loving and a supportive approach on this most subtle and intrinsic of subject matter, and this being of a soul's union with the Soul of the Father (and Mother). You have both listened well and received well and your own soul condition sufficiently developed prior to these messages so that our communications with you were most accessible and revealing in their essence.

Living with the Father (and Mother) never need be under sufferance of any condition and contained in these Messages is the overwhelming sense of love, truth and beauty that shines a good light so that the Love that is available for all mortal souls seen as an attainable, realistic, and true experience. I also would like to acknowledge the individuals who have participated in this who live in other parts of the world and by their own acceptance and welcoming of these Messages, it is that faith is present and this action has contributed toward this substantial work and the substance and quality of the love in this work. Quite simply, for all who sincerely love the Father and in this deep love, know that the Love is right even when the Father known as a little light in their heart and soul. It takes small steps to walk the full distance and to create the Celestial Kingdom of Heaven.

White Feather is present with me now. White Feather and many other spirits whom I am well pleased with for their efforts to help bring about this work which is ultimately to create an awareness of the Father and the Loving nature of the Father and the Love that is the Light of the world and the light of the Divine Love Spheres and Celestial Heavens. A wonderful blend of Messages that begin with my teachings of the New-Birth, conveyed through James Padgett and now the Awareness of Divine Love Messages in which all help to generate more love and peace in the souls of the world. To all those loving souls living in the Love of the Father, continue to draw close to the Father. Let this most beautiful and supportive Love comfort you in your faith and guide you in your faith.

I would like to say thank you for your loving service at this time for the energy contained within this work would shine like a light for souls to learn and to become aware of the great gift of Divine Love and the gifts that this Love brings to the soul for many years to come from this present day.

Love and blessings, love and peace, Jesus

SOUL GROWTH UP THROUGH MANSION
SPIRIT WORLD SPHERES:

- A.** We all arrive into the 1st sphere before being drawn to where we are suited. Living on Earth is typical of living in the hells – being the Spheres of Disharmony. With one's natural love and mind dominance, one can pay their compensation – being pain equivalent to the pain they have caused others and one's self. In this manner, one can progress through mind Mansion Worlds 1, 2, 4, and 6. With natural love only, one cannot progress beyond the 6th mind Mansion World / sphere. The mind Mansion Worlds are self reliant experiences.
- B.** Should one embrace the Mother and Father's Divine Love while advancing within any of the natural love mind Mansion Worlds / spheres, then one will be draw to the 3rd Divine Love Mansion World to commence their soul healing which is doing their feeling healing whilst longing for and receiving Divine Love. This process overrides the Law of Compensation as the soul healing is experiencing one's repressed childhood injuries and liberating one's soul will. Progression is through spheres 3, 5 and 7, and then into the Celestial Heavens. With the receiving of further Divine Love, one evolves even further.
- C.** Presently, we can embrace Divine Love here on Earth, on transitioning into the 1st spirit world, we will continue with our Feeling Healing while longing for Truth and the Divine Love and progress through worlds / spheres 3, 5, 7 and into the Celestial Heavens.
- D.** For those who do not embrace God, one can embrace their Feeling Healing and perfect their soul whilst paying their compensation and reach the 6th Mansion World. With a perfected soul, having also resolved their childhood repression, one may then embrace the Mother and Father's love and progress directly into the 7th Divine Love transitional sphere and then into the Celestial Heavens and onwards. This is how it was meant to be.

June 24th, 2008

It was a beautiful experience last night when Jesus confirmed to you both the love of these messages in all body and substance, that so help to create the awareness of the gift that is Our Father's Divine Love. We will continue in this message on the Indwelling Spirit and the New-Birth. Once again, the emphasis is on the Divine Love that causes a mortal soul's New-Birth. I am a resident high in-Sphere in the Celestial Heaven and know Jesus very well and like your selves; I once heard the teachings and the revealing Way to obtain this Divine Love from the Father and so began my own soul's New-Birth.

The Indwelling Spirit is a remarkable attribute created by the Father (and Mother). However, mortals should never place value of more import and significance than the Divine Love. A clearer perspective is to view the Indwelling Spirit in the same way that one learns about the true working of the Holy Spirit and Its relationship with Divine Love and the mortal soul. The Father (and Mother) has created many attributes that from a beginning are in essence, very far-reaching. The individual perfects their understanding of the Father and their New-Birth, completed to become of Celestial condition of soul. The Indwelling Spirit can continue to communicate and reveal intrinsic workings of the Father to the soul, which means that an individual can never out grow in knowledge, the Source of Divine Love and the Indwelling Spirit, being the Father (and Mother).

The Indwelling Spirit as I have mentioned does adjust the soul as the soul changes from the influences of the Divine Love and these adjustments are intricate and require the (Mother and) Father's handiwork. The Indwelling Spirit knows the living energy of Divine Love interacts with the energy of a mortal soul. These adjustments continue for the eternity of a mortal soul's life. These adjustments involve the attribute of soul-mind and this infusement of mind with spirit and are an advanced condition of soul, and even small changes begin when a soul begins receiving Divine Love. It is to understand the workings of Divine Love, the soul and the Spirits and how a soul needs adjustment as the workings of Divine Love create causes and effects that gave rise to the name ... the Thought Adjustor.

Here in the Celestial Heavens, spirits can participate with their Indwelling Spirit. This Spirit can illuminate some very advanced workings relating to the workings of the (Mother and) Father's Eternal Spirits that service such refined places and from this help, that individuals participate with the Father creating beautiful environments of love that individuals reside in. The Indwelling Spirit has original blueprints into the intrinsic creations of the Father and souls can learn how the origins of Fatherly creations happened into first Universal life. This to a Celestial individual is wonderful learning for once the origin known then all that is subsequent to it is seen and experienced as it is.

It has been a delight to communicate this message with you this evening, and this subject – the Indwelling Spirit and the New-Birth – is a definitive and intrinsic one in the experience and vision of Divine Love.

Your loving friend and Celestial spirit,
Ezekiel

June 25th, 2008

I have been with you most of this morning and now we can resume our work together on this subject. Both you and Zara are in the presence of Divine Love and your respective soul condition is very good to receive. In receiving these Messages, it is also important to note that you are not in a trance nor do I take control of your physical attributes to convey my message. You are cognitive and for the most part, it is a shared communication where your soul and its perceptions listen to my discourse, which you then communicate. This is the way you have received all your messages from the Divine Love spirits.

The (Mother and) Father loves nothing more than the individual learning about the individual nature of the Eternal (Mother and) Father. The Divine Love begins this learning in a definitive way and this continues as the soul condition changes with the receipt of Divine Love. The (Mother and) Father's Soul is the existence of an Absolute Eternal present with attributes that create all that has become the Realms in all their expression and experience in Universal creation. The Indwelling Spirit helps the Father reveal more of the (Mother and) Father to individual souls so that what is absolute and eternal communicated with so that the (Mother and) Father is not inanimate and unknowable. The simplest way for a soul to begin knowing the Father is through the Divine Love.

Celestial spirits who have a real understanding of the effects of Divine Love in their soul move into the way of spirit love. Celestial spirits are in the Divine Love of the (Mother and) Father actively participating with the (Mother and) Father's Spirit that has become personalised and relates to the mind attribute of their soul. Spirit love is a reality because the physical environment that exists on Earth is not present. The Indwelling Spirit helps us to engage in the greater spirit realities that are pertinent to our existence and these realities increase as we progress in towards the (Mother and) Father. We do communicate with each other in a soul-to-soul spirit-to-spirit form of exchange, which does not involve the construct of Earthly mortal language, it is a spirit language, which we learn as we progress in soul condition, and the language of spirit becomes more realised. The Indwelling Spirit communicates with us instantaneously, active as a spirit-soul experience and so, we understand that the voice of the Father is actively communicating with us in the language of spirit and our soul accepts and understands this for our rapport with the (Mother and) Father is solid in Divine Love and our own soul's personalisation of this Love.

To provide a definitive understanding that defines the attribute that is the Indwelling Spirit and why this attribute is distinct from the Divine Love of the (Mother and) Father is in the teaching that Jesus has conveyed in the Padgett Messages. The Holy Spirit conveys into a mortal soul the Divine Love and the Holy Spirit, as an attribute given by the Father, works solely in this way. The Indwelling Spirit in its function does not convey the Divine Love into a mortal soul nor does it interact with the Holy Spirit that excludes the Divine Love of the Father. The Indwelling Spirit helps adjust the spirit body as the

changes occur as the Divine Love progressively transforms the soul condition of the individual. This truth is essential insofar as understanding the Indwelling Spirit and the New-Birth.

It is true that individuals in the Season of Divine Love throughout mortal history have felt the presence of God with them during their life. It is also true that individuals have glimpsed in a moment an inspiration, which has profoundly and internally affected their life or even changed their life. From our perspective, the mortal experience is an on-going experience that forms part of the (Mother and) Father's Realm. From a mortal experience and purely human experience, one can quite easily see or feel separated from the Father and the unseen Realms or spirit Spheres.

The Indwelling Spirit is an attribute of the Father and like all attributes of Spirit, the Indwelling Spirit does not experience in its essence, an emotional condition of being. The Indwelling Spirit does know that people experience life with feeling, emotion and all other physically receptive senses and so whilst it is not emotional, it does understand the sensitivity of an emotional experience. It is simply that people often refer to the (Mother and) Father in an emotional and feeling way and this said to be the same in the way that a person fondly loves their Indwelling Spirit. This is a loving personalisation of the Indwelling Spirit and it helps to recognise that this silent light is ever-present to be of service and this helps when an individual makes the cognitive leap in faith and love when asking the Father for help or guidance toward the living of love.

