## PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about looking within oneself. Much of what we are observing is new to us readers and thus, we consider that you will take on board that which resonates with you, investigate further those items of interest, and discard that which does not feel appropriate to you.

Kinesiological muscle testing, as developed by Dr David R Hawkins and quantified by his Map of Consciousness (MOC) table, has been used to ascertain the possible level of truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and just another tool to assist in considering the possibilities. As a contrast, consider using this technique to test the level of truth of your local daily newspaper.

Contents are not to be interpreted as an independent guide to self-healing. The information sourced herein is not from a doctor or doctors, and any information provided in this document should not be in lieu of consultation with your physician, doctor, or other health care professional. Pascas, nor anyone associated with this document, does not assume any responsibility whatsoever for the results of any application or use of any process, technique, compound or potion as described within this document.

The sources of contents are noted throughout the document. In doing so, we acknowledge the importance of these sources and encourage our readers to consider further these sources. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we apologise. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

We offer all contents in love and with the fullness of grace, which is intended to flow to readers who join us upon this fascinating journey throughout this incredible changing era we are all experiencing.

Living Feelings First, *John.*

## **INDWELLING SPIRIT – THOUGHT ADJUSTER – MYSTERY MONITOR:**

**The URANTIA Book:**

Messages 1925 – 1935

### **Paper 110**

#### **Relation of Adjusters to Individual Mortals**

(1203.1) 110:0.1 THE endowment of imperfect beings with freedom entails inevitable tragedy, and it is the nature of the perfect ancestral Deity to universally and affectionately share these sufferings in loving companionship.

(1203.2) 110:0.2 As far as I am conversant with the affairs of a universe, I regard the love and devotion of a Thought Adjuster as the most truly divine affection in all creation. The love of the Sons in their ministry to the races is superb, but the devotion of an Adjuster to the individual is touchingly sublime, divinely Fatherlike. The Paradise Father has apparently reserved this form of personal contact with his individual creatures as an exclusive Creator prerogative. And there is nothing in all the universe of universes exactly comparable to the marvellous ministry of these impersonal entities that so fascinatingly indwell the children of the evolutionary planets.

#### **1. Indwelling the Mortal Mind**

(1203.3) 110:1.1 Adjusters should not be thought of as living in the material brains of human beings. They are not organic parts of the physical creatures of the realms. The Thought Adjuster may more properly be envisaged as indwelling the mortal mind of man rather than as existing within the confines of a single physical organ. And indirectly and unrecognized the Adjuster is constantly communicating with the human subject, especially during those sublime experiences of the worshipful contact of mind with spirit in the super-consciousness.

(1203.4) 110:1.2 I wish it were possible for me to help evolving mortals to achieve a better understanding and attain a fuller appreciation of the unselfish and superb work of the Adjusters living within them, who are so devoutly faithful to the task of fostering man's spiritual welfare. These Monitors are efficient ministers to the higher phases of men's minds; they are wise and experienced manipulators of the spiritual potential of the human intellect. These heavenly helpers are dedicated to the stupendous task of guiding you safely inward and upward to the celestial haven of happiness. These tireless toilers are consecrated to the future personification of the triumph of divine truth in your life everlasting. They are the watchful workers who pilot the God-conscious human mind away from the shoals of evil while expertly guiding the evolving soul of man toward the divine harbours of perfection on far-distant and eternal shores. The Adjusters are loving leaders, your safe and sure guides through the dark and uncertain mazes of your short earthly career; they are the patient teachers who so constantly urge their subjects forward in the paths of progressive perfection. They are the careful custodians of the sublime values of creature character. I wish you could love them more, co-operate with them more fully, and cherish them more affectionately.

(1204.1) 110:1.3 Although the divine indwellers are chiefly concerned with your spiritual preparation for the next stage of the never-ending existence, they are also deeply interested in your temporal welfare and in

your real achievements on Earth. They are delighted to contribute to your health, happiness, and true prosperity. They are not indifferent to your success in all matters of planetary advancement which are not inimical to your future life of eternal progress.

(1204.2) 110:1.4 Adjusters are interested in, and concerned with, your daily doings and the manifold details of your life just to the extent that these are influential in the determination of your significant temporal choices and vital spiritual decisions and, hence, are factors in the solution of your problem of soul survival and eternal progress. The Adjuster, while passive regarding purely temporal welfare, is divinely active concerning all the affairs of your eternal future.

(1204.3) 110:1.5 The Adjuster remains with you in all disaster and through every sickness which does not wholly destroy the mentality. But how unkind knowingly to defile or otherwise deliberately to pollute the physical body, which must serve as the earthly tabernacle of this marvellous gift from God. All physical poisons greatly retard the efforts of the Adjuster to exalt the material mind, while the mental poisons of fear, anger, envy, jealousy, suspicion, and intolerance likewise tremendously interfere with the spiritual progress of the evolving soul.

(1204.4) 110:1.6 Today you are passing through the period of the courtship of your Adjuster; and if you only prove faithful to the trust reposed in you by the divine spirit who seeks your mind and soul in eternal union, there will eventually ensue that morontia oneness, that supernal harmony, that cosmic coordination, that divine attunement, that celestial fusion, that never-ending blending of identity, that oneness of being which is so perfect and final that even the most experienced personalities can never segregate or recognize as separate identities the fusion partners — mortal man and divine Adjuster.

## 2. Adjusters and Human Will

(1204.5) 110:2.1 When Thought Adjusters indwell human minds, they bring with them the model careers, the ideal lives, as determined and foreordained by themselves and the Personalized Adjusters of Divinington, which have been certified by the Personalized Adjuster of Urantia (Earth). Thus they begin work with a definite and predetermined plan for the intellectual and spiritual development of their human subjects, but it is not incumbent upon any human being to accept this plan. You are all subjects of predestination, but it is not foreordained that you must accept this divine predestination; you are at full liberty to reject any part or all of the Thought Adjusters' program. It is their mission to effect such mind changes and to make such spiritual adjustments as you may willingly and intelligently authorize, to the end that they may gain more influence over the personality directionization; but under no circumstances do these divine Monitors ever take advantage of you or in any way arbitrarily influence you in your choices and decisions. The Adjusters respect your sovereignty of personality; *they are always subservient to your will.*

(1204.6) 110:2.2 They are persistent, ingenious, and perfect in their methods of work, but they never do violence to the volitional selfhood of their hosts. No human being will ever be spiritualized by a divine Monitor against his will; survival is a gift of the Gods which must be desired by the creatures of time. In the final analysis, whatever the Adjuster has succeeded in doing for you, the records will show that the transformation has been accomplished with your co-operative consent; you will have been a willing partner with the Adjuster in the attainment of every step of the tremendous transformation of the ascension career.

(1205.1) 110:2.3 The Adjuster is not trying to control your thinking, as such, but rather to spiritualize it, to eternalize it. Neither angels nor Adjusters are devoted directly to influencing human thought; that is your exclusive personality prerogative. The Adjusters are dedicated to improving, modifying, adjusting, and co-ordinating your thinking processes; but more especially and specifically they are devoted to the work of building up spiritual counterparts of your careers, morontia transcripts of your true advancing selves, for survival purposes. (Morontia is the state between physical and that of being a spirit.)

(1205.2) 110:2.4 Adjusters work in the spheres of the higher levels of the human mind, unceasingly seeking to produce morontia duplicates of every concept of the mortal intellect. There are, therefore, two realities which impinge upon, and are centred in, the human mind circuits: one, a mortal self evolved from the original plans of the Life Carriers, the other, an immortal entity from the high spheres of Divinington, an indwelling gift from God. But the mortal self is also a personal self; it has personality.

(1205.3) 110:2.5 You as a personal creature have mind and will. The Adjuster as a prepersonal creature has premind and prewill. If you so fully conform to the Adjuster's mind that you see eye to eye, then your minds become one, and you receive the reinforcement of the Adjuster's mind. Subsequently, if your will orders and enforces the execution of the decisions of this new or combined mind, the Adjuster's prepersonal will attains to personality expression through your decision, and as far as that particular project is concerned, you and the Adjuster are one. Your mind has attained to divinity attunement, and the Adjuster's will has achieved personality expression.

(1205.4) 110:2.6 To the extent that this identity is realized, you are mentally approaching the morontia order of existence. Morontia mind is a term signifying the substance and sum total of the co-operating minds of diversely material and spiritual natures. Morontia intellect, therefore, connotes a dual mind in the local universe dominated by one will. And with mortals this is a will, human in origin, which is becoming divine through man's identification of the human mind with the mindedness of God.

### 3. Co-operation with the Adjuster

(1205.5) 110:3.1 Adjusters are playing the sacred and superb game of the ages; they are engaged in one of the supreme adventures of time in space. And how happy they are when your co-operation permits them to lend assistance in your short struggles of time as they continue to prosecute their larger tasks of eternity. But usually, when your Adjuster attempts to communicate with you, the message is lost in the material currents of the energy streams of human mind; only occasionally do you catch an echo, a faint and distant echo, of the divine voice.

(1205.6) 110:3.2 The success of your Adjuster in the enterprise of piloting you through the mortal life and bringing about your survival depends not so much on the theories of your beliefs as upon your decisions, determinations, and steadfast *faith*. All these movements of personality growth become powerful influences aiding in your advancement because they help you to co-operate with the Adjuster; they assist you in ceasing to resist. Thought Adjusters succeed or apparently fail in their terrestrial undertakings just in so far as mortals succeed or fail to co-operate with the scheme whereby they are to be advanced along the ascending path of perfection attainment. The secret of survival is wrapped up in the supreme human desire to be Godlike and in the associated willingness to do and be any and all things which are essential to the final attainment of that overmastering desire.

(1206.1) 110:3.3 When we speak of an Adjuster's success or failure, we are speaking in terms of human survival. *Adjusters never fail*; they are of the divine essence, and they always emerge triumphant in each of their undertakings.

(1206.2) 110:3.4 I cannot but observe that so many of you spend so much time and thought on mere trifles of living, while you almost wholly overlook the more essential realities of everlasting import, those very accomplishments which are concerned with the development of a more harmonious working agreement between you and your Adjusters. The great goal of human existence is to attune to the divinity of the indwelling Adjuster; the great achievement of mortal life is the attainment of a true and understanding consecration to the eternal aims of the divine spirit who waits and works within your mind. But a devoted and determined effort to realize eternal destiny is wholly compatible with a light-hearted and joyous life and with a successful and honourable career on Earth. Co-operation with the Thought Adjuster does not entail self-torture, mock piety, or hypocritical and ostentatious self-abasement; the ideal life is one of loving service rather than an existence of fearful apprehension.

(1206.3) 110:3.5 Confusion, being puzzled, even sometimes discouraged and distracted, does not necessarily signify resistance to the leadings of the indwelling Adjuster. Such attitudes may sometimes connote lack of active co-operation with the divine Monitor and may, therefore, somewhat delay spiritual progress, but such intellectual emotional difficulties do not in the least interfere with the certain survival of the God-knowing soul. Ignorance alone can never prevent survival; neither can confusional doubts nor fearful uncertainty. Only conscious resistance to the Adjuster's leading can prevent the survival of the evolving immortal soul.

(1206.4) 110:3.6 You must not regard co-operation with your Adjuster as a particularly conscious process, for it is not; but your motives and your decisions, your faithful determinations and your supreme desires, do constitute real and effective co-operation. You can consciously augment Adjuster harmony by:

(1206.5) 110:3.7 1. Choosing to respond to divine leading; sincerely basing the human life on the highest consciousness of truth, beauty, and goodness, and then co-ordinating these qualities of divinity through wisdom, worship, faith, and love.

(1206.6) 110:3.8 2. Loving God and desiring to be like him — genuine recognition of the divine fatherhood and loving worship of the heavenly Parent.

(1206.7) 110:3.9 3. Loving man and sincerely desiring to serve him — wholehearted recognition of the brotherhood of man coupled with an intelligent and wise affection for each of your fellow mortals.

(1206.8) 110:3.10 4. Joyful acceptance of cosmic citizenship — honest recognition of your progressive obligations to the Supreme Being, awareness of the interdependence of evolutionary man and evolving Deity. This is the birth of cosmic morality and the dawning realization of universal duty.

#### **4. The Adjuster's Work in the Mind**

(1207.1) 110:4.1 Adjusters are able to receive the continuous stream of cosmic intelligence coming in over the master circuits of time and space; they are in full touch with the spirit intelligence and energy of the universes. But these mighty indwellers are unable to transmit very much of this wealth of wisdom and

truth to the minds of their mortal subjects because of the lack of commonness of nature and the absence of responsive recognition.

(1207.2) 110:4.2 The Thought Adjuster is engaged in a constant effort so to spiritualize your mind as to evolve your morontia soul; but you yourself are mostly unconscious of this inner ministry. You are quite incapable of distinguishing the product of your own material intellect from that of the conjoint activities of your soul and the Adjuster. (Morontia is the state between physical and that of being a spirit.)

(1207.3) 110:4.3 Certain abrupt presentations of thoughts, conclusions, and other pictures of mind are sometimes the direct or indirect work of the Adjuster; but far more often they are the sudden emergence into consciousness of ideas which have been grouping themselves together in the submerged mental levels, natural and everyday occurrences of normal and ordinary psychic function inherent in the circuits of the evolving animal mind. (In contrast with these subconscious emanations, the revelations of the Adjuster appear through the realms of the super-conscious.)

(1207.4) 110:4.4 Trust all matters of mind beyond the dead level of consciousness to the custody of the Adjusters. In due time, if not in this world then on the Mansion Worlds, they will give good account of their stewardship, and eventually will they bring forth those meanings and values intrusted to their care and keeping. They will resurrect every worthy treasure of the mortal mind if you survive.

(1207.5) 110:4.5 There exists a vast gulf between the human and the divine, between man and God. The Urantia (Earth) races are so largely electrically and chemically controlled, so highly animal-like in their common behaviour, so emotional in their ordinary reactions, that it becomes exceedingly difficult for the Monitors to guide and direct them. You are so devoid of courageous decisions and consecrated cooperation that your indwelling Adjusters find it next to impossible to communicate directly with the human mind. Even when they do find it possible to flash a gleam of new truth to the evolving mortal soul, this spiritual revelation often so blinds the creature as to precipitate a convulsion of fanaticism or to initiate some other intellectual upheaval which results disastrously. Many a new religion and strange “ism” has arisen from the aborted, imperfect, misunderstood, and garbled communications of the Thought Adjusters.

