PASCAS INTRODUCTION:

Documents assembled by Pascas are provided for your individual assessment and exploration. The contents are sourced from a variety of avenues and publications. Every endeavour is made to determine that the contents are of the highest level of truth and veracity. At all times we ask that you go within yourself, to ascertain for yourself, how the contents resonate with you.

Pascas provides these notes and observations to assist us all in the development and growth of our own pathways and consciousness. Pascas does not hold these contents as dogma. Pascas is about “looking within oneself”. Much of what we are observing is new to most readers and thus you will take on board that which resonates with you. Further, you may investigate those items of interest and discard those which do not feel appropriate to you.

Kinesiology muscle testing, was developed by Dr. David R. Hawkins and quantified by his Map of Consciousness (MoC) table. MoC has been used to ascertain the possible level of the truth of documents. Such tested calibration levels appear within the document. We ask that you consider testing same for yourself. The technique and process is outlined within Pascas documents, such as Pascas Care – Energy Level of Food. From each person’s perspective, results may vary somewhat. The calibration is offered as a guide only and another tool to assist in considering the possibilities. In contrast, consider using the MoC technique to test the level of truth in your local daily newspaper.

The contents herein are not to be interpreted as an independent guide to self-healing. The information researched here and any information provided in this document should not be considered in lieu of consultation with your own physician, doctor, or other health care professionals. Pascas, nor anyone associated with this document, does not assume any responsibility whatsoever for the results of any application or use of any process, technique, compound or potion as described within this document.

Sources for these contents are noted throughout the document. In doing so, we acknowledge the importance of these sources and encourage our readers to consider further acknowledgement of these sources as necessary. Should we have infringed upon a copyright pertaining to content, graphics and or pictures, we sincerely apologize. In such cases, we will endeavour to make the appropriate notations within the documents that we have assembled as a service via our not for profit arm, to our interested community.

We offer all contents in love and with the fullness of grace, which is intended to flow to readers who join us upon this fascinating journey throughout this incredible changing era we are all experiencing.

Living Feelings First, *John.*

“Never can one man do more for another man than by making it known of the availability of Feeling Healing process and Divine Love.” JD

The LOVE of our MOTHER and FATHER is AVAILABLE to those WHO ASK to RECEIVE IT:

Around the globe, throughout all cultures, are various annual days of family union, these days of great blessing and love being shared by all families. These are very special days of family embracement and sharing of love.

Such days are for the sharing of the awareness of the greatest gift in the universe, a gift that cannot be surpassed by any other. This gift is the gift of our Mother and Father's Love which is freely available and given to ALL who should ask for it. As we have free will, our free will is never imposed upon, however, when we use our free will to ask for our Mother and Father's Love, Their Love is freely conveyed to us by Their Spirit. It is this Love that brings about harmony and joy for all. With this Love we find our relationships within our families' blossom. This Love is the greatest gift that we can ever be aware of and with this Love, and only with this Love, will peace, harmony and love prevail amongst us.

May the blessings to all on such Days be that of the greatest gift in all the universe.

It is this boundary free Love of our Heavenly Parents, once embraced, that bridges all boundaries and raises man above and beyond the realms of conflict. As this love is further and continually embraced, life styles and prosperity emerge to levels never considered possible or achievable previously.

The gift of the Creator's Love was lost to humanity at the very start of man's existence, it was then reintroduced to us during the 1st century of this Common Era and progressively lost to the knowledge of man during the 2nd century and completely lost from all records at the time of Nicean Council in 325CE. It has been subsequently and progressively reintroduced to us over the past 100 years commencing with the Padgett Messages as recorded by James Padgett. The teachings of this Love, the Divine Love of our Mother and Father continue to be received even as of today.

It is with this Love that man can only resolve and avoid the conflicts that dominate our globe.

Man can readily embrace the Love within his way of life. Further, all faiths and spiritual practices can embrace the Love and grow in harmony with each other without exception, by sharing the awareness of the Feeling Healing process and the availability of this Divine Love so incredibly and freely available should we ask for it.

MUSLIM WAHHABISM / QUTBISM:

Extracts from Truth vs Falsehood by David R Hawkins
book published March 2005 – book overall calibrates at 935

Since its inception, Islam has been militant. Its first Jihad was started by Muhammad who, three years after he dictated the Koran when aged 35, dropped in consciousness calibration from level 700 to 135. This was apparently the consequence of temporal lobe epilepsy.

Early Islam was spread by the sword until it was stopped by Charles Martel of France and by its defeat at the battle of Granada in 1492. The second great Jihad was performed by the Ottoman Turks, which ended with defeat in Vienna in 1529.

The emergence of the Islamic sect of Wahhabis in Saudi Arabia marked the onset of the third and still ongoing Jihad as was exemplified by the Ayatollah Khomeini in Iran and bin Laden's Taliban. As a consequence of its anti-western stance, the Wahhabis took down the pro-Western Shah of Iran and Sadat in Egypt and attacked Hussein in Jordan, Mubarak in Egypt, and Musharraf in Pakistan. The overall plan is to infiltrate and take over governments in Egypt, Turkey, Pakistan, Indonesia, the United Arab Emirates, Sudan, Tunisia, Libya, Algeria, Morocco, Yemen, Syria, Lebanon, Jordan, Malaysia, and then, with Pakistan's nuclear capacity, take down Israel. In this process, the United States would also be attacked (world Trade Center, Twin Towers, plus others in planning stages). Growing Arabic populations would deter Europe from US alliances and lead to Arabic dominance in the United Nations.

It was against this background that the US strategy was to prevent militant Islamic-Arabic takeover of seventy-five percent of the world's oil supplies and its huge financial power base (L Abraham 2004), plus acquisition of nuclear materials by al-Qaeda, i.e., bin Laden, via Pakistani nuclear scientists, Russian sources, etc. (Berger, 2004). A Western power base in Iraq would split the Arabian continent in two and deter Arabic takeover and coalescence. Thus, Afghanistan and Iraq were strategic targets for multiple reasons to preclude a clash of civilizations of Islamic militancy with the Western world, which

could go on for centuries, as it has in the past. Only the United States had the power to prevent such an ongoing cataclysm, as the United Nations was ineffectual and its Security Council impaired by food-for-oil kickbacks of billions of dollars to various members siphoned off by bogus sales, etc. (“Food for Oil”, 19 Sep 04). Thus, with this overall world contextualization (which calibrates at 465), the war in Iraq would therefore appear to have been a long-term strategic move to preclude a far worse multinational and perhaps centuries-long series of progressively severe cataclysms (e.g., the triage decision of a pre-emptive strike).

The context of the Iraqi war was that of a spreading, violent, militant ideology inflamed by distortions of Islam that sanctify hatred and violence and justify terrorism and the killing of innocents by labelling them as infidels. This has become a Pan-Arabic disease, and specific violent events that captivate the media are only symptoms.

The malignant messianic leaders Osama bin Laden, Ayatollah Khomeini, Saddam Hussein, et al., are only the many heads of the hydra. The disease is also implanted in other countries across the world where surreptitious recruiting of radical converts is well orchestrated and funded. The disease hides under the camouflage of religion, and mosques in the United States are funded by militant Arabic groups as recruitment centres from which the ideology is spread via academic sympathisers that allow Jihad parades under the quasi-elitist banner of “fairness”, etc. The goal of Islamic terrorists is theocratic fascism (Newosh, 2004; Bridis; 2004).

Of considerable importance is the finding that Islamic converts include a dangerously high percentage of radicalised militant extremists amenable to terrorist indoctrination and training. The recruitment rates are:

United States	10%
Europe	15%
Arab Countries	35%

These figures denote the alignment of allegiance to the terrorist ideology, which defies all reason and sanctifies homicide, thereby bypassing all forms of restraint.

The radicalisation rates are even higher:

United States	10%
Europe	20%
Arab Countries	40%

Support of this trend by apologists (cal. 185), notably academics, rights activists, etc., would seem lacking in wisdom and discernment. The same trend in earlier decades turns out to be catastrophic (American Nazi Party, American Communist Party, white supremacists religious extremists, atomic energy scientists sharing secrets with former USSR, the resultant Cold War, etc).

The alternative option is to passively withdraw and capitulate to Islamic terrorism, which, with control of seventy-five percent of the world’s oil supply and its vast wealth, ensures success of access to Pakistan’s nuclear capacities by which Israel would be eliminated.

In the future, with Europe heavily infiltrated by Muslim immigrants and its protest silenced in the United Nations, the same process would infiltrate the Balkan States and eventually Russia, with its oil fields. Thus, the third Jihad is designed to eventually capture world dominance by the undermining of the West. All non-Islamics will then eventually be eliminated and Islamic power will rule the world, i.e., Islamic messianic triumphalism (cal. 50). (Abraham, op. cit.).

WAHHAB + QUTB

The source of current Islamic extremism is traceable to the violent teachings of Muhammad ibn Abdul Wahhab (cal. 20), later reinforced by the distortions of the Koran promulgated by Sayyid Qutb (cal. 20), which glorify violence and death and condemn not only ninety percent of Muslims as idolaters but also one hundred percent of all followers of other religions as well (Forsyth, 2004). Bin Laden's declaration of war against the United States was ignored, which was understandable with US intelligence operating at calibration level 190.

Muhammad ibn Abd al-Wahhab [al-Tamimi](#) (1703 C.E. – 1792 C.E.) ([Arabic: الوهاب عبد بن محمد التميمي](#)) was an Arab theologian born in the [Najd](#), in present-day [Saudi Arabia](#) and the most famous scholar of the movement within [Islam](#) known as the [Wahhabi](#) movement. He considered this movement an effort to purify [Islam](#) by returning all Muslims to what he believed were the original principles of Islam, as typified by the *as-salaf as-saliheen* (the earliest converts to Islam) and rejected what he regarded as corruptions introduced by [Bida](#) (innovation, reformation) and [Shirk \(idolatry\)](#). Specifically, during his time, he denounced various sects of [Sufism](#). He is considered by some to be a great reformer of Islam, while others regard him as the "**father of Islamic terrorism.**" Some consider his ideas irrational and unoriginal, merely reinterpreting discredited interpretations of the [Qu'ran](#) while advocating a society mirroring that of Arabia during the first century after the [Hijra](#). They argue that his teachings are little more than the primitive, intolerant views of a fanatic, running counter to the rich body of historical Islamic thought. Others believe he was an innovative and learned scholar whose revival of the [Hanbali](#) school of jurisprudence has served the *umma* at large. He has had a tremendous impact on modern Islam, particularly affecting Muslim attitudes toward non-Muslims. A number of leading figures in recent [Islamic terrorism](#) such as [Osama bin Laden](#), [Ayman Al-Zawahiri](#), and [Abu Musab Al-Zarqawi](#) have been influenced by his teachings.

Sayyid Qutb ([9 October 1906](#) in [Musha](#) – executed on [29 August 1966](#)) was an important theoretician of the [Egyptian Muslim Brotherhood](#).

Alternative spellings of his "first" and "last" names include *Syed*, *Koteb* (rather common), *Qutub*, etc.
Arabic: قطب سيد

He first received a religious education in 1920. He moved to [Cairo](#), where he received a Western education between 1929 and 1933, before starting his career as a teacher in the Ministry of Public Instruction. During his early career, Qutb devoted himself to literature as an author and critic, writing such novels as *Ashwak (Thorns)* and even elevating Egyptian novelist [Naguib Mahfouz](#) from obscurity. In 1939 he became a functionary in Egypt's Ministry of Education (*wizarat al-ma'arif*). From [1948](#) to [1950](#) he went to the [United States](#) on a scholarship to study the educational system, receiving a [master's degree](#) from the Colorado State College of Education (now the [University of Northern Colorado](#)). Qutb's first major theoretical work of religious social criticism, *Al-'adala al-Ijtima'iyya fi-l-Islam (Social Justice in Islam)*, was published in 1949, during his time overseas.

It is evident that Qutb was extremely offended by the [racism](#) he witnessed in the United States, as well as the openness between the sexes in American society (he was aghast at events such as the "sock hop," popular at the time). His experiences in the U.S. partly formed the impetus for his rejection of Western values and his move towards [radicalism](#) upon returning to Egypt. Resigning from the civil service, he became perhaps the most persuasive publicist of the Muslim Brotherhood. The school of thought he inspired has become known as [Qutbism](#).

The Muslim Brotherhood, and Qutb in particular, enjoyed a close relationship with the [Free Officers Movement](#) in the time leading up to and following the coup of June 1952. But their early cooperation soon soured over such issues as the Free Officers' refusal to hold elections, to ban alcohol, or to take a hard line against the British presence in Egypt.

After the attempted assassination of [Gamal Abdel Nasser](#) in 1954, the Egyptian government cracked down on the Muslim Brotherhood, imprisoning Qutb along with many others. While in prison, Qutb wrote his two most important works: a commentary of the [Qur'an *Fi zilal al-Qur'an*](#) (*In the Shade of the Quran*), and a manifesto of political Islam called [Ma'alim fi-l-Tariq](#) (*Milestones*).

All terrorist groups emanate from extreme egocentricity and narcissism and are a form of triumphalism that finds approval by mob agreement.

Unfortunately, savagery is an addictive potential; therefore, terrorists see peace as the enemy and cleverly subvert it as being well-documented and demonstrated by the life of now-deceased Arafat, who was the primary core of terrorism worldwide for decades.

“Freedom fighter” calibrates at 240, “terrorists” at 40-80. There is also the confusion or *res interna* (a mental notion) and confirmable external reality. Patrick Henry calibrates at 445 and bin Ladin at 40. The difference is in intention and context, just as the Patriot Act is integrous in times of war but not so during peacetime.

“Jihad” literally means “Holy War”.

Jihad is religiously sanctioned blood lust. The era of the dinosaur is not over but lives on, very much alive in today's headlines.

The religious precedent and justification for Islamic terrorism was unfortunately provided by Muhammad himself who, at the time of the writing of the Koran, calibrated in the 700s, but then, because of temporal lobe epilepsy, by age thirty eight, he had fallen to consciousness level 130, taken up the sword, and begun the killing of infidels, which has continued ever since. After the battle of Medina, one of the first groups that he killed was made up of Jews (the clan Qurayzah).

Unfortunately, the entire Middle East calibrates below 200, which has unpleasant connotations. It means that its travesties are unlikely to be terminated or to be responsive to reason or appeal to morality or ethics, much less political rhetoric (i.e., the behaviours are clinically “ego-syntonic”).

Politically, Islam is theocratic. The word “Islam” means surrender and submission.

The civilised world is ruled by reason (the 400s). The less evolved are ruled by emotionalised self-interest and need to learn that ethics, morality, concern for others, and integrity are paradoxically quite beneficial in that they bring prosperity and mutual gain. In Western civilised cultures, this is the wisdom that has been painstakingly gained after centuries of effort and self-discipline.

The resolution of the world's current cultural disparities will required the collective wisdom and intention of all who have, by virtues of good fortune and ethical intention, become more advanced, conscious, and aware. **It is therefore a teaching function.**

Spiritual hatred comes out of the spleen, which then triggers the release of animal-type behaviours. The promise to naïve, uneducated, impressionable young Islamic terrorists, that in death they will go to a heaven where “seventy virgins” will reward them is certainly inventive and seductive to young men, many of whom are barely teenagers. Actually, it is spiritual seduction and exploitation (calibrates as “true”) by power-seeking leaders.

Although early militant Islam lost influence after Kara Mustafa’s defeat in Vienna in 1683, the more serious decline began 300 years ago with the emergence of the Islamic cult of Wahhabism (cal. 30), initiated by its found Muhammad ibn Abdul Wahhab (cal. 20), out of which emerged HAMAS (cal. 40), founded by Sheik Ahmad Yassin (cal. 35), al-Qaeda (cal. 30), and the current Jihad (cal. 30) of bin Laden (cal. 40).

The severely extreme view replaces former Islamic tolerance for all “people of the book” (the sons of Abraham) with a blanket condemnation of all people on Earth (except its own followers), including ninety percent of Islamic members. All deserve death as “idolaters” (mushrikun). The impact on political leaders can be seen, for example, by the fall in consciousness level of Arafat from his prior level of 440 to his final level of 65.

It is important to note that the founder of HAMAS, Sheik Ahmad al-Hassin, calibrates at 35, Muhammad ibn Abdul Wahhab calibrates at an ominous 20, and the Jihad, Wahhabsim, and al-Qaeda all calibrate at 30 – 65. Islamic martyrdom calibrates at 60; religious fanaticism is at calibration level 80; desecrators of truth are at level 35, and malignant, messianic narcissism is at calibration level 30. These are also the calibration levels of serial murderers and killer-mutilators. Thus, as bizarre as it may seem to rational people, Wahhabism declares holy war against *all* mankind except for its own members, who were spawned out of its diverse current bases of the Arabic world.

Crucial to both Wahhab and Qutb’s serious misinterpretations of the Koran is the critical and disastrous misinterpretation of the word “sword”. (The same error has been made by some Christian sects over time.) In spiritual reality and language, “sword” means the Sword of Truth, not the physical sword, which result in a meaning that is completely diametrically opposed to the teachings of all the great avatars, saviours, and prophets. The barbarian world was already ruled by massacre of the innocent by the sword, so slaughter was hardly needful of encouragement by saviours and prophets of Allah. Truth, mercy, and forgiveness are the pathways to God. Padoxically, each verse of the Koran starts with the statement “in the name of Allah, the All Merciful”. The way to God is through the heart of love, not the spleen of hatred.

The major thrust of this work (Wahhab and Qutb) is that it defined suicidal terrorism as a virtue, radicalised Islamic fundamentalism, and supported its spread through the Arab world in a united Pan-Arabism that seeks to establish a world theocracy. Osama bin Laden and al-Qaeda are dominated by the ego inflation of messianic triumphalism based on the ideologies of Qutb, which extol the virtues of martyrdom and demonise Christianity as heretical and therefore virtuous to destroy. He also romanticises sacrificial death and urges young followers to actually seek it. Thus, his influence has been not only divisive but has also cast a shadow over all of Islam. It is this influence that surfaced as 9/11,

the Iraqi war, the killing of civilians, bomb explosions and attacks worldwide, and changed the lifestyles in all countries. Far worse events are planned and already in preparation.

The fascist right-wing politicalisation of Islam is reflected in the power-dominant religio-political leaders of recent times, such as Ayatollah Khomeini (cal. 75) and now Shi'ite Grand Ayatollah Ali Husseini Sistani (cal. 125), who, when coupled with Osama bin Laden (cal. 40), the Taliban (cal. 65), and al-Qaeda (cal. 65), may be problematic to the Western World.

The dark ages of Christianity lasted hundreds of years, during which an estimated fifty to eighty thousand "heretics" were put to death by the Inquisition. (Some estimates are in the millions.) Hopefully the dark ages of Islam will pass more quickly. Perhaps such eras serve karmic or evolutionary purpose.

NOTES on the CHRISTIAN BIBLE

Old Testament	190
Book of Revelation	70

The construction of the bible was the result of a long process that proceeded over several centuries. Within the first few centuries AD, there were well over one hundred manuscripts by numerous authors, each purporting to be valid descriptions and interpretations of the teaching of Jesus Christ. These presented a dilemma over which scholars discoursed and put forth their best efforts. As a result, there was a sequence of a collection of writings that had periodic revisions. Many manuscripts were set aside, such as The Book of Enoch. Later some, such as The Apocrypha, were included by some groups but not others.

Of obvious practical value is the application of the calibration of the levels of consciousness, especially to the differences between the calibration levels of an avatar, a saint, or a sage and their alleged scriptures or canonised holy books. If there is a wide discrepancy between the teachers and the available teachings, this is indicative of error, meaning that much was lost in translation, in transmission, or in misinterpretation. This can be observed most strikingly in dissimilar quotations of Christ's words on the cross between the King James and the Lamsa versions of the Bible, i.e., it makes a world of difference whether Jesus said, "Father, why has thou forsaken me." (King James Version) versus "My father, thou has not forsaken me. From this I have been spared" (Lamsa Translation). Upon reflection, the incongruence of the first quotation is indicated by the fact that an incarnated, fully Enlightened Master who is united with the Oneness of Divinity would unlikely feel deserted by the very source of that Realisation within.

Highly interesting data and important information are provided in the brilliantly clear exposition in the first few pages of the Introduction in the Lamsa Bible, which is a translation from the original Aramaic Peshitta manuscripts that were taken to Constantinople and that constitute the foundation of the scripture of the Eastern Orthodox Church. In the Lamsa Bible's Introduction, comparison is made to the King James Version, which came from the Greek (and calibrates lower).

If all of the Books that calibrate below the credible level of truth at 200 are removed from either the King James or Lams versions of the Bible, the overall calibration level increases markedly. This is even more pronounced if the Old Testament, with the exception of Genesis, Psalms, and Proverbs, is removed, along with the Book of Revelation in the New Testament.

It would take detailed historical analysis to “explain why” erroneous writings were inadvertently included in canonised scriptures, but the obvious explanation is that the overall level of consciousness of the cultures of Biblical times was at 90 to 100, and the great teachers were long dead and unavailable for guidance. Also, there was no means to accurately accessing levels of truth or determining the qualifications of experts.

To recapitulate, the Old Testament calibrates overall at 190, with the exception of Genesis (660), Psalms (650), and Proverbs (350). The Lamsa Bible (from the Aramaic) calibrates twenty points higher than the King James Version (from the Greek).

Although the Books of the Old Testament (with the exception of Psalms, Proverbs, and Genesis) calibrate below 200, many individual verses do calibrate quite high:

Calibration of Verses of the Old Testament

60% calibrate over 200
 50% calibrate over 300
 50% also calibrate over 400
 30% calibrate at 500 or over
 20% calibrate at 600 or over
 10% calibrate at 700 or over
 2% calibrate at 800
 10 verses calibrate at 1,000

In the New Testament, the Book of Revelation (cal. 70) by John (cal. 70) is starkly discordant. Its origin (as described previously) is from the lower astral realms into which many visionaries have been enticed over the centuries. The depictions are that of a particular lower astral level (cal. 70) and therefore not of some level of actual truth, which would thereby calibrate at least over 200. Followers of the Book of Revelation often go into fearful proselytising about the coming “end times” and form reclusive survival groups, complete with bunkers, food storage, etc. Unfortunately, because of their prior reputation or persuasiveness, such leaders impact vulnerable followers. In extreme cases, this fearfulness has led to group suicides or paranoid delusional systems. It is important to know that such visions of lower astral origin are recurrent and described similarly in different generations, right up to the present times, with earthquakes, floods, California’s falling into the ocean, and pillaging hordes. This does not originate from heavenly realms, which calibrate at high levels, but just from a specific lower astral location (cal. 70). All visitors to that realm in astral states of consciousness report experiencing its life-like pseudo-reality.

From research, it is concluded that the highest version of the Bible is the Lams translation, with the deletion of the Book of Revelation from the New Testament, plus deletion of the Old Testament with the exception of Genesis, Psalms, and Proverbs. The overall effect is to raise the calibration of the level of truth of the Bible from 475 to 880, which then puts it on the level represented by great mystics of history.

It is important to recognise that Jesus Christ did not write the New Testament, but instead, it was written by followers who, by word of mouth over many generations, repeated what they thought Christ said or meant. As any spiritual teacher knows from experience, there can be a wide disparity between what was actually said and what a listener thought they heard. When one considers the historical process over the centuries by which the Books of the Bible finally became assembled, it is truly impressive that it calibrates as high as it does. This does lend credence that Divine inspiration was available to the scholars involved in its final versions.

NOTES on the KORAN

The social impact of misinterpretations of the Koran has previously noted. Like the Old Testament, the Koran also includes errors that have serious consequences to mankind. Aside from its references to “the sword”, as discussed previously, there are many verses that are incongruous with “Allah the All Merciful”. These verses recurrently speak of “beholding infidels” and condemn slaughtering non-believers. The Koran calibrates overall at 700.

Calibration of the Verses of the Koran

30% calibrate below 200

25% calibrate below 150

14% calibrate below 100

If the verses below 200 are removed, then the Koran calibrates at 940. Inasmuch as “religious homicide” calibrates at 30, it would seem that contamination by falsity is the worst enemy of genuine, pure spirituality (calibrates as “true”).