People of the present day are very fortunate to have the Divine Love and a freedom of such knowledge readily available so that such defining soul and spirit realities experienced and shared. Many have believed in God, such as I did, however my faith and love in God was purely in the natural love in my soul as I lived on Earth before the arrival of Jesus and the Father made the rebestowal of Divine Love available. It brings and gives us much joy to see individuals in the world today embracing the experience of Divine Love and applying the living of this Love in the day-to-day hustle and bustle of life. A true experience of the Father in love for an individual on Earth is as true for a spirit to experience the Father as a spirit in the Spheres. The Father has made all the environments. The Father's Love is available to begin with in all natural environments and it is ever so comforting and reassuring to know that the silent light that shines and that is the Indwelling Spirit is quietly present to help the individual find the Divine Love and to help in the New-Birth of the soul in the Father's Divine Love.

This completes our communication on the Indwelling Spirit and the New-Birth. It has been a pleasure to convey this shared information with both you and Zara and for all who may read to gain more awareness and insight into the (Mother and) Father and the Divine Love experience.

With much love, Celestial spirit friend,
Ezekiel

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing ourself to feel, and accept them instead of denying them. And to fully accept them, one need to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU
FEEL, THINK AND ARE.

Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

Please Mother and Father help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

Please Mother and Father help me see the truth of myself through my feelings.

Please my beloved Heavenly Parents, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

Please Mother and Father, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

Please Mother and Father help me, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

Please Mother and Father love me. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

Please make me feel how unloving I am. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the 'dead' way; the feelings way is the 'alive' way.

Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

Please God show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

Heavenly Mother and Father, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

Please Mother and Father fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

I hate you Mother and Father; why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

I long for Your Divine Love Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

Feelings First Spirituality, The New Way

Feelings First Spirituality, The New Way is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

Feelings First Spirituality is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

Feelings First Spirituality has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

Living the New Way of Feelings First Spirituality

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

And to do this you need to do your Healing

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

Feelings First Spirituality **The New Way**

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Heartfelt TRUTH

Feelings First Spirituality

The New Way

Feelings First
FF
Feeling Free

The New Way, Feelings First Spirituality
 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.
 Want to understand why you're feeling them.
 Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
 Your feelings are your spiritual guide.
 Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.
 It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one's feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God's Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we've all been wrongly led to believe.

Paper 107**Origin and Nature of Thought Adjusters**

(1176.1) 107:0.1 ALTHOUGH the Universal Father is personally resident on Paradise, at the very centre of the universes, he is also actually present on the worlds of space in the minds of his countless children of time, for he indwells them as the Mystery Monitors. The eternal Father is at one and the same time farthest removed from, and most intimately associated with, his planetary mortal sons.

(1176.2) 107:0.2 The Adjusters are the actuality of the Father's love incarnate in the souls of men; they are the veritable promise of man's eternal career imprisoned within the mortal mind; they are the essence of man's perfected finaliter personality, which he can foretaste in time as he progressively masters the divine technique of achieving the living of the Father's will, step by step, through the ascension of universe upon universe until he actually attains the divine presence of his Paradise Father.

(1176.3) 107:0.3 God, having commanded man to be perfect, even as he is perfect, has descended as the Adjuster to become man's experiential partner in the achievement of the supernal destiny which has been thus ordained. The fragment of God which indwells the mind of man is the absolute and unqualified assurance that man can find the Universal Father in association with this divine Adjuster, which came forth from God to find man and sonship him even in the days of the flesh.

(1176.4) 107:0.4 Any mortal who has seen a Creator Son has seen the Universal Father, and he who is indwelt by a divine Adjuster is indwelt by the Paradise Father. Every mortal who is consciously or unconsciously following the leading of his indwelling Adjuster is living in accordance with the will of God. Consciousness of Adjuster presence is consciousness of God's presence. Eternal fusion of the Adjuster with the evolutionary soul of man is the factual experience of eternal union with God as a universe associate of Deity.

(1176.5) 107:0.5 It is the Adjuster who creates within man that unquenchable yearning and incessant longing to be like God, to attain Paradise, and there before the actual person of Deity to worship the infinite source of the divine gift. The Adjuster is the living presence which actually links the mortal son with his Paradise Father and draws him nearer and nearer to the Father. The Adjuster is our compensatory equalization of the enormous universe tension which is created by the distance of man's removal from God and by the degree of his partiality in contrast with the universality of the eternal Father.

(1176.6) 107:0.6 The Adjuster is an absolute essence of an infinite being imprisoned within the mind of a finite creature which, depending on the choosing of such a mortal, can eventually consummate this temporary union of God and man and veritably actualize a new order of being for unending universe service. The Adjuster is the divine universe reality which factualizes the truth that God is man's Father. The Adjuster is man's infallible cosmic compass, always and unerringly pointing the soul Godward.

(1177.1) 107:0.7 On the evolutionary worlds, will creatures traverse three general developmental stages of being: From the arrival of the Adjuster to comparative full growth, about twenty years of age on Urantia (Earth), the Monitors are sometimes designated Thought Changers. From this time to the attainment of

the age of discretion, about forty years, the Mystery Monitors are called Thought Adjusters. From the attainment of discretion to deliverance from the flesh, they are often referred to as Thought Controllers. These three phases of mortal life have no connection with the three stages of Adjuster progress in mind duplication and soul evolution.

1. Origin of Thought Adjusters

(1177.2) 107:1.1 Since Thought Adjusters are of the essence of original Deity, no one may presume to discourse authoritatively upon their nature and origin; I can only impart the traditions of Salvington and the beliefs of Uversa; I can only explain how we regard these Mystery Monitors and their associated entities throughout the grand universe.

(1177.3) 107:1.2 Though there are diverse opinions regarding the mode of the bestowal of Thought Adjusters, there exist no such differences concerning their origin; all are agreed that they proceed direct from the Universal Father, the First Source and Centre. They are not created beings; they are fragmentized entities constituting the factual presence of the infinite God. Together with their many unrevealed associates, the Adjusters are undiluted and unmixed divinity, unqualified and unattenuated parts of Deity; they are of God, and as far as we are able to discern, *they are God*.

(1177.4) 107:1.3 As to the time of their beginning separate existences apart from the absoluteness of the First Source and Centre, we do not know; neither do we know their number. We know very little concerning their careers until they arrive on the planets of time to indwell human minds, but from that time on we are more or less familiar with their cosmic progressions up to and including the consummation of their triune destinies: attainment of personality by fusion with some mortal ascender, attainment of personality by fiat of the Universal Father, or liberation from the known assignments of Thought Adjusters.

(1177.5) 107:1.4 Although we do not know, we presume that Adjusters are being constantly individualized as the universe enlarges, and as the candidates for Adjuster fusion increase in numbers. But it may be equally possible that we are in error in attempting to assign a numerical magnitude to the Adjusters; like God himself, these fragments of his unfathomable nature may be existentially infinite.

(1177.6) 107:1.5 The technique of the origin of the Thought Adjusters is one of the unrevealed functions of the Universal Father. We have every reason to believe that none of the other absolute associates of the First Source and Centre have aught to do with the production of Father fragments. Adjusters are simply and eternally the divine gifts; they are of God and from God, and they are like God.

(1177.7) 107:1.6 In their relationship to fusion creatures they reveal a supernal love and spiritual ministry that is profoundly confirmative of the declaration that God is spirit. But there is much that takes place in addition to this transcendent ministry that has never been revealed to Urantia (Earth) mortals. Neither do we fully understand just what really transpires when the Universal Father gives of himself to be a part of the personality of a creature of time. Nor has the ascending progression of the Paradise finaliters as yet disclosed the full possibilities inherent in this supernal partnership of man and God. In the last analysis, the Father fragments must be the gift of the absolute God to those creatures whose destiny encompasses the possibility of the attainment of God as absolute.

(1178.1) 107:1.7 As the Universal Father fragmentizes his prepersonal Deity, so does the Infinite Spirit individuate portions of his premind spirit to indwell and actually to fuse with the evolutionary souls of the surviving mortals of the spirit-fusion series. But the nature of the Eternal Son is not thus fragmentable; the spirit of the Original Son is either diffuse or discretely personal. Son-fused creatures are united with individualized bestowals of the spirit of the Creator Sons of the Eternal Son.

2. Classification of Adjusters

(1178.2) 107:2.1 Adjusters are individuated as virgin entities, and all are destined to become either liberated, fused, or Personalized Monitors. We understand that there are seven orders of Thought Adjusters, although we do not altogether comprehend these divisions. We often refer to the different orders as follows:

(1178.3) 107:2.2 1. *Virgin Adjusters*, those serving on their initial assignment in the minds of evolutionary candidates for eternal survival. Mystery Monitors are eternally uniform in divine nature. They are also uniform in experiential nature as they first go out from Divinington; subsequent experiential differentiation is the result of actual experience in universe ministry.

(1178.4) 107:2.3 2. *Advanced Adjusters*, those who have served one or more seasons with will creatures on worlds where the final fusion takes place between the identity of the creature of time and an individualized portion of the spirit of the local universe manifestation of the Third Source and Centre.

(1178.5) 107:2.4 3. *Supreme Adjusters*, those Monitors that have served in the adventure of time on the evolutionary worlds, but whose human partners for some reason declined eternal survival, and those that have been subsequently assigned to other adventures in other mortals on other evolving worlds. A supreme Adjuster, though no more divine than a virgin Monitor, has had more experience, can do things in the human mind which a less experienced Adjuster could not do.

(1178.6) 107:2.5 4. *Vanished Adjusters*. Here occurs a break in our efforts to follow the careers of the Mystery Monitors. There is a fourth stage of service about which we are not sure. The Melchizedeks teach that the fourth-stage Adjusters are on detached assignments, roaming the universe of universes. The Solitary Messengers are inclined to believe that they are at one with the First Source and Centre, enjoying a period of refreshing association with the Father himself. And it is entirely possible that an Adjuster could be roaming the master universe simultaneously with being at one with the omnipresent Father.