(1207.6) 110:4.6 For many thousands of years, so the records of Jerusem show, in each generation there have lived fewer and fewer beings who could function safely with self-acting Adjusters. This is an alarming picture, and the supervising personalities of Satania look with favour upon the proposals of some of your more immediate planetary supervisors who advocate the inauguration of measures designed to foster and conserve the higher spiritual types of the Urantia (Earth) races.

## **5. Erroneous Concepts of Adjuster Guidance**

(1207.7) 110:5.1 Do not confuse and confound the mission and influence of the Adjuster with what is commonly called conscience; they are not directly related. Conscience is a human and purely psychic reaction. It is not to be despised, but it is hardly the voice of God to the soul, which indeed the Adjuster’s would be if such a voice could be heard. Conscience, rightly, admonishes you to do right; but the Adjuster, in addition, endeavours to tell you what truly is right; that is, when and as you are able to perceive the Monitor’s leading.

(1208.1) 110:5.2 Man's dream experiences, that disordered and disconnected parade of the un-co-ordinated sleeping mind, present adequate proof of the failure of the Adjusters to harmonize and associate the divergent factors of the mind of man. The Adjusters simply cannot, in a single lifetime, arbitrarily co-ordinate and synchronize two such unlike and diverse types of thinking as the human and the divine. When they do, as they sometimes have, such souls are translated directly to the Mansion Worlds without the necessity of passing through the experience of death.

(1208.2) 110:5.3 During the slumber season the Adjuster attempts to achieve only that which the will of the indwelt personality has previously fully approved by the decisions and choosings which were made during times of fully wakeful consciousness, and which have thereby become lodged in the realms of the super-mind, the liaison domain of human and divine interrelationship.

(1208.3) 110:5.4 While their mortal hosts are asleep, the Adjusters try to register their creations in the higher levels of the material mind, and some of your grotesque dreams indicate their failure to make efficient contact. The absurdities of dream life not only testify to pressure of unexpressed emotions but also bear witness to the horrible distortion of the representations of the spiritual concepts presented by the Adjusters. Your own passions, urges, and other innate tendencies translate themselves into the picture and substitute their unexpressed desires for the divine messages which the indwellers are endeavouring to put into the psychic records during unconscious sleep.

(1208.4) 110:5.5 It is extremely dangerous to postulate as to the Adjuster content of the dream life. The Adjusters do work during sleep, but your ordinary dream experiences are purely physiologic and psychologic phenomena. Likewise, it is hazardous to attempt the differentiation of the Adjusters' concept registry from the more or less continuous and conscious reception of the dictations of mortal conscience. These are problems which will have to be solved through individual discrimination and personal decision. But a human being would do better to err in rejecting an Adjuster's expression through believing it to be a purely human experience than to blunder into exalting a reaction of the mortal mind to the sphere of divine dignity. Remember, the influence of a Thought Adjuster is for the most part, though not wholly, a super-conscious experience.

(1208.5) 110:5.6 In varying degrees and increasingly as you ascend the psychic circles, sometimes directly, but more often indirectly, you do communicate with your Adjusters. But it is dangerous to entertain the idea that every new concept originating in the human mind is the dictation of the Adjuster. More often, in beings of your order, that which you accept as the Adjuster's voice is in reality the emanation of your own intellect. This is dangerous ground, and every human being must settle these problems for himself in accordance with his natural human wisdom and superhuman insight.

(1208.6) 110:5.7 The Adjuster of the human being through whom this communication is being made enjoys such a wide scope of activity chiefly because of this human's almost complete indifference to any outward manifestations of the Adjuster's inner presence; it is indeed fortunate that he remains consciously quite unconcerned about the entire procedure. He holds one of the highly experienced Adjusters of his day and generation, and yet his passive reaction to, and inactive concern toward, the phenomena associated with the presence in his mind of this versatile Adjuster is pronounced by the guardian of destiny to be a rare and fortuitous reaction. And all this constitutes a favourable co-ordination of influences, favourable both to the Adjuster in the higher sphere of action and to the human partner from the standpoints of health, efficiency, and tranquillity.

## 6. The Seven Psychic Circles

(1209.1) 110:6.1 The sum total of personality realization on a material world is contained within the successive conquest of the seven psychic circles of mortal potentiality. Entrance upon the seventh circle marks the beginning of true human personality function. Completion of the first circle denotes the relative maturity of the mortal being. Though the traversal of the seven circles of cosmic growth does not equal fusion with the Adjuster, the mastery of these circles marks the attainment of those steps which are preliminary to Adjuster fusion.

(1209.2) 110:6.2 The Adjuster is your equal partner in the attainment of the seven circles — the achievement of comparative mortal maturity. The Adjuster ascends the circles with you from the seventh to the first but progresses to the status of supremacy and self-activity quite independent of the active co-operation of the mortal mind.

(1209.3) 110:6.3 The psychic circles are not exclusively intellectual, neither are they wholly morontial; they have to do with personality status, mind attainment, soul growth, and Adjuster attunement. The successful traversal of these levels demands the harmonious functioning of the *entire personality*, not merely of some one phase thereof. The growth of the parts does not equal the true maturation of the whole; the parts really grow in proportion to the expansion of the entire self — the whole self — material, intellectual, and spiritual.

(1209.4) 110:6.4 When the development of the intellectual nature proceeds faster than that of the spiritual, such a situation renders communication with the Thought Adjuster both difficult and dangerous. Likewise, over-spiritual development tends to produce a fanatical and perverted interpretation of the spirit leadings of the divine indweller. Lack of spiritual capacity makes it very difficult to transmit to such a material intellect the spiritual truths resident in the higher super-consciousness. It is to the mind of perfect poise, housed in a body of clean habits, stabilized neural energies, and balanced chemical function — when the physical, mental, and spiritual powers are in triune harmony of development — that a maximum of light and truth can be imparted with a minimum of temporal danger or risk to the real welfare of such a being. By such a balanced growth does man ascend the circles of planetary progression one by one, from the seventh to the first.

(1209.5) 110:6.5 The Adjusters are always near you and of you, but rarely can they speak directly, as another being, to you. Circle by circle your intellectual decisions, moral choosings, and spiritual development add to the ability of the Adjuster to function in your mind; circle by circle you thereby ascend from the lower stages of Adjuster association and mind attunement, so that the Adjuster is increasingly enabled to register his picturizations of destiny with augmenting vividness and conviction upon the evolving consciousness of this God-seeking mind-soul.

(1210.1) 110:6.6 Every decision you make either impedes or facilitates the function of the Adjuster; likewise do these very decisions determine your advancement in the circles of human achievement. It is true that the supremacy of a decision, its crisis relationship, has a great deal to do with its circle-making influence; nevertheless, numbers of decisions, frequent repetitions, persistent repetitions, are also essential to the habit-forming certainty of such reactions.

(1210.2) 110:6.7 It is difficult precisely to define the seven levels of human progression, for the reason that these levels are personal; they are variable for each individual and are apparently determined by the growth capacity of each human being. The conquest of these levels of cosmic evolution is reflected in three ways:

(1210.3) 110:6.8 1. *Adjuster attunement.* The spiritizing mind nears the Adjuster presence proportional to circle attainment.

(1210.4) 110:6.9 2. *Soul evolution.* The emergence of the morontia soul indicates the extent and depth of circle mastery.

(1210.5) 110:6.10 3. *Personality reality.* The degree of selfhood reality is directly determined by circle conquest. Persons become more real as they ascend from the seventh to the first level of mortal existence.

(1210.6) 110:6.11 As the circles are traversed, the child of material evolution is growing into the mature human of immortal potentiality. The shadowy reality of the embryonic nature of a seventh circler is giving way to the clearer manifestation of the emerging morontia nature of a local universe citizen.

(1210.7) 110:6.12 While it is impossible precisely to define the seven levels, or psychic circles, of human growth, it is permissible to suggest the minimum and maximum limits of these stages of maturity realization:

(1210.8) 110:6.13 *The seventh circle.* This level is entered when human beings develop the powers of personal choice, individual decision, moral responsibility, and the capacity for the attainment of spiritual individuality. This signifies the united function of the seven adjutant mind-spirits under the direction of the spirit of wisdom, the encircuitment of the mortal creature in the influence of the Holy Spirit, and, on Urantia (Earth), the first functioning of the Spirit of Truth, together with the reception of a Thought Adjuster in the mortal mind. Entrance upon the seventh circle constitutes a mortal creature a truly potential citizen of the local universe.

(1210.9) 110:6.14 *The third circle.* The Adjuster's work is much more effective after the human ascender attains the third circle and receives a personal seraphic guardian of destiny. While there is no apparent concert of effort between the Adjuster and the seraphic guardian, nonetheless there is to be observed an unmistakable improvement in all phases of cosmic achievement and spiritual development subsequent to the assignment of the personal seraphic attendant. When the third circle is attained, the Adjuster endeavours to morontiaize the mind of man during the remainder of the mortal life span, to make the remaining circles, and achieve the final stage of the divine-human association before natural death dissolves the unique partnership.

(1210.10) 110:6.15 *The first circle.* The Adjuster cannot, ordinarily, speak directly and immediately with you until you attain the first and final circle of progressive mortal achievement. This level represents the highest possible realization of mind-Adjuster relationship in the human experience prior to the liberation of the evolving morontia soul from the habiliments of the material body. Concerning mind, emotions, and cosmic insight, this achievement of the first psychic circle is the nearest possible approach of material mind and spirit Adjuster in human experience.

(1211.1) 110:6.16 Perhaps these psychic circles of mortal progression would be better denominated *cosmic levels* — actual meaning grasps and value realisations of progressive approach to the morontia consciousness of initial relationship of the evolutionary soul with the emerging Supreme Being. And it is this very relationship that makes it forever impossible fully to explain the significance of the cosmic circles to the material mind. These circle attainments are only relatively related to God-consciousness. A seventh or sixth circler can be almost as truly God-knowing — sonship conscious — as a second or first circler, but such lower circle beings are far less conscious of experiential relation to the Supreme Being, universe citizenship. The attainment of these cosmic circles will become a part of the ascenders' experience on the Mansion Worlds if they fail of such achievement before natural death.

(1211.2) 110:6.17 The motivation of faith makes experiential the full realisation of man's sonship with God, but *action*, completion of decisions, is essential to the evolutionary attainment of consciousness of progressive kinship with the *cosmic actuality* of the Supreme Being. Faith transmutes potentials to actuals in the spiritual world, but potentials become actuals in the finite realms of the Supreme only by and through the realization of choice-experience. But choosing to do the will of God joins spiritual faith to material decisions in personality action and thus supplies a divine and spiritual fulcrum for the more effective functioning of the human and material leverage of God-hunger. Such a wise co-ordination of material and spiritual forces greatly augments both cosmic realization of the Supreme and morontia comprehension of the Paradise Deities.

(1211.3) 110:6.18 The mastery of the cosmic circles is related to the quantitative growth of the morontia soul, the comprehension of supreme meanings. But the qualitative status of this immortal soul is *wholly* dependent on the grasp of living faith upon the Paradise-potential fact-value that mortal man is a son of the eternal God. Therefore does a seventh circler go on to the Mansion Worlds to attain further quantitative realisation of cosmic growth just as does a second or even a first circler.

(1211.4) 110:6.19 There is only an indirect relation between cosmic-circle attainment and actual spiritual religious experience; such attainments are reciprocal and therefore mutually beneficial. Purely spiritual development may have little to do with planetary material prosperity, but circle attainment always augments the potential of human success and mortal achievement.

(1211.5) 110:6.20 From the seventh to the third circle there occurs increased and unified action of the seven adjutant mind-spirits in the task of weaning the mortal mind from its dependence on the realities of the material life mechanisms preparatory to increased introduction to morontia levels of experience. From the third circle onward the adjutant influence progressively diminishes.

(1211.6) 110:6.21 The seven circles embrace mortal experience extending from the highest purely animal level to the lowest actual contactual morontia level of self-consciousness as a personality experience. The mastery of the first cosmic circle signalizes the attainment of premorontia mortal maturity and marks the termination of the conjoint ministry of the adjutant mind-spirits as an exclusive influence of mind action in the human personality. Beyond the first circle, mind becomes increasingly akin to the intelligence of the morontia stage of evolution, the conjoined ministry of the cosmic mind and the super-adjutant endowment of the Creative Spirit of a local universe.

(1212.1) 110:6.22 The great days in the individual careers of Adjusters are: first, when the human subject breaks through into the third psychic circle, thus insuring the Monitor's self-activity and increased range

of function (provided the indweller was not already self-acting); then, when the human partner attains the first psychic circle, and they are thereby enabled to intercommunicate, at least to some degree; and last, when they are finally and eternally fused.

## 7. The Attainment of Immortality

(1212.2) 110:7.1 The achievement of the seven cosmic circles does not equal Adjuster fusion. There are many mortals living on Urantia (Earth) who have attained their circles; but fusion depends on yet other greater and more sublime spiritual achievements, upon the attainment of a final and complete attunement of the mortal will with the will of God as it is resident in the Thought Adjuster.

(1212.3) 110:7.2 When a human being has completed the circles of cosmic achievement, and further, when the final choosing of the mortal will permits the Adjuster to complete the association of human identity with the morontial soul during evolutionary and physical life, then do such consummated liaisons of soul and Adjuster go on independently to the Mansion Worlds, and there is issued the mandate from Uversa which provides for the immediate fusion of the Adjuster and the morontial soul. This fusion during physical life instantly consumes the material body; the human beings who might witness such a spectacle would only observe the translating mortal disappear “in chariots of fire.”

(1212.4) 110:7.3 Most Adjusters who have translated their subjects from Urantia were highly experienced and of record as previous indwellers of numerous mortals on other spheres. Remember, Adjusters gain valuable indwelling experience on planets of the loan order; it does not follow that Adjusters only gain experience for advanced work in those mortal subjects who fail to survive.

(1212.5) 110:7.4 Subsequent to mortal fusion the Adjusters share your destiny and experience; *they are you*. After the fusion of the immortal morontia soul and the associated Adjuster, all of the experience and all of the values of the one eventually become the possession of the other, so that the two are actually one entity. In a certain sense, this new being is of the eternal past as well as for the eternal future. All that was once human in the surviving soul and all that is experientially divine in the Adjuster now become the actual possession of the new and ever-ascending universe personality. But on each universe level the Adjuster can endow the new creature only with those attributes which are meaningful and of value on that level. An absolute *oneness* with the divine Monitor, a complete exhaustion of the endowment of an Adjuster, can only be achieved in eternity subsequent to the final attainment of the Universal Father, the Father of spirits, ever the source of these divine gifts.