CONSCIOUSNESS vs LIFE EXPECTANCY:

“What nations of the Earth today vibrate to those things that they have and are creating in their own land, their own environment? Look to the nations where the span of life has been extended from sixty to eighty years.

“What is the spirit of a free nation? Most individuals proudly boast “freedom”. Freedom of what? Those nations who have taken those vows that man shall be free should also take those vows “He shall know the truth and the truth then shall make him free”.

The Map of Freedom reflects the findings of Freedom in the World 2014, which rates the level of political rights and civil liberties in 195 countries and 14 related and disputed territories during 2013. Based on these ratings, countries are divided into three categories: Free, Partly Free, and Not Free.

A Free country is one where there is broad scope for open political competition, a climate of respect for civil liberties, significant independent civic life, and independent media. Partly Free countries are characterised by some restrictions on political rights and civil liberties, often in a context of corruption, weak rule of law, ethnic strife, or civil war. A Not Free country is one where basic political rights are absent, and basic civil liberties are widely and systematically denied.

Subject: FW: A Germans View on the silence...

<http://www.truthorfiction.com/rumors/t/Tanay-Merek-German-Islam.htm#.VHfPO8kxhRR>

An interesting take on The Silent Majority, powerfully argued

This is an opinion piece that appeared on the [blog](#) of Paul Marek, on February 21 2006:

Please take a moment of your time and read this article.

A German's View on Islam – worth reading. This is by far the best explanation of the Muslim terrorist situation I have ever read. His references to past history are accurate and clear. Not long, easy to understand, and well worth the read. The author of this email is Dr. Emanuel Tanya, a well-known and well-respected psychiatrist.

A man, whose family was German aristocracy prior to World War II, owned a number of large industries and estates. When asked how many German people were true Nazis, the answer he gave can guide our attitude toward fanaticism.

'Very few people were true Nazis,' he said, 'but many enjoyed the return of German pride, and many more were too busy to care. I was one of those who just thought the Nazis were a bunch of fools. So, the majority just sat back and let it all happen. Then, before we knew it, they owned us, and we had lost control, and the end of the world had come.'

'My family lost everything. I ended up in a concentration camp and the Allies destroyed my factories.'

'We are told again and again by 'experts' and 'talking heads' that Islam is a religion of peace and that the vast majority of Muslims just want to live in peace. Although this unqualified assertion may be true, it is entirely irrelevant. It is meaningless fluff meant to make us feel better, and meant to somehow diminish the spectre of fanatics rampaging across the globe in the name of Islam.'

'The fact is that the fanatics rule Islam at this moment in history. It is the fanatics who march. It is the fanatics who wage any one of 50 shooting wars worldwide. It is the fanatics who systematically slaughter Christian or tribal groups throughout Africa and are gradually taking over the entire continent in an Islamic wave. It is the fanatics who bomb, behead, murder, or honour-kill. It is the fanatics who take over mosque after mosque. It is the fanatics who zealously spread the stoning and hanging of rape victims and homosexuals. It is the fanatics who teach their young to kill and to become suicide bombers.'

'The hard, quantifiable fact is that the peaceful majority, the 'silent majority,' is cowed and extraneous. Communist Russia was comprised of Russians who just wanted to live in peace, yet the Russian Communists were responsible for the murder of about 20 million people. The peaceful majority were irrelevant. China's huge population was peaceful as well, but Chinese Communists managed to kill a staggering 70 million people.'

'The average Japanese individual prior to World War II was not a warmongering sadist. Yet, Japan murdered and slaughtered its way across South East Asia in an orgy of killing that

included the systematic murder of 12 million Chinese civilians; most killed by sword, shovel, and bayonet. And who can forget Rwanda, which collapsed into butchery? Could it not be said that the majority of Rwandans were 'peace loving'?

'History lessons are often incredibly simple and blunt, yet for all our powers of reason, we often miss the most basic and uncomplicated of points: peace-loving Muslims have been made irrelevant by their silence. Peace-loving Muslims will become our enemy if they don't speak up, because like my friend from Germany, they will awaken one day and find that the fanatics own them, and the end of their world will have begun.'

'Peace-loving Germans, Japanese, Chinese, Russians, Rwandans, Serbs, Afghans, Iraqis, Palestinians, Somalis, Nigerians, Algerians, and many others have died because the peaceful majority did not speak up until it was too late.'

'Now Islamic prayers have been introduced in Toronto and other public schools in Ontario, and, yes, in Ottawa, too, while the Lord's Prayer was removed (due to being so offensive?). The Islamic way may be peaceful for the time being in our country until the fanatics move in.'

'In Australia, and indeed in many countries around the world, many of the most commonly consumed food items have the halal emblem on them. Just look at the back of some of the most popular chocolate bars, and at other food items in your local supermarket. Food on aircraft have the halal emblem just to appease the privileged minority who are now rapidly expanding within the nation's shores.'

'In the U.K, the Muslim communities refuse to integrate and there are now dozens of "no-go" zones within major cities across the country that the police force dare not intrude upon. Sharia law prevails there, because the Muslim community in those areas refuses to acknowledge British law.'

'As for us who watch it all unfold, we must pay attention to the only group that counts – the fanatics who threaten our way of life.'

Lastly, anyone who doubts that the issue is serious and just deletes this email without sending it on, is contributing to the passiveness that allows the problems to expand.

Extend yourself a bit and send this on. Let us hope that thousands world-wide read this, think about it, and send it on before it's too late, and we are silenced because we were silent!!!

The Barbarians Within Our Gates

See Footnote:

Arab civilization has collapsed. It won't recover in my lifetime.

Politico Magazine September 18, 2014

By Hisham Melhem – Washington bureau chief of Al-Arabiya, the Dubai-based satellite channel

With his decision to use force against the violent extremists of the Islamic State, President Obama is doing more than to knowingly enter a quagmire. He is doing more than play with the fates of two half-broken countries—Iraq and Syria—whose societies were gutted long before the Americans appeared on the horizon. Obama is stepping once again—and with understandably great reluctance—into the chaos of an entire civilization that has broken down.

Arab civilization, such as we knew it, is all but gone. The Arab world today is more violent, unstable, fragmented and driven by extremism—the extremism of the rulers and those in opposition—than at any time since the collapse of the Ottoman Empire a century ago. Every hope of modern Arab history has been betrayed. The promise of political empowerment, the return of politics, the restoration of human dignity heralded by the season of Arab uprisings in their early heydays—all has given way to civil wars, ethnic, sectarian and regional divisions and the reassertion of absolutism, both in its military and atavistic forms. With the dubious exception of the antiquated monarchies and emirates of the Gulf—which for the moment are holding out against the tide of chaos—and possibly Tunisia, there is no recognizable legitimacy left in the Arab world.

Is it any surprise that, like the vermin that take over a ruined city, the heirs to this self-destroyed civilization should be the nihilistic thugs of the Islamic State? And that there is no one else who can clean up the vast mess we Arabs have made of our world but the Americans and Western countries?

No one paradigm or one theory can explain what went wrong in the Arab world in the last century. There is no obvious set of reasons for the colossal failures of all the ideologies and political movements that swept the Arab region: Arab nationalism, in its Baathist and Nasserite forms; various Islamist movements; Arab socialism; the rentier state and rapacious monopolies, leaving in their wake a string of broken societies. No one theory can explain the marginalization of Egypt, once the centre of political and cultural gravity in the Arab East, and its brief and tumultuous experimentation with peaceful political change before it reverted back to military rule.

Nor is the notion of “ancient sectarian hatreds” adequate to explain the frightening reality that along a front stretching from Basra at the mouth of the Persian Gulf to Beirut on the Mediterranean there exists an almost continuous bloodletting between Sunni and Shia—the public manifestation of an epic geopolitical battle for power and control pitting Iran, the Shia powerhouse, against Saudi Arabia, the Sunni powerhouse, and their proxies.

There is no one single overarching explanation for that tapestry of horrors in Syria and Iraq, where in the last five years more than a quarter of a million people perished, where famed cities like Aleppo, Homs and Mosul were visited by the modern terror of Assad’s chemical weapons and the brutal violence of the Islamic State. How could Syria tear itself apart and become—like Spain in the 1930s—the arena for Arabs and Muslims to re-fight their old civil wars? The war waged by the Syrian regime against civilians in opposition areas combined the use of Scud missiles, anti-personnel barrel bombs as well as medieval tactics against towns and neighbourhoods such as siege and starvation. For the first time since the First World War, Syrians were dying of malnutrition and hunger.

Iraq’s story in the last few decades is a chronicle of a death foretold. The slow death began with Saddam Hussein’s fateful decision to invade Iran in September 1980. Iraqis have been living in purgatory ever since with each war giving birth to another. In the midst of this suspended chaos, the U.S. invasion in 2003 was merely a catalyst that allowed the violent chaos to resume in full force.

The polarizations in Syria and Iraq—political, sectarian and ethnic—are so deep that it is difficult to see how these once-important countries could be restored as unitary states. In Libya, Muammar al-Qaddafi’s 42-year reign of terror rendered the country politically desolate and fractured its already tenuous unity. The armed factions that inherited the exhausted country have set it on the course of breaking up—again, unsurprisingly—along tribal and regional fissures. Yemen has all the ingredients of a failed state: political, sectarian, tribal, north-south divisions, against the background of economic deterioration and a depleted water table that could turn it into the first country in the world to run out of drinking water.

Bahrain is maintaining a brittle status quo by the force of arms of its larger neighbours, mainly Saudi Arabia. Lebanon, dominated by Hezbollah, arguably the most powerful non-state actor in the world—before the rise of the Islamic State—could be dragged fully to the maelstrom of Syria’s multiple civil wars by the Assad regime, Iran and its proxy Hezbollah as well as the Islamic State.

A by-product of the depredation of the national security state and resurgent Islamism has been the slow death of the cosmopolitanism that distinguished great Middle Eastern cities like Alexandria, Beirut, Cairo and Damascus. Alexandria was once a centre of learning and multicultural delights (by night, Mark Twain wrote in *Innocents Abroad*, “it was a sort of reminiscence of Paris”). Today Alexandria is a hotbed of political Islam, now that the once

large Greek-Egyptian community has fled along with the other non-Arab and non-Muslim communities. Beirut, once the most liberal city in the Levant, is struggling to maintain a modicum of openness and tolerance while being pushed by Hezbollah to become a Tehran on the Med. Over the last few decades, Islamists across the region have encouraged—and pressured—women to wear veils, men to show signs of religiosity, and subtly and not-so-subtly intimidated non-conformist intellectuals and artists. Egypt today is bereft of good universities and research centres, while publishing unreadable newspapers peddling xenophobia and hyper-nationalism. Cairo no longer produces the kind of daring and creative cinema that pioneers like the critically acclaimed director Youssef Chahine made for more than 60 years. Egyptian society today cannot tolerate a literary and intellectual figure like Taha Hussein, who towered over Arab intellectual life from the 1920s until his death in 1973, because of his scepticism about Islam. Egyptian society cannot reconcile itself today to the great diva Asmahan (1917-1944) singing to her lover that “my soul, my heart, and my body are in your hand.” In the Egypt of today, a chanteuse like Asmahan would be hounded and banished from the country.

The jihadists of the Islamic State, in other words, did not emerge from nowhere. They climbed out of a rotting, empty hulk—what was left of a broken-down civilization. They are a gruesome manifestation of a deeper malady afflicting Arab political culture, which was stagnant, repressive and patriarchal after the decades of authoritarian rule that led to the disastrous defeat in the 1967 war with Israel. That defeat sounded the death knell of Arab nationalism and the resurgence of political Islam, which projected itself as the alternative to the more secular ideologies that had dominated the Arab republics since the Second World War. If Arab decline was the problem, then “Islam is the solution,” the Islamists said—and they believed it.

At their core, both political currents—Arab nationalism and Islamism—are driven by atavistic impulses (reversion to earlier type) and a regressive outlook on life that is grounded in a mostly mythologized past. Many Islamists, including Egypt’s Muslim Brotherhood (the wellspring of such groups)—whether they say it explicitly or hint at it—are still on a ceaseless quest to resurrect the old Ottoman Caliphate. Still more radical types—the Salafists—yearn for a return to the puritanical days of Prophet Muhammad and his companions. For most Islamists, democracy means only majoritarian rule, and the rule of sharia law, which codifies gender inequality and discrimination against non-Muslims.

And let’s face the grim truth: There is no evidence whatever that Islam in its various political forms is compatible with modern democracy. From Afghanistan under the Taliban to Pakistan and Saudi Arabia, and from Iran to Sudan, there is no Islamist entity that can be said to be democratic, just or a practitioner of good governance. The short rule of the Muslim Brotherhood in Egypt under the presidency of Mohamed Morsi was no exception. The

Brotherhood tried to monopolize power, hound and intimidate the opposition and was driving the country toward a dangerous impasse before a violent military coup ended the brief experimentation with Islamist rule.

Like the Islamists, the Arab nationalists—particularly the Baathists—were also fixated on a “renaissance” of past Arab greatness, which had once flourished in the famed cities of Damascus, Baghdad, Cairo and Córdoba in Al-Andalus, now Spain. These nationalists believed that Arab language and culture (and to a lesser extent Islam) were enough to unite disparate entities with different levels of social, political and cultural development. They were in denial that they lived in a far more diverse world. Those minorities that resisted the primacy of Arab identity were discriminated against, denied citizenship and basic rights, and in the case of the Kurds in Iraq were subjected to massive repression and killings of genocidal proportion. Under the guise of Arab nationalism the modern Arab despot (Saddam, Qaddafi, the Assads) emerged. But these men lived in splendid solitude, detached from their own people. The repression and intimidation of the societies they ruled over were painfully summarized by the gifted Syrian poet Muhammad al-Maghout: “I enter the bathroom with my identity papers in my hand.”

The dictators, always unpopular, opened the door to the Islamists’ rise when they proved just as incompetent as the monarchs they had replaced. That, again, came in 1967 after the crushing defeat of Nasserite Egypt and Baathist Syria at the hands of Israel. From that moment on Arab politics began to be animated by various Islamist parties and movements. The dictators, in their desperation to hold onto their waning power, only became more brutal in the 1980s and '90s. But the Islamists kept coming back in new and various shapes and stripes, only to be crushed again ever more ferociously.

The year 1979 was a watershed moment for political Islam. An Islamic revolution exploded in Iran, provoked in part by decades of Western support for the corrupt shah. The Soviet Union invaded Afghanistan and a group of bloody zealots occupied the Grand Mosque in Mecca for two weeks. After these cataclysmic events political Islam became more atavistic in its Sunni manifestations and more belligerent in its Shia manifestations. Saudi Arabia, in order to reassert its fundamentalist “wahhabi” ethos, became stricter in its application of Islamic law, and increased its financial aid to ultraconservative Islamists and their schools throughout the world. The Islamization of the war in Afghanistan against Soviet occupation—a project organized and financed by the United States, Saudi Arabia, Egypt and Pakistan—triggered a tectonic change in the political map of South Asia and the Middle East. The Afghan war was the baptism of fire for terrorist outfits like the Egyptian Islamic Group and al Qaeda, the progenitors of the Islamic State.

This decades-long struggle for legitimacy between the dictators and the Islamists meant that when the Arab Spring uprisings began in early 2011, there were no other political alternatives. You had only the Scylla of the national security state and the Charybdis of political Islam. The

secularists and liberals, while playing the leading role in the early phase of the Egyptian uprisings, were marginalized later by the Islamists who, because of their political experience as an old movement, won parliamentary and presidential elections. In a region shorn of real political life it was difficult for the admittedly divided and not very experienced liberals and secularists to form viable political parties.

So no one should be surprised that the Islamists and the remnants of the national security state have dominated Egypt since the fall of Hosni Mubarak. In the end, the uprising removed the tip of the political pyramid—Mubarak and some of his cronies—but the rest of the repressive structure, what the Egyptians refer to as the “deep state” (the army, security apparatus, the judiciary, state media and vested economic interests), remained intact. After the failed experiment of Muslim Brotherhood rule, a bloody coup in 2013 completed the circle and brought Egypt back under the control of a retired general.

In today’s Iraq, too, the failure of a would-be authoritarian—recently departed Prime Minister Nuri al-Maliki—has contributed to the rise of the Islamists. The Islamic State is exploiting the alienated Arab Sunni minority, which feels marginalized and disenfranchised in an Iraq dominated by the Shia for the first time in its history and significantly influenced by Iran.

Almost every Muslim era, including the enlightened ones, has been challenged by groups that espouse a virulent brand of austere, puritanical and absolutist Islam. They have different names, but are driven by the same fanatical, atavistic impulses. The great city of Córdoba, one of the most advanced cities in Medieval Europe, was sacked and plundered by such a group (Al Mourabitoun) in 1013, destroying its magnificent palaces and its famed library. In the 1920s the Ikhwan Movement in Arabia (no relation to the Egyptian movement) was so fanatical that the founder of Saudi Arabia, King Abdul-Aziz Al Saud, who collaborated with them initially, had to crush them later on. In contemporary times, these groups include the Taliban, al Qaeda and the Islamic State.

Yes, it is misleading to lump—as some do—all Islamist groups together, even though all are conservative in varying degrees. As terrorist organizations, al Qaeda and Islamic State are different from the Muslim Brotherhood, a conservative movement that renounced violence years ago, although it did dabble with violence in the past.

Nonetheless, most of these groups do belong to the same family tree—and all of them stem from the Arabs’ civilizational ills. The Islamic State, like al Qaeda, is the tumorous creation of an ailing Arab body politic. Its roots run deep in the badlands of a tormented Arab world that seems to be slouching aimlessly through the darkness. It took the Arabs decades and generations to reach this nadir. It will take us a long time to recover—it certainly won’t happen in my lifetime. My generation of Arabs was told by both the Arab nationalists and the Islamists that we should man the proverbial ramparts to defend the “Arab World” against the numerous barbarians (imperialists, Zionists, Soviets) massing at the gates. Little did we know

that the barbarians were already inside the gates, that they spoke our language and were already very well entrenched in the city.

Marcus Tullius Cicero, the great Roman philosopher, orator and statesman (106-43 BC), who eloquently wrote:

"A nation can survive its fools, and even the ambitious, but it cannot survive treason from within.

An enemy at the gates is less formidable, for he is known, and he carries his banners openly.

But the traitor moves among those within the gate freely, his sly whispers rustling through all the alleys, heard in the very halls of government itself.

For the traitor appears no traitor, he speaks in accents familiar to his victims, and he wears their face and their garments and he appeals to the baseness that lies deep in the hearts of all men.

He rots the soul of a nation; he works secretly and unknown in the night to undermine the pillars of the city; he infects the body politic so that it can no longer resist.

A murderer is less to be feared."

These two bullets were found after the Battle of Gallipoli which started in 1915 and ended in 1916 during WWI. The allies consisted of British, French, Australia and New Zealand against a fierce Turkish Army. In the end, the allied side lost 46,000 troops while the Turkish lost 65,000, with the Allies retreating from the battle.

The First Atomic Bomb – The Gadget was the first atomic bomb ever made and was tested at Trinity Site, New Mexico, near Alamogordo on July 16th, 1945.

These two photos are a representation of the universal gross insanity of humanity!

What makes America America? What distinguishes this country from the nations of the world--or from world history, for that matter? Even casual historians must admit that there has never been a country like the United States of America ever to exist. This nation is unique to world history. There has never been a country like this--and probably will never be one like it again.

As hard as it is for the anti-God types to admit, America has a deeply-rooted Christian history and culture. However, when one says, "America is a Christian country," (usually spoken by a Christian, of course), he or she may mean something that NEVER existed. So, let's set the record straight: America was never founded as a theocracy (government by God directly through a priestly class). And even though there are some well-meaning, albeit naïve, Christian people today who pretend that America once had, and should have again, a theocratic-type government and society, the fact is, America was NEVER a theocracy.

The only theocracy in the history of the world was Old Testament Israel under Moses. After the death of Moses, God expected Israel to be governed by the principles established through Moses. Even the reign of Israel's greatest king, King David, could not be classified as a theocracy. He, too, was expected to adhere to the tenets and principles of Moses. Only through Moses did God directly govern the people. And even within the government of Israel, God established the roots of what became known as republican (small "r") government. But I will save that discussion for a later day.

So, if by "Christian nation" people mean that America was established as some sort of theocracy, they are gravely mistaken. It is also unfortunate that some well-meaning (at least, I think they are well-meaning) Christian people give the unchurched world the impression that they are trying to create some sort of theocracy in America today. Some even go so far as to teach that we don't need a Constitution or State and municipal laws--and any such laws are themselves evil. This is an asinine philosophy, to say the least.

I, for one, would never want a so-called theocracy administered by the likes of the vast majority of Christian teachers and pastors today. Are you kidding? Most of them can't even govern a small congregation of believers who are ostensibly assembled under the same ideology, same eschatology, same ecclesiology, etc. Have you been to a church business meeting lately? You really want those people dictating national laws? God forbid!

No! There is no Moses on the scene today with new revelation dictating God's will for the nation. That being said, there is no mistaking the fact that America has a deeply-rooted, rich Christian tradition.

America's founders, even those who were not professing Christians, as we understand the term today, acknowledged that fact.

Benjamin Franklin wrote a pamphlet called, "Information to Those Who Would Remove to America." It was intended to be a guide for Europeans who were thinking about relocating to this country. In it, he said, "Hence, bad examples to youth are more rare in America, which must be comfortable consideration to parents. To this may be truly added, that serious religion, under its various denominations, is not only tolerated, but respected and practiced."

Franklin continued, “Atheism is unknown there; infidelity rare and secret; so that persons may live to a great age in that country without having their piety shocked by meeting with either an Atheist or an Infidel.”

Franklin went on: “And the Divine Being seems to have manifested his approbation of the mutual forbearance and kindness with which the different sects [Christian denominations] treat each other; by the remarkable prosperity with which he has been pleased to favour the whole country.”

Noah Webster (himself an outspoken Christian, of course), said, “The religion which has introduced civil liberty is the religion of Christ and His apostles, which enjoins humility, piety, and benevolence; which acknowledges in every person a brother, or a sister, and a citizen with equal rights. This is genuine Christianity, and to this we owe our free Constitutions of Government.”

Webster also said, “When you become entitled to exercise the right of voting for public officers, let it be impressed on your mind that God commands you to choose for rulers just men who will rule in the fear of God. The preservation of a republican government depends on the faithful discharge of this duty.”

Notice, Webster did not say we should vote for “Christians.” He said we should vote for “just men who will rule in the fear of God.” That is the correct model set forth in both Natural and Revealed Law. Today, most Christians have never been taught this rudimentary truism.

Daniel Webster noted the following: “Finally, let us not forget the religious character of our origin. Our fathers were brought hither by their high veneration for the Christian religion. They journeyed by its light, and laboured in its hope. They sought to incorporate its principles with the elements of their society, and to diffuse its influence through all their institutions, civil, political, or literary.”

There is the correct understanding of America as a “Christian” nation. America’s founders never thought they were creating a theocracy, but they did have a “high veneration” for the Christian faith and “sought to incorporate its principles” into American government.

The principles of the Christian faith include both Natural and Revealed Law. The Declaration of Independence and Bill of Rights, especially, clearly illustrate the founder’s understanding and appreciation for these principles.

The Declaration begins, “When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the Earth, the separate and equal station to which THE LAWS OF NATURE AND OF NATURE’S GOD [emphasis added] entitle them, a decent respect to the opinions of mankind requires that they should declare the cause which impel them to the separation.

“We hold these truths to be SELF-EVIDENT [emphasis added], that all men are CREATED [emphasis added] equal, that they are endowed BY THEIR CREATOR [emphasis added] with certain unalienable Rights, that among these are Life, Liberty, and the pursuit of Happiness.”

As Thomas Jefferson quickly penned the Declaration (and he did write it rather quickly), he was borrowing heavily from John Locke and the commonly understood principles of Natural Law. Though the founders were dissimilar in regards to their understanding of Biblical teaching, to a man, they understood and agreed with the “self-evident” principles of Natural Law, or “the Laws of Nature.”

Furthermore, virtually every “right” enumerated in the Bill of Rights can be traced directly to commonly understood principles contained in Natural and Revealed Law. That fact is unassailable.

In addition to our common Christian heritage, America was united with a common language, along with a common culture and history. The loss of our Christian heritage, our common language, along with our common culture and history would certainly transform America into something other than America.