(1178.7) 107:2.6 5. *Liberated Adjusters*, those Mystery Monitors that have been eternally liberated from the service of time for the mortals of the evolving spheres. What functions may be theirs, we do not know.

(1179.1) 107:2.7 6. *Fused Adjusters* — finaliters — those who have become one with the ascending creatures of the superuniverses, the eternity partners of the time ascenders of the Paradise Corps of the Finality. Thought Adjusters ordinarily become fused with the ascending mortals of time, and with such surviving mortals they are registered in and out of Ascendington; they follow the course of ascendant beings. Upon fusion with the ascending evolutionary soul, it appears that the Adjuster translates from the absolute existential level of the universe to the finite experiential level of functional association with an ascending personality. While retaining all of the character of the existential divine nature, a fused Adjuster becomes indissolubly linked with the ascending career of a surviving mortal.

(1179.2) 107:2.8 7. *Personalized Adjusters*, those who have served with the incarnated Paradise Sons, together with many who have achieved unusual distinction during the mortal indwelling, but whose subjects rejected survival. We have reasons for believing that such Adjusters are personalized on the recommendations of the Ancients of Days of the superuniverse of their assignment.

(1179.3) 107:2.9 There are many ways in which these mysterious God fragments can be classified: according to universe assignment, by the measure of success in the indwelling of an individual mortal, or even by the racial ancestry of the mortal candidate for fusion.

3. The Divinington Home of Adjusters

(1179.4) 107:3.1 All universe activities related to the dispatch, management, direction, and return of the Mystery Monitors from service in all of the seven superuniverses seem to be centred on the sacred sphere of Divinington. As far as I know, none but Adjusters and other entities of the Father have been on that sphere. It seems likely that numerous unrevealed prepersonal entities share Divinington as a home sphere with the Adjusters. We conjecture that these fellow entities may in some manner be associated with the present and future ministry of the Mystery Monitors. But we really do not know.

(1179.5) 107:3.2 When Thought Adjusters return to the Father, they go back to the realm of supposed origin, Divinington; and probably as a part of this experience, there is actual contact with the Father's Paradise personality as well as with the specialized manifestation of the Father's divinity which is reported to be situated on this secret sphere.

(1179.6) 107:3.3 Although we know something of all the seven secret spheres of Paradise, we know less of Divinington than of the others. Beings of high spiritual orders receive only three divine injunctions, and they are:

(1179.7) 107:3.4 1. Always to show adequate respect for the experience and endowments of their seniors and superiors.

(1179.8) 107:3.5 2. Always to be considerate of the limitations and inexperience of their juniors and subordinates.

(1179.9) 107:3.6 3. Never to attempt a landing on the shores of Divinington.

(1179.10) 107:3.7 I have often reflected that it would be quite useless for me to go to Divinington; I probably should be unable to see any resident beings except such as the Personalized Adjusters, and I have seen them elsewhere. I am very sure there is nothing on Divinington of real value or profit to me, nothing essential to my growth and development, or I should not have been forbidden to go there.

(1180.1) 107:3.8 Since we can learn little or nothing of the nature and origin of Adjusters from Divinington, we are compelled to gather information from a thousand and one different sources, and it is necessary to assemble, associate, and correlate this accumulated data in order that such knowledge may be informative.

(1180.2) 107:3.9 The valour and wisdom exhibited by Thought Adjusters suggest that they have undergone a training of tremendous scope and range. Since they are not personalities, this training must be imparted

in the educational institutions of Divinington. The unique Personalized Adjusters no doubt constitute the personnel of the Adjuster training schools of Divinington. And we do know that this central and supervising corps is presided over by the now Personalized Adjuster of the first Paradise Son of the Michael order to complete his sevenfold bestowal upon the races and peoples of his universe realms.

(1180.3) 107:3.10 We really know very little about the nonpersonalized Adjusters; we only contact and communicate with the personalized orders. These are christened on Divinington and are always known by name and not by number. The Personalized Adjusters are permanently domiciled on Divinington; that sacred sphere is their home. They go out from that abode only by the will of the Universal Father. Very few are found in the domains of the local universes, but larger numbers are present in the central universe.

4. Nature and Presence of Adjusters

(1180.4) 107:4.1 To say that a Thought Adjuster is divine is merely to recognize the nature of origin. It is highly probable that such purity of divinity embraces the essence of the potential of all attributes of Deity which can be contained within such a fragment of the absolute essence of the universal presence of the eternal and infinite Paradise Father.

(1180.5) 107:4.2 The actual source of the Adjuster must be infinite, and before fusion with the immortal soul of an evolving mortal, the reality of the Adjuster must border on absoluteness. Adjusters are not absolutes in the universal sense, in the Deity sense, but they are probably true absolutes within the potentialities of their fragmented nature. They are qualified as to universality but not as to nature; in extensiveness they are limited, but in intensiveness of meaning, value, and fact *they are absolute*. For this reason we sometimes denominate the divine gifts as the qualified absolute fragments of the Father.

(1180.6) 107:4.3 No Adjuster has ever been disloyal to the Paradise Father; the lower orders of personal creatures may sometimes have to contend with disloyal fellows, but never the Adjusters; they are supreme and infallible in their supernal sphere of creature ministry and universe function.

(1180.7) 107:4.4 Nonpersonalized Adjusters are visible only to Personalized Adjusters. My order, the Solitary Messengers, together with Inspired Trinity Spirits, can detect the presence of Adjusters by means of spiritual reactive phenomena; and even seraphim can sometimes discern the spirit luminosity of supposed association with the presence of Monitors in the material minds of men; but none of us are able actually to discern the real presence of Adjusters, not unless they have been personalized, albeit their natures are perceivable in union with the fused personalities of the ascending mortals from the evolutionary worlds. The universal invisibility of the Adjusters is strongly suggestive of their high and exclusive divine origin and nature.

(1181.1) 107:4.5 There is a characteristic light, a spirit luminosity, which accompanies this divine presence, and which has become generally associated with Thought Adjusters. In the universe of Nebadon this Paradise luminosity is widespreadly known as the “pilot light”; on Uversa it is called the “light of life.” On Urantia (Earth) this phenomenon has sometimes been referred to as that “true light which lights every man who comes into the world.”

(1181.2) 107:4.6 To all beings who have attained the Universal Father, the Personalized Thought Adjusters are visible. Adjusters of all stages, together with all other beings, entities, spirits, personalities, and spirit

manifestations, are always discernible by those Supreme Creator Personalities who originate in the Paradise Deities, and who preside over the major governments of the grand universe.

(1181.3) 107:4.7 Can you really realize the true significance of the Adjuster's indwelling? Do you really fathom what it means to have an absolute fragment of the absolute and infinite Deity, the Universal Father, indwelling and fusing with your finite mortal natures? When mortal man fuses with an actual fragment of the existential Cause of the total cosmos, no limit can ever be placed upon the destiny of such an unprecedented and unimaginable partnership. In eternity, man will be discovering not only the infinity of the objective Deity but also the unending potentiality of the subjective fragment of this same God. Always will the Adjuster be revealing to the mortal personality the wonder of God, and never can this supernal revelation come to an end, for the Adjuster is of God and as God to mortal man.

5. Adjuster Mindedness

(1181.4) 107:5.1 Evolutionary mortals are prone to look upon mind as a cosmic mediation between spirit and matter, for that is indeed the principal ministry of mind as discernible by you. Hence it is quite difficult for humans to perceive that Thought Adjusters have minds, for Adjusters are fragmentations of God on an absolute level of reality which is not only prepersonal but also prior to all energy and spirit divergence. On a monistic level antecedent to energy and spirit differentiation there could be no mediating function of mind, for there are no divergencies to be mediated.

(1181.5) 107:5.2 Since Adjusters can plan, work, and love, they must have powers of selfhood which are commensurate with mind. They are possessed of unlimited ability to communicate with each other, that is, all forms of Monitors above the first or virgin groups. As to the nature and purport of their intercommunications, we can reveal very little, for we do not know. And we further know that they must be minded in some manner else they could never be personalized.

(1181.6) 107:5.3 The mindedness of the Thought Adjuster is like the *mindedness* of the Universal Father and the Eternal Son — that which is ancestral to the *minds* of the Conjoint Actor.

(1181.7) 107:5.4 The type of mind postulated in an Adjuster must be similar to the mind endowment of numerous other orders of prepersonal entities which presumably likewise originate in the First Source and Centre. Though many of these orders have not been revealed on Urantia (Earth), they all disclose minded qualities. It is also possible for these individuations of original Deity to become unified with numerous evolving types of nonmortal beings and even with a limited number of nonevolutionary beings who have developed capacity for fusion with such Deity fragments.

(1182.1) 107:5.5 When a Thought Adjuster is fused with the evolving immortal morontia soul of the surviving human, the mind of the Adjuster can only be identified as persisting apart from the creature's mind until the ascending mortal attains spirit levels of universe progression.

(1182.2) 107:5.6 Upon the attainment of the finaliter levels of ascendant experience, these spirits of the sixth stage appear to transmute some mind factor representing a union of certain phases of the mortal and Adjuster minds which had previously functioned as liaison between the divine and human phases of such ascending personalities. This experiential mind quality probably "supremacizes" and subsequently augments the experiential endowment of evolutionary Deity — the Supreme Being.

6. Adjusters as Pure Spirits

(1182.3) 107:6.1 As Thought Adjusters are encountered in creature experience, they disclose the presence and leading of a spirit influence. The Adjuster is indeed a spirit, pure spirit, but spirit plus. We have never been able satisfactorily to classify Mystery Monitors; all that can certainly be said of them is that they are truly Godlike.

(1182.4) 107:6.2 The Adjuster is man's eternity possibility; man is the Adjuster's personality possibility. Your individual Adjusters work to spiritize you in the hope of eternalizing your temporal identity. The Adjusters are saturated with the beautiful and self-bestowing love of the Father of spirits. They truly and divinely love you; they are the prisoners of spirit hope confined within the minds of men. They long for the divinity attainment of your mortal minds that their loneliness may end, that they may be delivered with you from the limitations of material investiture and the habiliments of time.