(1212.6) 110:7.5 When the evolving soul and the divine Adjuster are finally and eternally fused, each gains all of the experiential qualities of the other. This co-ordinate personality possesses all of the experiential memory of survival once held by the ancestral mortal mind and then resident in the morontia soul, and in addition thereto this potential finaliter embraces all the experiential memory of the Adjuster throughout the mortal indwellings of all time. But it will require an eternity of the future for an Adjuster ever completely to endow the personality partnership with the meanings and values which the divine Monitor carries forward from the eternity of the past.

(1213.1) 110:7.6 But with the vast majority of Urantians (Earth beings) the Adjuster must patiently await the arrival of death deliverance; must await the liberation of the emerging soul from the well-nigh complete domination of the energy patterns and chemical forces inherent in your material order of existence. The

chief difficulty you experience in contacting with your Adjusters consists in this very inherent material nature. So few mortals are real thinkers; you do not spiritually develop and discipline your minds to the point of favourable liaison with the divine Adjusters. The ear of the human mind is almost deaf to the spiritual pleas which the Adjuster translates from the manifold messages of the universal broadcasts of love proceeding from the Father of mercies. The Adjuster finds it almost impossible to register these inspiring spirit leadings in an animal mind so completely dominated by the chemical and electrical forces inherent in your physical natures.

(1213.2) 110:7.7 Adjusters rejoice to make contact with the mortal mind; but they must be patient through the long years of silent sojourn during which they are unable to break through animal resistance and directly communicate with you. The higher the Thought Adjusters ascend in the scale of service, the more efficient they become. But never can they greet you, in the flesh, with the same full, sympathetic, and expressionful affection as they will when you discern them mind to mind on the Mansion Worlds.

(1213.3) 110:7.8 During mortal life the material body and mind separate you from your Adjuster and prevent free communication; subsequent to death, after the eternal fusion, you and the Adjuster are one — you are not distinguishable as separate beings — and thus there exists no need for communication as you would understand it.

(1213.4) 110:7.9 While the voice of the Adjuster is ever within you, most of you will hear it seldom during a lifetime. Human beings below the third and second circles of attainment rarely hear the Adjuster's direct voice except in moments of supreme desire, in a supreme situation, and consequent upon a supreme decision.

(1213.5) 110:7.10 During the making and breaking of a contact between the mortal mind of a destiny reservist and the planetary supervisors, sometimes the indwelling Adjuster is so situated that it becomes possible to transmit a message to the mortal partner. Not long since, on Urantia (Earth), such a message was transmitted by a self-acting Adjuster to the human associate, a member of the reserve corps of destiny. This message was introduced by these words: "And now, without injury or jeopardy to the subject of my solicitous devotion and without intent to overchastise or discourage, for me, make record of this my plea to him." Then followed a beautifully touching and appealing admonition. Among other things, the Adjuster pleaded "that he more faithfully give me his sincere co-operation, more cheerfully endure the tasks of my emplacement, more faithfully carry out the program of my arrangement, more patiently go through the trials of my selection, more persistently and cheerfully tread the path of my choosing, more humbly receive credit that may accrue as a result of my ceaseless endeavours — thus transmit my admonition to the man of my indwelling. Upon him I bestow the supreme devotion and affection of a divine spirit. And say further to my beloved subject that I will function with wisdom and power until the very end, until the last Earth struggle is over; I will be true to my personality trust. And I exhort him to survival, not to disappoint me, not to deprive me of the reward of my patient and intense struggle. On the human will our achievement of personality depends. Circle by circle I have patiently ascended this human mind, and I have testimony that I am meeting the approval of the chief of my kind. Circle by circle I am passing on to judgment. I await with pleasure and without apprehension the roll call of destiny; I am prepared to submit all to the tribunals of the Ancients of Days."

Sometimes Your Mind Needs More Time  
To Accept What The Heart Already Knows

Heart logic and mind logic are often  
two very different things.

It has to feel right and make sense to  
move forward with ease.

If it doesn't feel right, but it seems to  
make sense, pause, and investigate within.

If it feels right but doesn't make total sense,  
ask the mind to trust the heart a little more.

The heart's usually the wiser of the two.

### DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

## PERSONALITY

**Our soul is the centre of our personality.  
We are children of our Heavenly Parents.  
Our soul manifests a male and  
female personality - it is a duplex!**

**JOURNEY HOME to OUR HEAVENLY PARENTS:**

As we learn to grow in love and love our Mother and Father, we will progressively move through the super-universe, into the eternal spheres and then to the Isle of Paradise, our destination is to be near our Parents.

Asking for and receiving Divine Love enables us to enter and progress from the Divine Love spirit world (orange) then to the Celestial Heavens (red) then to Eternal Spheres (ruby) then Infinite & Universal (blue) then to Isles of Paradise (purple) then to the Super Grand Sphere being our ultimate home.

Pre-incarnational sphere is close to Earth as is the 1<sup>st</sup> natural love sphere.

Progression with Divine Love is to infinity.

Progression with only natural love peaks at the 6<sup>th</sup> spirit sphere.

We separate from our physical body and proceed to the 1<sup>st</sup> natural love sphere. If our soul condition is poor then we proceed to one of the 2 dark Planes of Disharmony to commence our development of love.

Note: The 1<sup>st</sup> Divine Love Sphere and the 1<sup>st</sup> Sphere of Disharmony may simply be planes within the 1<sup>st</sup> Natural Love Spirit World.

**Paper 111****The Adjuster and the Soul**

(1215.1) 111:0.1 THE presence of the divine Adjuster in the human mind makes it forever impossible for either science or philosophy to attain a satisfactory comprehension of the evolving soul of the human personality. The morontia soul is the child of the universe and may be really known only through cosmic insight and spiritual discovery.

(1215. 2) 111:0. 2 The concept of a soul and of an indwelling spirit is not new to Urantia (Earth); it has frequently appeared in the various systems of planetary beliefs. Many of the Oriental as well as some of the Occidental faiths have perceived that man is divine in heritage as well as human in inheritance. The feeling of the inner presence in addition to the external omnipresence of Deity has long formed a part of many Urantian (Earth) religions. Men have long believed that there is something growing within the human nature, something vital that is destined to endure beyond the short span of temporal life.

(1215. 3) 111:0. 3 Before man realized that his evolving soul was fathered by a divine spirit, it was thought to reside in different physical organs — the eye, liver, kidney, heart, and later, the brain. The savage associated the soul with blood, breath, shadows and with reflections of the self in water.

(1215. 4) 111:0. 4 In the conception of the *atman* the Hindu teachers really approximated an appreciation of the nature and presence of the Adjuster, but they failed to distinguish the co-presence of the evolving and potentially immortal soul. The Chinese, however, recognized two aspects of a human being, the *yang* and the *yin*, the soul and the spirit. The Egyptians and many African tribes also believed in two factors, the *ka* and the *ba*; the soul was not usually believed to be pre-existent, only the spirit.

(1215. 5) 111:0. 5 The inhabitants of the Nile valley believed that each favoured individual had bestowed upon him at birth, or soon thereafter, a protecting spirit which they called the *ka*. They taught that this guardian spirit remained with the mortal subject throughout life and passed before him into the future estate. On the walls of a temple at Luxor, where is depicted the birth of Amenhotep III, the little prince is pictured on the arm of the Nile god, and near him is another child, in appearance identical with the prince, which is a symbol of that entity which the Egyptians called the *ka*. This sculpture was completed in the fifteenth century before Christ.

(1215. 6) 111:0. 6 The *ka* was thought to be a superior spirit genius which desired to guide the associated mortal soul into the better paths of temporal living but more especially to influence the fortunes of the human subject in the hereafter. When an Egyptian of this period died, it was expected that his *ka* would be waiting for him on the other side of the Great River. At first, only kings were supposed to have *kas*, but presently all righteous men were believed to possess them. One Egyptian ruler, speaking of the *ka* within his heart, said: “I did not disregard its speech; I feared to transgress its guidance. I prospered thereby greatly; I was thus successful by reason of that which it caused me to do; I was distinguished by its guidance.” Many believed that the *ka* was “an oracle from God in everybody.” Many believed that they were to “spend eternity in gladness of heart in the favour of the God that is in you.”

(1216.1) 111:0.7 Every race of evolving Urantia (Earth) mortals has a word equivalent to the concept of soul. Many primitive peoples believed the soul looked out upon the world through human eyes; therefore did they so cravenly fear the malevolence of the evil eye. They have long believed that “the spirit of man is the lamp of the Lord.” The Rig-Veda says: “My mind speaks to my heart.”

## 1. The Mind Arena of Choice

(1216.2) 111:1.1 Though the work of Adjusters is spiritual in nature, they must, perforce, do all their work upon an intellectual foundation. Mind is the human soil from which the spirit Monitor must evolve the morontia soul with the co-operation of the indwelt personality. (Morontia is the state between physical and that of being a spirit.)

(1216.3) 111:1.2 There is a cosmic unity in the several mind levels of the universe of universes. Intellectual selves have their origin in the cosmic mind much as nebulae take origin in the cosmic energies of universe space. On the human (hence personal) level of intellectual selves the potential of spirit evolution becomes dominant, with the assent of the mortal mind, because of the spiritual endowments of the human personality together with the creative presence of an entity-point of absolute value in such human selves. But such a spirit dominance of the material mind is conditioned upon two experiences: This mind must have evolved up through the ministry of the seven adjutant mind-spirits, and the material (personal) self must choose to co-operate with the indwelling Adjuster in creating and fostering the morontia self, the evolutionary and potentially immortal soul.

(1216.4) 111:1.3 Material mind is the arena in which human personalities live, are self-conscious, make decisions, choose God or forsake him, eternalize or destroy themselves.

(1216.5) 111:1.4 Material evolution has provided you a life machine, your body; the Father himself has endowed you with the purest spirit reality known in the universe, your Thought Adjuster. But into your hands, subject to your own decisions, has been given mind, and it is by mind that you live or die. It is within this mind and with this mind that you make those moral decisions which enable you to achieve Adjusterlikeness, and that is Godlikeness.

(1216.6) 111:1.5 Mortal mind is a temporary intellect system loaned to human beings for use during a material lifetime, and as they use this mind, they are either accepting or rejecting the potential of eternal existence. Mind is about all you have of universe reality that is subject to your will, and the soul — the morontia self — will faithfully portray the harvest of the temporal decisions which the mortal self is making. Human consciousness rests gently upon the electrochemical mechanism below and delicately touches the spirit-morontia energy system above. Of neither of these two systems is the human being ever completely conscious in his mortal life; therefore must he work in mind, of which he is conscious. And it is not so much what mind comprehends as what mind desires to comprehend that insures survival; it is not so much what mind is like as what mind is striving to be like that constitutes spirit identification. It is not so much that man is conscious of God as that man yearns for God that results in universe ascension. What you are today is not so important as what you are becoming day by day and in eternity.

(1217.1) 111:1.6 Mind is the cosmic instrument on which the human will can play the discords of destruction, or upon which this same human will can bring forth the exquisite melodies of God identification and

consequent eternal survival. The Adjuster bestowed upon man is, in the last analysis, impervious to evil and incapable of sin, but mortal mind can actually be twisted, distorted, and rendered evil and ugly by the sinful machinations of a perverse and self-seeking human will. Likewise can this mind be made noble, beautiful, true, and good — actually great — in accordance with the spirit-illuminated will of a God-knowing human being.

(1217.2) 111:1.7 Evolutionary mind is only fully stable and dependable when manifesting itself upon the two extremes of cosmic intellectuality — the wholly mechanized and the entirely spiritualized. Between the intellectual extremes of pure mechanical control and true spirit nature there intervenes that enormous group of evolving and ascending minds whose stability and tranquillity are dependent upon personality choice and spirit identification.

(1217.3) 111:1.8 But man does not passively, slavishly, surrender his will to the Adjuster. Rather does he actively, positively, and co-operatively choose to follow the Adjuster's leading when and as such leading consciously differs from the desires and impulses of the natural mortal mind. The Adjusters manipulate but never dominate man's mind against his will; to the Adjusters the human will is supreme. And they so regard and respect it while they strive to achieve the spiritual goals of thought adjustment and character transformation in the almost limitless arena of the evolving human intellect.

(1217.4) 111:1.9 Mind is your ship, the Adjuster is your pilot, the human will is captain. The master of the mortal vessel should have the wisdom to trust the divine pilot to guide the ascending soul into the morontia harbours of eternal survival. Only by selfishness, slothfulness, and sinfulness can the will of man reject the guidance of such a loving pilot and eventually wreck the mortal career upon the evil shoals of rejected mercy and upon the rocks of embraced sin. With your consent, this faithful pilot will safely carry you across the barriers of time and the handicaps of space to the very source of the divine mind and on beyond, even to the Paradise Father of Adjusters.

## 2. Nature of the Soul

(1217.5) 111:2.1 Throughout the mind functions of cosmic intelligence, the totality of mind is dominant over the parts of intellectual function. Mind, in its essence, is functional unity; therefore does mind never fail to manifest this constitutive unity, even when hampered and hindered by the unwise actions and choices of a misguided self. And this unity of mind invariably seeks for spirit co-ordination on all levels of its association with selves of will dignity and ascension prerogatives.

(1217.6) 111:2.2 The material mind of mortal man is the cosmic loom that carries the morontia fabrics on which the indwelling Thought Adjuster threads the spirit patterns of a universe character of enduring values and divine meanings — a surviving soul of ultimate destiny and unending career, a potential finaliter.

(1218.1) 111:2.3 The human personality is identified with mind and spirit held together in functional relationship by life in a material body. This functioning relationship of such mind and spirit does not result in some combination of the qualities or attributes of mind and spirit but rather in an entirely new, original, and unique universe value of potentially eternal endurance, the *soul*.

(1218.2) 111:2.4 There are three and not two factors in the evolutionary creation of such an immortal soul. These three antecedents of the morontia human soul are:

(1218.3) 111:2.5 1. *The human mind* and all cosmic influences antecedent thereto and impinging thereon.

(1218.4) 111:2.6 2. *The divine spirit* indwelling this human mind and all potentials inherent in such a fragment of absolute spirituality together with all associated spiritual influences and factors in human life.

(1218.5) 111:2.7 3. *The relationship between material mind and divine spirit*, which connotes a value and carries a meaning not found in either of the contributing factors to such an association. The reality of this unique relationship is neither material nor spiritual but morontial. It is the soul.

(1218.6) 111:2.8 The midway creatures have long denominated this evolving soul of man the mid-mind in contradistinction to the lower or material mind and the higher or cosmic mind. This mid-mind is really a morontia phenomenon since it exists in the realm between the material and the spiritual. The potential of such a morontia evolution is inherent in the two universal urges of mind: the impulse of the finite mind of the creature to know God and attain the divinity of the Creator, and the impulse of the infinite mind of the Creator to know man and attain the *experience* of the creature.