Unfortunately, however, there are those who share our common faith and history who are also contributing mightily to the destruction of America. I am talking about those who would identify themselves as Christians and/or conservatives. Of course, to hear these people talk, America’s problems are all caused by “liberals,” or Democrats. They would also single out drug-dealers (except they always seem to leave out certain politicians who are the true drug lords in America), pornographers, Hollywood entertainers (not all of whom are immoral reprobates, of course), and similar sorts, as being the cause of America’s destruction.

There is absolutely no question that a national breakdown of morality is seriously problematic to the survival of a free republic. No doubt about it! My only contention on this point is that the groups mentioned above are not the true problem; they are only symptomatic of the true problem. The real problem is the CHURCH. A soft, uncommitted, carnal, materialistic, lazy, self-righteous church is the root cause of ALL of America’s problems, including the ones mentioned above.

Too many of today’s churches are thoroughly consumed with self-righteousness and self-centeredness. They either try to mimic the world and by doing so become just like the world, or they think themselves better than the world and by doing so become worse than the world.

Phariseeism is a major problem today. Have you ever noticed that you seldom, if ever, hear a message about Christ and the Pharisees? Why is that? It’s because a study of the subject will reveal that too many church leaders are nothing more than modern-day Pharisees in practice. It’s a lesson that hits uncomfortably close to home.

Okay. Let me toot my own horn here. I have a DVD with three messages on the subject, “Christ And The Pharisees” available. And, seriously, when is the last time you ever heard the subject mentioned from anybody’s pulpit? I submit that one CANNOT possibly understand the ministry and teachings of Christ if one does not understand the contentious contest that took place between Christ and the Pharisees. If you would like to purchase this three-message series on ONE DVD, go here:

[Christ And The Pharisees DVD](#)

The spirit of Phariseeism is so prevalent among the Church today that is no wonder why so many unbelievers refuse to darken the doors of a church. Many of today’s Christians are as enslaved to the traditions and doctrines of men as any slave anywhere. How in the name of common sense can one expect Christians to fight for the political liberties of our country when they, themselves, are enslaved to the machinations of modern-day Pharisees?

Some of the most enslaved people on the planet are professing Christians. Many of our churches, Christian schools, colleges, seminaries, etc. are filled with the “servants of men.” The fact that our public education system fails to teach children to think critically is only matched by too many of today’s churches and Christian schools.

Not only do so many Christians have a slave mentality; they also have a war mentality. Who are the ones who are the first and loudest cheerleaders for perpetual wars of aggression in the Middle East? Christians and conservatives! But why should that surprise us? Look at our churches. What do you see? Perpetual war: infighting, gossip, slander, backbiting, name-calling, character assassination, etc. Some of the most mean-spirited, low-down, dishonest, conniving, and blood-thirsty people on the planet call themselves Christians. Believe me, if they could get away with it, there is no telling how many people in our country would be losing their heads at the hands of these pious-talking Christians. Hatred and bitterness is nothing more than murder of the heart; and millions of professing Christians are as guilty as can be.

Speaking of losing one's head, the anti-Muslim bias and hysteria being evidenced in most churches today is absolutely alarming! In the mistaken notion that somehow it is God's will that the American army be used as some sort of holy crusade against Islamic states, Christians are spearheading a perpetual war doctrine that has become the bane of freedom within our own country.

In the name of fighting a "war on terror," America is being turned into a giant Police State--and Christians seem to be among its most ardent supporters. But Washington, D.C., is not fighting a "war on terror," it is fighting a "war on liberty." Our Bill of Rights is being decimated! We are living under an Orwellian surveillance society, the likes of which Hitler and Stalin could have only dreamed about. And, again, Christians and conservatives are among the loudest proponents.

Now that the GOP (Republican National Committee) has control of both houses of Congress in Washington, D.C., and with a pro-war Democrat in the White House, we can expect an escalation of foreign wars during the next two years analogous to those of the G.W. Bush years. And, unfortunately, most of the Christian war fever seems to be predicated on the erroneous John Hagee theology that modern-Israel is Bible-Israel and, somehow, it is America's responsibility to fight all of Israel's wars.

The war fever demonstrated by too many Christians and conservatives is destroying our country. Endless wars abroad; hundreds of thousands of innocents killed--many of whom are our Christian brothers and sisters; trillions of dollars of deficit spending to fund these perpetual, unconstitutional wars of aggression; a burgeoning Police State at home under the rubric of "we are at war"; ad infinitum.

Worse still is the way Christian war fever has turned the nations of the world, not only against America, but against Christianity. How are our missionaries supposed to take the message of the Prince of Peace to a people whom we have just bombed into the Stone Age, killing their parents, children, brothers and sisters, etc.?

Since 1980, the United States has invaded, occupied, or bombed fourteen Islamic countries. Fourteen! But the pro-war politicians in Washington, D.C. keep telling the American people the reason that Muslims hate us is because of our freedom. What a crock! Some of us can remember when some of the best friends this country had were Islamic states in the Middle East. A meddling, intrusive, arrogant, war spirit in Washington, D.C., has turned people who were once friendly to the United States into some of our most fierce adversaries. And all Christians and conservatives can do is demand more and more war.

See this report:

[How Many Muslim Countries Has The U.S. Bombed Or Occupied Since 1980?](#)

And, as it appears right now, the only major prospective presidential candidate on the scene from either major party who is not marching in lock step with the war machine is Rand Paul. And you can bet that the military industrial complex, along with the military religious complex, will try to crucify Rand in the same way they crucified his dad, Ron Paul.

The assault against the United States is massive. We are fast losing our Christian heritage and culture--and Christians are as much to blame as anyone. They have tried to turn the Lord's Church into a playground or entertainment centre--or even worse, a corporation. Phariseeism is rampant. As a result, unbelievers have lost all respect for churches in general. I, for one, don't blame them.

We have lost our understanding of, and appreciation for, Natural Law. Even most pastors cannot articulate the fundamental principles of Natural Law, even though this is the Law upon which America was founded. This means, we have lost the true meaning of America's Declaration of Independence and Bill of Rights.

We cheer as our country has turned into a "Warfare State." We applaud as our nation has turned into an Orwellian surveillance society. We are losing our common language, our common history and heritage, and our common faith. Christianity in 2014-15 is not even comparable to Christianity in 1775-76. We have traded Jonas Clark for Joel Osteen.

Yes, the very people who claim to love America the most and who claim to be interested in her blessing and prosperity are too often the very ones who are helping to destroy her.

LOVE of the MOTHER and FATHER:

We mainly commence our journey of discovering our relationship with our Heavenly Parents, God, through the intermediary relationship of one of many religions and the even more numerous religious institutions. Frequently we have given our power and rights to an intermediary to intercede on our behalf. Our Mother and Father seeks to commune directly with us.

As we progress in our development and growth of love for our Mother and Father, our Creator and Source Soul, then we find a relationship and personal love for and with Them. This developing personal dependence on our Parents can and is supported by our religion teachers as well as by our never tiring spirit guides. Asking for, praying for and receiving the Parent's Love, Their Divine Love, which is always available for us, is the ultimate blessing that can only come about by the development of our own personal relationship with our Heavenly Parents.

As our soul develops and expands with the infusion of the Love, our relationship and love of Mother and Father develops into the beautiful joy and blessings that is there for us all. Our personal relationship and dependence becomes all embracing erasing our childhood developed intellectually based self dependence.

With the Parent's Love, and one's Feeling Healing, comes an ever growing loving life experience that is beyond words and expectations. The Love of the Parent's, with Feeling Healing, is the only gift that brings about forgiveness of our errors and fits us to enter the higher spheres well above those based on self reliance and natural love, the only love that we are blessed with at conception.

Revelation 23: Jesus explains the eleventh commandment.

June 16, 1955

<https://new-birth.net/samuels-messages/53-revelations/revelation-23-jesus-explains-the-eleventh-commandment-ntr58/>

“Love one another as I have loved you.”

As it is reported in the New Testament: "If ye love me, you will keep my commandments." "This is my commandment, that ye love one another even as I have loved you." And this statement meant that, as the Messiah, I was giving a commandment which was to be placed with, and above, the Ten Commandments of Moses; and this commandment was the Law of God's Love.

I told my disciples that they were to love one another, not merely that they were to love only themselves, but all mankind, for "one another" was a term which meant not for the circle of the disciples, alone, but for all people; and this love was to include human beings who despitefully used them, and they were to love their enemies as well as their friends.

THE DILEMMA ?

The major religions have not recognised the teachings gifted to all of us commencing 31 May 1914 and ongoing. Their congregations are not aware of the greatest gift in the universe being available for them to receive. Creeds, doctrine and dogmas govern rather than the Truths of Divine Love.

Traditional religious institutions persist in 'hiding their heads in the sand' by intellectualising ancient traditions and teachings that contain errors and assumptions causing a continuance in ways that are arduous and have limited benefits towards enabling man to perfect himself, rather than achieving a growth that is exponential and unlimited through the embracement of the great gift of our Heavenly Parents' Divine Love energy. Admittedly, it is a most difficult and traumatic experience to step away and progress above such long held beliefs that have been dedicated to, however, the harm resulting from withholding the knowledge will have to be compensated for. We may ignore, then deny, then defer; holding the doors closed for the great majority of the world's population without providing them with the pathway and option of receiving Mother and Father's Love. However, the Divine Love is so inclusive that everyone, with all their beliefs, can begin receiving this Love and what then gradually happens is that any erroneous belief dissolves with one's gradual acceptance of their soul life.

Ignore → Deny → Defer
or Embrace and share the Knowing!

WE ARE SO HAPPY TO KNOW THAT PEOPLE OF ALL RELIGIONS & FAITHS CAN DIRECTLY ASK OUR HEAVENLY PARENTS FOR THEIR DIVINE LOVE AND RECEIVE IT.

BRIDGE

Divine Love is the bridge between all faiths and religions.

As man, from all walks of life, progressively becomes aware of our Parents' Divine Love and embraces it into his/her life, then disharmony, conflict and war will be put aside throughout all of humanity. This is the one and only gift that brings all peoples of the world together in peace and harmony – Divine Love.

WILL this WORLD ever KNOW?

When introduced to the teachings from the Mary and Jesus, the closing of the vault door is the loudest response to be heard.

As one becomes aware of the loving and freeing guidance that has been conveyed and published, commencing 31 May 1914 and the second Revelation completing in 2014, one becomes acutely aware that the teachings are being ignored by the hierarchy of religious institutions of the world. The pattern of ignore, then deny, then defer prevails.

GLOBAL ACCEPTANCE of the LOVE:

When all aspects of the community become aware of the Feeling Healing process with Divine Love and embrace them, then humanity will evolve to a level that will bring about harmony universally:

DIVINE LOVE TEACHINGS are MULTI-FAITH and for ALL FAITHS:

The beautiful gift of the Mother and Father's Love, the Divine Love, is available to all, no matter what one's soul condition maybe or what one's beliefs are. The Love is given to everyone who longs for the gift and asks for it. There are no boundaries or conditions other than the necessity to ask for the Love. The great gift is filtered through one's spirit body into the soul by the instrument known as the Holy Spirit. This light golden blue energy substance blends with one's natural love and progressively assists in the peeling off of negative emotional issues and erroneous beliefs through one's Feeling Healing process, bringing about great happiness and fitting the personality to enter the Celestial Heavens.

Inheriting Sin.

I am here, Jesus.

You have come upon what seems like a contradiction, and I would like to address it. On the one hand, you have learned that we inherit sins from our ancestors, but on the other hand, you also believe that infants are innocent.

The answer is that inheritance is potential. If a child is given the right nurture and support, it will resist this negativity. Also, a lot depends on the free-will choices of the child itself. But a good inheritance can help a person, and a bad inheritance can harm that person.

In the final analysis, everything depends on the choices that are made, and no matter how much darkness is potentially inherited, it can be easily overcome through will power and a good heart. Early childhood abuse triggers those inherited tendencies of darkness, but good, loving, and accepting parents encourage and strengthen the child in the right way.

The ability to resist evil and temptation is within everybody's grasp, so if the opportunity is not taken, the individual has only himself or herself to blame. And even if there is a fall, there is always the option of repentance and an attempt to make restitution, which also involves choices.

That means that whatever character we possess is the result of these choices, and this defined character determines our immediate fate in the spirit world after death has found us.

Master of the Celestial Heavens

Note: The above message would have been conveyed by a Celestial Spirit on behalf of Jesus.

Note: Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

BIOLOGICAL RACE and HUMAN DIVERSITY:

Heritable race seems as obvious as the colour of one's skin and the texture of their hair. A troublesome inheritance is often considered to be related to genes, race and human history.

Individuals commonly look upon themselves as being the physical body. Thus they polarise their existence upon their family culture and history. At the same time they tend to look at outsiders who may be distinctly different in colour, appearance, religious embracement and culture as being unacceptable.

We are not our physical body. And we are not of the nature and personality that our biological parents are. We each are a unique and beautiful soul connected to one's spirit body that is the template of the physical body that comes about by the commingling of the life forces of the body's physical parents. We are attracted to the newly forming embryo. Each and every one of us could have been drawn to be individualised into any family on the planet. We are individuals who commence our self awareness at the time of conception of the physical body of a baby as it commences its short life.

By being attracted to a specific race, culture and that family's religion does not make us any different to anyone else, other than the view we take on board for our physical life's journey. Think of how you would like to be treated. Then treat all other people the same way. Progress in love by developing loving kindness toward one's self, then to a good friend, then to a neutral person, then to a difficult person, and finally toward the entire universe of life!

From the moment of conception / incarnation we absorb the emotions of those within our environment, mostly those of our parents. By the time we are around seven years of age we will most likely reflect the emotional structure / soul condition of one or the other parent. Thus, generation after generation remain within the same soul condition envelope. Our gene structure reflects one's emotional and soul condition. Should we grow in love then genes will adjust to reflect this evolutionary development.

When the environment is one of anger, fear, apathy or such like, then the blaming on of outside circumstances is resorted to. Thus, generation after generation may blame outside circumstances and others for their unsatisfactory life predicaments, when it is of their own making.

Like Father – Like Son

Like Mother – Like Daughter

As individuals within family environments step away from the norms of the family and develop their love of self and the love for others then a shift away from generational patterns is achievable. This can be on significant scales, such as when whole communities embrace love and move into higher levels of soul condition. This can see positive major shifts in the social environment within communities. Educational systems may find students performing better, health systems may have less taxing demands on services, and policing services may have less call on their workforce. All in all, the prosperity of the community grows.

The greatest joy within observing such a development is that old grievances that have been handed down from generation to generation can and are put aside and more constructive agendas then dominate discussion.

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

I'D TURN BACK IF I WERE YOU!

The Natural love spirit Mansion Worlds as to how they have been for all these hundreds of thousands of years and as they are set up currently, are to help spirits advance to the fullest of their self-denial that they can. That is, so as to become as evil as they can. And all under the guise of being 'loving'.

It's why they are called the mind worlds, namely Mansion World / spheres 1, 2, 4 and 6. That is because the spirits are using their minds to complete their rebellion – denial of self and feelings, and rejection of our Heavenly Parents as well their Creator Son and Daughter. So yes, the top of Mansion World sphere 6, spirits are the most evil, the most in rebellion, the most in default, the most wrong and unloving and untrue, even though, they appear, because they've trained their mind to do so, to be the most loving, but it's all false and contrived – such as the Eastern gurus. Total mind over feelings, blocking all the bad ones and using your mind to only make you feel good.

Typical of those on their way up in the mind worlds are not open to anything, they do not want to know about feeling bad and going with their bad feelings looking for their truth, because that scares them, that's not nice, that doesn't make one feel good, it threatens their control, they reject that preferring to stay in their nice safe space. Which is how it is for these Natural love mind spirits using their minds to control their feelings.

We've all got to take responsibility for our evilness even though we were made to be that way and rebel by default, but there is no getting away from it, and it has to be compensated right to the last farthing, which is what being in the hell planes is all about, and which keeps being applied right the way through the Mansion Worlds. **In the mind worlds you can continue to use that inner pressure requiring compensation for your bad deeds, to further contrive love and pretend you are all holy and loving and not hurting anyone anymore, which on the surface of it you are not, but underneath still are, all the way up through to the sixth world; or, you can allow it to keep working on you right the way up through the Divine Love Mansion Worlds doing your Healing.**

And apparently what's going to happen is the Natural love mind Mansion Worlds are going to be divided, so within them, there will be spirits doing their Feeling Healing – without the Divine Love, and still limited to the sixth Mansion World, but looking to be true and end their rebellion. And then there will be those still carrying on denying themselves as they have always done. So you will have spirits in the Feeling Healing Natural love sectors that will truly perfect their Natural love; and those spirits still in the mind sectors perfecting their wrongness. The opposites or extremes living side by side. And then you'll still have the Divine Love Healing Mansion Worlds, being spheres 3, 5, and 7, doing their Soul Healing.

And as for a summation: "Divine Love Mansion World / sphere 3 is the waking up to the truth that one is not loving, also their being a lot of assistance. Sphere 5 is then about going right into the depths of feeling how unloved you feel and seeing how unloving you are and how that makes you feel, also this a time when one can then progress and manage their own progress through their Feeling Healing. Sphere 7 is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, this is a time of great realisation and comprehension with much of the prior experiences starting to be drawn together."

Mansion World 3: is for waking up to the truth that you're not loving and starting to get in touch with your pain, starting to accept your bad feelings, starting to work with them instead of rejecting them.

Mansion World 5: is then about going right into the depths of them, feeling how unloved you feel and seeing how unloving you are and how that makes you feel, bringing out the majority of your pain, your misery, fear, anger, guilt, hatred, boredom, terror, rejection, nothingness, feeling powerless, alone and abandoned, and so on.

Mansion World 7: is then about still working with the deepest and residual bad feelings, whilst looking to sort out how you wrongly relate to yourself and others, nature and God because of being unloving, understanding how your relationships are unloving, how you don't connect properly, how unloving you really are and why and fully accepting the truth of it, coming completely to grips with your parents not loving you as you needed to be loved – sorting it all out, including your self and feeling expression difficulties.

It is agreed that the lower worlds are about waking up to what's involved, however from then on it depends on how it's all structured for the individual in their negative state as to how much ongoing assistance they might need. Some need help all the way along, whereas others have been able to work with their feelings, themselves, right from the beginning.

And yes, each of the Divine Love healing Mansion Worlds, 3, 5 and 7, are equally painful to work through, just focusing on different aspects of yourself and your Feeling Healing with Divine Love. And then in the higher planes of the 7th world comes the transition, where one's pain starts to end, and you start feeling so much better about yourself, you are fully accepting of your negative unloving state, you are fully unloving although even starting to become more loving – truly loving, of yourself, God, and then other people.

Then onto the Celestial Heavens by progressing into Sphere 8 and then onwards further, all the way home to Paradise.

Maybe something like 6 billion people have recognised that our Mother and Father's Divine Love, together with embracing one's Feeling Healing, that with these two aspects, have progressed through the Mansion Worlds to the Celestial Heavens and onwards.

More than 200 billion personalities have embraced their mind and self reliance through the misguidance of 'New Age' styled ideologies and the many thousands of different religious platforms, all of which take the person further and further away from our Heavenly Parents.

The 1st and 2nd Spirit Mind Mansion Worlds / spheres are jammed to the rafters.

For a million years, humanity has gone in the wrong direction with its self-denial of self and feeling!

FEELINGS FIRST For Kids

WOMEN are OUR SPIRITUAL LEADERS!

To PARADISE, the HOME of OUR HEAVENLY PARENTS

The Way Home

We men generally CAN'T do our Healing by ourselves, we need the help of a woman and / or women.

Women ARE the true spiritual leaders, they ARE able to live true to their feelings, and need to be recognised as such, appreciated for being so amazing in that capacity, and so supported and put first, something the man finds hard to do because of all his rebellious programming about being the superior dominant one.

If we men want to ever Heal ourselves of our wrongness, well we are going to have to fully honour women, we are going to have to ASK THEM FOR HELP. Women innately know the Way of their Feelings, whereas we men don't. Men spirits in the Divine Love Healing mansion worlds (3, 5, 7), all do receive help from fellow Healing women spirits or from higher Celestials (Sphere of Love 1, 2, 3). They all do, all of them. Not one man has done his Healing as Marion or Samantha are doing theirs. James Moncrief 20 Aug 17

The religions of today were created as a means of stopping Jesus' truth about longing for the Divine Love and what that does to the soul, and then any truth Mary Magdalene might have said about looking to our feelings for their truth, so as to keep the Rebellion in place. The religions pre-Jesus were designed by the Higher Evil Spirits who were controlling humanity to keep that control, focusing everything on the mind being in control rather than feelings, and then post-Jesus, they added more of the same yet with the added emphasis of using all he said, so taking it, corrupting it, and adapting it to their cause.

And then throw in their contrived Islam, and you have more male domination and the subjugation of feelings – of the woman.

Helen 20 Aug 17

The 1st and 2nd Mind Mansion natural love Worlds are jammed to the rafters with spirit personalities. Those who progress to the 4th and 6th Mind Mansion Worlds are progressing further away from God, continuing with the Way of the Mind!

WE EDURE FOUR LAYERS of PERSONALITY SUPPRESSION!

Unknowingly, our parents pass onto their children (us) their beliefs and way of living that has evolved since the Rebellion of some 200,000 years ago and then the Default of some 38,000 years ago. In this way, humanity is suppressing the female, rejecting our Spiritual Parents, namely Jesus and Mary, and denying our Heavenly Parents being our true Mother and Father, of their truth, standing and existence.

The Rebellion is against love, the Default is all the difficulties we have in our relationships because of our rebellion. Healing the Default is becoming true, to ourselves and in our relationships, and ending our unlovingness – our rejection of love, so ending the Rebellion. Nanna Beth 29 June 2017

We are souls, our personality is an expression of our soul. It is our free expression of our soul through our feelings that we are to embrace and follow. This expression may appear to be wilful in nature, from time to time, and consequently our parents attempt to suppress this expression. They proceed to remodel us when as young children, in the manner their parents treated them and so on for many generations going back.

During our forming years, as a child, we are unable to recognise the suppression of our personality as being extra-ordinarily harmful to our soul based personality and, accordingly, we don't know that things can be any other way. Presently, neither do our parents.

This childhood suppression way of living continues throughout our schooling years, thus we learn this is a way of life as being normal.

Our religions all have been formed based on the tenets of the Rebellion and Default. The teachers and leaders throughout all denominations take us further away from our suppressed feelings that have been hammered into us during our forming years, thus entrenching us further into rejecting our true selves.

The controlling and suppression mechanisms of our parents, educators and spiritual teachers all manifest throughout all of commerce. This control comes heavily and brutally down upon all levels of employment. The capability to express one's soul based attributes and gifts is sealed throughout all of one's working life.

A new way of living is to enable the liberation of one's true personality through the Feeling Healing process AND the transfer of authority to the individual via embracing freedom of expression.

DEVOLUTION

Our childhood suppression of our true and loving soul based feelings is creating global pain and personal isolation amongst all of humanity. We are very sick!

In our struggle to find solace and purpose, we further withdraw into ourselves, becoming ever more self dependent, believing our control addicted mind that it can solve everything. We just drown further.

We embrace an ever expanding and diverse range of pathways to escape from our personal pain, fear and desperation. Alcohol has now been complimented with narcotics, hallucinogens, including caffeine (coffee). Gambling has been complemented with computer games which are generally entraining the mind further into error and pain. Technology is making us sicker!

We bury ourselves in front of the television to further avoid contact with anyone, especially family.

Children endeavour to exert their independent authority from domineering controlling parents (which we all are eventually) by disfiguring their bodies with tattoos and piercings, etc.

We shut out the noise with headphones, thus preventing contact with others. We use electronic devices to 'text' others even at intimate engagements.

Technology will take us further into the depths of our madness. You now can buy headsets that prevent any contact with the outside world while playing mind suppressing and entraining entertainment – games!

No one loves their children, they are ignored, and the controls hammered into them turn them into clones of ourselves. Look at ourselves and we can all see that we have been all messed up by our own parents, as they have for generations over the past 200,000 years.

No more of this! We can escape this man made hell!