(1182.5) 107:6.3 Your path to Paradise is the path of spirit attainment, and the Adjuster nature will faithfully unfold the revelation of the spiritual nature of the Universal Father. Beyond the Paradise ascent and in the postfinaliter stages of the eternal career, the Adjuster may possibly contact with the onetime human partner in other than spirit ministry; but the Paradise ascent and the finaliter career are the partnership between the God-knowing spiritualizing mortal and the spiritual ministry of the God-revealing Adjuster.

(1182.6) 107:6.4 We know that Thought Adjusters are spirits, pure spirits, presumably absolute spirits. But the Adjuster must also be something more than exclusive spirit reality. In addition to conjectured mindedness, factors of pure energy are also present. If you will remember that God is the source of pure energy and of pure spirit, it will not be so difficult to perceive that his fragments would be both. It is a fact that the Adjusters traverse space over the instantaneous and universal gravity circuits of the Paradise Isle.

(1182.7) 107:6.5 That the Mystery Monitors are thus associated with the material circuits of the universe of universes is indeed puzzling. But it remains a fact that they flash throughout the entire grand universe over the material-gravity circuits. It is entirely possible that they may even penetrate the outer space levels; they certainly could follow the gravity presence of Paradise into these regions, and though my order of personality can traverse the mind circuits of the Conjoint Actor also beyond the confines of the grand universe, we have never been sure of detecting the presence of Adjusters in the uncharted regions of outer space.

(1183.1) 107:6.6 And yet, while the Adjusters utilize the material-gravity circuits, they are not subject thereto as is material creation. The Adjusters are fragments of the ancestor of gravity, not the consequentials of gravity; they have segmented on a universe level of existence which is hypothetically antecedent to gravity appearance.

(1183.2) 107:6.7 Thought Adjusters have no relaxation from the time of their bestowal until the day of their release to start for Divinington upon the natural death of their mortal subjects. And those whose subjects do not pass through the portals of natural death do not even experience this temporary respite. Thought Adjusters do not require energy intake; they are energy, energy of the highest and most divine order.

7. Adjusters and Personality

(1183.3) 107:7.1 Thought Adjusters are not personalities, but they are real entities; they are truly and perfectly individualized, although they are never, while indwelling mortals, actually personalized. Thought Adjusters are not true personalities; they are *true realities*, realities of the purest order known in the universe of universes — they are the divine presence. Though not personal, these marvellous fragments of the Father are commonly referred to as beings and sometimes, in view of the spiritual phases of their present ministry to mortals, as spirit entities.

(1183.4) 107:7.2 If Thought Adjusters are not personalities having prerogatives of will and powers of choice, how then can they select mortal subjects and volunteer to indwell these creatures of the evolutionary worlds? This is a question easy to ask, but probably no being in the universe of universes has ever found the exact answer. Even my order of personality, the Solitary Messengers, does not fully understand the endowment of will, choice, and love in entities that are not personal.

(1183.5) 107:7.3 We have often speculated that Thought Adjusters must have volition on all *prepersonal* levels of choice. They volunteer to indwell human beings, they lay plans for man's eternal career, they adapt, modify, and substitute in accordance with circumstances, and these activities connote genuine volition. They have affection for mortals, they function in universe crises, they are always waiting to act decisively in accordance with human choice, and all these are highly volitional reactions. In all situations not concerned with the domain of the human will, they unquestionably exhibit conduct which betokens the exercise of powers in every sense the equivalent of will, maximated decision.

(1183.6) 107:7.4 Why then, if Thought Adjusters possess volition, are they subservient to the mortal will? We believe it is because Adjuster volition, though absolute in nature, is prepersonal in manifestation. Human will functions on the personality level of universe reality, and throughout the cosmos the impersonal — the nonpersonal, the subpersonal, and the prepersonal — is ever responsive to the will and acts of existent personality.

(1183.7) 107:7.5 Throughout a universe of created beings and nonpersonal energies we do not observe will, volition, choice, and love manifested apart from personality. Except in the Adjusters and other similar entities we do not witness these attributes of personality functioning in association with impersonal realities. It would not be correct to designate an Adjuster as subpersonal, neither would it be proper to allude to such an entity as superpersonal, but it would be entirely permissible to term such a being prepersonal.

(1184.1) 107:7.6 To our orders of being these fragments of Deity are known as the divine gifts. We recognize that the Adjusters are divine in origin, and that they constitute the probable proof and demonstration of a reservation by the Universal Father of the possibility of direct and unlimited communication with any and all material creatures throughout his virtually infinite realms, and all of this quite apart from his presence in the personalities of his Paradise Sons or through his indirect ministrations in the personalities of the Infinite Spirit.

(1184.2) 107:7.7 There are no created beings that would not delight to be hosts to the Mystery Monitors, but no orders of beings are thus indwelt excepting evolutionary will creatures of finaliter destiny.

Paper 108**Mission and Ministry of Thought Adjusters**

(1185.1) 108:0.1 THE mission of the Thought Adjusters to the human races is to represent, to be, the Universal Father to the mortal creatures of time and space; that is the fundamental work of the divine gifts. Their mission is also that of elevating the mortal minds and of translating the immortal souls of men up to the divine heights and spiritual levels of Paradise perfection. And in the experience of thus transforming the human nature of the temporal creature into the divine nature of the eternal finaliter, the Adjusters bring into existence a unique type of being, a being consisting in the eternal union of the perfect Adjuster and the perfected creature which it would be impossible to duplicate by any other universe technique.

(1185.2) 108:0.2 Nothing in the entire universe can substitute for the fact of experience on nonexistential levels. The infinite God is, as always, replete and complete, infinitely inclusive of all things except evil and creature experience. God cannot do wrong; he is infallible. God cannot experientially know what he has never personally experienced; God's preknowledge is existential. Therefore does the spirit of the Father descend from Paradise to participate with finite mortals in every bona fide experience of the ascending career; it is only by such a method that the existential God could become in truth and in fact man's experiential Father. The infinity of the eternal God encompasses the potential for finite experience, which indeed becomes actual in the ministry of the Adjuster fragments that actually share the life vicissitude experiences of human beings.

1. Selection and Assignment

(1185.3) 108:1.1 When Adjusters are dispatched for mortal service from Divinington, they are identical in the endowment of existential divinity, but they vary in experiential qualities proportional to previous contact in and with evolutionary creatures. We cannot explain the basis of Adjuster assignment, but we conjecture that these divine gifts are bestowed in accordance with some wise and efficient policy of eternal fitness of adaptation to the indwelt personality. We do observe that the more experienced Adjuster is often the indweller of the higher type of human mind; human inheritance must therefore be a considerable factor in determining selection and assignment.

(1185.4) 108:1.2 Although we do not definitely know, we firmly believe that all Thought Adjusters are volunteers. But before ever they volunteer, they are in possession of full data respecting the candidate for indwelling. The seraphic drafts of ancestry and projected patterns of life conduct are transmitted via Paradise to the reserve corps of Adjusters on Divinington by the reflectivity technique extending inward from the capitals of the local universes to the headquarters of the superuniverses. This forecast covers not only the hereditary antecedents of the mortal candidate but also the estimate of probable intellectual endowment and spiritual capacity. The Adjusters thus volunteer to indwell minds of whose intimate natures they have been fully apprised.

(1186.1) 108:1.3 The volunteering Adjuster is particularly interested in three qualifications of the human candidate:

(1186.2) 108:1.4 1. *Intellectual capacity.* Is the mind normal? What is the intellectual potential, the intelligence capacity? Can the individual develop into a bona fide will creature? Will wisdom have an opportunity to function?

(1186.3) 108:1.5 2. *Spiritual perception.* The prospects of reverential development, the birth and growth of the religious nature. What is the potential of soul, the probable spiritual capacity of receptivity?

(1186.4) 108:1.6 3. *Combined intellectual and spiritual powers.* The degree to which these two endowments may possibly be associated, combined, so as to produce strength of human character and contribute to the certain evolution of an immortal soul of survival value.

(1186.5) 108:1.7 With these facts before them, it is our belief that the Monitors freely volunteer for assignment. Probably more than one Adjuster volunteers; perhaps the supervising personalized orders select from this group of volunteering Adjusters the one best suited to the task of spiritualizing and eternalizing the personality of the mortal candidate. (In the assignment and service of the Adjusters the sex of the creature is of no consideration.)

(1186.6) 108:1.8 The short time intervening between the volunteering and the actual dispatch of the Adjuster is presumably spent in the Divinington schools of the Personalized Monitors where a working pattern of the waiting mortal mind is utilized in instructing the assigned Adjuster as to the most effective plans for personality approach and mind spiritization. This mind model is formulated through a combination of data supplied by the superuniverse reflectivity service. At least this is our understanding, a belief which we hold as the result of putting together information secured by contact with many Personalized Adjusters throughout the long universe careers of the Solitary Messengers.

(1186.7) 108:1.9 When once the Adjusters are actually dispatched from Divinington, practically no time intervenes between that moment and the hour of their appearance in the minds of their chosen subjects. The average transit time of an Adjuster from Divinington to Urantia (Earth) is 117 hours, 42 minutes, and 7 seconds. Virtually all of this time is occupied with registration on Uversa.

2. Prerequisites of Adjuster Indwelling

(1186.8) 108:2.1 Though the Adjusters volunteer for service as soon as the personality forecasts have been relayed to Divinington, they are not actually assigned until the human subjects make their first moral personality decision. The first moral choice of the human child is automatically indicated in the seventh mind-adjutant and registers instantly, by way of the local universe Creative Spirit, over the universal mind-gravity circuit of the Conjoint Actor in the presence of the Master Spirit of superuniverse jurisdiction, who forthwith dispatches this intelligence to Divinington. Adjusters reach their human subjects on Urantia (Earth), on the average, just prior to the sixth birthday. In the present generation it is running five years, ten months, and four days; that is, on the 2,134th day of terrestrial life.