(1218.7) 111:2.9 This supernal transaction of evolving the immortal soul is made possible because the mortal mind is first personal and second is in contact with super-animal realities; it possesses a supermaterial endowment of cosmic ministry which insures the evolution of a moral nature capable of making moral decisions, thereby effecting a bona fide creative contact with the associated spiritual ministries and with the indwelling Thought Adjuster.

(1218.8) 111:2.10 The inevitable result of such a contactual spiritualization of the human mind is the gradual birth of a soul, the joint offspring of an adjutant mind dominated by a human will that craves to know God, working in liaison with the spiritual forces of the universe which are under the over-control of an actual fragment of the very God of all creation — the Mystery Monitor. And thus does the material and mortal reality of the self transcend the temporal limitations of the physical-life machine and attain a new expression and a new identification in the evolving vehicle for selfhood continuity, the morontia and immortal soul.

### 3. The Evolving Soul

(1218.9) 111:3.1 The mistakes of mortal mind and the errors of human conduct may markedly delay the evolution of the soul, although they cannot inhibit such a morontia phenomenon when once it has been initiated by the indwelling Adjuster with the consent of the creature will. But at any time prior to mortal death this same material and human will is empowered to rescind such a choice and to reject survival. Even after survival the ascending mortal still retains this prerogative of choosing to reject eternal life; at any time before fusion with the Adjuster the evolving and ascending creature can choose to forsake the will of the Paradise Father. Fusion with the Adjuster signalizes the fact that the ascending mortal has eternally and unreservedly chosen to do the Father's will.

(1219.1) 111:3.2 During the life in the flesh the evolving soul is enabled to reinforce the supermaterial decisions of the mortal mind. The soul, being supermaterial, does not of itself function on the material level of human experience. Neither can this subspiritual soul, without the collaboration of some spirit of Deity, such as the Adjuster, function above the morontia level. Neither does the soul make final decisions until death or translation divorces it from material association with the mortal mind except when and as this material mind delegates such authority freely and willingly to such a morontia soul of associated function. During life the mortal will, the personality power of decision-choice, is resident in the material mind circuits; as terrestrial mortal growth proceeds, this self, with its priceless powers of choice, becomes increasingly identified with the emerging morontia-soul entity; after death and following the Mansion World resurrection, the human personality is completely identified with the morontia self. The soul is thus the embryo of the future morontia vehicle of personality identity.

(1219.2) 111:3.3 This immortal soul is at first wholly morontia in nature, but it possesses such a capacity for development that it invariably ascends to the true spirit levels of fusion value with the spirits of Deity, usually with the same spirit of the Universal Father that initiated such a creative phenomenon in the creature mind.

(1219.3) 111:3.4 Both the human mind and the divine Adjuster are conscious of the presence and differential nature of the evolving soul — the Adjuster fully, the mind partially. The soul becomes increasingly conscious of both the mind and the Adjuster as associated identities, proportional to its own evolutionary growth. The soul partakes of the qualities of both the human mind and the divine spirit but persistently evolves toward augmentation of spirit control and divine dominance through the fostering of a mind function whose meanings seek to co-ordinate with true spirit value.

(1219.4) 111:3.5 The mortal career, the soul's evolution, is not so much a probation as an education. Faith in the survival of supreme values is the core of religion; genuine religious experience consists in the union of supreme values and cosmic meanings as a realization of universal reality.

(1219.5) 111:3.6 Mind knows quantity, reality, meanings. But quality — values — is *felt*. That which feels is the mutual creation of mind, which knows, and the associated spirit, which reality-izes.

(1219.6) 111:3.7 In so far as man's evolving morontia soul becomes permeated by truth, beauty, and goodness as the value-realization of God-consciousness, such a resultant being becomes indestructible. If there is no survival of eternal values in the evolving soul of man, then mortal existence is without meaning, and life itself is a tragic illusion. But it is forever true: What you begin in time you will assuredly finish in eternity — if it is worth finishing.

#### **4. The Inner Life**

(1219.7) 111:4.1 Recognition is the intellectual process of fitting the sensory impressions received from the external world into the memory patterns of the individual. Understanding connotes that these recognized sensory impressions and their associated memory patterns have become integrated or organized into a dynamic network of principles.

(1220.1) 111:4.2 Meanings are derived from a combination of recognition and understanding. Meanings are nonexistent in a wholly sensory or material world. Meanings and values are only perceived in the inner or super-material spheres of human experience.

(1220.2) 111:4.3 The advances of true civilization are all born in this inner world of mankind. It is only the inner life that is truly creative. Civilization can hardly progress when the majority of the youth of any generation devote their interests and energies to the materialistic pursuits of the sensory or outer world.

(1220.3) 111:4.4 The inner and the outer worlds have a different set of values. Any civilization is in jeopardy when three quarters of its youth enter materialistic professions and devote themselves to the pursuit of the sensory activities of the outer world. Civilization is in danger when youth neglect to interest themselves in ethics, sociology, eugenics, philosophy, the fine arts, religion, and cosmology.

(1220.4) 111:4.5 Only in the higher levels of the super-conscious mind as it impinges upon the spirit realm of human experience can you find those higher concepts in association with effective master patterns which will contribute to the building of a better and more enduring civilization. Personality is inherently creative, but it thus functions only in the inner life of the individual.

(1220.5) 111:4.6 Snow crystals are always hexagonal in form, but no two are ever alike. Children conform to types, but no two are exactly alike, even in the case of twins. Personality follows types but is always unique.

(1220.6) 111:4.7 Happiness and joy take origin in the inner life. You cannot experience real joy all by yourself. A solitary life is fatal to happiness. Even families and nations will enjoy life more if they share it with others.

(1220.7) 111:4.8 You cannot completely control the external world — environment. It is the creativity of the inner world that is most subject to your direction because there your personality is so largely liberated from the fetters of the laws of antecedent causation. There is associated with personality a limited sovereignty of will.

(1220.8) 111:4.9 Since this inner life of man is truly creative, there rests upon each person the responsibility of choosing as to whether this creativity shall be spontaneous and wholly haphazard or controlled, directed, and constructive. How can a creative imagination produce worthy children when the stage whereon it functions is already preoccupied by prejudice, hate, fears, resentments, revenge, and bigotries?

(1220.9) 111:4.10 Ideas may take origin in the stimuli of the outer world, but ideals are born only in the creative realms of the inner world. Today the nations of the world are directed by men who have a superabundance of ideas, but they are poverty-stricken in ideals. That is the explanation of poverty, divorce, war, and racial hatreds.

(1220.10) 111:4.11 This is the problem: If freewill man is endowed with the powers of creativity in the inner man, then must we recognize that freewill creativity embraces the potential of freewill destructivity. And when creativity is turned to destructivity, you are face to face with the devastation of evil and sin — oppression, war, and destruction. Evil is a partiality of creativity which tends toward disintegration and

eventual destruction. All conflict is evil in that it inhibits the creative function of the inner life — it is a species of civil war in the personality.

(1221.1) 111:4.12 Inner creativity contributes to ennoblement of character through personality integration and selfhood unification. It is forever true: The past is unchangeable; only the future can be changed by the ministry of the present creativity of the inner self.

## 5. The Consecration of Choice

(1221.2) 111:5.1 The doing of the will of God is nothing more or less than an exhibition of creature willingness to share the inner life with God — with the very God who has made such a creature life of inner meaning-value possible. Sharing is Godlike — divine. God shares all with the Eternal Son and the Infinite Spirit, while they, in turn, share all things with the divine Sons and spirit Daughters of the universes.

(1221.3) 111:5.2 The imitation of God is the key to perfection; the doing of his will is the secret of survival and of perfection in survival.

(1221.4) 111:5.3 Mortals live in God, and so God has willed to live in mortals. As men trust themselves to him, so has he — and first — trusted a part of himself to be with men; has consented to live in men and to indwell men subject to the human will.

(1221.5) 111:5.4 Peace in this life, survival in death, perfection in the next life, service in eternity — all these are achieved (in spirit) *now* when the creature personality consents — chooses — to subject the creature will to the Father's will. And already has the Father chosen to make a fragment of himself subject to the will of the creature personality.

(1221.6) 111:5.5 Such a creature choice is not a surrender of will. It is a consecration of will, an expansion of will, a glorification of will, a perfecting of will; and such choosing raises the creature will from the level of temporal significance to that higher estate wherein the personality of the creature son communes with the personality of the spirit Father.

(1221.7) 111:5.6 This choosing of the Father's will is the spiritual finding of the spirit Father by mortal man, even though an age must pass before the creature son may actually stand in the factual presence of God on Paradise. This choosing does not so much consist in the negation of creature will — “Not my will but yours be done” — as it consists in the creature's positive affirmation: “It is *my* will that *your* will be done.” And if this choice is made, sooner or later will the God-choosing son find inner union (fusion) with the indwelling God fragment, while this same perfecting son will find supreme personality satisfaction in the worship communion of the personality of man and the personality of his Maker, two personalities whose creative attributes have eternally joined in self-willed mutuality of expression — the birth of another eternal partnership of the will of man and the will of God.

## 6. The Human Paradox

(1221.8) 111:6.1 Many of the temporal troubles of mortal man grow out of his twofold relation to the cosmos. Man is a part of nature — he exists in nature — and yet he is able to transcend nature. Man is finite, but

he is indwelt by a spark of infinity. Such a dual situation not only provides the potential for evil but also engenders many social and moral situations fraught with much uncertainty and not a little anxiety.

(1222.1) 111:6.2 The courage required to effect the conquest of nature and to transcend one's self is a courage that might succumb to the temptations of self-pride. The mortal who can transcend self might yield to the temptation to deify his own self-consciousness. The mortal dilemma consists in the double fact that man is in bondage to nature while at the same time he possesses a unique liberty — freedom of spiritual choice and action. On material levels man finds himself subservient to nature, while on spiritual levels he is triumphant over nature and over all things temporal and finite. Such a paradox is inseparable from temptation, potential evil, decisional errors, and when self becomes proud and arrogant, sin may evolve.

(1222.2) 111:6.3 The problem of sin is not self-existent in the finite world. The fact of finiteness is not evil or sinful. The finite world was made by an infinite Creator — it is the handiwork of his divine Sons — and therefore it must be *good*. It is the misuse, distortion, and perversion of the finite that gives origin to evil and sin.

(1222.3) 111:6.4 The spirit can dominate mind; so mind can control energy. But mind can control energy only through its own intelligent manipulation of the metamorphic potentials inherent in the mathematical level of the causes and effects of the physical domains. Creature mind does not inherently control energy; that is a Deity prerogative. But creature mind can and does manipulate energy just in so far as it has become master of the energy secrets of the physical universe.

(1222.4) 111:6.5 When man wishes to modify physical reality, be it himself or his environment, he succeeds to the extent that he has discovered the ways and means of controlling matter and directing energy. Unaided mind is impotent to influence anything material save its own physical mechanism, with which it is inescapably linked. But through the intelligent use of the body mechanism, mind can create other mechanisms, even energy relationships and living relationships, by the utilization of which this mind can increasingly control and even dominate its physical level in the universe.

(1222.5) 111:6.6 Science is the source of facts, and mind cannot operate without facts. They are the building blocks in the construction of wisdom which are cemented together by life experience. Man can find the love of God without facts, and man can discover the laws of God without love, but man can never begin to appreciate the infinite symmetry, the supernal harmony, the exquisite repleteness of the all-inclusive nature of the First Source and Centre until he has found divine law and divine love and has experientially unified these in his own evolving cosmic philosophy.

(1222.6) 111:6.7 The expansion of material knowledge permits a greater intellectual appreciation of the meanings of ideas and the values of ideals. A human being can find truth in his inner experience, but he needs a clear knowledge of facts to apply his personal discovery of truth to the ruthlessly practical demands of everyday life.

(1222.7) 111:6.8 It is only natural that mortal man should be harassed by feelings of insecurity as he views himself inextricably bound to nature while he possesses spiritual powers wholly transcendent to all things temporal and finite. Only religious confidence — living faith — can sustain man amid such difficult and perplexing problems.

(1223.1) 111:6.9 Of all the dangers which beset man's mortal nature and jeopardize his spiritual integrity, pride is the greatest. Courage is valorous, but egotism is vainglorious and suicidal. Reasonable self-confidence is not to be deplored. Man's ability to transcend himself is the one thing which distinguishes him from the animal kingdom.

(1223.2) 111:6.10 Pride is deceitful, intoxicating, and sin-breeding whether found in an individual, a group, a race, or a nation. It is literally true, "Pride goes before a fall."

## 7. The Adjuster's Problem

(1223.3) 111:7.1 Uncertainty with security is the essence of the Paradise adventure — uncertainty in time and in mind, uncertainty as to the events of the unfolding Paradise ascent; security in spirit and in eternity, security in the unqualified trust of the creature son in the divine compassion and infinite love of the Universal Father; uncertainty as an inexperienced citizen of the universe; security as an ascending son in the universe mansions of an all-powerful, all-wise, and all-loving Father.

(1223.4) 111:7.2 May I admonish you to heed the distant echo of the Adjuster's faithful call to your soul? The indwelling Adjuster cannot stop or even materially alter your career struggle of time; the Adjuster cannot lessen the hardships of life as you journey on through this world of toil. The divine indweller can only patiently forbear while you fight the battle of life as it is lived on your planet; but you could, if you only would — as you work and worry, as you fight and toil — permit the valiant Adjuster to fight with you and for you. You could be so comforted and inspired, so enthralled and intrigued, if you would only allow the Adjuster constantly to bring forth the pictures of the real motive, the final aim, and the eternal purpose of all this difficult, uphill struggle with the commonplace problems of your present material world.

(1223.5) 111:7.3 Why do you not aid the Adjuster in the task of showing you the spiritual counterpart of all these strenuous material efforts? Why do you not allow the Adjuster to strengthen you with the spiritual truths of cosmic power while you wrestle with the temporal difficulties of creature existence? Why do you not encourage the heavenly helper to cheer you with the clear vision of the eternal outlook of universal life as you gaze in perplexity at the problems of the passing hour? Why do you refuse to be enlightened and inspired by the universe viewpoint while you toil amidst the handicaps of time and flounder in the maze of uncertainties which beset your mortal life journey? Why not allow the Adjuster to spiritualize your thinking, even though your feet must tread the material paths of earthly endeavour?