EVOLUTION

STEP 1: Longing for and receiving Divine Love:

A. Soul within spirit body prior to receiving Divine Love.

B. Divine Love being received from the Holy Spirit, covering the spirit body of requesting personality.

C. Divine Love having been assimilated within one's soul, now being reflected through the radiance of the spirit body.

STEP 2: FEELING HEALING + SOUL HEALING

It is the Divine Love that strengthens one's resolve to persevere with embracing one's suppressed emotional injuries, that occurred from conception through to around the age of six, and longing to know the good and the bad of those feelings, together with talking about them to a friend, partner, one's self and our Heavenly Parents. It is only with the receipt of the Mother and Father's Divine Love and the expressing of suppressed emotional injuries that one can release the emotional injuries and errors to achieve Celestial soul condition and enter the Celestial Heavens.

Further, should one complete their Feeling Healing on Earth, then they will be able to recognise their soul partner, their other soul half, and should their soulmate have also embraced Feeling Healing with Divine Love, then their children will be born free from error, free from fear, and free from any deformity and illness. This is the destiny of humanity.

Further, being in this condition of free from error and being in constant communication with our Heavenly Parents, then one can also recognise and form their Soul Group. This will ultimately consist of twelve soulmate pairs, a total of twenty four personalities / individuals.

It is the bringing up of children by the support of soul groups that is to be the ultimate way forward. The group experience and wisdom, as a functioning family, will ultimately be of profound benefit for the blossoming child.

But what we cannot do is contrive the groups ourselves, or even pick who our soulmate is. This will only, and can only happen, as an outworking of the truth we are to live – as we progress in the healing of our soul.

And this is how all of life should be lived: according to the truth we are living. It is how we live, as there is no other way, but currently we live it in the negative, of that being directed by no truth, and so having to make it all up ourselves.

REVELATION 1
James Padgett

1914 – 1923

James Padgett bravely introduced the availability of the Mother and Father's Divine Love and a great deal of additional guidance and information, all of which has been supplemented by Samuels, Judas, Reid and Arnold. All writers were under restrictions of personality and circumstances. Revelation 1 opened the door for humanity.

Quantum Jump 2

REVELATION 2
Marion and James
Moncrief

2002
– ongoing

Marion and James Moncrief have recognised the need for one to engage in Feeling Healing and, by their actions, removed restrictions that James Padgett and others above endured, thus JM is able to critique the writings of the past 100 years resolving points of confusion as well as expand on what has been written. Revelation 2 is humanity's turning point.

Due to the extra-ordinary nature of Revelations 1 and 2, humanity with the first Revelation would have continued on into its negative pathway of living, however, combining the first Revelation with Revelation two, now humanity can embrace this turning point and commence its evolutionary growth that has required two thousand years to put in place. This is the greatest event in the history of humanity and very few are aware of such, until we enable others to become aware.

The NEW WAY of LIFE:

Now for the first time in history, Celestials can be more assertive in making known the availability of Divine Love, and that the only way to progress towards our Heavenly Parents is by engaging in doing one's Feeling Healing.

The Celestials have all but stopped the mind spirits from negatively influencing people on Earth, and the biggest area this is in, is in the religions. So the religions on Earth and all the spiritual systems of the mind, are under pressure in that they are no longer enjoying the input from the mind worlds that they have had. And how this translates into ordinary everyday life, is more in the unseen connection between those in religions on Earth and those of the same religion in spirit, is fading away.

Then at the same time, we, the Celestials, are being allowed to move more freely amongst everyone, both in the mind worlds and with you on Earth. Which means, we can confront and have more of a say in peoples and spirits lives, something that was forbidden the Celestials of the 'old guard'. They were not allowed to interfere at all, having to wait patiently for spirits (as there was rarely anyone on Earth) to show interest in an alternative way to God, which enabled the Celestials to slowly introduce the notion of the Divine Love and then that of doing one's Healing. But it took a long time for mind spirits to show any real interest and being willing enough to give up the power their mind had over them, wanting to seek a higher life.

Celestials can now, following the progress achieved by Marion and James Moncrief, approach and be more freely expressive to spirits on all levels, and also to people on Earth, should they want their help.

Further, those who reject and suppress their children will progressively grow in awareness of their own unloving natures. One will not be able to continue to avoid their feelings of wrongness.

Golden Rule: that one must always honour another's will as one honours one's own.

Thus the three aspects: one, of having more readily available guidance to become aware of the availability of Divine Love; two, the way to become fully expressive of one's soul based personality through the process of Feeling Healing; and thirdly, the quickening of the Law of Compensation through one's greater sensitivity to one's emotional errors and injuries. By having greater personal connection with a Celestial, we are able to move into longing for the Divine Love, and look to healing ourselves and grow in truth, and start to seriously consider embracing one's ascent to Paradise.

REVELATION 1

The availability of Divine Love, should we so ask for it, being revelation 1:

God's Divine Love: Pray for it, ask for it, and receive it.

Whilst we are receiving our Heavenly Parent's Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way the Father is actually loving us! When we progress, it is the Father's way of loving us into love and then we live what we are, love.

REVELATION 2

The way to clear one's soul of childhood errors and injuries is revelation 2:

To liberate one's real self, one's will, being one's soul, is begun by embracing Feeling Healing, so as to clear emotional injuries and errors. With the Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

FEELING HEALING + SOUL HEALING

To heal one's self is to simply look to see what feelings we are refusing to let ourself feel, and accept them instead of denying them. And to fully accept them, one needs to express them, speak about them, let them have their say, rather than pushing them aside, refusing to let them make you feel bad.

Doing this all with the intention of seeking the truth of why you are feeling them, of speaking about and expressing all such feelings; all feelings you have, but ALL WITH the INTENTION of UNCOVERING the TRUTH THEY WANT YOU TO SEE ABOUT YOURSELF. And it's the wanting to see the truth of them that is very important, because if you just look to accept them and speak and express them, but not seek their truth, then that's all you'll be doing, speaking and expressing them, but not healing their causes, so not fixing the things within you that are making you feel bad. And it's the truth part of it, seeking the truth of your feelings, and so, seeking the truth through your feelings, that's vitally important. It's the truth of yourself, life, nature and God, that is the spiritual aspect to it all.

You CAN'T find the truth of yourself, or anything else, through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

So to do our Soul-Healing consists of these steps, all of which are ongoing until it's done:

- **Admit you are feeling bad.**
- **Accept your bad feelings, identify what they are.**
- **Honour fully your bad feelings by expressing them, speaking about them to someone who is willing to hear you talk about them, or tell them out loud to our Heavenly Parents. Long for the truth of them. Long for the truth of why you feel bad – what deep within you is causing your bad feelings?**
- **And remember, bad feelings are Good! Not bad. They are not to be despised. And as hard as it is to accept them, they are still you, and a very real part of you. And if you persist in denying them and not allowing yourself to fully live them, then you are only going to keep yourself in your errors making things harder for yourself.**
- **All sickness and suffering, all bad things that happen to you, all your problems, all your addictions – your whole feeling-denying and untrue life, is all caused by your denial of bad feelings.**
- **Every problem in the world is brought about because everyone has been brought up to deny feelings, and in particular, most of their bad ones.**

If one is intent on spiritually evolving and growing in truth, then it's vital, and this is the key, that one looks to use one's feelings as the means to gain and have access to the truth of oneself. You CAN'T find the truth of yourself or anything else through and with only your mind. You HAVE to engage and look to your feelings. And so if you choose to allow your feelings to 'Show You the Way', then the truth will come as you express them.

Doing your Soul-Healing with the Divine Love, is really doing your 'Feeling-Healing'. We are designed — created — to be self-revealing of truth, and so we are all to uncover the truth within ourselves and for ourselves, and all being done by living true to our feelings. **If you accept, express and seek the truth of your feelings, then truth will come to you, and you'll grow spiritually. It's as easy as that. Also it is as easy as it is to long for, ask for and receive Divine Love.**

THE HEALING OF YOUR BAD FEELINGS THROUGH THEIR ACCEPTANCE
AND FINDING THE TRUTH OF THEM, IS THE ACCEPTANCE OF YOUR
NEGATIVE, REBELLIOUS, EVIL, IMPERFECT MIND AND WILL CONDITION.

To do our feeling-healing we need to become:

Aware of – Acknowledge – and Admit, our bad feelings.

So we can:

Accept – them and allow ourselves to Be them.

And then if we feel to, take:

Action – Express, speak and emote them.

Talk about them.

All being done whilst longing to, really wanting to, see the TRUTH of our feelings.

So it sounds simple.

So I repeat:

We accept our bad feelings by expressing – speaking about them to someone willing to listen to us and take us seriously. And as we speak we long for the truth of them – why we are feeling them – to be made known to us. And when we uncover and see the truth we are FREE! – healed of the causes that have made us feel bad.

Accept, Express – see the Truth, and you're Free!

ACCEPTANCE OF ALL YOU FEEL, THINK AND ARE, IS THE KEY TO DOING
YOUR HEALING; THAT, AND WANTING TO SEE THE TRUTH OF ALL YOU
FEEL, THINK AND ARE.

Release one's pain through expressing one's feelings.

in conjunction with

Longing for the Truth when also longing for Divine Love.

WE are meant to grow up LIVING FULLY CONNECTED to our FEELINGS:

Humanity has always had an awareness and involvement with spirits, with life on the other side, because we are all heading that way, we all end up dying and becoming one of the spirits, and were humanity living rebellion-free, then nearly everyone would enjoy some level of spirit involvement either directly or indirectly, loving such an expansive awareness in life.

We are meant to grow up living fully connected with our feelings in our physical reality, and at the same time with full feeling awareness of spirits and life after death, because after all, God is the greatest Spirit of us all.

And so having an awareness and involvement with spirits can, and should, help us have more of an awareness with our Mother and Father. And it's not with just spirits, it's also with the angels who are with us all the time, and the nature spirits should we be open to them, and even higher spirits if we are to work with them, such as the Melchizedeks or Trinity Teacher Pairs. But mostly for those people involved with the Divine Love, it will be with the Celestials spirit group that is assigned to help them.

It is very important to understand that spirits and spirit life is meant to be part of life on Earth. However that's not to say everyone need to have an ongoing relationship with their spirit friends, but they can at least still be aware of spirits and spirit life and where we will be going and something about what to expect once we die. And when you are open to it, lessening the grip of one's fears about it, then we will find it will be just another aspect or level of life, and one that can give us quite a lot of comfort.

TRUTH LOVING SOUL V ERROR INFLICTED MIND

**Feeling
Healing with
Divine Love is
the key!**

To liberate one's real self, one's will, being one's soul, is by embracing Feeling Healing so to clear emotional injuries and errors. With the Divine Love, then one is also Soul Healing. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

FEEL *for* TRUTH

The beauty of it all, is the truth comes to you through your own feelings. You don't need to be told it by anyone. You can work it all out for yourself. We are self-revealing of truth, it's how God created us to be, and by being it we'll feel the happiest we can feel. Truth is our great comforter, so when you feel it come up within you, ah it feels so good and you feel just right – perfect!

We know only how to deny feelings, now we can get to know how to accept them. And always with the truth being the most important part.

FEELING TRUTH

If you don't want to uncover the truth of your feelings, then you can keep on expressing them forever but you will never fully heal yourself. Seeing the truth results in the Healing. And to see the truth you need to express all the pain out of you. The two things go hand in hand.

You can accept and express your bad feelings, letting off steam all day long, yet nothing will heal and nothing much will come of it. So this is where wanting your feelings to show you the truth of why you're feeling as you are is so important.

Don't go fishing with your mind, that will shut the truth out from rising up for you. **KEEP YOUR MIND OUT OF IT.** It's a feeling thing, doing your Feeling-Healing. (This is where we erred previously, and this how other modalities are in error.)

You long when you can, then stop longing and keep expressing. And at some point, and it might not even happen immediately, it might happen after days or weeks of expressing the same bad feelings, truth will come to you. And it does, it just comes up suddenly into your consciousness. You just know. You see the picture and you feel it's true. And you know it's true. And THEN your mind can come in and start sorting it out and putting in context.

It's the Truth that we are seeking. It's the End Point. The Reason for doing your Healing. You are to see the whole Truth of yourself. And to begin with, that's the whole truth of your unloving self, of your wrongness, of your evilness, of why you are as you are in your negative unloving mind-controlling state. To be able to fully accept yourself as you are, warts and all. To not fight or resist or try and change yourself, just to accept all you feel and all the truth of all those bad feelings you feel about yourself. And when you do, so you will be healed. You CAN'T heal yourself unless you uncover the truth of your pain, suffering and so the truth of all your bad feelings.

Through our Feeling-Healing we long for the truth of what we're feeling whenever we can. So as often as you can. You want, and REALLY WANT WITH ALL YOUR BEING, ALL YOUR WILL, to know why you are feeling bad. You yearn, want, long and beg and beg and BEG God to show you the truth of yourself through your feelings. So when you are expressing your bad feelings you can stop and long for the truth to show you what's going on, why do you feel so bad, and you can do it any time you think of it or feel to do it.

Notes from 'Feeling Healing' by James Moncrief

Heartfelt TRUTH

Our FEELINGS are our SUPREME GUIDES:

Feelings!

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feelings is really: Longing for the truth of our self, because: we are our feelings. So life stirs up our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.**

Kevin 26 Sep 2017

Using our feelings to uncover the whole truth of our negative or anti truth and anti love state.

Kevin: **So whilst we're of an untrue state, then all we have got to help us understand why we feel bad, why we are wrong, why we are negative and anti love and truth, is our feelings. So if we focus on our bad feelings, they will lead us to the truth of why we're feeling bad. Which will be the truth of what happened to us to make us be this wrong way, and how we took on the wrong way and keep it going making us feel bad.**

FEELING HEALING

Note: The vital difference between emotion and feeling is that emotions have their roots in the past, and feelings relate to the present moment. Emotions represent our feelings which were not previously expressed, and these accumulate with time.

Note: **Our feelings are soul-based. Our soul is always in truth. It is our soul based feelings, that when allowed to be freely recognised, we will begin to express and be who we are. This takes time and perseverance as we have encrusted our souls with layers upon layers of errors and false beliefs, it is these layers that will confuse the truth that our soul is conveying to us. Only by our progression with our Feeling Healing will our soul's expression of truth become clear and free of all cloudiness and contamination.**

“What our soul needs in accordance with our own, individual, **Soul-Light-Plan-Of-Destiny** (your life's true destiny plan), They, being our Mother and Father, will give you as required. The only way we can know truly what we need is to honour and follow our true feelings. They, springing from our soul, literally telling us what we need, and so when we genuinely feel we need something, we apply our will to get it. The hard part is knowing if our feelings are true, and until we have done our whole soul-healing, they won't be clear and totally true.” James – Introduction Course to Divine Love Spirituality

 Learn to live with God through your Feelings

Accept, express and long for the truth of your feelings

Be free in your feelings
 Free your feelings from your mind's control
 Live true to your feelings; your feelings are your true self
 Live true to yourself through your feelings

Live true to yourself by living true to your feelings.
 Long for the truth of your feelings.

Accept / Express / Bring out ALL of your good, and most importantly,
 BAD feelings.
 Want to understand why you're feeling them.
 Use your surface feelings to take you deeper into your repressed and
 hidden feelings.

The Feeling Way is the True Way.
Your feelings are your spiritual guide.
Your feelings will take you to God.

Your feelings will show you the truth of your relationships, including your relationship with God; and if anything is wrong, untrue and unloving, then why it is.

Our feelings are sacrosanct and we should respect them accordingly. And we should NEVER block them out, ignore, override, banish, deny or reject them, because if we do, we're only doing that to ourselves, as Our Feelings Are Our Self.

Our feelings are the gateway to our soul. Our feelings are the closest we can get to our soul. Knowing the truth of our feelings is knowing the truth of our soul, and knowing the truth of God.

Feelings First Spirituality is the True path for humanity.

It embraces all people.

It completely unifies the world.

Everyone can relate to everyone else through their feelings.

And we can all live the truth that comes from our feelings, all sharing the same truths as we express and have the same feelings.

No one need be left out; no one is more special than anyone else – we are all united in Truth through our feelings.

So with and through our truth we live our lives, therefore without the need of any man-made mind-laws, rules and restrictions that limit self-expression as inspired by our feelings.

The New Way, Feelings First Spirituality is what is to replace all man-made, mind-contrived religions that so many people have enslaved themselves to. The New Way, Feelings First Spirituality will set us free of all that control, ending the Rebellion and Default within ourselves as we do our Feeling-Healing, and ending such control and spiritual stagnation in the world.

Bring on the End Times – get it over and done with! Let's all see that Jesus is not going to come again, that Prophecy has failed all the mind-controlled platforms. Allow such false systems of belief to die their long-awaited natural death, they've overstayed their welcome, it's now time they fade away. So let us show such antiquated, erroneous systems of belief the exit and bring on the fresh liberation of discovering the truth of how we are to live for ourselves, each of us personally in our lives, and all by looking to our own feelings for it. Self-revelation through our feelings is the way to go.

The Way of the Mind is ending, and is really the End Times – the End of our mind control, and **it's about time!** With the Way of our Feelings replacing it.

The End Times means the end and therefore a New Beginning. And that new beginning is a whole new Spiritual Age – an age based on self-revelation of truth through one’s feelings, coupled with and supported by higher revelations from the Celestial spirits, angels and nature spirits.

The Feelings First Spirituality is the True Way to God because it helps you get to know God, helping you to reach out, connect and be personal with God, and do God’s Will, all through your feelings. It is the only true way of getting to know the God of Feelings – our beloved Heavenly Mother and Father, the Great Soul of Divine Love.

Love comes through our feelings and not our mind, as we’ve all been wrongly led to believe.

Feelings First; then comes The Truth; then comes Love.

The Feelings are the doer; the Mind the teller. So we are to go with our feelings, which we can't be told to do with our mind. So the longing for the Divine Love, doing our Healing by expressing our feelings and longing for their truth, are all feelings and doing it with longing. Whereas the mind just wants to tell us what to do and how to be, no feelings in it, all how our parents have treated us.

FEELING HEALING and SOUL HEALING:

The soul is that indefinable part of yourself. It's that part you can sense, soul-perceive within you, but you don't actually know where. And it's not centred in nor is it part of the mind as some people think. Your soul is separate to all of yourself, that is all the parts or attributes of your personality that are being expressed continuously by it in Creation. Separate and yet inextricably linked to you by light.

Our soul contains the pattern of all we are, all we have been and all we'll ever be. Nothing enters it or leaves it save for light and the Divine Love of God, which is also a Light. Soul-light comes forth from the soul in accordance with its pattern, this light interacting with Creational light on the will level first then moving outward expressing all the aspects of yourself – your personality you need to live life with. As you express yourself, and that's every part of yourself, all physical, spiritual and all in between, so you are generating an experiential light, which then goes back into your soul via your will, which in turn then causes your soul to express the next part of its pattern, and so it goes, as you're evolved into being by your soul.

Our soul absorbs the environment around it, commencing from conception. Thus our pristine soul becomes progressively contaminated by the injuries and erroneous beliefs of its parents. The harm becomes most apparent during our later forming years, that is, during our adolescence.

Should we become aware of feeling our childhood injuries and begin healing ourselves, we can slowly remove the encrustments from our soul, such encrustments stifling our real personality. Thus we can start to revitalise our personality and allow our real self, our soul to blossom and dominate our humanness. Our parents, unknowingly, stifle and suffocate our will, our capability to express one's self.

Feeling healing is the pathway to begin to live fully expressing one's true personality. This can be a slow painful process of revisiting the truth of the unloving environment that actually prevails during our childhood years.

By fully embracing our memories of injuries we endured and also expressing these to our soul Parents whilst longing for, asking for and receiving the Divine Love, we will reinvigorate our soul's potential to truly love and experience life to its full potential, with one's soul growing in truth.

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are a son and daughter of God.

Jesus of Nazareth and Mary of Magdalene, being soulmates, were both free of sin. Jesus and Mary, combined in their love for us, are our teachers and guidance for us to find our way home to our Heavenly Parents. To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since conception.

Give yourself time to consolidate your relationship with the Mother and Father through the partaking of Their Love. And whilst you are doing this, you can learn about your healing, all that's involved with it, as there are many willing spirits to share their healing experiences with you.

When you are ready it will start happening simply because you will want it to, it all being orchestrated by your soul. And when that time comes you will have developed a strong foundation in your relationship with the Mother and Father for you to work from. We are to feel our feelings, identify what they are, accept and fully acknowledge that we're feeling them, express them fully, all whilst longing for the truth they are to show us.

It is to make longing for God's Love the priority, and then do one's healing; should one want to include God and the Divine Love in one's feeling healing. This is doing your soul-healing as you are seeking to heal your soul of all evilness – of that which made you become evil, and release all the hurt and pain of not being fully and truly loved.

WE ARRIVE DETUNED!

Our souls are a divine creation of our Heavenly Mother and Father. They could not be any other way! And are designed (such as how it has been for us) to begin incarnation in a Natural love condition reflecting the Natural love state of our world.

And we have also been provided with the opportunity to experience what is being ‘evil’, to live denying our Natural love, as seen through the denial of many of our feelings. So we here on planet Earth live on a world that has Rebelled (and then also Defaulted), of which there are only 37 within the local universe of Nebadon, consisting of 3.8 million physical worlds under the regency of Mary Magdalene and Jesus – the spiritual parents of truth of all of Nebadon! And we assassinated Jesus, and completely denied Mary not allowing her to have her say about the truth.

As a consequence, we are ‘detuned’ from our Natural love state and divine origin. You could say we arrived with all parts functional, however, in our untrue, dysfunctional and distorted state, we’re badly in need of a severe service, tune up or a complete reconditioning. Our goal being to bring our true self to the fore by doing our Feeling Healing, and then to progress beyond our Natural love state by further advancing our soul condition through the process of Soul Healing and receiving our Parents’ Divine Love – becoming divine.

In our feeling- and truth-denying untrue Natural love state, we have been made to use our minds to dominate our feelings, becoming more like that of mind-based creatures of nature than of human souls of truth and feelings. And this is the wrong way for us to develop. So to step beyond this limitation, we are to live true to our feelings. Our heartfelt feelings being the guiding lights to our evolution and growth of truth.

Feelings are what guide us through our ascension of truth. So they are really our Supreme Guides. Many people look for a person, spirit, angel, even God, for supreme guidance, however it’s all right there already built in and can be found through our feelings – our soul based feelings.

By living true to our self, true to our feelings, we are living true to God. It’s that simple.

Thus we are detuned once our incarnation begins. However, the way is now open for us to bring about our full divinity. To completely Heal all that’s wrong within us on a Natural love level. To embrace and then transform that Natural love into a divine state through partaking of our Heavenly Parents’ Divine Love. All the while attuning ourselves to divine perfection and enjoying the fullness of our divinity and love, as we ascend in truth on our journey all the way to Paradise – the home of our Heavenly Parents.

WE were DIVINE, and
WE are to BECOME DIVINE AGAIN:

Our personality, our soul, our real self, are all creations of our Heavenly Parents. We, our real selves, are not creations of our physical parents. Within our original status, we were of Divine nature.

Our physical parents, from our conception, endeavour to mould us into being ‘little me’s’, that is, replicas of themselves, imposing their beliefs and personality traits upon each of us. They crush our individuality and free will. They destroy our personality, our true self. They inflict upon each of us their ways, all of which are of a result of the Rebellion and Default of many, many generations ago. They drive us into believing and subsequently becoming dependant upon our minds. This is not the way for us to express our true selves and evolve along the path towards our true parents, our Heavenly Mother and Father. We are to embrace the Eternal Son of Truth, not the Infinite Daughter of Mind.

No, we are not in the image of our physical parents. Though we may look like them, and act like them because they have dramatically and successfully crushed our true personality, we are each very unique and independent of our parents and all other family members. When we begin to progress along the path of engaging with our soul based feelings and seek for the Truth of our feelings, we will become free of our parents’ impositions and suppression.

Upon starting our physical life experience on Earth, our divinely created soul begins to express us as one of our soul’s two personalities in Natural love. However because of Earth being in Rebellion, so we are parented into a rebellious and anti truth and anti love state of mind control over our feelings and true self.