(1187.1) 108:2.2 The Adjusters cannot invade the mortal mind until it has been duly prepared by the indwelling ministry of the adjutant mind-spirits and encircuited in the Holy Spirit. And it requires the co-ordinate function of all seven adjutants to thus qualify the human mind for the reception of an Adjuster. Creature mind must exhibit the worship outreach and indicate wisdom function by exhibiting the ability to choose between the emerging values of good and evil — moral choice.

(1187.2) 108:2.3 Thus is the stage of the human mind set for the reception of Adjusters, but as a general rule they do not immediately appear to indwell such minds except on those worlds where the Spirit of Truth is functioning as a spiritual co-ordinator of these different spirit ministries. If this spirit of the bestowal Sons is present, the Adjusters unfailingly come the instant the seventh adjutant mind-spirit begins to function and signalizes to the Universe Mother Spirit that it has achieved in potential the co-ordination of the associated six adjutants of prior ministry to such a mortal intellect. Therefore have the divine Adjusters been universally bestowed upon all normal minds of moral status on Urantia (Earth) ever since the day of Pentecost.

(1187.3) 108:2.4 Even with a Spirit of Truth endowed mind, the Adjusters cannot arbitrarily invade the mortal intellect prior to the appearance of moral decision. But when such a moral decision has been made, this spirit helper assumes jurisdiction direct from Divinington. There are no intermediaries or other intervening authorities or powers functioning between the divine Adjusters and their human subjects; God and man are directly related.

(1187.4) 108:2.5 Before the times of the pouring out of the Spirit of Truth upon the inhabitants of an evolutionary world, the Adjusters' bestowal appears to be determined by many spirit influences and personality attitudes. We do not fully comprehend the laws governing such bestowals; we do not understand just what determines the release of the Adjusters who have volunteered to indwell such evolving minds. But we do observe numerous influences and conditions which appear to be associated with the arrival of the Adjusters in such minds prior to the bestowal of the Spirit of Truth, and they are:

(1187.5) 108:2.6 1. The assignment of personal seraphic guardians. If a mortal has not been previously indwelt by an Adjuster, the assignment of a personal guardian brings the Adjuster forthwith. There exists some very definite but unknown relation between the ministry of Adjusters and the ministry of personal seraphic guardians.

(1187.6) 108:2.7 2. The attainment of the third circle of intellectual achievement and spiritual attainment. I have observed Adjusters arrive in mortal minds upon the conquest of the third circle even before such an accomplishment could be signalized to the local universe personalities concerned with such matters.

(1187.7) 108:2.8 3. Upon the making of a supreme decision of unusual spiritual import. Such human behaviour in a personal planetary crisis usually is attended by the immediate arrival of the waiting Adjuster.

(1187.8) 108:2.9 4. The spirit of brotherhood. Regardless of the attainment of the psychic circles and the assignment of personal guardians — in the absence of anything resembling a crisis decision — when an evolving mortal becomes dominated by the love of his fellows and consecrated to unselfish ministry to his brethren in the flesh, the waiting Adjuster unvaryingly descends to indwell the mind of such a mortal minister.

(1188.1) 108:2.10 5. Declaration of intention to do the will of God. We observe that many mortals on the worlds of space may be apparently in readiness to receive Adjusters, and yet the Monitors do not appear. We go on watching such creatures as they live from day to day, and presently they quietly, almost unconsciously, arrive at the decision to begin

the pursuit of the doing of the will of the Father in heaven. And then we observe the immediate dispatch of the Thought Adjusters.

(1188.2) 108:2.11 6. Influence of the Supreme Being. On worlds where the Adjusters do not fuse with the evolving souls of the mortal inhabitants, we observe Adjusters sometimes bestowed in response to influences which are wholly beyond our comprehension. We conjecture that such bestowals are determined by some cosmic reflex action originating in the Supreme Being. As to why these Adjusters can not or do not fuse with these certain types of evolving mortal minds we do not know. Such transactions have never been revealed to us.

3. Organization and Administration

(1188.3) 108:3.1 As far as we know, Adjusters are organized as an independent working unit in the universe of universes and are apparently administered directly from Divinington. They are uniform throughout the seven superuniverses, all local universes being served by identical types of Mystery Monitors. We do know from observation that there are numerous series of Adjusters involving a serial organization that extends through races, over dispensations, and to worlds, systems, and universes. It is, however, exceedingly difficult to keep track of these divine gifts since they function interchangeably throughout the grand universe.

(1188.4) 108:3.2 Adjusters are of complete record (outside of Divinington) only on the headquarters of the seven superuniverses. The number and order of each Adjuster indwelling each ascending creature are reported out by the Paradise authorities to the headquarters of the superuniverse, and from there are communicated to the headquarters of the local universe concerned and relayed to the particular planet involved. But the local universe records do not disclose the full number of the Thought Adjusters; the Nebadon records contain only the local universe assignment number as designated by the representatives of the Ancients of Days. The real significance of the Adjuster's complete number is known only on Divinington.

(1188.5) 108:3.3 Human subjects are often known by the numbers of their Adjusters; mortals do not receive real universe names until after Adjuster fusion, which union is signaled by the bestowal of the new name upon the new creature by the destiny guardian.

(1188.6) 108:3.4 Though we have the records of Thought Adjusters in Orvonton, and though we have absolutely no authority over them or administrative connection with them, we firmly believe that there is a very close administrative connection between the individual worlds of the local universes and the central lodgement of the divine gifts on Divinington. We do know that, following the appearance of a Paradise bestowal Son, an evolutionary world has a Personalized Adjuster assigned to it as the planetary supervisor of Adjusters.

(1189.1) 108:3.5 It is interesting to note that local universe inspectors always address themselves, when carrying out a planetary examination, to the planetary chief of Thought Adjusters, just as they deliver charges to the chiefs of seraphim and to the leaders of other orders of beings attached to the administration of an evolving world. Not long since, Urantia (Earth) underwent such a periodic inspection by Tabamantia, the sovereign supervisor of all life-experiment planets in the universe of Nebadon. And the records reveal that, in addition to his admonitions and indictments delivered to the various chiefs of superhuman personalities, he also delivered the following acknowledgment to the chief

of Adjusters, whether located on the planet, on Salvington, Uversa, or Divinington, we do not definitely know, but he said:

(1189.2) 108:3.6 “Now to you, superiors far above me, I come as one placed in temporary authority over the experimental planetary series; and I come to express admiration and profound respect for this magnificent group of celestial ministers, the Mystery Monitors, who have volunteered to serve on this irregular sphere. No matter how trying the crises, you never falter. Not on the records of Nebadon nor before the commissions of Orvonton has there ever been offered an indictment of a divine Adjuster. You have been true to your trusts; you have been divinely faithful. You have helped to adjust the mistakes and to compensate for the shortcomings of all who labour on this confused planet. You are marvellous beings, guardians of the good in the souls of this backward realm. I pay you respect even while you are apparently under my jurisdiction as volunteer ministers. I bow before you in humble recognition of your exquisite unselfishness, your understanding ministry, and your impartial devotion. You deserve the name of the Godlike servers of the mortal inhabitants of this strife-torn, grief-stricken, and disease-afflicted world. I honour you! I all but worship you!”

(1189.3) 108:3.7 As a result of many suggestive lines of evidence, we believe that the Adjusters are thoroughly organized, that there exists a profoundly intelligent and efficient directive administration of these divine gifts from some far-distant and central source, probably Divinington. We know that they come from Divinington to the worlds, and undoubtedly they return thereto upon the deaths of their subjects.

(1189.4) 108:3.8 Among the higher spirit orders it is exceedingly difficult to discover the mechanisms of administration. My order of personalities, while engaged in the prosecution of our specific duties, is undoubtedly unconsciously participating with numerous other personal and impersonal sub-Deity groups who unitedly are functioning as far-flung universe correlators. We suspect that we are thus serving because we are the only group of personalized creatures (aside from Personalized Adjusters) who are uniformly conscious of the presence of numerous orders of the prepersonal entities.

(1189.5) 108:3.9 We are aware of the presence of the Adjusters, who are fragments of the prepersonal Deity of the First Source and Centre. We sense the presence of the Inspired Trinity Spirits, who are superpersonal expressions of the Paradise Trinity. We likewise unfailingly detect the spirit presence of certain unrevealed orders springing from the Eternal Son and the Infinite Spirit. And we are not wholly unresponsive to still other entities unrevealed to you.

(1190.1) 108:3.10 The Melchizedeks of Nebadon teach that the Solitary Messengers are the personality co-ordinators of these various influences as they register in the expanding Deity of the evolutionary Supreme Being. It is very possible that we may be participants in the experiential unification of many of the unexplained phenomena of time, but we are not consciously certain of thus functioning.

4. Relation to Other Spiritual Influences

(1190.2) 108:4.1 Apart from possible co-ordination with other Deity fragments, the Adjusters are quite alone in their sphere of activity in the mortal mind. The Mystery Monitors eloquently bespeak the fact that, though the Father may have apparently resigned the exercise of all direct personal power and authority throughout the grand universe, notwithstanding this act of abnegation in behalf of the Supreme Creator children of the Paradise Deities, the Father has certainly reserved to himself the unchallengeable right to

be present in the minds and souls of his evolving creatures to the end that he may so act as to draw all creature creation to himself, co-ordinately with the spiritual gravity of the Paradise Sons. Said your Paradise bestowal Son when yet on Urantia (Earth), "I, if I am lifted up, will draw all men." This spiritual drawing power of the Paradise Sons and their creative associates we recognize and understand, but we do not so fully comprehend the methods of the all-wise Father's functioning in and through these Mystery Monitors that live and work so valiantly within the human mind.