(1223.6) 111:7.4 The higher human races of Urantia (Earth) are complexly admixed; they are a blend of many races and stocks of different origin. This composite nature renders it exceedingly difficult for the Monitors to work efficiently during life and adds definitely to the problems of both the Adjuster and the guardian seraphim after death. Not long since I was present on Salvington and heard a guardian of destiny present a formal statement in extenuation of the difficulties of ministering to her mortal subject. This seraphim said:

(1223.7) 111:7.5 "Much of my difficulty was due to the unending conflict between the two natures of my subject: the urge of ambition opposed by animal indolence; the ideals of a superior people crossed by the instincts of an inferior race; the high purposes of a great mind antagonized by the urge of a primitive inheritance; the long-distance view of a far-seeing Monitor counteracted by the nearsightedness of a

creature of time; the progressive plans of an ascending being modified by the desires and longings of a material nature; the flashes of universe intelligence cancelled by the chemical-energy mandates of the evolving race; the urge of angels opposed by the emotions of an animal; the training of an intellect annulled by the tendencies of instinct; the experience of the individual opposed by the accumulated propensities of the race; the aims of the best overshadowed by the drift of the worst; the flight of genius neutralized by the gravity of mediocrity; the progress of the good retarded by the inertia of the bad; the art of the beautiful besmirched by the presence of evil; the buoyancy of health neutralized by the debility of disease; the fountain of faith polluted by the poisons of fear; the spring of joy embittered by the waters of sorrow; the gladness of anticipation disillusioned by the bitterness of realization; the joys of living ever threatened by the sorrows of death. Such a life on such a planet! And yet, because of the ever-present help and urge of the Thought Adjuster, this soul did achieve a fair degree of happiness and success and has even now ascended to the judgment halls of mansonia.”

**OUR JOURNEY:** From Earth's spirit spheres, to the Celestial Heavens, then to the Eternal Spheres, and then home to the Isle of Paradise.

Spirit spheres 1 – 7 (Mansion Worlds) may be within Earth's solar system, each sphere connecting to the next, including the 2 dark spheres being planes of Earth. The 3 Celestial Heaven spheres maybe close to Jerusem and isolated for us humans.

Eternal Spheres, 3 progressive spheres, and the Infinite and Universal Spheres interact through out the super universe.

Spheres of Paradise also contain 3 major progression spheres and these are located within the region that circulates around the Super Grand Sphere.

From the 3 progression spheres within the Isle of Paradise, then to the Super Grand Sphere that surrounds the Mother and Father's Sphere and Soul of our Parents. At this point we have arrived Home!

# ORVONTON Schematic Representation

<p>Each superuniverse is named          And each of the regions are also named, such as for those relative to Urantia (Earth):          10 major sectors          Each of which contain          100 minor sectors          Of which each contains          100 local universes          Of which each contains          100 constellations          Of which each contains          100 systems          Of which each contains          1,000 inhabitable planets          Thus our superuniverse may have 1 Trillion inhabitable planets of which one third may be inhabited. Most inhabitable planets are around the size of Earth, which is a little undersize.</p>	<p><b>Orvonton</b> with headquarters being <b>Uversa</b>  <b>Splandon</b> with headquarters being <b>Umajor the Fifth</b>  <b>Ensa</b> with headquarters being <b>Uminor the Third</b>  <b>Nebadon</b> with headquarters being <b>Salvington</b>  <b>Norlatiadek</b> with headquarters being <b>Edentia</b>  <b>Satania</b> with headquarters being <b>Jerusem (Heaven)</b>          of which our local solar system holds <b>Urantia (Earth)</b></p>

**SPIRIT MIND MANSION WORLDS are numbered 1 to 7:**

To PARADISE, the HOME of OUR HEAVENLY PARENTS

Spirit Mansion Worlds are those 1 – 7. They with the Celestial Heaven spheres numbered 8, 9, 10 as well as the 3 Spheres of Disharmony are all within the Earth’s environment, and rather close by. Each sphere can accommodate more than 100 times the people than Earth may do.

Natural Love sphere progression stops at sphere 6. With only the natural love, progression is through spheres 1, 2, 4, and 6 only.

One can embrace Divine Love at any time and move to DL sphere 3 and continue.

The Divine Love spheres 3, 5, 7, 8, 9, and 10 were opened by Jesus.

On death of the physical body we all arrive in the 1<sup>st</sup> Natural Love sphere.

The 2 Planes of Disharmony are the hells. While one desires to cause harm to others, isolation is applied. Once the Law of Compensation is completed then one can then progress and return to the 1<sup>st</sup> Natural Love sphere and continue in their progression onto higher spheres.

Progression from the top Celestial Heaven sphere is to the Eternal Spheres, Infinite and Universal and further onwards to Paradise.

Celestial Heaven spheres 8, 9, 10 are often referred to as 1, 2, and 3 of Celestial Heaven.

Divine Love perfects one’s natural love soul through the progression via spirit world spheres 3, 5, and 7. Soul-Healing and At-onement is achieved through the progression into sphere 8 which is the first of the Celestial Heaven spheres namely 8, 9, and 10.

Earth is for the individualisation of souls being the commencements of one’s journey home toward the Source Soul.

The Pre-Incarnational Sphere is the waiting area for souls to be individualised / incarnated.

There are seven Earth planes around Earth, which are separate from the Mansion Worlds, but we only have access to two of them, which include the ‘hells’. Each of the Mansion Worlds also have their own seven planes ‘around’ them.

**Note: The 1<sup>st</sup> Divine Love Sphere and the 1<sup>st</sup> Sphere of Disharmony may simply be planes within the 1<sup>st</sup> Natural Love Spirit World.**

**WHICH WAY? MIND SELF RELIANT or FEELING AND GOD RELIANT:**

To PARADISE, the HOME of OUR HEAVENLY PARENTS

# The Way Home

Council of Elders  
now around 20  
Soulgroups

Maybe something like 30 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

**Paper 112****7. Adjuster Fusion**

(1237.3) 112:7.1 Thought Adjuster fusion imparts eternal actualities to personality which were previously only potential. Among these new endowments may be mentioned: fixation of divinity quality, past-ternity experience and memory, immortality, and a phase of qualified potential absoluteness.

(1237.4) 112:7.2 When your earthly course in temporary form has been run, you are to awaken on the shores of a better world, and eventually you will be united with your faithful Adjuster in an eternal embrace. And this fusion constitutes the mystery of making God and man one, the mystery of finite creature evolution, but it is eternally true. Fusion is the secret of the sacred sphere of Ascendington, and no creature, save those who have experienced fusion with the spirit of Deity, can comprehend the true meaning of the actual values which are conjoined when the identity of a creature of time becomes eternally one with the spirit of Paradise Deity.

(1237.5) 112:7.3 Fusion with the Adjuster is usually effected while the ascender is resident within his local system. It may occur on the planet of nativity as a transcendence of natural death; it may take place on any one of the Mansion Worlds or on the headquarters of the system; it may even be delayed until the time of the constellation sojourn; or, in special instances, it may not be consummated until the ascender is on the local universe capital.

(1237.6) 112:7.4 When fusion with the Adjuster has been effected, there can be no future danger to the eternal career of such a personality. Celestial beings are tested throughout a long experience, but mortals pass through a relatively short and intensive testing on the evolutionary and morontia worlds.

(1237.7) 112:7.5 Fusion with the Adjuster never occurs until the mandates of the superuniverse have pronounced that the human nature has made a final and irrevocable choice for the eternal career. This is the at-onement authorization, which, when issued, constitutes the clearance authority for the fused personality eventually to leave the confines of the local universe to proceed sometime to the headquarters of the superuniverse, from which point the pilgrim of time will, in the distant future, enseasonhim for the long flight to the central universe of Havona and the Deity adventure.

(1238.1) 112:7.6 On the evolutionary worlds, selfhood is material; it is a thing in the universe and as such is subject to the laws of material existence. It is a fact in time and is responsive to the vicissitudes thereof. *Survival decisions must here be formulated.* In the morontia state the self has become a new and more enduring universe reality, and its continuing growth is predicated on its increasing attunement to the mind and spirit circuits of the universes. *Survival decisions are now being confirmed.* When the self attains the spiritual level, it has become a secure value in the universe, and this new value is predicated upon the fact that *survival decisions have been made*, which fact has been witnessed by eternal fusion with the Thought Adjuster. And having achieved the status of a true universe value, the creature becomes liberated in potential for the seeking of the highest universe value — God.

(1238.2) 112:7.7 Such fused beings are twofold in their universe reactions: They are discrete morontia individuals not altogether unlike seraphim, and they are also beings in potential on the order of the Paradise finaliters.

(1238.3) 112:7.8 But the fused individual is really one personality, one being, whose unity defies all attempts at analysis by any intelligence of the universes. And so, having passed the tribunals of the local universe from the lowest to the highest, none of which have been able to identify man or Adjuster, the one apart from the other, you shall finally be taken before the Sovereign of Nebadon, your local universe Father. And there, at the hand of the very being whose creative fatherhood in this universe of time has made possible the fact of your life, you will be granted those credentials which entitle you eventually to proceed upon your superuniverse career in quest of the Universal Father.

(1238.4) 112:7.9 Has the triumphant Adjuster won personality by the magnificent service to humanity, or has the valiant human acquired immortality through sincere efforts to achieve Adjusterlikeness? It is neither; but they together have achieved the evolution of a member of one of the unique orders of the ascending personalities of the Supreme, one who will ever be found serviceable, faithful, and efficient, a candidate for further growth and development, ever ranging upward and never ceasing the supernal ascent until the seven circuits of Havona have been traversed and the onetime soul of earthly origin stands in worshipful recognition of the actual personality of the Father on Paradise.

(1238.5) 112:7.10 Throughout all this magnificent ascent the Thought Adjuster is the divine pledge of the future and full spiritual stabilization of the ascending mortal. Meanwhile the presence of the mortal free will affords the Adjuster an eternal channel for the liberation of the divine and infinite nature. Now have these two identities become one; no event of time or of eternity can ever separate man and Adjuster; they are inseparable, eternally fused.

(1238.6) 112:7.11 On the Adjuster-fusion worlds the destiny of the Mystery Monitor is identical with that of the ascending mortal — the Paradise Corps of the Finality. And neither Adjuster nor mortal can attain that unique goal without the full co-operation and faithful help of the other. This extraordinary partnership is one of the most engrossing and amazing of all the cosmic phenomena of this universe age.

(1239.1) 112:7.12 From the time of Adjuster fusion the status of the ascender is that of the evolutionary creature. The human member was the first to enjoy personality and, therefore, outranks the Adjuster in all matters concerned with the recognition of personality. The Paradise headquarters of this fused being is Ascendington, not Divinington, and this unique combination of God and man ranks as an ascending mortal all the way up to the Corps of the Finality.

(1239.2) 112:7.13 When once an Adjuster fuses with an ascending mortal, the number of that Adjuster is stricken from the records of the superuniverse. What happens on the records of Divinington, I do not know, but I surmise that the registry of that Adjuster is removed to the secret circles of the inner courts of Grandfanda, the acting head of the Corps of the Finality.

(1239.3) 112:7.14 With Adjuster fusion the Universal Father has completed his promise of the gift of himself to his material creatures; he has fulfilled the promise, and consummated the plan, of the eternal bestowal of divinity upon humanity. Now begins the human attempt to realize and to actualize the limitless possibilities that are inherent in the supernal partnership with God which has thus factualized.

SOURCE SOUL, our HEAVENLY PARENTS, have any number of spirit instruments assisting at any time.

Holy Spirit  
'Divine Love'

SOURCE SOUL

Holy Spirit

Divine Love is conveyed on request to your spirit body and absorbed through to the soul, resulting in the ambiance of the spirit body growing.

**INDWELLING SPIRIT, THOUGHT ADJUSTER,  
MYSTERY MONITOR (all being the same):**

The external elements, instruments of the Parents, do not form attributes of our own soul upon its initial creation by our Heavenly Parents, these are the Spirit of Truth, the Indwelling Spirit, and Divine Love.

The Holy Spirit, conveys Divine Love to your soul should you earnestly and lovingly ask for it. This is the only function of the Holy Spirit – Acting Spirit.

The Indwelling Spirit becomes present when we are around the age of six. This means that the unseen helper of the Father and Mother – the Indwelling Spirit – can always interact with the mortal soul and to be of service so that eventually the leadings from the Spirit may be the catalyst for that soul to seek our Parents.

The Indwelling Spirit reveals intrinsic workings of Father and Mother to your soul.

The Indwelling Spirit functions in much the same way as the Holy Spirit, ask and it will provide support and guidance.

The Indwelling Spirit / Thought Adjuster only works with us on the mind, feeling and psychic levels directly with our personality on conscious and unconscious levels of reality. It is the Divine Minister with hands-on help from our attending angels that do the actual adjusting of our mind circuits – of all our circuits, even the physical if need be.

Spirit of Truth becomes active more so when you connect to the Source Soul and commence receiving Divine Love.

You are a spirit person having a physical experience. Your physical body is encased within your spirit body.

So evil is literally a state of mind, and once you heal it you even feel love for your wrongness and even no longer hate it – that being full self-acceptance. But you can't contrive these feelings or level of awareness, it has to come of itself and will through the higher levels of your Healing.

**The URANTIA Book:**

Messages 1925 – 1935

**Paper 113**

(1244.4) 113:3.3 The Adjuster is the presence of the Father; the Spirit of Truth, the presence of the Sons. These divine endowments are unified and co-ordinated on the lower levels of human spiritual experience by the ministry of the guardian seraphim. The angelic servers are gifted in combining the love of the Father and the mercy of the Son in their ministry to mortal creatures.

**Paper 115**

(1264.3) 115:4.4 The Thought Adjusters indwelling mortal man are one of the eternal proofs that even the absolute God (as absolute) can and does actually make direct contact with even the lowest and least of all universe will creatures.

**“Every day is a day of devotion.”**

**Please Mother and Father, may I receive Your LOVE.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Our salvation IS the embracing of the Feeling Healing process with Divine Love.**

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to ‘our Mother and Father’. Further, when considering soul healing, then reference to Divine Love could be referred to as ‘Feeling Healing with Divine Love’.

**GAINING the equivalent of PhDs SPHERE by SPHERE:**

The journey to our ultimate destination is of enormous proportions, however, we have loving assistance and guidance all the way.

Consider that each major sphere that we progress through is capped with the granting of a PhD. Thus our journey to our ultimate home could be said to represent the achievement of gaining some 16 PhDs!!! Incredible!

Yes, we can all do it. As we ask for and receive Divine Love, as well as doing our Feeling Healing, we accumulate this wonderful essence progressively within our every growing soul, all visible due to the luminosity that this wonderful substance generates through our solar plexus of our spirit body. Our solar plexus are called this way due to this radiance emanating from that location of our being.