Natural love is good, just ‘less’ or different to Divine Love. And it’s that in our rebellious state, we’re rebelling against Natural love, and Divine Love by not taking Jesus and Mary up on their offer and allowing the Divine Love to transform our soul, as we perfect our Natural love by doing our Healing.

By living true to our self, true to our feelings, we are living true to God. It’s that simple. The revealing of the Feeling Healing process is the commencement of our ability to begin the Great U-Turn and go the right way. Should we then also embrace our Heavenly Parents’ Divine Love, we can also commence our Soul Healing and a returning to that of being divine – this is our destiny.

DIMENSIONS of ONE'S EXISTENCE:

Our SOUL IS NOT ENSOULLED IN OUR SPIRIT BODY. Our soul exists existentially in a whole different level or plane or place or dimension of being – 'soul land'. It doesn't exist in Creation, it's not experiential like Creation is. The soul, all souls, help create their part of Creation by expressing their personalities into Creation, and then by having their personalities do things (further create) in Creation.

SOUL exists existentially

Our Physical Body and our Spirit Body are of Creation, being linked together by cords of light as are the two spirit bodies, male and female, to the one Soul.

One's unique personality is soul based. Our unique soul expresses its unique personality through the two spirit bodies and physical bodies expressing both the male and female aspects.

PERSONALITY

**Our soul is the centre of our personality.
We are children of our Heavenly Parents.
Our soul manifests a male and
female personality - it is a duplex!**

CREATED in THEIR IMAGE:**GOD**

James: Mary, what does ‘we being created in the image of God’ really mean?

Mary M: It means that our Mother and Father used Themselves as the model or template if you like, upon which to bring us into being, those of us who have existential souls with the potential of expressing their two personalities in Creation.

And although our souls are divine, as in being divinely created, still whilst we start our personality expression in Natural love, so we need the Divine Love to come into our soul and bring it into the levels of Celestial divinity.

Natural love, so basically the whole of Creation, is of the image of God, and we being divinely created souls can be part of God’s Divinity becoming divine ourselves. So through your Healing, James, you become progressively divine by partaking of the Divine Love and healing yourself into perfection – your true self. And by the time you’ve completed your Healing, your soul is of the Divine Love level of Celestial truth, and your personality is an expression of that level of truth, it all being ‘confirmed’ and cemented – fused – into place upon the direct soul-union with your Indwelling Spirit. Then you are of the essence of God, true and perfect to the level of the first Celestial sphere, the first sphere of true divinity.

Mary Magdalene communicating with James 20 November 2017

HISTORY UNFOLDING:

Man was 'seeded' on Earth maybe some one million years ago in its primitive nature form, they were named Andon and Fonta (also known as Aman and Amon). It was the arrival of Adam and Eve some thirty eight thousand years ago that there was to be an endeavour to significantly evolve the human race on Earth, both spiritually and genetically. In this endeavour, Adam and Eve defaulted, both succumbing to the ways of the rebellion that had been embraced by humanity in its animalistic nature some two hundred thousand years previously.

The Rebellion had been in play in its development for some thousands of years. The Rebellion is that of one succumbing to one's mind and being self reliant, rather than embracing our Heavenly Parent's Will. From the outbreak of the rebellion to the day of enthronement of Jesus and Mary as sovereign rulers of Nebadon, Jesus and Mary never interfered with the rebel forces of Lucifer and his soulmate, or their deputies, Satan and his soulmate.

It was the bestowal of Mary and Jesus, their coming to Earth, two thousand years ago, that brought about the authority and power for the removal of Lucifer. It was their coming into physical life and living on Earth, and remaining in a perfect state, that brought about the escalation of their authority and the termination of the Rebellion at that time. During the two thousand years leading to this current time, the remnants of the Rebellion were progressively removed. The Caligastias and Daligastias, being soul pairs and who remained embellishing the role of 'gods' in the natural love Mansion Worlds / spheres, had continued with their self-made appointment as rulers, now having only very recently been disposed from their 'thrones'.

Only now can humanity be guided to the pathway of stepping away from the pain and misery of being self reliant, and embracing the will of our Heavenly Parents, Mother and Father God. Only now can the feminine aspect come to full bloom and be revealed. Only now can the process of releasing the erroneous teachings that generation after generation hand down to their children be explained and be rebuffed. All of which could not be revealed under the rules of the Rebellion.

As Mary and Jesus, the Creator Daughter and Son of Nebadon, were perfect throughout their physical life, they do not have the personal experiences to adequately share with us how to heal ourselves of our evilness / errors, that of denying Mother and Father God and themselves, Mary and Jesus. And now there is possibly another bestowal pair on Earth. This pair being the Avonals. If they are here, then they will have embraced all the errors and evilness that humanity is in, as they work through the Feeling Healing process and also embrace Soul Healing. Upon their physical deaths, they would release their spirits of truth and all of humanity who wish to undertake their Feeling Healing and Soul Healing, should they long for their support, and will be able to access these Spirits of Truth for assistance.

Paradise Magisterial Sons and Daughters constitute the order of Avonals in contradistinction to the order of Michael, the Creator Sons and Daughters. Though not creators in the personal sense, they are closely associated with the Michaels in all their work. The Avonals are planetary ministers and judges, the magistrates of the time-space realms — of all races, to all worlds, and in all universes.

Humanity will continue to connect with the Spirits of Truth of Mary and Jesus, even though Mary and Jesus will now step back from assisting humanity and enable the Avonal pair to assist and guide humanity in this coming age. This change over is the end time of Mary and Jesus' era.

AVAILABILITY of DIVINE LOVE throughout HISTORY:

Monday, 20 November 2017:

James: And Nanna Beth, what about John's questions about the First Parents – did they have the Divine Love available to them and partake of it, and are they still involved directly with humanity?

Nanna Beth: They had the potential to partake of it, this being what was so special about them, they being the first real humans, which means, the first people with the ability to partake of the Divine Love should it be made readily available. And from then, all humans had this same potential (except that potential was closed down in everyone at the time of the Rebellion). It's what separates us from the animal side of life. So it's even more than just having a soul, it's having the potential to bring that soul into a divine level of self-expression through its two personalities.

Then what happened was the Rebellion effectively removed that potential for partaking of the Divine Love. And I know it goes hand in hand James as you were musing over in the car, however it's still a technical point. The potential of becoming divine is removed upon the outbreak of Rebellion to a material world, thereby requiring that level of the Rebellion to be terminated for the potential to be reinstated. This happening with Mary and Jesus' living their lives on Earth.

So the Divine Love wasn't available because a Paradise bestowal pair hadn't come to Earth; and even if people had the potential to receive the Divine Love they'd still would not have been able to until the Pair comes and liberates the Divine Love. So as you were musing, what did it matter whether they had the potential or not when the Divine Love wasn't available anyway, however it matters a lot as I said on the technical level.

And what this really means is once Rebellion occurs then everything goes haywire, then that humanity steps off the path of Natural love perfection and moves toward oblivion, which you are all living the results of. Whereas, had no Rebellion happened, and so people living with the potential of partaking of the Divine Love, even though it wasn't readily available, they would have evolved their lives very differently compared to how Earth humanity has evolved, all maintaining their Natural love perfection and in preparation for the day when the Paradise Pair would come and bestow the Divine Love to their world.

So by not having the potential causes great problems in and of itself, because you no longer have those Natural love circuits open to you, you live a greatly distorted Natural love, one reflecting the fact that such potential has been withdrawn and like it doesn't exist. So you have no true Natural love desire and connection with God, nothing that would lead you to wanting to be with God and be as perfect as God is, which means to be with God on Paradise, because there is no such potential there to have such desire. So you all have a false desire to be at-one with God, it's not a true feeling desire, it's a mind one, and it's actually to be at-one with the Mind of God, which you can't be at-one with. And then on top of it all now, you've got more distortion because of the potential for the Divine Love being restored along with it being made available to you (as it didn't have to be made available back then, Jesus and Mary could have decided to withhold it until the Avonals came and revealed the truth about the Healing), with some people longing for it aware that they are, and others not even aware, and so adding to their inner distortion by receiving the Love and yet not doing their Healing. And so what happens to the Love and its effects upon your soul when you are not wanting to Heal yourself and grow in truth through your feelings?

And as far as concerning where The First Parents are now, they have moved on with the old guard, having been released from such duties that being The First Parents required. You can see and even in a sense ‘meet’ with them when you come into the first Celestial sphere, we have a museum sort of arrangement, it’s massive and highly complex and covers every aspect of humanity’s history on Earth and in the Mansion Worlds. And you can sort of interact with the exhibits – if I can crudely call them that. You literally walk into say the Atlantean times and explore using your mind for whatever aspect of such times you care to. You can even in a sort of holographic way meet with people from those times, speak with them in a sense, although it’s all automated, it’s not the real person who is now a spirit, although the whole experience being so real and amazing makes your mind believe it is the real person or spirit. So we can even talk to Mary and Jesus like this, which a lot of Celestials do when they first arrive, it all helping them to get to know them better and know what they were all about. It’s a massive learning centre and contains all the knowledge of humanity’s experience, so anything and everything is kept there like ‘living’ archives.

Tuesday, 28 November 2017:

James: Yeah okay, it is all exactly how mum and dad were. I can’t believe it, how something so removed, so airy fairy as this money thing, can give me the exact same feelings they gave me. All of that side of how it works for us is too incredible to even begin to contemplate, I can hardly hold the notion of it in my mind, to think how the Mother and Father have worked it all out, it’s beyond incredible. And that for all of us, all that’s happening in our adult lives, is making us feel all that happened on the feelings level through our early lives, and that nothing really changes on the feelings level until we uncover the truth of such feelings. It’s too incredible for words. And then this morning I finally got it, that rebellion, obviously, is the negative of positive. Positive is love, rebellion is no-love, so the negative of love. So as we’re all inducted into the negative, all that is wrong and bad for us, all that is negative, once we’ve completed our Healing, we will all turn out to be good and positive. And that too is too hard to grasp, and yet it’s been proven more and more in Marion’s and my lives. So many of the bad ways we are, or what we’ve believed have been bad, when you work it all through, end up actually being good. Or, it’s more like we’ve been expressing the negative side of them in our wrongness, and when that’s all gone, then we express the positive side. So many of things we’ve hated about ourselves we’ve ended up loving. We are untrue, and when we’re healed, we’re true, so we go from the negative us to the positive of us, as it’s all still us.

So we go through this whole amazing thing of being made to be wrong and untrue and false, and then we do this Healing thing, and end up being right and true, and yet it’s all us. I can’t describe exactly what I mean in words, so none of this is probably anything different from what I’ve written a million times before. But you start off fucked, go through this whole Healing thing, and then come out not fucked and true, and yet it’s all so organic you wonder if anything has actually changed at all.

And imagine being told by Jesus that you can go through such and such amount of time, and when it’s over it’s like you’re Born Again or Born Anew, really for fucks sake, what does that mean, you’d have to think the whole thing is mad! Why do you want to be born again, surely once is enough, and how can you be born anew anyway, what does that really mean; so meaning new, the old you has gone and now you’re new. So how mad is that, we can’t just be born and then grow up, not having to go through anything that makes you have to be born all over again – something that is just shy of being a traumatic experience of itself, feeling like that’s what’s happened to you when you’ve been through this almighty inner transformation from the negative yuk you to the positive good you, called ‘Doing your Healing’.

Nanna Beth: It is as you say James, it is from your fucked up point of view, incredibly mad, and maddening. And then you come out of it, then you are Celestial, and you do feel like you're starting all over again, with none of your feelings being influenced or connected to your childhood feelings, it being as if you've had an entirely different and loving childhood, the positive one instead of the negative unloving one you got. It is a whole turning yourself inside out, and until you experience it yourself, you'd not even think it could be possible. And like you say: why do we need to do it, why not just make adjustments like the Divine Love movement people are trying to do, changing your adult self to fit in with your idea of what being Divine Love, perfect, true and Celestial would be like, when you have to go back and TRANSFORM the whole of yourself, from the negative into the positive. So transform is the appropriate word, because you can't do it yourself, it's your soul and God that does it, you simply wanting it to happen by submitting to your feelings looking for the truth of them.

Our Healing is fantastical, there is nothing that compares with it, to start off in the negative and wrong and not of love, to then become the complete opposite, it's a wonder to behold, even more than the wonder of just growing up normally and with love and ascending the heavens. And it's why we're of such interest to the rest of Creation, the fact that rebellion can actually happen, that God allows such high Daughters and Sons to rebel, and then negatively affect the lower daughters and sons, and affect them to such a severe extent, something that we're still all finding out. Rebellion like this is all but unheard of, and it means the whole negative might potentially be expressed in Creation, which makes the mind boggle, as to... does that mean there are going to be more rebellious planets than non rebellious ones... and if so, are many other souls to experience the horrors of feeling so unloved, uncared about, abandoned by their Loving Parents? And does Creation coming into full expression EVEN REQUIRE the full expression of the positive AND negative, so all the positive and negative aspects of love can be lived? Our rebellion is certainly giving the universal scholars something more to think about, something that expands all our minds when trying to conceive the enormity of it. And all you're worried about is John getting his money – LOL!

However, although I jest with you James, what you are feeling in your frustration over the money or anything else is a feeling, a very real feeling, and a feeling is a very real part of Creation, more real than a fleeting thought, because it contains the substance of truth, and truth is the foundation of life. So it's all as important as everything else – every feeling and everyone's feelings, because in your feeling-moment is contained the whole of Creation, every moment that Creation will ever be, it's all there, in the smallest most personal feeling to the largest grandest concept of it all.

By living true to ourselves, true to our feelings, we are living true to God. It's that simple.

U-TURN for HUMANITY:

Why are we doing a U-Turn?

We are doing a U-Turn **because** the year 2017 heralded the end of the Rebellion and Default. For two hundred thousand years, humanity has been going in the wrong direction.

What is this fundamental step that will change our way of living?

We are to come to understand / know the foundational cause of all our feelings, both good and bad. As we explore and investigate our feelings, each time they arise, one by one, we are to talk them through, express them to a companion or friend or anyone who will listen. As we express them, while at the same time coming to understand how they have come about, we will find that they will be resolved and that they will not come up again.

We will find that all of our feelings / emotions have their foundations from our childhood. And by childhood, that is from the time of one's conception all the way through to about the age of six. It is the repression of our childhood feelings that is the base or foundational cause of each and every one of our adult personality issues, pains, difficulties, illnesses and distressful life experiences.

We have to see the whole truth of our negative or self-denial state, before we can heal it and be free of it.

The vital difference between **emotions** and **feelings** is:

- emotions have their roots in the past,
- feelings relate to the present moment,
- emotions represent feelings not previously expressed,
- and these accumulate over time.

Many emotional clearing processes encourage us to look into our feelings, however, none go so far as to drill down into the core foundation of any emotional feeling to the point that we strive to KNOW the core issue, the origin of the feeling, be it good or bad, and actually come to know what it is!

The *Journey Process* is generally known worldwide. It stops short of longing to know, that is asking for the knowing of the events that brought about such a feeling. Yes, we are to acknowledge the feeling, say being angry. Then accept that behind that anger is the feeling of being small, and then look at the underlying reason of why we are feeling small. What is the truth behind that feeling? Ask our Heavenly Parents what is behind all of this feeling. What is the foundation, the origin of the feeling? All the time talking it out, expressing it, with a friend. The expressing of the experience is the release of the emotion / feeling, this is what removes it for ever from within our essence, our **soul**.

Why ask our Heavenly Parents? I thought God was just God – singular?

This is part of the revealings that have been unfolding for us very recently – that is – since 2002.

We are made in the image of God. This has been understood for centuries, for 2,000 years. Our soul is duplex. Our soul expresses itself through two personalities. One soul 'subdivides' into two, one half

**Feeling
Healing with
Divine Love is
the key!**

always being female and the other half always being male. We are a reflection of how God is. God being one Soul is expressed as Mother and Father. God is two personalities. They are soulmates. And each of us has a soulmate, and our soulmate is always of the opposite sex, because the Mother and Father are the opposite sex.

Thus, when we long for the truth behind a feeling, then we can long to our Heavenly Mother and Father. Only they can tell us. No spirit personality can tell us. No canonised saint can tell us, we may as well ask our next door neighbour. That would be just as productive. Mary and Jesus can't tell us, as they are also spirit personalities.

I was taught that Jesus was God? And what is this about Mary?

Mary of Magdalene and Jesus of Nazareth were both born free from sin. Neither of them are God. They are both children of God, just like you and me.

History needs to be corrected. Both Jesus of Nazareth and Mary of Magdalene became at one (At-One) with our Heavenly Mother and Father during their physical lives here on Earth in the first century; Jesus in the year 26CE and Mary in the year 33CE, or thereabouts. Jesus died aged 35 (born 7BC died 29CE), and Mary died aged 47 or 48 (born 2BC died 47CE).

Further, their sojourn on Earth was the completion of their process to become the full Regents of the sector of planets that is referred to as Nebadon. The region within our super-universe that is referred to as Nebadon contains 3.8 million inhabited planets. If you look into the night sky, each star / sun potentially has between none to three inhabited planets within its orbit. Within Nebadon, the soulmate pair, namely Mary and Jesus, are our Spiritual Teachers of Truth. Their domain is all 3.8 million physical planets plus their associated spirit worlds. Each physical world has seven associated spirit worlds, which is the case for Earth being one of the 37 that have rebelled.

Some 200,000 years ago, Lucifer with his soulmate and his deputy, Satan with his soulmate, brought about a rebellion on 37 of the inhabited planets within the region called Satania, one of the local universal systems of Nebadon. Earth compounded the situation through the Default of Adam and Eve about 38,000 years ago. Thus the population of Earth, being in the worst condition through the Rebellion and Default, became the location for Mary and Jesus to have their physical experience to complete their ascendancy to full Regency of the local universal system being Nebadon.

Their lives on Earth was the start of the unravelling of the Rebellion and Default. Upon Jesus becoming At-One with our Mother and Father, he was then vested with the authority and power to have the Lucifers and Satans arrested, and they now reside exiled within a prison world.

Notice that there were no records of Jesus and Mary's teachings and experiences made during their physical life. That was because they did not specifically come here for us, they came for the benefit of all peoples of all planets and spirit worlds throughout Nebadon.

As they are Paradise descending spirits, they have **Spirits of Truth**. Upon Mary and Jesus' death, they released their Spirits of Truth. As spirits, Jesus and Mary are how we will be, once we've finished our Soul Healing. They can only be in one place at any one time. However, it is their Spirits of Truth throughout Nebadon that we can connect with for guidance. It is through their Spirits of Truth that spirit personalities can progress through and out of Nebadon.

Those planets that have Rebelled need further assistance, and they need it on a localised manner. This can only be provided by another bestowal of a **Paradise Pair**, and that is in the form and manner of an **Avonal soulmate pair** who come here specifically for us.

What is the purpose of an Avonal pair, and are they here on Earth?

Unlike Jesus and Mary who were always free from sin and did not experience how to heal themselves, the Avonal pair are to experience all of the extremes of evilness and then proceed to heal themselves. Mary and Jesus through their bestowal on Earth ended the Lucifers spiritual rebellion in Nebadon; the Avonals bestowal is primarily concerned with ending the Default of Adam and Eve by the Avonals themselves personally healing the effects of such a damaging Fall.

The soulmate Avonal pair are to be, and have been, subjected to the extremes of childhood suppression and repression, and then, through their Feeling Healing, are experiencing all the facets of emerging truth as they slowly progress through a protracted and difficult healing process. As they reach specific milestones, this also enables those in the Celestial Heavens, (the three worlds where Celestials reside) to be empowered to assist us in the physical on Earth.

The first considered milestone was the arresting and imprisonment of the Caligastia soulmate pair and the Daligastia soulmate pair. After the arrest of the Lucifers and Satans in the first century, as nothing further occurred, the Caligastias and Daligastias continued on from spirit as if they were kings and queens, suppressing all of humanity and with plans to take over the universe. It was possibly in the early 1990s that they were 'judged', and 'removed'. They were caught unaware that an Avonal bestowal pair were on Earth.

How is all this becoming known? Has Jesus and Mary communicated directly to Earth?

Unlike in the first century, when no records were kept (as the event related to all of Nebadon and it was actually setting the stage for the Avonal bestowal pair to arrive on Earth), every effort to retain records in great detail of this current series of events is now being attended to. Consider this. The New Testament of the Bible is some 300 pages. The records of the Second Coming, which this is, the primary records are possibly 6,000 pages, with direct complementary records increasing that to over 10,000 pages and with all the supplementary records to date, there may be as many as 40,000 pages, certainly well over 30,000 pages of material presently.

Jesus directly communicated through James Padgett from 1914 to 1923. Mary of Magdalene (Mary M) has directly communicated through James Moncrief from 2002 and is ongoing. Jesus has also communicated directly through James Moncrief. Neither have ever directly communicated through any one else, however, some Celestial Spirit personalities have provided information through other personalities on Earth with the support and approval of Jesus and Mary, thus some confusion, though the quality of the information is very reliable.

You say this is the Second Coming? You say I am living during the time of the Second Coming?

Yes you are. And it's more than that. This is the Second Coming, the End Times and the Handover!

In fulfilment of the prophecy in the first century, the Second Coming commenced on 31 May 1914 through the writings with James Padgett and concluded in 2014 through the writings with James Moncrief.

The End Times are well advanced. Mary and Jesus are well advanced in handing over their direct involvement with Earth to those within the Celestial Heavens. When this is completed, the Handover will also occur. **The Hand Over is to the Avonal Bestowal pair** and it is they who will guide the population on Earth through their Feeling Healing processes for the next 1,000 years, being the next spiritual age. The Handover will take place after the Avonal pair complete their personal Healing of the Rebellion and Default. Then will follow with their Spirits of Truth being officially liberated in alignment with Mary M and Jesus' Spirits of Truth upon their death.

Major events have occurred with the progression of the Avonal pair's Feeling Healing, which they are also doing whilst embracing our Heavenly Parents' Divine Love, thus they are doing their Soul Healing.

Early 1990s:	The arrest of the Caligastia and Daligastia soulmate pairs.
22 March 2017:	Negative spirit influence was blocked.
31 March 2017:	Angel assisted healing will become available upon the Avonal pair completing their own Feeling Healing, being with Divine Love, thus it being Soul Healing.
22 May 2017:	Law of Compensation quickening.
2 December 2017:	Psychic Barriers maintaining the Rebellion and Default were cracked.
8 December 2017:	Bring on the money to 'house the future of humanity' .
31 January 2018:	Earth and the seven associated Mansion Worlds (including the two Earth planes) are officially now fully under the control of Celestial spirits. This marks a tangible and real end to the Rebellion and Default.

How does this all fit into our future way of living?

This time, in the history of humanity, is the most exciting time ever experienced.

The whole human race is suffering from repressed childhood and mind control.

Through one's Feeling Healing, and should we embrace our Heavenly Parents' Divine Love, then with their Love we are doing our Soul Healing, and eventually we can live totally in accordance with our soul base feelings and live free from error – no more fear and no more physical illnesses is possible!

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

Our soul is always perfect. In fact, we are the complete package. All that we need to know is within our soul. This knowledge has been denied from us since the time of the Rebellion and compounded by the Default. That is what was brought upon us by the Lucifers and his cohorts. We have always been meant to live true to our soul based feelings but we were taught to embrace our error riddled mind – this was aided by our parents – unknowingly all parents have taught their children to be mind dominant. **This is the Great U-Turn. We are to feel and live by our feelings and express our feelings, our mind will follow in support, not the other way around.**

“Many people look for a person, spirit, angel, even God, for supreme guidance, however it's all right there already built in – in our feelings. **Feelings** guide us through our **ascension of truth**. So they are really our Supreme Guides. We just have to submit to them, allowing them to take us where they will, expressing all the parts we want to express, letting the emotion drive that expression if it's there to be expressed, or just talking about all we feel and how feeling that feeling is making us feel – or, how we feel about having that feeling, all whilst longing for the truth of our feelings. Longing for the truth of our feeling is really: **Longing for the truth of our self, because: we are our feelings.** So life stirs up

our feelings, we feel being alive; or, being alive means we are feeling, always feeling; and when we work out what and why we are feeling what we are, so then we know the truth of how we are. And over time the truth accumulates, and our mind expands our understanding of ourselves, all being driven from our feelings.”