(1190.3) 108:4.2 While not subordinate to, co-ordinate with, or apparently related to, the work of the universe of universes, though acting independently in the minds of the children of men, unceasingly do these mysterious presences urge the creatures of their indwelling toward divine ideals, always luring them upward toward the purposes and aims of a future and better life. These Mystery Monitors are continually assisting in the establishment of the spiritual dominion of Michael throughout the universe of Nebadon while mysteriously contributing to the stabilization of the sovereignty of the Ancients of Days in Orvonton. The Adjusters *are* the will of God, and since the Supreme Creator children of God also personally embody that same will, it is inevitable that the actions of Adjusters and the sovereignty of the universe rulers should be mutually interdependent. Though apparently unconnected, the Father presence of the Adjusters and the Father sovereignty of Michael of Nebadon must be diverse manifestations of the same divinity.

(1190.4) 108:4.3 Thought Adjusters appear to come and go quite independent of any and all other spiritual presences; they seem to function in accordance with universe laws quite apart from those which govern and control the performances of all other spirit influences. But regardless of such apparent independence, long-range observation unquestionably discloses that they function in the human mind in perfect synchrony and co-ordination with all other spirit ministries, including adjutant mind-spirits, Holy Spirit, Spirit of Truth, and other influences.

(1190.5) 108:4.4 When a world is isolated by rebellion, when a planet is cut off from all outside encircuited communication, as was Urantia (Earth) after the Caligastia upheaval, aside from personal messengers there remains but one possibility of direct interplanetary or universe communication, and that is through the liaison of the Adjusters of the spheres. No matter what happens on a world or in a universe, the Adjusters are never directly concerned. The isolation of a planet in no way affects the Adjusters and their ability to communicate with any part of the local universe, superuniverse, or the central universe. And this is the reason why contacts with the supreme and the self-acting Adjusters of the reserve corps of destiny are so frequently made on quarantined worlds. Recourse is had to such a technique as a means of circumventing the handicaps of planetary isolation. In recent years the archangels' circuit has functioned on Urantia (Earth), but that means of communication is largely limited to the transactions of the archangel corps itself.

(1191.1) 108:4.5 We are cognizant of many spirit phenomena in the far-flung universe which we are at a loss fully to understand. We are not yet masters of all that is transpiring about us; and I believe that much of this inscrutable work is wrought by the Gravity Messengers and certain types of Mystery Monitors. I do not believe that Adjusters are devoted solely to the remaking of mortal minds. I am persuaded that the Personalized Monitors and other orders of unrevealed prepersonal spirits are representative of the Universal Father's direct and unexplained contact with the creatures of the realms.

5. The Adjuster's Mission

(1191.2) 108:5.1 The Adjusters accept a difficult assignment when they volunteer to indwell such composite beings as live on Urantia (Earth). But they have assumed the task of existing in your minds, there to receive the admonitions of the spiritual intelligences of the realms and then to undertake to redictate or translate these spiritual messages to the material mind; they are indispensable to the Paradise ascension.

(1191.3) 108:5.2 What the Thought Adjuster cannot utilize in your present life, those truths which he cannot successfully transmit to the man of his betrothal, he will faithfully preserve for use in the next stage of existence, just as he now carries over from circle to circle those items which he fails to register in the experience of the human subject, owing to the creature's inability, or failure, to give a sufficient degree of co-operation.

(1191.4) 108:5.3 One thing you can depend upon: The Adjusters will never lose anything committed to their care; never have we known these spirit helpers to default. Angels and other high types of spirit beings, not excepting the local universe type of Sons, may occasionally embrace evil, may sometimes depart from the divine way, but Adjusters never falter. They are absolutely dependable, and this is equally true of all seven groups.

(1191.5) 108:5.4 Your Adjuster is the potential of your new and next order of existence, the advance bestowal of your eternal sonship with God. By and with the consent of your will, the Adjuster has the power to subject the creature trends of the material mind to the transforming actions of the motivations and purposes of the emerging morontial soul.

(1191.6) 108:5.5 The Mystery Monitors are not thought helpers; they are thought adjusters. They labour with the material mind for the purpose of constructing, by adjustment and spiritualization, a new mind for the new worlds and the new name of your future career. Their mission chiefly concerns the future life, not this life. They are called heavenly helpers, not earthly helpers. They are not interested in making the mortal career easy; rather are they concerned in making your life reasonably difficult and rugged, so that decisions will be stimulated and multiplied. The presence of a great Thought Adjuster does not bestow ease of living and freedom from strenuous thinking, but such a divine gift should confer a sublime peace of mind and a superb tranquillity of spirit.

(1192.1) 108:5.6 Your transient and ever-changing emotions of joy and sorrow are in the main purely human and material reactions to your internal psychic climate and to your external material environment. Do not, therefore, look to the Adjuster for selfish consolation and mortal comfort. It is the business of the Adjuster to prepare you for the eternal adventure, to assure your survival. It is not the mission of the Mystery Monitor to smooth your ruffled feelings or to minister to your injured pride; it is the preparation of your soul for the long ascending career that engages the attention and occupies the time of the Adjuster.

(1192.2) 108:5.7 I doubt that I am able to explain to you just what the Adjusters do in your minds and for your souls. I do not know that I am fully cognizant of what is really going on in the cosmic association of a divine Monitor and a human mind. It is all somewhat of a mystery to us, not as to the plan and purpose but as to the actual mode of accomplishment. And this is just why we are confronted with such difficulty in finding an appropriate name for these supernal gifts to mortal men.

(1192.3) 108:5.8 The Thought Adjusters would like to change your feelings of fear to convictions of love and confidence; but they cannot mechanically and arbitrarily do such things; that is your task. In executing those decisions which deliver you from the fetters of fear, you literally supply the psychic fulcrum on which the Adjuster may subsequently apply a spiritual lever of uplifting and advancing illumination.

(1192.4) 108:5.9 When it comes to the sharp and well-defined conflicts between the higher and lower tendencies of the races, between what *really is* right or wrong (not merely what you may call right and wrong), you can depend upon it that the Adjuster will always participate in some definite and active manner in such experiences. The fact that such Adjuster activity may be unconscious to the human partner does not in the least detract from its value and reality.

(1192.5) 108:5.10 If you have a personal guardian of destiny and should fail of survival, that guardian angel must be adjudicated in order to receive vindication as to the faithful execution of her trust. But Thought Adjusters are not thus subjected to examination when their subjects fail to survive. We all know that, while an angel might possibly fall short of the perfection of ministry, Thought Adjusters work in the manner of Paradise perfection; their ministry is characterized by a flawless technique which is beyond the possibility of criticism by any being outside of Divinington. You have perfect guides; therefore is the goal of perfection certainly attainable.

6. God in Man

(1192.6) 108:6.1 It is indeed a marvel of divine condescension for the exalted and perfect Adjusters to offer themselves for actual existence in the minds of material creatures, such as the mortals of Urantia (Earth), really to consummate a probationary union with the animal-origin beings of Earth.

(1193.1) 108:6.2 No matter what the previous status of the inhabitants of a world, subsequent to the bestowal of a divine Son and after the bestowal of the Spirit of Truth upon all humans, the Adjusters flock to such a world to indwell the minds of all normal will creatures. Following the completion of the mission of a Paradise bestowal Son, these Monitors truly become the “kingdom of heaven within you.” Through the bestowal of the divine gifts the Father makes the closest possible approach to sin and evil, for it is literally true that the Adjuster must coexist in the mortal mind even in the very midst of human unrighteousness. The indwelling Adjusters are particularly tormented by those thoughts which are purely sordid and selfish; they are distressed by irreverence for that which is beautiful and divine, and they are virtually thwarted in their work by many of man’s foolish animal fears and childish anxieties.

(1193.2) 108:6.3 The Mystery Monitors are undoubtedly the bestowal of the Universal Father, the reflection of the image of God abroad in the universe. A great teacher once admonished men that they should be renewed in the spirit of their minds; that they become new men who, like God, are created in righteousness and in the completion of truth. The Adjuster is the mark of divinity, the presence of God. The “image of God” does not refer to physical likeness nor to the circumscribed limitations of material creature endowment but rather to the gift of the spirit presence of the Universal Father in the supernal bestowal of the Thought Adjusters upon the humble creatures of the universes.

(1193.3) 108:6.4 The Adjuster is the wellspring of spiritual attainment and the hope of divine character within you. He is the power, privilege, and the possibility of survival, which so fully and forever distinguishes you from mere animal creatures. He is the higher and truly internal spiritual stimulus of thought in

contrast with the external and physical stimulus, which reaches the mind over the nerve-energy mechanism of the material body.

(1193.4) 108:6.5 These faithful custodians of the future career unfailingly duplicate every mental creation with a spiritual counterpart; they are thus slowly and surely re-creating you as you really are (only spiritually) for resurrection on the survival worlds. And all of these exquisite spirit re-creations are being preserved in the emerging reality of your evolving and immortal soul, your morontia self. These realities are actually there, notwithstanding that the Adjuster is seldom able to exalt these duplicate creations sufficiently to exhibit them to the light of consciousness.

(1193.5) 108:6.6 And as you are the human parent, so is the Adjuster the divine parent of the real you, your higher and advancing self, your better morontial and future spiritual self. And it is this evolving morontial soul that the judges and censors discern when they decree your survival and pass you upward to new worlds and never-ending existence in eternal liaison with your faithful partner — God, the Adjuster.

(1193.6) 108:6.7 The Adjusters are the eternal ancestors, the divine originals, of your evolving immortal souls; they are the unceasing urge that leads man to attempt the mastery of the material and present existence in the light of the spiritual and future career. The Monitors are the prisoners of undying hope, the founts of everlasting progression. And how they do enjoy communicating with their subjects in more or less direct channels! How they rejoice when they can dispense with symbols and other methods of indirection and flash their messages straight to the intellects of their human partners!