Major spheres that we may advance through are:

Spirit World (Divine Love) spheres	4
Celestial Heavens spheres	3
Eternal Spheres	3
Infinite and Universal Spheres	3
Spheres of Paradise	3 then
<b>Super Grand Sphere surrounding God’s Sphere &amp; Soul</b>	<b>3</b>

Total number of graduations	<b>PhDs</b>	<b>16</b>
		==

Each sphere contains numerous planes and layers, thus our journey will have an incomprehensible diversity of experiences, all incredibly loving, progressive, evolutionary and creative once we set to commencing by simply longing for to our Mother and Father, please may I receive your Love! Divine Love will never be withheld from us once we ask.

When we arrive we will be amongst the most capped personalities ever imaginable!

This is one time when this statement stands out:  
*“Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love.” JD*

**NATURE and STAGES of FUSION:**

**Seventh stage of Fusion** of individuality is the transition from the Eternal Spheres to the Spheres of Paradise. The individual is now fully fledged in their union with God and can travel around the entire soul Sphere that God is and resides in.

**Sixth stage of Fusion** truly demonstrates how the personality is infused with extended attributes of mind-spirit function as the individual progresses from the Celestial Heaven and enters the Eternal Spheres.

**Pre-Incarnational Sphere:**

**First stage of Fusion** is the separating of the soul into two, each soul half being complete on their own.

**Fifth stage of Fusion** transpires when their natural love changes and one's soul progresses to the condition to be of Celestial soul quality, one enters the Celestial Heaven.

**Fourth stage of Fusion** involves the Divine Love. This can happen at any time during the natural life experience of the individual. Happens when the Immortal Divine Love enters the attribute of the soul for the first time, either when in the physical body state or spirit body state.

**Second stage of Fusion** is simply defined by the incarnation of the finite attribute of the soul to acquire a spirit body and living attribute of personality, which commences the finite soul's individualisation of mortal life experience.

Spirit body →  
Soul →

**Third stage of Fusion** in a soul's life is its transition into the First mortal natural spirit Sphere. This stage is defined as the ending of the physical incarnation and the beginning of life in the spirit world.

**SPIRIT:**

17 May 2015

Are you surprised that there is such confusion in the concepts of individual spirituality and one's relationship with spirit beings? This is perhaps that most significant area of misunderstanding in humans on Earth now. This has been the case for a very long time and it is time that this hurdle was lessened.

Each one does have a spark of Our Creator within them and this spark is intrinsically bound with the soul of each one but is not the same as the soul. There are differences which are quite great but inexplicable yet. This is referred to as **Thought Adjuster** and sometimes as **spirit guide** or **guardian angel** or many other such terms none of which goes close to giving a clear indication of the nature or function of this essential and integral part of every person.

Because of the nature of the human race at this stage of its development, this part exists in an area that is mostly out of awareness. There is no diminution of the awareness of consciousness of this spark which is always fully aware of itself and of its integral and intimate connection with its origin and all the other aspects of creation. Its only way of communication with people is through influencing the level of awareness in any situation. For the most part this is relatively uncomplicated in the antenatal and immediate post-natal periods. This is not always the case as the societal influences on a foetus and infant begin at the commencement of their carnate existence.

The implication of what I am saying is that every person has an integral aspect which is always fully aware of the essentially spiritual nature of that person. What you call this is immaterial as it is virtually impossible for you to have a valid concept of what this is and what this means. The nature of the human reality with its concepts of separation of one from another leads to the concept of this aspect as being something separate which needs to be visualised as guide or guardian angel. This is an acceptable way of managing this but is not sustainable in the long term.

Have you noticed that in all the stories you have read on life on this side, no-one describes having met their guides or guardians? There are many descriptions of meeting with other spirits who have acted in teaching and guiding roles.

You see, your spirit guide is particularly your own because it became such at the moment of your creation and always remains so. The progress of spiritual development of every person is one of progressive discovery of this fact until the eventual awareness and realisation of this fact of living by virtue of being able to know that one is At One with God. Every-one is actually At One with God from the moment of creation but doesn't know this and will take varying amounts of time to do so. The only thing that separates you from knowing awareness of being At One with God at this moment is the acceptance that leads to awareness.

This then leads to the conclusion that your connection and communication with us (from within the spirit worlds) occurs through the natural spiritual bridge that we have always had. This is only one of countless things in carnate living which are constantly present for you to use except that you don't know this.

However useful human education is it fails to teach of these things because the knowledge of them is not accessible to the educators. There are many things which are only discovered by virtue of increasing awareness and never by the accumulation of information. I use information here rather than knowledge as most of what is assumed to be knowledge is such only in terms of current understanding. There is so much that has been known and forgotten and which awaits rediscovery to become known again.

This is why our path or course is one of aiding you to open to what we know exists for you by (this is hard to express) desensitising part of you and sensitising another part of you. This is not a true expression of the meaning as we are not actually diminishing anything. We are only suggesting that certain aspects of awareness need less attention and others more. We are facilitating a shift of awareness towards your own spiritual senses and awareness. You are aware of the effect of these senses rather than the senses themselves. It is well for you to have much deeper recognition of this vital aspect of your entity. As you can sense in these ways you are able to be a more complete being while in a physical reality. There is no rule that restricts one to giving preference to or only using physical senses while incarnate.

All of this is in the interest of shining more light into the darkness in which humanity presently lives. It is not necessary to pass to find spirit. The spark within you is not preoccupied with the physical reality but is totally aware of it in all of its aspects and detail and limitations. However it is also aware of all of the advantages of this reality and is interested in assisting the more physical aspects of itself in using these advantages and gaining all that can be obtained.

The part of you that is unacknowledged is doing all it can to guide and direct you with a depth of knowledge which is inherent in it. If anyone still needs to externalise this then this is acceptable as it is a lot to accept without considerable build-up and development. Most cannot accept that this reality exists within them despite their desire to have access to such wisdom. Those of us who participate in your guidance and entertainment are closely associated with you by virtue of this spiritual aspect of yourselves.

My desire in discussing this is to aid in the narrowing of the perceived gap between us. It is not as though we are attempting to broadcast over unimaginable distances. We are simply working together to be able to have a conversation in the manner of the intimate neighbours that we are. The bridge is not one of distance but of acceptance mainly and understanding secondarily. With your deafness you (the median) understand some of the problems that occur with communication with your associates. You do not have such a barrier with us even though you imagine that you do. Our connection is quite independent of physical senses. Only your way of recording our connection has any dependency on physical senses and that is a very secondary issue.

Our connection is quite independent of physical senses. Only your way of recording our connection has any dependency on physical senses and that is a very secondary issue.

You are currently struggling with your concepts of what I have offered and it is necessary for you to simply allow this information to filter into your being and find its place there as its effects spread throughout all of you and your environment. Do not attempt to make a conscious construct of this as you must incorporate old and outworn ideas. Set aside the idea of a bridge as it is a bridge across nothing or everything and so doesn't need to exist. Remember our friendly paradoxes which are ever-present of necessity. There are so many things that are untranslatable that only paradox can encompass them. Neither you nor anyone else needs to understand that which you are in the process of what you are coming to know. When you know reality and truth, you are able to shelve all of the understanding that you painstakingly created as you discover it was nonsense anyway or at least unnecessary.

**Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of your Mother and Father.**

**Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.**

## **DIVINE LOVE HARMONY:**

**Immortal harmony:**

**Transformation of the soul is a beautiful harmonious gradual awakening.**

**In a gradual way with the Divine Love and Feeling Healing, as changes in the soul and spirit body occur, these changes will result in the personality slowly accepting the source of these changes as being the Soul God and with the independent will, one can have complete acceptance of our Heavenly Parents, Mother and Father, God.**

**People have loved God and felt loved by God and they have in deed received the Divine Love without ever knowing the truthful identity of this Love insofar as the truths relating with its causality in the human soul and affect upon the spirit-mind.**

**Part of the nature of the Divine Love in our souls is that it activates our spirit body systems and soul so that the nature of God is seen and experienced in the living and this places us in touch with the many Spirit attributes that extend from God and have their existence in God, such as our Indwelling Spirit. God no longer remains inactive to us; inert, inanimate, or an unknown but rather a Soul of living energy whose energy in the harmonies of Love and Spirit, is personified as love that we experience. If I can convey the essence about the nature of Divine Love it is that in its energy, exists the harmony and potential so that one can see the potential that this Love brings to bridge the gap of separation between the individual and God by the harmonies of soulfully living.**

**The Divine Love completes the form of the human being.**

**In essence, one need only direct their soul and the heart of their soul to the First Source, the Soul God, and in this faith one can experience the Love by humbly asking for this Love. This is all that is needed and the touchstone upon the Love's approachable nature.**

**The Love is never harmful or given by God that results in a caused effect of disharmony in the individual. The diversity of human individuality is a great characteristic of human nature and as with experience, one needs experience to ascertain a truth about a certain thing. Experiencing the Love provides a substantiated knowing from which a more objective reasoning follows and a maturity happens.**

**DIVINE LOVE is not Natural Love:**

We are born with natural love, the love that we feel for our family and many others. We are not born with Divine Love. However, we are born with free will. It is with the application of our free will that we can ask for and then receive Divine Love.

It is this simple exercise of understanding and using our free will to ask for and receive Divine Love that is now being re-introduced to us via the Padgett Messages which are published in the Book of Truths. These gifts of understanding are further expanded in the messages published in the book, Judas of Kerioth, author anonymous, edited by Geoff Cutler, available through lulu.com and amazon.com.

**Divine Love is the Great Gift that God desires to give to the heart-soul that asks, yearns and seeks for It. It is unconditional Love *conditionally* given that requires no preparation. It is conditional only because Divine Love cannot and will not be given to any person without that person first asking and yearning for It.**

*The Divine Love of the Father is the greatest thing in the world, and the only thing that can make a man at-one with God, and change the soul of man since it has existed into a thing of Divine Substance, and filled with the Essence of the Father* (paraphrase from a message of John, 8/5/1916).

Our soul – though with damage and injury – will experience healing. His love is the substance in our soul that will remove things from our soul that defile it and alienate us from Him. When we receive His love it will eradicate defilements, and with abundant love all such things will disappear. Love changes the essential quality of the soul, and is the only thing that will change the soul since its creation. With this love will come faith, and our faith will **GREAT** grow, and our longings will grow until we blossom into His loving children.

The greatest truth is that there is Divine Love above and beyond human love waiting to transform us into new beings.

**Immortality with the Love.**

**Feeling  
Healing with  
Divine Love is  
the key!**

### **DIVINE LOVE – what does it do?**

The divine gift from asking for and receiving Divine Love will steadily, but with certainty, raise one's quality of life and also of all those around such a person who is seeking and receiving this Love.

The receiving of Divine Love, which is a substance, with certainty, progressively:

- Raises one's love for those around them, whilst embracing one's Feeling Healing.
- Raises one's perception of all things – naturally grows one's intelligence – soul intelligence.
- Enables one to feel and resolve negative emotional issues more readily during Feeling Healing.
- Humility becomes self evident. Humility enables one to feel their errors and emotions.
- Divine Love strengthens one's resolve to express errors, emotional injuries and untruths.
- Divine Love with Feeling Healing to remove emotional errors, enhances one's health.
- Divine Love enables one to become more childlike – not adult serious at all times.
- Divine Love raises one's capability of feeling – no longer needing to be mind controlling.
- By becoming feeling orientated, one no longer is mind / intellectually dominated.
- The strength to fight and overcome sin and error is strengthened through the Divine Love.
- The Law of Compensation process is more resolved by Feeling Healing with Divine Love.
- Receipt of Divine Love grows one's faith, beliefs become faith and then knowing.
- As our faith grows our intensity to ask and then receive Divine Love grows.
- We begin to follow our passions and desires, no longer fear and mind driven.
- Truth being told at all times then progressively becomes a way of life.
- Our quality of life blossoms, our finances and relationships prosper.
- Man creates his own environment, seeking Divine Love can vastly improve one's environment.
- Health carers receiving Divine Love enhance healing outcomes beyond comprehension.
- Receiving Divine Love may assist in bringing a struggling marriage back into harmony.
- You progressively become dependent upon our Heavenly Parents, not self dependent.
- Personal growth in love directly assists the soul condition growth of one's children.
- Divine Love assists one's rate of soul condition to progress whilst embracing Feeling Healing.
- Divine Love is a substance that changes the human soul to that of the Divine.
- Without Divine Love, one cannot progress into the Celestial Spheres (8<sup>th</sup> sphere and higher).
- Divine Love, with Feeling Healing, enables everlasting Love and Life in the Celestial Heavens.

“The Law of Compensation doesn't operate on isolated actions, but on the overall condition of people's souls, because the deeds are the consequence of this condition. Our behaviour is the reflection of our souls. Never see isolated deeds, always see souls whose condition leads to certain deeds. It is the soul condition which determines the motive and consequently the action. It is our lack of trust in God, this ultimate and definitive trust, which only soul development may give us. This lack is why we suffer.”

Judas of Kerioth 5<sup>th</sup> October 2001

**The BEAUTIFUL MIRACLE:**

5 Oct 2012

**The DIVINE UNIVERSE**

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union completes. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love, the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other, then one is living in the presence of the Father in perfect harmony, and this clarifies the truth about what it means to be truly at-one with God.

Vol III, p. 157, 14 Nov 2014 – 14 Mar 2015 Zara and Nicholas

[www.lulu.com](http://www.lulu.com)

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

**Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.**

**WE are INCARNATED with Natural Love, but not with Divine Love:**

We are conceived with natural love, however, we are not endowed with anything of the Divine. While we are without anything of the Divine, namely Divine Love, we can grow our natural love attributes and progress to that of being the perfect man whose lodging is found in the 6<sup>th</sup> Sphere. We do not have immortality without having received Divine Love.

Natural love radiance is very different from that which Divine Love brings.

The two loves complement each other, bringing about greater harmony.

When we become aware of the presence of Divine Love and subsequently ask for and then receive the Divine Love, our soul steadily starts to change to that which is Divine and we achieve immortality. This is the Immortal Choice that we can make whilst here in the physical or later in the spirit world. Once we add Divine Love to our being, we continue then with the two loves, that of the natural love and also that of Divine Love. As we continue and receive Divine Love, our soul condition progresses so that we may eventually enter the Celestial Heaven, 8<sup>th</sup> sphere, should we have engaged in the proves of Feeling Healing, and above, then progress further to enter the Eternal Spheres, then the Infinite and Universal Spheres, and then further on towards the Spheres of Paradise.