Kevin of the 1st Celestial Heaven 26 September 2017

(Kevin Cooper died 10 August 2012, through Feeling Healing became Celestial on 7 August 2017.)

It is through the assistance of the Spirits of Truth of the Avonal Pair, upon the completion of their Soul Healing, that we will be guided through our Feeling Healing process, and should we embrace our Mother and Father’s Divine Love, then our Soul Healing.

Then should we embrace Mary and Jesus as our Spiritual Teachers of Truth, their Spirits of Truth will lead us on the path through the Celestial Heavens where we will certainly meet up with our soulmate and join our soulgroup, which will eventually consist of twelve soulmate pairs. Then as a soulgroup, the Spirits of Truth of Mary and Jesus will lead us up through and out of Nebadon towards Paradise.

It is then our Mother and Father in Paradise who draw us to them and we will eventually meet our Heavenly Parents.

Meanwhile, while we live on Earth, we will have assistance and guidance previously denied to us throughout the era of the Rebellion and Default. Under the Contract controlling and managing the Rebellion and Default, the powers and capabilities of our Celestial Heaven spirit personalities, all three worlds of them, were heavily restricted and almost of no assistance to us at all. Further, Nature Spirits and our Angels were heavily denied contact with us physical people because of the Rebellion and Default, all of which is soon to change, so we can look directly to them for help concerning healing ourselves and understanding all aspects of nature.

As we embrace our Feeling Healing, Celestial spirits will and can greatly assist us. In fact, during the year of 2017 they have blocked all mind spirits from the Natural Love Mansion Worlds: 1, 2, 4 and 6 from interfering with us. Celestials have taken control of all facets of living and life on Earth. Celestials are those spirit who have completed their Feeling Healing and progressed through Divine Love Mansion Worlds 3, 5 and 7 and now live in the higher Celestial Heavens, 1, 2 and 3 (when we become At One with our Heavenly Parents then we leave the Mansion Worlds and progress through the next three spheres related to Earth, hence the Celestial Heavens are also referred to as being numbered 8, 9 and 10).

The Nature Spirits of Earth, who live in the third Earth plane, can now directly interact with those who are embracing their Feeling Healing. Nature Spirits are essentially ‘angels in waiting’. They have been on Earth prior to anything that we now see living in nature. When they first started to arrive, there was no life in the seas or on land. They have consequently witnessed everything that has happened on Earth, including all prior human civilisations that we continue to largely remain ignorant of. Their knowledge and assistance is of great importance to us. We are to interact with them on an ever increasing scale. They are to become an invaluable source of information for us concerning how we are best to live with nature.

Further, we may become more aware of our **Indwelling Spirit**, which arrives for each of us during our sixth year, as we now progress with our Feeling Healing, or with Divine Love, our Soul Healing.

And all of this is possible as we embrace our Feeling Healing process, acknowledge and accept the Avonal pair, acknowledge and accept our Spiritual Teachers of Truth, namely Mary and Jesus, and more importantly, grow to love our Heavenly Parents, our true Mother and Father.

We do not need intermediaries, rituals, liturgy, dogmas, creeds, fancy clothing, or institutions. It is our soul based feelings and expressions that we may exchange directly with our Heavenly Parents. Groups may form to assist each other, and that is choice and within our free will.

This is the greatest event in the history of humanity.

This is the Great U-Turn that humanity will embrace throughout the next 1,000 years. MoC 1,480

God is God, who is our Heavenly Mother and Father, being SoulMates. There is only one Soul that is God's Soul, that being the Soul of our Mother and Father. Our Heavenly Parents are the First Soulmates; The Two Who Are One who have brought us all into being.

Jesus and Mary are soulmates and a son and daughter of God.

Mary of Magdalene and Jesus of Nazareth, where both free of sin. Mary and Jesus, combined in their love for us, are our spiritual teachers and guidance for us to find our way home to our Heavenly Parents. Mary and Jesus have liberated their Spirits of Truth who we can long to for assistance and guidance. They are known as Jesus and Mary of Neadon, the universe system in which Earth is. They are the Creator Son and Daughter ruling this region.

To start this journey we are to liberate our souls from being entombed within our suppressive minds, through feeling and longing for the truth of our feelings via our soul and peel away our injuries incurred since our conception.

The Avonal pair, should they be here, are to support humanity on Earth exclusively. They are to continue the work of the Creator Pair, Mary and Jesus, and will be assisted by them. The Avonal pair will, during their life on Earth, experience the full Feeling Healing process and Soul Healing process so that through their Spirits of Truth, which they are to release upon their physical death, will be able to be called upon by all those who embrace their own Healing. The Earth names of the Avonal Pair may not become known.

Humanity, all being soulmate pairs, are ascending mortal souls who are to reach inward and progress Paradise-ward for the God experience. As part of our journey of evolving our souls we are to experience evil, that is the denial of God and the Creator Pair. We can long to the Spirits of Truth of Mary and Jesus and soon to the Spirits of Truth of the Avonal Pair. Our Indwelling Spirit is our direct connection to and with God.

SPIRITS of TRUTH and HOLY SPIRIT:

More from James regarding Spirits:

The Holy Spirit provides differing support and guidance to that of the Indwelling Spirit. The Indwelling Spirits guides one to God, our Heavenly Mother and Father; the Holy Spirit brings Their Divine Love into our heart.

The Spirit of Truth becomes active **ONLY** when we choose to follow the ‘owner’ of that Spirit of Truth. So in our cases, Jesus and Mary Magdalene. We have to want to live the same truth as they are living, so ‘be like them’ and in doing so this activates the Spirit of Truth. And so if we choose to be as they are in truth, to live how they live the truth, to be of truth and the same truths they are, then with their Spirits of Truth assisting us we will come to relate to our Mother and Father just as they do.

We are growing spiritually in Mary and Jesus’ universe. We have to want to be as they are in truth, if we don’t want to do that then we’re rebelling against them. And if we don’t embrace them, then we’ll never leave Nebadon, the region of the universe that encapsulates Earth.

The whole idea about having Spirits of Truth coming from Paradise Pairs is so the ascending mortals (us) of that universe (from the Creator Pair) and specific worlds (from the Avonal Pairs), all end up living the same truths. And if we didn’t live the same truths, we’d all still remain all over the place and have nothing we can all connect with and relate to in each other.

So we can come from all over the planet, from very diverse races and cultures, yet because we all end up embracing the Spirits of Truth that are to help reveal the truths we are to know, so we’ll all be able to connect and relate to each other through the truth we’re living, all being able to live happily together as Celestials, and eventually as Celestials on Earth. It’s the Spirits of Truth that bring us all together, homogenises us if you like. And if we all lived true to them, we would not need any rules or laws because we would all be living and knowing the same truths – so all living the same way only expressing those truths individually.

Our HEAVENLY PARENTS have any number of spirit instruments assisting at any time.

Holy Spirit conveys Divine Love from our Heavenly Parents

Spirits of Truth of Mary Magdalene and Jesus

AVONAL PAIR to be RESPONSIBLE for SPIRITUAL WELLBEING of EARTH:

Heavenly Parents

The Paradise Pairs, children of God, are all only concerned with the spiritual wellbeing and upliftment of the planets and local universe. Creator Son and Daughter, Mary and Jesus, are focused upon the spiritual wellbeing and upliftment of the whole of Nebadon which involves Earth, one of 3.8 million planets.

AVONAL PAIR

The Spirits of Truth of the Avonal Pair are to join with the Spirits of Truth of Mary and Jesus.

Soulmates

COUNCIL OF ELDERS

The Council of Elders, 12 Celestial soulmate pairs, being a Soul Group, guide to Founder of the Global Humanitarian Fund that is to disseminate Feeling Healing and Soul Healing guidance.

Soulmate PAIR while living in the physical of Earth, are to complete their Feeling Healing whilst embracing Divine Love, thus completing their Soul Healing. Being the first humans to do so, they will subsequently, upon their physical deaths, release their Spirits of Truth so that the whole of humanity, for the next 1,000 years, can embrace and progress in their soul development through Feeling Healing.

GLOBAL HUMANITARIAN FUND

Through the Global Humanitarian Fund, humanity is to be introduced to the processes of Feeling Healing and Soul Healing. Further, they will also become aware that our Spiritual Teachers of Truth for the next 1,000 years will be the Avonal Pair who will be handed this task from Jesus and Mary, and much, much more.

Crossover

This time, in the history of humanity, is the most exciting time ever experienced.

the Handover

This is the time that man is now able to evolve in its spiritual development. Man has endured 200,000 years of Rebellion and compounded this with the Default of some 38,000 years, now it has been provided with the guidance to put aside the negativities of the Rebellion and Default.

With the guidance that was provided through James Padgett (1914 through to 1923), man became again aware of the availability of Divine Love from our Heavenly Parents. This also heralded the handover. That is, the commencement of the end times of the involvement by Mary and Jesus in the spiritual affairs of humanity on Earth.

Soul groups that have been in place during Mary and Jesus' 2,000 year involvement with Earth have progressively handed over to soul groups that have been forming since 100 years ago. The older soul groups have mostly progressed on further towards Paradise.

The second revelation, that followed from the availability of Divine Love, is the processes of Feeling Healing and Soul Healing. The understanding of the Feeling Healing process is the most important of the revelations and should have been the first to be revealed. Feeling Healing and Soul Healing are being revealed through and by Marion and James Moncrief.

The soulmate pair, that are the first to complete their Soul Healing, and upon their deaths, they will release their Spirits of Truth which will unify with the Spirits of Truths of Mary and Jesus so that humanity, in whole, will have access to these knowings and guidance for the next 1,000 years.

Mary and Jesus, being responsible for the spiritual wellbeing and upliftment of the whole of Nebadon, are to withdraw from their direct involvement with Earth and hand over the responsibilities to an Avonal Pair who take individual responsibility for the spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds, in this case, Earth exclusively.

COUNCIL *of* ELDERS

For the next 1,000 years, via the Avonal Pair and the newly forming Soul Groups, Earth will be able to evolve through embracing Feeling Healing, and with Divine Love, one's Soul Healing. These newly formed Soul Groups are effectively 'Council of Elders' to assist humans living in the physical on Earth to enable all to be aware of the way to evolve.

With the absolute end of the Rebellion, this is the first time in 200,000 years that mankind, humanity, can take control of his and her destiny and evolve in love and truth for all eternity!

Throughout this coming era, our spiritual leaders will be an Avonal Pair, yet to be identified.

WE ALL ARE BEING GUIDED HOME:

We need the Spirits of Truth of the Avonal Pair to Heal ourselves; then once Healed, (and for support (overshadowing) as well through your Healing), we need the Creator Pair, Mary Magdalene and Jesus' Spirits of Truth to see us through the Celestial spheres, while at all times embracing our Heavenly Mother and Father.

Until Mary and Jesus died and liberated their Spirits of Truth, no one from any of the worlds could leave Nebadon, because no one knew the way to do so. Nebadon is our local universe containing some 3.8 million inhabited physical worlds and their associated spirit worlds.

When we embrace the truths Mary and Jesus are revealing, and start to do our Feeling Healing, or with Divine Love, Soul Healing, we are then freeing ourselves up from our parental and self control.

Thus our journey to Paradise, to the home of our Heavenly Parents, is of our choosing as to when we progress, however, there is only one way:

HUM: Humanity is to ascend. We are self contained. Our soul is always in truth and perfect at all times. **By living true to ourself, true to our feelings, we are living true to God. It's that simple.**

We are to recognise that being engaged and dominated by our mind is the wrong way for us to evolve and grow in truth. We are to discard the mind enslavement that has been imposed upon as by all of our parents. We are to express our feelings, both good and bad and free ourselves of the indoctrination that humanity has embraced worldwide.

Live true to your feelings, and you ARE living true, not only to your own soul, but also true to God's soul. So doing your Healing by honouring all your feelings, IS living the will of God. And being fully Healed, IS living even more truly the Will of our Mother and Father.

AVO: We are to embrace the truths and guidance of the Avonal Pair through their Spirits of Truth. It is the Avonal Pair's guidance that will lead us through our Feeling Healing, and with Divine Love, we will be able to ascend through the 7 spirit Mansion Worlds and enter the Celestial Heavens where we also interact with other world's spirits.

J&M: We are also to embrace the truths and guidance of the Paradise Pair, Mary and Jesus, who will then lead us through the 3 Celestial Heavens that are aligned with Earth, and then further on through Nebadon where we will then depart beyond on towards Paradise.

M&F: Beyond the universal zone of Nebadon, we will be guided by our Heavenly Mother and Father onwards through the universes to Paradise where we will be welcomed by them, home for us all, as we are all Children of God.

M&F

J&M

AVO

HUM

WE ARE Children of God

WE ALL ARE BEING GUIDED HOME – NOW, HOW TO COMMENCE THE JOURNEY:

GOD

M&F

For 200,000 years, we have been misled into embracing our mind's distortion of wisdom and truth. All such traditional understandings only lead us in the wrong direction, from which we must turn back from. Our soul based feelings are always in truth. Our minds are to follow our soul based truths and feelings, not the other way round, as we have been brought up to embrace.

We are to connect with our deeper repressed feelings.
We are to long for the truth of what we are feeling.
We are to live true to our selves; by living true to our feelings.

Use your surface day-to-day feelings to connect with your deeper repressed feelings. Express your surface feelings and your deeper repressed feelings to uncover the truth of yourself.

J&M

We all have feelings which we communicate and share with each other. And we all have deeper buried and hidden repressed feelings. Feelings from our early childhood we felt, yet weren't allowed to express. These feelings are still within us, waiting to have their say. These feelings, because they are repressed, cause us all our problems.

And as we look to uncover, bring out and accept these deeper feelings, so we're taken into new ways of looking at ourselves, our feelings, and our life. We're setting ourselves free of the controlling patterns that govern our unloving behaviour.

In this way, we progressively begin to express the personality that our Heavenly Mother and Father gave us, not the one imposed upon us by our physical parents and carers. We are to be our true and real selves.

By living true to ourself, true to our feelings, we are living true to God. It's that simple.

AVO

HUM

As we, humanity, long for the truth of our feelings, we can also be assisted by the Spirits of Truth of the Avonal Pair who are our spiritual teachers for Earth over this coming 1,000 years, to assist us through the Great U-Turn, away from mind dominance to being soul based feeling lead. They will assist us through the seven levels of the spirit mansion worlds.

Then the Creator Pair, Jesus and Mary, will lead us through Nebadon and into the greater universe. Then our Heavenly Mother and Father lead us home to Paradise.

WE ARE Children of God

Collectively, should we embrace them all, as we are to, then our pathway home is a journey in the hands of the Spirits of Truth of the Avonal and Paradise Pairs overseen by our Heavenly Parents.

HOW TO GET TO PARADISE:

The Key

- Long for the Divine Love
- Long for the Truth
- Long for the truth of your feelings
- Don't deny any feelings: accept, express and want to know the truth of them
- Know your feelings are the key; your feelings are the Way
- Want to end your falseness and being untrue
- Want to understand the truth of your early life
- Use your surface feelings to move deeper into yourself, bringing up your repressed feelings
- Want and long to know the whole truth of yourself
- Want to do it all with God, your Heavenly Mother and Father – long to Them for help.

Our longing drives our life. We long with feelings. We can wish for things using our mind, yet long for things with our heart. These things in the pyramid are what to long for. Longing for them, when the longing comes naturally. Longing because you feel you really want them. Long to be true with all your heart. Long to live true to your feelings. Long to understand the whole truth of yourself.

PARADISE TRINITY:

- 1. **Our MOTHER and FATHER (God) (MF) – Divine Love**
SOUL (God) – One SOUL that is expressing its two PERSONALITIES, our Heavenly Mother and Heavenly Father (Soulmates)
- 2. **ETERNAL SON (ES) – Divine Truth**
- 3. **INFINITE DAUGHTER (ID) – Divine Mind**

Then: The Second and Third Persons of the Paradise Trinity (ES and ID) are stepped down to the local universe trinity (Mary and Jesus, Divine Minister (DM), and her Holy Spirit.

The LOCAL UNIVERSE TRINITY:

- 1. **MARY M and JESUS** – Our MOTHER and FATHER – Love – the Living Truth
- 2. **DIVINE MINISTER** – Mind (and her Holy Spirit)
- 3. **HUMANITY – Natural love, sons and Daughters – Truth, and our Angels – Mind**

PLANETS that engage in REBELLION:

- 1. **AVONAL SOULMATE PAIR** – the Feeling Healing process – incarnate
- 2. **DAYNAL – TEACHER PAIRS** – they do not incarnate

So in summary:

Consider a diamond:

Mother and Father Heavenly Parents

Creator Son & Daughter
Jesus and Mary

Avonals
as soulmate pairs

Trinity Teachers
as soulmate pairs

Melchizediks – who have taken over from the Caligastians and Daligastians being also all as soulmate pairs.

Mortal Souls – human beings who individualise on Earth, then progress through the spirit Mansion Worlds, then into the Celestial Heavens, and beyond.

Mortal Souls – also being ascending spirits, upon completing their Soul Healing, join with their soulmate, then join their soul group of 24 mortal spirits, being 12 soul pairs. It is only as a soulgroup that anyone can progress beyond Nebadon.

The Paradise Pairs are all ONLY concerned with the SPIRITUAL wellbeing and upliftment of the planets and local universe. Currently to do with Earth:

Mary and Jesus – spiritual wellbeing and upliftment of the whole of Nebadon region.

Avonal Pair – Daynal pairs (Trinity Teacher Daughters and Sons) – Spiritual wellbeing and upliftment of individual planets and their associated Mansion Worlds.

The Local universal Sons and Daughters are all about the running of the worlds under their jurisdiction, and ensuring the higher spiritual elements can be employed, or sent astray, as in our cases through the Rebellion and Default.

Lanonandeks – Melchizedeks (and others, such as Life Carriers and Eve and Adam).

As the Lanonandeks all rebelled – the Lucifers, Satans, Caligastias and Daligastias soulmate pairs – so the Melchizedeks have taken over their roles, as well as doing their own.

So the Melchizedeks are the governors, overseers, the administrators and advisors and so on for Earth; they are the ‘controllers’, and they will instigate all that needs to be done to do with the ending of the Rebellion and Default. And they will enlist the willing help of ascending mortal pairs, so the mortal Celestials spirits (soulmates when available, and others waiting to unite with their partner), and at times mortal spirits in the Divine Love Healing Mansion Worlds. And the angels help all of us.

Currently the whole of Creation exists for the ascension of mortal souls from their earth planets to Paradise. It’s all one vast Grand Ascension Scheme. With all the higher and lower spiritual Daughters and Sons, together with all the many different angels and other universal spirit personalities, and even including nature and our very own pets, assisting women and men with their Ascension Journey. It being: and Ascension of Truth. Everything we do is done to help us grow in truth. (Only everything we do in our negative state is to deny ourselves our truth from our feelings, which is why we have to do our Healing.) All women and men are ascending (or growing) in truth through their experiences. And as we grow in truth by looking to our feelings to show us that truth, so we’re ascending, moving inwards and upwards through all the worlds and spheres of the Grand Universe to one day arrive on Paradise and meet our Heavenly Parents. God is providing us, Their children, with this spiritual journey called our Ascension of Truth. And by living true to our feelings, so we are progressing on our true Spiritual Path – our Ascension Path.

CREATION of SOUL and SPIRIT:

God is *The Paradise Trinity* — the eternal Deity union of the Personalities: the Universal Mother and Father; the Eternal Son of Truth; and the Infinite Daughter Spirit of Mind.

The soul of each human personality (sons and daughters of truth) is existential, driving our personality expression in the experiential. The soul of each human finds truth by embracing one's feelings and longing for the truth of them. We are to attain the Eternal Son of Truth. We are a creation of Truth.

The soul of angels is experiential, evolving through their experience by continually progressing in mind development. Angels are to attain the Infinite Daughter (Spirit) of Mind. Angels are a creation of Mind. Our soul is duplex (we have a soulmate) and is created by our Heavenly Parents. Through our Feeling Healing we perfect ourselves enabling the union with our soulmate, as we progress in truth up through the Mansion Worlds, celestial heavens and all the way to Paradise.

Feeling Pathway

Mind Pathway

Soulmate Pair

Angel

Spirit Person

Nature Spirit

The soul of angels is also duplex, yet of the mind, and they progress in mind evolution to Paradise. Animals, plants and nature spirits are also creations of Mind.

Neither we nor animals reincarnate. We never die; upon death, we move into the spirit Mansion Worlds on our journey to Paradise. When animals and plants die, be they the tiny microbe to the mighty elephants of the land and the whales of the ocean, their spirit energy returns to the Spirit Collective Energy. And from this energy are drawn other animals and the nature spirits, who then in turn move onto becoming angels through increasing mind experience.

A nature spirit is an angel in waiting.

DIVINE LOVE HARMONY:

Immortal harmony:

Transformation of the soul is a beautiful harmonious gradual awakening.

In a gradual way with the Divine Love and Feeling Healing, as changes in the soul and spirit body occur, these changes will result in the personality slowly accepting the source of these changes as being the Soul God and with the independent will, one can have complete acceptance of our Heavenly Parents, Mother and Father, God.

People have loved God and felt loved by God and they have in deed received the Divine Love without ever knowing the truthful identity of this Love insofar as the truths relating with its causality in the human soul and affect upon the spirit-mind.

Part of the nature of the Divine Love in our souls is that it activates our spirit body systems and soul so that the nature of God is seen and experienced in the living and this places us in touch with the many Spirit attributes that extend from God and have their existence in God, such as our Indwelling Spirit. God no longer remains inactive to us; inert, inanimate, or an unknown but rather a Soul of living energy whose energy in the harmonies of Love and Spirit, is personified as love that we experience. If I can convey the essence about the nature of Divine Love it is that in its energy, exists the harmony and potential so that one can see the potential that this Love brings to bridge the gap of separation between the individual and God by the harmonies of soulfully living.

The Divine Love completes the form of the human being.

In essence, one need only direct their soul and the heart of their soul to our Heavenly Parents, the Soul being God, and in this faith one can experience the Love by humbly asking for this Love. This is all that is needed and the touchstone upon the Love's approachable nature.

The Love is never harmful or given by God that results in a caused effect of disharmony in the individual. The diversity of human individuality is a great characteristic of human nature and as with experience, one needs experience to ascertain a truth about a certain thing. Experiencing the Love provides a substantiated knowing from which a more objective reasoning follows and a maturity happens.

UNCRUSTING the SOUL:

Our will power, applied as strenuously as humanly possible, appears to achieve little progress in developing the loving sides of one's personality and even less progress in lifting negative and difficult character traits, but progress is achieved all be it slowly.

Our soul, blessed with natural love character traits and is the home of our personality, becomes rapidly encrusted by the personality issues of those within our environment, commencing from the time of conception and culminating, typically, by the time we are of the age of seven. We reflect the encrustments of our parents and of those within our environment. Our soul always remains perfect though it can become as dark and restricted in capability as a dried up garden pea, covered in error and negativity.

Should we earnestly and lovingly ask our Parents for Their Love, we will receive Their Love, the Divine Love, conveyed to us by the Holy Spirit, and with this Love in conjunction with one's Feeling Healing that dissolves these encrustments, these negative emotional injuries and errors, slowly but surely. This crust that has developed around our soul, our real self, will slowly be broken down and then lightened, and as it diminishes our soul begins to absorb more and more of the Love and then grows in size and vibrancy.

The Divine Love when it first comes, usually comes with very gentle feelings. As we grow in sensitivity to our errors and are penitent in addressing these issues, the Love will grow and grow in our soul thus lifting us from fear and anguish to that of a blossoming personality radiating love and joy for all within our presence. Our journey home will have commenced, never to return to times of doubt, depression, fear and harmfulness.

Enjoy the journey with the Love of your Creator and Indwelling Spirit guiding you home.

UNIVERSALITY of our HEAVENLY PARENTS' GIFT:

By embracing the eleventh commandment:

"This is my commandment, that ye love one another even as I have loved you."

Golden Rule: that one must always honour another's will as one honours one's own.

Our soul condition steadily grows in love so that we step away from:

Any harm that we may cause to others which will also bring about consequences.

Also as our soul development progresses, our self love grows which also enables us to step away from:

Any self harm that we may cause which also will bring about consequences.

And to move along this path we simply develop our embracement of:

God's Divine Love; pray for it, ask for it, and receive it.