(1194.1) 108:6.8 You humans have begun an endless unfolding of an almost infinite panorama, a limitless expanding of never-ending, ever-widening spheres of opportunity for exhilarating service, matchless adventure, sublime uncertainty, and boundless attainment. When the clouds gather overhead, your faith should accept the fact of the presence of the indwelling Adjuster, and thus you should be able to look beyond the mists of mortal uncertainty into the clear shining of the sun of eternal righteousness on the beckoning heights of the Mansion Worlds of Satania.

SPIRIT:

17 May 2015

Are you surprised that there is such confusion in the concepts of individual spirituality and one's relationship with spirit beings? This is perhaps that most significant area of misunderstanding in humans on Earth now. This has been the case for a very long time and it is time that this hurdle was lessened.

Each one does have a spark of Our Creator within them and this spark is intrinsically bound with the soul of each one but is not the same as the soul. There are differences which are quite great but inexplicable yet. This is referred to as **Thought Adjuster** and sometimes as **spirit guide** or **guardian angel** or many other such terms none of which goes close to giving a clear indication of the nature or function of this essential and integral part of every person.

Because of the nature of the human race at this stage of its development, this part exists in an area that is mostly out of awareness. There is no diminution of the awareness of consciousness of this spark which is always fully aware of itself and of its integral and intimate connection with its origin and all the other aspects of creation. Its only way of communication with people is through influencing the level of awareness in any situation. For the most part this is relatively uncomplicated in the antenatal and immediate post-natal periods. This is not always the case as the societal influences on a foetus and infant begin at the commencement of their carnate existence.

The implication of what I am saying is that every person has an integral aspect which is always fully aware of the essentially spiritual nature of that person. What you call this is immaterial as it is virtually impossible for you to have a valid concept of what this is and what this means. The nature of the human reality with its concepts of separation of one from another leads to the concept of this aspect as being something separate which needs to be visualised as guide or guardian angel. This is an acceptable way of managing this but is not sustainable in the long term.

Have you noticed that in all the stories you have read on life on this side, no-one describes having met their guides or guardians? There are many descriptions of meeting with other spirits who have acted in teaching and guiding roles.

You see, your spirit guide is particularly your own because it became such at the moment of your creation and always remains so. The progress of spiritual development of every person is one of progressive discovery of this fact until the eventual awareness and realisation of this fact of living by virtue of being able to know that one is At One with God. Every-one is actually At One with God from the moment of creation but doesn't know this and will take varying amounts of time to do so. The only thing that separates you from knowing awareness of being At One with God at this moment is the acceptance that leads to awareness.

This then leads to the conclusion that your connection and communication with us (from within the spirit worlds) occurs through the natural spiritual bridge that we have always had. This is only one of countless things in carnate living which are constantly present for you to use except that you don't know this.

However useful human education is it fails to teach of these things because the knowledge of them is not accessible to the educators. There are many things which are only discovered by virtue of increasing awareness and never by the accumulation of information. I use information here rather than knowledge as most of what is assumed to be knowledge is such only in terms of current understanding. There is so much that has been known and forgotten and which awaits rediscovery to become known again.

This is why our path or course is one of aiding you to open to what we know exists for you by (this is hard to express) desensitising part of you and sensitising another part of you. This is not a true expression of the meaning as we are not actually diminishing anything. We are only suggesting that certain aspects of awareness need less attention and others more. We are facilitating a shift of awareness towards your own spiritual senses and awareness. You are aware of the effect of these senses rather than the senses themselves. It is well for you to have much deeper recognition of this vital aspect of your entity. As you can sense in these ways you are able to be a more complete being while in a physical reality. There is no rule that restricts one to giving preference to or only using physical senses while incarnate.

All of this is in the interest of shining more light into the darkness in which humanity presently lives. It is not necessary to pass to find spirit. The spark within you is not preoccupied with the physical reality but is totally aware of it in all of its aspects and detail and limitations. However it is also aware of all of the advantages of this reality and is interested in assisting the more physical aspects of itself in using these advantages and gaining all that can be obtained.

The part of you that is unacknowledged is doing all it can to guide and direct you with a depth of knowledge which is inherent in it. If anyone still needs to externalise this then this is acceptable as it is a lot to accept without considerable build-up and development. Most cannot accept that this reality exists within them despite their desire to have access to such wisdom. Those of us who participate in your guidance and entertainment are closely associated with you by virtue of this spiritual aspect of yourselves.

My desire in discussing this is to aid in the narrowing of the perceived gap between us. It is not as though we are attempting to broadcast over unimaginable distances. We are simply working together to be able to have a conversation in the manner of the intimate neighbours that we are. The bridge is not one of distance but of acceptance mainly and understanding secondarily. With your deafness you (the median) understand some of the problems that occur with communication with your associates. You do not have such a barrier with us even though you imagine that you do. Our connection is quite independent of physical senses. Only your way of recording our connection has any dependency on physical senses and that is a very secondary issue.

Our connection is quite independent of physical senses. Only your way of recording our connection has any dependency on physical senses and that is a very secondary issue.

You are currently struggling with your concepts of what I have offered and it is necessary for you to simply allow this information to filter into your being and find its place there as its effects spread throughout all of you and your environment. Do not attempt to make a conscious construct of this as you must incorporate old and outworn ideas. Set aside the idea of a bridge as it is a bridge across nothing or everything and so doesn't need to exist. Remember our friendly paradoxes which are ever-present of necessity. There are so many things that are untranslatable that only paradox can encompass them. Neither you nor anyone else needs to understand that which you are in the process of what you are coming to know. When you know reality and truth, you are able to shelve all of the understanding that you painstakingly created as you discover it was nonsense anyway or at least unnecessary.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

DIVINE LOVE – what does it do?

The divine gift from asking for and receiving Divine Love will steadily, but with certainty, raise one's quality of life and also of all those around such a person who is seeking and receiving this Love.

The receiving of Divine Love, which is a substance, with certainty, progressively:

- Raises one's love for those around them, whilst embracing one's Feeling Healing.
- Raises one's perception of all things – naturally grows one's intelligence – soul intelligence.
- Enables one to feel and resolve negative emotional issues more readily during Feeling Healing.
- Humility becomes self evident. Humility enables one to feel their errors and emotions.
- Divine Love strengthens one's resolve to express errors, emotional injuries and untruths.
- Divine Love with Feeling Healing to remove emotional errors, enhances one's health.
- Divine Love enables one to become more childlike – not adult serious at all times.
- Divine Love raises one's capability of feeling – no longer needing to be mind controlling.
- By becoming feeling orientated, one no longer is mind / intellectually dominated.
- The strength to fight and overcome sin and error is strengthened through the Divine Love.
- The Law of Compensation process is more resolved by Feeling Healing with Divine Love.
- Receipt of Divine Love grows one's faith, beliefs become faith and then knowing.
- As our faith grows our intensity to ask and then receive Divine Love grows.
- We begin to follow our passions and desires, no longer fear and mind driven.
- Truth being told at all times then progressively becomes a way of life.
- Our quality of life blossoms, our finances and relationships prosper.
- Man creates his own environment, seeking Divine Love can vastly improve one's environment.
- Health carers receiving Divine Love enhance healing outcomes beyond comprehension.
- Receiving Divine Love may assist in bringing a struggling marriage back into harmony.
- You progressively become dependent upon our Heavenly Parents, not self dependent.
- Personal growth in love directly assists the soul condition growth of one's children.
- Divine Love assists one's rate of soul condition to progress whilst embracing Feeling Healing.
- Divine Love is a substance that changes the human soul to that of the Divine.
- Without Divine Love, one cannot progress into the Celestial Spheres (8th sphere and higher).
- Divine Love, with Feeling Healing, enables everlasting Love and Life in the Celestial Heavens.

“The Law of Compensation doesn't operate on isolated actions, but on the overall condition of people's souls, because the deeds are the consequence of this condition. Our behaviour is the reflection of our souls. Never see isolated deeds, always see souls whose condition leads to certain deeds. It is the soul condition which determines the motive and consequently the action. It is our lack of trust in God, this ultimate and definitive trust, which only soul development may give us. This lack is why we suffer.”

Judas of Kerioth 5th October 2001

As you grow in love, illness issues abate, financial security improves, and your treatment of your fellow man is the same as how you would like to be treated. You grow in natural intelligence, your perception on many subjects becomes profoundly more loving and supportive of and for your way of life and how you interact with your fellow man.

This quality of life and love permeates and extends into every facet of your physical life and continues to grow as you progress on your journey within the spirit world.

Your capabilities to ask for and receive Divine Love is a gift between you and your creator, God. You do not need an intermediary, nor do you need to join with any organisation. This is your own personal journey and experience. You can share this with others, but no one can take it away from you.

This Love will elevate the human soul to a condition that it may perceive the spiritual truths which God has waiting to be revealed to His children who aspire to understand the nature of the divine and what their true relationship to Him and their family of souls is.