We are endowed by our Parents with natural love, maybe we neglect this gift from time to time. As we progress in time, we can add the greatest gift there is to our being, that is by asking for and receiving Divine Love. Not only does the infusion of Divine Love, with one's Feeling Healing, repair our natural love attributes, we evolve into a joyous and loving person in all respects. With the infusion of Divine Love, with the two loves, we become the complete being.

# FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing ourself to feel, and accept them instead of denying them. And to fully accept them, one need to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them. So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE  
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR  
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING  
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU  
FEEL, THINK AND ARE.

## Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

**Please Mother and Father** help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

**Please Mother and Father** help me see the truth of myself through my feelings.

**Please my beloved Heavenly Parents**, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

**Please Mother and Father**, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

**Please Mother and Father help me**, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

**Please Mother and Father love me**. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

**Please make me feel how unloving I am**. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

The mind way is the 'dead' way; the feelings way is the 'alive' way.

### Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

**Please God** show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

**Heavenly Mother and Father**, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

**Please Mother and Father** fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

**I hate you Mother and Father**; why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

**I long for Your Divine Love** Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

**LOVE**

**Feelings First Spirituality, The New Way**

*Feelings First Spirituality, The New Way* is a contemporary ‘religion’ based on living true to yourself through your feelings. Understanding that all you need in life is contained within your soul and is shown to you through your feelings. And by loving your feelings, by attending to them properly (talking or writing them out of you) and not denying them, you can use them to uncover the truth of yourself – the truth of your soul.

*Feelings First Spirituality* is not a formalised religion that tells you how to be, that is too controlling and is actually bad for you, limiting your spiritual growth. You can be wholly self-revealing of the truths you need to be, being the person God created you to be, all by living true to your feelings.

*Feelings First Spirituality* has no formal structure because we understand we don't need one, our soul contains within it all the truth of our spiritual ascent. If we look to our feelings for the truth they want us to see about ourselves, nature and God, then what more do we need! Our true spiritual path is the path our feelings will lead us down, that is, provided we allow them to. This is the most spiritual we can be.

**Living the New Way of Feelings First Spirituality**

You come to the understanding from your life experiences that how you are is not right, it doesn't make you feel good – that you are wrong in some way. And you want to change yourself, you want to become right, true and perfect – you want to be like God is.

*And to do this you need to do your Healing*

Your Feeling-Healing is looking to your feelings for the truth of yourself, the truth being hidden in many of the feelings you are not wanting to face in life. So you have to end your feeling denial, accepting all your bad feelings (and good ones), express them (yet not necessarily acting upon them), whilst longing to uncover the truth they are to show you.

Or, you can do your Soul-Healing, which is your Feeling-Healing together with including longing directly to God for God's Divine Love. When you receive the Divine Love into your soul, it will cause your soul to become divine, and it will deepen your personal relationship with God. Long with all your heart to God for God's Divine Love.

## **Feelings First Spirituality** **The New Way**

**By living true to ourselves, true to our feelings, we are living true to God. It's that simple.**

# FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

## FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Notes from 'Feeling Healing' by James Moncrief

Heartfelt TRUTH

## Our FEELINGS are our SUPREME GUIDES:

# Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings. Kevin 26 Sep 2017

## Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.

## FEELING HEALING

**Note:** The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

**Note:** Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and totally true.” James – Introduction Course to Divine Love Spirituality

## The CHOICE is OURS to MAKE:

### Celestial Truth:

Truly all-loving;  
Living true to oneself;  
Mind supporting Feelings;  
Living with the Divine Love;

Fully Healed of the Rebellion and Default.

### THE FEELING WAY

Feeling – Ascendance  
Unlimited progression

- Living true to your untruth;
- Honouring all your bad feelings;
- Expressing feelings to uncover their truth;
- Healing the Rebellion and Default within yourself;
- Feeling unloved; being unloving;
- Feeling as bad as you can feel;
- Feeling like you are no one special;
- Longing for the Divine Love.

### THE MIND WAY

Mind – Transcendence  
Limited progression

- Enlightenment, Nirvana, feeling all-loving;
- All false, mind-contrived. Anti-truth, anti-love;
- Still evolving the Rebellion and Default within yourself;
- Feeling and believing you are the Superior One;
- Living with your mind in control of your feelings;
- Living rejecting all your bad feelings;
- Living with your mind contriving you feel loved;
- Rejecting the Divine Love.

All religions, New Age, agnostic,  
atheists, no spiritual interest,  
Living the Rebellion and Default.

Hell:  
Exploiting the Rebellion and Default.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

## U-TURN for HUMANITY:

### Why are we doing a U-Turn?

We are doing a U-Turn **because** the year 2017 heralded the end of the Rebellion and Default. For two hundred thousand years, humanity has been going in the wrong direction.

### What is this fundamental step that will change our way of living?

We are to come to understand / know the foundational cause of all our feelings, both good and bad. As we explore and investigate our feelings, each time they arise, one by one, we are to talk them through, express them to a companion or friend or anyone who will listen. As we express them, while at the same time coming to understand how they have come about, we will find that they will be resolved and that they will not come up again.

**Feeling  
Healing with  
Divine Love is  
the key!**

We will find that all of our feelings / emotions have their foundations from our childhood. And by childhood, that is from the time of one's conception all the way through to about the age of six. It is the repression of our childhood feelings that is the base or foundational cause of each and every one of our adult personality issues, pains, difficulties, illnesses and distressful life experiences.

**We have to see the whole truth of our negative or self-denial state, before we can heal it and be free of it.**

The vital difference between **emotions** and **feelings** is:

- emotions have their roots in the past,
- feelings relate to the present moment,
- emotions represent feelings not previously expressed,
- and these accumulate over time.

Many emotional clearing processes encourage us to look into our feelings, however, none go so far as to drill down into the core foundation of any emotional feeling to the point that we strive to KNOW the core issue, the origin of the feeling, be it good or bad, and actually come to know what it is!

The *Journey Process* is generally known worldwide. It stops short of longing to know, that is asking for the knowing of the events that brought about such a feeling. Yes, we are to acknowledge the feeling, say being angry. Then accept that behind that anger is the feeling of being small, and then look at the underlying reason of why we are feeling small. What is the truth behind that feeling? Ask our Heavenly Parents what is behind all of this feeling. What is the foundation, the origin of the feeling? All the time talking it out, expressing it, with a friend. The expressing of the experience is the release of the emotion / feeling, this is what removes it for ever from within our essence, our **soul**.

**Why ask our Heavenly Parents? I thought God was just God – singular?**

This is part of the revealings that have been unfolding for us very recently – that is – since 2002.

We are made in the image of God. This has been understood for centuries, for 2,000 years. Our soul is duplex. Our soul expresses itself through two personalities. One soul ‘subdivides’ into two, one half always being female and the other half always being male. We are a reflection of how God is. God being one Soul is expressed as Mother and Father. God is two personalities. They are soulmates. And each of us has a soulmate, and our soulmate is always of the opposite sex, because the Mother and Father are the opposite sex.

Thus, when we long for the truth behind a feeling, then we can long to our Heavenly Mother and Father. Only they can tell us. No spirit personality can tell us. No canonised saint can tell us, we may as well ask our next door neighbour. That would be just as productive. Mary and Jesus can’t tell us, as they are also spirit personalities.

### **I was taught that Jesus was God? And what is this about Mary?**

Mary of Magdalene and Jesus of Nazareth were both born free from sin. Neither of them are God. They are both children of God, just like you and me.

History needs to be corrected. Both Jesus of Nazareth and Mary of Magdalene became at one (At-One) with our Heavenly Mother and Father during their physical lives here on Earth in the first century; Jesus in the year 26CE and Mary in the year 33CE, or thereabouts. Jesus died aged 35 (born 7BC died 29CE), and Mary died aged 47 or 48 (born 2BC died 47CE).

Further, their sojourn on Earth was the completion of their process to become the full Regents of the sector of planets that is referred to as Nebadon. The region within our super-universe that is referred to as Nebadon contains 3.8 million inhabited planets. If you look into the night sky, each star / sun potentially has between none to three inhabited planets within its orbit. Within Nebadon, the soulmate pair, namely Mary and Jesus, are our Spiritual Teachers of Truth. Their domain is all 3.8 million physical planets plus their associated spirit worlds. Each physical world has seven associated spirit worlds, which is the case for Earth being one of the 37 that have rebelled.

Some 200,000 years ago, Lucifer with his soulmate and his deputy, Satan with his soulmate, brought about a rebellion on 37 of the inhabited planets within the region called Satania, one of the local universal systems of Nebadon. Earth compounded the situation through the Default of Adam and Eve about 38,000 years ago. Thus the population of Earth, being in the worst condition through the Rebellion and Default, became the location for Mary and Jesus to have their physical experience to complete their ascendancy to full Regency of the local universal system being Nebadon.

Their lives on Earth was the start of the unravelling of the Rebellion and Default. Upon Jesus becoming At-One with our Mother and Father, he was then vested with the authority and power to have the Lucifers and Satans arrested, and they now reside exiled within a prison world.

Notice that there were no records of Jesus and Mary’s teachings and experiences made during their physical life. That was because they did not specifically come here for us, they came for the benefit of all peoples of all planets and spirit worlds throughout Nebadon.

As they are Paradise descending spirits, they have **Spirits of Truth**. Upon Mary and Jesus' death, they released their Spirits of Truth. As spirits, Jesus and Mary are how we will be, once we've finished our Soul Healing. They can only be in one place at any one time. However, it is their Spirits of Truth throughout Nebadon that we can connect with for guidance. It is through their Spirits of Truth that spirit personalities can progress through and out of Nebadon.

Those planets that have Rebelled need further assistance, and they need it on a localised manner. This can only be provided by another bestowal of a **Paradise Pair**, and that is in the form and manner of an **Avonal soulmate pair** who come here specifically for us.

### **What is the purpose of an Avonal pair, and are they here on Earth?**

Unlike Jesus and Mary who were always free from sin and did not experience how to heal themselves, the Avonal pair are to experience all of the extremes of evilness and then proceed to heal themselves. Mary and Jesus through their bestowal on Earth ended the Lucifers spiritual rebellion in Nebadon; the Avonals bestowal is primarily concerned with ending the Default of Adam and Eve by the Avonals themselves personally healing the effects of such a damaging Fall.

The soulmate Avonal pair are to be, and have been, subjected to the extremes of childhood suppression and repression, and then, through their Feeling Healing, are experiencing all the facets of emerging truth as they slowly progress through a protracted and difficult healing process. As they reach specific milestones, this also enables those in the Celestial Heavens, (the three worlds where Celestials reside) to be empowered to assist us in the physical on Earth.

The first considered milestone was the arresting and imprisonment of the Caligastia soulmate pair and the Daligastia soulmate pair. After the arrest of the Lucifers and Satans in the first century, as nothing further occurred, the Caligastias and Daligastias continued on from spirit as if they were kings and queens, suppressing all of humanity and with plans to take over the universe. It was possibly in the early 1990s that they were 'judged' and 'removed'. They were caught unaware that an Avonal bestowal pair were on Earth.

### **How is all this becoming known? Has Jesus and Mary communicated directly to Earth?**

Unlike in the first century, when no records were kept (as the event related to all of Nebadon and it was actually setting the stage for the Avonal bestowal pair to arrive on Earth), every effort to retain records in great detail of this current series of events is now being attended to. Consider this. The New Testament of the Bible is some 300 pages. The records of the Second Coming, which this is, the primary records are possibly 6,000 pages, with direct complementary records increasing that to over 10,000 pages and with all the supplementary records to date, there may be as many as 40,000 pages, certainly well over 30,000 pages of material presently.

Jesus directly communicated through James Padgett from 1914 to 1923. Mary of Magdalene (Mary M) has directly communicated through James Moncrief from 2002 and is ongoing. Jesus has also communicated directly through James Moncrief. Neither have ever directly communicated through any one else, however, some Celestial Spirit personalities have provided information through other

personalities on Earth with the support and approval of Jesus and Mary, thus some confusion, though the quality of the information is very reliable.

**You say this is the Second Coming? You say I am living during the time of the Second Coming?**

Yes you are. And it's more than that. This is the Second Coming, the End Times and the Handover!

In fulfilment of the prophecy in the first century, the Second Coming commenced on 31 May 1914 through the writings with James Padgett and concluded in 2014 through the writings with James Moncrief.

The End Times are well advanced. Mary and Jesus are well advanced in handing over their direct involvement with Earth to those within the Celestial Heavens. When this is completed, the Handover will also occur. **The Hand Over is to the Avonal Bestowal pair** and it is they who will guide the population on Earth through their Feeling Healing processes for the next 1,000 years, being the next spiritual age. The Handover will take place after the Avonal pair complete their personal Healing of the Rebellion and Default. Then will follow with their Spirits of Truth being officially liberated in alignment with Mary M and Jesus' Spirits of Truth upon their death.

Major events have occurred with the progression of the Avonal pair's Feeling Healing, which they are also doing whilst embracing our Heavenly Parents' Divine Love, thus they are doing their Soul Healing.

Early 1990s:	The arrest of the Caligastia and Daligastia soulmate pairs.
22 March 2017:	Negative spirit influence was blocked.
31 March 2017:	Angel assisted healing will become available upon the Avonal pair completing their own Feeling Healing, being with Divine Love, thus it being Soul Healing.
22 May 2017:	Law of Compensation quickening.
2 December 2017:	Psychic Barriers maintaining the Rebellion and Default were cracked.
8 December 2017:	Bring on the money to <b>'house the future of humanity'</b> .
31 January 2018:	Earth and the seven associated Mansion Worlds (including the two Earth planes) are <b>officially</b> now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default.

**How does this all fit into our future way of living?**

**This time, in the history of humanity, is the most exciting time ever experienced.**

**The whole human race is suffering from repressed childhood and mind control.**

Through one's Feeling Healing, and should we embrace our Heavenly Parents' Divine Love, then with their Love we are doing our Soul Healing, and eventually we can live totally in accordance with our soul based feelings and live free from error – no more fear and no more physical illnesses is possible!

**By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

Our soul is always perfect. In fact, we are the complete package. All that we need to know is within our soul. This knowledge has been denied from us since the time of the Rebellion and compounded by the Default. That is what was brought upon us by the Lucifers and his cohorts. We have always been meant to live true to our soul based feelings but we were taught to embrace our error riddled mind – this was aided by our parents – unknowingly all parents have taught their children to be mind dominant. **This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

“Many people look for a person, spirit, angel, even God, for supreme guidance, however it’s all right there already built in – in our feelings. **Feelings** guide us through our **ascension of truth**. So they are really our Supreme Guides. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it’s there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: **Longing for the truth of our self, because: we are our feelings**. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.”

Kevin of the 1<sup>st</sup> Celestial Heaven 26 September 2017

(Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.)