Or it may be even as simple as the caption below:

Oliver Twist asked:

Please, sir, I want some more!

Maybe we could simply ask:

Please, Heavenly Parents, I want some more!

Never can one man do more for another man than by making it known of the availability of the Feeling Healing process and Divine Love. JD

VISUALISATION with LONGING:

Holy Spirit infusing Divine Love.

Progressive escalation of Divine Love flowing.

Visualise yourself as you were when young and with an empty bowl, and then thankfully ask the Mother and Father for Their Love – Their Divine Love:

"Please, Mother and Father, I want some more."

The LOVE that brings about FORGIVENESS:

This Divine Love, and by this I mean the only way through which salvation can be obtained, can enter and fill the soul through the sincere longing of the soul to assuage the thirst for at-onement with the Father through prayer.

Revelation 17 – November 12th, 1960

The only way for man to achieve forgiveness of sins is through the obtaining of the Divine Love or through purification of the natural love, a long and tedious process that fits the individual soul for a place in the Sixth Sphere.

Revelation 50 – October 18th, 1954

Divine Love fits a personality to enter the Celestial Heavens, way above the 6th Sphere. Without this Love, man cannot enter the Heavens. It is this Divine Love that brings about immortality for man.

This great Love of the Father was created or rather has always been, for the redemption of the vilest sinner who seeks and believes.

March 24th, 1915 – Ann Rollins

Only the Divine Love can give man of a Divine Nature, and that no self development or cultivation of the Natural Love to the greatest and most sublime extent are sufficient to make man at one with the Father in the divine sense and which makes the spirit a partaker of this Divine Essence of the Father. One needs to come to understand the difference between the two loves and what the New Birth means.

March 24th, 1915 – Jesus

Immortality with the Love.

Long and pray for Divine Love and it will loosen the errors / injuries / unhealed / denied trapped and/or inherited emotions, resulting in a flowing out, when one embraces Feeling Healing, of these negative embellishments within one's soul as Divine Love flows in – Divine Love being the greatest gift in all the universe.

SPIRITUAL REVELATIONS and the REINTRODUCTION of DIVINE LOVE:

Six hundred years before the coming of Jesus of Nazareth, there were several world teachers introducing progressive spiritual and loving teachings. After the time of Jesus, we waited six hundred more years before another world teacher delivered upon Earth a spiritual platform.

This has occurred again during the 1900's with the delivery of spiritual teachings that continues today.

These gifts for humanity started with messages successfully conveyed through James Padgett on 31 May 1914. Between 1914 and 1923 some two and half thousand messages were documented. A student of Padgett's messages, Dr Daniel Samuels, continued the work from 1954 to 1963. A student of both these works received the Judas Messages between 2001 and 2003. Students of all these works are now recording and publishing further expansive materials; both the Richard Messages and the Divine Universe were received during 2012 to 2013. Thus this program has been in progress for 100 years.

Currently, there are further supportive publications. As one investigates these revelations and develops their own soul condition then one can perceive further possibilities and the resulting questions lead to further development of the material. It is most apparent that these communications will continue to develop greater and more spiritual explanations.

By the middle of the second century, much of what Jesus of Nazareth taught was lost. Most importantly was the loss of his teachings regarding Divine Love, the Spirit Love, that **all** can receive should they so ask:

God's Divine Love, pray for it, ask for it, and receive it.

The experience of living with Divine Love is now the blessing of many. Those with this love have a burning desire to share their experience with others. This is what we will do.

Yes, D____, it is I, Peter, disciple of the Master, a Celestial angel and one of your special angel guides. I come to you today because I want to introduce myself and to commend you on all the fine work you have been engaged in and are now furthering by way of developing your mediumistic talents to new heights of receptivity and excellence. (Those within the Celestial Heavens, 8th sphere and above, are often referred to as angels.)

As you know, among the initial disciples of the Master, I was the one who carried the most authority after the Master left us to start his new Kingdom in the Celestial Realms. None of us were really that cognizant of the Master's true message until we experienced that great joint inflow of the Divine Love at what has been referred to as the Pentecostal visitation of the Holy Spirit. Indeed, that experience was the clincher and very necessary in order to prepare us for what was to come. Going out into the world to carry on the work of Jesus was no small task, and it was one fraught with danger for us all. Roman officials and many of the high priests in the Sanhedrin and synagogues were not open or sympathetic for one alleged malefactor to be followed by a whole band of them espousing what Jesus had taught and died for, and which they had hoped would be an end to such preaching with his death.

As I say, we needed to summon all the courage we could to pick up where the Master left off, and to face the threat of the very same fate he had to endure. But we found that courage, not in our human strengths but in the strength that the Divine Love provided us with. But, even so, it would have been initially impossible and fatal if we had simply picked up where Jesus left off and openly preached to the people. Our meetings had to be held in secret – in catacombs under Rome, in caves, and in other concealed places where we could not only teach but also pray without disturbance or fear of discovery. Those were most difficult times and one might say that our days were numbered before the authorities of that day would search out our leaders for purposes of permanently silencing them. Most of us were eventually caught and executed, but thanks be to God, not before our initial work of preaching salvation through acquisition of the Divine Love had taken hold among many of the Jews, and even so-called pagans, Greeks and Romans. Our deaths were unfortunate in depriving many of the leadership that the people needed and expected, but our loss and theirs did not destroy what had been originally gained during our relatively brief ministries in the way of converts and true followers of the Master.

What began as a trickle became a stream, and, after our era, the stream became a river, and then an ocean. Christianity is quite widespread today, but, as you know, the intervening years of religious development had its problems and, unfortunately, **errors of all kinds began to creep into the original teachings, the most significant early landmark of this being in the reign of Constantine where the absurd dogma was imposed that God existed in three persons and that Jesus was one of those persons. Other blatant errors followed through the years and, today, we find that the Master's original teachings have been so emasculated that all of us wonder how such wonderful teachings could have been so poorly passed on to the point that one can hardly distinguish truth from fiction any longer in many of the so-called major denominations of Christianity.**

If it wasn't for the work of James Padgett, Dr. Daniel Samuels, Eugene Morgan, Dr. Leslie Stone, John Paul Gibson and others, we would still be in a dark age of understanding with little hope for any light of Truth breaking through and shining forth.

But when I mention these wonderful pioneers of this new age, this is not to neglect all the good souls who have picked up where they have left off, and have carried forth our corrective movement even further toward the Truth. This would involve such as are in the present church and its branches today – names too numerous to mention here, but I am sure you are aware of most of them now actively working to spread the Master's original teachings far and wide at this time.

My work with you and with others will be mainly focused on helping to overcome emerging difficulties ahead. Just as we had to face public censure, the days are fast approaching when the orthodox religions of today are going to attempt to discredit all the work you and others are engaged in. Organized religions, as in our day, do not like interlopers coming in and upsetting their apple carts and seats of authority. Religion, among other misused things, can often be designed for both business and power. And once established, the desire to remain wealthy and omnipotent is not easily shaken or destroyed. Those in power want to remain in power, and means necessary to do so can be varied and quite punitive in nature.

It is when our church begins to encounter strong opposition to our movement that my work of support will become more active and paramount. People in power have not changed since my days on Earth, and I did learn a thing or two about how to best deal with those who would usurp the Power that comes from our Father alone. Helping you all over the rough spots will be my primary task, and, with you being one of the leaders of our movement, it was felt that I should especially offer my services to you and other such leaders when the going gets rough.

This is not to say that I am not here to help you in any other ways I can. But, in terms of mediumship development, for example, you are already in very good and competent hands and my input is not necessary for this phase of your development.

So, my beloved brother, in a sense, you are inheriting some of my mantle of authority in our working together. I want you to know that you can always count on me for being there when you need me. Together, we will see to it that harmony and peace will reign so that this most important work of building the Kingdom can proceed in all due haste and without any serious interruption or interference. I love you, my brother, and I am looking forward to a long and happy association with you, and I am happy that I was able to come to you today to reveal both my presence and the capacity in which I will be working with you as part of your immediate spirit band. The Master is with me now and wants to add his love to mine in helping you continue with your wonderful work and development. I am

Peter, apostle of the Master and one of your special angel guides.

NOTE: As of a result of the teachings conveyed through James Padgett, during the period 1914 -1923, those with mediumistic gifts, who have become aware of the Love and improved their own soul condition by receiving the Love, have been able to receive subsequent teachings. These teachings mainly come from those from within the Celestial Heavens being spheres 8 and above. Messages have now been received from around 1,000 spirit people, predominantly from those within the Celestial Heavens, with these core teachings now extending well beyond 6,000 pages and growing. In recent years there has been an escalation of the volume of teachings and there appears to be no end to what we will be gifted with by our Celestial friends in this way.

We have now, clearly, the opportunity to move out of the dark ages and the ability to enable humanity to lift itself above the conflicts and chaos that blankets the planet. This we will do with the Love.

“Messages from Spirit” received by Joseph

A NEW BEGINNING (AGAIN)

Wednesday – November 12th, 2014

Woke early today – at 4:00AM; in my office, read a few emails (one from Geoff relating to the date of Dr. Leslie Stone’s death, either January 6th or January 15th; the second from Bishop Brian relating to the copy of the message I received from Luther and “Pentecost”) ... then to prayer. Prayer again was rich; feeling very grateful. Emphasis on the fact that the Divine Love is not about religion, dogma or doctrine, but about individuals and their experience with God. My specific prayer at this moment is that I be open to a spirit communicating with me. I wait ...

Good morning, Joseph; yes, it is your friend Martin – Martin Luther. We are all here; we were pleased to be with you as you prayed. We love the prayer that Jesus gave, and we enjoy the experience of joining with you as you pray this prayer. The way that you pray this prayer is never the same; it shows that you have not made a ritual of it, and it is not mere recitation.

We are aware of your concern – that you shared the message we gave to you two days ago, that you shared it with your friend in Australia. We wish to say that we are pleased that you did this; we are happy to know that he shared it with the B___, for the core of that message is that the call to individuals is going forth, and his response was positive. It is confirmation that you are not singled out as the sole voice of Celestial spirits. You are one of many, and we acknowledge you have a sense of relief, and that you appreciate this clarification. There are many others on Earth that are responding to the call from Celestial spirits, and we are happy that you are among those on Earth responding to our call.

Nonetheless, Joseph, do not be hasty. We want you to feel free to share our messages as you will. Yet, we ask you to be attentive: Look and observe, study and become more aware of the evidence of the multitude of ways that we Celestial spirits are giving voice to the movement of the Father’s Spirit to bring the message of the Divine Love to light – to the awareness of increasing numbers of people on Earth responding to the Presence of Love – the Divine Love. Open your eyes and ears and you will behold a wonderful thing happening on Earth at this time.

We have observed your various responses to our message of a few days ago. Your response is the actual evidence of our continuing presence and influence. Yes, you are correct in that you sense the call to prepare for a new Pentecost. However, we are not looking to gather people to one specific location – to an assembly in a building of any sort. The call we are issuing is not to a church or a conglomerate of churches; our call – the Father’s call – is to individuals throughout the world. It is a call to individuals to respond to the promptings in their heart (feelings) to the presence of love. The feelings people are experiencing are real. It is a call to be open to the influence of Love; it is a call to receive Love, to accept it and allow it to flow freely into the heart (the soul). Our desire is to see individuals begin to feel loved and accepted by their Creator – our Heavenly Father. It is the time to experience the true essence of brotherhood and the importance and worth of each and every individual on Earth.

You will assist us in this effort; your voice will help; you will join with the voices of many people who know what is happening and are telling other people what it is they are experiencing has its source in heavenly places. This is the new Pentecost, Joseph; it is reaching out beyond the walls of sectarianism and religious institutions representing hundreds of conflicting doctrines and dogmas. This new Pentecost is the breaking down of the walls of separation that have been constructed that have divided humanity into thousands of separate groups. The Spirit of Love cannot be institutionalized, nor can it be bottled into separatist groups. Our Father’s Love is for the individual human soul; it is for each and all of us – humans on Earth and spirits of mortals once on Earth and now living in the spirit world.

This is not my voice alone that is assisting you to write these worlds. I am Martin Luther along with many preachers of old; we are many voices. Yes, even our beloved Master is present – Jesus our elder brother and friend; he also is attending the writing of this message. The call to humanity is originating from the Celestial Heavens, and it is intended, not just for your ears alone, it is intended for all humanity on Earth.

Allow the message to go out into the world. And may all that see it and hear it respond to further the work of making known the Presence of God's Great Love to all on Earth today.

Broadcast this message to as many as possible. The Spirit of the Father is moving throughout the world; each and every individual is being visited. This is the word that must go forth. Do what you are able to do. Do not hold back; do not hide the word. What we give to you, turn and give to others. And encourage those that listen and hear to do the same.

The master has said, "The Father's Love is reaching out to all the world; the Divine Love is waiting for each and all." Help others to see and realize the truth of it. Not one person is excluded. Divine Love is for all people everywhere.

We have written enough for now. Blessings to you, Joseph, and to all who read our message to you.

I am Martin Luther with a large company of Celestials. We are one.

Late Saturday – November 29th, 2014

I have not written a message in over a week and I don't feel guilty or negligent. This is new for me. Today I feel anxious as I anticipate a Celestial friend to come near to write. I pray that I am open and in relative good condition to receive a message from spirit. I feel that I am, and I wait to see who it is that shall come to write.

I am here, Joseph, and I do have a message that I wish to give. Yes, I realize that you did not pray in your usual way – which at times can be very long. You did have true soul longings for the Divine Love which, as you know, is faster than formed thought, and sufficient for the Father to hear and answer.

You have the thought that it is your elder brother, Jesus, who writes this, and you are correct. I have not had the opportunity like this in a very long time, and I do have a message for you and all your friends.

It is time, as your friend Geoff spoke during the recent Divine Love Retreat in Washington, DC. It is time for all my friends on Earth to reach out in a host of ways to mankind with the message and demonstration of the availability of the Divine Love. Many persons are having experiences that are directly related to the Divine Love, and yet they have neither knowledge nor awareness what it is that they are experiencing. You and all others who are aware of the existence of the Divine Love and know something of its purpose and effect in human lives, must begin to reach out to these individuals to help them realize that it is God's Great Love that they are experiencing. **Love – the Divine Love – is really the only answer.**

Joseph, it is time for you to make yourself known in your community, and to do this you must make yourself available and accessible. Martin Luther has been guiding you and your response has been good. This coming week will be the time to begin your public appearance. We will be present to assist you. You will not know the particulars of our help until you are present at the meeting on Saturday. At this

time, today, as you are writing this message, what we are saying is only a very small fraction of the influence you will feel one week from today. I am as anxious as you are. We will not force our presence upon those attending the meeting, yet, to those who will be open, they will feel something uniquely different. When you speak you will have clear vision of the change that came to you when you began to read our messages to mankind given to James Padgett. What you say will have influence with listeners because we will be present to each one. They will remember and some will even express a desire to hear more about your experiences. With our presence and influence it will be a memorable event for many. Please remember that we will not exert pressure in order to force their attention. Hungry souls will open to our presence. This is all that I need to say at this time about the meeting that you will attend next week Saturday.

I do want to encourage you to continue to be open and willing to record messages from your Celestial friends. I am happy that your own father, Andrew, came to write and to be a member of the band of helpers assisting you at this time. Andrew's presence has given you deeper confidence in the work we have planned for you to do. Your mother and others in your family are also present to encourage you.

Our task is not easy, for you are not one to quickly step forward into the public eye, but we see that you will. I come to encourage you and all who read this message, that each person with the Divine Love has a similar work as Joseph. He is not singled out. Each person is called to speak of your experience in receiving God's Love. Do not be afraid or hesitant, for Celestial angels are with you. It is time that each one do his/her part in fulfilling the desire of our Heavenly Father that all His children everywhere hear the Good News of the availability of the Divine Love, and the possibility of the transformation of the human soul. Our prayer and hope is that others will see your personal transfiguration. Your family, neighbours and friends will notice the change happening in your life; do not be shy to tell them exactly what it is that has made the great change in your life. You have received a good portion of the Divine Love. Some of you have been enjoying this process many years. As you step out in faith you will experience even greater inflowing of the Father's Great Love.

The light of Divine Love is within you and it cannot be hid. You have the truth and you are the truth ... it is within you; it is the Divine Love, the substance of our Heavenly Father's Great Soul. Relating to matters of receiving the Divine Love, you realize that it is only you who can prevent this love changing you into a Divine Angel on Earth. So your life is about the Divine Love revealing its transforming power in your life, so that others may see and cause them to wonder what this change is that they see in your life. Only you can prevent the visibility of the Divine Love in your life. Do not attempt to hide this from others. It is time – the right time to allow the manifestation of the light of Divine Love in you to shine in all the dark places in your world.

Well, I have written enough; it is a long message for Joseph to record.

Let me close the, by saying this: Be who you are – the beloved sons and daughters of your loving Heavenly Father. All are His children; all are the objects of His Great Love and most tender care. His Love – the Divine Love – is waiting for all.

With the Love and Blessings of the Father, and my love and blessing,
I am your brother and friend,
Jesus.

What is the Divine Love?

"The Divine Love is that Love which belongs to or is a part of God, possessing Their nature and composed of Their Substance, and which when possessed by man to a sufficient degree, makes him divine and of the nature of God." – **Jesus**, in a message received by James E. Padgett through spirit communications on May 15, 1917.

"The Divine Love of our Mother and Father is the greatest thing in all the world, and the only thing that can make man at-one with God, and change the soul of man as it has existed since his creation into a divine substance filled with the essence of our Mother and Father. There is nothing else in all the universe of God that can cause man to become a new creature and an inhabitant of our Mother and Father's Kingdom; and when men possess this Love then they possess everything that will make them not only the perfect man but the divine angel." – **Apostle John**, in a message received by James E. Padgett on August 5, 1916.

Please Mother and Father, may I receive Your LOVE.

Our Heavenly Parents simply desires for us to ask for Their Love.

EXPERIENCING RECEIVING DIVINE LOVE:

Be still and quiet; reflect in silence. Love is present. Keep asking, longing, and never cease: this is your part. It is your cooperation actively engaged that brings the transformation and continues the process.

You cannot see it; sometimes you will experience it as simple quietness and calmness. This is as pure and real as any other experience, whether demonstrative joy through laughter and dance, or other expressions.

Divine Love is present; it is always present. It does not fade or disappear. Rest, relax and breathe. Pray and wait.

Maintain daily prayer and meditation. When you do this you are building a home for the dwelling of the Divine Love. Your continual invitations establish an attitude of welcome to the Divine Love. These build a bridge for the Divine Love to carry you to new and higher levels of change and transformation: places of new realms for your soul growth and development.