“Keep faith with God, and be open to His Love, and you will overcome with confidence and, indeed, peace of mind, optimism and happiness, those circumstances that seem to mar the fulfilment of your years.” Mary (mother) <http://new-birth.net/ntr/samuels14.htm>

‘The difference between what are regarded as two paths, the Natural Love Path and the Divine Love Path, is, essentially, the amount of Divine Love that beings have been able to acquire.’ Quote from Celestial Spirit Richard 22 Dec 2012

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

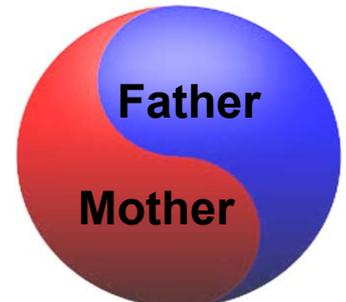

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
 We are to long for the truth of what we are feeling.
 We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit Mansion Worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

WE ARE Children of God

HOW TO GET TO PARADISE:

Long for the Divine Love
 Long for the Truth
 Long for the truth of your feelings
 Don't deny any feelings: accept, express and want to know the truth of them
 Know your feelings are the key; your feelings are the Way
 Want to end your falseness and being untrue
 Want to understand the truth of your early life
 Use your surface feelings to move deeper into yourself, bringing up your repressed feelings
 Want and long to know the whole truth of yourself
 Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

The Key

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

- 1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
- 2. **ETERNAL SON (ES) – Divine Truth**
- 3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

- 1. **MARY M and JESUS (MF) – Love – the Living Truth**
- 2. **DIVINE MINISTER (ID) – Mind (and her Holy Spirit)**
- 3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

- 1. **AVONAL SOULMATE PAIR – the Feeling Healing process – incarnate**
- 2. **DAYNAL – TEACHER PAIRS – they do not incarnate**

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizediks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

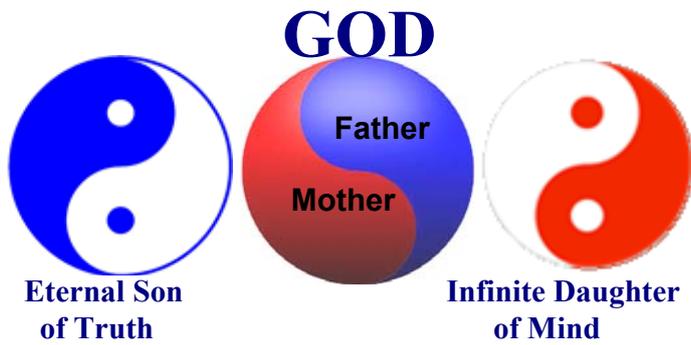

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God’s soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.

Humanity is to pursue the pathway for Truth through one’s soul based feelings, this is the right pathway. However, humanity commences its journey founded on natural love, which we now know is to be perfected through one’s Feeling Healing process and then made divine through asking for and receiving our Heavenly Parents’ Divine Love.

For 200,000 years, **humanity** has pursued the pathway of the Mind, being that of the brain, this is the wrong pathway. The Mind is the pathway for Angels and that of all of Nature.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one’s feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

Feeling Pathway

Mind Pathway

Soulmate Pair

Angel

Spirit Person

Nature Spirit

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective

Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

The Only Prayer That Man Need Offer to the Father:

The Prayer for Divine Love

(as given within the first century)

2 Dec 1916

I am here, Jesus

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

P.438 Book of Truths through James Padgett / Jesus

Let your prayer be as follows:

Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.

That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.

We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.

Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.

Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.

Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.

We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.

We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.

Amen

MoC

Note: The 'false teachers' are our parents, as they are also the 'evil ones'. Also, the evil ones, being those parts of one's mind, that are controlling you.

A Personal Adaptation of the Prayer for God's Divine Love:

Joseph Babinsky

Our Father, who art in heaven, I recognise:

That You are holy and loving and kind, and that I am the child of Your care.

That I am the object of Your great Soul's love and tender most care.

That Your will is that I become at-one with You and partake of Your great love, which You have given me through Your desire that I become, in truth, Your child.

That You will open up my soul to the inflowing of Your love, and that then will come Your holy spirit to bring into my soul, this, Your great love in great abundance until my soul may be transformed into the very essence of Yourself; and that there may come to me faith – such faith as will cause me to realise that I am truly Your child and that I am one with You.

Let me have such faith as will cause me to know that You are my Father and the giver of every good and perfect gift, and that I only can hinder and stop the river of your inflowing love.

Let me never cease to realise that Your love is waiting for each and all of us, and that when anyone comes to You with faith and earnest aspirations, Your love will never be withheld.

Keep me in the shadow of Your love every hour and moment of my life, and help me to remain completely focused on this, your ever-present and unconditional love.

I thank You for Your love and for the possibility of receiving it, and believe that You are my Father – the loving Father Who smiles upon me always and is always ready to help me and take me to Your arms of love.

I pray this with all the earnestness and longings of my soul, and trusting in Your love give You all glory and honour and love.

The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.

But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Father's Grace.

Judas – August 19th, 2001

We are to express our feelings, both good and bad, at all times, and to long for the truth of them.

Golden Rule: that one must always honour another's will as one honours one's own.

To liberate one's real self, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

Our Mother and Father, simply desires for us to ask for Their Love.

Jesus ~ Your praying must be more frequent

October 25, 1918

P.99 Little Book of Truths via Joseph Babinsky

P.592 Book of Truths for full context

Pray often to the Father so that the love may become more abundant and your soul becomes permeated with it.

Think thoughts of spiritual things, until by such thinking your brain may become, as it were, infused with these thoughts and thereby receive those qualities that will make its conditions similar to the conditions of the minds of the spirits who may wish to form a union with your brain and convey through it the truths that are waiting to be delivered.

Your praying must be more frequent so that the soul may be freed from the condition that the existence in it, of thoughts not spiritual, be established.

You need not wait for occasions or opportunities to formally pray, but all during the day and evening let your longings for the love ascend to the Father.

A long prayer, or even one formulated into words, is not necessary, as in order to have the longing it is not necessary that words should be used to give it form.

The longing may be rapid as unformed thought, and as effective for the Father to catch, as I may say.

The longing is quicker than the thought, and the answer to the same will come with as much certainty and love as if you were to put the longing into the most exact form.

Prayers of this kind ascend to the Father and are heard and answered, and, by a law of your relationship to the Father, affect the qualities of the brain in the way of preparing it for the union with the spiritual thoughts of the spirits who desire to write, as I have stated.

Your thoughts of spiritual things or of the truths of the spirit world, as they have already been revealed to you, and especially those which pertain to the love and mercy of the Father, and to His will, in their passing and operating, also affect the qualities of the brain so as to produce the condition which is so necessary for our rapport.

Oliver Twist asked:

Please, sir, I want some more!

Maybe we should simply ask:

Please, Mother and Father, I want some more!

Long and pray for Divine Love and it will loosen the errors / injuries / unhealed / denied trapped and/or inherited emotions, resulting in a flowing out of these negative embellishments within one's soul as Divine Love flows in – Divine Love being the greatest gift in all the universe.

The BEAUTIFUL MIRACLE:

5 Oct 2012

The DIVINE UNIVERSE

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union completes. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love, the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other, then one is living in the presence of the Father in perfect harmony, and this clarifies the truth about what it means to be truly at-one with God.

SHINING TOWARD SPIRIT:
665. The Shining toward Truth

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas

www.lulu.com

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.

Teacher: Spirit Within.

Subject: "When I Fuse with You."

Spirit Within: "When I fuse with you, then you and I shall have become a new being. That is the reason why you will then receive a new name. The result of that fusion is neither that your old being will be improved, nor that I will thereby be diminished. It will herald the emergence of the nature of a potential finaliter. It is the consummation of my mission to become a person with you, and of your climb in a process to become divine. Our fusion will be so complete, yes so utterly replete, that even when this new person will be scrutinized by the most capable of universe authorities, he will display only one personality.

"The new being we will become will embody both divinity and humanity, but that being will still be you also, since your history will not be lost by that new being. Only your nature will have become divine. Today, inhabiting you as a God-spark, quite apart, I represent the will of the Father. After fusion, I will have become the will of the Father in you. Following fusion, the new person will be able to, as we progress in our ascending career, and through progressive insights, draw from all my past knowledge and experience events right back to the moment of my fragmenting from the Creator Father. And so, you will have in you the potential to become greatly spiritized to the fringe status of an absonite being.

"Now, my child, you asked me if it is possible for me to fuse with you even in this life. Yes, it is! Some faith children of God have fused with their Adjusters in their human life, as you know. However, each particular fusion is a case of completion, as well as an opportunity. Your undertakings, which are intertwined with other people's endeavours, and certain fortuitous life events to come, which are practically beyond human control, determine fusion feasibility. If there is opportunity, and you allow me to guide you through the plan I have formulated for your spiritual progress, even in this life, fusion could occur here.

"However, in reality it is not so important that fusion happens in this life. Your early mansonia life is the much better environment to expedite and finalize our fusion than is this current life of yours. I am not rushing it, and neither should you. Just keep following my lead, and trust in the love of the Father all your days, and the right pieces will eventually fall into place. Do not worry, my child, I know what I am doing, and I am doing it to perfection, although your perception of what I do is not perfect. Rest assured, I will not fail you. Be sure, you too, do not fail me."

© The 11:11 Progress Group.

Rest assured, I will not fault you; be sure you too, do not fault me

To liberate one's real self, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Our salvation IS by embracing Feeling Healing with the Divine Love.

God's Divine Love: Pray for it, ask for it, and receive it.

Please Mother and Father, may I receive Your LOVE.

“Every day is a day of devotion.”

Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.

“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”

“Mother – Father, I desire your Love and I am loving you.”

“Soul God, I love you and I love receiving and experiencing your Divine Love.”

“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”

Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.

One can simply receive the Love without following any religious or spiritual teaching taught by man!

Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.

Three Great Truths:

- **God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is our pathway to Paradise.**

FEELING HEALING and SOUL HEALING with the DIVINE LOVE:**James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

Speaking with Mary Magdalene and Jesus – books 1 – 4

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

Paul – City of Light

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

Ann and Terry

For an example of people who might want to immediately start working on them selves and doing their Healing.

Feeling Bad? Bad feeling are GOOD

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

Feeling bad will make you feel BETTER – Eventually!

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

Sage – and the Healing Angels of Light

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

Feeling Healing**

**Welcome to LOVE – the Religion of Feelings
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

The Padgett Messages being published as:**The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book**

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEELING HEALING with DIVINE LOVE is SOUL HEALING:

A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.

Firstly, consider discovering the truth of your emotional pain through Feeling Healing.

Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.

Primary and most important readings are the writings of James Moncrief.

Then consider the Padgett Messages, and then The Urantia Book.