It is through the assistance of the Spirits of Truth of the Avonal Pair, upon the completion of their Soul Healing, that we will be guided through our Feeling Healing process, and should we embrace our Mother and Father’s Divine Love, then our Soul Healing.

Then should we embrace Mary and Jesus as our Spiritual Teachers of Truth, their Spirits of Truth will lead us on the path through the Celestial Heavens where we will certainly meet up with our soulmate and join our soulgroup, which will eventually consist of twelve soulmate pairs. Then as a soulgroup, the Spirits of Truth of Mary and Jesus will lead us up through and out of Nebadon towards Paradise.

It is then our Mother and Father in Paradise who draw us to them and we will eventually meet our Heavenly Parents.

Meanwhile, while we live on Earth, we will have assistance and guidance previously denied to us throughout the era of the Rebellion and Default. Under the Contract controlling and managing the Rebellion and Default, the powers and capabilities of our Celestial Heaven spirit personalities, all three worlds of them, were heavily restricted and almost of no assistance to us at all. Further, Nature Spirits and our Angels were heavily denied contact with us physical people because of the Rebellion and Default, all of which is soon to change, so we can look directly to them for help concerning healing ourselves and understanding all aspects of nature.

As we embrace our Feeling Healing, Celestial spirits will and can greatly assist us. In fact, during the year of 2017 they have blocked all mind spirits from the Natural Love Mansion Worlds: 1, 2, 4 and 6 from interfering with us. Celestials have taken control of all facets of living and life on Earth. Celestials are those spirits who have completed their Feeling Healing and progressed through Divine Love Mansion Worlds 3, 5 and 7 and now live in the higher Celestial Heavens, 1, 2 and 3 (when we

become At One with our Heavenly Parents then we leave the Mansion Worlds and progress through the next three spheres related to Earth, hence the Celestial Heavens are also referred to as being numbered 8, 9 and 10).

The Nature Spirits of Earth, who live in the third Earth plane, can now directly interact with those who are embracing their Feeling Healing. Nature Spirits are essentially ‘angels in waiting’. They have been on Earth prior to anything that we now see living in nature. When they first started to arrive, there was no life in the seas or on land. They have consequently witnessed everything that has happened on Earth, including all prior human civilisations that we continue to largely remain ignorant of. Their knowledge and assistance is of great importance to us. We are to interact with them on an ever increasing scale. They are to become an invaluable source of information for us concerning how we are best to live with nature.

Further, we may become more aware of our **Indwelling Spirit**, which arrives for each of us during our sixth year, as we now progress with our Feeling Healing, or with Divine Love, our Soul Healing.

And all of this is possible as we embrace our Feeling Healing process, acknowledge and accept the Avonal pair, acknowledge and accept our Spiritual Teachers of Truth, namely Mary and Jesus, and more importantly, grow to love our Heavenly Parents, our true Mother and Father.

We do not need intermediaries, rituals, liturgy, dogmas, creeds, fancy clothing, or institutions. It is our soul based feelings and expressions that we may exchange directly with our Heavenly Parents. Groups may form to assist each other, and that is choice and within our free will.

This is the Great U-Turn that humanity will embrace throughout the next 1,000 years. MoC 1,480

**DIVINE LOVE:**

<http://www.fcdt.org/divinelove.htm>

The words "Divine Love" have been used in many contexts to convey different meanings. But in the context of our Heavenly Parents, Divine Love is the greatest gift in all the universe. It transcends all else that can assist humankind fulfil their dreams of happiness and have them resolved within themselves. God's Divine Love is the one thing in all of God's infinite universe that can bring about eternal life and everlasting happiness in the Celestial Kingdom.

***What is Divine Love?***

The Divine Love differs from the natural love of man with which he was endowed when created, which belongs to all humans, and which they all possess in a more or less perfect condition in this: that the Divine Love is that Love which belongs to or is a part of God, possessing Their Nature and composed of Their Substance, and which, when possessed by a human soul to a sufficient degree, makes him divine and of the nature of God.

***What is the New Birth?***

The New Birth is simply the effect of the flowing of this Divine Love of the Mother and Father into the soul of a man and the disappearing of everything that tends to sin and error. As the Divine Love takes possession of the soul, sin and error disappear. It, the soul, becomes of a quality like the Great Soul of the Mother and Father. And with the Soul of the Mother and Father being Divine and immortal in Its quality of Love, so, when the soul of man becomes possessed of this quality of Love, the soul being the man, this soul becomes divine also. Then, the image becomes the substance; the mortal becomes the immortal; and the soul of man, as to love and hope, becomes a part of the Mother and Father's Divinity.

### ***How does one receive the Divine Love?***

The only way is simply this: that men shall believe with all the sincerity of their minds and souls that this great Love of the Mother and Father is waiting to be bestowed upon each and all of them; and that when they come to the Father in faith and earnest aspirations, this Love will not be withholden from them. And, in addition to this belief, that they pray with all the earnestness and longings of their souls that the Mother and Father will open up their souls to the inflowing of this Love, and that then may come the Holy Spirit to them to bring this Love into their souls in such abundance that their souls may be transformed into the very Essence of the Mother and Father's Love. The soul who will thus believe and pray will never be disappointed, and the Way to the Kingdom will be his as certainly as that the sun shines by day upon the just and unjust alike.

### ***Take the test.***

Too often we are told to believe something based on what we are told. You don't have to "believe" anymore. Now you can have physical proof of the existence of God and His Love for you?

*"test my teachings that the Father's Love was now available, and pray for it to the Father in earnest prayer, and see whether, if this was done in sincerity, the Father's Love, conveyed through the Holy Spirit, would burn and glow in the soul, by which sign they would realize His Love was present therein." – Jesus*

Take it to heart – earnestly pray for God's Divine Love and feel the glowing of His Love in your soul. Jesus gave us the Prayer for Divine Love to help us in our prayers to the Father.

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

**God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.**

**Jesus and Mary are a son and daughter of God.**

**Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.**

**Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.**

**When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.**

**It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.**

**The Prayer for Divine Love**

2 Dec 1916

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

**P.438 Book of Truths through James Padgett / Jesus**

Let your prayer be as follows:

**Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.**

**That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.**

**We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.**

**Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.**

**Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.**

**Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.**

**We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.**

**We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.**

**Amen**

## **REVELATION 1**

The availability of Divine Love, should we so ask for it, being revelation 1:

God's Divine Love: Pray for it, ask for it, and receive it.

Whilst we are receiving our Heavenly Parent's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way the Father is actually loving us! When we progress, it is the Father's way of loving us into love and then we live what we are, love.

## **REVELATION 2**

The way to clear one's soul of childhood errors and injuries is revelation 2:

To liberate one's real self, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

*Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love. JD*

### **EXPERIENCING RECEIVING DIVINE LOVE:**

**Be still and quiet; reflect in silence. Love is present. Keep asking, longing, and never cease: this is your part. It is your cooperation actively engaged that brings the transformation and continues the process.**

**You cannot see it; sometimes you will experience it as simple quietness and calmness. This is as pure and real as any other experience, whether demonstrative joy through laughter and dance, or other expressions.**

**Divine Love is present; it is always present. It does not fade or disappear. Rest, relax and breathe. Pray and wait.**

**Maintain daily prayer and meditation. When you do this you are building a home for the dwelling of the Divine Love. Your continual invitations establish an attitude of welcome to the Divine Love. These build a bridge for the Divine Love to carry you to new and higher levels of change and transformation: places of new realms for your soul growth and development.**

#### **The Voice of Divine Love**

~~~~~

As the receiving of the Love is always assured when longed for and asked for, the experience of receiving may become apparent by the occurrence of a warming embrace in the region of the third eye chakra, or with some, around the heart chakra region. This may be very subtle and gentle for some and may be for a few moments or extend for some time. Many do not physically feel the Love embracing them and this is totally fine, nevertheless the Love is being received.

On a few occasions, one may feel the love through the third eye region and then feel it expand as if it were to become a warming buzzing 'hat band' progressively expanding around one's head. This can intensify and feel as though one's cranium is about to pop off! Should this continue to intensify, then the sensation may flow down one's main meridian to the base of one's spine. Now that is something else! Relax and enjoy the great gift for this can be an experience that may continue for a short while or for quite some time.

Always, when one longs for the Love, it will shower over one's body and be absorbed in through the spirit body chakras into one's soul. Occasionally the Love will overflow from one's soul and some will reside within one's spirit body. At no time will you be discomforted. This light golden blue energy substance is the ultimate high octane super fuel gifted to us by our Heavenly Parents to us all.

### The REAL YOU is the SOUL:

One's personality, natural intelligence, memory and human attributes all are soul based. The soul initiates conception so it can start expressing one of its two personalities in Creation. It creates the will, then 'wills' the spirit body and physical body and all that connects them with the will into being. Our soul constantly sustains or expresses us, one of its two personalities, in Creation. The spirit can't separate from the soul because the soul keeps it in existence. We need our spirit and physical bodies to experience our personality through. When the spirit body separates from the physical body, one continues on living in a different form without losing any of the attributes experienced during physical life. Incarnation is the process of individualisation of the soul.

Without a soul, our physical bodies would function and interact similarly to that of a domestic animal. An unsouled human body (thought not possible) would respond like a household puppy! Domestic animals calibrate on Dr David Hawkins' Map of Consciousness between 200 and 250, the human body calibrates at 200. All animals have spirit bodies, these do not survive into the spirit Mansion Worlds. Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

**Our first parents, Andon and Fonta (also called Aman and Amon), were the first to exhibit human perfection hunger some one million years ago. Adam and Eve, Adamite bestowals, arrived some thirty eight thousand years ago – or earlier.**

**Aman and Amon** were the first True Humans, which means, the first soul expressing its soulmate pair, its two personalities, in Creation – on Earth. From which came forth the rest of us. So they had a soul from the start, which separated them from their animal parents. It's the soul that wants to fully express itself through its two personalities perfectly in Creation, which is the so-called 'human perfection hunger'. It, our soul, wants to be Perfect like its Heavenly Parents, the Soul that Created it. We, focused as personalities, want to be perfect, like the Personalities of our Mother and Father that are Perfect. Our soul wants to be like Their Soul. Our soul wants to ascend us to Paradise so we can be with Them, as physically close to Them on a personality level that we can be, and then see what happens.

There were aunts and cousins, parents and grandparents. But they were not human like Aman and Amon – they were really animals, though of the same species. Aman and Amon wandered off from the family, since they could find no way of relating to them at all. How could they? They were incapable of rational thought, speech, or anything human. Aman and Amon knew that forevermore that they were apart.

Aman and Amon may have been twins. They were indeed a primate species of humanoids. But they, themselves were more beautiful than their animal relatives, and they knew, even from their very appearance, that they were marked even by Nature to be different.

To liberate one's real self, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

**Our salvation IS by embracing Feeling Healing with the Divine Love.**

**God's Divine Love: Pray for it, ask for it, and receive it.**

**Please Mother and Father, may I receive Your LOVE.**

**“Every day is a day of devotion.”**

**Follow your heart, follow your love and do that in loving action, your inner love leads in your asking the Soul of God to receive a little of the Love to strengthen one's resolve to heal.**

**“I love you Father.” “Let the Divine Love proclaim its energy into my soul.”**

**“Mother – Father, I desire your Love and I am loving you.”**

**“Soul God, I love you and I love receiving and experiencing your Divine Love.”**

**“True Soul God, I am here, I am aware of your Love. Please hear my aspiration for your Love and as I approach you from my soul, I can feel your Love in the way that you are loving my soul.”**

**Try it; give the Feeling Healing and Love a go! If you want to shine, receive the Love.**

**One can simply receive the Love without following any religious or spiritual teaching taught by man!**

**Emotional errors and injuries cause encrustment around the soul, the soul is never damaged however, the encrustments retard love energy flow to and from the soul. Feeling Healing melts such injuries.**

### **Three Great Truths:**

- **God is Soul, being our Heavenly Mother and Father;**
- **that each individual soul is a duplex – both male and female;**
- **and Feeling Healing with Divine Love is our pathway to Paradise.**

Subject: "When I Fuse with You."

**Spirit Within:** "When I fuse with you, then you and I shall have become a new being. That is the reason why you will then receive a new name. The result of that fusion is neither that your old being will be improved, nor that I will thereby be diminished. It will herald the emergence of the nature of a potential finaliter. It is the consummation of my mission to become a person with you, and of your climb in a process to become divine. Our fusion will be so complete, yes so utterly replete, that even when this new person will be scrutinized by the most capable of universe authorities, he will display only one personality.

"The new being we will become will embody both divinity and humanity, but that being will still be you also, since your history will not be lost by that new being. Only your nature will have become divine. Today, inhabiting you as a God-spark, quite apart, I represent the will of the Father. After fusion, I will have become the will of the Father in you. Following fusion, the new person will be able to, as we progress in our ascending career, and through progressive insights, draw from all my past knowledge and experience events right back to the moment of my fragmenting from the Creator Father. And so, you will have in you the potential to become greatly spiritized to the fringe status of an absonite being.

"Now, my child, you asked me if it is possible for me to fuse with you even in this life. Yes, it is! Some faith children of God have fused with their Adjusters in their human life, as you know. However, each particular fusion is a case of completion, as well as an opportunity. Your undertakings, which are intertwined with other people's endeavours, and certain fortuitous life events to come, which are practically beyond human control, determine fusion feasibility. If there is opportunity, and you allow me to guide you through the plan I have formulated for your spiritual progress, even in this life, fusion could occur here.

"However, in reality it is not so important that fusion happens in this life. Your early mansonia life is the much better environment to expedite and finalize our fusion than is this current life of yours. I am not rushing it, and neither should you. Just keep following my lead, and trust in the love of the Father all your days, and the right pieces will eventually fall into place. Do not worry, my child, I know what I am doing, and I am doing it to perfection, although your perception of what I do is not perfect. Rest assured, I will not fail you. Be sure, you too, do not fail me."

*Rest assured, I will not fault you; be sure you too, do not fault me*

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on them selves and doing their Healing.

**Feeling Bad? Bad feeling are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing****Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book****Release one's pain through expressing one's feelings.****in conjunction with****Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing.**

**Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing.**

**Primary and most important readings are the writings of James Moncrief.**

**Then consider the Padgett Messages, and then The Urantia Book.**

**DIVINE LOVE and DIVINE TRUTH Revelations and Teachings escalating:**

**Prayer for Divine Love: (extract)**

**“We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.”**

"Please, sir, I want some more."  
or may we consider saying:  
***“Please, Mother and Father, I want  
some *more*.”***

**LOVE and LIGHT:** The luminosity of a loving soul shines through the spirit body.