The Voice of Divine Love

~~~~~

As the receiving of the Love is always assured when longed for and asked for, the experience of receiving may become apparent by the occurrence of a warming embrace in the region of the third eye chakra, or with some, around the heart chakra region. This may be very subtle and gentle for some and may be for a few moments or extend for some time. Many do not physically feel the Love embracing them and this is totally fine, nevertheless the Love is being received.

On a few occasions, one may feel the love through the third eye region and then feel it expand as if it were to become a warming buzzing 'hat band' progressively expanding around one's head. This can intensify and feel as though one's cranium is about to pop off! Should this continue to intensify, then the sensation may flow down one's main meridian to the base of one's spine. Now that is something else! Relax and enjoy the great gift for this can be an experience that may continue for a short while or for quite some time.

Always, when one longs for the Love, it will shower over one's body and be absorbed in through the spirit body chakras into one's soul. Occasionally the Love will overflow from one's soul and some will reside within one's spirit body. At no time will you be discomforted. This light golden blue energy substance is the ultimate high octane super fuel gifted to us by our Heavenly Parents to us all.

**DIVINE LOVE:**

<http://www.fcdt.org/divinelove.htm>

The words "Divine Love" have been used in many contexts to convey different meanings. But in the context of our Heavenly Mother and Father, Divine Love is the greatest gift in all the universe. It transcends all else that can assist humankind fulfil their dreams of happiness and have them resolved within themselves. God's Divine Love is the one thing in all of God's infinite universe that can bring about eternal life and everlasting happiness in the Celestial Kingdom.

***What is Divine Love?***

The Divine Love differs from the natural love of man with which he was endowed when created, which belongs to all humans, and which they all possess in a more or less perfect condition in this: that the Divine Love is that Love which belongs to or is a part of God, possessing Their Nature and composed of Their Substance, and which, when possessed by a human soul to a sufficient degree, makes him divine and of the nature of God.

***What is the New Birth?***

The New Birth is simply the effect of the flowing of this Divine Love of our Mother and Father into the soul of a man and the disappearing of everything that tends to sin and error. As the Divine Love takes possession of the soul, and one embraces Feeling Healing, sin and error disappear. It, the soul, becomes of a quality like the Great Soul of our Heavenly Parents. And with the Soul of the Mother and Father being Divine and immortal in Its quality of Love, so, when the soul of man becomes possessed of this quality of Love, the soul being the man, this soul becomes divine also. Then, the image becomes the substance; the mortal becomes the immortal; and the soul of man, as to love and hope, becomes a part of the Mother and Father's Divinity.

***How does one receive the Divine Love?***

The only way is simply this: that men shall believe with all the sincerity of their minds and souls that this great Love of our Mother and Father is waiting to be bestowed upon each and all of them; and that

when they come to our Mother and Father in faith and earnest aspirations, this Love will not be withholden from them. And, in addition to this belief, that they pray with all the earnestness and longings of their souls that our Mother and Father will open up their souls to the inflowing of this Love, and that then may come the Holy Spirit to them to bring this Love into their souls in such abundance that their souls may be transformed into the very Essence of our Mother and Father's Love. The soul who will thus believe and pray will never be disappointed, and the Way to the Kingdom will be his as certainly as that the sun shines by day upon the just and unjust alike.

***Take the test.***

Too often we are told to believe something based on what we are told. You don't have to "believe" anymore. Now you can have physical proof of the existence of God and Their Love for you?

*"test my teachings that the Father's Love was now available, and pray for it to the Father in earnest prayer, and see whether, if this was done in sincerity, the Father's Love, conveyed through the Holy Spirit, would burn and glow in the soul, by which sign they would realize His Love was present therein." – Jesus*

Take it to heart – earnestly pray for God's Divine Love and feel the glowing of Their Love in your soul. Jesus gave us the Prayer for Divine Love to help us in our prayers to our Mother and Father.

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

**UNIVERSALITY of the LOVE:**

**Should you be open to and communing with our Heavenly Parents, our Mother and Father, no matter who you are and where you are, your desire for Their love will be showered upon you. We do not need to be anywhere in particular or be receiving guidance from any particular person, our relationship with our Heavenly Parents is a very personal one to one communion that can bring about a flow of Their Divine Love into one's soul anytime we desire as often as we desire, anywhere we may be no matter what we may be doing. It is our choice and our free will that only needs to be applied. Embrace and enjoy the Love.**

**Please Mother and Father, may I receive Your LOVE.**

## The Gift that keeps Giving

*A general universal platform on how to experience Divine Love*

As more people become aware of the *Divine Love*, how to experience the Divine Love required a need to provide a general universal platform that is simple yet an effective way for one to experience *Divine Love*. People may learn about the availability of *Divine Love* by word of mouth or from reading literature that introduces this gift for our soul, and also by participating with group dynamics where the *Divine Love* is introduced and discussed. The essence of this standard platform is its independence so that the individual may feel guided to include this simple platform in their daily life and experience of *Divine Love*.

The platform introduced here is a technique that is simple, constant, practical and has been utilised in the general public for over 20 years with good consistent results, accommodating participants and their diversity of belief and cultural background. This platform is a reliable place to begin with the experience of *Divine Love*. It needs to be confirmed that accepting *Divine Love* rests with our soul and heart and that to experience this Love will comfort one in their individual faith experience as we all aspire toward the greater reality of Love, Truth and Spirit.

### A Universal Platform on How to Experience the Divine Love:

Firstly, you are aware now that you can experience the *Divine Love*.

Find a comfortable chair; sit down in a relaxed and normal position.

Close your eyes and take 3 deep single breaths in through your nose and out through your mouth to clear energy and to relax into this experience. Have a little faith and proceed without great expectations.

Gently turn your inner heart and voice to the Soul, God in faith when you feel ready, ask the Soul, God with your own loving voice for an inflowing of *Divine Love*. Having asked sincerely, there is no need to continuously ask. The Soul, God hears sincere love in the asking and so The Spirit that brings the Love acts, and *Divine Love* is now flowing.

Having asked once, you will be receiving the *Divine Love*.

Proceed without expectation on what will happen as you experience the Love.

Sometimes your mind may wander – or there are thoughts, feelings or physical sensations. Experiencing the *Divine Love* is never a forceful experience.

Continue for as long as you feel you would like to. This may be for 5 minutes or 20 minutes or an hour. Time will vary for the needs of the individual or group.

Take another few deep breaths to assist your focus. Give our love to the Soul, God and in our own voice inwardly say this Soul, God that you love this Soul and are grateful to receive this *Divine Love*.

Then when you feel ready, open your eyes and take another deep breath or two, and this closes the experience.

### Some helpful hints:

- This general universal platform on how to experience the *Divine Love* is uncomplicated. Some people have utilised this platform for over 20+ years, never needing to change.
- The essence of this standard platform is to experience the *Divine Love* in a comfortable way therefore this technique needs to be simple, effective and inclusive.
- Experiencing the *Divine Love* can be a long-term experience so to have a practical, simple, functional standard platform solves a lot of problems about *how* to experience the *Divine Love*.
- From this general platform people who like prayer or meditation, reflection, spirit communication, or just being *in* and *with* the Love can extend their experience from this standard position.
- Lastly, enjoy! And know that when a person is experiencing the *Divine Love* that one is in the tender care of the Soul God, and that no spirit interference will happen, for no spirit can interfere with the Sovereignty of *Divine Love*, which is God's Alone!
- Enjoy, Celebrate and Shine!

A gift of experience from Zara and Nicholas endorsed by many, many others.

## **DIVINE LOVE – what does it do?**

The divine gift from asking for and receiving Divine Love will steadily, but with certainty, raise one's quality of life and also of all those around such a person who is seeking and receiving this Love.

The receiving of Divine Love, which is a substance, with certainty, progressively:

- Raises one's love for those around them, whilst embracing one's Feeling Healing.
- Raises one's perception of all things – naturally grows one's intelligence – soul intelligence.
- Enables one to feel and resolve negative emotional issues more readily during Feeling Healing.
- Humility becomes self evident. Humility enables one to feel their errors and emotions.
- Divine Love strengthens one's resolve to express errors, emotional injuries and untruths.
- Divine Love with Feeling Healing to remove emotional errors, enhances one's health.
- Divine Love enables one to become more childlike – not adult serious at all times.
- Divine Love raises one's capability of feeling – no longer needing to be mind controlling.
- By becoming feeling orientated, one no longer is mind / intellectually dominated.
- The strength to fight and overcome sin and error is strengthened through the Divine Love.
- The Law of Compensation process is more resolved by Feeling Healing with Divine Love.
- Receipt of Divine Love grows one's faith, beliefs become faith and then knowing.
- As our faith grows our intensity to ask and then receive Divine Love grows.
- We begin to follow our passions and desires, no longer fear and mind driven.
- Truth being told at all times then progressively becomes a way of life.
- Our quality of life blossoms, our finances and relationships prosper.
- Man creates his own environment, seeking Divine Love can vastly improve one's environment.
- Health carers receiving Divine Love enhance healing outcomes beyond comprehension.
- Receiving Divine Love may assist in bringing a struggling marriage back into harmony.
- You progressively become dependent upon our Heavenly Parents, not self dependent.
- Personal growth in love directly assists the soul condition growth of one's children.
- Divine Love assists one's rate of soul condition to progress whilst embracing Feeling Healing.
- Divine Love is a substance that changes the human soul to that of the Divine.
- Without Divine Love, one cannot progress into the Celestial Spheres (8<sup>th</sup> sphere and higher).
- Divine Love, with Feeling Healing, enables everlasting Love and Life in the Celestial Heavens.

“The Law of Compensation doesn't operate on isolated actions, but on the overall condition of people's souls, because the deeds are the consequence of this condition. Our behaviour is the reflection of our souls. Never see isolated deeds, always see souls whose condition leads to certain deeds. It is the soul condition which determines the motive and consequently the action. It is our lack of trust in God, this ultimate and definitive trust, which only soul development may give us. This lack is why we suffer.”

Judas of Kerioth 5<sup>th</sup> October 2001

As you grow in love, illness issues abate, financial security improves, and your treatment of your fellow man is the same as how you would like to be treated. You grow in natural intelligence, your perception on many subjects becomes profoundly more loving and supportive of and for your way of life and how you interact with your fellow man.

This quality of life and love permeates and extends into every facet of your physical life and continues to grow as you progress on your journey within the spirit world.

Your capabilities to ask for and receive Divine Love is a gift between you and your creator, God. You do not need an intermediary, nor do you need to join with any organisation. This is your own personal journey and experience. You can share this with others, but no one can take it away from you.

This Love will elevate the human soul to a condition that it may perceive the spiritual truths which God has waiting to be revealed to Their children who aspire to understand the nature of the divine and what their true relationship to Them and their family of souls is.

“Keep faith with God, and be open to Their Love, and you will overcome with confidence and, indeed, peace of mind, optimism and happiness, those circumstances that seem to mar the fulfilment of your years.” Mary (mother)

**‘The difference between what are regarded as two paths, the Natural Love Path and the Divine Love Path, is, essentially, the amount of Divine Love that beings have been able to acquire.’** Quote from Celestial Spirit Richard 22 Dec 2012

The way in which the Spirit conveys the Divine Love into the soul is a beautiful miracle. The attribute of mortal soul prior to incarnation has to it, a potential within it that is part of its formed nature. After the soul incarnates this potential remains part of the soul and even if the forming personality is unaware of such a soul potential, the potential still exists. The Divine Love is entirely suitable in its energy of harmony to be the energy that a mortal soul can utilise. The Spirit covers the spirit body when the individual sincerely asks the Soul of God for the Divine Love and this covering of the spirit body is where the dynamic of this beautiful miracle takes place. From the internal longing of the individual for the Divine Love this activates the Spirit Law that activates the Spirit that is then attracted to the spirit body upon which the Spirit material of the spirit body draws the Divine Love in to its soul and this union completes. The key here is to gain a perceptive insight into realising that the spirit body is not an inert body but that it is living and has activity, recognisable from its first forming from the Spirit Law that materialises a spirit body. The Spirit and the spirit body to give an analogy are like two attracting magnets and when the surface of the spirit body is touched by the Spirit, this causes the automatic response of the Divine Love to permeate into the attribute of soul and so begins the transformation of energy from the natural into the Immortal Divine Harmony. If the individual continues the receipt of Divine Love, the energy that is Divine Love actively begins to change the soul and this is felt in the spirit body systems and can produce feelings of love and elation. The spirit-mind begins to change as all spirit body systems are affected by the changed condition now experienced in the soul as the soul becomes living and vital. In one's progression of this Divine transformation, the soul will mature enough from the amount of Divine energy it receives and at that moment the surface of the spirit body and the Spirit are continuously attracted to each other, then one is living in the presence of the Father in perfect harmony, and this clarifies the truth about what it means to be truly at-one with God.

It is I Matthew, a teacher of the Divine Love. I have communicated with you recently, now I desire to provide you with a visual description of the Love.

Imagine a continuous Energy shining light blue that is unbroken with a seamless surface that surround every mortal and Immortal spirit. Imagine if you were to become aware that this energetic field of light-blue Energy existed in its shining radiance just near where you are. Now that you are aware that this unbroken Divine Love is unified energetic field of living Love, by opening toward the Soul of God and aspiring for the Divine Love, the Acting Spirit gently brings a small portion of this shining blue Energy into your soul

The Divine Love that you have received remains part of this great Energy that the Divine Love is and even though this small portion of Divine Love, now within your soul, in its shining radiance and energetic cause, it is never separated from the continuous energetic field of Energy that the Divine Love is. Having partaken of this Energy it is with perception that one is aware that the Divine Love within one's soul is the same Divine Love that every person and spirit who has partaken of this Love, participates with. Even though in our individuality we partake of this Divine Energy, this Love is never broken away from the Source and Origin from which this Divine Love emanates.

The Divine Love is bestowed into our finite soul by the Acting Spirit, but this Spirit remains in contact with our spirit body and does not enter the finite soul to become part of our finite soul essence that we are. No mortal or Immortal spirit can manifest in their soul the Acting Spirit so that this Spirit – this Holy Spirit – becomes part of our existing finite spirit body. Only the Divine Love and its Energy becomes part of our finite soul, which causes the change to our spirit body. The Acting Spirit always remains its own attribute and never does a Celestial spirit claim ownership or take possession of the Acting Spirit within their soul. (The Holy Spirit / Acting Spirit is an instrument of the Source Soul, our Father.)

This is one of the wonderful Truths by which we who have been transformed by the Divine Love understand our personal relationship with the Father's ever-present Acting Spirit. The shining Energy of Divine Love is all around us and when we have partaken of this Love, part of our finite nature becomes independently shining in this true perfect Love.

I provide these words that may appeal to those who are visual and to express the universal appearance of the Divine Love and the personal touch when in contact with the Acting Spirit.

Matthew (Apostle)

**Whilst we are receiving our Heavenly Parents' Divine Love, and that this Love is causing change within our soul and spirit attributes, the greatest Truth known to man and spirit is that this is the way our Mother and Father are actually loving us! When we progress, it is God's way of loving us into love and then we live what we are, love.**

## **The Only Prayer That Man Need Offer to the Father:**

**The Prayer for Divine Love**

(as given within the first century)

I am here, Jesus

<http://www.youtube.com/watch?v=Pg6p3rivAZw>

**P.438 Book of Truths through James Padgett / Jesus**

Let your prayer be as follows:

**Our Father, who art in heaven, we recognize that You are all Holy and loving and merciful, and that we are Your children, and not the subservient, sinful and depraved creatures that our teachers of old would have us believe. That we are the greatest of Your creation, and the most wonderful of all Your handiworks, and the objects of Your great soul's love and Tenderest care.**

**That Your will is that we become at one with You, and partake of Your great love which You have bestowed upon us through Your mercy and desire that we become, in truth, Your children, through love, and not through the sacrifice and death of any one of Your creatures.**

**We pray that You will open up our souls to the inflowing of Your love, and that then may come Your Holy Spirit to bring into our souls this, Your love in great abundance, until our souls shall be transformed into the very essence of Yourself; and that there may come to us faith--such faith as will cause us to realize that we are truly Your children and one with You in very substance and not in image only.**

**Let us have such faith as will cause us to know that You are our Father, and the bestower of every good and perfect gift, and that only we, ourselves, can prevent Your love changing us from the mortal to the immortal.**

**Let us never cease to realize that Your love is waiting for each and all of us, and that when we come to You, in faith and earnest aspiration, Your love will never be with-held from us.**

**Keep us in the shadow of Your love every hour and moment of our lives, and help us to overcome all temptations of the flesh, and the influence of the powers of the evil ones, which so constantly surround us and endeavour to turn our thoughts away from You to the pleasures and allurements of this world.**

**We thank You for Your love and the privilege of receiving it, and we believe that You are our Father --the loving Father who smiles upon us in our weakness, and is always ready to help us and take us to Your arms of love.**

**We pray this with all the earnestness and longings of our souls, and trusting in Your love, give You all the glory and honour and love that our finite souls can give.**

**Amen**

**MoC**

Note: The 'false teachers' are our parents, as they are also the 'evil ones'.  
Also, the evil ones, being those parts of one's mind, that are controlling you.

## Prayers to our Mother and Father

From 'Religion of Feelings' by James Moncrief

**Please Mother and Father** help me accept my untrue state and bring up all my repressed feelings so I can see the full truth of why I feel so unloved and all that's wrong with me.

**Please Mother and Father** help me see the truth of myself through my feelings.

**Please my beloved Heavenly Parents**, fill my soul with Your Divine Love. I long for Your Divine Love; please answer my prayer and yearning to be at-one with You and do Your Will by living true to myself and all my feelings. Please fill my heart and soul with Your Divine Love – please make my soul like Yours – Divine.

**Please Mother and Father**, I want to uncover the whole truth of myself through my feelings. I want to be able to feel and accept just how bad I am, how bad I feel I am, how bad I've been in my life. I want to know the whole ugly truth of myself, see it and feel it and understand how I came to be it. Please reveal to me through my feelings all the truth of myself You want me to see. I want to be as You want me to be; I want to be true and perfect, Healed of all my rebelliousness and self- and feeling-denial; I want to be good, loving, true and happy, please help me become true to myself, true to my soul, true to You.

**Please Mother and Father help me**, I'm in such bad pain, I feel so alone, so miserable, so scared, what's going to become of me, I don't understand, what's the point of me, why have You made me; please help me see the truth of myself – all the truths of myself, nature, how to be in the world, of You both. I want to know, I want to know it all through my feelings, all that there is to see, the whole truth and nothing but the truth. Please help all my pain come to the surface of me so I can embrace and accept and express it out of me. I want to use my feelings to uncover the truth they are to show me; please help me to do that.

**Please Mother and Father love me**. I want You to love me. I want to feel fully loved by You. I don't want anything else, only to be with You. Please, that is all I am asking.

**Please make me feel how unloving I am**. Please show me the horrible truth that I am. I want to see and feel and understand the worst of me, please take me into my darkest scariest ugliest unwanted rejected places within myself. I don't want to feel all the dreadful pain that I know is there locked away inside me, yet I do also want it all to come up and out of me, and I want to use it to see the truth of my wrongness, the truth of how evil I am, the truth of my fucked up state. I no longer want to be false, pretending I am okay, using my mind to make me falsely believe I am good, happy, loved and loving, when I know I'm not. For how can I be when You've brought me into my unloving state, making me be of it. And as You want me to experience being this negative way, please show me the whole truth of it. I no longer want to deny any part of myself, or any of my bad feelings. I want them all to come up so I can express them, emoting their pain, feeling how bad You've made me feel all my life and all through my early life; I want to see why, and so reveal all the truth to myself. I want to be the living truth of myself, living true to my feelings and the truth they give rise to. Please help me to do my Healing, and please fill my soul with Your Divine Love.

**The mind way is the 'dead' way; the feelings way is the 'alive' way.**

### Examples of some prayers to God:

From 'Feeling Healing' by James Moncrief

**Please God** show me the truth of myself through my feelings.

Please help me see the truth about myself You want me to see.

And please help me feel all my repressed pain; please bring up all my bad feelings so I can express them and see what it is they are to show me about myself, my life, and You.

And please help me work through my blocks, I want to Heal myself, I want to become true to myself and true to my feelings and true to You – please help me do that.

**Heavenly Mother and Father**, I feel so bad, and I know I'm doing it to myself, but I can't help it. I can't stop my compulsive addictions, so will you please bring up the buried feelings in me and show me the reasons why I can't stop. Please! I want to know – I REALLY WANT TO KNOW why I do them. Please help me Mother and Father to uncover the truth of myself. Please, I beg you, please, please, please show me the truth of them so I can give them up. I hate feeling bad, yet I know I must so I can keep expressing my bad feelings to see the truth You want me to see, so please help me feel bad.

**Please Mother and Father** fill my heart and soul with Your Divine Love. Please give me Your Love. Please love me and make me feel loved by You. I want to feel You close to me, I want You to hold me, make me feel loved by You. I only want You and to do Your Will. Please help me bring up all my repressed feelings so I can express them and uncover their truth. Please help me do my Healing. Please give me Your Love.

**I hate you Mother and Father;** why have You given me such a shit awful life? I hate myself, I hate You, I hate everything about my life. I feel so bad all the time. I've expressed so many bad feelings and still I feel bad. It's not fair, it's not fair what You've done to me. I hate You! And I want You to help me Heal myself, so I can stop feeling bad. You put me in the shit for whatever reasons, and I want You now to help me get out of it and show me what it's all been about. Please help me to Heal myself so I no longer hate You.

**I long for Your Divine Love** Mother and Father. Please fill my soul with it. And please help me uncover the truth of myself through my feelings. I want to see it all! And please make it all end, I'm so tired of always feeling so bad, please take all my bad feelings away by making me feel them and showing me the truth I am to see.

### JESUS' GOSPEL in FEW WORDS:

It is easy to summarize Jesus' gospel in few words: "God is Love. He offers His Love to all His children, that is to say, to all humanity. Moreover, He is always a personal God who invites us to enter into contact with Him, should we wish to do so. He will listen to us and He will answer."

God is the Source of Truth. And if you want to discover Truth, go to the Source, and do not be satisfied with second or third hand information.

The only way to find Truth is to experience it for yourself and in yourself. What you may experience, and thus verify, in your heart — is a great truth. Judas 6 May 2002

Man is composed of three essentially different parts: the physical body, the spirit body, and the soul. Of these three components, the physical body is characterised by its fleeting nature, for the numbered days of its existence. In fact, it only fulfils the purpose of integrating the soul into a material world, facilitating the interaction of man's spiritual part with the coarse matter environment that surrounds him.

The spirit body is composed of a different kind of matter, "finer" or more "ethereal". The fact that its aspect reflects the condition of soul is a clear indication that the soul influences largely its formation, and even more, the soul is indeed the creator of this body, which covers it and provides it with the characteristic of individuality. The formation of the spirit body begins at the moment of incarnation of the soul in the foetus, incarnation which only takes place should there exist a high possibility that the spirit of life has found in the new organism a stable biological structure, allowing it to carry out its life-giving function.

The soul, lastly, is man's only part that resembles its Creator. This why we also refer to God as the Great Soul or the Oversoul.

When the human soul receives the Love of God – His Essence – it becomes a divine soul. This is called soul transformation, culminating exactly at the moment when this process consumes the last vestiges of the natural soul, in the New Birth. Judas 8 May 2002

Our message is simple: God is Love, and He shares it with all who so desire. Judas 13 May 2002

God is Love and is willing to share this Love with all His children, that is to say, with all humanity.

The Heavenly Father's Love is not a simple feeling, but rather it is His Substance, or the Essence of Divinity, that distinguishes itself by attributes, as any substance does, and what we call "unconditional love" is but one of these attributes. Judas 16 May 2002

**Note:** Following the writings of James Moncrief, one could consider that any reference to the Father, by other relevant writers, may be read as a reference to 'our Mother and Father'. Further, when considering soul healing, then reference to Divine Love could be referred to as 'Feeling Healing with Divine Love'.

Dear Friend,

Pascas WorldCare – Introduction to 100 Years of Spiritual Teachings

Our search to understand; ‘how to treat the cause of illness rather than just treat the symptoms’ firstly appeared elusive. As it became understood and then obvious that particular emotional issues affected the physical body in particular regions and organs, then came the question of how to remedy and remove those emotional negative issues.

Negative, or man made, emotions can be addressed with great personal perseverance, however, the outcome is most likely not to be permanent, we relapse.

July, 2009, we were introduced to the Padgett Messages. These are profound teachings of truth, readily confirmed by applying Dr David Hawkins’ method of kinesiology muscle testing in conjunction with his Map of Consciousness. Some of the historically recognisable authors / writers throughout these messages are:

| Thomas (the Apostle)  | Washington, George         | Wesley, John               |

Within this initial set of teachings of some 2,500 messages are the writings of more than 250 authors. These works continued from 1914, and continue today:

The number of authors / contributors now exceeds 1,000, with key authors presenting material within each set of messages. It is a co-ordinated and well structured continuing series of teachings.

The first publication of the Padgett Messages in chronological order was published in 2008, all of the additional material has been published since then. Major references and sources of material are also found at [www.new-birth.net](http://www.new-birth.net) and [www.pascashealth.com](http://www.pascashealth.com) within the Pascas library section.

When a personality develops the desire to cause harm to others or to one's self, such man made emotional error is a soul injury. Such soul injury is reflected within that personality's spirit body by the presence of dense, slow moving energy which retards life giving energy flows in the region of the held or frozen emotional injury. Energy blockages within the meridians of the spirit body emerge as dull pain, then pain, then as an illness within the physical body.

Only longing for and earnestly desiring for our Mother and Father's Love will occur the inflowing of such Love, which is an energy, that will ultimately dislodge the harmful emotional error, or energy blockage. As the error is dissolved and removed also is the propensity for that personality to cause harm, which was associated with the emotional injury, being permanently removed. As the cause to harm is removed so is the need for compensation, as the emotional issue will no longer exist.

The Creator's Love, being progressively received by a personality, brings about improved physical health, improved quality and way of life, improved happiness for themselves and for those around them, and the gates are open for wonders of life beyond comprehension.

This is expanded upon, time and time again throughout all these works. Why have we not understood this before? These teachings were progressively lost throughout the first three centuries of this era, and all records of these teachings were finally lost in 325AD/CE at the Nicaean Council in Constantinople.

What is this advent of teachings that we have received progressively over the past 101 years?

**“My coming to you (James Padgett) is really my second coming on Earth, and the result of my coming in this way will satisfy and fulfil all the promises of the scriptures as to my second coming.”**  
**Jesus December 2, 1915**

This is reiterated throughout these works. The greatest gift to the universe has again been introduced to us during this phase of guidance having commenced on 31 May 1914 and concluded 7 January 2016.

**FEELING HEALING and SOUL HEALING with the DIVINE LOVE:****James Moncrief Publications:****all publications are free downloads:**<http://divinelovesp.weebly.com/my-free-books-and-free-padgett-messages.html>

It is suggested for one to consider reading as follows:

**Speaking with Mary Magdalene and Jesus – books 1 – 4**

These four books encapsulate the second of the revelations with the first having been introduced by James Padgett one hundred years previously. These four books provide a wide range of guidance that has never previously been made available.

**Paul – City of Light**

As a gentle intro into the Divine Love and Healing; being James Moncrief's first novel and it's been criticised as being too heavily clichéd, but that's the point because it's a reflection of how he was back then.

**Ann and Terry**

For an example of people who might want to immediately start working on themselves and doing their Healing.

**Feeling Bad? Bad feelings are GOOD**

For more understanding about our denial of our feelings and why we should not deny our feelings, and it includes how it all came about for James, using himself as an example.

**Feeling bad will make you feel BETTER – Eventually!**

This includes specific examples of Marion and James working on expressing particular bad feelings, again with the hope that it will help others gain something of an idea as to what's involved in doing your Feeling Healing.

**Sage – and the Healing Angels of Light**

Through Sage who's 13 years old, the story is primarily about the two aspects of healing; that being, with the help of our angels, and the full Healing we can do by looking to our feelings for their truth.

**Religion of Feelings  
Feeling Healing****Welcome to LOVE – the Religion of Feelings  
you can heal yourself through your feelings**

So these books, including the four Speaking with Mary Magdalene and Jesus books, provide the essence of it all and are examples of James' work. Then it's up to whatever takes one's fancy. Other reading to consider may include:

**The Padgett Messages being published as:****The True Gospel Revealed Anew by Jesus volumes 1 – 4****Book of Truths by Joseph Babinsky****The Urantia Book****Release one's pain through expressing one's feelings.****in conjunction with****Longing for the Truth when also longing for Divine Love.**

**FEELING HEALING with DIVINE LOVE is SOUL HEALING:**

*A collection of 'papers' that draw together specific topics including all of the above and more from other sources of information and revelation designed to help increase one's awareness about why we have the problems we do and how to heal them, all whilst living a more healthy and sustainable life. They provide a brief snapshot of the more complicated topics and issues.*

**Firstly, consider discovering the truth of your emotional pain through Feeling Healing. Secondly, consider longing for our Heavenly Parents' Love as you progress with your healing. Primary and most important readings are the writings of James Moncrief. Then consider the Padgett Messages, and then The Urantia Book.**

**DIVINE LOVE and DIVINE TRUTH Revelations and Teachings escalating:**

**The opening up of the soul permits a permanent exchange with Divinity, a permanent recharge of this healing energy that allows not only the re-establishment of lost health, but the continuity of health, providing such a perfect balance, even in the physical body, that noxious agents like bacteria and virus cannot find any opportunity to unchain pathological reactions, which we commonly call illness.**

**But it is true that people without the benefit of Divine Love would lack the protective shield, which the intrinsic healing energies of Divine Love provide for those who pray for our Heavenly Father's Grace.**

**Judas – August 19<sup>th</sup>, 2001**
